CLERK OF SUPREME COURT

DEPUTY CLERK

ORDER DENYING MOTION

Appellants have filed an unopposed motion to file the opening brief and volumes 78-85 of the joint appendix under seal on the ground that the volumes of appendix contain confidential settlement negotiation documents sealed by the district court and the opening brief makes reference to those documents. The motion is denied without prejudice because it is not accompanied by a copy of the opening brief or a copy of the

volumes of the appendix sought to be filed under seal.¹ See SRCR 3(2) (indicating that copies of the documents proposed to be filed under seal should be submitted with the motion to seal). Appellants may renew the motion to seal upon submission of the brief and volumes of appendix to this court. The submitted documents will remain confidential pending this court's ruling on any renewed motion to file the brief and the appendix volumes under seal.

It is so ORDERED.
