MOTION TO SUBMIT SEALED RECORDS AND FOR EXTENSION OF TIME

Appellant requests this Court to allow for the sealed submission of briefs and responses whereby Appellant shall mail these documents to the Court. Appellant wishes that this Court record not be reflected on the Electronic Filing System of this Court for others to see.

Appellant also requests this Court to allow for an Extension of Time of ninety (90) days to file the opening brief. NRAP 31(b)(C). Since the minor in the instant case is currently under the custody of a Court-appointed guardian, there is no exigent emergency that would negatively affect the minor child. Appellant has good cause for this extension because of difficulties contacting the District Court about getting the record; the office has been closed and the telephone line was non-responsive.

Dated this 1st day of April 2021.
