ORDER

Counsel for appellant, Nicholas Shook, has filed a motion for leave to file a motion to withdraw as counsel that exceeds the page limitation of NRAP 27(d)(2). The motion is granted. The motion to withdraw was filed on July 29, 2021.

The certificate of service attached to Mr. Shook's motion to withdraw does not indicate that the motion was served on appellant. See NRAP 46(e)(3). Mr. Shook shall have 7 days from the date of this order to file proof of service of the motion on appellant. Failure to timely provide this court with proof of service may result in the summary denial of the motion to withdraw.

This court defers ruling on appellant's motion for an extension of time to file the opening brief pending resolution of the motion to withdraw.

It is so ORDERED.
