23 references to the counties is regarding allocation of licenses.

24 Q By reducing the counties, by subdividing the
25 counties, there were more opportunities for an applicant to get

1 licenses in a county than there would have been without it; am
2 I correct?

3 A I don't know that.

4 Q There was a antimonopoly provision, wasn't there?

5 A Yes.

6 Q Okay. And what was that provision?

7 A That no one could have more than 10 percent of the
8 allocable licenses in the county. So Clark County had 80
9 licenses allocated to it; no one can have more than eight
10 dispensaries.

11 Q Do you know a man name Armen Yemenidjian?

12 A Yes.

13 Q Who is he?

14 A The owner of Essence.

15 Q The owner of Essence?

16 A Or one of the owners.

17 Q What is Essence?

18 A A dispensary.

19 Q It's a dispensary?

20 A Yes.

21 Q Is it one dispensary?

22 A Yeah, I don't know how many there are. It's --

23 Q You don't know how many they have?

24 A No.

25 Q All right. What do you know about the structure --

1 strike that.

2 Have you ever heard of a company called Integral?

3 A Yes.

4 Q Okay. And what is Integral?

5 A Integral's, I believe, the parent company that owns
6 the Essence dispensaries.

7 Q Integral is the parent company that owns the Essence
8 what?

9 A Dispensaries.

10 Q Dispensaries?

11 A Yes.

12 Q Okay.

13 A Or retail stores.

14 Q So is Armen Yemenidjian the owner of Integral or was
15 he at the time that you were with the Department of Taxation?

16 A Yeah, I believe he was a owner. Uh-huh.

17 Q Okay. Who were the others?

18 A I don't know. I believe maybe Alex Yemenidjian. I
19 don't know who else is owner.

20 Q What was your relationship with Mr. Yemenidjian?

21 A Casual, friendly.

22 Q I'm sorry?

23 A Casual, friendly.

24 Q Casual, friendly relationship, okay.

25 How did you meet him?

1 A I met him initially at the Henderson office. Amanda
2 Connor took him to meet Deonne Contine who was the director at
3 the time.

4 Q And who introduced you to him?

5 A Amanda Connor.

6 Q Okay. And did you later meet a man named Alex
7 Yemenidjian?

8 A I -- I met Alex much, much later.

9 Q Later?

10 A Yes.

11 Q Okay. So about when to the best of your memory did
12 you meet Armen Yemenidjian?

13 A I have no idea. I believe it was shortly after the
14 Department took over the marijuana program --

15 Q But --

16 A -- so I want to say sometime in 2017.

17 Q In any case, you met him at the offices at the
18 Department of Taxation?

19 A Yes.

20 Q Where you work?

21 A Yes.

22 Q You have testified today that you had a routine that
23 was -- I was trying to remember the word -- you routinely
24 deleted text messages, telephone voice messages, emails, things
25 like that from your telephone; am I right?

1 A Yes.

2 Q You would agree, would you not, that you may have
3 deleted such things that were communications between you and
4 Armen Yemenidjian?

5 A Sure. It's possible, yes.

6 Q Because it wasn't until after -- well, I shouldn't
7 say because. It wasn't until after the conditional licenses
8 were awarded on December 5th of 2018, that you ceased
9 deleting messages and emails and voice messages routinely?

10 A Yes.

11 MS. WELCH: Objection. That misstates his testimony.

12 THE COURT: Overruled.

13 THE WITNESS: Yes.

14 BY MR. GENTILE:

15 Q Now, I want to ask you about something called GTI;
16 have you ever heard of GTI?

17 A Yes.

18 Q What is GTI?

19 A A marijuana corporation. I believe stands for Green
20 Thumb Industries.

21 Q Publicly traded?

22 A Yes.

23 Q What -- and do you know where the offices of GTI are?

24 A I believe Chicago.

25 Q Chicago. Okay.

1 Did you ever meet any of the principals in GTI at --
2 well, let me rephrase that. Prior to September 20th of 2018,
3 did you meet any of the principals of GTI?

4 A In person? No.

5 Q No. How about telephonically, did you talk to them
6 on the phone?

7 A I spoke to them once, but I don't know the time
8 frame.

9 Q Okay. At some point in time Armen Yemenidjian told
10 you that Integral was going to sell to GTI; am I right?

11 A Yes.

12 Sorry, I'm having mask issues.

13 THE COURT: So is Mr. Gentile so.

14 BY MR. GENTILE:

15 Q Did you ever read the application that was filed by
16 Essence or subsidiaries of Essence for the September 2018
17 impartial numerically scored competitive process?

18 A No.

19 Q So you don't know whether it was disclosed on that
20 application that the applicants were going to sell to GTI; am I
21 right?

22 A Right, I don't know that.

23 Q You were -- you just a little bit ago talked about
24 this monopoly issue -- antimonopoly issue, and you said that
25 you -- that no one could own more than how many, what

1 percentage of the licenses in a county?

2 A 10 percent of the allocable licenses in the county.

3 Q 10 percent of the eligible licenses?

4 A Allocable.

5 Q Allocable. Okay.

6 How many licenses when you were with the Department,
7 and it probably hasn't changed actually, were allocated to
8 Washoe County?

9 A Well, I don't remember.

10 Q You don't remember?

11 A No.

12 Q Okay. Are you aware that GTI had a dispensary in
13 Washoe County before the December 2018 conditional licenses
14 were announced?

15 A I believe they did, yes.

16 Q Okay. Would you agree, sir --

17 A Wait -- who -- I'm sorry, can you go back? Who are
18 you saying had a dispensary there?

19 Q I said GTI. Did --

20 A GTI?

21 Q Were you aware that GTI had a dispensary in Washoe
22 County?

23 A Yes.

24 Q Okay. And I -- did you ever become aware that GTI
25 actually did acquire Essence -- Integral?

1 A Yes.

2 Q Okay. And do you know how many licenses Integral or
3 its subsidiaries -- I'll use the word won, okay -- no, let me
4 use the word awarded, were awarded in Washoe County with regard
5 to the results in December of 2018?

6 A No, I don't remember.

7 Q Are you aware of whether Essence -- or Integral, I
8 should say, already had a location or more than one location in
9 Washoe County before December of 2018?

10 A Yeah, I don't know. I don't remember that.

11 Q You do or you don't?

12 A I don't.

13 Q You don't. Okay.

14 What in your mind would the result be with regard to
15 the antimonopoly provision if by reason of purchasing a company
16 that already had dispensaries in a county like Washoe County,
17 the purchasing company also had them in Washoe County and as a
18 result of the two, one buying the other, they exceeded the
19 antimonopoly provision; what would happen then?

20 MR. BICE: Objection to the form. Incomplete
21 hypothetical. Foundation.

22 THE COURT: Overruled.

23 You can answer.

24 THE WITNESS: They would have to divest themselves of
25 that ownership.

1 BY MR. GENTILE:

2 Q To get back in compliance with the antimonopoly
3 provision?

4 A Yes. That's correct.

5 Q Thank you, sir.

6 You developed a -- well, I don't want to put words in
7 your mouth. Did you ever go out for drinks or dinner with
8 Armen Yemenidjian?

9 A Yes.

10 Q Would it be fair to say that you went out with him
11 probably more than 10 times?

12 A I have no idea.

13 Q You don't have any idea. Do you remember testifying
14 at your deposition that you went out with Mr. Yemenidjian
15 probably more than 10 times?

16 MR. BICE: Objection to the form.

17 THE COURT: Overruled.

18 THE WITNESS: Yeah, no, I don't remember how many
19 times.

20 BY MR. GENTILE:

21 Q You don't remember saying that?

22 A No, I don't remember saying it 10 times, but.

23 Q Okay. Well, then let's see.

24 MR. GENTILE: Shane, we're talking about page 335.

25 THE COURT: And have you sent me the original

1 transcript yet?

2 MR. GENTILE: I'm sorry?

3 TECH SHANE: I have not.

4 THE COURT: Can you send it to me later today?

5 TECH SHANE: Yes.

6 THE COURT: That would be lovely.

7 The deposition will be published.

8 MR. GENTILE: Hold on a moment.

9 Yeah, we're starting at page 335, at line 22. And
10 we're going through 336, line 13, please.

11 THE WITNESS: Good thing it's not high def.

12 (Publishing audio-video recording.)

13 BY MR. PARKER:

14 Q Mr. Pupo, do you recall how many times you actually
15 went out with Mr. Yemenidjian?

16 A No, not specifically. I'd have to ballpark it.

17 Q What would it be ballparked at?

18 A Four or five.

19 Q Okay. How about I ask you the same question in terms
20 of Ms. Connor?

21 A Well, I wouldn't have any idea.

22 Q No idea?

23 A No idea. Several.

24 Q Would it be more than 10 times?

25 A Probably.

1 Q More than 20 times?

2 A (Indiscernible) it would be a total guess as to how
3 many.

4 Q All right. So --

5 (Audio-video recording ends.)

6 MR. GENTILE: That's enough. That's fine.

7 BY MR. GENTILE:

8 Q Now, you went out with Mr. Yemenidjian alone four or
9 five times, and then he was also present when -- at times when
10 you and he and Amanda Connor were together; am I right?

11 MR. BICE: Objection, Your Honor. Foundation and
12 improper use of the deposition. Counsel represented --

13 THE COURT: Mr. Bice, please don't make a speaking
14 objection. The witness had the opportunity to review the
15 deposition so he knows what it said. Your objection's
16 overruled.

17 MR. BICE: All right.

18 BY MR. GENTILE:

19 Q Do you remember my question?

20 A Yeah. But you saw it as there was times that I met
21 with Armen Yemenidjian without Amanda Connor and sometimes with
22 Amanda Connor.

23 Q Right.

24 A Yes.

25 Q And that's true, isn't it?

1 A Yes.

2 Q And if you aggregate the two, it's more than 10
3 times?

4 A I don't know.

5 Q You would agree that -- oh, you've already said that.
6 Okay. I want to call your attention to July the 17th
7 of 2018, which was about 12 days after the application for the
8 September competitive process had been published, but before
9 the publication -- excuse me, before the submission of the
10 applications had to be made July the 17th of 2018.

11 A Okay.

12 Q Do you recall having dinner at Hank's restaurant at
13 the Green Valley Ranch with Armen Yemenidjian and Amanda Connor
14 that night?

15 A Yes, vaguely. I'm not sure of the date though.

16 Q You're not sure of the date?

17 A Well, I -- I'll take your word for it.

18 Q Okay. Well, we have other documents in the record --

19 A Okay.

20 Q -- already that will pinpoint the date. So I'm going
21 to say to you, you don't have to believe me, but the record
22 reflects that it was July the 17th of 2018, based on the
23 receipts and the reservation book and Amanda Connor's
24 testimony.

25 A Okay.

1 Q Okay. You would agree, would you not -- well, and so
2 that you understand, let me ask you your memory, okay. The
3 receipt indicates that you guys were there almost three hours.
4 What's your memory? Were you there a good deal of time that
5 night?

6 A Three hours seems like a long time. They were there
7 when I got there. So I don't know how long they were there
8 before I got there.

9 Q All right. Do you remember what time you arrived?

10 A No.

11 Q Can you approximate it?

12 A No.

13 Q No, okay. You would agree, would you not, that that
14 night you were there for quite a while with the two of them?

15 A Yes.

16 Q Okay. Talked a lot?

17 A Yes.

18 Q Dined, had something to eat, something to drink,
19 things of that nature?

20 A Yes, I don't even remember if I ate or not, but.

21 Q Okay. And among the things that you talked about
22 that night was the GTI purchase of Integral; am I right?

23 A I believe that's what we talked about.

24 Q And Mr. Yemenidjian advised you that Integral was
25 doing a deal with GTI, hadn't been completed yet, but they were

1 in negotiations; right?

2 A Right. I believe that's when he told me.

3 Q I'm sorry, sir, I --

4 A I believe that's when he told me.

5 Q And you had just gotten back from a trip to Arizona;
6 do you remember that?

7 A Yes.

8 Q You were in Arizona with your daughter?

9 A Yes.

10 Q Trying to get her set up for school; right?

11 A Yes.

12 Q And before this meeting took place while you were in
13 Arizona, you received a text from Amanda Connor regarding a
14 list of things that she wanted to talk to you about. Do you
15 remember that?

16 A Yes.

17 Q And this meeting at Hank's was the first time since
18 you returned from Arizona that you met up with Amanda Connor;
19 do you remember that? You got back the day before.

20 A Oh, then, yeah, probably.

21 Q Well, according to your text, you got back the day
22 before. You got back July the 16th.

23 A Okay.

24 Q So does that sound right to you then?

25 A Right.

1 Q Now, you didn't know because you hadn't seen the
2 revised -- what I call the revised application, but 13 days
3 after your meeting at Hank's with Armen Yemenidjian and Amanda
4 Connor, a second revised -- excuse me, wrong way to say it -- a
5 revised application form for the 2018 application process was
6 published. You've already said you didn't know about that
7 until the preliminary injunction hearing, but are you aware now
8 that it was published on July 30th of 2018?

9 A Right. Yes.

10 Q And is that -- at that Hank's meeting, is that the
11 time, and we can mince words, but I'm going to use offered you
12 a job, okay? We -- you can say it different ways. You can
13 say, you know, all kinds of different language, but the essence
14 of it is that the time that Armen Yemenidjian offered you a job
15 if you left the D.O.T.?

16 MR. BICE: Objection to the form --

17 THE COURT: Overruled.

18 MR. BICE: -- testimony.

19 MS. WELCH: Objection.

20 THE COURT: You can answer.

21 THE WITNESS: Yeah, I don't remember if it was there.
22 I don't believe so.

23 BY MR. GENTILE:

24 Q You don't remember if it was that night or a
25 different time?

1 A Right.

2 MR. BICE: Same objection.

3 BY MR. GENTILE:

4 Q Might it have been later than that?

5 THE COURT: Overruled.

6 THE WITNESS: I don't -- I don't know.

7 BY MR. GENTILE:

8 Q So you don't remember if it was before the Hank's
9 dinner or if it was after the Hank's dinner, but you do
10 remember that Armen Yemenidjian suggested to you that if you
11 left the D.O.T., he'd hire you?

12 A Yes.

13 Q You left the D.O.T.; has Mr. Yemenidjian offered you
14 a job?

15 A No.

16 Q About 10 days after the Hank's meeting, dinner
17 meeting with Amanda Connor and Armen Yemenidjian, you met with
18 Amanda Connor and Mitch Britten. I believe you had lunch with
19 them that day; do you remember that?

20 A Yes.

21 Q Do you remember where that took place?

22 A I believe it was the Artisan.

23 Q Artisan Hotel?

24 A Yes. It's -- escapes me now. There's a restaurant
25 in there.

1 Q It's a restaurant, okay.

2 I have to ask you, when you would go to dinner --
3 well, first of all, let me ask you a predicate question. How
4 many times did you meet up with Mitch Britten? We've talked
5 about how many times you've met up with Armen Yemenidjian, but
6 how many times did you meet up with Mitch Britten with or
7 without Amanda Connor? And you can estimate it, sir.

8 A I'm sorry?

9 Q You can estimate.

10 A Probably two times, two or three times.

11 Q Two or three times. Okay.

12 Was Amanda Connor always there?

13 A Yes.

14 Q All right. And where would you meet, different
15 restaurants or bars?

16 A Once at the restaurant and once at the office.

17 Q Elephant Bar did you say?

18 A Once at the office.

19 Q Oh, once at the office, once at the restaurant, those
20 are the only two times you remember?

21 A Yes.

22 Q Have you ever been to the Elephant Bar?

23 A Yes.

24 Q You ever been to the Elephant Bar with anybody in the
25 marijuana industry?

1 A Yes.

2 Q Who?

3 A Armen.

4 Q Armen Yemenidjian?

5 A Armen Yemenidjian and Amanda Connor.

6 Q Okay. Was Armen Yemenidjian always there when you
7 would meet at the Elephant Bar?

8 A Yes.

9 Q Did you ever meet him at the Elephant Bar without
10 Amanda Connor?

11 A Not that I recall.

12 Q Did you ever meet Amanda Connor at the Elephant Bar
13 without Armen Yemenidjian?

14 A Yes.

15 Q Did Armen Yemenidjian ever fail to show up when you
16 had an appointment with him?

17 A No.

18 Q And did you tell anybody at the Department of
19 Taxation, any of your coworkers or your supervisor, that you
20 were having -- that you were meeting people that were in the
21 industry at places such as restaurants and bars and things like
22 that?

23 A I didn't -- I wouldn't go out, you know, straight up
24 tell them. They knew because I would comment and say, hey,
25 I'm, you know, I'm going to X place tonight, you know, to see

1 so-and-so or whatnot.

2 Q So who did you tell?

3 A Just whoever was around, you know, my assistant would
4 know. Sometimes, you know, Kara would be around or it was just
5 kind of a pass-through conversation type.

6 Q Your meeting with Mitch Britten July 27th of 2018,
7 do you remember that there was a application period up in Ely
8 that summer?

9 A I don't know if it was that summer or spring.

10 Q You don't remember if it was summer or spring, but
11 you do remember that year there was a process for applying for
12 a location up in Ely?

13 A For a medical dispensary.

14 Q Right.

15 A There was --

16 Q Up in Ely.

17 A -- there was an application.

18 Q Up in Ely; right?

19 A Yes.

20 Q Okay. And you learned that Thrive had applied for an
21 application up there and was not successful; am I right?

22 A Yes.

23 Q Who did you learn that from?

24 A Scott, you know, when they came out with, you know,
25 who was awarded.

1 Q Okay. And did Amanda Connor ever contact you about
2 the fact that Thrive was unsuccessful in its pursuit of the
3 medical marijuana license for Ely?

4 A I don't recall a specific time, but I'm sure she told
5 me about it.

6 Q As a matter of fact, you knew that there had been a
7 score review conducted by Kara Cronkhite with Amanda Connor and
8 Mitch Britten after Thrive failed to get that license; am I
9 right?

10 A Yes. I believe she asked for one.

11 Q And after that, Amanda Connor contacted you with
12 regard to the scores that Thrive got, and you also went through
13 it with her --

14 A Yes.

15 Q Am I right?

16 A Yes.

17 Q Yes, okay. How many times with regard to the
18 licenses that were awarded on December 5th of 2018, did you
19 sit in on a score review with anyone whether they were
20 successful or not successful?

21 A None.

22 Q How many times before sitting in with -- excuse me,
23 how many times with regard to the December 2018 process after a
24 score review was conducted with an applicant did you then also
25 talk to the applicant or to the applicant's lawyer about the

1 score review?

2 A I don't recall any, no.

3 Q How many times before the Ely application -- well,
4 let me take a step back. When you became the Deputy Director
5 of the Marijuana Enforcement Division, what was the first
6 contested application process that you experienced?

7 A I believe it's --

8 Q Were there any in 2017?

9 A No.

10 Q Were there any in the first six months of 2018?

11 A No.

12 Q Was Ely the first one?

13 A I don't believe -- Ely wasn't contested.

14 Q Ely was what?

15 A Was not contested.

16 Q Was not contested?

17 A Right.

18 Q Okay. Was Ely the first application period during
19 your tenure as Deputy Director of the -- excuse me, yeah,
20 Deputy Director of the Marijuana Enforcement Division?

21 A No.

22 Q What was the first one?

23 A I don't know. There were some rurals like West
24 Wendover, Fernley, those areas up north.

25 Q And with regard to whatever the first one was, with

1 whom did you review the scores after the results came in?

2 A No one.

3 Q No one. So would it be -- would it be probable, let
4 me put it that way. Would it be probable that the first time
5 that you ever reviewed a score after the actual score was
6 reviewed the way it always is, would that be this situation in
7 Ely?

8 A Yeah, I would say she's the first one that ever
9 asked.

10 Q We'll talk a little bit about Amanda Connor and your
11 relationship with her. First of all, do you know Maggie
12 McLetchie?

13 A Yes.

14 Q Do you know Tisha Black?

15 A Who?

16 Q Tisha Black.

17 A I don't remember if I've ever met her; I possibly
18 have.

19 Q Do you know Alicia Ashcroft?

20 A Yes.

21 Q Do you know Adam Fulton?

22 A Yes.

23 Q Okay. How come none of their phone numbers show up
24 on your cell phone records?

25 MR. BICE: Objection. Foundation.

1 THE COURT: Overruled.

2 BY MR. GENTILE:

3 Q Did they not have your cell phone number?

4 A I believe Alicia does. Megan McLetchie probably not
5 and Adam not.

6 Q So Maggie doesn't, Adam doesn't, Tisha Black doesn't,
7 but you think that Alicia does?

8 A Maybe, yes.

9 Q Maybe. Okay. We can agree that Amanda had your cell
10 phone number; right?

11 A Yes.

12 Q And you had hers?

13 A I'm sorry?

14 Q And you had hers?

15 A Yes.

16 Q Can we also agree that Maggie McLetchie is an active
17 practitioner, legal -- law practitioner in the marijuana
18 regulatory space?

19 A Yes.

20 Q Can we also agree that Tisha Black is an active
21 practitioner in the area of regulatory law as it applies to
22 marijuana?

23 A Not sure.

24 Q You're not sure. She'll be crushed.

25 Can we agree that Alicia Ashcraft is?

1 A Yes.

2 Q Can we agree that Adam Fulton is?

3 A Yes.

4 Q Okay. Would it be fair to say that Amanda Connor is
5 the only person you remember that asked you questions about the
6 application process on your cellular telephone?

7 A I can't -- I can't say that definitively.

8 Q Are you saying that that's not true, or are you
9 saying that you just don't remember?

10 A I'm saying I can't say that definitively. I've, you
11 know, would get texts from all kinds of licensees.

12 Q Do you remember testifying at the preliminary
13 injunction hearing about that subject?

14 A Somewhat.

15 Q Do you remember saying at that time at least that
16 your memory at that point was -- she was, she meaning Amanda
17 Connor, was the only person that asked you questions about the
18 application process on your cell telephone?

19 A Could be. I don't -- like I said, as I sit here
20 today, I can't definitively say that.

21 Q There are literally thousands of calls between you
22 and Ms. Connor in this time frame of 2018 into early '19. And
23 if I were to tell you that you talked to her more than you
24 talked your wife and your family in California, would you
25 believe me?

1 MS. WELCH: Objection. Lacks foundation.

2 THE COURT: Overruled.

3 THE WITNESS: Could be. Yes.

4 BY MR. GENTILE:

5 Q Why is she calling you? Why not go to Steve or to
6 Kara Cronkhite or to somebody that is actually handling the
7 matter? Why go right to the top?

8 A You'd have to ask her.

9 Q We did.

10 A Okay.

11 Q Did you ever get the impression that Amanda Connor
12 was basically bypassing the people that worked under you and
13 going directly to you?

14 A No. I think -- I think she always tried to contact
15 or -- contact my staff first, and then, you know, she'd follow
16 up with me if she disagreed with something or to that effect,
17 you know, she'd call me.

18 Q When these phone calls would take place -- the
19 exhibit is now in evidence, if you want to look at the 4200
20 pages again, have at it, but you've already looked at them; am
21 I right?

22 A Right.

23 Q And you knew when you looked at them, that there were
24 quite a few calls from Amanda Connor on those records, that
25 kind of jumped out at you, didn't it?

1 MS. WELCH: Objection as to form.

2 THE COURT: Overruled.

3 THE WITNESS: Well, it's over year and a half period
4 so you're going to have quite a few calls, yes.

5 BY MR. GENTILE:

6 Q Oh, you had quite a few calls.

7 Can you tell me anybody that called you more or you
8 called more than Amanda Connor?

9 A I don't keep track of the number of calls so, no.

10 Q When you would speak to Amanda Connor, you would be
11 talking to her about official business at least some of the
12 time; right?

13 A Yes.

14 Q All right. Did you ever make a memorandum of any
15 kind, notes, dictated into a sound recorder, do a report about
16 any of these calls that you had with Amanda Connor?

17 A No.

18 Q No?

19 A No.

20 Q You developed a relationship with Derek Connor as
21 well; right, her husband?

22 A Yes.

23 Q All right. You like to shoot firearms?

24 A Yes.

25 Q What kind?

1 A All kinds.

2 Q All kinds, okay.

3 A If it goes bang, I like it.

4 Q And you have been to shooting ranges with Derek
5 Connor, have you not?

6 A Yes.

7 Q More than once?

8 A Yes.

9 Q There came a point in time when your daughter's
10 boyfriend wrecked her car and you asked Derek Connor for advice
11 about that, didn't you?

12 A I -- I asked --

13 Q It's a yes or no and then if you want to --

14 A Okay. Well --

15 MS. WELCH: Objection. Permit the witness to answer.

16 THE COURT: Sir, if you want, you can provide more
17 than a yes or no if it requires explanation.

18 THE WITNESS: I just had questions for him; I wasn't
19 really looking for advice.

20 BY MR. GENTILE:

21 Q You asked him a question?

22 A Yes.

23 Q Right?

24 A Yes.

25 Q It was a question that you needed a lawyer to answer.

1 Right?

2 A No, not necessarily it had to be a lawyer.

3 Q Okay. But you needed somebody with experience with
4 insurance companies to answer?

5 A Yes.

6 Q And Derek you knew had experience with insurance
7 companies because he used to represent them --

8 A Yes.

9 Q Right?

10 A Yes.

11 Q And so you asked him?

12 A Yes.

13 Q And he was a lawyer?

14 A Yes.

15 Q And he gave you an answer --

16 A Yes.

17 Q -- that he learned to be able to answer being an
18 insurance defense lawyer?

19 A Yes.

20 Q You trusted him to advise you?

21 A I trusted him to answer the question.

22 Q After he answered the question, did you say that
23 can't be right and you called someone else?

24 A No.

25 Q So you relied on his answer?

3 THE COURT: All right. Is everyone who we anticipate
4 here ready?

5 Ms. Sugden and Ms. Chattah, it's your motion.

6 Ladies, it's your motion. Who wants to go first?

7 MS. SUGDEN: I'll start. Sorry, Your Honor,
8 [inaudible].

9 THE COURT: It's all right. You moved chairs. So we
10 were trying to find where you were.

11 MS. SUGDEN: We were trying to get closer.

12 THE COURT: I know. I saw that.

13 MS. SUGDEN: Okay. Good morning. THC Nevada, along
14 with Herbal Choice are requesting this Court to enter a
15 temporary restraining order of the partial settlement agreement
16 at issue because our clients in addition to the nonsettling
17 parties will be irreparably harmed by the specific terms set
18 forth in the settlement agreement.

19 Now, it's worth repeating the following soundbite in
20 our motion because it sums it up very clearly:

21 The partial settlement agreement is
22 designed not simply to resolve the settling
23 parties disputes amongst themselves in
24 agreeing to redistribute the coveted
25 dispensary licenses from the haves to the

JD Reporting, Inc.

1 have-nots.

2 But the partial settlement agreement is designed
3 specifically and purposely to eradicate the remaining parties'
4 rights in this lawsuit. This is why THC has moved along with
5 Herbal Choice to enjoin the enforcement of the settlement
6 agreement and any dismissal based on the same as required by
7 NRCP 41A2.

8 Now, despite the settling parties pronouncement
9 otherwise in their moving papers, there are clear provisions in
10 the settlement agreement that are detrimental to our clients.
11 And at worse, it's because they're at the hands of our client's
12 former counsel. This includes the mandate in Section 13 of the
13 settlement agreement which states,

14 The settling plaintiffs will file a
15 motion to intervene as defendants and
16 intervenors in the lawsuit and participate in
17 the lawsuit in good faith and shall use best
18 efforts to defend against the lawsuit.

19 Now, the settling parties now assert they didn't mean
20 that, and they're not going to go forward with that provision,
21 which actually gives us even greater concern because what other
22 faux provisions don't really mean to be intended to be enforced
23 in that settlement agreement?

24 So there's also Section 7, which includes the
25 dissolution of bond and injunction. This provides for

JD Reporting, Inc.

1 collusion among the Department of Tax and the settling parties
2 and what we assert is a pathetic attempt to work around Your
3 Honor's order. And, respectfully, Your Honor should be just as
4 offended by the terms of the settlement agreement, not just the
5 remaining parties.

6 Now, there was a lot of debate in the pleadings about
7 the secretness and the opportunity to be involved. But let me
8 be clear. THC and Herbal Choice do not dispute that the
9 parties should work together to try and resolve this matter
10 because it would be a lot better than presenting evidence for
11 weeks in this convention center with masks.

12 But the problem is the settlement agreement is
13 targeting certain remaining parties. And as a result of that
14 settlement, it should not be enforced. So we respectfully
15 assert that this Court should use its authority to enjoin any
16 enforcement of that settlement agreement.

17 And Ms. Chattah and the remaining plaintiffs will
18 discuss additional issues.

19 THE COURT: Thank you.

20 MS. SUGDEN: Thank you.

21 THE COURT: Ms. Chattah.

22 MS. CHATTAH: Judge, I'm just going to summarize
23 essentially where -- what my position is as far as the
24 commission, the Tax Commission.

25 As my pleading states, the Tax Commission does not

1 have any authority on this settlement. And I think the
2 pleading is very clear that the Tax Commission is not a
3 successor to the Department of Taxation.

4 Our motion, actually, it's our reply actually raises
5 that Melanie Young, while she might be the executive director
6 of the Department of Taxation, we have no -- no proof that she
7 has authority to sign on behalf of the Cannabis Commission.

8 Now, the Cannabis Commission was established as an
9 independent body. It is not a successor. Our reply provides
10 the Court with the members of the board, that those are the
11 members that have the authority to transfer the license. They
12 have the authority to revoke the license -- the licenses. In
13 fact, in their first meeting, they gave sanctions against
14 license holders. They already revoked six licenses. So
15 exactly how is the Department --

16 THE COURT: And they approved the settlement.

17 MS. CHATTAH: I'm sorry?

18 THE COURT: And they approved the settlement.

19 MS. CHATTAH: And they approved -- well, they haven't
20 approved the settlement yet.

21 THE COURT: Not this one, another one.

22 MS. CHATTAH: Okay. So -- so now it's almost -- it's
23 questionable as to how does the Cannabis Commission hold their
24 first meeting and do all the things that Chapter 678A allows
25 them to do, but then when it comes to this case and this

1 settlement, the Department of Taxation and the Tax Commission
2 is going to reserve its rights?

3 Here's what I think. I think that this settlement
4 was drafted before July 1st, and it was negotiated. As the
5 Court knows, negotiations have been going on for the past year
6 since they started it in front of Togliatti, which predated my
7 participation in this case. But I tend to believe that this
8 settlement agreement was drafted before that and was simply
9 parlayed to include certain portions which give the cannabis --
10 which give the Tax Commission the authority.

11 And I think the law that I have in my reply really
12 delves into the lack of that authority because of the fact that
13 the Cannabis Commission Board is an independent board. Binding
14 the Cannabis Commission Board without any written authorization
15 is no different than the D.O.T. trying to bind any other
16 administrative agency. It just doesn't work, Judge.

17 And the reality of it is, like I stated in my reply,
18 the cannabis -- the Department of Taxation has one thing that
19 they are allowed to do under 678A. And what that is is
20 financial audits. And the same way that they can financially
21 audit any other business in the State of Nevada, that is the
22 only thing that they could do.

23 So and I feel like I'm repeating the reply, and I
24 think the law is there, and the statutory authority is there.

25 Now, I understand that the Court is probably thinking

1 I'm not going to give you an advisory opinion as to whether the
2 Cannabis Commission has authority or not. I mean, you most
3 likely will defer to the Cannabis Commission -- to the Tax
4 Commission hearing today at 2:00 o'clock to determine whether
5 they do or they do not have that authority.

6 I'll reserve any questions to the Court. I think
7 everything else I've addressed in the reply.

8 THE COURT: Thank you.

9 Mr. Gentile, you join?

10 (No audible response.)

11 THE COURT: Mr. Miller, you joined?

12 MR. MILLER: We'll submit it on the pleadings, Your
13 Honor.

14 THE COURT: All right. I had a bunch of oppositions.
15 Who wants to go first?

16 UNIDENTIFIED SPEAKER: Your Honor --

17 THE COURT: Wait. I have another person who joined.
18 Mr. Slater.

19 MR. SLATER: Your Honor, we joined in the motion. I
20 just want to raise one point. My apologies for not briefing
21 this. I did not see the settlement agreement until yesterday.
22 So I wasn't sure of the terms.

23 But with respect to the portion of the settlement
24 agreement where the settling plaintiffs will jump sides and
25 appear on the defense side to defend this claim, whether or not

1 they intend on doing that, the fact remains that language is
2 expressly stated in the signed settlement agreement.

3 I want to point your attention to a case called *Lum*
4 *v. Stinnett*. The cite is 87 Nevada 402. That portion of the
5 settlement --

6 THE COURT: I remember that case.

7 MR. SLATER: -- agreement is essentially a Mary
8 Carter agreement or a very similar to a Mary Carter agreement.

9 THE COURT: Not really but okay.

10 MR. SLATER: With respect to that -- Nonetheless, our
11 Supreme Court has stated this:

12 Trials and legal proceedings shall be
13 honest, shall call for the best possible
14 legal abilities of the lawyer on behalf of
15 his client and shall be directed to the
16 achievement of justice.

17 Those are the basis for which the Supreme Court in
18 Nevada expressly rejected Mary Carter agreements.

19 It's my contention that this settlement agreement,
20 specifically the provision where the settling parties suddenly
21 defend this action when they have been vigorously prosecuting
22 the action for over 18 months, is akin to a Mary Carter
23 agreement. And for that reason our Supreme Court would reject
24 that specific provision.

25 In the *Stinnett* case, the holding was that the

1 agreement was void as against public policy. I believe that
2 this agreement too is void as against public policy.

3 THE COURT: Thank you.

4 MR. SLATER: Thank you.

5 THE COURT: Anybody else wish to speak in support of
6 the motion?

7 (No audible response.)

8 THE COURT: I have several oppositions.

9 Mr. Kemp.

10 We haven't wiped down the lectern this morning. We
11 may want to do it now, Mr. Kemp, since you've had, like, four
12 people up there.

13 MR. KEMP: Okay. Do I have to open this, Your Honor?
14 Am I the first of the day?

15 THE COURT: Wait. Don't do that. Don't do that.
16 Let Mr. Shevorski help.

17 MR. SHEVORSKI: He can't live without me.

18 MR. PRINCE: Mr. Kemp has people to do these things.

19 THE COURT: I know.

20 MR. SHEVORSKI: Your Honor, that was like a window
21 into --

22 MR. KEMP: That's -- that's -- yeah, that was a
23 window, Your Honor.

24 Okay, Your Honor. The primary argument here is based
25 on the *MGM* case, which I have a copy of --

1 THE COURT: I've read it. I'm familiar with it. I'm
2 not approving any good --

3 MR. KEMP: -- yeah, if the Court read it --

4 THE COURT: -- I'm not approving any good-faith
5 settlement.

6 MR. KEMP: -- there's my name right there.

7 THE COURT: Yeah, no, I am aware of that. Yeah.

8 MR. KEMP: So in the fall of 1982, I helped draft the
9 global settlement agreement.

10 THE COURT: Pull your mask back up.

11 MR. KEMP: We filed a good faith motion, Your Honor.
12 There is no good faith motion in this case because this is
13 different than *MGM*.

14 THE COURT: It is very different.

15 MR. KEMP: In *MGM* we settled. We had thousands of
16 plaintiffs. We settled with hundreds of defendants. And
17 contrary to the way they read the *MGM* case, the *MGM* case
18 actually involved a series of partial settlements that occurred
19 before the global. And I direct the Court specifically to the
20 language in the paragraph that discusses the 20 death cases
21 that settled for 30 million. And then the global settlement
22 settled the remaining 67 death cases. There were a total of 87
23 death cases in that case, not the 84 I put in the pleadings by
24 mistake.

25 But in any event, so what happened in that case is we

1 had 30 million in primary insurance, which some of the
2 plaintiffs jumped on, and they took it and said goodbye. Okay.
3 So that explained the partial settlements.

4 After that, we did the global settlement. And the
5 global settlements was the one that needed the good faith
6 motion. And the reason we needed a good faith motion is
7 because there were claims for contribution and indemnity
8 between the settling defendants. There are no claims for
9 contribution and indemnity in this case between the parties,
10 and there's no need for a good faith motion. There hasn't been
11 a good faith motion filed in this case. So to suggest that we
12 can't do a partial settlement and then a global is just flat
13 out wrong.

14 And the problem we have in this case, they call it
15 collusion. I call it toxic plaintiffs, and, you know, I've
16 heard -- when you have a mass disaster or a big case, you have
17 some plaintiffs that nobody's a poly pure heart. Okay. In
18 this case, we have two toxic plaintiff problems that have --
19 has impeded the global settlement. One, we have the client who
20 was arrested two months ago, THC, for a guess what they did was
21 they took it --

22 THE COURT: It doesn't matter what they were arrested
23 for.

24 MR. KEMP: It doesn't matter, but we got, and I think
25 Mr. Kahn attached it to his opposition. He sent an email to

1 that counsel saying, hey, my client just doesn't want to be
2 involved in a settlement with someone that's been arrested for
3 a criminal action that pertains to marijuana. And I think
4 that's a sensible position because how can we ask the State to
5 transfer a license to someone who is probably going to have
6 their license revoked? So that's toxic Plaintiff Number 1.

7 Toxic Plaintiff Number 2 is Mr. Ritter. Some of the
8 defendants feel very strongly about Mr. Ritter. They think he
9 has unclean hands because -- for two reasons. One, this
10 ownership thing where he owns five dispensaries, goes into
11 bankruptcy and some kind of magic he still owns -- maybe he
12 doesn't own. I don't know. Nobody knows. So they think
13 there's an ownership issue there that hopefully the ownership
14 expert today explains a little bit. But also they think the
15 whole theory of the case where Mr. Ritter's attorney allegedly
16 had inside information, gave it to Mr. Ritter, and even though
17 he had the answers to the test, he still lost. They think that
18 makes his claim problematic.

19 But in any event, Your Honor, we have two toxic
20 plaintiffs, and that precludes us from doing a global at this
21 time. I'm still working on it.

22 But, Your Honor, there is no case law that suggests
23 that, you know, it's like the four musketeers, you know,
24 everybody has to be in on it.

25 THE COURT: So you don't have a stand-together

1 agreement?

2 MR. KEMP: Right. We do not have an agreement. You
3 know, we had a shared agreement at one point, but Mr. Gentile
4 became upset about something about a year ago and fired off an
5 email and terminated that. And since then it's just been
6 informal cooperation. So there's no agreement.

7 And then I'd like to, you know, take two seconds to
8 defend Mr. Bult because they accuse him of all these ethical
9 violations. I mean, what is he supposed to do? He's got
10 multiple clients. One's accused of a criminal action. He's
11 got to cut out the bad apple, you know, and to suggest that he
12 has an ethical obligation to include the bad apple that he's
13 cut out in the settlement, I just think there's no basis for
14 that. And, you know, that was unfortunate that we had to get
15 there.

16 But anyway, Your Honor, for this reason there's no
17 grounds for a TRO. You know, and all these statements that the
18 Tax Commission can do this, and the cannabis board can do that,
19 you know, if that's true, my license is no good. You know, I
20 mean, that's my problem. All I can tell you is we went through
21 175 drafts of the settlement agreement. There was input from a
22 lot of people on it. The State had a lot of input on it.
23 These exact same points that counsel brought up was discussed,
24 and I think I have an agreement that's binding upon the
25 cannabis board. But if I don't, you know, that's my problem.

JD Reporting, Inc.

1 In any event, Your Honor, I think there's no basis
2 for a TRO. It's just a desperate attempt to derail a partial
3 settlement because these toxic plaintiffs aren't included.

4 THE COURT: Thank you.

5 MR. KEMP: And so for that reason, I'd ask that the
6 motion be denied.

7 THE COURT: I have several other oppositions. Who
8 wants to go next?

9 Mr. Kemp, I'm not going to make you try and wipe down
10 again.

11 Mr. Shevorski, why don't you come up and show us how
12 to wipe down the area. And then you can close the wipes too.

13 MR. SHEVORSKI: I'll do my best, Your Honor.

14 THE COURT: As a parent of young children, you
15 probably do more of this than the rest of us.

16 MR. SHEVORSKI: But not the good one. But I have had
17 my turn once or twice.

18 Your Honor, first I'd like to respectfully request
19 that you deny the motion. Questions of whether or not the Tax
20 Commission has jurisdiction, those are -- the Tax Commission
21 hasn't even ruled yet. Those are more appropriately addressed
22 to the Tax Commission.

23 With respect to paragraph 13, I released them from
24 it. I have the authority to do so. I released them from it.
25 There is no ethical problem for Mr. Bult. Because that

1 paragraph is released.

2 Your Honor, I've never seen where a party, a stranger
3 to an agreement can come into court and request a TRO based
4 upon a settlement agreement among other settlement plaintiffs.
5 There is no irreparable harm. Everyone to the settlement
6 agreement understands that the transfers that are contemplated
7 in the future are subject to this Court's ruling. The
8 plaintiffs are wholly free. THC is wholly free to come into
9 this Court and try its case, to argue that the process should
10 be started over, that any transfers of license are ineffective,
11 that any conditional licenses issued in September 2018 are
12 ineffective for the reasons that they may articulate at a trial
13 on the merits.

14 But that has nothing to do with a threat of
15 irreparable harm from this settlement agreement because the
16 settlement agreement obviously recognizes that it is subject to
17 what Your Honor rules. These plaintiffs and defendants and
18 intervenors are taking the risk that Your Honor may disagree.
19 But that's not irreparable. That's shows why there's no
20 irreparable harm to these plaintiffs.

21 They're entitled to come into this Court before this
22 trial started to prove their case. They still have that right.
23 What they are not entitled to is to seek an injunction to
24 thwart a private agreement amongst intervenors and plaintiffs
25 and the State in order to somehow compel other plaintiffs to

1 carry water for them. That is what they seek. That is not
2 what they're entitled to. I would respectfully request that
3 Your Honor deny the motion.

4 THE COURT: Thank you, Mr. Shevorski.

5 Anyone else wish to speak in opposition?

6 Mr. Koch, I'll let you wipe down the lectern before
7 you start, please. Oh, Mr. Shevorski is going to help again.

8 MR. SHEVORSKI: Well, you just gave me a boost on my
9 parenting, and so I want to --

10 THE COURT: I did.

11 MR. SHEVORSKI: I don't want to --

12 THE COURT: But Mr. Koch's got the winning on the
13 lights because his light display is still up. The BLM hasn't
14 made him take them down.

15 MR. KOCH: I'm telling you that Sun City is going to
16 riot if I take it down. So I've got to be careful.

17 Just a few points. I think most of them have been
18 made. Effectively, I think the motion is making the claim that
19 no settlement other than a global settlement can be affected
20 because they want to be a part of it. We've been involved in
21 negotiations for a very, very long time, long before this
22 trial. And it's interesting to me that the only parties that
23 are -- have filed this motion were not there at the preliminary
24 injunction, not there during the negotiations. And I
25 understand that they feel like this is somehow -- I want to be

1 part of it. But this is the holdout problem. That's exactly
2 what this is, and we don't need a good faith settlement
3 determination.

4 And, really, I think there's been no irreparable harm
5 expressed other than now I can't ride on the coattails of Teddy
6 asking questions, of Mr. Kemp asking questions. The trial is
7 going to be harder because I have to do some work now. Their
8 rights are not impacted in any way.

9 There is no liability contribution, any other
10 determination that affects these plaintiffs, and there is no
11 basis for an injunction here.

12 And I saw last night TGIG, I guess, filed a joinder
13 saying, well, these assignments can't be made to anybody who
14 didn't rank high enough to get a license, which is somewhat
15 nonsensical because none of the plaintiffs in this case
16 received a license. And so essentially what they're saying is
17 we didn't receive a -- we didn't rank high enough. You can't
18 give it to anybody else who didn't rank high enough, and the
19 TGIG plaintiffs continue to shoot themselves in the foot,
20 taking the position that you can't do this even though we're in
21 the same position as everybody else, similar to other legal
22 positions taken in the case.

23 And so for those reasons, I think what Ms. Chattah
24 indicated at the end is the right. This Court will defer to
25 the Tax Commission or the CCB to determine whether that

1 settlement is appropriate. That's the right place for this
2 issue to be confirmed or approved. And then the remaining
3 plaintiffs can move forward on whatever they basis they believe
4 they can in the trial of this matter. And for that basis, the
5 motion should be denied. Thank you.

6 THE COURT: Thank you, Mr. Koch.

7 Mr. Gutierrez, before you come up, can you wipe down
8 the lectern.

9 MR. KOCH: Sorry. I didn't touch it. I apologize.

10 THE COURT: I am being hypervigilant.

11 MR. GUTIERREZ: Good morning, Your Honor.

12 Your Honor, I want to just talk briefly about how
13 long we've been going through this process with the settlement.
14 This actually started back in June of 2019 with Mr. Kemp.
15 We've had countless settlement discussions. After -- every day
16 after the injunction hearing, Mr. Parker, Mr. Rulis, Mr. Kemp,
17 Mr. Bult, we would talk. We would try to work towards
18 settlement, whether it was a global or a partial.

19 We spent weekends with Judge Togliatti and had
20 multiple discussions on trying to get this resolved, Your
21 Honor. And that continued nearly every month until this trial.
22 And there was a point in this case where there was motions for
23 mandatory settlement conferences that were opposed. We've
24 always been trying to get this case resolved at some level.
25 The State has participated actively through Mr. Shevorski.

1 And, Your Honor, the plaintiffs that are bringing
2 this, THC and Herbal Choice, not once have they reached out to
3 my office to try to discuss settlement. And there's nothing
4 secretive about this settlement. We've been in the hall. And
5 not once have they reached out to me or anyone on my side to
6 discuss being part of the settlement.

7 My client Phil Peckman, who is here today, has been
8 here nearly every day at this trial, and not once --

9 THE COURT: And the preliminary injunction hearing.

10 MR. GUTIERREZ: And at the injunction hearing till
11 today. And not once has someone from their side reached out to
12 try to resolve this case. So, Your Honor, we've been working
13 for well over a year to get this resolved. There's nothing
14 secretive about this. There's absolutely no irreparable harm
15 because no part of their case is going to be harmed. They're
16 allowed to move forward with this case. And, Your Honor, we
17 ask that this settlement -- this TRO be denied.

18 THE COURT: Thank you, Mr. Gutierrez.

19 MR. GUTIERREZ: Thank you.

20 THE COURT: Ms. Shell.

21 And Mr. Gutierrez is wiping down the lectern for you.

22 MS. SHELL: I appreciate it.

23 Your Honor, just briefly I want to echo the comments
24 of my fellow intervenors and Mr. Kemp. There's nothing
25 secretive about the settlement discussions that have gone on in

1 this case. They have been going on for well over a year. And
2 I would also echo like what Mr. Gutierrez said. No one from
3 THC Nevada ever called my office to approach -- to talk about
4 settlement, and no one from Herbal Choice ever contacted us.

5 And I just wanted to say, Ms. Sugden said something
6 about how this -- the settlement agreement was designed to
7 eradicate rights. I don't know what proof she has of that
8 other than her parsing of the language.

9 What I can tell you is the settlement is designed for
10 resolution. This has been going on far too long, and I know
11 that many plaintiff and intervenors have incurred outrageous
12 costs in this litigation. So settlement is always encouraged
13 by the Courts, and I would encourage the Court to deny the
14 motion. Thank you.

15 THE COURT: Thank you.

16 Do I have anyone else who would like to speak?

17 Mr. Hone -- no, Mr. Khan.

18 MR. KAHN: Good morning, Your Honor.

19 THE COURT: Can we wipe down -- thank you.

20 MR. KAHN: I may be bald and look like Mr. Hone.

21 THE COURT: From the back you were coming up. It's
22 like, okay. Sorry.

23 MR. KAHN: That's okay.

24 UNIDENTIFIED SPEAKER: He's taller and he walks a lot
25 faster.

1 THE COURT: Yeah.

2 MR. KAHN: Your Honor, joining in what's already been
3 said. At this time we have probably spent thousands of
4 man-hours amongst the counsel to try and settle this case
5 reaching impossible hurdles, overcoming them at certain times.
6 But it was impossible from what we determined to reach a global
7 settlement.

8 As Mr. Kemp noted, there is the criminal violation
9 allegedly by the Herbal Choice entity, and the defendant
10 intervenors elected to not entertain settlement discussions
11 with them. In fact, Mr. Bult has even attempted to have their
12 counsel reach out to me back in May. Two months go by without
13 any contact. And then I receive an email essentially what
14 licenses do you have? What do you got? He was, like, asking
15 for what kind of candy do I have at the lunch table.

16 This is no joke, Your Honor. These licenses are
17 extremely valuable. We're going through an extremely arduous
18 process. And yet plaintiffs who have had every opportunity to
19 try and settle this case with us could have taken those
20 opportunities. Some of them did. Some of them worked
21 diligently to do so, and we worked diligently with them. We
22 have the right to settle with any party we choose or not settle
23 at all. And at this time we have elected to settle with the
24 State and with certain plaintiffs as to who we believe was
25 going to be the necessary parties to settle with.

JD Reporting, Inc.

1 And I'll leave it at that, Your Honor. Thank you.

2 THE COURT: Thank you, Mr. Khan.

3 Mr. Schwarz, since you're here for Mr. Hone, you can
4 go next. Will you wipe down the lectern, please.

5 MR. SCHWARZ: I learned my lesson from the other day.
6 I will be extremely brief in joining in what everybody else
7 said, and I want to -- I just want to make one point that
8 nobody else before me has made, which is there are defendants
9 and intervenors in here who are actually licensees. They are
10 not opposing this settlement even though they are still going
11 to be defending this case, as are those of us who settled. We
12 still have to defend this case. You don't hear any of the
13 other defendants in here complaining about us settling with
14 some of the plaintiffs. And I think that's most telling.
15 Thank you.

16 THE COURT: Thank you.

17 Mr. Rose.

18 And thank you for wiping it down, Mr. Schwarz.

19 MR. ROSE: Good morning, Your Honor. Our client is
20 kind of stuck in the middle here, like they have been
21 throughout these entire proceedings.

22 THE COURT: Yeah. But you straightened out your
23 option to purchase that piece of property.

24 MR. ROSE: Thank you very much, Your Honor. That
25 happened in great part because of your assistance. So we

1 appreciate that.

2 So we're not a settling party, which makes sense. No
3 one has come to us. We received one license. So no one is
4 going to come to us and say give up your license, or we want
5 you to pay money. So that's fine. And we recognize that
6 parties can settle a case.

7 With that said, we have concerns as a licensee, and
8 that's what I just want to express on the record, Your Honor.
9 As a licensee, you expect the regulatory authorities to treat
10 the licensees equally, to treat them in the same way, to not
11 show favoritism. And, in fact, that's why we're here today.

12 For the last year and a half the plaintiffs have been
13 alleging that the D.O.T. has engaged in favoritism and has
14 treated people differently. So, Your Honor, it's just
15 concerning to us that now the case would be resolved through a
16 contract that requires the D.O.T. to engage in favoritism.
17 There would be applicants or licensees who get to move to the
18 front of the line when it comes to ownership transfers or final
19 inspections or the issuance of licenses. And even to get more
20 time to finalize their license, this 14 month extension.

21 So, Your Honor, it's just concerning for us as a
22 licensee. Again, parties can settle a case, but when we saw
23 the settlement agreement and we got it for the first time late
24 yesterday, it was concerning that a case over allegations of
25 improper favoritism would be resolved through an agreement that

JD Reporting, Inc.

1 required, again, favoritism.

2 So, Your Honor, that's -- that's the one concern.

3 We are a little concerned about the provision of
4 people switching sides. I haven't seen that before. Maybe
5 that's allowed. Maybe it's not.

6 THE COURT: They have to ask the Court first, and
7 sometimes it's not granted.

8 MR. ROSE: Understood, Your Honor, whatever
9 happens --

10 THE COURT: Is called judicial estoppel. You can't
11 talk out of both sides of your mouth.

12 MR. ROSE: Understood. Our position --

13 UNIDENTIFIED SPEAKER: I tried.

14 MR. ROSE: Our position is we never should have been
15 named in this case in the first place. And regardless of what
16 side of the V a party ends up on, Your Honor, we're reserving
17 our rights for costs and attorneys' fees.

18 And then the final point, Your Honor, we mentioned
19 this in our opening statement. This has been our position all
20 along. Again, if parties want to settle a matter, that's fine,
21 and they don't need to include us in it. But when it comes to
22 the licenses that were issued in this case, those licenses
23 should follow the ranking system. That's what we believe the
24 statute requires. That's what we believe is required in all
25 the circumstances. So, Your Honor, those are our concerns. We

1 want to push that for the record. Thank you.

2 THE COURT: Thank you.

3 Anyone else wish to speak in favor or against the
4 motion?

5 MS. BRASTER: Thank you, Your Honor. And I'll be
6 very brief. We were actually -- I represent the Circle S
7 Farms. We're in a very similar situation to Mr. Rose's client.
8 We have one license, and I understand his concerns, but I do
9 have, quite frankly, a different perspective here. An election
10 can be made to be on the plaintiff side or on the defense side.
11 This is where we are. We were brought into it.

12 All of the settling parties, it is their right to
13 choose whether they want --

14 THE COURT: Please put us on mute.

15 Sorry.

16 MS. BRASTER: No, it's fine.

17 It is their right to choose whether they want to
18 settle or not. And it's the commission's right this afternoon
19 to approve it or not.

20 So again, the selection was made. We're on the
21 defense side. It's these settling parties' right to settle if
22 they so choose to do so.

23 THE COURT: Thank you.

24 MS. BRASTER: Thank you.

25 THE COURT: Anyone else wish to speak against the

1 motion?

2 Ms. Sugden and Ms. Chattah, your last word.

3 MS. SUGDEN: Thank you. A lot of oppositions. I'll
4 try to keep it brief to respond to the points that were made.

5 Mr. Kemp gave a nice recitation of *MGM Grand*, which I
6 appreciate. I think I was three years old when the decision
7 came out.

8 THE COURT: Oh.

9 MS. SUGDEN: So I appreciate that. And while we
10 understand the good faith standard, the point of us saying,
11 putting forth the citation in the case, Your Honor, was that
12 under NRCP 41A2, you and you only get to decide when plaintiffs
13 can dismiss their case. And the terms on which you must make
14 that decision are left up to you. And the rule, it says, on
15 the terms you consider proper. We merely suggested it would
16 make sense to consider the good faith element, such as fraud
17 and collusion and the like, which is why we cited that case.
18 So respectfully we're not confused on what the standards are.

19 Now, Mr. Shevorski said he didn't know of any
20 instance in which a party tried to interfere with another
21 party's settlement agreement. Well, he apparently didn't read
22 our brief because we cited to *Dangberg Holdings*, which was a
23 case, ironically, where the State sought an injunction and
24 received it because a party was going to enter into -- a
25 private party, *Dangberg Holdings, LLC*, with Douglas County.

1 The State came in, albeit later, and said, hey, we
2 think by you guys entering into this agreement it is going to
3 affect our rights under another agreement. So the Court issued
4 an injunction. The Nevada Supreme Court said that was
5 appropriate. The Court did not abuse its discretion.

6 That is what we're asking here. I'm quite frankly
7 surprised that no one thinks that THC or Herbal Choice their
8 rates are impacted. Even if they want to waive away what's set
9 forth in the settlement agreement, that one provision with
10 Section 7, that's not the only one we complain of.

11 As the other parties discussed, there are several
12 concerns about priority over change of ownerships, which has
13 been stalled for over a year at the State level. There's
14 concerns about the City of Henderson getting a conditional
15 license to MM based on the D.O.T. There are numerous things
16 that TGIG raised as far as other provisions, in particular with
17 this injunction and how those who were enjoined can just slide
18 over there -- excuse me -- their licenses to who is presumably
19 unapproved other applicant plaintiffs. So we do submit there's
20 harm. This isn't just a sour grapes because we were not
21 included.

22 And the reason that we said it was secretive, we
23 didn't oppose the idea that people could get together and
24 resolve their issues. What we oppose is not knowing the terms
25 which potentially impact our clients.

JD Reporting, Inc.

1 Now, respectfully, I expect more from Brownstein
2 Hyatt as a premier firm to get written consent if it wants to
3 take adverse actions to its former clients. So I do not feel
4 sorry for the things that we raised in our pleadings. I have
5 to protect my client. So if there's any other questions, I
6 believe I addressed the points that were of the most
7 importance.

8 THE COURT: Thank you.

9 Ms. Chattah, anything else?

10 (Pause in the proceedings.)

11 MS. CHATTAH: Judge, I feel that it is imperative
12 that I address the Norberto Madrigal issue and the discussions,
13 if you could call it a discussion through an email that I had
14 with Mr. Kahn regarding the Herbal Choice.

15 I presented the emails to the Court. Norberto
16 Madrigal was arrested in May. A criminal complaint hadn't even
17 been filed at the time that I reached out to Mr. Kahn.

18 Now, I understand that toxic -- Mr. Kemp called it a
19 toxic plaintiff. I find that ironic that Mr. Kemp raises toxic
20 plaintiff considering his client that was involved in the
21 settlement was one of the parties that was -- just had a
22 complaint for disciplinary action against him in front of the
23 Cannabis Commission. So if that doesn't show favoritism -- so
24 his clients aren't toxic plaintiffs. My client, who was
25 arrested, no criminal complaint even filed yet with the Justice

JD Reporting, Inc.

1 Court, OR'd, was a toxic client -- a toxic plaintiff that
2 wasn't worthy of negotiation.

3 Now, I don't even need to get into the point of
4 innocent until proven guilty. There still has to be a
5 complaint, a trial and a conviction.

6 But the minute that Norberto was arrested, they
7 washed their hands. Why? Because that's one license they
8 don't have to deal with because he's a toxic plaintiff. So if
9 this Court listens to Mr. Kemp and when he talks about the
10 toxic plaintiffs, there is favoritism. That is precisely what
11 favoritism is, somebody that's got an open disciplinary case in
12 front of the Cannabis Commission that gets a license through a
13 settlement. Meanwhile, the other person hasn't even been
14 charged yet. That's favoritism.

15 I believe I provided the Court with the emails back
16 and forth. The reason why we didn't reach out to the other
17 intervenors was because it was made very clear to us you talked
18 to Jared Kahn. Jared Kahn is working on the settlement. In
19 fact, my email provided to the Court has Mr. Kahn telling us
20 that, I have been working for over a year trying to herd the
21 cats to get a settlement together. So if I'm told that
22 Mr. Kahn is the broker, why would I go talk to the other
23 people? I'm going to talk to Mr. Kahn, and that's exactly what
24 I did, and I was rejected. So that's all I have, Judge.

25 THE COURT: Thank you.

1 Mr. Gentile, if you talk, I'm going to let everybody
2 else have a last word because you deferred to Mr. Miller
3 before.

4 Can you wipe down the -- thank you.

5 Ms. Chattah, oh, my gosh. So sorry.

6 MS. SUGDEN: I forgot to do it for you.

7 THE COURT: It's all right.

8 Ms. Chattah, I'm like Mr. Kemp. I've got a --

9 MR. GENTILE: If we ever reopen restaurants, I have a
10 job I guess.

11 THE COURT: How many restaurants do you still have?

12 MR. GENTILE: Actually, only one.

13 Okay. I would not have spoken, but for some things
14 that were said, and I don't want silence to be taken as a tacit
15 admission.

16 Number one, I totally disagree with Mr. Kemp that
17 there has not been a sharing agreement here, and he is going to
18 have to provide me with this letter that I did -- that I sent
19 terminating it. But that's for another day.

20 I want to remind the Court that this case started
21 out, at least my part of it, suing the State of Nevada. We did
22 not sue any of these intervenors. They intervened. We didn't
23 object to it. But we did not bring a lawsuit against them.

24 Lots has happened since then, pretty clearly.

25 I think Mr. Kemp did -- first of all, I don't mean to

1 suggest that he did not tell the Court the truth. We have a
2 difference of opinion with regard to the -- to that one aspect
3 of what he said.

4 But I think he did say to you accurately that what
5 has been -- what he calls toxic, and I'm beginning to believe
6 him, is the presence of John Ritter in this lawsuit which is
7 creating a chasm that seems to not be surmountable. We can
8 deal with that at another time.

9 This is a motion for a temporary restraining order
10 and nothing more. This Court will be getting additional
11 pleadings from us. We have hired two former State Bar counsel
12 and a former Supreme Court Justice to help us on some of these
13 issues. I do not want our silence to be taken as some sort of
14 an approval in any way, shape, or form of what has gone on here
15 with regard to this partial settlement.

16 And I suggest to you two things. Number one, and I
17 have a brief on it, been sitting on it for a while, the
18 so-called clean hands doctrine -- well, I shouldn't call it the
19 so-called clean hands doctrine. The concept of unclean hands
20 has, depending upon what circuit you look at, no application in
21 constitutional litigation because of the public policy involved
22 when the State misbehaves, or it is a factor, but a very small
23 factor in it. And I can see what's coming when the defense --
24 we could see it for three weeks. You will --

25 THE COURT: Since opening statement.

1 MR. GENTILE: You will get a brief on that issue.

2 THE COURT: Since opening statements.

3 MR. GENTILE: Yes.

4 THE COURT: Yes.

5 MR. GENTILE: Okay. That's number one. And
6 Number 2, I think I've already said it. Settlements in
7 declaratory judgment actions that are attacking State
8 misbehavior that arises to a constitutional level have to be
9 very carefully scrutinized. In this instance, and we will be
10 filing this, we see at least three internal conflicts of
11 interest on the part of the Attorney General's office, but that
12 will be forthcoming.

13 THE COURT: Thank you.

14 Since I let Mr. Gentile speak, does anyone else want
15 to say anything?

16 Mr. Kemp.

17 MR. KEMP: Okay. Judge, I think I'm getting the hang
18 of it.

19 THE COURT: Yeah. They left it open for you. So
20 there we go.

21 MR. KEMP: I know. It's too easy.

22 Judge, I earlier advised the Court that Mr. Gentile
23 sent an email terminating the agreement. Let me quote from
24 Mr. Gentile's email --

25 THE COURT: I don't need you to. It doesn't make a

1 difference to what I'm deciding today.

2 MR. KEMP: Okay.

3 It is crystal clear, Your Honor, but in any event,
4 toxic plaintiff, unclean hands, I think Mr. Gentile and I do
5 agree that there is a problem with Mr. Ritter's position in the
6 case, and we've had discussions about attempting to resolve
7 that problem sooner as opposed to later in the trial.

8 And the legal issue is whether or not a plaintiff
9 with unclean hands that asserts a constitutional claim is
10 entitled to injunctive relief. There's a Ninth Circuit case
11 that suggests the answer is no. You know, there's a bunch of
12 dirty bookstore cases that say they still have a right to the
13 First Amendment.

14 I think that issue really needs to be resolved if
15 we're going to get to a global. Because Mr. Ritter, maybe he's
16 not toxic, but it's definitely a situation where this side of
17 the room thinks he has unclean hands, and that is stopping me
18 from going much further with Mr. Gentile's clients. So I don't
19 say that to be derogatory to Mr. Ritter.

20 I'm just telling the Court that that is a fundamental
21 problem in obtaining a global settlement, and that's why we did
22 the partial the way we did, Your Honor. If you can't do a
23 global, get the best you can, and that's what we did, and
24 that's why I think the motion should be denied.

25 THE COURT: Thank you. Anyone else wish to speak

1 since I allowed Mr. Gentile to speak?

2 Ms. Sugden, Ms. Chattah, anything you'd like to add?

3 (No audible response.)

4 THE COURT: All right. As the agreement does not
5 seek to limit the Court's authority on any remaining claims and
6 there are no indemnity or contribution claims which are sought
7 to be extinguished by the settlement, the Court will not
8 interfere with the business decisions being made by the parties
9 and will leave to the Tax Commission whether they believe they
10 have authority to approve the settlement or not.

11 So that takes me to my next issue, which is Zoom
12 testimony.

13 For those of you sitting on the defendant's side of
14 the front table, can you wipe down before you leave.

15 MS. SUGDEN: Yeah.

16 THE COURT: Thanks. Because I know I'm going to have
17 other people come up and sit.

18 MR. GENTILE: Well, there have been discussions,
19 telephone calls, a plan moving toward all of that. And with
20 the Court's reminder yesterday --

21 THE COURT: That was my problem-solving ability.

22 MR. GENTILE: -- of NRAP 9D, we -- I would like to
23 address this witness by witness, because I think it makes
24 sense. All right.

25 Number one, we have to complete the testimony of

1 Karalin Cronkhite before this case -- before my -- before the
2 plaintiffs can rest. And it appears, and I asked Ms. Levin,
3 and I don't want to speak for her, but I asked her to address
4 that issue. I'm not sure I got an answer this morning. She
5 did say something, but there's been a lot going on. So I don't
6 remember it.

7 I would prefer to have her as a live witness the way
8 she commenced, but it's not worth stalling the trial for, and I
9 think that the plaintiffs can rest their case if we're lucky
10 and everything goes smoothly by a week from next Wednesday.
11 And I don't know when she's going to be available to come back.
12 I would expect that her testimony is going to take at least
13 another day to a day and a half.

14 Does that sound right, Ross?

15 MR. MILLER: At least a day.

16 MR. GENTILE: Yeah, another day to a day and a half.

17 Mr. Pupo is going to take two days. We have a expert in
18 Denver, Colorado that can be on and off in a day, I believe.
19 We have an expert in Reno, Nevada, and while this Court said
20 you would consider this -- well, this motion technically I
21 think talks about out-of-state witnesses. Really the meaning,
22 the intent of it was anybody that would have to get on an
23 airplane to get here. And both Mr. Seigneur, who's in Denver,
24 and Mr. Smith, who's in Reno, fit right into the enhanced
25 danger group.

1 Now, I recognize that the Court is not fond of Zoom.

2 THE COURT: It's not whether I'm fond of Zoom. It's
3 not part of my record because it is not connected with the Blue
4 Jean system.

5 MR. GENTILE: I understand.

6 THE COURT: And my IT staff believes that Zoom is not
7 a secure platform.

8 MR. GENTILE: Well, we could probably set up a closed
9 circuit. I'm working on that. I don't know if that's a secure
10 platform. I guess I have to work with your staff on that, and
11 I'm available to do that today.

12 THE COURT: We don't have options at this -- at this
13 location, we don't have any options, Mr. Gentile. That's the
14 problem.

15 MR. GENTILE: With regard to security?

16 THE COURT: With regard to allowing anything into our
17 Blue Jeans and JAV system. We don't have anything.

18 MR. GENTILE: Okay. So what -- but that really --

19 THE COURT: There's no technology option for us,
20 which is why I asked you to look at 9D yesterday.

21 MR. GENTILE: To integrate into JAVS is what you're
22 saying. Okay. But I think we could cure that the very same
23 way, especially with employing 9D, we could cure that the same
24 way that we do with regard to a deposition. We have played
25 many depositions here. There are transcripts of all of those.

1 I recognize that they are not official. I have gone around the
2 room to ask various intervenors. I have not talked to the
3 State. I have not talked to the State. I apologize for that.

4 But I've talked to intervenors, and there was one
5 intervenor that has voiced an objection, and that's Mr. Prince,
6 and I'm sure he'll voice it for himself in a minute. But the
7 way I read 9D, and the way I have always read what I call the
8 bystander record, that is not something that needs to be done
9 by stipulation.

10 There is a process, and that -- and if the Court
11 says, okay, I'm going to allow a court reporter to do the
12 transcript, and then by way of a motion pursuant to 9D, if it
13 gets to appeal, you can seek to have the testimony accepted by
14 the Supreme Court or the appellate Court of Appeals now. I
15 think that the best way to approach it would be to either Zoom
16 or close-circuit it, have a court reporter taking simultaneous
17 recording of it by way of a court reporter and then either by
18 way of a motion to the Court or later on by way of motion --
19 and by the way I think I can do that.

20 I think I can move the Court at that point in time to
21 accept that as a bystander's record. I know that it's not a
22 rule that deals with the Rules of Civil Procedure. It deals
23 with appellate procedure. But what I would propose to do is to
24 file a motion, attach the transcript. The Court could do
25 whatever it wants to do or do nothing. But at least it would

JD Reporting, Inc.

1 be part of the record for purposes of the appeal, and whoever
2 is the appellant in the Court of Appeals could at that point in
3 time file a motion seeking it. If the appellant doesn't, the
4 appellee can. But I think that given the ever present problems
5 that seem to morph with regard to this pandemic, it would be my
6 request of the Court to allow Ms. Cronkhite, who apparently is
7 in quarantine, Mr. Pupo, Mr. Seigneur, Mr. Smith and the two
8 Lone Mountain reps to be done by way of remote testimony.

9 THE COURT: Okay.

10 MR. GENTILE: And that's it.

11 THE COURT: Anyone wish to speak in favor of the
12 motion, in favor of the motion?

13 Ms. Welch.

14 MS. WELCH: Good morning, Your Honor.

15 You're very familiar with my position on this
16 regarding Mr. Pupo. Just to remind the Court that TGIG
17 has stated it's got no objection to his remote testimony. I do
18 have a question as far as the application of Rule 9D regarding
19 the 1983 claim which still exists and whether or not that
20 record would be available to be used in that matter as needed.
21 But otherwise, I'd just like to join in TGIG's argument in
22 favor of allowing remote testimony for Mr. Pupo.

23 THE COURT: Thank you.

24 MS. WELCH: Uh-huh.

25 THE COURT: Anyone else wish to speak in favor of the

1 motion?

2 (No audible response.)

3 THE COURT: Anyone wish to speak against the motion?

4 Mr. Prince.

5 MR. PRINCE: Your Honor, good morning.

6 So I'm going to first address the Zoom issue, and
7 then I have a separate joinder if you want to deal with that
8 separately after you --

9 THE COURT: I'm going to deal with that separately.

10 MR. PRINCE: Very well.

11 With respect to the remote testimony, this is the
12 most significant or one of the most significant pieces of
13 litigation in the State. It affects an industry that is in
14 excess of a billion dollars. And in terms of its revenue
15 generation is second behind gaming.

16 When we talk about record, this is not a simple
17 negligence auto accident case where some parts of the record
18 you might be able to have a summary of appropriately. You and
19 I have been down this path before on an adequacy of record in
20 the Allstate Miller case, and can you imagine after spending
21 all this time and the effort you've put in, and if there is a
22 adequacy of record issue that it comes back --

23 THE COURT: It's not going to happen.

24 MR. PRINCE: I agree.

25 THE COURT: Okay.

JD Reporting, Inc.

1 MR. PRINCE: That it's not going to happen. But
2 we've -- you and I have had that issue.

3 THE COURT: I'm not going to do it over because of a
4 record issue.

5 MR. PRINCE: Right. So for those reasons, Your
6 Honor, we don't think that a Zoom testimony is appropriate.

7 Moreover, the hypocrisy of the position taken by the
8 TGIG plaintiffs in this case is only because they want their
9 experts now to appear by Zoom because they don't want to
10 travel; however, when Ms. Connor had a death in her family and
11 was on a family vacation --

12 THE COURT: There wasn't a death in her family.

13 MR. PRINCE: Yes, there was a death in her family.
14 She went to a funeral first. Oh, yes.

15 THE COURT: That wasn't a part of my record.

16 MR. PRINCE: She hadn't even started her vacation
17 yet.

18 THE COURT: Okay.

19 MR. PRINCE: So just to -- so you ordered her back.
20 So remote testimony wasn't an option, and Mr. Gentile was the
21 loudest voice in this room about forcing her to get on a plane,
22 return, come to court, and then two days later, after traveling
23 both to and from Oregon and then going to Idaho with elderly
24 in-laws and a father-in-law who just died and kids, they had no
25 concerns about her safety or anyone else's safety for that

1 matter.

2 But since the record cannot be complete, we are
3 asking you to disallow Zoom testimony because the record will
4 not be adequate.

5 While it's one thing for you to discuss there may be
6 an alternative means under Rule NRAP 9 for appellate record
7 purposes, given the importance of these particular witnesses,
8 including Mr. Pupo, including Ms. Cronkhite as well as the
9 expert witnesses, these aren't simple witnesses. They are
10 vital to the case, and the adequacy of the record in particular
11 is going to be particularly important in this case.

12 I think given the stakes in this case, the positions
13 taken by the parties, there is little doubt that the Nevada
14 Supreme Court is going to be addressing numerous issues arising
15 from this litigation. And the appropriateness, the adequacy
16 and the completeness of the record, as well as its accuracy are
17 going to be of vital importance to prevent any misunderstanding
18 of the position of the Court, of the witnesses and your
19 evidentiary ruling.

20 So for those reasons, Your Honor, we're asking you to
21 disallow Zoom. I respect Mr. Pupo's concerns, but I think the
22 Court has taken every appropriate and reasonable step to have a
23 protocol in place in the facility here at the convention center
24 in compliance with not only our administrative order from our
25 chief judge, Judge Bell, as well as CDC guidelines. So I think

JD Reporting, Inc.

1 we're following all the appropriate protocols. Others have
2 come in and testified. So I'm asking you to not allow for any
3 witness, including the expert out-of-state witnesses.

4 THE COURT: Thank you.

5 MR. PRINCE: Yes, Your Honor.

6 THE COURT: Anyone else wish to speak against the
7 motion?

8 Mr. Williamson.

9 MR. WILLIAMSON: Thank you, Your Honor.

10 I will join in Mr. Prince's arguments, but I also
11 want to make an additional point, and that is Mr. Gentile
12 mentioned looking at this case on a witness-by-witness basis,
13 and I actually agree with him on that point. There may be a
14 different calculus when we're talking about medical issues with
15 regard to some witnesses, and adverse parties, which
16 Ms. Cronkhite, Mr. Pupo and the Lone Mountain representatives
17 would all be adverse to the party calling them.

18 But the experts in particular, those are favorable
19 witnesses retained by the plaintiffs, and we have a right of
20 confrontation. And so to deprive us of that right of
21 confrontation and have somebody in a remote place where they've
22 had their preprepped testimony planned out and rehearsed and
23 then have us have to deal with the logistical problems of Zoom
24 is completely inappropriate and violates our right of
25 confrontation. And so I think in addition to the points

1 Mr. Prince raised, if the Court is going to make any
2 accommodations, it should not apply to any expert witnesses.

3 THE COURT: Thank you.

4 MR. WILLIAMSON: Thank you, Your Honor.

5 THE COURT: Mr. Schwarz.

6 Thanks for wiping us down, Mr. Williamson.

7 MR. SCHWARZ: Thank you, Your Honor.

8 When it comes to the portion of the motion that dealt
9 with Mr. Dorf and Mr. Archos, there may be a little bleed over,
10 but there's two separate issues going on here, and --

11 THE COURT: Well, one is whether they were ever
12 subpoenaed.

13 MR. SCHWARTZ: Correct. And that's --

14 THE COURT: Okay.

15 MR. SCHWARZ: And that's a problem, but --

16 THE COURT: That's an elephant in the room kind of
17 issue.

18 MR. SCHWARZ: But with respect to the Zoom aspect of
19 this, what we see happening now is that they're trying to use
20 Zoom as the cover-up or as a cure-all for their failure to
21 actually serve subpoenas. And so that's inappropriate.

22 Dealing specifically with Mr. Archos and Mr. Dorf,
23 they haven't been served with subpoenas. The Consolidated
24 Generator, Cummins case is very clear that if you want to get
25 testimony from specific corporate officers who are out of state

1 in particular, you have to subpoena them. If they want
2 testimony from a representative of Lone Mountain Partners, then
3 they can follow the trial protocol, tell us they want someone.
4 They don't get to pick who. We get to pick who. And we'll
5 present somebody to testify on behalf of Lone Mountain
6 Partners. And we don't need Zoom for that because there are
7 people here. Mr. Archos and Mr. Dorf are not those people.
8 They're in Chicago.

9 If they come here, which they can't be made to do
10 right now, because again they haven't been served with any
11 subpoena, if they come here, then they're going to sit here and
12 wait for plaintiffs to figure out when they're going to call
13 them because we've seen what has happened over the course of
14 the last few days. They don't know what's going on. So
15 they're going to sit here, and then they're going to fly back
16 home, and then they're going to have to sit in quarantine for
17 14 days because that's what's being required for people
18 traveling from Las Vegas back to Chicago.

19 So you don't get to skip over the subpoena part. If
20 they want someone from Lone Mountain Partners to testify in
21 this trial, they give us the seven days' notice that the trial
22 protocol requires. We will decide who that person is going to
23 be. It will be someone local. We will tell them who that is
24 so they can prepare to put this on.

25 And what you're going to then see, Your Honor, is an

1 attempt to take a deposition during the trial because they
2 never made any legitimate attempt to depose anybody from my
3 client in this case.

4 THE COURT: Thank you.

5 Anyone else wish to speak against the motion?

6 Ms. Levin.

7 MS. LEVIN: I just briefly want to address Kara
8 Cronkhite. The only --

9 THE COURT: Please don't give me any specifics about
10 her medical condition. General overview would be fine.

11 MS. LEVIN: Okay. Yeah. It's just she's waiting for
12 test results. So I think it's -- I would much rather, and the
13 State would much rather have her here in person. Same with the
14 expert witnesses. I would think that there's a difference
15 between doing deposition remotely via Zoom and having somebody
16 testify here at trial with exhibits and direct, you know, being
17 able to address the witness directly.

18 But with respect to Ms. Cronkhite, I believe it's
19 just perhaps it's a premature issue because we expect these
20 results to come back any day.

21 THE COURT: Thank you.

22 Anyone else wish to speak against or in favor of the
23 motion before I go back to Mr. Gentile?

24 Mr. Gentile, you're up.

25 MR. GENTILE: It's good news about Ms. Cronkhite.

1 I'm glad. I would rather have her as a live witness too.

2 With regard to the -- this comes as a bit of a
3 surprise to me with regard to what Mr. Schwarz just said. I
4 was not advised until he stood up here that they had a problem
5 producing those two people.

6 THE COURT: They said it yesterday.

7 MR. GENTILE: I remember -- I don't remember hearing
8 it. But as you know, this room is not the greatest for
9 acoustics.

10 THE COURT: I know that.

11 MR. GENTILE: So when I say what I just said, it's
12 accurate albeit maybe he did say it yesterday, and I didn't
13 hear it.

14 And with regard to the others, it is true that I do
15 not have a subpoena for either Mr. Seigneur or for Mr. Smith.
16 I will tell you hundreds, maybe hundreds for sure of experts
17 that I've hired and used as witnesses over the year, I've never
18 subpoenaed one, and I had a discussion with a couple of the
19 intervenor lawyers and only one has said that he ever
20 subpoenaed one. So, I mean, it's just not something that you
21 ordinarily do. Maybe once the pandemic hit this was something
22 we probably should have seen, and that's about all that I have
23 to add. I mean, we've made our requests. If you feel that it
24 is appropriate, you'll grant it; if you don't, you won't.

25 THE COURT: Thank you.

1 Where there are serious medical issues or interstate
2 travel that is involved, the motion is granted; however, before
3 a witness testifies by Zoom, the party proffering the witness
4 or calling the witness will obtain a stipulation or order from
5 the Court which identifies what the alternate best available
6 means for recording the testimony is that is going to be used
7 for that witness if it is unable to be picked up by our JAVS
8 system in the room that we were currently using, and the
9 transcript is therefore unavailable for that portion of the
10 testimony.

11 This ruling is not intended to replace the
12 requirement of a subpoenaing a witness, nor is it intended to
13 excuse a witness who is otherwise available and local from
14 appearing.

15 MR. GENTILE: Okay. So Mr. Pupo will be here.
16 Ms. Cronkhite will have to come back.

17 THE COURT: Ms. Cronkhite will depend upon the
18 medical issues. She's still waiting test results, and then
19 there is additionally a letter from a doctor related to some
20 issues related to a medical procedure she had.

21 MR. GENTILE: Well, I guess we'll get to that when we
22 get to that.

23 With regard to Mr. Smith, he is not out of state.

24 THE COURT: I know that.

25 MR. GENTILE: So you're saying he has to be here?

1 THE COURT: That is correct.

2 MR. GENTILE: Okay. So --

3 THE COURT: And the only reason I'm including out of
4 state is because there are several states in the country right
5 now who are requiring quarantining from people returning from
6 Las Vegas, and because of that interstate issue, I am not going
7 to require interstate travel for witnesses who do not otherwise
8 want to attend.

9 MR. GENTILE: Okay. Thank you.

10 THE COURT: Okay. If I could go to the motion to
11 admit certain evidence. Is that still on?

12 MR. PRINCE: No.

13 THE COURT: Okay. Then I won't deal with it because
14 I would've said, gosh, read the *Shufflemaster versus Awada*
15 case. But, okay.

16 Anything else?

17 I think the only one who would know that is
18 Mr. Lenhard, and he's not in this case.

19 MR. GENTILE: Your Honor, there's another motion on,
20 the motion to admit evidence.

21 THE COURT: Yeah. That's the one I just asked about,
22 and I was told it was off.

23 MR. GENTILE: Well, Mr. Prince said --

24 MR. PRINCE: Oh, no. Mr. Christiansen withdrew.

25 THE COURT: Apparently it's not off, Mr. Prince.

JD Reporting, Inc.

1 There were joinders to it.

2 And then after that I'm going to go to Mr. Prince's
3 request related to Mr. Ritter.

4 MR. GENTILE: I'll submit it. I mean, I --

5 THE COURT: I told you guys at the beginning of the
6 trial protocol that I do not remember everything that happened
7 during the injunctive relief hearing. It was not only over too
8 long a period of time, but I've done too many other bench
9 trials and evidentiary proceedings than to trust my memory of
10 what happened, which is why if there is a particular piece of
11 evidence from that hearing that somebody wants to admit, I'm
12 going to need you to specifically admit that item so that I
13 won't be forced to rely upon my memory, which might be faulty,
14 of what happened during those proceedings.

15 So I didn't say no, but I said under *Shufflemaster*
16 *versus Awada*, I could of course rely upon it all, but that
17 means I'd have to remember it all, and I don't.

18 MR. GENTILE: And I understand that, which is why
19 we're submitting a motion.

20 THE COURT: Yeah. But I don't remember it all. You
21 have to give me a case-by-case piece of evidence.

22 MR. GENTILE: We will do that.

23 THE COURT: Okay.

24 MR. GENTILE: I will supplement it. Thank you.

25 THE COURT: All right. Mr. Prince, you had a joinder

1 related to Mr. Ritter.

2 And then I have some issues about, gosh, can we
3 shorten notice.

4 Mr. Williamson, you will have an opportunity to
5 object if they offer something. You, of course, have the
6 opportunity to object.

7 MR. PRINCE: It's a regular --

8 MR. WILLIAMSON: Okay. So we're not waiving
9 anything?

10 THE COURT: No. No.

11 MR. WILLIAMSON: Okay --

12 MR. PRINCE: So as of now then, with regard to the
13 motion to admit, that motion is now --

14 THE COURT: It is denied without prejudice.

15 MR. PRINCE: Very good.

16 THE COURT: You may offer any piece of evidence that
17 was previously admitted because under Rule 65 I'm allowed to
18 consider it, but I'm telling you all I don't remember it.

19 MR. PRINCE: Understood.

20 THE COURT: And as Ms. Welch indicated on the phone
21 last week, I may not remember it accurately.

22 MR. PRINCE: Okay.

23 MR. BICE: Your Honor, can we get a deadline on when
24 this is going to be? Because, you know, how are we supposed to
25 respond that there's -- that there's now going to be new

1 evidence or evidence from a preliminary injunction hearing --

2 MR. PRINCE: Right.

3 MR. BICE: -- that they now want you to consider, and
4 we don't know what it is.

5 THE COURT: So under *Shufflemaster versus Awada*, I
6 can consider it at any time.

7 MR. PRINCE: It's per --

8 THE COURT: But it has to be specifically brought to
9 our attention. You have to have the opportunity to review and
10 object. It's not something that I'm not going to give you an
11 opportunity to object, Mr. Bice.

12 MR. PRINCE: Right. Yeah, just as it relates to that
13 issue, it's certainly within your discretion to do that. The
14 way we set up the trial protocol and the way you handled the
15 pretrial proceedings, you said we were starting the trial anew.
16 So we came --

17 THE COURT: That is correct.

18 MR. PRINCE: -- out with an entirely new format of
19 exhibits. They're not the same. They're not organized the
20 same. They don't have the same numbers, and all of the
21 appropriate evidentiary foundational or relevancy issues may
22 still apply, and there --

23 THE COURT: And you've actually done some discovery
24 since the preliminary injunction hearing.

25 MR. PRINCE: Absolutely. Exactly right. So I guess

1 we'll deal with it on a case-by-case basis or exhibit by
2 exhibit.

3 THE COURT: Isn't that what I said?

4 MR. PRINCE: That's exactly what you said.

5 THE COURT: Thank you.

6 MR. PRINCE: Now, with regard -- I'm in agreement
7 with Mr. Kemp. We've been at disagreement through throughout
8 the case on many issues, but Mr. Ritter is toxic Plaintiff
9 Number 1. There is nobody more connected to this proceeding
10 and controlling of this proceeding than Mr. Ritter. He is a
11 vital part of the case from a knowledge standpoint. He has
12 involvement with the industry. He has involvement with
13 regulators. He has involvement with the application process
14 and things that went on after that.

15 We have been in -- we have diligently been trying to
16 serve him with a subpoena, but he is now in Prescott, Arizona
17 for the summer.

18 And Mr.-- I got that from Mr. Gentile himself, that
19 that's where Mr. Ritter is located.

20 It's not enough that we have Demetri Kouretas, who
21 was the designated 30(b)(6) witness. We definitely intend to
22 call him, but there's other information that relate
23 specifically to Mr. Ritter. He is now --

24 THE COURT: So why didn't you take his depo or
25 preserve his testimony?

1 MR. PRINCE: Because we chose not to.

2 THE COURT: Okay.

3 MR. PRINCE: And we have his day one testimony from
4 the evidentiary hearing.

5 THE COURT: Absolutely.

6 MR. PRINCE: So I have that. But --

7 THE COURT: You do. And you can play it all you
8 want.

9 MR. PRINCE: -- we had discovery --

10 I'm sorry?

11 THE COURT: And you can play it all you want.

12 MR. PRINCE: Understood, Your Honor. However, he
13 is -- you have the inherent power to order him here. It's not
14 as if the TGIG is a plaintiff in here that's unknowing. They
15 have availed themselves of this Court's jurisdiction, this
16 Court's power. They've had the benefit of a preliminary
17 injunction, and Mr. Ritter was the second witness to testify
18 voluntarily, voluntarily.

19 Now he is purposely evading service of a subpoena
20 because he hasn't been here. He continues to make moves in the
21 case and tries to negotiate from long distance. You ordered
22 Ms. Connor to come back to Nevada to testify.

23 THE COURT: She was served with a subpoena here in
24 Nevada, which is where she lives.

25 MR. PRINCE: But you -- right. And she was going

1 to -- oh, I understood that. But she was going to be back in
2 two weeks. But when the plaintiffs wanted them, you ordered
3 her here --

4 THE COURT: I did.

5 MR. PRINCE: -- from a funeral and part of her
6 vacation. So that happened. The fact that Mr. Ritter is in
7 Arizona should be inconsequential to this case. He is actively
8 participating behind the scenes with these negotiations and
9 these issues. He controls the whole plaintiffs' group. He
10 controls the industry. This is -- there's no one more central
11 to the industry and closer to it than Mr. Ritter. Now, you
12 said you had one or two witnesses you thought were the most
13 critical in the case. For us it's Mr. Ritter, and it's that
14 simple, Your Honor. So we're asking you to exercise your
15 inherent authority and have him ordered here.

16 Mr. Gentile, when it came to the issues regarding
17 Lone Mountain Partners in Verano, he just told you that you
18 have the ability to order the corporate representatives here.
19 We're asking you to order a current board member --

20 THE COURT: And I declined to do it.

21 MR. PRINCE: Yeah. But their involvement in this
22 part of it is questionable. Mr. Ritter's involvement in this
23 case throughout the process, the regulatory process, the task
24 force, the application period dealing with Mr. Pupo and other
25 regulators, that is beyond demonstrated in this case so far,

1 and we're asking you to order him here.

2 THE COURT: Thank you. Anyone else want to speak in
3 favor of the motion?

4 (No audible response.)

5 THE COURT: Mr. Gentile, do you want to speak against
6 the motion? I guess it's a countermotion not a motion.

7 MR. GENTILE: If Mr.-- well, first of all, Mr. Ritter
8 was not served with a subpoena. I never said that Mr. Ritter
9 was in Prescott, Arizona. I said he was in Arizona. I didn't
10 know he was in Prescott. Apparently Mr. Prince does. But I
11 did say Arizona.

12 THE COURT: Can you look at me when you talk so we
13 pick you up. We at least have a chance to pick you up on the
14 audio.

15 MR. GENTILE: Yeah, I'm sorry. I'm just getting
16 tired of being misquoted.

17 If it's true what Mr. Prince just said, that the
18 record is replete with Mr. Ritter's involvement in the litany
19 of things that he said, well, then he doesn't have much need
20 for him, does he?

21 But the bottom line to it is he was not subpoenaed.
22 He is not dodging service. He is just not in the State. He
23 does this every summer. It's not like it's something that he's
24 doing for the first time, and that's about it.

25 THE COURT: Thank you.

1 Anyone else wish to speak against the countermotion
2 by Mr. Prince?

3 (No audible response.)

4 THE COURT: Mr. Prince, you want to say anything
5 else?

6 MR. PRINCE: I'm just going to stand back here and
7 not get near the lectern so I don't have to clean it down.

8 THE COURT: Okay.

9 MR. PRINCE: With regard to Mr. Ritter, he's
10 purposely in Arizona to evade the service of a subpoena. He
11 has no shame. He had no problem being here the very first day
12 acting in support, asking this Court to throw out the entire
13 process because he felt it was unfair. He is the most central
14 witness to the litigation. There's no one more closely
15 connected to the process than Mr. Ritter. He is a active
16 participant in the litigation even if he is out of state.

17 Mr. Demetri Kouretas, it's not enough that he
18 testified as the 30(b)(6). We certainly intend to call him,
19 and we'll do that appropriately.

20 But how does Mr. Ritter have the ability to ask this
21 Court for so much relief? They've asked other corporate
22 representatives to come here, but he won't show his face in
23 front of you.

24 We're asking that you order. You have the power to
25 order it. It's within your discretion, and there will not be

1 an abuse of your discretion. You have that inherent authority
2 to do that. And I think to keep everybody on a level playing
3 field that would be the only fair thing to do, Your Honor, is
4 order him back here so that we could --

5 Because I can't serve him with a subpoena. If I
6 served him in Prescott, Arizona, or wherever else in Arizona,
7 it would be an easy motion to quash because it would be a
8 defective subpoena.

9 A subpoena to Rule 45 is effectively a Court order.
10 You have the same power even without a subpoena to order a
11 corporate representative with this level of involvement here.
12 So respectfully, Your Honor, we're asking you to do that.

13 THE COURT: Thank you.

14 The countermotion is denied. As Mr. Ritter was not
15 served with a subpoena in the state of Nevada, I'm not going to
16 order his appearance; however, any of the prior testimony that
17 he provided in the proceeding may be used at any time by any
18 party.

19 There was also a portion in the motion related to
20 Zoom, to shorten notice. That request is denied. While I
21 certainly understand the reason that people want to shorten the
22 notice period, unless there is a stipulation among the parties,
23 I'm not too going to do that.

24 Anything else?

25 Can we go to our witness who's here?

1 MR. J. SMITH: Your Honor, I have one brief
2 housekeeping issue.

3 THE COURT: Okay.

4 MR. J. SMITH: Yesterday --

5 THE COURT: An hour and 15 minutes on our motions.
6 Sorry, guys.

7 MR. J. SMITH: I'll be brief. I promise.

8 Yesterday, we --

9 THE COURT: Mr. Smith, you've got to come to the mic
10 and wipe it down.

11 Where's your court reporter today, guys?

12 UNIDENTIFIED SPEAKER: She's done.

13 THE COURT: She's done? Oh. Okay.

14 MR. GENTILE: Yes, temporarily she's done.

15 THE COURT: Okay.

16 MR. J. SMITH: Yesterday we read in the testimony
17 with Armen Yemenidjian and his deposition was published. A
18 portion of that deposition transcript was designated
19 confidential. It was not a portion that was read yesterday. I
20 don't know if there's a way to SEAL that portion now that the
21 deposition has been published.

22 THE COURT: No.

23 MR. J. SMITH: Fair enough. I thought I would raise
24 it and ask.

1 **MEMORANDUM OF POINTS AND AUTHORITIES**

2 **I.**

3 **INTRODUCTION**

4 This Court is well versed in the facts of this case involving a challenge to the licensing and
5 application process, conducted in 2018 by DOT, regarding licenses to operate a recreational
6 marijuana retail store. As this Court is also well aware, trial on this matter began on July 17, 2020.
7 However, despite the fact the parties are currently in trial, and the abundantly clear direction from
8 all Courts in this state that parties are not required to submit to trial by ambush, GREENMART OF
9 NEVADA NLV LLC (hereinafter “GM”) is trying to do just that to NWC. GM’s conduct is appalling
10 and should not be tolerated by this Court.

11 On July 24, 2020, GM served its Ninth Supplement to its Initial List of Witnesses and
12 Documents. (See Exhibit “A”.) The Supplement consisted solely of new documents related to NWC.
13 (Id.) Likewise, on the same day, GM filed its Second Amended Pretrial Disclosures, again, solely
14 consisting of the same new documents related to NWC. (See Exhibit “B”.) Setting aside the fact that
15 these documents are irrelevant, as events contained therein occurred long after the application and
16 scoring and grading process for the 2018 applications, a party should not be permitted to present new
17 evidence for the first time at trial. As such, NWC respectfully requests that both GM’s Ninth
18 Supplement, and Second Amended Pretrial Disclosures, be stricken and that all parties be prohibited
19 from using the documents.
20

21 **II.**

22 **DISCUSSION**

23 **A. APPLICABLE LAW**

24 **1. Disclosure Requirements**

25 NRCP 16.1 requires parties, without awaiting a discovery request, to provide:

26 (ii) a copy — or a description by category and location — of all documents,
27 electronically stored information, and tangible things that the disclosing party
28 has in its possession, custody, or control and may use to support its claims or
defenses, including for impeachment or rebuttal, and, unless privileged or

1 protected from disclosure, any record, report, or witness statement, in any
2 form, concerning the incident that gives rise to the lawsuit.

3 (See NRCP 16.1(a)(1)(A)(ii).) NRCP 26(e) requires these disclosures to be timely supplemented.

4 Further, NRCP 16.1(a)(3)(A) requires, “in addition to the disclosures required by Rule
5 16.1(a)(1) and (2)”, parties must also file and disclose to all other parties “an identification of each
6 documents or other exhibit...separately identifying those items the part expects to offer...”. (See
7 NRCP 16.1(a)(3)(A)(iii).) Unless the Court orders otherwise, the pretrial disclosures are to be made
8 at least 30 days before trial. (See NRCP 16.1(a)(3)(B)(i).) Here, pursuant to the Trial Protocol,
9 disclosure of trial exhibits, or pretrial disclosures, were to be made June 26, 2020. (See Amended
10 Trial Protocol No. 2, filed July 2, 2020, at p. 4:17-18, a true and correct copy attached hereto as
11 Exhibit “C”.) The Trial Protocol went on to mandate that the joint exhibit list was to be finalized by
12 July 2, 2020. (Id. at p. 4:27-28.) The final pretrial conference, pursuant to the protocol, was set for
13 July 10, 2020, and at that time the parties were to bring, and prior to that, on July 8, 2020, exchange
14 “all items identified in EDCR 2.69(a). (Id. at p. 7:16-17.) EDCR 2.69(a) includes exhibits.

15 The appropriate sanction for failing to disclose under NRCP 16.1, is to prohibit the party
16 from using the information at trial. (See generall NRCP 37(c)(1).) NRCP 16.1 provides a separate
17 basis for exclusion, providing as follows:

18 If an attorney fails to reasonably comply with any provision of this rule, or if
19 an attorney or a party fails to comply with an order entered under Rule 16.3,
20 the court, on motion or on its own, should impose upon a party or a party’s
attorney, or both, appropriate sanctions in regard to the failure(s) as are just,
including the following:

21 (A) any of the sanctions available under Rules 37(b) and 37(f);
22 or

23 (B) an order prohibiting the use of any witness, document, or
24 tangible thing that should have been disclosed, produced,
exhibited, or exchanged under Rule 16.1(a).

25 (NRCP 16.1(3)(3)(A-B).

2. Relevant Evidence

NRS 48.015 defines relevant evidence as “evidence having any tendency to make the existence of any fact that is one of consequence to the determination of the action more or less probable than it would be without the evidence.” “Evidence which is not relevant is not admissible.” NRS 48.025(2). Moreover, even if relevant, the evidence should be excluded “if its probative value is substantially outweighed by the danger of unfair prejudice, of confusion of the issues or of misleading the jury.” NRS 48.035. Relevant evidence that does nothing but waste the Court’s time should also be excluded. NRS 48.035(2).

B. ARGUMENT

1. This Court Should Strike GM’s Disclosure as Untimely

This matter is currently being tried. Nonetheless, on July 24, 2020, GM amended its pretrial disclosures to include new evidence not previously disclosed. (See Exhibit “A”.) This is in violation of NRCPC 16.1. The appropriate remedy for untimely disclosure of evidence is exclusion at trial. NWC now asks this Court to exclude the documents disclosed in GM’s Ninth Supplement and strike the untimely supplement.

2. The Documents Disclosed by GM Are Irrelevant

It is a long standing maxim in Nevada, and all courts, that only relevant evidence will be admitted. In order to be relevant, the evidence must have a “tendency to make the existence of any fact that is one of consequence to the determination of the action more or less probable than it would be without the evidence.” NRS 48.015. The evidence GM seeks to introduce are Complaints for a Disciplinary Action brought by the Cannabis Compliance Board of the State of Nevada (hereinafter “CCB”), both issued July 21 of 2020. (See Exhibit “A” and “B”.) This evidence is completely irrelevant.

The instant case surrounds the application and scoring processes that were conducted by DOT, in 2018. NWC does not dispute that compliance (of the applicants) is generally relevant. However, in the instant action, only compliance histories and/or violations that occurred prior to the

1 award of the 2018 licenses are relevant. It is unclear how violations that occurred after the
2 conditional licenses were awarded, on or about December 5, 2018, would make any fact that is of
3 consequence more or less probable than it would be without the evidence. This Court is evaluating
4 the 2018 application and scoring process. Post award compliance, and alleged violations that
5 occurred in 2020, are irrelevant to these proceedings.

6 Moreover, even if the purported evidence were relevant, which would be a tenuous position
7 at best, the evidence should still be excluded because the probative value of the evidence, if any, is
8 substantially outweighed by the danger of unfair prejudice or confusion of the issues. NRS 48.035.
9 The new evidence GM tries to bring does nothing but confuses the issues at hand. This Court is
10 deciding whether DOT acted arbitrarily and capriciously and whether the DOT's conduct violated
11 the constitutional rights of NWC (and others). The specific conduct at issue occurred between 2017
12 and 2018. Introducing evidence related to July 2020 compliance of parties will do nothing but
13 confound the analysis this Court is asked to perform.

14 Further, admission of the evidence would result in unfair prejudice to NWC. The Complaint
15 is just that, a Complaint. The allegations therein have not been proven. (See Exhibit "A" at
16 GM1077.) NWC has not yet answered the Complaint. A hearing on the Complaint has not yet
17 occurred. The outcome of the Complaint could very well be dismissal. To allow GM to admit the
18 Complaint in the instant case to argue that NWC is violating the law would be extremely prejudicial
19 to NWC.

20 Again, NWC fails to see how the Complaint, issued in July of 2020, has a tendency to make
21 any fact that is of consequence to this Court's decision of whether there was bias or partiality in the
22 2018 application and scoring process. However, even if this Court disagrees, the probative value,
23 if any, of the purported evidence is substantially outweighed by the danger of unfair prejudice against
24 NWC. Admission of the new evidence would also do nothing but waste this Court's time in an
25 already long trial with thousands of proposed exhibits. The Complaints do nothing to aid this Court
26 in its fact finding function.
27
28

1 The evidence GM seeks to admit is irrelevant. However, even if it were relevant, which it is
2 not, the evidence should still be stricken as any probative value is substantially outweighed by the
3 danger of unfair prejudice to NWC and confusion of the issues. Further, the documents presented
4 by GM will do nothing but waste the Court's time in exploring issues that have no impact on the
5 merits of the instant case. As such, GM's Second Amended Pretrial Disclosures should be stricken,
6 as well as the documents contained therein.

7 **III.**

8 **CONCLUSION**

9 Based on the foregoing, Plaintiff hereby respectfully requests the Court grant the instant
10 Motion and issue an Order striking GREENMART OF NEVADA NLV LLC's Second Amended
11 Pretrial Disclosures and Ninth Supplement to Initial List of Witnesses and Documents Pursuant to
12 NRCPC 16.1(a)(1).

19 Board and its constituent parts, regardless of whether those references have
20 been conformed pursuant to section 244 of this act at the time of
21 interpretation...

22 3. Any action taken by the Department of Taxation or its constituent parts
23 pursuant to chapter 453A and 453D of NRS governing the licensing and
24 regulation of marijuana establishments and medical marijuana
25 establishments before July 1, 2020, remains in effect as if taken by the
26 Cannabis Compliance Board or its constituent parts on and after July 1, 2020.

27 6. Effective July 1, 2020 and pursuant to NRS 678A.350, the CCB superseded
28 the Department in enforcing Nevada's laws and regulations for the cannabis industry.

29 7. This administrative action was originally commenced on March 23, 2020,
30 when the Department served a complaint on Nevada Wellness via a civil penalty letter of
31 that same date. As set forth in Paragraphs 5 and 6, above, as of July 1, 2020, jurisdiction
32 of this matter transferred from the Department to CCB and this matter must therefore be

1 adjudicated under CCB. Hence, this Complaint is now filed under CCB¹. The charges
2 remain the same as in the original complaint. This CCB Complaint is filed to conform to
3 the jurisdictional and other requirements under Title 56 of NRS (NRS 678A through 678D).

4 8. As set forth below, the events at issue in this CCB Complaint occurred prior
5 to July 1, 2020, when Nevada Wellness was licensed pursuant to NRS Chapters 453A and
6 453D and NAC Chapters 453A and 453D. Therefore, Nevada Wellness is subject to the
7 jurisdiction of the CCB and subject to discipline pursuant to NRS 678A through 678D and
8 the relevant provisions of NRS Chapters 453A and 453D and NAC 453A and 453D.
9 Violations are referenced herein to the statutes and regulations in effect at the time each
10 said violation occurred.

11 9. Pursuant to NRS 678A.500 and 678A.510(1), the CCB's Executive Director
12 has transmitted the details of the suspected violations of Nevada Wellness to the Attorney
13 General and the Attorney General has conducted an investigation of the suspected
14 violations to determine whether they warrant proceedings for disciplinary action. The
15 Attorney General has recommended to the Executive Director that further proceedings are
16 warranted, as set forth in this CCB Complaint. The Executive Director has transmitted
17 this recommendation and information to the CCB. Pursuant to NRS 678A.510(2)(b), the
18 CCB has voted to authorize service of this CCB Complaint upon Respondent pursuant to
19 NRS 678A.510(1) to proceed with appropriate disciplinary action under NRS 678A.520
20 through 678A.600.

21 **FACTUAL ALLEGATIONS**

24 Emergency to facilitate the State's response to the COVID-19 pandemic.

25 12. On March 20, 2020, Nevada Governor Steve Sisolak issued Declaration of
26 Emergency Directive 003 ("Directive 003"). Section 5 of Directive 003 specifically addressed
27

28 ¹ This Complaint supersedes the complaint via civil penalty letter served by the
Department of Taxation on March 23, 2020.

1 retail cannabis dispensaries, and the manner in which they could conduct sales, effective
2 March 20, 2020, at 11:59 p.m., ordering as follows:

3 Retail cannabis dispensaries may operate by *delivery only* pursuant to the
4 guidance that shall be issued by the Department of Taxation in conjunction
5 with the Cannabis Compliance Board effective March 20, 2020, at 11:59 p.m.
(Emphasis added.)

6 13. That same day, the Department of Public Safety, Division of Emergency
7 Management, Homeland Security submitted emergency regulations, which Governor
8 Sisolak approved, specifying essential business operations. NAC 414.XXX(1). Specifically,
9 NAC 414.XXX(1)(h) listed Licensed Cannabis entities, including dispensaries, producers,
10 and cultivators, as essential licensed businesses. NAC 414.XXX(3)(a) and (c) provided that
11 all essential licensed businesses must “[c]omply with social distancing guidance issued by
12 the Centers for Disease Control and Prevention document entitled ‘Implementation of
13 Mitigation Strategies for Communities with Local COVID-19 Transmission,’ the Governor’s
14 Medical Advisory Team, a Governor’s Directive, any other Nevada state regulatory agency
15 or board;...and “[c]ease all door-to-door solicitation, even if the good or service offered for
16 sale is considered essential, excluding the delivery of a good or service that has been
17 ordered by a resident or business.” NAC 414.XXX(3)(d)(4)(I) further specified all cannabis
18 entities must ensure sales to consumers by *direct delivery* under guidance that shall be
19 issued by the Department of Taxation in conjunction with the CCB. (Emphasis added.)

20 14. On March 20, 2020, the Department issued the COVID-19 Guidance
21 referenced in Paragraph 10 at 4:16 p.m. to the all establishments’ ListServ subscribers.
22 The Department titled the guidance “Nevada Recreational and Medical Cannabis Sales
23 Now Delivery Only – Virtual Delivery Vehicle Inspections in Place to Meet Demand” and
24 provided, in pertinent part, as follows:

25 Per the Declaration of Emergency issued today by Governor Steve Sisolak,
26 licensed cannabis retail stores and medical dispensaries will be required to
27 shut down all public store fronts by midnight tonight. Legal cannabis sales
will continue but will be available by *delivery only*. (Emphasis added)...

28 **CURBSIDE PICKUP WILL NOT BE PERMITTED.**

4 16. On the evening of March 21, 2020, Channel 8 News reported that Nevada
5 Wellness, located at 3200 S. Valley View Blvd, Las Vegas, NV 89102, would be allowing
6 call in orders and pick up of marijuana and marijuana products through a process in which
7 a customer could call in an order, then drive to the Nevada Wellness facility, wait in their
8 car, and then be called to enter into the front portion of the facility's building to retrieve
9 their order. In the news interview, owner Frank Hawkins detailed how the Nevada
10 Wellness implemented sales procedure would occur and that it would begin the following
11 day, Sunday March 22, 2020, with a request for approval submitted to the Department on
12 Monday, March 23, 2020. Based on Mr. Hawkin's statements that Nevada Wellness had no
13 intention of following the directives of the Governor or the guidance issued by the
14 Department, on March 20, 2020, Department staff conducted an investigation at various
15 times to verify that the facility was, in fact, continuing to operate in contravention of
16 Directive 003 and the Department's guidance. The lead investigator was Shandon Snow.

17 17. The Department notified Las Vegas Metropolitan Police Department's Special
18 Investigation Section ("Metro SIS") of the situation. Metro SIS shut down the continued
19 operation of onsite sales and issued a warning letter to Nevada Wellness.

20 18. Throughout the investigation the Department investigator Shandon Snow
21 directly interviewed all three owners² of the facility onsite and all three confirmed
22 knowledge of the Directive 003 and the Department guidance that no cannabis sales other
23 than delivery sales could occur again until the Department granted approval otherwise. In
24 spite of this, Investigator Shandon Snow observed sales take place at Nevada Wellness on
25 March 22, 2020, under the process set forth in Paragraph 16, above.

26 19. Department staff requested and obtained Nevada Wellness sales documents
27 for March 21, 2020 through March 22, 2020, which detailed that there were 195 sales that

28 _____
² Frank Hawkins, Andre Rhodes, and Luther Mack.

1 occurred on Sunday March 22, 2020, that were conducted in direct violation of Directive
2 003 and the Department's March 20, 2020 guidance.

3 20. On March 22, 2020, Nevada Wellness owner Frank Hawkins sent
4 correspondence to Investigator Shandon Snow stating Mr. Hawkins believed the "delivery
5 only" directive from the Governor was detrimental to Nevada Wellness' customers, who
6 vigorously complained about it on March 21, 2020. Mr. Hawkins further explained that he
7 did not believe it was the Governor's intent to harm his customers and requested the
8 Department approve his "express pick up procedure" that allowed customers to enter the
9 Nevada Wellness facility one at a time.

10 VIOLATIONS OF LAW

11 21. CCB incorporates all prior Paragraphs as though fully set forth herein.

12 22. As to license RD109 and certificate D009, Respondent Nevada Wellness
13 violated NAC 453D.905(3)(b)(9) by failing to cease prohibited operations during an
14 imminent health hazard. Specifically, Nevada Wellness permitted cannabis sales on March
15 22, 2020, in contravention of Directive 003 and the Department's guidance by allowing 195
16 non-delivery sales at its facility, when Directive 003 and the Department's guidance
17 permitted delivery sales only. These acts constitute a Category II violation, which carries
18 a \$10,000 civil penalty and a suspension of not more than 20 days.

19 23. As to license RD109 and certificate D009, Respondent Nevada Wellness
20 violated NAC 453D.905(3)(d)(8) by allowing activity which violates the laws of this State.
21 Specifically, Nevada Wellness allowed 195 cannabis sales in violation of Directive 003 and
22 NAC 414.XXX(3)(d)(4)(I), which both mandated that sales of cannabis were to be by direct
23 delivery only. These acts constitute a Category III violation, which carries a civil penalty
24 of \$2,500.

12 **AMENDED TRIAL PROTOCOL NO. 2**

13 Trial Date: July 13, 2020

15 The Court having met with counsel for the parties, and after consideration of the proposal for
16 Trial Protocol submitted by the parties, the written status reports provided by counsel, the issues
17 posed by the current public health emergency and hearing comments of counsel, the Court adopts
18 the following as its amended trial protocol:

19 **I. COURTROOM ETIQUETTE**

20 **A.** Pursuant to Administrative Order No. 06-05, this Court permits counsel and their
21 staff to use wireless communications; however, such devices shall be placed away from recording
22 devices and microphones and must be turned off or placed on airplane mode to ensure that no
23 sounds are emitted from the device that may interrupt the proceedings. If the Court determines a
24 particular device is interfering with the sound and/or recording equipment, the Court may order all
25 electronic devices turned off.

26 **B.** The Court expects counsel to be punctual for all proceedings.

27 **C.** Counsel will be civil to one another as well as to all parties, witnesses, and court
28 personnel at all times. Do not interrupt.

1 **D.** Opposing counsel should not engage in extended conversations with each other when
2 court is in session. The Court will allow counsel to have a private conversation if it is requested and
3 efficient. Counsel should never argue with either opposing counsel or the Court.

4 **E.** Counsel will stand when addressing the Court or when examining witnesses.
5 Counsel must stand near a microphone and may not crowd the witness.

6 **F.** Counsel may approach a witness with the permission of the Court. If counsel needs
7 to approach the witness many times, the Court may instruct the attorney that he or she need not
8 continue to ask. Nonetheless, once the attorney has accomplished his or her reason for approaching
9 the witness (however many times), he or she should return to the place from which he or she is
10 questioning.

11 **G.** The Court does not permit speaking objections. Counsel should give the basis for the
12 objection in a word or phrase (e.g., “hearsay”).

13 **H.** Counsel must state every objection for the record. Counsel may join an objection for
14 purposes of the record. The Court does not permit continuing objections.

15 **I.** Counsel has the responsibility to advise their witnesses to comply with any orders
16 granting motions in limine.

17 **J.** Counsel should advise all witnesses that they are not to begin any answer until the
18 question has been completed. Department XI does not require counsel to use Court Call for
19 telephonic appearances. Counsel must contact the Department one (1) day prior to the hearing to
20 setup the telephonic appearance. If multiple counsel elect to appear telephonically, counsel shall set
21 up a conference call number for use by all participating counsel

22 **K.** Counsel may appear by alternate means upon request.

23 **L.** All counsel will comply with Administrative Order 20-17 related to face coverings
24 and social distancing. Screening requirements by marshal(s) will be posted and enforced. Given the
25 large number of participants, this proceeding will be conducted off-site in a location provided by the
26 Court that allows compliance with social distancing requirements and provides only those amenities
27 which are identified as Court critical for conduct of the proceedings.

28 **M.** Given the suspension of proceedings referenced in Administrative order 20-17 and its

1 predecessors, many of the items referenced to be completed under the original trial protocol were
2 near completion. As a result the Court has compressed the final deadlines for the completion of
3 those items.

4 **II. PRETRIAL MOTIONS**
5 COMPLETED

6 **III. EXHIBITS**

7 A. The Parties shall prepare a joint list of exhibits, based upon the exhibits used during
8 any depositions and documents properly disclosed during discovery, which will be pre-marked with
9 an identification number in the range of 1-999. The Parties will create a joint list of potential trial
10 exhibits that may later be offered for admission at trial and create an electronic storage device for
11 each party and the Court containing these exhibits. The proposed trial exhibit list will mirror the
12 numbering of the deposition exhibits and any withdrawn deposition exhibit will have at the
13 corresponding number a reference to either "reserved" or "withdrawn." Prior to providing such trial
14 exhibits to the Court, the Parties will meet and identify exhibits that can be withdrawn or are
15 duplicates. If all Parties agree a deposition exhibit can be eliminated, it will be removed from the
16 preliminary trial exhibit list. If any party does not agree to eliminate a deposition exhibit, it will be
17 marked as a proposed trial exhibit.

18 B. For non-joint exhibits, the Parties will utilize the range of exhibit numbers assigned
19 to each party for identification of the exhibits. Each exhibit shall also bear the production number of
20 the document or item that was used during discovery to ensure that it is a properly, previously
21 produced document or other identifier that can be appropriately cross-referenced by the Parties. If
22 during the course of discovery a document was produced with an alphanumeric designation, the
23 discovery alphanumeric designation will be included on the exhibit list. If a party intends to use a
24 document as an exhibit at trial that was not given an alphanumeric designation (that all Parties were
25 previously provided access to), and was not utilized as an exhibit to a Court filing, the designating
26 party must identify the document in a manner that enables other parties to verify the prior
27 production and/or disclosure of the document and to locate such document.

28 C. The numbering system shall differentiate between evidentiary trial exhibits and

1 illustrative aids/demonstrative exhibits, with the illustrative aids/demonstrative exhibit identification
2 number containing the letter D preceding the identification number.

27 to the Court, have been produced in this Action pursuant to the Confidentiality Agreement and

21 depositions designations based on testimony provided during trial. Accordingly, any changes to
22 deposition designations must be provided to the Parties and the Court no less than one (1) judicial

24 for the failure to do so. This procedure does not alter or change evidentiary limitations.

25 5. Any video deposition to be shown to the Court shall be edited to streamline
26 the presentation of evidence. The Parties can present excerpts in the order approved by the Court at
27 the Final Pretrial Conference. All portions of a video deposition used in lieu of live testimony
28 presented during a certain phase will be shown together.

1 6. For impeachment or rebuttal purposes, advance notice of the portions of the
2 deposition depicting inconsistent testimony is not required. Proposals for the presentation of
3 deposition transcripts are still subject to evidentiary limitations.

4 7. To avoid delays during trial, counsel will notify the clerk of any depositions
5 anticipated to be used prior to the start of the day's proceedings. Failure of counsel to do so may
6 result in the Court refusing to permit counsel to utilize a particular deposition.

8 1. At the commencement of each phase, counsel will file proposed findings of
9 fact and conclusions of law pertaining to that portion of the trial.

6 required to use trial presentation software to electronically and simultaneously display evidence to

10 hard copy bears the same identifiers as the electronic copy, and hard copy documents of such
11 presentations are made available to the other Parties.

12 7. The Parties may hire an operator to provide, and upon the request of a party to
13 operate, the trial presentation software to avoid the complications of different systems, different
14 switching systems, and delays in presentation. All exhibits will be on one computer system with
15 traditional designations of potential exhibits and admitted exhibits. Each party is required to use the
16 software selected. A Party may contract with the provider for a person to operate the system during
17 trial or may take on the responsibility of hiring and training a person to operate the system for that
18 party during trial. Parties shall insure that non-admitted exhibits are blocked from viewing by the
19 Court until the Court directs the non-admitted exhibit to be disclosed for the Court's view.

20 8. Prior to the commencement of each phase, the Court will rule on any

2. The proposed electronic exhibits shall be submitted in portable document format (.PDF).
3. Photographs must have at least a 1 inch border at the top of the page for the clerk to be able to affix the indicator documenting the admission of the photo. If the court deems the quality of the photograph is not of sufficient quality for demonstrative purposes, the photo shall be re-submitted in traditional format.

3 **LARRY NOBLE HOLIFIELD**

4 [having been called as a witness and being first duly sworn,
5 testified as follows:]

6 THE CLERK: Thank you. Please be seated. Please
7 state and spell your name for the record.

8 THE WITNESS: My name is Larry Noble Holifield.

9 THE COURT: Sir, as I've told many witnesses, because
10 you are speaking through a mask, and we're speaking through a
11 mask, it makes this proceeding much more challenging than it
12 otherwise would be. It's important you try and keep your voice
13 up and speak into the microphone.

14 As Mr. Gentile has said, the acoustics in this room
15 are not the greatest. And while we our doing our best to make
16 a good record of these proceedings, the masks create an issue.

17 If you can't understand counsel's question, even
18 though you've met with him and prepped with him, it still
19 doesn't make any sense, tell him. Okay?

20 THE WITNESS: Yes, Your Honor.

21 THE COURT: All right.

22 THE CLERK: Sir, please spell -- spell your name for
23 the record.

24 MR. DZARNOSKI: Mr. Holifield, you were asked to
25 spell your name. You may not have heard.

1 THE WITNESS: Larry Holifield. L-a-r-r-y. Middle
2 name is Noble, N-o-b-l-e. Last name is Holifield,
3 H-o-l-i-f-i-e-l-d.

4 THE CLERK: Thank you.

5 THE COURT: Mr. Dzarnoski, are you feeling okay
6 today? Do you have a fever? Do you have a cough you haven't
7 had previously.

8 MR. DZARNOSKI: No, Your Honor.

9 THE COURT: Are you feeling ill in any way?

10 MR. DZARNOSKI: If that were a symptom, I had the
11 virus for the last five years. So.

12 THE COURT: Okay.

13 DIRECT EXAMINATION

14 BY MR. DZARNOSKI:

15 Q Good morning, Mr. Holifield. Could you please tell
16 the Court how you are currently employed.

17 A Yes. I own a private investigative corporation from
18 Miami, Florida, called Corporate Integrity Services.

19 Q And what does Corporate Integrity Services do?

20 A We provide private investigative services. We do
21 consulting work, and I suppose we do this type of work for
22 litigation support.

23 Q And when did you found -- did you -- are you the
24 founder of that entity?

25 A Yes, sir.

JD Reporting, Inc.

1 Q And when was it created?

2 A 2012.

3 Q All right. And prior to 2012, what did you do for
4 the previous 37 years?

5 A For the previous 41 years, I started on the St. Louis
6 Police Department as a police cadet in 1970. I received a
7 commission as a police officer in 1973. I held various
8 positions on the St. Louis Police Department, including
9 patrolman and detective in the narcotics section.

10 In 1984 I applied to and was hired by the Drug
11 Enforcement Administration, and I was a drug enforcement agent
12 for practically 24 years, from 19 -- March of 1984. And I
13 retired in -- at the end of December 2007.

14 Subsequent to that, I was hired by a law firm called
15 Hunton and Williams as the in-house investigator for that firm.
16 I did that for approximately four years and decided to start my
17 own business with an associate of mine. And that's when we
18 formed the Corporate Integrity Services which is a fully
19 licensed private investigative corporation in -- well, it's an
20 LLC, excuse me -- in Miami, Florida.

21 I have a PI license to go along with the
22 corporation -- with the --

23 Q All right. When you worked --

24 A -- business.

25 Q -- for the St. Louis Police Department, can you tell

JD Reporting, Inc.

1 the Court roughly the time frame. You may have said it as you
2 switched, but how long were you with the St. Louis Police
3 Department?

4 A I was hired as a police cadet right after high
5 school, August 3rd, 1970, got my commission in May of 1973 as
6 a police officer, and I worked there until February of 1984.

7 Q And you started in uniform patrol. And did you move
8 on to -- from uniform patrol over the course of 14 years
9 working for the St. Louis Police Department, what steps did you
10 take after uniform patrol in terms of your duties at the
11 St. Louis Police Department?

12 A Immediately after uniform patrol, I was promoted to
13 police detective in the narcotics section in 1976. I held that
14 position until I --

15 Q And while you were working for the St. Louis Police
16 Department, did you also pursue higher education to obtain a
17 degree?

18 A Yes. While working as a police officer, I obtained a
19 degree at Maryville College in St. Louis, which is now known as
20 Maryville University. I got that degree, a bachelor of arts, a
21 double major in political science and legal justice.
22 Subsequent to that I had some higher education when I lived in
23 El Paso, Texas, but I do not have an MBA. I don't have a
24 master's degree in anything. I just took a couple of courses
25 and got promoted to move to Mexico City. So I dropped -- I

1 dropped out of the University of Texas, El Paso at that point
2 and moved to Mexico City.

3 Q Did you receive awards while employed by the
4 St. Louis Police Department?

5 A Yes, sir. I received numerous chief letters of
6 commendation while I was assigned there.

7 Q Okay. And then in 1984, you began working for the
8 United States Drug Enforcement Administration; is that correct?

9 A Yes, sir.

10 Q And generally speaking, can you tell the Court what
11 type of activities at the United States Drug Enforcement
12 Administration that you oversaw or were involved in.

13 A Well, after graduating from the drug enforcement
14 academy in 19 -- in June of 1984, I was assigned to the New
15 Orleans field division. And the focus of DEA, as most of you
16 probably know, is to enforce the federal narcotics laws. I was
17 a special agent, and special agents target criminal
18 organizations who are involved in drug trafficking and money
19 laundering. Our efforts are to identify these organizations,
20 do our best to dismantle and prosecute -- prosecute them.

21 Q And did you have some tours of duty in Guatemala,
22 Columbia, Mexico and El Paso?

23 A Yes. In 1987, I reported to the Guatemala City
24 country office, which covered El Salvador and Belize as well
25 and worked there from 1987 until I got promoted to my first

1 line supervisor position with DEA. I was promoted in 1982 and
2 reported to the San Francisco field division. I worked two
3 years as the group supervisor for the organized crime drug
4 enforcement task force group in San Francisco. I was then
5 asked by the special agent in charge of San Francisco to open a
6 brand-new office in Oakland, California. I did that in
7 conjunction with the Sheriff of Alameda County, California and
8 formed a 31, approximately 30- to 35-man task force called the
9 Alameda County Drug Enforcement Task Force. And I supervised
10 that until I was assigned to a special assignment in 19 --
11 where am I at -- 1996.

12 I received a specialized assignment working with the
13 CIA. I was sent to CIA headquarters, received training there,
14 specialized training and was assigned to the CIA in Bogotá,
15 Columbia for two years. After that, I was given a temporary
16 promotion and remained in Bogotá, Columbia as the Number 2 in
17 charge of the DEA offices there. There were two offices, one
18 in Bogotá, one in Baron Kia [phonetic] Columbia.

19 In 1999, I was given a permanent promotion to report
20 to DEA headquarters. My first assignment in DEA headquarters
21 in 1999, I was a cochair of the linear committee. It's a
22 classified assignment working in conjunction with 17 different
23 organizations. Anyone who had three letters that had to do
24 with intelligence participated in that. I was the cochair
25 along with the CIA on that assignment.

JD Reporting, Inc.

1 And then I was asked to head the desk that oversee --
2 oversaw, excuse me, Mexico and Central America operations. I
3 did that for about a year and a half, and I was assigned to the
4 El Paso field division in El Paso, Texas as an assistant
5 special agent in charge during which time I oversaw operations
6 for the El Paso field division for DEA.

7 In 2002, I received a promotion to senior executive
8 service to become the regional director for Mexico Central
9 American operations. I was transferred to Mexico City where I
10 oversaw all the offices in Central America as well as the 12
11 offices that are in Mexico for DEA.

12 In 2006, I was reassigned as the Deputy Special Agent
13 in charge of the DEA offices in Florida. All the offices north
14 of Miami were under my command. I also was in charge of the
15 diversion investigators, the intelligence group and the
16 administrative offices for the DEA Miami field division.

17 Q Thank you.

18 A I retired --

19 Q Oh, I'm sorry.

20 A -- in 2007 from DEA.

21 Q And in connection with your service for the drug
22 enforcement administration, the DEA, were you awarded the
23 Warren [phonetic] medal?

24 A Yes, sir. I received the Warren medal from the CIA.

25 Q And that was a medal from the CIA. Could you tell

1 the Court what that -- what honor that medal is.

2 A It's the highest honor given to a nonCIA employee.

3 Q Okay. And did you also receive other awards for your
4 service with the DEA?

5 A Yes, sir. Throughout my career I received numerous
6 Sustained Superior Performance Awards and two Administrators
7 Awards for work I've done on specific cases.

8 Q And during the course of your 37 years or 41 years, I
9 think you said, working for the St. Louis Police Department and
10 for the Drug Enforcement Administration, did you have any
11 particular, or were you given training at various times into
12 training focused on money laundering, asset forfeiture and
13 organized crime groups?

14 A Just to clarify, I was in law enforcement for 37
15 years. I added the other four years that I was an investigator
16 for the Hunton and Williams law firm.

17 When you asked the question, I believe that was the
18 appropriate answer. But, yes, sir, I did receive specialized
19 training from the CIA. I received training from DEA consistent
20 training, you know, and, of course, the best training of all
21 on-the-job training for all the situations that are involved in
22 the enforcement of drug laws.

23 Q Okay. Can you explain to -- it will probably not
24 mean a lot to me, but can you give the Court some idea of the
25 training that was specific to the tasks of investigating money

1 laundering, asset forfeitures and organized crime groups
2 infiltrating various legitimate businesses.

3 A Yes, sir. DEA has always considered money laundering
4 a huge component, because after all, it's about these criminal
5 organizations making money. So there is a major focus on
6 taking away their assets, taking away their profits and
7 basically trying to put them out of business. That's one form
8 of disruption that we talk about, and it's also a form of
9 pursuing lawful prosecutions in federal courts. So, yes,
10 there's a lot of training on the job as well as, you know, the
11 actual training you would get from the DEA academy.

12 Q Based upon your years of experience with law
13 enforcement with the St. Louis Police Department and the DEA,
14 would you consider yourself having gained extensive knowledge
15 and experience on the means and methods of organized criminal
16 groups, especially international drug cartels in corrupting
17 public and private sectors using money and/or threats of
18 violence, co-opting legitimate businesses and individuals to
19 act as nominee or straw parties in financial transactions and
20 asset acquisitions as well as other means of laundering their
21 illicit drug proceeds?

22 THE COURT: I see a couple of gentlemen standing up.
23 I assume you have objections. If you're going to make
24 objections, you got to move up to this table up here,
25 Mr. Schwarz, and Mr. Smith, so we can hear you.

1 MR. SCHWARZ: Your Honor, I'm going to object to the
2 leading paragraph of a supposed question that was just asked.

3 MR. J. SMITH: I'll just add that it's compound, Your
4 Honor.

5 THE COURT: Can you break down your question, please,
6 Mr. Dzarnoski.

7 BY MR. DZARNOSKI:

8 Q Do you consider yourself over the course of the 37
9 years of law enforcement to have gained extensive knowledge and
10 experience on the means and methods of organized criminal
11 groups?

12 MR. SCHWARZ: Objection. Leading.

13 THE WITNESS: Yes, sir. Given the assignments I
14 had --

15 THE COURT: Overruled.

16 THE WITNESS: -- with DEA and the various commands I
17 had -- I held, command positions I held, I do consider myself
18 an expert on that topic.

19 Q And based upon your 37 years of law enforcement
20 experience, do you consider yourself to have gained extensive
21 knowledge and experience regarding international drug cartels
22 co-opting legitimate businesses?

23 MR. SCHWARZ: Your Honor, I'm going to object. He's
24 still leading the witness.

25 THE COURT: Overruled. We're on the preliminaries

1 right now. So I'm okay with it.

2 THE WITNESS: Sir, given the fact that I worked
3 overseas for 12 years, and my assignment in Washington, D.C.
4 was international in nature, I do believe that my experience
5 and knowledge gained during those positions does qualify me as
6 an expert in that area.

7 MR. DZARNOSKI: Your Honor, I'm going to ask that the
8 Court recognize and certify Mr. Larry Holifield as an expert --

9 THE COURT: Mr. Dzarnoski I don't recognize or
10 certify any experts. I permit them to give opinions.

11 MR. DZARNOSKI: Oh, really?

12 THE COURT: Yeah. That's a 30-year-old case
13 involving Judge Mendoza, if I remember correctly.

14 MR. DZARNOSKI: Wow. Showing how old I am. Again,
15 another old school. Thank you, Your Honor.

16 THE COURT: Uh-huh.

17 MR. SCHWARZ: Your Honor, I wish to voir dire the
18 witness.

19 THE COURT: What?

20 MR. SCHWARZ: I'm going to voir dire the witness as
21 to what he's an expert on and whether he really is.

22 THE COURT: Well, I'm not quite there yet.

23 MR. SCHWARZ: Okay.

24 THE COURT: I haven't had anybody ask him an opinion
25 yet. I've heard a lot of experience though.

1 MR. DZARNOSKI: I'm sorry. You heard what?

2 THE COURT: I've heard a lot about his experience.

3 BY MR. DZARNOSKI:

4 Q Were you contacted by the law firm that I work for
5 with regard to potentially giving an expert opinion regarding
6 certain matters?

7 A Yes, sir, I was.

8 Q Okay. Can you explain to the Judge what it was that
9 you were asked if you could do.

10 A Yes. I can actually recite word for word what I was
11 asked to do if that's okay.

12 Q Well, hold on.

13 THE COURT: Are you using something to refresh your
14 memory?

15 MR. DZARNOSKI: Yes. Your Honor, I wanted to bring
16 to the Court's attention and counsel that Mr. Holifield does
17 have some documents in front of him, one of which is his expert
18 report, one of which the supporting materials identified and
19 distributed to opposing counsel, and he has those in front of
20 him in case he needs to refresh his recollection regarding any
21 testimony today.

22 THE COURT: And are they Bates numbered?

23 MR. DZARNOSKI: They are.

24 THE COURT: Great. Can you give counsel the Bates
25 numbers just in case someone wants to track them.

1 MR. DZARNOSKI: The report itself is Bates Holifield
2 1 through Holifield 15. The supporting materials that have
3 been supplied are L, like Larry, M like Mark, P like Paul,
4 dash, Holifield, 2 through 84.

5 THE COURT: Thank you. Are there any additional
6 documents besides those that he has in his pile?

7 MR. DZARNOSKI: I'm sorry. I could not hear you.

8 THE COURT: Do you have any other documents besides
9 the ones that Mr. Dzarnoski identified for us?

10 THE WITNESS: Well, I have the documents I referred
11 to in my report, the footnotes footnoted.

12 THE COURT: Are they there in the pile you have?

13 THE WITNESS: Yes, ma'am.

14 THE COURT: And do they have Bates numbers on them?

15 THE WITNESS: I believe they do. Yes, ma'am.

16 THE COURT: And are they in excess of what
17 Mr. Dzarnoski has already told us?

18 THE WITNESS: I don't recall what he said. I didn't
19 follow that very closely, but they go up to 84, Number 84.

20 THE COURT: That's exactly what he told us. Good
21 job. Okay.

22 Keep going.

23 MR. DZARNOSKI: Thank you.

24 THE COURT: And if you have to refer that to -- refer
25 to the pile to refresh your memory, please let us know and give

1 us the page number. Okay?

2 THE WITNESS: Yes, ma'am.

3 THE COURT: Thank you.

4 BY MR. DZARNOSKI:

5 Q In order to answer my question regarding what it was
6 you were asked to do by my law firm, would it help you to
7 refresh your recollection by looking at your report?

8 A Yes, sir.

9 Q Go ahead, sir.

10 A It would.

11 If you turn to Bates Number 5, Holifield 5, there are
12 4 --

13 MR. DZARNOSKI: All right. Sir, you're not -- you're
14 not permitted to actually read the document, but you can use it
15 to refresh your recollection and then testify. So don't
16 purport to read it, please.

17 THE WITNESS: Okay. Basically I was asked to give
18 my -- give four opinions, Opinion Number 1 being on how
19 ownership of shares of publicly traded companies were recorded.
20 I explained the difference between shareholders of record and
21 the beneficial shareholders.

22 The second thing I was asked to do is explain the
23 difficulties in trying to conduct appropriate or proper
24 background investigations on shareholders of companies.

25 The third thing I was asked to do is explain the

1 components of valid background investigations that would keep
2 organized crime out of the marijuana industry. I believe
3 that's something along those lines. And then explain how --
4 the fourth thing was explain how organized crime could
5 infiltrate the marijuana -- the legitimate marijuana industry,
6 how that could happen.

7 Q Okay. You were not asked, nor did you review any
8 specific company involved in this litigation; is that correct?

9 A No, sir, I did not.

10 Q And you weren't asked, and you did not review
11 specific procedures of the Department of Taxation to render an
12 opinion as to their adequacy; is that correct?

13 A That is correct, sir. I was not.

14 Q And did you -- did you, in fact, conduct research
15 based upon your 37 years in law enforcement, were you able to
16 render an opinion as to those four items?

17 A Yes, sir. I did render opinions on all four items.

18 Q Okay. You didn't do that for free, did you?

19 A No, sir, I did not.

20 Q Okay. Can you tell the Court how much you were paid?

21 A Yes. Initially I was paid \$10,000 to conduct that
22 research.

23 Q And then are you to receive additional compensation
24 after drafting and presenting a report?

25 A Yes, sir. I expect to be compensated for preparation

1 of testimony, travel, reimbursements and any additional work I
2 may have put into this.

3 Q And what is the hourly rate that you were charging?

4 A \$250 an hour.

5 Q Have you ever, sir, acted as a expert to provide
6 expert testimony at a trial in any other case?

7 A No, sir, I have not.

8 Q Have you ever been retained as an expert to render an
9 opinion in contemplation of potential testimony at trial?

10 A Yes, I have.

11 Q And approximately how many occasions?

12 A Four.

13 Q Four occasions?

14 A I believe so.

15 Q Okay. Is -- is offering expert testimony a
16 substantial portion of the income or revenues that you derive
17 from your business?

18 A No, sir, it is not.

19 Q In answering the questions or providing an opinion as
20 to the four topics that we requested an opinion on, what kind
21 of resources did you utilize to render your opinion?

22 A Apart from my knowledge and experience in law
23 enforcement, I sought the advice of someone who I knew was an
24 expert in this area who was also -- who was a gentleman who was
25 in charge of the Drug Enforcement Financial Operations Division

1 when I was in Mexico, and I knew he had a great deal of
2 knowledge. So I asked for some of his help, yes.

3 Q And what is that person's name?

4 A Donald Semesky.

5 Q Okay. Did you also do research to locate reports or
6 anything of that nature to assist in supplementing your
7 knowledge?

8 A Yes, sir, I did.

9 Q And would you please tell the Court the type of
10 information that you searched for and found and utilized.

11 A Well, looking at the specific requirements or the
12 things that I was asked to do, I use Google searches, Safari
13 searches, a lot of, you know, basically Internet corroboration
14 of once I formed an opinion, an idea, I research that over
15 the -- research my opinions and my ideas over the Internet.

16 And once I've formed an opinion, I collaborated with
17 Mr. Semesky to make sure that I -- or in an attempt to make
18 sure that he was in agreement with what I was saying because I
19 have collaborated with him on numerous investigations, and he
20 has collaborated with me on numerous investigations. Both of
21 us are retired federal agents, and that's quite common in my
22 industry to work with other agents who may have specialized
23 skills.

24 Q All right. I'm going to turn to issue -- or question
25 Number 1 or topic Number 1, however you wish to phrase it,

1 about how ownership of shares of publicly traded companies in
2 the U.S. and Canada are recorded. And I think where I'd like
3 to start with that is for you to take a simple example. If you
4 were to want to buy and attempted to buy 100 shares of Apple
5 Computer, how would you do that?

6 MR. SCHWARZ: Your Honor, before we go into Mr.--

7 THE COURT: Would you like to inquire?

8 MR. SCHWARZ: I would like to make some inquiry.

9 THE COURT: You may.

10 MR. SCHWARZ: And I also -- I'm going to object to
11 the relevance of this first line of issues.

12 THE COURT: Well, first I need you to do your voir
13 dire, and then if you want to or if Mr. Smith wants to do an
14 inquiry as well, we'll go there, and then I'll listen to any
15 objection related to the scope of the opinions, the four
16 opinions he was asked to give.

17 MR. SCHWARZ: Thank you, Your Honor.

18 THE COURT: And the case you want to read,
19 Mr. Dzarnoski, the most recent one on qualification is called
20 *Mulder versus State*, 116 Nevada 1, at Footnote Number 2. I
21 know you're excited by that. I had to find the PowerPoint that
22 I gave.

23 MR. DZARNOSKI: I will have to look at the record
24 and -- or have that citation and read it. Thank you, Your
25 Honor.

1 THE COURT: All right. Mr. Schwarz.
2 Mr. Dzarnoski wiped it down, but didn't move his
3 stuff.

4 MR. SCHWARZ: Yeah.

5 THE COURT: Okay.

6 MR. SCHWARZ: Thank you.

7 VOIR DIRE EXAMINATION

8 BY MR. SCHWARZ:

9 Q Mr. Holifield, Mr. Dzarnoski asked you a couple of
10 questions. I want to get more specific on -- with regard to
11 determining what you're being offered as an expert on.

12 First of all, prior to doing any analysis or
13 formulating any opinions in this matter, you were sent a Word
14 document by Mr. Dzarnoski; isn't that correct?

15 A Yes, sir.

16 Q Okay. And that's a five-page document that started
17 with Mr. Dzarnoski's summary of the case; correct?

18 A That is correct, sir.

19 Q Okay. And then there was a section in that document
20 that was entitled, What I Know that was Mr. Dzarnoski's
21 explanation of his understanding of certain things; isn't that
22 correct?

23 A Yes, sir, it was.

24 Q Okay. And then the concluding section of that
25 document was entitled what -- or The Expert We Need. Do you

1 recall that?

2 A What are the what, sir?

3 Q The expert we need.

4 A I'm sorry. I can't hear you.

5 Q Sorry. I'll move over here. Hopefully that'll help.

6 The concluding section of that five-page document,
7 the title of that section was, The Expert We Need; isn't that
8 correct?

9 A The expert we need?

10 Q Yes.

11 A Yes, I believe it was.

12 Q Okay. And in that section, Mr. Dzarnoski told you
13 what opinions his clients were looking for; correct?

14 A Yes.

15 Q Okay. And if you're allowed to testify on those, the
16 opinions you're going to testify about today match up with the
17 specific requests that were in that section; correct?

18 A I don't really know how to answer that question, sir.
19 Could you repeat it again, please.

20 Q Sure. I'll ask it a different way. You don't have
21 any opinions in this case that are different than the opinions
22 you were asked to give; isn't that correct?

23 A That is correct.

24 Q So you would agree with me then that that document
25 from Mr. Dzarnoski does set forth the categories on which

1 you're being asked to provide expert testimony; is that
2 correct?

3 A I'm sorry, sir.

4 Q You would agree with me that the document that you
5 received from Mr. Dzarnoski, before you did any work in this
6 case identifies the categories on which you are being presented
7 as an expert in this case; correct?

8 A Yes, sir, I would agree with that.

9 Q Okay. So it's your understanding that you're being
10 offered as an expert on how shares are recorded and held for
11 public companies; correct?

12 A Yes, sir.

13 Q The difference between shareholders of record and
14 beneficial shareholders?

15 A Yes, sir.

16 Q Okay. And how those matters relate to purported
17 difficulties associated with conducting background checks on
18 owners of a publicly traded company?

19 A That is correct.

20 Q Okay. You're also being offered as an expert on the
21 components of a valid background check; correct?

22 A Yes, sir.

23 Q Okay. And then the third major category you're being
24 offered as an expert on is how a criminal element, OCGs in
25 particular could infiltrate the regulated market in Nevada;

1 correct?

2 A That is right.

3 Q Okay. So I want to go into those areas specifically
4 then.

5 Starting with the shares recorded for public
6 companies, the difference between shareholders and beneficial
7 shareholders and how that relates to background checks, the
8 first category. You have not offered expert opinions on this
9 topic in any prior litigation; is that correct?

10 A That is correct.

11 Q Okay. You have not been previously admitted to offer
12 opinions or qualified by any Court as an expert on this topic;
13 correct?

14 A That is correct, sir.

15 Q You've never written any books or published any
16 articles on that topic; correct?

17 A No, I have not.

18 Q Okay. You've never given any lectures on that topic;
19 correct?

20 A Well, I may have given some instruction to agents. I
21 may have -- I --

22 THE COURT: Sir, he said lectures. That's to an
23 educational group like at an organized group of agents, like a
24 society or something, not in the course of your work as a DEA
25 agent or supervisor.

1 THE WITNESS: Other than at seminars involving
2 prosecutors and agents, no, sir, I have not.

3 BY MR. SCHWARZ:

4 Q And I think you testified earlier that you have a BA
5 in political science and legal justice; correct?

6 A That's correct, sir.

7 Q Okay. You don't have a degree in finance; correct?

8 A I do not.

9 Q Okay. You don't have a degree in accounting;
10 correct?

11 A I do not.

12 Q Okay. You don't have an MBA; right?

13 A Correct.

14 Q You've never held a CPA license; correct?

15 A I have not.

16 Q Okay. The work you did from 1970 to 1984 with the
17 St. Louis Metropolitan Police Department, that did not involve
18 investigating securities trading; correct?

19 A No, it did not.

20 Q Okay. And in your 23 years with the DEA, you
21 personally didn't investigate securities trading; correct?

22 A Didn't investigate what, sir?

23 Q Securities trainings.

24 A Security trades?

25 Q Yes.

1 A No, sir, I did not.

2 Q Right. The second category that you're being offered
3 as an expert on, the components of a valid background check, if
4 one had to be done on all shareholders of a public company, you
5 have not offered expert opinions on that topic in any prior
6 litigation; correct?

7 A No, sir, I have not.

8 Q Okay. You have not been previously qualified by any
9 Court to be an expert on that topic; correct?

10 A No, I have not.

11 Q Okay. You have not written any books or published
12 any articles on that topic; correct?

13 A No, sir.

14 Q Okay. You've never given any lectures about that
15 topic; correct?

16 A No, I have not.

17 Q Okay. You've never been hired to work as a
18 consultant with a government agency to develop a background
19 check protocol for a regulated industry, have you?

20 A No, sir, not for a regulated industry. No.

21 Q Okay. You've never worked with any state government
22 agency to conduct background checks within a regulated
23 industry; is that correct?

24 A Repeat that again, sir.

25 Q All right. You've never worked with any state

1 government agency to conduct background checks within a
2 regulated industry?

3 A Not with any state agency, no, sir.

4 Q As a private investigator, you have never conducted a
5 background check of all shareholders of a publicly traded
6 company; isn't that correct?

7 A I don't think that is correct.

8 Q You've conducted -- you've conducted background
9 checks on every single shareholder of a publicly traded
10 company?

11 A Publicly traded -- I'm confused by the word "publicly
12 traded." I've done many, many backgrounds for -- on companies,
13 shareholders of companies. I'm not sure if they were publicly
14 traded or not, but I have conducted numerous background
15 investigations for companies.

16 Q On every single one of their shareholders?

17 A Yes.

18 Q Okay. And what companies were those?

19 A The last one I did was for a project in Guatemala
20 called the Corridor.

21 Q Okay. And what was the publicly traded company where
22 you investigated every single shareholder?

23 A What was the name of it?

24 Q Yes. No. Yeah, what was the publicly traded company
25 that you investigated every single shareholder?

1 MR. DZARNOSKI: Objection.

2 THE WITNESS: Again I --

3 THE COURT: Overruled.

4 MR. DZARNOSKI: Foundation.

5 THE COURT: Overruled.

6 You can answer.

7 THE WITNESS: I'm somewhat confused by the word
8 "publicly traded" because this company had shareholders, and
9 the job I was doing was to get to the source of the funding to
10 ensure there -- that they were in compliance and money
11 laundering was not occurring because the last thing they wanted
12 to do was have illicit money being used.

13 I'm not sure if that word public trading --

14 THE COURT: Can you please put us on mute.

15 Thank you, Mr. Gamble, please put us on mute.

16 BY MR. SCHWARZ:

17 Q Okay. I'll -- you keep saying that. So I'll clarify
18 it.

19 The company that you were investigating shareholders
20 of, was it publicly traded on the American Stock Exchange?

21 A No, sir, it wasn't.

22 Q Was it publicly traded on the Canadian Stock
23 Exchange?

24 A No, sir.

25 Q Okay. You have never been an employee, officer or

1 board member of a publicly traded company; is that correct?

2 A An officer of a publicly traded company?

3 Q Yes.

4 A Again, I'm confused by that because I'm on the board
5 of --

6 THE COURT: Sir, do you know what a publicly traded
7 company is --

8 THE WITNESS: I'm not sure if I do --

9 THE COURT: Okay.

10 THE WITNESS: -- because I believe --

11 THE COURT: That's okay. Thanks.

12 MR. SCHWARZ: And that's fine. Thank you.

13 BY MR. SCHWARZ:

14 Q As to how a criminal element could infiltrate the
15 regulated marijuana market in Nevada, you've not offered expert
16 opinions on that topic in any prior matters; correct?

17 A Not that specific topic, no.

18 Q You have not been qualified or admitted as an expert
19 by any Court on that topic; correct?

20 A No, sir, I have not.

21 Q You have not written any books or published any
22 articles on that topic?

23 A No, sir, I haven't.

24 Q Okay. And you have not given any lectures on that
25 particular topic; is that correct?

1 THE WITNESS: No, sir, I did not review any specific
2 companies involved in this case.

3 BY MR. J. SMITH:

4 Q So you didn't conduct any investigation or background
5 check into any of the owners, officers or board members of any
6 of the parties to this case; correct?

7 A That is correct, sir.

8 Q And you're not aware of anybody, either plaintiff or
9 defendant, who should have had a background check conducted on
10 them, but did not by the State; correct?

11 A I'm not aware of that, no, sir.

12 Q So you're not aware of anybody who would have failed
13 a background check had one been conducted; correct?

14 A I'm not aware of it, no, sir.

15 Q And you didn't investigate or research the processes
16 the State actually used to conduct a background check during
17 the 2018 recreational marijuana licensing process; correct?

18 A I think I looked at some information on the process
19 that they were using, but I didn't really -- you know, in terms
20 of investigate that, no, I didn't investigate it.

21 Q You didn't look at specifically what the Department
22 did to conduct a background check for applicants; correct?

23 A No, sir, I did not.

24 Q And you weren't, in fact, hired to review the
25 D.O.T.'s procedure to determine the adequacy of those

1 processes; correct?

2 A That's correct.

3 Q And you had some assistance formulating your opinions
4 in this case; correct?

5 A I did.

6 Q You consulted Donald Semesky; correct?

7 A I did, sir.

8 Q And Mr. Semesky is a former IRS agent; correct?

9 A Yes. He was a IRS agent who was hired by the DEA
10 administrator after he retired from the IRS as a special
11 consultant, and he was placed in charge of the Financial Crimes
12 Investigative Unit for DEA.

13 Q So you would agree with me Mr. Semesky has a lot of
14 relevant experience to what you were asked to do; correct?

15 A Correct.

16 Q And he helped you do research; correct?

17 A He did.

18 Q And he helped write portions of your opinion;
19 correct?

20 A Yes. We collaborated in that, yes, sir.

21 Q I understand you collaborated, but you relied
22 heavily, didn't you, on Mr. Semesky's education, background and
23 expertise; correct?

24 A I had my opinions. I went through them with him,
25 and, yes, we collaborated. We collaborated, and yes, I did

1 respect his opinions. I wanted confirmation that what my
2 thoughts -- what my report was saying was accurate, and he did
3 work with me to get me to that point, yes, sir.

4 Q But he helped you actually come to those opinions;
5 correct?

6 A Yes, he did.

7 Q So before talking to Mr. Semesky, you didn't actually
8 have the opinions that you've opined in this case; correct?

9 A Before talking to him?

10 Q Correct.

11 A Of course I had opinions before I talked to him, yes.
12 I had my own opinions of what I thought I was being asked to do
13 and how I would go about doing that. I collaborated with him
14 after I had already formed my opinions.

15 Q I understand, sir, but before talking to Mr. Semesky
16 you had tentative opinions, and after talking to Mr. Semesky
17 you actually reached your final conclusions; correct?

18 A That is correct.

19 MR. J. SMITH: Those are all the questions I have,
20 Your Honor.

21 THE COURT: Okay. Mr. Schwarz -- or Mr. Shevorski,
22 did you want to make inquiry?

23 MR. SHEVORSKI: Very quickly, Your Honor.

24 THE COURT: Okay. Could you wipe down the lectern,
25 please.

1 Mr. Koch, are you coming up too?

2 MR. KOCH: Yes.

3 THE COURT: All right. I'm just checking. I saw you
4 move chairs. So.

5 MR. KOCH: It uncomfortable back there. But there is
6 a view up here.

7 VOIR DIRE EXAMINATION

8 BY MR. SHEVORSKI:

9 Q Good morning, sir.

10 A Good morning, sir.

11 Q Do you know how many public capital markets are in
12 Canada?

13 A How many public -- I'm sorry.

14 Q Capital markets.

15 A No, I don't.

16 Q Okay. Do you know which of those, if there's more
17 than one, which public capital market allow securities trading
18 for cannabis companies?

19 A Are you talking about the CDS?

20 Q I'm asking you, sir. Do you know, based on your
21 knowledge, you're offering an expert opinion in this case or
22 may be allowed to, which public capital market in Canada allows
23 securities trading for cannabis companies?

24 A I know Canada has a stock exchange. I've invested
25 there.

JD Reporting, Inc.

1 Q Do you know which one it is or if there's more than
2 one?

3 A I only -- I think there's only one. I'm not sure how
4 many there is to be honest with you.

5 Q With respect to -- let's assume that there's more
6 than one. Do you know in terms -- do you know what an initial
7 public offering is?

8 A A what, sir?

9 Q An initial public offering.

10 A Yes, I think I know what it is.

11 Q What is that, sir?

12 A If a company wants to be placed in the stock market,
13 they make an offering, and if they're accepted, they get to
14 trade on the market.

15 Q Do you know what documents -- if a company wants to
16 access a public capital market in Canada, let's say -- let's
17 use an example as the Canadian security exchange. Can you tell
18 me based upon your own knowledge how it would access that
19 public capital market?

20 A I have no idea.

21 Q If I -- let's say -- well, let's assume that that
22 company is successful, and they become listed on a Canadian
23 security exchange. Do you know how an individual investor, for
24 example, in Canada might buy a security in that public company?

25 A No, I don't.

1 MR. SHEVORSKI: No further questions, Your Honor.

2 THE COURT: Mr. Koch, did you have any questions?
3 You'll have to wipe down the lectern. Mr. Shevorski --

4 VOIR DIRE EXAMINATION

5 BY MR. KOCH:

6 Q Mr. Holifield, I'm not going to ask you about your
7 drug enforcement experience. I think you've talked about that,
8 and I just want to focus on I think what was referred to as the
9 first issue that Mr. Dzarnoski talked about, which in
10 particular is the securities area. And it's my understanding
11 that with respect to any of the securities-related opinions
12 that you may offer, your knowledge or experience on that comes
13 from your own personal experience in buying stock; is that
14 right?

15 A Yes, sir.

16 Q Okay. So your own personal investing and then maybe
17 some things that Mr. Semesky told you. Is that the extent of
18 your knowledge regarding securities and opinions you may offer
19 today?

20 A Well, the collaboration I had with Mr. Semesky as
21 well.

22 Q Right. And that's what I said. Mr. Semesky --

23 A And what I read about on the Internet.

24 Q Okay. So Mr. Semesky, your own personal investing
25 and then looking some things that on the Internet, that's the

1 extent of it?

2 A Yes, sir.

3 Q And I think I heard, as far as public company and
4 knowledge of whether a company is a public company or not,
5 prior to those questions being asked, it sounded like you
6 weren't entirely sure what a public company is versus a private
7 company; is that right?

8 A Yes.

9 Q Okay. And the entities that are involved in this
10 case, do you know which are public companies or which are not
11 public companies?

12 A I do not.

13 Q For example, Serenity Wellness, do you know if that's
14 a public company?

15 A I don't.

16 Q Or MediFarm?

17 A I wasn't asked to look at any of that stuff. So I
18 don't know.

19 Q Okay. And just Planet 13, GTI, none of those ring a
20 bell as a public company to you?

21 A No, sir, none of them.

22 Q Do you know if any of those public companies have
23 been infiltrated by the cartels because of their public company
24 status? Any opinion on that?

25 A I wasn't asked to give an opinion on that. So I do

1 not know.

2 Q Okay. And so if you don't have knowledge regarding
3 public versus private company status, I would assume you don't
4 have any opinions on whether a cartel would find it easier to
5 infiltrate a public versus a private company, would you?

6 A Any of these? I'm sorry. Could you repeat that,
7 sir.

8 Q If you don't know the difference between the public
9 or private companies operating in this industry, you would not
10 have any opinions as to whether a cartel would find it easier
11 to infiltrate either a public or a private company?

12 A I haven't investigated any specific company. So I
13 don't know.

14 Q You don't have any opinion on that subject; correct?

15 A No.

16 MR. KOCH: Okay. Very good. Thank you.

17 THE COURT: Was there something else you wanted to
18 say, Mr. Schwarz?

19 MR. SCHWARZ: I have no further questions for the
20 witness.

21 At this time I would object to the witness being
22 offered to provide any opinions on this case.

23 I think it's been well established that there are
24 three main areas upon which he's being presented as an expert,
25 the first being securities, securities trading and how that

1 would -- well, securities and securities trading, and it's
2 clear he has no education. He has no experience. He has no
3 specific knowledge. His limited knowledge is information that
4 was provided to him by somebody else and things that he looked
5 up on the Internet. That does not qualify him as an expert in
6 any way on that issue.

7 On the second issue, again, he has no prior
8 experience. He has no knowledge. He is simply providing the
9 argument of plaintiffs' counsel in the form of an expert
10 opinion.

11 And on the third issue regarding infiltration of the
12 market, that issue is in no way relevant considering that he
13 has not looked at any of the parties involved in this case or
14 any of the processes that were involved in this case.

15 So he's not an expert, and whatever he may testify
16 today is wholly irrelevant. Thank you, Your Honor.

17 THE COURT: Mr. Smith.

18 MR. J. SMITH: Yes, Your Honor. I would add a couple
19 points to Mr. Schwarz's arguments.

20 I don't see how Mr. Holifield's testimony will assist
21 the trier of fact on the issues presented in this phase of the
22 trial.

23 He testified he didn't do any specific investigation
24 into any of the parties of this case. He didn't review the
25 D.O.T.'s procedures to determine whether they were adequate or

1 not.

2 So when we're discussing the legality of this
3 process, Mr. Holifield seems to have nothing to offer relevant
4 to the specifics of this case. He's able to opine generally
5 about background checks. But as far as assisting Your Honor in
6 the issues in this phase of the trial, I don't believe
7 Mr. Holifield, given the task that was assigned to him has
8 anything relevant to help Your Honor in addressing that.

9 THE COURT: Mr. Koch.

10 MR. KOCH: I'd just join. I think we all agree we
11 don't like drug cartels. But I don't think this witness has
12 anything more to offer with respect to the issues in this case
13 and the drug cartel's involvement in this case.

14 THE COURT: Mr. Shevorski.

15 MR. SHEVORSKI: Join, Your Honor. We'd ask that he
16 not be --

17 THE COURT: Mr. Dzarnoski.

18 MR. DZARNOSKI: Yes, Your Honor. Let me respond that
19 I would like to ask a few follow-up questions.

20 THE COURT: No. We are only on the is he going to be
21 able to testify as an expert. You already asked him.

22 MR. DZARNOSKI: Well, yes. I'm sorry. Say that
23 again.

24 THE COURT: We're only on the, is he able to testify
25 as an expert.

1 MR. DZARNOSKI: Yes. I --

2 THE COURT: You've already asked him the
3 qualification questions.

4 MR. DZARNOSKI: Yes.

5 THE COURT: Okay.

6 MR. DZARNOSKI: I would like to follow up.

7 THE COURT: No. So you may have an argument now.
8 You may argue.

9 MR. DZARNOSKI: Okay.

10 THE COURT: Whether I'm going to let him testify.

11 MR. DZARNOSKI: All right, Your Honor. The first --
12 the first item or topic is not having him have expertise in
13 securities trading or securities law. The issue and the topic
14 that he is going to give an opinion on is how ownership of
15 shares of public companies --

16 THE COURT: And you think I as a Business Court Judge
17 don't know that, huh?

18 MR. DZARNOSKI: I'm sorry?

19 THE COURT: And you think I as a Business Court judge
20 don't know how shares are held and the difference between
21 nominees and beneficial ownership?

22 MR. DZARNOSKI: I -- Your Honor, I don't know if you
23 know about the role that the depository --

24 THE COURT: I do.

25 MR. DZARNOSKI: The DTC is.

1 THE COURT: Yes, absolutely.

2 MR. DZARNOSKI: Oh, okay. And then --

3 THE COURT: How do you think I order settlements on
4 class action stock trading cases and mergers and acquisitions?

5 MR. DZARNOSKI: And it would be common knowledge then
6 as to how a issuer or a company, when it gets a shareholders'
7 list would have CD and company --

8 THE COURT: Mr. Dzarnoski, the witness told me he
9 didn't know what a publicly traded company was.

10 MR. DZARNOSKI: Well, I wanted to follow up when I
11 think the witness is confused there.

12 THE COURT: No. I asked him the question. He didn't
13 know. That's okay. He will not provide assistance to me on
14 how ownership is held or the difference between shareholder and
15 beneficial ownership. He may, however, testify as to
16 background investigations of shareholder and explain to me what
17 he thinks a valid background investigation of a shareholder
18 might be.

19 So, sir, I haven't said you're not qualified. I said
20 it won't help me because unfortunately in my special assignment
21 as a Business Court Judge I deal with shareholder derivative
22 litigation all the time.

23 THE WITNESS: Thank you, Your Honor.

24 THE COURT: All right. Go.

25 MR. DZARNOSKI: All right. Thank you, Your Honor.

1 MR. SCHWARZ: Your Honor, just for a point of
2 clarification. There was the third topic of his anticipated
3 opinions as well, which is how an OCG could infiltrate and --

4 THE COURT: And that's part of the background
5 investigation topic.

6 MR. SCHWARZ: Okay. And, Your Honor, may I
7 suggest -- it's 10:41. Can we take a brief --

8 THE COURT: You want a short break?

9 MR. SCHWARZ: Yes.

10 THE COURT: Ten minutes.

11 I'm trying to get you guys out of here to get you to
12 the Tax Commission meeting. So ten minutes.

13 (Proceedings recessed at 10:39 a.m. until 10:44 a.m.)

14 (Pause in the proceedings)

15 THE COURT: All right. Mr. Dzarnoski, I think most
16 of the people who care are here. Mr. Shevorski left to go
17 attend the Tax Commission meeting.

18 MR. DZARNOSKI: Proceed?

19 THE COURT: Yes.

20 CONTINUED DIRECT EXAMINATION

21 BY MR. DZARNOSKI:

22 Q All right. Mr. Holifield, given the Court's ruling
23 which I don't know if you heard or you didn't or understand it,
24 we're going to move on to Issue Number 3 or Topic Number 3 in
25 terms of what your opinions have been. And you've identified

JD Reporting, Inc.

1 that as the components of a valid background aimed at keeping
2 criminal organizations and their money out of an industry.

3 Would you please let the Court know what our -- what
4 you consider based upon your years and experience and the
5 research you've done as to the components that are required in
6 order to do a valid background check that would keep organized
7 crime groups from infiltrating an industry like the legal
8 marijuana market in Nevada.

9 A Well, the basic background, basic would involve
10 criminal, you know, investigation of criminal history of the
11 person -- a company that you're doing the background on; that
12 would be basic. And you'd want to check civil litigation
13 records. You'd want to make sure that the person who
14 represents themselves to be that person's actually the person
15 you're investigating. So you'd want to validate that. You'd
16 want to compare what it is, you know, like, the income of a
17 person, is that commensurate with what is they're putting up as
18 an investment.

19 You would definitely want to source the money to --
20 and that's probably the most important thing and the hardest
21 thing to do is to make a determination that first of all they
22 have the money, the money is legitimate, how they got that
23 money, and that's probably the most important thing. Because
24 what you're trying to do in these -- in this particular area of
25 background is validating that the person is who he represents

1 to be. He doesn't have a criminal record. He does have the
2 means legally to make investments such as this.

3 And you want to check that against whatever debts he
4 might have, his credit, perhaps, and depending on, you know,
5 the needs of the client, and in this particular case I think
6 would behoove the Department of Taxation to go out and
7 interview people who are references for applications of these
8 types -- do a background and verify the background with the --
9 with actually conducting interviews of people who know that
10 person, know their character and not just rely upon, you know,
11 resources over the Internet or police reports.

12 Q Sounds to me as if you're speaking of people when
13 you're talking -- you're talking about actually natural persons
14 that you would be looking at the sources of their income; is
15 that what you're saying?

16 A Yes. I would be looking at all those things. All
17 those factors to make, you know, to make a determination, or at
18 least report the facts that, you know, this person if he's
19 putting up a million dollars for an investment, for example,
20 where does he live? Does he -- you know, just basic things.
21 What kind of car does he drive? What are his assets? And you
22 can make a pretty sound determination based upon criminal
23 history, civil litigation, lifestyle, what I would call
24 lifestyle, and sourcing of the money.

25 Q And so if a corporation -- forget about whether it's

1 public or private, corporation is involved, how important is it
2 to do your background investigation that you know the natural
3 persons involved in that corporation?

4 A That's another factor. When you're dealing with drug
5 traffickers, they're never going to put their name out there as
6 an investor. They would shield their investment through a
7 variety of different ways, offshore, corporations, trust funds
8 shell companies, by coercing, for example, people who they
9 would maybe coerce by violence, threats or other means,
10 corporations or people in order to keep their names out of the
11 investment when they are actually the true beneficial owner.
12 Determining the true beneficial owner of these corporations
13 overseas, shell companies and the likes, even properties,
14 assets, it's very, very difficult to do, and therefore, it
15 would be easy -- it would be easy for illicit drug trafficking
16 organizations to infiltrate an industry such as a legitimate
17 marijuana industry.

18 Q You use the word tracking to the beneficial owners.
19 Can you explain to the Court the difficulty associated with
20 determining who in fact is the beneficial owner for you to look
21 at their sources of their income for instance.

22 A It's -- it's extremely difficult when it comes down
23 to drug trafficking organizations. They hire professional
24 money launderers. They hire lawyers that specialize in
25 laundering money. They corrupt public officials. They create

1 false invoices. They purchase companies that deal in cash such
2 as casinos, for example, casinos, restaurants, any kind of
3 company that would deal in cash. They have access to, for
4 example, in Columbia the black-market peso exchange. In
5 Venezuela, dollars are precious. Their currency is basically
6 worthless. And so if a -- an example would be, a restaurant
7 owner in Venezuela wants to buy some equipment for his kitchen,
8 and the only way he can do that is with US dollars. He
9 basically has to -- he basically has to violate the law in
10 Venezuela in order to obtain the dollars to use to get that
11 equipment.

12 Q And based upon your experiences over the 37 years,
13 and particularly the money laundering activities that you
14 investigated, how does -- explained to the Court how a
15 nefarious actor, an organized criminal group might use some
16 form of corporation to infiltrate a legitimate business
17 purporting to be an investor or otherwise.

18 MR. SMITH: Objection. Calls for speculation.
19 Incomplete hypothetical.

20 THE COURT: Overruled. You can answer.

21 THE WITNESS: Well, for example, if you went to
22 Panama, and it's almost its entire existence has to do with
23 international banking. And the laws in Panama, for example, if
24 I want to start a corporation in Panama, unless something
25 occurs like what happened in the Panama papers where all the

1 information was hacked and leaked out, but the purpose people
2 go -- the reason people go to Panama, for example, and they
3 legally get a law firm in Panama, for example, to start a
4 company for them. And when they do that, they can even
5 complicate it even further by creating bank accounts in shell
6 companies that -- they exist on paper, but they really don't
7 exist. They really don't do anything.

8 So they create these companies utilizing the laws in
9 Panama where the only person who appears on any of the
10 documentation is the registered agent, and that would be the
11 law firm. And then it would take a real criminal investigation
12 in cooperation with Panamanian authorities to find out who the
13 beneficial owner was of those offshore companies. And even if
14 you did that, you couldn't be sure it's not going to come back
15 to a guy like Chapo Guzman. It's going to come back to
16 probably some legitimate businessman in Mexico, and then you'd
17 have to drill down on that.

18 And to be able to do that when you're talking about
19 investments in a market like has been described here as --
20 which may be the number two business opportunity in the State
21 of Nevada, it is very easy for drug trafficking organizations
22 to infiltrate that industry.

23 Q And is there a way for a company, for instance a
24 United States company, that a person could hide the identity of
25 the beneficial owner by virtue of the way the stock is titled?

1 A Correct.

2 MR. SCHWARZ: Objection. Leading.

3 THE COURT: Overruled.

4 BY MR. DZARNOSKI:

5 Q Can you explain that.

6 A So how would the -- could you repeat that again,
7 please.

8 Q I'll try. For a United States company, is there a
9 way for a person to disguise their identity, hide it from
10 the -- being the titled registered owner?

11 A Yeah. You could create a company in Delaware, for
12 example, if you wanted to, and you would hide the beneficial
13 owner of the corporation. Without some kind of legal process,
14 you can't find out who owns a company that's registered in the
15 State of Delaware.

16 Q Well, somebody acquired stock in a -- and it was to
17 be held in street name of Merrill Lynch, would it -- how
18 difficult would it be in order for somebody to find out who is
19 actually the beneficial owner?

20 A It would depend on the number of layers you put --

21 MR. KOCH: Your Honor, objection.

22 THE COURT: Sustained. This goes into the area which
23 I've indicated he is not going to provide assistance to me.

24 BY MR. DZARNOSKI:

25 Q You mentioned the trust in answer to your question --

1 one of my questions that people could use various forms of
2 entities. One of the ones you said was a trust. Would it be
3 important in a background check or what is the importance in a
4 background check of knowing to whom the trust is distributing
5 money?

6 MR. SCHWARZ: Objection. Compound.

7 THE COURT: Overruled. You can answer.

8 THE WITNESS: Well, yeah, that would -- that would be
9 a -- trying to prove the source of income from the trust, you
10 would have to know who was getting the money out of it. And,
11 you know, very difficult to do that unless you have, you know,
12 subpoena power, grand jury authority or things of that nature.

13 BY MR. DZARNOSKI:

14 Q Okay. In addition to the disbursements, can you
15 explain how important or unimportant it would be to know where
16 the funds originated from or the assets originated from to form
17 the trust?

18 A That's the tricky part. I've been involved in cases
19 where drug traffickers create a trust. The trust is registered
20 in a place like the Cayman Islands or Panama or any number of
21 the islands, you know, any number of countries, Belize. For
22 example, where just trying to drill down on the beneficial
23 owner of the trust it's very difficult if not impossible to do.

24 Q Can you think of any real life -- there was a -- let
25 me preface the question. There was an objection that was

1 overruled that I think it was a hypothetical or something, can
2 you think of a real-life example that you could share with the
3 Court where a Mexican-based organized crime group used or
4 infiltrated or used publicly traded companies for their
5 benefit?

6 A Yes. I gave one example in my report. A business
7 that was supposedly developing properties, building houses and
8 they were publicly traded, and they did just the opposite of
9 what you would expect. They reported income that was false
10 claiming that they had built these homes, sold these homes and
11 that the money was legitimate.

12 When the SEC investigated them, they discovered
13 through satellite imagery that the homes they claimed were
14 built and sold did not exist. So again, property is a very
15 common usage of hiding assets and being able to launder money
16 through properties. In that case, this company was reporting
17 millions of dollars in sales that didn't really happen,
18 millions of dollars in properties that were sold that didn't
19 happen. And they ended up -- I think they were fined something
20 like \$3 billion, if I'm not mistaken, for that. So that's an
21 example.

22 Q All right. In addition to the danger of potential
23 money laundering by an organized crime group of a legitimate
24 marijuana facility be it in Nevada or elsewhere, are there any
25 other benefits that a organized crime group might derive by

1 trying to infiltrate a licensee?

2 A Yes, of course. They could commingle their
3 illegitimate money with legitimate money invested in the
4 industry. Then they would have access -- let's just say they
5 got controlling interest of one of the companies that were
6 started in Nevada. They would have access to the client list
7 of those people who came in to purchase marijuana legally.
8 That would -- and they would also know what -- be able to set
9 prices of their illicit products compared to the licit products
10 that are going through this company. They would have access to
11 the list of people who are purchasing the stuff. They would be
12 able to hire people who were part of their drug cartel, for
13 example, to work in these locations, and they could conduct an
14 easy assessment. Almost any high school --

15 THE COURT: So, Mr. Dzarnoski, I am not on the area I
16 limited this witness to which is background checks.

17 MR. DZARNOSKI: I'm sorry?

18 THE COURT: Background checks. I am happy to listen
19 to any testimony he provides about background checks, okay.

20 MR. DZARNOSKI: Okay.

21 BY MR. DZARNOSKI:

22 Q You have given some testimony as to what you think is
23 required in order to do an effective background check, and as
24 an ultimate opinion, have you formed an opinion as to whether
25 or not it is even feasible for a Nevada agency or any other

1 agency to actually conduct the type of background check that
2 you're talking about on all beneficial owners of a publicly
3 traded company?

4 A I think it would be next to impossible to do that.

5 Q And when you say next to impossible, can you just
6 give very briefly the why you think that that is impossible or
7 next to impossible for somebody to background all beneficial
8 owners of a public company.

9 A In one word it's, anonymity. The beneficial owners
10 of stocks have a high degree of anonymity in both Canada and
11 the United States. They're not transparent as to who really
12 owns stocks. You would have to really drill down, and you
13 would have to have subpoena power. You would have to have
14 [indiscernible] treaties with Canada, for example, in order for
15 someone from the United States to determine the beneficial
16 owner of a stock.

17 MR. DZARNOSKI: May I have one moment to confer with
18 counsel, Your Honor?

19 THE COURT: You may.

20 MR. DZARNOSKI: I have nothing further, Your Honor.

21 THE COURT: Thank you.

22 Mr. Schwarz.

23 MR. SCHWARZ: Thank you, Your Honor.

24 THE COURT: Mr. Dzarnoski is going to wipe down the
25 area for you.

1 MR. DZARNOSKI: Be careful of this you'll hit your
2 head.

3 THE COURT: Thank you.

4 Mr. Schwarz.

5 MR. SCHWARZ: Thank you, Your Honor.

6 CROSS-EXAMINATION

7 BY MR. SCHWARZ:

8 Q Mr. Holifield, I apologize. I jumped right into it
9 when we first started going through your voir dire.

10 My name is Joel Schwarz. I took your deposition in
11 this case if you may recall, and I represent one of the
12 defendants in this case, Lone Mountain Partners.

13 A Nice to meet you, sir.

14 Q With the mask I didn't know if you'd be able to
15 recognize me or remember me from your deposition.

16 A couple of quick follow-up questions pertaining to
17 Mr. Semesky. So you paid Mr. Semesky half of the retainer
18 money that you received in this case; isn't that correct?

19 A Yes, sir, I did.

20 Q Okay. And you considered that to be a fair payment
21 that was commensurate with the amount of work that he did in
22 this matter to assist you that; is that correct?

23 A I did consider it fair, yes, sir.

24 Q Okay. And doing your analysis in formulating your
25 opinions, you relied upon documents that you and Mr. Semesky

1 found by doing Google searches; correct?

2 A Yes, we did, sir.

3 Q Okay. You're not aware of what Canadian publicly
4 traded companies hold an interest in Nevada cannabis licenses;
5 correct?

6 A I'm sorry?

7 Q You're not aware specifically of what Canadian
8 publicly traded companies hold an interest in any licenses in
9 Nevada in the recreational marijuana market?

10 A No, sir, I don't -- I don't know.

11 Q Okay. Do you know whether the Nevada Department of
12 Taxation did any background checks on licensees?

13 A I do not, no.

14 Q Okay. Do you know how someone acquires shares in a
15 publicly traded Canadian cannabis company?

16 A They just buy -- you can buy it on the Internet.

17 Q And you believe that that's possible?

18 A I believe it's possible, yes, sir.

19 Q Okay. Do you have any understanding as to what
20 Nevada statutes provide as to background checks for license --
21 license applicants for recreational cannabis?

22 A No, sir, I don't.

23 Q Okay. And do you have any understanding as to how
24 the background check process works for gaming entities in
25 Nevada?

1 A For gaming industries?

2 Q For the gaming entities in Nevada.

3 A I would imagine they do, sir, yes, sir. I don't know
4 what it is --

5 Q Okay.

6 A -- but I'm sure they would have a process.

7 Q Do you have any understanding as to who has to do the
8 legwork in the background check process in the gaming realm in
9 Nevada?

10 A I have no idea who does it.

11 Q Okay. Is there any reason why the applicant for a
12 privileged license in Nevada couldn't be the entity required to
13 do the legwork on the background checks?

14 A I don't know.

15 Q Okay. Similarly, are you aware that in Nevada for
16 suitability determination it is the applicant that bears the
17 costs of the investigative process?

18 A I don't know that either, sir.

19 Q Okay. Now, in reaching your opinions in this matter,
20 one of the documents that you referenced and relied upon was a
21 report entitled, Behind the corporate veil using corporate
22 entities for illicit purposes; do you recall that document?

23 A Yes.

24 Q Okay. And that was a report published by an entity
25 known as the OECD; correct?

1 A Correct.

2 Q And do you know what OECD stands for?

3 A It's in my notes. I know I can look at it if you'd
4 like me to.

5 Q Okay. What year was report published?

6 A I don't recall.

7 Q Okay. Do you have any reason to disagree that that
8 is a report from 2001?

9 A I'm sorry, sir?

10 Q 2001, is that the copyright date on the report?

11 A If -- yes, sir, that sounds familiar.

12 Q Okay. To your knowledge has there been any update to
13 the OECD report in the last 19 years?

14 A Not that I'm aware of.

15 Q Okay. Is that report, the OECD report that you found
16 one -- is that a document that you found or is that something
17 that Mr. Semesky found?

18 A I think I found it on the Internet and verified it
19 with Mr. Semesky.

20 Q Okay. So you reviewed that OECD report in its
21 entirety before you used it in your analysis; correct?

22 A We both reviewed it. Mr. Semesky --

23 Q Okay. In its entirety?

24 A Yeah.

25 Q Okay. So you're familiar with the entire contents of

1 that document before you referenced and relied upon it in your
2 report?

3 A The entire document?

4 Q Yes.

5 A In general terms I know what I -- it made a point for
6 me so I referenced that point.

7 Q Okay. And you understood based upon your review of
8 that document that the OECD's greater focus in that report was
9 on offshore financial centers; correct?

10 A I don't recall.

11 Q Okay. Do you have that document as one of the
12 documents in front of you?

13 A I think so.

14 Q Okay.

15 THE COURT: Do you want to look at it?

16 Tell us what page number you're on, please.

17 MR. SCHWARZ: It's page 7 of the OECD report. So if
18 you could tells what the Bates number is.

19 THE WITNESS: Do you have the times -- the stamp? Do
20 you have the stamp?

21 THE COURT: He's looking.

22 MR. SCHWARZ: Yeah, he's looking, and I think I
23 should be able to find it as well.

24 (Pause in the proceeding)

25 THE WITNESS: I can't find it. Sorry.

1 THE COURT: Any luck, Mr. Schwarz?

2 MR. SCHWARZ: It is not in those 84 pages of Bates
3 stamped documents. It was referenced in the report.

4 THE COURT: Darn.

5 MR. SCHWARZ: But I have a copy of it if you would
6 like me to --

7 THE COURT: Would you like to approach?

8 MR. SCHWARZ: We have an electronic copy; I don't
9 have a paper copy of it.

10 THE COURT: Okay.

11 Sir, does this -- go back to page 1, please. Does
12 this appear to be the document -- you have a screen on your
13 table as well, sir.

14 UNIDENTIFIED SPEAKER: In front of you, sir.

15 MR. SCHWARZ: Mr. Holifield, you have a screen in
16 front of you that should be displaying the document. There's a
17 screen right there that should be displaying the document.

18 THE COURT: To your right.

19 THE WITNESS: This screen? Oh, okay.

20 THE COURT: Is that the article that you were
21 referring to, sir?

22 THE WITNESS: Yes, ma'am.

23 THE COURT: Okay. Thank you.

24 THE WITNESS: Yes, Your Honor.

25 / / /

1 BY MR. SCHWARZ:

2 Q Can I have you take a look at page 7 of that
3 document. Okay. I'll have you review that. I don't want you
4 to read it, but I'll have you -- out loud, but I'll have you
5 review that to see if that refreshes your recollection as to
6 whether the greater focus of the report was on offshore
7 financial centers.

8 MR. DZARNOSKI: I don't believe he heard you or I
9 didn't if you're asking me, Mr. Schwarz.

10 MR. SCHWARZ: Sorry.

11 THE COURT: He asked him to look at page 7.

12 THE WITNESS: What's your question, sir?

13 BY MR. SCHWARZ:

14 Q Okay. So now having reviewed that document, is it
15 your recollection that the greater focus of this report was on
16 offshore financial centers?

17 A Yes.

18 Q Okay. And also now having reviewed this -- hopefully
19 we can expedite the next question. So you recall now that the
20 report did not pertain to corporate vehicles whose shares were
21 publicly traded or listed on a stock exchange; correct?

22 A Correct.

23 Q Now, Mr. Dzarnoski asked you some questions and you
24 talked about a potential way in which the Nevada cannabis
25 market, the regulated cannabis market in Nevada could be

1 infiltrated through a publicly traded company; correct, that's
2 what you've offered some opinions on?

3 A Yes, sir.

4 Q Okay. What you've described as the way that that
5 could happen is purely hypothetical; isn't that correct?

6 A Hypothetical, yes, sir.

7 Q Right. Now, you talked about an OCG that was
8 involved in an accounting fraud case with a housing company;
9 isn't that correct?

10 A Yes, that's an actual case.

11 Q So that wasn't a publicly traded Canadian cannabis
12 company that was involved in that matter; correct?

13 A No, it wasn't.

14 Q Okay. And it wasn't a Nevada entity in any way;
15 right?

16 A No, it was not.

17 Q Now, the hypothetical scenario about infiltration of
18 a market that you've been discussing, that could apply to any
19 publicly traded company; correct?

20 A It could, yes.

21 Q In any industry?

22 A Yes.

23 Q Okay. You have no knowledge of a specific example of
24 an OCG buying shares of a publicly traded Canadian company of
25 any kind; isn't that correct?

1 A That's correct.

2 Q Okay. And specifically you have no knowledge of a
3 OCG buying shares of a publicly traded Canadian cannabis
4 company; isn't that correct?

5 A Correct.

6 Q Okay. Now, Mr. Dzarnoski asked you about the
7 benefits or the reasons why an OCG might want to target a
8 publicly traded Canadian cannabis company; do you recall that?

9 A (No audible answer.)

10 Q Yes?

11 A Is that a yes or no?

12 Q Do you recall that?

13 A Yes, I do.

14 Q I'm sorry I didn't hear your answer. Okay.

15 And I think you gave three reasons, right.

16 Number one was to launder money. Number two was to control
17 prices on the black market for marijuana, and Number three was
18 to get access to customer lists; correct?

19 A That's right, sir.

20 Q Okay. And you would agree with me that money
21 laundering is an issue for any type of business?

22 A It could be.

23 Q Right. So that's not unique to publicly traded
24 companies; correct?

25 A No.

1 Q Okay. Is it actually more difficult to launder money
2 through publicly traded companies?

3 A I don't think it's more difficult.

4 Q Okay.

5 A It might require a little more thinking and a little
6 more process, but I don't think it's more difficult for drug
7 organizations to do that.

8 Q Okay. How about through a regulated industry,
9 through a business that partakes in a regulated industry, do
10 you think it would be more or less difficult to --

11 A For example --

12 Q -- launder -- through a gaming company, through an
13 entity that has a gaming license in Nevada in particular, do
14 you think it would be more or less difficult to launder money
15 through a Nevada casino that's regulated by the Nevada Gaming
16 Control Board?

17 A I think there would be obstacles, but I think it's
18 definitely possible that organized drug trafficking
19 organizations could launder money through a casino.

20 Q Now, you -- the second issue that you identified was
21 controlling the black market prices. Do you have any knowledge
22 of an instance in which an OCG has taken a controlling share of
23 a marijuana business to control the price of marijuana?

24 A I don't have an example, but it's pretty common. I
25 think it's well-known amongst drug enforcement agents that

1 these kinds of things have happened. I don't have a specific
2 case because I left the DEA before marijuana was legalized
3 anywhere in the United States.

4 Q And you understand that the prices of product that's
5 being sold at the dispensaries here in Nevada, that's public
6 information; you understand that; right?

7 A Yes.

8 Q I don't know if you happened to -- did you pass the
9 new leaf billboard that's just down the street from here on
10 your way to court?

11 A Did I pass by it?

12 Q Yeah, the billboard that's advertising -- I think it
13 was a quarter ounces for \$48 on a billboard.

14 A I didn't notice that, but it wouldn't surprise me.

15 Q Okay. Do you have any knowledge of a specific
16 instance of a drug cartel taking over a regulated marijuana
17 business to have access to customers so that it could sell them
18 other drugs?

19 A I don't have any direct knowledge. I can say that I
20 talked to agents who used to work for me quite a bit, and they
21 are concerned about that. I don't know if they have specific
22 cases because I wouldn't be allowed to ask them that question.

23 Q Now, with respect to the hypothetical scenario of
24 infiltrate in the Nevada regulated marijuana market, you were
25 told when you were tasked with providing opinions in this case

1 that your clients weren't interested in finding out whether
2 it's actually ever happened; isn't that the case?

3 A That's correct.

4 Q Okay.

5 A That was not a requirement. I wouldn't say I was
6 specifically told not to do that, but I would just say that
7 wasn't my understanding of the requirements.

8 Q Right. Do you remember being told specifically we
9 are not looking for an opinion that the above and foregoing has
10 happened?

11 A Yes. I do believe that's in one of my documents
12 here.

13 Q Okay. You would agree with me that the risk of
14 infiltration in the Nevada regulated cannabis market is no
15 different through a publicly traded company than it is through
16 any other type of entity; correct?

17 A Would I agree with what, sir?

18 Q I'll try to simplify that question. If I'm an OCG
19 and I want to infiltrate the Nevada market, I could target any
20 one of the licensees; right?

21 A You could -- I'm sorry, I'm having a hard time
22 hearing you.

23 Q I apologize. I'm talking quickly, and I'm a little
24 away from the microphone. If I'm an OCG and I want to
25 infiltrate the Nevada regulated cannabis market --

1 A Yes.

2 Q -- I could target any one of the licensees; correct?

3 A Correct.

4 Q And do you recall testifying in your deposition that
5 anyone could disguise the beneficial owners if they wanted
6 to --

7 A Correct.

8 Q -- and, but most legitimate companies don't have a
9 reason to?

10 A That's true.

11 Q Do you have any knowledge of a specific license
12 holder in Nevada that is not a legitimate company?

13 A No, I don't.

14 Q So if I'm an OCG and I want to infiltrate
15 specifically the Nevada recreational cannabis market, I could
16 use undue influence or threats of violence on members of an
17 LLC; right?

18 A Yes, you could.

19 Q Right. I could have shell companies that have
20 ownership interest in an LLC or a private corporation; correct?

21 A Yes, you could.

22 Q Okay. And with an LLC or a private company, I could
23 just have a completely off-the-book arrangement that's nowhere
24 in writing; isn't that correct?

25 A An arrangement for what, sir?

1 Q An off-the-book-nowhere-in-writing arrangement.

2 A I still don't understand.

3 Q Sure. I could have an arrangement with somebody
4 who's a member of an LLC or shareholder of a private company
5 that is completely off the books, that's not written down
6 anywhere?

7 A Yes, I suppose you could.

8 Q Would you agree with me that individuals or companies
9 with a history of financial trouble would make prime targets
10 for an OCG seeking to exert undue influence?

11 A I think that might be something they would consider.
12 It could be, but not necessarily how they would go about it.
13 But I guess that would make a company more vulnerable to a
14 takeover or being influenced by a drug trafficking group.

15 Q Okay.

16 MR. SCHWARZ: I will wipe down the lectern, and pass
17 the witness.

18 THE COURT: All right.

19 Mr. Smith, I believe that means we're up to you.

20 CROSS-EXAMINATION

21 BY MR. SMITH:

22 Q Good morning again, Mr. Holifield.

23 A Morning.

24 Q I just have a few follow-up questions, okay.

25 Your work at the DEA focused on international drug

1 trafficking and drug money laundering; correct?

2 A That is correct.

3 Q And in the course of your DEA work you did not
4 specifically investigate securities trading by organized crime
5 groups or drug cartels; correct?

6 A I supervised agents who did work with the SEC on
7 those types of matters, but I specifically did not investigate
8 them, no.

9 Q And even though you work with others and you
10 supervised, over your 24-year career, you cannot point to a
11 single example of an international drug cartel trading a
12 security on an American or Canadian stock exchange; correct?

13 A Not off the top of my head, no, sir.

14 Q I'm sorry, sir?

15 A I don't know of any off the top of my head. No, sir.

16 Q And you're unaware of any instance anywhere in the
17 United States where an organized crime group, cartel or
18 otherwise has tried to infiltrate a marijuana licensee owned by
19 a publicly traded company; correct?

20 A I don't have any personal knowledge of that, no.

21 Q And you also don't have any instances of infiltration
22 actually happening with a marijuana licensee in Nevada owned by
23 a publicly traded company; correct?

24 A I don't.

25 Q Similarly, you don't have any instances in Nevada of

1 infiltration of a privately held marijuana licensee either;
2 correct?

3 A Correct.

4 Q And you don't know which plaintiffs are publicly
5 traded; is that fair?

6 A Yes, that's fair.

7 MR. SMITH: Brian, can you play the two clips from
8 Mr. Nahass, MediFarm's 30(b)(6) witness.

9 (Publishing audio-video recording)

10 Q So Terra Tech Corporation -- what does it do?

11 A We run cannabis facilities. We have a herb division
12 in New Jersey, where we grow traditional herbs in the grocery
13 stores, and our cannabis division, you know, includes
14 California and Nevada, and we're fully vertical in both.

15 Q Okay. And that's a publicly traded company?

16 A Yes, ma'am.

17 Q Is it -- where is it traded?

18 A OTCQX.

19 (End of audio-video recording)

20 (Publishing audio-video recording)

21 Q But Terra Tech was always one of the original owners
22 of MediFarm; is that correct?

23 A Yes.

24 Q As far as you're aware, there were no regulatory
25 issues with having a publicly traded company as one of the

1 owners of your medical marijuana business?

2 A Correct.

3 (End of audio-video recording)

4 BY MR. SMITH:

5 Q So, Mr. Holifield, after seeing that clip, does that
6 inform you that one of the plaintiffs, MediFarm is actually a
7 publicly traded company?

8 A That's what he said.

9 Q And so the concerns you identified would actually
10 apply to MediFarm; is that correct?

11 A I'm sorry?

12 Q The concerns you've identified about the inability or
13 the difficulty conducting a background check into a publicly
14 traded company would apply to MediFarm; correct?

15 A Of course.

16 Q And you testified with Mr. Dzarnoski a little bit
17 about trusts; do you recall that testimony?

18 A A trust, yes.

19 Q But you were not retained to analyze trusts; correct?

20 A No, I wasn't.

21 Q You were retained to look at publicly traded
22 companies; correct?

23 A Yes. Well, to look at them? I'm sorry?

24 Q Examine them as far as background checks and the
25 difficulties associated with it; correct?

1 A Yes.

2 Q And you're unaware of any instance of any trust being
3 infiltrated by an organized crime group that's related to the
4 Nevada recreational marijuana industry; correct?

5 A I haven't investigated any -- I haven't been asked to
6 investigate any company that might -- where that might have
7 happened, so I don't know.

8 Q And as we discussed earlier, you don't know what
9 background checks the Department of Taxation actually conducted
10 in the 2018 Nevada recreational marijuana process; right?

11 A I don't know what they investigated. I saw some
12 regulations, but I'm not sure if they carried them out. I
13 don't know what they did.

14 Q So you don't know what elements, if any of the ones
15 that you described with Mr. Dzarnoski were part of the
16 Department's background check process; correct?

17 A I don't know.

18 Q And again, you didn't conduct any investigation on
19 any of the parties; correct?

20 A No, I didn't.

21 Q So you don't know whether or not any of the owners,
22 officers or board members of the successful applicants should
23 have been disqualified; correct?

24 A I don't know.

25 Q And you don't know what criminal infractions would

1 disqualify somebody under Nevada statutes or regulations;
2 correct?

3 A I read some regulations. I would imagine if you
4 didn't pass those regulations you'd be disqualified, but I
5 don't have any personal knowledge that anyone did that.

6 Q So again, you don't know which specific infractions
7 under the statutes and regulations would cause somebody to be
8 disqualified; correct?

9 A I don't know.

10 Q You don't know?

11 A Only -- I just saw the regulations. I would imagine
12 if you don't qualify based on the regulations, you wouldn't get
13 your license. That's what I would think.

14 Q But my question is simply you don't know what would
15 cause somebody to be disqualified; right?

16 A No, I don't.

17 Q And in the course of preparing your opinions, did you
18 ever read -- you mentioned reading some of the regulations. Do
19 you recall if one of them was NAC 453D.272; does that sound
20 familiar?

21 A It does sound familiar, but I couldn't recite it for
22 you.

23 Q Sure.

24 MR. SMITH: Brian, would you mind putting it up, I
25 think it's Exhibit 1400.

1 And I'm looking at subsection 6.

2 THE CLERK: 1400?

3 MR. SMITH: It's just demonstrative. It's -- yeah,
4 yeah.

5 THE CLERK: Oh.

6 MR. SMITH: It's just the regulation. Thank you
7 though, Dulce.

8 THE CLERK: Thank you.

9 BY MR. SMITH:

10 Q Go ahead and take a second, Mr. Holifield.

11 A Okay. Okay. It's pretty straightforward.

12 Q Pretty straightforward; right. So it seems to
13 indicate, and I'll paraphrase a little bit, that if the
14 Department receives any findings from a report concerning a
15 criminal history of an applicant who's proposed to be an owner,
16 officer or a board member of a proposed marijuana establishment
17 that would disqualify the person, it seems like the Department
18 has to do two things. Do you see where it says, First the
19 Department will provide notice to the applicant. Do you see
20 that, sir?

21 A Yes, sir.

22 Q And then do you see Number 2, Give the applicant an
23 opportunity to revise its application. Do you see that?

24 A I do.

25 Q And then it appears that it says, If after 90 days

1 the application's not revised, the Department may disqualify
2 the application. Do you see that?

3 A Yes.

4 Q So disqualification is not mandatory; correct?

5 A Not mandatory, but, you know, I guess that's a
6 personal decision of whoever makes -- that's something that --
7 for the decision-maker to determine.

8 Q That's right, for the State to determine. And so
9 this regulation seems to indicate that if there's somebody who
10 would have sort of a criminal history that might disqualify
11 them, the applicant is given an opportunity to revise the
12 application; correct?

13 A Correct.

14 Q And you're unaware, because you didn't investigate
15 any specific applicant -- you're unaware of any owner, officer
16 or board member who couldn't have been removed and replaced
17 within that 90 day window; correct?

18 A I'm not aware of anything like that, no.

19 Q And I just want to make sure I sort of get the main
20 thrust of your opinions. The primary point I believe you
21 testified to is that in your opinion it would be easy for
22 organized crime groups like drug cartels to purchase stock in a
23 company to obtain an ownership interest and hide their identity
24 to avoid a background check; correct?

25 A To avoid a background check -- I think they could --

1 they wouldn't be able to avoid a background check; the
2 background check's going to be done. I think the challenge
3 would be, how could you prove the beneficial owner if you were
4 conducting the background check. And how can you prove the
5 source of the funds with so many different layers of money
6 laundering that could be hypothetically put in play.

7 Q And those concerns would apply to a private limited
8 liability company; correct?

9 A Correct.

10 Q It would also apply to even a sole proprietorship;
11 correct?

12 A Yes.

13 Q And even publicly traded gaming companies like those
14 we have in Nevada; correct?

15 A I would think so, yes.

16 Q But you're unaware of the conventional wisdom that
17 the introduction of publicly traded gaming -- or publicly
18 traded companies into the gaming industry was the primary
19 reason that organized crime no longer has an influence in
20 Nevada's gaming industry; you're unaware of that?

21 A Again, I heard that at my deposition. That's the
22 first time I had heard that, and I -- just because somebody
23 says it doesn't mean it's true. I don't know if I agree with
24 that.

25 Q Okay. It's just something you haven't looked into;

1 correct?

2 A Yeah, it's something that would require, you know,
3 study and investigation.

4 Q So your concern boils down to how can the Department
5 trace the source of funds that's being used to purchase
6 ownership interest in these companies; correct?

7 A I'm sorry?

8 Q Sure. Your concerns, your opinions boil down to how
9 can the Department of Taxation trace the source of funds, the
10 money, that's being used to purchase an ownership interest in
11 these companies; correct?

12 A It's very difficult. Yes, that is my concern.

13 Q So it would then, based upon your opinions, it would
14 concern you as a law enforcement officer if some of the
15 plaintiffs have an organizational structure designed to conceal
16 hidden ownership interest; that would concern you; correct?

17 A That would concern me, yes, sir.

18 Q So if, for example, one of the plaintiffs like TGIG
19 has an individual like John Ritter who's tried to mask his
20 ownership interest, that would concern you, wouldn't it?

21 A I don't know about that case. I'm not sure. It --
22 it wouldn't matter who it is. To me, if there's suspicion, it
23 should be investigated.

24 Q So if that is true, that would concern you; right?

25 A Yes. If it is true, it would concern me about

1 anyone.

2 Q And I believe from your report in your 37 years in
3 law enforcement, you have some experience and familiarity with
4 the Controlled Substances Act; is that correct?

5 A Yes.

6 Q Are you aware that recently one of the owners of one
7 of the plaintiffs, Herbal Choice, Roberto Madrigal, was accused
8 of violating that act? Are you familiar with that?

9 A Refused to violate the act?

10 Q Accused of violating that act.

11 A I'm not aware of it. No, sir.

12 Q So you weren't aware that Mr. Madrigal has been
13 accused -- based on one of the concerns you've raised -- of
14 using his legitimate marijuana business to conceal illicit
15 activities; you're not aware of that?

16 A I'm not.

17 Q And you aren't aware that he's been accused of
18 spraying hundreds of pounds of hemp with THC and selling it on
19 the black market?

20 A I'd be happy to investigate that if you want to hire
21 me to do it, but I don't know about it.

22 Q But that's the type of person -- in fact --

23 THE COURT: Mr. Smith.

24 MR. SMITH: Yes?

25 THE COURT: Pull up your mask. Thank you.

JD Reporting, Inc.

1 MR. SMITH: The Smith rule, Your Honor, I apologize.

2 THE COURT: I know.

3 BY MR. SMITH:

4 Q But that's the type of person you would expect a
5 background check to catch and disqualify; correct?

6 A You should -- well, that's the problem. The
7 background check I don't think can catch anybody. To do a
8 background check for someone who's going to be hired by the FBI
9 or DEA takes one year, one year to conduct one background check
10 for one employee. And so I don't see how they can crank these
11 backgrounds out, and given the fact that people are in a hurry
12 to get this done and cover all the basis. And even if they
13 could, it would be difficult if not impossible to source the
14 money. The problem with this whole business -- this whole
15 industry is going to be sourcing the money.

16 Q But that's a problem associated with all industries.
17 I believe you testified that any business could be infiltrated
18 or co-opted by an organized crime group; correct?

19 A It could be, yes.

20 Q And are you aware how much time the Department had to
21 complete the entire application process? Do you know?

22 A I don't know, but I don't think it's a year, and I
23 don't think they have the resources the FBI has to do
24 background investigations. For example, employees would be
25 receiving top-secret clearances. It would surprise me if the

1 State of Nevada had the same resources the FBI has, that's what
2 I'm saying.

3 Q Are you aware the State had 90 days to complete the
4 entire application process? Are you aware?

5 A And that's probably not enough time.

6 Q And are you aware that that 90 day time frame was
7 picked by the voters of this State? Are you aware that?

8 A I think I read it somewhere. Now that you mention
9 it, I do believe I read that, yes. And again, in my humble
10 opinion, 90 days is going to be very difficult to source the
11 income of people who are investigating -- are investing in this
12 industry.

13 Q But you would agree with me the State should conduct
14 whatever background check it can feasibly finish within that 90
15 day window; correct?

16 A I agree to what?

17 Q You would agree with me that the State should at
18 least try to conduct some background check, whatever that form
19 is within the 90 day window selected by the voters; correct?

20 A I believe the State will -- yeah, if they're mandated
21 to do it, they're going to do the best they can. But my
22 personal opinion is it's not enough time to do what I'm
23 suggesting, and that is finding the source of the money of
24 people who are trying to get into this industry. I don't think
25 that's enough time. And that's my -- that's my humble opinion

1 for what it's worth.

2 Q Understood, sir. But you would agree with me that
3 even the background check that you suggested is not foolproof;
4 correct?

5 A I don't think anything is foolproof when it comes to
6 drug trafficking, drug traffickers, anonymity, how they hide
7 their money and what they invest in. It's very difficult.

8 Q One year -- one year might not even be enough; right?

9 A Might not.

10 MR. SMITH: That's all the questions I have, Your
11 Honor. Thank you.

12 THE COURT: Anyone else have questions?

13 Mr. Koch.

14 CROSS-EXAMINATION

15 BY MR. KOCH:

16 Q Just a few follow-ups about the background checks in
17 particular because that's what the Judge was asking about.

18 Would you agree with me, Mr. Holifield, that there
19 are a variety of types of background checks that could be
20 performed?

21 A Yes, there are.

22 Q For example, I could get on the Internet and pay \$20
23 and have somebody send me a public record, look for criminal
24 history, that kind of thing, and if it comes up, I pay the \$20,
25 and I get that; right?

JD Reporting, Inc.

1 A You could, and you'll get what you pay for.

2 Q Right. And that's a lot different than the one year
3 background check that you talked about; right?

4 A Completely different, yes.

5 Q And so there could be that Internet check. There
6 could be something else where fingerprints are taken and sent
7 to the FBI to do a check that way; right?

8 A You could take the fingerprints of the person making
9 the application, but how can you determine he's the beneficial
10 owner of the company.

11 Q Right. You could even -- you could do more. You
12 could go out and interview people. For example, the lawyer
13 next door to me, he's getting put up to the Federal Circuit.
14 FBI agents came out to interview me to find out, making sure he
15 was a suitable candidate. That's a background check that can
16 be completed; right?

17 A Absolutely, yes, sir.

18 Q And so did you expect the State to perform that kind
19 of background check in this case? Do you have any opinion
20 about that, the type of background check?

21 A I -- I would expect them to be doing interviews.
22 Yes, I would.

23 Q All right. And that would include interviews of
24 every applicant; is that what you'd expect?

25 A I would think so. That's what the requirement would

1 be; right?

2 Q Right.

3 A I'm not sure exactly what they're doing, but if I was
4 in charge of that, I would make sure they would at the very
5 least be talking to high school teachers, college professors,
6 next-door neighbors and all the things you're suggesting
7 happen.

8 Q And timingwise, you'd expect that to take at least a
9 year or thereabouts?

10 A I'm sorry?

11 Q Timingwise, you'd expect that to take about a year or
12 so perhaps?

13 A I mean to do it -- to do it correctly, yes, because,
14 you know, it's a --

15 Q Do you know -- go ahead.

16 A It could take a year. I'm not suggesting that they
17 have a year to do that here, but I'm just saying if you want to
18 verify a person is really who they say they are, and they have
19 legitimate money that they're investing and they -- the best
20 way to do that is put people on the ground and talk to people
21 who knew them when they were children, high school, friends and
22 what their reputations were, how -- and you would have to
23 develop that depending on how old they are and where they've
24 worked, and it's a process.

25 Q Let me ask a slightly different question because you

1 talked about potential for someone to set up, say a Delaware
2 company to sort of conceal their involvement. Let's say that
3 happens; they set up a Delaware company. Now you can go and do
4 a background check on the Delaware company and find out who
5 owns it and any more information about that, couldn't you?

6 A I can't find out who owns a Delaware company.

7 Q How it --

8 A I don't know if you can, but I can't.

9 Q Okay. So you'd have no way, once it's a Delaware
10 company, no way of knowing who owns it; is that right?

11 A Not without some kind of legal process.

12 Q Right. There would be a way to do that. It would
13 just take a lot of work; right?

14 A It depends on the circumstances whether or not the
15 State of Delaware would be willing to give it to you, and I
16 think you would have to conduct some sort of legal process.

17 Q Right.

18 A They're not going to give it to a private
19 investigator willingly.

20 Q Right. A private investigator may not get it. There
21 would be a process to do it. It just may be a lot of work?

22 A Could be, yes, sir.

23 Q Okay. And with respect to these background checks,
24 even the year background check, would you agree with me that
25 that year background check would not be foolproof and that

1 there's not a hundred percent certainty that it would catch
2 every criminal element that may be an owner of an applicant; is
3 that right?

4 A I agree with that because you really don't know.
5 You're assuming this person owns the company. You don't know
6 who's behind them or what kind of leverage organized crime
7 might have on that person.

8 Q Right.

9 A So he might come out sparkling clean and be the real
10 deal only to find out later on, some way or another usually
11 through cooperating individuals who reveal this type of
12 information to federal agencies or agents, that that person was
13 just a straw nominee person who was put up there because of his
14 reputation and may not really be the guy reaping the profits or
15 controlling the --

16 Q And I guess that's my question. You could have a,
17 say, a sole proprietor of the company sparkling clean, as you
18 said, but he could have somebody from the cartel living in the
19 casita next to him who's putting the leverage on him saying
20 give me all the money from the business. That person is not an
21 owner of the business, and the background check, if you just
22 ran fingerprints of the sparkling clean owner would not tell
23 you anything about the guy in the casita; right?

24 A That's possible.

25 Q Okay. And so there's a background check that may

1 give you some information, but if somebody puts up enough walls
2 or smokescreens, a background check can only do so much; right?

3 A That's correct.

4 Q What about when the background check is completed?
5 Do you know when the Department was supposed to conduct
6 background checks as far as time?

7 A I think somebody just mentioned 90 days. So I would
8 say from the time they applied to -- they have 90 days to get
9 it done.

10 Q Okay. Do you know if the Department attempted any
11 background checks of any applicants, board members, officers or
12 owners from the time the applications were submitted until the
13 time the conditional license decisions were made?

14 A What was the question?

15 Q Do you know if the Department conducted any
16 background checks of board members, officers or owners of any
17 applicants between the time the applications were submitted and
18 the time the conditional licenses were awarded?

19 A I don't have any personal knowledge of that.

20 Q What about after conditional licenses were awarded?
21 Do you know if the Department had the ability to conduct those
22 background checks after conditional licenses were awarded?

23 A I don't know. It would seem logical to me that if
24 there are allegations against a licensee that the Department or
25 some police agency in the State of Nevada would have the

1 authority to go and investigate that.

2 Q Right.

3 A And if they found something wrong, they would
4 definitely probably have to report that. I would assume that
5 would be in the law. I don't know that for a fact.

6 Q Okay. Very good. And how often would you -- do you
7 have an opinion on how often a background check should be
8 performed for a company that might operate a marijuana
9 establishment in Nevada?

10 A If you go by the U.S. government model on
11 backgrounds, it's every five years. You could put any model
12 out there you wanted to, but, you know, typically we're talking
13 about a government employees, and some have slipped through the
14 cracks. It's widely publicized that there's been some bad
15 actors in the U.S. government.

16 Q Right.

17 A But five years is what the government standard is.

18 Q Okay. And if, for example, a marijuana establishment
19 was being sort of pressured or influenced by a cartel member, a
20 background check was performed, a sparkling clean guy. The
21 cartel member under that scenario could own and operate the
22 company for four years and then give it back to Mr. Sparkling
23 Clean four years later; right, without any ability to pick that
24 up?

25 A I guess anything's possible.

1 Q Right. And if the cartel knew that, let's say on
2 December 31st that's when background checks are going to be
3 completed, they knew they can come in January 1st and buy up
4 the company and not have any problem. That would be a fair
5 statement; right?

6 A Yeah. I'm not sure what kind of red flags the
7 Department of Taxation would be looking for in those kinds of
8 circumstances, but it might be a red flag for them to go and
9 look a little deeper. I'm not sure.

10 Q Right. And you would expect that the Department
11 would have the ability, the authority to investigate if a red
12 flag came up, even if the background check didn't pull up the
13 issue, the Department could investigate that further, wouldn't
14 you?

15 A You would expect them to. But like all -- when
16 you're talking about bureaucracies, what they're expected to do
17 and what they do, sometimes it boils down to reality of what
18 they're capable of doing.

19 Q Right. There's a difference between the ideal and
20 the practical?

21 A Correct.

22 Q What might be done in a real-world scenario; is that
23 right?

24 A Correct.

25 MR. KOCH: Okay. Very good. Thank you.

1 THE COURT: Anybody else wish to inquire?

2 Ms. Levin.

3 MS. LEVIN: A few questions.

4 THE COURT: Yes. Thank you, Mr. Koch for wiping it
5 down.

6 MR. KOCH: You're welcome.

7 CROSS-EXAMINATION

8 BY MS. LEVIN:

9 Q Good morning, Mr. Holifield. Did you know that
10 MediFarm, a client to Mr. Dzarnoski was owned by a publicly
11 traded company when you were retained?

12 A I did not know that, no, ma'am.

13 Q Did he --

14 A Well, I know it now, but I didn't know it when I
15 walked in here this morning.

16 Q Okay. Did you learn that the publicly trading
17 company, which is Terra Corp., that owns MediFarm has thousands
18 of shareholders?

19 A No, I don't know that.

20 Q If those thousands of shareholders were not disclosed
21 on the application for a recreational marijuana license, then
22 you would agree with me that the Department of Taxation could
23 not do any background check on those undisclosed shareholders;
24 correct?

25 A Well, if they didn't know who they were, I don't

JD Reporting, Inc.

1 think they could investigate them.

2 Q I'm sorry. I didn't hear that.

3 A I'm sorry. If they didn't know who they are, I don't
4 know how they could investigate them.

5 Q When you say they, who are you talking about, the
6 D.O.T.?

7 A The thousands of shareholders you just mentioned.

8 Q Excuse me?

9 A I thought you just mentioned there were thousand -- a
10 thousand shareholders in the company.

11 Q Right.

12 A And that the tax -- my understanding of your
13 question, and maybe I'm wrong, your question was would they be
14 obligated to investigate those thousand shareholders. And my
15 answer is if they don't know who they are, they can't
16 investigate them. I'm not sure if they were required to find
17 out who they are. And if so, then I guess they should
18 investigate them, yes.

19 Q Right. So in other words, if MediFarm had not
20 disclosed any of those thousands of shareholders that held an
21 interest in its company, then the Department could not have
22 conducted a background check of those undisclosed shareholders;
23 correct?

24 A I don't see how they could if they don't know who
25 they are.

1 Q Right.

2 A That's my answer.

3 Q And so that would be a concern if a company like
4 MediFarm had not disclosed its thousands of shareholders,
5 according to your opinion; correct?

6 A Well, I don't know about disclosure. If they're
7 required to disclose, then they should have disclosed. I don't
8 know if that's a requirement or not. So if they knew about
9 them and they disclosed them and that's a requirement for the
10 Department of Taxation, then that should have been done. Yes.

11 Q Right. So if they have not -- if they had an
12 obligation to disclose them, and it hadn't been done, then
13 the -- that would concern you; correct?

14 A If they have an obligation to disclose them, then
15 they should disclose them, obviously.

16 Q Right. And I believe you said that as part of your
17 opinion that an investigation would include talking to the
18 owners; right?

19 A It would include what now?

20 Q I believe that you testified that as part of your
21 opinion you believe that to conduct a proper investigation, it
22 would include talking to the owners of a recreational marijuana
23 company?

24 A Talking to them?

25 Q Talking to them.

1 A Yeah, interviewing them?

2 Q Right. Interviewing them.

3 A Yeah, of course.

4 Q Right. So is it your opinion that the Department
5 should have talked to tens of thousands of shareholders of a
6 publicly traded company?

7 A If that's a requirement. I'm not sure if that's a
8 requirement of them, but if you want to find out about
9 beneficial owners, then you have to talk to them. You have to
10 investigate them.

11 Q Right.

12 A I'm not sure if that's a requirement. Like I said in
13 one of my -- one moment here, it's almost impossible to do
14 this, what would be my opinion, what in my opinion should be
15 done.

16 Q Right. And then if you have these publicly traded
17 companies who have thousands of shareholders, their shares
18 trade hands almost daily. Are you aware of that?

19 A Yes.

20 Q Okay. So in other words, is it your opinion that the
21 D.O.T. should talk every day, start over, do a do-over
22 investigation, talk to every new shareholder that could come
23 up, you know, anytime that the shares are changing hands?

24 A No. I think in your hypothetical situation, I
25 believe they would be talking to the people who control the

1 companies, not just every day. Like if I invested a thousand
2 dollars in one of these corporations and I sold it the next
3 day, it would be impossible to do that in my -- it would
4 just -- wouldn't be practical. But if -- if you're the CEO of
5 that company, I should definitely know what you're up to.

6 Q But isn't -- wasn't -- isn't it your opinion that the
7 fear is that there's infiltration from outsiders, others than
8 the owners that are disclosed?

9 A If they get to a position where they can take over
10 the company, I think that would be a red flag.

11 Q Right. And so in other words, if the D.O.T. should
12 have -- if any day that the shares of changing hands, it's your
13 opinion that the D.O.T. should start over the process?

14 A No. I don't think that's my opinion. Because you
15 have to have -- my opinion is not based on daily transfers of
16 stock. I think my opinion is more based on who's controlling
17 the company that's publicly traded in stock. So I don't think
18 it's possible. I mean, I wouldn't -- I wouldn't be able to --
19 my opinion could never be it would boil down to all the little
20 ants who are making the pile. It would be who's on top of that
21 pile and controlling that anthill, if that makes sense to you.

22 Q Sure. And so is it your opinion that then if
23 somebody owns a 1 percent interest in a recreational marijuana
24 company should not have to have a background check?

25 A Unless there's some suspicion as to why, I don't see

1 how you could possibly do that for every -- every shareholder.

2 Q What about a 5 percent interest?

3 A 5 percent, depending on the company. I mean, some
4 people control the company who only own 5 percent of it. You
5 know, so, you know, you have to look at the entire totality of
6 the company.

7 Q What about 3 percent?

8 A Again, if I -- if I own 3 percent and a whole lot of
9 people own less than that and I'm controlling who's on the
10 board, how the company is run, things of that nature, then I
11 think it's a whole different -- so you can't really put a
12 percentage on that.

13 Q So in other words, if MediFarm, a plaintiff in this
14 case who's a client of Mr. Dzarnoski had many shareholders who
15 had a 1 percent interest in the company that were not
16 disclosed, is it your opinion then that they should have been
17 disclosed so that the Department could have conducted a
18 background check?

19 A You know, it's hard for me to give an opinion like
20 that when I don't know anything about that company. I've never
21 been asked to look into that company. So I don't feel
22 comfortable saying my opinion is this or that as it relates to
23 that specific company. I've been talking about in general how
24 drug traffickers can infiltrate companies, take them over and
25 launder their money. That's what I'm concerned about.

JD Reporting, Inc.

1 Q Right. But that concern applies to every company
2 that's publicly traded, including MediFarm; correct?

3 A It could.

4 MS. LEVIN: Okay. Thank you. No further questions.

5 THE COURT: Anyone else wish to inquire before I go
6 back to Mr. Dzarnoski?

7 Mr. Dzarnoski, and you'll have to wipe down because
8 Ms. Levin forgot.

9 REDIRECT EXAMINATION

10 BY MR. DZARNOSKI:

11 Q Mr. Holifield, I just want to ask you one or two
12 questions regarding what Ms. Levin was just asking you. She
13 was asking about whether you had an opinion as to whether or
14 not certain shareholders, based upon a percentage that they
15 owned should be background. Do you recall her asking that?

16 A I thought her question was any shareholder who had
17 any portion -- the way I understood her question was that
18 shouldn't the Department of Taxation investigate every person
19 who has a share in a particular company.

20 Q Right. Now, you did not offer an opinion on that
21 issue and weren't asked to; is that correct?

22 A That's correct.

23 Q And in answering the question, would your answer as
24 to whether or not someone with a 1 percent interest should be
25 background, if the law said all owners should be background,

JD Reporting, Inc.

1 then should all owners be backgrounded?

2 MR. J. SMITH: Objection. Leading.

3 THE COURT: Overruled.

4 THE WITNESS: If that's what the law says, if that's
5 what they're required to do, no matter how impractical, then
6 yes. The answer is yes.

7 BY MR. DZARNOSKI:

8 Q Right. So if you suggest that -- if you were writing
9 the law, you might have written it different; right?

10 A I don't know. I don't actually know what the law is.
11 It's very complicated. You know, this is -- that's why you've
12 got a room full of lawyers in here I think because I don't -- I
13 don't think I could even begin to write the law on this.

14 MR. DZARNOSKI: You got that right, Mr. Holifield.
15 Thank you.

16 THE COURT: Anyone else have questions for
17 Mr. Holifield?

18 (No audible response.)

19 THE COURT: Sir, I have a couple questions. I just
20 want to follow up.

21 So you gave us what I'm going to outline as five
22 things that are important for the background checks to make
23 sure that the people are identified so that they can have their
24 identity established, criminal background checks, civil
25 litigation checks, financial background checks and source of

1 funds; is that correct?

2 THE WITNESS: Source of funding and I believe another
3 element would be to verify through interviews, Your Honor, that
4 this -- the character of this person, and that would be part of
5 determining whether or not they fit the profile of a person who
6 could afford to make that kind of an investment.

7 In other words, their lifestyle and people who know
8 them.

9 THE COURT: So in order to do those things, those
10 investigations you've described for us, it's important from
11 your perspective that the identification of the owners be made?

12 THE WITNESS: Yes, indeed.

13 THE COURT: Okay. Thank you.

14 THE WITNESS: It's very important to make sure you're
15 talking about the right person.

16 THE COURT: Okay.

17 Anybody else?

18 (No audible response.)

19 THE COURT: Thank you, sir. Have a nice day.

20 Counsel, what are we doing Monday morning?

21 That would be you, Mr. Gentile.

22 MR. GENTILE: That'll be me. We are going to start
23 off with Keith Capurro. Mr. Williamson said that he will have
24 him here.

25 Right, Mr. Williamson.

1 And then Jorge Pupo. And I anticipate Mr. Pupo to
2 take at least all day Monday. And then Tuesday morning because
3 of the Court's ruling is the only day that Ron Seigneur can
4 come in to testify. So we're going to have to interrupt
5 Mr. Pupo and put Mr. Seigneur on. He's an expert. I don't
6 think he's going to take any more time. Maybe he might take
7 more time than this expert.

8 Put Mr. Pupo on right after that. I would expect
9 Mr. Pupo to go until Wednesday morning. I'm hoping that Kara
10 Cronkhite might be available Wednesday.

11 Well, I think what I heard from Ms. Levin is that she
12 is expected.

13 THE COURT: We're going to wait on the medical
14 information for her, and then we will discuss it in a
15 confidential manner to make a determination if it needs to be.

16 MR. GENTILE: That will be fine.

17 THE COURT: Okay.

18 MR. GENTILE: I am going to go to my office now and
19 see if Mr. Smith from Reno will be available. He would come on
20 right after Ms. Cronkhite. Then we have Mr. Britten, I'm told
21 by Mr. Prince he will be made available. I don't want to turn
22 around and look at Mr. Prince.

23 And we have a couple more brief depos, Mr. Anderson,
24 and I think -- I forget the other one. But that should take us
25 through the week.

1 THE COURT: Okay.

2 MR. GENTILE: Certainly if Ms. Cronkhite is available
3 we will -- that will be all we're going to be able to get to
4 next week.

5 THE COURT: Well, we'll have to wait and see what her
6 medical condition is.

7 MR. GENTILE: Okay.

8 THE COURT: So the plan is to start with the witness
9 on Monday morning, finish that witness up and then start with
10 Mr. Pupo.

11 MR. GENTILE: That's correct.

12 THE COURT: Do you have an anticipated time, what
13 time you want Mr. Pupo here?

14 MR. GENTILE: I told Ms. Welch 9:30.

15 THE COURT: Okay.

16 MR. GENTILE: I don't know how long Mr. Capurro's
17 going to take. That depends on Mr. Capurro.

18 THE COURT: Okay.

19 MR. GENTILE: But that's the order.

20 THE COURT: And then you're skipping Mr. Pupo for a
21 portion of Tuesday morning?

22 MR. GENTILE: No. Mr. Seigneur will go on Tuesday
23 morning.

24 THE COURT: Right. That's what you're skipping
25 Mr. Pupo.

1 MR. GENTILE: And then Mr. Pupo will come after
2 Mr. Seigneur again.

3 THE COURT: What time on Tuesday, best guess?

4 MR. GENTILE: Wow. I'll be better able to tell you
5 that on Monday because I'm going to be prepping Mr. Seigneur on
6 Saturday.

7 THE COURT: So you're going to let Ms. Welch know so
8 that she can communicate?

9 MR. GENTILE: Yes. Yes. I've already -- we've
10 already had that discussion.

11 THE COURT: All right.

12 MR. GENTILE: But I will say that Mr. Pupo should
13 figure to be here Monday, Tuesday and Wednesday. Not
14 necessarily all day, but certainly all three days.

15 THE COURT: All right. Anything else?

16 MR. GENTILE: You mean with regard to witnesses?

17 THE COURT: Anything else anybody wants to say before
18 I let you go to the Tax Commission meeting?

19 MR. GENTILE: No.

20 THE COURT: Ms. Chattah?

21 MR. GENTILE: Well, somebody, yeah.

22 MS. CHATTAH: So I have just received notice that a
23 letter has been sent to the Tax Commission, and I'd like to
24 just read. It's very short. It's just a few sentences:

25 On behalf of the Nevada Cannabis

1 Compliance Board, I appreciate the
2 opportunity to submit written comments for
3 the record before the July 31st, 2020, Tax
4 Commission hearing.

5 The settlement agreement you are
6 deliberating on today has been reviewed by
7 the CCB. Although the issues at hand predate
8 the CCB, the Board understands the
9 Department's desire to move forward and bring
10 a conclusion to the ongoing litigation.

11 We have reviewed requirements set forth
12 in the agreement, including those that bind
13 the CCB, and are committed to executing those
14 obligations stated therein.

15 Sincerely, Tyler Klimas, Executive
16 Director, Nevada Cannabis Compliance Board.

17 So somebody has delivered this message.

18 THE COURT: So why do I care?

19 MS. CHATTAH: I --

20 THE COURT: Okay.

21 MS. CHATTAH: Because I feel that it needs to be
22 stated in the record --

23 THE COURT: Why?

24 MS. CHATTAH: -- that the Cannabis Compliance Board
25 communicated to the Tax Commission.

JD Reporting, Inc.

1 THE COURT: Why does that need to be part of my
2 record?

3 MS. CHATTAH: Because we were just arguing this
4 today, this morning?

5 THE COURT: It doesn't need to be part of my record.

6 MS. CHATTAH: Okay. Thank you.

7 THE COURT: Okay. Have a nice weekend everyone. See
8 you at 8:30 on Monday.

1 "Q What do you recall his -- what did he discuss with
2 you?

3 "A I recall him discussing with me that he had
4 received phone calls from some of the plaintiffs.

5 "Q Okay. Anything else?

6 "A Anything regarding those phone calls?

7 "Q No. Any other topics that he discussed with you?

8 "A Yes, a phone call that he received from a tax
9 commissioner.

10 "Q Did he identify the tax commissioner?

11 "A George Kelesis.

12 "Q Did he tell you what George wanted?

13 "A He told me what George and the plaintiff wanted.

14 "Q Let's start with George.

15 "A He told me that George Kelesis called him the night
16 before the scores were released.

17 "Q Uh-huh, and said what?

18 "A And asked him if certain people were on the list of
19 approvals.

20 "Q Did he tell you what people he was asking about?

21 "A He did.

22 "Q And who were they?

23 "A He mentioned Rogueage [phonetic], Bixlar, Moran
24 [phonetic].

25 "Q Okay. Do you know what companies those three own?

1 "A I don't.

2 "Q Did he indicate why Mr. Kelesis was concerned about
3 those three individuals?

4 "A I think Mr. Kelesis made a comment to him somewhere
5 in the vein of these Nevada people and Nevada, maybe Nevada
6 Grown. I'm not -- my words right.

7 "Q Paraphrasing?

8 "A Paraphrasing, that's the right word. And Jorge
9 told him that those people were not on the winning list.

10 "Q All right. Do you know why Mr. Pupo would think it
11 appropriate to disclose winners and losers the day before it
12 officially comes out?

13 MR. KOCH: Objection. Speculation.

14 THE COURT: Overruled.

15 MR. BICE: Join.

16 MR. KOCH: And lacks foundation.

17 THE COURT: Overruled.

18 BY MR. DZARNOSKI:

19 "Q That's why I asked him if he knew.

20 "A I don't know.

21 THE COURT: Read.

22 THE WITNESS: That.

23 THE COURT: Okay.

24 BY MR. DZARNOSKI:

25 "Q I asked you, you know, generally your opinion of

1 Mr. Pupo informing someone outside the formal process; do you
2 recall that line of questioning?

3 "A And the objection?

4 "Q Yes.

5 "A Yes.

6 "Q And your response?

7 "A My response is, I don't know what they discussed.

8 "Q Okay. Good enough. Other than what he told you --

9 "A Other than what he told me?

10 "Q Now, there's a text message, I believe. I'm going
11 to refer to it, and it's got an Essence Bates number on it.

12 It's Essence 6790; I believe it's from you to Mr. Pupo dated
13 November 8th, 2018. It says, quote, "Damn, dude --

14 MR. BICE: I'm going to object to this, Your Honor.
15 The document isn't in evidence. If the Court takes a look at
16 the transcript you'll see a lengthy exchange from myself and --

17 THE COURT: It's okay.

18 We can't read from documents that aren't admitted,
19 Mr. Dzarnoski.

20 MR. BICE: Thank you.

21 THE COURT: If at some point they become admitted,
22 you may of course reoffer the testimony.

23 MR. DZARNOSKI: I'm hunting for when the text message
24 ends, Your Honor --

25 THE COURT: Okay.

1 MR. DZARNOSKI: -- but -- or the questioning.

2 Page 170, line 11.

3 BY MR. DZARNOSKI:

4 "Q When you received text messages from Mr. Pupo, did
5 you consider his text message to be the position of the
6 Department of Taxation?

7 MR. KOCH: Objection. Legal conclusion. Also vague
8 as to which messages.

9 MR. BICE: Join.

10 THE COURT: Overruled.

11 MR. DZARNOSKI: Go right ahead.

12 THE WITNESS: I don't know what that meant.

13 BY MR. DZARNOSKI:

14 "Q You don't know what the text message meant, or you
15 didn't know what the question meant?

16 "A I believe that his text message was that he -- if
17 it was presented to him, that he would have approved it. But
18 normally we didn't get -- we wanted to always get the approval;
19 right?

20 "Q Something in written form in addition to the text?

21 "A Yes, I mean, I assume so.

22 "Q All right. Good enough. Did he tell you anything
23 else during that meeting other than what he said George Kelesis
24 was calling about and the other plaintiffs calling him?

25 "A He seemed incredibly frustrated.

1 "Q When you say plaintiffs, do you recall any specific
2 plaintiffs?

3 "A He had named a couple of people that had called
4 him.

5 "Q Okay.

6 "A I don't, you know, I don't remember all the people
7 that called him.

8 "Q Do you remember -- do you have any recollection
9 specifically of who he mentioned?

10 "A I believe he mentioned John Ritter.

11 "Q All right. Anyone else?

12 "A I know he mentioned more.

13 "Q That's the one that sticks out in your mind?

14 "A I don't know why that one sticks out to me, but a
15 number of, I believe, the plaintiffs the messaging was probably
16 similar, and the reason John Ritter sticks out is he had a
17 very, in my opinion, a very good relationship with Jorge.

18 "Q To your knowledge did your companies in any of the
19 eight applications inform the Department of Taxation of any
20 violations that it had committed? I'm trying to ask it in a
21 yes or no fashion, if you know?

22 "A I don't remember the specific question in the
23 application. If the application called for us to do something,
24 then, yes, I believe we did.

25 "Q You just don't recall whether or not that was

1 required; is that what you're telling me?

2 "A I don't recall the actual section in the
3 application and what the wording was, but if the application
4 called for us to disclose certain information, we did not
5 withhold information.

6 "Q Did Mr. Pupo ever discipline your companies for
7 these violations that we discussed today vis-a-vis these
8 letters from Ms. Connor?

9 MR. BICE: Objection to the form of the question.
10 Calls for a -- also calls for a legal conclusion that he had
11 the authority.

12 MR. KOCH: I also object to the extent it's not a
13 public -- there were no public actions taken pursuant to
14 NRS 360.255.

15 THE COURT: Overruled.

16 MR. DZARNOSKI: Go right ahead.

17 THE WITNESS: I don't believe Mr. Pupo inspected our
18 properties.

19 BY MR. DZARNOSKI:

20 "Q Did anyone under his charge, Ms. Cronkhite,
21 Mr. Hernandez, Mr. Tenorio, to your knowledge ever discipline
22 any of your companies for any of these violations we've
23 discussed?

24 MR. KOCH: Same objection.

25 MR. BICE: Join.

JD Reporting, Inc.

1 THE COURT: Overruled.

2 THE WITNESS: I don't recall.

3 BY MR. DZARNOSKI:

4 "Q To the best of your recollection, you don't recall
5 your companies ever being disciplined for any of the violations
6 delineated in these letters from Ms. Connor; is that correct?

7 MR. KOCH: Objection. Vague. Legal conclusion.
8 Also NRS 360.255.

9 MR. BICE: Join.

10 THE COURT: Overruled.

11 THE WITNESS: I don't recall.

12 BY MR. DZARNOSKI:

13 "Q Now, you're the person most knowledgeable when it
14 comes to this line of questioning today. I think that's --
15 this is actually a topic that we're discussing now. Do you not
16 recall ever being -- do you recall whether or not any of your
17 companies were ever disciplined for any of these violations?

18 MR. BICE: I'm going to object to the form of the
19 question as it misstates the Rule of 30(b)(6) using the
20 terminology, quote, person most knowledgeable, end quote. And
21 moreover which topic is it? There may be notes in the file.

22 THE COURT: Overruled.

23 MR. KOCH: I'm going to also object. I think
24 discipline is defined in the regulation statutes. It's vague.

25 MR. BICE: Correct.

1 THE COURT: I overruled.

2 MR. DZARNOSKI: Okay. I'm sorry.

3 MR. DZARNOSKI: You can answer the question.

4 THE WITNESS: I don't recall if we were disciplined
5 for those specific plans of correction, I think --

6 BY MR. DZARNOSKI:

7 "Q Okay. Thank you.

8 Would that include the violations you referred to
9 when you said you self-reported these, the sale of marijuana to
10 minors? Were you ever disciplined for those violations?

11 "A I don't believe so.

12 "Q All right. Good enough. After the meeting I
13 believe to be the fifth meeting in December of 2018 at Firefly,
14 did you have any other meetings with Mr. Pupo?

15 "A No, sir.

16 "Q Do you recall having any conversations with him
17 after the meeting at Firefly?

18 "A I don't recall.

19 "Q Do you know whether or not you listed locations on
20 your applications, physical locations?

21 MR. KOCH: Objection. Vague.

22 MR. BICE: Join.

23 THE COURT: Overruled.

24 THE WITNESS: I believe we listed PO boxes.

1 BY MR. DZARNOSKI:

2 THE WITNESS:

3 MR. SHEVORSKI:

4 MR. RULIS:

5 "Q On all eight applications?

6 "A I believe so.

7 "Q Do you know what -- why did -- why you did not list
8 physical addresses?

9 "A Because we didn't -- from my understanding, we
10 didn't need to.

11 "Q Where did you gain this understanding?

12 "A It may have been LISTSERVE that was sent out to the
13 entire industry.

14 "Q Anything else? Did Mr. Pupo, for example, tell you
15 this, or did anyone else at the Department of Taxation tell you
16 this?

17 "A No.

18 "Q Okay. When did you begin preparing the
19 applications?

20 "A Well, you could say I prepared the applications
21 from day one.

22 "Q How long of a time are we talking? Months? Weeks?

23 "A Definitely months, maybe years, maybe a year, year
24 and a half.

25 "Q All right.

1 "A Since we were open.

2 "Q You saw it coming?

3 "A Well, we had written other applications as well for
4 other jurisdictions prior to this application. So we had been
5 working on our SOPs and -- and our, you know, our operations.

6 "Q And that would include before or after receiving
7 the December 5th notification?

8 "A Not that I recall.

9 "Q Okay. Now, did you have any other employees that
10 had a profit-sharing interest in your companies?

11 MR. BICE: Objection to form. Misstates the prior
12 testimony.

13 THE COURT: Overruled.

14 THE WITNESS: I'm sorry, could you ask the question
15 or read it back?

16 MR. DZARNOSKI: The last question was read back by
17 the reporter as follows:

18 Did you have any other employees that
19 had a profit-sharing interest in your
20 companies?

21 MR. BICE: Ever, Mr. Parker?

22 MR. PARKER: I wasn't asking about ever. I was
23 really asking mainly about your recreational marijuana
24 companies.

25 THE WITNESS: We did have people prior other than

1 Ms. Wilcox who had a bonus compensation in the form of a profit
2 interest tied to employment, but obviously these people were
3 not employed at the time so they didn't -- they weren't
4 entitled to their bonuses.

5 Do you mind if I refer to my note -- to that note?

6 MR. DZARNOSKI: Ms. Stout is now the questioner.

7 BY MR. DZARNOSKI:

8 "Q You absolutely may refer to the note.

9 "A Do you have a copy that I could refer to.

10 It shows here October 16th, 2017.

11 "Q And how did Ms. Abernathy come to be an officer?

12 "A She's a director of finance for the company so she
13 was in charge of all the, you know, she was the, you know,
14 we're an LLC. We don't have big corporate title the same way
15 you may have a chief financial officer or, you know, otherwise.
16 She was the officer of our company in charge of finance.

17 "Q Are the officers for Essence Henderson and Essence
18 Tropicana identified in their organizational documents?

19 "A I'm not sure.

20 "Q Is there a document dated October 16th, 2017, by
21 which Ms. Abernathy became director of finance?

22 "A I don't believe so. I'm sorry, you said director
23 of finance?

24 "Q Is that incorrect?

25 "A Sorry, you can scratch my response. I just want

1 to -- can I rehear the question.

2 "Q It's my understanding that Alicia Abernathy became
3 the director of finance on October 16th, 2017; is that
4 correct?

5 "A Yes, ma'am.

6 "Q Is there a document be it an organizational
7 document, a board resolution, anything like that by which she
8 became the director?

9 "A There may be an offer letter to her.

10 "Q Do you have a recollection of her becoming the
11 director on October 16th?

12 "A Yes.

13 "Q And what is your recollection?

14 "A My recollection is that we were looking for a
15 director of finance, and we interviewed multiple people, and we
16 decided to hire her as director of finance. So when she was
17 hired in that position, I think that's what you're asking.

18 "Q She was the director of finance for Essence
19 Henderson; is that correct?

20 "A She was the director of finance for all entities.

21 "Q When you say, all the entities, can you identify
22 those entities for me?

23 "A Essence Henderson and Essence Tropicana.

24 "Q Okay. And Integral Associates?

25 "A Correct.

1 "Q By Integral Associates I mean Integral Associates
2 LLC?

3 "A Yes. She was responsible for all the financials of
4 the subsidiaries and of Integral.

5 "Q Okay. And Leslie Brousseau, she is the director of
6 human resources; is that correct?

7 "A Yes. Her -- she had a predecessor named Amber.
8 Amber, when she left, we replaced her as the director of human
9 resources with Leslie and have since replaced Leslie with
10 Michelle.

11 "Q You say you replaced Leslie with Michelle. Is
12 Leslie still associated with any of the Integral entities?

13 "A As we sit here today?

14 "Q Correct.

15 "A No.

16 "Q Okay.

17 MR. RULIS: Was that a no?

18 THE COURT: Okay.

19 THE WITNESS: That was a no.

20 BY MR. DZARNOSKI:

21 "Q You identified Anna Cohen as an employee of Essence
22 Henderson and Essence Tropicana; is that correct?

23 "A Yes.

24 "Q When did she become associated with Essence
25 Henderson and Essence Tropicana?

1 "A I don't recall the exact date, but she was an
2 employee that was brought on relatively early. We worked
3 together in gaming prior to.

4 "Q You said she was an employee; is that correct?

5 "A Well, she was -- all of these people were employed
6 by the company.

7 "Q Okay. Is Ms. Cohen also associated with Integral
8 Associates LLC?

9 "A Yes.

10 "Q And what position does she hold for Integral?

11 "A Director of marketing.

12 "Q And did she take on that director of marketing
13 title at the same time for both the Essence entities as well as
14 Integral Associates LLC?

15 "A I guess you could say her -- yes, she was director
16 of all of them at the same time.

17 "Q Okay.

18 "A All of these directors that applied too.

19 "Q Okay. So when they became affiliated with one
20 entity, they became affiliated with all three at the same time?

21 "A Correct. So, for example, Anna is also director of
22 marketing for our cultivation products as well.

23 "Q Okay.

24 "A So it doesn't just even span retail.

25 "Q So for any of the entities associated with the

1 Nevada marijuana entity?

2 "A With Essence, she's in charge of marketing for
3 Essence, which includes Essence Tropicana and Essence
4 Henderson.

5 "Q So would this also be true for Courtney Lynch,
6 Sequoia Turner and Jennifer Wilcox that when they became
7 associated with one of the entities, they were working for all
8 of the Essence entities?

9 "A Yes. Less the retail because that was more of a
10 specified, I mean, retail had -- didn't obviously have anything
11 to do with cultivation, but all the Essence entities, yes.

12 "Q This document is an email dated September 7th,
13 2018, Bates number Essence 6835, and its attachment which is
14 Bates number Essence 6836 to 6837. Have you seen this document
15 before?

16 "A It was sent to me. I assume -- yes, I have.

17 "Q Can you describe this document.

18 "A Would you like me to read it to you?

19 "Q I guess a better question is do you know what the
20 purpose of this document is?

21 "A Can you repeat the question, please.

22 "Q Do you know what the purpose of the document is?

23 "A I assume to establish a record for all directors,
24 officers of our organization and the newest appointment being
25 Courtney Lynch. Maybe adding her to the list of officers since

1 I believe her hire date was some time around September,
2 potentially a little earlier than that.

3 "Q Am I reading the attachment correctly, it's a
4 letter dated September 7th, 2018, from Amanda Connor to
5 Karalin Cronkhite, and it's identifying Alicia Abernathy,
6 Jennifer Wilcox, Anna Cohen, Sequoia Turner and Leslie
7 Brousseau --

8 "A As existing officers?

9 "Q As having been appointed officers in Integral
10 Associates LLC in June of 2018?

11 "A That's what it seems to read.

12 "Q And identifying Courtney Lynch as a new officer as
13 of presumably September of 2018; is that correct?

14 "A Yeah. I don't know if Courtney was in June or if
15 Courtney was in -- do you know what I mean? I think -- but,
16 yes, that's what it seems like establishing the current
17 officers and the new officer.

18 "Q The five original officers having been appointed in
19 June of 2018?

20 "A I'm sorry?

21 "Q The five officers appointed in June of 2018, and
22 then a new officer Courtney Lynch; correct?

23 MR. BICE: I'll object to the form of the question.

24 THE COURT: Overruled.

25 THE WITNESS: Yeah, I don't know that. I don't know

1 that they were appointed. You know, it says appointed as
2 officers. For all intents and purposes, they were officers of
3 those perspective portions of the business. As an LLC, as I
4 said before, we don't necessarily have officers of, you know,
5 we may call them directors, but these are the officers of the
6 business. I attest to that, yes. And it says that they
7 were -- had been appointed as officers, yes.

8 BY MR. DZARNOSKI:

9 "Q And the appointment was in June of 2018?

10 MR. BICE: I'll object to the form of the question.

11 THE COURT: Overruled.

12 BY MR. DZARNOSKI:

13 "Q Is that correct?

14 "A It says here which is the sole member of the listed
15 entities in June of 2018.

16 "Q Turning -- and then based on your earlier
17 testimony, Alicia Abernathy and Sequoia Turner both terminated
18 their relationship with Essence in October of 2018?

19 "A Alicia was no longer employed as of October 28th,
20 2018. Sequoia was no longer employed as of October 8th.

21 "Q I believe earlier you identified two members of an
22 advisory board; is that correct?

23 "A I -- J Dapper and Bert Adams are board members.

24 "Q Are there any other -- were there any other board
25 members at the time that you submitted applications in 2018?

1 "A No.

2 "Q Are there any other board members today?

3 "A GTI has a board.

4 "Q But a board for Essence Henderson or Essence
5 Tropicana?

6 "A No.

7 "Q Do the organizational documents for Essence
8 Henderson provide for an advisory board?

9 "A I don't recall.

10 "Q Do you recall how the decision was made to create
11 an advisory board?

12 A Well, J Dapper is a -- we have partnered with J in
13 other commercial real estate deals, and he has a very solid
14 understanding of real estate in particularly Nevada. And we
15 trust him as it relates to real estate and locations and have
16 done a lot of business with him before. So it made sense for
17 him to be a part of our advisory board.

18 And Bert Adams is one of the owners of Cannabiotix,
19 and we were their largest customer since day one. So we added
20 Bert Adams on the board as he being our largest vendor, and we
21 being his largest customer, and hoping that if we were
22 fortunate enough to be awarded additional licenses, that we
23 would want to have his product on the shelves of those new
24 locations.

25 "Q What I'm providing you is excerpts of the two

1 marijuana applications that Essence submitted. Essence 1
2 through 22 and then 3106 through 3199.

3 "A Is there a specific -- sorry, where am I looking?
4 Sorry, Kelly.

5 "Q Look maybe about 10 pages in.

6 "A Okay.

7 "Q I believe it includes several attachment A's.

8 MR. BICE: I'm going to object to this, Your Honor,
9 because I don't know -- what exhibit is this being quoted from?

10 THE COURT: Do you know what Proposed Exhibit it is,
11 Mr. Dzarnoski?

12 MR. DZARNOSKI: As I stand here right now all I know
13 is it's the Attachment A's of the Essence application.

14 THE COURT: Well, we have a Bates number so can we
15 cross-reference the Bates number that we have with the proposed
16 exhibits to try and identify it to answering Mr. Bice's
17 question.

18 MR. DZARNOSKI: I -- no, IT person.

19 THE COURT: Would you like --

20 UNIDENTIFIED SPEAKER: I can do that, Your Honor, if
21 you give me one moment, please.

22 THE COURT: Okay. I will take a short recess so
23 nobody feels like we are watching them do that search.

24 UNIDENTIFIED SPEAKER: You can watch if you want.

25 THE COURT: Well, I am going to watch because I'm not

1 going to move, but we'll go off the record for a minute.

2 (Pause in the proceedings.)

3 THE COURT: If we could continue, Mr. Hunt. Let's
4 try to not read anymore punctuation, Mr. Hunt.

5 MR. HUNT: Okay.

6 THE COURT: Keep going.

7 MR. DZARNOSKI: Your Honor, The Bates-stamped numbers
8 that were identified Essence 1 through 22, and Essence 3106
9 through 3199, are part of the proposed Exhibit 1615, which is
10 the -- about 3000 pages of an application for Essence.

11 We're going to break out these particular portions,
12 Essence 1 through 22, to proposed Exhibit 2145, which would be
13 next in order, and pages 3106 through 3199 into Exhibit 2146,
14 which would be next in order, so we can make them shorter.

15 THE COURT: Any objection?

16 MR. BICE: Well, now -- I mean, now, I'm confused.

17 THE COURT: Me, too.

18 MR. BICE: I thought we were just reading this in.

19 MR. DZARNOSKI: Well, I -- I can do that. I just
20 want -- wanted to removed this stuff to a smaller location.

21 MR. BICE: Well, I'm going to object to that. I
22 mean, you don't really have any foundation for that.

23 I thought you were just reading --

24 THE COURT: So you're going to object to the
25 admission of the document?

1 MR. BICE: Yeah.

2 MR. DZARNOSKI: Okay. Then I'll --

3 THE COURT: The objection is sustained. There's no
4 foundation.

5 MR. DZARNOSKI: I will read.

6 MR. BICE: Thank you.

7 THE COURT: Okay, let's keep going.

8 MR. DZARNOSKI: We're at Page 224, line 20.

9 BY MR. DZARNOSKI:

10 "Q I'm providing you is excerpts of the two marijuana
11 applications that Essence submitted; Essence 00001 through 22,
12 and then 3106 through 3199.

13 "A Is there a specific -- sorry. Where am I looking?
14 Sorry, Kelly.

15 "Q Look maybe 10 pages in.

16 "A Okay.

17 "Q I believe it includes several Attachment As.

18 "A 4300 East Sunset Road. Okay, this page, you're
19 referring to?

20 "Q Yeah. I think you're looking at the applicant
21 information. I think that what -- I think Attachment A is what
22 identifies --

23 MR. BICE: Do you have a Bates number?

24 THE WITNESS: I'm on Attachment A right now.

25 MS. STOUT: Essence 000011.

1 MR. BICE: 11?

2 THE WITNESS: It says 5130 South Fort Apache Road,
3 Suite 215-148. Is that what you're looking at?

4 BY MR. DZARNOSKI:

5 "Q Yes.

6 "A Okay, I see that.

7 "Q And then, if you turn to page -- or turn to 14.

8 "A 14 as in page?

9 "Q Sorry. Looking at the Bates number, Essence 14.

10 "A Okay.

11 "Q It identifies 6462 Losee Road, Suite 110-33.

12 THE COURT: We lost the feed again.

13 MR. DZARNOSKI: We're at page 225, line -- I will
14 repeat the question. Line 21.

15 BY MR. DZARNOSKI:

16 "Q It identifies 6462 Losee Road, Suite 110-33?

17 "A Correct. That's what it says here.

18 "Q Was that also one of the locations for which you
19 applied?

20 "A Looks like it. Is this from my application?

21 "Q That's my understanding.

22 "A Okay.

23 "Q These are the documents that Essence produced as
24 its application.

25 "A Okay.

1 "Q I believe Mr. Bice will agree that this is the
2 application that you produced.

3 MR. BICE: I believe those are the Bates range.

4 THE WITNESS: Okay.

5 BY MR. DZARNOSKI:

6 "Q Then turning also to Essence 000017.

7 "A Okay.

8 "Q 1285 Baring Boulevard, number 803.

9 "A Okay.

10 "Q Then, also, Essence 000020.

11 "A Okay.

12 "Q 1894 East William Street, Suite 4, number 34.

13 "A I see that.

14 "Q And those are the four locations that you
15 identified on your application; correct?

16 "A Correct.

17 "Q Okay. And are three of those UPS stores?

18 "A I believe, they may be. I don't -- I don't recall.

19 "Q I believe three of them are UPS stores, and one of
20 them is Mailing & More. Does that sound correct to you?

21 "A It's possible.

22 "Q Are any of these locations, locations at which you
23 anticipated opening a marijuana dispensary?

24 "A I don't -- I don't know. I don't believe so.

25 "Q Is that why the change of location request was

1 necessary?

2 "A We found -- we have a location that we wanted to
3 change the location to.

4 "Q Am I correct that you applied to change from 5130
5 South Fort Apache Road, and you sought to change it to 5764
6 West Tropicana Avenue?

7 "A 5765.

8 "Q 65?

9 MR. DZARNOSKI: Transcript indicates, nods head.

10 BY MR. DZARNOSKI:

11 "Q Okay. Did you also apply to change it to
12 7260 South Rainbow Boulevard?

13 "A That's yes.

14 "Q Have either of those location changes been
15 approved?

16 "A I think we're waiting on approval. I'm not sure if
17 they were approved, but I could tell you that the Rainbow
18 store, we're waiting for our inspection from the State.

19 "Q And am I correct that the application on West
20 Sahara that you changed, that you filed an application to
21 change it to 2307 South Las Vegas Boulevard?

22 "A That's possible.

23 "Q And that you also have applied to change
24 516 Eastern Avenue in Reno to 2930 South Virginia Street?

25 "A I believe we applied for that.

1 "Q And am I correct that the location change has been
2 approved?

3 "A I don't believe we're going with that location.

4 "Q Have you chosen a different location?

5 "A We're discussing opportunities.

6 "Q So you -- I'm correct that you applied -- you
7 submitted the four applications for Essence Tropicana, and four
8 applications for Essence Henderson in 2018? That's correct,
9 for a total of eight applications between the two entities?

10 "A Yes.

11 "Q And all eight of the -- and all eight of those
12 locations were either a UPS store or another mailbox-type
13 store?

14 "A Whatever the application read. I don't remember
15 the exact addresses, but if you say that's what there, then I
16 believe that's what's there.

17 "Q Do you recall choosing actual physical locations
18 for these dispensaries prior to submitting the applications in
19 2018?

20 "A It was my understanding that we didn't have to have
21 those specific locations before the application.

22 "Q And I appreciate that, but that wasn't my question.

23 MR. BICE: What was the --

24 BY MR. DZARNOSKI:

25 "Q I'm not asking you whether or not it was required.

1 I'm asking you whether or not you had chosen specific locations
2 to open the dispensary when you submitted your applications in
3 2018.

4 "A We had locations identified.

5 "Q And were those --

6 "A We had locations that we were interested in.

7 "Q And were those the addresses listed on your
8 application?

9 "A No.

10 BY MR. DZARNOSKI:

11 "Q Let's go back to Exhibit 128. Is that -- and
12 that's the September 14th letter?

13 "A It's dated September 7th.

14 MR. BICE: I think you got the wrong exhibit, Max.

15 MR. FETAZ: This is the right one. That's the one I
16 want for right now.

17 BY MR. DZARNOSKI:

18 "Q So I'm trying to clarify the testimony that you
19 gave earlier. When I'm looking at that document, it appears to
20 indicate that the officers listed were appointed officers as of
21 June 2018; is that your testimony?

22 "A Maybe they were given the title of -- seems like
23 June 2018. That's what this says.

24 "Q Do you know why those four individuals were
25 appointed as officers in June 2018?

1 "A There are six individuals on here total. Do you
2 want me to look at it?

3 "Q Let's go with the first five. That's what I'm
4 speaking about, the ones appointed in June of 2018.

5 "A Can you repeat the question, Max?

6 "Q Do you know why those individuals were appointed as
7 officers in June of 2018?

8 MR. BICE: Objection to the form.

9 THE COURT: Overruled.

10 THE WITNESS: I'm not sure why in June of 2018 they
11 were named officers, but I can tell you that as of those
12 business silos, they were the officers of those business silos
13 even before June of 2018.

14 BY MR. DZARNOSKI:

15 "Q Do you have any documents showing that those
16 individuals were appointed as officers prior to June of 2018?

17 "A I'm not sure if we're arguing semantics right now,
18 but the Director of Finance -- Finance was, for all intents and
19 purposes, the Officer of Finance. Anne Cohen -- Anna Cohen was
20 the Director of Marketing, which was in charge of all the
21 marketing, which we were a big company, she might be the Chief
22 Marketing Officer of the company. So for all intents and
23 purposes, as it relates to their responsibilities, they were in
24 charge of those specific functions.

25 "Q So if it's your testimony that they were officers

1 prior to June of 2018 -- is that your testimony?

2 MR. BICE: Objection to form; calls for a legal
3 conclusion.

4 THE COURT: Overruled.

5 THE WITNESS: My testimony is that they wouldn't --
6 they would have acted as the officers of those departments in
7 the capacity of their day-to-day job duties.

8 BY MR. DZARNOSKI:

9 "Q So if they were -- if they were -- strike that. If
10 they held those positions prior to June of 2018, do you know
11 why the Department was informed on September 7th, 2018 that
12 those individuals were officers of Integral?

13 "A I don't know why on September.

14 "Q Who would have made the decision to inform the
15 Department that those individuals were officers in June of --
16 excuse me, on September 7th of 2018?

17 "A I don't recall the conversation surrounding this
18 letter.

19 "Q Do you recall being involved in the conversation
20 surrounding this letter?

21 "A It's entirely possible.

22 "Q Would you typically be involved in conversations
23 involving the notice to the Department of officers of the
24 company?

25 "A You say typically, means this is a typical. I

1 don't know. I'm involved in certain notices to the Department.
2 I'm involved in certain aspects of the business as it relates
3 to notifying the Department. I don't know that I could
4 classify this specific notice as one typical notice that I
5 would be a part of. I don't know what would constitute a
6 typical notice.

7 "Q Well, you testified that it's entirely possible
8 that you were involved. So why do you believe that it's
9 impossible that you were involved?

10 "A I didn't say it was impossible that I was involved.

11 "Q No, you said it's entirely possible. Why do you
12 think it's entirely possible that you were involved?

13 "A Because I work for the company.

14 "Q Do you make decisions on informing the Department
15 on who are officers of the company?

16 "A Possibly.

17 "Q Why was the Advisory Board created that included J.
18 Dapper and Bert Adams?

19 MR. BICE: Objection, asked and answered.

20 THE COURT: Overruled.

21 THE WITNESS: Do I answer --

22 THE COURT: Yes.

23 THE WITNESS: -- the question again?

24 MR. BICE: Answer the question again.

25 THE WITNESS: J. Dapper is somebody who has a lot of

1 experience as it relates to commercial real estate that we know
2 and trust, "we" meaning the company. And we -- sorry, did
3 you -- see, I'm learning. And "we" meaning myself, outside, as
4 it relates to investing in some of J. Dapper's projects. And
5 we believed that he would help from an advisory perspective on
6 real estate.

7 Bert Adams owned Cannabiotix, which we -- which we're
8 the largest customer of, and we were their largest client. And
9 we wanted to have them on our Advisory Board, also in hopes
10 that if we had new dispensaries we were awarded, we wanted to
11 secure that product for our locations as well.

12 BY MR. DZARNOSKI:

13 "Q I guess that answers the question of why you chose
14 J. Dapper and Bert Adams. But my question was more focused on
15 why was an Advisory Board created in the first place.

16 "A Why was an Advisory Board created in the first
17 place? Can I tell you that the Advisory Board was created
18 because -- and I can tell you that in other applications we
19 have written, in every other application, we've had an Advisory
20 Board for a number of reasons, whether it's product related,
21 whether it's community related, whether it's location, or real
22 estate related.

23 There are many different reasons why you have an
24 Advisory Board. But I'm only speaking specifically to why J.
25 Dapper and Bert Adams were appointed to the Advisory Board.

1 Just so you know, for the record, J. is spelled just the letter
2 J, I believe. It's not J-a-y.

3 "Q Do you know why you put some information regarding
4 Integral's operations in writing to the Department, while other
5 times, you simply spoke with Jorge Pupo without any written
6 information?

7 MR. BICE: Objection to the form.

8 THE COURT: Overruled.

9 THE WITNESS: A lot of my conversations with Jorge
10 were to give him a heads-up, as opposed to being obligated
11 to -- or having something substantive enough to report via
12 written documentation.

13 BY MR. DZARNOSKI:

14 "Q Well, turning back to Exhibit 128, that information
15 you're saying was already apparent within Integral's records.
16 So why was that information put in writing to the Department,
17 as opposed to other information that you would communicate to
18 Jorge Pupo that was not put in writing?

19 "A I can't answer as to why the specific document was
20 put into writing. I can tell you that when I had conversations
21 with Jorge Pupo, they were mostly related to potential
22 acquisitions and to give him a heads-up, not even when they
23 were finalized; in the early stages."

24 (Reading of deposition ends.)

25 MR. DZARNOSKI: That blessedly completes the reading

1 of the deposition.

2 THE COURT: Oh, my gosh. Please. Were there any
3 additional portions of the deposition that anyone would like
4 read, Mr. Bice?

5 MR. BICE: No, but the last answer was -- should have
6 been "in the very early stages." The word "very" was omitted.

7 THE COURT: Mr. Hunt, read it again.

8 MR. HUNT: Okay.

9 THE WITNESS: I can't -- I can't answer as to why
10 this specific document was put into writing. I can tell you
11 that when I had conversations with Jorge Pupo, they were mostly
12 related to potential acquisitions and giving him a heads-up,
13 not even when they were formalized; in very early stages.

14 (Reading of deposition ends.)

15 THE COURT: Okay.

16 UNIDENTIFIED SPEAKER: Finalized, not formalized.

17 MR. DZARNOSKI: Oh, man.

18 MR. HUNT: It says, finalized.

19 UNIDENTIFIED SPEAKER: You said, formalized.

20 THE COURT: Okay, "finalized," and, "in the very
21 early stages."

22 So that ends the deposition reading for today. Does
23 anyone have any additional depositions or witnesses that you
24 would like to use today? It's 2:35. I have another two hours,
25 but if we don't, I understand.

JD Reporting, Inc.

1 What is the plan for tomorrow after the motions? I
2 understand, Mr. Gentile, you have a witness that may be coming,
3 an expert?

4 MR. DZARNOSKI: We have confirmed -- Mr. Gentile, do
5 you want to --

6 MR. GENTILE: No, go right ahead, Mark.

7 MR. DZARNOSKI: I have confirmed that Mr. Larry
8 Holifield, one of our experts, did arrive in -- at McCarran.
9 He has checked in and will be here to testify tomorrow morning
10 after the hearing on the motions.

11 THE COURT: Okay. And you think he's a couple hours?

12 MR. DZARNOSKI: I am estimating, Your Honor, one and
13 a half, maybe two hours.

14 THE COURT: On direct?

15 MR. DZARNOSKI: On direct.

16 THE COURT: Okay. If we finish him before the noon
17 break, do we have a backup plan?

18 MR. GENTILE: No, we don't have another witness.

19 THE COURT: Okay.

20 MR. GENTILE: Monday -- next week should be full, no
21 problem.

22 MR. BICE: Hold on, I couldn't hear. Sorry. I'm
23 going to come up here by (inaudible).

24 THE COURT: Next week should be full, no problem,
25 Judge.

1 MR. BICE: Oh, I thought -- I thought he was --

2 THE COURT: That's what he said.

3 MR. BICE: I see.

4 THE COURT: He didn't leave the "Judge" part on, but,
5 you know.

6 MR. WILLIAMSON: What is the plan for next week? We
7 got an e-mail yesterday about Thursday, August 6th, but between
8 today and Thursday, August 6th is a big question mark in my
9 mind.

10 THE COURT: Thank you for wiping down the station,
11 Mr. Dzarnoski. That means Mr. Gentile is up.

12 (Pause in the proceedings)

13 THE COURT: So we are in recess. You guys can keep
14 talking all you want.

15 (Proceedings recessed for the day at 2:36 p.m.)

3 THE COURT: Ms. Welch, it's your motion.

4 MS. WELCH: Good morning.

5 THE COURT: For the record, there was not an in
6 camera review of the doctor's note. It was given to the Court.
7 It was reviewed, provided to other counsels' review if they
8 wanted and sealed because it included personal information.

9 MS. WELCH: I'm sorry. Say it again. It was
10 reviewed.

11 THE COURT: Provided to other counsel if they wanted
12 to review it. Remember, we were in the courtroom.

13 MS. WELCH: Yes.

14 THE COURT: And then after that I sealed it because
15 it included private medical information. I did not review it
16 in camera.

17 MS. WELCH: Oh, okay. Thank you for that correction.
18 And just, you know, I know you've considered the motion, we've
19 discussed this before, but I'd just like to make a record and
20 provide you the background for why I'm back here before you
21 today, to just remind the Court that Mr. Pupo is a vulnerable
22 individual during this pandemic.

23 And the recommendations that came out of the
24 Governor's COVID Task Force and the Chief Judge and the Nevada
25 Supreme Court in their administrative order that highly

JD Reporting, Inc.

1 encourages judges to permit witnesses to appear by alternative
2 means if they are vulnerable individuals.

3 The Court previously denied that request, but it was
4 resurrected when I learned over the weekend that plaintiffs
5 were going to file their motion to have witnesses testify by
6 remote means through Zoom and that it would, quote, cover,
7 Mr. Pupo.

8 Sure enough, Qualcan filed their motion. TGIG filed
9 a joinder and supplement to that that had a specific line in
10 there withdrawing any objection to Mr. Pupo testifying by
11 remote means and also doing a good job of outlining the
12 authorities that support permitting remote testimony under
13 these circumstances.

14 We filed a joinder, also, along with others, and the
15 Court set that for a hearing on Friday. I know Mr. Gentile
16 agrees with me that Mr. Pupo should be permitted to testify via
17 Zoom if that's the Court's ruling tomorrow.

18 Unfortunately, he kind of became a pawn, frankly, by
19 both sides, the timing of his testimony, and that resulted in
20 an email to me late on Tuesday demanding he appear on Wednesday
21 at 8:30. I objected to that. It was changed to Thursday. I
22 reminded plaintiffs that my understanding was we would wait to
23 call him until after the Court had a chance to consider
24 Qualcan's motion and the other joinders.

25 THE COURT: Pull your mask back up.

JD Reporting, Inc.

1 MS. WELCH: Thank you. I know, they're so annoying.

2 THE COURT: I know. It happens to everybody up
3 there.

4 MS. WELCH: So, you know, the purpose of the motion
5 is very simple today, just to delay any requirement for
6 Mr. Pupo to appear in person to testify until the Court has a
7 chance to consider and rule on tomorrow's motion and joinders.

8 THE COURT: So let me talk to you about the technical
9 issues. You weren't here for the painfulness that occurred
10 over the last two days of video depositions, which are not part
11 of the Court's JAVS system being played and displayed and the
12 lack of technology that supports that for purposes of my
13 record.

14 MS. WELCH: I was here for the video depositions --

15 THE COURT: For part of it.

16 MS. WELCH: -- but I'm not aware of those technical
17 problems.

18 THE COURT: Part of it.

19 MS. WELCH: Uh-huh.

20 THE COURT: So if somebody wants to appear by Zoom,
21 it's going to be the same problems that we have experienced
22 with the transcript of the depo, but we won't have a transcript
23 to give to the transcribers. The transcribers were able to
24 transcribe the video depositions because they had a transcript.

25 MS. WELCH: Understood.

1 THE COURT: If I have people who want to testify by
2 Zoom -- and I understand there may be circumstances I allow it.
3 There may be. Mr. Pupo's doctor note was not enough to get me
4 there. But I'm going to have trouble from a record purpose
5 since it is not like the RJC where the video is part of my
6 BlueJeans. So that's my concern.

7 MS. WELCH: Well, I'll represent to you, without, you
8 know, exposing all of his medical history, that his conditions
9 are similar and even more severe than those contained in the
10 declarations attached to the TGIG joinder.

11 THE COURT: I didn't agree to let the plaintiffs'
12 experts testify by Zoom. That's tomorrow or Friday.

13 MS. WELCH: That's tomorrow.

14 THE COURT: Yeah.

15 MS. WELCH: And that's my point --

16 THE COURT: I understand.

17 MS. WELCH: -- is we'd like to delay his appearance
18 until the Court rules on that motion and the joinders tomorrow.

19 THE COURT: Okay.

20 MS. WELCH: Because I'd hate to be standing here
21 tomorrow and have the Court determine that certain individuals
22 are worthy of the protection, and meanwhile Mr. Pupo hasn't
23 been afforded that same protection because the Court hasn't had
24 a chance to rule on that motion yet.

25 THE COURT: Well, and one of the other issues has to

1 do with air travel, but that's a different issue. Mr. Pupo
2 lives here.

3 Anything else?

4 MS. WELCH: Well, that's true, but it's all about
5 protecting vulnerable individuals.

6 THE COURT: Uh-huh. I know. I understand. Believe
7 me, I'm trying to balance it all and make a record.

8 MS. WELCH: I understand, and it's difficult. It's
9 difficult. And I know that we're here, and the Court has taken
10 extraordinary measures, but those are meant to kind of protect
11 those of us that are of normal sensitivities. And those that
12 have more vulnerabilities than the rest of us, you know, the
13 Court's administrative order, the governor's task force, they
14 all agree and recommend that they take heightened measures to
15 appear remotely to protect them.

16 THE COURT: I understand.

17 MS. WELCH: So with that, Judge, I'll submit it --

18 THE COURT: Okay.

19 MS. WELCH: -- and give Mr. Gentile a chance.

20 Am I wiping?

21 THE COURT: Wipe it down. I bought new wipes
22 yesterday or the day before. So they're there to wipe it down.

23 MS. WELCH: Thank you.

24 MR. GENTILE: Good morning, Your Honor.

25 THE COURT: Good morning, Mr. Gentile.

JD Reporting, Inc.

1 MR. GENTILE: Let me get to the conclusion first and
2 then I'll tell you how I got there. It seems to me that if you
3 rule that you will entertain remote testimony via video
4 tomorrow with regard to, in my opinion, anybody that has a
5 medical reason, then it would, in my opinion, be wrong to
6 deprive Mr. Pupo of that if his medical condition is such that
7 he would qualify for it. But we don't know --

8 THE COURT: That's not what his doctor's note said,
9 Mr. Gentile. His doctor's note only said to avoid high COVID
10 exposure situations. We are not a high COVID exposure
11 situation in this socially distanced, masked room.

12 MR. GENTILE: All right. Well, if that's -- let me
13 say this. Right now the order stands that he has to be here.
14 I gave notice a couple of days ago that he had to be here. I
15 gave notice last Saturday to everybody that he was on the
16 witness list and then another -- a lawyer for another firm
17 basically sent out an email that struck Mr. Pupo to everybody.
18 I then sent two emails to that lawyer, but not to everybody,
19 raising that issue because I had a feeling that if Mr. Pupo
20 didn't testify -- this is before we knew Kara Cronkhite wasn't
21 going to be testifying -- I had a feeling that we would be
22 short of witnesses, okay. There was never any response to
23 either one of those two emails, and nothing was done to correct
24 the situation. And so I understand the intervenors' position
25 that he was on the list, but then he was taken off the list.

1 If we do not have him here today I will be not able
2 to go past these depositions. I don't have another witness.
3 So from a standpoint of protecting my record and my client, I
4 have to insist upon him being here today. But I will tell you
5 that I am doing that for the purpose of protecting the record
6 and my client.

7 THE COURT: Okay. So here's the email from my IT
8 guy. Not my IT guy, I'm sorry, the assistant court
9 administrator for IT. So he's pretty far up in the
10 organizational chart.

11 They could present to the TV, like we did yesterday,
12 and the camera would record it. That camera that's right in
13 front of you because we can move the TV so that will get picked
14 up on the camera.

15 The sound will be an issue. We all know the image is
16 not what's part of our record. It's the sound that's part of
17 our record. So while we can pick up the image on the TV for
18 Zoom, there's no guarantee, no even confidence level that the
19 sound will be accurately picked up, and that is my concern with
20 Zoom.

21 I address it to you now because I'm not going to make
22 Mr. Pupo come until after I've ruled on the motion. He may
23 have to drive over here Friday morning, but that's a different
24 issue, but I won't make him come until I've ruled on the Zoom
25 motion.

1 But I have concerns, as anyone appearing by Zoom,
2 because of the sound issue because I am in a makeshift
3 courtroom at the Convention Center that does not allow my video
4 to be directly piped into BlueJeans because of what we had to
5 do to manage to get here in a socially distant, safe
6 environment for our participants. So while I understand all of
7 the concerns about Zoom, I have a problem from a record
8 standpoint.

9 MR. GENTILE: I can appreciate that.

10 THE COURT: Okay. So --

11 MR. GENTILE: Now, let me raise on other issue
12 because I need to get some clarity. I was told last night that
13 you have decided that we are going to go until noon tomorrow.

14 THE COURT: That is correct. I'm going to recess at
15 noon so anyone who was interested in participating at the Tax
16 Commission hearing may.

17 MR. GENTILE: Okay. I will tell you that we have an
18 out-of-state witness who is flying in today who will probably
19 take up the whole morning tomorrow. So it wouldn't --

20 THE COURT: That's what Mr. Miller told me.

21 MR. GENTILE: If you do rule tomorrow, I think -- and
22 if you do rule that he has to be here live, I doubt very much
23 we're going to get much done with Mr. Pupo, but I wanted to let
24 you know that.

25 THE COURT: I got that impression from Mr. Miller,

1 but he thought the expert would be very, very short.

2 MR. GENTILE: Well, we're hearing an hour and a half
3 on direct, maybe two.

4 THE COURT: Okay. That's not very short,
5 Mr. Gentile.

6 MR. GENTILE: No. Okay. Well --

7 THE COURT: Okay. But that is my concern. Just so
8 everybody knows, my concern is related to the health and safety
9 of witnesses who are truly vulnerable and the sound. Those are
10 my two issues.

11 MR. GENTILE: All right. Is there a way we could
12 test it this afternoon?

13 THE COURT: We tested it with the video depositions. The
14 transcribers had the transcripts so they were able to make out
15 what was on there even when the sound wasn't good. We will not
16 have a transcript for people testifying by Zoom. So, yeah, we
17 can trust it.

18 MR. GENTILE: We won't have an official transcript,
19 but we could probably do a real time like we've been doing.

20 THE COURT: Real time is not going to be my official
21 record after the issues in the Roth v. BMW trial.

22 MR. GENTILE: I understand that. But for purposes --
23 but will we have an audio recording?

24 THE COURT: No, we will not have an audio recording.

25 MS. WELCH: Your Honor, I think it's possible to

1 record as you're participating in Zoom, if that helps.

2 THE COURT: No. It is not part of my official
3 record. There are too many security issues with Zoom for it to
4 be anything close to an official record.

5 MR. GENTILE: All right. Well, we'll deal with it in
6 the morning.

7 THE COURT: So my issue is I can get the image on the
8 TV. The image is not the problem. I can get the Zoom image.
9 The sound is the problem.

10 MR. GENTILE: Thank you, Your Honor.

11 THE COURT: And yesterday was a disaster and the day
12 before was a little better.

13 MR. GENTILE: Thank you.

14 THE COURT: Okay. Are we ready to resume with the
15 playing of the looped deposition, where I do not need to know
16 about the two secretaries named Pam anymore.

17 UNIDENTIFIED SPEAKER: Are you sure?

18 THE COURT: I am. I'm certain I don't need to know.
19 Ms. Levin.

20 MS. LEVIN: Your Honor, just one thing. Yesterday
21 there were some excerpts that were left out that had been
22 designated by both -- one plaintiff and the defendant. And so
23 I've made those segments aware to Shane, so Shane is going to
24 add those into the Duane Lemons depo.

25 THE COURT: Add them in right now or add them in at

1 the end?

2 TECH SHANE: They've already been added, Your Honor,
3 so we're up to about 38 minutes left of Lemons with them being
4 put back in.

5 THE COURT: Okay.

6 MS. LEVIN: They're just five very small excerpts.

7 THE COURT: But I will typically ask at the end of
8 each deposition if anyone has any additional portions, just in
9 case something got overlooked.

10 MS. LEVIN: Okay.

11 THE COURT: Because it happens every time; at least
12 once a trial. Okay. Could we resume the deposition testimony
13 by video of Mr. Lemons.

14 (Video testimony of **DUANE LEMONS** resumed playing as
15 follows:)

16 CONTINUED EXAMINATION

17 BY MR. PARKER:

18 Q All right. Would the same -- would your answer be
19 the same in terms of any lighting requirements for a
20 recreational marijuana facility, that you were not given any
21 exemplars that said this is the light package that would be an
22 excellent example of what should be provided and you can use
23 this for purposes of evaluating the applications as they come
24 in?

25 A They did not, no. Again --

1 Q It would have to be --

2 A I'm sorry.

3 Q I'm sorry -- [inaudible].

4 A Yeah. I was just going to state that my experience
5 as a plans examiner, I'm very familiar with lighting in exiting
6 and those situations, but they did not teach us that, no.

7 Q Okay. Do you remember any other written materials
8 that were provided by the Department of Taxation for purposes
9 of training you as a grader?

10 A I don't recall any at this point.

11 Q Okay. Do you recall what he trained, what portion of
12 the training he provided?

13 A I don't recall. No, sir.

14 Q Did they mention any problems with selling to minors,
15 those younger than 21 years of age?

16 A Yes, sir.

17 Q Okay. So you weren't supposed to know -- did you
18 ever realize or get any information that allowed you to
19 determine who the applicant was?

20 A In their applications they would not follow
21 directions and there were occasions when we would see that they
22 were in Las Vegas at such and such address or they knew
23 Commissioner Sisolak and, you know, they tried to pull the
24 political game on this. But, see, that did not involve us, so
25 we overlooked that. We weren't supposed to get any of that.

1 Q Do you recall whether or not there were any -- you
2 were given any training in regards to quality control or
3 quality assurance?

4 A I don't know that they called it that specifically.
5 We did talk about the point spread between the team members and
6 stuff like that, so I guess that might be in line with the
7 question you're asking.

8 Q But that's a different issue and I think what you're
9 referring to is if there was a differential of 3 points or
10 more, the group members would get together and discuss it; is
11 that correct?

12 A Correct.

13 Q Okay. Do you recall any training that Ms. Cronkhite
14 provided?

15 A Yes.

16 Q Okay. What's your recollection of what Ms. Cronkhite
17 did?

18 A She helped train us on the scoring process and things
19 that she would look for in an application because I guess she
20 was part of the medical marijuana application process, and that
21 really seemed to help all of us get on track with what we were
22 supposed to be doing.

23 Q How long do you think Ms. Cronkhite spent with you
24 and your fellow graders?

25 A Two, maybe three days.

1 Q Okay. And did she tell you when you -- you indicated
2 that she would suggest things that she would look at. Do you
3 recall the elements or the portions of the application she was
4 telling you or training you on?

5 A The entire score sheet process, yes.

6 Q Okay. But you told me earlier that she did not
7 provide any form plans, any form environmental plans, any
8 form -- no forms whatsoever, other than the application itself;
9 is that correct?

10 A Application and then the scoring sheet I believe we
11 talked about.

12 Q All right. So tell me your recollection of her
13 training in terms of the scoring sheet.

14 A Gosh. I don't recall anything right off hand. You
15 know, we kind of went through our process, looked at the
16 applications -- the example applications that they gave us and
17 we would write a score down and then she would tell us what her
18 score might be and why.

19 Q Okay.

20 A I can't recall exactly anything further than that at
21 this point.

22 Q And this was in the nonidentified section that she
23 was training you, or was she training you, as well as all the
24 others, on identified and nonidentified sections?

25 A I want to say at that point it was the nonidentified

1 section was separated.

2 Q So sometime prior to receiving the real applications
3 there was separation between the identified and nonidentified
4 graders?

5 A Correct.

6 Q Okay. And during that separation is when she gave
7 you some training regarding how she would score certain
8 applications; is that correct?

9 A Yes, sir.

10 Q And that would have been the mock applications?

11 A Yes.

12 Q Okay. So do you recall her, for example, giving you
13 any training with regards to the adequacy of building size?

14 A Pardon me?

15 Q Do you recall that element, adequacy of size of the
16 building?

17 A Yes, sir.

18 Q All right. Did she give you any training with
19 regards to that --

20 A No, sir.

21 Q -- portion of the application?

22 A No, sir.

23 Q All right. Did she give you any training in terms of
24 the -- if not adequacy of size, regulatory compliance?

25 A What does regulatory compliance consist of?

1 Q Well, if you look at the elements under the "Adequacy
2 of Size Building Plans, Nonidentified," regulatory compliance
3 is mentioned as one of the elements. Do you remember whether
4 or not she gave you any training on that?

5 A I don't believe she did, no.

6 Q All right. The next section after adequacy of size
7 is "Care, Quality and Safekeeping." Do you recall whether or
8 not she gave you any training with regards to care, quality and
9 safekeeping?

10 A Yes, sir.

11 Q Okay. Tell me what your recollection is in terms of
12 her training on care, quality and safekeeping.

13 A I believe this is where they talked to us about how
14 the marijuana is to be received in the store, packaged, and
15 kept inside of the store in a secure manner.

16 Q Okay. Did she discuss with you the metric?

17 A Yes. We were taught about metric.

18 Q Okay. And the way of tagging the marijuana product?

19 A Yes, sir.

20 Q All right. Did they provide you with an exemplar --
21 I believe you testified they didn't provide you with an
22 exemplar plan which would demonstrate care, quality, and
23 safekeeping. Is that correct?

24 A Correct.

25 Q All right. So what did they give you for purposes of

1 evaluating what an excellent or adequate response would be for
2 this section of the application?

3 A The exemplar applications from the previous licensing
4 process.

5 Q That would have been the medical marijuana
6 applications you were speaking of?

7 A Yes, sir.

8 Q Okay. So nothing that was particular to a
9 recreational marijuana application; is that correct?

10 A That's correct. We didn't have it at the time.

11 Q Yes, sir. Do you recall her giving you any training
12 with the last part of the nonidentified section, which is
13 "Likely Impact on the Community"?

14 A I don't know if she did or who did, but we did
15 receive some training on that, yes.

16 Q Do you recall what training you received on the last
17 section of the nonidentified portion, which is, again, "Likely
18 Impact on the Community?"

19 A As I recall -- I can't recall everything that was on
20 that form, but they just talked about some of the things that
21 you might do as a -- to help provide and better your community,
22 such as some of the donations that these facilities are
23 actually required to donate to, some of the educational
24 programs that they may provide for the community members on
25 marijuana and other such things. So, yes, that would have been

1 the training that we received on those.

2 Q All right. One of the evaluation elements under
3 "Likely impact on the community" says, "The likely impact of
4 the proposed marijuana establishment in which it is proposed to
5 be located." Do you recall reading that -- that language, sir?

6 A I'm sure I read it 400 times.

7 Q All right. Good enough. So if you were trying to
8 score an application based upon that language, it appears that
9 the element requires you to know where the establishment will
10 be located. Would you agree with that, sir?

11 A Not the city particularly, yes, but a location away
12 from schools, a location away from schools, a location away
13 from residences. Things of that nature is what they're
14 speaking about in that particular verse.

15 Q Is that what you took from it?

16 A Yes, sir.

17 Q And is that how they trained you, that --

18 A Yes, sir.

19 Q -- let me just finish. I appreciate the quick yes,
20 but let me get the question all the way out of my mouth for a
21 second.

22 A Okay.

23 Q Did they only train you in terms of this part of the
24 application, "Likely Impact on the Community," to only be able
25 to give a grade based upon the location not being within a

1 certain distance of a school or church, you know, certain types
2 of facilities?

3 COUNSEL: Object to the form.

4 COUNSEL: Join.

5 COUNSEL: Join.

6 COUNSEL: Join.

7 THE COURT: Overruled.

8 THE WITNESS: That's correct.

9 BY MR. PARKER:

10 Q Is that correct, sir?

11 A Yes, sir.

12 COUNSEL: Same objection.

13 THE COURT: Overruled.

14 BY MR. PARKER:

15 Q And tell me something. How would you know whether or
16 not it's within a certain distance of a school or a church if
17 you don't know the location?

18 A They have to make a statement, provide -- well, they
19 can't provide a map, but they would -- had to make a statement
20 that there are no schools within 1,000 feet, et cetera.

21 Q Sir, would you agree with me that if you only
22 received a floor plan and not a location, that you as a grader
23 could not verify whether or not the location would be in
24 compliance with the Nevada Administrative Code?

25 A There was no way for us to verify 100 percent

1 accuracy on their plans. We only got floor plans. And I will
2 say this, some were very lacking in floor plans.

3 Q Yes, sir. And let me have you just describe what you
4 mean by lacking in floor plans.

5 A Well, I am a professional I'm used to architectural
6 plans. And when somebody draws something on a piece of paper
7 and scratches it in, that to me is very unprofessional. And
8 those plans are very difficult to read sometimes, very
9 difficult to determine if the building is adequate for any type
10 of facility, whether it would be a marijuana facility or a bar
11 or a church.

12 Q As an experienced inspector, you would agree with me
13 that if you're going to make a determination on the adequacy of
14 size and code compliance, you would much prefer to have an
15 actual building plan as opposed to a floor plan?

16 A I 100 percent agree.

17 Q Thank you. And you would agree with me that if
18 you're being asked to grade the adequacy of a building, you
19 would prefer to be able to grade using building plans as
20 opposed to a simple floor plan?

21 A Correct.

22 Q And you would agree with me that the better way of
23 determining the adequacy of size or code compliance with the
24 proposed marijuana establishment or any other establishment
25 would be to be able -- would be for you to be able to evaluate

1 the plans themselves, as opposed to simply a floor plan.

2 COUNSEL: Objection as to form and foundation.

3 COUNSEL: Join.

4 COUNSEL: Join.

5 THE COURT: Overruled.

6 THE WITNESS: That's certainly a better way of doing
7 it. However, in this process I don't think it was feasibly
8 possible.

9 BY MR. PARKER:

10 Q And is that because the Department of Taxation --
11 strike that. Let's talk about feasibility. Did you review
12 every page of every application --

13 A Yes, sir.

14 Q -- in the process?

15 A Yes, sir.

16 Q All right. And those applications at times included
17 hundreds of pages of language related to what they may or may
18 not do as an operator of a marijuana establishment; is that
19 correct?

20 A That's correct.

21 Q And as an inspector, you could have spent less time
22 reviewing plans, perhaps, than reviewing a organizational plan
23 or a narrative, you know, a book, as opposed to real plans for
24 a building. Is that correct?

25 COUNSEL: Objection. Form.

1 COUNSEL: Join.

2 COUNSEL: Join.

3 THE COURT: Overruled.

4 THE WITNESS: Can you repeat that, please?

5 BY MR. PARKER:

6 Q Did you understand that to mean that the Department
7 of Taxation would also keep this process confidential and not
8 discuss these issues with applicants?

9 COUNSEL: Objection, form and foundation.

10 COUNSEL: Join.

11 COUNSEL: Join.

12 THE COURT: Overruled.

13 THE WITNESS: Yes.

14 BY MR. PARKER:

15 Q All right. Would it be against your training or the
16 training you received if the Department of Taxation themselves
17 were communicating with applicants during the application
18 process?

19 COUNSEL: Objection to form.

20 THE COURT: Overruled.

21 BY MR. PARKER:

22 Q Certain applicants. Not all, but certain.

23 COUNSEL: Same objection.

24 COUNSEL: Join.

25 THE COURT: Overruled.

1 THE WITNESS: During the application process I
2 believe some people were still filling out the application and
3 had questions and I don't feel that that would be wrong for
4 them to try to answer the question directly. However, I'm sure
5 that there were some questions they could not answer.

6 BY MR. PARKER:

7 Q How about after the question -- after the
8 applications are submitted? Would it be against the training
9 you received if the Department of Taxation representatives were
10 giving certain information to some applicants but not to all?

11 COUNSEL: Objection to form.

12 COUNSEL: Foundation.

13 THE COURT: Overruled.

14 MS. LEVIN: Lacks foundation. Objection.

15 THE COURT: Overruled.

16 THE WITNESS: It doesn't seem fair, but...

17 BY MR. PARKER:

18 Q All right. Since you've performed your grading
19 responsibilities, have you had any communications with any of
20 the applicants?

21 A No, sir.

22 Q How about any of the Department of Taxation
23 representatives?

24 A No, sir.

EXAMINATION

BY MR. RULIS:

Q All right. Mr. Lemons, my name is Nate Rulis. I represent MM and LivFree. I think I have, hopefully, just a few questions for you, so hopefully we can get through this pretty quick.

As far as your training on adequacy of size, did the Department provide to you as a grader with a guideline on how to determine what was adequate or what was not an adequate size dispensary?

A No, sir.

Q And as part of your training, were you instructed on how to evaluate a building that was submitted as part of the application that was already being used as an existing dispensary?

A They did not train us on that, no.

Q All right. Sir, I'm just trying to go through and make sure. I think most of these are covered, so the longer I'm taking the fewer questions I'm going to have.

A No problem.

Q When you -- and when I say you, I mean the nonidentified graders, were given the applications, I think in response to Mr. Parker's questions you just said that some of the applicants came in a bundle. Is that right?

A Yes, sir.

1 Q Who bundled those application together before they
2 were given to the graders?

3 A That was brought down to us from the Marijuana
4 Enforcement Division, brought into our office, so I don't know
5 who did that.

6 Q But that would have been someone -- that would have
7 been one of the employees of the Department of Taxation that
8 did that prior to giving it to you, the graders?

9 A Yes, sir.

10 Q And can you just walk me through, how was it handed
11 off -- how were the applications that you reviewed handed off
12 from the Department employees to you, the graders?

13 A They came in through our front office to our
14 secretary, placed in a file, and then what we would do as
15 graders is go in there and get our 151, or whatever the number
16 was on it, and then bring them in and grade it. We would end
17 up at some point recognizing how many we had of a certain
18 applicant and we would bundle those together -- well, they were
19 pre-bundled for us and we would just grade them all at one time
20 individually.

21 Q As part of the grading process, were you asked to
22 make a determination of whether the applications you were given
23 were complete?

24 A That wasn't our job. They were supposed to be
25 complete and hand them to us. Now, I will say there was one

1 application, I don't know who it was, obviously, because I was
2 on a nonidentified team, they put, "See our medical marijuana
3 license application." I didn't have that, so I gave them zero.
4 Seemed fair.

5 Q And before this litigation started and you were
6 called in for your first deposition, did you know any of the
7 names of the applicants for licenses in the 2018 process?

8 A Just because I've driven by them, I would say the
9 local couple stores we have here in Carson City, yes.

10 Q Okay. So it's just familiarity from driving by the
11 stores, not through any other sources?

12 A Not through any other sources, no.

13 Q And at any point in your interview or your training
14 or any of your communications with anybody from the Department
15 of Taxation, did any member of the Department of Taxation ever
16 mention any of the applicants by name?

17 A No, sir.

18 Q Did anybody from the Department of Taxation ever tell
19 you to treat any applications any differently than any other
20 applications?

21 A No, sir.

22 Q At any point have you, even since this -- except for
23 in this litigation, have you ever spoken to any representative
24 of any applicant for a marijuana license?

25 A No, sir, not that I'm aware of.

1 Q During your interview or your training, were you ever
2 informed by anybody at the Department of Taxation, Steve
3 Gilbert or Ky Plaskon or anybody else, why the Department
4 decided to hire outside contractors to grade the applications
5 rather than having employees of the Department of Taxation
6 grade them themselves?

7 COUNSEL: Object to the form.

8 THE COURT: Overruled.

9 THE WITNESS: I don't recall ever hearing why they
10 hired outside, other than the possible -- I mean, logically
11 speaking from a supervisor's position, I would want to hire
12 outside only because my employees are probably pretty busy
13 already and this was going to take quite awhile, a long,
14 dedicated process, and we only had a short period of given time
15 for the application process.

16 BY MR. RULIS:

17 Q Speaking of which, were you given deadlines after the
18 training was over in order to have all the grading finished?

19 A Yes. December 5th, 2018.

20 Q And did you feel as though you ran into any time
21 constraints in grading the applications by December 5th or did
22 you feel that you had enough time to grade the applications?

23 A At first when we first started I would say that we
24 probably all felt a little bit of pressure. However, we knew
25 we were going to get there. And we did it with one team of

1 non-ID and one team of ID.

2 Q And during any time of your training or in your
3 interview, did anybody from the Department of Taxation ever
4 stress on you the importance of being impartial in trading the
5 applications?

6 A Yes.

7 Q Can you give me more specifics? What did they tell
8 you about being impartial? Did they give you any specific
9 training in that area?

10 A I don't know that they gave us specific training.
11 They just wanted -- they did state -- made a statement that
12 they wanted this to be fair and equitable for all involved and
13 that they thought they had come up with a good process.

14 Q And what steps did you take personally to ensure that
15 you graded each application impartially?

16 A Read every page. Graded each and every one the same
17 way.

18 Q So you believe you graded every application
19 uniformly?

20 A Yes, sir.

21 Q And were there ever times where you -- in the grading
22 process where you came together as a team and discussed an item
23 and came to a conclusion on how to grade that item that was
24 different than any way you had graded the similar item in the
25 past?

1 COUNSEL: Object to the form.

2 THE COURT: Overruled.

3 THE WITNESS: No, sir.

4 BY MR. RULIS:

5 Q And can you tell me again briefly as to the grading
6 process, looking at, for example, the adequacy of the building
7 size, all right, that section, I believe that was the first
8 section on the unidentified portion of the application; is that
9 correct?

10 A I believe it was, yes.

11 Q So when you saw that portion of the application and
12 had to grade that, do you know if that was -- do you remember
13 if that was -- the point value for adequacy of size, was that
14 worth 10 points?

15 A I believe that most were between 1 and 10 points,
16 yes; 1 being the lowest, 10 being the highest.

17 Q When you picked up an application and began to read
18 it, what was the process you went through in order to determine
19 what -- how many points you'd give out of 10 on the adequacy of
20 size portion of the application?

21 A The first thing I would say is they all started as a
22 10. And then if you found things that were wrong, maybe they
23 didn't have proper size exiting, you know, it didn't have a
24 bathroom, things of that nature, that may take a point or two
25 off. That's just -- you know, it was all subjective.

JD Reporting, Inc.

1 Q Did you have a -- did you ever have a checklist of
2 items that you would use to say do they have this, do they have
3 this, do they have this, and check that off?

4 A I don't know of one, no.

5 Q Okay. And do you believe that you received adequate
6 training in order to properly grade the applications?

7 A Yes.

8 Q Do you believe that the other non-identified graders,
9 the other two were trained and qualified in order to grade the
10 applications?

11 COUNSEL: Object to the form.

12 THE WITNESS: Yes.

13 EXAMINATION

14 BY MR. HOLMES:

15 Q Hello, Mr. Lemons. My name is Dustun Holmes. I
16 represent what are called the Essence entities in this lawsuit.
17 I just a couple follow-up questions for you. I'll try not to
18 be repetitive of what other people have already asked.

19 There was just recently some questions about what the
20 State told you about hiring outside graders. Did the State
21 ever inform you that the reason they hired outside graders was
22 to keep the process fair and impartial?

23 A I believe that they did at first, yes.

24 Q Okay. And that made sense to you; right?

25 A Yes, sir.

JD Reporting, Inc.

1 Q Okay. Now, there were also questions earlier
2 regarding whether you were given any sort of training on
3 inspection of marijuana facilities. Do you remember that?

4 A I do.

5 Q Were you hired to be an inspector of marijuana
6 facilities?

7 A No, sir.

8 Q Okay. So all that sort of questioning was outside of
9 your -- [inaudible] -- and knowledge as a grader for the State?

10 A Yes, sir.

11 COUNSEL: Objection.

12 THE COURT: Overruled.

13 BY MR. HOLMES:

14 Q Now, you also testified the training you received was
15 pretty intense. Can you elaborate upon that?

16 A Any time you have to sit in a chair for eight hours a
17 day, I think it's fairly intense. As far as intense, I just
18 think that it was very thorough. There was a lot to learn and
19 a short time to do it in. That's why I would say it was
20 intense.

21 Q Okay. And you believe that training was sufficient
22 and you received enough training to do the job you were hired
23 to do?

24 A Yes, sir.

25 Q Was there any sort of training that you did not

1 receive that you believe would have better prepared you?

2 A Looking at it now, I think it could have gone three
3 weeks instead of two, but that's the same with any training,
4 you know.

5 Q Okay. Now, there was also a question asked of you
6 earlier about code compliance in each specific jurisdiction.
7 Do you remember that?

8 A I do.

9 Q Okay. Now, that code compliance in each specific
10 jurisdiction, that was not within your scope or role as a
11 grader; is that correct?

12 A That's correct.

13 COUNSEL: Object to form.

14 THE COURT: Overruled.

15 BY MR. HOLMES:

16 Q Okay. So all those sort of questions and testimony
17 was outside your scope and role and knowledge of what you were
18 hired to do; is that correct?

19 A That's correct.

20 Q And approval within a jurisdiction, any specific
21 jurisdiction is separate and distinct of what the State was
22 doing in approving recreational marijuana licenses; is that
23 correct?

24 A Yes, sir.

25 COUNSEL: Objection to form.

1 THE COURT: Overruled.

2 THE WITNESS: Yes.

3 BY MR. HOLMES:

4 Q Now, your goal as a grader was essentially to look at
5 the applications, look at the criteria that the State had
6 provided you and assess a score; right?

7 A Correct.

8 Q Okay. So it wasn't too complicated; right?

9 A No, sir.

10 Q And you applied that criteria impartially to all
11 applicants; is that correct?

12 A That's correct.

13 Q And you applied that criteria equally to all
14 applicants; is that correct?

15 A Yes, sir.

16 Q And you gave every applicant the exact same process;
17 is that correct?

18 A That's correct.

19 Q And you didn't randomly assign scores arbitrarily; is
20 that correct?

21 COUNSEL: Object to form.

22 THE COURT: Overruled.

23 THE WITNESS: That's correct.

24 BY MR. HOLMES:

25 Q Now, there have been some accusations by plaintiff in

1 this lawsuit that you, the graders, were not qualified. Do you
2 agree with that?

3 A No, sir.

4 COUNSEL: Object to form.

5 THE COURT: Overruled.

6 BY MR. HOLMES:

7 Q Why?

8 A I feel that I'm a very highly qualified professional
9 in my business and I know how to read codes and interpret codes
10 as well as most attorneys, if not -- well, I'm not going to say
11 all, but I've been doing this for a long time and I believe
12 that my professionalism and as well as my team's was very well
13 qualified individuals for this process.

14 Q Okay. Thank you, sir. Now, there have been
15 accusations by the plaintiff that you, the graders, were not
16 given sufficient training. Do you agree with that?

17 COUNSEL: Object to form.

18 THE WITNESS: No, sir.

19 BY MR. HOLMES:

20 Q And why so?

21 A Well, the two-week training went over the application
22 process pretty thoroughly, I thought. At the end of the two
23 weeks we started in. You know, that's when the applications
24 were first allowed to start coming in at the end of our
25 two-week training, and so we were able to go in there and do

1 our job the way we were trained.

2 Q Okay. Now, no one from the State told you to give
3 any sort of favoritism or preferential treatment to any certain
4 applicant; is that correct?

5 A That's correct.

6 Q Now, there was also -- I think you testified that the
7 group you were with, the three people on the nonidentified
8 section, you guys discussed every score. Do you remember that?

9 A I do.

10 Q What was the purpose of that?

11 A The purpose of that was to make sure that we were
12 never more than 3 points apart and to give them a correct and
13 adequate score.

14 Q Okay. So it was like a checks and balance kind of
15 system?

16 A Correct. And if we had something to discuss, we
17 would discuss it. And if I said maybe it was scored low on
18 something and one of my partners had a different score, we
19 would discuss it. Maybe they found something I overlooked or
20 vice versa, so we would make the corrections and move on.

21 Q It seemed like a pretty reasonable and fair process;
22 right?

23 COUNSEL: Object to the form.

24 THE WITNESS: It did to me.

25 / / /

1 BY MR. HOLMES:

2 Q Now, there was also some questions and testimony
3 about compliance, enforcement and sale to minors. Do you
4 remember that?

5 A I do.

6 Q You had no role in compliance, enforcement and sale
7 to minors within the State; is that correct?

8 A That's correct.

9 Q And that had no role in your duty as graders; is that
10 correct?

11 A That's correct.

12 Q You don't know what the State's procedure is in place
13 for that; is that correct?

14 A I have no idea.

15 EXAMINATION

16 BY MR. MIKHAYLOV:

17 Q Good afternoon, Mr. Lemons. My name is Kirill
18 Mikhaylov, and I represent Wellness Connection of Nevada, LLC,
19 in this case. I literally just have less than five questions
20 to follow up on what was just asked of you.

21 You just testified that you did not engage in any
22 favoritism during the process; correct?

23 A Pardon me? I couldn't understand you, sir.

24 Q You just testified that you did not engage in any
25 favoritism during this application process; is that correct?

1 A That is correct.

2 Q Are you aware of anyone else on your team that
3 engaged in any sort of favoritism?

4 A I'm not aware of anyone that did that, no.

5 Q So there are [indiscernible] of favoritism. There's
6 been an allegation of corruption and wrongdoing in this
7 process. Did you do anything like that?

8 A No, sir.

9 Q Are you aware of anyone who works for the State or
10 who participated in this process who did?

11 A I'm not aware of anyone who did, no.

12 MR. MIKHAYLOV: Okay, that's all I have. Thank you.

13 THE WITNESS: Uh-huh.

14 (Video deposition of DUANE LEMONS concluded.)

15 TECH SHANE: That concludes the deposition, Your
16 Honor.

17 THE COURT: Are there any additional portions of the
18 deposition that anyone would like played at this time?

19 Hearing none, that concludes the deposition playing
20 of Mr. Lemons.

21 Do you want a break before we start our next witness?

22 (No audible response.)

23 THE COURT: Who's our next witness? Who's our next
24 witness?

25 TECH SHANE: Deonne Contine by video, Your Honor.

1 THE COURT: Okay. Does anybody need a break before
2 we start Ms. Contine's video deposition?

3 (No audible response.)

4 THE COURT: All right. Let's go.

5 (Video deposition of DEONNE CONTINE played as follows:)

6 MR. PARKER: So can we go ahead and get started now.
7 Let's have the witness sworn in.

8 **DEONNE CONTINE**

9 [having been called as a witness and being first duly sworn,
10 testified as follows:]

11 **EXAMINATION**

12 BY MR. PARKER:

13 Q Ms. Contine, you left the Department of Taxation in
14 January of 2018; is that correct?

15 A Correct.

16 Q And within that same year you ran for state assembly;
17 is that correct?

18 A Yes.

19 Q And it's my understanding that within that time
20 period between January 2018 and when you ran for assembly, the
21 state assembly, you represented certain applicants; is that
22 correct?

23 A No.

24 Q You don't recall representing -- is it Shango?

25 A No.

JD Reporting, Inc.

1 Q How about Sillitoe?

2 A I -- I guess I'm confused on the question a little
3 bit. So are you asking did I represent people that were doing
4 applications?

5 Q Did you represent any applicants for a recreational
6 marijuana license?

7 A The only applicant that I represented was an
8 applicant that I worked for which was Sierra --

9 Q Can you name that applicant?

10 A Sierra Well. Or --

11 Q Sierra --

12 A Or WSCC.

13 Q Now, I recall you saying that during your preliminary
14 injunction hearing -- [indiscernible] the preliminary
15 injunction hearing, but I found in documents produced by the --
16 recently produced by the Department of Taxation an extraction
17 report for Ms. Cronkhite and indicated that you represented
18 Shango and Sillitoe. Is that correct or incorrect?

19 MR. NEWBY: Objection. Form.

20 THE COURT: Overruled.

21 MR. NEWBY: Assumes facts not in evidence.

22 Go ahead.

23 THE WITNESS: I did.

24 BY MR. PARKER:

25 Q Okay. So that's different --

1 A Uh --

2 Q -- than what you said at the --

3 Ma'am, let me finish the question first.

4 A Okay. Sorry.

5 Q All right. Would you agree that that's different
6 than what you said at preliminary injunction hearing, that you
7 represented only one applicant?

8 COUNSEL: Objection to the form. Misstates her
9 testimony.

10 THE COURT: Overruled.

11 MR. NEWBY: Join.

12 BY MR. PARKER:

13 Q You can go ahead and answer.

14 MR. NEWBY: Go ahead and answer.

15 THE WITNESS: I did only represent one applicant.

16 BY MR. PARKER:

17 Q Okay. Is Shango or Sillitoe the same applicant?

18 A I don't -- I don't know about --

19 MR. NEWBY: Objection, to form.

20 THE COURT: Overruled.

21 THE WITNESS: I don't know about their applicant. I
22 don't know about their application. I don't know anything
23 about that.

24 BY MR. PARKER:

25 Q Did you -- okay. You never represented either of

1 them?

2 A I did, yes.

3 Q And when did you represent them? Let's start with
4 Shango. When did you represent Shango?

5 A I'm not sure. During the time I was at Kaempfer
6 Crowell.

7 Q And when -- when were you at -- you said Kaempfer?

8 A Yes.

9 Q Can you spell the name of that firm, please.

10 A I think it's K -- K-e-m-p-e-r (sic) C-r-o-w-e-l-l,
11 two words.

12 Q Okay. And how long did you work there?

13 A Five months.

14 Q From what date to what date?

15 A March to July or June.

16 Q 2018?

17 A Yes.

18 Q And what was the scope of your representation of
19 Shango?

20 A I don't -- I don't feel comfortable talking about my
21 representation. I think I identified that I worked for them,
22 but I didn't do application work for them.

23 I'm just worried about attorney --

24 Q So were they a --

25 All right. Well, let me see if I can rephrase it to

1 make it easier for you to answer the question.

2 Were they -- was Shango a license holder for a
3 medical marijuana establishment?

4 A Yes.

5 Q All right. And, to your knowledge, did they apply
6 for a recreational license?

7 A I don't know.

8 Q Same question with Sillitoe. Did you represent
9 Sillitoe?

10 A Yes.

11 Q And when did you represent Sillitoe?

12 A That same time period at Kaempfer Crowell.

13 Q And, to your knowledge, did Sillitoe have a medical
14 marijuana license when you represented them?

15 A Yes.

16 Q And, to your knowledge, did Sillitoe apply for a
17 recreational marijuana license?

18 A I don't know.

19 Q Ms. Contine, did you work with Kelly Jessee?

20 A Yes.

21 Q Okay. Do you know Kelly -- you know who Kelly Jessee
22 is; is that correct?

23 A Yes. She works at QuantumMark.

24 Q Okay. And how -- when do you recall first working
25 with Ms. Jessee?

1 A Maybe around January of 2017.

2 Q Can you tell me what you did or what Ms. Jesse did on
3 behalf of the Department of Taxation?

4 A They were the contractors that facilitated the task
5 force, the governor's task force, and helped with the
6 regulations.

7 Q And you said that QuantumMark facilitated the task
8 force. Can you describe what you mean by that.

9 A Governor Sandoval appointed a 19-person task force to
10 look at issues around the Question 2 implementation, and the
11 task -- the task force also had working groups that were set up
12 along various issues related to the work, and -- that's it.

13 Q When did you first become involved in the
14 recreational marijuana statutes or regulations?

15 A After the initiative passed.

16 Q So when you first came to the Department of Taxation,
17 what was your position, and what were your responsibilities?

18 A I was the deputy director of the compliance division,
19 and I oversaw revenue and audit essentially, revenue officers
20 and audit -- the audit team.

21 Q How long did you remain the deputy director?

22 A About a year and a couple of months.

23 Q So sometime right after September of 2013 your
24 position changed?

25 A Yes.

1 Q And what position did you assume?

2 A Chief deputy director.

3 Q Did your responsibilities change?

4 A Yes. They were broader, and I oversaw to some degree
5 the other divisions within the Department, and the deputies
6 reported to me essentially.

7 Q And then how long did you maintain that position?

8 A A year -- a year and -- another year and a couple of
9 months or three months -- two months or three months.

10 Q So sometime after 2015 or the end of 2014 --

11 A The end of 2014, yeah, November. Sorry.

12 Q Okay. What position did you take in November of
13 2014?

14 A Governor Sandoval appointed me to be the director of
15 the Department.

16 Q So you became the director of the Department of
17 Taxation in November 2014?

18 A Yes.

19 Q Okay. Now, at this point medical marijuana was still
20 being handled -- was being handle by, I believe, the Public
21 Health Department or Division; is that correct?

22 A Yes.

23 Q So in 2014 all the way until late 2016, you had no
24 responsibility related to medical or recreational marijuana; is
25 that correct?

1 A Yes.

2 Q And you had no history or experience in the
3 development of the statutes or the regulations related to
4 medical marijuana; is that correct?

5 A Correct.

6 Q Okay. You're not -- you're not familiar with the
7 three-year window precluding any amendments to the decision of
8 the voters?

9 COUNSEL: Objection. Form.

10 THE COURT: Overruled.

11 MR. NEWBY: Same objection.

12 THE WITNESS: Well --

13 BY MR. PARKER:

14 Q You can answer, Ms. Contine.

15 MR. NEWBY: Answer to your understanding, please. Go
16 ahead.

17 THE WITNESS: My understanding that that -- that was
18 the rule in this -- in this vote of the people. I don't know
19 that it's the rule across the board.

20 BY MR. PARKER:

21 Q When is the first time you recall actually seeing the
22 initiative -- seeing -- I'm sorry, Ballot Question Number 2?

23 A I don't know. Sometime around or after it passed.

24 Q Okay. So sometime right at the end of 2016,
25 beginning of 2017?

1 A Yes.

2 Q Now, your responsibility, based upon your testimony
3 at the preliminary injunction hearing, was to create
4 regulations consistent with the ballot question; is that
5 correct?

6 COUNSEL: Objection. Form.

7 THE COURT: Overruled.

8 THE WITNESS: That was part of the responsibility of
9 the Department, yes, based on the initiative.

10 BY MR. PARKER:

11 Q And let me ask this question: Did you review the
12 Nevada Revised Statutes, Chapter 453D, sometime in 2017?

13 A Well, to the -- to the extent that they are the
14 initiative, yes.

15 Q All right. It was your responsibility to create
16 regulations that do not violate the ballot question?

17 COUNSEL: Objection. Form.

18 COUNSEL: Join.

19 THE COURT: Overruled.

20 THE WITNESS: Making regulations in any context would
21 be -- would need to be in conjunction with the statute.

22 BY MR. PARKER:

23 Q All right. Good enough. Now, we're going to get to
24 the creation of the regulations in a second, but I want to take
25 a [indiscernible] step backwards for a minute.

1 What is the process, after you have authored
2 regulations, for those regulations to be approved and/or
3 adopted by the Department of Taxation or the Tax Commission? I
4 would like you to explain that process to me.

5 A So the regulatory process might begin with a draft of
6 documents, or it might just begin with a workshop. Either way
7 there is a workshop. This is under the 233B process.

8 And there would be public hearings, and then there
9 would -- so that would be the agency's part. Then there would
10 be a submittal to the Legislative Counsel Bureau, and they
11 would do their analysis and review.

12 And then there would be a submission back to the
13 agency, and then there would be another public process. And
14 then they would be approved, or, you know, if they were
15 approved then by the Tax Commission, then it would go to the
16 Legislative Commission, which is a subcommittee of legislators,
17 for final approval.

18 Q Okay. Now, what you've -- what you've laid out in
19 this -- your narrative were at least two public hearings. Is
20 that typical in your experience in terms of getting regulations
21 finally approved and adopted?

22 A Well, those are -- there's -- there's the work -- one
23 workshop and one public adoption hearing that are required by
24 statute. But in my experience there's usually a lot more
25 workshops.

1 In this case I think there were a week's worth of
2 them. In other case -- and that was in addition to the work
3 that was done at the --

4 Which I guess you're going to ask about. So maybe
5 I'll save it for that.

6 -- at the task force level.

7 And then sometimes if the legislature reviews the --
8 the regulations, and then they send them back to the agency,
9 there might be some substantive changes. And so you might kind
10 of start the process over again. So I've experienced it in
11 different ways.

12 Q Yes. In particular NAC 453D, explain the process of
13 how that was finally approved and/or adopted by the Nevada Tax
14 Commission.

15 A So, as I mentioned earlier, the QuantumMark helped
16 facilitate the task force, and some of the issues in the task
17 force was set up to kind of get a baseline and have that
18 initial discussion and a lot of input on what the regulations
19 may be.

20 And so there were multiple task force meetings where
21 the working groups, various working groups that were set up
22 along the topic areas of regulation, met and provided
23 recommendations, and then that went to the task force.

24 The task force was -- then the task force would
25 decide whether to accept the recommendation. At the end of

1 that process, there was a report that went to the governor at
2 the time, and that was kind of the jumping off point for going
3 into the regulatory process, which is the process that I just
4 explained, which was the -- a workshop, and in this case
5 multiple workshops, and then legal review by the Legislative
6 Counsel Bureau, review then by the Tax Commission and then
7 review by the Legislative Commission.

8 Q So thank you, Ms. Contine. Tell me the working
9 groups or the names of the working groups.

10 A I don't know all of them at this point. I could --

11 Q Do you remember how many there were?

12 A I mean, I would be guessing. There were --

13 Q Can you estimate?

14 A Maybe an estimate would be like 10 maybe.

15 Q And in terms of scheduling these meetings and
16 providing agendas for those meetings, would that have been done
17 by QuantumMark?

18 A Yes.

19 Q Did the staff [indiscernible] -- did the staff do
20 anything to facilitate these meetings, or did they rely on and
21 depend on QuantumMark to do the facilitation of these meetings?

22 A No, staff was involved. I think there were various.

23 Q How was staff --

24 A I'm sorry.

25 Q Go right ahead. How was staff involved?

1 A So I believe there were various staff members on
2 various working groups. And, you know, they helped with agenda
3 items or, you know, more, you know, the more procedural getting
4 rooms, just helping facilitate, make sure the meetings happen,
5 kind of like facilitating this deposition with a lot of
6 interested people, the type -- the types of things that you
7 have to do in that regard. But for the most.

8 Q So let's --

9 A Sorry. Go ahead.

10 Q I'm sorry. You can go ahead and finish your --

11 A No. I mean, that -- that's it. They had a role, and
12 they participated in the meetings as well.

13 Q All right. Well, let's see if we can give some
14 more -- put some more flesh on that. [Indiscernible.]

15 From what I've reviewed, it's my understanding that
16 QuantumMark prepared the agenda. QuantumMark also prepared the
17 minutes of those meetings. And QuantumMark directed the task
18 force in terms of its responsibility from meeting to meeting.
19 Would those all be a fair description of Quantum Mark's role?

20 A They did that, yeah, and they also did some
21 benchmarking, you know, compiling of information from other
22 jurisdictions, you know, just providing that type of work too
23 so that there was a, like, facilitating information
24 essentially. They did some of that.

25 That was then discussed internally with staff. And

1 then at the, you know, would have been, might have been
2 discussed at a working group. So, for instance, if there was
3 an issue, and there was some -- some place else or somewhere
4 else where something was being done about a certain issue, then
5 they might provide like, oh, in this jurisdiction they're doing
6 this, or in the medical program it was done this way. So there
7 was, like, some of that facilitating of that.

8 Q It's my understanding that QuantumMark also prepared
9 the drafts of proposed regulations. Is that true?

10 A Well, they compiled the information that was gathered
11 from that -- from the process of the task force. So they kind
12 of took everything and put it all together and essentially
13 provided a document that was kind of the jumping off point.

14 Q Right. And they continued that level of involvement
15 until those regulations were actually completed; is that
16 correct?

17 A I don't think so. Once we were moving into -- yeah,
18 I mean, they did some -- yeah, I think -- I don't -- I can't
19 really remember, like, all of the stuff that they did and how
20 long they did it. But they essentially would take comments.
21 You know, they were the note takers at some of the meetings,
22 that would take the comments and then put it, you know, put
23 them as decision points or, you know, the issues that would
24 come up along the way. And then staff internally would discuss
25 those and move forward.

1 Q All right. You would agree with me that for the most
2 part QuantumMark and Ms. Kelly Jesse, they were the scriveners
3 in terms of the agenda, the scriveners in terms of the minutes
4 of the meetings, the scriveners in terms of the revisions to
5 drafts. They performed that function throughout this process;
6 is that correct?

7 A They had a role in that, yes.

8 Q All right. And when we're talking about help from
9 the staff, you indicated that the staff would set up the room,
10 make arrangements for people to have a place to be. What else
11 did the staff do to help with this process?

12 A They would review the recommendations of the
13 various -- they would review the product that QuantumMark had
14 compiled.

15 Q Okay.

16 A And in some cases I believe, you know, staff would
17 come up with various other, you know -- it wasn't all
18 QuantumMark that were kind of -- you know, it wasn't -- again,
19 as I testified in the hearing before, it was a, you know, it
20 was a group process to get to the final document that then
21 would be -- would go to workshop.

22 Q All right. In terms of staff members helping this
23 process, from my review of records, Mr. Damon Hernandez would
24 have been one of those staff members. Is that correct?

25 A I don't know.

1 Q Do you recall any staff members that assisted in this
2 process?

3 A Jorge Pupo, Steve Gilbert, Kara Cronkhite.

4 Q Anyone else?

5 A Other people might have been involved in, but I'm
6 just not -- I don't know. If they had teams of people that
7 they work with and their staffs, I'm not sure.

8 Q Were you --

9 A So I'm not saying Damon was not involved. I'm just
10 saying I didn't -- you know, I wasn't directly -- I don't
11 recall being aware of everybody's involvement in the process.

12 Q Okay. Do you know if there were assigned
13 responsibilities to the Department of Taxation employees, like
14 Mr. Pupo, Ms. Cronkhite, Mr. Gilbert or yourself?

15 A Well, like I said, the staff members were on some of
16 the working groups.

17 Q Do you recall any --

18 A So Mr. -- Mr. Pupo would have been -- Mr. Pupo would
19 have been on working groups. We had other people from the
20 Department on various working groups. Mr. Gilbert, I believe
21 Ms. Cronkhite were on working groups. And there could have
22 been -- there were other people from the Department that were
23 on the working groups.

24 Q So let's get -- let's get back a second here. Do you
25 believe that there were actually some Department of Taxation

1 representatives who served on the working groups for the
2 medical marijuana regulations?

3 A Yes.

4 Q Okay. Which ones?

5 A Oh, no, no. I'm sorry. I'm sorry. So I'm just
6 having an issue with timing.

7 So at the time of the working groups, some of the
8 people that were involved in the process, in that working group
9 process, would have been people like Kara and Steve, who came
10 from DPBH. And maybe there were some others. I'm not sure.

11 But so I don't know what their level of involvement
12 was in the medical marijuana, but they were -- they
13 participated in some of the meetings and presented stuff at the
14 task force or answered questions. At that time they weren't
15 Department of Taxation employees though.

16 Q All right. So let's see if we can clear this up for
17 the record.

18 With the exception of Steve Gilbert and perhaps Kara
19 Cronkhite, no one at the Department of Taxation, including
20 yourself, had any marijuana experience when you began preparing
21 the regulations for the recreational marijuana license?

22 A Right.

23 COUNSEL: Objection to the form.

24 THE WITNESS: Oh, sorry.

25 THE COURT: Overruled.

1 THE WITNESS: It was a new program. Yes.

2 BY MR. PARKER:

3 Q Thank you. All right. And so the wealth of the
4 experience would have come from Kelly Jessee or QuantumMark; is
5 that correct?

6 A Well, the wealth of what experience?

7 Q The experience in terms of -- that's a fair question,
8 Ms. Contine.

9 The bulk of the experience in terms of creating
10 regulations for marijuana-related -- for the marijuana-related
11 industry would have come from QuantumMark, not the Department
12 of Taxation. Is that a correct statement?

13 A Well, QuantumMark -- my understanding was that
14 QuantumMark facilitated the medical marijuana regulations. So
15 I believe they would have had that experience, but it was a new
16 program within the Department of Taxation. So there was --
17 other than the Public Health employees who then later became
18 Department of Taxation employees, there was nobody else that
19 had done marijuana regulations.

20 Q So it's fair to say that, including yourself, there
21 was no medical -- I'm sorry -- there was no recreational
22 marijuana experience in the Department of Taxation. Is that
23 correct? In 2016, '17, all the way until you left in January
24 of 2018?

25 A Yes. It was a new program.

1 Q All right. In terms of marijuana globally, which
2 would include medical marijuana, the only two people affiliated
3 with the Department of Taxation that may have had some
4 experience would have been Steve Gilbert or Kara Cronkhite; is
5 that correct?

6 A Well, at that time they wouldn't -- they weren't
7 Department of Taxation employees, but, yes, they have
8 experience. I assume they do.

9 Q All right.

10 A I don't know their level of experience in the
11 regulations. So I -- I don't know. I'm not a hundred percent
12 sure, but they worked at DPBH.

13 Q How -- you said there were 19 members of the task
14 force; is that correct?

15 A Yes, I believe. 19 or 20.

16 Q Do you remember --

17 A Sorry.

18 Q Do you remember Ms. Amanda Connor being on the task
19 force?

20 A No, I don't think so.

21 Q You don't?

22 A No.

23 Q Okay. Do you remember any members of the task force?

24 A Yes.

25 Q Who do you remember?

1 A Chuck Callaway, myself, Wes Henderson from League of
2 Cities, couple people whose names I don't recall from
3 public-health-type organizations. John Ritter was on the task
4 force. Tick Segerblom [phonetic] was on the task force.
5 Nelson Araujo [phonetic], I think.

6 And I feel like there were a couple of other
7 legislators, but I can't remember who they were. I don't know.
8 They were -- they were all appointed by the governor. So --
9 and they're in the task force report.

10 Q Fair. You don't recall testifying at the time of the
11 preliminary injunction hearing that Ms. Connor was actually on
12 the task force?

13 A I believe she was on a working group or was part of
14 working groups, but she wasn't appointed by the governor on the
15 task force.

16 Q Okay.

17 A I don't recall -- I don't recall saying that, and
18 I -- if I did, I misspoke, and I'm -- but I don't recall saying
19 that.

20 Q Okay. No worries. But you believe she was on a
21 working group?

22 A I believe she was, yes.

23 Q And was I correct in saying that the purpose of the
24 trip was an opportunity to learn from what Colorado was doing
25 with their marijuana industry?

1 A Yes.

2 Q Yes, ma'am. Do you recall whether or not there were
3 any Tax Commission members there?

4 A I don't think so.

5 Q Okay. Were you the highest ranking State employee on
6 the trip?

7 COUNSEL: Objection to form.

8 THE COURT: Overruled.

9 THE WITNESS: I don't know. I don't remember if
10 there were other people.

11 BY MR. PARKER:

12 Q Do you remember if this trip -- when this trip took
13 place with respect to when the initiative was passed? Was it
14 before November 2016, or was it after --

15 A It was before.

16 Q -- November 2016?

17 All right. So was this the only trip you can recall
18 going to related to the recreational marijuana industry?

19 A I went to other -- I went on other trips.

20 Q Now, it's my understanding in having reviewed your --
21 your testimony from the preliminary injunction hearing is that
22 you went to Oregon and Washington as well; is that correct?

23 A I went to Oregon, and there were representatives from
24 Washington there.

25 I believe I went to Colorado for another -- like,

1 Colorado, the City of Denver would put on an annual conference
2 for -- for and -- for people that -- in different states that
3 were doing that -- that type of work.

4 Q When you went -- when you went to Oregon, was it in
5 '16, or was it in '17?

6 A I think it was in '17. I'm pretty sure.

7 Q Do you recall when the regulations were voted upon by
8 the Tax Commission?

9 COUNSEL: Objection to form.

10 THE COURT: Overruled.

11 THE WITNESS: December maybe or January.

12 BY MR. PARKER:

13 Q Of 2017?

14 A Of 2017, 2018 -- maybe 2017.

15 Q Okay. Because you left in January of 2018. They
16 were approved prior to your departure; is that correct?

17 A They were adopted by the Tax Commission, yes.

18 Q And they were adopted prior to your departure; is
19 that correct?

20 A Yeah, by the Tax Commission. Yes.

21 Q Do you remember when the temporary regulations were
22 adopted by the Tax Commission?

23 A I think it was in May of 2017. And there is a --
24 the reason that the distinction between temporary and permanent
25 has to do with the statutory timing. So if regulations are

1 initiated on July 1st of an even numbered year through
2 June 30th of an odd numbered year, they are temporary. And
3 there's various processes that you can go through to make them
4 permanent or --

5 And then the permanent regulations would be July --
6 the process would be July 1st in the odd numbered year through
7 June 30th of the even numbered year.

8 BY MR. PARKER:

9 Q All right. So in terms of the temporary regulations,
10 those would have been adopted by the Tax Commission in May of
11 2017. And you believe the permanent regulations, which is
12 NAC 453D, would have been adopted sometime in December or
13 January -- December of 2017 or January of 2018; is that
14 correct?

15 A That's my recollection.

16 Q In terms of your answers to me earlier relative to
17 QuantumMark's involvement in this process, were they equally
18 involved in the creation of the temporary regulations as they
19 were the permanent regulations?

20 COUNSEL: Objection to form.

21 THE COURT: Overruled.

22 THE WITNESS: I don't -- I don't remember. I mean
23 they didn't have the -- the process is just different, and so I
24 don't know if we had internal conversations or -- but they
25 didn't -- all of the facilitating that they did in that kind of

1 year long, starting in -- at the task force, was meant to kind
2 of provide guidance and have some discussion and work being
3 done on the permanent regulations.

4 But I'm not a hundred percent sure if they
5 participated in the temporary process.

6 BY MR. PARKER:

7 Q Would you agree with me that you did not have the
8 ability, unilaterally, to decide what would be contained in the
9 regulations?

10 COUNSEL: Objection. Form.

11 THE COURT: Overruled.

12 THE WITNESS: Well, I -- I would not --

13 BY MR. PARKER:

14 Q Is that correct?

15 A Yeah. I mean, the -- nobody has -- again, the
16 process is, you know, workshops and review and then adoption.
17 So there is no one person that unilaterally can say exactly
18 what would be in a regulation.

19 Q And that would include yourself or Mr. Pupo; is that
20 correct?

21 COUNSEL: Same objection. Form.

22 THE COURT: Overruled.

23 We lost the video again.

24 THE WITNESS: That's correct.

25 / / /

1 BY MR. PARKER:

2 Q You would agree with --

3 THE COURT: You got no video -- there you go. Thank
4 you.

5 BY MR. PARKER:

6 Q -- me that neither yourself nor Mr. Pupo had the
7 authority to deviate from the adopted regulations by the Tax
8 Commission; is that correct?

9 COUNSEL: Objection to form.

10 COUNSEL: Join.

11 COUNSEL: Join.

12 THE COURT: Overruled.

13 THE WITNESS: I mean, I don't have a different answer
14 for you. I think once the regulations are adopted, they're
15 presumed valid. And then everybody who's trying to implement
16 them, you know, is trying their best to follow what the
17 regulations say.

18 BY MR. PARKER:

19 Q Because the Department of Taxation has an obligation
20 to follow those adopted regulations; isn't that correct?

21 COUNSEL: Objection to form.

22 COUNSEL: Join.

23 COUNSEL: Join.

24 THE COURT: Overruled.

25 THE WITNESS: Yes.

1 BY MR. PARKER:

2 Q Right. Because isn't it true, Ms. Contine, that once
3 the Tax Commission adopts the regulations that is the law, and
4 the Tax -- Department of Taxation had an obligation to follow
5 it; is that correct?

6 COUNSEL: Objection. Form.

7 COUNSEL: Join.

8 THE COURT: Overruled.

9 COUNSEL: Join.

10 MS. LEVIN: Objection. Legal conclusion.

11 THE COURT: Overruled.

12 THE WITNESS: Well, once the regulation is adopted,
13 it's assumed -- it's assumed to be valid. So it's -- you're
14 always attempting to follow it.

15 BY MR. PARKER:

16 Q You have an obligation to follow it; is that correct?

17 COUNSEL: Objection. Form.

18 MS. LEVIN: Objection. Legal conclusion.

19 THE COURT: Overruled.

20 THE WITNESS: Yeah. I mean, yes. You're attempting
21 to follow the rules and regulations as you see them, yes.

22 BY MR. PARKER:

23 Q Would it be a violation of the Nevada Administrative
24 Code 453D for a licensed recreational marijuana license holder
25 to sell marijuana to someone below the age of 21?

1 COUNSEL: Objection. Form.

2 COUNSEL: Join.

3 MS. LEVIN: Legal --

4 THE COURT: Overruled.

5 MS. LEVIN: -- conclusion

6 THE WITNESS: It could be, yes. It would be.

7 MR. PARKER: All right.

8 THE WITNESS: I mean, under the initiative it would
9 be, yes.

10 BY MR. PARKER:

11 Q Thank you. Would it also be against the law for you,
12 Mr. Pupo or anyone else at the Tax Department -- Department of
13 Taxation to give authority to a license holder to sell
14 recreational marijuana to someone below the age of 21?

15 COUNSEL: Objection. Form.

16 COUNSEL: Join.

17 COUNSEL: Join.

18 THE COURT: Overruled.

19 MS. LEVIN: Legal conclusion.

20 THE WITNESS: The Department of Taxation couldn't say
21 in a -- like today they couldn't say, oh, well, now all of a
22 sudden everybody can sell to people under 21. No, they would
23 not have the authority to do that.

24 BY MR. PARKER:

25 Q Ms. Contine, after the Department -- I'm sorry, the

1 Tax Commission adopted the temporary regulations, there was a
2 certain amount of time that the Department of Taxation had to
3 get the permanent regulations in place, otherwise it would not
4 be -- the application process in 2018 would not have been able
5 to occur; is that a correct statement?

6 A No.

7 Q You don't recall there being a deadline by which you
8 had to get the permanent regulations in place so that the
9 application process could go forward in 2018?

10 A I'm not sure -- so the deadlines that I -- that I
11 remember were maybe that the temporary regs would expire, and
12 then there was another -- there was an 18-month-time period in
13 the initiative for issuance of licenses to current license
14 holders.

15 Q When do you recall that deadline being?

16 A 18 months from the effective date of the initiative,
17 I think, which was January 1st.

18 Q I want -- I want to now to discuss and see if we can
19 focus on any participation by others in the development of the
20 temporary permanent regulations. You spoke about work groups
21 earlier, and you indicated that Ms. Connor was on a work group;
22 is that correct?

23 A I think there were about 50 or -- there are a lot of
24 people on various work groups. There are a lot of work groups
25 and then there are a lot of people on them, so it was a big

1 group of people, but I believe she was on a work group or two,
2 I don't really -- I can't remember.

3 Q Okay. You don't recall anyone else other than the
4 names you'd given me earlier of people who participated in any
5 of the work groups?

6 A I know -- I believe that Mr. Ritter was on work
7 groups. I believe there were people from local governments.
8 There were people from public health agencies. I don't
9 remember every person that was on the work groups, but it was
10 generally made up of public health, public safety to some
11 degree, I think, again, the medical folks were on some of
12 them -- again, local government. It was a broad -- it was a
13 broad group of people.

14 Q Do you recall interacting with Ms. Connor while she
15 was on any of these work groups in terms of preparation of the
16 temporary or permanent regulations?

17 MR. NEWBY: Objection. Form.

18 THE COURT: Overruled.

19 UNIDENTIFIED SPEAKER: Objection. Form.

20 MR. PARKER: So, Craig, are you now going to take the
21 objections or is Steve going to do it?

22 MR. NEWBY: I can't tell if Steve's in the room or
23 not from this camera angle, so I erred on the side of objecting
24 the first time.

25 MR. PARKER: Don't worry, he's here.

1 MR. NEWBY: I'll let Steve object.

2 MR. PARKER: All I want then, Craig, (inaudible)
3 effectively.

4 MR. NEWBY: I'll let Steve object.

5 MR. PARKER: No worries.

6 MR. SHEVORSKI: I apologize.

7 MR. PARKER: That's all right.

8 THE WITNESS: Like I said, I believe she was on a
9 work group -- a work group, maybe more. You know, she was
10 involved in a process along the way. She would come to public
11 meetings and --

12 BY MR. PARKER:

13 Q If you -- sorry. As opposed to a general
14 recollection, do you have a specific recollection of working
15 with Ms. Connor on any of the regulations?

16 A No. No, I don't have a specific --

17 Q You just --

18 A -- I don't have a specific instance where -- she was
19 always part of the group of people that were working on various
20 issues or topics that were part of the work group, and then I
21 believe she attended the -- the workshops along with a lot of
22 other people as well, so...

23 Q To your -- to the best of your recollection, do you
24 specifically recall Ms. Connor assisting in the drafting of the
25 temporary regulations?

1 COUNSEL: Object to form.

2 THE COURT: Overruled.

3 THE WITNESS: Not that I recall.

4 BY MR. PARKER:

5 Q Same question in terms of permanent regulations?

6 A I mean, I guess I'm wondering what you mean by
7 assisting to the extent that, like, testifying, making, you
8 know, raising issues or having concerns with the -- with
9 regulations and those types of -- that's how I -- yes, I would
10 say that she was doing that.

11 Q Okay. That's how I meant it too.

12 A Okay.

13 Q Were you aware during the 2016, 2017 time period that
14 Ms. Amanda Connor was assisting or retained by any license
15 holders?

16 COUNSEL: Object to form.

17 THE COURT: Overruled.

18 COUNSEL: Join.

19 THE WITNESS: I mean, I had a general -- is everybody
20 done, I'm sorry. I had a general --

21 MR. PARKER: Yeah, they're done. Go ahead.

22 THE WITNESS: I had a general understanding of --
23 that she represented people in the industry. I don't know all
24 of her clients. I -- I don't -- you know, I believe I knew
25 that she represented The Source or Mr. Jolley, but I don't know

1 when I understood that. And I believe -- I believe that I knew
2 at some point that she represented Essence. But, again, I
3 didn't know the capacity -- I didn't know the extent of her --
4 I mean, I knew she represented people in the industry, but I
5 didn't know exactly who. And I think maybe at some point I
6 knew that -- again, I'm not a hundred percent sure, just kind
7 of based on if there was a certain issue or something like
8 that. But I knew that she had multiple clients in the arena,
9 and sometimes it was just, you know, I didn't know -- I didn't
10 know who she was representing.

11 BY MR. PARKER:

12 Q All right. So you knew that she represented multiple
13 clients, and you knew of -- the particular names of some,
14 including Essence and Nevada Organics. Did you -- did you ever
15 meet with Ms. Connor outside of these workshops or public
16 hearings, dinners, lunch, coffee, anything like that?

17 COUNSEL: Objection to form.

18 THE COURT: Overruled.

19 THE WITNESS: I -- well, I met with her, like -- I
20 don't know -- like, there might have been one or two times
21 where there was, like, a group thing and she was there. And I
22 believe that she had asked for a meeting for one of her clients
23 at some time when I was there, and I think -- I believe it
24 was -- it was Essence. But I don't -- I don't -- again, I
25 don't really remember every interaction and every -- I mean,

1 there -- I don't remember having a lot of meetings outside of
2 our public meetings with her.

3 BY MR. PARKER:

4 Q Do you know -- the meeting that you just discussed or
5 you referred to where she wanted to discuss Essence, was it
6 just you and Ms. Connor, or did someone else attend that
7 meeting?

8 A I believe she brought her client.

9 Q Do you believe that the client -- do you recall the
10 client's name?

11 A Armen.

12 Q Okay. And do you recall where that meeting took
13 place?

14 A I think my office.

15 Q And do you recall what the meeting was about?

16 A No.

17 Q Do you recall how long the meeting lasted?

18 A No. I mean, probably a half hour, 20 minutes, I
19 don't know.

20 Q As a part of that meeting, did you receive any
21 personal contact information for Ms. Amanda Connor's client,
22 Armen?

23 A I don't -- I don't recall.

24 Q So, and I'm not sure I'm going to do his last name
25 any justice, but Armen Yemenidjian, is that the person you

1 remember?

2 A I guess if you say that -- if you say his last name,
3 I don't know. I just know Armen. I mean --

4 Q Okay.

5 A -- I know the last name is hard to say, like you just
6 did, but that was my understanding.

7 Q Well, Mr. Shevorski is telling me Yemenidjian. I'm
8 sure Mr. Bice will give me another pronunciation.

9 MR. BICE: What you said is exactly right.

10 MR. PARKER: I actually said it right the last time.

11 MR. BICE: No.

12 BY MR. PARKER:

13 Q So did you receive Armen's personal contact
14 information after that meeting or during that meeting?

15 A I don't know -- I believe I received his personal
16 contact information, but I don't know when it was.

17 Q Okay. Do you recall ever speaking directly to Mr. --
18 to Armen without Ms. Connor's involvement?

19 A Yes.

20 Q And when was the first time you recall speaking to
21 Armen?

22 A I don't know.

23 Q Have you had more than one conversation with Armen?

24 A I don't know. Probably.

25 Q Do you recall --

1 A I mean, it wasn't like a hundred, you know, maybe
2 somewhere between one and five. I don't want to say I only had
3 one. I'm not sure if I had more than one, but it wasn't
4 extensive.

5 Q Somewhere between one and five meetings is what you
6 believe?

7 A Yeah. I mean I -- yeah. That's what I recall.

8 Q All right. And do you recall whether or not you gave
9 Armen your cell number?

10 A I'm not sure. I mean, if you call somebody or --
11 yeah, I mean, I don't know. I think, you know, if you -- if
12 somebody calls you or you have a conversation, they usually
13 have your number. I don't know if there was this -- I don't
14 know. I'm not sure.

15 Q Okay. You don't know if you called him from your
16 cell phone?

17 A No, I don't know, like -- I don't know if I gave him
18 my number, I guess.

19 Q In addition to having one to five telephone
20 conversations with Armen, do you recall whether or not you had
21 any meetings with him, other than the meeting you've already
22 described?

23 COUNSEL: Objection, form. Misstates her prior
24 testimony.

25 THE COURT: Overruled.

1 UNIDENTIFIED SPEAKER: Go ahead.

2 THE WITNESS: I don't recall.

3 BY MR. PARKER:

4 Q Okay. So the meeting that took place with you, Armen
5 and Ms. Connor occurred in your office, and that was in 2017;
6 is that correct?

7 A I believe so.

8 Q Okay. So during the time that you were developing
9 either the temporary or the permanent regulations; is that
10 true?

11 A Yes.

12 Q And do you recall either Ms. Connor or Armen
13 discussing with you as a group the regulations?

14 A I don't have a specific recollection of an issue or
15 something that we discussed.

16 Q Okay. And in terms of communicating with Armen,
17 other than communicating with him regarding the regulations,
18 would you have had any other reason to communicate with him?

19 A I don't recall that I -- I don't recall either way.

20 Q So would it be a fair statement that if you were
21 communicating with him, it had something to do with the
22 marijuana regulations?

23 COUNSEL: Objection to form.

24 COUNSEL: Join.

25 THE COURT: Overruled.

1 THE WITNESS: I talked to -- yeah, I mean -- I don't
2 know. I can't think of anything -- I can't think of a specific
3 thing that we talked about, and I can't think of a specific
4 thing, whether it was related or not related to regulations.

5 BY MR. PARKER:

6 Q Okay. Would you believe that it is at least related
7 to, if not particularly the regulations, something dealing with
8 medical or recreational marijuana?

9 A I believe that that would be the gist of the
10 conversations, yes.

11 Q All right. And I asked you during your preliminary
12 injunction hearing whether or not you received any
13 contributions from any of these license holders or consultants;
14 do you recall that?

15 A If you -- you just asked me generally if I had
16 received any contributions from them; is that what the question
17 is?

18 Q Yes, ma'am.

19 A Yes.

20 Q Okay. And do you recall receiving any contributions
21 from any of the license holders or consultants, as we've been
22 discussing today?

23 A Yes.

24 Q All right. Tell me who you recall receiving
25 contributions from?

1 A I recall -- I don't recall if -- I recall receiving
2 contributions from -- I think I received a contribution from
3 Essence. I think I received a contribution from The Source. I
4 think I received a contribution from The Grove. I'm not sure
5 if -- again, I think I received a contribution -- I can't
6 remember. I'm not -- I'm not a hundred percent sure like --

7 Q Let me help you out with this. Do you recall
8 receiving a contribution from Connor & Connor?

9 A I was going to say that, but I couldn't remember if I
10 had. I can't remember.

11 Q From what we -- so what I have in front of me, Connor
12 & Connor gave you a contribution on March 5th, 2018; do you
13 recall that?

14 A I recall -- I thought maybe -- I thought they were
15 maybe one of them, but I'm not -- I wasn't sure when you just
16 asked me. So if I said that at another time or you looked up
17 my report, I would agree that that happened.

18 Q All right. So it indicates here that Connor & Connor
19 contributed \$500 to your campaign. Do you recall that?

20 A I don't recall it from memory.

21 Q Do you recall also on that same day, March 5th, 2018,
22 that CTCM Holdings, which is Thrive, contributed \$2,000 to your
23 campaign?

24 A No.

25 Q Okay. Do you also recall on that same day Serenity

1 contributing \$2,500 to your campaign?

2 A No. I mean, I recall that there was an event, and I
3 recall raising money, but I don't recall exact amounts, and I
4 don't recall generally -- I mean, even when you said whatever
5 you said CTCM, I don't -- I wouldn't have even known who that
6 was. So I --

7 Q So --

8 A -- I wouldn't have recalled that. I mean, I wouldn't
9 have -- I wouldn't have said I got whatever amount you said
10 from CTCM. But I'm not saying that it didn't happen; I just
11 don't recall it.

12 Q Do you recall a contribution from a Goldwater on that
13 same day in the amount of \$1,000?

14 A No.

15 Q Do you recall having an event on that day, March 5th,
16 2018?

17 A I recall there was an event; I don't recall the exact
18 date.

19 Q Were there any cash contributions made or in kind,
20 by, say, someone actually sponsoring the event?

21 A I believe there were a few cash contributions, and I
22 believe that there was an in kind for the event, but I don't
23 recall exactly who or the amounts.

24 Q So you don't recall who did the in-kind contribution?

25 A I don't recall.

1 Q You don't recall who did the cash contributions?

2 A I don't recall. I don't recall.

3 Q Ms. Contine, after the regulations were adopted by
4 the Tax Commission, did they then go to the Legislative
5 Commission for any further review, or was all review done with
6 that?

7 COUNSEL: Objection. Form.

8 THE COURT: Overruled.

9 THE WITNESS: Well, doesn't regulations have to be
10 approved by the Legislative Commission?

11 BY MR. PARKER:

12 Q Okay. So that would have been done after they were
13 adopted by the Tax Commission; is that correct?

14 A Yes.

15 Q Okay. When they were reviewed by the Legislative
16 Commission, were there any revisions, modifications or anything
17 else suggested by the Legislative Commission?

18 A I don't know.

19 Q Would you have been the person that should have been
20 informed of any requested changes or revisions?

21 A No. I was gone by then.

22 Q Okay. So you believe that would have happened after
23 you left in January of 2018?

24 A Yes. I believe that it happened after that.

25 Q Okay. So who would actually physically provide the

1 adopted regulations by the Tax Commission to the Legislative
2 Commission?

3 A I'm not sure.

4 Q Would that be you?

5 A No -- I'm not sure. I think it's part of what the
6 legislature does. No, I'm sorry, what was the question,
7 whether from the Tax Commission to the Commission -- to the
8 Ledge Commission?

9 Q Yes. Yes, ma'am.

10 A I honestly don't remember. I don't -- I'm not sure.
11 It would probably be the Department; it might be -- I don't
12 know. I'm sorry. I'd have to look it up.

13 Q So wouldn't you be responsible for making sure that
14 happened, as a Director of the Department of Taxation?

15 A Well, I think there's a process, but I'm just not
16 sure. I just don't recall if it was -- yeah, I mean, I think
17 it would be, but I'm not a hundred percent sure. So I don't
18 know. It might be a legislative thing too. I don't know.

19 Q Sitting here today, do you know if that actually
20 happened?

21 A I believe it happened.

22 Q And what makes you believe that happened?

23 A I'm just assuming that it did happen because the
24 process happens, and I don't -- I know the Ledge Commission
25 heard -- or reviewed them, so --

1 Q How do you know that? And the reason I ask that,
2 Ms. Contine, is because in one breath you indicate you assume
3 it happened because that's what happens. And then another
4 breath you said you believe that they reviewed it. So I need
5 to know definitively --

6 A Well, the regulations wouldn't be adopted and in
7 effect, if the Ledge Commission hadn't of done that. So I
8 believe that the -- I believe that after the Department of
9 Taxation -- I'm sorry, the Tax Commission adopted the
10 regulation, they were sent to the Ledge Commission or to LCB
11 staff in the normal course. And I'm not a hundred percent sure
12 what that normal course is, but I believe that they were sent
13 there, and then I believe the Ledge Commission reviewed them in
14 a public meeting.

15 Q So is it fair to say that you don't have any personal
16 knowledge of the adopted regulations -- or the regulations
17 adopted by the Tax Commission being delivered to the
18 Legislative Commission; is that a fair statement?

19 A I believe that that happened; I just don't know how
20 that happened. I can't recall. I don't remember.

21 Q And if there were changes made by the Legislative
22 Commission, would it then go back to the Tax Commission for
23 approval of those changes?

24 A I'm not sure. I think it would depend on the nature
25 of the changes. I think the Ledge Commission -- it's in

1 statute, I believe, what they can do, so I'm not exactly sure
2 at that level.

3 Q So, Ms. Contine, I'm asking you these questions
4 because I want to get your personal knowledge. You're telling
5 me what the process is, which you told me earlier, so I'm
6 familiar now I believe with the process as you described it
7 earlier.

8 I'm asking you to tell me whether or not you have
9 personal knowledge of the adopted regulations going to the
10 Legislative Commission? Do you know whether or not that
11 actually happened, not what's supposed to happen, but whether
12 or not it did happen?

13 A I don't recall.

14 THE COURT: Shane, how much longer?

15 MR. PARKER: So sitting here today --

16 IT TECH SHANE: It's hard to say, Your Honor, but
17 maybe half hour.

18 THE COURT: So, ladies and gentlemen, we're going to
19 take a short morning recess for about 15 minutes and then come
20 back and finish Ms. Contine's deposition.

21 After we finish Ms. Contine's deposition. What is up
22 next?

23 MR. SMITH: Your Honor, on that point we do have a
24 couple additional clips to play, but not very much.

25 THE COURT: That's fine. I'll ask you at the end.

1 What's next?

2 Mr. Dzarnoski.

3 MR. DZARNOSKI: Yes, Your Honor. Your Honor, we
4 intend on reading portions, designated portions of the
5 transcript of Armen Yemenidjian as the 30(b)6 witness for
6 Integral Associates.

7 THE COURT: Okay.

8 Anything else that you've got planned? Okay.

9 All right. I will see you guys in about 10 to
10 12 minutes.

11 (Proceedings recessed 10:26 a.m. until 10:37 a.m.)

12 (Video deposition of DEONNE CONTINE resumed playing as
13 follows:)

14 (Pause in the proceedings.)

15 BY MR. PARKER:

16 Q Do you recall during the working group, this
17 5 percent background check as to owners being discussed?

18 A I recall that it was discussed and it was a working
19 group recommendation.

20 Q Do you know whether or not Ms. Connor was on that
21 working group that brought forward this 5 percent background
22 check for owners?

23 A I -- I believe she was, just based on my memory from
24 the prior testimony.

25 Q You didn't expect that a applicant who had multiple

1 violations for selling marijuana to an underaged -- underage
2 person, you didn't expect that history to not be a
3 consideration for licensing; is that correct?

4 COUNSEL: Objection to the form.

5 THE COURT: Overruled.

6 COUNSEL: Objection to the form.

7 COUNSEL: Join.

8 COUNSEL: Join.

9 THE WITNESS: I -- I think that the understanding
10 was, at the time, that the -- the scoring would be further
11 fleshed out in the application, and that the record at the time
12 of the application would be reviewed.

13 BY MR. PARKER:

14 Q I couldn't hear the last part, Ms. Contine.

15 A And that whatever record --

16 Q (Inaudible).

17 A -- the -- whatever record, a totality of the record
18 would have been reviewed at the time of -- of review of the
19 application.

20 Q Which would include their compliance, the -- their
21 compliance history, as mentioned in 453D -- NAC 453D; is that
22 correct, that I just read into the record?

23 A Yes.

24 COUNSEL: Object to the form.

25 COUNSEL: Join.

1 COUNSEL: Join.

2 THE WITNESS: Oh, sorry.

3 THE COURT: Overruled.

4 COUNSEL: Okay. Thanks. She said, yes, but --

5 THE WITNESS: I don't --

6 COUNSEL: (Inaudible).

7 MR. SHEVORSKI: I -- I don't know. I don't believe
8 she said yes.

9 MR. PARKER: Ms. Continue, make sure we -- I'm sorry.
10 Linda, can you read back into the record Ms. Contine's last
11 response?

12 COURT REPORTER: Yes.

13 Whatever record -- whatever totality of
14 the record would have been reviewed at the
15 time of review of the application.

16 Let's see. I couldn't hear the last part in here.
17 The answer before that,

18 I think the understanding was, at the
19 time that the scoring would be further
20 fleshed out in the application, and that the
21 record at the time of the application would
22 be reviewed.

23 After that?

24 MR. PARKER: Yeah. After that, which was the next
25 question and answer.

1 COURT RECORDER: Which would include their
2 compliance, their compliance histories, as mentioned in 453D,
3 NAC 453D, is that correct, that I just read into the record?

4 And then there's an objection. I don't have an
5 answer to that.

6 MR. PARKER: Okay. Thank you.

7 BY MR. PARKER:

8 Q What was your answer to that, Ms. Contine?

9 A I think it would -- I think it would be reviewed
10 in -- the totality of the record would be reviewed, yes, in
11 conjunction with --

12 Q Thank you.

13 A -- the regulatory requirements.

14 Q Was there any consideration, to your knowledge,
15 regarding the impact to the community based upon a physical
16 address?

17 COUNSEL: Object to the form.

18 THE COURT: Overruled.

19 COUNSEL: Join.

20 COUNSEL: Join.

21 THE WITNESS: I think it was a general community.

22 BY MR. PARKER:

23 Q Okay, and when you say community, are you referring
24 to all of Clark County, all of Northern Nevada? What do you --
25 how do you define community?

1 MR. BICE: Objection as to the form.

2 THE COURT: Overruled.

3 MR. BICE: Are you asking -- are you -- are you
4 asking her how she defines it?

5 MR. PARKER: She.

6 MR. BICE: Okay. Sorry.

7 MR. PARKER: No worries. I'm trying to deal with the
8 objection from Mr. Shevorski to make this a -- her question as
9 opposed to a departmental question.

10 MR. BICE: Understood.

11 MR. PARKER: All right. I think you understood that.

12 MR. BICE: Um-hum.

13 MR. PARKER: Okay, good. All right.

14 BY MR. PARKER:

15 Q So, Ms. Continue, again, could you answer that
16 question for me?

17 How do you define communities that are -- in relation
18 to how you just used the word "community" to my -- my prior --
19 my prior question? Sorry.

20 A I -- I don't believe that that provision is in the
21 regulation. I think it was something that the Department did
22 in the application process under general provisions.

23 And I -- I -- I believe -- I don't -- I'm not quite
24 sure what they were trying to get at there, but I think --
25 again, I think it was the general community and, generally,

1 what would you do that would be positive for the community that
2 you operate in.

3 Q And was that -- let me say it this way. Looking at
4 the NAC, there -- there is no definition of community. And so
5 that's why I asked, what was your understanding of community
6 the way you're --

7 A That -- that was --

8 Q -- using it.

9 A -- was my understanding, what I -- what I just
10 (inaudible).

11 Q And so -- so how general -- how generally are you
12 applying the word "community"? Are you saying the whole
13 community of Nevada? Are you referring to a jurisdiction? How
14 are you using community?

15 A Just in, and again, the general way. Like, you're
16 operating in a certain area; what are you doing for that area.
17 Or what are your plans, or what are some of the things that
18 you've done.

19 I don't -- I -- I guess it could be up to a small
20 community that you're in, a -- a larger community, or the
21 State, you know, I think it's broad.

22 Q Okay. So if you're applying for a license in Clark
23 County, unincorporated Clark County, would your definition of
24 community include all of unincorporated Clark County? How are
25 you --

1 A It could, yeah.

2 Q What is your understanding?

3 MR. SHEVORSKI: Hold on. Hold on. Are you asking
4 her understanding or --

5 MR. PARKER: Her understanding.

6 MR. SHEVORSKI: Okay. Fair.

7 MR. BICE: Then I'll object --

8 THE COURT: Overruled.

9 Mr. BICE: -- to that on the grounds of relevance.
10 Go ahead.

11 MR. PARKER: All right.

12 BY MR. PARKER:

13 Q So, Ms. Contine, you're saying if you're applying for
14 a license in unincorporated Clark County, your definition of
15 community impact would include all of unincorporated Clark
16 County; is that correct?

17 A I think I said it could include your small community,
18 a community that you operate in, a -- a larger community, or
19 the State. It could be -- again, I think there's some
20 broadness there.

21 Q Okay. And would it be fair to say, Ms. Contine, that
22 if you include a physical address, that it would allow the
23 Department to determine the community that you're seeking to
24 serve?

25 A I think, again, generally, that there was a

1 requirement to -- to pick jurisdiction, so I think you could
2 consider it a community. And if it's broad, you would just
3 include your -- your plans.

4 Q All right. And in terms of -- in terms of community
5 impact, was that any consideration, to your knowledge, in how
6 you created the regulation?

7 A I -- I -- I mean, I may be mistaken, but I don't
8 think that's actually in the regulation. I'm -- I -- but I --
9 again, I'm not a hundred percent sure. I think that the
10 Department -- and this was after I left -- included that in the
11 application, under a broader authority, they have to request
12 information.

13 Q Okay. I'm -- again, I'm trying to relegate my
14 questions to you, and I know you left in January of 2018.

15 So I don't want you to speculate, if I can avoid --
16 if you can avoid it, regarding what happened after you left.

17 MR. SHEVORSKI: Again, Mr. Parker, quite correctly is
18 only asking for your knowledge. Please don't testify about
19 what you may speculate have occurred after you left.

20 BY MR. PARKER:

21 Q Do you understand, Ms. Contine?

22 MR. SHEVORSKI: Is that fair, Teddy?

23 MR. PARKER: That is fair.

24 BY MR. PARKER:

25 Q Ms. Contine, did you understand Mr. Shevorski's

1 admonition?

2 A Yeah.

3 Q All right. And so the point being is, what would be
4 a consideration you had in developing the regulations that
5 would affect or address an impact in the community for a
6 potential recreational marijuana establishment?

7 A I don't recall that that was addressed.

8 Q In terms of identifying owners, officers and board
9 members, do you recall any regulation that required you to only
10 list owners with -- that had a 5 percent or greater interest,
11 or did you have to list them all, even didn't background check,
12 those who had 5 percent or greater interest?

13 MR. SHEVORSKI: Object to form.

14 THE COURT: Overruled.

15 BY MR. PARKER:

16 Q What's your recollection of that, Ms. Contine?

17 MR. SHEVORSKI: Same objection.

18 THE WITNESS: To the best of my recollection, it was
19 that they -- they would be listed.

20 BY MR. PARKER:

21 Q All right. Same with all board members and officers;
22 is that correct?

23 MR. SHEVORSKI: Object to form.

24 THE COURT: Overruled.

25 THE WITNESS: That -- that's my understanding, yes.

1 MR. PARKER: Perfect.

2 BY MR. PARKER:

3 Q And would you agree with me that the only way you
4 would be able to determine if an officer, owner or board member
5 had a conviction or an excluded felony offense would be to
6 identify them for purposes of the Department actually deciding
7 or not deciding to background check those officers, owners and
8 board members?

9 MR. SHEVORSKI: Object to the form.

10 THE COURT: Overruled.

11 THE WITNESS: My understanding is that they would
12 have been included.

13 EXAMINATION

14 BY MR. BICE:

15 Q Ms. Contine, this is Todd Bice. Can you hear me
16 okay?

17 A Yes.

18 Q Thank you. I just have just a few questions for you.
19 And now, some of these, I know that you've answered
20 sort of indirectly, but I kind of want to get some
21 clarification and make sure it's all consistent with your
22 (inaudible).

23 UNIDENTIFIED SPEAKER: Excuse me. Excuse me, Mr.
24 Bice. She would like to see you. She would like to see you.

25 MR. BICE: All right.

JD Reporting, Inc.

1 UNIDENTIFIED SPEAKER: I just -- I'm fine with not
2 seeing him, but I just didn't know if the court reporter needed
3 to see. No, that's okay. I -- I mean, I just want to stop and
4 make sure.

5 MR. BICE: Yeah, rest assured, she -- the last time
6 she saw me, she didn't want to see me then either, so I'm okay
7 with her (inaudible).

8 BY MR. BICE:

9 Q So, Ms. Contine, in -- I know that you left the
10 Department in January of 2018; correct?

11 A Yes.

12 Q Okay. So after January of 2018, you were not
13 involved in the interpretation or implementation of any of the
14 Department's regulations; correct?

15 A Correct.

16 Q You had no authority to interpret or implement the
17 Department's regulations after January 2018; correct?

18 COUNSEL: Object to form.

19 THE WITNESS: Correct.

20 BY MR. BICE:

21 Q Okay. And prior to your departure, the Agency does
22 interpret and implement its own regulations, correct, when you
23 are at the Department of Tax?

24 A Yes.

25 COUNSEL: Objection to form.

1 THE COURT: Overruled.

2 BY MR. BICE:

3 Q And since you left in January of 2018, you were not
4 there at the Department when the Nevada Supreme Court gave the
5 Nuleaf (phonetic) decision, were you?

6 COUNSEL: Object to the form.

7 THE COURT: Overruled.

8 THE WITNESS: I -- I don't know that decision, so I
9 don't --

10 BY MR. BICE:

11 Q Okay. It wasn't a subject matter while you were
12 there; correct?

13 A I don't think so. I -- I don't recall.

14 Q Okay. And you were not involved then in any of the
15 interpretations of the Department's regulations or
16 implementation of those regulations throughout then the
17 applications; correct?

18 A Correct.

19 Q So, Ms. Contine, in -- I know that you left the
20 Department in January of 2018; correct?

21 A Yes.

22 Q Okay. So after January of 2018, you were not
23 involved in the interpretation or implementation of any of the
24 Department's regulations; correct?

25 A Correct.

1 Q You had no authority to interpret or implement the
2 Department's regulations after January 2018; correct?

3 COUNSEL: Object to form.

4 THE COURT: Overruled.

5 THE WITNESS: Correct.

6 BY MR. BICE:

7 Q Okay. And prior to your departure, the Agency does
8 interpret and implement its own regulations, correct, when you
9 were at the Department of Tax?

10 A Yes.

11 COUNSEL: Object to form.

12 EXAMINATION

13 BY MR. WIGHT:

14 Q I do have a couple of questions, but I have here, the
15 Governor's Task Force, the Final Report and I think you should
16 have been provided one or you should have one available there.

17 A Okay.

18 Q Do you have it with you?

19 A I think it's sitting here, yes.

20 Q Okay. Great.

21 BY MR. WIGHT:

22 Q Okay. Great. And it says on the front, Governor's
23 Task Force on the Implementation of Questions to the Regulation
24 and Taxation of Marijuana Act, Final Report.

25 Is that what yours says on the front?

JD Reporting, Inc.

1 A Yes.

2 Q Are you familiar with this document?

3 A Yes.

4 Q Correct. If you'll turn to page one, past the Roman
5 numerals, is that your signature on the bottom left-hand corner
6 of that?

7 A Sorry.

8 Q It's all right.

9 A Yes, mine and Chuck Callaway's (phonetic), yes.

10 Q I do have a couple of questions, but I have here the
11 Governor's Task Force, the Final Report, and I think you should
12 have been provided one and you should have one available there.

13 A Okay.

14 Q Do you have it with you?

15 A I think it's sitting here, yes.

16 THE COURT: We're in a loop again, Shane.

17 BY MR. WIGHT:

18 Q Okay. Great.

19 IT TECH: What's that?

20 THE COURT: That's another loop.

21 UNIDENTIFIED SPEAKER: And, Your Honor, while we have
22 it paused, I believe the document the witness is referring to
23 is Trial Exhibit 3000, which is has been admitted.

24 THE COURT: Thank you. Let's see if there's any more
25 after this part about does she have the Governor's Report

1 and -- or Task Force.

2 BY MR. WIGHT:

3 Q And it says on the front, Governor's Task Force on
4 the Implementation of Questions to the Regulation and Taxation
5 of Marijuana Act, Final Report.

6 Is that what yours says on the front?

7 A Yes.

8 Q Are you familiar with this document?

9 A Yes.

10 IT TECH: You're right, Your Honor. It's going to
11 start after 153:18 there will be new content.

12 THE COURT: Good luck.

13 BY MR. WIGHT:

14 Q Correct. Can you turn to page one past the Roman
15 numerals.

16 Is that your signature on the bottom left-hand corner
17 of that?

18 A Sorry.

19 Q It's all right.

20 A Yes. Mine and Chuck Callaway's, yes.

21 Q Okay. We'd like to mark this as the next exhibit.
22 I'm not sure what number we're on.

23 COURT REPORTER: I think we're on 400. Does that
24 sound right?

25 / / /

1 BY MR. WIGHT:

2 Q We're on 400?

3 COUNSEL: No, we're on (inaudible).

4 COUNSEL: No.

5 COUNSEL: Yeah, we're on (inaudible).

6 COUNSEL: We should be in the 100s somewhere.

7 COURT REPORTER: What calendar, because the last one
8 we marked in Reno was 137, but my calendar told me today to
9 start on 400, so -- so I just --

10 COUNSEL: Okay. Give us -- let's check just to make
11 sure.

12 COURT REPORTER: Okay. I can mark it later. We can
13 mark it now as --

14 COUNSEL: Why --

15 COURT REPORTER: -- an exhibit.

16 COUNSEL: Yeah.

17 COUNSEL: Okay. (Inaudible)

18 COUNSEL: Can we get -- yeah, can we mark it later?

19 COURT REPORTER: Yes.

20 COUNSEL: Yeah.

21 COUNSEL: Yeah, let's mark it later.

22 COUNSEL: We'll just refer to it -- do you have a
23 Bate number on it (inaudible)?

24 MR. WIGHT: Not on this one, but I just printed it
25 off the Internet.

1 COURT REPORTER: Not on this one.

2 MR. WIGHT: They're -- it has been produced with our
3 Bates numbers on it, but this one I just grabbed it off of --
4 off the Internet.

5 COUNSEL: Okay.

6 COURT REPORTER: We'll just call it Exhibit A for
7 today --

8 COUNSEL: Yeah.

9 COURT REPORTER: -- and then I'll change it later.

10 COUNSEL: (Inaudible).

11 BY MR. WIGHT:

12 Q (Inaudible). Ms. Contine, if you will turn with me
13 real fast to page 114 in there, and let me know when you reach
14 that page.

15 A Got it.

16 Q Okay. So this is -- on the Table of Contents it says
17 that this is the Task Force recommendations. So this is a list
18 of different recommendations from the Task Force.

19 Is that your understanding?

20 A Yes. Well, this is -- so these would have been the
21 working group recommendations that were adopted by the Task
22 Force.

23 Q Okay. So this is a the working group -- group's
24 recommendations. And the working group is, it says on the top,
25 the working group is Taxation/Revenue/Regulatory Structure

1 Working Group; is that correct?

2 A Yes.

3 Q And it says on here the individual sponsors of this
4 recommendation are John Ritter, Advisory Board Member of TGIG,
5 LLC, (inaudible) and David Goldwater from Inyo Fine Cannabis
6 Dispensary. And is that correct?

7 A Yes.

8 Q Now, what does -- what does -- what does it mean,
9 these individual sponsors? What role did they play in these
10 recommendations?

11 A So they would have been the key participants in the
12 working group. So if -- if somebody had a proposal they -- the
13 process was that you would -- it would be discussed. It -- it
14 would likely be agendaized, it would be discussed. And it --
15 the discussion would be reduced to this report, to these -- I'm
16 sorry, these recommendations.

17 And then they would be, you know, voted on in the --
18 in the working group and then -- and then reading by and
19 approved by the Task Force.

20 Q Okay. So the language on page 114 and 115, that
21 looks like it says, Ownership issues less (inaudible)
22 requirement.

23 That's the totality of the recommendation from -- on
24 this issue from the Taxation Group; is that correct?

25 A Yes, from the ownership, licensing, issues a

1 licensing requirements working group.

2 Q And the two individual sponsor, John Ritter and David
3 Goldwater, they would have signed off on this language
4 contained on page 114 and page 115; is that correct?

5 A They -- they would have -- they would have drafted
6 and/or presented it in their working group or discussed it in
7 their working group and then presented it to the Task Force.

8 Q Okay. So they would have been the ones responsible
9 for drafting the language contained on these (inaudible); did I
10 hear that correctly?

11 A They -- they -- they would have some role in it. I
12 mean, if they had language or they might, again, working with
13 the facilitator, kind of have a general understanding and
14 the -- the facilitator would draft up the -- through discussion
15 the -- the facilitator, or sometimes, I believe, the actual
16 working group members would draft, you know, would type up or
17 draft up, and then send it to the facilitator to format, or
18 sometimes the facilitator would take the comments in the
19 discussion that occurred at a working group meeting and kind
20 of, you know, flesh out, like -- and essentially write it up
21 as -- so it was one of those ways.

22 Q Okay. And so (inaudible) number 3 says, describe the
23 recommendations and a -- the Taxation Regulatory structure
24 working group recommends that the following changes relative to
25 recreational marijuana establishment licensee ownership issues

1 be made from the current medical marijuana establishment rule.

2 And then under Subsection A it says, Require only
3 owners with 5 percent or more (inaudible) individually, and
4 then it says, see below for the definition of that word.
5 Officers and board members of the company holding the licenses
6 be fingerprinted, be required to undergo background checks and
7 resubmit a new application for license renewal.

8 Did I read that correctly?

9 A Yes.

10 Q And you testified beforehand that in this Governor's
11 Task Force -- Force, well, on your time there, did the
12 5 percent rule that we've been referring to, was discussed in
13 that working group; is that -- or is that in the Task Force
14 generally; is that correct?

15 A Yes.

16 Q And is that Subsection A, is that the recommendation
17 from the working group that you were referring to when you said
18 the 5 percent rule was discussed in the Governor's Task Force?

19 A Yes.

20 Q So the individual sponsors, John Ritter and David
21 Goldwater, were involved in recommending that 5 percent rule
22 then; is that correct?

23 A That's correct.

24 Q And moving on to Number 4, it says,
25 Which guiding principles is a

1 recommendation (inaudible) the Guiding
2 Principle Number 2 be responsive to the needs
3 and issues of consumers, non-consumers, local
4 government and the industry; and Guiding
5 Principle Number 4, proposed efficient and
6 effective regulation that is clear and
7 reasonable and not unduly burdensome.

8 Did I read that correctly?

9 A Yes.

10 Q And what do -- where -- where did those guiding
11 principles, where were they derived?

12 A I think there might be a -- I don't -- I kind -- I
13 don't remember. I think there was a process that maybe was
14 discussed in the front part of the report.

15 But basically, through the language of the -- the
16 initiative. I actually think both of those are in the
17 Initiative. I'm not 100 percent sure, though.

18 Q Okay. If --

19 A But --

20 Q -- you don't know, that's fine.

21 And then moving on to Section 5, the second part of
22 Section 5 -- or it says, Section 5 says, what provision to the
23 Question 2 does the recommendation apply to.

24 And the second paragraph that's on that says,
25 Section 5, paragraph 1, of (inaudible) one states that, The

1 regulations must not prohibit the operation of marijuana
2 establishments, either expressly or through regulations that
3 make their operation unreasonably (inaudible).

4 Did I read that correctly?

5 A Yes.

6 Q Is -- is it your understanding that the working group
7 stated that the provision of question 2, the recommendation of
8 5.2, and -- included that paragraph because they believed that
9 there would be unreasonability, impracticable -- impractical,
10 sorry, to require certain licensees to have background check
11 completed on owners with a less than 5 percent interest in the
12 company?

13 COUNSEL: Object as to form.

14 THE COURT: Overruled.

15 THE WITNESS: Yeah, I mean, that's the -- that's what
16 it says, yes.

17 BY MR. WIGHT:

18 Q Thanks. And John Ritter and David Goldwater, they
19 signed off on -- on that section, as well? Is that your
20 understanding?

21 A Yes.

22 Q Okay. Number 6 says, What issues does the
23 recommendation resolve? And it says, To allow companies that
24 own marijuana establishment licenses in which there are
25 multiple owners that own less than 5 percent, in some cases,

1 far less, to be able to operate practically and efficiently, to
2 allow companies that own marijuana establishment licenses to
3 function based on their governing documents as companies are
4 allowed to do in other industries.

5 Did I read that correctly?

6 A Yes.

7 Q And is it your understand that John Ritter and David
8 Goldwater signed off on that language to include in that
9 recommendation?

10 A Yes.

11 COUNSEL: Object as to form.

12 THE COURT: Overruled.

13 BY MR. WIGHT:

14 Q And if John Ritter and David Goldwater -- either John
15 Ritter or David Goldwater later stated that they believe that
16 the 5 percent rule that we've been speaking of, violates the
17 statute or was improper, would you consider that to be a change
18 in their stance on the issue?

19 COUNSEL: Object to form.

20 THE COURT: Overruled.

21 COUNSEL: Object to form.

22 THE WITNESS: Yes.

23 BY MR. WIGHT:

24 Q Okay. Moving on to Number 7, and I'm almost done,
25 says, Was there dissent from the group regarding the

1 recommendation, did (inaudible) actually provided summary to
2 the dissenting opinion regarding the recommendation that there
3 was no dissent.

4 What -- what's your understanding of what that means,
5 that there was no (inaudible)?

6 A So they would have discussed it in the working group
7 and on some of the -- the working group reports they -- there
8 would be dissent and so they would highlight or -- and -- and
9 indicate their dissent.

10 Q Okay. So that means that in the working group there
11 was no assent on this recommendation; is that correct?

12 A Correct.

13 Q That neither John Ritter nor David Goldwater objected
14 to this recommendation; is that what that means?

15 A Yeah, or no one did in the group. Yeah. Including
16 them.

17 Q Do you remember if there was any dissent to that five
18 percent rule in the Task Force outside of the working group?

19 A I -- I don't remember any dissent through the whole
20 process.

21 Q Okay. Do you -- do you know how this working group
22 recommendation was presented to the Task Force as a whole?

23 A The process --

24 Q Were they in a public meeting?

25 A Yes.

1 Q And the public was allowed to attend?

2 A Yes.

3 Q Do you remember hearing any dissent to the 5 percent
4 rule in that public hearing?

5 A I -- I don't recall, but I -- I don't recall that
6 there was any dissent throughout the process.

7 Q In all your time -- in all your time at the
8 Department of Taxation, do -- do you recall ever hearing any
9 party dissent to the 5 percent rule, or claim that it was
10 contrary to the statute in any way?

11 A I did not.

12 Q Ms. Contine, if you'll turn with me real fast to
13 page 114 in there, and let me know when you reach that page.

14 A Got it.

15 Q Okay. So this is -- on the Table of Contents it says
16 that this is the Task Force recommendation, so this is a list
17 of different recommendations from the Task Force; is that your
18 understanding?

19 A Yes. Well, this is -- so these would have been the
20 working group recommendations that were adopted by the Task
21 Force.

22 Q Okay. So this --

23 (Video deposition ends.)

24 IT TECH: Your Honor, this is a repetition. We've
25 actually completed with deposition (inaudible).

1 THE COURT: Are there any additional portions that
2 you would like to play at this time, Mr. Smith?

3 MR. SMITH: No, Your Honor. (Inaudible).

4 THE COURT: Great. Thank you. That concludes the
5 playing of the Deposition of Ms.

6 Contine. I understand there is a deposition we're
7 going to read the traditional old fashioned way, Mr. Dzarnoski?

8 Maybe not. What's the plan, Mr. Dzarnoski?

9 MR. DZARNOSKI: Yes, Your Honor. During the break, I
10 was able to confer with Mr. Bice and Jordan -- Mr. Smith --
11 sorry. And I'm -- we're trying to incorporate
12 counter-designations so that it can all be read at once and
13 save some time.

14 So instead of doing an immediate reading, we'd like
15 to go to the videotape of Mr. Anderson to give us time to -- to
16 coalesce the stuff for Mr. Yemenidjian. And yes, it will be
17 done the old fashioned way with Mr. Yemenidjian.

18 THE COURT: Anybody have any objection to going to
19 Mr. Anderson?

20 MS. LEVIN: Your Honor, the only thing the -- from
21 the State, I would say that we -- the State has not received --
22 did not receive his deposition until yesterday, his transcript.
23 It was held on July 2nd.

24 And so I know that Mr. Anderson has some corrections
25 to make, albeit minor, but he has some corrections, so that

1 would be my only objection.

2 THE COURT: Okay. Why do you believe he has
3 corrections to make?

4 MS. LEVIN: I'm sorry, Your Honor?

5 THE COURT: Why do you believe he has corrections to
6 make?

7 MS. LEVIN: Because the -- the -- the Department,
8 we -- under -- we represented him at the deposition. And so he
9 was represented by counsel and -- and he has indicated that he
10 has a few corrections to make.

11 THE COURT: And when do you anticipate he will make
12 those changes?

13 MS. LEVIN: I -- I -- I'm hoping within a day,
14 because he's already -- I know he's -- he -- I forwarded it
15 immediately when I got the transcript, I forwarded it to Mr.
16 Anderson.

17 THE COURT: Okay. So I've got an issue with that.
18 Mr. Dzarnoski, I've got to give the witness an opportunity, if
19 he's indicated he's going to make some changes and given the
20 timing --

21 MR. DZARNOSKI: Well, Your Honor, they -- we have two
22 things to present today, one is Mr. Anderson. I -- I don't
23 believe there's anything after Mr. Anderson.

24 And we have Mr. Yemenidjian.

25 THE COURT: Okay. How long is Mr. Yemenidjian's

1 testimony?

2 MR. DZARNOSKI: It's very hard to tell from reading.
3 It was seven hours there. But as you know --

4 THE COURT: Are you going to --

5 MR. DZARNOSKI: -- reading it would be --

6 THE COURT: -- read the whole thing?

7 MR. DZARNOSKI: -- less. An hour and a half.

8 THE COURT: Are you going to read the whole thing?

9 MR. DZARNOSKI: No.

10 THE COURT: Okay.

11 MR. DZARNOSKI: Hour and a half, hour, to an hour-
12 and-a-half.

13 THE COURT: So would you like to break early for
14 lunch to allow you to resolve those issues and start 12:30?

15 MR. DZARNOSKI: That would be very much appreciate,
16 Your Honor.

17 THE COURT: Anybody have a problem with that? Okay.
18 So we'll break for lunch early. It's 11:11.

19 We'll resume at 12:30. Hopefully, we will have the
20 depo of Mr. Yemenidjian ready, and Mr. Anderson we're going to
21 skip.

22 If we finish Mr. Yemenidjian, we will all go home, if
23 you have nothing else.

24 MR. DZARNOSKI: You mean, we'll all go to the office.

25 THE COURT: Not me. I'm not going to the office.

1 I've been specifically told not to go to the office.

2 MR. DZARNOSKI: Thank you.

3 (Proceedings recessed at 10:52 a.m. until 12:20 p.m.)

4 THE COURT: All right. Mr. Hunt, if you'd raise your
5 right hand, we're going to swear you in.

6 **JOHN A. HUNT**

7 [having been called to read the answers of the deponent as set
8 forth in the deposition in response to the questions therein
9 asked by counsel, read as follows:]

10 THE CLERK: Please state and spell your own name for
11 the record.

12 THE WITNESS: My full name is John A. Hunt. Bar
13 Number 1888.

14 THE COURT: Are you going to read from the TV screen?

15 MR. HUNT: This one?

16 THE COURT: I don't know.

17 MR. HUNT: Yeah, this looks good.

18 THE COURT: Is that where you're reading from?

19 MR. HUNT: I think so.

20 THE COURT: Okay.

21 MR. HUNT: I'm good.

22 THE COURT: If you'll tell the witness the page and
23 lines for him to go read.

24 MR. DZARNOSKI: Are -- Shane has kindly already got
25 everything pulled out, page and line numbers and these --

1 THE COURT: So Mr. Hunt doesn't have to search
2 through the transcript. He's just going to have it appear on
3 the screen and read the answers portion.

4 MR. DZARNOSKI: Correct.

5 THE COURT: And you're going to read the question
6 portions?

7 MR. DZARNOSKI: Yes.

8 THE COURT: You're asking what is your name please
9 line.

10 MR. DZARNOSKI: I'm sorry, Your Honor.

11 THE COURT: What is your name, please?

12 MR. DZARNOSKI: Yes, that's -- that is the first --
13 that will be the first question, but I wanted to advise the
14 Court that this is also the counterdesignations by Integral
15 Associates. We've coordinated them together so we don't have
16 to piecemeal everything and make everything very confusing.

17 THE COURT: And I got that from Mr. Smith.

18 MR. DZARNOSKI: Okay. Thank you. I didn't hear
19 Mr. Smith. A product of age.

20 And this is the deposition testimony of Armen
21 Yemenidjian as a 30(b)(6) witness for Integral Associates taken
22 on Monday, February 17th, 2020.

EXAMINATION

BY MR. DZARNOSKI:

"Q What is your name, please?

"A My name is Armen Yemenidjian.

"Q And we talked or met just before the deposition, sir, and I have a difficult last name. You have sort of a difficult last name. Is it all right if I call you Armen throughout the day?

"A I'd prefer that.

"Q Okay. Very good. No disrespect intended. If I ask you some questions and you change your mind and want me to start saying Mr. Yemenidjian, I will do my best.

"A Let's see how they go first.

"Q Are you familiar with KHOD Holdings LLC?

"A Yes.

"Q What is KHOD Holdings LLC?

"A KHOD Holdings was a 50 percent owner in Integral Associates.

"Q It says on the first page, LLC; do you recognize that KHOD Holdings is a limited liability company?

"A I do.

"Q And is it formed in Nevada to your knowledge?

"A To my knowledge, yes.

"Q And you said KHOD Holdings was -- what did you say it owned?

1 "A It was a member. It was the only member of the --
2 of Integral Associates.

3 "Q Integral Associates LLC of Nevada?

4 "A Yes.

5 "Q Okay. And you say KHOD Holdings owned 50 percent
6 of the membership interests of Integral Associates of Nevada?

7 "A Depending on the timing, yes.

8 "Q Okay. As of the date of filing the applications
9 for Essence Tropicana LLC and Essence Henderson LLC with the
10 Department of Taxation, was KHOD Holdings a 50 percent member
11 of Integral Associates of Nevada?

12 "A Yes.

13 "Q All right. KHOD Holdings as of September 20th of
14 2018, who owned KHOD Holdings?

15 MR. SMITH: Objection. Relevance.

16 THE COURT: Overruled.

17 THE WITNESS: I'm sorry, sir, you said as of
18 September 20th of 2018?

19 BY MR. DZARNOSKI:

20 "Q Correct.

21 "A It was a 50 percent myself and 50 percent by the
22 Yemenidjian Living Trust.

23 "Q So you personally had a 50 percent ownership
24 interest of KHOD Holdings?

25 "A Yes.

1 "Q And then you mentioned a trust. What was the name
2 of the trust?

3 "A The Yemenidjian Living Trust.

4 "Q When somebody forms a trust, typically there's a
5 person that forms it. I know the person who forms the trust to
6 be the grantor. It's the person who puts whatever assets in
7 it. So when I use the word grantor, I want you to understand I
8 am asking about who it is who established the trust to begin
9 with and funded it with assets. Okay?

10 "A Yes.

11 "Q Do you know who the grantor of the Yemenidjian
12 Living Trust was?

13 "A Yes.

14 MR. SMITH: Objection. Relevance.

15 THE COURT: Overruled.

16 BY MR. DZARNOSKI:

17 "Q And who is that?

18 "A Alex Yemenidjian.

19 "Q Obviously the last name is the same as yours. What
20 is the relationship between you and Alex?

21 "A He's my father.

22 "Q Okay. Do you know who the trustee of the
23 Yemenidjian Living Trust was as of September 20th of 2018?

24 MR. SMITH: Objection. Relevance.

25 THE COURT: Overruled.

JD Reporting, Inc.

1 THE WITNESS: I don't recall.

2 BY MR. DZARNOSKI:

3 "Q Do you know what a trustee of a trust is?

4 "A Yes.

5 "Q Tell me what you believe to a trustee is?

6 "A The trustee would be the person responsible for
7 carrying out the will or desires of the trust.

8 "Q Okay. I'm going to accept that definition. So as
9 I use the word trustee, we're both talking about the same
10 thing. Are you the trustee of the Yemenidjian Living Trust?

11 "A I don't believe so.

12 "Q Is Alex the trustee of the Yemenidjian Living
13 Trust?

14 "A I don't -- I don't know.

15 "Q Well, from time to time, the members of the limited
16 liability company need to either -- may need to meet, sign
17 resolutions and agree to various things; right?

18 "A Correct. Sorry. I didn't know if that was a
19 question.

20 "Q Do you recall it ever happening that the members of
21 KHOD Holdings needed to come to any kind of an agreement or
22 take any action or sign any kind of resolutions to authorize
23 activities?

24 "A I think we had to sign this; right? The purchase
25 agreement.

1 "Q This being the membership purchase agreement I
2 would guess, that was going to be my question.

3 "A Sign this.

4 "Q I'm sorry?

5 "A Right.

6 THE COURT: It says, "indicating."

7 BY MR. DZARNOSKI:

8 "Q Yes?

9 "A Sign this.

10 "Q Okay. Who signed it on behalf of who authorized
11 KHOD Holdings LLC to enter into the membership purchase
12 agreement on behalf of the Yemenidjian Living Trust?

13 MR. SMITH: Your Honor, I'm going to lodge a
14 relevancy objection to the membership [indiscernible] had to do
15 with an unrelated transaction.

16 THE COURT: Overruled.

17 THE WITNESS: To the best of my recollection I
18 believe it was Alexandra Yemenidjian and Alex Yemenidjian.

19 MR. DZARNOSKI: I think you added a word, "and" there
20 that's not present. Would you re-read that.

21 THE WITNESS: To the best of my recollection I
22 believe it was Alejandro Yemenidjian and Alex Yemenidjian.

23 THE COURT: No. It's a comma.

24 MR. HUNT: Oh, comma. I didn't -- do you want me to
25 put that comma in?

1 MR. DZARNOSKI: Would you try one more time, sir.

2 THE WITNESS: To the best of my recollection, I
3 believe it was Alejandro Yemenidjian, comma, Alex Yemenidjian,
4 period.

5 BY MR. DZARNOSKI:

6 "Q Have you known anybody other than Alex to ever take
7 action on behalf of the Yemenidjian Living Trust to authorize
8 or direct any activities of KHOD Holdings?

9 "A No, period.

10 "Q Do you know --

11 MR. DZARNOSKI: You don't have to repeat the
12 punctuation, sir.

13 THE COURT: That was Mr. Hunt's sense of humor not
14 the deponent.

15 MR. DZARNOSKI: Okay.

16 MR. HUNT: You're on line 13.

17 BY MR. DZARNOSKI:

18 "Q Do you know who the beneficiaries are of the
19 Yemenidjian Living Trust?

20 "A No.

21 "Q As the licensed Integral Associates of Nevada owns
22 licenses, a license or multiple licenses for cannabis
23 establishments in Nevada; correct?

24 "A Correct.

25 "Q Has Integral Associates ever inquired of KHOD

1 Holdings LLC who the beneficiaries are of the Yemenidjian
2 Living Trust?

3 "A Could you please repeat the question.

4 "Q Could you please repeat the question.

5 MR. DZARNOSKI: The last question was read back by
6 the reporter as follows:

7 Has Integral Associates ever inquired of
8 KHOD Holdings LLC who the beneficiaries are
9 of the Yemenidjian Living Trust?

10 THE WITNESS: Other than what was provided to the
11 State, comma, no.

12 BY MR. DZARNOSKI:

13 "Q What was provided to the State that identified the
14 beneficiaries of the Yemenidjian Living Trust?

15 "A Whatever documentation the State requires.

16 "Q What is that to your knowledge?

17 "A I don't recall.

18 "Q Do you know of any document that was submitted by
19 Integral Associates to the Department of Taxation that
20 identified the beneficiaries of the Yemenidjian Living Trust as
21 of September 20th, 2018?

22 "A I don't recall.

23 "Q Who would know on behalf of Integral Associates of
24 Nevada whether or not the Department of Taxation was ever
25 advised as to the beneficiaries of the Yemenidjian Living

1 Trust?

2 "A I assume Alex Yemenidjian.

3 "Q Why do you assume it would be Alex?

4 "A Because it's his living trust.

5 "Q Do you know anything about GV Health Partners LLC?

6 "A I do.

7 "Q What do you know about it?

8 "A I know that it was an entity owned by Brian
9 Greenspun and that GV Health Partners was a 50-50 partner with
10 KHOD in the Integral Assets.

11 "Q And when you say GV Health Partners was owned by
12 Brian Greenspun do you believe that he owned it in his personal
13 name, or did he own it perhaps in a trust? Do you know
14 anything about how he held the ownership position?

15 MR. KOCH: Objection. Speculation.

16 THE COURT: Overruled.

17 THE WITNESS: I believe, comma, to the best of my
18 knowledge, comma, that he was the owner.

19 BY MR. DZARNOSKI:

20 "Q Personally?

21 "A I believe so.

22 "Q And you say to the best of your knowledge you
23 believe that. Do you believe that because he told you that?

24 "A I believe that because that's what I remember from
25 years ago.

1 "Q Are there any documents that are maintained by
2 Integral Associates that identify who the owners of Green
3 Valley or I'm sorry, GV Health Partners LLC are?

4 "A Yes.

5 "Q And what are those documents?

6 "A I'm sorry, did you say what or where?

7 "Q What. Identify what documents there are.

8 "A I would assume that those documents would be
9 whatever the ownership was that was provided to the State of
10 Nevada.

11 "Q But you didn't review any of those documents as
12 part of your preparation for this testimony today; right?

13 "A That's correct.

14 "Q Are the members that are in the membership interest
15 purchase agreement the same as the members of KHOD Holdings and
16 GV Health Partners that we've already discussed?

17 MR. BICE: Object, Your Honor, on the grounds of
18 relevancy.

19 THE COURT: Overruled.

20 THE WITNESS: Can you repeat the question, please.

21 MR. DZARNOSKI: The last question was read back by
22 the reporter as follows:

23 Are the members that are in a membership
24 interest purchase agreement the same as the
25 members of KHOD Holdings and GV Health

1 Partners that we've already discussed?

2 THE WITNESS: Yes.

3 BY MR. DZARNOSKI:

4 "Q Is there anyone who is considered a member under
5 the membership interest purchase agreement that is not a member
6 of KHOD Holdings or GV Health?

7 "A Can you repeat that question too, comma, please.

8 MR. DZARNOSKI: The last question was read back by
9 the reporter as follows:

10 Is there anyone who is considered a
11 member under the membership interest purchase
12 agreement that is not a member of KHOD
13 Holdings or GV Health?

14 "MR. BICE: As of the date of this agreement?

15 "MR. DZARNOSKI: Yes, sir.

16 "MR. BICE: Okay.

17 THE WITNESS: It is safe to assume, comma, sir,
18 comma, that all of these are of the date of this agreement.

19 BY MR. DZARNOSKI:

20 "Q Yes.

21 MR. HUNT: I got no signal.

22 THE COURT: We lost it. There we go.

23 MR. DZARNOSKI: That would be you to start with top
24 line Number 1 on page 50.

25 MR. HUNT: Thank you.

JD Reporting, Inc.

1 THE WITNESS: Then I believe no.

2 BY MR. DZARNOSKI:

3 "Q Okay. Who would be the additional member or
4 members?

5 "A Sorry, period. Before you finish, comma, just so I
6 can clarify, comma, because the question was worded a little
7 awkwardly there was no other member other than the ones I
8 mentioned to you.

9 "Q I'm going to direct your attention to page 18 of
10 the membership interest purchase agreement. There's --

11 MR. DZARNOSKI: Prior to reading this question in
12 Your Honor, I believe the foundation has been laid for the
13 admission of by Mr. Yemenidjian for the admission of the
14 membership interest purchase agreement identified -- or marked
15 as Exhibit 1793. I offer it.

16 THE COURT: Any objection?

17 MR. BICE: Yes, Your Honor. We object not only on
18 the grounds of relevancy, but on the grounds of foundation and
19 what does this have to do with the plaintiff's legal claims of
20 legality of the 2018 licensing process?

21 THE COURT: The objection on foundation is sustained.

22 BY MR. DZARNOSKI:

23 "Q I'm going to direct your attention to page 18 of
24 the membership interest purchase agreement. There's a
25 definition of seller's representative there, and it says it

1 means Alex; do you see that?

2 THE COURT: So we can't read from the document
3 because it's not admitted. So to the extent the deposition
4 transcript is seeking to read from the membership interest
5 purchase agreement, we need to skip to a new area. You can ask
6 the witness questions that may have been within his personal
7 knowledge not quoting from the agreement, but I don't know
8 given the two questions I got on the screen how that's going to
9 happen.

10 MR. DZARNOSKI: Okay. I'm striking the quotations to
11 reference of language.

12 Go to page 57 starting at line 2.

13 BY MR. DZARNOSKI:

14 "Q Tell me what you understand the seller's
15 representative was to do in connection with the membership
16 interest purchase agreement.

17 MR. BICE: Your Honor, I'm sorry. I need to object
18 to that because that's -- the question -- that's the following
19 question after having him read the provisions the Court just
20 said isn't in evidence.

21 THE COURT: And he says he doesn't recall which would
22 also mean that he doesn't know. So the question can't be the
23 evidence itself. So can we skip ahead. Let's keep going.

24 MR. DZARNOSKI: Yes, Your Honor.

25 THE COURT: Keep going.

1 MR. DZARNOSKI: I think we go to page 62, line 12.

2 BY MR. DZARNOSKI:

3 "Q So you don't know whether or not or at least you
4 don't recall, I don't want to say you don't know. You don't
5 recall whether or not Integral notified the Department of
6 Taxation between November 12th, 2018, and the grant of the
7 conditional licenses in December about you appointing Alejandro
8 as the seller's representative under this agreement?

9 "A Correct.

10 "Q Have you seen any documents to indicate that
11 anything formally was filed with the Department of Taxation
12 that attached the membership interest purchase agreement or
13 advised the Department of Taxation that attached the membership
14 interest purchase agreement and --

15 MR. DZARNOSKI: I'm sorry. Let me reread that. I
16 was trying to mark something off, Your Honor.

17 Starting at page 62 line 20.

18 BY MR. DZARNOSKI:

19 "Q Have you seen any documents to indicate that
20 anything formally was filed with the Department of Taxation
21 that attached the membership interest purchase agreement or
22 advised the Department of Taxation about the appointment of the
23 seller's representative?

24 "A I don't recall.

25 "Q When is the first time that you believe that

1 Integral Associates notified the Department of Taxation about
2 the existence of the membership interest purchase agreement?

3 "A Can you repeat the question, please.

4 MR. DZARNOSKI: The last question was read back by
5 the reporter as follows:

6 When is the first time that you believe
7 that Integral Associates notified the
8 Department of Taxation about the existence of
9 the membership interest purchase agreement?

10 THE WITNESS: On or before that day, question mark.

11 BY MR. DZARNOSKI:

12 "Q On or before which day?

13 "A November 12th.

14 "Q How did Integral notify or advise the --

15 "A Of the signing, question mark. I'm sorry, period.
16 Of the signed document, question mark.

17 "Q Yes, sir.

18 "A Oh, comma, I believe there was. I believe it was
19 the day of or the day after it was signed.

20 "Q Who submitted it to the Department of Taxation on
21 behalf of Integral?

22 "A I don't recall who submitted it to the Department
23 of Taxation.

24 "Q Have you actually seen the submission that went to
25 the Department of Taxation?

1 "A I haven't seen a submission to the -- I don't
2 recall seeing -- well, I'm sure I saw it, but I don't recall.

3 "MR. BICE: There are notes in the files that give
4 the dates and the method of notification.

5 BY MR. DZARNOSKI:

6 "Q Upon what basis are you indicating that the
7 Department of Taxation was notified of the membership interest
8 purchase agreement a day or so after the signing of the
9 document?

10 "A Well, I believe there was a text that I sent to the
11 deputy director with the press release.

12 "Q Who was the deputy director at the time that you
13 think you sent a text message to?

14 "A Jorge Pupo.

15 "Q Do you recall sending any such information or
16 notice to anyone other than Jorge Pupo at or around November
17 12th, 2018?

18 "A I don't recall.

19 "Q If you did, would it still be maintained in your
20 phone or however else you text message?

21 "A Yes.

22 "Q Have you produced in this litigation the text
23 message that you sent to Jorge Pupo on or around November
24 12th, 2018, in which you advised him that you entered into
25 the membership purchase agreement?

1 "A Yes.

2 "Q So it has been produced in this litigation?

3 "A Yes.

4 "Q Okay. And if you had sent a text to anyone else,
5 would you have produced of that in this litigation?

6 "A Yes, but can I clarify something?

7 "Q Yes, please.

8 "A I don't believe that I sent the text to anyone
9 other than the deputy director.

10 "Q Do you recall as part of the text that you actually
11 attached the membership interest purchase agreement or not?

12 "A The text of the official press release?

13 MR. DZARNOSKI: Could you reread that, please,
14 line -- page 65, line 17.

15 "A The text was of the official press release.

16 "Q So you recall sending a text to Mr. Pupo and no one
17 else on or about November 12th, and included in the text was
18 a press release, but not the membership interest purchase
19 agreement itself; correct?

20 "A I did not text Mr. Pupo the membership interest
21 purchase agreement.

22 "Q I may be able to retrieve at some point today a
23 copy of the press release and present it to you so that I can
24 identify as to whether that's the same document that you sent
25 to Mr. Pupo. But for right now I can't seem to locate it. So

1 let me ask you this question. Is the press release that you
2 believe you sent to Mr. Pupo the press release that was issued
3 by Green Thumb Industries to announce the entry of the
4 membership interest purchase agreement?

5 "A Without having seen the press release, comma, yes,
6 comma, the official press release from Green Thumb Industries.

7 "Q Did Integral prepare its own press release with
8 respect to entering into the membership interest purchase
9 agreement?

10 "A I don't believe so.

11 "Q As of November 12th, 2018, did Jennifer Wilcox, I'm
12 sorry, is it Jennifer?

13 "A Yes, sir.

14 "Q Did Jennifer Wilcox have a profit interest in
15 Integral Associates of Nevada?

16 "A Jennifer Wilcox had an employment agreement,
17 period. Under the compensation portion of her employment
18 agreement there was a section entitled Profit Interest.

19 "Q And how much profit interest did she have?

20 "MR. BICE: Go ahead and answer that.

21 THE WITNESS: What -- can I ask what topic this is
22 particularly related to?

23 "MR. BICE: Yeah, we do have notes on it.

24 THE WITNESS: Thank you.

25 "MR. BICE: That would assist him in answering the

1 question.

2 "MR. DZARNOSKI: I'm not asking you to review notes
3 at this point.

4 "MR. BICE: Well, the witness is testifying on behalf
5 of the company. The company has prepared the witness, and the
6 witness has notes. If you're refusing him to -- if you're
7 refusing to show him the notes, then he can if he can recall
8 exactly what the notes say right now, he can answer it. If he
9 can't, then he can't answer it. Go ahead and proceed.

10 "MR. DZARNOSKI: I'm looking for his best
11 recollection.

12 "MR. BICE: Okay. If you recall.

13 THE WITNESS: Can you repeat the question, Mark?

14 BY MR. DZARNOSKI:

15 "Q Would you repeat -- would you please repeat the
16 question.

17 The last question was read back by the reporter as
18 follows: And how much profit interest did she have?

19 THE WITNESS: I believe it was 2 percent.

20 BY MR. DZARNOSKI:

21 "Q 2 percent of what? Profits? Gross profits?
22 Revenues? 2 percent of what?

23 "MR. BICE: Same objection. Go ahead.

24 THE COURT: Overruled.

25 THE WITNESS: To the best of my recollection I

1 believe it was 2 percent of profits after the owners of the
2 business recouped their investment.

3 BY MR. DZARNOSKI:

4 "Q As part of the license application submitted to the
5 Department of Taxation for Essence Henderson and Essence
6 Tropicana, was the profit-sharing interest of Jennifer Wilcox
7 disclosed in those applications?

8 "MR. BICE: Objection to the form of the question.
9 Misstates the facts. Go ahead.

10 THE COURT: Overruled.

11 THE WITNESS: I'm not sure.

12 BY MR. DZARNOSKI:

13 "Q Who would know?

14 "A Who would know, question mark,? I assume -- I
15 assume the information is somewhere. I just don't know.

16 "Q What information would you be looking for to answer
17 my question?

18 "A I believe you asked if it was in the application.

19 "Q I don't remember my specific question. I believe
20 my question was, was it disclosed in your applications?

21 "A So I guess my answer then would be I would have to
22 go back and check the application.

23 "Q Okay. And that's not something you did to prepare
24 yourself for your deposition today.

25 "MR. BICE: Objection to the form. Not in the

1 notice.

2 THE COURT: Overruled.

3 BY MR. DZARNOSKI:

4 "Q You can answer the question.

5 "MR. BICE: Go ahead. I apologize.

6 THE WITNESS: I did not review the application for
7 the deposition.

8 BY MR. DZARNOSKI:

9 "Q Mr. Armen, can you please tell me whether or not
10 the application or applications filed by Integral, Essence
11 Tropicana, and/or Essence Henderson identified the
12 profit-sharing interest of Ms. Wilcox?

13 "MR. BICE: Objection to the form of the question.
14 Misstates what the -- misstates the interest. Go ahead.

15 THE COURT: Overruled.

16 THE WITNESS: Can you repeat the question.

17 MR. DZARNOSKI: The last question was read back to
18 the re -- by the reporter as follows:

19 Can you please tell me whether or not
20 the application or applications filed by
21 Integral, Essence Tropicana and/or Essence
22 Henderson identified the profit-sharing
23 interest of Ms. Wilcox?

24 THE WITNESS: I don't recall.

25 / / /

1 BY MR. DZARNOSKI:

2 "Q And just so I'm clear, you don't know Mr. Bice
3 messed my concentration up a little bit here. You don't know
4 of anyone else who would know the answer to that question or do
5 you know somebody?

6 "A I would have to look back at the application.

7 "Q Is there anything other than the actual physical
8 content of the application, any other documents that exist with
9 respect to Integral Associates or Essence Henderson, Essence
10 Tropicana that would indicate that the Department of Taxation
11 was advised of the profit interest of Jennifer Wilcox?

12 "A I'm not sure.

13 "Q Did any officers or directors resign between the
14 date of filing of the applications and the closing of the
15 transaction?

16 "A Yes.

17 "Q And who would those be?

18 "A Alicia Abernathy, Leslie Brousseau [phonetic] and
19 Sequoia [phonetic] Turner.

20 "Q And Ms. Abernathy, when did she resign?

21 "A The 28th of October of 2018.

22 "Q And Sequoia Turner, when did she resign?

23 "A October 8th of 2018.

24 "Q Both of those resignations are prior to the time
25 the Department of Taxation granted the conditional licenses

1 pursuant to Essences's applications; right?

2 "A I believe so.

3 "Q And did Integral or any of the Essence entities
4 notify the Department of Taxation between September 20th,
5 2018, and the grant of the conditional licenses that Alicia
6 Abernathy had resigned as the director of finance?

7 "A I'm not sure there was a mechanism to notify or
8 change the applications after September 20th date.

9 "Q I appreciate that, but it's not my question. My
10 question is regardless of whether there is or is not a
11 mechanism, did Integral or Essence of Henderson or Essence of
12 Tropicana notify the Department of Taxation that Alicia
13 Abernathy resigned on October 28th, 2018?

14 "A No.

15 "Q And did the Integral or Essence, any of the Essence
16 entities notify the Department of Taxation that Sequoia between
17 September 20th of 2018, and the date of the grant of the
18 conditional licenses tell the Department of Taxation that
19 Sequoia Turner had resigned?

20 "MR. BICE: I want to note my objections. This is
21 beyond the scope of any particular topic. There's no
22 specificity, and this question was not asked or this topic was
23 not identified as an area of inquiry.

24 THE COURT: Overruled. Keep going.

25 THE WITNESS: I don't know even with Alicia. I don't

1 believe so, but given the fact that they were officers, I
2 should refrain in saying that I don't -- I don't know
3 100 percent that we didn't, but it -- there may have been
4 communications with Sequoia and Alicia who are no longer there,
5 comma, but I don't believe so. And I don't believe there was
6 in conjunction with our application specifically, period. So
7 it may have been in the normal course, but it was -- but as it
8 related to asking them to modify the application. So we may
9 let the Department know, but not necessarily as part of or with
10 the desire to modify or change the application.

11 BY MR. DZARNOSKI:

12 "Q Well, I'm trying to stay away from, may have.
13 What's the basis of you saying, well, we may have notified?

14 "A The basis is Sequoia dealt with inspectors and
15 auditors from time to time so it makes sense for us to let the
16 State know that they would have been a new, you know, person or
17 point of contact potentially and not reaching out to Sequoia.
18 I don't know if it was formal or --

19 "Q Have you ever seen a document at all or anything in
20 writing that was sent to -- sent by Integral to the Department
21 of Taxation advising them prior to the license grant that
22 Alicia Abernathy had resigned as the director of finance?

23 "A I don't recall.

24 "Q When, if ever, did Integral submit an application
25 or paperwork to for the Department of Taxation to approve the

1 transaction that is memorialized in the membership interest
2 purchase agreement?

3 "A I believe it was December 10th.

4 "Q Why does that date stand out for you?

5 "A I believe that's what I recall from my -- from my
6 recollection and from my preparations.

7 "Q And when do you believe that you were notified by
8 the Department of Taxation that you had been granted certain
9 licenses pursuant to the applications tendered during the
10 September period?

11 "A I'm sorry. Are you asking me about the new
12 licenses that were awarded in December?

13 "Q Yes, sir.

14 "A Whenever the Department released the, I believe
15 they released it on the 5th.

16 "Q So your recollection is that the timeline of events
17 is that the application you learned that you were granted
18 license applications on or about December 5th and that some
19 matter of days later is when you submitted the application for
20 the approval of the membership interest purchase agreement;
21 correct?

22 "A That sounds right.

23 "Q Is the first time that Integral supplied the full
24 membership interest purchase agreement to the Department of
25 Taxation in conjunction with the December 10th, 2018, filing

1 of the application to approve it?

2 "A I don't recall.

3 "Q Who would know that?

4 "A I don't know.

5 "Q Have you seen any? Have you actually seen the
6 application for approval of the transfer?

7 "A I've seen the documentation for the approval of the
8 transfer. Have I seen -- I'll read that back.

9 Have I seen the documentation for the approval of the
10 transfer, ahh, yes. I assume I signed it. I assumed I signed
11 it.

12 "Q Okay. And tell me when was the membership interest
13 purchase agreement, Exhibit 84A, in it's entire form submitted
14 along with that application you signed?

15 "A I don't recall.

16 "Q And you don't recall whether or not the document
17 was supplied to the Department of Taxation at any time prior to
18 the filing of your application for approval of the transfer?

19 "A I don't recall when the document was submitted to
20 the Department of Taxation.

21 "Q As of the date of filing of your application as
22 Exhibit 77, was Bert Adams a board member of Integral?

23 "MR. BICE: Objection to the form.

24 THE COURT: Overruled.

25 THE WITNESS: Yes.

1 BY MR. DZARNOSKI:

2 "Q Is he still a board member of Integral?

3 "A He is an advisory board member.

4 "Q What does that mean?

5 "A Well, Integral was subsequently sold since this was
6 put in.

7 "Q Sorry?

8 "A But he was a board member of this application.

9 "Q One of my unartful questions that we talked about.
10 As of the filing, you mentioned in answer to my questions that
11 he was an advisory board member. When I said what does that
12 mean, what I mean, what I meant to say is, what is an advisory
13 board member for Integral?

14 "A Well, he was listed as a board member along with J
15 Dapper on our board for the purpose of this application.

16 "Q But you used the word advisory board. Is there two
17 different kinds of board members for Integral?

18 "A No, sir.

19 "Q So Integral has as of the date of this application
20 had members; is that correct?

21 "A As an LLC it had members, correct.

22 "Q And did it have a managing member?

23 "A One, if not more, I believe.

24 "Q Okay. And apparently it had an advisory board that
25 was created; is that right?

1 "A It had a board.

2 "Q Is there any corporate resolution or any documents
3 that exist that establish an advisory board for Integral
4 Associates as of September 20th, 2018?

5 "MR. BICE: Objection to the form of the question.
6 Go ahead.

7 THE COURT: Overruled.

8 THE WITNESS: I don't remember if there were any
9 minutes or resolution.

10 BY MR. DZARNOSKI:

11 "Q When was an advisory board established for
12 Integral?

13 "A Prior to the submission of these applications.

14 "Q How much before? How long a period of time before
15 the submission of the applications?

16 "A I don't recall the time frame.

17 "Q Well, was it a matter of weeks?

18 "A I don't believe so.

19 "Q Was it a matter of months?

20 "A That's possible.

21 "Q What documents would I be able to look at that
22 would evidence the date when an advisory board was created for
23 Integral?

24 "A I don't recall. I don't know what documents there
25 are. I don't remember.

1 "Q Who would know that?

2 "A I don't know.

3 "Q Okay. Then the next name on this list is Leslie
4 Brousseau; do you see that?

5 "A I do.

6 "Q Again, if you -- you reference your notes or not
7 your notes, but the notes for Serenity Topic 8 and 9, which is
8 Exhibit 114. Leslie Brousseau, it's your testimony resigned as
9 of February 1, 2019; is that correct?

10 "A Correct.

11 "Q Then there's an Anna Cohen that's listed, and she's
12 still currently employed; right?

13 "A Correct.

14 "Q Then there's a --

15 MR. BICE: So I pointed this out to Mr. Dzarnoski
16 before. I think Exhibit 114 that he's actually reading from
17 for the testimony is Exhibit -- Mark, I apologize for
18 interrupting you because I told you, and now I didn't write it
19 down.

20 THE COURT: Where's Mr. Prince? My exhibit
21 cross-referencer.

22 MR. BICE: It's Exhibit 1437.

23 THE COURT: Thank you, Mr. Bice.

24 MR. BICE: So I would move that into evidence because
25 that's what we agreed.

1 THE COURT: Any objection?

2 Be admitted.

3 (Exhibit Number 1437 admitted.)

4 MR. DZARNOSKI: I believe I left off starting at
5 page 106, line 1. We'll start from there.

6 BY MR. DZARNOSKI:

7 "Q Then there's a J Dapper. You mentioned him in
8 answer to your earlier question. He's also an advisory board
9 member.

10 "A Correct.

11 "Q Do you know when he was appointed to the advisory
12 board?

13 "A I don't recall.

14 "Q Do you think it was within a matter of months of
15 filing the application?

16 "A I think it was probably around the same time that
17 Bert Adams was deemed an advisory board member.

18 "Q And is your answer the same regarding you don't
19 know what documents might exist that would help me at Integral
20 figure out when that happened?

21 "A Correct.

22 "Q Is J Dapper still a member of the advisory board?

23 "A Yes.

24 "Q Is he on the advisory board of Integral Associates
25 of Nevada or some other entity after the closing of the

1 transaction with Green Thumb?

2 "A Can you repeat that question, please.

3 MR. DZARNOSKI: The last question was read back by
4 the reporter as follows:

5 Is he on the advisory board of Integral
6 Associates of Nevada or some other entity
7 after the closing of the transaction with
8 Green Thumb?

9 THE WITNESS: He is an advisory member to the
10 entities that applied for these applications. So if that means
11 Integral then Integral.

12 BY MR. DZARNOSKI:

13 "Q The applicants, I may be wrong, but aren't the
14 applicants actually Essence of Henderson LLC was an applicant?

15 "A Correct.

16 "Q So is it your testimony that as you sit here today,
17 if assuming he's an advisory board member, you believe he would
18 be an advisory board member for the Essence LLCs or rather
19 Integral; or do you not know?

20 "A He is an advisory board member to Integral.

21 "Q I forgot to ask that question regarding Bert Adams.
22 Is the same for him his advisory board member status is with
23 Integral?

24 "A They may be too. I don't remember how it was put
25 here. But it actually may be to the Essence organizations.

1 Maybe to the applying Essence Tropicana LLC or in Essence
2 Henderson LLC. I want to clarify that for the purposes of the
3 application. Given that these are wholly-owned subsidiaries, I
4 believe it may be -- may have even been to Essence Tropicana
5 and Essence Henderson. As I said, I don't review the
6 applications prior to so I don't -- I don't have a chance to,
7 you know, see which -- how it was technically applied.

8 "Q Okay. Courtney Lynch. I'm going to skip Brian
9 Greenspun whose name is on the list. Courtney Lynch, do you
10 see her name?

11 "A I do see her name.

12 "Q Is she still employed?

13 "A I see Lynch.

14 "Q I'm sorry?

15 "A C. Lynch; correct?

16 "Q I'm sorry. I'm referring to Exhibit 77. I think
17 you're looking at something.

18 "A Oh. We're not talking about this sheet anymore.

19 "Q Hang on to that. Locate Exhibit 77.

20 "A Yes, Courtney Lynch. I see the name.

21 "Q She's still employed with Integral or one of the
22 Essence entities?

23 "A She's employed by one of the Green Thumb entities.
24 I don't know if she's still technically employed under the
25 Integral entity.

1 "Q To the best of your knowledge.

2 "A As of the date of submission of this application
3 she was an employee of Integral.

4 "Q Okay. And to the best of your knowledge, when
5 would she have shifted from an employee of Integral or Essence
6 to Green Thumb?

7 "A Maybe the fourth quarter of 2019.

8 "Q Following the closing of the transaction?

9 "A Yes.

10 "Q All right. And then there's some other names on
11 here that we've already talked about. As you look at this, at
12 the names on here, is there anybody that was an officer -- I'm
13 sorry. Was an owner, officer or board member of Integral or
14 the Essence entities as of September 20th of 2018, that is not
15 listed on Attachment A, page 18?

16 "A All owners, operators and the board members are
17 listed.

18 MR. SHEVORSKI: Do you mean officers? I think you
19 said operators.

20 THE WITNESS: I'm sorry. I meant officers.

21 MR. SHEVORSKI: Thank you. Sorry to interrupt.

22 BY MR. DZARNOSKI:

23 "Q Do you know whether the Department of Taxation
24 conducted any background investigation of the beneficiaries of
25 the Yemenidjian Living Trust?

1 "MR. BICE: Objection to form.

2 THE COURT: Overruled.

3 BY MR. DZARNOSKI:

4 "Q Prior to the application being granted.

5 "MR. BICE: Sorry. Objection to form.

6 THE COURT: Overruled.

7 THE WITNESS: I don't know.

8 BY MR. DZARNOSKI:

9 "Q One of the reasons you don't know the answer to
10 that question is you don't know who the beneficiaries are;
11 right?

12 "A I'm not certain who the beneficiaries are.

13 "Q Do you have an educated guess?

14 "MR. BICE: Objection. Calls for speculation. Go
15 ahead.

16 THE COURT: Overruled.

17 THE WITNESS: My educated guess would be that it's a
18 trust by and for my father.

19 BY MR. DZARNOSKI:

20 "Q You believe he's a beneficiary?

21 "A I would assume so, but again, I would reserve the
22 fact that I'm telling you with -- you without certainty.

23 "Q Okay. Do you recall how many times you actually
24 met with Mr. Pupo in person?

25 "A An exact number?

1 "Q Give me an estimate.

2 "A At least three or four.

3 "Q Can you tell me the time period that these three or
4 four meetings took place, and let's start with years. Do you
5 remember if it was 2017? '18? '19?

6 A Well, I'm sure I had met him throughout those years
7 of his employment at the Department of Taxation.

8 "Q Okay. Let's start from the beginning then. When
9 do you recall first meeting Mr. Pupo?

10 "A I couldn't tell you the first meeting I ever had
11 with him. I would be --

12 "Q Guessing?

13 "A I would be guessing.

14 "Q That's fine. Let's have you tell me the first time
15 you can recall meeting with him.

16 "A Possibly dinner.

17 "Q What year would that have been?

18 "A I'm thinking it was 2018.

19 "Q Do you remember what part of the year, what
20 quarter?

21 "A Second half.

22 "Q All right. So sometime after June of 2018?

23 "A I believe so.

24 "Q Do you know who arranged that dinner meeting?

25 "A I believe it was arranged by Amanda Connor.

1 "Q Other than you and Mr. Pupo, who else attended this
2 dinner meeting?

3 "A I believe Amanda Connor.

4 "Q Anybody else?

5 "A Not to my recollection.

6 "Q Can you recall where the dinner occurred?

7 "A I believe it occurred at Hank's at the Green Valley
8 Ranch.

9 "Q Do you recall what the reason behind the meeting
10 was?

11 "A The reason behind the meeting was to make a formal
12 introduction.

13 "Q Was it your understanding at this point that Amanda
14 Connor had already met with Mr. Pupo on behalf of Integral or
15 any of its companies?

16 MR. KOCH: Objection. Speculation. Lacks
17 foundation.

18 MR. BICE: Join.

19 THE COURT: Overruled.

20 THE WITNESS: I'd be speculating if I answered that.
21 I don't know every communication she's had with him.

22 BY MR. DZARNOSKI:

23 "Q I'm not going to ask you about everyone. I'm
24 simply asking whether or not you knew if she met with him
25 before?

1 "A It's safe to assume she met with the deputy
2 director before June of 2018, but I couldn't tell you with
3 certainty that that was the case.

4 "Q Okay. Had she ever reported to you that she met
5 with Mr. Pupo in advance of that dinner meeting?

6 "A I don't recall.

7 "Q Let me ask it this way. Did you, you as a
8 30(b)(6), did your company hire Amanda Connor prior to June
9 of 2018?

10 "A Yes.

11 "Q Do you recall when your company hired Amanda
12 Connor?

13 "A I don't remember the exact day.

14 "Q That's fine. Do you know if it was prior to 2018?

15 "A Yes, I believe it was.

16 "Q What was the purpose of that retention?

17 "A What was the purpose for retaining Amanda Connor?

18 "Q Exactly.

19 "A She was a local attorney that understood the
20 regulations and could answer questions when there were -- when
21 there were questions about, you know, operations of compliance
22 or, you know, she conducted compliance audits for us from time
23 to time. We would have her come in and --

24 "MR. BICE: Hold on a second. Don't get into the
25 scope of the work that Amanda Connor was doing for you. Just

1 answer Mr. Parker's question.

2 THE WITNESS: Well, that's my answer, I guess.

3 MR. DZARNOSKI: No worries. We'll get to it. He's
4 attempting to prevent you from giving a narrative and answers
5 to questions not -- questions not been presented, okay.

6 "MR. BICE: I'm concerned about privilege.

7 UNIDENTIFIED SPEAKER: As am I.

8 "MR. BICE: Thank you.

9 BY MR. DZARNOSKI:

10 "Q So as opposed to me asking you what you discussed,
11 I asked for the purpose behind your retaining her so as not to
12 violate the privilege. All right?

13 "A Thank you.

14 "Q So you don't recall when you hired her, but
15 certainly it was before June of 2018; is that correct?

16 "A Correct.

17 "Q All right. The intention behind hiring her was to
18 have someone available who can answer questions regarding the
19 regulations as well as the administrative code or the statutes;
20 is that correct?

21 "A Sure.

22 "Q Also, you informed me that one of the reasons for
23 hiring her involved her ability to do compliance audits; is
24 that correct?

25 "A I wouldn't say her ability, but she helped clarify

1 compliance.

2 "Q And did you hire her, strike that.

3 Your company owned a medical marijuana establishment
4 as well; is that correct?

5 "A Multiple.

6 "Q Right. Was it three?

7 "A Three retail.

8 "Q All right. And did you utilize Ms. Connor in any
9 way in relationship to your medical marijuana establishments?

10 "A I believe so.

11 "Q And in what capacity?

12 "A I'm assuming a similar capacity.

13 "Q And was she your liaison to the Department of
14 Taxation?

15 "MR. BICE: Objection to form. Go ahead.

16 THE COURT: Overruled.

17 THE WITNESS: I would -- I don't know that that's how
18 I would classify it, but she, she clarified. When she didn't
19 know something, maybe she went to the Department and received
20 clarification.

21 BY MR. DZARNOSKI:

22 "Q Was she your point of contact with the Department
23 of Taxation? For example, if there was an issue with one of
24 your companies, would she be the one who would correspond and
25 communicate with the Department of Taxation on your -- on

1 behalf of your company?

2 "A For the most part, yes.

3 "Q Okay. And as a result, you believe she was -- did
4 that give her access to the arranged dinner that we were
5 speaking of in June of 2018 or sometime after June of 2018.

6 "A I don't know if it was a result of that.

7 "Q All right. So given that she was the point of
8 contact on behalf of your company with the Department of
9 Taxation, would she not report back to you in some fashion be
10 it in a written form -- I don't want to know what she said --
11 but would she report back to you in terms of her discussions
12 with the D.O.T.?

13 "MR. BICE: Just answer that yes or no.

14 "MR. PARKER: Please.

15 THE WITNESS: Can I hear the question, please?

16 MR. DZARNOSKI: The last question was read back by
17 the reporter as follows:

18 So given that she was the point of
19 contact on behalf of your company with the
20 Department of Taxation, would she not report
21 back to you in some fashion, be it in a
22 written form. I don't want to know what she
23 said, but would she report back to you in
24 terms of her discussions with the D.O.T.?

25 THE WITNESS: Yes.

JD Reporting, Inc.

1 BY MR. DZARNOSKI:

2 "Q So prior to June of 2018, you would have at least
3 known that she made contact with the Department of Taxation on
4 behalf of your company; is that correct?

5 "A Yes.

6 "Q Let me ask you the same questions. We're going to
7 get to the dinner, but before we get there, I want to know if
8 you've had any communications with any other D.O.T. employees,
9 so Mr. Gilbert, Ms. Cronkhite, Mr. Hernandez?

10 "A Yes.

11 "Q Let's go down the list. I would like you to tell
12 me what employees you recall speaking to.

13 "A The only conversation I had was with those other
14 employees was during the review of my new scores when I went
15 in, and I don't remember which other employees were there; so I
16 couldn't tell you. But when I went in to review my scores
17 after they were awarded, there were other D.O.T. members there.

18 "Q All right.

19 Outside of that conversation, I did not -- I'm sorry.
20 All right.

21 "A Outside of that conversation I did not communicate
22 with other D.O.T. employees.

23 "Q Did you have the cell numbers or the mobile
24 telephone numbers of any of the D.O.T. employees?

25 "A Other than Mr. Pupo's?

1 "Q So let's start with him. You had his mobile
2 number?

3 "A Correct.

4 "Q And did you actually call him on his mobile number?

5 "A I may have.

6 "Q On more than one occasion?

7 "A I may have called him on more than one occasion.

8 "Q How about text him?

9 "A I did text him.

10 "Q Did you ever send him any emails?

11 "A It's possible.

12 "Q Did you have the cell telephone numbers for Steve
13 Gilbert, Damon Hernandez, or Kara Cronkhite?

14 "A No.

15 "Q How about Rino Tenorio?

16 "A No.

17 "Q Did you have the work telephone numbers for any of
18 these D.O.T. employees?

19 "A No. Sorry. Can I clarify something?

20 "Q Go right ahead.

21 "A I'm not sure that the cell number that I had for
22 Jorge was his work cell or other cell. I know I had a cell.

23 "Q Okay.

24 "A So -- but regarding Kara, the only work numbers I
25 would have ever seen would be whatever was in their signatures.

1 If they had sent an email, but no, I don't have their numbers.

2 "Q So other than meeting with the other D.O.T.
3 employees in person to review your scores, did you ever have
4 any conversations with them over the phone excluding Mr. Pupo?

5 "A Not that I recall.

6 "Q All right.

7 "A You said other than the meeting to review my
8 application?

9 "Q That's right.

10 MR. DZARNOSKI: Transcript indicates nods head.

11 BY MR. DZARNOSKI:

12 "Q So in terms of the dinner in 2018, you said the
13 reason behind it was an introduction to Mr. Pupo; is that
14 correct?

15 "A Yes, sir.

16 "Q All right. Do you recall how long that dinner
17 lasted?

18 "A I couldn't tell you the exact time, but a normal
19 dinner, maybe 60 or 90 minutes.

20 "Q Do you recall other than being introduced, the
21 content of the conversation during dinner?

22 "A Not particularly.

23 MR. DZARNOSKI: Your Honor, may I have a moment, I
24 need a tissue.

25 THE COURT: Yes, would you like one of mine?

1 MR. DZARNOSKI: May I approach?

2 THE COURT: You may. Just try and stay really far
3 away so reach far. Reach far.

4 MR. DZARNOSKI: Thank you.

5 THE COURT: Uh-huh.

6 MR. BICE: Your Honor, could you have him read the
7 last answer back.

8 THE COURT: "Not particularly."

9 MR. BICE: Thank you.

10 MR. DZARNOSKI: Thank you, Your Honor.

11 THE COURT: All right. Let's keep going.

12 MR. DZARNOSKI: We're back at the page 134, line 5.

13 BY MR. DZARNOSKI:

14 "Q Do you recall any conversations regarding the
15 upcoming application process?

16 "A No.

17 "Q Do you recall any conversations regarding any
18 violations that Integral or the Essence entities may have had
19 prior to June of 2018?

20 "A No.

21 "Q Do you recall, in fact, Integral and the Essence
22 entities receiving notices of noncompliance prior to June
23 of 2018?

24 "MR. BICE: Go ahead and answer that.

25 THE WITNESS: When you say noncompliance, can I say

1 is it any deficiency that was --

2 BY MR. DZARNOSKI:

3 "Q Any deficiency, yes.

4 "MR. KOCH: I'll object. It violates NRS 36255.

5 "MR. BICE: Join in the objection.

6 THE COURT: Overruled.

7 BY MR. DZARNOSKI:

8 "Q Go right ahead.

9 "A Can I answer that then?

10 MR. BICE: Yes, go ahead.

11 THE WITNESS: The question, was there deficiencies
12 prior to that dinner?

13 BY MR. DZARNOSKI:

14 "Q Yes.

15 "A I would assume so.

16 "Q Were you aware of them?

17 "A Was I aware of any deficiencies?

18 "Q Yes.

19 "A There was some that I was aware of which I don't
20 know which.

21 "Q That's fine. It was a broad question; we'll narrow
22 it down.

23 I'm going to show you a document that's January
24 22nd, 2018, from Connor and Connor to the Department of
25 Taxation, and it's regarding the Integral Associates' LLC plan

1 of correction, and it's related to an audit. I want to know if
2 you were aware of this, and it's Bates stamped Essence 6879
3 through 6883. This was part of the document disclosure made
4 late last week by your counsel.

5 "A I don't remember seeing this, I mean, this
6 specific.

7 "Q No worries. I'm showing you a document for more
8 than one purpose. One, whether or not you've ever seen it.
9 Another is whether or not you were aware of this plan of
10 correction?

11 "A From two years ago; correct?

12 "Q Yes, sir.

13 "A It's possible that I've seen it. I'm not -- I
14 don't want to say I haven't seen it because it's entirely
15 possible that I have.

16 "Q It would have been roughly -- the plan of
17 correction would have been sent roughly five or six months
18 prior to that dinner that we're speaking of; do you recall
19 discussing with Mr. Pupo that plan of correction or any other
20 plan of correction?

21 "A I did not discuss a plan of correction with
22 Mr. Pupo.

23 "Q Good enough. Did you discuss any deficiencies with
24 Mr. Pupo?

25 "A No.

1 "Q All right. Did you on behalf of Integral or any of
2 the Essence entities discuss with any D.O.T. employees any
3 plans of correction?

4 MR. BICE: Hold on a second. Go ahead you can answer
5 that.

6 THE WITNESS: I don't believe I ever did directly,
7 no.

8 BY MR. DZARNOSKI:

9 "Q You left that up to Connor and Connor or Ms. Amanda
10 Connor to handle?

11 "A I would say, Teddy, that it's fair to say that if
12 there was a statement of deficiency or plan of correction, it
13 was submitted via that format that you showed me.

14 "Q Okay. So it would have done by Amanda Connor?

15 "A Presumably.

16 "Q All right. And she may or may not have made you
17 aware of these letters; is that correct?

18 "A Me personally?

19 "Q Yes, sir.

20 "A I may have been aware of them, yes.

21 "Q I'll give you another example. This is dated April
22 24th, 2018, perhaps two months or so before the dinner. This
23 is Essence 6903 through Essence 6904. I'll ask you if you've
24 seen this?

25 "A Again, chances are I have, but I don't remember

1 this specific.

2 "Q Plan of correction?

3 "A I don't remember this specific plan of correction.

4 "Q All right. And after the dinner in June or so of
5 2018, did you have any follow-up conversations or meetings with
6 Mr. Pupo?

7 "A I did.

8 "Q When was the next conversation or meeting you can
9 recall happening after that dinner?

10 "A Potentially sometime in August or September or -- I
11 don't know. I don't know the exact date.

12 "Q Do you recall whether or not it was before the
13 submission of the 2018 recreational marijuana applications?

14 "A I believe it was.

15 "Q Okay. And do you recall whether or not that
16 conversation was in person or was it over the phone?

17 "A In person.

18 "Q Do you remember where that was?

19 "A It was at the Elephant -- Elephant Room -- Elephant
20 Bar, something having to do with an elephant.

21 "Q Okay. Good enough.

22 "A In Henderson I think it is.

23 "Q Okay. And who attended that meeting?

24 "A I attended that meeting along with Mr. Pupo, and
25 for the first, I'd say, 15 minutes of that meeting, Courtney

1 Lynch, who was at that time recently brought on the team --
2 it was an extra -- it was an introductory meeting for Courtney
3 to Jorge as well as for about the first 15 minutes.

4 "Q What was the purpose of introducing Ms. Lynch to
5 Mr. Pupo?

6 "A I'm a firm believer of putting a face to a name and
7 having a relationship or a --

8 "Q Some type of rapport?

9 "A Rapport with a regulatory body -- regulating body.

10 "Q Did you arrange for that meeting?

11 "A I believe so.

12 "Q So would that mean at some time between the first
13 meeting and the second meeting you were given Mr. Pupo's cell
14 number or work number?

15 "A It's possible.

16 "Q And that meeting would have been arranged through a
17 conversation over the phone?

18 "A I think it was arranged through a text message.

19 "Q Okay. And why did Ms. Lynch only attend the
20 meeting for the first 15 minutes?

21 "A Because there was another topic of conversation
22 that I wanted to discuss with Mr. Pupo privately.

23 "Q What topic was that?

24 "A The topic was other potential -- other companies
25 that were approaching us regarding acquiring our company.

1 "Q I'm going to accept your counsel's representation
2 that there are NDAs that would apply to those discussions that
3 would prevent you from disclosing the identity of those
4 companies. Were there more than one company?

5 "A Yes.

6 "Q How many?

7 MR. BICE: Go ahead.

8 THE WITNESS: More than three.

9 THE COURT: Can you put us on mute, please.

10 Keep going.

11 BY MR. DZARNOSKI:

12 "Q Did you disclose the name of these companies to
13 Mr. Pupo?

14 "A I don't recall.

15 "Q Did you discuss with Mr. Pupo the terms?

16 "A I don't even recall that all three of those were --

17 "Q What was the purpose of informing Mr. Pupo of these
18 potential offers to buy?

19 "A The purpose was to ensure that Mr. Pupo heard the
20 information from me and not -- and not a leaked or third-party
21 source. I always run my businesses or companies to make sure
22 that regulators or employees don't hear things from other
23 people that could be untrue or misleading. So I wanted to make
24 sure that he knew that from me directly.

25 "Q So what information do you recall giving Mr. Pupo

1 regarding these offers?

2 "A I recall saying that there were a number of people
3 that were interesting -- interested in acquiring our company
4 and that they had the where for all and the ability to do so.
5 And I also recall letting him know that there were -- that we
6 were entertaining offers from multiple people -- or
7 entertaining, I should say, not offers; that's not the right
8 word. Entertaining, having discussions with interested -- I
9 don't know if you'd say, you know, interested parties.

10 "Q All right. What -- and what was Mr. Pupo's
11 reaction or response to you informing him of these offers?

12 MR. BICE: I'm going to object to the form of the
13 question.

14 THE COURT: Overruled.

15 THE WITNESS: I couldn't recall with certainty
16 exactly what he said, but my take away was that he was
17 appreciative that I gave him the -- him and the Department a
18 heads up.

19 BY MR. DZARNOSKI:

20 "Q Did he ask for any information in writing?

21 "A Information regarding conversations?

22 "Q Any information regarding offers, any information
23 in terms of proximity of time that you would be considering
24 these offers, any information in terms of when a change of
25 ownership could occur, anything like that?

1 "A I believe in the context of the conversation it was
2 too early to request that, but I don't -- to my recollection,
3 no, he did not.

4 "Q And you did not provide him with a copy of the
5 NDAs? You didn't provide him with the names of the companies,
6 any of those things; is that correct?

7 "A I did not provide him with a copy of the NDAs.

8 "Q Okay. And you don't recall providing him with any
9 written information; is that correct?

10 "A That's correct.

11 "Q And you didn't provide him with the names of the
12 companies; is that correct?

13 "A I don't believe so.

14 "Q Do you recall any other topics being discussed
15 during that second meeting?

16 "A No.

17 "Q After the second meeting with Mr. Pupo, did you
18 have a third meeting with him?

19 "A I believe so.

20 "Q When was the third meeting?

21 "A I don't recall the exact date.

22 "Q Do you recall the month?

23 "A I believe it was in September.

24 "Q Do you remember was it before or after the
25 submission of your company's applications for recreational

1 licenses?

2 "A I believe -- strike that.

3 I may -- it may have been after.

4 "Q Do you know one way or the other?

5 "A I believed to the best of my recollection that it
6 was on the 20th.

7 "Q So the actual same day as the last day of the
8 application submission date?

9 "A I believe so.

10 "Q Do you know where you met?

11 "A I believe we met at Barcelona.

12 "Q Was this a lunch? Dinner?

13 "A It was dinner.

14 "Q Who else was in attendance?

15 "A Just the two of us.

16 MR. DZARNOSKI: You want to reread that.

17 THE WITNESS: It was just us two.

18 BY MR. DZARNOSKI:

19 "Q Who set that meeting up?

20 "A I did.

21 "Q Did you call him by cell or did you text him?

22 "A I believe I text him.

23 "Q And what was the purpose of that third meeting?

24 "A The purpose of the third meeting was to let him
25 know that we were extremely close to signing a nonbinding LOI.

1 "Q Okay. Did you identify for him who the company was
2 that you were entering into the LOI with?

3 "A I don't recall.

4 "Q Do you recall discussing with him the terms?

5 "A I don't recall. I don't believe so, but I don't
6 recall.

7 "Q Can you tell me what you remember specifically
8 about that conversation?

9 "A Specifically, what I remember is that I was -- I
10 told him that we had a nonbinding LOI that we were discussing
11 with the members of Integral being the GV and the KHOD members
12 of signing a nonbinding LOI that had two binding provisions.

13 "Q I like the way you say that, a nonbinding LOI with
14 two binding provisions.

15 "A Well, that's what it was.

16 "Q Like I said it's nice to hear. So go right ahead.

17 "A With what?

18 "Q Tell me whether or not you discussed any more
19 specifically during that meeting about this nonbinding, two
20 binding provision LOI?

21 "A That's all we talked about.

22 "Q Short conversation?

23 "A I don't know.

24 "Q I mean, other than that, I can hear you saying, you
25 know, I have this nonbinding LOI with two binding provisions,

1 that was it? Nothing? No response? No back and forth? Do
2 you recall anything else about the conversation?

3 "A I recall maybe we discussed a couple of other, you
4 know, in theory why this company as opposed to the other two or
5 three companies. It was much more of an informal conversation
6 than it was -- you know, it was a conversation that I wanted to
7 have with him in person out of respect to tell him that this
8 was coming.

9 "Q So you were forecasting for him the -- a possible
10 change in ownership of Integral and Essence entities; is that
11 correct?

12 MR. BICE: Go ahead and answer that.

13 THE WITNESS: I was just letting him know that they
14 were signing a nonbinding LOI.

15 BY MR. DZARNOSKI:

16 "Q When did you tell him that you would be signing
17 that LOI?

18 MR. BICE: He needs to reread the answer.

19 THE WITNESS: Oh, I'm sorry.

20 MR. BICE: It was we, not they.

21 THE COURT: We were signing a nonbinding LOI.

22 MR. BICE: Correct.

23 MR. DZARNOSKI: Would you --

24 THE WITNESS: I -- I was just letting him know that
25 we were signing a nonbinding LOI.

1 BY MR. DZARNOSKI:

2 "Q When did you tell him that you would be signing
3 that LOI?

4 "A I believe I told him in the near future.

5 "Q So you didn't give him a certain date when you
6 expected to do it?

7 "A I don't recall if I told him the exact date, but I
8 may have.

9 "Q Okay. And when did you in fact sign the LOI?

10 "A The 21st.

11 "Q Of September?

12 "A Of September.

13 "Q So the following day?

14 "A Yes, sir.

15 "Q All right. Now, between September 21, 2018, and
16 December 5th, 2018, did you send anything in writing to the
17 Department of Taxation regarding the execution of the LOI?

18 "A Not sure.

19 "Q Would you have been the person to do so, or would
20 you have had Ms. Connor do it for you?

21 "A I may have. Do you mean an official letter
22 submission; is that what you're saying?

23 Oh, I'm sorry.

24 I may have had Ms. Connor do it for me. I'm not
25 sure.

1 "Q Let me see if I can ask it this way. Do you recall
2 ever sending anything that you signed to Mr. Pupo or the
3 Department of Taxation?

4 "A Anything I signed as it relates to what?

5 "Q As it relates to the LOI.

6 "A I don't recall.

7 "Q How about anything to the Department of Taxation or
8 Mr. Pupo regarding a change of ownership?

9 "A A change of ownership after the signing of the LOI?

10 "Q After any time. Anytime that you can recall ever
11 saying, listen, Integral is owned now by GTI; do recall ever
12 informing the Department of Taxation of that in your -- with
13 your signature on it?

14 "A I believe so.

15 "Q When do you recall that happening?

16 MR. BICE: Objection. Asked and answered.

17 THE COURT: Overruled.

18 THE WITNESS: I believe it was in December.

19 BY MR. DZARNOSKI:

20 "Q After December 5th?

21 "A After December 5th.

22 "Q Okay. All right.

23 THE COURT: We lost it --

24 MR. HUNT: Wait. Wait. Timeout.

25 THE COURT: We lost it again.

1 MR. DZARNOSKI: I'm sorry?

2 THE COURT: Hold on, Shane.

3 (Pause in the proceedings.)

4 THE COURT: It's, okay. All right.

5 MR. HUNT: Okay.

6 MR. DZARNOSKI: We are back at page 151, line 11.

7 BY MR. DZARNOSKI:

8 "Q Okay. All right. Do you know why you did not
9 inform the Department of Taxation of the signing of the LOI
10 prior to the Department of Taxation determining whether or not
11 it was going to grant or reject your recreational marijuana
12 applications?

13 MR. BICE: Objection to the form. Misstates his
14 prior testimony. Go ahead.

15 THE COURT: Overruled.

16 THE WITNESS: Can you ask the question a different
17 way; I'm not sure I understand that.

18 BY MR. DZARNOSKI:

19 "Q Let me have it read back first to see if I
20 understand it.

21 The last question was read back by the reporter as
22 follows:

23 Do you know why you did not inform the
24 Department of Taxation of the signing of the
25 LOI prior to the Department of Taxation

JD Reporting, Inc.

1 determining whether or not it was going to
2 grant or reject your recreational marijuana
3 applications?

4 THE WITNESS: I think you need to reask that
5 question, Teddy.

6 BY MR. DZARNOSKI:

7 "Q No worries. Armen, did you -- it's my belief based
8 on your testimony that you did not inform the Department of
9 Taxation or Mr. Pupo that you signed an LOI as of September
10 21st, 2018, on that date; is that a fair statement?

11 MR. BICE: Objection to the question. Objection to
12 the form of the question. Presupposes that there was an
13 obligation to do so.

14 THE COURT: Overruled.

15 THE WITNESS: I informed Mr. Pupo on the night of the
16 20th that there was going to be an LOI signed.

17 BY MR. DZARNOSKI:

18 "Q Right. But when I asked you the question earlier
19 on, you said you didn't tell him when you expected to sign it;
20 do you recall that response you gave?

21 "A No, I don't. What I think I said was I don't
22 remember if I told him it was going to be signed the next day
23 or the following day or in short order. I don't recall.

24 "Q Good enough. Did you inform him within the next
25 two weeks that you had signed an LOI?

1 "A It's entirely possible.

2 "Q Do you recall doing so?

3 "A Vaguely.

4 "Q Okay. And how do you recall informing him? Was
5 this over the phone? In a text? How do you recall informing
6 him of it?

7 "A I don't believe it was a text. So I assume that it
8 was a phone call.

9 "Q So in between the first meeting and this fourth
10 meeting, I'm assuming you had either text messages back and
11 forth regarding scheduling these meetings, but do you recall
12 ever having any other telephone conversations with him to
13 discuss whatever you wanted to discuss?

14 "A The only conversation could be the potential of
15 letting him know when the LOI was actually executed.

16 "Q Now, when you had these meetings with Mr. Pupo, did
17 you believe that anything you said to Mr. Pupo would be similar
18 to you giving it directly to the Department of Taxation itself?

19 MR. HUNT: Hold on.

20 THE COURT: We lost it again. Hold on a minute.

21 MR. BICE: Yeah, hold on a second.

22 There was one skipped here, Your Honor.

23 THE COURT: Okay.

24 MR. HUNT: There was?

25 THE COURT: Let's see if there was stuff skipped that

1 you would like read, Mr. Bice.

2 MR. BICE: I believe after the part you stopped on
3 153, line 15.

4 (Pause in the proceedings)

5 THE COURT: Shane, it sounds like we missed some.

6 IT TECH SHANE: Yep. I think we did, Your Honor.

7 THE COURT: All right.

8 MR. DZARNOSKI: Well, it won't help for me to read --

9 MR. HUNT: Because that would be --

10 MR. DZARNOSKI: -- my marked version, will it.

11 IT TECH SHANE: 155-14 to 157-7, is that it?

12 MR. HUNT: 153 I thought he said.

13 THE COURT: Mr. Bice?

14 MR. BICE: Yes.

15 THE COURT: Okay.

16 MR. BICE: No.

17 THE COURT: No?

18 MR. BICE: All the way to 150 -- or 160, line 4, it's
19 showing.

20 THE COURT: So 155-14 to 160?

21 MR. BICE: 153 --

22 MR. HUNT: Yeah.

23 MR. BICE: Line 10.

24 THE COURT: Okay. And we're there. And then we'll
25 go into 160, what, Mr. Bice?

1 MR. BICE: Line 4.

2 THE COURT: Thank you.

3 UNIDENTIFIED SPEAKER: Sorry, what was that second
4 one?

5 THE COURT: 160, line 10.

6 UNIDENTIFIED SPEAKER: 160 line 4.

7 THE COURT: Line 4, sorry. 153, line 10.

8 MR. HUNT: Darkness.

9 THE COURT: So go up a little bit on the stage.
10 There we go. We should start at line 10.

11 Okay, Mr. Dzarnoski.

12 MR. DZARNOSKI: We are back at 153, line 10.

13 MR. HUNT: Right.

14 BY MR. DZARNOSKI:

15 "Q Okay. And how do you recall informing him? Was
16 this over the phone? In a text? How do you recall informing
17 him of it?

18 "A I don't believe it was a text so I assume it was a
19 phone call.

20 "Q Were there any other meetings you had with him in
21 2018?

22 "A Yes.

23 "Q When was the fourth meeting?

24 "A I believe it was sometime in October.

25 "Q All right. And who attended that meeting?

1 "A Just the two of us.

2 MR. DZARNOSKI: Would you reread that.

3 THE WITNESS: Just us two.

4 BY MR. DZARNOSKI:

5 "Q Who arranged that meeting?

6 "A I did.

7 "Q What was the purpose of that meeting?

8 "A The purpose was to let him know that we were
9 intending to acquire the CCLV entities, or maybe intending to
10 acquire isn't the right term, but to let him know that we had
11 made substantial progress on our discussions with potentially
12 acquiring them.

13 "Q And who were you acquiring again, I'm sorry?

14 "A Cannabiotix.

15 "Q Why do you believe he needed to know that?

16 "A Because he was the Deputy Director of the
17 Department of Taxation.

18 "Q Okay. Had you provided him with any documentation,
19 or were you just informing him this -- informing him of this
20 verbally?

21 "A I was just informing him verbally.

22 "Q And where did this meeting take place?

23 "A I believe it was a Grouchy's, which is a coffee
24 place with a funny name.

25 "Q You selected this place?

1 "A I don't recall who selected it.

2 "Q Did you select the other two meeting places?

3 "A I don't recall who selected them.

4 "Q So did you meet him for coffee?

5 "A I don't even remember if I had coffee.

6 "Q Okay. Other than informing him of this possible
7 acquisition, did you inform him of anything else?

8 "A No, sir.

9 "Q And you don't recall at that point telling him
10 about the LOI?

11 "A I believe I told him prior to.

12 "Q Okay.

13 "A I mean, regarding the LOI, I believe I may have
14 mentioned it to him in a previous conversation, I guess.

15 "Q So in between the first meeting and this fourth
16 meeting, I'm assuming you had either text messages back and
17 forth regarding scheduling these meetings, but do you recall
18 ever having any other telephone conversations with him to
19 discuss whatever you wanted to discuss?

20 "A The only conversation could be the potential of
21 letting him know when the LOI was actually executed.

22 "Q Now, when you had these meetings with Mr. Pupo, did
23 you believe that anything you said to Mr. Pupo would be similar
24 to you giving it directly to the Department of Taxation itself?

25 MR. BICE: Go ahead. Answer the question.

1 THE WITNESS: I'm not sure, but I think that's a safe
2 assumption. I don't know that I -- I was informing the Deputy
3 Director in person in that I thought was the right time frame
4 when certain events either possible or real happened.

5 BY MR. DZARNOSKI:

6 "Q All right. So if Mr. Pupo did not relay to the
7 other members of his staff, that would be -- you would assume
8 that to be his call, whether it's right or wrong; is that
9 correct?

10 "A I don't know that I'm the one to make that
11 determination.

12 "Q Good enough. My point in asking you these
13 questions in terms of if it's something in writing is because
14 the conversation could have occurred without anyone else at the
15 Department of Taxation learning of this because you didn't
16 provide anything in writing to the Department of Taxation; is
17 that a fair statement?

18 MR. BICE: Objection to the form. Calls for
19 speculation.

20 THE COURT: Overruled.

21 THE WITNESS: I don't know.

22 BY MR. DZARNOSKI:

23 "Q You didn't send any confirming letters to the
24 Department of Taxation to Mr. Pupo's attention saying we had
25 this dinner meeting; I enjoyed meeting with you at Grouchy's or

1 the Elephant Bar or wherever, and please let me remind you this
2 is our conversation and what I intend to do or what my company
3 may intend to do; nothing like that ever occurred; is that
4 correct?

5 "A Not to my recollection.

6 "Q And no one else certainly no other applicants would
7 have been made available -- made aware of the conversations you
8 had with Mr. Pupo to your knowledge; is that correct?

9 "A Do I believe Mr. Pupo told other applicants about
10 my conversation with him?

11 "Q Right.

12 "A I -- I'd assume, no.

13 "Q Tell me the next meeting.

14 "A I do.

15 "Q I do.

16 UNIDENTIFIED SPEAKER: You skipped --

17 THE WITNESS: December 8th.

18 BY MR. DZARNOSKI:

19 "Q So this would be the meeting regarding the scores?

20 "A No, sir.

21 "Q So this is with -- where was this meeting held?

22 "A Firefly.

23 "Q Right across the street?

24 "A Yep. Yes.

25 "Q Who attended this meeting?

1 "A I did.

2 MR. BICE: No, that's not the answer.

3 MR. DZARNOSKI: No. You misread that page 157 --

4 THE COURT: Line 20.

5 MR. DZARNOSKI: -- I'm going to reread page 150 --

6 THE COURT: You want to be at line 20 before going to

7 22.

8 MR. HUNT: Okay.

9 THE WITNESS: Who attended the meeting, myself and
10 Mr. Pupo.

11 BY MR. DZARNOSKI:

12 "Q Did you arrange for that meeting?

13 "A I did.

14 "Q What was the reason behind that meeting?

15 "A The reason was to let him know that we would be
16 filing a change of ownership request in the next coming days.
17 I'll tell you my -- what I had talked about at the meeting;
18 right?

19 "Q Yes, sir.

20 "A So it was to disclose next steps as to -- as I was
21 interested to know what the process would be now that the
22 announcements were made, and that was my agenda that I
23 discussed with him.

24 "Q Do you recall him discussing anything with you?

25 "A I do.

MEMORANDUM OF POINTS AND AUTHORITIES

After failing to participate in any settlement discussions over the last two months, THC Nevada LLC (“THC”) and Herbal Choice, Inc. (“Herbal Choice”) are seeking to prevent the parties to the settlement agreement from resolving their respective claims against each other. From the time that THC and Herbal Choice substituted new counsel in this case in May of 2020, they have failed to contact counsel for Thrive in any way to discuss the potential of settlement.

In their Motion, THC and Herbal Choice are using the appearance of a “conflict” with their former counsel to disrupt a settlement agreement that has no effect on their claims in this case. The alleged “conflict” raised by THC and Herbal Choice is premature and is not grounds for injunctive relief, as the Settling Plaintiffs have stated in their opposition brief that they “will not intervene as defendants after settlement is effectuated”. See Opposition at p. 10; see also Bult Decl at ¶18. Even if the Settling Plaintiffs wanted to intervene, they would need to file a motion with this court, which THC and Herbal Choice could oppose at that time.

Therefore, THC and Herbal Choice have no standing or basis to enjoin the pending settlement agreement. Thrive respectfully requests that this Court deny the Motion and allow the Nevada Tax Commission to approve the partial settlement agreement.

DATED this 30th day of July 2020.

Respectfully submitted,
MAIER GUTIERREZ & ASSOCIATES

RESTRAINING ORDER FOR
PRELIMINARY INJUNCTION ON
AN ORDER SHORTENING TIME
AND DECLARATION OF ALINA
M. SHELL

Hearing Date: July 31, 2020
Hearing Time: 8:30 a.m.

Defendant GreenMart of Nevada NLV LLC hereby joins the Opposition to the THC Nevada LLC's and Herbal Choice, Inc.'s Ex Parte Application for Temporary Restraining Order for Preliminary Injunction on an Order Shortening Time filed on July 30, 2020 by

1 Plaintiffs MM Development Company, Inc., LivFree Wellness, LLC, ETW Management
 2 Group LLC, Global Harmony LLC, Just Quality, LLC, Libra Wellness Center, LLC,
 3 Rombough Real Estate, Inc., and Zion Gardens LLC, Nevada Wellness Center, LLC, and
 4 Qualcan, LLC (“Plaintiffs’ Opposition”).

5 GreenMart of Nevada NLV LLC hereby adopts the arguments and grounds as
 6 stated in the Points and Authorities filed in support of Plaintiffs’ Opposition.

7 In addition to the arguments and grounds presented in Plaintiffs’ Opposition,
 8 GreenMart further asserts that THC Nevada LLC’s and Herbal Choice, Inc.’s Ex Parte
 9 Application must be denied because THC Nevada and Herbal Choice have failed to name in
 10 their respective complaints the regulatory body which will approve the transfers
 11 contemplated by the parties’ settlement—the Cannabis Compliance Board (“CCB”)—
 12 despite having ample opportunity to do so before trial commenced in this matter.

13 On July 1, 2020, NRS Title 56—Regulation of Cannabis—went into effect.
 14 Pursuant to Title 56, the CCB is now the governing body responsible for, *inter alia*, adopting
 15 regulations (Nev. Rev. Stat. § 678A.450), establishing qualifications for licensure (Nev. Rev.
 16 Stat. §§ 678B.200-678B.280), adopting regulations for transferring licenses (Nev. Rev. Stat.
 17 § 678B.380), and otherwise overseeing the regulation of Nevada’s legal medical and
 18 recreational marijuana programs. *See generally* Nev. Stat. Chapters 678A, 678B, 678C, and
 19 678D.

20 Thus, even if it were appropriate to do so—which it is not—the Court does not even
 21 have the ability to thwart the reassignment of licenses.¹ *Cf. Drake v. Nelsen*, 2016 WL
 22 2870675 at *3 (Nev. App. May 6, 2016) (unpublished) (affirming a district court
 23 determination that claims for injunctive relief against two justice court employees were moot
 24 because the employees had left their positions); *see also Personhood Nevada v. Bristol*, 126
 25 Nev. 599, 602, 245 P.3d 572, 574 (2010) (recognizing that a claim that is cognizable at the

26 _____
 27 ¹ Indeed, the Court does not have authority to grant any of the injunctive relief sought in case
 28 because, for the reasons set forth above, the Department of Taxation is no longer the proper
 party for those claims.

beginning of a suit may become moot due to event occurring after the complaint is filed).

Moreover, given that the CCB is now overseeing all regulatory matters pertaining to the medical and recreational marijuana programs, it would be an indispensable party to any efforts by any party to impede settlement. *See* Nev. R. Civ. P. 19(a)(1)(A). However, neither THC Nevada nor Herbal Choice have amended their complaints in this consolidated matter to name the CCB as a Defendant—despite having ample opportunity to do so before trial commenced in this matter.

Accordingly, for these reasons, and for the reasons set forth in Plaintiffs’ Opposition, THC Nevada LLC’s and Herbal Choice, Inc.’s Ex Parte Application for Temporary Restraining Order for Preliminary Injunction on an Order Shortening Time must be denied.

DECLARATION OF ALINA M. SHELL

Pursuant to Nev. Rev. Stat. § 53.045, Alina M. Shell hereby declares as follows:

1. I have personal knowledge of the facts set forth herein, except where stated to be upon information and belief, and where so stated, I believe them to be true.

2. I am an attorney licensed to practice in Nevada, and, along with Margaret A. McLetchie, am counsel for GreenMart of Nevada NLV, LLC (“GreenMart”) in this matter.

3. I am submitting this Declaration in support of and to supplement GreenMart’s Joinder to the Plaintiffs’ Opposition to THC Nevada LLC’s and Herbal Choice, Inc.’s Ex Parte Application For Temporary Restraining Order For Preliminary Injunction on an Order Shortening Time.

4. Since July 2019, Ms. McLetchie and I have participated in settlement discussions with the Plaintiffs and other Defendant Intervenors. These settlement discussions were not held in secret, as all of the parties were invited to participate in several lengthy mediation sessions with the Hon. Jennifer Togliatti. Thus, contrary to the unsupported allegations in the Ex Parte Application, these settlement discussions have not been held in a secretive or collusive manner.

5. Sigal Chattah, counsel for Herbal Choice, Inc., has never contacted my office to discuss settlement since she assumed representation of Herbal Choice in this matter.

6. Amy Sugden, Counsel for THC Nevada LLC, has never contacted my office to discuss settlement since she assumed representation of THC Nevada in this matter.

I declare under the penalty of perjury that the foregoing is true and correct.

8 In addition, Plaintiffs provide the following supplement to their Joinder.

9
10 **1. The Court Should Issue a Temporary Restraining Order Because the Proposed**
11 **Settlement Agreement Provides Unlawful Provisions which will Cause**
12 **Irreparable Harm to Plaintiffs**

13 The Settlement Agreement unlawfully binds the Parties to join an ambiguously described
14 DoT filed Motion that exceeds any lawful authority of the State, binds the parties to an
15 agreement which usurps and supplants the proper role of this court and which evidences a clear
16 intent by the settling parties to inappropriately collude toward a settlement that is inapposite to
17 sound public policy and good government. Paragraph Seven (7) of the Agreement provides:

18
19 “As a condition and term of this settlement, DOT will notify the Court and will file an
20 appropriate Motion on OST in the Lawsuit informing the Court that it has determined that Lone
21 Mountain, NOR, GreenMart, and Helping Hands (each, a “Tier 3 Party”) have satisfied the DOT
22 that each such Settling Defendant provided the information necessary in their respective
23 applications to allow the DOT and/or CCB to conduct all necessary background checks and
24 related actions and that Lone Mountain, NOR, GreenMart, and Helping Hands are being
25 reassigned to Tier 2 status in the Lawsuit for purposes of the Preliminary Injunction or any other
26 injunction that may be issued in the Lawsuit or any related proceedings.”
27
28

1 **A. The Proposed Settlement Agreement Exceeds Lawful State Authority to Issue**
2 **Licenses**

3 While the express terms of any Motion that the DoT would be required to file pursuant to
4 the Settlement Agreement remain unclear, the DOT simply has no authority to revise its previous
5 representations to the court and now claim instead that applications were complete for purposes
6 of evaluation and scoring of the identified portions of the merit criteria. In support of the Court's
7 Findings of Fact and Conclusions of Law, the DoT responded to the Court's inquiry regarding
8 completeness of applications "based on the information available to it from applications
9 themselves, testimony given at the hearing (without reference to issues of admissibility, which an
10 affected party may raise), and information publicly available from a government website (the
11 Canadian Securities Exchange website), which was submitted by the applicant or information
12 submitted about the applicant by an entity claiming an affiliation to the applicant." (See, Court
13 Exhibit 3 to FFCL). Based upon that determination, DoT represented that applications filed by
14 the parties subject to the Court's injunction were not complete and in compliance with respect to
15 disclosures of ownership. As the court noted in its FFCL, the law "required the DoT to
16 determine that an Application is "complete and in compliance" with the provisions of NAC
17 453D in order to properly apply the licensing criteria set forth therein and the provision of the
18 Ballot Initiative and the enabling statute." The court further determined that, "[w]hen the DoT
19 received applications, it undertook no effort to determine if the applications were in fact
20 "complete and in compliance."
21
22
23
24

25 Factual determinations that certain successful applicants did not submit complete
26 applications with respect to ownership cannot now be simply conveniently disregarded or
27 forgotten by the State to reach a partial settlement agreement. As the court noted in its FFCL,
28

1 “[t]he testimony elicited during the evidentiary hearing established that multiple changes in
2 ownership have occurred since the applications were filed. Given this testimony, simply updating
3 the applications previously filed would not comply with BQ2” (FFCL pg 17 Footnote 16).
4 Indeed, the fact that the enjoined parties failed to list all owners in their applications remains
5 unchanged. This fact is critical to the ultimate factual determination by the court as to whether
6 the DoT’s failure to comply with the law invalidates the issuance of licenses because the
7 applicants’ designations of owners, officers and board members were directly tied to the merit
8 criteria used by the evaluators to score and rank applicants.
9

10
11 In evaluating numerous sections of the application, the evaluators applied a percentage-
12 based formula of the proportional number of owners, officers or board members who met
13 established criteria such as educational achievements, previous business experience, experience
14 in the marijuana industry and diversity. Therefore, if certain applicants were awarded
15 conditional licenses based upon scoring which did not include a complete disclosure of the
16 applicant’s owners, officers or board members, the DoT cannot now simply revise its previous
17 findings regarding the completeness of applications and suddenly suggest to this Court that the
18 ranking and scoring would remain unchanged.
19

20
21 Furthermore, the proposed Settlement Agreement provides in Paragraph Two (2) that,
22 “the DoT and/or CCB agrees to issue a conditional Henderson license to LiveFree” subject to
23 conditions which appear to completely disregard the statutory mandates relating to the
24 requirement that the State conduct a competitive application process prior to issuing any such
25 licenses. See, NRS 453D.210(6). Any such contemplated issuance of a Henderson license to
26 LivFree circumvents clear statutory mandates and is facially violative of the clear provisions
27 mandating a merit-based review of competing applicants. DoT was granted no such authority to
28

1 wholly disregard the law in granting licenses, which are limited in quantity by statute, and are the
2 entire subject of dispute of the instant litigation.

3 Consequently, any proposed settlement agreement which requires the State to reach any
4 such finding is unlawful, collusive and injurious to other Plaintiffs to this litigation.
5

6 **B. The Proposed Settlement Agreement Includes Provisions That Usurp the Proper**
7 **Role of This Court and Should Be Enjoined From Formal Approval by the**
8 **Nevada Tax Commission**

9 The proposed Settlement Agreement alarmingly suggests the Parties agree to circumvent
10 key provisions of this Court’s previous findings and instead swiftly allow illegally issued
11 conditional licenses to move forward with approvals toward final inspections. The Settlement
12 Agreement provides, “[t]he Motion to be filed by DOT will indicate the DOT’s approval of the
13 applications of the previously designated Tier 3 Defendant Intervenors and that final inspections
14 may be completed for any establishments owned by Lone Mountain, NOR, GreenMart, and
15 Helping Hands.” The Agreement further mandates that “[a]ll Parties will join in the DOT’s
16 Motion.” However, the proposed terms of the Settlement Agreement should be enjoined by this
17 court prior to any requested approval by the Nevada Tax Commission because the terms of the
18 agreement exceed any authority granted to DoT and inappropriately binds the parties to a
19 vaguely described agreement that seemingly intends to moot proceedings properly before the
20 Court.
21
22

23 It is well-established that a live case and controversy must exist throughout the entire
24 proceeding. *Personhood Nev. v. Bristol*, 126 Nev. 599, 602, 245 P.3d 572, 574 (2010). However,
25 a case is only moot if *all* claims and requests for relief are moot. For example, “when the
26 violation of a statute or another law may be remedied by monetary damages, as well as
27 injunctive or declaratory relief, a complaint for damages may remain viable even when the
28

1 injunctive or declaratory remedies have been rendered moot.” *Stockmeier v. Nev. Dep't of Corr.*
2 *Psychological Review Panel*, 124 Nev. 313, 318 n.16, 183 P.3d 133, 136 (2008). To the extent
3 the Settlement Agreement requires the State to argue the entire case is now moot, that argument
4 has no merit. This case involves both claims for injunctive relief and for damages. Thus, it is
5 clear under *Stockmeier* that the amendment of the statutes to define “owner” does not render the
6 entire case moot. In any event, the ultimate legal issues still must be litigated to conclusion in
7 order to resolve the Plaintiffs’ damages claims.
8

9
10 To the extent the Settlement requires the State to argue that only the preliminary
11 injunction is moot, that argument must also be rejected. The State’s failure to follow the law
12 during the 2018 Recreational Marijuana Application period is not cured by the amendment of the
13 statute or ensuing regulations because, had the State followed the law, the rankings would have
14 turned out differently. Specifically, had the State followed the law, the enjoined parties to the
15 Agreement, namely Helping Hands Wellness Center, Inc, Lone Mountain Partners, LLC, Nevada
16 Organic Remedies, LLC and GreenMart of Nevada NLV LLC, would have been evaluated,
17 scored and ranked differently because those applicants failed to list owners. *See* NAC
18 453D.272(1) (requiring that an application be “complete and in compliance” with the
19 regulations).
20
21

22 The number of available licenses is limited, and the State has now awarded the maximum
23 number allowed in multiple counties, but the State awarded those licenses based upon scoring
24 and rankings of incomplete applications that cannot now be remedied by any DoT fiction that the
25 State might somehow be able to reconstruct the applications to include an applicant’s omitted
26 owners, officers or board members. *See* NRS 453D.210(5)(d); 678B.260(1)(a). Consequently,
27 the applicants who would have received a license, but did not because the State ignored the law,
28

1 have been and still are being harmed. Any proposed approval by the Nevada Tax Commission of
2 a partial Settlement Agreement that mandates transfer of illegally awarded licenses would result
3 in injury to Plaintiffs in this litigation and should be enjoined as the agreement seeks to
4 circumvent this Court’s ultimate determination on the merits.
5

6 The Court’s injunction cannot be mooted as the proposed Settlement Agreement implies.
7 This case is plainly distinguishable from those where a disappointed bidder failed to demonstrate
8 prejudice. In *Intralot, Inc. v. Blair*, 2018-Ohio-3873, ¶ 46 (Ct. App. 2018), the court held that a
9 preliminary injunction was properly dissolved as moot where, after the litigation started, the state
10 procurement agency properly scored the plaintiff’s application and the score was so low that “it
11 had no realistic chance” of winning the contract. This case is also distinguishable from those
12 where the plaintiff is challenging the *enforcement* of a law that is then amended or repealed. In
13 those types of cases, the courts generally hold that repealing or amending the law through formal
14 legislative action is often enough to moot a request to enjoin enforcement of the law. *See e.g.*,
15 *All. for America's Future v. State*, No. 56283, 2012 Nev. Unpub. LEXIS 287, at *6 (Feb. 24,
16 2012) (unpublished) (appeal of order issuing preliminary injunction was moot where the
17 underlying statute had been amended pending the appeal); *Boulder Sign Co. v. City of Boulder*
18 *City, Nevada*, 382 F. Supp. 2d 1190, 1196 (D. Nev. 2005) (recognizing the general rule that
19 repeal of a statute moots any objection to that statute's constitutionality, even if the statute could
20 be reenacted). This case is the opposite: the claim is that the State *failed to enforce* the law, and
21 this failure materially changed the outcome of its licensing process. Repealing the law that the
22 State failed to enforce in the past does not cure the harm because, due to the limited number of
23 licenses, Plaintiffs are now unable to obtain a license that they could have otherwise.
24
25
26
27
28

1 Furthermore, injunctive relief is proper to remedy the State’s violation of the law. Ballot
2 Question 2 required the State to use “an impartial and numerically scored competitive bidding
3 process.” NRS 453D.210(6). Therefore, this case must be treated like other competitive bidding
4 processes, such as those used in procurement (see NRS Chapter 333) or public works (see NRS
5 Chapter 338, 341). This means that the State should have rejected as incomplete and not in
6 compliance all applications that did not list all owners or that listed “strawman” owners,
7 directors, or officers. Its failure to do so renders the issuance of licenses to any such entities void.
8 This is because the applications were, effectively, not responsive because they failed to meet the
9 requirements of the law to even be considered.
10

11
12 The Nevada Supreme Court has previously recognized that the lowest responsible bidder
13 whose bid is unlawfully rejected should bring a timely challenge to require the government to
14 accept his bid and award him the contract. *Gulf Oil*, 94 Nev. at 119. Injunctive relief awarding
15 the contract to the lowest bidder is the proper relief. *Id.* The federal district court, applying
16 Nevada law, has also ordered that the government award a contract to the lowest bidder. *Fisher*
17 *Sand & Gravel Co. v. Clark Cty.*, No. 2:09-cv-01372-RCJ-GWF, 2010 U.S. Dist. LEXIS 4888,
18 at *32 (D. Nev. Jan. 6, 2010). In *Fisher*, the court found that the Clark County Board of County
19 Commissioners violated the plaintiff’s due process rights at the hearing on whether the plaintiff
20 was a “responsible” bidder. *Id.* at *31. After a rehearing, as ordered by the court, the board failed
21 to produce any evidence that the plaintiff was not a responsible bidder. *Id.* But instead of
22 awarding the plaintiff the contract, it cancelled the project entirely. *Id.* at *32. The court held that
23 the board had no authority to do so and ordered that it must award the contract to the plaintiff.
24 *Id.* The California courts have also addressed these issues. As the California Supreme Court has
25 recognized, “the most effective enforcement of the competitive bidding law is to enforce by
26
27
28

1 injunction the representation that the contract will be awarded to the lowest responsible bidder.
2 This is generally done by setting aside the contract award to the higher bidder.” *Kajima/Ray*
3 *Wilson v. Los Angeles County Metropolitan Transportation Authority*, 23 Cal.4th 305, 313, fn. 1,
4 1 P.3d 63 (Cal. 2000). The court in *Eel River Disposal & Res. Recovery, Inc. v. Cty. of Humboldt*
5 recognized that in some cases the contract awarded may be fully performed by the time of the
6 litigation, which would limit the ability of the court to issue effective injunctive relief. 221 Cal.
7 App. 4th 209, 240, 164 Cal. Rptr. 3d 316, 340 (2013). In those cases, damages are likely the
8 appropriate remedy. *Id.* However, in that case 99% of the work had not yet been accomplished.
9 *Id.* The court therefore remanded to the trial court to determine whether an injunction awarding
10 the contract to the plaintiff was the appropriate relief. *Id.*

13 This case is analogous to *Eel River* because the “project” at issue, the opening of a
14 dispensary, has not actually occurred for all of the licensees. Accordingly, injunctive relief is not
15 moot because it is still entirely possible for the Court to award effective equitable relief. A major
16 purpose of using a competitive bidding system is “to guard against favoritism, improvidence and
17 corruption.” *Gulf Oil Corp. v. Clark Cty.*, 94 Nev. 116, 118, 575 P.2d 1332, 1333 (1978). In this
18 case, the State’s process utterly failed to meet that purpose. Indeed, the process was so flawed
19 that it threw the door wide open to favoritism, improvidence, and corruption. The only effective
20 relief, for both the Plaintiffs (and for the public who is harmed by allowing such corruption) is to
21 invalidate the State’s actions and require a new round of licensing where all applicants are
22 treated equally and fairly. Therefore, the provisions of the Settlement Agreement requiring the
23 State to invalidate findings central to the ultimate factual determinations before the Court must
24 be enjoined prior to any Nevada Tax Commission approval in order to prevent injury to
25 Plaintiffs.
26
27
28

1 **C. The Proposed Settlement Agreement Evidences Collusion Between the Parties**
2 **and is Contrary to Sound Public Policy**

3
4 DoT's desire to reach a partial settlement in this case does not appear motivated by the
5 best interest of the State but instead appears motivated by collusive interests of the settling
6 parties that weigh against sound public policy. Paragraph Five (5) of the Settlement Agreement
7 provides, "[c]ontemporaneously, Settling Plaintiffs will withdraw the pending Motion for Case
8 Terminating Sanctions filed against the DOT seeking to strike its Answer to the Lawsuit." It is
9 notable that an express condition of the Settlement Agreement withdraws a Motion alleging
10 improper conduct by the State and representatives of the Attorney General's office. Indeed, the
11 Settlement Agreement mandates withdrawal of a Motion in which MM Development Company,
12 Inc and LivFree Wellness LLC alleged that the, "stunning spoliation of cell phones from 3 of the
13 top 4 DOT employees involved in the marijuana application process requires that the Court
14 strike the DOT answer in the MM/LivFree case and the NWC case wherein written preservation
15 orders were entered." The Court's hearing relative to those motions further substantiated claims
16 of spoliation and improper conduct which prevented Plaintiffs from discovering evidence that
17 may have established favoritism, improvidence, or corruption.
18
19
20

21 Apparently coincidentally, at the first Board Meeting ever held by the State's recently
22 formed Cannabis Compliance Board Meeting on July 21, 2020, both MM Development
23 Company and Nevada Wellness Center LLC were two of only three licensees among the
24 hundreds throughout Nevada who were served with Notices of Complaints for Disciplinary
25 Actions based upon alleged violations of provisions within the Governor's Declaration of
26 Emergency (Directive 021). Both MM Development and Nevada Wellness Center now propose
27 a partial settlement wherein they agree to drop their claims of inappropriate State conduct in
28

1 exchange for DoT's commitment that it will disregard the State's statutorily mandated ranking of
2 competitive applicants and instead award licenses to the very same two applicants who
3 previously sought to expose unlawful conduct by the State.
4

5 **2. The proposed Settlement Agreement's provisions concerning transfer of conditional**
6 **license violates clearly articulated prohibitions in both NAC453D and NCCR.**

7 Paragraph 8 of the proposed Settlement Agreement provides:

8 "As a condition and term of this settlement, after the conditions precedent in
9 Paragraphs 5-7 are met, the CCB agrees to make a good faith effort to expedite
10 any and all CHOW requests for the transfer of licenses from existing licensee to
11 another existing licensee as set forth in Paragraph 1 above. The CCB agrees that
12 it will make a good faith effort to expedite and process all CHOWs after
13 submission thereof. For purposes of approving the transfers, LivFree, MM, ETW
14 Plaintiffs, NWC, Qualcan, and Thrive were previously and are currently approved
15 by the DOT as owners and operators of medical and retail marijuana dispensary
16 licenses in the state of Nevada. In compliance with NRS/NAC 453D, these
17 parties have operated retail marijuana dispensaries without any suspensions or
18 revocations of those licenses. Any delays in approvals of the CHOWs due to no
19 fault of transferor shall not be deemed a breach of this Agreement.
20

21 Id.

22 Both NAC 453D and NCCR provide identical provisions related to a requirement that a
23 request to transfer an ownership interest in a conditional license requires a notarized attestation
24 by the transferor declaring that the prospective owner will build and operate the establishments at
25 standards meeting or exceeding the criteria contained in the original application. Absent a
26 finding invalidating the ranking of applications by DOT, neither the proposed "Settling
27 Defendants" nor the proposed "Settling Plaintiffs" can assert that the marijuana establishment
28 will meet or exceed the very same criteria that DOT purports it appropriately considered and
ranked from first to last among competing applicants. The Settling Parties simply cannot assert
that the proposed transfers will be built and operated at the same standards ranked and scored by
the DoT absent an explicit admission by DoT or a determination by the court that the rankings of

1 these same applications among competing applicants are devoid of any meaning.

2 NAC 453.315(9) and NCCR 5.110(9) provide identical restrictions toward the requested
3 transfer of conditional licenses: “[a] request to transfer an ownership interest in a cannabis
4 establishment which holds a conditional license must be accompanied by a notarized attestation,
5 signed by a person authorized to submit such an attestation by the governing documents of the
6 cannabis establishment, declaring that the prospective owner will build and operate the cannabis
7 establishment at standards that meet or exceed the criteria contained in the original application
8 for the cannabis establishment.”
9

10
11 Notwithstanding the above, the purported Settlement Agreement provides for unlawful
12 transfers of conditional licenses as follows:

13 * ***Lone Mountain hereby assigns 1 City of Las Vegas conditional license to Qualcan;***

14 This provision seeks unlawful transfer of a license from an applicant ranked
15 number **Six (6)** to an applicant ranked number **Eleven (11)**

16 * ***Lone Mountain hereby assigns 1 Washoe County – City of Reno conditional license,***

17 This provision seeks unlawful transfer of a license from an applicant ranked
18 number **Five (5)** to an applicant whose ranking cannot specifically be determined
19 but **would not have qualified for licensure**

20 * ***1 Lincoln County conditional license, 1 Esmerelda conditional license, and
21 1 Eureka County conditional license to ETW Plaintiffs;***

22 This provision seeks unlawful transfer of a license from an applicant ranked
23 number **One (1)** to an applicant that did not apply in that jurisdiction but based on
24 scores in other jurisdictions **would not have qualified for licensure.**

25 * ***Helping Hands hereby assigns 1 Unincorporated Clark County conditional license to
26 LivFree;***

27 This provision seeks unlawful transfer of a license from an applicant ranked
28 number **Five (5)** to an applicant ranked **Thirty-Five (35)**

* ***NOR hereby assigns 1 Unincorporated Clark County conditional license to MM;***

1 This provision seeks unlawful transfer of a license from an applicant ranked
2 number **Three (3)** to an applicant ranked **Fourteen (14)**

3 * ***NOR hereby assigns 1 Carson City conditional license to Qualcan;***

4 This provision seeks unlawful transfer of a license from an applicant ranked
5 number **Two (2)** to an applicant that did not apply in that jurisdiction but based on
6 scores in other jurisdictions **would not have qualified for licensure.**

7 * ***GreenMart hereby assigns 1 Unincorporated Clark County conditional license to
8 NWC;***

9 This provision seeks unlawful transfer of a license from an applicant ranked
10 number **Seven (7)** to an applicant ranked **sixty-nine (69)**

11 * ***Thrive hereby assigns 1 Clark County – City of Henderson conditional license
12 (RD266) to ETW Management or a related-entity designee;***

13 This provision seeks unlawful transfer of a license from an applicant ranked
14 number **Fourth (4)** to an applicant ranked **Thirty (30)**

15 * ***Lone Mountain hereby assigns 1 Douglas County conditional license to Thrive***

16 This provision seeks unlawful transfer of a license from an applicant ranked
17 number **One (1)** to an unspecified applicant. Per the terms of the Agreement, the
18 Parties agree to a transfer to Thrive yet that applicant applied under two separate
19 entity names. Both Thrive entities, Cheyenne Medical and Commerce Park,
20 submitted identical applications but were scored differently. Supposing that the
21 intended transfer of license was intended to be built and operated by Commerce
22 Park then the applicant **would not have qualified for licensure.**

23 Applicable provisions of NAC 453D clearly establish that the intent of NAC 453.315(9)
24 is that the terms “build and operate the marijuana establishment at standards that meet or exceed
25 the criteria contained in the original marijuana establishment” are intended to prohibit the exact
26 conditions the settling parties now seek to apply. NAC 453D.260 provides that the
27 “[d]epartment will provide notice of a request for applications to operate a marijuana
28 establishment...” NAC 453D.268 provides in relevant part, “The application must include,
without limitation: Documentation concerning the size of the proposed marijuana establishment,

1 including, without limitation, building and general floor plans with supporting details.” These
2 associated regulations evidence a clear intent prohibiting the precise conduct that DoT now
3 attempts to condone in permitting transfer of conditional licenses.
4

5 The DoT simply does not have any such authority to disregard the law in furtherance of
6 any proposed partial settlement and should the agreement should therefore be enjoined by this
7 court.

1 Q Maybe we could just start from the top. What was the
2 evidence -- evidence you used to satisfy that metric?

3 A Again, there was usually, in the majority of the
4 applications, there was a attestation, attachment, a statement
5 signed by one of the owners that said -- or whoever was giving
6 the money -- that the money was unconditionally committed for
7 the purpose of the application.

8 Q What I'm asking you is where did that evidence metric
9 for determining Tab 11 and the applicant being qualified come
10 from?

11 A I know it was part of our training. I'm not sure I
12 have that at my fingertips at the moment.

13 Q Ms. Kluever, is it your testimony that the examples
14 you provided this morning with regards to vault statements
15 confirmation, these were -- et cetera -- these were provided to
16 you during your training?

17 A Yes. As examples that -- that meets that, that
18 criteria of unconditionally committed.

19 Q And, again, who in your training provided you that
20 information?

21 A That would have been presented by Kyril Plaskon to
22 the group, the teams.

23 Q Prior to the grading that you and the [indiscernible]
24 engaged in in 2018, have you ever been part of any sort of
25 competitive bidding process?

1 A A review of a competitive bidding process?

2 Q Let's go there. Have you ever been part of a review
3 of a competitive bidding process?

4 A Yes. With the State of Nevada I've participated in
5 quite a few contract and competitive bidding processes in my
6 career.

7 Q And what was your role in those processes?

8 A I have prepared -- I've prepared documents that went
9 over to State purchasing to create a, you know, the bid to go
10 out to bid for contract.

11 I've participated in the review process for other
12 state agencies that had bids out.

13 And then I've also finalized contracts many, many
14 times in my State career as an administrative services officer
15 and deputy administrator for the Department of Health and Human
16 Services.

17 Q Were these processes under a particular statute
18 [indiscernible] --

19 A You're really, really sounding far away.

20 Q The processes that you were just describing on
21 bidding, are those processes that are governed under
22 [indiscernible] current statute in NRS?

23 A Yes.

24 Q Turn to Exhibit 29.

25 A Okay.

1 Q The Bates stamp page is 2268.

2 A I'm sorry. What was the page number?

3 Q 2268.

4 A 2238. And your microphone is, like, really muffled.

5 Q 2268.

6 A 2268. I apologize.

7 Okay. I'm there.

8 Q You previously testified that you couldn't recall the
9 name of another Department of Taxation employee that was part
10 of the training. Was that other employee Diane O'Connor?

11 A Yes, it was. Thank you.

12 And she was fairly new to her role, and so she was
13 the main liaison that helped the clerical support versus the
14 team members. She would be -- she was the one that was running
15 back and forth with the applications and making sure that the
16 clerical support had that information to download onto our
17 individual laptop computers and then when our clerical support
18 would record information giving updates back to Diane O'Connor.

19 Q Sorry. I might have -- let me ask a clarifying
20 question. So was Diane O'Connor the clerical support person in
21 the other room while you were grading?

22 A No, she was not. She's a State employee that was in
23 the State Marijuana Enforcement Division office. She would
24 come down and give us application information and then go back
25 and work in her role in her office.

1 Q She would provide flash drives to your clerical
2 support person?

3 A Yes.

4 Q And that person provided you the flash drives to put
5 on your laptop for grading?

6 A Yes.

7 Q Earlier today you've testified that if you or anyone
8 else on the identified team of graders had questions during the
9 grading process that you would speak to Kyril Plaskon. Is that
10 correct?

11 A Right. We would -- our questions would usually be
12 directed straight to Kyril Plaskon, and then sometimes were
13 elevated up to Steve Gilbert, but most of it was handled
14 through Ky.

15 Q So, hypothetically, for example, if you were in the
16 middle of an application and grading it, and a question came up
17 that you couldn't answer, you would let the clerical assistant
18 know that you had a question, and would Ky [indiscernible] walk
19 you through that process?

20 A Yeah. So Ky would come in and check on us each
21 morning and ask if we had any questions.

22 So if it was something that we could just jot down
23 and get clarification on in a group setting because it applied
24 to everybody, we would do it that way.

25 If it was a specific question and it was holding us

1 up, we could go out to our clerical support, which was a
2 Manpower temp services employee, to run down the hall and grab
3 Ky or Steve to come down and answer our questions.

4 We always had those Q and A's done behind our closed
5 door in our suite. And if it was only applicable to the ID
6 team, it would be done in the ID team office. If it was only
7 applicable to the nonID team, it would be done in their office.
8 If it was something applicable to all of us in general
9 practice, then we would get together as a group.

10 Q Do you recall any specific examples of questions that
11 you directed to Ky Plaskon during the grading process?

12 A I cannot recall any specific questions. I know that
13 there was a little more Q and A going on at the very beginning
14 of the process while we were kinda getting our feet wet. And
15 then once we were off and running, it went pretty smooth.

16 Q Do you recall the number of times that questions were
17 asked during the grading process?

18 A No. I can't -- you know, I -- I don't know. There
19 was regular conversation that would go on, communication to
20 keep everybody apprised of where we were at in the process to
21 make sure we were staying on track.

22 You know, sometimes if you were in -- in your thought
23 process and in your zone of reviewing your application, even if
24 there was a conversation going on out in the main lobby area of
25 our suite that was still behind the closed door, you wouldn't

1 necessarily be paying attention to everything.

2 Does that make sense?

3 Q And would Ky Plaskon answer a question right on the
4 spot, or would he have to get back to you?

5 A You know, it -- that would vary. I mean, it would
6 depend on whether he had the information on the top of his
7 head, or if he had it in the training manual because he knew
8 that more intimately than we did where he could direct us to go
9 and look for something in our training materials, or whether
10 he'd have to go get an answer and come back.

11 Q What was your understanding if Ky Plaskon had to get
12 back to you how he would get an answer to the question?

13 A You know, once he left our office and came back with
14 the answer, his means of getting that information was not to
15 our preview (sic).

16 Q So if he did say to you that he'd have to get back to
17 you, do you know who he would go talk to to get an answer?

18 A I mean, we had access to Steve and Ky whenever we
19 needed them, but they would come down to us. We didn't -- we
20 didn't conduct any of the application-question business down in
21 the business office. It was all in our suite.

22 Does that -- is that answering your question?

23 Q Not really. When Ky would come to you and -- or,
24 excuse me.

25 When you would come to Ky with a question and he

1 would say, I don't have that, let me get back to you, for
2 example, do you know where he would go or who he would talk to
3 to get the answer to your question?

4 A Like I said before, I don't always know whether he
5 just went and asked Steve or whether he had to go look
6 something up, or -- no, I don't know. Is all I know is he
7 would go get an answer and come back and assist us.

8 Q How would the -- how would the answer then be
9 communicated back to you?

10 A Sometimes it would be, you know, referencing the
11 training material. Sometimes it would just be a general
12 question on, you know, a protocol of how to handle something
13 verbal or written.

14 But, you know, so we'd always have -- and that's the
15 reason why we always kept our notebook too, to keep -- you
16 know, we'd write notes and make sure that -- so that if a
17 question came up, we could be consistent throughout.

18 Q And that's what I'm getting at is were you provided a
19 written response from Ky?

20 A Well, we didn't -- we didn't have a means to, like,
21 give him a formal written question unless we jotted it down on
22 a piece of paper. Again, we didn't have email going back and
23 forth with each other. We didn't have access to a phone. We
24 didn't have access to an Internet connection with email back
25 and forth. So a lot of it was a verbal communication and then

1 the training.

2 And he was really good about documenting anything
3 that pertained and making sure that the training manual was
4 always up to speed and point us in that direction. This is
5 your resource. Go to page -- just like we're doing now. Go to
6 page 2268 of the training manual, and it's right there.

7 Q So would it be correct to say that there's no writing
8 to verify whether, when you had questions, those questions were
9 answered by Ky, that there's no writing of any kind with regard
10 to that?

11 A Like I said, I had a notebook that I kept, and that
12 notebook was retained by Department of Taxation, you know,
13 all -- all documentation that we used, even if it was
14 handwritten notes, was left behind. It was not something that
15 we could take with us.

16 And so, if you're looking like email correspondence
17 between us or text messages between us, that's not how we
18 communicated. We communicated in person.

19 Q And this notebook that you're referencing, is that
20 different than the [indiscernible]?

21 A You were breaking up really bad on that.

22 Q You referenced a notebook; correct?

23 A I did, yes. It's just a legal sheet of, you know,
24 ledger paper.

25 Q So it's nothing that we looked at or reviewed today

1 at this deposition in regards to the various exhibits
2 [indiscernible]?

3 A No, I do not believe so. And we all had a hard copy
4 printout of the -- of the training materials. So if anybody
5 had handwritten notes on their training materials, you don't
6 have those either. Those would be our own individual
7 handwritten notes.

8 Q And so just to back up then, there might not have
9 been a form that you filled out when you had a question for Ky
10 Plaskon --

11 A No.

12 Q -- correct?

13 A Correct.

14 Q However, there were oral communications that took
15 place between you and Ky Plaskon, and those discussions were
16 written down in your notebook?

17 A If it was a clarifying that I felt like I wanted to
18 take notes on, yeah, I wrote it in my notebook or on my -- I
19 would flag my training resource manual, this, you know,
20 reference this page.

21 Q Do you recall there ever being a time where you
22 presented questions to Ky Plaskon and he never got back to you
23 with a response?

24 A No, I never recall that at all.

25 Q During your training, did anyone from the State ever

1 communicate to you any specific question that applicants had
2 asked them with regards to the application process?

3 A I don't think we were involved in any of those
4 conversations at all. I don't recall that type of
5 conversation.

6 Q It's not that you were involved with conversations
7 with applicants. My question's a little more narrow in the
8 sense that whether during your training were you ever told by
9 any of the trainers from the Department of Taxation about
10 questions that applicants had asked them regarding the
11 application process?

12 A I am not aware of any, no.

13 Q Can you turn to Exhibit 25.

14 A Yes. What page?

15 Q Page 22 -- well, MMLS 00022.

16 A Okay.

17 Q Looking at tab [telephonic interference]
18 Organizational structure, and owner, officer or board member
19 information.

20 A Okay.

21 Q Was this information that an actual -- I'll try that
22 again.

23 The information the applicant provided in response
24 [telephonic interference], was that information used by you for
25 purposes of diversity?

1 A Yes. In Section 5.2.10.4 and 10.5 is where you would
2 find their resume and narrative description -- oh, wait a
3 minute. No. It was in this section. Hang on. Strike that.

4 I don't know if I can do that, but I just thought
5 about that: Strike that. That's not what I meant.

6 Let's see. It was identified in -- it is under the
7 organizational structure, and I'm trying to remember which
8 attachment. It would -- so in the application, Attachment C,
9 which outlines their owner, officer, board member information
10 form, which is MLF -- MMLF 00036 of that application,
11 identified on there is their gender, race, ethnicity. And we
12 would pull the information from there.

13 Q Was that the only place on the application that you
14 used when doing the diversity?

15 A If they included that information in other areas of
16 the application, you know, duplicate information someplace
17 else, but this is the main consistent source where that
18 information was gathered from.

19 It doesn't mean that they wouldn't have also included
20 it. Like, many organizations would put in a complete org chart
21 with pictures and all kinds of stuff, and it would lay out all
22 kinds of additional information. So some people were very,
23 very thorough with supplying additional information in addition
24 to the Attachment C, but the Attachment C was the formal
25 document that captured that information.

1 Q Do you recall any instances where you saw in an
2 application information that would help you in determining the
3 diversity score?

4 A Other than the Attachment C?

5 Q Correct. You just said that if there are other
6 places in the -- other places in the application there was
7 information, that you would use that. I'm asking you do you
8 recall seeing those other places where that information would
9 have been included in the application?

10 A It's all under the organizational structure section
11 of the application. It's just how much additional information
12 did they provide to support their Attachment C. If it was in
13 there and you were -- you know, you reviewed the whole
14 application from page 1 to page Z. So you may come across
15 additional information, but Attachment C is the formal document
16 that captures that.

17 Q What attachments to the application did you use to
18 verify all the owners, officers, and directors for purposes of
19 diversity?

20 A That was -- I believe it's Attachment A, but let me
21 look for it here.

22 So Attachment A, which is 0032 and 0033,
23 Attachment A, Part 1, would be completed for each individual.

24 And then Attachment A, Part 2, is a list that
25 includes last name, first name, middle initial, owner, officer,

JD Reporting, Inc.

1 board member in a list format.

2 Q That was the list that you used to verify that all
3 owners, officers, and directors were scored for diversity?

4 A That was the attachment that was used to identify who
5 was in the organization, and of those people which ones were
6 owners, officers, and/or board members. That did not have
7 diversity on it.

8 Diversity was captured on Attachment C.

9 Q So did you cross-reference Attachment A with
10 Attachment C to make sure that you had all of the diversity
11 metrics recorded?

12 A Yes. Yes, we did.

13 And I'm just trying to go back to a sample of the
14 check-off sheet that I used in compiling our information if I
15 can find one really quick for you.

16 That was the reason why we used that during our
17 review period. I can find it for you.

18 Did you have more questions?

19 Q I do. But I'm -- my next question is on
20 Attachment A. [Indiscernible] a list that you relied on for
21 purposes of the applicants providing you all of their owners,
22 officers, and directors; right?

23 A Board members, yes.

24 Q Board members.

25 And did you cross-reference the information provided

1 there with anywhere else in the application to verify its
2 accuracy?

3 A So in that whole organizational structure, what's
4 outlined in there is your Attachment A, your Attachment C.
5 Included should be their resumes that outlines who they are and
6 what they do and their 750-word narrative.

7 Q So then my question is did you verify anywhere else
8 in the application that the owners, officers, and board members
9 were all listed on Attachment A?

10 A So if I can give you a good example, if you would go
11 to Exhibit Number 50 -- well, here. Let me just use this one,
12 53 -- or 52. I'm sorry. 52.

13 There -- there's a matrix that we would use where we
14 would list out all of the components of the information that we
15 were trying to capture. And under Organizational we were
16 capturing their org chart, their position descriptions, their
17 job descriptions, their narrative, resume, business experience,
18 education, and diversity.

19 And then we would -- I was recording all of that
20 information in a matrix across -- that was check, check, check
21 for all of those attachments and components that they should be
22 providing.

23 On this example, this is for Clear River. And
24 there's one, two, three, four, five, six, seven, eight, nine,
25 ten, eleven -- twelve members across, and then I identify, and

1 then I fill out all the specific information for each one of
2 them.

3 A Does that help you?

4 Q So that was my audit of the application in going
5 through and documenting that I had all those components.

6 Q Let me try it this way, then, Mrs. Kluever. Turning
7 to Exhibit -- Exhibit 25, page 22.

8 A Okay.

9 Q The applicants would provide various organizational
10 documents, ownership, or venture documents, operating
11 agreements [indiscernible].

12 A What is your question?

13 Q The question -- well, do you see where I'm pointing?

14 A You're breaking up and cutting out. So I can't
15 follow you. I'm sorry.

16 Q Ms. Kluever, I'm pointing you to Exhibit 25 on
17 MMLF 00022.

18 A Okay. I'm there.

19 Q At the top of the page, at seven --

20 A Okay.

21 Q -- [indiscernible] the applicant providing articles
22 of incorporation, articles of organization, operating
23 agreements, partnerships [indiscernible].

24 Do you see that?

25 A I do see that. And that was not a task that was

1 performed by any of the team members because we did not have
2 access to that information. I believe that that was performed
3 by a State employee in the Marijuana Enforcement Division, and
4 that might have been Diane O'Connor that was doing that piece.

5 Q So are you telling me that for purposes of verifying
6 what's included on Attachment A you were not provided
7 applicants' operating agreements, partnership, or joint venture
8 documents, which would include information regarding the
9 owners, officers, and board members?

10 A If the applicant included it in their attachments
11 with their flash drives, we had that information. And I do
12 remember seeing, you know, copies of their secretary of state
13 printout and stuff like that.

14 But we did not go in and confirm it to the actual
15 website. Any of that information was being performed by a
16 State employee, not the Manpower temp services employees.

17 Q That's not the question I asked you, ma'am. I'm
18 asking you would you verify on Attachment A that it included
19 the listed owners, officers, and board members with the
20 documentation that was provided as part of Task 7 that included
21 operating agreements, partnership or joint venture documents
22 and other organizational documents?

23 A Yes. If it was included on the flash drive with the
24 application, yes, it was verified.

25 Q That's not -- I'm asking you did you cross-reference

1 to verify what was included on Attachment A matched up with
2 operating documents that were provided in Task 7?

3 A Yes.

4 Q What was your testimony regarding the State employee
5 verifying that? Can you expand on that.

6 A So part of the -- part of the Department of Taxation
7 and the secretary of state, making sure they have their
8 business license and their applicant cards and all of that, I
9 know all -- the conversations that ever went on with that,
10 because we wouldn't have access to the system, which I'm
11 probably confusing, would have been done by a State employee.
12 It's not specific to the question you're asking in the
13 application.

14 Q And where is that [indiscernible] reflected where you
15 verified that the owners, officers, and board members on
16 Attachment A are the same ones included in the operating
17 documents provided on Task 7?

18 A I don't recall -- I don't recall that that specific
19 information has a form that's completed other than looking at
20 the attachment and checking it off there on the Attachment A.

21 Q So did you --

22 A But the secretary of state's office also does not
23 give you an exhaustive list. It'll usually only list one or
24 two people, and lots of times it'll even list the organization
25 that does the articles of incorporation for them on their

1 behalf and not always the officers unless you can get into the
2 next screen that has the attachment.

3 Not everybody provided that. I'll be honest with
4 you. Not everybody provided that. They provided the
5 attachment but not the backup documentation. Some did. Some
6 didn't.

7 Q [Indiscernible]. Sorry. I keep interrupting you.
8 Are you finished with your response?

9 A Yes.

10 Q So did you solely rely on Attachment A for purposes
11 of determining who were the owners, officers, and board
12 members?

13 A Yes.

14 MR. FETAZ: I'm going to pass the witness, but I'm
15 just going to put a reservation on the record to reserve the
16 right to re-call the witness in the event the text messages
17 contained on the 2018 cell phone that Ms. Kluever has in her
18 possession at her home in Minden, Nevada, are produced and also
19 with regards to the notes that were testified to earlier.

20 UNIDENTIFIED SPEAKER: Wait. With regard to what?

21 UNIDENTIFIED SPEAKER: Max, can you repeat that last
22 thing. In regard to what?

23 UNIDENTIFIED SPEAKER: The cell phone and what else?

24 MR. FETAZ: Notebooks [indiscernible].

25 THE WITNESS: I don't know if the notebook exists or

1 not. That would be a question for the Department of Taxation.

2 MR. FETAZ: [Indiscernible.]

3 MR. PARKER: I join in that reservation. This is
4 Teddy Parker on behalf of Nevada Wellness Center.

5 EXAMINATION

6 BY COUNSEL:

7 Q I believe this morning that you testified that your
8 last position before retiring was deputy administrator of DHHS;
9 is that correct?

10 A That is correct.

11 Q In your position did you report directly to the
12 administrator?

13 A Yes, I did.

14 Q And the administrator was the head of DHHS; is that
15 correct?

16 A Yes.

17 Q About how many people worked under you directly or
18 indirectly in your capacity as deputy administrator?

19 A About 85.

20 Q And did you help prepare a budget?

21 A Yes, I did.

22 Q And if possible, what would be an average in dollar
23 amount for the budget that you helped prepare?

24 A I recall it was -- I'd have to look that up. I --
25 \$450 million, 18 discretionary grants, plus federal funding

JD Reporting, Inc.

1 and, state general fund.

2 Q Okay. Thank you. And you also testified a little
3 bit ago that you had experience reviewing previous drafts
4 [indiscernible]. Is that correct?

5 A That is correct.

6 Q Did you also indicate [indiscernible] not necessarily
7 as deputy administrator but sometime in your career with the
8 State, did you have experience preparing applications?

9 A Federal applications quite frequently, yes.

10 Q So is it fair to say that you've been both on the
11 applicant side and the evaluator side in your career?

12 A Yes, I have.

13 Q Also, in your -- in your role of reviewing bids or
14 applications or contracts, were you responsible ever for
15 reviewing projected costs or expenses and revenue?

16 A Absolutely.

17 Q Thank you. I'm going to move quickly now to the
18 training.

19 [Indiscernible] Manpower provide the training for
20 recreational marijuana applications?

21 A Was that -- was the question was Manpower?

22 Q Was it Manpower or the Department of Taxation?

23 A Department of Taxation.

24 Q Okay. And I think you testified that it was about
25 three weeks of training; is that accurate?

1 A Approximately three weeks, yeah.

2 Q On average, how long did you train each day?

3 A Those were 8-hour days, 40 hours a week.

4 Q Okay. Great. Thank you. When you were grading the
5 applications, did you receive all the ones that you were
6 responsible for at the same time, or did you receive them in
7 waves?

8 A We received them in waves.

9 Q When you were reviewing an application, did you read
10 every single page of it?

11 A Yes.

12 Q Is it fair to say that you were focusing on certain
13 sections for your grading?

14 A We were only given the sections that were applicable
15 to our scoring tools. So we read the entire application and
16 then went back and then drilled in and focused on completing
17 the evaluation tool.

18 Q Okay. When you just said "the entire application,"
19 do you mean the entire application that was provided to you?

20 A The entire application that was provided to us as the
21 ID team for just the ID sections.

22 Q But there were sections of the application that you
23 were not provided; therefore, you did not review?

24 A That is true.

25 Q Thank you. Is it fair to say that when you reviewed

1 your portion of the application, you were looking for certain
2 answers to certain questions. Is that a fair characterization?

3 A I'm sorry. I didn't -- I didn't hear you.

4 Q Is it a fair characterization of your approach when
5 you were reviewing your portion of the applications that you
6 were just looking for certain answers [indiscernible]
7 particular questions?

8 A No. I thoroughly read the application all the way
9 through and then would go back and focus on the areas that we
10 needed to complete with the evaluation tool.

11 Q Sorry. I know the connection's hard.

12 Is the practice you just described to me, where you
13 reviewed the whole application, and then you would re-review it
14 for particular aspects of your scoring, was that practice
15 consistent with your practice when you were an employee of the
16 State?

17 A Yes.

18 EXAMINATION

19 BY MS. STOUT:

20 Q I'm handing you what we've marked as Exhibits 60, 61
21 and 62. They are documents Bates numbered DOT 000680 through
22 685 is Exhibit 60.

23 Exhibit 61 is DOT 000672 through 675.

24 Exhibit 62 is Bates marked DOT 000686 through 689.

25 A Okay.

JD Reporting, Inc.

1 Q Are these documents familiar to you?

2 A Yes, they are.

3 Q Can you explain what they are.

4 A These are the three evaluation tools that we would
5 hand complete, you know, write our hand notes on when we were
6 evaluating each application.

7 Q Looking at Exhibit 60, if I'm recalling your
8 testimony earlier, you had said that there's three different
9 parts -- or, I'm sorry, that there's actually one, two, three,
10 four -- five different parts of the organizational structure --

11 A Right.

12 Q -- correct?

13 A Correct.

14 Q Okay. If you would turn to the last page, I'd like
15 to ask about the diversity very quickly.

16 A Okay.

17 Q And so looking at this, it says that the diversity
18 demographic, the factors are that they include a race, gender,
19 and ethnicity; correct?

20 A Correct.

21 Q All right. So anyone who is non-Caucasian, anyone
22 who is female, and non-Anglo-European American would qualify as
23 someone that would get diversity points; correct?

24 A Uh-huh.

25 Q What was considered non-Anglo-European American?

1 A I'm -- we would have to go back to the further
2 definition because we used the procedure that was outlined -- I
3 can't remember what the --

4 Q Exhibit 35?

5 A Thank you.

6 I'm not sure we were using that, to be very honest
7 with you.

8 Q I'm sorry. Can you clarify that you weren't sure
9 that you were using what?

10 A This definition. Because we were referencing this
11 procedure rather than this definition. This is where we got
12 the additional clarification and were given a specific
13 procedure for using for the diversity because it was such a hot
14 topic.

15 Q Okay.

16 A So that was one of those questions that we had that
17 then they provided us additional information.

18 Q If you look at Exhibit 31.

19 A Okay.

20 Q Which is the application criteria points breakdown.
21 Under the section for diversity, it makes a reference to, Must
22 provide proof.

23 A Where do you see that? I'm sorry.

24 Q On top of the fourth page, I believe.

25 A Oh, fourth page. So this is one, two -- here,

1 Diversity.

2 Q Yeah.

3 A Okay. I'm with you: Must provide proof. May check
4 in portal.

5 Q Now, if I understood you correctly, you guys didn't
6 have -- you didn't have any other information to
7 cross-reference?

8 A Right.

9 Q So you were not provided any other access to the
10 portal?

11 A No, we were not.

12 Q Okay. Were applicants expected to provide any proof
13 of their diversity?

14 A No -- well, in the application --

15 Why do I seem to recall that there was an attachment
16 that had, like, a copy of their ID or passport in some
17 instances? Maybe some people just put that in there.

18 But Attachment C was the main thing -- or A.
19 Attachment A had the...

20 Q Where they identified their race?

21 A Self-identified, yes.

22 Q Okay.

23 A Gender, race, and ethnicity.

24 Q Is it your understanding that someone who's Native
25 American would qualify for diversity purposes?

1 A I would have to go back and look at our -- that was
2 probably in our notes, whether we gave that to them or not. I
3 don't recall specifically.

4 Q Okay. Would it be specified in Exhibit 35?

5 A Let's look.

6 Yes. American Indian or Alaskan Natives considered
7 as minority.

8 Q Okay. All right. Thank you.

9 THE COURT: Shane, how much longer?

10 BY MS. STOUT:

11 Q All right. If you can turn to Exhibit 61.

12 A Financials. Okay.

13 Q Correct.

14 TECH SHANE: About eight pages.

15 BY MS. STOUT:

16 Q And I believe you were just asked a moment ago to
17 clarify that the financials that they're looking for in terms
18 of identifying liquid and illiquid assets, they're assets of
19 the applicant, not necessarily of the applicant's owners;
20 correct?

21 A Well, yes. And I did say yes because the
22 application, as submitted, includes the owners, officers, board
23 members. And I'm not sure that I identified that the applicant
24 was -- I'm not sure that I had an instance that I can recall
25 where the applicant also wasn't one of the officers, owners, or

1 board members.

2 Q So to your understanding, it isn't simply the entity,
3 but that if owners, officers, or board members are identified,
4 that those individuals are also the applicant. Is that -- am I
5 understanding you correctly?

6 A I would say yeah. The way that they present the
7 application and sign off on stuff, I'm not sure that it -- that
8 it ever came to our attention that an applicant --

9 Are you saying an applicant wouldn't include their
10 name as one of the officers, owners, and board members,
11 potentially?

12 Q I'm asking what your understanding was.

13 A My understanding is we reviewed the application in
14 its entirety and went off of the face value of the information
15 that they provided in the all of those attachments.

16 So when you start looking at an application, such as
17 in Exhibit 25, and you get to the cover page, Attachment A,
18 type -- this is going to list all your owners, officers, and
19 board members. They sign off that the information that they're
20 providing is true and correct. Then we get an attestation form
21 for each of the owners, officers, and board members.

22 Q That's Attachment B; correct?

23 A Attachment B.

24 Attachment C again goes over all their owner,
25 officer, board members.

1 I'm not sure that I ever realized that an entity name
2 on an application that then identifies all the backup
3 documentation to the list of owners, officers, and board
4 members wouldn't be the same.

5 Q Okay. So in terms of looking at the assets, you
6 weren't just looking at, for example, property owned by the
7 entity. You were looking at, you know, real property, real
8 estate owned by the person who owned the entity, each of the
9 owners, officers, or board members?

10 A That's correct.

11 Q Okay.

12 A Based on the information that they included in the
13 application was considered.

14 Q Okay. And I know you were very clear that you did
15 not go outside the application, and you didn't go knocking on
16 doors to verify it.

17 A Right.

18 Q So any asset information that was included, you
19 considered that to be assets that should be analyzed for the
20 purposes of determining the financial assets of the applicant.

21 A Right.

22 Q Okay. If you look at Exhibit 61, it gives you
23 examples of the types of documentation that you can consider.

24 A Uh-huh.

25 Q One of the -- it talks about real estate holdings and

1 large assets, such as cars and boats.

2 A Uh-huh.

3 Q Do you recall if any of the applicants identified
4 those types of assets?

5 A Yes, they did.

6 Q How was the value of those assets determined for the
7 purposes of calculating?

8 A Again, there was no backup documentation, such as a
9 sales document on a real estate transaction or even something
10 as simple as Zillow. You know, face value, we didn't look up
11 anything.

12 But if it was listed as an asset with an amount to it
13 on a balance sheet, liquid, you know, for their assets in
14 their -- against their liabilities on their total accounting
15 form, we accepted it.

16 Q Okay. And I know earlier you had mentioned that one
17 of the things that you can look at when determining assets is a
18 balance sheet, and a balance sheet you would expect to have
19 liabilities included; correct?

20 A Right.

21 Q And that's part of your experience and education --

22 A Right.

23 Q -- as well as being identified on the form?

24 A Yes.

25 Q Okay. But I -- from what I understood, you weren't

1 required to submit a balance sheet with liabilities; is that
2 correct?

3 A I don't think that every application had a balance
4 sheet in it, no.

5 Q Well, and from what you said earlier, not all
6 applicants had specific locations identified?

7 A That's true.

8 Q And that you were told they didn't need them?

9 A Right.

10 Q So, obviously, some people wouldn't have a lease?

11 A Right.

12 Q Okay.

13 A They weren't securing leases until they were sure
14 that they had a approved application to move forward.

15 Q Otherwise, they just have a lease of a plot.

16 A Yeah.

17 Q Am I correct in understanding that you would look at
18 a budget or operating plan, and, for example, if they didn't
19 have anything for rent --

20 A Then you would definitely question that they were not
21 thorough.

22 Q Okay. But you didn't have the time or resources to
23 verify, you know, precisely how accurate they were in terms of
24 their estimated costs?

25 A Right.

1 Q So if, for example, I was an applicant and I wanted
2 to fudge and I budgeted a little low on all of my costs and
3 estimated a little high on my projected income, would that be
4 something that you'd be able to identify?

5 A You could probably identify that, especially after
6 you start looking at so many applications. You know, we had
7 470 applications. And you can see themes for different
8 jurisdictions. I mean, you absolutely can get a feel or a
9 rhythm of what is -- somebody that's done a great amount of
10 homework and preparation and those that haven't and --

11 THE COURT: We've lost the signal.

12 (Video deposition paused.)

13 THE COURT: Not that I'm complaining. Thank you.

14 (Video deposition resumed)

15 THE WITNESS: -- lying somewhere in the middle of
16 what is a good customary charge for certain areas of town if
17 it's identified.

18 If it's not identified, then, you know, your score is
19 not gonna be as high because you weren't as thorough in
20 providing information. It doesn't mean you don't get a score.
21 You just don't get maybe as much of a score in areas that had
22 that judgment, in areas that it was just total assets
23 disclosed, checkmark.

24 Q Okay. Correct. It was that type of thing.

25 The first area where you're talking about amount of

1 assets, and I assume the same way for whether or not you had
2 \$250,000 liquid assets, it was just a matter of math added up?

3 A Absolutely.

4 Q But for this -- but for the portion where you're
5 determining the adequacy of those assets to cover operating
6 expenses, that's when there's discretion, and that's when the
7 existence of backup information comes into play?

8 A Right. And did you have a good plan? Did you plot
9 it out? Did you, you know, think of all the things that it
10 takes to run your business and actually come up with your cost?

11 Q Yeah. If I recall correctly, you had mentioned that
12 you had -- I think you were talking about score ranges for
13 excellent or inadequate or average responses.

14 A Uh-huh.

15 Q Who determined what those score ranges were?

16 A Basically what we did is, because you would have
17 three sections, if you have 20 points and you divide it by
18 three, then you know what your point ranges would be for each
19 section. So it's just a point range that we -- and we clearly
20 were writing them on our notes consistently.

21 You know, I can tell you on the financials that the
22 excellent was ranging between, you know, whatever it was. It
23 was 7 to 10, and 11 to 20, and 0 to 6 based on just dividing
24 your 20 points available amongst the three criteria --

25 Q Okay.

1 A -- evaluation elements.

2 Q Is that something you and the two other graders
3 grading these sections did together?

4 A It is. And it was based off of, you know, using the
5 procedure from the diversity example of giving a score-based
6 percentage to each, you know, weighted value.

7 Q So you would ensure that all three of you were using
8 the same range --

9 A The same one, exactly, and that we were consistent
10 with all applications.

11 Q Okay. So you didn't each set up your own --

12 A No.

13 Q -- score range.

14 A Right.

15 Q Turning to the 250,000 liquid assets, so the last
16 section on the financial resources, was documentation required
17 to prove the existence of that cash?

18 A They needed to -- no, not necessarily. I mean, they
19 just needed to document that they had it and that it was part
20 of -- you know, it could be one of those statements that this
21 much cash is available. You know, we want to open five
22 locations, and we have the resources of, you know, the
23 1.2 million that we need to open five locations.

24 Q Okay. Because I'm looking at the evaluation
25 elements, and it talks about liquid assets and the source of

1 them. And it seems to imply that you would need documentation
2 from a financial institution of this state or another state or
3 the District of Columbia.

4 A Some of them, though, there was a couple -- you know,
5 maybe we did only do financial institutions on that. I don't
6 recall specifically for that liquid assets because it seemed
7 like some of them had it in the vault, that they had the -- as
8 liquid cash, and we were able to use the cash.

9 Q Okay. And you had said earlier that they would have
10 to include a statement that the cash existed --

11 A Uh-huh. Absolutely.

12 Q -- and that it was in their vault?

13 A Right.

14 Q Okay. Did it matter how many or what percentage of,
15 for example, owners participated in the community?

16 A No.

17 Q Okay.

18 A We weren't -- weren't as nitty gritty on that one.
19 That's for sure.

20 Q Okay. As long as there was documentation of
21 someone --

22 A Right.

23 Q -- participating?

24 A Right.

25 Q Okay.

1 A We just -- in looking at my notes here that I wrote
2 out, we were doing it based on number that participated versus
3 total number identified to get a score, you know, 7 out of 9, 4
4 out of 10.

5 Q So, for example, 4 out of 10, so you would get
6 40 percent of the points; is that correct?

7 A Uh-huh.

8 Q Okay.

9 A Yep.

10 Q So you were looking for a contribution from each
11 owner, officer, or board member?

12 A Yeah. If that's what they were disclosing that they
13 wanted to include in that, yes.

14 Q Okay. Mr. Kemp started by asking you about your
15 education.

16 A Uh-huh.

17 Q And I didn't write it down. Did you say you went to
18 UNR?

19 A I did go to UNR.

20 Q Okay. And that you have an A.A. in accounting?

21 A Yes. I have two, two associate's degrees.

22 Q And one in business; is that right?

23 A Yes. Yes.

24 Q When did you get those?

25 A I think, like --

1 Q Ballpark.

2 A I think, like, '89.

3 Q At the same time, or did you get one and then go back
4 for another one later?

5 A No. They were at the same time.

6 Q Okay. After you got your -- the two associate
7 degrees, did you go back and do any other university or higher
8 education?

9 A I -- just simple additional governmental accounting
10 classes and stuff as -- when I was with the State, I just went
11 ahead and got more certifications. A lot of my certifications
12 then were more geared towards what we were doing in health and
13 human services as far as getting certified in our federal
14 programs and all the accounting that they wanted for that.

15 Q Okay. If I'm correct, you have a relative who works
16 for the Department of Taxation. Is that correct?

17 A I do.

18 Q And I'm sorry. I forget. Is it your niece?

19 A It is my niece.

20 Q And what is her name?

21 A Tiffany. Tiffany Day.

22 Q What does she do for the Department of Taxation?

23 A She's an accounting assistant, not even in -- she's
24 not in the Marijuana Enforcement Division. She's over in the
25 accounts payable section.

1 Q Okay. You had said earlier, I believe, that you're
2 married, but your husband is not involved in the cannabis
3 industry, and you don't have any family members that are
4 involved in the cannabis industry as best you know?

5 A Yeah. We're law enforcement. So he's drug tested on
6 a regular basis, and we're not involved.

7 Q Understood. That pretty much makes that a very easy
8 decision.

9 A Pretty cut and dry.

10 Q All right. Do you have friends that are involved in
11 the cannabis industry at all?

12 A Not that I'm aware of.

13 I mean, and what do you mean by "the cannabis
14 industry"? Owners? Users?

15 Q That are owners or employed by.

16 A Not that -- not that I'm aware of.

17 EXAMINATION

18 Q All right. You testified earlier about the team
19 meetings that you would have with the other two members of your
20 team. Do you recall that?

21 A Yes.

22 Q And if I understand correctly, it sounded like those
23 meetings where you reviewed the scoring that each of you did on
24 a particular application, would it be fair to say that that was
25 an important part of the process that you and the other team

1 members making sure that you were -- that your review of the
2 applications and that the scoring was consistent and
3 appropriate across the board [indiscernible]?

4 MR. KOCH: Object to the form [indiscernible].

5 THE COURT: Overruled.

6 BY MR. ROSE:

7 Q Go ahead.

8 A Yes. It was a consistent process. On every
9 application we did an independent review, and on every
10 application we had a team meeting to review.

11 Q And the reason you had the team meeting was -- why
12 was that important?

13 A It just -- it ensured that, if we were working at
14 different paces, that before we gave our information to the
15 clerical, that we had -- all three of us had completed our
16 independent review and bundled it into one coversheet with all
17 three scores computed (sic) into a final score for that
18 application because it's a team combined score that then would
19 be forwarded to the clerical support to be logged.

20 Q All right. And so that was the way of making sure
21 your team was [indiscernible]?

22 UNIDENTIFIED SPEAKER: Are you getting this?

23 THE WITNESS: Yes.

24 BY MR. ROSE:

25 Q Sounds like you and your team made sure that the

1 review, that the scoring was appropriate and complied with
2 whatever needed to be complied with from your standpoint,
3 especially for [indiscernible]?

4 A Yes. As we would record our three scores across the
5 master tally sheet, that's when we would -- I mean, we wouldn't
6 necessarily spend a lot of time discussing that application
7 unless we had a point spread of three points or more in an
8 area. Then we would focus in on it; otherwise, it was mainly a
9 check and balance that we were all on the same page to move it
10 over into being finalized.

11 Q And if there was a point spread of three or more,
12 then you discussed it and resolved any differences or
13 discrepancies?

14 A That is correct, yes.

15 Q Are you aware of whether Wellness Connection of
16 Nevada, LLC, or [indiscernible] application review or scoring
17 process for the recreational application [indiscernible]?

18 MR. KOCH: Object to the form. Calls for
19 speculation. Foundation.

20 THE COURT: Overruled.

21 BY MR. ROSE:

22 Q Go ahead. [Indiscernible.]

23 A I do not have any recollection of any specifics
24 related to a particular individual company or entity.

25 Q All right. So you wouldn't be aware of either

1 Wellness Connection or any other applicant [indiscernible] that
2 you would consider to be wrongful or improper [indiscernible]
3 scoring process. Is that a fair statement?

4 A That is a fair statement. I have -- yes.

5 (End of video deposition.)

6 TECH SHANE: That's all, Your Honor.

7 THE COURT: Whew. Okay. What's next?

8 MR. CHRISTIANSEN: Judge, can I just do a
9 housekeeping matter?

10 THE COURT: You can.

11 MR. CHRISTIANSEN: Pardon me, Your Honor. Pete
12 Christiansen on behalf of Qualcan. We have two motions that
13 were pending that you signed on order shortening time for me
14 for Friday morning. Qualcan would like to withdraw its
15 motions. There are joinders. I don't speak for those persons,
16 but I'd like to withdraw the ones on behalf of Qualcan.

17 THE COURT: Okay. Dulce, if you'd withdraw them.

18 MR. CHRISTIANSEN: Thank you, Your Honor.

19 MR. PRINCE: Well, okay. Your Honor, thank you.

20 THE COURT: So the person who files a motion can
21 always withdraw their motions. The joinders may stand on their
22 own.

23 MR. PRINCE: Understood. I just want to -- for the
24 record, I'm just announcing that on behalf of Thrive we joined
25 in the motion by Qualcan as it relates to compelling a witness,

1 a corporate representative to attend the proceedings. So
2 that -- I want to keep that on for Thursday.

3 THE COURT: Well, if you have a joinder, it will
4 stand.

5 MR. PRINCE: Very good.

6 THE COURT: But Mr. Christiansen can withdraw his
7 motion any time he wants.

8 MR. PRINCE: I understand --

9 THE COURT: And are you withdrawing both motions?

10 MR. CHRISTIANSEN: I am withdrawing both motions,
11 Your Honor.

12 THE COURT: Okay. So I think one was on Thursday and
13 one was on Friday, but I may be wrong.

14 MR. CHRISTIANSEN: Well, both --

15 THE COURT: Both on Friday.

16 THE COURT: Okay. Any other housekeeping matters?

17 Mr. Schwarz.

18 MR. SCHWARZ: Your Honor, with respect to one of
19 those motions, there was specific content in one of those
20 motions that pertain to George Archos [phonetic] and Sam Dorf
21 [phonetic].

22 There has been a joinder that Mr. Prince filed that
23 was specifically only addressing a different issue, and then
24 there was a joinder that was filed by the TGIG plaintiffs that
25 also was addressing a different issue. So I do not believe

1 that there are any joinders that address those witnesses, and
2 for that reason I think that we should not need to have that
3 portion of the motion --

4 THE COURT: I'm not going to parse it like that. I'm
5 only going to deal with the joinders as filed.

6 MR. SCHWARZ: Well, I could ask the parties that are
7 present if anybody actually has a joinder on those issues; and,
8 therefore, it will still be necessary for me to file an
9 opposition.

10 MR. PRINCE: Well, as it relates to Mr. Schwarz and
11 his client Lone Mountain Partners, we are not -- we have no
12 issues with those witnesses being released as part of --
13 specific to Mr. Christiansen's motion.

14 My relief is different. So just so he's clear.

15 THE COURT: Mr. Miller.

16 MR. MILLER: Your Honor, Court's indulgence.

17 [Indiscernible.]

18 THE COURT: You've got to come near a mike.

19 MR. MILLER: We would ask for an opportunity to be
20 able to review the pleadings and determine exactly where we
21 filed the joinder if they're asking to sever those portions.

22 THE COURT: Okay. So what the answer is, Joel, is
23 we'll deal with it on Friday, but if it's not part of a
24 joinder, then I'm not going to deal with it.

25 MR. SCHWARZ: Okay. Thank you, Your Honor.

1 THE COURT: Okay. Next. Any other housekeeping
2 matters before we take our 10-minute recess?

3 And then, Shane, how long is the next one?

4 TECH SHANE: An hour and 28 minutes, Your Honor.

5 THE COURT: Okay. What time is the Tax Commission
6 meeting on Friday?

7 MR. MILLER: 2:00 o'clock.

8 THE COURT: So we will be recessing in the afternoon
9 on Friday for those of you who feel the need to actually attend
10 that meeting to be able to attend it by Zoom. Okay.

11 All right. We'll be in recess.

12 (Proceedings recessed at 3:18 p.m. until 3:26 p.m.)
