Having read and considered the pleadings filed by the parties, having reviewed the evidence admitted during this phase of the trial⁶, and having heard and carefully considered the testimony of the witnesses called to testify, having considered the oral and written arguments of counsel, and with the intent of deciding the remaining issues⁷ related to Legality of the 2018 recreational marijuana application process only⁸, the Court makes the following findings of fact and conclusions of law:

⁶ Due to the limited amount of discovery conducted prior to the Preliminary Injunction hearing and the large volume of evidence admitted during that 20-day evidentiary hearing, the Court required parties to reoffer evidence previously utilized during that hearing.

⁷ The Court granted partial summary judgment on the sole issue previously enjoined. The order entered 8/17/2020 states:

PROCEDURAL POSTURE

Plaintiffs are a group of unrelated commercial entities who applied for, but did not receive, licenses to operate retail recreational marijuana establishments in various local jurisdictions throughout the state. Defendant is the DoT, which was the administrative agency responsible for issuing the licenses at the times subject to these complaints. Some successful applicants for licensure intervened as Defendants.

The Attorney General's Office was forced to deal with a significant impediment at the early stages of the litigation. This inability to disclose certain information was outside of its control because of confidentiality requirements that have now been slightly modified by SB 32. Although the parties stipulated to a protective order on May 24, 2019, many documents produced in preparation for the trial and for discovery purposes were heavily redacted or produced as attorney's eyes only because of the highly competitive nature of the industry and sensitive financial and commercial information involved. Many admitted exhibits are heavily redacted and were not provided to the Court in unredacted form.

After Judge Bailus issued the preservation order in A785818 on December 13, 2018, the Attorney General's Office sent a preservation letter to the DoT. Pupo, Deputy Director of the DoT, testified he was not told to preserve his personal cellular phone heavily utilized for work purposes. He not only deleted text messages from the phone after the date of the preservation order but also was unable to produce his phone for a forensic examination and extraction of discoverable materials. The Court finds evidence has been irretrievably lost as a result of his actions.

While case terminating sanctions and/or an irrebuttable presumption were requested, after evaluation of the Ribiero factors, given the production of certain text messages with Pupo by some

[T]he DoT acted beyond the scope of its authority by replacing the requirement for a background check of each prospective owner with the 5 percent or greater standard in NAC 453D.255(1).

The entry of these findings will convert the preliminary injunction on this issue to a permanent injunction.

⁸ While several plaintiffs have reached a resolution of their claims with the State and certain Industry Defendants, the claims of the remaining plaintiffs remain virtually the same. At the time of the issuance of this decision, the following plaintiffs have advised the Court they have reached a resolution with the State and certain Industry Defendants:

ETW Management Group, LLC; Libra Wellness Center, LLC; Rombough Real Estate, Inc. dba Mother Herb; Just Quality, LLC; Zion Gardens, LLC; Global Harmony, LLC; MM Development, LLC; LivFree Wellness, LLC; Nevada Wellness Center, LLC; Qualcan, LLC; High Sierra Holistics, LLC; Natural Medicine, LLC.

1 Industry Defendants and their attorney Amanda Connor, the impact of the loss of evidence was limited.
2 As a result, the Court imposes an evidentiary sanction in connection with the Sanctions ruling that the
3 evidence on Pupo's phone, if produced, would have been adverse to the DoT.⁹

4 PRELIMINARY STATEMENT

5 All parties agree that the language of an initiative takes precedence over any regulation that is in
6 conflict and that an administrative agency has some discretion in determining how to implement the
7 initiative. The Court gives deference to the agency in establishing those regulations and creating the
8 framework required to implement those provisions in conformity with the initiative.

9 The initiative to legalize recreational marijuana, Ballot Question 2 ("BQ2"), went to the voters
10 in 2016. The language of BQ2 is independent of any regulations that were adopted by the DoT. The
11 Court must balance the mandatory provisions of BQ2 (which the DoT did not have discretion to
12 modify¹⁰), those provisions with which the DoT was granted some discretion in implementation¹¹, and

13 ⁹ Given the text messages produced by certain Industry Defendants and Amanda Connor, any presumption is
14 superfluous given the substance of the messages produced.

15 ¹⁰ Article 19, Section 2(3) provides the touchstone for the mandatory provisions:

16 An initiative measure so approved by the voters shall not be amended, annulled, repealed, set aside or
suspended by the Legislature within 3 years from the date it takes effect.

17 ¹¹ NRS 453D.200(1) required the adoption of regulations for the licensure and oversight of recreational marijuana
18 cultivation, manufacturing/production, sales and distribution, but provides the DoT discretion in exactly what those
regulations would include:

19 . . . the Department shall adopt all regulations necessary or convenient to carry out the provisions of this chapter.
20 The regulations must not prohibit the operation of marijuana establishments, either expressly or through regulations
that make their operation unreasonably impracticable. The regulations shall include:

21 (a) Procedures for the issuance, renewal, suspension, and revocation of a license to operate a marijuana
establishment;

22 (b) Qualifications for licensure that are directly and demonstrably related to the operation of a marijuana
establishment;

23 (c) Requirements for the security of marijuana establishments;

24 (d) Requirements to prevent the sale or diversion of marijuana and marijuana products to persons under 21
years of age;

25 (e) Requirements for the packaging of marijuana and marijuana products, including requirements for child-
resistant packaging;

26 (f) Requirements for the testing and labeling of marijuana and marijuana products sold by marijuana
establishments including a numerical indication of potency based on the ratio of THC to the weight of a product
intended for oral consumption;

27 (g) Requirements for record keeping by marijuana establishments;

28 (h) Reasonable restrictions on signage, marketing, display, and advertising;

(i) Procedures for the collection of taxes, fees, and penalties imposed by this chapter;

(j) Procedures and requirements to enable the transfer of a license for a marijuana establishment to another
qualified person and to enable a licensee to move the location of its establishment to another suitable location;

the inherent discretion of an administrative agency to implement regulations to carry out its statutory duties. The Court must give great deference to those activities that fall within the discretionary functions of the agency. Deference is not given where the actions of the DoT were in violation of BQ2 or were arbitrary and capricious.

FINDINGS OF FACT

1. Nevada allows voters to amend its Constitution or enact legislation through the initiative process. Nevada Constitution, Article 19, Section 2.

2. In 2000, the voters amended Nevada's Constitution to allow for the possession and use of marijuana to treat various medical conditions. Nevada Constitution, Article 4, Section 38(1)(a). The initiative left it to the Legislature to create laws "[a]uthoriz[ing] appropriate methods for supply of the plant to patients authorized to use it." Nevada Constitution, Article 4, Section 38(1)(e).

3. For several years prior to the enactment of BQ2, the regulation of medical marijuana dispensaries had not been taken up by the Legislature. Some have argued in these proceedings that the delay led to the framework of BQ2.

4. In 2013, Nevada's legislature enacted NRS 453A, which allows for the cultivation and sale of medical marijuana. The Legislature described the requirements for the application to open a medical marijuana establishment. NRS 453A.322. The Nevada Legislature then charged the Division of Public and Behavioral Health with evaluating the applications. NRS 453A.328.

5. The materials circulated to voters in 2016 for BQ2 described its purpose as the amendment of the Nevada Revised Statutes as follows:

Shall the *Nevada Revised Statutes* be amended to allow a person, 21 years old or older, to purchase, cultivate, possess, or consume a certain amount of marijuana or concentrated marijuana, as well as manufacture, possess, use, transport, purchase, distribute, or sell marijuana paraphernalia; impose a 15 percent excise tax on wholesale sales of marijuana; require the

(k) Procedures and requirements to enable a dual licensee to operate medical marijuana establishments and marijuana establishments at the same location;

(l) Procedures to establish the fair market value at wholesale of marijuana; and

(m) Civil penalties for the failure to comply with any regulation adopted pursuant to this section or for any violation of the provisions of [NRS 453D.300](#).

1 regulation and licensing of marijuana cultivators, testing facilities, distributors, suppliers, and
2 retailers; and provide for certain criminal penalties?

3 6. BQ2 was enacted by the Nevada Legislature and is codified at NRS 453D.¹²

4 7. BQ2 specifically identified regulatory and public safety concerns:

5 The People of the State of Nevada proclaim that marijuana should be regulated in a manner
6 similar to alcohol so that:

7 (a) Marijuana may only be purchased from a business that is licensed by the State of
8 Nevada;

9 (b) Business owners are subject to a review by the State of Nevada to confirm that the
10 business owners and the business location are suitable to produce or sell marijuana;

11 (c) Cultivating, manufacturing, testing, transporting and selling marijuana will be strictly
12 controlled through State licensing and regulation;

13 (d) Selling or giving marijuana to persons under 21 years of age shall remain illegal;

14 (e) Individuals will have to be 21 years of age or older to purchase marijuana;

15 (f) Driving under the influence of marijuana will remain illegal; and

16 (g) Marijuana sold in the State will be tested and labeled.

17 NRS 453D.020(3).

18 8. BQ2 mandated the DoT to “conduct a background check of each prospective owner,
19 officer, and board member of a marijuana establishment license applicant.” NRS 453D.200(6).

20 9. On November 8, 2016, by Executive Order 2017-02, Governor Brian Sandoval
21 established a Task Force composed of 19 members to offer suggestions and proposals for legislative,
22 regulatory, and executive actions to be taken in implementing BQ2.

23 10. The Nevada Tax Commission adopted temporary regulations allowing the state to issue
24 recreational marijuana licenses by July 1, 2017 (the “Early Start Program”). Only medical marijuana
25 establishments that were already in operation could apply to function as recreational retailers during the
26 early start period. The establishments were required to be in good standing and were required to pay a
27 one-time, nonrefundable application fee as well as a specific licensing fee. The establishment also was
28 required to provide written confirmation of compliance with their municipality’s zoning and location
requirements.

¹² As the provisions of BQ2 and the sections of NRS 453D in effect at the time of the application process (with the exception of NRS 453D.205) are identical, for ease of reference the Court cites to BQ2 as enacted by the Nevada Legislature during the 2017 session in NRS 453D.

1 11. The Task Force’s findings, issued on May 30, 2017, referenced the 2014 licensing
2 process for issuing Medical Marijuana Establishment Registration Certificates under NRS 453A. The
3 Task Force recommended that “the qualifications for licensure of a marijuana establishment and the
4 impartial numerically scored bidding process for retail marijuana stores be maintained as in the medical
5 marijuana program except for a change in how local jurisdictions participate in selection of locations.”

6 12. During the 2017 legislative session, Assembly Bill 422 transferred responsibility for the
7 registration, licensing, and regulation of marijuana establishments from the State of Nevada Division of
8 Public and Behavioral Health to the DoT.¹³

9
10 13. On February 27, 2018, the DoT adopted regulations governing the issuance, suspension,
11 or revocation of retail recreational marijuana licenses in LCB File No. R092-17, which were codified in
12 NAC 453D (the “Regulations”).

13 14. The Regulations for licensing were to be “directly and demonstrably related to the
14 operation of a marijuana establishment.” NRS 453D.200(1)(b). The phrase “directly and demonstrably
15 related to the operation of a marijuana establishment” is subject to more than one interpretation.
16

17 15. Each of the Plaintiffs were issued marijuana establishment licenses involving the
18 cultivation, production and/or sale of medicinal marijuana in or about 2014.
19
20
21

22 ¹³ Those provisions (a portion of which became NRS 453D.205) are consistent with BQ2:
23

24 1. When conducting a background check pursuant to subsection 6 of [NRS 453D.200](#), the Department may
25 require each prospective owner, officer and board member of a marijuana establishment license applicant to submit
a complete set of fingerprints and written permission authorizing the Department to forward the fingerprints to the
Central Repository for Nevada Records of Criminal History for submission to the Federal Bureau of Investigation
for its report.

26 2. When determining the criminal history of a person pursuant to paragraph (c) of subsection 1 of [NRS](#)
27 [453D.300](#), a marijuana establishment may require the person to submit to the Department a complete set of
fingerprints and written permission authorizing the Department to forward the fingerprints to the Central
Repository for Nevada Records of Criminal History for submission to the Federal Bureau of Investigation for its
28 report.

1 16. A person holding a medical marijuana establishment registration certificate could apply
2 for one or more recreational marijuana establishment licenses within the time set forth by the DoT in
3 the manner described in the application. NAC 453D.268.¹⁴

4
5 ¹⁴ Relevant portions of that provision require that application be made

6 ... by submitting an application in response to a request for applications issued pursuant to [NAC 453D.260](#) which
7 must include:

8 ***

9 2. An application on a form prescribed by the Department. The application must include, without limitation:

- 10 (a) Whether the applicant is applying for a license for a marijuana establishment for a marijuana cultivation
11 facility, a marijuana distributor, a marijuana product manufacturing facility, a marijuana testing facility or a retail
12 marijuana store;
13 (b) The name of the proposed marijuana establishment, as reflected in both the medical marijuana establishment
14 registration certificate held by the applicant, if applicable, and the articles of incorporation or other documents filed
15 with the Secretary of State;
16 (c) The type of business organization of the applicant, such as individual, corporation, partnership, limited-liability
17 company, association or cooperative, joint venture or any other business organization;
18 (d) Confirmation that the applicant has registered with the Secretary of State as the appropriate type of business,
19 and the articles of incorporation, articles of organization or partnership or joint venture documents of the applicant;
20 (e) The physical address where the proposed marijuana establishment will be located and the physical address of
21 any co-owned or otherwise affiliated marijuana establishments;
22 (f) The mailing address of the applicant;
23 (g) The telephone number of the applicant;
24 (h) The electronic mail address of the applicant;
25 (i) A signed copy of the Request and Consent to Release Application Form for Marijuana Establishment License
26 prescribed by the Department;
27 (j) If the applicant is applying for a license for a retail marijuana store, the proposed hours of operation during
28 which the retail marijuana store plans to be available to sell marijuana to consumers;
29 (k) An attestation that the information provided to the Department to apply for the license for a marijuana
30 establishment is true and correct according to the information known by the affiant at the time of signing; and
31 (l) The signature of a natural person for the proposed marijuana establishment as described in subsection 1 of [NAC](#)
32 [453D.250](#) and the date on which the person signed the application.

33 3. Evidence of the amount of taxes paid, or other beneficial financial contributions made, to this State or its
34 political subdivisions within the last 5 years by the applicant or the persons who are proposed to be owners, officers
35 or board members of the proposed marijuana establishment.

36 4. A description of the proposed organizational structure of the proposed marijuana establishment, including,
37 without limitation:

- 38 (a) An organizational chart showing all owners, officers and board members of the proposed marijuana
39 establishment;
40 (b) A list of all owners, officers and board members of the proposed marijuana establishment that contains the
41 following information for each person:

- 42 (1) The title of the person;
43 (2) The race, ethnicity and gender of the person;
44 (3) A short description of the role in which the person will serve for the organization and his or her
45 responsibilities;

46 (4) Whether the person will be designated by the proposed marijuana establishment to provide written notice to
47 the Department when a marijuana establishment agent is employed by, volunteers at or provides labor as a
48 marijuana establishment agent at the proposed marijuana establishment;

49 (5) Whether the person has served or is currently serving as an owner, officer or board member for another
50 medical marijuana establishment or marijuana establishment;

51 (6) Whether the person has served as an owner, officer or board member for a medical marijuana establishment
52 or marijuana establishment that has had its medical marijuana establishment registration certificate or license, as
53 applicable, revoked;

1 NRS 453D.210(6) mandated the DoT to use “an impartial and numerically scored competitive bidding
2 process” to determine successful applicants where competing applications were submitted.

3 17. NAC 453D.272(1) provides the procedure for when the DoT receives more than one
4 “complete” application for a single county. Under this provision the DoT will determine if the

5 (7) Whether the person has previously had a medical marijuana establishment agent registration card or
6 marijuana establishment agent registration card revoked;

7 (8) Whether the person is an attending provider of health care currently providing written documentation for the
8 issuance of registry identification cards or letters of approval;

9 (9) Whether the person is a law enforcement officer;

10 (10) Whether the person is currently an employee or contractor of the Department; and

11 (11) Whether the person has an ownership or financial investment interest in any other medical marijuana
12 establishment or marijuana establishment.

13 5. For each owner, officer and board member of the proposed marijuana establishment:

14 (a) An attestation signed and dated by the owner, officer or board member that he or she has not been convicted of
15 an excluded felony offense, and that the information provided to support the application for a license for a
16 marijuana establishment is true and correct;

17 (b) A narrative description, not to exceed 750 words, demonstrating:

18 (1) Past experience working with governmental agencies and highlighting past experience in giving back to the
19 community through civic or philanthropic involvement;

20 (2) Any previous experience at operating other businesses or nonprofit organizations; and

21 (3) Any demonstrated knowledge, business experience or expertise with respect to marijuana; and

22 (c) A resume.

23 6. Documentation concerning the size of the proposed marijuana establishment, including, without limitation,
24 building and general floor plans with supporting details.

25 7. The integrated plan of the proposed marijuana establishment for the care, quality and safekeeping of marijuana
26 from seed to sale, including, without limitation, a plan for testing and verifying marijuana, a transportation or
27 delivery plan and procedures to ensure adequate security measures, including, without limitation, building security
28 and product security.

8. A plan for the business which includes, without limitation, a description of the inventory control system of the
proposed marijuana establishment to satisfy the requirements of [NRS 453D.300](#) and [NAC 453D.426](#).

9. A financial plan which includes, without limitation:

(a) Financial statements showing the resources of the applicant;

(b) If the applicant is relying on money from an owner, officer or board member, evidence that the person has
unconditionally committed such money to the use of the applicant in the event the Department awards a license to
the applicant and the applicant obtains the necessary approvals from the locality to operate the proposed marijuana
establishment; and

(c) Proof that the applicant has adequate money to cover all expenses and costs of the first year of operation.

10. Evidence that the applicant has a plan to staff, educate and manage the proposed marijuana establishment on a
daily basis, which must include, without limitation:

(a) A detailed budget for the proposed marijuana establishment, including pre-opening, construction and first-year
operating expenses;

(b) An operations manual that demonstrates compliance with this chapter;

(c) An education plan which must include, without limitation, providing educational materials to the staff of the
proposed marijuana establishment; and

(d) A plan to minimize the environmental impact of the proposed marijuana establishment.

11. If the application is submitted on or before November 15, 2018, for a license for a marijuana distributor,
proof that the applicant holds a wholesale dealer license issued pursuant to [Chapter 369](#) of NRS, unless the
Department determines that an insufficient number of marijuana distributors will result from this limitation.

12. A response to and information which supports any other criteria the Department determines to be relevant,
which will be specified and requested by the Department at the time the Department issues a request for
applications which includes the point values that will be allocated to the applicable portions of the application
pursuant to subsection 2 of [NAC 453D.260](#).

1 “application is complete and in compliance with this chapter and Chapter 453D of NRS, the
2 Department will rank the applications . . . in order from first to last based on the compliance with the
3 provisions of this chapter and Chapter 453D of NRS and on the content of the applications relating
4 to . . .” several enumerated factors. NAC 453D.272(1).

5 18. The factors set forth in NAC 453D.272(1) that are used to rank competing applications
6 received for a single county (collectively, the “Factors”) are:

- 7
- 8 (a) Whether the owners, officers or board members have experience operating another kind
9 of business that has given them experience which is applicable to the operation of a marijuana
10 establishment;
 - 11 (b) The diversity of the owners, officers or board members of the proposed marijuana
12 establishment;
 - 13 (c) The educational achievements of the owners, officers or board members of the proposed
14 marijuana establishment;
 - 15 (d) The financial plan and resources of the applicant, both liquid and illiquid;
 - 16 (e) Whether the applicant has an adequate integrated plan for the care, quality and
17 safekeeping of marijuana from seed to sale;
 - 18 (f) The amount of taxes paid and other beneficial financial contributions, including, without
19 limitation, civic or philanthropic involvement with this State or its political subdivisions, by the
20 applicant or the owners, officers or board members of the proposed marijuana establishment;
 - 21 (g) Whether the owners, officers or board members of the proposed marijuana establishment
22 have direct experience with the operation of a medical marijuana establishment or marijuana
23 establishment in this State and have demonstrated a record of operating such an establishment in
24 compliance with the laws and regulations of this State for an adequate period of time to
25 demonstrate success;
 - 26 (h) The (unspecified) experience of key personnel that the applicant intends to employ in
27 operating the type of marijuana establishment for which the applicant seeks a license; and
 - 28 (i) Any other criteria that the Department determines to be relevant.

19. Each of the Factors is within the DoT’s discretion in implementing the application
process provided for in BQ2. The DoT had a good-faith basis for determining that each of the Factors
is “directly and demonstrably related to the operation of a marijuana establishment.”

20. Pupo met with several of the applicants’ agent, Amanda Conner, Esq., numerous times
for meals in the Las Vegas Valley. Pupo also met with representatives of several of the applicants in
person. These meetings appeared to relate to regulatory, disciplinary and application issues.

1 21. The DoT posted the application on its website and released the application for
2 recreational marijuana establishment licenses on July 6, 2018.¹⁵

3 22. The DoT used a Listserv¹⁶ to communicate with prospective applicants.

4 23. While every medical marijuana certificate holder was required to have a contact person
5 with information provided to the DoT for purposes of communication, not every marijuana
6 establishment maintained a current email or checked their listed email address regularly, and some of
7 the applicants contend that they were not aware of the revised application.
8

9 24. Applications were accepted from September 7, 2018 through September 20, 2018.

10 25. The DoT elected to utilize a bright line standard for evaluating the factor “operating
11 such an establishment in compliance” of whether the applicant was suspended or revoked.¹⁷ If an
12 applicant was suspended or revoked they were not qualified to apply. This information was
13 communicated in the cover letter with the application.¹⁸ This decision was within the discretion of the
14 DoT.
15
16
17
18

19 ¹⁵ The DoT made a change to the application after circulating the first version of the application to delete the
20 requirement of a physical location. The modification resulted in a different version of the application bearing the same
“footer” with the original version remaining available on the DoT’s website.

21 ¹⁶ According to Dictionary.com, the term “Listserv” is used to refer to online mailing list. When capitalized it refers
22 to a proprietary software.

23 ¹⁷ The method by which certain disciplinary matters (self-reported or not) were resolved by the DoT would not affect
the grading process.

24 ¹⁸ The cover letter reads in part:

25 All applicants are required to be in compliance with the following:

26 All licenses, certificates, and fees are current and paid;

27 Applicant is not delinquent in the payment of any tax administered by the Department or is not in default on
payment required pursuant to a written agreement with the Department; or is not otherwise liable to the Department
for the payment of money;

28 No citations for illegal activity or criminal conduct; and

Plans of correction are complete and on time, or are in progress within the required 10 business days.

1 26. The DoT utilized a question and answer process through a generic email account at
2 marijuana@tax.state.nv.us to allow applicants to ask questions and receive answers directly from the
3 DoT, and that information was not further disseminated by the DoT to other applicants.¹⁹

4 27. The cover letter with the application advised potential applicants of the process for
5 questions:

6 Do not call the division seeking application clarification or guidance.
7 Email questions to marijuana@tax.state.nv.us

8 28. No statutory or regulatory requirement for a single point of contact process required the
9 DoT to adopt this procedure.

10 29. As the individual responsible for answering the emailed questions stated:

11 Jorge Pupo is the MED deputy Director. Steve Gilbert is program manager and reports to Jorge.
12 I report to Steve. Steve prefers to not have the world know our structure. He likes industry folks
13 knowing though and addressing them. He has all questions come to me. One's I can't answer,
14 he fields and has me respond, then if he can't then Jorge gets them and Jorge has me respond.
That's the goal anyway. ☺

15 Ky Plaskon text to Rebecca Gaska 9/18/2018, Exhibit 1051.

16 30. Some applicants abided by this procedure.

17 31. The DoT did not post the questions and answers so that all potential applicants would be
18 aware of the process

19 32. The DoT made no effort to ensure that the applicants received the same answers
20 regardless of which employee of the DoT the applicant asked.

21 33. On July 9, 2018, at 4:06 pm, Amanda Connor sent a text to Pupo:

22 List of things for us to talk about when you can call me:

23 Attachment E

24 Attachment I

25 Requirement for a location or physical address

26 Attachment F

Requirement for initial licensing fee

27 ¹⁹ This single point of contact process had been used in the 2014 medical marijuana establishment application period.
28 The questions and answers were posted to the department's website for all potential applicants to review and remain there to
this day. Exhibit 2038.

1 Transfers of ownership

2
3 Exhibit 1588-052.

4 34. Although Pupo tried to direct Amanda Connor to Steve Gilbert, she texted him that she
5 would wait rather than speak to someone else.

6 35. On the morning of July 11, 2018, Pupo and Amanda Connor spoke for twenty-nine
7 minutes and forty-five seconds.²⁰

8
9 36. Despite the single point of contact process being established, the DoT departed from this
10 procedure. By allowing certain applicants and their representatives to personally contact the DoT
11 employee about the application process, the DoT violated its own established procedures for the
12 application process.

13 37. After the posting of the application on July 6, 2018, Pupo decided to eliminate the
14 physical location requirement outlined in NRS 453D.210(5) and NAC 453D.265(b)(3).²¹

15
16 38. The DoT published a revised application on July 30, 2018. This revised application was
17 sent to all participants via the DoT's Listserv. The revised application modified physical address
18 requirements. For example, a sentence on Attachment A of the application, prior to this revision, the
19 sentence had read, "Marijuana Establishment's proposed physical address (this must be a Nevada
20 address and cannot be a P.O. Box)." The revised application on July 30, 2018, read: "Marijuana
21 Establishment's proposed physical address if the applicant owns property or has secured a lease or
22 other property agreement (this must be a Nevada address and not a P.O. Box). Otherwise, the
23 applications are virtually identical.
24

25
26
27 ²⁰ Exhibit 1809-054.

28 ²¹ It is unclear whether Pupo had communications similar to those with Amanda Connor with other potential applicants or their agents as Pupo did not preserve the data from his cell phone.

1 39. The DoT sent a copy of the revised application through the Listserv used by the DoT.
2 Not all Plaintiffs' correct emails were included on this list.

3 40. The July 30, 2018, application, like its predecessor, described how applications were to
4 be scored. The scoring criteria was divided into identified criteria and non-identified criteria. The
5 maximum points that could be awarded to any applicant based on these criteria was 250 points.

6 41. The identified criteria consisted of organizational structure of the applicant (60 points);
7 evidence of taxes paid to the State of Nevada by owners, officers, and board members of the applicant
8 in the last 5 years (25 points); a financial plan (30 points); and documents from a financial institution
9 showing unencumbered liquid assets of \$250,000 per location for which an application is submitted.

10 42. The non-identified criteria²² all consisted of documentation concerning the integrated
11 plan of the proposed marijuana establishment for the care, quality and safekeeping of marijuana from
12 seed to sale (40 points); evidence that the applicant has a plan to staff, educate and manage the
13 proposed recreational marijuana establishment on a daily basis (30 points); a plan describing operating
14 procedures for the electronic verification system of the proposed marijuana establishment and
15 describing the proposed establishment's inventory control system (20 points); building plans showing
16 the proposed establishment's adequacy to serve the needs of its customers (20 points); and a proposal
17 explaining likely impact of the proposed marijuana establishment in the community and how it will
18 meet customer needs (15 points).

19 43. An applicant was permitted to submit a single application for all jurisdictions in which it
20 was applying, and the application would be scored at the same time.
21
22
23
24
25
26

27 ²² About two weeks into the grading process the Independent Contractors were advised by certain DoT employees
28 that if an identifier was included in the nonidentified section points should be deducted. It is unclear from the testimony
whether adjustments were made to the scores of those applications graded prior to this change in procedure being
established.

1 44. Although the amended application changed the language related to a physical address,
2 there was still confusion.²³

3 45. Amanda Connor corresponded with Pupo by email requesting clarification on August
4 22, 2018.²⁴

5 46. Although the DoT had used certain DoT personnel to grade applications for medical
6 marijuana establishment applications in White Pine County shortly before the recreational applications
7 were graded, the DoT made a decision for resource and staff reasons that non DoT employees hired on
8 a temporary basis would be used to grade the recreational medical marijuana applications.
9

10 47. Prior to the close of the application evaluation process, Pupo discussed with a
11 representative of the Essence Entities the timing of closing a deal involving the purchase of the entities
12 by a publicly traded company.

13 48. By September 20, 2018, the DoT received a total of 462 applications.
14

15 ²³ One plaintiff was advised by counsel (not Amanda Conner) that, despite the information related to the change for
16 physical address, the revised application appeared to conflict with the statute's physical address requirement and that
17 therefore a physical address was required.

18 ²⁴ The email thread reads:

19 On Aug 22 at 6:17 pm Amanda Connor wrote

20 Jorge –

21 I know the regulations make clear that land use or the property will not be considered in the application and having a
22 location secured is not required, but there seems to be some inconsistency in the application. Can you please confirm that a
23 location is not required and documentation about a location will not be considered or no points will be granted for having a
24 location?

25 On Aug 22 at 8:15 pm Pupo wrote:

26 That is correct. If you have a lease or own property than (sic) put those plans. If you dont (sic) then tell us what will the
27 floorplan be like etc etc

28 On Aug 22 at 8:24 pm Amanda Connor wrote

But a person who has a lease or owns the property will not get more points simply for having the property secured, correct?

On Aug 22 at 8:27 pm Pupo wrote:

Nope. LOCATION IS NOT SCORED DAMN IT!

Exhibit 2064.

1 49. In order to grade and rank the applications, the DoT posted notices that it was seeking to
2 hire individuals with specified qualifications necessary to evaluate applications. Certain DoT
3 employees also reached out to recent State retirees who might have relevant experience as part of their
4 recruitment efforts. The DoT interviewed applicants and made decisions on individuals to hire for each
5 position.

6 50. When decisions were made on who to hire, the individuals were notified that they would
7 need to register with “Manpower” under a preexisting contract between the DoT and that company.
8 Individuals would be paid through Manpower, as their application-grading work would be of a
9 temporary nature.
10

11 51. The DoT identified, hired, and provided some training to eight individuals hired to
12 grade the applications, including three to grade the identified portions of the applications, three to grade
13 the non-identified portions of the applications, and one administrative assistant for each group of
14 graders (collectively the “Independent Contractors”).
15

16 52. Based upon the testimony at trial, it remains unclear how the DoT trained the Temporary
17 Employees. While portions of the training materials from PowerPoint decks were introduced into
18 evidence, it is unclear which slides from the PowerPoint decks were used. Testimony regarding the
19 oral training based upon example applications and practice grading of prior medical marijuana
20 establishment applications was insufficient for the Court to determine the nature and extent of the
21 training of the Independent Contractors.
22

23 53. Based on the evidence adduced, the Court finds that the lack of training for the graders
24 affected the graders’ ability to evaluate the applications objectively and impartially.

25 54. NAC 453D.272(1) required the DoT to determine that an Application is “complete and
26 in compliance” with the provisions of NAC 453D in order to properly apply the licensing criteria set
27 forth therein and the provisions of the Ballot Initiative and the enabling statute.
28

1 55. In evaluating whether an application was “complete and in compliance,” the DoT made
2 no effort to verify owners, officers or board members (except for checking whether a transfer request
3 was made and remained pending before the DoT).

4 56. For purposes of grading the applicant’s organizational structure²⁵ and diversity, if an
5 applicant’s disclosure in its application of its owners, officers, and board members did not match the
6 DoT’s own records, the DoT did not penalize the applicant. Rather, the DoT permitted the grading, and
7 in some cases, awarded a conditional license to an applicant under such circumstances and dealt with
8 the issue by simply informing the winning applicant that its application would have to be brought into
9 conformity with DoT records.
10

11 57. The DoT announced the award of conditional licenses in December 2018.

12 58. The DoT did not comply with BQ2 by requiring applicants to provide information for
13 each prospective owner, officer and board member or verify the ownership of applicants applying for
14 retail recreational marijuana licenses. Instead the DoT issued conditional licenses to applicants who
15 did not identify each prospective owner, officer and board member.
16

17 59. Some of the Industry Defendants and their agent Ms. Connor, produced text messages
18 forensically extracted from their cell phones revealing the extent of contact and substance of
19 communications between them and Pupo. Additionally, phone records of Pupo identifying telephone
20 numbers communicated with and length of communication (but not content) were obtained from
21 Pupo’s cellular service provider. This evidence reinforces the presumption related to Pupo’s failure to
22 preserve evidence and reflects the preferential access and treatment provided.²⁶
23
24

25 ²⁵ The use of Advisory Boards by many applicants who were LLCs has been criticized. The DoT provided no
26 guidance to the potential applicants or the Temporary Employees of the manner by which these “Boards” should be
evaluated. As this applied equally to all applicants, it is not a basis for relief.

27 ²⁶ TGIG also was represented by Amanda Conner and had communications with Pupo. TGIG did not provide its
28 communications with Pupo.

1 60. The DoT's late decision to delete the physical address requirement on some application
2 forms while not modifying those portions of the application that were dependent on a physical location
3 (i.e. floor plan, community impact, security plan, and the sink locations) after the repeated
4 communications by an applicant's agent, not effectively communicating the revision, and leaving the
5 original version of the application on the website is evidence of a lack of a fair process.

6 61. The DoT's departure from its stated single point of contact and the degree of direct
7 personal contact outside the single point of contact process provided unequal, advantageous and
8 supplemental information to some applicants and is evidence of a lack of a fair process.

9 62. Pursuant to NAC 453D.295, the winning applicants received a conditional license that
10 would not be finalized unless within twelve months of December 5, 2018, the licensees receive a final
11 inspection of their marijuana establishment.²⁷

12 63. The DoT's lack of compliance with the established single point of contact and the
13 pervasive communications, meetings with Pupo, and preferential information provided to certain
14 applicants creates an uneven playing field because of the unequal information available to potential
15 applicants. This conduct created an unfair process for which injunctive relief may be appropriate.

16 64. The only direct action attributed to Pupo during the evaluation and grading process
17 related to the determination related to the monopolistic practices. Based upon the testimony adduced at
18 trial, Pupo's reliance upon advice of counsel from Deputy Attorney General Werbicky in making this
19 decision removes it from an arbitrary and capricious exercise of discretion.

20 65. Nothing in NRS 453D or NAC 453D provides for any right to an appeal or review of a
21 decision denying an application for a retail recreational marijuana license.

22 66. In 2019, more than three years from the passage of Ballot Question 2, Nevada's
23 legislature repealed NRS 453D.200. 2019 Statutes of Nevada, Page 3896.

24
25
26
27
28 ²⁷ The DoT has agreed to extend this deadline due to these proceedings and the public health emergency. Some of
the conditional licenses not enjoined under the preliminary injunction have now received final approval.

1 67. With its repeal, NRS 453D.200 was no longer effective as of July 1, 2020.

2 68. Nevada’s legislature also enacted statutes setting forth general qualifications for
3 licensure and registration of persons who have applied to receive marijuana establishment licenses.
4 NRS 678B.200.

5 69. The CCB was formed by the legislature and is now the government entity that oversees
6 and regulates the cannabis industry in the State of Nevada. By statute, the CCB now determines if the
7 “person is qualified to receive a license...” NRS 678B.200(1).
8

9 70. There are an extremely limited number of licenses available for the sale of recreational
10 marijuana.

11 71. The number of licenses available was set by BQ2 and is contained in NRS
12 453D.210(5)(d).

13 72. The secondary market for the transfer of licenses is limited.²⁸

14 73. Although there has been little tourism demand for legal marijuana sales due to the public
15 health emergency and as a result growth in legal marijuana sales has declined, the market is not
16 currently saturated. With the anticipated return of tourism after the abatement of the current public
17 health emergency, significant growth in legal marijuana sales is anticipated. Given the number of
18 variables related to new licenses, the claim for loss of market share is too speculative for relief.
19

20 74. Since the Court does not have authority to order additional licenses in particular
21 jurisdictions and because there are a limited number of licenses that are available in certain
22 jurisdictions, injunctive relief may be necessary to permit the Plaintiffs, if successful in the NRS
23 453D.210(6) process, to actually obtain a license with respect to the issues on which partial summary
24 judgment was granted.
25

26
27 ²⁸ Multiple changes in ownership have occurred since the applications were filed. Given this testimony, simply
28 updating the applications previously filed would not comply with BQ2.

75. The remaining Plaintiffs²⁹ (excluding TGIG) (the “Untainted Plaintiffs”) have not identified by a preponderance of the evidence, that if a single point of contact was followed by the DoT and equal information provided to all applicants, as was done for the medical marijuana application process, that there is a substantial likelihood they would have been successful in the ranking process.

76. After balancing the equities among the parties, the Court determines that the balance of equities does not weigh in favor of the Untainted Plaintiffs on the relief beyond that previously granted in conjunction with the partial summary judgment order entered on August 17, 2020.

77. If any findings of fact are properly conclusions of law, they shall be treated as if appropriately identified and designated.

CONCLUSIONS OF LAW

78. This Court has previously held that the 5 percent rule found in NAC 453D.255(1) was an impermissible deviation from the background check requirement of NRS 453D.200(6) as applied to that statute.

79. “Any person...whose rights, status or other legal relations are affected by a statute, municipal ordinance, contract or franchise, may have determined any question of construction or validity arising under the instrument, statute, ordinance, contract or franchise and obtain a declaration of rights, status or other legal relations thereunder.” NRS 30.040.

11 83. NRS 33.010 governs cases in which an injunction may be granted. The applicant must

14 an inadequate remedy.

15
16 84. Plaintiffs have the burden to demonstrate that the DoT’s conduct, if allowed to continue,
17 will result in irreparable harm for which compensatory damages is an inadequate remedy.

18 85. The Nevada Supreme Court has recognized that “[i]nitiative petitions must be kept
19 substantively intact; otherwise, the people’s voice would be obstructed. . . [I]nitiative legislation is not
20 subject to judicial tampering. The substance of an initiative petition should reflect the unadulterated
21 will of the people and should proceed, if at all, as originally proposed and signed. For this reason, our
22 constitution prevents the Legislature from changing or amending a proposed initiative petition that is
23 under consideration.” *Rogers v. Heller*, 117 Nev. 169, 178, 18 P.3d 1034,1039–40 (2001).

24
25 86. BQ2 provides, “the Department shall adopt all regulations necessary or convenient to
26 carry out the provisions of this chapter.” NRS 453D.200(1). This language does not confer upon the
27 DoT unfettered or unbridled authority to do whatever it wishes without constraint. The DoT was not
28

1 delegated the power to legislate amendments because this is initiative legislation. The Legislature itself
2 has no such authority with regard to NRS 453D until three years after its enactment under the
3 prohibition of Article 19, Section 2 of the Constitution of the State of Nevada.

4 87. Where, as here, amendment of a voter-initiated law is temporally precluded from
5 amendment for three years, the administrative agency may not modify the law.³⁰

6 88. An agency's action in interpreting and executing a statute it is tasked with interpreting is
7 entitled to deference "unless it conflicts with the constitution or other statutes, exceeds the agency's
8 powers, or is otherwise arbitrary and capricious." *Nuleaf CLV Dispensary, LLC v. State Dept. of Health*
9 *and Human Services, Div. of Pub. and Behavioral Health*, 414 P.3d 305, 308 (Nev. 2018) (quoting
10 *Cable v. State ex rel. Emp'rs Ins. Co. of Nev.*, 122 Nev. 120, 126, 127 P.3d 528, 532 (2006)).

11 89. NRS 453D.200(1) provides that "the Department shall adopt all regulations necessary or
12 convenient to carry out the provisions of this chapter." The Court finds that the words "necessary or
13 convenient" are susceptible to at least two reasonable interpretations. This limitation applies only to
14 Regulations adopted by the DoT.
15

16 90. While the category of diversity is not specifically included in the language of BQ2, the
17 evidence presented in the hearing demonstrates that a rational basis existed for the inclusion of this
18 category in the Factors and the application.
19

20 91. The DoT's inclusion of the diversity category was implemented in a way that created a
21 process which was partial and subject to manipulation by applicants.
22

23 92. NAC 453D.272 contains what is commonly referred to as the Regulations' "anti-
24 monopoly" provision. It forbids the DoT from issuing to any person, group of persons, or entity, in a
25 county whose population is 100,000 or more, the greater of one license to operate a retail marijuana
26 store or more than 10 percent of the retail marijuana licenses allocable for the county.
27

28 ³⁰ The Court notes that the Legislature has now modified certain provisions of BQ2. The Court relies on those statutes and regulations in effect at the time of the application process.

1 93. Although not required to use a single point of contact process for questions related to the
2 application, once DoT adopted that process and published the appropriate process to all potential
3 applicants, the DoT was bound to follow that process.

4 94. The DoT employees provided various applicants with different information as to
5 diversity and what would be utilized from this category and whether it would be used merely as a
6 tiebreaker or as a substantive category.

7 95. The DoT selectively discussed with applicants or their agents the modification of the
8 application related to physical address as well as other information contained in the application.
9

10 96. The process was impacted by personal relationships in decisions related to the
11 requirements of the application and the ownership structures of competing applicants.

12 97. The intentional and repeated violations of the single point of contact process in favor of
13 only a select group of applicants was an arbitrary and capricious act and served to contaminate the
14 process. These repeated violations adversely affected applicants who were not members of that select
15 group. These violations are in and of themselves insufficient to void the process as urged by some of
16 the Plaintiffs.
17

18 98. The DoT disseminated various versions of the 2018 Retail Marijuana Application, one
19 of which was published on the DoT's website and required the applicant to provide an actual physical
20 Nevada address for the proposed marijuana establishment, and not a P.O. Box, and an alternative
21 version of the DoT's application form, which was distributed to some, but not all, of the potential
22 applicants via a DoT Listserv, which deleted the requirement that applicants disclose an actual physical
23 address for their proposed marijuana establishment.
24

25 99. The applicants were applying for conditional licensure, which would last for 1 year.
26 NAC 453D.282. The license was conditional based on the applicant's gaining approval from local
27
28

1 authorities on zoning and land use, the issuance of a business license, and the Department of Taxation
2 inspections of the marijuana establishment.

3 100. By selectively eliminating the requirement to disclose an actual physical address for
4 each and every proposed retail recreational marijuana establishment, the DoT limited the ability of the
5 Independent Contractors to adequately assess graded criteria such as (i) prohibited proximity to schools
6 and certain other public facilities, (ii) impact on the community, (iii) security, (iv) building plans, and
7 (v) other material considerations prescribed by the Regulations.

8
9 101. The hiring of Independent Contractors was well within the DoT's discretionary power.

10 102. The evidence establishes that the DoT failed to properly train the Independent
11 Contractors. The DoT failed to establish any quality assurance or quality control of the grading done
12 by Independent Contractors.³¹ This is not an appropriate basis for the requested relief as the DoT
13 treated all applicants the same in the grading process. The DoT's failures in training the Independent
14 Contractors applied equally to all applicants.

15
16 103. The DoT made licensure conditional for one year based on the grant of power to create
17 regulations that develop "[p]rocedures for the issuance, renewal, suspension, and revocation of a
18 license to operate a marijuana establishment." NRS 453D.200(1)(a). This was within the DoT's
19 discretion.

20 104. Certain of DoT's actions related to the licensing process were nondiscretionary
21 modifications of BQ2's mandatory requirements.³² The evidence establishes DoT's deviations
22 constituted arbitrary and capricious conduct without any rational basis for the deviation.

23
24 105. The DoT's decision to not require disclosure on the application and to not conduct
25 background checks of persons owning less than 5 percent prior to award of a conditional license is an
26

27 ³¹ The only QA/QC process was done by the Temporary Employees apparently with no oversight by the DoT.

28 ³² These are contained in the order entered August 17, 2020.

1 impermissible deviation from the mandatory language of BQ2, which mandated “a background check
2 of each prospective owner, officer, and board member of a marijuana establishment license applicant.”
3 NRS 453D.200(6).

4 106. Under the circumstances presented here, the Court concludes that certain of the
5 Regulations created by the DoT are unreasonable, inconsistent with BQ2, and outside of any discretion
6 permitted to the DoT.

7 107. The DoT acted beyond its scope of authority when it arbitrarily and capriciously
8 replaced the mandatory requirement of BQ2, for the background check of each prospective owner,
9 officer and board member with the 5 percent or greater standard in NAC 453.255(1). This decision by
10 the DoT was not one they were permitted to make as it resulted in a modification of BQ2 in violation of
11 Article 19, Section 2(3) of the Nevada Constitution.
12

13 108. The balance of equities weighs in favor of Plaintiffs on the issue for which partial
14 summary judgment has been granted.³³
15

16 109. The DoT stands to suffer no appreciable losses and will suffer only minimal harm as a
17 result of an injunction related to the August 17, 2020, partial summary judgment.

18 110. The bond previously posted for the preliminary injunction is released to those parties
19 who posted the bond.³⁴

20 111. If any conclusions of law are properly findings of fact, they shall be treated as if
21 appropriately identified and designated.
22
23
24

25 ³³ The order concludes:

26 [A]s a matter of law, the DoT acted beyond the scope of its authority by replacing the requirement for
27 a background check of each prospective owner with the 5 percent or greater standard in NAC 453D.255(1).

28 ³⁴ Any objections to the release of the bond must be made within five judicial days of entry of this order. If no
objections are made, the Court will sign an order submitted by Plaintiffs. If an objection is made, the Court will set a
hearing for further argument on this issue.

ORDER

IT IS HEREBY ORDERED, ADJUDGED AND DECREED that:

The claim for declaratory relief is granted. The Court declares:

The DoT acted beyond its scope of authority when it arbitrarily and capriciously replaced the mandatory requirement of BQ2, for the background check of each prospective owner, officer and board member with the 5 percent or greater standard in NAC 453.255(1). This decision by the DoT was not one they were permitted to make as it resulted in a modification of BQ2 in violation of Article 19, Section 2(3) of the Nevada Constitution.

The claim for equal protection is granted in part:

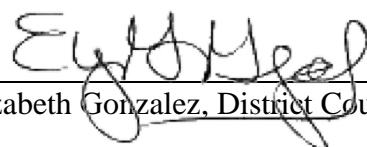

With respect to the decision by the DoT to arbitrarily and capriciously replace the mandatory requirement of BQ2, for the background check of each prospective owner, officer and board member with the 5 percent or greater standard in NAC 453.255(1), the DoT created an unfair process. No monetary damages are awarded given the speculative nature of the potential loss of market share.

Injunctive relief under these claims is appropriate. The State is permanently enjoined from conducting a final inspection of any of the conditional licenses issued in or about December 2018 for an applicant who did not provide the identification of each prospective owner, officer and board member as required by NRS 453D.200(6).

The Court declines to issue an extraordinary writ unless violation of the permanent injunction occurs.

All remaining claims for relief raised by the parties in this Phase are denied.

DATED this 3rd day of September 2020.

9
10 Having read and considered the pleadings filed by the parties, having reviewed the
11 administrative record filed in this proceeding,⁵ and having considered the oral and written arguments of
12 counsel, and with the intent of deciding the remaining issues⁶ related to the various Petitions for
13 Judicial Review only,⁷ the Court makes the following findings of fact and conclusions of law:

14 15 **PROCEDURAL POSTURE**

16 Plaintiffs are a group of unrelated commercial entities who applied for, but did not receive,
17 licenses to operate retail recreational marijuana establishments in various local jurisdictions throughout
18 the state. Defendant is the DoT, which was the administrative agency responsible for issuing the
19 licenses at the times subject to these complaints. Some successful applicants for licensure intervened as
20 Defendants.

21
22
23 ⁵ The State produced the applications as redacted by various Plaintiffs on June 12, 2020 and supplemented with
24 additional information on June 26, 2020. The Court previously denied TGIG’s motion to supplement the record by order
25 entered August 28, 2020. The portions of the applications which were redacted varied based upon the decisions made by
26 each individual Plaintiff. These redacted applications do not provide the Court with information needed to make a decision
27 related to the “completeness” issue as argued during Phase 1. During Phase 2 of the Trial an unredacted application by THC
28 was admitted.

⁶ The Court granted partial summary judgment and remanded to the DoT, MM and LivFree’s appeals which had
been summarily rejected by Pupo. See written order filed on July 11, 2020.

⁷ While several plaintiffs have reached a resolution of their claims with the State and certain Industry Defendants,
the Petitions of the remaining plaintiffs remain virtually the same.

1 The Attorney General's Office was forced to deal with a significant impediment at the early
2 stages of the litigation. This inability to disclose certain information was outside of its control because
3 of confidentiality requirements that have now been slightly modified by SB 32. Although the parties
4 stipulated to a protective order on May 24, 2019,⁸ many documents produced in preparation for the
5 trial and for discovery purposes were heavily redacted or produced as attorney's eyes only because of
6 the highly competitive nature of the industry and sensitive financial and commercial information
7 involved. Much of the administrative record is heavily redacted and was not provided to the Court in
8 unredacted form.
9

10 PRELIMINARY STATEMENT

11 On June 12, 2020, the DOT submitted its Record on Review in Accordance with the Nevada
12 Administrative Procedure Act, including documents showing certain applicants' applications, the
13 scoring sheets, and related tally sheets. On June 26, 2020, the DOT filed a Supplement to Record on
14 Review in Accordance with the Nevada Administrative Procedure Act to add certain information
15 related to the dissemination of the applications. The documents contained within these two filings
16 (collectively, the "Record") provides all relevant evidence that resulted in the DoT's final decision. All
17 Plaintiffs redacted their own applications that are the subject of their Petition for Judicial Review.⁹
18

19 FINDINGS OF FACT

20 1. Ballot Question 2 ("BQ2") was enacted by the Nevada Legislature and is codified at
21 NRS 453D.¹⁰
22

23 ⁸ The Court recognizes the importance of utilizing a stipulated protective order for discovery purpose in complex
24 litigation involving confidential commercial information. NRS 600A.070. The use of a protective order does not relieve a
party of proffering evidence sufficient for the Court to make a determination on the merits related to the claims at issue.

25 ⁹ The Record filed by the State utilized the versions of the submitted applications which had been redacted by the
26 applicants as part of the stipulated protective order in this matter. Applications for which an attorney's eyes only
27 designation had been made by a Plaintiff were not included in the Record. The redacted applications submitted by Plaintiffs
limits the Court's ability to discern information related to this Phase.

28 ¹⁰ As the provisions of BQ2 and the sections of NRS 453D in effect at the time of the application process (with the
exception of NRS 453D.205) are identical, for ease of reference the Court cites to BQ2 as enacted by the Nevada
Legislature during the 2017 session in NRS 453D.

2. BQ2 specifically identified regulatory and public safety concerns:

The People of the State of Nevada proclaim that marijuana should be regulated in a manner similar to alcohol so that:

- (a) Marijuana may only be purchased from a business that is licensed by the State of Nevada;
- (b) Business owners are subject to a review by the State of Nevada to confirm that the business owners and the business location are suitable to produce or sell marijuana;
- (c) Cultivating, manufacturing, testing, transporting and selling marijuana will be strictly controlled through State licensing and regulation;
- (d) Selling or giving marijuana to persons under 21 years of age shall remain illegal;
- (e) Individuals will have to be 21 years of age or older to purchase marijuana;
- (f) Driving under the influence of marijuana will remain illegal; and
- (g) Marijuana sold in the State will be tested and labeled.

NRS 453D.020(3).

3. On February 27, 2018, the DoT adopted regulations governing the issuance, suspension, or revocation of retail recreational marijuana licenses in LCB File No. R092-17, which were codified in NAC 453D (the “Regulations”).

4. NRS 453D.210(6) mandated the DoT use “an impartial and numerically scored competitive bidding process” to determine successful applicants where competing applications were submitted.

5. NAC 453D.272(1) provides the procedure for when the DoT receives more than one “complete” application for a single county. Under this provision the DoT will determine if the “application is complete and in compliance with this chapter and Chapter 453D of NRS, the Department will rank the applications . . . in order from first to last based on the compliance with the provisions of this chapter and Chapter 453D of NRS and on the content of the applications relating to . . .” several enumerated factors. NAC 453D.272(1).

6. The DoT posted the application on its website and released the application for recreational marijuana establishment licenses on July 6, 2018.¹¹

¹¹ The DoT made a change to the application after circulating the first version of the application to delete the requirement of a physical location. The modification resulted in a different version of the application bearing the same “footer” with the original version remaining available on the DoT’s website.

1 7. The DoT used a Listserv¹² to communicate with prospective applicants.

2 8. Applications were accepted from September 7, 2018 through September 20, 2018.

3 9. After the posting of the application on July 6, 2018, Pupo decided to eliminate the
4 physical location requirement outlined in NRS 453D.210(5) and NAC 453D.265(b)(3).

5 10. The DoT published a revised application on July 30, 2018. This revised application was
6 sent to all participants via the DoT's Listserv. The revised application modified physical address
7 requirements. For example, a sentence on Attachment A of the application, prior to this revision, the
8 sentence had read, "Marijuana Establishment's proposed physical address (this must be a Nevada
9 address and cannot be a P.O. Box)." The revised application on July 30, 2018, read: "Marijuana
10 Establishment's proposed physical address if the applicant owns property or has secured a lease or
11 other property agreement (this must be a Nevada address and not a P.O. Box)." Otherwise, the
12 applications are virtually identical.

13 11. The DoT sent a copy of the revised application through the Listserv used by the DoT.
14 Not all Plaintiffs' correct emails were included on this list.

15 12. The July 30, 2018, application, like its predecessor, described how applications were to
16 be scored. The scoring criteria was divided into identified criteria and non-identified criteria. The
17 maximum points that could be awarded to any applicant based on these criteria was 250 points.

18 13. The identified criteria consisted of organizational structure of the applicant (60 points);
19 evidence of taxes paid to the State of Nevada by owners, officers, and board members of the applicant
20 in the last 5 years (25 points); a financial plan (30 points); and documents from a financial institution
21 showing unencumbered liquid assets of \$250,000 per location for which an application is submitted.
22
23
24
25
26

27 ¹² According to Dictionary.com, the term "Listserv" is used to refer to online mailing list. When capitalized it refers
28 to a proprietary software.

1 14. The non-identified criteria all consisted of documentation concerning the integrated plan
2 of the proposed marijuana establishment for the care, quality and safekeeping of marijuana from seed to
3 sale (40 points); evidence that the applicant has a plan to staff, educate and manage the proposed
4 recreational marijuana establishment on a daily basis (30 points); a plan describing operating
5 procedures for the electronic verification system of the proposed marijuana establishment and
6 describing the proposed establishment's inventory control system (20 points); building plans showing
7 the proposed establishment's adequacy to serve the needs of its customers (20 points); and a proposal
8 explaining likely impact of the proposed marijuana establishment in the community and how it will
9 meet customer needs (15 points).
10

11 15. An applicant was permitted to submit a single application for all jurisdictions in which it
12 was applying, and the application would be scored at the same time.

13 16. By September 20, 2018, the DoT received a total of 462 applications.

14 17. NAC 453D.272(1) required the DoT to determine that an Application is "complete and
15 in compliance" with the provisions of NAC 453D in order to properly apply the licensing criteria.¹³
16

17 18. In evaluating whether an application was "complete and in compliance," the DoT made
18 no effort to verify owners, officers or board members (except for checking whether a transfer request
19 was made and remained pending before the DoT).¹⁴
20

21 19. The DoT announced the award of conditional licenses in December 2018.
22
23

24 ¹³ The Plaintiffs argue that the failure to provide an actual proposed physical address should render many of the
25 applications incomplete and requests that Court remand the matter to the State for a determination of the completeness of
26 each application and supplementation of the record. As the physical address issue has been resolved by the Court in the
Phase 2 decision, the Court declines to take any action on the petition for judicial review with respect to this issue.

27 ¹⁴ As the Plaintiffs (with the exception of THC) have not provided their unredacted applications, the Court cannot
28 make a determination with respect to completeness of this area. As the Court has already granted a permanent injunction on
the ownership issue, the Court declines to take any further action on the petition for judicial review with respect to this
issue.

1 20. Pursuant to NAC 453D.295, the winning applicants received a conditional license that
2 would not be finalized unless within twelve months of December 5, 2018, the licensees receive a final
3 inspection of their marijuana establishment.¹⁵

4 21. Nothing in NRS 453D or NAC 453D provides for any right to an appeal or review of a
5 decision denying an application for a retail recreational marijuana license.

6 22. In 2019, more than three years from the passage of BQ2, Nevada's legislature repealed
7 NRS 453D.200. 2019 Statutes of Nevada, Page 3896.

8 23. With its repeal, NRS 453D.200 was no longer effective as of July 1, 2020.

9 24. Nevada's legislature also enacted statutes setting forth general qualifications for
10 licensure and registration of persons who have applied to receive marijuana establishment licenses.
11 NRS 678B.200.

12 25. The CCB was formed by the legislature and is now the government entity that oversees
13 and regulates the cannabis industry in the State of Nevada. By statute, the CCB now determines if the
14 "person is qualified to receive a license..." NRS 678B.200(1).
15

16 26. The Plaintiffs have not identified by a preponderance of the evidence any specific
17 instance with respect to their respective applications that the procedure used by the DoT for analyzing,
18 evaluating, and ranking the applications was done in violation of the applicable regulations or in an
19 arbitrary or capricious manner.
20

21 27. To the extent that judicial review would be available in this matter, no additional relief is
22 appropriate beyond that contained in the decision entered on September 3, 2020.¹⁶
23

24 ¹⁵ The DoT has agreed to extend this deadline due to these proceedings and the public health emergency. Some of
25 the conditional licenses not enjoined under the preliminary injunction have now received final approval.

26 ¹⁶ The Court recognizes the decision in *State Dep't of Health & Human Services, Div. of Pub. & Behavioral Health*
27 *Med. Marijuana Establishment Program v. Samantha Inc.* ("Samantha"), 133 Nev. 809, 815-16, 407 P.3d 327, 332 (2017),
28 limits the availability of judicial review. Here as the alternative claims not present in that matter have already been decided
by written order entered September 3, 2020, regardless of whether the vehicle of judicial relief is appropriate, no further
relief will be granted in this matter.

28. If any findings of fact are properly conclusions of law, they shall be treated as if appropriately identified and designated.

CONCLUSIONS OF LAW

29. This Court has previously held that the 5 percent rule found in NAC 453D.255(1) was an impermissible deviation from the background check requirement of NRS 453D.200(6) as applied to that statute.

30. This Court has previously held that the deletion of the physical address requirement given the decision in *Nuleaf CLV Dispensary, LLC v. State Dept. of Health and Human Services, Div. of Pub. and Behavioral Health*, 414 P.3d 305, 308 (Nev. 2018) does not form a basis for relief.¹⁷

31. “Courts have no inherent appellate jurisdiction over official acts of administrative agencies.” *Fitzpatrick v. State ex rel., Dept. of Commerce, Ins. Div.*, 107 Nev. 486, 488, 813 P.2d 1004 (1991) (citing *Crane*, 105 Nev. 399, 775 P.2d 705).

32. Under NRS 233B.130(1), judicial review is only available for a party who is “(a) [i]dentified as a party of record by an agency in an administrative proceeding; and (b) [a]ggrieved by a final decision in a contested case.”

33. A contested case is “a proceeding . . . in which the legal rights, duties or privileges of a party are required by law to be determined by an agency after an opportunity for hearing, or in which an administrative penalty may be imposed.” NRS 233B.032.

34. A valid petition for judicial review requires a record of the proceedings below to be transmitted to the reviewing court within a certain timeframe. NRS 233B.131. The record in such a case must include:

- (a) All pleadings, motions and intermediate rulings.
- (b) Evidence received or considered.
- (c) A statement of matters officially noticed.

¹⁷ The Court remains critical of the method by which the decision to delete the address requirement was made and the manner by which it was communicated. These issues are fully addressed in the decision entered September 3, 2020.

- (d) Questions and offers of proof and objections, and rulings thereon.
(e) Proposed findings and exceptions.
(f) Any decision, opinion or report by the hearing officer presiding at the hearing.

NRS 233B.121(7).

35. Judicial review under NRS 233B is to be restricted to the administrative record. *See* NRS 233B.135(1)(b).

36. The Record provides all relevant evidence that resulted in the DoT's analysis of Plaintiffs' applications.

37. The Record is limited and Plaintiffs themselves redacted their own applications at issue.

38. The Record in this case does not support Plaintiffs' Petition.

39. Plaintiffs do not cite to any evidence in the Record that supports their substantive arguments.

40. The Plaintiffs have not met their burden of establishing that the DoT's decisions granting and denying the applications for conditional licenses: (1) violated constitutional and/or statutory provisions; (2) exceeded the DOT's statutory authority; (3) were based upon unlawful procedure; (4) were clearly erroneous based upon the Record; (5) were arbitrary and capricious; or (6) generally constituted an abuse of discretion.

41. The applicants were applying for conditional licensure, which would last for 1 year. NAC 453D.282. The license was conditional based on the applicant gaining approval from local authorities on zoning and land use, the issuance of a business license, and the Department of Taxation inspections of the marijuana establishment.

42. The DoT made licensure conditional for one year based on the grant of power to create regulations that develop "[p]rocedures for the issuance, renewal, suspension, and revocation of a license to operate a marijuana establishment." NRS 453D.200(1)(a). This was within the DoT's discretion.

1 43. If any conclusions of law are properly findings of fact, they shall be treated as if
2 appropriately identified and designated.

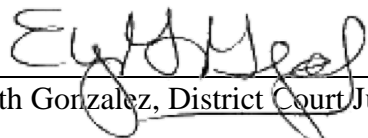

3 **ORDER**

4 **IT IS HEREBY ORDERED, ADJUDGED AND DECREED that:**

5 Plaintiffs' Petitions for Judicial Review under NRS 233B.130 is denied in its entirety.

6 All remaining claims for relief raised by the parties in this Phase are denied.

7 DATED this 16th day of September 2020.

**ORDER DENYING MOTION TO AMEND AND COUNTERMOTION TO CLARIFY
FINDINGS OF FACT AND CONCLUSIONS OF LAW**

Two matters came before the Court in chambers on October 15, 2020: (1) TGIG Plaintiffs' Motion to Amend Findings of Fact and Conclusions of Law and Permanent Injunction in which Clark Natural Medicinal Solutions LLC, Nye Natural Medicinal Solutions LLC, Clark NMSD LLC, Inyo Fine Cannabis Dispensary LLC, Green Leaf Farms Holdings LLC, Green Therapeutics LLC, NevCann LLC, Red Earth LLC, Rural Remedies LLC, THC Nevada LLC, and Herbal Choice, Inc. joined ("Motion to Amend"); and (2) Wellness Connection of Nevada, LLC's Countermotion to Clarify and/or for Additional Findings ("Countermotion to Clarify").

...

1 **A. Synopsis of arguments made in support of and in opposition to the**
2 **Motion to Amend**

3 The TGIG plaintiffs asked the Court to amend the September 3, 2020 Findings of
4 Fact and Conclusions of Law and Permanent Injunction (“FFCL”) to clarify that the Court’s
5 permanent injunction—*i.e.*, the Court’s decision “enjoying the State from conducting a final
6 inspection of any of the conditional licenses issued on or about December 2018 for an
7 applicant who did not provide the identification of each prospective owner, officer and board
8 member as required by NRS 453D.200(6)” —applies to the settling and non-settling parties
9 alike. The TGIG plaintiffs further argued that the contemplated license transfers under
10 the Settlement Agreement are unlawful under NAC 453D.315(9) because, *inter alia*, the
11 establishments of the settling plaintiffs receiving conditional licenses may not “meet or
12 exceed” the criteria of the establishments of the settling intervenors whose applications
13 scored (much) higher. The TGIG plaintiffs argued that the Department of Taxation
14 (“Department”) had no “authority to disregard the law in furtherance of any proposed
15 partial settlement” and that the Court should neither dismiss the actions nor the settling
16 defendants.

17 The Department opposed the TGIG Plaintiffs’ motion. Rule 59(e) motions fail unless
18 the moving party demonstrates manifest errors of law or fact, newly discovered evidence
19 or previously unavailable evidence, manifest injustice or the controlling law has changed.
20 *AA Primo Builders, LLC v. Washington*, 126 Nev. 578, 582, 245 P.3d 1190, 1193 (2010).
21 The TGIG Plaintiffs seek to amend the permanent injunction order to bar Nevada Organic
22 Remedies, LLC (“NOR”), Greenmart of Nevada NLV, LLC (“Greenmart”), Lone Mountain
23 Partners, LLC (“Lone Mountain”), and Helping Hands Wellness Center, Inc. (“Helping
24 Hands”) from achieving final inspection on their conditional licenses. But Rule 59(e) cannot
25 be misused to regurgitate arguments rejected in the Court’s preliminary injunction and
26 permanent injunction orders. Similarly, the TGIG Plaintiffs assert the license transfers
27 pursuant to the partial settlement are invalid, but ignore that this Court already rejected
28 those arguments when denying THC Nevada, LLC’s motion for temporary restraining

1 order to block administrative approval of that partial settlement agreement. In sum, the
2 Court cannot grant relief against settling parties the TGIG Plaintiffs did not sue and as to
3 whom they provided no evidence. The Settling Plaintiffs, Circle S Farms, LLC (“Circle S”),
4 NOR, and Lone Mountain joined in the Department’s Opposition. Clear River joined in
5 Lone Mountain’s joinder.

6 Lone Mountain and Helping Hands filed separate oppositions but both argued that
7 there is no legal basis to enjoin them, because: (1) the Department already made a
8 determination that Lone Mountain and Helping Hands should be removed from Tier 3
9 status, to which the Court should and did defer; (2) the TGIG Plaintiffs offered no evidence
10 at trial concerning Lone Mountain’s ownership or that Helping Hands failed to disclose
11 owners, officers or board members to support an injunction; and (3) the TGIG Plaintiffs did
12 not meet any of the four grounds for granting a Rule 59(e) motion to amend. Circle S, NOR,
13 and Greenmart joined in their Oppositions.

14 Finally, the Essence Parties (“Essence”) filed a Limited Opposition, opposing any
15 request to amend or alter a finding invalidating the Department’s ranking of applications.
16 Essence agreed with the TGIG Plaintiffs, however, that the Court’s FFCL apply to and bind
17 all Plaintiffs, including the settling plaintiffs, because the FFCL were entered before any
18 party was dismissed and all Plaintiffs proceeded to trial on their claims. Circle S and
19 Greenmart joined in Essence’s Limited Opposition.

20 **B. Synopsis of arguments made in support of and in opposition to the**
21 **Countermotion to Clarify and for Additional Findings**

22 Wellness Connection of Nevada, LLC (“Wellness Connection”) in its Countermotion
23 to Clarify asked the Court to make clear which of the entities were affected by its injunction
24 because the Court held that, “[t]he DoT did not comply with BQ2 by requiring applicants
25 to provide information for each prospective owner, officer and board member or verify the
26 ownership of applicants applying for retail recreational marijuana licenses. Instead the
27 DoT issued conditional licenses to applicants who did not identify each prospective owner,
28 officer and board member.” Specifically, Wellness Connection asked the Court to identify

1 the applicants who did not identify each prospective owner, officer and board member
2 during the 2018 recreational marijuana application process. Wellness Connection argued
3 clarification or additional findings were necessary to uphold the impartial and numerically
4 scored bidding process, and because Wellness Connection is “numerically ranked as the
5 next most qualified applicant in certain jurisdictions” and would take the place of any
6 enjoined applicant.

7 Lone Mountain filed an opposition (which the Department joined), which argued: (1)
8 there is no basis to subject Lone Mountain to the permanent injunction and the Court
9 should defer to the Department (and now CCB) to determine how licensees are categorized
10 in connection with the Court’s preliminary and permanent injunction; (2) no evidence was
11 adduced at trial concerning Lone Mountain’s ownership, or any alleged failure to properly
12 disclose its owners, officers, and board members; (3) Wellness Connection did not provide
13 evidence at trial to support the specific findings it now seeks in its post-trial motion; and
14 (4) Wellness Connection lacks standing as an intervenor defendant to request specific
15 findings on claims it did not make. The Department, Greenmart, Essence, and NOR joined
16 in Lone Mountain’s Opposition. In their respective joinders, NOR and Greenmart added
17 that the Court had specifically “left it to the State to make an administrative
18 determination” as to whether applicants identified each owner, officer, and board member
19 as required by NRS 453D.200(6). NOR also argued that neither the Plaintiffs nor Wellness
20 Connection had provided the Court with evidence to make an independent determination
21 as to whether they had complied with NRS 463D.200(6).

22 In reply, Wellness Connection argued that it did provide evidence of its own
23 compliance with NRS 453D.200(6), that the Court had evidence to make a determination,
24 that none of the Opposing Parties challenged the Court’s Injunction, and that it had
25 standing as a party to seek clarification. Wellness Connection also argued that based on
26 the district court’s finding that the Department violated BQ2 and the permanent injunction
27 enjoining the Department from granting final approval to any applicant that improperly
28 . . .

received a conditional license, clarification or additional findings were necessary to make the permanent injunction meaningful.

C. The Court's findings and order

The Court, having considered the papers filed in support of and in opposition to the Motion to Amend and Countermotion to Clarify, denies both Motions. However, the Court clarifies its FFCL as follows: The order (and its analysis) applies to all Plaintiffs, whether they settled or not. The Court finds that there is no need to specifically identify the entities because the State is the enjoined party—not any of the applicants, whether they settled or not.

Wherefore, IT IS HEREBY ORDERED that the Motion to Amend and the Countermotion to Clarify are DENIED.

10. Indicate the date the proceedings commenced in the district court (e.g., date complaint, indictment, information, or petition was filed):

This is a consolidated action involving the following matters:

a) The Plaintiffs in *MM Development Company, Inc. et. al. v. State of Nevada, Department of Taxation*, Case No. A-18-785818-W filed their Complaint on December 10, 2018;

10 Case No. A-19-787726-C filed its Complaint on January 16, 2019;

11 h) The Plaintiff in *Qualcan, LLC, vs. State of Nevada, Department of Taxation*, Case No.
12 A-19-801416-B filed on September 05, 2019.

13 11. Provide a brief description of the nature of the action and result in the district court,
14 including the type of judgment or order being appealed and the relief granted by the district court:

15 Appellants herein each applied to the Nevada Department of Taxation (“DOT”) for retail
16 recreational cannabis dispensary licenses, and each was denied licensure. The DOT was the
17 agency tasked with implementing the recreational marijuana program, and as such, collected and
18 scored more than 450 applications between September, 2018 and December, 2018. Appellants
19 and multiple other entities who were likewise denied licensure filed lawsuits against the DOT.
20 These lawsuits claimed, among other things, that the scoring and licensing procedure employed
21 by the DOT violated provisions of the Nevada Revised Statutes, violated their Federal and State
22 constitutional rights, and was implemented in an arbitrary and capricious manner. Later,
23 numerous successful applicants who claimed that their interests would be affected by the litigation
24 were granted the right to intervene as defendants along with the DOT. The various lawsuits were
25 consolidated in the Eighth Judicial District Court, Department 11, Judge Gonzalez under case
26 number A-19-787004-B.

1 The District Court divided the trial into three phases. Phase 1 addressed the Plaintiffs'
2 claims/petitions for Judicial Review. Phase 2 addressed the Plaintiffs' constitutional claims such
3 as whether the Plaintiffs' rights to Equal Protection and Due Process were violated, as well as
4 claims for declaratory relief, a permanent injunction and claims of harm as a result of various
5 business torts alleged to have been committed. Judge Gonzalez presented her Findings of Fact
6 and Conclusions of Law and Permanent Injunction on September 3, 2020 (Phase 2). The
7 permanent injunction barred the State of Nevada from conducting final inspections (a licensing
8 requirement) of the various entities that had/have conditional licenses and which applicants did
9 not properly identify their entire ownership and directorship pursuant to NRS 453D.200(6). The
10 Court also found that much of the licensing process was not fair, but that the Plaintiffs potential
11 damages were too speculative. On September 16, Judge Gonzalez issued her Findings of Fact
12 and Conclusions of law regarding the Judicial Review phase (Phase 1) of the trial wherein she
13 denied all relief to the Plaintiffs.

14 The appellants appeal the various orders referenced herein and in their Notice of Appeal
15 (filed on November 5, 2020).

16 12. Indicate whether the case has previously been the subject of an appeal to or original
17 writ proceeding in the Supreme Court and, if so, the caption and Supreme Court docket number
18 of the prior proceeding:

19 There are two previous proceedings/appeals:

20 a. On October 23, 2020, Plaintiffs TGIG, LLC, Nevada Holistic Medicine,
21 LLC, GBS Nevada Partners, Fidelis Holdings, LLC, Gravitas Nevada, Nevada Pure, LLC,
22 Medifarm, LLC, and Medifarm IV, LLC, filed a **NOTICE OF APPEAL** in this
23 consolidated action. The appeal pertains to the same district court orders (excluding later-
24
25

1 filed orders¹) that are at issue in the current appeal. There is currently no docket number,
2 as the Supreme Court has not yet docketed the appeal.

Mr. Gentile appeared by telephone. Court thanked counsel for the email identifying all the related cases. Colloquy regarding the DH Flamingo case, A-19-787035-C. Court noted it was included in the list. Counsel further advised a stipulation will be submitted to the Court moving the Motion for Preliminary Injunction in A-19-786962-B two weeks from May 6. Mr. Savarese noted they have not yet agreed. Court advised it will be out of the jurisdiction on May 20 so it can hear the motion on May 13, June 3, or May 24. Per parties' agreement, a stipulation will be submitted moving the motion for preliminary injunction to May 24. COURT ORDERED, motions to intervene in the instant case are GRANTED. 4-22-19 9:00 AM STATUS CHECK;</p>
04/22/2019	<p> Status Check (9:00 AM) (Judicial Officer: Gonzalez, Elizabeth)</p> <p>Matter Heard;</p> <p>Journal Entry Details:</p> <p>APPEARANCES CONTINUED: A-19-786962-B - Serenity Wellness Center, LLC vs. State of Nevada Department of Taxation (Department XI case): Attorney Dominic Gentile and Attorney Michael Cristalli for the Plaintiffs; Attorney Jared Kahn for Intervenor Defendant Helping Hands Wellness Center, Inc.; Attorney Alina Shell for Intervenor Defendant GreenMart of Nevada NLV LLC. Mr. Kahn participated by telephone. A-18-785818-W - MM Development Company, Inc. vs. State of Nevada, Department of Taxation (Department IX case): Attorney William Kemp and Attorney Nathanael Rulis for the Plaintiffs A-18-786357-W - Compassionate Team of Las Vegas LLC vs. Nevada Department of Taxation (Department XIV case): Attorney Daniel Simon for the Plaintiff A-19-787035-C - D H Flamingo Inc vs. State Ex Rel Department of Taxation (Department VI case); Attorney Kelly Stout for the Plaintiffs A-19-787540-W - Nevada Wellness Center, LLC vs. State of Nevada, Department of Taxation (Department XVIII case); Attorney Theodore Parker for the Plaintiff A-19-787726-C - High Sierra Holistics vs. State of Nevada Department of Taxation (Department XIV case) Attorney James Puzey for the Plaintiff COURT advised today is a scheduling conference; these matters have been put on calendar because this Court has the lowest business court case (A-19-786962-B Serenity Wellness), the one with the motion for preliminary injunction. Mr. Kemp advised there are also cases in Washoe County and Lyon County; MM Development is the lowest case of all the cases locally; it is assigned to Department IX and has been administered by senior judges, although he understands Judge Silva will be the new judge in Department IX; he had informed Mr. Werbicky that they would not be opposed to coordination in general; however, the problem is that some cases are not in business court and they have a lot of missing parties; he will be filing an answer in a different case, and the proposition there is that even after a motion for coordination is granted a peremptory challenge may be filed; every time you coordinate you get a new bump which violates 48.1; the only way around that is to have a stipulation between all parties to go to one judge and keep that judge. Court stated its goal is to get the preliminary injunction hearing in the instant case finished and since this Court's ruling may affect all the people here today the Court is inviting everyone to participate; the Court is not consolidating the cases for the exact reason that counsel is identifying which could result in multiple things down the road. Mr. Kemp advised he supports the motion for preliminary injunction and can participate and submit briefing through Mr. Gentile; he points that out because they are already in the discovery process and have taken 6 depositions. At Ms. Stout's request for clarification, Court stated that at this point it is only planning to coordinate for purposes of the preliminary injunction hearing because of the primarily constitutional and business issue that is woven throughout all the cases. Mr. Bult advised he is probably in the same spot as Mr. Kemp and will help Mr. Gentile. Court noted if everyone is going to be relying on Mr. Gentile then that means all will be asking questions at the preliminary injunction hearing, which will triple the time if there are going to be witnesses.</p>

CASE SUMMARY**CASE NO. A-19-787004-B**

Mr. Bult further advised his only concern right now is a briefing schedule. Mr. Parker advised they were before the Discovery Commissioner a week and a half ago, and Nevada Wellness received a report and recommendation in their favor allowing them certain discovery; so, they may submit briefing which includes that additional discovery. Mr. Bhirud stated he would prefer to respond to one opposition although he would rather not have 7 different rulings either. As to whether parties will have witnesses at the hearing, Court stated it will be up to counsel. Mr. Bhirud added he would prefer that one or two attorneys on the Plaintiffs' side take the lead. Mr. Koch advised they had stipulated to May 2nd for the opposition; he is not sure if with regards to the hearing fact witnesses would help, because the motion for preliminary injunction as written is really legal argument regarding statutes. Court noted its only concern is that it was unclear when it read the briefing in Serenity Wellness - because it stopped reading before granting a motion to exceed page limit - if there is an argument that it is unconstitutional as applied, if that is the case, they probably need witnesses. Upon Mr. Puzey's inquiry, Court stated it does not intend to have the cases in Washoe and Lyon counties come here unless those judges want it to; if those judges and parties want to participate this Court will be happy to have them participate on May 24th; the cases here have the approval of the Chief Judge for coordination given the status of some of the departments they are assigned to. Mr. Bhirud advised the State will stipulate to bring those cases here. Mr. Puzey replied they are not yet prepared to enter into that stipulation today. Court stated it will let counsel discuss that amongst themselves. Mr. Kemp further advised there are two applications pending in Reno for new licenses which are currently not on the Washoe County agenda but could be put on the agenda on 5 days' notice; there is some concern that they could be heard as early as next week, which would be before the preliminary injunction hearing; if noticed, they will ask Mr. Gentile to take appropriate action to prevent those applications from becoming somehow moot. Court stated counsel can do whatever they want; the Court will sign an OST. Ms. Stout requested further clarification; her clients have sought slightly different relief and she wants to clarify whether the action that would be taken with respect to the motion for preliminary injunction here would not prevent other parties from seeking a preliminary injunction in other cases. Court stated yes if seeking on a different basis, but if the same basis as the instant case then it would be done here. Colloquy between Court and counsel regarding briefing. Per parties' STIPULATION, COURT ORDERED: Other Plaintiffs to make a decision by May 6, 2019 on whether they are formally joining the motion for preliminary injunction in A-19-786962-B (Serenity Wellness) and adding to some of the facts and raising new issues; Opposition DUE by May 9, 2019; Reply brief DUE by May 22, 2019 at noon. Ms. Stout advised that to the extent this proceeding would prevent her clients from raising a preliminary injunction seeking similar relief later on they would have to OBJECT under EDCR 2.50 and 1.61. COURT SO NOTED. Mr. Bhirud inquired as to whether the Court would prefer to have a motion for preliminary injunction by D H Flamingo filed here. COURT NOTED, if something happens and counsel thinks it needs to be done differently; no one has filed a formal motion to coordinate or consolidate. The Court has invited participation in the preliminary injunction hearing of all interested parties in order to avoid potentially conflicting rulings. COURT FURTHER NOTED that on May 6th, the date for the other Plaintiff's elections, if there are any other issues that are unanticipated or beyond the pale the Court can discuss those with the parties on a conference call; if there are any discovery disputes that relate to the preliminary injunction hearing the Court can also do this on a conference call. After the May 24th hearing matter will be set for Rule 16 conference. 5-24-19 9:00 AM PRELIMINARY INJUNCTION HEARING IN A-19-786962-B IN DEPARTMENT XI;

CASE SUMMARY**CASE NO. A-19-787004-B**

Philip Byrnes for the Defendant in A-19-794473-C - Serenity Wellness Center, LLC vs. The City of Las Vegas, Nevada (Department I case); Attorney Adam Fulton for the Plaintiff in A-19-786888-J - ACC Enterprises, LLC vs. Nevada Department of Taxation (Department XXX case). Matter heard with A-19-786962-B Serenity Wellness Center vs. State of Nevada Department of Taxation and A-19-794473-C Serenity Wellness Center, LLC vs. The City of Las Vegas, Nevada. **STATE'S MOTION TO CONSOLIDATE** in A-19-787004-B ETW Management: Argument in support of the motion by Mr. Shevorski, joinder by Mr. Koch to the State's Motion, and arguments in opposition by Mr. Kennedy and Mr. Fulton. **COURT ORDERED**, given the unique issues in A787035 related to the appeal and in A786888 related to the mailing issues, the Court will **NOT COORDINATE** those issues in this department. However, the Court will **GRANT** the motion to the extent it seeks coordination of all the issues related to the preliminary injunction hearing scheduled next Friday (May 24, 2019). Court noting the Governor signed SB32 last Friday inquired whether it will impact any of the issues or exchange of information that needs to happen before the preliminary injunction hearing next Friday. Mr. Kemp advised the Department of Taxation filed a supplemental group of materials on their website on Friday that raises even more questions; he thinks it will help the process and speed up the preliminary injunction hearing but does not solve the issue. **PROPOSED MOTION FOR ORDER COMPELLING PRODUCTION OF PRESERVED ELECTRONICALLY STORED INFORMATION** in A-19-787004-B ETW Management: Per parties' agreement, Motion SET for Thursday, May 16, 2019 at 9 am. Order Shortening Time signed in open court and returned to counsel for filing. **PLAINTIFFS' MOTION TO CONSOLIDATE ON ORDER SHORTENING TIME**: Mr. Gentile argued in support of consolidating A-19-786962-B Serenity Wellness Center vs. State of Nevada Department of Taxation with A-19-794473-C Serenity Wellness Center, LLC vs. The City of Las Vegas, noting they had to file a lawsuit against the City quickly; it makes sense to consolidate these cases as they are identical. Mr. Byrnes advised the City has not received anything in this case but received a copy of the complaint this morning; however, the City also filed this morning a Notice of Removal to Federal Court. **COURT NOTED** it cannot act today if a notice of removal has been filed. **DISCUSSION REGARDING PRELIMINARY INJUNCTION HEARING ON MAY 24, 2019**: Court stated it does not care as to what the parties decide on a consolidated date for the oppositions as the Court will read all the briefing; Plaintiffs' reply brief DUE May 22nd. Mr. Shevorski advised that with respect to the motion filed by MM Development their oppositions are due on the 20th. Colloquy regarding suspended rules and counting days. Court noted 14 days from May 6th, the date of service of the motion. Mr. Shevorski advised it is his preference not to have any witnesses on May 24. Mr. Gentile advised that he would like to call witnesses; there has been a good deal of coordination of the attorneys sitting at his table, and he has 3 experts; he also anticipates the hearing will not be completed in one day; 2 of his experts are flying in. Mr. Kemp estimated 2.5 to 3 days for the hearing, depending on how much argument there will be, and advised he is calling one limited witness. Mr. Bult advised he may have one limited witness as well. Mr. Parker advised he is in trial the week of May 27 in federal court in Reno; however, he does have 1 witness in the instant case and anticipated the hearing taking 3 days. **COURT TRAILED** the matter for the parties to confer on a number of days. Matter **RECALLED**. **APPLICATION FOR TEMPORARY RESTRAINING ORDER** (A-19-786962-B - Serenity Wellness Center's application against Defendant-Intervenor CPCM Holdings, LLC d/b/a Thrive Cannabis Marketplace) : Following arguments by Mr. Gentile and Mr. Gutierrez, **COURT ORDERED**, after evaluating the balance of hardships and likelihood of success on the merits, the Court **GRANTS** the TRO in limited respect **PREVENTING** Thrive from beginning operations at the 3500 Sahara location until after the preliminary injunction hearing which the Court **SETS** as the same time as the Motion for Preliminary Injunction on May 24, 2019. **BOND SET** at \$150,000, amount of a half month's rent. Following further discussion on the estimated length and scope of the hearing(s), **COURT NOTED** it will **SET ASIDE** May 24th to the 31st. **COURT FURTHER DIRECTED** anyone to obtain Mr. Parker's confirmation via email to all parties, since he will be in trial, that he will be fine with everyone else proceeding after his one witness. 5-16-19 9:00 AM **MOTION FOR ORDER COMPELLING PRODUCTION OF PRESERVED ELECTRONICALLY STORED INFORMATION ON ORDER SHORTENING TIME** 5-24-19 9:00 AM **PRELIMINARY INJUNCTION HEARING** IN A1-19-786962-B IN DEPARTMENT XI...**JOINDER TO MOTION FOR PRELIMINARY INJUNCTION AND MOTION FOR PRELIMINARY INJUNCTION OR FOR WRIT OF MANDAMUS** 6-7-19 **CHAMBERS GREENMART OF NEVADA NLV LLC'S MOTION TO INTERVENE**;

CASE SUMMARY**CASE NO. A-19-787004-B**

APPEARANCES CONTINUED: Attorney William Kemp and Attorney Nathanael Rulis for the Plaintiffs in A-18-785818-W - MM Development Company, Inc. vs. State of Nevada, Department of Taxation (Department VIII case); Attorney Michael Cristalli and Attorney Dominic Gentile for the Plaintiffs in A-19-786962-B Serenity Wellness Center, LLC vs. State of Nevada Department of Taxation (Department XI case); Attorney Rusty Graf, Attorney Brigid Higgins, and Attorney Tisha Black for Clear River, LLC, Intervenor Defendant, in A-19-786962-B Serenity Wellness Center, LLC vs. State of Nevada Department of Taxation (Department XI case); Attorney Alina Shell for Intervenor Defendant GreenMart of Nevada NLV LLC in A-19-786962-B Serenity Wellness Center, LLC vs. State of Nevada Department of Taxation (Department XI case). Matter heard with A-19-786962-B Serenity Wellness Center, LLC vs. State of Nevada Department of Taxation (Department XI case). Court inquired of Mr. Kemp whether a search protocol was developed when the mirror order was signed in his case. Mr. Kemp advised no, it was just a blanket download; they did not download the State's servers that the applications were on, but the State did preserve those; the key thing here is the 15 laptops used by the graders. Mr. Kemp further advised there was a control copy, the State's copy, and what is supposed to be his copy; no searches have been done by him.

DEFENDANT/INTERVENOR, CLEAR RIVER, LLC'S, ORDER SHORTENING TIME ON MOTION FOR PROTECTIVE ORDER AND TO QUASH SUBPOENA and JOINDERS thereto in A-19-786962-B Serenity Wellness Center, LLC vs. State of Nevada Department of Taxation (Department XI case): Arguments by Mr. Graf, Mr. Koch, Mr. Kemp, Mr. Gentile, and Mr. Shevorski. Upon Court's inquiry, Mr. Shevorski advised they have not yet done the searches subject to 16.1 in the MM case as the information is subject to security protocols; however, it has been preserved; they have produced their 16.1 and have not heard objections from the other side that their 16.1 was inadequate. Mr. Pope advised that when Judge Bailus was leaving, he said that all he was doing was preserving the information and the parties could fight about it later as to what could be released or not, what was confidential or not; the order even says the Plaintiffs were not to get the information until there was a process; MM wanted copying and then wanted forensic imaging, which requires special software and a lot of time to convert the information into something people are able to look at; money and time are involved; they did not have a vendor; the Department of Taxation I.T. staff thought they had to copy the drives, but when it came to forensic imaging, they had to find someone and the only vendor they could find who could do it was the Washoe County Sheriff's Department through the State's investigative department; he does not know what program but he is working on finding out what platform; their forensic specialist is "Kristy Funsaco" (phonetic), who is an investigator in their office, a State employee, and an expert in this area. Mr. Shevorski concurred searches have not been done but they have made their 16.1 disclosures to Mr. Kemp. Court noting the issue of privilege inquired if the State is in a position to do the redactions to the applications so only limited information is provided. Mr. Pope responded they are not as it would take a couple of employees one year to do that; procedurally they could give back the applicants their apps and have them redact the apps themselves. Mr. Graf replied it appears there has to be a methodology on what information gets disseminated and a methodology of contacting 400 or so applicants. Mr. Graf further argued as to how the State does their evaluations. **COURT ORDERED**, with respect to the motion for protective order, for those entities that are parties, the State will **RELEASE** the applications to those participating in this case. Those entities may provide appropriate redactions with a privilege log; however, the sections on diversity and financial will not be redacted; those two categories will be produced in unredacted form. There will also be an attorney's eyes only (AEO) protective order that also allows the Plaintiffs' statistician expert only to review that information. The production, with redactions, will be **DONE** by Tuesday (May 21, 2019). Thus, the State will do it expeditiously. After looking at that, if the Plaintiffs have any supplement they are to file that by Thursday morning (May 23, 2019). **MOTION FOR ORDER COMPELLING PRODUCTION OF PRESERVED ELECTRONICALLY STORED INFORMATION ON ORDER SHORTENING TIME** in A-19-787004-B - ETW Management Group LLC vs. Nevada Dept of Taxation (Department XI case): Statement by Mr. Kemp as to what had happened in the hearing before Judge Bailus which lasted 7 hours, noting that he offered to pay for the State's independent computer consultant. Colloquy regarding possible vendors. Further argument by Mr. Kemp as to 16.1 disclosures being filed but that the hard drives and cellphones have not been provided. Mr. Kemp asked for the 15 hard drives and 3 state cellphones, stating he could take it from there and make them AEO. Mr. Rulis advised HOLO could be a vendor. **COURT ORDERED**, the images originally designated as the Plaintiffs' copy will be **DELIVERED** to HOLO and it will be at Plaintiffs' expense, not at State expense; platform will be provided by HOLO.

Custodian list as well as search terms will be **PROVIDED** to all parties and to HOLO by 10 am tomorrow, May 17; If anyone has an objection to a custodian or search term, it needs to be made by 2 pm tomorrow by email with a copy to the Law Clerk so the Court can conduct a conference call; If there are unobjected to custodians and search terms HOLO will begin the search process; If there is an issue related to a privilege that a party thinks they need to review, the party has 24 hours from the identification of the document by HOLO or when HOLO makes

it available on the platform to either make a claim of privilege and review the document, order redactions, agree with redactions, or whatever. Any document to which there is no claim of privilege made will be released so it can be obtained in time for the hearing; Upon Mr. Koch's inquiry, Court concurred anything not part of M1 through 4 is not privileged, so the Court is ordering that as well as the diversity and financial sections. All witnesses for the May 24th hearing must be identified by Thursday, May 23rd, at 3 pm; counsel need not say when the witnesses will be called and can work together on a schedule. Court further directed counsel to contact HOLO that they have a big job coming. 5-24-19 9:00 AM PRELIMINARY INJUNCTION HEARING IN A-19-786962-B IN DEPARTMENT XI...JOINDER TO MOTION FOR PRELIMINARY INJUNCTION AND MOTION FOR PRELIMINARY INJUNCTION OR FOR WRIT OF MANDAMUS 6-7-19 CHAMBERS GREENMART OF NEVADA NLV LLC'S MOTION TO INTERVENE;

APPEARANCES CONTINUED: Attorney Dominic Gentile and Attorney John Hunt for the Plaintiffs in A-19-786962-B - Serenity Wellness Center LLC vs. State of Nevada Department of Taxation; Attorney Rusty Graf and Attorney Brigid Higgins for Clear River LLC; Attorney Jared Kahn for Helping Hands Wellness Center. Court acknowledged objections and joint proposal and noted that it wants this matter done by the December final inspection deadline; however, the parties' proposed schedule is through January. Mr. Shevorski advised he lost two of his people; one went to Washington and one got a promotion, so he is literally the only one left; from the State's perspective, he cannot get this done by the deadline. Mr. Bult stated that in terms of the ETW Plaintiffs they would like to get this done but they understand the State's position. Mr. Koch requested that the date not be a hard deadline because of the trial being after that. COURT ORDERED, matter CONTINUED for the State to provide an answer; Department of Taxation to make the determination whether or not there are extenuating circumstances; if there are the Court will be willing to move the date beyond the December deadline, but if not unfortunately the Court will have to make Mr. Shevorski's life difficult. Mr. Gentile advised they have mediation next Monday (September 16, 2019) at 9 am. 9-13-19 10:00 AM MANDATORY RULE 16 CONFERENCE;

APPEARANCES CONTINUED: Attorney John Hunt, Attorney Dominic Gentile, and Attorney Ross Miller for the Plaintiffs; Attorney Jared Kahn for Intervenor Defendant Helping Hands Wellness Center, Inc.; Attorney Rusty Graf for Intervenor Defendant Clear River, LLC in A-19-786962-B Serenity Wellness Center LLC vs. State of Nevada Department of Taxation. Attorney Theodore Parker for the Plaintiff in A-19-787540-W - Nevada Wellness Center, LLC vs. State of Nevada, Department of Taxation (Department XVIII case). Court noted Mr. Kemp posted in A785818 and that there may be an impact but the Court does not know what that would be; the Court will not make a decision because of the pending request to extend; the Court will not address the matter until a written motion is filed by the Defendants. Mr. Bult advised he believes the Plaintiffs' Joint motion is moot as of the filing of Friday. Mr. Gentile added their position is that it is moot but the Court may disagree. Court noted it does not have anything before it to tell whether it would agree with that or not as no one has briefed the issue. Mr. Koch stated it sounds like the Plaintiffs are withdrawing the motion. Court noted if someone files a motion the Court will deal with it. 2-20-20 9:15 AM PRE TRIAL CONFERENCE 3-10-20 9:00 AM CALENDAR CALL 3-16-20 1:30 PM BENCH TRIAL;

JOINT MOTION TO CONSOLIDATE ON AN ORDER SHORTENING TIME AND JOINT PARTIAL OPPOSITION TO DEFENDANTS IN INTERVENTION, CPCM HOLDINGS, LLC D.B.A THRIVE CANNABIS MARKETPLACE, AND CHEYENNE MEDICAL LLC'S MOTION TO CONSOLIDATE...JOINT PARTIAL OPPOSITION TO DEFENDANT'S IN INTERVENTION, CPCM HOLDINGS, LLC D.B.A THRIVE CANNABIS MARKETPLACE, COMMERCE PARK LLC, AND CHEYENNE MEDICAL LLC'S MOTION TO CONSOLIDATE. Appearances Continued: Dominic Gentile, Esq. on behalf of Serenity Plaintiffs; William Kemp, Esq. on behalf of MM Development and LivFree; Ross Miller, Esq. on behalf of Serenity; Mahogany Turfley, Esq. on behalf of Nevada Wellness Center; Peter Christiansen, Esq. and Whitney Barrett, Esq. on behalf of Qualcan; Benjamin Miller, Esq. on behalf of Passionate Team Las Vegas; Rusty Graf, Esq. and Brigid Higgins, Esq. on behalf of Clear River LLC; Dennis Kennedy, Esq. and Stephanie Glantz, Esq. on behalf of DH Flamingo; Alicia Ashcraft, Esq. on behalf of Franklin Bioscience, WaveSeer of NV and Harvest of NV; Jared Kahn, Esq. on behalf of Helping Hands Wellness Center; and Theodore Parker, Esq. on behalf of Nevada Wellness Center appearing via Courtcall. Argument by Mr. Bult for cases to be consolidated and assigned to Department 11 noting 25 of 30 Plaintiff's have brought this motion before this Court with the desire to have Judge Gonzalez continue to hear cases that she is already presided over for 5-6 months. Argument in support by Mr. Gentile for Serenity's case to remain in front of Judge Gonzalez. Argument by Mr. Kennedy for the consolidation to be denied noting the DH Flamingo case is different than all of the other cases here in that a motion to consolidate was filed in A787035 and denied by Judge Gonzalez, this case cannot be heard in business court, and parties are only seeking to be sent back to the tax commission for a hearing. Extensive argument by Mr. Bice in support of consolidation and in opposition of these matters being sent to Department 11 on behalf of Essence. Argument by Mr. Prince noting this Court was aware of proceedings in front of Judge Gonzalez and had regular conversations with Judge Gonzalez. Court clarified conversations with Judge Gonzalez and Judge Atkin for the record. Further argument by Mr. Prince in opposition requesting this motion be denied and allowing Judge Atkin to proceed. Argument in opposition by Mr. Koch noting there is no basis for these cases to be sent to Judge Gonzalez other than the preliminary injunction. Argument in opposition by Mr. Miller noting his client has the resources to run a dispensary however they do not have the resources to be placed into a complex litigation case and requested their case not be consolidated. Further argument by Mr. Kennedy and Mr. Bult. Court noted, it understands the concerns that have been raised in that this is a rather unique situation and the Court does feel that some of these issues arise from having a department that did not have a regularly assigned Judge; However from a court management perspective, having a Judge who has spent a significant amount of time on the case it makes more sense for the case to remain with that Judge. COURT FINDS, consolidation is appropriate and while it understands the concerns regarding forum shopping the concern of this Court is of a court administration issue and having had a Judge who has spent the amount of time that Judge Gonzalez has spent on the case it makes more sense for the case to remain with her. Additionally, the Court believes the reason Judge Gonzalez coordinated the cases is because she did not have the ability to consolidate them because of the rule. COURT ORDERED, motion to consolidate in Department 11 GRANTED. Mr. Bult to prepare the order. CLERK'S NOTE: Subsequent to the hearing Court clarified the following cases shall be consolidated: A-18-785818, A-18-786357, A-19-786962, A-19-787004, A-19-787035, A-19-787540, A-19-787726, and A-19-801416. ke 10/31/19;

Mr. Koch requested another day that would not be Monday. **COURT SO NOTED. COURT FURTHER NOTED** DH Flamingo's anti-SLAPP motion. Mr. Fetaz advised that was Serenity's motion. **COURT ORDERED, MOTION WILL BE HEARD** on Monday, November 18. **COURT FURTHER NOTED** an application for TRO. Mr. Shevorski advised that was Qualcan's. Mr. Christiansen advised the motion has been briefed and he would be happy to move it as well. **COURT STATED** it will discuss scheduling of that motion on Monday as well. Mr. Smith advised they have a pending motion to intervene. Mr. Parker advised it was previously before Judge Holthus and there was also a motion granted by the discovery commissioner regarding cellphone(s) and information they wanted the State to preserve; there was an Objection to that by the State that was never ruled on. Mr. Miller advised his side also had a pending motion to dismiss which they are also willing to move; it is not an anti-SLAPP motion. **COURT NOTED** it will discuss scheduling of that motion on Monday. APPEARANCES CONTINUED: Attorney Christopher Rose for Wellness Connection of Nevada LLC. Mr. Puzey appeared by telephone. Court noted, as a background, that as Mr. Shevorski previously represented to everyone that the State would essentially give a tolling period for everyone through June, a trial was set in April to make sure there would be a decision by that date. If anyone has any concerns about the deadline they are to inform the Court. PLAINTIFFS' MOTION FOR LEAVE TO FILE SECOND AMENDED COMPLAINT: Following arguments by Mr. Gentile and Mr. Bice, COURT ORDERED, motion GRANTED. The Plaintiffs are PERMITTED to file the document attached to the Reply. However, this does not preclude anyone from filing motions related to that. Court asked Mr. Dickey about the status of service on the Defendants in his case, which has the most Defendants. Mr. Dickey advised he believes service has been effectuated on all of them but they are still awaiting responses from many. PLAINTIFFS' MOTION TO EXTEND INITIAL EXPERT WITNESS DEADLINE ON ORDER SHORTENING TIME...JOINDER TO SERENITY PLAINTIFFS' MOTION TO EXTEND INITIAL EXPERT INITIAL EXPERT WITNESS DEADLINE ON ORDER SHORTENING TIME (FIRST REQUEST): Arguments by Mr. Gentile, Mr. Bice. DEPARTMENT OF TAXATION'S OPPOSITION TO MOTION FOR SUMMARY JUDGMENT AND COUNTERMOTION FOR SUMMARY JUDGMENT INTERVENOR DEFENDANT GREENMART OF NEVADA NLV LLC'S JOINDER TO DEPARTMENT OF TAXATION'S OPPOSITION TO MOTION FOR SUMMARY JUDGMENT AND COUNTERMOTION FOR SUMMARY JUDGMENT: Mr. Parker advised that he had filed a motion for summary judgment. Court noted this was a motion filed on November 5th. Mr. Parker continued, Mr. Bice filed an objection, and Mr. Shell filed a joinder to the opposition; their thought was to add the purported winners to their Complaint, so perhaps instead of that motion going forward, they will file a motion to amend. There being no objection, COURT ORDERED, Mr. Parker's request to amend is GRANTED, as well Mr. Bult's, Mr. Kemp's, Mr. Christiansen's, Mr. Miller's, and Mr. Puzey's requests to AMEND. Everyone present who is a Plaintiff, their request to amend is GRANTED. COURT ORDERED, Rule 16 conference SET for December 2, 2019. QUALCAN, PLAINTIFF'S MOTION FOR WRIT OF MANDAMUS, TEMPORARY RESTRAINING ORDER, AND PRELIMINARY INJUNCTION: Mr. Shevorski advised that Mr. Christiansen has a petition for mandamus that is fully briefed. Mr. Christiansen advised that perhaps he would skip a step and also be allowed to amend. COURT GRANTED the request. NEVADA WELLNESS CENTER'S MOTION FOR HEARING ON OBJECTION TO DISCOVERY COMMISSIONER'S REPORT & RECOMMENDATIONS: Per counsel's request, COURT ORDERED, hearing SET for December 2, 2019. APPEARANCES CONTINUED: Ms. Michelle Miller, Managing Member of Miller Farms; Attorney Robert Warns for Rino Tenorio. Ms. Miller, Mr. Puzey, Ms. Shell, and Mr. Funk appeared by telephone. Following arguments by counsel, COURT ORDERED as follows: MOTION ON ORDER SHORTENING TIME FOR PROTECTIVE ORDER REGARDING SCOPE OF INQUIRY AT DEPOSITION OF DANETTE KLUEVER... ..LONE MOUNTAIN PARTNERS LLC'S JOINDER TO NEVADA ORGANICS' MOTION ON ORDER SHORTENING TIME FOR PROTECTIVE ORDER REGARDING SCOPE OF INQUIRY AT DEPOSITION OF DANETTE KLUEVER... ..ESSENCE ENTITIES' JOINDER TO DEFENDANT-INTERVENOR/COUNTERCLAIMANT NEVADA ORGANIC REMEDIES LLC'S MOTION FOR PROTECTIVE ORDER REGARDING SCOPE OF INQUIRY AT DEPOSITION OF DANETTE KLUEVER... ..DEFENDANT GREENMART OF NEVADA NLV LLC'S JOINDER TO MOTION ON ORDER SHORTENING TIME FOR PROTECTIVE ORDER REGARDING SCOPE OF INQUIRY AT DEPOSITION OF DANETTE KLUEVER: Motion GRANTED IN PART. Deposition limited to one day, with the following scope: training and guidelines provided by the Department to the temporary employees who do fall under the discretionary function, their experience, their interaction with any other employees of D.O.T. and any others related to the grading and application process. Court GRANTS limited inquiry into the mathematical errors and limited inquiry into the subjective issue. PLAINTIFF/COUNTER DEFENDANTS MOTION FOR PROTECTIVE ORDER REGARDING RINO TENORIO: For purposes of the deposition, motion GRANTED. NEVADA WELLNESS CENTER'S MOTION FOR HEARING ON OBJECTION TO DISCOVERY COMMISSIONER'S REPORT & RECOMMENDATIONS: Objection OVER RULED. PLAINTIFFS/PETITIONERS/COUNTER-DEFENDANTS D.H. FLAMINGO, INC. AND SURTERRA HOLDINGS, INC.'S SPECIAL MOTION TO DISMISS MM DEVELOPMENT COMPANY, INC.'S COUNTERCLAIM PURSUANT TO NRS 41.660 [ANTI-SLAPP] AND REQUEST FOR ATTORNEYS' FEES, COSTS, AND DAMAGES PURSUANT TO NRS 41.670: Motion DENIED. The issues of the statement being made and the knowledge at the time the statement was made are issue that need some discretionary judgment as opposed to accepting anyone's word at their deposition. The counter claim will be limited to statements made at the Governor's Inaugural Ball but not to any of the other communications with law enforcement or administrative agencies; they are to either be stricken or an amendment is to be done to delete those. Mr. Kennedy requested the order say "stricken". COURT SO ORDERED. DP HOLDINGS AND COMPASSIONATE TEAM OF LAS VEGAS, LLC'S MOTION TO DISMISS (FILED IN A787035 ON OCTOBER 1, 2019): Motion GRANTED WITHOUT PREJUDICE for Mr. Kennedy to amend if he needs to. MANDATORY RULE 16 CONFERENCE: Court noted it anticipates having a decision prior to the conditions being met in June and inquired about the status of discovery. Mr. Kemp advised MM has taken the lead and detailed the schedule of upcoming depositions. Mr. Parker noted they are also interested in the records to be extracted from the phones. Mr. Miller advised his side is in alignment with the timeline and that they have two experts. Mr. Bult advised discovery on all successful applicants was served 4 to 5 weeks ago. Mr. Rose advised D H Flamingo did not serve the Defendants they named and then coordination happened; he is just concerned about now being named in this case. Mr. Prince requested a March rebuttal disclosure deadline. Mr. Holmes advised they were named in the DH Flamingo case, but are pretty small fish. COURT ORDERED, anyone who has not made initial disclosures needs to make them in 2 weeks if they decide to participate. Mr. Gamble requested prior discovery. COURT FURTHER ORDERED, discovery be made available immediately to newly appearing parties, including discovery from the evidentiary hearing. Court noted the transcripts are filed in A786962. COURT ORDERED as follows: Initial expert disclosures where a party bears the burden of proof DUE by January 17, 2020; Rebuttal expert disclosures where a party does not bear the burden of proof DUE by February 14, 2020; Discovery cut-off SET for and dispositive motions and motions in limine TO BE FILED by March 13, 2020. The April 20, 2020 trial date (previously set in A786962) will STAND. New trial setting order will ISSUE. COURT FURTHER DIRECTED that discovery responses be produced to newly participating parties if they desire it, and that it may be appropriate to set up an electronic depository subject to the current protective order because of the confidential nature of much of the applications. If the parties have any questions, the Court is available to address them via conference call.;

Mr. Puzey appeared by telephone. Court addressing Mr. Rulis advised that the Court will not sign stipulations that</i>

were signed by only two parties, that is, the stipulation between MM and the State extending a STAY of the Order Granting Plaintiffs' Motion to Preserve and/or Immediately Turn Over Relevant Electronically Stored Information from Department of Taxation's Employee's Cell Phone on Order Shortening Time and Granting Department of Taxation's Oral Motion for Stay of Preservation Order. Mr. Parker asked to review the document, noted his concern, and then withdrew his concern. There being no objection by all other parties, Court signed the stipulation and order in open court and returned it to Mr. Rulis for filing. Following arguments by Mr. Graf, Ms. Shell, Mr. Hone, and Mr. Dickey, COURT ORDERED, with the exception of the issue related to the rejection of the appeal with the Tax Commission, all issues were covered in the order entered on November 7, 2019, so the issue is DENIED on the same basis. Mr. Hunt inquired about the notice of appointment of receiver. COURT ORDERED this case is not being stayed. Mr. Prince advised they started Mr. Tenorio's deposition on December 5th and it went well over 5 hours; 3 counsel asked questions; they have unilaterally noticed the deposition for Friday, December 20th; he filed a motion for protective order to move the deposition because he has pre-scheduled mediation and Mr. Gutierrez is in trial; in addition, they have a duration issue -- the 7 hours was waived, but they already went 5 hours and only 3 people asked questions. Court stated Mr. Tenorio's counsel is not here today and advised that it has every morning this week free. Court directed counsel to reach out to Mr. Tenorio's counsel. Mr. Rulis advised Mr. Tenorio's counsel offered the 17th, 19th, and 20th, but he will contact counsel just the same. Court stated that when the OST gets here it will be set for Wednesday and advanced to Tuesday. Ms. Shell further expressed her concern about having 3 to 4 protective orders to date in this case and that she thinks they need to talk about a more global, rather than piecemeal, protective order. Mr. Fetaz advised he circulated a draft on Friday and has the OST. COURT signed the OST in open court, setting the motion for Wednesday, December 19, and returned the OST for filing. The OST will be discussed tomorrow, December 17. Finally, Mr. Parker advised they are only adding to their complaint the conditionally approved applicants as opposed to everyone named in the D H Flamingo case. COURT NOTED that is the Court's interpretation of what the requirement is. 12-17-19 9:00 AM HEARING ON MOTION(S) ON OST SET FOR December 18, 2019 12-20-19 CHAMBERS GREEN LIFE PRODUCTIONS, LLC'S MOTION TO REALIGN AS PLAINTIFFS/PETITIONERS [E-FILED INTO SUB CASE A-19-787035-C] 1-13-20 9:00 AM LONE MOUNTAIN PARTNERS LLC'S JOINDER TO THE ESSENCE ENTITIES' OPPOSITION TO MM DEVELOPMENT COMPANY INC'S AND LIVFREE WELLNESS LLC'S MOTION FOR SUMMARY JUDGMENT OR FOR WRIT OF MANDAMUS; AND COUNTERMOTION FOR SUMMARY JUDGMENT... ...DEFENDANT INTERVENOR HELPING HANDS WELLNESS CENTER, INC.'S JOINDER TO NEVADA ORGANIC REMEDIES' OPPOSITION TO MOTION FOR SUMMARY JUDGMENT, JOINDER TO LONE MOUNTAIN PARTNERS, LLC'S OPPOSITION TO MOTION FOR SUMMARY JUDGMENT AND COUNTERMOTION FOR SUMMARY JUDGMENT, JOINDER TO GREENMART OF NEVADA NLV, LLC S OPPOSITION TO MOTION FOR SUMMARY JUDGMENT, JOINDER TO THE ESSENCE ENTITIES OPPOSITION TO MOTION FOR SUMMARY JUDGMENT, JOINDER TO STATE OF NEVADA OPPOSITION TO MOTION FOR SUMMARY JUDGMENT AND COUNTERMOTION FOR SUMMARY JUDGMENT... ...LONE MOUNTAIN PARTNERS, LLC'S JOINDER TO THE DEPARTMENT OF TAXATION'S OPPOSITION TO MOTION FOR SUMMARY JUDGMENT OR FOR WRIT OF MANDAMUS AND COUNTERMOTION FOR SUMMARY JUDGMENT... ...WELLNESS CONNECTION OF NEVADA, LLC'S MOTION AND JOINDER TO LONE MOUNTAIN PARTNERS, LLC'S MOTION TO DISMISS SECOND AMENDED COMPLAINT... ...GREENMART OF NEVADA NLV LLC'S JOINDER TO LONE MOUNTAIN PARTNERS, LLC'S MOTION TO DISMISS SECOND AMENDED COMPLAINT... ...DEFENDANT, CLEAR RIVER, LLC'S JOINDER TO LONE MOUNTAIN PARTNERS, LLC'S MOTION TO DISMISS SECOND AMENDED COMPLAINT... ...THE ESSENCE ENTITIES' JOINDER TO LONE MOUNTAIN PARTNERS, LLC'S MOTION TO DISMISS... ...HELPING HANDS WELLNESS CENTER, INC.'S JOINDER TO LONE MOUNTAIN PARTNERS, LLC'S MOTION TO DISMISS SECOND AMENDED COMPLAINT... ...DEFENDANT-INTERVENOR, NEVADA ORGANIC REMEDIES, LLC'S JOINDER TO LONE MOUNTAIN PARTNERS, LLC'S MOTION TO DISMISS SECOND AMENDED COMPLAINT... ...DEPARTMENT OF TAXATION'S JOINDER TO MOTION TO EXTEND TIME TO RESPOND TO SECOND AMENDED COMPLAINT AND MOTION TO SET BRIEFING SCHEDULE... ...DEFENDANT'S MOTION TO EXTEND TIME TO RESPOND TO THE SERENITY PLAINTIFF'S SECOND AMENDED COMPLAINT AND MOTION TO SET BRIEFING SCHEDULE... ...MM DEVELOPMENT COMPANY, INC.'S AND LIVFREE WELLNESS, LLC'S MOTION FOR SUMMARY JUDGMENT OR FOR WRIT OF MANDAMUS... ...LONE MOUNTAIN PARTNERS, LLC'S MOTION TO DISMISS SECOND AMENDED COMPLAINT... ...THE ESSENCE ENTITIES' OPPOSITION TO MM DEVELOPMENT COMPANY INC'S AND LIVFREE WELLNESS LLC'S MOTION FOR SUMMARY JUDGMENT OR FOR WRIT OF MANDAMUS; AND COUNTERMOTION FOR SUMMARY JUDGMENT... ...DEPARTMENT OF TAXATION'S OPPOSITION TO MOTION

HEARING ON MOTION(S) ON OST SET FOR December 18, 2019...MOTION FOR ENTRY OF CONFIDENTIALITY AGREEMENT AND PROTECTIVE ORDER ON ORDER SHORTENING TIME [ADVANCED] APPEARANCES CONTINUED: Attorney Christopher Rose for Wellness Connection of Nevada LLC and Attorney Robert Warns for Rino Tenorio. Mr. Ayers, Mr. Kahn, and Mr. Koch appeared by telephone. MOTION FOR ENTRY OF CONFIDENTIALITY AGREEMENT AND PROTECTIVE ORDER ON ORDER SHORTENING TIME: There being no objection, COURT ORDERED, Motion for Entry of Confidentiality Agreement and Protective Order ADVANCED from December 18, 2019. Ms. Shell stated her concern regarding the definition of confidential information, as she felt it was too specific; for instance, she believes that home addresses are not technically confidential information and that they are actually public record. COURT NOTED that in its reading of the definition of confidential information in paragraph 6, it does not appear to include information which would typically not be included under trade secret issues, so while they may be covered under highly confidential information there may be a level of documents that would fall within arguably trade secret, customer records, that would also fall within that category, that the Court would typically see in a business court case. Mr. Fetaz stated they can adjust paragraph 6 accordingly. Mr. Smith noted his concern regarding paragraph 14 which references Manpower; he simply wants to make sure that this does not waive objections related to that inquiry. Court concurred, further noting that this protective order is for the entire case. COURT ORDERED, with the adjustment to definition of confidential information the stipulated protective order is APPROVED. RINO TENORIO'S DEPOSITION: Mr. Prince advised it is scheduled to resume on Friday December 20th; Mr. Tenorio is a lightning rod and a critical witness; however, neither himself nor Mr. Gutierrez is available to attend. Mr. Prince detailed their schedule and noted his concern regarding the duration of the deposition and that Mr. Tenorio turned over documents to his personal counsel, Mr. Sgro; once they receive those documents they want to have a meaningful discussion with Mr. Tenorio; it is his request that the Court grant protection and move the date of the deposition, probably after the first of the year, and extend the duration to up to 4 hours as they have only done 5 and a half hours and only 3 attorneys have asked questions; they would like the documents before resuming the deposition. Mr. Warns responded that he did not get a 2.34 on this issue and did not get served with a copy of the motion until yesterday; Mr. Tenorio would like his deposition to conclude as soon as possible; he would oppose extending beyond the 7-hour cap, certainly not another day; with regards to the documents, he has requested a copy of documents filed by counsel but he was informed last week that they would not be provided absent a subpoena. COURT ORDERED, the deposition that is scheduled on Friday is VACATED. Counsel to work on the document issue with former counsel. However, the Court is a little concerned about the duration. Mr. Rulis advised they have subpoenaed the documents; to the extent it is prior counsel he will be happy to forward the subpoena today. Colloquy regarding documents. CONFERENCE AT BENCH. COURT ORDERED, matter SET for status check on the documents on February 20, 2019 at 9 am. Counsel to invite Mr. Sgro to attend. Mr. Koch to circulate a call-in number for everyone intending to appear by telephone. With regards to Mr. Tenorio's phone, the Court will let the parties follow up on the text messages. Upon the Court's inquiry, all parties STIPULATED not to have the bench conference transcribed. 12-20-19 CHAMBERS GREEN LIFE PRODUCTIONS, LLC'S MOTION TO REALIGN AS PLAINTIFFS/PETITIONERS [E-FILED INTO SUB CASE A-19-787035-C] 12-20-19 9:00 AM STATUS CHECK: RINO TENORIO DOCUMENTS 1-13-20 9:00 AM LONE MOUNTAIN

Court noted there was a motion for protective order delivered. Mr. Warns advised he was copied on a letter that Mr. Rulis sent to Mr. Scrow's office on Tuesday indicating they would need to produce the documents to his office. Further, it was suggested that if they did not produce the documents then the Court would require their presence to explain. Moreover, he received an e-mail the next day noting that a thumb drive was being prepared. Yesterday he received a thumb drive with documents; however, he would time to review for privilege and relevance. Upon Court's inquiry, Mr. Warns requested three weeks. COURT advised Mr. Prince the deposition would not resume until the documents were produced, possibly by January 8th. Mr. Prince indicated that was fine. Court further noted counsel would work out a time for the deponent to appear and complete the deposition. Mr. Prince stated new documents may be presented that they had not seen before and that may result in additional questioning. Court directed counsel to discuss a date and the duration. Mr. Fetaz stated there was an issue regarding whether the State reviewed the applications submitted for completeness. They were attempting to address that issue through discovery. Furthermore, certain intervenor defendants' applications were produced as part of the hearing. The focus of the hearing was limited to adversity and ownership issue. The completeness issue expands beyond that. Court noted it would be better to work out the issue as to what was still believed to be confidential. Court further noted if the matter could not be resolved that it would be addressed by motion practice.;

GREEN LIFE PRODUCTIONS, LLC'S MOTION TO REALIGN AS PLAINTIFFS/PETITIONERS [E-FILED INTO SUB CASE A-19-787035-C]: There being no objection, COURT ORDERED, motion GRANTED. Counsel is FURTHER DIRECTED to file a complaint in intervention in the D H Flamingo case. Mr. Holmes requested one week to do so. COURT SO ORDERED. Court FURTHER NOTED that anyone who wishes to realign must do so within 2 weeks. Mr. Prince to prepare the order and run it by counsel prior to submission. Court CLARIFIED that the 2 weeks is from the notice of entry of the order for the complaint in intervention or a realignment, if anyone chooses to do one. DEFENDANT RURAL REMEDIES, LLC'S MOTION FOR PRE-TRIAL CONFERENCE AND ORDER SHORTENING TIME: Mr. Gamble argued in support of the instant motion. Court noted it needs a trial protocol. Argument by Mr. Prince. Argument by Mr. Rose stating that the Plaintiffs have not named all of the applicants and that he simply wants to make sure there is no one hanging out there. Mr. Dickey advised they have heard from Defendants who did not want to participate, have aggregated their information, and will be filing a motion to dismiss them voluntarily. Mr. Price suggested that counsel file a status report. Mr. Parker advised he is also concerned about the 10-deposition limit; he and Mr. Prince agreed 7 hours is not enough and they would request more than 10 depositions; if necessary, they can cross the bridge when they get there in terms of the amount of time; he believes they have identified 18 total, 18 on top of the 8 or 9, depositions, for their side. There being no objection to Plaintiffs' request and to the order being reciprocal, the COURT GRANTS NOT TO EXCEED 30 DEPOSITIONS PER SIDE, including those already noticed and taken, not including experts. If the parties are able to agree to time limitations for each deponent after speaking to each other the Court will be happy to speak with the parties about it. Mr. Parker further advised they will also be filing a motion to compel regarding the impasse on the issue of the phones of the graders. COURT DIRECTED counsel to file that motion on OST. Per counsel's request and there being no objection, COURT FURTHER ORDERED, the MM Development group of the motion for summary judgment, related opposition / counter motion, and any related motions to seal/redact is MOVED to Monday, February 24 at 9 am. COURT FURTHER ORDERED, a DRAFT TRIAL PROTOCOL be submitted by Friday, January 10 at NOON so it can be discussed on Monday, January 13. The draft trial protocol will include issues to be tried, the order in which they will be tried, allocation of time for the issues, and to see whether the case needs to be moved to the May stack, issues regarding exhibits, whether to admit all to apply to all segments, whether witness testimony will be duplicated or whether witnesses will be recalled. The Court will ask the Judicial Executive Assistant to email a copy of the trial protocol in the CityCenter case. Upon Mr. Schwarz's request, COURT NOTED Serenity's motion is scheduled for January 13 and will remain there.;</i>

For that reason, the motion to dismiss it DENIED at this time, but it may be subject to additional motion practice as the parties are near the time of trial. NEVADA WELLNESS CENTER, LLC'S MOTION TO COMPEL ON AN ORDER SHORTENING TIME: Following arguments by Mr. Parker and Mr. Shevorski, COURT ORDERED, the State is ORDERED to obtain the information from the cellphones to extract the data, make a determination with the agents whether there is any personal or private information that needs to be protected; after that determination is made, have a review done on any relevant information and communications with other employees of the Department of Taxation be produced, sort of what was done with the actual employees. COURT addressing the State NOTED it needs a written order to be entered before a stay. Regarding Mr. Parker's request that the Court review the privilege log which is part of his motion to compel, Mr. Shevorski advised it has something to do with communications that are pre-regulation that the State submits are protected. Court noted it does not have a privilege log. Mr. Parker advised they will submit the log, and Mr. Shevorski added that they will also make a supplemental production and referred the Court to a footnote in the State's brief. Court noted it has not seen the State's brief then. Mr. Shevorski advised it was filed on Friday, to which Mr. Parker responded he saw it on Saturday, and Mr. Shevorski apologized to the Court and rested on the briefing. Court noted it depends on the trial with Mr. Gutierrez, but they will do their best. Mr. Tenorio advised he is here regarding the rescheduling of the deposition of Mr. Tenorio and the amount of time for that. Mr. Rulis advised they are waiting on a production; Mr. Warns sent him a production on Wednesday night, and they had some issues getting it from the Dropbox, so they are getting it by flash drive from him today, and then they will turn around and produce to everybody. Mr. Prince added that he thinks everyone needs to see the documents, and people with additional questions may impact duration. Upon Court's inquiry, Mr. Prince advised they have not picked a day for the depo and yes, they will need a full day even with no new documents. CONFERENCE... ..GREENMART OF NEVADA NLV LLC'S JOINDER TO NEVADA ORGANIC REMEDIES LLC'S MOTION ON ORDER SHORTENING TIME FOR ORDER SETTING SETTLEMENT CONFERENCE: Mr. Koch argued in support of the motion. Court inquired as to how the State would be able to participate, as a practical matter. Mr. Shevorski stated the State will have its decision makers there. Mr. Kemp advised there is no way they can get a global settlement; there are 120 people minus those who dropped out to sign an agreement; everyone is empowered, and every claimant can come in and hold up the whole thing; the Plaintiffs vehemently oppose as this is not a realistic endeavor. Reply by Mr. Koch and joinder by Mr. Hunt to Mr. Kemp's argument. Mr. Kahn argued this would be in an organized fashion for the settlement to be presented and for everyone to weigh in on the resolution, and this would be a confined venue and forum. COURT ORDERED, while it appreciates the State's willingness to participate, the Court will NOT ORDER a settlement conference given the objections that have been made. PLAINTIFFS' AND NEVADA WELLNESS CENTER, LLC'S OPPOSITIONS TO NEVADA ORGANIC REMEDIES, LLC'S MOTION FOR PROTECTIVE ORDER REGARDING SCOPE OF DISCOVERY AND THE ESSENCE ENTITIES' MOTION FOR PROTECTIVE ORDER: Following arguments by Mr. Bice, Mr. Koch, Mr. Dickey, and Mr. Hunt, COURT ORDERED, the statute protects the Department of Taxation and the State of Nevada from disclosing information, but it does not make the information privileged when it is in the possession of another party; the confidentiality provisions are adequately protected by the parties' protective orders that have been entered into; however, some requests are overbroad and are therefore not relevant for purposes of discovery in this limited proceeding. The Court is GRANTING the protective order on the issues related to the membership purchase agreements, employee hiring and employee resignations, profitability, and value issues and also GRANTING it on the support for public filings; so, counsel can ask questions about public filings that have been made, but the supportive and back-up information for those are protected; counsel can also ask questions about inspections of Nevada operations, compliance issues with Nevada operations, and incident reports submitted to the Dept of Taxation for NV operations; counsel can ask questions about changing locations but not about business strategies for changing locations or market shares. In addition, any communications or offers of employment of current or former D.O.T. employees are fair game; change in ownership forms are limited to change in ownership forms and any information submitted to the Department of Taxation as opposed to the underlying back-up information. APPLICATION FOR WRIT OF MANDAMUS TO COMPEL STATE OF NEVADA, DEPARTMENT OF TAXATION TO MOVE HELPING HANDS WELLNESS CENTER, INC., INTO TIER 2 OF SUCCESSFUL CONDITIONAL LICENSE APPLICANTS: Arguments by Mr. Kahn, Mr. Shevorski, Mr. Rulis, and Mr. Kahn. COURT ORDERED, documents provided by Mr. Kahn MARKED collectively as Court's Exhibit 1 for today. (See worksheet.) COURT ORDERED, motion DENIED because this is a discretionary act by the State. DH FLAMINGO'S MOTION TO REDACT PORTIONS OF ITS OPPOSITION TO NEVADA ORGANIC REMEDIES' MOTION FOR PROTECTIVE ORDER REGARDING SCOPE OF DISCOVERY AND ESSENCE'S MOTION FOR PROTECTIVE ORDER AND TO SEAL EXHIBITS 4 AND 5 TO THE SAME: COURT ORDERED, motion GRANTED because it includes commercially sensitive information. There being no objection, COURT ORDERED, all matters currently scheduled on Monday, February 24 RESET on Friday, February 28, 2020 at 9 am. All In re D.O.T. Litigation matters will now be heard on Fridays at 9 am. Court further noted the Nevada Supreme Court has issued an order to show cause about the Findings of Fact and Conclusions of Law and that it does not seem to apply to this Court but to the parties. Mr. Fetaz advised they will bring a motion to try to remedy the issue. 1-31-20 CHAMBERS STATUS CHECK: RINO TENORIO'S DEPOSITION 2-28-20 9:00 AM LONE MOUNTAIN PARTNERS, LLC'S JOINDER TO THE DEPARTMENT OF TAXATION'S OPPOSITION TO MOTION FOR SUMMARY JUDGMENT OR FOR WRIT OF MANDAMUS AND COUNTERMOTION FOR SUMMARY JUDGMENT... ..DEFENDANT INTERVENOR HELPING HANDS WELLNESS CENTER, INC. Telephonic Conference re: Issue at the 30(b)(6) Deposition of the Department of Taxation Matter Heard;

Journal Entry Details:

APPEARANCES CONTINUED: Counsel (inaudible) for Wellness Connection of Nevada LLC and Thrive, respectively. Mr. Smith advised one of the Essence entities' applications was marked as an exhibit. Court reporter read the question into the record. Mr. Smith argued his objection relates to the Court's prior ruling and that it is inappropriate for the Plaintiffs to swipe certain applications under the deponent's noses and opine on the accuracy; in addition, it is beyond the scope of the 30(b)(6). Mr. Dzarnoski read the question regarding the scoring process, address of proposed marijuana establishment, topic no. 13, and that counsel has suggested a protective order that covers this. Court noted Ms. Danette Kluever was a grader. COURT noted the 30(b)(6) deponent is not the grader but a representative of the D.O.T., asked Mr. Smith why he thinks the protective order applies, and ORDERED, OBJECTION OVERRULED; this is not similar to the analysis of whether the grader would change the grade; this is the D.O.T. making the independent determination as to whether this is the address the applicant will do business at. Mr. Smith advised a question about complying with statutory requirements is coming. Court noted that question is okay. 2-7-20 9:00 AM MOTION TO WITHDRAW AS COUNSEL OF RECORD ON AN ORDER SHORTENING TIME...STATUS CHECK: RINO TENORIO'S DEPOSITION 2-28-20 CHAMBERS DH FLAMINGO PARTIES' MOTION TO REDACT PORTIONS OF ITS OPPOSITION TO ESSENCE'S MOTION FOR PROTECTIVE ORDER REGARDING NRCP 30(B)(6) DEPOSITION NOTICES OF ESSENCE ON AN ORDER SHORTENING TIME AND TO SEAL EXHIBITS 3, 4, AND 5 TO THE SAME 2-28-20 9:00 AM NEVADA WELLNESS CENTER, LLC'S JOINDER TO PLAINTIFF/PETITIONERS/COUNTER-DEFENDANT D.H. Telephonic Conference re: Issue at the 30(b)(6) Deposition of the Department of Taxation regarding Membership Interest Purchase Agreement

Matter Heard;

Journal Entry Details:

Counsel advised the same parties at this morning's conference call are present. Mr. Smith advised that the way he read the transcript for the January 27 argument on the protective order was that the Court said the issues related to the membership interest purchase agreement are covered by the protective order; he lodged an objection to a question regarding Green Thumb Industries' membership interest purchase agreement that was subject to the Essence Entities' protective order. Court reporter stated, the question was, "Do you know the first time the Department of Taxation was aware of the existence of Exhibit 84?" and the objection thereto. COURT ORDERED, the State's awareness of the Membership Interest Purchase Agreement is fair game, but as the Court has previously indicated counsel is not going to make any inquiry as to the terms of the membership interest purchase agreement or any other details that might be related to one of your competitors' operations. Mr. Dzarnoski noted that his recollection of the transcript is that the Court said something publicly available was fair game, and the version he has of the Membership Interest Purchase Agreement that he pulled off the Canadian Stock Exchange is a filing made by Green Thumb Industries on or about November 12, 2018; he was simply asking questions related to the provisions that were not redacted and were made part of the public record with the Canadian Stock Exchange, and he was told he could not do that. Upon Court's inquiry, Mr. Smith replied that he does not have first hand knowledge of whether or not this was true. Court noted it did say they could ask about items that were public records. Mr. Smith further argued his motion for protective order. COURT understood and NOTED that its ruling was based on competitive advantage issues and what the nature of the deal was; if the nature of the deal was disclosed in public filings, that is a different issue. Mr. Smith stated he is not looking at a Bates stamped copy. Mr. Dzarnoski explained the version he has. Colloquy regarding the document. COURT ORDERED, if Mr. Dzarnoski is going to use it he needs to have a full copy available so that the witness and opposing counsel can have an opportunity to review it if they have concerns, but if it is something within public records, whether published on the stock exchange or some other public filing, it is fair game; the Court's ruling was based on commercial and competitive advantage issues. 2-7-20 9:00 AM MOTION TO WITHDRAW AS COUNSEL OF RECORD ON AN ORDER SHORTENING TIME...STATUS CHECK: RINO TENORIO'S DEPOSITION 2-28-20 CHAMBERS DH FLAMINGO PARTIES' MOTION TO REDACT PORTIONS OF ITS OPPOSITION TO ESSENCE'S MOTION FOR PROTECTIVE ORDER REGARDING NRCP 30 (B)(6) DEPOSITION NOTICES OF ESSENCE ON AN ORDER SHORTENING TIME AND TO SEAL EXHIBITS 3, 4, AND 5 TO THE SAME 2-28-20 9:00 AM NEVADA WELLNESS CENTER, LLC'S JOINDER TO PLAINTIFF/PETITIONERS/COUNTER-DEFENDANT D.H. APPEARANCES CONTINUED: Attorney Christopher Rose for Wellness Connection of Nevada, LLC; non-party Rino Tenorio represented by Attorney Glenn Machado. Ms. Ashcraft, Ms. Braster, and Mr. Davis appeared by telephone. STATUS CHECK: RINO TENORIO'S DEPOSITION: Mr. Rulis advised he and Mr. Warns have been emailing back and forth on a new date and an ESI protocol for documents on Mr. Tenorio's phone; the issue is that they already have depositions set on the proposed date. Court noted Mr. Tenorio sent an email to the Law Clerk. Mr. Machado explained Mr. Tenorio just has some concerns about the ESI protocol, and that they are trying to resolve internal issues between his firm and Mr. Tenorio; if they cannot resolve those issues they will withdraw, but they may be able to reach a resolution; Mr. Warns has been communicating about the ESI protocol; he also believes Mr. Tenorio should not bear the burden of the costs since he is a witness; Mr. Tenorio has already testified for 5 hours; to the extent that the parties go beyond the 7 hours, he proposes no more than 2 hours and would ask that questions be streamlined. Upon Court's inquiry, Mr. Tenorio confirmed he is a current employee of the State of Nevada but he is on administrative leave. COURT NOTED it needs Mr. Prince's physical presence, because without Mr. Prince the Court cannot negotiate the time, although the Court appreciates the issue being raised; Mr. Prince said he needed more time, but the Court is not sure how long; to the extent there are costs, there are ways for the parties to share them, and counsel for Mr. Tenorio are welcome to negotiate with them. DEPOSITIONS: Mr. Parker advised they did not complete the 30(b)(6) of the State and that they only got about 35 minutes at the very end. Mr. Rulis added it was Mr. Dzarnoski and Ms. Stout asking questions. Mr. Parker continued, there were several of them who did not finish or start; some intervenors want to ask questions as well; they had a meeting yesterday, and they believe they can finish in 3 and a half hours of additional time for all of them. Mr. Wight advised Nevada Organic Remedies needs less than one hour. Mr. Bice advised the Essence parties will have some questions but will limit it to 30 minutes. Mr. Rose stated same. Upon Court's inquiry, all on the Defense and Intervenors' side confirmed 3 hours will do it. Mr. Bice further argued as to the inefficiency of asking the same questions asked by prior

counsel and that the parties need to come up with a solution; regarding the availability of witnesses, there are other depositions; they should have 2 if not 3 tracks; the Plaintiffs will be getting deposition notices today. Mr. Shevovski advised this 30(b)(6) was on a whole lot of topics; the State is here to do justice and will be there. Court encouraged all of the parties not to re-tread common ground and to not ask questions that are cumulative. **MOTION TO WITHDRAW AS COUNSEL OF RECORD ON AN ORDER SHORTENING TIME:** Mr. Fetaz advised they would like to withdraw due to lack of communication and outstanding balance issues. **COURT ORDERED**, motion to withdraw **GRANTED**. Counsel to include in the proposed order the language in EDCR 7.42 which states that a business cannot represent itself as well as contact information. Mr. Shevovski requested a date by which those parties decide to proceed in the action or be represented by counsel. **COURT DENIED** the request. **MOTION TO AMEND ORDER PURSUANT TO NRCP 60(A); EX PARTE MOTION FOR ORDER SHORTENING TIME...** MM DEVELOPMENT COMPANY, INC.'S AND LIVFREE WELLNESS, LLC'S **JOINDER TO MOTION TO AMEND ORDER:** Mr. Fetaz argued in support of the motion. Court noted it did not coordinate the cases but invited everyone involved to come; then, the Chief Judge consolidated all of the cases at a later time; this Court does not think that was retroactive; the Nevada Supreme Court may think so, in which case this Court's order will apply to all, but this Court was very careful to decide only those matters assigned to it, and then the Court provided its order to the other judges for informational purposes; at the time of the hearing, the only cases assigned to this Court were Serenity and ETW; as the parties know the Court denied the consolidation and granted the request for people to voluntarily participate. Mr. Fetaz requested an amended findings of fact and conclusions of law entered in the ETW case if the order was applicable only to Serenity for purposes of an appeal and cross appeal. **COURT** stated it will change the caption of the order to include ETW. Ms. Shell noted there is an order with findings of fact and conclusions of law attached to it filed in the ETW case. Mr. Bice argued that if the request being made is that the Court enter a new preliminary injunction in the now consolidated action, not all parties participated in the preliminary injunction hearing prior to the consolidation; he does not think the Court has jurisdiction to enter the preliminary injunction based on an evidentiary development prior to consolidation. Court stated it will be happy to do amended findings of fact and conclusions of law that simply adds the ETW caption and case number. Mr. Parker, noting that they filed an amended complaint and that DH Flamingo filed a motion to dismiss Defendants who did not respond to them, requested he file a motion on OST to dismiss them. Court directed counsel to file a motion and it will not be on OST. 2-28-20 **CHAMBERS DH FLAMINGO PARTIES' MOTION TO REDACT PORTIONS OF ITS OPPOSITION TO ESSENCE'S MOTION FOR PROTECTIVE ORDER REGARDING NRCP 30(B)(6) DEPOSITION NOTICES OF ESSENCE ON AN ORDER SHORTENING TIME AND TO SEAL EXHIBITS 3, 4, AND 5 TO THE SAME 2-28-20 9:00 AM NEVADA WELLNESS CENTER, LLC'S JOINDER TO PLAINTIFF/PETITIONERS/COUNTER-DEFENDANT D.H. APPEARANCES CONTINUED: Counsel (inaudible) for Thrive. Mr. Parker advised that present with them is the witness, Damon Hernandez, with counsel. Mr. Parker advised that he began his questioning related to Mr. Hernandez's phone and the extraction report and the denial of the objection by Mr. Shevorski to the discovery commissioner's report and recommendation; during that questioning he informed Mr. Hernandez and his counsel that the extraction report had not been produced, and he was told it was provided, but for whatever reason it is not in the depository; he asked Mr. Hernandez what phone he produced, and Mr. Hernandez said it was the one he retained in 2019; the phone in 2018 was the subject of the preservation order and the information they would have wanted; the phone was given back and they do not have an extraction report; for that reason, he would ask the Court for the ability to file a motion on order shortening time given that they only have 30 days left of discovery after the 13th. APPEARANCES CONTINUED: Attorney Taylor Simpson, Bar No. 13956, for Serenity Wellness. Ms. Lovelock, Mr. Graf, Ms. Higgins, Mr. Gamble, Mr. Williamson, and Mr. Christiansen appeared by telephone. **COURT ORDERED**, OST related to Greenmart witnesses SET for March 13, 2020 at 9 am. Court addressing Ms. Shell NOTED that if the Court orders those witnesses compelled she needs to have them on short notice. Proposed OST signed in open court and returned to Mr. Rulis for filing. With regards to the motion to dismiss Serenity, Mr. Wight advised they filed an opposition; however, there was discussion today in Mr. Koch's office and counsel. Mr. Wight stated they will agree with dismissal as long as the order contains a dismissal with prejudice and that the Defendants have not waived any right to pursue fees and costs if successful at trial. Mr. Simpson advised he was not prepared for this discussion and that he did receive a text along those lines. **COURT ORDERED**, motion OFF CALENDAR and the Court will await the parties' stipulation, noting the agreement reached on the terms of dismissal. With regards to the trial protocol, **COURT DIRECTED** the Clerk to email the trial protocol and electronic exhibit list template to the parties. Court and counsel discussed details of the trial protocol. **COURT DIRECTED** Mr. Smith to serve this on everyone signed up for e-service, and if anyone has comments the Court would love to have them Monday afternoon or Tuesday morning; to the extent that the parties cannot reach an agreement, the Court will resolve those for them. Court noted 1983 claims will be part of a subsequent protocol. With regards to yesterday's 30(b)(6) deposition, Mr. Bice explained that the witness had no facts and had never looked at documents other than the Court's findings; counsel cannot instruct a witness not to answer unless there is a privilege issue. Mr. Dzarnoski provided the Court with the 30(b)(6) notice and the exhibits that were entered at the deposition, noting that topics 5, 6, 7, and 8 were what they discussed. **COURT ORDERED**, notice MARKED as Court's Exhibit 1 for today. (See worksheet.) Mr. Dzarnoski further explained these are contention interrogatories. Mr. Dzarnoski further requested additional time, or until Monday, to prepare a new 30(b)(6) witness instead of Mr. Thompson; they did suspend the deposition last night, reserving time for the Defendants. **COURT DIRECTED** counsel to consult with their people and have an actual detailed plan as to the nature of the individual that they want to supplement the designation with and the additional work that needs to be done. **COURT RECESSED** to give the parties and court staff a break. Mr. Parker leaves. Proceeding resumed. Mr. Dzarnoski advised he has a plan: they would like the deposition that was suspended yesterday on Medifarm on topics 5, 6, 7, 8, and 19 to be resumed sometime next week, and they will have a 30(b)(6) witness, who will likely not be Mr. Thompson. Mr. Bice objected to an attempted do-over as they have 27 depositions next week. **COURT ORDERED**, Mr. Dzarnoski is free to change the person designated to opine on those topics; for depositions that have yet to occur they are welcome to change designees; if changing theories, that will be determined on motion practice. Colloquy regarding witness scheduled for today. **COURT ORDERED**, parties can submit a joint exhibit list, not a phase by phase, and April 15, 2020 is okay. **COURT ORDERED**, exhibits to be reviewed by I.T. on April 17, 2020.;

Court addressed the other day when Mr. Parker called from a deposition and had issues concerning a cell phone extraction report and whether it was accurate. Mr. Parker stated it came up in Ms. Cronkhite's and Mr. Hernandez's deposition. Mr. Bice stated Mr. Hernandez was the one she was called on. Mr. Parker stated in terms of Hernandez they have the extraction report; however, believe things are missing. They see information between Mr. Pupo referring to Mr. Hernandez, but do not see the corresponding text, noting he got rid of his phone and that was the issue. Court advised it wanted to understand the background as to the cell phones before it heard the Motion to Stay. Mr. Shevorsi stated they believe a Motion for Stay was appropriate in light of the pending writ which they were filing today. Short recess for Mr. Shevorsi to review the opposition. Mr. Shevorsi argued in support of Motion and Mr. Parker in opposition. Following arguments by counsel, COURT stated its findings and ORDERED, Motion for Stay DENIED. As to Motion for Voluntary Dismissal. Mr. Gentile introduced Sterling Kerr; Mr. Kerr indicated he was substituting in. Court advised Mr. Gentile to make sure counsel substituting in are aware of the requirements to sign up for e-service and all of the dates that exist in this case. Upon Court's inquiry, Mr. Kerr requested a continuance of the motion, noting he would like to file a reply brief because there were joinders. Mr. Koch stated they have a 30(b)(6) deposition scheduled for next week and would ask that it not have any impact on the pending discovery. Colloquy. There being no opposition, COURT ORDERED, motion CONTINUED to 3/6/20; Reply briefs DUE March 3, 2020. Colloquy regarding housekeeping matters. At the request of Mr. Kemp and there being no opposition, COURT ORDERED, MM's Motion for Summary Judgment and Countermotions RESET to March 20, 2020. Mr. Schwarz stated four of the Plaintiffs jointly disclosed four expert witnesses and they have been trying to schedule their depositions, however, most of them are not available until after close of discovery. COURT ADVISED, the dates can be extended concerning the four named experts. Mr. Schwarz stated the earliest available date for the fourth expert witnesses was March 30. Mr. Schwarz proposed extending the Motion in Limine deadline to April 1 with the opposition due April 8 and argument on April 10, 2020. There being no opposition, COURT ORDERED, motions RESET. Colloquy regarding stipulation to increase the number of depositions. Mr. Parker stated it was 30 and 30. Court stated Mr. Prince was supposed to prepare the order. If Mr. Bice needs relief from the order he can enter into a stipulation. Matter concluded. ;

Telephonic Conference (10:19 AM) (Judicial Officer: Gonzalez, Elizabeth)

Telephonic Conference: Issue at the Deposition of Daniel Stewart, 30(b)(6) Designee of Fidelis Holdings

Matter Heard;

Journal Entry Details:

Mr. Hawkins present with Mr. Parker. Mr. Dzarnoski advised Mr. Bice is asking Mr. Stewart for opinions as counsel independent of his position as a 30(b)(6) representative, more like personal opinion, or expert testimony or a percipient witness. Court reporter read the last question, i.e. what the word prospective meant to the witness. Court asked counsel to elaborate. Mr. Dzarnoski explained the context was that Mr. Bice was asking about an interpretation of NRS 453D.200(6); a question was asked as to what Mr. Stewart believed "prospective owner" covered when he was involved in submitting applications. Upon Court's inquiry regarding the scope of the 30(b)(6) designation, Mr. Dzarnoski replied it does not involve his applications. Mr. Bice disagreed with counsel's characterization; Mr. Stewart is a board member; he is the designee, so he has personal knowledge in addition to being a corporate representative; the fact that they have personal percipient knowledge and are also a 30(b)(6) designee does not place their personal knowledge off limits; Mr. Stewart has already testified that he participated in the applications and reviewed them, and he asked Mr. Stewart about what he understood as to who the owners were and how they had to be submitted, because in the deposition topics, changes in ownership between the submittal of the application and the award of the application are being talked about; Mr. Stewart is the 30(b)(6) the other side identified. Upon Court's inquiry, Mr. Bice stated the designations says, "any changes in your ownership between the submission of your application on December 6, 2018 including the date of each change, how the ownership changed, and any communications to the D.O.T. regarding that change." Mr. Dzarnoski advised that the topic is asking for somebody to testify as to changes of ownership from the date the application that was filed until the license grant on December 6, but Mr. Bice's questions relate to the application prior to submission and what is in the initial application as opposed to any changes in the ownership; Mr. Bice is asking the witness as a lawyer his interpretation of "prospective owner" within the context of the applications themselves. COURT ORDERED, to be able to answer the question one also has to have an understanding of what was in the application and talk about any changes that were made; the Court will allow the witness to answer this particular question; however, counsel is reminded to ask only questions as to a 30(b)(6) and they must fall only within the designated topics. Mr. Dzarnoski requested clarification from the Court, stating that it is not fair game to ask questions related to personal knowledge that is not covered by the 30(b)(6). COURT NOTED that Mr. Stewart was not noticed as an individual but was noticed as a 30(b)(6); however, to the extent that his personal knowledge impacts his position as a 30(b)(6) and he has relevant information to the topics that are within the scope of the 30(b)(6), he should answer those questions; however, counsel will not go on a goose chase for things that are not part of the 30(b)(6) notice. Mr. Bice noted for the record that Mr. Dzarnoski took the exact opposite position on his company's 30(b)(6) which he finds highly ironic. 3-6-20 9:00 AM MOTION TO VOLUNTARILY DISMISS AND/OR DROP SERENITY WELLNESS CENTER, LLC AS PLAINTIFF ON ORDER SHORTENING TIME 3-16-20 9:00 AM STATUS CHECK: TRIAL READINESS 3-20-20 9:00 AM MM DEVELOPMENT COMPANY, INC.'S AND LIVFREE WELLNESS, LLC'S MOTION FOR SUMMARY JUDGMENT OR FOR WRIT OF MANDAMUS... Matter Heard;

Journal Entry Details:

Mr. Hunt advised 19 topics are identified in the 30(b)(6); Mr. Smith said that the question he presented fell under category 13, which asks about any changes in ownership between submission of the application and December 6, 2018; the pending question was what the ownership interest was at the inception. Court Reporter read the question into the record at counsel's request. Court noted this was the same question the Court previously ruled on. Mr. Smith advised the question simply was, "For what purpose was the entity formed?" and he got an instruction not to answer. Mr. Hunt responded that he did not instruct his client not to answer; what he said was that Mr. Smith identified that the question related to topic 13, but it does not have anything to do with it. COURT ORDERED, if counsel is not instructing the witness not to answer, then the witness will answer the question and the parties will move on. Mr. Smith stated that the problem he has is a long, speaking objection and that Mr. Hunt is telling him to go topic by topic and announce each topic before he moves on instead of asking questions; Mr. Hunt dictating the method of his examination will simply not fly. COURT ORDERED, counsel can ask the questions in any order he wants; however, since this is a 30 (b)(6) witness, it has to fall arguably within the scope of the categories; the Court will give counsel some leeway but counsel needs to focus on the scope of the 30(b)(6) designation.;

CASE SUMMARY**CASE NO. A-19-787004-B**

Matter Heard;

Journal Entry Details:

Court noted this started with Mr. Gentile's request to "Dan" (Judicial Executive Assistant) to move some deadlines; Mr. Hunt then sent the Governor's Directive 009 which the Court was unaware of until the Court read it; the Court's original indication was that if the parties all stipulated, the Court would be happy to move the deadlines; after reading the Governor's Directive, the Court believes the opposite is true, and the Court should not proceed on anything unless all of the parties stipulate that the Court proceed on something. Mr. Kemp advised that he stipulates to Mr. Gentile's request. Colloquy regarding pending motions, proposed extension, and the Governor's directives. Upon counsel's inquiry, Court noted it does not think it can reset a trial after reading the Governor's order and in the absence of a stipulation. COURT DIRECTED the parties to plan to have a status conference only this Friday and provide an update to the Court with additional information that they obtain; if everyone decides to reset other motions, the Court can discuss scheduling those; the Court can also discuss resetting the evidentiary hearing or trial if they are in a position to do so. Mr. Parker inquired whether everyone is agreeing on the phone or if something in writing needs to be done. COURT NOTED that there is a record and that the Court does not think a status conference would violate the Governor's order. Mr. Parker stipulated to having a conference this Friday and inquired whether a meet-and-confer among the parties would be helpful. Court directed Mr. Fetaz to contact the Judicial Executive Assistant. COURT ORDERED, extension GRANTED; oppositions DUE on April 17, 2020 and replies DUE on May 1, 2020. Further colloquy regarding the Governor's directives and amended notices of deposition. Court suggested it would be helpful for the parties to have a meet-and-confer prior to the status conference and directed the parties to notify the Court if they need more time than Friday. MM DEVELOPMENT COMPANY, INC.'S MOTION TO STRIKE AND/OR DISMISS D.H. FLAMINGO, INC.'S COUNTERCLAIM: Following arguments by Mr. Rulis and Mr. Kennedy, COURT ORDERED, motion DENIED. While the Court believes there are two avenues this claim could have been brought a counter claim to a counter claim is appropriate, and, given the standards for pleading, it is appropriately pled at this time. QUALCAN, LLC'S PETITION FOR WRIT OF MANDAMUS: Following arguments by Mr. Christiansen, Ms. Levin, Mr. Koch, and Mr. Parker, COURT ORDERED, the petition is premature, and the issue is not yet ripe; it will be addressed at the time of trial and may be argued in the second phase. Petition DENIED WITHOUT PREJUDICE. STATUS CHECK: RESET TRIAL DATE: COURT ORDERED, matters set on April 20, April 17, with the exception of the motions to compel and the motion to associate on April 17, as well as the matters on April 27 are all RESET on May 8, 2020. Court inquired as to how long the parties will need to complete discovery after the public health emergency. Mr. Kemp advised that he thinks it will take at least two weeks, and Mr. Bice agreed. Mr. Gentile advised he has no problem with the 2-week period but that perhaps this is something they need to talk about. Court noted the Governor has said that everyone should stay home until April 30; if the depositions do not go forward because of that and social distancing the Court will not force people to appear for their deposition. Mr. Gentile agreed with the 2-week timeframe and moving his side's depositions. Mr. Parker noted there may be more than 10 depositions; unless the parties agree to double track again he does not think they can complete those within 10 business days. Mr. Kemp concurred there are more than 10 depositions, but given the time limits he thinks they can be done within 10 business days. Colloquy regarding remaining depositions and noticing them. Mr. Schwarz noted that deponents may be in other states that may have travel restrictions. Upon Mr. Rose's inquiry, Court noted it will not order any depositions; the Court will grant a protective order if someone asked, but if the parties come up with a system the Court will allow them to do so. Mr. Gentile stated he will postpone Conner's and Pupo's. Upon Mr. Rose's inquiry, Mr. Rulis stated MM will move next week's depositions as well. Mr. Dzarnoski advised that Conner's and Pupo's deposition may impact the motion for summary judgment. Court noted the deadline has not changed; if they impact the motion for summary judgment counsel to include it in the language of their opposition. Upon Mr. Schwarz's inquiry, COURT NOTED that with regards to the motions in limine relating to experts whose depositions have not yet been taken, the Court will work with the parties, but other motions should have already been filed. COURT FURTHER NOTED that it is currently not going to reset trial on the June stack as everyone waits to find out what happens. Following arguments by Mr. Graff and Mr. Parker in support of their respective positions, COURT ORDERED, Motion for Reconsideration, GRANTED. COURT ADVISED the change of ownership letter dated April 19, 2019 was new information. The witnesses do not need to be produced by Clear River, however, it does not preclude Mr. Parker from taking their deposition, noting Clear River was not required to produce them given the change of ownership in April, 2019. As to Plaintiff's Motion to Compel, COURT stated its findings and ORDERED, Motion GRANTED. Court advised Mr. Graff he did not comply with the Nevada Supreme Court rules on sealing and redacting court records. COURT FURTHER ORDERED, Mr. Graff to produce documents within ten (10) days and to notify parties pursuant to paragraph 13 of the stipulated protective order in case A714476 of this Court's order, so if challenged, the Court can hear it immediately. Court advised there are a number of motions set on May 8, and it would like to do them in segments. It would like counsel, as a group, after the reply briefs are filed, to provide the Court with a proposed list of the schedule so the Court can determine how the parties are going to do the hearings. ;</i>

All parties appeared by telephone. CONSOLIDATED PARTY'S APPLICATION FOR ASSOCIATION OF COUNSEL UNDER NEVADA SUPREME COURT RULE 52: COURT ORDERED, motion RESET from the chambers calendar on this morning's calendar and GRANTED as unopposed. By accepting this admission, Counsel agrees to submit to jurisdiction and appear without subpoena for any proceedings required by the Court which relate to Counsel's conduct in this matter including motions, depositions, and evidentiary hearings. SCR 42(13)(a). ETW MANAGEMENT GROUP LLC'S MOTION TO COMPEL... PLAINTIFF'S MOTION TO COMPEL PRIVILEGE LOGS: Following arguments by Mr. Bult, Mr. Bice, Mr. Wight, Mr. Graf, Mr. Gutierrez, Ms. Shell, and Mr. Parker, COURT ORDERED, the meet-and-confer process was adequate. As a result, the Court will proceed with the motion; the text messages do not rise to the level of common interest protection, because they were not in anticipation of legal action or other legal proceedings; they were in the context of the application process, which is not a litigation proceeding; with respect to Greenmart, the identification of the consultant needs TO BE PROVIDED within five (5) days; because of the mixed roles of the attorneys in giving legal and business advice, those attorneys who assisted in the process needs to have those communications reviewed in camera; the parties may SUPPLEMENT their privilege logs related to attorney-client privilege within five (5) days; after the five-day period, ETW will review any supplemental privilege logs and make a determination as to whether they still have challenges; after that time, which is in about 10 days, ETW will PROVIDE the Court with a status report identifying those particular documents that remain at issue for which an in camera review is requested; if an in camera review is requested, the party who is seeking protection will need to SUBMIT the privilege log in Excel or Word on a thumb drive, the players list, and the redacted and unredacted versions of the documents for which they are seeking protection; those will be SUBMITTED BY MAIL; the Court and the Judicial Executive Assistant will arrange a way for the Court to review them after they are disinfected, and the thumb drives will be MARKED as Exhibits, SEALED, and placed in the Vault after the Court issues its ruling. Upon Mr. Parker's inquiry, COURT FURTHER ORDERED, it is NOT ORDERING production of the agreements; however, the Court is making a determination that because of the murky nature of the line between business and legal advice, there is no reason that the Court should award fees to any of the parties in this issue. COURT ORDERED, matter SET for status check on a status report by ETW on May 1, 2020 in chambers. After the Court receives that status report, the Court will issue a separate minute order identifying the particular documents that need to be provided for in camera review by each of the parties. COURT, addressing Mr. Bice, REITERATED that the text

messages need to be produced and that production in a week would be lovely. COURT FURTHER DIRECTED the parties to come up with a plan on how the motions set on May 8, 2020 will be divided prior to that time; otherwise, 3 days will be needed for these motions. At the request of Mr. Rulis, per discussion and agreement with Ms. Stout, COURT ORDERED, DH Flamingo's motion for summary judgment on MM Development counterclaims CONTINUED from May 8 to May 22, 2020. 5-1-20 CHAMBERS STATUS CHECK: ETW'S STATUS REPORT ON IDENTIFICATION OF PARTICULAR DOCUMENTS FOR REVIEW;

All parties appeared by telephone. Arguments by Mr. Parker, Mr. Fetaz, Mr. Christiansen, Mr. Bice, Mr. Shevorsi, Mr. Williamson, Ms. Shell, Mr. Schwarz, Mr. Wight, Mr. Prince, Mr. Dzarnoski, and Mr. Gentile. Court complimented counsel and their staff on the briefing and the way it was put together, including the voluminous exhibits. COURT, noting several requests for 56(d) relief, ORDERED, given the suspension of the depositions as a result of the public health emergency, and given the record before the Court, it is not necessary to continue for the completion of the depositions as the Court has been provided with the expert reports by the Plaintiffs. The testimony at the preliminary injunction is testimony under oath and for purposes of summary judgment is considered the same as a deposition. The findings of fact, however, are preliminary and are not entitled to the same consideration. The Court GRANTS IN PART Nevada Wellness' Motion for Summary Judgment with respect to the first claim for relief; the term "prospective owner" is not ambiguous; the term clearly means those owners at the time of the application who were seeking an award of a license; the Department of Taxation's decision to not require disclosure on the application and to not conduct background checks of persons owning less than 5% prior to the award of a conditional license is an impermissible deviation from the mandatory language of Ballot Question 2, which mandated a background check of each prospective owner, officer, and board member of a marijuana establishment license applicant; the citation to that is NRS 453d.200(6); the Department of Taxation acted beyond its scope of authority when it arbitrarily and capriciously replaced the mandatory requirement of Ballot Question 2 for the background

check of each prospective owner, officer, and board member with the 5% or greater standard in NAC 453.255(1); this decision by the Department of Taxation was not one they were permitted to make as it resulted in a modification of Ballot Question 2, in violation of Article 19, section 2, subsection 3, of the Nevada Constitution. COURT ORDERED, with respect to the remaining issues, the applicants were entitled to a fair process, but there remain genuine issues of material facts as to the Plaintiffs' claims, the causation, and the damages. For that reason, the remaining motions are DENIED WITHOUT PREJUDICE to be renewed at the conclusion of Plaintiffs' case at trial. Court further advised the parties that the courtroom has been marked with 25 blue post-it notes that comply with social distancing. COURT DIRECTED the parties to think, as a group, how they will present their case if only 25 participants plus court staff and witnesses are allowed in the courtroom; the Court will hear input from the parties at next Friday's hearing, which will use the same call-in information. Upon Mr. Graf's inquiry, Court reiterated that the term "prospective owner" is not ambiguous; it clearly means those owners at the time of the application who were seeking an award of a license and that the Court had read paragraphs 82 and 85 from the original findings of fact and conclusions of law;

Mr. Smith and Mr. Rulis present in the courtroom. Mr. Frank Hawkins, Mr. Parker's client, advised he was also on the conference call along with his partners. Court thanked Mr. Koch for a copy of the order from the Canadian court and inquired how paragraph 44 impacts the proceedings here. Mr. Gamble advised he saw a filing from Nevada Organic Remedies that came after they were provided with the Canadian bankruptcy petition indicating that the entities in this action were not part of the bankruptcy filing in Canada; he has not been able to locate any petition where the debtor in Canada sought recognition of the bankruptcy filing here in the United States, which would be a predicate. Court stated it understood. Mr. Koch advised there is a parent company but it is not a direct owner of his client; his position is that Nevada operations will continue; there is no request that this matter be stayed or modified in any way. Court inquired whether anyone disagreed with Mr. Koch's position. Mr. Rulis stated he agreed there is no stay and agreed with what Mr. Gamble said about there being no filing under Chapter 15 of the bankruptcy code. **COURT ORDERED**, given the position of Nevada Organic Remedies and the simple request made in paragraph 44 that has not been filed in the United States Bankruptcy Court, the Court will **PROCEED** with the hearing scheduled tomorrow. Court further advised that it can only accommodate 20 people in addition to court staff in the courtroom, so, it will keep the parties on the telephone tomorrow. Court further explained how this conference call originated, upon the inquiry of Ms. Shell.;

Arguments by Mr. Kennedy regarding the unfounded claims regarding statements by Mr. Spirtos, which intentionally interfered with and created an economic disadvantage for MM Development and third parties. Further arguments by Mr. Kennedy regarding the lack of merit of such claims, evidence of damages and causation. Argument by Mr. Kemp regarding the evidence provided and the damages caused to MM Development. Further arguments by Mr. Kemp regarding the viability of its claims against DH Flamingo. Upon Court's inquiry, Mr. Kemp advised in addition to the chart of stock prices, other evidence of damages suffered by MM Development included the testimony of his undeposed clients. Following arguments of counsel, Court ORDERED, Motion DENIED as there is limited evidence related to the damages; however, the stock price information provided in the Opposition is sufficient to defeat summary judgment. Further arguments by Mr. Kemp regarding the appeal filed to correct the errors and the independent and unilateral decision made by Mr. Jorge Pupo, instead of by hearing before the Tax Commission. Mr. Shevorski advised the Department of Taxation withdraw its counter motion and argued regarding the merits of and in opposition to the Motion. Further, arguments by Mr. Shevorski regarding question of facts related to the financial strength and unconditional strength of the applicant. Upon Court's inquiry, Mr. Shevorski advised he believed Mr. Pupo was correct as there is no appeal to the Tax Commission. Arguments by Mr. Bice, Ms. Shell and Mr. Koch in support of its various counter motions and Mr. Hone submitted on the pleadings. Following arguments by counsel, Court STATED, the appeal at the interlocutory order granting injunctive relief does not relieve the Court of jurisdiction in this matter and ORDERED, Motion GRANTED IN PART, solely as to the appeal of the scoring errors that were made to Mr. Pupo. For that issue, the relief granted by the Court is a REMAND to the Tax Commission and/or the Cannabis Compliance Board, whichever has authority or believes it has authority over the appeal made by MM Development and LivFree Wellness. Colloquy regarding scheduling and the changes thereto, Order Shortening Time regarding Bond and impact regarding certain matters related thereto, facilities to accommodation the parties during trial and various matters. DEFENDANT PURE TONICS' MOTION FOR SUMMARY JUDGMENT . . . PURE TONIC CONCENTRATES LLC'S MOTION FOR SUMMARY JUDGMENT ON ALL PLAINTIFFS' OPERATIVE COMPLAINTS Upon Court's inquiry, Mr. Hsu addressed the issue related to service. Mr. Hsu advised Pure Tonics Motion was e-filed and e-served to all the parties; no other service was made as it was believed to be unwarranted. Further, Mr. Hsu advised the opposition filed by the TGIG Plaintiffs and joinders by other parties indicated receipt of service of Pure Tonics Motion. Mr. Hsu argued Pure Tonics was an outlier party since the licenses granted were in the outlier counties of Storey and Humboldt. No other Plaintiff applied for a license in Storey County and only Rural Remedies applied in Humboldt County. Further, Mr. Hsu argued none of the Plaintiffs would receive a direct benefit if the Court set aside Pure Tonics licenses nor would there be a direct detriment if the Court allowed Pure Tonics licenses to remain in place. Mr. Gamble stood by his declaration of no service of Pure Tonics Motion; Mr. Parker and Mr.

Fetaz joined in Mr. Gamble's declaration of no service and arguments by Mr. Gamble and Mr. Parker in opposition to the merits of the Motion. Mr. Gentile argued regarding the impact on the market share by a rural county and Mr. Fetaz submitted on the pleadings. Further arguments by Mr. Hsu in support of service to all the parties of the Motion, on the merits of the Motion and the oppositions thereto. Following arguments of counsel, Court ORDERED, Motion GRANTED IN PART as to Storey County only since there were no other applicants in Storey County; while there is a potential issue regarding market share related to rural counties, since there were no other applications in those counties the argument fails. TGIG PLAINTIFFS' JOINDERS TO VARIOUS OPPOSITIONS Argument by Mr. Bult that good cause existed to grant ETW Plaintiffs' Motion, it was appropriate pursuant to NRS 233B.133 since the State did not file the record, and discovery had not concluded, including certain key depositions. Further, Mr. Bult argued the court suspended all dates of the trial protocol, except for the motions on the briefings as a result of the current CORVID-19 pandemic. Mr. Shervorski submitted on the State's Petition and made no further representations. Upon Court's inquiry, Mr. Shervorski advised the State did not file the record to generate the scheduling order since it was believed pursuant to the Order, the records were confidential. Following arguments of counsel, Court ORDERED, State to FILE the record and/or a motion to seal, if appropriate, within three weeks. CASE SUMMARY**CASE NO. A-19-787004-B**

APPEARANCES CONTINUED: Attorney Paul Conant. Court thanked the parties for submitting their status reports and inquired about the filing of the record by the D.O.T. Mr. Shevorski advised that he hopes to have it on file by Friday; if not on Friday, the week after, on Monday. Court further inquired about the nature of the State's agreement with Mr. Bult that caused the motion to be taken off calendar. Mr. Shevorski stated the nature of the agreement is this: since the Court granted the Plaintiffs more time and since it is 40 days from the filing of the record,, there is no reason for the motion on judgment on the pleadings based on the Court's prior order. Court advised there are 20 chairs in the courtroom which can be used by people other than court staff; this case has more than 20 people, not including party representatives; in order to try the case, the Court has to have another facility; there is a suggestion to use the jury assembly room across the bridge, which is available, except that on June 30th there will not be another facility this case can use in the building in the short term; rather than forcing the parties to start on June 15, the Court will give the parties a chance to convince the Court of other options given the limited realities of facilities that are available. Mr. Bice stated that his side believes the case should proceed; they do not want to delay this matter any longer than necessary; if the Court wants him to submit evidence on this point he can do so; even though his client has not been enjoined by the preliminary injunction, the Plaintiffs have been going around to local jurisdictions and telling them they should not approve any of the licenses because of this existing litigation; they are caught in a catch 22 and it is prejudicial to them for this matter to continue to drag on. Statement by the Court regarding objections. Mr. Bice inquired about a phone line in the jury room. COURT noted that it works but there is a problem with background noise, people talking over each other, etc. Mr. Parker advised that they scheduled depositions that go through July 7 or 9 as of this morning and they have depositions almost everyday starting next week; he does not see how starting on June 15 would work, as they also will be utilizing deposition transcripts. Court further noted it will not deny counsel the right to consult with their clients, but there are only 20 chairs in the courtroom. Court notes the other option is for the parties to rent a facility in another place. Mr. Parker advised they can look at a private space but it will be 3 times the size of the Court's courtroom to observe social distancing, but then they will have to go back to timing. Mr. Rulis inquired about the availability of the jury assembly room. Court stated the jury commissioner is going to start calling jurors for criminal trials; the Court will leave things to the parties, will await additional suggestions, and will give the parties one week to give the Court a plan. Upon Mr. Koch's inquiry regarding which claims to try, COURT NOTED that as long as it is not the claims involving the 1983 allegations, the Court will be happy to do anything in whatever order the parties can manage it. Mr. Bice advised the Plaintiffs are scheduling depositions into July; there is no reason for this to extend into July. COURT NOTED it will need a separate noticed motion from counsel and will sign an OST. Mr. Parker responded to Mr. Bice's argument regarding depositions. COURT directed counsel to file a motion. Court further directed the parties to think about the order they want to proceed; the 1983 items just need to be last. Mr. Hsu advised that in looking at A.O. 20-17 he would ask for him and his client to listen in by telephone. Court confirmed that is an option; the problem is if counsel wants to ask the witness questions it will be very difficult, especially if the witness is on video; that is the risk counsel takes if he appears by remote means.;

All Pending Motions (9:00 AM) (Judicial Officer: Gonzalez, Elizabeth)

Matter Heard; D.O.T. to SUBMIT record within 5 days

Journal Entry Details:

APPEARANCES CONTINUED: Attorney Dennis Kennedy and Attorney Kelly Stout for D H Flamingo; Attorney Stephanie Smith for Strive; Attorney Andrew Sharples for Circle S Farms. Parties appeared telephonically, except for Mr. Kemp who appeared in person. MM DEVELOPMENT COMPANY, INC., AND LIVEFREE WELLNESS, LLC'S MOTION TO RELEASE DUPLICATIVE SURETY BOND ON ORDER SHORTENING TIME: Following arguments by Mr. Kemp and Mr. Parker, COURT ORDERED, motion GRANTED. The bond from the surety may be removed and cash posted to bring the total cash deposit to \$5 million. PLAINTIFF NEVADA WELLNESS CENTER, LLC S MOTION TO STRIKE CERTAIN DEFENSES IN JORGE PUPO'S ANSWER TO SECOND AMENDED COMPLAINT...RURAL REMEDIES, LLC'S JOINDER IN NEVADA WELLNESS CENTER LLC'S MOTION TO STRIKE CERTAIN DEFENSES IN JORGE PUPO'S ANSWER TO SECOND AMENDED COMPLAINT...PLAINTIFF NEVADA WELLNESS CENTER, LLC'S MOTION TO STRIKE CERTAIN DEFENSES IN DEPARTMENT OF TAXATION'S ANSWER TO SECOND AMENDED COMPLAINT: Following arguments by Mr. Ireland, Ms. Welch, and Mr. Parker, COURT ORDERED, motion GRANTED IN PART as to the impossibility defense only and DENIED as to all others. DEFENDANT/RESPONDENTS' TWELVE TWELVE, LLC'S MOTION TO BE DISMISSED AS A PARTY AND WITHDRAW ITS NOTICE OF INTENT TO PARTICIPATE AND EX PARTE APPLICATION FOR ORDER SHORTENING TIME: Hearing no opposition, COURT ORDERED, motion GRANTED. ~ Upon Court's inquiry of Mr. Bice regarding the motion he mentioned at last week's conference call that he would submit on OST, Mr. Bice stated that he will submit an OST if not today, then tomorrow. ~ Court advised that the Chief Judge suggests the Fifth Street School location for the trial in this matter, because the Court is told that if they do not take advantage of the space, they will lose the ability to use it starting on July 24. Mr. Parker advised that he inquired about the Fifth Street School with the City, and the person in charge of booking said there is no time they can give that would span the length of time for this trial; he also checked with the City Council Chambers and the Clark County Commissioner Chambers, and so he is working with them on dates; he will report back to the Court and anyone else. Mr. Kemp advised that they also contacted the Smith Center, but no one could be found, as well as the Mob Museum about the old courthouse, but the quote per day is ridiculous. Mr. Bice advised they will have a proposal regarding LVCVA and hope to report to the Court this week. Following argument by Mr. Dzarnoski, COURT NOTED it is not having witnesses in the judicial review portion; that is not in the trial protocol. Mr. Dzarnoski continued to argue that in cases regarding alleged irregularity the Court may receive evidence; there is a vast amount of case law where they need to prove the irregularity of the process used; they should be allowed to clarify the record with additional evidence. COURT stated counsel MAY FILE a motion to modify the trial protocol to modify the procedure set forth in Phase I. Upon inquiry by Mr. Gamble, COURT CONFIRMED trial is not going forward on June 15. BAILEY KENNEDY'S MOTION TO WITHDRAW AS COUNSEL FOR D.H. FLAMINGO, INC. AND SURTERRA HOLDINGS, INC ON ORDER SHORTENING TIME: Upon Court's inquiry, Mr. Kennedy confirmed he has heard from the client as far as having to do with payment but not an opposition. COURT ORDERED, motion GRANTED. Counsel to prepare the order of withdrawal and include local Rule 7.42 that a corporation cannot appear in proper person as well as the client's email address and all future dates. COURT ORDERED, matter SET for a status check on resetting trial on Monday, June 2 at 9 am. ~ Court inquired of counsel for D.O.T. regarding the record. Ms. Levin explained they are in the process of filing the applications they need; some were not Bates numbered and some were missing score sheets; they have to determine who is in or who is out; some applications were produced confidentially, some with AEO, and some where not produced at all so they have to look at their internal records; due to the enormous size of these records, their proposal would be, to preserve everyone's confidentiality and designations, to put all of these applications and relevant score sheets on a sort of hard drive or jump drive and submit it to the Court subject to the protective order in place. COURT DECLINED the offer and DIRECTED counsel to FILE the record; counsel can FILE a motion to file portions under seal, but the record of the administrative agency needs to be filed, and the Court would appreciate the record being submitted immediately. Ms. Levin further argued as to the difficulty of the task. Mr. Bice and Mr. Parker argued. COURT NOTED it is the D.O.T. imposing the deadlines on everyone. Following further colloquy on the record submitted to the administrative agency, COURT ORDERED, the D.O.T. has five (5) days to comply and submit the record; counsel

may designate by numbers documents previously submitted to the Court or produced; if there is a request for supplementation that will be addressed by motion practice; it does not need to be the entire record; it may be the record plus all these other documents with Bates numbers. Mr. Graf objected to the production of their application in the petition for judicial review in the other part and inquired whether a pleading would have to be submitted. Court concurred they will have to submit a pleading.;

Court thanked counsel for D.O.T. for submitting the record on review and asked whether they have the index or whether there is access to it. Mr. Shevorski advised he is not sure if it is in the system. Court inquired as to what "not disclosed" meant. Mr. Shevorski advised that it was Ms. Levin who handled that, but he thinks that might be referring to applications they would have produced to the Plaintiffs and they never produced them back as part of them wanting anyone to consider. Upon further inquiry, Mr. Shevorski confirmed AEO is attorney's eyes only. Court noted that the D.O.T. is asking the parties to look at what was previously produced to them rather than filing with the Court publicly. Mr. Shevorski concurred. COURT DIRECTED the Plaintiffs to discuss on Thursday (June 18, 2020), on which day Mr. Bice's motion is set, whether there are any issues with the record submitted by the D.O.T. and to tell the Court whether there is anything new not previously exchanged by the parties or produced in discovery. Court RECESSED briefly. Following arguments by counsel regarding Qualcan's motion, COURT ORDERED, motion GRANTED IN PART; to the extent that Qualcan had previously disclosed its damages or had application fees that were incurred which the D.O.T. was on notice of, or to the extent that any party disclosed prior to the discovery cut-off which preceded Judge Bell's order, or provided information during the preliminary injunction hearing or any deposition that was a disclosure of damages bases or calculations, the Court will permit those parties to provide that; that includes Compassionate Team being able to seek application fees as mentioned when the Court ruled on the State's motion for summary judgment on May 8th; attorney's fees may be sought post-judgment if there is a valid legal basis for the attorney's fees but not as a separate element of damages because there was not a disclosure at that element of damages. Upon further inquiry by counsel, Court clarified that what it said on May 8th applied to all Plaintiffs and what the Court said on May 8th STANDS. ;</i>

All counsel appeared by telephone, except for Mr. Shevorski, Mr. Bice, and Mr. Jordan Smith, who appeared in person. Assistant Court Administrator Andres Moses also present. Court inquired of Mr. Parker, Mr. Gentile, and Mr. Bult whether they had a chance to look at the record that the State filed. Mr. Dzarnoski advised that they received the 73 parts of the administrative record and anticipate filing motions based on what they have read so far, which will include a motion for supplementation and to provide additional evidence and a motion to amend/modify the trial protocol; it will take 10 to 14 days to get those motions on file. Court asked what was missing with the record. Mr. Dzarnoski replied that he had not finished his analysis. Mr. Dzarnoski, Mr. Rulis, and Mr. Bult provided some examples of what they believed was missing. Mr. Parker advised he would also move for supplementation with recordings of the score reviews. Court encouraged counsel to contact Mr. Shevorski regarding large swaths of information that is missing. Upon Mr. Dzarnoski's inquiry, Court stated it is not requiring a meet-and-confer, just a heads up to Mr. Shevorski. With regards to the motion to set trial, Court noted it counted about 30 remaining depositions and asked how that can be when the discovery cut-off was before Judge Bell's administrative order, noting that the Court is not including the 1983 claims. Mr. Parker advised he does not believe there are 30 left; they took 2 yesterday and took some last week; they are also working with Mr. Shevorski and Ms. Levin in perhaps reducing one or two depositions; it would be difficult to get information from one of the witnesses as the witness has tongue cancer. Court noted it combined counsel's and Mr. Bult's lists, took out the duplicates, and got to 30. Following arguments by Mr. Bice, Mr. Conant, Mr. Gamble, Mr. Bult, Mr. Shevorski, Mr. Kahn, Mr. Prince, Mr. Wight, and Mr. Parker, COURT ORDERED, motion to set trial GRANTED. The Court will meet with Mr. Moses, who will contact the Las Vegas Convention and Visitors Authority and see what time and space constraints there are, noting the need for 14 rows of tables with 2 people per table, plus space for staff and the JAVS system, and, based upon that information, the Court will provide a trial date; if the parties want more than the JAVS, clerk's exhibits, electronic exhibits, and displays for the witness and court, the parties may want to provide their own equipment.;</i>

the Court was the last one. STATUS CHECK: Mr. Gamble advised that he needs to be with his wife for a battery of procedures beginning in July and asked whether the Court would consider a motion on OST to perhaps sever Rural Remedies from this action. COURT DIRECTED Mr. Gamble to send over an OST and the Court will be happy to address it. Court discussed the space to be designated as a temporary courtroom facility for the trial. Counsel confirmed they received the map. Mr. Williamson inquired whether they can use the repository for pre-trial disclosures. Court noted it does not know about the repository but if the parties reach an agreement the Court will be okay with it. Mr. Williamson inquired whether the pre-trial conference will be onsite or not. Court stated counsel may appear by telephone; however, the Court does not know whether the set-up will be finished by the 10th. Mr. Parker inquired whether the Court will allow them to serve the remaining 20 parties by publication. Court stated it WILL NOT. Upon Mr. Parker's further inquiry, Court confirmed it will entertain a motion. Mr. Smith advised they also have a motion to extend time for service set in July and will submit an OST. Mr. Smith inquired whether they should serve the parties that have already asked to be dismissed. Court stated it is up to counsel. Mr. Christiansen inquired about depositions or prior preliminary injunction hearing testimony. Court DIRECTED counsel to designate those ahead of time; there is an objection process in the amended trial protocol, and the Court will rule on that evidence at the pre-trial conference; during the case-in-chief, that evidence will be presented either by video or by a person reading the depositions. Further colloquy regarding witnesses. Upon Mr. Prince's inquiry regarding duplicative testimony, Court stated it will not rely on its memory of what happened over a year ago; witness testimony will have to be presented anew. Court FURTHER DIRECTED counsel to email the Court their best estimate of the length of this trial by Monday afternoon via a status report, understanding that there may be additional cancellations of conventions that will occur given Covid-19 issues.;

All appeared by telephone, with the exception of Mr. Parker, Mr. Bult, and Mr. Kemp, who appeared in person. Following arguments by Mr. Parker and Mr. Kemp, COURT stated it is very concerned about what appears to be discovery abuses, but the Court does not want counsel to make the position given some of the issues raised today other than what is in their papers. COURT ORDERED, matter SET for evidentiary hearing on the nature of the sanctions and the prejudice; if the State has a back-up or fallback position short of striking the pleading, the Court would like Mr. Shevorski to think about it, because the Court is very concerned given the length of time in the evidentiary hearing that was held in this case and the witness testimony. COURT ORDERED, the evidentiary hearing on the motion for case terminating sanctions will be held next Monday, Tuesday, and Wednesday, and no opening statements or witnesses in Phase II of the trial will commence until the evidentiary hearing is completed. Mr. Shevorski advised the Court of Ms. Cronkhite's unavailability on Monday and Tuesday. Ms. Levin

advised Mr. Gilbert will be there Monday. Mr. Graf noted for the record that Clear River filed an opposition to this motion and a joinder to the State's brief. Mr. Parker inquired about Mr. Hernandez. Ms. Levin advised that as far as she knows everyone else will be there. Mr. Bice argued that he does not want the Court accepting the representations of Mr. Parker and Mr. Kemp before his side responds; they would like to see the messages, as they have received zero messages by the Plaintiffs; furthermore, the Court denied his own motion for sanctions. Court stated this was a preservation order. Mr. Bice argued the Plaintiffs preserved nothing.;

CASE SUMMARY**CASE NO. A-19-787004-B**

advised the State plans to file a motion on OST regarding the State's writ in this case. Mr. Prince noted it deals with whether the State has the legal right to possess the cellphones of the individual D.O.T. employees; he believes they do not, but the Court needs to determine that as a threshold issue before going to case-terminating sanctions. COURT ORDERED, pursuant to the stipulation of the parties, all JOINT EXHIBITS are ADMITTED. Mr. Smith and Mr. Rulis advised there no stipulations yet to any of the Plaintiffs' or Defendants' proposed trial exhibits. COURT NOTED media files lodged with the Clerk are part of the Plaintiffs' exhibits, which remain proposed at this time. Mr. Rulis advised they did their best to redact any personally identifying information on the exhibits. With regards to any demonstrative exhibits, Mr. Prince advised that right now they do not have some, but he may use or create some depending on the testimony and will try to show it to the other side as soon as possible for their review and for the Court's review. COURT DIRECTED counsel to submit any proposed findings of fact and conclusions of law in MS Word format. With regards to objections to deposition designations, the Court advised it cannot rule on them today as the Court cannot touch paper; however, the Court can resolve any videos in lieu of live testimony. COURT RECESSED for counsel to confer. Mr. Rulis asked that the Court address witnesses beginning of next week. Mr. Rulis further advised that Litigation Services is willing to provide a real time reporter if the parties determine that is what they want; however, he believes the Court Recorder will be the official record and a transcript will be done as a result of that. Court directed counsel to coordinate with the Court Recorder. Mr. Rulis stated they will do so as soon as the parties have an agreement. Court advised it has now read the Nevada Supreme Court's decision regarding control of independent contractors vs. employees. Mr. Parker stated they received notice of that yesterday and that what they dealt with yesterday is on all D.O.T. employees. COURT ORDERED, parties may argue what it means on Monday (July 13, 2020). Mr. Shevorski advised the State will file a motion on the meaning of legal control with respect to employees, which they think is an important legal issue and would like an opportunity to brief. COURT ORDERED, that motion will be argued on Wednesday, July 15, 2020 at 9 am. Further argument by Mr. Prince regarding the issue of control. COURT, noting there is a continuum of issues related to control, which the Court would be happy to address, ORDERED, the request for a staged hearing is REJECTED; the Court will make a ruling together. Court made its disclosure regarding Cook and Kelesis. Colloquy between Court and counsel regarding the issue. Counsel detailed their witnesses. COURT ORDERED, to the extent there are objections that are public health related, the parties need to make sure those are accomplished, and if a little more time needs to be spent on it, it can be accommodated. Further colloquy regarding witness sequencing, the use of lapel mics, and proposed findings. Mr. Kemp advised his side will file an objection to Mr. Bice attempting to hijack the evidentiary hearing. be dark on Friday (August 7, 2020) because there is a cannabis board meeting at 10 am. Court noted it has not officially heard about it from the state, although the Court has heard about it from Mr. Gentile. Ms. Shell stated she knows of the meeting. Mr. Shevorski confirmed there is a meeting on Friday but that it will not last as long because it is only written comment; it will take an hour or less, and he does not think the parties will need to take a day off from the trial; he would ask that the trial recess at 9:45 and resume at 1 pm. Mr. Gentile advised that the written agenda says there is public comment at 10 and the parts of the settlement comes after, and then public comment, and then it says adjourn for possible action; it would be his request that they at least have the morning and then start trial in the afternoon. Court stated it will let Mr. Shevorski do more research. Mr. Prince noted that they simply need to make sure, because he has a witness who has a family medical issue. Mr. Gentile also noted that because the Plaintiffs cannot rest until they complete Ms. Cronkhite's testimony, and may need to take her deposition in order to preserve her testimony, they may make use of the extra time to do so. Testimony and exhibits presented. (See worksheets.) Mr. Shevorski, as an update, advised that Friday's cannabis board meeting will have written questions beforehand, that it will be publicly broadcast on Zoom, and written questions or comment will be read during the hearing; there will be no live questions. RECESS. Testimony and exhibits continued. LUNCH RECESS. Testimony and exhibits presented. (See worksheets.) COURT ORDERED, per counsel's request, trial will be DARK on Friday, August 7, 2020. RECESS. Testimony and exhibits continued. COURT ORDERED, trial CONTINUED. the Las Vegas Convention Center. APPEARANCES CONTINUED: Attorney Stephanie Smith for Natural Medicine; Attorney Leo Wolpert for GreenMart. Mr. Hsu and Mr. Gamble appeared by telephone. Colloquy regarding objections in Danette Kluever's deposition, sequencing of upcoming witnesses, and an update on Ms. Cronkhite's status. Testimony and exhibits presented. (See worksheets.) RECESS. Testimony and exhibits continued. Mr. Kemp advised that he and Mr. Shevorski wished to advise the Court that they have reached a partial settlement. Mr. Rulis placed on the record the parties who had settled. Mr. Kemp added that there is a tax commission meeting on Friday (July 31, 2020) by Zoom. Court excused from the remainder of today's proceedings the Plaintiffs who wished to leave. Ms. Sugden argued on behalf of her client, THC, a lack of transparency which prompted her and Ms. Chattah to file the motion (for TRO) set for Friday (July 31, 2020); they intend to oppose the settlement, as there are detrimental terms in the agreement that have not been disclosed; all they have are agenda items, and no stipulation has been circulated; there is a severe conflict of interest. COURT ORDERED, the motion for TRO will REMAIN on Friday (July 31, 2020) so it can be heard prior to the tax commission meeting. Ms. Chattah added that they have issues to present at the tax commission meeting; from the last draft of the settlement she saw, there was a provision, and she can only assume that the provision will carry on to the settlement, where the Plaintiffs who settle will file a motion to intervene as Defendants; also, she does not think the tax commission has jurisdiction over this, but she will go into more detail on Friday. Mr. Kemp advised that they intend to circulate the agreement within minutes and intend to file an opposition to the motion on Friday. LUNCH RECESS. Testimony and exhibits presented. (See worksheet.) Mr. Christiansen requested to withdraw his two motions ("Motion to Authorize Presentation of Testimony by Zoom Videoconferencing and to Reduce 7-Day Notice to 3 Days for Zoom Witnesses and Nevada Residents on Order Shortening Time"; "Qualcan, LLC's Motion to Admit into Evidence Prior Testimony and Documents Admitted During the Preliminary Injunction Hearing on Order Shortening Time"). COURT ORDERED, motions WITHDRAWN; however, the JOINDERS will REMAIN. RECESS. Testimony and exhibits continued. (See worksheet.) Colloquy regarding the plan for tomorrow and Friday. COURT ORDERED, the trial will be in session only in the morning of Friday, July 31st, to allow the parties to attend the tax commission meeting. COURT ORDERED, trial CONTINUED. COURT ORDERED, Danette Kluever's testimony STRICKEN; objections to be included at the next playback. Mr. Dzarnoski advised that they expected Mr. Pupo to testify tomorrow; however, he has seen emails between Mr. Gentile and Ms. Welch indicating that a motion was filed seeking authority to take witness testimony by Zoom; that has created an issue, but Mr. Gentile is insisting on the presence of Mr. Pupo tomorrow. Mr. Dzarnoski continued that he does not

Mr. Prince advised that it was clear as of last Friday that Mr. Pupo was going to testify; however, Mr. Rulis sent an email with Mr. Pupo's name red-lined, so no one prepared for him, and what is happening now is not fair to anyone. Court inquired of Mr. Rulis whether he sent an email canceling Mr. Pupo for tomorrow. Mr. Rulis confirmed that on Sunday, he sent an email with Mr. Pupo's name stricken. MOTION FOR PROTECTIVE ORDER ON ORDER SHORTENING TIME...STATUS CHECK AT COUNSEL'S REQUEST CONTINUATION OF EVIDENTIARY HEARING ON MOTION FOR CASE TERMINATING SANCTIONS APPEARANCES CONTINUED: Attorney Stephanie Smith for Natural Medicine; Frank Hawkins, Client Representative for Nevada Wellness. Mr. Williamson, Mr. Kohn, Mr. Kahn, Ms. Smith, Mr. Fetaz, Mr. Hawkins, Ms. Shell, Ms. Braster, Mr. Dzarnoski, Mr. Hone, Mr. Hsu, Ms. Barrett, Ms. Chattah, Mr. Mikhaylov, Mr. Slater, and Mr. Gamble appeared by telephone. Court acknowledged missive from the Nevada Supreme Court. MOTION FOR PROTECTIVE ORDER ON ORDER SHORTENING TIME: Argument by Ms. Welch. COURT ORDERED, Mr. Pupo's doctor's note MARKED as Court's Exhibit 1 and SEALED. (See worksheet.) COURT ORDERED, motion for protective order DENIED. STATUS CHECK AT COUNSEL'S REQUEST CONTINUATION OF EVIDENTIARY HEARING ON MOTION FOR CASE TERMINATING SANCTIONS: Mr. Parker advised that he was at Mr. Kemp's office when they got the missive from the Nevada Supreme Court; when he looked at the stay order, what Mr. Bice gave him yesterday morning, he did not recall the footnote itself. Mr. Parker suggested they all go with they all missed it. Court noted the letter is clear; everything in the February 7, 2020 order was stayed, and the Court is bound by that order. Mr. Parker read a portion of the order. Colloquy regarding the stay, footnote 4, and the items subject to the order before the motion to compel. Mr. Shevorski advised the writ of prohibition was served on the Law Clerk's and Judicial Executive Assistant's emails and provided the Court with the writ. COURT NOTED it thinks the Nevada Supreme Court has misunderstood what is at issue in the order and asked Mr. Shevorski again when all the items would be provided. Mr. Shevorski responded that Talova Davis expressly stated in her affidavit what she had done and that MM Development never challenged that. COURT ORDERED, preservation letter sent to the D.O.T. TO BE PROVIDED; if further action needs to be taken related to the lack of preservation, there will be a discussion about the D.O.T.'s problems internally since it is clear they did not preserve the phones, based on Mr. Pupo's testimony at the hearing. Mr. Shevorski advised the State will have to consider its position and perhaps take up a writ. Colloquy regarding Mr. Pupo's testimony and argument as to what the Plaintiffs seem to be trying to do. COURT NOTED that before resuming the evidentiary hearing the Court wants to give the State an opportunity to fix the issue. Mr. Shevorski advised they still have a pending motion to vacate that was supposed to be heard today, and he would like briefing on the current issue. COURT NOTED it has already made a determination under the sanctions motion; however, the Court is giving the State an opportunity which might mitigate against sanctions on the D.O.T.; the evidentiary hearing will not resume at this point. Argument regarding witness sequencing. COURT NOTED deposition designations for QuantumMark witnesses and objections thereto be submitted. COURT REMINDED counsel that 24 hours under the trial protocol is 24 hours. Court gave Mr. Graf until noon to provide his objections. COURT ORDERED, any objections to the Arbelaez and Flores depositions be EMAILED to the Judicial Executive Assistant.;

MOTION TO REMOVE FILING FROM ODYSSEY EFILENV...BENCH TRIAL Matters heard in the temporary courtroom facility designated by the Chief Judge in the Las Vegas

CASE SUMMARY

CASE NO. A-19-787004-B

Convention Center. APPEARANCES CONTINUED: Attorney Stephanie Smith for Natural Medicine; Attorney David Gutke for GTI; Attorney Joseph Mott for Thrive; Keith Capurro and John Marshall, Client Representatives for Deep Roots; Tisha Black, Client Representative for Clear River; Karalin Cronkhite, Client Representative for the State of Nevada Department of Taxation; Phil Peckman, Client Representative for Thrive. Mr. Gamble and Mr. Hsu appeared by telephone. Additional exhibits by Thrive verified by Court I.T. and lodged with the Court. Mr. Kemp advised that they have been working on a settlement and have only reached a partial one; in addition, Mr. Shevorski needs to consult with the chief of the Tax Commission and with former Chief Justice Douglas as a member of the Cannabis Compliance Board. Mr. Kemp further advised that they would like to continue opening statements until Monday, noting that they have gone through 15 drafts of the agreement for 2 days. COURT DECLINED counsel's request and asked him to notify the Court when they have reached a final deal. Mr. Shevorski explained the procedure. Mr. Gentile argued that because they prepared their entire case as a team, he will not be ready for opening statements until Monday. Mr. Williamson objected to continuing opening statements to Monday as he has mediation scheduled and requested they commence today. Mr. Bice agreed with continuing opening statements until tomorrow as the partial settlement, if successful, would streamline their case; however, they do not agree to continuing statements until Monday. Mr. Prince supported Mr. Kemp's request. Mr. Koch joined and agreed to just a one-day continuance. Mr. Graf stated he does not have a specific objection but noted that he simply wanted to make sure there are still pieces that need to fall in. Colloquy regarding remaining litigants after a successful partial settlement. COURT ORDERED, OPENING STATEMENTS CONTINUED until tomorrow, July 17, at 8:30 am. COURT FURTHER DIRECTED counsel for the State to prepare and submit to Department XI an order consistent with the writ served yesterday upon the Court. EMERGENCY MOTION FOR PROTECTIVE ORDER ON ORDER SHORTENING TIME: Court advised Ms. Welch that the Court did not review Mr. Pupo's doctor's note in camera; after it was provided in court, the Court sealed the note. Ms. Welch argued in support of the motion for protective order, explaining that Mr. Pupo is a vulnerable individual and that the purpose of this motion is to delay Mr. Pupo's testimony until the Court rules on tomorrow's motions, which include a motion for testimony via Zoom. Court explained the technical issues. Mr. Gentile argued in response and advised the Court of the witnesses they have lined up. Court, noting an email from the Assistant Court Administrator for I.T., explained that there is a sound issue in the current makeshift courtroom, which would be a problem from a record standpoint as there would not be a transcript for people testifying by Zoom. Minute Order (8:00 AM) (Judicial Officer: Gonzalez, Elizabeth)

*Minute Order: Nevada Wellness Center, LLC's Motion for Case Ending Sanctions on Order Shortening Time
Granted in Part;*

Journal Entry Details:

With respect to Nevada Wellness' motion for case terminating sanctions filed June 26, 2020: Following the interrupted evidentiary hearing on the motion, the Court heard additional evidence during the non-jury trial of this matter. The motion is GRANTED IN PART. While case terminating sanctions and/or an irrebuttable presumption were requested, after evaluation of the Ribiero factors, these are not appropriate. Given the production of certain text messages with Pupo by some Industry Defendants and their attorney, Amanda Connor, the impact of the loss of evidence was limited. As a result, the Court imposes an evidentiary sanction in connection with the Sanctions ruling that the evidence on Pupo's phone, if produced would have been adverse to the D.O.T. This presumption may be rebutted during trial. Mr. Shevorski to prepare the order. CLERK'S NOTE: A copy of this minute order was distributed via Odyssey File and Serve. / dr 8-24-20 ;

and regulations. Mr. Shevorski advised he simply wants to make sure he is not trying this matter by consent; the record on review consists only of the records related to D.O.T. and individual Plaintiffs; to the extent that counsel wants to expand the record and expand the review, the State objects. Court thanked counsel and stated it will LIMIT its ruling to that only but will not interrupt Mr. Dzarnoski's argument. Mr. Dzarnoski continued to argue in support of the petition, outlining the application process and advising the Plaintiffs believe the administrative record is complete. Mr. Dzarnoski further detailed the sample application and placed on the record offers of proof related to the creation of an application. Court noted counsel is supposed to provide factual information that if the Court permitted would supplement the record; that, and if any changes were made in any of the regulations would have to go to the Nevada tax commission. Mr. Dzarnoski continued with the offers of proof. RECESS at counsel's request. Proceeding resumed. Following further offers of proof by Mr. Dzarnoski, COURT ORDERED, to the extent that counsel has made proffers, the request is DENIED but of course, it is preserved for the record. Ms. Sugden advised she does not have anything at this time. Mr. Slater argued briefly, and Mr. Gamble joined in the arguments made. Response by Mr. Dzarnoski. LUNCH RECESS. Proceeding resumed with Mr. Dzarnoski's rebuttal. Court asked Mr. Slater as to where in the record his client's request is for an appeal to the tax commission and its rejection. Mr. Slater advised they are not recorded in the appeal on record. Ms. Chattah and Ms. Sugden joined in Mr. Dzarnoski's argument. Mr. Donath advised that to the extent applicable he would like to join Mr. Dzarnoski's argument as well. COURT ORDERED, matter SET for status check on the Court's decision on Phase 1 as well as a status check on Phase 3 SET on the Court's chambers calendar for September 18, 2020. COURT DIRECTED the parties to think about Phase 3, which will be limited to the 1983 claims plus all jury trial matters lumped together under Phase 3. The State and remaining Plaintiffs who have claims are to PROVIDE a status report on what needs to be done to schedule that; this Friday, any objections to release of the bond are DUE. Court inquired whether an evidentiary hearing or conference call is needed. Mr. Kahn advised that he is preparing an objection at this stage and an evidentiary hearing may be necessary to determine the amount of damages, unless the Court wants to limit it to evidence that has already been admitted. Court stated it will look at the objections when they come in. Court further advised it only has its courtroom on Tuesdays. COURT ORDERED, tomorrow's hearing is VACATED.;

Minute Order regarding the Issue of Release of the Bond

Minute Order - No Hearing Held;

Journal Entry Details:

The Court notes that Helping Hands has filed an objection to the release of the bond. The settling Plaintiffs and Helping Hands have also entered into a stipulation related to the release of bond funds. If any Plaintiff who did not enter into the stipulation filed September 16, 2020 wishes to contest the objector's position, a written response should BE FILED in 5 judicial days. If no written response is received from Plaintiff who did not enter into the stipulation filed September 16, 2020, the Court will address the release of bond funds solely based on the September 11 and September 16 filings and related documents. The Court recognizes that if a Plaintiff who did not enter into the stipulation filed September 16, 2020 provides a written response that an evidentiary hearing may be necessary. The Court having reviewed the Motion to Amend, the countermotion and the related briefing and being fully informed, denies both motions but clarifies as follows: The order (and its analysis) applies to all Plaintiffs whether settled or not. There is no need for the Court to specifically identify the entities as the State is the one enjoined not any of the applicants (whether settled or not). Counsel for the State is directed to submit a proposed order approved by opposing counsel consistent with the foregoing within ten (10) days and distribute a filed copy to all parties involved in this matter. Such order should set forth a synopsis of the supporting reasons proffered to the Court in briefing and argument. This Decision sets forth the Court's intended disposition on the subject but anticipates further order of the Court to make such disposition effective as an order. Parties appeared by telephone. Mr. Parker advised he does not believe they have much to do; they have identified an additional expert and produced additional documents; there may be need for a limited time of further deposition as they do not believe they had the opportunity to go through the 1983 issues with the witnesses, primarily Mr. Pupo; they would be ready for trial by May or June at the latest. Mr. Gamble agreed with Mr. Parker's assessment. Ms. Welch stated that based on some of the recent disclosures and experts they would like to do some limited written discovery; she agrees with the May - June timeframe; they are also now looking at a rebuttal expert. COURT ORDERED, Mr. Parker may question Mr. Pupo for a period not to exceed 4 hours and this may be done remotely; Mr. Gamble will have an additional not to exceed 2 hours, and Ms. Welch 1 hour or more; Mr. Parker cannot use Mr. Gamble's time. COURT ORDERED: There will no longer be any amendments; Supplemental initial expert disclosures where a party bears the burden of proof DUE by January 22, 2021; Rebuttal expert disclosures where a party does not bear the burden of proof DUE by February 26, 2021; Discovery cut-off SET for April 9, 2021; Dispositive motions and motions in limine TO BE FILED by May 7, 2021; Matter SET for jury trial (Phase III) on the stack beginning on June 28, 2021. Trial Setting Order will ISSUE. The Court is hopeful that the matters can be condensed so the Court and parties do not spend 6 weeks with the jury. Mr. Gamble expressed that he hopes the Court is aware there are claims that will go against D.O.T. that may have not been resolved in Phase II, specifically unjust enrichment. Court suggested that counsel may wish to file a motion on that issue.;

Having read and considered the pleadings filed by the parties, having reviewed the evidence admitted during this phase of the trial⁶, and having heard and carefully considered the testimony of the witnesses called to testify, having considered the oral and written arguments of counsel, and with the intent of deciding the remaining issues⁷ related to Legality of the 2018 recreational marijuana application process only⁸, the Court makes the following findings of fact and conclusions of law:

⁶ Due to the limited amount of discovery conducted prior to the Preliminary Injunction hearing and the large volume of evidence admitted during that 20-day evidentiary hearing, the Court required parties to reoffer evidence previously utilized during that hearing.

⁷ The Court granted partial summary judgment on the sole issue previously enjoined. The order entered 8/17/2020 states:

PROCEDURAL POSTURE

Plaintiffs are a group of unrelated commercial entities who applied for, but did not receive, licenses to operate retail recreational marijuana establishments in various local jurisdictions throughout the state. Defendant is the DoT, which was the administrative agency responsible for issuing the licenses at the times subject to these complaints. Some successful applicants for licensure intervened as Defendants.

The Attorney General's Office was forced to deal with a significant impediment at the early stages of the litigation. This inability to disclose certain information was outside of its control because of confidentiality requirements that have now been slightly modified by SB 32. Although the parties stipulated to a protective order on May 24, 2019, many documents produced in preparation for the trial and for discovery purposes were heavily redacted or produced as attorney's eyes only because of the highly competitive nature of the industry and sensitive financial and commercial information involved. Many admitted exhibits are heavily redacted and were not provided to the Court in unredacted form.

After Judge Bailus issued the preservation order in A785818 on December 13, 2018, the Attorney General's Office sent a preservation letter to the DoT. Pupo, Deputy Director of the DoT, testified he was not told to preserve his personal cellular phone heavily utilized for work purposes. He not only deleted text messages from the phone after the date of the preservation order but also was unable to produce his phone for a forensic examination and extraction of discoverable materials. The Court finds evidence has been irretrievably lost as a result of his actions.

While case terminating sanctions and/or an irrebuttable presumption were requested, after evaluation of the Ribiero factors, given the production of certain text messages with Pupo by some

[T]he DoT acted beyond the scope of its authority by replacing the requirement for a background check of each prospective owner with the 5 percent or greater standard in NAC 453D.255(1).

The entry of these findings will convert the preliminary injunction on this issue to a permanent injunction.

⁸ While several plaintiffs have reached a resolution of their claims with the State and certain Industry Defendants, the claims of the remaining plaintiffs remain virtually the same. At the time of the issuance of this decision, the following plaintiffs have advised the Court they have reached a resolution with the State and certain Industry Defendants:

ETW Management Group, LLC; Libra Wellness Center, LLC; Rombough Real Estate, Inc. dba Mother Herb; Just Quality, LLC; Zion Gardens, LLC; Global Harmony, LLC; MM Development, LLC; LivFree Wellness, LLC; Nevada Wellness Center, LLC; Qualcan, LLC; High Sierra Holistics, LLC; Natural Medicine, LLC.

1 Industry Defendants and their attorney Amanda Connor, the impact of the loss of evidence was limited.
2 As a result, the Court imposes an evidentiary sanction in connection with the Sanctions ruling that the
3 evidence on Pupo's phone, if produced, would have been adverse to the DoT.⁹

4 PRELIMINARY STATEMENT

5 All parties agree that the language of an initiative takes precedence over any regulation that is in
6 conflict and that an administrative agency has some discretion in determining how to implement the
7 initiative. The Court gives deference to the agency in establishing those regulations and creating the
8 framework required to implement those provisions in conformity with the initiative.

9 The initiative to legalize recreational marijuana, Ballot Question 2 ("BQ2"), went to the voters
10 in 2016. The language of BQ2 is independent of any regulations that were adopted by the DoT. The
11 Court must balance the mandatory provisions of BQ2 (which the DoT did not have discretion to
12 modify¹⁰), those provisions with which the DoT was granted some discretion in implementation¹¹, and

13 ⁹ Given the text messages produced by certain Industry Defendants and Amanda Connor, any presumption is
14 superfluous given the substance of the messages produced.

15 ¹⁰ Article 19, Section 2(3) provides the touchstone for the mandatory provisions:

16 An initiative measure so approved by the voters shall not be amended, annulled, repealed, set aside or
suspended by the Legislature within 3 years from the date it takes effect.

17 ¹¹ NRS 453D.200(1) required the adoption of regulations for the licensure and oversight of recreational marijuana
18 cultivation, manufacturing/production, sales and distribution, but provides the DoT discretion in exactly what those
regulations would include:

19 . . . the Department shall adopt all regulations necessary or convenient to carry out the provisions of this chapter.
20 The regulations must not prohibit the operation of marijuana establishments, either expressly or through regulations
that make their operation unreasonably impracticable. The regulations shall include:

21 (a) Procedures for the issuance, renewal, suspension, and revocation of a license to operate a marijuana
establishment;

22 (b) Qualifications for licensure that are directly and demonstrably related to the operation of a marijuana
establishment;

23 (c) Requirements for the security of marijuana establishments;

24 (d) Requirements to prevent the sale or diversion of marijuana and marijuana products to persons under 21
years of age;

25 (e) Requirements for the packaging of marijuana and marijuana products, including requirements for child-
resistant packaging;

26 (f) Requirements for the testing and labeling of marijuana and marijuana products sold by marijuana
establishments including a numerical indication of potency based on the ratio of THC to the weight of a product
intended for oral consumption;

27 (g) Requirements for record keeping by marijuana establishments;

28 (h) Reasonable restrictions on signage, marketing, display, and advertising;

(i) Procedures for the collection of taxes, fees, and penalties imposed by this chapter;

(j) Procedures and requirements to enable the transfer of a license for a marijuana establishment to another
qualified person and to enable a licensee to move the location of its establishment to another suitable location;

the inherent discretion of an administrative agency to implement regulations to carry out its statutory duties. The Court must give great deference to those activities that fall within the discretionary functions of the agency. Deference is not given where the actions of the DoT were in violation of BQ2 or were arbitrary and capricious.

FINDINGS OF FACT

1. Nevada allows voters to amend its Constitution or enact legislation through the initiative process. Nevada Constitution, Article 19, Section 2.

2. In 2000, the voters amended Nevada's Constitution to allow for the possession and use of marijuana to treat various medical conditions. Nevada Constitution, Article 4, Section 38(1)(a). The initiative left it to the Legislature to create laws "[a]uthoriz[ing] appropriate methods for supply of the plant to patients authorized to use it." Nevada Constitution, Article 4, Section 38(1)(e).

3. For several years prior to the enactment of BQ2, the regulation of medical marijuana dispensaries had not been taken up by the Legislature. Some have argued in these proceedings that the delay led to the framework of BQ2.

4. In 2013, Nevada's legislature enacted NRS 453A, which allows for the cultivation and sale of medical marijuana. The Legislature described the requirements for the application to open a medical marijuana establishment. NRS 453A.322. The Nevada Legislature then charged the Division of Public and Behavioral Health with evaluating the applications. NRS 453A.328.

5. The materials circulated to voters in 2016 for BQ2 described its purpose as the amendment of the Nevada Revised Statutes as follows:

Shall the *Nevada Revised Statutes* be amended to allow a person, 21 years old or older, to purchase, cultivate, possess, or consume a certain amount of marijuana or concentrated marijuana, as well as manufacture, possess, use, transport, purchase, distribute, or sell marijuana paraphernalia; impose a 15 percent excise tax on wholesale sales of marijuana; require the

(k) Procedures and requirements to enable a dual licensee to operate medical marijuana establishments and marijuana establishments at the same location;

(l) Procedures to establish the fair market value at wholesale of marijuana; and

(m) Civil penalties for the failure to comply with any regulation adopted pursuant to this section or for any violation of the provisions of [NRS 453D.300](#).

1 regulation and licensing of marijuana cultivators, testing facilities, distributors, suppliers, and
2 retailers; and provide for certain criminal penalties?

3 6. BQ2 was enacted by the Nevada Legislature and is codified at NRS 453D.¹²

4 7. BQ2 specifically identified regulatory and public safety concerns:

5 The People of the State of Nevada proclaim that marijuana should be regulated in a manner
6 similar to alcohol so that:

7 (a) Marijuana may only be purchased from a business that is licensed by the State of
8 Nevada;

9 (b) Business owners are subject to a review by the State of Nevada to confirm that the
10 business owners and the business location are suitable to produce or sell marijuana;

11 (c) Cultivating, manufacturing, testing, transporting and selling marijuana will be strictly
12 controlled through State licensing and regulation;

13 (d) Selling or giving marijuana to persons under 21 years of age shall remain illegal;

14 (e) Individuals will have to be 21 years of age or older to purchase marijuana;

15 (f) Driving under the influence of marijuana will remain illegal; and

16 (g) Marijuana sold in the State will be tested and labeled.

17 NRS 453D.020(3).

18 8. BQ2 mandated the DoT to “conduct a background check of each prospective owner,
19 officer, and board member of a marijuana establishment license applicant.” NRS 453D.200(6).

20 9. On November 8, 2016, by Executive Order 2017-02, Governor Brian Sandoval
21 established a Task Force composed of 19 members to offer suggestions and proposals for legislative,
22 regulatory, and executive actions to be taken in implementing BQ2.

23 10. The Nevada Tax Commission adopted temporary regulations allowing the state to issue
24 recreational marijuana licenses by July 1, 2017 (the “Early Start Program”). Only medical marijuana
25 establishments that were already in operation could apply to function as recreational retailers during the
26 early start period. The establishments were required to be in good standing and were required to pay a
27 one-time, nonrefundable application fee as well as a specific licensing fee. The establishment also was
28 required to provide written confirmation of compliance with their municipality’s zoning and location
requirements.

¹² As the provisions of BQ2 and the sections of NRS 453D in effect at the time of the application process (with the exception of NRS 453D.205) are identical, for ease of reference the Court cites to BQ2 as enacted by the Nevada Legislature during the 2017 session in NRS 453D.

1 11. The Task Force’s findings, issued on May 30, 2017, referenced the 2014 licensing
2 process for issuing Medical Marijuana Establishment Registration Certificates under NRS 453A. The
3 Task Force recommended that “the qualifications for licensure of a marijuana establishment and the
4 impartial numerically scored bidding process for retail marijuana stores be maintained as in the medical
5 marijuana program except for a change in how local jurisdictions participate in selection of locations.”

6 12. During the 2017 legislative session, Assembly Bill 422 transferred responsibility for the
7 registration, licensing, and regulation of marijuana establishments from the State of Nevada Division of
8 Public and Behavioral Health to the DoT.¹³

9
10 13. On February 27, 2018, the DoT adopted regulations governing the issuance, suspension,
11 or revocation of retail recreational marijuana licenses in LCB File No. R092-17, which were codified in
12 NAC 453D (the “Regulations”).

13 14. The Regulations for licensing were to be “directly and demonstrably related to the
14 operation of a marijuana establishment.” NRS 453D.200(1)(b). The phrase “directly and demonstrably
15 related to the operation of a marijuana establishment” is subject to more than one interpretation.
16

17 15. Each of the Plaintiffs were issued marijuana establishment licenses involving the
18 cultivation, production and/or sale of medicinal marijuana in or about 2014.
19
20
21

22 ¹³ Those provisions (a portion of which became NRS 453D.205) are consistent with BQ2:
23

24 1. When conducting a background check pursuant to subsection 6 of [NRS 453D.200](#), the Department may
25 require each prospective owner, officer and board member of a marijuana establishment license applicant to submit
a complete set of fingerprints and written permission authorizing the Department to forward the fingerprints to the
Central Repository for Nevada Records of Criminal History for submission to the Federal Bureau of Investigation
for its report.

26 2. When determining the criminal history of a person pursuant to paragraph (c) of subsection 1 of [NRS](#)
27 [453D.300](#), a marijuana establishment may require the person to submit to the Department a complete set of
fingerprints and written permission authorizing the Department to forward the fingerprints to the Central
Repository for Nevada Records of Criminal History for submission to the Federal Bureau of Investigation for its
28 report.

1 16. A person holding a medical marijuana establishment registration certificate could apply
2 for one or more recreational marijuana establishment licenses within the time set forth by the DoT in
3 the manner described in the application. NAC 453D.268.¹⁴

4
5 ¹⁴ Relevant portions of that provision require that application be made

6 ... by submitting an application in response to a request for applications issued pursuant to [NAC 453D.260](#) which
7 must include:

8 ***

9 2. An application on a form prescribed by the Department. The application must include, without limitation:

- 10 (a) Whether the applicant is applying for a license for a marijuana establishment for a marijuana cultivation
11 facility, a marijuana distributor, a marijuana product manufacturing facility, a marijuana testing facility or a retail
12 marijuana store;
13 (b) The name of the proposed marijuana establishment, as reflected in both the medical marijuana establishment
14 registration certificate held by the applicant, if applicable, and the articles of incorporation or other documents filed
15 with the Secretary of State;
16 (c) The type of business organization of the applicant, such as individual, corporation, partnership, limited-liability
17 company, association or cooperative, joint venture or any other business organization;
18 (d) Confirmation that the applicant has registered with the Secretary of State as the appropriate type of business,
19 and the articles of incorporation, articles of organization or partnership or joint venture documents of the applicant;
20 (e) The physical address where the proposed marijuana establishment will be located and the physical address of
21 any co-owned or otherwise affiliated marijuana establishments;
22 (f) The mailing address of the applicant;
23 (g) The telephone number of the applicant;
24 (h) The electronic mail address of the applicant;
25 (i) A signed copy of the Request and Consent to Release Application Form for Marijuana Establishment License
26 prescribed by the Department;
27 (j) If the applicant is applying for a license for a retail marijuana store, the proposed hours of operation during
28 which the retail marijuana store plans to be available to sell marijuana to consumers;
29 (k) An attestation that the information provided to the Department to apply for the license for a marijuana
30 establishment is true and correct according to the information known by the affiant at the time of signing; and
31 (l) The signature of a natural person for the proposed marijuana establishment as described in subsection 1 of [NAC
32 453D.250](#) and the date on which the person signed the application.

33 3. Evidence of the amount of taxes paid, or other beneficial financial contributions made, to this State or its
34 political subdivisions within the last 5 years by the applicant or the persons who are proposed to be owners, officers
35 or board members of the proposed marijuana establishment.

36 4. A description of the proposed organizational structure of the proposed marijuana establishment, including,
37 without limitation:

- 38 (a) An organizational chart showing all owners, officers and board members of the proposed marijuana
39 establishment;
40 (b) A list of all owners, officers and board members of the proposed marijuana establishment that contains the
41 following information for each person:

- 42 (1) The title of the person;
43 (2) The race, ethnicity and gender of the person;
44 (3) A short description of the role in which the person will serve for the organization and his or her
45 responsibilities;

46 (4) Whether the person will be designated by the proposed marijuana establishment to provide written notice to
47 the Department when a marijuana establishment agent is employed by, volunteers at or provides labor as a
48 marijuana establishment agent at the proposed marijuana establishment;

49 (5) Whether the person has served or is currently serving as an owner, officer or board member for another
50 medical marijuana establishment or marijuana establishment;

51 (6) Whether the person has served as an owner, officer or board member for a medical marijuana establishment
52 or marijuana establishment that has had its medical marijuana establishment registration certificate or license, as
53 applicable, revoked;

1 NRS 453D.210(6) mandated the DoT to use “an impartial and numerically scored competitive bidding
2 process” to determine successful applicants where competing applications were submitted.

3 17. NAC 453D.272(1) provides the procedure for when the DoT receives more than one
4 “complete” application for a single county. Under this provision the DoT will determine if the

5 (7) Whether the person has previously had a medical marijuana establishment agent registration card or
6 marijuana establishment agent registration card revoked;

7 (8) Whether the person is an attending provider of health care currently providing written documentation for the
8 issuance of registry identification cards or letters of approval;

9 (9) Whether the person is a law enforcement officer;

10 (10) Whether the person is currently an employee or contractor of the Department; and

11 (11) Whether the person has an ownership or financial investment interest in any other medical marijuana
12 establishment or marijuana establishment.

13 5. For each owner, officer and board member of the proposed marijuana establishment:

14 (a) An attestation signed and dated by the owner, officer or board member that he or she has not been convicted of
15 an excluded felony offense, and that the information provided to support the application for a license for a
16 marijuana establishment is true and correct;

17 (b) A narrative description, not to exceed 750 words, demonstrating:

18 (1) Past experience working with governmental agencies and highlighting past experience in giving back to the
19 community through civic or philanthropic involvement;

20 (2) Any previous experience at operating other businesses or nonprofit organizations; and

21 (3) Any demonstrated knowledge, business experience or expertise with respect to marijuana; and

22 (c) A resume.

23 6. Documentation concerning the size of the proposed marijuana establishment, including, without limitation,
24 building and general floor plans with supporting details.

25 7. The integrated plan of the proposed marijuana establishment for the care, quality and safekeeping of marijuana
26 from seed to sale, including, without limitation, a plan for testing and verifying marijuana, a transportation or
27 delivery plan and procedures to ensure adequate security measures, including, without limitation, building security
28 and product security.

8. A plan for the business which includes, without limitation, a description of the inventory control system of the
proposed marijuana establishment to satisfy the requirements of [NRS 453D.300](#) and [NAC 453D.426](#).

9. A financial plan which includes, without limitation:

(a) Financial statements showing the resources of the applicant;

(b) If the applicant is relying on money from an owner, officer or board member, evidence that the person has
unconditionally committed such money to the use of the applicant in the event the Department awards a license to
the applicant and the applicant obtains the necessary approvals from the locality to operate the proposed marijuana
establishment; and

(c) Proof that the applicant has adequate money to cover all expenses and costs of the first year of operation.

10. Evidence that the applicant has a plan to staff, educate and manage the proposed marijuana establishment on a
daily basis, which must include, without limitation:

(a) A detailed budget for the proposed marijuana establishment, including pre-opening, construction and first-year
operating expenses;

(b) An operations manual that demonstrates compliance with this chapter;

(c) An education plan which must include, without limitation, providing educational materials to the staff of the
proposed marijuana establishment; and

(d) A plan to minimize the environmental impact of the proposed marijuana establishment.

11. If the application is submitted on or before November 15, 2018, for a license for a marijuana distributor,
proof that the applicant holds a wholesale dealer license issued pursuant to [Chapter 369](#) of NRS, unless the
Department determines that an insufficient number of marijuana distributors will result from this limitation.

12. A response to and information which supports any other criteria the Department determines to be relevant,
which will be specified and requested by the Department at the time the Department issues a request for
applications which includes the point values that will be allocated to the applicable portions of the application
pursuant to subsection 2 of [NAC 453D.260](#).

1 “application is complete and in compliance with this chapter and Chapter 453D of NRS, the
2 Department will rank the applications . . . in order from first to last based on the compliance with the
3 provisions of this chapter and Chapter 453D of NRS and on the content of the applications relating
4 to . . .” several enumerated factors. NAC 453D.272(1).

5 18. The factors set forth in NAC 453D.272(1) that are used to rank competing applications
6 received for a single county (collectively, the “Factors”) are:

- 7
- 8 (a) Whether the owners, officers or board members have experience operating another kind
9 of business that has given them experience which is applicable to the operation of a marijuana
10 establishment;
 - 11 (b) The diversity of the owners, officers or board members of the proposed marijuana
12 establishment;
 - 13 (c) The educational achievements of the owners, officers or board members of the proposed
14 marijuana establishment;
 - 15 (d) The financial plan and resources of the applicant, both liquid and illiquid;
 - 16 (e) Whether the applicant has an adequate integrated plan for the care, quality and
17 safekeeping of marijuana from seed to sale;
 - 18 (f) The amount of taxes paid and other beneficial financial contributions, including, without
19 limitation, civic or philanthropic involvement with this State or its political subdivisions, by the
20 applicant or the owners, officers or board members of the proposed marijuana establishment;
 - 21 (g) Whether the owners, officers or board members of the proposed marijuana establishment
22 have direct experience with the operation of a medical marijuana establishment or marijuana
23 establishment in this State and have demonstrated a record of operating such an establishment in
24 compliance with the laws and regulations of this State for an adequate period of time to
25 demonstrate success;
 - 26 (h) The (unspecified) experience of key personnel that the applicant intends to employ in
27 operating the type of marijuana establishment for which the applicant seeks a license; and
 - 28 (i) Any other criteria that the Department determines to be relevant.

19. Each of the Factors is within the DoT’s discretion in implementing the application
process provided for in BQ2. The DoT had a good-faith basis for determining that each of the Factors
is “directly and demonstrably related to the operation of a marijuana establishment.”

20. Pupo met with several of the applicants’ agent, Amanda Conner, Esq., numerous times
for meals in the Las Vegas Valley. Pupo also met with representatives of several of the applicants in
person. These meetings appeared to relate to regulatory, disciplinary and application issues.

1 21. The DoT posted the application on its website and released the application for
2 recreational marijuana establishment licenses on July 6, 2018.¹⁵

3 22. The DoT used a Listserv¹⁶ to communicate with prospective applicants.

4 23. While every medical marijuana certificate holder was required to have a contact person
5 with information provided to the DoT for purposes of communication, not every marijuana
6 establishment maintained a current email or checked their listed email address regularly, and some of
7 the applicants contend that they were not aware of the revised application.
8

9 24. Applications were accepted from September 7, 2018 through September 20, 2018.

10 25. The DoT elected to utilize a bright line standard for evaluating the factor “operating
11 such an establishment in compliance” of whether the applicant was suspended or revoked.¹⁷ If an
12 applicant was suspended or revoked they were not qualified to apply. This information was
13 communicated in the cover letter with the application.¹⁸ This decision was within the discretion of the
14 DoT.
15
16
17
18

19 ¹⁵ The DoT made a change to the application after circulating the first version of the application to delete the
20 requirement of a physical location. The modification resulted in a different version of the application bearing the same
“footer” with the original version remaining available on the DoT’s website.

21 ¹⁶ According to Dictionary.com, the term “Listserv” is used to refer to online mailing list. When capitalized it refers
22 to a proprietary software.

23 ¹⁷ The method by which certain disciplinary matters (self-reported or not) were resolved by the DoT would not affect
the grading process.

24 ¹⁸ The cover letter reads in part:

25 All applicants are required to be in compliance with the following:

26 All licenses, certificates, and fees are current and paid;

27 Applicant is not delinquent in the payment of any tax administered by the Department or is not in default on
payment required pursuant to a written agreement with the Department; or is not otherwise liable to the Department
for the payment of money;

28 No citations for illegal activity or criminal conduct; and

Plans of correction are complete and on time, or are in progress within the required 10 business days.

1 26. The DoT utilized a question and answer process through a generic email account at
2 marijuana@tax.state.nv.us to allow applicants to ask questions and receive answers directly from the
3 DoT, and that information was not further disseminated by the DoT to other applicants.¹⁹

4 27. The cover letter with the application advised potential applicants of the process for
5 questions:

6 Do not call the division seeking application clarification or guidance.
7 Email questions to marijuana@tax.state.nv.us

8 28. No statutory or regulatory requirement for a single point of contact process required the
9 DoT to adopt this procedure.

10 29. As the individual responsible for answering the emailed questions stated:

11 Jorge Pupo is the MED deputy Director. Steve Gilbert is program manager and reports to Jorge.
12 I report to Steve. Steve prefers to not have the world know our structure. He likes industry folks
13 knowing though and addressing them. He has all questions come to me. One's I can't answer,
14 he fields and has me respond, then if he can't then Jorge gets them and Jorge has me respond.
That's the goal anyway. ☺

15 Ky Plaskon text to Rebecca Gaska 9/18/2018, Exhibit 1051.

16 30. Some applicants abided by this procedure.

17 31. The DoT did not post the questions and answers so that all potential applicants would be
18 aware of the process

19 32. The DoT made no effort to ensure that the applicants received the same answers
20 regardless of which employee of the DoT the applicant asked.

21 33. On July 9, 2018, at 4:06 pm, Amanda Connor sent a text to Pupo:

22 List of things for us to talk about when you can call me:

23 Attachment E

24 Attachment I

25 Requirement for a location or physical address

26 Attachment F

Requirement for initial licensing fee

27 ¹⁹ This single point of contact process had been used in the 2014 medical marijuana establishment application period.
28 The questions and answers were posted to the department's website for all potential applicants to review and remain there to
this day. Exhibit 2038.

1 Transfers of ownership

2
3 Exhibit 1588-052.

4 34. Although Pupo tried to direct Amanda Connor to Steve Gilbert, she texted him that she
5 would wait rather than speak to someone else.

6 35. On the morning of July 11, 2018, Pupo and Amanda Connor spoke for twenty-nine
7 minutes and forty-five seconds.²⁰

8
9 36. Despite the single point of contact process being established, the DoT departed from this
10 procedure. By allowing certain applicants and their representatives to personally contact the DoT
11 employee about the application process, the DoT violated its own established procedures for the
12 application process.

13 37. After the posting of the application on July 6, 2018, Pupo decided to eliminate the
14 physical location requirement outlined in NRS 453D.210(5) and NAC 453D.265(b)(3).²¹

15
16 38. The DoT published a revised application on July 30, 2018. This revised application was
17 sent to all participants via the DoT's Listserv. The revised application modified physical address
18 requirements. For example, a sentence on Attachment A of the application, prior to this revision, the
19 sentence had read, "Marijuana Establishment's proposed physical address (this must be a Nevada
20 address and cannot be a P.O. Box)." The revised application on July 30, 2018, read: "Marijuana
21 Establishment's proposed physical address if the applicant owns property or has secured a lease or
22 other property agreement (this must be a Nevada address and not a P.O. Box). Otherwise, the
23 applications are virtually identical.
24

25
26
27 ²⁰ Exhibit 1809-054.

28 ²¹ It is unclear whether Pupo had communications similar to those with Amanda Connor with other potential applicants or their agents as Pupo did not preserve the data from his cell phone.

1 39. The DoT sent a copy of the revised application through the Listserv used by the DoT.
2 Not all Plaintiffs' correct emails were included on this list.

3 40. The July 30, 2018, application, like its predecessor, described how applications were to
4 be scored. The scoring criteria was divided into identified criteria and non-identified criteria. The
5 maximum points that could be awarded to any applicant based on these criteria was 250 points.

6 41. The identified criteria consisted of organizational structure of the applicant (60 points);
7 evidence of taxes paid to the State of Nevada by owners, officers, and board members of the applicant
8 in the last 5 years (25 points); a financial plan (30 points); and documents from a financial institution
9 showing unencumbered liquid assets of \$250,000 per location for which an application is submitted.

10 42. The non-identified criteria²² all consisted of documentation concerning the integrated
11 plan of the proposed marijuana establishment for the care, quality and safekeeping of marijuana from
12 seed to sale (40 points); evidence that the applicant has a plan to staff, educate and manage the
13 proposed recreational marijuana establishment on a daily basis (30 points); a plan describing operating
14 procedures for the electronic verification system of the proposed marijuana establishment and
15 describing the proposed establishment's inventory control system (20 points); building plans showing
16 the proposed establishment's adequacy to serve the needs of its customers (20 points); and a proposal
17 explaining likely impact of the proposed marijuana establishment in the community and how it will
18 meet customer needs (15 points).

19 43. An applicant was permitted to submit a single application for all jurisdictions in which it
20 was applying, and the application would be scored at the same time.
21
22
23
24
25
26

27 ²² About two weeks into the grading process the Independent Contractors were advised by certain DoT employees
28 that if an identifier was included in the nonidentified section points should be deducted. It is unclear from the testimony
whether adjustments were made to the scores of those applications graded prior to this change in procedure being
established.

1 44. Although the amended application changed the language related to a physical address,
2 there was still confusion.²³

3 45. Amanda Connor corresponded with Pupo by email requesting clarification on August
4 22, 2018.²⁴

5 46. Although the DoT had used certain DoT personnel to grade applications for medical
6 marijuana establishment applications in White Pine County shortly before the recreational applications
7 were graded, the DoT made a decision for resource and staff reasons that non DoT employees hired on
8 a temporary basis would be used to grade the recreational medical marijuana applications.
9

10 47. Prior to the close of the application evaluation process, Pupo discussed with a
11 representative of the Essence Entities the timing of closing a deal involving the purchase of the entities
12 by a publicly traded company.

13 48. By September 20, 2018, the DoT received a total of 462 applications.
14

15 ²³ One plaintiff was advised by counsel (not Amanda Conner) that, despite the information related to the change for
16 physical address, the revised application appeared to conflict with the statute's physical address requirement and that
17 therefore a physical address was required.

18 ²⁴ The email thread reads:

19 On Aug 22 at 6:17 pm Amanda Connor wrote

20 Jorge –

21 I know the regulations make clear that land use or the property will not be considered in the application and having a
22 location secured is not required, but there seems to be some inconsistency in the application. Can you please confirm that a
23 location is not required and documentation about a location will not be considered or no points will be granted for having a
24 location?

25 On Aug 22 at 8:15 pm Pupo wrote:

26 That is correct. If you have a lease or own property than (sic) put those plans. If you dont (sic) then tell us what will the
27 floorplan be like etc etc

28 On Aug 22 at 8:24 pm Amanda Connor wrote

But a person who has a lease or owns the property will not get more points simply for having the property secured, correct?

On Aug 22 at 8:27 pm Pupo wrote:

Nope. LOCATION IS NOT SCORED DAMN IT!

Exhibit 2064.

1 49. In order to grade and rank the applications, the DoT posted notices that it was seeking to
2 hire individuals with specified qualifications necessary to evaluate applications. Certain DoT
3 employees also reached out to recent State retirees who might have relevant experience as part of their
4 recruitment efforts. The DoT interviewed applicants and made decisions on individuals to hire for each
5 position.

6 50. When decisions were made on who to hire, the individuals were notified that they would
7 need to register with “Manpower” under a preexisting contract between the DoT and that company.
8 Individuals would be paid through Manpower, as their application-grading work would be of a
9 temporary nature.
10

11 51. The DoT identified, hired, and provided some training to eight individuals hired to
12 grade the applications, including three to grade the identified portions of the applications, three to grade
13 the non-identified portions of the applications, and one administrative assistant for each group of
14 graders (collectively the “Independent Contractors”).
15

16 52. Based upon the testimony at trial, it remains unclear how the DoT trained the Temporary
17 Employees. While portions of the training materials from PowerPoint decks were introduced into
18 evidence, it is unclear which slides from the PowerPoint decks were used. Testimony regarding the
19 oral training based upon example applications and practice grading of prior medical marijuana
20 establishment applications was insufficient for the Court to determine the nature and extent of the
21 training of the Independent Contractors.
22

23 53. Based on the evidence adduced, the Court finds that the lack of training for the graders
24 affected the graders’ ability to evaluate the applications objectively and impartially.

25 54. NAC 453D.272(1) required the DoT to determine that an Application is “complete and
26 in compliance” with the provisions of NAC 453D in order to properly apply the licensing criteria set
27 forth therein and the provisions of the Ballot Initiative and the enabling statute.
28

1 55. In evaluating whether an application was “complete and in compliance,” the DoT made
2 no effort to verify owners, officers or board members (except for checking whether a transfer request
3 was made and remained pending before the DoT).

4 56. For purposes of grading the applicant’s organizational structure²⁵ and diversity, if an
5 applicant’s disclosure in its application of its owners, officers, and board members did not match the
6 DoT’s own records, the DoT did not penalize the applicant. Rather, the DoT permitted the grading, and
7 in some cases, awarded a conditional license to an applicant under such circumstances and dealt with
8 the issue by simply informing the winning applicant that its application would have to be brought into
9 conformity with DoT records.
10

11 57. The DoT announced the award of conditional licenses in December 2018.

12 58. The DoT did not comply with BQ2 by requiring applicants to provide information for
13 each prospective owner, officer and board member or verify the ownership of applicants applying for
14 retail recreational marijuana licenses. Instead the DoT issued conditional licenses to applicants who
15 did not identify each prospective owner, officer and board member.
16

17 59. Some of the Industry Defendants and their agent Ms. Connor, produced text messages
18 forensically extracted from their cell phones revealing the extent of contact and substance of
19 communications between them and Pupo. Additionally, phone records of Pupo identifying telephone
20 numbers communicated with and length of communication (but not content) were obtained from
21 Pupo’s cellular service provider. This evidence reinforces the presumption related to Pupo’s failure to
22 preserve evidence and reflects the preferential access and treatment provided.²⁶
23
24

25 ²⁵ The use of Advisory Boards by many applicants who were LLCs has been criticized. The DoT provided no
26 guidance to the potential applicants or the Temporary Employees of the manner by which these “Boards” should be
evaluated. As this applied equally to all applicants, it is not a basis for relief.

27 ²⁶ TGIG also was represented by Amanda Conner and had communications with Pupo. TGIG did not provide its
28 communications with Pupo.

1 60. The DoT's late decision to delete the physical address requirement on some application
2 forms while not modifying those portions of the application that were dependent on a physical location
3 (i.e. floor plan, community impact, security plan, and the sink locations) after the repeated
4 communications by an applicant's agent, not effectively communicating the revision, and leaving the
5 original version of the application on the website is evidence of a lack of a fair process.

6 61. The DoT's departure from its stated single point of contact and the degree of direct
7 personal contact outside the single point of contact process provided unequal, advantageous and
8 supplemental information to some applicants and is evidence of a lack of a fair process.

9 62. Pursuant to NAC 453D.295, the winning applicants received a conditional license that
10 would not be finalized unless within twelve months of December 5, 2018, the licensees receive a final
11 inspection of their marijuana establishment.²⁷

12 63. The DoT's lack of compliance with the established single point of contact and the
13 pervasive communications, meetings with Pupo, and preferential information provided to certain
14 applicants creates an uneven playing field because of the unequal information available to potential
15 applicants. This conduct created an unfair process for which injunctive relief may be appropriate.

16 64. The only direct action attributed to Pupo during the evaluation and grading process
17 related to the determination related to the monopolistic practices. Based upon the testimony adduced at
18 trial, Pupo's reliance upon advice of counsel from Deputy Attorney General Werbicky in making this
19 decision removes it from an arbitrary and capricious exercise of discretion.

20 65. Nothing in NRS 453D or NAC 453D provides for any right to an appeal or review of a
21 decision denying an application for a retail recreational marijuana license.

22 66. In 2019, more than three years from the passage of Ballot Question 2, Nevada's
23 legislature repealed NRS 453D.200. 2019 Statutes of Nevada, Page 3896.

24
25
26
27
28 ²⁷ The DoT has agreed to extend this deadline due to these proceedings and the public health emergency. Some of
the conditional licenses not enjoined under the preliminary injunction have now received final approval.

1 67. With its repeal, NRS 453D.200 was no longer effective as of July 1, 2020.

2 68. Nevada’s legislature also enacted statutes setting forth general qualifications for
3 licensure and registration of persons who have applied to receive marijuana establishment licenses.
4 NRS 678B.200.

5 69. The CCB was formed by the legislature and is now the government entity that oversees
6 and regulates the cannabis industry in the State of Nevada. By statute, the CCB now determines if the
7 “person is qualified to receive a license...” NRS 678B.200(1).

8 70. There are an extremely limited number of licenses available for the sale of recreational
9 marijuana.
10

11 71. The number of licenses available was set by BQ2 and is contained in NRS
12 453D.210(5)(d).

13 72. The secondary market for the transfer of licenses is limited.²⁸

14 73. Although there has been little tourism demand for legal marijuana sales due to the public
15 health emergency and as a result growth in legal marijuana sales has declined, the market is not
16 currently saturated. With the anticipated return of tourism after the abatement of the current public
17 health emergency, significant growth in legal marijuana sales is anticipated. Given the number of
18 variables related to new licenses, the claim for loss of market share is too speculative for relief.
19

20 74. Since the Court does not have authority to order additional licenses in particular
21 jurisdictions and because there are a limited number of licenses that are available in certain
22 jurisdictions, injunctive relief may be necessary to permit the Plaintiffs, if successful in the NRS
23 453D.210(6) process, to actually obtain a license with respect to the issues on which partial summary
24 judgment was granted.
25

²⁸ Multiple changes in ownership have occurred since the applications were filed. Given this testimony, simply updating the applications previously filed would not comply with BQ2.

75. The remaining Plaintiffs²⁹ (excluding TGIG) (the “Untainted Plaintiffs”) have not identified by a preponderance of the evidence, that if a single point of contact was followed by the DoT and equal information provided to all applicants, as was done for the medical marijuana application process, that there is a substantial likelihood they would have been successful in the ranking process.

76. After balancing the equities among the parties, the Court determines that the balance of equities does not weigh in favor of the Untainted Plaintiffs on the relief beyond that previously granted in conjunction with the partial summary judgment order entered on August 17, 2020.

77. If any findings of fact are properly conclusions of law, they shall be treated as if appropriately identified and designated.

CONCLUSIONS OF LAW

78. This Court has previously held that the 5 percent rule found in NAC 453D.255(1) was an impermissible deviation from the background check requirement of NRS 453D.200(6) as applied to that statute.

79. “Any person...whose rights, status or other legal relations are affected by a statute, municipal ordinance, contract or franchise, may have determined any question of construction or validity arising under the instrument, statute, ordinance, contract or franchise and obtain a declaration of rights, status or other legal relations thereunder.” NRS 30.040.

80. A justiciable controversy is required to exist prior to an award of declaratory relief. *Doe v. Bryan*, 102 Nev. 523, 525, 728 P.2d 443, 444 (1986).

81. The purpose of the equal protection clause of the Fourteenth Amendment is to secure every person within the state's jurisdiction against intentional and arbitrary discrimination. . . .” *Sioux City Bridge Co. v. Dakota Cty., Neb.*, 260 U.S. 441, 445 (1923). If a suspect class or fundamental right is not implicated, then the law or regulation promulgated by the state will be upheld “so long as it bears

3 treatment runs afoul the Equal Protection Clause. *Engquist v. Oregon Dep’t of Agr.*, 553 U.S. 591, 601
4 (2008). Where an individual or group were treated differently but are not associated with any distinct

7 *Olech*, 528 U.S. 562, 564 (2000).

8
9 82. The Nevada Constitution also demands equal protection of the laws under Article 4,
10 Section 21 of the Nevada Constitution. *See Doe v. State*, 133 Nev. 763, 767, 406 P.3d 482, 486 (2017).

11 83. NRS 33.010 governs cases in which an injunction may be granted. The applicant must
12 show (1) a likelihood of success on the merits; and (2) a reasonable probability that the non-moving
13 party’s conduct, if allowed to continue, will cause irreparable harm for which compensatory damage is
14 an inadequate remedy.

15
16 84. Plaintiffs have the burden to demonstrate that the DoT’s conduct, if allowed to continue,
17 will result in irreparable harm for which compensatory damages is an inadequate remedy.

18 85. The Nevada Supreme Court has recognized that “[i]nitiative petitions must be kept
19 substantively intact; otherwise, the people’s voice would be obstructed. . . [I]nitiative legislation is not
20 subject to judicial tampering. The substance of an initiative petition should reflect the unadulterated
21 will of the people and should proceed, if at all, as originally proposed and signed. For this reason, our
22 constitution prevents the Legislature from changing or amending a proposed initiative petition that is
23 under consideration.” *Rogers v. Heller*, 117 Nev. 169, 178, 18 P.3d 1034,1039–40 (2001).

24
25 86. BQ2 provides, “the Department shall adopt all regulations necessary or convenient to
26 carry out the provisions of this chapter.” NRS 453D.200(1). This language does not confer upon the
27 DoT unfettered or unbridled authority to do whatever it wishes without constraint. The DoT was not
28

1 delegated the power to legislate amendments because this is initiative legislation. The Legislature itself
2 has no such authority with regard to NRS 453D until three years after its enactment under the
3 prohibition of Article 19, Section 2 of the Constitution of the State of Nevada.

4 87. Where, as here, amendment of a voter-initiated law is temporally precluded from
5 amendment for three years, the administrative agency may not modify the law.³⁰

6 88. An agency's action in interpreting and executing a statute it is tasked with interpreting is
7 entitled to deference "unless it conflicts with the constitution or other statutes, exceeds the agency's
8 powers, or is otherwise arbitrary and capricious." *Nuleaf CLV Dispensary, LLC v. State Dept. of Health*
9 *and Human Services, Div. of Pub. and Behavioral Health*, 414 P.3d 305, 308 (Nev. 2018) (quoting
10 *Cable v. State ex rel. Emp'rs Ins. Co. of Nev.*, 122 Nev. 120, 126, 127 P.3d 528, 532 (2006)).

11 89. NRS 453D.200(1) provides that "the Department shall adopt all regulations necessary or
12 convenient to carry out the provisions of this chapter." The Court finds that the words "necessary or
13 convenient" are susceptible to at least two reasonable interpretations. This limitation applies only to
14 Regulations adopted by the DoT.
15

16 90. While the category of diversity is not specifically included in the language of BQ2, the
17 evidence presented in the hearing demonstrates that a rational basis existed for the inclusion of this
18 category in the Factors and the application.
19

20 91. The DoT's inclusion of the diversity category was implemented in a way that created a
21 process which was partial and subject to manipulation by applicants.
22

23 92. NAC 453D.272 contains what is commonly referred to as the Regulations' "anti-
24 monopoly" provision. It forbids the DoT from issuing to any person, group of persons, or entity, in a
25 county whose population is 100,000 or more, the greater of one license to operate a retail marijuana
26 store or more than 10 percent of the retail marijuana licenses allocable for the county.
27

28 ³⁰ The Court notes that the Legislature has now modified certain provisions of BQ2. The Court relies on those statutes and regulations in effect at the time of the application process.

1 93. Although not required to use a single point of contact process for questions related to the
2 application, once DoT adopted that process and published the appropriate process to all potential
3 applicants, the DoT was bound to follow that process.

4 94. The DoT employees provided various applicants with different information as to
5 diversity and what would be utilized from this category and whether it would be used merely as a
6 tiebreaker or as a substantive category.

7 95. The DoT selectively discussed with applicants or their agents the modification of the
8 application related to physical address as well as other information contained in the application.
9

10 96. The process was impacted by personal relationships in decisions related to the
11 requirements of the application and the ownership structures of competing applicants.

12 97. The intentional and repeated violations of the single point of contact process in favor of
13 only a select group of applicants was an arbitrary and capricious act and served to contaminate the
14 process. These repeated violations adversely affected applicants who were not members of that select
15 group. These violations are in and of themselves insufficient to void the process as urged by some of
16 the Plaintiffs.
17

18 98. The DoT disseminated various versions of the 2018 Retail Marijuana Application, one
19 of which was published on the DoT's website and required the applicant to provide an actual physical
20 Nevada address for the proposed marijuana establishment, and not a P.O. Box, and an alternative
21 version of the DoT's application form, which was distributed to some, but not all, of the potential
22 applicants via a DoT Listserv, which deleted the requirement that applicants disclose an actual physical
23 address for their proposed marijuana establishment.
24

25 99. The applicants were applying for conditional licensure, which would last for 1 year.
26 NAC 453D.282. The license was conditional based on the applicant's gaining approval from local
27
28

1 authorities on zoning and land use, the issuance of a business license, and the Department of Taxation
2 inspections of the marijuana establishment.

3 100. By selectively eliminating the requirement to disclose an actual physical address for
4 each and every proposed retail recreational marijuana establishment, the DoT limited the ability of the
5 Independent Contractors to adequately assess graded criteria such as (i) prohibited proximity to schools
6 and certain other public facilities, (ii) impact on the community, (iii) security, (iv) building plans, and
7 (v) other material considerations prescribed by the Regulations.

8
9 101. The hiring of Independent Contractors was well within the DoT's discretionary power.

10 102. The evidence establishes that the DoT failed to properly train the Independent
11 Contractors. The DoT failed to establish any quality assurance or quality control of the grading done
12 by Independent Contractors.³¹ This is not an appropriate basis for the requested relief as the DoT
13 treated all applicants the same in the grading process. The DoT's failures in training the Independent
14 Contractors applied equally to all applicants.

15
16 103. The DoT made licensure conditional for one year based on the grant of power to create
17 regulations that develop "[p]rocedures for the issuance, renewal, suspension, and revocation of a
18 license to operate a marijuana establishment." NRS 453D.200(1)(a). This was within the DoT's
19 discretion.

20 104. Certain of DoT's actions related to the licensing process were nondiscretionary
21 modifications of BQ2's mandatory requirements.³² The evidence establishes DoT's deviations
22 constituted arbitrary and capricious conduct without any rational basis for the deviation.

23
24 105. The DoT's decision to not require disclosure on the application and to not conduct
25 background checks of persons owning less than 5 percent prior to award of a conditional license is an

26
27 ³¹ The only QA/QC process was done by the Temporary Employees apparently with no oversight by the DoT.

28 ³² These are contained in the order entered August 17, 2020.

1 impermissible deviation from the mandatory language of BQ2, which mandated “a background check
2 of each prospective owner, officer, and board member of a marijuana establishment license applicant.”
3 NRS 453D.200(6).

4 106. Under the circumstances presented here, the Court concludes that certain of the
5 Regulations created by the DoT are unreasonable, inconsistent with BQ2, and outside of any discretion
6 permitted to the DoT.

7 107. The DoT acted beyond its scope of authority when it arbitrarily and capriciously
8 replaced the mandatory requirement of BQ2, for the background check of each prospective owner,
9 officer and board member with the 5 percent or greater standard in NAC 453.255(1). This decision by
10 the DoT was not one they were permitted to make as it resulted in a modification of BQ2 in violation of
11 Article 19, Section 2(3) of the Nevada Constitution.
12

13 108. The balance of equities weighs in favor of Plaintiffs on the issue for which partial
14 summary judgment has been granted.³³
15

16 109. The DoT stands to suffer no appreciable losses and will suffer only minimal harm as a
17 result of an injunction related to the August 17, 2020, partial summary judgment.

18 110. The bond previously posted for the preliminary injunction is released to those parties
19 who posted the bond.³⁴

20 111. If any conclusions of law are properly findings of fact, they shall be treated as if
21 appropriately identified and designated.
22
23
24

25 ³³ The order concludes:

26 [A]s a matter of law, the DoT acted beyond the scope of its authority by replacing the requirement for
27 a background check of each prospective owner with the 5 percent or greater standard in NAC 453D.255(1).

28 ³⁴ Any objections to the release of the bond must be made within five judicial days of entry of this order. If no
objections are made, the Court will sign an order submitted by Plaintiffs. If an objection is made, the Court will set a
hearing for further argument on this issue.

ORDER

IT IS HEREBY ORDERED, ADJUDGED AND DECREED that:

The claim for declaratory relief is granted. The Court declares:

The DoT acted beyond its scope of authority when it arbitrarily and capriciously replaced the mandatory requirement of BQ2, for the background check of each prospective owner, officer and board member with the 5 percent or greater standard in NAC 453.255(1). This decision by the DoT was not one they were permitted to make as it resulted in a modification of BQ2 in violation of Article 19, Section 2(3) of the Nevada Constitution.

The claim for equal protection is granted in part:

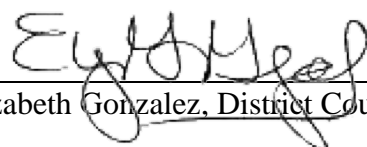

With respect to the decision by the DoT to arbitrarily and capriciously replace the mandatory requirement of BQ2, for the background check of each prospective owner, officer and board member with the 5 percent or greater standard in NAC 453.255(1), the DoT created an unfair process. No monetary damages are awarded given the speculative nature of the potential loss of market share.

Injunctive relief under these claims is appropriate. The State is permanently enjoined from conducting a final inspection of any of the conditional licenses issued in or about December 2018 for an applicant who did not provide the identification of each prospective owner, officer and board member as required by NRS 453D.200(6).

The Court declines to issue an extraordinary writ unless violation of the permanent injunction occurs.

All remaining claims for relief raised by the parties in this Phase are denied.

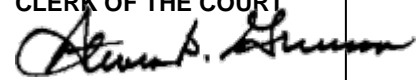

DATED this 3rd day of September 2020.

Elizabeth Gonzalez, District Court Judge

17 Having read and considered the pleadings filed by the parties, having reviewed the evidence
18 admitted during this phase of the trial⁶, and having heard and carefully considered the testimony of the
19 witnesses called to testify, having considered the oral and written arguments of counsel, and with the
20 intent of deciding the remaining issues⁷ related to Legality of the 2018 recreational marijuana
21 application process only⁸, the Court makes the following findings of fact and conclusions of law:
22
23
24

25 ⁶ Due to the limited amount of discovery conducted prior to the Preliminary Injunction hearing and the large volume
26 of evidence admitted during that 20-day evidentiary hearing, the Court required parties to reoffer evidence previously
utilized during that hearing.

27 ⁷ The Court granted partial summary judgment on the sole issue previously enjoined. The order entered 8/17/2020
28 states:

PROCEDURAL POSTURE

Plaintiffs are a group of unrelated commercial entities who applied for, but did not receive, licenses to operate retail recreational marijuana establishments in various local jurisdictions throughout the state. Defendant is the DoT, which was the administrative agency responsible for issuing the licenses at the times subject to these complaints. Some successful applicants for licensure intervened as Defendants.

The Attorney General's Office was forced to deal with a significant impediment at the early stages of the litigation. This inability to disclose certain information was outside of its control because of confidentiality requirements that have now been slightly modified by SB 32. Although the parties stipulated to a protective order on May 24, 2019, many documents produced in preparation for the trial and for discovery purposes were heavily redacted or produced as attorney's eyes only because of the highly competitive nature of the industry and sensitive financial and commercial information involved. Many admitted exhibits are heavily redacted and were not provided to the Court in unredacted form.

After Judge Bailus issued the preservation order in A785818 on December 13, 2018, the Attorney General's Office sent a preservation letter to the DoT. Pupo, Deputy Director of the DoT, testified he was not told to preserve his personal cellular phone heavily utilized for work purposes. He not only deleted text messages from the phone after the date of the preservation order but also was unable to produce his phone for a forensic examination and extraction of discoverable materials. The Court finds evidence has been irretrievably lost as a result of his actions.

While case terminating sanctions and/or an irrebuttable presumption were requested, after evaluation of the Ribiero factors, given the production of certain text messages with Pupo by some

[T]he DoT acted beyond the scope of its authority by replacing the requirement for a background check of each prospective owner with the 5 percent or greater standard in NAC 453D.255(1).

The entry of these findings will convert the preliminary injunction on this issue to a permanent injunction.

⁸ While several plaintiffs have reached a resolution of their claims with the State and certain Industry Defendants, the claims of the remaining plaintiffs remain virtually the same. At the time of the issuance of this decision, the following plaintiffs have advised the Court they have reached a resolution with the State and certain Industry Defendants:

ETW Management Group, LLC; Libra Wellness Center, LLC; Rombough Real Estate, Inc. dba Mother Herb; Just Quality, LLC; Zion Gardens, LLC; Global Harmony, LLC; MM Development, LLC; LivFree Wellness, LLC; Nevada Wellness Center, LLC; Qualcan, LLC; High Sierra Holistics, LLC; Natural Medicine, LLC.

1 Industry Defendants and their attorney Amanda Connor, the impact of the loss of evidence was limited.
2 As a result, the Court imposes an evidentiary sanction in connection with the Sanctions ruling that the
3 evidence on Pupo's phone, if produced, would have been adverse to the DoT.⁹

4 PRELIMINARY STATEMENT

5 All parties agree that the language of an initiative takes precedence over any regulation that is in
6 conflict and that an administrative agency has some discretion in determining how to implement the
7 initiative. The Court gives deference to the agency in establishing those regulations and creating the
8 framework required to implement those provisions in conformity with the initiative.

9 The initiative to legalize recreational marijuana, Ballot Question 2 ("BQ2"), went to the voters
10 in 2016. The language of BQ2 is independent of any regulations that were adopted by the DoT. The
11 Court must balance the mandatory provisions of BQ2 (which the DoT did not have discretion to
12 modify¹⁰), those provisions with which the DoT was granted some discretion in implementation¹¹, and

13 ⁹ Given the text messages produced by certain Industry Defendants and Amanda Connor, any presumption is
14 superfluous given the substance of the messages produced.

15 ¹⁰ Article 19, Section 2(3) provides the touchstone for the mandatory provisions:

16 An initiative measure so approved by the voters shall not be amended, annulled, repealed, set aside or
17 suspended by the Legislature within 3 years from the date it takes effect.

18 ¹¹ NRS 453D.200(1) required the adoption of regulations for the licensure and oversight of recreational marijuana
19 cultivation, manufacturing/production, sales and distribution, but provides the DoT discretion in exactly what those
20 regulations would include:

21 . . . the Department shall adopt all regulations necessary or convenient to carry out the provisions of this chapter.
22 The regulations must not prohibit the operation of marijuana establishments, either expressly or through regulations
23 that make their operation unreasonably impracticable. The regulations shall include:

24 (a) Procedures for the issuance, renewal, suspension, and revocation of a license to operate a marijuana
25 establishment;

26 (b) Qualifications for licensure that are directly and demonstrably related to the operation of a marijuana
27 establishment;

28 (c) Requirements for the security of marijuana establishments;

(d) Requirements to prevent the sale or diversion of marijuana and marijuana products to persons under 21
years of age;

(e) Requirements for the packaging of marijuana and marijuana products, including requirements for child-
resistant packaging;

(f) Requirements for the testing and labeling of marijuana and marijuana products sold by marijuana
establishments including a numerical indication of potency based on the ratio of THC to the weight of a product
intended for oral consumption;

(g) Requirements for record keeping by marijuana establishments;

(h) Reasonable restrictions on signage, marketing, display, and advertising;

(i) Procedures for the collection of taxes, fees, and penalties imposed by this chapter;

(j) Procedures and requirements to enable the transfer of a license for a marijuana establishment to another
qualified person and to enable a licensee to move the location of its establishment to another suitable location;

the inherent discretion of an administrative agency to implement regulations to carry out its statutory duties. The Court must give great deference to those activities that fall within the discretionary functions of the agency. Deference is not given where the actions of the DoT were in violation of BQ2 or were arbitrary and capricious.

FINDINGS OF FACT

1. Nevada allows voters to amend its Constitution or enact legislation through the initiative process. Nevada Constitution, Article 19, Section 2.

2. In 2000, the voters amended Nevada's Constitution to allow for the possession and use of marijuana to treat various medical conditions. Nevada Constitution, Article 4, Section 38(1)(a). The initiative left it to the Legislature to create laws "[a]uthoriz[ing] appropriate methods for supply of the plant to patients authorized to use it." Nevada Constitution, Article 4, Section 38(1)(e).

3. For several years prior to the enactment of BQ2, the regulation of medical marijuana dispensaries had not been taken up by the Legislature. Some have argued in these proceedings that the delay led to the framework of BQ2.

4. In 2013, Nevada's legislature enacted NRS 453A, which allows for the cultivation and sale of medical marijuana. The Legislature described the requirements for the application to open a medical marijuana establishment. NRS 453A.322. The Nevada Legislature then charged the Division of Public and Behavioral Health with evaluating the applications. NRS 453A.328.

5. The materials circulated to voters in 2016 for BQ2 described its purpose as the amendment of the Nevada Revised Statutes as follows:

Shall the *Nevada Revised Statutes* be amended to allow a person, 21 years old or older, to purchase, cultivate, possess, or consume a certain amount of marijuana or concentrated marijuana, as well as manufacture, possess, use, transport, purchase, distribute, or sell marijuana paraphernalia; impose a 15 percent excise tax on wholesale sales of marijuana; require the

(k) Procedures and requirements to enable a dual licensee to operate medical marijuana establishments and marijuana establishments at the same location;

(l) Procedures to establish the fair market value at wholesale of marijuana; and

(m) Civil penalties for the failure to comply with any regulation adopted pursuant to this section or for any violation of the provisions of [NRS 453D.300](#).

1 regulation and licensing of marijuana cultivators, testing facilities, distributors, suppliers, and
2 retailers; and provide for certain criminal penalties?

3 6. BQ2 was enacted by the Nevada Legislature and is codified at NRS 453D.¹²

4 7. BQ2 specifically identified regulatory and public safety concerns:

5 The People of the State of Nevada proclaim that marijuana should be regulated in a manner
6 similar to alcohol so that:

7 (a) Marijuana may only be purchased from a business that is licensed by the State of
8 Nevada;

9 (b) Business owners are subject to a review by the State of Nevada to confirm that the
10 business owners and the business location are suitable to produce or sell marijuana;

11 (c) Cultivating, manufacturing, testing, transporting and selling marijuana will be strictly
12 controlled through State licensing and regulation;

13 (d) Selling or giving marijuana to persons under 21 years of age shall remain illegal;

14 (e) Individuals will have to be 21 years of age or older to purchase marijuana;

15 (f) Driving under the influence of marijuana will remain illegal; and

16 (g) Marijuana sold in the State will be tested and labeled.

17 NRS 453D.020(3).

18 8. BQ2 mandated the DoT to “conduct a background check of each prospective owner,
19 officer, and board member of a marijuana establishment license applicant.” NRS 453D.200(6).

20 9. On November 8, 2016, by Executive Order 2017-02, Governor Brian Sandoval
21 established a Task Force composed of 19 members to offer suggestions and proposals for legislative,
22 regulatory, and executive actions to be taken in implementing BQ2.

23 10. The Nevada Tax Commission adopted temporary regulations allowing the state to issue
24 recreational marijuana licenses by July 1, 2017 (the “Early Start Program”). Only medical marijuana
25 establishments that were already in operation could apply to function as recreational retailers during the
26 early start period. The establishments were required to be in good standing and were required to pay a
27 one-time, nonrefundable application fee as well as a specific licensing fee. The establishment also was
28 required to provide written confirmation of compliance with their municipality’s zoning and location
requirements.

¹² As the provisions of BQ2 and the sections of NRS 453D in effect at the time of the application process (with the exception of NRS 453D.205) are identical, for ease of reference the Court cites to BQ2 as enacted by the Nevada Legislature during the 2017 session in NRS 453D.

1 11. The Task Force’s findings, issued on May 30, 2017, referenced the 2014 licensing
2 process for issuing Medical Marijuana Establishment Registration Certificates under NRS 453A. The
3 Task Force recommended that “the qualifications for licensure of a marijuana establishment and the
4 impartial numerically scored bidding process for retail marijuana stores be maintained as in the medical
5 marijuana program except for a change in how local jurisdictions participate in selection of locations.”

6 12. During the 2017 legislative session, Assembly Bill 422 transferred responsibility for the
7 registration, licensing, and regulation of marijuana establishments from the State of Nevada Division of
8 Public and Behavioral Health to the DoT.¹³

9
10 13. On February 27, 2018, the DoT adopted regulations governing the issuance, suspension,
11 or revocation of retail recreational marijuana licenses in LCB File No. R092-17, which were codified in
12 NAC 453D (the “Regulations”).

13 14. The Regulations for licensing were to be “directly and demonstrably related to the
14 operation of a marijuana establishment.” NRS 453D.200(1)(b). The phrase “directly and demonstrably
15 related to the operation of a marijuana establishment” is subject to more than one interpretation.
16

17 15. Each of the Plaintiffs were issued marijuana establishment licenses involving the
18 cultivation, production and/or sale of medicinal marijuana in or about 2014.
19
20
21

22 ¹³ Those provisions (a portion of which became NRS 453D.205) are consistent with BQ2:
23

24 1. When conducting a background check pursuant to subsection 6 of [NRS 453D.200](#), the Department may
25 require each prospective owner, officer and board member of a marijuana establishment license applicant to submit
a complete set of fingerprints and written permission authorizing the Department to forward the fingerprints to the
Central Repository for Nevada Records of Criminal History for submission to the Federal Bureau of Investigation
for its report.

26 2. When determining the criminal history of a person pursuant to paragraph (c) of subsection 1 of [NRS](#)
27 [453D.300](#), a marijuana establishment may require the person to submit to the Department a complete set of
fingerprints and written permission authorizing the Department to forward the fingerprints to the Central
Repository for Nevada Records of Criminal History for submission to the Federal Bureau of Investigation for its
28 report.

1 16. A person holding a medical marijuana establishment registration certificate could apply
2 for one or more recreational marijuana establishment licenses within the time set forth by the DoT in
3 the manner described in the application. NAC 453D.268.¹⁴

4
5 ¹⁴ Relevant portions of that provision require that application be made

6 ... by submitting an application in response to a request for applications issued pursuant to [NAC 453D.260](#) which
7 must include:

8 ***

9 2. An application on a form prescribed by the Department. The application must include, without limitation:

- 10 (a) Whether the applicant is applying for a license for a marijuana establishment for a marijuana cultivation
11 facility, a marijuana distributor, a marijuana product manufacturing facility, a marijuana testing facility or a retail
12 marijuana store;
13 (b) The name of the proposed marijuana establishment, as reflected in both the medical marijuana establishment
14 registration certificate held by the applicant, if applicable, and the articles of incorporation or other documents filed
15 with the Secretary of State;
16 (c) The type of business organization of the applicant, such as individual, corporation, partnership, limited-liability
17 company, association or cooperative, joint venture or any other business organization;
18 (d) Confirmation that the applicant has registered with the Secretary of State as the appropriate type of business,
19 and the articles of incorporation, articles of organization or partnership or joint venture documents of the applicant;
20 (e) The physical address where the proposed marijuana establishment will be located and the physical address of
21 any co-owned or otherwise affiliated marijuana establishments;
22 (f) The mailing address of the applicant;
23 (g) The telephone number of the applicant;
24 (h) The electronic mail address of the applicant;
25 (i) A signed copy of the Request and Consent to Release Application Form for Marijuana Establishment License
26 prescribed by the Department;
27 (j) If the applicant is applying for a license for a retail marijuana store, the proposed hours of operation during
28 which the retail marijuana store plans to be available to sell marijuana to consumers;
29 (k) An attestation that the information provided to the Department to apply for the license for a marijuana
30 establishment is true and correct according to the information known by the affiant at the time of signing; and
31 (l) The signature of a natural person for the proposed marijuana establishment as described in subsection 1 of [NAC
32 453D.250](#) and the date on which the person signed the application.

33 3. Evidence of the amount of taxes paid, or other beneficial financial contributions made, to this State or its
34 political subdivisions within the last 5 years by the applicant or the persons who are proposed to be owners, officers
35 or board members of the proposed marijuana establishment.

36 4. A description of the proposed organizational structure of the proposed marijuana establishment, including,
37 without limitation:

- 38 (a) An organizational chart showing all owners, officers and board members of the proposed marijuana
39 establishment;
40 (b) A list of all owners, officers and board members of the proposed marijuana establishment that contains the
41 following information for each person:

- 42 (1) The title of the person;
43 (2) The race, ethnicity and gender of the person;
44 (3) A short description of the role in which the person will serve for the organization and his or her
45 responsibilities;

46 (4) Whether the person will be designated by the proposed marijuana establishment to provide written notice to
47 the Department when a marijuana establishment agent is employed by, volunteers at or provides labor as a
48 marijuana establishment agent at the proposed marijuana establishment;

49 (5) Whether the person has served or is currently serving as an owner, officer or board member for another
50 medical marijuana establishment or marijuana establishment;

51 (6) Whether the person has served as an owner, officer or board member for a medical marijuana establishment
52 or marijuana establishment that has had its medical marijuana establishment registration certificate or license, as
53 applicable, revoked;

1 NRS 453D.210(6) mandated the DoT to use “an impartial and numerically scored competitive bidding
2 process” to determine successful applicants where competing applications were submitted.

3 17. NAC 453D.272(1) provides the procedure for when the DoT receives more than one
4 “complete” application for a single county. Under this provision the DoT will determine if the

5 (7) Whether the person has previously had a medical marijuana establishment agent registration card or
6 marijuana establishment agent registration card revoked;

7 (8) Whether the person is an attending provider of health care currently providing written documentation for the
8 issuance of registry identification cards or letters of approval;

9 (9) Whether the person is a law enforcement officer;

10 (10) Whether the person is currently an employee or contractor of the Department; and

11 (11) Whether the person has an ownership or financial investment interest in any other medical marijuana
12 establishment or marijuana establishment.

13 5. For each owner, officer and board member of the proposed marijuana establishment:

14 (a) An attestation signed and dated by the owner, officer or board member that he or she has not been convicted of
15 an excluded felony offense, and that the information provided to support the application for a license for a
16 marijuana establishment is true and correct;

17 (b) A narrative description, not to exceed 750 words, demonstrating:

18 (1) Past experience working with governmental agencies and highlighting past experience in giving back to the
19 community through civic or philanthropic involvement;

20 (2) Any previous experience at operating other businesses or nonprofit organizations; and

21 (3) Any demonstrated knowledge, business experience or expertise with respect to marijuana; and

22 (c) A resume.

23 6. Documentation concerning the size of the proposed marijuana establishment, including, without limitation,
24 building and general floor plans with supporting details.

25 7. The integrated plan of the proposed marijuana establishment for the care, quality and safekeeping of marijuana
26 from seed to sale, including, without limitation, a plan for testing and verifying marijuana, a transportation or
27 delivery plan and procedures to ensure adequate security measures, including, without limitation, building security
28 and product security.

8. A plan for the business which includes, without limitation, a description of the inventory control system of the
proposed marijuana establishment to satisfy the requirements of [NRS 453D.300](#) and [NAC 453D.426](#).

9. A financial plan which includes, without limitation:

(a) Financial statements showing the resources of the applicant;

(b) If the applicant is relying on money from an owner, officer or board member, evidence that the person has
unconditionally committed such money to the use of the applicant in the event the Department awards a license to
the applicant and the applicant obtains the necessary approvals from the locality to operate the proposed marijuana
establishment; and

(c) Proof that the applicant has adequate money to cover all expenses and costs of the first year of operation.

10. Evidence that the applicant has a plan to staff, educate and manage the proposed marijuana establishment on a
daily basis, which must include, without limitation:

(a) A detailed budget for the proposed marijuana establishment, including pre-opening, construction and first-year
operating expenses;

(b) An operations manual that demonstrates compliance with this chapter;

(c) An education plan which must include, without limitation, providing educational materials to the staff of the
proposed marijuana establishment; and

(d) A plan to minimize the environmental impact of the proposed marijuana establishment.

11. If the application is submitted on or before November 15, 2018, for a license for a marijuana distributor,
proof that the applicant holds a wholesale dealer license issued pursuant to [Chapter 369](#) of NRS, unless the
Department determines that an insufficient number of marijuana distributors will result from this limitation.

12. A response to and information which supports any other criteria the Department determines to be relevant,
which will be specified and requested by the Department at the time the Department issues a request for
applications which includes the point values that will be allocated to the applicable portions of the application
pursuant to subsection 2 of [NAC 453D.260](#).

1 “application is complete and in compliance with this chapter and Chapter 453D of NRS, the
2 Department will rank the applications . . . in order from first to last based on the compliance with the
3 provisions of this chapter and Chapter 453D of NRS and on the content of the applications relating
4 to . . .” several enumerated factors. NAC 453D.272(1).

5 18. The factors set forth in NAC 453D.272(1) that are used to rank competing applications
6 received for a single county (collectively, the “Factors”) are:

- 7
- 8 (a) Whether the owners, officers or board members have experience operating another kind
9 of business that has given them experience which is applicable to the operation of a marijuana
10 establishment;
 - 11 (b) The diversity of the owners, officers or board members of the proposed marijuana
12 establishment;
 - 13 (c) The educational achievements of the owners, officers or board members of the proposed
14 marijuana establishment;
 - 15 (d) The financial plan and resources of the applicant, both liquid and illiquid;
 - 16 (e) Whether the applicant has an adequate integrated plan for the care, quality and
17 safekeeping of marijuana from seed to sale;
 - 18 (f) The amount of taxes paid and other beneficial financial contributions, including, without
19 limitation, civic or philanthropic involvement with this State or its political subdivisions, by the
20 applicant or the owners, officers or board members of the proposed marijuana establishment;
 - 21 (g) Whether the owners, officers or board members of the proposed marijuana establishment
22 have direct experience with the operation of a medical marijuana establishment or marijuana
23 establishment in this State and have demonstrated a record of operating such an establishment in
24 compliance with the laws and regulations of this State for an adequate period of time to
25 demonstrate success;
 - 26 (h) The (unspecified) experience of key personnel that the applicant intends to employ in
27 operating the type of marijuana establishment for which the applicant seeks a license; and
 - 28 (i) Any other criteria that the Department determines to be relevant.

19. Each of the Factors is within the DoT’s discretion in implementing the application
process provided for in BQ2. The DoT had a good-faith basis for determining that each of the Factors
is “directly and demonstrably related to the operation of a marijuana establishment.”

20. Pupo met with several of the applicants’ agent, Amanda Conner, Esq., numerous times
for meals in the Las Vegas Valley. Pupo also met with representatives of several of the applicants in
person. These meetings appeared to relate to regulatory, disciplinary and application issues.

1 21. The DoT posted the application on its website and released the application for
2 recreational marijuana establishment licenses on July 6, 2018.¹⁵

3 22. The DoT used a Listserv¹⁶ to communicate with prospective applicants.

4 23. While every medical marijuana certificate holder was required to have a contact person
5 with information provided to the DoT for purposes of communication, not every marijuana
6 establishment maintained a current email or checked their listed email address regularly, and some of
7 the applicants contend that they were not aware of the revised application.
8

9 24. Applications were accepted from September 7, 2018 through September 20, 2018.

10 25. The DoT elected to utilize a bright line standard for evaluating the factor “operating
11 such an establishment in compliance” of whether the applicant was suspended or revoked.¹⁷ If an
12 applicant was suspended or revoked they were not qualified to apply. This information was
13 communicated in the cover letter with the application.¹⁸ This decision was within the discretion of the
14 DoT.
15
16
17
18

19 ¹⁵ The DoT made a change to the application after circulating the first version of the application to delete the
20 requirement of a physical location. The modification resulted in a different version of the application bearing the same
“footer” with the original version remaining available on the DoT’s website.

21 ¹⁶ According to Dictionary.com, the term “Listserv” is used to refer to online mailing list. When capitalized it refers
22 to a proprietary software.

23 ¹⁷ The method by which certain disciplinary matters (self-reported or not) were resolved by the DoT would not affect
the grading process.

24 ¹⁸ The cover letter reads in part:

25 All applicants are required to be in compliance with the following:

26 All licenses, certificates, and fees are current and paid;

27 Applicant is not delinquent in the payment of any tax administered by the Department or is not in default on
payment required pursuant to a written agreement with the Department; or is not otherwise liable to the Department
for the payment of money;

28 No citations for illegal activity or criminal conduct; and

Plans of correction are complete and on time, or are in progress within the required 10 business days.

1 26. The DoT utilized a question and answer process through a generic email account at
2 marijuana@tax.state.nv.us to allow applicants to ask questions and receive answers directly from the
3 DoT, and that information was not further disseminated by the DoT to other applicants.¹⁹

4 27. The cover letter with the application advised potential applicants of the process for
5 questions:

6 Do not call the division seeking application clarification or guidance.
7 Email questions to marijuana@tax.state.nv.us

8 28. No statutory or regulatory requirement for a single point of contact process required the
9 DoT to adopt this procedure.

10 29. As the individual responsible for answering the emailed questions stated:

11 Jorge Pupo is the MED deputy Director. Steve Gilbert is program manager and reports to Jorge.
12 I report to Steve. Steve prefers to not have the world know our structure. He likes industry folks
13 knowing though and addressing them. He has all questions come to me. One's I can't answer,
14 he fields and has me respond, then if he can't then Jorge gets them and Jorge has me respond.
That's the goal anyway. ☺

15 Ky Plaskon text to Rebecca Gaska 9/18/2018, Exhibit 1051.

16 30. Some applicants abided by this procedure.

17 31. The DoT did not post the questions and answers so that all potential applicants would be
18 aware of the process

19 32. The DoT made no effort to ensure that the applicants received the same answers
20 regardless of which employee of the DoT the applicant asked.

21 33. On July 9, 2018, at 4:06 pm, Amanda Connor sent a text to Pupo:

22 List of things for us to talk about when you can call me:

23 Attachment E

24 Attachment I

25 Requirement for a location or physical address

26 Attachment F

 Requirement for initial licensing fee

27 ¹⁹ This single point of contact process had been used in the 2014 medical marijuana establishment application period.
28 The questions and answers were posted to the department's website for all potential applicants to review and remain there to
this day. Exhibit 2038.

1 Transfers of ownership

2
3 Exhibit 1588-052.

4 34. Although Pupo tried to direct Amanda Connor to Steve Gilbert, she texted him that she
5 would wait rather than speak to someone else.

6 35. On the morning of July 11, 2018, Pupo and Amanda Connor spoke for twenty-nine
7 minutes and forty-five seconds.²⁰

8
9 36. Despite the single point of contact process being established, the DoT departed from this
10 procedure. By allowing certain applicants and their representatives to personally contact the DoT
11 employee about the application process, the DoT violated its own established procedures for the
12 application process.

13 37. After the posting of the application on July 6, 2018, Pupo decided to eliminate the
14 physical location requirement outlined in NRS 453D.210(5) and NAC 453D.265(b)(3).²¹

15
16 38. The DoT published a revised application on July 30, 2018. This revised application was
17 sent to all participants via the DoT's Listserv. The revised application modified physical address
18 requirements. For example, a sentence on Attachment A of the application, prior to this revision, the
19 sentence had read, "Marijuana Establishment's proposed physical address (this must be a Nevada
20 address and cannot be a P.O. Box)." The revised application on July 30, 2018, read: "Marijuana
21 Establishment's proposed physical address if the applicant owns property or has secured a lease or
22 other property agreement (this must be a Nevada address and not a P.O. Box). Otherwise, the
23 applications are virtually identical.
24

25
26
27 ²⁰ Exhibit 1809-054.

28 ²¹ It is unclear whether Pupo had communications similar to those with Amanda Connor with other potential applicants or their agents as Pupo did not preserve the data from his cell phone.

1 39. The DoT sent a copy of the revised application through the Listserv used by the DoT.
2 Not all Plaintiffs' correct emails were included on this list.

3 40. The July 30, 2018, application, like its predecessor, described how applications were to
4 be scored. The scoring criteria was divided into identified criteria and non-identified criteria. The
5 maximum points that could be awarded to any applicant based on these criteria was 250 points.

6 41. The identified criteria consisted of organizational structure of the applicant (60 points);
7 evidence of taxes paid to the State of Nevada by owners, officers, and board members of the applicant
8 in the last 5 years (25 points); a financial plan (30 points); and documents from a financial institution
9 showing unencumbered liquid assets of \$250,000 per location for which an application is submitted.

10 42. The non-identified criteria²² all consisted of documentation concerning the integrated
11 plan of the proposed marijuana establishment for the care, quality and safekeeping of marijuana from
12 seed to sale (40 points); evidence that the applicant has a plan to staff, educate and manage the
13 proposed recreational marijuana establishment on a daily basis (30 points); a plan describing operating
14 procedures for the electronic verification system of the proposed marijuana establishment and
15 describing the proposed establishment's inventory control system (20 points); building plans showing
16 the proposed establishment's adequacy to serve the needs of its customers (20 points); and a proposal
17 explaining likely impact of the proposed marijuana establishment in the community and how it will
18 meet customer needs (15 points).

19 43. An applicant was permitted to submit a single application for all jurisdictions in which it
20 was applying, and the application would be scored at the same time.
21
22
23
24
25
26

27 ²² About two weeks into the grading process the Independent Contractors were advised by certain DoT employees
28 that if an identifier was included in the nonidentified section points should be deducted. It is unclear from the testimony
whether adjustments were made to the scores of those applications graded prior to this change in procedure being
established.

1 44. Although the amended application changed the language related to a physical address,
2 there was still confusion.²³

3 45. Amanda Connor corresponded with Pupo by email requesting clarification on August
4 22, 2018.²⁴

5 46. Although the DoT had used certain DoT personnel to grade applications for medical
6 marijuana establishment applications in White Pine County shortly before the recreational applications
7 were graded, the DoT made a decision for resource and staff reasons that non DoT employees hired on
8 a temporary basis would be used to grade the recreational medical marijuana applications.
9

10 47. Prior to the close of the application evaluation process, Pupo discussed with a
11 representative of the Essence Entities the timing of closing a deal involving the purchase of the entities
12 by a publicly traded company.

13 48. By September 20, 2018, the DoT received a total of 462 applications.
14

15 ²³ One plaintiff was advised by counsel (not Amanda Conner) that, despite the information related to the change for
16 physical address, the revised application appeared to conflict with the statute's physical address requirement and that
17 therefore a physical address was required.

18 ²⁴ The email thread reads:

19 On Aug 22 at 6:17 pm Amanda Connor wrote

20 Jorge –

21 I know the regulations make clear that land use or the property will not be considered in the application and having a

23 location is not required and documentation about a location will not be considered or no points will be granted for having a
24 location?

25 On Aug 22 at 8:15 pm Pupo wrote:

Exhibit 2064.

1 49. In order to grade and rank the applications, the DoT posted notices that it was seeking to
2 hire individuals with specified qualifications necessary to evaluate applications. Certain DoT
3 employees also reached out to recent State retirees who might have relevant experience as part of their
4 recruitment efforts. The DoT interviewed applicants and made decisions on individuals to hire for each
5 position.

6 50. When decisions were made on who to hire, the individuals were notified that they would
7 need to register with “Manpower” under a preexisting contract between the DoT and that company.
8 Individuals would be paid through Manpower, as their application-grading work would be of a
9 temporary nature.
10

11 51. The DoT identified, hired, and provided some training to eight individuals hired to
12 grade the applications, including three to grade the identified portions of the applications, three to grade
13 the non-identified portions of the applications, and one administrative assistant for each group of
14 graders (collectively the “Independent Contractors”).
15

16 52. Based upon the testimony at trial, it remains unclear how the DoT trained the Temporary
17 Employees. While portions of the training materials from PowerPoint decks were introduced into
18 evidence, it is unclear which slides from the PowerPoint decks were used. Testimony regarding the
19 oral training based upon example applications and practice grading of prior medical marijuana
20 establishment applications was insufficient for the Court to determine the nature and extent of the
21 training of the Independent Contractors.
22

23 53. Based on the evidence adduced, the Court finds that the lack of training for the graders
24 affected the graders’ ability to evaluate the applications objectively and impartially.

25 54. NAC 453D.272(1) required the DoT to determine that an Application is “complete and
26 in compliance” with the provisions of NAC 453D in order to properly apply the licensing criteria set
27 forth therein and the provisions of the Ballot Initiative and the enabling statute.
28

1 55. In evaluating whether an application was “complete and in compliance,” the DoT made
2 no effort to verify owners, officers or board members (except for checking whether a transfer request
3 was made and remained pending before the DoT).

4 56. For purposes of grading the applicant’s organizational structure²⁵ and diversity, if an
5 applicant’s disclosure in its application of its owners, officers, and board members did not match the
6 DoT’s own records, the DoT did not penalize the applicant. Rather, the DoT permitted the grading, and
7 in some cases, awarded a conditional license to an applicant under such circumstances and dealt with
8 the issue by simply informing the winning applicant that its application would have to be brought into
9 conformity with DoT records.
10

11 57. The DoT announced the award of conditional licenses in December 2018.

12 58. The DoT did not comply with BQ2 by requiring applicants to provide information for
13 each prospective owner, officer and board member or verify the ownership of applicants applying for
14 retail recreational marijuana licenses. Instead the DoT issued conditional licenses to applicants who
15 did not identify each prospective owner, officer and board member.
16

17 59. Some of the Industry Defendants and their agent Ms. Connor, produced text messages
18 forensically extracted from their cell phones revealing the extent of contact and substance of
19 communications between them and Pupo. Additionally, phone records of Pupo identifying telephone
20 numbers communicated with and length of communication (but not content) were obtained from
21 Pupo’s cellular service provider. This evidence reinforces the presumption related to Pupo’s failure to
22 preserve evidence and reflects the preferential access and treatment provided.²⁶
23
24

25 ²⁵ The use of Advisory Boards by many applicants who were LLCs has been criticized. The DoT provided no
26 guidance to the potential applicants or the Temporary Employees of the manner by which these “Boards” should be
evaluated. As this applied equally to all applicants, it is not a basis for relief.

27 ²⁶ TGIG also was represented by Amanda Conner and had communications with Pupo. TGIG did not provide its
28 communications with Pupo.

1 60. The DoT's late decision to delete the physical address requirement on some application
2 forms while not modifying those portions of the application that were dependent on a physical location
3 (i.e. floor plan, community impact, security plan, and the sink locations) after the repeated
4 communications by an applicant's agent, not effectively communicating the revision, and leaving the
5 original version of the application on the website is evidence of a lack of a fair process.

6 61. The DoT's departure from its stated single point of contact and the degree of direct
7 personal contact outside the single point of contact process provided unequal, advantageous and
8 supplemental information to some applicants and is evidence of a lack of a fair process.

9 62. Pursuant to NAC 453D.295, the winning applicants received a conditional license that
10 would not be finalized unless within twelve months of December 5, 2018, the licensees receive a final
11 inspection of their marijuana establishment.²⁷

12 63. The DoT's lack of compliance with the established single point of contact and the
13 pervasive communications, meetings with Pupo, and preferential information provided to certain
14 applicants creates an uneven playing field because of the unequal information available to potential
15 applicants. This conduct created an unfair process for which injunctive relief may be appropriate.

16 64. The only direct action attributed to Pupo during the evaluation and grading process
17 related to the determination related to the monopolistic practices. Based upon the testimony adduced at
18 trial, Pupo's reliance upon advice of counsel from Deputy Attorney General Werbicky in making this
19 decision removes it from an arbitrary and capricious exercise of discretion.

20 65. Nothing in NRS 453D or NAC 453D provides for any right to an appeal or review of a
21 decision denying an application for a retail recreational marijuana license.

22 66. In 2019, more than three years from the passage of Ballot Question 2, Nevada's
23 legislature repealed NRS 453D.200. 2019 Statutes of Nevada, Page 3896.

24
25
26
27
28 ²⁷ The DoT has agreed to extend this deadline due to these proceedings and the public health emergency. Some of
the conditional licenses not enjoined under the preliminary injunction have now received final approval.

1 67. With its repeal, NRS 453D.200 was no longer effective as of July 1, 2020.

2 68. Nevada’s legislature also enacted statutes setting forth general qualifications for
3 licensure and registration of persons who have applied to receive marijuana establishment licenses.
4 NRS 678B.200.

5 69. The CCB was formed by the legislature and is now the government entity that oversees
6 and regulates the cannabis industry in the State of Nevada. By statute, the CCB now determines if the
7 “person is qualified to receive a license...” NRS 678B.200(1).
8

9 70. There are an extremely limited number of licenses available for the sale of recreational
10 marijuana.

11 71. The number of licenses available was set by BQ2 and is contained in NRS
12 453D.210(5)(d).

13 72. The secondary market for the transfer of licenses is limited.²⁸

14 73. Although there has been little tourism demand for legal marijuana sales due to the public
15 health emergency and as a result growth in legal marijuana sales has declined, the market is not
16 currently saturated. With the anticipated return of tourism after the abatement of the current public
17 health emergency, significant growth in legal marijuana sales is anticipated. Given the number of
18 variables related to new licenses, the claim for loss of market share is too speculative for relief.
19

20 74. Since the Court does not have authority to order additional licenses in particular
21 jurisdictions and because there are a limited number of licenses that are available in certain
22 jurisdictions, injunctive relief may be necessary to permit the Plaintiffs, if successful in the NRS
23 453D.210(6) process, to actually obtain a license with respect to the issues on which partial summary
24 judgment was granted.
25

26
27 ²⁸ Multiple changes in ownership have occurred since the applications were filed. Given this testimony, simply
28 updating the applications previously filed would not comply with BQ2.

75. The remaining Plaintiffs²⁹ (excluding TGIG) (the “Untainted Plaintiffs”) have not identified by a preponderance of the evidence, that if a single point of contact was followed by the DoT and equal information provided to all applicants, as was done for the medical marijuana application process, that there is a substantial likelihood they would have been successful in the ranking process.

76. After balancing the equities among the parties, the Court determines that the balance of equities does not weigh in favor of the Untainted Plaintiffs on the relief beyond that previously granted in conjunction with the partial summary judgment order entered on August 17, 2020.

77. If any findings of fact are properly conclusions of law, they shall be treated as if appropriately identified and designated.

CONCLUSIONS OF LAW

78. This Court has previously held that the 5 percent rule found in NAC 453D.255(1) was an impermissible deviation from the background check requirement of NRS 453D.200(6) as applied to that statute.

79. “Any person...whose rights, status or other legal relations are affected by a statute, municipal ordinance, contract or franchise, may have determined any question of construction or validity arising under the instrument, statute, ordinance, contract or franchise and obtain a declaration of rights, status or other legal relations thereunder.” NRS 30.040.

9 82. The Nevada Constitution also demands equal protection of the laws under Article 4,
10 Section 21 of the Nevada Constitution. *See Doe v. State*, 133 Nev. 763, 767, 406 P.3d 482, 486 (2017).

11 83. NRS 33.010 governs cases in which an injunction may be granted. The applicant must
12 show (1) a likelihood of success on the merits; and (2) a reasonable probability that the non-moving
13 party’s conduct, if allowed to continue, will cause irreparable harm for which compensatory damage is
14 an inadequate remedy.

15
16 84. Plaintiffs have the burden to demonstrate that the DoT’s conduct, if allowed to continue,
17 will result in irreparable harm for which compensatory damages is an inadequate remedy.

18 85. The Nevada Supreme Court has recognized that “[i]nitiative petitions must be kept
19 substantively intact; otherwise, the people’s voice would be obstructed. . . [I]nitiative legislation is not
20 subject to judicial tampering. The substance of an initiative petition should reflect the unadulterated
21 will of the people and should proceed, if at all, as originally proposed and signed. For this reason, our
22 constitution prevents the Legislature from changing or amending a proposed initiative petition that is
23 under consideration.” *Rogers v. Heller*, 117 Nev. 169, 178, 18 P.3d 1034,1039–40 (2001).

24
25 86. BQ2 provides, “the Department shall adopt all regulations necessary or convenient to
26 carry out the provisions of this chapter.” NRS 453D.200(1). This language does not confer upon the
27 DoT unfettered or unbridled authority to do whatever it wishes without constraint. The DoT was not
28

1 delegated the power to legislate amendments because this is initiative legislation. The Legislature itself
2 has no such authority with regard to NRS 453D until three years after its enactment under the
3 prohibition of Article 19, Section 2 of the Constitution of the State of Nevada.

4 87. Where, as here, amendment of a voter-initiated law is temporally precluded from
5 amendment for three years, the administrative agency may not modify the law.³⁰

6 88. An agency's action in interpreting and executing a statute it is tasked with interpreting is
7 entitled to deference "unless it conflicts with the constitution or other statutes, exceeds the agency's
8 powers, or is otherwise arbitrary and capricious." *Nuleaf CLV Dispensary, LLC v. State Dept. of Health*
9 *and Human Services, Div. of Pub. and Behavioral Health*, 414 P.3d 305, 308 (Nev. 2018) (quoting
10 *Cable v. State ex rel. Emp'rs Ins. Co. of Nev.*, 122 Nev. 120, 126, 127 P.3d 528, 532 (2006)).

11 89. NRS 453D.200(1) provides that "the Department shall adopt all regulations necessary or
12 convenient to carry out the provisions of this chapter." The Court finds that the words "necessary or
13 convenient" are susceptible to at least two reasonable interpretations. This limitation applies only to
14 Regulations adopted by the DoT.
15

16 90. While the category of diversity is not specifically included in the language of BQ2, the
17 evidence presented in the hearing demonstrates that a rational basis existed for the inclusion of this
18 category in the Factors and the application.
19

20 91. The DoT's inclusion of the diversity category was implemented in a way that created a
21 process which was partial and subject to manipulation by applicants.
22

23 92. NAC 453D.272 contains what is commonly referred to as the Regulations' "anti-
24 monopoly" provision. It forbids the DoT from issuing to any person, group of persons, or entity, in a
25 county whose population is 100,000 or more, the greater of one license to operate a retail marijuana
26 store or more than 10 percent of the retail marijuana licenses allocable for the county.
27

28 ³⁰ The Court notes that the Legislature has now modified certain provisions of BQ2. The Court relies on those statutes and regulations in effect at the time of the application process.

1 93. Although not required to use a single point of contact process for questions related to the
2 application, once DoT adopted that process and published the appropriate process to all potential
3 applicants, the DoT was bound to follow that process.

4 94. The DoT employees provided various applicants with different information as to
5 diversity and what would be utilized from this category and whether it would be used merely as a
6 tiebreaker or as a substantive category.

7 95. The DoT selectively discussed with applicants or their agents the modification of the
8 application related to physical address as well as other information contained in the application.
9

10 96. The process was impacted by personal relationships in decisions related to the
11 requirements of the application and the ownership structures of competing applicants.

12 97. The intentional and repeated violations of the single point of contact process in favor of
13 only a select group of applicants was an arbitrary and capricious act and served to contaminate the
14 process. These repeated violations adversely affected applicants who were not members of that select
15 group. These violations are in and of themselves insufficient to void the process as urged by some of
16 the Plaintiffs.
17

18 98. The DoT disseminated various versions of the 2018 Retail Marijuana Application, one
19 of which was published on the DoT's website and required the applicant to provide an actual physical
20 Nevada address for the proposed marijuana establishment, and not a P.O. Box, and an alternative
21 version of the DoT's application form, which was distributed to some, but not all, of the potential
22 applicants via a DoT Listserv, which deleted the requirement that applicants disclose an actual physical
23 address for their proposed marijuana establishment.
24

25 99. The applicants were applying for conditional licensure, which would last for 1 year.
26 NAC 453D.282. The license was conditional based on the applicant's gaining approval from local
27
28

1 authorities on zoning and land use, the issuance of a business license, and the Department of Taxation
2 inspections of the marijuana establishment.

3 100. By selectively eliminating the requirement to disclose an actual physical address for
4 each and every proposed retail recreational marijuana establishment, the DoT limited the ability of the
5 Independent Contractors to adequately assess graded criteria such as (i) prohibited proximity to schools
6 and certain other public facilities, (ii) impact on the community, (iii) security, (iv) building plans, and
7 (v) other material considerations prescribed by the Regulations.

8
9 101. The hiring of Independent Contractors was well within the DoT's discretionary power.

10 102. The evidence establishes that the DoT failed to properly train the Independent
11 Contractors. The DoT failed to establish any quality assurance or quality control of the grading done
12 by Independent Contractors.³¹ This is not an appropriate basis for the requested relief as the DoT
13 treated all applicants the same in the grading process. The DoT's failures in training the Independent
14 Contractors applied equally to all applicants.

15
16 103. The DoT made licensure conditional for one year based on the grant of power to create
17 regulations that develop "[p]rocedures for the issuance, renewal, suspension, and revocation of a
18 license to operate a marijuana establishment." NRS 453D.200(1)(a). This was within the DoT's
19 discretion.

20 104. Certain of DoT's actions related to the licensing process were nondiscretionary
21 modifications of BQ2's mandatory requirements.³² The evidence establishes DoT's deviations
22 constituted arbitrary and capricious conduct without any rational basis for the deviation.

23
24 105. The DoT's decision to not require disclosure on the application and to not conduct
25 background checks of persons owning less than 5 percent prior to award of a conditional license is an

26
27 ³¹ The only QA/QC process was done by the Temporary Employees apparently with no oversight by the DoT.

28 ³² These are contained in the order entered August 17, 2020.

1 impermissible deviation from the mandatory language of BQ2, which mandated “a background check
2 of each prospective owner, officer, and board member of a marijuana establishment license applicant.”
3 NRS 453D.200(6).

4 106. Under the circumstances presented here, the Court concludes that certain of the
5 Regulations created by the DoT are unreasonable, inconsistent with BQ2, and outside of any discretion
6 permitted to the DoT.

7 107. The DoT acted beyond its scope of authority when it arbitrarily and capriciously
8 replaced the mandatory requirement of BQ2, for the background check of each prospective owner,
9 officer and board member with the 5 percent or greater standard in NAC 453.255(1). This decision by
10 the DoT was not one they were permitted to make as it resulted in a modification of BQ2 in violation of
11 Article 19, Section 2(3) of the Nevada Constitution.
12

13 108. The balance of equities weighs in favor of Plaintiffs on the issue for which partial
14 summary judgment has been granted.³³
15

16 109. The DoT stands to suffer no appreciable losses and will suffer only minimal harm as a
17 result of an injunction related to the August 17, 2020, partial summary judgment.

18 110. The bond previously posted for the preliminary injunction is released to those parties
19 who posted the bond.³⁴

20 111. If any conclusions of law are properly findings of fact, they shall be treated as if
21 appropriately identified and designated.
22
23
24

25 ³³ The order concludes:

26 [A]s a matter of law, the DoT acted beyond the scope of its authority by replacing the requirement for
27 a background check of each prospective owner with the 5 percent or greater standard in NAC 453D.255(1).

28 ³⁴ Any objections to the release of the bond must be made within five judicial days of entry of this order. If no
objections are made, the Court will sign an order submitted by Plaintiffs. If an objection is made, the Court will set a
hearing for further argument on this issue.

ORDER

IT IS HEREBY ORDERED, ADJUDGED AND DECREED that:

The claim for declaratory relief is granted. The Court declares:

The DoT acted beyond its scope of authority when it arbitrarily and capriciously replaced the mandatory requirement of BQ2, for the background check of each prospective owner, officer and board member with the 5 percent or greater standard in NAC 453.255(1). This decision by the DoT was not one they were permitted to make as it resulted in a modification of BQ2 in violation of Article 19, Section 2(3) of the Nevada Constitution.

The claim for equal protection is granted in part:

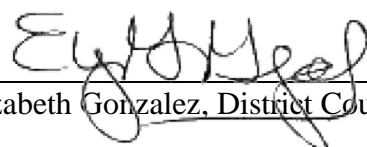

With respect to the decision by the DoT to arbitrarily and capriciously replace the mandatory requirement of BQ2, for the background check of each prospective owner, officer and board member with the 5 percent or greater standard in NAC 453.255(1), the DoT created an unfair process. No monetary damages are awarded given the speculative nature of the potential loss of market share.

Injunctive relief under these claims is appropriate. The State is permanently enjoined from conducting a final inspection of any of the conditional licenses issued in or about December 2018 for an applicant who did not provide the identification of each prospective owner, officer and board member as required by NRS 453D.200(6).

The Court declines to issue an extraordinary writ unless violation of the permanent injunction occurs.

All remaining claims for relief raised by the parties in this Phase are denied.

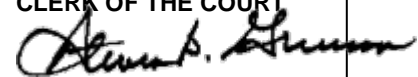

DATED this 3rd day of September 2020.

11 administrative record filed in this proceeding,⁵ and having considered the oral and written arguments of
12 counsel, and with the intent of deciding the remaining issues⁶ related to the various Petitions for
13 Judicial Review only,⁷ the Court makes the following findings of fact and conclusions of law:

14 15 **PROCEDURAL POSTURE**

16 Plaintiffs are a group of unrelated commercial entities who applied for, but did not receive,
17 licenses to operate retail recreational marijuana establishments in various local jurisdictions throughout
18 the state. Defendant is the DoT, which was the administrative agency responsible for issuing the
19 licenses at the times subject to these complaints. Some successful applicants for licensure intervened as
20 Defendants.

21
22
23 ⁵ The State produced the applications as redacted by various Plaintiffs on June 12, 2020 and supplemented with
24 additional information on June 26, 2020. The Court previously denied TGIG’s motion to supplement the record by order
25 entered August 28, 2020. The portions of the applications which were redacted varied based upon the decisions made by
26 each individual Plaintiff. These redacted applications do not provide the Court with information needed to make a decision
27 related to the “completeness” issue as argued during Phase 1. During Phase 2 of the Trial an unredacted application by THC
28 was admitted.

⁶ The Court granted partial summary judgment and remanded to the DoT, MM and LivFree’s appeals which had
been summarily rejected by Pupo. See written order filed on July 11, 2020.

⁷ While several plaintiffs have reached a resolution of their claims with the State and certain Industry Defendants,
the Petitions of the remaining plaintiffs remain virtually the same.

1 The Attorney General's Office was forced to deal with a significant impediment at the early
2 stages of the litigation. This inability to disclose certain information was outside of its control because
3 of confidentiality requirements that have now been slightly modified by SB 32. Although the parties
4 stipulated to a protective order on May 24, 2019,⁸ many documents produced in preparation for the
5 trial and for discovery purposes were heavily redacted or produced as attorney's eyes only because of
6 the highly competitive nature of the industry and sensitive financial and commercial information
7 involved. Much of the administrative record is heavily redacted and was not provided to the Court in
8 unredacted form.
9

10 PRELIMINARY STATEMENT

11 On June 12, 2020, the DOT submitted its Record on Review in Accordance with the Nevada
12 Administrative Procedure Act, including documents showing certain applicants' applications, the
13 scoring sheets, and related tally sheets. On June 26, 2020, the DOT filed a Supplement to Record on
14 Review in Accordance with the Nevada Administrative Procedure Act to add certain information
15 related to the dissemination of the applications. The documents contained within these two filings
16 (collectively, the "Record") provides all relevant evidence that resulted in the DoT's final decision. All
17 Plaintiffs redacted their own applications that are the subject of their Petition for Judicial Review.⁹
18

19 FINDINGS OF FACT

20 1. Ballot Question 2 ("BQ2") was enacted by the Nevada Legislature and is codified at
21 NRS 453D.¹⁰
22

23 ⁸ The Court recognizes the importance of utilizing a stipulated protective order for discovery purpose in complex
24 litigation involving confidential commercial information. NRS 600A.070. The use of a protective order does not relieve a
party of proffering evidence sufficient for the Court to make a determination on the merits related to the claims at issue.

25 ⁹ The Record filed by the State utilized the versions of the submitted applications which had been redacted by the
26 applicants as part of the stipulated protective order in this matter. Applications for which an attorney's eyes only
27 designation had been made by a Plaintiff were not included in the Record. The redacted applications submitted by Plaintiffs
limits the Court's ability to discern information related to this Phase.

28 ¹⁰ As the provisions of BQ2 and the sections of NRS 453D in effect at the time of the application process (with the
exception of NRS 453D.205) are identical, for ease of reference the Court cites to BQ2 as enacted by the Nevada
Legislature during the 2017 session in NRS 453D.

2. BQ2 specifically identified regulatory and public safety concerns:

The People of the State of Nevada proclaim that marijuana should be regulated in a manner similar to alcohol so that:

- (a) Marijuana may only be purchased from a business that is licensed by the State of Nevada;
- (b) Business owners are subject to a review by the State of Nevada to confirm that the business owners and the business location are suitable to produce or sell marijuana;
- (c) Cultivating, manufacturing, testing, transporting and selling marijuana will be strictly controlled through State licensing and regulation;
- (d) Selling or giving marijuana to persons under 21 years of age shall remain illegal;
- (e) Individuals will have to be 21 years of age or older to purchase marijuana;
- (f) Driving under the influence of marijuana will remain illegal; and
- (g) Marijuana sold in the State will be tested and labeled.

NRS 453D.020(3).

3. On February 27, 2018, the DoT adopted regulations governing the issuance, suspension, or revocation of retail recreational marijuana licenses in LCB File No. R092-17, which were codified in NAC 453D (the “Regulations”).

4. NRS 453D.210(6) mandated the DoT use “an impartial and numerically scored competitive bidding process” to determine successful applicants where competing applications were submitted.

5. NAC 453D.272(1) provides the procedure for when the DoT receives more than one “complete” application for a single county. Under this provision the DoT will determine if the “application is complete and in compliance with this chapter and Chapter 453D of NRS, the Department will rank the applications . . . in order from first to last based on the compliance with the provisions of this chapter and Chapter 453D of NRS and on the content of the applications relating to . . .” several enumerated factors. NAC 453D.272(1).

6. The DoT posted the application on its website and released the application for recreational marijuana establishment licenses on July 6, 2018.¹¹

¹¹ The DoT made a change to the application after circulating the first version of the application to delete the requirement of a physical location. The modification resulted in a different version of the application bearing the same “footer” with the original version remaining available on the DoT’s website.

1 7. The DoT used a Listserv¹² to communicate with prospective applicants.

2 8. Applications were accepted from September 7, 2018 through September 20, 2018.

3 9. After the posting of the application on July 6, 2018, Pupo decided to eliminate the
4 physical location requirement outlined in NRS 453D.210(5) and NAC 453D.265(b)(3).

5 10. The DoT published a revised application on July 30, 2018. This revised application was
6 sent to all participants via the DoT's Listserv. The revised application modified physical address
7 requirements. For example, a sentence on Attachment A of the application, prior to this revision, the
8 sentence had read, "Marijuana Establishment's proposed physical address (this must be a Nevada
9 address and cannot be a P.O. Box)." The revised application on July 30, 2018, read: "Marijuana
10 Establishment's proposed physical address if the applicant owns property or has secured a lease or
11 other property agreement (this must be a Nevada address and not a P.O. Box)." Otherwise, the
12 applications are virtually identical.

13 11. The DoT sent a copy of the revised application through the Listserv used by the DoT.
14 Not all Plaintiffs' correct emails were included on this list.

15 12. The July 30, 2018, application, like its predecessor, described how applications were to
16 be scored. The scoring criteria was divided into identified criteria and non-identified criteria. The
17 maximum points that could be awarded to any applicant based on these criteria was 250 points.

18 13. The identified criteria consisted of organizational structure of the applicant (60 points);
19 evidence of taxes paid to the State of Nevada by owners, officers, and board members of the applicant
20 in the last 5 years (25 points); a financial plan (30 points); and documents from a financial institution
21 showing unencumbered liquid assets of \$250,000 per location for which an application is submitted.
22
23
24
25
26

27 ¹² According to Dictionary.com, the term "Listserv" is used to refer to online mailing list. When capitalized it refers
28 to a proprietary software.

1 14. The non-identified criteria all consisted of documentation concerning the integrated plan
2 of the proposed marijuana establishment for the care, quality and safekeeping of marijuana from seed to
3 sale (40 points); evidence that the applicant has a plan to staff, educate and manage the proposed
4 recreational marijuana establishment on a daily basis (30 points); a plan describing operating
5 procedures for the electronic verification system of the proposed marijuana establishment and
6 describing the proposed establishment's inventory control system (20 points); building plans showing
7 the proposed establishment's adequacy to serve the needs of its customers (20 points); and a proposal
8 explaining likely impact of the proposed marijuana establishment in the community and how it will
9 meet customer needs (15 points).
10

11 15. An applicant was permitted to submit a single application for all jurisdictions in which it
12 was applying, and the application would be scored at the same time.

13 16. By September 20, 2018, the DoT received a total of 462 applications.

14 17. NAC 453D.272(1) required the DoT to determine that an Application is "complete and
15 in compliance" with the provisions of NAC 453D in order to properly apply the licensing criteria.¹³
16

17 18. In evaluating whether an application was "complete and in compliance," the DoT made
18 no effort to verify owners, officers or board members (except for checking whether a transfer request
19 was made and remained pending before the DoT).¹⁴
20

21 19. The DoT announced the award of conditional licenses in December 2018.
22
23

24 ¹³ The Plaintiffs argue that the failure to provide an actual proposed physical address should render many of the
25 applications incomplete and requests that Court remand the matter to the State for a determination of the completeness of
26 each application and supplementation of the record. As the physical address issue has been resolved by the Court in the
Phase 2 decision, the Court declines to take any action on the petition for judicial review with respect to this issue.

27 ¹⁴ As the Plaintiffs (with the exception of THC) have not provided their unredacted applications, the Court cannot
28 make a determination with respect to completeness of this area. As the Court has already granted a permanent injunction on
the ownership issue, the Court declines to take any further action on the petition for judicial review with respect to this
issue.

1 20. Pursuant to NAC 453D.295, the winning applicants received a conditional license that
2 would not be finalized unless within twelve months of December 5, 2018, the licensees receive a final
3 inspection of their marijuana establishment.¹⁵

4 21. Nothing in NRS 453D or NAC 453D provides for any right to an appeal or review of a
5 decision denying an application for a retail recreational marijuana license.

6 22. In 2019, more than three years from the passage of BQ2, Nevada’s legislature repealed
7 NRS 453D.200. 2019 Statutes of Nevada, Page 3896.

8 23. With its repeal, NRS 453D.200 was no longer effective as of July 1, 2020.

9 24. Nevada’s legislature also enacted statutes setting forth general qualifications for
10 licensure and registration of persons who have applied to receive marijuana establishment licenses.
11 NRS 678B.200.

12 25. The CCB was formed by the legislature and is now the government entity that oversees
13 and regulates the cannabis industry in the State of Nevada. By statute, the CCB now determines if the
14 “person is qualified to receive a license...” NRS 678B.200(1).

15 26. The Plaintiffs have not identified by a preponderance of the evidence any specific
16 instance with respect to their respective applications that the procedure used by the DoT for analyzing,
17 evaluating, and ranking the applications was done in violation of the applicable regulations or in an
18 arbitrary or capricious manner.

19 27. To the extent that judicial review would be available in this matter, no additional relief is
20 appropriate beyond that contained in the decision entered on September 3, 2020.¹⁶

21 ¹⁵ The DoT has agreed to extend this deadline due to these proceedings and the public health emergency. Some of
22 the conditional licenses not enjoined under the preliminary injunction have now received final approval.

23 ¹⁶ The Court recognizes the decision in *State Dep’t of Health & Human Services, Div. of Pub. & Behavioral Health*
24 *Med. Marijuana Establishment Program v. Samantha Inc.* (“Samantha”), 133 Nev. 809, 815-16, 407 P.3d 327, 332 (2017),
25 limits the availability of judicial review. Here as the alternative claims not present in that matter have already been decided
26 by written order entered September 3, 2020, regardless of whether the vehicle of judicial relief is appropriate, no further
27 relief will be granted in this matter.
28

28. If any findings of fact are properly conclusions of law, they shall be treated as if appropriately identified and designated.

CONCLUSIONS OF LAW

29. This Court has previously held that the 5 percent rule found in NAC 453D.255(1) was an impermissible deviation from the background check requirement of NRS 453D.200(6) as applied to that statute.

30. This Court has previously held that the deletion of the physical address requirement given the decision in *Nuleaf CLV Dispensary, LLC v. State Dept. of Health and Human Services, Div. of Pub. and Behavioral Health*, 414 P.3d 305, 308 (Nev. 2018) does not form a basis for relief.¹⁷

31. “Courts have no inherent appellate jurisdiction over official acts of administrative agencies.” *Fitzpatrick v. State ex rel., Dept. of Commerce, Ins. Div.*, 107 Nev. 486, 488, 813 P.2d 1004 (1991) (citing *Crane*, 105 Nev. 399, 775 P.2d 705).

32. Under NRS 233B.130(1), judicial review is only available for a party who is “(a) [i]dentified as a party of record by an agency in an administrative proceeding; and (b) [a]ggrieved by a final decision in a contested case.”

33. A contested case is “a proceeding . . . in which the legal rights, duties or privileges of a party are required by law to be determined by an agency after an opportunity for hearing, or in which an administrative penalty may be imposed.” NRS 233B.032.

34. A valid petition for judicial review requires a record of the proceedings below to be transmitted to the reviewing court within a certain timeframe. NRS 233B.131. The record in such a case must include:

- (a) All pleadings, motions and intermediate rulings.
- (b) Evidence received or considered.
- (c) A statement of matters officially noticed.

¹⁷ The Court remains critical of the method by which the decision to delete the address requirement was made and the manner by which it was communicated. These issues are fully addressed in the decision entered September 3, 2020.

- (d) Questions and offers of proof and objections, and rulings thereon.
(e) Proposed findings and exceptions.
(f) Any decision, opinion or report by the hearing officer presiding at the hearing.

NRS 233B.121(7).

35. Judicial review under NRS 233B is to be restricted to the administrative record. *See* NRS 233B.135(1)(b).

36. The Record provides all relevant evidence that resulted in the DoT's analysis of Plaintiffs' applications.

37. The Record is limited and Plaintiffs themselves redacted their own applications at issue.

38. The Record in this case does not support Plaintiffs' Petition.

39. Plaintiffs do not cite to any evidence in the Record that supports their substantive arguments.

40. The Plaintiffs have not met their burden of establishing that the DoT's decisions granting and denying the applications for conditional licenses: (1) violated constitutional and/or statutory provisions; (2) exceeded the DOT's statutory authority; (3) were based upon unlawful procedure; (4) were clearly erroneous based upon the Record; (5) were arbitrary and capricious; or (6) generally constituted an abuse of discretion.

41. The applicants were applying for conditional licensure, which would last for 1 year. NAC 453D.282. The license was conditional based on the applicant gaining approval from local authorities on zoning and land use, the issuance of a business license, and the Department of Taxation inspections of the marijuana establishment.

42. The DoT made licensure conditional for one year based on the grant of power to create regulations that develop "[p]rocedures for the issuance, renewal, suspension, and revocation of a license to operate a marijuana establishment." NRS 453D.200(1)(a). This was within the DoT's discretion.

1 43. If any conclusions of law are properly findings of fact, they shall be treated as if
2 appropriately identified and designated.

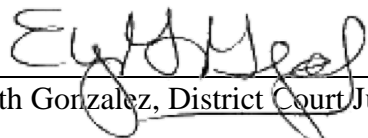

3 **ORDER**

4 **IT IS HEREBY ORDERED, ADJUDGED AND DECREED that:**

5 Plaintiffs' Petitions for Judicial Review under NRS 233B.130 is denied in its entirety.

6 All remaining claims for relief raised by the parties in this Phase are denied.

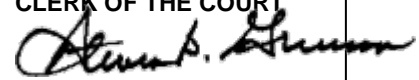

7 DATED this 16th day of September 2020.

9
10 Having read and considered the pleadings filed by the parties, having reviewed the
11 administrative record filed in this proceeding,⁵ and having considered the oral and written arguments of
12 counsel, and with the intent of deciding the remaining issues⁶ related to the various Petitions for
13 Judicial Review only,⁷ the Court makes the following findings of fact and conclusions of law:

14 15 **PROCEDURAL POSTURE**

16 Plaintiffs are a group of unrelated commercial entities who applied for, but did not receive,
17 licenses to operate retail recreational marijuana establishments in various local jurisdictions throughout
18 the state. Defendant is the DoT, which was the administrative agency responsible for issuing the
19 licenses at the times subject to these complaints. Some successful applicants for licensure intervened as
20 Defendants.

21
22
23 ⁵ The State produced the applications as redacted by various Plaintiffs on June 12, 2020 and supplemented with
24 additional information on June 26, 2020. The Court previously denied TGIG’s motion to supplement the record by order
25 entered August 28, 2020. The portions of the applications which were redacted varied based upon the decisions made by
26 each individual Plaintiff. These redacted applications do not provide the Court with information needed to make a decision
27 related to the “completeness” issue as argued during Phase 1. During Phase 2 of the Trial an unredacted application by THC
28 was admitted.

⁶ The Court granted partial summary judgment and remanded to the DoT, MM and LivFree’s appeals which had
been summarily rejected by Pupo. See written order filed on July 11, 2020.

⁷ While several plaintiffs have reached a resolution of their claims with the State and certain Industry Defendants,
the Petitions of the remaining plaintiffs remain virtually the same.

1 The Attorney General's Office was forced to deal with a significant impediment at the early
2 stages of the litigation. This inability to disclose certain information was outside of its control because
3 of confidentiality requirements that have now been slightly modified by SB 32. Although the parties
4 stipulated to a protective order on May 24, 2019,⁸ many documents produced in preparation for the
5 trial and for discovery purposes were heavily redacted or produced as attorney's eyes only because of
6 the highly competitive nature of the industry and sensitive financial and commercial information
7 involved. Much of the administrative record is heavily redacted and was not provided to the Court in
8 unredacted form.
9

10 PRELIMINARY STATEMENT

11 On June 12, 2020, the DOT submitted its Record on Review in Accordance with the Nevada
12 Administrative Procedure Act, including documents showing certain applicants' applications, the
13 scoring sheets, and related tally sheets. On June 26, 2020, the DOT filed a Supplement to Record on
14 Review in Accordance with the Nevada Administrative Procedure Act to add certain information
15 related to the dissemination of the applications. The documents contained within these two filings
16 (collectively, the "Record") provides all relevant evidence that resulted in the DoT's final decision. All
17 Plaintiffs redacted their own applications that are the subject of their Petition for Judicial Review.⁹
18

19 FINDINGS OF FACT

20 1. Ballot Question 2 ("BQ2") was enacted by the Nevada Legislature and is codified at
21 NRS 453D.¹⁰
22

23 ⁸ The Court recognizes the importance of utilizing a stipulated protective order for discovery purpose in complex
24 litigation involving confidential commercial information. NRS 600A.070. The use of a protective order does not relieve a
party of proffering evidence sufficient for the Court to make a determination on the merits related to the claims at issue.

25 ⁹ The Record filed by the State utilized the versions of the submitted applications which had been redacted by the
26 applicants as part of the stipulated protective order in this matter. Applications for which an attorney's eyes only
27 designation had been made by a Plaintiff were not included in the Record. The redacted applications submitted by Plaintiffs
limits the Court's ability to discern information related to this Phase.

28 ¹⁰ As the provisions of BQ2 and the sections of NRS 453D in effect at the time of the application process (with the
exception of NRS 453D.205) are identical, for ease of reference the Court cites to BQ2 as enacted by the Nevada
Legislature during the 2017 session in NRS 453D.

2. BQ2 specifically identified regulatory and public safety concerns:

The People of the State of Nevada proclaim that marijuana should be regulated in a manner similar to alcohol so that:

- (a) Marijuana may only be purchased from a business that is licensed by the State of Nevada;
- (b) Business owners are subject to a review by the State of Nevada to confirm that the business owners and the business location are suitable to produce or sell marijuana;
- (c) Cultivating, manufacturing, testing, transporting and selling marijuana will be strictly controlled through State licensing and regulation;
- (d) Selling or giving marijuana to persons under 21 years of age shall remain illegal;
- (e) Individuals will have to be 21 years of age or older to purchase marijuana;
- (f) Driving under the influence of marijuana will remain illegal; and
- (g) Marijuana sold in the State will be tested and labeled.

NRS 453D.020(3).

3. On February 27, 2018, the DoT adopted regulations governing the issuance, suspension, or revocation of retail recreational marijuana licenses in LCB File No. R092-17, which were codified in NAC 453D (the “Regulations”).

4. NRS 453D.210(6) mandated the DoT use “an impartial and numerically scored competitive bidding process” to determine successful applicants where competing applications were submitted.

5. NAC 453D.272(1) provides the procedure for when the DoT receives more than one “complete” application for a single county. Under this provision the DoT will determine if the “application is complete and in compliance with this chapter and Chapter 453D of NRS, the Department will rank the applications . . . in order from first to last based on the compliance with the provisions of this chapter and Chapter 453D of NRS and on the content of the applications relating to . . .” several enumerated factors. NAC 453D.272(1).

6. The DoT posted the application on its website and released the application for recreational marijuana establishment licenses on July 6, 2018.¹¹

¹¹ The DoT made a change to the application after circulating the first version of the application to delete the requirement of a physical location. The modification resulted in a different version of the application bearing the same “footer” with the original version remaining available on the DoT’s website.

1 7. The DoT used a Listserv¹² to communicate with prospective applicants.

2 8. Applications were accepted from September 7, 2018 through September 20, 2018.

3 9. After the posting of the application on July 6, 2018, Pupo decided to eliminate the
4 physical location requirement outlined in NRS 453D.210(5) and NAC 453D.265(b)(3).

5 10. The DoT published a revised application on July 30, 2018. This revised application was
6 sent to all participants via the DoT's Listserv. The revised application modified physical address
7 requirements. For example, a sentence on Attachment A of the application, prior to this revision, the
8 sentence had read, "Marijuana Establishment's proposed physical address (this must be a Nevada
9 address and cannot be a P.O. Box)." The revised application on July 30, 2018, read: "Marijuana
10 Establishment's proposed physical address if the applicant owns property or has secured a lease or
11 other property agreement (this must be a Nevada address and not a P.O. Box)." Otherwise, the
12 applications are virtually identical.

13 11. The DoT sent a copy of the revised application through the Listserv used by the DoT.
14 Not all Plaintiffs' correct emails were included on this list.

15 12. The July 30, 2018, application, like its predecessor, described how applications were to
16 be scored. The scoring criteria was divided into identified criteria and non-identified criteria. The
17 maximum points that could be awarded to any applicant based on these criteria was 250 points.

18 13. The identified criteria consisted of organizational structure of the applicant (60 points);
19 evidence of taxes paid to the State of Nevada by owners, officers, and board members of the applicant
20 in the last 5 years (25 points); a financial plan (30 points); and documents from a financial institution
21 showing unencumbered liquid assets of \$250,000 per location for which an application is submitted.
22
23
24
25
26

27 ¹² According to Dictionary.com, the term "Listserv" is used to refer to online mailing list. When capitalized it refers
28 to a proprietary software.

1 14. The non-identified criteria all consisted of documentation concerning the integrated plan
2 of the proposed marijuana establishment for the care, quality and safekeeping of marijuana from seed to
3 sale (40 points); evidence that the applicant has a plan to staff, educate and manage the proposed
4 recreational marijuana establishment on a daily basis (30 points); a plan describing operating
5 procedures for the electronic verification system of the proposed marijuana establishment and
6 describing the proposed establishment's inventory control system (20 points); building plans showing
7 the proposed establishment's adequacy to serve the needs of its customers (20 points); and a proposal
8 explaining likely impact of the proposed marijuana establishment in the community and how it will
9 meet customer needs (15 points).
10

11 15. An applicant was permitted to submit a single application for all jurisdictions in which it
12 was applying, and the application would be scored at the same time.

13 16. By September 20, 2018, the DoT received a total of 462 applications.

14 17. NAC 453D.272(1) required the DoT to determine that an Application is "complete and
15 in compliance" with the provisions of NAC 453D in order to properly apply the licensing criteria.¹³
16

17 18. In evaluating whether an application was "complete and in compliance," the DoT made
18 no effort to verify owners, officers or board members (except for checking whether a transfer request
19 was made and remained pending before the DoT).¹⁴
20

21 19. The DoT announced the award of conditional licenses in December 2018.
22
23

24 ¹³ The Plaintiffs argue that the failure to provide an actual proposed physical address should render many of the
25 applications incomplete and requests that Court remand the matter to the State for a determination of the completeness of
26 each application and supplementation of the record. As the physical address issue has been resolved by the Court in the
Phase 2 decision, the Court declines to take any action on the petition for judicial review with respect to this issue.

27 ¹⁴ As the Plaintiffs (with the exception of THC) have not provided their unredacted applications, the Court cannot
28 make a determination with respect to completeness of this area. As the Court has already granted a permanent injunction on
the ownership issue, the Court declines to take any further action on the petition for judicial review with respect to this
issue.

1 20. Pursuant to NAC 453D.295, the winning applicants received a conditional license that
2 would not be finalized unless within twelve months of December 5, 2018, the licensees receive a final
3 inspection of their marijuana establishment.¹⁵

4 21. Nothing in NRS 453D or NAC 453D provides for any right to an appeal or review of a
5 decision denying an application for a retail recreational marijuana license.

6 22. In 2019, more than three years from the passage of BQ2, Nevada’s legislature repealed
7 NRS 453D.200. 2019 Statutes of Nevada, Page 3896.

8 23. With its repeal, NRS 453D.200 was no longer effective as of July 1, 2020.

9 24. Nevada’s legislature also enacted statutes setting forth general qualifications for
10 licensure and registration of persons who have applied to receive marijuana establishment licenses.
11 NRS 678B.200.

12 25. The CCB was formed by the legislature and is now the government entity that oversees
13 and regulates the cannabis industry in the State of Nevada. By statute, the CCB now determines if the
14 “person is qualified to receive a license...” NRS 678B.200(1).
15

16 26. The Plaintiffs have not identified by a preponderance of the evidence any specific
17 instance with respect to their respective applications that the procedure used by the DoT for analyzing,
18 evaluating, and ranking the applications was done in violation of the applicable regulations or in an
19 arbitrary or capricious manner.
20

21 27. To the extent that judicial review would be available in this matter, no additional relief is
22 appropriate beyond that contained in the decision entered on September 3, 2020.¹⁶
23

24 ¹⁵ The DoT has agreed to extend this deadline due to these proceedings and the public health emergency. Some of
25 the conditional licenses not enjoined under the preliminary injunction have now received final approval.

26 ¹⁶ The Court recognizes the decision in *State Dep’t of Health & Human Services, Div. of Pub. & Behavioral Health*
27 *Med. Marijuana Establishment Program v. Samantha Inc.* (“Samantha”), 133 Nev. 809, 815-16, 407 P.3d 327, 332 (2017),
28 limits the availability of judicial review. Here as the alternative claims not present in that matter have already been decided
by written order entered September 3, 2020, regardless of whether the vehicle of judicial relief is appropriate, no further
relief will be granted in this matter.

28. If any findings of fact are properly conclusions of law, they shall be treated as if appropriately identified and designated.

CONCLUSIONS OF LAW

29. This Court has previously held that the 5 percent rule found in NAC 453D.255(1) was an impermissible deviation from the background check requirement of NRS 453D.200(6) as applied to that statute.

30. This Court has previously held that the deletion of the physical address requirement given the decision in *Nuleaf CLV Dispensary, LLC v. State Dept. of Health and Human Services, Div. of Pub. and Behavioral Health*, 414 P.3d 305, 308 (Nev. 2018) does not form a basis for relief.¹⁷

31. “Courts have no inherent appellate jurisdiction over official acts of administrative agencies.” *Fitzpatrick v. State ex rel., Dept. of Commerce, Ins. Div.*, 107 Nev. 486, 488, 813 P.2d 1004 (1991) (citing *Crane*, 105 Nev. 399, 775 P.2d 705).

32. Under NRS 233B.130(1), judicial review is only available for a party who is “(a) [i]dentified as a party of record by an agency in an administrative proceeding; and (b) [a]ggrieved by a final decision in a contested case.”

33. A contested case is “a proceeding . . . in which the legal rights, duties or privileges of a party are required by law to be determined by an agency after an opportunity for hearing, or in which an administrative penalty may be imposed.” NRS 233B.032.

34. A valid petition for judicial review requires a record of the proceedings below to be transmitted to the reviewing court within a certain timeframe. NRS 233B.131. The record in such a case must include:

- (a) All pleadings, motions and intermediate rulings.
- (b) Evidence received or considered.
- (c) A statement of matters officially noticed.

¹⁷ The Court remains critical of the method by which the decision to delete the address requirement was made and the manner by which it was communicated. These issues are fully addressed in the decision entered September 3, 2020.

- (d) Questions and offers of proof and objections, and rulings thereon.
(e) Proposed findings and exceptions.
(f) Any decision, opinion or report by the hearing officer presiding at the hearing.

NRS 233B.121(7).

35. Judicial review under NRS 233B is to be restricted to the administrative record. *See* NRS 233B.135(1)(b).

36. The Record provides all relevant evidence that resulted in the DoT's analysis of Plaintiffs' applications.

37. The Record is limited and Plaintiffs themselves redacted their own applications at issue.

38. The Record in this case does not support Plaintiffs' Petition.

39. Plaintiffs do not cite to any evidence in the Record that supports their substantive arguments.

40. The Plaintiffs have not met their burden of establishing that the DoT's decisions granting and denying the applications for conditional licenses: (1) violated constitutional and/or statutory provisions; (2) exceeded the DOT's statutory authority; (3) were based upon unlawful procedure; (4) were clearly erroneous based upon the Record; (5) were arbitrary and capricious; or (6) generally constituted an abuse of discretion.

41. The applicants were applying for conditional licensure, which would last for 1 year. NAC 453D.282. The license was conditional based on the applicant gaining approval from local authorities on zoning and land use, the issuance of a business license, and the Department of Taxation inspections of the marijuana establishment.

42. The DoT made licensure conditional for one year based on the grant of power to create regulations that develop "[p]rocedures for the issuance, renewal, suspension, and revocation of a license to operate a marijuana establishment." NRS 453D.200(1)(a). This was within the DoT's discretion.

1 43. If any conclusions of law are properly findings of fact, they shall be treated as if
2 appropriately identified and designated.

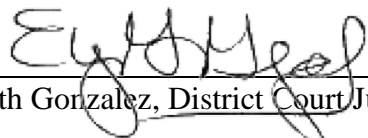

3 **ORDER**

4 **IT IS HEREBY ORDERED, ADJUDGED AND DECREED that:**

5 Plaintiffs' Petitions for Judicial Review under NRS 233B.130 is denied in its entirety.

6 All remaining claims for relief raised by the parties in this Phase are denied.

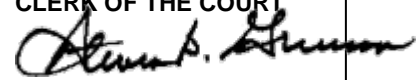

7 DATED this 16th day of September 2020.

**ORDER DENYING MOTION TO AMEND AND COUNTERMOTION TO CLARIFY
FINDINGS OF FACT AND CONCLUSIONS OF LAW**

Two matters came before the Court in chambers on October 15, 2020: (1) TGIG Plaintiffs' Motion to Amend Findings of Fact and Conclusions of Law and Permanent Injunction in which Clark Natural Medicinal Solutions LLC, Nye Natural Medicinal Solutions LLC, Clark NMSD LLC, Inyo Fine Cannabis Dispensary LLC, Green Leaf Farms Holdings LLC, Green Therapeutics LLC, NevCann LLC, Red Earth LLC, Rural Remedies LLC, THC Nevada LLC, and Herbal Choice, Inc. joined ("Motion to Amend"); and (2) Wellness Connection of Nevada, LLC's Countermotion to Clarify and/or for Additional Findings ("Countermotion to Clarify").

...

1 **A. Synopsis of arguments made in support of and in opposition to the**
2 **Motion to Amend**

3 The TGIG plaintiffs asked the Court to amend the September 3, 2020 Findings of
4 Fact and Conclusions of Law and Permanent Injunction (“FFCL”) to clarify that the Court’s
5 permanent injunction—*i.e.*, the Court’s decision “enjoying the State from conducting a final
6 inspection of any of the conditional licenses issued on or about December 2018 for an
7 applicant who did not provide the identification of each prospective owner, officer and board
8 member as required by NRS 453D.200(6)” —applies to the settling and non-settling parties
9 alike. The TGIG plaintiffs further argued that the contemplated license transfers under
10 the Settlement Agreement are unlawful under NAC 453D.315(9) because, *inter alia*, the
11 establishments of the settling plaintiffs receiving conditional licenses may not “meet or
12 exceed” the criteria of the establishments of the settling intervenors whose applications
13 scored (much) higher. The TGIG plaintiffs argued that the Department of Taxation
14 (“Department”) had no “authority to disregard the law in furtherance of any proposed
15 partial settlement” and that the Court should neither dismiss the actions nor the settling
16 defendants.

17 The Department opposed the TGIG Plaintiffs’ motion. Rule 59(e) motions fail unless
18 the moving party demonstrates manifest errors of law or fact, newly discovered evidence
19 or previously unavailable evidence, manifest injustice or the controlling law has changed.
20 *AA Primo Builders, LLC v. Washington*, 126 Nev. 578, 582, 245 P.3d 1190, 1193 (2010).
21 The TGIG Plaintiffs seek to amend the permanent injunction order to bar Nevada Organic
22 Remedies, LLC (“NOR”), Greenmart of Nevada NLV, LLC (“Greenmart”), Lone Mountain
23 Partners, LLC (“Lone Mountain”), and Helping Hands Wellness Center, Inc. (“Helping
24 Hands”) from achieving final inspection on their conditional licenses. But Rule 59(e) cannot
25 be misused to regurgitate arguments rejected in the Court’s preliminary injunction and
26 permanent injunction orders. Similarly, the TGIG Plaintiffs assert the license transfers
27 pursuant to the partial settlement are invalid, but ignore that this Court already rejected
28 those arguments when denying THC Nevada, LLC’s motion for temporary restraining

1 order to block administrative approval of that partial settlement agreement. In sum, the
2 Court cannot grant relief against settling parties the TGIG Plaintiffs did not sue and as to
3 whom they provided no evidence. The Settling Plaintiffs, Circle S Farms, LLC (“Circle S”),
4 NOR, and Lone Mountain joined in the Department’s Opposition. Clear River joined in
5 Lone Mountain’s joinder.

6 Lone Mountain and Helping Hands filed separate oppositions but both argued that
7 there is no legal basis to enjoin them, because: (1) the Department already made a
8 determination that Lone Mountain and Helping Hands should be removed from Tier 3
9 status, to which the Court should and did defer; (2) the TGIG Plaintiffs offered no evidence
10 at trial concerning Lone Mountain’s ownership or that Helping Hands failed to disclose
11 owners, officers or board members to support an injunction; and (3) the TGIG Plaintiffs did
12 not meet any of the four grounds for granting a Rule 59(e) motion to amend. Circle S, NOR,
13 and Greenmart joined in their Oppositions.

14 Finally, the Essence Parties (“Essence”) filed a Limited Opposition, opposing any
15 request to amend or alter a finding invalidating the Department’s ranking of applications.
16 Essence agreed with the TGIG Plaintiffs, however, that the Court’s FFCL apply to and bind
17 all Plaintiffs, including the settling plaintiffs, because the FFCL were entered before any
18 party was dismissed and all Plaintiffs proceeded to trial on their claims. Circle S and
19 Greenmart joined in Essence’s Limited Opposition.

20 **B. Synopsis of arguments made in support of and in opposition to the**
21 **Countermotion to Clarify and for Additional Findings**

22 Wellness Connection of Nevada, LLC (“Wellness Connection”) in its Countermotion
23 to Clarify asked the Court to make clear which of the entities were affected by its injunction
24 because the Court held that, “[t]he DoT did not comply with BQ2 by requiring applicants
25 to provide information for each prospective owner, officer and board member or verify the
26 ownership of applicants applying for retail recreational marijuana licenses. Instead the
27 DoT issued conditional licenses to applicants who did not identify each prospective owner,
28 officer and board member.” Specifically, Wellness Connection asked the Court to identify

1 the applicants who did not identify each prospective owner, officer and board member
2 during the 2018 recreational marijuana application process. Wellness Connection argued
3 clarification or additional findings were necessary to uphold the impartial and numerically
4 scored bidding process, and because Wellness Connection is “numerically ranked as the
5 next most qualified applicant in certain jurisdictions” and would take the place of any
6 enjoined applicant.

7 Lone Mountain filed an opposition (which the Department joined), which argued: (1)
8 there is no basis to subject Lone Mountain to the permanent injunction and the Court
9 should defer to the Department (and now CCB) to determine how licensees are categorized
10 in connection with the Court’s preliminary and permanent injunction; (2) no evidence was
11 adduced at trial concerning Lone Mountain’s ownership, or any alleged failure to properly
12 disclose its owners, officers, and board members; (3) Wellness Connection did not provide
13 evidence at trial to support the specific findings it now seeks in its post-trial motion; and
14 (4) Wellness Connection lacks standing as an intervenor defendant to request specific
15 findings on claims it did not make. The Department, Greenmart, Essence, and NOR joined
16 in Lone Mountain’s Opposition. In their respective joinders, NOR and Greenmart added
17 that the Court had specifically “left it to the State to make an administrative
18 determination” as to whether applicants identified each owner, officer, and board member
19 as required by NRS 453D.200(6). NOR also argued that neither the Plaintiffs nor Wellness
20 Connection had provided the Court with evidence to make an independent determination
21 as to whether they had complied with NRS 463D.200(6).

22 In reply, Wellness Connection argued that it did provide evidence of its own
23 compliance with NRS 453D.200(6), that the Court had evidence to make a determination,
24 that none of the Opposing Parties challenged the Court’s Injunction, and that it had
25 standing as a party to seek clarification. Wellness Connection also argued that based on
26 the district court’s finding that the Department violated BQ2 and the permanent injunction
27 enjoining the Department from granting final approval to any applicant that improperly
28 . . .

1 received a conditional license, clarification or additional findings were necessary to make
2 the permanent injunction meaningful.

3 **C. The Court's findings and order**

4 The Court, having considered the papers filed in support of and in opposition to the
5 Motion to Amend and Countermotion to Clarify, denies both Motions. However, the Court
6 clarifies its FFCL as follows: The order (and its analysis) applies to all Plaintiffs, whether
7 they settled or not. The Court finds that there is no need to specifically identify the entities
8 because the State is the enjoined party—not any of the applicants, whether they settled or
9 not.

10 Wherefore, IT IS HEREBY ORDERED that the Motion to Amend and the
11 Countermotion to Clarify are DENIED.

Please see attached a revised draft order incorporating Wellness Connection's substantive changes and fixing a few typos (thanks Max). My only counter-suggestions are to omit repeating the full title of Wellness Connection's countermotion, because we already identify and define it on page 1

**ORDER DENYING MOTION TO AMEND AND COUNTERMOTION TO CLARIFY
FINDINGS OF FACT AND CONCLUSIONS OF LAW**

Two matters came before the Court in chambers on October 15, 2020: (1) TGIG Plaintiffs' Motion to Amend Findings of Fact and Conclusions of Law and Permanent Injunction in which Clark Natural Medicinal Solutions LLC, Nye Natural Medicinal Solutions LLC, Clark NMSD LLC, Inyo Fine Cannabis Dispensary LLC, Green Leaf Farms Holdings LLC, Green Therapeutics LLC, NevCann LLC, Red Earth LLC, Rural Remedies LLC, THC Nevada LLC, and Herbal Choice, Inc. joined ("Motion to Amend"); and (2) Wellness Connection of Nevada, LLC's Countermotion to Clarify and/or for Additional Findings ("Countermotion to Clarify").

...

1 **A. Synopsis of arguments made in support of and in opposition to the**
2 **Motion to Amend**

3 The TGIG plaintiffs asked the Court to amend the September 3, 2020 Findings of
4 Fact and Conclusions of Law and Permanent Injunction (“FFCL”) to clarify that the Court’s
5 permanent injunction—*i.e.*, the Court’s decision “enjoying the State from conducting a final
6 inspection of any of the conditional licenses issued on or about December 2018 for an
7 applicant who did not provide the identification of each prospective owner, officer and board
8 member as required by NRS 453D.200(6)” —applies to the settling and non-settling parties
9 alike. The TGIG plaintiffs further argued that the contemplated license transfers under
10 the Settlement Agreement are unlawful under NAC 453D.315(9) because, *inter alia*, the
11 establishments of the settling plaintiffs receiving conditional licenses may not “meet or
12 exceed” the criteria of the establishments of the settling intervenors whose applications
13 scored (much) higher. The TGIG plaintiffs argued that the Department of Taxation
14 (“Department”) had no “authority to disregard the law in furtherance of any proposed
15 partial settlement” and that the Court should neither dismiss the actions nor the settling
16 defendants.

17 The Department opposed the TGIG Plaintiffs’ motion. Rule 59(e) motions fail unless
18 the moving party demonstrates manifest errors of law or fact, newly discovered evidence
19 or previously unavailable evidence, manifest injustice or the controlling law has changed.
20 *AA Primo Builders, LLC v. Washington*, 126 Nev. 578, 582, 245 P.3d 1190, 1193 (2010).
21 The TGIG Plaintiffs seek to amend the permanent injunction order to bar Nevada Organic
22 Remedies, LLC (“NOR”), Greenmart of Nevada NLV, LLC (“Greenmart”), Lone Mountain
23 Partners, LLC (“Lone Mountain”), and Helping Hands Wellness Center, Inc. (“Helping
24 Hands”) from achieving final inspection on their conditional licenses. But Rule 59(e) cannot
25 be misused to regurgitate arguments rejected in the Court’s preliminary injunction and
26 permanent injunction orders. Similarly, the TGIG Plaintiffs assert the license transfers
27 pursuant to the partial settlement are invalid, but ignore that this Court already rejected
28 those arguments when denying THC Nevada, LLC’s motion for temporary restraining

1 order to block administrative approval of that partial settlement agreement. In sum, the
2 Court cannot grant relief against settling parties the TGIG Plaintiffs did not sue and as to
3 whom they provided no evidence. The Settling Plaintiffs, Circle S Farms, LLC (“Circle S”),
4 NOR, and Lone Mountain joined in the Department’s Opposition. Clear River joined in
5 Lone Mountain’s joinder.

6 Lone Mountain and Helping Hands filed separate oppositions but both argued that
7 there is no legal basis to enjoin them, because: (1) the Department already made a
8 determination that Lone Mountain and Helping Hands should be removed from Tier 3
9 status, to which the Court should and did defer; (2) the TGIG Plaintiffs offered no evidence
10 at trial concerning Lone Mountain’s ownership or that Helping Hands failed to disclose
11 owners, officers or board members to support an injunction; and (3) the TGIG Plaintiffs did
12 not meet any of the four grounds for granting a Rule 59(e) motion to amend. Circle S, NOR,
13 and Greenmart joined in their Oppositions.

14 Finally, the Essence Parties (“Essence”) filed a Limited Opposition, opposing any
15 request to amend or alter a finding invalidating the Department’s ranking of applications.
16 Essence agreed with the TGIG Plaintiffs, however, that the Court’s FFCL apply to and bind
17 all Plaintiffs, including the settling plaintiffs, because the FFCL were entered before any
18 party was dismissed and all Plaintiffs proceeded to trial on their claims. Circle S and
19 Greenmart joined in Essence’s Limited Opposition.

20 **B. Synopsis of arguments made in support of and in opposition to the**
21 **Countermotion to Clarify and for Additional Findings**

22 Wellness Connection of Nevada, LLC (“Wellness Connection”) in its Countermotion
23 to Clarify asked the Court to make clear which of the entities were affected by its injunction
24 because the Court held that, “[t]he DoT did not comply with BQ2 by requiring applicants
25 to provide information for each prospective owner, officer and board member or verify the
26 ownership of applicants applying for retail recreational marijuana licenses. Instead the
27 DoT issued conditional licenses to applicants who did not identify each prospective owner,
28 officer and board member.” Specifically, Wellness Connection asked the Court to identify

1 the applicants who did not identify each prospective owner, officer and board member
2 during the 2018 recreational marijuana application process. Wellness Connection argued
3 clarification or additional findings were necessary to uphold the impartial and numerically
4 scored bidding process, and because Wellness Connection is “numerically ranked as the
5 next most qualified applicant in certain jurisdictions” and would take the place of any
6 enjoined applicant.

7 Lone Mountain filed an opposition (which the Department joined), which argued: (1)
8 there is no basis to subject Lone Mountain to the permanent injunction and the Court
9 should defer to the Department (and now CCB) to determine how licensees are categorized
10 in connection with the Court’s preliminary and permanent injunction; (2) no evidence was
11 adduced at trial concerning Lone Mountain’s ownership, or any alleged failure to properly
12 disclose its owners, officers, and board members; (3) Wellness Connection did not provide
13 evidence at trial to support the specific findings it now seeks in its post-trial motion; and
14 (4) Wellness Connection lacks standing as an intervenor defendant to request specific
15 findings on claims it did not make. The Department, Greenmart, Essence, and NOR joined
16 in Lone Mountain’s Opposition. In their respective joinders, NOR and Greenmart added
17 that the Court had specifically “left it to the State to make an administrative
18 determination” as to whether applicants identified each owner, officer, and board member
19 as required by NRS 453D.200(6). NOR also argued that neither the Plaintiffs nor Wellness
20 Connection had provided the Court with evidence to make an independent determination
21 as to whether they had complied with NRS 463D.200(6).

22 In reply, Wellness Connection argued that it did provide evidence of its own
23 compliance with NRS 453D.200(6), that the Court had evidence to make a determination,
24 that none of the Opposing Parties challenged the Court’s Injunction, and that it had
25 standing as a party to seek clarification. Wellness Connection also argued that based on
26 the district court’s finding that the Department violated BQ2 and the permanent injunction
27 enjoining the Department from granting final approval to any applicant that improperly
28 . . .

received a conditional license, clarification or additional findings were necessary to make the permanent injunction meaningful.

C. The Court's findings and order

The Court, having considered the papers filed in support of and in opposition to the Motion to Amend and Countermotion to Clarify, denies both Motions. However, the Court clarifies its FFCL as follows: The order (and its analysis) applies to all Plaintiffs, whether they settled or not. The Court finds that there is no need to specifically identify the entities because the State is the enjoined party—not any of the applicants, whether they settled or not.

Wherefore, IT IS HEREBY ORDERED that the Motion to Amend and the Countermotion to Clarify are DENIED.

Attorney James Puzey for the Plaintiff

COURT advised today is a scheduling conference; these matters have been put on calendar because this Court has the lowest business court case (A-19-786962-B Serenity Wellness), the one with the motion for preliminary injunction.

Mr. Kemp advised there are also cases in Washoe County and Lyon County; MM Development is the lowest case of all the cases locally; it is assigned to Department IX and has been administered by senior judges, although he understands Judge Silva will be the new judge in Department IX; he had informed Mr. Werbicky that they would not be opposed to coordination in general; however, the problem is that some cases are not in business court and they have a lot of missing parties; he will be filing an answer in a different case, and the proposition there is that even after a motion for coordination is granted a peremptory challenge may be filed; every time you coordinate you get a new bump which violates 48.1; the only way around that is to have a stipulation between all parties to go to one judge and keep that judge. Court stated its goal is to get the preliminary injunction hearing in the instant case finished and since this Court's ruling may affect all the people here today the Court is inviting everyone to participate; the Court is not consolidating the cases for the exact reason that counsel is identifying which could result in multiple things down the road.

Mr. Kemp advised he supports the motion for preliminary injunction and can participate and submit briefing through Mr. Gentile; he points that out because they are already in the discovery process and have taken 6 depositions.

At Ms. Stout's request for clarification, Court stated that at this point it is only planning to coordinate for purposes of the preliminary injunction hearing because of the primarily constitutional and business issue that is woven throughout all the cases. Mr. Bult advised he is probably in the same spot as Mr. Kemp and will help Mr. Gentile. Court noted if everyone is going to be relying on Mr. Gentile then that means all will be asking questions at the preliminary injunction hearing, which will triple the time if there are going to be witnesses. Mr. Bult further advised his only concern right now is a briefing schedule.

Mr. Parker advised they were before the Discovery Commissioner a week and a half ago, and Nevada Wellness received a report and recommendation in their favor allowing them certain discovery; so, they may submit briefing which includes that additional discovery. Mr. Bhirud stated he would prefer to respond to one opposition although he would rather not have 7 different rulings either. As to whether parties will have witnesses at the hearing, Court stated it will be up to counsel. Mr. Bhirud added he would prefer that one or two attorneys on the Plaintiffs' side take the lead.

Mr. Koch advised they had stipulated to May 2nd for the opposition; he is not sure if with regards to the hearing fact witnesses would help, because the motion for preliminary injunction as written is really legal argument regarding statutes.

Court noted its only concern is that it was unclear when it read the briefing in Serenity Wellness - because it stopped reading before granting a motion to exceed page limit - if there is an argument that it is unconstitutional as applied, if that is the case, they probably need witnesses.

Upon Mr. Puzey's inquiry, Court stated it does not intend to have the cases in Washoe and Lyon counties come here unless those judges want it to; if those judges and parties want to participate this Court will be happy to have them participate on May 24th; the cases here have the approval of the Chief Judge for coordination given the status of some of the departments they are assigned to. Mr. Bhirud advised the State will stipulate to bring those cases here. Mr. Puzey replied they are not yet prepared to enter into that stipulation today. Court stated it will let counsel discuss that amongst themselves.

Mr. Kemp further advised there are two applications pending in Reno for new licenses which are currently not on the Washoe County agenda but could be put on the agenda on 5 days' notice; there is some concern that they could be heard as early as next week, which would be before the preliminary injunction hearing; if noticed, they will ask Mr. Gentile to take appropriate action to prevent those applications from becoming somehow moot. Court stated counsel can do whatever they want; the Court will sign an OST.

Ms. Stout requested further clarification; her clients have sought slightly different relief and she wants to clarify whether the action that would be taken with respect to the motion for preliminary injunction here would not prevent other parties from seeking a preliminary injunction in other cases. Court stated yes if seeking on a different basis, but if the same basis as the instant case then it would be done here.

Colloquy between Court and counsel regarding briefing. Per parties' STIPULATION, COURT ORDERED:

Other Plaintiffs to make a decision by May 6, 2019 on whether they are formally joining the motion for preliminary injunction in A-19-786962-B (Serenity Wellness) and adding to some of the facts and raising new issues;

Opposition DUE by May 9, 2019;

Reply brief DUE by May 22, 2019 at noon.

Ms. Stout advised that to the extent this proceeding would prevent her clients from raising a preliminary injunction seeking similar relief later on they would have to OBJECT under EDCR 2.50 and 1.61. COURT SO NOTED. Mr. Bhirud inquired as to whether the Court would prefer to have a motion for preliminary injunction by D H Flamingo filed here. COURT NOTED, if something happens and counsel thinks it needs to be done differently; no one has filed a formal motion to coordinate or consolidate. The Court has invited participation in the preliminary injunction hearing of all interested parties in order to avoid potentially conflicting rulings.

COURT FURTHER NOTED that on May 6th, the date for the other Plaintiff's elections, if there are any other issues that are unanticipated or beyond the pale the Court can discuss those with the parties on a conference call; if there are any discovery disputes that relate to the preliminary injunction hearing the Court can also do this on a conference call.

After the May 24th hearing matter will be set for Rule 16 conference.

Attorney Adam Fulton for the Plaintiff in A-19-786888-J - ACC Enterprises, LLC vs. Nevada Department of Taxation (Department XXX case).

Matter heard with A-19-786962-B Serenity Wellness Center vs. State of Nevada Department of Taxation and A-19-794473-C Serenity Wellness Center, LLC vs. The City of Las Vegas, Nevada.

STATE'S MOTION TO CONSOLIDATE in A-19-787004-B ETW Management: Argument in support of the motion by Mr. Shevorski, joinder by Mr. Koch to the State's Motion, and arguments in opposition by Mr. Kennedy and Mr. Fulton. COURT ORDERED, given the unique issues in A787035 related to the appeal and in A786888 related to the mailing issues, the Court will NOT COORDINATE those issues in this department. However, the Court will GRANT the motion to the extent it seeks coordination of all the issues related to the preliminary injunction hearing scheduled next Friday (May 24, 2019).

Court noting the Governor signed SB32 last Friday inquired whether it will impact any of the issues or exchange of information that needs to happen before the preliminary injunction hearing next Friday. Mr. Kemp advised the Department of Taxation filed a supplemental group of materials on their website on Friday that raises even more questions; he thinks it will help the process and speed up the preliminary injunction hearing but does not solve the issue.

PROPOSED MOTION FOR ORDER COMPELLING PRODUCTION OF PRESERVED ELECTRONICALLY STORED INFORMATION in A-19-787004-B ETW Management: Per parties' agreement, Motion SET for Thursday, May 16, 2019 at 9 am. Order Shortening Time signed in open court and returned to counsel for filing.

PLAINTIFFS' MOTION TO CONSOLIDATE ON ORDER SHORTENING TIME: Mr. Gentile argued in support of consolidating A-19-786962-B Serenity Wellness Center vs. State of Nevada Department of Taxation with A-19-794473-C Serenity Wellness Center, LLC vs. The City of Las Vegas, noting they had to file a lawsuit against the City quickly; it makes sense to consolidate these cases as they are identical. Mr. Byrnes advised the City has not received anything in this case but received a copy of the complaint this morning; however, the City also filed this morning a Notice of Removal to Federal

Court. COURT NOTED it cannot act today if a notice of removal has been filed.

DISCUSSION REGARDING PRELIMINARY INJUNCTION HEARING ON MAY 24, 2019: Court stated it does not care as to what the parties decide on a consolidated date for the oppositions as the Court will read all the briefing; Plaintiffs' reply brief DUE May 22nd. Mr. Shevorski advised that with respect to the motion filed by MM Development their oppositions are due on the 20th. Colloquy regarding suspended rules and counting days. Court noted 14 days from May 6th, the date of service of the motion. Mr. Shevorski advised it is his preference not to have any witnesses on May 24. Mr. Gentile advised that he would like to call witnesses; there has been a good deal of coordination of the attorneys sitting at his table, and he has 3 experts; he also anticipates the hearing will not be completed in one day; 2 of his experts are flying in. Mr. Kemp estimated 2.5 to 3 days for the hearing, depending on how much argument there will be, and advised he is calling one limited witness. Mr. Bult advised he may have one limited witness as well. Mr. Parker advised he is in trial the week of May 27 in federal court in Reno; however, he does have 1 witness in the instant case and anticipated the hearing taking 3 days. COURT TRAILED the matter for the parties to confer on a number of days.

Matter RECALLED.

APPLICATION FOR TEMPORARY RESTRAINING ORDER (A-19-786962-B - Serenity Wellness Center's application against Defendant-Intervenor CPCM Holdings, LLC d/b/a Thrive Cannabis Marketplace) : Following arguments by Mr. Gentile and Mr. Gutierrez, COURT ORDERED, after evaluating the balance of hardships and likelihood of success on the merits, the Court GRANTS the TRO in limited respect PREVENTING Thrive from beginning operations at the 3500 Sahara location until after the preliminary injunction hearing which the Court SETS as the same time as the Motion for Preliminary Injunction on May 24, 2019. BOND SET at \$150,000, amount of a half month's rent.

Following further discussion on the estimated length and scope of the hearing(s), COURT NOTED it will SET ASIDE May 24th to the 31st. COURT FURTHER DIRECTED anyone to obtain Mr. Parker's confirmation via email to all parties, since he will be in trial, that he will be fine with everyone else proceeding after his one witness.

- APPEARANCES CONTINUED: Attorney William Kemp and Attorney Nathanael Rulis for the Plaintiffs in A-18-785818-W - MM Development Company, Inc. vs. State of Nevada, Department of Taxation (Department VIII case);

Attorney Michael Cristalli and Attorney Dominic Gentile for the Plaintiffs in A-19-786962-B Serenity Wellness Center, LLC vs. State of Nevada Department of Taxation (Department XI case);

Attorney Rusty Graf, Attorney Brigid Higgins, and Attorney Tisha Black for Clear River, LLC, Intervenor Defendant, in A-19-786962-B Serenity Wellness Center, LLC vs. State of Nevada Department of Taxation (Department XI case);

Attorney Alina Shell for Intervenor Defendant GreenMart of Nevada NLV LLC in A-19-786962-B Serenity Wellness Center, LLC vs. State of Nevada Department of Taxation (Department XI case).

Matter heard with A-19-786962-B Serenity Wellness Center, LLC vs. State of Nevada Department of Taxation (Department XI case).

Court inquired of Mr. Kemp whether a search protocol was developed when the mirror order was signed in his case. Mr. Kemp advised no, it was just a blanket download; they did not download the State's servers that the applications were on, but the State did preserve those; the key thing here is the 15 laptops used by the graders. Mr. Kemp further advised there was a control copy, the State's copy, and what is supposed to be his copy; no searches have been done by him.

DEFENDANT/INTERVENOR, CLEAR RIVER, LLC'S, ORDER SHORTENING TIME ON MOTION FOR PROTECTIVE ORDER AND TO QUASH SUBPOENA and JOINDERS thereto in A-19-786962-B Serenity Wellness Center, LLC vs. State of Nevada Department of Taxation (Department XI case): Arguments by Mr. Graf, Mr. Koch, Mr. Kemp, Mr. Gentile, and Mr. Shevorski. Upon Court's inquiry, Mr. Shevorski advised they have not yet done the searches subject to 16.1 in the MM case as the information is subject to security protocols; however, it has been preserved; they have produced their 16.1 and have not heard objections from the other side that their 16.1 was inadequate.

Mr. Pope advised that when Judge Bailus was leaving, he said that all he was doing was preserving the information and the parties could fight about it later as to what could be released or not, what was confidential or not; the order even says the Plaintiffs were not to get the information until there was a process; MM wanted copying and then wanted forensic imaging, which requires special software and a lot of time to convert the information into something people are able to look at; money and time are involved; they did not have a vendor; the Department of Taxation I.T. staff thought they had to copy the drives, but when it came to forensic imaging, they had to find someone and the only vendor they could find who could do it was the Washoe County Sheriff's Department through the State's investigative department; he does not know what program but he is working on finding out what platform; their forensic specialist is "Kristy Funsaco" (phonetic), who is an investigator in their office, a State employee, and an expert in this area. Mr. Shevorski concurred searches have not been done but they have made their 16.1 disclosures to Mr. Kemp.

Court noting the issue of privilege inquired if the State is in a position to do the redactions to the applications so only limited information is provided. Mr. Pope responded they are not as it would take a couple of employees one year to do that; procedurally they could give back the applicants their apps and have them redact the apps themselves. Mr. Graf replied it appears there has to be a methodology on what information gets disseminated and a methodology of contacting 400 or so applicants. Mr. Graf further argued as to how the State does their evaluations.

COURT ORDERED, with respect to the motion for protective order, for those entities that are parties, the State will RELEASE the applications to those participating in this case.

Those entities may provide appropriate redactions with a privilege log; however, the sections on diversity and financial will not be redacted; those two categories will be produced in unredacted

form.

There will also be an attorney's eyes only (AEO) protective order that also allows the Plaintiffs' statistician expert only to review that information.

The production, with redactions, will be DONE by Tuesday (May 21, 2019). Thus, the State will do it expeditiously.

After looking at that, if the Plaintiffs have any supplement they are to file that by Thursday morning (May 23, 2019).

MOTION FOR ORDER COMPELLING PRODUCTION OF PRESERVED ELECTRONICALLY STORED INFORMATION ON ORDER SHORTENING TIME in A-19-787004-B - ETW Management Group LLC vs. Nevada Dept of Taxation (Department XI case): Statement by Mr. Kemp as to what had happened in the hearing before Judge Bailus which lasted 7 hours, noting that he offered to pay for the State's independent computer consultant. Colloquy regarding possible vendors. Further argument by Mr. Kemp as to 16.1 disclosures being filed but that the hard drives and cellphones have not been provided. Mr. Kemp asked for the 15 hard drives and 3 state cellphones, stating he could take it from there and make them AEO. Mr. Rulis advised HOLO could be a vendor.

COURT ORDERED, the images originally designated as the Plaintiffs' copy will be DELIVERED to HOLO and it will be at Plaintiffs' expense, not at State expense; platform will be provided by HOLO.

Custodian list as well as search terms will be PROVIDED to all parties and to HOLO by 10 am tomorrow, May 17;

If anyone has an objection to a custodian or search term, it needs to be made by 2 pm tomorrow by email with a copy to the Law Clerk so the Court can conduct a conference call;

If there are unobjected to custodians and search terms HOLO will begin the search process;

If there is an issue related to a privilege that a party thinks they need to review, the party has 24 hours from the identification of the document by HOLO or when HOLO makes it available on the platform to either make a claim of privilege and review the document, order redactions, agree with redactions, or whatever.

Any document to which there is no claim of privilege made will be released so it can be obtained in time for the hearing;

Upon Mr. Koch's inquiry, Court concurred anything not part of M1 through 4 is not privileged, so the Court is ordering that as well as the diversity and financial sections.

All witnesses for the May 24th hearing must be identified by Thursday, May 23rd, at 3 pm; counsel

need not say when the witnesses will be called and can work together on a schedule.

Court further directed counsel to contact HOLO that they have a big job coming.

- APPEARANCES CONTINUED: Attorney Dominic Gentile and Attorney John Hunt for the Plaintiffs in A-19-786962-B - Serenity Wellness Center LLC vs. State of Nevada Department of Taxation; Attorney Rusty Graf and Attorney Brigid Higgins for Clear River LLC; Attorney Jared Kahn for Helping Hands Wellness Center.

Court acknowledged objections and joint proposal and noted that it wants this matter done by the December final inspection deadline; however, the parties' proposed schedule is through January. Mr. Shevorski advised he lost two of his people; one went to Washington and one got a promotion, so he is literally the only one left; from the State's perspective, he cannot get this done by the deadline. Mr.

Bult stated that in terms of the ETW Plaintiffs they would like to get this done but they understand the State's position. Mr. Koch requested that the date not be a hard deadline because of the trial being after that. COURT ORDERED, matter CONTINUED for the State to provide an answer; Department of Taxation to make the determination whether or not there are extenuating circumstances; if there are the Court will be willing to move the date beyond the December deadline, but if not unfortunately the Court will have to make Mr. Shevoski's life difficult.

Mr. Gentile advised they have mediation next Monday (September 16, 2019) at 9 am.

Court noted Mr. Kemp posted in A785818 and that there may be an impact but the Court does not know what that would be; the Court will not make a decision because of the pending request to extend; the Court will not address the matter until a written motion is filed by the Defendants. Mr.

Bult advised he believes the Plaintiffs' Joint motion is moot as of the filing of Friday. Mr. Gentile added their position is that it is moot but the Court may disagree. Court noted it does not have anything before it to tell whether it would agree with that or not as no one has briefed the issue. Mr. Koch stated it sounds like the Plaintiffs are withdrawing the motion. Court noted if someone files a motion the Court will deal with it.

Appearances Continued: Dominic Gentile, Esq. on behalf of Serenity Plaintiffs; William Kemp, Esq. on behalf of MM Development and LivFree; Ross Miller, Esq. on behalf of Serenity; Mahogany Turfley, Esq. on behalf of Nevada Wellness Center; Peter Christiansen, Esq. and Whitney Barrett, Esq. on behalf of Qualcan; Benjamin Miller, Esq. on behalf of Passionate Team Las Vegas; Rusty Graf, Esq. and Brigid Higgins, Esq. on behalf of Clear River LLC; Dennis Kennedy, Esq. and Stephanie Glantz, Esq. on behalf of DH Flamingo; Alicia Ashcraft, Esq. on behalf of Franklin Bioscience, WaveSeer of NV and Harvest of NV; Jared Kahn, Esq. on behalf of Helping Hands Wellness Center; and Theodore

Parker, Esq. on behalf of Nevada Wellness Center appearing via Courtcall.

Argument by Mr. Bult for cases to be consolidated and assigned to Department 11 noting 25 of 30 Plaintiff's have brought this motion before this Court with the desire to have Judge Gonzalez continue to hear cases that she is already presided over for 5-6 months. Argument in support by Mr. Gentile for Serenity's case to remain in front of Judge Gonzalez. Argument by Mr. Kennedy for the consolidation to be denied noting the DH Flamingo case is different than all of the other cases here in that a motion to consolidate was filed in A787035 and denied by Judge Gonzalez, this case cannot be heard in business court, and parties are only seeking to be sent back to the tax commission for a hearing. Extensive argument by Mr. Bice in support of consolidation and in opposition of these matters being sent to Department 11 on behalf of Essence. Argument by Mr. Prince noting this Court was aware of proceedings in front of Judge Gonzalez and had regular conversations with Judge Gonzalez. Court clarified conversations with Judge Gonzalez and Judge Atkin for the record. Further argument by Mr. Prince in opposition requesting this motion be denied and allowing Judge Atkin to proceed. Argument in opposition by Mr. Koch noting there is no basis for these cases to be sent to Judge Gonzalez other than the preliminary injunction. Argument in opposition by Mr. Miller noting his client has the resources to run a dispensary however they do not have the resources to be placed into a complex litigation case and requested their case not be consolidated. Further argument by Mr. Kennedy and Mr. Bult.

Court noted, it understands the concerns that have been raised in that this is a rather unique situation and the Court does feel that some of these issues arise from having a department that did not have a regularly assigned Judge; However from a court management perspective, having a Judge who has spent a significant amount of time on the case it makes more sense for the case to remain with that Judge. COURT FINDS, consolidation is appropriate and while it understands the concerns regarding forum shopping the concern of this Court is of a court administration issue and having had a Judge who has spent the amount of time that Judge Gonzalez has spent on the case it makes more sense for the case to remain with her. Additionally, the Court believes the reason Judge Gonzalez coordinated the cases is because she did not have the ability to consolidate them because of the rule. COURT ORDERED, motion to consolidate in Department 11 GRANTED. Mr. Bult to prepare the order.

CLERK'S NOTE: Subsequent to the hearing Court clarified the following cases shall be consolidated: A-18-785818, A-18-786357, A-19-786962, A-19-787004, A-19-787035, A-19-787540, A-19-787726, and A-19-801416. ke 10/31/19

Counsel for D H Flamingo did not participate in this call. Law Clerk advised they did not respond to her email.

Court noted it has received Judge Denton's order; additionally, the Law Clerk has indicated that Mr. Koch submitted a motion for protective order on OST. Mr. Rulis stated they were the ones that set that deposition and they have sent an amended notice setting the deposition back to December 10 and 11. COURT STATED it will sign the OST on Monday (November 18, 2019) in court.

COURT FURTHER NOTED that when the peremptory challenge was filed, it did not appear that the motion to extend was decided in the interim. Mr. Hunt requested that motion be heard on Monday. COURT SO ORDERED.

COURT FURTHER NOTED two groups of motions for summary judgment: (1) Nevada Wellness Center's with counter motion; (2) MM Development with counter motion. Mr. Rulis stated they were open to finding a date for those that would not be Monday. COURT STATED it will talk about the scheduling of those motions on Monday then.

COURT FURTHER NOTED Mr. Koch's writ to move him to Tier 2. Mr. Koch requested another day that would not be Monday. COURT SO NOTED.

COURT FURTHER NOTED DH Flamingo's anti-SLAPP motion. Mr. Koch advised they had circulated a request and the indication was that the motion would be heard at the same time as MM's motion for summary judgment.

COURT FURTHER NOTED a motion to file a second amended complaint. Mr. Fetaz advised that was Serenity's motion. COURT ORDERED, MOTION WILL BE HEARD on Monday, November 18.

COURT FURTHER NOTED an application for TRO. Mr. Shevorski advised that was Qualcan's. Mr. Christiansen advised the motion has been briefed and he would be happy to move it as well. COURT STATED it will discuss scheduling of that motion on Monday as well.

Upon Court's inquiry, Mr. Christiansen confirmed he would like another Rule 16 conference in one or two weeks from Monday given the consolidation. COURT STATED it will discuss scheduling the conference on Monday as well.

Mr. Smith advised they have a pending motion to intervene. Mr. Parker advised it was previously before Judge Holthus and there was also a motion granted by the discovery commissioner regarding cellphone(s) and information they wanted the State to preserve; there was an Objection to that by the State that was never ruled on.

Mr. Miller advised his side also had a pending motion to dismiss which they are also willing to move;

it is not an anti-SLAPP motion. COURT NOTED it will discuss scheduling of that motion on Monday

Finally, Mr. Puzey advised he is in Reno and requested to appear telephonically on Monday. Court granted the request and directed counsel to arrange it with the Law Clerk.

- APPEARANCES CONTINUED: Attorney Christopher Rose for Wellness Connection of Nevada LLC.

Mr. Puzey appeared by telephone.

Court noted, as a background, that as Mr. Shevorski previously represented to everyone that the State would essentially give a tolling period for everyone through June, a trial was set in April to make sure there would be a decision by that date. If anyone has any concerns about the deadline they are to inform the Court.

PLAINTIFFS' MOTION FOR LEAVE TO FILE SECOND AMENDED COMPLAINT: Following arguments by Mr. Gentile and Mr. Bice, COURT ORDERED, motion GRANTED. The Plaintiffs are PERMITTED to file the document attached to the Reply. However, this does not preclude anyone from filing motions related to that.

Court asked Mr. Dickey about the status of service on the Defendants in his case, which has the most Defendants. Mr. Dickey advised he believes service has been effectuated on all of them but they are still awaiting responses from many.

PLAINTIFFS' MOTION TO EXTEND INITIAL EXPERT WITNESS DEADLINE ON ORDER SHORTENING TIME...JOINDER TO SERENITY PLAINTIFFS' MOTION TO EXTEND INITIAL EXPERT INITIAL EXPERT WITNESS DEADLINE ON ORDER SHORTENING TIME (FIRST REQUEST): Arguments by Mr. Gentile, Mr. Bice. COURT ORDERED, motion GRANTED.

NEVADA WELLNESS CENTER LLC'S MOTION FOR SUMMARY JUDGMENT... DEPARTMENT OF TAXATION'S OPPOSITION TO MOTION FOR SUMMARY JUDGMENT AND COUNTERMOTION FOR SUMMARY JUDGMENT INTERVENOR DEFENDANT GREENMART OF NEVADA NLV LLC'S JOINDER TO DEPARTMENT OF TAXATION'S OPPOSITION TO MOTION FOR SUMMARY JUDGMENT AND COUNTERMOTION FOR SUMMARY JUDGMENT: Mr. Parker advised that he had filed a motion for summary judgment. Court noted this was a motion filed on November 5th. Mr. Parker continued, Mr. Bice filed an objection, and Mr. Shell filed a joinder to the opposition; their thought was to add the purported winners to their Complaint, so perhaps instead of that motion going forward, they will file a motion to amend. There being no objection, COURT ORDERED, Mr. Parker's request to amend is GRANTED, as well Mr. Bult's, Mr. Kemp's, Mr. Christiansen's, Mr. Miller's, and Mr. Puzey's requests to AMEND. Everyone present who is a Plaintiff, their request to amend is GRANTED.

COURT ORDERED, Rule 16 conference SET for December 2, 2019. Court directed Mr. Dickey to communicate this to all who contacted his office.

COURT ORDERED, Mr. Koch's motion for protective order on OST set for December 2, 2019.

QUALCAN, PLAINTIFF'S MOTION FOR WRIT OF MANDAMUS, TEMPORARY RESTRAINING ORDER, AND PRELIMINARY INJUNCTION: Mr. Shevorski advised that Mr. Christiansen has a petition for mandamus that is fully briefed. Mr. Christiansen advised that perhaps he would skip a step and also be allowed to amend. COURT GRANTED the request.

NEVADA WELLNESS CENTER'S MOTION FOR HEARING ON OBJECTION TO DISCOVERY COMMISSIONER'S REPORT & RECOMMENDATIONS: Per counsel's request, COURT ORDERED, hearing SET for December 2, 2019.

JOURNAL ENTRIES

- APPEARANCES CONTINUED: Ms. Michelle Miller, Managing Member of Miller Farms; Attorney Robert Warns for Rino Tenorio.

Ms. Miller, Mr. Puzey, Ms. Shell, and Mr. Funk appeared by telephone.

Following arguments by counsel, COURT ORDERED as follows:

MOTION ON ORDER SHORTENING TIME FOR PROTECTIVE ORDER REGARDING SCOPE OF INQUIRY AT DEPOSITION OF DANETTE KLUEVER...

...LONE MOUNTAIN PARTNERS LLC'S JOINDER TO NEVADA ORGANICS' MOTION ON ORDER SHORTENING TIME FOR PROTECTIVE ORDER REGARDING SCOPE OF INQUIRY AT DEPOSITION OF DANETTE KLUEVER...

...ESSENCE ENTITIES' JOINDER TO DEFENDANT-INTERVENOR/COUNTERCLAIMANT NEVADA ORGANIC REMEDIES LLC'S MOTION FOR PROTECTIVE ORDER REGARDING SCOPE OF INQUIRY AT DEPOSITION OF DANETTE KLUEVER...

...DEFENDANT GREENMART OF NEVADA NLV LLC'S JOINDER TO MOTION ON ORDER SHORTENING TIME FOR PROTECTIVE ORDER REGARDING SCOPE OF INQUIRY AT DEPOSITION OF DANETTE KLUEVER: Motion GRANTED IN PART. Deposition limited to one day, with the following scope: training and guidelines provided by the Department to the temporary employees who do fall under the discretionary function, their experience, their interaction with any other employees of D.O.T. and any others related to the grading and application process. Court GRANTS limited inquiry into the mathematical errors and limited inquiry into the subjective issue.

PLAINTIFF/COUNTER DEFENDANTS MOTION FOR PROTECTIVE ORDER REGARDING RINO TENORIO: For purposes of the deposition, motion GRANTED.

NEVADA WELLNESS CENTER'S MOTION FOR HEARING ON OBJECTION TO DISCOVERY COMMISSIONER'S REPORT & RECOMMENDATIONS: Objection OVER RULED.

PLAINTIFFS/PETITIONERS/COUNTER-DEFENDANTS D.H. FLAMINGO, INC. AND SURTERRA HOLDINGS, INC.'S SPECIAL MOTION TO DISMISS MM DEVELOPMENT COMPANY, INC.'S COUNTERCLAIM PURSUANT TO NRS 41.660 [ANTI-SLAPP] AND REQUEST FOR ATTORNEYS' FEES, COSTS, AND DAMAGES PURSUANT TO NRS 41.670: Motion DENIED. The issues of the statement being made and the knowledge at the time the statement was made are issue that need some discretionary judgment as opposed to accepting anyone's word at their deposition. The counter claim will be limited to statements made at the Governor's Inaugural Ball but not to any of the other communications with law enforcement or administrative agencies; they are to either be stricken or an amendment is to be done to delete those. Mr. Kennedy requested the order say "stricken". COURT SO

ORDERED.

DP HOLDINGS AND COMPASSIONATE TEAM OF LAS VEGAS, LLC'S MOTION TO DISMISS (FILED IN A787035 ON OCTOBER 1, 2019): Motion GRANTED WITHOUT PREJUDICE for Mr. Kennedy to amend if he needs to.

MANDATORY RULE 16 CONFERENCE: Court noted it anticipates having a decision prior to the conditions being met in June and inquired about the status of discovery. Mr. Kemp advised MM has taken the lead and detailed the schedule of upcoming depositions. Mr. Parker noted they are also interested in the records to be extracted from the phones. Mr. Miller advised his side is in alignment with the timeline and that they have two experts. Mr. Bult advised discovery on all successful applicants was served 4 to 5 weeks ago. Mr. Rose advised D H Flamingo did not serve the Defendants they named and then coordination happened; he is just concerned about now being named in this case. Mr. Prince requested a March rebuttal disclosure deadline. Mr. Holmes advised they were named in the DH Flamingo case, but are pretty small fish.

COURT ORDERED, anyone who has not made initial disclosures needs to make them in 2 weeks if they decide to participate. Mr. Gamble requested prior discovery. COURT FURTHER ORDERED, discovery be made available immediately to newly appearing parties, including discovery from the evidentiary hearing. Court noted the transcripts are filed in A786962.

COURT ORDERED as follows:

Initial expert disclosures where a party bears the burden of proof DUE by January 17, 2020;

Rebuttal expert disclosures where a party does not bear the burden of proof DUE by February 14, 2020;

Discovery cut-off SET for and dispositive motions and motions in limine TO BE FILED by March 13, 2020.

The April 20, 2020 trial date (previously set in A786962) will STAND.

New trial setting order will ISSUE.

COURT FURTHER DIRECTED that discovery responses be produced to newly participating parties if they desire it, and that it may be appropriate to set up an electronic depository subject to the current protective order because of the confidential nature of much of the applications. If the parties have any questions, the Court is available to address them via conference call.

- Following arguments by Mr. Koch, Mr. Shevorski, and Mr. Kemp, COURT ORDERED, petition DENIED because it is procedurally inappropriate. There is another avenue for the relief; the appeal for the injunction is already pending before the Nevada Supreme Court.

Court inquired as whether counsel have heard any word on the request for expedited handling. Mr. Koch advised they made that request one month ago and have not heard back.

Ms. Shell advised the court did issue an order to show cause which they need to address, and that is due before Christmas.

COURT DIRECTED Mr. Shevorski to prepare a procedural order for today.

...CLEAR RIVER LLC'S MOTION TO DISMISS FIRST AMENDED COMPLAINT

APPEARANCES CONTINUED: Attorney Jennifer Braster for Circle S Farms LLC; Attorney Christopher Rose for Wellness Connection of Nevada LLC; Attorney John Savage, counsel for the Receiver Dotan Melech in CWNevada.

Mr. Puzey appeared by telephone.

Court addressing Mr. Rulis advised that the Court will not sign stipulations that were signed by only two parties, that is, the stipulation between MM and the State extending a STAY of the Order Granting Plaintiffs' Motion to Preserve and/or Immediately Turn Over Relevant Electronically Stored Information from Department of Taxation's Employee's Cell Phone on Order Shortening Time and Granting Department of Taxation's Oral Motion for Stay of Preservation Order. Mr. Parker asked to review the document, noted his concern, and then withdrew his concern. There being no objection by all other parties, Court signed the stipulation and order in open court and returned it to Mr. Rulis for filing.

Following arguments by Mr. Graf, Ms. Shell, Mr. Hone, and Mr. Dickey, COURT ORDERED, with the exception of the issue related to the rejection of the appeal with the Tax Commission, all issues were covered in the order entered on November 7, 2019, so the issue is DENIED on the same basis.

Mr. Hunt inquired about the notice of appointment of receiver. COURT ORDERED this case is not being stayed.

Mr. Prince advised they started Mr. Tenorio's deposition on December 5th and it went well over 5

hours; 3 counsel asked questions; they have unilaterally noticed the deposition for Friday, December 20th; he filed a motion for protective order to move the deposition because he has pre-scheduled mediation and Mr. Gutierrez is in trial; in addition, they have a duration issue -- the 7 hours was waived, but they already went 5 hours and only 3 people asked questions. Court stated Mr. Tenorio's counsel is not here today and advised that it has every morning this week free. Court directed counsel to reach out to Mr. Tenorio's counsel. Mr. Rulis advised Mr. Tenorio's counsel offered the 17th, 19th, and 20th, but he will contact counsel just the same. Court stated that when the OST gets here it will be set for Wednesday and advanced to Tuesday.

Ms. Shell further expressed her concern about having 3 to 4 protective orders to date in this case and that she thinks they need to talk about a more global, rather than piecemeal, protective order. Mr. Fetaz advised he circulated a draft on Friday and has the OST. COURT signed the OST in open court, setting the motion for Wednesday, December 19, and returned the OST for filing. The OST will be discussed tomorrow, December 17.

Finally, Mr. Parker advised they are only adding to their complaint the conditionally approved applicants as opposed to everyone named in the D H Flamingo case. COURT NOTED that is the Court's interpretation of what the requirement is.

- HEARING ON MOTION(S) ON OST SET FOR December 18, 2019...MOTION FOR ENTRY OF CONFIDENTIALITY AGREEMENT AND PROTECTIVE ORDER ON ORDER SHORTENING TIME [ADVANCED]

APPEARANCES CONTINUED: Attorney Christopher Rose for Wellness Connection of Nevada LLC and Attorney Robert Warns for Rino Tenorio.

Mr. Ayers, Mr. Kahn, and Mr. Koch appeared by telephone.

MOTION FOR ENTRY OF CONFIDENTIALITY AGREEMENT AND PROTECTIVE ORDER ON ORDER SHORTENING TIME: There being no objection, COURT ORDERED, Motion for Entry of Confidentiality Agreement and Protective Order ADVANCED from December 18, 2019. Ms. Shell stated her concern regarding the definition of confidential information, as she felt it was too specific; for instance, she believes that home addresses are not technically confidential information and that they are actually public record. COURT NOTED that in its reading of the definition of confidential information in paragraph 6, it does not appear to include information which would typically not be included under trade secret issues, so while they may be covered under highly confidential information there may be a level of documents that would fall within arguably trade secret, customer records, that would also fall within that category, that the Court would typically see in a business court case. Mr. Fetaz stated they can adjust paragraph 6 accordingly. Mr. Smith noted his concern regarding paragraph 14 which references Manpower; he simply wants to make sure that this does not waive objections related to that inquiry. Court concurred, further noting that this protective order is for the entire case. COURT ORDERED, with the adjustment to definition of confidential information the stipulated protective order is APPROVED.

RINO TENORIO'S DEPOSITION: Mr. Prince advised it is scheduled to resume on Friday December 20th; Mr. Tenorio is a lightning rod and a critical witness; however, neither himself nor Mr. Gutierrez is available to attend. Mr. Prince detailed their schedule and noted his concern regarding the duration of the deposition and that Mr. Tenorio turned over documents to his personal counsel, Mr. Sgro; once they receive those documents they want to have a meaningful discussion with Mr. Tenorio; it is his request that the Court grant protection and move the date of the deposition, probably after the first of the year, and extend the duration to up to 4 hours as they have only done 5 and a half hours and only 3 attorneys have asked questions; they would like the documents before resuming the deposition.

Mr. Warns responded that he did not get a 2.34 on this issue and did not get served with a copy of the motion until yesterday; Mr. Tenorio would like his deposition to conclude as soon as possible; he would oppose extending beyond the 7-hour cap, certainly not another day; with regards to the documents, he has requested a copy of documents filed by counsel but he was informed last week that they would not be provided absent a subpoena. COURT ORDERED, the deposition that is scheduled on Friday is VACATED. Counsel to work on the document issue with former counsel. However, the Court is a little concerned about the duration. Mr. Rulis advised they have subpoenaed the documents; to the extent it is prior counsel he will be happy to forward the subpoena today. Colloquy regarding documents. CONFERENCE AT BENCH. COURT ORDERED, matter SET for status check on the documents on February 20, 2019 at 9 am. Counsel to invite Mr. Sgro to attend. Mr. Koch to circulate a call-in number for everyone intending to appear by telephone. With regards to Mr. Tenorio's phone, the Court will let the parties follow up on the text messages. Upon the Court's inquiry, all parties STIPULATED not to have the bench conference transcribed.

- Court noted there was a motion for protective order delivered. Mr. Warns advised he was copied on a letter that Mr. Rulis sent to Mr. Scrow's office on Tuesday indicating they would need to produce the documents to his office. Further, it was suggested that if they did not produce the documents then the Court would require their presence to explain. Moreover, he received an e-mail the next day noting that a thumb drive was being prepared. Yesterday he received a thumb drive with documents; however, he would time to review for privilege and relevance. Upon Court's inquiry, Mr. Warns requested three weeks. COURT advised Mr. Prince the deposition would not resume until the documents were produced, possibly by January 8th. Mr. Prince indicated that was fine. Court further noted counsel would work out a time for the deponent to appear and complete the deposition. Mr. Prince stated new documents may be presented that they had not seen before and that may result in additional questioning. Court directed counsel to discuss a date and the duration. Mr. Fetaz stated there was an issue regarding whether the State reviewed the applications submitted for completeness. They were attempting to address that issue through discovery. Furthermore, certain intervenor defendants' applications were produced as part of the hearing. The focus of the hearing was limited to adversity and ownership issue. The completeness issue expands beyond that. Court noted it would be better to work out the issue as to what was still believed to be confidential. Court further noted if the matter could not be resolved that it would be addressed by motion practice.

- GREEN LIFE PRODUCTIONS, LLC'S MOTION TO REALIGN AS PLAINTIFFS/PETITIONERS [E-FILED INTO SUB CASE A-19-787035-C]...DEFENDANT RURAL REMEDIES, LLC'S MOTION FOR

PRE-TRIAL CONFERENCE AND ORDER SHORTENING TIME

APPEARANCES CONTINUED: Attorney Jennifer Braster for Circle S Farms, LLC; Attorney Christopher Rose for Wellness Connection of Nevada, LLC.

GREEN LIFE PRODUCTIONS, LLC'S MOTION TO REALIGN AS PLAINTIFFS/PETITIONERS [E-FILED INTO SUB CASE A-19-787035-C]: There being no objection, COURT ORDERED, motion GRANTED. Counsel is FURTHER DIRECTED to file a complaint in intervention in the D H Flamingo case. Mr. Holmes requested one week to do so. COURT SO ORDERED. Court FURTHER NOTED that anyone who wishes to realign must do so within 2 weeks. Mr. Prince to prepare the order and run it by counsel prior to submission. Court CLARIFIED that the 2 weeks is from the notice of entry of the order for the complaint in intervention or a realignment, if anyone chooses to do one.

DEFENDANT RURAL REMEDIES, LLC'S MOTION FOR PRE-TRIAL CONFERENCE AND ORDER SHORTENING TIME: Mr. Gamble argued in support of the instant motion. Court noted it needs a trial protocol. Argument by Mr. Prince. Argument by Mr. Rose stating that the Plaintiffs have not named all of the applicants and that he simply wants to make sure there is no one hanging out there. Mr. Dickey advised they have heard from Defendants who did not want to participate, have aggregated their information, and will be filing a motion to dismiss them voluntarily. Mr. Price suggested that counsel file a status report. Mr. Parker advised he is also concerned about the 10-deposition limit; he and Mr. Prince agreed 7 hours is not enough and they would request more than 10 depositions; if necessary, they can cross the bridge when they get there in terms of the amount of time; he believes they have identified 18 total, 18 on top of the 8 or 9, depositions, for their side. There being no objection to Plaintiffs' request and to the order being reciprocal, the COURT GRANTS NOT TO EXCEED 30 DEPOSITIONS PER SIDE, including those already noticed and taken, not including experts. If the parties are able to agree to time limitations for each deponent after speaking to each other the Court will be happy to speak with the parties about it.

Mr. Parker further advised they will also be filing a motion to compel regarding the impasse on the issue of the phones of the graders. COURT DIRECTED counsel to file that motion on OST.

Per counsel's request and there being no objection, COURT FURTHER ORDERED, the MM Development group of the motion for summary judgment, related opposition / counter motion, and any related motions to seal/redact is MOVED to Monday, February 24 at 9 am.

COURT FURTHER ORDERED, a DRAFT TRIAL PROTOCOL be submitted by Friday, January 10 at NOON so it can be discussed on Monday, January 13. The draft trial protocol will include issues to be tried, the order in which they will be tried, allocation of time for the issues, and to see whether the case needs to be moved to the May stack, issues regarding exhibits, whether to admit all to apply to all segments, whether witness testimony will be duplicated or whether witnesses will be recalled. The Court will ask the Judicial Executive Assistant to email a copy of the trial protocol in the CityCenter case.

Upon Mr. Schwarz's request, COURT NOTED Serenity's motion is scheduled for January 13 and will remain there.

...DEFENDANT-INTERVENOR, NEVADA ORGANIC REMEDIES, LLC'S JOINDER TO LONE MOUNTAIN PARTNERS, LLC'S MOTION TO DISMISS SECOND AMENDED COMPLAINT:

Following arguments by Mr. Hone and Mr. Gentile, COURT ORDERED, the issue is now more creatively pled than it was previously; it does not fall squarely within the Malfitano case. For that reason, the motion to dismiss it DENIED at this time, but it may be subject to additional motion practice as the parties are near the time of trial.

NEVADA WELLNESS CENTER, LLC'S MOTION TO COMPEL ON AN ORDER SHORTENING TIME: Following arguments by Mr. Parker and Mr. Shevorski, COURT ORDERED, the State is ORDERED to obtain the information from the cellphones to extract the data, make a determination with the agents whether there is any personal or private information that needs to be protected; after that determination is made, have a review done on any relevant information and communications with other employees of the Department of Taxation be produced, sort of what was done with the actual employees. COURT addressing the State NOTED it needs a written order to be entered before a stay.

Regarding Mr. Parker's request that the Court review the privilege log which is part of his motion to compel, Mr. Shevorski advised it has something to do with communications that are pre-regulation that the State submits are protected. Court noted it does not have a privilege log. Mr. Parker advised they will submit the log, and Mr. Shevorski added that they will also make a supplemental

production and referred the Court to a footnote in the State's brief. Court noted it has not seen the State's brief then. Mr. Shevorski advised it was filed on Friday, to which Mr. Parker responded he saw it on Saturday, and Mr. Shevorski apologized to the Court and rested on the briefing. COURT ORDERED, motion to compel CONTINUED to January 17, 2020 in chambers.

BAILEY KENNEDY'S MOTION TO WITHDRAW AS COUNSEL FOR PLAINTIFFS/PETITIONERS CLARK NATURAL MEDICINAL SOLUTIONS LLC, NYE NATURAL MEDICAL SOLUTIONS LLC, AND CLARK NMSD LLC ON ORDER SHORTENING TIME: No questions. Mr. Dickey advised they will submit an order. COURT ORDERED, motion GRANTED.

Mr. Koch advised the State sent down an order for their petition for mandamus and asked if they could get it back today. Court noted it depends on the trial with Mr. Gutierrez, but they will do their best.

Mr. Tenorio advised he is here regarding the rescheduling of the deposition of Mr. Tenorio and the amount of time for that. Mr. Rulis advised they are waiting on a production; Mr. Warns sent him a production on Wednesday night, and they had some issues getting it from the Dropbox, so they are getting it by flash drive from him today, and then they will turn around and produce to everybody. Mr. Prince added that he thinks everyone needs to see the documents, and people with additional questions may impact duration. Upon Court's inquiry, Mr. Prince advised they have not picked a day for the depo and yes, they will need a full day even with no new documents. COURT ORDERED, matter SET for status check on Mr. Tenorio's deposition on January 17, 2020 in chambers.

ORDER SHORTENING TIME

APPEARANCES CONTINUED: Attorney Christopher Rose for Wellness Connection of Nevada, LLC

Mr. Bult. Mr. Dickey, Mr. Gamble, Mr. Gutierrez, Mr. Hone, Mr. Kahn, and Mr. Prince appeared by telephone.

Court inquired as to whose depositions have been noticed and are coming up. Mr. Shevorski advised those would be the depositions of Kelly Jesse, Ms. Contine, Richard Elloyan, Christina Banaszak, and Duane Lemons. Mr. Rulis detailed other depositions scheduled for the 28th, 30th, and 31st. Mr. Shevorski added Damon Hernandez's deposition is on the 11th and 12th. With regards to Essence's 30(b)(6), Mr. Smith advised that deposition has been noticed but they filed a motion for protective order. Court inquired of Mr. Shevorski if the State intends to defend any of the depositions. Mr. Shevorski stated they intend to defend Cronkite and Hernandez, and confirmed the State does not intend to defend Manpower and Quantum Mark.

Following arguments by Mr. Shevorski, Mr. Hunt, and Mr. Parker, COURT ORDERED, the 30(b)(6) of the Sate will go the week before the depositions of Hernandez and Cronkite, unless the 30(b)(6) can be sandwiched on the 10th. The State will provide the 6 graders and the current employees; former / separated employees and Quantum Mark employees will need to be subpoenaed.

Judicial Executive Assistant requested one person be designated to provide call-in information for these hearings. Counsel nominated Mr. Kahn, and Mr. Kahn accepted.

...DEPARTMENT OF TAXATION'S JOINDER TO NEVADA ORGANIC REMEDIES, LLC'S MOTION ON ORDER SHORTENING TIME FOR ORDER SETTING SETTLEMENT CONFERENCE...

...GREENMART OF NEVADA NLV LLC'S JOINDER TO NEVADA ORGANIC REMEDIES LLC'S MOTION ON ORDER SHORTENING TIME FOR ORDER SETTING SETTLEMENT CONFERENCE: Mr. Koch argued in support of the motion. Court inquired as to how the State would be able to participate, as a practical matter. Mr. Shevorski stated the State will have its decision makers there. Mr. Kemp advised there is no way they can get a global settlement; there are 120 people minus those who dropped out to sign an agreement; everyone is empowered, and every claimant can come in and hold up the whole thing; the Plaintiffs vehemently oppose as this is not a realistic endeavor. Reply by Mr. Koch and joinder by Mr. Hunt to Mr. Kemp's argument. Mr. Kahn argued this would be in an organized fashion for the settlement to be presented and for everyone to weigh in on the resolution, and this would be a confined venue and forum. COURT ORDERED, while it appreciates the State's willingness to participate, the Court will NOT ORDER a settlement conference given the objections that have been made.

PROTECTIVE ORDER: Following arguments by Mr. Bice, Mr. Koch, Mr. Dickey, and Mr. Hunt, COURT ORDERED, the statute protects the Department of Taxation and the State of Nevada from disclosing information, but it does not make the information privileged when it is in the possession of another party; the confidentiality provisions are adequately protected by the parties' protective orders that have been entered into; however, some requests are overbroad and are therefore not relevant for purposes of discovery in this limited proceeding. The Court is GRANTING the protective order on the issues related to the membership purchase agreements, employee hiring and employee resignations, profitability, and value issues and also GRANTING it on the support for public filings; so, counsel can ask questions about public filings that have been made, but the supportive and back-up information for those are protected; counsel can also ask questions about inspections of Nevada operations, compliance issues with Nevada operations, and incident reports submitted to the Dept of Taxation for NV operations; counsel can ask questions about changing locations but not about business strategies for changing locations or market shares. In addition, any communications or offers of employment of current or former D.O.T. employees are fair game; change in ownership forms are limited to change in ownership forms and any information submitted to the Department of Taxation as opposed to the underlying back-up information.

APPLICATION FOR WRIT OF MANDAMUS TO COMPEL STATE OF NEVADA, DEPARTMENT OF TAXATION TO MOVE HELPING HANDS WELLNESS CENTER, INC., INTO TIER 2 OF SUCCESSFUL CONDITIONAL LICENSE APPLICANTS: Arguments by Mr. Kahn, Mr. Shevorski, Mr. Rulis, and Mr. Kahn. COURT ORDERED, documents provided by Mr. Kahn MARKED collectively as Court's Exhibit 1 for today. (See worksheet.) COURT ORDERED, motion DENIED because this is a discretionary act by the State.

DH FLAMINGO'S MOTION TO REDACT PORTIONS OF ITS OPPOSITION TO NEVADA ORGANIC REMEDIES' MOTION FOR PROTECTIVE ORDER REGARDING SCOPE OF DISCOVERY AND ESSENCE'S MOTION FOR PROTECTIVE ORDER AND TO SEAL EXHIBITS 4 AND 5 TO THE SAME: COURT ORDERED, motion GRANTED because it includes commercially sensitive information.

There being no objection, COURT ORDERED, all matters currently scheduled on Monday, February 24 RESET on Friday, February 28, 2020 at 9 am. All In re D.O.T. Litigation matters will now be heard on Fridays at 9 am.

Court further noted the Nevada Supreme Court has issued an order to show cause about the Findings of Fact and Conclusions of Law and that it does not seem to apply to this Court but to the parties. Mr. Fetaz advised they will bring a motion to try to remedy the issue.

- APPEARANCES CONTINUED: Counsel (inaudible) for Wellness Connection of Nevada LLC and Thrive, respectively.

Mr. Smith advised one of the Essence entities' applications was marked as an exhibit. Court reporter

read the question into the record. Mr. Smith argued his objection relates to the Court's prior ruling and that it is inappropriate for the Plaintiffs to swipe certain applications under the deponent's noses and opine on the accuracy; in addition, it is beyond the scope of the 30(b)(6). Mr. Dzarnoski read the question regarding the scoring process, address of proposed marijuana establishment, topic no. 13, and that counsel has suggested a protective order that covers this. Court noted Ms. Danette Kluever was a grader.

COURT noted the 30(b)(6) deponent is not the grader but a representative of the D.O.T., asked Mr. Smith why he thinks the protective order applies, and ORDERED, OBJECTION OVERRULED; this is not similar to the analysis of whether the grader would change the grade; this is the D.O.T. making the independent determination as to whether this is the address the applicant will do business at.

Mr. Smith advised a question about complying with statutory requirements is coming. Court noted that question is okay.

- Counsel advised the same parties at this morning's conference call are present.

Mr. Smith advised that the way he read the transcript for the January 27 argument on the protective order was that the Court said the issues related to the membership interest purchase agreement are covered by the protective order; he lodged an objection to a question regarding Green Thumb Industries' membership interest purchase agreement that was subject to the Essence Entities' protective order. Court reporter stated, the question was, "Do you know the first time the Department of Taxation was aware of the existence of Exhibit 84?" and the objection thereto. COURT ORDERED, the State's awareness of the Membership Interest Purchase Agreement is fair game, but as the Court has previously indicated counsel is not going to make any inquiry as to the terms of the membership interest purchase agreement or any other details that might be related to one of your competitors' operations.

Mr. Dzarnoski noted that his recollection of the transcript is that the Court said something publicly available was fair game, and the version he has of the Membership Interest Purchase Agreement that he pulled off the Canadian Stock Exchange is a filing made by Green Thumb Industries on or about November 12, 2018; he was simply asking questions related to the provisions that were not redacted and were made part of the public record with the Canadian Stock Exchange, and he was told he could not do that. Upon Court's inquiry, Mr. Smith replied that he does not have first hand knowledge of whether or not this was true. Court noted it did say they could ask about items that

were public records. Mr. Smith further argued his motion for protective order. COURT understood and NOTED that its ruling was based on competitive advantage issues and what the nature of the deal was; if the nature of the deal was disclosed in public filings, that is a different issue. Mr. Smith stated he is not looking at a Bates stamped copy. Mr. Dzarnoski explained the version he has. Colloquy regarding the document. COURT ORDERED, if Mr. Dzarnoski is going to use it he needs to have a full copy available so that the witness and opposing counsel can have an opportunity to review it if they have concerns, but if it is something within public records, whether published on the stock exchange or some other public filing, it is fair game; the Court's ruling was based on commercial and competitive advantage issues.

- APPEARANCES CONTINUED: Attorney Christopher Rose for Wellness Connection of Nevada, LLC; non-party Rino Tenorio represented by Attorney Glenn Machado.

Ms. Ashcraft, Ms. Braster, and Mr. Davis appeared by telephone.

STATUS CHECK: RINO TENORIO'S DEPOSITION: Mr. Rulis advised he and Mr. Warns have been

emailing back and forth on a new date and an ESI protocol for documents on Mr. Tenorio's phone; the issue is that they already have depositions set on the proposed date. Court noted Mr. Tenorio sent an email to the Law Clerk. Mr. Machado explained Mr. Tenorio just has some concerns about the ESI protocol, and that they are trying to resolve internal issues between his firm and Mr. Tenorio; if they cannot resolve those issues they will withdraw, but they may be able to reach a resolution; Mr. Warns has been communicating about the ESI protocol; he also believes Mr. Tenorio should not bear the burden of the costs since he is a witness; Mr. Tenorio has already testified for 5 hours; to the extent that the parties go beyond the 7 hours, he proposes no more than 2 hours and would ask that questions be streamlined. Upon Court's inquiry, Mr. Tenorio confirmed he is a current employee of the State of Nevada but he is on administrative leave. COURT NOTED it needs Mr. Prince's physical presence, because without Mr. Prince the Court cannot negotiate the time, although the Court appreciates the issue being raised; Mr. Prince said he needed more time, but the Court is not sure how long; to the extent there are costs, there are ways for the parties to share them, and counsel for Mr. Tenorio are welcome to negotiate with them.

DEPOSITIONS: Mr. Parker advised they did not complete the 30(b)(6) of the State and that they only got about 35 minutes at the very end. Mr. Rulis added it was Mr. Dzarnoski and Ms. Stout asking questions. Mr. Parker continued, there were several of them who did not finish or start; some intervenors want to ask questions as well; they had a meeting yesterday, and they believe they can finish in 3 and a half hours of additional time for all of them. Mr. Wight advised Nevada Organic Remedies needs less than one hour. Mr. Bice advised the Essence parties will have some questions but will limit it to 30 minutes. Mr. Rose stated same. Upon Court's inquiry, all on the Defense and Intervenor's side confirmed 3 hours will do it. Mr. Bice further argued as to the inefficiency of asking the same questions asked by prior counsel and that the parties need to come up with a solution; regarding the availability of witnesses, there are other depositions; they should have 2 if not 3 tracks; the Plaintiffs will be getting deposition notices today.

Mr. Shevorski advised this 30(b)(6) was on a whole lot of topics; the State is here to do justice and will be there. Court encouraged all of the parties not to re-tread common ground and to not ask questions that are cumulative.

MOTION TO WITHDRAW AS COUNSEL OF RECORD ON AN ORDER SHORTENING TIME: Mr. Fetaz advised they would like to withdraw due to lack of communication and outstanding balance issues. COURT ORDERED, motion to withdraw GRANTED. Counsel to include in the proposed order the language in EDCR 7.42 which states that a business cannot represent itself as well as contact information. Mr. Shevorski requested a date by which those parties decide to proceed in the action or be represented by counsel. COURT DENIED the request.

MOTION TO AMEND ORDER PURSUANT TO NRCP 60(A); EX PARTE MOTION FOR ORDER SHORTENING TIME...MM DEVELOPMENT COMPANY, INC.'S AND LIVFREE WELLNESS, LLC'S JOINDER TO MOTION TO AMEND ORDER: Mr. Fetaz argued in support of the motion. Court noted it did not coordinate the cases but invited everyone involved to come; then, the Chief Judge consolidated all of the cases at a later time; this Court does not think that was retroactive; the Nevada

Supreme Court may think so, in which case this Court's order will apply to all, but this Court was very careful to decide only those matters assigned to it, and then the Court provided its order to the other judges for informational purposes; at the time of the hearing, the only cases assigned to this Court were Serenity and ETW; as the parties know the Court denied the consolidation and granted the request for people to voluntarily participate. Mr. Fetaz requested an amended findings of fact and conclusions of law entered in the ETW case if the order was applicable only to Serenity for purposes of an appeal and cross appeal. COURT stated it will change the caption of the order to include ETW. Ms. Shell noted there is an order with findings of fact and conclusions of law attached to it filed in the ETW case. Mr. Bice argued that if the request being made is that the Court enter a new preliminary injunction in the now consolidated action, not all parties participated in the preliminary injunction hearing prior to the consolidation; he does not think the Court has jurisdiction to enter the preliminary injunction based on an evidentiary development prior to consolidation. Court stated it will be happy to do amended findings of fact and conclusions of law that simply adds the ETW caption and case number.

Mr. Parker, noting that they filed an amended complaint and that DH Flamingo filed a motion to dismiss Defendants who did not respond to them, requested he file a motion on OST to dismiss them. Court directed counsel to file a motion and it will not be on OST.

- APPEARANCES CONTINUED: Counsel (inaudible) for Thrive.

Mr. Parker advised that present with them is the witness, Damon Hernandez, with counsel.

Mr. Parker advised that he began his questioning related to Mr. Hernandez's phone and the extraction report and the denial of the objection by Mr. Shevorski to the discovery commissioner's report and recommendation; during that questioning he informed Mr. Hernandez and his counsel that the extraction report had not been produced, and he was told it was provided, but for whatever reason it is not in the depository; he asked Mr. Hernandez what phone he produced, and Mr. Hernandez said it was the one he retained in 2019; the phone in 2018 was the subject of the preservation order and the information they would have wanted; the phone was given back and they do not have an extraction report; for that reason, he would ask the Court for the ability to file a motion on order shortening time given that they only have 30 days left of discovery after the 13th. COURT DIRECTED counsel to file a motion and the Court will sign an OST.

- Court addressed the other day when Mr. Parker called from a deposition and had issues concerning a cell phone extraction report and whether it was accurate. Mr. Parker stated it came up in Ms. Cronkhite's and Mr. Hernandez's deposition. Mr. Bice stated Mr. Hernandez was the one she was called on. Mr. Parker stated in terms of Hernandez they have the extraction report; however, believe things are missing. They see information between Mr. Pupo referring to Mr. Hernandez, but do not see the corresponding text, noting he got rid of his phone and that was the issue. Court advised it wanted to understand the background as to the cell phones before it heard the Motion to Stay.

Mr. Shevorski stated they believe a Motion for Stay was appropriate in light of the pending writ which they were filing today. Short recess for Mr. Shevorski to review the opposition. Mr. Shevorski argued in support of Motion and Mr. Parker in opposition. Following arguments by counsel, COURT stated its findings and ORDERED, Motion for Stay DENIED.

As to Motion for Voluntary Dismissal. Mr. Gentile introduced Sterling Kerr; Mr. Kerr indicated he was substituting in. Court advised Mr. Gentile to make sure counsel substituting in are aware of the requirements to sign up for e-service and all of the dates that exist in this case. Upon Court's inquiry, Mr. Kerr requested a continuance of the motion, noting he would like to file a reply brief because there were joinders. Mr. Koch stated they have a 30(b)(6) deposition scheduled for next week and would ask that it not have any impact on the pending discovery. Colloquy. There being no opposition, COURT ORDERED, motion CONTINUED to 3/6/20; Reply briefs DUE March 3, 2020.

Colloquy regarding housekeeping matters. At the request of Mr. Kemp and there being no opposition, COURT ORDERED, MM's Motion for Summary Judgment and Countermotions RESET to March 20, 2020. Mr. Schwarz stated four of the Plaintiffs jointly disclosed four expert witnesses and they have been trying to schedule their depositions, however, most of them are not available until after close of discovery. COURT ADVISED, the dates can be extended concerning the four named experts. Mr. Schwarz stated the earliest available date for the fourth expert witnesses was March 30. Mr. Schwarz proposed extending the Motion in Limine deadline to April 1 with the opposition due April 8 and argument on April 10, 2020. There being no opposition, COURT ORDERED, motions RESET. Colloquy regarding stipulation to increase the number of depositions. Mr. Parker stated it was 30 and 30. Court stated Mr. Prince was supposed to prepare the order. If Mr. Bice needs relief from the order he can enter into a stipulation. Matter concluded.

JOURNAL ENTRIES

- Mr. Hawkins present with Mr. Parker.

Mr. Dzarnoski advised Mr. Bice is asking Mr. Stewart for opinions as counsel independent of his position as a 30(b)(6) representative, more like personal opinion, or expert testimony or a percipient witness. Court reporter read the last question, i.e. what the word prospective meant to the witness. Court asked counsel to elaborate. Mr. Dzarnoski explained the context was that Mr. Bice was asking about an interpretation of NRS 453D.200(6); a question was asked as to what Mr. Stewart believed "prospective owner" covered when he was involved in submitting applications. Upon Court's inquiry regarding the scope of the 30(b)(6) designation, Mr. Dzarnoski replied it does not involve his applications. Mr. Bice disagreed with counsel's characterization; Mr. Stewart is a board member; he is the designee, so he has personal knowledge in addition to being a corporate representative; the fact

that they have personal percipient knowledge and are also a 30(b)(6) designee does not place their personal knowledge off limits; Mr. Stewart has already testified that he participated in the applications and reviewed them, and he asked Mr. Stewart about what he understood as to who the owners were and how they had to be submitted, because in the deposition topics, changes in ownership between the submittal of the application and the award of the application are being talked about; Mr. Stewart is the 30(b)(6) the other side identified. Upon Court's inquiry, Mr. Bice stated the designations says, "any changes in your ownership between the submission of your application on December 6, 2018 including the date of each change, how the ownership changed, and any communications to the D.O.T. regarding that change." Mr. Dzarnoski advised that the topic is asking for somebody to testify as to changes of ownership from the date the application that was filed until the license grant on December 6, but Mr. Bice's questions relate to the application prior to submission and what is in the initial application as opposed to any changes in the ownership; Mr. Bice is asking the witness as a lawyer his interpretation of "prospective owner" within the context of the applications themselves.

COURT ORDERED, to be able to answer the question one also has to have an understanding of what was in the application and talk about any changes that were made; the Court will allow the witness to answer this particular question; however, counsel is reminded to ask only questions as to a 30(b)(6) and they must fall only within the designated topics. Mr. Dzarnoski requested clarification from the Court, stating that it is not fair game to ask questions related to personal knowledge that is not covered by the 30(b)(6). COURT NOTED that Mr. Stewart was not noticed as an individual but was noticed as a 30(b)(6); however, to the extent that his personal knowledge impacts his position as a 30(b)(6) and he has relevant information to the topics that are within the scope of the 30(b)(6), he should answer those questions; however, counsel will not go on a goose chase for things that are not part of the 30(b)(6) notice. Mr. Bice noted for the record that Mr. Dzarnoski took the exact opposite position on his company's 30(b)(6) which he finds highly ironic.

Counsel advised they are at the deposition of Jeremy Thompson, 30(b)(6) designee for Medifarm and Medifarm IV.

Arguments by counsel regarding the scope of the designation, Mr. Dzarnoski's instruction not to answer, and that Mr. Thompson has been an attorney at Clark Hill. COURT ORDERED, its decision is not supposed to replace the deponent's position and the findings of fact and conclusions of law are not a factual basis for a 30(b)(6) witness for actual factual knowledge. Court suggested that this matter be discussed tomorrow, and ORDERED, the Court is NOT SUSPENDING the deposition but that the parties can do what they can do; the witness is REQUIRED to respond; anything told to the client will be subject to examination / discussion under Brightsource.

Court further acknowledged receipt of the proposed trial protocol by Mr. Smith.

- APPEARANCES CONTINUED: Attorney Taylor Simpson, Bar No. 13956, for Serenity Wellness.

Ms. Lovelock, Mr. Graf, Ms. Higgins, Mr. Gamble, Mr. Williamson, and Mr. Christiansen appeared by telephone.

COURT ORDERED, OST related to Greenmart witnesses SET for March 13, 2020 at 9 am. Court addressing Ms. Shell NOTED that if the Court orders those witnesses compelled she needs to have them on short notice. Proposed OST signed in open court and returned to Mr. Rulis for filing.

With regards to the motion to dismiss Serenity, Mr. Wight advised they filed an opposition; however, there was discussion today in Mr. Koch's office and counsel. Mr. Wight stated they will agree with dismissal as long as the order contains a dismissal with prejudice and that the Defendants have not waived any right to pursue fees and costs if successful at trial. Mr. Simpson advised he was not prepared for this discussion and that he did receive a text along those lines. COURT ORDERED, motion OFF CALENDAR and the Court will await the parties' stipulation, noting the agreement reached on the terms of dismissal.

With regards to the trial protocol, COURT DIRECTED the Clerk to email the trial protocol and electronic exhibit list template to the parties. Court and counsel discussed details of the trial protocol. COURT DIRECTED Mr. Smith to serve this on everyone signed up for e-service, and if anyone has comments the Court would love to have them Monday afternoon or Tuesday morning; to the extent that the parties cannot reach an agreement, the Court will resolve those for them. Court noted 1983 claims will be part of a subsequent protocol.

With regards to yesterday's 30(b)(6) deposition, Mr. Bice explained that the witness had no facts and had never looked at documents other than the Court's findings; counsel cannot instruct a witness not to answer unless there is a privilege issue. Mr. Dzarnoski provided the Court with the 30(b)(6) notice and the exhibits that were entered at the deposition, noting that topics 5, 6, 7, and 8 were what they discussed. COURT ORDERED, notice MARKED as Court's Exhibit 1 for today. (See worksheet.) Mr. Dzarnoski further explained these are contention interrogatories. Mr. Dzarnoski further requested additional time, or until Monday, to prepare a new 30(b)(6) witness instead of Mr. Thompson; they did suspend the deposition last night, reserving time for the Defendants. COURT DIRECTED counsel to consult with their people and have an actual detailed plan as to the nature of the individual that they want to supplement the designation with and the additional work that needs to be done. COURT RECESSED to give the parties and court staff a break. Mr. Parker leaves.

Proceeding resumed. Mr. Dzarnoski advised he has a plan: they would like the deposition that was

suspended yesterday on Medifarm on topics 5, 6, 7, 8, and 19 to be resumed sometime next week, and they will have a 30(b)(6) witness, who will likely not be Mr. Thompson. Mr. Bice objected to an attempted do-over as they have 27 depositions next week. COURT ORDERED, Mr. Dzarnoski is free to change the person designated to opine on those topics; for depositions that have yet to occur they are welcome to change designees; if changing theories, that will be determined on motion practice. Colloquy regarding witness scheduled for today. COURT ORDERED, parties can submit a joint exhibit list, not a phase by phase, and April 15, 2020 is okay. COURT ORDERED, exhibits to be reviewed by I.T. on April 17, 2020.

JOURNAL ENTRIES

- Mr. Hunt advised 19 topics are identified in the 30(b)(6); Mr. Smith said that the question he presented fell under category 13, which asks about any changes in ownership between submission of the application and December 6, 2018; the pending question was what the ownership interest was at the inception. Court Reporter read the question into the record at counsel's request. Court noted this was the same question the Court previously ruled on. Mr. Smith advised the question simply was, "For what purpose was the entity formed?" and he got an instruction not to answer. Mr. Hunt responded that he did not instruct his client not to answer; what he said was that Mr. Smith identified that the question related to topic 13, but it does not have anything to do with it. COURT ORDERED, if counsel is not instructing the witness not to answer, then the witness will answer the question and the parties will move on. Mr. Smith stated that the problem he has is a long, speaking objection and that Mr. Hunt is telling him to go topic by topic and announce each topic before he moves on instead of asking questions; Mr. Hunt dictating the method of his examination will simply not fly. COURT ORDERED, counsel can ask the questions in any order he wants; however, since this is a 30(b)(6) witness, it has to fall arguably within the scope of the categories; the Court will give counsel some leeway but counsel needs to focus on the scope of the 30(b)(6) designation.

- Court noted this started with Mr. Gentile's request to "Dan" (Judicial Executive Assistant) to move some deadlines; Mr. Hunt then sent the Governor's Directive 009 which the Court was unaware of until the Court read it; the Court's original indication was that if the parties all stipulated, the Court would be happy to move the deadlines; after reading the Governor's Directive, the Court believes the opposite is true, and the Court should not proceed on anything unless all of the parties stipulate that the Court proceed on something. Mr. Kemp advised that he stipulates to Mr. Gentile's request. Colloquy regarding pending motions, proposed extension, and the Governor's directives. Upon counsel's inquiry, Court noted it does not think it can reset a trial after reading the Governor's order and in the absence of a stipulation. COURT DIRECTED the parties to plan to have a status conference only this Friday and provide an update to the Court with additional information that they obtain; if everyone decides to reset other motions, the Court can discuss scheduling those; the Court can also discuss resetting the evidentiary hearing or trial if they are in a position to do so. Mr. Parker inquired whether everyone is agreeing on the phone or if something in writing needs to be done. COURT NOTED that there is a record and that the Court does not think a status conference would violate the Governor's order. Mr. Parker stipulated to having a conference this Friday and inquired whether a meet-and-confer among the parties would be helpful. Court directed Mr. Fetaz to contact the Judicial Executive Assistant. COURT ORDERED, extension GRANTED; oppositions DUE on April 17, 2020 and replies DUE on May 1, 2020. Further colloquy regarding the Governor's directives and amended notices of deposition. Court suggested it would be helpful for the parties to have a meet-and-confer prior to the status conference and directed the parties to notify the Court if they need more time than Friday.

MOTION TO MODIFY PRELIMINARY INJUNCTION: Upon Court's inquiry, Mr. Gentile confirmed they filed a notice of withdrawal of this motion. COURT ORDERED, motion WITHDRAWN. Upon the inquiry of Mr. Rose, COURT confirmed that any joinders are also taken off calendar.

...LONE MOUNTAIN PARTNERS, LLC'S OPPOSITION TO PLAINTIFFS MOTION FOR SUMMARY JUDGMENT OR FOR WRIT OF MANDAMUS AND COUNTERMOTION FOR SUMMARY JUDGMENT: Pursuant to parties' agreement, COURT ORDERED, motion and oppositions thereto CONTINUED to May 8, 2020.

MM DEVELOPMENT COMPANY, INC.'S MOTION TO STRIKE AND/OR DISMISS D.H. FLAMINGO, INC.'S COUNTERCLAIM: Following arguments by Mr. Rulis and Mr. Kennedy, COURT ORDERED, motion DENIED. While the Court believes there are two avenues this claim could have been brought a counter claim to a counter claim is appropriate, and, given the standards for pleading, it is appropriately pled at this time.

QUALCAN, LLC'S PETITION FOR WRIT OF MANDAMUS: Following arguments by Mr. Christiansen, Ms. Levin, Mr. Koch, and Mr. Parker, COURT ORDERED, the petition is premature, and the issue is not yet ripe; it will be addressed at the time of trial and may be argued in the second phase. Petition DENIED WITHOUT PREJUDICE.

STATUS CHECK: RESET TRIAL DATE: COURT ORDERED, matters set on April 20, April 17, with the exception of the motions to compel and the motion to associate on April 17, as well as the matters on April 27 are all RESET on May 8, 2020. Court inquired as to how long the parties will need to complete discovery after the public health emergency. Mr. Kemp advised that he thinks it will take at least two weeks, and Mr. Bice agreed. Mr. Gentile advised he has no problem with the 2-week period but that perhaps this is something they need to talk about. Court noted the Governor has said that everyone should stay home until April 30; if the depositions do not go forward because of that and social distancing the Court will not force people to appear for their deposition. Mr. Gentile agreed with the 2-week timeframe and moving his side's depositions. Mr. Parker noted there may be more than 10 depositions; unless the parties agree to double track again he does not think they can complete those within 10 business days. Mr. Kemp concurred there are more than 10 depositions, but given the time limits he thinks they can be done within 10 business days. Colloquy regarding remaining depositions and noticing them. Mr. Schwarz noted that deponents may be in other states that may have travel restrictions. Upon Mr. Rose's inquiry, Court noted it will not order any depositions; the Court will grant a protective order if someone asked, but if the parties come up with a system the Court will allow them to do so. Mr. Gentile stated he will postpone Conner's and Pupo's. Upon Mr. Rose's inquiry, Mr. Rulis stated MM will move next week's depositions as well. Mr. Dzarnoski advised that Conner's and Pupo's deposition may impact the motion for summary judgment. Court noted the deadline has not changed; if they impact the motion for summary judgment counsel to include it in the language of their opposition. Upon Mr. Schwarz's inquiry, COURT NOTED that with regards to the motions in limine relating to experts whose depositions have not yet been taken, the Court will work with the parties, but other motions should have already been filed. COURT FURTHER NOTED that it is currently not going to reset trial on the June stack as everyone waits to find out what happens.

COURT ORDERED, April 20, 2020 trial VACATED.

- CLEAR RIVER, LLC'S MOTION TO RECONSIDER THE COURT'S ORDER GRANTING PLAINTIFF NEVADA WELLNESS CENTER, LLC'S MOTION TO COMPEL CLEAR RIVER, LLC TO PRODUCE JOHN KOCER AND NORTON ARBELAEZ FOR DEPOSITION ON ORDER SHORTENING TIME .PLAINTIFF NEVADA WELLNESS CENTER, LLC'S MOTION TO COMPEL CLEAR RIVER, LLC TO PRODUCE ADDITIONAL DOCUMENTS ON ORDER SHORTENING TIME

All counsel participated via court call. Following arguments by Mr. Graff and Mr. Parker in support of their respective positions, COURT ORDERED, Motion for Reconsideration, GRANTED. COURT ADVISED the change of ownership letter dated April 19, 2019 was new information. The witnesses do not need to be produced by Clear River, however, it does not preclude Mr. Parker from taking their deposition, noting Clear River was not required to produce them given the change of ownership in April, 2019.

As to Plaintiff's Motion to Compel, COURT stated its findings and ORDERED, Motion GRANTED. Court advised Mr. Graff he did not comply with the Nevada Supreme Court rules on sealing and redacting court records. COURT FURTHER ORDERED, Mr. Graff to produce documents within ten (10) days and to notify parties pursuant to paragraph 13 of the stipulated protective order in case A714476 of this Court's order, so if challenged, the Court can hear it immediately.

Court advised there are a number of motions set on May 8, and it would like to do them in segments. It would like counsel, as a group, after the reply briefs are filed, to provide the Court with a proposed list of the schedule so the Court can determine how the parties are going to do the hearings.

- All parties appeared by telephone.

CONSOLIDATED PARTY'S APPLICATION FOR ASSOCIATION OF COUNSEL UNDER NEVADA SUPREME COURT RULE 52: COURT ORDERED, motion RESET from the chambers calendar on this morning's calendar and GRANTED as unopposed. By accepting this admission, Counsel agrees to submit to jurisdiction and appear without subpoena for any proceedings required by the Court which relate to Counsel's conduct in this matter including motions, depositions, and evidentiary hearings. SCR 42(13)(a).

ETW MANAGEMENT GROUP LLC'S MOTION TO COMPEL...PLAINTIFF'S MOTION TO COMPEL PRIVILEGE LOGS: Following arguments by Mr. Bult, Mr. Bice, Mr. Wight, Mr. Graf, Mr. Gutierrez, Ms. Shell, and Mr. Parker, COURT ORDERED, the meet-and-confer process was adequate. As a result, the Court will proceed with the motion; the text messages do not rise to the level of common interest protection, because they were not in anticipation of legal action or other legal proceedings; they were in the context of the application process, which is not a litigation proceeding; with respect to Greenmart, the identification of the consultant needs TO BE PROVIDED within five (5) days; because of the mixed roles of the attorneys in giving legal and business advice, those attorneys who assisted in the process needs to have those communications reviewed in camera; the parties may SUPPLEMENT their privilege logs related to attorney-client privilege within five (5) days; after the five-day period, ETW will review any supplemental privilege logs and make a determination as to whether they still have challenges; after that time, which is in about 10 days, ETW will PROVIDE the Court with a status report identifying those particular documents that remain at issue for which an in camera review is requested; if an in camera review is requested, the party who is seeking protection will need to SUBMIT the privilege log in Excel or Word on a thumb drive, the players list, and the redacted and unredacted versions of the documents for which they are seeking protection; those will be SUBMITTED BY MAIL; the Court and the Judicial Executive Assistant will arrange a way for the Court to review them after they are disinfected, and the thumb drives will be MARKED as Exhibits, SEALED, and placed in the Vault after the Court issues its ruling. Upon Mr. Parker's inquiry, COURT FURTHER ORDERED, it is NOT ORDERING production of the agreements; however, the Court is making a determination that because of the murky nature of the line between business and legal advice, there is no reason that the Court should award fees to any of the parties in this issue.

COURT ORDERED, matter SET for status check on a status report by ETW on May 1, 2020 in chambers. After the Court receives that status report, the Court will issue a separate minute order

identifying the particular documents that need to be provided for in camera review by each of the parties. COURT, addressing Mr. Bice, REITERATED that the text messages need to be produced and that production in a week would be lovely.

COURT FURTHER DIRECTED the parties to come up with a plan on how the motions set on May 8, 2020 will be divided prior to that time; otherwise, 3 days will be needed for these motions. At the request of Mr. Rulis, per discussion and agreement with Ms. Stout, COURT ORDERED, DH Flamingo's motion for summary judgment on MM Development counterclaims CONTINUED from May 8 to May 22, 2020.

APPEARANCES CONTINUED: Attorney Andrew Sharples, Attorney Rick Hsu, and Attorney James Donovan, as well as Mr. Frank Hawkins, Client Representative for Nevada Wellness Center.

All parties appeared by telephone.

Arguments by Mr. Parker, Mr. Fetaz, Mr. Christiansen, Mr. Bice, Mr. Shevorski, Mr. Williamson, Ms. Shell, Mr. Schwarz, Mr. Wight, Mr. Prince, Mr. Dzarnoski, and Mr. Gentile. Court complimented counsel and their staff on the briefing and the way it was put together, including the voluminous exhibits. COURT, noting several requests for 56(d) relief, ORDERED, given the suspension of the depositions as a result of the public health emergency, and given the record before the Court, it is not necessary to continue for the completion of the depositions as the Court has been provided with the expert reports by the Plaintiffs. The testimony at the preliminary injunction is testimony under oath and for purposes of summary judgment is considered the same as a deposition. The findings of fact, however, are preliminary and are not entitled to the same consideration. The Court GRANTS IN PART Nevada Wellness' Motion for Summary Judgment with respect to the first claim for relief; the term "prospective owner" is not ambiguous; the term clearly means those owners at the time of the application who were seeking an award of a license; the Department of Taxation's decision to not require disclosure on the application and to not conduct background checks of persons owning less than 5% prior to the award of a conditional license is an impermissible deviation from the mandatory language of Ballot Question 2, which mandated a background check of each prospective owner, officer, and board member of a marijuana establishment license applicant; the citation to that is NRS 453d.200(6); the Department of Taxation acted beyond its scope of authority when it arbitrarily and

capriciously replaced the mandatory requirement of Ballot Question 2 for the background check of each prospective owner, officer, and board member with the 5% or greater standard in NAC 453.255(1); this decision by the Department of Taxation was not one they were permitted to make as it resulted in a modification of Ballot Question 2, in violation of Article 19, section 2, subsection 3, of the Nevada Constitution.

COURT ORDERED, with respect to the remaining issues, the applicants were entitled to a fair process, but there remain genuine issues of material facts as to the Plaintiffs' claims, the causation, and the damages. For that reason, the remaining motions are DENIED WITHOUT PREJUDICE to be renewed at the conclusion of Plaintiffs' case at trial.

Court further advised the parties that the courtroom has been marked with 25 blue post-it notes that comply with social distancing. COURT DIRECTED the parties to think, as a group, how they will present their case if only 25 participants plus court staff and witnesses are allowed in the courtroom; the Court will hear input from the parties at next Friday's hearing, which will use the same call-in information.

Upon Mr. Graf's inquiry, Court reiterated that the term "prospective owner" is not ambiguous; it clearly means those owners at the time of the application who were seeking an award of a license and that the Court had read paragraphs 82 and 85 from the original findings of fact and conclusions of law

- Mr. Rulis and Mr. Smith present in the courtroom on another case.

Court asked to speak with Mr. Rulis and Mr. Smith. Court advised that given a rumor about the bankruptcy filing the Court had the Law Clerk reach out to Mr. Koch to get the documents, but the Court and law clerk have been unable to do so. Because the Court is unfamiliar with the Canadian system of orders, the Court would like counsel to engineer a conference call at 1 pm today as to whether or not the hearing should proceed tomorrow. Mr. Rulis advised he does have a call with Mr. Koch at 10 am today and he has all the bankruptcy documents, which he downloaded last night. COURT ORDERED, counsel to set up the conference call for 1 pm today.

- Mr. Smith and Mr. Rulis present in the courtroom. Mr. Frank Hawkins, Mr. Parker's client, advised he was also on the conference call along with his partners.

Court thanked Mr. Koch for a copy of the order from the Canadian court and inquired how paragraph 44 impacts the proceedings here. Mr. Gamble advised he saw a filing from Nevada Organic Remedies that came after they were provided with the Canadian bankruptcy petition indicating that the entities in this action were not part of the bankruptcy filing in Canada; he has not been able to locate any petition where the debtor in Canada sought recognition of the bankruptcy filing here in the United States, which would be a predicate. Court stated it understood. Mr. Koch advised there is a parent company but it is not a direct owner of his client; his position is that Nevada operations will continue; there is no request that this matter be stayed or modified in any way. Court inquired whether anyone disagreed with Mr. Koch's position. Mr. Rulis stated he agreed there is no stay and agreed with what Mr. Gamble said about there being no filing under Chapter 15 of the bankruptcy code. COURT ORDERED, given the position of Nevada Organic Remedies and the simple request made in paragraph 44 that has not been filed in the United States Bankruptcy Court, the Court will PROCEED with the hearing scheduled tomorrow. Court further advised that it can only accommodate 20 people in addition to court staff in the courtroom, so, it will keep the parties on the telephone tomorrow. Court further explained how this conference call originated, upon the inquiry of Ms. Shell.

- APPEARANCES CONTINUED: Paul Connott, Esq., present on behalf of Brett J. Scolari, Attorneys for Tryke Companies

In compliance with Administrative Order 20-1, the above parties participated by BlueJeans video conferencing, CourtCall conferencing and/or telephonic conference call.

D.H. FLAMINGO INC. AND SURTERRA HOLDINGS, INC.'S MOTION FOR SUMMARY JUDGMENT AGAINST MM DEVELOPMENT COMPANY, INC.

Arguments by Mr. Kennedy regarding the unfounded claims regarding statements by Mr. Spirtos, which intentionally interfered with and created an economic disadvantage for MM Development and third parties. Further arguments by Mr. Kennedy regarding the lack of merit of such claims, evidence of damages and causation. Argument by Mr. Kemp regarding the evidence provided and the damages caused to MM Development. Further arguments by Mr. Kemp regarding the viability of its claims against DH Flamingo. Upon Court's inquiry, Mr. Kemp advised in addition to the chart of stock prices, other evidence of damages suffered by MM Development included the testimony of his undeposed clients. Following arguments of counsel, Court ORDERED, Motion DENIED as there is limited evidence related to the damages; however, the stock price information provided in the Opposition is sufficient to defeat summary judgment.

MM DEVELOPMENT COMPANY, INC.'S AND LIVFREE WELLNESS, LLC'S MOTION FOR SUMMARY JUDGMENT OR FOR WRIT OF MANDAMUS . . . Arguments by Mr. Kemp regarding the improper ranking or grading, and the building and financial scoring errors made related to MM Development and Livfree Wellness as opposed to other applicants. Further arguments by Mr. Kemp regarding the appeal filed to correct the errors and the independent and unilateral decision made by Mr. Jorge Pupo, instead of by hearing before the Tax Commission. Mr. Shevorski advised the Department of Taxation withdraw its counter motion and argued regarding the merits of and in opposition to the Motion. Further, arguments by Mr. Shevorski regarding question of facts related to the financial strength and unconditional strength of the applicant. Upon Court's inquiry, Mr. Shevorski advised he believed Mr. Pupo was correct as there is no appeal to the Tax Commission. Arguments by Mr. Bice, Ms. Shell and Mr. Koch in support of its various counter motions and Mr. Hone submitted on the pleadings. Following arguments by counsel, Court STATED, the appeal at the interlocutory order granting injunctive relief does not relieve the Court of jurisdiction in this matter and ORDERED, Motion GRANTED IN PART, solely as to the appeal of the scoring errors that were made to Mr. Pupo. For that issue, the relief granted by the Court is a REMAND to the Tax Commission and/or the Cannabis Compliance Board, whichever has authority or believes it has authority over the appeal made by MM Development and LivFree Wellness.

Colloquy regarding scheduling and the changes thereto, Order Shortening Time regarding Bond and impact regarding certain matters related thereto, facilities to accommodation the parties during trial and various matters.

DEFENDANT PURE TONICS' MOTION FOR SUMMARY JUDGMENT . . . PURE TONIC CONCENTRATES LLC'S MOTION FOR SUMMARY JUDGMENT ON ALL PLAINTIFFS' OPERATIVE COMPLAINTS

Upon Court's inquiry, Mr. Hsu addressed the issue related to service. Mr. Hsu advised Pure Tonics

Motion was e-filed and e-served to all the parties; no other service was made as it was believed to be unwarranted. Further, Mr. Hsu advised the opposition filed by the TGIG Plaintiffs and joinders by other parties indicated receipt of service of Pure Tonics Motion.

Mr. Hsu argued Pure Tonics was an outlier party since the licenses granted were in the outlier counties of Storey and Humboldt. No other Plaintiff applied for a license in Storey County and only Rural Remedies applied in Humboldt County. Further, Mr. Hsu argued none of the Plaintiffs would receive a direct benefit if the Court set aside Pure Tonics licenses nor would there be a direct detriment if the Court allowed Pure Tonics licenses to remain in place. Mr. Gamble stood by his declaration of no service of Pure Tonics Motion; Mr. Parker and Mr. Fetaz joined in Mr. Gamble's declaration of no service and arguments by Mr. Gamble and Mr. Parker in opposition to the merits of the Motion. Mr. Gentile argued regarding the impact on the market share by a rural county and Mr. Fetaz submitted on the pleadings. Further arguments by Mr. Hsu in support of service to all the parties of the Motion, on the merits of the Motion and the oppositions thereto. Following arguments of counsel, Court ORDERED, Motion GRANTED IN PART as to Storey County only since there were no other applicants in Storey County; while there is a potential issue regarding market share related to rural counties, since there were no other applications in those counties the argument fails. Mr. Shu to prepare and submit the order.

MOTION FOR ORDER EXTENDING TIME TO FILE NRS 233B.133 OPENING BRIEF ON ORDER SHORTENING TIME . . . RURAL REMEDIES LLC'S JOINDER IN ETW PLAINTIFFS' MOTION FOR ORDER EXTENDING TIME TO FILE NRS 233B.133 OPENING BRIEF ON ORDER SHORTENING TIME . . . MM DEVELOPMENT COMPANY, INC.'S AND LIVFREE WELLNESS, LLC'S JOINDER TO ETW'S PLAINTIFFS' MOTION FOR ORDER EXTENDING TIME TO FILE NRS 233B.133 OPENING BRIEF ON ORDER SHORTENING TIME . . . NATURAL MEDICINE, LLC'S JOINDER TO ETW PLAINTIFFS' AMENDED OPPOSITION TO D.O.T. MOTION FOR JUDGMENT ON THE PLEADINGS ON ALL PETITIONS FOR JUDICIAL REVIEW AND ALL JOINDERS THERETO AND JOINDER TO ETW PLAINTIFFS' MOTION FOR ORDER EXTENDING TIME TO FILE NRS 233B.133 OPENING BRIEF ON ORDER SHORTENING TIME . . . NEVADA WELLNESS CENTER, LLC'S JOINDER TO ETW PLAINTIFFS' MOTION FOR ORDER EXTENDING TIME TO FILE NRS 233B.133 OPENING BRIEF ON ORDER SHORTENING TIME . . . HIGH SIERRA HOLISTICS, LLC'S JOINDER TO VARIOUS MOTIONS FOR SUMMARY JUDGMENT . . . TGIG PLAINTIFFS' JOINDERS TO VARIOUS OPPOSITIONS

Argument by Mr. Bult that good cause existed to grant ETW Plaintiffs' Motion, it was appropriate pursuant to NRS 233B.133 since the State did not file the record, and discovery had not concluded, including certain key depositions. Further, Mr. Bult argued the court suspended all dates of the trial protocol, except for the motions on the briefings as a result of the current CORVID-19 pandemic. Mr. Shervorski submitted on the State's Petition and made no further representations. Upon Court's inquiry, Mr. Shevorski advised the State did not file the record to generate the scheduling order since it was believed pursuant to the Order, the records were confidential. Following arguments of counsel,

Court ORDERED, State to FILE the record and/or a motion to seal, if appropriate, within three weeks. COURT FURTHER ORDERED, status check SET regarding filing of the record and/or motion to seal. Colloquy regarding voluntary furlough which may impact the Attorney General's office.

06/19/20 (CHAMBER CALENDAR) STATUS CHECK: FILING OF RECORD AND/OR IN THE ALTERNATIVE MOTION TO SEAL Flagged for follow up.

- APPEARANCES CONTINUED: Attorney Paul Conant.

Court thanked the parties for submitting their status reports and inquired about the filing of the record by the D.O.T. Mr. Shevorski advised that he hopes to have it on file by Friday; if not on Friday,

the week after, on Monday. Court further inquired about the nature of the State's agreement with Mr. Bult that caused the motion to be taken off calendar. Mr. Shevorski stated the nature of the agreement is this: since the Court granted the Plaintiffs more time and since it is 40 days from the filing of the record,, there is no reason for the motion on judgment on the pleadings based on the Court's prior order.

Court advised there are 20 chairs in the courtroom which can be used by people other than court staff; this case has more than 20 people, not including party representatives; in order to try the case, the Court has to have another facility; there is a suggestion to use the jury assembly room across the bridge, which is available, except that on June 30th there will not be another facility this case can use in the building in the short term; rather than forcing the parties to start on June 15, the Court will give the parties a chance to convince the Court of other options given the limited realities of facilities that are available. Mr. Bice stated that his side believes the case should proceed; they do not want to delay this matter any longer than necessary; if the Court wants him to submit evidence on this point he can do so; even though his client has not been enjoined by the preliminary injunction, the Plaintiffs have been going around to local jurisdictions and telling them they should not approve any of the licenses because of this existing litigation; they are caught in a catch 22 and it is prejudicial to them for this matter to continue to drag on. Statement by the Court regarding objections. Mr. Bice inquired about a phone line in the jury room. COURT noted that it works but there is a problem with background noise, people talking over each other, etc.

Mr. Parker advised that they scheduled depositions that go through July 7 or 9 as of this morning and they have depositions almost everyday starting next week; he does not see how starting on June 15 would work, as they also will be utilizing deposition transcripts.

Court further noted it will not deny counsel the right to consult with their clients, but there are only 20 chairs in the courtroom. Court notes the other option is for the parties to rent a facility in another place. Mr. Parker advised they can look at a private space but it will be 3 times the size of the Court's courtroom to observe social distancing, but then they will have to go back to timing. Mr. Rulis inquired about the availability of the jury assembly room. Court stated the jury commissioner is going to start calling jurors for criminal trials; the Court will leave things to the parties, will await additional suggestions, and will give the parties one week to give the Court a plan.

Upon Mr. Koch's inquiry regarding which claims to try, COURT NOTED that as long as it is not the claims involving the 1983 allegations, the Court will be happy to do anything in whatever order the parties can manage it. Mr. Bice advised the Plaintiffs are scheduling depositions into July; there is no reason for this to extend into July. COURT NOTED it will need a separate noticed motion from counsel and will sign an OST. Mr. Parker responded to Mr. Bice's argument regarding depositions. COURT directed counsel to file a motion. Court further directed the parties to think about the order they want to proceed; the 1983 items just need to be last. Mr. Hsu advised that in looking at A.O. 20-17 he would ask for him and his client to listen in by telephone. Court confirmed that is an option; the problem is if counsel wants to ask the witness questions it will be very difficult, especially if the witness is on video; that is the risk counsel takes if he appears by remote means.

Upon Court's inquiry of Mr. Bice regarding the motion he mentioned at last week's conference call that he would submit on OST, Mr. Bice stated that he will submit an OST if not today, then tomorrow.

Court advised that the Chief Judge suggests the Fifth Street School location for the trial in this matter, because the Court is told that if they do not take advantage of the space, they will lose the ability to use it starting on July 24. Mr. Parker advised that he inquired about the Fifth Street School with the City, and the person in charge of booking said there is no time they can give that would span the length of time for this trial; he also checked with the City Council Chambers and the Clark County Commissioner Chambers, and so he is working with them on dates; he will report back to the Court and anyone else. Mr. Kemp advised that they also contacted the Smith Center, but no one could be found, as well as the Mob Museum about the old courthouse, but the quote per day is ridiculous. Mr. Bice advised they will have a proposal regarding LVCVA and hope to report to the Court this week. Following argument by Mr. Dzarnoski, COURT NOTED it is not having witnesses in the judicial review portion; that is not in the trial protocol. Mr. Dzarnoski continued to argue that in cases

regarding alleged irregularity the Court may receive evidence; there is a vast amount of case law where they need to prove the irregularity of the process used; they should be allowed to clarify the record with additional evidence. COURT stated counsel MAY FILE a motion to modify the trial protocol to modify the procedure set forth in Phase I.

Upon inquiry by Mr. Gamble, COURT CONFIRMED trial is not going forward on June 15.

BAILEY KENNEDY'S MOTION TO WITHDRAW AS COUNSEL FOR D.H. FLAMINGO, INC. AND SURTERRA HOLDINGS, INC ON ORDER SHORTENING TIME: Upon Court's inquiry, Mr. Kennedy confirmed he has heard from the client as far as having to do with payment but not an opposition. COURT ORDERED, motion GRANTED. Counsel to prepare the order of withdrawal and include local Rule 7.42 that a corporation cannot appear in proper person as well as the client's email address and all future dates.

COURT ORDERED, matter SET for a status check on resetting trial on Monday, June 2 at 9 am.

~

Court inquired of counsel for D.O.T. regarding the record. Ms. Levin explained they are in the process of filing the applications they need; some were not Bates numbered and some were missing score sheets; they have to determine who is in or who is out; some applications were produced confidentially, some with AEO, and some where not produced at all so they have to look at their internal records; due to the enormous size of these records, their proposal would be, to preserve everyone's confidentiality and designations, to put all of these applications and relevant score sheets on a sort of hard drive or jump drive and submit it to the Court subject to the protective order in place. COURT DECLINED the offer and DIRECTED counsel to FILE the record; counsel can FILE a motion to file portions under seal, but the record of the administrative agency needs to be filed, and the Court would appreciate the record being submitted immediately. Ms. Levin further argued as to the difficulty of the task. Mr. Bice and Mr. Parker argued. COURT NOTED it is the D.O.T. imposing the deadlines on everyone. Following further colloquy on the record submitted to the administrative agency, COURT ORDERED, the D.O.T. has five (5) days to comply and submit the record; counsel may designate by numbers documents previously submitted to the Court or produced; if there is a request for supplementation that will be addressed by motion practice; it does not need to be the entire record; it may be the record plus all these other documents with Bates numbers. Mr. Graf objected to the production of their application in the petition for judicial review in the other part and inquired whether a pleading would have to be submitted. Court concurred they will have to submit a pleading.

...COMPASSIONATE TEAM OF LAS VEGAS, LLC'S JOINDER TO QUALCAN, LLC'S MOTION TO ADMIT EVIDENCE OF DAMAGES ON ORDER SHORTENING TIME

All parties appeared by telephone.

Court thanked counsel for D.O.T. for submitting the record on review and asked whether they have the index or whether there is access to it. Mr. Shevorski advised he is not sure if it is in the system. Court inquired as to what "not disclosed" meant. Mr. Shevorski advised that it was Ms. Levin who handled that, but he thinks that might be referring to applications they would have produced to the Plaintiffs and they never produced them back as part of them wanting anyone to consider. Upon further inquiry, Mr. Shevorski confirmed AEO is attorney's eyes only. Court noted that the D.O.T. is asking the parties to look at what was previously produced to them rather than filing with the Court publicly. Mr. Shevorski concurred. COURT DIRECTED the Plaintiffs to discuss on Thursday (June 18, 2020), on which day Mr. Bice's motion is set, whether there are any issues with the record submitted by the D.O.T. and to tell the Court whether there is anything new not previously exchanged by the parties or produced in discovery. Court RECESSED briefly.

Following arguments by counsel regarding Qualcan's motion, COURT ORDERED, motion GRANTED IN PART; to the extent that Qualcan had previously disclosed its damages or had application fees that were incurred which the D.O.T. was on notice of, or to the extent that any party disclosed prior to the discovery cut-off which preceded Judge Bell's order, or provided information during the preliminary injunction hearing or any deposition that was a disclosure of damages bases or calculations, the Court will permit those parties to provide that; that includes Compassionate Team being able to seek application fees as mentioned when the Court ruled on the State's motion for summary judgment on May 8th; attorney's fees may be sought post-judgment if there is a valid legal basis for the attorney's fees but not as a separate element of damages because there was not a disclosure at that element of damages. Upon further inquiry by counsel, Court clarified that what it said on May 8th applied to all Plaintiffs and what the Court said on May 8th STANDS.

- MOTION TO SET TRIAL ON ORDER SHORTENING TIME...COUNTER CLAIMANT'S MOTION TO SET TRIAL ON ORDER SHORTENING TIME...NEVADA ORGANIC REMEDIES, LLC'S JOINDER TO MOTION TO SET TRIAL ON ORDER SHORTENING TIME

APPEARANCES CONTINUED: Attorney Leo Wolpert for Greenmart; Attorney Paul Conant for Tryke.

All counsel appeared by telephone, except for Mr. Shevorski, Mr. Bice, and Mr. Jordan Smith, who appeared in person.

Assistant Court Administrator Andres Moses also present.

Court inquired of Mr. Parker, Mr. Gentile, and Mr. Bult whether they had a chance to look at the record that the State filed. Mr. Dzarnoski advised that they received the 73 parts of the administrative record and anticipate filing motions based on what they have read so far, which will include a motion for supplementation and to provide additional evidence and a motion to amend/modify the trial protocol; it will take 10 to 14 days to get those motions on file. Court asked what was missing with the record. Mr. Dzarnoski replied that he had not finished his analysis. Mr. Dzarnoski, Mr. Rulis, and Mr. Bult provided some examples of what they believed was missing. Mr. Parker advised he would also move for supplementation with recordings of the score reviews. Court encouraged counsel to contact Mr. Shevorski regarding large swaths of information that is missing. Upon Mr. Dzarnoski's inquiry, Court stated it is not requiring a meet-and-confer, just a heads up to Mr. Shevorski.

With regards to the motion to set trial, Court noted it counted about 30 remaining depositions and asked how that can be when the discovery cut-off was before Judge Bell's administrative order, noting that the Court is not including the 1983 claims. Mr. Parker advised he does not believe there are 30 left; they took 2 yesterday and took some last week; they are also working with Mr. Shevorski and Ms. Levin in perhaps reducing one or two depositions; it would be difficult to get information from one of the witnesses as the witness has tongue cancer. Court noted it combined counsel's and Mr. Bult's lists, took out the duplicates, and got to 30. Following arguments by Mr. Bice, Mr. Conant, Mr. Gamble, Mr. Bult, Mr. Shevorski, Mr. Kahn, Mr. Prince, Mr. Wight, and Mr. Parker, COURT ORDERED, motion to set trial GRANTED. The Court will meet with Mr. Moses, who will contact the Las Vegas Convention and Visitors Authority and see what time and space constraints there are, noting the need for 14 rows of tables with 2 people per table, plus space for staff and the JAVS system, and, based upon that information, the Court will provide a trial date; if the parties want more than the JAVS, clerk's exhibits, electronic exhibits, and displays for the witness and court, the parties may want to provide their own equipment.

Ms. Braster present in the courtroom. All other counsel appeared by telephone.

Court advised the Las Vegas Convention and Visitors Authority and Assistant Court Administrator Andres Moses have had productive discussions with general counsel; it appears this case will have a trial start date of July 13; the Court will be doing a walk-through tomorrow afternoon with security staff and court administration; the North Hall is big enough to have 14 rows, 2 columns wide to seat everyone as well as court staff, in compliance with social distancing; it appears the hours and days of trial will need to be extended to get things done prior to the end of August, as there are not yet any cancellations of the September conventions; the space is currently available through the end of August. COURT ORDERED, amended trial protocol will ISSUE that changes the dates and times; trial will start with Phase II of the trial protocol and then catch up with Phase I. COURT ORDERED, trial to COMMENCE on July 13, 2020. The Court hopes to have a floor plan by the end of the week and to ask the Assistant Court Administrator to arrange a group walk-through; counsel may bring their tech people. Colloquy regarding internet access and recording equipment. Mr. Kahn renewed his inquiry regarding cost. Court directed counsel to read State vs. Angel, about a 1990 case.

- PLAINTIFF NEVADA WELLNESS CENTER, LLC'S MOTION TO ENLARGE TIME FOR SERVICE ON AN ORDER SHORTENING TIME...STATUS CHECK

APPEARANCES CONTINUED: Attorney Mahogany Turfley for Nevada Wellness Center; Attorney Stephanie Smith for Natural Medicine; Frank Hawkins, Client Representative for Nevada Wellness Center.

All parties appeared by telephone.

PLAINTIFF NEVADA WELLNESS CENTER, LLC'S MOTION TO ENLARGE TIME FOR SERVICE ON AN ORDER SHORTENING TIME: Court noted counsel cannot be asking for extensions to serve when trial begins in 2 weeks. Following argument by Mr. Parker, COURT ORDERED, motion DENIED; the prior extension given by the Court was the last one.

STATUS CHECK: Mr. Gamble advised that he needs to be with his wife for a battery of procedures beginning in July and asked whether the Court would consider a motion on OST to perhaps sever Rural Remedies from this action. COURT DIRECTED Mr. Gamble to send over an OST and the Court will be happy to address it.

Court discussed the space to be designated as a temporary courtroom facility for the trial. Counsel confirmed they received the map.

Mr. Williamson inquired whether they can use the repository for pre-trial disclosures. Court noted it does not know about the repository but if the parties reach an agreement the Court will be okay with it. Mr. Williamson inquired whether the pre-trial conference will be onsite or not. Court stated counsel may appear by telephone; however, the Court does not know whether the set-up will be finished by the 10th.

Mr. Parker inquired whether the Court will allow them to serve the remaining 20 parties by publication. Court stated it WILL NOT. Upon Mr. Parker's further inquiry, Court confirmed it will entertain a motion.

Mr. Smith advised they also have a motion to extend time for service set in July and will submit an OST. Mr. Smith inquired whether they should serve the parties that have already asked to be dismissed. Court stated it is up to counsel.

Mr. Christiansen inquired about depositions or prior preliminary injunction hearing testimony. Court DIRECTED counsel to designate those ahead of time; there is an objection process in the amended trial protocol, and the Court will rule on that evidence at the pre-trial conference; during the case-in-chief, that evidence will be presented either by video or by a person reading the depositions. Further colloquy regarding witnesses. Upon Mr. Prince's inquiry regarding duplicative testimony, Court stated it will not rely on its memory of what happened over a year ago; witness testimony will have to be presented anew. Court FURTHER DIRECTED counsel to email the Court their best estimate of

the length of this trial by Monday afternoon via a status report, understanding that there may be additional cancellations of conventions that will occur given Covid-19 issues.

APPEARANCES CONTINUED: Attorney Stephanie Smith for Natural Medicine.

All appeared by telephone, with the exception of Mr. Parker, Mr. Bult, and Mr. Kemp, who appeared in person.

Following arguments by Mr. Parker and Mr. Kemp, COURT stated it is very concerned about what appears to be discovery abuses, but the Court does not want counsel to make the position given some of the issues raised today other than what is in their papers. COURT ORDERED, matter SET for evidentiary hearing on the nature of the sanctions and the prejudice; if the State has a back-up or fallback position short of striking the pleading, the Court would like Mr. Shevorski to think about it, because the Court is very concerned given the length of time in the evidentiary hearing that was held in this case and the witness testimony. COURT ORDERED, the evidentiary hearing on the motion for case terminating sanctions will be held next Monday, Tuesday, and Wednesday, and no opening statements or witnesses in Phase II of the trial will commence until the evidentiary hearing is completed. Mr. Shevorski advised the Court of Ms. Cronkhite's unavailability on Monday and Tuesday. Ms. Levin advised Mr. Gilbert will be there Monday. Mr. Graf noted for the record that

Clear River filed an opposition to this motion and a joinder to the State's brief. Mr. Parker inquired about Mr. Hernandez. Ms. Levin advised that as far as she knows everyone else will be there. Mr. Bice argued that he does not want the Court accepting the representations of Mr. Parker and Mr. Kemp before his side responds; they would like to see the messages, as they have received zero messages by the Plaintiffs; furthermore, the Court denied his own motion for sanctions. Court stated this was a preservation order. Mr. Bice argued the Plaintiffs preserved nothing.

NATURAL MEDICINE LLC'S MOTION TO ENLARGE TIME FOR SERVICE [RESET from today's chambers calendar to the 9 am session]: Following argument by Ms. Smith, COURT ORDERED, request to serve through Monday through the Secretary of State, including mailing to the last known address, is GRANTED.

FINAL PRE TRIAL CONFERENCE [Continued]: Mr. Shevorski advised the State plans to file a motion on OST regarding the State's writ in this case. Mr. Prince noted it deals with whether the State has the legal right to possess the cellphones of the individual D.O.T. employees; he believes they do not, but the Court needs to determine that as a threshold issue before going to case-terminating sanctions.

COURT ORDERED, pursuant to the stipulation of the parties, all JOINT EXHIBITS are ADMITTED. Mr. Smith and Mr. Rulis advised there no stipulations yet to any of the Plaintiffs' or Defendants' proposed trial exhibits. COURT NOTED media files lodged with the Clerk are part of the Plaintiffs' exhibits, which remain proposed at this time. Mr. Rulis advised they did their best to redact any personally identifying information on the exhibits.

With regards to any demonstrative exhibits, Mr. Prince advised that right now they do not have some, but he may use or create some depending on the testimony and will try to show it to the other side as soon as possible for their review and for the Court's review.

COURT DIRECTED counsel to submit any proposed findings of fact and conclusions of law in MS Word format.

With regards to objections to deposition designations, the Court advised it cannot rule on them today as the Court cannot touch paper; however, the Court can resolve any videos in lieu of live testimony. COURT RECESSED for counsel to confer.

Mr. Rulis asked that the Court address witnesses beginning of next week. Mr. Rulis further advised that Litigation Services is willing to provide a real time reporter if the parties determine that is what they want; however, he believes the Court Recorder will be the official record and a transcript will be done as a result of that. Court directed counsel to coordinate with the Court Recorder. Mr. Rulis stated they will do so as soon as the parties have an agreement.

Court advised it has now read the Nevada Supreme Court's decision regarding control of independent contractors vs. employees. Mr. Parker stated they received notice of that yesterday and that what they dealt with yesterday is on all D.O.T. employees. COURT ORDERED, parties may argue what it means on Monday (July 13, 2020). Mr. Shevorski advised the State will file a motion on the meaning of legal control with respect to employees, which they think is an important legal issue and would like an opportunity to brief. COURT ORDERED, that motion will be argued on Wednesday, July 15, 2020 at 9 am. Further argument by Mr. Prince regarding the issue of control. COURT, noting there is a continuum of issues related to control, which the Court would be happy to address, ORDERED, the request for a staged hearing is REJECTED; the Court will make a ruling together.

Court made its disclosure regarding Cook and Kelesis. Colloquy between Court and counsel regarding the issue.

Counsel detailed their witnesses. COURT ORDERED, to the extent there are objections that are public health related, the parties need to make sure those are accomplished, and if a little more time needs to be spent on it, it can be accommodated. Further colloquy regarding witness sequencing, the use of lapel mics, and proposed findings. Mr. Kemp advised his side will file an objection to Mr. Bice attempting to hijack the evidentiary hearing.

Bailiff briefed all present on security and safety.

Trial CONTINUED pending other matters.

- MOTION FOR PROTECTIVE ORDER ON ORDER SHORTENING TIME...STATUS CHECK AT COUNSEL'S REQUEST CONTINUATION OF EVIDENTIARY HEARING ON MOTION FOR CASE TERMINATING SANCTIONS

APPEARANCES CONTINUED: Attorney Stephanie Smith for Natural Medicine; Frank Hawkins, Client Representative for Nevada Wellness.

Mr. Williamson, Mr. Kohn, Mr. Kahn, Ms. Smith, Mr. Fetaz, Mr. Hawkins, Ms. Shell, Ms. Braster, Mr. Dzarnoski, Mr. Hone, Mr. Hsu, Ms. Barrett, Ms. Chattah, Mr. Mikhaylov, Mr. Slater, and Mr. Gamble appeared by telephone.

Court acknowledged missive from the Nevada Supreme Court.

MOTION FOR PROTECTIVE ORDER ON ORDER SHORTENING TIME: Argument by Ms. Welch. COURT ORDERED, Mr. Pupo's doctor's note MARKED as Court's Exhibit 1 and SEALED. (See worksheet.) COURT ORDERED, motion for protective order DENIED.

STATUS CHECK AT COUNSEL'S REQUEST CONTINUATION OF EVIDENTIARY HEARING ON MOTION FOR CASE TERMINATING SANCTIONS: Mr. Parker advised that he was at Mr. Kemp's office when they got the missive from the Nevada Supreme Court; when he looked at the stay order, what Mr. Bice gave him yesterday morning, he did not recall the footnote itself. Mr. Parker suggested they all go with they all missed it. Court noted the letter is clear; everything in the February 7, 2020 order was stayed, and the Court is bound by that order. Mr. Parker read a portion of the order. Colloquy regarding the stay, footnote 4, and the items subject to the order before the motion to compel. Mr. Shevorski advised the writ of prohibition was served on the Law Clerk's and Judicial Executive Assistant's emails and provided the Court with the writ. COURT NOTED it thinks the Nevada Supreme Court has misunderstood what is at issue in the order and asked Mr. Shevorski again when all the items would be provided. Mr. Shevorski responded that Talova Davis expressly stated in her affidavit what she had done and that MM Development never challenged that. COURT ORDERED, preservation letter sent to the D.O.T. TO BE PROVIDED; if further action needs to be taken related to the lack of preservation, there will be a discussion about the D.O.T.'s problems internally since it is clear they did not preserve the phones, based on Mr. Pupo's testimony at the hearing.

Mr. Shevorski advised the State will have to consider its position and perhaps take up a writ. Colloquy regarding Mr. Pupo's testimony and argument as to what the Plaintiffs seem to be trying to do. COURT NOTED that before resuming the evidentiary hearing the Court wants to give the State an opportunity to fix the issue. Mr. Shevorski advised they still have a pending motion to vacate that

was supposed to be heard today, and he would like briefing on the current issue. COURT NOTED it has already made a determination under the sanctions motion; however, the Court is giving the State an opportunity which might mitigate against sanctions on the D.O.T.; the evidentiary hearing will not resume at this point.

Argument regarding witness sequencing. COURT NOTED deposition designations for QuantumMark witnesses and objections thereto be submitted. COURT REMINDED counsel that 24 hours under the trial protocol is 24 hours. Court gave Mr. Graf until noon to provide his objections. COURT ORDERED, any objections to the Arbelaez and Flores depositions be EMAILED to the Judicial Executive Assistant.

- MOTION TO REMOVE FILING FROM ODYSSEY EFILENV...BENCH TRIAL

Matters heard in the temporary courtroom facility designated by the Chief Judge in the Las Vegas Convention Center.

APPEARANCES CONTINUED: Attorney Stephanie Smith for Natural Medicine; Attorney David Gutke for GTI; Attorney Joseph Mott for Thrive; Keith Capurro and John Marshall, Client Representatives for Deep Roots; Tisha Black, Client Representative for Clear River; Karalin Cronkhite, Client Representative for the State of Nevada Department of Taxation; Phil Peckman, Client Representative for Thrive.

Mr. Gamble and Mr. Hsu appeared by telephone.

Additional exhibits by Thrive verified by Court I.T. and lodged with the Court.

Mr. Kemp advised that they have been working on a settlement and have only reached a partial one; in addition, Mr. Shevorski needs to consult with the chief of the Tax Commission and with former Chief Justice Douglas as a member of the Cannabis Compliance Board. Mr. Kemp further advised that they would like to continue opening statements until Monday, noting that they have gone through 15 drafts of the agreement for 2 days. COURT DECLINED counsel's request and asked him to notify the Court when they have reached a final deal. Mr. Shevorski explained the procedure. Mr. Gentile argued that because they prepared their entire case as a team, he will not be ready for opening statements until Monday. Mr. Williamson objected to continuing opening statements to Monday as he has mediation scheduled and requested they commence today. Mr. Bice agreed with continuing opening statements until tomorrow as the partial settlement, if successful, would streamline their case; however, they do not agree to continuing statements until Monday. Mr. Prince supported Mr. Kemp's request. Mr. Koch joined and agreed to just a one-day continuance. Mr. Graf stated he does not have a specific objection but noted that he simply wanted to make sure there are still pieces that need to fall in. Colloquy regarding remaining litigants after a successful partial settlement. COURT ORDERED, OPENING STATEMENTS CONTINUED until tomorrow, July 17, at 8:30 am. COURT FURTHER DIRECTED counsel for the State to prepare and submit to Department XI an order consistent with the writ served yesterday upon the Court.

COURT ORDERED, matters CONTINUED.

Colloquy regarding witnesses next in line for questioning.

Mr. Fetaz placed on the record that opening briefs for the petition for judicial review are now due on August 5, 2020. Mr. Dzarnoski announced that his side filed their opening brief today, but no one

approached him or his firm about continuing the time for opening briefs or responses and they are potentially prejudiced. Court stated this matter will be discussed tomorrow.

Trial conducted in the temporary courtroom facility designated by the Chief Judge in the Las Vegas Convention Center.

APPEARANCES CONTINUED: Attorney Stephanie Smith for Natural Medicine; Keith Capurro, Client Representative for Deep Roots; Tisha Black, Client Representative for Clear River; Demetri Kouretas, Client Representative for TGIG; Karalin Cronkhite, Client Representative for the State of Nevada Department of Taxation; Phil Peckman, Client Representative for Thrive; Matt McClure, Client Representative for Wellness Connection.

Mr. Gamble, Mr. Hsu, and Mr. Williamson appeared by telephone.

Regarding provisionally admitted exhibit 1680, Mr. Smith advised this is about 1,300 pdfs marked as one exhibit, but the Plaintiffs do have the ability to cull out sections; the Intervenor has an objection as to foundation, hearsay, and relevance, so he would recommend various pages simply be culled out. Mr. Parker responded that he went through every page of this exhibit and explained they were responsive to the subpoena and is being handled as one big file. Court noted it may sustain hearsay objections. Mr. Parker responded that given the Court's inclination he has asked Shane to create a single exhibit for the portion that he wants in evidence.

Colloquy regarding witness scheduling. Mr. Dzarnoski advised that his firm chose not to stipulate to extend the filing of the briefs for the petition for judicial review. Further colloquy regarding witnesses.

Court reminded counsel to address any exhibits that were provisionally admitted and exhibits that were admitted but need redactions.

Testimony and exhibits presented. (See worksheets.) RECESS.

Testimony and exhibits continued. (See worksheets.)

Mr. Gentile placed on the record a text message he received from his law partner regarding potential Covid-19 exposure at a room used in his office. LUNCH RECESS.

Proceeding resumed. Arguments by Mr. Graf and Mr. Christiansen regarding Proposed Exhibit 1086. Mr. Christiansen advised he will use 3199 instead, which has been admitted.

APPEARANCES CONTINUED: Attorney Stephanie Smith; Demetri Kouretas, Client Representative for TGIG; Phil Peckman, Client Representative for Thrive.

Mr. Gamble and Mr. Hsu appeared by telephone.

Court asked counsel about their availability on August 13 and 14. Based on Mr. Prince's and Mr. Rose's responses, COURT ORDERED, trial will not be in session on August 13 and 14, 2020.

Court shared the comments from the Chief Judge reiterating safety and mask-wearing given an uptick in positive Covid-19 test results. Court reminded all present that while they are not in the Regional Justice Center, they are required to follow the same safety protocols there. RECESS.

COURT ORDERED, both motions on order shortening time ("Motion to Authorize Presentation of Testimony by Zoom Videoconference and to Reduce 7-Day Notice to 3 Days for Zoom Witnesses and Nevada Residents on Order Shortening Time", Qualcan LLC's Motion to Admit into Evidence Prior Testimony and Documents Admitted During the Preliminary Injunction Hearing on Order Shortening Time") by Mr. Christiansen will REMAIN on Friday, July 31st. Trial conducted in the temporary courtroom facility designated by the Chief Judge in the Las Vegas Convention Center.

APPEARANCES CONTINUED: Attorney Stephanie Smith.

Mr. Hsu and Mr. Gamble appeared by telephone.

Testimony and exhibits presented. (See worksheets.) LUNCH RECESS.

Testimony and exhibits continued. (See worksheets.) COURT ORDERED, Danette Kluever's testimony STRICKEN; objections to be included at the next playback.

Mr. Dzarnoski advised that they expected Mr. Pupo to testify tomorrow; however, he has seen emails between Mr. Gentile and Ms. Welch indicating that a motion was filed seeking authority to take witness testimony by Zoom; that has created an issue, but Mr. Gentile is insisting on the presence of Mr. Pupo tomorrow. Mr. Dzarnoski continued that he does not know whether Mr. Pupo will be here tomorrow, but he felt it incumbent upon him to advise the Court. COURT NOTED it previously denied the protective order. Mr. Prince advised that it was clear as of last Friday that Mr. Pupo was going to testify; however, Mr. Rulis sent an email with Mr. Pupo's name red-lined, so no one prepared for him, and what is happening now is not fair to anyone. Court inquired of Mr. Rulis whether he sent an email canceling Mr. Pupo for tomorrow. Mr. Rulis confirmed that on Sunday, he sent an email with Mr. Pupo's name stricken. Court stated everyone will then listen to Ms. Kluever's testimony tomorrow.

- DAY 9

Trial conducted in the temporary courtroom facility designated by the Chief Judge in the Las Vegas Convention Center.

APPEARANCES CONTINUED: Attorney Stephanie Smith for Natural Medicine; Attorney Leo Wolpert for GreenMart.

Mr. Hsu and Mr. Gamble appeared by telephone.

Colloquy regarding objections in Danette Kluever's deposition, sequencing of upcoming witnesses, and an update on Ms. Cronkhite's status. Testimony and exhibits presented. (See worksheets.)
RECESS.

Testimony and exhibits continued.

Mr. Kemp advised that he and Mr. Shevorski wished to advise the Court that they have reached a partial settlement. Mr. Rulis placed on the record the parties who had settled. Mr. Kemp added that there is a tax commission meeting on Friday (July 31, 2020) by Zoom. Court excused from the remainder of today's proceedings the Plaintiffs who wished to leave. Ms. Sugden argued on behalf of her client, THC, a lack of transparency which prompted her and Ms. Chattah to file the motion (for TRO) set for Friday (July 31, 2020); they intend to oppose the settlement, as there are detrimental terms in the agreement that have not been disclosed; all they have are agenda items, and no stipulation has been circulated; there is a severe conflict of interest. COURT ORDERED, the motion for TRO will REMAIN on Friday (July 31, 2020) so it can be heard prior to the tax commission meeting. Ms. Chattah added that they have issues to present at the tax commission meeting; from the last draft of the settlement she saw, there was a provision, and she can only assume that the provision will carry on to the settlement, where the Plaintiffs who settle will file a motion to intervene as Defendants; also, she does not think the tax commission has jurisdiction over this, but she will go into more detail on Friday. Mr. Kemp advised that they intend to circulate the agreement within minutes and intend to file an opposition to the motion on Friday. LUNCH RECESS.

Testimony and exhibits presented. (See worksheet.)

Mr. Christiansen requested to withdraw his two motions ("Motion to Authorize Presentation of

Testimony by Zoom Videoconferencing and to Reduce 7-Day Notice to 3 Days for Zoom Witnesses and Nevada Residents on Order Shortening Time"; "Qualcan, LLC's Motion to Admit into Evidence Prior Testimony and Documents Admitted During the Preliminary Injunction Hearing on Order Shortening Time"). COURT ORDERED, motions WITHDRAWN; however, the JOINDERS will REMAIN. RECESS.

Testimony and exhibits continued. (See worksheet.)

EMERGENCY MOTION FOR PROTECTIVE ORDER ON ORDER SHORTENING TIME...BENCH TRIAL

APPEARANCES CONTINUED: Attorney Stephanie Smith for Natural Medicine and Attorney Leo Wolpert for Greenmart.

Mr. Fetaz and Mr. Hsu appeared by telephone.

EMERGENCY MOTION FOR PROTECTIVE ORDER ON ORDER SHORTENING TIME: Court advised Ms. Welch that the Court did not review Mr. Pupo's doctor's note in camera; after it was provided in court, the Court sealed the note. Ms. Welch argued in support of the motion for protective order, explaining that Mr. Pupo is a vulnerable individual and that the purpose of this motion is to delay Mr. Pupo's testimony until the Court rules on tomorrow's motions, which include a motion for testimony via Zoom. Court explained the technical issues. Mr. Gentile argued in response and advised the Court of the witnesses they have lined up. Court, noting an email from the Assistant Court Administrator for I.T., explained that there is a sound issue in the current makeshift courtroom, which would be a problem from a record standpoint as there would not be a transcript for people testifying by Zoom. COURT ORDERED, motion for protective order GRANTED but only until Friday (July 31, 2020).

MR. PRINCE'S COUNTERMOTION REGARDING JOHN RITTER: Following arguments by Mr. Prince and Mr. Gentile, COURT ORDERED, the request as to Mr. Ritter is DENIED as Mr. Ritter was not served with subpoena in the State of Nevada; however, any prior testimony may be used by any party. COURT FURTHER ORDERED, the portion in the Zoom motion that relates to the REQUEST TO SHORTEN NOTICE is DENIED; unless there is a stipulation by the parties the Court will not allow that.

Trial conducted in the temporary courtroom facility designated by the Chief Judge in the Las Vegas Convention Center.

APPEARANCES CONTINUED: Attorney Stephanie Smith; Keith Capurro, Client Representative for Deep Roots; Tisha Black, Client Representative for Clear River.

Mr. Hsu and Mr. Gamble appeared by telephone.

Mr. Prince requested that trial be dark on Friday (August 7, 2020) because there is a cannabis board meeting at 10 am. Court noted it has not officially heard about it from the state, although the Court has heard about it from Mr. Gentile. Ms. Shell stated she knows of the meeting. Mr. Shevorski confirmed there is a meeting on Friday but that it will not last as long because it is only written comment; it will take an hour or less, and he does not think the parties will need to take a day off from the trial; he would ask that the trial recess at 9:45 and resume at 1 pm. Mr. Gentile advised that the written agenda says there is public comment at 10 and the parts of the settlement comes after , and then public comment, and then it says adjourn for possible action; it would be his request that they at least have the morning and then start trial in the afternoon. Court stated it will let Mr. Shevorski do more research. Mr. Prince noted that they simply need to make sure, because he has a witness who has a family medical issue. Mr. Gentile also noted that because the Plaintiffs cannot rest until they complete Ms. Cronkhite's testimony, and may need to take her deposition in order to preserve her testimony, they may make use of the extra time to do so.

Testimony and exhibits presented. (See worksheets.) Mr. Shevorski, as an update, advised that Friday's cannabis board meeting will have written questions beforehand, that it will be publicly broadcast on Zoom, and written questions or comment will be read during the hearing; there will be no live questions. APPEARANCES CONTINUED: Attorney Stephanie Smith for Natural Medicine; Attorney Cayla Witty for GreenMart; Keith Capurro, Client Representative for Deep Roots; Phil Peckman, Client Representative for Thrive; Allen Puliz, Client Representative for THC; Demetri Kouretas, Client Representative for TGIG.

Mr. Hsu and Mr. Gamble appeared by telephone.

Mr. Gentile asked that they take Ms. Cronkhite's deposition tomorrow, and the Plaintiffs would probably be able to rest; all the intervenors and the State are agreeable, so he asks for the Court's blessing to preserve Ms. Cronkhite's testimony. Mr. Shevorski agreed. Mr. Smith noted that to the extent there is any testimony they do not finish today, they finish it tomorrow before taking Ms. Cronkhite's testimony. Mr. Gentile advised he will schedule her deposition for 10 am. COURT ORDERED, given Ms. Cronkhite's medical issues the Court will ALLOW the perpetuation of testimony to occur and then the preserved testimony will be played on Monday (August 10, 2020). Mr. Gentile concurred that is the plan; they are ordering an expedited transcript. Court suggested, however, that Ms. Cronkhite testify by video given her medical condition.

Ms. Levin advised Ms. Cronkhite has a doctor's note indicating she can return to work; she can appear live for her testimony.

MOTION TO PRECLUDE APPLICATION OF THE EQUITABLE MAXIM OF UNCLEAN HANDS AGAINST THE TGIG PLAINTIFFS...BENCH TRIAL

Trial conducted in the temporary courtroom facility designated by the Chief Judge in the Las Vegas Convention Center.

APPEARANCES CONTINUED: Attorney Stephanie Smith for Natural Medicine; Attorney Joseph Mott; Keith Capurro, Client Representative for Deep Roots; Demetri Kouretas, Client Representative for TGIG; Karalin Cronkhite, Client Representative for the State of Nevada Department of Taxation; Phil Peckman, Client Representative for Thrive.

Mr. Gamble, Mr. Hsu, Mr. Parker, and Ms. Welch appeared by telephone.

MOTION TO PRECLUDE APPLICATION OF THE EQUITABLE MAXIM OF UNCLEAN HANDS AGAINST THE TGIG PLAINTIFFS: Following arguments by Mr. Gentile, Mr. Shevorski, Mr. Bice, and Mr. Williamson, COURT ORDERED, motion DENIED; equitable maxim does not apply to all causes of action, especially the injunctive relief claim; however, the conduct of certain Plaintiffs will not be imputed to other Plaintiffs unless there is a concert of action.

BENCH TRIAL: Mr. Gentile and the other Plaintiffs present in the courtroom advised they had no additional evidence. Mr. Parker requested that given the pending settlement he would reserve his rights as to Ms. Cronkhite. COURT NOTED that this is a trial and now is the time. Mr. Parker requested 5 minutes to speak with the other settling Plaintiffs off the record. RECESS.

Proceeding resumed. Upon Court's inquiry, Mr. Parker confirmed they rest. Court inquired of Mr. Gamble. Receiving no response, Court noted that Mr. Gamble's case is technically severed and the Court will assume he has nothing to add. At the hour of 8:52 a.m, the Plaintiffs RESTED.

Following arguments by Mr. Bice, Mr. Prince, Mr. Gutierrez, Mr. Kahn, Mr. Graf, Mr. Koch, Mr. Shevorski, Mr. Gentile, and Ms. Sugden, COURT ORDERED, the 52(c) motions for partial findings are DENIED; there are genuine issues related to the fairness of the process, presented in the Plaintiffs

The Court, having reviewed the motion to supplement the record and the related briefing and being fully informed, DENIES the motion. For purposes of this claim, the Plaintiffs are attempting to expand the record beyond the confines of NRS 233B.131 and impede the confidentiality of portions of all applications as previously established in this case. Counsel for the State is directed to submit a proposed order approved by opposing counsel consistent with the foregoing within ten (10) days and distribute a filed copy to all parties involved in this matter. Such order should set forth a synopsis of the supporting reasons proffered to the Court in briefing. This Decision sets forth the Court's intended disposition on the subject but anticipates further order of the Court to make such disposition effective as an order.

MOTION TO STRIKE DEPARTMENT OF TAXATION'S NOTICE REMOVING ENTITIES FROM TIER 3 ON OST...HELPING HANDS WELLNESS CENTER, INC.'S MOTION TO MODIFY OR DISSOLVE THE PRELIMINARY INJUNCTION...BENCH TRIAL

Trial conducted in the temporary courtroom facility designated by the Chief Judge in the Las Vegas Convention Center.

APPEARANCES CONTINUED: Attorney Stephanie Smith for Natural Medicine; Attorney Tim Donovan for TGIG; Attorney Steven Cohen, of Counsel for THC Nevada; Phil Peckman, Client Representative for Thrive; Keith Capurro, Client Representative for Deep Roots.

Mr. Donovan, Mr. Gamble, Mr. Hsu, and Mr. Maupin appeared by telephone.

COURT NOTED there were orders in the Department XI inbox that had no signatures nor agreement: an order denying the ex parte application for temporary restraining order and an order regarding the motion for summary judgment related to the final audit. There being no objections by Mr. Shevorski, Mr. Gentile, Ms. Sugden, Ms. Chattah, Mr. Koch, COURT ORDERED, all orders APPROVED, to be FILED by the Judicial Executive Assistant.

MOTION TO STRIKE DEPARTMENT OF TAXATION'S NOTICE REMOVING ENTITIES FROM TIER 3 ON OST: Argument by Ms. Sugden. Matter submitted by Mr. Maupin on the points and authorities. Opposition by Mr. Koch, and reply by Ms. Sugden. COURT ORDERED, motion DENIED; the hearing process for the motions anticipated following the August 29, 2019 hearing were pre-trial motions; the parties are now in trial on those injunctive relief issues, and motion practice is not necessary since the parties had an opportunity to be heard during this portion of the trial; thus, Mr.

Shevorski's notice is NOT STRICKEN.

HELPING HANDS WELLNESS CENTER, INC.'S MOTION TO MODIFY OR DISSOLVE THE PRELIMINARY INJUNCTION: Following argument by Mr. Kahn in support of the motion, COURT ORDERED, motion DENIED; there is no need for the Court to modify the preliminary injunction order; the Court left it to the State to make an administrative decision related to that.

BENCH TRIAL: Closing argument by Mr. Gentile. LUNCH RECESS.

Proceeding resumed. Closing arguments by Ms. Chattah, Ms. Sugden, Mr. Donath, and Mr. Shevorski. RECESS.

- With respect to Nevada Wellness' motion for case terminating sanctions filed June 26, 2020:

Following the interrupted evidentiary hearing on the motion, the Court heard additional evidence during the non-jury trial of this matter. The motion is GRANTED IN PART. While case terminating sanctions and/or an irrebuttable presumption were requested, after evaluation of the Ribiero factors, these are not appropriate. Given the production of certain text messages with Pupo by some Industry Defendants and their attorney, Amanda Connor, the impact of the loss of evidence was limited. As a result, the Court imposes an evidentiary sanction in connection with the Sanctions ruling that the evidence on Pupo's phone, if produced would have been adverse to the D.O.T. This presumption may be rebutted during trial. Mr. Shevorski to prepare the order.

- PETITION FOR JUDICIAL REVIEW (TRIAL PHASE 1)...SETTING OF EVIDENTIARY HEARING IF OBJECTIONS ARE FILED

APPEARANCES CONTINUED: Attorney Stephanie Smith.

All parties participated by telephone.

At Mr. Parker's request, COURT ORDERED tomorrow's hearing will start at 9:30 am.

COURT ORDERED, Mr. Dzarnoski's PowerPoint and Mr. Slater's PowerPoint MARKED as Court's Exhibits 1 and 2, respectively. (See worksheet.)

Mr. Dzarnoski argued in support of the petition, highlighting the relevant statutes and regulations. Mr. Shevorski advised he simply wants to make sure he is not trying this matter by consent; the record on review consists only of the records related to D.O.T. and individual Plaintiffs; to the extent that counsel wants to expand the record and expand the review, the State objects. Court thanked counsel and stated it will LIMIT its ruling to that only but will not interrupt Mr. Dzarnoski's argument. Mr. Dzarnoski continued to argue in support of the petition, outlining the application process and advising the Plaintiffs believe the administrative record is complete. Mr. Dzarnoski further detailed the sample application and placed on the record offers of proof related to the creation of an application. Court noted counsel is supposed to provide factual information that if the Court permitted would supplement the record; that, and if any changes were made in any of the regulations would have to go to the Nevada tax commission. Mr. Dzarnoski continued with the offers of proof. RECESS at counsel's request.

Proceeding resumed. Following further offers of proof by Mr. Dzarnoski, COURT ORDERED, to the extent that counsel has made proffers, the request is DENIED but of course, it is preserved for the record. Ms. Sugden advised she does not have anything at this time. Mr. Slater argued briefly, and Mr. Gamble joined in the arguments made. Response by Mr. Dzarnoski. LUNCH RECESS.

Proceeding resumed with Mr. Dzarnoski's rebuttal. Court asked Mr. Slater as to where in the record his client's request is for an appeal to the tax commission and its rejection. Mr. Slater advised they are not recorded in the appeal on record. Ms. Chattah and Ms. Sugden joined in Mr. Dzarnoski's argument. Mr. Donath advised that to the extent applicable he would like to join Mr. Dzarnoski's argument as well.

COURT ORDERED, matter SET for status check on the Court's decision on Phase 1 as well as a status check on Phase 3 SET on the Court's chambers calendar for September 18, 2020.

COURT DIRECTED the parties to think about Phase 3, which will be limited to the 1983 claims plus all jury trial matters lumped together under Phase 3. The State and remaining Plaintiffs who have claims are to PROVIDE a status report on what needs to be done to schedule that; this Friday, any objections to release of the bond are DUE. Court inquired whether an evidentiary hearing or conference call is needed. Mr. Kahn advised that he is preparing an objection at this stage and an evidentiary hearing may be necessary to determine the amount of damages, unless the Court wants to limit it to evidence that has already been admitted. Court stated it will look at the objections when they come in. Court further advised it only has its courtroom on Tuesdays. COURT ORDERED, tomorrow's hearing is VACATED.

- The Court notes that Helping Hands has filed an objection to the release of the bond. The settling Plaintiffs and Helping Hands have also entered into a stipulation related to the release of bond funds. If any Plaintiff who did not enter into the stipulation filed September 16, 2020 wishes to contest the objector's position, a written response should BE FILED in 5 judicial days. If no written response is received from Plaintiff who did not enter into the stipulation filed September 16, 2020, the Court will address the release of bond funds solely based on the September 11 and September 16 filings and related documents. The Court recognizes that if a Plaintiff who did not enter into the stipulation filed September 16, 2020 provides a written response that an evidentiary hearing may be necessary.

Matters ADVANCED from October 16, 2020.

The Court having reviewed the Motion to Amend, the countermotion and the related briefing and being fully informed, denies both motions but clarifies as follows:

The order (and its analysis) applies to all Plaintiffs whether settled or not.

There is no need for the Court to specifically identify the entities as the State is the one enjoined not any of the applicants (whether settled or not).

Counsel for the State is directed to submit a proposed order approved by opposing counsel consistent with the foregoing within ten (10) days and distribute a filed copy to all parties involved in this matter. Such order should set forth a synopsis of the supporting reasons proffered to the Court in briefing and argument. This Decision sets forth the Court's intended disposition on the subject but anticipates further order of the Court to make such disposition effective as an order.

JOURNAL ENTRIES

- Parties appeared by telephone.

Mr. Parker advised he does not believe they have much to do; they have identified an additional expert and produced additional documents; there may be need for a limited time of further deposition as they do not believe they had the opportunity to go through the 1983 issues with the witnesses, primarily Mr. Pupo; they would be ready for trial by May or June at the latest. Mr. Gamble agreed with Mr. Parker's assessment. Ms. Welch stated that based on some of the recent disclosures

and experts they would like to do some limited written discovery; she agrees with the May - June timeframe; they are also now looking at a rebuttal expert.

COURT ORDERED, Mr. Parker may question Mr. Pupo for a period not to exceed 4 hours and this may be done remotely; Mr. Gamble will have an additional not to exceed 2 hours, and Ms. Welch 1 hour or more; Mr. Parker cannot use Mr. Gamble's time.

COURT ORDERED:

There will no longer be any amendments;

Supplemental initial expert disclosures where a party bears the burden of proof DUE by January 22, 2021;

Rebuttal expert disclosures where a party does not bear the burden of proof DUE by February 26, 2021;

Discovery cut-off SET for April 9, 2021;

Dispositive motions and motions in limine TO BE FILED by May 7, 2021;

Matter SET for jury trial (Phase III) on the stack beginning on June 28, 2021. Trial Setting Order will ISSUE.

The Court is hopeful that the matters can be condensed so the Court and parties do not spend 6 weeks with the jury. Mr. Gamble expressed that he hopes the Court is aware there are claims that will go against D.O.T. that may have not been resolved in Phase II, specifically unjust enrichment. Court suggested that counsel may wish to file a motion on that issue.

- HELPING HANDS WELLNESS CENTER, INC'S OBJECTION TO THE RELEASE OF BOND FUNDS TO PLAINTIFFS (EVIDENTIARY)...

...MOTION TO RELEASE TRYKE COMPANIES SO NV, LLC, TRYKE COMPANIES RENO, LLC, AND NULEAF INCLINE DISPENSARY, LLC S BOND FUNDS ON AN ORDER SHORTENING TIME...

...MOTION TO RENEW JOINDER TO TGIG'S COUNTERMOTION FOR ORDER DISPENSING WITH THE BOND REQUIREMENT FOR PURPOSES OF THE PRELIMINARY INJUNCTION ORDER ON ORDER SHORTENING TIME

APPEARANCES CONTINUED: Attorney Paul Conant; Mr. Frank Hawkins, Client Representative for Nevada Wellness.

All parties appeared by telephone.

Following arguments by counsel in support of and in opposition to the release of the bond, COURT ORDERED, the preliminary injunction order that this Court issued a year and a half ago only enjoined the State; it was not improvidently granted; it was converted to a permanent injunction as a result of a summary judgment ruling prior to Phase 2 of trial; as a result of the injunction not being improvidently granted pursuant to Rule 65(c), there is no ability of the enjoined party, the State, or any of the intervenors and more nominal Defendants than the State from recovering those bond funds; therefore, pursuant to Rule 65(c) the BOND is RELEASED to those parties who posted it. The Court will REQUIRE one order that will go to the Clerk's Office and the Court CFO; there will be similar security arrangements as before.
