*ORDER SETTING BRIEFING SCHEDULE
AND SCHEDULING ORAL ARGUMENT*

On December 7, 2020, this court issued an order to show cause and suspended briefing in this appeal and cross-appeal. On February 19, 2021, this court issued an order setting a briefing schedule in the cross-appeal, and directing the parties to appear for an appeal conference to assist this court in determining how it should proceed in regard to the appeal, including the establishment of a briefing schedule on the merits of the appeal.

An appeal conference was held pursuant to NRAP 33 on March 4, 2021, wherein the parties agreed to an expedited briefing schedule on the merits of the appeal, and to the filing of an additional brief in the cross-appeal. Accordingly, briefing on the merits of the appeal is reinstated, and the briefing schedules in the appeal and cross-appeal shall proceed as follows.

Appellants/cross-respondents shall file and serve an appendix by March 11, 2021. At minimum, the appendix shall include all pleadings relating to the merits of the district court's order entered October 7, 2020, and the transcripts from the proceedings below. Appellants/cross-respondents shall have until March 22, 2021, to file and serve the opening brief on appeal. Within the same time period, respondents/cross-appellants shall file the response to the joint reply filed by appellants/cross-

respondents on February 4, 2021, in relation to the cross-appeal. Thereafter, respondents/cross-appellants shall have until April 5, 2021, to file and serve an answering brief on appeal. Respondents/cross-appellants may submit an appendix with their answering brief, if deemed necessary. Within the same time period, appellants/cross-respondents shall file a surreply in the cross-appeal. Finally, appellants/cross-respondents shall have until April 19, 2021, to file and serve a reply brief on appeal, if deemed necessary. Within the same time period, respondents/cross-appellants shall file a final reply to the surreply in the cross-appeal. This court will not entertain any motions seeking to extend these briefing deadlines. If a brief is not filed as scheduled, it will not be considered by the court.

This court has determined that oral argument may be of assistance in resolving this matter. Accordingly, this matter is scheduled for oral argument before the en banc court on May 3, 2021, at 1:30 p.m. in Carson City. The argument shall be limited to 60 minutes.

It is so ORDERED.
