2. Discovery to be Completed

The discovery that remains to be completed includes, but is not limited to:

Additional Production of Documents A.

Plaintiff caused 17 Subpoenas Duces Tecum to be served on various third-parties. As of the date of this Stipulation, Plaintiff has received over 23,000 pages of subpoenaed records from Marquis Companies, Praxis and Marcum, which are in the process of being bates labeled and produced to the Defendants. It is anticipated that Plaintiff will receive additional subpoenaed records from the other third-parties. Upon receipt of such records, they will be bates labeled and produced to the Defendants.

B. Additional written discovery

The Parties anticipate additional written discovery including interrogatories and requests for admission, as well as additional requests for production of documents.

C. Depositions and additional third-party subpoenas

The Parties intend to take the depositions of the following parties: (1) Steve Fogg; (2) Robert Chur (3) Mark Garber; (4) Carol Harter; (5) Robert Hurlbut; (6) Barbara Lumpkin; (7) Jeff Marshall; and (8) Eric Stickels. The Parties are currently working with the Director Defendants' counsel to coordinate scheduling of these depositions. Currently, Mr. Fogg's deposition is being scheduled for either June 6, 2018 at June 13, 2018.

The Parties also intend to notice the depositions of the following third-party witnesses: (1) Sanford Elsass; (2) Donna Dalton; (3) Jonna Miller; (4) Lynn Fulstone; and (5) various individuals from the Nevada Division of Insurance, including but not limited to Michael Lynch and Amy Parks. be issued. Finally, Plaintiff will cause Amended Subpoenas Duces Tecum to be issued to Milliman, Inc. and Florida Nurses Association. Finally, after Expert Disclosures and Reports have been produced, the Parties will need to take the depositions of the Experts.

3. Reasons Why Discovery Dates Should Be Amended

This is a case regarding the reasons for the failure of a risk retention group that insured skilled nursing facilities and nurses for approximately 10 years. Prior to commencement of this case, the Uni-Ter Defendants, as custodian of records for the Lewis & Clark Risk Retention Group, provided thousands of files in electronic format to the Receiver of the Lewis & Clark Risk Retention Group. Those documents contained among other things, sensitive HIPAA information of the various claimants and confidential, attorney-client privilege type of documents which included claim notes, claim files and reserves. Some of these documents were similarly provided to the Board of Director Defendants while they served on the Lewis & Clark Risk Retention Group board. If disclosed to third parties, this information could be detrimental to the claims process currently proceeding in the Liquidation Receivership of the Lewis & Clark Risk Retention Group. Processing and handling of this type of information has been time consuming and has taken longer than expected, especially with Defendants refusing to produce documents within their possession, custody or control.

During the week of May 7, 2018, Defendant U.S. Re produced documents bates labeled LC-USRE-0001070-1523020 (which appears to be approximately 1.5 million pages of documents). Both Plaintiff's counsel and the Director Defendants' counsel will need to dedicate substantial time in order to review the massive production of documents. Regardless of this recent production, there is currently a discovery dispute related to production of documents for the years of 2006 to 2009. This could require a Motion to Compel production. In any event, Plaintiff believes that the records associated with the years of 2006 to 2009 could easily be another 1.5 million pages of production, requiring more time for a review.

Between March and April 2018, Plaintiff received unredacted documents of approximately 14,000 pages from the Director Defendants. Additionally, Plaintiff is starting to receive subpoenaed records from third-parties (so far approximately 28,000 pages). documents will need to be reviewed and provided to Plaintiff's expert(s) in order to prepare of their reports (currently due July 13, 2018). Finally, the Parties need to take depositions in this case.

This Stipulation to extend time is brought in good faith and not for the purpose of delay. 1 The parties do not anticipate any further requests for continuance. Based on the above, there is 2 3 good cause to extend discovery and the trial dates as proposed below. 4 4. Proposed Schedule For Remaining Discovery Based upon the foregoing, the Parties request that the discovery deadlines be extended for 5 6 an additional 6 months, as follows: 7 A. Discovery Cut Off: 8 Currently: October 30, 2018 9 Proposed: April 30, 2019 10 B. Deadline for Parties to file Motions in Amend: 11 Currently: July 13, 2018 12 Proposed: January 14, 2019 13 C. Plaintiff shall make initial expert disclosures: 14 Currently: July 13, 2018 15 Proposed: January 14, 2019 16 D. Defendants shall make initial expert disclosures: 17 Currently: August 13, 2018 18 Proposed: February 13, 2019 19 E. All parties shall make rebuttal expert disclosures: 20 Currently: September 14, 2018 21 Proposed: March 15, 2019 22 F. Attorneys for Plaintiff

DECLARATION OF BRENOCH R. WIRTHLIN, ESQ. IN SUPPORT OF EX PARTE MOTION FOR AN ORDER SHORTENING TIME

I, Brenoch R. Wirthlin, Esq., declare under the penalty of perjury as follows:

- 1. I am an attorney at the law firm of Hutchison & Steffen, counsel for Plaintiff, COMMISSIONER OF INSURANCE FOR THE STATE OF NEVADA AS RECEIVER OF LEWIS AND CLARK LTC RISK RETENTION GROUP (the "Plaintiff"), in the above-referenced action.
 - 2. I am aware of and have personal knowledge of the matters contained herein.

- 3. I assert each of the facts, provided in the Statement of Facts following this Declaration, as if fully stated herein and I confirm such facts are true and correct to the best of my knowledge.
- 4. On June 18, 2020, this Court held a continued hearing on Plaintiff's Motion for Clarification related to lifting of the discovery stay ("June 18 Hearing").
- 5. As this Court is aware, a stay for all purposes was originally put in place by this Court on March 14, 2019, due to Director Defendants' Writ Petition before the Nevada Supreme Court and then the Chief Judge of this Court (the Honorable Linda Bell) issued a stay of discovery, as well as a stay/tolling of NRCP 41(e).
- 6. Given the Nevada Supreme Court recently rendered its final decision on the Director Defendants' Writ Petition, on June 18, 2020 this Court ordered the discovery stay to be lifted on July 1, 2020.
 - 7. NRCP 41(e) remains stayed/tolled based upon Administrative Order #20-17.
- 8. With the lifting of the discovery stay, the parties only have approximately three and a half (3 ½) months left to complete discovery.
- 9. Upon the stay being lifted, because one day remained under the prior scheduling order for the parties to move to amend, Plaintiff intends on immediately filing its Motion for Leave to File Fourth Amended Complaint ("Motion to Amend") on July 2, 2020.
- 10. Plaintiff agrees that the filing of its Motion to Amend is necessary in order to move this matter forward, and will do so as set forth above.
- 11. At the time of the imposition of the stay by this Court on March 14, 2019, one judicial day remained under the then-operative scheduling order ("Prior Scheduling Order") for all parties to move to amend, and for Plaintiff to submit its initial expert disclosures.
- 12. Plaintiff is also prepared to make its initial expert disclosures on July 2. However, if Plaintiff is required to do so, Defendants have suggested they will seek to stay discovery pending the resolution of the Motion to Amend. Should Defendants do so, Defendants would have Plaintiff's initial expert disclosure for an extended, unknown period, possibly several months without the need to serve their own initial expert disclosures.

1	13.	This would unfairly and severely prejudice Plaintiff.
2	14.	Because there was one judicial day remaining under the Prior Order, Plaintiff's
3	initial expert d	disclosures could conceivably be due as early as July 2.
4	15.	If Plaintiff is required to make such a disclosure, the relief requested will be moot
5	as Defendants	will have Plaintiffs disclosure. Thus, Plaintiff respectfully submits the instant
6	Motion is nece	essary to be heard on shortened time to resolve certain discovery and trial concerns
7	without delay.	
8	16.	Time is of the essence in having this Motion heard as quickly as possible.
9	17.	Setting the hearing on this Motion on shortened time will not prejudice the
10	Defendants.	
11	18.	Plaintiff requests that the hearing on its Motion be set for prior to $July 1, 2020$ as
12	Plaintiff's initi	ial expert disclosures are due on July 2, 2020.
13	I decla	re under the penalty of perjury the foregoing is true and correct.

MEMORANDUM OF POINTS AND AUTHORITIES

I. STATEMENT OF RELEVANT FACTS

A. The Receivership and authority to initiate this Lawsuit

When Lewis and Clark LTC Risk Retention Group, Inc. ("L&C") became insolvent in 2012, Nevada law required that the Commissioner of Insurance step in to take over the failed insurer. On November 15, 2012, the Commissioner initiated the L&C Receivership action, case no. A-12-672047-B (the "Receivership Action"). Thereafter, Judge Gonzales entered an Order of Liquidation ("Liquidation Order") authorizing the Commissioner to commence any action or proceeding on behalf of L&C within two years of December 26, 2012, as well as directing the Receiver to liquidate the business Lewis & Clark LTC Risk Retention Group, Inc. ("L&C") and to secure possession all documents pertaining to L&C.

In or about October, 2013, Uni-Ter Underwriting Management Corp. ("Uni-Ter UMC"), Uni-Ter Claims Services Corp. ("Uni-Ter CS") and U.S. Re Corporation ("US Re") provided the Receiver with 125 boxes of paper documents and two hard drives containing electronic data, and represented to the Receiver that these documents were all they had pertaining to L&C. As evidenced below, Uni-Ter UMC, Uni-Ter CS and US Re were in possession of over an additional 1.5 million pages of documents, which it would take Uni-Ter UMC, Uni-Ter CS and US Re almost five (5) additional years to provide to the Receiver.

B. Filing of this Lawsuit and delays in conducting discovery

On December 23, 2014, Plaintiff filed this instant lawsuit against Uni-Ter UMC, Uni-Ter CS, US Re and the Director Defendants¹ (collectively, the "Defendants"). The delays to conducting discovery included attempts to proceed with a mediation/settlement conference and multiple Motions to Dismiss filed by the Defendants.

1. Mediation/Settlement Conferences

Immediately after initiating this lawsuit, the Director Defendants indicated they were

¹ "Director Defendants" shall refer to Defendants: Robert Chur, Steve Fogg, Mark Garber, Carol Harter, Robert Hurlbut, Barbara Lumpkin, Jeff Marshall and Eric Stickels.

interested in resolving this lawsuit short of defending against the claims. Plaintiff worked for the better part of the first year of litigation to coordinate a mediation/settlement conference, including confirming that Director Defendants were earnest in wanting to participate in goodfaith, reaching out to various mediators/settlement judges and coordinating all parties' schedule. At the last minute, the Director Defendants decided not to proceed with mediation/settlement conference and instead decided to file their first Motion to Dismiss.

In or around the summer of 2018, Uni-Ter CS, Uni-Ter UMC and US Re reached out to Plaintiff to discuss the possibility of settlement. While Plaintiff was apprehensive to go forward with another delay while proceeding with a settlement conference, Plaintiff agreed to a settlement conference, as long as all Defendants participated in good-faith. While a settlement conference was actually held in July 2018, the Parties were unable to resolve this lawsuit.²

2. Defendants' Motions to Dismiss

From December 11, 2015 through August 12, 2016, the Defendants filed five (5) separate Motions to Dismiss, of which Plaintiff opposed each one and filed three amended Complaints. This Court denied the final set of Motions to Dismiss and the Defendants filed Answers to the Third Amended Complaint.

C. Discovery conducted and completed to date

After the extensive Motion practice initiated by the Defendants, as well as the attempts to resolve this matter through settlement conferences, the parties proceeded with discovery. The discovery conducted and completed to date is summarized as follows:

1. Early Case Conference and Initial and Supplemental Disclosures

- The Parties attended the Early Case Conference, September 28, 2016.
- Plaintiff served its initial disclosures and sixteen supplements, producing over 300,000 pages of documents (including native excel files) and identifying over 100 witnesses.
- Director Defendants served their initial disclosures and supplemental disclosures, producing over 14,000 pages of documents and identifying 30 witnesses.

² Prior to proceeding with a mediation/ settlement conference, Plaintiff served Offers of Judgments on the Defendants in March of 2018, however, such Offers were not accepted.

• Defendants Uni-Ter UMC, Uni-Ter CS and US Re served their initial disclosures and several supplemental disclosures, producing <u>over 1.8 million pages</u> of documents. Almost all of the over 1.8 million pages of documents was produced between May and August 2018. As a result of the very late productions of over 1.8 million pages, Plaintiff's counsel has had to spend a considerable amount of time and efforts in reviewing, analyzing and culling through the massive amount of documents in a relatively short amount of time. Such time and efforts were necessary in order to properly and appropriately prosecute Plaintiff's case, including taking the Defendants' depositions.

2. Written Discovery

• From July 2017 through March 2019, Plaintiff served the following written discovery:

Request	Nos.	Propounded Upon	Served
1 st Set RFPs	1-67	US Re	7/17/17
2 nd Set RFPs	68-81	US Re	7/19/17

2 nd Set ROGs	24-30	Plaintiff	4/13/18
1 st Set RFPs	1-5	Plaintiff	4/13/18

• Defendant U.S. Re served the following written discovery: <u>N/A</u>.

• Defendants Uni-Ter UMC and Uni-Ter CS served the following written discovery:

Request	Nos.	Propounded Upon	<u>Served</u>
1 st Set RFPs	1-19	Plaintiff	3/9/18

3. Third-Party Subpoenas

- From November 2017 through March 2019, Plaintiff served over 20 Subpoenas. The following Third-Parties were served with a Subpoena Duces Tecum: Catlin Insurance Services, Inc.; Marquis Companies I, Inc.; Stiefel Consulting, Inc. f/k/a Praxis Claims Consulting, LLC d/b/a Praxis Claims Consulting; Marcum LLP f/k/a Marcum & Kleigman LLP; Pinnacle Healthcare, Inc.; Sophia Palmer Nurses Risk Retention Group, Inc.; Community Bank, N.A. f/k/a Oneida Savings Bank; Ponce de Leon LTC Risk Retention Group, Inc.; J.M. Woodworth Risk Retention Group, Inc.; Johnson Lambert, LLP; Stearns Weaver Miller Weissler Alhadeff & Sitterson, P.A.; Chur Companies NY, Inc. f/k/a Elderwood Affiliates, Inc. d/b/a Elderwood Senior Care; Rohm Services Corporation d/b/a Hurlbut Care Communities; Florida Nurses Association; Prestige Care, Inc. f/k/a Eagle Healthcare, Inc.; Milliman, Inc.; Congdon, Flaherty, O'Callaghan, Reid, Donlon, Travis & Fishlinger, P.C.; Broad and Cassel, P.A.; Barclay Damon, LLP f/k/a Hiscock & Barclay, LLP; William Fahy; Anthony Salerno; and Henry Hudson LTC Risk Retention Group, Inc.
 - These Subpoenas required Plaintiff to: (1) apply for issuance of foreign subpoenas in the states where the deponents were locate; (2) effectuate service across the country, from Washington to New York to Florida; and (3) provide continuous, immense follow-up in order to receive the requested records.
 - All records received to date by Plaintiff have already been produced.
- Director Defendants served FOIA request on the NV Division of Insurance, in which the following bates labeled records were produced on 3/21/18: LC000001-5642; BB-00001-855; JM-0001-52; and KS-0001-536.
 - Defendants Uni-Ter UMC, Uni-Ter CS and US Re served the following Third-

Parties with a Subpoena Duces Tecum: Milliman, Inc.; Stearns Weaver Miller Weissler Alhadeff & Sitterson, P.A. Given the confidential and privilege of the communications and records from the Stearns Weaver firm, Plaintiff had to perform an extensive review of such documents prior to their production. The Stearns Weaver documents have been produced.

4. Depositions

• To date, the Parties have taken the following depositions:

Deponent	Deposition Date	Deposed By
Robert Greer (as Plaintiff's PMK/30(b)(6))	11/8/18	Defendants
Steve Fogg	11/15/18	Plaintiff and Defendants Uni-Ter UMC, Uni-Ter CS and US Re
Eric Stickels (first half)	11/28/18	Plaintiff and Defendants Uni-Ter UMC, Uni-Ter CS and US Re

5. Experts

• Currently, Plaintiff is to set to serve its Initial Expert Disclosures on July 2, 2020. Since the early stages of this litigation, Plaintiff and its counsel retained the experts and have constantly been providing documents, records and updates to the experts to assist them with

27 28 preparing their reports. Since the Nevada Supreme Court disavowed Shoen, the Plaintiff's experts had address matters related to the *Chur* decision in their reports.

6. **Motion to Amend Complaint**

With the discovery conducted and completed to date, as well as based off the Nevada Supreme Court disavowing Shoen, the Plaintiff is filing its Motion to Amend Complaint on July 2, 2020. The Plaintiff seeks leave to file its Fourth Amended Complaint.

D. Director Defendants' Writ Petition, Stay imposed and decision

Due to this Court's denial of the Director Defendants' Motion for Judgment on the Pleadings, the Director Defendants filed a Petition for Writ of Mandamus/Prohibition (the "Writ Petition") with the Nevada Supreme Court on March 13, 2019. With the Director Defendants filing their Writ Petition, this Court imposed a stay on all proceedings effective as of March 14, 2019. Given the holding in *Shoen*, this Court's decision to deny the Director Defendants' Motion for Judgment on the Pleadings was completely supported. In issuing a decision on the Director Defendants' Writ Petition, the Nevada Supreme Court has given this Court the discretion of whether to grant a Motion to Amend the Complaint. For the reasons that will be asserted in Plaintiff's Motion to Amend, Plaintiff respectfully submits this Court should grant Plaintiff leave to file its Fourth Amended Complaint.

Ε. Discovery Stay lifted and Plaintiff's continuing efforts to prosecute case

On June 18, 2020, this Court ordered the lifting of its stay (imposed on March 14, 2019) effective as of July 1, 2020. With the lifting of the discovery stay, Plaintiff is eager to once again recommence discovery and proceed to trial without any further delays.

1. Plaintiff's ongoing discovery efforts

Plaintiff has a clear, straight-forward discovery plan, which includes but is not limited to:

- Written Discovery. Plaintiff will serve additional written discovery on all Defendants, including interrogatories, requests for admission, and requests for production.
- **Depositions and Subpoenas**. Plaintiff will be seeking leave to conduct numerous out-of-state depositions of key witnesses throughout the United States. Plaintiff will need to take depositions in Georgia, Florida, New York, Massachusetts, and Oregon. Those depositions

include but are not limited to: all remaining Director defendants, U.S. Re's CEO (Tal Piccione) and former employees of Uni-Ter and US Re, including Sanford Elsass, Donna Dalton, Jonna Miller and Christine McCarthy, as well as additional time to depose Uni-Ter and US Re's PMKs. Additional time to depose the PMK witnesses is required in part due to their errata to their deposition testimonies, which will be further addressed in a separate motion. Further, in deposing third-party witnesses, Plaintiff will need to serve foreign deposition subpoenas in several states, including New York, which is the epicenter of COVID-19 outbreak in the U.S.

- Experts. Plaintiff's Expert Disclosures are set to be disclosed on July 2, 2020, unless otherwise stayed by this Court. Defendants' Initial Expert Disclosures are due 30 days thereafter, with all parties' rebuttal expert disclosures being due 30 days after that. After Expert Disclosures and Reports have been produced, the parties will need to take the depositions of all experts.
- <u>Plaintiff's Motion to Amend</u>. As previously indicated, on July 2, 2020 Plaintiff will be filing a motion for leave to file a Fourth Amended Complaint.
- <u>Dispositive Motions</u>. Given the new standard imposed upon this case by the Supreme Court of Nevada, as well as the substantial factual evidence already obtained, Plaintiff anticipates filing dispositive motions to resolve several issues before the Court, and to narrow the issues remaining for discovery and trial.

2. Preferential Trial Setting

Since initiating this Lawsuit, Plaintiff has taken considerable and diligent efforts to prosecute its case, including conducting and completing quite a bit of discovery. Despite the unforeseen delays caused by: (1) the significant motion practice at the early stages of this litigation; (2) the Defendants requesting settlement conferences; (3) Defendants Uni-Ter UMC, Uni-Ter CS and US Re's withholding of <u>over 1.8 million pages</u> of documents until 3.5 years into this litigation; (4) the stay imposed as a result of the Director Defendants' Writ Petition, as well as the Nevada Supreme Court disavowing *Shoen*; and (5) the stay imposed due to COVID-19, Plaintiff is gearing up to complete the remaining discovery as expeditiously as possible.

1 start on October 21, 2019. Additionally, under NRCP 41(e), with initiation of this lawsuit on 2 3 December 23, 2014, at the time of the stay, Plaintiff had until December 22, 2019 (i.e., 283 days or just over 9 months remaining) to bring its case to trial, however, this Court's stay tolled the 4 5 time period under NRCP 41(e). While this Court's Administrative Order #20-17 continues to stay and /toll NRCP 41(e), Plaintiff requests to have this matter set for a preferential trial setting 6 so that this matter can be fully adjudicated and brought to trial within the next 8-9 months (or by 7 8 March 31, 2021), which would alleviate any and all NRCP 41(e) timeline concerns presented as 9 a result of the COVID-19 pandemic.

Under Administrative Order #20-17, this Court will:

"...prioritize trials, beginning with criminal cases involving interstate compact issues and criminal cases in which the defendant has invoked speedy trial rights. After those cases, the priority will be civil cases with preferential trial settings; older in-custody criminal cases; and older civil cases, particularly those with NRCP 41(e) timeline concerns."

Before the stay imposed by this Court on March 14, 2019, this case was set for trial to

27 28 See A.O. #20-17 (emphasis added), pg. 16, lines 19-23, attached as **Exhibit 1**. Counsel for Defendants Uni-Ter UMC, Uni-Ter CS and US Re has already indicated that he believes there are concerns with the "5 Year Rule" and that the "case needs to move forward." See G. Ogilvie's e-mail dated June 23, 2020, attached as Exhibit 2. While Plaintiff disagrees, the preferential trial setting requested will alleviate any possible concerns. Further, under A.O. #20-17, this case must be prioritized and be given a preferential trial setting to occur no later than March 31, 2021.

3. **Issuing a New Discovery Scheduling Order**

Alongside a preferential jury trial setting, Plaintiff respectfully submits that this Court should issue a new discovery scheduling order as the prior scheduling order is out of date. Plaintiff provides a table of the days remaining under the prior scheduling order and the proposed new discovery deadlines based upon the lifting of the stay on July 1, 2020:

<u>Description</u>	No. of Days Remaining	Proposed New Deadline
Discovery Cut-Off	109 days	October 19, 2020

1
2
3
4
5

Last Day to Amend or Add Parties	1 day	July 2, 2020

Defendants' Initial Expert Disclosures	32 days	August 3, 2020
Rebuttal Experts Disclosures	61 days	September 2, 2020
File Dispositive Motions	144 days	November 23, 2020

See prior Discovery Scheduling Order, attached as Exhibit 3.

4. Facts related to alternative request to stay discovery

In the very same e-mail where the Uni-Ter Defendants' counsel raises NRCP 41(e) concerns, he asserts the following:

The Receiver has had a 15-month extension while the case has been stayed to prepare its initial expert disclosures, and the Receiver has the benefit of knowing what its proposed amended pleading alleges. Meanwhile, US Re and Uni-Ter (both of which opposed the stay) have been stymied while the Receiver and the director defendants litigated the writ petition.

. . .

US Re and Uni-Ter may or may not seek to extend some deadlines. We will not be in a position to evaluate this until we have the opportunity to review the Receiver's proposed amended pleading and expert disclosures. So, we cannot enter into the stipulation you propose.

See Exhibit 2. It was the Director Defendants who filed a Writ Petition, which necessitated the imposition of a stay. The Nevada Supreme Court completely disavowed prior case law in its order regarding the Directors' petition. This resulted in Plaintiff needing to adapt to the order on the writ petition. However, the Plaintiff's case against the Uni-Ter UMC, Uni-Ter and US Re remains substantially unchanged as a result of the *Chur* decision.

If the Prior Scheduling Order is applicable only to Plaintiff, forcing Plaintiff to make its initial expert disclosures on July 2, only to see Defendants seek to delay their own initial expert disclosures until after the Motion to Amend is resolved, this would unduly and unfairly prejudice Plaintiff. Normally both sides' Initial Expert Disclosures would be due on the exact same date which would coincide with the deadline to file a Motion to Amend or Add Parties.

Plaintiff has and continues to progress its case forward and seeks relief from this Court to set trial and issue a new discovery scheduling order. As an alternative to this Court providing a preferential trial setting and issuing a new discovery scheduling order, Plaintiff would request that all discovery be stayed during the pendency of Plaintiff's Motion for Leave to File its Fourth Amended Complaint. It would be unfair for Plaintiff to have to produce its Initial Expert Disclosures, only to see the Defendants not have to respond to Plaintiff's initial expert disclosures for 60-90 days, or possibly even longer. Defendants already have an advantage given their initial expert reports are due a month after Plaintiff's expert reports are due. Based upon communications from Defendants' counsel, including their unwillingness to stipulate to the relief requested by them at the June 18 Hearing, Plaintiff requests the relief sought herein.

II. LAW AND ARGUMENT

A. <u>Plaintiff requests a preferential trial setting.</u>

Although the stay imposed by this Court stayed and tolled the timeline under NRCP 41(e) and the Administrative Order #20-17 continues to stay and toll NRCP 41(e), Defendants have asserted concerns with the NRCP 41(e) timeline. *See* Exhibits 1-2. Under Administrative Order #20-17, courts in this district are to:

"...prioritize trials, beginning with criminal cases involving interstate compact issues and criminal cases in which the defendant has invoked speedy trial rights. After those cases, the priority will be civil cases with preferential trial settings; older in-custody criminal cases; and older civil cases, particularly those with NRCP 41(e) timeline concerns."

See Exhibit 1 (emphasis added), pg. 16, lines 19-23. Here, in order to resolve and alleviate NRCP 41(e) timeline concerns, Plaintiff seeks a preferential trial setting, with a jury trial to be set within the next 8-9 months (or by March 31, 2021).

Administrative Order #20-17 gives this Court the authority to provide Plaintiff with a preferential trial setting due to the COVID-19 pandemic and given this is an older civil case with NRCP 41(e) timeline concerns. Irrespective of the COVID-19 pandemic, this Motion satisfies the factors set forth in *Carstarphen v. Milsner*, 270 P. 3d 1251, 1256, 128 Nev. 55, 63 (2012) (concluding that in resolving a motion for a preferential trial date brought to avoid dismissal under NRCP 41(e)'s five-year rule, district courts must evaluate (1) the time remaining in the

28 tl

five-year period when the motion is filed, and (2) the diligence of the moving party and his or her counsel in prosecuting the case).

Here, as addressed above, Plaintiff's Motion for Preferential Trial Setting is filed with more than 283 days or just over 9 months remaining. Further, as set forth in the Statement of Facts, Plaintiff demonstrates the requisite diligent efforts it has taken in prosecuting its case. Plaintiff's diligent efforts include, but is not limited to: (1) early attempts toward resolution short of further litigation; (2) serving Offers of Judgments on Defendants; (3) when resolution proved unsuccessful, Plaintiff was forced to oppose five separate Motions to Dismiss and amend its Complaint three times over the course of a year; (4) proceeding with discovery, including serving over 20 Foreign Subpoenas across the nation, reviewing/analyzing/culling through 1.8 million pages of documents produced by Defendants Uni-Ter and US Re after 3.5 years of litigation, propounding and responding to written discovery requests, working with its experts and preparing/filing its Motion to Amend given the Nevada Supreme Court disavowed *Shoen*; and (5) opposing Director Defendants' Motion for Judgment on the Pleadings and addressing their subsequent Writ Petition. Plaintiff continues to progress its case forward and has set out an ongoing discovery plan.

Consistent with *Carstarphen* decision, this Court should determine that Plaintiff's Motion is timely and appropriately filed as more than three (3) months remain in the five-year period and that the record reflects Plaintiff diligently moved its case forward. *Id*.³ But for the stay imposed as a result of the Director Defendants' Writ Petition, Plaintiff had a trial date well within 5-year period. Further, if not for the COVID-19 pandemic, Plaintiff would likely not have a need to seek a preferential trial setting.

B. Plaintiff requests this Court issue a new discovery scheduling order.

This Court is well within its inherent authority to issue a new discovery scheduling order. *See DeChambeau v. Blakenbush*, 134 Nev. 625, 431 P.3d 359, 360-361 (Ct. App. 2018) (discussing new scheduling order on remand after reversal of summary judgment.); *Halverson v. Hardcastle*, 123 Nev. 245, 262, 163 P.3d 428, 440 (2007) (All courts, including this Court, have the "inherent authority to administrate its own procedures and to manage its own affairs"). Based upon the lifting of the stay on July 1, 2020 and the time remaining under the prior discovery scheduling order (Exhibit 3), Plaintiff respectfully submits that this Court should issue a new discovery scheduling order consistent with the following table:

<u>Description</u>	No. of Days Remaining	Proposed New Deadline
Discovery Cut-Off	109 days	October 19, 2020
Last Day to Amend or Add Parties	1 day	July 2, 2020
Plaintiff's Initial Expert Disclosures	1 day	July 2, 2020
Defendants' Initial Expert Disclosures	32 days	August 3, 2020
Rebuttal Experts Disclosures	61 days	September 2, 2020
File Dispositive Motions	144 days	November 23, 2020

C. <u>Alternatively, Plaintiff submits that this Court should stay all discovery during pending the resolution of Plaintiff's Motion to Amend.</u>

In the alternative, Plaintiff respectfully submits that this Court should stay all discovery during the pendency of the Motion and any related motions thereto. At the June 18 Hearing on the Motion for Clarification, counsel for Defendants Uni-Ter and US Re, articulated an underlying concern regarding discovery moving forward in this matter:

I don't – the problem here, Your Honor, is the case is kind of stuck right now until the receiver does two things. One, files its motion for leave to amend because the receiver's recent filings indicate that, in fact, the receiver will be seeking to amend its complaint to file a third amended complaint to assert additional allegations to support its causes of action against the director defendants.

Until that's done, the case is kind of stuck in the water. We can't move forward with additional scheduling orders because we don't know what this case is going to look like on the other side of the either granting or denying of that motion for leave to amend. We don't even know what that -- that new pleading is going to look like.

So my concern is that until . . . we have final operative pleadings, we don't know how to proceed with this case other than to conduct some discovery that was -- that's going to be needed no matter what. But in terms of scheduling deadlines and a trial date, we are -- we're at a standstill until we see what the case actually shapes up to be.

Exhibit 4, at 6:4-22. While Plaintiff believes its Motion to Amend has substantial merit, Plaintiff cannot presume to know what the ruling of this Court will be on the Motion to Amend, and agrees that an issue facing the parties is the burden of having to disclose experts and conduct extensive and expensive discovery despite not knowing whether this Court will grant or deny the Motion to Amend. In light of this, Plaintiff believes the Uni-ter Defendants' proposal makes sense. As such, counsel for Plaintiff reached out to the Defendants to see if they would agree to that resolution. Strangely, despite the Uni-ter Defendants' counsel having made the initial proposal, Defendants would not agree. *See* Exhibit 2.

Plaintiff recognizes this Court acknowledged it would not grant any further continuances of discovery because any such continuance would adversely affect the parties' ability to have this case heard within the time constraints of NRCP 41(e). Due to AO 20-17, however, Plaintiff submits that there are no concerns that staying discovery, as contemplated here, will burden the Court or parties as to the five-year rule, as NRCP 41(e) remains stayed/tolled based upon AO 20-17.

Importantly, Plaintiff fears that if discovery is not stayed as requested herein, it will be severely prejudiced, as noted above. Defendants' refusal to enter into a stipulation resolving this issue strongly suggests they intend to seek to have the Plaintiff make its initial expert disclosures, then seek a stay of discovery so they are not required to respond with their initial expert

⁴ In fact, counsel for the Uni-ter Defendants expressly recognized at the June 18 Hearing that "Rule 41 is – continues to be tolled, and certain discovery is tolled under AO 20-17." *See* Exhibit 4, at p. 6.

disclosures in 30 days as provided in the Prior Scheduling Order.

22.

Defendants' refusal to agree to their own proposal suggests they will ask for a continuance of all discovery deadlines so that, understandably, they will not have to incur the costs and expend the resources of engaging in extensive discovery and expert disclosures when it is unclear what the Motion's outcome will be. The concerning issue is that Defendants, as UniTer Defendants' counsel's statement implies, will very likely do so only after Plaintiff has made its expert disclosures—effectively ensuring Defendants will have up to 60, 90, or even more additional days to review and rebut the opinions therein. This runs contrary to the Prior Scheduling Order, and gives Defendants an inordinate amount of time to review and rebut Plaintiff's expert disclosures. This would be highly prejudicial and go against all notions of fundamental fairness.

The reality is that Plaintiff has had to adjust its theories of the case due to the Opinion and has not simply had a 15-month extension to the discovery deadlines. Further, this same extension applied to all parties equally and gave Defendants the same additional period to prepare for expert disclosures. And, as Uni-ter Defendants' counsel correctly notes, at this point we do not know for sure what the final operative pleadings will look like. Thus, allowing Defendants any additional time beyond the 30-day window between Plaintiff and Defendants' respective initial expert disclosure deadlines, provided in the Prior Scheduling Order, is unfair and highly prejudicial to Plaintiff.

Although Plaintiff is ready to disclose expert and proceed with discovery when the Stay is lifted July 1, 2020, Plaintiff understands the burden of moving forward with discovery when it is unclear the outcome of the Motion. In light of this, it seems prudent that the Court, in the alternative to setting forth and enforcing the above proposed scheduling order, stay all discovery until the Motion and all other motions thereto are resolved. It is only fair that any scheduling order issued by this Court apply and be enforced as to all parties equally or that it be continued as to all parties equally. Any other outcome is unfair, as it would be highly prejudicial for Plaintiff to be forced to comply with the scheduling order while Defendants are able to have a substantial extension of time, while the aforementioned issues are resolved, to not only prepare

their expert disclosures but have access to, review and prepare rebuttal arguments to Plaintiff's disclosed expert disclosures. Thus, in the alternative, Plaintiff respectfully asks this Court to stay all discovery during the pendency of the Motion and all related motions thereto.

III. CONCLUSION

For all these reasons, Plaintiff respectfully requests the Court grant a preferential trial setting and issue a new discovery scheduling order as set forth herein. Alternatively, Plaintiff requests this Court stay all discovery for all parties equally pending resolution of Plaintiff's forthcoming Motion for Leave to File its Fourth Amended Complaint, and grant such other and further relief as the Court deems appropriate.

EXHIBIT 1

EIGHTH JUDICIAL DISTRICT COURT CLARK COUNTY, NEVADA

IN THE ADMINISTRATIVE MATTER REGARDING ALL COURT OPERATIONS IN **RESPONSE TO COVID-19**

Administrative Order: 20-17

On March 12, 2020, Governor Steve Sisolak issued a Declaration of Emergency in response to the COVID-19 pandemic. The next day, March 13, 2020, the President of the United States declared a nationwide emergency pursuant to §501(6) of the Robert T. Stanford Disaster Relief and Emergency Assistance Act. 42 U.S.C. §§5121-5207. To mitigate the spread of this deadly virus, the Center for Disease Control recommends social distancing and wearing face coverings. Governor Sisolak, in Directive 021, also recommends social distancing and mandates the wearing of face masks by employees interfacing with the public.

The Nevada Constitution provides in Article 3 §1 that, "The powers of the Government of the State of Nevada shall be divided into three separate departments, - the Legislative, - the Executive and the Judicial; and no persons charged with the exercise of powers properly belonging to one of these departments shall exercise any functions, appertaining to either of the others, except in the cases expressly directed or permitted in this constitution." The Nevada Supreme Court has also found that "In addition to the constitutionally expressed powers and functions of each Department, each (the Legislative, the Executive, and the Judicial) possess inherent and incidental powers that are properly termed ministerial. Ministerial functions are methods of implementation to accomplish or put into effect the basic function of each Department." Galloway v. Truesdell, 83 Nev. 13, 21, 422 P.2d 234, 237 (1967).

 The judicial power is vested in the state Court system comprised of the Nevada Supreme Court, the Nevada Court of Appeals, District Courts, Justice Courts and Municipal Courts. Nev. Const. art. VI, §1. The Nevada Constitution expressly recognizes the Chief Justice as the administrative head of the Court system. Nev. Const. art. VI §19. By expressly identifying the Chief Justice as the Court system's administrative leader, the Chief Justice has "inherent power to take actions reasonably necessary to administer justice efficiently, fairly, and economically." Halverson v. Hardcastle, 123 Nev. 245, 260, 163 P.3d 428, 439 (2007). Consequently, the Nevada Supreme Court, "through the Chief Justice, has the ultimately authority over the judiciary's inherent administrative functions." Id. at 260, 163 P.3d at 439.

Rule 1.30(b) of the Rules of Practice for the Eighth Judicial District Court charges the Chief Judge of the Eighth Judicial District Court with various responsibilities, including supervising the administrative business of the District Court, ensuring the quality and continuity of Court services, supervising the Court calendar, reassigning cases as convenience or necessity requires, assuring the Court's duties are untimely and orderly performed, and otherwise facilitating the business of the district Court.

Following the March 12, 2020 Declaration of Emergency, the District Court, in consultation with the Nevada Supreme Court, concurred with the Governor and exercised its ministerial judicial powers. The District Court entered Administrative Orders 20-01 through 20-14 and 20-16 on an emergency basis. These Orders changed Court procedures to minimize person-to-person contact and mitigate the risk associated with the COVID-19 pandemic, while continuing to provide essential Court services.

Since March 12, 2020, the Governor has reopened essential and non-essential businesses with certain protections in place. As our State enters Phase 2 of recovery, in order to ensure access to justice and to prevent an excessive backlog of cases, the District Court will begin hearing all cases. At the same time, the safety of the public and Court staff remains a priority. This order, entered jointly with the Chief Justice of the Nevada Supreme Court provides for continued extensive use of alternative means appearances, social distancing protocols, and mask-wearing to allow the business of the Court to go forward safely.

 For purposes of clarity and to avoid confusion, this order supersedes AO 20-01 through 20-13 and 20-16. Any portions of those orders that remain in effect are included in this order. AO 20-14 (the process for electronic processing of search warrants) remains in effect. Except where otherwise noted, this order takes effect June 1, 2020.

SAFETY AND PRECAUTIONS

Governor Sisolak's May 7, 2020 Declaration of Emergency Directive 018 directs employers to take proactive measures to ensure compliance with social distancing and sanitation guidelines and to follow guidelines promulgated by the Nevada State Occupational Safety and Health Administration (NV OSHA). The Governor reiterated these principles in Directive 021§§12-16.

Under the directive, employers must require employees who interact with the public to cover their noses and mouths with face coverings to the maximum extent possible and employers must meet or exceed standards promulgated by NV OSHA. The directive also encourages employers and employees to incorporate the following protocols into their operations to the maximum extent practicable:

- (1) Encourage customers to cover their noses and mouths with face coverings;
- (2) Continue to encourage telework, whenever possible and feasible with business operations;
- (3) Return to work in phases;
- (4) Close common areas where personnel are likely to congregate and interact, or enforce strict social distancing protocols;
- (5) Strongly consider special accommodations for personnel who are members of a vulnerable population;
- (6) Encourage employees to do a self-assessment each day in order to check if they have any COVID-19 type symptoms, for example, fever, cough or shortness of breath;
- (7) Practice hand hygiene;

- (8) Perform frequent enhanced environmental cleaning of commonly touched surfaces;
- (9) Implement separate operating hours for vulnerable populations;
- (10) Provide signage advising the public of appropriate social distancing within the facility, including six feet of social distancing from other individuals; and
- (11) Provide readily available hand sanitizer or other sanitizing products for employees and customers.

NV OSHA's guidelines require that employers must provide face coverings for employees assigned to serving the public and shall require these employees to wear the face coverings so as to cover their faces and mouths. NV OSHA also recommends that employers monitor employees, including during lunches and breaks to ensure that they are maintaining proper social distancing protocols at all times.

The District Court is committed to providing a safe and healthy workplace for all our employees and the public we serve. To mitigate the spread of COVID-19, we will need to change many of our ordinary practices in a manner that reduces the risks associated with this public health emergency. Consequently, the following precautions are ordered:

Screening Protocols

During this time, it is critical to prevent the spread of illness among members of the Court, counsel, staff, the public, and our community partners. The Centers for Disease Control has advised people to take precautions to stay healthy and that the best way to prevent illness is to avoid exposure. As a result, District Court Administration shall maintain notices at the entrance of all District Court facilities advising the following people may not enter the Court facility:

- (1) Persons who have traveled out of the country in the past 14 days or who reside with someone who has traveled out of the country in the past 14 days;
- (2) Persons who have been asked to self-quarantine by any doctor, hospital, or health agency;

- (3) Persons who have been diagnosed with coronavirus and not medically cleared or persons who have had contact in the past 14 days with anyone diagnosed with coronavirus and not medically cleared; or
- (4) Persons with unexplained fever, cough, or shortness of breath.

The Marshal's Division may develop screening protocols including screening questions and temperature checks if deemed appropriate. Anyone attempting to enter in violation of these protocols or refusing to comply with the protocols will be denied entry by District Court Marshals.

District Court Administration will also maintain a customer service number in cooperation with the Las Vegas Municipal Court and Las Vegas Justice Court to assist all persons unable to enter the Court facility because of exposure or illness. If a person is unable to appear in Court because of the restrictions, that person may call 702-455-4472 to speak to a customer service representative for assistance in rescheduling their Court appearance, arranging for appearance by alternative means or to obtain other information based on the circumstances of the appearance.

Appearances by Alternative Means

During this time, due to restrictions on the entrants to the Court facilities and to reduce the potential for spread of infection, appearances by alternative means are strongly encouraged whenever possible. This includes all case types. Unless exceptional circumstances exist, District Court Judges should accommodate requests to appear by alternative means for any attorney, party or witness who is considered a vulnerable person under Governor's Directive 21§5. This includes persons who are over 65, pregnant, or suffering from an underlying health condition.

The District Court has four methods of appearance by alternative means: videoconference through BlueJeans, telephone conference through BlueJeans, regular telephone, and CourtCall. Since CourtCall involves a cost to the litigants, no party may be required to use CourtCall at this time. Use of BlueJeans is strongly favored given the number of people the system can accommodate and its compatibility with the JAVS system. Video is also favored as it aids communication and produces a better record.

Attorneys, parties, and witnesses are reminded that alternative means still constitutes a court appearance and attire should remain professional and court appropriate. Appearances should be made from a quiet place free of distractions. Also, for the safety of the community and for the quality of the audio recording, no appearances by alternative means should be made while driving.

The requirement for a formal written notice of any appearance by alternative means is suspended. Arrangements for alternative appearances may be made via e-mail to the department JEA. E-mails about scheduling appearances should not be sent to the department inboxes.

Nevada Supreme Court Rules Part IX expressly excludes juvenile proceedings from the rules governing appearances by telephonic and audiovisual transmission. This rule is suspended due to the COVID-19 pandemic. Attorneys, probation officers, social workers, parents, guardians, and any other necessary parties to a juvenile proceeding are strongly encouraged to appear by alternative means.

For civil and domestic cases, if the judge intends to hold a hearing before deciding a matter, the judicial department will contact attorneys or self-represented litigants two judicial days before the hearing to determine which method of appearance the party intends to use and gather the appropriate contact information to arrange for the appearance by alternative means.

For probate cases, attorneys appearing by alternative means or having clients appear by alternative means must notify the departments via e-mail two judicial days before the appearance. The e-mail to the department must include the case number for the proceeding and the names and e-mail addresses for each person appearing by video. This will allow the department to send a link to appear via video. If arrangements need to be made on shorter notice due to an emergency, the judicial department must be contacted by phone.

For criminal cases, juvenile dependency cases, and juvenile delinquency cases all appearances by alternative means for attorneys and out-of-custody defendant must be through BlueJeans video unless for technical reasons a phone conference is necessary. Attorneys appearing by video, or having clients/witnesses/agency representatives/probation officers appear by alternative means, must notify the department via e-mail at least one judicial day before the

appearance. In juvenile cases, parents or guardians may provide their e-mail addresses to the juvenile's attorney to arrange for the appearance. The e-mail to the department must include the case number for the proceeding and the names and e-mail addresses for each person appearing by video. This will allow the department to send a link to appear via video. If arrangements need to be made on shorter notice due to an emergency, the judicial department must be contacted by phone.

Media reporters may request to attend any public court proceeding by alternative means for the purpose of observing the proceedings. Any reporter requesting an appearance in this manner must contact the department for a BlueJeans video link. Reporters appearing by alternative means must remain on mute and are not permitted to interject or speak during any proceeding. A reporter violating this rule will lose the ability to appear by alternative means.

Mandatory Face Coverings

For the health and safety of all, members of the public must wear face coverings that cover their noses and mouths. Face coverings must be worn at all times while in any Court facility and while in any security screening line to enter a Court facility. "Court facilities" include the Regional Justice Center, the Family Court building, District Court courtrooms and office space on the tenth and eleventh floors of the Phoenix building, District Court courtrooms and office space in the Greystone building and District Court office space in the Clark Place building.

All District Court employees must cover their noses and mouths with face coverings while at work unless they are alone in unshared work space. This includes all common areas of any facility as well as parking lots, back hallways, employee-only elevators, shared restrooms and break rooms.

All attorneys, vendors, and employees of any organization or entity who work in a Court facility must cover their noses and mouths with face coverings while in any common areas of the facilities. Common areas include, but are not limited to, security screening, lobby areas, public elevators, employee elevators, shared back hallways, public restrooms and courtrooms. This includes, but is not limited to, employees of Las Vegas Municipal Court, Las Vegas Justice

Court, Legal Aid Self-Help Centers, Clark County Clerk's Main Office, Clark County District Attorney's Office, Clark County Public Defender's Office, Clark County Department of Juvenile Justice Services, Clark County Department of Family Services, and contract counsel. Employees of other organizations or entities with space in Court facilities are subject to the policies of their individual employer while in their own organization's work space.

Children under the age of two and individuals who are unable to remove the face covering without assistance do not have to comply with the above-referenced face covering directives. Individuals who are unable to wear a face covering should make arrangements to appear by alternative means.

Face coverings must cover the nose and mouth at all times.

Meetings

Meeting by telephone, teleconference, videoconference or e-mail remains highly preferred. To protect judicial resources and prevent the spread of illness among members of the Court, counsel, staff, public and community partners, there shall be no in-person gatherings or meetings to discuss Court business of more than 50 people. This includes judges meetings; executive committee meetings; division judges meetings; bench-bar meetings; any meetings with community partners; specialty Court staffing; specialty Court graduations; administrative department meetings; continuing education meetings; meetings of judges, hearing masters and/or staff within a particular case assignment. Any in-person meeting must observe social distancing and mask requirements. No food or beverages may be served at in-person meetings.

Policies

Court Administration is directed to develop more extensive return-to-work policies to provide guidance to supervisors and employees to ensure that the District Court is complying with OSHA guidelines. This may include screening, hygiene practices, social distancing practices, sanitation, employee phasing in and remote work schedules, and disciplinary guidelines for failure of employees to follow safety protocols.

Social Distancing

All District Court Judges and Court Administration must adhere to the social distancing space plans as diagramed by Real Property Management at the request of the District Court. The plans will be provided separately.

District Court employees must ensure they maintain proper social distancing at all times while at work and during breaks. District Court Marshals should maintain proper social distancing at all times except when their work assignment makes it impossible to do.

Social distancing must be observed by all members of the public and occupants of common areas of court facilities. Public and employee elevators at Court facilities must be limited to no more than four occupants at a time to prevent crowding.

GENERAL PROVISIONS

Attorney Obligations

Attorneys, as officers of the Court, have ethical obligations for cooperative civility under normal circumstances. This Court, under the present circumstances, reminds attorneys that they have an obligation to cooperate with the Courts and one another as we all navigate these challenging circumstances. This is not the time to press for unwarranted tactical advantages, unreasonably deny continuances or other accommodations, or otherwise take advantage of the challenges presented due to the current pandemic. Lawyers are expected to be civil, professional, and understanding of their colleagues, parties and witnesses who are ill or otherwise unable to meet obligations because of the current restrictions.

Clerk's Office Remains Closed to In-Person Filing

For the safety of the clerks and to minimize building traffic, the Clerk's Offices at both the Regional Justice Center and the Family Court will remain closed to in-person filing until further notice. Filings must be completed electronically. For litigants who do not have the ability to electronically file documents, documents may be mailed as follows:

The Clerk's Office shall maintain a safety protocol for clerks tasked with opening mail and handling paper documents.

OTHER THAN MAIL, NO PAPER DOCUMENTS WILL BE ACCEPTED BY THE COURT AT THIS TIME. Call (702) 455-4472 with questions regarding filing.

Continuances

The continuance of any trial or evidentiary hearing will be considered on a case-by-case basis. Attorneys may have difficulty obtaining witnesses or being prepared for evidentiary proceedings in the period immediately following the duration of the administrative orders relating to COVID-19. Continuances should be granted to allow time for preparation or to obtain witnesses. Judges will need to examine the merits of any application for a continuance, balancing the consequences of a delay in the proceedings and the constraints placed on attorneys and litigants to prepare for a trial or evidentiary hearing.

Courtesy Copies

No paper courtesy copies of any documents filed in Odyssey may be sent to the Court for any case type. Judges are strongly discouraged from requesting electronic courtesy copies from parties due to the burden it places on the system as a result of additional storage required. This does not preclude a judge from asking for a word version of a submitted order that requires significant editing. To reduce the potential spread of infection through paper and to reduce Court operating costs, judges are strongly discouraged from having documents printed from Odyssey to read.

Counsel should contact the Court Clerk for handling of documents that cannot be converted to electronic format.

Depositions

In-person depositions may go forward effective July 1, 2020 as long as social distancing protocols are observed. Until that date, no in-person depositions shall proceed except on stipulation or order obtained after filing a motion demonstrating good cause for the need for an in-person deposition. Deposition by alternative means is the preferred method of handling depositions. During the period this order is in effect the Court interprets NRCP 28(a)(1) and NRCP 30 to allow the deposition officer to be in a separate location from the despondent. See SCR Part IX-B(A) and (B) Rule 9.

Attorneys must cooperate in the scheduling of witnesses, in the handling depositions by alternative means when any participant is part of a vulnerable population, and in continuing depositions when needed because of COVID-19 issues.

Discovery (Civil and Domestic)

All discovery hearings in both the civil and domestic case types shall continue to be conducted by alternative means.

The tolling of discovery deadlines will end on July 1, 2020. This includes deposition by written questions, interrogatories, production of documents, entering onto land for inspection purposes and requests for admissions. The Court acknowledges that discovery may still be impeded by COVID-19 related issues and it may be difficult to obtain certain items such as medical records. Judges are encouraged to grant requests to continue discovery under these circumstances.

Beginning July 1, 2020, Rule 35 examinations may be scheduled as medical providers are available. Parties may agree to schedule the Rule 35 exam sooner. Parties may also file a motion with the Discovery Commissioner demonstrating good cause to proceed forward with a Rule 35 examination. Good cause includes an emergency such as imminent destruction or loss of evidence. The motion shall also include protocols for ensuring the safety of the examiner and an affidavit from the medical provider indicating that the provider is able to conduct the

 examination following those protocols. Any issues with scheduling or health concerns of the party to be examined should be addressed with the Discovery Commissioner.

Discovery motions may be resolved on the papers by way of a written recommendation issued by the Discovery Commissioner. If the Commissioner determines oral argument is needed, the hearing will be held by alternative means unless the Commissioner determines a personal appearance is necessary.

Electronic Service

All lawyers and self-represented litigants are required to register for electronic service and update any change of e-mail address with the Court. In the limited circumstance where a self-represented litigant does not have an e-mail address, the Court Clerk's Office is directed to assist the self-represented litigant in creating an e-mail address.

Hearings

At this time, hearings of all sorts in all case types should go forward. Except as provided in this order, all District Court non-evidentiary hearings must be conducted by video or telephonic means or decided on the papers unless otherwise directed by a District Court Judge. Cases should be rescheduled at the request of parties or counsel due to issues caused by the COVID-19 pandemic including witness unavailability, inability to obtain documents or other good cause.

Evidentiary hearings should go forward when possible. Appearances by witnesses, parties, and lawyers should be by alternative means unless the District Court Judge finds that a personal appearance by an individual is necessary to the proceeding. To the extent possible, exhibits should be produced, displayed, and admitted in an electronic format.

Original Signature Requirements

With the exception of documents requiring the signature of a notary, an electronic signature will be considered an original signature. All documents filed with the Court may be electronically signed as provided in the Nevada Electronic Filing and Conversion Rules, Rule 11(a). All documents requiring a signature of another person may be electronically signed; however, the party submitting the document must obtain e-mail verification of the other person's

agreement to sign electronically. That verification must be embedded in the document or attached as the last page of the document.

Filers are reminded that NRCP Rule 11 provides sanctions for filing with improper purpose, which would include a misrepresentation of a signature. Additionally, other civil or criminal penalties could apply for misrepresenting or fraudulently signing a document.

Proposed Orders

All proposed orders, requests for orders shortening time, stipulation and orders, or any other document submitted to a judge for signature shall be submitted to the appropriate department electronically. A department inbox list is attached to this order. DEPARTMENT INBOXES ARE TO BE USED ONLY FOR SUBMITTING DOCUMENTS FOR THE JUDGE'S SIGNATURE. NO OTHER E-MAILS MAY BE SENT TO DEPARTMENT INBOXES.

Documents must be submitted as a PDF document. If a judge has significant revisions, the department will request a Microsoft Word version of the order from the submitting party for editing purposes. The Court notes that both WordPerfect and Apple Pages allow documents to be saved in a Word format.

The e-mail subject line must identify the full case number, the filing event code, and the name of the case. The information must be in that order for the Court's automated filing system to work properly. This naming convention looks like: A-20-1234560-C - ORDR - Smith v. Doe

Documents not properly submitted may be returned.

NO ADDITIONAL ARGUMENT OR DISCUSSION SHOULD BE INCLUDED IN THE E-MAIL.

After reviewing submitted documents, the judge will electronically sign and file the order into the Odyssey system. The Court will not print or retain paper copies of the orders.

All documents submitted will be filed by the department and served to all parties registered for electronic service. Parties are responsible for filing the Notice of Entry of Order as well as serving orders by mail to any party who is not registered for electronic service.

For any self-represented litigant who is unable to submit an order by e-mail, the Court shall prepare and file the order.

To ensure the integrity of electronically signed and filed orders, the Clerk's Office will reject orders submitted for filing from outside of the Court.

Rule 16.1 (Civil), 16.2 (Domestic), and 16.205 (Custody) Early Case Conferences

Rule 16.1, 16.2, and 16.205 conferences should proceed. Early case conferences should be conducted by telephone or videoconference. To the extent possible, all initial disclosures, supplements and other written discovery should be exchanged through electronic means. If a conference cannot proceed because of issues related to COVID-19, an appropriate motion should be filed with the assigned District Court Judge.

Deadlines for initial disclosures, disclosure of expert witnesses and testimony, supplementation of discovery, pre-trial disclosures, and filing of case conference reports will no longer be stayed as of July 1, 2020. Requests to continue deadlines should be filed with the assigned District Court Judge.

Settlement Conferences (Civil, Criminal and Family Divisions)

In order to assist with the backlog of trials, judicial settlement conferences are encouraged. Settlement conferences may be held by alternative means. If the settlement conference is not held by alternative means, the judge and attorneys must develop a social distancing plan prior to the settlement conference. All participants must wear masks that cover their noses and mouths.

Civil and Family Division settlement conference programs will resume on July 1, 2020. Settlement briefs and supporting exhibits must be submitted electronically. Counsel may also contact individual judges to request settlement conferences or reach out to the assigned departments to submit a request for a senior judge to conduct a settlement conference.

Criminal Division settlement conferences will resume on June 1, 2020. Requests for settlement conferences should be submitted via e-mail on the settlement conference form to the Chief Judge. The form must be completely filled out or the conference will not be set. Incustody criminal settlement conferences will be scheduled to take place in the Lower Level

Arraignment courtroom. Priority will be given to trials where the defendant is in-custody and has invoked speedy trial rights and to older homicide cases.

Specialty Courts (All Divisions)

All status hearings should go forward by alternative means unless a judge or hearing master determines that extraordinary circumstances warrant a personal appearance. For Criminal Division Specialty Court matters in-custody participants will continue to be heard together on Fridays at noon. No jail or community service sanctions will be imposed by any specialty court program for non-compliance. This does not prevent arrest of a participant who is on probation for a probation violation. This also does not preclude a participant from being placed on electronic monitoring; however, with the exception of felony DUI participants in the first six months of the program who lack the current ability to self-pay, no Specialty Court participant may be placed on CCDC house arrest. The Court will work with the treatment providers to continue to provide treatment while balancing the safety of the participants and treatment provider staff.

Sealed Documents

If a party is requesting a document be sealed, the party must file a motion to file the document under seal. The party should separately file the document to be sealed, using the code TSPCA (Temporarily Sealed Pending Court Approval). The judge will review the motion and determine whether the document should be filed under seal. Failure to properly submit a motion to seal the documents, failure to submit the document separately, or failure to use the proper document code may result in the public electronic filing of the temporarily sealed document.

Service of Process

The Court recognizes that accomplishing personal service may continue to pose significant challenges at this time given that many businesses are closed or operating on a limited capacity. Properly documented service issues related to the COVID-19 pandemic will be considered good cause for a timely motion to extend service of process. For service issues between March 13, 2020 and June 30, 2020, good cause exists regardless of whether the motion

 is made before or after the 120-day service period. Effective July 1, 2020, motions to extend service of process must be filed prior to the expiration of the time to serve.

Summonses and Certified Copies

Summonses and certified copies shall be issued by the Court Clerk's Office. A lawyer or party seeking to have the Clerk of Court issue a summons under NRCP 4(b) shall e-file the summons. The filing code "SEI" must be used for the proper processing of the summons. The Clerk will issue the summons electronically. All certified copies will be issued electronically.

Trials

Bench trials in all case types should go forward when possible. Appearances by witnesses, parties, and lawyers should be by alternative means unless the District Court Judge finds that a personal appearance by an individual is necessary to conduct the proceeding.

If possible, trial exhibits should be produced, displayed, and admitted in an electronic format. If the use of electronic exhibits is not possible, exhibits should be submitted to the assigned judicial department at the direction of the Judge.

Beginning the week of June 1, the Jury Commissioner will begin summonsing jurors for jury trials. To maintain social distancing and juror safety, one panel of jurors will be summonsed per day for District Court. The Jury Commissioner is to include health and safety information in the jury summons, including social distancing and mask requirements. District Court Jury selection will take place in the Jury Services Room. The District Court will prioritize trials, beginning with criminal cases involving interstate compact issues and criminal cases in which the defendant has invoked speedy trial rights. After those cases, the priority will be civil cases with preferential trial settings; older in-custody criminal cases; and older civil cases, particularly those with NRCP 41(e) timeline concerns.

Panels for other courts in Clark County may also be summonsed provided that Court requesting the panel creates a social distancing/safety plan for the juries. Key points of the plan will be included with the jury summons.

Jury questionnaires will be sent, completed, returned and distributed to the Court and counsel electronically. If a juror cannot complete a questionnaire by electronic means, the

questionnaire will be mailed to the juror with a self-addressed and stamped return envelope. Once Jury Services receives the questionnaire back, it will be scanned and distributed with the other questionnaires.

This order shall continue to stay trial in civil cases for purposes of tolling NRCP 41(e) except where a District Court Judge makes findings to lift the stay in a specific case to allow the case to be tried.

The time period of any continuance entered as a result of this order shall be excluded for the purposes of calculating speedy trial under NRS 178.556(1) and NRS 174.511 as the Court finds that the ends of justice served by taking this action outweigh the interests of the parties and public in a speedy trial.

Writs of Execution and Writs of Garnishment

Writs of execution and garnishment have been stayed by the Governor's Directive 017 §1-2. No new writs of execution or garnishment may be issued while the stay is in place. The stay does not apply to child support, spousal support, or criminal restitution. Any change or termination of that directive will be determined by the Governor.

CIVIL MATTERS

Alternative Dispute Resolution

All matters in the Court Annexed Arbitration Program, Court Annexed Mediation Program, and Nevada Foreclosure Mediation Program should proceed. These matters shall be conducted by video or telephonic means when possible. If a personal meeting is necessary, social distancing must be observed and all participants must wear face coverings covering their noses and mouths.

For any cases assigned to the Court Annexed Arbitration program, none of the time between March 17, 2020 and June 1, 2020 shall count toward the one year deadline to hold any arbitration hearing pursuant to NAR 12(B). Additional requests to toll time should be addressed to the assigned District Court Judge on a case-by-case basis.

Extension of Time Deadlines

Pursuant to NRCP 6(b), the Court recognizes the COVID-19 emergency as constituting "good cause" and "excusable neglect" warranting the extension of time in non-essential civil case types. This provision will expire July 1, 2020. This does not apply to time deadlines that must not be extended under NRCP 6(b)(2) (motions under NRCP 50(b), 52(b), 59, and 60 and motions made after NRCP 54(d)(2) time has expired).

Evictions and Foreclosures

Residential and small business evictions and judicial foreclosures have been stayed by the Governor's Directive 008 (Revised) §1, with certain exceptions. Any change or termination of that directive will be determined by the Governor.

Response Time for Offers of Judgment

The tolling of time to respond to offers of judgment submitted pursuant to NRCP 68 will end July 1, 2020. Parties will have until July 10, 2020 to respond to any pending offer of judgment.

Rule 16 Conferences

Rule 16 conferences must be conducted by alternative means. The District Court Judges should continue to comply with the deadlines set in NRCP 16(b)(2) but should be mindful that attorneys and parties may face difficulties conducting discovery, obtaining discovery responses and communicating with their clients. These potential difficulties should be addressed and taken into consideration when issuing NRCP 16 scheduling orders.

Statutes of Limitation; Medical Malpractice Cases

Statutes of limitation have been tolled by the Governor's Directive 009 (Revised) §2. Any change or termination of that directive will be determined by the Governor. Attorneys and litigants should be aware the District Court is unable to waive jurisdictional requirements for expert affidavit requirements in medical malpractice cases should counsel choose to file a complaint during this time or for requests for trial de novo.

Stay of Cases

A complete stay of civil cases will be considered on a case-by-case basis. A stay of any case, or a continued stay of any case, should be liberally considered at this time based on COVID-19 issues.

Subpoenas

Attorneys must obtain advance approval of the discovery commissioner to issue subpoenas under NRCP 45

Short Trial Program

Due to the lack of available juror resources, short jury trials set in the next 90 days must be rescheduled. Short bench trials may proceed, preferably using alternative means to the extent possible.

CRIMINAL MATTERS

All criminal matters should proceed. Criminal law and motion hearing times will be as designated in the attachment to this order. Each judge will have a time to hear in-custody matters and a separate time for out-of-custody matters. Judges are encouraged to limit status checks or request status updates in writing and to consider ruling on the papers for motions that do not require oral argument.

Certified Copies

Certified copies of prior felony convictions for the purpose of a habitual criminal determination shall be electronically filed in Odyssey prior to sentencing. The filing should be captioned "Certified Copies of Prior Felony Convictions." If the certification seal is on the back of a page, the page should be copied and attached to the last page of the Judgment of Conviction.

Grand Jury

All three grand juries will begin hearing cases the week of June 1. The current A Grand Jury will remain in place through July 15. The incoming prospective A Grand Jurors will be summonsed to Jury Services on Tuesday, June 30th for selection at 2:00 p.m. Also, based on the

request of the District Attorney's Office, the 2018C Grand Jury will be recalled beginning Friday, July 10 and will meet every Friday thereafter until excused by the Court to allow the District Attorney's Office the opportunity to continue presentation of matters previous heard by that Grand Jury. No new matters may be presented to the recalled Grand Jury.

Any Grand Jurors who are unable to continue service to the Grand Jury due to COVID-19 related health or employment issues will be excused on a case-by-case basis and replaced with alternates.

All Grand Juries will meet in the 17A Courtroom, which will be marked to provide for social distancing of grand jurors, witnesses, court reporter, and attorneys. All Grand Jurors, witnesses present in the Courtroom, attorneys, and the court reporter will be required to wear face coverings covering their nose and mouth while in the RJC and throughout the grand jury proceedings. No food or beverages will be permitted in the Courtroom.

Nevada Revised Statute 172.138 provided for the use of audiovisual technology to present live testimony at grand jury proceedings "if good cause otherwise exists." The statute requires that the technology ensures that the witness may be "clearly heard and seen" and "examined." The Nevada Supreme Court has also provided for use of audiovisual equipment in criminal proceedings in Supreme Court Rules Part IX-A(B).

During the current COVID-19 pandemic, good cause exists to allow witnesses to appear before the grand jury via audiovisual technology. In order for a witness to appear by alternative means, the State must notify the Chief Judge's department two judicial days prior to the proceeding. The State will provide the time of the witness's testimony and the name, telephone number and e-mail address of the witness to allow a BlueJeans link to be sent to the witness. District Court IT will assist with any issues with the audiovisual equipment on the Court side, but is not responsible for issues on the witness's side.

Grand jury returns will take place at the end of each day to prevent the Grand Jury Forepersons from having to re-enter the Regional Justice Center.

Guilty Pleas

 When the defendant is unable to provide a signed copy of the guilty plea due to appearance by alternative means, the guilty plea shall be signed by by counsel in the following manner: "Signature affixed by (insert name of defense counsel) at the direction of (insert name of defendant)" The judge shall make a record that because of COVID-19 precautions that the defendant was unable to physically sign the guilty plea agreement. The defendant shall be canvassed by the judge taking the plea as follows:

On page ____ of the plea agreement your attorney has signed your name with a notation that they signed it at your direction. Is that correct?

Did you agree for your attorney to sign in place of your actual signature?

Did you knowingly, willingly and voluntarily direct your attorney to sign the agreement on your behalf?

Before directing your attorney to sign for you, did you read the guilty plea agreement and talk to your attorney about the terms of the guilty plea agreement?

Did you discuss that your attorney signing your name at your direction will be treated the same as if you actually signed the plea agreement?

Do you agree to have the signature placed on the agreement by your attorney to be treated the same as if you signed the plea agreement?

In-Custody Appearances

All in-custody defendants will appear by video to the assigned judicial departments for law and motion calendars. Arraignments, competency, and in-custody specialty court matters will continue to be heard in the lower-level arraignment Courtroom. Except for jury trials, no defendant will be transported to a District Court courtroom absent extraordinary circumstances. Due to limited access to alternative appearances, evidentiary hearings or lengthy sentencings for in-custody defendants should be coordinated through the Chief Judge's office. Also, no

 defendant who is in isolation pursuant to Detention Services protocol will be brought for any court appearance.

Defense attorneys will have limited ability to discuss matters with their clients during Court appearances. Attorney-client conversations will be facilitated if needed; however, attorneys are cautioned that it will be absolutely necessary for clients to be prepared in advance of court.

Out-of-Custody Appearances

Due to the limited capacity of the Regional Justice Center at this time, out-of-custody defendants must appear by alternative means whenever possible, including for entry of plea, status checks, motions, and sentencing where the negotiation contemplates probation. Out-of-custody defendants shall appear in person for probation revocation hearings where jail time or revocation is being sought, sentencings where the negotiation contemplates a prison or jail sentence, trials, and for any matter where the judge makes an individual determination that the defendant's presence is necessary for the determination of the matter.

Lawyers representing indigent defendants are urged to provide assistance to defendants who do not have the independent ability to appear by alternative means.

All attorneys are encouraged to appear by alternative means. Video appearance is required in criminal matters unless prevented by technological issues. In order to appear by alternative means in a criminal matter, attorneys must e-mail the department at least one judicial day in advance of the Court appearance and provide the e-mail the attorney intends to use to appear. In case of an emergency that does not allow for one day's notice, attorneys should contact the department.

DOMESTIC MATTERS

Confidential Reports

Notwithstanding the provisions of EDCR 5.203, confidential reports (including custody evaluations, child interviews, brief focus assessments, drug test results, and paternity test results)

 shall be transmitted electronically to retained counsel, subject to the limitations imposed on counsel pursuant to EDCR 5.301 and EDCR 5.304. For self-represented litigants, civil-domestic departments may convey the information contained in the foregoing confidential reports by telephone. The transmittal of this information by telephone shall include, where reasonably practical, the reading of the information to the self-represented litigant. If unusual circumstances exist, the Judge may have the self-represented litigant make a personal appearance to review the report.

Motions

The Court may deny a motion at any time. The Court may grant all or any part of a motion after an opposition has been filed or 21 days after service of the motion if no opposition was filed. The Court may issue other written orders relating to the motion.

Motions related to emergency legal and physical custody issues should receive priority with respect to the scheduling of a hearing on an appropriate order shortening time.

GUARDIANSHIP

All guardianship matters will proceed, including compliance hearings. Given the vulnerability of the guardianship populations, all protected persons must appear by alternative means. Assistance with emergency guardianships may be obtained by calling (702) 455-4472.

JUVENILE DEPENDENCY CASES

All juvenile dependency matters should proceed. Appearances by alternative means for lawyers, DFS workers and others is strongly encouraged when possible.

Adjudicatory Hearings

Beginning June 1, 2020, time frames under NRS Chapter 432B may be tolled by the assigned District Court Judge for good cause on a case-by-case basis.

 When possible, pleas should be handled by alternative means. Pleas may be negotiated by the parties and electronically filed with the Court. If the Court accepts the electronically filed plea, a disposition hearing will be set within 15 business days.

Disposition hearings held pursuant to NRS 432B.540 and NRS 432B.550 must be heard by alternative means when possible. Reports must be filed with the Court in advance to help narrow the focus of any hearing. Attorneys for the parents, the children and any CASA may file a report to supplement the DFS recommendations for disposition, placement, and services to further assist in narrowing the scope of the hearing.

All semi-annual reviews held pursuant to NRS 432B.580 may be decided on reports submitted to the Court by DFS. Annual reviews held pursuant to NRS 432B.580 and NRS 432B.590 should be heard by alternative means to the extent possible.

Termination of Parental Rights Proceedings

Parents may appear in court for initial hearings on termination of parental rights; however, a video appearance by the parents will be considered an in-person appearance for purposes of the statute.

Appearances by alternative means are encouraged for any party, witness or lawyer participating in a termination of parental rights trial unless the Judge determines a personal appearance is necessary.

Other motions may be decided on the papers or heard through alternative means. Status checks should be handled by written reports or, if necessary, heard by alternative means.

Mediations conducted pursuant to NRS 432B.5904 shall proceed by alternative means when possible. Otherwise, the mediation should proceed with appropriate social distancing. For in-person mediations, all participants must cover their noses and mouths with face coverings.

Adoptions

Adoptions will proceed by alternative means or in person at the discretion of the Judge.

Court-Ordered Admissions to Mental Health Facilities

Court-ordered admissions to mental health facilities pursuant to NRS 432B.607 et. seq. may be held by alternative means.

Child Haven and Parent Visitation

Placements at Child Haven should be strongly discouraged. Out-of-state visitation will be allowed unless the Court determines that visitation poses a health risk to the child. Visitation at Child Haven and parental visitation of children in foster care may proceed if precautions are taken to ensure the safety of the child and the well-being of others in the home in which the child resides. The Division of Family Services is directed to create policies for visitation given the current circumstances.

Timely Filing of Orders

Judicial departments will be responsible for timely filing orders from hearings. The Division of Family Services will electronically upload orders for the Court for review and the judicial departments will be responsible for reviewing and filing orders in a timely manner to prevent disruption of federal funding.

JUVENILE DELINQUENCY CASES

All juvenile delinquency matters will proceed. Audiovisual appearances should be used whenever possible. No in-custody juvenile who is hospitalized, isolated, or quarantined will be transported to court or appear for a court proceeding. Those matters are to be continued until the juvenile is no longer under any hospitalization, isolation, or quarantine. No juvenile matter may proceed without the juvenile present either in person or by alternative means. If the juvenile is unavailable, the matter will be continued.

Signatures on Juvenile Written Admissions

In order to ensure the rights of juveniles are being protected while the court allows appearances by alternative means, all admissions must be in writing and include an acknowledgment of rights and an acknowledgment of the standard terms and conditions of

probation or parole. Written admissions must be signed by the juvenile or signed by the juvenile's attorney and be e-filed and accepted by the court.

If the juvenile is unable to personally sign the written admission due to coronavirus precautions, the written admission shall be signed by counsel in the following manner:

Signature affixed by (insert name of defense counsel) at the direction of (insert name of defendant). The judge shall make a record that because of COVID-19 precautions that the defendant was unable to physically sign the [admission].

The defendant shall be canvassed by the judge taking the plea as follows:

On page [say page number] of the [admission] your attorney has signed your name with a notation that they signed it at your direction. Is that correct?

Did you agree for your attorney to sign in place of your actual signature?

Before directing your attorney to sign for you, did you read the [admission] and talk to you[r] attorney about the terms of [probation or parole]?

Did you discuss that your attorney signing your name at your direction will be treated the same as if you actually signed the [admission]?

Did you knowingly, willingly, and voluntarily direct your attorney to sign this [admission] on your behalf?

Do you agree to have the signature placed on the [admission] by your attorney to be treated the same as if you signed the [admission]?

PROBATE

Probate hearings on the Probate Commissioner's calendar that are opposed or require a hearing shall go forward and be heard by alternative means unless the Probate Commissioner determines a personal appearance is necessary. Matters that can be approved without a hearing will be on the approved list if no objection has been electronically filed and served by 9:30 am on the day before the hearing. The approved list may be accessed on the probate section of the District Court's website at:

http://www.clarkcountyCourts.us/departments/probate

Once on the website, select the weekly probate calendar list.

Probate matters on the Probate Judges' calendars will be decided on the papers or heard by video or telephonic means, unless the Judge determines a personal appearance is necessary.

If a party electronically files an election to proceed before the District Judge pursuant to EDCR 4.08, any petitions on file will be set by the assigned judge.

Scheduling orders in contested matters may be requested by stipulation of the parties submitted to chambers electronically with an order approving the proposed schedule. The assigned Probate Judge or Probate Commissioner will set the evidentiary hearing or trial. Contested matters will be decided on the papers or heard by alternative means unless the Judge or Commissioner makes a determination that a personal appearance is necessary.

Sale confirmations currently set will be confirmed based upon the papers filed with the Court and without the necessity of placing the sale for public bid, unless a notice of intent to overbid is electronically filed and served 72 hours before the date of the sale confirmation hearing. Any petition to confirm a sale filed after issuance of this Administrative Order shall contain, in addition to the statutory requirements, language advising that the notice of intent to overbid must be electronically filed and served 72 hours before the scheduled hearing. After receiving an electronically filed notice of intent to overbid, the Court will set a remote hearing through video or telephonic means. Otherwise the sale will be approved in accordance with the notice. All orders on approved matters will be electronically filed by the Court and electronically served.

Family Law Self-Help Center

Family Court and Services Complex

The Family Law Self-Help Center may begin providing in-person services. The Self-Help Center is encouraged to provide as many services as possible via telephone, e-mail, and other alternative means. Self-represented litigants may obtain help with family law forms and information at:

www.FamilyLawSelfHelpCenter.org

e-mail: flshcinfo@lascn.org

Telephone: (702) 455-1500 or (702)386-1070

Before re-opening to provide services to the public, the Family Self-Help Center has agreed to develop protocols to ensure the health and safety of staff and patrons. The protocols should include methods of limiting waiting times for services, mask-wearing, observing social distancing, and sanitation measures.

Family Mediation Center

The Family Mediation Center may begin providing in-person mediation services. The Family Mediation Center shall continue conducting mediations via telephone or other alternative means to the extent possible. Child interviews and parent-child observations may be scheduled. Before re-opening, the Family Mediation Center shall develop protocols to ensure the health and safety of staff and patrons. The protocols must include methods of limiting waiting times for services, mask-wearing, social distancing plans, and sanitation measures.

Donna's House Central

Donna's House Central may begin providing supervised visitation, supervised custody exchanges and other in-person services by appointment only. Before re-opening, Donna's House shall develop protocols to ensure the health and safety of staff and patrons. The protocols must include methods of limiting waiting times for services, mask-wearing, social distancing plans, and sanitation measures.

Court Appointed Special Advocate Program

The Court Appointed Special Advocate Program may resume in-person trainings, orientations and other meetings with member of the public in groups of 50 or less. During any training, orientation or meeting, social distancing must be observed and all participants must cover their noses and mouths with face coverings. The CASA program is encouraged to continue conducting as must business as possible by telephone or other alternative means.

Regional Justice Center

Civil Self-Help Center

The Civil Self-Help Center may begin providing in-person services. The Self Help Center is encouraged to continue to serve as many individuals as possible by phone, e-mail, and other alternative means. Self-represented litigants may obtain help with civil forms, information, evictions and other matters from the Civil Law Self-Help Center:

www.CivilLawSelfHelpCenter.org

e-mail: clshcinfo@lascn.org
Telephone: (702) 671-3976

Before re-opening to provide services to the public, the Civil Self-Help Center has agreed to develop protocols to include methods of limiting waiting times for services, observing social distancing, and sanitation measures.

Traffic

Due to the limited capacity at the Regional Justice Center as a result of social distancing, the Las Vegas Justice Court and Las Vegas Municipal Court traffic customer service counter located on the first floor of the Regional Justice Center should remain closed until social distancing restrictions are lifted. Traffic-related matters should be conducted by telephone, video or other remote electronic means.

FINAL PROVISIONS

This order shall be reviewed no later than every 30 days and shall remain in effect until modified or rescinded by a subsequent order.

Entered this 1st day of June 2020.

Brenoch,

I disagree with your premise that it would be unfair for the Receiver to make its initial expert disclosures while the defendants may seek additional time. The Receiver has had a 15-month extension while the case has been stayed to prepare its initial expert disclosures, and the Receiver has the benefit of knowing what its proposed amended pleading alleges. Meanwhile, US Re and Uni-Ter (both of which opposed the stay) have been stymied while the Receiver and the director defendants litigated the writ petition. As I also disagree with your statement that there are no 5-year rule concerns, the case needs to move forward.

US Re and Uni-Ter may or may not seek to extend some deadlines. We will not be in a position to evaluate this until we have the opportunity to review the Receiver's proposed amended pleading and expert disclosures. So, we cannot enter into the stipulation you propose.

That is fine, I can recirculate. I was not intending to make any distinction between judicial or non-judicial days, as only one day remained to disclose after the stay was lifted.

However, that does raise an issue we wanted to discuss with both of you. In reviewing the transcript of Thursday's hearing, it appears that the defendants would prefer addressing the motion to amend before having to disclose experts or engage in further discovery. It would, of course, be unfair for the Plaintiff to make its initial expert disclosures, only to have the defendants seek additional time to make their initial expert disclosures or respond to discovery until after the motion to amend and related issues were resolved. We would propose a stipulation pursuant to which Plaintiff will file its motion to amend on July 2 in accordance with the Court's order, but all parties would wait to engage in further discovery or disclosures, including expert disclosures, until the Court rules on the motion to amend and any related motions. We believe this is in all parties' best interests in conserving resources and there are no 5-year rule concerns due to AO 20-17 tolling NRCP 41(e).

Absent this stipulation, we would expect all defendants to make initial expert disclosures within 30 days of Plaintiff's, to respond to discovery requests within the 30 day time frame under the NRCP, and not seek to delay depositions or otherwise request that the Court delay discovery.

Brenoch,

Can you please advise the date that you think your Motion for Leave to Amend will be filed. I'm looking through your Motion for Clarification and there's no distinction between judicial day and day. You represented in the Motion that there was only 1 day to file.

So I'm curious why your order now says judicial day. What I know is, the Stay was issued March 14, 2019 the deadline to file any motions to amend was March 15, 2019.

Do you plan to file your Motion for Leave to Amend on July 2? I think it would be clearer for all parties if you set forth the date instead.

PLAINTIFF'S MOTION FOR CLARIFICATION ON ORDER SHORTENING TIME

THURSDAY, JUNE 18, 2020

APPEARANCES:

FOR THE PLAINTIFF: BRENOCH WIRTHLIN, ESQ.

FOR THE DEFENDANTS: GEORGE F. OGILVIE III, ESQ.

ANGELA T. NAKAMURA OCHOA, ESQ.

RECORDED BY: BRYNN WHITE, COURT RECORDER TRANSCRIBED BY: JULIE POTTER, TRANSCRIBER

LAS VEGAS, NEVADA, THURSDAY, JUNE 18, 2020, 9:59 A.M. 1 (Court was called to order) 2 3 THE COURT: Commissioner of Insurance versus Chur. Motion for clarification. Let's take appearances from the 5 plaintiff to the defendants. Everyone please remember to unmute your mic when you speak. Is there anyone on the phone? 6 7 MS. OCHOA: Angela Ochoa on behalf of the Management 8 defendants, Your Honor. 9 THE COURT: Thank you, Ms. Ochoa. How about for the 10 plaintiffs? Is there anyone present? MR. OGILVIE: Your Honor, this is George Ogilvie. 11 was just waiting for the plaintiff to -- plaintiff's counsel to 13 state his appearance, but this is George Ogilvie appearing on 14 behalf of U S Re and the Uni-Ter defendants. Thank you. 15 THE COURT: 16 So we have Ms. Ochoa and Mr. Ogilvie. Is -- do you 17 expect Mr. Peek or someone from his office to appear? 18 MS. OCHOA: Oh, no, Your Honor. Mr. Peek has 19 withdrawn. I'm back in this case --20 THE COURT: Oh, right. -- on behalf of the board. 21 MS. OCHOA: 22 THE COURT: Good enough. And is there, then, for the 23 plaintiff, isn't it Mr. Wirthlin? 24 Mr. Wirthlin, are you --25 MR. OGILVIE: Yes.

1 THE COURT: -- on the phone? Mr. Wirthlin, are you on 2 the phone? 3 I don't see that he is on the phone. So, Mr. Ogilvie and Ms. Ochoa, how do you wish to proceed today? My intent 5 would be, because there was a status report filed yesterday, just to set the matter out or just take it off calendar. 6 7 MS. OCHOA: I think the question was -- sorry, George. 8 MR. OGILVIE: Go ahead, Angela. 9 MS. OCHOA: Did you want to go ahead? 10 MR. OGILVIE: No, go ahead. 11 MS. OCHOA: Okay. The question was whether the stay should be lifted, and I think it was based on Mr. Wirthlin's 12 13 status report he thinks it's July 1st based on the 14 administrative order. It's our position that the stay was put 15 in place because of the writ, and the petition for a rehearing 16 has since been denied, so there's no more reason for a stay and 17 the stay should be lifted on June 19th, as early as tomorrow. MR. WIRTHLIN: Hello? 18 19 THE COURT: Okay. So --20 MR. WIRTHLIN: Hello, Your Honor. 21 THE COURT: Who -- who is speaking, please? 22 MR. WIRTHLIN: I apologize. This is Brenoch Wirthlin. 23 I have been on the phone for about half an hour, but, 24 unfortunately, my phone wasn't working and I didn't realize that 25 until Your Honor asked for appearances, so I apologize. I have

called in through my cell phone. 1 2 THE COURT: Good enough. I did begin the hearing. 3 Did you hear any part of it before you called in? 4 MR. WIRTHLIN: Yes. Yes, I did, Your Honor. I heard 5 everything. We could hear fine, but I did just get my phone replaced this week and, unfortunately, it appears it's not 6 7 working so I had to call in through my cell phone. I apologize. That's fine. All right. So Ms. Ochoa 8 THE COURT: 9 argues that the stay should be lifted effective tomorrow. 10 Is that correct, Ms. Ochoa? MS. OCHOA: That's correct. 11 12 THE COURT: All right. And do you have a response to 13 that, Mr. Wirthlin? 14 MR. WIRTHLIN: Yes, I do, Your Honor. We would have an objection to that for a couple of reasons. I did not see any 15 16 response to our most recent supplement, which addressed this 17 Court's Administrative Order 20-17, which I think I would submit 18 that the request by opposing counsel violates the provision in 19 AO 20-17 regarding unwarranted -- seeking unwarranted tactical 20 advantages on recently denied continuances. 21 I do think that there is -- there are two stays at There is the stay that was imposed originally 22 because of the repetition, and that has been decided by the 24 Supreme Court, but there is also the stay that is imposed under this Court's order 20 -- AO 20-17, which is lifted July 1st, and

that relates to all discovery matters and a continuance of any case.

In the event the Court were to determine that that stay was not in place, we would submit, Your Honor, under page 18 of AO 20-17 that this Court has determined, along with the Nevada Supreme Court, that COVID-19 does constitute good cause and excusable neglect warranting the extension of time.

In addition, on page 17 of that same order, the Court confirms that Rule 41(e) is still tolled, so there is no concern about the five-year rule as that rule is still stayed. We would submit that a 12-day extension -- we would submit that the AO 20-17 tolls those deadlines until July 1st, including disclosures of experts, as well as our motion to amend. In the alternative, we would submit that a stay until that day, which is, I believe, 11 days away, is warranted.

THE COURT: Thank you.

Mr. Ogilvie and Ms. Ochoa, your response, please?

MS. OCHOA: George, did you want to go or should I go?

MR. OGILVIE: Yeah. No, I -- Your Honor, if I could

be heard. This is George Ogilvie. I would -- the Uni-Ter and U

21 | S Re defendants would agree with Ms. Ochoa. I don't know any

22 reason for the stay not to be lifted, but we're only talking

B about two weeks difference between lifting it tomorrow and it

24 being lifted effective July 1.

I disagree with Mr. Wirthlin's interpretation of AO

20-17 to the extent that he's arguing that the stay cannot be lifted until July 1. As he recognizes, Rule 41 is -- continues to be tolled, and certain discovery is tolled under AO 20-17.

I don't -- the problem here, Your Honor, is the case is kind of stuck right now until the receiver does two things. One, files its motion for leave to amend because the receiver's recent filings indicate that, in fact, the receiver will be seeking to amend its complaint to file a third amended complaint to assert additional allegations to support its causes of action against the director defendants.

Until that's done, the case is kind of stuck in the water. We can't move forward with additional scheduling orders because we don't know what this case is going to look like on the other side of the either granting or denying of that motion for leave to amend. We don't even know what that -- that new pleading is going to look like.

So my concern is that until -- until the -- until we have final operative pleadings, we don't know how to proceed with this case other than to conduct some discovery that was -- that's going to be needed no matter what. But in terms of scheduling deadlines and a trial date, we are -- we're at a standstill until we see what the case actually shapes up to be.

So for that reason, I would ask that the Court lift the stay now so we can move forward with getting the pleadings in order, and then we -- and then what I would ask, Your Honor,

is after -- after we see what the pleadings are going to look like, then the parties get together and -- and collaborate on a revised scheduling order to be submitted to the Court, and then the Court set a new -- another status conference as soon as possible to discuss a trial date and a new scheduling order.

Again, so I would ask that none of that be delayed.

And the -- as everyone knows, there's not only the obligation by the receiver to file its motion for leave to amend, but also to serve the receiver's initial expert disclosures. I don't -- I don't agree with the receiver's counsel that there's any tactical advantage being sought here by lifting the stay now because the receiver has had, I don't know, what is it, 15 months now since the case was stayed to do two things. One, to start preparing its amended pleading, and to prepare its initial disclosure.

So the receiver has known, again, for 15 months that they were due -- those initial disclosures were going to be due a day after the stay was lifted. They were going to be due. In fact, they probably should have been prepared already, and I'm sure they were because they were going to be due in a day or two days from the day that the stay was imposed.

But for the imposition of the stay, we would have had the -- the receiver's initial disclosures in March of 2019. So there shouldn't be any prejudice to the receiver by lifting of the stay and requiring the receiver to move the case forward.

Again, though, it's a matter of, I guess, 12 days, not 13 days, 12 days between now and what the receiver is requesting.

So Uni-Ter and U S Re defendants are not adamant about this, I just don't know why we would continue to delay, particularly getting the -- the amended pleading either granted or denied so we know what this case shapes up to be.

THE COURT: Thank you.

Ms. Ochoa, do you have anything to add?

MS. OCHOA: No, I agree with what Mr. Ogilvie has stated. You know, it's not a tactical advantage to disagree with the reading of AO 20-17. We're setting forth our position, and it's not done in bad faith.

THE COURT: Thank you.

And, Mr. Wirthlin, a brief reply.

MR. WIRTHLIN: Yes, Your Honor, very briefly. I think the tactical advantage here, frankly, is that we filed our second supplement over a week ago. I've been in communication with opposing counsel, both, and have not received any indication from them that they had any objection or disagreement whatsoever with the July 1st date. That would prejudice the receiver.

I think that one thing that is not referenced is that due to the Supreme Court's decision on the director's writ petition, the receiver has had to change the case, effectively dramatically when it comes to the directors. The language on

[indiscernible] which was relied on, as the Court well knows, was disavowed by the Supreme Court after several years of litigation on that basis.

So that being said, Your Honor, we would submit that even if the Court found that there was a stay that should be lifted at this time, we would submit that and request, and would have put it into any kind of reply had we received an opposition, an 11-day extension. I believe it's only 11 days until July 1st pursuant to this Court's AO -- Administrative Order 20-17. Thank you, Your Honor.

THE COURT: Thank you all. This is the Commissioner's motion for clarification. I'm going to grant the motion and lift the stay as of July 1 for this simple reason, we are at this point only required to do essential hearings as to finding the administrative order.

Beginning in June I've started to hold hearings simply because in the business court cases particularly, the parties need more certainty. And so I've found it -- and just at least to move the docket forward it's beneficial for everyone. So this isn't a hearing that I would have necessarily even had to have heard. I chose to give the parties more certainty. So for that sole reason, I will grant the motion for clarification and lift the stay as of July 1st.

There are -- there is no -- I don't believe the defendants are asking for any type of tactical advantage. They

want to move the case forward, as well, but there are challenges 1 to all of the parties at this point in securing witnesses, 2 there's inability to travel, some people are not working or working from home and not as efficient. And so I think to be fair to both sides, July 1st needs to be the date. 5 So Mr. Withlin to prepare the order. If Mr. Ogilvie 6 7 and Ms. Ochoa wish to sign off, please so indicate. 8 MR. OGILVIE: Yes, Your Honor, on behalf of -- this is 9 George Oglivie. Yes. 10 MS. OCHOA: I'll review it, as well. Thank you, Your Honor. 11 12 THE COURT: Very good. So present an order that's agreed as to form. No competing orders. If you have an issue 13 14 with the language, let me know. I'll either sign, interlineate, 15 or conduct a telephonic. Thank you all for your appearance. 16 Stay safe, stay healthy. 17 MR. WIRTHLIN: Thank you, Your Honor. You, as well. MS. OCHOA: 18 Thank you. 19 (Proceedings concluded at 10:14 a.m.) 20 21 22 23 24 25

complains and alleges as follows:

PARTIES, JURISDICTION AND VENUE

- 1. L&C was a Nevada domiciled risk retention group formed in 2003. Between 2004 and February 28, 2013, L&C provided general and professional liability coverage to long term care facilities and home health providers.
- 2. The Nevada Division of Insurance ("DOI") filed a Receivership Action related to L&C in November, 2012, commencing case number A-12-672047-B in the Eighth Judicial District Court of Nevada, in and for the County of Clark ("Receivership Action"). In the Receivership Action, the court entered an Order of Liquidation ("Liquidation Order") on February 28, 2013. A copy of the Liquidation Order is attached hereto as **Exhibit 1**. In the Liquidation Order, Plaintiff was appointed as the Receiver ("Receiver") of L&C. *Id.* The express powers granted to Receiver in the Order include the power to "[p]rosecute any action which may exist on behalf of the policyholders, members or shareholders of L&C against any officer of L&C or any other person[.]" *See* Liquidation Order, Exhibit 1, at ¶6(g).
- 3. Defendant Robert Chur ("Chur") was a director of L&C at all relevant times including as of the time the Receivership Action was filed.
 - 4. Chur at all relevant times resided in Williamsville, New York.
 - 5. Chur was also President of ElderWood Senior Care at relevant times.
- 6. Defendant Steve Fogg ("Fogg") was a director of L&C at all relevant times including as of the time the Receivership Action was filed.
 - 7. Fogg at all relevant times resided in Oregon.
 - 8. Fogg was also Chief Financial Officer of Marquis Companies at relevant times.
- 9. Defendant Mark Garber ("Garber") was a director of L&C at all relevant times including as of the time the Receivership Action was filed.
 - 10. Garber at all relevant times resided in Oregon.
- 11. Garber was also Chief Financial Officer of Pinnacle Healthcare, Inc. ("Pinnacle") at relevant times.

Georgia corporation and is a wholly owned subsidiary of U.S. RE Corporation.

- 3 -

- 28. Uni-Ter Claims Services Corp. ("Uni-Ter CS" and collectively with Uni-Ter UMC referred to herein as "Uni-Ter" or the "Uni-Ter Defendants") is a Georgia corporation and is a wholly owned subsidiary of Uni-Ter UMC.
- 29. Defendant Catalado Piccione aka Tal Piccione ("Piccione") was the Chairman, President, Chief Executive Officer, and a Director of U.S. RE at all relevant times including as of the time the Receivership Action was filed.
- 30. Piccione was Chairman and a Director of Uni-Ter at all relevant times including as of the time the Receivership Action was filed.
- 31. Piccione was the President, Chairman and a Director of U.S. RE Consulting Agency Services, Inc., ("U.S. RE Consulting") at all relevant times including as of the time the Receivership Action was filed.
- 32. U.S. RE Consulting was a "sister company" to L&C's managing general agent, Uni-Ter, and U.S. RE Consulting entered into a business relationship with Uni-Ter and L&C to work as a broker for L&C's medical liability insurance product for nurses.
- 33. U.S. RE Consulting was a Nevada corporation, a holder of a Nevada insurance brokerage license, and a wholly owned subsidiary of U.S. RE Companies, Inc. ("U.S. RE Companies") based in New York.
- 34. Piccione was a founder, Chairman, President, Chief Executive Officer, a Director, and the largest shareholder of U.S. RE Companies at all relevant times including as of the time the Receivership Action was filed.
- 35. Piccione was the largest shareholder of U.S. RE Companies, and as a result had the largest ownership interest in U.S. RE, Uni-Ter, and U.S. RE Consulting, due to the fact that U.S. RE, Uni-Ter, and U.S. RE Consulting were direct or indirect wholly owned subsidiaries of U.S. RE Companies.
- 36. In addition to Piccione's business dealings in Nevada through his U.S. RE Companies' wholly owned subsidiaries, Piccione also had direct communications with representatives at the Nevada DOI, including several telephone calls and correspondences with

Nevada DOI Deputy Director Michael Lynch, regarding L&C and its deteriorating financial condition prior to the filing of the Receivership Action.

- 37. Piccione at all relevant times resided in New York.
- 38. Defendants DOE INDIVIDUALS 1 through 50 and ROE COMPANIES 51 through 100 are individuals or business entities currently unknown to Plaintiff who claim some right, title, interest or lien in the subject matter of this action. When the names of said DOE INDIVIDUALS and ROE COMPANIES have been ascertained, Plaintiff will request leave to substitute their true names and capacities and join them in this action.

GENERAL ALLEGATIONS

A. Introduction

- 39. L&C was a Nevada corporation formed in or around 2003. L&C was organized as a risk retention group to write Professional and General Liability coverage for long-term care facilities in the Pacific Northwest.
- 40. L&C expanded its area of operation over the years and, at the time of Receivership Action in 2012, wrote coverage for long term care facilities in 46 states, although New York, California, Oregon, and Washington accounted for a majority of the premiums.
- 41. The individual defendants include the directors and officers of L&C at the relevant times who, among other things, breached their fiduciary duties in performing their duties as directors and officers of L&C which resulted the Receivership Action being filed.
- 42. Defendants Uni-Ter UMC and Uni-Ter CS were retained as a manager of L&C. Defendant U.S. RE was retained to provide reinsurance to L&C.
- 43. The Defendants who were directors and officers of L&C (collectively referred to herein as the "Board", "Directors" or "Director Defendants," which terms include said defendants from the time they became members of L&C's Board of Directors) knew at the time it retained Uni-Ter and its affiliates that they had only recently been formed and had limited operating history. Further, the Board understood that the Board members had not previously organized an insurance company. Thus, the Board placed undue reliance on Uni-Ter as its manager without properly informing itself of the information provided by Uni-Ter and its affiliates. Further, the

Board continued to rely on information and recommendations from Uni-Ter despite clear indications that the information was incomplete and inaccurate and the recommendations were ill advised, but the Board breached its fiduciary duties in failing to verify or correct the misinformation provided by Uni-Ter, U.S. RE and others, and to take proper corrective action.

B. Acquisitions and Growth of L&C

- 44. During calendar year 2005, L&C acquired Henry Hudson LTC Risk Retention Group, Inc. ("Henry Hudson") which wrote exclusively in New York. L&C assumed all outstanding liabilities of Henry Hudson.
- 45. L&C acquired Sophia Palmer Nurses Risk Retention Group ("Sophia Palmer") in 2009. Sophia Palmer wrote general and professional liability policies to nurses mostly in Florida. L&C assumed all outstanding liabilities of Sophia Palmer.
- 46. By the time it was placed in receivership, L&C had issued approximately 25,254 shares of common stock. Its directors and officers held approximately 11,720 shares. The largest shareholders were Pinnacle with approximately 3663 shares and Eagle Healthcare with approximately 4041 shares.
- 47. L&C was managed by Uni-Ter UMC at all times. Uni-Ter UMC also did other work including private offering work on behalf of L&C such as sending out the offering memoranda and offering documents on behalf of the company.

C. Agreements with the Uni-Ter Entities and Brokers

- 48. The Uni-Ter entities hold themselves out as a leading provider of liability insurance to the healthcare industry.
- 49. Uni-Ter UMC has created at least five Risk Retention Groups which include L&C, Ponce de Leon LTC RRG, Inc., and J.M. Woodworth RRG, Inc.
- 50. As a Managing General Underwriter, Uni-Ter's services to L&C included administration, underwriting, risk management, claims, and regulatory compliance.

27 ///

28 ///

(1) Management Agreements

51. Immediately upon formation of L&C by Uni-Ter UMC, L&C entered into management agreements with Uni-Ter UMC. In 2011, Uni-Ter entered into a new management agreement with Uni-Ter UMC and Uni-Ter CS.

a. 2004 Management Agreement

- 52. L&C and Uni-Ter UMC entered into a Management Agreement dated January 1, 2004 ("2004 Management Agreement") for a period of seven years. A copy of the 2004 Management Agreement is attached hereto as **Exhibit 2**.
- 53. In the agreement, L&C appointed Uni-Ter UMC as its exclusive underwriting, administrative, accounting, risk management, and claims manager for the lines of business and territories set forth in Exhibit A to that agreement.
- 54. The 2004 Management Agreement states that Uni-Ter UMC would "serve L&C in a fiduciary capacity for all legal duties." *Id.*
- the following: (i) Soliciting of risks and class of risks that meet L&C's underwriting and pricing standards, appointing qualified brokers and agents to sell the insurance, (ii) binding of risks, (iii) issuance, renewal, and cancellation of policies, (iv) collection of premiums, (v) handling of claims, (vi) keeping accurate records and having audits done, (vii) maintaining electronic files, (viii) providing the usual and customary services to insureds, (ix) ensuring compliance with state and federal regulations, (x) determining and setting appropriate premium rates, (xi) compiling and providing the needed statistical reports to L&C, (xii) holding all of L&C's assets in investment custodian accounts as a fiduciary, (xiii) determining and obtaining appropriate reinsurance authorized by L&C, (xiv) safeguarding and maintaining L&C property, and (xv) accounting to L&C for certain financial and insurance information on a monthly basis (including operating statement, balance sheet, policies written for the month, claims incurred for the month, AR summary, and summary of all claims, reserves, and losses). *Id*, at Article III.
- 56. Uni-Ter's duties also specifically included "[t]o arrange for or perform risk management services for the benefit of the insureds of L&C. Such risk management shall have

the primary goal of reducing the frequency of medical incidents that give rise to policy claims. Specific risk management duties are set forth in Exhibit C." *Id.* Art. III(R).

- 57. Uni-Ter's duties also included filing quarterly and annual financial statements with the Nevada DOI and other states requiring the same. *Id.* Art. III(H)(2).
- 58. The 2004 Management Agreement also included Exhibit B entitled Claims Management Authority which stated that Uni-Ter UMC "shall handle all aspects of claim processing . . . for all claims and allocated loss adjustment expenses subject to this Agreement." The Exhibit then lists specific claims handling duties of Uni-Ter including monthly reporting of new claims, open reserves, paid claims, and ending reserve balance for both indemnity and expense activity. *Id*, at Exhibit B.
 - 59. Regarding compensation, Uni-Ter was paid in three components.
 - (i) A management fee of 22% of gross written premiums net of cancellations and non renewals up to \$5 million, 20% between \$5 million and \$15 million, and 17.5% above \$15 million. Management fees were to be paid monthly.
 - (ii) Claims handling fees of \$250 per file setup for each claim or investigation, \$95 per hour for claim adjuster/nurse professional time, and actual travel expenses.
 - (iii) A profit sharing bonus on a sliding scale as a percent of earned premiums based on loss ratio for each calendar year. The profit sharing bonus was to be paid no later than March 1 of the year following the fifth year after the year at issue.

See id.

- 60. The 2004 Management Agreement included amendments that modified these payment terms. *Id*.
- 61. The Second Amendment to the 2004 Management Agreement states that for all services under the 2004 Management Agreement other than claims handling, the management fee will be 12% of annual gross written premiums net of cancellations and non-renewals plus the

amount of agency commissions (at rates approved by L&C) payable to retail and wholesale agents appointed by Uni-Ter. *Id*.

- 62. Various amendments raised the hourly rate for claim adjuster/professional time. *Id.*
- 63. The Fifth Amendment to the 2004 Management Agreement modified the profit sharing bonus provision to be paid on March 1 of the year following the fourth year after the year at issue. *Id*.
- 64. In or around 2009 L&C, at Uni-Ter's direction, accepted multiple multi-site LTC operators ("Multi-site Operators") as policyholders. As noted above, in or around 2009 L&C also accepted Sophia Palmer.
- 65. At the time L&C accepted Sophia Palmer, Lumpkin a director of L&C also chaired the board of Sophia Palmer.
- 66. The DOI reprimanded the Board for failing to submit a Conflict of Interest Statement as the officers and directors of L&C were required to do pursuant to NAC 694C.
- 67. The Board accepted Uni-Ter's direction to obtain the Multi-site Operators, including Sophia Palmer, without adequate information. In fact, the Board breached its fiduciary duties in determining to accept the Multi-site Operators, including Sophia Palmer.
- 68. Had the Board complied with its fiduciary duties in informing itself based upon the information available to it regarding the Multi-site Operators, it would have discovered that in fact the recommendation by Uni-Ter was ill advised.
- 69. L&C's acceptance of the Multi-site Operators constituted a significant divergence from the established business model of L&C as the Multi-site Operators were large, multi-facility operators and had historical loss records outside L&C's typical underwriting range. Further, one of the contracts at issue contained an unprecedented provision that limited the claims exposure of L&C on an aggregate level rather than on a claim-specific level.
- 70. Following L&C's acquisition in 2009 of the Sophia Palmer nurse/nurse practitioner book of business in Florida, the Seventh Amendment stated that the existing profit sharing terms were applicable to L&C's long term care facility/home health care book of

The limitations of Uni-Ter's authority in Article III(Y) are revised to delete

(iii)

the limitations set forth in items 2, 6, and 9 of the 2004 agreement. Uni-Ter's new allowed duties (i.e., no longer a limitation) included that it had full authority to settle claims on L&C's behalf or commit L&C to pay claims.

(iv) The profit sharing bonus provision was revised to apply from 2007 forward with 2006 being the last year under the 2004 Management Agreement. For 2007 onward, the profit sharing bonus was to be 20% of L&C's Profit as defined to be pre-tax net income as adjusted for the applicable year's loss ratio, ALAE ratio, and reinsurance payables and receivables through December 31 of the fourth year following the applicable year.

Id.

- 77. The First Amendment to the 2011 Management Agreement revised the management fee for calendar year 2011 to be at a rate of 10% instead of 12% and stated that continuation of the 2% differential for subsequent periods is subject to mutual agreement of the parties. A handwritten notation on the amendment states that "This was revised on February 7th, 2011." *Id*.
- 78. The Second Amendment is dated November 15, 2011 in conjunction with additional capital contributions at that time. It states that for so long as any amounts are unpaid on the surplus debentures of L&C issued in 2011 and 2012, the profit sharing bonus payable to Uni-Ter UMC shall accrue but not be paid. *Id*.
- 79. The Third Amendment done on December 31, 2011 states that no profit sharing bonus would accrue or be paid regarding the 2008 calendar year. *Id*.
- 80. Despite the changes to Uni-Ter's management responsibilities, and despite the dire financial circumstances of L&C during 2011, Uni-Ter received not less than \$1,000,000.00 in management fees in 2011.
- 81. Milliman, Inc. ("Milliman"), an actuarial firm, provided Rate and Loss Reserve analysis to Uni-Ter ("Milliman Reports"). Milliman was engaged by Uni-Ter, and not L&C, in

the work that it did. Milliman did premium rate and professional liability and general liability rate analysis for Uni-Ter. Milliman also did loss reserve analysis for Uni-Ter.

(2) <u>U.S. RE Agreement</u>

- 82. In a Broker of Record Letter Agreement between L&C and U.S. RE ("U.S. RE Agreement"), L&C appointed U.S. RE as its exclusive reinsurance intermediary/broker for a period of seven years and granted U.S. RE full and complete authority to negotiate the placement of reinsurance on all classes of insurance with unspecified limits of coverage as requested by any underwriter of L&C, *i.e.*, Uni-Ter ("U.S. RE Agreement"). A copy of the U.S. RE Agreement is attached hereto as **Exhibit 4**.
- 83. The U.S. RE Agreement states that U.S. RE will handle all funds collected for L&C in a fiduciary capacity. *Id*.
- 84. In each of the eleven (11) ceded reinsurance agreements between L&C and its reinsurers, U.S. RE is listed as the reinsurance intermediary in each agreement via an intermediary clause in the reinsurance agreements.
- 85. U.S. RE was not merely hired as some uninvolved third party broker of reinsurance, although acting as a third party broker of reinsurance was included with U.S. RE's duties.
- 86. Uni-Ter Underwriting Management Corporation ("Uni-Ter Underwriting") and Uni-Ter Claims Services Corporation ("Uni-Ter Claims") were retained as the managers of L&C.
- 87. Both Uni-Ter Underwriting and Uni-Ter Claims are direct or indirect subsidiaries of U.S. RE.
- 88. U.S. RE was itself engaged as L&C's "exclusive reinsurance intermediary/broker" and as L&C's agent, including being granted "full and complete authority to negotiate the placement of reinsurance or retrocessions on all classes of insurance with unspecified limits of coverage as specifically requested by any underwriter of [L&C]." *Id*.
- 89. The U.S. RE Agreement further recognizes U.S. RE's agency with L&C by stating that U.S. RE "will exercise its best efforts in the discharge of its duties **on behalf of the Company**." *Id.* (emphasis added).

- 90. The Supreme Court of Nevada has held that "[a]n agency relationship is formed when one who hires another retains a contractual right to control the other's manner of performance." *Grand Hotel Gift Shop v. Granite State Ins. Co.*, 108 Nev. 811, 815, 839 P.2d 599, 602 (1992) (citation omitted).
- 91. U.S. RE acted as the agent of L&C, as the U.S. RE Agreement expressly states not only that U.S. RE will act "on behalf of" L&C, but also that L&C has the right to control U.S. RE's manner of performance as U.S. RE promises to "comply with written standards established by [L&C] for the cession or retrocession of all insured risks." *Id.*
- 92. Further, Nevada law makes clear that "[a]n agent, such as respondent in these circumstances, owes to the principal the highest duty of fidelity, loyalty and honesty in the performance of the duties by the agent on behalf of the principal." *LeMon v. Landers*, 81 Nev. 329, 332, 402 P.2d 648, 649 (1965) (holding that the agent breached her fiduciary obligations) (emphasis added); *see also Chem. Bank v. Sec. Pac. Nat. Bank*, 20 F.3d 375, 377 (9th Cir. 1994) ("The very meaning of being an agent is assuming fiduciary duties to one's principal.") (*citing Restatement (Second) of Agency* § 1(1)).
- 93. Additionally, as noted above, U.S. RE was engaged not only as L&C's exclusive broker, but also as its consultant. Many courts have recognized that insurance brokers are agents of, and therefore owe fiduciary duties to, their insureds. *See Capitol Indem. Corp. v. Stewart Smith Intermediaries, Inc.*, 229 Ill. App. 3d 119, 124-25, 593 N.E.2d 872, 876 (1992) ("An agency relationship is a fiduciary one; insurance brokers employed for a single transaction or series of transactions are agents...").
- 94. The Nevada Supreme Court has recognized that insurance brokers may assume additional duties including through representations by the broker upon which the insured relies thereby creating a special relationship between the broker and the insured. *Flaherty v. Kelly*, 2013 WL 7155078, at *2 (Nev. Dec. 18, 2013).
- 95. U.S. RE assumed such duties including "substantial and essential efforts expended by U.S. RE and its affiliates in the organization and licensing of [L&C]" and serving as a consultant to U.S. RE. See U.S. RE Agreement.

- 96. Further, as recognized in the U.S. RE Agreement, U.S. RE's agency relationship with Plaintiff extended to additional actions and bases with U.S. RE, including but not limited to the "substantial and essential efforts expended by U.S. RE and its affiliates in the organization and licensing of [L&C]" and to state that U.S. RE will "serve as the exclusive intermediary in connection with the placement of all of [L&C's] reinsurance." *Id*.
- 97. The U.S. RE Agreement further recognizes U.S. RE's agency with L&C by stating that U.S. RE "will exercise its best efforts in the discharge of its duties on behalf of the Company." *Id.* (emphasis added). The U.S. RE Agreement also states that "[a]ll funds collected for [L&C]'s account will be handled by U.S. RE in a fiduciary capacity in a bank which is a qualified United States financial institution." *Id.*
- 98. Thus, U.S. RE was the agent of Plaintiff in multiple aspects, including but not limited to, those set forth above.
- 99. Further, U.S. RE did more than merely act as some disinterested third party reinsurance broker. In fact, U.S. RE was directly involved in the activities of L&C in its capacity as agent of L&C.
- 100. Moreover, U.S. RE was actively involved in management related activities, including presenting financial and other pertinent information to L&C's Board.
- 101. U.S. RE intentionally failed to obtain reinsurance through syndicates as required under the U.S. RE Agreement. No facts were found that reinsurance failed to pay as required. To the contrary, the reinsurance policies seemed not to be invoked because deductible amounts were not reached, especially in the early years of 2004 to 2008.
- 102. Nevertheless, U.S. RE intentionally represented to L&C that it would act in L&C's best interests, creating additional duties toward L&C other than merely finding and securing reinsurance, including but not limited to, fiduciary duties, as set forth herein.
- 103. In violation of such duties, U.S. RE intentionally did not find appropriate reinsurance because the deductible rates were consistently too high. This is shown by the fact that reinsurance did not come into play at all in the early years. Indeed, the Board approved commutation of the 2007 treaty only 10 days into 2008.

1	(3)	Reinsurance Contracts				
2	104. U.S. I	RE, acting as L&C's intermediary broker, procured the following general				
3	reinsurance treaties. Certain terms of such treaties are noted below the treaty name.

16	D.	Financial Disaster in 2010 and 2011.			
17	105.	On or around September 8, 2010, the DOI sent a letter to Marshall, President of			
18	L&C and a m	nember of the Board ("September 2010 Letter") advising the Board of the dangerous			
19	financial position of L&C. A copy of the "September 2010 Letter is attached hereto as Exhibit 5.				
20	106. In the September 2010 Letter, captioned "Lewis & Clark Deteriorating Financial				
21	Condition", ti	he DOI states in part the following:			
22	Dear 1	President Marshall:			
23	reveal	The [DOI]'s review of the June 30, 2010 financial statement of [L&C] ed a deteriorating financial condition which the company's management			
24	must address. The following are items that must be considered:				
25		the 12/31/10 pro-forma accounts and has resulted in a liquidity			
26		ration of 116.0%. • Due to underwriting and operating losses, \$1.1 million and			
27		\$792.7 thousand, respectively, policyholder surplus has declined by 11.6% from December 31, 2009			

- Underwriting losses are the result of increasing loss and loss administration coupled expense with high other underwriting/administrative expenses (which exceed 12/31/10 pro-forma amounts by \$744 thousand), all of which result in a
- Risk Based Capital (RBC) ratio of 210.5% is hardly adequate....

27 28 combined ratio of 131.1%.

The September 2010 Letter ended with an admonition from the DOI that

- 107. "[b]ecause of the company's capital decline revealed by the June 30, 2010 financial statement, management should commence preparing a corrective action plan and an implementation schedule addressing a means to enhance earnings and surplus, reduce expenses, and improve liquidity." Id.
- 108. Despite the DOI's recommendations regarding L&C's deteriorating financial condition and need for an effective corrective action plan, the Board intentionally and knowingly failed to fulfill their fiduciary duties to correct the substantial problems L&C was facing, and the alarming financial problems of L&C outlined by the DOI in its September 2010 Letter were not corrected, and in fact were dramatically worsened, by the Board's actions.
- 109. In the first three (3) quarters of 2011, L&C experienced a net loss of not less than \$3,100,000.
- 110. A principal reason for these losses was that the Multi-Site Operators had passed on significant losses to L&C in the two policy years from 2009-2011, as well as increases in claims for other insureds.
- On or about September 1, 2011, Sanford Elsass and Donna Dalton sent a 111. memorandum to the Board purporting to outline the events causing financial difficulties. Included in that memorandum was a representation that Uni-Ter would hire a consultant to perform a "complete analysis" of the claims process of Uni-Ter Claims Services Corporation.
 - 112. The consultant hired by Uni-Ter was Praxis Claims Consulting ("Praxis").

- 113. At this time the Board knew that reliance on information presented to it by, or at the direction of, Uni-Ter and U.S. RE could not be relied on, in part because the decision to accept the Multi-Site Operators was financially devastating to L&C.
- 114. Despite this knowledge of the Board regarding the wholly inadequate and inaccurate information provided by Uni-Ter, the Board's breaches of their fiduciary duties is manifest in the fact that, the Board failed to verify whether Praxis was provided accurate information in preparing its reviewing the claims process.
- 115. In fact Uni-Ter did not provide Praxis with accurate information and, in fact, limited the scope of Praxis's initial engagement to a review of claims-related processes and of a small sample size of only nine (9) specific claims reserves. Praxis's review, which was grossly inadequate due to Uni-Ter's failure to provide adequate and accurate information to Praxis, resulted in a report dated September 15, 2011 ("September 2011 Praxis Report"). A copy of the September 2011 Praxis Report is attached hereto as **Exhibit 6**.
- 116. Because Uni-Ter failed to provide accurate and complete information to Praxis, the September 2011 Praxis Report was substantially inaccurate and incomplete.
- 117. The Board later learned that, in fact, Uni-Ter had not provided Praxis with accurate information and that Uni-Ter had limited the scope of Praxis's engagement to a review of claims-related processes and of a small sample size of only nine (9) specific claims reserves. This is information which the Board could have known before the 2011 Praxis Report was issued.
- 118. Further, on or around September 23, 2011, the DOI sent another letter to Marshall regarding the now disastrous financial condition of L&C ("September 2011 Letter"). A copy of the September 2011 Letter is attached hereto as **Exhibit 7**.
- 119. In the September 2011 Letter, the DOI identified several massive financial problems with L&C which the Board had, taken improper or no action to correct, including the following:
 - Of particular concern is the Combined ratio which has increased since prior year-end from 99.4% to 153.9% a 54.8% increase postmerger.

• A major concern is Risk Based Capital ("RBC") – 208.8%. This RBC calculation results from year-end 2010 financial statement. The RBC is now well below that level considering the reserve (Liability) increases and net loss reducing policyholder surplus by 40.3% for only one-half (Six Months) of a year of operating activity.

. . .

- Net underwriting loss has deteriorated to \$3.1 million
- Net loss = \$1.8 million

Id.

120. The September 2011 Letter further noted the following regarding the second quarter of 2011:

Since prior year-end, policyholder surplus has declined by 40.3%. Company is experiencing adverse claims Development and is becoming extremely leveraged. Total Liabilities have increased by 26.5% ... Net Loss is \$1.8 million, a result of \$3.1 million net underwriting loss for six months and \$1.7 million underwriting loss for just the second quarter. Unassigned Funds have deteriorated further to a negative (\$1.4 million). Since prior year-to-date, net premiums earned have improved nominally by 5.8% while net losses incurred has increased by 117.6% causing a net loss ratio of 114.4% and resulting in a 153.9% combined ratio. Company is highly leveraged. Cash and invested assets only represent 59.2% of total assets resulting in a 148.7% liquidity ratio coupled with gross premiums written representing 571.6% of policyholder surplus and net premiums written representing 499.9% of policyholder surplus ...

Id. (emphasis added).

- 121. The September 2011 Letter noted that the DOI had sent "a prior letter advis[ing] the Board of Directors of deteriorating financial condition and admonish[ing] the Board and management to consider a correction plan." The letter required that "[t]he Board and management must now prepare a short-term (3 month) action plan and based on this action plan how they forecast their 12/31/2011 statement to appear." *Id*.
- 122. The Board failed to comply with its fiduciary duties in addressing the September 2011 Letter, and failed to correct the staggering financial problems L&C was facing.
- 123. Subsequently, in late November 2011, Uni-Ter conducted what purported to be a full-scale internal review of all claims reserves, and later engaged Uni-Ter to conduct a full review as well.

124. The outcome of the internal review by Uni-Ter, as well as the negative review by Praxis, showed that Uni-Ter had incorrectly understated the sampled claims in the September 2011 Praxis Report by a net of not less than \$1,200,000.

- 125. Uni-Ter and/or U.S. RE informed the Board on a conference call that, in fact, an increase of at least \$5,000,000.00 to L&C's claims reserves was necessary. This significantly increased the net loss of Lewis & Clark on a full 2011 year basis and further decreased L&C's capital to an unacceptable level for operational, regulatory, and rating purposes.
- 126. The Board, through its breaches of its fiduciary duties, ignored or improperly responded to the multiple red flags including communications from the DOI regarding L&C's financial position, Uni-Ter's management and the representations of Uni-Ter and U.S. RE, which proximately caused and contributed to the damages suffered by Plaintiff.

E. <u>L&C Board Meeting Minutes</u>

- 127. The Board met generally once per quarter starting in late 2004 and continuing to September 2012 related to L&C. Minutes of said meetings were kept by L&C ("Minutes").
- 128. Because Uni-Ter UMC was managing all of the business aspects of L&C's business, Mr. Sanford Elsass ("Elsass"), President of Uni-Ter UMC and an officer of U.S. RE at all relevant times, attended all of the L&C Board meetings in person except for the last two. Elsass and other Uni-Ter employees gave most of the reports about the company to the Board members.
- 129. Many of the approvals and actions of the Board were done at the recommendation of Mr. Elsass.
- 130. The Board had knowledge concerning Mr. Elsass and his recommendations that caused reliance on the reports and recommendations of Mr. Elsass and Uni-Ter UMC to be unwarranted.
- 131. Despite this knowledge, the Board failed to comply with its fiduciary duties with respect to accepting the information and recommendations provided by Mr. Elsass and Uni-Ter UMC and failed to verify whether this information was accurate and whether the

132. The Minutes also do not mention the monthly reports that Uni-Ter UMC was supposed to provide to L&C in the 2004 Management Agreement or the quarterly reports that Uni-Ter UMC was supposed to provide to L&C in the 2011 Management Agreement. The Minutes do reference annual and quarterly financial results and there are discussions of the claims and underwriting activities for each quarter, but no mention of the reports required by the 2004 and 2011 Management Agreements.

- 133. Item 13 in the March 9, 2005 Minutes states that the Board requested that Uni-Ter provide financial information to the Board monthly. Uni-Ter already had the obligation to provide the information listed in the 2004 Management Agreement to the Board monthly.
- Item 10 from the August 12, 2005 Minutes, attached hereto as Exhibit 8, which state that the Board is unhappy with the work of Uni-Ter. The Minutes state that the Board was concerned regarding the lack of completion by Uni-Ter regarding marketing plans presented at the March 2005 meeting, including non-receipt of periodic marketing reports, lack of contract with state associations and potential new agents, and generally, a lack of production of new business during 2005.
- 135. Despite these clear indications that Uni-Ter was failing to provide complete and accurate information, the Board remained indifferent to its legal duty to act on an informed basis by ensuring the information and recommendations provided by Uni-Ter and Mr. Elsass were complete and accurate.
- 136. One of the resolutions in L&C's first set of Minutes of December 22, 2003, approves the engagement between L&C and U.S. RE to engage U.S. RE as the exclusive reinsurance broker and consultant for L&C. The resolution states that confirmation was received from Elsass as an officer of U.S. RE that U.S. RE would use its best efforts to obtain competitive rates and terms.
- 137. Uni-Ter undertook the fiduciary duty of determining and establishing the appropriate loss reserves for the company. Item 3 in the September 14, 2005 Minutes, attached hereto as **Exhibit 9**, states that Elsass reported on establishing the appropriate loss reserves for

138. The Board's Audit Committee ("Audit Committee") was established at the February 10, 2006 meeting of the Board. The relevant Minutes contain no discussion of why this was not done previously or why it was needed at that juncture.

- 139. The Audit Committee generally reviewed and approved L&C's financial audits. There are no entries stating that the Audit Committee performed any auditing functions other than review of financial audits.
- 140. The May 30, 2006 Minutes, attached hereto as **Exhibit 10**, state that L&C's D&O insurance was renewed, but that L&C's E&O insurance was not renewed.
 - 141. L&C subsequently obtained E&O insurance.
- 142. Item 3 of the October 20, 2006 Minutes, attached hereto as Exhibit 11, states that the Board directed Donna Dalton of Uni-Ter and L&C's counsel to comment to the Nevada DOI regarding issues including loss reserves and Risk Retention Act requirements.
- 143. Item 9 of the March 23, 2007 Minutes, attached hereto as **Exhibit 12**, references the Nevada DOI triennial examination report for 2003 to 2005, but does not state any findings related to the report or what corrective actions, if any, the Board would take.
- 144. The October 12, 2007 Minutes, attached hereto as Exhibit 13, reference an incurred but not reported ("IBNR") reduction of \$934,000 but do not explain it or why the reduction occurred. The October 12, 2007 Minutes also state that L&C was beginning to offer occurrence policies subject to required regulatory filings, but do not discuss the required regulatory filings.
- The January 10, 2008 Minutes, attached hereto as Exhibit 14, state that there will 145. be commutation of the 2007 reinsurance with Imagine RE, and note the change that Uni-Ter will begin a retail policy sales agency to improve on the disappointing efforts by the "current agency network." The entry notes that Uni-Ter will be paid commissions on L&C's retail policy business at 10% of gross written premiums rather than 15% of gross written premiums. The Minutes do not say which contract Uni-Ter would provide such services under. The 2004 Management Agreement required solicitation services by Uni-Ter. This same item mentions that

Uni-Ter requested an advancement of half of L&C's 2008 annual budget for Uni-Ter for "this effort" with such advancement repayable from commissions earned by Uni-Ter.

- 146. Item 13 in the April 24, 2008 Minutes, attached hereto as **Exhibit 15**, references insolvency gap coverage of \$1 million. Then, item 11 of the December 2, 2009 Minutes, attached hereto as **Exhibit 16**, notes a renewal of insolvency gap coverage in the amount of \$2 million.
- 147. Item 4 in the December 10, 2008 Minutes, attached hereto as **Exhibit 17**, notes that, based on a request from the Nevada DOI, the Board ratified clarification amendments to the Oneida surplus notes.
- 148. Item 6 of the December 2, 2009 Minutes, attached hereto as **Exhibit 17**, notes a report on the current triennial examination by the Nevada DOI but does not state any more regarding said examination.
- 149. Item 5 of the May 21, 2010 Minutes, attached hereto as **Exhibit 18**, references the Board's review of results of the Nevada DOI triennial examination and approval of responses to the DOI. The Minutes do not explain or discuss the responses or any corrective actions that the Board may take. Those Minutes also approved the 2009 annual audited statements and report prepared by Johnson Lambert & Co. as well as the 2009 Milliman Report and calculation of "Profit Sharing bonuses."
- 150. The November 2010 Minutes, attached hereto as **Exhibit 19**, contain discussion of renewal of L&C's Management Agreement with Uni-Ter subject to noted revisions including a requirement of clarification of significant claims notice to the Board with settlement authority remaining with Uni-Ter.
- 151. The May 4-5, 2011 Minutes, attached hereto as **Exhibit 20**, approved the 2010 annual audited statements and report prepared by L&C's auditors, Johnson Lambert & Co.
- 152. The September 21, 2011 Minutes, attached hereto as **Exhibit 21**, contain in Item 7 a statement that the Board reviewed and approved a new underwriting philosophy. The Minutes do not say what the new underwriting philosophy was. However, a document dated 8/31/11 and entitled "Long Term Care Underwriting Philosophy & Strategic Direction" was part of the

directors' package for that meeting. The document lists specific requirements related to consideration of long term care facilities for coverage.

- 153. On October 5, 2011 the Board held a special meeting and approved capital contributions by shareholders Oneida, Eagle Healthcare, Pinnacle, Marquis, Elderwood, Rohm, and Uni-Ter in exchange for surplus notes. The action of the Board in lieu of a special meeting, attached hereto as **Exhibit 22** ("Action"), also noted that depending on the fourth quarter, the same parties other than Oneida would commit to an additional amount of \$550,000 in the fourth quarter of 2011 and first quarter of 2012 as the stated proportions (with Uni-Ter having 20/55 or 4/11 responsibility). The Minutes also noted approval of the new underwriting philosophy.
- 154. The minutes of the October 5, 2011 action by the Board demonstrate that the Board was well aware it was not receiving accurate and complete information from Uni-Ter as the Board requested "more frequent financial reporting to the Board **as discussed at the last meeting**, preferably monthly." (Emphasis added). The Board failed to comply with its fiduciary duties and failed to ensure that Uni-Ter did, in fact, provide more complete and accurate reporting of L&C's financial status.
- 155. Even with the bad financial news in early October, 2011, the Board was indifferent to its legal obligations and did not meet again until December 20, 2011, over two and a half months later. At that meeting, as reflected in the Minutes attached hereto as **Exhibit 23**, Uni-Ter reported that claims reserves may have increased by \$5 million from the November 2011 figures, *i.e.*, in one month.
- 156. In or around the latter part of 2011, William Fishlinger ("Fishlinger") was retained to provide claims review for L&C. Item 3 in the December 28, 2011 Minutes, attached hereto as **Exhibit 24**, states that the Board was advised regarding the schedule for Fishlinger's claims review commencing in the first full week of January 2012. Item 4 of those Minutes states that Uni-Ter's pro forma December 31, 2011 financials indicate that L&C is neither impaired nor insolvent and pending receipt of the Fishlinger review, Uni-Ter should process the current renewals. The Minutes also note that the Board's claims committee should have a conference call

with Fishlinger about his work and conclusions before the work is done to finalize his written report.

- 157. The Board failed to comply with its fiduciary duties regarding this information and took no action whatsoever to verify whether the information provided by Uni-Ter suggesting that L&C was "neither impaired nor insolvent" was accurate, despite numerous indications that information provided by Uni-Ter was inaccurate and incomplete.
- 158. At the January 16, 2012 meeting, the Minutes for which are attached hereto as **Exhibit 25**, the Board was told that capital and surplus was \$1,979,730 as of December 31, 2011. Thus, L&C's surplus dropped over \$2.5 million in one year.
- 159. The Minutes do not reflect any discussion of how that relates to the approximate \$5 million additional loss reserves noted at the December 20, 2011 meeting.
- 160. L&C's Nevada counsel was instructed to contact Nevada DOI regarding the "current inquiry." The Minutes do not say what the current inquiry was.
- on her conversations with the Nevada DOI. *See* Exhibit 26. The Minutes do not include the substance of those discussions. Item 3 states that the Board deferred approval of commutation of reinsurance for years 2005, 2006, 2008, and 2009 pending receipt from Uni-Ter of a report regarding outstanding claims for such periods. Item 5 states that the Board met in executive session to discuss issues involving potential additional capital.
- 162. Further, the minutes for the January 26, 2012 meeting stated that "Mr. Elsass presented a report on current claims activity in California and New York and discussions with the Corporation's actuaries and auditors." *Id.* The Board intentionally and knowingly failed to fulfill their fiduciary duties regarding this information took no action to verify that Mr. Elsass's report was accurate, despite clear indications that information provided by Mr. Elsass was incomplete and inaccurate.
- 163. At the February 2, 2012 meeting, the Minutes for which are attached hereto as **Exhibit 27**, the Board approved \$480,000 additional capital contributions in exchange for subordinated surplus notes on the same terms used in the fall of 2011. Elsass reported to the

Board "regarding recent favorable claims activity." The Minutes do not say what the alleged favorable claims activity was. The Board failed to comply with its fiduciary duties regarding this information and did not verify whether the report by Elsass regarding alleged "favorable claims activity" was accurate or complete.

- 164. Notwithstanding the dire financial issues, the Board continued to breach its fiduciary duties, including without limitation by not meeting again until April 30, 2012, almost three (3) months later. At the April 30, 2012 meeting, the Minutes for which are attached hereto as **Exhibit 28**, Item 1 provides that L&C's submissions to the Nevada DOI were approved, but do not explain what the submissions were.
- 165. There is no mention in the April 30, 2012 Minutes of the Milliman Report from April 12, 2012 stating that, as of the end of 2011, the company's loss reserves were \$1.4 million under what they need to be when using the mid-range number.
- 166. Item 5 of the May 14, 2012 Minutes, attached hereto as **Exhibit 29**, state that a Nevada DOI examination was scheduled, but do not explain this matter further.
- 167. The Board did not meet for another two and a half (2 ½) months regarding the financial conditions of L&C. The Board met telephonically on June 6, 2012, the Minutes for which are attached hereto as **Exhibit 30**, but the only business noted was the approval of reinsurance. There is no entry regarding a discussion of the financial status of L&C.
- 168. In fact, despite the clear indications that Uni-Ter and U.S. RE were providing inaccurate and/or incomplete information to L&C, the minutes of the June 6, 2012 Board meeting state that the Board approved the renewal of L&C's reinsurance "[f]ollowing a presentation by USRE [sic]". *Id.* There is no indication whatsoever regarding any measures taken by the Board to verify the information provided by Uni-Ter and/or U.S. RE.
- 169. At the July 25, 2012 meeting, the Minutes for which are attached hereto as **Exhibit**31, Uni-Ter and U.S. RE presented a report of second quarter financial results in which a significant increase in loss reserves was reported. The Board then discussed possible courses of action. The Board requested that Uni-Ter contact Fishlinger to conduct an independent roll forward of its last claims reserve review preferably by August 7, 2012. The Board also resolved

that the preliminary second quarter results not be filed until the Fishlinger review is done and that the results should be approved by the Board before filing. Finally, the Minutes noted that no new business should be written by L&C and no capital raised until further notice, but that renewals may be processed until notice otherwise.

- 170. The August 15, 2012 was the last meeting Elsass and Uni-Ter or U.S. RE attended. At that meeting, the Board discussed the filing with the Nevada DOI of financial information with notice of further deterioration of L&C's finances.
- 171. At the August 22, 2012 meeting, Minutes for which are attached hereto as **Exhibit** 32, L&C's counsel reported on recent discussions with Uni-Ter and U.S. RE. Uni-Ter personnel were not present at the meeting.
- 172. The Board held a telephonic meeting on September 24, 2012, the Minutes for which are attached hereto as **Exhibit 33**. The Board's failure to inform itself of the basic financial condition of the Company, as required by its fiduciary duties, was made clear as the Board tacitly acknowledged it was not aware whether the Company was financially solvent at that time, resolving that "a request be made to the Nevada Division [sic] of Insurance that the Corporation be placed in rehabilitation, in view of the fact that the Corporation **is or may be** insolvent." *Id.* (emphasis added).

F. Information Available to the Officers and Directors

- 173. Substantial financial information regarding L&C was available to the Board of which the Board intentionally and knowingly failed to fulfill their fiduciary duties to properly inform themselves and understand.
- 174. Among this available information was the Annual Statement of L&C for the year ending December 31, 2006, attached hereto as **Exhibit 34**, which was submitted to the Nevada DOI contains L&C's financial statement for 2006. The Notes to Financial Statements (pages 14-14.3) include the reinsurance in place (note 23) as well as the change of incurred losses and LAE (note 25). The Quarterly Statement for L&C for the first quarter of 2007, attached hereto as **Exhibit 35**, has similar notes.

175. Sophia Palmer 2007 board Minutes were very similar to L&C board Minutes. Uni-Ter was the underwriter for Sophia Palmer as well.

176. L&C's Internal Unaudited Financial Statements as of December 31, 2007, attached hereto as **Exhibit 36**, states that unpaid losses and loss expenses were \$578,000 in 2004, \$1,142,000 in 2005, \$2,636,000 in 2006, and \$3,013,000 in 2007. This is a growth of over 500% in only four (4) years.

177. Uni-Ter's management fees grew from nothing in 2004, to \$120,000 in 2005, to \$126,000 in 2006, to \$760,000 in 2007. Between 2005 and 2007, this is a growth of 633% in three years.

178. The information provided to the directors of L&C for the April 2008 and May 2010 Board meetings included the following financial information for L&C across the years of 2004 to 2009:

Policy Year	Written	Earned	Paid Losses	Reserves	Totals	Loss Ratio
	Premium	Premium			Incurred	
2004	\$1,344,358	\$1,344,358	\$223,232	\$	\$208,232	15.49%
2005	\$3,124,474	\$3,124,474	\$745,466	\$80,720	\$782,438	24.23%
2006	\$5,821,739	\$5,821,739	\$1,311,965	\$477,775	\$1,751,740	30.64%

179. The Board wholly failed to comply with its fiduciary duties in informing itself of the reasons behind the dangerous financial status of the company or in taking timely, corrective action.

180. Further, L&C's Summary Balance Sheet as of December 31, 2008, attached hereto as **Exhibit 37**, states that while unpaid losses and loss expenses grew from \$3,013,000 to \$3,941,000 between 2007 and 2008, Uni-Ter's management fees went from \$760,312 in 2007 to \$1,372,915 in 2008.

181. L&C's Internal Unaudited Financial Statements as of December 31, 2009, attached hereto as **Exhibit 38**, state that unpaid losses and loss expenses jumped to \$6,255,488 in 2009 from \$3,941,000 in 2008. Uni-Ter's management fees jumped to \$1,717,482 for 2009 from \$1,372,915 in 2008.

182. The 2009 Milliman Report, which supports the corresponding Statement of Actuarial Opinion attached hereto as **Exhibit 39**, states that the existing risk factors, "coupled with the variability that is inherent in any estimate of unpaid loss and loss adjustment expense obligations, could result in material adverse deviation from the carried net reserve amounts." The Milliman Report concludes that L&C's actual net outstanding losses and loss adjustment expense ("LAE") exceed L&C's reserves for unpaid losses (\$5,021,810) and unpaid LAE (\$1,233,678) by an amount of more than 5% of L&C's statutory surplus shown on the annual statement, which was \$4,031,349. The Milliman Report also states that this materiality standard was selected based on the fact that his opinion was prepared for regulatory review. Further, the corresponding Statement of Actuarial Opinion provides that it is reliant on "data and related information prepared by [L&C]" and that "[t]here are a variety of risk factors that expose [L&C's] reserves to significant variability." *Id*.

- 183. The information provided to the directors of L&C for the May 2010 Board meeting state that Sophia Palmer merged with L&C as of December 3, 2009, and that the written premiums were \$8,340,000 for 2008 and \$10,705,000 for 2009.
- 184. In or around October 2010, Elsass, Larry Shatoff at U.S. RE, Donna Dalton, John Klaus at Uni-Ter, Curtis Sitterson at Stearns Weaver, and Jim Murphy at the accounting firm Johnson Lambert & Co., through email correspondence, made the decision to record the twenty-five percent (25%) refund payment, in the amount of \$569,600, from the commutation of the January 1, 2008 to April 1, 2009 reinsurance treaty.
- 185. Mr. Shatoff stated in said email correspondence that the April 1, 2004 to December 31, 2004 treaty was commuted, the January 1, 2007 to December 31, 2007 treaty was commuted, and the January 1, 2005 to December 31, 2006 treaty was "swing rated" and had been adjusted to the minimum premium. Regarding the January 1, 2008 to April 1, 2009 reinsurance

treaty, Mr. Shatoff said that it covers all claims reported on occurrence policies up to April 1, 2012. Mr. Shatoff further stated that L&C was subject to a 13% aggregate deductible for an amount of \$1,690,673, and that L&C had paid reinsurance premiums of \$2,278,400, which at a 25% refund rate would result in a refund of \$569,600 if no claims were paid by the reinsurers. Further, Mr. Shatoff's communications state that there had been no losses reported under that treaty. Mr. Shatoff noted that L&C could commute at any time before January 1, 2013 to obtain the "profit commission" - how he referred to the 25% refund.

- 186. Mr. Shatoff encouraged L&C to commute that treaty to ensure that seventy-five percent (75%) of premiums paid could be confirmed as received by the reinsurers with confirmation that no claims or losses would be paid by them.
- 187. Elsass directed that the refund for the commutation of the January 1, 2008 to April 1, 2009 reinsurance treaty be recorded at that time in the third quarter of 2010.
- 188. Mr. Shatoff noted that it would be too soon to record any "profit commission" on the April 1, 2009 to April 1, 2010 treaty because the premium for those policies would not be fully earned until April 1, 2011.
- 189. The Milliman Report stated that L&C reserves were \$600,000 \$628,000 above the Medium Estimate, but about \$650,000 below the High Estimate. That report also noted that L&C started to write occurrence policies in the fourth quarter of 2008.
 - 190. More than half of the policies written by Sophia Palmer were occurrence policies.
- 191. The Milliman Report stated that the loss development for occurrence policies is relatively immature at the current evaluation and that caused uncertainty in the loss estimates.
- 192. Further, the 2010 Milliman Report opined that the existing risk factors "coupled with the variability that is inherent in any estimate of unpaid loss and loss adjustment expense obligations, could result in material adverse deviation from the carried net reserve amounts." He concluded that based on the calculation shown in Exhibit B that shows that L&C's actual net outstanding losses and LAE exceed L&C's reserves for unpaid losses (\$7,353,289) and unpaid LAE (\$1,798,188) by an amount of more than five percent (5%) of L&C's statutory surplus shown on the annual statement, which was \$4,579,710. The 2010 Milliman Report states that this

materiality standard was selected based on the fact that his opinion was prepared for regulatory review.

Meeting included a report from Brian Stiefel, President of Praxis, which was the September 2011 Praxis Report. The Praxis Report provides that Uni-Ter has adopted a new reserve philosophy, is revising its litigation management guidelines to reflect a more aggressive approach to the litigation process, and that standardizing the claims documentation, evaluation, and reporting process is recommended. The Praxis Report does not evaluate the level of L&C's loss reserves. *See* Exhibit 6 hereto.

194. The information provided to the directors for the September 2011 Board meeting also contains a power point presentation from Milliman which shows that L&C steadily decreased its reinsurance deductible across the years 2008 to 2011, demonstrating that L&C's reinsurance deductible was set too high, especially in years 2009 and 2010.

195. In or around December 19, 2011, Milliman provided a preliminary draft of certain schedules to its actuarial reports ("2011 Milliman Schedules"). The Schedules provide that as of November 30, 2011, L&C's Incurred Loss & ALAE for years 2004 through November 2011 was \$17,858,866. That same exhibit states that Paid Loss & ALAE for those same dates was a total of \$11,208,076. The exhibit states that L&C's Paid Loss & ALAE was \$2,230,000.00 for 2009 and \$2,440,000.00 for 2010 but only \$198,711.00 for 2011 through November.

Statement"), attached as **Exhibit 40**, stated a drastic increase in incurred losses and LAE and a significant drop in shareholder's surplus. Pursuant to that statement, reserves for losses and LAE increased from a total of \$9,181,477 at the end of 2010 to \$14,026,020 at the end of 2011, almost a \$5 million increase. Note 24 to L&C's 2011 Financial Statements (which is presented below) stated that unpaid losses and LAE increased from \$9,153,000 at the beginning of 2011 to \$14,843,000 at the end of 2011, a \$5,700,000 increase. Meanwhile, the company's policyholder's surplus amount decreased from \$4,579,710 at the end of 2010 to \$3,625,317 at the end of 2011.

18	198.	Notwithstanding this informati	on, the Board represented in Note 14 at page 14.2		
19	that "[T]he Company's management is not aware of any ongoing litigation which would,

22	Id.				
23	199.	On February 2, 2012, Millimar	provided a preliminary draft of certain schedules		
24	to its actuarial reports ("2012 Milliman Schedules"). Exhibit 1 Page 2 states that, as of December				
25	30, 2011, L&C's Discounted Net Loss & LAE Reserve (after Ceded Loss and LAE Reserve) was				
26	Low Estimat	te of \$13,019,000, Central Es	timate of \$14,973,000, and High Estimate of		

\$18,635,000. Exhibit 3 of that document shows that Incurred Loss and ALAE had grown

substantially from 2005 (\$373,816) to 2010 (\$9,068,552) while showing estimated reserves only

27

growing to \$4,048,241. It also shows that for 2011, Ultimate Loss & ALAE was \$7,620,000 and Incurred Loss & ALAE was \$5,744,385, but estimate reserves was only \$5,938,479, which is over \$1.6 million less than the Ultimate Loss & ALAE.

200. The 2011 Milliman Report, attached hereto as **Exhibit 41**, in the section entitled "Risk of Material Adverse Deviation", provides that "[t]he Company's carried reserves are within a reasonable range, however other points within the reasonable range would cause surplus to be below zero. Therefore I believe that there are significant risks and uncertainties that could result in material adverse deviation in the loss and loss adjustment expense reserves, possibly by amounts exceeding surplus." The report again provides that the current risk factors, "coupled with the variability that is inherent in any estimate of unpaid loss and loss adjustment expense obligations, could result in material adverse deviation from the carried net reserve amounts." The report concluded that based on the calculation shown in Exhibit B that shows that L&C's actual net outstanding losses and LAE exceed L&C's reserves for unpaid losses (\$11,766,924) and unpaid LAE (\$2,259,096) by an amount of more than five percent (5%) of L&C's statutory surplus shown on the annual statement, which was \$3,625,316. The report states that this materiality standard was selected based on the fact that his opinion was prepared for regulatory review.

- 201. Further, in the Notes to Financial Statements for Years Ended December 31, 2011 and 2010 ("2011 Notes"), the management of L&C stated Uni-Ter "believes that its aggregate provision for losses and loss adjustment expenses is reasonable and adequate to meet the ultimate net cost of covered losses...". The Board failed to comply with its fiduciary duties with respect to this information it was receiving concerning Uni-Ter's opinions and failed to take any action to verify that this information was complete or accurate.
- 202. The 2011 Notes also provide that "[a]t December 31, 2011 and 2010, management determined that no premium deficiency reserve was required." The Board failed to comply with its fiduciary duties with respect to this information it was receiving concerning Uni-Ter's opinions and failed to take any action to verify that this information was complete or accurate.
 - 203. Further, the 2011 Notes state that was a party to various lawsuits "in the normal

course of business" but that "[t]he Company's management does not believe that any ongoing litigation would, individually or collectively, result in judgments for amounts, after considering the established loss reserves and reinsurance, that would be material to the Company's financial condition or results of operations." The Board failed to comply with its fiduciary duties with respect to this information it was receiving concerning Uni-Ter's opinions and failed to take any action to verify that this information was complete or accurate.

204. L&C's "NAIC Property and Casualty Financial Ratio Results for 2011", attached hereto as **Exhibit 42**, painted a very bleak picture of the L&C. It has a date stamp of 2/23/2012. It states that Direct Premiums Written in 2011 totaled \$10,224,774. It states that Net Premiums Written for 2011 were \$8,997,524 which was a 25% drop from Net Premiums Written in 2010 of \$11,946,738. It states that Losses and LAE incurred for 2011 totaled \$12,759,779 when Losses and LAE incurred for 2010 totaled \$8,183,816, about \$4.6 million less. It states that surplus for 2011 was \$3,625,316 when the surplus for 2010 was \$4,579,709, almost a million drop. Finally, it states that L&C's estimated current reserve deficiency was -\$752,997.5.

205. A spreadsheet entitled "Inforce (sic) Policies as of 2.23.2012" lists such policies. It states at the bottom that the total premium amount for such in force policies was \$6,825,864.

206. A spreadsheet document dated February 2012 and entitled "L&C Loss Ratio Report" shows a substantial reduction of loss payments for 2011. The document states that the information is through 02/29/2012, but says that earned premium for 2011 dropped to \$5,209,362 from \$12,798,406 in 2010 and \$11,776,406 in 2009. It also shows that earned premium was only \$240,573 through February which, extrapolated through December, would be only \$1,443,438. Meanwhile, total incurred losses for 2011 were only \$1,573,965 even though total incurred losses were almost \$9.5 million in 2010 and almost \$8 million in 2009.

207. The loss ratios shown for 2006 through 2010 were 78.92%, 65.33%, 67.83%, and 73.59%, respectively. The loss ratio chart in the April 2008 Board meeting directors' package states that the 2006 loss ratio was only 25.25% and the 2007 loss ratio was stated to be only 22.41%. The loss ratio for 2011 was only 30.21%. Paid losses in all of 2011 were only \$264,000

even though those were almost \$5 million in 2010, \$5.4 million in 2009, and over \$3.5 million in 2008.

208. L&C's Summary Balance Sheet as of February 29, 2012, attached hereto as **Exhibit 43**, states that unpaid losses and loss expenses were \$14,026,019 at the end of 2011 and grew to \$14,607,812 as of the end of February 2012. Uni-Ter's management fees for 2011 were only \$87,617.

209. L&C's Comparative Summary Balance Sheet dated through March 2012, attached as **Exhibit 44**, shows the growth of L&C's losses and Uni-Ter's fees. Unpaid losses and LAE was \$3,624,000 as of March 2008, \$4,325,000 as of March 2009, \$7,313,000 as of March 2010, \$9,953,000 as of March 2011, and \$12, 381,985 as of March 2012. Uni-Ter's management fees were \$728,000 as of March 2008, \$1,329,000 as of March 2009, \$1,607,000 as of March 2010, \$830,000 as of March 2011, and \$104,000 as of March 2012.

210. The 2012 Milliman Report states that L&C reserves of \$16,333,000 were \$1,367,000 below the Central Estimate of what L&C's loss reserves should be. The report states that L&C's reserves were over \$7 million below the High Estimate of what L&C's reserves should be. There is no mention of the report in the Board Minutes. The report states as follows:

The ultimate loss and ALAE estimates have increased significantly since the prior report as of December 31, 2010. Through report/accident/tail effective year 2010, the selected ultimate loss and ALAE estimates have increased by \$9.2 million. Claims-made nursing home paid and incurred losses have been higher than expected during the past year due to significantly inadequate case reserves at December 31, 2010 and exceptionally high loss ratios that were generated by three insureds that were non-renewed during 2011. . . . (emphasis added)

Finally, the report states in Table 3 on page 12 that the continuing Ultimate Loss & ALAE as of the report at end of 2010 was \$13,863,000 but the Ultimate Loss & ALAE as of the report at the end of 2011 was \$19,229,000 for a \$5.5 million increase.

211. In the D&O policy application submitted by Uni-Ter on behalf of L&C on or about May 23, 2012, attached as **Exhibit 45**, Uni-Ter stated in the supplement that "[t]o improve the financial stability of [L&C], UUMC has reviewed the entire book of business and intends to only renew accounts that have maintained a favorable historical loss ratio. This may result in a 35-40% reduction in its premium volume." The underwriting philosophy change completed in

late 2011, while stating limitations for loss ratios in soft and hard market facilities, does not state that the policy would apply to renewals and also does not discuss the loss of such a large premium amount. This reduction would apply to the \$6,825,864 total premiums of inforce policies as of February 2012. With no new policies, that would result in total premiums for 2012 in the range of \$4,095,518 to \$4,436,800.

212. The following chart shows relevant information from L&C's Audited Financial Statements for the periods indicated:

213. As of July 31, 2012, L&C's Gross Losses and LAE was \$14,786,000. As of the end of September 2012, losses and LAE totaled \$13,609,401 and surplus was negative \$1,490,085. Cash and invested assets had dropped to \$6.6 million.

214. Beginning in the 3rd quarter of 2011, adverse development on claims incurred during 2009 began to appear in the financial operations of L&C. As a result, Uni-Ter (captive manager) began to get more involved in claims and reserves. In a unilateral decision, Uni-Ter brought in Praxis Claims Consulting to assist with improving the reserve setting process. The engagement involved reviewing various open claims files. The owner of Praxis, Brian Stiefel took a lead role in setting reserves for L&C with Uni-Ter. As a result of this engagement, a strengthening of reserves was recommended and booked in the amount of approximately \$2.2 million.

215. Due to the strengthening entry, and the resulting downturn in the financial condition of L&C, additional capital of \$2,220,000 was raised in the form of surplus notes.

216. In the October 5, 2011 Action by Unanimous Consent of the Board of Directors ("Action") surplus note contributions were agreed to be paid by November 15, 2011:

0	Oneida Bank	\$750,000
0	Eagle Healthcare	\$220,000
0	Pinnacle Healthcare	\$220,000
0	Marquis Companies	\$220,000
0	Elderwood Senior Care	\$220,000
0	Rohm Services	\$220,000
0	Uni-Ter	\$300,000

217. The Action indicated that an additional \$550,000 in capital could be raised in additional surplus notes, "depending upon the requirements of the business in the fourth quarter, 2011, as approved by the Board". The following commitments were funded in the form of Surplus Notes on February 7, 2012:

0	Eagle Healthcare	\$70,000
0	Pinnacle Healthcare	\$70,000
0	Marquis Companies	\$70,000
0	Elderwood Senior Care	\$70,000
0	Rohm Services	\$70,000
0	Uni-Ter	\$200,000

- Stickels is the President of Oneida Bank.
- 220. Prior to the second commitment coming due in the first quarter of 2012, the Board determined that they wanted a second review to confirm the conclusion of the reserve strengthening in late 2011. Fishlinger was hired to conduct an independent analysis of the same claims reviewed by Praxis.
- 221. Using the low end of the ranges of reserves established by Praxis, Fishlinger concluded a low end of strengthening could be approximately a million dollars less than determined by Praxis. Although the Board had requested that Fishlinger conduct its review independently, ultimately it used the work of Praxis in coming to a similar conclusion on the reserve strengthening needed. Based on these two reviews, the additional capitalization of \$480,000 was determined to be adequate by the Board.
- 222. At the end of the second quarter of 2012, the Board assumed that the reserving methodology established under Praxis had continued to be deployed. The Board determined that a follow up review was necessary. Praxis completed their review in July of 2012, involving review of the same estimated 150 claims reviewed at year end 2011. Praxis recommended stepping up of reserves in the cases previously reviewed and indicated that trouble getting case reserve information from attorneys had been one cause of the continued adverse development of these claims. Praxis concluded an additional \$2 million in strengthening was required at July 2012.
- 223. Fishlinger was also brought in for a second review, which ultimately concluded some differences on the low and high end of the ranges for these cases, but ultimately recommended similar cumulative reserve strengthening. An additional party also reviewed the case reserves, the London Based reinsurance broker ("London Broker") for U.S. RE, the reinsurance broker for L&C. The Board and Uni-Ter thought that they would have a vested interest in picking accurate reserves because of the reinsurance that the London broker had placed for L&C with various reinsurers. The London Broker determined that it would be comfortable in the low end of the ranges for many of the cases.

224. Milliman, L&C's opining actuary, booked its estimate of reserves at 6/30 and 12/31 of each year, based on its own analysis. During its June 30, 2012 analysis, Milliman determined that L&C would most likely need to increase premium rates by 12-20% on its current book of business to remain a viable entity. This does not include capital needed to raise the current level to minimum requirements. Milliman also estimated that \$6,000,000 - \$6,500,000 million in capital would need to be raised in order to result in \$3.6 million of unimpaired capital.

G. <u>The Board's Breaches of Their Fiduciary Duties Involving Intentional Misconduct and Knowing Violations of the Law.</u>

1. Legal and Contractual Obligations of the Board.

- 225. The former members of the Board, with the exception of Barbara Lumpkin who is deceased, all held positions on the Board by 2006: Jeff Marshall and Mark Garber held positions on the Board throughout the life of L&C from 2003 through 2012; both Robert Hurlbut and Eric Stickels took positions on the Board beginning in 2005 and remained on the Board through 2012. In 2006, Robert Chur, Steve Fogg, and Carol Harter joined the Board and served through 2012. Finally, Barbara Lumpkin joined the Board in May of 2009.
- 226. As used herein, the terms "Board", "Director Defendants", "Directors", refers to each member's tenure on the Board, and includes only the times said individuals served as a director.
- 227. Further, Marshall, Garber and Stickels were officers of L&C throughout their tenure on the Board.
- 228. The Board's responsibilities included, without limitation, reviewing and approving quarterly financial information of the Company, ultimate authority to direct the operations of L&C, approve defense counsel, binding of all reinsurance treaties including endorsements and commutations, and to comply with all relevant obligations under the Management Agreements and applicable law, including NRS 681A.120 with which the Board knowingly failed to comply.
- 229. As part of their responsibilities, the Board had access to all financial information of the Company at all relevant times.

- 230. In addition, upon their entry on the Board, the Board members were aware of all formation documents of L&C, and were familiar with the contents thereof.
- 231. The Articles of Incorporation of L&C ("Articles") provide that "the corporation shall not carry on any business or exercise any power in any state, territory, or country which under the laws thereof the corporation may not lawfully carry on or exercise."
- 232. In addition, the Bylaws of L&C ("Bylaws") make clear that "[t]he business and affairs of the corporation shall be managed by the Board of Directors of the corporation."
- 233. Under Nevada law, the power to carry out the purposes and objects of the corporate charter are vested fully in the board of directors. NRS 78.120(1), states that "[s]ubject only to such limitations as may be provided by this chapter, or the articles of incorporation of the corporation, the board of directors has full control over the affairs of the corporation."
- 234. Under Nevada law, this creates non-delegable fiduciary duties for the board of a company to, without limitation, act in good faith, on an informed basis, with a view to the interests of the company.
- 235. At all relevant times, all defendants, including the Director Defendants, knew of these requirements under the Articles, Bylaws, and Nevada law.
- 236. All defendants, including the Director Defendants, knew of these requirements under the Management Agreements at all relevant times.
- 237. The Articles of L&C provide that the nature of the business of L&C is to "engage in every aspect of casualty insurance business and risk management business as it relates to long term care facilities, to the extent permitted and in accordance with the Captive Laws of the State of Nevada and The Federal Risk Retention Act of 1986, as amended from time to time."
- 238. In addition to Nevada law and the formative documents of the Company, the Management Agreements set forth multiple requirements by which the Board, as well as Uni-Ter and U.S. RE, were required to abide.
- 239. Many of the requirements under the Management Agreements were violated by the Board and Uni-Ter, constituting a breach of fiduciary duty by both the Board and Uni-Ter involving intentional and knowing misconduct.

- 240. For example, the Management Agreements provided that Uni-Ter shall "perform the investigation, settlement and payment of each and all claims, and to collect deductibles due and salvage or subrogation." The amount of the deductible was set at \$5,000.00.
- 241. The Board knew that Uni-Ter was not properly collecting deductibles on all claims that were reported and settled on behalf of L&C, and yet failed to require Uni-Ter to adhere to its legal obligations, which personally benefitted many Board members who knew that their respective facilities had claims for which no deductible were paid. As a result, the Board engaged in intentional and knowing misconduct by deliberately allowing Uni-Ter to not collect deductibles as required under the Management Agreements.
- 242. The 2004 Management Agreement provided that Uni-Ter "will identify defense counsel by state, and will review the qualifications with L&C and obtain the approval of L&C before engaging defense counsel and such review shall be on periodic basis."
- 243. The Board knew that Uni-Ter was not properly obtaining the approval of the Board before engaging defense counsel, including without limitation as set forth herein. Despite this, the Board did not require that Uni-Ter to obtain approval by the Board before retaining defense counsel. As a result, the Board engaged in intentional and knowing misconduct by deliberately failing to perform its crucial role concerning the important duty of approving defense counsel as provided in the 2004 Management Agreement.
- 244. The 2004 Management Agreement provided that Uni-Ter "shall prepare and forward to L&C on a monthly basis, within twenty (20) calendar days of the end of each calendar month, a complete set of financial statements prepared in accordance with Generally Accepted Accounting Principles (GAAP) basis to include: a. Operating Statement, b. Balance Sheet, c. Policies written for the month, d. Claims incurred for the month, e. Accounts receivable summary, f. Summary report of all claims, reserves and losses."
- 245. The Board knew that from 2004 through 2010, Uni-Ter failed to provide proper monthly reporting as required, and yet the Board did not require Uni-Ter comply with the reporting requirements of the 2004 Management Agreement. As a result, the Board engaged in intentional and knowing misconduct by failing to require Uni-Ter provide all monthly reports

from Uni-Ter so that the Board could perform its critical obligation of reviewing monthly financial statements to promote and protect the interests of L&C.

- 246. The Management Agreements provided that Uni-Ter shall "comply fully with, timely and promptly with all manuals, rules, guidelines, instructions and directions issued in writing by L&C relating to business covered by this Agreement as well as to comply with all state and federal rules, regulations, and statutes including those relating to privacy & confidentiality for all L&C business covered hereby."
- 247. The Board knew that Uni-Ter was not fully complying with state and federal rules, regulations, and statutes as more fully described herein, but failed to insist that Uni-Ter comply with its crucial legal duties. The deliberate failure of the Board to require that Uni-Ter comply with state and federal rules, regulations, and statutes that it knew were being violated by Uni-Ter constitutes intentional and knowing misconduct by the Board.
- 248. All defendants, including the Director Defendants, knew of these requirements under the Management Agreements at all relevant times.
- 249. In addition, the U.S. RE Agreement acknowledged that U.S. RE would "comply with applicable State Insurance Laws" and with "the provisions of the State Insurance Codes, Rules and Regulations governing reinsurance intermediaries/brokers."
- 250. The Board knew that U.S. RE was not fully complying with applicable state insurance law, as well as the provision of state insurance codes, rules and regulations governing reinsurance intermediaries/brokers, but failed to insist that Uni-Ter comply with its crucial legal duties. The deliberate failure of the Board to require that U.S. RE comply with state and federal rules, regulations, and statutes that it knew were being violated by U.S. RE constitutes intentional and knowing misconduct by the Board.
 - 2. Red Flags proving the Board knew reliance on Uni-Ter or U.S. RE was unwarranted.
 - a. Conflicts of interest

251. From the inception of L&C, and through its existence, the Board knew of numerous facts and circumstances which caused reliance by the Board on Uni-Ter or U.S. RE to be unwarranted. Some of these facts and circumstances, without limitation, are set forth herein. Collectively, these facts and circumstances, as well as others brought forth in discovery or otherwise, shall be referred to herein as "Red Flags."

252. As an example, in an offering memorandum prepared in 2003 ("2003 Offering Memorandum") and which the Board members reviewed, stated specifically that there were "various conflicts of interest" arising out of the Company's relationship with Uni-Ter and U.S. RE which made reliance on Uni-Ter or U.S. RE unwarranted ("Conflicts of Interest"). This include without limitation, the following from a section of the 2003 Offering Memorandum entitled "Conflicts of Interest":

Uni-Ter and U.S. RE as Affiliates

Although the Company is relying on Uni-Ter for administrative and underwriting services, U.S. RE, the parent of Uni-Ter, will be engaged by the Company as reinsurance broker and consultant for a seven year period (with an additional seven year renewal option). U.S. RE also owns a minority beneficial interest in a wholesale age ncy that may produce insurance business for the Company on a nonexclusive basis. Given the interlocking directorates, management, and ownership of each of these related entities, there will be on-going conflicts of interests between the management of these entities. For example, the interlocking management creates risk that Uni-Ter will not review the activities of its affiliates providing services to the Company as diligently as it might review the activities of an independent third party.

- 253. The 2003 Offering Memorandum spelled out that the minimum statutory capitalization required in Nevada was \$500,000, "and such further capitalization as may be required by the DOI."
- 254. The 2003 Offering Memorandum noted that with organizational expenses of \$250,000, the minimum capitalization under Nevada law was \$750,000.
- 255. In addition, the 2003 Offering Memorandum specifically stated that if L&C experienced substantial adverse claims and its surplus was depleted below the required minimum surplus amounts, L&C would lose its ability to continue writing insurance.

- 256. The 2003 Offering Memorandum also noted that [t]he Company's insurance business will be administered by Uni-Ter pursuant to the Management Agreement, subject to the control and supervision of the Board of the Directors." In addition, the memorandum noted that "[u]ltimate responsibility for management of the Company will be vested in the Board of Directors."
- 257. The 2003 Offering Memorandum acknowledged that "[s]pecific underwriting rules" were "subject to Nevada DOI approval.".
- 258. The 2003 Offering Memorandum also noted that L&C would be "subject to regulation by the Nevada DOI under Nevada's insurance statutes and regulations" and that "[s]uch statutes, among other things, ... prescribe solvency standards that must be met and maintained and require the Company to maintain reserves for losses, loss adjustment expenses and unearned premium."
- 259. The 2003 Offering Memorandum also stated that the Company would "rely on the management of Uni-Ter for administrative and underwriting consulting services" but that "Uni-Ter was only recently formed and has limited operating history..."
- 260. A subsequent offering memorandum prepared in or around 2008 ("2008 Offering Memorandum") also contained the same information regarding conflicts of interest inherent in the structure of Uni-Ter and U.S. RE.
- 261. The Board reviewed the 2003 Offering Memorandum and 2008 Offering Memorandum and knew of the pertinent information contained therein at all relevant times herein.

b. Lack of qualifications of Uni-Ter and U.S. RE

262. The Board knew that the President and Chief Executive Officer of Uni-Ter, Sanford Elsass ("Elsass"), lacked education, training, and experience running an insurance company, particularly with regard to managing claims and setting reserves, and that his prior experience in the insurance industry was in the area of insurance sales, marketing, brokering, and investment banking.

263. The Board was also aware that the Chief Financial Officer of Uni-Ter, Donna Dalton ("Dalton"), lacked education, training, and experience running an insurance company, particularly with regard to managing claims and setting reserves, and that her prior experience in the insurance industry was as an accounting manager.

264. As a result, at all relevant times the Board had knowledge concerning the matters set forth herein, including without limitation that Elsass or Dalton could not competently manage an insurance company, particularly with regard to managing claims and setting reserves, which made any reliance by the Board upon Uni-Ter with regard to information, opinions, reports, books of account or statements, including financial statements and other financial data that was prepared by, or at the request of, Uni-Ter and provided to the Board, unwarranted.

265. In addition, the Board could not reasonably rely, and knew reliance was unwarranted, with respect to U.S. RE as it was not properly licensed, and the Board knew this at all relevant times.

266. The Board could not reasonably rely, and knew reliance was unwarranted, with respect to Uni-Ter as it had reason to suspect Uni-Ter of mismanagement and/or wrongdoing at all relevant times herein.

267. The Board could not reasonably rely, and knew reliance was unwarranted, with respect to Curtis Sitterson at any time herein, as he was not properly licensed to practice law in Nevada, and the Board knew this at all relevant times herein.

268. Further, the Director Defendants could not reasonably rely, and knew reliance was unwarranted, with respect to each of the other Director Defendants themselves, because they lacked the experience, knowledge, training and education to run an insurance company, obtain reinsurance, or otherwise operate L&C.

c. Knowledge of inaccurate or incomplete financial information

269. Further, at all relevant times, the Board had knowledge concerning the matters in question set forth herein, including without limitation that the information, opinions, reports, books of account or statements, including financial statements or other financial data, provided to the Board by other directors, officers or employees of the Company, or, without limitation,

counsel, public accountants, financial advisors, valuation advisors, investments bankers, actuaries, auditors, attorneys, or other persons, was based upon financial and/or other information provided to said persons by Uni-Ter or U.S. RE, and that therefore reliance on said information was unwarranted.

- 270. This includes, without limitation, Milliman, Johnson Lambert, Praxis, and Fishlinger.
- 271. Specifically, and without limitation, the reports and additional documentation provided to the Board by its accountants, auditors, and others noted that it was prepared in reliance on data and other information provided by Uni-Ter and/or U.S. RE, which information had not been verified, and that therefore if the underlying data or information provided by Uni-Ter was inaccurate or incomplete, the results prepared by the accountants, auditors, and others would likelwise be inaccurate or incomplete.

d. Failure to comply with obligations under the Management Agreements

- 272. Further, the Board was well aware that Uni-Ter was otherwise failing to fulfill its obligations to the Company. For example, and without limitation, at the March 9, 2005 L&C Board of Directors Meeting, the Board was presented with a marketing and advertising plan, which was approved by the Board subject to specific action items and timelines.
- 273. Uni-Ter failed to follow through on the plan, including neglecting to provide periodic marketing reports as promised, as well as not contacting state associations on which L&C had spent substantial sums for membership, among other things.
- 274. The Board knew of Uni-Ter's failures under the Management Agreements, and as a result, the Board's reliance upon Uni-Ter with regard to information, opinions, reports, books of account or statements, including financial statements and other financial data that was prepared by Uni-Ter, or prepared by others based upon information provided by Uni-Ter, was unwarranted.

e. Henry Hudson Merger

275. Further, the first merger involving L&C between Henry Hudson and L&C and took place on April 4, 2005 ("Henry Hudson Merger"). At the time, the Board was told by Uni-

Ter that the merger with Henry Hudson would financially benefit L&C, yet by the end of 2006, L&C had sustained a net loss of approximately \$494,544 as a result of the merger.

- 276. The Board later learned that Henry Hudson's primary insured, HCFA, had been in financial and legal trouble at the time of the merger, and that it was sued by the State of New York right after the merger for Medicaid fraud in 2006, and ultimately went bankrupt.
- 277. As a result of this and other information the Board learned following the Henry Hudson merger, the Board knew that Uni-Ter offered advice with self-interested motives at the expense of L&C, and therefore the Board's reliance upon Uni-Ter with regard to information, opinions, reports, books of account or statements, including financial statements and other financial data that was prepared by Uni-Ter and provided to the Board, or prepared by others with information provided by Uni-Ter, was thereafter unwarranted.

f. Uni-Ter fires L&C's auditors

- 278. On May 29, 2007, Marcum & Kliegman sent a letter to the Board informing them of "material weaknesses in the Company's system of internal control over financial reporting." The May 29, 2007 letter was hidden from the Board by Uni-Ter; however, Uni-Ter knew it would not be able to hide this information from the Board should it appear in Marcum and Kleigman's year-end financial report.
- 279. On December 4, 2007, Uni-Ter replaced Marcum & Kliegman with Johnson & Lambert to prepare L&C's 2007 year-end financial statements. Uni-Ter did not consult with the Board prior to making the decision, and the Board only learned of the change months after it had happened. Despite this, Uni-Ter told the Nevada Department of Insurance in a December 17, 2007 letter that "the Board of Directors of Lewis & Clark LTC Risk Retention Group, Inc., (the Company) has dismissed the auditor, Marcum & Kliegman LLP, effective December 4, 2007."
- 280. The Board learned shortly thereafter that Uni-Ter had terminated L&C's auditor without approval from the Board.
- 281. The very fact that Uni-Ter dismissed L&C's auditor without Board approval was was clear evidence that reliance on Uni-Ter was unwarranted. As a result, the Board's reliance upon Uni-Ter with regard to information, opinions, reports, books of account or statements,

including financial statements and other financial data that was prepared by Uni-Ter, or prepared by others based upon information provided by Uni-Ter, was unwarranted.

g. Merger with Sophia Palmer to the Detriment of L&C

- 282. In 2009, Uni-Ter recommended to the Board that L&C would benefit from a merger with Sophia Palmer.
- 283. Uni-Ter had its own interests in mind when suggesting the merger. First, Sophia Palmer was impaired and insolvent at the time and could not pay off a note to another RRG that Uni-Ter managed. Second, Sophia Palmer's management agreement with Uni-Ter provided that Uni-Ter would not receive a profit sharing bonus until the \$650,000 note was paid off.
- 284. The Board knew of this because, without limitation, Carol Harter served as a Director of both Sophia Palmer and L&C.
- 285. During the merger with Sophia Palmer or very shortly thereafter, the Board learned about the self-dealing of Uni-Ter in recommending the Board merge with Sophia Palmer.
- 286. As a result of Uni-Ter recommending that L&C merge with an impaired and/or insolvent insurance company, the Board knew that Uni-Ter offered self-interested advice at the expense of L&C, and therefore the Board's reliance upon Uni-Ter with regard to information, opinions, reports, books of account or statements, including financial statements and other financial data that was prepared by Uni-Ter, or prepared by others based upon information provided by Uni-Ter, was unwarranted.

h. Uni-Ter and U.S. RE conspire to unlawfully bind reinsurance for L&C in violation of the Management Agreement and Nevada law, and the Board knowingly fails to act

287. The 2004 Management Agreement provided that Uni-Ter had no authority to "[b]ind reinsurance on behalf of L&C or commit L&C to participate in insurance or reinsurance syndicates." Beginning in 2004 and continuing each year through 2012, the Board knew that Uni-Ter committed and/or bound L&C to participate in reinsurance syndicates in violation of the 2004 Management Agreement and Nevada law.

288. By allowing Uni-Ter to bind and commit L&C to reinsurance contracts from 2004 through 2012, the Board engaged in intentional and knowing misconduct by deliberately failing to perform its crucial role and its important duty of binding and committing L&C to reinsurance agreements as provided in the Management Agreements.

i. Uni-Ter commits additional violations of the Management Agreements of which the Board knew, and the Board fails to act.

- 289. The 2004 Management Agreement provided that Uni-Ter had no authority to "pay or commit to pay a claim over a specified amount, net of reinsurance, which exceeds one (1) percent of the L&C's policyholder's surplus as of December 31 of the last completed calendar year." In 2010, the Board knew that Uni-Ter committed and/or paid claims that exceeded 1% of surplus from the prior year. As a result, the Board engaged in intentional and knowing misconduct by deliberately failing to perform its crucial role concerning the important duty of directly managing the payment of large claims that exceeded 1% of L&C's surplus as required by the 2004 Management Agreement.
- 290. The 2004 Management Agreement and the 2011 Management Agreement provided that Uni-Ter shall "perform the investigation, settlement and payment of each and all claims, and to collect deductibles due and salvage or subrogation." The amount of the deductible was set at \$5,000.00.
- 291. The Board knew that Uni-Ter was not properly collecting deductibles on all claims that were reported and settled on behalf of L&C, which personally benefitted many Board members who knew that their respective facilities had claims for which no deductible were paid. As a result, the Board engaged in intentional and knowing misconduct by intentionally allowing Uni-Ter to not collect deductibles as required under the Management Agreements.
- 292. The 2004 Management Agreements provided that Uni-Ter "will identify defense counsel by state, and will review the qualifications with L&C and obtain the approval of L&C before engaging defense counsel and such review shall be on periodic basis." The Board knew that Uni-Ter was not properly obtaining the approval of the Board before engaging defense

counsel, and despite this the Board did not require that Uni-Ter to obtain approval by the Board before retaining defense counsel. As a result, the Board engaged in intentional and knowing misconduct by deliberately failing to perform its crucial role concerning the important duty of approving defense counsel as provided in the 2004 Management Agreement.

j. Uni-Ter fails to provide monthly financial documents as required, and the Board knowingly fails to act.

293. The 2004 Management Agreement provided that Uni-Ter "shall prepare and forward to L&C on a monthly basis, within twenty (20) calendar days of the end of each calendar month, a complete set of financial statements prepared in accordance with Generally Accepted Accounting Principles (GAAP) basis to include: a. Operating Statement, b. Balance Sheet, c. Policies written for the month, d. Claims incurred for the month, e. Accounts receivable summary, f. Summary report of all claims, reserves and losses." The Board knew that from 2004 through 2010, Uni-Ter failed to provide proper monthly reporting as required, and yet the Board failed to act to ensure they received the required monthly financial statements. As a result, the Board engaged in intentional and knowing misconduct from 2004 through 2010 by deliberately failing to require Uni-Ter provide all monthly reports from Uni-Ter so that the Board could perform its important duty of reviewing monthly financial statements to promote and protect the interests of L&C in the 2004 Management Agreement.

3. Reinsurance.

a. Defendants knowingly violate Nevada law regarding reinsurance

- 294. Beginning in December 2003, the Board knew of Nevada insurance laws, including without limitation that a reinsurance broker must be licensed pursuant to Nevada law.
- 295. Each Board member was aware of these legal requirements upon joining the Board through review of the formation documents of the Company, and because the information was conveyed to Board members as they joined the Board.

296. The Board's knowledge of these legal requirements is evidenced by their demand in 2003 that U.S. RE must comply with state insurance codes, rules and regulations governing reinsurance intermediaries/brokers as set forth in the U.S. RE Agreement.

- 297. On or around December 22, 2003, the Company entered into the U.S. RE Agreement.
- 298. Pursuant to the terms of the U.S. RE Agreement, U.S. RE was to act as the Company's "exclusive reinsurance intermediary/broker". This agreement created a fiduciary relationship between U.S. RE and the Company.
- The U.S. RE Agreement acknowledged that U.S. RE would "comply with applicable State Insurance Laws" and with "the provisions of the State Insurance Codes, Rules and Regulations governing reinsurance intermediaries/brokers ...," confirming the Board's knowledge of such laws, rules and regulations.
- 300. Nevada Revised Statute ("NRS") 681A.480 provides in relevant part that "[a]n insurer shall not engage the services of any person to act as a broker for reinsurance on its behalf unless the person is licensed pursuant to NRS 681A.430." Nev. Rev. Stat. Ann. § 681A.480 (West).
- 301. Further, NRS 681A.430 provides in relevant part that "[t]he Commissioner may issue a license to act as an intermediary to any person who has complied with the requirements of NRS 681A.250 to 681A.580, inclusive, and who submits a written application for a license to act as an intermediary, the appropriate fee set forth in NRS 680B.010 and, in addition to any other fee or charge, all applicable fees required pursuant to NRS 680C.110." See NRS 681A.430 (West).
- 302. As authorized by these sections, Nevada Administrative Code ("NAC") section 694C.300 provides as follows:

A person shall not act as a manager, a broker or an agent in this State for a captive insurer without authorization of the Commissioner. An application for authorization to act as a manager, a broker or an agent must be made to the Commissioner on a form prescribed by the Commissioner.

20	306. The inappropriateness of the reinsurance program that was recommended to L&C
28	by U.S. RE was first pointed out the DOI in its December 31, 2005 examination report of L&C,
_0	

in which the Board was notified that "[b]ased upon the low loss experience, it is not reasonable to assume that any loss will penetrate the loss retention amount and result in a recoverable balance; therefore, we recommend the removal of this recoverable." Despite this recommendation from the DOI, the Board continued to purchase reinsurance with such a high retention amount that between 2005 and 2011, no losses were paid by reinsurers for any of L&C's claims.

- 307. Further, the Director Defendants could not reasonably believe they were informed about reinsurance to the extent they reasonably believed appropriate, and could not reasonably believe the Reinsurance Treaties were in the best interests of L&C, as the Director Defendants lacked sufficient knowledge to know whether the Reinsurance Treaties were appropriate.
 - 308. NAC 683A.530 provides in relevant part:

A managing general agent shall not:

. . .

7. Bind reinsurance or retrocessions on behalf of the insurer.

See Nev. Admin. Code 683A.530(7).

- 309. Despite the legal prohibition against a managing general agent binding reinsurance on behalf of an insurer, with the exception of the 2004 Treaty, each of the other Reinsurance Treaties was signed by Elsass on behalf of Uni-Ter as managing general agent of L&C.
- 310. In addition, Elsass was an employee and agent of U.S. RE Companies, Inc., the parent company of both U.S. RE and Uni-Ter, and was otherwise affiliated with U.S. RE.
 - b. In 2009, the DOI discovers the Defendants' knowing violations of the law with respect to reinsurance, and emphasizes said violations to all Defendants.
- 311. While the Board knew beginning in 2004 that U.S. RE was operating without the required license in brokering the Reinsurance Treaties, the Nevada DOI discovered the unlawful activity engaged in by the Defendants, including the Board, as a result of its investigation during the DOI's 2008 Triennial Examination ("2008 Exam") of L&C.

312. As part of the 2008 Exam, on November 19, 2009, DOI examiner Bob Burch ("Burch") requested a copy of U.S. RE's Nevada reinsurance broker license.

- 313. In fact, in an internal email that same day, Larry Shatoff of U.S. RE admitted that "U.S. RE does not have a license."
- 314. On December 1, 2009, Burch made very clear that U.S. RE was, in fact, required to have a Nevada license to broker reinsurance for a Nevada entity such as L&C:

I have forwarded this to the NVDOI for their review. I understand Connie's [Akridge] position, however for purposes of the company entering into and/or approving or ratifying, or failing to act to prevent, any agreements including reinsurance agreements, Nevada being the domiciliary state, is the only state where these agreements are considered to be entered into and also for purposes of any disputes must be disputed in accordance with Nevada law. A reinsurance intermediary effecting a reinsurance agreement in Nevada would have to be licensed in Nevada.

- 315. In fact, at all relevant times the Board members were well aware they had unlawfully been employing an unlicensed reinsurance broker. This knowledge and Burch's confirmation of all Defendants' violations of Nevada law in this regard was emphasized to the Board on December 2, 2009 at the Board meeting at which Dalton "reported on the current triennial examination by the Nevada Department of Insurance."
- 316. Realizing that the DOI had caught U.S. RE, Uni-Ter, and the Board in ongoing and very serious violations of Nevada law, U.S. RE submitted an application to obtain a license in Nevada to become a nonresident reinsurance intermediary/broker ("Broker Application").
- 317. On December 30, 2009, the DOI emailed Joseph Fedor of U.S. RE stating that it had received U.S. RE's Broker Application. The DOI attached instructions and requirements for processing the Broker Application. In addition, the DOI stated that it had "received a list of officers and directors" for L&C and directed that U.S. RE needed to provide "an affidavit for each individual on the list."
 - 318. The Broker Application was never approved by the DOI.
 - c. In 2010, the DOI again reiterates to all defendants, including the Director Defendants, that they are engaged in knowing violations of the law with respect to reinsurance.

- 319. On or around April 8, 2010, the DOI sent a letter via certified mail to the Board ("April 2010 Letter") enclosing the report of the 2008 Exam ("2008 Exam Report").
- 320. The April 2010 Letter and 2008 Exam Report were both received, and reviewed, by all Director Defendants at or near the time it was sent.
- 321. The April 2010 Letter made clear that the Board was required to review and respond to the 2008 Exam Report.
- 322. The 2008 Exam Report found that the Board was in violation of Nevada law in several respects. With respect to U.S. RE's failure to become properly licensed as a reinsurance broker for L&C, the 2008 Exam Report found as follows:
 - 1. Pursuant to NAC 694C.300, "A person shall not act as a manager, a broker or an agent in this State for a captive insurer without authorization of the Commissioner." The Nevada Division of Insurance ("Division") requires all reinsurance intermediaries negotiating and/or placing reinsurance of behalf of a company, to be licensed as such in Nevada. It is recommended the Company require U.S. RE to become licensed in Nevada prior to it negotiating and/or placing reinsurance on its behalf.
- 323. In response, on April 26, 2010, the Board confirmed that it had received and reviewed the 2008 Exam Report and knew of the violations all Defendants, including the Board, had committed.
- 324. The Board further acknowledged the violations of law committed by all Defendants, including the intentional and knowing misconduct and knowing violations of the law committed by the Board, by noting that it had "requested that U.S. RE become licensed as a reinsurance intermediary in Nevada and they [U.S. RE] have filed the application to do so."
- 325. At the Board meeting on May 21, 2010, the entire Board confirmed that it "reviewed the results of the Nevada triennial examination and approved the responses thereto."
- 326. On December 29, 2010, the DOI sent the final Order and Report of Examination regarding the 2008 Exam ("2008 Exam Order") to Jeff Marshall, President of the Board, via certified mail.

327. The 2008 Exam Order made clear that pursuant to NRS 679B.280, the attached 2008 Exam Report and L&C's response were "adopted and filed as an official public record of the Division."

- 328. The 2008 Exam Order included the finding that U.S. RE was still not licensed as a reinsurance broker as required under Nevada law.
- 329. In fact, despite the communications from the DOI to Uni-Ter, U.S. RE and L&C's Board beginning in November, 2009, confirming U.S. RE must have a broker license in Nevada, and despite the 2008 Exam Report making it clear and unequivocal to the Board that it was required under Nevada law to require U.S. RE to become licensed in Nevada "prior" to U.S. RE negotiating and/or placing reinsurance on its behalf, the Board failed to require U.S. RE to become licensed as a reinsurance broker.
- 330. At all relevant times the Board knew this, and its utilization of an unlicensed reinsurance broker, were violations of law, including Nevada law, and that such conduct was wrongful.
- 331. At no time did U.S. RE obtain a license to act as a reinsurance broker/intermediary for L&C in Nevada as required by Nevada law.
 - d. In 2012, the DOI yet again reiterates to all defendants, including the Director Defendants, that they are engaged in knowing violations of the law with respect to reinsurance.
- 332. As part of the Financial Examination of L&C as of December 31, 2011 ("2011 Exam"), on July 13, 2012, the investigator for the DOI, Carolyn Maynard ("Maynard" or "DOI Examiner") requested that she be provided U.S. RE's broker license with the state of Nevada.
- 333. Maynard also raised the issue that Uni-Ter, through Elsass, had executed several of the Treaties on behalf of L&C in violation of Nevada law and that this appeared "to be a real conflict."
- 334. In fact, even in his communications with the Board, Elsass's email signature block noted that he was president of "U.S. RE Agencies, Inc." a wholly owned subsidiary of U.S. RE, and the parent company of Uni-Ter.

335. Moreover, the Board knew that Elsass wore multiple conflicting hats, including on behalf of Uni-Ter, directing the operations of both Uni-Ter UMC and Uni-Ter CS, and he had even attended a Board meeting "as an officer of U.S. RE," thereby creating conflicts of interest with respect to Elsass's, Uni-Ter's and U.S. RE's duties and obligations.

336. In a memorandum dated September 17, 2012 ("September 17, 2012 Memo"), the DOI Examiner found as follows:

During each year under examination, the reinsurance contracts were executed by Sandy Elsass, President & CEO of the management company, Uni-Ter Management Corporation (Uni-Ter), on behalf of and binding Lewis & Clark on ceded reinsurance.

This practice is in violation of the Nevada Administrative Code (NAC) 683A.530(7), which states that a managing general agent (MGA) shall not bind reinsurance or retrocessions on behalf of the insurer.

The NV DOI has issued no specific exception to NAC 683A.530(7).

- 337. U.S. RE had never been licensed as a reinsurance broker for L&C, and could therefore not produce a license at the request of the DOI Examiner.
- 338. In response, in a memorandum dated September 25, 2012 ("September 25, 2012 Memo"), the DOI Examiner found that with respect to L&C, U.S. RE "has no license or specific authority to do business in the State of Nevada." The DOI Examiner further found:

This is an unresolved compliance issue from the prior 2008 examination management letter. At that time the Company assured the NVDOI that the reinsurance broker was in the process of procuring a license to do business in Nevada. As of our 2011 examination, no license or specific authorization was obtained by the reinsurance broker USRE from the State of Nevada.

- 339. The DOI Examiner concluded that the Company was in violation of Nevada law "by contracting with an unlicensed reinsurance broker."
 - e. Defendants' violations of Nevada law and intentional and knowing misconduct with respect to reinsurance caused substantial harm to the Company.

340. The Defendants' multiple and knowing violations of Nevada law with respect to reinsurance were substantial factors in its demise. In fact, U.S. RE itself pointed out that L&C had sustained massive losses due to the extremely unfavorable Reinsurance Treaties brokered by U.S. RE.

341. In an email dated May 9, 2011, John Klaus of U.S. RE, boasted to the reinsurers for whom it had illegally brokered various treaties on behalf of L&C, that the treaties it had brokered had resulted in a net gain to L&C's reinsurers – and a net loss to L&C – of over \$8,000,000:

- 3. Since Lewis and Clark's inception, there have been 2 losses that exceeded their current \$350,000 retention. However, because of the aggregate deductible component, <u>no losses</u> have been paid by reinsurers. (page 38 provides an "as if" exhibit displaying treaty experience for 2004-2010 using current terms.).
- 4. <u>Based on current valuations, reinsurers total positive balance for all treaties is over \$8,000,000</u> (pages 33 & 34).
- 342. U.S. RE's point to the reinsurers was clear: U.S. RE was brokering deals that were detrimental to L&C to the benefit of reinsurers, and of course, to the benefit of U.S. RE who obtained a commission on the unlawfully brokered transactions.
 - f. Rebuttal of the business judgment rule, and breach of fiduciary duties by the Board involving intentional and knowing misconduct and knowing violations of the law regarding reinsurance.
- 343. U.S. RE's violations of Nevada law, including without limitation its brokering of the Reinsurance Treaties while failing to obtain a license to broker reinsurance in Nevada on behalf of L&C, constitute breaches of its fiduciary duties to the Company.
- 344. Uni-Ter's violations of Nevada, including without limitation its binding of reinsurance on behalf of L&C, constitute breaches of its fiduciary duties to the Company.
- 345. The Director Defendants' acts, ratification, or failures to act, including without limitation its decisions to obtain, or failure to refuse, reinsurance through the services of an unlicensed broker, and to permit Uni-Ter to unlawfully bind reinsurance on its behalf, all in

violation of Nevada law of which the Director Defendants knew, constitute breaches of the Director Defendants' fiduciary duties to the Company.

- 346. These breaches were not protected by the business judgment rule in Nevada ("BJR"), and involved intentional and knowing misconduct and/or knowing violations of the law by the Board, including without limitation as set forth herein.
- 347. In intentionally and knowingly entering into and/or approving or ratifying, or failing to act to prevent, the 2004 Treaty on behalf of the Company, Marshall and Garber failed to act honestly and in good faith, on an informed basis, and with a view to the interests of the Company as required by Nevada law, including without limitation, NRS 78.138(3).
- 348. Marshall and Garber failed to act honestly and in good faith, on an informed basis, and with a view to the interests of the Company by, without limitation, intentionally and knowingly entering into and/or approving or ratifying, or failing to act to prevent, the 2004 Treaty without ensuring that U.S. RE had obtained the appropriate license to broker reinsurance, continuing to engage the services of an unlicensed reinsurance broker/intermediary while knowing that doing so was a violation of Nevada law and/or intentional and knowing misconduct, permitting Uni-Ter to bind reinsurance on behalf of the Company while knowing that doing so was a violation of the Management Agreements and Nevada law and constituted an intentional and intentional and knowing violation of the law and/or intentional and knowing misconduct, failing to be informed about the 2004 Treaty to the extent they reasonably believed appropriate, and not reasonably believing their decision with respect to the 2004 Treaty was in the best interest of the Company.
- 349. In knowingly and intentionally entering into, ratifying and/or approving, or failing to act to prevent, the 2004 Treaty, Marshall and Garber relied on Uni-Ter and U.S. RE, among others, including without limitation information, opinions, reports, or books of account or statements, including financial statements or other financial data provided by Uni-Ter and/or U.S. RE and others, or prepared based on information provided by Uni-Ter and/or U.S. RE, despite having knowledge concerning the matter in question that caused reliance thereon, including without limitation, Uni-Ter and/or U.S. RE, to be unwarranted.

- 350. Such knowledge included, without limitation, the Conflicts of Interest among Uni-Ter and U.S. RE, and the lack of expertise of Uni-Ter or U.S. RE, as well as the Red Flags occuring prior thereto. Thus, the actions and/or inaction by Marshall and Garber regarding the 2004 Treaty are not protected by the BJR, and the BJR is rebutted with respect thereto. The 2004 Treaty constitutes a breach of Marshall's and Garber's fiduciary duties which involved intentional and knowing misconduct and knowing violations of the law by Marshall and Garber, who knew such conduct was wrongful.
- 351. In intentionally and knowingly entering into and/or approving or ratifying, or failing to act to prevent, the 2005-2006 Treaty, Marshall, Garber, Hurlbut, and Stickels failed to act honestly and in good faith, on an informed basis, and with a view to the interests of the Company as required by applicable law, including without limitation NRS 78.138(3).
- 352. In knowingly and intentionally entering into, ratifying and/or approving, or failing to act to prevent, the 2005-2006 Treaty, Marshall, Garber, Hurlbut, and Stickels failed to act honestly and in good faith, on an informed basis, and with a view to the interests of the Company by, without limitation, intentionally and knowingly entering into and/or approving or ratifying, or failing to act to prevent, the 2005-2006 Treaty without ensuring that U.S. RE had obtained the required license in Nevada, continuing to engage the services of an unlicensed reinsurance broker/intermediary while knowing that doing so was a violation of Nevada law and/or intentional and knowing misconduct, permitting Uni-Ter to bind reinsurance on behalf of the Company while knowing that doing so was a violation of the Management Agreements and Nevada law and constituted an intentional and intentional and knowing violation of the law and/or intentional and knowing misconduct, failing to be informed about the 2005-2006 Treaty to the extent they reasonably believed appropriate, and not reasonably believing their decision with respect to the 2005-2006 Treaty was in the best interest of the Company.
- 353. In knowingly and intentionally entering into, ratifying and/or approving, or failing to act to prevent, the 2005-2006 Treaty, Marshall, Garber, Hurlbut, and Stickels relied on Uni-Ter and U.S. RE, among others, including without limitation information, opinions, reports, or books of account or statements, including financial statements or other financial data provided by Uni-

Ter and/or U.S. RE and others, or prepared based on information provided by Uni-Ter and/or U.S. RE, despite having knowledge concerning the matter in question that caused reliance thereon, including without limitation, Uni-Ter and/or U.S. RE, to be unwarranted.

354. Such knowledge included, without limitation, the Conflicts of Interest among UniTer and U.S. RE, the lack of expertise of Uni-Ter and U.S. RE, the failure to provide all relevant monthly financial reports to the Board, as well as the Board's knowledge they had failed to review all such reports, and the Red Flags occurring prior to the acts or failures to act at issue. Thus, the actions and/or inaction by Marshall, Garber, Hurlbut, and Stickels regarding the 2005-2006 Treaty are not protected by the BJR, and the BJR is rebutted with respect thereto. The 2005-2006 Treaty constitutes a breach of Marshall's, Garber's, Hurlbut's, and Stickels' fiduciary duties which involved intentional and knowing misconduct and knowing violations of the law, which Marshall, Garber, Hurlbut and Stickels knew was wrongful at all relevant times.

355. In intentionally and knowingly entering into and/or approving or ratifying, or failing to act to prevent, the 2007 Treaty, Marshall, Garber, Hurlbut, and Stickels, Chur and Fogg failed to act honestly and in good faith, on an informed basis, and with a view to the interests of the Company as required by applicable law, including without limitation NRS 78.138(3).

356. Marshall, Garber, Hurlbut, and Stickels, Chur and Fogg failed to act honestly and in good faith, on an informed basis, and with a view to the interests of the Company by, without limitation, intentionally and knowingly entering into and/or approving or ratifying, or failing to act to prevent, the 2007 Treaty without ensuring that U.S. RE had obtained the required license in Nevada, continuing to engage the services of an unlicensed reinsurance broker/intermediary while knowing that doing so was a violation of Nevada law and/or intentional and knowing misconduct, permitting Uni-Ter to bind reinsurance on behalf of the Company while knowing that doing so was a violation of the Management Agreements and Nevada law and constituted an intentional and intentional and knowing violation of the law and/or intentional and knowing misconduct, failing to be informed about the 2007 Treaty to the extent they reasonably believed appropriate, and not reasonably believing their decision with respect to the 2007 Treaty was in the best interest of the Company.

357. In knowingly and intentionally entering into, ratifying and/or approving, or failing to act to prevent, the 2007 Treaty, Marshall, Garber, Hurlbut, and Stickels, Chur and Fogg relied on Uni-Ter and U.S. RE, among others, including without limitation information, opinions, reports, or books of account or statements, including financial statements or other financial data provided by Uni-Ter and/or U.S. RE and others, or prepared based on information provided by Uni-Ter and/or U.S. RE, despite having knowledge concerning the matter in question that caused reliance thereon, including without limitation, Uni-Ter and/or U.S. RE, to be unwarranted.

358. Such knowledge included, without limitation, the Conflicts of Interest among UniTer and U.S. RE, the lack of expertise of Uni-Ter and U.S. RE, the failure to provide all relevant monthly financial reports to the Board, as well as the Board's knowledge they had failed to review all such reports, and the Red Flags occurring prior to the acts or failures to act at issue. Thus, the actions and/or inaction by Marshall, Garber, Hurlbut, and Stickels, Chur and Fogg regarding the 2007 Treaty are not protected by the BJR, and the BJR is rebutted with respect thereto. The 2007 Treaty constitutes a breach of Marshall's, Garber's, Hurlbut's, Stickels', Chur's and Fogg's fiduciary duties involving intentional and knowing misconduct and knowing violations of the law by said defendants, which Marshall, Garber, Hurlbut, Stickels, Chur and Fogg knew was wrongful at all relevant times.

359. In intentionally and knowingly entering into and/or approving or ratifying, or failing to act to prevent, the 2008 Treaty, Marshall, Garber, Hurlbut, and Stickels, Chur, Fogg and Harter failed to act honestly and in good faith, on an informed basis, and with a view to the interests of the Company as required by applicable law, including without limitation NRS 78.138(3).

360. Marshall, Garber, Hurlbut, and Stickels, Chur, Fogg and Harter failed to act honestly and in good faith, on an informed basis, and with a view to the interests of the Company by, without limitation, intentionally and knowingly entering into and/or approving or ratifying, or failing to act to prevent, the 2008 Treaty without ensuring that U.S. RE had obtained the required license in Nevada, continuing to engage the services of an unlicensed reinsurance broker/intermediary while knowing that doing so was a violation of Nevada law and/or

intentional and knowing misconduct, permitting Uni-Ter to bind reinsurance on behalf of the Company while knowing that doing so was a violation of the Management Agreements and Nevada law and constituted an intentional and intentional and knowing violation of the law and/or intentional and knowing misconduct, failing to be informed about the 2008 Treaty to the extent they reasonably believed appropriate, and not reasonably believing their decision with respect to the 2008 Treaty was in the best interest of the Company.

361. In knowingly and intentionally entering into, ratifying and/or approving, or failing to act to prevent, the 2008 Treaty, Marshall, Garber, Hurlbut, and Stickels, Chur, Fogg and Harter relied on Uni-Ter and U.S. RE, among others, including without limitation information, opinions, reports, or books of account or statements, including financial statements or other financial data provided by Uni-Ter and/or U.S. RE and others, or prepared based on information provided by Uni-Ter and/or U.S. RE, despite having knowledge concerning the matter in question that caused reliance thereon, including without limitation, Uni-Ter and/or U.S. RE, to be unwarranted.

362. Such knowledge included, without limitation, the Conflicts of Interest among UniTer and U.S. RE, the lack of expertise of Uni-Ter and U.S. RE, the failure to provide all relevant monthly financial reports to the Board, as well as the Board's knowledge they had failed to review all such reports, and the Red Flags occurring prior to the acts or failures to act at issue. Thus, the actions and/or inaction by Marshall, Garber, Hurlbut, and Stickels, Chur, Fogg and Harter regarding the 2008 Treaty are not protected by the BJR, and the BJR is rebutted with respect thereto. The 2008 Treaty constitutes a breach of Marshall's, Garber's, Hurlbut's, Stickels', Chur's and Fogg's fiduciary duties involving intentional and knowing misconduct and knowing violations of the law by said defendants, which Marshall, Garber, Hurlbut, Stickels, Chur, Fogg and Harter knew was wrongful at all relevant times.

363. In intentionally and knowingly entering into and/or approving or ratifying, or failing to act to prevent, the 2009 Treaty, Marshall, Garber, Hurlbut, and Stickels, Chur, Fogg, Harter and Lumpkin failed to act honestly and in good faith, on an informed basis, and with a view to the interests of the Company as required by applicable law, including without limitation NRS 78.138(3).

364. Marshall, Garber, Hurlbut, and Stickels, Chur, Fogg, Harter and Lumpkin failed to act honestly and in good faith, on an informed basis, and with a view to the interests of the Company by, without limitation, intentionally and knowingly entering into and/or approving or ratifying, or failing to act to prevent, the 2009 Treaty without ensuring that U.S. RE had obtained the required license in Nevada, continuing to engage the services of an unlicensed reinsurance broker/intermediary while knowing that doing so was a violation of Nevada law and/or intentional and knowing misconduct, permitting Uni-Ter to bind reinsurance on behalf of the Company while knowing that doing so was a violation of the Management Agreements and Nevada law and constituted an intentional and intentional and knowing violation of the law and/or intentional and knowing misconduct, failing to be informed about the 2009 Treaty to the extent they reasonably believed appropriate, and not reasonably believing their decision with respect to the 2009 Treaty was in the best interest of the Company.

365. In knowingly and intentionally entering into, ratifying and/or approving, or failing to act to prevent, the 2009 Treaty, Marshall, Garber, Hurlbut, and Stickels, Chur, Fogg, Harter and Lumpkin relied on Uni-Ter and U.S. RE, among others, including without limitation information, opinions, reports, or books of account or statements, including financial statements or other financial data provided by Uni-Ter and/or U.S. RE and others, or prepared based on information provided by Uni-Ter and/or U.S. RE, despite having knowledge concerning the matter in question that caused reliance thereon, including without limitation, Uni-Ter and/or U.S. RE, to be unwarranted.

The 2009 Treaty constitutes a breach of Marshall's, Garber's, Hurlbut's, Stickels', Chur's, Fogg's, Harter's and Lumpkin's fiduciary duties involving intentional and

knowing misconduct and knowing violations of the law by said defendants, which Marshall, Garber, Hurlbut, Stickels, Chur, Fogg, Harter and Lumpkin knew was wrongful at all relevant times.

367. In intentionally and knowingly entering into and/or approving or ratifying, or failing to act to prevent, the 2010 Treaty, Marshall, Garber, Hurlbut, and Stickels, Chur, Fogg, Harter and Lumpkin failed to act honestly and in good faith, on an informed basis, and with a view to the interests of the Company as required by applicable law, including without limitation NRS 78.138(3).

368. Marshall, Garber, Hurlbut, and Stickels, Chur, Fogg, Harter and Lumpkin failed to act honestly and in good faith, on an informed basis, and with a view to the interests of the Company by, without limitation, intentionally and knowingly entering into and/or approving or ratifying, or failing to act to prevent, the 2010 Treaty without ensuring that U.S. RE had obtained the required license in Nevada, continuing to engage the services of an unlicensed reinsurance broker/intermediary while knowing that doing so was a violation of Nevada law and/or intentional and knowing misconduct, permitting Uni-Ter to bind reinsurance on behalf of the Company while knowing that doing so was a violation of the Management Agreements and Nevada law and constituted an intentional and intentional and knowing violation of the law and/or intentional and knowing misconduct, failing to be informed about the 2010 Treaty to the extent they reasonably believed appropriate, and not reasonably believing their decision with respect to the 2010 Treaty was in the best interest of the Company.

Marshall, Garber, Hurlbut, and Stickels, Chur, Fogg, Harter and Lumpkin failed to act honestly and in good faith, on an informed basis, and with a view to the interests of the Company by, without limitation, intentionally and knowingly entering into and/or approving or ratifying, or failing to act to prevent, the 2011 Treaty without ensuring that U.S. RE had obtained the required license in Nevada, continuing to engage the services of an unlicensed reinsurance broker/intermediary while knowing that doing so was a violation of Nevada law and/or intentional and knowing misconduct, permitting Uni-Ter to bind reinsurance on behalf of the Company while knowing that doing so was a violation of the Management Agreements and Nevada law and constituted an intentional and intentional and knowing violation of the law and/or intentional and knowing misconduct, failing to be informed about the 2011 Treaty to the extent they reasonably believed appropriate, and not reasonably believing their decision with respect to the 2011 Treaty was in the best interest of the Company.

373. In knowingly and intentionally entering into, ratifying and/or approving, or failing to act to prevent, the 2011 Treaty, Marshall, Garber, Hurlbut, and Stickels, Chur, Fogg, Harter and Lumpkin relied on Uni-Ter and U.S. RE, among others, including without limitation information, opinions, reports, or books of account or statements, including financial statements or other financial data provided by Uni-Ter and/or U.S. RE and others, or prepared based on information provided by Uni-Ter and/or U.S. RE, despite having knowledge concerning the matter in question that caused reliance thereon, including without limitation, Uni-Ter and/or U.S. RE, to be unwarranted.

374. Such knowledge included, without limitation, the Conflicts of Interest among UniTer and U.S. RE, the lack of expertise of Uni-Ter and U.S. RE, the failure to provide all relevant
monthly financial reports to the Board, as well as the Board's knowledge they had failed to
review all such reports, and the Red Flags occurring prior to the acts or failures to act at issue.
Thus, the actions and/or inaction by Marshall, Garber, Hurlbut, Stickels, Chur, Fogg, Harter and
Lumpkin regarding the 2011 Treaty are not protected by the BJR, and the BJR is rebutted with
respect thereto. The 2011 Treaty constitutes a breach of Marshall's, Garber's, Hurlbut's,
Stickels', Chur's, Fogg's, Harter's and Lumpkin's fiduciary duties involving intentional and
knowing misconduct and knowing violations of the law by said defendants, which Marshall,
Garber, Hurlbut, Stickels, Chur, Fogg, Harter and Lumpkin knew was wrongful at all relevant
times.

375. In intentionally and knowingly entering into and/or approving or ratifying, or failing to act to prevent, the 2012 Treaty, Marshall, Garber, Hurlbut, and Stickels, Chur, Fogg, Harter and Lumpkin failed to act honestly and in good faith, on an informed basis, and with a view to the interests of the Company as required by applicable law, including without limitation NRS 78.138(3).

376. Marshall, Garber, Hurlbut, and Stickels, Chur, Fogg, Harter and Lumpkin failed to act honestly and in good faith, on an informed basis, and with a view to the interests of the Company by, without limitation, intentionally and knowingly entering into and/or approving or ratifying, or failing to act to prevent, the 2012 Treaty without ensuring that U.S. RE had obtained

the required license in Nevada, continuing to engage the services of an unlicensed reinsurance broker/intermediary while knowing that doing so was a violation of Nevada law and/or intentional and knowing misconduct, permitting Uni-Ter to bind reinsurance on behalf of the Company while knowing that doing so was a violation of the Management Agreements and Nevada law and constituted an intentional and intentional and knowing violation of the law and/or intentional and knowing misconduct, failing to be informed about the 2012 Treaty to the extent they reasonably believed appropriate, and not reasonably believing their decision with respect to the 2012 Treaty was in the best interest of the Company.

377. In knowingly and intentionally entering into, ratifying and/or approving, or failing to act to prevent, the 2012 Treaty, Marshall, Garber, Hurlbut, and Stickels, Chur, Fogg, Harter and Lumpkin relied on Uni-Ter and U.S. RE, among others, including without limitation information, opinions, reports, or books of account or statements, including financial statements or other financial data provided by Uni-Ter and/or U.S. RE and others, or prepared based on information provided by Uni-Ter and/or U.S. RE, despite having knowledge concerning the matter in question that caused reliance thereon, including without limitation, Uni-Ter and/or U.S. RE, to be unwarranted.

378. Such knowledge included, without limitation, the Conflicts of Interest among UniTer and U.S. RE, the lack of expertise of Uni-Ter and U.S. RE, the failure to provide all relevant
monthly financial reports to the Board, as well as the Board's knowledge they had failed to
review all such reports, and the Red Flags occurring prior to the acts or failures to act at issue.
Thus, the actions and/or inaction by Marshall, Garber, Hurlbut, Stickels, Chur, Fogg, Harter and
Lumpkin regarding the 2012 Treaty are not protected by the BJR, and the BJR is rebutted with
respect thereto. The 2012 Treaty constitutes a breach of Marshall's, Garber's, Hurlbut's,
Stickels', Chur's, Fogg's, Harter's and Lumpkin's fiduciary duties involving intentional and
knowing misconduct and knowing violations of the law by said defendants, which Marshall,
Garber, Hurlbut, Stickels, Chur, Fogg, Harter and Lumpkin knew was wrongful at all relevant
times.

379. In renewing the agreement with U.S. RE, Marshall, Garber, Hurlbut, and Stickels, Chur, Fogg, Harter and Lumpkin failed to act honestly and in good faith, on an informed basis, and with a view to the interests of the Company as required by applicable law, including without limitation NRS 78.138(3).

380. Marshall, Garber, Hurlbut, and Stickels, Chur, Fogg, Harter and Lumpkin failed to act honestly and in good faith, on an informed basis, and with a view to the interests of the Company by, without limitation, renewing the agreement with U.S. RE without ensuring that U.S. RE had obtained the required license in Nevada, continuing to engage the services of an unlicensed reinsurance broker/intermediary while knowing that doing so was a violation of Nevada law and/or intentional and knowing misconduct, permitting Uni-Ter to bind reinsurance on behalf of the Company while knowing that doing so was a violation of the Management Agreements and Nevada law and constituted an intentional and intentional and knowing violation of the law and/or intentional and knowing misconduct, failing to be informed about the renewal of the agreement with U.S. RE to the extent they reasonably believed appropriate, and not reasonably believing their decision with respect to the renewal of the Agreement with U.S. RE was in the best interest of the Company.

381. In renewing the agreement with U.S. RE, Marshall, Garber, Hurlbut, and Stickels, Chur, Fogg, Harter and Lumpkin relied on Uni-Ter and U.S. RE, among others, including without limitation information, opinions, reports, or books of account or statements, including financial statements or other financial data provided by Uni-Ter and/or U.S. RE and others, or prepared based on information provided by Uni-Ter and/or U.S. RE, despite having knowledge concerning the matter in question that caused reliance thereon, including without limitation, Uni-Ter and/or U.S. RE, to be unwarranted.

382. Such knowledge included, without limitation, the Conflicts of Interest among Uni-Ter and U.S. RE, the lack of expertise of Uni-Ter and U.S. RE, the failure to provide all relevant monthly financial reports to the Board, as well as the Board's knowledge they had failed to review all such reports, and the Red Flags occurring prior to the acts or failures to act at issue. Thus, the actions and/or inaction by Marshall, Garber, Hurlbut, Stickels, Chur, Fogg, Harter and

Lumpkin regarding renewing the agreement with U.S. RE are not protected by the BJR, and the BJR is rebutted with respect thereto. Renewal of the agreement with U.S. RE constitutes a breach of Marshall's, Garber's, Hurlbut's, Stickels', Chur's, Fogg's, Harter's and Lumpkin's fiduciary duties involving intentional and knowing misconduct and knowing violations of the law by said defendants, which Marshall, Garber, Hurlbut, Stickels, Chur, Fogg, Harter and Lumpkin knew was wrongful at all relevant times.

4. <u>Failure to Amend Business Plans as Required by Nevada Law and unlawful Underwriting of Country Villa</u>

- a. The Board is aware of applicable Nevada law at all relevant times.
- 383. NRS 694C.240 provides as follows:

A captive insurer shall include its business plan with its application for the issuance and renewal of a license. If the captive insurer makes any changes to the business plan, the captive insurer shall, as soon as practicable, file a copy of the updated business plan with the Commissioner.

Nev. Rev. Stat. Ann. § 694C.240 (West).

- 384. In addition, NRS 694C.230 provides for annual renewal of a captive insurer.
- 385. At all relevant times, the Board, as well as Uni-Ter and U.S. RE, knew of these requirements.
- 386. At all relevant times, the Board, as well as Uni-Ter and U.S. RE, knew that without approval from the DOI for any changes to its business model and plan, such changes were in violation of Nevada law, including without limitation the above statutes.
- 387. L&C submitted its business plan in 2003 as part of its captive insurance application to the Nevada Department of Insurance for issuance of a license as a Nevada captive insurer ("2003 Business Plan"). The 2003 Business Plan limited L&C to providing maximum policy limits of \$500,000 per claim and \$1,000,000 aggregate without reinsurance, or \$1,000,000 per claim and \$3,000,000 aggregates should L&C maintain reinsurance.

388. Section 7 of the 2003 Business Plan, entitled Underwriting Guidelines ("Underwriting Guidelines") again stated that L&C would limit its risk by maintaining a maximum policy limit of \$500,000 per claim, and added the additional limitation that "[a]ll policies issued by L&C will have a terms no greater than 12 months" and that "[i]nsureds that manage, own or control more than (15) locations are unique because of their higher propensity for loss."

389. L&C also provided reinsurers with underwriting guidelines which deemed "any submission that could be considered a chain (preference is for those accounts that have fewer than 15 locations)" as an unacceptable risk, and that "any submission that had a claim (paid or reserved) larger than \$250,000 in the last 5 years" as an unacceptable risk.

390. In 2007, when all Director Defendants except Lumpkin were members of the Board, the Board was advised of the requirements to file business plans in accordance with NRS 694C.240. Lumpkin was also aware of this requirement upon her membership on the Board

391. Specifically, on March 14, 2007, following the examination of L&C performed by the Nevada DOI for the years of December 31, 2003 to December 31, 2005, the Board's knowledge of, and knowledge of the wrongfulness of, its wrongful and unlawful actions was confirmed by the DOI pertaining to NRS 694C.240, and the Board was ordered to provide an amended business plan to the Commissioner.

392. The Board's continued intentional and knowing violations of Nevada law were again confirmed to the Board in 2010 by the DOI, including without limitation of NRS 694C.240 violations by the Board for its failure to submit amended business plans on an annual basis. On April 26, 2010, the Board specifically acknowledged such violations.

b. The Board approves Country Villa in violation of Nevada law.

393. Further, the Board's violations of its legal obligation to update its business plan and obtain DOI approval of any changes in its business plan included its decision in 2009 to substantially change its business without informing the DOI through an updated business plan.

394. In or around July, 2009, L&C accepted two California-based multi-site long-term care operatives, referred to as Country Villa Health Services, Inc. ("Country Villa") and Braswell Family Senior Care ("Braswell" and collectively the "California Insureds").

- 395. This was a divergence from the established business model of L&C, and violated L&C's underwriting guidelines, including without limitation because it was the first time L&C chose to insure a large multi-facility operator, with Country Villa operating in excess of the 15 facility limitation.
- 396. In addition, Country Villa had historical loss records that were outside of L&C's typical underwriting range and violated L&C's underwriting guidelines.
- 397. Moreover, the agreement with Country Villa contained an aggregate policy limit of \$5,000,000 on five of Country Villa's facilities which exceeded the maximum aggregate policy limit of \$3,000,000 as contained in L&C's business plan.
- 398. In addition, the 2004 Management Agreement required that the Board approve all defense counsel for all claims. Throught the agreement with Country Villa the Board violated this requirement and gave Country Villa exclusive authority to appoint defense counsel in violation of the Board's obligations under the 2004 Management Agreement. Despite knowledge of this requirement, and that the Board's intentional and knowing decision regarding the underwriting of Country Villa was wrongful and a violation of the Board's obligations to L&C, the Board approved underwriting Country Villa.
- 399. This decision was not protected by the BJR, and was a breach of the Board's fidudiciary duties involving intentional and knowing misconduct and knowing violations of the law by the Board.
- 400. Further, under the 2004 Management Agreement, the Board was required to review the monthly financial documents of L&C on a monthly basis, but had failed to comply with this requirement beginning no later than, despite knowledge that such conduct was wrongful.
- 401. Despite knowledge of these violations and acts of misconduct, the Board approved the underwriting of Country Villa in 2009, and its renewal in 2010, which involved intentional

misconduct by the Board, including without limitation its breach of the applicable underwriting guidelines.

- 402. Further, the Board failed to file an updated business plan to inform the DOI regarding the changes to its business model and plan as required by Nevada law.
- 403. In addition, the 2004 Management Agreement required that the Board approve all defense counsel for all claims. Through the agreement with Country Villa the Board violated this requirement and gave Country Villa exclusive authority to appoint defense counsel in violation of the Board's obligations under the 2004 Management Agreement.
- 404. Despite knowledge of this requirement, and that the Board's decision to allow the underwriting of Country Villa was wrongful and a violation of the Board's obligations to L&C, the Board allowed, and/or failed to act to prevent the underwriting of Country Villa. Despite knowledge of these violations and acts of misconduct, the Board allowed the underwriting of Country Villa in 2009, and its renewal in 2010.
- 405. The Board failed to ensure the filing of an updated business plan to inform the DOI regarding the changes to its business model and plan the Country Villa entailed as required by Nevada law.
- 406. The Board's intent was clear: it knew Country Villa was a divergence from the established business model of L&C, and it knew it was an extreme risk. The Board did not want to inform the DOI for fear the DOI would prohibit the underwriting of Country Villa, denying the Board its "get rich quick" scheme that the high premiums of the Country Villa account represented. The Board was aware of the applicable laws concerning updating its business plans and obtaining the approval of the DOI, and wrongfully violated those laws.
 - c. Rebuttal of the BJR and breach of fiduciary duties by the Board involving intentional and knowing misconduct and knowing violations of the law with respect to Country Villa and its failure to update its business plans.
- 407. In intentionally and knowingly entering into and/or approving or ratifying, or failing to act to prevent, or otherwise reject the underwriting of Country Villa, all Director

Defendants failed to act honestly and in good faith, on an informed basis, and with a view to the interests of the Company as required by applicable law, including without limitation NRS 78.138(3).

408. In knowingly and intentionally entering into, ratifying and/or approving, or failing to act to prevent, or otherwise reject the underwriting of Country Villa, all Director Defendants failed to act honestly and in good faith, on an informed basis, and with a view to the interests of the Company by, without limitation, failing to obtain proper approval from the DOI regarding the change to the Company's business plan that Country Villa represented in violation of Nevada law, failing to adhere to the Underwriting Guidelines, failing to retain the right to choose defense counsel as required by the 2004 Management Agreement, failing to be informed about Country Villa to the extent they reasonably believed appropriate, and not reasonably believing the decision to underwrite Country Villa was in the best interests of the Company.

- 409. The Board was not properly informed about CV to the extent they reasonably believed appropriate, and did not reasonably believe he decision to underwrite CV was in the bests interests of the Company.
- 410. The fact that the Board was not properly informed about Country Villa to the extent they reasonably believed appropriate, and did not reasonably believe the decision to underwrite Country Villa was in the bests interests of the Company is evidenced by, without limitation, the testimony of director defendant Hurlbut, who testified that the Board was not "fully briefed" on the issue of insuring Country Villa, and in fact did not even have a say in the decision to insure Country Villa:

Q: And were you fully briefed on Country Villa?

A: <u>No. It was a done deal.</u> We were told they're coming in. Sandy brought them in.

Q: If Mr. Marshall, Dr. Harter, or others said extensive presentations were made to the board, the board considered it, chose to assume the risk or fully briefed, they would be wrong?

[Objections]

A: <u>It was a done deal</u>.

. . .

Q: You do not recall anybody from UniTer specifically making a presentation to the board in Sonoma, California, to discuss whether or not to bring Country Villa on, fully vetting the number of units it had, its underwriting of that units and the risk?

A: There was discussion. What I'm trying to tell you, Counselor, is the fact that it was a done deal. We were told that this is going to happen; it doesn't really matter.

. . .

Q: Could you have undone it?

A: I don't think so.

See Deposition of Robert Hurlbut, at p.32 lines 4-7, 15-18, 23; p.33 lines 2-10, 23-24.

- 411. In knowingly and intentionally entering into, ratifying and/or approving, or failing to act to prevent, or otherwise reject the underwriting of Country Villa, all Director Defendants relied on Uni-Ter and U.S. RE, among others, including without limitation information, opinions, reports, or books of account or statements, including financial statements or other financial data provided by Uni-Ter and/or U.S. RE and others, or prepared based on information provided by Uni-Ter and/or U.S. RE, despite having knowledge concerning the matter in question that caused reliance thereon, including without limitation, Uni-Ter and/or U.S. RE, to be unwarranted.
- 412. Such knowledge included, without limitation, the Conflicts of Interest among UniTer and U.S. RE, the lack of expertise of Uni-Ter and U.S. RE, the failure to provide all relevant monthly financial reports to the Board, as well as the Board's knowledge they had failed to review all such reports, and the Red Flags occurring prior to the official conduct at issue. Thus, the actions and/or inaction by all Director Defendants regarding Country Villa are not protected by the BJR, and the BJR is rebutted with respect thereto. The decision and/or approval of the underwriting of Country Villa by the Board constitutes a breach of the Director Defendants' fiduciary duties involving intentional and knowing misconduct and knowing violations of the law by said defendants, which the Director Defendants knew was wrongful at all relevant times.

5. <u>Insolvency of L&C.</u>

- 75 -

417. At all relevant times the Board knew that the minimum statutory capitalization
required in Nevada was \$500,000, and such further capitalization as may be required by the DOI
including without limitation having reviewed and approved documents containing thi
information, including without limitation, offering memoranda, regulatory documents, and
statutes and other applicable laws.

- 418. At all relevant times the Board knew that Florida law required that L&C have a minimum positive surplus of \$1,500,000 to operate.
- 419. At all relevant times the Board knew that operating L&C without the minimum capital requirements was a violation of law, and was wrongful.
- 420. Further, as Harter acknowledged in her deposition, the Board knew it was responsible for approving the Company's financial statements:
 - Q. And who was in charge of setting the reserves?
 - A. In my view, it's staff with the approval of the board. And the board approved the financial statements, so we're all involved in that.

See Deposition of Carol Harter at 92: 9-12.

b. The Board continues operating L&C in a hazardous financial condition, knowingly violating Nevada law.

- 421. In or around mid-year, 2010, the Board, having access to all financial information of the Company, approved the June 30, 2010 financial statement of the Company ("2010 2Q Financials").
- 422. The 2010 2Q Financials was submitted under oath that it was a "full and true statement of all the assets and liabilities and of the condition and affairs of the said reporting entity as of the reporting period stated above."
- 423. The 2010 2Q Financials demonstrated unequivocally that the Company was, at best, operating while in hazardous financial condition within the meaning of NRS 695E.200. The Board knew of this fact at all relevant times herein, including upon review of the 2010 2Q Financials.

424. The 2010 2Q Financials were submitted to the DOI. The 2010 2Q Financials so clearly demonstrated the Company was, at a minimum, in a hazardous financial condition, impaired and/or insolvent, that very shortly after its receipt by the DOI, on or around September 8, 2010, the DOI sent a letter to Marshall, President of L&C and a member of the Board (*i.e.*, the September 2010 Letter) advising the Board of the dangerous financial position of L&C.

- 425. As noted above, in the September 2010 Letter, captioned "Lewis & Clark Deteriorating Financial Condition," the DOI sets for the hazardous financial condition in which the Company was operating, based upon the 2010 2Q Financials.
- 426. The September 2010 Letter ended with an admonition from the DOI that "[b]ecause of the company's capital decline revealed by the June 30, 2010 financial statement, management should commence preparing a corrective action plan and an implementation schedule addressing a means to enhance earnings and surplus, reduce expenses, and improve liquidity."
- 427. Despite having access to all financial and other information upon which the June 2010 Financial Statement was based, and knowing that continued operation of the Company in such a condition was wrongful, intentional and knowing misconduct, and a violation of law, including Nevada law, the Board intentionally and knowingly failed to fulfill their fiduciary duties to correct the substantial problems L&C was facing and instead continued operating L&C in violation of Nevada law including by, without limitation, transacting insurance, renewing accounts and obtaining new business.

c. L&C's financial condition continues to deteriorate.

- 428. Further, Lewis & Clark experienced a net loss during the three quarters ending September 30, 2011, of \$3.1 million.
- 429. In or around mid-year, 2011, the Board (having access to all financial information) approved the June 30, 2011 financial statement of the Company ("2011 2Q Financials").
- 430. The 2011 2Q Financials were submitted to the DOI. The 2011 2Q Financials so clearly demonstrated the Company was, at a minimum, in a hazardous financial condition, impaired and/or insolvent, that very shortly after its receipt by the DOI, on or around September

8, 2011, the DOI sent a letter to Marshall, President of L&C and a member of the Board (*i.e.* the September 2011 Letter) advising the Board of the now extremely dire position of L&C.

- 431. The September 2011 Letter referenced the September 2010 Letter, noting that the September 2010 Letter had been sent previously to the Board regarding the hazardous financial condition, impairment and/or insolvency of the Company at that time.
- 432. Further, in the September 2011 Letter, the DOI identified several massive financial problems with L&C which the Board had, taken improper or no action to correct.
- 433. The September 2011 Letter noted that the DOI had sent "a prior letter advis[ing] the Board of Directors of deteriorating financial condition and admonish[ing] the Board and management to consider a correction plan." The letter also required that "[t]he Board and management must now prepare a short-term (3 month) action plan and based on this action plan how they forecast their 12/31/2011 statement to appear."
 - d. Knowing violation of the law by the Board in continued operation of L&C.
 - 434. The Board held a meeting on September 21, 2011 ("September 2011 Meeting").
- 435. All directors were present at the September 2011 Meeting, with Fogg attending by telephone.
- 436. Elsass, Dalton and Jonna Miller ("Miller") attended the September 2011 Meeting in person.
- 437. The packages Uni-Ter prepared for, and delivered to, each Lewis & Clark Board Member for the September 2011 Meeting ("September 2011 Board Package"), included a report from the consultant, the Praxis Claims Consulting ("Praxis"), dated September 15, 2011.
- 438. William Donnelly, Reinsurance Claims Manager of U.S. RE, had arranged the September 15, 2011 audit. Mr. Donnelly was on-site and took part in the meetings during the first day of Praxis' site visit to Uni-Ter on or about September 8, 2011, and Mr. Donnelly supplied the documents Praxis reviewed before the site visit to Praxis by e-mail.

- 439. At the September 2011 Meeting, Brian Stiefel ("Stiefel"), CPCU of Praxis presented the September 15, 2011 report ("September 2011 Praxis Report") to the Lewis & Clark Board of Directors.
- 440. At that time, Elsass of Uni-Ter, emphasized to the Board the dire financial situation of the Company as set forth in the 2011 2Q Financials, and emphasized to the Board in the September 2011 Letter from the DOI.
- 441. Uni-Ter requested that all entities with representatives on the Lewis & Clark Board of Directors, make additional investments in Lewis & Clark (the "Required Contributions"), totaling approximately \$2.2M, in order to try to meet the minimum financial requirements to be in compliance with Nevada law and to maintain a legally acceptable premium-to-equity ratio.
- 442. The Board knew that even more money was needed to meet reserve requirements, and that the Required Contributions would not be sufficient.
- 443. The Director Defendants knew that at the time, L&C was, at best, continuing to operate in a hazardous financial condition, and that continued operation of L&C was intentional misconduct and a knowing violation of the law.
- 444. Moreover, the fact that the Required Contributions were required from several of the Director Defendants confirmed to the entire Board that Uni-Ter had been improperly stating reserves, resulting in inadequate reserves.
- 445. In fact, this was not the first time that Uni-Ter, including Uni-Ter CS, had taken steps to suppress claims reserves below appropriate levels. In April 2010, Christine McCarthy assumed the role of Vice President-Claims for Uni-Ter. She immediately overhauled. Uni-Ter's claims handling, reserve setting, and litigation management policies, resulting in increases in claims reserves from \$6.3 million at the end of 2009, to \$8.0 million at June 30, 2010, to \$9.2 million at the end of 2010.
- 446. In May 2011, Uni-Ter terminated Ms. McCarthy for, among other reasons, her unwillingness to suppress reserves.

447. Notwithstanding Ms. McCarthy's termination, and the fact that her policies were put in place during 2010, Uni-Ter represented to Praxis that Ms. McCarthy's policies were newly instituted corrective measures in August of 2011, which is a representation recounted in the September 15, 2011 Praxis report.

448. Further, Uni-Ter used an accounting software program, known as Pyramid, throughout the existence of L&C which was obsolete, no longer had developer support, and was considered to be "extremely outdated" by Uni-Ter's IT Director. This was known to both the President of Uni-Ter and U.S. RE, whom respectively referred to Pyramid as the "inept system" and a "patchwork quilt." In addition, Uni-Ter senior management reported to a third-party IT auditor that Pyramid was "only approximately 50% accurate/complete; therefore the data has to be compared to documents outside of Pyramid to reconcile the data to approximately 90% accuracy/completeness." Despite the fact that both Uni-Ter and U.S. RE knew that Pyramid provided inaccurate data, and that at least 10% of the data being provided to L&C was not accurate, both U.S. RE and Uni-Ter nevertheless allowed this data to be provided to L&C, thereby negligently misrepresenting the accuracy of the data to the Board, and breaching their fiduciary duties to L&C.

f. Continued deterioration of L&C despite the Required Contributions.

- 449. Despite having made the Required Contributions, immediately after making the Required Contributions, or even before all the Required Contributions were actually made, the Director Defendants received the Company's third quarter 2011 financial statement ("2011 3Q" Finacials").
- The 2011 3Q Financials showed further financial deterioration of L&C, despite the 450. addition of the Required Contributions.
- 451. After receipt of the Company's 2011 3Q Financials, the DOI emailed the Company stating the following:

Attached are questions and concerns regarding the above. **Despite the addition of** \$2.15 million in capital, capital still declined 20% in the 3rd Quarter and losses continue to increase.

Please respond in writing within 10 business days to the first paragraph of the attached September 23, 2011 letter which was sent as a result of the Qtr 2 2011 Financial Statement.

- 452. The Board knew of this additional capital decline demonstrated by the 2011 3Q Financials as it approved the Company's 2011 3Q Financials.
- 453. The Board knew it was a violation of law, including without limitation Nevada law, to continue operating L&C due to its financial condition, and that such conduct was wrongful.
- 454. Further, notwithstanding the reduced scope of the September 2011 Praxis Report and its report to the Board of Directors, Uni-Ter, at U.S. RE's direction, conducted an internal full-scale review of all claims reserves and subsequently engaged Praxis to also conduct a full-scale review. The internal review was initiated based on Uni-Ter's and U.S. RE's concerns about the adequacy of claims reserves raised in the September 15, 2011 Praxis report.
- 455. U.S. RE required Uni-Ter to retain Praxis to complete its full claims review in or around November, 2011 ("Full Praxis Review") because U.S. RE had doubts about the adequacy of Lewis & Clark's reserves based on the significantly adverse findings of the internal review.
- 456. The Full Praxis Review showed that, in fact, an additional increase of at least, and possibly in excess of, \$5,000,000 of claims reserves was necessary for the Company to have the minimum reserves required to meet obligations to policyholders with respect to known claims and reasonably anticipated claims, or to pay other obligations in the normal course of business.
- 457. On December 20, 2011, the Board met telephonically. At that meeting, Uni-Ter and U.S. RE confirmed to the Board that an addition of at least, and possibly in excess of, \$5,000,000 was necessary to the Company's claims reserves to even have a chance of meeting the minimum regulatory and legal requirements for operating L&C, based on the Full Praxis Review.
- 458. In fact, Uni-Ter also submitted to the Board the preliminary draft of the actuarial analysis prepared by Richard Lord ("Lord") of Milliman, the Company's actuary ("Milliman December 2011 Report").

- 459. Lord noted that the audit of L&C had increased claim case reserves by approximately \$5,000,000 and the reserves estimate had increased by that amount as well.
- 460. In the email to the Board dated December 21, 2011, in which it sent the Milliman December 2011 Report, Uni-Ter pointed out to the Board that "[t]he amount of the increase in reserves is \$5,214,000."
- 461. This change significantly increased the net loss of Lewis & Clark on a full 2011 year basis and further decreased Lewis & Clark's capital to an unacceptable and unlawful level for operational, regulatory, and rating purposes, in violation of, inter alia, NRS 695E.200.
- 462. At all relevant times herein, the Board knew that L&C's capital was at an unacceptable and unlawful level for operational, regulatory, and rating purposes in violation of law, including Nevada law, and that continuing to operate L&C in such a condition was wrongful.
- 463. On or around October 5, 2011, the Board approved and agreed to make the Required Contributions on or before November 15, 2011.
- 464. At the time of their additional Required Contributions in October/November 2011, however, the Board had access to all financial information related to the Company and knew about the significant reserve concerns raised in September 2011 to Uni-Ter and U.S. RE by Praxis.
- 465. Further, the Board unreasonably relied upon Uni-Ter's assertion that the September 2011 Praxis Report represented a complete review of the claims process, which the Board easily could have done, and eventually did discover was inaccurate.
- 466. The Board had no basis to rely on Uni-Ter's and U.S. RE's representations at the September Board Meeting.
- 467. In fact, the Board knew it had received inaccurate financial information and other representations from Uni-Ter on multiple occasion.
- 468. The Board knew at the September Board Meeting that claims reserves were in fact, inadequate, because they were required to provide nearly two million (\$2,000,000) out of their own pocket or from their entities.

- 469. The Board also knew that Uni-Ter was contributing an additional \$300,000 due to the inadequate reserves and other serious financial problems L&C was experiencing.
- 470. Further, in or around November, 2011, Uni-Ter prepared and issued an Offering Memorandum dated November 2011 (the "2011 Offering Memorandum") seeking equity investments in Lewis & Clark. Uni-Ter issued this offering memorandum to long-term care facilities, home health care businesses, and individuals engaged in nursing or allied health care practice in an attempt to sell securities to additional insured parties.
- 471. The 2011 Offering Memorandum failed to disclose material adverse information, specifically the existence of the review by the Praxis Group.
- 472. The 2011 Offering Memorandum failed to disclose that the Company was insolvent.
 - 473. The Memorandum further stated that:

It is expected that the net proceeds generated from this Offering of the Company's Shares will provide additional funds for the Company to continue operations and to comply with all applicable capitalization requirements under the laws of Nevada.

In this sentence, the Offering Memorandum was careful not to state that Lewis & Clark's capital was sufficient or that Lewis & Clark was solvent, because the Board, Uni-Ter and U.S. RE knew the Company was impaired or insolvent.

- e. Continued deterioration of L&C's financial status, and the Board's decision to continue operating in violation of law.
- 474. The financial situation regarding L&C clearly demonstrated the Company was in such a hazardous financial condition, on December 21, 2011, Uni-Ter put its own professional liability insurers on notice, stating that the surplus of L&C was potentially "exhausted", and that the "Board of L&C is being kept informed" and a further telephonic conference with the Board was set for December 23, 2011.
- 475. The continued inaccurate representations by Uni-Ter and U.S. RE regarding the financial condition of the Company were further confirmed to the Board since the Board knew, no later than December 20, 2011, that the Company had a negative surplus in excess of

\$5,000,000 from the November 2011 figures based on the Full Praxis Review, despite \$2,000,000 having been infused into the Company only a few weeks before.

476. On December 23, 2011, the Board had a conference call that became very heated regarding the financial condition of the Company ("December 23 Conference Call"). During that conference call, the Board expressed anger at the dire financial situation of the Company. Dalton, who was on the conference call at the time, stated that Marshall had "lost his cool" and said he "feels like his house has been ransacked and he wants a f***ing answer as to how this happened since September."

477. The Board recognized formally what it had known all along, which was that it could not trust or rely on Uni-Ter or U.S. RE. As an acknowledgement of this fact, the meeting minutes for the December 23, 2011 Board meeting reflect that the Board resolved that "all actions which Uni-Ter or U.S. RE, directly or indirectly, wish to take or recommend on behalf of the Corporation which are outside the ordinary course of business, or inconsistent with the Corporation's historic day to day business practices, should receive prior approval from the Board."

478. In an email dated December 23, 2011, Marshall, with copies to the other Board members as well as to Sitterson and Akridge, emailed Uni-Ter regarding the severe financial problems of L&C "that could jeopardize the very existence of Lewis & Clark," questioning L&C's "solvency."

479. At that time the Board also set the next Board telephonic meeting for December 28, 2011.

480. On December 28, 2011, the Board, with Uni-Ter and U.S. RE, conducted a telephonic conference call ("December 28 Meeting").

481. As part of the December 28 Meeting, Piccione confirms to the board that the Company was very likely insolvent:

For whatever it's worth, we are concerned fundamentally that notwithstanding the fact that you have a monthly calibration of premiums, the effect is that by putting those policies into force it's not just a question of responsibility to return the unearned premiums, but if you have a loss that takes place during that period

DD0177

during the effect of that cancelation, you run the potential that you've got an insurance company that's potentially insolvent to pay that claim.

- 482. Piccione further advised the Board that due to the fact that L&C wrote insurance in Florida, continued operation meant L&C was going to "run the risk of a criminal felony."
- 483. Sitterson stated that if Piccione thought that "there is a risk of criminal penalties you should have your counsel submit a report to the board that tells them that."
- 484. Immediately after the call was over, Piccione stated that he needed to "call right now Carlton Fields [Uni-Ter's attorneys], tell them they need to get a letter done right now to that board."
- 485. The motive for the Board to continue operating while insolvent despite their knowledge that such action was in violation of many laws, including Nevada's and Florida laws, and included civil and criminal penalties was clear: the Board wanted to maintain the façade that it was a healthy company to avoid intervention by the DOI, and to attempt to deceive another company, namely Health Cap, into taking over L&C.
 - 486. During the December 28 Meeting, Elsass put it this way, and the Board agreed:

I think we want to keep Health Cap interested. Whatever we need to do to keep that going, I think we need to keep it going.

- 487. Sitterson confirmed that Health Cap was the only entity even considering taking over L&C, stating that "[t]he only option that's on the table is Health Cap."
- 488. Further, later on December 28, 2011, Sitterson forwarded to the Board multiple emails from Uni-Ter representatives in which Uni-Ter stated that it believed that it "must respectfully point out that we [Uni-Ter] are not as yet confident of the ultimate level of reserves as at 31 December 2011 ... nor whether the finalized level of reserves will correlate to L&C having a positive surplus as at 31 December 2011..."
- 489. Despite this clear warning from even Uni-Ter that, based on L&C's then present or reasonably anticipated financial condition, L&C was unlikely to be able to meet obligations to policyholders with respect to known claims and reasonably anticipated claims, or to pay other

obligations in the normal course of business, the Board directed Uni-Ter to "process the current renewals."

- 490. Each of the Director Defendants knew unequivocally that this decision was wrongful and a direct, knowing violation of both Nevada and Florida law.
- 491. Uni-Ter acknowledged receipt of the instructions and stated it would proceed accordingly. However, knowing that the Board's instruction was unlawful, Uni-Ter stated that there was "an important issue" with respect to this instruction," that it had "sought the advice of counsel regarding the issue of processing renewals," and informed the Board as follows:

According to legal counsel, a managing general agent such as Uni-Ter has no common law liability to brokers, agents or policyholders as a result of the insolvency of the insurer. However, it is the general rule in most states that an insurance broker has a duty not to place insurance with an insurer which the broker knows or reasonably should have known to be insolvent, and this duty applies to renewal policies as well.

492. Further, Uni-Ter noted that in the previous day's Board meeting, "concern was expressed by us over issues having to do with Florida Statutes dealing with potential liability (beyond civil), as a result of L&C becoming impaired or insolvent." Accordingly, Uni-Ter sent the Board a letter from Uni-Ter's attorneys, Carlton Fields, and quoted the letter in the email, "to better assure" that the Board members received it. The letter stated in relevant part as follows:

You have asked us to provide you with information concerning potential liability under Florida law for Lewis & Clark LTC Risk Retention Group, Inc. ("L&C") as a result of L&C becoming impaired or insolvent. Under Fla. Stat. Ann. § 626.9541(l)(w), the following is defined as an "unfair method[] of competition and unfair or deceptive act[] or practice[]" that is prohibited by Fla. Stat. Ann. §626.9541:

- (w) Soliciting or accepting new or renewal insurance risks by insolvent or impaired insurer prohibited; penalty-
- 1. Whether or not delinquency proceedings as to the insurer have been or are to be initiated, but while such insolvency or impairment exists, no director or officer of an insurer, except with the written permission of the office, shall authorize or permit the insurer to solicit or accept new or renewal insurance risks in this state after such director or officer knew, or reasonably should have known, that the insurer was insolvent or impaired. "Impaired" includes impairment of capital or surplus, as defined in s. 631.011(12) and (13).

2. Any such director or officer, upon conviction of a violation of this paragraph, is guilty of a felony of the third degree, punishable as provided in s. 775.082, s. 775.083, or s. 775.084.

It is our understanding that this applies to risk retention groups domiciled in other states but doing business in Fla. See § 627.944(5), and of course imposes potential criminal liability for the individual officers and directors of the insolvent or impaired insurer.

- 493. And, in fact, as the Director Defendants knew, the statutes cited by Carlton Fields make clear that Florida law required a positive surplus of \$1,500,000.00. *See* Fla. Stat. Ann. § 624.408 (West) ("an insurer in this state must at all times maintain surplus as to policyholders at least the greater of: (a) Except as provided in paragraphs (e), (f), and (g), \$1.5 million).
- 494. Knowing that continued operation of the Company was in violation of multiple laws, including at least one states laws that carried criminal penalties, Uni-Ter demanded the Board confirm on December 29, 2011, that the Director Defendants wanted to continue operating L&C, including processing renewals.
- 495. Despite this clear statement of law, and the knowledge the Board had that L&C was over \$5,000,000 below the amount necessary to even cover the minimum statutory reserves, the Board continued to operate L&C, including ordering Uni-Ter to renew policies coming due for renewal January, 2012, in direct, knowing violation of multiple laws.
- 496. In fact, despite the Board's knowledge that L&C was at least \$5,200,000 below where it needed be to meet minimum statutory requirements, that the 3Q 2011 Financial Statement showed an additional 20% capital decrease (even including the \$2.2 million Required Contributions), in order to provide false cover for its decision to keep operating while in violation of multiple states' laws, the Board minutes for the December 28, 2011, meeting stated the following:

Having been advised that Uni-Ter's pro forma for December 31, 2011 financials for the Corporation indicate that the Corporation is neither impaired nor insolvent and pending receipt of the Fishlinger review, Uni-Ter should process the current renewals, with level monthly premium payment offered to the facilities.

497. Noticeably absent from this decision by the Director Defendants ("December 2011
Resolution") is any statement by the Director Defendants that L&C is not in a hazardous financial
condition. the reason for this glaring omission is that the Director Defendants knew, and had
known for over a year, that the Director Defendants had been operating L&C in a hazardous
financial condition, knowing it to be wrongful and in violation of law, including without
limitation, Nevada law.

- 498. The December 2011 Resolution to continue operating in reliance on the pro forma for December 31, 2011 financials received from Uni-Ter (the "December 2011 Pro Forma"), was made in reliance on information provided by Uni-Ter despite the Director Defendants' knowledge concerning the matter in question that caused reliance thereon to be unwarranted.
- 499. Specifically, among other things, reliance by the Board on the December 2011 Pro Forma was unwarranted because Uni-Ter itself told the Director Defendants not to rely on the December 2011 Pro Forma.
- 500. Dalton sent the Director Defendants an email on December 30, 2011, stating that Uni-Ter wanted to "make sure that everyone understands that decisions should not be made based on whatever you received [*i.e* the December 2011 Pro forma] as it was an internal working copy."
- 501. The Director Defendants knew the statements contained in the December 2011 Resolution were inaccurate, and that the December 2011 Pro Forma was unreliable.
- 502. Further, the Board's internal communications reveal that the Board was well aware it could not rely on the December 2011 Pro Forma.
- 503. In fact, on December 29, 2011, Stickels emailed the Board stating that "[t]he proforma [i.e. the December 2011 Pro Forma] doesn't indicate insolvency but may meet the impaired capital test."
- 504. This statement by Stickels was an admission that, at a minimum, the Company was operating in a hazardous financial condition in violation of law, including without limitation Nevada law, and that the Director Defendants knew it, and knew it was wrongful.
- 505. In truth, even Uni-Ter itself had advised the Board multiple times that it was concerned there was no positive surplus in L&C, and was so concerned about the negative

financial condition of the Board it asked its attorneys to advise the Board that processing renewals could even subject the Board to criminal – not just civil – penalties.

- 506. And, in fact, the Board acknowledged outside the presence of Uni-Ter that it knew it could not rely on anything Uni-Ter provided to it, including the December 2011 Pro Forma, knowing Uni-Ter to have misrepresented the financial status of L&C on numerous occasions.
- 507. In an email from Lumpkin to the Board dated December 30, 2011, Lumpkin stated that with respect to information received from Uni-Ter, "[a]t this point it is difficult to have any confidence in the data/info we get."
- 508. In an email dated December 30, 2011, Marshall stated that L&C "should not work with a mgmt. [*sic*] entity that reflects incompetence in its principal duties."
- 509. In response to this, Marshall further confirmed what the Board all knew that the Board could not rely on Uni-Ter's data. In an email to the Board on December 30, 2011, Marshall stated as follows:

Confused by Donna's [Dalton] caution to not pay too much attention to internal documents – is Uni-Ter's financial data reliable or not? (rhetorical question, do not respond!).

- 510. Yet, despite even Uni-Ter itself telling the Director Defendants not to rely on the December 2011 Pro Forma, despite the Director Defendant acknowledging in internal emails that they knew they could not rely on the information provided by Uni-Ter, the Board issued the December 2011 Resolution to create the false narrative that it was justified in relying on information it knew to be unreliable from Uni-Ter in order to continue operating L&C in its extremely hazardous financial condition, impairment and/or insolvency, to the detriment of the Company, as well as others, and in breach of the Director Defendants' fiduciary duties.
- 511. Further, in a letter from Sitterson on behalf of the Board to Uni-Ter dated December 30, 2011, Sitterson emphasized the continued dire financial situation of L&C, and the unreliability of Uni-Ter's information. In the letter, Sitterson noted that "[t]his is a time of crisis for Lewis & Clark" and that the Board had just been "convinced by Uni-Ter to invest

approximately \$2.0 million two months ago, only to be told now that the claims information upon which they relied was fundamentally inaccurate."

- 512. In a response dated the same day, Uni-Ter's lawyers made clear that Uni-Ter was assuming "that the Board has made an independent judgment based upon not only information from Uni-Ter, but information from all other sources including appropriate laws, regulations and accounting rules and conventions in order to make the representation that the Board has reached the conclusions that L&C neither is, or is likely to be "insolvent or impaired."
- 513. Communication between the Board and Uni-Ter had broken down so severely that Sitterson informed the Board he could not even communicate directly with anyone at Uni-Ter "without permission from their counsel."
- 514. The Board knew that L&C had been operating while impaired, insolvent, or in a hazardous financial condition for a substantial amount of time, even from mid-year 2010, and the information provided at the December 2011 Board Meeting confirmed this knowledge to the Board.
- 515. The Board knew, beginning in mid-year 2010, that further operations of Lewis & Clark were in violation of numerous laws, including NRS 695E.200.
- 516. Despite this knowledge, in December, 2011, the Board reaffirmed the decision to continue operating in violation of Nevada and Florida law, knowing that such continued operations were a violation of multiple laws, including without limitation, Nevada and Florida law.
- 517. The Board made said decision to continue operating through improper reliance on information provided by Uni-Ter and/or U.S. RE, including without limitation financial statements and other financial data, prepared or presented by Uni-Ter and/or U.S. RE, or by others based on information provided by Uni-Ter and/or U.S. RE, despite knowledge concerning the matter in question that caused the Board's reliance on Uni-Ter and U.S. RE to be unwarranted.

518. Despite its knowledge that the Company was, at a minimum, in a hazardous financial condition, and possibly impaired or insolvent, beginning no later than August, 2010, the Board continued to operate the Company in violation of Nevada law until September, 2012.

f. Rebuttal of the Business Judgment Rule and Breach of Fiduciary Duties by the Board involving Intentional Misconduct and Knowing Violations of the Law.

- 519. In deciding to continue operating L&C, or failing to act to cease its operation, after review of the 2010 2Q Financials, all Director Defendants failed to act honestly and in good faith, on an informed basis, and with a view to the interests of the Company as required by applicable law, including without limitation NRS 78.138(3).
- 520. In determining to continue operating L&C, or failing to act to cease its operation, after review of the 2010 2Q Financials, all Director Defendants failed to act honestly and in good faith, on an informed basis, and with a view to the interests of the Company by, without limitation, continuing to operate L&C, or failing to act to cease its operation, while knowing it was in a hazardous financial condition, impaired and/or insolvent, knowingly violating Nevada law, failing to be informed about the exact nature of the Company's financial condition to the extent they reasonably believed appropriate, not reasonably believing that continuing to operate the Company, or failing to act to cease its operation, while it was impaired, insolvent, and/or in a hazardous financial condition was in the best interests of the Company.
- 521. In deciding to continue operating L&C, or failing to act to cease its operation, after review of the 2010 2Q Financials, all Director Defendants relied on Uni-Ter and U.S. RE, among others, including without limitation information, opinions, reports, or books of account or statements, including financial statements or other financial data provided by Uni-Ter and/or U.S. RE and others, or prepared by others with information provided by Uni-Ter and/or U.S. RE, despite having knowledge concerning the matter in question that caused reliance thereon, including without limitation, Uni-Ter and/or U.S. RE, to be unwarranted.
- 522. Such knowledge included, without limitation, the Conflicts of Interest among Uni-Ter and U.S. RE, and the lack of expertise of Uni-Ter and U.S. RE, the failure to provide all

relevant monthly financial reports to the Board, as well as the Board's knowledge they had failed to review all such reports, and the Red Flags occurring prior to the official conduct at issue. Thus, the actions and/or inaction by all Director Defendants regarding the decision to continue operating L&C, or failure to act to cease its operation, after review of the 2010 2Q Financials are not protected by the BJR, and the BJR is rebutted with respect thereto. Such official conduct constitutes a breach of all Director Defendants' fiduciary duties involving intentional and knowing misconduct and knowing violations of the law by said defendants, which all Director Defendants knew was wrongful at all relevant times.

537. In deciding to continue operating L&C, or failing to act to cease its operation, after the December 28, 2011 Board Meeting, all Director Defendants relied on Uni-Ter and U.S. RE, among others, including without limitation information, opinions, reports, or books of account or statements, including financial statements or other financial data provided by Uni-Ter and/or U.S. RE and others, including without limitation the December 2011 Pro Forma, despite having knowledge concerning the matter in question that caused reliance thereon, including without limitation, Uni-Ter and/or U.S. RE, to be unwarranted.

538. Such knowledge included, without limitation, the Conflicts of Interest among UniTer and U.S. RE, and the lack of expertise of Uni-Ter and U.S. RE, the failure to provide all
relevant monthly financial reports to the Board, as well as the Board's knowledge they had failed
to review all such reports, and the Red Flags occurring prior to the official conduct at issue.
Thus, the actions and/or inaction by all Director Defendants regarding the decision to continue
operating L&C after the December 28, 2011 Board Meeting are not protected by the BJR, and the
BJR is rebutted with respect thereto. Such official conduct constitutes a breach of all Director
Defendants' fiduciary duties involving intentional and knowing misconduct and knowing
violations of the law by said defendants, which all Director Defendants knew was wrongful at all
relevant times.

539. In deciding to continue operating L&C, or failing to act to cease its operation, after review of the 2011 4Q Financials, all Director Defendants failed to act honestly and in good faith, on an informed basis, and with a view to the interests of the Company as required by applicable law, including without limitation NRS 78.138(3).

540. In deciding to continue operating L&C, or failing to act to cease its operation, after review of the 2011 4Q Financials, all Director Defendants failed to act honestly and in good faith, on an informed basis, and with a view to the interests of the Company by, without limitation, continuing to operate L&C, or failing to act to cease its operation, while knowing it was in a hazardous financial condition, impaired and/or insolvent, knowingly violating Nevada law, failing to be informed about the exact nature of the Company's financial condition to the extent they reasonably believed appropriate, not reasonably believing that continuing to operate the

Company, or failing to act to cease its operation, while it was impaired, insolvent, and/or in a hazardous financial condition was in the best interests of the Company.

- 541. In deciding to continue operating L&C, or failing to act to cease its operation, after review of the 2011 4Q Financials, all Director Defendants relied on Uni-Ter and U.S. RE, among others, including without limitation information, opinions, reports, or books of account or statements, including financial statements or other financial data provided by Uni-Ter and/or U.S. RE and others, or prepared based on information provided by Uni-Ter and/or U.S. RE, despite having knowledge concerning the matter in question that caused reliance thereon, including without limitation, Uni-Ter and/or U.S. RE, to be unwarranted.
- 542. Such knowledge included, without limitation, the Conflicts of Interest among UniTer and U.S. RE, and the lack of expertise of Uni-Ter and U.S. RE, the failure to provide all relevant monthly financial reports to the Board, as well as the Board's knowledge they had failed to review all such reports, and the Red Flags occurring prior to the official conduct at issue. Thus, the actions and/or inaction by all Director Defendants regarding the decision to continue operating L&C, or failure to act to cease its operation, after review of the 2011 4Q Financials are not protected by the BJR, and the BJR is rebutted with respect thereto. Such official conduct constitutes a breach of all Director Defendants' fiduciary duties involving intentional and knowing misconduct and knowing violations of the law by said defendants, which all Director Defendants knew was wrongful at all relevant times.
- 543. In deciding to continue operating L&C, or failing to act to cease its operation, after review of the 2012 1Q Financials, all Director Defendants failed to act honestly and in good faith, on an informed basis, and with a view to the interests of the Company as required by applicable law, including without limitation NRS 78.138(3).
- 544. In deciding to continue operating L&C, or failing to act to cease its operation, after review of the 2012 1Q Financials, all Director Defendants failed to act honestly and in good faith, on an informed basis, and with a view to the interests of the Company by, without limitation, continuing to operate L&C, or failing to act to cease its operation, while knowing it was in a hazardous financial condition, impaired and/or insolvent, knowingly violating Nevada law, failing

to be informed about the exact nature of the Company's financial condition to the extent they reasonably believed appropriate, not reasonably believing that continuing to operate the Company, or failing to act to cease its operation, while it was impaired, insolvent, and/or in a hazardous financial condition was in the best interests of the Company.

- 545. In knowingly and intentionally entering into, ratifying and/or approving, or failing to act to prevent, or otherwise reject the underwriting of Country Villa, all Director Defendants relied on Uni-Ter and U.S. RE, among others, including without limitation information, opinions, reports, or books of account or statements, including financial statements or other financial data provided by Uni-Ter and/or U.S. RE and others, or prepared based on information provided by Uni-Ter and/or U.S. RE, despite having knowledge concerning the matter in question that caused reliance thereon, including without limitation, Uni-Ter and/or U.S. RE, to be unwarranted.
- 546. Such knowledge included, without limitation, the Conflicts of Interest among UniTer and U.S. RE, and the lack of expertise of Uni-Ter and U.S. RE, the failure to provide all
 relevant monthly financial reports to the Board, as well as the Board's knowledge they had failed
 to review all such reports, and the Red Flags occurring prior to the official conduct at issue.
 Thus, the actions and/or inaction by all Director Defendants regarding the decision to continue
 operating L&C, or failure to act to cease its operation, after review of the 2012 1Q Financials are
 not protected by the BJR, and the BJR is rebutted with respect thereto. Such official conduct
 constitutes a breach of all Director Defendants' fiduciary duties involving intentional and
 knowing misconduct and knowing violations of the law by said defendants, which all Director
 Defendants knew was wrongful at all relevant times.
- 547. In deciding to continue operating L&C, or failing to act to cease its operation, after review of the 2012 2Q Financials, all Director Defendants failed to act honestly and in good faith, on an informed basis, and with a view to the interests of the Company as required by applicable law, including without limitation NRS 78.138(3).
- 548. In deciding to continue operating L&C, or failing to act to cease its operation, after review of the 2012 2Q Financials, all Director Defendants failed to act honestly and in good faith, on an informed basis, and with a view to the interests of the Company by, without limitation,

continuing to operate L&C, or failing to act to cease its operation, while knowing it was in a hazardous financial condition, impaired and/or insolvent, knowingly violating Nevada law, failing to be informed about the exact nature of the Company's financial condition to the extent they reasonably believed appropriate, not reasonably believing that continuing to operate the Company, or failing to act to cease its operation, while it was impaired, insolvent, and/or in a hazardous financial condition was in the best interests of the Company.

549. In deciding to continue operating L&C, or failing to act to cease its operation, after review of the 2012 2Q Financials, all Director Defendants relied on Uni-Ter and U.S. RE, among others, including without limitation information, opinions, reports, or books of account or statements, including financial statements or other financial data provided by Uni-Ter and/or U.S. RE and others, or prepared based on information provided by Uni-Ter and/or U.S. RE, despite having knowledge concerning the matter in question that caused reliance thereon, including without limitation, Uni-Ter and/or U.S. RE, to be unwarranted.

550. Such knowledge included, without limitation, the Conflicts of Interest among Uni-Ter and U.S. RE, and the lack of expertise of Uni-Ter and U.S. RE, the failure to provide all relevant monthly financial reports to the Board, as well as the Board's knowledge they had failed to review all such reports, and the Red Flags occurring prior to the official conduct at issue. Thus, the actions and/or inaction by all Director Defendants regarding the decision to continue operating L&C, or failure to act to cease its operation, after review of the 2012 2Q Financials are not protected by the BJR, and the BJR is rebutted with respect thereto. Such official conduct constitutes a breach of all Director Defendants' fiduciary duties involving intentional and knowing misconduct and knowing violations of the law by said defendants, which all Director Defendants knew was wrongful at all relevant times.

551. In deciding to renew the management agreement with Uni-Ter, all Director Defendants failed to act honestly and in good faith, on an informed basis, and with a view to the interests of the Company as required by applicable law, including without limitation NRS 78.138(3).

552. In determining to renew the management agreement with Uni-Ter, all Director Defendants failed to act honestly and in good faith, on an informed basis, and with a view to the interests of the Company by, without limitation, continuing to operate L&C, or failing to act to cease its operation, while knowing it was in a hazardous financial condition, impaired and/or insolvent, knowingly violating Nevada law, failing to be informed about the exact nature of the Company's financial condition to the extent they reasonably believed appropriate, not reasonably believing the decision to renew the management agreement with Uni-Ter was in the best interests of the Company.

553. in determining to renew the management agreement with Uni-Ter, all Director Defendants relied on Uni-Ter and U.S. RE, among others, including without limitation information, opinions, reports, or books of account or statements, including financial statements or other financial data provided by Uni-Ter and/or U.S. RE and others, or prepared based on information provided by Uni-Ter and/or U.S. RE, despite having knowledge concerning the matter in question that caused reliance thereon, including without limitation, Uni-Ter and/or U.S. RE, to be unwarranted.

554. Such knowledge included, without limitation, the Conflicts of Interest among UniTer and U.S. RE, and the lack of expertise of Uni-Ter and U.S. RE, the failure to provide all
relevant monthly financial reports to the Board, as well as the Board's knowledge they had failed
to review all such reports, and the Red Flags occurring prior to the official conduct at issue.

Thus, the actions and/or inaction by all Director Defendants regarding the decision to in
determining to renew the management agreement with Uni-Ter are not protected by the BJR, and
the BJR is rebutted with respect thereto. Such official conduct constitutes a breach of all Director
Defendants' fiduciary duties involving intentional and knowing misconduct, including without
limitation the violations of the Management Agreements set forth herein, and potentially others,
and knowing violations of the law by said defendants, including without limitation knowing
violation of the statutes set forth herein, and potentially others, which all Director Defendants
knew was wrongful and constituted intentional misconduct and/or knowing violation of the law at
all relevant times.

555. As a proximate result of the Defendants' breaches of fiduciary duties, Plaintiff sustained damages which could have been prevented had the Defendants performed their fiduciary duties as required.

556. The Defendants' acts and failures to act, as set forth herein, were a substantial factor in L&C's damages which were reasonably foreseeable to another in Defendants' position under similar circumstances.

H. Piccione's Aiding and Abetting Defendants' breaches of their fiduciary duties.

1. U.S. RE.

- 557. By virtue of his position as Chairman, President, Chief Executive Officer, and founder or U.S. RE, Piccione had the power, control, and authority to set policy, make employment decisions, decide all matters of business, and to oversee and manage the affairs of U.S. RE.
- 558. By virtue of his position at U.S. RE, Piccione had detailed knowledge of the affairs of U.S. RE in regard to its relationship with L&C.
 - 559. L&C was incorporated and organized at the direction of Piccione.
- 560. The U.S. RE Agreement made U.S. RE the exclusive reinsurance broker for L&C for seven (7) years, and was entered into at the direction of Piccione.
- 561. Employees under the direction and control of Piccione were responsible for initial licensing and license renewal at U.S. RE, and as a result had knowledge that U.S. RE was not a licensed insurance intermediary in Nevada.
 - 562. Piccione knew that U.S. RE was never licensed as a reinsurance broker for L&C.
- 563. On or around July of 2011, U.S. RE employee Bill Joseph provided Piccione with a comprehensive list of all licenses held by U.S. Re, including insurance intermediary licenses, which showed that U.S. RE did not hold a reinsurance intermediary license in Nevada.
- 564. Despite Piccione's knowledge that U.S. RE needed and did not have a Nevada reinsurance intermediary license to act as a reinsurance broker for L&C, Piccione knowingly

participated in the breach of U.S. RE's fiduciary duties to L&C by acting as L&C's reinsurance broker each year from 2004 to 2012.

- 565. Piccione actively participated in recommending and negotiating reinsurance programs for L&C, including without limitation in 2012, and did so knowing that U.S. RE did not hold a Nevada license as a reinsurance intermediary in breach of its fiduciary duty to L&C.
- 566. Piccione knew that U.S. RE provided L&C improper advice on reinsurance in breach of its fiduciary duty to L&C, including but not limited to recommending to L&C reinsurance programs that had inappropriate excess of loss and retention levels.
- 567. Piccione knowingly participated in said breach of U.S. RE's fiduciary duties to L&C, including but not limited to failing to notify L&C or its Board, or taking other corrective action.
- 568. Piccione knew that U.S. RE failed to advise the Board that L&C had options outside of buying reinsurance that would have been more appropriate for L&C, and that such failure by U.S. RE constituted a breach of U.S. RE's fiduciary duties to L&C.
- 569. Piccione knowingly participated in said breach of U.S. RE's fiduciary duties to L&C, including but not limited to failing to notify L&C or its Board, or taking other corrective action.

2. <u>Uni-Ter</u>.

- 570. As a founder, a Director, and the Chairman of Uni-Ter, Piccione had detailed knowledge of the affairs of Uni-Ter in regard to its relationship with L&C.
- 571. By virtue of his position at Uni-Ter, Piccione had the power, control and authority over Uni-Ter to set policy, provide directives to employees, and to oversee and manage the affairs of the business.
- 572. Piccione was deeply involved in the day to day affairs of Uni-Ter, was frequently consulted and made decisions on behalf of Uni-Ter, closely monitored and had knowledge of the daily operations of Uni-Ter, and was known by the employees of Uni-Ter as the individual who had the final say on all matters related to Uni-Ter.

573. L&C was incorporated and organized at the direction of Piccione for the purpose of providing a captive source of management fees to Uni-Ter, to benefit Piccione personally, because Uni-Ter was an indirect wholly owned subsidiary of U.S. RE Companies, of which Piccione was the largest shareholder.

- 574. Piccione created L&C with the intention that L&C would be managed by Uni-Ter, and caused that Uni-Ter enter into the 2004 Management Agreement with L&C, despite that fact that Piccione knew he had no background or experience in running an insurance company and had no reasonable belief that he could do so competently.
- 575. Piccione caused that the Board of L&C would be composed of individuals that had no education, training, or experience running an insurance company, and that Uni-Ter would be headed by individuals that had no education, training, or experience running an insurance company.
- 576. Piccione put Elsass in charge of running Uni-Ter, who Piccione knew had a background in sales, brokering and investment banking, but had never run or managed an insurance company, and had no experience in handling claims or setting reserves.
- 577. Piccione caused that compensation for Elsass to include incentives to increase the amount of premiums underwritten by Uni-Ter on behalf of L&C, and to increase the net profits of Uni-Ter, but failed to include any incentives to Elsass to provide for the financial strength and stability of L&C, thereby placing undue emphasis and focus on L&C's rapid growth at the expense of L&C's solvency and ability to pay claims.
- 578. In or around 2011, Piccione became aware that Elsass had been suppressing L&C's claims reserves in breach of Uni-Ter's fiduciary duty to L&C, but did not notify the Board or take appropriate corrective action.
- 579. In or around 2010 or 2011, Piccione became aware that L&C was in a hazardous financial condition, but did not notify the Board or take appropriate corrective action in time to avert the events leading up to the Receivership Action.
- 580. Piccione knew that U.S. RE was not licensed in Nevada as an insurance intermediary, and that Uni-Ter was advising L&C to use U.S. RE as its exclusive reinsurance

broker in breach of is fiduciary duty to L&C, but did not inform the Board of this fact or take appropriate corrective action.

581. Piccione became aware no later than May 2012 that there was an employee "whistle blower" at Uni-Ter that had likely "kept detailed records of all e-mails and conversations specific to the issues of reserves being suppressed." Despite this, Piccione intentionally failed to disclose this information to the Board, or take other corrective action, which purposely aided and abetted Uni-Ter's breach of fiduciary duties and negligent misrepresentations to L&C as more fully detailed herein.

- 640. Plaintiff has retained the undersigned law firm to represent the Receiver in this matter, and is obligated to pay it a reasonable attorney's fee and costs, which it is entitled to recover herein.
 - 641. WHEREFORE, Plaintiff prayse for relief and judgment as set forth herein.

EIGHTH CLAIM FOR RELIEF

(Breach of Fiduciary Duties – Barbara Lumpkin)

- 642. Plaintiff repeats and realleges all allegations contained herein, including without limitation Paragraphs 1 through 641, as though fully set forth herein.
- 643. As a director of L&C, a fiduciary relationship existed between Plaintiff and Lumpkin at the time of the acts or inaction alleged herein.
- 644. As such, Lumpkin owed fiduciary duties to Plaintiff, including without limitation the duties of care, honesty, loyalty, confidentiality, full disclosure, fairness, and good faith.
 - 645. Lumpkin breached one or more of those duties, as set forth herein.
- 646. Such breaches were not protected by the business judgment rule, and/or the business judgment rule was rebutted with respect thereto, as set forth herein.
- 647. Such breaches involved intentional and knowing misconduct and/or knowing violations of the law by said defendant, which said defendant knew was wrongful at all relevant times, as set forth herein.
- 648. As a proximate result, Plaintiff has been damaged in an amount in excess of \$15,000, the exact amount to be proven at trial in this matter.

1	649. Plaintiff has retained the undersigned law firm to represent the Receiver in this		
2	matter, and is obligated to pay it a reasonable attorney's fee and costs, which it is entitled to		
3	recover herein.		
4	650. WHEREFORE, Plaintiff prayse for relief and judgment as set forth herein.		
5	NINTH CLAIM FOR RELIEF		
6	(Deepening of the Insolvency of L&C Caused by all Defendants)		
7	651. Plaintiff repeats and realleges all allegations contained herein, including withou		
8	limitation Paragraphs 1 through 650, as though fully set forth herein.		
9	652. Defendants' actions and/or failures to act severely and unlawfully prolonged the		
10	life of L&C, led to its initial insolvency and, also increased its insolvency.		
11	653. As a proximate result, Plaintiff has been damaged in an amount in excess or		
12	\$15,000, the exact amount to be proven at trial in this matter.		
13	654. Plaintiff has retained the undersigned law firm to represent the Receiver in this		
14	matter, and is obligated to pay it a reasonable attorney's fee and costs, which it is entitled to		
15	recover herein.		
16	655. WHEREFORE, Plaintiff prayse for relief and judgment as set forth herein.		
17	TENTH CLAIM FOR RELIEF		
18	(Negligent Misrepresentation by Uni-Ter UMC)		
19	656. Plaintiff repeats and realleges all allegations contained herein, including withou		
20	limitation Paragraphs 1 through 655, as though fully set forth herein.		
21	657. Uni-Ter UMC, through its employees, negligently misrepresented the specific		
22	financial conditions of L&C including the level of losses and LAE.		
23	658. Uni-Ter had participated in the creation of L&C and grown it rapidly for its own		
24	financial benefit, as well as that of U.S. RE, who benefitted from the placement of reinsurance		
25	and from management fees earned by its subsidiary. Uni-Ter had intimate familiarity with th		
26	financial information of L&C.		
27	659. However, instead of presenting all relevant financial information to the Board		
28	Uni-Ter appears to have selectively provided information such that the Board was not informed		

of the actual financial condition of L&C at certain times. Even after a number of reports showed substantial growth of L&C's losses in late 2011, Mr. Elsass even represented to the Board in early 2012 that claims losses were not as bad as previously reported in late December.

- 660. Uni-Ter and Milliman told the Board that the large losses that started appearing in the 3rd quarter of 2010 were primarily because of three insureds who had been non-renewed in 2011, thus giving the impression that this would resolve the large losses issue. These representations are representative of how the Board was kept in the dark regarding the actual financial condition of L&C.
- 661. L&C justifiably relied on the information presented to it by Uni-Ter, as set forth herein.
- 662. As a proximate result, Plaintiff has suffered damages in excess of \$15,000, the exact amount to be proven at trial herein.
- 663. Plaintiff has retained the undersigned law firm to represent her in this matter, and is obligated to pay it a reasonable attorney's fee and costs, which it is entitled to recover herein.
 - 664. WHEREFORE, Plaintiff prayse for relief and judgment as set forth herein.

ELEVENTH CLAIM FOR RELIEF

(Breach of Fiduciary Duty by Uni-Ter UMC)

- 665. Plaintiff repeats and realleges all allegations contained herein, including without limitation Paragraphs 1 through 664, as though fully set forth herein.
- 666. A fiduciary relationship between L&C and Uni-Ter UMC pursuant to which Uni-Ter UMC owed fiduciary duties to L&C because, without limitation, such a fiduciary relationship was set forth in the 2004 Management Agreement and the 2011 Management Agreement, as well as because L&C had the right to expect trust and confidence in the integrity and fidelity of Uni-Ter UMC.
- 667. As a result, Uni-Ter UMC owed fiduciary duties to L&C, including without limitation the duties of care, honesty, loyalty, confidentiality, full disclosure, fairness, and good faith.

- 668. Uni-Ter UMC breached one or more of those duties, including without limitation as set forth herein.
- 669. As a proximate result, Plaintiff has been damaged in an amount in excess of \$15,000, the exact amount to be proven at trial in this matter.
- 670. Plaintiff has retained the undersigned law firm to represent the Receiver in this matter, and is obligated to pay it a reasonable attorney's fee and costs, which it is entitled to recover herein.
 - 671. WHEREFORE, Plaintiff prayse for relief and judgment as set forth herein.

TWELFTH CLAIM FOR RELIEF

(Breach of Fiduciary Duty by Uni-Ter CS)

- 672. Plaintiff repeats and realleges all allegations contained herein, including without limitation Paragraphs 1 through 671, as though fully set forth herein.
- 673. A fiduciary relationship between L&C and Uni-Ter CS pursuant to which Uni-Ter CS owed fiduciary duties to L&C because, without limitation, such a fiduciary relationship was set forth in the 2011 Management Agreement, as well as because L&C had the right to expect trust and confidence in the integrity and fidelity of Uni-Ter CS.
- 674. As a result, Uni-Ter CS owed fiduciary duties to L&C, including without limitation the duties of care, honesty, loyalty, confidentiality, full disclosure, fairness, and good faith.
- 675. Uni-Ter CS breached one or more of those duties, as set forth herein, including without limitation by suppressing reserves and failing to correct the problem.
- 676. As a proximate result, Plaintiff has been damaged in an amount in excess of \$15,000, the exact amount to be proven at trial in this matter.
- 677. Plaintiff has retained the undersigned law firm to represent the Receiver in this matter, and is obligated to pay it a reasonable attorney's fee and costs, which it is entitled to recover herein.
 - 678. WHEREFORE, Plaintiff prayse for relief and judgment as set forth herein.

(Breach of Fiduciary Duty Against U.S. RE)

- 679. Plaintiff repeats and realleges all allegations contained herein, including without limitation Paragraphs 1 through 678, as though fully set forth herein.
- 680. L&C engaged U.S. RE as its agent and exclusive broker and consultant to find and secure appropriate reinsurance. The U.S. RE Agreement appointed U.S. RE as L&C's exclusive reinsurance intermediary/broker and granted U.S. RE full and complete authority to negotiate the placement of reinsurance on all classes of insurance with unspecified limits of coverage as requested by the underwriter of L&C (i.e., Uni-Ter).
- U.S. RE was itself engaged as L&C's "exclusive reinsurance intermediary/broker" and as L&C's agent, including being granted "full and complete authority to negotiate the placement of reinsurance or retrocessions on all classes of insurance with unspecified limits of coverage as specifically requested by any underwriter of [L&C]." See Exhibit 4, the U.S. RE Agreement.
- 682. The U.S. RE Agreement further recognizes U.S. RE's agency with L&C by stating that U.S. RE "will exercise its best efforts in the discharge of its duties on behalf of the Company." *Id.* (emphasis added).
- 683. The Supreme Court of Nevada has held that "[a]n agency relationship is formed when one who hires another retains a contractual right to control the other's manner of performance." Grand Hotel Gift Shop v. Granite State Ins. Co., 108 Nev. 811, 815, 839 P.2d 599, 602 (1992) (citation omitted).
- 684. U.S. RE acted as the agent of L&C, as the U.S. RE Agreement expressly states not only that U.S. RE will act "on behalf of" L&C, but also that L&C has the right to control U.S. RE's manner of performance as U.S. RE promises to "comply with written standards established by [L&C] for the cession or retrocession of all insured risks." See Exhibit 4.
- 685. Further, Nevada law makes clear that "[a]n agent, such as respondent in these circumstances, owes to the principal the highest duty of fidelity, loyalty and honesty in the performance of the duties by the agent on behalf of the principal." LeMon v. Landers, 81 Nev.

SEVENTEENTH CLAIM FOR RELIEF

(Aiding and Abetting U.S. RE's Breach of Fiduciary Duty Against Piccione)

- 715. Plaintiff repeats and realleges all allegations contained herein, including without limitation Paragraphs 1 through 714, as though fully set forth herein.
- 716. As a result of the relationship that existed between U.S. RE and L&C, U.S. RE owed a fiduciary duty to L&C at all time relevant herein.
- 717. As a result of the fiduciary relationship that existed between U.S. RE and L&C, U.S. RE breached its fiduciary duty to L&C as more fully described herein.
- 718. Piccione knew of U.S. RE's fiduciary obligations to L&C, knew of U.S. RE's breaches of fiduciary duties to L&C, and substantially assisted or encouraged in U.S. RE's breach of fiduciary duty to L&C by aiding and abetting U.S. RE's breaches. These actions include, without limitation, aiding and abetting U.S. RE acting as L&C's reinsurance broker without having a Nevada reinsurance intermediary license, with respect to recommending inappropriate reinsurance programs to L&C, and with respect to failing to advise L&C that there may options outside of buying reinsurance that may have been more appropriate for L&C.
- 719. As a proximate result, Plaintiff has been damaged in an amount in excess of \$15,000, the exact amount to be proven at trial in this matter.
- 720. Plaintiff has retained the undersigned law firm to represent her in this matter, and is obligated to pay it a reasonable attorney's fee and costs, which it is entitled to recover herein.

EIGHTEENTH CLAIM FOR RELIEF

(Aiding and Abetting Uni-Ter UMC and Uni-Ter CS's Breaches of Fiduciary Duty Against Piccione)

- 722. Plaintiff repeats and realleges all allegations contained herein, including without limitation Paragraphs 1 through 721, as though fully set forth herein.
- 723. L&C engaged Uni-Ter to act as its managing general agent pursuant to the terms of the 2004 Managing Agreement and later the 2011 Management Agreement.
- 724. As a result of the relationship that existed between Uni-Ter and L&C, Uni-Ter owed a fiduciary duty to L&C at all time relevant herein.
- 725. As a result of the fiduciary relationship that existed between Uni-Ter and L&C, Uni-Ter breached its fiduciary duty to L&C as more fully described herein.
- 726. Piccione knew of Uni-Ter's fiduciary obligations to L&C, knew of Uni-Ter's breaches of fiduciary duties to L&C, and substantially assisted or encouraged in Uni-Ter's breach of fiduciary duty to L&C by aiding and abetting Uni-Ter's breaches. These actions include, without limitation, not informing the Board and taking appropriate actions when Uni-Ter suppressed L&C's reserves, when Uni-Ter failed to provide material, timely or accurate information to the Board, when L&C was in a hazardous financial position, and by recommending that L&C use U.S. RE as its reinsurance broker knowing that needed but did not have a Nevada reinsurance intermediary license.
- 727. As a proximate result, Plaintiff has been damaged in an amount in excess of \$15,000, the exact amount to be proven at trial in this matter.
- 728. Plaintiff has retained the undersigned law firm to represent her in this matter, and is obligated to pay it a reasonable attorney's fee and costs, which it is entitled to recover herein.

WHEREFORE, Plaintiff prays for relief and judgment as follows:

- A. For actual damages, including without limitation general, compensatory and special damages, sustained by Plaintiff in an amount in excess of \$15,000 in an amount to be more specifically established at trial in accordance with proof;
 - B. For reasonable attorney's fees pursuant to statute or as special damages, or as

1 provided in the agreement between the parties; 2 C. For pre-judgment and post-judgment interest; and D. For such other and further relief at law or in equity as the Court may deem just and 3 4 proper. 5 DATED: July 2, 2020. **HUTCHISON & STEFFEN** 6 By: /s/ Brenoch Wirthlin, Esq. 7 MARK A. 	Q. Correct. A. I would like to review — I've seen her name here today in some of the documents that I have before me. I would just like to verify that the answer I give you is consistent with what my recollection is. So if you'll give me a moment. Q. I'll give you as much time as you want. A. Thank you very much. Q. If you don't mind, I'll be glad to tell you what her role is, rather than as to guess. She's the chief financial officer. You've heard the term "CFO"? A. I have. And I believe she was responsible for the preparation and filing of the financial statements for Lewis & Clark in her capacity within Uni-Ter for that. Q. And I'm sure you're aware that she prepared and submitted each of the board members a packet prior to the board so they would have the documents that were going to be discussed in their possession when they were talking, for example, telephonicalty? A. I would hope, without speculating, that she would do that. That would be her role to have provided advance information to board members. But I don't have, as I previously stated, specific Page 94 contents of what those were for any specific meeting. Q. You understood you were here to talk about the commutation of the Imagine Re treaty, and you understood that it was commuted in early January of 2008 because you claim that that was wrong; correct? A. Yes. Q. And you understood that there was a board meeting minutes that reflected and approved the commutation because you're accussing my client of wrongfully recommending to the board that they commute the treaty; correct? A. I think that's consistent with at least the board minutes that you've shown me a copy of bere today, yes. Q. Sure. And when you — did you ask anybody. I'm preparing for deposition. I'm going to be talking about the commutation of the Imagine Re treaty. There's a board meeting minutes. Can I at least see the board meeting minutes? And by the way, if there's any recommendations made by U.S. RE to the board, can I see a copy of that?	11:26 A. What is the factual basis for the statement that my client Uni-Ter failed to provide Praxis with accurate and adequate information? A. I believe that that sentence goes on to say that it was not accurate — I don't know that it says adequate. But that Praxis's engagement was limited by Uni-Ter. Q. Praxis's overall engagement or Praxis's September the 15th, 2011, engagement? A. The complaint reads Praxis's initial engagement. Q. And you fault Uni-Ter for limiting Praxis's initial engagement? A. We discussed earlier today my concerns	11:43 11:43 11:43 11:44 11:44 11:44 11:44 11:44 11:44 11:44 11:44 11:44 11:44 11:44 11:44 11:44	1 2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 1 19 1 20 1 21 10 22 21 23 5 24	the claims manager prior to Ms. Miller. And then there was a gentleman who Mr. Elsass apparently had worked with for a number of years who had been the claims adjuster before that. Q. Mr. Miller? A. I don't know if his name was — I don't recall that it was Miller. Miller is the last one, and that's Johanna or Joanna or whatever her first name is. Johanna. I thought it started with — like it was Jim Jordan or something. But, again, I didn't — I didn't commit their names to memory because I don't know that the names are as important as the actions of the individuals that were doing it. And it was her reserving practices, the intervening claims adjuster who had moved those reserves up to \$20 million collectively on the losses, that — and I don't see any reference in their report that they were provided with that level of detail. So I don't know what Uni-Ter provided them, but it would appear that they omitted or

Q. Do you know whether or not Brian Stiefel of Praxis commented on the capabilities and skillsets, in his September 15, 2011, report, of the claim staff at Uni-Ter? A. He gave a brief bio for what I believe to be the claim staff as it existed at the time of his appearance for preparation of this report. Q. Do you know whether he later then commented that they were qualified people? A. He may have. I don't recall that. If you want to point me to that in this report, I'il — Q. I said "later." I'd like to go to 1(b). There's an allegation that the board placed undue reliance on Uni-Ter as its manager without properly informing itself of the information provided. What facts do you have to support that allegation that the board of Lewis & Clark placed undue reliance on Uni-Ter without properly informin itself of the information? A. I think it is addressed throughout the complaint that there are a couple of these transactions. But the Lewis & Clark board I think generally placed a great deal of reliance on Uni-Ter. SUBJECTS OF EXAMINATION

1. The conduct of the Directors and Officers of L&C ("Board"), including, but not limited to:

- Your allegation that the Board was grossly negligent in performing their a. duties as directors and officers of L&C, which resulted in the receivership action being filed, as set forth in Paragraph 32 of the Complaint.
- Your allegation that the Board placed undue reliance on Uni-Ter as its Ъ. manager without properly informing itself of the information provided by Uni-Ter and its affiliates as set forth in Paragraph 34 of the Complaint.
- Your allegation that the Board continued to rely on information provided C, by Uni-Ter despite clear indications that information provided by Uni-Ter was incomplete and inaccurate and that the recommendations were ill advised as set forth in Paragraph 34 of the Complaint.
- d. Your allegation that the Board failed to exercise diligence in correcting, and worsening, L&C's financial problems outlined in the DOI's September 2010 Letter as set forth in Paragraph 99 of the Complaint.
- Your allegation that the Board knew that information presented to it by, or e. at the direction of Uni-Ter and U.S. Re, could not be relied on as set forth in Paragraph 104 of the Complaint.
- f. Your allegation that the Board relied on the reports and recommendations of Elsass and Uni-Ter UMC, despite knowing they were unwarranted as set forth in Paragraph 121 of the Complaint.
- Your allegation that the minutes of the October 5, 2011 action by the Board g. demonstrate the Board was aware it was not receiving accurate and complete information from Uni-Ter as set forth in Paragraph 145 of the Complaint.
- h. Your allegation that the Board failed to exercise even slight diligence or scant care and failed to ensure that Uni-Ter provided more complete and accurate reporting of L&C's financial status as set forth in Paragraph 145 of the Complaint.
- í. Your allegation that the insolvency of L&C was arguably attributable to the directors and officers' failure to promptly identify and address the financial problems as set forth in Paragraph 238 of the Complaint.

2.	L&C's acceptance	of Multi-Site	Operators a	s policyholders,	including,	but not
limited to:	• •		_			

- a. Your allegations that the Board accepted Multi-Site Operators, at Uni-Ter's direction, without exercising diligence and without adequate information as set forth in Paragraphs 55 and 58 of the Complaint.
- b. Your allegation that L&C's acceptance of Multi-Site Operators was a significant divergence from the established business model of L&C as set forth in Paragraph 60 of the Complaint.
- c. Your allegation that the principal reason for L&C's net losses in the first three quarters of 2011 was because the Multi-Site Operators had passed on significant losses to L&C in the two policy years from 2009-2011 as set forth in Paragraph 101 of the Complaint.
- 3. Uni-Ter's conduct, including, but not limited to:
 - a. Your allegation that Uni-Ter UMC, through its employees, negligently misrepresented the specific financial condition of L&C including the level of losses and LAE as set forth in Paragraph 242 of the Complaint.
 - b. Your allegation that Uni-Ter did not present all relevant and accurate information concerning the financial condition of L&C to the Board as set forth in Paragraph 244 of the Complaint.
- 4. U.S. Re Involvement with L&C, including, but not limited to:
 - a. Your allegation that U.S. Re acted as an agent of L&C as set forth in Paragraphs 82 of the Complaint.
 - b. Your allegation that U.S. Re was engaged not only as L&C's exclusive broker, but also as its consultant as set forth in Paragraph 84 of the Complaint.
 - c. Your allegations that U.S. Re was actively involved in the activities and management of L&C as set forth in Paragraphs 90 and 91 of the Complaint.
- 5. L&C's Financial Condition, including, but not limited to:
 - a. Your allegations that at the end of 2011, there was ample information that clearly showed L&C's financial condition was in dangerous peril as set forth in Paragraphs 222 and 223 of the Complaint.

- 6. Commutation of the Imagine Re treaty in 2008, including, but not limited to:
 - Your allegations that Uni-Ter breached its fiduciary duty to L&C by recommending to the Board that the 2007 treaty be commuted as set forth in Paragraphs 94, 251, 252 and 267 of the Complaint.
 - b. Your allegation that U.S. Re benefited from the commutation of the 2007 treaty as set forth in Paragraph 253 of the Complaint,
- 7. Commutation of the 2008 and 2009 treaties, including, but not limited to:
 - a. Your allegations that Uni-Ter breached its fiduciary duty to L&C by failing to get Board approval to commute the 2008-2009 treaty as set forth in Paragraphs 251 and 253 of the Complaint.
- 8. Setting of Claim Reserves, including, but not limited to:
 - Your allegation that Uni-Ter understated claim reserves as set forth in Paragraph 115 of the Complaint.
- 9. Praxis's Reports, including, but not limited to:
 - Your allegations that Uni-Ter failed to provide Praxis accurate and adequate information as set forth in Paragraphs 106 and 107 of the Complaint.
 - b. Your allegation that Praxis's September 15, 2011 report was substantially inaccurate and incomplete as set forth in Paragraphs 106 and 107 of the Complaint.
 - C. Your allegation that Praxis concluded that an additional two million dollars in reserve strengthening was needed in July 2012 as set forth in Paragraph 213 of the Complaint.
- 10. Fishlinger's Reports, including, but not limited to:
 - a. Your allegation that Fishlinger did not conduct an independent analysis of the claims reviewed by Praxis in late 2011, but instead, relied on the work of Praxis in coming to a similar conclusion on the amount of reserve strengthening needed as set forth in Paragraph 212 of the Complaint.
 - b. Your allegation that in 2012, Fishlinger recommended similar reserve strengthening as Praxis had in July 2012 as set forth in Paragraph 214 of the Complaint.
 - ¢. Your allegation that in 2012, a London based reinsurance broker also reviewed the case reserves and determined that it would be comfortable in

the low end of the ranges of reserves established by Fishlinger as set forth in Paragraph 214 of the Complaint.

- 11. U.S. Re's handling of Reinsurance for L&C, including, but not limited to:
 - a. Your allegations that U.S. Re failed to obtain reinsurance through syndicates as required under the U.S. Re Agreement as set forth in Paragraphs 92 and 265 of the Complaint.
 - b. Your allegations that U.S. Re breached its fiduciary duty by intentionally failing to find appropriate reinsurance as set forth in Paragraphs 92, 94, 265 and 267 of the Complaint.
 - c. Your allegation that L&C's reinsurance deductible was set too high, especially in years 2009 and 2010, as set forth in Paragraph 185.
 - d. Your allegations that the reinsurance policies were not invoked because the deductibles were consistently too high as set forth in Paragraphs 92, 94, 265 and 267 of the Complaint.

PRELIMINARY STATEMENT AND DEFINITIONS

L&C has not fully completed its investigation of the facts relating to this case, has not completed discovery in this action, and has not completed preparation for trial. All responses contained herein are based only upon such information as is presently available to and specifically known by this responding party and it discloses only those conclusions and contentions which presently occur to this responding party. It is anticipated that further discovery, pending investigation, legal research and analysis will supply additional facts, add meaning to the known facts, and may establish entirely new factual conclusions and legal contentions, all of which may lend substantial additions to, changes, and variations from the responses herein set forth.

The following responses are given without prejudice to or waiver of L&C's right to introduce evidence of subsequently discovered and developed conclusions or contentions. The responses contained herein are made in a good faith effort to supply as much factual information and as much specification of legal contentions as is presently known, but in no way should be to the prejudice of these responding parties in relation to discovery, research or analysis.

Additionally, in answering the below interrogatories, L&C incorporates all documents or things produced by any other party to this litigation. L&C additionally reserves its right to supplement and/or amend each and every response below.

GENERAL OBJECTIONS

These responses are made solely for the purpose of and use in this litigation. Each response is given subject to all appropriate objections (including, but not limited to, objections concerning competency, relevancy, materiality, propriety and admissibility) which would require the exclusion of any statement contained herein if the request or Interrogatory were asked of, or any statement contained herein were made by, a witness testifying in Court. L&C reserves all such objections and the grounds therefore and may interpose them at the time of trial.

L&C has not yet completed its investigation and analysis of the facts relating to this

L&C objects to these Interrogatories to the extent they seek documents or information already in the possession of or readily available to Plaintiffs. L&C objects to these Interrogatories to the extent they seek documents or information not within L&C's possession, custody, or control.

L&C objects to these Interrogatories to the extent they call for Enterprises' legal conclusions, contentions, and/or theories. L&C objects to these Interrogatories to the extent they assume facts which are incorrect or do not exist.

L&C objects to these Interrogatories to the extent they exceed the allowed amount pursunt to NRCP 33.

These General Objections are hereby incorporated and made a part of each and every response to the Interrogatories set forth below:

- 1. L&C objects to any request which seeks a response protected by the attorneyclient privilege or the attorney work product doctrine.
- 2. L&C does not waive any objection set forth herein by interposing these objections or by making any subsequent admission or denial.
- No response, nor subsequent response, constitutes a waiver of any other objection pursuant to these Requests for Admission and responses or to other similar requests that may be propounded at a later time.
- 4. L&C objects to each and every request to the extent that it calls for disclosure of information that is neither relevant to this matter, nor reasonably calculated or likely to lead to the discovery of admissible evidence.
- 5. L&C objects to each and every request to the extent that it seeks to impose an undue burden or expense or is overly broad, annoying or oppressive.
- 6. L&C objects to each and every request to the extent that it is vague, ambiguous, or fails to identify with reasonable particularity the documents and/or information requested.
 - 7. The mere fact that any of these objections is not restated below in response to any

These objections are incorporated by reference into the responses to each specific request set forth below as if set forth fully herein.

- 8. L&C reserves the right to supplement its objections and responses to these requests.
- 9. The foregoing objections are incorporated into each and every response to each and every request for admission.

INTERROGATORY NO. 1:

State all facts, incidents and circumstances that evidence the BOD acted with gross negligence with the management of Lewis & Clark. For each fact, state the approximate date.

ANSWER TO INTERROGATORY NO. 1:

L&C objects to the terms "evidence" and "gross negligence" as vague and ambiguous. This Interrogatory is further objected to the extent that it improperly attempts to invade the attorney client and/or attorney work product doctrine and further seeks the premature disclosure of expert opinions, and calls for a legal conclusion. In addition, L&C objects to this interrogatory as broad ranging written discovery is improper when it essentially subsumes every fact in the case. See Aldapa v. Fowler Packing Co. Inc., 310 F.R.D. 583, 591 (E.D. Cal. 2015), reconsideration denied, No. 115CV00420GEBSAB, 2016 WL 81231 (E.D. Cal. Jan. 7, 2016); Hiskett v. Wal-Mart Stores, Inc., 180 F.R.D. 403, 404 (D. Kan. 1998); Safeco of Am. v. Rawstron, 181 F.R.D. 441, 447-48 (C.D. Cal. 1998); Lawrence v. First Kan. Bank & Trust Co., 169 F.R.D. 657, 660-63 (D. Kan. 1996); Hilt v. SFC, Inc., 170 F.R.D. 182, 186-87 (D. Kan. 1997).

Without waiving its objections, and without limitation, L&C was a Nevada corporation formed in or around 2003. L&C was organized as a risk retention group to write Professional and General Liability coverage for long-term care facilities in the Pacific Northwest. L&C expanded its area of operation over the years and, at the time of Receivership Action in 2012, wrote coverage for long term care facilities in 46 states, although New York, California, Oregon, and

FENNEMORE CRAIG, P.C.

LAS VEGAS

Washington accounted for a majority of the premiums.

The Director Defendants include the directors and officers of L&C at the relevant times who, among other things, were grossly negligent in performing their duties as directors and officers of L&C which resulted the Receivership Action being filed.

Defendants Uni-Ter UMC and Uni-Ter CS were retained as a manager of L&C and Defendant U.S. RE was retained to provide reinsurance to L&C.

On information and belief, the Director Defendants who were directors and officers of L&C were aware at the time it retained Uni-Ter and its affiliates that they had only recently been formed and had limited operating history. Further, the Board understood that the Board members had not previously organized an insurance company. Thus, on information and belief, the Board placed undue reliance on Uni-Ter as its manager without properly informing itself of the information provided by Uni-Ter and its affiliates. Further, on information and belief, the Board continued to rely on information and recommendations from Uni-Ter despite clear indications that the information was incomplete and inaccurate and the recommendations were ill advised, but the Board failed to exercise even slight diligence or care in verifying or correcting the misinformation provided by Uni-Ter, U.S. RE and others, and to take proper corrective action.

During calendar year 2005, L&C acquired Henry Hudson LTC Risk Retention Group, Inc. ("Henry Hudson") which wrote exclusively in New York. L&C assumed all outstanding liabilities of Henry Hudson.

L&C acquired Sophia Palmer Nurses Risk Retention Group ("Sophia Palmer") in 2009. Sophia Palmer wrote general and professional liability policies to nurses mostly in Florida. L&C assumed all outstanding liabilities of Sophia Palmer.

By the time it was placed in receivership, L&C had issued approximately 25,254 shares of common stock. Its directors and officers held approximately 11,720 shares. The largest shareholders were Pinnacle with approximately 3663 shares and Eagle Healthcare with approximately 4041 shares.

1

FENNEMORE CRAIG, P.C.

L&C was managed by Uni-Ter UMC at all times. Uni-Ter UMC also did other work including private offering work on behalf of L&C such as sending out the offering memoranda and offering documents on behalf of the company.

The Uni-Ter entities hold themselves out as a leading provider of liability insurance to the healthcare industry.

Uni-Ter UMC has created at least five Risk Retention Groups which include L&C, Ponce de Leon LTC RRG, Inc., and J.M. Woodworth RRG, Inc.

As a Managing General Underwriter, Uni-Ter's services to L&C included administration, underwriting, risk management, claims, and regulatory compliance.

Immediately upon formation of L&C by Uni-Ter UMC, L&C entered into management agreements with Uni-Ter UMC. In 2011, Uni-Ter entered into a new management agreement with Uni-Ter UMC and Uni-Ter CS.

L&C and Uni-Ter UMC entered into a Management Agreement dated January 1, 2004 ("2004 Management Agreement") for a period of seven years. In the agreement, L&C appointed Uni-Ter UMC as its exclusive underwriting, administrative, accounting, risk management, and claims manager for the lines of business and territories set forth in Exhibit A to that agreement.

The 2004 Management Agreement states that Uni-Ter UMC would "serve L&C in a fiduciary capacity for all legal duties."

Uni-Ter UMC's duties under the 2004 Management Agreement expressly included the following: (i) Soliciting of risks and class of risks that meet L&C's underwriting and pricing standards, appointing qualified brokers and agents to sell the insurance, (ii) binding of risks, (iii) issuance, renewal, and cancellation of policies, (iv) collection of premiums, (v) handling of claims, (vi) keeping accurate records and having audits done, (vii) maintaining electronic files, (viii) providing the usual and customary services to insureds, (ix) ensuring compliance with state and federal regulations, (x) determining and setting appropriate premium rates, (xi) compiling and providing the needed statistical reports to L&C, (xii) holding all of L&C's assets in investment custodian accounts as a fiduciary, (xiii) determining and obtaining appropriate reinsurance

FENNEMORE CRAIG, P.C. Las Vegas authorized by L&C, (xiv) safeguarding and maintaining L&C property, and (xv) accounting to L&C for certain financial and insurance information on a monthly basis (including operating statement, balance sheet, policies written for the month, claims incurred for the month, AR summary, and summary of all claims, reserves, and losses). Article III.

Uni-Ter's duties also specifically included "[t]o arrange for or perform risk management services for the benefit of the insureds of L&C. Such risk management shall have the primary goal of reducing the frequency of medical incidents that give rise to policy claims. Specific risk management duties are set forth in Exhibit C." Art. III(R).

Uni-Ter's duties also included filing quarterly and annual financial statements with the Nevada DOI and other states requiring the same. Art. III(H)(2).

The 2004 Management Agreement also included Exhibit B entitled Claims Management Authority which stated that Uni-Ter UMC "shall handle all aspects of claim processing . . . for all claims and allocated loss adjustment expenses subject to this Agreement." The Exhibit then lists specific claims handling duties of Uni-Ter including monthly reporting of new claims, open reserves, paid claims, and ending reserve balance for both indemnity and expense activity.

Regarding compensation, Uni-Ter was paid in three components.

- (i) A management fee of 22% of gross written premiums net of cancellations and non renewals up to \$5 million, 20% between \$5 million and \$15 million, and 17.5% above \$15 million. Management fees were to be paid monthly.
- (ii) Claims handling fees of \$250 per file setup for each claim or investigation, \$95 per hour for claim adjuster/nurse professional time, and actual travel expenses.
- (iii) A profit sharing bonus on a sliding scale as a percent of earned premiums based on loss ratio for each calendar year. The profit sharing bonus was to be paid no later than March 1 of the year following the fifth year after the year at issue.

The 2004 Management Agreement included amendments that modified these payment terms.

PENNEMORE CRAIG, P.C.

The Second Amendment to the 2004 Management Agreement states that for all services under the 2004 Management Agreement other than claims handling, the management fee will be 12% of annual gross written premiums net of cancellations and non-renewals plus the amount of agency commissions (at rates approved by L&C) payable to retail and wholesale agents appointed by Uni-Ter.

Various amendments raised the hourly rate for claim adjuster/professional time.

The Fifth Amendment to the 2004 Management Agreement modified the profit sharing bonus provision to be paid on March 1 of the year following the fourth year after the year at issue.

On information and belief, in or around 2009 L&C, at Uni-Ter's direction, accepted multiple multi-site LTC operators ("Multi-site Operators") as policyholders. As noted above, one of these operators was Sophia Palmer.

On information and belief, at the time L&C accepted Sophia Palmer, Lumpkin – a director of L&C – also chaired the board of Sophia Palmer.

On information and belief, the DOI reprimanded the Board for failing to submit a Conflict of Interest Statement as the officers and directors of L&C were required to do pursuant to NAC 694C.

On information and belief, the Board accepted Uni-Ter's direction to obtain the Multi-site Operators, including Sophia Palmer, without adequate information. In fact, the Board failed to even exercise a slight degree of diligence in determining whether the acceptance of the Multi-site Operators, including Sophia Palmer, was an appropriate decision.

On information and belief, had the Board exercised even scant care in informing itself based upon the information available to it regarding the Multi-site Operators, it would have discovered that in fact the recommendation by Uni-Ter was ill advised.

On information and belief, L&C's acceptance of the Multi-site Operators constituted a significant divergence from the established business model of L&C as the Multi-site Operators were large, multi-facility operators and had historical loss records outside L&C's typical underwriting range. Further, on information and belief, one of the contracts at issue contained an

FENNEMORE CRAIG, P.C.

unprecedented provision that limited the claims exposure of L&C on an aggregate level rather than on a claim-specific level.

Following L&C's acquisition in 2009 of the Sophia Palmer nurse/nurse practitioner book of business in Florida, the Seventh Amendment stated that the existing profit sharing terms were applicable to L&C's long term care facility/home health care book of business, but that regarding L&C's nurse/nurse practitioner book of business produced by agents, the profit sharing bonus (called "commissions") were to be paid at a rate of 37.5% of the annual gross written premiums net of cancellations and non-renewals. For nurse/nurse practitioner business produced by Uni-Ter UMC, the commission rate was to be 30.0%.

The Eighth Amendment to the 2004 Management Agreement stated that management fees were to be paid to Uni-Ter UMC on a continuing basis as premiums are collected or adjusted (as opposed to monthly previously).

On information and belief, Uni-Ter received at least \$1,500,000 in management fees in 2010.

At the expiration of the 2004 Management Agreement, L&C and Uni-Ter UMC (and Uni-Ter's subsidiary Uni-Ter CS) entered into a similar Management Agreement on January 1, 2011 ("2011 Management Agreement") for a period of five years.

The 2011 Management Agreement was in place when the Order of Liquidation was entered.

The 2011 Management Agreement states that Uni-Ter UMC and Uni-Ter CS as Manager would "serve L&C in a fiduciary capacity for all legal duties." Id. It sets forth similar duties for Uni-Ter as under the 2004 agreement. The management fee and claims handling fees portion of the compensation are the same as the amended compensation under the 2004 agreement.

The 2011 Management Agreements included the following revisions to the 2004 Management Agreement:

(i) The accounting reporting to L&C is to be done on a quarterly basis instead of monthly. Art. III(H).

FENNEMORE CRAIG, P.C.

I AS VPALES

(ii) Exhibit A was revised regarding the territory to include all of the U.S. except for Hawaii and Alaska and excluding long term care and home healthcare in Florida.

- (iii) The limitations of Uni-Ter's authority in Article III(Y) are revised to delete the limitations set forth in items 2, 6, and 9 of the 2004 agreement. Uni-Ter's new allowed duties (i.e., no longer a limitation) included that it had full authority to settle claims on L&C's behalf or commit L&C to pay claims.
- (iv) The profit sharing bonus provision was revised to apply from 2007 forward with 2006 being the last year under the 2004 Management Agreement. For 2007 onward, the profit sharing bonus was to be 20% of L&C's Profit as defined to be pre-tax net income as adjusted for the applicable year's loss ratio, ALAE ratio, and reinsurance payables and receivables through December 31 of the fourth year following the applicable year.

The First Amendment to the 2011 Management Agreement revised the management fee for calendar year 2011 to be at a rate of 10% instead of 12% and stated that continuation of the 2% differential for subsequent periods is subject to mutual agreement of the parties. A handwritten notation on the amendment states that "This was revised on February 7th, 2011."

The Second Amendment is dated November 15, 2011 in conjunction with additional capital contributions at that time. It states that for so long as any amounts are unpaid on the surplus debentures of L&C issued in 2011 and 2012, the profit sharing bonus payable to Uni-Ter UMC shall accrue but not be paid.

The Third Amendment done on December 31, 2011 states that no profit sharing bonus would accrue or be paid regarding the 2008 calendar year.

Despite the changes to Uni-Ter's management responsibilities, and despite the dire financial circumstances of L&C during 2011, on information and belief Uni-Ter received not less than \$1,000,000.00 in management fees in 2011.

Milliman, Inc. ("Milliman"), an actuarial firm, provided Rate and Loss Reserve analysis to Uni-Ter ("Milliman Reports"). Milliman was engaged by Uni-Ter, and not L&C, in the work

FERNMEMORE CRAIG, P.C.

that it did. Milliman did premium rate and professional liability and general liability rate analysis for Uni-Ter. Milliman also did loss reserve analysis for Uni-Ter.

In a Broker of Record Letter Agreement between L&C and U.S. RE, L&C appointed U.S. RE as its exclusive reinsurance intermediary/broker for a period of seven years and granted U.S. RE full and complete authority to negotiate the placement of reinsurance on all classes of insurance with unspecified limits of coverage as requested by any underwriter of L&C, *i.e.*, UniTer ("U.S. RE Agreement").

The U.S. RE Agreement states that U.S. RE will handle all funds collected for L&C in a fiduciary capacity.

In each of the eleven (11) ceded reinsurance agreements between L&C and its reinsurers, U.S. RE is listed as the reinsurance intermediary in each agreement via an intermediary clause in the reinsurance agreements.

U.S. RE was not merely hired as some uninvolved third party broker of reinsurance, although acting as a third party broker of reinsurance was included with U.S. RE's duties.

On information and belief, Uni-Ter Underwriting Management Corporation ("Uni-Ter Underwriting") and Uni-Ter Claims Services Corporation ("Uni-Ter Claims") were retained as the managers of L&C.

On information and belief, both Uni-Ter Underwriting and Uni-Ter Claims are direct or indirect subsidiaries of U.S. RE.

U.S. RE was itself engaged as L&C's "exclusive reinsurance intermediary/broker" and as L&C's agent, including being granted "full and complete authority to negotiate the placement of reinsurance or retrocessions on all classes of insurance with unspecified limits of coverage as specifically requested by any underwriter of [L&C]."

The U.S. RE Agreement further recognizes U.S. RE's agency with L&C by stating that U.S. RE "will exercise its best efforts in the discharge of its duties on behalf of the Company."

The Supreme Court of Nevada has held that "[a]n agency relationship is formed when one who hires another retains a contractual right to control the other's manner of performance."

FENNEMORE CRAIG, P.C.

Grand Hotel Gift Shop v. Granite State Ins. Co., 108 Nev. 811, 815, 839 P.2d 599, 602 (1992) (citation omitted).

U.S. RE acted as the agent of L&C, as the U.S. RE Agreement expressly states not only that U.S. RE will act "on behalf of" L&C, but also that L&C has the right to control U.S. RE's manner of performance as U.S. RE promises to "comply with written standards established by [L&C] for the cession or retrocession of all insured risks."

Further, Nevada law makes clear that "[a]n agent, such as respondent in these circumstances, owes to the principal the highest duty of fidelity, loyalty and honesty in the performance of the duties by the agent on behalf of the principal." *LeMon v. Landers*, 81 Nev. 329, 332, 402 P.2d 648, 649 (1965) (holding that the agent breached her fiduciary obligations) (emphasis added); see also Chem. Bank v. Sec. Pac. Nat. Bank, 20 F.3d 375, 377 (9th Cir. 1994) ("The very meaning of being an agent is assuming fiduciary duties to one's principal.") (citing Restatement (Second) of Agency § 1(1)).

Additionally, as noted above, U.S. RE was engaged not only as L&C's exclusive broker, but also as its consultant. Many courts have recognized that insurance brokers are agents of, and therefore owe fiduciary duties to, their insureds. See Capitol Indem. Corp. v. Stewart Smith Intermediaries, Inc., 229 III. App. 3d 119, 124-25, 593 N.E.2d 872, 876 (1992) ("An agency relationship is a fiduciary one; insurance brokers employed for a single transaction or series of transactions are agents...").

The Nevada Supreme Court has recognized that insurance brokers may assume additional duties – including through representations by the broker upon which the insured relies – thereby creating a special relationship between the broker and the insured. *Flaherty v. Kelly*, 2013 WL 7155078, at *2 (Nev. Dec. 18, 2013).

U.S. RE assumed such duties including "substantial and essential efforts expended by U.S. RE and its affiliates in the organization and licensing of [L&C]" and serving as a consultant to U.S. RE.

Further, as recognized in the U.S. RE Agreement, U.S. RE's agency relationship with

The U.S. RE Agreement further recognizes U.S. RE's agency with L&C by stating that U.S. RE "will exercise its best efforts in the discharge of its duties on behalf of the Company." The U.S. RE Agreement also states that "[a]ll funds collected for [L&C]'s account will be handled by U.S. RE in a fiduciary capacity in a bank which is a qualified United States financial institution."

Thus, U.S. RE was the agent of Plaintiff in multiple aspects, including but not limited to, those set forth above.

Further, U.S. RE did more than merely act as some disinterested third party reinsurance broker. In fact, U.S. RE was directly involved in the activities of L&C in its capacity as agent of L&C.

Moreover, U.S. RE was actively involved in management related activities, including presenting financial and other pertinent information to L&C's Board.

U.S. RE intentionally failed to obtain reinsurance through syndicates as required under the U.S. RE Agreement. No facts were found that reinsurance failed to pay as required. To the contrary, the reinsurance policies seemed not to be invoked because deductible amounts were not reached, especially in the early years of 2004 to 2008.

Nevertheless, U.S. RE intentionally represented to L&C that it would act in L&C's best interests, creating additional duties toward L&C other than merely finding and securing reinsurance, including but not limited to, fiduciary duties, as set forth herein.

In violation of such duties, U.S. RE intentionally did not find appropriate reinsurance because the deductible rates were consistently too high. This is shown by the fact that

manifest in the fact that, the Board failed to exercise even a slight degree of care in verifying whether Praxis was provided accurate information in preparing its reviewing the claims process.

On information and belief, in fact Uni-Ter did not provide Praxis with accurate information and, in fact, limited the scope of Praxis's initial engagement to a review of claims-related processes and of a small sample size of only nine (9) specific claims reserves. Praxis's review, which was grossly inadequate due to Uni-Ter's failure to provide adequate and accurate information to Praxis, resulted in a report dated September 15, 2011 ("September 2011 Praxis Report").

On information and belief, because Uni-Ter failed to provide accurate and complete information to Praxis, the September 2011 Praxis Report was substantially inaccurate and incomplete.

On information and belief, the Board later learned that, in fact, Uni-Ter had not provided Praxis with accurate information and that Uni-Ter had limited the scope of Praxis's engagement to a review of claims-related processes and of a small sample size of only nine (9) specific claims reserves. This is information which the Board, through exercise of even slight diligence or scant care, could have known before the 2011 Praxis Report was issued.

Further, on information and belief, on or around September 23, 2011, the DOI sent another letter to Marshall regarding the now disastrous financial condition of L&C ("September 2011 Letter").

In the September 2011 Letter, the DOI noted several massive financial problems with L&C which the Board had, on information and belief, taken improper or no action to correct, including the following:

Of particular concern is the Combined ratio which has increased since prior year-end from 99.4% to 153.9% - a 54.8% increase post-merger.

A major concern is Risk Based Capital ("RBC") -208.8%. This RBC calculation results from year-end 2010 financial statement. The RBC is now well below that level considering the reserve (Liability) increases and net loss reducing policyholder surplus by 40.3% for only one-half (Six Months) of a year of operating activity.

Net underwriting loss has deteriorated to \$3.1 million 13458919.1/037881.0001

LAS VEGAS

13458919.1/037881.0001

....

Net loss = \$1.8 million

The September 2011 Letter further noted the following regarding the second quarter of 2011:

Since prior year-end, policyholder surplus has declined by 40.3%. Company is experiencing adverse claims Development and is becoming extremely leveraged. Total Liabilities have increased by 26.5% ... Net Loss is \$1.8 million, a result of \$3.1 million net underwriting loss for six months and \$1.7 million underwriting loss for just the second quarter. Unassigned Funds have deteriorated further to a negative (\$1.4 million). Since prior year-to-date, net premiums earned have improved nominally by 5.8% while net losses incurred has increased by 117.6% causing a net loss ratio of 114.4% and resulting in a 153.9% combined ratio. Company is highly leveraged. Cash and invested assets only represent 59.2% of total assets resulting in a 148.7% liquidity ratio coupled with gross premiums written representing 571.6% of policyholder surplus and net premiums written representing 499.9% of policyholder surplus ...

The September 2011 Letter noted that the DOI had sent "a prior letter advis[ing] the Board of Directors of deteriorating financial condition and admonish[ing] the Board and management to consider a correction plan." The letter required that "[t]he Board and management must now prepare a short-term (3 month) action plan and based on this action plan how they forecast their 12/31/2011 statement to appear."

On information and belief, the Board failed to exercise even scant care in addressing the September 2011 Letter, and failed to correct the staggering financial problems L&C was facing.

Subsequently, in late November 2011, on information and belief, Uni-Ter conducted what purported to be a full-scale internal review of all claims reserves, and later engaged Uni-Ter to conduct a full review as well.

On information and belief, the outcome of the internal review by Uni-Ter, as well as the negative review by Praxis, showed that Uni-Ter had incorrectly understated the sampled claims in the September 2011 Praxis Report by a net of not less than \$1,200,000.

On information and belief, Uni-Ter and/or U.S. RE informed the Board on a conference call that, in fact, an increase of \$5,000,000.00 to L&C's claims reserves was necessary. This significantly increased the net loss of Lewis & Clark on a full 2011 year basis and further decreased L&C's capital to an unacceptable level for operational, regulatory, and rating purposes.

FENDEMORE CRAIG, P.C.

On information and belief the Board, through its gross negligence, ignored or improperly responded to the multiple red flags – including communications from the DOI – regarding L&C's financial position, Uni-Ter's management and the representations of Uni-Ter and U.S. RE's, and failed to exercise even a slight degree of diligence or care in fulfilling its obligations, which proximately caused and contributed to the damages suffered by Plaintiff.

On information and belief, the Board met generally once per quarter starting in late 2004 and continuing to September 2012 related to L&C. Minutes of said meetings were kept by L&C ("Minutes").

On information and belief, because Uni-Ter UMC was managing all of the business aspects of L&C's business, Mr. Sanford Elsass ("Elsass"), President of Uni-Ter UMC and an officer of U.S. RE at all relevant times, attended all of the L&C Board meetings in person except for the last two. On information and belief, Elsass and other Uni-Ter employees gave most of the reports about the company to the Board members.

On information and belief, many of the approvals and actions of the Board were done at the recommendation of Mr. Elsass.

On information and belief, the Board had knowledge concerning Mr. Elsass and his recommendations that caused reliance on the reports and recommendations of Mr. Elsass and Uni-Ter UMC to be unwarranted.

Despite this knowledge, the Board failed to exercise even a slight degree of diligence or care with respect to accepting the information and recommendations provided by Mr. Elsass and Uni-Ter UMC and failed to verify whether this information was accurate and whether the recommendations should be adopted.

On information and belief, the Minutes also do not mention the monthly reports that Uni-Ter UMC was supposed to provide to L&C in the 2004 Management Agreement or the quarterly reports that Uni-Ter UMC was supposed to provide to L&C in the 2011 Management Agreement. The Minutes do reference annual and quarterly financial results and there are discussions of the claims and underwriting activities for each quarter, but no mention of the reports required by the

2004 and 2011 Management Agreements.

Item 13 in the March 9, 2005 Minutes states that the Board requested that Uni-Ter provide financial information to the Board monthly. On information and belief, Uni-Ter already had the obligation to provide the information listed in the 2004 Management Agreement to the Board monthly.

Item 10 from the August 12, 2005 Minutes state that the Board is unhappy with the work of Uni-Ter. The Minutes state that the Board was concerned regarding the lack of completion by Uni-Ter regarding marketing plans presented at the March 2005 meeting, including non-receipt of periodic marketing reports, lack of contract with state associations and potential new agents, and generally, a lack of production of new business during 2005.

On information and belief, despite these clear indications that Uni-Ter was failing to provide complete and accurate information, the Board remained indifferent to its legal duty to act on an informed basis by ensuring the information and recommendations provided by Uni-Ter and Mr. Elsass were complete and accurate.

One of the resolutions in L&C's first set of Minutes of December 22, 2003, approves the engagement between L&C and U.S. RE to engage U.S. RE as the exclusive reinsurance broker and consultant for L&C. The resolution states that confirmation was received from Elsass as an officer of U.S. RE that U.S. RE would use its best efforts to obtain competitive rates and terms.

On information and belief, Uni-Ter undertook the fiduciary duty of determining and establishing the appropriate loss reserves for the company. Item 3 in the September 14, 2005 Minutes, states that Elsass reported on establishing the appropriate loss reserves for the company.

On information and belief, the Board's Audit Committee ("Audit Committee") was established at the February 10, 2006 meeting of the Board. On information and belief, the relevant Minutes contain no discussion of why this was not done previously or why it was needed at that juncture.

The May 30, 2006 Minutes state that L&C's D&O insurance was renewed, but that L&C's E&O insurance was not renewed.

On information and belief, L&C subsequently obtained E&O insurance.

Item 3 of the October 20, 2006 Minutes states that the Board directed Donna Dalton of Uni-Ter and L&C's counsel to comment to the Nevada DOI regarding issues including loss reserves and Risk Retention Act requirements.

Item 9 of the March 23, 2007 Minutes references the Nevada DOI triennial examination report for 2003 to 2005, but does not state any findings related to the report or what corrective actions, if any, the Board would take.

The October 12, 2007 Minutes reference an incurred but not reported ("IBNR") reduction of \$934,000 but do not explain it or why the reduction occurred. The October 12, 2007 Minutes also state that L&C was beginning to offer occurrence policies subject to required regulatory filings, but do not discuss the required regulatory filings.

The January 10, 2008 Minutes state that there will be commutation of the 2007 reinsurance with Imagine RE, and note the change that Uni-Ter will begin a retail policy sales agency to improve on the disappointing efforts by the "current agency network." The entry notes that Uni-Ter will be paid commissions on L&C's retail policy business at 10% of gross written premiums rather than 15% of gross written premiums. The Minutes do not say which contract Uni-Ter would provide such services under. The 2004 Management Agreement required solicitation services by Uni-Ter. This same item mentions that Uni-Ter requested an advancement of half of L&C's 2008 annual budget for Uni-Ter for "this effort" with such advancement repayable from commissions earned by Uni-Ter.

Item 13 in the April 24, 2008 Minutes references insolvency gap coverage of \$1 million. Then, item 11 of the December 2, 2009 Minutes notes a renewal of insolvency gap coverage in the amount of \$2 million.

Item 4 in the December 10, 2008 Minutes notes that, based on a request from the Nevada DOI, the Board ratified clarification amendments to the Oneida surplus notes.

Item 6 of the December 2, 2009 Minutes notes a report on the current triennial examination by the Nevada DOI but does not state any more regarding said examination.

Item 5 of the May 21, 2010 Minutes references the Board's review of results of the Nevada DOI triennial examination and approval of responses to the DOI. The Minutes do not explain or discuss the responses or any corrective actions that the Board may take. Those Minutes also approved the 2009 annual audited statements and report prepared by Johnson Lambert & Co. as well as the 2009 Milliman Report and calculation of "Profit Sharing bonuses."

The November 2010 Minutes contain discussion of renewal of L&C's Management Agreement with Uni-Ter subject to noted revisions including a requirement of clarification of significant claims notice to the Board with settlement authority remaining with Uni-Ter.

The May 4-5, 2011 Minutes approved the 2010 annual audited statements and report prepared by L&C's auditors, Johnson Lambert & Co.

The September 21, 2011 Minutes contain in Item 7 a statement that the Board reviewed and approved a new underwriting philosophy. The Minutes do not say what the new underwriting philosophy was. However, a document dated 8/31/11 and entitled "Long Term Care Underwriting Philosophy & Strategic Direction" was part of the directors' package for that meeting. The document lists specific requirements related to consideration of long term care facilities for coverage.

On October 5, 2011 the Board held a special meeting and approved capital contributions by shareholders Oneida, Eagle Healthcare, Pinnacle, Marquis, Elderwood, Rohm, and Uni-Ter in exchange for surplus notes. The action of the Board in lieu of a special meeting also noted that depending on the fourth quarter, the same parties other than Oneida would commit to an

At the January 16, 2012 meeting the Board was told that capital and surplus was \$1,979,730 as of December 31, 2011. Thus, L&C's surplus dropped over \$2.5 million in one year.

On information and belief, the Minutes do not reflect any discussion of how that relates to the approximate \$5 million additional loss reserves noted at the December 20, 2011 meeting.

On information and belief, L&C's Nevada counsel was instructed to contact Nevada DOI regarding the "current inquiry." The Minutes do not say what the current inquiry was.

The January 26, 2012 Minutes state in Item 2 that L&C's Nevada counsel reported on her conversations with the Nevada DOI. The Minutes do not include the substance of those discussions. Item 3 states that the Board deferred approval of commutation of reinsurance for years 2005, 2006, 2008, and 2009 pending receipt from Uni-Ter of a report regarding outstanding claims for such periods. Item 5 states that the Board met in executive session to discuss issues involving potential additional capital.

Further, the minutes for the January 26, 2012 meeting stated that "Mr. Elsass presented a report on current claims activity in California and New York and discussions with the Corporation's actuaries and auditors." On information and belief the Board failed to exercise the slightest degree of diligence and care regarding this information took no action to verify that Mr. Elsass's report was accurate, despite clear indications that information provided by Mr. Elsass was incomplete and inaccurate.

At the February 2, 2012 meeting the Board approved \$480,000 additional capital contributions in exchange for subordinated surplus notes on the same terms used in the fall of 2011. On information and belief, Elsass reported to the Board "regarding recent favorable claims activity." The Minutes do not say what the alleged favorable claims activity was. On information and belief, the Board failed to exercise the slightest degree of diligence and care regarding this information and did not verify whether the report by Elsass regarding alleged "favorable claims activity" was accurate or complete.

FENNEMORE CRAIG, P.C.

LAS VEGAS

Notwithstanding the dire financial issues, the Board remained indifferent to its legal obligations and did not meet again until April 30, 2012, almost three (3) months later. At the April 30, 2012 meeting Item 1 provides that L&C's submissions to the Nevada DOI were approved, but do not explain what the submissions were.

There is no mention in the April 30, 2012 Minutes of the Milliman Report from April 12, 2012 stating that, as of the end of 2011, the company's loss reserves were \$1.4 million under what they need to be when using the mid-range number.

Item 5 of the May 14, 2012 Minutes state that a Nevada DOI examination was scheduled, but do not explain this matter further.

On information and belief, the Board did not meet for another two and a half (2 ½) months regarding the financial conditions of L&C. The Board met telephonically on June 6, 2012 but the only business noted was the approval of reinsurance. There is no entry regarding a discussion of the financial status of L&C.

In fact, despite the clear indications that Uni-Ter and U.S. RE were providing inaccurate and/or incomplete information to L&C, the minutes of the June 6, 2012 Board meeting state that the Board approved the renewal of L&C's reinsurance "[f]ollowing a presentation by USRE [sic]". *Id.* There is no indication whatsoever regarding any measures taken by the Board to verify the information provided by Uni-Ter and/or U.S. RE.

At the July 25, 2012 meeting Uni-Ter and U.S. RE presented a report of second quarter financial results in which a significant increase in loss reserves was reported. The Board then discussed possible courses of action. The Board requested that Uni-Ter contact Fishlinger to conduct an independent roll forward of its last claims reserve review preferably by August 7, 2012. The Board also resolved that the preliminary second quarter results not be filed until the Fishlinger review is done and that the results should be approved by the Board before filing. Finally, the Minutes noted that no new business should be written by L&C and no capital raised until further notice, but that renewals may be processed until notice otherwise.

The August 15, 2012 was the last meeting Elsass and Uni-Ter or U.S. RE attended. At

that meeting, the Board discussed the filing with the Nevada DOI of financial information with notice of further deterioration of L&C's finances.

At the August 22, 2012 meeting, L&C's counsel reported on recent discussions with Uni-Ter and U.S. RE. Uni-Ter personnel were not present at the meeting.

On information and belief the Board held a telephonic meeting on September 24, 2012. The Board's grossly negligent failure to inform itself of the basic financial condition of the Company was made clear as the Board tacitly acknowledged it was not aware whether the Company was financially solvent at that time, resolving that "a request be made to the Nevada Division [sic] of Insurance that the Corporation be placed in rehabilitation, in view of the fact that the Corporation is or may be insolvent."

On information and belief, substantial financial information regarding L&C was available to the Board of which the Board failed entirely to exercise even a slight degree of care to properly inform itself and understand.

On information and belief, among this available information was the Annual Statement of L&C for the year ending December 31, 2006 which was submitted to the Nevada DOI contains L&C's financial statement for 2006. The Notes to Financial Statements (pages 14-14.3) include the reinsurance in place (note 23) as well as the change of incurred losses and LAE (note 25). The Quarterly Statement for L&C for the first quarter of 2007 has similar notes.

Sophia Palmer 2007 board Minutes were very similar to L&C board Minutes. On information and belief, Uni-Ter was the underwriter for Sophia Palmer as well.

L&C's Internal Unaudited Financial Statements as of December 31, 2007 states that unpaid losses and loss expenses were \$578,000 in 2004, \$1,142,000 in 2005, \$2,636,000 in 2006, and \$3,013,000 in 2007. This is a growth of over 500% in only four (4) years.

On information and belief, Uni-Ter's management fees grew from nothing in 2004, to \$120,000 in 2005, to \$126,000 in 2006, to \$760,000 in 2007. Between 2005 and 2007, this is a growth of 633% in three years.

On information and belief, the information provided to the directors of L&C for the April

On information and belief, the Board wholly failed to exercise even slight diligence in informing itself of the reasons behind the dangerous financial status of the company or in taking timely, corrective action.

Further, L&C's Summary Balance Sheet as of December 31, 2008 states that while unpaid losses and loss expenses grew from \$3,013,000 to \$3,941,000 between 2007 and 2008, Uni-Ter's management fees went from \$760,312 in 2007 to \$1,372,915 in 2008.

L&C's Internal Unaudited Financial Statements as of December 31, 2009 state that unpaid losses and loss expenses jumped to \$6,255,488 in 2009 from \$3,941,000 in 2008. Uni-Ter's management fees jumped to \$1,717,482 for 2009 from \$1,372,915 in 2008.

The 2009 Milliman Report, which supports the corresponding Statement of Actuarial Opinion, states that the existing risk factors, "coupled with the variability that is inherent in any estimate of unpaid loss and loss adjustment expense obligations, could result in material adverse deviation from the carried net reserve amounts." The Milliman Report concludes that L&C's actual net outstanding losses and loss adjustment expense ("LAE") exceed L&C's reserves for unpaid losses (\$5,021,810) and unpaid LAE (\$1,233,678) by an amount of more than 5% of L&C's statutory surplus shown on the annual statement, which was \$4,031,349. The Milliman Report also states that this materiality standard was selected based on the fact that his opinion was

On information and belief, the information provided to the directors of L&C for the May 2010 Board meeting state that Sophia Palmer merged with L&C as of December 3, 2009, and that the written premiums were \$8,340,000 for 2008 and \$10,705,000 for 2009.

On information and belief, in or around October 2010, Elsass, Larry Shatoff at U.S. RE, Donna Dalton, John Klaus at Uni-Ter, Curtis Sitterson at Steams Weaver, and Jim Murphy at the accounting firm Johnson Lambert & Co., through email correspondence, made the decision to record the twenty-five percent (25%) refund payment, in the amount of \$569,600, from the commutation of the January 1, 2008 to April 1, 2009 reinsurance treaty.

On information and belief, Mr. Shatoff stated in said email correspondence that the April 1, 2004 to December 31, 2004 treaty was commuted, the January 1, 2007 to December 31, 2007 treaty was commuted, and the January 1, 2005 to December 31, 2006 treaty was "swing rated" and had been adjusted to the minimum premium. Regarding the January 1, 2008 to April 1, 2009 reinsurance treaty, Mr. Shatoff said that it covers all claims reported on occurrence policies up to April 1, 2012. Mr. Shatoff further stated that L&C was subject to a 13% aggregate deductible for an amount of \$1,690,673, and that L&C had paid reinsurance premiums of \$2,278,400, which at a 25% refund rate would result in a refund of \$569,600 if no claims were paid by the reinsurers. Further, Mr. Shatoff's communications state that there had been no losses reported under that treaty. Mr. Shatoff noted that L&C could commute at any time before January 1, 2013 to obtain the "profit commission" - how he referred to the 25% refund.

On information and belief, Mr. Shatoff encouraged L&C to commute that treaty to ensure that seventy-five percent (75%) of premiums paid could be confirmed as received by the reinsurers with confirmation that no claims or losses would be paid by them.

FENNEMORE Chaig, P.C.

On information and belief Elsass directed that the refund for the commutation of the January 1, 2008 to April 1, 2009 reinsurance treaty be recorded at that time in the third quarter of 2010.

On information and belief, Mr. Shatoff noted that it would be too soon to record any "profit commission" on the April 1, 2009 to April 1, 2010 treaty because the premium for those policies would not be fully earned until April 1, 2011.

The Milliman Report stated that L&C reserves were \$600,000 - \$628,000 above the Medium Estimate, but about \$650,000 below the High Estimate. That report also noted that L&C started to write occurrence policies in the fourth quarter of 2008.

On information and belief, more than half of the policies written by Sophia Palmer were occurrence policies.

The Milliman Report stated that the loss development for occurrence policies is relatively immature at the current evaluation and that caused uncertainty in the loss estimates.

Further, the 2010 Milliman Report opined that the existing risk factors "coupled with the variability that is inherent in any estimate of unpaid loss and loss adjustment expense obligations, could result in material adverse deviation from the carried net reserve amounts." He concluded that based on the calculation shown in Exhibit B that shows that L&C's actual net outstanding losses and LAE exceed L&C's reserves for unpaid losses (\$7,353,289) and unpaid LAE (\$1,798,188) by an amount of more than five percent (5%) of L&C's statutory surplus shown on the annual statement, which was \$4,579,710. The 2010 Milliman Report states that this materiality standard was selected based on the fact that his opinion was prepared for regulatory review.

On information and belief, the financial information provided to the Board for the September 2011 Board Meeting included a report from Brian Stiefel, President of Praxis, which was the September 2011 Praxis Report. The Praxis Report provides that Uni-Ter has adopted a new reserve philosophy, is revising its litigation management guidelines to reflect a more aggressive approach to the litigation process, and that standardizing the claims documentation,

FENNEMORE CRAIG, P.C. LAS VEGAS evaluation, and reporting process is recommended. The Praxis Report does not evaluate the level of L&C's loss reserves.

On information and belief, the information provided to the directors for the September 2011 Board meeting also contains a power point presentation from Milliman which shows that L&C steadily decreased its reinsurance deductible across the years 2008 to 2011, demonstrating that L&C's reinsurance deductible was set too high, especially in years 2009 and 2010.

On information and belief, in or around December 19, 2011, Milliman provided a preliminary draft of certain schedules to its actuarial reports ("2011 Milliman Schedules"). The Schedules provide that as of November 30, 2011, L&C's Incurred Loss & ALAE for years 2004 through November 2011 was \$17,858,866. That same exhibit states that Paid Loss & ALAE for those same dates was a total of \$11,208,076. The exhibit states that L&C's Paid Loss & ALAE was \$2,230,000.00 for 2009 and \$2,440,000.00 for 2010 but only \$198,711.00 for 2011 through November.

L&C's Annual Statement for the year ending December 31, 2011 ("2011 Annual Statement"), stated a drastic increase in incurred losses and LAE and a significant drop in shareholder's surplus. Pursuant to that statement, reserves for losses and LAE increased from a total of \$9,181,477 at the end of 2010 to \$14,026,020 at the end of 2011, almost a \$5 million increase. Note 24 to L&C's 2011 Financial Statements (which is presented below) stated that unpaid losses and LAE increased from \$9,153,000 at the beginning of 2011 to \$14,843,000 at the end of 2011, a \$5,700,000 increase. Meanwhile, the company's policyholder's surplus amount decreased from \$4,579,710 at the end of 2010 to \$3,625,317 at the end of 2011.

On February 2, 2012, Milliman provided a preliminary draft of certain schedules to its actuarial reports ("2012 Milliman Schedules"). Exhibit 1 Page 2 states that, as of December 30, 2011, L&C's Discounted Net Loss & LAE Reserve (after Ceded Loss and LAE Reserve) was Low Estimate of \$13,019,000, Central Estimate of \$14,973,000, and High Estimate of \$18,635,000. Exhibit 3 of that document shows that Incurred Loss and ALAE had grown substantially from 2005 (\$373,816) to 2010 (\$9,068,552) while showing estimated reserves only growing to \$4,048,241. It also shows that for 2011, Ultimate Loss & ALAE was \$7,620,000 and

The 2011 Milliman Report, in the section entitled "Risk of Material Adverse Deviation", provides that "[t]he Company's carried reserves are within a reasonable range, however other points within the reasonable range would cause surplus to be below zero. Therefore I believe that there are significant risks and uncertainties that could result in material adverse deviation in the 13458919.1/037881.0001

Incurred Loss & ALAE was \$5,744,385, but estimate reserves was only \$5,938,479, which is

loss and loss adjustment expense reserves, possibly by amounts exceeding surplus." The report again provides that the current risk factors, "coupled with the variability that is inherent in any estimate of unpaid loss and loss adjustment expense obligations, could result in material adverse deviation from the carried net reserve amounts." The report concluded that based on the calculation shown in Exhibit B that shows that L&C's actual net outstanding losses and LAE exceed L&C's reserves for unpaid losses (\$11,766,924) and unpaid LAE (\$2,259,096) by an amount of more than five percent (5%) of L&C's statutory surplus shown on the annual statement, which was \$3,625,316. The report states that this materiality standard was selected based on the fact that his opinion was prepared for regulatory review.

Further, in the Notes to Financial Statements for Years Ended December 31, 2011 and 2010 ("2011 Notes"), the management of L&C stated Uni-Ter "believes that its aggregate provision for losses and loss adjustment expenses is reasonable and adequate to meet the ultimate net cost of covered losses...". On information and belief, the Board failed to exercise even the slightest degree of care with respect to this information it was receiving concerning Uni-Ter's opinions and failed to take any action to verify that this information was complete or accurate.

The 2011 Notes also provide that "[a]t December 31, 2011 and 2010, management determined that no premium deficiency reserve was required." On information and belief, the Board failed to exercise even the slightest degree of care with respect to this information it was receiving concerning Uni-Ter's opinions and failed to take any action to verify that this information was complete or accurate.

Further, the 2011 Notes state that was a party to various lawsuits "in the normal course of business" but that "[t]he Company's management does not believe that any ongoing litigation would, individually or collectively, result in judgments for amounts, after considering the established loss reserves and reinsurance, that would be material to the Company's financial condition or results of operations." On information and belief, the Board failed to exercise even the slightest degree of care with respect to this information it was receiving concerning Uni-Ter's opinions and failed to take any action to verify that this information was complete or accurate.

L&C's "NAIC Property and Casualty Financial Ratio Results for 2011" painted a very bleak picture of the L&C. It has a date stamp of 2/23/2012. It states that Direct Premiums Written in 2011 totaled \$10,224,774. It states that Net Premiums Written for 2011 were \$8,997,524 which was a 25% drop from Net Premiums Written in 2010 of \$11,946,738. It states that Losses and LAE incurred for 2011 totaled \$12,759,779 when Losses and LAE incurred for 2010 totaled \$8,183,816, about \$4.6 million less. It states that surplus for 2011 was \$3,625,316 when the surplus for 2010 was \$4,579,709, almost a million drop. Finally, it states that L&C's estimated current reserve deficiency was -\$752,997.5.

A spreadsheet entitled "Inforce (sic) Policies as of 2.23.2012" lists such policies. It states at the bottom that the total premium amount for such in force policies was \$6,825,864.

A spreadsheet document dated February 2012 and entitled "L&C Loss Ratio Report" shows a substantial reduction of loss payments for 2011. The document states that the information is through 02/29/2012, but says that earned premium for 2011 dropped to \$5,209,362 from \$12,798,406 in 2010 and \$11,776,406 in 2009. It also shows that earned premium was only \$240,573 through February which, extrapolated through December, would be only \$1,443,438. Meanwhile, total incurred losses for 2011 were only \$1,573,965 even though total incurred losses were almost \$9.5 million in 2010 and almost \$8 million in 2009.

On information and belief, the loss ratios shown for 2006 through 2010 were 78.92%, 65.33%, 67.83%, and 73.59%, respectively. The loss ratio chart in the April 2008 Board meeting directors' package states that the 2006 loss ratio was only 25.25% and the 2007 loss ratio was stated to be only 22.41%. The loss ratio for 2011 was only 30.21%. Paid losses in all of 2011 were only \$264,000 even though those were almost \$5 million in 2010, \$5.4 million in 2009, and over \$3.5 million in 2008.

L&C's Summary Balance Sheet as of February 29, 2012 states that unpaid losses and loss expenses were \$14,026,019 at the end of 2011 and grew to \$14,607,812 as of the end of February 2012. Uni-Ter's management fees for 2011 were only \$87,617.

L&C's Comparative Summary Balance Sheet dated through March 2012 shows the

PENNEMORE CRAIG, P.C.
LAS VEGAS

growth of L&C's losses and Uni-Ter's fees. Unpaid losses and LAE was \$3,624,000 as of March 2008, \$4,325,000 as of March 2009, \$7,313,000 as of March 2010, \$9,953,000 as of March 2011, and \$12, 381,985 as of March 2012. Uni-Ter's management fees were \$728,000 as of March 2008, \$1,329,000 as of March 2009, \$1,607,000 as of March 2010, \$830,000 as of March 2011, and \$104,000 as of March 2012.

The 2012 Milliman Report states that L&C reserves of \$16,333,000 were \$1,367,000 below the Central Estimate of what L&C's loss reserves should be. The report states that L&C's reserves were over \$7 million below the High Estimate of what L&C's reserves should be. There is no mention of the report in the Board Minutes. The report states as follows:

The ultimate loss and ALAE estimates have increased significantly since the prior report as of December 31, 2010. Through report/accident/tail effective year 2010, the selected ultimate loss and ALAE estimates have increased by \$9.2 million. Claims-made nursing home paid and incurred losses have been higher than expected during the past year due to significantly inadequate case reserves at December 31, 2010 and exceptionally high loss ratios that were generated by three insureds that were non-renewed during 2011.... (emphasis added)

Finally, the report states in Table 3 on page 12 that the continuing Ultimate Loss & ALAE as of the report at end of 2010 was \$13,863,000 but the Ultimate Loss & ALAE as of the report at the end of 2011 was \$19,229,000 for a \$5.5 million increase.

In the D&O policy application submitted by Uni-Ter on behalf of L&C on or about May 23, 2012, Uni-Ter stated in the supplement that "[t]o improve the financial stability of [L&C], UUMC has reviewed the entire book of business and intends to only renew accounts that have maintained a favorable historical loss ratio. This may result in a 35-40% reduction in its premium volume." The underwriting philosophy change completed in late 2011, while stating limitations for loss ratios in soft and hard market facilities, does not state that the policy would apply to renewals and also does not discuss the loss of such a large premium amount. This reduction would apply to the \$6,825,864 total premiums of inforce policies as of February 2012. With no new policies, that would result in total premiums for 2012 in the range of \$4,095,518 to \$4,436,800.

The following chart shows relevant information from L&C's Audited Financial Statements for the periods indicated:

On information and belief, beginning in the 3rd quarter of 2011, adverse development on claims incurred during 2009 began to appear in the financial operations of L&C. As a result, Uni-Ter (captive manager) began to get more involved in claims and reserves. In a unilateral decision, Uni-Ter brought in Praxis Claims Consulting to assist with improving the reserve setting process. On information and belief, the engagement involved reviewing various open claims files. The owner of Praxis, Brian Stiefel took a lead role in setting reserves for L&C with Uni-Ter. As a result of this engagement, a strengthening of reserves was recommended and

Rohm Services	\$220,000
Uni-ter	\$300,000

On information and belief, the Action indicated that an additional \$550,000 in capital could be raised in additional surplus notes, "depending upon the requirements of the business in the fourth quarter, 2011, as approved by the Board". The following commitments were funded in the form of Surplus Notes on February 7, 2012:

Eagle Healthcare	\$70,000
Pinnacle Healthcare	\$70,000
Marquis Companies	\$70,000
Elderwood Senior Care	\$70,000
Rohm Services	\$70,000
Uni-ter :	\$200,000

On information and belief, with the exception of Oneida Bank, where L&C's investments are held in custody, and Uni-Ter, the captive manager, all other Surplus Note holders were facilities insured by L&C and whose management is a representative on the Board of Directors of L&C.

On information and belief, Stickels is the President of Oneida Bank.

On information and belief, prior to the second commitment coming due in the first quarter of 2012, the Board determined that they wanted a second review to confirm the conclusion of the

reserve strengthening in late 2011. Fishlinger was hired to conduct an independent analysis of the same claims reviewed by Praxis.

On information and belief, using the low end of the ranges of reserves established by Praxis, Fishlinger concluded a low end of strengthening could be approximately a million dollars less than determined by Praxis. Although the Board had requested that Fishlinger conduct its review independently, ultimately it used the work of Praxis in coming to a similar conclusion on the reserve strengthening needed. Based on these two reviews, the additional capitalization of \$480,000 was determined to be adequate by the Board.

On information and belief, at the end of the second quarter of 2012, the Board assumed that the reserving methodology established under Praxis had continued to be deployed. The Board determined that a follow up review was necessary. Praxis completed their review in July of 2012, involving review of the same estimated 150 claims reviewed at year end 2011. Praxis recommended stepping up of reserves in the cases previously reviewed and indicated that trouble getting case reserve information from attorneys had been one cause of the continued adverse development of these claims. Praxis concluded an additional \$2 million in strengthening was required at July 2012.

On information and belief, Fishlinger was also brought in for a second review, which ultimately concluded some differences on the low and high end of the ranges for these cases, but ultimately recommended similar cumulative reserve strengthening. An additional party also reviewed the case reserves, the London Based reinsurance broker ("London Broker") for U.S. RE, the reinsurance broker for L&C. The Board and Uni-Ter thought that they would have a vested interest in picking accurate reserves because of the reinsurance that the London broker had placed for L&C with various reinsurers. On information and belief, the London Broker determined that it would be comfortable in the low end of the ranges for many of the cases.

On information and belief Milliman, L&C's opining actuary, booked its estimate of reserves at 6/30 and 12/31 of each year, based on its own analysis. During its June 30, 2012 analysis, Milliman determined that L&C would most likely need to increase premium rates by 12-

20% on its current book of business to remain a viable entity. On information and belief this does not include capital needed to raise the current level to minimum requirements. Milliman also estimated that \$6,000,000 - \$6,500,000 million in capital would need to be raised in order to result in \$3.6 million of unimpaired capital.

INTERROGATORY NO. 2:

Identify the documents that support your contention that the BOD acted without a slight degree of care as alleged in paragraph 219 of the COMPLAINT.

ANSWER TO INTERROGATORY NO. 2:

L&C objects to this Interrogatory to the extent that it calls for a legal conclusion. This Interrogatory is further objected to the extent that it improperly attempts to invade the attorney client and/or attorney work product doctrine and further seeks the premature disclosure of expert opinions, and calls for a legal conclusion. In addition, L&C objects to this interrogatory as broad ranging written discovery is improper when it essentially subsumes every fact in the case. See Aldapa v. Fowler Packing Co. INTERROGATORY NO. 3:

If you contend that Lewis & Clark's reserves were not adequately maintained, identify the specific years in which you believe the reserves were inadequate. For each year state the amount that you believe to be appropriate per claim.

ANSWER TO INTERROGATORY NO. 3:

L&C objects to this Interrogatory as the terms "adequately maintained" and "inadequate" are vague and ambiguous. This Interrogatory is further objected to the extent that it improperly attempts to invade the attorney client and/or attorney work product doctrine and further seeks the premature disclosure of expert opinions, and calls for a legal conclusion. In addition, L&C objects to this interrogatory as broad ranging written discovery is improper when it essentially subsumes every fact in the case. See Aldapa v. Fowler Packing Co. Inc., 310 F.R.D. 583, 591 (E.D. Cal. 2015), reconsideration denied, No. 115CV00420GEBSAB, 2016 WL 81231 (E.D. Cal. Jan. 7, 2016); Hiskett v. Wal-Mart Stores, Inc., 180 F.R.D. 403, 404 (D. Without waiving its objections, and without limitation, the 2012 Milliman Report states that L&C reserves of \$16,333,000 were \$1,367,000 below the Central Estimate of what L&C's loss reserves should be. The report states that L&C's reserves were over \$7 million below the

High Estimate of what L&C's reserves should be. There is no mention of the report in the Board Minutes. The report states as follows:

The ultimate loss and ALAE estimates have increased significantly since the prior report as of December 31, 2010. Through report/accident/tail effective year 2010, the selected ultimate loss and ALAE estimates have increased by \$9.2 million. Claims-made nursing home paid and incurred losses have been higher than expected during the past year due to significantly inadequate case reserves at December 31, 2010 and exceptionally high loss ratios that were generated by three insureds that were non-renewed during 2011....

Finally, the report states in Table 3 on page 12 that the continuing Ultimate Loss & ALAE as of the report at end of 2010 was \$13,863,000 but the Ultimate Loss & ALAE as of the report at the end of 2011 was \$19,229,000 for a \$5.5 million increase.

Discovery is ongoing and L&C reserves the right to supplement this answer as discovery proceeds.

INTERROGATORY NO. 4:

Do you contend that the BOD should have increased premiums? If so, state the date that premiums should have been increased and the amount of the premium per insured.

ANSWER TO INTERROGATORY NO. 4:

L&C objects to this Interrogatory as the terms "increased premiums" and "premium" are vague and ambiguous. This Interrogatory is further objected to the extent that it improperly attempts to invade the attorney client and/or attorney work product doctrine and further seeks the premature disclosure of expert opinions, and calls for a legal conclusion. In addition, L&C objects to this interrogatory as broad ranging written discovery is improper when it essentially subsumes every fact in the case. See Aldapa v. Fowler Packing Co. Without waiving its objections, and without limitation, the Board was made well aware of

the extremely dangerous and deteriorating financial position of L&C at least as early as September 2010 by the DOI in its September 2010 letter. The Board was further made aware of the dire financial position it had allowed L&C to reach due to its failure to exercise a slight degree of care in informing itself of the position of L&C and take effective corrective action, as set forth in the DOI's September 2011 letter. To the extent that Board did review any information, the Board was grossly negligent in taking ineffective actions or in not taking immediate effective corrective action by at least late 2011 (e.g., raising premium rates).

Discovery is ongoing and L&C reserves the right to supplement this answer as discovery proceeds.

INTERROGATORY NO. 5:

Do you contend that Lewis & Clark should have been placed in receivership prior to September 24, 2012? If so, state the specific date that you believe that Lewis & Clark should have been placed in receivership.

ANSWER TO INTERROGATORY NO. 5:

L&C objects to this Interrogatory in that it calls for a legal conclusion. This Interrogatory is further objected to the extent that it improperly attempts to invade the attorney client and/or attorney work product doctrine and further seeks the premature disclosure of expert opinions, and calls for a legal conclusion. In addition, L&C objects to this interrogatory as broad ranging written discovery is improper when it essentially subsumes every fact in the case. See Aldapa v. Fowler Packing Co. What do you contend would have been appropriate action by the BOD upon receipt of the information that L&C's financial condition was in dangerous peril, as alleged in Paragraph 227 of the COMPLAINT.

ANSWER TO INTERROGATORY NO. 13:

L&C objects to this Interrogatory as the terms "appropriate action" and "information" is vague and ambiguous. This Interrogatory is further objected to the extent that it improperly attempts to invade the attorney client and/or attorney work product doctrine and further seeks the premature disclosure of expert opinions, and calls for a legal conclusion. In addition, L&C objects to this interrogatory as broad ranging written discovery is improper when it essentially subsumes every fact in the case. See Aldapa v. Fowler Packing Co. Inc., 310 F.R.D. 583, 591 (E.D. Cal. 2015), reconsideration denied, No. 115CV00420GEBSAB, 2016 WL 81231 (E.D. Cal. Jan. 7, 2016); Hiskett v. Wal-Mart Stores, Inc., 180 F.R.D. 403, 404 (D. Kan. 1998); Safeco of Am. v. Rawstron, 181 F.R.D. 441, 447-48 (C.D. Cal. 1998); Lawrence v. First Kan. Bank & Trust Co., 169 F.R.D. 657, 660-63 (D. Kan. 1996); Hilt v. SFC, Inc., 170 F.R.D. 182, 186-87 (D. Kan. 1997).

Without waiving its objections, and without limitation, and without limitation, the DOI sent correspondence to the BOD on September 8, 2010 and, "[b]ecause of the company's capital decline revealed by the June 30, 2010 financial statement, management should commence preparing a corrective plan and implementation schedule addressing a means to enhance earnnings and surplus, reduce expenses, and improve liquidity. Then again, on September 23, 2011, the DOI sent additional correspondence advising the Board and management to "prepare a short-term (3 month) action plan and based on this action plan how they forecast their 12/31/2011 13458919.1/037881.0001

However, the Board failed to exercise even scant care in addressing the recommendations and failed to correct the staggering financial problems L&C was facing which forced Lewis & Clark to be placed in receivership. Despite the clear and unmistakable indications that the information provided to the BOD was, at best, unreliable and incomplete, the BOD failed to exercise even slight diligence in informing itself of the truth of the financial status of L&C.

Discovery is ongoing and L&C reserves the right to supplement this answer as discovery proceeds.

INTERROGATORY NO. 14:

What do you contend would have been appropriate action by the BOD upon receipt of the information that L&C's dire financial position as of September 2011, as alleged in Paragraph 228 of the COMPLAINT.

ANSWER TO INTERROGATORY NO. 14:

L&C objects to this Interrogatory as the terms "appropriate action" and "information" is vague and ambiguous. INTERROGATORY NO. 15:

Do you contend that any of L&C's agents misrepresented the actual financial position of L&C to the Division of Insurance at any time period prior to January 1, 2013. If so, state the date that such misrepresentation occurred and the form of the communication, whether it be through submission of quarterly reports, emails, verbal statements, etc., and identify the person who made the misrepresentation.

ANSWER TO INTERROGATORY NO. 15:

L&C objects to this Interrogatory in that the term "L&C's agents" as vague and ambiguous. This Interrogatory is further objected to the extent that it improperly attempts to invade the attorney client and/or attorney work product doctrine and further seeks the premature disclosure of expert opinions, and calls for a legal conclusion. In addition, L&C objects to this interrogatory as broad ranging written discovery is improper when it essentially subsumes every fact in the case. See Aldapa v. Fowler Packing Co. Without waiving its objections, and without limitation, to the extent that the Interrogatory means each of the Defendants in this action and their respective agents, including, but not limited to Praxis. This Interrogatory is further objected to the extent that it calls for a legal conclusion. This Interrogatory is further objected to the extent that it improperly attempts to invade the attorney client and/or attorney work product doctrine and further seeks the premature disclosure of expert opinions. Without waiving its objections, and without limitation, to the extent this Interrogatory means Defendants and each of their agents, including, but not limited to Praxis, Defendants and their agents did misrepresent the actual financial position of L&C to the DOI. See correspondence sent from the DOI in September 2010 and 2011 and the Praxis report.

INTERROGATORY NO. 16:

Do you contend that re-insurance premiums paid by L&C were excessive? If so identify the insurance policy that you contend contained an excessively high premium.

ANSWER TO INTERROGATORY NO. 16:

L&C objects to this Interrogatory in that the term "re-insurance premiums" as vague and ambiguous as it is unclear what "re-insurance premiums" are being discussed. L&C further objects to this Interrogatory in that it calls for a legal conclusion. This Interrogatory is further objected to the extent that it improperly attempts to invade the attorney client and/or attorney work product doctrine and further seeks the premature disclosure of expert opinions.

ANSWER TO INTERROGATORY NO. 17:

L&C objects to this Interrogatory in that it misstates and misrepresents the receivership of L&C. L&C further objects to this Interrogatory in that it calls for a legal conclusion. This Interrogatory is further objected to the extent that it improperly attempts to invade the attorney client and/or attorney work product doctrine and further seeks the premature disclosure of expert opinions. Without waiving its objections, and without limitation, pursuant to the Order of Liquidation dated February 28, 2013 in the matter of State of Nevada, Ex. Rel. Commissioner of Insurance, in His Official Capacity as Statutory Receiver for Delinquent Domestic Insurer v. Lewis & Clark LTC Risk Retention Group, Inc. et al., filed in the Eighth Judicial District Court of Nevada in and for the County of Clark, Case No. A-12-672047-B, the receiver was directed to collect and liquidate the assets of L&C.

Without waiving its objections, and without limitation, following review of the June 30, 2010 financial statement of L&C, the DOI sent a letter on September 8, 2010 advising the Board of the dangerous financial position of L&C.

Discovery is ongoing and L&C reserves the right to supplement this answer as discovery proceeds.

INTERROGATORY NO. 19:

State all facts and circumstances that support your contention that had the board taken action by late 2011, the substantial losses experienced by L&C would not have occurred or would have been greatly limited.

ANSWER TO INTERROGATORY NO. 19:

This interrogatory is objected to on the basis that it is vague and ambiguous and misstates L&C's position. This Interrogatory is further objected to the extent that it improperly attempts to invade the attorney client and/or attorney work product doctrine and further seeks the premature disclosure of expert opinions, and calls for a legal conclusion. In addition, L&C objects to this interrogatory as broad ranging written discovery is improper when it essentially subsumes every fact in the case. See Aldapa v. Fowler Packing Co. Inc., 310 F.R.D. 583, 591 (E.D. Cal. 2015), reconsideration denied, No. 115CV00420GEBSAB, 2016 WL 81231 (E.D. Cal. Jan. 7, 2016); Hiskett v. Wal-Mart Stores, Inc., 180 F.R.D. 403, 404 (D. SFC, Inc., 170 F.R.D. 182, 186-87 (D. Kan. 1997).

Without waiving its objections, and without limitation, the DOI sent a letter on September 23, 2011 noting several massive financial problems with L&C which the Board had, on information and belief, taken improper or no action to correct, including the following:

- Of particular concern is the Combined ratio which has increased since prior year-end from 99.4% to 153.9% - a 54.8% increase postmerger.
- A major concern is Risk Based Capital ("RBC") 208.8%. This
 RBC calculation results from year-end 2010 financial statement.
 The RBC is now well below that level considering the reserve

(Liability) increases and net loss reducing policyholder surplus by 40.3% for only one-half (Six Months) of a year of operating activity.

...

- Net underwriting loss has deteriorated to \$3.1 million
- Net loss = \$1.8 million

The September 2011 Letter further noted the following regarding the second quarter of 2011:

Since prior year-end, policyholder surplus has declined by 40.3%. Company is experiencing adverse claims Development and is becoming extremely leveraged. Total Liabilities have increased by 26.5% ... Net Loss is \$1.8 million, a result of \$3.1 million net underwriting loss for six months and \$1.7 million underwriting loss for just the second quarter. Unassigned Funds have deteriorated further to a negative (\$1.4 million). Since prior year-to-date, net premiums carned have improved nominally by 5.8% while net losses incurred has increased by 117.6% causing a net loss ratio of 114.4% and resulting in a 153.9% combined ratio. Company is highly leveraged. Cash and invested assets only represent 59.2% of total assets resulting in a 148.7% liquidity ratio coupled with gross premiums written representing 571.6% of policyholder surplus and net premiums written representing 499.9% of policyholder surplus and net premiums written representing 499.9% of policyholder surplus ...

The September 2011 Letter noted that the DOI had sent "a prior letter advis[ing] the Board of Directors of deteriorating financial condition and admonish[ing] the Board and management to consider a correction plan." The letter required that "[t]he Board and management must now prepare a short-term (3 month) action plan and based on this action plan how they forecast their 12/31/2011 statement to appear."

On information and belief, the Board failed to exercise even scant care in addressing the September 2011 Letter, and failed to correct the staggering financial problems L&C was facing.

PRELIMINARY STATEMENT AND DEFINITIONS

L&C has not fully completed its investigation of the facts relating to this case, has not completed discovery in this action, and has not completed preparation for trial. All responses contained herein are based only upon such information as is presently available to and specifically known by this responding party and it discloses only those conclusions and contentions which presently occur to this responding party. It is anticipated that further discovery, pending investigation, legal research and analysis will supply additional facts, add meaning to the known facts, and may establish entirely new factual conclusions and legal contentions, all of which may lend substantial additions to, changes, and variations from the responses herein set forth.

The following responses are given without prejudice to or waiver of L&C's right to introduce evidence of subsequently discovered and developed conclusions or contentions. The responses contained herein are made in a good faith effort to supply as much factual information and as much specification of legal contentions as is presently known, but in no way should be to the prejudice of these responding parties in relation to discovery, research or analysis. L&C additionally reserves its right to supplement and/or amend each and every response below.

GENERAL OBJECTIONS

These responses are made solely for the purpose of and use in this litigation. Each response is given subject to all appropriate objections (including, but not limited to, objections concerning competency, relevancy, materiality, propriety and admissibility) that would require the exclusion of any statement contained herein if the request were asked of, or any statement contained herein were made by, a witness testifying in Court. L&C reserves all such objections and the grounds therefore and may interpose them at the time of trial.

As discovery is still ongoing, L&C's responses are based on its present knowledge, information and belief.

1. L&C objects to this discovery to the extent it seeks information other than that which may be obtained through a reasonably diligent search of its records.

INTERROGATORY NO. 24:

The following report appears in YOUR Fifty-Ninth Status Report filed on March 19, 2018 in Case No. A-12-672047-B:

"C. Proofs of Claim Filed with Receiver

As of the date of this report, three hundred fifty-one (351) Proof of Claim (POC) forms were mailed to the Receiver. Three hundred forty-four (344) of the POC's were

post marked on or before the August 31, 2014 due date and are considered timely filed and seven (7) POC's were postmarked after August 31, 2014 and at this time are considered late filed. 219 of the 344 timely-filed POC's and 6 of the 7 late-filed POC's are claims potentially covered under the terms of the L&C's insurance policy (i.e. "loss claims")." (emphasis supplied)

Please IDENTIFY the names and addresses all of the 351 persons or entities who mailed the Proof of Claim forms to YOU, as stated in the above-quoted report.

RESPONSE TO INTERROGATORY NO. 24:

Objection. Interrogatory No. 24 seeks irrelevant information and is not reasonably calculated to lead to the discovery of admissible evidence. According to the provisions of NRS 696B, the rights of L&C are fixed as of the date of the order of liquidation. See also Integrity Ins. Co. v. Martin, 105 Nev. 16, 762 P.2d 69 (1989); Order Granting Petition for Appointment of Commissioner of as Receiver; Injunction; Order to Preserve Assets of Insurer ("Liquidation Order"), entered December 26, 2012. The above-referenced Proofs of Claim, all of which occurred subsequent and pursuant to the Liquidation Order and NRS 696B, are immaterial therefore to any issue in dispute in this civil action, separate and independent from the Receiver's administrative duties.

Discovery is ongoing. L&C reserves the right to supplement its discovery responses as appropriate.

INTERROGATORY NO. 25:

In Reference to above Interrogatory No. 24, please IDENTIFY by names and addresses the persons or entities who mailed the 344 Proof of Claim forms to YOU that "were post marked on or before the August 31, 2014 due date and are considered timely filed."

RESPONSE TO INTERROGATORY NO. 25:

which that sought in Interrogatory No. 28 is merely a subset, including any and all objections stated therein.

INTERROGATORY NO. 29:

The following report appears in YOUR Fifty-Ninth Status Report filed on March 19, 2018 in Case No. A-12-672047-B:

"D. Adjudication of Filed Proof of Claim Forms

"Due to the nature of the underwriting business, the loss claims filed under the POC's are complex and often involve multiple defendants some of which are not insured by Lewis & Clark. Because of this complexity, a large number if the loss claims are still involved in active litigation in many difference jurisdictions. The Deputy Receiver has determined that it is in the best interest of the estate to allow the claims litigation process to proceed and to defer adjudication of the POC's and allow the claims to develop in the usual course.

RESPONSE TO INTERROGATORY NO. 29:

Objection. Interrogatory No. 29 seeks irrelevant information and is not reasonably calculated to lead to the discovery of admissible evidence. According to the provisions of NRS 696B, the rights of L&C are fixed as of the date of the order of liquidation. See also Integrity Ins. Co. v. Martin, 105 Nev. 16, 762 P.2d 69 (1989); Order Granting Petition for Appointment of Commissioner of as Receiver; Injunction; Order to Preserve Assets of Insurer ("Liquidation Order"), entered December 26, 2012. This information, all of which relates to events occurring subsequent and pursuant to the Liquidation Order and NRS 696B, are immaterial therefore to any issue in dispute in this civil action, separate and independent from the Receiver's administrative duties.

Discovery is ongoing. L&C reserves the right to supplement its discovery responses as appropriate.

RESPONSE TO INTERROGATORY NO. 30:

Objection. Interrogatory No. 30 seeks irrelevant information and is not reasonably calculated to lead to the discovery of admissible evidence as the provisions of NRS 696B provide for the Receiver's standing and right to pursue claims of relief on the liquidated insurer's behalf.

Discovery is ongoing. L&C reserves the right to supplement its discovery responses as appropriate.

REQUESTS FOR PRODUCTION

REQUEST NO. 1:

The following report appears in YOUR Fifty-Ninth Status Report filed on March 19, 2018 in Case No. A-12-672047-B:

"C. Proofs of Claim Filed with Receiver

CONTRACTOR PORTS

-3-

DD00376

FENNEMORE CRAIG, P.C.
LAS VEGAS

As of the date of this report, three hundred fifty-one (351) Proof of Claim (POC) forms were mailed to the Receiver. Three hundred forty-four (344) of the POC's were post marked on or before the August 31, 2014 due date and are considered timely filed and seven (7) POC's were postmarked after August 31, 2014 and at this time are considered late filed. 219 of the 344 timely-filed POC's and 6 of the 7 late-filed POC's are claims potentially covered under the terms of the L&C's insurance policy (i.e. "loss claims")." (emphasis supplied)

Please produce a list of the names and addresses of all the 351 persons or entities who mailed the Proof of Claim forms to YOU, as stated in the above-quoted report.

RESPONSE TO REQUEST NO. 1:

Objection. Request No. 1 seeks irrelevant information and is not reasonably calculated to lead to the discovery of admissible evidence. According to the provisions of NRS 696B, the rights of L&C are fixed as of the date of the order of liquidation. See also Integrity Ins. Co. v. Martin, 105 Nev. 16, 762 P.2d 69 (1989); Order Granting Petition for Appointment of Commissioner of as Receiver; Injunction; Order to Preserve Assets of Insurer ("Liquidation Order"), entered December 26, 2012. The above-referenced Proofs of Claim, all of which occurred subsequent and pursuant to the Liquidation Order and NRS 696B, are immaterial therefore to any issue in dispute in this civil action, separate and independent from the Receiver's administrative duties.

Separately, L&C objects to Request No. 1 in that it is not a request for a document, but is instead more properly characterized as an interrogatory (and, in fact, is wholly duplicative of the Director Defendants' simultaneously served 2nd Set of Interrogatories, No. 24).

Discovery is ongoing. L&C reserves the right to supplement its discovery responses as appropriate.

REQUEST NO. 2:

Please produce and any all DOCUMENTS in YOUR possession, custody or control that show the amounts being claimed under the 219 timely-filed POC's which are claims potentially covered under the terms of the L&C's insurance policy (i.e. "loss claims"), referred to in YOUR

above-quoted report.

RESPONSE TO REQUEST NO. 2:

Objection. Request No. 2 seeks irrelevant information and is not reasonably calculated to lead to the discovery of admissible evidence. According to the provisions of NRS 696B, the rights of L&C are fixed as of the date of the order of liquidation. See also Integrity Ins. Co. v. "D. Adjudication of Filed Proof of Claim Forms

.....

"The filed POC's relating to a loss claim involve 169 different alleged injured parties. These POC's include claims for indemnity from claimants, insureds and plaintiff attorneys as well as claims for attorney fees and indemnity from defense counsel. The review to date has allowed the Deputy Receiver to complete the review and adjudication of thirty-nine (39) personal injury/indemnity claims and the associated loss adjustment and defense costs for sixty-two (62) claims. The Deputy Receiver continues to review various loss claims, prepares correspondence and reaches out by telephone communication to the filer of the POC or counsel to request additional information needed to determine the approved amount of the loss claim. As additional supplemental claims information is received, the claims will be adjudicated." (emphasis supplied)

Please produce a list, including the names, addresses, and amounts of loss claim, showing that the "filed POC's relating to a loss claim involve 169 different alleged injured 13956747

POINTS AND AUTHORITIES

i. INTRODUCTION

On December 26, 2012, pursuant to NRS 696B.250, the Court entered *Order Granting Petition for Appointment of Commissioner as Receiver, Injunction; Order to Preserve Assets of Insurer* ("Order"). On January 23, 2015, Twenty-Fifth Status Report was filed by the Receiver with the Court. Said report included a section pertaining to expenses and fees incurred by Wyatt, Tarrant & Combs, LLP, for the period February, 2014 through November, 2014.

II. ARGUMENT

NRS 696B 290 provides in pertinent parts:

6. In connection with delinquency proceedings, the Commissioner may appoint one or more special deputy commissioners to act for the Commissioner and the Commissioner may employ such counsel, clerks and assistants as the Commissioner deems necessary. The compensation of the special deputies, counsel, clerks or assistants and all expenses of taking possession of the insurer and of conducting the proceedings shall be fixed by the receiver and shall be paid out of the funds or assets of the insurer. Within the limits of duties imposed upon them, special deputies shall possess all the powers given to and, in the exercise of those powers, shall be subject to all of the duties imposed upon the receiver with respect to such proceedings.

7. During such receivership the Commissioner shall file in the court, at regular intervals not less frequently than quarterly, the Commissioner's true reports in summary form of the insurer's affairs under the receivership, and of progress being made in accomplishing the objectives of the receivership. All such reports, together with such additional or special reports as the court may reasonably require, shall be subject to review by the court; and all actions of the receiver therein reported shall be subject to the court's approval, but the court shall not withhold approval or disapprove any such action unless found by the court after a hearing thereon in open court to be unlawful, arbitrary or capricious.

NRS 696B.290 (6), (7).

The Receiver retained the law firm of Wyatt, Tarrant & Combs, LLP ("Wyatt") of Nashville, Tennessee to evaluate potential claims against directors, officers of L&C, and other parties after the review of various records of L&C. Wyatt reviewed records, performed legal research necessary to evaluate the potential claims, and issued a legal opinion pertaining to same, based on which the Receiver retained Nevada law firm Fennemore Craig Jones Vargas, who on December 23, 2014 filed a complaint against the former officers and directors of L&C as well as other parties.

The fees and costs for legal services performed by Wyatt total \$68,739.64 for February, 2014 through November, 2014. The Receiver hereby seeks approval of these fees and expenses, as set forth in the Report. Supporting invoices are submitted herewith as Exhibit A.¹

II. CONCLUSION

Based on the foregoing, Receiver respectfully requests that the Court grant this Motion for Approval of Fees and Actions of the Receiver as set forth in Report.

DATED this 25th day of February, 2015.

In reviewing the 10/14 billing and the previously billed balance of \$28,304.40 it appears that there was a billing for 9/14 of \$13,593.30.

We do not have a copy of this 9/14 billing so please provide a copy.

Thanks.

#### II. <u>DOCUMENTS</u>

Pursuant to NRCP 16.1, Plaintiff hereby submits its TWELFTH supplement of documents that may be discoverable pursuant to NRCP 26(b). The documents are identified as: LC0295782-LC0295790.

Plaintiff also discloses any and all documents identified and/or disclosed by any other party to this action. In addition, Plaintiff reserves the right to amend and/or supplement this list of documents as discovery proceeds.

Neither inclusion of any documents within this disclosure made pursuant to NRCP 16.1, nor acceptance of documents provided by any other party hereto in a disclosure made pursuant to NRCP 16.1, shall be deemed as a waiver by Plaintiff of any evidentiary rights it may have with respect to those documents, including, but not limited to, objections related to authenticity, materiality, relevance, foundation, hearsay, or any other right as may be permitted pursuant to the Nevada Rules of Evidence.

#### III. <u>COMPUTATION OF DAMAGES</u>

Plaintiff anticipates retaining an expert to analyze and compute damages. Plaintiff will supplement this list when that occurs. At this time Plaintiff asserts that it has been damaged in a principal amount of not less than \$15,000,000 due to Defendants' actions, excluding interest, attorney's fees and costs, which Plaintiff will also seek in addition to the principal damages. Plaintiff expressly reserves the right to supplement and/or amend its computation of damages without any negative inference or presumption.

#### IV. INSURANCE

Plaintiff is informed and believes that various insurance agreements covering Defendants' actions are in existence and anticipates obtaining these policies from Defendants and supplementing this disclosure as discovery continues. Plaintiff expressly reserves the right to supplement and/or amend this response without any negative inference or presumption.

That's it. 18 A. I did, yeah. Q. -- other than the other clients' documents? 19 Q. Did you produce everything that was in your 19 20 A. Correct. 20 file? 21 Q. Okay. 21 A. I did. 22 Other than your attorney, have you spoken 22 Q. Okav. with anybody else about the subpoena duces tecum or 23 What did you do when you got the subpoena 23 24 duces tecum to -- obviously, I'm not looking for your deposition today? 25 A. The only thing I did was when I got the communications with your attorney here today, but Page 11 1 subpoena duces tecum, I asked Steve Peek if he knew 1 what did you do to, I guess, obtain the file that 2 whether or not the receiver was waiving the 2 you then produced? 3 conflict, and he said he didn't know. So he told me A. We had to get it out of storage because it 4 to call Angela, which I did. So that's the only 4 had been so long. It was over at -conversation I've had. 5 Q. Okay. ĥ Q. Sure. 6 Did you produce everything that you had in 7 that file? 7 What did you and Ms. Ochoa talk about? A. I just asked her about the conflict, and A. Yes. The only thing we took out was there 9 were -- for whatever reason, there were some she said she thought it was waived, but I think she was in the process of confirming it with you. 10 documents related to other clients in there, and so 10 11 we took those out; otherwise, you've got everything 11 Q. Any other conversations? 12 A. No. 12 we had. 13 Q. Did you do anything else to prepare for 13 Q. Okay. your deposition today? 14 14 How was that file created? A. I'm not sure what you are asking. 15 A. No. 15 16 Q. Okay. 16 Q. Sure. MR, BRIDSTON: Other than meeting with me. 17 17 You said it had been a while, you had to go A. Yeah. I didn't think you meant --18 18 to storage to get it. 19 THE WITNESS: He said other than meeting 19 Was that file -- how was it prepared? 20 A. Well, I think it was mostly the Jones 20 with you. 21 Vargas file. And it was in some folders, and so it 21 BY MR. WIRTHLIN: 22 Q. And when I say Uni-Ter, the defendants in 25 Q. And before it was put in storage, were you

Page 16 Page 14 When was the last time you spoke with this case, which I'm not sure if you are aware, 1 2 Curtis Sitterson? there's Uni-Ter claims and there's Uni-Ter 2 A. It's been years. I haven't spoken with him 3 management, two different entities? 4 in years. 4 A. Right. 5 Q. Since 2012, do you recall? 5 Q. Okay. You are aware of that. So not since 2012, then? 6 A. I just can't remember. 6 7 Q. Do you remember the substance of the 7 A. Well, with respect to this case, right. conversation that you had the last time you spoke Q. Okay. 8 9 with him? 9 With respect to other cases? 10 A. I think it just would have been in relation A. I don't remember. 10 11 to Lewis and Clark. Q. Do you currently work with Uni-Ter or U.S. 11 Q. Do you remember what you talked about 12 12 RE? 13 specifically? 13 A. I do not. A. Well, he was the primary counsel for the 14 14 Q. Again, I'm not trying to give you a memory 21 21 Q. No. 22 test. If you don't remember, that's fine. 22 A. Oh. Q. Well, I just was wondering when I asked if 23 A. Yeah, I don't. 23 Q. So do you recall when you were retained as 24 24 you had spoken with them about your deposition 25 counsel for Lewis and Clark? today. I think you said, no, not about this, so I Page 15 Page 17 A. When I was with Jones Vargas. I think it 1 wondered if there was something else that you had 1 2 spoken to them about --2 was 2005ish. 3 Q. Okav. A. Oh, is that what you are asking about, my 3 4 deposition? It's not what I understood the question Around 2005? A. Yeah. 5 5 to be either. Q. Sure. Let me back up. It may have been a Q. How did it come about that you were 6 6 retained as counsel for Lewis and Clark? 7 poorly worded question. 8 A. I was asked to be their counsel. A. Okay. 8 Q. So when I say Uni-Ter and U.S. RE, you know 9 Q. Okay. 9 10 A. Their Nevada counsel. 10 who I'm talking about? A. Ido. Q. Okay. 11 11 12 Q. Okay. 12 Who asked you? 13 A. I think it was Sandy Elsass. Have you ever spoken with anyone from 13 Q. Did you know Sandy previously or was that 14 Uni-Ter or U.S. RE since 2012? 14 the first time you had talked to him? 15 15 A. Not about this case. Q. That's what made me think, have you spoken 16 A. I can't remember. 16 17 Q. So what do you recall was your specific 17 to them about other things? 18 engagement for Lewis and Clark? A. Well, there was another risk retention 18 19 group that I was counsel to that I might have spoken A. I was their Nevada-required counsel. 19 20 Q. Just like a local counsel? 20 with somebody, but I probably spoke with their 21 counsel, not them directly. 21 A. No. The statute in NRS 694C requires each 22 captive insurer to retain a Nevada licensed counsel 22 Q. Is that J.M. Woodworth? 23 that the commissioner deems competent. I think the A. Yes. That's who I remember. I can't 23 24 statute says according to her, the regulation she 24 remember when the last time was with that. 25 promulgates about the competency standards, but none 25 Q. That's fine.

Page 20 Page 18 have ever been promulgated. 1 main counsel. Q. Did anybody on the board ever tell you that 2 Q. Oh, really? or express that to you in any way that they saw 3 A. Yeah. I had to be approved by the commissioner as competent counsel for the company. 4 him --4 Q. So competent based on the promulgated 5 A. I mean, other than I went to -- I wasn't 5 specifications that weren't actually promulgated? invited to most of the board meetings. I only went to, I think, the Nevada board meetings and was only A. That's the -- I can tell you that's what 7 this legislation says. And there are none, so asked to perform certain tasks. 8 Q. Okay. 9 Q. Okav. 9 10 And the Nevada board meetings, you mean 10 A. -- I'm not sure if there are any that have 11 been informally adopted by any commissioner that has 11 specifically ones that were held in Nevada? A. Correct. 12 been -- that has served, I guess, over the span of 12 13 this matter. 13 Q. What about meetings that were held 14 telephonically or --14 Q. Okay. 15 But as far as you know, at the time you 15 A. Yeah. Telephone calls with the board, 16 16 were retained in 2005 there weren't any yeah. specifications promulgated at that point? 17 Q. You did have a few, you said? 17 A. I think I did. It's my memory. A. Yes. There's never been any regulations 18 18 19 since the captive chapter was adopted in 1999. 19 Q. Okav. 20 A. I didn't have many. 20 Q. So was Mr. Elsass the only person at or 21 Q. And I think you mentioned that your role 21 affiliated with Lewis and Clark that you knew at 22 that time or did you know anyone else from Lewis and 22 was limited. What did you understand the specific scope 23 Clark or Uni-Ter or U.S. RE? 23 24 of your role to be? 24 A. At what time? 25 A. To interface with the regulator. 25 Q. 2005, when you were retained. Page 19 Page 21 Q. The Department of Insurance? A. I don't remember. 1 1 2 Q. Okay. 2 Yes. 3 Q. I will just call it the DOI, if that's 3 So Mr. Elsass just reached out to you and said would you be -- well, what did he say exactly? 4 easier. 4 5 A. Yes. 5 A. He asked us to be counsel, Nevada counsel. Q. So when you say interface with the DOI, 6 Q. When you say "us"? ĥ 7 A. I think he talked to Jim Wadhams, too. 7 what do you mean by that? 8 8 A. They would ask me to get, for example, Q. Okay. 9 A. Both of us. Yeah. 9 surplus notes. They asked me to submit those for approval. I mean, if there was any sort of 10 10 Q. Yeah. If somebody wants to do the math. 8 9 Q. '88 to '05, right? 9 and expertise that you had that led you to being retained by Lewis and Clark? A. Yeah, that's fine. 10 11 A. Probably. I mean, I'm not --Q. I know. Maybe that's why we all went to 11 Q. Familiarity with the DOI and its processes 12 law school. 12 13 and regulations. 13 And did that involve kind of familiarity A. I mean, it's hard to speculate what people 14 with DOI regulations? 14 15 were thinking when they retained me. A. Did what involve? 15 16 Q. Sure. 16 Q. Your practice --A. But, yeah, I mean I was their Nevada 17 A. Yes. 17 statutory counsel. Q. — before you were retained by Lewis and 18 18 19 Q. Okay. 19 Clark? 20 Did you practice in multiple areas of law A. Yes. 20 between '88 to 2005 or did you focus mostly on 21 21 Q. Okay. And who did retain you specifically? Was insurance DOI type issues? 22 22 A. I mean, yeah, I did some other things as 23 23 it Lewis and Clark, the company? A. Lewis and Clark. 24 well. 24 25 25 Q. Did you have, at the time you were Q. Okay. That's what I'm asking, if that's 2 Do you recall, with respect to number four, your understanding. 3 who the independent claims consultants were that 3 audited the reserves for outstanding claims? A. I thought you said Uni-Ter. So, okay. 5 I'm sorry, what was the question? A. I wasn't familiar with who they are. I know it's in the minutes of whatever meeting --6 Q. What I'm getting at, I guess, is did you do ĸ any independent investigation with respect to 7 7 Country Villas being either cancelled or non-renewed You just heard the board talking about 8 or was this just information that had been relayed 9 that? 10 to you? 10 A. Correct. 11 A. Yeah. It was relayed to me. Q. Was Mr. Sitterson at any of those meetings 11 12 Q. Okay. 12 or participating? When I say "relayed to you," I mean in 13 13 A. I think he was at every meeting, yeah. Q. Anyone else other than Mr. Sitterson and 14 those board meetings --14 15 Uni-Ter who was there at all of those meetings? 15 A. Correct. Q. - after 2011, September 2011. 16 A. I mean, there are other vendors that could 16 A. Correct. be there as well. I just don't remember. 17 17 18 Q. That's fine. 18 Q. Okav. And then number six, "The remaining book of 19 19 And then number five, "The book of business causing the insured losses has been cancelled or 20 business is historically profitable." 20 21 Did you have personal knowledge of that or 21 non-renewed." was that, again, related to you by what you heard in 22 22 Do you remember which book of business that 23 the board meetings? 23 was? A. Correct. 24 A. I think it's the Country Villas would be 24 Q. Which one? 25 included in that. I don't know if that was the 25 Page 65 Page 63 A. The latter. 1 extent of business that was cancelled. 1 2 Q. Board meetings? 2 Q. Well, you state that "the book of business 3 causing the insured losses." A. Yes. 3 4 Q. Okay. Who determined that that book of business, 4 And the remaining statement there in bullet 5 5 which you believe -- you said is Country Villas was point number six, is that, again, your personal 6 causing the insured losses? 7 A. Page 68 Page 66 A. Yes. A. I'm sorry? 1 1 2 Q. Okay. 2 Q. What went into that decision? 3 And since you mentioned it, you talked A. I would be speculating if I tried to 3 about, I think it's on page two - I'm sorry, 6157, respond to that question. something about a pigeon problem? Q. Okay. Did the board come to you and say, We made 6 A. Yeah. 6 7 Q. What was that? 7 a decision to ask the DOI to put us in receivership 8 A. So when the division was in their prior or were you involved in the discussions leading up office space, they had a terrible pigeon problem and 9 to that decision? A. No. I was only asked to communicate that they had to come and spray all sorts of terrible 10 chemicals in the place, a bunch of people got sick 11 to the division. and their files got destroyed, so it was really bad. Q. So you had no involvement in the decision 12 13 Yeah. I felt bad for them. 13 to ask the DOI to do that? 14 Q. So it looks like the only -- well, I see 14 A. No, I was not. 15 you're copied on the letter from Donna Dalton dated Q. All right. Let's go back to Exhibit 45, 15 16 September 7, 2010, which is page 6154. 16 the 2011 letter. A. The e-mail? 17 17 Had you seen any other letters from the DOI Q. Yes, the e-mail. 18 to the board or Lewis and Clark expressing concern 18 19 A. You said "letter." 19 about Lewis and Clark's financial condition prior to 20 Q. I apologize if I said "letter." The 20 the 2011 letter? A. I don't remember. I think we only received 21 e-mail. 21 Do you recall, did you read through this 22 22 what was in our file. I don't remember if there 23 string of e-mails here that's attached as 23 were any of those kinds of letters. 24 Exhibit 147? 24 Q. Okay. 25 A. Yeah, I don't know if these were all 25 So to your knowledge, if it wasn't in your Page 69 Page 67 1 attached, you know, to the one I got. I don't have file that you produced to us, you didn't receive it? 2 any memory particularly of it, no. 2 A. Correct. 3 Q. Do you see that subject line on the one you 3 Q. Okay. 4 are specifically CC'd on? Nothing was taken out or destroyed or 4 A. Yes. 5 anything like that? 5 6 Q. "Re: Lewis and Clark Post-merger capital 6 A. No. 7 deterioration," what was your understanding of what 7 Q. And let's look at Exhibit 127. Sorry to that meant? keep going back and forth between binders. 8 Let me know when you've finished reviewing A. Well, I'm looking through the e-mails. It 9 10 looks like there was some concern by John Marshall 10 that. 11 that the merger contributed to -- the Sophia Palmer A. So you've had a chance to review that 14 14 with the DOI, correct? document, Exhibit 127? A. Correct. A. Yes. 15 15 Q. And do you recognize that? 16 Q. Okay. 16 Do you recall getting that letter around A. I didn't remember it until looking at it. 17 17 this time from the DOI talking about --18 18 Now it looks like my name is on it. 19 A. What letter is that? 19 Q. Okay. 20 Q. Well, let's take a look at that. 20 That's on page -- I'm not going to go through the letters -- 6154? 21 If you go down to the next e-mail down --21 22 A. Yes. A. Yes. 22 23 Q. -- from John Marshall to Donna Dalton, 23 Q. All right. 24 several CCs? 24 And is that your e-mail address,

25

A. Yes.

Page 70 Page 72 Q. Okay. Q. By the way, do you know who Peggy 1 2 Willard-Ross is? 2 And just so I'm clear, no, you didn't or you don't remember? A. Ido. 4 A. I don't remember. 4 Q. Who is that? 5 A. She's in the division's corporate and Q. Okav. 5 You don't recall calling up Donna and 6 financial section. 7 saying, Hey, what's going on here? 7 Q. How about Bill McCune? A. No. 8 8 A. He passed away. He was murdered in Carson Q. He was nice guy. 12 week?" 13 What was your understanding of that 13 Q. How about a Katrina Johnson? 14 A. I don't recognize that name. 14 statement? 15 A. Just looking through, I don't have any 15 Q. Okay. 16 So that's an e-mail that appears to be from 16 memory or any understanding of it, but just looking 17 John Marshall to Donna. "Thanks, Donna. I'm glad through the thread, it looks like she was asking John Marshall, the analyst, to amend some letter 18 to hear the results were not a result of the 19 that was received that made a connection between the 19 merger." capital deterioration and the Sophia Palmer merger. 20 So if you are looking at -- and, again, I 20 21 Q. Did you talk to the board at all about that 21 know I gave you a chance to peruse this, but do you 22 recall what the substance of the conversation was 22 issue? A. No. I never knew it was really an issue. 23 23 with respect to why it was believed by the DOI that 24 I don't remember it ever being an issue. 24 the Sophia Palmer merger had affected Lewis and 25 Q. Okay. 25 Clark's financial situation? Page 71 Page 73 When you got this e-mail, did you ask to 1 A. Idon't, Idon't, 1 Q. When you got this e-mail, did you forward see that letter at all that's referenced in the 2 e-mail from Donna that she copied you on? 3 it to the board or anybody else? 3 A. Yeah. Again, I don't know how much of this A. Again, I don't know if the rest of it was 4 5 I received other than the top part. I have no idea 5 part of what I got. whether the rest of this was attached at that point. Q. Lunderstand. I'm just talking about the 6 e-mail specifically, which you were copied on, from 7 1 have no idea. 7 Q. Okav. Ms. Dalton at the very top of that page where she 8 8 So that is your e-mail address or was at says, "Are you going to amend the letter addressed 9 9 10 the time, cakridge@jonesvargas.com. 10 to Jeff Marshall last week?" Did you have any understanding as to what Do you recall when you got this letter what 11 11 12 your reaction was to the subject line, "Lewis and 12 that letter was? 13 Clark Post-merger Capital Deterioration"? 13 A. No. MR. WILSON: Object to the form. 14 Q. Or what the amendment was? 14 15 A. No. It looks like I'm being copied maybe 15 A. No. Q. Or why it was a problem, at least from 16 potentially on that -- the e-mail because there was 16 17 some issue in the examination report about stock 17 Donna Dalton's perspective? 18 ownership, their methods regarding stock ownership, 18 A. 25 the e-mails. I have no idea.

25

A. No, I don't remember.

Page 76 Page 74 1 Sophia Palmer and Lewis and Clark, what involvement, Q. You didn't keep e-mails, you said? 2 2 if any, did you have with respect to Sophia Palmer? A. No. A. It didn't exist anymore after the merger. 3 Q. When you say you didn't keep them, what do 4 Q. Okay. you mean? 4 5 i guess what I'm asking is: Did you 5 Our system doesn't keep e-mails. monitor in any way the financial condition of Lewis 6 Q. It doesn't retain them? and Clark after its merger with Sophia Palmer? 7 A. Right. 8 A. My job wasn't to monitor the financial 8 Q. Okay. 9 condition of Lewis and Clark at any time. 9 What happened to them? Were they deleted after a particular amount of time. 10 Q. Were you aware that there was a 10 deteriorating financial condition after the merger 11 A. Yeah. After a particular amount of time. 11 12 Q. So as you sit here today, you just don't 12 with Sophia Palmer? MR. WILSON: Object to the form. 13 know if you received the rest of these e-mails back A. I don't remember when I first learned there and forth when this top e-mail was forwarded to you? 14 14 were questions being asked by the division and 15 A. Correct. 15 16 Q. Might have been, you just don't know? concern by the board about the condition of the company and the solvency. 17 A. Correct. I don't remember it. 17 Q. If you look back at 127 at the top line of 18 18 Q. Okay. the e-mail you were copied on directly --19 19 But you don't recall any type of communication with the board about this letter from 20 A. Yes. 21 the DOI in 2010? 21 Q. -- and the regarding line says "Lewis and Clark Post-merger Capital Deterioration," what did 22 22 A. I don't remember. 23 you understand that to mean? 23 Q. So let's go to Exhibit 14. You can keep A. I think I've already answered that, which I 24 that exhibit open. I know -- ch, Exhibit 46, I'm 24 didn't -- you know, I didn't have any understanding 25 25 sorry. Page 77 Page 75 of what that was. If I just got this part, I A. And do you recognize Exhibit 46? recollection you didn't forward this e-mail that's 4 A. I do not. 5 Exhibit 127 to anyone? Q. Okay. A. I don't remember doing that. Have you ever seen that before, to your 6 Q. Do you remember taking any action after 7 knowledge? 8 receiving Exhibit 127 based upon receipt of that 8 A. No. α exhibit? 9 Q. Okay. 10 A. Not that I remember. 10 Were you aware at all that the DOI -- well, Q. Did you wonder why you had been copied on 11 strike that, please. 11 12 it? 12 If you look at the Re line, regarding line, on Exhibit 46 there, it says, "Post Sophia Palmer 13 A. I think I've already explained why I 13 14 believe I was copied on it. merger deteriorating financial condition." 14 15 Q. And can you repeat that for me, please? 15 Do you see that? 16 A. Because if there was going to be a hearing 16 A. Yes. 17 requested on the exam report, they probably would Q. And were you aware at any time that the DOI 17 was making the connection between the merger with 18 have asked me to do it. Q. As I recall your testimony, that was what 19 Sophia Palmer and Lewis and Clark's deteriorating 19 you believed may have been a reason; is that right? 20 financial condition? 20 21 A. Yes. That's what you just asked me again. 21 A. I don't remember that being the case. Q. After you helped out with the Sophia Palmer 22 Q. Right. 22

Yeah. 2 A. Yes. Q. Who was the main communicator with the Q. Do you recall preparing anything like that board? 3 3 4 in response or subsequent to the 2010 letters? A. I don't know what that means, but it wasn't A. I don't remember having -- yeah. I don't 5 me. So I don't really know who would primarily communicate with them as between Curtis, anybody at know if that was in response to the 2011 letter. Uni-Ter. I don't know, because I wasn't involved in 7 7 Q. Understood. я a lot of communication that occurred. 8 A. Yeah, I didn't testify that way. 9 Q. That's fine. 9 Q. Okay. 10 A. Okav. 10 If you can pull out -- well, you don't even 11 Q. Lunderstand. 11 need to look at it if you recall. A. So I don't know -- oh, I don't remember 12 We looked earlier at Exhibit 150, this 12 13 letter that you prepared and sent to John Marshall, 13 what communication we had with the division in 2010. Q. Because obviously this bullet point, and you stated there had been six occasions on which 14 14 15 "Summary of Recent Events with Respect to Lewis and the board had met since September 2011. 15 16 Do you recall specifically if it was six or 16 Clark" on this Exhibit 150, if you have that, did 17 you prepare this bullet point list or did someone 17 could it have been more or less? else prepare that? A. It was six. That's what's in the letter. 18 18 A. I prepared it based upon the direction of 19 Q. Did you attend those six meetings? 19 20 the board. A. I might have attended some or all of them. 20 21 Q. Did they tell you what to put in there? 21 I don't remember. 22 A. Yeah. 22 Q. Okay. 23 Okay. So let's go then to Exhibit 14. And in Q. 23 24 Do you recall, as you sit here today, 24 case you've already left it, Exhibit 46 that we 25 looked at was dated September 2nd and this letter is 25 preparing any similar letter before you had prepared

# Summary of Recent Events with Respect to Lewis & Clark LTC Risk Retention Group, Inc. ("L&C")

- (1) L&C over the course of 2011 has suffered significant losses arising out of claims against insured nursing homes primarily in California and, to a lesser degree, New York.
- (2) In response, the Board of Directors of L&C has met on six occasions since September 2011 and has taken a number of actions.
- (3) A total of \$2,220,000 in cash has been contributed to the capital of L&C, primarily by entities affiliated with the Directors.
- (4) Independent claims consultants have audited the reserves for outstanding claims.
- (5) The book of business causing the insured losses has been cancelled or non-renewed.
- (6) The remaining book of business is historically profitable. L&C expects to report capital and surplus of approximately \$2.0 million as of 12/31/11, which amount should be sufficient to support the continuing reduced book of business within a 3/1 net ratio.

John,

After we received your email, I spoke with Mike Lynch regarding the exam report and management letter. We agreed that you would provide us with a draft of the management letter (which would discuss the stock redemption issue) and exam order before we agreed to withdraw our hearing request. To date we have not seen drafts of these documents.

Donna,

Attached is an e-mail from Chief Examiner McCune requesting a formal written withdrawal of the hearing request.

We have had no response to the e-mail. Bud Brittain will return to work tomorrow. Without a formal request by Lewis & Clark RRG, the Legal Section is going to proceed with scheduling the Hearing. Please provide the requested document by Friday, October 7, 2010.

Thank You,

Donna,

After discussion among Senior Staff and considering the low capital position (RBC = 210%), and continuing soft market conditions, it has been decided that Finding #2 of the examination report will be placed in a management letter and removed from the examination report. The management letter comment will require development of a procedure for the return of capital to the former policyholders within a certain time parameter — 3 years, 5 years, installments, etc. You may have to change the stock offering memorandum and/or the company by-laws. Also required from management will be a formal notice (request) to vacate the Hearing.

We will have the management letter prepared in a few days. Hope this is satisfactory to all.

John,

If the DOI still disputes our methods regarding stock ownership, we would like a hearing. Are you going to amend the letter addressed to Jeff Marshall last week?

Thanks, Donna.

I'm glad to hear the results were not a result of the merger. I remember though, it did take a while for L&C to fully integrate Henry Hudson after that merger. I will anxiously anticipate better results for the third quarter.

Do you still request a Hearing on item 2 of the L&C exam?

approving the Commissioner as Receiver. Order Granting Petition for Appointment of Commissioner as Receiver; Injunction; Order to Preserve Assets of Insurer ("Order") was signed December 21, 2012 and entered on December 26, 2012 confirming the same. Included in the Order was the Court's approval for the intervenor UNI-TER Underwriting Management Corp and UNI-TER Claims Services Corp., ("UNI-TER") to present to the Receiver a proposal of rehabilitation of Lewis & Clark LTC Risk Retention Group, Inc. ("L&C"). On December 27, 2012, the Commissioner of Insurance, as Receiver, appointed Betty Cordial as Deputy Receiver for L&C. A proposal for rehabilitation was never presented by UNI-TER.

On January 25, 2013, the Receiver filed a Motion for Order of Liquidation requesting that the Court enter an Order of Liquidation based on a finding of fact that L&C was insolvent (as defined in NRS 696B.110(3)) and that pursuant to NRS 696B.220 (2) insolvency constitutes grounds for an Order of Liquidation.

On February 28, 2013, this Court entered an Order of Liquidation which directed the Receiver to liquidate the business of L&C. Any insurance policies that were still in force on March 1, 2013 or after (normal expiration date of policy) were canceled as of the date the Order of Liquidation was entered (i.e. February 28, 2013).

### **ACTIONS TAKEN BY RECEIVER AND DEPUTY RECEIVER**

### A. Administration of the Estate

The administration of this receivership is proceeding under the supervision of Deputy Receiver Cordial.

### B. Retrieval and Review of Records

The Deputy Receiver's staff has completed reviewing the open claim files at the Deputy Receiver's office.

The Deputy Receiver's staff also completed a review of all the unpaid bills for loss adjustment services and expenses and general administrative costs and prepared a schedule detailing all the unpaid bills.

### C. Proof of Claim (POC) Mailing List for Losses/Claims

The Deputy Receiver's staff completed a review of the available open claim files to locate the names and addresses of actual or potential creditors of the L&C estate. The name and address information has been input into an electronic database that will be used to populate and print the Proof of Claim forms.

# D. Proof of Claim (POC) Mailing List for Non-Claim Related Creditors

The Deputy Receiver's staff has completed the preparation of a list of other potential creditors (non-claim related) such as service providers, policyholders/stockholders, trade creditors, reinsurance companies, state agencies potentially due premium taxes, and others. This list has been combined with the names and addresses of claims related creditors and constitutes the POC mailing list.

### E. Due Date for Proof of Claim Form

In a minute order entered November 22, 2013, the Court approved August 31, 2014 as the due date for filing the POC form. This due date will be included on the Proof of Claim form that will be mailed to actual or potential creditors of the liquidation estate.

### F. Mailing of Proof of Claim Form

The proof of claim form will be mailed out in the next few weeks.

#### G. Financial Condition

Effective with the Minute Order of December 18, 2012 that appointed the Commissioner as Receiver, the Deputy Receiver's staff has prepared financial statements on a liquidation basis as of various dates. The liquidation basis financial reports more clearly reflect the financial status of the L&C estate for liquidation and distribution purposes than statutory or other financials. Offsetting asset and liability accounts have been noted, as have those amounts that are subject to dispute or litigation. As assets are collected, compromised or written-off, appropriate adjustments will be reflected. As the liquidation process continues, it is anticipated that the liquidation basis financial statements will provide the Liquidator and the Court with an accurate means of projecting the eventual distribution dividend to the various classes of claimants.

#### INTRODUCTION

On December 26, 2012, this Court issued an Order granting the Commissioner's Petition for Appointment of Commissioner as Receiver Pursuant to NRS 696B.250, thereby approving the Commissioner as Receiver. Order Granting Petition for Appointment of Commissioner as Receiver; Injunction; Order to Preserve Assets of Insurer ("Order") was signed December 21, 2012 and entered on December 26, 2012 confirming the same. Included in the Order was the Court's approval for the intervenor UNI-TER Underwriting Management Corp. and UNI-TER Claims Services Corp., ("UNI-TER") to present to the Receiver a proposal of rehabilitation of Lewis & Clark LTC Risk Retention Group, Inc. ("L&C"). On December 27, 2012, the Commissioner of Insurance, as Receiver, appointed Betty Cordial ("Cordial") of Vista Consulting Group, Inc. ("Vista") as Deputy Receiver for L&C. A proposal for rehabilitation was never presented by UNI-TER.

On January 25, 2013, the Receiver filed a Motion for Order of Liquidation requesting that the Court enter an Order of Liquidation based on a finding of fact that L&C was insolvent (as defined in NRS 696B.110(3)) and that pursuant to NRS 696B.220 (2) insolvency constitutes grounds for an Order of Liquidation.

On February 28, 2013, this Court entered an *Order of Liquidation* which directed the Receiver to liquidate the business of L&C. Any insurance policies that were still in force on March 1, 2013 or after (normal expiration date of policy) were canceled as of the date the *Order of Liquidation* was entered (i.e. February 28, 2013).

On July 27, 2015, Amy L. Parks, the Acting Commissioner of Insurance, as Receiver, appointed Robert L. Greer (Greer) of Vista Consulting Group, Inc. as Deputy Receiver for L&C, replacing Betty Cordial who resigned and retired.

#### ACTIONS TAKEN BY RECEIVER AND DEPUTY RECEIVER

#### A. Administration of the Estate

The Receiver, Deputy Receiver Greer and the professional staff of Vista Consulting Group, Inc. continue to administer the estate.

#### B. Asset Recovery Action

On December 23, 2014, a Complaint was filed in the Eighth Judicial District Court of Nevada, Dept. 27 (Case No. A-14-711535-C) by counsel (Fennemore firm) for the Receiver. The complaint was filed against former officers and directors of L&C as well as against L&C's underwriting manager and reinsurance broker. Deputy Receiver and counsel have been working on case matters which are protected by the attorney-client privilege. The Directors initially filed a Third-Party Complaint against various UniTer employees, including Sandy Elsass. However, that aspect of the case was never pursued.

On March 15, 2017 the Discovery Commissioner for the Court signed a Scheduling Order. The Deputy Receiver continues to work with counsel to prosecute this asset recovery action. Discovery is ongoing.

The Director and Officer (D&O) Defendants filed a renewed Motion for Reconsideration which requested that the Court reconsider its denial of the Director Defendants 12(c) Motion based on a misinterpretation of the applicable statutory and case law. On February 7, 2019 the Motion was denied. However, the Directors filed a Petition for Writ of Mandamus to the Nevada Supreme Court seeking an order directing the District Court to dismiss them under the protection of the business judgment rule. This filing has a significant impact on the procedural posture of the case and will likely change any and all discovery and trial deadlines moving forward. As a related matter, the District Court stayed all proceedings in this case pending the resolution of the Directors' Writ Petition.

The Supreme Court set a briefing schedule on the Writ Petition, which has been concluded and fully briefed. The Nevada Supreme Court does not operate under external deadlines and so the timing of its decision cannot be accurately estimated but is entirely within the Court's sole discretion. On

 $\frac{21}{22}$ 

October 21, 2019, the Nevada Supreme Court issued an order that there would be no oral argument on this appeal.

The original attorneys on this case, James Wadhams, Esq. and Brenoch Wirthlin, Esq. have both departed from Fennemore Craig, P.C. Brenoch Wirthlin was the lead trial attorney and at least one of his support staff will be practicing at Kolesar & Leatham in Las Vegas. The Receiver has transferred the litigation case from Fennemore Craig, P.C. to Kolesar & Leatham in the belief that is in the best interest of the Lewis & Clark estate to have the continuity of the lead trial attorney.

#### C. Proofs of Claim Filed with Receiver

As of the date of this report, three hundred fifty-one (351) Proof of Claim (POC) forms were mailed to the Receiver. Three hundred forty-four (344) of the POC's were post marked on or before the August 31, 2014 due date and are considered timely filed and seven (7) POC's were postmarked after August 31, 2014 and at this time are considered late filed. 219 of the 344 timely-filed POC's and 6 of the 7 late-filed POC's are claims potentially covered under the terms of L&C's insurance policy (i.e. "loss claims").

#### D. Adjudication of Filed Proof of Claim Forms

When the Deputy Receiver began the review of the filed POC's, it was apparent that some of the files lacked adequate information to make a formal adjudication of the claims. On June 10, 2016, the Deputy Receiver started mailing individualized letters to claimants and counsel requesting specific claim information for certain loss claims. The claims submitted are in a broad range of development. Some have not been developed outside of the receivership, by ongoing litigation, while others have been litigated to judgment or a settlement due to the fact that there are either co-defendants or the courts in other states have not stayed the case to allow for the claim to be processed by the Receivership. Additionally the Deputy Receiver has found that in some cases a filed POC included multiple types of claims under 696B.420. An example would be claims for insurance coverage, attorney fees, return premium and capital contributions all filed under a single POC. For purposes of adjudication these POC's have been separated into claims by type and will be adjudicated as such and assigned distinctive POC numbers.

 25 

The filed POC's relating to a loss claim involve 169 different alleged injured parties. These POC's include claims for indemnity from claimants, insureds and plaintiff attorneys as well as claims for attorney fees and indemnity from defense counsel. The Deputy Receiver continues to review various loss claims, prepares correspondence and reaches out by telephone communication to the filer of the POC or counsel to request additional information needed to determine the approved amount of the loss claim. As additional supplemental claims information is received, the claims will be adjudicated.

Due to the nature of the underwritten business, the loss claims filed under the POC's are complex and often involve multiple defendants some of which are not insured by Lewis & Clark. Because of this complexity, a large number of the loss claims are still involved in active litigation in many different jurisdictions. The Deputy Receiver has determined that it is in the best interest of the estate to allow the claims litigation process to proceed and to defer adjudication of the POC's and allow the claims to develop in the usual course. Insureds and claimants continue to advise of on-going developments in these underlying claim litigation cases and of settlements which take place which sometimes results in an uncontested claim amount for certain submitted POC's.

#### E. Financial Condition

Effective with the Minute Order of December 18, 2012 that appointed the Commissioner as Receiver, the Deputy Receiver's staff has prepared financial statements on a liquidation basis as of various dates. The liquidation basis financial reports more clearly reflect the financial status of the L&C estate for liquidation and distribution purposes than statutory or other financials. As the liquidation process continues, it is anticipated that the liquidation basis financial statements will provide the Receiver and the Court with an accurate means of projecting the eventual distribution to the various classes of claimants.

#### 1. Liquidation Basis Balance Sheet

#### A. September 30, 2019 (Exhibit 1)

The unaudited balance sheet, compiled on a liquidation basis of accounting for the period ending September 30, 2019, is attached hereto as Exhibit 1 and reflects the financial condition of L&C at that date, according to the books and records of L&C, and the information available to the Deputy

I don't think I would characterize it as either one, again.  Q. Well, it's not something where you can look a a blood sample and do some scientific analysis and reach virtual conclusions as to what the heritage of somebody is or the or some kind of analysis you' doing, whether it be from an insulin standpoint, or whether it be from a diabetic standpoint, or like that is it?

Did you have any objection to having Praxis come aboard?  A. No.  Q. Did you ever review what the conclusion was of Praxis Consulting as it relates to the reserving practices of Uni-Ter as of the date of the September 15, 2011, report?  A. They found no significant problems with the reserving practices. Although, again, it appears that they just reviewed a small sample of the claims. The board was satisfied that because the representation was made that Uni-Ter's claim staff, in this roundtable meeting I referenced, would review 100 percent of the claims, that this Praxis review was a supplement to that, in addition to a representation in Mr. Elsass's email of September 1st, or perhaps August 26th — one	11:14:47  11:14:52 11:14:53 11:14:54 11:15:05 11:15:05 11:15:13 11:15:18 11:15:19 11:15:24 11:15:24 11:15:34 11:15:47 11:15:47	25  1 2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 19 20 10 21 10 22	applicable rules and regulations that govern actuarial  Page 64  analyses? If what you're saying is, there can be various circumstances that can change the result that might be estimated differently, sure.  Q. Yeah. In fact, I'll show you a memorandum that says, That cost us \$600,000 above the reserves, to settle the policies, so we didn't have to try the case, in light of the negative publicity.  Are you aware that there was video evidence of one of the nursing people abusing one of the patients at one of the facilities?  A. No.  Q. In fact, it was out in the public that this person took — would do negative things to patients and video it. And that could impact the results, couldn't it?  A. Certainly.  Q. And how does somebody, in the reserving of — reserving, let's say, from Uni-Ter's standpoint, predict, in the future, that a director of nursing is going to contract kill her husband?  A. My opinion, again, is that the entire board was shocked that on December 20th, the date of this Donn Dalton email, and the date of our conference call, in which we were told at least 5.2 million of a reserve increase was required, was only three days after Donn Dalton produced a financial statement showing \$11.0 million of reserves. And this was increasing that number by 5.2 million within a three-day time frame. That's what the board was shocked about,  Q. And what was the end date of the financial statement? During what period of time did it reflect? Wasn't that June 30th?  A. No. It was projected to be as of 11/30. It

So what was Mr. Fogg's report back to the board? A. He didn't have any issues with the process that Fischlinger used to review claims. Q. And what was the process? A. I couldn't describe it in detail, but it was Fischlinger was yet another independent consultant, like Praxis, brought in to review claims, and specifically to review Praxis's findings on claims. Q. Brought in by whom? A. I believe Uni-Ter and/or U.S. RE might have recommended them. Q. Realty, it was U.S. RE, was the one at that point in time, that recommended Mr. Fischlinger, correct? A. I'll accept that. Q. And Uni-Ter is the one that recommended Praxicorrect? A. Yes.

In fact, negative.  Because that same financial statement that showed  11.0 million in reserves showed a 4.0 million capital balance.  Q. You've got a significant problem?  A. Yes, you do.  Q. What did you do about it?  A. That's when we established, as a board, the two different committees: the claims committee to review the Fischlinger report, that was a review of the Praxis report of December; and we also engaged a committee I don't recall if it had a name to it that would look at alternatives for evaluating how you could we could handle the deficient capital structure, whether it created an insolvent situation or whether there was an opportunity for someone, you know, to create a stop loss for the reserves that would reduce the liabilities for Lewis & Clark, or whether someone could actually purchase those reserves.  Q. What is a stop loss for reserves?  A. A stop loss is a cap that would minimize the	11:57:21 11:57:25 11:57:27 11:57:31 11:57:31 11:57:41 11:57:42 11:57:47 11:57:47 11:57:47 11:57:48 11:57:50 11:57:50 11:58:15 11:58:15 11:58:12	1 2 3 4 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20 21 11 12 22 23	A. Our committee was Rick Stickels was the chairman of this or the head of this committee, I should say, of the board of directors, to evaluate such alternatives. So I was not directly involved in that. So Mr. Stickels may have been involved directly in talking to Mr. Piccione or other members of U.S. RE about stop loss coverage.  Q. But you would expect Mr. Stickels to report back to the board what he learned, correct?  A. Yes. And as Q. What did he report back?  A. As I recall, there was not a feasible alternative in that regard, after months of review. Q. Why wasn't it feasible?  A. I believe a number of options were considered and companies contacted, but none were viable. Q. Did you have anybody review the valuation of open claims as of November 12, 2011, and then comparit to the valuation that was apparently occurring that caused the increase?  A. I believe all board members did that review. Q. And what did you reach any conclusions after

WILSON: No. I can ask the question.  Q. (BY MR. WILSON) Why did you omit it? Becausyou're implying that my client perhaps did not give correct information. When, in fact, the person who you said retied on it says, I checked it for reasonableness, and it fell within the reasonable range of possibilities.  Why did you omit that?  A. A range of possibilities is all he was evaluating, not the specific individual case file analysis.  Q. Well, we know -  A. He didn't do any such review. If he had, there would've been no reason to hire Praxis or Fischlinger to review specific claims.

So they must have been one of those.  Q. Were you — did you find the response of Ms. Dalton to be acceptable to your inquiry?  A. It was not a direct response: Although, I can imply from it that Richard Lord, on behalf of Milliman, had only reviewed those three accounts, not all of the accounts' reserves, which was consistent with my understanding, in reviewing the caveat at the bottom of every Milliman report, that they rely upon Uni-Ter's reserves in concluding whether the overall reserves are adequate or not.  Q. Would you look at Exhibit Number 59, please?  Do you recognize that document?  A. Yes.  Q. What is it?  A. It is the actuarial opinion of the reserves, as of December 31, 2010, for Lewis & Clark.  Q. By whom?  A. By Milliman.  Q. You just referenced a caveat that Milliman put in every report. Could you identify what you're	12:10:11 12:10:13 12:10:18 12:10:18 12:10:20 12:10:23 12:10:29 12:10:32 12:10:39 12:10:44 12:10:47 12:10:49 12:10:50 12:10:50 12:10:50 12:10:50	2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 16 17 20 7 21 10 22 23 23 24 24	data for reasonableness and consistency, and he found that it did not fall outside the range of reasonable possibilities?  A. He did. But it does not indicate that he looked at specific claims reserves on individual cases.  Q. What it says why did you omit that?  MS. OCHOA: Objection. Form.  MR. Did the board ever express any dissatisfaction with the reserving methodologies used by Uni-Ter?  A. Not when those methodologies were initially explained. But the history of these sudden increases in the reserve recommendations by independent consultants gave us cause to be concerned about those methodologies going forward.  Q. Did you ever reach a conclusion as to whether one of the methodologies employed by Uni-Ter, in doing reserving of L&C claims, caused the claims to be underreserved?  A. I don't know if any specific methodology would cause that.

A. Yes.  Q. And the purpose of that audit committee was what?  A. To meet with the auditors, to ensure that their audit processes appeared reasonable and to review the results of their findings.  Q. And who chaired that committee; do you recall?  A. Rick Stickels.  Q. And Mr. Stickels was associated with the Oneid Bank?  A. Correct.  Q. And what was Oneida Bank's relationship with Lewis & Clark?  A. They provided capital, I believe initially, in the amount of about 1.75 million for, first, Henry Hudson, and by the merger, Lewis & Clark.  Q. And they had a subsidiary called Bailey Haskell, didn't they?  A. Correct. It was a broker subsidiary.  Q. And they provided valuable services to Lewis & Clark?

A. Okay.  Q. You viewed Milliman reporting to you?  A. Correct.  Q. Now, it says: Mr. Miller presented a recent—a report on recent claims experience.  Ms. Miller. I'm sorry. That's Jonna Miller?  A. Yes.  Q. Then it says: The board discussed, in detail, the current loss experience of the corporation and the need to raise capital on a current basis.  Do you recall what was discussed?  A. Yes.  Q. What was discussed?  A. Sandy initiated the discussion, that hased upon the increase in reserves, that he had first notified us of on August 25th, that there had been a \$1.8 million drop in the capital reserves as of June 30, and that there would need to be capital infusion to restore it to acceptable levels. So that capital infusion process was discussed.  Q. Did you receive such a report?  A. Yes.  Q. And based upon your review of that report, you still couldn't conclude exactly what caused the specific increase, in terms of whether it was underreserving, claims that went bad, economy, or things of that nature?  A. I could not.  Q. Look at Exhibit Number 56. It's a copy of the board of directors meeting minutes of February the 2nd 2012. And Item Number 2 (alks about; Mr. Elsass reported regarding recent favorable claims activity.  Do you know what that was about?  A. Not specifically, but I would assume that would indicate a reduction in reserves.  Q. You have no specific recollection?  A. I have no specific recollection.  Q. Now, if you look at Item Number 1, it says:  Mr. Elsass and Ms. Dalton presented a report on the pretiminary pro forma 12/31/11 financial statement and the profit and loss statement for 2012. I didn't find evidence that she wasn't trustworthy. Q. Okay. Ms. Donna Dalton, who is she? A. Initially, the CFO, and then elevated to the combined position of chief operating officer and CFO. Q. Okay. And was your interaction with her more extensive than, for example, Ms. Miller?  A. Yes. Q. And was that through email communications, as well as in-person communications? A. Correct. Q. Now, with respect to Ms. Dalton, can you characterize, one way or the other, her trustworthiness?  A. I felt she was very professional, and she knew

I immediately contacted our counsel, Kate Julin, and also our broker — insurance broker and talked to them about their experience with risk retention groups, and to research the legalities and requirements, pitfalls, opportunities associated with that, and did a lot of my own research, looking at the publications coming out of the risk retention association, anything I could get my arms around to research about this vehicle for providing liability insurance.  Q. Risk retention groups, in general?  A. Correct. And I compared them specifically wit captive insurance opportunities, which of course had been out in the field. One of the differences there, of course, is captives are pretty much established for single entities. So you pretty much had to have sizable capital to establish your own captive,

So we felt that by requiring risk management reviews of operators, that you typically didn't see with standard indemnity insurance companies, that that was an enhanced prospect of what would be performed by Lewis & Clark, that would help reduce risk to us.  Q. Okay. So let's get into what — how you got to Uni-Ter. So you go to this LTC 100 conference. And I believe you said it was in May of 2003; is that fair?  A. Yes.  Q. But that's why he had Donna Dalton as an individual who is an expert in financial statement and accounting processes. Q. So just to do a very quick dive into financial statement specifically balance sheet analysis, what are the three main components of a balance sheet?  A. Assets, liabilities, and capital. Q. Okay. Well — Q. Or do them both at the same time? A. Let me back you up a little bit. No one sits down to actually prepare a balance sheet from scratch. It is the result of transactions that occur over a period of time. The balance sheet is a result of those actions. So cash, receivables, inventory, fixed assets, deferred tax liabilities, prepaid insurance premiums, whatever the asset side might contain are a result of activities that create those assets.  On the liabilities side, you might have accounts payable, short-term and other long-term liabilities, payroll liabilities, things of that nature, and reserves, in the case of insurance companies. So those are created — those balances are

15:24:09	1	on this balance sheet to be X, what would your	15:26:44	1	that we'd be on the board, given that the board should
15:24:13	2	impression of that person be?	15:26:47	2	be comprised of shareholders who happen to be insureds.
15:24:15	3	A. Well, let me back you up a little bit more.	15:26:52	3	And we were the largest ones at the time. It made
15:24:17	4	MS. OCHOA: Objection, Form.	15:26:54	4	sense for us to be on the board.
15:24:17	5	MR. WILSON: Objection.	15:26:57	5	Q. Sure. So someone at Eagle decided, Jeff, you
15:24:18	6	A. I'll just, for instructional purposes – a lot	15:27:00	6	should be on the board to represent Eagle's interests?

15:24:23	8	that include balance sheet covenants in them. They	15:27:09	8	appropriate one to be the representative on the board.
15:24:26	9	might have something like a current ratio in there,	15:27:12	9	Q. Seems to make sense. Okay.
15;24;28	10	which is the ratio of current assets to current	15:27:16	10	So when you get to when you realize you're
15:24:31	11	liabilities. So while you're not going to say, I want	15:27:19	11	going to be on the board of directors, what did that
15:24:33	12	any particular assets to be this number, or liabilities	15:27:23	12	did that spark in you any need to figure out, what does
15:24:35	13	to be this number, maybe the ratio in such a debt	15:27:30	13	it mean to be on the board of directors?

And if we look at this particular one, we see it was a meeting of the board of directors held, beginning at 5 p.m. on May 14th, continuing at 8 a.m. on May 15th, so — and then I would note — and please correct me if I'm wrong — is there a — anywhere in here an indication of stop times, end times, for your meetings?  A. I don't believe those were noted in the minutes.  Q. So — but am I correct, in that you did not meet from 5 p.m., all the way through the remainder of the 15th?  A. That is correct. Typically, we'd meet for a couple of hours on a couple of the topics, break for	15:50:41 15:50:46 15:50:50 15:50:57 15:51:04 15:51:07 15:51:09 15:51:15 15:51:21 15:51:22 15:51:23 15:51:29 15:51:30 15:51:30 15:51:30 15:51:30 15:51:30	2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20 21 22 23	A. Claims no, I wouldn't none of the topics would occupy that much time. I'd say claims would be an hour and a half, kind of average, I would say.  Q. So we're talking correct me if I'm wrong.  Your answers relate to the recurring topic areas?  A. Correct. Financial statement review is another one that could take an hour, going through those.  There were different, obviously, reports, specific to each meeting, that may not have occurred at every meeting. For example, a merger opportunity or a reinsurance opportunity, whatever.  Q. Sure. Well, that's you know, now to get specific, looking at the second page, Bullet 10, it says: The board considered, at length, the prospect of merging Sophia Palmer.  A. Correct.  Q. So what does "at length" mean?  A. I suspect that was several hours, in that case, I mean, we had a two-day meeting here, so there was

A. I don't think the long-term debt applies, just because the debt that existed was a surplus note.  Q. Right. Okay.  A. Subordinated.  Q. And so what's the difference between insolvency and impairment?  MS, OCHOA: Objection Form.  THE COURT REPORTER: Insolvency and what MR. CEREGHINO: Impairment.  THE COURT REPORTER: Thank you.  MR. WILSON: Same objection.  A. Impairment refers to an asset being impaired, below the value on which it's being carried. For example, if you have an amount that's owed from one company to another, an accounts receivable, if you're the one that's owed money from another entity, and you find out that that entity doesn't have the capacity to pay you the money, your receivable balance would be impaired by the amount by which you think you won't or the amount you don't think you'll collect, for example.

But it was the August 25th memo from Sandy Elsass reported the just released June 30 financial statements that reflected the increased reserves.  Q. Okay. So just so I understand the timing correctly, so obviously, we don't know how long it took Uni-Ter to provide monthly accounting reports because they were never required. But on a quarterly basis, how long after the close of the quarter would you, as a board, typically get the most recent completed quarterly?  A. A reasonable time frame would be 45 days. This exceeded that by about ten days or so, and I think because of the extra review that Uni-Ter engaged. Because they were surprised themselves, and then they announced to the board, on the 25th of August, this is the result.  Q. So if you turn back to Exhibit 14, that DOI letter from 2010 — September 2010. Do you see that?  A. Yes.  Q. It's addressed to you, but you testified you don't recall physically receiving it. Yes.  Q. And what would be some of the things that a board might do in the circumstances of its entity being insolvent or heading towards insolvency?  MS. OCHOA: Objection. Form.  MR. WILSON: Same objection.  A. The first step is to understand what the problem is and what created the insolvency. So there's a lot of information gathering, which, in this case, would have to come from Uni-Ter: financial data, claims data, reserves processes, anything that might have an impact on that insolvency. And then develop, you know, corrective action from that point forward, including recommendations from the management compant on steps that could be taken, whether it's correcting the level of capital, if, in fact, that would just solve a one-time problem on an ongoing basis; or if there are other issues related to specific policyholders, maybe changing who those are, terminating contracts, perhaps changing reserve methodologies, if that's a problem.  There could be a variety of issues that open themselves up to corrective action.

VIDEO DEPOSITION OF STEVEN CHARLES FOGG

Taken on behalf of the Defendant

November 15, 2018

* * *

BE IT REMEMBERED THAT the video deposition of STEVEN CHARLES FOGG was taken according to the Nevada Rules of Civil Procedure before Jennifer Marie Roland, a Notary Public and Professional Court Reporter for the State of Oregon, on November 15, 2018, commencing at the hour of 9:05 a.m., at 520 SW Yamhill Street, Suite 444, Portland, Oregon.

1 some general questions for process. 2 Ά Okay. As a board member did you typically receive 3 before the meeting an agenda of what would be 5 presented to the board at the meeting? I don't recall exactly, but I believe so. 6 Α 7 Q And then it says I'm preparing three-ring binders with the meeting contents and would like to 8 9 email these binders out to everyone in advance. is what the email said. 10 11 Do you recall that you would get on 12 occasion or regularly get, or however you would want 13 to describe it, binders of things that would be 14 presented to the board? 15 Yes. 16 0 And those would come from Uni-Ter? 17 Α Yes. Did you typically review those before the 18 Q 19 meeting? 20 Α Yes. 21 Did you generally think that you had Q 22 sufficient information from Uni-Ter to make a 23 decision? 24 MS. ADAMS: Form. 25 THE WITNESS: From the entire time?

- 1 BY MR. WILSON:
- 2 Q No, just generally. I'm asking generally.
- 3 You can tell exceptions if there's exceptions.
- A I would say from the start to mid 2010, yes.
- 5 But after that, no.
- 6 Q After that, no, in what way did you fault or
- 7 what way did you say you didn't have information from
- 8 Uni-Ter?
- 9 A I would say that we didn't have accurate
- 10 information from Uni-Ter related to losses.
- 11 O And in terms of not accurate information as
- 12 it relates to losses, what is the basis for that?
- 13 Your statement that it was not accurate.
- 14 A What transpired from September of -- am I
- 15 getting the years right? September of '11 through
- 16 December of '11, when losses were understated and we
- 17 were informed that we had significant additional
- 18 amounts that we had to book.
- 19 Q And that would be the time period that
- 20 you've described as September of '11 through December
- 21 of '11?
- 22 A Correct.
- 23 Q Okay. And we'll get to those areas.
- 24 Exclusive of that time period -- withdraw the
- 25 question. Let me ask it differently.

- 1 for options.
- 2 Q And the reason that it was put into
- 3 rehabilitation, slash, liquidation was why?
- A Again, because at that point in time we
- 5 finally reached a point where we didn't see a
- 6 solution. We didn't see an outcome that allowed the
- 7 enterprise to continue on.
- 8 Q And the people were not prepared to put
- 9 additional capital in the company?
- 10 A At that point in time?
- 11 Q Yes.
- 12 A I can only speak for myself, but I wasn't
- 13 prepared to.
- 14 Q And so is it fair to say that your major
- issue with Uni-Ter was the reserving that you've
- 16 described between the -- I'm talking general time
- 17 tables.
- 18 A Um-hmm.
- 19 Q The September 2011 -- okay. The reserving
- 20 that caused the issues to arise in September of 2011
- 21 through the time period let's say of February 2012.
- 22 A I would say my major issues with Uni-Ter are
- 23 twofold.
- 24 Q Okay.
- 25 A One would be the process of bringing Country

- 1 Villa on, how that was communicated, how that process
- 2 went through, went through the process of deciding to
- 3 do that. And then two would be, as I've said many
- 4 times already today, it's not just September through
- 5 December, I don't recall the starting point, but at
- 6 some point prior to September of 2011 there was a
- 7 period where there was what I've described, the
- 8 deficit in timely posting reserves.
- 9 Q Okay. You don't know the dates, but you
- 10 know it occurred you say?
- 11 A I do. And I know the dates would be on the
- 12 report that I've referenced a couple, three times.
- 13 The spreadsheet.
- 14 Q Now, with respect to Country Villas, you
- 15 would agree that the Country Villas, taking them on
- 16 was presented to you as a board member?
- 17 A Yes.
- 18 Q And you reviewed the potential of bringing
- 19 them on in terms of the pros and cons?
- 20 A (The witness nods.)
- 21 Q And you did not vote against it or voice
- 22 objection against it, did you?
- 23 A I voiced objection against.
- Q And to whom did you voice objection?
- 25 A In the board meeting when we talked about it

1	ROBERT W. HURLBUT - BY MR. WILSON
2	Q. They owned them the entire period of time
3	that you were on the board?
4	A. Well, U.S. RE ran or owned Uni-Ter, yeah.
5	Q. Are you sure that U.S. RE owned Uni-Ter
6	during the entire period of time?
7	A. That's the way it was explained to me.
8	Q. By whom?
9	A. Sandy.
10	Q. And who were the key, do you remember,
11	Uni-Ter employees dealing with Lewis & Clark?
12	A. Oh, there was Sandy. There was Nadine.
13	There was Donna. There was then Doc left, retired,
14	and then there was Dwight.
15	And the claims adjusters were rotating
16	like a revolving door. They didn't last too long. So
17	I don't really remember the claims adjusters.
18	Q. Do you remember Janna Miller?
19	A. Not really.
20	Q. And how would you describe your
21	relationship with Sandy Elsass?
22	A. From when to when?
23	Q. From the time you were on the board till
24	the time it went into receivership.
25	A. It was fine until it went into

1	ROBERT W. HURLBUT - BY MR. WILSON
2	receivership.
3	Q. And what happened when it went into
4	receivership that caused it not to be fine?
5	A. He lied.
6	Q. He lied in what way?
7	A. He gave us false information starting in
8	2011.
9	Q. False information
10	A. He's
11	Q. I'm sorry. Go ahead.
12	A. He's one of the reasons the main
13	reasons why it tanked.
14	Q. So he gave you false information?
15	A. Uh-huh.
16	Q. Do you recall when he left the company?
17	A. My understanding, he was fired. I don't
18	remember when, but it should have happened a lot
19	sooner.
20	Q. Do you recall whether you and others wrote
21	emails to Mr. Marshall, feeling bad about Sandy being
22	fired and wished he hadn't been fired?
23	A. I never wrote one.
24	Q. Do you know whether others did?
25	A. I have no idea.

#### AFFIDAVIT OF JEFF C. MARSHALL

STATE OF WASHINGTON )

SS

COUNTY OF KING )

Jeff C. Marshall being duly sworn, deposes and says:

- I make this affidavit of my own personal knowledge except as to those matters stated on information and belief, and, as to those matters, I believe them to be true.
  - 2. I am a resident of the State of Washington.
- 3. The long term care facilities which I operate are stockholder/insureds of Lewis & Clark Risk Retention Group ("L&C") and I am Chair of the Board of Directors of L&C.
- 4. L&C, a Nevada corporation, is a Nevada domiciled captive insurance company and operates as risk retention group pursuant to the Liability Risk Retention Act of 1986, 15 USC § 3901-3906 (1981, as amended 1986) ("LRRA") to cover general and professional liability risks of its skilled nursing and long-term care facility owners. L&C received its certificate of authority (#14909) on December 31, 2003 and its NAIC ID Number is 11947 (Exhibit A).
- 5. The Board of Directors of L&C on May 28, 2009 voted to approve the Merger Agreement ("the Agreement") under which Sophia Palmer Nurses Risk Retention Group ("Sophia Palmer") a Nevada domiciled captive insurance company operating as a risk retention group agreed to merge with and into L&C (Exhibit B). At a meeting on July 8, 2009 the Sophia Palmer stockholders approved the Agreement.
- 6. Action by the L&C stockholders is not required under NRS 92A.130 based upon the following:
  - (a) The articles of incorporation of L&C as the surviving domestic corporation will not differ from its articles before the merger;

- (b) Each stockholder of L&C whose shares were outstanding immediately before the effective date of the merger will hold the same number of shares, with identical designations, preferences, limitations and relative rights immediately after the merger;
- (c) The number of voting shares outstanding immediately after the merger, plus the number of voting shares issued as a result of the merger to the Sophia Palmer stockholders, by the conversion of securities issued pursuant to the merger, will not exceed by more than 20 percent the total number of voting shares of L&C outstanding immediately before the merger; and
- (d) The number of participating shares outstanding immediately after the merger, plus the number of participating shares issuable as a result of the merger, by the conversion of securities issued pursuant to the merger will not exceed by more than 20 percent the total number of participating shares outstanding immediately before the merger.
- 7. On August 7, 2009 notices of hearing and a copy of the Request for Order

  Approving Merger Agreement were mailed to all of the L&C stockholders to inform them of the

  September 30, 2009 Division of Insurance hearing (Exhibit C). To date, no L&C stockholders

  have communicated any opposition to the Agreement.
- 8. The Agreement is fair and equitable to the 628 stockholders of Sophia Palmer and the 185 L&C stockholders since each issued and outstanding share of Sophia Palmer stock (except for dissenting shares) will be converted into one eighth of one fully paid nonassessible share of L&C common stock. The Sophia Palmer stockholders will benefit from being part of a larger company with a stronger balance sheet. After the merger, Barbara Lumpkin, the current Chair of the Sophia Palmer Board of Directors, will serve on the L&C Board of Directors. Dr Carol Harter, who currently serves on both the L&C Board and the Sophia Palmer Board will continue to serve on the L&C Board. A Sophia Palmer Advisory Council will be created and will include other current Sophia Palmer Board members to provide advice and counsel to the L&C Board of Directors.
- 9. The Agreement, if effectuated, will improve the security of and service rendered to policyholders of Sophia Palmer. The pro-forma financial analysis of the separate entities and of the combined entity shows there will be cost savings for the combined entity as compared to

the expenses of the two entities operating separately (Exhibit D). L&C will be able to provide professional liability to nurses working in skilled nursing facilities. While L&C does not currently write nurses professional liability in any state, once the merger is effectuated, L&C plans to begin offering this coverage nationwide assuming L&C's amended business plan is approved by the Division. L&C is registered in 47 states.

10. No director, officer, agent or employee of L&C shall receive any fee, commission, special compensation or other valuable consideration whatsoever for in any manner aiding, promoting or assisting in connection with the Agreement.

Further your Affiant sayeth naught.

#### **BUSINESS PLAN**

#### Amended July 14, 2007

#### Overview

During the past year, the traditional insurance market offering liability insurance to long-term care facilities in The Northwest has shrunk dramatically. There are a few admitted insurers willing to entertain this type of business. The excess and surplus lines market is still offering coverage, but with reduced limits and rapidly increasing premiums. Availability and affordability of such insurance in The Northwest is clearly jeopardized. As the litigation juggernaut continues to grow, the crisis continues to worsen. The Northwest facilities are being forced to accept severely reduced coverage at increased costs; and elderly residents are left with little to recover in the event of serious injury or loss of life.

The Northwest's long-term care system has two insurance-related problems it must address:

- (1) How can liability insurance be made available and affordable?
- (2) How can facilities prevent/reduce injuries to their residents?

One of the few practical solutions is for the facilities to take control of their destiny by creating their own insurance vehicle in the form of a Risk Retention Group. That is the purpose of the Business Plan contained herein.

While creating a risk retention group insurance company will make such liability insurance available and affordable for those who qualify for insurance under its guidelines, this will not, by itself, improve the quality of care and reduce injuries. No matter what type of impact results from tort reform, long-term care facilities must improve residents' quality of care if injuries, claims and suits are to be reduced. Accordingly, this plan includes a meaningful risk management component.

The Lewis & Clark LTC Risk Retention Group, Inc. L&C will be a stock insurance company created as a risk retention group under the Federal Risk Retention Act of 1986 (the "Act"). It will be domiciled and licensed in the State of Nevada and is being established to underwrite non-assessable liability insurance policies for long-term care facilities (skilled nursing facilities, assisted living facilities and independent living facilities) located in the Northwest. As a stock insurance company it will be owned by its policyholders, who will also be the shareholders of L&C.

L&C as a risk retention group, will be limited by law to writing liability insurance. It will write specialized liability coverage for long-term care facilities characterized and reported as Professional Liability Insurance and Other Liability Insurance. Initial marketing of the coverage will begin the same day L&C receives its Certificate of Authority from the Nevada Department of Insurance (the "DOI").

#### 2. Program Summary

The application provides three-year pro-forma financial projections for L&C on a Statutory and Generally Accepted Accounting Principals (GAAP) accounting basis in the format prescribed by the DOI. Such projections are based on the assumption that L&C will, within the first year of operations, be insuring an estimated at 38 facilities (skilled nursing facilities). Initial net capital of L&C at the time of licensing will consist of approximately \$890,000 by the shareholders. This total capital is developed by multiplying the initial census of 3800 beds times an estimated \$234 each bed. This total capital contribution is in excess of the minimum amount of \$500,000 required by the DOI. The total of capital and surplus projected at the end of each of the first three-years is set forth in the pro-forma financial statements accompanying the Application.

Following are the key assumptions underlying the financial projections:

- 38 Skilled Nursing Facilities insured during the first year, with each Skilled Nursing Facility having an average number of 100 beds per facility. While limits of \$250,000/\$500,000 will be offered for purposes of the pro-forma projections, due to current market conditions, it is assumed that the Skilled Nursing Facilities will purchase limits of \$500,000/\$1,000,000.
- For Skilled Nursing Facilities in Washington for example, average premium is based on \$327.00 per bed. These amounts multiplied times 100 beds per facility generate an average premium per facility of \$32,700.
- 3. 38 facilities generate gross annualized written premiums by the end of the first year of \$1,231,000. These premiums will be received by L&C as policies are written during the course of the year.
- 4. Each Skilled Nursing Facility insured will make a one time capital investment consisting of \$300.00 (\$234.00 capital and \$66.00 incorporation expense) per bed upon inception of the insured's first year of coverage times the total number of beds contained in each facility operated by such insured. The total capital investment by each skilled nursing facility insured as of the inception of coverage shall be approximately \$30,000 per each 100-bed facility consisting of capital \$23,400 and \$6,600 incorporation expense. Those insureds who join L&C at a later date will pay \$50.00 a bed, or such amount, as L&C should subsequently determine.

- L&C will enter into a management contract with Uni-Ter Underwriting Management Corporation ("UUMC") to handle all management and administrative services, except for investment management services.
- Loss and loss adjustment expense estimates are provided by Milliman USA.
- 7. The annual yield on invested assets, net of investment expenses, is assumed to equal 4.5% over the projection period.
- Policies shall be claims-made policies with limits per the table below.
   Coverage of Loss Adjustment Expenses arising from the defense of claims is inclusive of the policy limits.

Per Incident / Aggregate \$250,000 / \$500,000 \$500,000 / \$1,000,000

#### 3. Operational Plan

L&C will enter into a 7-year renewable general management contract with UUMC. Under this contract, except for investment management, audit, actuarial, legal and reinsurance services, UUMC or its sub-contractors will provide all management and administrative services for L&C, including underwriting, policy administration, marketing, collection, billing, claims administration, management, accounting/financial, regulatory compliance, information technology and other general administrative services. Accordingly, L&C will not have employees to handle the various aspects of its business. Investment management services will be contracted with an outside manager. Other services will be contracted by L&C for audit, actuarial, legal and reinsurance. A copy of the general management contract is contained in the Section 12 of the Application.

UUMC's duties as the manager of L&C necessarily include the functions of a managing general agent.

L&C expects to use the following firms for certain consulting services:

Actuarial: Milliman USA, Pasadena, California
Accounting: Marcum & Kliegman, Melville, NY

Reinsurance Intermediary: U.S. RE Corporation, New York, New York

Investment Management: Logan Capital, Philadephia, PA

#### Risk Management

As part of L&C management contract with UUMC, risk management services are to be provided by UUMC. Such services shall have the primary goal of reducing the frequency of medical and other incidents that give rise to policy claims.

L&C being a group insurance vehicle will emphasize long-term relationships with its insureds. This is expected to provide the insureds with a more stable market, while also providing L&C with stable revenues. This synergy will work to the benefit of the insureds and L&C, and is necessary to enhance the prospects for L&C's long-term success.

In sum, L&Cs will manage and diversify its business and operational risks through the careful underwriting of applications for insurance, by active claims management, by implementing and monitoring an effective risk management program, and by the purchase of its own reinsurance if and when such reinsurance becomes available in the market. By these techniques, L&C believes that it can accomplish its business objective and goals set forth above.

#### **Investment Strategy**

L&C will follow a conservative investment strategy, which will emphasize maintaining a high quality investment portfolio with maximized current income levels. The type of investments will be governed by the Nevada insurance statutes and L&C will, of course, make its investments within these parameters. L&C will contract with an investment manager to manage its investment activities and to perform the day-to-day investment transactions and record keeping. They will provide discretionary fixed income asset management advisory services and investment management services primarily to small and medium sized institutional clients, as well as others.

#### Claims Administration

As part of L&C's management contract with UUMC, claims administration services are to be provided by Uni-Ter Claims Services Corp (UCS). In providing these services, UCS will rely on its own staff of experienced claims handlers and, for those claims requiring outside legal services, UCS will select, monitor and supervise the most experienced and most efficient defense attorneys for a particular type of claim.

#### Marketing

As part of L&C's management contract with UUMC, marketing services are to be provided by UUMC. The intended distribution is going to be through the independent agents who specialize in long-term care insurance.

#### Reinsurance

Reinsurance consulting and procurement services is provided by U.S. RE Corporation, the parent of UUMC, under an exclusive services contract (Section 9) with L&C subject to an initial term of seven (7) years and a renewal option for a second term of seven (7) years. U.S. RE Corporation is an international reinsurance broker which designs and places reinsurance for insurance and reinsurance companies throughout the world. Such placements include all forms of reinsurance and retrocessional covers, both proportional and excess of loss, for all classes of business. Reinsurance in place as of the date of this amended Business Plan is as follows:

- \$750K x \$250K Excess of Loss Contract
- Effective January 1, 2007 for three year term
- Maximum deductible in the underlying policies is \$100,000
- Effected with Imagine Insurance Company LTD (80%) and Imagine International Re Ltd. (20%)

#### **Actuarial Support**

L&C has relied upon the actuarial firm of Milliman USA in calculating the loss and loss adjustment expense estimates, as well as the resulting premium rates it proposes to charge. The claims-made form has been selected as the most suitable type of policy for this line of business, with defense costs inside the limits and an exclusion of punitive damages from coverage. In light of the tort reform recently signed into law in some states, L&C believes that exposure to the risk of punitive damages may be reduced. However, this will not be known until the new punitive damages statutory provisions are tested in actual litigation. Therefore, L&C believes that it is more prudent at the current time to exclude such damages from coverage and thereby avoid the high level of uncertainty as to costs and premiums that would result if punitive damages were covered.

#### Information Systems and Technology

L&C, under its management contract with UUMC, will rely upon UUMC for data systems and computer systems in handling all aspects of its business. UUMC or its subcontractors will provide computer hardware and software to perform all administrative, claims, risk management and accounting functions. It will create and maintain a risk management and claims database, and provide management reports as needed.

#### 4. Program Objectives

L&C's business objective will be to provide a group insurance vehicle to write general and professional liability insurance for long-term care facilities in states listed below.

Alabama	Arkansas	Arizona	Colorado	Connecticut	Georgia
Iowa	Idaho	Illinois	Indiana	Kansas	Kentucky
Louisiana	Massachusetts	Maryland	Maine	Montana	Mississippi
Montana	N. Carolina	N. Dakota	Nebraska	New Hampsh	
New Jersey	New Mexico	Nevada	New York	Ohio	Oklahoma
Oregon	Pennsylvania	Rhode Island	S. Carolina	S. Dakota	Tennessee
Texas Wyoming	Utah	Virginia	Vermont	Washington	Wisconsin

Filings are pending in California, Michigan, and West Virginia.

#### Among its goals will be:

- 1. to fill the gap in availability of such insurance for facilities which meet its underwriting guidelines; and
- to make such insurance affordable for them by providing the type of coverage and policy limits which can be offered at a reasonable premium rates; and
- 3. to provide meaningful risk management services which should lead to reduced frequency and severity of liability claims; and
- 4. to operate at a profit so that L&C can provide a long-term, stable market to its shareholders/insureds.

#### 1. Overview

During the past year, the traditional insurance market offering liability insurance to long-term care facilities in The Northwest has shrunk dramatically. There are a few admitted insurers willing to entertain this type of business. The excess and surplus lines market is still offering coverage, but with reduced limits and rapidly increasing premiums. Availability and affordability of such insurance in The Northwest is clearly jeopardized. As the litigation juggernaut continues to grow, the crisis continues to worsen. The Northwest facilities are being forced to accept severely reduced coverage at increased costs; and elderly residents are left with little to recover in the event of serious injury or loss of life.

The Northwest's long-term care system has two insurance-related problems it must address:

- (1) How can liability insurance be made available and affordable?
- (2) How can facilities prevent/reduce injuries to their residents?

One of the few practical solutions is for the facilities to take control of their destiny by creating their own insurance vehicle in the form of a Risk Retention Group. That is the purpose of the Business Plan contained herein.

While creating a risk retention group insurance company will make such liability insurance available and affordable for those who qualify for insurance under its guidelines, this will not, by itself, improve the quality of care and reduce injuries. No matter what type of impact results from tort reform, long-term care facilities must improve residents' quality of care if injuries, claims and suits are to be reduced. Accordingly, this plan includes a meaningful risk management component.

The Lewis & Clark LTC Risk Retention Group, Inc. L&C will be a stock insurance company created as a risk retention group under the Federal Risk Retention Act of 1986 (the "Act"). It will be domiciled and licensed in the State of Nevada and is being established to underwrite non-assessable liability insurance policies for long-term care facilities (skilled nursing facilities, assisted living facilities and independent living facilities) located in the Northwest. As a stock insurance company it will be owned by its policyholders, who will also be the shareholders of L&C.

L&C as a risk retention group, will be limited by law to writing liability insurance. It will write specialized liability coverage for long-term care facilities characterized and reported as Professional Liability Insurance and Other Liability Insurance. Initial marketing of the coverage will begin the same day L&C receives its Certificate of Authority from the Nevada Department of Insurance (the "DOI"). On May 28, 2009, the Board of L&C approved the merger of Sophia Palmer Nurses RRG, Inc. into L&C. L&C will write nurses professional liability once the merger is effectuated.

#### 2. Program Summary

The application provides three-year pro-forma financial projections for L&C on a Statutory and Generally Accepted Accounting Principals (GAAP) accounting basis in the format prescribed by the DOI. Such projections are based on the assumption that L&C will, within the first year of operations, be insuring an estimated at 38 facilities (skilled nursing facilities). Initial net capital of L&C at the time of licensing will consist of approximately \$890,000 by the shareholders. This total capital is developed by multiplying the initial census of 3800 beds times an estimated \$234 each bed. This total capital contribution is in excess of the minimum amount of \$500,000 required by the DOI. The total of capital and surplus projected at the end of each of the first three-years is set forth in the pro-forma financial statements accompanying the Application.

Following are the key assumptions underlying the financial projections:

- 38 Skilled Nursing Facilities insured during the first year, with each Skilled Nursing Facility having an average number of 100 beds per facility. While limits of \$250,000/\$500,000 will be offered for purposes of the pro-forma projections, due to current market conditions, it is assumed that the Skilled Nursing Facilities will purchase limits of \$500,000/\$1,000,000.
- For Skilled Nursing Facilities in Washington for example, average premium is based on \$327.00 per bed. These amounts multiplied times 100 beds per facility generate an average premium per facility of \$32,700.
- 3. 38 facilities generate gross annualized written premiums by the end of the first year of \$1,231,000. These premiums will be received by L&C as policies are written during the course of the year.
- 4. Each Skilled Nursing Facility insured will make a one time capital investment consisting of \$300.00 (\$234.00 capital and \$66.00 incorporation expense) per bed upon inception of the insured's first year of coverage times the total number of beds contained in each facility operated by such insured. The total capital investment by each skilled nursing facility insured as of the inception of coverage shall be approximately \$30,000 per each 100-bed facility consisting of capital \$23,400 and \$6,600 incorporation expense. Those insureds who join L&C at a later date will pay \$50.00 a bed, or such amount, as L&C should subsequently determine. Nurses will pay in capital equal to 40% of the claims made mature premium with a minimum of \$50.00.

- L&C will enter into a management contract with Uni-Ter Underwriting Management Corporation ("UUMC") to handle all management and administrative services, except for investment management services.
- Loss and loss adjustment expense estimates are provided by Milliman USA.
- 7. The annual yield on invested assets, net of investment expenses, is assumed to equal 4.8% over the projection period.
- Policies shall be written on a claims-made or occurrence form with limits per the tables below. Coverage of Loss Adjustment Expenses arising from the defense of claims is inclusive of the policy limits.

#### Professional Liability for nursing homes

Per Incident / Aggregate \$250,000 / \$500,000 \$500,000 / \$1,000,000 \$1,000,000 / \$3,000,000

#### Professional Liability for nurses

Per Incident / Aggregate \$100,000 / \$300,000 \$250,000 / \$750,000

#### 3. Operational Plan

L&C will enter into a 7-year renewable general management contrac with UUMC. Under this contract, except for investment management, audit, actuarial, legal and reinsurance services, UUMC or its sub-contractors will provide all management and administrative services for L&C, including underwriting, policy administration, billing, collection, claims administration, management, пsk accounting/financial, regulatory compliance, information technology and other general administrative services. New Jersey	New Mexico	Nevada	New York	Ohio	Oklahoma
Oregon	Pennsylvania	Rhode Island	S. Carolina	S. Dakota	Tennessee
Texas	Utah	Virginia	Vermont	Washington	West Virginia
Wisconsin	Wyoming	<del>-</del>			

The above states will apply for approval to write nurses liability once the merger is effectuated. This will be a new line added to the existent approval of professional and general liability of long term care facilities. Filings are pending in Florida for L&C to write Nurses Liability only. L&C has no plans to write P/L-G/L of long term care facilities in Florida as it would compete against Ponce de Leon LTC RRG, Inc.; another Uni-Ter Group managed risk retention group.

#### Among its goals will be:

It will write specialized liability coverage for long-term care facilities characterized and reported as Professional Liability Insurance and Other Liability Insurance. Initial marketing of the coverage will begin the same day L&C receives its Certificate of Authority from the Nevada Department of Insurance (the "DOI"). On May 28, 2009, the Board of L&C approved the merger of Sophia Palmer Nurses RRG, Inc. into L&C. L&C will write nurses professional liability once the merger is effectuated.

### 2. Program Summary

The application provides three-year pro-forma financial projections for L&C on a Statutory and Generally Accepted Accounting Principals (GAAP) accounting basis in the format prescribed by the DOI. Such projections are based on the assumption that L&C will, within the first year of operations, be insuring an estimated at 38 facilities (skilled nursing facilities). Initial net capital of L&C at the time of licensing will consist of approximately \$890,000 by the shareholders. This total capital is developed by multiplying the initial census of 3800 beds times an estimated \$234 each bed. This total capital contribution is in excess of the minimum amount of \$500,000 required by the DOI. The total of capital and surplus projected at the end of each of the first three-years is set forth in the pro-forma financial statements accompanying the Application.

Following are the key assumptions underlying the financial projections:

- 1. 38 Skilled Nursing Facilities insured during the first year, with each Skilled Nursing Facility having an average number of 100 beds per facility. While limits of \$250,000/\$500,000 will be offered for purposes of the pro-forma projections, due to current market conditions, it is assumed that the Skilled Nursing Facilities will purchase limits of \$500,000/\$1,000,000.
- 2. For Skilled Nursing Facilities in Washington for example, average premium is based on \$327.00 per bed. These amounts multiplied times 100 beds per facility generate an average premium per facility of \$32,700.
- 38 facilities generate gross annualized written premiums by the end of the first year of \$1,231,000. These premiums will be received by L&C as policies are written during the course of the year.
- 4. Each Skilled Nursing Facility insured will make a one time capital investment consisting of \$300.00 (\$234.00 capital and \$66.00 incorporation expense) per bed upon inception of the insured's first year of coverage times the total number of beds contained in each facility operated by such insured. The total capital investment by each skilled nursing facility insured as of the inception of coverage shall be approximately \$30,000 per each 100-bed facility consisting of capital \$23,400 and \$6,600 incorporation expense. Those insureds who join L&C at a later date will pay \$50.00 a bed, or such amount, as L&C should subsequently determine. Nurses will pay in capital equal to 40% of the claims made mature premium.

- 5. L&C will enter into a management contract with Uni-Ter Underwriting Management Corporation ("UUMC") to handle all management and administrative services, except for investment management services.
- Loss and loss adjustment expense estimates are provided by Milliman USA.
- 7. The annual yield on invested assets, net of investment expenses, is assumed to equal 4.8% over the projection period.
- 8. Policies shall be written on a claims-made or occurrence form with limits per the tables below. Coverage of Loss Adjustment Expenses arising from the defense of claims is inclusive of the policy limits.

#### Professional Liability for nursing homes

Per Incident / Aggregate \$250,000 / \$500,000 \$500,000 / \$1,000,000 \$1,000,000 / \$3,000,000

#### Professional Liability for nurses

Per Incident / Aggregate \$100,000 / \$300,000 \$250,000 / \$750,000

#### 3. Operational Plan

L&C will enter into a 7-year renewable general management contract with UUMC. Under this contract, except for investment management, audit, actuarial, legal and reinsurance services, UUMC or its sub-contractors will provide all management and administrative services for L&C, including underwriting, policy administration, administration, marketing. billing. collection, claims risk management, accounting/financial, regulatory compliance, information technology and other general administrative services. Accordingly, L&C will not have employees to handle the various aspects of its business. Investment management services will be contracted with an outside manager. Other services will be contracted by L&C for audit, actuarial, legal and reinsurance. A copy of the general management contract is contained in the Section 12 of the Application.

UUMC's duties as the manager of L&C necessarily include the functions of a managing general agent.

L&C expects to use the following firms for certain consulting services:

Actuarial: Milliman USA, Pasadena, California
Accounting: Johnson & Lambert LLC, Jacksonville, FL

Reinsurance Intermediary: U.S. RE Corporation, New York, New York

Investment Management: Logan Capital, Philadephia, PA

#### Risk Management

As part of L&C management contract with UUMC, risk management services are to be provided by UUMC. Such services shall have the primary goal of reducing the frequency of medical and other incidents that give rise to policy claims.

L&C being a group insurance vehicle will emphasize long-term relationships with its insureds. This is expected to provide the insureds with a more stable market, while also providing L&C with stable revenues. This synergy will work to the benefit of the insureds and L&C, and is necessary to enhance the prospects for L&C's long-term success.

In sum, L&Cs will manage and diversify its business and operational risks through the careful underwriting of applications for insurance, by active claims management, by implementing and monitoring an effective risk management program, and by the purchase of its own reinsurance if and when such reinsurance becomes available in the market. By these techniques, L&C believes that it can accomplish its business objective and goals set forth above.

#### **Investment Strategy**

L&C will follow a conservative investment strategy, which will emphasize maintaining a high quality investment portfolio with maximized current income levels. The type of investments will be governed by the Nevada insurance statutes and L&C will, of course, make its investments within these parameters. L&C will contract with an investment manager to manage its investment activities and to perform the day-to-day investment transactions and record keeping. They will provide discretionary fixed income asset management advisory services and investment management services primarily to small and medium sized institutional clients, as well as others.

#### Claims Administration

As part of L&C's management contract with UUMC, claims administration services are to be provided by Uni-Ter Claims Services Corp (UCS). In providing these services, UCS will rely on its own staff of experienced claims handlers and, for those claims requiring outside legal services, UCS will select, monitor and supervise the most experienced and most efficient defense attorneys for a particular type of claim.

#### Marketing

As part of L&C's management contract with UUMC, marketing services are to be provided by UUMC. The intended distribution is going to be through the independent agents who specialize in long-term care insurance.

#### Reinsurance

Reinsurance consulting and procurement services is provided by U.S. RE Corporation, the parent of UUMC, under an exclusive services contract (Section 9) with L&C subject to an initial term of seven (7) years and a renewal option for a second term of seven (7) years. U.S. RE Corporation is an international reinsurance broker which designs and places reinsurance for insurance and reinsurance companies throughout the world. Such placements include all forms of reinsurance and retrocessional covers, both proportional and excess of loss, for all classes of business. Reinsurance in place as of the date of this amended Business Plan is as follows:

- \$650K x \$350K Excess of Loss Contract
- Effective April 1, 2009 for a one year term
- Effected with Underwriters at Lloyd's as follows:
   Beazley Furlonge LTD (AFB 2623)
   Beazley Furlonge LTD (AFB 0623)
   S,A. Meacock & Company Ltd. (SAM0727)
   Amlin Underwriting Ltd. (AML2001)
   25.00%

#### **Actuarial Support**

L&C has relied upon the actuarial firm of Milliman USA in calculating the loss and loss adjustment expense estimates, as well as the resulting premium rates it proposes to charge. The claims-made form has been selected as the most suitable type of policy for this line of business, with defense costs inside the limits and an exclusion of punitive damages from coverage. In light of the tort reform recently signed into law in some states, L&C believes that exposure to the risk of punitive damages may be reduced. However, this will not be known until the new punitive damages statutory provisions are tested in actual litigation. Therefore, L&C believes that it is more prudent at the current time to exclude such damages from coverage and thereby avoid the high level of uncertainty as to costs and premiums that would result if punitive damages were covered.

#### Information Systems and Technology

L&C, under its management contract with UUMC, will rely upon UUMC for data systems and computer systems in handling all aspects of its business. UUMC or its subcontractors will provide computer hardware and software to perform all administrative, claims, risk management and accounting functions. It will create and maintain a risk management and claims database, and provide management reports as needed.

### 4. Program Objectives

L&C's business objective will be to provide a group insurance vehicle to write general and professional liability insurance for long-term care facilities in states listed below.

Alabama	Arkansas	Arizona	California	Colorado	Connecticut
Georgia	Iowa	Idaho	Illinois	Indiana	Kansas
Kentucky	Louisiana	Massachusetts	Maryland	Maine	Michigan
Montana	Mississippi	N. Carolina	N. Dakota	Nebraska	New Hampshire
New Jersey	New Mexico	Nevada	New York	Ohio	Oklahoma
Oregon	Pennsylvania	Rhode Island	S. Carolina	S. Dakota	Tennessee
Texas	Utah	Virginia	Vermont	Washington	West Virginia
Wisconsin	Wyoming	_		_	_

Filings are pending in Florida.

#### Among its goals will be:

- 1. to fill the gap in availability of such insurance for facilities which meet its underwriting guidelines; and
- 2. to make such insurance affordable for them by providing the type of coverage and policy limits which can be offered at a reasonable premium rates; and
- 3. to provide meaningful risk management services which should lead to reduced frequency and severity of liability claims; and
- 4. to operate at a profit so that L&C can provide a long-term, stable market to its shareholders/insureds.

#### LEWIS & CLARK LTC RISK RETENTION GROUP, INC.

#### **BUSINESS PLAN**

#### Amended April 16, 2010

#### 1. Overview

During the past year, the traditional insurance market offering liability insurance to long-term care facilities in The Northwest has shrunk dramatically. There are a few admitted insurers willing to entertain this type of business. The excess and surplus lines market is still offering coverage, but with reduced limits and rapidly increasing premiums. Availability and affordability of such insurance in The Northwest is clearly jeopardized. As the litigation juggernaut continues to grow, the crisis continues to worsen. The Northwest facilities are being forced to accept severely reduced coverage at increased costs; and elderly residents are left with little to recover in the event of serious injury or loss of life.

The Northwest's long-term care system has two insurance-related problems it must address:

- (1) How can liability insurance be made available and affordable?
- (2) How can facilities prevent/reduce injuries to their residents?

One of the few practical solutions is for the facilities to take control of their destiny by creating their own insurance vehicle in the form of a Risk Retention Group. That is the purpose of the Business Plan contained herein.

While creating a risk retention group insurance company will make such liability insurance available and affordable for those who qualify for insurance under its guidelines, this will not, by itself, improve the quality of care and reduce injuries. No matter what type of impact results from tort reform, long-term care facilities must improve residents' quality of care if injuries, claims and suits are to be reduced. Accordingly, this plan includes a meaningful risk management component.

The Lewis & Clark LTC Risk Retention Group, Inc. L&C will be a stock insurance company created as a risk retention group under the Federal Risk Retention Act of 1986 (the "Act"). It will be domiciled and licensed in the State of Nevada and is being established to underwrite non-assessable liability insurance policies for long-term care facilities (skilled nursing facilities, assisted living facilities and independent living facilities) located in the Northwest. As a stock insurance company it will be owned by its policyholders, who will also be the shareholders of L&C.

L&C as a risk retention group, will be limited by law to writing liability insurance. It will write specialized liability coverage for long-term care facilities characterized and reported as Professional Liability Insurance and Other Liability Insurance. Initial marketing of the coverage will begin the same day L&C receives its Certificate of Authority from the Nevada Department of Insurance (the "DOI"). On May 28, 2009, the Board of L&C approved the merger of Sophia Palmer Nurses RRG, Inc. into L&C. L&C will write nurses professional liability once the merger is effectuated.

#### 2. Program Summary

The application provides three-year pro-forma financial projections for L&C on a Statutory and Generally Accepted Accounting Principals (GAAP) accounting basis in the format prescribed by the DOI. Such projections are based on the assumption that L&C will, within the first year of operations, be insuring an estimated at 38 facilities (skilled nursing facilities). Initial net capital of L&C at the time of licensing will consist of approximately \$890,000 by the shareholders. This total capital is developed by multiplying the initial census of 3800 beds times an estimated \$234 each bed. This total capital contribution is in excess of the minimum amount of \$500,000 required by the DOI. The total of capital and surplus projected at the end of each of the first three-years is set forth in the pro-forma financial statements accompanying the Application.

Following are the key assumptions underlying the financial projections:

- 38 Skilled Nursing Facilities insured during the first year, with each Skilled Nursing Facility having an average number of 100 beds per facility. While limits of \$250,000/\$500,000 will be offered for purposes of the pro-forma projections, due to current market conditions, it is assumed that the Skilled Nursing Facilities will purchase limits of \$500,000/\$1,000,000.
- 2. For Skilled Nursing Facilities in Washington for example, average premium is based on \$327.00 per bed. These amounts multiplied times 100 beds per facility generate an average premium per facility of \$32,700.
- 3. 38 facilities generate gross annualized written premiums by the end of the first year of \$1,231,000. These premiums will be received by L&C as policies are written during the course of the year.
- 4. Each Skilled Nursing Facility insured will make a one time capital investment consisting of \$300.00 (\$234.00 capital and \$66.00 incorporation expense) per bed upon inception of the insured's first year of coverage times the total number of beds contained in each facility operated by such insured. The total capital investment by each skilled nursing facility insured as of the inception of coverage shall be approximately \$30,000 per each 100-bed facility consisting of capital \$23,400 and \$6,600 incorporation expense. Those insureds who join L&C at a later date will pay \$50.00 a bed, or such amount, as L&C should subsequently determine. Nurses will pay in capital equal to 40% of the claims made mature premium with a minimum of \$50.00.

- 5. L&C will enter into a management contract with Uni-Ter Underwriting Management Corporation ("UUMC") to handle all management and administrative services, except for investment management services.
- Loss and loss adjustment expense estimates are provided by Milliman USA.
- The annual yield on invested assets, net of investment expenses, is assumed to equal 4.8% over the projection period.
- Policies shall be written on a claims-made or occurrence form with limits per the tables below. Coverage of Loss Adjustment Expenses arising from the defense of claims is inclusive of the policy limits.

#### Professional Liability for nursing homes

Per Incident / Aggregate \$250,000 / \$500,000 \$500,000 / \$1,000,000 \$1,000,000 / \$3,000,000

#### Professional Liability for nurses

Per Incident / Aggregate \$100,000 / \$300,000 \$250,000 / \$750,000

#### 3. Operational Plan

S.A. Meacock & Company Ltd. (SAM0727) 25.00%

Amlin Underwriting Ltd. (AML2001) 25.00%

L&C has not to date, but may from time to time, enter into so-called "fronting" arrangements with other insurers. In each such case, each insured will still be an eligible long term care facility which will be required to purchase L&C common stock. The minimum amount of such purchase may be adjusted by L&C. Such arrangements will in all cases involve the same type of liability risks currently covered by L&C with respect to its member/insureds. Any reinsurance placed with non-admitted/non-approved reinsurers will be subject to letter of credit/funds withheld/or trust arrangements in amounts determined by L&C to establish security for L&C's reinsurance recoveries.

#### Actuarial Support

L&C has relied upon the actuarial firm of Milliman USA in calculating the loss and loss adjustment expense estimates, as well as the resulting premium rates it proposes to charge. New Jersey	New Mexico	Nevada	New York	Ohio	Oklahoma
Oregon	Pennsylvania	Rhode Island	S. Carolina	S. Dakota	Tennessee
Texas	Utah	Virginia	Vermont	Washington	West Virginia
Wisconsin	Wyoming	·		_	_

The above states will apply for approval to write nurses liability once the merger is effectuated. This will be a new line added to the existent approval of professional and general liability of long term care facilities. Filings are pending in Florida for L&C to write Nurses Liability only. L&C has no plans to write P/L-G/L of long term care facilities in Florida as it would compete against Ponce de Leon LTC RRG, Inc.; another Uni-Ter Group managed risk retention group.

#### Among its goals will be:

- to fill the gap in availability of such insurance for facilities which meet its underwriting guidelines; and
- 2. to make such insurance affordable for them by providing the type of coverage and policy limits which can be offered at a reasonable premium rates; and
- to provide meaningful risk management services which should lead to reduced frequency and severity of liability claims; and

The total capital investment by each skilled nursing facility insured as of the inception of coverage shall be approximately \$30,000 per each 100-bed facility consisting of capital \$23,400 and \$6,600 incorporation expense. Those insureds who join L&C at a later date will pay \$50.00 a bed, or such amount, as L&C should subsequently determine. Nurses will pay in capital equal to 40% of the claims made mature premium with a minimum of \$50.00.

- 5. L&C will enter into a management contract with Uni-Ter Underwriting Management Corporation ("UUMC") to handle all management and administrative services, except for investment management services.
- 6. Loss and loss adjustment expense estimates are provided by Milliman USA.
- 7. The annual yield on invested assets, net of investment expenses, is assumed to equal 2.0%.
- 8. Policies shall be written on a claims-made or occurrence form with limits per the tables below. Coverage of Loss Adjustment Expenses arising from the defense of claims is inclusive of the policy limits.

#### Professional Liability for Nursing homes

Per Incident / Aggregate \$250,000 / \$500,000 \$500,000 / \$1,000,000 \$1,000,000 / \$3,000,000

\$1,000,000 / \$3,000,000 (all approved states excluding Florida)

#### 3. Operational Plan

L&C will enter into a 7-year renewable general management contract with UUMC. Under this contract, except for investment management, audit, actuarial, legal and reinsurance services, UUMC or its sub-contractors will provide all management and administrative services for L&C, including underwriting, policy administration, marketing. billing. collection, claims administration, risk management. accounting/financial, regulatory compliance, information technology and other general administrative services. Accordingly, L&C will not have employees to handle the various aspects of its business. Investment management services will be contracted with an outside manager. Other services will be contracted by L&C for audit, actuarial, legal and reinsurance. A copy of the general management contract is contained in the Section 12 of the Application. L&C renewed is general management contract with UUMC on January 1, 2011 for a period of five years.

UUMC's duties as the manager of L&C necessarily include the functions of a managing general agent.

L&C expects to use the following firms for certain consulting services:

Actuarial: Milliman USA, Pasadena, California

Accounting: Johnson & Lambert LLC, Jacksonville, FL

Reinsurance Intermediary: U.S. RE Corporation, New York, New York

Investment Management: Logan Capital. Philadephia. PA

#### Risk Management

As part of L&C management contract with UUMC, risk management services are to be provided by UUMC. Such services shall have the primary goal of reducing the frequency of medical and other incidents that give rise to policy claims.

L&C being a group insurance vehicle will emphasize long-term relationships with its insureds. This is expected to provide the insureds with a more stable market, while also providing L&C with stable revenues. This synergy will work to the benefit of the insureds and L&C, and is necessary to enhance the prospects for L&C's long-term success.

In sum, L&Cs will manage and diversify its business and operational risks through the careful underwriting of applications for insurance, by active claims management, by implementing and monitoring an effective risk management program, and by the purchase of its own reinsurance if and when such reinsurance becomes available in the market. By these techniques, L&C believes that it can accomplish its business objective and goals set forth above.

#### Investment Strategy

L&C will follow a conservative investment strategy, which will emphasize maintaining a high quality investment portfolio with maximized current income levels. The type of investments will be governed by the Nevada insurance statutes and L&C will, of course, make its investments within these parameters. L&C will contract with an investment manager to manage its investment activities and to perform the day-to-day investment transactions and record keeping. They will provide discretionary fixed income asset management advisory services and investment management services primarily to small and medium sized institutional clients, as well as others.

#### Claims Administration

As part of L&C's management contract with UUMC, claims administration services are to be provided by Uni-Ter Claims Services Corp (UCS). In providing these services, UCS will rely on its own staff of experienced claims handlers and, for those claims requiring outside legal services, UCS will select, monitor and supervise the most experienced and most efficient defense attorneys for a particular type of claim.

#### Marketing

As part of L&C's management contract with UUMC, marketing services are to be provided by UUMC. The intended distribution is going to be through the independent agents who specialize in long-term care insurance and liability for nurses and allied healthcare professionals.

#### Reinsurance

Reinsurance consulting and procurement services is provided by U.S. RE Corporation, the parent of UUMC, under an exclusive services contract (Section 9) with L&C subject to an initial term of seven (7) years and a renewal option for a second term of seven (7) years. U.S. RE Corporation is an international reinsurance broker which designs and places reinsurance for insurance and reinsurance companies throughout the world. Such placements include all forms of reinsurance and retrocessional covers, both proportional and excess of loss, for all classes of business. Reinsurance in place as of the date of this amended Business Plan is as follows:

- \$650K x \$350K Excess of Loss Contract
- Effective April 1, 2011 for a one year term
- Effected with Underwriters at Lloyd's as follows:
   Beazley Furlonge LTD (AFB 2623)
   Beazley Furlonge LTD (AFB 0623)
   S.A. Meacock & Company Ltd. (SAM0727)
   Amlin Underwriting Ltd. (AML2001)

L&C has not to date, but may from time to time, enter into so-called "fronting" arrangements with other insurers. In each such case, each insured will still be an eligible long term care facility which will be required to purchase L&C common stock. The minimum amount of such purchase may be adjusted by L&C. Such arrangements will in all cases involve the same type of liability risks currently covered by L&C with respect to its member/insureds. Any reinsurance placed with non-admitted/non-approved reinsurers will be subject to letter of credit/funds withheld/or trust arrangements in amounts determined by L&C to establish security for L&C's reinsurance recoveries.

#### Actuarial Support

L&C has relied upon the actuarial firm of Milliman USA in calculating the loss and loss adjustment expense estimates, as well as the resulting premium rates it proposes to charge. The claims-made form has been selected as the most suitable type of policy for this line of business, with defense costs inside the limits and an exclusion of punitive damages from coverage. In light of the tort reform recently signed into law in some states, L&C believes that exposure to the risk of punitive damages may be reduced. However, this will not be known until the new punitive damages statutory provisions are tested in actual litigation. Therefore, L&C believes that it is more prudent at the current time to exclude such damages from coverage and thereby avoid the high level of uncertainty as to costs and premiums that would result if punitive damages were covered.

#### Information Systems and Technology

L&C, under its management contract with UUMC, will rely upon UUMC for data systems and computer systems in handling all aspects of its business. UUMC or its subcontractors will provide computer hardware and software to perform all administrative, claims, risk management and accounting functions. It will create and maintain a risk management and claims database, and provide management reports as needed.

#### **Program Objectives**

L&C's business objective will be to provide a group insurance vehicle to write general and professional liability insurance for long-term care facilities in states listed below.

Alabama	Arkansas	Arizona	California	Colorado	Connecticut
Georgia	Iowa	Idaho	Illinois	Indiana	Kansas
Kentucky	Louisiana	Massachusetts	Maryland	Maine	Michigan
Montana	Mississippi	N. Carolina	N. Dakota	Nebraska	New Hampshire
New Jersey	New Mexico	Nevada	New York	Ohio	Oklahoma
Oregon	Pennsylvania	Rhode Island	S. Carolina	S. Dakota	Tennessee
Texas	Utah	Virginia	Vermont	Washington	WestVirginia
Wisconsin	Wyoming	-			_

The above states will apply for approval to write nurses and allied healthcare professional liability once the merger is effectuated. This will be a new line added to the existent approval of professional and general liability of long term care facilities. Filings are pending in Florida for L&C to write Nurses Liability only. L&C has no plans to write P/L-G/L of long term care facilities in Florida as it would compete against Ponce de Leon LTC RRG, Inc.; another Uni-Ter Group managed risk retention group.

#### Among its goals will be:

- 1. to fill the gap in availability of such insurance for facilities which meet its underwriting guidelines; and
- 2. to make such insurance affordable for them by providing the type of coverage and policy limits which can be offered at a reasonable premium rates; and
- 3. to provide meaningful risk management services which should lead to reduced frequency and severity of liability claims; and
- 4. to operate at a profit so that L&C can provide a long-term, stable market to its shareholders/insureds.

#### OF

#### LEWIS & CLARK LTC RISK RETENTION GROUP, INC.

(a Nevada corporation)

#### ARTICLE I

#### **STOCKHOLDERS**

CERTIFICATES REPRESENTING STOCK. Every holder of stock in the corporation shall be entitled to have a certificate signed by, or in the name of, the corporation by the Chairman or Vice-Chairman of the Board of Directors, if any, or by the President or a Vice-President and by the Treasurer or an Assistant Treasurer or the Secretary or an Assistant Secretary of the corporation or by agents designated by the Board of Directors, certifying the number of shares owned by him in the corporation and setting forth any additional statements that may be required by the General Corporation Law of the State of Nevada (General Corporation Law). If any such certificate is countersigned or otherwise authenticated by a transfer agent or transfer clerk, and by a registrar, a facsimile of the signature of the officers, the transfer agent or the transfer clerk or the registrar of the corporation may be printed or lithographed upon the certificate in lieu of the actual signatures. If any officer or officers who shall have signed, or whose facsimile signature or signatures shall have been used on any certificate or certificates shall cease to be such officer or officers of the corporation before such certificate or certificates shall have been delivered by the corporation, the certificate or certificates may nevertheless be adopted by the corporation and be issued and delivered as though the person or persons who signed such certificate or certificates, or whose facsimile signature or signatures shall have been used thereon, had not ceased to be such officer or officers of the corporation.

Whenever the corporation shall be authorized to issue more than one class of stock or more than one series of any class of stock, the certificates representing stock of any such class or series shall set forth thereon the statements prescribed by the General Corporation Law. Any restrictions on the transfer or registration of transfer of any shares of stock of any class or series shall be noted conspicuously on the certificate representing such shares.

The corporation may issue a new certificate of stock in place of any certificate theretofore issued by it, alleged to have been lost, stolen, or destroyed, and the Board of Directors may require the owner of any lost, stolen, or destroyed certificate, or his legal representative, to give the corporation a bond sufficient to indemnify the corporation against any claim that may be made against it on account of the alleged loss, theft, or destruction of any such certificate or the issuance of any such new certificate.

2. <u>FRACTIONAL SHARE INTERESTS</u>. The corporation is not obliged to but may execute and deliver a certificate for or including a fraction of a share. In lieu of executing and delivering a certificate for a fraction of a share, the corporation may proceed in the manner prescribed by the provisions of Section 78.205 of the General Corporation Law.

- 3. STOCK TRANSFERS. Upon compliance with provisions restricting the transfer or registration of transfer of shares of stock, if any, transfers or registration of transfers of shares of stock of the corporation shall be made only on the stock ledger of the corporation by the registered holder thereof, or by his attorney thereunto authorized by power of attorney duly executed and filed with the Secretary of the corporation or with a transfer agent or a registrar, if any, and on surrender of the certificate or certificates for such shares of stock properly endorsed and the payment of all taxes, if any, due thereon.
- 4. RECORD DATE FOR STOCKHOLDERS. For the purpose of determining the stockholders entitled to notice of or to vote at any meeting of stockholders or any adjournment thereof, or to express consent to corporate action in writing without a meeting, or entitled to receive payment of any dividend or other distribution or the allotment of any rights, or entitled to exercise any rights in respect of any change, conversion, or exchange of stock or for the purpose of any other lawful action, the directors may fix, in advance, a record date, which shall not be more than sixty days nor less than ten days before the date of such meeting, nor more than sixty days prior to any other action. If a record date is not fixed, the record date is at the close of business on the day before the day on which notice is given or, if notice is waived, at the close of business on the day before the meeting is held. A determination of stockholders of record entitled to notice of or to vote at any meeting of stockholders applies to an adjournment of the meeting; provided, however, that the Board of Directors may fix a new record date for the adjourned meeting. The directors must fix a new record date if the meeting is adjourned to a date more than sixty days later than the date set for the original meeting.
- 5. MEANING OF CERTAIN TERMS. As used in these Bylaws in respect of the right to notice of a meeting of stockholders or a waiver thereof or to participate or vote thereat or to consent or dissent in writing in lieu of a meeting, as the case may be, the term "share" or "shares" or "share of stock" or "shares of stock" or "stockholder" or "stockholders" refers to an outstanding share or shares of stock and to a holder or holders of record of outstanding shares of stock when the corporation is authorized to issue only one class of shares of stock, and said reference is also intended to include any outstanding share or shares of stock and any holder or holders of record of outstanding shares of stock of any class upon which or upon whom the Articles of Incorporation confers such rights where there are two or more classes or series of shares of stock or upon which or upon whom the General Corporation Law confers such rights notwithstanding that the articles of incorporation may provide for more than one class or series of shares of stock, one or more of which are limited or denied such rights thereunder; provided, however, that no such right shall vest in the event of an increase or a decrease in the authorized number of shares of stock of any class or series which is otherwise denied voting rights under the provisions of the Articles of Incorporation.

#### STOCKHOLDER MEETINGS.

TIME. The annual meeting shall be held on the date and at the time fixed, from time to time, by the directors, provided, that the first annual meeting shall be held on a date within thirteen months after the organization of the corporation, and each successive annual meeting shall be held on a date within thirteen months after the date of the preceding annual meeting. A special meeting shall be held on the date and at the time fixed by the directors.

- <u>PLACE</u>. Annual meetings and special meetings shall be held at such place, within or without the State of Nevada, as the directors may, from time to time, fix.
- <u>CALL.</u> Annual meetings and special meetings may be called by the directors or by any officer instructed by the directors to call the meeting.
- NOTICE OR WAIVER OF NOTICE. Notice of all meetings shall be in writing and signed by the President or a Vice-President, or the Secretary, or an Assistant Secretary, or by such other person or persons as the directors must designate. The notice must state the purpose or purposes for which the meeting is called and the time when, and the place, where it is to be held. A copy of the notice must be either delivered personally or mailed postage prepaid to each stockholder not less than ten nor more than sixty days before the meeting. If mailed, it must be directed to the stockholder at his address as it appears upon the records of the corporation. Any stockholder may waive notice of any meeting by a writing signed by him, or his duly authorized attorney, either before or after the meeting, and if notice of any kind is required to be given under the provisions of the General Corporation Law, a waiver thereof in writing and duly signed whether before or after the time stated therein, shall be deemed equivalent thereto.
- <u>CONDUCT OF MEETING</u>. Meetings of the stockholders shall be presided over by one of the following officers in the order of seniority and if present and acting the Chairman of the Board, if any, the Vice-Chairman of the Board, if any, the President, a Vice-President, or, if none of the foregoing is in office and present and acting, by a chairman to be chosen by the stockholders. The Secretary of the corporation, or in his absence, an Assistant Secretary, shall act as secretary of every meeting, but if neither the Secretary nor an Assistant Secretary is present the Chairman of the meeting shall appoint a secretary of the meeting.
- <u>PROXY REPRESENTATION</u>. At any meeting of stockholders, any stockholder may designate another person or persons to act for him by proxy in any manner described in, or otherwise authorized by, the provisions of Section 78.355 of the General Corporation Law.
- INSPECTORS. The directors, in advance of any meeting, may, but need not, appoint one or more inspectors of election to act at the meeting or any adjournment thereof. If an inspector or inspectors are not appointed, the person presiding at the meeting may, but need not, appoint one or more inspectors. In case any person who may be appointed as an inspector fails to appear or act, the vacancy may be filled by appointment made by the directors in advance of the meeting or at the meeting by the person presiding thereat. Each inspector, if any, before entering upon the discharge of his duties, shall take and sign an oath faithfully to execute the duties of inspector at such meeting with strict impartiality and according to the best of his ability. The inspectors, if any, shall determine the number of shares of stock outstanding and the voting power of each, the shares of stock represented at the meeting, the existence of a quorum, the validity and effect of proxies, and shall receive votes, ballots or consents, hear and determine all challenges and questions arising in connection with the right to vote, count and tabulate all votes, ballots or consents, determine the result, and do such acts as are proper to conduct the election or vote with fairness to all stockholders. On request of the person presiding at the meeting, the inspector or

inspectors, if any, shall make a report in writing of any challenge, question or matter determined by him or them and execute a certificate of any fact found by him or them.

- <u>OUORUM</u>. A majority of the voting power, which includes the voting power that is present in person or by proxy, regardless of whether the proxy has authority to vote on all matters, constitutes a quorum at a meeting of stockholders for the transaction of business unless the action to be taken at the meeting shall require a greater proportion. The stockholders present may adjourn the meeting despite the absence of a quorum.
- <u>VOTING</u>. Each share of stock shall entitle the holder thereof to one vote. In the election of directors, a plurality of the votes cast shall elect. Any other action is approved if the number of votes cast in favor of the action exceeds the number of votes cast in opposition to the action, except where the General Corporation Law, the Articles of Incorporation, or these Bylaws prescribe a different percentage of votes and/or a different exercise of voting power. In the election of directors, voting need not be by ballot; and, except as otherwise may be provided by the General Corporation Law, voting by ballot shall not be required for any other action,

Stockholders may participate in a meeting of stockholders by means of a conference telephone or similar method of communication by which all persons participating in the meeting can hear each other.

7. STOCKHOLDER ACTION WITHOUT MEETINGS. Except as may otherwise be provided by the General Corporation Law, any action required or permitted to be taken at a meeting of the stockholders may be taken without a meeting if, before or after the action, a written consent thereto is signed by, stockholders holding at least a majority of the voting power; provided that if a different proportion of voting power is required for such an action at a meeting, then that proportion of written consents is required. In no instance where action is authorized by written consent need a meeting of stockholders be called or noticed.

#### ARTICLE II

#### DIRECTORS

- 1. <u>FUNCTIONS AND DEFINITION</u>. The business and affairs of the corporation shall be managed by the Board of Directors of the corporation. The Board of Directors shall have authority to fix the compensation of the members thereof for services in any capacity. The use of the phrase "whole Board" herein refers to the total number of directors which the corporation would have if there were no vacancies.
- 2. <u>OUALIFICATIONS AND NUMBER</u>. Each director must be at least 18 years of age. A director need not be a stockholder or a resident of the State of Nevada. The initial Board of Directors shall consist of six persons. Thereafter the number of directors constituting the whole board shall be at least one. Subject to the foregoing limitation and except for the first Board of Directors, such number may be fixed from time to time by action of the stockholders or of the directors, or, if the number is not fixed, the number shall be six. The number of directors may be increased or decreased by action of the stockholders or of the directors.

ELECTION AND TERM. Directors may be elected in the manner prescribed by the provisions of Sections 78.320 through 78.335 of the General Corporation Law of Nevada. The first Board of Directors shall hold office until the first election of directors by stockholders and until their successors are elected and qualified or until their earlier resignation or removal. Any director may resign at any time upon written notice to the corporation. Thereafter, directors who are elected at an election of directors by stockholders, and directors who are elected in the interim to fill vacancies and newly created directorships, shall hold office until the next election of directors by stockholders and until their successors are elected and qualified or until their earlier resignation or removal. In the interim between elections of directors by stockholders, newly created directorships and any vacancies in the Board of Directors, including any vacancies resulting from the removal of directors for cause or without cause by the stockholders and not filled by said stockholders, may be filled by the vote of a majority of the remaining directors then in office, although less than a quorum, or by the sole remaining director.

The members of the Board shall be divided into three classes as follows. There shall initially be two Class 1 directors, two Class 2 directors, and two Class 3 directors. The Class 1 directors shall serve an initial term of one year and thereafter shall serve three year terms. The Class 2 directors shall serve an initial two year term, and three years thereafter. The Class 3 directors shall serve terms of three years.

#### MEETINGS.

- <u>TIME</u>. Meetings shall be held at such time as the Board shall fix, except that the first meeting of a newly elected Board shall be held as soon after its election as the directors may conveniently assemble.
- PLACE. Meetings shall be held at such place within or without the State of Nevada as shall be fixed by the Board.
- <u>CALL</u>. No call shall be required for regular meetings for which the time and place have been fixed. Special meetings may be called by or at the direction of the Chairman of the Board, if any, the Vice-Chairman of the Board, if any, of the President, or of a majority of the directors in office.
- NOTICE OR ACTUAL OR CONSTRUCTIVE WAIVER. No notice shall be required for regular meetings for which the time and place have been fixed. Written, oral, or any other mode of notice of the time and place shall be given for special meetings in sufficient time for the convenient assembly of the directors thereat. Notice if any need not be given to a director or to any member of a committee of directors who submits a written waiver of notice signed by him before or after the time stated therein.
- <u>OUORUM AND ACTION</u>. A majority of the directors then in office, at a meeting duly assembled, shall constitute a quorum. A majority of the directors present, whether or not a quorum is present, may adjourn a meeting to another time and place. Except as the Articles of Incorporation or these Bylaws may otherwise provide, and except as otherwise provided by the General Corporation Law, the act of the directors holding a majority of the

directors, present at a meeting at which a quorum is present, is the act of the Board. The quorum and voting provisions herein stated shall not be construed as conflicting with any provisions of the General Corporation Law and these Bylaws which govern a meeting of directors held to fill vacancies and newly created directorships in the Board or action of disinterested directors.

Members of the Board or of any committee which may be designated by the Board may participate in a meeting of the Board or of any such committee, as the case may be, by means of a telephone conference or similar method of communication by which all persons participating in the meeting hear each other. Participation in a meeting by said means constitutes presence in person at the meeting.

- <u>CHAIRMAN OF THE MEETING</u>. The Chairman of the Board, if any and if present and acting, shall preside at all meetings. Otherwise, the Vice-Chairman of the Board, if any and if present and acting, or the President, if present and acting, or any other director chosen by the Board, shall preside.
- 5. <u>REMOVAL OF DIRECTORS</u>. Any or all of the directors may be removed for cause or without cause in accordance with the provisions of the General Corporation Law.
- 6. <u>COMMITTEES</u>. Whenever its number consists of two or more, the Board of Directors may designate one or more committees which have such powers and duties as the Board shall determine. Any such committee, to the extent provided in the resolution or resolutions of the Board, shall have and may exercise the powers and authority of the Board of Directors in the management of the business and affairs of the corporation and may authorize the seal or stamp of the corporation to be affixed to all papers on which the corporation desires to place a seal or stamp. Each committee must include at least one director. The Board of Directors may appoint natural persons who are not directors to serve on committees.
- 7. <u>WRITTEN ACTION</u>. Any action required or permitted to be taken at a meeting of the Board of Directors or of any committee thereof may be taken without a meeting if, before or after the action, a written consent thereto is signed by all the members of the Board or of the committee, as the case may be.

#### ARTICLE III

#### **OFFICERS**

- 1. The corporation must have a President, a Secretary, and a Treasurer, and, if deemed necessary, expedient, or desirable by the Board of Directors, a Chairman of the Board, a Vice-Chairman of the Board, an Executive Vice-President, one or more other Vice-Presidents, one or more Assistant Secretaries, one or more Assistant Treasurers, and such other officers and agents with such titles as the resolution choosing them shall designate. Each of any such officers must be natural persons and must be chosen by the Board of Directors or chosen in the manner determined by the Board of Directors.
- 2. <u>QUALIFICATIONS</u>. Except as may otherwise be provided in the resolution choosing him, no officer other than the Chairman of the Board, if any, and the Vice-Chairman of

the Board, if any, need be a director. Any person may hold two or more offices, as the directors may determine.

3. <u>TERM OF OFFICE</u>. Unless otherwise provided in the resolution choosing him, each officer shall be chosen for a term which shall continue until the meeting of the Board of Directors following the next annual meeting of stockholders and until his successor shall have been chosen or until his resignation or removal before the expiration of his term.

Any officer may be removed, with or without cause, by the Board of Directors or in the manner determined by the Board.

Any vacancy in any office may be filled by the Board of Directors or in the manner determined by the Board.

4. <u>DUTIES AND AUTHORITY</u>. All officers of the corporation shall have such authority and perform such duties in the management and operation of the corporation as shall be prescribed in the resolution designating and choosing such officers and prescribing their authority and duties, and shall have such additional authority and duties as are incident to their office except to the extent that such resolutions or instruments may be inconsistent therewith.

#### ARTICLE IV

#### REGISTERED OFFICE

The location of the initial registered office of the corporation in the State of Nevada is the address of the initial resident agent of the corporation, as set forth in the original Articles of Incorporation.

The corporation shall maintain at said registered office a copy, certified by the Secretary of State of the State of Nevada, of its Articles of Incorporation, and all amendments thereto, and a copy, certified by the Secretary of the corporation, of these Bylaws, and all amendments thereto. The corporation shall also keep at said registered office a stock ledger or a duplicate stock ledger, revised annually, containing the names, alphabetically arranged, of all persons who are stockholders of the corporation, showing their places of residence, if known, and the number of shares held by them respectively or a statement setting out the name of the custodian of the stock ledger or duplicate stock ledger, and the present and complete post office address, including street and number, if any, where such stock ledger or duplicate stock ledger is kept.

#### ARTICLE V

#### CORPORATE SEAL OR STAMP

The corporate seal or stamp shall be in such form as the Board of Directors may prescribe.

ARTICLE VI

FISCAL YEAR

The fiscal year of the corporation shall be fixed, and shall be subject to change, by the Board of Directors.

#### ARTICLE VII

#### CONTROL OVER BYLAWS

The power to amend, alter, and repeal these Bylaws and to make new Bylaws shall be vested in the Board of Directors subject to the Bylaws, if any, adopted by the stockholders.

I HEREBY CERTIFY that the foregoing is a full, true, and correct copy of the Bylaws of Lewis & Clark LTC Risk Retention Group, Inc., a Nevada corporation, as in effect on the date hereof.

WITNESS my hand and the seal or stamp of the corporation.

#### ORDER SHORTENING TIME

The Court, having examined Defendants' Motion for Leave to File a Supplemental Brief in Support of the Opposition to the Plaintiff's Motion for Leave to File Amended Complaint on Order Shortening Time ("Defendants' Motion"), being fully advised in the premises, and for good cause appearing, finds that Defendants' Motion should be heard on order shortened time. This Court therefore ORDERS that the 10:00 a.m. hearing on Defendants' Motion shall be shortened to July 23, 2020 at ____a.m./p.m., or as soon thereafter as counsel may be heard in Department 27 of the above entitled court, located at the Regional Justice Center, 200 Lewis Avenue, Las Vegas, Nevada.

#### DECLARATION OF ANGELA NAKAMURA OCHOA, ESQ.

Angela Nakamura Ochoa, declares as follows:

- 1. I am an attorney licensed to practice in the State of Nevada. I am counsel in the above captioned matter for Robert Chur, Steve Fogg, Mark Garber, Carol Harter, Robert Hurlbut, Barbara Lumpkin, Jeff Marshall, and Eric Stickels ("Defendants").
- 2. I make this declaration upon personal knowledge, and if called as a witness, I could and would competently testify to the facts contained in this declaration.
- 3. On July 21, 2020, Plaintiff filed its Omnibus Reply in Support of the Motion for Leave to File Fourth Amended Complaint ("Reply"), in which the hearing is set for July 23, 2020 at 10:00 a.m.
- 4. The Reply included a number of inaccuracies and misstatements of the law, but the most egregious lapse in candor to the court included a citation to a Federal District Court Case entitled Wilmington Trust Co. v. SFR Investments Pool 1, LLC, Case No. 2:16-cv-00326-RFB-PAL (D. Nev. 2017) for which no electronic cite was provided and no copy of the case was attached.
- 5. Plaintiff contended that in *Wilmington Trust Co.*, Judge Boulware "dealt" with this exact issue" and expressly "recognized that the purpose of FRCP 15." Reply, P.6. Ll. 25-28. Plaintiff provides a lengthy quote which gives the appearance of being the words of Judge Boulware. This is not the case.
- 6. As a copy of the case shows, the issues were not the same, Wilmington Trust Co.'s motion was granted as unopposed and Judge Boulware affixed "IT IS SO ORDERED," on the motion. No findings or analysis were entered.
- 7. Attached hereto as **Exhibit A** is a true and correct copy of the Docket from Wilmington Trust Co. v. SFR Investments Pool 1, LLC and attached hereto as Exhibit B is a true and correct copy of the Order from Wilmington Trust Co.'s Motion for Leave.

8. Good cause exists for this Motion to File a Supplemental Brief on Order Shortening Time, given the hearing on the Motion for Leave to File Amended Complaint is July 23, 2020 at 10:00 a.m.

I declare under penalty of perjury that the foregoing is true and correct. DATED this 22nd day of July, 2020.

#### MEMORANDUM OF POINTS AND AUTHORITIES

#### I. LEGAL AUTHORITY

Pursuant to EDCR 2.20(i) a supplemental brief may be filed by order of the Court.

#### II. LEGAL ARGUMENT

Plaintiff's Omnibus Reply in Support of the Motion for Leave to File Fourth Amended Complaint contains flagrant misstatements of Wilmington Trust Co. v. SFR Investments Pool 1, LLC, for which the Court has no ability to confirm, except with access to the Federal Pacer program.

Starting on P6.LI. 25 of the Omnibus Reply in Support of the Motion for Leave to File Fourth Amended Complaint, Plaintiff stated Judge Boulware "dealt with this exact issue" and expressly "recognized that the purpose of FRCP 15," in the case entitled Wilmington Trust Co. v. SFR Investments Pool 1, LLC, Case No. 2:16-cv-00326-RFB-PAL (D. Ney, 2017). As noted from Exhibit A and B, Judge Boulware made no findings. The Motion was granted as unopposed. Judge Boulware's Order was an administrative function of the Court.

06/09/2017	48	MINUTE ORDER IN CHAMBERS of the Honorable Richard F. Boulware, II, on 6/9/2017.  On August 12, 2016, the Ninth Circuit issued its decision on appeal in Bourne Valley Court Tr v. Wells Fargo Bank, N.A., 832 F.3d 1154, 1159-60 (9th Cir. 2016), holding that NRS 116 violates the Due Process Clause and is facially unconstitutional. The Court of Appeals issued its mandate in the appeal on December 14, 2016, vacating and remanding the judgment to the United States District Court, District of Nevada. The parties in Bourne Valley are seeking review in the United States Supreme Court. Bourne Valley filed its petition for writ of certiorari in the United States Supreme Court on April 3, 2017. This Court has additionally certified an issue regarding NRS 116's notice requirement to the Nevada Supreme Court. 2:16-cv-02561-RFB-PAL, ECF No. 41. As the ultimate mandate in these cases may affect issues in the instant litigation, this proceeding is hereby STAYED.  IT IS FURTHER ORDERED that 38 Motion to Certify is denied as moot, as this Court has
04/12/2010	40	already certified the relevant question to the Nevada Supreme Court.  (Copies have been distributed pursuant to the NEF - BEL) (Entered: 06/09/2017)

04/08/2019	55	MINUTE ORDER IN CHAMBERS of the Honorable Judge Richard F. Boulware, II on 4/8/2019.
		The Court has reviewed the record and finds there is no longer a basis to keep this case stayed. The Ninth Circuit and the Nevada Supreme Court have issued several decisions regarding issues in this case.
		IT IS THEREFORE ORDERED that the stay in this matter is lifted.
		The Court further finds that extended discovery is not necessary in this case as most if not all of the discovery is in the form of readily available public documents or correspondence exchanged between the parties.
		IT IS THEREFORE ORDERED that the parties shall have until May 6, 2019 to complete outstanding discovery. The parties shall file dispositive motions, if any, by May 13, 2019; responses shall be filed by May 22, 2019; and replies shall be filed by no later than May 29, 2019. The Court will not entertain motions to extend or to continue the deadlines absent extraordinary circumstances.

Crtrm Administrator: <i>Blanca Lenzi</i> ; Pla Counsel: <i>Donna Wittig, Esq.</i> ; Def Counsel: <i>Jason Martinez, Esq.</i> ; Court Reporter: <i>Patty Ganci</i> ; Time of Hearing: 9:27 AM- 9:44 AM; Courtroom: 7C.
		The Court makes its findings of undisputed facts regarding <u>59</u> Motion for Summary Judgment and <u>60</u> Motion for Summary Judgment. The Court then makes preliminary statements and hears representations from the parties.
		For the reasons stated on the record, IT IS ORDERED that <u>60</u> Motion for Summary Judgment is GRANTED. The Court finds in favor SFR Investments Pool I, LLC on claim one and counterclaim one. The Court declares that the deed of trust was extinguished by the foreclosure sale and that SFR Investments Pool I, LLC acquired the property free and clear of the deed of trust.
		IT IS FURTHER ORDERED that <u>59</u> Motion for Summary Judgment is DENIED.
		IT IS FURTHER ORDERED that claim two and counterclaim/crossclaim two are DISMISSED as the claims seek a form of relief instead of stating a stand-alone claim.
		IT IS FURTHER ORDERED that claims three, four, five, and six are DISMISSED.
		IT IS FURTHER ORDERED that counterclaim three is DISMISSED as moot in light of the declaratory judgment issued herein.
		IT IS FURTHER ORDERED that the lis pendens against the property is expunged.
		IT IS FURTHER ORDERED that the Clerk of the Court is instructed to close this matter accordingly.

#### MOTION TO AMEND COMPLAINT AND CAPTION

#### I. INTRODUCTION

Plaintiff/Counterdefendant Wilmington Trust Company, as Trustee for the Bear Stearns ALT-A Trust, Mortgage Pass-Through Certificates, Series 2007-1, by and through their attorneys of record, Edgar C. Smith, Esq., and Rock K. Jung, Esq., of the law firm of Wright, Finlay & Zak, LLP, hereby moves for leave to amend its Complaint and to amend the caption to reflect the new parties.

#### II. ARGUMENT

Federal Rules of Civil Procedure ("F.R.C.P.") 15(a)(2), 15(d) and 20 in federal court permits a party to amend its pleading by leave of court and states that "leave shall be freely given when justice so requires." F.R.C.P. 15(a). The Ninth Circuit has similarly held that the policy of freely granting leave to amend "is to be applied with extreme liberality." *Owens v. Kaiser Found. Health Plan, Inc.*, 244 F.3d 708, 712 (9th Cir. 2001). "In exercising its discretion a court must be guided by the underlying purpose of Rule 15 — to facilitate decision on the merits rather than on the pleadings or technicalities." *DCD Programs, Ltd. v. Leighton*, 833 F.2d 183, 186 (9th Cir. 1987)). Therefore, a party shall be given leave to amend freely provided there is no existing badfaith factors such as undue delay, bad faith or dilatory motive on the part of the movant seeking leave. *3* MOORE'S FEDERAL PRACTICE - CIVIL § 15.14 (2011) (analyzing F.R.C.P. 15(a) and stating that "[d]enial of leave to amend is disfavored; and a district judge should grant leave absent a substantial reason to deny").

Here, applying these well-established principles, the Court should grant Plaintiff's request for leave to amend. Justice requires leave to amend, as the subject HOA and its sales

trustee Nevada Association Services, Inc. ("NAS") proceeded to sell the Property without, inter alia, proper notice and also including improper fees. Further, the Nevada Supreme Court's recent decision in Horizons at Seven Hills Homeowners Association v. Ikon Holdings, LLC, 132 Nev. Adv. Op. 35 (April 28, 2016) ("Ikon") and Shadow Wood Homeowners Association, Inc. v. New York Community Bancorp, Inc., 132 Nev. Adv. Op. 5 (Jan. 28, 2016) ("Shadow Wood") has substantially changed the law of HOA sales, regarding recitals, amounts that comprise the superpriority lien portion, and the pleadings should appropriately be amended to reflect the state of the law after that decision. Plaintiff's current action against just Defendant SFR INVESTMENTS POOL 1, LLC ("SFR"), and Defendant CLUB AT MADEIRA CANYON UNIT OWNERS' ASSOCIATION (the "HOA") is untenable as it stands, as colorable claims also exist against the HOA's sales trustee/agent NAS. In the Shadow Wood case, an end was brought to the past arguments by buyers that relied solely on the recitals in an HOA foreclosure deed to establish quiet title in favor of the buyer. Plus the Shadow Wood decision demonstrates genuine issues of material fact related to fees and costs, commercial reasonableness, and the circumstances surrounding the HOA Sale need to be explored in discovery. Meanwhile, in the Ikon case, the Nevada Supreme court stated that the super-priority lien is ONLY 9 months of dues and nothing more. Thus, the Court soundly rejected the HOA's argument that they must be able to have collection fees and costs.

These recent developments as well as the fact that Plaintiff, HOA and the HOA Trustee are still waiting to have a NRED mediation scheduled, makes vital the allegations in Plaintiff's Amended Complaint that NAS- failed to properly notify Plaintiff that it was foreclosing on the superpriority portion of its lien, that it further failed to identify or provide the super-priority amount in any of its notices, and even went as far as to refuse providing any payoff information regarding the alleged delinquent HOA account *See* attached as Exhibit "A", Plaintiff's proposed Amended Complaint. Moreover, the Court stated that lenders should have a right to pay off an HOA delinquent assessment lien to protect its interest. *Id.* at 414 ("U.S. Bank could have paid off the [HOA] lien to avert loss of its security.").

1 As discussed earlier, in evaluating a request for leave to amend, courts examine such 2 factors as undue delay, bad faith, or dilatory motive and whether they are present. Those factors 3 or reasons are simply not present here. Plaintiff's request to amend the pleadings is timely as 4 only limited discovery has been commenced, settlement negotiations have or will soon be 5 commencing between Plaintiff and SFR, and Plaintiff did not unreasonably delay in bringing this motion as it was first seeking to complete the NRS Ch. 38 mediation. Furthermore, this request 6 7 is not made in bad faith or for any dilatory motive. To the contrary, Plaintiff is seeking leave to amend to ensure that this case may be evaluated on its merits in light of a recent change in 8 9 circumstances and in the law. See 3 MOORE'S FEDERAL PRACTICE - CIVIL § 15.14 (discussing 10 F.R.C.P. 15(a) and noting that "a court should allow amendments to ensure that all the issues are 11 before the court"). 12 In addition, the clear benefits of streamlining adjudication of common facts and related 13 issues weigh heavily in favor of permitting amendment, as joining all of the relevant parties and 14 adjudicating all claims in one action will benefit judicial economy, save the parties time and 15 resources, and enable a thorough and conclusive determination of the parties' contentions. 16 Plaintiff also requests that the Court amend the caption to reflect the change in parties as 17 shown in Plaintiff's proposed Amended Complaint, attached hereto as Exhibit "A". ///

#### III. **CONCLUSION**

For these reasons, Plaintiff respectfully requests leave to amend its Complaint in this matter, and for an Order of the Court amending the caption to reflect the change in parties.

COMES NOW Plaintiff/Counter-defendant, Wilmington Trust Company, as Trustee for the Bear Stearns ALT-A Trust, Mortgage Pass-Through Certificates, Series 2007-1 (hereinafter "Plaintiff"), by and through their attorneys of record, Edgar C. Smith, Esq. and Rock K. Jung, Esq., of the law firm of WRIGHT, FINLAY & ZAK, LLP, and hereby submits its First Amended Complaint.

#### INTRODUCTION

1. The real property that is the subject of this civil action consists of a residence commonly known as 2745 King Louis Street, Henderson, Nevada 89044 (Parcel No.190-19-810-122) (hereinafter the "Property").

#### JURISDICTION AND VENUE

- 2. The Court has subject matter jurisdiction over this matter pursuant to 28 U.S.C. § 1332, as Plaintiff is a "citizen of a different States" from all defendants and the amount in controversy exceeds \$75,000, exclusive of interest and costs.
- 3. Venue is proper in this judicial district pursuant to 28 U.S.C. §§ 1391(b)(1)-(2) because Defendants reside in this district; a substantial part of the events or omissions giving rise to Plaintiff's claims occurred in this district; and the property that is the subject of this action is situated in this district, in North Las Vegas, Clark County, Nevada.
- 4. The Court has personal jurisdiction over SFR INVESTMENTS POOL I, LLC (hereinafter "Buyer" or "SFR") because this lawsuit arises out of and is connected with its purposeful purchase of an interest in real property situated in the County of Clark, State of Nevada, and upon information and belief, SFR is a Nevada limited liability company.

 5. The Court has personal jurisdiction over MADEIRA CANYON UNIT OWNERS' ASSOCIATION (hereinafter "HOA") because this lawsuit arises out of and is connected with the HOA's foreclosure of real property located in the County of Clark, State of Nevada, and upon information and belief, the HOA is a Nevada non-profit corporation.

6. The Court has personal jurisdiction over NEVADA ASSOCIATION SERVICES, INC. (hereinafter "HOA Trustee" or "NAS") because this lawsuit arises out of and is connected with the NAS's acts or omissions in relation to the foreclosure of real property located in the County of Clark, State of Nevada, and upon information and belief, NAS is a Nevada domestic corporation.

#### **PARTIES**

- 7. Plaintiff is a Delaware corporation and authorized to do business in the State of Nevada.
- 8. Plaintiff is now and at all times relevant herein the assigned Beneficiary under the Deed of Trust signed by Hamlet McNeace and Shawn L. McNeace (hereinafter "McNeace"), as husband and wife, recorded on November 1, 2006, (hereinafter "Deed of Trust"), which encumbers the Property and secures a promissory note.
- **9.** Upon information and belief, SFR is a Nevada limited-liability company. Public records show SFR is the current owner of record for the Property.
- 10. Upon information and belief, the HOA, is a Nevada non-profit corporation licensed to do business in the state of Nevada.
- 11. Upon information and belief, the HOA Trustee, is a Nevada domestic corporation licensed to do business in the State of Nevada.

### **GENERAL ALLEGATIONS**

- 12. On or about October 31, 2006, McNeace purchased the Property.
- 13. To purchase the Property, McNeace borrowed \$683,528.00 from originating lender Pulte Mortgage, LLC. To obtain the loan, McNeace executed a Note secured by a Deed of Trust recorded on November 1, 2006. The Deed of Trust identified Pulte Mortgage, LLC, as the Lender; Mortgage Electronic Registration Systems, Inc. ("MERS") as nominee for Plaintiff's

which Buyer claims its interest.7

- 21. None of the aforementioned notices identified above and attached as Exhibits 4-6 identified what portion of the claimed lien was for alleged late fees, interest, fines/violations, or collection fees/costs.
- 22. None of the aforementioned notices identified above and attached as Exhibits 4-6 specified what portion of the lien, if any, that the HOA claimed constituted a "super-priority" lien.
- 23. None of the aforementioned notices identified above and attached as Exhibits 4-6 specified whether the HOA was foreclosing on the "super-priority" portion of its lien, if any, or under the non-super-priority portion of the lien.
- 24. None of the aforementioned notices identified above and attached as Exhibits 4-6 provided any notice of a right to cure.
- 25. A homeowner's association sale conducted pursuant to NRS Chapter 116 must comply with all notice provisions as stated in NRS 116.31162 through NRS 116.31168 and NRS 107.090.
- 26. A lender or a holder of a beneficial interest in a senior deed of trust, such as Plaintiff, has a right to cure a delinquent homeowner's association lien in order to protect its interest.
- 27. Upon information and belief, the HOA and its agent, the HOA Trustee, did not comply with all mailing and noticing requirements stated in NRS 116.31162 through NRS 116.31168, or as required by the CC&R's.
  - 28. A recorded notice of default must "describe the deficiency in payment."
- 29. The HOA Sale occurred without notice to Plaintiff, what portion of the lien, if any, that HOA and HOA Trustee claimed constituted a "super-priority" lien.
- 30. The HOA Sale occurred without notice to Plaintiff, whether HOA was foreclosing on the "super-priority" portion of its lien, if any, or under the non-super-priority portion of the

lien.

- 31. The HOA Sale occurred without notice to Plaintiff, of a right to cure the delinquent assessment and the super-priority lien, if any.
- 32. The HOA Sale violated Plaintiff's rights to due process because Plaintiff was not given proper, adequate notice and the opportunity to cure the deficiency or default in the payment of the HOA's assessments and the super-priority lien, if any.
- 33. The HOA Sale was an invalid sale and could not have extinguished Plaintiff's secured interest because of defects in the notices given to Plaintiff, or its predecessors, agents, servicers or trustees, if any.
- 34. Under NRS Chapter 116, a lien under NRS 116.3116(1) can only include costs and fees that are specifically enumerated in the statute.
- 35. A homeowner's association may only collect as a part of the super priority lien (a) nuisance abatement charges incurred by the association pursuant to NRS 116.310312 and (b) nine months of common assessments which became due prior to the institution of an action to enforce the lien (unless Fannie Mae and Freddie Mac regulations require a shorter period of not less than six months).
- 36. Upon information and belief, the HOA Foreclosure Notices included improper fees and costs in the amount demanded.
- 37. The attorney's fees and the costs of collecting on a homeowner's association lien cannot be included in the super-priority lien.
- 38. Upon information and belief, the HOA assessment lien and foreclosure notices included fines, interest, late fees, dues, attorney's fees, and costs of collection that are not properly included in a super-priority lien under Nevada law and that are not permissible under NRS 116.3102 et seq.
- 39. The HOA Sale did not comply with NRS 116.3102 et seq. because none of the aforementioned notices, identified above, identified what portion of the claimed lien were for alleged late fees, interest, fines/violations, or collection fees/costs.
  - **40.** The HOA Sale is unlawful and void under NRS 116.3102 et seq.

- 41. The HOA Sale is unlawful and void because the "opt-in" provision in NRS 116.3116 does not satisfy Constitutional Due Process safeguards under the 5th and 14th Amendment to the United States Constitution, nor Article 1, Section 8, of the Nevada Constitution, so that the statute is unconstitutional on its face.
- 42. Alternatively, the HOA Sale is unlawful and void because the statutory scheme set forth in NRS 116.3116, et seq. constitutes a regulatory taking of private property without adequate compensation so the statute is unconstitutional on its face.
- 43. NRS 116.31162 through NRS 116.31168 do not contain any provision requiring notice of a foreclosure to the Plaintiff, beneficiary or holder of a first mortgage or deed of trust, thus violating their constitutional right to due process.
- 44. Alternatively, NRS Chapter 116 is unconstitutional on its face as it lacks any express right by the Plaintiff, beneficiary or holder, or their respective trustees, servicers, agents, or representatives, to obtain payoff information for the super-priority portion, if any, of the homeowner's association lien or the express right to cure the default and protect the Deed of Trust, and it lacks an express obligation for a homeowner's association or its agents to accept a tendered payoff and release the super-priority portion of the lien.
- 45. Alternatively, NRS Chapter 116 is unconstitutional on its face due to vagueness and ambiguity.
- 46. The HOA Sale deprived Plaintiff of its right to due process because the foreclosure notices failed to identify the super-priority amount, or to adequately describe the deficiency in payment, to provide Plaintiff notice of the correct super-priority amount, or to provide a reasonable opportunity for Plaintiff to protect its priority by payment to satisfy that amount.
- 47. Either the HOA Sale, which violated Plaintiff's constitutional rights was ineffective to displace Plaintiff's first position under its Deed of Trust such that Buyer took its interest subject to that Deed of Trust, or the HOA Sale was invalid and must be set aside.
- **48.** A homeowner's association sale must be done in a commercially reasonable manner.

- 49. The HOA Sale was not commercially reasonable, and the HOA Sale not done in good faith, in light of the sales price when compared to the debt owed to Plaintiff on the McNeace Loan (\$683,342.88) and the fair market value of the property, along with the errors alleged above.
- 50. Upon information and belief, at the time of the HOA Sale, the fair market value of the Property exceeded \$473,166.00.
  - 51. The amount paid at the HOA Sale allegedly totaled \$17,000.00.
- 52. The circumstances of the HOA Sale of the Property breached the HOA's obligations of good faith under NRS 116.1113 and its duty to act in a commercially reasonable manner.
- 53. The HOA Sale by which Buyer, eventually, took its interest was commercially unreasonable if it extinguished Plaintiff's Deed of Trust.
- 54. In the alternative, the HOA Sale was an invalid sale and could not have extinguished Plaintiff's secured interest because it was not a commercially reasonable sale.
- 55. Without providing Plaintiff notice of the correct super-priority amount and a reasonable opportunity to tender payment to satisfy that amount, including the failure to set out the super-priority amount and the failure to adequately describe the deficiency in payment as required by Nevada law, the HOA Sale is commercially unreasonable and deprived Plaintiff of its right to due process.
- 56. Because the CC&Rs contained a Mortgagee Protection Clause and because Plaintiff was not given proper notice that the HOA intended to foreclose on the super-priority portion of the dues owing, Plaintiff did not know that it had to attend the HOA Sale to protect its security interest.
- 57. Because the CC&Rs contained a Mortgagee Protection Clause, and because proper notice that the HOA intended to foreclose on the super-priority portion of the dues owing was not given, prospective bidders did not appear for the HOA Sale, making the HOA Sale commercially unreasonable.
  - 58. The circumstances of the HOA Sale of the Property breached the HOA's and the

 HOA Trustee's obligations of good faith under NRS 116.1113 and their duty to act in a commercially reasonable manner.

- 59. Plaintiff is informed and believes that SFR was a professional foreclosure sale property purchaser.
- 60. The circumstances of the HOA Sale of the Property and their status as a professional property purchaser mean SFR cannot be deemed a bona fide purchaser for value.
- 61. Upon information and belief, SFR had actual, constructive or inquiry notice of Plaintiff's first Deed of Trust, which prevents SFR from being deemed a bona fide purchaser or encumbrancer for value.
- 62. In the event Plaintiff's interest in the Property is not reaffirmed nor restored, Plaintiff suffered damages in the amount of the fair market value of the Property or the unpaid balance of the Manzo Loan and Deed of Trust, at the time of the HOA Sale, whichever is greater, as a proximate result of Defendant's acts and omissions.

#### **FIRST CAUSE OF ACTION**

### (Quiet Title/Declaratory Relief versus SFR, HOA, and HOA Trustee)

- 63. Plaintiff incorporates and re-alleges all previous paragraphs, as if fully set forth herein.
- **64.** Pursuant to NRS 30.010 et seq. and NRS 40.010, this Court has the power and authority to declare Plaintiff's rights and interests in the Property and to resolve Defendants' adverse claims in the Property.
- 65. Further, pursuant to NRS 30.010 et seq., this Court has the power and authority to declare the rights and interest of the parties following the acts and omissions of the HOA and HOA Trustee in foreclosing the Property.
- 66. Plaintiff's Deed of Trust is a first secured interest on the Property as intended by NRS 116.3116(2)(b).
- 67. As the current beneficiary under the Deed of Trust and the Plaintiff entitled to enforce the Loan, Plaintiff's interest still encumbers the Property and retains its first position status in the chain of title for the Property after the HOA Sale and is superior to the interest, if

any, acquired by Defendant, or held or claimed by any other successor in interest to any of them, for the reasons alleged herein.

- 68. Upon information and belief, Defendant SFR dispute Plaintiff's claims and assert priority, so that their claims are adverse to Plaintiff's claims.
- 69. Upon information and belief, the HOA, the HOA Trustee and the fictitious Defendants failed to provide proper, adequate and sufficient notices required by Nevada statutes, the CC&R's and assure due process to Plaintiff, and therefore the HOA Sale is void and should be set aside or rescinded.
- 70. Based on the adverse claims being asserted by the parties, Plaintiff is entitled to a judicial determination regarding the rights and interests of the respective parties to the case.
- 71. For all the reasons set forth, Plaintiff is entitled to a determination from this Court, pursuant to NRS 40.010, that Plaintiff is the beneficiary of a Deed of Trust that still encumbers the Property as of the date of the court's determination, and that Plaintiff's rights under the deed of trust are superior in the chain of title to the interest of all Defendants.
- 72. In the alternative, if it is found under state law that Plaintiff's interest could have been extinguished by the HOA sale, for all the reasons set forth above and in the Factual Background, Plaintiff is entitled to a determination from this Court, pursuant to NRS 30.010 and NRS 40.010, that the HOA Sale is unlawful and void and conveyed no legitimate interest to Defendant.
- 73. Plaintiff has furthermore been required to retain counsel and is entitled to recover reasonable attorney's fees for having brought the underlying action.

### SECOND CAUSE OF ACTION

## (Preliminary and Permanent Injunctions versus SFR)

- 74. Plaintiff incorporates by reference the allegations of all previous paragraphs, as if fully set forth herein.
- 75. As set forth above, Defendant may claim an ownership interest in the Property that is adverse to Plaintiff.
  - 76. Any sale or transfer of the Property, prior to a judicial determination concerning

the respective rights and interests of the parties to the case, may be rendered invalid if Plaintiff's Deed of Trust still encumbered the Property in first position and was not extinguished by the HOA Sale.

- 77. Plaintiff has a reasonable probability of success on the merits of the Complaint, for which compensatory damages will not compensate Plaintiff for the irreparable harm of the loss of title to a bona fide purchaser or loss of the first position priority status secured by the Property.
- 78. Plaintiff has no adequate remedy at law due to the uniqueness of the Property involved in the case.
- 79. Plaintiff is entitled to a preliminary and permanent injunction prohibiting Defendant, their successors, assigns, and agents from conducting a sale, transfer or encumbrance of the Property if Defendant or its transferee claims or will claim the sale, transfer or encumbrance to be made free and clear of Plaintiff's Deed of Trust.
- **80.** Plaintiff is entitled to a preliminary injunction requiring Defendant to pay all taxes, insurance and homeowner's association dues during the pendency of this action.
- **81.** Plaintiff is entitled to a preliminary injunction requiring Defendant to segregate and deposit all rents with the Court or a Court-approved trust account over which Defendant has no control during the pendency of this action.
- 82. Plaintiff is entitled to a mandatory injunction that the HOA and HOA Trustee be compelled to deliver to the Clerk of the Court and deposit all funds collected at the HOA Sale pending determination by the Court of the validity of the sale and the respective rights of the parties to the sale proceeds.
- **83.** Plaintiff has been required to retain counsel to prosecute this action and is entitled to recover reasonable attorney's fees to prosecute this action.

#### **THIRD CAUSE OF ACTION**

#### (Unjust Enrichment versus Defendants)

**84.** Plaintiff incorporates and re-alleges all previous paragraphs, as if fully set forth herein.

- **85.** Plaintiff has been deprived of the benefit of its secured deed of trust by the actions of Defendant.
- **86.** Defendants have benefitted from the unlawful HOA Sale and nature of the real property.
- 87. SFR has benefitted from Plaintiff's payment of taxes, insurance or homeowner's association assessments since the time of the HOA Sale.
- 88. Should Plaintiff's Complaint be successful in quieting title against Defendants, Defendants will have been unjustly enriched by the difference in amount between the price paid at the HOA Sale and the fair value of the Property, together with interest thereon.
- 89. Plaintiff will have suffered damages if SFR or the HOA or HOA Trustee are allowed to retain its interests in the Property and the funds received from the HOA Sale.
- 90. Plaintiff will have suffered damages if SFR is allowed to retain its interests in the Property and Plaintiff's payment of taxes, insurance or homeowner's association assessments since the time of the HOA Sale.
  - 91. Plaintiff is entitled to general and special damages in excess of \$10,000.00.
- **92.** Plaintiff has furthermore been required to retain counsel and is entitled to recover reasonable attorney's fees for having brought the underlying action.

#### **FOURTH CAUSE OF ACTION**

## (Wrongful Foreclosure versus the HOA and the HOA Trustee)

- 93. Plaintiff incorporates by reference the allegations of all previous paragraphs, as if fully set forth herein.
- 94. Upon information and belief, no payoff information, including the amount of the alleged super-priority amount, was provided to Plaintiff or to its predecessors-in-interest, prior to the HOA Sale.
  - 95. The HOA and HOA Trustee improperly proceeded with the HOA Sale.
- 96. The HOA foreclosure sale was wrongfully conducted and completed, and therefore, the Court should set aside the HOA Sale to the extent that it purports to have

extinguished Plaintiff's first Deed of Trust and delivered free and clear title of the Property to SFR.

- 97. The HOA Sale was not done in accordance with the Nevada statutes, and as such, the HOA Sale was wrongfully conducted and should be set aside.
- 98. The HOA assessment lien and foreclosure notices included improper fees and costs in the amount demanded, and thus, the HOA Sale was wrongfully conducted and should be set aside.
- 99. As a direct and proximate result of the HOA and HOA Trustee's wrongful foreclosure of the Property by the HOA Sale, Plaintiff suffered general and special damages.
- 100. Plaintiff has been required to retain counsel to prosecute this action and is entitled to recover reasonable attorney's fees to prosecute this action.

### FIFTH CAUSE OF ACTION

### (Negligence versus the HOA and HOA Trustee)

- **101.** Plaintiff incorporates by reference the allegations of all previous paragraphs, as if fully set forth herein.
- 102. The HOA and HOA Trustee owed a duty to Plaintiff and other lienholders to allow Plaintiff or its predecessors-in-interest and their respective agents, servicers or trustees, if any, an opportunity to protect their interest and cure the super-priority lien threatening their security interests.
- 103. The HOA and HOA Trustee breached their duty by rejecting the tendered superpriority lien amount and naming the incorrect HOA in their notices but yet still proceeding with the HOA Sale on the super-priority lien.
- 104. As a direct and proximate result of the HOA and HOA Trustee's breaches of their duties, Plaintiff's security interest has been threatened.
- 105. As a direct and proximate result of the HOA and HOA Trustee's breaches of their duties, Plaintiff has incurred general and special damages.
- 106. If Plaintiff is found to have lost its first security interest in the Property, it was the direct and proximate result of the HOA and HOA Trustee's breaches of their duties, and

Plaintiff has thereby suffered general and special damages.

**107.** Plaintiff has been required to retain counsel to prosecute this action and is entitled to recover reasonable attorney's fees to prosecute this action.

#### SIXTH CAUSE OF ACTION

#### (Negligence Per Se versus the HOA and HOA Trustee)

- 108. Plaintiff incorporates by reference the allegations of all previous paragraphs, as if fully set forth herein.
- 109. The HOA and HOA Trustee breached the statutory duties by rejecting the tendered super-priority lien amount and naming the incorrect HOA in the notices but yet still proceeding with the HOA Sale, which SFR claims extinguished Plaintiff's security interest.
- 110. Plaintiff is a member of the class of person whom NRS Chapter 116 is intended to protect.
- 111. The injury that Plaintiff faces extinguishment of its first position Deed of Trust is the type against which NRS Chapter 116 is intended to protect.
- 112. As a direct and proximate result of the HOA and HOA Trustee's breaches of their statutory duties, Plaintiff's security interest is threatened.
- 113. As a direct and proximate result of the HOA and HOA Trustee's breaches of their duties, Plaintiff has incurred general and special damages.
- 114. If Plaintiff is found to have lost its first secured interest in the Property, it was the direct and proximate result of the HOA and HOA Trustee's breaches of their statutory duties, and Plaintiff has thereby suffered general and special damages.
- 115. Plaintiff has been required to retain counsel to prosecute this action and is entitled to recover reasonable attorney's fees to prosecute this action.

#### **PRAYER**

Wherefore, Plaintiff prays for judgment against the Defendants, jointly and severally, as follows:

1. For a declaration and determination that Plaintiff's interest is secured against the Property, and that Plaintiff's first Deed of Trust was not extinguished by the HOA Sale as

of record. Borrower warrants and will defend generally the title to the Property against all claims and demands, subject to any encumbrances of record.

THIS SECURITY INSTRUMENT combines uniform covenants for national use and non-uniform covenants with limited variations by jurisdiction to constitute a uniform security instrument covering real property

UNIFORM COVENANTS. Borrower and Lender covenant and agree as follows:

1. Payment of Principal, Interest, Escrow Items, Prepayment Charges, and Late Charges. Borrower shall pay when due the principal of, and interest on, the debt evidenced by the Note and any prepayment charges and late charges due under the Note. Borrower shall also pay funds for Escrow Items pursuant to Section 3. Payments due under the Note and this Security Instrument shall be made in U.S. currency. However, if any check or other instrument received by Lender as payment under the Note or this Security Instrument is returned to Lender unpaid, Lender may require that any or all subsequent payments due under the Note and this Security Instrument be made in one or more of the following forms, as selected by Lender: (a) cash; (b) money order; (c) certified check, bank check, treasurer's check or cashier's check, provided any such check is drawn upon an institution whose deposits are insured by a federal cannot instrumentally secretify or (c) Electronic Fine to Transfer federal agency, instrumentality, or entity; or (d) Electronic Funds Transfer.

Payments are deemed received by Lender when received at the location designated in the Note or at such other location as may be designated by Lender in accordance with the notice provisions in Section 15. Lender may return any payment or partial payment if the payment or partial payments are insufficient to bring the Loan current. Lender may accept any payment or partial payment insufficient to bring the Loan current, without waiver of any rights hereunder or prejudice to its rights to refuse such payment or partial payments in the future, but Lender is not obligated to apply such payments at the time such payments are accepted. If each Periodic Payment is applied as of its scheduled due date, then Lender need not pay interest on unapplied funds. Lender may hold such unapplied funds until Borrower makes payment to bring the Loan current. If Borrower does not do so within a reasonable period of time, Lender shall either apply such funds or return them to Borrower. If not applied earlier, such funds will be applied to the outstanding principal balance under the Note immediately prior to foreclosure. No offset or claim which Borrower might have now or in the future against Lender shall relieve Borrower from making payments due under the Note and this Security Instrument or performing the covenants and agreements secured by this Security

2. Application of Payments or Proceeds. Except as otherwise described in this Section 2, all payments accepted and applied by Lender shall be applied in the following order of priority: (a) interest due under the Note; (b) principal due under the Note; (c) amounts due under Section 3. Such payments shall be applied to each Periodic Payment in the order in which it became due. Any remaining amounts shall be applied first to late charges, second to any other amounts due under this Security Instrument, and then to reduce the principal balance of the Note.

If Lender receives a payment from Borrower for a delinquent Periodic Payment which includes a sufficient amount to pay any late charge due, the payment may be applied to the delinquent payment and the late charge. If more than one Periodic Payment is outstanding, Lender may apply any payment received from Borrower to the repayment of the Periodic Payments if, and to the extent that, each payment can be paid in full. To the extent that any excess exists after the payment is applied to the full payment of one or

paid in full. To the extent that any excess exists after the payment is applied to the full payment of one or more Periodic Payments, such excess may be applied to any late charges due. Voluntary prepayments shall be applied first to any prepayment charges and then as described in the Note.

Any application of payments, insurance proceeds, or Miscellaneous Proceeds to principal due under the Note shall not extend or postpone the due date, or change the amount, of the Periodic Payments.

3. Funds for Escrow Items. Borrower shall pay to Lender on the day Periodic Payments are due under the Note, until the Note is paid in full, a sum (the "Funds") to provide for payment of amounts due for (a) taxes and assessments and other items unkink on attain patients over this Scounity Instrument of for: (a) taxes and assessments and other items which can attain priority over this Security Instrument as a lien or encumbrance on the Property; (b) leasehold payments or ground rents on the Property, if any; (c) premiums for any and all insurance required by Lender under Section 5; and (d) Mortgage Insurance premiums, if any, or any sums payable by Borrower to Lender in lieu of the payment of Mortgage Insurance premiums in accordance with the provisions of Section 10. These items are called "Escrow Items." At origination or at any time during the term of the Loan, Lender may require that Community Association Dues, Fees, and Assessments, if any, be escrowed by Borrower, and such dues, fees and assessments shall be an Escrow Item. Borrower shall promptly furnish to Lender all notices of amounts to be paid under this Section. Borrower shall pay Lender the Funds for Escrow Items unless Lender waives

Borrower's obligation to pay the Funds for any or all Escrow Items. Lender may waive Borrower's obligation to pay to Lender Funds for any or all Escrow Items at any time. Any such waiver may only be in writing. In the event of such waiver, Borrower shall pay directly, when and where payable, the amounts due for any Escrow Items for which payment of Funds has been waived by Lender and, if Lender requires, shall furnish to Lender receipts evidencing such payment within such time period as Lender may require. Borrower's obligation to make such payments and to provide receipts shall for all purposes be deemed to be a covenant and agreement contained in this Security Instrument, as the phrase "covenant and agreement" is used in Section 9. If Borrower is obligated to pay Escrow Items directly, pursuant to a waiver, and Borrower fails to pay the amount due for an Escrow Item, Lender may exercise its rights under Section 9 and pay such amount and Borrower shall then be obligated under Section 9 to repay to Lender any such amount. Lender may revoke the waiver as to any or all Escrow Items at any time by a notice given in accordance with Section 15 and, upon such revocation, Borrower shall pay to Lender all Funds, and in such amounts, that are then required under this Section 3.

Lender may, at any time, collect and hold Funds in an amount (a) sufficient to permit Lender to apply the Funds at the time specified under RESPA, and (b) not to exceed the maximum amount a lender can require under RESPA. Lender shall estimate the amount of Funds due on the basis of current data and reasonable estimates of expenditures of future Escrow Items or otherwise in accordance with Applicable Law.

The Funds shall be held in an institution whose deposits are insured by a federal agency, instrumentality, or entity (including Lender, if Lender is an institution whose deposits are so insured) or in any Federal Home Loan Bank. Lender shall apply the Funds to pay the Escrow Items no later than the time specified under RESPA. Lender shall not charge Borrower for holding and applying the Funds, annually analyzing the escrow account, or verifying the Escrow Items, unless Lender pays Borrower interest on the Funds and Applicable Law permits Lender to make such a charge. Unless an agreement is made in writing or Applicable Law requires interest to be paid on the Funds, Lender shall not be required to pay Borrower any interest or earnings on the Funds. Borrower and Lender can agree in writing, however, that interest shall be paid on the Funds. Lender shall give to Borrower, without charge, an annual accounting of the Funds as required by RESPA.

If there is a surplus of Funds held in escrow, as defined under RESPA, Lender shall account to Borrower for the excess funds in accordance with RESPA. If there is a shortage of Funds held in escrow, as defined under RESPA, Lender shall notify Borrower as required by RESPA, and Borrower shall pay to Lender the amount necessary to make up the shortage in accordance with RESPA, but in no more than 12 monthly payments. If there is a deficiency of Funds held in escrow, as defined under RESPA, Lender shall notify Borrower as required by RESPA, and Borrower shall pay to Lender the amount necessary to make up the deficiency in accordance with RESPA, but in no more than 12 monthly payments.

Upon payment in full of all sums secured by this Security Instrument, Lender shall promptly refund to Borrower any Funds held by Lender.

4. Charges; Liens. Borrower shall pay all taxes, assessments, charges, fines, and impositions attributable to the Property which can attain priority over this Security Instrument, leasehold payments or ground rents on the Property, if any, and Community Association Dues, Fees, and Assessments, if any. To the extent that these items are Escrow Items, Borrower shall pay them in the manner provided in Section 3.

Borrower shall promptly discharge any lien which has priority over this Security Instrument unless Borrower: (a) agrees in writing to the payment of the obligation secured by the lien in a manner acceptable to Lender, but only so long as Borrower is performing such agreement; (b) contests the lien in good faith by, or defends against enforcement of the lien in, legal proceedings which in Lender's opinion operate to prevent the enforcement of the lien while those proceedings are pending, but only until such proceedings are concluded; or (c) secures from the holder of the lien an agreement satisfactory to Lender subordinating the lien to this Security Instrument. If Lender determines that any part of the Property is subject to a lien which can attain priority over this Security Instrument, Lender may give Borrower a notice identifying the

lien. Within 10 days of the date on which that notice is given, Borrower shall satisfy the lien or take one or more of the actions set forth above in this Section 4.

Lender may require Borrower to pay a one-time charge for a real estate tax verification and/or reporting service used by Lender in connection with this Loan.

5. Property Insurance. Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage," and any other hazards including, but not limited to, earthquakes and floods, for which Lender requires insurance. This insurance shall be maintained in the amounts (including deductible levels) and for the periods that Lender requires. What Lender requires pursuant to the preceding sentences can change during the term of the Loan. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's right to disapprove Borrower's choice, which right shall not be exercised unreasonably. Lender may require Borrower to pay, in connection with this Loan, either: (a) a one-time charge for flood zone determination and certification services and subsequent charges each time remappings or similar changes occur which reasonably might affect such determination or certification. Borrower shall also be responsible for the payment of any fees imposed by the Federal Emergency Management Agency in connection with the review of any flood zone determination resulting from an objection by Borrower.

If Borrower fails to maintain any of the coverages described above, Lender may obtain insurance coverage, at Lender's option and Borrower's expense. Lender is under no obligation to purchase any particular type or amount of coverage. Therefore, such coverage shall cover Lender, but might or might not protect Borrower, Borrower's equity in the Property, or the contents of the Property, against any risk, hazard or liability and might provide greater or lesser coverage than was previously in effect. Borrower acknowledges that the cost of the insurance coverage so obtained might significantly exceed the cost of insurance that Borrower could have obtained. Any amounts disbursed by Lender under this Section 5 shall become additional debt of Borrower secured by this Security Instrument. These amounts shall bear interest at the Note rate from the date of disbursement and shall be payable, with such interest, upon notice from Lender to Borrower requesting payment.

All insurance policies required by Lender and renewals of such policies shall be subject to Lender's right to disapprove such policies, shall include a standard mortgage clause, and shall name Lender as mortgagee and/or as an additional loss payee. Lender shall have the right to hold the policies and renewal certificates. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. If Borrower obtains any form of insurance coverage, not otherwise required by Lender, for damage to, or destruction of, the Property, such policy shall include a standard mortgage clause and shall name Lender as mortgagee and/or as an additional loss payee.

In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower. Unless Lender and Borrower otherwise agree in writing, any insurance proceeds, whether or not the underlying insurance was required by Lender, shall be applied to restoration or repair of the Property, if the restoration or repair is economically feasible and Lender's security is not lessened. During such repair and restoration period, Lender shall have the right to hold such insurance proceeds until Lender has had an opportunity to inspect such Property to ensure the work has been completed to Lender's satisfaction, provided that such inspection shall be undertaken promptly. Lender may disburse proceeds for the repairs and restoration in a single payment or in a series of progress payments as the work is completed. Unless an agreement is made in writing or Applicable Law requires interest to be paid on such insurance proceeds, Lender shall not be required to pay Borrower any interest or earnings on such proceeds. Fees for public adjusters, or other third parties, retained by Borrower shall not be paid out of the insurance proceeds and shall be the sole obligation of Borrower. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with

the excess, if any, paid to Borrower. Such insurance proceeds shall be applied in the order provided for in Section 2.

If Borrower abandons the Property, Lender may file, negotiate and settle any available insurance claim and related matters. If Borrower does not respond within 30 days to a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may negotiate and settle the claim. The 30-day period will begin when the notice is given. In either event, or if Lender acquires the Property under Section 22 or otherwise, Borrower hereby assigns to Lender (a) Borrower's rights to any insurance proceeds in an amount not to exceed the amounts unpaid under the Note or this Security Instrument, and (b) any other of Borrower's rights (other than the right to any refund of unearned premiums paid by Borrower) under all insurance policies covering the Property, insofar as such rights are applicable to the coverage of the Property. Lender may use the insurance proceeds either to repair or restore the Property or to pay amounts unpaid under the Note or this Security Instrument, whether or not then due.

6. Occupancy. Borrower shall occupy, establish, and use the Property as Borrower's principal residence within 60 days after the execution of this Security Instrument and shall continue to occupy the Property as Borrower's principal residence for at least one year after the date of occupancy, unless Lender otherwise agrees in writing, which consent shall not be unreasonably withheld, or unless extenuating

circumstances exist which are beyond Borrower's control.

7. Preservation, Maintenance and Protection of the Property; Inspections. Borrower shall not destroy, damage or impair the Property, allow the Property to deteriorate or commit waste on the Property. Whether or not Borrower is residing in the Property, Borrower shall maintain the Property in order to prevent the Property from deteriorating or decreasing in value due to its condition. Unless it is determined pursuant to Section 5 that repair or restoration is not economically feasible, Borrower shall promptly repair the Property if damaged to avoid further deterioration or damage. If insurance or condemnation proceeds are paid in connection with damage to, or the taking of, the Property, Borrower shall be responsible for repairing or restoring the Property only if Lender has released proceeds for such purposes. Lender may disburse proceeds for the repairs and restoration in a single payment or in a series of progress payments as the work is completed. If the insurance or condemnation proceeds are not sufficient to repair or restore the Property, Borrower is not relieved of Borrower's obligation for the completion of such repair or restoration.

Lender or its agent may make reasonable entries upon and inspections of the Property. If it has reasonable cause, Lender may inspect the interior of the improvements on the Property. Lender shall give Borrower notice at the time of or prior to such an interior inspection specifying such reasonable cause.

8. Borrower's Loan Application. Borrower shall be in default if, during the Loan application process, Borrower or any persons or entities acting at the direction of Borrower or with Borrower's knowledge or consent gave materially false, misleading, or inaccurate information or statements to Lender (or failed to provide Lender with material information) in connection with the Loan. Material representations include, but are not limited to, representations concerning Borrower's occupancy of the Property as Borrower's principal residence.

9. Protection of Lender's Interest in the Property and Rights Under this Security Instrument. If (a) Borrower fails to perform the covenants and agreements contained in this Security Instrument, (b) there is a legal proceeding that might significantly affect Lender's interest in the Property and/or rights under this Security Instrument (such as a proceeding in bankruptcy, probate, for condemnation or forfeiture, for enforcement of a lien which may attain priority over this Security Instrument or to enforce laws or regulations), or (c) Borrower has abandoned the Property, then Lender may do and pay for whatever is reasonable or appropriate to protect Lender's interest in the Property and rights under this Security Instrument, including protecting and/or assessing the value of the Property, and securing and/or repairing the Property. Lender's actions can include, but are not limited to: (a) paying any sums secured by a lien which has priority over this Security Instrument; (b) appearing in court; and (c) paying reasonable

attorneys' fees to protect its interest in the Property and/or rights under this Security Instrument, including its secured position in a bankruptcy proceeding. Securing the Property includes, but is not limited to, entering the Property to make repairs, change locks, replace or board up doors and windows, drain water from pipes, eliminate building or other code violations or dangerous conditions, and have utilities turned on or off. Although Lender may take action under this Section 9, Lender does not have to do so and is not under any duty or obligation to do so. It is agreed that Lender incurs no liability for not taking any or all actions authorized under this Section 9.

Any amounts disbursed by Lender under this Section 9 shall become additional debt of Borrower secured by this Security Instrument. These amounts shall bear interest at the Note rate from the date of disbursement and shall be payable, with such interest, upon notice from Lender to Borrower requesting payment.

If this Security Instrument is on a leasehold, Borrower shall comply with all the provisions of the lease. If Borrower acquires fee title to the Property, the leasehold and the fee title shall not merge unless Lender agrees to the merger in writing.

10. Mortgage Insurance. If Lender required Mortgage Insurance as a condition of making the Loan. Borrower shall pay the premiums required to maintain the Mortgage Insurance in effect. If, for any reason, the Mortgage Insurance coverage required by Lender ceases to be available from the mortgage insurer that previously provided such insurance and Borrower was required to make separately designated payments toward the premiums for Mortgage Insurance, Borrower shall pay the premiums required to obtain coverage substantially equivalent to the Mortgage Insurance previously in effect, at a cost substantially equivalent to the cost to Borrower of the Mortgage Insurance previously in effect, from an alternate mortgage insurer selected by Lender. If substantially equivalent Mortgage Insurance coverage is not available, Borrower shall continue to pay to Lender the amount of the separately designated payments that were due when the insurance coverage ceased to be in effect. Lender will accept, use and retain these payments as a non-refundable loss reserve in lieu of Mortgage Insurance. Such loss reserve shall be non-refundable, notwithstanding the fact that the Loan is ultimately paid in full, and Lender shall not be required to pay Borrower any interest or earnings on such loss reserve. Lender can no longer require loss reserve payments if Mortgage Insurance coverage (in the amount and for the period that Lender requires) provided by an insurer selected by Lender again becomes available, is obtained, and Lender requires separately designated payments toward the premiums for Mortgage Insurance. If Lender required Mortgage Insurance as a condition of making the Loan and Borrower was required to make separately designated payments toward the premiums for Mortgage Insurance, Borrower shall pay the premiums required to maintain Mortgage Insurance in effect, or to provide a non-refundable loss reserve, until Lender's requirement for Mortgage Insurance ends in accordance with any written agreement between Borrower and Lender providing for such termination or until termination is required by Applicable Law. Nothing in this Section 10 affects Borrower's obligation to pay interest at the rate provided in the Note.

Mortgage Insurance reimburses Lender (or any entity that purchases the Note) for certain losses it may incur if Borrower does not repay the Loan as agreed. Borrower is not a party to the Mortgage Insurance.

Mortgage insurers evaluate their total risk on all such insurance in force from time to time, and may enter into agreements with other parties that share or modify their risk, or reduce losses. These agreements are on terms and conditions that are satisfactory to the mortgage insurer and the other party (or parties) to these agreements. These agreements may require the mortgage insurer to make payments using any source of funds that the mortgage insurer may have available (which may include funds obtained from Mortgage Insurance premiums).

As a result of these agreements, Lender, any purchaser of the Note, another insurer, any reinsurer, any other entity, or any affiliate of any of the foregoing, may receive (directly or indirectly) amounts that derive from (or might be characterized as) a portion of Borrower's payments for Mortgage Insurance, in exchange for sharing or modifying the mortgage insurer's risk, or reducing losses. If such agreement provides that an affiliate of Lender takes a share of the insurer's risk in exchange for a share of the premiums paid to the insurer, the arrangement is often termed "captive reinsurance." Further:

(a) Any such agreements will not affect the amounts that Borrower has agreed to pay for Mortgage Insurance, or any other terms of the Loan. Such agreements will not increase the amount Borrower will owe for Mortgage Insurance, and they will not entitle Borrower to any refund.

- (b) Any such agreements will not affect the rights Borrower has if any with respect to the Mortgage Insurance under the Homeowners Protection Act of 1998 or any other law. These rights may include the right to receive certain disclosures, to request and obtain cancellation of the Mortgage Insurance, to have the Mortgage Insurance terminated automatically, and/or to receive a refund of any Mortgage Insurance premiums that were unearned at the time of such cancellation or termination.
- 11. Assignment of Miscellaneous Proceeds; Forfeiture. All Miscellaneous Proceeds are hereby assigned to and shall be paid to Lender.

If the Property is damaged, such Miscellaneous Proceeds shall be applied to restoration or repair of the Property, if the restoration or repair is economically feasible and Lender's security is not lessened. During such repair and restoration period, Lender shall have the right to hold such Miscellaneous Proceeds until Lender has had an opportunity to inspect such Property to ensure the work has been completed to Lender's satisfaction, provided that such inspection shall be undertaken promptly. Lender may pay for the repairs and restoration in a single disbursement or in a series of progress payments as the work is completed. Unless an agreement is made in writing or Applicable Law requires interest to be paid on such Miscellaneous Proceeds, Lender shall not be required to pay Borrower any interest or earnings on such Miscellaneous Proceeds. If the restoration or repair is not economically feasible or Lender's security would be lessened, the Miscellaneous Proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with the excess, if any, paid to Borrower. Such Miscellaneous Proceeds shall be applied in the order provided for in Section 2.

In the event of a total taking, destruction, or loss in value of the Property, the Miscellaneous Proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with the excess, if any, paid to Borrower.

In the event of a partial taking, destruction, or loss in value of the Property in which the fair market value of the Property immediately before the partial taking, destruction, or loss in value is equal to or greater than the amount of the sums secured by this Security Instrument immediately before the partial taking, destruction, or loss in value, unless Borrower and Lender otherwise agree in writing, the sums secured by this Security Instrument shall be reduced by the amount of the Miscellaneous Proceeds multiplied by the following fraction: (a) the total amount of the sums secured immediately before the partial taking, destruction, or loss in value divided by (b) the fair market value of the Property immediately before the partial taking, destruction, or loss in value. Any balance shall be paid to Borrower.

immediately before the partial taking, destruction, or loss in value. Any balance shall be paid to Borrower.

In the event of a partial taking, destruction, or loss in value of the Property in which the fair market value of the Property immediately before the partial taking, destruction, or loss in value is less than the amount of the sums secured immediately before the partial taking, destruction, or loss in value, unless Borrower and Lender otherwise agree in writing, the Miscellaneous Proceeds shall be applied to the sums secured by this Security Instrument whether or not the sums are then due.

If the Property is abandoned by Borrower, or if, after notice by Lender to Borrower that the Opposing Party (as defined in the next sentence) offers to make an award to settle a claim for damages, Borrower fails to respond to Lender within 30 days after the date the notice is given, Lender is authorized to collect and apply the Miscellaneous Proceeds either to restoration or repair of the Property or to the sums secured by this Security Instrument, whether or not then due. "Opposing Party" means the third party that owes Borrower Miscellaneous Proceeds or the party against whom Borrower has a right of action in regard to Miscellaneous Proceeds.

Borrower shall be in default if any action or proceeding, whether civil or criminal, is begun that, in Lender's judgment, could result in forfeiture of the Property or other material impairment of Lender's interest in the Property or rights under this Security Instrument. Borrower can cure such a default and, if acceleration has occurred, reinstate as provided in Section 19, by causing the action or proceeding to be dismissed with a ruling that, in Lender's judgment, precludes forfeiture of the Property or other material impairment of Lender's interest in the Property or rights under this Security Instrument. The proceeds of any award or claim for damages that are attributable to the impairment of Lender's interest in the Property are hereby assigned and shall be paid to Lender.

All Miscellaneous Proceeds that are not applied to restoration or repair of the Property shall be applied in the order provided for in Section 2.

12. Borrower Not Released; Forbearance By Lender Not a Waiver. Extension of the time for payment or modification of amortization of the sums secured by this Security Instrument granted by Lender to Borrower or any Successor in Interest of Borrower shall not operate to release the liability of Borrower or any Successors in Interest of Borrower. Lender shall not be required to commence proceedings against any Successor in Interest of Borrower or to refuse to extend time for payment or otherwise modify amortization of the sums secured by this Security Instrument by reason of any demand made by the original Borrower or any Successors in Interest of Borrower. Any forbearance by Lender in exercising any right or remedy including, without limitation, Lender's acceptance of payments from third persons, entities or Successors in Interest of Borrower or in amounts less than the amount then due, shall not be a waiver of or preclude the exercise of any right or remedy.

13. Joint and Several Liability; Co-signers; Successors and Assigns Bound. Borrower covenants and agrees that Borrower's obligations and liability shall be joint and several. However, any Borrower who co-signs this Security Instrument but does not execute the Note (a "co-signer"): (a) is co-signing this Security Instrument only to mortgage, grant and convey the co-signer's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other Borrower can agree to extend, modify, forbear or make any accommodations with regard to the terms of this Security Instrument or the Note without the

co-signer's consent.

Subject to the provisions of Section 18, any Successor in Interest of Borrower who assumes Borrower's obligations under this Security Instrument in writing, and is approved by Lender, shall obtain all of Borrower's rights and benefits under this Security Instrument. Borrower shall not be released from Borrower's obligations and liability under this Security Instrument unless Lender agrees to such release in writing. The covenants and agreements of this Security Instrument shall bind (except as provided in Section 20) and benefit the successors and assigns of Lender.

14. Loan Charges. Lender may charge Borrower fees for services performed in connection with Borrower's default, for the purpose of protecting Lender's interest in the Property and rights under this Security Instrument, including, but not limited to, attorneys' fees, property inspection and valuation fees. In regard to any other fees, the absence of express authority in this Security Instrument to charge a specific fee to Borrower shall not be construed as a prohibition on the charging of such fee. Lender may not charge

fees that are expressly prohibited by this Security Instrument or by Applicable Law.

If the Loan is subject to a law which sets maximum loan charges, and that law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the Loan exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sums already collected from Borrower which exceeded permitted limits will be refunded to Borrower. Lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower. If a refund reduces principal, the reduction will be treated as a partial prepayment without any prepayment charge (whether or not a prepayment charge is provided for under the Note). Borrower's acceptance of any such refund made by direct payment to Borrower will constitute a waiver of any right of action Borrower might have arising out of such overcharge.

15. Notices. All notices given by Borrower or Lender in connection with this Security Instrument must be in writing. Any notice to Borrower in connection with this Security Instrument shall be deemed to have been given to Borrower when mailed by first class mail or when actually delivered to Borrower's notice address if sent by other means. Notice to any one Borrower shall constitute notice to all Borrowers unless Applicable Law expressly requires otherwise. The notice address shall be the Property Address unless Borrower has designated a substitute notice address by notice to Lender. Borrower shall promptly notify Lender of Borrower's change of address. If Lender specifies a procedure for reporting Borrower's change of address, then Borrower shall only report a change of address through that specified procedure. There may be only one designated notice address under this Security Instrument at any one time. Any notice to Lender shall be given by delivering it or by mailing it by first class mail to Lender's address stated herein unless Lender has designated another address by notice to Borrower. Any notice in connection with this Security Instrument shall not be deemed to have been given to Lender until actually received by Lender. If any notice required by this Security Instrument is also required under Applicable Law, the Applicable Law requirement will satisfy the corresponding requirement under this Security Instrument.

16. Governing Law; Severability; Rules of Construction. This Security Instrument shall be governed by federal law and the law of the jurisdiction in which the Property is located. All rights and obligations contained in this Security Instrument are subject to any requirements and limitations of Applicable Law. Applicable Law might explicitly or implicitly allow the parties to agree by contract or it might be silent, but such silence shall not be construed as a prohibition against agreement by contract. In the event that any provision or clause of this Security Instrument or the Note conflicts with Applicable Law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision.

As used in this Security Instrument: (a) words of the masculine gender shall mean and include corresponding neuter words or words of the feminine gender; (b) words in the singular shall mean and include the plural and vice versa; and (c) the word "may" gives sole discretion without any obligation to take any action.

17. Borrower's Copy. Borrower shall be given one copy of the Note and of this Security Instrument.

18. Transfer of the Property or a Beneficial Interest in Borrower. As used in this Section 18, "Interest in the Property" means any legal or beneficial interest in the Property, including, but not limited to, those beneficial interests transferred in a bond for deed, contract for deed, installment sales contract or escrow agreement, the intent of which is the transfer of title by Borrower at a future date to a purchaser.

If all or any part of the Property or any Interest in the Property is sold or transferred (or if Borrower is not a natural person and a beneficial interest in Borrower is sold or transferred) without Lender's prior written consent, Lender may require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if such exercise is prohibited by Applicable Law.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is given in accordance with Section 15 within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

19. Borrower's Right to Reinstate After Acceleration. If Borrower meets certain conditions, Borrower shall have the right to have enforcement of this Security Instrument discontinued at any time prior to the earliest of: (a) five days before sale of the Property pursuant to any power of sale contained in this Security Instrument; (b) such other period as Applicable Law might specify for the termination of Borrower's right to reinstate; or (c) entry of a judgment enforcing this Security Instrument. Those conditions are that Borrower: (a) pays Lender all sums which then would be due under this Security Instrument and the Note as if no acceleration had occurred; (b) cures any default of any other covenants or agreements; (c) pays all expenses incurred in enforcing this Security Instrument, including, but not limited to, reasonable attorneys' fees, property inspection and valuation fees, and other fees incurred for the purpose of protecting Lender's interest in the Property and rights under this Security Instrument; and (d) takes such action as Lender may reasonably require to assure that Lender's interest in the Property and rights under this Security Instrument, and Borrower's obligation to pay the sums secured by this Security Instrument, shall continue unchanged. Lender may require that Borrower pay such reinstatement sums and expenses in one or more of the following forms, as selected by Lender: (a) cash; (b) money order; (c) certified check, bank check, treasurer's check or cashier's check, provided any such check is drawn upon an institution whose deposits are insured by a federal agency, instrumentality or entity; or (d) Electronic Funds Transfer. Upon reinstatement by Borrower, this Security Instrument and obligations secured hereby shall remain fully effective as if no acceleration had occurred. However, this right to reinstate shall not apply in the case of acceleration under Section 18.

20. Sale of Note; Change of Loan Servicer; Notice of Grievance. The Note or a partial interest in the Note (together with this Security Instrument) can be sold one or more times without prior notice to Borrower. A sale might result in a change in the entity (known as the "Loan Servicer") that collects Periodic Payments due under the Note and this Security Instrument and performs other mortgage loan servicing obligations under the Note, this Security Instrument, and Applicable Law. There also might be

one or more changes of the Loan Servicer unrelated to a sale of the Note. If there is a change of the Loan Servicer, Borrower will be given written notice of the change which will state the name and address of the new Loan Servicer, the address to which payments should be made and any other information RESPA requires in connection with a notice of transfer of servicing. If the Note is sold and thereafter the Loan is serviced by a Loan Servicer other than the purchaser of the Note, the mortgage loan servicing obligations to Borrower will remain with the Loan Servicer or be transferred to a successor Loan Servicer and are not assumed by the Note purchaser unless otherwise provided by the Note purchaser.

Neither Borrower nor Lender may commence, join, or be joined to any judicial action (as either an individual litigant or the member of a class) that arises from the other party's actions pursuant to this Security Instrument or that alleges that the other party has breached any provision of, or any duty owed by reason of, this Security Instrument, until such Borrower or Lender has notified the other party (with such notice given in compliance with the requirements of Section 15) of such alleged breach and afforded the other party hereto a reasonable period after the giving of such notice to take corrective action. If Applicable Law provides a time period which must elapse before certain action can be taken, that time period will be deemed to be reasonable for purposes of this paragraph. The notice of acceleration and opportunity to cure given to Borrower pursuant to Section 22 and the notice of acceleration given to Borrower pursuant to Section 18 shall be deemed to satisfy the notice and opportunity to take corrective action provisions of this Section 20.

21. Hazardous Substances. As used in this Section 21: (a) "Hazardous Substances" are those substances defined as toxic or hazardous substances, pollutants, or wastes by Environmental Law and the following substances: gasoline, kerosene, other flammable or toxic petroleum products, toxic pesticides and herbicides, volatile solvents, materials containing asbestos or formaldehyde, and radioactive materials; (b) "Environmental Law" means federal laws and laws of the jurisdiction where the Property is located that relate to health, safety or environmental protection; (c) "Environmental Cleanup" includes any response action, remedial action, or removal action, as defined in Environmental Law; and (d) an "Environmental Condition" means a condition that can cause, contribute to, or otherwise trigger an Environmental Cleanup.

Borrower shall not cause or permit the presence, use, disposal, storage, or release of any Hazardous Substances, or threaten to release any Hazardous Substances, on or in the Property. Borrower shall not do, nor allow anyone else to do, anything affecting the Property (a) that is in violation of any Environmental Law, (b) which creates an Environmental Condition, or (c) which, due to the presence, use, or release of a Hazardous Substance, creates a condition that adversely affects the value of the Property. The preceding two sentences shall not apply to the presence, use, or storage on the Property of small quantities of Hazardous Substances that are generally recognized to be appropriate to normal residential uses and to maintenance of the Property (including, but not limited to, hazardous substances in consumer products).

Borrower shall promptly give Lender written notice of (a) any investigation, claim, demand, lawsuit or other action by any governmental or regulatory agency or private party involving the Property and any Hazardous Substance or Environmental Law of which Borrower has actual knowledge, (b) any Environmental Condition, including but not limited to, any spilling, leaking, discharge, release or threat of release of any Hazardous Substance, and (c) any condition caused by the presence, use or release of a Hazardous Substance which adversely affects the value of the Property. If Borrower learns, or is notified by any governmental or regulatory authority, or any private party, that any removal or other remediation of any Hazardous Substance affecting the Property is necessary, Borrower shall promptly take all necessary remedial actions in accordance with Environmental Law. Nothing herein shall create any obligation on Lender for an Environmental Cleanup.

NON-UNIFORM COVENANTS. Borrower and Lender further covenant and agree as follows:

22. Acceleration; Remedies. Lender shall give notice to Borrower prior to acceleration following Borrower's breach of any covenant or agreement in this Security Instrument (but not prior to acceleration under Section 18 unless Applicable Law provides otherwise). The notice shall specify: (a) the default; (b) the action required to cure the default; (c) a date, not less than 30 days from the date the notice is given to Borrower, by which the default must be cured; and (d) that failure to cure the default on or before the date specified in the notice may result in acceleration of the sums secured by this Security Instrument and sale of the Property. The notice shall further inform Borrower of the right to reinstate after acceleration and the right to bring a court action to assert the non-existence of a default or any other defense of Borrower to acceleration and sale. If the default is not cured on or before the date specified in the notice, Lender at its option, and without further demand, may invoke the power of sale, including the right to accelerate full payment of the Note, and any other remedies permitted by Applicable Law. Lender shall be entitled to collect all expenses incurred in pursuing the remedies provided in this Section 22, including, but not limited to, reasonable attorneys' fees and costs of title evidence.

If Lender invokes the power of sale, Lender shall execute or cause Trustee to execute written notice of the occurrence of an event of default and of Lender's election to cause the Property to be sold, and shall cause such notice to be recorded in each county in which any part of the Property is located. Lender shall mail copies of the notice as prescribed by Applicable Law to Borrower and to the persons prescribed by Applicable Law. Trustee shall give public notice of sale to the persons and in the manner prescribed by Applicable Law. After the time required by Applicable Law, Trustee, without demand on Borrower, shall sell the Property at public auction to the highest bidder at the time and place and under the terms designated in the notice of sale in one or more parcels and in any order Trustee determines. Trustee may postpone sale of all or any parcel of the Property by public announcement at the time and place of any previously scheduled sale. Lender or its designee may purchase the Property at any sale.

Trustee shall deliver to the purchaser Trustee's deed conveying the Property without any covenant or warranty, expressed or implied. The recitals in the Trustee's deed shall be prima facie evidence of the truth of the statements made therein. Trustee shall apply the proceeds of the sale in the following order: (a) to all expenses of the sale, including, but not limited to, reasonable Trustee's and attorneys' fees; (b) to all sums secured by this Security Instrument; and (c) any excess to the person or persons legally entitled to it.

23. Reconveyance. Upon payment of all sums secured by this Security Instrument, Lender shall request Trustee to reconvey the Property and shall surrender this Security Instrument and all notes evidencing debt secured by this Security Instrument to Trustee. Trustee shall reconvey the Property without warranty to the person or persons legally entitled to it. Such person or persons shall pay any recordation costs. Lender may charge such person or persons a fee for reconveying the Property, but only if the fee is paid to a third party (such as the Trustee) for services rendered and the charging of the fee is permitted under Applicable Law.

24. Substitute Trustee. Lender at its option, may from time to time remove Trustee and appoint a successor trustee to any Trustee appointed hereunder. Without conveyance of the Property, the successor trustee shall succeed to all the title, power and duties conferred upon Trustee herein and by Applicable Law.

25. Assumption Fee. If there is an assumption of this loan, Lender may charge an assumption fee of U.S. \$ currency which does not exceed the amount set by HUD.

### PLANNED UNIT DEVELOPMENT RIDER VRU# 1-888-679-6377 MIN# 100057400002700930

THIS PLANNED UNIT DEVELOPMENT RIDER is made this 24th day of October, 2006 , and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust, or Security Deed (the "Security Instrument") of the same date, given by the undersigned (the "Borrower") to secure Borrower's Note to Pulte Mortgage LLC

(the "Lender") of the same date and covering the Property described in the Security Instrument and located at: 2745 King Louis St., Henderson, NV 89044

[Property Address]

The Property includes, but is not limited to, a parcel of land improved with a dwelling, together with other such parcels and certain common areas and facilities, as described in Declarations of Covenants, Conditions, and Restrictions of record

(the "Declaration"). The Property is a part of a planned unit development known as Provence Country Club

[Name of Planned Unit Development]

(the "PUD"). The Property also includes Borrower's interest in the homeowners association or equivalent entity owning or managing the common areas and facilities of the PUD (the "Owners Association") and the uses, benefits and proceeds of Borrower's interest.

PUD COVENANTS. In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

A. PUD Obligations. Borrower shall perform all of Borrower's obligations under the PUD's

Constituent Documents. The "Constituent Documents" are the (i) Declaration; (ii) articles of incorporation, trust instrument or any equivalent document which creates the Owners Association; and (iii) any by-laws or other rules or regulations of the Owners Association. Borrower shall promptly pay, when due, all dues and assessments imposed pursuant to the Constituent Documents.

B. Property Insurance. So long as the Owners Association maintains, with a generally accepted insurance carrier, a "master" or "blanket" policy insuring the Property which is satisfactory to Lender and which provides insurance coverage in the amounts (including deductible levels), for the periods, and against loss by fire, hazards included within the term "extended coverage," and any other hazards, including, but not limited to, earthquakes and floods, for which Lender requires insurance, then: (i) Lender waives the provision in Section 3 for the Periodic Payment to Lender of the yearly premium installments for property insurance on the Property; and (ii) Borrower's obligation under Section 5 to maintain property insurance coverage on the Property is deemed satisfied to the extent that the required coverage is provided by the Owners Association policy.

What Lender requires as a condition of this waiver can change during the term of the loan.

Borrower shall give Lender prompt notice of any lapse in required property insurance coverage provided by the master or blanket policy.

In the event of a distribution of property insurance proceeds in lieu of restoration or repair following a loss to the Property, or to common areas and facilities of the PUD, any proceeds payable to Borrower are hereby assigned and shall be paid to Lender. Lender shall apply the proceeds to the sums secured by the Security Instrument, whether or not then due, with the excess, if any, paid to Borrower.

C. Public Liability Insurance. Borrower shall take such actions as may be reasonable to insure that the Owners Association maintains a public liability insurance policy acceptable in form, amount, and extent of coverage to Lender.

D. Condemnation. The proceeds of any award or claim for damages, direct or consequential, payable to Borrower in connection with any condemnation or other taking of all or any part of the Property or the common areas and facilities of the PUD, or for any conveyance in lieu of condemnation, are hereby assigned and shall be paid to Lender. Such proceeds shall be applied by Lender to the sums secured by the Security Instrument as provided in Section 11.

E. Lender's Prior Consent. Borrower shall not, except after notice to Lender and with Lender's prior written consent, either partition or subdivide the Property or consent to: (i) the abandonment or termination of the PUD, except for abandonment or termination required by law in the case of substantial destruction by fire or other casualty or in the case of a taking by condemnation or eminent domain; (ii) any amendment to any provision of the "Constituent Documents" if the provision is for the express benefit of Lender; (iii) termination of professional management and assumption of self-management of the Owners Association; or (iv) any action which would have the effect of rendering the public liability insurance coverage maintained by the Owners Association unacceptable to Lender.

F. Remedies. If Borrower does not pay PUD dues and assessments when due, then Lender may pay them. Any amounts disbursed by Lender under this paragraph F shall become additional debt of Borrower secured by the Security Instrument. Unless Borrower and Lender agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the Note rate and shall be payable, with interest, upon notice from Lender to Borrower requesting payment.

#### FIXED/ADJUSTABLE RATE RIDER

(LIBOR One-Year Index (As Published in The Wall Street Journal) - Rate Caps)

THIS FIXED/ADJUSTABLE RATE RIDER is made October 24, 2006, and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust or Security Deed (the "Security Instrument") of the same date given by the undersigned ("Borrower") to secure Borrower's Fixed/Adjustable Rate Note (the "Note") to Pulte Mortgage LLC ("Lender") of the same date and covering the property described in the Security Instrument and located at:

2745 King Louis St Henderson, NV 89044

[Property Address]

THE NOTE PROVIDES FOR A CHANGE IN BORROWER'S FIXED INTEREST RATE TO AN ADJUSTABLE INTEREST RATE. THE NOTE LIMITS THE AMOUNT BORROWER'S ADJUSTABLE INTEREST RATE CAN CHANGE AT ANY ONE TIME AND THE MAXIMUM RATE BORROWER MUST PAY.

ADDITIONAL COVENANTS. In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

#### A. INTEREST RATE AND MONTHLY PAYMENT CHANGES

The Note provides for an initial fixed interest rate of 6.500 %. The Note also provides for a change in the initial fixed rate to an adjustable interest rate, as follows:

#### 4. ADJUSTABLE INTEREST RATE AND MONTHLY PAYMENT CHANGES

#### (A) Change Dates

The initial fixed interest rate I will pay will change to an adjustable interest rate on the first day of **November**, 2011, and the adjustable interest rate I will pay may change on that day every 12th month thereafter. The date on which my initial fixed interest rate changes to an adjustable interest rate, and each date on which my adjustable interest rate could change is called a "Change Date."

#### (B) The Index

Beginning with the first Change Date, my adjustable interest rate will be based on an Index. The "Index" is the average of interbank offered rates for one year U.S. dollar-denominated deposits in the London market ("LIBOR"), as published in *The Wall Street Journal*. The most recent Index figure available as of the date 45 days before each Change Date is called the "Current Index."

If the Index is no longer available, the Note Holder will choose a new index that is based upon comparable information. The Note Holder will give me notice of this choice.

#### (C) Calculation of Changes

Before each Change Date, the Note Holder will calculate my new interest rate by adding Two And One-quarter percentage points (2.250 %) to the Current Index. The Note Holder will then round the result of this addition to the nearest one-eighth of one percentage point (0.125%). Subject to the limits stated in Section 4(D) below, this rounded amount will be my new interest rate until the next Change Date.

#### (D) Limits on Interest Rate Changes

The interest rate I am required to pay at the first Change Date will not be greater than 11.500 % or less than 2.250 %. Thereafter, my adjustable interest rate will never be increased or decreased on any single Change Date by more than two percentage points from the rate of interest I have been paying for the preceding 12 months. My interest rate will never be greater than 11.500 % or less than 2.250 %.

#### (E) Effective Date of Changes

My new interest rate will become effective on each Change Date. I will pay the amount of my new monthly payment beginning on the first monthly payment date after the Change Date until the amount of my monthly payment changes again.

(F) Notice of Changes

The Note Holder will deliver or mail to me a notice of any changes in my initial fixed interest rate to an adjustable interest rate and of any changes in my adjustable interest rate before the effective date of any change. The notice will include the amount of my monthly payment, any information required by law to be given to me and also the title and telephone number of a person who will answer any question I may have regarding the notice.

B. TRANSFER OF THE PROPERTY OR A BENEFICIAL INTEREST IN BORROWER

1. UNTIL BORROWER'S INITIAL FIXED INTEREST RATE CHANGES TO AN ADJUSTABLE INTEREST RATE UNDER THE TERMS STATED IN SECTION A ABOVE, UNIFORM COVENANT 18 OF THE SECURITY INSTRUMENT SHALL READ AS FOLLOWS:

Transfer of the Property or a Beneficial Interest in Borrower. As used in this Section 18, "Interest in the Property" means any legal or beneficial interest in the Property, including, but not limited to, those beneficial interests transferred in a bond for deed, contract for deed, installment sales contract or escrow agreement, the intent of which is the transfer of title by Borrower at a future date to a purchaser.

If all or any part of the Property or any Interest in the Property is sold or transferred (or if Borrower is not a natural person and a beneficial interest in Borrower is sold or transferred) without Lender's prior written consent, Lender may require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if such exercise is prohibited by Applicable Law.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date of notice is given in accordance with Section 15 within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

2. WHEN BORROWER'S INITIAL FIXED INTEREST RATE CHANGES TO AN ADJUSTABLE INTEREST RATE UNDER THE TERMS STATED IN SECTION A ABOVE, UNIFORM COVENANT 18 OF THE SECURITY INSTRUMENT DESCRIBED IN SECTION BI ABOVE SHALL THEN CEASE TO BE IN EFFECT, AND THE PROVISIONS OF UNIFORM COVENANT 18 OF THE SECURITY INSTRUMENT SHALL BE AMENDED TO READ AS FOLLOWS:

Transfer of the Property or a Beneficial Interest in Borrower. As used in this Section 18, "Interest in the Property" means any legal or beneficial interest in the Property, including, but not limited to, those beneficial interests transferred in a bond for deed, contract for deed, installment sales contract or escrow agreement, the intent of which is the transfer of title by Borrower at a future date to a purchaser.

If all or any part of the Property or any Interest in the Property is sold or transferred (or if Borrower is not a natural person and a beneficial interest in Borrower is sold or transferred) without Lender's prior written consent, Lender may require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if such exercise is prohibited by Applicable Law. Lender also shall not exercise this option if: (a) Borrower causes to be submitted to Lender information required by Lender to evaluate the intended transferee as if a new loan were being made to the transferee; and (b) Lender reasonably determines that Lender's security will not be impaired by the loan assumption and that the risk of a breach of any covenant or agreement in this Security Instrument is acceptable to Lender.

To the extent permitted by Applicable Law, Lender may charge a reasonable fee as a condition to Lender's consent to the loan assumption. Lender also may require the transferee to sign an assumption agreement that is acceptable to Lender and that obligates the transferee to keep all the promises and agreements made in the Note and in this Security Instrument. Borrower will continue to be obligated under the Note and this Security Instrument unless Lender releases Borrower in writing.

If Lender exercises the option to require immediate payment in full, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is given in accordance with Section 15 within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

BY SIGNING BELOW, Borrower accepts and agrees to the terms and covenants contained in this Fixed/Adjustable Rate Rider.

I understand that for the Interest Only Period my monthly payments will not reduce the Principal balance on my loan. My monthly payments after the Interest Only Period will consist of both Principal and interest and will be higher unless I have made additional payments to reduce the Principal balance. ### NOTICE OF DEFAULT AND ELECTION TO SELL UNDER HOMEOWNERS ASSOCIATION LIEN

#### IMPORTANT NOTICE

## WARNING! IF YOU FAIL TO PAY THE AMOUNT SPECIFIED IN THIS NOTICE, YOU COULD LOSE YOUR HOME, EVEN IF THE AMOUNT IS IN DISPUTE!

IF YOUR PROPERTY IS IN FORECLOSURE BECAUSE YOU ARE BEHIND IN YOUR PAYMENTS IT MAY BE SOLD WITHOUT ANY COURT ACTION and you may have the legal right to bring your account in good standing by paying all your past due payments plus permitted costs and expenses within the time permitted by law for reinstatement of your account. No sale date may be set until ninety (90) days from the date this notice of default was mailed to you. The date this document was mailed to you appears on this notice.

This amount is \$3,643.19 as of October 29, 2012 and will increase until your account becomes current. While your property is in foreclosure, you still must pay other obligations (such as insurance and taxes) required by your note and deed of trust or mortgage, or as required under your Covenants Conditions and Restrictions. If you fail to make future payments on the loan, pay taxes on the property, provide insurance on the property or pay other obligations as required by your note and deed of trust or mortgage, or as required under your Covenants Conditions and Restrictions, Club at Madeira Canyon, a planned community (the Association) may insist that you do so in order to reinstate your account in good standing. In addition, the Association may require as a condition to reinstatement that you provide reliable written evidence that you paid all senior liens, property taxes and hazard insurance premiums.

Upon your request, this office will mail you a written itemization of the entire amount you must pay. You may not have to pay the entire unpaid portion of your account, even though full payment was demanded, but you must pay all amounts in default at the time payment is made. However, you and your Association may mutually agree in writing prior to the foreclosure sale to, among other things, 1) provide additional time in which to cure the default by transfer of the property or otherwise; 2) establish a schedule of payments in order to cure your default; or both (1) and (2).

Following the expiration of the time period referred to in the first paragraph of this notice, unless the obligation being foreclosed upon or a separate written agreement between you and your Association permits a longer period, you have only the legal right to stop the sale of your property by paying the entire amount demanded by your Association.

To find out about the amount you must pay, or arrange for payment to stop the foreclosure, or if your property is in foreclosure for any other reason, contact: Nevada Association Services, Inc. on behalf of Club at Madeira Canyon, a planned community, 6224 W. Desert Inn Road, Suite A, Las Vegas, NV 89146. The phone number is (702) 804-8885 or toll free at (888) 627-5544.

If you have any questions, you should contact a lawyer or the Association which maintains the right of assessment on your property.

#### FORECLOSURE DEED

APN # 190-19-810-122 North American Title #38409

NAS # N72035

The undersigned declares:

Nevada Association Services, Inc., herein called agent (for the Club at Madeira Canyon, a planned community), was the duly appointed agent under that certain Notice of Delinquent Assessment Lien, recorded August 21, 2012 as instrument number 0002043 Book 20120821, in Clark County. The previous owner as reflected on said lien is Hamlet McNeace, Shawn L McNeace. Nevada Association Services, Inc. as agent for Club at Madeira Canyon, a planned community does hereby grant and convey, but without warranty expressed or implied to: S F R Investments Pool 1, LLC (herein called grantee), pursuant to NRS 116.31162, 116.31163 and 116.31164, all its right, title and interest in and to that certain property legally described as: PROVENCE CNTRY CLUB PARCEL 1, PLAT BOOK 121, PAGE 93, LOT 216, BLOCK 7 Clark County

#### AGENT STATES THAT:

This conveyance is made pursuant to the powers conferred upon agent by Nevada Revised Statutes, the Club at Madeira Canyon, a planned community governing documents (CC&R's) and that certain Notice of Delinquent Assessment Lien, described herein. Default occurred as set forth in a Notice of Default and Election to Sell, recorded on 10/31/2012 as instrument # 0001396 Book 20121031 which was recorded in the office of the recorder of said county. Nevada Association Services, Inc. has complied with all requirements of law including, but not limited to, the elapsing of 90 days, mailing of copies of Notice of Delinquent Assessment and Notice of Default and the posting and publication of the Notice of Sale. Said property was sold by said agent, on behalf of Club at Madeira Canyon, a planned community at public auction on 3/28/2014, at the place indicated on the Notice of Sale. Grantee being the highest bidder at such sale, became the purchaser of said property and paid therefore to said agent the amount bid \$17,000.00 in lawful money of the United States, or by satisfaction, pro tanto, of the obligations then secured by the Delinquent Assessment Lien.
