CLERK OF SUPREME COURT

CHIEF DEPUTY CLERK

*ORDER REGARDING SUPPLEMENTAL APPENDIX
AND DIRECTING ANSWER*

This petition for a writ of mandamus challenges a district court order denying a motion to dismiss several counts from the indictment based on a claim that the Second Judicial District Court lacks territorial jurisdiction over counts arising in Douglas County. The appendix provided by petitioner is missing a transcript of the grand jury proceedings, an essential document for this court's review. See NRAP 21(a)(4) (requiring appendix to include any document that may be essential to understand the matters set forth in the petition); *Guzman v. Second Judicial Dist. Court*, 136 Nev., Adv. Op. 12, 460 P.3d 443 (2020) (granting petition and issuing writ with instructions for district court to determine whether it has territorial jurisdiction based on the evidence presented to the Washoe County grand jury). Petitioner shall have 7 days from the date of this order to file and serve a supplemental appendix containing the transcript of the grand jury proceedings.

We have further determined that an answer would assist the court in resolving the petition. Accordingly, the real party in interest, on behalf of respondents, shall have 28 days from the date of this order to file an answer, including authorities, against issuance of the requested writ.

It is so ORDERED.
