MEMORANDUM OF POINTS AND AUTHORITIES

On August 8, 2019, Appellant filed its Petition for Writ of Mandamus in the Eighth Judicial District Court. On September 4, 2020, the Petition was denied. This appeal follows.

This Court initially set a deadline of October 26, 2020, for filing of a transcript request. Appellant sought, and was granted, a 14-day telephonic extension of time, extending the deadline within which to submit a request for transcripts to the current deadline of November 9, 2020.

Unfortunately, despite efforts, the undersigned have continued to meet with no success in reaching the court recorder who recorded the proceedings in the district court, and therefore while the largest part of the District Court proceedings have already been transcribed and made available, Appellant has to date been unable to request production of needed transcripts or pay the associated deposit.

1 Therefore, Appellant requests a further extension of 30 days within
2 which to file a request for transcripts, rendering a new deadline of December
3 9, 2020.
