ORDER DIRECTING SUPPLEMENTAL BRIEFING

The court has determined that supplemental briefing may assist the court in resolving the issues on appeal. Specifically, the court would like the parties to address whether application of NAR 19(C) affects the ability of the district court to set aside a judgment confirming an arbitration award under NRCP 60(b). Each party shall have until November 14, 2022, to file a supplemental brief addressing this issue. The supplemental brief shall not exceed 10 pages or 4,667 words and shall otherwise comply with the provisions of NRAP 32. No extensions of time will be granted.

It is so ORDERED.
