DOCKETING
CIVIL APPEALS

Electronically Filed
Oct 01 2020 09:21 a.m.
Elizabeth A. Brown
Clerk of Supreme Court

GENERAL INFORMATION

Appellants must complete this docketing statement in compliance with NRAP 14(a). The purpose of the docketing statement is to assist the Supreme Court in screening jurisdiction, identifying issues on appeal, assessing presumptive assignment to the Court of Appeals under NRAP 17, scheduling cases for oral argument and settlement conferences, classifying cases for expedited treatment and assignment to the Court of Appeals, and compiling statistical information.

WARNING

This statement must be completed fully, accurately and on time. NRAP 14(c). The Supreme Court may impose sanctions on counsel or appellant if it appears that the information provided is incomplete or inaccurate. *Id.* Failure to fill out the statement completely or to file it in a timely manner constitutes grounds for the imposition of sanctions, including a fine and/or dismissal of the appeal.

A complete list of the documents that must be attached appears as Question 27 on this docketing statement. Failure to attach all required documents will result in the delay of your appeal and may result in the imposition of sanctions.

This court has noted that when attorneys do not take seriously their obligations under NRAP 14 to complete the docketing statement properly and conscientiously, they waste the valuable judicial resources of this court, making the imposition of sanctions appropriate. See KDI Sylvan Pools v. Workman, 107 Nev. 340, 344, 810 P.2d 1217, 1220 (1991). Please use tab dividers to separate any attached documents.

5. Does this appeal raise issues concerning any of the following?

- ☐ Child Custody
- ☐ Venue
- ☐ Termination of parental rights

6. Pending and prior proceedings in this court. List the case name and docket number of all appeals or original proceedings presently or previously pending before this court which are related to this appeal:

None

7. Pending and prior proceedings in other courts. List the case name, number and court of all pending and prior proceedings in other courts which are related to this appeal (e.g., bankruptcy, consolidated or bifurcated proceedings) and their dates of disposition:

None

8. Nature of the action. Briefly describe the nature of the action and the result below:

Plaintiffs brought suit due to the crash of all-terrain vehicle near Lake Havasu, Arizona. Plaintiffs sued Sandbar Powersports, LLC, a Nevada company that rented the vehicle to the Plaintiffs. Plaintiffs also sued Polaris Industries, Inc., the Minnesota manufacturer of the vehicle. After the parties had litigated for an extended period in Nevada and engaged in substantial merits discovery, Nevada Defendant Sandbar agreed to settle with Plaintiffs. Following Sandbar's settlement, Minnesota Defendant Polaris moved to dismiss the lawsuit for forum non conveniens. The district court granted the motion, and Plaintiffs appeal from that order.

9. Issues on appeal. State concisely the principal issue(s) in this appeal (attach separate sheets as necessary):

Did the district court err in dismissing a long-pending lawsuit for forum non conveniens upon the routine settlement of a forum co-defendant where there was no indication the forum co-defendant was sued as a sham or forum shopping device?

10. Pending proceedings in this court raising the same or similar issues. If you are aware of any proceedings presently pending before this court which raises the same or similar issues raised in this appeal, list the case name and docket numbers and identify the same or similar issue raised:

None

11. Constitutional issues. If this appeal challenges the constitutionality of a statute, and the state, any state agency, or any officer or employee thereof is not a party to this appeal, have you notified the clerk of this court and the attorney general in accordance with NRAP 44 and NRS 30.130?

☒ N/A

☐ Yes

☐ No

If not, explain:

12. Other issues. Does this appeal involve any of the following issues?

☐ Reversal of well-settled Nevada precedent (identify the case(s))

☐ An issue arising under the United States and/or Nevada Constitutions

☒ A substantial issue of first impression

☒ An issue of public policy

☐ An issue where en banc consideration is necessary to maintain uniformity of this court's decisions

☐ A ballot question

If so, explain: The Nevada appellate courts have never addressed whether the settlement of a forum co-defendant in a long-pending suit could provide a basis for a forum non conveniens dismissal. Other jurisdictions to address the question have held such a dismissal is only appropriate if the forum defendant was sued as a sham or forum shopping device, which is definitely not the case here.

13. Assignment to the Court of Appeals or retention in the Supreme Court. Briefly set forth whether the matter is presumptively retained by the Supreme Court or assigned to the Court of Appeals under NRAP 17, and cite the subparagraph(s) of the Rule under which the matter falls. If appellant believes that the Supreme Court should retain the case despite its presumptive assignment to the Court of Appeals, identify the specific issue(s) or circumstance(s) that warrant retaining the case, and include an explanation of their importance or significance:

There is no presumptive assignment to the Court of Appeals because the case does fit any category under NRAP 17(b). It should be retained by the Supreme Court under NRAP 17(a) (11-12). As noted above, the case centers on a question of first impression involving the Nevada common law. Nevada has scant law on forum non conveniens to begin with, and none on this issue. This case provides an opportunity for the Supreme Court to clarify when and under what circumstances a motion to dismiss for forum non conveniens will or will not be appropriate. The effects of the decision in this appeal will not be limited to the parties, as it will potentially affect all multi-party lawsuits involving both Nevada and out-of-state defendants. The opinion in this appeal could also greatly impact settlement decisions between future parties, implicating a matter of public policy.

14. Trial. If this action proceeded to trial, how many days did the trial last? 0 _____

Was it a bench or jury trial? N/A _____

15. Judicial Disqualification. Do you intend to file a motion to disqualify or have a justice recuse him/herself from participation in this appeal? If so, which Justice?
No

5 ascertained. Plaintiffs are informed, believe and thereon allege, that each of the Defendants
6 designated herein as a DOE and ROE are in some way legally responsible and liable for the
7 events referred to herein, and proximately caused the damages alleged herein.
8

9 4. Defendant, Polaris Industries, Inc. ("Polaris"), is a foreign business entity
10 (Delaware Corporation) with its principal place of business in Medina, Minnesota, but doing
11 business in and throughout the State of Nevada. It may be served via its registered agent, CS

20

21 FACTS

22 6. On October 18, 2016, Plaintiffs John and Sherri Borger rented a Polaris RZR
23 from Defendant Sandbar Powersports, LLC near Lake Havasu, Arizona. While driving on areas
24 designated by Sandbar, the vehicle unexpectedly rolled onto its right side. Sherri Borger was the
25 properly belted right front passenger at the time. Sherri's arm was trapped underneath the
26 vehicle and sustain significant injuries, ultimately leading to an amputation of her right arm.
27
28

1 7. At the time of the incident, the RZR was being operated in a foreseeable and
2 prudent manner. Further, the RZR was being used for the purpose for which it was reasonably
3 and foreseeably intended and in a manner reasonably foreseeable to Defendants.

4 **COUNT I – NEGLIGENCE (SANDBAR)**

5 8. At all relevant times, Sandbar was engaged in the business of renting recreational
6 vehicles including the RZR at issue for use by members of the general public. As such, Sandbar
7 owed a duty to its renters as well as the general public to ensure the vehicles were safe for
8 foreseeable operation. Sandbar breached its duty by, among other things:

- 9
- 10 a. Failing to install or offer proper equipment and safeguards to protect
11 occupants during normal foreseeable driving conditions including tip-
12 overs and/or rollovers;
- 13 b. Failure to adopt known and feasible safety measures, including, but not
14 limited to, an adequate cage, structure, netting, and/or Occupant
15 Containment System to prevent occupants and/or their extremities from
16 being ejected from the RZR during a tip-over and/or rollover;
- 17 c. Failing to conduct a proper inspection of the RZR;
- 18 d. Failing to properly train all occupants on the use of the RZR;
- 19 e. Failure to warn about the propensity of the RZR to tip-overs or rollover;
- 20 e. Failure to warn about the propensity of partial ejection during tip-overs or
21 rollovers;
- 22 f. Failure to provide a safe RZR.

23 9. Sandbar's breach of its duties, including but not limited to the breaches
24 enumerated above, were the direct and proximate cause of the permanent and significant
25 damages to Plaintiffs John and Sherri Borger.

COUNT II - STRICT PRODUCT LIABILITY
DESIGN AND MARKETING DEFECTS (POLARIS)

10. The subject RZR was designed, manufactured and marketed by Defendant Polaris. The RZR was defective and unsafe for its intended purpose inasmuch as it was in a defective condition and unreasonably dangerous as designed and/or marketed. The defects existed at the time the RZR left the control of defendant Polaris, and the subject RZR was in substantially the same condition at the time of the subject incident as it was when it left the control of Polaris.

11. More specifically, but not by way of limitation, the subject RZR was defectively designed in one or more of the following particulars, which were a producing cause of the rollover event and/or injuries/damages in question:

- Deficient and Defective stability;
- Deficient and Defective occupant protection (lack of safety nets/doors)

12. More specifically, but not by way of limitation, the subject RZR was defectively marketed in one or more of the following particulars, which were a producing cause of the rollover event and/or injuries/damages in question:

- Inadequate warnings on the instability;
- Inadequate instructions on controlling speed to control instability;
- Inadequate warning on the lack of occupant protection;
- Inadequate instructions how to increase occupant protection;
- Inadequate warning on the lack of speed control (lack of governor)

13. Polaris is liable for the defective design and/or the defective marketing of the subject RZR, which constituted a producing cause of the rollover event and/or injuries/damages in question.

1 **COUNT III - BREACH OF WARRANTY (POLARIS)**

2 14. Polaris warranted to consumers, including the Plaintiffs, that the subject RZR was
3 safe and fit for the intended purposes when used under ordinary and/or foreseeable conditions.
4 Polaris's breach of warranty was a proximate cause of the rollover event and/or injuries/damages
5 in question.
6

7 15. Polaris is engaged in the business of designing, testing, manufacturing,
8 assembling, marketing, selling, distributing, and/or otherwise placing products like the subject
9 RZR into the stream of commerce.

10 16. The subject RZR failed to comply with the applicable warranties by virtue of the
11 instability and inadequate occupant protection.
12

13 **COUNT IV - NEGLIGENT DESIGN AND MARKETING (POLARIS)**

14 17. Polaris was negligent in the design and/or marketing of the subject RZR, which
15 was a proximate cause of the rollover event and/or injuries/damages in question.
16

17 **DAMAGES**

18 18. As a direct and proximate result of Sandbar and Polaris' conduct, Sherri Borger
19 suffered serious and severe injuries including, but not limited to the loss of her right arm. Due to
20 her injuries, she has suffered in the past, and will continue to suffer in the future the following
21 damages: medical expenses, loss of earnings and/or earning capacity, loss of household services,
22 mental anguish, pain and suffering, disability and disfigurement. As a direct and proximate result
23 of Defendants' conduct, John Borger suffered loss of consortium damages, including but not
24 limited to, loss of love and emotional support, companionship and the mutual benefits which
25 existed in their marriage.
26
27
28

19. Plaintiffs seek exemplary damages caused by both Defendants' malice, gross negligence and willful acts, omissions and gross negligence.

20. Plaintiffs are entitled to recovery of pre-judgment and post-judgment interest in accordance with law and equity as part of their damages herein, and Plaintiffs here and now sue for recovery of pre-judgment and post-judgment interest as provided by law and equity, under the applicable provision of the laws of the State of Nevada.

CASE NO: A-17-751896-C
DEPT NO: XXV

ORDER GRANTING POLARIS
INDUSTRIES, INC.'S MOTION TO
DISMISS FOR FORUM NON
CONVENIENS

20 The above-described action came before this Court for hearing on February 19, 2019 upon
21 the motion by Defendant Polaris Industries, Inc. ("Polaris") to dismiss this case pursuant to NRCP
22 7(b) on the grounds of *forum non conveniens* (the "Motion").

23 The Court, having considered the submissions of the parties, having considered all of the
24 files, records, and proceedings in the action, having considered the arguments of counsel during the
25 February 19, 2019 hearing on Defendant Polaris Industries, Inc.'s Motion to Dismiss for Forum
26 Non Conveniens, and being otherwise fully advised,

27 IT IS ORDERED that Polaris Industries, Inc.'s Motion to Dismiss for Forum Non
28 Conveniens is Granted. The above-described action is hereby dismissed under NRCP 7(b) on the
grounds of *forum non conveniens* for the following reasons: (1) the Plaintiffs' choice of forum is

1431841v.1

1 entitled to lesser deference because it is not the Plaintiffs' residence; (2) Arizona is an adequate
2 alternative forum because of the amount of evidence and the number of witnesses located in
3 Arizona; and (3) the public and private interest factors weigh in favor of dismissing this case.

4 **IT IS FURTHER ORDERED** that Plaintiffs may refile this action in the adequate alternative
5 forum of Arizona; that Polaris waives any statute of limitations defense, *forum non conveniens*
6 argument, or jurisdictional argument that may be available to it in Arizona; that interrogatories,
7 request for admission, and depositions taken and documents produced during the pendency of this
8 case in Nevada may be used by the parties in the re-filed case; and that Polaris waives formal service
9 of process requirements for the re-filed case—Polaris's counsel can and will accept service of the
10 new complaint, should Plaintiffs choose to refile.
11

12 **IT IS SO ORDERED.**
