ORDER

This court takes no action regarding appellant's "Notice to Request for Judicial Action on (SC) Y 20-44930" in which appellant proposes to bring to the attention of the court an issue that is relevant to an unrelated case. *See Mack v. Estate of Mack*, 125 Nev. 80, 206 P.3d 98 (2009).

This court granted counsel for respondent's motion to withdraw on February 8, 2021, and directed respondent either to retain new counsel and cause counsel to enter an appearance or to inform this court that she intends to proceed in pro se. Respondent has not responded and this court concludes that she intends to proceed pro se. Appellant filed the fast track statement on February 26, 2021. The fast track response was therefore due March 19, 2021. To date respondent has not filed the fast track response. Respondent shall have 7 days from the date of this order to file and serve the fast track response. Failure to timely file the fast track response may result in the disposition of this appeal without a response from respondent.

It is so ORDERED.
