ORDER

On December 31, 2020, this court entered an order granting counsel for respondents' motion to withdraw and directing respondents, within 30 days, to retain new counsel and cause counsel to enter an appearance or to inform this court that they intend to proceed pro se. The order stated that failure to respond would be deemed notice that respondents intend to proceed pro se. To date respondents have not responded to this court's order, nor has new counsel entered an appearance; accordingly, this court concludes that respondents intend to proceed pro se. Appellant filed the opening brief and appendix on February 23, 2021. Respondents' answering briefs are due to be filed on or before March 26, 2021. Failure to timely file an answering brief may result in the imposition of sanctions, including disposition of this appeal without an answering brief from respondents. NRAP 31(d).

It is so ORDERED.
