Dept. No: D

APPELLANTS' MOTION FOR EXTENSION OF TIME

Appellants file this motion and respectfully request a 30-day extension of time, and this is the second motion for extension of time in this particular case. Appellants show good cause because they have not unfairly delayed the proceedings in the instant case, and can point to the following reasons for granting this extension.

On May 16, 2021, Appellant appeared before the District Court to obtain a Court Order to order transcripts. On June 9th, 2021, Appellants were told that it would take approximately two and a half weeks for necessary transcripts to be sent. These transcripts are expected to be produced tomorrow, July 1st, 2021. Due to the delay in receiving the sealed district court transcripts, Appellant requests additional time to analyze and read the transcripts in order to properly prepare for the upcoming hearing Dated this 30th of June 2021.

Respectfully submitted,
