1 applicants but not all applicants?

2 A I'm going to struggle to give you specific
3 information. I do remember at least a couple of occasions when
4 I thought that in my reading, and again I apologize because of
5 the length of all of this, we're talking about something that I
6 read somewhere back six, seven, eight months ago, but it
7 appeared -- and it was somewhat corroborated in the other
8 depositions that I just recently read where the two of them
9 admitted to having conversations about this particular
10 application process.

11 Q And I'm going to ask it one last time and -- what
12 specific information do you contend was provided from -- we'll
13 get to who provided information, but my question right now is
14 what specific information went to some applicants but not all
15 of them?

16 A And at -- at this point I can't point to you on
17 page 14 line blah, blah, here's where it is.

18 Q Okay.

19 A I can't.

20 Q Okay. So is it also fair to say that you -- that you
21 can cite me generally to communications that occurred, but you
22 can't cite me gen -- specifically to a person from the
23 Department of Taxation that provided a specific piece of
24 information to one applicant but not others?

25 A Not to directly to the applicants, but to Amanda

1 Connor.

2 Q Okay. And what specific information was Amanda
3 Connor provided that other applicants were not provided?

4 A I can't answer that.

5 Q Okay. The information that -- well, since you can't
6 tell me specifically what information one applicant got that
7 others didn't get, can you tell me what impact the information
8 we don't know what it was and we don't know who gave it, but
9 can you tell me what impact it had on the application process,
10 a specific impact in that one person got information. They
11 were therefore able to translate that to something in their
12 application that other applicants weren't able to do that. Are
13 you able to give me any specific instances of that?

14 A No.

15 Q Okay. So you don't have any evidence that a
16 particular successful applicant gained an advantage through
17 information that only it had?

18 A Only the evidence that was provided in their
19 testimony between the two of them that they corroborated that
20 information flowed. I don't know what that information was.

21 Q Okay. Do you have evidence that a specific
22 particular, unsuccessful applicant was disadvantage?

23 A I do not.

24 Q Okay. Okay. So you did a supplemental report in
25 July of this year; correct?

1 A Yes, sir.

2 Q Okay. And that was based upon deposition transcripts
3 from Jorge Pupo, Kara Cronkhite and Amanda Connor; correct?

4 A Correct.

5 Q Not based upon any other depositions; correct?

6 A That's right.

7 Q Okay. So you have not seen testimony from any of the
8 unsuccessful applicants; correct?

9 A I have not.

10 Q And you haven't seen any testimony from the
11 successful applicants; correct?

12 A I have not.

13 Q Have you seen any of the trial testimony that's come
14 out during the course of this trial?

15 A I have not. Although some of it was relayed to me,
16 but I have -- I did not read it.

17 Q Okay. So just to list a few people, have you
18 reviewed trial testimony from Ky Plaskon?

19 A No.

20 Q Have you reviewed trial testimony from Steve Gilbert?

21 A No.

22 Q Have you reviewed trial testimony from Amanda Connor?

23 A No.

24 Q Have you reviewed trial testimony from Kara
25 Cronkhite?

1 A No.

2 Q Have you reviewed trial testimony from Jorge Pupo?

3 A I have not though I was present here this morning.

4 Q Okay. Do you have any understanding as to who Amanda
5 Connor's clients were with regard to the 2018 recreational
6 licensing application process?

7 A I don't know which exact companies they were. I only
8 know that several companies utilized her services?

9 Q Okay. And do you know what results they got in
10 utilizing her services?

11 A I believe in one of those things that I read that
12 many of her clients were -- received awards, but not all.

13 Q Right.

14 A But I don't know who they were.

15 Q I'm sorry. Okay. Are you aware as to whether any of
16 the unsuccessful applicants who are plaintiffs, on whose behalf
17 you're testifying today were clients of Amanda Connor?

18 A I'm not aware.

19 Q Okay. Specifically with regard to Amanda Connor's
20 clients, are you aware of specific information that an Amanda
21 Connor client got that other applicants did not get?

22 A No.

23 Q Okay. You also understand that several of the
24 successful applicants, people who won conditional licenses were
25 not Amanda Connor clients; right?

1 A I'm not aware of that, but if you tell me that I
2 believe it to be true.

3 Q Right.

4 THE COURT: See he is a novice. He believes the
5 lawyer who tells him something.

6 BY MR. SCHWARZ:

7 Q You understand that Jorge Pupo was not in any way
8 involved in the scoring process for the 2018 applications;
9 correct?

10 A Correct.

11 Q Okay. You talked a little bit about compliance
12 history. What applicants had violations that were not in their
13 applications?

14 A I don't remember the exact names of the companies. I
15 didn't concern myself with that as much as I did the process,
16 but there was some discussion that, I believe it was in Karalin
17 Cronkhite's testimony, they referred to somebody as ponytail,
18 but it wasn't -- but then they talked about how it wasn't him
19 it was somebody else, Jubilee or I forget the other name, but
20 there was -- they talked about under 21 self-reporting issue.

21 Q Right. And I guess my question was a little more
22 specific. Do you have knowledge, and I asked it poorly so I'm
23 going to ask it hopefully more clearly this time. Do you have
24 knowledge of a specific applicant who did not include
25 compliance history issues in their application?

1 A No.

2 Q Okay. So fair to say that you don't have knowledge
3 whether there were any plaintiffs who were unsuccessful
4 applicants who did not put compliance history issues into their
5 applications?

6 A Correct.

7 Q Okay. You haven't reviewed any of the actual
8 applications submitted by any of the applicants, successful or
9 unsuccessful; correct?

10 A No, sir.

11 Q And you also haven't reviewed any of the grader
12 records; correct?

13 A Correct.

14 Q And you haven't reviewed any of the grader testimony
15 either; correct?

16 A Correct.

17 Q Okay. So do you have any specific knowledge as to
18 how the applications were actually graded on the diversity
19 issue?

20 A Specific knowledge, no.

21 Q Okay. Do you have any knowledge of a specific
22 application being misgraded on diversity?

23 A I do not.

24 Q Okay.

25 MR. SCHWARZ: Your Honor, I'm going to pass the

1 witness at this time.

2 THE COURT: Mr. Bice.

3 Can you please wipe down, Mr. Schwarz.

4 MR. SCHWARZ: Yes, I'll do that.

5 CROSS-EXAMINATION

6 BY MR. BICE:

7 Q Hello again, Mr. Smith.

8 A Hello.

9 Q Mr. Smith, I guess here's where I want to start with
10 you. I think -- and I don't remember if it's in your
11 deposition or if I heard you say it this morning, but I think
12 you consider yourself to be a process person?

13 A Yes, sir.

14 Q Is that fair?

15 A Yes, sir.

16 Q Okay. And as part of the process that you reviewed,
17 you skimmed through NRS 453D, correct, the statute governing
18 recreational marijuana?

19 A Yes.

20 Q You don't -- you didn't actually read it in detail;
21 correct?

22 A No.

23 Q And you wouldn't consider yourself competent to
24 testify about its requirements; is that fair?

25 A That's fair.

1 Q All right. Now, I think the issue that you've kind
2 of solidified around is this Q and A process.

3 A Yes, sir.

4 Q Is that also fair?

5 A Yes, sir.

6 Q Okay. So the Q and A process, at least in your view,
7 is pretty critical; is that right?

8 A Is pretty what?

9 Q Pretty critical.

10 A Yes, sir.

11 Q Okay. And it's -- should always be done, in your
12 view; is that right?

13 A Yes, sir.

14 Q Okay. And the people that were applying for these --
15 for -- for this process, were you aware that they all had been
16 through the process before, relative to medical marijuana
17 licensing?

18 A I wasn't at the time, but I have since been counseled
19 that.

20 Q Okay. You now know that they've been through this
21 process before; correct?

22 A Yes.

23 Q Okay. So -- and in -- in your business, when you
24 were working for the State, the bidders were fairly
25 sophisticated most the time; is that fair?

1 A Most of the time, sure.

2 Q Okay. And so if there wasn't a -- if there's a Q and
3 A process, the bidders want to know what it is; correct?

4 A Right.

5 Q They actually will reach out to the State and say,
6 when's the Q and A session going to be?

7 A Absolutely.

8 Q And they will all show up for that Q and A session;
9 correct?

10 A If you do it that way, which is very rare.
11 Generally, it's -- it's by email or mail or something, but yes.

12 Q Okay, but if there is a process for Q and A, they
13 want to know what it is; right?

14 A Yes.

15 Q And if they can't find it, they will certainly reach
16 out for you and ask where it's at; correct?

17 A Correct.

18 Q And then the State will inform them where the Q and A
19 responses are at, and where they can review them; correct?

20 A Yes.

21 Q So it's not a secret. If somebody wants to have a Q
22 and A, the bidders can ask for it; correct?

23 A Right.

24 Q All right. And are you aware of any bidders in this
25 case asking for a Q and A session with the State?

1 A I'm not aware of that.

2 Q Are you aware of any bidders in this -- in this
3 process asking for a Q and A process; not a session, not an
4 oral session, but an actual written process that you're
5 describing?

6 A I'm not aware of that.

7 Q Are you aware of any of the plaintiffs challenging
8 the process, even though they were well-aware that there was no
9 formal Q and A process that you have identified as so critical?

10 A Challenging the process?

11 Q Sure. Challenging it before millions of dollars were
12 spent.

13 A Okay. I was going to say, I would assume this
14 lawsuit is challenging it --

15 Q Yes.

16 A -- but prior to that, no.

17 Q Okay. But you understand, right, that as part of the
18 process, if you want to complain about something that you're
19 aware of, you should complain about it early, before millions
20 of dollars get spent; do you agree?

21 A I agree.

22 Q Okay. And as far as you know, no one did that here;
23 right?

24 A I'm unaware of that.

25 Q Now, you've used this term for us called -- and

1 again, if I'm -- if I didn't write it down correctly, you
2 please correct me, okay?

3 A Um-hum.

4 Q I wrote down that you were focused on the concept of
5 equal playing field.

6 A Fair and level playing field.

7 Q Fair and level playing field? Okay. I substituted
8 the word "equal." My apologies.

9 A It works.

10 Q Fair and level. Okay. Now, I want to make sure I
11 understand what you think that is for. Is a fair and level
12 playing field -- do you think that these -- these -- and let's
13 deal with Chapter 333 that you're actually more familiar with,
14 okay?

15 A Yes, sir.

16 Q Do you -- is it your position that Chapter 333 is for
17 the protection of the bidder?

18 A I think it's for the protection of all parties, the
19 State included.

20 Q Okay, but do you actually think that those provisions
21 in there are for the benefit of the bidder?

22 A I don't know that I would say that. They're for the
23 benefit of providing a fair process.

24 Q Okay, but -- so this is where I guess I'm getting a
25 little confused. Are your opinions here predicated on your

1 belief that this Q and A session that you're calling critical,
2 is for the benefit of the bidders, or is it for the benefit of
3 the State?

4 A Again, I think it's for the benefit of both. I don't
5 know that I could say it's for one's -- party's benefit,
6 because both parties ultimately will enter into a contract, and
7 I think it's both.

8 Q Okay. And is it -- and it is fair to say that your
9 opinions that you're offering here in the court are based on
10 your position that those provisions are for the benefit of both
11 the State and the bidder; is that right?

12 A Yes, yes.

13 Q Okay. Now, would you agree with me that if you're
14 wrong on that, if you're wrong on that premise, that those
15 provisions are for the protection of the bidders, that your
16 opinions might be wrong?

17 A I don't know how to answer that, because I just don't
18 think I'm wrong.

19 Q Got it. Understood. All right, so let's go then
20 to -- and again, I'm going to try and deal with the area where
21 you're -- where sort of you're more at home, okay?

22 A Sure.

23 Q In the -- in the -- in the bidding -- the formal
24 bidding process governed by Chapter 333.

25 It always happens, does it not, sir, even when you

1 have the Q and A session, or even when you have the single
2 point of contact, it almost always happens that somebody in the
3 State may have talked to one of the prospective bidders, and
4 even inadvertently?

5 Q Would you agree with me on that?

6 A I would not use the word "always." I would not use
7 the word "frequently." I would use the word "occasionally" or
8 "sometimes."

9 Q Okay. But it happens; right?

10 A Yes.

11 Q And that's all -- and it's really going to happen in
12 an industry where the State is heavily regulating it on an
13 ongoing basis, irrespective of any bid process; right?

14 A Maybe.

15 Q Well, the State's going to have a lot of contact with
16 a highly regulated industry; do you agree with that?

17 A Yes.

18 Q Okay. And in fact, in the gaming industry -- I'll
19 use it as an example -- they have pretty much almost daily
20 contact with the people that they're regulating; do you agree?

21 A Yes.

22 Q And do you agree that in the marijuana regulation
23 field, the Department of Tax would have almost daily contact
24 with the industry that it was regulating?

25 A And I would suggest it's not different than a great

1 many other state agencies and vendors that they deal with.

2 Q Okay. And do you recall telling us in your
3 deposition -- let me pull it up, please -- that there actually
4 is -- in NRS 453D that you skimmed through, there actually is
5 no requirement about a Q and A process; correct?

6 A I'll take your word for that. I --

7 Q And there was no requirement about a single point of
8 contact; correct?

9 A I'll take your word for it.

10 Q Those are provisions that you're used to dealing with
11 in Chapter 333?

12 A Yes.

13 Q So let me turn then to -- I think Mr. Miller had
14 asked you about this. There were instances in your career, and
15 I think you said there were four or five of them that you could
16 recall, where it was brought to your attention that something
17 had happened during the bid process, and thus, you decided to
18 cancel it; is that fair?

19 A Yes.

20 Q Okay. Now, in those situations where you say that
21 happened, one of the losing bidders came to you with some
22 information; is that right?

23 A Yes.

24 Q And they told you that they thought something
25 happened during the process that should entitle that to a

1 do-over; right?

2 A Yes.

3 Q Now, you didn't just take their word for it, did you?

4 A No.

5 Q No. You would have actually investigated it;
6 correct?

7 A Absolutely.

8 Q You'd have talked to everybody in your staff?

9 A Yep.

10 Q You would have actually talked to the winning
11 bidders?

12 A Yep.

13 Q Right? You probably would have gotten consultation
14 from the Attorney General's Office?

15 A Yes.

16 Q Okay. And based on the totality of the
17 circumstances, including where you were at in the process, you
18 then had the power -- or you had -- I shouldn't say power. You
19 had the discretion to make the call to order a redo --

20 A Yes.

21 Q -- is that fair?

22 A Yes.

23 Q Okay, but at no point in time would have you just
24 taken one side's word for it, and ordered a redo based on that;
25 is that fair?

1 A No.

2 Q You know what, my question was so poor. At no point
3 in time, you would have ordered a redo based on one person's
4 versions of events?

5 A Yes.

6 Q Okay.

7 THE COURT: He's trying to get you to say you'd do an
8 investigation and be thorough in that investigation before
9 you --

10 THE WITNESS: Correct.

11 THE COURT: -- made a decision, but it's taking him a
12 long time to get there.

13 BY MR. BICE:

14 Q In those circumstances, you actually represented the
15 government?

16 A Yes.

17 Q Right? So you were -- essentially, you were a
18 neutral in between the competing bidders?

19 A Exactly.

20 Q Now, one of the things you'd also want to know in
21 those circumstances where you were -- you had the discretion to
22 order a redo of the bidding, you'd want to know whether or not
23 what happened actually mattered; right?

24 A Correct.

25 Q You want to know -- in other words, you didn't want

1 to have this unsuccessful bidder who's coming to you, using
2 information, they got an advantage, and then claiming you
3 should order a redo because they wanted to do a new bid; right?

4 A Right.

5 Q Because sometimes, unsuccessful bidders -- well, let
6 me put it this way. Unsuccessful bidders sometimes really
7 aren't out to protect the process, they're out to protect -- or
8 they're out to harm their competitors, aren't they?

9 A Correct.

10 Q And that's one of the reasons why Chapter 333
11 actually has a requirement that if you want to -- if you want
12 to complain, you better put your money up. You don't get a
13 free shot to use the process to try and harm your competitors;
14 isn't that true?

15 A That's true.

16 Q Okay. All right, but in this case, sir, in this
17 particular case where you've been asked to give an opinion
18 about a redo, as I understand it, the only information you
19 considered was what you were hand-fed by the disgruntled
20 bidders; right?

21 A The only information I reviewed was that which was
22 provided to me. Correct.

23 Q They got to handpick what you considered; correct?

24 A Yes.

25 Q You never reviewed any of the depositions of the

1 graders; right?

2 A Correct.

3 Q You never reviewed any of the depositions of any of
4 the losing bidders; right?

5 A Correct.

6 Q You don't know what information they had; correct?

7 A Correct.

8 Q You don't know whether any of the information that
9 was allegedly obtained by others actually mattered; correct?

10 A Correct.

11 Q All the things that you would have considered when
12 you were in the position to make the redo call you didn't
13 consider here because they never gave it to you; right?

14 A I only reviewed what I was provided.

15 Q I understand that, but my question was, specifically,
16 when you were in the position to make the up or down --
17 thumbs-up, thumbs-down about a redo, you considered everything
18 and you were fair; correct?

19 A Yes.

20 Q Is that right?

21 A Yes.

22 Q All right. You didn't just take one side's version
23 of the events and make a decision; correct?

24 A I opined on -- in this case, I opined on the
25 information that was provided to me --

1 Q And --

2 A -- and only that.

3 Q And that's because that's all they gave you; right?

4 A Right.

5 Q Okay.

6 MR. BICE: So, Brian, pull up Exhibit 1863. I
7 believe it's in evidence.

8 BY MR. BICE:

9 Q So I wanted to show you an example, okay, of some
10 evidence. So this is an email in May 10 of 2018.

11 MR. BICE: If you'd go down, Brian. Keep going down.
12 Keep going. Keep going. Keep going. Stop right there. Okay.

13 BY MR. BICE:

14 Q Here's an email from a Michael Cristalli. Now, I
15 will represent to you that he's one of Ross Miller's law
16 partners.

17 A Okay.

18 Q Okay? Representing one of the losing applicants,
19 okay?

20 A Okay.

21 Q And here's an email from June of 2018:

22 We are working on our locations for
23 license applications. The question I have
24 is, whether we need to secure a location or
25 locations. I'm assuming that the company

1 would need the location in whatever
2 jurisdiction it is applying.

3 And they're asking for a specific information about
4 what they need to do to comply with the application process;
5 correct?

6 A Okay.

7 Q Is that correct?

8 A Okay.

9 Q Well, is that how you read it?

10 A Sure.

11 Q Okay.

12 MR. BICE: Now, Brian, scroll back up to the top,
13 because there's an earlier email. Stop right there.

14 BY MR. BICE:

15 Q And this is Mr. Cristalli saying, I want to thank you
16 for the meeting with myself and Ross yesterday. Okay?

17 The information you've provided will be helpful in
18 preparing the company's application.

19 Do you see that?

20 A Yes.

21 Q Okay. So is it your position that this is an example
22 of what shouldn't be allowed to happen?

23 A Yes.

24 Q Okay. This is one of those examples?

25 A This shows the disjointed nature of --

1 Q Got it.

2 A -- providing information, yes.

3 Q Yep, I got it. And again, this is one of those
4 things, what if you were the one making the call, you'd have to
5 know whether or not any of this stuff actually mattered; right?

6 A Sure.

7 Q Now, when you were at the State -- when you were at
8 the State, there was an audit division?

9 A Um-hum.

10 Q A separate part of the -- of the executive branch;
11 correct?

12 A Yes.

13 Q And they would come into each of the departments, and
14 they would do audits on subject matters; correct?

15 A Yes.

16 Q Okay. And you found those audits to be very
17 informative; is that not true?

18 A Sure.

19 Q They educated you on things that -- I mean, let me
20 rephrase it this way. They always found something to complain
21 about, didn't they?

22 A If you're talking about the Department of
23 Administration Division of Internal Audits, I would say less so
24 than the Legislative Counsel Bureau internal audits.

25 Q Okay.

1 A That was a rough group to work with. The Internal
2 Audits group generally was more, yes, helpful in suggesting --
3 they'd find things, but then they'd help you find solutions.

4 Q And isn't it fair that every time even your
5 department went through the bid process, you learned something
6 new with every process you went through?

7 A Yes.

8 Q You learned, gee, next time around, we shouldn't do
9 it this way?

10 A Yes.

11 Q And then you would refine the process?

12 A Absolutely.

13 Q And you'd refine it the next time, and the next time,
14 and the next time, and the next time?

15 A Yes.

16 Q Okay. And over time, you hope that you get the
17 processes right as you keep going along, fair?

18 A Well, I don't know that I would say hope that we get
19 it right. I would say it's a constant effort to improve.

20 Q Improve. You're right. I should -- you're -- I
21 agree with you on that. I should rephrase.

22 A Okay.

23 Q Improve, as -- as we --

24 A Right.

25 Q -- all grow through time?

1 A Right.

2 Q Okay. And you would agree with me that the marijuana
3 industry is really in its infancy in the State of Nevada; is it
4 not?

5 A Yes.

6 Q And you found -- those audits that -- that would be
7 conducted, you found them to be -- the people involved very
8 diligent; correct?

9 A I never took them to be adversarial. I always --
10 they had a job to do.

11 Q Right. And they would, in fact, give you a report,
12 and if you were the head of the department, they would make you
13 sign off on it whether you were going to accept their
14 recommendations for improvement; correct?

15 A That's right.

16 Q And you did not know that the State of Nevada had
17 actually done an audit of this process for the marijuana
18 licenses; correct?

19 A I didn't read any of that in the information, but I
20 was made aware of it at some point in conversations the last
21 six or eight months.

22 Q And do you recall at your deposition saying you would
23 have liked to have known that?

24 A Yes.

25 Q And I assume then, after your deposition, did you go

1 read it?

2 A No.

3 Q So you weren't even shown that, even though you
4 thought you should know that information; correct?

5 A It would have been helpful to know.

6 Q Well, you'd want to know it in formulating a fair
7 opinion; would you not?

8 A If I -- if I was the Judge. In this case, I just
9 feel that I'm someone who's opining on the process.

10 Q You wouldn't --

11 A I wasn't the Judge and jury in -- in --

12 Q Well, do you recall telling us at your deposition
13 that you wish you -- you would actually like to read it?

14 A Sure.

15 Q And you didn't do that for purposes of providing
16 testimony; correct?

17 A I did not read that.

18 Q Now, I think you testified -- or I shouldn't -- let
19 me put it this way. Do you recall telling us in your
20 deposition that unsuccessful applicants always complain?

21 A Often.

22 Q Almost. I should use the word --

23 A Often.

24 Q -- "almost" always complain?

25 A Sure.

1 Q Okay. And sometimes, there's some substance to those
2 complaints; correct?

3 A Yes.

4 Q And sometimes, there is no substance to them;
5 correct?

6 A Yes.

7 Q They're out to actually suppress competition; right?

8 A I don't know what their motive is. I can't --

9 Q But when you actually are evaluating these things,
10 sometimes you -- you will --

11 A Many times, without merit.

12 Q Right. Sometimes -- in all your years of experience
13 when you've been involved in this, a lot of times, on a bid,
14 there will be an incumbent; right?

15 A Yes.

16 Q That incumbent will have a lot of advantages; right?

17 A Well, yes and no. If they're a poor incumbent, then
18 the State has that information, but I --

19 Q Right.

20 A -- acknowledge your point.

21 Q But incumbents, typically, they know the people?

22 A Um-hum.

23 Q Right?

24 A Yes.

25 Q They know the rules?

1 A Yes.

2 Q Right? A lot of times, they've actually even had a
3 hand in writing the rules?

4 A In many cases, yes.

5 Q Okay. They have -- they have a real -- they
6 sometimes will have the best lobbyists and the best lawyers;
7 right?

8 A Yes.

9 Q And they will be the most wired-in; correct?

10 A It's alleged by competing vendors that that is the
11 case.

12 Q Right. So sometimes -- I'm going to use this term --
13 you sometimes in a process, you have an ultimate insider, okay?

14 A Yes.

15 Q All right. That -- and then, in that -- in those
16 processes, even when you have an ultimate insider, you'll
17 sometimes have an outside bidder who knows no one, who has no
18 contacts, who has no nexus to the process, and you ever had a
19 situation where the ultimate insider loses?

20 A Yes.

21 Q And what does that tell you about the process?

22 A That it's working.

23 MR. BICE: Thank you. No further questions.

24 THE COURT: Mr. Gutierrez? Mr. Bice, you did not
25 wipe down --

1 MR. BICE: Oh.

2 THE COURT: -- the lectern.

3 MR. BICE: Thank you.

4 THE COURT: Am I running out of wipes? Do I need to
5 bring more tomorrow?

6 MR. BICE: We're getting low, but we have others, so.

7 THE COURT: All right, okay. You brought some?

8 MR. BICE: Yes.

9 THE COURT: Thank you. I know that when Mr. Smith
10 and I were in that very long evidentiary hearing, that your
11 office was very nice, along with Mr. Hutchison's office, to
12 wipe down everything every day, so Ramsey didn't have to do it.

13 CROSS-EXAMINATION

14 BY MR. GUTIERREZ:

15 Q Good afternoon, Mr. Smith. My name's Joe Gutierrez.
16 I represent Thrive. Do you know who Thrive is?

17 A Good afternoon, sir. I've heard the name. I don't
18 know anything about it.

19 Q Okay. You stated in your report that the state
20 agency should be given wide deference when doing a complex
21 selection process such as this. Do you recall that?

22 A Well, I don't know that I said quite -- my job at the
23 time was to try to help widen that deference to give some
24 discretion, yes.

25 Q Mr. Smith, my question was, in your report, you

1 stated that the State should be given wide deference; correct?

2 A Should be given wide deference?

3 Q Yes.

4 A I don't know that I would --

5 Q Do you have your report in front of you?

6 A I --

7 THE COURT: Can you send him to a page number, Mr.
8 Gutierrez?

9 THE WITNESS: Yeah.

10 BY MR. GUTIERREZ:

11 Q Page 8 of your report.

12 A Page 8, the last page?

13 Q Yes.

14 A I know I worked hard to provide that wide deference,
15 but you don't want to color outside the lines.

16 Q Page 8 of your report in the Conclusion section.

17 A Okay, I'm there with you, sir.

18 Q Do you see where it says, I believe state agencies
19 should be given wide deference in the administration of complex
20 selection --

21 A Okay.

22 Q -- processes?

23 A Yes, I see that. Third line.

24 Q That's your words. That's your conclusion; correct?

25 A Yes, sir. Yes, sir.

1 Q And you also -- you state -- the reason you state
2 that is because you state, State employees are tasked with the
3 oversight of complicated evaluation procedures.

4 Is that correct?

5 A That's correct.

6 Q That's your -- that's your conclusion; correct?

7 A Yes, sir.

8 Q Okay. Now, Mr. Smith, when you render your opinions,
9 your opinions have to be based on facts; correct? Actual facts
10 that you've reviewed; correct?

11 A Facts that I've reviewed in the testimony that I saw,
12 yes.

13 Q Your opinions aren't -- aren't based upon statements
14 given to you by counsel; correct?

15 A No.

16 Q Okay. Now, I want to turn to your supplemental
17 report, your June 9th report. Do you have that in front of
18 you?

19 A I do, sir.

20 Q You discuss, The access enjoyed by the clients of
21 Amanda Connor.

22 A Um-hum.

23 Q Do you see that?

24 A Yes.

25 Q What type of attorney is Amanda Connor?

1 A I have no idea. I know she's an attorney in the
2 marijuana industry. I don't know what her area of specialty
3 is.

4 Q You don't know Ms. Connor's area of specialty?

5 A I don't. I just read that she -- she represents many
6 clients. I forget the number that was relayed; many clients
7 who are in the industry.

8 Q Are you aware that -- if I told you Amanda Connor was
9 a compliance lawyer, does that change your opinion of her being
10 able to access and discuss matters with the State?

11 A I don't know that it would change my opinion at all.

12 Q Okay. Now, you didn't review any text messages or
13 any e-mails between Ms. Connor and any state officials;
14 correct?

15 A I'm trying to think in the exhibits. Oftentimes in
16 the testimony, they would refer to an exhibit, and you'd go to
17 the exhibit, and the exhibit would be an email or something of
18 that nature.

19 Q I'm asking if you reviewed actual e-mails or text
20 messages. Not testimony. Actual e-mails or text messages
21 between Amanda Connor and any state official.

22 A Oh, boy. I believe there was a couple included in
23 that laundry list of exhibits that I received.

24 Q Yes or no; did you review the exhibits or not?

25 A I reviewed some of the exhibits. As I'm reading the

1 testimony, oftentimes the exhibit was explained very well in
2 the testimony, and so I wouldn't go look at the exhibit. In
3 some cases, it wasn't, and I would go to that one.

4 Q This access enjoyed by Amanda Connor's clients, who
5 are Amanda Connor's clients?

6 A I have no idea.

7 Q Okay. You don't know if it's people sitting here on
8 this side of the room, or people who won licenses?

9 A I do not, sir.

10 Q Okay. If I told you that TGIG, who's one of the
11 parties who hired you, was represented by Amanda Connor, does
12 that change your opinions at all?

13 A No.

14 Q Okay. So they would be -- they would have the same
15 access to information, according to you, than other people that
16 won licenses; correct?

17 A Possibly.

18 Q Do you know how many of her clients won licenses in
19 the 2018 process?

20 A I don't know.

21 Q If I told you three of her clients won and two of her
22 clients lost, does that change your opinion?

23 A No.

24 Q You also state on your amended report or your
25 supplemental report that Jorge Pupo was able to influence and

1 manipulate information after the application process was
2 released. That's your statement; correct?

3 A Yes.

4 Q What facts do you have to support that statement?

5 A Well, it goes back -- similar to the last question,
6 I'm not going to be able to point to line something on this
7 page. It goes back to my reading of the -- of the discussion
8 between whatever attorney was asking the question and his
9 responses.

10 Q Mr. Smith, you don't have any facts to support that
11 statement; correct?

12 A I do not.

13 Q Thank you. You talked about confusion in the
14 application process for 2018; do you recall that?

15 A Yes.

16 Q Okay, but you didn't talk to any applicants at all
17 who may have -- may have been confused; correct?

18 A I did not.

19 Q And you didn't review any testimony of applicants
20 that stated they were confused about the 2018 application
21 process; correct?

22 A I did not.

23 Q Then what facts do you have to support your opinion
24 on confusion in the application process?

25 A Just my reading of the various state employees and

1 the confusion that they elicited in their testimony of not
2 necessarily knowing who did what, where this came from, how
3 something was arrived at. There was confusion there.

4 Q You talked about getting clarification on
5 application. Do you recall that?

6 A Getting --

7 Q Being able to get clarification on an application.
8 Do you recall that testimony?

9 A Getting clarification on an application?

10 Q Right. If an applicant was confused, you discussed
11 whether or not it was appropriate for them to get clarification
12 from the State.

13 A Okay, that's part of the question and answer period.
14 Yes, sir.

15 Q And in your opinion, is that appropriate?

16 A Getting clarification and a individual calling
17 someone for -- no, absolutely not.

18 Q Okay.

19 A Because that information that's relayed back to that
20 person who's concerned doesn't get out to all the -- all the
21 proposing vendors.

22 Q Okay. I want to show you the testimony of Demetri
23 Kouretas.

24 MR. GUTIERREZ: Brenden, could you pull up Slide 126?

25 THE COURT: And you'll send that to me as a

1 demonstrative exhibit, please?

2 MR. GUTIERREZ: Yes.

3 THE COURT: Next in order.

4 BY MR. GUTIERREZ:

5 Q Mr. Smith, do you know who Demetri Kouretas is?

6 A I do not.

7 Q Okay. I'll represent to you he's the corporate
8 representative for TGIG, one of the parties who hired you.

9 A Okay.

10 Q Okay? In his testimony, he was asked, And you didn't
11 think there was anything wrong with getting clarification, did
12 you?

13 Getting clarification? No.

14 Okay. And anyone else could have asked Mr. Pupo the
15 same question if they had a question, and you assumed he would
16 have given them the same answer; correct?

17 That is correct.

18 So if TGIG, the party who hired you, is saying it's
19 okay to get clarification, are you saying that what they did
20 was wrong as well?

21 A I'm saying this illustrates what was wrong with the
22 process, yes.

23 Q Okay.

24 THE CLERK: Judge, I think (inaudible).

25 THE COURT: How many are we up to?

JD Reporting, Inc.

1 THE CLERK: I think we already have this. Oh, we
2 have -- the next to mark is 20.

3 THE COURT: I don't know if we already have it or
4 not.

5 MR. GUTIERREZ: You can take that down, Brendan.

6 BY MR. GUTIERREZ:

7 Q When you discussed the ListServ as a means for
8 getting information for applicants; do you recall that?

9 A Yes, sir.

10 Q Did you review any documents regarding who was on the
11 ListServ and who was not?

12 A No.

13 Q Okay. And you don't have any information as to how
14 the D.O.T. may have used the ListServ to communicate to
15 applicants; correct?

16 A Specific information, I do not.

17 Q And you don't have any information as to which
18 applicants had access to the ListServ, and which may have not;
19 correct?

20 A No, sir.

21 Q You were asked several questions comparing an RFP
22 process to this application process, but in your RFP process,
23 you're not ranking the applicants; correct?

24 A In an RFP process, what?

25 Q Yes. You're not ranking the actual applicants as

1 they are in this competitive application process?

2 A Oh, absolutely. We are ranking them.

3 Q Okay. And is that -- in an RFP process, you talked
4 about a single point of contact that's defined or it's
5 enumerated in NRS 333 --

6 A Yes.

7 Q -- or NAC 333; is that correct?

8 A Yes.

9 Q And again, you didn't review NAC 453D to see if
10 there's any similar provision; correct?

11 A I did not.

12 Q So if there is no similar provision in the
13 regulations for marijuana, how -- how do you base your opinion
14 that it's -- that there's something wrong with that?

15 A Well, I would suggest to you, sir, that just because
16 it doesn't say you must do something doesn't mean it's a good
17 idea.

18 Q Okay.

19 A And --

20 Q Are you aware that industry participants on both
21 sides of the room all had input as to the adoption of the
22 permanent regulations?

23 A I'm not aware. I --

24 Q Okay.

25 MR. GUTIERREZ: I'll pass the witness, Your Honor.

1 THE COURT: Could you wipe down?

2 MR. GUTIERREZ: Yes, I will.

3 THE COURT: Mr. Hone? No, I'm -- Mr. Kahn? No, Mr.
4 Koch.

5 MR. KOCH: Nobody else beat me up here.

6 THE COURT: I was waiting for them all to stand up.

7 MR. KOCH: I'll be quick.

8 CROSS-EXAMINATION

9 BY MR. KOCH:

10 Q Just a few questions for you, Mr. Smith. So my
11 understanding is that the issue in your mind is the disparity
12 of information; that some got some information, others may not
13 have received some information, and that was a big part of the
14 problem?

15 A That is by far the largest issue --

16 Q Okay.

17 A -- in my opinion.

18 Q And, in particular, here, you thought maybe could
19 have had a Q and A process that would have allowed for the same
20 information to be given to everyone so that everyone had an
21 equal amount of information; right?

22 A In my opinion, that is paramount to provide a good,
23 fair process.

24 Q Okay. And if there was, let's say, a Q and A session
25 that was set, but only a couple people got to go to that Q and

JD Reporting, Inc.

1 A session, everybody else was excluded, that wouldn't be fair,
2 would it?

3 A No. In those rare cases where it's actually done in
4 a meeting -- I'll give you an example. The Department of
5 Corrections might be doing something, and all the vendors have
6 to come and take a tour of what it is they're asking to be
7 done, and it's mandatory, so they have to come.

8 In a case where it's non-mandatory, everything is
9 transcribed that goes on there so it can be distributed to
10 everybody who didn't attend, if that helps.

11 Q All right. And in that type of an instance where
12 somebody maybe has greater access to the information, maybe has
13 their own personal Q and A session, something like that, you
14 believe that that may justify doing a redo or starting the
15 process over; is that your opinion?

16 A In my opinion, it taints or corrupts the level
17 playing field that I talk about.

18 Q Because it benefits the person maybe who may have had
19 more information; is that right?

20 A It should benefit the person who has that more
21 information. At a minimum, all the people who didn't get that
22 information are positive that's the reason they didn't get the
23 award, because they weren't allowed the same access to the same
24 information.

25 Q Does it seem odd to you if the person that got the

1 greater information, got the personal Q and A session, was the
2 one that came back later and said, this process was unfair, I
3 got too much information?

4 A It seems strange. That wouldn't -- that wouldn't
5 seem odd. A lot of people with incumbent, as we talked about
6 earlier, or people who feel they've got all the knowledge
7 submit poor submittals oftentimes.

8 Q Right.

9 A But -- but I cede your point.

10 Q Right. So they may submit poor submittals, poor
11 bids, poor applications, but it would seem odd if they came
12 back and said, the reason this process was unfair was because I
13 got too much information?

14 A That would be odd.

15 Q All right, thank you.

16 THE COURT: Mr. Koch, you got to wipe it down. Who's
17 next?

18 MR. KOCH: I didn't touch, but I'll -- I'll wipe it
19 down anyway.

20 THE COURT: You've got to wipe it down anyway in case
21 they have those aerosol wide particles that we all hear about.

22 MR. KOCH: All right.

23 (Pause in the proceedings.)

CROSS-EXAMINATION

BY MR. WILLIAMSON:

Q Good afternoon, Mr. Smith.

A Good afternoon, sir.

Q My name is Rich Williamson. We actually spoke during your deposition, but it's been a while, so nice to see you in person.

A Thank you, sir.

Q You've never previously testified as an expert, have you?

A No.

Q Prior to this case, the only occasions where you testified in a deposition were situations where your department was sued; correct?

A Yes.

Q And prior to this case, the only occasion where you testified in court was when Carson City was sued while you were a supervisor?

A That's correct.

Q Okay. You've never previously been designated as an expert in any lawsuit; correct?

A No, sir.

Q You've never published any books?

A No.

Q You do not hold any certifications as a certified

1 contract manager or anything like that?

2 A No, sir.

3 Q You've never taken the classes for any national
4 certifications?

5 A No, I retired when those were just becoming
6 prominent.

7 Q You studied sociology at Chico State?

8 A I did.

9 Q But you did not graduate?

10 A No, sir.

11 Q You have no college degree?

12 A No, sir.

13 Q You've never taken any university courses on RFP?

14 A No.

15 Q No university courses on public contracting?

16 A No.

17 Q And certainly no university courses on public
18 licensing?

19 A Correct.

20 Q You have no background in licensing?

21 A No.

22 Q You talked about the 2014 process a little bit with
23 Mr. Miller, but that was Kim Tarter that did that, not you?

24 A It was Kim -- Kimberly Tarter, or possibly one of two
25 other people who actually performed -- that's correct.

1 Q Okay. So it was possibly two people, and neither of
2 those people are you?

3 A Correct.

4 Q You have no firsthand involvement in that process?

5 A I did not.

6 Q Now, with Mr. Miller, you skipped on right up to
7 1998, but I just want to make sure I get all of your
8 experience.

9 So you dropped out of college in 1982?

10 A That's correct.

11 Q You owned a pizza franchise until 1997?

12 A I left college to buy a pizza franchise, and I later
13 became president of the company.

14 Q President of -- of the franchise board?

15 A It was about 56-store chain out of Sacramento.

16 Q Okay. And you were on the Carson City Board of
17 Supervisors until '99?

18 A Correct, sir.

19 Q And then you went to work for the State?

20 A I went to work for the State in June of '98. There
21 was a little bit of overlap.

22 Q You -- after you left, you worked for two private
23 companies, trying to help them get government contracts;
24 correct?

25 A No, a little bit different than that. But yes,

1 worked for two private companies promoting government contracts
2 that were already available, to get states, and cities, and
3 political subdivisions to potentially use those contracts.

4 Q Gin up support for those?

5 A Yes, sir.

6 Q Okay. Now, while at the State, you worked in
7 purchasing and procurement the whole time?

8 A Yes, sir.

9 Q None of the work you did involved purchasing
10 marijuana; correct?

11 A No.

12 Q And the work you did for the State involved contracts
13 for services?

14 A Professional services contracts was my area of
15 expertise in the services procurement section that was formed
16 when I was hired.

17 Q And you were terminated from your employment with the
18 State?

19 A I was brought over to the Director's Office, and said
20 that as an at-will, unclassified employee, my services were no
21 longer necessary, which is the typical way they terminate the
22 employment of unclassified employees.

23 Q So that's a yes, you were terminated?

24 A That's a yes, but I was given no reason why.

25 Q Prior to taking this assignment, you have not had --

1 you had not had any employment since October of 2018?

2 A That's correct. I retired.

3 Q None -- so just to encapsulate it, none of your
4 previous work involved hiring marijuana companies?

5 A No.

6 Q None of your previous work involved licensing any
7 cannabis companies?

8 A No.

9 Q You've never run a licensing process, have you?

10 A No, sir.

11 Q Prior to this case, you've never worked with any
12 applicants for recreational marijuana licenses?

13 A No, sir.

14 Q And you may have testified to this earlier but, in
15 fact, you've never even seen any applicant's completed
16 application?

17 A No.

18 Q You have no experience in the marijuana industry, do
19 you?

20 A No.

21 Q And so it came out with a few different people, and
22 so I want to make sure I understand what you did to develop
23 your opinions. You reviewed the preliminary injunction
24 testimony of five individuals, which were -- it sounds like
25 maybe Ky Plaskon?

1 A Yeah.

2 Q Okay. Jorge Pupo, Steve Gilbert, Kara Cronkhite, and
3 Deonne Contine; correct?

4 A Correct.

5 Q Okay. And then, I think I heard -- I think I heard
6 you explain to someone else that then, after we took your
7 deposition, then you reviewed the deposition testimony of
8 Amanda Connor, Jorge Pupo, and was there a third?

9 A Karalin Cronkhite.

10 Q Got it. But as you confirmed to Mr. Bice, you
11 scanned through much of those transcripts?

12 A I read them with the intent of looking for areas that
13 I felt were involved in possible process. I didn't read them
14 from the detail I think that you folks would at every deal.

15 Q And I know you told Mr. Bice that you only skimmed
16 NRS 453D; correct?

17 A Yes.

18 Q And in fact, you also only skimmed NAC 453D?

19 A Correct.

20 Q And you did not review any of the graders' testimony?

21 A Any grader's testimony? No, sir.

22 Q And you didn't review any other testimony?

23 A Other than those that you've mentioned, no, sir.

24 Q You didn't review any score sheets?

25 A No, sir.

1 Q You did have a lengthy conversation on January 15th
2 with Ross Miller where you discussed the draft report and your
3 inexperience as an expert witness?

4 A Yes, sir.

5 Q Okay. And then you had this coaching call before
6 your deposition?

7 A Coaching call was about a 20-minute call while I was
8 sitting in my driveway right before the deposition.

9 Q Okay. Now, what I think I heard you say a moment ago
10 is that some of the trial testimony has been relayed to you; is
11 that correct?

12 A Some of the trial testimony had been relayed to me?

13 Q That some of the testimony from this trial, you had
14 not read it, but it had been relayed to you?

15 A I'm not sure what that means. There was one thing in
16 just the gentleman who was asking questions before, or before
17 him, where he asked if I was aware of something, and I did
18 hear -- hear that. I can't even recall what that was, but it
19 wasn't -- it wasn't much.

20 Q Got it. Yeah, but so I just want to be clear. You
21 have not reviewed any of the trial testimony?

22 A No, sir.

23 Q It's only been summarized to you from your lawyers?

24 A And what little bit I was here this morning with Mr.
25 Pupo on the stand.

1 Q Got it. So it's fair to say though that a lot of the
2 facts as you understand them came from the lawyers that hired
3 you?

4 A No. I was going to correct you on that one part when
5 you talk about the relayed. There really has been very little
6 personal conversation over the phone with Mr. Miller, and I
7 think there was another person at one point on a call, maybe
8 Dominic. There really -- it's mostly centered on just what I
9 read.

10 Q Got it. And let's talk about then what you read.
11 Your opinions are not only based on the witness testimony in
12 the transcripts that you skimmed --

13 A Um-hum.

14 Q -- but also what you inferred based on the lawyers'
15 questions; correct?

16 A Say that one more time, please.

17 Q Your opinions were not only based on the witness
18 testimony in the transcripts that you skimmed, but also on what
19 you inferred based on the lawyers questions?

20 A I would suppose that's accurate.

21 Q That is accurate?

22 A Yes, sir.

23 Q Certainly, you're not an expert on the marijuana
24 statutes?

25 A No, sir.

1 Q And you don't know what scoring criteria the graders
2 used?

3 A I saw it at one point originally way back like in May
4 of -- of -- if that is the one that they ultimately used. But
5 I -- I didn't commit it to memory or become an expert on it,
6 no.

7 Q And so you don't know -- as you sit here today, you
8 don't know what that scoring criteria was?

9 A No, as long as it was followed to the T, that's
10 what's important to the process. What they chose to score on
11 and all that, that generally is the Agency business.

12 Q And if they did follow that criteria, that's good?

13 A That's good.

14 Q Okay. In fact, you're not even sure that the various
15 elements, those six elements that you went through as so
16 important, these national standards, you have no idea whether
17 those are in NRS 453D?

18 A I do not.

19 Q And you have no idea whether those are in NAC 453D?

20 A I do not.

21 Q And you are not qualified to give an opinion on any
22 specific provision within NAC 453D that pertain to the
23 licensing application process?

24 A No, sir.

25 Q No, you're not?

1 A No.

2 Q And I know -- I heard you earlier admit that you
3 didn't know if there was anything about requiring a single
4 point of contact in NRS 453D; correct?

5 A Yes.

6 Q And I just want to complete that, you likewise have
7 no idea whether that's a requirement of NAC 453D?

8 A Correct.

9 Q You agree, don't you, that it's not only acceptable,
10 but in some cases, even preferable to meet with the interested
11 vendor community prior to the release of an application?

12 A Absolutely.

13 Q And you also agree that it's fine to change or
14 communicate information back out to the vendors after the
15 application process has started; correct?

16 A Ask that one more time, please.

17 Q You also agree that it is fine to change or
18 communicate information back out to the vendors after the
19 application process has started; correct?

20 A Correct, with the caveat that as long as its done at
21 the same way in the -- to the -- to the parties, yes.

22 Q In fact, you'd agree with me that's expected and
23 happens all the time, that stuff changes?

24 A All the time, yes.

25 Q Good. And a ListServ is a fine way to get

1 information out?

2 A I don't know.

3 Q You don't know?

4 A In -- in a -- a solicitation process, I don't know,
5 because I don't know how the Department of Taxation utilized
6 their ListServ process. I know that in the way that we used a
7 ListServ in the Department of Administration, it would not be.

8 It certainly gets information out, but not in the way
9 that I think is germane to a fair and equitable process. And
10 I -- but I do not know how Taxation used theirs.

11 Q But you would agree with me, would you not, that
12 quote, A ListServ is fine in trying to get information out.

13 A It depends on what kind of information.

14 Q Um --

15 A -- I mean, if you're just, like I had mentioned
16 earlier, in purchasing where the City of Elko is going to buy
17 some things and wants to let everybody else know, it's like a
18 bulletin board ad; hey, anybody else want to buy some of this
19 sewer pipe with us? That's a fine way to get information out.

20 If you're trying to inform potential proposers on
21 something as complex and convoluted as this solicitation
22 process, I'm not quite so sure I can agree to that.

23 Q Okay. So it is a fine way to get information out,
24 you just want to choose which information?

25 A I would agree.

1 Q Okay. Thanks. And you do not have any information
2 that any applicant got information that -- excuse me, let me
3 rephrase that whole question.

4 You do not have any information that any applicant
5 did not get information that was posted to the ListServ?

6 A I do not.

7 Q As far as you know, everybody got it?

8 A I don't know who got what.

9 Q Per -- and so like I said, as far as you know,
10 everybody got it?

11 A I don't know that I could go that far. I don't know
12 who got what.

13 Q You don't know one way or the other?

14 A I don't.

15 Q But it could -- a ListServ could, despite your
16 waffling a moment ago, could be used to disseminate information
17 about a licensing process; couldn't it?

18 A I don't know. It would have to be explained to me
19 how it's used.

20 Q Okay. Do you remember having your deposition taken?

21 A Yes, sir.

22 Q Do you remember, we spoke? Do you remember you were
23 placed under oath. It was, in fact, the same oath that you
24 took today?

25 A Yes, sir.

1 Q You understood it was important to tell the truth?

2 A Yes, sir.

3 Q Okay.

4 THE COURT: Counsel, do you have the original?

5 MR. WILLIAMSON: I believe we will --

6 THE CLERK: I -- I have the original (inaudible).

7 MR. WILLIAMSON: -- yeah.

8 THE COURT: Oh, you have it?

9 THE CLERK: Yeah.

10 THE COURT: Dulce already has it. It's been
11 published.

12 MR. WILLIAMSON: Perfect.

13 THE COURT: You may proceed.

14 MR. WILLIAMSON: Thank you.

15 Brian, can we pull up page 107 of Mr. Smith's
16 deposition transcript. And it's --

17 THE COURT: So, sir, this is your deposition. It's a
18 printed version of what happened when you answer questions.

19 If you want them to move it so you can read before,
20 or read after to give yourself context, please feel free to ask
21 them to do so.

22 THE WITNESS: Thank you, Judge.

23 THE COURT: Okay.

24 MR. WILLIAMSON: Thank you, Your Honor.

25 / / /

1 BY MR. WILLIAMSON:

2 Q And, Mr. Smith, before I go further, and I apologize,
3 I should have asked. You had an opportunity to review this;
4 correct?

5 A I did.

6 Q Okay. And make any changes?

7 A Yes.

8 Q Okay. And so it's -- it's true and correct, and as
9 we just said a moment ago, sworn under oath?

10 A Yes, sir.

11 Q Okay. Thank you. Now, I asked you a question,
12 starting at line 16.

13 A Okay.

14 Q Okay. And that -- the medium through which you
15 disseminate information, that could be done through a ListServ
16 if done appropriately; right? If people are on a -- on that
17 ListServ, the applicant pool has access to that ListServ and
18 therefore has access to the information, it could work with a
19 ListServ; is that right?

20 Answer, I think the potential exists for it to work
21 in that manner, again, provided the safeguards that I'm not
22 aware of whether they existed or not.

23 Did I read that correctly?

24 A Yes.

25 Q Okay. And publishing information on a website is

1 also an acceptable way of disseminating information about a
2 licensing process?

3 A Is that on another --

4 Q No, this is a question I'm asking you --

5 A Oh, I'm sorry.

6 Q -- and you're here to provide opinions?

7 A One more time, please.

8 Q Sure. Publishing information on a website is also an
9 acceptable way of disseminating information about a licensing
10 process?

11 A It could be.

12 Q And regardless of the medium, you do not know if any
13 applicants received information that others did not?

14 A Correct.

15 Q You do not have any evidence that any successful
16 applicant gained any advantage through information that was
17 made available only to it?

18 A I do not have any specific knowledge that that
19 occurred, only my feeling that through years of experience,
20 when the field is tilted in this manner by the information,
21 that it causes problems. But I do not have specific
22 information to your questions.

23 Q And when you're saying "tilted in this manner" you're
24 saying that based on the small snippets of information you
25 scanned?

1 A The absence of a bona fide question and answer
2 process where the questions are relayed to every single person
3 involved in the process, in the same manner at the same time,
4 in the absence of that, that's what tilts the field, in my
5 opinion.

6 Q But you're not aware of any specific applicant that
7 received any different instructions or guidance; correct?

8 A I am not.

9 Q You do not have any specific -- specific evidence of
10 any inconsistencies in the scoring process?

11 A No, sir.

12 Q You do not have any specific knowledge of any
13 instances where diversity was not properly scored for any
14 applicant?

15 A No, sir.

16 Q You're proud of this template you helped prepare;
17 correct?

18 A Yes.

19 Q Yeah. That's fine.

20 A Yes.

21 Q You know, you spent a lot of your life building up
22 this template and you have a lot -- you're protective of it and
23 have some pride in it; correct?

24 A I have pride in it, because I believe that it helps
25 lead to a fair and equitable process for both the State and

1 potential applicants.

2 Q And speaking -- I -- I believe it was with Mr. Bice,
3 it might have been with Mr. Schwarz, but you -- you mentioned
4 how you started in this, in 1998; correct?

5 A Correct.

6 Q And you slowly improved and refined and learned from
7 lessons every step of the way; right?

8 A Yes, sir.

9 Q So you'll agree with me that everything you did in
10 1998 was illegal?

11 A Oh, absolutely not.

12 Q Absolutely not?

13 A Absolutely not.

14 Q Oh, okay. So you can improve and not have the prior
15 thing be illegal?

16 A Sure. Certainly.

17 Q Okay. Thank you. Now, even in the RFP process that
18 you oversaw, there were always mistakes at some level; correct?

19 A Many times.

20 Q There's always something you could have done better?

21 A Certainly.

22 Q No process is perfect?

23 A Generally, speaking, yes.

24 Q Now, you talked a little bit about the -- the appeals
25 process.

1 A Yes, sir.

2 Q Now, in your experience, as soon as you make an
3 award, your phone actually rings off the hook from people who
4 lost, alleging that things weren't done right; correct?

5 A Usually.

6 Q Yep. But in most cases, those folks are just
7 complaining?

8 A I don't know. I think in most cases in their mind
9 they have a legitimate complaint. Ultimately, it's just sour
10 grapes, yes.

11 Q Yeah. Okay.

12 A In -- in most cases. Many cases. But not when they
13 point out a fatal flaw.

14 Q You -- you also agree, I think in your direct
15 testimony with Mr. Miller, that part of the goal of a
16 competitive bidding process is to be subjective; correct? To
17 be qualitative?

18 A Part of the goal is allowing the evaluators to be
19 subjective in -- in -- in their analysis of what they're
20 looking.

21 Q Thank you for reminding me, because I meant to come
22 back to that issue of evaluators. You talked about the -- and
23 I was hungry too. You talked about the -- the bicycle helmets
24 with the muffins in them?

25 A Yes.

1 Q Yeah. That was cute. And you -- part of the issue
2 was that you were on the evaluation committee; right?

3 A I was actually the purchasing officer, coordinator
4 for it. I wasn't actually on the evaluation committee.

5 Q But you said everyone on the evaluating committee got
6 one as well; right?

7 A Correct.

8 Q And that's a no-no?

9 A Correct.

10 Q Okay. Mr. Pupo was not on the evaluation committee;
11 was he?

12 A No.

13 Q He didn't grade a single score sheet; did he?

14 A My understanding is, no.

15 Q Okay. Now, the lawyers that hired you, led you to
16 believe that there were scoring changes; isn't that true?

17 A I don't believe I ever heard anything about scoring
18 changes.

19 Q You were led to believe that there were scoring
20 changes; correct?

21 A That's not correct.

22 Q Okay. Again, you -- you remember your deposition?

23 A Yes, sir.

24 Q Okay. Let's go to --

25 MR. WILLIAMSON: Brian, can we go to page 95, starting

1 at line 19.

2 BY MR. WILLIAMSON:

3 Q Question, One comment I thought I heard you make was
4 that you were led to believe there were scoring changes. I
5 guess, number one, did I hear you correctly?

6 Answer, Yes, one of the comments that -- in the 15 to
7 20-minute call that I had with Mr. Miller today, and with the
8 other fellas, Adam and Teddy, one of the individuals, and I
9 wrote on the front of my page when I was sitting in the parking
10 lot, made the comment to me that it was in their opinion that
11 there were changes made after the applications had been
12 received, and would that be of concern to me.

13 Did I read that correctly?

14 A You read what -- what that said, yes.

15 Q Okay. And what it said was the thing you had a
16 chance to review and make sure it was accurate; correct?

17 A Yes.

18 Q Yeah. Okay. But you actually have no proof, no
19 facts that there were any scoring changes?

20 A I didn't understand that to mean, like one of the
21 graders gave somebody a 9 and then changed it down to a 6, or a
22 scoring change like that.

23 Q So you weren't sure what they were insinuating when
24 they tried to make you think there were scoring changes?

25 A In this context -- and maybe I need to --

1 Q Please.

2 A -- if we could go a --

3 Q Yeah, by all means.

4 A -- little further to see if -- if it explains more.

5 MR. WILLIAMSON: Well, Brian, would you scroll down
6 just a bit?

7 THE COURT: So if we could go to page 97.

8 (Pause in the proceedings; witness reviewing deposition.)

9 THE WITNESS: That -- that's right. I --

10 BY MR. WILLIAMSON:

11 Q Right. So that was --

12 A -- I did --

13 Q -- that was relayed -- again, your words, relayed to
14 you the morning of your deposition, but you don't have any
15 proof of that, do you?

16 A No.

17 Q Okay. In fact, you've not reviewed any of their
18 scoring sheets for any particular applicants?

19 A I have not.

20 Q You did -- and you -- you admitted this morning, you
21 thought the licensing application itself was reasonably well
22 done; correct?

23 A The original one that I was provided very early on,
24 yes, sir, by reading what was actually in the document.

25 Q And your analysis in this case is limited to the

1 process of developing the application form; correct?

2 A Say that again, please.

3 Q Your analysis in this case is limited to the process
4 of developing the application form?

5 A My knowledge in this case is limited to reading the
6 transcripts that I read.

7 Q I'm sorry. Maybe I didn't speak clearly enough.
8 Your analysis in this case is limited to the process of
9 developing the application form?

10 A I can't agree to that. It's not -- it's not related
11 to the development of the form, it's related to the carrying
12 out of what was in the form and the implementation of the
13 process that that form is designed to initiate.

14 MR. WILLIAMSON: Brian, can we pull up page 36 of
15 Mr. Smith's deposition?

16 BY MR. WILLIAMSON:

17 Q Now, again, Mr. Smith, do you recognize this is a
18 page out of your deposition where you were under oath and you
19 had an opportunity to review this testimony and make sure it
20 was true and accurate; correct?

21 A Yes, sir.

22 Q Let's look at -- starting at line 6. Well,
23 there's -- yeah. All right. We'll read through the whole
24 thing. So it starts, Would it be fair to say -- your review
25 and analysis, we're going to get into. Let me take a step

1 back. We're going to get into specifically what you reviewed
2 in the way of documents and information.

3 But would it be fair to say that your analysis was
4 limited to the -- the process of developing the application
5 form, and not the actual submission of the application, and the
6 grading and scoring of the application, and the awarding of the
7 conditional licenses?

8 Answer, Yes, I think another way of putting it.

9 THE COURT: "I'm a process guy."

10 BY MR. WILLIAMSON:

11 Q Did I read that correctly?

12 THE COURT: There's more.

13 MR. WILLIAMSON: Oh, sure, I can keep going.

14 Unfortunately, it goes for awhile.

15 THE COURT: I know.

16 MR. WILLIAMSON: So I'm -- I'm going to lean here for
17 a second, Your Honor.

18 THE COURT: And then he goes back to Mr. Bice's quote
19 of "a process guy".

20 MR. WILLIAMSON: There you go. That's right.

21 BY MR. WILLIAMSON:

22 Q Let me know if this gets to what you're asking. I'm
23 a process guy. I'm an expert in understanding Nevada's RFP
24 contracting process, selection process that's been developed
25 over a period of time that's currently in use.

1 The subject matter of what's actually put in there --
2 I don't -- I don't try to put any knowledge I have in that
3 arena, into the subject matter of what's actually in the
4 document and why a Department wants to have it in there.
5 That's their business.

6 The evaluators score along lines of the instructions
7 that they've been given. I don't try to presuppose my
8 knowledge of that. It's strictly about the process and what's
9 fair and legal and ethical to all those involved.

10 Correct?

11 A And I absolutely will one hundred percent agree with
12 what you just read.

13 Q Okay.

14 THE COURT: Well, that was your testimony before.

15 MR. WILLIAMSON: Yeah, lets hope so. Right, yeah.
16 Thank you. Good. All right.

17 THE WITNESS: You said it well.

18 THE COURT: He's got a good reading voice, too.

19 MR. WILLIAMSON: Thank you.

20 BY MR. WILLIAMSON:

21 Q But you actually don't have an understanding of how
22 the form was developed, do you?

23 A I don't.

24 Q And you never undertook an investigation into the
25 process that created the application --

1 A No, sir.

2 Q -- did you? You were not offering any opinion about
3 the scoring process or the grading process?

4 A No.

5 Q Yes, that's correct, you're not?

6 A That's correct.

7 Q Sorry. That was like a triple negative.

8 A I -- I --

9 Q But I think we're on the same page; right? And
10 you're not professing to be an expert on the criteria contained
11 in NAC 453D?

12 A Correct.

13 Q And you are not qualified to be an expert on the
14 criteria contained in NAC 453D; correct?

15 A That is correct.

16 Q And likewise, you are not professing to be nor
17 qualified to be an expert on anything in NRS 453D?

18 A That is correct.

19 Q You're not an expert on licensing processes?

20 A Correct.

21 Q You're not an expert on licensing applications?

22 A Correct.

23 Q And you're not an expert on licensing at all?

24 A Correct.

25 MR. WILLIAMSON: Okay. No further questions.

1 THE COURT: Thank you. Can you wipe down the
2 lectern?

3 MR. WILLIAMSON: Happily, Your Honor.

4 THE COURT: Who is my next examiner? I'm seeing lots
5 of nods of the head that nobody wants to come up.

6 That means we're to you, Mr. Shevorski.

7 MR. SHEVORSKI: Nothing from the State, Your Honor.

8 THE COURT: Nothing?

9 MR. SHEVORSKI: Nothing. I think they did an
10 excellent job.

11 THE COURT: That's why you decided to go last, isn't
12 it?

13 MR. SHEVORSKI: That's -- that's correct.

14 THE COURT: Mr. Miller, redirect?

15 REDIRECT EXAMINATION

16 BY MR. MILLER:

17 Q Mr. Smith, you -- you were asked a series of
18 questions about your review of NAC or NRS 453D, and whether or
19 not you may have known or not known that there's a provision in
20 there relating to a point of contact; do you recall those
21 questions?

22 A Yes, sir.

23 Q Okay. You often, when you were running the
24 Department of -- of Purchasing, review the statutes that would
25 apply to the Agency for the process that you were overseeing?

JD Reporting, Inc.

1 A Almost never.

2 Q Would you expect any of those provisions, in any of
3 those bodies of statutes, to contain any particular mandate
4 relating to a point of contact or any of the processes that
5 they might administer --

6 A No, sir.

7 Q -- in review applications?

8 A No, sir.

9 Q You also were asked about the provisions of your --
10 your deposition. And I don't think that you were given a full
11 opportunity to review the full context of that.

12 MR. MILLER: Shane, could you please pull up page 116
13 of the deposition?

14 BY MR. MILLER:

15 Q Will you read on line 6 there, the question, it says,
16 Are you aware of whether or not there was an audit completed to
17 review the marijuana application process that we're talking
18 about today?

19 You said, No, I'm not aware of that.

20 MR. MILLER: Shane, if we can go to the next part.

21 BY MR. MILLER:

22 Q Do you see those provisions where it says, I think it
23 would be interesting reading given where I'm at in this
24 involvement so far.

25 Do you recall Mr. Bice asking you a question about

1 that?

2 A Yes.

3 Q Okay. You next said, I don't know whether or not
4 it's germane to process. I don't know that I would consider
5 them to be experts in the area of the selective process, but
6 again, an interested, involved third party, yeah.

7 Would you read me the answer to the next question?

8 A The next question, But you are (sic) insinuating, are
9 you, that you would know more about the best practices of the
10 State's application process more so than the auditors, are you?

11 And my answer was, I would suggest to you that I am
12 far more adept at discussing the State's procurement process,
13 selection processes, than LCB or internal audits.

14 And I absolutely agree with that statement.

15 Q That's still true today, isn't it?

16 A Absolutely.

17 Q Okay.

18 A That -- that's not to denigrate the process those
19 folks provide, because it's very valuable to the overall
20 process. But I often felt that I did just as good a job of
21 educating them, and making them better at analyzing these
22 processes and resultant contracts in the things that they're
23 not experts at. Me or my staff would do that.

24 And we'd have a good back and forth.

25 Q You know, you indicated that it would have been

1 interesting reading. You're certainly retired; is that right?

2 A Yes, sir.

3 Q Okay. You didn't offer your full time to us to be
4 able to review millions of documents in this case; did you?

5 A No, I did not.

6 Q Okay. In fact, did you appreciate the fact that it
7 was limited to the areas that seemed to be most relevant to
8 your review so that you could render an opinion?

9 A I did.

10 Q Okay. And overall, in total, how many hours do you
11 think you spent? I know we have a previous estimate and an
12 invoice that we had submitted that's a marked proposed exhibit
13 in this case.

14 But how many additional hours do you think you've
15 spent since -- since that -- since that was submitted?

16 A Oh, gosh, I -- I don't know. I guess, I'm just
17 speaking off the top of my head here, probably somewhere in the
18 neighborhood of 25, 30 hours, maybe 35 now.

19 Q Okay. And how much were you compensated --

20 A In reading.

21 Q I'm sorry?

22 A In actual reading.

23 Q Okay. And how much -- how much were you compensated
24 for your testimony today?

25 A \$65 an hour.

1 Q And that's for the entirety of -- of your
2 representation; right?

3 A Yes. And I -- I arrived at that figure, that's what
4 I made at the State.

5 MR. MILLER: Can we pull up Exhibit 1863.

6 BY MR. MILLER:

7 Q Again, Mr. Bice asked you a series of questions and
8 got you to conclude that -- that what he had shown you
9 indicated that shouldn't happen. But I don't think you got a
10 full opportunity to read all the e-mails here. And I want to
11 give you a moment to do that, but I want to -- I want to ask
12 you to read these e-mails, which are a little bit disjointed,
13 and not -- they don't flow chronologically, so you have to look
14 at the dates, and look at it through the contexts as -- as you
15 remember the application was released July 5th --

16 A Okay.

17 Q -- of 2018.

18 A July 5th, 2018?

19 Q Yes.

20 A Okay.

21 THE COURT: And so if you will direction to Shane, he
22 will go up or down on the exhibit for you to be able to read.

23 THE WITNESS: Gotcha.

24 MR. MILLER: But it may start at the very bottom,
25 Shane.

1 IT TECH: Sure.

2 THE COURT: And that's page 1863-0006, for the
3 record.

4 THE WITNESS: Yes.

5 (Pause in the proceedings; witness reading exhibit.)

6 THE COURT: So it appears the witness has complied
7 with your request, Mr. Miller.

8 MR. MILLER: Thank you.

9 BY MR. MILLER:

10 Q So given that time frame, with the first email, I
11 believe, happening on May 3rd, indicating a meeting, I believe
12 you had testified previously that it's acceptable, even
13 preferable, to meet with potential applicants prior to the
14 application --

15 A Right.

16 Q -- right?

17 A Right.

18 Q Did you see anything wrong with the context of that
19 email or any meeting?

20 A I -- I do not.

21 Q Okay.

22 A And I also don't see any information released in
23 that. I think Mr. Pupo caveated his comments when he said
24 about the times, and that they were tentative. And I think
25 that you folks were just -- it looks -- and by reading this for

1 the first time, that it looks like you folks are just trying to
2 get a good idea to -- to plan ahead, knowing full well that
3 things may change.

4 Q Okay.

5 MR. MILLER: And the email on page 5. Is that 5? A
6 little bit lower. Is this 5? Will you scroll down a little
7 bit, if we could. All right.

8 BY MR. MILLER:

9 Q Okay. This is the reference, your e-mailing on
10 page --

11 MR. MILLER: Is it 7, Shane?

12 I.T. TECH: Yeah, it is.

13 MR. MILLER: Okay. If you can scroll back up to
14 page 5. Yep. Oh, sorry.

15 BY MR. MILLER:

16 Q Page 5 is an email from Mr. Cristalli to Mr. Pupo.
17 No reference to myself in that email; correct?

18 A I don't see any, no.

19 Q Okay. And it appears he's asking a specific answer
20 -- question relative to the application; correct?

21 A We are working on our locations for the license
22 applications. The question I have is whether we need to secure
23 the locations or --

24 Okay, that's the same one -- would -- that -- okay,
25 I've already read that one.

1 Q Right.

2 A Right.

3 Q Yeah.

4 A And the question is?

5 Q If the application were released July 5th, do you see
6 anything -- problem --

7 A Absolutely, nothing inappropriate --

8 Q -- with it?

9 A -- about that at all.

10 Q Okay. Nor do you see any response to that email; do
11 you?

12 A Good point. Not in this trail.

13 Q Okay. So if the question was submitted prior to the
14 application even being released, and there -- there doesn't
15 appear to be any indication that the Department even responded;
16 do you see anything within that email string to suggest, as
17 you've previously testified, that that shouldn't happen?

18 A I do not.

19 Q Thank you.

20 MR. MILLER: No further questions.

21 THE COURT: Anyone else? Anyone else feel like they
22 need to ask some more questions?

23 Sir, thank you very much for your time. I --

24 MS. CHATTAH: Oh, I'll (inaudible) Judge.

25 THE COURT: You've got to be faster.

1 UNIDENTIFIED SPEAKER: (Inaudible) need to wipe down
2 the --

3 THE COURT: That's right. Mr. Miller did not wipe it
4 down. You'll have to --

5 MS. CHATTAH: I only have a --

6 THE COURT: -- make up for it.

7 MS. CHATTAH: -- few questions.

8 CROSS-EXAMINATION

9 BY MS. CHATTAH:

10 Q Can you hear me? Can you hear me?

11 A I can.

12 Q Okay. Then there you go. I'd like to follow up on a
13 few questions that Mr.

14 Gutierrez asked you.

15 A Okay.

16 Q Okay.

17 MR. PRINCE: Well -- well, objection beyond the scope
18 of the redirect.

19 THE COURT: She's a plaintiff. She's part of that
20 team. She gets to follow up on Mr. Gutierrez, Mr. Prince.

21 You may continue.

22 MS. CHATTAH: Thank you, Judge.

23 BY MS. CHATTAH:

24 Q Mr. Gutierrez asked you if you knew that only three
25 of Amanda Connor's clients got licenses. Do you recall him

1 asking you that?

2 A I do.

3 Q Do you realize that those three clients got 21
4 licenses?

5 A I was unaware.

6 Q Okay. And out of the 61 licenses allocated, the --
7 how much does 21 licenses represent on that?

8 A About a third.

9 MS. CHATTAH: Thank you. I have no further
10 questions.

11 THE COURT: Anybody else?

12 MS. CHATTAH: Do you want me to still wipe it?

13 THE COURT: Yes, please.

14 MS. CHATTAH: I can still wipe it.

15 THE COURT: Anybody else?

16 (No audible response.)

17 THE COURT: Thank you, sir. We appreciate your time.

18 THE WITNESS: Thank you.

19 THE COURT: Travel safely. I hope your --

20 THE WITNESS: Best wishes on your task.

21 THE COURT: -- your first trial testimony was not so
22 bad you will never be an expert again.

23 THE WITNESS: Thank you.

24 MS. CHATTAH: These are out.

25 THE COURT: All right.

1 MS. CHATTAH: Do we have like another pack?

2 THE COURT: Mr. Bice said he had some, and then I
3 have my others up here.

4 MS. CHATTAH: Oh, okay.

5 THE COURT: Mr. Bice's people.

6 MS. CHATTAH: I don't want to derail these.

7 THE COURT: Ashley is bringing you some. Ashley was
8 very effective in a Preliminary Injunction hearing for several
9 weeks at keeping us clean.

10 Thank you.

11 UNIDENTIFIED SPEAKER: Are we going to take --

12 THE COURT: All right. What's our next plan? We're
13 going to take a short break, but I want to know what the plan
14 is. I saw the break sign. I can pick up on that when you do
15 it. It's okay. But I need to know what the plan is.

16 MS. SUGDEN: Your Honor, my understanding is the
17 plaintiffs are going to be calling my client Mr. Puliz.

18 THE COURT: Okay.

19 MS. SUGDEN: But, yes, after a break, if that's okay.

20 THE COURT: Okay. All righty. So ten minutes? Can
21 we do ten minutes?

22 MR. BICE: Yes, Your Honor.

23 THE COURT: Great.

24 MR. BICE: Ten.

25 (Proceedings recessed at 3:11 p.m. until 3:21 p.m.)

1 THE COURT: Mr. Parker, Mr. Bult, Mr. Rulis, I set
2 your motion for Monday at 8:30.

3 MR. PARKER: Oh, thank you.

4 UNIDENTIFIED SPEAKER: Thank you, Your Honor.

5 THE COURT: Please make sure you distribute it to
6 everyone so they can file a response if needed.

7 MR. PARKER: Thank you.

8 THE COURT: And including the co-plaintiffs.

9 All right. Sir, if you'd stand up so we can swear
10 you in, please.

11 **ALLEN PULIZ**

12 [having been called as a witness and being first duly sworn,
13 testified as follows:]

14 THE CLERK: Thank you. Please be seated. Please
15 state and spell your name for the record.

16 THE WITNESS: Allen Puliz, A-l-l-e-n, P-u-l-i-z.

17 THE COURT: Thank you, sir. And, sir, I think, as
18 you probably know, we're all speaking through masks. So it's
19 really hard. If the lawyers ask you to repeat, please don't be
20 offended, and you may need to ask them to repeat too. Okay?

21 THE WITNESS: No problem.

22 THE COURT: And if you need a break at any time, you
23 let us know.

24 All right. You're up.

25 MS. SUGDEN: Thank you.

DIRECT EXAMINATION

BY MS. SUGDEN:

Q Good afternoon, Mr. Puliz. I know you just stated and spelled your name for the record. I'm going to go through some other background things with you.

Mr. Puliz, are you from Las Vegas?

A Actually, I was born in Sacramento, but moved to Reno when I was 18 months old in 1957 and then moved to Las Vegas in 1970 for high school. Stayed here. Gorman High School, graduated from there and went to the University of Nevada, Reno -- UNR, as we used to call it. Nevada, as they call it today. And then I came back to Las Vegas in 1991.

Q Okay. So --

A And I've been here since.

Q Great. Since 1991. And what is your current primary occupation?

A I am the managing partner for THC Nevada. I am still an executive vice president at the Puliz Companies, even though we're in the transition phase, turning that over to our kids.

Primary is THC Nevada now.

Q Okay. Now, THC Nevada is one of the plaintiffs in this case; correct?

A That's correct.

Q Okay. And I know before you were sworn in you did mention you've been dialing in every day to this trial; right,

1 and listening over the phone for the most part?

2 A I have.

3 Q Okay. I know it's been a little difficult let alone
4 with the masks and then the phone, but you have been trying
5 your best, is it fair to say, to be involved?

6 A I have.

7 Q Okay. Now, the Executive VP of Puliz Companies, tell
8 me a little bit about Puliz Companies.

9 A Well, Puliz Moving and Storage was started in 1978 in
10 Reno. My dad had been in the moving business since 1957 when
11 we moved to Nevada. He sold to his partners in '74. And then
12 myself, my brother and my father started again in Reno in 1978.
13 We became the largest moving company in the state of Nevada.
14 We opened and actually bought an office from GES in Las Vegas
15 in 1986, and that was the one of the reasons I moved back down
16 here in 1991 because it became our bigger office.

17 Q Okay. And that's the moving company; correct?

18 A That is the moving company, yes.

19 Q Okay. And what type of moving was your company
20 involved in?

21 A We did all kinds. We did a lot of commercial office
22 moving. I moved in the justice center for the courts back when
23 they built the new justice center, and I moved the county into
24 the government center when they built the new government
25 center.

1 We've done Reno. We've done the Supreme Court in
2 Carson City. I moved them in there. We've done very many
3 large commercial customers, IGT, those type of people.

4 And we also did residential moving for regular
5 homeowners.

6 Q Okay. So there's a moving component and then is
7 there also a storage component to the business?

8 A Yes, in two different ways. We also stored and
9 delivered new equipment, supplies, distribution. And then we
10 have our records management division where we store files for
11 actually a few of the attorneys in this room, and we store them
12 and deliver them back and forth as they need them with paper
13 files.

14 Q Okay. And I think you had told me once, are you guys
15 one of the larger records storage companies in the company --
16 in the nation that is not publicly owned?

17 A Yeah. In Nevada we are the largest nonpublicly owned
18 records storage company. We have a little over a million boxes
19 in storage.

20 Q Okay. So you've told me about the moving. You've
21 told me about the storage. Any other components of the
22 business?

23 A We are also in the logistics business and the freight
24 brokerage business where we ship materials and new supplies and
25 tables and chairs, like you guys are sitting at, come through

1 me.

2 We are also in the trade show business. We started
3 back in 1979 and became an agent for Greyhound Exposition
4 Services, GES. We became a licensee, and we were GES Reno.
5 And then we opened GES Salt Lake City. So I know my way around
6 very good in this building.

7 And then in '98, we sold it back to -- we sold those
8 companies to GES with the deal that I come over and run their
9 national operations as an EVP of operations for GES. So at
10 that time I for four years I worked for them running operations
11 on 27 offices in almost every state of the country.

12 Q Okay. So from 1991, approximately when you left UNR,
13 is it fair to say then you began in your family's business
14 which you just explained what that involved, up until recently?

15 And then we'll get into THC after that.

16 Is that a fair summary?

17 A Fair summary, yes.

18 Q Okay. Is there any other major industries or
19 businesses that I -- I didn't address?

20 A Me and my family also owned a Nothing Bundt Cake
21 franchise in Marin County, California, which we sold that at
22 the end of last year. We also sold our moving company at the
23 end of last year also. So now we have just a records storage
24 and logistic side of that business.

25 Q Okay. I appreciate that.

1 Now, we talked about your employment and your
2 business. What about your community involvement? Can you tell
3 me a little bit about how you've been involved in the community
4 locally.

5 A Of course, I've been -- I'm very much involved with
6 the Rotary Club, more the downtown Rotary Club, and I have been
7 their president twice and have sat on the board almost every
8 year for the last 20 years. And I am also a board member for
9 the prison industries commission, was appointed by the
10 governor. And then the last few terms I was appointed by the
11 legislature. And I've been on that for, I don't know, close to
12 20 years. And then Governor Sisolak appointed me to the
13 Colorado River Commission, which I started serving on at the
14 beginning of this year.

15 Q Okay. Thank you.

16 Now, when did you first get involved in marijuana in
17 Nevada?

18 A Well, in 2014 people started coming to me because we
19 owned warehouses. You know, being in the moving and storage
20 business I had five warehouses here in Las Vegas. And so they
21 came to me because people were looking for facilities and
22 buildings.

23 And so a good friend of mine from all the way back in
24 high school days, Steve Cohen, put together a group of us to do
25 an application to see if we could get a medical marijuana

1 license.

2 Q Okay. And do you recall was that application process
3 approximately 2014, the fall?

4 A Yes, it was.

5 Q Okay. And what applications did you apply for?

6 A We applied for all three, the dispensary, the
7 cultivation and the production licenses.

8 Q Okay. And did you apply as THC Nevada, LLC?

9 A We did.

10 Q Okay. And was THC Nevada successful in that
11 application process?

12 A Not for the dispensary. We didn't receive a
13 dispensary license. We did receive a cultivation and a
14 production license.

15 Q Okay. Now, did you appeal or take any legal action
16 related to the 2014 application process?

17 A I did not.

18 Q Why not?

19 A Well, I didn't feel our application was as good as it
20 should be. I saw all those other people in the county filed
21 suits because of the -- of the dispute between county control
22 and State control, and we really weren't involved in that. We
23 didn't apply for the county. We only applied for the City of
24 Las Vegas and North Las Vegas. So I didn't feel at that time
25 that there was any real reason to do it.

1 Q Do you recall approximately though where THC Nevada
2 fell in relationship to the rankings in --

3 A As I remember, I believe City of Las Vegas got 12
4 licenses, and we were 13 or 14. We just missed it.

5 Q Okay. And who did you use for the application
6 process? Any outside consultants at that time?

7 A We hired Jay Brown as our attorney. And then we
8 hired some other consultants besides that.

9 Q Okay. Now, going back to -- you get approved for the
10 cultivation and production; is that right?

11 A We did.

12 Q Okay. Did you end up becoming operational then?

13 A We did. We actually followed all these State rules
14 by then by The Division of Health. We immediately started
15 construction and planted our first plants in December
16 of '15th -- December of '15. That's when we got our permanent
17 license filed for that.

18 Q Okay. And around --

19 A And then our production license, we actually brought
20 in a partner because we really didn't have the time or the
21 expertise to do that type of a business. So we brought in a
22 partner, and he came into our building, our facility for half
23 the license, basically, and he's been operating that side of
24 it.

25 Q Okay. And approximately do you recall how much you

1 spent to build out that cultivation facility and get it going?

2 A Well, my budget was four million, and I think we
3 spent five and a half million.

4 Q Okay. And the end of 2015, the cultivation is
5 operational. And as a cultivation operator, you're going to
6 sell to dispensaries; correct?

7 A We do.

8 Q Okay. Now, there's some other plaintiffs here that I
9 want to see if you're familiar with and if you sell to them or
10 not.

11 Are you familiar with Fidelis Holdings, LLC, which
12 does business as Pisos?

13 A I am.

14 Q Okay. Do you know if they're currently in business?

15 A Yes. That was -- well, I was at their office a few
16 months ago or at their store a few months ago.

17 Q Okay. What about GBS Nevada, LLC, which is doing
18 business as ShowGrow. Are you familiar with them?

19 A Yes. They're one of our better customers.

20 Q Okay. So they're currently in business?

21 A Yes.

22 Q Okay. Gravitas Nevada, LLC, which does business as
23 the Apothecarium, are you familiar with them?

24 A I'm familiar with them. We don't do business with
25 them, but, yes.

1 Q Okay. MediFarm Nevada, LLC, which does business as
2 Bloom. Are you familiar with them?

3 A I'm familiar with them. Again, I don't think they're
4 one of our clients.

5 Q Okay. And Nevada Holistic Medicine, LLC, which does
6 business as MMJ America, familiar?

7 A Yes. They're one of our customers today.

8 Q Okay. And operational, obviously?

9 A Yes.

10 Q Okay. And Nevada Pure, LLC, which does business as
11 Shango?

12 A Yes.

13 Q Familiar with?

14 A I know them well. I know their owner well. He's in
15 my Las Vegas Executives Club with me. And so I know them well,
16 and, yes, they're operational today.

17 Q You didn't mention your Las Vegas Executive Club
18 earlier. What's that?

19 A Oh, it's a businessmen's group.

20 Q I'm just teasing. Okay.

21 THE COURT: She's just giving you a hard time because
22 she can.

23 MS. SUGDEN: I do that up here. I make bad jokes.
24 So anyhow.

25 / / /

1 BY MS. SUGDEN:

2 Q TGIG, LLC, which does business as Grove, are you
3 familiar with them?

4 A Yes, I know who they are. Yes.

5 Q Okay. So as far as you know, all those -- I'll
6 submit to you those entities are also plaintiffs in this case.
7 And they are all open and licensed, to your knowledge?

8 A To my knowledge, they're all opened and licensed.
9 Yes.

10 Q Okay. Now, when did you first become aware that
11 there was going to be a second opportunity to apply for a
12 dispensary licenses?

13 A Well, of course, before the ballot initiative passed,
14 we were all brought in to try to help and donate money to try
15 to get the ballot initiative that made recreational marijuana
16 legal in the State of Nevada. So I was involved in it before
17 the vote. And then, of course, after the vote and it passed,
18 we were all very much involved because the medical business had
19 been really, really hard the way the State required that the
20 medical cards go through the DMV, many, many of our Las Vegas
21 citizens wouldn't go do it because either they worked in
22 gaming, and, you know, gaming was death on this whole marijuana
23 business. They wouldn't go get a card. And many other people
24 just didn't want that on their driving records that they had a
25 medical marijuana card. So it was a very tough time for that

1 year and a half. We lost a lot of money.

2 Q And you had mentioned, you know, the company was open
3 and growing first seeds December of 2015; right?

4 A Right.

5 Q Is it your understanding that you were, in fact, one
6 of the first cultivators to be operational?

7 A One of the first large ones. There was a few small
8 ones that didn't take near as much build out as we took to
9 build ours, but, yeah, we were one of the first large ones to
10 get going.

11 Q Now what's your understanding on startup costs as a
12 cultivation compared to say a dispensary?

13 A Well, most dispensaries I think had somewhere around
14 a million dollar budget to build out if they were leasing a
15 facility, you know, without buying the facility itself. We
16 didn't buy our facility either. It's a lease. It's about a
17 million dollars to build out to put a storefront in, which is
18 really what a dispensary is.

19 Q Now, is it fair then to say your understanding would
20 be that a cultivation takes a lot more capital to get going?

21 A Oh, by far, yes.

22 Q Okay. And is that because a cultivation facility has
23 a lot more internal components as far as lights, fertigation
24 systems, watering, security, things like that?

25 A Chilling, chiller systems. That's -- keeping your

1 temperature in Las Vegas is a very important thing when you're
2 trying to grow plants indoors, yes.

3 Q Yeah.

4 A And we have to deal with the hard parts. You know,
5 when we get our product to most of our dispensaries, it's
6 already packaged. It's already labeled. It's in Matrix
7 [phonetic], and we transfer it to them. So it's easy.

8 We have to take it from when that plant comes out of
9 the clone room and goes into the vegetation room. It has to be
10 barcoded and tracked for every bit from there. Then once it's
11 harvested and trimmed, cured, then we have to have it tested,
12 and Nevada testing is the toughest testing in the United
13 States. And I think that's something we're proud of. It was
14 very hard for a bunch of us to learn how to grow plants that
15 could pass. We originally brought in some experts from
16 Colorado to be our consultants on how to grow this stuff, and
17 they failed the first 2000 pounds that we grew because of mold
18 because they didn't test for mold in Colorado.

19 Q I appreciate that. Thank you. So you were telling
20 me -- we were talking about the second opportunity for the
21 dispensary licenses, and I believe you had mentioned the
22 election. That's the November 2016 election; correct?

23 A (No audible response.)

24 Q And -- I'm sorry. Did you -- unfortunately -- did
25 you nod?

1 A No, yes. I'm sorry. Yes.

2 Q Oh, you did say yes. Okay. I was looking down. So
3 I may have missed it. But is it your understanding in that
4 allowed for recreational sales to begin in July of 2017?

5 A Yes. And all of the existing medical marijuana
6 dispensaries were given automatically a recreational license.
7 None of us, you know, which there were, of course, quite a few
8 more cultivational licenses and production licenses produced
9 than there was dispensary ones. So, yeah, we got nothing.

10 But our hope was that the way the ballot initiative
11 worked that 62, 64, whatever that number actually ended up,
12 they'd get one automatically because they were already medical.
13 And then there was going to be another 62, 64, whatever it is
14 for 124 to 128 licenses total in the State.

15 We hoped at that time that we would get a fair
16 opportunity to get one of those so we could have an outlet for
17 our product instead of having to basically try to sell it to
18 everybody else since most of them do have their own groves of
19 their own. So it makes it very difficult for us to compete
20 with their own products.

21 Q And I believe -- is it common phrase in the industry
22 to be vertically integrated, so you have your own grow?

23 A Right.

24 Q Potentially a production facility. And then you can
25 sell it at your own dispensary. That is the ideal situation?

1 A Yes, it is. And because of 280E, the federal tax
2 laws, there's a lot of benefits to be able to have because you
3 can basically write off all your costs to grow it, but a
4 dispensary technically can only write off what they pay for the
5 product they buy. So that's why sometimes the tax is real
6 difficult because they'll pay themselves a lot more money when
7 they buy it internally, of course, then they'll pay me as an
8 external person. And they do that for tax reasons. I
9 understand why they did it.

10 Q Sure. Okay. And we'll get into that in just a few
11 minutes as well. Because, you know, one of the things I wanted
12 to ask you is, you know, did you participate then, once the
13 ballot initiative gets approved, in the process by which the
14 State implemented the regulations for this first set of
15 recreational marijuana dispensaries?

16 A Yes. I was not able to be involved in any of the
17 actual processes they did to actually design the application.
18 But once we started seeing, and we saw basically categories and
19 a total points, not breakdown on how they were going to do it,
20 but total points for each category, I became very concerned at
21 that time. We went to the legislative counsel.

22 When they went to the legislature, the internal
23 legislative committee to approve it, and we spoke against it.
24 We said, look, you know, a lot of these things they're putting
25 in this application are totally in favor of the existing

1 dispensaries. They didn't look at the rest of us license
2 holders that have been paying taxes and working and keeping
3 this industry going from day one. They really put it to the
4 benefit of the existing dispensaries.

5 MS. SUGDEN: Okay. I do have a proposed exhibit
6 which is 1766. It's a -- this is a legislative history from
7 February 27th, 2018. I'd like to admit or offer for
8 admission if anyone has an objection.

9 THE COURT: Anybody have an objection to 1766?

10 MS. SUGDEN: I think it's 30 pages. I hope that's
11 not too big.

12 MR. PRINCE: Is that the minutes on that?

13 THE CLERK: It's already admitted.

14 THE COURT: It's already admitted, Ms. Sugden. You
15 don't have to worry.

16 MS. SUGDEN: Oh, shoot. Sorry, Dulce.

17 THE CLERK: 1766, yes.

18 MS. SUGDEN: 1766?

19 THE CLERK: Uh-huh.

20 MS. SUGDEN: Oh, I missed it.

21 MR. PRINCE: The cross is 3427.

22 THE CLERK: Oh, I don't know about the cross.

23 THE COURT: Thank you, Mr. Prince. We will keep a
24 record of that.

25 MR. PRINCE: Good.

1 MS. SUGDEN: I don't even know what that meant. But,
2 okay.

3 BY MS. SUGDEN:

4 Q So what we have here, Mr. Puliz, if you can see on
5 your screen, I'll ask you to look at that first page and see if
6 you are -- if this, in fact, would be the meeting that you
7 believe you were just talking about, the legislative
8 commission?

9 A Yes, it is.

10 MS. SUGDEN: Okay. And if we could go to page 5,
11 Shane.

12 BY MS. SUGDEN:

13 Q Do you see the top, the second paragraph, Allen
14 Puliz. Is that you?

15 A That's me.

16 Q Okay. And it says your comments focused on the
17 scoring method used in obtaining a dispensary license, the term
18 experienced key personnel in Subsection H of Section 80, and
19 the monopolistic properties in the marijuana -- excuse me, in
20 the marijuana industry. Do you see that?

21 A That is correct, yes.

22 Q Okay. Is that a fair minute recording of what you
23 believe your testimony was at the time?

24 A It was. I was pretty unhappy with when they threw in
25 taxes received again. A couple reasons. I know when they did

1 it for medical, the whole idea was to prove you were a Nevada
2 person so that the State had a history with you so they knew
3 who you were to be able to get the first medical licenses.

4 When it came to the second round, I said, well, if
5 it's just about what our business takes in in tax, that would
6 be really hard for a cultivator. We pay, it's supposed to be
7 15 percent, it averages about 20 to 25 percent of what we sell
8 our products for in taxes.

9 But dispensaries takes that whole amount. Say
10 it's -- say it's \$1800 we sell it to them for. Well, tax is
11 350. So we get \$1450. State's gets 350. And then the 1800 is
12 paid by the dispensary.

13 Well, the dispensary, to make money, and because
14 their tax issues they have, they have to market up to two and a
15 half, three times depending on the store and the product. So
16 they will charge a 10 percent State surcharge on that \$4600,
17 and then they will charge an 8.25 percent sales tax on that
18 \$4500. So there was no way we could compete with total taxes
19 paid.

20 I didn't know until the application actually came out
21 that they again wanted to see what you had paid or what your
22 owners or board members or advisory committee actually paid the
23 State in taxes. I didn't realize you could bring somebody in
24 like Lee's Liquor that sells hundreds of millions of dollars
25 worth of product in the State of Nevada. Their sales tax, of

JD Reporting, Inc.

1 course, would wipe out more than anything anybody else did at
2 that time. So I was upset about that.

3 And then the term key personnel basically excluded
4 anybody that didn't already own a dispensary. We had to go out
5 and pay an awful lot of money to bring in a person who had run
6 a dispensary for three years before the application process
7 here in Las Vegas so that we had somebody that had the
8 experience necessary.

9 In reality, we know all of the legalities and all of
10 the tracking and the seed-to-sale and matrix system. And, I
11 mean, what they really have to do is make sure they check
12 everybody's ID so they don't sell to somebody under 21 and have
13 a retail store. That's basically what it comes down to.

14 And we had -- one of my partners has had ten
15 different retail stores in this state and in California in the
16 last 15 years, but none of that experience and my experience
17 with a Nothing Bundt Cake retail store, none of that seemed to
18 make any difference. And you could tell that's where the
19 dispensary association got to put in their little extras to
20 make sure that the dispensaries got a lion's share.

21 Q Now, you also have Mr. Steven Cohen listed below your
22 name. Do you see that?

23 A Yes.

24 Q Who is Mr. Cohen?

25 A Cohen -- Steve Cohen is our corporate counsel. At

1 one time he was a minority partner with us, but then had to
2 sell his shares as he was appointed to the Gaming Control
3 Board.

4 Q Being appointed to the Gaming Control Board, is it
5 fair to say that he has a great understanding then of
6 regulatory compliance? Is it your understanding that Mr. Cohen
7 would?

8 A Yes. Because even before he was on the board he was
9 in front of them. He was basically a gaming attorney. That's
10 what he did, and he worked in that regulated field for 30
11 years.

12 Q Okay. Now, after you -- oh, actually, I'm sorry.
13 Let me go through Mr. Cohen's comments because you were there,
14 and you got to participate.

15 A Yeah, we sat at the table together. We went up as
16 one group. Yes.

17 Q Okay. And I won't go through all of his bullet
18 points, but do you see Number 2, potential litigation?

19 A Yes.

20 Q So is it fair to say that it looks like Mr. Cohen had
21 an idea that the licensing process, the way it was framed would
22 lead to potential litigation?

23 A He did.

24 MS. LEVIN: Objection. Hearsay.

25 THE COURT: Overruled.

1 BY MS. SUGDEN:

2 Q And then do you agree, Mr. Puliz, with the statement
3 below the bullet points: Mr.-- excuse me, Mr. Cohen requested
4 the opportunity to address what he perceives as glaring defects
5 in the regulation process and to clear up ambiguities in the
6 regulation?

7 Do you see that?

8 A I do.

9 Q And do you agree with what his perception is? Do you
10 have those same --

11 A I did, yes.

12 Q Okay. And you had just talked about some of the
13 reasons why; correct?

14 A I did.

15 Q Okay. So after you testified in February of 2018,
16 did you have any negative consequences as a result of your I'll
17 call protest?

18 A Yes. Four or five of our customers immediately cut
19 us off and wouldn't purchase from us anymore.

20 Q Dispensaries you mean?

21 A Dispensaries.

22 Q Okay. Do you remember any of those names?

23 A Essence, CW -- Essence has never bought from us
24 since, and they did before. We actually did that, but they cut
25 us off.

1 Q Okay. So is it fair to say it was retaliatory
2 behavior for opposing or at least stating your opinions about
3 the regulatory --

4 A That's what I believe --

5 MR. J. SMITH: Objection --

6 THE WITNESS: -- and that's what we heard.

7 MR. J. SMITH: -- calls for speculation.

8 THE COURT: Overruled.

9 BY MS. SUGDEN:

10 Q But nevertheless you went ahead and decided to apply
11 for the dispensary applications in 2018; correct?

12 A Yes. Well, when it came out and we first saw parts
13 of the application, I had my executive director of the Nevada
14 Trucking Association, I'm also on their board. I'm sorry. And
15 I'm the past president, and I think I just left the presidency
16 when this happened.

17 I --

18 Q You keep forgetting to tell me all these good things
19 you've done.

20 A I forgot to -- and I asked Paul Linos [phonetic], who
21 was our executive director, if he could get me an appointment
22 with Deonne Contine and Jorge, and he did. And on January
23 5th we went in and sat down and had a meeting with them, me,
24 Paul Linos, my son Nick and one of our other partners Steve
25 Rosen.

1 And the real meaning was should we waste the amount
2 of money it takes because I had realized with our medical I
3 really didn't spend enough to hire the best people to get that
4 application to where it should have been. You know, we spent
5 about 250,000, and I wanted to say, you know, is it worthwhile?

6 I had Jorge there because he had had a problem with
7 my son Nick. And if that was going to affect us in any way in
8 the future, I needed to know that.

9 And then I talked to Deonne and Jorge about some of
10 the issues I had with this application. And as he told me, you
11 don't know how many points they're going to score you for the
12 taxes being paid. He told me that we would have a fair shot
13 and that he would not give anybody more than one or two
14 licenses, and he would be the person -- he would look at every
15 application at the end, and he would decide who got them.

16 And it always amazed me when he said that because if
17 his boss, you know, if she could have kicked him under the
18 table, you know, she would have. It was that kind of a look
19 that she gave him at that time.

20 Q So let me understand. Mr. Pupo told you at that
21 meeting where there was other people that he would be the final
22 say, determiner of the application process for these --

23 A He definitely said that.

24 Q Okay. Did you rely on those representations that
25 Mr. Pupo made in that meeting in making the decision on behalf

1 of THC to apply for this application process?

2 A We did.

3 Q Okay. So let's go through now, again we're in 2018.

4 The applications come out in July of '18; correct?

5 A Yes.

6 Q Okay. So who did you use --

7 Tell me about that application process. What did you
8 do?

9 A We hired Jay Brown again. He hired a with us a
10 separate consultant to help write it. We also went out and
11 hired another consultant to help us with the financial analysis
12 side of it. We hired an architect to do renderings and
13 drawings for our buildings that we had put in. I know there's
14 been a lot of discussion about whether we had to have a
15 location or not. But when I talked to Jay about it, Jay says,
16 well, Jorge said you don't have to have it. But the law says
17 you do. So that's why we went ahead. We used the buildings I
18 owned, two of them, you know, one in Vegas, one in the county
19 that I owned for putting our dispensary in; and one in Reno
20 where one of our partners, Mike Porra[phonetic] was looking to
21 buy it and build it out and rent it to us.

22 Q So then did you make three applications?

23 A We did.

24 Q And \$5,000 apiece?

25 A Yes.

1 Q Okay. And you also spent money on Mr. Brown, I
2 assume?

3 A Yes.

4 Q Was that the 250,000 you referenced?

5 A It's part of it. Not -- Jay was not that much money,
6 but, yes, that and the consultants and all the other fees we
7 ended up having to pay.

8 Q Okay. So total though, is it your testimony that the
9 amount that THC expended was \$250,000 in this application
10 process?

11 A It is.

12 Q Okay. And if I'm crossing you, I'm going to say,
13 well, Mr. Puliz, why would you use the same consultant,
14 Mr. Brown? Because he wasn't successful in 2014. Why did you
15 decide to use Jay this time?

16 A Well, he wasn't successful with us, but we were one
17 of his later clients coming into it. He did do very well with
18 most of his clients, especially in the county. And if you need
19 to get a special use permit, Jay is the guy you really want to
20 have representing you in Clark County, City of Vegas or North
21 Las Vegas.

22 Q Gotcha. Okay. Now, did you get a chance to review
23 your -- I'm going to back up.

24 December 5th, 2018, what information do you receive
25 as it relates to these three applications?

1 A Well, that's when they announced the winners. We
2 didn't get anything. Matter of fact, it took three days for
3 them to get us our letter saying we did not get a dispensary.
4 Jorge said it was some kind of computer, you know, foul up.
5 But then after that, then we were able to set an appointment
6 and go in and see them. You weren't allowed to take notes or
7 do any pictures. They just gave you the broad each category
8 score, not how they came up with those scores.

9 Q Okay. And we did get admitted -- there were some
10 text messages between your son Nick Puliz and Mr. Pupo on
11 December 5th, 2018?

12 A Right.

13 Q Okay. Is it -- do you understand, have you seen
14 those text messages, what the substance of those communications
15 were?

16 A I have.

17 Q Okay. And in those, what's your recollection of that
18 correspondence?

19 A Well --

20 MS. SUGDEN: Actually, Shane, can you pull that up.
21 I just have the 1538, which I don't think is the correct --

22 TECH SHANE: Is it 1588?

23 MS. SUGDEN: I have 1538, but that might be an old --
24 you know, I came in just a few weeks ago. So I'm still --

25 THE CLERK: 1538 is text messages.

1 MS. SUGDEN: Oh, I got it right. Okay.

2 BY MS. SUGDEN:

3 Q Mr. Puliz, will you take a moment to look at these
4 pages.

5 A Yes.

6 Q Okay. Did you get to go through them all?

7 A Yes.

8 Q Sorry. Okay. So is it your testimony that you guys
9 didn't even find out on December 5th, 2018, what the results
10 were?

11 A Not officially, no.

12 Q Do you know whether or not, other than these text
13 messages if your son communicated with Mr. Pupo?

14 A Sometimes. Most of the time he dealt with Kara
15 Cronkhite and some of the other directors, some of the
16 inspectors directly. Once in a while he would communicate.
17 He'd call, or mostly sent emails to Jorge.

18 Q Okay. And let me back up again. I'm getting ahead
19 of myself. But who is Nick Puliz?

20 A That's my son. He's our general manager that runs
21 the Grove.

22 Q Okay. Does he --

23 A The cultivation facility.

24 Q Okay. The day-to-day operations?

25 A Yes.

1 Q Okay. And so is it your understanding whether or not
2 Nick was able to freely access Mr. Pupo?

3 A I don't believe he was. Again, as I said, Jorge
4 wasn't very pleased with my son, and he would send texts or
5 send emails, and Jorge would give us, yes, no. We had an issue
6 with -- we started recreational that we would put the
7 15 percent wholesale tax on our invoices because for one thing,
8 it's a heck of a lot easier for the State to audit. And so I
9 figured tax would be all over that. They would be very much in
10 favor of it. But, no. Jorge immediately came back and said
11 no, you can't do that. You don't have to put every excise tax
12 on your bill. And that was his words to us that you couldn't
13 do it anymore. So we do not separate them and haven't since.

14 We sent many letters and emails talking about the tax
15 and how the State figures it. That was also one of the things
16 they got approved in their regulations by the legislative
17 committee was how they would round or they would average and
18 come up with a tax. Well, the reason that they told the
19 legislature they would do it that way is because they didn't
20 want a vertical grower to sell pot to themselves for a dollar.
21 There wouldn't be much of a wholesale tax on a dollar, of
22 course, 15 cents. What they failed to realize was because of
23 the federal tax rates, nobody would ever do that because your
24 dispensary would pay 35, 37 percent corporate tax on everything
25 above the dollar.

1 Q Okay. So is it fair then that the State started
2 imposing an average per pound price for the sellers of
3 wholesale marijuana to tax at?

4 A Yes. And they changed it every six months.

5 Q Okay. So even though you may sell, say, a pound of
6 marijuana at \$1400, you have to pay tax on whatever the State
7 determines is the average of all the sales?

8 A Exactly, yes.

9 Q It may be 2,000, maybe 2200?

10 A They're at 2100 per pound right now, and that's
11 supposed to be without the tax. So price to the dispensary
12 would be \$2450.

13 Q Okay. Now, you had mentioned, you know, Mr. Pupo
14 wasn't very happy with your son.

15 A Yes.

16 Q And one of the incidents, was it because of this way
17 in which you guys put invoices and broke out taxes?

18 A Part of it. It happened before that when Mr. Pupo
19 had probably been on the job a month. I don't know, maybe two.
20 He was brand-new running that division, and we were applying
21 for a distribution license. And my son changed a word on a
22 letter that North Las Vegas had sent him because he had been
23 talking with them and told them what he wanted, and they said
24 no problem. And so he added the word distribution into that
25 letter and sent it on to the State for our application for a

1 distribution license.

2 Q Okay. I want to break that down a little bit just so
3 I can understand and the Court what the issues are in that. So
4 there was an application for a distribution license that THC
5 was applying for; correct?

6 A Yes.

7 Q And it was an application to the State?

8 A Yes.

9 Q Okay. And what does a distribution license allow you
10 to do?

11 A That allows you to deliver your product to the
12 dispensaries directly.

13 Q Okay. So without that license, you as a cultivator,
14 cannot move your product and say deliver it to Pisos?

15 A We have to hire a third party vendor that does have a
16 distribution license to deliver it for us.

17 Q And that's an additional cost I assume?

18 A Yes.

19 Q Okay. So THC made the decision to apply for a
20 distribution license, and as part of that, I believe your
21 testimony was there was something needed from the City of North
22 Las Vegas; correct?

23 A Yes. It was a letter stating that they are an
24 approved facility for a marijuana business. Which, of course,
25 we were because they approved it back in '15 when we did the

1 original medical application. The business was a trucking
2 company. We were already a distribution company out of that
3 facility. It's kind of made for that. So and Nick had called
4 them and talked to them because the State asked for this in the
5 application that we get a letter from the City saying it was
6 yes, they're okay with doing that.

7 Q Is it akin to like a special use permit, getting a
8 designation that this facility is approved?

9 A Well, it was -- we already had the special use permit
10 for marijuana. That's why it was just the word -- they already
11 said in the letter that this is an approved marijuana
12 establishment. And Nick had talked to them, and they were
13 supposed to put down marijuana and distribution in it, and they
14 didn't. And that was a Friday, and North Las Vegas is closed
15 on Fridays, and the application had to be in that day. So Nick
16 added the word distribution, which was wrong. There's no doubt
17 about it. That's why I didn't fight Jorge when he came in and
18 just tore my son a new whatever and said he was going to give
19 him a \$10,000 fine. If he wanted to fight it, he would close
20 our business down.

21 Q Okay.

22 A And I understood. I mean, my son was 32 years old,
23 33 years old, and he made a stupid mistake. He hadn't dealt
24 with government agencies like I had for the last 50 years.

25 Q Now, I'll submit to you that the word forgery was

1 used by Mr. Pupo and kind of echoed by Mr. Prince. Knowing
2 what you know about this letter, which I believe was submitted
3 in a Word format; correct?

4 A Yes. It was just a Word doc they sent to him.

5 Q And then Mr.-- Nick, your son, added the word
6 distribution because, again, based on what you said, my
7 understanding is that word was needed to submit this paperwork
8 to the State?

9 A I don't know that it was really needed. Nick thought
10 it was needed.

11 Q Okay. And that activity resulted in a \$10,000 fine?

12 A It did.

13 Q And that activity was --

14 A And the loss of a distribution license.

15 MS. SUGDEN: Okay. I'd like to propose Exhibit 1259.
16 It is a -- I believe -- it's marked confidential. We are
17 willing to waive this because it's related to this disciplinary
18 action, and it is from the State Department of Tax on the
19 specific issue. So it's a public record as well.

20 THE COURT: Ms. Levin.

21 MS. SUGDEN: 1259. It's one page, August 25th --

22 THE COURT: They've indicated they're waiving
23 confidentiality.

24 MS. LEVIN: Yes, Your Honor. I mean, I'm not
25 objecting because I've already -- Ms. Sugden has already said

1 that they are waiving the --

2 THE COURT: All right. Be admitted.

3 (Exhibit Number(s) 1259 admitted.)

4 MS. LEVIN: Okay.

5 MS. SUGDEN: Okay.

6 THE COURT: And, sir, if you need them to make it
7 bigger or go someplace else within the document, let them know.

8 BY MS. SUGDEN:

9 Q Now, Mr. Puliz, if you could look at this letter and
10 see if you're familiar with it.

11 A Yes.

12 Q Okay. And my read of this is that the Department
13 reviewed the application and regrets to inform THC Nevada and
14 to your son Nick Puliz that the applicant's submission of false
15 or misleading documents to the Department is the reason for
16 rejecting or unapproving the application. Is that fair?

17 A That's correct.

18 Q Now, you've heard, like, testimony in this trial;
19 right?

20 A I have.

21 Q Okay. Are you aware that there are several
22 applicants that submitted UPS stores, for instance, on their
23 location?

24 A Yes, I am.

25 Q Do you believe that they're, in your opinion, that

1 misrepresenting that you could operate a marijuana store out of
2 a UPS location is any different than misrepresenting and
3 getting a \$10,000 fine for adding a word?

4 A No. It's as bad, if not worse.

5 Q Thank you. Okay. Now, we're back to December 5th,
6 2018.

7 MS. SUGDEN: If you could pull up those text messages
8 again, Shane. Yeah -- 1589 -- 1538. Okay.

9 BY MS. SUGDEN:

10 Q And in the first message, it says, hey, hey, Jorge.
11 This is Nick Puliz with THC Nevada. It looks like Nick is
12 introducing himself; correct?

13 A Yes.

14 Q Okay. So it leads you to believe that they do not
15 text often?

16 A No. I believe he got Jorge's cell phone number
17 because Jorge texted him or replied to something he had asked.

18 Q Okay. So what happened after this process where you
19 find out that none of the three applications were approved?
20 Did you guys review the scoring?

21 A Yes. My corporate counsel Steve Cohen and my son
22 Nick went down to go over it.

23 Q Okay. And did you get an understanding of what the
24 results of that review were?

25 A I did.

1 Q Okay. You did?

2 A Yes.

3 Q Okay. Tell me what your understanding was.

4 A That we didn't measure up in two or three areas. Of
5 course, we did not be able -- could not see the actual
6 breakdown of the scoring. But under organizational, we scored
7 very poorly. Tax receipts was just middle of the road. And
8 there was two or three other areas that we didn't score as high
9 as I thought we would with all the money I spent and the
10 experts I brought in to put those together.

11 Q Okay. I know you mentioned a few things, and I'd
12 like to walk through them.

13 The organizational chart, I'll submit to you that's a
14 45-point category. Now, did you know within the organizational
15 chart that descriptions were needed?

16 A No. It didn't say it on the application at all. It
17 was a pretty well boxed show us your organizational chart, and
18 that's what we did. And then we found out afterwards that we
19 were supposed to give them or at least for the graders said
20 they had to have a breakdown of each box and what that position
21 entailed and what they did. And that was not in the
22 application that we filled out.

23 Q So THC Nevada got 5.67 points out of 45 on the
24 organizational chart; correct?

25 A Correct.

1 Q Okay. And part of that, from what I just understood
2 you to say is because THC Nevada didn't have the information on
3 how that category was going to be graded?

4 A That's correct.

5 Q Is it fair to say it's not hard to put a description
6 in of employees or key personnel and what they're going to do?

7 A No. We thought --

8 Q If you had that --

9 A Yes.

10 Q I'm sorry.

11 A We thought that was just an easy little they just
12 wanted to see an org chart, which, you know, we've done on
13 many, many different type of bids in application. And if they
14 want more than that, they usually put it right down there and
15 explain what they do for your company, each box.

16 Q Okay. Now, I know you came in this afternoon, and we
17 talked about Haven calling in and listening. You got a chance
18 to hear part of Greg Smith, the expert's testimony earlier
19 today?

20 A I did.

21 Q Okay. And Mr. Smith talked about not what emails,
22 what access to information, who went to dinner with who; he
23 looked at the process and made a determination. Is that your
24 understanding?

25 A Yes, it is.

1 Q Okay. And, in fact, you know Mr. Smith, don't you?

2 A I do. I sit on the prison industries committee with
3 him for two or three, four years, five years, quite a while
4 actually.

5 Q What's your opinion --

6 A And my dad before me.

7 Q I'm sorry. What's your opinion of Mr. Smith?

8 MR. PRINCE: Oh, objection. Foundation. Improper
9 opinions --

10 THE COURT: Overruled.

11 MR. PRINCE: -- as to about what he --

12 THE COURT: You're not asking honesty. You're only
13 asking experience; right?

14 MR. PRINCE: But he's asking opinion on what -- of
15 Mr. Smith.

16 THE COURT: Mr. Prince, he can give an opinion
17 related to the witness's qualifications, but not as to the
18 witness's veracity.

19 MR. PRINCE: She said what do you think of him. That
20 was the question.

21 THE COURT: Yes, Mr. Prince. I have overruled your
22 objection.

23 You can answer, sir.

24 THE WITNESS: Well, I worked with him quite a bit,
25 and he was very, very knowledgeable on all State applications.

1 He dealt with us in prison industries when we would bring in a
2 new employer, had to write a new contract with them for
3 somebody that was going to employ prisoners. He worked with us
4 on building new properties and equipment and those type of
5 purchasing items with us, and he was always a very
6 well-respected part of our committee.

7 Q Did you hear Mr. Smith state that the RFP scoring
8 process in that it is important to know what the criteria is.
9 It must be clear and concise?

10 A Yes.

11 Q Do you agree with that?

12 A Completely. I've done a lot of bids with the states
13 and counties and cities for my moving company and records
14 storage business over the last 30 years, and usually you only
15 fill out exactly what's asked on the application because they
16 don't want to see anything else. And they are very direct.
17 It's checking each box. You know, what's your hiring
18 practices. What's your financial outlook. And then, of
19 course, in a service contract like ours, the bottom part was
20 what's your price, and that was always a major part of any bid,
21 but not the only --

22 Q Criteria?

23 A -- criteria that they pick a vendor to do.

24 When I did the justice courts, I was not the lowest
25 bidder, but they went out and hired an expert to organize and

1 control their move, and he went out and went out to other moves
2 of ours to watch us do it. He went through all the process,
3 and they threw out the guy that was much cheaper than I was
4 because they knew we could get it done in the time frame they
5 needed.

6 Q So again, it's important to represent things -- well,
7 strike that.

8 Let me go back. Now, you had mentioned in your
9 business in the trucking and document storage and disposal that
10 there were times you were involved in the competitive bidding
11 process?

12 A Yes, many times.

13 Q Okay. Approximately how many times?

14 A For large jobs for the city, state, county, 30 times
15 maybe in the last 20 years, 25, 30 years.

16 Q So last 20 years, at least 30 times with public
17 entities?

18 A With public entities, yes.

19 Q That you submitted proposals for?

20 A Yes.

21 Q Do you recall how many of those were unsuccessful?

22 A Probably a third of them.

23 Q And as a result of those unsuccessful bids, did you
24 ever take any steps to contest the process?

25 A No. In my history of knowledge of these, usually

1 when you went to the bid, they did a bid opening with you. So
2 all the 10, 12, 15 people that were bidding sat down in a room,
3 and they opened the bids, and they told us who the winner was
4 and why. And it was always very open. Like when I got my big
5 jobs they said, well, we're giving this one to Puliz. He was
6 more money because he says he can get it done in two months
7 where you're going to take six months. That was the type of
8 criteria that was used, and it was all very open, and everybody
9 knew. So I never did challenge any of them, and I lost some
10 big ones. I didn't do the State offices here in Las Vegas,
11 which is a big one that I would've thought I would've gotten at
12 that time, but I didn't.

13 Q So if you didn't challenge in those 30 plus times in
14 probably, like you said, pretty big bids in some instances,
15 why -- please tell the Court why did you decide to join this
16 litigation?

17 A Well, we didn't to start. And then I started getting
18 information back on it, like some of the applicants got eight,
19 seven, six dispensary licenses in the good areas, which are
20 Clark County area and Washoe County area. After Jorge had told
21 me he wasn't going to give out any more than one or two. So
22 that really made me angry when I figured I just wasted \$250,000
23 to bid on something that I never really had a chance at. So
24 that did get me upset.

25 And then we went to a couple of the meetings. We

1 went to Pisos to talk with the group, and that's where I really
2 decided we needed to be involved in this, that we were not
3 treated fairly.

4 MS. SUGDEN: Okay. I would like to move to admit --
5 and, Your Honor, I'm sorry it's a large exhibit. It's 1600,
6 which is our scoring sheets for THC Nevada.

7 THE COURT: Any objection?

8 MS. LEVIN: Hold on. Is it --

9 MR. J. SMITH: Hold on, Your Honor.

10 MS. SUGDEN: It's 287 pages, but they are important.
11 1600, it's THC's grading sheets from the scores.

12 MR. J. SMITH: Yes, Your Honor. We do have an
13 objection to foundation. There's no evidence the witness has
14 even seen these documents before. They look like internal
15 State documents.

16 THE COURT: I am certain they are if they're scoring
17 sheets, right, Mr. Smith?

18 MR. J. SMITH: They look like it.

19 THE COURT: Yeah.

20 So you can use them with the witness all you want.
21 Because I have a foundational issue, I'm not going to look at
22 them, but you can show them on the screen to have your client
23 look at them and testify about them.

24 MS. SUGDEN: Okay. And just, I'm sorry. Just so I
25 understand, even though they were produced by the State as part

1 of their records and the scoring, there's still foundational
2 issue?

3 THE COURT: There are foundational issues. They've
4 been raised every time somebody has tried to admit the score
5 sheets.

6 MS. SUGDEN: Okay. Thank you. I apologize. Again I
7 just I'm sorry. I came in a few --

8 THE COURT: It's okay. It's okay.

9 MS. SUGDEN: -- a few weeks ago. I'm sorry.

10 MS. LEVIN: Your Honor. Your Honor, just, and again,
11 those are also attorney's eyes only documents. So again to the
12 extent that THC is okay with waiving any confidentiality, then
13 I --

14 THE COURT: Well, I'm going to allow her to show the
15 scoring sheets to her client on the screen. I'm not going to
16 look because they're not admitted, but that does not preclude
17 him from commenting on the scores that he sees on the sheets.

18 MS. LEVIN: Understood, Your Honor. So to the extent
19 any content is disclosed, that's --

20 THE COURT: Yeah.

21 MS. LEVIN: I guess that's a waiver; right?

22 THE COURT: It's fair game.

23 MS. LEVIN: Okay. Thank you, Your Honor.

24 THE COURT: All right.

25 MS. SUGDEN: Well, THC has told me they've nothing to

1 hide. So they are good --

2 THE WITNESS: I don't understand why this stuff is
3 all confidential anyway. It's all State documents. It should
4 be --

5 THE COURT: Well, because there's the State statutes
6 that make everything confidential. I couldn't even see them
7 for two months until the legislature changed the law.

8 Shane, if you could pull it up.

9 MS. SUGDEN: Now, I understand. Thank you. It's the
10 law.

11 BY MS. SUGDEN:

12 Q Okay. So we're going to go to page 9, and we're
13 going to talk about --

14 THE COURT: 1600-9, and I'm looking at the lovely
15 doors and exit signs again.

16 MS. SUGDEN: I'm sorry.

17 THE COURT: It's okay. They've changed a lot since
18 the last time I looked at them.

19 BY MS. SUGDEN:

20 Q Okay. So Mr. Puliz, I've reviewed these with you;
21 correct? Even though -- attorney's eyes only it says on there,
22 but this is your -- this is THC's grading scores?

23 A Yes.

24 Q Okay. Now, Element 2 -- it's hard to see Element 2.
25 It's hard to see. It says, "Adequate first year operating

1 expenses." Do you see that?

2 A I do.

3 Q And is it fair that there's three evaluators, 20
4 points each?

5 A Correct.

6 Q And THC Nevada got a point, a whopping .33?

7 MR. J. SMITH: Your Honor, she's just reading from an
8 unadmitted document now. So I object.

9 THE COURT: Okay. The objection is overruled.

10 Keep going.

11 BY MS. SUGDEN:

12 Q Do you see that, Mr. Puliz?

13 A I do.

14 Q Does it surprise you that out of the 60 points THC
15 Nevada could not get one point for adequate first year
16 operating expenses?

17 A Yeah. I didn't understand that at all.

18 Q Now, again you had talked about THC was one of the
19 first large-scale at least cultivators being in operation since
20 December of '15?

21 A Yes.

22 Q Okay. And is it fair that even though medical was
23 tough, the business was profitable?

24 A Yes.

25 Q Okay. So the business itself in your knowledge of

1 the business as the managing partner, do you feel that there
2 was adequate first year operating expenses for a dispensary?

3 A Yes.

4 Q Okay.

5 A We showed 3 million in liquid cash, not lines of
6 credit, liquid cash in the banks with bank statements or in
7 stock markets that is liquid for our 3 million in cash, plus I
8 showed another 2 million in operating income from the
9 cultivation of 200,000 a month to be able to support a
10 dispensary.

11 MS. LEVIN: Objection. Assumes facts not in
12 evidence.

13 THE COURT: Overruled.

14 BY MS. SUGDEN:

15 Q Okay. Let's go to page --

16 THE COURT: Now, Ms. Sugden, you know I'm not doing
17 math as part of this; right?

18 MS. SUGDEN: I do.

19 THE COURT: Okay.

20 MS. SUGDEN: 23 of 1600. This one doesn't
21 necessarily require math.

22 BY MS. SUGDEN:

23 Q But the first element, taxes paid to the State of
24 Nevada. Do you see that?

25 A I do.

1 Q Okay. And is it your understanding that there is
2 a -- this is a tiered scale. So if you pay zero to 3 million,
3 three to six, you get different points; correct?

4 MR. J. SMITH: Objection. Lacks foundation.

5 THE WITNESS: I understand that now. I did not
6 understand that during the application --

7 THE COURT: Overruled.

8 THE WITNESS: -- but, yes.

9 BY MS. SUGDEN:

10 Q Okay.

11 THE COURT: Mr. Smith, you've got to come to a mic if
12 you're going to be objecting.

13 BY MS. SUGDEN:

14 Q Mr. Puliz, does it make sense to you that --

15 UNIDENTIFIED SPEAKER: I can get --

16 BY MS. SUGDEN:

17 Q -- that one --

18 Oh, I'm sorry.

19 THE COURT: Oh, no. I'm going to make a move.

20 MR. J. SMITH: It's okay. I'll [inaudible].

21 MS. SUGDEN: No, it's okay. I didn't --

22 THE COURT: It's all right. Jordan could usually
23 speak from the back of the room, but he's having trouble today
24 because of the mask.

25 MS. SUGDEN: Is it okay, we're --

1 THE COURT: It is. Keep going.

2 BY MS. SUGDEN:

3 Q So taxes paid. Evaluator one gives THC Nevada six
4 points, but then the other two evaluators give eight points.
5 Does that make sense to you?

6 A I don't know how they could be --

7 MS. LEVIN: Objection. Lacks foundation.

8 THE COURT: Overruled.

9 MS. LEVIN: Calls for speculation. It's also beyond
10 the scope of this phase of the trial.

11 THE COURT: Overruled.

12 BY MS. SUGDEN:

13 Q So it doesn't make sense to you how three
14 different --

15 A It does not -- that does not make sense.

16 Q Okay.

17 We had talked about the organizational chart earlier.
18 Remember that?

19 A Yes.

20 MS. SUGDEN: Okay. Let's go to page 13, Shane, of
21 1600.

22 BY MS. SUGDEN:

23 Q And we had talked about there was 5.67 awarded out of
24 45 points; right?

25 A Correct.

1 Q Okay. And is it your understanding that if you had
2 known that descriptions were needed you would have included
3 that in the organizational chart?

4 A Completely.

5 Q It wouldn't have been hard to do; right?

6 A No.

7 Q But if you had the information and you knew, you
8 would have done it?

9 A Yes. If we would've known it was required on the
10 application, we would've put it in and not lost 40 points.

11 Q Okay. Now, you've heard a lot about this location
12 idea; right, in this trial?

13 A Yes.

14 Q Okay. And Mr. Pupo says that everybody knew that
15 location wasn't going to be scored; is that right?

16 A Not to us. As I said, our attorney Jay Brown said he
17 talked to him. He said it was just -- Jay was very concerned
18 because the law also stated you had to have a location. So
19 that's why Jay advised us to put locations in.

20 Q And in your experience doing all of those bids you've
21 done competitively, I believe you said, look, they ask for
22 something, and you put it in, and that's how they grade it or
23 review it?

24 A Yes.

25 Q Is it fair that if someone has -- if the form had

1 location as an item that it would be reviewed and graded and
2 considered?

3 A Yes, and scored. Because remember, they didn't tell
4 us what parts they were scoring, just categories.

5 Q Because if it wasn't being scored, why in the world
6 would you need to put a location in?

7 A Exactly.

8 MS. SUGDEN: Okay. Your Honor, could we take a
9 five-minute break? I think I'm almost done with him, but I
10 just want to review my notes. I know it's late towards the end
11 of the day. I apologize.

12 THE COURT: Okay. It's a requested break though. So
13 be careful under --

14 What's was the name of the case, Mr.--

15 MS. LEVIN: Coyote Springs.

16 MR. J. SMITH: Coyote Springs.

17 THE COURT: *Coyote Springs versus Bright Source.*

18 MS. SUGDEN: I got nothing to hide.

19 THE COURT: I won't mention Mr. Gentile's client's
20 name.

21 Five minutes.

22 (Proceedings recessed at 4:17 p.m. until 4:19 p.m.)

23 (Pause in the proceedings.)

24 THE COURT: You ready, Ms. Sugden?

25 MS. SUGDEN: I am. Thank you.

1 THE COURT: Wait.
2 MS. SUGDEN: I apologize.
3 THE COURT: We're going to start again. Thank you.
4 MS. SUGDEN: I pass the witness.
5 THE COURT: Thank you.
6 Do any of the other plaintiffs wish to inquire?
7 MR. DZARNOSKI: Yes, Your Honor.
8 THE COURT: Mr. Dzarnoski.
9 Let's wipe down for him. Do you need some wipes?
10 Here you go, Ms. Sugden.

11 MS. SUGDEN: Well, there's actually some up here.
12 Thank you. I just I'm not good at holding.

13 CROSS-EXAMINATION

14 BY MR. DZARNOSKI:

15 Q Good afternoon, Mr. Puliz. My name is Mark
16 Dzarnoski, and I represent Gravitass, GBS Nevada Partners, TGIG,
17 MediFarm, Nevada Holistic Medicine, Nevada Pure and Fidelis in
18 this action. I just have a few questions for you, sir.
19 Inasmuch as you have cultivation and production licenses, who
20 is it that you have to sell your product to?

21 A The dispensaries themselves. They have a buyer
22 usually at each one of their stores that we sell to.

23 Q And you have -- do you sell both recreationally and
24 medical marijuana?

25 A Yeah. There's not much difference in that today

1 except for the way it's sold and taxed. Our product is
2 basically all sold as rec now.

3 Q And would it be accurate, sir, that the only client
4 that you -- the only clientele that you are legally able to
5 sell to is licensed dispensaries in the State of Nevada?

6 A Yes, that's completely true.

7 Q And therefore it's very important for you to know
8 who, in fact, are the licensed dispensaries to whom you can
9 sell; is that correct?

10 A That is correct.

11 Q And I did hear that -- it's a little hard to hear in
12 the back. So I heard that you identified some of my clients as
13 actual customers to acknowledge that they are in business, and
14 you sold product to them. I think I heard you say that Nevada
15 Holistic Medicine was a customer; is that correct?

16 A Yeah. What's their dispensary names? I'm sorry. I
17 don't really --

18 Q NHM.

19 A Yes.

20 Q So you know that they're in business by virtue of the
21 fact that you sell product to them?

22 A Yes.

23 Q Okay. And I'm not sure. Was ShowGrow a customer as
24 well?

25 A Yes, they are.

1 Q Okay. I think you said one other one maybe was a
2 customer, but you probably don't remember all the names. So
3 I'll read them off, and you tell me which one is a customer.

4 The Apothecarium?

5 A I don't believe we sell to them, no.

6 Q Okay.

7 A I think actually we did deliver some samples to them
8 last week or the week before because we are trying to sell to
9 them. So yes, I know they're there and they're in business.

10 Q Right. They are a potential customer, and you try to
11 sell to them?

12 A All of them are potentials. We try them all.

13 Q All right. How about The Grove?

14 A They're not a customer of ours. I know who they are
15 though.

16 Q Okay. And you know they operate a dispensary, and
17 you try to sell to them?

18 A Yes.

19 Q Bloom?

20 A Same thing. They're not a customer of ours today,
21 but we'd like them to be.

22 Q Shango?

23 A Yeah. Shango, we don't sell. They have their own
24 grow on house. So, but I know them very well. I know John
25 [indiscernible] and his son that run it.

1 Q And you try to sell to them?

2 A Oh, yeah. He's tried on and off.

3 Q How about Pisos?

4 A Yes. I know them. I've been in their facility. We
5 don't sell to them currently.

6 Q Okay. In fact, I think you were talking about a
7 meeting that you actually went to at Pisos as well; right?

8 A Yeah. When we started this whole talk of doing a
9 lawsuit, yes.

10 Q All right. So you know them to be a dispensary
11 operating in Clark County?

12 A Yes.

13 MR. DZARNOSKI: I have no further questions.

14 THE COURT: Thank you. Any other plaintiffs wish to
15 inquire?

16 (No audible response.)

17 THE COURT: The State.

18 MS. LEVIN: I do, Your Honor, but I think that
19 somebody wants to go first.

20 THE COURT: You're going to let the intervenors go
21 first?

22 MS. LEVIN: Well, a few of them. I don't know.

23 THE COURT: Come on guys. We've got 20 minutes.
24 Let's get it done.

25 Thank you, Mr. Dzarnoski, for wiping this down.

1 MR. DZARNOSKI: You're welcome, Your Honor.

2 THE COURT: Mr. Koch.

3 CROSS-EXAMINATION

4 BY MR. KOCH:

5 Q Mr. Puliz, my name is David Koch. I represent Nevada
6 Organic Remedies. I know we met at your deposition some time
7 ago. Fair to say this is not the first time that your company
8 was not happy with the results of the marijuana application
9 process; right?

10 A Do you mean not happy that we didn't get a medical
11 one? Yeah, we weren't happy about it. That's for sure. Yes.

12 Q Right. 2014, 2015, you didn't get a medical license.
13 You weren't happy about that.

14 A Right.

15 Q Right. And you did get a cultivation license; is
16 that right?

17 A We did get a cultivation and production license.

18 Q And you understand that at that time had you received
19 a medical license eventually you could have opened under the
20 Early Start Program to have recreational sales through your
21 company; correct?

22 A If we had had a dispensary, yes.

23 Q Right. And so the vertical integration issue that
24 you raised, you've talked about sales, different parties, had
25 you received a medical license in 2014, 2015, the concern about

1 selling to others, that would be alleviated to a degree;
2 correct?

3 A To a degree, yeah.

4 Q -- have vertical integration?

5 A All of the vertical people that have their own
6 cultivations, and quite a few of them do, they sell mostly to
7 themselves, but they also sell to each other and so that
8 everybody can have more strains and more different -- different
9 items on their shelves.

10 Q All right. So in 2014, 2015, that was Jay Brown who
11 represented you then?

12 A Yes.

13 Q Okay. Didn't get a license when he represented you
14 then. And I want to touch on some of the claims about the, I
15 guess, bias or ill feelings towards your company.

16 MR. KOCH: If we can pull up Exhibit 1259 again. Can
17 you pull that one, Brian.

18 BY MR. KOCH:

19 Q And this is that letter that was talked about
20 referring to the fraud letter that was submitted from North Las
21 Vegas or at least the one that's been called a fraudulent
22 letter; correct?

23 A Yes.

24 MS. SUGDEN: I'm going to object to the word "fraud."
25 That was not used.

1 THE COURT: Overruled.

2 THE WITNESS: Yeah, it doesn't say fraud.

3 BY MR. KOCH:

4 Q Well, false or misleading information; correct?

5 A Right.

6 Q Okay.

7 A They weren't fraud. It wasn't false. It was just
8 not there when it should have been there, and North Las Vegas
9 agreed with me because that's what -- they went to North Las
10 Vegas first because they thought North Las Vegas should be the
11 one. It was their document, and they said, no, we're not doing
12 anything about it because we knew what he wanted, and that's
13 what it was.

14 Q Okay. And you didn't appeal or fight this \$10,000
15 fine at all, did you?

16 A I did not.

17 Q You paid it?

18 A I paid it.

19 Q You paid it; correct?

20 A Yes.

21 Q Okay. And was it from this point on that you felt
22 like the Department had some sort of a bias or prejudice
23 against your company, or when did it start?

24 A I didn't say I felt that way. I wanted to make sure
25 it wasn't, which is why I had that meeting in January of '18 to

1 see if there was some kind of issues, that I should not bother
2 to apply.

3 Q Right. Because even after this letter about the
4 false or misleading information, you asked for it, and you got
5 a private meeting with Jorge Pupo and Deonne Contine; correct?

6 A We did. In their offices.

7 Q And at that meeting, you were able to talk about the
8 application process and what the expectations were for the
9 award of license come fall?

10 A Yes. We told them what we were unhappy with. It had
11 not been adopted yet. So it was before it was -- the
12 regulations were adopted.

13 Q And you were aware of the regulations that were being
14 considered in January, in fact, were finalized by February
15 of 2018, right around that time; correct?

16 A Correct.

17 Q And you actually went to the meetings. We saw some
18 of the notes from those meetings that you went to; right?

19 A Yes.

20 Q And during this January 2018 -- meeting, you say that
21 Jorge Pupo told you that he personally would make sure that any
22 applicant only got one or two licenses each?

23 A He said that he did not -- he had planned not to give
24 more than one or two licenses to any applicant and that he
25 would be the final -- he would look at every application and

1 make the final decisions on them.

2 Q Didn't that raise some concern with you? Because
3 that's not part of the regulations; right? The limit --

4 A There wasn't any regulations yet. So how would I
5 know?

6 Q It wasn't part of the ballot question. You were
7 aware of the ballot question; right?

8 A I was aware of the ballot question.

9 Q And so during this meeting when Jorge tells you he's
10 going to limit to one or two, did you have any concern about
11 that?

12 A No. That actually made me feel good because it meant
13 us other cultivators, all the other people that had been in
14 this industry since the start, not people that opened the day
15 before rec started, which quite a few of these guys did.

16 Q Okay.

17 A Maybe not the day before, the month before --

18 Q So during this -- Go ahead.

19 A That we would actually have an opportunity.

20 Q Okay. And so everyone would be limited to one or two
21 licenses which meant you might get one or two licenses;
22 correct?

23 A Maybe, yes.

24 Q But you applied for three?

25 A We did.

1 Q Okay. You told us through your deposition that that
2 was a mistake. You didn't really mean to apply for three. You
3 meant to apply for two, but you really did apply for three;
4 right?

5 A I corrected that. I had forgot about filing in the
6 county. Because this always says Las Vegas, but our other
7 application was for the county for my building on Arville.

8 Q Okay. And after that meeting you said Jorge had had
9 some kind of a problem with your son. Is that right?

10 A Well, you saw it. That was the letter. That was the
11 issue. That's the only issue he had with him. We paid it. We
12 did what he said, and I wanted to make sure that was good.

13 Q Okay.

14 A If you've ever dealt with government employees, you
15 have to make sure that they're not carrying a grudge, and he
16 assured us he was not.

17 Q Right. He assured you he was not in fact, went so
18 far as your son offered Jorge a job if he were ever to leave
19 the Department of Taxation; correct?

20 A You know, it was kind of a joke. Jorge made the
21 comment that as Laxalt got elected governor, he was quitting
22 and would need a job. And you know how that is. This was just
23 and then Nick said, oh, God, I could always use a guy to do my
24 compliance stuff for me. But it was just a joke. It was never
25 anything considered real.

1 Q Okay. You weren't there when that joke was made?

2 A I was not. I was relayed it by my son afterwards.

3 Q Okay. So your son made a joke job offer to Jorge.

4 When was that? When did that take place?

5 A Right before the election. So that's what, two years
6 ago been in '18, probably the end of '18, somewhere in there.

7 Q Okay.

8 A When was the election for governor? I forget.

9 Q In fact, you said it was prior to the applications
10 being submitted, wasn't it?

11 A It could have been.

12 Q Yeah. So you had the applications in hand, but it
13 was prior to the September 20th, 2018, deadline that this
14 joke job offer was made?

15 MS. SUGDEN: Objection. Because he said it was
16 around the election.

17 THE COURT: Overruled.

18 THE WITNESS: I don't remember exactly what date it
19 was. All I knew it was right before. The election is in
20 November. So it had to be some time October, November of '18
21 when the election was coming on.

22 BY MR. KOCH:

23 Q All right. If we could -- you had your deposition.
24 You had a chance to review that. You said you made changes to
25 that deposition. Right? You made those changes; correct?

1 A Yes. We actually added -- the only thing I really
2 saw was that we did apply for three, not for two.

3 MR. KOCH: Okay. If we could put up page 74,
4 starting with line 25, Brian.

5 THE COURT: Do we have the original? Dulce?

6 MR. KOCH: And I asked Brian to --

7 Are we emailing that to you, the original?

8 THE CLERK: Yeah.

9 MR. KOCH: Okay. Brian's going to email that to you.

10 THE CLERK: Thank you.

11 THE COURT: So we'll publish it.

12 MR. KOCH: Okay.

13 THE COURT: And, sir, since this is your deposition,
14 if you want them to move it forward for you to see earlier
15 parts of the testimony or after to see later parts, please ask
16 them, and they'll move the screen for you.

17 THE WITNESS: Thank you.

18 BY MR. KOCH:

19 Q All right. Actually, we're going to go to 74. Let's
20 look at the whole page of 74, if we could, beginning with
21 line 6: Have you or anyone at THC ever discussed offers of
22 employment with existing or former employees of the Department
23 of Taxation?

24 Answer, I haven't, but my son Nick has.

25 And you further talk about the potential job offer.

1 And I want to start with line 22:

2 Question, That was before the applications were
3 submitted?

4 Answer, yes.

5 So it was before the applications were submitted;
6 right?

7 A Okay, again, yeah. Well, I think the applications
8 actually got submitted in September. So I could have been
9 wrong there. It was election time, and I know -- so it was
10 probably after that, but it was before they awarded any
11 applications.

12 Q Okay. So that was before the award which took place
13 in December. And based on your meeting in January, you
14 expected that Jorge would personally review each application to
15 make sure that they were going to -- he would personally decide
16 who was going to get each license; correct?

17 A That's what he said, yes.

18 Q And when Nick made this joke job offer, that was
19 before final decisions were made on the licenses; right?

20 A Yes.

21 Q All right. Concerned about that, offering a
22 government employee a job prior to decisions being made by that
23 employee?

24 A Well, if it would have been a real offer, I would
25 have been very upset about it. It wasn't a real offer.

1 Q All right. And the issue about the communications
2 with Jorge, Nick actually did communicate with Jorge at least
3 on a fairly regular basis, a couple times a month at least;
4 right?

5 A Maybe.

6 Q Right. And if we look at the text string that I
7 think was put up earlier, Exhibit 1538, please. So here's the
8 text string. You've seen this document before; right? We've
9 talked about this at your deposition?

10 A Yes.

11 Q All right. And this is where Nick was asking Jorge
12 what the decision was on the licenses on December 5th, 2018;
13 right?

14 A Correct.

15 Q And Jorge told Nick you wouldn't be happy with the
16 outcome. Do you recall that?

17 A Correct.

18 Q Okay. And it was your testimony earlier that you
19 actually didn't get notice of not getting a license until at
20 least three days later; right?

21 A Correct.

22 Q If we could pull -- Exhibit 1539 it's not been
23 admitted. And put that on the screen and ask you if this is an
24 email that you received on December 5th, 2018?

25 THE COURT: I'm not looking.

1 THE WITNESS: Yes.

2 MR. KOCH: Okay. Move to admit Exhibit 1539.

3 THE COURT: Any objection to 1539?

4 MS. SUGDEN: No.

5 THE COURT: 1539 will be admitted.

6 (Exhibit Number(s) 1539 admitted.)

7 BY MR. KOCH:

8 Q So isn't it true, Mr. Puliz, that this email, the
9 bottom email from Steve Gilbert to Nick Puliz, which is one of
10 the points of contact for your company, was sent December
11 5th, 2018; right?

12 A Yeah. That's what it says, at 6:00 o'clock at night
13 or 5:57 p.m. that night.

14 Q Right. 5:57, and it says retail store, marijuana
15 store applicant, please see attached correspondence regarding
16 retail marijuana store licensing. Please direct all questions.
17 And then Nick forwards that to you with the attachments that
18 are there saying, we did not get one; right?

19 A Right.

20 Q So you actually did get the license notification that
21 same day. It wasn't three days later, was it?

22 A Well, it wasn't the actual form that everybody else
23 got sent from the State. This was something I guess because we
24 were complaining about it, yes. I told you we knew it. We
25 just didn't get the official notification till later.

1 Q All right. So you didn't get official notification.
2 Three days later you got in the mail. Is that what you're
3 referring to?

4 A Yes.

5 Q So you knew December 5th, and so the three days the
6 State didn't have it out for you with that; right? You
7 actually got notice on that day at least; correct?

8 A Oh, yeah. I never felt it was an issue with that.

9 Q And you were upset that you didn't get a license on
10 that date; correct?

11 A Yes.

12 Q Very good. As you sit here today, what do you blame
13 for not getting a license? What's the reason you think you did
14 not get a license?

15 A Well, now that I've been able to look at the scoring
16 sheets, it's because the application we filled out did not ask
17 us to do the detailed portion of our org chart. That cost us
18 40 points right there. There were some other scoring
19 irregularities on the financial side. I thought we had way
20 more than what the State asked for, which was \$250,000 per
21 license application. We gave them 3 million in cash, and then
22 he saw my personal financial statement that was worth
23 20-some-million dollars at that time.

24 Q All right. And once again I guess hired David Brown
25 at that time to fill out your applications?

1 A Yes.

2 Q And, in fact, they were kind of scrambling at the
3 last minute to come up with information to include in that
4 application; right?

5 A I don't know. I know he was going back and forth,
6 had some questions, and I think he actually even sent a letter
7 in to change something.

8 Q Yeah.

9 A I don't know if that actually happened or not. He
10 told me he was doing it.

11 Q So let's look at Proposed 1537 and ask you if you
12 recognize this document.

13 THE COURT: I'm not looking.

14 Any objection, Ms. Sugden?

15 MS. SUGDEN: Yes. Hearsay.

16 THE COURT: Okay.

17 BY MR. KOCH:

18 Q Mr. Puliz, did you receive this email from Nick
19 Puliz -- do you see in the middle there dated September 19th,
20 2018? Do you see your email address there?

21 A Yes.

22 Q Okay. And that was from your son Nick on that date;
23 correct?

24 A Yes. To David Brown our attorney.

25 MR. KOCH: Okay. Move to admit 1537.

1 MS. SUGDEN: And also like to add attorney-client
2 privilege.

3 MR. KOCH: It was produced in this case.

4 THE COURT: It's been produced. So the objection is
5 overruled. The fact that the witness received it and is a
6 recipient on it is sufficient for the foundation.

7 (Exhibit No. 1537 admitted.)

8 BY MR. KOCH:

9 Q All right. And so, Mr. Puliz, on September 19th,
10 2018, there were all sorts of discussions going on about
11 comments and questions about what the content of your
12 application would look like; right?

13 A Yes.

14 Q And, in fact, the night before, the top email there
15 from Dave Brown is --

16 MR. KOCH: Can we go up to the top, Brian.

17 BY MR. KOCH:

18 Q -- is 5:51 p.m. the night the applications were due,
19 and Nick is providing -- it looks like Dave is providing
20 comments below in red; right?

21 A Yeah. I don't see anything in red on it what I'm
22 looking at. But, okay.

23 Q Right. It's just a black-and-white printout.

24 But fair enough to say the night before the
25 applications were due you're still trying to figure out what

1 information needed to go on the application; right?

2 A We had gotten our final copy from him. And as Nick
3 went through it, these were the issues he found in it.

4 Q All right. And one of those issues related to board
5 members; correct? You had advisory board members?

6 A A couple, yes.

7 Q Yeah. Andre Rhodes was one of those advisory board
8 members?

9 A He is.

10 Q Andre Rhodes one of the owners of Nevada Wellness
11 Center was that advisory board member?

12 A Yes. He was the person I hired to be our qualified
13 employee to run a dispensary.

14 Q And he was specifically hired for the purpose of the
15 application in part to provide experience and also to provide
16 some diversity for your company; correct?

17 A Actually, it was just about experience at that time
18 is why we got Andre. We had worked with him for the last
19 couple years. And then Frank came in and took over the
20 management of it, and Andre didn't have an actual job anymore.
21 So that's why he was okay with us hiring him, and he was a big
22 part of the expenses that we did for the application.

23 Q He was a good part of the expenses? You mean what
24 you paid to Andre; is that right?

25 A Yes. We paid him to be on our advisory board to

1 bring us that knowledge that the State required that you had to
2 have a knowledgeable person in Nevada dispensaries.

3 Q Did you have a concern that you were hiring the owner
4 of another company that was applying for a license to be your
5 consultant to be on an advisory board that you didn't have
6 before?

7 A I asked Frank, and he said it was okay.

8 Q All right.

9 THE COURT: Mr. Koch, how much longer have you got?

10 MR. KOCH: Probably 10 to 15. So.

11 THE COURT: How many more intervenors I got to ask
12 questions?

13 (No audible response.)

14 THE COURT: Okay. So, sir, can you come back at
15 8:30 tomorrow?

16 THE WITNESS: I can.

17 THE COURT: Okay. Sorry. There's more than
18 45 minutes back there.

19 THE WITNESS: I thought so.

20 MR. KOCH: Thank you.

21 THE COURT: I asked for a show of hands.

22 All right. Mr. Rulis, you had something you wanted
23 to say.

24 MR. RULIS: I do, Your Honor.

25 THE COURT: I'm sitting here listening.

JD Reporting, Inc.

1 MR. RULIS: I spoke with Mr. Shevorski earlier, and
2 we wanted to put a stipulation. It's the same thing that we
3 mentioned I think it was two weeks ago. We are going to
4 stipulate --

5 THE COURT: Did you talk to Mr. Dzarnoski this time
6 first?

7 MR. RULIS: I did not. I'm sorry.

8 THE COURT: Darn, Mr. Rulis. You know, it's not like
9 he's not here.

10 MR. RULIS: He was up here asking questions.

11 THE COURT: Uh-huh. Go talk to him, and then you can
12 tell me what it is you want to say.

13 (Pause in the proceedings.)

14 MR. RULIS: So, Your Honor, the stipulation that I
15 had with Mr. Shevorski was to extend the deadline to file the
16 opening briefs for the petition for judicial review for MM,
17 LivFree, Qualcan, and NWC, and the ETW plaintiffs.

18 I understand Mr. Dzarnoski previously objected and is
19 still going to object to that.

20 THE COURT: Okay. So you've given the State and you
21 and the State have agreed to an extension for your briefs, but
22 Mr. Dzarnoski has already filed his and expects the State to
23 respond.

24 MR. RULIS: Correct.

25 THE COURT: Is that fair?

JD Reporting, Inc.

1 MR. SHEVORSKI: We're working on that.

2 THE COURT: I know. I'm still here.

3 MR. DZARNOSKI: And I do still object, yes, Your
4 Honor. I think they ought to file a motion if that's
5 appropriate.

6 THE COURT: Well, no, they can -- they can agree
7 among themselves to modify their schedule. They can't modify
8 your schedule is what I'm trying to say.

9 MR. DZARNOSKI: Well, okay. Then let me just add
10 that although it is still pending in front of the Cannabis
11 Control Board, as I have read the proposed settlement, there
12 will be a motion filed within a matter of days to realign the
13 plaintiff side to potentially intervenors or the side of the
14 State. I don't know whether that includes the petition for
15 judicial review or not.

16 THE COURT: And if they file something we'll deal
17 with it.

18 MR. DZARNOSKI: So you're giving them additional time
19 is what it -- is that what I'm hearing?

20 THE COURT: No.

21 MR. DZARNOSKI: Oh, okay.

22 THE COURT: I recognize a stipulation has been made
23 between counsel related to the filing of the opening brief
24 related to the petition for judicial review. That is
25 absolutely the only thing that I recognize. I didn't issue an

1 order. They just told me as a courtesy. They don't have to
2 tell me at all.

3 MR. DZARNOSKI: Oh, okay. Thank you.

4 THE COURT: Anything else?

5 MR. WILLIAMSON: Your Honor, I just wanted to confirm
6 the schedule while we're all together.

7 THE COURT: We will be here at 8:30 tomorrow morning.
8 We will start with Mr. Puliz. We will finish him within an
9 hour and 15 minutes.

10 There will then hopefully be a successful test by
11 Litigation Services at 9:45. And at 10:00 o'clock we will
12 start with Ms. Cronkhite. I have no idea what happens after
13 that.

14 MR. WILLIAMSON: Fair enough. None of us do
15 [indiscernible].

16 MR. SHEVORSKI: Your Honor, [indiscernible].

17 THE COURT: What?

18 MR. SHEVORSKI: We have an update on Ms. Cronkhite.

19 THE COURT: You got to get near a mic.

20 MS. LEVIN: Your Honor, I just heard from
21 Ms. Cronkhite that her doctor has cleared her, like, for her to
22 come back to work. She hadn't been. And she has a note that
23 she can appear.

24 THE COURT: Oh, she wants to come?

25 MS. LEVIN: And I think she wants to come.

1 THE COURT: That would be fine. I know that everyone
2 would prefer to see her in a socially distant manner rather
3 than try to deal with the video.

4 So, Shane, will you tell people we are not doing a
5 video tomorrow. She's coming live. See how it all works out.

6 Anybody else?

7 (No audible response.)

8 THE COURT: I shall see most of you then at 8:15 in
9 the morning when you generally show up to get ready to start.

10 (Proceedings recessed for the evening 4:46 p.m.)

1 **LAS VEGAS, CLARK COUNTY, NEVADA, AUGUST 5, 2020, 8:22 A.M.**

2 *** * * * ***

3 **JORGE PUPO**

4 [having been called as a witness and being first duly sworn,
5 testified as follows:]

6 THE COURT: Okay. Now you can sit down. I swore him
7 in.

8 THE CLERK: Thank you.

9 THE COURT: I just didn't want you to have to get up
10 and down.

11 Mr. Rose, you said you had about a half-hour.

12 Mr. Gentile, did you have a housekeeping matter?

13 MR. GENTILE: I do.

14 THE COURT: Okay.

15 MR. GENTILE: Your Honor, last night I sent out an
16 email to everybody, and when I looked at it this morning I
17 guess I also sent it to the clerk of the court, and I didn't
18 intend for that, but that's what happened.

19 THE COURT: Darn.

20 MR. GENTILE: The long and the short of it is we
21 believe, we meaning the plaintiffs believe that if we could
22 take Kara Cronkhite's deposition tomorrow we can finish our
23 case and probably rest it. If not the last minute on Monday
24 then early Tuesday morning. But it's going to require that
25 deposition and all of the intervenors and the State are in

 JD Reporting, Inc.

1 agreement. So with the blessing of the Court I would like to
2 be able to call Litigation Services, set up the deposition for
3 tomorrow.

4 THE COURT: In the preservation of testimony?

5 MR. GENTILE: Preservation of the testimony.

6 THE COURT: Okay. Is the State okay with that?

7 MR. SHEVORSKI: The State agrees, Your Honor.

8 THE COURT: All right. Anybody object?

9 MR. SMITH: No, Your Honor. There is just one
10 additional piece to it that Mr. Gentile forgot. Part of the
11 agreement is contingent on the extent that any testimony from
12 today's not finished, we finish it tomorrow morning before
13 beginning the deposition of this Ms. Cronkhite.

14 MR. GENTILE: Yeah. I actually didn't read
15 Mr. Bice's email until about 10 minutes ago and
16 [indiscernible]. He's right I did forget that, but that would
17 be the only condition. In other words, I'm going to schedule
18 her depo for 10:00 o'clock.

19 THE COURT: Okay.

20 MR. GENTILE: I can't imagine that we won't finish
21 today. I mean, tomorrow, no, today. I can't imagine that we
22 won't finish today, but --

23 THE COURT: How many witnesses you got today? You
24 got Mr. Pupo this morning, Mr. Smith after that and then what
25 do we got?

1 MR. GENTILE: Mr. Puliz and a deposition.

2 THE COURT: Okay.

3 MR. GENTILE: And we added it up, and even with
4 protracted cross it shouldn't last five and half hours.

5 THE COURT: Okay.

6 MR. GENTILE: So if the Court will allow me, I'd like
7 to go call and have Litigation Services --

8 THE COURT: So let me confirm with the State what I
9 believe I know from the record. It's my understanding that
10 based upon Ms. Cronkhite's recent medical procedure and some
11 issues she had related to that procedure, and the COVID test
12 that her doctor had her take when he saw her as a result of
13 those complications, that she's been advised not to return to
14 work, which would mean participating in the trial and has not
15 yet received her COVID test results; is that correct?

16 MS. LEVIN: That's correct, Your Honor.

17 THE COURT: Okay.

18 MS. LEVIN: Her results --

19 THE COURT: I don't need any more.

20 MS. LEVIN: It takes forever. I don't know why,
21 that's the main hold up right now because she's feeling better.

22 THE COURT: Okay.

23 MS. LEVIN: But -- better than before but
24 [indiscernible].

25 THE COURT: Given that representation related to the

1 medical condition that she is currently experiencing, I am
2 going to allow the perpetuation of the testimony to occur. If
3 you have all agreed to do it tomorrow at 10:00 o'clock after
4 you finish all of the evidence that is otherwise going to be
5 presented in the case, then that's great. And then we will
6 play that preserved testimony then on Monday; is that the plan?

7 MR. GENTILE: That's the plan. We -- we are ordering
8 an expedited transcript. We hope to have it by Friday and
9 circulate it, and then everybody can do whatever they want to
10 do.

11 THE COURT: So can I just ask the elephant in the
12 room question. Given her medical condition why don't we just
13 have her testify by video so we don't have to do it twice?

14 MR. GENTILE: I'm sorry?

15 THE COURT: Given her medical condition why don't we
16 just to have her testify by video and come up with an agreement
17 on if there is a problem with the record how you are going to
18 confirm that the record occurred?

19 MR. GENTILE: Well, that's what we do plan on doing.
20 And --

21 THE COURT: So we're all going to sit here tomorrow
22 at 10 and take her testimony?

23 MR. GENTILE: No. That's no -- we were going to do
24 it at litigation. She needs to do it at home.

25 THE COURT: I know.

1 MR. GENTILE: And so we were going to do it in the
2 nature of a -- of a videotaped presentation and then submit it
3 to the clerk because, you know, I mean, if the Court wants to
4 do that, I don't know if I can -- I don't know -- I don't know
5 if, if they can do that. You've been concerned about video in
6 the courtroom --

7 THE COURT: Well, I -- remember we came up with a
8 solution which was what you called a bystander record, and I
9 required a stipulation while there were certain real medical
10 conditions if we were going to take testimony by video. And
11 I'm happy to take the testimony by video tomorrow morning so we
12 don't have to do it twice because the plan you've come up with
13 is to preserve her testimony and then play the preserved
14 testimony which is two times.

15 MR. GENTILE: All right. But we've already postponed
16 two witnesses to Monday based on some --

17 THE COURT: Okay. That's fine.

18 MR. GENTILE: So I would really prefer to let her
19 stay home. We depose her. She may need to get up a bunch of
20 times; I don't know, and we want to make it as easy for her as
21 possible.

22 THE COURT: Okay.

23 MR. GENTILE: Okay.

24 THE COURT: I said okay.

25 MR. GENTILE: All right. Thank you, Judge.

1 THE COURT: So are we ready to start Mr. Pupo? I
2 swore him in.

3 MR. ROSE: May I, Your Honor?

4 THE COURT: You may.

5 CROSS-EXAMINATION

6 BY MR. ROSE:

7 Q Good morning, Mr. Pupo. My name is Chris Rose. I
8 represent Wellness Connection of Nevada. I just have a few
9 follow-up questions for you from yesterday.

10 Would you please explain whether you ever reviewed
11 any of the applications that were submitted for recreational
12 licenses in September of 2018?

13 A Can you speak up a little bit, I mean, I think I
14 heard you, but no, I did not review any applications.

15 Q Okay. You did not review any of the applications
16 that were submitted in September 2018 at any time?

17 A At any time.

18 Q Okay. And that would be because as you testified
19 yesterday in response to questioning by Mr. Prince, you were
20 not involved in the grading or the scoring of those
21 applications; is that correct?

22 A That's correct.

23 Q That was done by, according to your understanding,
24 the outside independent graders that the D.O.T. hired?

25 A Yes.

JD Reporting, Inc.

1 Q All right. So let's talk about them. Would you
2 please explain any discussions you had with Danette Kluever.

3 A Danette?

4 Q Do you know who that is?

5 A Yeah. It sounds familiar. I think there was a
6 contractor that stayed on with the Department afterwards for a
7 period of time, and I believe that's her because that name
8 sounds familiar.

9 Q Okay. Do you recognize her as one of the graders?

10 A Yes. I think that's -- she was a grader. If I'm
11 talking -- if we're talking about the same person, she was a
12 grader that later stayed on with the Department for a period of
13 time afterwards.

14 Q Okay. So after the applications were submitted in
15 September 2018, did you have any discussions with Ms. Kluever
16 or any of the other graders that were in charge of reviewing
17 and grading the applications?

18 A No.

19 Q So you had no discussions with her, with Mr. Elloyan,
20 Mr. Lemons, anyone who was any of the outside contractors hired
21 by the D.O.T. to review and score the applications; you had no
22 discussions with them?

23 A No.

24 Q What about any emails? Did you exchange any emails
25 with any of the outside graders that the D.O.T. hired after the

1 applications were submitted in September 2018?

2 A No.

3 Q Text messages?

4 A I'm sorry?

5 Q Any text messages?

6 A No.

7 Q So you had no contact of any time with the
8 individuals that were charged with reviewing and scoring the
9 applications; is that fair?

10 A That's correct.

11 Q Okay. Is it fair to say that you did not have any
12 influence over how the graders decided to score any particular
13 application?

14 A That's correct.

15 Q And you never tried to exercise any influence over
16 that process; correct?

17 A Correct.

18 Q Are you aware of anyone who worked for or who
19 assisted the D.O.T. that you believe did anything improper to
20 influence the graders and how they reviewed and scored the
21 applications that were submitted in September 2018?

22 A No.

23 Q And you're not aware of anyone -- anyone connected
24 with the D.O.T. or employed by the D.O.T. that caused the
25 graders to show any favoritism or preferences in how they did

1 their job in reviewing and scoring the applications; is that
2 correct?

3 A That's correct.

4 Q You understand that you're named personally in this
5 litigation; right?

6 A Yes.

7 Q Have you ever received any money, payments, call it
8 whatever you want, bribes, kickbacks, anything of that nature?
9 Have you received anything of that nature in connection with
10 your job at the D.O.T.?

11 A Never.

12 Q And are you aware of anyone who is employed or
13 connected with the D.O.T. in any way whoever received any
14 payments of any kind, bribes, kickbacks, call it whatever you
15 want, for any special or favorable treatment in the process
16 connected with the applications submitted in September 2018?

17 A No.

18 MR. ROSE: Thank you Mr. Pupo.

19 THE WITNESS: You're welcome.

20 THE COURT: Mr. Rose, you didn't wipe it down.

21 MR. ROSE: That's right.

22 THE COURT: Mr. Gentile, I think -- is there any
23 other intervening defendant or who wants to come up?

24 Mr. Kahn. Thank you.

CROSS-EXAMINATION

BY MR. KAHN:

Q Good morning, Mr. Pupo. My name is Jared Kahn. I represent Helping Hands Wellness Center. Are you familiar with Helping Hands Welcome Center? They are a prevailing licensee applicant.

A I've heard of them. Yeah. I'm not intimately familiar with them.

Q Okay. During the application process, did anyone from Helping Hands contact you directly to inquire about the application?

A No.

Q Did you provide any information directly to Helping Hands that was not provided to any other applicant?

A No.

MR. KAHN: Okay. Thank you.

THE COURT: Any other interveners wish to inquire?
Mr. Gentile.

Thank you, Mr. Kahn.

REDIRECT EXAMINATION

BY MR. GENTILE:

Q Good morning, Mr. Pupo.

A Good morning, Mr. Gentile.

Q Yesterday when Mr. Bice was questioning you -- do you know what a leading question is; do you know what that means?

1 A Yes.

2 Q Okay. What does it mean?

3 A Basically, a question trying to guide an individual
4 to answer -- to a certain answer.

5 Q Okay. And he -- yesterday you said -- he questioned
6 you with regard to whether or not you talked about GTI and the
7 transaction that was going to occur between Mr. Yemenidjian and
8 his -- one of his companies, Integral Associates and GTI at
9 Hank's, and I want to read to you -- and you basically said
10 that you didn't remember, you didn't think so, okay. That was
11 the essence of what you said yesterday, but he led you. So
12 what I would like to do now --

13 MR. GENTILE: And, Shane, if you will, this is the
14 deposition of Jorge Pupo, pages 70, starting at line 23. Wait,
15 wait, wait. Pages 70 and 71, but unfortunately I'm looking at
16 the rough over here, and I looked at the finished product this
17 morning. So page 70 and 71.

18 (Pause in the proceedings.)

19 BY MR. GENTILE:

20 Q Mr. Pupo, we're going to show you your deposition in
21 a second.

22 (Playing audio-video deposition)

23 Now, with regard to the bars or restaurants at which
24 you met Mr. Yemenidjian, can you tell us what bars and
25 restaurants you met with him at?

JD Reporting, Inc.

1 A I believe the Elephant Bar. And I think that's the
2 only one -- that's the only one I can remember.

3 Q Well, the Elephant Bar serves food, but it's a bar
4 for the most part. What about Hank's? Do you know what Hank's
5 is? It's a steakhouse over at the Green Valley Ranch.

6 A Ranch, so I've heard, yes, sir.

7 Q Did you ever meet him there?

8 A So I had, I believe, you know, today I believe I did.
9 I couldn't remember that meeting location during the
10 preliminary injunction, but I believe I -- today I as I sit
11 here today, I believe I did.

12 Q Okay. What do you remember now that you didn't
13 remember then? Why don't you describe that meeting in terms of
14 who was present, what was talked about, what was placed on the
15 table by the people who work there; things of that nature.

16 UNIDENTIFIED SPEAKER: Objection to the form of the
17 question.

18 THE COURT: Overruled.

19 MR. BICE: Objection to the form.

20 THE WITNESS: Yes, so it was Amanda Connor and Armen,
21 himself, and I believe he was telling me about the sale of the
22 Integral businesses to GTI.

23 BY MR. GENTILE:

24 Q So you remember about, I'm sorry, I didn't mean to
25 cut you off.

1 A Right. [Indiscernible]. I think it's GTI that
2 bought them or whatever, but he was just telling me about that.

3 (Publishing of audio-video ends.)

4 BY MR. GENTILE:

5 Q Okay. And then later on at your deposition Mr. Bice
6 questioned you about the same subject.

7 Can we have page 212 and 213 queued up. If you give
8 me a second --

9 (Publishing audio-video deposition.)

10 BY MR. GENTILE:

11 Q Well, in other words, merging meetings or discussions
12 that you've had over the course of years and getting the dates
13 on when these discussions [indiscernible] confused; is that
14 possible?

15 A Very much so. I mean [indiscernible].

16 MR. GENTILE: Starting at line 22 on page 212 through
17 line 12 on page 213.

18 MR. BICE: I'm going to object to that, Your Honor.
19 It's incomplete. He's omitting the discussion before line 22.

20 MR. GENTILE: Oh, I don't have a problem with that.

21 THE COURT: So let's move it up.

22 MR. GENTILE: Sure.

23 THE COURT: Thanks.

24 UNIDENTIFIED SPEAKER: Well, where should we start?

25 THE COURT: Mr. Bice, where would you like us to

1 start?

2 MR. GENTILE: Mr. Bice, where would you like us to
3 start?

4 MR. BICE: Well, after where you just stopped. Pick
5 up -- just keep going from where you stopped.

6 THE COURT: From the prior segment?

7 MR. BICE: Yeah. Start on line 7.

8 THE COURT: All right. Shane, if you could go back
9 to the end of the prior segment and then just plan for a little
10 bit.

11 MR. GENTILE: Sure.

12 UNIDENTIFIED SPEAKER: It's going to start on 211,
13 line 20.

14 (Publishing audio-video.)

15 MR. BICE: [Indiscernible] some of these meetings
16 that you had and the subject matters would've been discussed
17 [indiscernible].

18 UNIDENTIFIED SPEAKER: Objection as to form.

19 THE COURT: Overruled.

20 We lost the feed. It's okay.

21 (Publishing audio-video.)

22 UNIDENTIFIED SPEAKER: [Indiscernible] some of these
23 meetings that you had and the subject matters that would have
24 been discussed for [indiscernible?]

25 UNIDENTIFIED SPEAKER: Object as to form.

1 THE COURT: Overruled.

2 THE WITNESS: What do you mean complaining?

3 BY MR. BICE:

4 Q Well, in other words, merging meetings or discussions
5 that you've had over the course of years and getting the dates
6 on when these discussions had confused; is that possible?

7 A Very much so. I mean --

8 Q Okay. I think one of the representations that was
9 made is that, and I think you said that you thought at the time
10 that you had a meeting at Hank's that a transaction with GTI
11 was discussed; do you recall saying that?

12 A Yeah.

13 Q Is it possible that actually there was a discussion
14 about a company known as the MedMen and not GTI?

15 A It's possible. I mean, a lot of discussions about a
16 lot of different things --

17 Q There where a lot of -- is it fair to say that there
18 were a lot of discussions going on about possible mergers and
19 acquisitions and throughout the 2018 time period?

20 A Yes, there was the Canadian [indiscernible.]

21 Q Okay. And did you recall -- are you sure that at the
22 Hank's meeting that you actually talked about GTI, that it ever
23 even came up?

24 A You know, I believe that, you know, was the case for
25 it, you know.

1 Q Okay. Fair enough.

2 (Publishing ends of audio-video.)

3 MR. GENTILE: That's enough.

4 THE COURT: Mr. Bice, is it okay if we stopped there?

5 MR. BICE: Yes, Your Honor. Thank you.

6 THE COURT: You may continue.

7 BY MR. GENTILE:

8 Q You've been in a courtroom a couple of days?

9 A Yes.

10 Q I think you're on your third. When that deposition
11 was taken; you were at your home, weren't you?

12 A Yes.

13 Q You were allowed to get up and go to your bathroom
14 whenever you wanted to and basically you were in the comfort of
15 your own home?

16 A Yes.

17 Q Okay.

18 MR. GENTILE: Okay. Can we have Exhibit 1014 pulled
19 up, please. And I believe that's in evidence. I think
20 Mr. Bice used it yesterday actually.

21 If I may have a moment, I have to overcome a crash.

22 THE COURT: Okay.

23 BY MR. GENTILE:

24 Q Yesterday, Mr. Bice was talking to you, asking you
25 questions with regard to Exhibit 1014 and then pointed out that

1 some of the plaintiffs in this case filed multiple applications
2 as one; remember that?

3 A Yes.

4 Q Okay. Now, you would agree, would you not, that the
5 limitation was on how many -- how many licenses would be
6 awarded with regard to applicants; am I right? Not more than
7 one per jurisdiction?

8 A Per applicant.

9 Q Per applicant, right. But there was nothing to
10 prevent a single entity from filing multiple applications, and
11 if they won on all of them, they'd only get one; am I right?

12 A Yes.

13 Q And so if you had three specific locations, real
14 ones, not post office boxes and you wanted to file -- you
15 wanted to pay 5,000 per application knowing that if you won
16 more than one you were only going to get one, but thinking that
17 three might increase your chances of getting the one, you could
18 do that; right?

19 A Yes, if you want to. If you want to file three
20 applications for the same jurisdiction knowing you're only
21 getting one.

22 MR. GENTILE: Can we go to the very bottom of
23 1014-00001. I don't know if you can do this, Shane, but I'd
24 like to have the last line on that and the first two lines on
25 the next page. Could you highlight lines 38, 39 and 40,

1 please.

2 BY MR. GENTILE:

3 Q Can you see lines 38, 39, and 40 of Exhibit 1004?

4 A Yes.

5 Q So this indicates that GTI Nevada filed three
6 applications for Clark County, Las Vegas in the September 2018
7 license application period; am I right?

8 A I don't know. I'd have to see the header.

9 Q Okay.

10 Let's go up to the top and show him where it was.

11 A Okay. So, yes, it was three applications for Clark
12 County.

13 Q Right. There was nothing wrong with that, was there?

14 A No.

15 Q But if they won two or three, you would only award
16 one; am I right?

17 A Correct.

18 Q Okay. If GTI Nevada had decided that instead of
19 filing three it wanted to create a couple of subsidiaries and
20 file applications with them instead of as GTI Nevada, let's say
21 it had GTI Nevada Henderson, GTI Nevada Tropicana, GTI Nevada
22 Las Vegas, and it filed three applications. They all had the
23 same information. They all had the same owners. They all had
24 the same board of directors. They all had the same officers.
25 Is it your testimony that they would then get three because

1 they split it up into three companies?

2 MR. PRINCE: Objection. Foundation.

3 THE COURT: Overruled.

4 THE WITNESS: So first of all, they couldn't just
5 create subsidiaries for the purpose of the application because
6 you had to have a current license. You had to be currently
7 licensed to have a medical.

8 The second part of your question, yes, because
9 there's a difference between the definition and the application
10 as to applicant versus ownership group.

11 BY MR. GENTILE:

12 Q I see. So that's the way you interpreted it?

13 A Yes.

14 Q Let's go down here to lines 90, 91 and 92. It looks
15 like Marapharm Ventures, Inc., also filed three applications;
16 am I right?

17 A Yes.

18 Q DP Holdings, Inc., filed two; right?

19 A Yes.

20 Q And then go down to 96, 97, Nye Farm Tech LTD filed
21 two?

22 A Yes.

23 Q Okay. So there was nothing wrong with filing more
24 than one. Fidelis filed more than one, others filed more than
25 one. There was nothing wrong with that?

1 A No.

2 Q Okay. Well, Mr. Bice got into the GTI transaction
3 during your examination pretty deeply. The GTI acquisition of
4 Integral; remember him questioning you about that?

5 A Yes.

6 MR. GENTILE: Okay. I have some exhibits I don't
7 know if they're in or not, Your Honor. Can I ask the clerk if
8 they are?

9 THE COURT: What are the numbers, Mr. Gentile?

10 MR. GENTILE: 1692.

11 THE CLERK: That's proposed.

12 MR. GENTILE: I'm sorry?

13 THE CLERK: It's proposed.

14 MR. GENTILE: It's in?

15 THE COURT: No, it is not in.

16 MR. GENTILE: It's not in. Okay. 1820.

17 THE CLERK: That one is not in either.

18 MR. GENTILE: That's also proposed?

19 THE CLERK: It's also proposed.

20 MR. GENTILE: Proposed. Okay. 1750.

21 THE CLERK: 1750?

22 MR. GENTILE: Yes.

23 THE CLERK: It's proposed.

24 MR. GENTILE: It's proposed?

25 THE CLERK: Yes.

1 MR. GENTILE: And 2036.

2 THE CLERK: It's proposed.

3 MR. GENTILE: Proposed.

4 THE CLERK: Yes.

5 MR. GENTILE: Okay. Your Honor, I would submit and
6 move into evidence at this time Exhibit 1692, which was
7 produced by Essence in this matter particularly -- specifically
8 pages 71 -- I mean, I gotta move the whole thing in, I
9 understand that, but the pages that I intend to use are 7133,
10 7135, 36 and 37 and 38, and what they purport to be is the
11 Nevada business registration -- well, it's a cover letter by
12 Amanda Connor dated May 6, 2019, and the Nevada business
13 registration.

14 THE COURT: So let me see if there's an objection.

15 Mr. Bice, is there an objection?

16 MR. BICE: Yes, Your Honor, my objection is this is a
17 7,000 page list that they want to use. This witness has
18 already testified that he saw none of the applications.

19 THE COURT: Okay. So, Mr. Gentile, I don't know how
20 you're going to lay foundation with this witness. Ms. Connor
21 may be an agent, but at this point I don't have enough
22 information to admit the document.

23 MR. GENTILE: Well, it is a statement by an adverse
24 party.

25 THE COURT: Well, it's a statement by an attorney for

1 an adverse party. So I've got a couple of steps --

2 MR. GENTILE: No, not the -- not the pages 713 --

3 THE COURT: It's a 7,000 page --

4 MR. GENTILE: You know, I don't need it through this
5 witness. I will move separately for the introduction of it.

6 THE COURT: Okay. All right.

7 MR. GENTILE: I will move into evidence Exhibit 1820.

8 THE COURT: Is there an objection to 1820?

9 MR. BICE: Yes. I'm looking at --

10 THE COURT: Mr. Bice, you've got to speak up. I know
11 you can talk louder than that.

12 MR. BICE: I'm sorry, Your Honor. I have an
13 objection to this. This is a D.O.T. document. It's about 314
14 pages. I don't know what they're being offered for. I haven't
15 heard any relevancy to them or how they --

16 THE COURT: Mr. Gentile, for what purpose are you
17 offering it?

18 MR. GENTILE: I am offering this for the purpose of
19 establishing the score that was obtained by Essence and
20 particularly the diversity aspect of it and then compare it to
21 GTI's which is coming next so that we can get into the question
22 of how some -- GTI who finished, I think 38th or something like
23 that, could basically leapfrog into getting these new licenses
24 when the law requires that they have to be able to establish
25 that they can -- in order for the transfer to even take place

1 that they have to be able to establish that they can operate at
2 least as well or better, and these documents establish that --
3 if I could read Mr. Miller's handwriting I could do better.

4 THE COURT: Mitch used to say that about me.

5 Mr. Shevorski, it sounds like you have an objection?

6 MR. SHEVORSKI: Judge, I believe those are also --
7 those pages are attorney's eyes only or a vast majority of
8 them, also foundation with respect to this witness since he's
9 never seen them before.

10 MR. GENTILE: I won't know that until I get to show
11 them to him.

12 THE COURT: Well, they're the scoresheets.

13 MR. BICE: Well, 314 pages of --

14 MR. GENTILE: No, I can --

15 MR. BICE: -- cobbled together exhibit by the
16 plaintiffs.

17 MR. GENTILE: I give you the specific ones, and we
18 will rename them. I think we have actually --

19 Haven't we retitled them, Andy? Could you please
20 tell me what the proposed exhibit is. All right.

21 (Pause in the proceedings.)

22 MR. GENTILE: All right. This would be Proposed
23 2152.

24 THE COURT: Okay.

25 MR. GENTILE: And the pages --

1 THE COURT: Have you told Mr. Bice and Mr. Shevorski
2 what pages are in the new proposed exhibit?

3 MR. GENTILE: I can read them right now.

4 THE COURT: Okay.

5 MR. GENTILE: I can show them to them right now.

6 THE COURT: Okay.

7 (Pause in the proceedings.)

8 MR. GENTILE: All right. This would be Proposed
9 2152.

10 THE COURT: Okay.

11 (Pause in the proceedings.)

12 THE COURT: Mr. Bice and Mr. Shevorski, to this new
13 exhibit, do you have an objection?

14 MR. BICE: Yeah.

15 THE COURT: Could you tell me what your objection is,
16 Mr. Bice.

17 MR. BICE: There is no -- this witness already
18 testified he wasn't involved in the grading. These are all
19 grading documents that the witness has never seen before. He
20 has no foundation for testifying about them.

21 MR. SHEVORSKI: We'd also object on the ground that
22 the scoring sheets in particular was the attorney's eyes only
23 and contained confidential information that has not been waived
24 by the applicant.

25 THE COURT: So --

JD Reporting, Inc.

1 MR. BICE: And I also want to make on the record the
2 an objection it's beyond the scope of redirect. This will --

3 THE COURT: Do you mean cross?

4 MR. BICE: This was -- none of the scoring was
5 discussed --

6 THE COURT: Do you mean cross?

7 MR. BICE: Yes. Recross. My apologies.

8 THE COURT: I'm sorry. I'm trying to keep you on
9 track, Mr. Bice.

10 Mr. Gentile, why don't we do it this way. You are
11 welcome to show the documents to the witness, and then you can
12 ask him a question about them without them being admitted into
13 evidence because I have confidentiality issues related to those
14 documents.

15 MR. GENTILE: Thank you, Your Honor. Now, I take it
16 I have to do that with you closing your eyes?

17 THE COURT: No. You're going to hand them to the
18 witness.

19 MR. GENTILE: Oh, okay. Good.

20 THE COURT: Or I guess you could show them to the
21 witness on the screen if I look away.

22 MR. GENTILE: Whichever the Court prefers.

23 THE COURT: Can we show them on the screen, Shane.

24 All right. I'm going to look away and have another
25 couple of sips of coffee while you and Mr. Puppo have a

1 discussion.

2 MR. GENTILE: Then I would propose, Your Honor, that
3 I be able to go back to the last one and do it the same way.
4 There's no reason not to.

5 THE COURT: You can ask him questions about it
6 without admitting them into evidence as long as he doesn't read
7 from them.

8 MR. GENTILE: That's fine.

9 (Pause in the proceedings.)

10 THE COURT: Is he giving you paper?

11 MR. SHEVORSKI: That's what I am --

12 THE COURT: Ramsey has gloves if you need them.

13 THE WITNESS: Okay. I don't know if he's giving
14 me --

15 MS. WELCH: No, I object, Your Honor, to him being
16 handed paper. It's --

17 THE COURT: We're not handing paper unless the
18 witness asks for it. But we do have a display, and I'm not
19 looking. So this lovely wall is what I'm looking at with the
20 two exit signs in the two doors.

21 MS. WELCH: Thank you, Your Honor.

22 MR. GENTILE: Just make a record change, originally I
23 offered 1692. It has been -- we extracted five pages from it,
24 and it is now Proposed 2149. So that's the one you have to
25 rule on.

1 THE COURT: I am sustaining the objection because of
2 the confidentiality and the nonwaiver. I am allowing you to
3 show the proposed exhibit on the screen to the witness without
4 me looking at it so you can ask the witness questions about it
5 for comparison as you represented of the diversity scores among
6 the various applicants you are concerned about.

7 MR. GENTILE: Thank you.

8 THE COURT: Given the fact he said he wasn't familiar
9 with any of the applications, and hadn't reviewed any of them,
10 it may be a short questioning.

11 BY MR. GENTILE:

12 Q Mr. Pupo, in order to -- on May the 6th of 2019, did
13 you -- did it come to your attention --

14 A I'm sorry. What was the date -- the date?

15 Q May the 6th, 2019.

16 A I'm sorry. I still didn't hear that.

17 Q May 6, 2019.

18 A May 6?

19 Q May.

20 A May. Okay.

21 Q May 6, 2019. All right. Did it come to your
22 attention that -- well, you knew by that time that Essence had
23 won licenses in the December 2018 announcement. Am I right?

24 A Yes.

25 Q All right. And do you recall where they won

1 licenses?

2 A No, not outside of Clark County.

3 Q Okay. At that time was it your understanding that
4 the GTI transaction regarding the ownership of Essence
5 Tropicana, LLC, had concluded?

6 MR. BICE: Objection. Foundation.

7 THE COURT: Overruled.

8 THE WITNESS: So my understanding that a merger -- I
9 don't remember all the entities involved -- was approved,
10 finally approved by the Department sometime in April of 2019.

11 BY MR. GENTILE:

12 Q Right. So by May 6, it was approved; right?

13 A Yes.

14 Q All right. And in order to -- in order to gain
15 approval among the things, and there are many, that have to be
16 done is that the ownership of the entity, the resulting entity
17 has to be disclosed to the State of Nevada; right?

18 A Yes.

19 Q Okay. And you were involved with regard to the GTI
20 Integral acquisition and the results of it?

21 MR. SHEVORSKI: Objection. Foundation.

22 MS. WELCH: Objection.

23 THE COURT: Overruled.

24 THE WITNESS: Only to the extent where once the --
25 Steve's group had done all the legwork, if you will, I reviewed

1 the final packet that was --

2 BY MR. GENTILE:

3 Q The final what, sir?

4 A The final packet.

5 Q The final packet. Okay.

6 MR. GENTILE: Could you show him, please, I suppose
7 it is now 2149-7136.

8 BY MR. GENTILE:

9 Q I'm going to ask if you've ever seen this document.
10 This is for purposes of -- well, let me ask the predicate
11 question. Do you remember every document that you looked at?

12 A No.

13 Q Okay. You would have, as part of that package, there
14 would have been the ownership disclosed of this -- the
15 ownership of Essence Tropicana, LLC, would have been disclosed.
16 Am I right?

17 A Yes.

18 Q Okay. And when that was disclosed, was it disclosed
19 that Integral Associates was a hundred percent owned by GTI
20 Core, LLC?

21 MR. SHEVORSKI: I'm going to object to the extent it
22 calls for attorney-client communications he had with anybody
23 from the Deputy Attorney General's office or that causes him to
24 reveal confidential information of a taxpayer.

25 MR. BICE: Your Honor, I'm also going to object on

1 the grounds of relevancy. This is supposed to be a lawsuit --
2 I know what it's really about, but at least according to the
3 complaint, it's supposed to be a lawsuit about the licensing
4 process in 2018 and how Mr. Ritter's group was somehow cheated
5 as opposed to Mr. Ritter's group using the litigation as a tool
6 to try and harm its competitors.

7 THE COURT: Okay.

8 MR. BICE: This has nothing to do with this --

9 THE COURT: Okay. The objections are overruled;
10 however, the witness is cautioned to not include any
11 communications with counsel, whether they were at the Attorney
12 General's office or with your current counsel.

13 BY MR. GENTILE:

14 Q Do you even remember the question?

15 A No.

16 Q I'm sure you don't. I'm having a hard time. So let
17 me start over.

18 Was it your understanding that Integral Associates
19 owned Essence Tropicana, LLC, after this transaction closed?

20 MR. SHEVORSKI: Same objection.

21 MR. BICE: Objection. Foundation.

22 THE COURT: Overruled.

23 THE WITNESS: Yeah, I don't remember what the final
24 structure was.

25 BY MR. GENTILE:

1 Q If you saw the documents, would that refresh your
2 recollection?

3 A I don't know.

4 Q So it might be what you're saying?

5 A It may.

6 Q Okay.

7 MR. GENTILE: Okay. Your Honor, I'd ask that I be
8 permitted to show the witness three pages, which would be 7136,
9 7137 and -- well, I don't know that that's the way they're
10 renumbered.

11 Shane, how were they renumbered in the new exhibit?

12 TECH SHANE: My apologies right now. We're going to
13 work that -- those three pages of 2149.

14 THE COURT: Thank you.

15 MR. GENTILE: They have the same numbers?

16 TECH SHANE: Yeah.

17 MR. GENTILE: So 2149, pages 7136, 7137 and 7138.

18 BY MR. GENTILE:

19 Q I ask you to take a look at them, Mr. Pupo, before I
20 ask you the next question.

21 THE COURT: And I'm still looking at the lovely wall,
22 the exit signs and the doors.

23 THE WITNESS: Am I just looking at this one page?

24 MR. GENTILE: No. You're going to see three.

25 THE WITNESS: Okay.

1 MR. GENTILE: Just let us know when you're ready for
2 the next.

3 THE WITNESS: Okay.

4 MR. GENTILE: Ready for the next one?

5 (Pause in the proceedings.)

6 BY MR. GENTILE:

7 Q Okay. Does this -- you've seen this before, haven't
8 you?

9 A I don't recall seeing this document.

10 Q All right. Do you now remember that Integral --
11 excuse me GTI Core, LLC, owned a hundred percent of Integral
12 Associates, LLC, after the merger?

13 MR. BICE: Objection, Your Honor. The witness has
14 already testified it didn't refresh his recollection. Counsel
15 is now just trying to read the document in so as to get around
16 the Court's ruling and leave it up on the screen.

17 THE COURT: Overruled.

18 THE WITNESS: Right. That's what that document says,
19 but like I said, I don't remember what the final structure was
20 after the approval.

21 MR. GENTILE: Okay.

22 MR. BICE: So now I'll move to strike the answer
23 because he's testifying based solely on a document that did not
24 refresh his recollection.

25 THE COURT: Overruled.

1 / / /

2 BY MR. GENTILE:

3 Q So are you saying that you have no memory at all of
4 the ownership of Essence Tropicana, LLC, after the merger?

5 A I mean, if I remember, the packet was pretty
6 extensive, or maybe a thousand pages or something like that.
7 And, you know, I -- I did many, many transfers of ownerships.
8 I mean, that's not a significant moment in my life that I would
9 retain someone else's ownership.

10 Q Would you agree that GTI Corp. LLC owned a hundred
11 percent of Integral Associates, LLC, which owned a hundred
12 percent of Essence Tropicana, LLC?

13 MR. BICE: Objection. Foundation.

14 THE COURT: Overruled.

15 But can you give us a time, please.

16 THE WITNESS: Again, I -- I don't know what the final
17 structure --

18 THE COURT: Wait. I'm going to have Mr. Gentile give
19 us a time.

20 THE WITNESS: Oh, I'm sorry.

21 MR. GENTILE: Yes.

22 BY MR. GENTILE:

23 Q Would you agree that as of the merger, and certainly
24 as of May the 6th of 2019, GTI corporation -- actually, GTI
25 Core, C-o-r-e, owned a hundred percent of Integral Associates,

JD Reporting, Inc.

1 and Integral Associates owned a hundred percent of Essence
2 Tropicana, LLC.

3 MR. BICE: Objection.

4 MR. SHEVORSKI: Objection. Compound.

5 MR. BICE: Foundation.

6 THE COURT: Overruled.

7 THE WITNESS: Again, I don't remember what the final
8 structure was at the end of the approval.

9 BY MR. GENTILE:

10 Q Do you remember that there was a GTI Core, LLC?

11 A Yes. That sounds familiar.

12 Q All right. Do you remember that VCP 23, LLC, was the
13 sole member of GTI Core, LLC?

14 MR. BICE: Objection. Foundation.

15 THE WITNESS: No, I don't remember --

16 THE COURT: Overruled.

17 THE WITNESS: -- what the structure was.

18 BY MR. GENTILE:

19 Q Do you remember that the sole member of VCP 23, LLC,
20 was GTI 23, Inc.?

21 MR. BICE: Same objection, Your Honor.

22 THE COURT: Overruled.

23 THE WITNESS: No. I don't -- I don't remember the
24 structure.

25 BY MR. GENTILE:

1 Q Do you remember that the sole member of GTI 23, Inc.,
2 was Green Thumb Industries, Inc.?

3 MR. BICE: Same objection, Your Honor.

4 THE COURT: Overruled.

5 THE WITNESS: Wait. Can you say that again.

6 BY MR. GENTILE:

7 Q Do you remember that the sole member of GTI 23, Inc.,
8 was Green Thumb Industries, Inc.?

9 A No, I don't.

10 Q All right. Do you remember that Armand Yemenidjian
11 was the president?

12 A No, I don't remember.

13 Q Do you know that -- do you remember that Alejandro
14 Yemenidjian was the board -- a board member?

15 MR. SHEVORSKI: Object. Form.

16 THE COURT: Overruled.

17 THE WITNESS: No, I don't remember.

18 BY MR. GENTILE:

19 Q Do you remember that Benjamin Kovler was the chairman
20 of the board, the CEO?

21 MR. SHEVORSKI: Object. Form.

22 THE COURT: Overruled.

23 THE WITNESS: No, I don't remember.

24 BY MR. GENTILE:

25 Q Do you remember that Anthony Georgiadis was a board

1 member and CFO?

2 MR. SHEVORSKI: Object. Form.

3 THE COURT: Overruled.

4 THE WITNESS: No, I don't remember.

5 BY MR. GENTILE:

6 Q Do you know Wendy Berger? Did you ever hear that
7 name?

8 A No, I don't recall that name.

9 Q You do recall the names Alejandro Yemenidjian; right?

10 A Yes.

11 Q And you do recall the names Armand Yemenidjian?

12 A Yes.

13 Q Benjamin Kovler, you recall that name?

14 A No.

15 Q You don't. You remember the name Anthony Georgiadis?

16 A No.

17 Q Okay. Jennifer Dooley, did you ever -- do you
18 remember that name?

19 A No.

20 Q Okay. Are you aware that there were no other
21 officers, directors or owners disclosed to the State at that
22 time?

23 MR. SHEVORSKI: Object to form.

24 THE COURT: Overruled.

25 THE WITNESS: No, I don't remember.

1 / / /

2 BY MR. GENTILE:

3 Q Okay. Mr. Pupo, are you aware that subsequent to the
4 merger, Alicia Abernathy was no longer an officer of any of the
5 Essence or Integral entities?

6 MR. SHEVORSKI: Object. Foundation.

7 MR. BICE: Objection. Foundation and relevance, Your
8 Honor.

9 THE COURT: Overruled.

10 THE WITNESS: No.

11 BY MR. GENTILE:

12 Q Are you aware that Lesley Brousseau was no longer an
13 officer, director, owner or anything else --

14 MR. SHEVORSKI: Object. Foundation.

15 BY MR. GENTILE:

16 Q -- with regard to Essence --

17 MR. BICE: Objection.

18 BY MR. GENTILE:

19 Q -- any of the Integral entities after the acquisition
20 by GTI?

21 THE COURT: Overruled.

22 THE WITNESS: No.

23 BY MR. GENTILE:

24 Q Are you aware that Anna Cohen was no longer an
25 officer, director, or owner or anything else with regard to any

1 of the Integral subsidiaries after the GTI acquisition?

2 MR. SHEVORSKI: Again. Foundation.

3 MR. BICE: Foundation and relevance.

4 THE COURT: Overruled.

5 THE WITNESS: No.

6 BY MR. GENTILE:

7 Q Are you aware that Courtney Lynch was no longer an
8 officer, director or anything else after the -- of Integral or
9 any of its subsidiaries after the acquisition by GTI Core, LLC?

10 MR. SHEVORSKI: Object. Foundation. Compound.

11 THE COURT: Overruled.

12 THE WITNESS: No.

13 BY MR. GENTILE:

14 Q Are you aware that Sequoia Turner was no longer an
15 officer, director or anything else of any of the Integral
16 subsidiaries once Integral was acquired by GTI Core, LLC?

17 MR. SHEVORSKI: Object. Foundation.

18 MR. BICE: Foundation. Relevance.

19 THE COURT: Overruled.

20 THE WITNESS: No.

21 BY MR. GENTILE:

22 Q Did you ever hear the name Jennifer Wilcox?

23 A I believe so.

24 Q Okay. What's your memory of Jennifer Wilcox?

25 A I believe, unless it's a different Jennifer, I think

1 there was a Jennifer that was over compliance.

2 Q Are you aware that Jennifer Wilcox was no longer an
3 officer, director, owner of any of the Integral subsidiaries
4 once Integral was acquired by GTI, LLC?

5 MR. BICE: Objection to the form and foundation, Your
6 Honor.

7 THE COURT: Overruled.

8 THE WITNESS: No.

9 BY MR. GENTILE:

10 Q Are you aware that those women that I just asked you
11 about, and they were all women, were listed as officers of the
12 applicants -- the applications that were submitted by the
13 subsidiaries of Integral in September of 2018, that they were
14 listed as officers at that time?

15 MR. BICE: Objection. Foundation [inaudible].

16 THE COURT: Overruled.

17 THE WITNESS: No.

18 BY MR. GENTILE:

19 Q Are you aware that by October two of them were gone
20 before the applications were even scored?

21 A No.

22 Q And you did testify yesterday in terms of -- maybe it
23 wasn't yesterday. Maybe it was the day before. I don't
24 remember -- about what you had in mind with regard to diversity
25 as it related to directors? Do you remember that?

1 MS. WELCH: Objection. Misstates his testimony.

2 THE COURT: Overruled.

3 THE WITNESS: Not really.

4 BY MR. GENTILE:

5 Q Okay. Well, would you agree, sir, that if someone
6 was given -- if an applicant was given a diversity score and
7 then the thing that got it, the people that earned it, that
8 diversity score, were then gone that that entity wouldn't have
9 gotten that score if it had come later. Am I right?

10 MR. SHEVORSKI: Object. Incomplete hypothetical.

11 THE COURT: Overruled.

12 MR. BICE: Join.

13 THE WITNESS: You know, I believe the scorers were
14 tasked with scoring the application as it was presented, not
15 looking at what could happen in the future. There's no way for
16 them to tell that.

17 BY MR. GENTILE:

18 Q Are you aware of what the diversity score of GTI was?

19 MR. SHEVORSKI: Object. Foundation.

20 THE COURT: Overruled.

21 THE WITNESS: No.

22 BY MR. GENTILE:

23 Q Are you aware that Essence received 14 points for
24 diversity?

25 MR. SHEVORSKI: Object. Foundation.

1 MR. BICE: Objection. Foundation.

2 THE COURT: Overruled.

3 THE WITNESS: No.

4 BY MR. GENTILE:

5 Q So if I understand you correctly, you're not aware
6 that GTI received four points for diversity?

7 MR. BICE: Objection. Foundation, Your Honor. Asked
8 and answered.

9 MR. SHEVORSKI: Join.

10 THE COURT: Overruled.

11 THE WITNESS: No, I don't know what they scored.

12 BY MR. GENTILE:

13 Q You did not work at the Division of Public and
14 Behavioral Health when it was in charge of overseeing the
15 medical marijuana, both the applications, the awards and
16 basically the oversight; am I right?

17 A That's correct.

18 Q Sir, when you were at the Department of Taxation, and
19 you were the deputy director of the Marijuana Enforcement
20 Division, would you agree that there was a process that
21 governed the transfer of interest from one licensee to another?
22 Am I right?

23 A Yes.

24 Q Okay. And at that time, did the Department of
25 Taxation follow the practice that there needed to be an

1 attestation by every officer and board member in the transfer
2 document -- in the transfer applications?

3 MR. SHEVORSKI: I'm going to object to the extent
4 he's getting into confidential information of a taxpayer. I
5 understand this is a yes or no question, but it's getting there
6 where 362.55 would come into play.

7 MR. GENTILE: I'm not going there.

8 THE COURT: So currently he's not there yet.
9 You can answer, but it's yes or no.

10 THE WITNESS: Yes.

11 BY MR. GENTILE:

12 Q And that attestation had to declare that the
13 acquiring entity would build or operate at a standard that
14 meets or exceeds the application criteria for the original
15 applicant; am I right? If it was a conditional license.

16 A Yeah, I don't remember. I was thinking of another
17 attestation.

18 Q Okay. Well, if somebody is trying to transfer a
19 conditional license, the Department of Taxation, Marijuana
20 Enforcement Division required that the person who was getting
21 the license be at least as qualified as the person who was
22 transferring it; right?

23 A Yes.

24 Q And they had to swear to that; right?

25 A I believe so, yes.

1 Q Okay. And we've seen a lot of documents in this
2 case, but we've never seen that attestation with regard to
3 GTI's acquisition of any of the Integral subsidiaries,
4 particularly the conditional licenses. Did you ever see that?

5 MR. BICE: Objection.

6 MR. SHEVORSKI: Object. It calls for confidential
7 information, Your Honor.

8 MR. BICE: [Inaudible.]

9 THE COURT: Overruled. This is a yes or no as to
10 whether he saw an attestation?

11 MR. BICE: I'm objecting to counsel's representation
12 about how we've seen a lot of documents and not that one
13 because --

14 THE COURT: Well, we have seen a lot of documents.

15 MR. BICE: Yeah. Well, we -- okay. In any event,
16 Your Honor, this was specifically addressed during discovery,
17 and we objected to it, and no one -- and no one attempted to
18 obtain it.

19 THE COURT: Okay.

20 MR. BICE: And if Mr. Gentile's office would have
21 participated in the 2.34s we had with counsel on that, he would
22 know that fact.

23 THE COURT: All right. So, Mr. Gentile, why don't
24 you ask him if he's ever seen an attestation. We don't have to
25 have any editorial comment.

1 / / /

2 BY MR. GENTILE:

3 Q Did you ever see an attestation in the GTI
4 transaction with Integral whereby the officers and board
5 members of GTI attested that they would operate -- they would
6 build and operate at standards that met or exceeded the
7 application -- that of Essence?

8 MR. SHEVORSKI: I'm going to object to the extent it
9 calls for an answer of more than yes or no.

10 THE COURT: Overruled. We're on yes or no.

11 THE WITNESS: How about I don't remember.

12 THE COURT: That's good too.

13 THE WITNESS: Thank you, Your Honor.

14 BY MR. GENTILE:

15 Q And finally, yesterday --

16 MR. GENTILE: Can we pull 453D.272, please.

17 BY MR. GENTILE:

18 Q Mr. Bice pulled this up yesterday, and he had
19 paragraph G highlighted. And then he said, oh, no, this is the
20 wrong one. I'll get to that later. And I was waiting, but he
21 never got to it. So I want to pull up G.

22 MR. BICE: Objection to counsel's representation.
23 That's not what I said.

24 THE COURT: Okay. So let's not do editorial comments
25 and just ask the questions.

1 / / /

2 BY MR. GENTILE:

3 Q Do you see sub G?

4 A Yes.

5 Q Okay. You see 453D 272 up on top, the intro
6 language; right?

7 A I'm sorry. Did you say something?

8 Q You see the introductory language up on the top.

9 A Oh.

10 Q There's two parts highlighted.

11 A Yes.

12 Q Okay. Subparagraph G says that these rankings, the
13 ranking in these applications had to consider, had to be based
14 in part on whether the owners, officers, or board members of
15 the proposed marijuana establishment -- that would be the
16 applicant; am I right?

17 A Yes.

18 Q Have direct experience with the operation of a
19 medical marijuana establishment or marijuana establishment, and
20 all applicants had to have that in order to participate in
21 September of '18; right?

22 A Medical marijuana license, yes.

23 Q They had to have medical, or they had to have a
24 recreational; right?

25 A Yes. They had to have been licensed already.

1 Q All right. So they all had experience with the
2 operation of a medical marijuana establishment or a marijuana
3 establishment; right?

4 A Yes, I believe so.

5 Q Okay. In this State, and they all had it in Nevada?

6 A Yes.

7 Q And have demonstrated a record of operating such an
8 establishment in compliance with the laws and regulation of
9 this State for an adequate period of time to demonstrate
10 success; right?

11 A Yes.

12 Q There's no question about that; right? That's what
13 it required.

14 A Yes.

15 Q So if you don't give them access to the compliance
16 record of each and every applicant, how can that possibly be
17 included in the scoring for rankings?

18 A Yeah, I -- I don't know. Again, I don't know how
19 they were instructed to even score compliance or what to look
20 at. I'm not even sure what -- what they all had access to.

21 Q Well, the Judge has heard testimony about that.

22 Now, you would agree, would you not, that there were
23 over 400 applicants; right?

24 A Yes.

25 Q You would also agree that they were all -- none of

1 them were revoked or suspended at the time; right?

2 A I believe -- I believe none of them were, yes.

3 Q I'm sorry, sir.

4 A I believe none of them had been suspended at the time
5 or revoked.

6 Q And so you would agree, sir, that all 432 did not
7 behave exactly the same way? Some had -- in fact, you referred
8 to it yesterday. 15 percent seemed to be most of the problem;
9 right?

10 A Yes.

11 Q And so if we were to -- not us. We don't care. But
12 if the graders were to look at the compliance records of each
13 of those 432 applicants, they would not all be the same, would
14 they?

15 A No.

16 Q And that is what was contemplated by Subsection G,
17 that they would be ranked based on their compliance history?

18 MR. BICE: Objection to the form. Misstates the
19 statute.

20 THE COURT: Overruled.

21 THE WITNESS: Not that they would be ranked just
22 based on compliance, but a factor in the ranking.

23 BY MR. GENTILE:

24 Q Yes. But that it would be a factor. Fair?

25 A Yes.

1 Q Fair to say?

2 A Yes.

3 MR. GENTILE: Okay. Nothing further.

4 THE COURT: Ms. Chattah.

5 Mr. Gentile, can you please wipe down the area?

6 MR. GENTILE: Yes. I'm sorry. I think I just can't
7 wait for this to be over. So I deliberately don't do this.

8 THE COURT: You doing okay, sir?

9 THE WITNESS: Yes, your Honor. Thank you.

10 (Pause in the proceedings.)

11 RE-CROSS-EXAMINATION

12 BY MS. CHATTAH:

13 Q Good morning, Mr. Pupo. How you doing?

14 A Good morning. Fine. Thank you.

15 Q I'm going to follow up on some questions that
16 Mr. Prince and Mr. Bice asked you yesterday. Okay?

17 A Okay.

18 Q Mr. Prince asked you about the process being, I
19 believe the terms he used were a resounding success. Do you
20 recall that?

21 A No.

22 Q No. You don't recall Mr. Prince walking you through
23 the revenue that the State has made --

24 A Oh, yeah.

25 Q -- and the taxation and how much revenue and the job

JD Reporting, Inc.

1 creations and so on and so forth. Remember --

2 A Yeah.

3 Q -- that?

4 A Yes.

5 Q Okay. Do you remember at the end of that he asked
6 you whether this process was a resounding success, and you said
7 yes.

8 A I don't -- I don't recall him saying the process was
9 a resounding success. I think the program as a whole was a
10 resounding success.

11 Q So the -- okay. So you understood his question to
12 mean that the program was a resounding success?

13 A Yes, the marijuana program as a whole, yes.

14 Q Okay. So would you agree that the program and not
15 the process was a resounding success?

16 A No.

17 Q Okay. Well, explain your answer.

18 A I think the Department staff did what was required by
19 the statute and the regulations in putting forth this
20 application. I think they did a good job. I think they did
21 the best job that they could do, especially for it being a
22 first-time effort for the Department of Taxation. Overall,
23 although it may be imperfect, I believe it was a success.

24 Q You believe that the process was a success then?

25 A Yes.

1 Q Okay. You've been involved in this litigation and
2 have actively participated in this litigation; correct?

3 A Yes.

4 Q And do you recall a preliminary injunction hearing
5 back in May 2019?

6 A Yes.

7 Q And you testified at that hearing; correct?

8 A Yes.

9 Q All right. And do you -- have you ever seen the
10 order from that hearing?

11 A Yes.

12 Q Okay. So do you recall this Court finding that --
13 making certain findings of fact and conclusions?

14 THE COURT: So my findings are nothing to do with
15 this litigation. We are not mentioning my findings of fact and
16 conclusions of law. They are not part of the evidence in this
17 proceeding, and it does not matter --

18 MS. CHATTAH: Okay.

19 THE COURT: -- what those include. I have said that
20 for months.

21 MS. CHATTAH: Okay.

22 THE COURT: Keep going. They were preliminary
23 findings that were made based upon the evidence that was
24 available at the time. That is not something to be part of
25 this discussion.

1 MS. CHATTAH: Okay.

2 BY MS. CHATTAH:

3 Q Now, have you -- has anybody ever disputed that the
4 marijuana program is a revenue generator in the State of
5 Nevada?

6 MR. SHEVORSKI: Objection. Foundation.

7 THE COURT: Overruled.

8 THE WITNESS: No, not to my knowledge.

9 BY MS. CHATTAH:

10 Q Okay. And in fact, as we saw yesterday by both what
11 Mr. Gentile and Mr. Prince provided you with and you testified
12 to, that marijuana is quite the revenue generator in the State
13 of Nevada, both for the businesses and on the taxation levels;
14 correct?

15 A Yes.

16 Q Wouldn't the fact that it is such a revenue generator
17 be maybe one of the reasons that it is such a coveted license
18 to have?

19 A Can you repeat that.

20 Q Sure. Would the fact that the marijuana industry --
21 we'll call it the cannabis industry -- is such a revenue
22 generator --

23 It's good for business; right?

24 A Yes.

25 Q It's a good type of business to be in; right?

1 A Sure.

2 Q From a dollars and cents perspective?

3 A You know, some are more successful than others, but
4 like any other business --

5 Q I'm sorry. Some are what?

6 A Some are more successful than others, just like any
7 other business.

8 Q Okay. Would you agree that there's more successful
9 revenue generating retail locations than nonsuccessful?

10 A Yes.

11 Q Okay. Wouldn't that be a factor in the fact that
12 these are such coveted licenses to obtain?

13 MR. SHEVORSKI: Objection. Form.

14 THE COURT: Overruled.

15 THE WITNESS: I don't quite understand your question
16 because a factor, if -- a coveted -- a location -- you know,
17 the location, demographics management, how the business
18 operates, that's a factor in how successful their business is
19 going to be.

20 Q Okay. Now, I'm going to move on to Mr. Bice's line
21 of questioning. Mr. Bice stated yesterday that GTI complied
22 with the regulations regarding monopoly. Do you recall him
23 saying that?

24 MR. BICE: Objection to the form.

25 THE COURT: Overruled.

JD Reporting, Inc.

1 THE WITNESS: Not quite but go ahead. I -- I don't
2 recall.

3 BY MS. CHATTAH:

4 Q You don't recall him. Okay. It's your belief from
5 your testimony yesterday that GTI complied with the regulations
6 regarding monopolies?

7 A Yes.

8 Q Right?

9 A Yes.

10 Q Okay. Now, you recall I asked you yesterday about
11 GTI divesting in RISE and Sparks. Do you recall that?

12 A Yes.

13 Q Okay. And you had stated that you had seen the
14 divestment papers as part of the application that was provided
15 by Ms. Connor; correct?

16 A I believe -- I believe I saw a transaction within the
17 acquisition documents.

18 Q Okay. And do you recall I asked you about the
19 divestment transaction between GTI, and you couldn't name who
20 was the company or what was the company name that purchased
21 that license? Do you recall that?

22 A Yes.

23 Q Okay. As you sit here today, a day has gone by, I
24 don't know if you had an opportunity to review anything or if
25 you did. Do you know the name that purchased that Sparks

1 license from GTI?

2 A No, I don't recall.

3 Q Okay. And you don't remember when that transaction
4 happened either?

5 A No, I don't.

6 Q Okay. And -- but you do know that there was a
7 divestment by GTI in the Sparks license?

8 A Yes.

9 Q Okay. Have you personally ever provided any
10 documentation on this GTI divestment in their Sparks license?

11 A No.

12 Q No. Okay. Would you be surprised if I told you that
13 there is not one document in the whole record of all these
14 thousands of pages that indicate that GTI in fact divested from
15 Sparks?

16 MR. BICE: Objection. Foundation.

17 THE COURT: Overruled.

18 THE WITNESS: No.

19 BY MS. CHATTAH:

20 Q It wouldn't surprise you?

21 A No. I mean, I don't know what documents have been
22 provided or not. So.

23 Q I'm sorry?

24 A I said, no, I don't know what documents have been
25 provided or not for these proceedings.

1 Q So as we sit here today, what we know is that at the
2 time of GTI's acquisition of Essence, they still had an
3 interest in Sparks.

4 A Before the -- we finally approved it, yes, there was
5 an issue with the monopoly provision.

6 Q Okay. But when Mr. Bice asked you that GTI complied
7 with all the monopoly regulations, you said yes.

8 A Yeah.

9 Q How did they comply with the monopoly regulations if
10 they had already had one license and then acquired two more?

11 MR. BICE: Objection. Foundation.

12 THE COURT: Overruled.

13 THE WITNESS: So I believe at the time that they --
14 well, prior to entering into their acquisition, they would
15 have -- they were in compliance with the monopoly provision.
16 You don't have to comply into the monopoly provision until the
17 final structure is determined and all the transfers are done
18 and the Department approves it.

19 BY MS. CHATTAH:

20 Q I'm sorry. I didn't understand your response because
21 of your mask.

22 A So there's two parties to an acquisition. Each one
23 is in compliance with the monopoly provision. As the
24 transactions go and the transfers are processed, the monopoly
25 provision is checked at every step for entity, every

1 individual, at every step that we did the transfers. So as
2 transfers were done, monopoly was -- the monopoly provision was
3 checked to ensure that no individual in that resulting entity
4 or the entity itself was not in violation of the monopoly
5 provision.

6 For example, this transaction is like 32
7 transactions. Well, you don't just -- you just don't start at
8 the top and go straight to the bottom and see what it is. You
9 do this transaction. At the end of this transaction, who were
10 the individuals, and what's the entity. Then you check for a
11 monopoly. You check for the monopoly provision. If at that
12 stage there's an individual or business entity that would be in
13 violation of the monopoly provision, then they would be
14 notified and say this individual cannot go forward in the
15 process until they divest themselves of the ownership.

16 Q And we already established that Essence was awarded
17 two licenses in Washoe; correct?

18 A Yeah. I don't know. Did we establish that?

19 Q Yes.

20 A Yes. I guess.

21 Q Yes?

22 A I don't remember. Yes.

23 Q Okay. And we also established that based on the nine
24 licenses that were allocable in Washoe that that is a violation
25 of the 10 percent rule.

1 MR. BICE: Objection.

2 MS. WELCH: Objection.

3 MR. BICE: Misrepresents the law and the facts.

4 THE COURT: Sustained.

5 Can you rephrase your question, please.

6 MS. CHATTAH: Sure.

7 BY MS. CHATTAH:

8 Q When we went through what's 10 percent of 9, and I
9 said let's round it up to 10?

10 THE COURT: And I let you do math, but not the legal
11 conclusion.

12 MS. CHATTAH: Right.

13 THE COURT: Right.

14 BY MS. CHATTAH:

15 Q We came to the conclusion that based on nine licenses
16 one license was allowed in Washoe County; correct?

17 MR. SHEVORSKI: Object. Legal conclusion.

18 THE COURT: Overruled.

19 THE WITNESS: Yes.

20 BY MS. CHATTAH:

21 Q Okay. And Essence, in fact, got two licenses in
22 Washoe County?

23 A Yeah. Like I said, I don't -- I don't remember how
24 many they got in Washoe County.

25 Q I'm sorry. I can't --

1 A Like I said, I don't remember how many they got in
2 Washoe County.

3 Q You don't recall how many licenses Essence got in
4 Washoe County?

5 A I don't recall how many licenses they got in -- or
6 they were awarded in Washoe County.

7 MS. CHATTAH: Okay. Court's indulgence.

8 I have no further questions. I'll pass the witness
9 and --

10 THE COURT: Ms. Sugden.

11 MS. CHATTAH: -- Ms. Sugden is doing a preliminary
12 hearing. I think she's got some kind of hearing.

13 THE COURT: Oh. Who else wants to go besides
14 Ms. Sugden? Any other plaintiffs?

15 (No audible response.)

16 THE COURT: So we're going to take a short recess for
17 10 minutes. Hopefully she'll be done with her hearing by then.

18 (Proceedings recessed at 9:47 a.m. until 10:05 a.m.)

19 MR. GENTILE: Can we talk, Your Honor?

20 THE COURT: Yes, sir.

21 MR. GENTILE: Just to advise the Court, I've just
22 been advised by Mr. West, who is my IT guy for the last
23 25 years that he did a test and that Zoom -- speed that is
24 available here is not fast enough for Zoom.

25 THE COURT: Really. I'm so surprised by that.

1 MR. GENTILE: Oh. Okay.

2 THE COURT: That was sarcasm.

3 MR. GENTILE: So I don't know what impact that's
4 going to have. We're going to talk about it at lunchtime.

5 THE COURT: There are other options besides Zoom. My
6 son and I discussed this last night when he was trying to
7 figure out how his sister was going to talk to the professor in
8 Pensacola on how she's going to do school.

9 MR. GENTILE: I'd rather take a bar exam than have to
10 deal with technology.

11 THE COURT: All right. Ms. Sugden, you're up.
12 Mr. Pupo is ready for you. He was ready to leave.

13 (Pause in the proceedings)

14 RE-CROSS-EXAMINATION

15 BY MS. SUGDEN:

16 Q Now, Mr. Pupo, I don't have all that fancy stuff that
17 Mr. Prince has, slide shows and -- so I'm going to go off my
18 good old-fashioned notes I tried to write down.

19 When you were testifying -- now, I know you agreed
20 with Mr. Prince that the Nevada industry has had resounding
21 success. Do you recall that?

22 A Yes.

23 Q Is it such a resounding success that there's several
24 multimillion-dollar lawsuits filed resulting in this
25 consolidated action that's set for a nine-week trial?

JD Reporting, Inc.

1 MR. SHEVORSKI: Objection. Argumentative.

2 THE COURT: Overruled.

3 THE WITNESS: Probably no different than any other
4 industry.

5 BY MS. SUGDEN:

6 Q Now, Mr. Prince also made a point about all the
7 millions of dollars the State has received from the marijuana
8 industry, in fact, over \$100 million obtained in tax revenue;
9 correct?

10 A Yes.

11 Q Is it fair to say that there's so much money at stake
12 that the people will fight vigorously to obtain a right to be a
13 part of this industry?

14 MS. WELCH: Objection to the question.

15 THE COURT: Overruled.

16 THE WITNESS: Yes. I mean, there's a huge interest
17 in obtaining a license.

18 BY MS. SUGDEN:

19 Q Isn't that why Amanda Connor contacted you thousands
20 of times, is to do anything she could to -- possibly to gain an
21 advantage for her clients?

22 MR. KOCH: Objection. Argumentative.

23 THE COURT: Overruled.

24 MS. WELCH: Misstates the testimony.

25 THE WITNESS: No.

1 / / /

2 BY MS. SUGDEN:

3 Q I'm sorry?

4 A No.

5 Q Why not? What was the reason she contacted you?

6 A Day-to-day compliance operations. She had many,
7 many, many clients.

8 Q Now, do you remember earlier when Ms. Chattah was
9 asking you about how many licenses were awarded in Washoe?

10 A Yes.

11 Q And you didn't recall exactly; right? It was six,
12 eight, or nine?

13 A Right. I think we were talking about allocation.

14 Q But you do recall that 53 percent of applications
15 went to cultivators only; is that right?

16 A Yes.

17 Q And what basis -- where'd you get that statistic?

18 A It's compiled by our staff in Carson City at one
19 point.

20 Q Okay. So that includes that whole state, like what
21 we endearingly call the "cow counties," as well?

22 A No. That was for this application period.

23 MS. SUGDEN: Okay. Shane, can you pull up
24 Exhibit 84, which I believe has been admitted.

25 THE COURT: Thank you.

1 MS. SUGDEN: Thank you.

2 BY MS. SUGDEN:

3 Q All right. Mr. Pupo, let's look at the first, Carson
4 City. Of those which ones are cultivators only?

5 A Oh, I don't remember. I don't know by name.

6 MS. SUGDEN: Okay. Can we go to the next section,
7 Shane, on that page. I'm sorry. The one that has people,
8 entities.

9 BY MS. SUGDEN:

10 Q Okay. Can you tell me which of these 35 are
11 cultivators only?

12 A I believe Circle S.

13 Q Okay. Number 8?

14 A Mother Herb.

15 Q That's two.

16 A Players Network. Libra Wellness.

17 Q Anyone else?

18 A I don't know if GreenMart was just a cultivator or
19 not. So there's some that I can remember.

20 Q All right. Any of the ones that received in
21 Henderson cultivators only?

22 A Yeah. I'm not sure if GreenMart was just a
23 cultivator or they had a --

24 MS. SUGDEN: Okay. So potentially Number 5, Help for
25 Life.

1 Okay. Shane, can you go to the next section. Let's
2 just go get the ones 1 through 10 that received.

3 BY MS. SUGDEN:

4 Q Can you look at these and tell me which ones are
5 cultivators only?

6 A Circle S. Maybe Lone Mountain Partners.

7 Q I'm sorry. Which one?

8 A Lone Mountain Partners maybe.

9 MS. SUGDEN: Okay. All right. Shane, will you pull
10 up the next block. Again let's just look at ones that received
11 applications -- I'm sorry, approved.

12 BY MS. SUGDEN:

13 Q Of the top five are those any cultivators only?

14 A Maybe Lone Mountain. I'm not sure.

15 Q Okay. Now, I also heard Mr. Prince say or question
16 you and you agreed with, It was well known location wasn't
17 going to be scored. Is that fair?

18 A Yes.

19 Q On what basis do you make that statement?

20 A Quite a few workshops, meetings that were open to all
21 the licensees and able to participate. We had representatives,
22 attorneys that represent several clients or have several
23 clients in the industry, Governor's Task Force, regulation
24 workshops, several.

25 Q And when you released the second application -- I

1 believe on July 30th; is that correct?

2 A Yes.

3 Q -- how did you guys cull out that change in that
4 second release so everyone would know?

5 A That was not a change.

6 Q It was not a change?

7 A No.

8 Q It's your position that's the same application as was
9 originally released?

10 A No. There was just not a change whether the location
11 was going to be scored or not.

12 Q Was there any change to the language of the
13 application itself?

14 A Yes.

15 Q Okay. Why was that change made?

16 A Clarification purposes.

17 Q Okay. And, again, how did you guys call attention to
18 that change? Because didn't it say at the bottom it was the
19 same version?

20 A Yeah. I don't know.

21 Q Were you responsible for posting that second
22 application?

23 A No.

24 Q Who was?

25 A Steve Gilbert.

1 Q Now, do you recall -- again, I was trying to write it
2 down, so I'm not sure if you said this or Mr. Prince said it
3 and you agreed with it. But you said -- the statement was, If
4 you're going to regulate something, you have to know how it
5 operates. Do you recall agreeing with that?

6 A Yes.

7 Q Okay. So is it fair to say that you know how
8 transfers are regulated? You oversaw that process?

9 A No. I was referring to the say cultivation, how they
10 grow, testing, lab testing. If you're going to regulate
11 something, you try to know as much as possible the industry
12 that you're regulating.

13 Q Okay. But, also, again, were you in charge of
14 transfers?

15 A No.

16 Q You weren't. Who processed transfers of ownerships?

17 A Steve Gilbert's group.

18 Q But didn't you testify that you worked really hard on
19 the GTI transfer?

20 A No. I reviewed the packet.

21 Q You didn't say you worked on it for months?

22 A No. It was several months -- it took several months
23 to approve, yes.

24 Q And why was that?

25 A Very complex.

1 MS. SUGDEN: Okay. Shane, can you pull up -- it's
2 NAC 453D.315(9).

3 IT TECH: .359?

4 MS. SUGDEN: It should be, I'm sorry, .315. I
5 apologize. The mask might have muffled my voice. It's .315.
6 I emailed it to you, too, yesterday. There you go. And then
7 subsection (9), please.

8 BY MS. SUGDEN:

9 Q Mr. Pupo, can you read paragraph (9) to yourself.

10 A Okay.

11 Q Okay. Are you familiar with that provision?

12 A Yes.

13 Q Did you have to rely on that provision when you were
14 working on the GTI transfer you were reviewing?

15 A It is a document that would be part of the transfer
16 packet that I would review.

17 Q Okay. And what I'm reading is on that provision you
18 have to accompany a notarized attestation that declares the
19 prospective owner will build and operate the marijuana
20 establishment at standards that meet or exceed the criteria
21 contained in the original application for the marijuana
22 establishment; correct?

23 A Yes.

24 Q And do you agree that's the law?

25 A Yes.

1 MS. SUGDEN: Okay. Shane, can you go back to
2 Exhibit 84.

3 BY MS. SUGDEN:

4 Q When I look at Exhibit 84, is it fair that Essence,
5 whether it's Essence Henderson, Essence Tropicana, they
6 obtained a Number 1 score in the jurisdictions to which they
7 applied?

8 And you can look at -- yeah, there's the first two,
9 third, Las Vegas, and in North Las Vegas, and in Unincorporated
10 Clark. In every jurisdiction in which they applied they got a
11 Number 1; right?

12 A Yes.

13 Q Now, when GTI acquired Essence it had to declare that
14 it was going to operate and build the marijuana establishment
15 at the same standards contained in the original app, right,
16 which we just went over that provision? Is that accurate?

17 A You said build?

18 Q Under the provision which we just read GTI has to
19 provide an attestation to that effect; right?

20 A Yes.

21 Q Okay. Now, let's look at GTI on this. Where do they
22 score, for instance, in --

23 MS. SUGDEN: Shane, can you go down -- I know it's --
24 keep going -- I want to say 38, 39, 40.

25 BY MS. SUGDEN:

1 Q Correct?

2 A Yes.

3 Q Is it fair to say that that is a lower criteria than
4 Number 1?

5 A Yes.

6 MR. BICE: Object. Form.

7 THE COURT: Overruled.

8 BY MS. SUGDEN:

9 Q I'm sorry.

10 A Yes.

11 Q Okay. And yet GTI attested that they were building
12 at the same criteria as obtained in the original application,
13 which would be Number 1; correct?

14 A I'm sorry?

15 Q GTI submitted an attestation as part of the change of
16 transfer -- ownership that they were going to build -- build
17 and establish their marijuana establishment at the same
18 criteria as the original application; correct?

19 MR. SHEVORSKI: Object to the extent it calls for an
20 answer more than yes or no under 362.55.

21 THE COURT: Overruled.

22 THE WITNESS: Well, I don't know. Because at the
23 time of the application GTI was GTI and Essence was Essence.
24 That merger was not approved until spring of 2019, so I
25 don't -- I don't see how that crosses over on the application

1 period.

2 BY MS. SUGDEN:

3 Q So you don't think GTI has any obligation under the
4 statute, despite their attestation otherwise, that they're
5 going to meet or exceed the criteria contained in the original
6 application?

7 A No. I didn't say that.

8 Q They didn't say that?

9 A I didn't say that.

10 Q I'm sorry. Maybe I misunderstood. What did you
11 mean?

12 A That at the time of the application GTI was on its
13 own standing, as well as Essence. They were not -- the merger
14 or acquisition had not been approved by the Department, so I
15 don't know that there'd be an attestation as it relates to the
16 merger. They -- the attestation would have come at the point
17 that the transfer was approved in 2019.

18 Q Understood. Okay. I'm going to move on. With
19 regard -- I just have a couple more questions,

20 Then I'll be done. You -- I thought I'd heard you
21 testify when Mr. Bice was questioning you that you consulted
22 multiple people when you decided not to issue a civil penalty
23 to Essence. Do you remember that?

24 A Yes.

25 Q Okay. And going to my client, who you issued a

1 \$10,000 fine -- you remember that?

2 A I'm sorry?

3 Q Going back to my client, THC Nevada --

4 A Yes.

5 MR. SHEVORSKI: Object to the extent it calls for
6 362.55 beyond the waiver.

7 THE COURT: For THC?

8 MR. SHEVORSKI: For THC if -- got to be even handed.
9 I want to know the scope of the waiver.

10 MS. SUGDEN: He opened the door on what Mr. Pupo
11 considered when issuing fines. So I certainly want to know
12 what he considered -- do the same thing with my client.

13 THE COURT: With respect to your client?

14 MS. SUGDEN: Yes, just with respect --

15 THE COURT: And your client is prepared to waive any
16 confidentiality related to this?

17 MR. PRINCE: They waived yesterday.

18 THE COURT: Mr. Prince, hold on. I'm talking.

19 MS. SUGDEN: Mr. Puliz is going to be very happy to
20 explain to everybody about that in line today.

21 THE COURT: Thank you.

22 So the objection's overruled with that additional
23 waiver.

24 MR. SHEVORSKI: Thank you, Your Honor.

25 BY MS. SUGDEN:

1 Q Who did you consult with before you decided to issue
2 the \$10,000 fine to THC Nevada for adding a word to a Word
3 document?

4 MR. SHEVORSKI: Object to the extent it calls for
5 attorney-client communication with the Attorney General's
6 Office.

7 THE COURT: To the extent it was someone other than a
8 Deputy Attorney General you may answer.

9 THE WITNESS: I believe that would have been Damon
10 Hernandez.

11 BY MS. SUGDEN:

12 Q Anyone else?

13 A The Deputy Director at the time, Anna Thornley.

14 Q I'm sorry. Who?

15 A The Deputy Director at the time, Anna Thornley.

16 Q And is that it, those two individuals?

17 A And the Director at the time, which would be Deonne
18 Contine.

19 Q So you consulted those three individuals that you
20 recall in determining to issue the \$10,000 fine?

21 A Yes.

22 Q Anything else you considered when doing so?

23 A I don't recall.

24 MS. SUGDEN: Thank you. I have no further questions.

25 THE COURT: Anyone else have any questions for

1 Mr. Pupo?

2 Mr. Bice. Ms. Sugden, thank you for wiping that
3 down.

4 MS. SUGDEN: You're welcome. Thank you for indulging
5 me on the time. I apologize for --

6 THE COURT: It wasn't as long a Mr. Parker's that we
7 dealt with earlier.

8 MS. SUGDEN: It was also a marijuana case.

9 RE-CROSS-EXAMINATION

10 BY MR. BICE:

11 Q Mr. Pupo, do you remember yesterday me asking you
12 about Mr. Ritter being obsessed with his competitors?

13 A "Obsessed" you said?

14 Q Well, that Mr. Ritter was very "focused" might have
15 been my actual word that you agreed with. Do you remember
16 that?

17 A Yes.

18 Q Some people never change. Can we agree?

19 A Yes.

20 MR. BICE: Thank you.

21 THE COURT: Okay. Anything else?

22 (No audible response.)

23 MR. BICE: It looks like, Mr. Pupo, you may leave.
24 Thank you very much for your participation. Have a nice day.
25 And I would leave quickly before they change their minds.

1 Q Do you recall that Helping Hands Wellness Center is a
2 cultivator-only applicant that had won licenses?

3 A Say it again?

4 Q Do you recall that Helping Hands Wellness Center is a
5 cultivator-only applicant that won licenses?

6 A Yeah. I don't remember they were one of them or not.

7 Q Okay.

8 A That they were a cultivator only.

9 Q Okay. And they also have a production license, but
10 they did not have a dispensary. Do you recall that?

11 A Yeah, I believe they didn't.

12 Q Okay. And you testified earlier that you believe
13 Lone Mountain Partners was a cultivator-only applicant; is that
14 correct?

15 A I believe so.

16 Q Okay. And GreenMart of Nevada was a cultivator-only
17 applicant?

18 A I believe so. I'm not totally sure on that.

19 MR. KAHN: Thank you.

20 THE WITNESS: You're welcome.

21 MR. KAHN: Thank you, Your Honor.

22 THE COURT: Anybody else?

23 (No audible response.)

24 MR. BICE: Now, Mr. Pupo. Thank you. Have a nice
25 day. Be well.

1 Next witness.

2 MR. MILLER: Plaintiffs call Greg Smith.

3 THE COURT: Mr. Smith, you can come up. We're wiping
4 down the area for you.

5 MR. SCHWARZ: Your Honor, if you could also give us
6 just a couple minutes to kind of rearrange here.

7 THE COURT: Okay. You need to wipe down your own
8 area, though. Ramsey only does the witness stand.

9 (Pause in the proceedings)

10 THE COURT: So, sir, remain standing. We're going to
11 swear you in. Raise your right hand, please.

12 **GREG SMITH**

13 [having been called as a witness and being first duly sworn,
14 testified as follows:]

15 THE CLERK: Thank you. Please be seated. Please
16 state and spell your name for the record.

17 THE WITNESS: First name Greg, G-r-e-g. Last name's
18 an easy one, too, Smith, S-m-i-t-h.

19 THE COURT: Thank you, sir. And thank you for coming
20 down from up North.

21 THE WITNESS: Thank you.

22 THE COURT: Mr. Miller, you're on.

23 And I'm going to ask you to move your mask up back up
24 over your nose, sir.

25 THE WITNESS: The only problem may happen is fogs up

JD Reporting, Inc.

1 my glasses.

2 THE COURT: Believe me, I know.

3 THE WITNESS: So if I go like this, let me know.

4 THE COURT: I know. And if you need to move things
5 around, we understand. And as I told the other witness earlier
6 this morning, and you probably observed watching him, sometimes
7 it is difficult to hear speaking through the mask. The lawyers
8 will not be offended if you ask them to repeat. And please
9 don't be offended if they ask you to repeat. Okay?

10 THE WITNESS: Thank you, Your Honor.

11 THE COURT: If you need a break anytime, you let us
12 know.

13 Go on, Mr. Miller.

14 DIRECT EXAMINATION

15 BY MR. MILLER:

16 Q Mr. Smith, I had a hearing aid appointment the day
17 before we went into quarantine, so I'm particularly troubled
18 here. So I couldn't hear much of that. So if we can keep that
19 in mind.

20 Can you describe a little bit, briefly, about your
21 background and experience, and we'll come back to it more
22 depth. But can you just give us a broad overview, please.

23 A Yes, sir. With regard --

24 MR. SCHWARZ: Your Honor --

25 THE COURT: Yes?

JD Reporting, Inc.

1 MR. SCHWARZ: Your Honor, to try to expedite the
2 process here, especially understanding what I think -- what
3 transpired yesterday with the other witness, expert witness and
4 the length of time that's spent, to try to save maybe 20 to
5 30 minutes, we are willing to stipulate that Mr. Smith is
6 qualified as an expert to testify based upon his expertise on
7 the procurement process from the State of Nevada and the RFP
8 process from the State of Nevada as set forth in NRS
9 Chapter 333.

10 To the extent that Mr. Smith is being offered as an
11 expert on anything beyond that scope we will object and receive
12 the right to test his qualifications.

13 THE COURT: All right. Mr. Miller, are you willing
14 to accept that stipulation given the experience of the witness
15 in the government procurement process for the State of Nevada?

16 MR. MILLER: Well --

17 THE COURT: Not that you can't ask him a few
18 questions but that we don't spend an hour doing it.

19 MR. MILLER: I don't plan to, Your Honor. You know,
20 we'll accept the stipulation on that limited basis. I intend
21 to utilize his opinions in a much broader format and move based
22 on these questions.

23 THE COURT: Well, so lay some additional foundation
24 for the areas that are outside the scope of the stipulation
25 which relate to his experience in the Nevada procurement and

1 RFP process.

2 MR. MILLER: Thank you.

3 BY MR. MILLER:

4 Q Go ahead, Mr. Smith. If you can briefly describe,
5 you know, your general background, including educational and
6 professional experience.

7 A Well, then I won't start where I went to
8 kindergarten. I'll start with in 1998 I was hired at the State
9 of Nevada as purchasing officer. That was part and parcel to
10 some money that was provided to the Purchasing Division by the
11 legislature, the 1997 legislature, to set up a services
12 procurement section that focused specifically on professional
13 services contracts that the State was doing and the process,
14 the selection process, the solicitation process that would be
15 associated with that.

16 I believe in the year 2000 I was promoted to the
17 supervisor of that section and also given the title of Deputy
18 Administrator of the Purchasing Division.

19 In the year 2003 I was asked to be the administrator
20 of the Purchasing Division, and that continued through the end
21 of my employment at the State in the year 2015.

22 Q And let's focus on that specific position. What are
23 the general duties and responsibilities of the Nevada State
24 Purchasing Director?

25 A The administrator, now, it's a division of the

1 Department of Administration, which would have a director. All
2 things -- anything the State would buy, anything from dump
3 trucks to police vehicles for the NHP, those are the easy
4 things, the commodity things that the buyers deal with. I
5 oversaw all of the purchasing of professional services, the
6 RFPs, which when we started were probably 60 a year, that State
7 agencies would use our agency to facilitate.

8 Along with the legislation in 1997 that created the
9 Services Purchasing Section there was also a mandate that any
10 service contract with an expected amount over -- that exceeded
11 a hundred thousand dollars State agencies must come through our
12 agency to facilitate that process. That was probably the major
13 focal point of my oversight and engagement where all the
14 service purchasing contracts -- probably by the time I left
15 those amounted about a hundred a year, hundred different
16 processes a year.

17 And lastly, I oversaw the commodity food program
18 which had warehouses at both ends of the state and delivery of
19 what a lot of people affectionately refer to as the government
20 food programs to various needy organizations throughout the
21 state.

22 Q Okay. And in that role did you have any experience
23 or oversight, did you facilitate any administration of licenses
24 that State agencies -- licensing -- competitive licensing
25 reviews that the State would enter into?

1 A I don't recall any licensing application processes.
2 It's certainly my judgment of the -- it's certainly another
3 selection process. There may have been some. I don't recall
4 any specifically.

5 Q Do you recall whether or not the Department of
6 Administration had any involvement in the 2014 medical
7 marijuana licensing process?

8 A Yes, sir. My recollection of that is that I received
9 a call from -- the governor's chief of staff I believe at the
10 time might have been Mike Willden, who asked me to provide
11 either myself as a resource or one of my top lieutenants as a
12 resource to I believe it was Health & Human Services Behavioral
13 Organization, that they were entering into kind of a new
14 endeavor for the State and they would like some close hand
15 holding, I guess is a good word, and I believe I assigned
16 Kimberly Tartar, who at that time was our Deputy Administrator.
17 If it wasn't Kimberly, it would have been of two other people.
18 But I'm relatively sure that Kimberly was the liaison from our
19 office to that organization in helping set up that information.

20 Q Okay. And I understand that you may not have direct
21 knowledge or experience of how Kimberly would have administered
22 that process, but what generally could have been the role of
23 the Department of Administration in facilitating the oversight
24 of that application process?

25 A Well, the reason I tapped Kimberly, I'm sure it

1 was -- or, if it wasn't her, it would have been one of the
2 other two --

3 MR. SCHWARZ: Objection. Calls for speculation.

4 THE COURT: What?

5 MR. SCHWARZ: Your Honor --

6 THE COURT: You've got to speak up, Mr. Schwarz.

7 MR. SCHWARZ: Your Honor, the question calls for pure
8 speculation.

9 THE COURT: Overruled.

10 THE WITNESS: -- but all three of them, of the
11 individuals that I'm mentioning, worked with me in setting up a
12 three-day class that the State then began to teach to agencies
13 to have individual ambassadors out there, if you will, contract
14 managers that were certified. And so they were the top three
15 who could relate how that process was from 1997 when we kind of
16 initially developed the process, as you might imagine it was a
17 very dynamic process, and through each and every RFP selection
18 that we did we always had a lessons-learned session at the end
19 to try to decide how we might improve the process, what
20 language we might include. That often included members of the
21 Attorney General's Office that we worked, and weakness areas
22 that we would strengthen. And I participated in those pretty
23 closely, as well as Kimberly.

24 Her office was right next to mine. We chatted about
25 things, and I specifically remember the marijuana -- the -- it

1 wasn't recreational at the time, it was the prescription, the
2 medical marijuana. It was just something new and unusual that
3 the State was getting involved in, and so there were quite a
4 few concerns about how that animal, if you will, could be
5 plopped into the template.

6 Q And when you say template what do you mean?

7 A Every agency in the State, and I absolutely respect
8 and admire this, believes that they are doing something so
9 unique that it can't possibly just be entered into a template.
10 And so we took that into concern very early on in developing a
11 template that we felt contained the framework of a fair, level,
12 open selection process that pretty much any subject could be
13 plopped into, if I could use that word, into the template and
14 then modified.

15 There was -- there's no one size fits all that you
16 could ever do for these things, but within that framework we
17 would work with the subject matter experts at the agency to
18 individualize the process to meet their needs but also meet the
19 need of a fair, open, and equitable process for the vendor
20 community.

21 Q Okay. And so in your role you oversaw processes that
22 would be a quantitative review, as well as qualitative review
23 processes; right?

24 A Absolutely. And I think, if I may, one of the ways
25 that I often explain it is if the State were to buy all the

1 items that were in this room, the chairs, the carpet, the
2 seats, so on and so forth, there would be a list of
3 specifications that would be drawn. Each vendor applying would
4 need to meet those specifications to the T and then would apply
5 a price to it that the State would then either agree to or not.
6 That's kind of like grading a math paper. You check and make
7 sure all the specifications are met. Whoever has the lowest
8 price -- your people joke about low bid and so on and so
9 forth -- those are relatively black and white.

10 The RFP process, the selection process for
11 professional services is more like grading an English paper.
12 It's not quite as black and white. There's a little room for
13 subjectivity in there. Hence the grading, the scoring, the
14 individual evaluators, so on and so forth. So that would be
15 more on the qualitative side.

16 Q So do you have experience overseeing processes or
17 facilitating a process for the State where they would have been
18 asked to administrator a numerical and impartially scored
19 competitive process?

20 A Correct. And I would also share at this point for
21 many of the years that I was the head of the Nevada Division of
22 Purchasing I was also the chairman of what's called the Western
23 States Contracting Alliance, which was a organization of 15
24 western states that had banded together to do cooperative
25 procurements.

1 The reason I bring that up is it gave me a real
2 unique insight into how other states approach many of these
3 things. Because in order for us to be a lead state or Utah to
4 be a lead state on a given procurement we'd have to come up
5 with a framework that all of the 15 western states could agree
6 to. That's a little more challenging than you might think,
7 particularly in the legal end of things. But we were able to
8 do it.

9 And it gave me an opportunity to understand that
10 these processes, while they're unique and somewhat different
11 state to state, are all more similar than they are different,
12 far more similar than they are different. That's why we were
13 able to pull that off.

14 Q In addition to the Western States Contracting
15 Association did you belong to any other association?

16 A Yes. I belong to the National Association of State
17 Procurement Officials. That's NASPO. That's kind of the
18 nonprofit organization of each of the state procurement
19 directors or administrators are a member of that. I was on
20 their board of directors for probably 10 or 11 years. I was
21 the president in 2010, and I was the finance chair probably
22 four of those years. Very involved in that organization.

23 Q And with that organization how often did the members
24 meet?

25 A Well, one official meeting each month, kind of a

1 phone conference type of a thing; one annual meeting once a
2 year, a physical conference type of thing; and then another
3 kind of a unique conference that we put on was a marketing
4 conference that we called the Exchange, where all of the
5 procurement directors would get together with all of the
6 interested vendors and host symposiums, break-out sessions of
7 how they could better learn how to respond to our needs and,
8 probably just as importantly, how we could learn to respond to
9 the vendor community's needs.

10 Q And what was the overall mission or objective of
11 those associations in that regard?

12 A It's an educational association. It's a networking
13 opportunity. It was a great vehicle to meet other people,
14 particularly when I was relatively new as an administrator to
15 meet people who had been in the industry for 15, 20, 25,
16 30 years, draw off of some of their experiences, share
17 successes, work hard to not to repeat disasters, and just an
18 exchange of information and learning.

19 And, again, those vendor conferences that we held
20 once a year were incredibly impactful to us to know how to put
21 a document together and give to the vendor community such that
22 they would have the ability to provide us a meaningful
23 equitable response that we could then turn into a contract and
24 award.

25 Q And did you also develop as part of those

1 associations best practices that could be used by other
2 jurisdictions or states?

3 A Absolutely. Absolutely. I would suggest that in the
4 early years, in 1997, '98, '99, we relied heavily on many of
5 the states who were a little bit ahead of Nevada in developing
6 those processes for their own states, and I often use the
7 phrase that plagiarism's a terrible thing in college, but it's
8 kind of the order of the day in public procurement.

9 And I don't mean to be so crass as to say it's as
10 easy as scratching out the State of New Mexico and plopping in
11 the State of Nevada, but learning and replicating a lot of the
12 things that other states said had worked and worked very well
13 for them gave Nevada a great opportunity to get started on its
14 own process.

15 Q And as part of those best practices did you develop a
16 series of standards that would be recommended that
17 jurisdictions would follow in administering a competitive
18 application process?

19 A Certainly. There's another organization that I'll
20 reference called the National Institute of Governmental
21 Procurement that I was involved in that I was a member of,
22 though I didn't really go the level of being on the board or
23 running for president or -- I mean, with the State duties
24 there's only so much opportunity you have for some of these
25 outside organizations.

1 But the National Institute of Governmental
2 Procurement, NIGP, is probably the largest organization in the
3 country, has many cities, counties, school districts,
4 procurement organizations in addition to states, and they
5 really focus on the guiding principles, the best practices,
6 the -- you know, a lot of educational type of here's how you do
7 it and here's why it's done this way types of things for us to
8 draw from and build into our own processes.

9 Q And how long overall did you serve in this role in
10 the State where you were overseeing or administering these
11 types of application processes?

12 A Oh, for myself, personally, I was administrator for
13 twelve of the seventeen years I was there. And the five years
14 that I was a purchasing officer and then the supervisor of that
15 section, that was a very hands-on. I actually did -- as
16 administrator, your general role is oversight of some of the
17 other people, but your initial five years was very hands-on,
18 involved in understanding how to put the process together for
19 our state.

20 Q And as part of that process did you also oversee any
21 component that dealt with appeals of a competitive application
22 process?

23 A I'm glad you brought that up. That was actually one
24 of the areas I was very proud of. During the 12 years that I
25 was administrator we would average one bona fide appeal a year.

1 And what I mean by that, and I won't get too wordy
2 unless you need me to, but the State of Nevada has an
3 interesting process, and it's very unique among other states in
4 that an unsuccessful vendor has to post a bond or other form of
5 security in the amount of 25 percent of the expected amount of
6 the contract that they want to appeal or object to.

7 As you might imagine, that keeps a lot of the
8 frivolous people who simply object to things down. So when I
9 say bona fide appeal, we only have -- we averaged -- there were
10 a couple years we might have had two. There was a couple years
11 we had none. But generally we averaged during those 12 years
12 one appeal per year that would then go to the Hearings and
13 Appeals Division of the Department of Administration in kind of
14 a quasi-judicial setting where the hearings officer. And the
15 vendor would be represented by counsel. We would be
16 represented by the Attorney General's Office, and it would be a
17 three-, four-day, whatever it is, process, and the hearings
18 officer would adjudicate the decision within 30 days.

19 And lastly I would mention that during the 12 years I
20 was the administrator we were upheld and never lost one of
21 those appeals.

22 Q And so what was your role in that appeal process?

23 A Well, my role -- I kind of fancied -- I think one of
24 the reasons I was particularly good at this, at least Governor
25 Guinn told me personally I was, was in facilitating the ability

1 not to get to the appeal, meaning I had within my jurisdiction
2 and my authority the ability to kind of -- and I'll use the
3 word an "administrative appeal," and it wasn't really
4 officially that, but to look at what had gone on, to talk to a
5 vendor, find out what their complaints were, look at what had
6 actually gone on, talk to the people involved, not only the
7 using agency, but in particular our people, our single point of
8 contacts who are named in the process and find out if I thought
9 something was wrong.

10 And if something -- if I felt something was wrong, I
11 didn't really need to go -- them to put up the bond and take it
12 to an appeal and go through all that to have somebody else tell
13 me it was wrong. I had the ability to say, you know what, this
14 wasn't right. We're going to back up the training. We're
15 going to do this correctly. We're going to move forward.

16 Q And you've been retained by not only my office, but
17 other plaintiffs in this case, in order to review the 2018
18 recreational marijuana application process; is that correct?

19 A Yes, sir.

20 Q And following that retention you've consulted with
21 our office; is that correct? You've consulted with various
22 attorneys in this case about the process that was administered?

23 A With you and Mr. Gentile. And I think there was a
24 couple others that I spoke with before I gave my deposition,
25 yes.

1 Q Okay. And you reviewed a number of materials --

2 A Yes.

3 Q -- as part of that; right?

4 A Yes.

5 Q What have you reviewed?

6 A Well, interestingly enough, the first time that you
7 got a hold of me I believe it was May of 2019. It's been quite
8 some time ago. I believe you had asked me to review the
9 document that was released, the recreational marijuana
10 establishment licensing application that was released in 2018
11 and release the document.

12 You had also shared with me at that time some
13 attachments that I had on the computer that were some of the
14 information that was being provided from the Department of
15 Taxation. I apologize. I don't refer to it as D.O.T., because
16 I'm used to that being the Department of Transportation. So I
17 still call it --

18 THE COURT: Some people get screwed up with that
19 here, too.

20 THE WITNESS: So I'll refer to it as the Department
21 of Taxation.

22 I reviewed a lot of those information, and I remember
23 remarking to you probably a week later after I read through the
24 information that I felt that what was down on paper and the
25 instructions being provided to the evaluation committee and, et

1 cetera, I kind of declined the offer to go further because I
2 thought it seemed reasonable to me what was down on paper.

3 We then went forward and I had the opportunity, and I
4 don't remember exactly -- I don't speak a lot of your folks'
5 language, but I believe they were depositions, depositions of
6 several of the individuals involved in this case, and it became
7 apparent to me through my reading and my opinion that what was
8 down on paper and what was expected to occur didn't really pan
9 out that way. And that became a concern of mine. And you and
10 I engaged, and I reviewed more information and kinda gone from
11 there.

12 Q And the review of those materials and your review of
13 the application and applicable regulations, was that consistent
14 with the experience that you had -- your experience in the
15 State, with your employment with the State?

16 MR. SCHWARZ: Your Honor, I object that that question
17 misstates some of the testimony. He inserted some things that
18 the witness has not said that he reviewed.

19 THE COURT: I'm sorry. I can't understand you,
20 Mr. Schwarz. Can you say it again.

21 MR. SCHWARZ: The question that Mr. Miller just asked
22 included some information that he said the witness reviewed
23 that was not included in any of the witness's prior answers.

24 THE COURT: Okay. Overruled.

25 Anything else?

1 MR. BICE: No. I'll let him keep going, Your Honor.
2 I may have an objection in a moment.

3 THE COURT: Okay.

4 THE WITNESS: Yes. The document is remarkably
5 similar as a selection-process document. I realize this is a
6 licensing application process, but it's remarkably similar in
7 its form and function as to what it seeks to do in awarding.
8 And so it was very -- when you use the word "consistent," it
9 was very similar in its consistency to the processes that I
10 oversaw. If I understand the question correctly.

11 BY MR. MILLER:

12 Q When you say "template," is there in fact an RFP
13 template in the State?

14 A There is.

15 Q And how was that developed?

16 A Again I use the word "dynamic." The RFP template
17 that is in existence today is different than the one when I
18 left five years ago, is different than the one that we
19 developed in 1997, 1998.

20 You know, when I use the word "lessons learned," we
21 would often sit in a conference room I'm going to say couple
22 times a year and just put the RFP template up on the screen and
23 go through it line by line by line or section by section and,
24 you know, somebody would say Section 2.3.5, what's that mean;
25 why is that even in there? And somebody else would say, well,

1 that's in there because this happened once, and we realized we
2 needed to be more definitive, and so that's why we need to keep
3 that in there.

4 And there was just as many instances where we put
5 something in there in 1999 and in 2008. We'd look at it again
6 and say, you know, that doesn't need to be in there. It's
7 redundant. It's in the AG section, the independent contractor
8 form that's attached to the back or appended to the back. And
9 let's not be redundant.

10 Or in some cases we'd say, hey, that is so important
11 we don't mind it being in there two or three places. Because
12 if somebody doesn't conform with that, we wanted to be able to
13 say, it's not only here, but it's here and it's here. And so,
14 again, that template -- I use the word "template." I don't know
15 if that's an official word, but that template is designed to
16 facilitate a fair selection process, solicitation process that
17 you can plug just about any type of a subject into, and with
18 some modifications and accommodations make it work.

19 Q And so are State agencies required to use that
20 template?

21 A Yes.

22 Q And are there instances where a State agency may not
23 be required to use that template but may nevertheless use it to
24 guide their process?

25 A Ask that one more time, please.

1 Q Are there instances where a State agency may not be
2 required to use that template as the basis for their
3 competitive review process but may nevertheless use that
4 template in order to guide the administration of the process?

5 A I would suggest that this is one of those instances.
6 I'm not aware that a licensing application process technically
7 falls into an RFP process, but I just go back to 2014 when we
8 were asked to provide some assistance and guidance on assisting
9 Behavioral Health in developing their initial request. And
10 when I read through that, it reads remarkably similar to a
11 request for proposal process.

12 Q And you reviewed both the medical application process
13 and that application that was reviewed in 2014 and the 2018
14 recreational application; is that correct?

15 MR. SHEVORSKI: Object. Form.

16 THE COURT: Overruled.

17 THE WITNESS: Correct.

18 BY MR. MILLER:

19 Q And do you find similarities between both of those
20 documents, the State RFP template?

21 A I do. However, I must say I'm more comfortable with
22 reading the 2014 document. I think it flows better. I think
23 it just -- I'm not a vendor. I didn't prepare a response to
24 this. But having seen responses -- I hate to say I'd use the
25 word I'm "enamored" with the 2014 one, but I think the 2014 one

1 is a solid one and makes sense.

2 Q With respect to the State RFP template, are there
3 best practices that have been identified by the national
4 organizations that you talked about you participate in that
5 have been included in that RFP template?

6 A In the 2014 one?

7 Q Sure. Let's start there.

8 A Well, I just --

9 MR. SCHWARZ: Your Honor, I have to make a couple of
10 objections at this point. I think we're now into the point
11 where Mr. Smith is being asked to start getting into his
12 opinions, and we still have the right to establish whether he
13 has the right to offer the opinions that he's being offered
14 for, number one --

15 THE COURT: So you object -- if you object, you
16 object, and then I rule. Are you ready to object?

17 MR. SCHWARZ: I am ready to object, Your Honor.

18 THE COURT: So what's the objection?

19 MR. SCHWARZ: Your Honor, I do not think that this
20 witness is qualified to offer expert opinions on the
21 recreational marijuana licensing application process.

22 THE COURT: Overruled.

23 MR. SCHWARZ: And I also object in that in asking the
24 witness specifically questions about the form of the
25 application that is beyond the scope of any report that he's

1 offered; that is beyond the scope of any deposition testimony
2 he's given. This is -- these are opinions that are being given
3 for the first time today.

4 THE COURT: The form was not something that was
5 discussed before?

6 MR. SCHWARZ: No.

7 THE COURT: You guys didn't know his department
8 helped the 2014 HHS develop the medical form?

9 MR. BICE: I'd like to voir dire, Your Honor.

10 THE COURT: Sure.

11 MR. BICE: Thank you.

12 THE COURT: Can you wipe down the stand, Mr. Miller,
13 before he comes up.

14 VOIR DIRE EXAMINATION

15 BY MR. BICE:

16 Q Good morning, Mr. Smith.

17 A Good morning, sir.

18 Q Mr. Smith, you were retained to provide certain
19 expert opinions in this case; is that right?

20 A Yes, sir.

21 Q Okay. And you -- the only document you originally
22 received when you were retained by the plaintiffs in this
23 lawsuit was a copy of the 2018 application; correct?

24 A A copy of the 2018 application and then a bunch of
25 associated documents that came along with that in guidance to

1 the evaluators and other information that was associated with
2 their release.

3 Q Do you recall telling us in your deposition that the
4 only document that you originally got in the case was the 2014
5 application -- or 2018 application. My apologies.

6 A Yes. And I assumed that those other documents that
7 came on the computer were associated with that. They just -- I
8 didn't -- because everything came on the computer, I didn't get
9 the actual document. I assumed that the other documents I
10 referenced giving guidance to the evaluation committee and so
11 on and so forth were all a part of that.

12 Q All right. So you got those documents in May of
13 2019?

14 A I believe so, sir.

15 Q Okay. And then you were going to decline to give an
16 expert opinion based on those documents; correct?

17 A Well, when I used the word "decline" --

18 Q Am I correct?

19 THE COURT: That's a yes or no.

20 THE WITNESS: Well, partially.

21 THE COURT: Okay. So you can say, yes, but.

22 THE WITNESS: I sent Ross back an email saying I'm
23 not sure I can help you with this because it looks pretty good
24 or something to that effect. So if that's declined, then
25 that's what that was.

1 / / /

2 BY MR. BICE:

3 Q Well, did you produce that email to us?

4 A Pardon me?

5 Q Did you produce that email to us?

6 A I suppose I could. It would be in my Outlook.

7 Q Okay. So, well, my question to you, sir, was do you
8 recall being required to produce all of your communications
9 with counsel?

10 A And I think I did that.

11 Q Okay. So did you give us that email that you sent to
12 Mr. Miller confirming that this looks pretty good?

13 A I don't know whether I did that or not. I relied on
14 the individual at Ross's office to produce all of the things
15 between us. I didn't actually go in my thing and --

16 Q I gotcha.

17 A Okay.

18 Q Okay. So you assumed that Mr. Miller's office had
19 provided because it was a communication you had with him?

20 A Yes, sir.

21 Q Okay. So let's keep moving, then. You send that
22 email to him, and then you later get -- I want to make sure
23 I've got this right from your deposition. I think you later
24 got three transcripts or partial transcripts from a preliminary
25 injunction hearing. Do you remember that?

1 A Yes, sir.

2 Q Mr. Gilbert; correct? Mr. Pupo?

3 A That was a yes. I just nodded my head.

4 Q I understand. Mr. Gilbert, Mr. Pupo, and Ms.
5 Cronkhite; correct?

6 A I believe those were the three.

7 Q And you skimmed through those; right?

8 A Yes. Yes.

9 Q Okay. And after you skimmed through those, that's
10 when you formed your opinions in this case; correct?

11 A Yes.

12 Q And then you prepared a report; correct?

13 A Well, that's when I -- that's when I formed my
14 opinion that maybe things weren't as -- didn't -- didn't go off
15 as they seemed in the original documents that I read. I then
16 went back and read things a little closer and put a little more
17 effort into it.

18 Q Well, do you recall talking to us in your deposition
19 that you read those transcripts for maybe two to three hours?
20 That was it.

21 A Yes.

22 Q And then you drafted a report; correct?

23 A Well, yes. But when you say it like that, I guess
24 I'm just concerned. What I tried really hard to do was concern
25 myself with sections that sounded like they affected process.

1 A great bit of those reports didn't seem to me to have anything
2 to do with my level of expertise.

3 Q I understand, sir. But I'm just trying to get the
4 chronology down.

5 You spent between two and three hours skimming
6 through that testimony, and then the next thing you started
7 doing was drafting a report. Am I right?

8 A Boy, it seemed to me that there was some more
9 information that was provided before I actually drafted the
10 report.

11 Q Did you produce that information to us?

12 A Oh, I would have for sure.

13 Q You would have?

14 A Yes.

15 Q Okay. So whatever you produced to us is all you've
16 got?

17 A Yes.

18 Q Okay. And then the report was drafted, and you sent
19 that to Mr. Miller; right?

20 A Yes.

21 Q And then you and Mr. Miller spent a lot of time
22 revising it; correct?

23 A I wouldn't say a lot of time. We spent -- there was
24 a phone conversation where we went back and forth for probably
25 an hour or two discussing what was in there. Again, this was

1 my first endeavor at producing an expert report for a court
2 proceeding, mainly talking more about the format and how things
3 should look and developing that. The opinions, the words that
4 went in were mine. It was more about establishing how
5 something like this should look.

6 Q Well, sir, my -- do you dispute that at your
7 deposition you told us that you and Mr. Miller spent, quote,
8 "an awful lot on that call," revising your application -- or
9 your opinions?

10 A If that's what I said, that's what I said. That
11 sounds reasonable. That's what I -- yes.

12 Q Okay. That's what I'm just trying to understand.
13 And then -- so you prepared this report that expresses all of
14 your opinions; correct?

15 A I don't know if it expresses all of my opinions, but
16 I believe it's pretty all encompassing.

17 Q So do you understand that you were supposed to
18 prepare a written document under the rules that expresses all
19 of your opinions and the bases for your opinions?

20 A At that time.

21 Q Yes.

22 A I guess what I'm suggesting is I reserved the right
23 to have other opinions if I read other information.

24 Q Okay. Well, at the time that you prepared your
25 report, you expressed all of your opinions. Yes or no?

1 A I think that's fair. Yes.

2 Q Okay. And you expressed all of your opinions, and
3 you provided us all of the bases for your opinions; correct?

4 A Yes, sir.

5 Q Okay. And at that point in time you had never seen
6 this 2014 application; correct?

7 A I honestly don't know.

8 Q Right. But you didn't produce it to us, did you,
9 this 2014 application?

10 A If I had seen it, it would have been contained in
11 that information that was relayed.

12 Q Okay. So -- and you would agree with me, would you
13 not, that your opinions that you expressed, expressly put down
14 in writing, and that you provided all the bases for do not say
15 anything about the 2014 application? Do you agree with that?

16 A I thought I did mention that the issue with Kimberly
17 and I talking about her involvement in it and her
18 comfortability in coming back to me and saying, you know, I've
19 got this taken care of, it's looking good, and my relationship
20 with that.

21 But, no, I don't believe I read the 2014 report at
22 that time.

23 THE COURT: You mean the application?

24 THE WITNESS: The application. I'm sorry. Thank
25 you.

1 / / /

2 BY MR. BICE:

3 Q Do you recall telling us in your deposition, sir,
4 that actually the 2014 process -- page -- let me -- I think
5 it's 26 of your deposition, that the 2014 process was not an
6 RFP-type process? Do you remember telling us that?

7 A I do.

8 Q Okay. And that's the one that Kimberly was working
9 on; correct?

10 A Yes.

11 Q Okay. And so you expressed all of your opinions in
12 writing and provided them to us and have nothing to do with the
13 2014 application; correct? Am I correct on that, sir?

14 A I don't recall. I honestly don't recall.

15 MR. BICE: All right. Thank you, Your Honor.

16 THE WITNESS: But you obviously have it there in
17 front of you.

18 MR. BICE: Hold on a second.

19 THE COURT: Mr. Prince, would you like to help Mr.
20 Bice?

21 MR. PRINCE: No.

22 MR. BICE: Yes, he --

23 MR. PRINCE: Yes.

24 MR. BICE: I need -- I need assistance.

25 THE COURT: I know. I can tell.

JD Reporting, Inc.

1 / / /

2 BY MR. BICE:

3 Q You also did a supplemental report; do you remember
4 that?

5 A Yes, sir.

6 Q So -- well, let's actually talk about that for a
7 minute.

8 A That was more recently.

9 Q Do you remember, in the morning of your deposition,
10 you met with Mr. Miller before the deposition --

11 A Yes.

12 Q -- right?

13 A Well, on the phone.

14 Q On the phone?

15 A Yes, sir.

16 Q And do you recall telling us in your deposition that
17 they coached you up --

18 A If I --

19 Q -- during that?

20 A If I used that words (sic), they were accurate. What
21 we did was they just told me, because I'd never done this
22 before, is to pause before I answer, to allow opportunity for
23 somebody to object, and speak clearly, and that kind of thing.

24 In no way did I mean that anybody told me what to
25 say, or how to say it, or say more of this, or less of that.

1 Q Sir --

2 A It was kind of just a coaching session as to what to
3 expect in a video deposition, because I had never done one.

4 Q Sir, don't you recall -- I mean, and if you deny it,
5 just -- that's fine. Do you deny telling us in the deposition
6 that they coached you up to tell you that your -- to make you
7 or have you say that your opinions were preliminary? Do you
8 deny that?

9 A No, I don't deny it. I just simply don't recall,
10 sir.

11 Q Okay. And you -- you emphasize that at your
12 deposition, right, that the opinions that you wrote down were
13 preliminary; is that right?

14 A That may have been part of the instructions that I
15 was provided.

16 Q Okay. And then you did a supplement; right?

17 A Yes.

18 Q And in your supplement, you don't mention anything
19 about the 2014 application or the 2014 application process;
20 right?

21 A Correct.

22 Q Okay.

23 MR. BICE: Our -- Your Honor --

24 THE COURT: When was the -- was this -- wait. Was
25 the supplement done before or after the depo?

1 MR. BICE: After.

2 THE WITNESS: After.

3 THE COURT: Okay. All right, thank you. Mr. Bice,
4 you want to say something else?

5 MR. BICE: No. We will renew our objection about
6 providing any opinions of testimony concerning the 2014
7 application or its processes, as he has no knowledge.

8 THE COURT: Mr. Miller? Well, it's not that he
9 doesn't have no knowledge.

10 He may have no notice.

11 MR. PRINCE: It's not in the report.

12 MR. BICE: Well, but it's not in his report, and
13 we --

14 THE COURT: It's a notice issue?

15 MR. BICE: Yes.

16 THE COURT: Okay. Mr. Miller, do you want to address
17 anything?

18 MR. MILLER: Yes, Your Honor.

19 THE COURT: So, I have an issue of whether the
20 information related to the 24 (sic) application, and the
21 comparison of the 24 application to the one for the 2018
22 process was disclosed as part of his expert testimony. That's
23 my issue. It's not what he believes or what his opinions are,
24 it's a disclosure issue right now.

25 Do you want to have a discussion with me about that?

CONTINUED DIRECT EXAMINATION

BY MR. MILLER:

Q Mr. Smith, you have a copy of the 2014 medical application?

THE COURT: That's not what I asked you, Mr. Miller. It doesn't involve the witness.

MR. MILLER: I understand.

THE COURT: This is you and me having a discussion.

MR. MILLER: It is Bate-stamped. According to Mr. Smith's testimony, it was provided as part of the supplementary documents that we disclosed as part of his expert report.

THE COURT: After the depo?

MR. MILLER: I'm sorry?

THE COURT: After the deposition?

MR. MILLER: Prior to the depo, at the filing of the initial report.

THE COURT: Is it included in the materials that he provided with the original report?

MR. MILLER: Yes, I believe. We're confirming now, but --

THE COURT: Okay, hold on a second. Let's confirm that.

Mr. Prince, hold on. I'm waiting.

MR. PRINCE: I'm just helping Mr. Bice.

MR. BICE: And I need it.

JD Reporting, Inc.

1 THE COURT: I said yesterday he was more effective
2 than you were. Are you trying to get me to switch?

3 MR. BICE: There's no question he's more effective
4 than I am, but.

5 THE COURT: Sir, this is an issue about disclosure.
6 Since you've not been involved in litigation before, they've
7 probably not explained all the rules that apply to what has to
8 be disclosed to you, because you're a novice at this, so it's
9 not your fault. Hold on a second.

10 THE WITNESS: Thank you, Your Honor.

11 MR. MILLER: Are you looking for a response from me,
12 Your Honor?

13 THE COURT: Yeah, I'm looking for the --

14 MR. MILLER: Yes, so --

15 THE COURT: -- yes, it was produced, Judge, this is
16 the Bates number --

17 MR. MILLER: Yes, it was --

18 THE COURT: -- this is where it's referred to in the
19 report.

20 MR. MILLER: -- produced -- it was produced as part
21 of Mr. Smith's original report as an exhibit, the Bates number
22 LMPSmith0010 through LMPSmith53. And then LMPSmith54 through
23 87, yep, are the recreational applications. And then LMP88
24 through 94 are selections from the national standards documents
25 that Mr. Smith referenced.

1 THE COURT: All right. So does anybody disagree the
2 2014 application was included in the materials produced with
3 the original report? If you believe it was not actually in
4 there, I need you to tell me before I go to the next question
5 for Mr. Miller.

6 MR. SCHWARZ: Yes, Your Honor, I disagree. What
7 those documents are were after Mr. Smith's report was done, and
8 as we were preparing to depose Mr. Smith, we asked Mr.
9 Miller's office whether it was going to be necessary for us to
10 subpoena Mr. Smith's file, or if those documents would be
11 produced to us without the need for a subpoena.

12 And the documents Bates range that Mr. Miller just
13 references were documents that were then given to us upon our
14 request for documents. So they were not documents that were
15 included with the initial report.

16 MR. BICE: Not only were they not documents --

17 THE COURT: Wait, that's not my question. So they
18 were provided as part of the materials related to the original
19 report?

20 MR. BICE: They were provided --

21 THE COURT: You asked for his file; they gave you
22 those materials?

23 MR. SCHWARZ: That's -- that's accurate; correct?

24 THE COURT: Okay. So, Mr. Miller, is it directly
25 mentioned in any of the report, the original report or the

1 supplemental report?

2 MR. MILLER: I don't believe it's mentioned directly
3 in terms of the -- it is reviewed -- it is mentioned in the
4 context of other materials that were included in the 2018
5 process, including the 2014 process that Quantum Mark had
6 developed, and how it related to that application.

7 THE COURT: Okay. So it wasn't specifically
8 identified?

9 MR. MILLER: I'd have to do a word search, but it may
10 not have been specifically identified as to how the 2018
11 relates to the 2014, other than it was a process that was
12 changed.

13 THE COURT: Okay. Mr. Schwarz?

14 MR. SCHWARZ: Your Honor, adding to what Mr. Miller
15 just said, there are no specific documents referenced in the
16 original report, nor are there any specific documents mentioned
17 in the supplement.

18 THE COURT: Okay. But there were file materials that
19 were produced at your request when you asked for them before
20 the depo, and it was in there?

21 MR. SCHWARZ: The 2014 application was.

22 THE COURT: Okay. Mr. Bice --

23 MR. BICE: Yes.

24 THE COURT: -- do you want to say something else?

25 MR. BICE: Our point here is, Your Honor, is he's now

1 going to purport to offer opinions on a subject matter on an
2 application that we -- it's not in his report. It was -- we
3 were not permitted to examine him on, because he never claimed
4 he was giving any opinions or comparison between applications
5 from 2014 and applications between 2018.

6 THE COURT: So the objection --

7 MR. BICE: There's nothing in his report that
8 suggests that.

9 THE COURT: The objection is sustained. The witness
10 will be limited in his ability to compare the 2018 application
11 to the 2014 application. But that does not limit him from
12 commenting about the licensing application process, which while
13 it does not require the use of the template that was developed
14 by his Department while he was there, and the -- what he
15 believes may or may not have been appropriate to have been done
16 for the 2018 process.

17 MR. MILLER: Just for clarification, Your Honor, in
18 the deposition itself, they questioned him about the
19 development of the 2014 process, and his office's involvement,
20 and the substantive -- get into substantive questions about it.

21 THE COURT: Did he testify about it?

22 MR. MILLER: I'm sorry?

23 THE COURT: Did he give opinions about it?

24 MR. MILLER: He was asked specifically about his
25 involvement in that process.

1 THE COURT: As opposed to the fact that, my office
2 was called by Governor Guinn's Chief of Staff, Mike Willden,
3 and asked if we could help the people at HHS who had this novel
4 thing to do? I mean, did we actually have opinions that were
5 expressed during the depo related to the 2014 application as
6 compared to the 2018 application?

7 MR. MILLER: Your Honor --

8 THE COURT: Not yet, Mr. Schwarz. I'm grilling
9 Mr. Miller.

10 MR. MILLER: I'm not sure those portions are needed.
11 I'd have to go back and look at the transcript, but it
12 certainly --

13 THE COURT: Okay.

14 MR. MILLER: -- was a discussion of the deposition.

15 THE COURT: Well, from a historical perspective, I
16 have absolutely no problem with the witness providing that as
17 part of his historical work that he and his people did at the
18 Department. My only concern is the comparison between the two,
19 given the lack of disclosure, but I'm not sure it matters.
20 That's a different issue.

21 Mr. Schwarz?

22 MR. MILLER: Right.

23 MR. SCHWARZ: To further answer the question, Your
24 Honor, he was not asked questions about any opinions regarding
25 the 2014 form, because we didn't know that he had any. But he

1 was asked repeatedly, especially at the conclusion of the
2 deposition, if he had any opinions that were not set forth in
3 his report, and his answer was repeatedly, no.

4 THE COURT: Okay. Well, I have said what the
5 witness's limitation is. He's not going to compare the 2014
6 application to the 2018 application, but that doesn't mean he
7 can't comment about the 2018 application. And we all know,
8 from a historical perspective, that the Department he oversaw
9 was involved in the development or consultation related to the
10 2014 application process; we're just not going to compare them.

11 Anything else? Okay. Sir, you ready?

12 THE WITNESS: Yes, ma'am.

13 THE COURT: You got that instruction?

14 THE WITNESS: Yes.

15 THE COURT: Okay. Mr. Miller, you're up.

16 MR. MILLER: All right.

17 BY MR. MILLER:

18 Q So let's talk about the 2018 application. As you
19 reviewed the 2018 application, you see components within that
20 application that would have included some of -- some best
21 practices that would have been identified by these national
22 organizations that you discussed?

23 A Yes.

24 Q And can you -- can you walk us through some of those?

25 A Well, and again, I -- I make no opinion on whether or

1 not it was intentionally included that way. But, you know, I
2 think some of the -- the best practices are being clear and
3 concise in providing all information that's going to be needed
4 for a vendor to submit a quality proposal.

5 I also note that there is probably no RFP or
6 selection process anywhere that gets it right the first time
7 during that release. And so there is oftentimes amendments
8 that go along with it, and changes, the state changes.
9 Generally, it happens in relation to the question and answer
10 period.

11 One of the things that I noted in here, I didn't see
12 where there is a single point of contact --

13 Q Sure. We'll get to that --

14 A Okay, okay.

15 Q -- Mr. Smith, in a little bit. Yeah. But, I guess,
16 preliminarily, can you walk us through -- you had mentioned
17 this NIGP best practices document that you had had some
18 involvement in developing.

19 Within that report, you're aware that there are six
20 elements that -- that they recommend?

21 A Yes, sir.

22 Q Okay. I want to walk you through some of those.
23 Element Number 1 says, Policies and procedures should be
24 established being for a -- established for soliciting proposals
25 using an RFP.

1 Can you describe for us a little bit about what's
2 meant there and what the purpose is?

3 MR. SCHWARZ: Your Honor, to the extent that Mr.
4 Miller is reading from the report to direct him as to these
5 points, I'm going to object to the form of the question.

6 THE COURT: Overruled. You can answer.

7 THE WITNESS: Yes. You know, before you put one of
8 these documents out, whether it's 40 pages or 400 pages, there
9 is generally a process that is at least -- and I'll speak with
10 my own personal experience between our office operating as the
11 facilitator of the project, and the using agency, which in this
12 case would be the Department of Taxation as the subject matter
13 expert and the -- and the customer, if you will.

14 There is an ongoing dialogue that can, in some cases,
15 be as short as a couple days; in some cases, it can be a couple
16 months back and forth of -- of defining and refining what
17 exactly is going to go in here, how we're going to handle
18 things. A real well-thought-out process of everybody who needs
19 to understand, understanding what their role is and how we're
20 going to move forward once we release this.

21 That's what I talk about -- or that's what they talk
22 about when policies and procedures being established for
23 soliciting, how this RFP, or how this selection process is
24 going to go.

25 BY MR. MILLER:

1 Q Okay. And we'll come back to this later, but you
2 have generally reviewed a process that was identified in the
3 2014 application process from 2014 that was discussed in your
4 report from Quantum Mark; is that correct?

5 A Could you say that one more time, please?

6 Q You identified in your report a process that had been
7 outlined by a contractor in 2014 named Quantum Mark that
8 generally discussed those policies and procedures as to how the
9 application process would be administered; is that correct?

10 A It's my feeling that the information I received back
11 from my staff is they had a high level of comfort with the work
12 that they had contributed, and Quantum Mark had contributed,
13 and the behavioral health folks had contributed to that
14 document.

15 Q Okay. And Element Number 2 of the NIGP global best
16 practice standards indicates that, The RFP should describe the
17 evaluation criteria and scoring method and methodology.

18 Can you describe a little bit about what that is
19 meant to do?

20 A Correct. Prior to releasing any selection document,
21 it's critical, it's essential that the -- how you're going to
22 score the document -- or the responses, excuse me -- how you're
23 going to score those responses is clear, it's concise, it's
24 understandable.

25 I will also share with you that this part is often

1 the subject of many of the questions in the question and answer
2 period. So again, oftentimes, it's not always done 100 percent
3 accurate, or, at best, the first time you take the feedback
4 from the vendor community, you refine through amendment form
5 any changes or any further clarification you're going to offer.

6 But describing the evaluation criteria and scoring
7 methodology in the document is critical. Vendors have got to
8 know how they're going to be scored.

9 Q Element Number 3, An RFP should detail in a clear and
10 organized manner the conditions, procedures, evaluation
11 criteria, and requirements.

12 Can you describe the intent behind that?

13 A Yeah. Again, it goes back to the fact that -- one of
14 the things that our office often struggled with, and it's just
15 a fact in state government, people should have -- and it often
16 happens in HHS, that deals with a lot of federal funding and
17 money has to be spent by an X number -- or X date.

18 They should have contacted you in October to do this,
19 but they didn't get around to getting to you until January, but
20 they still need to have the contract done by the end of March.

21 This talks about how to make things clear, organized.
22 Conditions, procedures, evaluation requirements,
23 everything's -- you've got to -- we used to use the phrase, "Go
24 slow now so you can go fast later." So this refers to an awful
25 lot of thought, meetings, e-mails back and forth; yes, let's

1 put this, let's not; let's reword this; is there another place
2 where we can grab language from that more accurately describes
3 this?

4 This is a classic "Go slow now so you can go fast
5 later" in putting the work in up front and developing your
6 document so that vendors can move in a more expeditious manner.

7 Q Okay. And Element Number 4 -- and we'll come back to
8 this one in depth as it relates to this application, but, The
9 procurement professional must use sound judgment throughout the
10 solicitation process.

11 What's the intent there?

12 A Well, I think, in general terms -- and this is
13 something we really struggled with in 1997, 1998, and early on
14 when agencies, by the legislature, were forced to use our
15 services. They thought -- and I'll just speak as plainly as I
16 often do.

17 You know, I'm a welfare expert. What are these
18 people in purchasing going to know about how to put a document
19 together that really meets our needs, and uses -- and again, we
20 don't presuppose that we know what it is. You do. We know the
21 process; the fair, and equitable, and legal selection process
22 to walk you through. We absolutely need your help, as the
23 subject matter expert, to plug in all of what you need and all
24 of what you know into the document.

25 And so, using sound judgment, I guess, is another way

1 of saying the procurement professional or the individual who is
2 labeled as the single point of contact in the document, needs
3 to use sound judgment in how to juggle these various balls in
4 the air to provide a successful solution.

5 Q Okay. And Element 5,

6 Once the proposals are opened, the
7 procurement professional must review the
8 proposals against the mandatory requirements
9 stated in the RFP to determine if the
10 proposal is responsive/compliant.

11 A And this goes back to something I know that you folks
12 deal with often, the use of the words "shall," "must," "may."
13 When you use "shall" and "must," it's a mandatory. When the
14 State includes that, that means if somebody doesn't submit a
15 proposal that meets that specification or that guideline, you
16 can't accept it.

17 And so we often have to work with agencies because
18 they get real happy with putting "shall," "must" everywhere,
19 and push back a little bit and say, hey, you know, we can
20 include that language, but just understand, you have no wiggle
21 room when you start using this, because if you take a
22 proposal -- accept a proposal, and grade it, and judge it to be
23 quality, and you want to award, you're going to have four or
24 five other people who've put in proposals that are going to
25 say, hey, they didn't agree to this. So that's -- that's kind

1 of what's talked about there.

2 Q And does that element also include consideration of
3 the fact that if a state mandates that some provision be
4 included as part of the evaluation of the process, that that be
5 included by the agency?

6 A Absolutely.

7 Q Okay. Element Number 6,

8 The evaluation committee should be
9 formed early in the planning process for
10 using an RFP and should play an integral role
11 in the development of evaluation criteria and
12 weights.

13 A Boy, I won't get too wordy here. That's pretty
14 self-explanatory. We learned very early on in some of our
15 earlier processes where we were being pushed hard by the
16 agency, and in some cases, some very politically well-connected
17 people above them, to get a document out on the street, get a
18 document out on the street. Okay, don't worry about that,
19 we'll get the evaluation committee named later at some other
20 time.

21 We learned primarily through our own experiences, but
22 also through others, the evaluation committee must be named
23 before the document is released. There are certain exceptions
24 with when guidance is provided to them, certainly before they
25 read any proposals, any instructions, and things like that.

1 But the people, the individuals who are going to be named must
2 be done prior to the release of the document.

3 Q Okay. In a provision there, it says,

4 The procurement professional applies
5 judgment, experience, professional knowledge,
6 training, and ethics to respond to questions,
7 provide clarification or additional
8 information, manage pre-proposal
9 communications, adjust the procurement
10 timeline, and manage the proposal evaluation
11 process.

12 Now, I understand that's wordy, but can you briefly
13 identify what's the consideration there?

14 A That's key. You are the project manager. I think
15 it's one of the things that I really enjoyed about the job when
16 I was first hired. I was a little bit worried that it was
17 going to be kind of a paper-pusher type of a job; you'd move
18 this stack of paper from this side over to this side, and call
19 it good. And but -- but as a procurement officer at the State,
20 the entry level is a Grade 37, which is a reasonably decent
21 professional level to start out at.

22 And one of the reasons we argued strenuously for
23 that, is because the type of individuals that we wanted to have
24 needed to have the project management skills to manage an
25 agency that really wasn't going to be thrilled with using your

1 services anyway, manage a lot of vendors who are not used to
2 having to deal with you as the coordinator or the single point
3 of contact.

4 They're used to calling the Agency Director, or their
5 friend who's over here, or doing those kinds of things. In a
6 public setting, the transparency, the integrity of the process
7 is absolutely key, and that speaks to that.

8 Q Okay. And are there standards that directly relate
9 to what an agency should do once the application is released,
10 relative to anything that may have happened before in
11 preparation (indiscernible) it.

12 A We used to kind of refer to it as the cone of
13 silence. Once -- prior to the RFP being released, it's
14 actually encouraged that the state agency, the using agency,
15 the customer have numerous conversations back and forth,
16 sometimes structured meetings where vendors can provide
17 information.

18 It's often assumed that the state agency doesn't know
19 everything. They know what they want, but they may not often
20 know the vendor's expertise, the latest state-of-the-art
21 technology. And so it's actually encouraged to gather that
22 information through a variety of ways so it can be included in
23 the document.

24 Once that document is released, whole other ball
25 game. And that's intended so that every vendor has the same

1 opportunity to gather the same information, the same changes,
2 the same language in a consistent and similar manner, which is
3 generally done through an amendment, a written amendment form
4 that everybody gets at the same time.

5 Q Okay. And what is the recommended practice in terms
6 of the flow of communication --

7 A The recommended --

8 Q -- between the applicants and the agency?

9 A In the flow of communications, there's usually, in
10 any solicitation document that I've ever been familiar with --
11 and again, this just isn't the State of Nevada, this is any
12 state in the nation. This is a critical process.

13 This is so that after vendors receive the original
14 solicitation document, generally, two or three weeks goes by,
15 and there's a question and answer period named in there. Gives
16 them an opportunity to digest the document, formulate any
17 questions.

18 The general process -- the generally accepted process
19 is that questions are then submitted back to the single point
20 of contact; in our case, would be a purchasing individual, but
21 it doesn't have to be. If the Agency is facilitating their own
22 process, and as does happen in some cases, they have that
23 individual.

24 That's not an individual who needs to know
25 everything, all-knowing, but it's a coordinating individual who

1 accepts -- say ten vendors submit ten questions each. That's
2 100 questions.

3 They then take a week or two and work with the using
4 Agency and other people, possibly the AG's office if it's a
5 legal question, formulate the State's answers to each of those
6 questions in a generic form so that nobody knows who asked what
7 question, and then release that amendment back to the vendor
8 community for their, you know, digestion.

9 I just can't overstate the importance of this. In my
10 report, that's where I talk about the fatal flaw. In my
11 opinion, not being able to adhere to that principle, that
12 guideline, is just -- it tilts -- it causes the playing field
13 to become unlevel in a manner that, in my opinion, in a public,
14 transparent setting, is unacceptable.

15 Q Related to that,

16 All potential proposer questions and
17 other communications regarding the RFP or
18 application are to be directed to the
19 procurement professional managing the
20 solicitation process to decrease the
21 likelihood of inappropriate sharing of
22 information, the appearance of impropriety,
23 and the potential for a protest.

24 Can you discuss a little bit about the implications
25 of -- of that recommendation?

JD Reporting, Inc.

1 A It's one of the real challenges in public procurement
2 in a solicitation process, because it's not unusual for a using
3 agency and someone who is relatively of a higher level at a
4 using agency, to get pressure from vendors. And oftentimes,
5 it's vendors that they're already dealing with on another
6 contract that has been awarded.

7 Oftentimes, it's somebody who wants to meet with you
8 under the guise of talking about Contract A, but, hey, while
9 I'm here with you, can we talk about that RFP that you've got
10 out on the street? I've got a couple questions. You know,
11 it's me, we've worked together. And it's a real challenge for
12 the state employee to understand, you know, the complications
13 that that can cause.

14 And it's one of the things initially when we enter
15 into the discussions with a state agency that we really read
16 the riot act to them, and that they've got -- you know, we're
17 obviously not meeting with everybody in your agency, but
18 they've got to understand, while this document is on the
19 street, no talking about that; just decline, just decline.
20 It's must easier than trying to talk about Items 1, 2, and 3,
21 but oh, I can't talk about Item 4. That's possible, but
22 it's -- it's a real challenge.

23 Q Okay. And,

24 The designated procurement professional
25 may consult with the project manager or

JD Reporting, Inc.

1 subject matter expert to gain information to
2 respond to proposer's technical questions.

3 What's the idea behind that, and how would that flow?

4 A Can you say that one more time, please?

5 Q Sure.

6 The designated procurement professional
7 may consult with the project manager or
8 subject matter expert to gain information to
9 respond to a proposer's technical questions.

10 A That's kind of a key to the accommodation that needs
11 to be made to any agency using the selection process. Again, I
12 referenced earlier that, you know, one of the pushbacks that we
13 received earlier was, you know, why do we got to use you guys?
14 You guys don't know anything about what we do over here in
15 vaccinations or whatever it is.

16 And so the procurement professional needs to realize
17 that out of 25, 30 questions, maybe two or three of them is --
18 is -- is of a procurement nature. Maybe another ten of them
19 have something to do with the legalese that's contained in the
20 Independent Contractor Form appended to the back of the
21 solicitation document.

22 And most of the preponderance of the questions
23 actually have to do with the subject matter expert, or somebody
24 from, in my case, the Health Department.

25 Q Okay.

JD Reporting, Inc.

1 A And so there has to always be a person named, a
2 subject matter expert contact, that the procurement person goes
3 to for the answer of the question.

4 Now, that person at the Department may not know the
5 answer to the question, but they've got to know where in their
6 organization to go get the question, and then respond back to
7 the procurement people.

8 You -- you just can't have a lot of questions and
9 answers, and I'm going to this person, and I've got my answer
10 so I'm not going to -- you get too much of this going on and it
11 just really -- it just really makes the project stink.

12 Q Okay. Issues addenda in response to questions.
13 Changes in the specifications or solicitation, or to extend the
14 timeline for proposal questions.

15 And a subheading, Adjust the solicitation timeline,
16 as needed, to ensure the proposers have adequate time to review
17 and respond to the information provided.

18 A And again, it happens all the time. I -- I think
19 when I first started, I always thought -- used to think of
20 questions and those types of things as being the mark of a -- a
21 particularly -- a selection process that wasn't well thought
22 out.

23 I'll give you an example. If you're working with an
24 Agency like Environmental Protection, they often can't deal
25 with what's in the hole, until they dig the hole. And so it's

1 not unusual at all that you can only put the information in
2 there that you have now, but you reserve the right to provide
3 more information once the hole is dug and more information is
4 known.

5 And so, it's not a flaw to have a question and answer
6 process and address those question and answers. And
7 occasionally, even after that happens, a vendor will come back
8 with a question and say, I know the question and answer process
9 is over now, but we've got this question.

10 The State can certainly, is well within its right to
11 decide that they're going to do another question and answer
12 process. But not just with that one person. Whatever that
13 question is has to be answered so that everybody gets the same
14 information in the same manner at the same time.

15 Q All right. And -- and -- and how -- what is the
16 recommendation for putting that information out there once a
17 question is asked that needs to be distributed to the
18 applicants?

19 A What is the recommendation -- through an amendment
20 form?

21 Q Yes.

22 A Generally, where we have -- and I think every
23 solicitation process, selection process that I'm aware of,
24 nationally, does this through an amendment form.

25 In Nevada's particular case, each vendor has to sign

1 any amendment and return it with their proposal, along with a
2 signed copy of the original solicitation to ensure and attest
3 to the fact that, we had read the entire selection document.
4 We have read and understand questions in Amendment Number one.
5 We've read and understand questions in Amendment Number 2, and
6 here is our proposal. It just kind of ties the whole thing
7 together in a -- in a nice bundle.

8 Q Okay. It says, indicate also there that,
9 You provide public notice of all answers
10 to questions, clarification and changes to
11 provide equal, transparent and timely access,
12 i.e. posting to the entity's website.

13 Will you talk about that recommended process.

14 A Yeah. There -- there -- there's a variety of ways
15 I've seen that done. I know how Nevada used to do it. Again,
16 I left in 2015. It may be done slightly now. It's -- it's one
17 of the principles that's so important, it's constantly being
18 refined by entities as into how to ensure that everybody gets
19 access to the identical information at the same time.

20 We used to do -- you know, we used to just develop a
21 mailing list and -- and people who subscribed to that mailing
22 list would get a copy of -- of the amendment.

23 Then we realized there was many vendors out there --
24 and I'm -- again, I'm speaking in the '90s, the late '90s -- we
25 realized there was many vendors out there who hadn't subscribed

1 to our mailing list. They were interested in possibly
2 submitting a proposal, but they hadn't subscribed to the
3 mailing list. So we got to where we would actually post it
4 right on our website.

5 Then we developed a -- a -- a way for them to
6 actually get an e-mail notification that would take them
7 through a link right to the amendment. And -- and again,
8 there's a variety of ways that the State needs to ensure that
9 everybody received identical information at the same time and
10 in the same manner. It's -- it's -- it's hugely important to
11 the integrity of the process.

12 Q Okay. And Mr. Bice on voir dire started to -- he
13 asked you some questions about the materials that you had
14 reviewed in this case.

15 A Yes, sir.

16 Q You had indicated that when you were first approached
17 by -- by me, you -- you were simply provided with a copy of the
18 recreational marijuana application and perhaps some
19 regulations; is that correct?

20 A Yes, sir.

21 Q And -- and you reviewed those?

22 A Yes.

23 Q Okay. And at that point had you been -- been
24 retained to consult or provide expert testimony on this matter?

25 A My recollection -- my recollection was that I had

1 sent you an e-mail back that -- that somehow or other said
2 something to the effect of, Gee, Ross, I'm not sure I can help
3 you out much with this, because what appears in writing seems
4 reasonable.

5 Q Okay.

6 A Something to that effect.

7 Q And do you recall that it was definitively an e-mail
8 as opposed to a phone conversation?

9 A Oh, honestly, I don't know. It could have been a
10 phone conversation.

11 Q Okay. But in any event, you weren't retained at that
12 point; is that correct?

13 A That's correct.

14 Q Okay. And then at some subsequent point you were
15 re-approached by -- by our office; is that right?

16 A Yes.

17 Q Okay. And that might of been during the injunction
18 hearing that -- that we had been conducting. Does -- does that
19 sound familiar?

20 A I don't know when the injunction hearing was, but my
21 recollection was, it was probably somewhere two, three, maybe
22 even four months after the original.

23 It's -- it's one of the things I struggle with in my
24 recollection of this, in that we started and then there was a
25 big period of nothing, and then we kind of reengaged a little

1 bit, and then -- and more of a period and --

2 Q Okay. And it was at --

3 A -- the time that's gone by.

4 Q And it was at that point that --

5 THE COURT: Welcome to the world of litigation.

6 BY MR. MILLER:

7 Q It was at that point you reviewed transcripts of
8 testimony; is that right?

9 A Yes.

10 Q Okay. And do you recall which transcripts were
11 reviewed?

12 A Steve Gilbert, Kara Cronkhite, and Jorge Pupo. I may
13 have also, if there was a transcript, I recognize the name Ky
14 Plaskon, or Plaskon.

15 Q Uh-huh.

16 A I -- I think that name as -- as well. If I didn't
17 review a transcript of him, he was referred to a number of
18 times in other people's transcripts. I believe those were the
19 names.

20 Q Okay. And you were also provided with the associated
21 exhibits relative to those -- to some of the associated
22 exhibits relative to that testimony; is that right?

23 A Yes, sir.

24 Q Okay. And as part of exhibits, do you recall
25 reviewing the 2014 Quantum Mark process that we spoke of

1 previously?

2 MR. BICE: Objection, foundation. I'm sorry, I'm
3 going to object on this as leading an expert. I understand the
4 Court's tolerance of leading at other times. But this is
5 inconsistent with what he told us in his deposition he looked
6 at.

7 THE COURT: So an you rephrase your question, Mr.
8 Miller, please?

9 MR. MILLER: Well, I can just pull up the exhibit,
10 Your Honor. I think he's familiar with it and has reviewed it.
11 It's --

12 THE COURT: Is it in?

13 MR. MILLER: -- admitted. Exhibit 1780?

14 THE COURT: Is it in evidence?

15 MR. MILLER: It is.

16 THE COURT: Great. Pull it up.

17 MR. BICE: Number one more time?

18 THE COURT: 1780. What page number, Mr. Miller?

19 MR. MILLER: Page 1 is fine.

20 THE COURT: We're on page 1. Can you see that, sir?

21 THE WITNESS: Yes, ma'am.

22 THE COURT: Great.

23 BY MR. MILLER:

24 Q Mr. Smith, do -- do you remember reviewing this as --
25 as part of the -- the preparation for the report?

1 A I must say, I don't specifically recall reviewing, at
2 least the page that's on there. Anything I -- I say in regards
3 to the Quantum Mark, honestly, has more to do with my
4 characterization of, I believe, Kimberly, it could have been
5 one of two other people, remarking to me how -- how confident
6 they were in that project --

7 MR. WILLIAMSON: Objection, Your Honor.
8 (Indiscernible) saying that (indiscernible) is absolutely
9 hearsay.

10 THE COURT: Experts are -- rely on hearsay anytime
11 they want.

12 Keep going.

13 THE WITNESS: And -- and so I -- you know, the -- the
14 exhibits that I was provided, too, boy, there was a long list
15 of them.

16 BY MR. MILLER:

17 Q Okay.

18 A And -- and I -- I -- I can't honestly attest that
19 I've gone through this one --

20 Q Okay. Well, let me pull up Number -- page 4, then
21 the question and answer. Perhaps that was one of the ones that
22 you may recall reviewing.

23 THE COURT: You've got the blue ring of death. Can
24 you read that, sir?

25 THE WITNESS: Yes.

1 THE COURT: Okay.

2 THE WITNESS: Okay.

3 BY MR. MILLER:

4 Q Do you recall that, it being the subject of testimony
5 and -- and a review in preparation of your report?

6 A I recall that this diagram easily illustrates what I
7 would consider to be an appropriate question and answer
8 process.

9 MR. BICE: I'm going to object to the answer, Your
10 Honor. It didn't answer the question.

11 THE COURT: Overruled.

12 MR. MILLER: Okay.

13 BY MR. MILLER:

14 Q Well, I mean, in your report itself, you indicated
15 that Nevada's medical marijuana license application process in
16 2014, as assisted by Quantum Mark, LLC, was sought in this
17 regard, and in many other areas with regard to administering a
18 fair and open selection process.

19 I question why many of those standards weren't
20 implemented in the Department of Taxation's administration of
21 the recreational --

22 THE COURT: You've got to get near a mic.

23 BY MR. MILLER:

24 Q Question --

25 THE COURT: Hold on a second.

JD Reporting, Inc.

1 MR. MILLER: I'm sorry?

2 THE COURT: I have an objection.

3 MR. BICE: Yeah.

4 MR. MILLER: Yep.

5 MR. WILLIAMSON: Thank you, Your Honor. Again, it's
6 fine to have some lead-in, but he -- he can -- Mr. Miller
7 cannot just read from the report and say, that's your report;
8 right?

9 THE COURT: Right. He has to --

10 MR. WILLIAMSON: The report is hearsay.

11 THE COURT: Absolutely.

12 MR. WILLIAMSON: And he can provide his testimony.

13 THE COURT: He needs to ask the witness his opinion.

14 MR. WILLIAMSON: Thank you.

15 THE COURT: So don't read from the report.

16 MR. MILLER: I understand.

17 THE COURT: Just ask the witness his question.

18 MR. MILLER: All right.

19 BY MR. MILLER:

20 Q What is your opinion --

21 THE COURT: Did you reach an opinion about that
22 process?

23 MR. MILLER: Yes.

24 BY MR. MILLER:

25 Q You -- you reached an opinion relative to the process

1 that was administered and assisted by Quantum Mark --

2 A Yes. And that --

3 Q -- in 2014?

4 A -- that was my recollection, whether it was in an e-
5 mail, although which I don't think it was, or in the report.
6 But I do recall us talking about it.

7 MR. BICE: Well, I'm going to -- I'm going to object.
8 He's now conceding, it's not in the report, but he remembers
9 him talking about it with Mr. Miller.

10 THE COURT: I don't think that's what the witness
11 just said, Mr. Bice.

12 Overruled.

13 MR. BICE: Well --

14 THE COURT: So, sir, could you finish your answer,
15 please?

16 THE WITNESS: Yes, ma'am. I -- I -- I recall making
17 the comment, because I had heard such positive things in my
18 office about our contribution to that original process that it
19 was -- I -- I -- I question why, why develop a whole new
20 process? Why not just, since it was the same subject matter --
21 and I understand, not word-for word, but why not build off of
22 that earlier one that seemed to work so well.

23 BY MR. MILLER:

24 Q Okay. Did you form also an opinion relative to the
25 Department's lack of utilization of a question -- a formal

1 question and answer process?

2 A I -- I believe in my report, I stated quite
3 succinctly, I used the word either "show stopper" or "fatal
4 flaw", or you can use both of them.

5 By -- by doing -- by reviewing the transcripts of the
6 multiple in-person engagements, whether it be lunch, or out for
7 drinks later, or -- or just voluminous phone calls that
8 different parties attested to, there -- it -- it really worried
9 me that there's just no way a reasonable person could conclude,
10 whether it be perception or reality, and it became reality, in
11 my opinion, after I read transcripts where people said, yes, we
12 met. We --

13 I would never have allowed such a thing if I was the
14 individual who was responsible for that procurement. I would
15 never have allowed the things that I -- I read that -- that
16 stated that -- that certain people were getting certain
17 information, even if it was all well-intended.

18 Just trying to be helpful and boy, I found myself in
19 that -- that position many times over my career, of somebody
20 saying, hey, Greg, while I've got you on the phone, can I just
21 ask you real quick about this one thing, and you know, that way
22 I can get going on our response, because it's due tomorrow, or
23 something like that.

24 It -- it just -- it just upsets the level playing
25 field that any selection process is absolutely bound by. And

1 it -- it's a huge concern to me as it relates to this case.

2 Q Okay. Do you -- do you recall in the testimony a
3 discussion of an ultimate amendment that was offered to the
4 application itself that proposed different requirements or
5 sought to find clarification --

6 A Was this --

7 Q -- to the application itself?

8 A And -- and the amendment, was -- was this in
9 regarding the locations, whether or not the proposed locations?

10 Q Do you recall that -- that one -- one version of the
11 application was issued on July 5th, and a subsequent version of
12 the application was released on July 30th with additional
13 clarifications to that application.

14 A I do.

15 Q Yes. And do you recall the details and explanations
16 as to how that was communicated and released?

17 A Well, it -- the best of my recollection, what
18 concerned me about all of this is the many moving parts between
19 Plaskon, Gilbert, Cronkhite and Mr. Pupo.

20 Again, it's -- it's not often expected that the sole
21 point of contact be the all knowing or all revolving person,
22 but they go and get the information and they usually know
23 who -- where this came from.

24 There was just an awful lot of, well, I don't know,
25 she told me. And, I don't know, he told me. And -- I don't

1 know where that came from, and I don't know who authorized to
2 put that in, and there was -- I hate to use the word comical
3 because I realize this isn't funny stuff. But I've never been
4 involved in a -- a successful solicitation process where key
5 individuals couldn't say where certain information came from.

6 The purchasing officers that I've worked with take
7 incredible notes during meetings, and knowing where certain
8 things came from and who authorized this, and who authorized
9 that, and why this information is in there.

10 And it -- and it's key, again, in the transparency of
11 how these documents are developed and how the process is run.
12 And I found time and time again, throughout this one, the
13 reading of those transcripts, they're -- they're -- there was
14 just a -- this kind of a thing. And I'm illustrating -- not
15 me, this --

16 Q And for the record, you're pointing across your body
17 in different ways; is that right?

18 A Yes.

19 Q Okay.

20 THE COURT: This is when we're going to take our
21 lunch recess. I have a CLE I have to go to, unfortunately.

22 So, sir, this is not a requested recess. We are
23 breaking until 1:00 o'clock. I will see you guys then.

24 THE WITNESS: Thank you, Your Honor.

25 MR. BICE: Thank you, Your Honor.

1 (Proceedings recessed at 11:54 a.m. until 12:59 p.m.)

2 THE COURT: Come on up back up, Mr. Smith. See if I
3 can get Mr. Miller to finish up. Are you able to see him okay?

4 THE WITNESS: What's that?

5 THE COURT: Are you able to hear him okay?

6 THE WITNESS: Pretty good.

7 THE COURT: All right. You may proceed, Mr. Miller.

8 MR. MILLER: Thank you.

9 BY MR. MILLER:

10 Q Mr. Smith, in your review of the transcripts and
11 supporting materials, do you recall testimony regarding
12 different versions of the application document circulating
13 simultaneously?

14 A I do.

15 Q Okay. And what is the general standard that you
16 would recommend reference to an application being circulated
17 among applicants?

18 A Well, once again I think it's just paramount that the
19 State -- it's incumbent upon the State to ensure that all
20 information provided to all potential applicants is accurate,
21 identical, consistent, and I think any such occurrence like
22 that just muddies the waters.

23 Q And based upon your review of the transcripts and
24 materials that were provided, do you have an opinion as to what
25 occurred in this instance?

1 A I'm sorry, one more time.

2 Q Do you have an opinion as to the level of the
3 standards that may have been followed in this instance?

4 A Well, in that and other areas it just, I hate to say
5 jumped off the page because again I'm reading these things; I
6 wasn't necessarily listening to the people, but if what I read
7 is exemplary of what occurred, it just further illustrated a
8 level of chaotic behavior that I don't think is conducive to a
9 solid transparent process.

10 MR. SMITH: Okay. Shane, can you pull up
11 Exhibits 1005 and 1006.

12 BY MR. SMITH:

13 Q Mr. Smith, I'll represent to you these are previously
14 admitted exhibits and, in fact, the different versions of the
15 applications with one being released on July 5th and one I
16 believe released a subsequent date on July 30th.

17 I want to draw your attention to at the bottom of the
18 page on both versions you'll see, Version 5.4 and some -- do
19 you see what's on the screen there?

20 A I do.

21 Q And what do you generally notice about that?

22 A Well, I'm looking here, these appear to be the same.
23 Version 5.4 relate -- or 622, 218, Version 5.4, 62218, page 1
24 of 34 are these -- is this the same?

25 Q These are, in fact, two different documents. But if

1 that had not been updated to indicate the potential applicant
2 that they contain different information, what is your opinion
3 about whether or not that would fall within the standards of
4 trying to fairly communicate information to applicants?

5 A Honestly I think I'd just --

6 MR. SHEVORSKI: Objection. Incomplete hypothetical.

7 THE COURT: Overruled.

8 THE WITNESS: I think I just illustrated the
9 confusion. I don't see anywhere here the words revised or
10 amended or something that would easily allow a potential
11 proposer to know this a different document with potentially
12 different information.

13 BY MR. MILLER:

14 Q Okay. And if you were going to circulate a different
15 version of the application, what standard or procedures would
16 you recommend that the agency follow?

17 A Once again, any changes to an originally released
18 document, unless you're going to withdraw the entire document
19 and start over, it needs to be done through the established
20 amendment forum.

21 Q And what is the established amendment forum?

22 A Established amendment forum would be to label it
23 Amendment \$2 or Amendment 3 wherever you're at in the process.
24 Release it to all proposing parties which would indicate
25 exactly where the previous language was, what the new language

1 is. Again attempting to call out easily to anyone who's
2 interested the new information.

3 Q Okay. And do you recall that for this application
4 process anyone that had to apply needed to have already
5 obtained a marijuana license of some type; do you recall that?

6 A I don't recall that.

7 Q Okay. But assuming that to be the case, do you
8 recall testimony and information related to the Department's
9 use of a LISTSERV to communicate information related to the
10 application?

11 A Yes.

12 Q And what do you recall about that?

13 A That's one of the things I was concerned with.
14 Again, I have no knowledge of how the Department of Taxation
15 intended or, in fact, did use their LISTSERV as a communication
16 vehicle. I know how I've seen it used in other state agencies.
17 I know how we used it in purchasing in the Department of
18 Administration. It was more of an informal tool.

19 I'll give you an example. in purchasing where it was
20 a LISTSERV of all purchasing entities throughout the 17
21 counties and the numerous cities of the State. If the City of
22 Elko was going to do a bid for sewer pipes for existence, it
23 might get posted on that as a way of getting the information
24 out to other cities and counties in case they wanted to enjoin
25 on that particular bid or at a minimum use the result in

1 contract.

2 I have never seen -- I'm not saying it couldn't be
3 used this way because I don't know the specifics of how the
4 Department of Taxation used it -- I have never seen it used as
5 a communication tool to facilitate a selection process. I just
6 have never seen a LISTSERV used that way.

7 Q So if you wanted to communicate a potential change to
8 the application to a pool of applicants, how would that
9 typically be done?

10 A Through amendment form. Always.

11 Q And how would you communicate to that pool of
12 potential applicants?

13 A Well, and again that's been the struggle -- maybe
14 struggle is a poor use of word, but that's been the consistent
15 challenge of how to ensure making sure that everybody gets the
16 information, everybody signs off on it. And the way we came up
17 with it was through the amendment form that proposing vendors
18 had to sign and return with their application or in our case
19 with their proposal, thereby attesting that they saw the
20 information. They utilized that new information in their
21 proposal. There was no question because they actually signed
22 the amendment form and returned it.

23 Q Okay. And would you also recommend that it be posted
24 to the agency's website?

25 A Absolutely.

1 Q And would you also recommend that they follow the
2 public notice requirements?

3 A Yes. Because -- yes.

4 Q Posting at public locations?

5 A Absolutely.

6 Q Okay.

7 A And again, I realize that a lot of people say, well,
8 the three public posting places, the library and this and who
9 sees those and whatnot, but we kind of erred on the side of any
10 available option helps get the word out. Just posting it on
11 the LISTSERV and calling it good and hoping that people saw the
12 information, I don't believe facilitates a quality process.

13 Q Okay. And if the Department had sent a version of
14 the revised --

15 THE COURT: Can you put us on mute on the phone,
16 please. Can you put us on mute, please.

17 UNIDENTIFIED SPEAKER: Sorry about that.

18 THE COURT: It's okay. All right. Keep going,
19 Mr. Miller.

20 BY MR. MILLER:

21 Q If the Department had transmitted or disseminated a
22 revised version of the application to a LISTSERV group that did
23 not include all of the potential applicants, do you have an
24 opinion as to how that might be seen in terms of fairness in
25 administering a competitive application process?

1 A It, in fact, would be an indication of unfairness.

2 Q Do you recall testimonies or materials related to the
3 application and information provided the evaluators and
4 inconsistencies that may have been provided them in that
5 respect?

6 A Yes.

7 Q And what do you recall about that?

8 A If I recall, the main deal that I kind of focused on,
9 if I remember correctly, was diversity language, and how that
10 diversity language would, A, there was an issue on how the
11 State defended the inclusion of the diversity language and then
12 B, where that language came from, how it was to be used by the
13 evaluators.

14 Again, it just seemed to be a little bit chaotic.
15 I'm searching for the word -- there seemed to be several moving
16 parts going on about it. I'm not at all sure based on what I
17 read that all of the evaluators had the same understanding of
18 exactly what they were able to be evaluating in that category.

19 Q And do you also recall testimony or exhibits that
20 related to the Department's failure to consider mandatory legal
21 requirements as part of the evaluation process?

22 A Yes. And that goes back to one of the earlier
23 guiding principles from the NIGP organization of ensuring that
24 any and all applicable laws, regulations, administrative codes,
25 et cetera, be included and be adhered to. That's part of the

1 State's job of making sure that information is available.

2 Q Okay. And how would you assess the level of
3 importance in complying with that requirement?

4 A Incredibly important.

5 Q And do you recall specifically testimony and exhibits
6 related to the Department's failure to evaluate an applicant's
7 history of compliance and consideration of that factor in
8 evaluating applications?

9 MR. SHEVORSKI: Objection. Legal conclusion.

10 MR. SMITH: Your Honor, I also have to object to this
11 line of questioning as outside scope of the witness's report
12 and deposition testimony.

13 THE COURT: The compliance issue was not included in
14 the deposition or the report?

15 MR. SMITH: No. It was not. It was in a
16 supplemental report --

17 THE COURT: Mr. Miller, hold on. Mr. Miller.

18 MR. MILLER: We'll read from Mr. Smith's report
19 page 0008 --

20 THE COURT: Is that the supplemental report or the
21 original?

22 MR. MILLER: The original.

23 THE COURT: Okay.

24 MR. MILLER: Where he indicates that in review of the
25 testimony several issues of concern arise throughout including

1 but not limited to. And one of the bullet points, failure to
2 evaluate applicant's history of compliance --

3 THE COURT: Okay.

4 MR. MILLER: -- in consideration of those factors in
5 ranking the applications.

6 THE COURT: Okay. Sounds like it's included
7 originally. So keep going. The objection's overruled.

8 MR. BICE: What was the page of that?

9 MR. MILLER: 8.

10 MR. BICE: Page 8 of his report?

11 THE WITNESS: The last page of the original report,
12 and the last paragraph of the supplemental.

13 MR. MILLER: Yes. It's also in the supplemental.

14 THE COURT: Let's go.

15 THE WITNESS: I specifically recall some language
16 revolving around and again the details of which are tough for
17 me to recant because I'm not a subject matter expert, but there
18 was some discussion and testimony regarding some
19 self-reporting, some under 21-year-old people, I believe it was
20 that were allowed entrance which was a violation.

21 There was also some sales to some under 21 that was
22 involved entrance, and where it is specific to my concern was
23 the fact that it doesn't appear to have been relayed to the
24 evaluators. And if I recall correctly, the justification for
25 that was wanting to encourage self-reporting and not bring the

JD Reporting, Inc.

1 hammer down on those people for those types of violations, but
2 from my concern is that they are a violation and so there
3 seemed to be some disjointed -- some violations got reported
4 and some didn't.

5 BY MR. MILLER:

6 Q Yeah. And how would that lack of consistency alter
7 the evaluation process in a way that would concern you?

8 A Well, I suppose it's anyone's guess how it altered
9 the ultimate evaluation. Is it a fatal flaw? I don't know. I
10 wouldn't certainly put it in that category, but again, it
11 exhibited a lack of consistent application of information and
12 transfer of information. Haphazard, disjointed are words that
13 come to my mind that certainly don't lend themselves to a
14 quality selection process.

15 Q And do you recall testimony of information in the
16 review of the materials related to changes to the application
17 related or proposed physical location that did not appear to
18 have been consistently communicated to all prospective
19 applicants?

20 A I do. Once again similar to the last one, I'm not --
21 because I'm not a subject matter expert I don't know how -- how
22 critical that information is, but I do know that it appears
23 that some people, from the testimony that I read, that it was
24 clear that some people were under the impression they just had
25 to submit plans, I believe.

1 And other people were under the impression that they
2 had to actually go get a location, a physical location, secure
3 that, and one can only imagine the amount of cost and time
4 that's involved with doing that as opposed to simply submitting
5 a paper drawing.

6 And so once again, I think it's an illustration of
7 different information being provided to different people
8 thereby causing different submittals to be brought back to the
9 State.

10 Q And do you recall information related to confusion or
11 inconsistencies or lack of appropriate protocols regarding
12 scoring criteria and how those should be applied?

13 A You know one of the things that I think early on when
14 I started hearing about a lot of this and I'd heard that the
15 State chose to bring on Manpower employees, that sounded on its
16 surface as a concern.

17 As I reviewed the information and, in fact, even
18 recognized one or two names on there as I remember being State
19 employees who participated in a great many RFP projects from
20 our organization, I became a little more comfortable with what
21 it was they were trying to do; however, there was testimony
22 throughout the different depositions that I read that just
23 seemed to be in conflict with each other of who was providing
24 me information, why they were providing information, where the
25 information was coming from.

1 I don't know these people, but Plaskon or Plakson,
2 Steve Gilbert seemed like they were trying to relay
3 information, but when they were asked, you know, where did you
4 get that information from or why was that important, did you
5 relay it to the evaluators, sometimes the answer was yes,
6 sometimes the answer was I don't know.

7 Again, it may seem like I'm nitpicking here, but
8 those are all things that I think one looks at to ensure the
9 quality of the entire selection process.

10 Q When you look at the quality of the entire selection
11 process, are there statutes that generally apply, not in this
12 context, but to the purchasing division, Chapter 333 that would
13 outline some of those requirements?

14 A Well, this gets into a little bit of, you know, the
15 statutes that are in 333 provide, I think, an overall
16 framework. I think we actually intentionally worded those
17 broad that this is an unusual position for me to be in, to be
18 attacking, if you will, and maybe that's a poor choice of
19 words, but as a State solicitation process I'm usually in the
20 position of helping defend or provide that broad latitude to
21 ensure that something had happened.

22 I don't know that I could actually point to a State
23 statute and say they violated that, if that's what you're
24 asking. I think certainly the framework, the intent of some of
25 those though is in question here.

1 Q Yeah. Are there -- in administration of the
2 purchasing division, are there ethical standards that -- is
3 there a code of ethics that the administration follows?

4 A Well, interestingly enough, the agency has a code of
5 ethics. The actual state involved in this I don't believe
6 there is actually a set of ethics separate for selection
7 processes. It would certainly refer to the ethics statutes,
8 the general state ethics statutes. I'm familiar with them. I
9 don't pretend to be an expert on them.

10 Q Okay. But what do they generally provide?

11 MR. BICE: Objection, Your Honor. Foundation for
12 this witness is --

13 THE COURT: Sustained. Can you rephrase your
14 question.

15 MR. MILLER: Sure.

16 BY MR. MILLER:

17 Q Do you recall general ethical statutes in classes
18 that you taught and in the administration of these processes
19 that you would find generally applicable to the administration?

20 A Well, I think the one that would jumps out that --

21 MR. BICE: Objection, Your Honor.

22 THE COURT: Yes, Mr. Bice.

23 THE WITNESS: Oop, sorry.

24 THE COURT: Yes.

25 MR. BICE: It is beyond the scope of his report. And

1 any opinions that he has offered.

2 THE COURT: Mr. Miller, is this within the scope of
3 the report?

4 MR. MILLER: Yes, it is.

5 THE COURT: Tell me where.

6 MR. MILLER: Number 0008, significant failures to
7 follow appropriate ethical standards through discussions of
8 employment offers during the application period, attending
9 meals or off-site meetings with certain applicants where issues
10 related to applications were discussed and engaging in
11 appropriate communications with selected applicants, these
12 violations are entirely inappropriate and constitute major
13 violations of the process.

14 THE COURT: Mr. Bice.

15 MR. BICE: Yes, Your Honor. So I understand, and on
16 my voir dire of him, I only know that Mr. Miller helped him
17 substantially in drafting a report. The problem is, is that he
18 didn't actually provide any foundation for this opinion or
19 first of all it's not one of his opinions it's just the --

20 THE COURT: Okay. Your objection is overruled. It's
21 within the scope of his report. The issues you are raising can
22 be handled on cross.

23 MR. BICE: All right. Thank you.

24 THE COURT: Keep going, Mr. Miller.

25 / / /

1 BY MR. MILLER:

2 Q Just address it directly. Did you note that there
3 was significant failures to follow ethical standards through
4 discussions of the criteria that you just heard me mention?

5 A Well, the one that jumps out at me, of course, are
6 the meals, the visits to the bar, those kind of things. I'll
7 just very briefly, when I first was hired, one of the projects
8 I worked on was traffic safety, a deal where the proposing
9 vendor brought bicycle helmets filled with muffins for
10 everybody and presented them to the evaluators and presented me
11 one.

12 And again, this is like my third week on the job, and
13 I was admonished by the -- by the administrator at the time for
14 accepting and allowing the evaluation committee to accept those
15 gifts and gratuities, and I made the comment, I said, but geez,
16 you know, they're trying to show how creative they could be
17 with the bicycle helmets that was part of the deal and the
18 muffins and it didn't seem like that big of a deal. And my
19 boss at the time told me where do you draw the line? You know,
20 do you draw the line at muffins? Do you draw the line at a
21 VCR? Do you draw the line at a meal at Adele's. The best
22 place to draw the line is none.

23 THE COURT: Mr. Bice, do you know where Adele's is?

24 MR. BICE: Yes, I do. It's in Carson City, Your
25 Honor.

1 THE COURT: Okay. Thank you. Just wondering.

2 MR. BICE: It has since burned down.

3 THE WITNESS: Yeah, it's not there anymore. The
4 whole building's gone.

5 THE COURT: It's not there anymore.

6 MR. BICE: Right. Burned down.

7 THE WITNESS: But -- and that's what I was referring
8 to there. When I read those things, and again I've seen it,
9 I've lived it. I just, you know, there was a time when I would
10 go out to lunch with a vendor, and I always made sure I paid
11 for both of us to remove that from a deal. But then the boss
12 at the time explained to me, but the perception. The table
13 next to you may be another competing vendor of the one and
14 says, well, I geez, I know why they got the contract because I
15 saw them out.

16 The best place to draw the line is none, and when I
17 saw those discussions -- those kinds of life experiences just
18 came back to me, and it's something that the procurement
19 profession is always mindful of, gifts and gratuities no matter
20 how insignificant they may seem.

21 BY MR. MILLER:

22 Q And you recall reviewing materials related to a score
23 review or a debriefing, as the industry may term it, relative
24 to this application?

25 A Say --

1 Q A score review or an industry debriefing, an
2 opportunity to meet after the application had been scored; do
3 you recall?

4 MR. SCHWARZ: Your Honor, I object to the extent that
5 he's asking about documents, since those aren't referenced in
6 the report.

7 THE COURT: Overruled.

8 THE WITNESS: I do recall that. And that's another
9 thing that our office has struggled with mightily. Many other
10 officers --

11 MR. BICE: I'll object to this. Where is this score
12 review referenced in his report?

13 THE COURT: Mr. Miller, where's it in the report?
14 Post the word score review.

15 MR. MILLER: I don't have it memorized unfortunately.
16 It's the score review. It's something that he generally
17 reviewed as part of the --

18 THE COURT: It's okay.

19 MR. MILLER: -- criteria. I believe there may be a
20 different term of art that's used, not necessarily a score
21 review.

22 THE COURT: So the objection is sustained. If you
23 find it later let me know, and we'll re-hit it.

24 MR. MILLER: Got it.

25 THE COURT: Okay. Keep going.

1 BY MR. MILLER:

2 Q Talk to you about the communications that occurred
3 with selected applicants and the importance of that. Do you
4 recall reading a number of instances of communications with
5 some applicants that may not have been communicated at all?

6 A At numerous times. Numerous times there was a lot of
7 testimony from Ms. Connor. I believe there was a lot of
8 comments from Mr. Pupo in the depositions that corroborated the
9 comments from Ms. Connor of the numerous phone calls, cell
10 phone calls, personal cell phone calls, on the State's
11 telephone calls.

12 A lot of access where it just appeared to me in
13 reading the documents that I read that the other folks in the
14 office, everything went up to Mr. Pupo. Nobody else seemed to
15 do much of anything but make things happen. Everything had to
16 go there for the okay.

17 And again, that's not unusual in State offices when
18 that kind of environment is promoted where the boss is the one
19 who makes all the decisions, but then appoint the boss as the
20 single point of contact and allow the boss to work in that
21 framework of the amendments in answering all the questions in
22 written form.

23 You just don't do it on phone calls, at the bar, at a
24 dinner, at those kinds of things. It's just very problematic.
25 Other vendors, competing vendors look at that and say this is

JD Reporting, Inc.

1 not a fair selection process.

2 Q Okay. And so with your knowledge of what happened in
3 this process, what opinion do you have as to the ultimate
4 administration of this process in terms of fairness?

5 A That one single thing -- many of these other things
6 we've gone through, I think are flaws in some way, shape or
7 form that taint the process. I don't know that I would
8 necessarily lump any one of them and say stop, reverse course.
9 But that question-and-answer process, that inability to -- to
10 channel all of that information consistently to all of the
11 applicants in my mind is a fatal flaw.

12 Q Okay. And so if other applicants had had access to
13 Mr. Pupo and wasn't entirely dependent upon Amanda Connor
14 contacting Mr. Connor -- Mr. Pupo, if other applicants had had
15 access to him would your opinion change?

16 MR. BICE: Object. Objection to the form of the
17 question and now he's offering yet apparently a new opinion.

18 THE COURT: Overruled.

19 THE WITNESS: My opinion would not change. In fact,
20 my opinion I think that would make it worse. I've often heard
21 that excuse, well, somebody else -- anybody could call me.
22 They've all got my phone number although I don't know that they
23 all had a personal phone. They all had the ability -- the
24 access to call him and some chose to and some didn't.

25 In my mind that just further tilts what should be a

1 level playing field because not everybody is getting access to
2 the same information at the same time.

3 BY MR. MILLER:

4 Q Okay. You heard Mr. Bice earlier suggest that I'd
5 helped you draft this report. How would you characterize my
6 level of involvement and assistance with your report and
7 testimony today?

8 A Well, I'm not going to be disrespectful and say I'm
9 offended; I'm disappointed. We certainly did talk at length
10 about the format because when I originally submitted my draft
11 to you, it was kind of like an English paper paragraph by
12 paragraph by paragraph. You did talk to me about listing my
13 concerns, tying them back to the essentials that we had talked
14 about, drafting a conclusion section. How this would be
15 formatted and where information would go, but I stand by every
16 word that I put in here.

17 Q Okay. So in terms of the substance of this report,
18 is this entirely your work alone?

19 A These were -- these were concerns that I wrote -- I
20 basically drafted this from my notes. As I was writing my
21 notes, then when I went to put this report together I just went
22 back to the notes and tried to formulate in an English-style
23 paper, and you brought up the issue of, you know, here's how
24 these reports generally look. Where you put this, put that,
25 draw it down to a conclusion type of a thing. But they were my

JD Reporting, Inc.

1 words.

2 Q Okay. In the course of your career, how many
3 challenges or appeals do you think you oversaw or were involved
4 in?

5 A Again, we averaged about one per year. So probably
6 12 what I would say bona fide appeals that went to the hearings
7 and appeals officer. It was not unusual to probably have
8 another four to six a year where someone would call me from an
9 unsuccessful vendor who would call and say, hey, can I come
10 down and talk to you or do you got a minute to -- to talk about
11 this. Here's some issues, and I was -- I was considered, I
12 suppose I know a lot of procurement directors who absolutely
13 would not do that.

14 I always felt it was a part of -- a big part of my
15 job to uphold the State's reputation, and I was always happy to
16 at least give the individual an audience and then decide for
17 myself if that's just a disgruntled person who's unhappy they
18 lost, which happens, or if that person really has an issue that
19 they can share with me that showed the State didn't do what it
20 should have done. And in those -- so that's another 4 to 6 on
21 top of the 12.

22 Q Okay.

23 A And that's per year.

24 Q And I think you indicated that you had never lost an
25 appeal in upholding the processes you ran; is that correct?

1 A The State's position was always upheld during the 12
2 years that I was the administrator.

3 Q Okay. But was that also true of you making
4 determinations that would have required a redo of the process?

5 A Yes.

6 Q How many times did you -- did you ask that a redo be
7 done?

8 A Boy, maybe twice. Maybe twice because as I said
9 earlier, it was generally my position that if I felt a redo
10 was -- was the appropriate course of action, I could order that
11 before going to a appeal. There were a couple times where I
12 went ahead and allowed it to go to an appeal because I was --
13 just wasn't quite sure, and I had folks over here on my staff
14 who were arguing that they had done the right thing. I had a
15 vendor that we were proposing to award to that was positive the
16 right thing had happened, and I just kind of said, hey, let's
17 let the hearings and appeals office go ahead and hear this
18 then.

19 Q Okay. And do you recall both of the instances, I
20 think you said twice; right?

21 A Yeah.

22 Q Both of the instances that where you recommended the
23 redo be done?

24 A I don't recall the specifics involved in it, what
25 those categories were. I know it was extremely rare; that's

1 why I say I believe it was more than once, but I'm sure it
2 wasn't more than twice. Just because it -- it was a situation
3 where I kind of felt it needed to be redone. I didn't go
4 into -- that wasn't the State's position going into the appeal,
5 but I wanted a fresh set of eyes to look at it and give us an
6 opinion, and in both of those cases a redo was -- was -- and
7 that's what we did.

8 Q Okay. And do you recall any redos that related
9 directly to the issue that you've termed in this case a fatal
10 flaw, where information wasn't fairly communicated to all
11 applicants?

12 A No, I don't, not for that reason specifically. In
13 fact, I don't recall that ever really being an issue with our
14 process. That's one of the things, I mean, there were a lot of
15 other areas that were somewhat weak or needed worked on or
16 needed improvement, but that question and answer process was --
17 it's just the bedrock of public procurement. You've got to
18 provide everybody with identical information consistent at the
19 same time, in written form.

20 Q I believe you indicated that you're aware of
21 instances where information may be inadvertently communicated
22 to an applicant that wasn't communicated to all the other
23 applicants; is that right?

24 A I'm sure that's happened, and I'm aware of a few.

25 Q Okay. And what happened in those instances?

1 A Boy, I'm struggling to think of exactly when they may
2 have been. I'm aware of an instance where a well-meaning
3 agency director or administrator was meeting with a vendor who
4 already had one or two existing State contracts with the
5 agency, and they were meeting about those contracts. And the
6 State agency individual called me afterwards and said, Greg,
7 you know, I think I let something slip, you know. He said
8 while he was here can we just talk about this other RFP you got
9 on the street real quick.

10 I can't speak with specificity, but I believe in both
11 of those cases we rewound the clock, and when I say rewound the
12 clock we started over, but in both of those cases I will tell
13 you it was relatively early on and relatively easy to do. We
14 weren't too far down the tracks.

15 Q Okay. In the instances where it did go to a later
16 situation, do you recall any instances or allegations that --
17 that we would put on the same scale or scope as the evidence
18 you've seen in this case?

19 A I don't recall us ever having to do one where we got
20 quite a ways down the tracks, that that was the one single
21 reason that we had to redo it.

22 Q In the course of your career how many times have you
23 advocated for a challenge to the State's process moving
24 forward?

25 A Have I advocated for a challenge?

1 Q Yes.

2 A Oh, gosh. When you say advocated for a challenge,
3 I'm assuming you also include where a vendor presented their
4 case to me and the individual who was handling the procurement
5 and made a case that I agreed with, and I would say it would
6 certainly be less than a half a dozen, probably four or five,
7 something like that.

8 Q So it's fair to say you spent almost the entirety of
9 your career defending the State's actions?

10 A Oh, absolutely. By far the great preponderance of
11 it.

12 Q Okay. And when you assess the gravity of -- what you
13 characterize the fatal flaws in this case in information being
14 communicated to applicants that wasn't fairly communicated to
15 other applicants, how would you assess the gravity of what
16 you've seen in this case relative to the other incidents you
17 saw in your career?

18 A Well, I --

19 MR. BICE: Your Honor, I'm going to object to that.
20 It seems like Mr. Miller is trying to elicit from the witness a
21 conclusion for the Court. The ultimate question the witness is
22 not the Court.

23 THE COURT: Experts are allowed to do that. I don't
24 have to listen to them, but they're allowed to do it.

25 Overruled.

1 You can answer, sir.

2 THE WITNESS: I just -- I just think that this
3 situation is so gray, which is why I didn't have to deal with
4 it very much. It was just -- I'm hesitant to use the word beat
5 into our staff, but our staff was well educated of the severity
6 of violating the question-and-answer period or in any way,
7 shape or form allowing that to happen. It just didn't come up
8 all that often. When it did, as I use the term, it's a fatal
9 flaw. I don't need to look at the six or seven other things.
10 I just, you know, you asked my opinion about it, and I -- I
11 feel that it's impossible when that happens for all prospective
12 proposers to be able to submit quality proposals or
13 applications for the State to consider on the same level
14 playing field.

15 BY MR. MILLER:

16 Q All right. And how would you assess these fatal
17 flaws that occurred in this instance in your opinion relative
18 to the national standards?

19 A Well, again the one -- the question and answer, I
20 mean, it's -- it's the greatest one. It's probably the biggest
21 single one at that point in the process that you can violate
22 that taints or corrupts, I guess is the word I would use, the
23 process.

24 Q And is that unique to Nevada, or do you find this
25 same opinion in other jurisdictions?

1 A Oh, no. Particularly in the Western States
2 contracting alliance where all of the States -- the 15 Western
3 States would get together and do several contracts a year. I
4 mean, it's just -- it's just well-known. I would suggest to
5 you I don't think you could find anyone that, don't take my
6 word for it, but you couldn't find anyone in the public
7 procurement profession who would say different answers given to
8 different people at different times, not a big deal, we can
9 work around it. That just doesn't happen.

10 Q Because this is, in fact, a very big violation --

11 A Yes, sir.

12 MR. MILLER: Thank you. I have no further questions.

13 THE COURT: Thank you. Do any other plaintiffs wish
14 to inquire? No one else is interested in procurement issues.

15 Does the State wish to inquire?

16 MR. SHEVORSKI: We have it in order, Your Honor.

17 THE COURT: You mean you're going to go last?

18 MR. SHEVORSKI: I'm going to go last.

19 THE COURT: All right. Mr. Schwarz.

20 Mr. Miller did not wipe down the lectern.

21 MR. MILLER: Sorry.

22 MR. SCHWARZ: It's okay.

23 THE COURT: That's okay, Mr. Schwarz has you covered.

24 MR. SCHWARZ: I've forgotten myself more than once
25 already.

CROSS-EXAMINATION

BY MR. SCHWARZ:

Q Mr. Smith, you may not recognize me this go round with the mask on, but my name's Joel Schwarz. I actually was one of the people that took your deposition in this case.

Mr. Miller -- I'm going to jump around a little bit and then focus on some areas. But Mr. Miller asked you some questions towards the end of your testimony with him about the preparation of your report in this matter, and I just want to ask a couple of follow-ups about that.

In the process of drafting and editing your report, was it ever suggested to you that you should cite to specific testimony that you were basing your analysis -- analysis and opinions upon?

A No.

Q You would agree with me that there aren't any citations to specific testimony in your report or your supplement?

A Correct. May I add that's something I've learned. Now, that being through this process to this time, my notes transferring onto here, I -- I've learned that.

MR. SCHWARZ: Your Honor, I move to strike that last part as not responsive.

THE COURT: Denied.

/ / /

1 BY MR. SCHWARZ:

2 Q Mr. Smith, a few questions about the 2014 medical
3 marijuana licensing process since you've offered some testimony
4 on that issue. Were you aware that contractors were used in
5 the 2014 medical marijuana licensing application process?

6 A Yes.

7 Q Okay. Do you know whether there was litigation about
8 that process in the State of Nevada?

9 A I do not.

10 Q Okay. I believe you testified that the Department of
11 Administration employee that was involved in the 2014 medical
12 application process was Kimberly Tarter; is that correct?

13 A That's my recollection.

14 Q Okay. And did you -- you didn't consult with
15 Ms. Tarter in preparing your opinions in this case; is that
16 correct?

17 A I did not.

18 Q Okay. I think you've testified to this, but just to
19 be sure, you agree that the process for a privileged license
20 application is different than the process for a public
21 procurement?

22 A I'm not quite sure how to answer that. I absolutely
23 recognize that a licensing application process is different --
24 what you're attempting to do is different than a request for
25 proposal process. I draw the similarities in the fact that

1 you're providing information to proposing vendors and
2 ultimately selecting some or possibly all of those vendors
3 whatever they chose based on that information drawing that
4 similarity.

5 Q Thank you. So I believe you already testified in
6 response to at least one question from Mr. Miller, Nevada's
7 procurement process, that's governed by NRS Chapter 333;
8 correct?

9 A Correct, sir.

10 Q And then there's a corresponding Nevada
11 Administrative Code Section 333 as well; correct?

12 A Yes.

13 Q Okay. And in your time with the Department of
14 Administration it didn't follow any procurement process that
15 varied from NRS Chapter 333; did it?

16 A Say that one more time, please.

17 Q In your time with the Department of Administration,
18 the RFP process that it followed at all times was consistent
19 with NRS Chapter 333; correct?

20 A Correct.

21 Q It didn't come up with its own variance on the
22 process that wasn't something that was codified in the statute;
23 correct?

24 A Correct.

25 Q Similarly, you adhered to the administrative code

1 regulations that pertained to the RFP process as well; correct?

2 A Yes, sir.

3 Q Okay. So, for example, you've talked today about the
4 single contact best practice; correct?

5 A Yes.

6 Q Okay. The single contact best practice is actually
7 codified, isn't it?

8 A I believe it is.

9 Q Okay. And that single contact rule that's codified
10 for the procurement process actually prohibits contact with
11 somebody other than the designated point of contact; correct?

12 A That's right.

13 Q Okay. Now, have you reviewed the licensing
14 application statutes for the -- for cannabis?

15 A No.

16 Q Okay. So fair to say you don't know whether there's
17 any codification of a single contact requirement?

18 A Correct.

19 Q Okay. NRS Chapter 333 sets forth specifically how
20 notices for a proposed RFP process are to issue; correct?

21 A Yes.

22 Q Okay. It sets forth how requests for bids or
23 proposals are to be advertised; correct?

24 A Yes.

25 Q It sets forth what specifically is to be in the

1 advertisement?

2 A Yes.

3 Q It sets forth the procedure for evaluation of bids
4 and proposals; correct?

5 A Yes.

6 Q It specifies -- depending upon the specific type of
7 application that's being submitted for procurement, it
8 specifies which State personnel are to be involved in the
9 evaluation process; correct?

10 A Yes.

11 Q And it sets forth an appeal process?

12 A Yes.

13 Q All codified?

14 A Yes, sir.

15 Q Okay. You earlier talked about a bond requirement
16 for appeals?

17 A Yes.

18 Q That's statutory also, isn't it?

19 A Yes, sir.

20 Q Okay. You understand, and I think you talked about
21 this already, that the 2018 recreational marijuana application
22 process was open only to already existing licensees; correct?

23 A Yes.

24 Q Okay. Now, do you know if there were meetings with
25 licensees before the application form was released initially?

1 A I don't know.

2 Q Okay. Do you have any knowledge as to how the
3 application form was developed?

4 A No.

5 Q Fair to say then, that you don't have any knowledge
6 as to whether any of the unsuccessful applicants that are the
7 plaintiffs in this case on whom you -- on whose behalf you're
8 testifying today were involved in developing the industry
9 forms?

10 A I don't know.

11 Q Okay. Mr. Miller showed you two -- well, the cover
12 sheet of two different versions of the 2018 application?

13 A Yes.

14 Q Do you recall that?

15 A Yes.

16 Q Okay. Do you have any evidence that the second
17 version of the application form was not provided to all
18 potential applicants?

19 A I do not.

20 Q I think you testified, I just want to make sure I
21 heard you clearly. You don't have any knowledge of how
22 specifically the Department of Taxation used its LISTSERV?

23 A I don't.

24 Q Okay. Okay. So now I want to try to get into some
25 specifics. You talked about in your original report -- well,

1 let's -- let's take a step back.

2 You prepared an original report in this matter that
3 was disclosed in January of this year; do you recall that?

4 A Yes, sir.

5 Q Okay. And that was based upon review of the 2018
6 application form; correct?

7 A Correct.

8 Q Okay. Do you know whether it was the first or the
9 second version?

10 A I believe it was the first, but I'm not positive.

11 Q Okay. And you had reviewed some testimony from the
12 evidentiary hearing that took place in 2019; correct?

13 A Yes.

14 Q Okay. And specifically you had reviewed hearing
15 testimony from Ky Plaskon, Steve Gilbert, Jorge Pupo, Kara
16 Cronkhite and Deonne Contine; right?

17 A Yes.

18 Q Okay.

19 A I believe there was another name in there too, but I
20 thought the individual was more of an IT person, and it didn't
21 appear to me that that information was very related to the
22 process.

23 Q Okay. So didn't review testimony from any of the
24 applicants from that hearing?

25 A No.

1 Q Correct?

2 A No.

3 Q Okay.

4 A Correct.

5 Q And at that time you didn't have any deposition
6 testimony either; correct?

7 A Correct.

8 Q Okay. And in your report and today you've talked
9 about a generally that you have concerns about information
10 being shared with some applicants but not with all applicants;
11 correct?

12 A Yes.

13 Q Okay. So what specific instances are you referring
14 to as to information being shared with some applicants but not
15 all applicants?

16 A The information that I referred to is the information
17 that appears -- I shouldn't, maybe I shouldn't use the word
18 appears, that could potentially have been shared at the
19 lunches, at the dinners, on the numerous phone calls. The
20 number of phone calls between, I think it's Ms. Connor and
21 Mr. Pupo is just -- and again, I understand that there's other
22 relationships going on there; that's the one I think that just
23 stood out as plain as the nose on my face as ripe for problems.

24 Q Okay. And my question was more specific, and I'll
25 ask it again. What specific information was given to some

1 Q And I want to show you another calendar entry from
2 the D.O.T. It's 1768 for the record.

3 MR. PRINCE: Brendan, Bate Number 8, July 19th.

4 BY MR. PRINCE:

5 Q There's a few things we'll cover there. Let's look
6 at on July 19th at 10:30 there's a TGIG tour of their
7 cultivation facility with Michelle Courtney. Who's Michelle
8 Courtney?

9 A Staff member.

10 Q Okay. Would you have gone -- would you have gone
11 with Ms. Courtney on that visit that day?

12 A No. I -- she may be the one that put that
13 appointment on the calendar.

14 Q Okay. And then it shows you had a dinner meeting
15 that night with -- on the D.O.T. calendar with Amanda Connor;
16 correct?

17 A Yeah, I don't think I went to that though.

18 Q You don't think you did?

19 A No, I don't.

20 Q Okay. That's fine.

21 MR. PRINCE: Let's go -- Brendan, let's go to the
22 17th since we're on that page, July 17th.

23 BY MR. PRINCE:

24 Q And I'm looking at the 2:00 p.m. entry meeting
25 regarding THC symbol. Is that a THC symbol or is that a

1 meeting with THC the licensee?

2 A No, it's a symbol for -- THC symbol for product.

3 Q Got it. Okay. Now, during your tenure as the Deputy
4 Director, you also had many meetings in bars and/or restaurants
5 with Mr. Ritter; correct?

6 A Yes.

7 Q Right. And it would be accurate to say that you had
8 quite a few meetings outside of the office, go to the bar,
9 restaurant, anywhere else for that matter with Mr. Ritter;
10 correct?

11 A Yes.

12 Q It would be even accurate to say that you had a dozen
13 or more meetings with Mr. Ritter at bars or restaurants over
14 the years?

15 A I believe so, yes.

16 Q Okay. And I'm showing you slide 26. This is a
17 portion of the testimony of Demetri Kouretas who was the
18 30(b) (6) witness for TGIG, and we asked him, Well, you say
19 that's the first time you've heard about these meals, but
20 you're also aware that meals that John Ritter had with Jorge
21 Pupo?

22 Answer, that's correct.

23 He's confirming that you had a number of lunches
24 and/or dinners with Mr. Ritter; so he was aware of it; right?

25 A Apparently.

1 Q According to him; right?

2 A Right.

3 Q Now, Mr. Kouretas also testified that prior to the
4 applications coming out that you and Mr. Ritter met to discuss
5 an issue that he had with the retail application; do you
6 remember that meeting?

7 A Say it again.

8 Q Sure. Mr. Kouretas has testified that prior to the
9 applications coming out on July 6th, 2018, that you and
10 Mr. Ritter had a discussion about a concern or issue he was
11 gonna have -- he had. Do you remember such a meeting?

12 MR. GENTILE: I object to the form of the question.
13 Mr. Kouretas has not testified (inaudible).

14 THE COURT: Overruled.

15 MR. PRINCE: Go ahead.

16 THE WITNESS: I'm not sure.

17 MR. PRINCE: Brendan, go to page 209 of the Kouretas'
18 deposition, lines 19 through 25. Okay. Brendan, are you
19 there, 209, starting at lines 10 through 25. Okay.

20 BY MR. PRINCE:

21 Q The question is, talking about just a meeting with
22 you and Mr. Ritter, and he's talking about right before the
23 applications came out. It said, Mr. Ritter had a meeting with
24 Mr. Pupo, explained the situation that Mr. Pupo wasn't aware
25 of. He goes, Oh, actually you're correct; that would not be

1 fair for all the applicants if the way it was set up you could
2 have the best score and win every single jurisdiction and every
3 single license that you applied for. Do you see that?

4 A Yes.

5 Q And was he talking about the antimonopoly issues
6 that -- when you had that meeting before the applications came
7 out?

8 A Yeah, I don't -- I don't remember. I'm trying to
9 think. I think -- I think we did have a discussion of the
10 possibility of a high score sweeping licenses, yes.

11 Q Okay. I'm going to turn --

12 MR. PRINCE: Let's go to page 212 of Mr. Kouretas's
13 deposition, Brendan, lines 11 through 24. And then we're going
14 to go to 213 after that. 212, 11 through 24.

15 BY MR. PRINCE:

16 Q They're still talking about this lunch that you had
17 with -- where Mr. Kouretas is talking about the lunch that you
18 had with Mr. Ritter just before the applications came out. And
19 starting at line 11. So Mr. Pupo and Mr. Ritter had this
20 lunch. Mr. Ritter explained what you just identified.

21 Answer, that is correct.

22 Explain the situation where that actually would not
23 be fair and that's maybe a situation you should look at that if
24 a person scored a hundred -- let's say they applied for 10 in
25 the county, they're going to get all 10.

1 Question, and how could they apply for 10 in the
2 county because at that time there was no restriction on how
3 many licenses you could apply for.

4 And so Mr. Pupo said, well, that's not -- he agreed
5 that wasn't fair. Yeah, he looked at it and said that doesn't
6 seem like that's fair to anybody.

7 Do you see that?

8 A Yes.

9 Q Okay.

10 MR. PRINCE: And going on to page 213, Brendan, lines
11 1 through 10. 1 through 21 actually. Okay. Yeah, 1 through
12 21. Okay.

13 BY MR. PRINCE:

14 Q And he says, Yeah, that was the end of the
15 conversation? That's correct.

16 And then this is what he goes on to say, And so what
17 happened after that?

18 Then when the applications came out, I believe, I saw
19 a couple spots in red where it says you may apply or each
20 applicant may apply only or win one award in each jurisdiction
21 unless there wasn't a sufficient amount of licenses awarded
22 then you could win another.

23 Okay, in a couple different areas of the application.
24 And I take it you were in support of that?

25 Yes.

1 And it's your belief that it was actually
2 Mr. Ritter's contact with Mr. Pupo that results into that
3 language being inserted into the application?

4 I would say it was probably myself and Mr. Ritter and
5 sharing it Mr. Pupo.

6 Do you see that?

7 A Yes.

8 Q Did your conversations with Mr. Ritter and
9 Mr. Kouretas result in a change to the application?

10 A No, I wouldn't say it directly resulted the
11 conversation. It -- like any other item or concern brought by
12 a potential or a licensee, you know, I looked into it and
13 started reviewing the wording of the regulation and ran several
14 scenarios of how things could turn out, discussed it with some
15 people, looked around the regulations to see how we could make
16 it -- make sure that it was a fair process that everyone had a
17 fair or the best chance -- a fair chance at obtaining licenses
18 and especially in the most coveted jurisdictions.

19 Q Right. And the way in the application itself it's an
20 applicant can only be awarded one license in each jurisdiction;
21 correct?

22 A Yes.

23 Q Right. Now, just using Thrive for a moment. They
24 actually had two licensees apply, Commerce Park, which had its
25 own medical and rec licenses; correct?

1 A Correct.

2 Q So they're eligible to apply; correct?

3 A Yes.

4 Q Similarly, Cheyenne Medical, they held a recreational
5 as well as a medical license; correct? So they could
6 separately apply -- that entity could separately apply?

7 A Yes.

8 Q So therefore that's why when they were awarded both
9 licenses for Commerce Park and Cheyenne Medical it was
10 consistent with the regulation and consistent with the
11 application itself; correct?

12 A Yes. The application defines applicant as an entity
13 so.

14 Q Right. And in this case there was two separate
15 entities while common ownership two separate entities applied;
16 right?

17 A Yes.

18 Q That's what made them eligible for more than one
19 license in Clark County?

20 A Yes.

21 Q Okay. All right. I want to show you another
22 calendar entry.

23 MR. PRINCE: Go back to 1768, Brendan, Bate
24 Number 15, please. September the 6th. 12:00 p.m.

25 / / /

1 BY MR. PRINCE:

2 Q September the 6th, 12:00 p.m, do you see that? It
3 says lunch with JR, Mojarra Loca?

4 A Yeah.

5 Q That -- JR is John Ritter; correct?

6 A Mojarra.

7 Q Mojarra. My wife is Cuban, so she would kill me for
8 that.

9 And so anyway that's you having lunch with
10 Mr. Ritter; correct?

11 A Yes.

12 Q And that is 14 days before the applications were due;
13 correct?

14 A Yes.

15 Q What did you discuss regarding the application at
16 this lunch?

17 A Nothing.

18 Q What's that?

19 A Nothing.

20 Q Nothing. Is he just someone you had a in addition to
21 a business relationship, but someone you were personal with as
22 well?

23 A Yes, I thought so.

24 Q Now I want to show you Exhibit 1513.

25 MR. PRINCE: I'm moving for the admission of

1 Exhibit 1513.

2 THE COURT: Any objection to 1513?

3 MR. GENTILE: I need to see it first. I looked at
4 it, I didn't --

5 THE COURT: I'm looking at the wall, Mr. Gentile.

6 MR. PRINCE: It's the Demetri notes of the meetings.

7 MR. GENTILE: No objection.

8 THE COURT: It'll be admitted.

9 (Exhibit No. 1513 admitted.)

10 MR. PRINCE: Okay.

11 BY MR. PRINCE:

12 Q And just for context, Mr. Pupo, I'm giving you
13 Demetri Kouretas prepared this memo or this document in
14 connection with his deposition as the representative of TGIG,
15 okay. This is his handwriting.

16 A Okay.

17 Q Okay. It says on February 1st, 2018, la Mojarra
18 you had lunch with Mr. Ritter. Do you see that?

19 A Yes.

20 Q Do you remember what you discussed at that meeting?

21 A No.

22 Q It says you had another meeting at Valley View on
23 February 22nd, 2018. Valley View is that one of their
24 production or grow facilities?

25 A Yes.

1 Q Okay. What would you have discussed at that meeting?

2 A I don't remember.

3 Q Right. And it's fair to say that if Mr. Ritter
4 called you, you would pretty much take his call any time he
5 called; right?

6 A Sure.

7 Q Or call him right back?

8 A Yes.

9 Q Okay. It said you had a call with him on March
10 27th, 2018. Do you know what that call was about?

11 A No.

12 Q Right. You had a lunch with him again on March --
13 excuse me, April 26th, 2018, at La Mojarra Loca again. What
14 did you discuss at that meeting?

15 A I don't know.

16 Q Okay. And there was a lunch that we just talked
17 about on September the 6th, 2018, again with Mr. Ritter 14 days
18 before the applications were due. Is it your testimony, sir,
19 that you did not give him any information which would give him
20 an unfair advantage with regard to the application process in
21 2018?

22 A That's correct.

23 Q Right. Because he didn't win; right?

24 A Right.

25 Q He was -- is there anybody more politically connected

1 in the process than Mr. Ritter to your knowledge?

2 MR. GENTILE: Objection.

3 THE WITNESS: I don't know.

4 THE COURT: Overruled.

5 BY MR. PRINCE:

6 Q Okay. He could call you anytime; right?

7 A Yes.

8 Q You would meet him any -- when it was -- when you
9 were available if he wanted that; right?

10 A Yes.

11 Q You would discuss the industry regulations, the
12 applications, application process, you discussed that all with
13 him; right?

14 A Yes.

15 Q He was represented by Amanda Connor; right?

16 A Yes. Yes.

17 Q And he still didn't get a license?

18 A Correct.

19 Q But he was the ultimate insider, wasn't he?

20 A Yes.

21 Q Now, I want to go back to your calendar --

22 MR. PRINCE: You know, this might be a time -- okay,
23 to take a break. I would like to use the rest room if I could,
24 or I'm gonna --

25 THE COURT: All right. We'll take a short recess.

1 Mr. Prince, for all of the deposition transcripts
2 that you were using under Rule 30 for any purpose because
3 they're depositions of a party, I need you to provide the originals
4 in an electronic format to Dulce needing to be published.

5 MR. PRINCE: We will today. We will.

6 THE COURT: Okay.

7 MR. PRINCE: Thank you.

8 THE CLERK: I already have Mr. Pupo's.

9 THE COURT: We already have Mr. Pupo's.

10 Is that the only one that you've received?

11 THE CLERK: No, there's some more I need. But
12 Shane's on it.

13 THE COURT: I need a list.

14 MR. PRINCE: I need to show -- I didn't show his
15 deposition today, but we will get that to you.

16 THE COURT: No, we did his yesterday.

17 MR. PRINCE: Yeah, Mr. Kouretas's deposition I'll
18 send to you. I referenced Mr. Ritter's.

19 THE COURT: Mr. Ritter's is from the preliminary
20 injunction hearing; we don't have to publish that.

21 MR. PRINCE: Very good.

22 THE CLERK: And Mr. --

23 MR. PRINCE: And THC, I'll send you the THC depositions.

24 THE COURT: All right. Dulce says that was the right
25 answers.

JD Reporting, Inc.

1 (Proceedings recessed 2:16 p.m. to 2:28 p.m.)

2 THE COURT: All right, let's go.

3 MR. PRINCE: Ready?

4 THE COURT: I am.

5 MR. PRINCE: Very good.

6 THE COURT: And Mr. Pupo, again, if you need a break
7 at any time, you let us know, okay?

8 THE WITNESS: Yes, ma'am.

9 THE COURT: You're up, Mr. Prince. Come on, let's
10 get finished.

11 MR. PRINCE: Your Honor, thank you.

12 We're going back to, for the record, Exhibit 1768,
13 Bate number 2. Just start there, Brendan. There's an entry on
14 Thursday, June 7th. And it's a speaking engagement for the
15 Las Vegas Medical Marijuana Luncheon.

16 BY MR. PRINCE:

17 Q The parenthesis says,

18 They are interested in dual licensing,
19 the licensing process, and they would like to
20 know that Taxation is being fair with
21 licensing at Lawry's.

22 Do you see that?

23 A Yes.

24 Q Did you speak at that luncheon?

25 A Yes.

1 Q Okay. And was that one of the ways that you and the
2 Department made yourself available to members of the industry
3 to -- you know, they can ask you questions and interact with
4 you?

5 A Yes.

6 Q Okay. Did you feel you were being informative?

7 A Yes.

8 Q Very good. And obviously, you knew in the summer
9 of -- June of 2018, the application process was just on the
10 horizon, correct?

11 A Yes.

12 Q Was the medical marijuana licensees, were they
13 concerned about whether -- how they would be treated during the
14 retail application process?

15 A Yes, some.

16 Q Did you ask -- answer their questions to the extent
17 that you could and were able to do so?

18 A Yes.

19 Q Very good.

20 MR. PRINCE: Let's look on, Brendan, 1768, Bate
21 number 3, please. June 11 -- Monday, June 11th. Okay.

22 BY MR. PRINCE:

23 Q Monday, June 11th, you're having a meeting with Chad
24 Christiansen. Do you see that?

25 A Yes.

1 Q And who is he affiliated with?

2 A Fidelis.

3 Q Right. And Mr. Christiansen didn't have any problem
4 getting a lunch meeting with you, did he?

5 A No.

6 Q Did he have your cell phone number?

7 A Yes.

8 Q Did he ask you questions about compliance and other
9 regulatory matters?

10 A Yes.

11 Q Did he ask you questions about the upcoming
12 applications that you could answer?

13 A Yes.

14 Q Okay. Was that you being accessible, sir?

15 A Yes.

16 Q Very good. Now, if you look at -- do you know a Scot
17 Rutledge?

18 A Yes.

19 Q Who is he?

20 A He's with Argentum Partners, I believe.

21 Q He's with who?

22 A Argentum.

23 Q Okay. Is he another licensee?

24 A I believe he's a licensee now.

25 Q Yeah. Okay, and let's look at Tuesday, June 12th.

1 At 10:00 a.m., it looks like you had a meeting with Scot
2 Rutledge regarding Argentum?

3 A Yes.

4 Q Was he a licensee in June of 2018?

5 A I don't believe so.

6 Q You do, or don't?

7 A I don't.

8 Q Okay. Was he asking you questions about how to
9 become a licensee, the process, and the licensing process?

10 A No.

11 Q What was he asking you about?

12 A He had represented licensees on different issues.
13 June of -- I'm thinking this was a vending -- so-called vending
14 machine --

15 Q Okay.

16 A -- called Anna --

17 Q Okay.

18 A -- to dispense marijuana products.

19 Q Even though we're talking about the license -- the
20 application process in the summer of 2018, the day-to-day
21 regulatory and compliance process in terms of man hours far
22 outweighed the application process itself; wouldn't you agree?

23 A Oh, for sure. Yes.

24 Q Right. And let's look at Thursday, June 14th.

25 There's a meeting at 10:00 a.m. with John Mueller of Acres. Do

1 you see that?

2 A Yes.

3 Q You know Mr. Mueller; right?

4 A Yes.

5 Q And he had your cell phone number, and he could text
6 you; correct?

7 A Yes.

8 Q And you also met that same day with Neal Tomlinson,
9 who is a lawyer representing a number of licensees; correct?

10 A Yes.

11 Q Okay. And so is that you making yourself available
12 to people within the industry?

13 A Yes.

14 Q Going on to Acres for a moment. Acres didn't win the
15 retail application license in September 2018, did they?

16 A No.

17 MR. PRINCE: Let's go to -- since Fidelis is a party
18 to the case, let's go to 1768-009, Brendan. July 23rd.

19 BY MR. PRINCE:

20 Q Do you see that? You had another luncheon with Mr.
21 Christiansen, do you see that, for Fidelis?

22 A Yes.

23 Q Was he asking you questions about compliance and the
24 application process?

25 A I don't remember if he asked anything about the

1 application. Compliance issues, yes.

2 Q Okay. And did you think it was reasonable and
3 appropriate for you to meet with licensees if they had
4 questions regarding ongoing regulatory and compliance issues?

5 A Yes.

6 Q Because sometimes there's interpretational issues
7 that the Department has versus what a licensee and maybe their
8 counsel have; right?

9 A Correct.

10 Q And sometimes you have to work together to solve or
11 come up with a reasonable solution; isn't that fair?

12 A Yes.

13 MR. PRINCE: Thursday, July 26th, Brendan.

14 BY MR. PRINCE:

15 Q You had a meeting with an attorney by the name of
16 Melissa Waite. Who is that?

17 A I don't remember who she represented, but she's an
18 attorney that does -- that works marijuana issues.

19 Q Okay. Is she kind of a lawyer representing certain
20 licensees on compliance and regulatory matters?

21 A Yes.

22 Q Okay. Let's look at your calendar entry for July
23 13th, 2018.

24 MR. PRINCE: 1768-009, Brendan. Excuse me. It's
25 actually 7, yeah.

1 BY MR. PRINCE:

2 Q It looks like you had a tour of a facility with -- of
3 Solace with Tax Commissioner Kelesis; do you see that?

4 A Yes.

5 Q Okay. Was Solace -- were they an applicant in the
6 2018?

7 A I don't remember. I don't know.

8 Q Okay. Why would you have been touring with a member
9 of the Tax Commission, a facility?

10 A Tax Commission -- some Tax Commission members wanted
11 to get a better understanding of operations if -- especially if
12 things were going to come to them regarding marijuana issues.

13 Q Okay. Now, on October 11th, 2018, you had a tour
14 with Commissioner Ann Bersi.

15 MR. PRINCE: Brendan, 1768, Bate number 20.

16 BY MR. PRINCE:

17 Q There, you toured with Commissioner Bersi the Tryke
18 facility on Western. Do you see that?

19 A Yes.

20 Q And Tryke wasn't a successful applicant in 2018;
21 correct?

22 A Correct.

23 Q Also go to Friday, October the 12th. You did a tour
24 with Director Melanie Young of the Renaissance facility. Do
25 you see that?

1 A Yes.

2 Q They weren't successful either in the 2018 process,
3 were they?

4 A That's not an applicant.

5 Q Oh. Who is Renaissance?

6 A Renaissance is a property that we were looking at to
7 move the Division out of the --

8 Q Oh, okay.

9 A -- Grant Sawyer Building.

10 Q So it had nothing to do with any applicant either
11 way?

12 A No.

13 Q Okay. If you could look at 1768, Bate number 21,
14 October 17th, 2018. You had a meeting at 11:00 a.m., with
15 Dr. Nicola Spirtos. Are you familiar with Dr. Spirtos?

16 A Yes.

17 Q And he's with D.H. Flamingo, the apothecary; right?

18 A Yes.

19 Q Right. He was not successful in the application in
20 2018, even though you had a meeting with him; correct?

21 A Correct.

22 MR. PRINCE: Now, with regard to Exhibit number 4001,
23 Your Honor, I'm moving for the admission. There are certain
24 text messages regarding Mr. Pupo, and others included.

25 THE COURT: Any objection to 4001?

1 MR. GENTILE: No, Your Honor.

2 MR. PRINCE: Very good.

3 THE COURT: It'll be admitted.

4 (Exhibit Number(s) 4001 admitted.)

5 MR. PRINCE: If we look at -- Brendan, let's just
6 bring -- I'm just going to use the slide, 116 through 118.
7 We'll just go through those, since we used those in the opening
8 statement. I'm going to use those demonstratively.

9 THE COURT: That's fine.

10 MR. PRINCE: It'll be 4001, 57 through 59.

11 THE COURT: And we marked those as the -- is it one
12 group, or three?

13 MR. PRINCE: 4001 is a complete exhibit. This is
14 just certain pages of that exhibit.

15 THE COURT: So we're going to mark the three slides
16 as D --

17 THE CLERK: 8.

18 THE COURT: -- is it 8, 9, and 10?

19 MR. PRINCE: Okay.

20 THE CLERK: Okay. We can.

21 BY MR. PRINCE:

22 Q And this is from Acres, who actually won the -- the
23 Ely license round in -- in December of 2018, and he's asking
24 you questions about advertising, and texting you on your
25 personal cell phone. Do you see that?

JD Reporting, Inc.

1 A Yes.

2 Q And was that common for licensees like Mr. Mueller to
3 text you and ask you questions regarding compliance and
4 regulatory issues?

5 A Yes.

6 Q Okay.

7 MR. PRINCE: And if you'd go to the next one, 117,
8 Brendan. Or, excuse me, go to 118.

9 BY MR. PRINCE:

10 Q And it says here from Mr. Mueller, January 30th,
11 2019, it says, If I have any favors left over there, could you
12 push through -- it says something -- some type of transfer of
13 ownership.

14 Do you see that?

15 A Yes.

16 Q And even though he used the word "favor", I mean, I
17 guess he's just really asking you, can you look at that and
18 give him some assistance; right?

19 A Yes.

20 Q Right. You didn't -- did you -- did you -- because
21 he used the word "favor", did you think he was trying to gain
22 some unfair influence over you?

23 A No.

24 Q Right. It was just more, hey, I know you're busy;
25 can you do me a favor and -- and when you have time, look at

1 this issue for me?

2 A Yeah. I think he just used that because I was on him
3 a lot --

4 Q Right.

5 A -- about things.

6 Q You also -- with regard to -- I want to talk about
7 GBS Nevada Partners, also one of the other plaintiffs
8 represented by Mr. Gentile's law firm, okay?

9 A Yes.

10 Q And Mr. Miller. You know Jim Hammer over there;
11 correct?

12 A Yes.

13 Q And you've also had phone conversations with
14 Mr. Hammer; correct

15 A Yes.

16 Q And regarding, what, transfers of ownership?

17 A Yes.

18 Q Among other things?

19 A Yes.

20 Q And you also know somebody else associated with GBS
21 Nevada Partners, Michael Brown; correct?

22 A Yes.

23 Q And how long have you known Michael Brown?

24 A Over 20 years.

25 Q Is he a close friend of yours?

1 A He's like a brother to me.

2 Q Like a brother to you? Okay. And Mr. Brown, is he
3 an owner, officer, or board member of GBS Nevada Partners?

4 A No.

5 Q Okay. What's his affiliation?

6 A None. He was part of the application for this retail
7 licensing round.

8 Q Well, who -- who is he affiliated with?

9 A He's not.

10 Q Oh, I'm sorry.

11 A He's not involved in the industry at all.

12 Q He was not involved in the industry?

13 A No.

14 Q Oh, I thought he was involved with GBS Partners in
15 some way.

16 A He was -- he was part of the application that was
17 submitted for this round of -- of retail licenses.

18 Q For which applicant?

19 A For GBS.

20 Q Okay. So he was included in their application;
21 right?

22 A Yes.

23 Q Identified as what, a key personnel of some kind?

24 A I don't know.

25 Q Okay. Anyway, even though he is like a brother to

1 you, and you knew Mr. Hammer, that didn't get the GBS Partners
2 a license, did it?

3 A No.

4 Q Okay. In fact, in 2018, there were many
5 conversations between the Department and licensees regarding
6 changes or transfers of ownership; correct?

7 A Yes.

8 Q After recreational became legal in July of 2017,
9 there was lots of ownership and organizational changes that
10 needed to be approved by the Department; correct?

11 A Yes. I mean, that's constant.

12 Q That's just common in the industry, process those all
13 the time; correct?

14 A All the time, yes.

15 Q Did many licensees reach out and ask the Department
16 questions, or at least to try to give the Department a heads-up
17 that this was forthcoming, and to get some guidance about how
18 they could best go about the transfer?

19 A Yes.

20 Q Okay. You also texted with Aaron McCrary of Zion
21 Gardens; isn't that true?

22 A Yes.

23 Q And that was a cultivator; correct?

24 A Yes.

25 Q And they're a plaintiff in this case, and they would

1 talk to you about compliance-related matters; correct?

2 A Yes.

3 Q And he would -- they would call you and text you on
4 your cell phone?

5 A Yes.

6 Q Personal cell phone; right?

7 A Yes.

8 Q You also texted -- you were shown earlier text
9 communication between Nick Puliz and yourself; right?

10 A Yes.

11 Q Now, there were a number of questions asked of you
12 from counsel for Herbal Choice; okay?

13 MR. PRINCE: And look at -- let's look at exhibit --
14 Brendan, let's use -- it's part of Exhibit 4001, for the
15 record, Bate numbers 120 through 129, but let's go to Slides
16 106 to start.

17 THE COURT: And then those slides we'll mark as --

18 MR. PRINCE: Great.

19 THE COURT: -- the next demonstratives in order.

20 BY MR. PRINCE:

21 Q And you know Norberto Madrigal; correct?

22 A Yes.

23 Q And not only was he a licensee, but you also got to
24 know him personally; correct?

25 A Yes.

1 Q You'd text with him about a wide variety of things,
2 including cars, restaurants, personal matters?

3 A Yes.

4 Q Right. And even though you -- he had access to you,
5 he could call you and text with you, he didn't get a license,
6 did he?

7 A Correct.

8 Q Okay. Because you weren't involved in the grading or
9 evaluation process; isn't that true?

10 A Yes.

11 Q And, in fact, you were kept at a distance and
12 maintained your distance from the entire evaluation process;
13 right?

14 A Yes.

15 Q You had no input at all with the evaluators; did you?

16 A None.

17 Q With regard to others, you also knew an attorney by
18 the name of Alicia Ashcraft; correct?

19 A Yes.

20 Q She represented many licensees; correct?

21 A Yes.

22 Q And you had frequent communications with her;
23 correct?

24 A Yes.

25 Q You also dealt with an attorney by the name of Adam

1 Fulton; correct?

2 A Yes.

3 Q And you had meetings with Adam Fulton; correct?

4 A Yes.

5 Q So it's not just Ms. Connor you're having meetings
6 with, it's many -- it's other lawyers as well?

7 A Yes.

8 Q And points of contact designated by the company as
9 required by the regulations?

10 A Yes.

11 Q You've also met with Attorney Maggie McLetchie;
12 correct?

13 A Yes.

14 Q Okay. And you know she represents GreenMart in this
15 case?

16 A Yes.

17 Q Do you know that?

18 A Yes.

19 Q And she represented many others; correct?

20 A Yes.

21 Q Right. Now, I want to now turn to -- after the
22 results came out, Mr. Ritter called you the day the results
23 came out; correct?

24 A Yes.

25 Q And Mr. Ritter told you that he was shocked that he

1 didn't win; right?

2 A Yes.

3 Q And he asked if you had anything to do with the
4 scoring, and he even asked you, can you do anything, didn't he?

5 A Yes. Or -- or --

6 Q You told him that you --

7 A -- or he said, couldn't you have done something, or
8 can you do something?

9 Q Right. He asks, could you do something, or can you
10 do something, or something to that effect; correct?

11 A Yes.

12 Q And you told him you were sorry, but there's nothing
13 you could do; correct?

14 A Correct.

15 Q Even for the ultimate insider, there's nothing you
16 could do; right?

17 A Correct. I --

18 Q The grades were in, and that was done?

19 A Yes.

20 Q Right. You not only -- you didn't change the score
21 for TGIG, did you?

22 A No.

23 Q In fact, you have no power to change the scores after
24 the results are in for any applicant, including TGIG; right?

25 A That's correct.

1 Q And Mr. Ritter was not the only losing applicant to
2 call you after the results were released; correct?

3 A I'm sorry?

4 Q Mr. Ritter was not the only applicant who didn't win
5 who called you after the results were released; correct?

6 A No.

7 Q There were other people who called you, expressing
8 their disappointment?

9 A Yes.

10 Q Including Dr. Spirtos; correct?

11 A Yes.

12 Q Right. And he was very loud and very threatening;
13 correct?

14 A Yes.

15 Q And you couldn't change the results for him either;
16 could you?

17 A Correct.

18 Q Now, I want to talk about the grading process for a
19 minute, okay?

20 A Okay.

21 Q I know you were not involved in that, but you do
22 agree that the grading was supposed to be done in an impartial
23 and an unbiased manner; correct?

24 A Yes.

25 Q There was an identified section and a nonidentified

1 section for a reason; correct?

2 A Yes.

3 Q And they wanted to maintain the anonymity of -- in
4 the nonidentified section to the greatest extent possible so
5 there wouldn't be unfair bias or favoritism; correct?

6 A Yes.

7 Q And, in fact, the D.O.T. hired manpower graders to
8 prevent any potential bias that might occur if the D.O.T.
9 Staff graded the applications themselves; correct?

10 A Yes.

11 Q That was the primary reason for hiring an outside
12 entity to handle the grading; correct?

13 A I believe so, yes.

14 Q Right.

15 THE COURT: So I'm going to stop you there. So if
16 that's true, sir, tell me why, for the Ely applications, the
17 Department had Department employees do the review and grading?

18 THE WITNESS: So, Your Honor, it -- it was a factor
19 in -- in this -- in this application process, due to the sheer
20 number of licenses. So it -- it was a factor. I don't know if
21 it was the primary factor. Another factor would be the lack of
22 resources of employees to --

23 THE COURT: So that was the real reason, it was a
24 lack of resources?

25 THE WITNESS: That was a reason.

1 THE COURT: Okay.

2 THE WITNESS: Yeah.

3 THE COURT: Thanks.

4 MR. PRINCE: Right. Brendan, can you put the Ely
5 results up? I don't have the exhibit.

6 BY MR. PRINCE:

7 Q In fact, I'm showing you the results for Ely. There
8 were six applicants; do you see that?

9 A Yes.

10 Q Right. And for the retail round in September, there
11 were 462 applicants?

12 A Yes.

13 Q So, in addition, they had to be ranked impartially
14 according to a certain scoring system; correct?

15 A Yes.

16 THE COURT: Is it in?

17 BY MR. PRINCE:

18 Q And in addition, they had to be essentially done --

19 THE CLERK: It's not in.

20 BY MR. PRINCE:

21 Q -- in 90 days?

22 THE COURT: Mr. Prince, it's not in. Mr. Prince,
23 it's not in evidence.

24 MR. PRINCE: What's not?

25 THE COURT: Would you like to offer it?

1 MR. PRINCE: I would, yes. What's -- oh, I'm sorry.
2 I thought --

3 THE CLERK: 4199.

4 THE COURT: Any objection to 4199?

5 MR. GENTILE: No.

6 MR. BICE: No.

7 THE COURT: It will be admitted.

8 (Exhibit Number(s) 4199 admitted.)

9 MR. PRINCE: I thought -- I guess I thought it was
10 in. Thank you, Judge.

11 THE COURT: No, it's Dulce.

12 MR. PRINCE: Thank you, Dulce.

13 BY MR. PRINCE:

14 Q And anyway --

15 THE COURT: Okay, now put it back up.

16 BY MR. PRINCE:

17 Q So just comparing the level of man effort that was
18 necessary to grade six medical applications versus 462 retail
19 applications, there's no way the Department could have achieved
20 all that and done it in 90 days with its own staff members;
21 right?

22 A Correct.

23 Q Right.

24 MR. PRINCE: If you could, Brendan, bring Slide 172,
25 please. It's another section of testimony from Mr. Ritter.

1 BY MR. PRINCE:

2 Q The question we -- that was asked of Mr. Ritter, at
3 the time, it had come to his attention that inspectors were
4 never spoken to by the graders, and he said that they were not.

5 That's by design; correct? The evaluator should
6 never call the inspectors, the people who go to the facilities
7 on a day-to-day basis and inspect; correct?

8 A Correct.

9 MR. PRINCE: So let's show the next slide, Brendan.

10 THE CLERK: That will be D12.

11 THE COURT: And that's D12.

12 MR. PRINCE: 175.

13 THE CLERK: And then this is D13.

14 MR. PRINCE: Okay.

15 BY MR. PRINCE:

16 Q And this is what he said is,

17 After the licenses were awarded, we had
18 two inspectors come by our cultivation
19 facility. They asked us whether or not -- or
20 how many licenses we had gotten and we said
21 none. They said, well, we can't believe
22 that. You guys are always operating right,
23 and we don't have any problems with you. And
24 we said, well, I hope you told the Department
25 that, that you told the scorers that. And

1 they said, we had no contact whatsoever with
2 the scorers. They never asked us for any
3 kind of feedback.

4 Do you see that, Mr. Pupo?

5 A Yes.

6 MR. PRINCE: I want to go on to the next slide,
7 Brendan. Oh, that's fine. In any -- in any event -- that's
8 not this one, Brendan. You can take that down.

9 BY MR. PRINCE:

10 Q By design, the inspectors should have never had any
11 contact with the graders; correct?

12 A Correct.

13 Q So when Mr. Ritter wanted and expected that the
14 graders would have contact with inspectors, that's precisely
15 what the Department was trying to prevent so there's no unfair
16 influence or bias; correct?

17 A Yes.

18 Q Okay. Now, with regard to texting and communicating
19 with Amanda Connor, would you agree that the -- the vast
20 majority of the contact you had with her related to day-to-day
21 regulatory and compliance matters?

22 A Yes.

23 Q And other than approving the application itself, you
24 essentially played no role in the application process or the
25 scoring, that's all left to the other team; right?

1 A Correct.

2 Q So when Ms. Connor's texting you about, you know, can
3 a dispensary accept a delivery over \$25,000, or an advertising
4 issue, that's an example of day-to-day compliance issues;
5 right?

6 A Yes.

7 Q Same with the hand washing sink?

8 A Yes.

9 Q And even during the application process, don't you
10 agree that Ms. Connor, on behalf of her 100-plus licensees, she
11 had a direct need to communicate, as the designated point of
12 contact with the Department, daily?

13 A I'm sorry, can you repeat that?

14 Q Sure. That even during the application process, Ms.
15 Connor had reason to contact the Department, including
16 yourself, on a day-to-day basis for her clients regarding
17 regulatory and compliance issues?

18 A Yes.

19 Q So therefore, it wasn't strange, nor unusual that she
20 would contact you or speak with you; correct?

21 A Correct.

22 Q It could be ownership issues, it could be how to
23 handle like a hand washing sink, or even something as
24 advertising; right?

25 A Yes.

1 Q With respect to -- you had one or two meetings where
2 Mitch Britten on behalf of Thrive was present; correct?

3 A Yes.

4 Q And Mitch Britten didn't have regular contact with
5 you, did he?

6 A No.

7 Q You don't have a close relationship with him, do you?

8 A No.

9 Q And not all of Amanda Connor's clients won a license
10 in the 2018 recreational; correct?

11 A Correct.

12 Q And there was some evidence that's already been
13 admitted in the case, 1516-106, regarding TGIG's -- their own
14 compliance issues. They are assessed a civil penalty for an
15 advertising problem in two thousand -- April of 2018.

16 MR. PRINCE: Go ahead, Brendan.

17 BY MR. PRINCE:

18 Q That did not disqualify TGIG, did it, from filing an
19 application in September?

20 A No.

21 Q As long as the licensee was in good standing and had
22 resolved all of their outstanding Notices of Deficiency or
23 compliance matters, they were eligible to apply; correct?

24 A Yes.

25 Q And talking about compliance for a moment, the

1 graders, to your knowledge, they weren't asked to evaluate past
2 compliance history; correct?

3 A I'm sorry, repeat that.

4 Q The evaluators, in 2018, they weren't asked to
5 evaluate or score past compliance history; correct?

6 A Yeah, again, I'm not sure how they were instructed.

7 Q Very good. But nevertheless, generally speaking, it
8 would be hard to compare compliance if you're a cultivator
9 with, say, very -- with a new operation versus someone who's
10 been in the business, a retail dispensary, been in business for
11 a while? There's just going to be a different compliance
12 comparison; correct?

13 A Yes, there could be.

14 Q It'd be kind of apples and oranges; right?

15 A To a certain extent, yes.

16 Q Right. Now, when an applicant sought clarification
17 from you or your department, that -- that's appropriate, right,
18 getting clarifications?

19 A I believe so, yes.

20 Q All right.

21 MR. PRINCE: Let's go to Slide 126, Brendan.

22 THE COURT: This will be the next in order
23 demonstrative.

24 MR. PRINCE: That's fine.

25 THE CLERK: It'll be 14.

1 BY MR. PRINCE:

2 Q I'm showing you a -- the testimony of Demetri
3 Kouretas, who is the CEO of TGIG and a 30(b)(6) witness.

4 And the question was, And you don't think there was
5 anything wrong about getting clarifications, do you?

6 And he said, Getting clarifications? No.

7 You agree with that, don't you?

8 A Yes.

9 Q And anybody else could have asked Mr. Pupo the same
10 question if they had a question, and you assume he would have
11 given them the same answer; correct?

12 Answer, That is correct.

13 Do you agree with that?

14 A Yes.

15 Q If people asked you a question about the application,
16 to the extent you could, would you answer it?

17 A Yes, to the extent I could.

18 Q Say it again.

19 A Yes, to the extent I could.

20 Q Right.

21 MR. PRINCE: Now, Brendan, go to Slide 145.

22 THE CLERK: It'll be 15.

23 THE COURT: Thank you, Dulce.

24 BY MR. PRINCE:

25 Q And before I ask you this, just because Ms. Connor

1 spoke with you regularly, that did not mean that she got access
2 to information that others could not; do you agree with that?

3 A Yes.

4 Q This is Mr. Kouretas: But one of the reasons that
5 you, again, you hired Ms. Connor is because of her expertise,
6 and it is your contention that she got information that she
7 wasn't allowed to have?

8 No. I believe the information she received, others
9 could have received it as well.

10 Do you agree with that?

11 A Yes.

12 Q If she -- Ms. Connor asked you questions directly;
13 correct?

14 A Yes.

15 Q Sometimes you'd tell her, I couldn't answer?

16 A Yes.

17 Q So you didn't know. And most of the time, she knew
18 the answer, or you were just providing confirmation; isn't that
19 true?

20 A Yes.

21 Q And she probably was annoying at times, because she
22 probably contacted you so much on behalf of her clients; right?

23 A Yes, so --

24 Q Right. Now, I want to show you another slide.

25 MR. PRINCE: Slide 147, Brendan.

1 THE CLERK: 26D.

2 BY MR. PRINCE:

3 Q Again, from testimony from Mr. Kouretas. And the
4 question is, There's no information that Ms. Connor had that
5 others could not have acquired had they merely asked.

6 Do you see that?

7 A Yes, I see that.

8 Q It says, Yeah, I don't believe she had any
9 information others could not have obtained if they tried.

10 Do you see that?

11 A Yes.

12 Q Do you agree with that as it relates to you?

13 A Yes.

14 Q Do you agree with that as it relates to the
15 Department?

16 A Yes.

17 Q Did you as a -- try to function as a group, meaning
18 you, Mr. Gilbert, the Director or the Chief Deputy, so that you
19 were providing consistent responses on questions?

20 A Yes, to the best of our ability.

21 Q Very good. All right. I want to ask about location,
22 okay?

23 A Okay.

24 Q Don't you agree that location was never going to be
25 scored; correct?

1 A Correct.

2 Q That was well known, wasn't it?

3 A I believe so, yes.

4 Q Now, it sounds like you've done a lot of reading.

5 I'm sure you've read the Governor's Task Force Report; right?

6 A Yes.

7 Q Right.

8 A It's been a while.

9 Q Understand.

10 MR. PRINCE: One second, Your Honor. Sorry. Okay.

11 I want to look at Exhibit Number 3000, which has been admitted,
12 to my knowledge. Bate number 29, Brendan.

13 THE COURT: Dulce said, yes.

14 MR. PRINCE: Thank you.

15 BY MR. PRINCE:

16 Q And I want to look at where it says, "The application
17 process."

18 Do you see that?

19 A Yes.

20 MR. PRINCE: Okay, Brendan. And among other things
21 -- where it says -- the second sentence, Brendan, for the
22 Department of Taxation.

23 THE WITNESS: Okay.

24 BY MR. PRINCE:

25 Q It says,

1 The Department of Taxation should rank
2 the applicants based on the applicant's
3 qualifications without respect to the planned
4 location of their business.

5 Do you see that?

6 A Yes.

7 Q That's what the industry wanted; correct?

8 A Yes.

9 Q And that's what you understood coming out of the Task
10 Force and the working groups; correct?

11 A Yes.

12 Q And Mr. Ritter was actually one of the -- he chaired
13 that working group?

14 A Yes.

15 Q And you spoke to Mr. Ritter yourself that location
16 was not going to be scored; correct?

17 A Yes.

18 Q So he was very knowledgeable about that; right?

19 A Yes.

20 Q Now, go down to the rating criteria on applicants,
21 same page.

22 And then it says,

23 The Task Force recommends that the
24 impartial, numerically scored process used by
25 the medical marijuana program be revised for

1 retail marijuana stores to remove
2 consideration of location, and focus only on
3 the applicant qualifications for operation of
4 a marijuana establishment.

5 Do you see that?

6 A Yes.

7 Q That's what you recall; correct?

8 A Yes.

9 Q And that's what Mr. Ritter recommended for the
10 industry, didn't he?

11 A Yes.

12 Q And many people understood that; correct?

13 A Yes.

14 Q There was no secret that that was to be removed;
15 correct?

16 A Correct.

17 Q Now, I want to show you another e-mail.

18 MR. PRINCE: It's 1863, Bate number 5, Brendan.

19 BY MR. PRINCE:

20 Q And it's, again, from Mr. Cristalli on behalf of his
21 law firm, Gentile, Cristalli, and Miller.

22 MR. GENTILE: I object to that. He's doing it on
23 behalf of Qualcan.

24 MR. PRINCE: That's from your law firm.

25 MR. GENTILE: No, Qualcan is not my law firm.

1 MR. PRINCE: G-S-G-C --

2 MR. GENTILE: His client is Qualcan. I object to the
3 form of that question.

4 THE COURT: Can you revise it and use the e-mail
5 address for Mr. Cristalli?

6 MR. PRINCE: Oh, I sure can.

7 THE COURT: Thank you.

8 MR. PRINCE: I -- you're welcome. I sure can.

9 BY MR. PRINCE:

10 Q I'm sending -- showing you an e-mail from an M.
11 Cristalli at GCMASLAW.com. Do you see that, sir?

12 A Yes.

13 Q And you understood that Mr. Cristalli is a lawyer who
14 works with Ross Miller?

15 A Yes.

16 Q And Mr. Gentile?

17 A Yes.

18 Q And they're asking you a question regarding the
19 locations?

20 THE COURT: "He", not "they".

21 MR. PRINCE: He.

22 THE COURT: He.

23 BY MR. PRINCE:

24 Q Mr. Cristalli is asking you a question on behalf of
25 Qualcan about locations. Do you see that? Do you remember

1 receiving this e-mail?

2 A No, I see that. I -- I don't remember receiving the
3 e-mail out of the thousands, but --

4 Q Right. Do you know if he responded or not?

5 A I don't remember.

6 Q Nevertheless --

7 A I -- I'm sure --

8 Q -- whether he responded --

9 A -- I would have.

10 Q I'm sorry?

11 A I -- you know, I -- in the normal course of business,
12 I would have responded to that, yes.

13 Q Right. You would have told them that location is not
14 being scored, you just need a physical address; right?

15 A Yes.

16 Q Right. Because that was no secret, was it?

17 A No secret, yes.

18 Q Got it. Because you understood that all of the
19 licenses would be conditional, subject to all of the applicable
20 local zoning, land use, use permit approvals would have to be
21 in place before the Department would issue a final inspection;
22 right?

23 A That's correct.

24 Q Okay. And would authorize the opening of a
25 dispensary; correct?

1 A Correct.

2 Q Okay. So some licensees, they put an actual -- they
3 -- they secured a location; right?

4 A Yes.

5 Q Some didn't. Some just used an -- an address,
6 including a P.O. Box; right?

7 A Yes.

8 Q And nobody was either better off or worse off because
9 of that; agreed? Because there was no scores?

10 A Right. It had no affect on the scoring.

11 Q Right. No one got an -- no one was put ahead and no
12 one was put behind. It was -- it was a neutral issue; right?

13 A Yes.

14 Q From a scoring standpoint?

15 A From a scoring standpoint, yes.

16 Q Right. Let's look at Mr. Ritter's testimony from
17 Day 1.

18 MR. PRINCE: Slide 57, Brendan.

19 BY MR. PRINCE:

20 Q And this is a question of Mr. Ritter: I think based
21 on your testimony last Friday, you stated that the proposed
22 locations of the addresses that TGIG submitted were actually
23 P.O. Boxes or UPS stores. So those were the proposed
24 locations.

25 Answer, That's correct.

1 And so it's your understanding that, as stated here,
2 the actual specific location would not be part of the scoring
3 process. That would be up later for the local jurisdictions to
4 work with the ranked applicants to find a spot?

5 Answer, Yes. That's what came out of this process.
6 That's the -- the Task Force process; right?

7 A Yes.

8 Q That's what came out of it?

9 A Yes.

10 Q And then, in turn, the regulation, 453D.272, there's
11 no scoring for location; correct?

12 A Yes.

13 Q Now --

14 THE COURT: I don't need the transcript, but we need
15 the slide.

16 THE CLERK: Oh, that's D17 --

17 MR. PRINCE: Is it --

18 THE CLERK: -- for that slide.

19 MR. PRINCE: Okay. I want to -- Your Honor, I want
20 to -- is Exhibit 1135 in, Dulce?

21 THE CLERK: Let me check.

22 MR. PRINCE: I think it is, but.

23 THE CLERK: It is.

24 MR. PRINCE: I'm sorry?

25 THE CLERK: It is.

1 MR. PRINCE: Thank you. Brendan, 1135, Bate number
2 4. If you can just highlight -- just go down through 1
3 through -- you can go 1 through 14, that's fine. Actually, 1
4 through -- 1 through 19.

5 BY MR. PRINCE:

6 Q Okay. Mr. Pupo, do you see the -- can you see it on
7 the monitor okay?

8 A Yes.

9 Q What we're going to do is, let's look at number 10.
10 Let's just start with that.

11 Circle S Farms. Do you know Circle S Farms?

12 A Yes.

13 Q Who are they?

14 A I believe, if I remember correctly, they have a --
15 they were just a cultivator, didn't have a dispensary, and it's
16 owned by three women, I believe.

17 Q Right. And one of the cultivators who won a license;
18 right?

19 A Yes.

20 Q And their -- their address was TBD, to be determined;
21 correct?

22 A Apparently, yes.

23 Q Right. So they didn't even identify any address, let
24 alone a proposed location, and still won?

25 A Yes.

1 Q Right. And do you see down there, MM Development,
2 number 12, Mr. Kemp's client?

3 A Yes.

4 Q They also had TBD; correct?

5 A Yes.

6 Q So obviously, certain applicants, they clearly knew
7 that location was not going to be scored; correct?

8 A Correct.

9 Q Some people knew more about the process than others;
10 correct?

11 A Sure. Some participated more in the process and --
12 than others.

13 Q And I think you said in your deposition that,
14 When a licensee is operating in a highly
15 regulated industry, they have a
16 responsibility and obligation to attend
17 meetings, give their input, get input, so
18 they can gain a better understanding of the
19 statutes and regulations.

20 A I believe that, yes.

21 Q And so just because -- I'm just going to tell you,
22 Essence, Cheyenne Medical, TGIG, N -- NOR, they all used the
23 same physical address with a different P.O. Box number.

24 That didn't give anybody an advantage or a
25 disadvantage, did it?

1 A Correct.

2 Q With regard to the application itself, what I
3 understand is you gave final approval on the application;
4 correct?

5 A Yes.

6 Q And you were not involved in the 2014 medical
7 marijuana application process; correct?

8 A Correct.

9 Q And by design, including coming out of the working
10 groups from the Task Force, they wanted to model the retail
11 application after the medical marijuana program application;
12 correct?

13 A Correct.

14 Q With just some slight modification?

15 A Yes.

16 Q Right. That's what the industry wanted; correct?

17 A Correct.

18 Q That's what Mr. Ritter wanted; correct?

19 A Correct.

20 Q I want to talk about the -- the retail application
21 regarding compliance for a moment.

22 While past compliance was not going to be scored, the
23 application itself was a test of compliance about how you're
24 going to operate in the future, and that's what the evaluators
25 were asked to score; correct?

1 A Yes.

2 Q Your plans, your operating procedures, security,
3 advertising, your metric system, how to -- you know, all of
4 those identification checks, that's all part of the test of
5 compliance, the application itself put the applicants to?

6 A Yes, that's correct.

7 Q Okay. And with regard to deficiencies, I want to see
8 if you agree with Mr. Ritter in this respect.

9 MR. PRINCE: Let's -- Brendan, let's look at his
10 testimony, the Day 1 testimony on pages 187 -- I don't know if
11 we have a slide on it or not. I thought we did. But 187,
12 lines 21 through 188:2.

13 BY MR. PRINCE:

14 Q This is Mr. Ritter's testimony with regard to
15 compliance:

16 So a cultivation, a production in two dispensaries
17 have been criticism-free as far as the regulators are
18 concerned?

19 Yeah. I think we've had our share of deficiencies,
20 just like most operators, but they've been relatively minor.
21 We responded to them quickly and we were able to fix any
22 deficiencies that the inspectors may have found.

23 Do you -- do you agree with that?

24 A Yes.

25 Q Just because you've had deficiencies in the past

1 doesn't mean you're disqualified; correct?

2 A Correct.

3 Q Right. If you're in -- if you're in good standing,
4 the Department allowed you to go forward, because your license
5 was in good standing and even if there's a deficiency that's
6 been resolved, that's already a matter that's in the past;
7 correct?

8 A Yes.

9 Q And been accepted by the Department as an acceptable
10 resolution?

11 A Correct.

12 THE CLERK: (Indiscernible.)

13 THE COURT: Good luck figuring it out when he sends
14 them to you.

15 THE CLERK: Yes.

16 BY MR. PRINCE:

17 Q You also spoke --

18 MR. PRINCE: Is that his name? Oh, sorry.

19 BY MR. PRINCE:

20 Q The person -- one person you spoke with in regulating
21 was a person by the name of Ramsey Dadis; correct?

22 A I -- I've spoken to him, yes.

23 Q Do you remember a Ramsey Dadis?

24 A Yeah. Yeah.

25 Q On behalf of the Libra Wellness?

1 A Yes.

2 Q Okay.

3 MR. PRINCE: And I want to -- if -- I want to move
4 for the admission of Exhibit 339, Your Honor.

5 THE COURT: 339?

6 MR. PRINCE: Produced by the ETW plaintiffs.

7 THE COURT: 339?

8 MR. PRINCE: Yes.

9 THE CLERK: That's too low.

10 THE COURT: Any objections?

11 MR. GENTILE: 339?

12 THE COURT: We think the number is too low. But,
13 okay.

14 THE CLERK: Is it --

15 MR. PRINCE: Oh, no, 3339. I'm sorry.

16 THE CLERK: Okay.

17 THE COURT: Okay.

18 THE CLERK: Thank you.

19 MR. PRINCE: Now, we've got it.

20 THE COURT: Three 3s and a 9.

21 MR. PRINCE: Three 3s and a 9.

22 THE COURT: Any objection to three 3s and a 9?

23 MR. GENTILE: Can we just have a moment, please?

24 THE COURT: You may.

25 MR. GENTILE: 3339.

1 (Pause in the proceedings.)

2 MS. LEVIN: Your Honor, unless --

3 THE COURT: Did I hear a no objection?

4 MR. GENTILE: Your Honor, I'm having -- I see this.
5 It's a letter from the Department of Taxation, and Mr. Pupo,
6 for that matter. But I see no relevance to it for this case.

7 MR. PRINCE: Well --

8 THE COURT: Wait, hold on. For what purpose are you
9 offering it, Mr. Prince?

10 MR. PRINCE: Oh, good.

11 THE COURT: That's my --

12 MR. PRINCE: It's a -- it's --

13 THE COURT: -- standard line when there's this kind
14 of objection.

15 MR. PRINCE: Understand.

16 THE COURT: Yeah, okay.

17 MR. PRINCE: It's -- one of the issues they've
18 repeatedly brought up is --

19 THE COURT: Well, then tell me what the purpose is.

20 MR. PRINCE: To establish a history of past
21 compliance problem, but -- but did not disqualify an applicant
22 -- an applicant, because they've talked frequently about
23 Essence -- or excuse me -- Essence and NOR with a self-
24 reported violation. This goes to another applicant's violation
25 that did not disqualify them from the application process.

JD Reporting, Inc.

1 THE COURT: So the problem is, I have a
2 confidentiality issue related to disciplinary proceedings. And
3 that's a separate issue from whether it's relevant or not.

4 So what is the State's position?

5 MR. SHEVORSKI: The State's position is, we object.
6 It's confidential, Your Honor.

7 THE COURT: You've got to say it louder, Mr.
8 Shevorski. The mic is by Ms. Levin.

9 MR. SHEVORSKI: The State objects. 362.55, Your
10 Honor.

11 MR. PRINCE: Well --

12 MR. BICE: Well, Your Honor, I want to be heard on
13 this because --

14 THE COURT: I'm -- I'm listening, Mr. Bice.

15 MR. BICE: Thank you.

16 THE COURT: Stand next to the mic by Ms. Welch.

17 MR. BICE: And as the Court will recall, the State --
18 my -- when I raised this objection, the State had produced it.

19 The same is true here. These documents have been
20 produced in the case.

21 THE COURT: So is this produced as a result of an
22 order or was this part of the original production that was made
23 without an order from me?

24 MR. PRINCE: It was by --

25 THE COURT: That was what -- that was the issue we

1 had --

2 MR. BICE: It was by --

3 THE COURT: -- before.

4 MR. PRINCE: It was by ETW themselves. They -- they
5 produced it.

6 MR. BICE: Correct.

7 MR. PRINCE: The litigant produced it.

8 THE COURT: The litigant produced it.

9 MR. PRINCE: The litigant produced it, not the State.

10 THE COURT: I'm looking for Mr. Bult.

11 MR. SHEVORSKI: That's what I'm looking for as well.

12 UNIDENTIFIED SPEAKER: Hold on a second.

13 THE COURT: Hold on. We're sending somebody to get
14 him out of the hallway. He might be involved in the mediation,
15 which is going on, on the fringes of our trial.

16 MR. PRINCE: If you want to go get him I can move on
17 to another area and come back.

18 THE COURT: That would be lovely, Mr. Prince.

19 MR. PRINCE: Very good. Well, this one hasn't been
20 waived, so let's -- let's do this one.

21 MR. GENTILE: But, Your Honor, it has never been the
22 position, certainly of my clients. I can't speak for other
23 plaintiffs. It has never been the position that the compliance
24 record should disqualify somebody.

25 The position has been it disqualified them from

1 applying.

2 The position has always been that it was mandated to
3 be considered and it was not.

4 THE COURT: I understand, Mr. -- I knew that was your
5 position.

6 MR. GENTILE: Okay.

7 THE COURT: Okay. So we're moving to a new subject,
8 and we'll come back to it if we find Mr. Bult.

9 MR. PRINCE: Okay.

10 BY MR. PRINCE:

11 Q Mr. Pupo --

12 MR. PRINCE: I want to move for the -- well, the
13 admission of Exhibit 1260. That relates to THC Nevada, and
14 they just waived their confidentiality relating to their
15 discipline.

16 THE COURT: Well, but not as to all discipline, only
17 as to the particular \$10,000 --

18 MR. PRINCE: I agree. That's what I'm talking about.

19 THE COURT: Well, I don't know that.

20 MR. PRINCE: That's --

21 THE COURT: I'll know it in a minute.

22 MR. PRINCE: It's relating to their civil penalty for
23 forgery.

24 THE COURT: The North Las Vegas --

25 MR. PRINCE: Yes.

JD Reporting, Inc.

1 THE COURT: -- permit. Ms. Sugden, any further
2 objection?

3 MS. SUGDEN: I object to the statement of forgery.
4 It says, misrepresentation.

5 MR. PRINCE: Oh, okay.

6 THE COURT: But with respect to the issue, it is the
7 same issue that's previously been discussed and waived.

8 MS. SUGDEN: Yes.

9 THE COURT: So for that --

10 MS. SUGDEN: I know.

11 THE COURT: -- purpose, it will be admitted,
12 understanding there is a contested issue related to whether or
13 not there actually was a forgery.

14 MR. PRINCE: Okay.

15 THE COURT: How's that?

16 MR. PRINCE: Good enough.

17 MR. GENTILE: Is it limited in terms of its
18 admissibility?

19 MR. PRINCE: Well --

20 MR. GENTILE: It has nothing to do with my case.

21 THE COURT: Mr. Gentile, I'm not limiting one
22 plaintiff's stuff to another. If I did that, I would never be
23 able to figure out what the record was when I make a decision
24 in this case.

25 Okay, go.

1 MR. PRINCE: Very good. Brendan, 1260-003.

2 BY MR. PRINCE:

3 Q And this is a letter from the State to the THC Nevada
4 who was a cultivator at the time. And in bold there, in the
5 second full paragraph,

6 On July 13th, the licensee -- meaning
7 THC -- submitted altered, false or misleading
8 documentation to the Department in relation
9 to its application for a marijuana
10 distributor's license. The applicant
11 submitted an altered zoning approval letter
12 from the City of North Las Vegas.

13 Do you see that?

14 A Yes.

15 Q And they are fined \$10,000 for that; correct?

16 A Yes.

17 Q And notwithstanding that, they were still allowed to
18 apply; correct?

19 A Yes.

20 Q Because they must -- they paid the civil penalty?

21 A Yes.

22 Q So just because you've had deficiencies, and if
23 they've resolved, even if it's a serious one, people were still
24 eligible in September of 2018, if they were in good standing at
25 that time to make the application; correct?

1 A Correct.

2 Q And different deficiencies have different level of
3 gravity; some are minor, some are big; right? And it's hard to
4 -- it's not always easy to compare apples to oranges; correct?

5 A Correct.

6 Q Right. But it was important and what was graded, it
7 was how compliant, prospectively, meaning in the future, an
8 applicant was going to be with their dispensary, that's what
9 the graders were focused on as it relates to compliance, to
10 your knowledge; correct?

11 A Yeah. To my knowledge, I mean, that's what they were
12 looking at.

13 Q Right. Okay. Do you remember because of certain
14 issues that Libra Wellness was having, that they actually
15 voluntarily shut down their operations because of a problem,
16 without discussing what the problem was; do you remember that?
17 During the application period.

18 MR. SHEVORSKI: I'm going to object, to the extent
19 that it calls for any confidential information he may have
20 learned in his investigation pursuant to 362.55.

21 THE COURT: The question is limited solely to whether
22 there was a voluntary shutdown of operations. That would not
23 go into the disciplinary process. I will caution the witness
24 to limit his response to the question as it is framed.

25 MR. SHEVORSKI: Fair.

1 THE WITNESS: So yes, they voluntarily shut down.

2 BY MR. PRINCE:

3 Q Yeah. In response to problems identified by the
4 Department, without being specific; correct?

5 A Yes.

6 Q Okay.

7 THE COURT: Mr. Prince, I -- you need to go away from
8 this area --

9 MR. PRINCE: I am.

10 THE COURT: -- once you hit the --

11 MR. PRINCE: Well --

12 THE COURT: -- voluntary shutdown.

13 MR. PRINCE: Understood.

14 BY MR. PRINCE:

15 Q Going to the application -- I'm almost done, Mr.
16 Pupo, so thank you for your patience.

17 With respect to the application and who could apply,
18 remember, Mr. -- the -- they showed you the scoring sheet and
19 it says, per Jorge, that -- the two Essence entities and the
20 two Thrive entities were going to be awarded the two
21 unconditional Clarks?

22 A Yes.

23 Q Okay. And you agree that Cheyenne Medical and
24 Commerce Park as individual licensees had the right to apply in
25 the same jurisdiction for a license; correct?

1 A Yes.

2 Q Because even though they have common ownership, they
3 were a separate entity; correct?

4 A Correct.

5 Q And when you made that determination -- without
6 telling me what you did -- you communicated with your team but
7 you also communicated -- and that's a "yes" or "no" on this --
8 you communicated with your DAG Mr. Werbicky; correct?

9 MR. SHEVORSKI: Object to the extent it calls for
10 attorney/client privileged information, Your Honor.

11 THE COURT: He testified about it yesterday, so.

12 MR. PRINCE: And I'm just asking "yes" or "no".

13 THE WITNESS: Yes.

14 THE COURT: I think it's the --

15 MR. SHEVORSKI: "Yes" or "no"; right?

16 THE COURT: -- the -- the fact of the communication,
17 the single communication is okay, but not any content that Mr.
18 Werbicky disclosed to you.

19 MR. PRINCE: That's right.

20 THE WITNESS: Yes.

21 BY MR. PRINCE:

22 Q Okay. I'm showing you a -- an e-mail from a Tia
23 Dietz on behalf of LivFree.

24 You know who LivFree is; right?

25 A Yes.

1 Q They're represented by Will Kemp, and you know Will
2 Kemp; right?

3 A Yes.

4 Q Okay. And it's Exhibit No. 3156. It's an e-mail in
5 August of 2018, during the application process.

6 THE CLERK: That's in.

7 THE COURT: Is it admitted?

8 THE CLERK: It's in.

9 THE COURT: Okay.

10 MR. PRINCE: Very good.

11 BY MR. PRINCE:

12 Q And --

13 MR. PRINCE: Let me get to it myself. Let's go to
14 003.

15 All right. Brendan, just -- yeah.

16 BY MR. PRINCE:

17 Q This is on behalf of Ms. Dietz, on behalf of LivFree.
18 To -- this is actually using the dedicated e-mail line; okay?

19 A Yes.

20 Q And Marijuana Nevada, that's the dedicated e-mail to
21 the Department that Ky Plaskon would typically respond on
22 behalf of the Department; correct?

23 A Yes.

24 Q It says,

25 I hope this e-mail finds you well. I

JD Reporting, Inc.

1 have a question regarding the applications in
2 each jurisdiction. If an ownership group has
3 one owner that has ownership in two different
4 marijuana entities and both those entities
5 are interested in applying in the same
6 jurisdiction, would that be allowed if it
7 still meets the monopoly provision? I
8 understand the application states --

9 And it has the -- in red letters. Do you see that so
10 far?

11 A Yes.

12 Q So I guess the question is, is the entity considered
13 the applicant or is the owner?

14 It could be interpreted that the applicant would be
15 the entity, meaning, the situation above, the entity with an
16 owner who is also part of a different entity would be allowed
17 to apply to be considered for a license.

18 Do you see that so far?

19 A Yes.

20 Q Okay.

21 MR. PRINCE: And then if we go to 002, Brendan.

22 BY MR. PRINCE:

23 Q It says, By Ky Plakson, August 14, 2018, during the
24 application period the entity is the applicant.

25 Do you see that?

1 A Yes.

2 Q So even before the scoring, before the applications
3 were submitted, the Department took the position that each
4 entity was the applicant, not the ownership group; correct?

5 A Yes, as defined in the application.

6 Q Right. Because it was owner, group of owners, or
7 entity; correct?

8 A In -- for the --

9 Q Application; right? So --

10 A I believe it said entity or individual.

11 Q Got it. Okay. But the entity, not the ownership
12 group, it's the entity that holds the license that's eligible
13 to make the application; correct?

14 A Correct.

15 Q That's what enabled both Commerce Park, Cheyenne
16 Medical to submit two separate applications in the same
17 jurisdiction and be successful for both?

18 A Yes.

19 Q Same thing for the Essence entities?

20 A Yes.

21 Q And when this issue came up, not only did you have a
22 discussion with the DAG Werbicky, you also discussed it with
23 Steve Gilbert; correct?

24 A Yes.

25 Q Okay. And he agreed with you; right?

1 A Yes.

2 Q Okay. I'm going to show you a quote. I'm almost
3 done, Mr. Pupo. I'm going to show you a quote from Mr. Ritter.
4 I'm going to -- let's see if you agree.

5 MR. PRINCE: Slide 15, Brendan. It's a statement
6 from a Task Force Meeting Minutes.

7 THE CLERK: That'll be D19.

8 MR. PRINCE: Very good.

9 BY MR. PRINCE:

10 Q Mr. Ritter, the insider --

11 THE COURT: So are the Minutes admitted?

12 MR. PRINCE: Three -- I'm sorry?

13 THE COURT: Is 3003 admitted?

14 MR. PRINCE: Yeah.

15 THE CLERK: Yeah, it is admitted.

16 THE COURT: Okay. Thank you.

17 MR. PRINCE: Very good. If you -- do you -- and if
18 you need me to send this to you as a demonstrative, I will.

19 THE COURT: You will need to.

20 BY MR. PRINCE:

21 Q It says, We are proud that Nevada is the most highly
22 regulated State.

23 Do you agree with Mr. Ritter's position that -- that
24 as it relates to recreational and medical marijuana, that
25 Nevada is the most regulated State in the country?

1 A Yes.

2 Q Okay. In 2017, do you agree that Nevada became the
3 fifth State to legalize recreational marijuana?

4 A Yes.

5 Q Would you agree that it has been an overwhelming
6 financial success for our State?

7 A Yes.

8 Q And the Department would regularly release
9 information regarding the performance of the industry to the
10 public in terms of the tax revenue generated; correct?

11 A Yes.

12 MR. PRINCE: And I'm looking -- or I want to move for
13 the admission of Exhibit 4204.

14 THE COURT: Any objection to 4204?

15 MR. GENTILE: Just a moment, please. Just a moment.

16 THE COURT: I will look away.

17 MR. PRINCE: Go ahead and put it up so he can see it.
18 4204 is a big one.

19 (Pause in the proceedings.)

20 MR. GENTILE: Are there multiple pages?

21 MR. PRINCE: Yeah.

22 (Pause in the proceedings.)

23 MR. GENTILE: No objection.

24 THE COURT: It will be admitted.

25 (Exhibit Number(s) 4204 admitted.)

1 MR. PRINCE: All right.

2 BY MR. PRINCE:

3 Q And this is a statement from the Department, from I
4 think Mr. Young (sic), the Director at the time, talking about
5 just how strong the -- the industry has been; right --

6 A Right. It's from Mr. --

7 Q -- and the revenues collected?

8 A -- Mr. Anderson --

9 Q I'm sorry?

10 A -- was the Director at the time.

11 Q Say it again.

12 A Mr. Anderson was the Director --

13 Q Mr. Anderson. I'm sorry.

14 A -- at the time.

15 Q I said Mr. Young. I apologize.

16 A Uh-huh.

17 Q And that's how the Department would promote itself
18 and talk about, marijuana tax revenues for the fiscal year,
19 just a partial year, was almost \$50 million, right, that first
20 year alone?

21 A Yes.

22 Q The first part -- part of the fiscal year.

23 MR. PRINCE: All right. 42 -- I want to move for the
24 admission of 4205, also a pronouncement by the Department of
25 Taxation.

1 THE COURT: Hold on. We're checking. Any objection
2 to 42-005?

3 MR. GENTILE: (Inaudible), Your Honor.

4 THE CLERK: It was previously moved by Mr.
5 Gutierrez, and -- and then you sustained the objection. I
6 forgot who objected to it.

7 THE COURT: So I've already sustained an objection on
8 this earlier today.

9 MR. PRINCE: Because it didn't have the foundation.
10 Now, I have someone from -- a D.O.T. personal --

11 THE COURT: That's right. It was a different
12 witness. Thank you, Mr. Prince, for reminding me.

13 MR. GENTILE: I believe it's -- it's hearsay.

14 MR. PRINCE: It's actually a notice --

15 THE COURT: It's a Department record.

16 MR. PRINCE: Right. Correct.

17 MR. GENTILE: Doesn't make it not hearsay. It's got
18 to be an official business associate.

19 MR. PRINCE: Oh, I'm --

20 THE COURT: Overruled. It's admitted. It's not
21 hearsay. It's a statement by the Defendant, the State of
22 Nevada, Department of Taxation.

23 (Exhibit Number(s) 4205 admitted.)

24 MR. PRINCE: Okay.

25 MR. GENTILE: They're not adverse to me.

1 THE COURT: Yeah, they are adverse to you. You sued
2 them.

3 MR. GENTILE: But -- but, Your Honor, it's not being
4 admitted against them. They are adverse to me, but it can only
5 be admitted against them. It's got to be a party -- an adverse
6 party. They are an Intervenor trying to get this in.

7 THE COURT: Overruled.

8 MR. PRINCE: Very good.

9 THE COURT: Okay. Let's keep going.

10 MR. PRINCE: Very good.

11 BY MR. PRINCE:

12 Q And in this Notice, the State of Nevada -- let me lay
13 a little foundation just for this, for a second.

14 A Okay.

15 Q Was it the custom and practice of the Department to
16 publish regularly, revenue announcements from marijuana sales?

17 A Yes.

18 Q Was that part of keeping the public informed as part
19 of the marijuana enforcement decision about the performance of
20 the industry and the revenues collected by the -- by the State,
21 in connection with cannabis sales?

22 A Yes.

23 Q And would this be a notification -- just for our
24 record, in case I -- we -- I ever need this -- a notification
25 that was developed in the ordinary course of business for the

1 Department of Taxation to announce the performance of the tax
2 and revenue from this industry?

3 A Yes.

4 Q Okay. Very good. Now, it said here, it says,
5 With June's marijuana figures now on the
6 books, Nevada's closed out the first full
7 year of adult sales with marijuana tax
8 collections totaling 69.8 million for the
9 fiscal year, about 140 percent of what the
10 State expected to bring in.

11 Do you see that?

12 A Yes.

13 Q And that only -- not only generated tax revenue for
14 schools, but also for the Rainy Day Fund, as you understood it;
15 correct?

16 A Yes.

17 Q All right.

18 MR. PRINCE: 4206. I'm going to move for the
19 admission of 4206. It's another announcement by the State,
20 dated November 28th, 2018, consistent with 4204 and 4205.

21 THE COURT: Mr. Gentile, same objections?

22 MR. GENTILE: Same objections.

23 THE COURT: Same ruling.

24 MR. PRINCE: Okay. Thank you.

25 THE COURT: It'll be admitted.

JD Reporting, Inc.

1 (Exhibit Number(s) 4206 admitted.)

2 BY MR. PRINCE:

3 Q 4206. And Department published on November 28th,
4 2018, that actually -- we -- the State continued to collect
5 more money than even the previous year relating to the
6 recreational sale of marijuana; correct?

7 A Yes.

8 Q Did you take pride in the fact that the industry was
9 growing and the State was receiving these revenues?

10 A Yes.

11 MR. PRINCE: Let's look at 4207. It's another
12 pronouncement by the State dated November -- excuse me --
13 December 31st, 2018.

14 THE COURT: Mr. Gentile, same objections?

15 MR. GENTILE: Same objections.

16 THE COURT: Same ruling.

17 (Exhibit Number(s) 4207 admitted.)

18 MR. PRINCE: Very good.

19 BY MR. PRINCE:

20 Q Okay. This is another announcement by Bill Anderson,
21 the Executive Director of the Nevada Department of Taxation,
22 that -- that, Revenue collections from Nevada's marijuana tax
23 have generated 31.72 million in the first four months of the
24 fiscal year.

25 Do you see that? The new fiscal year of 2018, 2019.

1 A Yes.

2 Q All right. So even at -- through the end of the
3 year, the industry was thriving and growing; correct?

4 A Correct.

5 Q Now --

6 MR. PRINCE: Exhibit No. 4202, Brendan.

7 THE CLERK: And that's proposed.

8 MR. PRINCE: This is not admitted, so I'm going to --
9 I'm going to lay the foundation now.

10 THE COURT: Okay. I'm going to look away.

11 MR. PRINCE: First, is there any objection to it,
12 first? I'll move for the admission and see if there's an
13 objection.

14 THE COURT: He needs to look at it first before he'll
15 answer that question. I know this from prior experience.

16 MR. PRINCE: Got it.

17 MR. GENTILE: Yeah, this -- this one is -- it's a
18 question of essentially authentication. Anything can say
19 "State of Nevada" on it. It doesn't mean that the State of
20 Nevada created it.

21 MR. PRINCE: Well, all the objections to
22 authentication are waived because they never objected to this
23 when we disclosed it under Rule 16.1, so there is none. But I
24 intend to lay the foundation through Mr. Pupo.

25 THE COURT: Who produced it?

1 MR. PRINCE: It's from the State of Nevada.

2 MR. GENTILE: Your Honor, I don't see a D.O.T. --
3 maybe it's on --

4 MR. PRINCE: I produced it from their site.

5 THE COURT: That's not a state production, Mr.
6 Prince.

7 MR. PRINCE: I produced it. It's from the State.
8 Let me just -- I'll lay the foundation with Mr.

9 Pupo.

10 THE COURT: Okay. Good.

11 BY MR. PRINCE:

12 Q Mr. Pupo --

13 MS. SUGDEN: Your Honor --

14 THE COURT: Wait.

15 MS. SUGDEN: Your Honor, I'd also like to object on
16 relevance.

17 THE COURT: Okay. I'm going to let Mr. Prince try
18 and lay the foundation, then we'll see what happens.

19 BY MR. PRINCE:

20 Q Mr. Pupo, do you recognize this document?

21 A I've seen --

22 Q It can -- we can blow it up a little. If you need to
23 have it enhanced, we can do that for you.

24 A Yeah, I -- I've seen a chart like this before, yes.

25 Q Does the State of Nevada each month throughout a

1 fiscal year, document the sales, the -- as well as the taxes
2 and fees collected from marijuana and cannabis?

3 A I'm sorry. Can you say that again?

4 Q Sure. Does the State of Nevada, Department of
5 Taxation, publish records to the -- made available to the
6 public on fees and taxes and other sales collected relating to
7 marijuana in the State of Nevada?

8 A Yes.

9 Q Do they comprehensively compile those documents and
10 make those publically available?

11 A Yes.

12 Q Does this appear to be the fees and taxes, as well as
13 revenue collected by the State of Nevada related to marijuana
14 sales for the 2019 fiscal year?

15 A Yes.

16 Q Okay. Does this appear to be a document prepared by
17 the State of Nevada, Department of Taxation, related to
18 cannabis sales, as well as fees and taxes collected?

19 A Yes.

20 Q Okay.

21 MR. PRINCE: Your Honor, I'll move for the admission
22 of 4002.

23 THE COURT: Mr. Gentile?

24 MR. GENTILE: Not worth objecting to.

25 THE COURT: Ms. Sugden, you had a relevance issue.

1 Anything else?

2 MS. SUGDEN: Yeah, relevance.

3 THE COURT: Objection's overruled. It'll be
4 admitted.

5 (Exhibit Number(s) 4202 admitted.)

6 MR. PRINCE: Very good.

7 BY MR. PRINCE:

8 Q And the point I'm making with this, Mr. Pupo, is by
9 my calculation it's just a summary. The State collected in
10 2019 for the fiscal year, in excess of \$109 million from taxes
11 and fees from this industry. Do you recall that?

12 A Yes.

13 Q Okay. And now the -- the marijuana industry is now
14 second behind gaming in terms of tax revenue generation for our
15 State; correct?

16 A I believe so, yes.

17 Q And opening these dispensaries is critical for -- to
18 continue to grow the industry, as well as create revenue for
19 our State in terms of taxes, for our schools and our Rainy Day
20 Fund; right?

21 A Yes.

22 MR. PRINCE: Okay. Let me just check my notes, Your
23 Honor. I'm almost done.

24 THE COURT: Okay.

25 MR. PRINCE: Your Honor, thank you. I have no

1 additional questions. I'll pass the witness.

2 THE COURT: Thank you.

3 The next Intervenor who would like to examine?

4 Mr. Bice.

5 Mr. Prince, will you please wipe down the lectern for
6 Mr. Bice.

7 MR. PRINCE: I sure will.

8 THE COURT: Thank you.

9 MR. PRINCE: Well, hang -- you know, before I do
10 that, let me just get some guidance here from counsel.

11 (Pause in the proceedings.)

12 MS. WELCH: Your Honor, could I ask whether or not my
13 client needs a break?

14 THE COURT: He can take a break anytime he asks me.
15 Do you want a break, sir?

16 THE WITNESS: Yes, sir.

17 THE COURT: Great.

18 THE WITNESS: Thank you.

19 THE COURT: We'll take a ten-minute recess.

20 (Proceedings recessed at 3:36 p.m. until 3:40 p.m.)

21 THE COURT: Mr. Pupo, I have an estimate of 30
22 minutes from Mr. Bice. We're going to see if we can hold him
23 to it.

24 THE WITNESS: All right.

25 THE COURT: Okay, Mr. Bice, you're up. I'm counting.

JD Reporting, Inc.

1 MR. BICE: Thank you.

2 CROSS-EXAMINATION

3 BY MR. BICE:

4 Q Good afternoon, Mr. Pupo.

5 A Good afternoon.

6 Q Mr. Pupo, I want to start -- because you've answered
7 a lot of questions, I'm going to just try to jump around a
8 little bit and clear up some points.

9 So when you were at the Department of Tax, before
10 marijuana moved from Behavioral Science over, I assume you had
11 a fairly full plate at that point in time?

12 A Yes.

13 Q Did you get rid of anything, or was marijuana just
14 added to your already existing plate?

15 A Well, prior to becoming director it was added. And
16 then becoming -- once I became deputy director, I maintained
17 the excise section.

18 Q All right. And so when it moved over from Behavioral
19 Health to the Department of Tax, the employees that were
20 handling marijuana moved over, at least some of them; correct?

21 A Yes.

22 Q Do you remember how many of them moved over and were
23 now reporting to you?

24 A About probably 20 --

25 Q Okay.

JD Reporting, Inc.

1 A -- 20 additional at the time. At that time I was
2 overseeing the revenue compliance section, and I was overseeing
3 175 employees.

4 Q And of the highest ranking person that moved over,
5 was that Steve Gilbert?

6 A Yes.

7 Q The person that was above Steve Gilbert at Behavioral
8 Health did not move over; correct? And that's Chad Westom?

9 A Correct.

10 Q And Mr. Westom, do you remember what his role was?

11 A He was the administrator.

12 Q Okay. And Mr. Westom, do you know whether he left
13 the division?

14 A Yes.

15 Q Do you know when he left the division?

16 A I don't.

17 Q Okay. Now, you've already testified that you weren't
18 involved in the scoring, and you had left that to Mr. Gilbert
19 and his team. Did I hear that correctly?

20 A Yes.

21 Q All right. Did you even know the graders?

22 A No.

23 Q Could you even identify them in a lineup?

24 A No.

25 THE COURT: It depends how good your lineup was,

1 Mr. Bice.

2 MR. BICE: Perhaps.

3 BY MR. BICE:

4 Q So what percentage of your time -- let's deal with
5 the 2018 time frame. What percentage of your time in 2018 was
6 actually involved in marijuana regulation generally? Can you
7 estimate?

8 A Probably 90 percent.

9 Q Okay. And what percentage of your time was related
10 to the application process?

11 A 5 percent maybe.

12 Q Okay. Now, one of the things I think you were asked
13 yesterday by Mr. Gentile was is that if we had an image of your
14 phone we could see all the people that texted you. Do you
15 recall him asking you that?

16 A Yes.

17 Q Okay. Well, would you agree with me that if we had
18 an image of Mr. Ritter's phone we could see if Mr. Ritter --
19 how often he texted you; correct?

20 A Yes.

21 Q If we had an image of Chad Christensen's phone, we
22 could see how often Mr. Christensen may have texted you;
23 correct?

24 A Yes.

25 Q Because all those people did text you; didn't they?

1 A Yes.

2 Q And they had your phone number; right?

3 A Yes.

4 Q Another topic that Mr. Gentile said or raised with
5 you yesterday, he made a statement, and I want to make sure
6 because I don't think it was consistent with what you said at
7 the preliminary injunction hearing. Do you recall a statement
8 Mr. Gentile made yesterday about Mr. Yemenidjian supposedly
9 offering you a job?

10 A Yes.

11 Q Mr. Yemenidjian did not offer you a job, did he?

12 A No. I mean, there may have been an off-the-cuff
13 deal, if you leave the Department, you know.

14 Q Do you --

15 A There was no offer, anything that I would take
16 serious anyway.

17 Q Do you remember an individual -- do you remember
18 coming to Mr. Yemenidjian about an individual named Al Fasano?

19 A Yes.

20 Q Do you know who Al Fasano is?

21 A Yes.

22 Q Who is he?

23 A He's an owner of or part owner of -- I believe it's
24 Relief.

25 Q Okay. Relief. That's one of the licensees; correct?

1 A Yes.

2 Q And do you remember Mr. Al Fasano being the one who
3 raised with you the prospect of, Mr. Pupo, if you ever wanted
4 to leave the Department you should come and give me a call?

5 A Yes.

6 Q Okay. And that actually happened to you quite a bit,
7 did it not?

8 A Yes.

9 Q Now, you also -- and I believe it was Mr. Prince that
10 raised this. Your friend Michael Brown, he's like a brother to
11 you; correct?

12 A Yes.

13 Q And you indicated he wasn't in the cannabis business?

14 A No.

15 Q And you've known him for years. He was actually, as
16 I recall, maybe my memory is not right, but he was in that
17 condom business with you years ago; is that right?

18 A Yes.

19 Q Okay. Did you know that GBS Nevada, though, said
20 that he was a current employee of theirs?

21 A No, I did not know that.

22 MR. BICE: Brian, would you pull up Joint Exhibit 18.

23 THE COURT: Is that admitted?

24 THE CLERK: Yes, Judge.

25 THE COURT: Okay. Thank you.

1 MR. BICE: It's joint, Your Honor, so yeah.

2 THE COURT: I'm just making sure because I have a
3 high level of paranoia.

4 MR. BICE: I understand.

5 BY MR. BICE:

6 Q So I'd like to show you Joint Exhibit 18. And if you
7 look at the bottom you'll see Michael Brown, Director of
8 Marketing and Brand Strategies.

9 A Okay.

10 Q Now, GBS Nevada is, again, one of the TGIG parties
11 represented by Mr. Gentile. Mr. Brown actually never worked
12 for them, did he?

13 A Yeah, I don't know what the arrangement was.

14 Q Well, look at Footnote Number 2 here, and it says,
15 Pursuant to a discussion with the deputy director.

16 Would that be you?

17 A Yes.

18 Q And confirming letter dated September 18, Green Light
19 District Holdings was never admitted as a member.

20 Do you see that?

21 A Yes.

22 Q And a notice of transfer of interest is being
23 submitted to transfer 30 percent of the proposed ownership to
24 Green Light District Holdings back to the other owners.

25 Do you see that?

1 A Yes.

2 Q Now, this is -- again, this is part of their
3 application. Did you know that?

4 A No.

5 Q So at the time that they applied, their ownership
6 didn't actually line up with what they had told -- they had on
7 file with the Department. Did you know that?

8 A No.

9 MR. BICE: So, Brian, now go to page -- Joint Exhibit
10 18, 199, please.

11 BY MR. BICE:

12 Q So you see here it lists Michael Brown as an owner,
13 officer and board member on this form. I shouldn't say --
14 that's what it describes him as.

15 But if you go to the description it says, Michael
16 Brown is currently the director of marketing.

17 Do you see that?

18 A Yes.

19 Q He actually was never the director of marketing, as
20 far as you know; was he?

21 A As far as I know.

22 Q And you know him very well, do you not?

23 A Yes.

24 Q Did you know how he got his ownership stake or his, I
25 guess, proposed ownership stake in this company?

1 A No.

2 Q This is the company that's owned by Jim Hammer;
3 correct?

4 A Yes.

5 Q All right. Let's go to --

6 MR. BICE: You can take that down, Brian.

7 BY MR. BICE:

8 Q So another subject matter that was raised to you
9 yesterday was -- there were some questions about the need to
10 disclose all officers, directors and board members by
11 Mr. Gentile. Do you recall that?

12 A Yes.

13 Q And I thought I heard you make a statement about the
14 officers who needed to be disclosed were the ones listed by the
15 Secretary of State. Did I hear you correctly?

16 A No. I think the question was who I would consider an
17 officer.

18 Q Who would be considered an officer?

19 A Right. I believe that's what the question was.

20 Q Okay. Well, let's look at --

21 MR. BICE: Brian, if you would pull up NRS
22 Chapter 78.130.

23 BY MR. BICE:

24 Q So, Mr. Pupo, I don't know if you've ever seen this
25 statute before, but what it says is -- this is a provision of

1 the Nevada corporate statute, and it says, Every corporation
2 must have a president, a secretary and a treasurer or the
3 equivalent thereof.

4 Do you see that?

5 A Yes.

6 Q Okay. And then it also goes on to say, Every
7 corporation may also have such officers and agents as may be
8 deemed necessary.

9 Do you see that?

10 A Yes.

11 Q So were you aware that under Nevada law a corporation
12 doesn't have to have a CFO?

13 A No.

14 Q All right. It doesn't have to have a COO, either.
15 Did you know that?

16 A No.

17 Q But you would agree with me that those are pretty
18 important positions; right?

19 A Yes.

20 Q And if someone has a chief financial officer or a
21 chief operating officer, that's something that a marijuana
22 licensee would have to disclose to the State; correct?

23 A Yes.

24 Q And they'd have to put them on their application?

25 A Yes.

1 Q And you were not involved -- I think you testified
2 you were not involved in the diversity scoring, as that was
3 actually handled by Mr. Gilbert and his team; correct?

4 A Right. I wasn't involved in any of the scoring.

5 Q And you don't know how they actually scored it;
6 correct?

7 A No.

8 Q And you don't know how they -- what positions they
9 considered in the scoring; correct?

10 A Correct.

11 Q So now I want to turn briefly to what I'll call
12 TGIG's favorite subject matter, and that's compliance.

13 MR. BICE: So let's pull up -- Brian, let's pull up
14 NAC 453D.272, and go to sub (g), Brian.

15 Maybe I have the wrong one, Brian. Scroll down. No.
16 Scroll down more. Other direction. I think I have the wrong
17 one. I'll come back.

18 Let's go to Exhibit 104 -- or 1004.

19 BY MR. BICE:

20 Q This is -- you were shown this earlier. And again,
21 if you take a look at -- it says, All applicants are required
22 to be in compliance with the following.

23 Do you see that?

24 A Yes.

25 Q Okay. And again, it was Mr. Gilbert and his team who

1 would assess compliance in terms of who could apply for the --
2 or who was in compliance so as to be able to apply; correct?

3 A Correct.

4 Q Okay. And one of the things that he specifically
5 says here at the bottom one it says, Plans of correction are
6 complete and on time or are in the process -- or are in
7 progress within the required 10 business days.

8 Do you see that?

9 A Yes.

10 Q And so that was one of the means by which people were
11 checking to make sure that people were in compliance; correct?

12 A Yes.

13 MR. BICE: Let's go to Exhibit 1427, Brian. An oldie
14 but a goody. So go down, Brian -- yes, the bottom one on this
15 first page.

16 BY MR. BICE:

17 Q All right. This is an email -- this is about the
18 sales to people under the age of 21 that was talked about
19 extensively yesterday. Do you recall that, Mr. Pupo?

20 A Yes.

21 MR. BICE: Okay. And, Brian, go to the next page, if
22 you would.

23 BY MR. BICE:

24 Q All right. So this is an email from --
25 Can you tell me who Mr. Hernandez is?

1 A He's the chief compliance officer investigator for
2 the Marijuana Enforcement Division.

3 Q Got it. And he had people that reported to him;
4 correct?

5 A Yes.

6 Q All right. And one of those people that reported to
7 him was an individual named Rino Tenorio; correct?

8 A Yes.

9 Q And you know Mr. Tenorio, don't you?

10 A Yes.

11 Q And he would be -- he was one of the inspectors;
12 right?

13 A Auditor.

14 Q An auditor?

15 A Yes.

16 Q Okay. And did you ever tell anyone that Mr. Tenorio
17 was a nut and made stuff up?

18 A I'm sorry?

19 Q Did you ever tell anyone that Mr. Tenorio was a nut
20 and made stuff up?

21 A I don't recall that.

22 Q Okay. Is he still employed by the D.O.T., to your
23 knowledge?

24 A I don't know.

25 Q I'm sorry?

1 A I don't know.

2 Q All right. Well, if you take a look at this email
3 here that Mr. Hernandez sent, he would have gotten this
4 information from Mr. Tenorio; correct?

5 A Uh, yes. Rino or Terrence --

6 Q Or Terrence Whittier?

7 A -- or both.

8 Q Or both. Right?

9 A Yes.

10 Q So when this issue arose, this self-reporting by the
11 Essence entities, you discussed it with your deputy director,
12 Mr. Gilbert, correct, your chief deputy?

13 A No. I mean -- can you restate that. Start --

14 Q Sure. When this issue arose --

15 A Okay.

16 Q -- okay, you discussed it with your chief deputy,
17 Mr. Gilbert; correct?

18 A No. He's not the chief deputy.

19 Q I'm sorry?

20 A He's not the chief deputy.

21 Q Okay. My apologies. Can you tell me -- you
22 discussed it with Mr. Gilbert. Am I correct?

23 A I would have brought it up to Mr. Gilbert, yes.

24 Q Okay. You would have also discussed it with --
25 again, just yes or no. You would have discussed it with the

1 deputy attorney general; correct?

2 A Yes.

3 Q And you also recall telling us in your deposition
4 that you actually discussed it with the director of the
5 Department of Tax?

6 A Yes.

7 Q And everyone was in agreement with the planned course
8 of action that you decided to pursue; correct?

9 A There were no objections. Yes.

10 Q And that was because this was self-reported you
11 considered it to be the highest form of compliance and good
12 faith by the licensee that you wanted to encourage; correct?

13 A Yes.

14 Q And, in fact, this was not a unilateral decision by
15 you, was it?

16 A No.

17 Q Everyone was in agreement with it; correct?

18 A Yes.

19 Q Now, it's been suggested that --

20 MR. BICE: I don't believe it's in this email. So
21 you can take that down, Brian.

22 BY MR. BICE:

23 Q But it's been suggested that there was some attempt
24 to cover up something by removing something from a log. You're
25 aware of that?

1 A Yes.

2 Q And you're aware that Mr. Tenorio is the one who made
3 that statement?

4 A No.

5 Q You're not aware of that?

6 A No.

7 Q Okay. It's not true, is it, that there was an
8 attempt to conceal something by removing it from a log?

9 A That is not true.

10 Q Okay. Tell the Court what actually happened with the
11 log.

12 A So the division held two logs, an open case log and a
13 closed log. When the situation arose, we were looking at --
14 you know, I looked at the resources, that they self-reported,
15 that I was working on getting the minor compliance program up
16 and running. So I looked at the incident reports.

17 They were going to submit the plan of corrections. I
18 asked Kara Cronkhite to give the plan of corrections to the
19 auditors and inspectors, and if they were okay with it that
20 they were to issue the approval letter. And if not, which is
21 the part that everyone seems to miss in that email, it says "or
22 not," then they're to give a directive plan of correction if
23 they don't agree with it.

24 I had it removed from the open investigation log
25 because we were not going to actively investigate that and send

1 additional resources because they had provided the plan of
2 correction. They had taken -- they had terminated people and
3 taken other actions to resolve the issue. So at that point --
4 because I would get a report every week of the open cases that
5 the division was working on, and so I told them take it off
6 that log and put it on the closed log.

7 Q And that was the ordinary course; correct?

8 A Yes.

9 Q Every time that there is a statement of deficiency --
10 I'm sorry, a plan of correction that is accepted, the item from
11 the open investigation log is removed, and it's put on the
12 closed investigation log; correct?

13 A Yes.

14 Q And so if somebody made a statement that this was an
15 attempt to cover up something, they were lying, weren't they?

16 A Yes.

17 Q Okay. Because you handled it in the ordinary course
18 just like everybody else's statements of deficiencies?

19 A Yes.

20 MR. BICE: Now, Brian, pull that exhibit back up for
21 a moment, if you would, 1427. And go -- yeah, go to that email
22 right there.

23 BY MR. BICE:

24 Q So, you know, there's some statements in here, and
25 Mr. Gentile has been kind enough to play them up for us with

1 all the witnesses. So I want to just make sure I understand
2 them.

3 It says that at this point, do you see this, they're
4 looking at a Category 2B violation? Do you see that?

5 A Yes.

6 Q Now, if that were true and the Department actually
7 made that determination, my client would have been entitled to
8 a hearing to contest that, wouldn't they?

9 A Yes.

10 Q They would have been entitled to confront Mr. Tenorio
11 about statements he made, wouldn't have they?

12 A Yes.

13 Q They would have been entitled to cross-examine him;
14 correct?

15 A Yes.

16 Q And they would have been entitled to produce or show
17 him documents that he wasn't telling the truth; correct?

18 A Yes.

19 Q How many sales to minors has TGIG -- or to people
20 under the age of 21 has TGIG had?

21 MR. SHEVORSKI: Objection. Confidential, Your Honor.
22 360.255.

23 THE COURT: Sustained.

24 BY MR. BICE:

25 Q Well, has TGIG ever self-reported any?

1 MR. SHEVORSKI: Objection. Confidential. 360.255.

2 THE COURT: Sustained.

3 BY MR. BICE:

4 Q You can claim to have a good compliance record as
5 long as you just don't tell anybody; right?

6 MR. SHEVORSKI: Objection. Confidential.

7 THE COURT: Overruled.

8 THE WITNESS: Yes, I guess so.

9 MR. SHEVORSKI: Trigger, Your Honor.

10 THE COURT: It's okay.

11 BY MR. BICE:

12 Q How about -- how many sales to minors has another
13 TGIG party Medifarm have?

14 MR. SHEVORSKI: Objection. Confidential. 360.255.

15 THE COURT: Sustained.

16 BY MR. BICE:

17 Q Are you aware of any supposed self-reporting about
18 sales to -- underage sales by Medifarm?

19 MR. SHEVORSKI: Objection. Confidential. 360.255.

20 THE COURT: Sustained.

21 BY MR. BICE:

22 Q Is it illegal in the state of Nevada to employ
23 someone under the age of 21 at a marijuana facility?

24 A Yes.

25 Q Would you consider employing someone under the age of

1 21 to be a serious violation?

2 A Yes.

3 Q Well, let's talk, then, about another of the TGIG
4 parties, somebody called Nevada Pure. Do you know who that is?

5 A Yes.

6 Q Who are the principals of Nevada Pure? Do you
7 recall?

8 A I don't recall.

9 Q Okay. Do you know an individual named Gary Rexroad?
10 Have you ever heard of him before?

11 A It doesn't sound familiar.

12 Q Do you recall him being the money man behind Nevada
13 Pure?

14 A I don't remember.

15 Q Well, if it came to light that Mr. Rexroad had taken
16 over a million dollars and granted an undisclosed ownership to
17 the entity, would that be a violation of Nevada law?

18 A Can you repeat that.

19 Q Sure. If it came to light that Mr. Rexroad had taken
20 over a million dollars in and given an ownership interest to
21 two undisclosed individuals, would that be a violation of
22 Nevada law?

23 A Yes.

24 Q Did Mr. Rexroad -- had that ever been self-reported
25 to the State, to your knowledge?

1 MR. SHEVORSKI: Objection. Confidential. 360.255.

2 THE COURT: Sustained.

3 BY MR. BICE:

4 Q So unlike -- can we agree, Mr. Pupo, that, unlike
5 others, the Essence parties actually self-reported; right?

6 A Yes.

7 Q And that was deemed to be the highest form of
8 compliance that the State could expect; correct?

9 A Yes. In my opinion, yes.

10 Q You would agree with me that in any business mistakes
11 are going to be made, and the goal is to own them and deal with
12 them; correct?

13 A Correct.

14 Q It's not to hide them and then only get caught in
15 litigation; right?

16 A Correct.

17 Q Now, another area where Mr. Gentile spent a lot of
18 time yesterday was on this GTI transaction. Do you recall
19 that?

20 A Yes.

21 Q Okay. So we heard in your examination from
22 Mr. Prince today that it was actually Mr. Ritter who wanted to
23 make sure that he could limit or I guess was approaching you
24 about making sure that there was a limitation on the number of
25 licenses that people could win in any jurisdiction; correct?

1 A Yes.

2 Q And he obviously wasn't planning on winning in every
3 jurisdiction, was he?

4 A I don't know.

5 Q Well, Mr. Ritter, as it's come to light, met with you
6 quite a bit, fair?

7 A Yes.

8 Q Okay. And he -- Mr. Ritter was focused on his
9 competitors, wasn't he? It's a fair statement, isn't it?

10 A Uh, I would say yes.

11 Q Okay. And do you recall in 2018, the year 2018, and
12 all the things that you had going on, there were a lot of
13 discussions and a lot of scuttlebutt about mergers and
14 acquisitions in the cannabis industry?

15 A Oh, yes. Yes, very much so.

16 Q All right. Do you remember -- and I don't know, I
17 heard this term and if it was associated with you or not, but
18 I've heard it before. It's called the Canadian invasion.

19 A Yes.

20 Q Do you recall hearing it?

21 A Yes.

22 Q Okay. There was an inundation in the Nevada industry
23 of potential people coming into the state; correct?

24 A Yes.

25 Q All right. And this is still a relatively small

1 industry; is that fair?

2 A Yes.

3 Q And would you agree that gossip and rumor is rampant?

4 A Very much so.

5 Q And people are fairly often trying to find out
6 information about their competitors, aren't they?

7 A Yes.

8 Q So let's talk about this GTI transaction because --
9 do you remember at your deposition acknowledging -- and this
10 is -- by the way, when I say this, I'm reminding you about your
11 deposition, not as a criticism, but just as a reminder that you
12 told us it's been -- there was so much going on you don't
13 remember when this issue about GTI first came to your
14 attention?

15 A Yes.

16 Q All right. I know that people have tried to say to
17 you that, oh, it was in July of 2018, but you testified in your
18 deposition that you really couldn't remember when it first came
19 up; right?

20 A Right. I'm not sure.

21 Q All right. So if Amanda Connor told the Court that
22 the GTI transaction didn't come up until September of 2018,
23 would you have any reason to doubt that?

24 A No.

25 Q All right. Well, let's look at -- because actually

1 somebody in this case did produce their text messages.

2 MR. BICE: Let's pull up Exhibit 1587 -- or 89,
3 Brian, and let's go to 007, page 007.

4 BY MR. BICE:

5 Q So if you take a look here on Entry 55. When I said
6 somebody produced them, this is Mr. Yemenidjian's text messages
7 with you.

8 Do you see here this is on November the 13th, and
9 Mr. Yemenidjian sends you a press release.

10 A Okay.

11 Q Okay. Do you recall receiving this?

12 A No.

13 Q Okay. So this November 13. But do you deny that he
14 sent you a press release?

15 A No.

16 Q Okay. Did you -- and do you recall telling us at
17 your deposition that getting this press release is the first
18 time you had confirmation about a possible deal between GTI and
19 Integral?

20 A Yes.

21 Q All right. You didn't ask him to send you any
22 additional documents; correct?

23 A Correct.

24 Q Because the transaction or a proposed or possible
25 transaction doesn't have any legal effect until the State

1 actually approves it; correct?

2 A That's correct.

3 Q So they can wish and dream all they want about a
4 sale, but it cannot happen until the State -- the Department of
5 Tax gives its okay?

6 A That's correct.

7 Q Now, Mr. Yemenidjian also in his deposition that was
8 given to the Court or presented to the Court testified that he
9 first informed you about the GTI discussions on or around
10 September 20 of 2018. Do you have any reason to doubt that?

11 A No.

12 Q Well, let's look at another group of text messages.
13 MR. BICE: Brian, let's go to page 15 of these text
14 messages.

15 BY MR. BICE:

16 Q So if you look at these dates, this is around
17 September 18. Mr. Yemenidjian had asked to meet with you, and
18 around the 18th it looks like you were feeling ill. And he
19 made the statement about you need to go get some chicken soup.

20 A Yes.

21 Q All right?

22 A Yes.

23 Q So you ultimately didn't meet with him until, I
24 believe, the 20th. Okay?

25 A Okay.

1 Q And I don't remember if it was at Barcelona or at the
2 Elephant Bar where you met him. I think it was Barcelona.

3 MR. BICE: Brian, could you scroll down further. The
4 next page, Brian. My apologies.

5 BY MR. BICE:

6 Q Oh. Firefly. See, I wasn't even right. I couldn't
7 even get those other two right.

8 And do you recall then meeting with Mr. Yemenidjian
9 around the 20th?

10 A Yes.

11 Q Do you recall him telling you that he was going to
12 potentially be entering into a nonbinding letter of intent with
13 GTI?

14 A Can you say that again.

15 Q Do you recall him telling you that he was going to be
16 entering into a nonbinding letter of intent with GTI to try and
17 negotiate a deal?

18 A Yeah. I remember a conversation, you know, that he
19 told me that. I just can't -- some of these places get all
20 mixed up --

21 Q Sure.

22 A -- as far as location.

23 Q Understood. All right. And did he need to give you
24 a copy of that letter of intent?

25 A No.

1 Q Okay. And was he -- did you ever ask for one?

2 A No.

3 Q All right. Now, do you also recall telling us at
4 your deposition that in all these times that you either met
5 with or you had discussions with Mr. Yemenidjian they were not
6 about the application or the application process, but what they
7 were about was potential transactions that he was exploring in
8 the industry?

9 A Yes.

10 Q Now, Amanda Connor has testified also before you, and
11 Amanda Connor testified that she actually came and met you on
12 December the 7th to alert you about they were going to be
13 submitting a large volume of documents for the GTI transaction.
14 Does that sound about right?

15 A Yes.

16 Q Now, Ms. Connor lives in Henderson; is that right?

17 A Yes.

18 Q And do you recall Ms. Connor asking you to regularly
19 meet her over in that part of town because she didn't want to
20 come to your offices?

21 A Yes.

22 Q And is that because she had two smallish children,
23 and she didn't want to have to trudge all the way to your
24 office?

25 A Yes.

1 Q So when you finally did meet with her, do you recall
2 her describing to you the transaction?

3 A Yes.

4 Q Would you call it simple?

5 A Not by a long shot.

6 Q Do you recall approximately how many interrelated
7 transactions there were?

8 A There were about 32 transfers.

9 Q And is that why she wanted to give you a preview,
10 because they had to go in a certain sequence?

11 A Yes, that and she knew that my staff was going to
12 have questions or difficulty understanding the transaction.

13 Q Okay.

14 A So she wanted to make sure I was clear on it. So if
15 my staff had questions, I would be able to answer them.

16 Q And who on your staff would have been I guess in
17 charge?

18 A That would be Steve Gilbert's group.

19 Q Okay. And so the State then -- Amanda Connor has
20 testified that I believe it was on December the 10th is when
21 the documents were actually sent, all the transaction
22 documents. And those would have been handed to Mr. Gilbert to
23 supervise; is that fair?

24 A They would have been sent to Steve Gilbert's group in
25 Carson City.

1 Q Okay. And they would review those documents;
2 correct?

3 A Yes.

4 Q And they would ask for additional information if they
5 needed it; correct?

6 A Yes.

7 Q And if they needed additional documentation, it would
8 be provided; correct?

9 A Yes.

10 Q Because if it wasn't provided, the transaction wasn't
11 going to get approved; is that fair?

12 A Correct.

13 MR. BICE: Okay. So, Brian, let's go to Exhibit 1584
14 again. Now go to page 889 and 90. These are Ms. Connor's text
15 messages. It's already in evidence, I believe.

16 THE COURT: 1584?

17 THE CLERK: 84 or 89?

18 THE COURT: 1584.

19 MR. BICE: 1584.

20 THE CLERK: That one -- I don't think it is.

21 THE COURT: I think it was admitted with Ms. Connor
22 when she was here, but I may be wrong. Let me check my notes.

23 MR. BICE: We believe it was already admitted, Your
24 Honor. Maybe I'm wrong.

25 THE COURT: Anybody object to Ms. Connor's text

1 messages, 1584?

2 MR. GENTILE: No objection.

3 THE COURT: It will be admitted if they weren't
4 previously.

5 THE COURT: Anybody object to Ms. Connor's text
6 messages, 1584?

7 MR. GENTILE: No objection.

8 THE COURT: They'll be admitted if they weren't
9 previously.

10 (Exhibit Number(s) 1584 admitted.)

11 BY MR. BICE:

12 Q Okay. So here's what I'd like to point out to you
13 here. So you see this is in April of 2019. So if in December
14 of 2018, December the 10th is when Ms. Connor said she sent the
15 transaction documents, okay?

16 A Yes.

17 Q It was, as you testified I think earlier today to the
18 Court, it was a lot of time devoted to reviewing and approving
19 that GTI transaction; correct?

20 A Yes.

21 Q Okay. So now we're here in April, and you'll see
22 here April you say to her --

23 MR. BICE: Brian, go to the next page. Now scroll
24 back, see, because I can't follow you. Here.

25 / / /

1 BY MR. BICE:

2 Q Look at --

3 MR. BICE: Right there, Brian. Pause.

4 BY MR. BICE:

5 Q Look at NAC 453B.315(9): I need this for the GTI
6 merger. Do you see that?

7 A Yes.

8 Q Okay. So this is April the 20th?

9 MR. BICE: Scroll, Brian. No, other way. Thank you,
10 sir. Sorry.

11 BY MR. BICE:

12 Q And Ms. Connor responds, We've provided that signed
13 by Armen.

14 MR. BICE: Keep scrolling.

15 BY MR. BICE:

16 Q And you respond, I can -- or she responds: I can
17 resend it if you want.

18 And you respond: Okay. I haven't seen it I will ask
19 for it from staff. Do you see that?

20 A Yes.

21 Q Okay. So the transaction obviously hadn't been
22 approved by the Department by that point in time; correct?

23 A Correct.

24 Q So at some point after this in April, the month of
25 April, the transaction gets approved. Do you recall that?

1 A Yes.

2 Q Okay.

3 A It was sometime in April.

4 Q And if the State hadn't approved this transaction and
5 hadn't decided that they had done everything appropriately and
6 that it didn't comply with the law, it couldn't have been
7 approved; correct?

8 A Correct.

9 Q And you had a Deputy Attorney General that was also
10 involved in this transaction; correct?

11 UNIDENTIFIED SPEAKER: He needs a yes or no.

12 BY MR. BICE:

13 Q I just -- just yes or no.

14 A Yes.

15 Q Okay. And Mr. Gilbert and his team; correct?

16 A Yes.

17 Q This was not a decision of Jorge Pupo; correct?

18 A Correct.

19 Q Now, let's talk about this -- this big monopoly that
20 apparently is controlling the cannabis business in Washoe
21 County. That was facetious.

22 THE COURT: Oh, was it?

23 MR. BICE: Yes.

24 THE COURT: The record -- you know, the record,
25 Mr. Bice, does not always get your sarcasm nor my sarcasm, so

1 we need to be careful.

2 MR. BICE: Well, I heard so much about it this
3 morning, Your Honor, that I couldn't resist. So my apologies.
4 I was being facetious.

5 THE COURT: All right.

6 BY MR. BICE:

7 Q The transaction, again, as you testified, the
8 transaction was approved because they sold that entity up in
9 Washoe County; right?

10 A Yes.

11 Q Because, in fact, your team flagged this monopoly
12 provision and said they had to comply with it; correct?

13 A Yes.

14 Q And they did comply with it; right?

15 A Yes.

16 Q And had they not complied with it, the transaction
17 wouldn't have closed?

18 A Correct.

19 Q Everything was resolved to the D.O.T.'s satisfaction;
20 correct?

21 A Yes.

22 MR. BICE: So now, Brian, I like to go lastly to
23 Exhibit 2016.

24 I don't believe this is in evidence, but it's very
25 similar to one that is, but I want to use this one as well. Is

1 there any objection?

2 THE COURT: Anybody have an objection to it?

3 MR. GENTILE: I need to see. What is the exhibit?

4 MR. BICE: It's 2016, Dominic.

5 THE COURT: 2016.

6 MR. GENTILE: How is it different from the other one?

7 MR. BICE: It's got some additional red on it.

8 THE COURT: So not just the red that says per Jorge.

9 MR. GENTILE: Oh, yeah, okay. No objection.

10 THE COURT: Be admitted.

11 (Exhibit Number(s) 2016 admitted.)

12 MR. BICE: Okay. Thank you.

13 BY MR. BICE:

14 Q So you look at this one. This one also has the red
15 up there, per Jorge?

16 MR. BICE: But I'd like to go down, Brian, lower.

17 BY MR. BICE:

18 Q So you see these licenses to Commerce Park, Cheyenne
19 Medical, Essence Trop and Essence Henderson? They're all in
20 red. Do you see that?

21 A Yes.

22 Q Okay. Now, I think yesterday you testified that you
23 saw one of these with lines drawn through those names?

24 A Yes.

25 Q All right. Because I don't think I've seen that.

1 Where there's lines drawn through them or were they just in
2 red? That's what I guess I'm trying to figure out.

3 A Right. My recollection is I had seen a sheet that
4 had one of the names for each entity crossed out.

5 Q Okay. But this version here has all four of them
6 highlighted in red; correct?

7 A Yes.

8 Q Okay. Now, just again, and Mr. Prince talked --
9 touched on this. I don't need to go into it. This was -- this
10 is exactly one of the issues that John Ritter had tried to
11 persuade the Department on, isn't it?

12 A Yes.

13 Q And in fact, as Mr. Prince walked you through, the
14 Department had allowed MM Development and Natural Medicine, who
15 also share common ownership, overlapping ownership, to
16 similarly apply; correct?

17 A Yeah. I don't know if they did or not.

18 Q This wasn't an interpretation just for Essence or
19 just for Thrive, was it?

20 A Correct.

21 MR. BICE: Well, let's go to Exhibit 1014, Brian.
22 And go, Brian, if you would, down, next page. No, next page.
23 Keep going. Keep going. And keep going. Next page. Oh,
24 right there. Hold on a second.

25 / / /

1 BY MR. BICE:

2 Q So you see this is the Clark County unincorporated.
3 Do you see that, Mr. Pupo?

4 A Yes.

5 Q All right. The green are the winning licenses;
6 right?

7 MR. BICE: Now go to the next page, Brian. Keep
8 scrolling. Yes.

9 BY MR. BICE:

10 Q So you see --

11 MR. BICE: Pause.

12 BY MR. BICE:

13 Q You see all right there at 32 and 33, Natural
14 Medicine, also NuVeda was allowed to apply for multiple
15 licenses. Do you see that?

16 A Yes.

17 Q Okay. Do you also see Fidelis Holdings, two of
18 Mr. Gentile's clients also applied for multiple licenses in the
19 same jurisdiction; correct?

20 A Yes. Yes.

21 Q Was there any special interpretation of your
22 regulations for Essence or Thrive on this issue?

23 A No.

24 MR. BICE: Thank you. Pass the witness.

25 THE COURT: Mr. Bice, can you wipe it down while

1 Mr. Koch is coming up.

2 MR. BICE: I will. Yep.

3 THE COURT: Sir, I have a question that will not take
4 long since Mr. Bice is going to wash down the witness -- the
5 lectern.

6 Mr. Gilbert testified that from a compliance
7 perspective the Department's evaluation was that if you weren't
8 suspended you were okay to apply. Were you involved in that
9 decision, or do you know about that decision?

10 THE WITNESS: Your Honor, I did not know that's what
11 they were looking at.

12 THE COURT: Okay. Thank you.

13 THE WITNESS: Uh-huh.

14 MR. KOCH: Brian, put up 84. Thank you.

15 CROSS-EXAMINATION

16 BY MR. KOCH:

17 Q It's the same exhibit we looked at. I had it down as
18 84. This is the list of successful applicants.

19 MR. KOCH: Go to page 7.

20 BY MR. KOCH:

21 Q And there's a lot of talk about the Washoe County,
22 the great conspiracy, I guess that Mr. Bice talked about. If
23 we look at the bottom, Washoe County, Sparks, and Ms. Chattah
24 you remember asked you a lot of questions about monopoly
25 considerations there. You remember those questions that she

1 asked you?

2 A Yes.

3 Q Her client is Herbal Choice. Do you see Herbal
4 Choice anywhere on the list here, applicants for Washoe County
5 Sparks?

6 A No.

7 Q Who's Number 2 there?

8 A NOR.

9 Q NOR. And Nevada Organic Remedies, that's my client,
10 The Source. They're the Number 2 applicant in Sparks; is that
11 right?

12 A Yes.

13 Q And so if Essence Henderson were somehow disqualified
14 based upon the monopoly consideration, presumably Nevada
15 Organic Remedies would have received that license; is that
16 right?

17 A Presumably, yes.

18 Q What's that?

19 A Presumably, yes.

20 Q Okay. Did Nevada Organic Remedies ever complain to
21 the Department while you were there about not getting a license
22 in Sparks because of a monopoly concern?

23 A No.

24 Q Let me ask you about that monopoly concern, and
25 that's found in NAC 453D.272.

1 MR. KOCH: If we could pull that up, Brian.

2 BY MR. KOCH:

3 Q Now, you're familiar with that section of the
4 regulations; right?

5 A Yes.

6 Q If we go down to Section 5, I believe is where the
7 monopoly provision is.

8 All right. So to prevent monopolistic practices, the
9 Department will ensure that it has specific these 10 percent
10 limits. You're familiar with those; right?

11 A Yes.

12 Q Were those in the ballot question, that monopolistic
13 practices limitation?

14 A I don't believe so.

15 Q Don't believe so?

16 A I don't -- I don't remember.

17 Q Well, I think you're right. I don't think there's
18 any reference to monopolistic practice and the 10 percent cap
19 in there. Do you know why the Department came up with this
20 regulation to be included in the NAC interpreting?

21 A This came from 453A.

22 Q 453A under the medical; is that right?

23 A Yes.

24 Q So even though it wasn't in the ballot question, the
25 Department comments, task force, all that lead up to the

1 regulation decided that this monopolistic practice limitation
2 would be a good idea?

3 A Right. We're looking for consistency between the
4 medical regs and the retail regs as much as you could.

5 Q Right. You tried to be consistent with respect to
6 monopolies, with respect to other issues for regulating
7 applicants and establishments?

8 A Yes.

9 Q Very good. In this determination here about the more
10 than 10 percent, do you know how that was come up with? Was
11 there any consideration of having more than 20 percent or more
12 than 5 percent, anything like that?

13 A No, I don't know. I think that came from, I believe,
14 the initial bill when medical was created.

15 Q Okay. So it came from medical. Was there any
16 dissent in your -- during the task force, any sort of
17 disapproval of this kind of a provision?

18 A No.

19 Q All right. So it was adopted, considered.

20 And do you think the Department made a good-faith
21 effort to consider this and whether it would be applicable and
22 hopeful for the regulation of recreational marijuana?

23 A Yes.

24 Q Is the Department arbitrary and just sort of throwing
25 out a number, picking 10 percent for this monopoly cap?

1 A No.

2 Q And that issue, there's been a lot of talk about this
3 limit of one license per jurisdiction. Now, was that in the
4 ballot question?

5 A No.

6 Q Was that in the regulations?

7 A No.

8 Q Was that something that was come up with at a later
9 point in time?

10 A Yes.

11 Q And that was per the request of people in the
12 industry such as -- his name has been said many times,
13 Mr. Ritter. That was at the request of people like Mr. Ritter;
14 is that right?

15 A There were discussions all around, yes.

16 Q Because that would be a more fair way of allocating
17 the licenses; is that right?

18 A Yes.

19 Q And if there weren't a cap of one license per
20 jurisdiction, there could have been a possibility of having
21 actually many more licenses. For example, Nevada Organic
22 Remedies could rank Number 2, could have applied for seven
23 licenses in Clark County. And so long as it didn't exceed the
24 10 percent cap, it could have gotten all those licenses; right?

25 A Right. I think I figured at one point that all

1 licenses would end up going to, like, five entities.

2 Q Right. And so this was a way that the Department,
3 you as the deputy director decided this would be a way to more
4 fairly allocate the licenses to make sure that more people had
5 a chance to get those licenses; right?

6 A Yes.

7 Q And you believe that that was an appropriate decision
8 that was made?

9 A Yes.

10 Q Was that an arbitrary decision, just came up with it
11 out of the blue, or was it something you thought through?

12 A It was thought of and discussed thoroughly.

13 Q Very good. There was some discussion about sort of
14 access to you, and I won't go back through that. I think
15 Mr. Prince went through most of the individuals who actually
16 talked to you about issues.

17 I did want to raise though a little bit of a follow
18 up because THC was one of the applicants that I think was
19 established, spoke to you about potentially a job. If you ever
20 left, look me up, maybe you'll get a job. Do you remember
21 that?

22 A Yeah. I don't recall them or Nick ever saying
23 anything.

24 Q Okay. Nick Puliz, you know who that is?

25 A Yes.

1 Q Okay. And if we could pull up -- Mr. Prince showed
2 you I believe it was page 74.

3 MR. KOCH: Brian, do you have 74 and 75 from the THC
4 deposition.

5 BY MR. KOCH:

6 Q And so on 74, Mr. Prince showed you, he kind of went
7 down to the bottom there about the conversation with Nick:

8 That was before the applications were submitted.

9 Answer, Yes.

10 And he stopped there. I want to make sure we get the
11 rest of this.

12 And so he asked, Do you know exactly when, what month
13 at least, Mr. Puliz?

14 Allen Puliz says, I don't know. I don't remember.
15 It's a little while ago, but it was before the applications.

16 And let's back up. Before the applications were
17 submitted; right?

18 Answer, Submitted, yes.

19 Question, Did you have the applications in hand at
20 that point? Do you know?

21 Answer, Possibly right around that time.

22 So is it true that discussions Mr. Puliz had, if any,
23 about a potential job offer was the time that applications were
24 issued, but not yet submitted?

25 A I don't -- I don't think so. I'm not sure of the

1 timing. I remember the meeting, and I don't remember Nick
2 offering anything.

3 Q Well, you did -- there was some talk about deleted
4 messages. I think Mr. Gentile talked a lot about messages
5 between you and Armen, and maybe those aren't available anymore
6 because the phone wasn't available.

7 The same would be true for messages that you may have
8 had with Mr. Puliz in the same time period; correct, if they're
9 not available to you now? Those same messages would not be
10 available to you now just in the same way that your message
11 with Armen Yemenidjian would be; right?

12 A Correct.

13 Q And the same with Mr. Ritter, anybody else who would
14 have contact with that at that time, any of those
15 communications, you don't have those available --

16 A Correct.

17 Q -- available to you today; right?

18 Okay. And, Mr. Ritter, by December 5th, 2018, that
19 was the date that these scores were released or the rankings;
20 is that right?

21 A Yes.

22 Q And Mr. Ritter called you on that date before they
23 were actually released; is that right?

24 A Can you say that again.

25 Q Mr. Ritter called you before the scores were actually

1 released to the public; is that right?

2 A No, I don't believe so.

3 Q What's that?

4 A I don't think so.

5 Q Okay.

6 A He --

7 Q On that date, December 5th, 2018, did he call you?

8 A He called me.

9 Q Right. And you notified him that he -- his
10 establishments would not rank high enough to receive a license;
11 correct?

12 A No. He called me because he was in shock that he had
13 not received a license. So he had received notification
14 already.

15 Q Okay. So after he received notification, he asked
16 you if you could do anything about it; right?

17 A Right.

18 Q And even though it was -- I think you testified
19 earlier you thought it was a good operation, but that's just
20 the way the chips fall was your response to him?

21 A Yeah. I was apologetic. I was, like, sorry, but
22 that's just the way the chips fell. I mean, there's nothing I
23 can do about it.

24 Q Mr. Ritter upset?

25 A I would say he was upset, disappointed.

1 Q After December 5th, 2018, when you told Mr. Ritter
2 you couldn't do anything about it, did Mr. Ritter ever call you
3 back --

4 A No.

5 Q -- after that time period?

6 A No.

7 Q And once he found out he didn't get any licenses, his
8 communication with you stopped; is that right?

9 A Yes.

10 Q And prior to that time was he calling you pretty
11 regularly?

12 A Yes.

13 Q One last -- well, actually one quick one in one more
14 area.

15 Community, there were some questions about community.
16 You were asked about you live in Silverado Ranch, that kind of
17 thing.

18 The Department do anything to actually do a specific
19 demographic survey block by block? If you put a dispensary
20 here, what does the demographic look like, and how is that
21 going to be affected by the dispensary?

22 A No.

23 Q Do you think that that would have been a project that
24 could have been completed within the time frame that the
25 Department had to complete its scoring?

1 A No, not within the 90 days. No.

2 Q All right. And was there ever any expectation that a
3 block by block, which neighborhood the dispensary was in would
4 somehow result in different scores for applicants?

5 A No.

6 Q In the community even itself, you were asked about
7 North Las Vegas versus Silverado Ranch. Did the Department try
8 to make a specific determination of how an application would
9 affect North Las Vegas as a city versus Henderson in those
10 scores?

11 A No, I don't believe so.

12 Q Okay. Was there any definition of community in the
13 statute that you were aware of?

14 A Not that I'm aware of.

15 Q Okay. The last topic is the timing of background
16 checks.

17 Now, in order to apply in 2018 for a recreational
18 license, an applicant already had to have a medical
19 establishment, a medical license; correct?

20 A Yes.

21 Q Okay. And the Early Start Program, when did that
22 start? When did that begin?

23 A That -- shoot. I want to say we didn't have much
24 time at all. So it was -- we were just coming out of session.
25 So I want to say probably April, March, April. Or we were in

1 session. Yeah. So it was the early part there was talk about
2 it already, and --

3 Q Of which year are we talking about?

4 A -- so let me think about this for a second. It's --
5 I know the ballot initiative passed, and actually the ballot
6 initiative was giving us a year to do regulations. And then
7 the request came to move it up six months. So, you know --

8 Q Would it have been 2017?

9 A So it would be 2017.

10 Q Okay. And so an applicant that applied to be able to
11 open under the Early Start Program, could actually sell
12 marijuana recreational basis in 2017; is that right?

13 A Say that again.

14 Q An applicant could begin selling recreational
15 marijuana if approved at the beginning of 2017?

16 A In July of 2017.

17 Q Okay. And the Department endeavored to conduct
18 background checks of those applicants for those establishments
19 in 2017?

20 A I'm sorry?

21 Q Did the Department conduct background checks of those
22 applicants in 2017 in order for them to be able to participate
23 in Early Start?

24 A I don't believe so. I think those people that
25 applied had already -- had already been background checked and

1 had valid background checks on file.

2 Q Right. And I think that's maybe my question is, did
3 you conduct a new background checks just because they're
4 opening recreationally in 2017?

5 A No.

6 Q So if they had background checks and they continued
7 under the same structure, you did not conduct new background
8 checks; is that right?

9 A Correct.

10 Q What about in 2018 when the State had the application
11 process in September 2018? Did you conduct background checks
12 of all applicants at the time they submitted their application?

13 A No.

14 Q When -- there was a lot of discussion about the
15 Essence or GTI, talking about potential letter of intent or a
16 transaction coming up in November or September, whenever that
17 time frame was. Did the Department go out and background check
18 the potential owners of the acquiring company at that time?

19 A No.

20 Q Okay. And the applicants who were successful,
21 between September 2018 and December 2018 -- let me scratch that
22 successful part. All applicants, did you conduct background
23 checks between the time an application was submitted and before
24 a conditional license decision was made?

25 A The background checks were conducted before a license

1 was issued.

2 Q Before a final license was issued or the conditional
3 license?

4 A I believe it's conditional.

5 Q Okay. So did the Department conduct background
6 checks of all applicants, whether successful or unsuccessful
7 during that 90-day period?

8 A No.

9 Q Okay. So did it ever conduct background checks of
10 unsuccessful applicants in that 90-day period?

11 A No.

12 Q If a conditional license was awarded, when would the
13 Department actually conduct background checks of the owners,
14 officers, and board members?

15 A You know, I'm not sure. Steve Gilbert's group
16 handled that.

17 Q Okay. Well, let me ask you this question. If the
18 Department had conducted background checks of owners, officers
19 and board members prior to the applications being submitted and
20 in the application the applicant decided, well, maybe I need to
21 add an advisory board to -- for whatever purpose that may
22 serve, those advisory board members, if they hadn't been part
23 of the ownership before, would not have been background checked
24 at the time of the application, would they?

25 A No, I don't believe so. I don't think so.

1 Q Okay. And so the advisory board members would still
2 be considered as part of the application even though they had
3 not been background checked at that time; right?

4 A Be part of the application?

5 Q If they were listed on the application, they would
6 still be considered as part of the application even though they
7 had not been background checked; correct?

8 A Right. I believe that they'll be part -- part of the
9 application that would be looked at.

10 Q Right. And so when a conditional license was
11 awarded, the advisory board members who had not been background
12 checked before, would the Department then check them after
13 that?

14 A Yes.

15 Q Okay. So at some point in time the background check
16 would be completed, just not at the time of the application; is
17 that right?

18 A Yes.

19 Q Very good. And this -- when it comes to the question
20 of public safety, because that's been one of the considerations
21 with respect to the operation of the marijuana industry in this
22 State; right? That's a -- that's a concern the Department has?

23 A Yes.

24 Q For existing operators, in 2018, prior to the
25 application period, do you believe that different rules were

1 applied to existing operators than were applied to applicants
2 in September of 2018 with respect to public safety?

3 A No.

4 Q The standards were the same?

5 A Yes.

6 MR. KOCH: Very good. Thank you. No further
7 questions.

8 THE COURT: Thank you.

9 Ladies and gentlemen, we're going to break for the
10 days since it's 4:42.

11 How many intervenors still have questions, and how
12 much longer you got?

13 MR. ROSE: Your Honor, I probably have 5 to
14 10 minutes.

15 THE COURT: Okay.

16 MS. SHELL: Your Honor, I don't have any questions
17 for Mr. Pupo, but I did have a housekeeping matter.

18 THE COURT: I'm happy to do a housekeeping matter.
19 Is your motion off? Did you work it out with Mr. Parker?

20 MS. SHELL: I did, and I was hoping Mr. Parker would
21 be here to join in my representation, but Mr. Parker and I
22 discussed that I would withdraw my supplement with -- without
23 prejudice.

24 THE COURT: Okay.

25 MS. SHELL: And that he would withdraw his motion.

JD Reporting, Inc.

1 THE COURT: So based upon that representation, we'll
2 take the motion off calendar tomorrow morning.

3 MS. SHELL: Thank you, Your Honor.

4 THE COURT: All right. After I have Mr. Rose, about
5 15 minutes, how much you got, Mr. Gentile?

6 MR. GENTILE: 15 to 30.

7 THE COURT: So an hour.

8 Ms. Chattah?

9 MS. CHATTAH: 30 to 45 just [inaudible].

10 THE COURT: Okay. So, sir, we start at 8:30. Can
11 you come at that time?

12 THE WITNESS: Yes. Yes, Your Honor.

13 THE COURT: All right. We'll see you then, and we'll
14 have you out of here in the morning. I can't make a guarantee
15 as to what time in the morning, but it will be morning.

16 THE WITNESS: Okay. Thank you.

17 (Proceedings recessed for the evening at 4:42 p.m.)

1 **LAS VEGAS, CLARK COUNTY, NEVADA, AUGUST 4, 2020, 8:43 A.M.**

2 *** * * * ***

3 THE COURT: Mr. Prince, are there any issues that you
4 want to raise this morning since you're coming to the podium?

5 MR. PRINCE: I'm sorry?

6 THE COURT: Anything you want to tell me?

7 MR. PRINCE: Yes, I do. Yes. Just kind of
8 housekeeping, Your Honor, just more scheduling because the only
9 reason I'm even saying it is because potentially Mitch Britten
10 is for Friday. But now I understand there's a Cannabis Board
11 hearing at 10:00 o'clock on Friday morning.

12 THE COURT: I heard that.

13 MR. PRINCE: And so I just wanted to -- just to plan
14 our day and week, are we going to because of that not be here
15 Friday?

16 THE COURT: It sounds like it.

17 MR. PRINCE: Okay.

18 THE COURT: But I haven't officially heard that the
19 meeting is at 10:00 o'clock on Friday yet.

20 MR. DZARNOSKI: Could you repeat that, Your Honor?

21 THE COURT: I have not yet officially heard there is
22 a Cannabis Compliance Board meeting on Friday, although I heard
23 it from Mr. Gentile. I haven't heard it officially from the
24 State yet. So Mr. Shevorski is going to tell me, and then I'm
25 going to decide if we're going to have to recess, but he hasn't

1 told me that yet.

2 MS. SHELL: Your Honor.

3 THE COURT: What?

4 MS. SHELL: It is. I just got [inaudible].

5 THE COURT: Ms. Shell, you've got to get near a mic.

6 MS. SHELL: I know, Your Honor, but I don't want to
7 have to wipe it down.

8 MR. PRINCE: Well, speak loud.

9 MS. SHELL: I've never had a problem with that,
10 Mr. Prince.

11 MR. PRINCE: I know. You're tiny but mighty.

12 THE COURT: You're fine there. You're fine there.
13 Just say it loud.

14 MS. SHELL: On Friday --

15 THE COURT: I know you can project.

16 MS. SHELL: Thank you, Your Honor. There is a
17 Cannabis Compliance Board meeting on Friday at 10:00 a.m.

18 THE COURT: I'm waiting for Mr. Shevorski to tell me.
19 He's the State.

20 MR. SHEVORSKI: People keep wanting to speak for me.

21 MR. PRINCE: No, I don't.

22 MR. SHEVORSKI: Which is fine.

23 THE COURT: How long is -- is there a meeting on
24 Friday?

25 MR. SHEVORSKI: There is. 10:00 o'clock.

1 THE COURT: And how long is it going to last?

2 MR. SHEVORSKI: Not as long as the last one because
3 it's written comment.

4 THE COURT: Written comment only?

5 MR. SHEVORSKI: Yeah.

6 THE COURT: No Zoom?

7 MR. SHEVORSKI: No Zoom.

8 THE COURT: No public statements? No public comment?

9 MR. SHEVORSKI: They can do it through written
10 comment is my understanding.

11 THE COURT: How long is that going to take?

12 MR. SHEVORSKI: An hour, maybe less. Certainly less
13 than before in the Tax Commission.

14 THE COURT: So do you think we should recess at 9:45
15 and start back at 11:00, or do you think we should take the day
16 off?

17 MR. SHEVORSKI: I don't think we need to take the day
18 off.

19 THE COURT: Okay.

20 MR. SHEVORSKI: It's not going to be that kind of
21 meeting.

22 THE COURT: So what's your recommendation?

23 MR. SHEVORSKI: Recess at 9:45. Come back at 1:00.

24 THE COURT: At 1:00?

25 MR. SHEVORSKI: Uh-huh.

1 THE COURT: Okay. That will be the plan.

2 MR. GENTILE: May I address that?

3 THE COURT: Yeah.

4 MR. GENTILE: The written agenda says that there
5 is --

6 THE COURT: Mr. Gentile, you've got to move your mask
7 up. Sorry.

8 MR. GENTILE: The written agenda says that there is
9 public comment at 10:00, that the issue with regard to the
10 potential partial settlement comes after that, and then again
11 the agenda says public comment after that.

12 And then it says adjourn for possible action, which
13 could happen then. And so, you know, I am not going to -- you
14 know, maybe Mr. Shevorski knows the outcome already. I don't
15 know. But the bottom line is that given that there is no Zoom,
16 you know, we're certainly hopeful of having live attendance.
17 And I would like to ask the Court to at least give us the
18 morning and maybe if you want to start at 1:30 in the
19 afternoon.

20 THE COURT: Let's --

21 MR. GENTILE: This is a very serious matter, Your
22 Honor.

23 THE COURT: I understand, Mr. Gentile. And I'm going
24 to let Mr. Shevorski see if he can do some more research and
25 see if it is -- because it seems unusual that the agenda would

1 have places for two public comment if it was only going to be
2 written.

3 MR. SHEVORSKI: I thought it -- that was my
4 understanding, but let me go talk to the CCB and I'll come
5 back.

6 MR. GENTILE: I believe Ms. Sugden has the agenda
7 that was published.

8 THE COURT: Well, I'm not worried about the agenda.
9 I'm worried about is it -- if no one is going to be able to
10 participate except by written comment, that seems like we
11 wouldn't need to recess for very long. If it's something else,
12 maybe we need to recess longer.

13 MR. SHEVORSKI: Let me get on the phone.

14 THE COURT: So I'll let Mr. Shevorski do some
15 follow-up research, and we'll talk about it at the lunch break.
16 How's that?

17 MR. GENTILE: That's fine.

18 THE COURT: All right.

19 MR. PRINCE: That's fine. I mean, you have
20 Judge Togliatti involved now. Maybe she's involved after the
21 meeting and there could be some work towards the resolution. I
22 know she's working now with certain parties. So I guess I'm
23 just trying to make sure we understand our day only because I
24 have a witness scheduled for Friday, and he's had some family
25 health -- with emergency health issues and he's coming back

1 from out of state. So that's the issue I have, and I just want
2 to understand what our day is going to look like.

3 MR. GENTILE: And I would like to address that as
4 well.

5 THE COURT: Okay.

6 MR. GENTILE: We cannot rest until the testimony of
7 Kara Cronkhite is complete. It is my understanding that she's
8 getting better, but she doesn't have her results yet. And so
9 what I would ask the Court is if by Thursday we learn that she
10 cannot come back, we need to take a deposition. And, you know,
11 if there's ever been --

12 THE COURT: You mean you need to preserve testimony?

13 MR. GENTILE: Absolutely.

14 THE COURT: Okay.

15 MR. GENTILE: All right. And that may be the best
16 way to spend Friday. I don't know.

17 THE COURT: So I'm going to let Mr. Shevorski make
18 inquiry of the Cannabis Compliance Board. I have already
19 offered our privilege to Judge Togliatti if she needs to come
20 here for any reason to talk to parties. I'll keep going with
21 the trial, but you guys are welcome to do whatever you want on
22 the sides.

23 So any reason I can't start with the witness who's
24 sitting at the table waiting?

25 MR. SHEVORSKI: No reason, Your Honor.

1 MR. GENTILE: No.

2 THE COURT: All right. If you'd swear in our
3 witness, please.

4 Nick, are we okay on exhibits?

5 I.T. TECH: Plaintiff is good. I'm waiting on the
6 defendants to provide theirs.

7 THE COURT: Okay. Wave at me when you're all done
8 with the defendants so I can tell you to go home.

9 **RONALD L. SEIGNEUR**

10 [having been called as a witness and being first duly sworn,
11 testified as follows:]

12 THE CLERK: Thank you. Please be seated. Please
13 state and spell your name for the record.

14 THE WITNESS: Ronald L. Seigneur. Last name is
15 S-e-i-g-n-e-u-r.

16 THE COURT: Sir, as you can tell, we're all speaking
17 through masks. It makes the process of examination much more
18 difficult. It will be hard for you to understand the attorneys
19 and what they're saying. It will be really hard for them to
20 understand you. If for some reason something they say makes no
21 sense or you can't hear it, ask them to repeat. They will do
22 their best to clarify. Okay?

23 THE WITNESS: Yes, ma'am.

24 THE COURT: And if you need a break any time, you let
25 us know.

JD Reporting, Inc.

1 THE COURT: Yes.

2 THE COURT: All right. Let's go.

3 DIRECT EXAMINATION

4 BY MR. GENTILE:

5 Q Mr. Seigneur, what is your occupation?

6 A I'm a licensed certified public accountant in the
7 state of Colorado.

8 Q Okay. And do you live in Colorado?

9 A I do.

10 Q And what is the -- do you operate a business?

11 A I'm managing partner of a CPA firm called Seigneur
12 Gustafson, LLP, which has 15 employees.

13 Q And for how long have you been doing that?

14 A I've been a licensed CPA since 1981. The firm of
15 Seigneur Gustafson has been in existence since 1988.

16 Q Could you tell us in general what does the firm of
17 Seigneur Gustafson do? What services does it provide?

18 A I typically describe the firm as kind of a two-headed
19 firm. We're a traditional CPA firm. Most people, when you
20 think of a CPA, tax compliance and attestation, financial
21 statements, financial reporting. We do a lot of that. I
22 oversee people that do that.

23 The other part of our firm, the part that I focus on
24 is litigation support services. I do a lot of business in
25 intellectual property appraisal, financial forensics, economic

JD Reporting, Inc.

1 damages, lost profits. Valuation for things outside of
2 litigation as well for people that are buying and selling
3 businesses, estate planning and that type of thing.

4 Q Okay. What is your educational background?

5 A I have a Bachelor's Degree from Michigan State
6 University. The degree is in Hotel, Restaurant and
7 Institutional Management. I got that in 1976.

8 I have an MBA from the University of Michigan in
9 Corporate Policy and Finance. I received that in 1980.

10 I also continue to take continuing education every
11 year for my CPA license and for the other credentials that I
12 have that relate to my valuation and litigation services work.

13 Q Do you have any professional designations?

14 A In addition to being a CPA, I have some what are
15 called credentials or designations. One is called Accredited
16 in Business Valuation, which is granted by the American
17 Institute of Certified Public Accountants that requires
18 testing. It requires being a CPA, and it requires education.

19 I also am a Certified Valuation Analyst from the
20 National Association of Certified Valuation Analysts, which is
21 based in Salt Lake City.

22 And I am a Senior Appraiser with the American Society
23 of Appraisers in business valuation. That credential requires
24 10,000 hours of work experience, a peer review of work product,
25 testing and continuing education.

JD Reporting, Inc.

1 Q And how long have you had that?

2 A I believe my ASA senior credential was granted in
3 2002, I believe. I can't remember the exact year.

4 Q Okay. Do you teach?

5 A I do. I do a lot of teaching. I'm an adjunct
6 professor at the University of Denver, Daniels Graduate College
7 of Business. I teach a course there called Valuing a Business.

8 Prior to that I was an adjunct professor with the
9 University of Denver, Sturm College of Law, where I taught
10 financial management and law firm leadership for many years.

11 I also do a lot of continuing education for other
12 business valuers and other appraisers.

13 Q This is always the tough part to talk about, but have
14 you received any honors from any institutions or societies?

15 A Probably the one I'm proudest of is I'm in what's
16 called the ABV Hall of Fame. That's the Accredited and
17 Business Valuation credential from the AICPA, which is probably
18 analogous to the American Bar Association for lawyers. I'm in
19 what's called their Hall of Fame, and I'm one of I think 28
20 members that have been inducted into the ABV Hall of Fame.

21 I've received other awards for teaching. I'm trying
22 to think of anything else. That's what comes to mind.

23 Q And do you -- are you active in any organizations in
24 the sense of beyond merely being a member?

25 A I'm the treasurer of the Business Valuation Committee

1 of the American Society of Appraisers. I will become vice
2 chair in September and chair a year from September. So I'll be
3 chair of the Business Valuation Committee of the American
4 Society of Appraisers, which is one of the three recognized
5 appraisal organizations for people that do what I do. And
6 that's the leadership committee for the people that focus on
7 business and intellectual property appraisal.

8 I've also been chair of NAPFA's Professional
9 Standards Board. I've been very involved with AICPA
10 committees. I've been chair of the annual Forensic and
11 Valuation Services Conference that the AICPA produces. So I've
12 spent a lot of time on volunteer leadership things.

13 Q And did you lecture at the annual meeting of the
14 Nevada Bar in 2019 in Colorado?

15 A I did. Yes.

16 Q And what presentation did you make there?

17 A I think the title of the presentation was Emerging
18 Issues in Cannabis and Hemp, and it was at Vail, and it was the
19 summer meeting of the State of Nevada Bar Association.

20 Q And is that where we met?

21 A Yes.

22 Q Have you testified before as an expert witness?

23 A Many times.

24 Q Let me ask you a little different question. Have you
25 ever been engaged before this case as an expert witness --

1 A Many times.

2 Q -- for purposes of making a presentation to a court
3 or a deposition before a court?

4 A Yes.

5 Q How many times?

6 A I haven't kept count, but in terms of being engaged,
7 I've done -- I've been doing this for 40 years, full-time
8 practically for the last 25. I've been engaged hundreds of
9 times on valuation-related matters and hundreds of times in
10 matters that involve litigation where there's the potential to
11 be -- having to defend the opinion in a deposition or trial.

12 Q Approximately how many times have you made a
13 presentation to an audience at a continuing legal education or
14 continuing education course?

15 A Oh, maybe 100 times, and some of those are to
16 continuing -- to Bar Associations. Many of them are to CPA or
17 appraisal-related organizations. I do a lot of lecturing and
18 teaching. Most of it is virtual these days, but I've been
19 doing that for a long time.

20 Q And have you ever published anything?

21 A I have.

22 Q Can you give the Court some examples. Well, how
23 about we start with an example that's related to the cannabis
24 industry.

25 A I am co-author of a book called *The Cannabis Industry*

1 *Accounting and Appraisal Guide*, which was published in May of
2 2018, together with my partner, Brenda Clark, who I've been
3 with for 24 years, and she's also a CPA, ABV, CVA; and Stacey
4 Udell, who is a colleague with the same credentials based in
5 Cherry Hill, New Jersey.

6 Q And have you published anything in noncannabis
7 related, perhaps specific or general areas relating to the
8 idea -- the concept of valuation?

9 A I'm co-author of a treatise called *Financial*
10 *Valuation Applications and Models*. That's published by John
11 Wiley. It's in its fourth edition. It's over 1,300 pages.
12 I've been involved since the inception of that book in all four
13 editions.

14 I'm also co-author of a book called *Reasonable*
15 *Compensation*. That was published in 2010.

16 And most recently I've just published a book called
17 *Financial Expert Guide for Family Law Judges and Attorneys* that
18 just came out about two months ago.

19 Q How many jurisdictions, how many courts --
20 jurisdictions have you been qualified by the court as an expert
21 witness -- in other words, permitted to testify as to an
22 opinion?

23 A I don't know the exact number. I've probably been
24 qualified in 15 district courts in Colorado. I've testified in
25 federal court. I've testified in bankruptcy court. I've

1 testified in an EPA related matter. I've testified in private
2 JAG related hearings. A lot of venues.

3 Q When you say JAG, I mean, I know what it is, but are
4 you talking about a Judge Advocate General hearing?

5 A Judicial Arbiter Group. It's a large group of mostly
6 retired judges in Colorado that hear cases in a judicial
7 setting.

8 Q See, I misunderstood. Okay. I'm glad I asked the
9 question. When were you first contacted with regard to
10 providing litigation support in the matter that you're
11 testifying in now?

12 A You and I had a brief discussion at the State of
13 Nevada Bar meeting that was in Vail. I think that was July of
14 2019. It was right when I had finished speaking and my
15 recollection was you said you might have a matter that would be
16 appropriate for us to discuss further. And I don't think there
17 was any substantive conversation beyond that. I may have given
18 you my business card. But my --

19 Q And I bought your book.

20 A You did buy my book, yes, and thank you for that.

21 My recollection is you contacted me sometime after
22 that and we had a telephonic discussion. I can't remember the
23 date of that, but I was engaged sometime in the Fall of 2019.

24 Q Okay. And with regard to your engagement, how are
25 you being compensated?

1 A We keep track of our time on an hourly basis; we
2 being of the 15 people that I indicated work in my firm there
3 are 4 others that work primarily in the area that I work in,
4 litigation valuation, and we all have hourly rates. We keep
5 track of our time. We send out bills monthly and we typically
6 ask for retainers on litigation-related matters, and that's how
7 it's been done in this particular matter.

8 Q And what is your billing rate?

9 A I'm sorry?

10 Q What is your billing rate?

11 A It has been \$410. I just raised it to \$425 effective
12 the 1st of August.

13 Q And without getting into each and every person that
14 has worked on this case, what is the range of billing rates
15 that have become -- that you've billed in this case?

16 A Okay. The other professional person that's devoted
17 significant time to this matter is an individual, Ryan Cram.
18 Ryan is a certified valuation analyst that's been with me for
19 about four years. His hourly rate is \$195, \$195 an hour.

20 My partner, Brenda Clark, is at \$285 an hour, and I
21 know she had some time reviewing reports and having discussions
22 with us.

23 There may be some paraprofessional time in the report
24 that would likely be at \$110 an hour.

25 Q Could you -- do you even know -- do you know how much

1 you've been paid in this case?

2 A I think my fees are about \$16,000 through my
3 appearance today.

4 Q Okay. Now, with regard to your -- you wrote a book
5 about cannabis and you've talked about that. Not about
6 cannabis, but about the valuation of cannabis businesses --

7 A Yes.

8 Q -- and licenses and such. When did you become --
9 well, let me ask that a little differently because you went to
10 Michigan and Michigan State. So I don't want to ask the first
11 question that I was going to ask.

12 When did you become involved in the legitimate
13 business of cannabis?

14 A I like the way you phrased that because I like to
15 emphasize to our team and our clients in the professional world
16 that I live in that we work with legal, regulated cannabis
17 businesses. And I say that because, as I've articulated in the
18 report in places, the illicit market is alive and thriving, and
19 we have done our best to avoid being involved with anybody
20 that's not properly licensed in the jurisdiction that they're
21 licensing in.

22 But with that said, we first became involved, we as a
23 CPA firm, in cannabis in 2009 when a long-time client of our
24 firm, a tax client that we had done tax returns for that was
25 actually a CPA with an inactive license, called and said my

1 neighbor wants me to buy into a dispensary. Will you help keep
2 me out of trouble as his CPA trusted advisor? And that was a
3 little over 10 years ago. And it gave me pause because under
4 the Controlled Substance Act, you know, all of us in this room
5 that work with cannabis clients can still be accused of aiding
6 and abetting. That's still there.

7 It was much more prominent, at least in my opinion,
8 in 2009. So I said, Rod, let me get back to you. So I went
9 and talked to my two partners. I called Mary Medley, who is
10 the CEO of the Colorado Society of CPAs. She said maybe I
11 ought to call the State Board of Accountancy. I was concerned
12 about my CPA license. I didn't want to jeopardize my firm or
13 my professional standing by working with someone in a cannabis
14 business. And this was someone that was buying into a
15 newly-created dispensary that was properly licensed in
16 Colorado.

17 After kind of doing that due diligence, I decided to
18 take that on. That individual ended up buying out his
19 neighbor, ended up expanding to have four dispensaries and two
20 grow operations.

21 So I like to tell that story because that's how we
22 kind of cut our teeth on, you know, being involved in the
23 legitimate side of the cannabis business, which I feel like
24 I've come full circle because I grew up in Ann Arbor, Michigan
25 in the '60s and '70s. So marijuana was part of my youth when I

1 was in college.

2 So from 2009 and that one client, we helped him to
3 build his business, consult with his business to figure out
4 what the proper compliance was, to figure out how to pay a lot
5 of tax dollars because of the impact of 280E and the things
6 that impact cannabis businesses, and from that started to get
7 other opportunities.

8 Being in Denver, it was a good place to kind of
9 become -- to build an emphasis in cannabis. So from 2009
10 forward, we started to pick up other clients, started to -- and
11 because I already had a reputation as a valuation analyst from
12 35 years of work experience, probably 30 at the time, I started
13 to get people saying can you value a cannabis business? And it
14 was like, sure, we can because we can value anything. And then
15 we hang up the phone and have to figure out what did we just
16 commit ourselves to.

17 So we've had a good run since that 2009 first
18 engagement opportunity, and now cannabis is a big part of our
19 practice from a tax compliance standpoint and from a litigation
20 services and valuation standpoint.

21 Q About how much of your practice over the last
22 five years has -- and I'm measuring it not in dollars but in
23 time, about how much of your time do you spend dealing with
24 either cannabis clients or issues related to the cannabis
25 industry?

1 A Personally, I would say half or more of my time is in
2 the cannabis sector. We've been doing a lot in hemp and CBD,
3 which is kind of -- it's not mutually exclusive, but it's some
4 of the same kind of issues in play. We still do valuation for
5 auto dealerships and dental practices and other things. Of our
6 overall firm, I would say it's a third to 40 percent of our
7 overall revenue.

8 Q And have you in fact evaluated, appraised specific
9 cannabis businesses?

10 A Absolutely. Yes. Most often we're engaged to value
11 a particular license that may be for retail dispensaries. It
12 may be a license for cultivation. It may be a license for MIPs
13 or processing facilities. We've valued dispensaries in many
14 states. We've valued cultivation facilities, outdoor and
15 indoor.

16 We just got done valuing a very high-tech extraction
17 facility in Central California, a very unique engagement just
18 because of all the dynamics of extraction and in being in the
19 California market itself. So a lot of our work is value this
20 dispensary or value this cultivation facility in this
21 particular jurisdiction for a dissolution of marriage, buying
22 out a shareholder, estate planning, those types of needs.

23 Q And all of those various things that lawyers do may
24 involve the evaluation of a cannabis business because it's an
25 asset?

1 A Yes.

2 Q Okay. What goes into --

3 MR. GENTILE: Your Honor, I am going to proffer
4 Mr. Seigneur to give an opinion with regard to the overview of
5 the Nevada cannabis market and the impact that the additional
6 licenses will make on the market share of someone who does not
7 get an additional license. I believe that -- I would hope, at
8 least, that it would aid the Court with regard to a fundamental
9 element of our theory of the case.

10 THE COURT: All right. Is there any objection to the
11 witness providing those opinions? His qualifications, not the
12 content of his opinions.

13 (No audible response.)

14 THE COURT: Okay. You may proceed.

15 MR. GENTILE: Thank you.

16 BY MR. GENTILE:

17 Q What goes into the valuation of a business? Let's
18 not even deal with cannabis. This Judge has heard more than
19 you will ever know about that, but I have to make a record.

20 So what goes into the valuation of a business?

21 A I just gave a continuing education webinar yesterday
22 on what goes into valuing a business or an interest in a
23 business. And the three first things that we always ask for
24 any valuation assignment are clarity on the date of value, the
25 standard of value, and the premise of value.

1 There's much more to it than that, but we need --
2 before we can start asking additional questions on what else
3 goes into it, we need to know what date do you need the entity
4 or interest valued as of, what standard of value should we use
5 because that's a legal issue, and is it a going concern or
6 should we use liquidation premise?

7 Once we have clarity on those three issues, then we
8 start looking at what is it we're valuing: what kind of
9 business? What kind of information is available? How well can
10 we rely on past history as an indication of future economic
11 potential? Who's involved in the management? What's the
12 ownership structure? All the questions that go into the --
13 what I call the qualitative and quantitative analysis that we
14 need to do to do an analysis to come up with an opinion of
15 value on a closely held business.

16 And what I'm talking about here is any business that,
17 you know, closely held, it does not have a reliable indication
18 of equity value from a public market. So any business that
19 doesn't trade on a public market needs to be valued by folks
20 like us. So those are the general things that go into a
21 business appraisal.

22 Then we start looking at the methodologies. We have
23 asset approach, income approach, market approach, and we have
24 methods within each of those approaches to value. And we start
25 trying to determine kind of what are the appropriate valuation

1 methodologies for this particular valuation assignment that
2 starts guiding us towards what information do we need to
3 collect, what type of market analysis do we need to do, all of
4 those types of things.

5 Q With regard to the project that you've been engaged
6 in and that you are now giving testimony about, did you review
7 any articles or conduct any research in the course of doing
8 your investigation and giving your opinion?

9 A Well, yes.

10 Q Do you have that list?

11 A I do.

12 Q All right. Would you review it and tell the Court
13 what you have done?

14 A As part of a report, my initial report that I issued
15 on -- dated January 16, there is an appendix item that is
16 titled Articles and Research Considered, and there's a list of
17 41 items that are things that we identified related to this
18 particular assignment in addition to just the industry
19 knowledge that we continue to gain on a daily basis in the
20 cannabis sector.

21 Q I would ask you, because this document is not in
22 evidence, and I think it is important --

23 A Okay.

24 Q -- that this record reflect what you've done, I would
25 ask you to go through that list and read it into the record.

1 A Okay.

2 THE COURT: So I don't want you to read it into the
3 record, sir. I'd like you to tell me what you reviewed. And
4 if you need to review the documents on the list to refresh your
5 memory as to what you reviewed, please, but don't read it into
6 the record. It's not admitted.

7 MR. GENTILE: Well, I would ask, then, that I'd be
8 able to make it an exhibit.

9 MR. SHEVORSKI: Objection. Hearsay.

10 MR. SMITH: Objection to hearsay, Your Honor.

11 THE COURT: Okay.

12 MR. GENTILE: Well, it's not -- there's no assertion
13 in this list.

14 THE COURT: Is it just the list of his materials?

15 MR. GENTILE: It is just the list. There is no
16 narrative at all.

17 THE COURT: How long is it?

18 MR. SMITH: Then I object to completion because it's
19 not the entire report. So it's not coming in.

20 MR. GENTILE: I'm not asking to admit the report.

21 THE COURT: So the offer to admit -- the objection to
22 the admission is sustained.

23 Sir, if you could tell me what you reviewed. And if
24 you need to look at the list to refresh your memory, please do,
25 but don't read it to me.

1 MR. GENTILE: Oh.

2 THE WITNESS: We looked at the pleadings that were
3 made available to us, the complaint and the answers to the
4 complaint. We looked at a lot of information about Nevada tax
5 revenues from cannabis. We looked at a lot of published
6 articles on deals that were happening in Nevada. We looked at
7 various maps of where licenses had been granted. We looked at
8 a lot of Internet-related research on acquisitions that were
9 happening and capital infusions that were happening in the
10 Nevada market.

11 We spent a lot of time looking at kind of the overall
12 Nevada market and the landscape for just how diverse Nevada is
13 in terms of where the population is and where the market
14 potential is for the cannabis industry in relation to the state
15 as a whole.

16 BY MR. GENTILE:

17 Q Okay. And what were some of the sources that you
18 used for the data?

19 A Well, as I indicated, we looked at a lot of
20 tax-related data from the Nevada Department of Taxation.

21 We looked at a lot of news articles on kind of what
22 was happening in the Nevada market.

23 We had been involved in Nevada a long time ago for
24 valuing a medical license at the very front end of when Nevada
25 first approved medical marijuana.

JD Reporting, Inc.

1 We looked at some of the nuances in Nevada in terms
2 of how important tourism is to the cannabis industry.

3 We looked at tourism statistics in terms of volume of
4 tourists coming through McCarran Airport and things of that
5 sort.

6 Q And you wrote a report in this matter, and then you
7 supplemented that report. Am I correct?

8 A Yes.

9 Q Okay. When -- you have your report in front of you.
10 When did you create your report and send it to me?

11 A The report -- the initial report is dated January 16,
12 2020.

13 Q All right. And then when did you do your
14 supplemental report?

15 A The supplement is dated May 25, 2020.

16 Q And why did you do a supplemental report in May when
17 you had already done one in January?

18 A Well, the January report was -- we didn't have -- we
19 didn't --

20 I'm going to back up to what I said, the three first
21 things: date, standard and premise. We didn't end up valuing
22 a particular license but looking at the market as a whole
23 generally as of the end of 2019. And that's really significant
24 because that's preCOVID, pre impact of the COVID pandemic on
25 the value of anything these days.

1 And that's been a big part of my life. I've actually
2 written articles on the impact of COVID on valuation. I've
3 written articles recently on the impact of COVID on the
4 valuation of cannabis businesses.

5 So I say that as a precursor because the May 25
6 supplement was a first attempt to say things have changed
7 dramatically from the January report because COVID has changed
8 our world, and it has changed the cannabis market, and it has
9 changed it significantly, and it has changed it significantly
10 in Nevada.

11 Q Is a business's share of the market in its geographic
12 area, assuming that it's a geographically based business, is
13 it's share of the market part of what an appraiser looks at in
14 terms of evaluating a business?

15 A Yes.

16 Q In what way?

17 A Well, when you look at a particular business in the
18 market they serve -- you know, just to put it in context, I
19 grew up in a town that had -- my parents owned fast-food
20 restaurants. And McDonald's came to town, and they built a
21 McDonald's and stole all the business away from my parents'
22 fast-food restaurants.

23 But then they built a second McDonald's on the other
24 side of town, and it was kind of interesting because it took
25 more business from my family's restaurant, but it took a lot of

1 business from the first McDonald's too. So I just say that as
2 an example that when you look at kind of the market that a
3 business serves, you know, you have to -- we as business
4 analysts have to kind of take off the blinders and say, you
5 know, what is the market?

6 Valuing an auto dealership, you know, it's
7 interesting how virtual tools have made auto dealers -- you
8 know, kind of their market is a lot broader now geographicwise
9 than it used to be because it used to be, you know, you go to
10 the dealer in your neighborhood. Now you click on the
11 Internet, and you go to the dealer that gives you the best
12 deal.

13 So I guess that's long-winded to say that we
14 definitely need to look at, you know, a business and look at
15 the market it serves and how it serves that market.

16 Q And what approach did you take in this case -- well,
17 let me ask it a little differently.

18 Did you conduct a general analysis of the Nevada
19 market for sales of cannabis and the tax revenue that's
20 generated from it?

21 A We looked at how the market had evolved. 2018 was
22 the first year of tax revenue, and how that had grown in 2019
23 and projections that people had been making in terms of Nevada
24 growing to be a billion dollar kind of industry within a few
25 years, and then tried to look at how that has moderated.

1 We've continued to look at how that's moderated
2 because the COVID thing is -- it's -- even since May it's
3 continued to change dramatically.

4 Q Okay. Would you tell the Court what did you find
5 with regard to cannabis sales prior to -- the trend in cannabis
6 sales in Nevada prior to January of this year when you wrote
7 your report?

8 A If I -- cannabis sales were 639 million in Fiscal
9 Year 2019, the fiscal year that's used by the tax department,
10 which was a 21 percent increase over Fiscal 2018. It was
11 projected to continue to rise from that point. That was in our
12 initial report. It was the first state -- the quickest state
13 to get to a half billion dollars in sales of any state that --

14 Q Half a billion dollars?

15 A Half a billion in sales. The quickest state to get
16 to get to a half a billion of sales of any state that has
17 legalized recreational cannabis.

18 Q So in its first year it did a half a billion dollars?

19 A Yes.

20 Q Or second, I guess.

21 A Second year.

22 Q The first full year?

23 A Yes.

24 Q 2018 was the first full year?

25 A Yes.

1 Q Okay. And what other states did you compare that to
2 when you're saying that it reached it faster than any others?

3 A Well, we obviously know Colorado really well because
4 we've done a lot of work there, but we've done a lot of work in
5 Oregon, Washington State, even California.

6 California has had recreational cannabis for a long
7 time, and it's a huge market currently. But they had a slow
8 start, a lot of problems with local licensing. Currently in
9 California there's 1,800 municipalities, and 70 percent of
10 those 1,800 municipalities don't allow recreational cannabis
11 dispensaries. So people have this misnomer that you can get
12 cannabis anywhere.

13 The same thing is true in Colorado. You know, even
14 though Colorado has almost 600 dispensaries, I live in a part
15 of town where there's nothing within miles of me in terms of
16 recreational cannabis, and I live in metropolitan Denver.

17 Q What do you -- what did you find from your research,
18 the tremendous success of Nevada so quickly to reach that half
19 a billion dollar number, what was that based on? How come
20 Nevada did it and the other states didn't?

21 A Uh, well, 42 million tourists came through McCarran
22 Airport in 2019. The tourism in Nevada, particularly in Clark
23 County, is extreme. It's unique, arguably, in the world in
24 terms of the tourism trade here.

25 I remember back when we were first researching the

1 medical dispensary license years ago. It was really
2 interesting how things changed from jurisdiction to
3 jurisdiction, state to state. Then Nevada authorized medical
4 cannabis. They also allowed medical cards from other
5 jurisdictions to be accepted in medical dispensaries here in
6 Nevada as a way to stimulate more medical sales.

7 For example, in Colorado, if you have a medical card,
8 you can buy medical marijuana cheaper than recreational. But
9 you can't come from out of state with a medical card from
10 another state and buy medical cannabis in Colorado, but you can
11 do it here in Nevada. That's kind of been displaced with the
12 recreational access, but the point to be made is the cannabis
13 industry in Nevada is highly dependent on the tourism industry.

14 MR. GENTILE: Shane, could you put up that first
15 graphic, the Nevada state map, please.

16 BY MR. GENTILE:

17 Q You created this graphic and I'm going to ask you to
18 advise the Court what it signifies.

19 THE COURT: So, Dulce, what demonstrative exhibit are
20 you up to? Are you marking them as court exhibits?

21 THE CLERK: I marked the PowerPoint.

22 THE COURT: Okay. So we're going to mark this one --
23 it's emailed to Dulce as D1. It's not admitted. It's purely
24 demonstrative. But it will be D1 for purposes of our record.

25 MR. GENTILE: It's demonstrative, yeah. There are, I

1 think, four of them -- four or five.

2 THE COURT: Sorry. I'm just trying to make the
3 record, Mr. Gentile.

4 MR. GENTILE: I understand. I apologize.

5 THE COURT: Okay. You may continue explaining D1.

6 BY MR. GENTILE:

7 Q Okay. Explain why you created this in the first
8 place and how it dovetails into the work that you did.

9 A Well, when we started looking at the Nevada cannabis
10 market, it was obvious to us that the demand for cannabis would
11 be focused on where the population is. And this is a map that
12 shows all of the licenses that had been issued, including
13 testing, cultivation, dispensaries. So and I think it's
14 interesting to note that -- you know, I didn't count up the
15 number of counties, but you can see there's a number of
16 counties in Nevada that have no licensed cannabis, at least as
17 of the point that this map was created.

18 Q Now, this was -- this is -- if I understand this map
19 correctly, it reflects -- it does not reflect the 61
20 conditional licenses that were issued December of 2018. These
21 are only operational locations at the time that you did your
22 research?

23 A Well, it does not include the conditional licenses,
24 but it does include cultivation facilities, testing licenses
25 and other processing licenses in addition to dispensary

1 licenses.

2 Q Okay. So it doesn't really designate -- for example,
3 Clark County, there's 234 licenses. We know that there is
4 nowhere near that many dispensaries. So what you're saying is
5 that in Clark County there are 234 various types of licenses to
6 be engaged in the regulated cannabis industry?

7 A Yes.

8 THE COURT: Does that include the labs, sir?

9 THE WITNESS: Yes. Testing labs. Yes.

10 THE COURT: Thank you.

11 BY MR. GENTILE:

12 Q All right. Does pricing of cannabis in Nevada and as
13 compared to elsewhere factor into the market and therefore the
14 market share and the competition?

15 A Yes.

16 Q All right. And how so? And if you will, compare
17 Nevada to the other jurisdictions that you work with.

18 MR. SHEVORSKI: Object. Form.

19 THE COURT: Overruled.

20 THE WITNESS: We looked a bit at pricing back at the
21 end of 2019, noting that prices for flower by the gram or by
22 the quarter ounce were significantly higher in -- prices that
23 were being able to be charged for product in Nevada were higher
24 than they were in Colorado, Oregon and Washington state, which
25 were other markets where we were doing other work at the time.

1 That was also changing. In the latter half of 2019
2 there was a lot of disruption in the market because of kind of
3 the imbalance between cultivators and retailers.

4 BY MR. GENTILE:

5 Q You're going to have to explain that. What do you
6 mean?

7 A Well, and it's just part of what makes this so
8 complicated is that, first, you have to understand that each
9 state has to -- in the regulated, legal side of the business
10 you have to grow product that is sold, processed and sold in
11 your state. You can't cultivate product and ship it to
12 somewhere else. It happens all the time in the illicit market,
13 and that's a big issue.

14 But so when Nevada is trying to serve its market,
15 locals and tourists, they need to have a good balance between
16 what's being cultivated in places like Nye County and what's
17 being retailed in places like Clark County. And there was a
18 lot of pricing changes going on in Nevada, just like there were
19 in other states, and part of it has to do with the fall
20 harvest.

21 A lot of cannabis is grown externally, and there's
22 always like the August-September harvest, and a lot of product
23 comes to market, and it drives the price down. That also
24 happens because of the impact of the illicit market on the
25 regulated market. There's a lot of product that comes out of

1 Oregon and California that comes to Nevada from the illicit
2 market, the emerald triangle, for example, and it drives down
3 the price of product that retailers can charge because they're
4 competing against the illicit market for some of their
5 business. So there's a lot of price disruption.

6 But prices in Nevada were, at the time of our initial
7 report, were a bit higher than they were in other markets that
8 I mentioned.

9 Q But was the price dropping in Nevada when you did
10 your -- as compared to a year before?

11 A Yes. And it was dropping.

12 Q And by how much?

13 A I'm trying to remember what I quoted in my report.

14 Q You can refresh your recollection with it. You can't
15 read from it aloud, but you can refresh your memory.

16 A Yeah. Flower was selling for about \$2,400 a pound in
17 2018. That same flower, same quality flower was selling for
18 about \$1,600 a pound in 2019.

19 Q So it lost about a third of its --

20 A Yes.

21 Q -- I won't say value, but the price dropped about a
22 third?

23 A Yes.

24 Q In a year in Nevada?

25 A Yes.

1 Q Okay. Did you -- in the course of doing your initial
2 research, did you form an opinion with regard to the growth
3 potential of Nevada's marijuana industry?

4 A In our initial opinion we thought there was
5 significant room for growth primarily driven by tourism and a
6 relatively small number of dispensaries as compared to other
7 locations.

8 MR. GENTILE: Shane, can we put up the next graphic,
9 please, the growth.

10 THE COURT: And if we could mark that as D2, Dulce.

11 THE CLERK: Yes, Judge.

12 MR. GENTILE: Thank you, Judge.

13 BY MR. GENTILE:

14 Q You created this graphic. Can you tell the Court --
15 now, Nevada isn't even on this graphic, if I --

16 A No.

17 Q -- read it right. So what does this represent and
18 where does Nevada fit as compared to it?

19 A Well, the -- the purpose of this graph was to accent
20 some of the discussion in the report on how markets, once they
21 authorized legal, regulated access to adult use or recreational
22 use, used synonymously, that it takes some time for those
23 markets to kind of evolve and reach their potential.

24 And this just is a chart showing from, not
25 necessarily inception, but from the early days of regulated,

1 recreational access to cannabis in Colorado, Oregon, and
2 Washington State, how the -- the sales numbers -- and these are
3 tax revenues as reported by a company called BDS Analytics,
4 that's a very well-respected data gathering organization in the
5 cannabis industry, just showing how over a period of years
6 those markets have continued to increase.

7 Q And so with regard to Nevada, I see the -- the
8 horizontal axis starts in January of 2014 and goes through May
9 of 2018. Nevada didn't start recreational until July of '17.
10 It's not on here, but if it was on here, where would it fit?

11 A I don't know the exact answer to that. You know, I
12 -- I think the -- the trend for -- from '18 to '19 would have
13 fit with the same kind of upward trajectory here.

14 It's also worth noting that you can see medical use
15 for Colorado and Oregon have -- have stabilized or even dropped
16 off as -- as people have gone recreational. That seems to be a
17 trend that -- you know, and I think that's happened here in
18 Nevada, that as recreational has gained steam, the medical
19 folks that are chasing the medical market are -- are just not
20 -- not pursuing it as much as the -- the recreational market.

21 Q And did you make a prediction back in January, kind
22 of -- kind of -- did you state an opinion in January with
23 regard to what you thought at that time the Nevada sales --
24 when you thought the Nevada sales would reach a billion
25 dollars?

1 A Well, we -- we relied on a prediction that was made
2 by ArcView and Marijuana Business Daily in their Factbook that
3 projected that Nevada would reach a billion dollars by the year
4 2022.

5 Q So what would -- what kind of a rate of growth each
6 year would that have required, given that 2019 was the base
7 year?

8 A A 17 percent compounded growth rate.

9 Q So in January this year, it wasn't necessarily your
10 opinion, but you restated the opinion that was contained in
11 Marijuana Business Daily. But is Marijuana Business Daily a --
12 an accepted, a recognized publication?

13 A Marijuana Business Daily is an interesting
14 organization, but they produce something called the Factbook.
15 They actually have an Expo in this building every year, and
16 they had 35,000 people last year, they canceled it this year,
17 but at the Marijuana Business Daily Cannabis Expo.

18 So they publish a lot of data, they publish a
19 well-respected magazine on the cannabis industry, but they also
20 publish what's called a Factbook that's about 300 pages of data
21 on the cannabis industry that you can subscribe to. I think it
22 costs \$450. But yeah, a lot of people that do what we do use
23 that as a recognized source of -- of industry data.

24 Q So did you come to a conclusion in January as to what
25 you thought would be the trend with regard to the marijuana

1 sales in Nevada?

2 A We -- we saw no reason to think that that was not a
3 solid estimate that, given what we'd seen in the growth from
4 the -- the part-year of '18 to the full year in '19 fiscal
5 years in Nevada, that it could reach that 17 percent compounded
6 growth rate to get to a billion dollars in 2022. So we -- we
7 thought that was a reasonable estimate.

8 Q And did you -- did you make any observations with
9 regard to what you thought would happen to the market share of
10 the operators of the cannabis businesses, dispensary businesses
11 in Nevada; where it would gravitate?

12 A Well, it would gravitate towards the -- I don't know
13 if I understand your question. If we're talking about just the
14 -- the -- the licenses that have been granted versus the impact
15 of granting the additional conditional licenses, it --

16 Q Yes.

17 A If -- if you add additional licenses, additional
18 dispensaries, there's a two -- twofold effect. Those
19 dispensaries, based upon where they're located, have the
20 potential to increase the market, people that would buy
21 cannabis at a new location that wouldn't have bought it before,
22 but also a large potential to cannibalize business from
23 existing locations and existing licenses.

24 Q So the overall market would grow, but any previous
25 share of the market might be adversely affected; is that what

1 you're saying?

2 MR. SHEVORSKI: Object to the form.

3 THE COURT: Overruled. You may answer.

4 THE WITNESS: It's -- it's no different than when you
5 add a second McDonald's in a small town. There's going to be
6 some people that are going to go to that McDonald's, because
7 maybe they're coming from that direction, that wouldn't have
8 gone to the other McDonald's, but that second McDonald's is
9 going to take away business from the first McDonald's. So --

10 BY MR. GENTILE:

11 Q But in the --

12 THE COURT: So, I have -- I have a question. So,
13 sir, did you determine whether saturation of the market had
14 occurred prior to these new licenses, or whether the market
15 would continue to grow?

16 THE WITNESS: My opinion, Judge, is that there had
17 not been saturation. There -- compared to other markets that
18 we've evaluated, like California, Oregon, Washington State, and
19 Colorado, there -- there's relatively few dispensaries in
20 Nevada in relation to the market that's being served,
21 particularly when you factor in the tourism market.

22 THE COURT: Okay. Thank you, sir.

23 BY MR. GENTILE:

24 Q Sir, as of the end of 2019 --

25 MR. GENTILE: And can we put up the Global Stock

1 Index, please?

2 BY MR. GENTILE:

3 Q As of the end of 2019, what -- what had been the
4 trend with regard to the -- the marketplace and the willingness
5 to spend money on the acquisition of a cannabis license?

6 THE CLERK: It'd be D3.

7 THE COURT: Yes, D3, please. Sorry, Dulce.

8 THE CLERK: Thank you.

9 BY MR. GENTILE:

10 Q No, she didn't ask you a question.

11 A Okay, sorry. The public market for cannabis stocks,
12 which is primarily Canada in what this index follows, shows
13 that there was a very significant downturn in public company
14 cannabis stock values that began in the middle of 2019 and has
15 continued to date.

16 A lot of those public Canadian companies were using
17 stock to do acquisitions of U.S. related cannabis interests,
18 and a lot of those deals have not turned out so well for the
19 people that sold out to the large publicly traded cannabis
20 companies.

21 What this chart also exhibits is what I have labeled,
22 stealing a term from Alan Greenspan, former Chair of the
23 Federal Reserve, the irrational exuberance that has been in
24 cannabis, where people bid up cannabis stocks significantly,
25 thinking that they would make it up on future growth, and it

1 hasn't panned out so well. And you can see that this cannabis
2 stock index, it just shows the downward pressure on cannabis
3 equity values that started in the middle of 2019 and has
4 continued.

5 Q And why is that? Why were they paying so much for --
6 for cannabis stocks, and paying so much for licenses, and now
7 they're not anymore?

8 A I think it's partly because of the irrational
9 exuberance. People wanted to be in it. It's sexy to be in
10 cannabis. There's a lot of acquisitions that were done,
11 thinking -- like, Florida's a great example. Deals in the tens
12 of millions of dollars for licenses in Florida, medical
13 licenses, on the come that Florida will eventually flip to a
14 recreational state.

15 And the -- the bet is, is that if you have a medical
16 license in a jurisdiction that only allows medical, and when
17 that market allows recreational, those medical licenses will
18 have a head start. That's what's proved to be the case in
19 prior markets like California and Colorado.

20 So a lot of this was money chasing acquisitions of
21 medical licenses, hoping those medical licenses would convert
22 into recreational licenses, and it hasn't happened as quickly
23 or as efficiently as I think some of the -- the public market
24 dollars had hoped. And I think people have just determined
25 that cannabis is not the pot of gold that a lot of people

1 thought it was when they were buying into it in '17, '18, and
2 early '19.

3 Q Have you done an analysis -- well, I shouldn't say
4 that.

5 Did you do an analysis before your January report
6 with regard to the Nevada marijuana revenue per licensee, per
7 dispensary licensee?

8 A As part of my January report?

9 Q Yes, sir. I --

10 A Yes.

11 Q You don't have page numbers on your report.

12 MR. GENTILE: Let's put up that chart. Not that one.

13 THE COURT: So this would be D4.

14 THE CLERK: Are those the same as --

15 THE COURT: It's a new one.

16 THE CLERK: It is? Okay.

17 UNIDENTIFIED SPEAKER: [Inaudible]?

18 MR. GENTILE: It -- let me -- if I may.

19 THE COURT: Yes, you may.

20 MR. GENTILE: Never mind.

21 THE COURT: Never mind?

22 MR. GENTILE: Never mind.

23 THE COURT: Okay, it will not be D4.

24 BY MR. GENTILE:

25 Q Before you did your adjustment, your supplement, did

1 you form an opinion as to whether or not the additional
2 licenses, the 61 additional dispensary licenses, would disrupt
3 the market share of existing stakeholders that had licenses
4 before the additional 61?

5 MR. SHEVORSKI: Objection, form.

6 THE COURT: Overruled. You can answer.

7 THE WITNESS: Yes.

8 BY MR. GENTILE:

9 Q All right. And that was in January. What did you
10 conclude -- well, first of all, how did you approach that? How
11 did you -- in other words, what went into formulating -- okay,
12 what was your opinion? Maybe it would help to put the graph
13 up, the Nevada Cannabis Sales --

14 A Yeah.

15 Q -- graph.

16 THE COURT: So this is D4.

17 MR. GENTILE: Yes.

18 BY MR. GENTILE:

19 Q Perhaps you can explain this graphic and work that
20 into how it reflects your opinion.

21 A This was an attempt to graphically show that the data
22 that we were considering, was showing that the Nevada cannabis
23 market would continue to grow in terms of sales revenue, which
24 is the -- the -- on the left, and so reaching a billion dollars
25 in fiscal 2023, as estimated by the sources that I mentioned a

1 minute ago. But to also show that if there were additional
2 dispensary locations added between fiscal 2019 and 2020, that
3 on a per dispensary license basis, that those revenues per
4 license would go down.

5 You have an overall market that's expanding, but if
6 you have additional outlets to serve that market, the revenue
7 per outlet, it's -- I think the math is -- is pretty simple.
8 The devil is in the details of trying to figure out which
9 dispensary's going to drop how much, and which one isn't.

10 Q So in other words, some dispensaries might actually
11 increase their sales and market share, and others would suffer?

12 A Yes.

13 Q Okay. And why?

14 A Location, branding, management, with location
15 probably being really emphasized. Where the additional
16 conditional licenses are granted has a huge impact on how they
17 will potentially disrupt or cannibalize sales from current
18 dispensary locations.

19 Q Does -- does it matter -- this graphic, if I
20 understand correctly, takes what you project in terms of sales
21 and essentially divides it by 126; is that about right?

22 A Yes.

23 Q All right. So this would be an average, but it may
24 not actually play out that way for any given one of those 126;
25 but some might be actually higher in terms of their market

1 share, and some might be lower.

2 Is that what you're saying?

3 A Yeah, you'd expect -- it would be a coincidence if
4 one was spot-on with what the average is. You'd expect, you
5 know, a share to be much higher and a share to be much lower
6 winners and losers.

7 Q Okay.

8 MR. GENTILE: Shane, can we see the next slide,
9 please? I do believe that that's the second from the last.

10 There you go.

11 THE COURT: And the next in order, D --

12 THE CLERK: 5.

13 THE COURT: D5.

14 BY MR. GENTILE:

15 Q What does this represent, Mr. Seigneur? It's called
16 the Nevada Dispensary Sales by Company, November 2018. I take
17 it you had data and used it for this graphic?

18 A We were provided with a printout that came from the
19 Nevada Tax Department for November dispensary sales that we
20 used to construct this chart, and we added all the sales
21 together by entity to show the total sales in the month of
22 November, which was the only month that we had that information
23 for.

24 And, for example, you can see Essence, which is
25 second from the right. They had, if I recall correctly, three

1 locations, and we combined their revenue from the three
2 locations as reported on that Nevada tax document to show that
3 they had a little over four-and-a-half million dollars of total
4 November sales revenue.

5 The source that you can see about five in from the
6 right had -- combined, I think they had, I can't remember,
7 three dispensary locations. The seven are -- those numbers are
8 not relevant to the rest of the chart, but the combined revenue
9 for source was about \$3.2 million.

10 So it just kind of showed on a relative scale how the
11 sales revenues were doing in the month of November of 2018, by
12 entity, and some entities had multiple licenses, some didn't.

13 Q So, if Essence, for example -- now, this is November
14 of 2018, so --

15 A Right.

16 Q -- that even preceded the award of the conditional
17 licenses in December.

18 If some of these companies that are listed along the
19 horizontal axis, received licenses, additional licenses so that
20 they could open up additional dispensaries, and some did not,
21 how would you expect that to play out?

22 Let's say, for example, Essence obtained, you know,
23 7, 8, 10 licenses additional to what they already had.

24 A Well, you'd expect Essence to be able to increase
25 their market share by some component. And if they're already a

1 dominant player in the market, there's the potential for them
2 to increase that market share more than -- than potentially
3 other licensees, just because of their ability to build a
4 brand, to build awareness.

5 And that -- that comment comes from some good
6 experience. We've seen that in Colorado, where the established
7 brands are really starting to knock it down because people are
8 -- the consumers in cannabis are becoming much more astute,
9 where they're now looking for, you know, a brand that they
10 recognize that maybe has been recommended to them, or they've
11 -- they've had a good experience when they've gone to one shop,
12 so they go to the same -- the same brand.

13 So branding is a really important element in the
14 cannabis industry as it starts to mature, and the markets like
15 Nevada start to kind of build that brand awareness.

16 Q So, essentially, the more opportunities that a
17 cannabis operator has to sell their product to the public, the
18 more outlets that they have, the higher the likelihood is that
19 their market share is going to increase?

20 A Yes.

21 Q Okay. And if it's increasing, somebody is
22 decreasing?

23 A Yes. If -- if they're taking a larger relative share
24 of the market, and if the market's growing by X dollars, and
25 they're taking a larger share of it, it means somebody else is

1 taking a smaller share.

2 Q And if -- if somebody who was already in business
3 sought an additional license and wasn't able to get it, but
4 their competitors were, what would you -- what would your
5 opinion be as to whether they would be able to retain their
6 market share or whether it was going to shrink?

7 MR. SMITH: Objection, incomplete hypothetical.

8 THE COURT: Overruled. You can answer.

9 THE WITNESS: That's going to be highly dependent on
10 the -- the specifics of that situation. Where is the -- if you
11 have a -- a dispensary licensee operating that didn't get an
12 additional license, how much they're going to be impacted is
13 going to be highly dependent upon kind of the specifics of that
14 current license; where it's located, where additional licenses
15 will be located, kind of who their market is.

16 But potentially, they would suffer, because they --
17 they have a smaller market share and less chance to build brand
18 recognition, which is becoming really important in -- in this
19 industry today.

20 BY MR. GENTILE:

21 Q Now, you did a -- you did a supplement.

22 MR. GENTILE: And I do believe we have one more
23 slide, so put it up there, please, Shane.

24 BY MR. GENTILE:

25 Q And your supplement was in May. What did you do in

1 preparation for this supplement? How did -- you know, okay,
2 here it is.

3 THE CLERK: D6.

4 THE COURT: And this would be D6.

5 BY MR. GENTILE:

6 Q What did you do in preparation for this supplement?
7 What information did you gather and analyze?

8 A Well, the discussion was based around what -- what is
9 the impact of COVID-19 going to be on my original report and on
10 the cannabis industry in Nevada.

11 So we attempted to do some research to look at trends
12 that we could identify as of the May date that we were working
13 with, which isn't that long ago, but in COVID -- in COVID times
14 it's -- it's a long time that's transpired from May 25 to -- to
15 August -- whatever it is, August 4.

16 So, it was an attempt to look at kind of what the
17 initial trends were showing us in terms of the impact of COVID
18 on -- at least based on this chart, which is one cut at it,
19 some -- a source. And it goes back to Marijuana Business
20 Daily, the source that I had mentioned before that does the
21 Expo and the Factbook. So we --

22 Q Well, this appears to compare Colorado, California,
23 Nevada, and Washington State.

24 A Correct.

25 Q Perhaps let's start with California. What has the

1 trend been in California since COVID? Has it been upward or
2 downward?

3 A It's -- it's been downward. California is an
4 interesting market. It's so huge compared to any other market.
5 It's just a -- an animal in and of itself. But what this shows
6 is in the -- the orange dots show the sales from January of
7 2020 to January of 2019. So, sales in '20 were 76 percent of
8 '19.

9 But you can see, there's -- what this shows is
10 there's a deceleration of the rate of growth. So, California's
11 continuing to grow, okay, but it's not growing as fast as it
12 was. It was -- it was growing exponentially in January and
13 February. It's still growing quickly. And part of that has to
14 do with what's happening in California in terms of the -- the
15 additional access to recreational cannabis that is just playing
16 out on the California stage.

17 So, California, you know, it shows that it's a large
18 market, it's growing, but it's not growing as fast in March and
19 April as it was in January and February.

20 MR. GENTILE: Okay. Let's move over to Washington,
21 Shane.

22 BY MR. GENTILE:

23 Q This appears to be a little different than
24 California, because it looks that -- as though the April sales
25 have actually increased over March. What does this chart tell

1 us?

2 A That that's precisely right. Washington State, you
3 know, is -- so, March was down as compared to January and
4 February in terms of month over prior year sales, but April, it
5 was back up. And we didn't investigate why that was.

6 Again, it would have a lot to do with, you know,
7 potentially what's happening with licenses and other things
8 that are particular to that particular state jurisdiction.

9 Q Okay. Now, let's look at Colorado, please. What
10 does this tell us? Why are the orange balls below the blue
11 bars?

12 A Well, because the -- the month over same month prior
13 year sales are actually dropping in March and April. The sales
14 growth was actually going negative in terms of March of 2020
15 was 6 percent less than March of 2019, and April 2020 was
16 16 percent less than April of 2020 --

17 Q And now let's go to Nevada, please.

18 A -- 2019. Same thing, showing a drop in March and
19 April. And, you know, there's -- there's --

20 Q This appears to show that February of this year, we
21 actually did better than we did February last year.

22 A Right.

23 Q Then --

24 A It does. It's -- there's a big debate in the
25 valuation community in terms of -- and I think I had said this

1 at the -- the early stages of my testimony -- when was COVID
2 known and knowable, and most people think around Saint
3 Patrick's Day. First, second week of March is when people
4 started to realize we've got a big issue here. But we're still
5 trying to come to grips with how big of an issue is it.

6 You know, it's like, we know it was known and
7 knowable. Because in valuation, when we're valuing something,
8 we need to take it into account, as of the valuation date, if
9 it was known and knowable.

10 If we knew the hurricane blew down the building as of
11 the valuation date, we need to take it into account. But if
12 that hurricane, you know, happened three months after our
13 valuation date, we should take into account the risk that we
14 might have a hurricane, but we don't take into account the
15 impact.

16 So we knew that COVID was known and knowable sometime
17 in early March, but we're still trying to come to grips with
18 what's the impact of COVID. We know when a hurricane strikes,
19 we can evaluate what the impact is, at least, generally. If
20 there's a fire, if we -- if a competitor goes bankrupt, all of
21 those things we can measure.

22 We're in this unknown world right now. Well, you
23 know, and we look at what's happening in Nevada, and we look at
24 a 26 percent drop in April of 2020 versus 2021, it's like -- it
25 shows the beginning of what --

1 Q I think you misstated that. You mean 2020 versus
2 2019?

3 A I'm saying April of 2020 is 26 percent lower than
4 April of 2019.

5 Q Yeah.

6 A And it shows the beginning of what could be a pretty
7 downward trend for some continuing period of time that we're
8 still trying to figure out --

9 Q Have --

10 A -- how long that period will last.

11 Q Have you looked to see if there's any additional data
12 out since you created this?

13 A Yes, we looked at the tax revenues. We were able to
14 get tax revenues for -- for May. We were hoping we could get
15 June, but May, the tax revenues shows a continuing drop that
16 would be consistent with the drop in April.

17 Q So it's still in the neighborhood of 26 percent?

18 A Yes.

19 Q Okay. And if I understand all that correctly, even
20 if somebody's market share doesn't change, the size of the
21 market has?

22 A Right.

23 Q Okay. Do you think that is going to have an impact,
24 in addition to there just being 26 percent less as compared to
25 last year, what impact, if any, does that have on the elicited

1 market, based on your knowledge of the elicited market, as
2 compared to the regulated market?

3 A Well, the elicited market is continuing to thrive and
4 continuing to grow. As the elicited market, it will take a hit
5 as well, you know, when -- when -- when people don't have money
6 to spend on cannabis. But it's going to continue to fill the
7 gaps when -- when people -- I'm not sure if I understand the
8 question.

9 Q Well, there is -- there are now restrictions, of
10 course, on -- on how many people can walk into a dispensary as
11 compared to before COVID. There are no restrictions on the
12 elicited market, are there?

13 A So, it's been fascinating to -- to us to evaluate the
14 impact of COVID on delivery channels of cannabis. And Nevada
15 is incredible in terms of how it's evolved so quickly to -- to
16 curbside delivery and -- and home delivery of cannabis that --
17 that you wouldn't have thought would be anywhere near as
18 acceptable as it is today.

19 And that's -- that's not just unique to Nevada, but
20 Nevada, you know, has -- everybody's focused on the -- the home
21 delivery thing here. You can't -- at least for the first
22 period, you couldn't go into a dispensary and buy your product,
23 you had to go curbside. And now you can do home delivery. But
24 it's not as accessible as it was pre-COVID.

25 So it -- it gives an opportunity to the elicited

1 market, because the illicit market, you know, they're still --
2 their delivery channels are relatively unchanged. But it's
3 been fascinating to see the regulated legal side of cannabis,
4 at least in terms of how it's trying to respond.

5 And we see that in Colorado. My daughter manages a
6 dispensary and they haven't allowed anybody inside for months.
7 Everything is curbside, preorder, and their sales are higher
8 than they've ever been.

9 Q Do you know whether the illicit market price for
10 marijuana is the same, higher or lower than it is in the
11 regulated market?

12 MR. SHEVORSKI: Object, form.

13 THE COURT: Overruled.

14 THE WITNESS: It's originally lower to a great degree
15 because they -- they don't have the same tax burdens, and they
16 don't have the same testing burdens and the compliance burdens,
17 you know, all the way from growing it, to testing it, to
18 selling it. There's a lot of costs that are involved in
19 selling properly tested, regulated marijuana versus good
20 quality product that's grown by people that really know how to
21 grow cannabis that don't have to comply with those rules or pay
22 those taxes. They don't have to pay income taxes on much of
23 it.

24 Q So if people are out of work and they have less
25 money, do they usually buy the lower price product?

1 A Many will, yes.

2 Q Okay.

3 MR. GENTILE: Just a moment.

4 (Pause in the proceedings)

5 MR. GENTILE: Pass the witness, Your Honor. I'll
6 clean this up for --

7 THE COURT: If you could please wipe down the
8 lectern.

9 MR. GENTILE: I will.

10 THE COURT: Do any of the other plaintiffs wish to
11 examine?

12 (Pause in the proceedings)

13 THE COURT: Thank you, Mr. Gentile.

14 CROSS-EXAMINATION

15 BY MS. CHATTAH:

16 Q Good afternoon, sir. My name is Sigal Chattah, and I
17 represent Herbal Choice.

18 A Uh-huh.

19 Q And we are one of the plaintiffs in this case. I've
20 got just a follow -- a couple of follow-up questions for you.

21 A Okay.

22 Q And -- can you hear me?

23 A I think I can.

24 Q Okay. Better?

25 A A little bit better, yes.

JD Reporting, Inc.

1 Q All right.

2 A Thank you.

3 Q Have you had the opportunity to review the statutory
4 provision of 453D.272(5) which has to do with the market share?

5 A No.

6 Q Okay.

7 MS. CHATTAH: Can we -- Shane can we pull that up for
8 him, please?

9 BY MS. CHATTAH:

10 Q Does that refresh your memory on the statute --

11 A I see it --

12 Q -- in Nevada?

13 A -- yes.

14 Q Yeah? Okay.

15 THE COURT: And it's a reg, not a statute.

16 MS. CHATTAH: I'm sorry.

17 BY MS. CHATTAH:

18 Q Do you recall how many licenses were allocated for
19 Washoe County?

20 A I do not.

21 Q Okay.

22 MS. CHATTAH: Shane, can we pull up Joint Exhibit 84?
23 Could we go to page 3, please? All the way down.

24 Sorry, 4. Go to 4. Keep going. This is Washoe.
25 Yes. Okay.

1 BY MS. CHATTAH:

2 Q Now, if I told you that the State allocated 20
3 licenses for Washoe County during the 2018 licensure process,
4 would that sound right to you?

5 A It likely is, but I can't confirm it.

6 Q Okay. Now, based on your reading of 453D.272(5),
7 what would be a 10 percent market share of 20 licenses?

8 MR. PRINCE: Objection, legal opinion.

9 THE COURT: Sustained.

10 MS. CHATTAH: Okay.

11 BY MS. CHATTAH:

12 Q What is 10 percent of 20?

13 A Two.

14 MS. CHATTAH: Okay. Thank you.

15 I have no further questions, Judge.

16 THE COURT: Anybody else?

17 Ms. Chattah, I need you to wash it down. Sigal, I
18 need you to wash it down.

19 MS. CHATTAH: Oh, sorry.

20 THE COURT: It's all right. Any other plaintiffs
21 wish to make inquiry? Does the State wish to inquire?

22 MR. SHEVORSKI: Lone Mountain can go first, Your
23 Honor.

24 THE COURT: All right. Lone Mountain's going to go
25 first. Come on up, Mr. Hone.

1 UNIDENTIFIED SPEAKER: We'll pick those up for you.

2 THE COURT: Thank you.

3 MS. CHATTAH: I think I got everything I touched.

4 MR. HONE: Thank you. It looks very thorough.

5 CROSS-EXAMINATION

6 BY MR. HONE:

7 Q Good morning, Mr. Seigneur. Eric Hone. We met June
8 1st. I took your deposition. I didn't have the mask on that
9 time and --

10 A Yes.

11 Q -- we were on a video call so --

12 A Thank you.

13 Q You'll agree with me that the licenses that are at
14 issue in this litigation were applied for and awarded pre-
15 COVID; correct?

16 A Yes.

17 Q And you're not here today to offer an opinion as to
18 how many licenses the Nevada regulators should have issued?

19 A No.

20 Q And you're not here to offer an opinion as to whether
21 some of those should be drawn back due to the impact of COVID;
22 is that correct?

23 A That's correct.

24 Q And you're not here to offer opinion on how Nevada
25 should regulate the marijuana market in any particular way?

JD Reporting, Inc.

1 A Not directly, no.

2 Q Okay. You testified that you understand that the
3 black market exists; correct?

4 A Yes.

5 Q And we talked about this during your deposition, but
6 I -- I believe you would agree with me that if there are more
7 dispensaries in Nevada, the price generally for marijuana would
8 drop; is that correct?

9 A Potentially.

10 Q Okay. If there's more marijuana stores, it's more
11 readily available in a legal capacity, you would agree with me
12 that the consumers would, if it's cheaper and more readily
13 available, more likely buy from regulated dispensaries than the
14 black market?

15 A Well, adding more dispensaries doesn't necessarily
16 mean the price is going to drop. That -- at least that hasn't
17 proven to be true in other markets where dispensaries have been
18 added. The price would drop if there is too much marijuana
19 being produced, but adding a second McDonald's doesn't drop the
20 price of a Big Mac.

21 Q We talk about this during your deposition. Would you
22 -- would you agree that a drop in price would have an impact in
23 cutting into the black market?

24 A It would, yes.

25 Q Okay. And you have made no effort to assess the size

1 of the black market in Nevada; is that correct?

2 A Not directly related to this case, no. But we --
3 we've -- we've looked at it, but I --

4 Q You're not here to offer an opinion about how the
5 black market in Nevada compares to the legal market?

6 A No.

7 Q Okay. You testified earlier today that the number of
8 dispensaries in Nevada is small compared to other
9 jurisdictions; is that correct?

10 A Yes.

11 Q So, for example, you noted that Colorado has 600
12 dispensaries; is that correct?

13 A Almost 600, yes.

14 Q Okay. And I believe that in your report, you noted
15 that the City and County of Denver has 347 dispensaries; is
16 that correct?

17 A Yes.

18 Q Okay. And in Nevada, prior to the issuance of these
19 licenses in 2018, there were 65 dispensaries; is that your
20 understanding?

21 A Yes.

22 Q I believe you testified earlier that your estimation
23 is that between 2018 and 2022, there would be a doubling of
24 legal marijuana sales in Nevada; is that fair?

25 A Roughly, yes.

1 Q And so in your opinion, there's no saturation of the
2 market presently?

3 A No.

4 Q Now, as part of your work on this matter, you did not
5 talk to any Nevada license holders; is that correct?

6 A No.

7 Q You did not talk to any; is that --

8 A I -- I did not.

9 Q Okay. And you did not talk to any residential
10 consumers of marijuana; is that correct?

11 A Hum, no.

12 Q As part of your effort? No?

13 A No.

14 Q And you didn't talk to any tourist consumers of
15 Nevada Marijuana; is that correct?

16 A Just, generally, you know, we've done site visits to
17 dispensaries here and we've talked to colleagues that have
18 traveled here and purchased cannabis and what they thought of
19 the market.

20 So generally, we've -- we feel like we've -- we're
21 informed on that. We -- we didn't do specific due diligence on
22 tourism cannabis buyers.

23 Q In fact, you didn't do any due diligence with regard
24 to any particular license or dispensary in Nevada, did you?

25 A No.

1 Q You talked earlier that you have appraised
2 businesses, and specifically you've appraised marijuana
3 businesses as part of your profession; is that correct?

4 A Yes.

5 Q With regard to appraisal, I think -- I believe you
6 indicated that the following would be important; location would
7 be important?

8 A Yes.

9 Q Size of the building?

10 A Could be.

11 Q The capital structure of the company?

12 A Likely, yes.

13 Q The ownership of the company?

14 A Ownership, management capabilities, but ownership
15 doesn't necessarily drive value.

16 Q The business model of the company would have an
17 impact on its value?

18 A Yes.

19 Q The marketing and branding?

20 A Yes.

21 Q But in this instance, you didn't, as far as market
22 share of Nevada dispensaries, you didn't look at that for any
23 dispensary, did you?

24 A Not any particular dispensary.

25 Q So you can't -- you didn't look at any of the

1 plaintiffs' dispensaries to do a market share evaluation; is
2 that fair?

3 A We didn't try to value any particular dispensary.

4 Q Whether for value or market share; is that correct?

5 A Correct.

6 Q Okay. So you're not here to testify about how the
7 market share will be impacted for any license holder in Nevada;
8 is that fair?

9 A Any particular license holder versus the market as a
10 whole.

11 Q So you have no specific opinion how a new license
12 will impact the market share of any other license holder?

13 A My opinion is, is that an additional license would
14 likely cannibalize from current market share.

15 Q Whose -- whose -- you -- but you can't say whose
16 license would cannibalize another person's license?

17 A The extent of that cannibalization would be dependent
18 upon the -- the specifics of that license and where it's going
19 to be located in relation to current license holders.

20 Q So one license holder might increase its market value
21 and another might have its market value decreased?

22 THE COURT: Market value or market share?

23 MR. HONE: Market share. Thank you, Your Honor.

24 THE COURT: I'm just checking.

25 THE WITNESS: Well, an additional license being

1 granted, I can't see how that would increase anybody -- an
2 existing license share. It would potentially take away from a
3 current license. Granting an additional license, I -- I can't
4 think how that would be beneficial to a current license holder.

5 BY MR. HONE:

6 Q Would you agree with me that a Clark County
7 dispensary license is not comparable to another Clark County
8 dispensary license based on the unique operations that each
9 license holder may have?

10 A Absolutely.

11 Q Okay. Thank you, Mr. Seigneur.

12 MR. HONE: I have no further questions.

13 THE COURT: Can you wipe down the lectern, please.

14 Next? Is another Intervenor going to come up, or am
15 I going to the State?

16 Mr. Gutierrez.

17 Thank you, Mr. Hone.

18 CROSS-EXAMINATION

19 BY MR. GUTIERREZ:

20 Q Good morning, sir.

21 A Good morning.

22 Q Can you hear me? Can you hear me okay?

23 A I can.

24 Q Okay. My name's Joe Gutierrez. I represent Thrive,
25 once of the license winners in the case.

JD Reporting, Inc.

1 I want to talk to you about your opinions on
2 saturation.

3 You have your report in front of you; correct?

4 A Yes.

5 Q Can you turn to page 4. And in your report, one of
6 your opinions in discussing the Nevada cap on licenses was --

7 A The --

8 Q -- that Nevada learned from the mistakes of Oregon
9 and Colorado and Washington; is that correct?

10 A Well, first, I -- I don't have page numbers on my
11 report, so I want to make sure I'm looking at the right page.

12 THE COURT: What does the top line read on the page
13 you're on, Mr. Gutierrez?

14 MR. GUTIERREZ: It says, Nevada Market Analysis.

15 THE WITNESS: Okay. I have that.

16 BY MR. GUTIERREZ:

17 Q Okay. Great. Now, one of your opinions, you said
18 that the Nevada cap on licenses was a result of Nevada learning
19 from the states of Colorado, Oregon and Washington.

20 Do you recall that?

21 A Yes.

22 Q What mistakes did Nevada learn from those states to
23 implement that cap?

24 A Generally, I think Colorado has, at least the
25 jurisdiction I know best, feels like they -- they're -- they're

1 actually trying to eliminate licenses as they turn over because
2 they feel like they've -- they've issued too many licenses in
3 any particular jurisdiction.

4 So, I think that's a -- a professional observation
5 that I'm making, that starting with less licenses is a -- a
6 better track than starting with too many licenses.

7 Q So what one of the mistakes that Colorado made was
8 issuing too many licenses and Nevada fixed that by issuing a
9 cap; is that your opinion?

10 A Too difficult to regulate when you have 600
11 dispensaries in a -- a state with the population that Colorado
12 has. I think Oregon has the same problem. They issued too
13 many licenses and they're having difficulty regulating too many
14 small licenses.

15 Q Okay. So are there caps on licenses in those two
16 states?

17 A Are there caps on licenses?

18 Q Yes.

19 A Absolutely, yes.

20 Q Okay.

21 A Yeah.

22 Q Yep. What other mistakes did Nevada take from
23 Colorado and Washington and Oregon that it learned, that you
24 discussed in your report?

25 A I don't recall what would be specific mistakes.

1 Q Okay. If you'd go to the next page of your report,
2 you -- you discuss that in May of 2017, Nevada commissioned the
3 Department of Agriculture to produce a study on license
4 allotments.

5 A Do you recall that?

6 A Generally, yes.

7 Q And who -- who prepared that recommendation in May of
8 2017?

9 A Looking at the footnote, it looks like it was
10 prepared by Tessa Rognier.

11 Q You said Tessa Rognier, the Department of
12 Agriculture, and Amanda Connor of the Law Firm of Connor &
13 Connor; correct?

14 A Yes.

15 Q Okay. And they were commissioned by the Department
16 of Agriculture to do this study in May of 2017, that you
17 referenced in your report; is that correct?

18 A That's what I understand, yes.

19 Q Okay. Now, in -- in the conclusion of your report,
20 you state that Nevada marijuana sales are expected to double by
21 2022; is that correct?

22 A In January, that's what we thought, yes, at least
23 that's what the other data experts were projecting.

24 Q Have you looked at any data from the sales of
25 marijuana in Nevada in May of 2022?

1 A 2022; I -- I don't know what sales would be in 2022.
2 I guess, that'd be two years in the future.

3 Q I'm sorry, I couldn't hear you.

4 A You said -- you asked what sales would be in 2022,
5 May of --

6 Q I asked if you looked at any data that showed the
7 sales of marijuana in Nevada in 2022; May of -- May of 2020,
8 I'm sorry.

9 A Oh, 2020.

10 Q Yeah.

11 A Yes.

12 Q Okay. And what -- what has -- what has that shown?

13 A That they've dropped off from the prior May. I don't
14 recall the numbers off-and, but we tried to update the data
15 that was in our supplement, and so we were looking at May --
16 tax revenues for May of 2020 as compares to 2019.

17 MR. GUTIERREZ: And Brandon, if we could show Exhibit
18 -- proposed Exhibit 4194.

19 THE COURT: 4194?

20 MR. GUTIERREZ: Yes.

21 THE COURT: Any objection to 4194?

22 UNIDENTIFIED SPEAKER: No objection.

23 THE COURT: Any objection to 4194? Don't show it
24 until it's admitted, please.

25 UNIDENTIFIED SPEAKER: I don't have (indiscernible).

1 THE COURT: Mr. Shevorski?

2 MR. SHEVORSKI: No, Your Honor.

3 THE COURT: It will be admitted. Thank you.

4 (Exhibit Number(s) 4194 admitted.)

5 BY MR. GUTIERREZ:

6 Q Okay. Exhibit 4194 is a article dated July 7, 2020,
7 from New Cannabis Ventures. Do you see that?

8 A I do.

9 Q Have you ever seen this article before?

10 A No.

11 MR. GUTIERREZ: If you can go to page 7 on this
12 Brandon.

13 BY MR. GUTIERREZ:

14 Q On this page, it discusses that in May of 2020,
15 Nevada had a -- had 58.2 million in sales for marijuana; do you
16 see that?

17 A I'm --

18 UNIDENTIFIED SPEAKER: It's kind of --

19 THE WITNESS: Okay.

20 Q In fact, it said there was a significant uptick in
21 the marijuana sales in Nevada in May of 2020; do you see that?

22 A I do.

23 Q And that's higher than the sales that you had in your
24 -- your graph on -- in January and February of 2020; correct?

25 A It appears to be, yes.

1 Q Did you look at any studies or any -- any other
2 articles that would have shown Nevada sales in June of 2020?

3 A We tried to find reliable information. We -- we
4 looked at the tax revenues from the Tax Department, but we
5 didn't -- we -- we tried to find information from Marijuana
6 Business Daily and from ArcView which we consider reliable
7 sources. There's so much out there that it's just hard to
8 figure out what's -- what's reliable versus what's -- what's
9 not.

10 Q Okay. I want to talk about just jobs in general.
11 Did you do any analysis of how many jobs these 61 new
12 dispensary licenses would create in Nevada?

13 A How many jobs it would create?

14 Q Yes.

15 A What -- what type of licenses? Would they all be
16 dispensary licenses?

17 Q Correct, 61 retail dispensary licenses. How many
18 jobs would that create in Nevada?

19 A Each dispensary would -- depending on the size and
20 scope, maybe 10 to 15 people. So it could be that factor times
21 the, you know, 600 to 1,000 jobs, maybe more.

22 Q Okay. And that's direct jobs; correct?

23 A Those would be people working in the dispensary, yes.

24 Q Additional licenses would also produce indirect jobs,
25 as well, correct?

1 A Sure.

2 Q Okay. And how about, did you look at any taxable
3 revenue that would be generated by these 61 new licenses?

4 A Well, we looked at -- we didn't -- we didn't -- our
5 conclusion was if you add additional licenses, it will expand
6 the market to some degree, but it will also cannibalize from
7 existing licenses to some degree. But we didn't try to
8 quantify how much of each.

9 Q Okay. But you did as part of your -- your study,
10 look back at Nevada's taxable revenue in 2018, '19 and '20;
11 correct?

12 A Yes.

13 Q Okay.

14 MR. GUTIERREZ: And Brandon, if we could pull up
15 Exhibit 4201.

16 And, Your Honor, I'd move to admit 4201, which is --

17 THE COURT: Any objection to 4201?

18 MR. GENTILE: Your Honor, let me have a moment to see
19 this. I was not advised they were going to be using it.

20 THE COURT: I'm not looking at the screen, Mr.
21 Gentile. So I'll let him put it up for you real quick.

22 MR. GENTILE: What was that number?

23 THE COURT: 4201.

24 MR. SHEVORSKI: No objection from the State, Your
25 Honor.

1 (Pause in the proceedings.)

2 THE COURT: Can you tell I'm not looking? I'm
3 looking over at the wall. It's a beautiful wall. It's got a
4 couple exit signs, two doors.

5 MR. GENTILE: Your Honor, could -- just a moment.
6 Your Honor, I don't see a source. Oh, yeah, I don't see the
7 source. That's my concern.

8 THE COURT: Okay.

9 MR. GUTIERREZ: And, Your Honor, this is from the
10 State of Nevada. It's the Summary of Marijuana Taxable
11 Revenue.

12 THE COURT: Mr. Gutierrez, I need some foundation
13 laid for the document.

14 MR. GUTIERREZ: Okay.

15 THE COURT: And you probably can't do it with this
16 witness.

17 MR. GUTIERREZ: Okay. That's fair enough, Your
18 Honor.

19 THE COURT: So can we take it off the screen. Thank
20 you.

21 BY MR. GUTIERREZ:

22 Q So, Mr. Seigneur, you -- do you know what Nevada's
23 taxable revenue was from the sale of marijuana in 2018?

24 A Yeah. That exhibit that I just peeked it was
25 529 million for the fiscal year ended in June of 2018 --

1 Q Okay.

2 A -- which is -- ties to the number that I -- it's the
3 same report that we've -- that I referenced in our report.

4 Q Okay. Now, how much will it cost the State of Nevada
5 if this 2018 retail marijuana application process is thrown out
6 and have to be redone?

7 A I don't know.

8 Q You didn't do any calculations as to what that would
9 cost?

10 A How much it would cost the State to throw out and
11 reissue the licenses?

12 Q To redo an entire application process?

13 A No, I was not asked to quantify that number.

14 Q Okay. Do you know what the licensing -- the total
15 licensing fees that were collected from the 2018 recreational
16 marijuana process were?

17 A No.

18 Q And do you know which portions of the State's
19 licensing fees go to the school district budget and how that's
20 separated out?

21 A No.

22 Q Now, Mr. Seigneur, in 2018 in general, you'd agree
23 that the Nevada cannabis market was -- it was a very busy time
24 for the Department of Taxation; correct?

25 A I don't know why it would be any busier than any

1 other time.

2 Q Well, you looked at the actual -- at the industry and
3 what was happening in 2018 in Nevada; correct?

4 A Yes.

5 Q Okay. And explain for us what was happening in 2018
6 with the Nevada recreational marijuana industry?

7 A Well, it was in the beginning phase of launching
8 recreational cannabis, but -- is your question -- I'm sure it
9 created additional work for the Department of Taxation.

10 Q Was there new regulations being implemented?

11 A Sure.

12 Q Was there ownership transfers being done?

13 A Yes.

14 Q Was there license transfers being done?

15 A Yes.

16 Q Okay.

17 MR. GUTIERREZ: And, Brendan, if we could pull up
18 Exhibit 4205.

19 THE CLERK: Proposed.

20 THE COURT: Is it objected?

21 MR. GUTIERREZ: And I'll move to admit, Your Honor,
22 Exhibit 4205.

23 THE COURT: Any objection to 4205?

24 I'm going to look away so you can put it up for
25 Mr. Gentile to look at.

1 MR. SHEVORSKI: No objection from the State.

2 MR. GENTILE: It's hearsay.

3 THE COURT: What's the source of the document?

4 MR. GUTIERREZ: Your Honor, this is directly from the
5 State of Nevada Department of Tax; it's their revenue marijuana
6 statute.

7 THE COURT: So do you have additional foundation that
8 you can lay for this document?

9 MR. GUTIERREZ: Okay.

10 BY MR. GUTIERREZ:

11 Q Mr. Seigneur, you stated that you reviewed the
12 Department of Taxation revenue stats in the release in your
13 report; correct?

14 THE COURT: So that won't make it not hearsay.
15 The objection is sustained.

16 MR. GUTIERREZ: Okay.

17 BY MR. GUTIERREZ:

18 Q Mr. Seigneur, can you explain for us what -- when you
19 reviewed the Department of Tax sales tax revenue, what the
20 purpose was for your opinions in this report?

21 A We were just doing our general qualitative,
22 quantitative analysis looking at how the market was kicking
23 off, kind of what first-year revenues were, trying to confirm
24 if the projections at ArcView and Marijuana Business Daily
25 seemed reliable. So we were looking at kind of how the market

1 was kind of starting up.

2 Q Okay. And just to summarize your opinion,
3 Mr. Seigneur, was that in valuing Nevada licenses is a
4 speculative exercise; is that correct?

5 A Valuing a license is a speculative exercise, is that
6 what you said?

7 Q Valuing cannabis licenses is a speculative exercise;
8 is that correct, that's your statement?

9 A Did I say speculative? Valuing a license is a
10 challenge. It requires professional judgment. Valuing any
11 business is it requires professional judgment. It's part
12 objective part subjective. I don't know if that makes it
13 speculative.

14 MR. GUTIERREZ: Thank you. I'll pass the witness.

15 THE COURT: Next? Any other intervener wish to
16 examine?

17 Mr. Smith.

18 Can you wipe it down, please, Mr. Gutierrez.

19 CROSS-EXAMINATION

20 BY MR. SMITH:

21 Q Good morning, Mr. Seigneur.

22 A Good morning.

23 Q I just have a couple of follow-up questions, and I'm
24 going to focus on market share, okay.

25 One of your opinions is that the issuance of new

1 licenses may disrupt or dilute the market share of existing
2 license holders; correct?

3 A Yes.

4 Q But you would agree with me no license holder is
5 guaranteed a certain or fixed percent of market share; right?

6 A Correct.

7 Q And the dilutive effect here occurs simply by virtue
8 of the fact the voters and the legislature decided to issue
9 more licenses; correct?

10 A If additional licenses are granted, it will be
11 dilutive on current licenses.

12 Q But is it your understanding the new licenses were
13 approved by the voters and the legislature; correct?

14 A I don't know that. I don't recall that specifically,
15 but it doesn't surprise me if that's how they got approved.

16 Q And if that wouldn't -- if that doesn't surprise you
17 that is in fact the case, the dilution then is caused by the
18 voters and the legislature; correct?

19 A If that's how the additional licenses got approved,
20 yeah. I think the issue is how did the licenses get granted
21 seems to be the question that's being debated.

22 Q But the dilutive effect is going to occur regardless
23 of the process used to issue licenses; correct?

24 A Yes.

25 Q So no matter if the process was lawful or unlawful,

1 the dilutive effect you're talking about is going to occur;
2 correct?

3 A Yes.

4 Q I'm sorry, sir?

5 A Yes.

6 Q And so no matter who is successful or unsuccessful,
7 the unsuccessful applicants would experience the dilutive
8 effect you've described; correct?

9 A I think it would depend on who -- the amount of
10 dilution or cannibalization would be dependent on who is
11 awarded the license and their -- how effective they can be at
12 attracting market share versus another potential license
13 holder.

14 Q It's possible that an unsuccessful applicant might
15 not even experience market share dilution; correct?

16 A It's possible.

17 Q So if, for example, I think you testified that market
18 share gravitates toward operators with high-quality products,
19 product differentiation, and effective marketing; correct?

20 A Among other things, yes.

21 Q So if an unsuccessful applicant has those things,
22 high-quality products, market share -- or market -- excuse me,
23 product differentiation, and effective marketing, they might
24 not experience market share dilution; correct?

25 A It -- it's not a yes or no question. It's a degree

1 of how much they have of each of those things in relation to
2 their competitors in terms of how much market share they're
3 going to command.

4 Q I'm sorry, I believe you testified, and I wrote this
5 down, the devil's in the details to determine which
6 dispensaries will drop in market shares and which one will --
7 market share and which ones will not; correct?

8 A Precisely. That emphasizes what I just said, yes.

9 Q And the unsuccessful applicants didn't provide you
10 any of those details to determine how they might be affected;
11 correct?

12 A No.

13 Q No, they did not provide it to you?

14 A They did not provide that.

15 Q In fact, it's even possible that some successful
16 applicants might experience market share dilution; correct?

17 A A successful applicant for an additional license
18 would be diluted would --

19 Q Yeah, for example, if --

20 A If I -- if I'm -- if I'm gonna be a new dispensary on
21 the block, I don't know how I'm going to dilute myself, you
22 know, if I'm -- if there are four players, and I'm going to be
23 Number 5, you know, I potentially am going to dilute one or
24 more of the four, but I'm not going to dilute myself by -- I'm
25 going to gain some market share by being Number 5 on the block.

1 Q Well, what I mean, sir, is we're dealing with all the
2 applicants here had pre-existing licenses. So we're not really
3 dealing with new dispensaries on the block. What I'm referring
4 to if a successful applicant was awarded one license and
5 another successful applicant was awarded five, six or seven,
6 the one that was awarded one license may experience market
7 share dilution; correct?

8 A Yeah. If I get one license and somebody gets seven,
9 yeah, I'm not gonna have as much chance to take market share
10 away from people, but if I've got the rock-star location, if
11 I'm next to the football stadium, then maybe I will. So again,
12 the devil's in the details.

13 Q My point is merely the dilution phenomenon you've
14 been describing isn't unique to the unsuccessful applicants;
15 correct?

16 A No, it's not.

17 Q And again, you didn't do any calculation to determine
18 the existing market share of any of the unsuccessful
19 applicants; correct?

20 A Correct.

21 Q You don't know what their market share was in
22 November of 2018; correct?

23 A The market share of the unsuccessful applicants?

24 Q As of November 2018, right.

25 A I don't understand the question. You're saying how

1 much market share did somebody that didn't get a license not
2 have?

3 Q Well, they -- again they -- are you aware, sir, that
4 they all had existing licenses when they applied? Are you
5 aware of that, sir?

6 THE COURT: Mr. Smith, pull your mask back up. Thank
7 you.

8 THE WITNESS: So all the applicants already had
9 existing licenses?

10 BY MR. SMITH:

11 Q Well, I'll try it this way. Are you aware that some
12 of the unsuccessful applicants already had dispensary
13 operations? Were you aware of that?

14 A That's different than what you said. Before you said
15 all the applicants already had licenses. What I'm
16 understanding is some of the applicants already had licenses.

17 Q I apologize for the confusion. For those that had
18 dispensaries already, you didn't quantify their market share as
19 of November of 2018; correct?

20 A No, I did not.

21 Q And so you don't know what their market share is
22 today either; correct?

23 A That's correct.

24 Q And you didn't do any quantification of how their
25 market share might be impacted negatively from the new

1 licenses; correct?

2 A It's my opinion generally that additional licenses
3 would take market share away, but I didn't quantify it for any
4 particular license.

5 Q But on a per applicant basis, it's a highly fact
6 intensive inquiry that you'd have to look to to determine
7 whether they actually would lose market share; correct?

8 A Yes.

9 Q And when you were doing -- when you were discussing
10 market share, how did you define the relevant market? Did you
11 define it on a statewide basis?

12 A No. We focused primarily on Clark County just
13 because that's the lion share of the market for cannabis other
14 than Reno. So, you know, obviously there's not a whole lot
15 going on in Elko as discussed in my deposition.

16 Q But you didn't look at it on a
17 neighborhood-by-neighborhood basis; correct?

18 A No.

19 Q And you testified that it's your opinion there has
20 not been saturation in Nevada; is that correct?

21 A I do not believe there has been; that's correct.

22 Q There's relatively few dispensaries in Nevada
23 compared to other jurisdictions; right?

24 A Correct.

25 Q Are you aware that the plaintiffs retained another

1 expert, Mr. Jeremy Aguero? Are you aware of that?

2 A I am.

3 Q But you have not read his report; correct?

4 A I have not.

5 Q Do you disagree that if Mr. Aguero opines that
6 Oregon, for example, has 20.9 licenses per hundred thousand
7 people of 21 years or older, are you aware of that?

8 A No.

9 Q Would you disagree with that?

10 A I don't -- I don't dispute it. I don't know.

11 Q And in comparison, Nevada, for example, if Mr. Aguero
12 opines that Nevada has about three licenses per 100,000 people
13 of 21 years or older, would you disagree that?

14 A I haven't seen his report.

15 Q And so setting aside the dissolution issue for an
16 issue -- for a second, you would agree that the issuance of new
17 licenses would actually increase the overall market potential
18 for cannabis -- legal cannabis in Nevada; correct?

19 A To some degree it would increase the market. To some
20 degree it would cannibalize the existing market.

21 Q Right, but that's sort of an application of Say's
22 law, S-a-y, apostrophe s, Say's law; right, where a supply
23 creates its own demand?

24 A Supply creates its own demand. I don't know if
25 that's --

1 Q Have you ever heard of Say's law, sir?

2 A Not sure that I have.

3 Q Okay. But you agree that the increase in overall
4 market for new licenses also increases taxes collected by the
5 State; right?

6 A For license fees, yes, and to the extent it expands
7 the market, yes.

8 Q So if this litigation interferes with licenses and
9 therefore decreases the potential market, that would reduce
10 potential tax revenues to the State; correct?

11 A If -- yeah, for some reason they decreased the number
12 of licenses that the -- sounds like the voters have approved,
13 it sounds like it's just a matter of who gets those licenses as
14 opposed to -- it's not my understanding that licenses are
15 potentially going to be taken off the table; it's a matter of
16 whether or not they get reassigned.

17 Q But any interference in the meantime would decrease
18 tax revenues; correct?

19 A Sure.

20 MR. SMITH: No further questions, Your Honor.

21 THE COURT: Thank you, Mr. Smith. Can you wipe down
22 the lectern area.

23 Anyone else from the interveners side wish to
24 examine?

25 Mr. Shevorski.

1 MR. SHEVORSKI: Very quickly, Your Honor.

2 THE COURT: I got one.

3 Mr. Williams.

4 CROSS-EXAMINATION

5 BY MR. WILLIAMSON:

6 Q Good morning, Mr. Seigneur. My name is Rich
7 Williamson.

8 A Good morning.

9 Q I just have a very few questions. I just want to
10 clean up and make sure we clarify a couple things I thought I
11 heard you say. I'm in the back, so I apologize if I misheard.

12 One thing I want to get out of the way, you've also
13 previously worked for LivFree; correct?

14 A Yes.

15 Q And that -- did you know that was a plaintiff in this
16 case?

17 A No.

18 Q Okay. And you never did express any valuation
19 conclusion for any license; correct?

20 A That's correct.

21 Q Now, I think you waffled a bit, but do you recall
22 Mr. Gutierrez asking you if valuing a cannabis license is
23 speculative?

24 A I recall that.

25 Q And you would agree that valuing a cannabis license

1 is speculative at this point, wouldn't you?

2 A No more speculative than valuing anything else.

3 Q So that's a yes?

4 A I mean, to some degree it's speculative, yes.

5 Q Okay. And you also agree that lack of access to
6 regulated product helps the black market, doesn't it?

7 A Yes.

8 Q Now, Mr. Gentile was asking you if COVID and I guess
9 numerical restrictions on how many people can go into an
10 additional -- excuse me, go into a dispensary makes it harder
11 to access dispensaries; correct?

12 A For that delivery channel it does, yes.

13 Q Okay. And so if you had more delivery channels, more
14 dispensaries, again, that would make -- that would increase the
15 access to regulated product for Nevada consumers, wouldn't it?

16 A Well, possibly. Maybe, maybe not. If people like to
17 go into the store and talk to somebody and buy their product
18 and work with a bud tender and now I can't do that as freely as
19 I could before, but I can order online, some people might say I
20 prefer that. But there may be a lot of people that say I'm not
21 going to shop till I can go back to the old way of doing it.

22 Q Right. Okay. So the more delivery channels there
23 are, the lower the black market?

24 A If those additional -- so what's happening is
25 additional delivery channels like home delivery and curbside

1 that are backfilling part of the way it was sold before, those
2 haven't totally replaced, the demand is -- the market's not
3 back to where it was --

4 Q Sure.

5 A -- but it's helping to take away sales from the
6 illicit market.

7 Q Good. Okay. Thank you. And you actually -- you
8 think the industry's going to face a downturn due to COVID, but
9 you can't quantify what that will be, can you?

10 A Correct.

11 Q And you agree with me that there is still room for
12 growth in this industry?

13 A Yes.

14 Q And you may have gone over this with Mr. Smith, but
15 new licenses would increase overall market potential of
16 Nevada's cannabis industry; correct?

17 A They will increase the market to some degree, and
18 they will cannibalize the market to some degree.

19 Q And they will increase the taxes collected by the
20 State; correct?

21 A To the extent they increase the market, yes.

22 Q And you agree that they will increase the market?

23 A To some degree, yes.

24 Q Okay. Thank you.

25 THE COURT: Mr. Shevorski.

1 Can you please wipe us down, Mr. -- thank you.

2 MR. SHEVORSKI: I'll try not to touch anything.

3 CROSS-EXAMINATION

4 BY MR. SHEVORSKI:

5 Q You mentioned the cannibalization theory several
6 times. And as I understand it, if a new license goes final and
7 they cannibalize, let's say the revenues of an existing
8 licensee, is that a fair summation of what you're talking
9 about?

10 A A new license that is granted depending upon its
11 location and its other attributes has a lot of potential to
12 cannibalize from an existing, one or more existing license
13 holders depending upon the other license holders, where they're
14 located, where the new licensee is, yes.

15 Q Do you know if any of the licenses issued pursuant to
16 the September 2018 retail competition in Nevada have gone
17 final?

18 A Any of the conditional licenses have gone final?

19 Q Yes.

20 A No, I -- it's my understanding they have not subject
21 to this hearing.

22 Q I want you to -- so you don't know where -- if they
23 have gone final, whether or not the cannibalization theory
24 you've proposed is actually true in practice?

25 A If some of the conditional licenses are up and

1 operating, I guess that would be news to me, and to the extent
2 they are expanding market or cannibalizing from additional
3 locations, you know, if there's somebody operating in a
4 particular location, that could be studied.

5 Q It would have to be studied, but you're not prepared
6 to offer an opinion whether or not the cannibalization
7 hypothesis you've proffered is actually true for the licenses
8 that have gone final pursuant to the September 2018 retail
9 competition?

10 A Well, it's still my opinion that if additional
11 licenses are granted, it will cannibalize to some degree the
12 market that exists for the current license holders.

13 Q But you have no existing facts to base that opinion
14 upon with respect to the new licenses pursuant to the
15 September 2018 competition that you're unaware of?

16 A I don't have particular numbers, but it's -- it's
17 basic economic theory.

18 Q It's economic theory, but you're not sure if it works
19 in practice with respect to the September 2018 licenses that
20 may or may not have gone final based on your knowledge?

21 A In my experience when I've seen additional licenses
22 granted in other markets it, you know, it has some
23 cannibalistic effect on the current license holders. We've
24 seen that happen in multiple jurisdictions that we've valued
25 licenses where additional licenses have been granted. I

1 haven't done the particular study here in Nevada, but I've done
2 it in Colorado. I've done it in Oregon. I've done it New
3 Mexico. And it has a cannibalistic effect in the prior studies
4 that I've done that are similar.

5 Q You don't know if it's done it -- if that theory has
6 applied here?

7 A I have no reason to believe it would not be.

8 Q But you have no facts either way; correct?

9 A I --

10 Q You didn't know that the licenses have gone final
11 pursuant to the September 2018 competition?

12 A I don't know particularly for the Nevada market, but
13 based on prior experience in the industry, I'd be shocked if it
14 wasn't the same here as other jurisdictions.

15 MR. SHEVORSKI: Okay. Thank you for your testimony.

16 THE WITNESS: Thank you.

17 THE COURT: Anyone else wish to examine before I go
18 back to Mr. Gentile.

19 Mr. Gentile.

20 Mr. Shevorski, you forgot to wipe down the lectern
21 for Mr. Gentile.

22 MR. SHEVORSKI: I didn't touch it, but I will.

23 THE COURT: For your friend Mr. Gentile.

24 MR. SHEVORSKI: Well, he is my friend. I need a
25 little --

1 MR. GENTILE: We're getting there.

2 MR. SHEVORSKI: We need a little kindness in this
3 world. You're very welcome.

4 THE COURT: Okay, Mr. Gentile, you're up.

5 REDIRECT EXAMINATION

6 BY MR. GENTILE:

7 Q If some of those December 5th, 2018, conditional
8 licenses have, in fact, become unconditional and gone into
9 operation, that would mean that there are more dispensaries
10 than there were prior to that; right?

11 A Yes.

12 Q And you testified, and we have shown the Court, that
13 the sales not only on a percentage basis have gone down, but in
14 hard numbers have gone down year to year the last couple of
15 months; right?

16 A Yes.

17 Q So that would mean that the additional operators, the
18 additional dispensaries are not growing the market?

19 A There'd be more dispensaries competing for a smaller
20 amount of business as compared --

21 Q Right.

22 A -- to the prior period.

23 MR. GENTILE: Could you pull 4194 up on the screen,
24 please.

25 THE COURT: Is 4190 -- oh, it is admitted. Thank

1 you.

2 MR. GENTILE: Yeah.

3 THE COURT: I was just checking.

4 MR. GENTILE: And I saw something on it that we kind
5 of glossed over.

6 4194 please, somebody. All right. Run it down,
7 please. Keep going. Whoa, whoa, let me see. Keep going,
8 please. Go more. Get to Nevada.

9 THE COURT: Is this the chart you wanted to look at?

10 MR. GENTILE: I am --

11 THE COURT: It is called Nevada Monthly Dispensary
12 Sales, and it appears to have years January 2018 to --

13 MR. GENTILE: Yeah, but that's not the chart that I'm
14 looking for. I'm looking for the narrative that said that May
15 over May went down percentagewise.

16 Keep going.

17 THE COURT: Declining by 24 percent?

18 MR. GENTILE: See it's corrupt on my drive, so I
19 couldn't do it myself.

20 THE COURT: Is this where you want --

21 MR. GENTILE: Wait, wait, wait.

22 THE COURT: -- right above Nevada sales by category?

23 MR. GENTILE: Maybe that's it. You know what, it's
24 in evidence. I'll deal with it later.

25 THE COURT: Thank you.

1 MR. GENTILE: And I'll deal with it in summation.

2 THE COURT: All right. Anything else for this
3 witness?

4 MR. GENTILE: No, not really.

5 Thank you, Mr. Seigneur.

6 THE COURT: Anybody else have a question for this
7 witness?

8 Thank you, sir, have a lovely day.

9 THE WITNESS: Thank you.

10 THE COURT: Travel safely.

11 Mr. Gentile, you've got to wipe down the lectern
12 before I go to my next witness.

13 MR. SHEVORSKI: I'll wipe down for my friend.

14 THE COURT: Thank you, Mr. Shevorski.

15 We will take a brief recess while we get Mr. Pupo up
16 and running.

17 MR. SHEVORSKI: I have an answer for you by the way
18 to on --

19 THE COURT: What is the answer?

20 MR. SHEVORSKI: The answer is there'll be written
21 questions beforehand, written and there is available to watch
22 on Zoom, and then there will be with their written questions
23 during the hearing, those will be read afterwards written
24 comments. But there will not -- there will not be live
25 questioning.

1 THE COURT: So is written testimony going to be
2 submitted?

3 MR. SHEVORSKI: Yeah. There will be written --
4 people can do written testimony of written before -- written
5 public comment before. It will be broadcast on Zoom. If there
6 is written comment during the hearing, it will be read
7 afterwards.

8 THE COURT: Read by the commissioners?

9 MR. SHEVORSKI: Or --

10 THE COURT: The board?

11 MR. SHEVORSKI: Right, by the board.

12 THE COURT: Okay.

13 We'll have a recess for 10 minutes while we find
14 Mr. Pupo.

15

16 (Proceedings recessed at 11:08 a.m. until 11:16 a.m.)

17 (Pause in the proceedings.)

18 THE COURT: Good morning, Mr. Pupo. Ms. Welch wiped
19 down the table.

20 THE WITNESS: Thank you, Your Honor.

21 THE COURT: So if you'd remain standing and raise
22 your right hand.

23

JORGE PUPO

24 [having been called as a witness and being first duly sworn,
25 testified as follows:]

JD Reporting, Inc.

1 THE CLERK: Thank you. Please be seated. Please
2 state and spell your name for the record.

3 THE WITNESS: My name is Jorge, J-o-r-g-e. Pupo,
4 P-u-p-o.

5 THE COURT: Thank you, sir.
6 Ms. Chattah.

7 CROSS-EXAMINATION

8 BY MS. CHATTAH:

9 Q Good morning, Mr. Pupo. My name is Sigal Chattah,
10 and I represent plaintiffs Herbal Choice in this action. Okay.

11 A Good morning.

12 Q Can you hear me okay?

13 A It's a little tough.

14 Q It's a little tough.

15 THE COURT: You're going to have to speak up. I know
16 you can project. I've heard you at social events. So I know
17 that you can speak up.

18 MS. CHATTAH: Yes, Judge.

19 BY MS. CHATTAH:

20 Q All right. Better?

21 A Yes.

22 Q Excellent. All right. So what I'd like to do is I'd
23 like to kind of expand today on some of the questions that
24 Mr. Gentile asked you regarding market share, regarding GTI and
25 Essence. So essentially we're going to do a little bit of a

JD Reporting, Inc.

1 deep dive on those issues. Okay?

2 A Okay.

3 Q All right. So the first thing I would like to know
4 is you are familiar with the regulation 453.272(5), which deals
5 with market share and the 10 percent; right?

6 A Is that the monopoly provision?

7 Q Yes, it is.

8 A Yes. Uh-huh.

9 Q Okay. You're very familiar, or would you like me to
10 have it screened up for you?

11 A Yeah, it would be nice to have it up for reference.

12 Q Okay. Excellent.

13 MS. CHATTAH: Can we get that provision chain,
14 please. And that's Section 5.

15 THE COURT: Down at the bottom, 5. No. There you
16 go. For each owner.

17 MS. CHATTAH: Yep.

18 THE COURT: Wait, no, that's not the right one
19 either.

20 MS. CHATTAH: It is 272, Subsection 5.

21 THE COURT: There you go.

22 MS. CHATTAH: There we go. Excellent.

23 BY MS. CHATTAH:

24 Q Do you want to take a minute just to read through it?

25 A No, it's -- that's fine.

1 Q You got it?

2 A Yes.

3 Q Okay. All right. Can you explain to me what your
4 understanding of monopolistic practices is.

5 A Well, the -- where a person's, group of persons, what
6 does this say -- ownership group, has control of a market in a
7 certain region or area.

8 Q Okay. Give me your understanding of what monopoly
9 means.

10 A It would be, again, it would be where a corporation
11 or a company has control of the market, and of a certain area,
12 region, industry.

13 Q Okay. I don't want to talk over you. So I'm
14 assuming you --

15 A Yeah. Go ahead.

16 Q -- you're done?

17 Okay. Now, yesterday you went through your
18 professional history and your educational history. I didn't --
19 we're sitting a few rows back, and I'm not really sure that I
20 got it. Do you have any educational background in economics or
21 antitrust?

22 A No.

23 Q Okay. So where did you come to the opinion of what
24 monopolistic practices or monopolies are?

25 A Well, this was part of the 453A, the medical. This

1 language came from the medical statutes and regulations. So
2 basically we followed whatever DPBH was doing in the past
3 according to the statute. And I had several discussions with
4 DPBH staff and the Attorney General's office, which it was just
5 conversations. So that's pretty much where we get the
6 interpretation from.

7 Q Okay. So would it be safe to say that your
8 understanding of monopolies and monopolistic practice in this
9 sphere, of the cannabis sphere would -- was gleaned by you kind
10 of on the field?

11 A Yes.

12 Q Yeah. Okay. So prior to that, you had never had to
13 deal with any monopolies or any monopolistic practice in your
14 previous employment?

15 A No.

16 Q Okay. Did you have, other than the medical licensing
17 training, did you have any point person if you personally had a
18 question? Hey, is this a monopoly? This is kind of gray, kind
19 of -- was there anybody in the Department that you could look
20 up to or question for guidance on anything that was -- that
21 would kind of not pass the smell test by you?

22 MS. LEVIN: Caution the witness not to talk about
23 attorney-client privileged information.

24 THE COURT: So we don't want to know what the AG's
25 office told you, but if you had other people in the Department

1 you worked with that helped you with that, she is entitled to
2 know.

3 THE WITNESS: Right. So if I had some questions, at
4 times, you know -- a lot of times we could just collaborate
5 with -- I had a chief deputy executive director who was also an
6 attorney.

7 And I had the deputy executive director who was over
8 the department.

9 I talked to other staff members who had been
10 executing these regulations under the medical --

11 BY MS. CHATTAH:

12 Q I'm sorry. I can't hear. The mask is --

13 A I had also talked to staff that had, you know, had
14 been executing or administering this 453A on the medical side
15 and, you know, like I said, I'd consult the AG's office when
16 need -- when I felt it was appropriate.

17 Q So now the chief deputy that you are referring to is
18 who?

19 A Shelley Hughes.

20 Q Okay. And you mentioned another chief, and that is
21 who that you were referring to?

22 A No. You have the deputy executive -- I mean, the
23 executive director of the Department.

24 Q Okay. And you mentioned administrators. Can you
25 tell us by name who those administrators were that you relied

1 on.

2 A Well, over the course you had different executive
3 directors. You had Deonne Contine, who was also an attorney,
4 Bill Anderson, Melanie Young and then from DPBH, I had Steve
5 Gilbert and Karalin Cronkhite.

6 Q Now, do you recall having conversations with them
7 about any type of monopolies, any type of monopolistic
8 practices that you should avoid?

9 MS. LEVIN: Same --

10 BY MS. CHATTAH:

11 Q With any of these people?

12 MS. LEVIN: Caution to the extent that it may call
13 for attorney-client privileged communications. Instruct the
14 witness not to discuss any of the conversations with the
15 attorneys.

16 THE COURT: Okay. So we're skipping the DAGs, but
17 otherwise you can answer.

18 THE WITNESS: Okay.

19 BY MS. CHATTAH:

20 Q If you want, I could fragment that for you. So
21 Deonne Contine.

22 A Well, let's just say this. Deonne, when the
23 regulations were being written, Deonne was the one that led the
24 regulations along with QuantumMark, pulled over from -- from
25 453A. So there wasn't a whole lot of discussion other than

1 that basically no one can have 10 percent or more of the
2 allocable licenses in the county.

3 Q Okay. Now, what I'm going to move into is some
4 follow-up on Mr. Gentile's questions on GTI and Integral, which
5 I'm going to refer to as Essence. Okay?

6 A Okay.

7 Q Do you recall meeting any members of GTI?

8 A I've never met them in person. I had one phone call
9 with them.

10 Q You never met any of them in person?

11 A No.

12 Q Okay. You ever meet with Anthony Georgiadis?

13 A No, I don't believe so.

14 Q Benjamin Kovler?

15 A Don't believe so.

16 Q Wendy Berger?

17 A Don't believe so.

18 Q Glenn Senk?

19 A No.

20 Q Jennifer Dooley?

21 A I don't know.

22 Q So it's your testimony that you never met with
23 anybody from GTI, at all?

24 A GTI, the -- you're talking the corporate?

25 Q Yes.

1 A Yeah, no.

2 Q Okay. Now, I believe you testified yesterday that
3 you knew that GTI had interests in licenses in Nevada prior to
4 2018?

5 A Yeah. I believe they had a dispensary.

6 Q Okay. Now, how did you come to know that they had
7 interests in licenses in Nevada?

8 A Just through the course of daily compliance activity.

9 Q Okay. And you -- I'm trying to remember if you
10 testified as to this at the preliminary hearing or in your
11 depo, but you knew that they operated Rise in Sparks in Washoe
12 County; right?

13 A Right. I believe so, yeah.

14 Q Okay. Now, do you recall having any discussions with
15 Steve Gilbert as to the sale of Essence to GTI?

16 A Yes.

17 Q Okay. Can you tell us what those discussions were?

18 A The various discussions on different topics. You
19 have one specifically?

20 Q Various discussions on what?

21 A On different topics.

22 Q Okay. Like what?

23 A One of them was some wording in the -- I don't
24 remember what they call the document, if it was an asset
25 purchase agreement or a contract or whatever. And the other

1 one was a possible issue with a monopoly provision.

2 Q And possible issue with monopoly?

3 A Yes.

4 Q Okay. Why don't you elaborate on -- what was your
5 discussion with Steve Gilbert as to the monopoly?

6 A To my recollection, it was that if the merger or
7 purchase were to take place today or whatever, that they'd be
8 over one dispensary, in I believe Washoe County.

9 Q Okay. And what was Mr. Gilbert's response to that?

10 A That basically that they would have to divest
11 themselves from that interest in order -- in order to allow the
12 transfer.

13 Q So going back to the statute --

14 MS. CHATTAH: Shane, can we pull it up again.

15 THE COURT: The reg?

16 MS. CHATTAH: The, sorry, reg.

17 THE COURT: It's all right.

18 MS. CHATTAH: At least I'm not calling it a mandate.

19 THE COURT: Or a directive.

20 BY MS. CHATTAH:

21 Q Now, how many licenses did Essence have -- be awarded
22 in Washoe?

23 A I don't remember.

24 Q Okay. But you definitely remember GTI having one in
25 Sparks, which is also Washoe; correct?

1 A Yes.

2 Q Okay. We'll get to that. Now, when you told
3 Mr. Gilbert that GTI would have to divest their license in
4 Sparks, were any of those communications ever provided to
5 Amanda Connor as to perhaps a course of conduct that her client
6 should be taking?

7 A I don't remember.

8 Q You don't remember having any discussions with
9 Ms. Connor on that?

10 A No, I don't. I don't remember discussing that with
11 her. I was -- for the transfer of ownership, my -- I had
12 discussions with Armand and mainly I had the one call with GTI.
13 My discussion really was with Steve on the monopoly issue. But
14 I don't recall a specific conversation with Amanda on that.

15 Q Okay. Now, let's talk about your phone call with
16 GTI. Do you remember what that phone call was about?

17 A Yes.

18 Q Okay. Why don't you tell us.

19 A You know, I don't -- I don't know if any of that is
20 confidential under the statute.

21 Q With GTI?

22 A Well, it was -- it was part of a transfer of
23 ownership and the contents of the contract.

24 THE COURT: So it's probably not confidential.

25 THE WITNESS: It's probably not?

1 THE COURT: Probably not.

2 BY MS. CHATTAH:

3 Q Go ahead.

4 A Okay. So I had some questions regarding an
5 individual that was being transferred the dispensary license.
6 It was being sold to him, and so I had questions about that. I
7 had questions about another entity that was included in the --
8 in their contract that was supposed to get some sort of
9 interest. In the end, the ending entity that I had some
10 questions as to why they were -- they were involved in that.

11 Q Let me stop you for a second because I have a few
12 follow-ups on that short little sentence you gave us.

13 You said an individual. Who is that individual?

14 A I don't remember the individual's name.

15 MR. BICE: I'm going to object, Your Honor. This --
16 subject matter this transaction was in 2019. It's not relevant
17 to this case. So I understand why our competitors want to
18 constantly use the litigation process --

19 I better come up to the mic, Your Honor.

20 THE COURT: Yes, you should.

21 MR. BICE: I understand why our competitors want to
22 try and use the litigation process --

23 THE COURT: Use the one by Ms. Welch.

24 MR. BICE: -- to interfere with our -- interfere with
25 our business, but --

JD Reporting, Inc.

1 THE COURT: Stand near Ms. Welch with the mic.

2 MR. BICE: Oh.

3 THE COURT: Thank you.

4 MR. BICE: To try and interfere with our business,
5 but it doesn't have anything to do with the claims that are
6 asserted in this case.

7 THE COURT: So it's a relevance objection?

8 MR. BICE: It is a relevance objection as well as I
9 just -- the Court ruled -- he had concerns about
10 confidentiality and if they get into the specifics, we will
11 assert our rights to confidentiality.

12 THE COURT: Well, but conversations with him are
13 unlikely to be confidential.

14 MR. BICE: I disagree with Her Honor on that.

15 THE COURT: Okay.

16 MR. BICE: When he is dealing with a -- with a
17 licensee on a subject matter, it could very well be
18 confidential under the statute, just like disciplinary matters,
19 Your Honor.

20 THE COURT: Well, I certainly think disciplinary
21 matters are.

22 But, Mr. Gentile, I've got to have you stay with a
23 mic.

24 MR. BICE: Thank you.

25 THE COURT: Where is a mic?

JD Reporting, Inc.

1 MR. GENTILE: May I speak to that?

2 THE COURT: You may, but I'm looking for a mic for
3 you to speak at.

4 MS. CHATTAH: Just --

5 THE COURT: There's a mic on the front table; right?

6 MR. GENTILE: No.

7 THE COURT: That's because you moved it. Oh, Jill
8 moved it so that you wouldn't get up.

9 MS. CHATTAH: Oh, Akke has a mic.

10 THE COURT: Yes, Mr. Gentile, could you speak into
11 the mic on your table.

12 MR. GENTILE: The word is bias. And it clearly shows
13 that.

14 THE COURT: Okay.

15 MS. CHATTAH: What? I missed that.

16 THE COURT: All right. So the objection is
17 sustained. The transaction after the approval of these
18 licenses is irrelevant to the issues that I am trying. It may
19 be relevant for other purposes, but it's not relevant to this
20 purpose.

21 MS. CHATTAH: I understand.

22 THE COURT: Okay. But to the extent he had
23 communications with people, you can talk about that from the
24 upper level about how many and who and when.

25 MS. CHATTAH: Okay.

1 MR. GENTILE: So if I understand the Court's ruling,
2 the Court is going to strike it as to relevance, but permit the
3 questioning that doesn't include the details to establish bias?

4 THE COURT: Correct.

5 MR. GENTILE: Okay. Thank you.

6 THE COURT: Well, I'm not really considering it bias.
7 I'm considering it contacts. Bias has potential negative
8 inferences. I'm going to contacts, how many contacts, what
9 were the nature of the contacts. So I will eventually evaluate
10 whether it is or is not bias, but not to the details of any
11 transaction.

12 Yes, Mr. Bice.

13 MR. BICE: Your Honor, yeah, Your Honor, just one
14 final on that. Bias as to -- or contacts as to the year 2019?

15 THE COURT: There is a continuing course of conduct
16 of contacts that continue to occur up until my preliminary
17 injunction hearing and maybe after.

18 MR. BICE: Well, that's going to be true -- it's a
19 regulated industry. Of course, there's going to be contacts.

20 THE COURT: Absolutely. It's a different kind of
21 contact though, Mr. Bice, I hope. So let's talk about it.
22 Keep going.

23 MS. CHATTAH: May I proceed, Judge?

24 THE COURT: You may.

25 MS. CHATTAH: Thank you.

1 BY MS. CHATTAH:

2 Q At what point did you have conversations with
3 Mr. Gilbert regarding GTI purchasing Essence?

4 A Probably when I was sent the -- the ownership
5 transfer documents and the contract for review.

6 Q I believe yesterday you testified -- correct me if
7 I'm wrong, again, because sometimes we can't hear details over
8 there. I believe yesterday you testified that you first learn
9 of any type of GTI acquisition of Essence in July of 2018. Is
10 that accurate?

11 MR. BICE: Objection. Foundation.

12 THE COURT: Overruled.

13 THE WITNESS: No, I don't -- I don't recall saying
14 that.

15 BY MS. CHATTAH:

16 Q Okay. So do you recall when you first saw the
17 transfer request?

18 A Not exactly. I would say late summer, early fall of
19 2018.

20 Q I'm sorry?

21 A Of 2018.

22 Q Okay. Late summer, early fall. So about July,
23 August?

24 A No, I wouldn't say July, but it would probably be
25 late August, September, October.

1 Q Okay. So late August, September, October.

2 A That's a total guess, but...

3 Q Now, did you ever see the Reno Gazette Journal
4 article about GTI purchasing Essence?

5 A I don't recall.

6 Q In December 2018?

7 A I don't recall seeing it.

8 Q Now, did you have any conversations with Amanda
9 Connor regarding the GTI acquisition of Essence in July
10 of 2018?

11 A I don't know if I had conversations with her in July.
12 There were -- I know that I had some conversations. She was
13 intermediary, if you will, if I had -- or she represented them
14 if I had questions, but I don't know the time frames that -- I
15 worked on that for many months.

16 Q You worked on what for many months?

17 A That ownership transfer. It took several months.

18 Q Okay. Now, yesterday you were asked about the dinner
19 at Hank's with Amanda, you and Mr. Yemenidjian. Remember?

20 A Yemenidjian, yes.

21 Q Wasn't the transfer of GTI and Essence brought up at
22 that Hank's dinner?

23 MR. BICE: Objection to form.

24 THE COURT: Overruled.

25 You can answer.

1 THE WITNESS: You know, it's my recollection that I
2 believe that was brought up or at least I believe I was told
3 that there was going to -- he was selling, but, you know, I had
4 so many, so many meetings they're starting just to blend in
5 together.

6 BY MS. CHATTAH:

7 Q Yeah.

8 A You know, so.

9 Q It happens.

10 MR. PRINCE: Move to strike.

11 THE COURT: Denied.

12 Keep going.

13 MR. PRINCE: Well, her commentary about "It happens."

14 THE COURT: I had understood, Mr. Prince. I denied
15 your request.

16 Continue.

17 THE WITNESS: Right. So it --

18 THE COURT: Were you finished with your answer?

19 THE WITNESS: It's difficult to pinpoint, you know,
20 exact topics at any particular meeting.

21 BY MS. CHATTAH:

22 Q So, but that dinner at Hank's was in July of 2018?

23 A Yes.

24 Q And it was obviously discussed that Essence was being
25 sold?

1 A I believe so. I believe I was told that Essence was
2 going to be sold.

3 Q You just don't recall whether the logistics of that
4 conversation included a sale to GTI as opposed to a straight
5 sale?

6 A Right. I don't remember the details.

7 Q And at that point, obviously, Essence had not been
8 granted their licenses yet; correct?

9 A Correct.

10 Q Okay. Now, ultimately Essence was granted two
11 licenses in Washoe; correct? Do you recall off the top of your
12 head?

13 A No, I don't.

14 Q You don't recall off the top of your head?

15 A No.

16 MS. CHATTAH: Okay. Shane, can I get 0084,
17 pages 6 and 7, please.

18 Oh, I can't see. It's too small. Can we -- can we
19 go to 7. Sorry.

20 BY MS. CHATTAH:

21 Q Okay. Do you see Rank Number 1?

22 A Yes.

23 Q Okay. What does that say?

24 A Essence Tropicana, LLC.

25 Q Okay. And they received a conditional license;

1 correct?

2 A In Washoe County, yes.

3 Q And that says Washoe County, Reno?

4 A Yes.

5 Q Right. Okay.

6 MS. CHATTAH: Could we go to 8, Shane -- or I'm
7 sorry, just move it up to Sparks.

8 BY MS. CHATTAH:

9 Q Okay. Do you see Rank Number 1?

10 A Yes.

11 Q What does that say?

12 A Essence Henderson, LLC. Conditional license in
13 Washoe County, Sparks.

14 Q So Essence had two licenses in Washoe County;
15 correct?

16 A Yes.

17 Q Okay. Now, would it surprise you to know that Ky
18 Plaskon sent out a series of texts regarding the purchase, the
19 GTI's purchase of Essence?

20 MS. LEVIN: Objection --

21 BY MS. CHATTAH:

22 Q Did you know that?

23 MS. LEVIN: -- assumes facts not in evidence.

24 THE COURT: Overruled.

25 THE WITNESS: Nothing surprises me these days.

1 BY MS. CHATTAH:

2 Q Nothing surprises you. Okay.

3 You ever have a conversation with Ky about -- or
4 Mr. Plaskon about GTI's purchase of Essence?

5 A No, not that I recall.

6 Q And other than those conversations, which you
7 initially told me of with Mr. Gilbert, once the GTI purchase of
8 Essence was announced, did you have any further conversations
9 with Mr. Gilbert about that acquisition?

10 A No. I mean, we just followed the normal transfer of
11 ownership process.

12 Q Did you ever voice any concerns about the market
13 share GTI would have to Steve Gilbert if they are allowed to
14 acquire Essence?

15 A No. There was no discussion on market share. Our
16 concern is basically what I stated earlier. No more than
17 10 percent in the county of allocable licenses.

18 Q Now, did Mr. Plaskon ever talk to you about anything
19 about market share or the 10 percent rule or the possibilities
20 of exceeding it?

21 A No. I rarely spoke to Mr. Plaskon.

22 Q And Steve Gilbert didn't voice any concerns about
23 that?

24 A Not to me, no.

25 Q Okay. So who would Steve Gilbert address those

1 concerns about market share and exceeding the 10 percent rule
2 if not to you?

3 A No. He would --

4 MS. LEVIN: Objection, Your Honor. I would just
5 caution the witness again not to discuss any confidential
6 attorney-client privileged communications that Mr. Steve
7 Gilbert may have had with somebody.

8 I also caution the witness not to disclose any
9 confidential conversation as to the deliberative process of the
10 Department with respect to this legal issue.

11 THE COURT: Overruled.

12 We don't want to know about any communications with
13 the AG, but we do want to know what Mr. Gilbert and you talked
14 about.

15 THE WITNESS: Right. So with Mr. Gilbert, there was
16 never any discussion regarding market share or whatnot. If
17 during the transfer of ownership process he saw an issue that
18 the monopoly provision may be violated, then yes, he would tell
19 me about it.

20 BY MS. CHATTAH:

21 Q But he never told you about it?

22 A About which one?

23 Q About the violation, about or the potential violation
24 of the 10 percent rule?

25 A Regarding Rise?

1 Q GTI's acquisition of Essence.

2 A Yes. I told you earlier he brought that up to me
3 that they'd have to divest or their ownership of that -- of a
4 dispensary in order to not violate the monopoly rule.

5 Q And other than the discussion that you instructed,
6 while they would have to divest, was any other measures taken?

7 MS. WELCH: Objection. Misstates his testimony.

8 THE COURT: Overruled.

9 You can answer.

10 THE WITNESS: No.

11 BY MS. CHATTAH:

12 Q So just so I --

13 A Oh, excuse me. Other than contact the licensee and
14 tell them that they have to divest.

15 Q Well, I'm missing that. That's what it -- that's
16 what I needed to hear.

17 A Right. Okay.

18 Q So did you contact the licensee and tell them, look,
19 you guys have a license in Sparks. You want two more in
20 Washoe. You got to divest?

21 MS. LEVIN: Objection.

22 BY MS. CHATTAH:

23 Q Anything along those lines?

24 MS. LEVIN: Objection. Calls for confidential
25 information.

1 THE COURT: Overruled.

2 She's asking if you had those communications with the
3 licensee about divestiture.

4 THE WITNESS: I believe -- I want to say that that
5 conversation was with Amanda.

6 BY MS. CHATTAH:

7 Q That conversation was with Amanda?

8 A Yes.

9 Q Okay. So walk me through how that conversation went
10 to the best of your recollection.

11 A Well, I don't remember specifics, but basically, hey,
12 this transfer of ownership, there's a problem where they're
13 going to be over the monopoly rule. They have to get rid of a
14 dispensary if they want this to go through.

15 Q Okay. What did Amanda say?

16 A She'd advise her clients.

17 Q What other measures were taken after your
18 conversation with Amanda, and Amanda purportedly advising her
19 clients? Anything else happen after that?

20 MS. LEVIN: Objection. Vague. May call for
21 confidential information.

22 THE COURT: Sir, we don't want to know about any
23 communications you had with the Attorney General's office.

24 THE WITNESS: So then it would just follow the normal
25 transfer of ownership procedures. If they did a transfer out

1 of that dispensary and the purchase agreement, you know, once
2 it's finalized it doesn't violate the monopoly, then the
3 transfer would be approved.

4 BY MS. CHATTAH:

5 Q So assuming that GTI would have divested itself from
6 Sparks --

7 Correct?

8 A Yes.

9 Q -- then the acquisition of Essence would not have
10 violated the 10 percent rule?

11 A Correct.

12 Q Did GTI ever divest itself from Sparks?

13 A I believe they did.

14 Q Do you recall when they divested themselves from
15 Sparks?

16 A No.

17 Q Do you recall if they divested themselves from Sparks
18 after the acquisition?

19 A No. I think it was part of the acquisition itself.

20 Q How many licenses were allocated for Washoe County?

21 A I don't remember. It was like 8 or 10.

22 Q For Washoe County?

23 A I believe so. Or maybe it was 4. I don't remember.

24 Q Okay. Okay.

25 MS. CHATTAH: Can we pull up, Shane, 1868, page 3,

1 please.

2 BY MS. CHATTAH:

3 Q Okay. Let's look at the bottom.

4 THE CLERK: That's proposed.

5 TECH SHANE: That's proposed.

6 THE CLERK: It's proposed.

7 THE COURT: That's a proposed one. Don't we have one
8 that's admitted?

9 MS. CHATTAH: I don't know.

10 (Pause in the proceedings.)

11 MS. CHATTAH: No.

12 THE COURT: Any objection to 1868?

13 MS. LEVIN: Just some foundation, Your Honor.

14 MR. BICE: I have to look at it.

15 THE COURT: So I'm going to look away while you guys
16 look at it.

17 (Pause in the proceedings.)

18 MR. BICE: I guess my objection on this one, Your
19 Honor, is just foundation as to timing, when it was created and
20 who created it. I don't know what it -- I don't know what the
21 date of the document is. It doesn't have a date on it.

22 THE COURT: Can you lay some foundation.

23 MS. CHATTAH: Judge, I'm not going to admit this
24 exhibit.

25 THE COURT: Okay. Then the witness can look at it if

1 you'd like him to look at it, and I'll look away.

2 MS. CHATTAH: I would like for the witness just to
3 look at the bottom of page 3.

4 THE COURT: That's fine. I'm not looking at it.

5 MR. PRINCE: Well, what -- well, hang on. I guess I
6 have an objection. Why is -- if it's not admitted, how can you
7 look at it?

8 THE COURT: The witness can look at anything. He
9 could even look at a cocktail napkin written in lipstick to
10 refresh his memory.

11 MR. PRINCE: Well, she's not refreshing recollection.
12 So.

13 MS. CHATTAH: I actually am refreshing recollection.

14 THE COURT: So can we ask the question.

15 MR. PRINCE: Ask the question.

16 THE COURT: Thank you, Mr. Prince.

17 MR. PRINCE: You're welcome.

18 THE COURT: Ms. Chattah, can you ask the question,
19 please.

20 MS. CHATTAH: Yes, Judge.

21 THE COURT: Thank you.

22 BY MS. CHATTAH:

23 Q Do you see where it says 20 total in Washoe County?

24 THE COURT: So in order to refresh his
25 recollection --

1 MS. CHATTAH: Oh, I'm sorry.

2 THE COURT: -- you need to say you said you didn't
3 know how many licenses there were. Now, I'm showing you
4 something. Does this refresh your memory?

5 MS. CHATTAH: All right.

6 BY MS. CHATTAH:

7 Q Does this refresh your recollection on how many
8 licenses were awarded in Washoe County?

9 A No.

10 Q It doesn't?

11 A No. Because -- I think 20 is total allocable.
12 That's not -- I don't believe -- I don't recall Washoe County
13 having 20 licenses issued in this round of retail applications.

14 Q Okay. All right.

15 THE COURT: So is this a good place to break for
16 lunch?

17 MS. CHATTAH: Yes, Judge. Thank you.

18 THE COURT: Great. All right.

19 So I'll see you guys at 1:00.

20 Those of you who are meeting with Judge Togliatti I
21 know Ramsey is assisting with the shuttling you to and from.

22 (Proceedings recessed at 11:56 a.m. until 12:58 p.m.)

23 THE COURT: Mr. Pupo, I'd like to remind you you're
24 still under oath.

25 THE WITNESS: Yes, Your Honor.

1 THE COURT: You may proceed.

2 MS. CHATTAH: Are we ready?

3 THE COURT: You're good.

4 MS. CHATTAH: Okay.

5 BY MS. CHATTAH:

6 Q Mr. Pupo, before we broke for lunch I asked you some
7 questions about GTI's divestment in Sparks; do you remember?

8 A About GTI and what?

9 Q Divestment.

10 A Yes.

11 Q Hold on. Let me fix my mask. All right. Now you
12 should be able to understand better.

13 So you had testified that you recall the divestment;
14 correct?

15 A I believe -- I believe I did see that they had sold
16 off or they were selling off --

17 Q The --

18 A -- the dispensary.

19 Q You saw the what? I'm sorry.

20 A Yes, that there was something regarding the sale of
21 the dispensary in Washoe County.

22 Q Okay. Tell me a little bit about what you remember
23 about this sale of the dispensary.

24 A Nothing other than it was -- I believe I saw it in
25 the agreement --

1 Q I'm sorry, in the what?

2 A I believe I saw it in the agreement of the
3 acquisition.

4 Q You saw the sale of the Sparks dispensary in the
5 agreement between GTI's acquisition of Essence?

6 A I believe so.

7 Q Okay. So you were not at all involved in the GTI
8 sale of their Sparks license?

9 A No.

10 Q No?

11 A No.

12 Q Okay. So you don't know who the players were that
13 acquired that location?

14 A No.

15 Q Okay. Did Amanda Connor handle that deal?

16 A She was one. I think there was a total of 17
17 attorneys involved in that transaction.

18 Q In the GTI divestment of their Sparks location there
19 were 17 attorneys?

20 A No, in the acquisition. In the acquisition.

21 Q In the acquisition of -- GTI's acquisition of
22 Essence?

23 A Yes.

24 Q That's not what I'm asking you about.

25 A Okay.

1 Q What I'm asking you about is GTI's divestment in
2 their Sparks location?

3 A I don't know. I don't remember.

4 Q You have no information on that?

5 A No, I don't remember that.

6 Q Okay. Do you know who would have supervised that
7 transaction?

8 A Steve Gilbert.

9 Q Okay. And do you know if any documentation was
10 provided in this case as to the sale of -- GTI's sale of their
11 Sparks location?

12 UNIDENTIFIED SPEAKER: Objection. Lacks foundation.

13 THE COURT: Overruled.

14 THE WITNESS: Yeah, I don't know what was -- what's
15 been provided for this case.

16 BY MS. CHATTAH:

17 Q But you don't have any information on that --

18 A No.

19 Q -- as you sit here today?

20 A Right.

21 Q Okay. You don't know who purchased the Sparks
22 location?

23 A No, I don't remember.

24 Q Okay. And do you recall seeing any -- and you don't
25 recall, strike that. You don't recall seeing any documentation

1 as to GTI selling that Sparks location?

2 A I don't recall seeing it.

3 Q So and the only time that you learned about GTI's
4 divestment of their Sparks location was when you were working
5 on the GTI acquisition of Essence; correct?

6 A Yes.

7 Q That was the first time you knew about GTI divesting
8 from Sparks?

9 A Yes.

10 Q Okay. Now, before we broke for lunch I asked you if
11 you recall that Washoe County had 20 licenses allocated, and
12 you corrected me and you said it was actually nine licenses
13 that were allocated -- allocable?

14 A Yeah, I don't remember if it was 8, 6, 4.

15 Q So what would be 10 percent of 9 plus or minus? I
16 don't need mathematical certainty.

17 A 10 percent of 9, I can't even think right now
18 mathwise.

19 Q That would really be one license; right?

20 A Right, I mean --

21 Q Okay. For purposes of what I'm asking you.

22 A -- I can't get it down to the decimals, but, yeah,
23 one license.

24 Q Okay. So would it be safe to say that if Essence was
25 provided two licenses in Washoe County that that violated that

1 10 percent rule?

2 UNIDENTIFIED SPEAKER: Objection. Calls for legal
3 conclusion.

4 THE COURT: Sustained.

5 MR. BICE: Objection. Misstates the statute.

6 MS. CHATTAH: I'll withdraw the question, Judge.

7 THE COURT: Thank you.

8 MS. CHATTAH: I have no further questions. Pass the
9 witness.

10 THE COURT: Can you wipe down the stand?

11 MS. CHATTAH: Yes. Yes. Yes. Yes. Yes.

12 THE COURT: Ms. Sugden.

13 MS. SUGDEN: Your Honor, may I approach for a tissue?

14 THE COURT: You may.

15 MS. SUGDEN: I'll take two. I appreciate it.

16 Thank you.

17 Sorry, she ran off with my pen.

18 CROSS-EXAMINATION

19 BY MS. SUGDEN:

20 Q Good afternoon, Mr. Pupo. My name is Amy Sugden and
21 I represent THC Nevada.

22 Are you familiar with THC?

23 A Yes.

24 Q Okay. Do you know who the point of contact is for
25 THC Nevada?

JD Reporting, Inc.

1 A I believe it's Nick Puliz.

2 Q That is correct.

3 Do you know what type of licenses THC Nevada
4 possesses?

5 A Cultivation.

6 Q Okay. Are you aware whether or not they have a
7 production license?

8 A I don't remember.

9 Q Are you aware of whether or not they have any
10 dispensary licenses?

11 A I don't believe they have a dispensary license.

12 Q Okay. Do you deal with Mr. Puliz, Nick Puliz you
13 just identified often, did you, during your employment at the
14 D.O.T.?

15 A Not often. For a short period of time that's about
16 it.

17 Q Do you recall in what capacity you dealt with him?

18 A Yes.

19 Q Can you explain.

20 A Compliance issues.

21 Q Okay. Do you know if Mr. Puliz had your cell phone
22 number?

23 A I believe he did.

24 Q Okay. Did you have his?

25 A I don't remember. I don't think so.

1 Q Okay. Now, was your cell phone number readily
2 available to anyone who wanted it within the marijuana
3 industry?

4 A Yes.

5 Q Okay. Did the State publish it?

6 A No.

7 Q Okay. So how would people get your cell phone number
8 if they wanted to contact you?

9 A They'd ask for it.

10 Q And you would give it to anyone who asked?

11 A Pretty much, yes.

12 Q Okay. Do you recall texting with Mr. Puliz or anyone
13 else on behalf of THC Nevada?

14 A Possibly, yeah, I believe we may have texted.

15 Q Okay.

16 MS. SUGDEN: I'd like to show, Your Honor, but not
17 introduce Exhibit 1538 on plaintiffs.

18 THE COURT: Is that a proposed exhibit?

19 MS. SUGDEN: It is a proposed exhibit.

20 THE COURT: Okay.

21 MS. SUGDEN: I just want to see if he can refresh his
22 recollection about the texts.

23 THE COURT: All right. I'm going to look away while
24 you display it on the screen.

25 MS. SUGDEN: It's 1538 from plaintiffs.

1 I'll submit this is a four-page document, and if you
2 could just look through those pages and then I'll ask you.

3 THE WITNESS: Okay.

4 BY MS. SUGDEN:

5 Q Okay. Does this refresh your recollection of whether
6 or not you texted with Mr. Puliz?

7 A Yes.

8 Q Okay. And can you tell me approximately if you
9 recall when the time frame was you texted with him?

10 A December 5th this says.

11 Q Of 2018?

12 A Yes.

13 Q And was that an important date for any reason?

14 A It was the day the awards were announced.

15 Q Okay. Do you recall the substance of those
16 communications you had with Mr. Puliz now that you've had a
17 moment to review that exhibit?

18 A Yes.

19 Q Okay.

20 THE COURT: Can we take it off the screen?

21 MS. SUGDEN: Yes, and actually I'd like to admit it
22 if -- unless there's an objection to it.

23 THE COURT: Any objection to 1538?

24 UNIDENTIFIED SPEAKER: No objection.

25 UNIDENTIFIED SPEAKER: No.

1 THE COURT: It'll be admitted.

2 (Exhibit Number(s) 1538 admitted.)

3 MS. SUGDEN: Thank you.

4 THE COURT: Okay. You can leave it up, Shane.

5 BY MS. SUGDEN:

6 Q Do you recall, Mr. Pupo, if you had any other text
7 messages with Mr. Puliz in advance of this December 5th
8 correspondence?

9 A No, I don't know.

10 Q Okay. Do you recall meeting with THC Nevada or
11 anyone else on its behalf with regard to the 2018 dispensary
12 application process?

13 A Yes, vaguely.

14 Q Okay. Could you tell me about what you recall.

15 A I think Nick -- Nick and his father Allen, I believe
16 a couple other cultivators that didn't have retail dispensary
17 licenses came to speak with me and the director at the time
18 basically wanting to know or get a comfort level that they
19 would get a fair shot. They felt that the regulations were
20 not -- were written where cultivators or people without a
21 current dispensary were at a disadvantage.

22 Q Okay. And did you have any comments in response to
23 their concerns that you recall giving them?

24 A I recall telling them that, you know, telling them
25 that they would receive a fair shot, you know, that it was

1 going to be tough; you know, there's a lot of competition out
2 there, to put together the best possible packet they can put
3 together.

4 Q Okay. I appreciate that. And you had mentioned the
5 director was at that meeting; was that Deonne Contine?

6 A Yeah, I believe so.

7 Q Okay. Do you recall whether or not Paul Anos
8 [phonetic] was at that meeting?

9 A I don't recall.

10 Q Okay. But you do recall meeting at least with Allen
11 Puliz and his son Nick Puliz?

12 A Yes. There are others, but I don't remember who they
13 were.

14 Q Okay. No, thank you for that.

15 Do you recall approximately when that meeting was as
16 it relates to prior to July of 2018 or after?

17 A You know I don't. I don't remember.

18 Q Okay. Do you know if THC Nevada was awarded any
19 dispensary licenses in the 2018 application process?

20 A They were not.

21 Q Okay. I'd like to go to Exhibit 1004 which I believe
22 has been admitted. It's the notice of intent to accept
23 application.

24 Mr. Pupo, could you look at this; it's a two-page
25 document. I'll give you a minute, and then I'll ask you a

1 couple questions about it.

2 A Okay.

3 Q Okay. Are you familiar with this document?

4 A Yes, I've seen it before.

5 Q Okay. Do you know who authored it?

6 A I'm sorry?

7 Q Do you know who authored it?

8 A I believe that was Steve's group -- Steve Gilbert's
9 group.

10 Q Okay. And is it fair to say it's dated July 6, 2018?

11 A Yes.

12 Q And it's entitled Notice of Intent to Accept
13 Application for Marijuana Licenses?

14 A Yes.

15 Q Okay. Can you tell me, give me a summary in your
16 opinion of what this document is.

17 A So it's the notice that the Department's going to
18 open an application period and the time frames for that
19 application period.

20 Q Okay. Now, I see in the middle of the page there's
21 some information about, all applicants are required to be in
22 compliance with the following; do you see that?

23 A Yes.

24 Q Okay. And there are four bullet points?

25 A Yes.

1 Q Okay. The first bullet point, all licenses,
2 certificates and fees are current and paid, is that your
3 understanding of what's required in order to apply?

4 A Yes.

5 Q Okay. With regard to Number 3, no citations for
6 illegal activity or criminal conduct; do you see that one?

7 A Yes.

8 Q Now, is a sale to a minor in your opinion an illegal
9 activity?

10 A Yes.

11 Q Okay. Flipping to page 2 of this document. I'm
12 going to ask you to look at the middle of the page. Do you see
13 where it says, do not call the division seeking application
14 clarification or guidance?

15 A Yes.

16 Q Okay. And below that it says e-mail questions to
17 marijuana@tax.state.nv.us; correct?

18 A Yes.

19 Q But earlier I've heard you testify that you in fact
20 responded to applicants' questions regarding clarification or
21 guidance for the application process; correct?

22 A Yes.

23 Q Okay. With regard to someone who is reading this
24 notice, do you think it's fair that they would not know it was
25 acceptable to reach out to you directly for any questions or

1 clarification that may be needed?

2 MS. LEVIN: Objection. Calls for speculation.

3 Foundation.

4 THE COURT: Overruled.

5 You can answer.

6 THE WITNESS: Yeah, I don't know. They could have
7 called the Department and got my number if they wanted to speak
8 to me.

9 MS. SUGDEN: Sure.

10 BY MS. SUGDEN:

11 Q Now, I know you -- I believe you testified you were
12 not a part of the 2014 process; correct?

13 A Correct.

14 Q In fact, you weren't actually employed -- were you
15 employed by the Department of Tax -- or I'm sorry, the -- let's
16 just call it the State, at that point?

17 A I was.

18 Q Okay. And what role were you?

19 A 2014, I believe I was the revenue tax manager for the
20 Department of Taxation.

21 Q Okay. But you weren't involved with the application
22 process?

23 A Correct.

24 Q Okay. Now, are you aware though that the process in
25 2014 provided for a single point of contact and Q and A process

1 for the application process, and by that, let me explain.
2 There was an email just like we looked at where Q and A were
3 supposed to be -- I'll submit to you -- were supposed to be
4 presented to the State and then answered so that everybody
5 could look at what was asked and answered; are you aware that?

6 A Now, yes.

7 Q Okay. So is it fair to say that the process in 2018
8 was significantly different?

9 A I don't know I would say significantly. There were
10 some differences, yes.

11 Q Was there the same process that we just talked about
12 and identified from 2014 available in 2018? There was a
13 general Q and A; if I emailed you a question -- or I'm sorry,
14 the State a question everybody would get the answer to it?

15 A There was a vehicle for questions to be answered,
16 yes, and then that was handled by the Carson City office, but I
17 don't know if they were publishing any responses.

18 Q What do you know about that vehicle through Carson
19 City and how information was disseminated to people who
20 inquired?

21 A Well, like the notice says, there's an email box
22 where you can send the questions to and then between Ky Plaskon
23 and Steve Gilbert they dealt with that inbox.

24 Q Okay. And is that inbox identified again on Exhibit
25 1004, the second page we looked at? Is that the inbox you're

1 talking about?

2 A I believe so, yes.

3 Q Okay. Do you know whether or not the information in
4 response to those questions was made public to all?

5 A I don't know.

6 Q Okay. Now, going back again to Exhibit 1004 on
7 page 1. One of the items we identified was that all licenses,
8 certificates and fees are current and paid; correct?

9 A Yes.

10 Q Okay. So if someone had a fine, that would need to
11 be paid in order to be in compliance with the application
12 process?

13 A Well, I don't think a fine is a fee.

14 Q Okay. What do you think a fine is?

15 A Exactly that, a fine.

16 Q Okay. So is it your understanding is I can have --
17 an applicant can have an outstanding fine and that would be
18 okay for purposes of the application process?

19 A Potentially.

20 Q Okay. Are you aware of the issuance of a \$10,000
21 fine by yourself to THC Nevada?

22 A Yes.

23 Q Okay. What do you recall about that fine?

24 A I -- are they waiving confidentiality or?

25 UNIDENTIFIED SPEAKER: (Inaudible).

1 THE COURT: So the objection is sustained.

2 Now, Ms. Sugden, if you want to state on the record
3 that your client has waived any confidentiality, then I will of
4 course do something else.

5 MS. SUGDEN: That's what I was going to go to, Your
6 Honor. My client waives that information.

7 THE COURT: Okay.

8 MS. SUGDEN: Okay.

9 UNIDENTIFIED SPEAKER: Her client waives
10 confidentiality.

11 THE COURT: So you may answer the question.

12 THE WITNESS: Okay. They were fined \$10,000 for
13 submitting a forged zoning letter from the City of North Las
14 Vegas.

15 BY MS. SUGDEN:

16 Q Okay. And what information do you have that that was
17 forged?

18 A It was a letter, I believe it was regarding zoning
19 for a distributor's license.

20 Q Okay. Who was allegedly -- what was being forged?

21 A I'm sorry?

22 Q What was being forged? What entity or what name?
23 You said someone forged something. If I'm going to forge it,
24 I'm signing, you know, someone else's name.

25 A Yeah, I don't remember who signed it. Well, it was a

1 letter from the City of North Las Vegas saying that they were I
2 believe it said that they were properly zoned for a
3 distributor's license. We verified that letter with the City
4 of North Las Vegas and they confirmed that it was not issued by
5 them.

6 Q Okay. And are you aware of whether or not the City
7 of North Las Vegas did anything in response to that?

8 A The City of North Las Vegas told us that they would
9 not pursue it.

10 Q Okay. So is it fair to say that misrepresenting
11 information on an application is very serious to you?

12 A Giving false information is serious, yes.

13 Q Agreed. Okay.

14 Now, how many other \$10,000 fines do you recall
15 issuing while under the enforcement division?

16 A I don't know. Several.

17 MS. LEVIN: Objection. Calls for confidentiality
18 information.

19 THE COURT: Overruled. This is a general question.
20 He has not been asked any specifics as to a particular like a
21 licensee.

22 BY MS. SUGDEN:

23 Q More than 10, \$10,000 --

24 A I don't know. I didn't keep track of the numbers.

25 Q What warrants a \$10,000 fine?

1 MS. LEVIN: Objection. Calls for --

2 THE COURT: Sustained.

3 THE WITNESS: Different --

4 THE COURT: You don't have to answer that one.

5 THE WITNESS: Oh, I'm sorry.

6 MS. SUGDEN: Yeah.

7 BY MS. SUGDEN:

8 Q In what instances do you recall giving \$10,000 fines?

9 MS. LEVIN: Objection.

10 THE COURT: Sustained.

11 BY MS. SUGDEN:

12 Q Does underage sales to minors classify and require a
13 \$10,000 fine?

14 MS. LEVIN: Objection. Calls for --

15 THE COURT: Sustained.

16 BY MS. SUGDEN:

17 Q Now, yesterday I heard testimony of, again, sales to
18 minors, and that was done at self-reporting; do you recall
19 that?

20 A Yes.

21 Q Okay. Now, when a company self-reports, do you take
22 extra steps to ensure that there's not any other incidents that
23 may have been missed?

24 MS. LEVIN: Same objection, Your Honor. Calls for
25 confidential information.

1 THE COURT: Sustained.

2 MS. SUGDEN: Your Honor, may I have just one moment?

3 THE COURT: You may.

4 MS. SUGDEN: Thank you.

5 I pass the witness, Your Honor.

6 THE COURT: Thank you, Ms. Sugden.

7 MS. SUGDEN: Thank you.

8 THE COURT: Can you wipe down the --

9 MS. SUGDEN: Yes, I will.

10 THE COURT: Thanks.

11 Who's next? Anyone else from the plaintiffs wish to
12 examine?

13 Mr. Parker.

14 MR. PARKER: Your Honor, I've worked out an
15 arrangement or an agreement with Mr. Shevorski and Ms. Welch
16 to not question Mr. Pupo or Ms. Cronkhite at this point based
17 on this pending settlement. They have agreed to bring them
18 back if need be, but taking --

19 THE COURT: So you're making a record that you're not
20 precluding yourself from recalling him if something happens and
21 the settlement's not approved?

22 MR. PARKER: Exactly. And I've had some
23 conversations with the --

24 THE COURT: Any objection, Ms. Welch?

25 MS. WELCH: No. That represents our conversation.

JD Reporting, Inc.

1 THE COURT: Ms. Levin?

2 MS. LEVIN: I'm going take Mr. Parker's word that he
3 had a conversation with --

4 THE COURT: Okay.

5 MS. LEVIN: -- Mr. Shevorski.

6 THE COURT: So, Mr. Parker, based upon the
7 representation of counsel for the two witnesses, I understand
8 that you've reached an agreement, and if they need to be
9 recalled prior to the case resting --

10 MR. PARKER: Thank you.

11 THE COURT: -- then we'll discuss it.

12 MR. PARKER: Thank you.

13 MR. BICE: Your Honor, on behalf of the Essence
14 parties I object to that. We are entitled to examine the
15 witness and if --

16 THE COURT: You absolutely are entitled to examine
17 witnesses.

18 MR. BICE: -- and if Mr. Parker is going to examine
19 the witness as a plaintiff, we are entitled to have him do that
20 before we have to examine the witness.

21 THE COURT: Not necessarily, Mr. Bice --

22 MR. BICE: Well --

23 THE COURT: -- I understand your position though.
24 Anything else?

25 MR. BICE: Well, I made my record --

1 THE COURT: Yep.

2 MR. BICE: I believe --

3 THE COURT: I know.

4 MR. BICE: -- I believe that a standard is being
5 applied to us that is not equal to the plaintiffs.

6 THE COURT: There is a pending settlement that's on
7 for approval, and I understand the agreement reached with the
8 witness's counsel. I understand that other defendants may not
9 like that agreement, but I recognize the importance of that
10 agreement given the pending settlement. So --

11 MR. PRINCE: Your Honor, thank you.

12 THE COURT: -- otherwise I could just stop the trial
13 and we could all sit here and twiddle our thumbs till the
14 cannabis compliance board meets, Mr. Bice.

15 MR. BICE: I'm not asking for that. I'm just asking
16 that we proceed.

17 THE COURT: No, I understand what you're asking. I
18 said, no.

19 MR. BICE: I understand --

20 THE COURT: Anything else?

21 MR. BICE: -- made my record. Thank you.

22 MR. PRINCE: Well, I guess I want to make my record
23 on behalf of --

24 THE COURT: You want to be more effective than
25 Mr. Bice. He's usually more effective than you, but you can

1 try.

2 MR. PRINCE: Did you just say that? Wow, okay.

3 Well, then on behalf of Thrive I'm going to make my
4 record for something else. That as a party to that agreement
5 we don't feel obviously any questions are privy, but moreover
6 to have an effective cross-examination of Mr. Pupo we would
7 need to have all of the plaintiffs examined first so that we
8 would know how to guide our questions, how to guide the
9 examination, what topics to cover or if we needed to prepare
10 other areas.

11 So that is manifestly unfair to the defense in terms
12 of an effective cross-examination because it's a complete
13 preview of something that didn't happen and allows the
14 plaintiff the -- Mr. Parker's client the unique opportunity as
15 I guess it potentially others to fix issues or address issues
16 that were not already done today by the plaintiffs. So for
17 those reasons I don't feel it's appropriate, fair protocol in
18 terms of the direct, cross-examination of a witness to allow
19 that to happen.

20 THE COURT: Thank you.

21 Anything else?

22 MR. GENTILE: Your Honor, I'm not objecting, but to
23 the extent that Mr. Parker's examination opens things up even
24 though I am also a plaintiff, I'm going to reserve the right to
25 ask additional questions at that point. It wouldn't be

1 cross-examination --

2 THE COURT: I wouldn't preclude anyone from following
3 up on questions asked by --

4 MR. GENTILE: Okay.

5 THE COURT: -- another attorney as long it's within
6 the scope of questions asked by that attorney.

7 All right. Anything else?

8 So Mr. Parker is skipping, but not waiving if there's
9 a failure to approve the settlement by the cannabis compliance
10 board.

11 Anyone else in the back? Nobody else? Intervenors
12 or the State?

13 MR. SHEVORSKI: The State has no questions, Your
14 Honor.

15 THE COURT: Thank you.

16 Who's my first examiner for the intervenors?

17 Would that be you, Mr. Prince?

18 MR. BICE: Mr. Prince.

19 MR. PRINCE: Would be.

20 I realize I'm not as effective as Mr. Bice, but I'm
21 going to take my chances here.

22 THE COURT: If I didn't give you a hard time,
23 Mr. Prince, who would?

24 MR. PRINCE: Exactly. Okay. Let me get my house in
25 order here, Judge.

1 THE COURT: It's all right.

2 CROSS-EXAMINATION

3 BY MR. PRINCE:

4 Q Mr. Pupo, thank you, sir. I want to kind of go back
5 for a moment to the start of your tenure in the Marijuana
6 Enforcement Division and talk about your roles and
7 responsibilities starting at that time, okay?

8 A Yes.

9 Q So that's in the fall of 2017 you're named the Deputy
10 Director of the Department of Taxation over the Marijuana
11 Enforcement Division; correct?

12 A Yes.

13 Q You also talked about when you took over that role
14 that you had other duties and responsibilities. I think at
15 times we focused solely on your responsibility as relates to
16 marijuana, but I want you to elaborate on the things that you
17 did for tobacco, alcohol, live entertainment taxes, tribal
18 issues and things like that. I'd like you to explain them
19 further detail for us.

20 A Well, at the very beginning I was the -- well, from
21 the time I became deputy or when I first started? I'm sorry, I
22 missed --

23 Q No, I guess at the time that you became the deputy
24 director --

25 A Deputy Director, okay.

1 Q -- in 2017. I want to understand what all of your
2 responsibilities were.

3 THE COURT: He wants to understand what else you did
4 besides the Marijuana Enforcement Division --

5 MR. PRINCE: Right.

6 THE WITNESS: Right.

7 THE COURT: -- as Deputy Director.

8 THE WITNESS: So I was responsible for the Excise
9 Division.

10 BY MR. PRINCE:

11 Q Okay. What is that?

12 A So the Excise Division does several -- administers
13 several taxes, live entertainment tax, mining tax and for
14 compliance as well as audits, insurance premium tax,
15 scholarships, film credits, exhibition facility fee, liquor,
16 tobacco products, cigarettes, other tobacco products, the
17 religious terrible exemptions -- well, actually that was when I
18 was in compliance, but that's pretty much entails those --

19 Q How many people in those areas did you supervise in
20 your role?

21 A Indirectly between the Marijuana Division and Excise
22 I would say probably a total of 75 to 80 maybe.

23 Q And in terms of how you spent your time, how much
24 time was in these other, you know, these other areas other than
25 Marijuana Enforcement Division, so we kind of have an

1 understanding about how much time you spent in your various
2 roles?

3 A It's hard to say. I mean, there's different things.
4 For instance, sometimes you just get hit with everything at
5 once; right --

6 Q Right.

7 A -- and then tribal issues took up a lot of my time,
8 which isn't directly with the Excise, but that was kind of
9 thrown on my lap that I didn't have before. That basically
10 became a full-time job all on its own. So Excise licensing
11 issues, compliance issues, cigarette seizures, other tobacco
12 product seizures all those things I was involved in to a
13 certain extent.

14 Q So revenue collection was one of the aspects of that
15 role; correct?

16 A Yes.

17 Q Compliance was another aspect of that role --

18 A Yeah.

19 Q -- in all those various areas; correct?

20 A Yes.

21 Q And I think in your deposition you even said at one
22 point that you were always working. Essentially you were
23 working 24/7. Do you remember that testimony you gave at your
24 deposition?

25 A Yes, pretty much.

1 Q Is that what it felt like to you given all of your
2 level of responsibility with the State?

3 A Sure. I mean, I'd work weekends, nights.

4 Q How about when you're on vacation?

5 A Oh, always have working vacations.

6 Q Okay.

7 A I mean, I've been known to pull over off of a freeway
8 to respond to a -- send a document, send an e-mail or. I was
9 always attentive to try to be responsive to my staff and the
10 Department.

11 Q Right. So not just the staff involving marijuana
12 enforcement, also the staff involving the other areas you just
13 described for us as well?

14 A Yes.

15 Q Okay. Now, when you moved to the Marijuana
16 Enforcement Division, there was already a compliance team in
17 place when you got there in your role; correct?

18 A To some extent, yes.

19 Q Right. You had Mr. Gilbert who came over from the
20 Department of Public Health; right?

21 A Yes.

22 Q You had Ms. Cronkhite; correct?

23 A Yes.

24 Q The team of inspectors and auditors; correct?

25 A Yes.

1 Q And did you rely on those people in terms of
2 developing a working knowledge of not only, you know, cannabis,
3 but the industry itself and how it functioned and that sort of
4 thing?

5 A I started there, and then I spent hundreds of hours,
6 countless hours, days and -- day and nights just self-teaching,
7 reading other state's statutes and programs and problems they
8 were having so I could see where the pitfalls were. I read a
9 lot about different cultivation practices to try to get the
10 lingo and the processes because if you're going to regulate
11 something, you have to know how it operates. Read -- I read a
12 number of research papers from Harvard to universities in
13 Germany and Holland and Netherlands and just a lot of reading
14 try to --

15 Q So at the beginning it would be fair to say you were
16 on a very steep learning curve?

17 A Oh, sure. Very much so.

18 Q Right. So in addition to your own reading, your own
19 research to familiarize yourself with a brand-new industry, not
20 only for the State of Nevada, but it was actually new to the
21 entire country, recreational sale of marijuana?

22 A Yes.

23 Q Right. And now, did you also participate in the
24 working groups associated with the Governor's task force on the
25 development of the regulations for retail sale of marijuana?

1 A Yes, I was part of the lab working group.

2 Q Okay. Did you work with many people from the
3 industry on the working group?

4 A Yes.

5 Q Okay. Did you also -- when you came into your new
6 role, did you make it a point to get to know licensees and all
7 the various areas whether it be cultivation, production or
8 dispensaries so that you could understand what an operation
9 looked like, understand terminology and understand how these
10 businesses truly functioned?

11 A Yes, for sure.

12 Q Was that important to you?

13 A Yes.

14 Q Did you also attend luncheons, meetings with industry
15 groups and organizations to help familiarize yourself with not
16 only the licensees but also the industry itself?

17 A Yes.

18 Q Did you attend luncheons and meetings with the Nevada
19 Dispensary Association?

20 A Yes.

21 Q Okay. How about the Nevada Cannabis Coalition?

22 A I don't know. No.

23 Q Not them?

24 A Not them.

25 Q How about the Las Vegas Medical Marijuana

1 Association?

2 A Yes.

3 Q Okay. Did you often -- did you have question and
4 answer sessions with licensees as others -- as well as others?

5 A Yes.

6 Q Okay. Did you have meetings with actual licensees?

7 A Yes.

8 Q To get to -- and one of those licensees was
9 Mr. Ritter from TGIG; correct?

10 A Yes.

11 Q You relied heavily on Mr. Ritter to help educate you
12 about the industry that you're now going to be regulating;
13 right?

14 A Yes, and he made available, like, his master
15 cultivator that I can call and ask questions.

16 Q Okay. So as part of your learning, you would
17 actually call licensees and call Mr. Ritter to ask him
18 questions to help educate yourself about the industry itself;
19 would that be a fair statement, sir?

20 A Yes.

21 Q Did you also go on numerous tours --

22 A Yes.

23 Q -- of facilities including TGIG facilities?

24 A Yes.

25 Q All right. Now, I think from your deposition I want

1 to talk about your making yourself available to speak with
2 licensees, okay?

3 A Yes.

4 Q From the beginning, did you have a practice of making
5 yourself as well as your team accessible to the licensees who
6 had questions or needed some guidance?

7 A Yes.

8 Q Why did you do that?

9 A It's important to keep a pulse on a new industry and
10 see, you know, what's happening. A lot of times that's where
11 you know what's going on. You have your ear to the ground.
12 It's also it's very, very, as everyone knows, it's a new
13 industry where you need to know what's going on and help the
14 industry in order for the industry to develop and grow.

15 The industry's an important source of revenue for the
16 State. And traditionally, you know, coming from the Department
17 of Taxation that's always been the case. You've always no
18 matter -- you could be the executive director of the
19 Department; you're always available to the public.

20 Q Okay. In your other areas of responsibility, do you
21 also make yourself available and accessible in the Excise area
22 and regarding tobacco, alcohol, entertainment-related issues,
23 those types of collections --

24 A Yes.

25 Q -- and compliance issues?

1 A Yes.

2 Q So that's not something you just started when you got
3 to the Marijuana Enforcement Division; would that be a fair
4 statement, sir?

5 A Yes, that's a fair statement.

6 Q Okay. Now, obviously the industry from a retail
7 standpoint was in its true infancy when you took over as deputy
8 director in the fall of 2017; correct?

9 A Yes.

10 Q Was one of the goals not only in addition to having
11 comprehensive regulation, but also promoting industry so that
12 it would grow and, for lack of a better word, thrive in our
13 state?

14 A Yes.

15 Q Okay. And by every measure it's been a resounding
16 success, hasn't it?

17 A I believe so, yes.

18 Q Right. You're proud of that fact, aren't you?

19 A Yes.

20 Q And you should be.

21 Now, we talked about the application process kind of
22 on a static sort of way here but, I mean, your communication
23 with licensees even during the application process was ongoing
24 day in and day out regarding day-to-day regulatory compliance
25 issues; correct?

1 A Yes.

2 Q And, in fact, the industry almost doubled or more
3 than that overnight starting in July 2017 when recreational
4 became legal in the State of Nevada?

5 A That's correct.

6 Q Right. Ms. Connor described that her client base
7 doubled after July 1st, 2017, and that's the industry that
8 you inherited in the fall of 2017; right?

9 A Yes.

10 Q Now, as you're making yourself available to answer
11 questions about licensees even once the application was about
12 to be released, say the spring and the summer of 2018, you'd
13 also made yourself available to prospective applicants to
14 answer any questions, give them guidance to the extent that you
15 could; correct?

16 A Yes, to the extent that I could.

17 Q Okay. I mean, you couldn't give legal advice or some
18 things, but there's some things you could provide clarification
19 and some assistance; right?

20 A Yes.

21 Q Did you think that was a fair thing to do?

22 A Yes.

23 Q Right. Now, I want to read for you -- I want to show
24 you a statement.

25 MR. PRINCE: Brendan, 236, please.

1 BY MR. PRINCE:

2 Q This is a statement from Mr. Miller during the
3 opening statement, Mr. Ross Miller. And it says, He'll tell
4 you that the most important factor running a competitive
5 process is that all applicants are given access to the same
6 information, all applicants be given the same instruction and
7 rules. And he'll tell you that the most important factor is to
8 ensure a level playing field in the area in the disclosure of
9 the application requirements and instructions and how these
10 rule requirements will be used to evaluate and score
11 applications. Do you see that?

12 A Yes. Are you --

13 UNIDENTIFIED SPEAKER: We just lost (inaudible).

14 MR. PRINCE: Yeah, I know.

15 THE WITNESS: I used to see it.

16 MR. PRINCE: Yeah, it's coming back.

17 And I want to go now, Brendan, to 238.

18 BY MR. PRINCE:

19 Q I want -- this is continuation of Mr. Miller's
20 opening statement to the Court from July 17th, And other
21 people that weren't part of Amanda Connor's clients didn't have
22 special access to people within the Department when everyone
23 would have believed that oh, this criteria, you know, would
24 have been -- would have been held confidential. Do you see
25 that, sir?

1 A Yes.

2 Q Actually you met with many applicants and their
3 counsel associated with the application; correct?

4 A Yes.

5 Q Okay.

6 MR. PRINCE: And, Brendan, I'd like you to --
7 Your Honor, I'm moving for the admission of Exhibit
8 Number 1863.

9 THE COURT: Any objection to 1863?

10 MR. GENTILE: Can we see it? Is that it?

11 MR. PRINCE: No.

12 THE COURT: I'm not going to look at it.

13 MR. GENTILE: Oh, I need -- give me a moment, please,
14 Judge, so that I can --

15 THE COURT: I'm not looking, so you can look.

16 MR. GENTILE: I'll look. 1863?

17 MR. PRINCE: 1863. They relate to emails involving
18 Mr. Pupo.

19 UNIDENTIFIED SPEAKER: Can you put it up on the
20 screen?

21 MR. PRINCE: 1863002, Brendan. 18002, Brendan.

22 MR. GENTILE: No, no. No, I see -- 18 what?

23 MR. PRINCE: 1863.

24 MR. GENTILE: Yeah, but what page? All of it?

25 MR. PRINCE: All of it.

1 MR. GENTILE: Well, if the State is offering it for
2 the truth of an assertion, it's hearsay, Your Honor. I don't
3 know why it's being offered so.

4 THE COURT: Mr. Prince, what is your purpose?

5 MR. PRINCE: It is to demonstrate that others had
6 access. It relates to communications directly with the
7 Department of Taxation.

8 THE COURT: And not to the truth of the statements?

9 MR. PRINCE: It is also offered for the truth, and
10 it's on behalf of Qualcan who's a plaintiff, so therefore it's
11 not hearsay.

12 MR. GENTILE: That's true. Qualcan is a plaintiff so
13 this is a --

14 THE COURT: It'll be admitted.

15 (Exhibit No. 1863 admitted.)

16 MR. PRINCE: Thank you. Okay. Very good.

17 So, Brendan, let's bring up slide 237. Okay.

18 BY MR. PRINCE:

19 Q I just read you a statement that a --

20 THE COURT: Is this a demonstrative?

21 MR. PRINCE: This is a demonstrative, yes.

22 THE COURT: So this will be demonstrative next in
23 order.

24 MR. PRINCE: Very good.

25 THE COURT: We'll need a copy emailed to us --

1 MR. PRINCE: Yes, I will.

2 THE COURT: -- and the slide.

3 MR. PRINCE: Brendan will have to send this to the
4 Court.

5 THE CLERK: It will be D7.

6 THE COURT: Thank you.

7 BY MR. PRINCE:

8 Q And I want you to on the right-hand side there's an
9 email from Michael Cristalli from the law firm Gentile,
10 Cristalli, Miller; do you see that?

11 A Yes.

12 Q And he says, I wanted to -- and this is May 3rd,
13 2018. I wanted to thank you for meeting with myself and Ross,
14 meaning Ross Miller, yesterday. The information you provided
15 will be helpful in preparing the company's application. We
16 understand that you are busy and we appreciate the time,
17 Michael. Do you see that, sir?

18 A Yes.

19 Q Did you have a meeting with attorneys Michael
20 Cristalli and Ross Miller regarding their Qualcan application?

21 A Yes.

22 Q Right. And that's them thanking you for their time;
23 correct?

24 A Yes.

25 Q So and Mr. Miller he's critical of others -- Amanda

1 Connor having access, you gave Mr. Miller before these
2 applications were out, you gave him access, didn't you?

3 A Yes.

4 Q He wasn't telling you at that time you shouldn't meet
5 with me because it would be an unfair advantage; right? He
6 didn't say that you?

7 A No.

8 Q Right. Now, the next --

9 MR. PRINCE: Let's go to 18001, Brendan.

10 THE CLERK: Proposed. Oh, I'm sorry is this a --

11 MR. PRINCE: Excuse me. 1863 Bate number 001.

12 THE CLERK: Oh, sorry. He's good.

13 THE COURT: Okay.

14 UNIDENTIFIED SPEAKER: Same exhibit?

15 MR. PRINCE: Same exhibit.

16 It's in the -- if you could go down. Brendan, the
17 middle section the e-mail from Mr. Cristalli to Mr. Pupo.
18 Right there. There you go.

19 BY MR. PRINCE:

20 Q Another day after your meeting or about a week after
21 your meeting, Mr. Cristalli on behalf of Qualcan, "Can you
22 remind us of the tentative time frame for when the applications
23 will be released and when the submission date will be? I
24 understand the dates may be tentative, but we are planning our
25 summer schedules around it." Do you see that?

1 A Yes.

2 Q Okay.

3 MR. PRINCE: And then, Brendan, go up to the
4 responsive email from the following day.

5 BY MR. PRINCE:

6 Q And it says here, May 10th, 2018, from you to
7 Mr. Cristalli, "I plan on giving 45-day notice, business days
8 on the 1st week of July with the application 10-day window in
9 September." Do you see that?

10 A Yes.

11 Q Okay. Is that you being responsive to a member of
12 the industry who had a question about the application process?

13 A Yes.

14 Q Right. That didn't give anybody an unlevel playing
15 field because Qualcan didn't win, did they?

16 A Correct.

17 Q Neither did TGIG, did they?

18 A Correct.

19 Q Right. And now I want to show you the earlier
20 counsel for THC, she asked you a question about whether you had
21 any meetings or discussions with THC; do you recall that?

22 A Yes.

23 MR. PRINCE: Brendan, I want you to -- this is from
24 the 30(b)(6) testimony of THC Nevada. The identification of
25 the witness is Allen Puliz, P-u-l-i-z. Page 29, Brendan, the

1 deposition lines 10 through 18.

2 BY MR. PRINCE:

3 Q And it's a statement by THC one of the plaintiffs in
4 this case. Is it, After you attended that meeting again any
5 consideration of filing a lawsuit or anything to stop the
6 regulations from being adopted.

7 Answer: We talked about it. Actually we set up a
8 meeting with Deonne Contine and Jorge Pupo. At the time we
9 were considering not applying because it didn't look like we
10 would have any kind of a chance.

11 Do you see that?

12 A Yes.

13 Q And what they're talking about there is as a
14 cultivator they were concerned that they may not have a fair
15 chance to become a retail dispensary license holder in the 2018
16 round; correct?

17 A Yes.

18 Q There was like this -- some cultivators believed
19 there was a bias in favor of the dispensary owners; right?

20 A Yes.

21 Q And in actuality, and I think I learned from your
22 testimony during the preliminary hearing, 53 percent of the
23 successful applicants were cultivators; right?

24 A I believe so, yes.

25 Q That's what you testified to; correct?

1 A (No audible response.)

2 Q So they did have a fair chance; right?

3 A Yes.

4 Q Now -- and now I want to kind of turn your attention
5 to just right around the application time, September of 2018.
6 Again, we're going to talk about THC's testimony, and I'm going
7 to ask you a question based upon that.

8 MR. PRINCE: Page 35, Brendan, lines 2 through 10.

9 BY MR. PRINCE:

10 Q Okay. Question: So no in-person meetings between
11 that meeting with Jorge and Deonne in September of 2018 when
12 the application was submitted?

13 Answer: Right, but there may have been some
14 communication.

15 Would those have been by phone?

16 Answer: Mostly by phone, a couple emails, maybe a
17 text. My son did ask him questions as we were filling out our
18 application.

19 Do you see that?

20 A Yes.

21 Q Does that refresh your memory that THC, one of the
22 unsuccessful applicants, they were asking you questions about
23 the application process in September of 2018?

24 A I don't specifically recall THC asking me, you know,
25 those questions, but...

1 Q In fairness there was over 400 plus applicants;
2 right?

3 A Yes.

4 Q You fielded calls, texts, emails from many applicants
5 in the summer of 2018 --

6 A Yes.

7 Q -- isn't that the reality?

8 A Yes.

9 Q And THC, according to them, you may not specifically
10 remember it, but they were one?

11 A Yes.

12 Q Okay. And I want to go on to one final thing
13 regarding THC since we're on the point. During the application
14 process or around that time, they actually offered you a job,
15 didn't they?

16 A I don't recall that.

17 Q Okay.

18 MR. PRINCE: Let's look at page 74 of the 30(b) (6)
19 testimony of THC Nevada, Brendan, starting at line 6 through
20 the end of the page, 224.

21 BY MR. PRINCE:

22 Q Okay. The question was, Have you or anyone at THC
23 ever discussed offers of employment with existing or former
24 employees of the Department of Taxation?

25 It says, I haven't, but my son Nick has. Okay. He

1 had one quick little discussion with Jorge Pupo. Jorge told
2 him that this was before the application came out that he would
3 be leaving the State soon, and Nick just told him, wow, well,
4 if you need a job, I need a compliance officer, and that's the
5 only thing they said.

6 The question was, How do you know about the
7 conversation, because Nick told me about it and that was before
8 the applications were submitted.

9 Do you recall that, them offering you a job?

10 A No, I don't.

11 Q Okay. But other people said, hey, if you're ever
12 looking for a job they made that overture to you, right,
13 informally?

14 A Right. I mean, there -- there was, like, say
15 off-the-cuff comments that I never really took seriously
16 because I knew there's a statute for the one-year cooling off
17 period, so it makes no sense anyway.

18 Q Okay. Now, as the deputy director, you were willing
19 to get involved in all aspects of the industry; correct?

20 A I'm sorry, can you say that again.

21 Q As the deputy director, you were willing to get
22 involved of all aspects of the industry regarding cultivation,
23 distribution, delivery as well as dispensaries; correct?

24 A Yes.

25 Q And you -- the one way you kept yourself abreast was

1 you wanted to keep yourself on the pulse of the industry;
2 right?

3 A Yes.

4 Q That was important as to you as a regulator and a
5 compliance officer for the State of Nevada?

6 A Yes.

7 Q Would you agree that the Department of Taxation took
8 pride from your standpoint in being accessible to all
9 licensees, not just yourself, but other members of the staff?

10 A Yes.

11 Q From the director on down?

12 A Yes.

13 Q Now, when you would attend meetings, for example with
14 the NDA, the Nevada Dispensary Association, they represented
15 approximately 80 to 90 percent of all the dispensaries
16 throughout our state; correct?

17 A Yes, and the tribes also attended.

18 Q And the tribes?

19 A Yes. The Paiutes.

20 Q Got you. And the executive director of the NDA is
21 Riana Durette; correct?

22 A Yes.

23 Q Ms. Durette is also a lawyer?

24 A Yes.

25 Q And you have frequent communication with Riana

1 Durette; correct?

2 A Yes.

3 Q And when you would attend these meetings, would you
4 answer questions from the industry?

5 A Yes.

6 Q Would they -- would people from the industry
7 frequently ask you questions as the deputy director about your
8 position on certain day-to-day compliance and regulatory
9 issues?

10 A Yes, and they'd, you know, bring up issues whether
11 it's, you know, it's inspections or audits type of issues they
12 were having or clarifications on things, yes.

13 Q Right. So it could be inspections; it could be
14 audits; correct?

15 A Yes.

16 Q It could be if you're making sure your paying the
17 appropriate amount of taxes; correct?

18 A Yes.

19 Q It could be questions about METRC?

20 A Yes.

21 Q It could be questions about advertising --
22 advertising was a big issue, wasn't it?

23 A Yes.

24 Q And because the industry is trying to feel its way
25 through this initial growth phase; right?

1 A Yes, and I would say, you know, 85 percent of the
2 industry wants to be compliant and try their best to be
3 compliant. I think most of my work came from 15 percent of the
4 industry.

5 Q I'm sorry, I didn't hear you.

6 A I think most of my work -- a hundred percent of my
7 work came from 15 percent of the industry. The other
8 85 percent want to be compliant and do everything they can to
9 be compliant.

10 Q So you're saying the vast majority of the licensees
11 are compliant; it's a small percentage that typically were not?

12 A Yes.

13 Q Got it. And at these luncheons and other industry
14 meetings, did you give out your phone number to licensees if
15 they wanted, say, hey, can I get your number so we can talk
16 more about a certain topic?

17 A Yeah, sure.

18 Q Did you try to help guide licensees through
19 compliance and regulatory issues?

20 A Yes.

21 Q Did you also answer questions to groups associated
22 with the licensees about the application process from 2018?

23 A Yes.

24 Q Now, many questions in this case that have been
25 focused to you have focused on your conversations with Amanda

1 Connor, but in reality those conversations were just some you
2 had among many, hundreds if not thousands of communications
3 with licensees about a variety of topics?

4 A Yes.

5 Q Now, as it relates to Ms. Connor, she testified that
6 she's a point of contact for more than 100 licensees. She's
7 already testified to that in front of this Court, okay?

8 A Okay.

9 Q I mean, as a point of contact if -- she would have a
10 reason to speak with the Department on a day-to-day basis
11 regarding compliance and regulatory matters; correct?

12 A Yes.

13 Q Separate and apart from any application process?

14 A Yes.

15 Q And she would have a reason to contact you as the
16 deputy director asking for -- asking questions, seeking
17 clarification as well as guidance; right?

18 A Yes.

19 Q Do you consider Amanda Connor one of the most
20 knowledgeable people including lawyers in the cannabis
21 industry?

22 A Yes.

23 Q She's worked incredibly hard educating herself; don't
24 you agree?

25 A Yes.

1 Q Is there -- can you think of anyone more
2 knowledgeable than her regarding compliance and regulatory
3 matters?

4 A No.

5 Q Right. She's one of the leaders; right?

6 A Yes.

7 Q And has been from the beginning?

8 A Yes.

9 Q Very good. I want to talk about now the relationship
10 that you had with TGIG, okay?

11 A Yes.

12 Q And one of the things that I learned from you in your
13 deposition was that you got to know John Ritter well after you
14 became the deputy director; correct?

15 A Yes.

16 Q You knew he was the sole member of the industry on
17 the Governor's task force; correct?

18 A Yes.

19 Q You knew that he was head of numerous working groups
20 on the task force; correct?

21 A Yes.

22 Q You knew that he had a production license; correct?

23 A Yes.

24 Q He had a cultivator license?

25 A Yes.

1 Q He had a dispensary license; right?

2 A Yes.

3 Q He had your phone number, didn't he?

4 A Yes.

5 Q He texted you?

6 A Yes.

7 Q He called you?

8 A Yes.

9 Q Demetri Kouretas, I don't know if he's in here or
10 not, but you know Demetri Kouretas, don't you?

11 A Yes.

12 Q He's the CEO of TGIG. He called you?

13 A At times, yes.

14 Q And he would text you if he needed to?

15 A If he needed to.

16 Q Right. But Amanda Connor that was their point --
17 designated point of contact for the State; right?

18 A Yes.

19 Q So that means, like, she would do for anybody if
20 there's any communication between the Department and the
21 licensee, it would have to go through Amanda Connor; correct?

22 A Yes.

23 Q So she on behalf of hundreds of people would be
24 having frequent communication on behalf of -- with the
25 Department including on behalf of TGIG; correct?

1 A Yes.

2 Q And, in fact, I think you've told us that John Ritter
3 was one of the very first people that helped you and the
4 Department navigate the marijuana industry; correct?

5 A Yes.

6 Q And you were very grateful for him and his entity for
7 educating you?

8 A Still am, yes.

9 Q Still am, right. In fact, Mr. Ritter took you on
10 many tours of his facilities; correct?

11 A Yes.

12 Q And that is how helped you learn about the industry
13 and what facilities look like and how they should operate?

14 A Yes.

15 Q You also learned, as you phrased it, the lingo or
16 kind of the terminology of the industry; right?

17 A Yes.

18 Q And he helped you learn many different sides of the
19 marijuana business; correct?

20 A Yes.

21 MR. PRINCE: Now, let's go to slide 33 of -- Brendan,
22 which is a portion of the testimony of Mr. Ritter from the
23 preliminary injunction.

24 BY MR. PRINCE:

25 Q And the question of Mr. Ritter in May of 2019 was,

1 You talked about I think was Pupo took you a tour of the Grove
2 at some point?

3 Answer, Oh, a number of them, yeah.

4 So they took you a tour out there and showed people
5 what a dispensary looked like?

6 Well, I don't know if it was as much cosmetic as it
7 was operations.

8 Do you see that from Mr. Ritter?

9 A Yes. Uh-huh.

10 Q And did you take people who were visiting our state
11 on tours of Mr. Ritter's facilities?

12 A Yes, I take a wide variety of people.

13 Q Like who?

14 A Tax commissioners, other -- can't remember off the
15 top of my head, but other people that would have some sort of
16 interest in seeing Nevada operation.

17 Q Okay. Did people from -- did regulators from other
18 states come out to our state to see how we regulate cannabis
19 industry --

20 A Yes.

21 Q -- in our state?

22 A Yes.

23 Q Did you take them on tours?

24 A Yeah, I believe I did. I don't remember.

25 Q Okay. Did you ever travel with the Department to

1 Colorado or to see how they do it out there or any other state?

2 A Yes.

3 Q Was Mr. Ritter on those trips with you?

4 A No.

5 Q He was not?

6 A He was not.

7 Q Okay. Ms. Connor described that he was involved in
8 one or more trips, and I didn't know if he was on a trip with
9 you. Okay.

10 MR. PRINCE: And if we could look at Exhibit
11 Number 1768, which is admitted, Bate Number 7. Brendan, go to
12 the July 11th entry.

13 BY MR. PRINCE:

14 Q This is a calendar entry, and it's five days after
15 the application was released. And it said at 10:00 o'clock
16 there was a tour of the TGIG cultivation facility by you; do
17 you see that?

18 A Yes.

19 Q Why were you touring TGIG's facility that day?

20 A I don't remember. I was probably taking someone.

21 Q Okay. If you go to -- just because you took a tour
22 of the TGIG facility, did that mean that there was an unlevel
23 playing field for all applicants because you went with
24 Mr. Ritter's team on a tour?

25 A No, not at all.

1 Q It had nothing to do with the application process;
2 correct?

3 A Correct.

4 Q Right.

5 MR. PRINCE: Look at 1768, Bate Number 23, Brendan.

6 BY MR. PRINCE:

7 Q Monday, October 29th in the middle of the
8 application period about a month after the applications were
9 submitted it says you went on another TGIG facility tour on
10 that date; do you see that?

11 A Yes.

12 Q Okay. Just because you went on a tour doesn't mean
13 that he was going to get preferential treatment; correct?

14 A Correct.

15 Q Even though he's represented by Amanda Connor and he
16 was one of your closest people that you knew in the industry,
17 he didn't get preferential treatment, did he, because he didn't
18 win?

19 A Correct.

20 Q Now, it's not only just you that went on tours; he
21 actually took Director Contine on tours of the facility; right,
22 of his facilities?

23 A Yes.

24 Q Right. A number of them; right?

25 A Yes.

1 A It's what I thought was the case; he just kind of
2 confirmed what I already thought.

3 Q He didn't charge you for that advice?

4 A No.

5 Q Correct?

6 A Correct.

7 Q Sir, would you agree that no matter how much somebody
8 is in their own minds at least behaving in good faith, that
9 even the inadvertent disclosure of certain information can give
10 the person who receives that information an advantage over
11 others?

12 MS. WELCH: Objection as to form. Speculation.

13 THE COURT: Overruled.

14 THE WITNESS: I think that's in any case.

15 BY MR. GENTILE:

16 Q I'm sorry, sir?

17 A I think that can happen in any case.

18 Q Even inadvertent information, even an inadvertent
19 disclosure assuming that you didn't even realize you were doing
20 it, it gives that person an advantage; right?

21 A Depending on what it is.

22 Q Can you tell me of the thousand phone calls that you
23 had with Amanda Connor, can you re-create them all for me?

24 A No.

25 Q No, no one could; right?

1 A Right.

2 Q Have you ever added up the number of hours that you
3 spent talking to her on the telephone?

4 A No.

5 Q Would you -- if I told you it was a couple a hundred,
6 would you believe that?

7 A Sure.

8 THE WITNESS: Your Honor, can I take a quick bathroom
9 break?

10 THE COURT: We sure can. 10 minutes?

11 THE WITNESS: Five.

12 THE COURT: Five minutes. Okay.

13 Anybody else want to take a biologic break you've got
14 five minutes.

15 (Proceedings recessed 2:09 p.m. to 2:12 p.m.)

16 (Pause in the proceedings)

17 THE COURT: Ready? All right. Keep going.

18 MR. GENTILE: Okay. Shane, could you put Exhibit
19 1588, page 78 up?

20 BY MR. GENTILE:

21 Q Mr. Pupo, you have Exhibit 1588, page 78 -- it's
22 actually page 00078 -- up on the screen in front of you.

23 Now, this is not from your telephone, because we
24 never got your telephone or the text messages on it, whether
25 they were deleted or not. This is from Amanda Connor's

1 telephone, okay? But do you see the -- up at the top, the --
2 the initials J.P.?

3 A Yes.

4 Q Those are your initials?

5 A Yes.

6 Q Okay. And according to Amanda Connor, this is a text
7 message that was exchanged between you and her. And from
8 looking at it, can you say that that's not true?

9 A No.

10 Q Okay. Do you remember it?

11 A No.

12 Q All right. It -- it speaks as of -- well, it speaks
13 as of a couple of dates, but the one that I'm concerned about
14 is in the middle of the page. It says, September 4th, 2018 at
15 2:19 P.M.

16 And it -- the first part says,

17 How would I get a summary of taxes paid
18 by a company in the last five years? Is
19 there a way to request it from D.O.T.?

20 And that's her sending a message to you?

21 A Yes.

22 Q Because I don't think you'd be asking her if there
23 was a way to get anything from the D.O.T.

24 A Right. No.

25 Q Okay. So, and then you respond, Yeah, I can have

1 Rachael send it to you.

2 A Yes.

3 Q Do you see that?

4 A Yes.

5 Q Okay. Who's Rachael?

6 A Rachael is a revenue officer.

7 Q Revenue officer? Okay.

8 A Yeah.

9 Q And then, Amanda Connor responds to you. And I think
10 I showed this to you at your deposition.

11 A Yes.

12 Q But at that time we didn't know what was behind these
13 redactions.

14 A Okay.

15 Q Okay? Now we do. Do you have any idea right now
16 what's behind those redactions?

17 A No, I don't remember.

18 Q Okay. Well, according to Amanda Connor, she said,
19 Okay. I need it for Albertsons and Smith's.

20 THE COURT: Safeway.

21 MR. GENTILE: Safeway. I'm sorry.

22 THE COURT: Let's get it right if we're going to say
23 it.

24 MR. GENTILE: I misspoke. Okay. It was a trick
25 question. I was trying to get you to say that. Okay? I

1 misspoke. I apologize.

2 BY MR. GENTILE:

3 Q It says, Okay, I need it for Albertsons and Safeway.

4 And then you respond, What? Are they applying for a
5 retail store? LOL.

6 A Uh-huh.

7 Q That's on the next page. Because that was funny,
8 right, that Albertsons or Safeway would be trying to get --

9 A Yeah, I guess.

10 Q -- a retail marijuana establishment?

11 A Right.

12 Q You know, maybe in the vegetable department. I don't
13 know, herbs.

14 A Herbs.

15 Q Yeah.

16 A Herbs and spices.

17 Q And she responds, The owners of, blank, have
18 ownership in it, and I just want some sort of proof.

19 And you say, I will have to call you in a few.

20 Okay.

21 All right. Do you see that?

22 A Yes.

23 Q Okay. Now, let me ask you something. Did Rachael
24 ever call and provide Amanda Connor -- as far as you know --
25 and provide Amanda Connor with a summary of taxes paid by

1 Safeway or Albertsons over the past five years?

2 A No. I don't know.

3 Q You don't know?

4 A No.

5 Q Okay. Did you ever call Rachael and tell her to do
6 that?

7 A I probably -- I told her to call Amanda about that.

8 Q You told her to call who?

9 A Amanda.

10 Q Amanda?

11 A Yes.

12 Q Okay.

13 A I would have told her to call Amanda about it.

14 Q Do you have any idea why she was calling you to
15 obtain the tax information of Albertsons and Safeway?

16 MR. KOCH: Objection, speculation.

17 THE COURT: Overruled.

18 THE WITNESS: No.

19 BY MR. GENTILE:

20 Q Do people call you all the time to ask you for tax
21 information about some business that they don't own or aren't
22 representing?

23 A Yes.

24 Q And you always provide it?

25 A Never.

1 Q Never? Never?

2 A Not unless they're representing the company somehow.

3 Q And why don't you provide it?

4 A It's confidential.

5 Q It's confidential? But here you said you'd have
6 Rachael send it to her?

7 A Right. Rachael would -- would have -- have a
8 conversation with her, see if she's representing -- if she's --
9 if -- if she's representing or somehow entitled to get those
10 returns.

11 MR. GENTILE: Okay. Can we go now, Shane, to page 22
12 and 23.

13 BY MR. GENTILE:

14 Q Do you see 22 in front of you here, sir?

15 A Yes.

16 Q Okay. This happened a few months before the last one
17 that I showed you. This happened in May of 2018.

18 And again, we don't have it from your phone because
19 we haven't received your phone, or the contents that the Court
20 ordered to be produced, but we do have it from Amanda Connor.

21 And this also has a redaction. Do you know what's
22 under that redaction?

23 A No.

24 Q Well, what's under that redaction is, Unifern. Does
25 that name ring a bell to you?

1 A Who?

2 Q Unifern.

3 A Yes.

4 Q What is Unifern?

5 A A cultivation facility, I believe.

6 Q A cultivation facility?

7 A Yes, I believe so.

8 Q All right. And here, she is asking you, Does Unifern
9 in Henderson have final cultivation or production?

10 And then you respond, Yes. We have a huge problem,
11 needs attention ASAP. I need to speak to you and Rianna ASAP.

12 So you say, Yes, Unifern in Henderson does have a
13 final cultivation or production.

14 This request to Amanda about having a huge problem,
15 what was the huge problem that you had?

16 A I don't know. I don't remember.

17 Q It wasn't huge enough to remember a couple years
18 later?

19 MS. WELCH: Objection.

20 THE COURT: Overruled.

21 THE WITNESS: Right. We -- we have a lot of huge
22 problems.

23 BY MR. GENTILE:

24 Q You have a lot of what, sir?

25 A We had a lot of huge problems.

1 Q Okay. And then at the bottom you say, Has final
2 certs issued last month.

3 That was with regard to Unifern?

4 A If that's who's behind the redaction.

5 Q That's what's behind the redaction if she told us the
6 truth.

7 A Okay.

8 Q That's what she said. All right. Then if you go to
9 the next page, she said, How would I know that from something
10 public about Unifern?

11 Do you see that?

12 A Yes.

13 Q And you say, We don't publish cultivators' license
14 info, so I don't know.

15 Sir, did you not just, on the page before that,
16 publish to Amanda Connor that Unifern obtained its cultivation
17 license?

18 A Wait. Say that again.

19 Q Did you not -- do you want to see the first --
20 they're both up there now, right? Yeah, they're in, so now you
21 can see both pages.

22 On this page, which is 23, you say,

23 We don't publish cultivators' license
24 info, so I don't know. There was a recent
25 article about them regarding, maybe there is

1 something there.

2 A Right. Because the Department doesn't publish the
3 cultivator's license info regarding address location.

4 Q You don't publish the license -- you don't publish
5 the license info, period?

6 A Well, the theory behind that is the -- the address.
7 Cultivators did not want the public to know what their address
8 was. But the fact that they have a final certificate is --
9 is -- is public.

10 Q All right. But not that they have a final
11 certificate in Henderson; is that what you're saying?

12 A I'm sorry?

13 Q Not that they have a final certificate at any
14 particular location, but that they have a certificate?

15 A Yes, they -- they have a certificate.

16 Q You can -- if I hear what you're saying, when you
17 were at the Department, the Department could publish that
18 someone had a certificate for cultivation, but they could not
19 publish where the cultivator was growing?

20 A Correct.

21 Q All right. Here, she asks you a specific location,
22 Henderson. Am I right?

23 A Right.

24 Q And you confirm that they have a cultivation license
25 for Henderson?

1 A Yes.

2 Q All right. So the information that you gave to
3 Amanda Connor with regard to the location of where the
4 cultivation was licensed was not something that the Department
5 publishes to the public?

6 A Well, Henderson's pretty big, so we don't -- it's --
7 we don't publish the address. We don't give out the address of
8 any cultivator.

9 Q She then says to you, How would I know that from
10 something public about Unifern?

11 Why does she, in your mind, need to use a source
12 other than you? You told her it's in Henderson. Is there
13 something wrong with you telling her it's in Henderson?

14 A I have no idea.

15 Q And she then says,

16 I wonder if the City of Henderson has
17 issued them a business license. If so, that
18 would be on their public records, or tax
19 filing's not public, subject to public
20 records request.

21 And you said, Tax filings are confidential by
22 statute.

23 Right?

24 A Yes.

25 Q Such as the five years of Albertsons and Safeway?

1 A Yes.

2 Q But a business license is public?

3 A Yes.

4 MR. GENTILE: Can we now go to page 40 through 43?
5 I'm not going to need 42, but you can put it up there. Okay.

6 BY MR. GENTILE:

7 Q This is page 40 of that same exhibit. Again, it's
8 Amanda Connor's telephone, because we don't have yours. And
9 this is a thread that is taking place in June of 2018, so a
10 little bit after the one just before this where she was asking
11 about Unifern in Henderson, and a little bit before the one
12 that came later that we went over a few -- little bit ago, in
13 September. Okay?

14 A Uh-huh.

15 Q So this is June. And she sends you a screen capture
16 of a message that she got, it looks like an e-mail, actually,
17 from Karalin Cronkhite, and it was sent to Amanda Connor and
18 Marc Chmiel -- Chmiel -- Chmiel.

19 A Chmiel.

20 Q Okay. Who is he?

21 A He's an inspector.

22 Q And -- all right. And then it says, Hi, Amanda. Was
23 the facility modification to remove the hand sink and replace
24 it with a three-compartment sink approved?

25 Do you see that?

1 A Yes.

2 Q All right. And what's a three-compartment sink and
3 why is it important?

4 A It's a -- it's exactly that. It's a sink with three
5 compartments that is used for sanitation, sanitizing.

6 Q In a marijuana establishment?

7 A Yes.

8 Q Do you know why?

9 A Health reasons.

10 Q Okay. And right below that email that she sends you,
11 on the green part, it says -- and it's her speaking.

12 It says, I thought it wasn't going to be more issues.

13 And you respond, I haven't talked to her yet. Did it
14 get approved?

15 So from that, is it fair for me to infer that Amanda
16 Connor had already talked to you about a problem she was having
17 with Karalin Cronkhite, and that you said to Amanda that you
18 would talk to Karalin Cronkhite about it?

19 A Right.

20 Q Okay. And then Amanda on the next page -- this is
21 page 41 -- responds to you, So the sink was added as a part of
22 the corrective action to the deficiencies, and it says, He
23 (sic) plan of correction was approved.

24 Probably a typo. Probably should have been "the plan
25 of correction was approved."

1 And she goes on to say,

2 For the record, do you want me to submit
3 a separate facility modification? As soon as
4 I do, she is going to insist on hand sinks,
5 et cetera.

6 Do you see that?

7 A Yes.

8 Q And the "she" that she's talking about -- is it fair
9 for me to infer that the "she" is Karalin Cronkhite?

10 A Yes.

11 Q Okay. Why is she -- why is Amanda Connor contacting
12 you with a problem that she appears to be having with Karalin
13 Cronkhite instead of working it out with Karalin Cronkhite?

14 A Because it was a part of bigger issues or more global
15 issues where the Department had approved many modifications in
16 2014, and subsequent to that, and we were not being consistent
17 with those approvals. Every time you had a new -- well, a lot
18 of times you have a new inspector or auditor, and they would
19 interpret things a different way. They'd go in there, and
20 something that had already been approved, they'd go in and say
21 it's not good enough.

22 Q Now, if we had your phone, we'd know if other people
23 sent you texts like this with regard to this problem, but we
24 don't have your phone, do we?

25 MR. BICE: Objection to the form.

1 THE COURT: Overruled.

2 THE WITNESS: No.

3 BY MR. GENTILE:

4 Q And then you respond, Just tell her it was part of
5 the pic which was approved.

6 And she says, Okay.

7 A Yes.

8 Q Now, did you see a pic?

9 A No, I -- I just turned it over to Kara. That's
10 Kara's wheelhouse. What she says goes there.

11 Q So you're telling Amanda Connor, Just tell her it was
12 part of the pic which was approved.

13 But you never saw the pic, and you don't know what
14 was on the pic, do you?

15 A No. From my understanding, it was a picture of
16 the -- what was there and that had previously been approved,
17 and now the Department was saying it was no good.

18 Q And your understanding was based upon something other
19 than this text thread. What was it based upon?

20 A A phone conversation with Amanda.

21 Q A phone conversation with Amanda. Okay.

22 A Right.

23 Q Thank you.

24 MR. GENTILE: And if we could then go to page 00043.

25 / / /

1 BY MR. GENTILE:

2 Q Up here -- it's actually, I think, the next day. No,
3 it's the same day. In fact, it's the same day, and an hour and
4 25 minutes later Amanda is sending you a screen capture now of
5 a message that she received from Marc Chmiel.

6 Do you see that?

7 A Yes.

8 Q And Marc is telling her,

9 The approved plan of correction for,
10 blank, dated May 3rd, 2018, does not include
11 language regarding the removal of a hand
12 sink, nor installation of a three-compartment
13 sink. There are no facility modifications
14 approved or pending approval on file for this
15 facility in this regard as well. A facility
16 modification such as the removal of a hand
17 sink must be first approved by the
18 Department. Please submit a facility
19 modification request in this regard for the
20 review by the Department.

21 So we're still talking about a sink?

22 A Yeah.

23 Q Only this time it's Marc Chmiel talking about it?

24 A Right.

25 Q And he was copied on the earlier screenshot that was

1 from Kara Cronkhite?

2 A Right.

3 Q Okay. To which Amanda responds to you -- actually,
4 she doesn't respond to you. She's just sending you the Chmiel
5 screen capture of the e-mail, and now saying to you,

6 Just for your information, saying it was
7 part of the picture didn't work. I can
8 submit a modification, if needed, but I don't
9 want a lot of changes to continue to be
10 requested.

11 She's saying that to you; right?

12 A Right.

13 Q And you don't know why she's not saying that to Marc
14 Chmiel or Kara Cronkhite?

15 A You know, she's not the only one. That -- I don't
16 know. People would call me -- TGIG would call me about their
17 production facility and changes were requested.

18 Dr. Spirtos would call me about --

19 Q TGIG was represented by --

20 THE COURT: Wait, you've got to let him --

21 MR. GENTILE: Oh, I'm sorry.

22 THE COURT: -- finish his answer.

23 MR. GENTILE: Okay.

24 THE COURT: Sir, if you could finish.

25 THE WITNESS: Doctor -- you know, Dr. Spirtos would

1 call me about problems in his cultivation facility, and floor
2 mats, and wet mats. And I mean, this is -- this is not rare.

3 BY MR. GENTILE:

4 Q TGIG was represented by Amanda Connor; am I right?

5 A Yes, but John or Demetri -- Demetri would call me.

6 Q I think you said that it was September -- what was
7 the date that you were separated from the Department of
8 Taxation?

9 A Officially, September 7th.

10 Q September 7th? Okay.

11 MR. GENTILE: Can we show 1588-0003, please?

12 BY MR. GENTILE:

13 Q Do you have it before you, sir?

14 A I'm sorry?

15 Q Do you see it?

16 A Yes.

17 Q Okay. This is a text message. It appears to be from
18 you to Derek Connor.

19 A That's not what I have on my screen.

20 THE COURT: That's SG on the top there.

21 MR. GENTILE: I don't see it on mine.

22 THE WITNESS: I have --

23 THE COURT: Here, see that little circle? It says,
24 SG.

25 MR. GENTILE: Huh. The hard copy that --

1 THE COURT: Some of us think SG's not --

2 MR. GENTILE: Is this 00083?

3 THE COURT: No, this is 003.

4 MR. GENTILE: No, I wanted 00083, please. There we
5 go.

6 BY MR. GENTILE:

7 Q Up at the top, it says, Jorge's new cell. Did you
8 get a new cellular phone after you were separated from the
9 Department of Taxation?

10 A Yes.

11 Q What was the phone number? Well, I don't care about
12 that, because it's already -- you're not there anymore.

13 And you are communicating to Derek Connor?

14 A Yes.

15 Q Do you know if this was sent to Derek Connor's phone
16 or to Amanda Connor's phone? It was produced by Amanda Connor.

17 A It should be Derek's phone.

18 Q Okay. So you're communicating to Derek, saying, This
19 is my new personal number. Please don't share it with anyone.

20 Right?

21 A Yes.

22 Q And he says, Thank you. Hope you and the family are
23 doing well.

24 And you say, Hangin' in the -- the brother."

25 Now, we don't know what date that earlier -- that

1 first part of this page was done on?

2 A It's not on there.

3 Q And I don't suppose you know either?

4 A No.

5 Q But you would agree that right below that, it says
6 September the 18th, which is 11 days after your separation, you
7 send him a text saying, I'll call you back.

8 No -- yes. You sent him a text saying, I'll call you
9 back.

10 And then he says to you, Thank you. Please do. And
11 he sends you a phone number, 702-386-0536, and it says, David
12 Marks and Adam Levine. And then he corrects it to "Dan Marks."

13 Well, he doesn't say Dan Marks. He says, Dan; Right?

14 A Right.

15 Q Okay. And you have come to learn, sir, that
16 Mr. Marks and Mr. Levine specialize in representing employees
17 in labor disputes?

18 A Yes.

19 Q Now, there's nothing on this text message that would
20 explain Derek Connor just coming up out of thin air with the
21 idea of sending you the name of David -- of -- of Dan Marks and
22 Adam Levine and their phone number, so I'm going to presume
23 that you had a discussion about this before he sent this text
24 message.

25 A Yes.

1 Q Is that fair to say?

2 A Yes.

3 Q So, again, you spoke with Derek Connor, who is a
4 lawyer, and I assume that it was -- it had something to do with
5 a labor dispute, maybe the fact that you had been separated?

6 A Yes.

7 Q And he recommends a specialist in the field for you
8 to call and sends you the phone number; am I correct?

9 A Yes, he felt I should talk to someone.

10 Q Okay.

11 A Which, by the way, I never called and not interested.

12 THE COURT: You don't have to tell us, sir.

13 THE WITNESS: Okay.

14 THE COURT: Okay.

15 BY MR. GENTILE:

16 Q You have continued to maintain social contact with
17 Derek Connor, at least for a while. Last December, you went to
18 an Army-Navy game at the M Hotel?

19 A No.

20 Q Where did -- where -- where did you go to that game?
21 I mean, you -- you went to the Army-Navy game with Derek Connor
22 to watch the game; am I right?

23 A Yes.

24 Q Okay. That was three months after you were separated
25 from the Department of Taxation?

1 A Yes.

2 Q It was almost three months since he recommended a
3 labor lawyer for you, that you went to the Army-Navy game;
4 right?

5 A Yes.

6 Q A little bit earlier, I was asking you about
7 compliance and why it wasn't on the application and you
8 basically didn't know. And you didn't know that it wasn't
9 going to be -- that it didn't, in fact, get scored.

10 Do you remember that?

11 A Yes.

12 Q Okay. And -- and you didn't know how anybody could
13 score it if they didn't have access to the compliance history
14 of the applicant; right?

15 A Yes.

16 Q Okay. But you really didn't know any of that in
17 terms of not having access to the information.

18 When did you first learn that the scorers, the
19 evaluators of the applications, did not have access to the
20 compliance history of the applicants? Was that after the
21 process was over?

22 A Yes.

23 Q Okay. How -- how much after; do you remember?

24 A A long time after.

25 Q A long time after? Maybe during the preliminary

1 injunction hearing?

2 A Yes.

3 Q Okay. So at least you thought that they were going
4 to have access, until you found out that they didn't get
5 access?

6 MR. BICE: Objection. Foundation.

7 BY MR. GENTILE:

8 Q Fair to say?

9 THE COURT: Overruled.

10 THE WITNESS: I assumed that they were going to have
11 the information they needed to evaluate the --

12 BY MR. GENTILE:

13 Q Okay. Good. Thank you. And you would agree, would
14 you not, that if they had access to information, that one of
15 the applicants had made three or four sales of marijuana to
16 minors, and multiple sales to the same minor, that no matter
17 what the resolution of that was, it wasn't going to be good for
18 the applicant?

19 MR. BICE: Objection.

20 MR. KOCH: Objection. Vague and that it lacks
21 foundation.

22 THE COURT: Overruled.

23 THE WITNESS: All right.

24 THE COURT: You can answer.

25 THE WITNESS: Can you repeat that?

1 BY MR. GENTILE:

2 Q Yes, sir. I think I can. At the time that you --
3 well, let me rephrase it. You would agree, would you not, that
4 if the evaluators did have access to the historic compliance
5 records, and the historic Statements of Deficiencies of an
6 applicant, they'd be able to look at those no matter -- and it
7 wouldn't really matter how they were resolved, because they
8 would know what kind of behavior took place there; am I right?

9 A Right.

10 Q Okay. And you would agree, sir, would you not, that
11 perhaps other than maybe lying to the Department of Taxation,
12 perhaps the most egregious violation, certainly to a parent,
13 would be the sale of marijuana to a minor?

14 MR. KOCH: Objection. Speculation to regulations
15 with minors violations.

16 THE COURT: Overruled.

17 THE WITNESS: To a parent, maybe, but not necessarily
18 overall, I don't think.

19 BY MR. GENTILE:

20 Q To your knowledge, were any of the evaluators
21 parents?

22 A I don't know.

23 MR. PRINCE: Objection, relevance, Judge.

24 THE COURT: Overruled.

25 / / /

1 BY MR. GENTILE:

2 Q Did any of them have children?

3 MR. PRINCE: Relevance.

4 THE COURT: Overruled.

5 THE WITNESS: I don't know.

6 BY MR. GENTILE:

7 Q You don't know. And you wouldn't have known in
8 February or March or April of 2018, because the evaluators
9 hadn't been hired yet; am I right?

10 A Correct.

11 Q Do you think a sale to a minor is a serious
12 situation?

13 MR. KOCH: Objection. Vague, regulations with minor
14 violation.

15 THE COURT: Overruled.

16 THE WITNESS: Yes.

17 BY MR. GENTILE:

18 Q How old was your daughter in 2018?

19 MS. WELCH: Objection. Relevance.

20 THE COURT: Sustained.

21 Can you rephrase your question?

22 MR. GENTILE: Sure.

23 BY MR. GENTILE:

24 Q If someone had some marijuana to one of your kids,
25 how would you feel about it?

1 MS. WELCH: Objection.

2 THE COURT: Sustained.

3 THE WITNESS: Today?

4 THE COURT: Wait -- wait.

5 Sustained.

6 MS. WELCH: Objection.

7 THE COURT: You don't have to --

8 THE WITNESS: Oh, I'm sorry.

9 THE COURT: -- answer that. Let's not focus this on
10 Mr. Pupo as a parent.

11 MR. GENTILE: Okay.

12 THE COURT: Mr. Pupo as a regulator is fine, though.

13 MR. GENTILE: Thank you.

14 BY MR. GENTILE:

15 Q As a regulator, sir, how would you feel if somebody
16 sold marijuana to a minor?

17 THE COURT: Pull up your mask, please. Thank you.

18 THE WITNESS: I'm sorry?

19 BY MR. GENTILE:

20 Q I was going to say, how would you feel if somebody
21 sold marijuana to your daughter but that's --

22 THE COURT: Uh, yeah, no.

23 BY MR. GENTILE:

24 Q -- the same question.

25 THE COURT: I was -- yeah. I'm trying to refocus us.

1 BY MR. GENTILE:

2 Q Okay. Do you understand the question?

3 A Okay. What's -- so --

4 Q Well, do you have any kind of a visceral response to
5 the fact that someone, whether it be a licensed establishment
6 or a dope dealer on a corner, is selling drugs to a kid?

7 MS. WELCH: Objection to the form of the question.

8 THE COURT: Overruled.

9 MR. PRINCE: Well, Your Honor, I'll object to
10 foundation. What does "visceral" mean? I don't even know --

11 THE COURT: Overruled.

12 THE WITNESS: So, yeah, I have a problem with that.

13 BY MR. GENTILE:

14 Q You have what?

15 A I have a problem with sales to --

16 Q You have a problem --

17 A -- minors.

18 Q -- with that?

19 A Yes.

20 Q Okay. And what if they did it twice?

21 A I'd still have a problem with it.

22 Q What if they did it three times?

23 A I still have a problem with it.

24 Q What if they did it four times?

25 A I'll have a problem with it each time it happens.

1 Q It is my understanding -- well, let me go through the
2 document. I think it might be here.

3 MR. GENTILE: Can we put 1427 up on the screen,
4 please?

5 Let Mr. Pupo have a chance to read the whole thing,
6 please, Shane, before I question him.

7 THE COURT: So let's pull it up big enough for you to
8 be able to read, sir. And then we'll leave it up there for a
9 few minutes.

10 THE WITNESS: Okay.

11 THE COURT: Do you want to go to the prior one or the
12 post one, before or after the one line?

13 MR. GENTILE: No, there are four pages of this
14 document, and I want him to be able to read --

15 THE COURT: Okay. We're on a half of a page.

16 MR. GENTILE: I understand. He should --

17 THE WITNESS: Yeah, I'm fine.

18 MR. GENTILE: -- read -- once you've finished reading
19 what's on the screen we will move it to the next part.

20 THE WITNESS: Okay. You can move on.

21 MR. GENTILE: So you need to tell that gentleman back
22 there.

23 THE WITNESS: All right.

24 (Pause in the proceedings while witness reviews exhibit)

25 THE WITNESS: Okay.

1 BY MR. GENTILE:

2 Q So you've read it all?

3 A Yes.

4 Q Do you remember this -- this situation?

5 A Yes.

6 Q There apparently had been three separate sales to
7 minors and that's what this was all about, this -- this --

8 A Yeah.

9 Q -- this -- this discussion?

10 A Yes.

11 Q Okay. And on the 26th of April, did it come to your
12 attention there had been three separate incidents on three
13 separate dates?

14 A I'm sorry. Say that again.

15 Q You want me to say it again?

16 A Yes.

17 Q Okay. Did it -- I'm looking at this e-mail on the
18 second page, page two.

19 MR. GENTILE: Show it to him, please, Shane.

20 BY MR. GENTILE:

21 Q And it's from Karalin Cronkhite to Damon Hernandez
22 with copies to Terrence Whittier, Rino Tenorio, and Steve
23 Gilbert.

24 And then right below that it's a April 26th e-mail,
25 late in the day, from Damon Hernandez to Kara, and it says,

1 As an update, I reviewed the under-21
2 sales incidents with Rino and Terrence, and
3 it turns out that there are three separate
4 incidents on three separate dates. I advised
5 them to revise the SOD to consolidate the SOD
6 into one encompassing all three incidents.

7 In addition, it appears that the manager
8 lied about the number of incidents of sales
9 to minors stating that there was only one
10 when there were three.

11 At this point, they are looking at three
12 Category 2B violations with the third
13 incident resulting in a 30-day suspension.
14 The providing false information to the
15 Department is a Category 1, 30-days and
16 35,000, or revoke.

17 We will discuss further upon receipt of
18 the consolidated write-up for the SOD.

19 Did you know about that communication from Damon
20 Hernandez to Kara Cronkhite on April 26th or 27th, say?

21 A No.

22 Q When did you learn about it?

23 A During this process. I'm --

24 Q During --

25 A -- I'm not sure.

1 Q -- during the court hearings?

2 A Yes.

3 Q Okay. And then on the first page, this is another
4 e-mail -- or excuse me -- yeah, it's an e-mail, from Damon
5 Hernandez to Karalin Cronkhite and Steve Gilbert. Again,
6 you're not on it.

7 Do you see that?

8 A Yes.

9 Q In this one he says, I spoke to Jorge about this on
10 Friday.

11 Now, I'm going to stop there, because if you see,
12 this says, Monday, April 30th, on the sent line.

13 A Right.

14 Q So, Friday was April 27th, three days earlier; right?

15 A Right.

16 Q Okay. And then it goes on to say, Apparently, Jorge
17 is aware of the issues and has spoken with the owner of the
18 establishment on this previously.

19 So, I'm going to stop there and I'm going to ask you,
20 who owns Integral Associates? Earlier, you said it was Armen
21 Yemenidjian.

22 A Yes.

23 Q Did you speak to Armen Yemenidjian about sales to
24 minors?

25 A I don't remember talking to him about that.

1 Q Did you speak to Brian Greenspun about sale to
2 minors?

3 A No.

4 Q It says,

5 The owner has been trying hard to find a
6 system solution for this issue and will be
7 implementing new software to address the
8 selling to minors occurrences.

9 Do you see that?

10 A Yes.

11 Q So did the owner, either Mr. Yemenidjian, or Mr.
12 Greenspun, say to you that they were trying to find a system
13 solution for this issue and would be implementing new software
14 to address the selling to minors occurrences?

15 A No. I had a couple conversations regarding a new
16 system. I was told that they were trying to redo the system to
17 some -- it was called Tree something, Green Tree or something
18 like that. But it was not in reference to any sales to minors.

19 Q Okay. And then it says,

20 Per Jorge, due to the good faith history
21 of the owner/establishment, the fact that it
22 was self-reported and the steps taken after
23 the establishment learned about the incident,
24 example, termination of employees, Jorge does
25 not want to assess a civil penalty. I will

JD Reporting, Inc.

1 advise Rino and Terrence this morning.

2 Did you direct them to not assess a civil penalty?

3 A Yes.

4 Q Okay. And that was because of self-reporting?

5 A Yes.

6 Q Okay. Now, here's a question I've been dying to ask
7 for a long time.

8 What's the limit? How many times do you get to
9 self-report before sooner or later somebody says, enough?

10 A Well, at the time, I was working on getting the minor
11 compliance check program up and running.

12 See, if self-report --

13 Q No, you're not answering my question.

14 THE COURT: Wait.

15 BY MR. GENTILE:

16 Q How many times --

17 MR. BICE: Objection.

18 THE COURT: Wait. Wait.

19 MR. GENTILE: Okay.

20 THE COURT: Mr. Gentile, let him finish --

21 MR. GENTILE: Okay. All right. I'm sorry.

22 THE COURT: -- please.

23 MR. GENTILE: I'm sorry.

24 THE COURT: Sir, please finish your answer.

25 THE WITNESS: Self-reporting, in my opinion, is the

1 highest form of compliance that -- that -- that a licensee can
2 have or -- or -- or perform.

3 So at that time, we -- I was trying to get the minor
4 compliance check program running that's similar to the Attorney
5 General's Office Tobacco Enforcement Unit. Along those lines,
6 we were working on Bill drafts and all these things. We kept
7 running into obstacles.

8 My -- my hope was that these occurrences would be
9 limited in the -- in -- to the point in time that we were able
10 to get the minor compliance check program, you know, a minor
11 compliance check program, because these -- the -- there is no
12 way, other than self-reporting for the Department or the
13 Division, to go into a facility and find whether minor sales
14 were -- were made or not.

15 So, you know, I -- I consulted my Director, my Chief
16 Deputy, I let them know, my AG, there -- there were no
17 objections to -- to this. There -- everyone knew I was trying
18 to get the minor compliance program going. I had even sent a
19 draft to my Director, asking whether it needs to be going on --
20 on a bill -- bill draft to the legislature, or if we had to
21 regulations.

22 MS. LEVIN: I caution the witness not to talk
23 about --

24 THE COURT: He said his Director.

25 MS. LEVIN: I understand. But I'm -- he's mentioned

1 the AG's Office once. I just want to caution the -- the
2 witness not to go further.

3 THE WITNESS: Right.

4 THE COURT: So don't tell us what the AG told us, but
5 you're welcome to talk all about your legislative analysis.

6 THE WITNESS: Right. Well, I just had a
7 conversation, right, so the -- we were trying to figure all
8 that out.

9 Shortly before I left we started -- we started to
10 make some progress. Then it was pulled back. You know, the
11 Department or -- you know, we looked at that self-reporting
12 until we get this done, and I'm concerned more about the -- the
13 bad actors that aren't reporting, the ones that are sending us
14 forged documents from government -- local governments, the ones
15 that are using unapproved equipment that can harm and possibly
16 kill somebody. Those -- those are the things that I was
17 focused on.

18 BY MR. GENTILE:

19 Q And not the sale to minors?

20 A Like I said, the self -- self-reporting at that point
21 I was working on getting the minor compliance check program up
22 and running.

23 Q Um --

24 A We kept running into obstacles.

25 Q -- you would agree, would you not, that the name of

1 the Division that you were the Deputy Director of was the
2 Marijuana Enforcement Division; right?

3 A Yes.

4 Q Okay. You would agree, would you not, that -- well,
5 I don't know, maybe you don't know. Are you aware that law
6 enforcement employees, young-looking police officers, to hold
7 themselves out as minors in undercover operations?

8 A Yes. And the AG's Tobacco Enforcement Unit sends out
9 their -- their people to --

10 MS. LEVIN: Whoops, objection.

11 THE WITNESS: -- locations.

12 THE COURT: Yeah. Don't tell us what the AG's Office
13 does.

14 THE WITNESS: Okay.

15 THE COURT: We know Metro does it, though.

16 BY MR. GENTILE:

17 Q Were you working with any law enforcement agency to
18 send in young-looking law enforcement officers to try to buy --

19 MS. LEVIN: Objection.

20 THE COURT: Sustained.

21 MR. GENTILE: I have not finished my question yet.

22 THE COURT: Yeah, but you can't go into what the
23 thought process is for the enforcement. You've got to skip
24 that part.

25 / / /

1 BY MR. GENTILE:

2 Q To your knowledge, regardless of what the law
3 enforcement agency was, to your knowledge, while you were the
4 Deputy Director, was any undercover operation even attempted?

5 THE COURT: Sustained.

6 MS. LEVIN: Okay. Just for the record, objection.

7 Calls for confidential --

8 THE COURT: All right. I saw you standing up --

9 MR. GENTILE: Could --

10 THE COURT: -- so I was a head of you.

11 MR. GENTILE: Could we please -- I don't mean to talk
12 over you. I'm sorry.

13 THE COURT: It's okay. I was telling Ms. Levin that
14 I understood she was in the process of objecting when I was
15 making the ruling.

16 MR. GENTILE: Could we please pull up 1809-0033.

17 THE COURT: Is this one admitted?

18 THE CLERK: It is.

19 THE COURT: Okay.

20 BY MR. GENTILE:

21 Q Now, Mr. Pupo, the very first page or two of this
22 entire exhibit gives instructions as to how to read it, and
23 those instructions are now in evidence.

24 But I am here to tell you that you see this column
25 that says at the top, CO and then date/time, and then beneath

1 that it says, UTC?

2 A Yes.

3 Q Okay. Well, the time that's reflected on here is 7
4 hours ahead of Pacific time; okay?

5 A Okay.

6 Q Now, if you will look at line 781 -- excuse me --
7 let's start with 765.

8 Do you remember the -- the earlier exhibit, Mr.
9 Hernandez said that you spoke -- you told him that you spoke
10 with the owner about this situation?

11 A Yes.

12 Q And you've now given us your explanation. You never
13 talked to the owner, certainly about sale to minors; right?

14 A Right.

15 Q Okay. And if you look at the -- line 765, you spoke
16 to Amanda Connor at 6:35 a.m. on the 25th of April for
17 5 minutes and 41 seconds. She phoned you. Do you see that?

18 A Yes.

19 Q You spoke to Amanda Connor, and you calling her, that
20 same day, at 8:17 a.m., and talked to her for 25 minutes and
21 27 seconds. Do you see that?

22 A Yes.

23 Q The next day on the 26th of April, you phoned Amanda
24 Connor at 9:53 a.m., spoke to her for 2 minutes and 49 seconds.
25 Do you see that?

1 A Yes.

2 Q And then on the 26th, again, she calls you at 2:05 in
3 the afternoon, and spoke to you for 7 minutes and 43 seconds;
4 right?

5 A Okay.

6 Q And then on that Friday, April 27th; remember we've
7 said April 27th was the Friday?

8 A Right.

9 Q You spoke to Amanda Connor. She called you and you
10 spoke to her for 8 minutes at approximately 3:47 p.m. Do you
11 see that?

12 A Yes.

13 Q So might it have been Amanda Connor that you spoke
14 to, not the owner, and then told Mr. Hernandez what you told
15 Mr. Hernandez -- what he says you told him?

16 A I did speak to Amanda Connor. She called me to tell
17 me that she had -- and I don't know if it was that date or not,
18 but that she had some self-reporting to do about sales to
19 minors.

20 Q Now, I'm going to ask you the question I asked you
21 before, because you never answered it.

22 How many times do you get to self-report with nothing
23 happening?

24 MS. LEVIN: Objection, calls for confidential --

25 THE COURT: Overruled.

1 MS. LEVIN: -- information.

2 THE WITNESS: There's no guideline.

3 BY MR. GENTILE:

4 Q No guideline. So it kind of -- it kind of depends on
5 who the Deputy Director is; right?

6 MS. WELCH: Objection as to form, argumentative.

7 THE COURT: Overruled.

8 THE WITNESS: It's a judgment call. It was a
9 judgment call at the time, with everything else that was going
10 on, trying to get the compliance program up.

11 BY MR. GENTILE:

12 Q And you would agree, would you not, that in April of
13 2018, the application wasn't out yet for the September
14 impartial numerically scored competitive process?

15 A Correct.

16 Q And you would agree, would you not, that in April,
17 you did not know that the compliance history of an applicant
18 was never going to come to the attention of the graders; right?

19 MR. BICE: Objection to form.

20 THE COURT: Overruled.

21 THE WITNESS: Correct.

22 BY MR. GENTILE:

23 Q There came a time, sir, that the applications were
24 submitted, they were evaluated, they were scored and they were
25 ranked in the 2018 impartial, numerically scored, competitive

1 process. Am I right?

2 A Yes.

3 Q And there came a time when you received the
4 preliminary results. Am I right?

5 A Yes.

6 Q And did you take a vacation in November of 2018?

7 A Yes.

8 Q And when did you return from your vacation?

9 A I believe it was the 26th.

10 Q November 26th?

11 A Yes.

12 Q Okay. And when you returned -- before you left for
13 your vacation, were the preliminary results in yet?

14 A No.

15 Q So on the 26th of November when you returned from
16 your vacation, were the preliminary results in yet?

17 A I received them that day.

18 Q You received them that day. And who knew, besides
19 you, that you received them that day, insofar as you know?

20 A People in Carson City working with Steve.

21 Q Okay. And can we agree that at least at that stage
22 it would have been improper to have announced -- to have -- I
23 don't want to say that. Let me start over. Can we agree that
24 at least as of November the 26th it would have been improper to
25 tell anyone about the scoring on the preliminary results?

1 A Yes.

2 Q Anyone outside of the Department of Taxation or maybe
3 the Tax Commission?

4 A Yes.

5 Q We can agree to that?

6 A Yeah, I believe so.

7 Q Okay. Do you remember what time you got to work that
8 day?

9 A No.

10 Q When you got to work, were the results already there
11 on the 26th?

12 A I don't think so.

13 Q You don't remember?

14 A I don't think so.

15 Q You don't think so. So they came later in the day?

16 A I think I got them during the course of the day. I
17 don't know what time of the day.

18 Q During the course of the day. Okay.

19 A Actually, wait a minute. Yeah, I think they were
20 there already in the morning.

21 Q All right. And what did you do once you got them?
22 Did you do something with them? Did you look at them?

23 A Yes, I looked at them.

24 Q Okay. And what did you do? I mean, other than look
25 at them, did you do anything else?

1 A No. I looked at them. I went through. I saw some
2 areas that people were scored zeros on and I thought that was
3 strange, so I asked Steve to pull those documents and verify
4 that those zeros were legit.

5 Q Okay. And did you do anything more after you talked
6 to Steve about it? Anything more with regard to the results?

7 A I think that when I got them, I believe it was that
8 day, that there were two items that were crossed, crossed out.

9 Q Crossed out?

10 A Yes.

11 Q What were those items?

12 A One of them was -- I don't know if it was Commerce
13 Park and probably Essence. One of them was Essence.

14 Q So one was Commerce Park, which is part of the Thrive
15 operation. Am I correct?

16 A Right.

17 Q And one was an Essence that was crossed out?

18 A Right.

19 Q You don't remember which Essence --

20 A No.

21 Q -- right? Okay. And when you saw that those were
22 crossed out, what did you do?

23 A I called Steve and asked them why they were crossed
24 out.

25 Q So you called Steve Gilbert. Now, if I understand

1 correctly, Commerce Park, the Thrive one, is part of the Mitch
2 Britten company that is represented by Amanda Connor.

3 A Yes.

4 Q Am I right?

5 A Yes.

6 Q Okay. And the Essence one, and you don't remember
7 which it was, that's part of the company that is Integral,
8 which was owned by Armen Yemenidjian, Brian Greenspun and
9 represented by Amanda Connor; right?

10 A Yes.

11 Q Okay. And those were the only two that were crossed
12 out?

13 A Yes.

14 Q All right. And so you called Steve. What did Steve
15 tell you? Why were they crossed out?

16 A Because they -- the ones that were crossed out,
17 whoever was doing the scoring or whatever said that they were
18 from the same ownership group.

19 Q Okay. And so -- now, was that the same day? Was
20 that the 26th or was that the 27th?

21 A I'm not sure.

22 Q You're not sure?

23 A No.

24 Q Okay.

25 MR. GENTILE: Well, can we pull 1581, page 1, up on

1 the screen.

2 TECH SHANE: One five eight one?

3 MR. GENTILE: One five eight one.

4 BY MR. GENTILE:

5 Q Do you see 1581?

6 A Yes.

7 MR. GENTILE: Shane, could you make larger the --

8 TECH SHANE: I did.

9 MR. GENTILE: You did already. Don't make it yellow,
10 just leave it white. Well, you can do -- I don't care.

11 BY MR. GENTILE:

12 Q Is it easier for you to read with the yellow?

13 A That's fine. That's fine.

14 Q White is fine? Read that aloud to me, will you.

15 THE COURT: The red part?

16 MR. GENTILE: The red part.

17 THE COURT: Okay.

18 MR. GENTILE: Yes, the red part.

19 THE WITNESS: Per Jorge, 11/28/18, Essence Tropicana
20 and Henderson, and Thrive Cheyenne and Commerce will be issued
21 both licenses for unincorporated Clark.

22 BY MR. GENTILE:

23 Q Okay. Who wrote that?

24 A I don't know.

25 Q Who do you think wrote it?

1 A Someone in Steve's staff that was working this sheet.

2 Q Somebody at Steve Gilbert's staff?

3 A Right.

4 Q Okay. And it says, "Per Jorge." Did you tell Steve
5 Gilbert that they should not be crossed out, but they should in
6 fact be awarded? The two that were crossed out, the one that
7 was an Integral license and the one that was a Thrive license?

8 A So I had a conversation with Steve and my DAG and --
9 to discuss --

10 MS. LEVIN: Careful.

11 THE COURT: We don't want to know what the DAG and
12 you talked about because that would be obtaining legal advice.

13 THE WITNESS: Okay.

14 MR. GENTILE: If I may ask another question before --

15 THE COURT: You may ask a foundational question.

16 MR. GENTILE: Sure.

17 BY MR. GENTILE:

18 Q Here's what I want to know. Don't tell me what your
19 deputy attorney general said to you, okay. If the discussion
20 was in the presence of the deputy attorney general, don't tell
21 me. But what I am concerned about is when was that discussion?
22 Was it on the 27th or on the 28th, like this date bears?

23 A I don't know. I don't know if it's, you know, the
24 27th and, you know, the person who inputted this put it in on
25 the 28th. I don't know.

1 Q Okay. And those are the only two people that you
2 talked to about it?

3 A I believe so.

4 Q You believe so. Okay. And on the 28th, somebody
5 wrote in here, "Per Jorge." Well, it says what it says. The
6 judge can read it. She's the trier of fact.

7 THE COURT: I have read it several times.

8 MR. GENTILE: I know.

9 THE COURT: And I was going to ask about it but you
10 beat me to it.

11 MR. GENTILE: Can we pull up 1809-0085. Can you
12 please highlight line 2744.

13 BY MR. GENTILE:

14 Q Do you see that?

15 A Yes.

16 Q That's a call that you made to Amanda Connor.

17 A Okay.

18 Q Now, if you look at this exhibit, you talked to her
19 the night before, too, but that was only for 8 minutes. Could
20 you please tell the Court, on the 28th of November, 2018, at
21 5:45 p.m. what you talked to Amanda Connor about for 42 minutes
22 and 40 seconds?

23 A I have no idea.

24 Q You have no idea?

25 A No.

1 Q Do you believe in coincidence?

2 A Sometimes.

3 MR. PARKER: Your Honor, just for the purposes of the
4 record, Mr. -- I believe Mr. -- unfortunately Mr. Gentile
5 doesn't know military time --

6 THE COURT: We already talked about the UTC time.

7 MR. GENTILE: No, we've already talked about it. And
8 this is UTC.

9 MR. PARKER: Is it?

10 THE COURT: It's UTC time.

11 MR. GENTILE: It is UTC and it's seven hours --

12 MR. PARKER: Okay. Well, Teddy doesn't know UTC
13 time. I'll go with that.

14 THE COURT: All right.

15 MR. GENTILE: And I do know military time, sir.

16 THE COURT: See up at the top, Mr. Parker, it has
17 UTC.

18 MR. PARKER: All right. You know something, Your
19 Honor, I do see it.

20 THE COURT: See that right there?

21 MR. PARKER: I do see it.

22 THE COURT: I know that because my son looks at the
23 seismological reports and they're all in UTC time.

24 MR. PARKER: Gotcha. Thank you.

25 THE COURT: So I've had to develop an understanding

1 myself.

2 MR. PARKER: I was dying back there. Go right ahead,
3 Mr. Gentile.

4 MR. GENTILE: Thank you, Mr. Parker. If I may have a
5 moment.

6 THE COURT: While he's doing that, sir, do you know
7 the name of the deputy attorney general you spoke with? Just
8 the name.

9 THE WITNESS: Robert Werbicky.

10 THE COURT: Mr. Werbicky. I think you told me that
11 in the preliminary injunction hearing. I was just making sure
12 my memory was correct.

13 (Pause in the proceedings)

14 MR. GENTILE: Pass the witness.

15 THE COURT: Thank you. It is 3:23. We're breaking
16 in 7 minutes. Does anyone want to start their examination?
17 Anyone have 7 minutes or less worth of questions you want to
18 ask?

19 Mr. Gentile, you lost your paper.

20 Mr. Pupo, because we're calling another witness out
21 of order --

22 MR. GENTILE: Let me clean this up. That's only
23 fair.

24 THE COURT: Because we're calling another witness
25 tomorrow, we're going to start that witness at 8:30. They have

1 estimated an hour and a half. I don't believe them, so if you
2 could come at 10:30 I would appreciate it. So you don't have
3 to wait in the hallway outside. Okay?

4 THE WITNESS: Yes, Your Honor. 10:30 tomorrow
5 morning?

6 THE COURT: 10:30. Hopefully 10:30 will work.

7 THE WITNESS: Okay. Am I dismissed for today?

8 THE COURT: You are done for today. Have a nice
9 evening. Apparently there's a game of some sort on. I don't
10 know.

11 THE WITNESS: All right. Thank you, Your Honor.

12 THE COURT: Okay.

13 (Off-record colloquy)

14 THE COURT: All right. Everybody have a nice
15 evening.

16 (Proceedings recessed for the day at 3:23 p.m.)

1 **LAS VEGAS, CLARK COUNTY, NEVADA, AUGUST 3, 2020, 8:26 A.M.**

2 *** * * * ***

3 THE COURT: Are there any housekeeping matters,
4 counsel?

5 (No audible response.)

6 THE COURT: All right. Who's our next witness?
7 Sir, if you'd come on up, please.

8 **KEITH CAPURRO**

9 [having been called as a witness and being first duly sworn,
10 testified as follows:]

11 THE CLERK: Thank you. Please be seated. Please
12 state and spell your name for the record.

13 THE WITNESS: My name is Keith Capurro. K-e-i-t-h,
14 C-a-p-u-r-r-o.

15 THE CLERK: Thank you.

16 THE COURT: Sir, are you married to someone named
17 Shelley or related to Shelley?

18 THE WITNESS: I'm not related to Shelley, I don't
19 believe.

20 THE COURT: Okay. Thank you.

21 Who is my examining counsel this morning?

22 MR. MILLER: Court's indulgence.

23 THE COURT: Come on, Mr. Miller. I'm going to make
24 you do it.

25 I guess we were missing somebody, Ms. Welch.

 JD Reporting, Inc.

1 Sir, I will tell you that because we are all using
2 masks it's really hard to hear.

3 THE WITNESS: Okay.

4 THE COURT: So if one of the attorneys is asking you
5 a question and it doesn't make any sense at all, please feel
6 free to have them repeat it. Sometimes it's because the mask
7 is interfering.

8 THE WITNESS: Sure.

9 THE COURT: Sometimes it's just because it's a really
10 bad question.

11 THE WITNESS: Understood.

12 THE COURT: And as a result, sometimes your answers
13 may not come out quite as clearly as you hoped and they may ask
14 you to repeat it. Please don't be offended. This process
15 takes much longer with the masks, but at least we're getting
16 through it.

17 THE WITNESS: Understood.

18 THE COURT: And if you need a break at any time, you
19 let us know. Okay?

20 THE WITNESS: You got it.

21 THE COURT: Hopefully I'll have a lawyer in here in a
22 minute to ask you questions.

23 THE WITNESS: No problem.

24 THE COURT: One P or two P in your last name?

25 THE WITNESS: One P.

1 THE COURT: One P.

2 THE WITNESS: Two Rs.

3 THE COURT: Okay. Thank you, sir.

4 I didn't realize you had stepped out, Mr. Gentle. So
5 sorry. Are you ready?

6 MR. GENTILE: Yeah, I am. May I proceed?

7 THE COURT: You may.

8 MR. GENTILE: Thank you.

9 DIRECT EXAMINATION

10 BY MR. GENTILE:

11 Q Good morning, Mr. Capurro.

12 A Good morning.

13 Q My name is Dominic Gentile. I'm an attorney and I
14 represent seven plaintiffs in this case. It is my
15 understanding that you are associated with Deep Roots, which is
16 also a party in this case. Am I correct?

17 A That is correct. Deep Roots Medical, LLC.

18 Q All right. And what is your role there?

19 A My role is I'm an owner, I'm an officer, I'm a board
20 member, I'm a member and I'm a manager.

21 Q Okay. When you say you're a board member, you mean a
22 board of directors. Am I correct?

23 A That's correct.

24 Q Okay.

25 A And I'm the chief executive officer.

JD Reporting, Inc.

1 Q Okay. And how long has that been true? How long
2 have you been associated with what I will call Deep Roots for
3 this record because it's just shorter?

4 A Understood. I've been affiliated with Deep Roots
5 since the inception of the company in 2014.

6 Q 2014. Okay. And what -- I take it that Deep Roots
7 is involved in the legal marijuana business in the state of
8 Nevada?

9 A That is correct.

10 Q All right. And in what way? What is the -- what are
11 the areas in which Deep Roots is involved in the marijuana
12 business?

13 A We are a vertically integrated cannabis company. Our
14 headquarters is in Mesquite, Nevada. We have three licenses in
15 Mesquite -- actually four licenses in Mesquite. Well, three.
16 One for cultivation, one for production and one for a
17 dispensary. We also have a dispensary operation in
18 West Wendover, Nevada and we also have provisional licenses for
19 cultivation and production in West Wendover, Nevada. And then
20 we have the five provisional licenses that we were awarded in
21 the 2018 application process.

22 Q And in what counties and localities were you awarded
23 licenses?

24 A Could you repeat that? I'm sorry, it mumbled a
25 little bit. I understand; no problem.

1 Q We're going to have plenty of that.

2 A Yeah.

3 Q There's nothing I can do about it, but I'll try to do
4 better. And maybe if I have a little water --

5 A Sure.

6 Q -- it will make me do better. Now my tongue isn't
7 sticking to the roof of my mouth, so maybe I'll be a little
8 clearer. What I asked you was, essentially, in what counties
9 and in what localities, understanding that they're not the
10 same, are your five provisional licenses?

11 A Our five provisional licenses are in -- four of them
12 are in Clark County, one of them is in Washoe County in Reno.
13 And then locally in Vegas we are in -- in Clark County we are
14 in -- we were awarded one in Henderson, unincorporated Clark
15 County, the City of Vegas and North Las Vegas.

16 Q Okay, thank you. And that all was awarded to you --

17 THE COURT: Sir, I need you to pull your mask back
18 up. It's going to fall down all the time because it does, but
19 I've got to have you pull it back up. Thank you.

20 BY MR. GENTILE:

21 Q Those were -- you learned that, I take it, with
22 regard to the last five that you mentioned, on or about
23 December 5th of 2018?

24 A That is correct.

25 Q All right. Did you learn before December 5th, 2018?

1 A No.

2 Q Okay. From the time that Deep Roots started in
3 business, were you always on the board of directors?

4 A Yes.

5 Q And has the board of directors changed at all since
6 its inception?

7 A It has. Originally for the first few years we had
8 four board members, and then in 2017 we added one additional
9 board member.

10 Q Okay. And we're talking about board of directors?

11 A That is correct.

12 Q All right. Has it changed since then, since 2017?

13 A No, it has not.

14 Q In the 2018 purportedly impartial numerically scored,
15 competitive process for awarding new licenses, did you -- did
16 Deep Roots file an application? It sounds like a stupid
17 question because you got five in December so you had to, but I
18 have to ask the question.

19 A Understood. Yes, we filed five applications.

20 Q And did you sign those applications?

21 A I was not -- at the time I was not the point of
22 contact for our company. I may have signed some documents, but
23 we had a different point of contact.

24 Q Okay. Well, I'm going to ask that exhibit -- your
25 application is not in evidence but it's identified as 1618.

1 MR. GENTILE: And, Your Honor, at this point in time
2 I'm going to move it into evidence.

3 THE COURT: Any objection to 1618?

4 MR. WILLIAMSON: Your Honor, I would object on the
5 basis of the statutory privileges that apply to the
6 applications.

7 MR. GENTILE: It's redacted.

8 THE COURT: Is 1618 redacted?

9 MR. GENTILE: It is immensely redacted.

10 THE COURT: Have you had --

11 MR. GENTILE: There's very little. I'm only going to
12 use five pages of it.

13 THE COURT: Can you stop? Have you had an
14 opportunity to review the redactions?

15 MR. WILLIAMSON: I have, Your Honor.

16 THE COURT: Okay. Given the redactions, do you have
17 any additional objection to the unredacted material, other than
18 the statutory privilege?

19 MR. WILLIAMSON: I think it would still apply,
20 technically, under the NRS 360, I believe, point 255, plus the
21 two NAC provisions that apply to confidentiality. So I think
22 it applies to the whole thing, but I can assure you, you know,
23 no Social Security numbers are showing, no -- I believe no, you
24 know, bank statements are showing, that kind of thing.

25 THE COURT: Thank you. 1618 in its redacted form

1 will be admitted.

2 MR. GENTILE: Thank you.

3 (Exhibit Number(s) 1618 admitted.)

4 MR. GENTILE: Shane, could you please pull up on the
5 screen page 00119 of 1618 so that Mr. Capurro and the Court can
6 see it. You're going to need to move down a little further.
7 There you go.

8 THE WITNESS: Uh-huh.

9 BY MR. GENTILE:

10 Q Mr. Capurro, there is purportedly a signature for
11 KCRB, LLC in the application that was filed by Deep Roots in
12 September of 2018. And the typed name beneath that signature
13 is Keith Capurro, manager. Do you see that?

14 A Yes, sir.

15 Q Do you recognize the signature?

16 A That's my signature.

17 Q Okay. So when you said earlier that you may have
18 signed some documents, this is certainly one of them. Am I
19 correct?

20 A I mean, I signed a lot of documents. Yes.

21 Q Well, I meant with regard to the application.

22 A Right. I thought you were referring to the actual
23 application itself.

24 Q All right. Well, this is part --

25 A This may be a part of the submission of the

1 application. And, yes, this is my signature.

2 Q Okay. That's really all I wanted to know.

3 A Sure. I just wanted to clarify.

4 MR. GENTILE: Okay. Could you -- Shane, could you
5 put up 120. 1618-00120. There we go.

6 BY MR. GENTILE:

7 Q Do you recognize the signature here above the
8 signature line of Colleen Capurro?

9 A Yes, I do.

10 Q And is that the signature -- whose signature is it?

11 A That's my sister.

12 Q That's your sister?

13 A Yes.

14 Q Colleen Capurro is your sister?

15 A That's correct.

16 Q Okay. Thank you.

17 MR. GENTILE: Could you pull up 118, please. There
18 is a signature here above the typed -- no, that's not the one I
19 want. There you go.

20 BY MR. GENTILE:

21 Q There is a signature above what is typed on this page
22 as Branán Allison, Managing Member. Do you recognize that
23 signature?

24 A Yes, I do.

25 Q And whose signature is it?

1 A Mr. Allison.

2 Q All right. Thank you.

3 MR. GENTILE: Can we pull up 1116, please.

4 BY MR. GENTILE:

5 Q Do you see what's on the screen as 1116?

6 A Yes, sir.

7 Q Okay. It's above the printed -- I say typed. I
8 don't think anybody types anymore, but it's a printed name of
9 Gary E. Primm. Do you recognize the signature?

10 A Yes. That's Gary's signature.

11 Q Okay. And who is Gary Primm? It says manager, but
12 is --

13 A Gary Primm is an owner and a board member of Deep
14 Roots Medical, LLC.

15 Q Okay.

16 MR. GENTILE: And then let's go to 117, please,
17 Shane. And could you highlight the signature on there, please.

18 BY MR. GENTILE:

19 Q Here on this part of this Exhibit 1618 at page 117
20 it's got a printed name of Roger B. Primm and it's got a
21 signature over it. Do you recognize that signature?

22 A Yes.

23 Q And whose signature is it?

24 A It's the signature of Roger B. Primm.

25 Q Okay. Thank you.

1 MR. GENTILE: Now, Shane, could you please pull up
2 Exhibit 3199, which is in evidence, I believe. Is it?

3 THE CLERK: Oh, it is. Yes.

4 MR. GENTILE: It is in evidence. Thank you. And
5 please put page 00029 on that screen.

6 BY MR. GENTILE:

7 Q And if you will -- well, Mr. Capurro, this page, just
8 so that you understand what it is, it is the published by the
9 state licensed owner list of various entities. This just
10 happened to be one that deals with Deep Roots, okay.

11 And on here this speaks of May 1st of 2019. So this
12 would be after December 5th of 2018. Do you understand that?

13 A Yes.

14 Q Okay. And by the way, as the CEO of Deep Roots, you
15 are probably not the only one responsible, but you are
16 responsible for seeing to it that Deep Roots complies with the
17 laws and regulations as it relates to the marijuana industry.
18 Am I right?

19 A Yes.

20 Q Okay. And among those things that you have to comply
21 with is if there's a change in officers or owners or board of
22 directors, you have to notify the State?

23 A Yes, we're aware of that.

24 Q Okay. Now, if I understood your earlier testimony,
25 there hasn't been any change in board of directors since 2017.

1 Am I right?

2 A Since the addition that we made in 2017. That's
3 correct.

4 Q Right. So since 2017, at least as far as you know --
5 I shouldn't say it that way. Since 2017, you believe that
6 there have been no additional changes, either adding or
7 subtracting a member of the board of directors. Am I correct?

8 A I'm confident that there's been no changes in the
9 board of directors.

10 Q I'm sorry, sir, I didn't hear you.

11 A There have been no changes.

12 Q Thank you. So Ryan Breeden is listed on this list.

13 MR. GENTILE: And I'm going to -- why don't we go
14 down to line 80397. Well, I guess let's go down to the ninth
15 line, Shane. You'll see the name Ryan Breeden on that line.
16 Can you pull it up for Mr. Capurro. Thank you. Could you
17 extend it a little. There we go. That's what I needed.

18 BY MR. GENTILE:

19 Q All right. This document says that Ryan Breeden, as
20 of May of 2019, was an owner. Do you see that?

21 A Yes, I see that.

22 Q He -- what?

23 A I see it.

24 Q You do see it. Okay, thank you.

25 A I see it, yes. Sorry.

1 Q And it indicates -- it doesn't indicate how much he
2 owns, but is it your understanding that he owns 9.95 percent?

3 A I know that it's less than 10 percent. I don't know
4 the specific.

5 MR. GENTILE: Boy, this is so small. Let's go down
6 to the next line, please.

7 BY MR. GENTILE:

8 Q The next line has your name on it and it says that
9 you're an owner. And you've already said that. Am I correct,
10 sir, that you own 18.0696 percent?

11 A In the vicinity thereof. I don't know the specific
12 amount.

13 Q All right.

14 MR. GENTILE: Can we go to the next name, please.

15 BY MR. GENTILE:

16 Q And I believe that last name is pronounced "Win."

17 A That's correct.

18 Q Do you know who Hung Nguyen is?

19 A Yes, I do know. I know Hung very well.

20 Q Okay. And this says that as of May of 2019 he's an
21 owner. Am I right?

22 A Yes, he is an owner.

23 Q And do you know how much he owns?

24 A He owns less than 2 percent.

25 MR. GENTILE: Can we go down to the next line,

1 please.

2 BY MR. GENTILE:

3 Q Erik Santus. It says that Mr. Santus is an officer.

4 Do you know Erik Santus?

5 A Yes.

6 Q And does Mr. Santus -- how much of this company does
7 Mr. Santus own?

8 A How much of Deep Roots?

9 Q Yes, sir.

10 A He owns the same amount as Hung, which is slightly --
11 probably slightly less than 2 percent.

12 MR. GENTILE: Can we go to the next line, please.

13 BY MR. GENTILE:

14 Q Now, this has Branan Allison. We saw his signature
15 on those documents earlier. Is Branan Allison an owner of this
16 company, Deep Roots?

17 A Yes, he is.

18 Q And does he own 9.95 percent?

19 A Approximately. Again, I don't know the specific
20 decimal amount.

21 MR. GENTILE: Okay. Please move to the next line.

22 BY MR. GENTILE:

23 Q Leslie Bocksor. Is Leslie Bocksor an owner?

24 A Yes. Leslie is an owner.

25 Q And do you know how much Leslie Bocksor owns?

1 A I believe it's less than 1 percent.

2 MR. GENTILE: Okay. Let's go to the next line,
3 please.

4 BY MR. GENTILE:

5 Q And here is Colleen Capurro. You've already said
6 that she's your sister.

7 THE COURT: Hold on. We lost the feed.

8 MR. GENTILE: It's not up there, huh?

9 THE COURT: I know. It will be up in a minute. It's
10 the joys of working in a remote courtroom, Mr. Gentile.

11 MR. GENTILE: I'm sorry?

12 THE COURT: It's up.

13 MR. GENTILE: Oh, it is up.

14 BY MR. GENTILE:

15 Q How much does Colleen Capurro own?

16 A Boy, you're testing me. Like around -- I want to say
17 roughly 2 percent.

18 MR. GENTILE: Okay. Next line, please.

19 BY MR. GENTILE:

20 Q Todd McElyea.

21 A McElyea.

22 Q McElyea?

23 A Yeah, close enough.

24 Q Okay. He's also an owner. Do you know how much he
25 owns?

1 A I don't know exactly how much Todd owns. He's part
2 of BKT and that's not my entity. I know he's a very minority
3 shareholder.

4 MR. GENTILE: All right. Next line, please.

5 BY MR. GENTILE:

6 Q All right. Gary Primm is listed as an owner, and I'm
7 wondering how much of this Mr. Primm owns. I'm told -- well, I
8 shouldn't say I'm told. Does 25.25 percent sound right?

9 A It's in that ballpark.

10 MR. GENTILE: Okay. Can we go to the next one,
11 please.

12 BY MR. GENTILE:

13 Q Roger Primm. Roger Primm is listed as an owner and
14 he also owns 25.25 percent?

15 A That's correct.

16 Q So as between the two Primms, they are the majority
17 of the membership interest?

18 A They have the majority of the membership interest,
19 but an equal amount of voting interest.

20 Q I see.

21 MR. GENTILE: Let's go to the next line, please.

22 BY MR. GENTILE:

23 Q Kirk Schulz. Mr. Schulz is an owner. Am I correct?

24 A That's correct.

25 Q All right. And how much does Mr. Schulz own?

1 A I want to say in the ballpark of like 4 percent,
2 3 percent, somewhere in there.

3 Q All right. So that pretty much makes up 100 percent
4 of the ownership, if I have been counting right. Does that
5 sound right to you?

6 A It does, yes.

7 MR. GENTILE: All right. Can we then move down to --
8 hold on just a moment.

9 BY MR. GENTILE:

10 Q Did I ask you before who the five members of the
11 board of directors are?

12 A No, you did not.

13 Q I need to do that, so let me do it now. Who are the
14 five members of the board of directors since 2017?

15 A Myself, Gary Primm, Roger Primm, Branan Allison,
16 Peter Guzman.

17 Q Okay. Now let's move down to the name beneath
18 Mr. Schulz, which was Amy Ayoub. Amy Ayoub is listed on this
19 as an officer. How long has Amy Ayoub been an officer?

20 A Amy Ayoub has been an officer since 2017.

21 Q 2017. Okay. And what office does she hold?

22 A She's a member of our compliance and ethics
23 committee.

24 Q And then what about Mr. Robert Brown? He's also
25 listed as an officer. What office does -- how long has he been

1 an officer?

2 A Mr. Brown, I believe -- I'm not quite certain, but
3 he's been with our company since day one.

4 Q And what office does he hold?

5 A Well, he's been our -- you know, I may not remember
6 the specific title, but like security director or chief of
7 security.

8 Q All right.

9 MR. GENTILE: Can we go to the next name, please.

10 BY MR. GENTILE:

11 Q Jon Marshall.

12 A Yes.

13 Q That means a lot to lawyers, that name, John
14 Marshall.

15 A Oh, yeah.

16 Q But -- and so does Thurgood Marshall to some of us.
17 But who is Jon Marshall and how long has he been an officer?

18 A I don't specifically remember how long he's been an
19 officer. I want to say -- I'm guessing, but I believe he's
20 been with the company since 2017.

21 Q And what office does he hold?

22 A He's our chief operating officer.

23 Q All right. Now, those last three people, they don't
24 own any of the company but they are officers of the company, if
25 I understand you correctly.

1 A I want to make sure I heard that. If I could repeat
2 it?

3 Q Sure. Amy Ayoub does not own any of --

4 A They're not owners but they are officers.

5 Q They are not owners but they are officers?

6 A That's correct.

7 Q Okay.

8 MR. WILLIAMSON: Vague as to time frame, Your Honor.

9 THE COURT: Overruled.

10 BY MR. GENTILE:

11 Q Now, Lori Rogich is the next name on here and she is
12 listed as an officer. What office does she -- how long has she
13 been an officer?

14 A She's been an officer since 2017.

15 Q And what office does she --

16 A She's the founding member of our compliance and
17 ethics committee.

18 Q All right. Can we go to -- and she doesn't own any
19 of the company?

20 A No, sir.

21 MR. GENTILE: Can we go to the next one, please.

22 BY MR. GENTILE:

23 Q Lali Sekhon.

24 A Sekhon.

25 Q Sekhon?

1 A Yes.

2 Q Sekhon. Lali Sekhon. With a name like Lali, I don't
3 know if it's a man or a woman. So I'm going to ask you that.

4 A He's a man.

5 Q Okay. And how long has he been an officer?

6 A Since 2017.

7 Q And what does -- what office does he --

8 A He's also part --

9 Q -- hold?

10 A He's also an officer of our ethics and compliance
11 committee.

12 Q All right. Let's move to the next one, which is
13 Dennis Smith. Dennis Smith. How long has Dennis Smith been an
14 officer?

15 A He's been an officer -- he was our first employee.
16 He's our chief financial officer.

17 Q Okay. And does he own any of Deep Roots?

18 A He does not.

19 Q And then finally, Peter Guzman. I think that's the
20 last name, right? Yeah, Peter Guzman. Now, he's not listed as
21 an officer or an owner, but he is listed as a BM, which I think
22 it means board member.

23 A That's correct.

24 Q All right. And how long has he been on the board?
25 Did he join the board in 2017?

1 A He joined in 2017, yes.

2 Q Okay. Does he own any of the company?

3 A No.

4 Q Now let's go through the other people that are listed
5 as board members.

6 MR. GENTILE: I think -- no, we've got to go down.
7 Well, wait, go up to the top. I think you're right. Shane, go
8 to the top, please, just for a moment.

9 BY MR. GENTILE:

10 Q All right. So if we go through this board member
11 column, this shows that Branan Allison is a board member. Am I
12 correct?

13 A Yes.

14 Q And that Gary Primm is a board member?

15 A Yes, that's correct.

16 Q And Roger Primm is a board member?

17 A Correct.

18 Q And you're a board member?

19 A That's correct.

20 MR. GENTILE: Let's keep going. We don't need --
21 well, you know what, highlight all the board members, please.
22 No, no. Yeah, okay, that's good. And I think the bottom line.

23 BY MR. GENTILE:

24 Q So even though some of these names are repeated on
25 this list, these are the five board members that you say have

1 made up the board since 2017. Am I correct?

2 A That's correct.

3 Q Okay.

4 MR. GENTILE: Your Honor, at this time I would move
5 to admit into evidence as Exhibit 2145 pages -- these are Bates
6 stamp numbers. We're creating a new exhibit, okay, from a much
7 bigger one, all right. And the nature of the exhibit, these
8 are the graders' notes with regard to the Deep Roots
9 application, which is now in evidence. But rather than put in
10 a monstrous document, which is identified as Exhibit 1818,
11 which is not in evidence, I would like to extract pages --
12 Bates stamped pages 35880 to 35896. And, I mean, Shane has
13 indicated that it will be identified as Exhibit 2145.

14 THE COURT: So I cannot get Nick here today. He will
15 come tomorrow morning at 8:00 o'clock, so I cannot admit a new
16 electronic exhibit. I can provisionally admit a document if
17 there's no objections.

18 MR. WILLIAMSON: There is an objection, Your Honor.

19 THE COURT: And what is the objection to --

20 MR. WILLIAMSON: I would have been happy --

21 THE COURT: -- what one day will be called 2145?

22 MR. WILLIAMSON: Sure. A couple things, Your Honor.
23 Number one, these -- I guess that's 17 pages, I guess, by my
24 rough count based on these Bates numbers. I would have been
25 happy -- I was here at approximately 8:00 o'clock. I would

1 have been happy to look at them. I haven't had a chance to
2 look at them. This hasn't been admitted.

3 As Mr. Gentile mentioned, these are purportedly
4 graders' notes. I don't think there's been any foundation as
5 to how many graders' notes Mr. Capurro has received or whether
6 he can verify any notes as to who they belong to. They would
7 be entirely hearsay.

8 And so I would object based on hearsay, foundation,
9 and that this document at least has never been produced in this
10 fashion.

11 MR. GENTILE: Well --

12 THE COURT: So, Mr. Gentile, I have an issue related
13 to foundation.

14 MR. GENTILE: Foundation.

15 THE COURT: While some of the graders have testified,
16 I do not know that they have identified the entirety of the
17 notes that were sought to be admitted. There were parts of the
18 notes that were identified during the graders' examination.
19 And so I ask you if there are additional pieces of information
20 that you can cite to me in our proceedings to support the
21 foundation for this particular batch of notes.

22 MR. GENTILE: These documents were produced by the
23 Department of Taxation. And by the way, I don't need all of
24 those pages. Some of those pages are blank, which is the
25 reason that we put them all in. But the only pages that I

1 need, really, are 35894, 35896, 35898.

2 THE COURT: See, that's beyond the link you gave me.
3 You gave me to -96.

4 MR. GENTILE: Oh. Well, that's because that's what
5 Mr. -- what Shane gave to me. But the pages that I need are
6 those three. I don't even need anything beyond that.

7 THE COURT: So can you look at those and see if you
8 still have a foundation objection, now that I'm down to three
9 pages?

10 MR. WILLIAMSON: Sure. Yeah, I'd be happy to look at
11 those three pages if we can have a moment, Your Honor.

12 THE COURT: You can.

13 So, Shane, Nick will be here tomorrow morning at
14 8:00. 8:00 o'clock tomorrow for Nick.

15 TECH SHANE: Thank you.

16 THE COURT: He cannot come today.

17 MR. WILLIAMSON: Your Honor, I am going to object. I
18 don't know whose handwriting that is, and so I don't think
19 there's foundation.

20 I'm also seeing numbers here. It looks -- you know,
21 so I would also object I guess on confidentiality as well.
22 Just without having a foundation, I don't know what these
23 numbers represent.

24 So, yeah, my objection remains, Your Honor.

25 THE COURT: Okay. So can you --

1 MR. GENTILE: I don't know whose handwriting it is,
2 either. But I do know that it was the graders' notes because
3 the State said that it was the graders' notes when they
4 produced it.

5 THE COURT: Well, that doesn't satisfy my foundation
6 issue. So I am happy to let you use them for purposes of the
7 examination. I'm not going to look at them if you put them up
8 on the screen. You're welcome to put them up on the screen for
9 Mr. Capurro to look at. And if you get a stipulation from
10 everybody as to those three pages, we'll talk about it.
11 Otherwise, the objection is sustained on hearsay and
12 foundation.

13 MR. GENTILE: Okay. Could you please show
14 Mr. Capurro the -- now I'm confused. This is Exhibit -- it's
15 Proposed Exhibit 2145.

16 THE COURT: Proposed.

17 MR. GENTILE: Right.

18 THE COURT: Yeah.

19 MR. GENTILE: Please show Mr. Capurro the DOT035894.

20 BY MR. GENTILE:

21 Q Mr. Capurro, have you ever seen this before?

22 A Can you scroll it so I can see the top of the
23 document?

24 Q Unfortunately, you are seeing all that was provided
25 to us by the State.

1 A Okay.

2 Q I, too, would have liked to have seen the top half of
3 what is -- what looks like handwriting and then part of it is
4 cut off. But I have some questions based on it.

5 But from looking at it, do you recognize it?

6 A I don't recognize it. No.

7 Q You don't recognize it. Okay. Good enough. Let's
8 go through some things.

9 MR. GENTILE: You can take that off your screen.

10 BY MR. GENTILE:

11 Q Do you know how many points were awarded to Deep
12 Roots for its diversity score in the application process
13 evaluation?

14 A I don't recall specifically. I know we scored poorly
15 on that section.

16 Q Poorly? But you got 8 points. Am I right?

17 A I don't remember how many specifically. I don't
18 know. I can't remember how much -- what was the total.

19 Q Does the name --

20 A I'm sorry. How many total points were possible?

21 Q There were a total of 20 possible points.

22 A Okay. So we got a 40 percent.

23 Q In your opinion it was a poor score, but you don't
24 remember it was 8 points?

25 A That's correct, yes. I don't have our scores

1 memorized.

2 Q Okay. Does the name -- and I'm going to spell it
3 because I don't know how to say it --

4 A Sure.

5 Q -- and I don't want to mispronounce somebody's name,
6 okay. D-e-k-k-o-n, and the last name is R-a-l-i. Does that
7 name ring a bell to you?

8 A Could you repeat it again?

9 Q Yes. D-e-k-k-o-n, as in Nelly. Las name R-a-l-i.
10 Dekkon Rali is the way I would pronounce it.

11 A No, I don't recognize that name.

12 Q Okay. So you have no understanding as to why
13 Mr. Dekkon Rali was listed as an officer of Deep Roots on its
14 application?

15 A If I'm guessing --

16 THE COURT: We don't want you to guess.

17 MR. GENTILE: We don't want you to guess.

18 THE WITNESS: Well, it's very -- it's a very similar
19 name to our officer, Lali Sekhon, L-a-l-i Sekhon, S-e-h-k-o-n.

20 BY MR. GENTILE:

21 Q All right. And what ethnicity is the person who is
22 on your board whose name is not Dr. Dekkon Rali but the name
23 that you just said?

24 MR. WILLIAMSON: Objection. Vague and ambiguous.

25 THE COURT: Overruled.

1 Do you know the ethnicity of Lali?

2 THE WITNESS: I don't. He looks of Indian descent.

3 MR. GENTILE: Okay.

4 THE WITNESS: However, he speaks with an Australian
5 accent. So I don't know specific -- it's confusing.

6 BY MR. GENTILE:

7 Q Do you know the name Key, K-e-y, Aaron, A-a-r-o-n?

8 THE COURT: Mr. Gentile, pull your mask back up,
9 please. Sorry.

10 THE WITNESS: I believe you're referring to Aaron,
11 A-a-r-o-n Bayko, B-a-y-- I believe his name is spelled-- k-o.

12 MR. GENTILE: Can we put that page 35894 up again,
13 please.

14 BY MR. GENTILE:

15 Q Okay. Do you see the name up at the top left-hand
16 side? And we're going back to the earlier person.

17 A Yeah.

18 Q Okay. Now, that does not look like --

19 A It's got --

20 Q -- the name that you spoke about.

21 A It most certainly is. It says Doctor in front of it
22 and it says Lali. It's Lali Sekhon, who is a member of our
23 compliance and ethics committee.

24 BY MR. GENTILE:

25 Q All right. So, okay. Okay. Let us go now to

1 page 35896. Well, let me take a step back. Let's go back to
2 the earlier ones. If you recognize -- assuming that you're
3 correct with regard to the first column, do you recognize the
4 other names that are across the next five columns on that
5 document?

6 A I do. Yes.

7 Q And who are they?

8 A Dennis Smith is in the second column where it says
9 CFO. And we've identified -- we've already identified him as
10 an officer. He's our chief financial officer. The next one, I
11 can't read the top part, but it says Aaron and I know Aaron is
12 a key employee. He's our director of organizational
13 development. It's actually director of compliance and
14 organizational development.

15 The next one over is -- his name is -- we call him
16 Scott. His name is -- but his real name is Tim, last name is
17 Bowles. I believe it's B-o-w-l-e-s. He's our dispensary
18 manager.

19 The next gentleman, let's see, logistics manager,
20 that's Chris Hampsten.

21 And then the final one is Brenda Snell. At the time
22 of the application she was our director of human resources.
23 She's now our chief administrative officer.

24 Q What I see missing with regard to -- well, let me ask
25 a different question. Does the name -- I asked you about Key

1 Aaron, and you said that Key Aaron is what? He's an officer or
2 a key employee?

3 A He's our director of compliance and organizational
4 development.

5 Q So he's on the board of directors?

6 A No.

7 Q He's not on the board of directors but he is a
8 director?

9 A Well, he's a director of a department.

10 Q Okay. And this application, you were supposed to
11 list officers, directors, meaning board of directors, and
12 owners. Am I correct?

13 MR. WILLIAMSON: Objection. Misstates the evidence.

14 THE COURT: Overruled. Do you understand what he's
15 asking you?

16 THE WITNESS: Yes, I understand. We -- yeah, I
17 clearly understand. There was a section in the application
18 that also, in addition to owners, officers and board members,
19 there was an organizational -- there was a section that
20 requested the organizational structure of your company, and
21 that section also called for key employees.

22 So to be completely transparent and for full
23 disclosure, we included our key employees also in another
24 section which specifically called for owners, officers and
25 board members.

1 BY MR. GENTILE:

2 Q Can we agree, sir, that with regard to the exhibit
3 that was shown to you earlier that spoke of May 1st -- spoke as
4 of May of 2019, which was the list of owners, officers and
5 board members, he, Aaron, however you say his name, was not
6 listed on that list?

7 A His name is Aaron Bayko. I'm not quite sure -- I
8 can't read the spelling, but I know his name. I know all my
9 employees.

10 Q Can we agree that he was not listed on that list that
11 I showed you earlier?

12 MR. WILLIAMSON: Objection. Vague and ambiguous.

13 THE COURT: Overruled. And if you'd like to see the
14 prior list, sir --

15 MR. GENTILE: I could show you the list.

16 THE COURT: -- ask counsel. He'd be happy to have it
17 put up on the screen for you.

18 MR. GENTILE: Should we show it to you?

19 MR. WILLIAMSON: I just want the question to be exact
20 because a lot of things have been shown to him, Your Honor.

21 THE COURT: Believe me, I understand.

22 THE WITNESS: He was --

23 THE COURT: So, sir, we have 3199 back up on the
24 screen. If you want Shane to go up or down, please let him
25 know. He'd be happy to move you along the screen.

1 BY MR. GENTILE:

2 Q Can we agree?

3 A We agree that he's not on that list.

4 Q All right, good. Let's go to the name of Tim Fowles
5 (sic), F-o-w-l-e-s. Do you see Tim Fowles' name on page --
6 Exhibit 2145, Proposed Exhibit 2145, page 035894?

7 MR. GENTILE: Can we show that to him, please.

8 THE WITNESS: We didn't list Tim Bowles as an owner,
9 officer or board member on the application. We specifically --
10 we specifically labeled him as a key employee. We never
11 checked the box for owner, officer or board member. We wrote
12 in the side that he was a key employee. We never indicated him
13 or Aaron, or wherever else you're going with this as owners,
14 officers or board members. We specifically specified that they
15 were key employees.

16 BY MR. GENTILE:

17 Q So your contention is that you did not list these
18 people as owners, officers or directors, but you did list them,
19 and you did it for the purpose of getting diversity points;
20 didn't you?

21 A No, we didn't, because three of those people that
22 you're referring to are white males, which would hurt our
23 diversity score. It actually hurt our diversity score.

24 Q Who is Juliana Whitney?

25 A Juliana Whitney is a consultant that we worked with

1 probably in 2016 and maybe in 2017.

2 Q And did she prepare your application for the 2018
3 process?

4 A No. She did --

5 Q Who did?

6 A She did no work for our application in 2018.

7 Q Who did prepare your application for 2018?

8 A We prepared our application for 2018 internally with
9 our key employees, our officers. We pretty much dropped
10 everything to focus on the application. Our chief operating
11 officer contributed. I contributed. Our chief financial
12 officer contributed. Aaron Bayko, our director of compliance
13 and organizational development contributed. Brenda Snell, our
14 chief administrative officer, contributed. It was a team
15 effort.

16 Q And you would agree, sir, would you not, that when
17 you submitted the application -- you meaning Deep Roots, your
18 team -- the information on there had to be truthful. Am I
19 right?

20 A You're right.

21 Q And if it was not truthful, you recognize that that
22 is the highest type of violation that can occur under the
23 regulations, giving false information to the D.O.T.?

24 MR. WILLIAMSON: Objection. Calls for a legal
25 conclusion.

1 THE COURT: Overruled.

2 You can answer.

3 THE WITNESS: We understood that -- we understood
4 that we had to be truthful and we were.

5 MR. GENTILE: If I may have a moment?

6 THE COURT: You may.

7 BY MR. GENTILE:

8 Q And if that application reflects any of the people
9 that were not owners, officers or board members as being such,
10 that would not be truthful; would it?

11 A Could you repeat the question?

12 Q Yes. If the application that your team submitted in
13 2018 listed anybody that was as an officer, owner or member of
14 the board of directors but that person was not an officer,
15 owner or member of the board directors, that would not be
16 truthful, would it?

17 A I agree with that.

18 MR. GENTILE: Pass the witness.

19 THE COURT: Any other plaintiffs wish to examine?
20 Does the State wish to examine?

21 MS. LEVIN: No, Your Honor.

22 THE COURT: Anyone other than Deep Roots wish to
23 examine on the defense side or intervenor side?

24 Would you like to examine?

25 MR. WILLIAMSON: I would, Your Honor.

1 THE COURT: If you would like, you may do your direct
2 examination. Please wipe down the lectern.

3 MR. WILLIAMSON: Okay. Thank you, Your Honor.

4 THE COURT: You don't have to call him again in your
5 case in chief is what I'm saying.

6 MR. WILLIAMSON: Okay.

7 THE COURT: You can do your direct now if you'd like.

8 MR. WILLIAMSON: Thank you. I'll try not to tread
9 too much ground, but it would be nice to just get it all done.

10 CROSS-EXAMINATION

11 BY MR. WILLIAMSON:

12 Q Good morning, Mr. Capurro.

13 A Good morning, Rich. Mr. Williamson.

14 Q This is the only place you have to call me that, so I
15 appreciate it.

16 A Okay.

17 Q Where were you born?

18 A I'm a native Nevadan, born and from Reno.

19 Q And where did you grow up?

20 A I grew up in Reno.

21 Q Did you go to college?

22 A I did. I moved away from Reno, I went to St. Mary's
23 College in the Bay Area.

24 Q Did you get a degree from St. Mary's?

25 A I did. I got a finance degree with a minor in

1 economics.

2 Q What did you do for work after you graduated from
3 college?

4 A I moved back to Reno and got a job in the gaming
5 industry. I went to work for the El Dorado Hotel and Casino.
6 Started out as an internal auditor and worked my way up as
7 vault manager. And then left the company in two years.

8 Q Okay. What did you do, I guess, then, after you left
9 the El Dorado?

10 A I wanted to become a physical therapist.

11 Q Okay.

12 A So I went back to school and I went back to the El
13 Dorado with my tail between my legs and asked them for a
14 bellman job.

15 Q A bellman?

16 A A bellman job.

17 Q Okay.

18 A So I could support myself while I went back to
19 school.

20 Q Did you graduate with a degree from UNR in physical
21 therapy?

22 A No, I didn't need another degree. I just needed to
23 take all the prerequisites for physical therapy school.

24 Q Did you ever get a degree in physical therapy?

25 A I did. I got a master's degree in physical therapy

1 from the University of Montana.

2 Q Did you ever work as a physical therapist?

3 A Yes. After PT school, I moved back to Reno and went
4 into practice in Reno for about five years.

5 Q Did you have to be licensed to be a physical
6 therapist?

7 A Yes, I was licensed with the State in Nevada.

8 Q Were there ongoing educational requirements?

9 A Yes, there were.

10 Q Were there compliance requirements?

11 A Yes.

12 Q Sorry, how long did you say you worked as a physical
13 therapist?

14 A I held my license for approximately five years.

15 Q Was your license always in good standing that whole
16 time?

17 A Yes.

18 Q And did you, I guess, surrender it or let it
19 expire -- how did -- what happened to your license?

20 A I let it expire.

21 Q Okay. What did you do after you finished your
22 physical therapy practice?

23 A Well, while I was still practicing physical therapy,
24 I started a liquid waste business, as just kind of a side gig.

25 Q A liquid -- so --

1 A Yeah, it's --

2 Q -- Porta Pottys?

3 A -- it's not super sexy, but --

4 Q Yeah.

5 A -- yeah, liquid waste business. We did services for
6 job sites, we did temporary fencing, temporary power, pretty
7 much anything a job site needed or a special event needed.

8 Q Okay. Do you still own that business today?

9 A No. We built that business up and we sold it in
10 approximately 2010.

11 Q What did you do after you sold that business?

12 A Well, while I was still operating that business, I
13 also -- I bought into a garbage and recycling business. And we
14 also built that business up and ended up selling it in 2013.

15 Q Okay. Then what did you do?

16 A I was -- at that point, I was paying attention to,
17 you know, the legislative sessions that were taking place for
18 marijuana. And I was watching it closely and I was unemployed
19 at the time, so I decided to put together -- you know, from
20 selling the businesses, I had some gambling money. And decided
21 to go after some marijuana licenses and put together a
22 partnership.

23 Q Okay. And what was that partnership you put
24 together?

25 A It was Deep Roots Medical LLC.

1 Q Did you -- you acquired other partners or, I guess,
2 recruited other partners?

3 A We did, yeah. You know, I started talking to a close
4 friend of mine, Brandon Allison, who's also a board member.
5 Mr. Allison was interested. Mr. Allison knew Roger Primm, so
6 the three of us got together and put together, you know, kind
7 of decided to form a partnership.

8 Q And was it just then the three of you, Brandon,
9 Roger, and yourself?

10 A Roger also brought in his brother, Gary Primm.

11 Q Okay. So was it just the four of you then, the two
12 Primms and then you and Brandon?

13 A No, then we ended up bringing in some additional
14 partners. We ended up having 11 partners.

15 Q Okay. When was that -- I guess that kind of nucleus
16 of partners finalized?

17 A It was finalized roughly in summer of 2014.

18 Q Okay. Did you add any owners between the summer of
19 2014 and when the licenses were issued that are at issue here
20 today?

21 A No.

22 Q Did any owners happen to leave the company?

23 A No owners left the company.

24 Q Okay. So from summer of 2014 all the way through the
25 licensing process that we're here discussing today, you've had

1 the same ownership group?

2 A That's correct.

3 Q With Mr. Gentile, you discussed some changes in 2017,
4 but I guess I'd like to understand how quickly the company
5 developed from 2014 and 2017.

6 A Well, you know, we -- it started out as medical, you
7 know. So the industry kind of progressed slowly, which I think
8 was great for the operators and probably great for the state.
9 We kind of got a chance to, you know, develop it slowly. The
10 medical cardholder subscription was probably less than
11 anticipated, so the market was fairly small. But it gave us
12 all an opportunity to learn the business gradually.

13 Q Now, you mentioned you made a change to the board of
14 directors in 2017; is that right?

15 A That's correct.

16 Q Why?

17 A Well, a few -- well, mainly one reason. We -- by
18 design, we originally formed our partnership to have an even
19 number of board members. We had Gary and Roger Primm, who were
20 brothers. And then we had myself and Brandon Allison, who were
21 childhood friends. We had never done business together, the
22 four of us. So we wanted to maintain a balance of power. So
23 we kept it at four until we got to know each other a little
24 bit.

25 Q So why not just keep it at four?

1 A Well, because the -- you know, I think we became
2 comfortable with one another, and the partnership was solid to
3 that point. We really hadn't had any disputes or anything like
4 that. But we recognized that, you know, for the long term, we
5 probably needed to add one additional guy or gal that could,
6 you know, be unbiased and impartial to either side and be able
7 to make the best decision for the company in the event that we
8 had some gridlock.

9 Q Okay. Was diversity a factor at all in selecting who
10 this independent board member would be?

11 A Yeah. You know, it was. We looked in the mirror and
12 realized that we were a bunch of old white guys. And that we'd
13 need -- you know, if we were going to add another guy, we were
14 going to try to, you know, include some diversity in our
15 organization or at least, you know, at the board level.

16 Q Was that the only factor? Were you only just trying
17 to say, Hey, look at us, we've got some diversity?

18 A No. That was not the only factor, no. The most
19 important thing was somebody that we could trust, somebody that
20 myself and Brandon didn't really know, and an individual that
21 Roger and Gary didn't have personal relationships with.

22 Q Okay. And you ultimately added -- sorry, what was
23 his name?

24 A His name was Peter Guzman.

25 Q Has he been a good addition for the company?

1 A He's been a great addition to the company. He
2 does -- he's not an owner, but he's probably the most -- with
3 the exception of me, he's probably, I believe, the board member
4 that's most involved in the business.

5 Q What other governance changes did you make in 2017?

6 A We also added a compliance and ethics committee.

7 Q Okay. And what is that compliance and -- what was
8 the purpose of doing that?

9 A Well, the purpose of that was we recognized that, you
10 know, in early 2017, we recognized that our industry was about
11 to change. You know, we were going to transition from a small
12 business in a small industry to most likely a bigger business
13 in a much bigger marketplace. And so we recognized that there
14 were -- we recognized that compliance was going to be more
15 important moving forward.

16 Q How was compliance operating from 2014 until 2017,
17 when you formed this board?

18 A Yeah. You know, it was handled within the individual
19 departments. You know, it was -- we didn't really have any
20 oversight from a higher level looking over to make sure we were
21 in compliance with everything. And it, you know, it became --
22 we recognized that there was potential risk there if we didn't,
23 you know, make some changes.

24 Q Okay. So what types of changes did this ethics and
25 compliance committee do?

1 A After we formed the committee, we took a look at how
2 we could improve our compliance. And so we -- the committee
3 decided to create, you know, a separate compliance division
4 that was independent from the departments that we were already
5 operating, dispensary cultivation, production. We essentially
6 created a whole new department.

7 Q Okay. And was that it? To create that department,
8 now this compliance committee's done, doesn't take any further
9 action?

10 A No, the -- you know, it was an evolution. You know,
11 we started with, you know, improving our HR department. Next
12 week, we created a, you know, what do we call it, the
13 compliance and organizational structure department. We also --
14 a part of that whole process was adding, you know, oversight
15 for safety, things like making all our supervisors and managers
16 get OSHA certifications and things like that. So safety was
17 also a big component.

18 Q Does the committee continue to act? Does it receive
19 reports or anything like that?

20 A Yeah, the committee is still in place today. The
21 compliance department reports to the committee, and the
22 compliance department presents reports and updates as far as
23 our, you know -- reports on when the State comes in and gives
24 us an audit and just created a -- just a higher level of
25 transparency.

1 Q After this compliance and ethics committee was formed
2 in 2017, did you make any changes to it to prepare for the 2018
3 application?

4 A No, we didn't.

5 Q After Mr. Guzman was added as an independent board
6 member in 2017, have you made any other changes to your board?

7 A No, we haven't.

8 Q Did you make any changes to your -- I guess, any
9 changes to increase your diversity scores for the 2018
10 application period?

11 A No, we did not.

12 Q Okay. Let's turn to that, the reason why we're here,
13 the 2018 application process. I think you went over with
14 Mr. Gentile that you assisted in that process?

15 A I did, yes.

16 Q Now, I'd like to, if we can --

17 MR. WILLIAMSON: Brian, can you please pull up
18 Exhibit 1618. And let's go to page 119, please.

19 BY MR. WILLIAMSON:

20 Q Now, Mr. Capurro, I just want to make sure the
21 record's clear, since I'm sure it was unintentional, but this
22 isn't actually the signature page for the application, is it?

23 A No, it's not.

24 Q Okay. Do you know what this is? I realize you were
25 only shown a signature page in a large document.

1 A I don't. It's just a signature page.

2 Q Okay. Let's start going up maybe to --

3 MR. WILLIAMSON: Brian, if you could turn to
4 page 115.

5 BY MR. WILLIAMSON:

6 Q Do you see at the top, I guess this says Schedule B.
7 Does this give you any sense or refresh your recollection on
8 what document this is?

9 A It's the document that my wife wouldn't sign.

10 Q Okay. And it's an attachment -- yeah, wise. It is
11 an attachment to the operating agreement, isn't I?

12 A It -- yeah, that would be an attachment to the
13 operating agreement.

14 Q Okay. Always wise to run things by your wife, I
15 think that's a good policy. Okay. Also -- well, I guess,
16 let's keep going through the application.

17 But you did assist in preparing the application
18 that's Exhibit 1618; correct?

19 A I did, yes.

20 Q And I think you told Mr. Gentile it was a team
21 effort, it wasn't just you?

22 A That's correct. It was a big group of us.

23 Q All right. Now, let's -- if we can, let's go to
24 Exhibit --

25 MR. WILLIAMSON: To this exhibit, Brian, I believe it

1 would be page 14. And the scroll down a page, if you can. One
2 more. One more. One more. Okay.

3 BY MR. WILLIAMSON:

4 Q Now, is that your signature there at the bottom, Mr.
5 Capurro?

6 A Yes, it is.

7 Q Okay.

8 MR. WILLIAMSON: Brian, can we please turn to --

9 BY MR. WILLIAMSON:

10 Q Well, Mr. Capurro, let me ask you first, do you
11 recognize that signature above your signature?

12 A Yes.

13 Q Okay.

14 A That's John Marshall, our chief operating officer.

15 Q Okay. And just scroll up just above that. What's
16 that last line of text there on top of your signature?

17 A You want me to read it?

18 Q Yeah, can you read that?

19 A I attest that the information provided to the
20 Department for this recreational marijuana establishment
21 license application is true and correct.

22 Q And so you signed that?

23 A Yes.

24 Q And your chief operating officer signed that?

25 A That's correct.

1 MR. WILLIAMSON: Brian, can we go to Exhibit 19,
2 please, page 14.

3 Q And, Mr. Capurro, I'll represent to you this is
4 application of TGIG, which is one of Mr. Gentile's clients.
5 And it's been admitted into evidence.

6 MR. WILLIAMSON: Yeah, Exhibit 19, page 14.

7 BY MR. WILLIAMSON:

8 Q Now, we've just been identifying a lot of signatures,
9 so I was curious if you could identify the signature on this
10 page of TGIG's application.

11 A No, I cannot.

12 Q Why not?

13 A Because it's redacted.

14 Q Did you and Mr. Marshall hide who you were when you
15 signed the application?

16 A No, we did not.

17 Q Okay. You stood behind your application?

18 A 100 percent.

19 Q Let's turn back to your application. You've
20 mentioned you applied for five jurisdictions?

21 A Yes.

22 Q Did you -- had you identified a physical location for
23 each and every one of those jurisdictions?

24 A We did. We had five unique locations identified.

25 Q Are background checks important to this process?

1 A Absolutely.

2 Q Did you have every owner background checked?

3 A Yes, we did.

4 Q Now, Mr. Gentile had you go through the operating
5 agreement. It appears some owners hold their membership
6 interest through companies.

7 A That's correct.

8 Q Were all owners of those companies also background
9 checked?

10 A Yes, they were.

11 Q So was every single person that had any ownership
12 interest in the company, whether direct or indirect, background
13 checked?

14 A Yes.

15 Q Did you have ever officer background checked?

16 A Yes, we did.

17 Q Did you have every board member background checked?

18 A Yes.

19 Q And did you have every key employee for these new
20 locations background checked?

21 A Yes, we did.

22 MR. WILLIAMSON: Brian, can we pull up Exhibit 1006.

23 Q Now, Mr. Capurro, this is the application form that
24 I'm showing you; do you see that?

25 A I do.

1 MR. WILLIAMSON: Let's turn to page 17 of this
2 exhibit; and yeah, the top organizational structure, that top
3 gray box.

4 BY MR. WILLIAMSON:

5 Q Why did you include your key employees in your
6 application?

7 A Because it asked for them in this section.

8 Q Okay. Can you direct the Court to where it says key
9 personnel are supposed to be included?

10 A Yeah, in the highlighted box.

11 Q Okay. That's convenient.

12 THE COURT: We have people helping.

13 MR. WILLIAMSON: Just trying to move things along,
14 Your Honor.

15 THE COURT: That highlighted box being the top one.

16 THE WITNESS: On the second line, it says --

17 THE COURT: Yeah.

18 THE WITNESS: -- Including key personnel of the
19 proposed marijuana establishment.

20 BY MR. WILLIAMSON:

21 Q And I -- you started to touch on that, I don't know
22 that you were able to finish. But did adding the key personnel
23 help you with your diversity score?

24 A No, it actually worked against our diversity score.

25 Q Because there were how many -- I guess, how many key

1 personnel did you have?

2 A How many did we include?

3 Q Yes.

4 A We included --

5 Q For these new locations?

6 A We included four, I believe.

7 Q Four. And of those four, Brenda Snell is one?

8 A Brenda Snell was a white female.

9 Q Okay. But she's a female?

10 A She is, yes.

11 Q Okay. And then the other three, what's their gender
12 and ethnicity?

13 A Their gender is male and their ethnicity is white.

14 Q Okay. So you have three white guys and one female?

15 A Yes.

16 Q Okay. Way to knock that out of the park on --

17 A Yeah.

18 Q -- stacking diversity.

19 A It was a good move.

20 Q Let's turn to the financial requirements, if we can.

21 Did your company have the necessary financial resources
22 required by the application?

23 A Yes.

24 Q As of September 2018, approximately how much cash did
25 the company have on hand?

1 A Approximately \$3 million.

2 Q And as of September 2018, what was the value of the
3 company's total assets?

4 A Approximately 13 million.

5 Q Did you have to take out any loans from any third
6 parties to meet the financial section?

7 A No.

8 Q Has Deep Roots ever taken any outside loans from any
9 third parties?

10 A Never.

11 Q Did the application include detailed budgets?

12 A Yes, it did.

13 Q Did it include accurate balance sheets and other
14 financial statements?

15 A Yes.

16 Q Was any CPA involved in that process?

17 A Yes. We had everything verified by an independent
18 CPA.

19 Q Okay. And did that CPA verify documents, did that
20 support the numbers you presented to the department in your
21 application?

22 A Yes, he did.

23 Q In general, did Deep Roots meet all of the
24 application requirements?

25 A Yes.

1 Q Were all portions of Deep Roots' application
2 complete?

3 A Yes.

4 Q Were all portions of Deep Roots' application true and
5 accurate?

6 A Yes.

7 Q Now, we don't need to pull it up, but Mr. Gentile
8 asked you about 3 -- 3199, which is a department list of
9 owners, officers, and board members, isn't it?

10 A Yes.

11 Q And it didn't include these key employees?

12 A Okay. Can you show it to me?

13 Q Sure.

14 MR. WILLIAMSON: Let's pull up Exhibit 3199.

15 THE WITNESS: So what was the question again?

16 BY MR. WILLIAMSON:

17 Q This application -- or, excuse me, this document,
18 3199, does not include the key employees you mentioned?

19 A That's correct.

20 Q So it looks like the department's not confused about
21 who's an officer and who's not, is it?

22 A Doesn't appear so.

23 Q Now, of these -- the five applications you applied
24 for, how many of those did Deep Roots win?

25 A All five.

1 Q Have you ever had any conversations with Jorge Pupo?
2 A I have not.
3 Q Did you ever give him your cell phone number?
4 A No, I've never Jorge.
5 Q Have you ever had his cell phone number?
6 A I have not.
7 Q Have you ever offered him a job?
8 A No, I have not.
9 Q Have you ever given him a bribe?
10 A No.
11 Q Have you ever given him any money?
12 A No, I have not.
13 Q Anything of value?
14 A No.
15 Q You ever take him out for dinner?
16 A No.
17 Q Drinks?
18 A No.
19 Q Coffee?
20 A No.
21 Q Tea?
22 A No.
23 Q Have you ever sent him any tips?
24 A No, I haven't.
25 Q Have you ever had any private communication with

1 Jorge Pupo at all?

2 A No.

3 Q Let's talk about other people affiliated with the
4 Department of Taxation. Have you ever called any D.O.T.
5 officer on their cell phone?

6 A No, I have not.

7 Q Any employee on their cell phone?

8 A No.

9 Q Have you ever offered any D.O.T. employee a job?

10 A No.

11 Q Have you ever bribed any D.O.T. employee?

12 A No.

13 Q Have you ever given any D.O.T. employee any money
14 other than just normal licensing fees and taxes that the
15 company's required to provide to the Department?

16 A No.

17 Q Have you ever given any D.O.T. employee anything else
18 of value?

19 A No.

20 Q Have you ever taken any D.O.T. employee out for
21 dinner, drinks, coffee, anything like that?

22 A No.

23 Q Has Deep Roots ever hired Amanda Connor?

24 A No, we've never worked with Amanda.

25 Q Have any of your companies ever hired Amanda Connor?

1 A We have not.

2 Q Have you personally ever hired Amanda Connor?

3 A No.

4 Q Did she assist you in any way in the 2018 application
5 process?

6 A No, she did not.

7 Q Did you hire any outside consultants or additional
8 help to prepare the 2018 application?

9 A No, we did not.

10 Q Why not?

11 A Because we didn't need to. I felt confident with the
12 team that we have and the intellectual property that we've
13 developed over the years and we have a dedicated group that was
14 willing to roll up their sleeves and go to work on it.

15 Q Did you or anyone associated with Deep Roots have any
16 inside information about the 2018 application process?

17 A No, we did not.

18 Q Then how can you possibly explain Deep Roots scoring
19 so high and winning five licenses?

20 A I don't know. We just worked super hard and we --
21 you know, our company has developed over the years and we just
22 turned in an application that was reflective of our business.

23 MR. WILLIAMSON: No further questions, Your Honor.

24 THE COURT: Follow-up, Mr. Gentile?

25 MR. GENTILE: I do.

1 MR. WILLIAMSON: I'll wipe you down.

2 THE COURT: Thank you.

3 MR. WILLIAMSON: Sure.

4 THE COURT: And, sir, I like the branding of your
5 water bottle matching your application and your logo. We've
6 had other people attempt branding during the trial, they were
7 not as successful as you.

8 MR. WILLIAMSON: We're subtle around here, Your
9 Honor, you know?

10 REDIRECT EXAMINATION

11 BY MR. GENTILE:

12 Q Mr. Capurro, each of the applications that you filed
13 listed a real address at which you intended to operate if I
14 understand you correctly?

15 A That's correct.

16 Q Why did you do that?

17 A Why did we include -- we did that to be 100 percent
18 safe, you know? It was -- it's what, you know --

19 Q You could say it. It's what was on the application,
20 you were supposed to do it; am I right?

21 A It's what it asked for, yes.

22 Q It's what the law required at that time and you
23 applied it --

24 MR. PRINCE: Objection. That calls for a legal
25 conclusion of the law requires.

1 THE COURT: Okay. Let's let him finish his question
2 first.

3 Mr. Gentile, were you done?

4 MR. GENTILE: No. But I don't remember.

5 THE COURT: Okay. So the objection is moot.

6 MR. GENTILE: Okay.

7 THE COURT: Could you come up with a new question?

8 MR. GENTILE: Yeah.

9 BY MR. GENTILE:

10 Q In other words, you had read the law, the statute and
11 the regulations; right?

12 A Yes. We've --

13 Q Okay.

14 A -- at one point or another, we read the law, we read
15 the application.

16 Q All right. And among the things that that
17 application was going to score you on was the impact in the
18 community of the place that you were seeking to open; am I
19 right?

20 A That's correct.

21 Q And would you agree that you can't measure the impact
22 of a community unless you know where a store is going to be?

23 MR. WILLIAMSON: Objection. Calls for a legal
24 conclusion and calls for speculation.

25 THE COURT: Overruled.

1 THE WITNESS: I really didn't work on that section.
2 So I don't have any insight to that section.

3 BY MR. GENTILE:

4 Q But in any case, it was because you -- and when I'm
5 saying you, I'm talking about your team. I mean, you had
6 discussions among yourselves, didn't you, with regard to what
7 the application required and what it didn't?

8 A We worked on the application every day.

9 Q Okay. And so -- and you have a master's degree,
10 which means I know you can read. And the application says that
11 you had to list a actual physical address of where the proposed
12 store was going to be?

13 A We included the address because that's how we had
14 done it on our original application.

15 Q You said that you, in 2017, set up a compliance
16 committee, I think is the word that you said, but I might be
17 wrong about the second word. Was it a compliance committee?
18 Was that the way you refer to it?

19 A Yes, compliance or compliance and ethics.

20 Q Compliance and ethics. Okay. And how many people
21 are on that committee?

22 A There are five people -- at the time, there were five
23 people on that committed.

24 Q And who were they?

25 A They were Laurie Rogich, myself, Roger Primm, Amy

1 Ayub Ayoub, and Lali Sekhon.

2 Q And why did you find the compliance committee to be
3 important? I'm assuming you found it to be important or you
4 wouldn't have done it. So why did you find it to be important?

5 A Well, we wanted to create -- the board wasn't really
6 interested in getting into the detail required to be involved,
7 other than a few guys. But we thought that it was important,
8 because it would create a -- once we created a compliance
9 department, we felt that it would have more impact on that
10 department if they reported to a higher body, if you will. A
11 higher -- it would -- we believed that it would create a higher
12 level of accountability. We viewed our licenses and compliance
13 as our biggest asset in the company and we needed to take every
14 precaution, even though that it cost us more money, to protect
15 those licenses.

16 Q And in the 2018 application, one of the things that
17 it required information on was the history, so to speak, of the
18 applicants' involvement in the marijuana business and whether
19 they're complied with the laws or not; am I right?

20 A Could you repeat that again?

21 Q I'm sorry. I hear you --

22 A Right.

23 Q -- but I don't understand you.

24 THE COURT: He asked you to repeat it.

25 THE WITNESS: Please repeat the question.

1 BY MR. GENTILE:

2 Q Oh. Sure. One of the reasons you were concerned --
3 I'll rephrase the question, okay? Rather than repeat it.

4 You recognized, when you formed your compliance
5 committee that going into the future, it was going to be
6 important that you -- that your company, Deep Roots, remained
7 compliant with the laws and the regulations; am I right?

8 A Correct.

9 Q Okay. And you didn't want to be selling marijuana to
10 minors, did you?

11 A No. No company wants that.

12 Q Nobody wants that?

13 A No.

14 Q Okay. I think you're right. I certainly don't want
15 it. But you say that you didn't have Jorge Pupo's cellular
16 phone number; did you know who Jorge Pupo was?

17 A I knew of him.

18 Q Okay. And how did you know of him?

19 A You know, because I'm in the marijuana industry.

20 Q All right. And he was the deputy director of -- once
21 the Department of Taxation took over the administration of that
22 industry, he was the deputy director from day one; am I right?

23 A Yes, that's correct.

24 Q And -- but you -- had you met him?

25 A No, I never met him, no.

1 Q All right. And did you ever speak to him on the
2 phone?

3 A No.

4 Q Why didn't you want to get his phone number so that
5 you could communicate with him?

6 A I don't know. I didn't have any questions for him.

7 Q You didn't have what, sir?

8 A I didn't have a reason to --

9 Q Okay.

10 A -- get in touch with him.

11 Q All right. Did you yourself deal with anybody from
12 the Department of Taxation? Anybody, perhaps, all the way from
13 the director down to just the -- an administrative person?

14 A Early on in the development of our business, I did.
15 But as we evolved, I didn't really get in the weeds on that
16 level.

17 Q Did you make a conscious choice not to do that?

18 A I'm not sure that it was conscious. I just wasn't,
19 you know -- as our business grew, I started operating at a
20 higher level and didn't, you know -- we had department heads,
21 we had, you know, more segregation within the company that
22 handled those things.

23 Q You said that everybody that worked at your
24 organization that needed to was background checked. Anybody
25 that was an applicant, anybody that was an owner, board member,

1 officer, and even where there were entities that owned a share,
2 those entities, owners were, in turn, background checked?

3 A That's correct.

4 Q You think that that's a good idea?

5 A I don't really think it's for me to decide whether or
6 not that's a good idea.

7 Q Can you see the value in background-checking people
8 that are going to own or operate a business that is involved
9 in -- well, let's just say cannabis?

10 A I don't really have an opinion on it. I just -- as a
11 precautionary measure, our company got everybody background
12 checked.

13 Q Why have you never offered anybody -- well, when I
14 say you, okay, I guess there's the singular and there's the
15 plural. It's the same word. It's one of the weaknesses of the
16 English language, I think. But that pronoun describes both one
17 person, you, or many people that are also referred to as you in
18 the collective.

19 THE COURT: It could also be y'all, if you're from
20 the South.

21 MR. GENTILE: Y'all. There you go. Y'all. Well,
22 that's the benefit of Italian. In Italian, there's different
23 words --

24 THE COURT: I know.

25 MR. GENTILE: -- for those things.

1 THE COURT: I know the conjugation issues.

2 BY MR. GENTILE:

3 Q I'm going to use the collective you for this
4 question. By it, what I mean is what you have described as
5 your team. To your knowledge, did anybody on your team have
6 Jorge Pupo's cell number?

7 A Not to my knowledge, no.

8 Q Did anybody on your team ever offer an employee of
9 the Department of Taxation a job while they were an employee of
10 the Department of Taxation?

11 A Not to my knowledge.

12 Q Okay. If that had come to your attention, how would
13 you have responded to it?

14 MR. WILLIAMSON: Objection. Calls for speculation.

15 THE COURT: Overruled. You can answer.

16 THE WITNESS: I'm not sure. I probably wouldn't have
17 been too happy.

18 BY MR. GENTILE:

19 Q You wouldn't have been too happy? And why not?

20 A I don't know.

21 Q Well, it smacks of seeking influence, doesn't it?

22 A It's a potential conflict of interest.

23 Q To your knowledge, has anybody on your team ever
24 taken to lunch or to dinner or for drinks an employee of the
25 Department of Taxation while they were an employee of the

1 Department of Taxation?

2 A Not to my knowledge.

3 Q And is that a policy that Deep Roots kind of abides
4 by?

5 A I wouldn't say it's a policy. It's, you know, we're
6 slightly removed. We're out in the rurals. And we just mind
7 our own business.

8 Q Well, but you know -- you're not always out in the
9 rurals. You come to Las Vegas; right?

10 A I'm here now.

11 Q Yes, sir. Have you ever been to the office of the
12 Department of Taxation?

13 A I have, yes. Like to -- like in the early phases.

14 Q Okay. What about up north in Carson City?

15 A Actually, when I went, it was still Health at that
16 point.

17 Q I'm sorry?

18 A It was still considered the Department of Health or
19 whatever it was called.

20 Q I see. Well, then, you know what, let me rephrase
21 the question. Did you ever take -- before the Department of
22 Taxation became involved in what is called marijuana
23 enforcement, it was with the Department of Behavioral and
24 Public Health; am I right?

25 A Yes, that's correct.

1 Q Did you ever take anybody from the Department of
2 Behavior and Public Health out to dinner or for drinks?

3 A No, we did not.

4 Q Okay. Why not?

5 A I don't know. We're not very social.

6 Q How about up in Carson City? They've been up there.
7 I mean, you live up north?

8 A Well, I'm back and forth.

9 Q Okay.

10 A Yes.

11 Q I know a lot of Capurros and they're all from up
12 north.

13 A Yeah, I'm from up north, yes.

14 Q Yeah. The -- so you've never been to the Department
15 of Taxation offices up north?

16 A I have. I've dropped off payments.

17 Q Okay. But never to take anybody out to dinner or
18 offer them a job?

19 A No, just for business.

20 Q Do you have the cell number of any employee of the
21 Department of Taxation?

22 A I do not.

23 Q In the course of --

24 MR. GENTILE: That's why it's nice to have it clean.
25 I'll get to this.

1 Q In the course of you filing applications in the fall
2 of 2018, did you file multiple applications for single
3 jurisdictions?

4 A I'm not sure. I'm not sure I understand the
5 question.

6 Q Okay. Were you aware that there was a -- let's call
7 it a red letter entry on an application form that only one
8 license per jurisdictions would be awarded to an applicant?

9 MR. PRINCE: Objection. Beyond the scope of the
10 cross-examination, Your Honor.

11 THE COURT: Overruled.

12 THE WITNESS: I was not aware.

13 BY MR. GENTILE:

14 Q Okay. Does Deep Roots have subsidiary companies?

15 A Not in the marijuana industry.

16 Q Okay. You filed applications for five jurisdictions
17 or localities?

18 A Correct.

19 Q And you filed a specific real physical address for
20 each of those?

21 A We did.

22 Q And you also filed separate detailed budgets for each
23 of those; am I right?

24 A That's correct, yes.

25 Q Why? Why not just do one for all five?

1 A We did it because based on the location, it was going
2 to be different requirements, different sizes, different
3 construction costs.

4 Q So one size did not fit all, because you, in fact,
5 knew where you were going to build your stores?

6 A You know, we decided to make them as detailed as
7 possible.

8 Q And as a result, you went five for five, didn't you?

9 A Yeah, but it wasn't just that factor.

10 Q No, I understand that. But the fact of the matter is
11 you spent a lot of time and you read the law and you read the
12 regs and you did everything that you could to comply with them;
13 am I right?

14 A We tried, yes.

15 Q And included among that was a detailed budget for
16 each of the five separate locations; am I right?

17 A That's how we did it.

18 Q All right. And with regard to that first year, you
19 remember there was also a part where you had to be able to show
20 that you had enough money to get through the first year --
21 first year of operation?

22 A Yes.

23 Q That was different with regard to each location,
24 wasn't it?

25 A Well, we had a different budget number for each

1 location.

2 Q That also included rental expenditures?

3 A Yes.

4 Q Those were specific to each location?

5 A They were.

6 Q The Clark County budget was more than the Reno
7 budget?

8 A I don't recall the specific answers.

9 Q It was about a half a million dollars more.

10 A Was it?

11 Q Yes, it was. And it was 2.6 in Clark and 2.1 in
12 Washoe.

13 MR. WILLIAMSON: Objection. Argumentative, Your
14 Honor.

15 THE COURT: Overruled.

16 BY MR. GENTILE:

17 Q And that was because it was going to cost more to
18 operate in Clark County than it was going to cost to operate in
19 Reno?

20 A Potentially. I don't have the budget, you know,
21 budget information to review.

22 Q Okay. And if you didn't think the application form
23 called for that, you wouldn't have taken the time and spent the
24 money to do it, would you?

25 A I don't know that that's true.

1 Q So you might have anyhow?

2 A Possibly.

3 Q But the fact is that you did, in fact, do separate
4 specific locations, separate budgets, separate floor plans,
5 separate everything?

6 A That's the decision that we made, yes.

7 MR. GENTILE: Could I have a moment, please?

8 THE COURT: Yes.

9 BY MR. GENTILE:

10 Q With regard to each of these five separate locations,
11 sir, did you own any of those five locations? When I say you,
12 I mean -- I don't necessarily mean Deep Roots, but perhaps a
13 participant in Deep Roots.

14 A No, not at the time.

15 Q All right. Did you have a commitment from the
16 landlords -- not at the time, so you bought some since then; is
17 that the inference that I should take?

18 A No. I'm just saying when we turned in our
19 application, we weren't going to purchase a property before we
20 were allowed to operate there.

21 Q I see. But did you have options on it?

22 A We may have. I don't recall.

23 Q Did you have a lease on -- or a commitment for a
24 lease with regard to them?

25 A We may have had a lease or some type of letter of

1 intent.

2 Q So you would have had one or the other?

3 A We would -- I believe we had one or the other or --

4 Q For all five?

5 A I believe so. I don't recall specifically.

6 Q Okay. Thank you.

7 THE COURT: Any other plaintiffs or intervenors wish
8 to examine? The State.

9 MS. LEVIN: No, Your Honor.

10 THE COURT: Any other defendants? Any final words?

11 MR. WILLIAMSON: Very brief, Your Honor. In fact, I
12 won't even sully the lectern, if I can -- if you can hear me
13 okay from here.

14 THE COURT: Got to keep your voice up, but you're
15 doing okay so far.

16 MR. WILLIAMSON: Okay. Thank you, Your Honor.

17 RECROSS-EXAMINATION

18 BY MR. WILLIAMSON:

19 Q Mr. Capurro, Mr. Gentile asked you about some of the
20 specific members of your compliance and ethics committee; do
21 you recall that?

22 A Yes, I do.

23 Q Did you add those people solely for diversity
24 purposes?

25 A No, we added those people in 2017.

1 Q And did you add them solely to provide you any
2 additional political sway or cache or anything like that?

3 A No.

4 Q Thank you.

5 MR. WILLIAMSON: No further questions.

6 THE COURT: Anyone else?

7 Thank you, sir. We appreciate your time. Have a
8 nice day.

9 Counsel, we're going to take a short recess, and then
10 are we up to Mr. Pupo?

11 MR. GENTILE: Yes.

12 THE COURT: Okay. So 10 minutes, and then we'll
13 start at 10:30.

14 (Proceedings recessed at 10:16 a.m. until 10:28 a.m.)

15 THE COURT: Is everybody ready?

16 I believe the table has been wiped down for you,
17 Ms. Welch.

18 MS. WELCH: I just wiped it down.

19 THE COURT: Okay.

20 MR. GENTILE: May I proceed?

21 THE COURT: You may.

22 Mr. Pupo, if you'd stand up so we can swear you in.

23 THE WITNESS: I'm sorry?

24 THE COURT: Stand up so we can swear you in.

25 **JORGE PUPO**

JD Reporting, Inc.

1 [having been called as a witness and being first duly sworn,
2 testified as follows:]

3 THE CLERK: Thank you. Please be seated. Please
4 state and spell your name for the record.

5 THE WITNESS: Jorge, J-o-r-g-e. Last name is Pupo,
6 P-u-p-o.

7 THE COURT: Thank you.

8 Now, you can proceed.

9 Sir, I'll tell you through the masks it's really hard
10 to hear people. Try to keep your voice up. If you can't hear
11 counsel, tell them because they're muffled because of the
12 masks, and they will certainly tell you if they can't hear you.
13 Okay?

14 THE WITNESS: Will do. Thank you, Your Honor.

15 DIRECT EXAMINATION

16 BY MR. GENTILE:

17 Q Mr. Pupo, how are you employed?

18 A I'm not employed right now.

19 Q Okay. And for how long have you been unemployed?

20 A Since September of '19.

21 Q Since September of what, sir?

22 A 2019.

23 Q 2019. And where were you last employed?

24 A State of Nevada Marijuana Enforcement Division,
25 Department of Taxation.

1 Q And what was your role there?

2 A Deputy Executive Director.

3 Q And why did you cease being employed?

4 A I was separated and was not given a reason.

5 Q You were separated, but not given a reason?

6 A Yes.

7 Q And what was the date of that separation?

8 A Officially September 7th, 2019.

9 Q September 7th?

10 A Yes.

11 Q Of 2019?

12 A Yes.

13 Q Okay. Let's go back to a little bit about your
14 background. What have you done for a living prior -- well, let
15 me say it differently. When did you start working for the
16 Department of Taxation and the State of Nevada?

17 A March of 2005.

18 Q 2005. And so did you work from March of 2005 through
19 September of 2018 uninterrupted?

20 A September of 2019.

21 Q I'm sorry. '19?

22 A Yes.

23 Q So you worked for the Department of Taxation for
24 14 years; right?

25 A Yes.

1 Q Okay. And they -- and then you became separated
2 without having been given a reason as to why?

3 A That's correct.

4 Q All right. Prior to working with the Department of
5 Taxation, sir, take us back -- I don't know. Take us back to,
6 say, 1990. All right. Take us back 15 years before that. How
7 were you making a living during those years?

8 MS. WELCH: Objection. Relevance.

9 THE COURT: Overruled.

10 THE WITNESS: 1990 I was repairing medical equipment.

11 BY MR. GENTILE:

12 Q You are doing what, sir?

13 A Biomedical equipment repair and doing some
14 interpreting.

15 Q You know, Mr. Pupo, I apologize. Okay. I can hear
16 you, but I can't understand you. And it's because of the
17 masks, and I can't see your lips, and therefore, I can't add
18 that lip sync, you know, the lipreading part. And I'm old and
19 losing my hearing. Okay. So could you repeat what you just
20 said, please.

21 A Sure. No problem.

22 I was repairing -- I had two or three different jobs,
23 I guess, during the '90s. I repaired biomedical equipment,
24 and I did some interpreting.

25 Q You did some what?

1 A Interpreting.

2 Q Oh, interpreting.

3 A Yes.

4 Q What language?

5 A Spanish.

6 Q Okay. And what years did you do those jobs?

7 A Between 1990 and 1999 maybe.

8 Q Okay. So what did you do between -- after you left
9 that type of gainful work, what did you do between then and
10 going to work for the Department of Taxation?

11 A I worked for a company that manufactured condoms
12 for --

13 Q Condoms?

14 A Condoms.

15 Q Okay.

16 A -- for the -- for the government.

17 Q And for how long did you do that?

18 A About four years.

19 Q All right. Was that here in Nevada?

20 A The corporate office was here in Nevada. The factory
21 was in Alabama.

22 Q And where did you work?

23 A Both.

24 Q Both?

25 A I traveled back and forth.

1 Q Okay. Was that -- did you have an ownership interest
2 in that business?

3 A No.

4 Q Okay. Have you ever been in business for yourself?

5 A As an interpreter.

6 Q As an interpreter?

7 A Yes.

8 Q So a service business.

9 A Yes.

10 Q All right. And then after the -- why did you leave
11 the condom business?

12 A The contract was not renewed with the United States
13 Agency for International Development.

14 Q All right. And when was that?

15 A I want to say 2004.

16 Q Okay. Did you do anything in between the end of that
17 and going to work for the Department of Taxation?

18 A No.

19 Q All right. When you've commenced with the Department
20 of Taxation, what was your job? What did you do day to day?

21 A I was a Revenue Officer II responsible for the
22 collection of sales and use tax and other taxes.

23 Q You were a tax collector?

24 A I'm sorry?

25 Q A tax collector, is that what you --

1 A Yes.

2 Q Okay. And how long did you have that position?

3 A About three years.

4 Q What happened -- now that would have taken you to
5 about 2008?

6 A Yes.

7 Q And what happened then?

8 A I was promoted to team leader, Revenue Officer III.

9 Q Okay. And what was that role? What did you do there
10 that would be different than what you had been doing?

11 A I was responsible for overseeing the work of six
12 Revenue Officer IIs.

13 Q And how long did you do that?

14 A For about a year -- oh, no -- yes, I think about a
15 year.

16 Q And then what happened?

17 A I was promoted to Tax Program Supervisor III.

18 Q I'm sorry?

19 A Tax -- I was promoted to Tax Program Supervisor III.

20 Q All right. And how did that change what you did day
21 to day from what you had just been promoted from?

22 A So then I was responsible for the two offices in the
23 south for revenue collections, which would be the Las Vegas
24 office and the Henderson office.

25 Q And those revenue collections, would they have been

1 from all kinds of sources that have to pay taxes in Nevada?

2 A Yes, pretty much.

3 Q Okay. And for how long did you do that?

4 A About three years.

5 Q So what year did that take us to?

6 A I want to say 2012.

7 Q All right. And what happened in 2012?

8 A Or '13.

9 I was promoted to compliance tax manager.

10 Q Oh, compliance. What does that mean? What is a
11 compliance tax?

12 A It's a division of the tax department that deals with
13 revenue collections versus, let's say, excise or audit.

14 Q So compliance is not a type of tax. It's just the
15 people that work for you were auditors. Is that what I
16 understand?

17 A No, they were not auditors. The audit section is a
18 different section within the compliance section.

19 Q All right. Well, what did you do? What did the
20 people that you supervised do with regard to the compliance
21 section?

22 A The tax -- basically tax collection and held hearings
23 on joint and several liability, but mainly tax collections.

24 Q All right. And how long did you do that?

25 A About four years.

1 Q So that took us to 2017?

2 A Yes.

3 Q And what happened in 2017?

4 A I think it was the fall of 2017 I was promoted to
5 Deputy Executive Director of the Marijuana Enforcement
6 Division.

7 Q Now, I think we've just been through about 27 years
8 if we started in 1990, and we're in 2017.

9 What if any experience did you have in either the
10 marijuana industry or the liquor industry or the pharmacy
11 industry or anything like that by 2017?

12 A None.

13 Q Okay. What did you know about marijuana?

14 And I'm not asking you if you ever used marijuana.
15 Okay. I'm not. I'm seriously not. I think you'd have a hard
16 time finding a whole lot of people that would be able to say no
17 to that answer -- to that question.

18 But what experience did you have with regard to
19 marijuana before that?

20 A I mean, nothing. Youth, as a juvenile.

21 Q Okay. So you were aware that it is a mild
22 hallucinogenic drug by 2017; right?

23 A Yes.

24 Q Okay. And that's the reason people use it; right?

25 A To some extent.

1 Q Yeah. I mean, it's got medical -- clearly
2 established now medical benefits, but everybody doesn't use it
3 for medicine?

4 A Correct.

5 Q We can agree to that.

6 A Yes.

7 Q Certainly you weren't when you were a kid.

8 A Right.

9 MS. WELCH: Objection.

10 BY MR. GENTILE:

11 Q All right. But other than that, you had no
12 experience with it if I understand you right?

13 A No.

14 Q And no experience regulating or being a regulator for
15 any kind of an industry that was heavily regulated, such as
16 pharmacies and alcohol, liquor distributors and things like
17 that?

18 A Not as a regulator.

19 Q Not as a regulator. Okay. Well, what experience did
20 you have with regard to the liquor industry?

21 A No, not the liquor industry, the condom industry is
22 heavily regulated by the FDA.

23 Q Okay.

24 A It's a Class II medical device.

25 Q All right. I'm not even going to get into what would

1 be regulated in a condom, but -- but the point that I'm making
2 is you never really had to be involved in the enforcement of
3 regulations or the laws in heavily regulated industries before
4 you became the Deputy Director of the Department of Taxation
5 Marijuana Enforcement Division; is that fair to say?

6 A Yes, not of marijuana.

7 Q Okay. When you became the deputy director of the
8 medical -- excuse me. I keep wanting to say that.

9 When you became the Deputy Director of the Marijuana
10 Enforcement Division of the Department of Taxation, what was
11 your role? What did you do day to day? If you want, maybe
12 talk about -- you make a job description of what you really
13 were doing.

14 A I was doing all kinds of things. You know, I'm there
15 for staff to answer questions, guide them. There's -- in the
16 beginning, there was the trying to figure out how to do certain
17 things.

18 Prior to coming to the Department of Taxation, there
19 was no due process for suspensions or any type of hearing. So,
20 you know, we were putting that kind of stuff in place.

21 Dealing, you know, with licensees' questions, other
22 regulatory things.

23 I also -- I also was in charge or put in charge of
24 the tribal issues which took up a very large portion of my time
25 unfortunately. I was also responsible for overseeing the

1 excise taxes, including liquor, tobacco, live entertainment
2 tax, exhibition facility fees, scholarships, film credits.

3 Q So you were doing all --

4 A Liquor.

5 Q I don't want to --

6 THE COURT: Live entertainment tax --

7 MR. GENTILE: Oh, I know about Mr. Pupo's background
8 with the live entertainment tax --

9 THE COURT: -- you don't know anything about that, do
10 you, Mr. Gentile.

11 MR. GENTILE: -- don't I, Mr. Pupo?

12 THE WITNESS: Yeah, that's right.

13 MR. GENTILE: Yes, I do. Yes, I do.

14 We've met before, Your Honor.

15 THE COURT: Yeah. Yeah.

16 THE WITNESS: And, you know, I did liquor as well,
17 cigarettes, tobacco, other tobacco products. I mean, there was
18 a wide range of things.

19 Q While you were -- while your job title, all of that
20 you were doing while your job title was Deputy Director of the
21 Marijuana Enforcement Division?

22 A That's correct.

23 Q How many people did you supervise?

24 A Indirectly, I don't know. Probably I'd say close to
25 80.

1 Q Okay. And that was broken down by people in the
2 medical -- I mean, in the Marijuana Enforcement Division and in
3 the excise division; right?

4 A Yes.

5 Q Any other divisions?

6 A No.

7 Q No. Okay. When you became the Deputy Director of
8 the Marijuana Enforcement Division, that word enforcement, were
9 you a law enforcement officer?

10 A No.

11 Q No?

12 A No.

13 Q Were you only enforcing the tax?

14 A No. We're enforcing the regulations.

15 Q The regulations. Okay.

16 A Its regulatory enforcement.

17 Q And with regard to the personnel that worked with you
18 from day 1, once you got that job, okay -- well, let me ask it
19 a little differently.

20 There was a period of time after the Department of
21 Taxation took over the administration of marijuana laws that
22 there was no deputy director of Marijuana Enforcement Division.
23 Am I right?

24 A No, there was.

25 Q But it wasn't -- it wasn't you?

1 A Once we took over?

2 Q Well, yeah.

3 A Yes. There was a deputy director.

4 Q For how long before you became deputy director?

5 A It was short, three, four months maybe.

6 Q Okay. And then you took over. When you took over --
7 well, let me rephrase that.

8 During the tenure of the first deputy director, were
9 you assigned to Marijuana Enforcement Division?

10 A I was the tax manager, revenue tax manager at the
11 time. I was asked to assist in bringing the program on. So I
12 was still the tax manager.

13 Q All right. So your background up to that point was
14 basically the enforcement of tax laws?

15 A Yes.

16 Q Collection actually?

17 A Yes.

18 Q Then enforcement; right?

19 A Yes.

20 Q Go around to live entertainment establishments and
21 tell them that they have too many seats, and they've got to pay
22 the tax. Stuff like that; right?

23 A Right. That's part of it, yes.

24 Q Yes. I seem to remember that. Okay.

25 THE COURT: Sorry.

1 BY MR. GENTILE:

2 Q So is it fair to say that when you became the Deputy
3 Director of the Marijuana Enforcement Division, you were still
4 doing a lot of the things that you had been doing before, and
5 now you have this added?

6 A Yes.

7 Q Okay. From the time that you started in 2017 as the
8 Deputy Director of the Marijuana Enforcement Division, did you
9 use a cellular telephone at work?

10 A Yes.

11 Q And was the telephone Number (702)306-3085?

12 A Yes.

13 Q And was that your personal phone, but you were using
14 it at work?

15 A Yes.

16 Q And you signed off documents, like everybody else
17 does so you could use that it at work?

18 A Sometimes.

19 Q Okay.

20 A It changes.

21 Q In the course of this case, did you ever provide
22 cellular number (702)306-3085 and the telephone that you --
23 that housed it I guess is a way of putting it?

24 A I'm sorry? What was that last part?

25 Q Did you ever provide the telephone that had the

1 (702)306-3085 number to anyone either at the Attorney General's
2 office or at the Department of Taxation for purposes of having
3 that phone -- having an extraction performed to that phone with
4 regard to this case?

5 A No.

6 Q Why not?

7 A No one ever asked for it.

8 Q Did it ever come to your attention -- well, okay. I
9 guess I have to ask did it ever. I know it did.

10 Did it ever come to your attention that there was a
11 Court order that you provide -- that that phone be provided and
12 have a extraction performed of it?

13 MS. LEVIN: I just want to caution the witness not to
14 disclose any attorney-client communications.

15 THE COURT: Sir, what Mr. Gentile is asking you may
16 identify communications you had with attorneys, whether they
17 were Attorney General's office folks or private folks. If you
18 are being asked, he is not asking you to reveal the content of
19 those conversations, only whether the conversation occurred.
20 So like a yes or no.

21 BY MR. GENTILE:

22 Q Mr. Pupo -- oh, I'm sorry.

23 THE COURT: Yes.

24 MR. GENTILE: You want me to rephrase that?

25 / / /

1 BY MR. GENTILE:

2 Q All I want to know, and it only takes a yes or a no,
3 okay, and I don't want to know more than that for purposes of
4 this question, all right, the operative word is "ever." Did it
5 ever come to your attention that a Court order was entered that
6 your phone, not just your phone, but that your phone and others
7 were to be turned over for an extraction, turned over to the
8 Attorney General's office or to the Department for an
9 extraction to be performed?

10 A No.

11 Q Never?

12 A Not my phone, no.

13 Q Okay. Now, you also had another cell phone that had
14 a 775 area code number. Am I correct?

15 A Yes.

16 Q All right. And that was a Department-issued phone?

17 A Yes.

18 Q And you used that phone, but not as much as your
19 personal phone; is that fair to say?

20 A Yes.

21 Q Okay. And did anyone from either the Department of
22 Taxation or the Attorney General's office ask you to provide
23 that phone so that it could be -- have an extraction performed?

24 MS. LEVIN: Calls for legal --

25 THE COURT: And that's just a --

1 MS. LEVIN: -- communications.

2 THE COURT: -- yes or a no.

3 THE WITNESS: No.

4 BY MR. GENTILE:

5 Q A yes or a no. That's all it takes.

6 A Yeah, a "no." No.

7 Q Nobody. So neither one of the two phones?

8 A Correct.

9 Q Now, you've been asked that question before at your
10 deposition, and you answered it the same way you did today. So
11 I want to -- that kind of indicates to me that you sooner or
12 later learned that there was such an order. Was it during the
13 course of these depositions that you learned that?

14 A Yes.

15 Q About how long ago? Don't tell us who told you, just
16 how long ago?

17 A I don't know. It was recent, during these process,
18 during this process.

19 Q Okay. Did it ever -- okay. In the ordinary course
20 of -- by the way, do you still have the phone
21 number (702) 306-3085?

22 A No, I don't have that phone number anymore.

23 Q Good idea.

24 When did you cease using that phone?

25 A February of this year.

1 Q February 8th did you say?

2 A February of this year.

3 Q February of this year. And why?

4 THE COURT: Mr. Gentile, can you pull your mask up.
5 Thank you.

6 MR. GENTILE: I'm sorry, Judge.

7 THE COURT: It's all right.

8 MR. GENTILE: I have a big Italian nose. I keep
9 telling you that.

10 THE COURT: Well, but Mr. Smith's falls down --

11 MR. GENTILE: And these masks are not --

12 THE COURT: -- and he doesn't have a big Italian
13 nose.

14 MR. GENTILE: These masks are not designed for that.

15 THE COURT: None of the masks are designed for any of
16 us to use while speaking.

17 THE WITNESS: I'm sorry. What was the question?

18 MR. GENTILE: I don't know. I just got bawled out
19 for not having a mask on my nose. So I lost track of it.

20 THE COURT: Sorry.

21 BY MR. GENTILE:

22 Q Okay. You've told me that -- oh, I asked you why you
23 stopped using that telephone in February of this year?

24 A I stopped using that phone. I was trying to get a
25 small business started for my daughter. And then actually I

1 was able to finally change my wife's phone, and there was a --
2 there was a BOGO, by one get one free. So I got another phone,
3 and I had to activate another number. So I thought it was a
4 good time to change that number.

5 Q Okay. Mr. Pupo, when you had that phone number, and
6 I'm only looking at the time between when you started with the
7 Marijuana Enforcement Division, which if I understand you
8 correctly was around September of 2017?

9 A Around there, yeah.

10 Q Around there. Until the time that you stopped using
11 it in February of 2020, and I'm only talking about the phone
12 with the number (702)306-3085, when you had that phone, did you
13 ever delete anything from it? And I don't -- I don't mean --
14 nothing sinister here. I just want to know if in the course of
15 keeping the phone you would delete text messages or if you got
16 emails on it or maybe some, Shirley, voice messages. I mean, I
17 can't imagine that anyone wouldn't do that, but did you ever
18 delete things from it?

19 A Sure. I would routinely delete items.

20 Q Okay. And when you say routinely, would that be
21 something that you would do -- routine can mean a lot of
22 things. It can mean that you do it on a monthly basis, you
23 know, some kind of a time trigger to the routine.

24 Describe the routine that you employed between 2017
25 and 2020 with regard to deleting things from your phone.

1 A It's not a routine like a set schedule or anything,
2 you know. I'd be sitting at the airport and I'd be going
3 through my phone and I'd see it's, you know, cluttered. I've
4 got -- I'm trying to send a text message, and I've got to
5 scroll through, you know, 150 numbers to get to a message; it
6 had too much stuff on it. So I would sit there and delete, you
7 know, delete messages, delete emails, delete -- any time I
8 really had downtime that I wasn't doing anything -- like I
9 said, sitting at an airport is an example -- I'd just go
10 through it and clean out the phone.

11 Q So you would clean up text messages?

12 A Text messages, pictures, emails.

13 Q Photos. Voicemails?

14 A Yes.

15 Q Saved calls?

16 A Saved --

17 Q Well, those are voicemails really. So, okay.

18 If I understand you correctly, once this litigation
19 started, nobody told you not to do that anymore? Am I right?

20 A Yes. Shortly --

21 Q And so you continued to do that all the way up until
22 the time that you got rid of the phone this year; is that fair
23 to say?

24 A No.

25 Q No. When did you stop deleting things?

1 A In -- I want to say, like, the first or second week
2 of December.

3 Q Of last December?

4 A Of 2018.

5 Q 2018?

6 A Yes.

7 Q All right. So why did you stop deleting it? Did
8 somebody tell you to stop deleting it?

9 MS. LEVIN: Caution the witness not to disclose
10 attorney-client privilege.

11 THE COURT: So, sir, that's a yes or no, but no
12 content.

13 THE WITNESS: Yes.

14 BY MR. GENTILE:

15 Q Okay. The person who told you to stop deleting it,
16 did they also tell you that your phone needed to be produced as
17 part of this litigation, and that's the reason you shouldn't
18 delete it?

19 MS. LEVIN: Objection. Calls for attorney-client
20 privilege.

21 MR. GENTILE: Maybe not.

22 THE COURT: Sustained. It does.

23 BY MR. GENTILE:

24 Q But you maintained, sir, that although you were told
25 not to delete anything anymore, you were not told that you had

1 to give your phone up for purposes of extraction. Is that fair
2 to say?

3 MS. LEVIN: Same objection.

4 THE COURT: Overruled.

5 THE WITNESS: Yes.

6 BY MR. GENTILE:

7 Q Okay.

8 As part of your -- well, I shouldn't say it that way.

9 There came a time in this case, sir, when we
10 subpoenaed, we meaning my clients, me on their behalf, your
11 phone records for that phone number (702)306-3085, and that
12 came to your attention, didn't it?

13 A Yes.

14 Q Because as a matter of fact, the Judge ordered that
15 instead of those documents coming to us they had to go to your
16 lawyer, and then you examined those phone records for purposes
17 to see if there was anything privileged on it?

18 A Yes.

19 Q Okay. And you didn't find anything privileged on it?

20 A No.

21 Q And so you produced the records?

22 A Yes.

23 MR. GENTILE: Okay. Your Honor, at this point, I
24 would move into evidence Exhibit 1809, and I could tell you
25 that at page 18094196 the certificate of authentic --

1 authenticity appears, and they are the AT&T phone records of
2 Mr. Pupo.

3 THE COURT: Any objection?

4 (No audible response.)

5 THE COURT: They'll be admitted.

6 (Exhibit Number(s) 1809 admitted.)

7 BY MR. GENTILE:

8 Q Okay. Mr. Pupo --

9 MR. GENTILE: Oh, Your Honor, there are five
10 telephone numbers that I intend to inquire of.

11 THE COURT: Okay.

12 MR. GENTILE: You earlier had some issues with
13 reading a phone number into the record. I just need to know
14 what the parameters of that are.

15 THE COURT: There have previously been requests to
16 redact the last four digits of certain phone numbers. If a
17 request to make those redactions is made by somebody, I will,
18 of course, honor that. But right now no request is being made.

19 MR. GENTILE: Okay. All right.

20 BY MR. GENTILE:

21 Q Mr. Pupo, you know Amanda Connor?

22 A Yes.

23 Q Do you have any idea how many times there were phone
24 calls coming back and forth between you and Amanda Connor that
25 are reflected in your phone records?

1 A Oh, I don't remember.

2 Q You mentioned it at the deposition. It was pretty --
3 pretty -- you recognize her phone number to be (702)232-8777;
4 am I right?

5 A Yes.

6 Q Okay. When did you first obtain that phone number
7 from her?

8 A Oh, I don't know.

9 Q Best guess -- no, best estimate?

10 A I would say some time in 2017 probably.

11 Q 2017. Okay. And with regard to that number, you
12 know, rather than identify it -- well, I'll do that later.
13 With regard to that number, you would communicate with her with
14 phone calls; right?

15 A Yes.

16 Q And she would call you. You would call her?

17 A Yes.

18 Q You would communicate with her with text messages
19 back and forth; right?

20 A Yes.

21 Q What about emails? Did you send emails to each other
22 from your phone?

23 A Yes.

24 Q Okay. Do you know why Amanda Connor didn't disclose
25 any emails between you and her?

1 A No.

2 Q Okay. And all of the emails that you -- well, I'll
3 rephrase that.

4 Mr. Pupo, when you were the director of the Marijuana
5 Enforcement Division, which I think ended, as you said,
6 September of 2019, would you visit various dispensaries or
7 cultivation locations or production facilities?

8 A Yes.

9 Q Okay. Do you think you've -- do you know the people
10 that I represent in this case? I represent seven different
11 license holders that operate dispensaries. Do you know them?

12 A I believe some of them, yes.

13 Q Some of them. Well, who do you know?

14 A Well, you represent TGIG; right?

15 Q I do represent TGIG.

16 A So, yeah, I know them.

17 Q All right. You've been in their stores?

18 A Yes.

19 Q Okay. Who else?

20 A I'm not sure who else you're representing right now.

21 Q Okay. Well, I'll go over a list with you later.

22 Okay?

23 There came a time in 2018 when a application process
24 commenced for purposes of issuing additional licenses. Do you
25 remember that?

1 A Yes, additional retail licenses.

2 Q All right. When did that -- when did you first
3 become involved in that?

4 Now, if I understand correctly, around September of
5 '17, you became medical -- excuse me, Marijuana Enforcement
6 Division Deputy Director. When did this new licensing process
7 first come to your attention?

8 A Well, when the regulations were being written.

9 Q All right. And about when was that?

10 A Oh, it started immediately through -- you know, it
11 started in '17 with some temporary regulations, and it started
12 evolving until there were -- became permanent in 2018, I
13 believe, February of 2018 -- yes, 2018.

14 Q And then once the regulations came into effect, there
15 was the need to develop a method, a process for conducting this
16 application process so that you could award these licenses;
17 right?

18 A To a certain extent.

19 Q Okay. Well, tell us what you mean by "a certain
20 extent."

21 A Well, the application process had been not
22 necessarily for retail, but the application process had been
23 used before by DPBH in the medical application process.

24 Q All right. And you didn't have any involvement with
25 that back in 2014; am I right?

1 A Correct.

2 Q But you had a couple of people who were working for
3 you that did?

4 A Yes.

5 Q And who were those people?

6 A Steve Gilbert, Karalin Cronkhite, and there were some
7 inspectors.

8 Q Right. And you relied upon their experience in 2014
9 to establish the procedures for the 2018 process, didn't you?

10 A Yes.

11 Q Because they had experience, and you didn't?

12 A Yes.

13 Q Okay. In fact, you told them that because you were
14 the supervisor -- I don't want to say boss, but supervisor, you
15 told them basically do it the way you did it in 2014?

16 A Yes.

17 Q Did you have any knowledge that would permit you to
18 determine whether they were doing it like they did in 2014 or
19 not? Or did you have to rely on them to just carry out your
20 directions?

21 A Can you repeat that first part. Did I have
22 knowledge?

23 Q Sure. I'm asking you --

24 Look. We know you didn't have any experience with
25 regard to the 2014 process.

1 A Correct.

2 Q You said that.

3 We know that you relied on them because they did have
4 the experience; right?

5 A Yes.

6 Q Okay. You didn't have the ability to determine
7 whether they were, in fact, doing it like they did it in 2014
8 or not? You had to trust them. Is that fair to say?

9 A Yes.

10 Q So you assumed that they did what you told them to
11 do?

12 A Yes.

13 Q And with regard to training of people that were going
14 to do the grading for this -- and we're getting a little bit
15 ahead of myself, but with regard to the training as to how to
16 process these applications, that had to be done. You had to
17 train people that were going to score; right?

18 A Correct.

19 Q Okay. Who scored it back in 2014? Were you made
20 aware of who -- how it was scored in 2014?

21 A I believe I was told there were contractors. I don't
22 remember the name of the company.

23 Q Was the name of the company QuantumMark?

24 A Yeah, I'm not sure if it was QuantumMark contractors
25 that did it.

1 Q But you would agree that there was a whole process
2 that had been employed once before?

3 A Yes.

4 Q And that was -- and your direction to the people that
5 were working for you is do it the way you did it in 2014?

6 A Yes.

7 Q Now, there were certain regulations that were in
8 place in 2014, but that was when it was at the prior agency.
9 And that also dealt with medical marijuana; right?

10 A Yes.

11 Q Okay. So once the ballot question passed, there had
12 to be new regs. And you talked about those already. There
13 were some temporary regs that were put in place. Right?

14 A For retail, yes.

15 Q For retail. And the first retail establishments
16 didn't have to go through any kind of a competitive process to
17 get a license. If you had a medical marijuana license, you
18 could get a retail license?

19 A Correct.

20 Q Okay. As long as it was a dispensary; right?

21 A Yes. Yes.

22 Q Okay. So what was your role with regard to the
23 adoption of the new regulations?

24 A I participated in a group that was -- QuantumMark was
25 contracted to help write the regulations, and then there was an

1 executive team. I was tax manager at the time when we started.
2 So there were staff members, and the deputy director at the
3 time and the director and QuantumMark.

4 Q Okay. And anybody else? Anybody from the industry?

5 A Outside of any workshops or meetings, no.

6 Q And were you just beginning to meet the people in
7 this industry at around that time?

8 A I'm sorry. Can you say that again.

9 Q If I understand you correctly, you really didn't know
10 anybody in the retail marijuana industry or the medical
11 marijuana industry when you started your job as deputy
12 director?

13 A Correct.

14 Q So you were meeting them?

15 A Yes.

16 Q And you were kind of getting on-the-job training from
17 them to some extent?

18 A I was learning a lot from them, yes.

19 Q At some point in time, did it come to your attention
20 that there were regulations in place in the 2014 process that
21 were not being followed in the 2018 process?

22 A No.

23 Q When did it first, if it ever did, and I think it did
24 because of the deposition answers, but when did it first come
25 to your attention that in the 2014 process all of the questions

1 with regard to the application process that were going to be
2 asked by applicants had to be submitted to a single source?

3 A Your -- I'm trying to --

4 Q Should I repeat? Is that what you said?

5 A Yeah.

6 Q Okay.

7 A Sorry.

8 Q Did you ever come to your attention before the
9 deposition a little while ago that in the 2014 process if an
10 applicant for a license had a question, it had to submit it in
11 writing to a single source, a single location and that the
12 answer would then come back but would be posted for everybody
13 to see?

14 A Yeah. I think I first heard that during the
15 preliminary injunction actually, hearings.

16 Q That's when you first heard about that?

17 A Yes.

18 Q Okay. So while this was all going on and you were
19 telling the people that work for you do it the way you did it
20 in 2014, you did not know that; is that fair to say?

21 A Right.

22 Q Okay. With regard to the 2018 process, what was your
23 understanding as to where inquiries from applicants were to be
24 directed?

25 A If I remember correctly, there's an email inbox that

1 was set up to receive inquiries, and I believe Ky was taking
2 calls.

3 Q Okay. Well, we need that -- you know him as Ky, but
4 the record has to say -- what's his last name?

5 A Plaskon were Ploxon.

6 Q Yeah. I have trouble with it too. Plaskon I think.

7 A Yeah. Is it Plaskon?

8 Q And so what you were understanding is that if
9 something came in by way of an email, it was to be directed to
10 Ky Plaskon, who was your chief information officer for the
11 Marijuana Enforcement Division, and he was supposed to respond
12 to it?

13 A Yes. Officially he's -- his title is education
14 information officer, and he was doubling as a PIO, public
15 information officer.

16 Q All right. But except for the fact that I didn't
17 give him the right title, am I correct, that your understanding
18 was that if an email came in it was to be directed to him, and
19 he was to respond to it?

20 A Right. It would go into that email box, and he would
21 monitor that email box.

22 Q And if inquiries came in from applicants by way of
23 telephone, they were to be directed to Ky Plaskon?

24 A That's -- that was my understanding, yes.

25 Q That was your understanding. Were they to be

1 directed to you?

2 A No.

3 Q All right. And in fact, none of them were directed
4 to you, were they? The incoming calls -- I'm not talking about
5 Amanda Connor. That's a separate issue. We'll get to that.

6 But with regard to the others, they were not directed
7 to you. They were directed, as far as you know, to Ky or maybe
8 to Steve Gilbert at times?

9 A That's correct.

10 Q Is that fair to say?

11 A Yes.

12 Q Okay. And that is the totality of what you
13 understood was going on. Is that fair to say?

14 A Yes.

15 Q How did the application -- the actual document come
16 to be? Who created it?

17 A That would be Steve Gilbert's group with Ky.

18 Q As far as you know, was anybody else involved in the
19 creation of the application?

20 A No. I don't -- you know, whoever Steve used. I
21 don't know.

22 Q Okay. So Steve Gilbert and Ky Plaskon, as far as you
23 know, there might have been others?

24 A Right.

25 Q Okay. And what was your directive to them with

1 regard to what the application for 2018 should be based upon?
2 Or did you give them any direction?

3 A I don't understand the question. What do you mean
4 based upon? Other than, you know, the regulations for retail.

5 Q Okay. Did you have any role while it was being
6 developed in the creation of that application?

7 A No, other than review as they went -- pretty much
8 when they finished it.

9 Q Okay. Well, let me -- let me ask that a little --
10 let me follow up on that.

11 When you say review, what do you mean?

12 A You know, I looked at it. You know, once they had a
13 rough draft basically of -- I would bounce it off to
14 regulations and try to make sure that it matched the
15 regulations, that everything that the regulations said had to
16 be in there was in there basically.

17 Q How many rough drafts did you review?

18 A I don't know.

19 Q More than one?

20 A Sure, yes.

21 Q And who would you speak with with regard -- did you
22 ever make any changes -- let me rephrase the question because
23 it's too -- it's sloppy.

24 Did you ever make any changes to any of the rough
25 drafts that you received?

1 A I don't remember.

2 Q You don't recall?

3 A No. I mean, I don't remember. If, like, I made
4 changes, I probably would have commented something to Steve:
5 Hey, what about this or what about that.

6 Q You don't remember any of them specifically?

7 A No, I don't.

8 Q Okay. Did you ever see something that might be
9 missing that you said, you know, you missed this, you got to
10 put it in, or something that was in there that you said you
11 have to take out?

12 A I believe I did. I don't remember specifically what
13 those items were, but...

14 Q So would it be fair to say then that your role was
15 basically to review the work that was being done by primarily
16 Steve Gilbert, maybe with the help of some others?

17 A Yes.

18 Q And would it also be fair to say that you relied upon
19 Steve Gilbert's experience with the 2014 process with regard to
20 developing the application for the 2018 process?

21 A Yes.

22 Q And you, of course, had no knowledge of the 2014
23 process?

24 A Correct.

25 Q So it would be kind of hard for you to call Steve

1 Gilbert into question about that. Would that be fair to say?

2 A Of the process entirely, yes. I --

3 Q Did you ever compare the 2018 application, even the
4 rough drafts, to the 2014?

5 A No.

6 Q So, in essence, your role was to review and approve?

7 A Yes.

8 Q And you relied upon Steve Gilbert for purposes of you
9 approving this document?

10 A What do you mean? I relied on him to put the
11 application together.

12 Q Well, if he had to do a proposed application or an
13 application, you were relying on him that that application was
14 done the way you told him to do it, which was follow the 2014
15 process?

16 A Yes.

17 Q There was one difference with regard to the 2018
18 process, and that was in the 2018 process diversity had to be
19 taken into consideration. Do you remember that?

20 A Yes.

21 Q All right. So how did you handle that? I mean, was
22 there a discussion with regard to what are we going to do
23 because we have to add diversity?

24 A Yes.

25 Q All right. Tell us about that. Who was involved in

1 those discussions?

2 A Steve Gilbert.

3 Ky -- was it Ky?

4 Kara, and myself basically.

5 Q And when did they start? Did they start before the
6 application was completed or after?

7 A I believe it was before.

8 Q Before?

9 A Yes.

10 Q Tell us about that. How did that evolve? How many
11 such discussions were there?

12 A Oh, I don't know. The discussions were mainly was we
13 had to include diversity in the application. You know, I
14 don't -- I don't know -- Steve's group was the one that
15 determined, you know, where it was going --

16 Q I'm sorry. I'm sorry.

17 A I'm sorry. Steve's group was the one that determined
18 basically where it went because I'm not even sure if diversity
19 was included, and I think it was in the 2014 application. I'm
20 not sure. But they -- Steve's group determined where, you
21 know, where to put it. The only thing -- the only time I got
22 involved was in the points.

23 Q Okay. So with regard to where to place diversity,
24 you didn't have a role in that? When I say where, I mean where
25 within the application it would be scored?

1 A Correct.

2 Q Right?

3 A Correct.

4 Q You basically -- that was Steve Gilbert and the
5 people that he was working with, and it was something that
6 hadn't been done in 2014. So they had to do it this go around?

7 A Right.

8 Q Okay. Once it was placed in the application, by
9 Mr. Gilbert and maybe others, what was your role at that point?

10 A Well, nothing until it was time to assign it points
11 for the subcategory.

12 Q Okay. And that was, of course, after the application
13 was published and in the hands of applicants if I understand
14 you right?

15 A Right. The main category had its points set already.
16 At that point we were just -- we just had to assign the points
17 to the subcategories that made up the total points that went
18 out with the application.

19 Q Okay. And how did you go about doing that?

20 A Steve Gilbert flew down from Carson, sometime -- I
21 think it was the middle of August. And Kara and myself, and I
22 don't remember if Damon Hernandez was there or not, but
23 basically had a discussion on how to -- how to redistribute or
24 assign points to the diversity category, subcategory, if you
25 will.

1 Q Do you remember where diversity was included in the
2 application, what part of the application it was going to be
3 scored in?

4 A I want to say I believe it was under organizational
5 structure.

6 Q You get a hundred.

7 A All right.

8 Q You get an A. Okay. So I've looked at that
9 application a whole bunch of times, and I'm sure you've looked
10 at it a few yourself. I've probably looked at it more.

11 A Probably.

12 Q I don't see diversity defined in that application.
13 So what did it mean?

14 A Well, Steve's Gilbert called me one day and asked me
15 what does, you know, what are the categories for a diversity.
16 I looked it up. I found -- I basically Googled it and found a
17 sheet that pretty much matched the census bureau's definitions,
18 and I provided that sheet to them as a guideline.

19 Q Okay. But that definition, whatever it was, was
20 never made available to the applicants. You would agree to
21 that; right?

22 A Yes. I don't believe it was.

23 Q Okay. Was that your intent?

24 A It never crossed my mind really.

25 Q You never thought about it. You never thought about

1 the fact that if we're going to have a term like diversity we
2 ought to tell the people what that means?

3 A That's right.

4 Q Okay. And -- okay. And since it wasn't in there in
5 2014, they couldn't do it the way they did it in 2014. That's
6 fair to say?

7 A Yes.

8 Q Okay. So you have this meeting with Steve Gilbert,
9 and I think you said maybe Kara Cronkhite and maybe, Ky
10 Plaskon. I think that's what you said?

11 A No, not Ky. I'm not sure if Damon Hernandez was
12 there or not.

13 Q You are sure though that it was Steve Gilbert, Kara
14 and you?

15 A Yes.

16 Q Okay. And that took place in Las Vegas?

17 A Yes.

18 Q All right. So how did you move the points around?

19 A I don't remember exactly. There was -- I know that
20 we had to reduce some points of some other subcategories to be
21 able to give those points to diversity and still maintain the
22 total score for the main category that went out with the
23 application.

24 Q All right. So the application, the most points
25 anybody could get out of that application if they were perfect

1 would be 250 points?

2 A Correct.

3 Q And that's the same number that was on the 2014
4 application, 250 points; right?

5 A Correct.

6 Q All right. And then the categories, the broad
7 categories had certain points assigned to them in the
8 application itself; right?

9 A Yes.

10 Q So I'm -- that's what I'm trying to get at. How do
11 you move points around without changing the number of points
12 for each category that is already on the application, given
13 that your meeting with Steve Gilbert and Kara took place after
14 the application was out?

15 A So you have 60 points, let's say, in organizational
16 structure. I don't remember what the point was. All right.
17 That organizational structure has let's say four or five
18 subcategories. And using, you know, the points, it was the
19 same as 2014. Let's say in the organizational structure, the
20 org chart had five points assigned to it, and the next
21 subcategory also had five points assigned to it. So you'd take
22 one from each subcategory and give it to the diversity. You
23 still end up with the 60.

24 Q Well, diversity had 20 points, we've learned
25 obviously after the grading. So are you saying that however

1 many points there were in the organizational section alone you
2 took points from those subcategories totaling 20 points and
3 added this new subcategory of diversity?

4 A Yes.

5 Q Who knew that?

6 A The people at the -- the people at the table.

7 Q The people at the table?

8 A Yeah, myself, Steve and Kara.

9 Q And it was your intention, if I understood -- well,
10 forget that. It was your intention at that time, and when I
11 say you, I'm not talking about all three of you; I'm talking
12 about you, Mr. Pupo, that the diversity was only going to be
13 awarded for officers and board members; right?

14 A Yes, officers, owners and board members.

15 Q Officers, owners and board members.

16 A Yes.

17 Q Okay. Now let's talk about board members. If I
18 understand the regulations governing the marijuana industry
19 that existed when you were there, a member of the board of
20 directors, an owner and an officer all have to be
21 fingerprinted, don't they?

22 A Yes.

23 Q Okay. And when you were contemplating this
24 allocating diversity points to owners, officers and board
25 members, those people, those people that were subject to

1 fingerprinting as far as board of directors, that's what you
2 had in mind. Is that fair to say?

3 A Yes.

4 Q When did you first hear the term as used in the
5 marijuana industry of an advisory board?

6 A Oh, it was some time during the application process.

7 Q Okay. You would --

8 A After -- after the application went out.

9 Q After the application?

10 A Yes.

11 Q Okay. So the applications were already submitted,
12 and that's when this concept of advisory board first comes to
13 your attention?

14 A Not submitted. We had -- we had published it, if you
15 will.

16 Q Oh, you had published it?

17 A Right.

18 Q Okay. Is it fair to say that it was never your
19 intention that diversity points be awarded to advisory board
20 members?

21 A Right. I had never contemplated that.

22 Q You have subsequently learned, I think, maybe, maybe
23 not, that that's not what happened, that advisory board members
24 were -- applicants were awarded points for diversity of
25 advisory board members. You've learned that? Maybe you

1 haven't learned that.

2 A No, actually I --

3 Q You don't know that?

4 A No.

5 Q Okay. Was there a discussion between you and Kara
6 and Steve Gilbert with regard to that while you were moving
7 these points around? I mean, you talked about board members
8 during that discussion, didn't you? Or were you only talking
9 about how to move the points --

10 A Right. We were only talking about how to assign the
11 points.

12 Q Okay. So after the -- after the application was
13 processed, you learned for the first time that people were
14 talking about advisory board?

15 A I had heard some talk from the industry, yes.

16 Q Well, you know what, I'd like to have you, if you
17 don't mind, expand a little bit upon that in terms of, you
18 know, really, really tax your memory in terms of how that came
19 to your attention and in what context.

20 A All I can really tell you is, you know, you hear --
21 you hear stuff. Basically, you just come out -- you hear a
22 conversation. You hear something in passing or something about
23 an advisory board and, you know, that's -- no one ever came to
24 me, let's say, asked me about an advisory board or anything
25 like that. It's just it's talk you hear floating around the

1 industry. Hey, I hear someone is putting together an advisory
2 board. Okay.

3 Q Yeah. But it meant nothing to you.

4 A Right. It meant nothing to me.

5 Q You didn't care; right?

6 A Correct. It meant nothing to me.

7 Q Okay. And it certainly never came up as far as in
8 your hearing that an advisory board member would be given
9 points if they -- the applicant would be given points if they
10 had an advisory board member as opposed to a board of directors
11 member that might have been able to be characterized under the
12 term diversity?

13 A No. I mean, look, when it comes to the scoring and
14 evaluation, I don't -- I don't even know how the evaluators
15 were to score or what they were to consider, what they were
16 told to consider, not to consider.

17 Q To your knowledge, who trained the evaluators with
18 regard to how to award points for diversity and to -- you know,
19 what it took, or better yet what a board member meant?

20 A I don't know who trained them on that.

21 Q But if they trained them to give points to advisory
22 board members instead of just board of director members, that
23 was not what you intended. That's fair to say?

24 A Yes.

25 MR. GENTILE: Let me have a moment.

1 BY MR. GENTILE:

2 Q This application process, I get the sense about it
3 that there were some real busy times during that process for
4 you.

5 A Very busy, yes.

6 Q Would that be fair to say?

7 A Correct.

8 Q Busier than usual?

9 A Yes.

10 Q With regard to the process, if you take July,
11 beginning of July, July 5th when the application actually was
12 published, did it get busier from that point?

13 A It's hard to gauge. I mean, to me every day we're
14 doing a hundred miles a minute every day for two years, and it
15 just was getting worse and worse. So.

16 Q Did it ever come to your attention -- well, strike
17 that.

18 Mr. Pupo, before the final application -- excuse me.
19 Let me rephrase that.

20 On July 5th or thereabouts, an application was
21 published to the public for those who would be interested in
22 applying for a dispensary license in the September 20th
23 deadline for filing such applications. You're aware of that?

24 A Yes.

25 Q All right. And you had to approve that first

1 application; right, that July 5th application?

2 A Yes.

3 Q And in order for somebody to qualify to file that
4 application, they had to already be licensed somehow in the
5 marijuana industry in Nevada. Am I correct?

6 A Yes.

7 Q Okay. They could have been a cultivator?

8 A Yes.

9 Q They could have been in the production end?

10 A Yes.

11 Q They could have a dispensary?

12 A Yes.

13 Q Right? I mean --

14 A Right.

15 Q Really -- but they had to have one of them; right?

16 A Yes.

17 Q All right. And before that application was published
18 on July 5th of 2018, you had to approve it; am I correct?

19 A Yes.

20 Q Did anybody above you in the organizational chart of
21 the Department of Taxation Marijuana Enforcement Division have
22 to approve it?

23 A No.

24 Q Nobody?

25 A No.

1 Q So as a President once said, the buck stopped with
2 you?

3 A To a certain extent, yeah. I mean, the director
4 delegated the authority, you know --

5 Q Well --

6 A -- delegated --

7 Q -- let's talk about that. Who was the --

8 MR. PRINCE: Hang on he wasn't finished.

9 THE COURT: Were you done with your answer?

10 THE WITNESS: Yes.

11 THE COURT: Okay.

12 BY MR. GENTILE:

13 Q And, listen, I don't mean to cut you off. If you
14 have more to say, go ahead.

15 A No, that's fine.

16 MR. GENTILE: Okay. So --

17 THE COURT: Mr. Gentile, pull the mask back up.

18 Sorry. I know I'm going to distract you. So let's --

19 MR. GENTILE: If I wore a hockey helmet, would that
20 work? As long as it had one of these in front of it?

21 THE COURT: It has to have a fabric face covering.

22 MR. GENTILE: Okay.

23 BY MR. GENTILE:

24 Q Who was the director in July of 2018?

25 A I believe it was Bill Anderson.

1 Q Okay. Now, how long had he been the director? By
2 July 5th of 2018?

3 A I'm not even sure. Maybe six months.

4 Q Okay. You would agree, would you not, that
5 Mr. Anderson was fairly new by July 5th of 2018, as far as
6 being involved with the Department of Taxation?

7 A Yes.

8 Q Okay. And I don't mean to embarrass you, sir, but
9 would you agree that you have described Mr. Anderson as he
10 didn't know anything by July of 2018?

11 A Yes. I mean, I didn't mean that disparagingly. It's
12 just he was new --

13 Q No. I mean, some people might --

14 MS. WELCH: Allow the witness to finish.

15 BY MR. GENTILE:

16 Q -- think so?

17 THE COURT: You've got to let him finish his answer.
18 Were you done?

19 THE WITNESS: Yeah, I --

20 THE COURT: You said he was new.

21 THE WITNESS: Yeah. I just I didn't mean that in a
22 bad way. It's just he was new. He was still getting his feet
23 wet in all areas, and the Department of Taxation is not just
24 marijuana.

25 / / /

1 BY MR. GENTILE:

2 Q No, of course, but the Marijuana Enforcement Division
3 is?

4 A Yes.

5 Q Okay. And Mr. Anderson basically delegated it to you
6 to run The Division?

7 A Yes.

8 Q And you did -- so with regard to the application, to
9 the best of your memory, you reviewed it. You approved it.
10 You didn't even send it up to him, did you?

11 A I don't -- I don't remember if I sent it to the chief
12 deputy or -- or the director or not before I sent it out. Many
13 times I sent it for comments or would send something for
14 comments, and if I don't hear any objection, then it's out the
15 door.

16 Q Because you were doing a lot of things in addition to
17 medical -- excuse me, marijuana?

18 A Yes, sir.

19 Q And you've described those.

20 And this application that was published on July 5th
21 of 2018, it was never sent to the Tax Commission?

22 A No.

23 Q Prior to publishing it. Am I correct?

24 A Correct.

25 Q Okay.

1 A It's not required.

2 Q And with regard to the content and the intent of the
3 application, the people who knew about that, knew the most
4 about it would be you and Steve Gilbert; is that fair to say?

5 A And whoever he used to put together in the group.

6 Q So we don't know who those people are or even if
7 there are any, but --

8 A Well, I'm sure Steve Gilbert didn't do it himself.

9 Q You don't think he did it himself. Okay. But those
10 would be the people that would know?

11 A Yes.

12 Q With regard to officers -- then we're going to go
13 back a little bit now to diversity again.

14 With regard to officers, you said earlier owners,
15 officers and members of the board of directors were what you
16 intended with regard to who should be given points for
17 diversity?

18 A Yes.

19 Q Okay. With regard to officers, how did you define
20 officers the way you intended it for diversity points?

21 A Well, it would be officers of the corporation as they
22 would be registered with the Secretary of State.

23 Q And if it's an LLC, would it be the members?

24 A Yes, or -- and the managing member.

25 Q Managing member?

1 A Yes.

2 Q Okay. And if they weren't registered with the
3 Secretary of State, it was not your intent that they should be
4 given diversity points. Fair to say?

5 A If they're listed as officers, you know, if I
6 remember correctly, the application allowed for new members to
7 be put into the application.

8 Q Right. And supplement the Secretary of State listing
9 later?

10 A Right.

11 Q Yeah. But -- okay. If you never looked at the 2014
12 application, you don't really know how much that application
13 advised applicants as to how it was going to be scored. Am I
14 right?

15 A Correct.

16 Q And so you kind of relied on Steve Gilbert, as you've
17 said several times, and I don't want to beat that to death.

18 A Yes.

19 Q And you told him do it the way you did it before?

20 A Right.

21 Q Is there a reason why you did not --

22 I don't mean you, Jorge Pupo. This is the
23 collective.

24 -- why you did not advise the applicants as to what
25 the subparts of each broad category were and how they would be

1 scored?

2 A You know, I don't think there's a specific reason.
3 Like I say, you know, if that's -- if they didn't do it in
4 2014, then that's probably why it wasn't done in 2018.

5 Q Now, this application that went out on July the 5th
6 of 2018, if I understand your earlier testimony, and there's
7 been a lot of it as between the preliminary injunction and the
8 deposition, you did not know that an amended, a second
9 application, one that was changed was, in fact, distributed
10 until a few weeks before you testified at the preliminary
11 injunction hearing. Is that accurate?

12 A No. Because I knew that some clarifications were
13 being made.

14 Q I'm sorry?

15 A I said no, because I knew that some clarifications
16 were being made to the original application.

17 Q But you did not know that they were being made by
18 doing another application. You thought they were going to be
19 going on a LISTSERV or something. Am I right?

20 A Right. I --

21 MS. WELCH: Objection. Vague.

22 THE COURT: Overruled.

23 THE WITNESS: I thought it was just going to be a
24 clarification, a revised application or something like that.

25 / / /

1 BY MR. GENTILE:

2 Q You never saw the revised application or knew that it
3 was even distributed until a couple of weeks before you
4 testified at the preliminary injunction hearing.

5 A Well, I don't recall seeing it.

6 Q And so if you didn't see it, would it be fair to say
7 that you couldn't approve it? You got to see something and
8 review it before you can approve it. Am I right?

9 A Right. Like I say, I don't recall seeing it. It
10 doesn't mean I didn't see it. You know, it's --

11 Q Well, you've said pretty adamantly a couple of
12 different times, a year apart, that you didn't see it until
13 three weeks before the testimony at the preliminary injunction?

14 A Right. That's --

15 MR. BICE: Objection to the form. If that's true,
16 then he can show him that testimony.

17 THE COURT: Overruled.

18 THE WITNESS: Yes. I mean, that's true. That's my
19 recollection, but I don't -- it doesn't mean I didn't see it.

20 BY MR. GENTILE:

21 Q You would agree, would you not, that the statute, the
22 ballot question that resulted in the statute and the
23 regulations basically directed that the application process
24 contain -- that the applicant's history of operations basically
25 history of compliance was something that was to be considered

1 and scored. Would you agree?

2 MS. LEVIN: Objection. Misstates the statute.

3 THE COURT: Overruled.

4 THE WITNESS: Okay. I'm not sure that the statute
5 says or the regulation says to consider the history. I believe
6 it just says that they're in compliance with the regulations
7 and statutes.

8 BY MR. GENTILE:

9 Q Okay. But you would agree that compliance was
10 supposed to be part of the application and scoring process?

11 A Yes.

12 Q Okay. You would also agree that it is absent; there
13 is no section in that application for compliance?

14 A Like I said in my depo, I believe there's -- in the
15 evaluation sheet, they show the reference to the statute, and
16 the regulation says in compliance with regulation and statutes.
17 So like I said earlier, I don't know what the evaluators were
18 instructed to consider or not consider. The application itself
19 doesn't have a section just dealing with compliance.

20 Q And you have previously described that as an
21 oversight, have you not?

22 A Meaning that if it's not there and it was not
23 considered, then, you know, I would consider it an oversight.
24 It's not intentional.

25 Q Well, it doesn't have to be intentional. You can

1 break the law without intentionally doing it, can't you?

2 MR. PRINCE: Move to strike --

3 MS. WELCH: Objection.

4 MR. PRINCE: -- argumentative.

5 THE COURT: Granted. Can you rephrase your question.

6 MR. GENTILE: Your Honor, I don't know when you
7 intend to break, but --

8 THE COURT: It's 11:56. If you're telling me you're
9 ready to break for lunch, I'll break for lunch.

10 MR. GENTILE: I'm ready to break for lunch.

11 THE COURT: All right. What's your plan for the
12 afternoon?

13 MR. GENTILE: Mr. Pupo.

14 THE COURT: How long do you have?

15 MR. GENTILE: And I don't think -- I think that by
16 the end of today, maybe even before, but I don't -- I wouldn't
17 want to guarantee that, I'll be able to pass the witness.

18 THE COURT: I only ask because one of the members of
19 the group, and I'm not going to identify who, asked if we could
20 break at 3:30.

21 MR. GENTILE: I don't have a problem with that. I
22 don't have a problem with that. He has to come back tomorrow
23 anyhow --

24 THE COURT: I just don't know how long --

25 MR. GENTILE: -- and so we could just do the --

1 THE COURT: -- you're going to have Mr. Pupo for the
2 rest of the week.

3 MR. GENTILE: I do not anticipate that Mr. Pupo will
4 be testifying beyond the end of the day tomorrow. I do not. I
5 cut this down from about 30 pages to about, I don't know, 15,
6 12.

7 THE COURT: Lovely. Okay.
8 So your request is granted.

9 MR. BICE: I'm sorry. What?

10 THE COURT: One of your number, and I'm not going to
11 identify who, asked if it would be possible to break at 3:30,
12 and I said I would check. So I've made inquiry, and I have
13 checked, and I request -- I granted the request.

14 MR. BICE: Well, I mean, I don't know that -- I mean,
15 we might have an issue with that. Mr. Pupo is on the stand. I
16 know that there are issues with, you know, him being required
17 to be here. They have an expert now that they want to, as I
18 understand it, interrupt Mr. Pupo --

19 MR. GENTILE: I have to do that, Your Honor.

20 MR. BICE: So, I mean, I don't think that's
21 appropriate.

22 THE COURT: I understand your position, Mr. Bice. I
23 already said granted.

24 MR. BICE: Well, I know you said that before I even
25 heard that there was a request. So I don't know why now we

1 are -- you know, I mean, we've stopped early multiple days, and
2 we're going to run out of time. So I'll note my objection. I
3 do not think that that is fair to the defense side to do that.

4 THE COURT: Okay.

5 MS. WELCH: And I just note the objection to anything
6 that prolongs Mr. Pupo's testimony or requires him to come back
7 additional days that we could avoid otherwise.

8 THE COURT: So what time do you need Mr. Pupo
9 tomorrow? He's going to be here for the afternoon until we
10 break. And then what time tomorrow?

11 MR. GENTILE: I would say if we start at 8:30, I will
12 probably pass the witness in the neighborhood of 10:00 to
13 10:30.

14 MR. PRINCE: Which --

15 THE COURT: You're going to have a couple hours with
16 your expert --

17 MR. GENTILE: Mr. Seigneur. Mr. Seigneur.

18 MR. PRINCE: Okay. That's our other issue. Okay.

19 THE COURT: I thought you told me it was going to be
20 an hour.

21 MR. GENTILE: Hour, hour and a half. Okay. And I
22 gave them notice about Mr. Seigneur last week, that we were
23 going to interrupt Mr. Pupo for it. So.

24 THE COURT: I remember discussing it last week.
25 Okay.

1 MR. PRINCE: You did give us that notice. But I want
2 the opportunity to complete Mr. Pupo before we move on to an
3 expert. I don't understand why we --

4 THE COURT: I did not give that. I said last week
5 that we could suspend Mr. Pupo to take the witness who had
6 limited availability who was identified as Mr. Senior. But I
7 thought Mr. Seigneur would be an hour and a half.

8 MR. GENTILE: That would be -- I can't imagine a
9 direct lasting that long, but I'm -- cross is another story. I
10 don't know.

11 THE COURT: Okay. Anything else?

12 (No audible response.)

13 THE COURT: All right. So I'll see you guys at 1:00.
14 Have a nice lunch.

15 (Proceedings recessed at 11:58 a.m. until 12:55 p.m.)

16 THE COURT: Mr. Gentile, whenever you're ready.

17 BY MR. GENTILE:

18 Q Mr. Pupo, I believe when we broke for lunch we
19 were -- I was asking you questions about compliance. Can we
20 put --

21 MR. GENTILE: I don't know if this is an exhibit,
22 Shane, but 453D272.

23 THE COURT: It's been used as demonstrative --

24 MR. GENTILE: It's been up many times.

25 THE COURT: -- it's being used as a demonstrative we

1 don't have to have it admitted.

2 MR. GENTILE: Okay.

3 UNIDENTIFIED SPEAKER: And you're talking about
4 [Indiscernible].

5 MR. GENTILE: The Statute 450 -- NAC, I'm sorry, the
6 regulation, NAC 453D272.

7 THE COURT: And, Mr. Pupo, if you need it blown up or
8 moved up or down please let them know and Shane will be happy
9 to move it for you.

10 THE WITNESS: Okay. Thank you.

11 MR. GENTILE: What I want -- what I'd like you to do,
12 Shane, if you can is enlarge Paragraph G.

13 BY MR. GENTILE:

14 Q Okay. Mr. Pupo, you -- you have it in front of you
15 and I see you looking at it. Take a minute, read it and then
16 I'll question you on it. Please.

17 A Okay. I'm sorry, is this -- I can't see. Is this --
18 this is NAC?

19 Q This is the, yes, the Nevada Administrative Code --

20 A Yeah. Okay.

21 Q -- 453D272, and we have used this several times. But
22 this is -- you would agree, would you not, that this paragraph
23 speaks in terms of the owners, officers or board members of the
24 proposed marijuana establishment having direct experience with
25 the operation of a medical marijuana establishment or marijuana

1 establishment in this State and have demonstrated a record of
2 operating such an establishment in compliance with the laws and
3 regulations of the State; am I right?

4 A Yes, that's what it says.

5 Q Okay. And if you look up at the top of the document
6 its title, it speaks in terms of ranking of applications for
7 retail marijuana store; right?

8 A Yes.

9 Q And so this Subparagraph G with regard to the owner,
10 operator or board member has a demonstrated -- has demonstrated
11 a record of operating such an establishment in compliance with
12 the laws and regulations is a criteria that was to be judged
13 with -- with regard to the ranking of an application; right?

14 A Yeah.

15 Q Okay. That's your understanding, I mean, is that how
16 you read it?

17 A Yes.

18 Q Okay. Now, are you aware that as it turned out, the
19 compliance records of the applicants were not made available to
20 the graders?

21 A Right. No, I wasn't aware until recently.

22 Q You were not aware of that?

23 A No.

24 Q I'm sorry.

25 A I was not aware until recently.

1 Q So you're just learning that now?

2 A Right. I didn't -- I didn't know what -- what they
3 had access to or not.

4 Q Okay. If they weren't made aware of the compliance
5 records, they couldn't grade them, could they?

6 A It would be difficult to, yes.

7 Q I'm sorry, sir, either -- I'm having a hard time
8 understanding what you're saying to me.

9 A Right. If they didn't have written access to the
10 records they couldn't score it.

11 Q Right. So you agree with that? And it wasn't you
12 that decided that they couldn't have access to them; right?

13 A No.

14 Q I'm correct?

15 A Correct.

16 Q Okay. And so if they didn't have access to them and
17 they couldn't score them, then it really didn't matter what
18 kind of a compliance record the applicant had because the
19 grader wasn't going to be made aware of it and couldn't use it
20 as a factor in ranking them?

21 MS. LEVIN: Objection. Calls for speculation.

22 THE COURT: Overruled.

23 THE WITNESS: Again, I don't know what they were told
24 to consider or not consider regarding compliance so I can't
25 really answer that question.

1 BY MR. GENTILE:

2 Q Okay. Let's go back. You directed Steve Gilbert and
3 the others that were involved in 2014 to do it the way they did
4 it in 2014; right?

5 A Yes.

6 Q You would agree, would you not, that in 2014 nobody
7 in Nevada had a compliance record because it was a brand-new
8 industry?

9 A Correct.

10 Q So there was nothing to judge in 2014; right?

11 A Correct.

12 Q And it wasn't part of the regs or the application in
13 2014?

14 MR. BICE: Objection. Foundation.

15 MS. LEVIN: Join.

16 THE COURT: Overruled.

17 THE WITNESS: Yeah, I don't know that. I don't --

18 BY MR. GENTILE:

19 Q Well, you don't know that, but how could it be?

20 A Right.

21 Q Okay. You could put it there and everybody's got a
22 zero; right?

23 A Correct.

24 Q Or a hundred?

25 A Or what?

1 Q Depends on how -- or a hundred percent depending on
2 how you look at it?

3 A Right.

4 Q If I'd never been in the business I couldn't have
5 made a mistake in it; could I?

6 A Right.

7 Q So now we're in 2018, and this is the regulation, and
8 you've read what it says, and the record's clear as to what it
9 says. Is it fair to say that you don't know why the graders
10 were not made -- were not given access to the compliance
11 history of the various applicants?

12 A Yes, I don't know. I don't know.

13 Q Okay. But it wasn't you that said don't do it?

14 A No.

15 Q In fact, you thought from reading the regulation that
16 it was going to be there. How are you going to judge
17 compliance unless you're given access to the information?

18 MR. BICE: Objection. Foundation.

19 THE COURT: Overruled.

20 THE WITNESS: Right. I mean, if you're going to
21 score, you would need to know the history.

22 BY MR. GENTILE:

23 Q The graders would need to know; otherwise, it was not
24 going to be scored period?

25 MS. LEVIN: Objection. Lacks foundation.

1 THE COURT: Overruled.

2 THE WITNESS: Yeah, again I don't know what their
3 instructions were.

4 BY MR. GENTILE:

5 Q And would you agree, sir, that at least the
6 regulation appears to say that compliance is an important
7 criteria in deciding who gets a license and who doesn't?

8 A Well, it shows it's a criteria.

9 Q I'm sorry?

10 A It doesn't show the level of import. It's -- there's
11 several criteria, I mean, this is G, A through --

12 Q Right. It's only one factor, but it is a factor?

13 A Yes.

14 Q Okay. And you don't know why it was left out of the
15 application?

16 MR. BICE: Objection. Foundation. Asked and
17 answered.

18 THE COURT: Overruled.

19 THE WITNESS: Right. Again I -- I don't know that it
20 was totally left out or not. It depends on the instructions
21 given to the evaluators.

22 MR. GENTILE: Okay. Could we put 453D268 up on the
23 screen, please, Shane.

24 BY MR. GENTILE:

25 Q You see the caption on 453D268, Mr. Pupo?

1 A Yes.

2 MR. GENTILE: Okay. Shane, could we go to sub 2E.
3 Not B, E. Okay. Let's -- first let's -- can you highlight
4 both -- take the top part off. Highlight both 2 and B. Can
5 you do that? I would like to have both the paragraph 2 and
6 subparagraph E under it. Both highlighted at the same time.

7 BY MR. GENTILE:

8 Q Okay. You were familiar with this regulation back in
9 2018, sir?

10 A Yes.

11 Q This says that an application must be on a form
12 prescribed by the Department. I guess you were the prescriber
13 because you reviewed it and signed off on it.

14 A Right.

15 Q And the application must include without limitation.
16 Now before we go into sub E, to you, what did must include
17 without limitation mean?

18 A It means that it must be on the application.

19 Q It's got to be in there; right?

20 A Yes.

21 Q Okay. And when we go to sub E, it says, The physical
22 address where the proposed marijuana establishment will be
23 located and the physical address of any co-owned or otherwise
24 affiliated marijuana establishments. Now, that's got really
25 two parts to it.

1 So let's take the first part. The physical address
2 where the proposed marijuana establishment will be located;
3 what did that mean to you?

4 A That the application must have --

5 Q The application had to --

6 A I'm sorry?

7 Q The application had to request, demand actually, that
8 information; right?

9 A It -- to me is that the application had to have a
10 space, right, to list a physical address.

11 Q Right. It didn't mean that it had to scored, but it
12 had to be in there?

13 A Correct.

14 Q Okay. And it had to be not just a physical address;
15 it's the physical address where the proposed marijuana
16 establishment will be located; right?

17 A It says the -- yes.

18 Q It says what?

19 A It says the -- the, yeah.

20 Q Will be located; right?

21 A Yes.

22 Q Okay. So to your knowledge, has anybody ever opened
23 up a marijuana establishment in the box in which mail is
24 dropped at a UPS store?

25 A Not to my knowledge.

1 Q Not to your knowledge?

2 A No.

3 Q Right. It would be an awfully small marijuana
4 establishment, wouldn't it?

5 A Very small, yes.

6 Q Right. There was a movie out last year about, you
7 know, I don't remember the name of the movie, but everybody
8 was, like, little things, little people, and somebody's
9 laughing back there, they saw the movie.

10 UNIDENTIFIED SPEAKER: Gulliver's Travel.

11 THE COURT: Nobody saw the movie. We're all just
12 shaking our heads at you.

13 BY MR. GENTILE:

14 Q Okay. Well, anyhow. Gulliver's Travels. Okay.
15 Let's talk about that. That's not the movie, but -- okay. You
16 remember that story. Gulliver was like --

17 A Right.

18 Q -- just an ordinary size guy, but he was a monster to
19 those people; right?

20 A Right.

21 Q So you'd have to be the people that were running
22 around Gulliver that would have to shop in a marijuana store
23 that was located in a little post office --

24 THE COURT: The Lilliputians.

25 MR. GENTILE: The little who?

1 THE COURT: The Lilliputians.

2 MR. GENTILE: The Lilliputians, that's right.

3 THE COURT: Let's use the correct terminology.

4 MR. GENTILE: They didn't have that in the Cliff
5 Notes that I read.

6 BY MR. GENTILE:

7 Q Anyhow. So nobody's ever done one. Are you aware of
8 how many people listed the physical address where the proposed
9 marijuana establishment will be located as a box in a UPS
10 store?

11 A No. I'm not aware.

12 Q Were you aware that any did?

13 A Not until the preliminary injunction.

14 Q I'm sorry?

15 A Not until the preliminary injunction hearing.

16 Q I'm still not able to understand.

17 A That I wasn't aware until the preliminary injunction
18 hearing.

19 Q Okay. So -- so the bottom line is --

20 THE COURT: I think leaning in and speaking up helps
21 Mr. Gentile hear you.

22 THE WITNESS: I'm working on it, Your Honor.

23 THE COURT: I know.

24 THE WITNESS: I'm trying.

25 MR. GENTILE: Listen. I really apologize, but you

1 know this is what I am.

2 BY MR. GENTILE:

3 Q Okay. So it wasn't until the preliminary injunction
4 hearing that you first learned that people were putting in tiny
5 little places as the address of where the proposed marijuana
6 establishment will be located.

7 Were you aware that there were some people that not
8 only did not put in the address, the physical address where the
9 proposed marijuana establishment will be located, but they
10 actually put in, To be determined. They listed no address, not
11 even a UPS mail drop; were you aware that?

12 A No, I mean, I didn't review any applications. I
13 didn't even see them.

14 Q So you did not review the applications?

15 A Not at all.

16 Q Would you agree, sir, that at least with regard to
17 this paragraph, the first half of this paragraph, an
18 application on a form described by the Department, the
19 application must include without limitation the physical
20 address where the proposed marijuana establishment will be
21 located. If it did not -- if an application did not list the
22 physical address where the proposed marijuana establishment
23 will be located, regardless of whether that was scored or not,
24 it would not be complete because it would not have complied
25 with that subparagraph?

JD Reporting, Inc.

1 MS. LEVIN: Objection. Calls for legal a conclusion.

2 THE COURT: Overruled. You can answer.

3 THE WITNESS: Yeah, you know, I don't know how -- how
4 you would define or judge completeness.

5 BY MR. GENTILE:

6 Q Well, if something is --

7 THE COURT: Wait. You've got to let him finish.

8 MR. GENTILE: I'm sorry.

9 THE WITNESS: In the sense of whether the application
10 should go forward or not --

11 BY MR. GENTILE:

12 Q I didn't ask you that.

13 THE COURT: Hold on. Were you finished, sir?

14 THE WITNESS: I guess I am, Your Honor.

15 THE COURT: Okay.

16 BY MR. GENTILE:

17 Q I didn't ask you whether it should go forward, all
18 right. That's not your call. That's a legal conclusion.
19 That's what the Judge will decide. What I asked you is way
20 shorter than that.

21 Would you agree that if it did not comply with having
22 a physical address where the proposed marijuana establishment
23 will be located, it was not complete because the information
24 wasn't in there?

25 A Right. I would say that it -- it failed to meet that

1 requirement.

2 Q And would you also agree that if it had -- well,
3 nevermind. So you do recognize, if I understand you right,
4 that there's a difference between including an address -- the
5 physical address where the store will be located and whether or
6 not you needed to score it; am I right?

7 A Yes.

8 Q All right. One of the issues in the application
9 scoring process, the ranking process, scoring and then ranking
10 was the impact that the proposed marijuana establishment which
11 was required to be listed in terms of a physical address where
12 it was to be located, the impact that that would have on the
13 community in which it was located; am I right?

14 A Yes.

15 Q And that was supposed to be scored, the impact that
16 it was going to have on the community; am I right?

17 A I believe so.

18 Q Okay. So whereas location may not be scored, the
19 impact on the community had to be scored; fair to say?

20 A I believe so, yeah, or, yes, sorry.

21 Q I don't know where you live and I don't care, okay?
22 But what's a community? Do you live in a community?

23 A Yes.

24 MS. LEVIN: Calls for a legal conclusion.

25 THE COURT: Overruled.

JD Reporting, Inc.

1 THE WITNESS: Yes, I live in a community.

2 BY MR. GENTILE:

3 Q Okay. Do you mind telling me what community? I
4 don't want to know your address, but can you just tell me what
5 community you live in?

6 A Silverado Ranch.

7 MS. LEVIN: Objection. Relevance.

8 THE COURT: Overruled.

9 BY MR. GENTILE:

10 Q Silverado Ranch?

11 A Yes.

12 Q Okay. Now, some of Silverado Ranch is gated; am I
13 right?

14 A Yes.

15 Q Do you live in the gated part?

16 A No.

17 MS. LEVIN: Objection.

18 THE COURT: Overruled.

19 BY MR. GENTILE:

20 Q Okay. So you don't live in North Las Vegas?

21 A No.

22 Q That's a different community; right?

23 A Yes.

24 Q Okay. You don't live in Summerlin; that's a
25 different community; right?

1 A Yes.

2 Q All right. You live in Silverado Ranch?

3 A Correct.

4 Q You don't live in Southern Highlands, that's a
5 different community?

6 THE COURT: Mr. Gentile, your mask.

7 THE WITNESS: I think -- I think we've established
8 that. I live in Silverado Ranch.

9 BY MR. GENTILE:

10 Q Okay. How could -- now, the Silverado Ranch has --
11 it's got a homeowners association?

12 A Some areas do, some housing try to do, some don't.

13 Q If somebody opens up a strip club in North Las Vegas,
14 what kind of impact does that have on the Silverado Ranch
15 community?

16 A None.

17 Q None. Okay.

18 A Unless you want to travel to North Las Vegas to visit
19 that strip club.

20 Q The original application form called for the
21 submission, not only of the actual physical location of where
22 the proposed marijuana establishment was going to be located,
23 but it also called for construction plans; do you remember
24 that?

25 A I believe it called for a general floor plan.

1 Q And there came a point in time when you had something
2 to do with changing that; am I right?

3 A Yes.

4 Q What change did you make?

5 A The language in the regulation was -- so I believe in
6 2014 it was construction plans, and then the language changed
7 in the current regulations to general floor plans, but the
8 application, I believe, had initially gone out that said
9 construction plans. So that was part of the clarification that
10 we made to change from construction plans to general floor
11 plans. And that change came out of the workshops by the way.

12 Q Did you also make a change with regard to the
13 requirement of the physical location at which the proposed
14 marijuana establishment will be located?

15 A No.

16 Q So the application always required in compliance with
17 Subparagraph 2E of 453D268 the actual physical location of
18 where the marijuana establishment -- the proposed marijuana
19 establishment will be located?

20 MR. PRINCE: Objection. Foundation. Assumes facts.

21 THE COURT: Overruled.

22 THE WITNESS: Yes.

23 BY MR. GENTILE:

24 Q During the course of the Governor's task force you
25 kind of -- you were involved in that a little bit, weren't you?

1 A Yes.

2 Q All right. And you monitored what was going on? I'm
3 not saying everything, but, you know, you stayed abreast of the
4 various working groups and what they were moving toward?

5 A Not really. I followed -- I was part of the lab
6 group so I was in touch with them, and then I kind of found out
7 what the other working groups were doing when the task force
8 met.

9 Q Did it come to your attention that people that were
10 involved in -- already involved in the marijuana industry in
11 Nevada were not happy with the need to declare an actual
12 physical location of where their store was going to be located
13 because it was costly to obtain a location and the plans and
14 things of that nature?

15 A So there were conversations regarding that, yes.

16 Q And those conversations took place before 453D2682E
17 was created, didn't they? The regs followed the Governor's
18 task force -- followed after in time?

19 A No, I believe they were discussed during the task
20 force as well.

21 Q That's what I'm saying.

22 A Yes.

23 Q They were discussed during the task force and then
24 later on regulations were passed?

25 A Yes.

1 Q There where a lot of things that the --

2 MR. GENTILE: I'm sorry, Judge. I'm doing the best I
3 can with this.

4 THE COURT: All right.

5 MR. GENTILE: Here, let me try something different.
6 See if that works.

7 THE COURT: Okay.

8 BY MR. GENTILE:

9 Q There were -- there were a number of things that the
10 industry wanted that, in fact, were worked into the
11 regulations; am I correct?

12 A I believe so, yes.

13 Q Okay. But at least with regard to --

14 MR. GENTILE: Could you put that up again, please,
15 Shane. 268.

16 BY MR. GENTILE:

17 Q At least with regard to the physical address where
18 the proposed marijuana establishment will be located, that
19 remained in the regulation?

20 A Yes.

21 Q Okay. And it had to be adhered to?

22 A Yes.

23 Q And we had a man here today, you weren't here, but he
24 adhered to it. He applied for five licenses, and he had five
25 different locations, and the real locations where they were

1 going to have their stores, and that's where their stores are.

2 So some people adhered to it; right?

3 MR. BICE: Objection. Foundation.

4 MR. GENTILE: Yeah, he may not know.

5 THE COURT: Overruled.

6 BY MR. GENTILE:

7 Q Do you know?

8 A I don't know.

9 Q Now, at least with regard to the statute that the
10 regulations were adopted pursuant to, the statute did not break
11 down jurisdictions into subparts, did it?

12 MS. LEVIN: Objection. Vague.

13 THE COURT: Overruled.

14 BY MR. GENTILE:

15 Q Do you understand the question?

16 A Yes. And, no, it was by county.

17 Q It was just by county, right?

18 A Yes.

19 Q Okay. Would you agree that had the language of the
20 initiative, the statute been strictly followed, it would have
21 presumably produced very different results?

22 A No, I don't know. I'd have to look because the
