ELIZABETH A. BROWN
CLERK OF SUPREME COURT
BY  CHIEF DEPUTY CLERK

Nevada Supreme Court Clerk Brown,

I am (Diana Diaz) and I live in Las Vegas, NV. I am writing today because I want to provide live support for exhibit A at the hearing ADK0567 scheduled for September 22nd at 10am.

I have been homeless and been off the streets for year . Because of this convert 19 DL going to be more homeless on the streets of Las Vegas Nevada. This is going to be mainly due to not having enough money to pay for their rents. The people on here do not make enough money and these companies that these people work for refuse to pay for benefits or give people part time work. My question would be is how would these people going to pay the rent if they only working part-time. Also why should the people have to work two to three jobs just to pay their rents anaha anat and I can't afford childcare and all that.

Thank you and I look forward to participating.

Sincerely yours,
Diana Diaz
