29 **DEPARTMENT OF TAXATION'S NOTICE OF**
30 **REMOVING ENTITITES FROM TIER 3**

31 The State of Nevada ex. rel. the Department of Taxation, by and through counsel,
32 files this notice removing Helping Hands Wellness Center, Inc., Lone Mountain Partners,
33 LLC, Greenmart of Nevada NLV, LLC, and Nevada Organic Remedies, LLC from tier 3.

34 **MEMORANDUM OF POINTS AND AUTHORITIES**

35 **I. Introduction**

36 This Department of Taxation notifies the Court that it removes Helping Hands,
37 Greenmart, Lone Mountain, and NOR from the list of entities previously included withing
38

1 the “tier 3” of successful applicants. The Department’s question of whether those entities
2 disclosed their prospective owners, officers, and board members as part of the September
3 2018 recreational store marijuana competition has been eliminated.

4 **II. Background**

5 This Court held a preliminary injunction hearing in 2019. During that hearing, the
6 Court tasked the Department of Taxation with the following question:

7 The Court: Which successful applicants completed the
8 application in compliance with NRS 453D.200(6), which is the
9 provision that says, “All owners –” I’m sorry, it says “Each
owner,” at the time the application was filed in September 2018?

10 **Ex. A** at 164:19-23.

11 The Department, through counsel, responded with an email. **Ex. B.** In the email,
12 the Department described a process of creating 3 tiers. *Id.* The tiers were created in
13 response to the Court’s question, “which successful applicants completed the application in
14 compliance with NRS 453D.200(6) at the time the application was filed in September
15 2018?” *Id.* Relevant here is tier 3.

16 In tier 3 the Department identified four conditional licensees: Helping Hands,
17 Greenmart, Lone Mountain, and NOR. *Id.* The Department explained that it “could not
18 eliminate a question” regarding the completeness of those parties’ respective disclosures on
19 Attachment A of the application. *Id.* The use of the phrase “could not eliminate” indicated
20 a *then* existing question that could not be fully resolved for Helping Hands, Greenmart,
21 Lone Mountain, and NOR at that time. *Id.*

22 **III. Discussion**

23 The Department has eliminated its question. Each entity described in tier 3 will be
24 discussed below.

25 **A. Helping Hands and Lone Mountain**

26 The Department removes Helping Hands from tier 3. In the August 21, 2019 email,
27 it was noted that a question could not be eliminated whether Mr. Terteryan was Helping
28 Hands’ chief operating officer when Helping Hands filed its application. *Id.* No evidence

1 has been uncovered since then demonstrating that Mr. Terteryan held an officer position
2 at the relevant time. Accordingly, Helping Hands is removed from tier 3.

3 The Department removes Lone Mountain from tier 3. In the August 21, 2019 email,
4 it was noted that a question could not be eliminated as to whether Lone Mountain was a
5 subsidiary of an entity called Verano. *Id.* No evidence has been uncovered since then
6 demonstrating that Verano owns Lone Mountain. Accordingly, Lone Mountain is removed
7 from tier 3.

8 **B. NOR and Greenmart**

9 NOR and Greenmart were truthful in their applications. They described all owners
10 on their application. NOR in its application listed each of its owners, which included GGB
11 Nevada, LLC that was 100% owned by Xanthic Biopharma, LLC, an entity listed on the
12 Canadian Securities Exchange. Greenmart in its application listed its owners, which
13 included CGX Life Sciences, Inc., a wholly owned subsidiary of MPX Biocetical
14 Corporation an entity listed on the Canadian Securities Exchange. The Department
15 awarded NOR and Greenmart conditional licenses. They have not received final licenses
16 for their conditionally licensed establishments. In short, they are in the exact position they
17 were in when the results were announced in December 2018. And they, like many existing
18 dispensaries with public ownership, have operated retail dispensaries beginning before the
19 September 2018 applications and continuing beyond to this day.

20 NOR and Greenmart were on tier 3 for an identical reason. Then existing
21 regulations provided no specified means to conduct a background check on an entity. While
22 NOR and Greenmart have remained on conditional licensee status, Nevada's legislature
23 and the Cannabis Compliance Board addressed and fully resolved any issues with
24 conducting a background check for these conditional licensee owners.

25 Nevada's legislature has created a series of measures to protect the public health,
26 safety, and morals in the nascent cannabis industry in Nevada. Nevada's legislature
27 adopted general qualifications for licensure and registration of persons. NRS 678B.200. It
28 is up to the CCB to determine if the "person is qualified to receive a license..." NRS

1 678B.200(1). The legislature then set out three categories of considerations for the CCB to
2 consider when evaluating an applicant’s application to receive a license. NRS
3 678B.200(2)(a)-(c). These categories include “good character,” “prior activities,” and a
4 catch-all category to determine that the applicant is qualified “in all other respects.” *Id.*

5 Nevada’s legislature left it to the Cannabis Compliance Board to define the term
6 “person.” The Cannabis Compliance Board has defined a “person” to include, “natural
7 persons, applicant, limited partnerships, limited-liability companies, corporations,
8 publicly-traded corporations, private investment companies, trusts, holding company, or
9 other form of business organization such as defined by the Board.” CCB Reg. 1.137.
10 Applying for licensure “constitute[s] a request to the Board for a decision upon the
11 applicant’s general suitability, character, integrity, and ability to participate or engage in
12 or be associated with, the cannabis industry in the manner or position sought by the
13 application...” CCB Reg. 5.000(3). The CCB is also authorized to consider applicant’s
14 suitability and qualifications. CCB Reg. 5.015.

15 While this Court has at times raised an issue with respect to minority shareholders
16 of corporate entities who may not receive a background check, Nevada’s legislature has
17 now addressed this valid concern to protect public safety with the authorization of a waiver
18 process in defined circumstances. NRS 678A.450(1)(e). The CCB fully addressed and
19 adopted the waiver process authorized by statute. CCB Reg. 5.125. It makes no difference
20 to this notice that there may be minority shareholders of NOR or Greenmart’s respective
21 corporate membership that do not receive a background check.

22 The Department removes NOR and Greenmart from tier 3. Nevada’s legislature has
23 authorized inquiry into the suitability of corporate entities as owners. The Cannabis
24 Compliance Board has defined persons as including corporate entities and created
25 regulations to background check them. Nevada’s legislature also authorized waiver of the
26 background check requirement for small minority owners of a corporate applicant. Full
27 background checks are being done for NOR and Greenmart’s corporate parents. These
28 . . .

1 background checks will fully address any public safety concerns. Accordingly, NOR and
2 Greenmart are removed from tier 3.

3 There has never been any requirement for the Department to disqualify an applicant
4 under circumstances such as where NOR and Greenmart have been truthful and provided
5 the information required and requested by the Department on their applications. The
6 Department has discretion in related circumstances, such as when an owner with a
7 criminal history has been listed in an application, to still consider the application in the
8 competition. NAC 453D.272(6). In such circumstances, the Department would give notice
9 to the applicant of the issue and allow the applicant and remove the owner and revised
10 their application. *Id.*

11 **III. Conclusion**

12 Where applicants were truthful, a means to complete the background check for all
13 entities has been provided, the process will address any prior questions that the
14 Department may have had. For these reasons, the Department removes Helping Hands,
15 Greenmart, Lone Mountain, and NOR from tier 3.

16 Respectfully submitted August 11, 2020.

Case : A-19-786962-B

Dept. 11

Danielle,

The Department of Taxation answers the Court's question as follows:

Court's Question: Which successful applicants completed the application in compliance with NRS 453D.200(6) at the time the application was filed in September 2018?

Answer: The Department of Taxation answers the Court's question in three parts.

First, there were seven successful applicants who are not parties to the coordinated preliminary injunction proceeding. These entities are Green Therapeutics LLC, Eureka NewGen Farms LLC, Circle S Farms LLC, Deep Roots Medical LLC, Pure Tonic Concentrates LLC, Wellness Connection of Nevada LLC, Polaris Wellness Center LLC, and TRNVP098 LLC. Accepting as truthful these applicants' attestations regarding who their owners, officers, and board members were at the time of the application, these applications were complete at the time they were filed with reference to NRS 453D.200(6).

Second, there were five successful applicants who are parties to this coordinated preliminary injunction proceeding whose applications were complete with reference to NRS 453D.200(6) if the Department of Taxation accepts as truthful their attestations regarding who their owners, officers, and board members were. These applicants were Clear River LLC, Cheyenne Medical LLC, Essence Tropicana LLC, Essence Henderson LLC, and Commerce Park Medical LLC.

Third, there were four successful applicants who are parties to this proceeding regarding whom the Department of Taxation could not eliminate a question as to the completeness of their applications with reference to NRS 453D.200(6). These applicants were Helping Hands Wellness Center Inc., Lone Mountain Partners LLC, Nevada Organic Remedies LLC, and Greenmart of Nevada NLV LLC.

With respect to the third group, the Department of Taxation could not eliminate a question as to the completeness of the applications due to the following:

1. **Helping Hands Wellness Center, Inc.** – The Department of Taxation could not eliminate a question a question regarding the completeness of the applicant's identification of all of its officers on Attachment A in light of Mr. Terteryan's testimony that he is the Chief Operating Officer and was not listed on Attachment A. The Department of Taxation does note, however, that Mr. Terteryan has been the subject of a completed background check.
2. **Lone Mountain Partners, LLC** – The Department of Taxation could not eliminate a question regarding the completeness of the applicant's identification of all of its owners because the Department could not determine whether Lone Mountain Partners, LLC was a subsidiary of an entity styled "Verona" or was owned by the individual members listed on Attachment A.
3. **Nevada Organic Remedies, LLC** - The Department of Taxation could not eliminate a question regarding the completeness of the applicant's identification of all of its owners because the Department could not determine whether there were shareholders who owned a membership interest in the applicant at the time the application was submitted, but who were not listed on Attachment A, as the applicant was acquired by a publicly traded company on or around September 4, 2018.
4. **Greenmart of Nevada NLV, LLC** - The Department of Taxation could not eliminate a question regarding the completeness of the applicant's identification of all of its owners. The Department could not determine whether the applicant listed all its owners on Attachment A because a subsidiary of a publicly traded company owned a membership interest in the applicant at the time the applicant submitted its application.

In creating this answer, the Department of Taxation sought to answer the Court's question in a neutral fashion based on the information available to it from the applications themselves, testimony given at the hearing (without reference to issues of admissibility, which an affected party may raise), and information publicly available from a government website (the Canadian Securities Exchange website), which was submitted by the applicant or information submitted about the applicant by an entity claiming an affiliation to the applicant. The Department of Taxation expects that Helping Hands Wellness Center Inc., Lone Mountain Partners LLC, Nevada Organic Remedies LLC, and Greenmart of Nevada NLV LLC may explain why they believe they submitted complete applications in compliance with the provisions of NRS 453D.200(6).

Subject: A786962 Serenity - Request for 1 day extension to respond to Judge's Question on NRS 453D.200

To the Honorable Judge Gonzales,

The Department of Taxation needs until tomorrow to submit the email responding to your query. My office needs a little more time to confer with the DOT on the answer to your question. I also have to

leave work early due to a medical circumstance involving my wife's family, which requires my wife to attend to her mother in the hospital and I have the charge of my two children.

I apologize for the delay. The DOT requests an additional day to provide its response, if possible.

1 Am I right?

2 A Yes, sir. You are.

3 MR. J. SMITH: Objection, leading.

4 THE COURT: Overruled.

5 BY MR. GENTILE:

6 Q So you -- this is information that was published by
7 the State, the defendant in this case?

8 A Yes, sir. That's correct.

9 Q All right. So you don't know if the State was lying
10 to you, you only know that that's where you got it; right?

11 A Yes, sir. That's correct.

12 Q Okay. And you have 68 dots on here, because two of
13 the establishments that are listed on the website of the State
14 are medical only. Am I correct?

15 A Yes, sir. That's correct. One in --

16 Q So there --

17 A -- Fernley and one in the --

18 Q -- there were 70 --

19 A -- City of Las Vegas.

20 Q -- listed, but you only put 68 on here; right?

21 A Yes, sir. That's correct.

22 Q Okay. And at least as of January, they were all
23 open, if the State told the truth?

24 A As we understood it, yes, sir.

25 Q Okay. And actually, there's not 68 on here. There

1 are how many there are in Southern Nevada?

2 A Well, on the bigger map. We were using this one as a
3 -- as a -- to demonstrate the total. The bigger map would
4 include everyone of them.

5 Q The bigger map --

6 A This one will --

7 Q -- had the -- had --

8 A -- include Clark --

9 Q -- all of them.

10 A -- County.

11 Q That's correct.

12 A But you have it right.

13 Q Okay. Now, I want to ask you, you can't tell the
14 impact that a new location is going to have on a current
15 business without knowing where the new location is; am I right?

16 A Yes, sir. That's correct.

17 Q So if five marijuana retail stores opened up in the
18 same post office box, they would probably be competing with
19 each other pretty heavily, wouldn't they?

20 A There's no doubt.

21 Q Okay. And if they opened up in the same building,
22 they'd be competing with each other pretty heavily?

23 A Also correct, sir.

24 Q Okay. And unless you know where they're going to be,
25 there's no way for you to -- to do a quantifiable analysis with

1 regard to any given location that already exists?

2 A That's also correct, sir.

3 Q Now, I want to ask you something about saturation.

4 We -- you have testified and you have shown us graphics, and
5 you have testified about the data that you obtained going all
6 the way up, I think, through June of this year?

7 A Through -- through May, sir.

8 Q Through May? Okay. What is the relationship between
9 the data that you have available that you've used, and
10 particularly since COVID, and the loss of tourism --

11 A Sure.

12 Q -- as it relates to whether you can determine, at
13 least with regard to the people who live here, alone, just the
14 people who live in Southern Nevada --

15 A Sure.

16 Q -- whether as far as the local market is concerned --
17 not tourism -- we are approaching saturation?

18 A Well, I think I understand your question, so I'm
19 going to try and phrase it.

20 I mean, essentially, what we have is sufficient
21 supply to provide -- to -- to provide service, if you will, to
22 a population that is roughly 85 percent -- excuse me -- 16
23 percent larger than the population we actually have today.

24 And again, I think the orders of magnitude bear some
25 conversation, you know, 16 percent of our full-time equivalency

1 population is in visitors. I realize you're asking me to hold
2 that to the side.

3 But the supply side of the equation is essentially
4 designed to provide supply to a population that includes that
5 FTE population. And so that shift is material.

6 Mr. Gentile, the other thing that I think is -- is at
7 least worthy of some -- a footnote relative to that particular
8 question, is that those numbers that I provided, and what we're
9 seeing in taxable retail sales, or in marijuana sales, or
10 anything, include \$2.3 trillion worth of stimulus in the United
11 States economy, roughly, \$18-and-a-half billion dollars of
12 which has made its way into the State of Nevada, including
13 billions of dollars in excess unemployment insurance payments,
14 \$1,200 payments directly to individuals, some 500 -- for many
15 of them; right?

16 So even the numbers that we're looking at today are
17 being masked relative to the implications of COVID-19 as a
18 result of the fact that that stimulus is propping it up.

19 So just to go back to your specific question, if
20 you're asking me about the issue of saturation, we were already
21 approaching what looked like a market that was starting to
22 reach its peak and coming back down in terms of growth.

23 Then what we're going to do is we're going to take
24 off 16 percent of the consumers. Then what we're going to do
25 is essentially put in more stimulus than at any point in the

1 history of the United States, and ask those existing providers
2 of services to be able to maintain that market share.

3 Now, that market share is going to drop to level off
4 to what's there. But I think, again, I use the -- sort of
5 analogy of a -- of a formidable one-two punch, and I think it's
6 pretty substantial.

7 Q Well, the sales of marijuana and the taxes that it
8 generates have been dropping since COVID; am I right?

9 A Yes, sir.

10 Q Okay. And without a doubt, tourism has dropped
11 precipitously, it is I think you said at one point in time
12 97 percent down?

13 A Yes, it's not quite that far. But in -- in June,
14 just to put it into perspective, in June when our market
15 ostensibly opened back up --

16 Q So, if we --

17 A -- visitor volume still down --

18 THE COURT: You've got --

19 THE WITNESS: -- June of 2020 --

20 THE COURT: -- to let him finish. Don't interrupt.

21 MR. GENTILE: I'm sorry.

22 THE WITNESS: June of 2020, when our market opened
23 back up, right, allowed visitors to come in, we're still down
24 70 percent over where we were for the same month of the prior
25 year.

1 Let -- to put that into perspective, the next closest
2 month by way of comparison would have been September 11th,
3 2001, when obviously great tragedy led to a shutting down of
4 airlines across the country, visitor volume was down
5 14-and-a-half percent, during that same month. So that's the
6 next closest non-COVID month we have to compare.

7 BY MR. GENTILE:

8 Q So what I'm trying to get at is, we know that we
9 don't have the -- well, let -- let's do the inverse. If we
10 keep building hotels and adding hotel rooms, and keep filling
11 those rooms, and keep getting more tourists to come here,
12 chances are that the saturation point for the sale of cannabis
13 is never going to be reached, or it's going to be a long time
14 coming. Would that be fair to say?

15 A Yes, sir. If our population --

16 Q Because there's more people to buy it.

17 A Sure.

18 Q Okay.

19 A More -- more consumers --

20 Q Right.

21 A -- more disposable income.

22 Q But now we don't have that. Now, we have a bunch of
23 empty hotel rooms and an empty convention center that we're
24 sitting in and standing in, and talking in right now.

25 A Yes, sir.

1 Q All right. And our sale of cannabis has been going
2 down month to month since this drop, this absence of tourism
3 has occurred; am I right?

4 A Yes, sir.

5 Q We can infer from that, that certainly the largest
6 portion of those sales is coming from locals, can we not?

7 A Yes, sir.

8 Q And if they continue to be going down, does that not
9 at least indicative that we have reached saturation as far as
10 local sales is concerned?

11 A Well, yes, it's indicative of the fact that that --
12 that supply could potentially be -- supply is outstripping
13 demand. Yes, sir.

14 MR. GENTILE: Thank you.

15 THE COURT: Anyone else have any follow-up questions?

16 (Pause in the proceedings.)

17 THE COURT: Thank you, Mr. Gentile. I appreciate it.

18 All right. Mr. Hone, you're up.

19 RECROSS-EXAMINATION

20 BY MR. HONE:

21 Q Just a couple questions real quickly. Based on the
22 impact that COVID has had on the Nevada economy, once -- once
23 we're past the pandemic, and presuming that these new licenses
24 come online, you wouldn't be able to tell what the impact is on
25 a market share analysis based on COVID versus the new licenses

1 coming online; is that fair?

2 A Forgive me. Would you mind restating that question
3 for me just one more time?

4 Q Yeah, yeah. So, presume we get past this trial. New
5 licenses come online. The pandemic ends. You wouldn't be able
6 to identify a decrease in market share based on the impact of
7 COVID on the economy or on the new licenses, would you?

8 A Well, I think that we probably could; right? If we
9 know that there's a decrease in consumption, then that's tied
10 to a decrease in population, then, yes, I would think we would
11 understand that we're resetting to a new baseline from which
12 all existing competitors would then compete.

13 Q You will agree that the licensing process that --
14 that is the subject of this trial, occurred pre-pandemic; is
15 that fair?

16 A Yes, sir. That's my --

17 Q In --

18 A -- understanding.

19 Q In 2018, long before we imagined this, fair?

20 A Yes, sir.

21 Q Okay. With regard to the issue of saturation, your
22 concept of saturation is based on assessment of the current
23 market and the number of storefronts that exist; is that
24 correct?

25 A Yes, sir, it is.

1 Q Okay. So you don't have any customer or consumer
2 data to show how the market would change if there were ten
3 times as many stores, or twice as many stores; is that fair?

4 A That's fair. Yes, sir.

5 Q So, for example, if -- if there was a consumer of
6 marijuana here in Las Vegas, who had a preferred product that
7 was a 20-minute drive away, and they were willing to make that
8 drive once a quarter, but if there was a store two minutes away
9 that had the same quality product and they were willing to
10 drive there once a week, your saturation model doesn't take
11 that into account; correct?

12 A Yes, sir. I think that the analysis actually would;
13 right?

14 I want to make sure that I understand the
15 hypothetical that you're drawing. A storefront exists
16 20 minutes away, and the person lives in a home and is willing
17 to go there you said once a week to get --

18 Q Once a quarter.

19 A -- once a quarter to go there. A product that comes
20 online immediately next door to this -- to this consumer,
21 provides the exact same product, and then the person goes in
22 and buys it from that.

23 What you're saying is that two things have occurred.
24 Number one, that consumer no longer goes to -- to the first
25 outlet that we talked about. And, number two, that person

1 ostensibly buys more product. They don't -- they didn't sort
2 of stock up, you know, when they were at the other outlet.

3 From that point, I think, it -- it is exactly what
4 we're talking about here today; right?

5 Number one is the -- the fact that it has the
6 potential to expand the market. It also has a potential to
7 redistribute the market, and I think both of those things are
8 present in your hypothetical.

9 Q And what I'm saying is when you look at saturation,
10 you're looking at current sales with the 68 stores that have
11 been online for a couple years; correct?

12 A That's correct.

13 Q Okay. And the concept that I proposed in my
14 hypothetical was somebody who buys once a quarter versus once a
15 week, your -- your analysis did not take into account any
16 particular customer's buying habits and how they might increase
17 if the had access to the type of marijuana that person wanted?

18 A Right. And I -- and I -- I understand where you're
19 going, and I'm not disagreeing with the point.

20 My -- my point is that, the question is whether that
21 existing operator would have had the ability to provide that
22 higher level of service, did they have the capacity to do it;
23 right?

24 If we're talking about only capacity based solely on
25 revenue, but there's also the investment that -- I'm assuming,

1 that all of the operators that exist today, did so with the
2 expectation that they would have -- they would benefit from the
3 market as it existed.

4 And so the distribution between those two things, I
5 don't think -- I -- I -- look, it sounds like I'm being
6 argumentative and that's not my -- my point. At the end of the
7 day, that other consumer, that consumer that we're talking
8 about may very well increase their consumption.

9 That doesn't mean that the market is saturated or
10 unsaturated, because I have never drawn the conclusion that the
11 existing operators couldn't provide additional capacity if
12 there was demand from your consumer in that hypothetical.

13 Q Right. And -- and -- and -- and the answer is, you
14 can't tell that, because you don't have any consumer data --

15 A That would be --

16 Q -- correct?

17 A -- true. Yes, sir.

18 Q Thank you.

19 THE COURT: Anyone else?

20 (No audible response.)

21 THE COURT: Mr. Aguero, thank you for your time.

22 Please leave safely without having the witness stand lock up on
23 you here, and Ramsey won't go look for a screwdriver to get you
24 out.

25 THE WITNESS: Thank you, Your Honor. I appreciate

1 it.

2 (Pause in the proceedings.)

3 THE WITNESS: Do I need to wipe anything down here,
4 Your Honor?

5 THE COURT: You don't need to wipe anything down.
6 Ramsey will take care of it.

7 THE WITNESS: Okay. Thank you.

8 THE COURT: All right.

9 THE WITNESS: Thanks, Ramsey.

10 THE COURT: I heard a rumor that there was no next
11 witness, that Mr. Aguero was the last of the plaintiffs'
12 witnesses.

13 MR. GENTILE: That is correct, Your Honor.

14 THE COURT: Thank you, again, Mr. Aguero. Travel
15 safely.

16 MR. AGUERO: Thank you, Your Honor.

17 THE COURT: All right. Mr. Gentile, I assume, before
18 I ask you to rest that I am going to have you do the same thing
19 I have every other lawyer do which is check with Dulce to see
20 what exhibits that you think are in evidence are, in fact, in
21 evidence. She tells me she has been e-mailing folks with that
22 list every day or two.

23 Based upon the list that you received last night or
24 the -- was it Friday?

25 THE CLERK: It is (inaudible) as of -- admitted as of

1 last Thursday, today (inaudible).

2 THE COURT: So as of the one you got today, and I
3 believe three exhibits were admitted this morning, plus two
4 that were provisionally admitted after I.T. looks at them, do
5 -- what research do you need to do? Because usually I would
6 have everybody come stand up here with her and look at the
7 exhibit list together. But I can't do that, given the social
8 distancing requirements.

9 MR. GENTILE: Can I ask to indulge us to be able to
10 go home and check it out before I -- I do that? I mean, it --
11 it's -- this is not easy.

12 THE COURT: I agree.

13 MR. GENTILE: And I don't want to make a mistake.

14 THE COURT: Okay. So, assuming that the plaintiffs
15 are going to rest first thing in the morning. Can somebody
16 tell me what happens next?

17 MR. PRINCE: Yes, we're going to call Demetri
18 Kouretas, the -- from TGIG --

19 THE COURT: Okay.

20 MR. PRINCE: -- to start.

21 THE COURT: And how long do you think Mr. Kouretas
22 will take?

23 MR. PRINCE: I expect him to take a good portion of
24 the day tomorrow, certainly through the lunch hour and probably
25 sometime after that if I'm --

1 THE COURT: And then after him, what's your plan?

2 MR. BICE: Actually, Your Honor, the first thing
3 that's going to happen is --

4 MR. PRINCE: Well, I guess we're going to make some
5 motions. So, I guess --

6 MR. BICE: -- we're going to be making some motions.

7 THE COURT: Todd always makes motions.

8 MR. PRINCE: Right. So, I'm saying, we're -- we're
9 going to start with that. But you asked me about witnesses.
10 But yeah, we're going to start with the -- with the motions.

11 THE COURT: So Todd's --

12 MR. BICE: So we -- we --

13 THE COURT: -- going to make some motions --

14 MR. PRINCE: So am I.

15 MR. BICE: -- so we will have some --

16 THE COURT: -- and I'm -- I'm going to --

17 MR. BICE: -- motions --

18 THE COURT: -- listen, I'm going to decide.

19 MR. BICE: -- first thing in the morning. We've, in
20 fact, filed a brief already this afternoon on that -- on the --
21 on our partial judgment.

22 Then assuming that is denied, we will tell the Court
23 then -- Mr. Kouretas will be the first witness. I'm trying to
24 work out with Mr. Gentile to eliminate the need for additional
25 live witnesses, but we haven't got that completely solved yet.

1 I believe the next in order is Nycole --

2 MR. PRINCE: Cummings. Yeah, I don't think --

3 MR. BICE: -- Cummings.

4 MR. PRINCE: -- we'll -- I don't think -- yeah.

5 MR. BICE: So we -- we will figure that out yet this
6 afternoon, Your Honor, or this evening.

7 THE COURT: So you anticipate --

8 MR. BICE: And --

9 THE COURT: -- two live witnesses tomorrow after our
10 motion on -- of -- on unclean hands that's in the morning, him
11 telling us he rests, and then you arguing motions, and other
12 people responding?

13 MR. BICE: Correct.

14 THE COURT: Okay. And then -- and Wednesday?

15 MR. BICE: And Wednesday, it will presumably, if we
16 can work out what I'm hoping we can work out, it will simply be
17 some short excerpts, video excerpts of the 30(b)(6) of certain
18 of the plaintiffs in the case, and then we would rest our case.

19 THE COURT: Okay.

20 MR. BICE: There's a -- there is a prospect of
21 calling another live witness by the name of Ben Sillitoe, but I
22 believe we are getting some information that he is not
23 responding, even though we have subpoenaed him.

24 MR. KOCH: One issue on that, Your Honor, Serenity
25 Wellness was a plaintiff in the case. They asked to dismiss

1 themselves. We objected on --

2 THE COURT: I remember.

3 MR. KOCH: -- condition that they give a deposition.

4 That deposition was given before they were dismissed.

5 We are attempting to have him here live, but if not,

6 I want to make sure that his deposition, given as a 30(b)(6)

7 witness for a party, can be used for purposes of testimony,

8 both whether he's unavailable, but I think as a party

9 deposition, we --

10 THE COURT: It can be used for any purpose.

11 MR. KOCH: Yep. Okay.

12 THE COURT: Do you have a -- is it a video or a

13 written?

14 MR. KOCH: Video.

15 MR. BICE: Video.

16 THE COURT: Okay.

17 MR. KOCH: So we'll confirm that hopefully by

18 tonight.

19 MR. GENTILE: I haven't gotten a designation.

20 MR. KOCH: (Indiscernible). It's --

21 THE COURT: Based --

22 MR. KOCH: -- he's unavailable and he's --

23 THE COURT: Based --

24 MR. KOCH: -- a party witness.

25 MR. GENTILE: No, I don't have an issue. But maybe

1 you do a designation.

2 THE COURT: Based on what you're telling me, do you
3 think you're going to be done this week?

4 MR. KOCH: (Indiscernible).

5 MR. BICE: I'm sorry, Your Honor?

6 THE COURT: Do you think you're going to rest this
7 week?

8 MR. BICE: I do.

9 MR. PRINCE: Yes.

10 THE COURT: Okay.

11 MR. PRINCE: Yeah, oh, right.

12 THE COURT: And then given their short case, how long
13 do you think your rebuttal case is going to be?

14 MR. GENTILE: Well, if they only call Mr. Kouretas as
15 a live witness, and depending upon whether they call Mr.
16 Sillitoe live or not, if they don't call him live, I will
17 designate parts of the deposition. If they do, then we'll have
18 a rebuttal case.

19 And I will not conducting the rebuttal case, because
20 Mr. Sillitoe was once represented by Clark Hill in this
21 litigation, and so Bill Maupin will be conducting that case.

22 THE COURT: Okay. And is he ready?

23 MR. GENTILE: Of course, he's ready.

24 THE COURT: Okay.

25 MR. KOCH: And, Your Honor, the Court's schedule

1 Thursday and Friday, are we --

2 MR. PRINCE: We're dark.

3 MR. KOCH: -- dark?

4 THE COURT: We are, because somebody was taking his
5 wife on a trip, and I wasn't going to screw that up, although I
6 might have screwed up Mr. Prince's CLE, I wouldn't screw up a
7 trip with somebody's spouse.

8 MR. BICE: So our -- our -- our goal, and our intent
9 is to be done by Wednesday, in any event.

10 THE COURT: So your rebuttal case will be less than a
11 week?

12 MR. GENTILE: The rebuttal case -- it depends. It
13 depends on -- the rebuttal case is going to take -- the
14 rebuttal case is going to be, for the most part, focused on Mr.
15 Sillitoe. And so, as of this moment, I would say that the
16 rebuttal case will take maybe a day, maybe a day-and-a-half.

17 THE COURT: Okay. So previously, I've allocated, I
18 believe, four hours per party for closing arguments. Are you
19 going to be able to do those upon the --

20 MR. GENTILE: Four hours?

21 THE COURT: I believe that's what -- I have the Trial
22 Protocol here. Do you want me to look?

23 MR. PRINCE: Per side. Per collective side.

24 THE COURT: Per side.

25 MR. GENTILE: Per side.

1 THE COURT: Yeah.

2 MR. GENTILE: I thought you said per party.

3 MR. PRINCE: She meant sides --

4 THE COURT: Per -- I meant sides.

5 MR. PRINCE: -- like the plaintiff -- each side --

6 MR. GENTILE: Yeah.

7 MR. PRINCE: -- collectively.

8 THE COURT: This side, that side, that side.

9 MR. PRINCE: You're the only one on your -- well,
10 you're not the only one on your side, but it's dwindled down on
11 your side.

12 (Pause in the proceedings.)

13 THE COURT: Oh, I'm sorry. I said six.

14 MR. GENTILE: (Inaudible). Judge, I don't think we
15 need six hours.

16 THE COURT: Good. I'm glad to hear that.

17 MR. PRINCE: No, we don't.

18 THE COURT: Okay. But will you guys be able --

19 MR. GENTILE: This isn't a jury trial.

20 THE COURT: No, really?

21 (Pause in the proceedings.)

22 THE COURT: Do you believe then you will be able to
23 begin your closing arguments immediately upon the conclusion of
24 the rebuttal case?

25 MR. GENTILE: If there's a rebuttal case, I would

1 say, yes.

2 THE COURT: Okay.

3 MR. GENTILE: If there isn't, then we could -- we
4 could probably do them Monday. Okay? Monday?

5 THE COURT: Well, you're the one who's going to make
6 the call on the rebuttal case. You --

7 MR. GENTILE: No, no, I get --

8 THE COURT: -- and Justice Maupin.

9 MR. GENTILE: -- well, not really. They're going to
10 make the call. But --

11 THE COURT: I don't know what that means.

12 MR. GENTILE: -- that's not for the Court to be
13 involved with.

14 THE COURT: No, it's really not for me to know.

15 MR. GENTILE: No, it's not. But here's what I -- I
16 need -- if we -- well, let's just see where it goes.

17 THE COURT: I'm trying to figure out if you need --

18 MR. PRINCE: Right.

19 THE COURT: -- time between when we finish the
20 evidence to start your arguments.

21 MR. GENTILE: The answer to that is, if I have a
22 rebuttal case, yes. If I don't have a rebuttal case, no.

23 THE COURT: Okay. And we won't know that until
24 tomorrow or the next day.

25 MR. KOCH: Hopefully, by -- by tomorrow for sure.

1 MR. PRINCE: Yes, that's right.

2 MR. KOCH: And one other scheduling. On the two days
3 that we're dark, to the extent that there may be motions that
4 may need to be heard on shortened time, is the Court available
5 to hear those, or the trip, does that preclude the --

6 THE COURT: I'm not going --

7 MR. KOCH: -- Court?

8 THE COURT: -- anywhere. My daughter is attending
9 school remotely over the objection of one professor. So two
10 said yes, and one said, no.

11 MR. KOCH: All right. Very good. Thank you.

12 THE COURT: So, I guess that means, if you need us,
13 we're here. I will be checking the inbox like I do several
14 times a day. But, you know, I only can only do so many OSTs,
15 and Jill and I already have an 11:45 on Thursday in the NuVeda
16 Case.

17 Anything else?

18 MR. BICE: So --

19 THE COURT: Yes, Mr. Bice.

20 MR. BICE: So, the last thing. I mean, everybody
21 is --

22 THE COURT: Because you want to suck all the life out
23 of me, don't you?

24 MR. BICE: Right. Everybody is, as I understand it,
25 resting, but we're not -- you're not going to make them do that

1 until tomorrow morning, because you want to hear about
2 exhibits.

3 THE COURT: I am going to give them the same courtesy
4 I give to every other counsel --

5 MR. BICE: Sure.

6 THE COURT: -- in every case.

7 MR. PRINCE: Fair enough. We're fine.

8 MR. BICE: Yeah.

9 THE COURT: And given the challenges we have, I can't
10 have Dulce --

11 MR. PRINCE: Of course.

12 THE COURT: -- sit here and look at the list --

13 MR. PRINCE: We understand, and that's fair.

14 THE COURT: -- with all of you huddled around.

15 MR. PRINCE: If she can just send us whatever she's
16 got this afternoon --

17 THE CLERK: I'm about to click it, yeah.

18 MR. PRINCE: -- that would be helpful.

19 THE COURT: She's clicking "send" now --

20 THE CLERK: I'm going to click it now.

21 MR. PRINCE: Excellent.

22 THE COURT: -- so you will have it.

23 MR. PRINCE: Very good.

24 THE COURT: And then if there are additional exhibits
25 that you would like to offer in the morning, we'll do it after

1 I do the motion related to unclean hands. And then you will
2 tell us whether you rest or not, or whether you have additional
3 offers to make. If you have additional offers to make, I'll
4 rule on those.

5 Once you say you rest, then Mr. Bice is going to say
6 some stuff, and then we're going to have a discussion, and then
7 we'll go to the next witness, probably.

8 MR. BICE: Okay.

9 MR. GENTILE: Thank you.

10 THE COURT: All right. So we'll be in recess until
11 8:30 tomorrow morning.

12 UNIDENTIFIED SPEAKER: Thank you, Your Honor.

4 [having been called as a witness and being first duly sworn,
5 testified as follows:]

6 THE CLERK: Thank you. Please be seated. Please
7 state and spell your name for the record.

8 THE WITNESS: Mitch Britten for the record.
9 B-r-i-t-t-e-n.

10 THE CLERK: Thank you.

11 THE COURT: Thank you. Mr. Dzarnoski.

12 MR. DZARNOSKI: Give me just a second, Your Honor.

13 THE COURT: Can those of you on the phone put us on
14 mute, please.

15 And, sir, you have heard us the masks are really hard
16 to hear through. If counsel asks you to repeat, don't be
17 offended. If you have to ask them to repeat, they won't be
18 offended. If you need a break any time, you let us know.
19 Okay?

20 THE WITNESS: Okay. I'll do my best to project.

21 DIRECT EXAMINATION

22 BY MR. DZARNOSKI:

23 Q Good morning, Mr. Britten.

24 A Good morning.

25 Q My name is Mark Dzarnoski and I represent a

JD Reporting, Inc.

1 collection of plaintiffs known in this litigation as the TGIG
2 Plaintiffs. I will try and keep my voice up. If I speak very
3 loud then I'm not yelling at you; I just want to make sure you
4 can hear, and if I'm too soft, please let me know.

5 A Understood. Thanks.

6 Q Mr. Britten, you are currently as you sit here today
7 the managing partner and chief executive officer of CPCM
8 Holdings; isn't that correct?

9 A That's correct.

10 Q And as of September 13th of 2018, you were also the
11 managing partner and CEO of CPCM Holdings; correct?

12 A That's correct.

13 Q And CPCM Holdings is a parent company of Marijuana
14 Facilities that are licensed in the State of Nevada; is that
15 correct?

16 A That's correct.

17 Q And how long have you been the managing partner and
18 CEO of CPCM Holdings?

19 A Since 2015.

20 Q I'm sorry. Since when?

21 A 2015.

22 Q And since 2015 have your duties and responsibilities
23 more or less remained the same?

24 A Yes.

25 Q And those include running the day-to-day operations

1 for the company; is that correct?

2 A That's correct.

3 Q It also involves staffing decisions; correct?

4 A More or less.

5 Q Okay. And also you have involvement as the managing
6 partner and CEO in completing and submitting applications in
7 connection with obtaining additional licensing for the
8 subsidiaries of CPCM Holdings; correct?

9 A That's correct.

10 Q And to be clear, the dispensaries -- I'm sorry.
11 Certain subsidiaries of CPCM Holdings did, in fact, submit
12 applications for licensing during the September 2018
13 application period; right?

14 A That's correct.

15 Q And the two entities that did submit applications
16 were Commerce Park, a medical LLC; correct?

17 A That's one of them, yes.

18 Q And the other is Cheyenne Medical; correct?

19 A Yes.

20 Q Both of those are LLCs?

21 A That's correct.

22 Q Both of them are 100 percent owned by CPCM Holdings?

23 A Yes.

24 Q And, in fact, neither Commerce Park nor Cheyenne
25 Medical actually have any employees of their own, do they?

1 A That's correct.

2 Q The employees who are tasked with various duties as
3 employees for Cheyenne Medical and Commerce Park are all
4 employees of CPCM Holdings; right?

5 A Yes.

6 Q And in or about September of 2018 collectively,
7 Commerce Park and Cheyenne Medical filed nine applications to
8 obtain retail dispensary licenses in the September 2018
9 application period; correct?

10 A That's correct.

11 Q And out of those nine applications, six of them were
12 successful in the sense that the Department of Taxation issued
13 or granted conditional licenses for them; correct?

14 A That's correct.

15 Q And you in particular spent -- in compiling and
16 drafting the applications approximately 80 percent of the
17 content of those applications came from you and your staff;
18 correct?

19 A Yeah, more or less.

20 Q All right. And the other 20 percent was attributable
21 to the work of Amanda Connor; is that correct?

22 A Amanda Connor, yes, and her staff.

23 MR. DZARNOSKI: I'm going to ask Shane, to put up
24 Exhibit 1006, please.

25 BY MR. DZARNOSKI:

1 Q I'm going to represent to you, sir, that this is the
2 second version of the application that was circulated to
3 applicants for the September 2018 time frame, and from
4 documents we'll be looking at, it's the version that was
5 submitted on behalf of Cheyenne Medical and Commerce Park as
6 part of the application process, okay?

7 A I understand.

8 Q I'd like to have Shane look at page 21.

9 If you look, the second box says marijuana
10 establishments proposed physical address. If the applicant
11 owns property or has secured a lease or other property
12 agreement, this must be a Nevada address and cannot be a PO
13 Box; do you see that?

14 A I do.

15 Q Mr. Britten, can you tell me in completing that
16 blank, was this part of the 80 percent that you and your staff
17 contributed to the application, or is it part of the 20 percent
18 supplied by Amanda Connor?

19 A This would have been a little bit blended, but mostly
20 it would be part of the 20 percent of Amanda Connor.

21 Q I'm sorry. Could you -- I missed it. Could you
22 speak a little louder.

23 A Yeah. Sorry about that. It would -- it was a little
24 bit of a joint task but primarily on Amanda Connor's office.

25 Q Was Amanda Connor's office designated as the person

1 entity consultant that was to go out and identify a proposed
2 physical address for Commerce Park or Cheyenne Medical?

3 A So that's why I said it was a little bit of a
4 blended -- I'm sorry. Can you hear me all right?

5 Q You do have to lean into that.

6 A Yeah, sorry about that. So it was little bit of a
7 blended task. So I identified geographical locations across
8 Nevada that we were interested in, in opening a retail store,
9 and you, you know, for lack of a better term dropped a pin on a
10 map, so to speak, and then Amanda Connor's office took it from
11 there.

12 Q Did you identify a specific address to put in to
13 disclose to the Department of Taxation the proposed physical
14 address of the applicant?

15 A Can you repeat that.

16 Q Yes. Did you identify -- you, not Amanda Connor --

17 A Right.

18 Q Did you identify a specific proposed physical address
19 where the dispensary was to be located?

20 A So my understanding was since location was not a
21 scored event in the application, I was strictly identifying
22 geographical locations that I wanted to open a store, so, no.

23 Q Regardless of whether you thought that the physical
24 location would or would not be scored, I still would you like
25 you to answer my question. If you're the person who ended up

1 identifying the proposed physical address of the applicant to
2 be put in that blank spot?

3 A As I finished my last statement with the answer was
4 no.

5 Q Who was the person who identified the proposed
6 physical address to put into that blank in your applications?

7 A It was someone in Amanda Connor's office.

8 Q So you, and this time I'm using you in a broader
9 sense, you, Mitch Britten, as well as your staff at Commerce
10 Park did not identify a specific physical address to be
11 included in the application; is that correct?

12 A That's correct.

13 Q And you, including your staff did not identify a
14 proposed physical address for any of the applications for
15 Cheyenne Medical either; did you?

16 A That's correct.

17 MR. DZARNOSKI: Shane, could you put up page 24 of 34
18 of Exhibit 1006.

19 BY MR. DZARNOSKI:

20 Q Regardless of who it was who chose the address to put
21 into that blank in your application, you did have to submit an
22 owner, officer, and board member attestation form as part of
23 your application; correct?

24 A That's correct.

25 Q And you -- do you recall that you, Mitch Britten,

1 did, in fact, sign an Attachment B in connection with your
2 applications for Cheyenne Medical and the other one?

3 A Yes.

4 Q All right. And if you go down a little bit into that
5 box at the bottom, you understood when you signed the
6 attestation, Attachment B, that it was to be signed and sworn
7 to before a notary public; correct?

8 A That's correct.

9 Q And if you go -- look up just above the signature,
10 the attestation is claiming that all information provided is
11 true and correct; right?

12 A That's correct.

13 Q So you understood when you signed Attachment B that
14 you were certifying under oath that all the information
15 contained in the application was true and correct; is that
16 correct?

17 A Yes.

18 Q And as to the addresses that were put in the blank on
19 page 21 that we were just looking at, is it your testimony that
20 the addresses used in your applications were, in fact, the
21 proposed physical address of the proposed marijuana facility
22 for Cheyenne Medical and Commerce Park Medical?

23 A Like I said before, we were identifying the
24 geographical areas, not necessarily the exact address.

25 Q Okay. So is the answer to my question then that the

1 address that was contained in the blank on page 21 of the
2 application was, in fact, not the proposed physical address
3 that the applicant was to open its marijuana retail facility?

4 A No.

5 Q It was not?

6 A No.

7 Q Okay.

8 MR. DZARNOSKI: Your Honor, Proposed Plaintiffs'
9 Exhibit 1619 is the application that was disclosed in discovery
10 for Cheyenne Medical. It is 1,118 pages of which 1,000 and
11 more are totally redacted, and I have excised all of the
12 redacted pages, and Shane has been kind enough to pull up all
13 of the unredacted pages together in Proposed Exhibit 2158.

14 I have circulated -- and that is 46 pages of
15 unredacted information. I have circulated that to
16 Mr. Britten's counsel and they have no objection to admission.

17 MR. PRINCE: No, I do have an objection.

18 THE COURT: I can't admit it.

19 MR. DZARNOSKI: I'm sorry?

20 THE COURT: I can't accept an electronic exhibit at
21 this time, Mr. Dzarnoski. You've got to ask me at least 24
22 business hours in advance for me to be able to get the tech
23 here. We tried. He can't come.

24 MR. PRINCE: And I still have an objection.

25 THE COURT: Did you do this last week? Or yesterday?

1 MR. DZARNOSKI: I'm sorry?

2 THE COURT: When did you submit this one?

3 MR. DZARNOSKI: Yesterday.

4 THE COURT: Yeah, no. I can't admit it. I can
5 provisionally admit it if there's no objection, but it sounds
6 like Mr. Prince has an objection.

7 MR. PRINCE: Yes, Your Honor, I have an objection.
8 Foundation.

9 THE COURT: So I need you to get to a microphone,
10 Mr. Prince.

11 MR. PRINCE: I have a microphone in my --

12 THE COURT: Oh, you do.

13 MR. PRINCE: I have it here.

14 THE COURT: Okay.

15 MR. PRINCE: It's an objection to the relevancy as
16 well as to foundational. You haven't remitted any part of
17 anybody's applications here in this case thus far. It's not
18 relevant to the issues relating to the plaintiffs' case as it
19 relates to the State and the process of we're talking about in
20 this phase of the litigation.

21 THE COURT: Okay. So there's an objection of
22 relevance and foundation. Can you lay some foundation with the
23 witness. I will not look the way this is being displayed by
24 Shane.

25 MR. DZARNOSKI: I didn't hear you quite. Are you

1 looking for foundation is that --

2 THE COURT: Yes. I am looking for foundation.

3 MR. DZARNOSKI: Thank you, Your Honor.

4 Shane, would you put up Proposed Exhibit 2158,
5 please.

6 BY MR. DZARNOSKI:

7 Q Mr. Britten, I'm going to ask you to look at this
8 document. If you'd like to page through a few pages, the
9 gentleman back there will be able to do that for you. So could
10 you just say page -- next page and it will allow you to look on
11 your screen to examine that document.

12 A Okay. Next page. Next page. Next page. Next,
13 next, next.

14 (Pause in the proceedings while witness reviews document.)

15 BY MR. DZARNOSKI:

16 Q Do you recognize the pages that are contained in
17 Proposed Exhibit 2158?

18 A I do.

19 Q And those -- is that the unredacted pages from the
20 application that was filed by Cheyenne Medical for the
21 September 2018 application period?

22 A It appears to be.

23 MR. DZARNOSKI: I move for admission.

24 MR. PRINCE: Objection --

25 THE COURT: Any additional objections, Mr. Prince?

1 MR. PRINCE: Objection. Relevancy and
2 confidentiality of the applications and the details of the
3 applications.

4 THE COURT: Overruled. Be admitted.

5 (Exhibit Number 2158 admitted.)

6 MR. DZARNOSKI: Shane, could you put up the
7 page 11 -- the actual -- and when I say the pages, I am
8 actually referring to the Bate stamped numbers in the bottom
9 right-hand corner. The exhibit shows 1619, but the page I'm
10 referring to is page 11. Thank you.

11 BY MR. DZARNOSKI:

12 Q This is Attachment A or one of the Attachment A's
13 that are contained in your application that was filed for the
14 September 2018 application period; correct?

15 A Yes.

16 Q And do you see that in the blank that we were looking
17 at earlier is the address of 5130 South Fort Apache Road, Suite
18 215-156; do you see that?

19 A I do, yes.

20 Q Okay. And am I correct that that address was
21 supplied in your application by Amanda Connor?

22 A Yes.

23 Q And Cheyenne Medical had no intention at the time it
24 filed its application to open its proposed retail dispensary at
25 the physical address of 5130 South Fort Apache Road, Suite

1 215-156; did it?

2 A Well, so that's -- as I said before, that is not the
3 exact physical address; however, that location in that strip
4 mall was somewhere that we had identified as we would be
5 interested in opening a store.

6 Q So the answer to my question is, no, that was not the
7 intended physical address for the proposed marijuana facility;
8 is that correct?

9 A That's correct.

10 Q Shane, could you go to page 17. And before -- well,
11 you can go to page 17, but one last question on the South Fort
12 Apache address, you are aware and were -- you are aware now
13 that 5130 South Fort Apache, Suite 215 was a UPS store;
14 correct?

15 A Yes.

16 Q And Suite 215-156 was nothing more than a mail drop;
17 correct?

18 A That's part of the UPS store -- that suite.

19 Q Did that suite actually have a room where you could
20 walk through?

21 A Yes, Suite 215 is a --

22 Q How big is the little room that -- or the room?

23 A Suite 215 is the full retail space, so I don't know,
24 probably 1600 square feet.

25 Q Okay. But I'm not asking about all of Suite 215; I'm

1 asking about Suite 215-156.

2 A That itself is a -- is a drop.

3 Q Very good. No physical room that is Suite 215-156?

4 A No.

5 Q Okay.

6 MR. DZARNOSKI: Shane, could you go to page 14.

7 BY MR. DZARNOSKI:

8 Q This also is Attachment A for the Cheyenne Medical
9 application, and you see in Box 2, the address is 9030 West
10 Sahara Avenue, Number 92; do you see that?

11 A I do.

12 Q Is that an address that was supplied by Amanda
13 Connor?

14 A Yes.

15 Q And you had no -- at the time you filed your
16 application, Cheyenne Medical had no intention of building a
17 retail marijuana facility at the address of 9030 West Sahara
18 Avenue, Suite 92; did it?

19 A Right. We had just said that we wanted to be on
20 Sahara in that general area. So it's kind of the same answer
21 as before.

22 Q And are you aware -- you were aware at the time that
23 you filed the application that the address of 9030 West Sahara
24 was a UPS store; correct?

25 A Correct.

1 Q And Suite 92 was nothing more than a mail drop;
2 correct?

3 A I think -- I think Suite 92 might be the whole suite
4 of that UPS store; but I'm not sure.

5 Q Okay. So it's either the suite at the UPS -- either
6 the entire UPS store, or it's just a mail drop?

7 A That's right.

8 Q Okay.

9 MR. DZARNOSKI: Shane, could you go to page 17.

10 BY MR. DZARNOSKI:

11 Q Attachment A, again, for Cheyenne Medical lists in
12 Box 2, 561 Keystone Avenue, Number 481; do you see that?

13 A I do.

14 Q And at the time -- that's actually for a application
15 for Reno, correct?

16 A That's correct.

17 Q And at the time you filed this application and filled
18 in Attachment A with the Keystone Avenue Number 481 address,
19 you knew that 561 Keystone was a UPS store in Reno; correct?

20 A Correct.

21 Q And Suite 481 is nothing more than a mail drop;
22 correct?

23 A Correct.

24 Q And you had no intention at the time of filing this
25 application to locate a proposed retail marijuana establishment

1 in 561 Keystone Avenue, Number 481; correct?

2 A That's right.

3 MR. DZARNOSKI: Shane, could you go to page 20.

4 BY MR. DZARNOSKI:

5 Q Again, this is Attachment A for another proposed
6 location for Cheyenne Medical, and do you see it says 10624
7 South Eastern Avenue?

8 A I see that.

9 Q At the time you filed your application, did you know
10 that 10624 South Eastern was a UPS store?

11 A I did.

12 Q And you had no intention at the time you filed your
13 application to locate a retail dispensary at the physical
14 address of 10624 South Eastern; correct?

15 A Right. Yes.

16 Q And is that an address that was also supplied by
17 Amanda Connor?

18 A It was.

19 Q You understand Amanda Connor represented multiple
20 applicants for the September 2018 application period; correct?

21 A Yes.

22 Q Did you know that she was supplying addresses to her
23 other clients?

24 A I think it may have come up throughout the process,
25 but I can't recall.

1 Q Did you know that multiple other clients were using
2 the same address representing them to be the proposed physical
3 address of their dispensary?

4 A I know that now, yes.

5 Q Did you know that then?

6 A I can't recall.

7 MR. DZARNOSKI: Shane, would you go to page 23.

8 BY MR. DZARNOSKI:

9 Q This is the fifth location that was identified in the
10 application by Cheyenne Medical and this one was for 1188 Court
11 Street, Number 74 in Elko; do you see that?

12 A I do.

13 Q And were you aware at the time that you filed the
14 application that 1188 Court Street in Elko is a Ship It postal
15 company?

16 A Yes.

17 Q And you had no intention of opening a retail
18 marijuana establishment at the proposed physical address of
19 1188 Court Street, Number 74 at the time you filed the
20 application; right?

21 A That's right.

22 Q Now, not only did you not intend on opening the
23 physical location -- or the actual dispensary at the physical
24 locations that we've identified in Exhibit 2158, but no one
25 associated with CPCM or Cheyenne Medical actually owned any of

1 those addresses; correct? Owned the property at those
2 addresses; is that correct?

3 A That's correct.

4 Q And no one associated with the applicant Cheyenne
5 Medical had a lease with the owner of any of those property
6 addresses to open a marijuana facility; correct?

7 A I believe there was a rental agreement of some sort
8 for, you know, located at those locations, but not for the
9 specific location.

10 Q Say that again.

11 A There was a rental agreement as, you know, to have
12 this address, but we didn't have a full lease on the building.

13 Q All right. The rental agreement --

14 THE COURT: You mean for the box?

15 THE WITNESS: Yeah.

16 THE COURT: Okay.

17 BY MR. DZARNOSKI:

18 Q The rental agreement was to use a -- use it as a mail
19 drop; right?

20 A Right.

21 Q There was no lease to use the property as a proposed
22 marijuana dispensary; correct?

23 A Correct.

24 Q And there was no other kind of property agreement in
25 place with the owner of any of those address -- properties at

1 any of those addresses to open a retail dispensary; correct?

2 A Correct.

3 MR. DZARNOSKI: Your Honor, Exhibit 1626 is the
4 application that was given to us in discovery for Commerce Park
5 Medical. It was 1,135 pages in length. I have excised all of
6 the unredacted material, moved to Proposed Exhibit 2157, which
7 is 54 pages. I could go through the foundation again with the
8 witness or that I'd move for admission.

9 THE COURT: Mr. Prince.

10 MR. PRINCE: It's the same objections I had. I mean,
11 I think he can -- Mr. Britten, would probably likely answer
12 similarly to all the documents. So it's the foundation,
13 relevancy objection that I have.

14 THE COURT: So the objection is ruled if the
15 foundation is the same, I will provisionally admit it along
16 with the prior exhibit pending IT's review of the two.

17 MR. DZARNOSKI: Thank you, Your Honor.

18 Shane, could you put up Exhibit 2157.

19 BY MR. DZARNOSKI:

20 Q Mr. Britten, I'm going to give you the opportunity
21 here to page through this really quickly. I believe it to be
22 the application for Commerce Park Medical, but I'd like you to
23 look at it and firmly convince yourself that I'm right.

24 A Okay.

25 Q So go ahead and say next, next, however far you want

1 to look.

2 TECH SHANE: Tell me if you want to --

3 THE WITNESS: Yeah, if you'll just scan through that,
4 that will be great. Yes, I'm familiar with that.

5 BY MR. DZARNOSKI:

6 Q And am I correct that that is the unredacted portions
7 of the Commerce Park Medical applications for the application
8 period September, 2018?

9 A Yes.

10 MR. DZARNOSKI: Shane, could you turn to page 11,
11 please.

12 BY MR. DZARNOSKI:

13 Q See in Box 2, once again we have a 5130 South Fort
14 Apache, Suite 215-155, this time disclosed as the proposed
15 physical address for the property. Is your answer the same
16 that Amanda Connor is the one that supplied the address for
17 this?

18 A My answer is the same.

19 Q Okay. And you didn't have any intention of opening a
20 retail dispensary at Suite 215-155 on behalf of Commerce Park
21 Medical when you applied; did you?

22 A And my answer would be the same to this as well.

23 Q And so the answer is, no, you had no intention?

24 A It was a geographical location that I had interest
25 in, and this was one of the units in the strip mall.

1 Q Okay. And you certainly weren't -- if Commerce Park
2 Medical obtained a conditional license and Cheyenne Medical
3 obtained a license, you certainly weren't going to build two
4 retail dispensaries at 5130 South Fort Apache Road under the
5 Suite 215 under the DBA Thrive, were you?

6 A I was not intending that, no.

7 Q Right.

8 MR. DZARNOSKI: Shane, could you go to page 14.

9 BY MR. DZARNOSKI:

10 Q You see another application where the proposed
11 establishment was listed as 6462 Losee Road, Suite 11032-32.
12 Do you see that?

13 A I do.

14 Q Was that an address supplied by Amanda Connor?

15 A Yes.

16 Q And that was not a proposed -- you had no intention
17 at the time of filing your application to build a retail
18 dispensary at that location; correct?

19 A That's correct.

20 MR. DZARNOSKI: Shane, could you go to page 17.

21 BY MR. DZARNOSKI:

22 Q Again, this is for the -- a third physical location
23 you applied for, and again, this was in Reno. And do you see
24 the identical address as placed there as was for Cheyenne
25 Medical, 561 Keystone Avenue, Number 481; do you see that?

1 A Yes, I do.

2 Q And we've already established that you knew that was
3 a UPS store; correct?

4 A Yes.

5 Q And you know I forgot to ask you as to the previous
6 one, 9030 West Sahara, Number 92 -- I think that was the
7 previous one -- but you knew that to be a UPS store as well;
8 correct?

9 A For Commerce Park Medical or for Chey -- I don't
10 think we applied there for Commerce Park Medical.

11 Q Correct. The address was Losee Road. Losee Road, in
12 fact, you knew that to be a Mailing & More business that served
13 as a mail drop for the company; correct?

14 A That's correct.

15 Q Okay. All right. Back to the Keystone, which was
16 page 17. And if you're -- if the applications for Reno, for
17 Commerce Park Medical had been approved along with the
18 application in Reno for Cheyenne Medical, you had no intent of
19 building two retail dispensaries under the Thrive DBA at 561
20 Keystone Avenue, Number 481; correct?

21 A Correct.

22 Q And finally can we go to page 20.

23 This is the fourth app -- location under the
24 application for Commerce Park Medical, and you see 150 South
25 Highway 160, Suite 8-238; do you see that address?

1 A I do.

2 Q Again, was that address supplied by Amanda Connor?

3 A Yes.

4 Q Okay. And you had no intention of building a retail
5 dispensary at the address of 150 South Highway, 160, Suite
6 8-238; correct?

7 A Correct.

8 Q And as to all four of the addresses we've just gone
9 through it with respect to Commerce Park Medical, nobody
10 associated with CPCM or the applicant Commerce Park Medical
11 owned any of those addresses; correct?

12 A Correct.

13 Q And no one associated with CPCM or Commerce Park
14 Medical had a lease agreement to establish a retail marijuana
15 store with the property owners there; right?

16 A Correct.

17 Q And there was no other form of property agreement
18 that you had with anyone who owned that property to establish a
19 retail marijuana store at that location; correct?

20 A Correct.

21 Q And you knew at the time you filed your application
22 that the address at 150 South Highway 160, Suite 8 was a UPS
23 store; correct?

24 A Correct.

25 Q All right. Now, you're testifying today under oath

1 to the Judge, that you had no intention of using any of these
2 addresses as the proposed physical address of a retail
3 marijuana dispensary at the time the applications were
4 submitted; right?

5 A That's right. We -- we knew that location was a not
6 scored criteria; so we were utilizing the addresses as
7 identifying areas in jurisdictions that we were interested in
8 opening a store.

9 Q Do you recall, sir, that on June 19th, 2020, you
10 were deposed as the 30(b)(6) witness for CPCM Holdings?

11 A Yes.

12 Q I'd like to play you a couple of clips, sir, of your
13 testimony, and then I'm going to ask you some questions about
14 it.

15 MR. DZARNOSKI: Clip 1, Shane, is page 73, lines 6
16 through page 74, line 16.

17 (Playing audio-video recording.)

18 BY MR. BULT:

19 Q Mr. Britten, I want to talk to you a little bit about
20 the physical locations that CPCM used in its 2018 applications.
21 Are you familiar with what I'm talking about there, the
22 proposed locations?

23 MR. PRINCE: I'm going to object to the form of your
24 questions. I don't mean to split hairs with you. But
25 respectfully CPCM is -- was not an applicant.

1 MR. BULT: Okay. Fair -- Fair point. Fair point.

2 MR. PRINCE: It was two -- the two entities.

3 THE COURT: Sustained.

4 MR. BULT: No.

5 BY MR. BULT:

6 Q And -- and, Mr. Britten, your lawyer is helping us
7 create a much cleaner record. And I want to be clear, the two
8 entities that CPCM manages, those two LLCs, are you familiar
9 that they had proposed locations as part of their 2018
10 application?

11 A I am, yes.

12 Q Okay. And what was your understanding of what an
13 applicant needed to have as part of a proposed location?

14 A Just that, proposed locations.

15 Q Okay. And did you have an understanding of whether
16 or not that proposed location needed to be an actual location
17 that could, in fact, become a dispensary?

18 A Yes.

19 Q Okay. That it would need to be a location that --
20 that could feasibly become a dispensary?

21 A That's correct, yeah. We identified locations that
22 we liked throughout the state and put them on our application.

23 Q Okay. And those are the applications that you
24 actually inserted in your applications; correct?

25 A The applications that I asserted in our applications?

1 I don't understand that question.

2 Q Well, those locations that you found in, like, those
3 are the actual ones that you put in your nine applications;
4 correct?

5 A That's correct.

6 Q Okay.

7 (End audio-video recording.)

8 MR. DZARNOSKI: Shane, could you play clip Number 2,
9 which will be page 132, line 2 to page 132, line 21.

10 (Playing audio-video recording)

11 BY MR. DZARNOSKI:

12 Q Did you identify the address 5130 South Fort Apache
13 Road, Suite 215-156 as a physical location where you would
14 operate a marijuana establishment?

15 A We did.

16 Q Now, to be clear it is correct; is it not, that 5130
17 South Fort Apache Road, Suite 215 is a UPS store?

18 A Yes.

19 Q And is it not true that 5130 South Fort Apache
20 Road -- 5130 Fort Apache Road itself is a single parcel with
21 the assessor's office that is a strip mall?

22 A I -- I'm not aware of the assessor's website.

23 Q Are you aware that the UPS store is in a strip mall?

24 A I am, yes.

25 Q And is it -- just so I understand clearly your

1 testimony, you identified that UPS store located at 5130 South
2 Fort Apache Road, Suite 215 as the location that you would be
3 building a marijuana retail operation; correct?

4 A Yes, I like that -- that location.

5 (End audio-video recording.)

6 MR. DZARNOSKI: Shane, could you please play as clip
7 3 page 135, lines 17 to 25.

8 (Playing audio-video recording)

9 Q Since you have testified that the applicants did not
10 own the property that they disclosed as the addresses, they did
11 not have a lease for those addresses, and they did not have a
12 property agreement for those addresses, tell me why you put
13 those addresses in Attachment A on the application in the
14 appropriate spot.

15 A Because those were proposed locations that we liked
16 to place a dispensary facility within the State of Nevada.

17 (End audio-video recording.)

18 MR. DZARNOSKI: Shane, could you play clip 4 which is
19 page 145 lines 2 through 22.

20 (Playing audio-video recording)

21 Q Is it your belief that the address of 5130 South Fort
22 Apache Road, Suite 215 would be able to support three separate
23 and distinct retail marijuana establishments at the same time?

24 A I'm not sure if zoning would -- would allow that, but
25 I suppose in a free market you could have three dispensaries

1 next door to one another.

2 Q What was the end of your answer in that, what?

3 A I suppose that -- that in a free market you could
4 have three dispensaries next door to one another. In my
5 previous experience, I had dispensaries that were within
6 200 feet of some of my other locations so I would say yes.

7 Q You ever seen two retail dispensaries in the same
8 suite in a strip mall?

9 A I -- that I have not seen. But I have seen them in
10 very close proximity.

11 Q Did you have any arrangements with Essence, Integral,
12 CW Nevada, that if you all were successful licensed applicants,
13 that you would share that address for your retail operations?

14 A No.

15 (End audio-video recording.)

16 BY MR. DZARNOSKI:

17 Q Now that you've had an opportunity to hear your
18 testimony that was given approximately a month and a half ago,
19 can you tell me is the testimony you gave on June 9th true
20 and correct?

21 A Yeah. The locations that I had identified were
22 specific geographical locations in areas that I wanted to open.

23 MR. DZARNOSKI: May I have a moment, Your Honor?

24 THE COURT: You may.

25 MR. DZARNOSKI: I have no further questions, Your

1 Honor.

2 THE COURT: Do any other plaintiffs wish to inquire
3 of Mr. Britten? Seeing none.

4 Does the State wish to inquire of Mr. Britten?

5 MR. SHEVORSKI: No, Your Honor.

6 THE COURT: And can you send us the transcript,
7 Shane, from Mr. Britten's PMK depositions.

8 TECH SHANE: You've got it.

9 THE COURT: Do any defendants wish to inquire other
10 than Mr. Prince, wish to inquire of Mr. Britten.

11 Mr. Prince.

12 MR. PRINCE: Can we -- we just take a five-minute
13 rest room break before I get started.

14 THE COURT: Yes.

15 MR. PRINCE: Thank you.

16 (Proceedings recessed 9:47 a.m. to 9:53 a.m.)

17 THE COURT: Whenever you're ready, Mr. Prince.

18 MR. PRINCE: Okay. One second, Your Honor.

19 Mr. Britten, are you ready?

20 THE WITNESS: Ready.

21 MR. PRINCE: Oh, yeah. Okay.

22 CROSS-EXAMINATION

23 BY MR. PRINCE:

24 Q Mr. Britten, good morning. You indicated earlier
25 that you are the CEO and managing partner for CPCM Holdings

1 LLC; is that correct?

2 A That's right.

3 Q And what relationship does CPCM Holdings have to --
4 let's start first with Cheyenne Park Medical LLC?

5 A So it is the parent company of Cheyenne Medical.

6 Q Does CPCM own 100 percent of Cheyenne Medical?

7 A It does.

8 Q Okay. As it relates to Commerce Park Medical LLC,
9 what relationship does CPCM Holdings have in relationship to
10 that?

11 A The same. It's the parent company with a 100 percent
12 ownership.

13 Q Okay. Is that the sole member of -- is CPCM the sole
14 member of both Cheyenne and Commerce Park?

15 A It is.

16 Q And how many owners are there of CPCM?

17 A There's seven.

18 Q And who are they?

19 A Tom Halbach, Phillip Peckman, Ed Findlay, myself,
20 Nick Mamula [phonetic], Dave Brown and Julie Murray.

21 Q And how long has that ownership structure existed?

22 A Since we began business in 2015.

23 Q And as part of the 2018 application process, did you
24 identify each of those individuals that you named including
25 their entities that may hold the interest in?

1 A Yes.

2 Q Okay. Since -- I think you said a moment ago, since
3 2015 the ownership structure of CPM has not changed?

4 A That's correct.

5 THE COURT: CPCPM.

6 MR. PRINCE: CP --

7 THE COURT: It's your client, let's get all the
8 letters in.

9 MR. PRINCE: I'm sorry. What did I say, Judge?

10 THE COURT: CPM.

11 MR. PRINCE: Oh. CPCPM. Thank you.

12 THE WITNESS: Yeah.

13 THE COURT: Somebody has to give him a hard time.

14 THE WITNESS: Thank you.

15 BY MR. PRINCE:

16 Q And -- can you -- when was CPCPM formed?

17 A It was formed some time in 2015.

18 Q And what was the purpose of forming CPCPM?

19 A It was to control all the corporate governance, if
20 you will, and day-to-day management of the subentities.

21 Q Okay. And did CPCPM or did you cause to be formed
22 Cheyenne Park as well as Cheyenne Medical? Or excuse me --
23 Commerce Park and Cheyenne Medical?

24 A So they were formed ahead of CPCPM.

25 Q Okay.

1 A Yeah, they were formed in 2014. CPCM was formed in
2 2015.

3 Q Does CPCM have a license --

4 A It does --

5 Q -- to sell marijuana in the State of Nevada?

6 A It does not.

7 Q Who are the license holders?

8 A The licensees are Cheyenne Medical, Commerce Park
9 Medical and then we have a third one that holds our cultivation
10 facility.

11 Q What's the name of that entity that runs the
12 cultivation facility?

13 A That's NVMD Investments.

14 Q NV -- okay.

15 And what licenses does Commerce Park hold in the
16 State of Nevada?

17 A Medical and recreational dispensaries.

18 Q Okay. And what licenses does Cheyenne Medical hold
19 in the State of Nevada?

20 A Medical and recreational dispensaries.

21 Q Did both Commerce Park as a licensee and Cheyenne
22 Medical as a licensee apply for licenses in the 2018 process?

23 A They did. Both, yes.

24 Q Okay. I want to talk a little bit about your
25 background in the marijuana industry. First off, when did you

1 start in the marijuana industry?

2 A Late 2009, early 2010, I --

3 Q Tell us how you got into the industry.

4 A I was still in college in kind of that 2009, 2010
5 time frame. It was a real hot topic in Colorado, and I got
6 approached to begin working in the industry. So I took the
7 opportunity.

8 Q Okay. And who did you work for in Colorado, what
9 company?

10 A The company was called LiveWell.

11 Q Okay. LiveWell, does that have any relationship to
12 LivFree in Nevada or any of the same people?

13 A Not anymore, but originally, yes, they were loosely
14 affiliated.

15 Q What was your role at LiveWell?

16 A When I began, I began just as a -- as a running a
17 store, and I worked my way all the way up to the director of
18 operations for the company.

19 Q And what did it mean to be the director of operations
20 for LiveWell?

21 A It was really managing kind of the operational side
22 day to day of the company. We had -- when I first started with
23 the company we were a cultivation facility, what we would call
24 a production facility and two dispensaries, and by the time I
25 had left we had 14 storefronts. So it was kind of that

1 expansion between 2 and 14 and all the headaches that go with
2 it.

3 Q Okay. And in terms of how the marijuana industry in
4 Colorado compared to Nevada, can you kind of just describe for
5 the Court the differences how Nevada is different and unique
6 from Colorado.

7 A Yeah, the application process, there's no
8 similarities. Originally it was -- it was really almost like
9 what it's like in Oklahoma today, which is walk across the
10 counter, business license application that's how it began. And
11 then (indiscernible) started putting moratoriums on and things
12 like that so it got a little bit more challenging, but still it
13 was almost a walk across the counter application.

14 Q Okay. From a regulatory compliance standpoint, how
15 did it differ than Nevada?

16 A Nevada is so much, I mean, it is regulated so much
17 better than Colorado was. In Colorado the Marijuana
18 Enforcement Division was really starting just to figure out the
19 business because the regulations almost came after the
20 businesses. So they had to put the cap back in the box, so to
21 speak.

22 Q Okay. And is Nevada in terms of regulation much more
23 stringent than it is in Colorado?

24 A When I was operating, yes, definitely.

25 Q And when you left -- by the time of your departure in

1 2014, give us a little -- an idea of how large that LiveWell
2 was in terms of the industry, like, how many people did it
3 employ?

4 A It employed about 550 people. It represented about
5 10 percent of the State's market share total, you know, and
6 that's a big statement, right. You've got a company that held,
7 you know, give or take not including all the multiple
8 cultivation licenses, but 15 to 20 licenses and made a state
9 where there's 700 almost 800 dispensaries; it was a pretty big
10 achievement.

11 Q Right. Did you also -- did it also have the largest
12 indoor cultivation facility in the State of Colorado?

13 A It did. And I actually think by our estimation it
14 was the biggest in the country at that time.

15 Q All right. And was Amanda -- did you even know
16 Amanda Connor prior to moving to Nevada from Colorado?

17 A I didn't meet Amanda Connor until roughly 2016.

18 Q Okay. And it was my understanding that you also had
19 won license -- licenses to sell marijuana in the State of
20 Illinois; is that right?

21 A That's correct.

22 Q And tell the Court when you applied for licensure in
23 the State of Illinois.

24 A So Illinois was an interesting market because they
25 issued dispensary licenses by police district. So there's 21

1 State police districts. And the team that I was working with,
2 we won in districts 9 and districts 11.

3 Q Okay. So you won two licenses in that state?

4 A That's correct.

5 Q With what organization, LiveWell?

6 A No, it was a separate organization that I'm no longer
7 affiliated with. I left that opportunity to pursue Nevada
8 entirely.

9 Q Okay. Was it a competitive license process similar
10 to Nevada --

11 A Very much --

12 Q -- Illinois?

13 A Very much so.

14 Q Okay. Now, when did you make the move to Nevada,
15 Mr. Britten?

16 A So I began commuting back and forth between Colorado
17 and Nevada in 2014.

18 Q What brought you out here?

19 A The application and the successful awarding of
20 licenses.

21 Q Okay.

22 A My wife was pregnant at the time so we didn't want to
23 make the full move in 2014, so we came here, I believe, the
24 second month of '15.

25 Q And you said you came in 2014; was that to

1 participate in the medical marijuana program?

2 A So originally it was to write the applications and do
3 that groundwork. And then after the successful awarding of the
4 licenses, came in to do workshops with some of the
5 jurisdictions that we were successful in.

6 Q Okay.

7 A So it was really kind of the -- to set the
8 groundwork, so to speak, in 2014 of the company.

9 Q And how many medical applications did you participate
10 in in the State of Nevada, Mitch?

11 A We participated in, I believe, nine.

12 Q Nine?

13 A Yeah.

14 Q All four CPCM or did you participate for others as
15 well?

16 A So originally when I came out here, I came out here
17 for LivFree Wellness. So out of the application process with
18 LivFree Wellness came Commerce Park Medical and Cheyenne
19 Medical.

20 Q Okay.

21 A So it was in the reshuffling after the licenses were
22 awarded that we created CPCM, and I took control of Commerce
23 Park Medical and Cheyenne Medical.

24 Q Okay. So how many licenses did you -- applications
25 did you participate in were you successful with in 2014, did

1 you say nine?

2 A All of them, yes.

3 Q Okay. Up to and including 2014 in the medical
4 application process, had you ever lost an application process
5 or been denied an application?

6 A The first time I lost an application was the Ely
7 application process in 2018.

8 Q Okay. And did both Commerce Park and Cheyenne
9 Medical, did they receive medical licenses in the 2014 round?

10 A Yes.

11 Q Okay. What was your role in completing the 2014
12 applications?

13 A It was really kind of creating the narrative and the
14 dialogue within the application, right, operating plans,
15 procedures, testing and verification plans, things of that
16 nature.

17 Q In terms of compliance, what -- how much of your time
18 was focused on regulatory compliance, Mr. Britten, in your
19 day-to-day activity?

20 A The vast majority of it. The vast majority of what I
21 do is about keeping the, you know, protecting the corporate, so
22 to speak, and really making sure that we have proper safeguards
23 in place to prevent from kind of diverting from the
24 regulations.

25 Q Okay. Is part of your role as the CEO ensuring

1 strict compliance -- or ensuring compliance with Nevada's
2 regulatory requirements for both operating a medical facility
3 as well as a retail?

4 A Absolutely.

5 Q Did Ms. Connor assist you in the 2014 application
6 process?

7 A No, she did not.

8 Q Okay. Prior to 2018, how many total dispensary
9 licenses in Nevada did you have?

10 A I'm sorry, what was the time frame?

11 Q Prior to the September 2018, how many dispensary
12 licenses did you have in the State of Nevada?

13 A We had two medical and two recreational or adult use.

14 Q Right. So you're successful with the medical, did
15 that qualify for the one-to-one conversion?

16 A It did, yes.

17 Q Okay. Did it also have the -- how many cultivation
18 facilities?

19 A Just one cultivation facility, and that's the --
20 that's dual licensed as well.

21 Q Okay. Presently, how many employees does CPCM have
22 that operates the two, Commerce Park and Cheyenne Medical?

23 A I'm not sure what the breakdown just for those two
24 is. Total for CPCM Holdings --

25 Q Yep.

1 A -- which includes the cultivation, distribution,
2 before the whole coronavirus shut down and things like that,
3 we've done a lot of reshuffling; we were about 200 and plus or
4 minus 250 or so.

5 Q Okay. I want to talk about your involvement in the
6 2018 Ely application process, okay.

7 A Okay.

8 Q And Number 1, when did the State of Nevada -- did you
9 learn the State of Nevada was going to open a medical
10 dispensary application process in White Pine County, we've been
11 calling it Ely here.

12 A Yeah. I can't recall exactly, but I would -- middle
13 of the year 2018.

14 Q Okay. And at that point did you have an interest in
15 applying?

16 A Well, we -- so almost all of 2018 we were really
17 developing our application, fine tuning our operating
18 procedures and things like that. So when White Pine County,
19 where when the State announced White Pine County, we felt like
20 we had compiled a lot of our application that we were already,
21 you know, putting the puzzle pieces together for, for September
22 of '18. So we decided we're already working on it let's give
23 it a shot, right. It was -- we felt like we were almost -- I
24 hate to say it -- a shoo-in, but we thought we were going to be
25 successful in White Pine County.

1 Q Okay. And ultimately were you?

2 A We were not.

3 Q Okay. Let me kind of step back a minute because you
4 said something that I think is interesting and I want to just
5 cover it now with you. You knew in the -- sometime in 2017
6 that September 2018 or that time frame that the retail
7 application process would be open to everyone; right?

8 A Yeah, I mean, with ballot question 2, I think it
9 was -- the writing was on the wall that there would be one of
10 these processes. I'm not exactly sure when we learned when the
11 process would take place, but we knew that we might as well get
12 going on it. Itself -- we were constantly trying to fine tune
13 and refine what we do as an organization. So it was just more
14 formalizing all of those things so that we could use them in a
15 future application.

16 Q Right. When did you start formally working on the
17 2018 retail applications? When did you start that process?

18 A Formally, I would say early January.

19 Q Of 2018?

20 A Of 2018.

21 Q And by that time was Amanda Connor counsel for both
22 Commerce Park and Cheyenne Medical?

23 A She was. Originally, we -- and the vast majority of
24 what we do with Amanda Connor is regulatory compliance and
25 administrative work; so we had her already retained at that

1 point.

2 Q When did you first establish a relationship with
3 Amanda Connor for regulatory and compliance matters?

4 A I believe it was 2016 or, yeah, 2016.

5 Q Okay. And does your company have a designated point
6 of contact -- or strike that.

7 Does Cheyenne Medical and Commerce Park have a
8 designated point of contact with the State of Nevada?

9 A Yes. To create uniformity across our company we have
10 a -- that is one person and that person is Amanda Connor.

11 Q Why do you use Amanda Connor as your point of contact
12 with the State?

13 A So I get pulled in a lot of directions on the day to
14 day and being that compliance is almost a fundamental building
15 block for our company, I wanted to make sure that someone that
16 was very detailed and, you know, administrative items that they
17 make sure that nothing gets missed. So we felt it was
18 appropriate to put that on our attorney to ensure that nothing
19 was ever missed.

20 Q So if you were to receive communications from the
21 State of Nevada regarding the operation of any of your license
22 or facilities, does initial communication go to Ms. Connor and
23 then she in turn passes it along to you?

24 A It does. The only thing I get from the State
25 directly is the LISTSERV notifications; everything else goes

1 through Amanda and then gets funneled to me.

2 Q Is that by design, Mr. Britten?

3 A Absolutely.

4 Q Okay. Now, so you started working on the retail
5 application sometime in the early part of 2018; right?

6 A Yep.

7 Q We're kind of now moving into the middle part of
8 2018, you know, April, May, do you learn about the medical
9 application for White Pine County Ely?

10 A That's correct.

11 Q Okay. And did you initially make a decision that you
12 wanted to make an application in White Pine County for a
13 medical license?

14 A Yes.

15 Q Okay. What did you -- did you want the medical
16 license or was there something else that you thought you might
17 be able to obtain if you were successful in the medical
18 license?

19 A I think the important thing about the White Pine
20 County is that that would have qualified for the one-to-one
21 conversion. So not only, you know, the -- it was almost a
22 proving ground for our license or for our application rather,
23 but it was also strategic on our part to apply there.

24 Q Okay. And you initially applied for the medical
25 licenses in 2015; right?

1 A Uh-huh.

2 Q And then, now -- we're now in the summer of 2018 --

3 A Right.

4 Q -- the Ely medical application, is that the first
5 competitive application process you'd been through since the
6 medical --

7 A Yeah, in that -- in that specific period, yes.

8 Q Okay. And kind of where were you -- what -- well,
9 strike that.

10 Which entity actually applied in Ely?

11 A I believe it was Cheyenne Medical.

12 Q And why did you choose Cheyenne Medical as opposed to
13 Commerce Park?

14 A So between the two entities it's my opinion that
15 Cheyenne is -- is the more qualified of the two, if you will.
16 It sees -- it employs more people. It has probably
17 represents four times the revenue of Commerce Park Medical. It
18 has better taxes paid, those type of items. I just felt it was
19 a stronger and a better representation of who's -- who we are
20 as an organization.

21 Q Okay. And what was your role in the Ely application
22 process?

23 A It was really to compile the majority of the
24 application and write the, you know, write the sections, make
25 sure that it represented what we did as a company, right. So

1 looking at the application, kind of analyze what it was really
2 asking and then that's -- that would be what I would put down.

3 Q Okay. And who assisted you in completing the Ely
4 application?

5 A So it was myself, a number of my staff members, and
6 then we tipped it over to Amanda Connor's office for a final
7 compilation review, critique, things like that.

8 Q Okay. So Ms. Connor did represent the company in
9 connection with that application process?

10 A That's right.

11 Q Okay. Now, when you submitted the application in
12 White Pine County, what was your overarching goals with the
13 application process itself?

14 A Well, like I said, we would have liked to have that
15 location up there. I think strategically it's a really -- a
16 really good market, but as we started going through the process
17 and timing, it almost -- we were, like, well, we'd been -- like
18 I said, we'd been working on the applications let's give it a
19 go and see how it does.

20 Q Kind of a dry run, so to speak?

21 A Yeah, so to speak.

22 Q Okay. And when you submitted your application in
23 July of 2018 for the White Pine County application process, how
24 did you feel about it?

25 A Felt -- I mean, it was -- we decided to make the play

1 for White Pine County in a somewhat rushed fashion. So I felt
2 like it was -- I knew the application wasn't particularly
3 polished. It was very reminiscent of the 2014 application
4 which the two were almost identical or if not identical. So I
5 felt pretty good about it, but it did feel just kind of like a
6 rushed job.

7 Q Did you feel that there was additional work that you
8 could do to improve the application once you submitted it?

9 A Yeah. I mean, we -- since it was in the middle of
10 the process, we were still work -- it wasn't our final stop
11 point, right. We didn't say this is going to be our
12 application for 2018. We're done. It's great. We just
13 decided that this was a good halfway point, and we knew that
14 there was still a lot of refining to do, especially because the
15 biggest difference between White Pine County and what was
16 coming up in September of that year was there was no medical
17 component in September, right. So we knew that a lot of the
18 application was probably applicable because they were so
19 similar, but there was a big emphasis on medical for White Pine
20 County, not so much on the, of course, the recreational
21 component.

22 Q Very good. And with regard to your, you know, your
23 care, quality, and safety aspects and your operational stuff,
24 was it where exactly where you wanted it for the September 2018
25 round?

1 A No. I think a lot of those things still needed
2 further refining.

3 Q What about, like, the adequacy of your building and
4 laying out your building?

5 A Yeah, that was something that when we did White Pine
6 County we just decided we're going to throw a floor plan out
7 there and some conceptual renderings, and so we knew that that
8 was a little bit light on what the application was looking for,
9 but it was what we had time to do.

10 Q After you submitted your application in July of 2018
11 for White Pine County, what steps did you immediately take to
12 try to improve or make the application better for the
13 September 2018 round?

14 A So we continued to refine on a lot of the, kind of
15 the big areas of the application. We had -- we were working
16 with a design team on kind of refining those building
17 construction plans.

18 Q And what's the name of the design team?

19 A Forza.

20 Q Okay.

21 A We used them from 2000 -- they originally worked with
22 us in 2015 when we went from conceptual to, you know,
23 perfected, so to speak. When we went to open Cheyenne Medical
24 and Commerce Park Medical, they also designed our cultivation
25 facility and so, yeah.

1 Q Why not just use -- well, strike that. Why not just
2 use one of the existing plans from like your Cheyenne facility
3 or the Commerce facility instead of hiring Forza again?

4 A So a lot of our design has changed in the way that we
5 do things, the way things flow. Originally when the 2014
6 process came about, there were a lot of components that the
7 regulations were asking almost for a one-to-one employee to
8 customer ratio. So the facilities were designed like that.
9 And as the industry progressed and the regulations changed and
10 things like that, it became apparent that you could have more
11 of a free-flowing model where it wasn't necessarily this
12 one-to-one aspect. So the reason why we didn't do that is that
13 I don't think it was a good representation of what we would
14 actually build --

15 Q Okay.

16 A -- right, we don't -- we don't really build like that
17 anymore.

18 Q So you said that you -- part of the White Pine you
19 submitted is a general floor plan and some renderings?

20 A Yeah.

21 Q Did your -- did you ask Forza to do something
22 different for the September 2018 application rounds?

23 A I did, yeah.

24 Q What did you ask them to do?

25 A So we now are designing -- we don't build from the

1 ground up, right. We didn't get into this business to be
2 property owners. We got into it to be operators of
3 dispensaries. So we realized that sometimes we get a location
4 that was 1800 square feet and other times we would get one
5 that's 10,000 square feet. So what I sat down with Forza to do
6 is to create almost guiding principles for our construction
7 teams moving forward that says, you know, we're allocating
8 floor space per use as a percentage. So whether we go in and
9 it's 1800 square feet or 10,000, the percentage and utilization
10 of the space is the same so.

11 Q What other names could you give the -- to give us as
12 representation who uses a similar model?

13 A So I pulled that concept from Starbucks actually.

14 Q Okay. And did Forza as -- after you submitted your
15 White Pine County application, did you ask Forza to develop
16 detailed building plans and drawings?

17 A Yeah. We developed full stamped NP and E drawings
18 for our new location.

19 Q Why did you do that, Mr. Britten?

20 A I thought that there was -- it was a little vague in
21 the application criteria as to what you would -- what building
22 and construction needed. So I erred on the side of caution and
23 I just -- I just kind of threw everything I had at that one
24 specific section.

25 Q Okay.

1 A I felt like it was an easy thing that, you know, why
2 not try to get all the points.

3 Q Right. Now I want to now move to the Ely scoring
4 results, okay?

5 A Uh-huh.

6 Q When were you notified that you weren't successful in
7 the Ely application process?

8 A So it would have been, like, mid to late August.

9 Q Okay. And how were you made aware that?

10 A I'm sorry, what was that?

11 Q How were you made aware of that?

12 A I was forwarded an e-mail from Amanda Connor's office
13 basically showing that we weren't the number 1 applicant.

14 Q Okay. And do you know who did win?

15 A I came to find out later that it was Acres.

16 Q Right. What was your reaction to having lost in Ely?

17 A You know, I was actually kind of shocked for sure.
18 That was the first time --

19 Q Well, why was it shocking to you?

20 A Well, it was the first competitive application
21 process that I hadn't won, right. So I feel like I was
22 almost -- had an expectation of myself, right, that I'd be
23 successful, and it was just was that; it was shock. I thought
24 we -- I didn't think it was going to be a very competitive
25 market, and I thought we put together a really good

1 application.

2 Q Okay. And after you kind of get through the shock of
3 it at the end of August, what do you do in terms of your level
4 of effort and commitment to the 2018 application process?

5 A Well, going back to when we received word that we
6 weren't successful, I of course shared that with my team that
7 had been working on, you know, developing this application. So
8 I think it was a little bit of like a, you know, lighting a
9 fire under our ass, so to speak. It kind of reenergized
10 people. They felt bad about losing. They -- everybody was
11 convinced at that point that we thought we would win. So we
12 really -- it was kind of a red alert, right. We felt like we
13 had cleaned up our application, but it really didn't vary that
14 much from what we did in White Pine County that we were
15 planning on submitting in September. So we were pretty
16 shocked. We went back to the drawing board and really started
17 tearing that thing apart again.

18 Q Okay. And before we -- we're going to get into that
19 in a minute, but did you request a score -- a formal score
20 review from White Pine --

21 A Yeah.

22 Q -- from the State of Nevada relating to White Pine
23 County?

24 A I think as soon we received word that we weren't
25 successful in White Pine County, I was told that we were

1 entitled to a score review process, and we tried to get that on
2 as soon as possible.

3 Q Okay. And I think the records indicate that there
4 was actually a score review meeting on September the 12th,
5 2018?

6 A That sounds right.

7 Q That sound right. And who was present for the score
8 review meeting?

9 A I believe it was myself, Amanda Connor and possibly
10 my partner Phil Peckman.

11 Q Okay. And was there anybody else on the phone with
12 the State --

13 A Oh, I'm sorry -- and -- we did the score review
14 meeting with Kara Cronkhite and on the phone was Steve Gilbert.

15 Q Tell the Court like how this meeting went. Describe
16 like nature of it, the tone of it and what happened.

17 A So the tone was very -- it was very cut and dry. We
18 knew we went in, and we had lost, and we just wanted to know,
19 you know, where everything was broken down by section. You
20 know, we tried to ask questions. There was no responses. It
21 was -- it was, you know, yes, no, these were your scores;
22 that's it.

23 Q Did you learn anything substantive at that meeting
24 other than the scores themselves?

25 A Yes. So the scores to me were all I needed, right --

1 Q Okay.

2 A -- and they were very telling in my own mind, but
3 outside of where we landed, no.

4 Q Here, let's look at the score.

5 MR. PRINCE: It's Exhibit 1000, Brendan.

6 Which has been admitted.

7 BY MR. PRINCE:

8 Q And the Court now knows that these are notes taken by
9 Amanda Connor at that score review meeting.

10 A That's right.

11 Q Okay. And looking at them, I mean, from your
12 standpoint, I mean, what were the areas that you saw in here
13 once you saw the score that gave you the most concern?

14 A So of course, you know, we looked at the big ticket
15 items, right. We looked at care, quality and safekeeping being
16 that it was 90 possible points; so that was our probably our
17 biggest area of focus. We knew that the taxes paid, that was
18 something that it is what it is, right. So I think there was
19 still an emphasis on cleaning up that section to make it read a
20 little bit better.

21 The community impact is, of course, something that
22 varies. So we wanted to update that. And then the big one --
23 the other big one was organizational structure. Now, we knew
24 that we were pretty tied; we are who we are. So we wanted to
25 try to improve on that, but being that the average was 30 we

1 thought we were pretty competitive there, but we still felt
2 like there was some juice to squeeze out of that one.

3 Q Okay. So those are several areas that you knew you
4 needed to improve --

5 A And, of course, that.

6 Q -- and obviously adequacy of building?

7 A Yeah, that one we had already been working on. We
8 knew that that one was rushed so that one goes without saying.

9 Q Okay. So now after this meeting, what did you do
10 specifically to start working on the application and improving
11 it?

12 A So as I said, we were -- we really started the
13 retooling process once we learned we lost, but knowing -- so
14 backing up a little bit before September 12th, I had decided
15 that I wanted to -- I was kind of in this application fatigue
16 mode, and I needed -- I sought advice from a few of my business
17 partners, asked if they were in my situation what they would
18 do, and kind of the overarching response from everybody was get
19 some fresh eyes on the thing. You know, we had been working on
20 this it's now September by this point; we'd been working on
21 this thing damn near nine months so call in some
22 reinforcements. So we did that and --

23 Q Who did you hire?

24 A We hired Strategies 360 to --

25 Q And who is that?

1 A That's John Ocegüera who he -- we hired him back in
2 2016 for lobbying items and legislative matters. And he also
3 has someone on his staff, her name is Marla McDade Williams.
4 She used to work for the State. I believe she was in
5 Department of Public Health or Behavioral Health --

6 Q Okay.

7 A -- and she was involved in -- heavily involved in the
8 2014 process.

9 Q Okay.

10 A So we had -- we had been working on ways to improve
11 the application as a whole, but we decided to reserve our
12 official kickoff until after we received our score review.

13 Q Okay. And what did you do after the score review in
14 terms of how you utilized Strategies 360?

15 A So Strategies 360, their main goal when I brought
16 them in was to do, like, a very critical review of what we had
17 in the application, right. It was -- it was finished by the
18 time or call it 98 percent finished by the time, you know,
19 September 12th rolled around. So they came through and they
20 just -- they just picked it apart, very critical to the point
21 where we were a little -- sometimes it felt like our egos were
22 a little bruised because they had a lot of comments.

23 Q And what specific areas were they really focused on
24 in the application itself, Mr. Britten?

25 A So it was -- it was all -- it was front to back.

1 Q Okay.

2 A They concentrated on everything, but based on this
3 review, we saw the areas that we were deficient, and those were
4 the areas we really attacked hard.

5 Q And how long have you been working with Mr. Ocegüera?

6 A I don't recall exactly, but 2016.

7 Q Okay. So you had an ongoing relationship with
8 Mr. Ocegüera and his company?

9 A I did, yes.

10 Q And what did they primarily do for you?

11 A They primarily help us on both state and local
12 legislative and regulatory items.

13 Q Very good. And you referenced Ms. Williams, and I
14 want to talk -- focus on her for a minute. And let's look at
15 Exhibit 3000, Bate Number 86. This is a -- if you could -- a
16 working group from the Governor's task force, okay?

17 A Okay.

18 Q And it identifies Marla McDade Williams as someone
19 who participated in the 2017 working group analysis and making
20 recommendations for development of regulations, okay?

21 A Yep.

22 Q And to your knowledge, did Ms. McDade Williams work
23 for the Department of Public and Behavioral Health?

24 A She did, yes.

25 Q What did -- to your knowledge, what did she do

1 relating to the 2014 medical marijuana application process?

2 A I don't know specifically, but I know that she was
3 head of that particular department. She was there during the
4 time of the 2014 process.

5 Q Okay. Did she participate in the development of the
6 medical regulations and application processes to your
7 knowledge?

8 A She did, yes.

9 Q Okay. So she was with someone who had some knowledge
10 from the State back in 2014 that you hired to assist you in
11 finalizing your application?

12 A Yes.

13 Q Okay. And tell us what Ms. Williams did for you.

14 A So it was -- it was a pretty tall order what I was
15 asking Strategies 360 to do in such a short time frame. And
16 one of the things that I was really impressed, you know, from
17 just working with them for a long time, I was impressed --
18 they, like, mobilized immediately, right when this thing was
19 going. She actually moved from Carson City where -- or outside
20 of Carson City down to Las Vegas for the final 10 or 12 days
21 just to work specifically on our application.

22 Q Okay. Did she do a critical reading of your
23 application?

24 A Very critical, yeah.

25 Q Did she have significant substantive comments for

1 your -- the substantive of your application?

2 A Yes.

3 Q In what ways did she help you modifying in or
4 changing your application to improve it to be a successful
5 applicant?

6 A So one of the things, as I said about the White Pine
7 County application that we -- it felt rushed, right. So she
8 really honed in on specific areas. There were -- there were
9 sections where we caught 10, 15, 20 pages of just kind of what
10 she -- she called it fluff, right, things that lots of rambling
11 words, but not necessarily any substance to them. So there
12 were, I mean, the application that she got in the beginning
13 versus what we turned in was very, very direct to the point,
14 very concise and really she ripped that thing apart.

15 Q Okay. And how much time are you and your staff in
16 these seven, eight days after you got your score -- the score
17 review on September 12th leading up to submitting the
18 applications, how much time are you and your team putting into
19 this?

20 A Probably each one of us, I don't think it's an
21 exaggeration to say 18 to 20 hours a day.

22 Q Okay. And at that point, I mean, that late in the
23 phase of the application process, just on the eve of submitting
24 it, what is Amanda Connor really doing for you given what your
25 team is doing, what Ms. Williams is doing, what Forza is doing?

1 A So really, like I said before Strategies 360 came in,
2 we had pretty much our complete application, right. So we were
3 working in our conference room, striking pages, throwing them
4 on the scanner, getting them over to Amanda, making sure that
5 they were -- those were areas that were either -- we were
6 ripping all of the stuff apart. So they were really kind of
7 just organizing the changes that we were making to make sure
8 that it made it into the final document.

9 Q Okay. And obviously Ms. Connor was representing
10 multiple applicants; did you -- were you aware of that in the
11 2000 -- September 2018 round?

12 A I -- I think I had to sign some sort of a conflict
13 waiver on the fact that there were a couple of other people
14 that she was representing --

15 Q Okay.

16 A -- for this specific thing. So I knew, but I didn't
17 know who they were at that point.

18 Q Was she herself stretched pretty thin not only with
19 just everything that was going on at the time?

20 A Yeah, I mean, it was hard to get -- I mean, she
21 always did a great job of making sure that, you know, all of us
22 were a priority, but it was -- it was hard to get any real
23 action out of them aside from her staff members doing the
24 cleanup.

25 Q Yep. Now, both Cheyenne and Commerce applied for the

1 September 2018; right?

2 A That's correct.

3 Q And how many licenses were they collectively awarded?

4 A Six.

5 Q Six. And I'm going to show you a text message that's
6 already been admitted into evidence from a Brett Scolari.

7 A Okay.

8 Q Who is Brett Scolari for the record?

9 A Brett is I believe he's general counsel for Tryke.

10 Q Okay. And what's the name of their dispensary?

11 A Reef.

12 Q Reef. And you know Mr. Scolari; correct?

13 A I do, yeah.

14 Q And I want to show you Exhibit 3002, and it's a text
15 string between you and Mr. Scolari. And he asked you is there
16 any news on licensing. And it says, I gotta get that to you
17 rather --

18 A Yeah.

19 Q -- he says, we struck out, you? Armen got eight.
20 Answer, oh, man, I'm sorry. It was really competitive. We
21 were fortunate enough to get six.

22 Do you see that?

23 A I do. Yep.

24 Q And then he said, Did Amanda do your application; we
25 should have hired someone to focus exclusively on that.

1 Congrats though, I am happy for you. Then you say, Yeah, her
2 assistant ham and egged it with my staff. I had a dozen people
3 on my side exclusively working at it. Seemed like a lost
4 cause, but it worked. I appreciate your kind words.

5 What are you talking about in terms that you had a
6 dozen people exclusively working on it on your side?

7 A So those were most of them from my operations staff.
8 So I had my director of operations. We have a person on our
9 team that focuses solely on compliance. So I had them working
10 on it. I had, I mean, just it was a lot of manpower that we
11 were putting into this. So when I said that we were working,
12 you know, those last 10 days 18 to 20 hours, it was those dozen
13 people that I'm referring to collectively working 18 to 20
14 hours.

15 Q Right. Okay. Now, I want to talk about the issues
16 of regarding the location that Mr. Dzarnoski was -- kept asking
17 about, okay?

18 A Uh-huh.

19 Q Okay. And were you aware that location was not a
20 scored criteria on the application?

21 A Yes.

22 Q Okay. Was it your understanding that you only needed
23 to have a physical address on the application itself?

24 A That's correct.

25 Q Okay.

1 MR. PRINCE: Brendan, I want to go to slide 57.

2 BY MR. PRINCE:

3 Q And this is testimony from John Ritter who was a
4 board member for TGIG, the Grove; do you remember who
5 Mr. Ritter is?

6 A I do, yeah.

7 Q All right. And it says --

8 THE COURT: What's your number?

9 THE CLERK: That was already D17.

10 BY MR. PRINCE:

11 Q -- the question that was asked in front of your --
12 the Court in May of 2019 was -- and I think based on your
13 testimony last Friday you stated that the proposed locations of
14 the addresses that TGIG submitted were actually PO boxes or UPS
15 stores.

16 So those weren't actual proposal locations that TGIG
17 had; right.

18 Answer, That's correct.

19 And so it is your understanding that as stated here
20 the actual specific location would not be part of the scoring
21 process?

22 Yes, that's what came out of this process.

23 Was that your understanding too?

24 A It was, yeah.

25 Q And, in fact, you guys used the same location meaning

1 you're -- Cheyenne -- Cheyenne and Commerce at TGIG; right?

2 A Right.

3 Q Right. As the -- as it relates to the location, did
4 you -- I think you indicated to the Court those were general
5 areas that you thought you would like; right?

6 A That's right.

7 Q Tell us -- tell the Court what you meant by that.

8 A Well, so back in 2000 -- the 2014 application
9 process, one of the big things that came out of that was that
10 just turned out to be a complete mess was that certain
11 jurisdictions, like -- or in Clark County it was probably
12 unincorporated Clark County was probably one of the biggest
13 examples. They got ahead of the State and licensed people
14 because they required land used to be a component of the
15 application. So you had to have a location and approved by a
16 municipality in order to apply.

17 So what ended up happening was a lot of -- there were
18 a lot of unsuccessful applicants in 2014 that had secured
19 leases. They had secured locations, and then they applied at
20 the State, were not successful, and then they were still
21 saddled with these leases that they were -- had put deposits
22 on. They had put, you know, contractually obligated themselves
23 to these locations although they never got a State license.

24 So my understanding was one of the big things that
25 the working groups were focusing on was ensuring that that

1 wasn't a requirement because it unnecessarily saddled a lot of
2 people with this financial burden of having a location and not
3 having the ability to do business there.

4 Q Okay. Now, I want to show you some documents and
5 kind of comment on them for a moment if I could.

6 MR. PRINCE: Let's use the 1135, Bate Number 4,
7 Brendan, please.

8 Okay. These are scoring results from the State and
9 it relates to applications.

10 And if you can -- if we can just go here, Brendan.
11 Let's go 1 through 5. Just if we could bring all those up with
12 the addresses. There you go.

13 BY MR. PRINCE:

14 Q Do you see there that as it relates to -- the first
15 in the City of Las Vegas was Essence Tropicana, and they also
16 used 9030 West Sahara; is that right?

17 A I see that.

18 Q And Nevada Organic Remedies, they also used 9030 West
19 Sahara?

20 A I do.

21 Q And -- now both of those entities were also
22 represented by Ms. Connor in fairness; right?

23 A Yes.

24 Q Okay. And then there's Cheyenne Medical Number 5,
25 9030 West Sahara; do you see that?

1 A Yes.

2 Q And so you said earlier that Sahara was a location
3 that you had an interest level in; is that right?

4 A Yeah, I -- I see Sahara as a major artery to and
5 from, you know --

6 Q Right.

7 A -- between home and work, so I really wanted that.

8 Q Did you open a dispensary after the preliminary
9 injunction proceedings on West Sahara?

10 A I did, yes.

11 Q Okay. But also here's where I really want to go is
12 Number 19, that's TGIG they used the same address, didn't
13 they -- the same physical address?

14 A They did, yes.

15 Q Okay. So they were no worse off or no better off
16 than you; right? It's the same location; right?

17 A Yeah.

18 Q Okay. And let's look at -- so let's look at -- let's
19 look at one of the winners from the City of Las Vegas; it's
20 actually Circle S Farms --

21 MR. PRINCE: Number 10, Brendan.

22 BY MR. PRINCE:

23 Q They actually had no address. They used to be
24 determined, and they were still a winner; do you see that?

25 A I do, yes.

1 Q Okay. And if we look at --

2 MR. PRINCE: Go down, Brendan, one more time. We're
3 going to go to Number 12, MM Development, which is Planet 13.

4 BY MR. PRINCE:

5 Q They don't have an address either, do they?

6 A That's right.

7 Q But in -- from your understanding, was anybody worse
8 off or better off whether you had an actual address or not
9 since it wasn't scored?

10 A I don't think so. I mean, there's so much that goes
11 into -- in my opinion, this is a really good way to do it
12 because before you go and do the hard -- I mean, the land-use
13 processes is really difficult, and, you know, it's almost a
14 failed exercise if you don't have the license, right, and it's
15 expensive and time-consuming. So I think this is the way to do
16 it personally.

17 Q Okay. And I want -- now we're going to go to
18 Exhibit 1135, Bate Number 7. These are the results for
19 unincorporated Clark County, okay?

20 A Okay.

21 Q Remember that's the Fort Apache address that
22 Mr. Dzarnoski showed you?

23 A Yes.

24 MR. PRINCE: Brendan, I want you to go to line 21.

25 BY MR. PRINCE:

1 Q And that's TGIG, the Grove, they used the same Fort
2 Apache UPS store that you did?

3 A Yeah.

4 Q If they had been successful, would you have been
5 critical of them using that address given the fact that you
6 used it also?

7 A No.

8 Q Okay.

9 MR. PRINCE: Let's use -- I want to use -- go to the
10 Reno results, 1135, Bate Number 16, Brendan. Okay. And I want
11 to -- let's go 1 through 6 to start.

12 BY MR. PRINCE:

13 Q Do you see that, you know, Number 1 is Essence
14 Tropicana, Number 2, Nevada Organic Remedies, and then we have
15 you see Cheyenne Medical, Number 4, and you guys are all using
16 the same address in Reno; right?

17 A Yeah.

18 Q Okay. But let's -- since Mr. Dzarnoski's asking the
19 questions, let's go see what TGIG did.

20 MR. PRINCE: That's Number 14, Brendan.

21 BY MR. PRINCE:

22 Q They used the same -- the same address as you, the
23 Keystone address; right?

24 A Yeah.

25 Q Okay. I want to go to Nye County, and you understand

1 that in 2018 TGIG actually had a dispensary in Nye County;
2 right?

3 A Yes.

4 Q Okay.

5 MR. PRINCE: And, Brendan, let's go to 1135, Bate
6 Number 20. Go 1 through 5.

7 BY MR. PRINCE:

8 Q And there you see that actually Nevada Organic
9 Remedies they were Number 1, and they used an address of 150
10 South Highway, Suite 50 -- 150; do you see that?

11 A Yes.

12 Q And Commerce Park used the same address; right?

13 A Yes.

14 Q Just a different suite number. It's also just
15 another mail drop; right?

16 A Yeah.

17 Q And let's go to Number 5, TGIG. They used the same
18 address you did even though they're an existing license holder
19 operating in Nye County; right?

20 A Yeah.

21 Q All right. Was anyone any worse off or better off
22 because they just simply used an address like that in your
23 mind, in any of these jurisdictions if it's not scored?

24 A I don't -- I don't think so especially based on
25 GreenMart's location there.

1 Q Yeah. To be determined, right?

2 A Yeah.

3 Q Right. How did you come to the understanding,
4 Mr. Britten, that both Cheyenne Medical and Commerce Park were
5 eligible to apply in the September 2018 applications?

6 A So I think there was a little bit of back and forth,
7 but just based on the application itself, I thought on its face
8 they were both qualified because you had to be an existing
9 medical marijuana establishment to apply. So both Cheyenne
10 Medical and Commerce Park Medical were that so.

11 Q Right. They both had their own separate licenses;
12 correct?

13 A That's correct.

14 Q With their own separate license identification
15 numbers from the State of Nevada?

16 A That's right.

17 Q Did you submit the same applications for both
18 Cheyenne Medical and Commerce Park? Were they identical?

19 A They weren't identical; they were similar.

20 Q Okay. You said earlier that you thought that
21 Cheyenne Medical was the superior applicant; is that right?

22 A That's right.

23 Q Okay. And how -- why do you feel that?

24 A Like I said, they were -- Cheyenne has more revenue,
25 more taxes paid, more employees, you know, bigger inventory par

1 levels, things like that. So I just felt like you kind of mash
2 those things together and it's just on its face a more
3 qualified --

4 Q Okay.

5 A -- more qualified of the two.

6 Q Right. And --

7 A And that's why -- I'm sorry, that's why we decided to
8 use Cheyenne instead of Commerce in the Ely or White Pine
9 process because we felt like that is a better representation of
10 the company than Commerce Park.

11 Q Right. And according to the scoring it looks like
12 Cheyenne did about -- had about four points better than
13 Commerce Park?

14 A That sounds about --

15 Q Approximately?

16 A That sounds about right.

17 Q Okay. And there was some questioning last week,
18 well, how would their scores be different if the applications
19 were identical, and I guess I'm just seeking the verification
20 from you, the applications were not identical?

21 A No.

22 Q Okay.

23 A I mean, very substantially similar --

24 Q Right.

25 A -- not identical.

1 Q Okay.

2 A Right, like, as an example one of the sections we had
3 to provide tax, you know, all the State tax returns for sales,
4 use, excise, that sort of thing. So Cheyenne looks a little
5 bit better in that section than Commerce, things like that.

6 Q Now, I want to talk about the economic impact of
7 these 2018 licenses, okay?

8 A Okay.

9 Q How many locations have you been able to now open
10 since the preliminary injunction proceeding in September 2019
11 concluded?

12 A We've opened -- opened two of the six.

13 Q Okay. And where are they located?

14 A We have one in Reno, and we have one in the City of
15 Las Vegas.

16 Q Okay. Where's the one in the City of Las Vegas?

17 A It's on 3500 West Sahara Avenue.

18 Q Okay. And with regard to -- do you have other
19 locations that you've now identified and secured locations or
20 moving forward with opening?

21 A Yes. We have two -- the two in unincorporated Clark
22 County that we're moving forward on. Elko we're moving forward
23 on. The only one that we haven't made substantial progress on
24 is Henderson because of their local moratorium.

25 Q Okay. Can you even move forward in Henderson right

1 now?

2 A We can't even apply for land use.

3 Q Okay. And how much tax revenue does each store
4 generate for the State overall?

5 A If you were to average them out and based -- of
6 course it hasn't been a full year of Reno and Sahara, but they
7 should generate right around 4 million.

8 Q Okay. And how many people do you estimate that you
9 will employ in these new dispensaries, your new Clark County,
10 your -- the Elko as well as the other ones that you plan to
11 open?

12 A So typically a store, depending on, you know, we base
13 it on shifts. So a shift has anywhere between 12 and 20 people
14 on it. So if it's -- if it is a 24-hour establishment with
15 three shifts, that location would employ about 60 people, and
16 you can break it down from there.

17 Q Okay. And what has the company's financial
18 commitment been since 2018 in terms of the amount of money it
19 spent to open the dispensaries and contractual commitments to
20 either leased property and employees and open the stores that
21 you're talking about?

22 A Where we are right now is, if my memory serves me
23 correctly, it's right around 14 million, a little over.

24 Q Okay. And that's just been since the injunction,
25 right?

1 A That's right.

2 Q Okay.

3 MR. PRINCE: Let me check my notes, Your Honor.

4 THE COURT: Okay. You're at 45 minutes. So you're
5 pretty close to the hour you told me.

6 BY MR. PRINCE:

7 Q Mr. Britten, did you have any involvement in the 2016
8 Ballot 2 question initiative?

9 A No.

10 Q Okay. Did you have any -- did you participate in the
11 task force?

12 A I did not.

13 Q Did you contribute money towards the Ballot
14 Question 2 --

15 A Yes.

16 Q -- as part of the fund-raising effort?

17 A Right. Yes, we did.

18 Q Who to your knowledge was out in front for the
19 industry in terms of the fundraising efforts?

20 A So my partner Phil Peckman was heavily involved in
21 kind of rallying the troops, so to speak, to get the industry
22 behind the initiative --

23 Q Right.

24 A -- so he was -- he was very, very involved. I don't
25 think in an official capacity, but.

1 Q Right. Was Mr. Ritter involved in raising money for
2 that process?

3 A I believe he was, yes.

4 Q I'm going to ask you a few questions. No, I think
5 I'm fine.

6 MR. PRINCE: Your Honor, let me just check. I think
7 I'm okay. Let me just --

8 Your Honor, I don't have any -- I have nothing
9 further.

10 THE COURT: Can you please wipe down the lectern.

11 MR. PRINCE: Yes.

12 THE COURT: Any additional defendants wish to inquire
13 of Mr. Britten?

14 Any plaintiffs wish to do recross -- redirect?

15 Mr. Dzarnoski?

16 MR. DZARNOSKI: No questions, Your Honor.

17 THE COURT: Okay. So, sir, you can step down. Thank
18 you very much for your time.

19 THE WITNESS: Thank you.

20 THE COURT: Have a nice day.

21 THE WITNESS: You too.

22 THE COURT: Ramsey, can we wipe down the witness
23 stand before our next witness.

24 THE MARSHAL: Yes.

25 THE COURT: Does anyone need a break before our next

1 witness?

2 He's probably about an hour, Mr. Gentile? How
3 many --

4 MR. GENTILE: My direct examination is about an hour.

5 THE COURT: Okay.

6 MR. GENTILE: And I -- if we could just -- it could
7 go three, I'm going to try to cut it to one.

8 But before we do that, Your Honor, I have a couple of
9 documents I want to move in so I don't forget. I would like to
10 move into evidence at this time Plaintiff Proposed
11 Exhibit 1302. I have conferred with all counsel in the room
12 with regard to 1302; nobody had an objection. This is what was
13 previously identified, but not at trial, as Court Exhibit 3,
14 which is the e-mail from Mr. Shevorski regarding the various
15 tiers of enjoined or nonenjoined defendants at that time.

16 THE COURT: Any objection?

17 MR. KOCH: What is the exhibit number? I didn't --
18 13 --

19 THE COURT: 1302.

20 MR. GENTILE: 1302.

21 MR. KOCH: -- 02.

22 THE COURT: Hearing none. It'll be admitted.

23 (Exhibit Number 1302 admitted.)

24 MR. GENTILE: I want to move into evidence at this
25 time Proposed Exhibit 2153 which was previously submitted by

1 Mr. -- by the State, by the Department of Taxation through
2 their attorneys --

3 THE COURT: Do you have that one?

4 THE CLERK: Uh-huh.

5 THE COURT: Okay.

6 MR. GENTILE: -- at the time that the Court was
7 conducting the motion on terminating sanctions, as I have said
8 that, you know, we are basically presenting that to the Court
9 as --

10 THE COURT: Yes.

11 MR. GENTILE: -- part of the trial. I again showed
12 this to everybody in the room this morning, and there were no
13 objections.

14 THE COURT: 2153?

15 MR. BICE: What? I'm sorry.

16 THE COURT: 2153.

17 MR. BICE: These are the preservation ones?

18 MR. GENTILE: Yes, these are -- this is the
19 communications. I showed these to you.

20 MR. BICE: Yeah. So I do have an objection to them
21 in and --

22 THE COURT: All right.

23 MR. BICE: -- an objection of relevancy.

24 THE COURT: Well, since I continued the hearing on
25 the sanctions to this as part of the trial, I'm going to accept

1 it for that purpose.

2 Do you have any objections other than relevancy?

3 MR. BICE: No, Your Honor.

4 THE COURT: Okay. It'll be admitted.

5 (Exhibit Number 2153 admitted.)

6 MR. GENTILE: And Proposed Exhibit 2154 --

7 THE COURT: Do you have that one?

8 MR. GENTILE: -- is submitted for exactly the same
9 reason. This is the amalgam of documents that were presented
10 to the Court by the Department of Taxation with regard to the
11 notices that went to the Manpower people.

12 THE COURT: Mr. Bice, same objections?

13 MR. BICE: Same objection.

14 THE COURT: Same ruling.

15 It'll be admitted.

16 (Exhibit Number 2154 admitted.)

17 MR. GENTILE: Okay. With that having been done,
18 let's get Mr. Aguero.

19 THE MARSHAL: What's the witness?

20 THE COURT: Mr. Aguero.

21 MR. GENTILE: Jeremy Aguero.

22 (Pause in the proceedings.)

23 THE COURT: Mr. Aguero, good morning.

24 MR. AGUERO: Good morning, Your Honor.

25 THE COURT: How are you?

JD Reporting, Inc.

1 MR. AGUERO: I'm well. Thank you.

2 THE COURT: When you get organized, stand up and
3 raise your right hand.

4 **JEREMY AGUERO**

5 [having been called as a witness and being first duly sworn,
6 testified as follows:]

7 THE CLERK: Thank you. Please be seated.

8 THE WITNESS: Thank you.

9 THE CLERK: Please state and spell your name for the
10 record.

11 THE WITNESS: My name is Jeremy Aguero. J-e-r-e-m-y,
12 A-g-u-e-r-o.

13 THE COURT: So, Mr. Aguero, as you can tell, we're
14 not in my normal courtroom. The one benefit is you won't get
15 locked in the witness stand this time. The disadvantage is
16 we're all socially distancing, and so we're using masks, which
17 makes it hard for us to hear each other. And we wiped down the
18 witness stand before you came in.

19 Mr. Gentile is having a hard time hearing people with
20 the masks on. He is going to ask you to repeat. Even though
21 you and he have talked about what you're going to say, he's
22 going to ask you to repeat several times, and you're going to
23 have to ask him to repeat, because it's really hard for us all
24 to hear each other, but this is the only way we can conduct the
25 proceeding.

JD Reporting, Inc.

1 If you need a break any time, you let me know, okay?

2 THE WITNESS: Yes, Your Honor. Thank you.

3 THE COURT: All right. Mr. Gentile, you're up.

4 MR. GENTILE: Mr. Aguero --

5 MR. J. SMITH: Your Honor, if I may, can I just voir
6 dire the witness for three minutes real quick? Just three
7 minutes on a small issue?

8 THE COURT: On what?

9 MR. J. SMITH: On an issue.

10 THE COURT: Give me an idea.

11 MR. J. SMITH: A possible disqualification issue.

12 THE COURT: Okay. Why don't you stay where you were,
13 Mr. Smith.

14 There's a mic there that Mr. Prince had.

15 MR. J. SMITH: I'll --

16 THE COURT: You can borrow it from him.

17 MR. J. SMITH: I'll steal it back from Mr. Prince.

18 THE COURT: You steal it. We know he didn't really
19 use it, so.

20 MR. J. SMITH: That's true.

21 THE COURT: Okay. What do you want to --

22 VOIR DIRE EXAMINATION

23 BY MR. J. SMITH:

24 Q Mr. Aguero, can you hear me okay?

25 A Yes, sir; I can.

JD Reporting, Inc.

1 Q All right. Thank you. And if you can't because of
2 the mask, or I just speak softly, let me know; okay?

3 A Yes, sir.

4 Q As part of your information gathering process for
5 your opinion -- for your reports, both the initial and
6 supplemental, and for your opinions in this case, you conducted
7 substantial research, including Internet research; correct?

8 A Yes, sir.

9 Q And you also reviewed various reports and data that
10 you had in-house from other projects; correct?

11 A Yes, sir.

12 Q And then you and your team also made phone calls
13 directly to State Department agencies, both outside of Nevada
14 and inside of Nevada; correct?

15 A Yes, sir.

16 Q Those phone calls were made to -- for outside
17 jurisdictions, the regulatory agencies akin to the Nevada
18 Department of Taxation that would have jurisdiction over
19 marijuana operations; correct?

20 A Yes, sir.

21 Q And you also called the Nevada Department of Taxation
22 about questions as well; correct?

23 A Yes, sir.

24 Q And you made those phone calls to the extent, the
25 information you had, you thought needed to be supplemented, you

1 felt there were inconsistencies, or you just had questions;
2 correct?

3 A Yes, sir.

4 Q And then you made phone calls both to the Nevada
5 Department of Taxation and other State agencies in other
6 jurisdictions for your supplemental report; correct?

7 A Yes, sir.

8 MR. J. SMITH: Your Honor, at this point, I would
9 like to make a motion to disqualify Mr. Aguero. I think -- and
10 perhaps the State might join this motion -- I think, like
11 calling directly the Nevada Department of Taxation outside of
12 the discovery process, that's improper contact with a
13 represented party.

14 I'd point Your Honor to U.S. v. Sierra Pacific
15 Industries, 857 F.Supp.2d 975; it's an Eastern District of
16 California case, where in that case, the U.S. sued a logging
17 company. The logging company's defense experts contacted the
18 ATF, an agency of the United States, and the Forestry
19 Department, another agency of the United States.

20 The U.S. made the same motion that I'm making now,
21 saying the defense expert's contact with State agencies outside
22 of the normal discovery process was improper ex parte
23 communication with a represented party, and the court in that
24 case excluded the evidence. So I'd make the same motion here.

25 THE COURT: And do you want to tell me why you didn't

1 do this in writing before we're here?

2 MR. J. SMITH: I -- excuse me. In preparing for the
3 deposition, it came out during the deposition testimony, and it
4 just came up while I was -- while I was preparing for this
5 examination, Your Honor.

6 THE COURT: Okay. Mr. Gentile, do you want to ask
7 any questions?

8 MR. GENTILE: Your Honor, this comes so late that
9 it's a -- first of all, I never read the case. I have no idea
10 what the facts of that case are.

11 THE COURT: Me either.

12 MR. GENTILE: With regard to Mr. Aguero, he called
13 for public information. He did not do anything outside of the
14 discovery --

15 THE COURT: Can you ask the witness questions to
16 establish that, please?

17 MR. GENTILE: Sure.

18 DIRECT EXAMINATION

19 BY MR. GENTILE:

20 Q Mr. Aguero, when you contacted the Department of
21 Taxation, did you speak to anybody in particular?

22 A No, sir.

23 Q All right. And what was the nature of the request
24 that you made with regard to the Department of Taxation?

25 A To provide -- to get clarification on some of the

1 data that's included in my report, information such as the
2 number of licensees, updates in terms of both revenue and tax
3 collection. There were sometimes where terminology wasn't
4 entirely clear, and so just trying to make sure that what we
5 were including in my report was -- it was accurate.

6 Q Okay. And other than the Department of Taxation, you
7 made no calls to any of the interveners in this case, did you?

8 A No, sir.

9 Q Okay. And do you recall the -- even the -- the
10 Division of the Department of Taxation that you spoke with?

11 A No, sir. I simply asked an analyst in my office to
12 go in and verify certain information that was provided. It was
13 very simple, very straightforward.

14 THE COURT: Mr. Smith, anything else on your voir
15 dire?

16 MR. J. SMITH: Nothing further for the witness, Your
17 Honor.

18 THE COURT: Okay.

19 MR. J. SMITH: I still think --

20 THE COURT: The motion's denied. The obtaining
21 public information, even if it is a represented agency of the
22 State, is not a disqualifying event. If you had wanted me to
23 consider this, I would have been happy to do it on motion
24 practice, but I'm not doing anything more than what we've done
25 right now here on the voir dire.

1 Okay. Mr. Gentile, you may proceed.

2 MR. GENTILE: Okay.

3 BY MR. GENTILE:

4 Q For whom do you -- by whom are you employed?

5 A Applied Analysis.

6 Q Okay. And you've testified, not just in the District
7 Courts for the Eighth Judicial District, but you've actually
8 testified in cases before Judge Gonzalez before; am I correct?

9 A Yes, sir; I have.

10 Q Okay. Tell us a little bit about your educational
11 background.

12 A Sure. I'm a graduate of the University of Nevada,
13 Las Vegas. During my undergraduate career, I undertook a
14 special course of study under the direction of Dr. Shannon
15 Bybee, who at the time was the head of the International Gaming
16 Institute. He had me focus on everything from market analysis,
17 to economics, to, you know, gaming-related activity.

18 Subsequent to that, I graduated with a law degree
19 from the Boyd School of Law, where I studied law just like
20 anybody else.

21 Q And did you graduate with honors from Boyd?

22 A Yes, sir, I did.

23 Q Specifically?

24 A I believe I was cum laude from --

25 Q Cum laude?

1 A -- Boyd.

2 Q Okay.

3 A Yes, sir.

4 Q So after -- when did you get started with regard to
5 what -- what do you do on a daily basis?

6 A Sure.

7 Q How would you characterize your activity?

8 A Sure. I'm a research analyst, sir. So how did I get
9 started? During my last year of undergraduate course work, I
10 was an intern analyst for Coopers & Lybrand; now they're
11 PricewaterhouseCoopers, one of the large accounting firms, in
12 its Financial Advisory Services Group.

13 Subsequent to that, I also upon graduating, worked
14 with the University of Nevada, Las Vegas to measure the
15 economic, fiscal, and social impact of the hospitality industry
16 in the State of Nevada that was delivered to the Gaming Impact
17 Committee that was going nationally at the time. So, I had the
18 opportunity to do that.

19 After leaving Coopers, I started Applied Analysis in
20 1997, in which case, I've undertaken a number of analyses for
21 the better part of the past 20-plus years, dealing with
22 economic, fiscal, and social impact analyses, largely in
23 Nevada, but certainly across the United States, as well.

24 Q And what are some of the clients for whom you have
25 worked since 1997 when you started --

JD Reporting, Inc.

1 A Oh.

2 Q -- Applied Analysis.

3 A Yes, sir. There -- there -- there have been a number
4 of them. We -- probably 40 percent of our work is in the
5 public sector space. The other 60 percent is in the private
6 sector space.

7 In terms of the private sector space, we've had the
8 opportunity to work for gaming companies, major developers.
9 So, you know, companies such as MGM, Caesars, Stations, Boyd,
10 those type of companies.

11 We've also had the opportunity to work within that --
12 that public -- excuse me that -- that private space for any
13 number of developers, from the Howard Hughes Corporation to
14 smaller developers building, you know, retail outlets
15 throughout the Las Vegas Valley and outside of Las Vegas
16 Valley.

17 We track all office, industrial, retail, multifamily
18 residential development throughout the Valley, and have done
19 that for the better part of the past 20 years, and have used
20 that to do any number of market analyses.

21 On the public sector side of the spectrum, I had the
22 opportunity to work with the Governor's Task Force on tax
23 policy in the early 2000s, where I chaired its technical
24 working group.

25 I was lead staff to the Clark County Development

JD Reporting, Inc.

1 Commission, (indiscernible). I have had the opportunity to
2 work on any number of major projects from an economic
3 development standpoint, and have testified at the Nevada State
4 Legislature on multiple occasions as a result of the same.

5 Most recently, in 2015, I did work with the -- with
6 Governor Sandoval and his administration to develop the
7 commerce tax in the State of Nevada when Governor Sandoval was
8 working on education reform throughout the state overall.

9 Subsequent to that, I was asked to be lead staff to
10 the Southern Nevada Tourism Infrastructure Committee, where we
11 -- where the Committee evaluated all major tourism-related
12 infrastructure in Southern Nevada and talked about what was
13 needed. This ultimately gave rise to the Raiders Stadium, now
14 Allegiant Stadium that has been constructed recently, getting
15 its Certificate -- Temporary Certificate of Occupancy.

16 I worked with the Committee to draft the legislation
17 and ultimately carry it, both SB1 and AB1, in the 2016 Special
18 Session of the Nevada State Legislature. And, I guess, in the
19 most recent legislative session, I worked with Senators
20 Woodhouse and Denis toward the passage of SB543, which dealt
21 specifically with restructuring the way we fund education in
22 the State of Nevada.

23 Again, on the private sector side, our -- our clients
24 are -- are relatively diverse. I would say that during the
25 vast majority of -- of my tenure, I would say a lot of the work

1 was done in the State of Nevada.

2 However, recently as our clients have expanded
3 outside the State of Nevada, we've done economic and fiscal
4 impact analyses, both throughout the United States and around
5 the world, for companies like the UFC, for example, that has
6 events that occur in Canada, or in Brazil, and they ask us to
7 do impact assessments for those as well.

8 Q Okay. Just very quickly, have you done any
9 presentations or lectures? Give us a couple of them. There's
10 two pages on your --

11 A Yes, sir.

12 Q -- on your resume, but give us a couple --

13 A Sure.

14 Q -- for the record, just to highlight it.

15 A I do presentations from time to time, mainly for
16 clients when they -- when they request an analysis of what's
17 happening in the economy.

18 I've had the opportunity to present before the
19 Federal Reserve Board when they had their first meeting here in
20 -- in -- in the United States. I've had an opportunity to
21 present before the State Legislature and, you know, the County
22 Commissions, City Councils, on a number of occasions.

23 The two largest presentations that I tend to give are
24 both the Las Vegas Preview Event and Las Vegas Perspective
25 Event, both of which I've done for more than ten years now,

1 which relate generally in terms of what's happening in the
2 economy, how it's developing, what are the challenges that
3 we're facing as a community. The most recent one was just a
4 couple of weeks ago with the 40th anniversary of the Las Vegas
5 Perspective Event.

6 Q Okay. And so most of what you've done, both in terms
7 of your work and your lecturing, deals with the economy of
8 Nevada; would that be fair to say?

9 A Yes, sir. That would be correct.

10 Q And you've been doing that for how long?

11 A Twenty-three years, plus or minus.

12 Q Have you published anything? And again, just
13 briefly, please.

14 A Well, almost every analysis that we do has some type
15 of report that gets published. Most of those are for private
16 clients. Early on in my career, the report that I mentioned
17 earlier, "The Hospitality Industry's Impact on the State of
18 Nevada", was published jointly with the University of Nevada,
19 Las Vegas in its Global Gaming -- or, excuse me, its Gaming
20 Institute, at the time, I believe is what it was called.

21 I published a paper with then-county manager, Thom
22 Reilly, about using information for government-led activity.
23 And then the -- the presentations, like you've mentioned, I've
24 certainly done a number of those.

25 For about the last, I don't know, seven or eight

1 years, I've been asked to write an article that's routinely
2 published in the Las Vegas Review Journal called "A Positive
3 Outlook."

4 Essentially, Nevada State Bank has asked me to try to
5 find something positive -- it actually occurred when the -- we
6 were -- during the Great Recession, when that was just getting
7 started, and they felt like all the news was negative and they
8 asked me to try to work on finding something positive to -- to
9 write about, and so that's how that article began.

10 MR. GENTILE: Your Honor, it is my intention to
11 question Mr. Aguero and ask for his opinion with regard to the
12 supply-demand dynamics in the Nevada marijuana industry and,
13 specifically, as it relates to the market share of dispensaries
14 and how additional dispensaries coming online will impact the
15 market share of current dispensaries that are operating.

16 THE COURT: Okay. You may proceed.

17 MR. GENTILE: Thank you.

18 BY MR. GENTILE:

19 Q Mr. Aguero, I want to kind of do this a little bit
20 backwards.

21 But, I guess before I get there, I have to ask you,
22 when were you first contacted by me about participating in this
23 litigation?

24 A I believe it was mid-December 2019.

25 Q And do you recall -- I've pretty much just stated

1 what it was that you're going to be opining about, but do you
2 recall what -- what the original contact was about?

3 A Yes, sir, I do. The question that was presented --
4 the specific question that was presented was relative to
5 supply-demand dynamics in the -- in Nevada marijuana market,
6 and to evaluate the extent to which additional competitors
7 being added to the market would potentially affect those
8 dynamics.

9 Q At that time, had you done any work with regard --
10 specifically with regard to that issue, specifically with
11 regard to the legal cannabis market?

12 A I had done work relative to the marijuana market, the
13 cannabis market in Nevada, but not specific to that issue that
14 you're saying before me here.

15 Q What was the nature of the work that you had done
16 before you were contacted with this?

17 A I would say that there are two elements. One was for
18 -- the City of Henderson had asked us to review -- actually,
19 some licensees were petitioning the City to consider expanding
20 into adult use marijuana in the City of Henderson.

21 They had asked us to review both economic
22 implications associated with that, as well as the fiscal
23 implications associated with that. While we were paid by the
24 petitioners, at least they were paying the bill, we were
25 working directly with the City of Henderson on that project.

1 Q Okay.

2 A That was early last year, I believe, or late 2018.

3 In addition to that, Mr. Gentile, the only other thing that I
4 would mention relative to this is that oftentimes in the fiscal
5 impact analyses that we work on, we are required to take a look
6 at things, like the revenue generated by the marijuana
7 industry. And when we look at that, of course, we are very
8 concerned with how the market is developing, because it will
9 impact what revenues the State may have for key services, such
10 as education.

11 Q Do you recall when you were retained in this matter?

12 A I believe, it was -- it was very late December, very
13 early January.

14 Q Okay. And how are you being paid? Do you charge a
15 rate, a -- a retainer?

16 A Yes, sir. I -- we have a retainer, and then we have
17 an hourly rate schedule that is based on time applied to the
18 project.

19 Q Okay. And as of today, do you have an idea as to how
20 much you have been paid in this matter?

21 A I don't know exactly how much I have been paid in
22 terms of what we've been -- what we've received, but I believe
23 that the total billings on the project are approximately
24 \$34,000.

25 Q About \$34,000?

1 A Yes, sir.

2 Q Okay. And what have you done -- I'm going to ask you
3 your opinion in a second, but before I get there, what types of
4 research have you performed in order to get enough information
5 upon which to form your opinion and conclusion?

6 A Yes, sir. At the outset, the most critical element
7 of the analysis that's been performed is really supply and
8 demand information.

9 By supply side information, what I am referring to
10 are the number of cannabis dispensaries that exist in the State
11 of Nevada. That's what we're interested in.

12 But we not only wanted to take a look at the
13 dispensaries as they existed in the State of Nevada, but also
14 look at the 11 jurisdictions, as well as -- I guess, 12
15 jurisdictions -- 11 states and Washington, D.C., which also had
16 some form of -- of legalized adult use of marijuana, to get a
17 sense of their supply, to take a look at whether Nevada was in
18 line or not in line with those expectations.

19 On the other side of the supply-demand -- or the
20 consideration, if you want to think about it, that -- that
21 equation, are the demand side. From demand side, what we're
22 interested in is population, employment, visitor volume. We
23 want to know consumer spending and sales. We want to
24 understand the general demographic.

25 Most notably in all of that, of course, is simply the

1 population that exists, and the relationship between the number
2 of -- of outlets that exist, and the demand for those outlets,
3 and whether they're in balance or not in balance.

4 In addition to that, we also took a look at some of
5 the history from each one of those markets. How much had
6 occurred in sales? What does normal growth look like as these
7 markets emerge and -- and come to some kind of stabilization?

8 Not all of the markets had reported that type of
9 information, but some, like Colorado, and Oregon, and
10 Washington, provided some information in terms of revenues that
11 were generated. And so we could take a look at that and see
12 what those curves look like as those markets come into some
13 form of stabilization.

14 Q Okay.

15 A I took a look at a number of academic reports that
16 had been written relative to the marginal propensity to
17 participate in marijuana consumption in the event that new
18 licenses had come online. There was greater accessibility to
19 that. There was a lot written, had to do with younger adults,
20 or even youth consumption, but wanted to take a look at what
21 the state of research was around the question of proximity and
22 consumption.

23 I also took a look at some of the other factors that
24 I thought would -- could potentially be contributing. These
25 included the relative density of the State of Nevada. And I

1 realize this may seem a little bit outside of the norm, but
2 just given the fact that the State of Nevada has one of the
3 highest levels of concentration of its urban centers; right?
4 We -- for those of us that -- that live here, we know about 74
5 percent of the population lives in a single urbanized area, the
6 Las Vegas Valley. Then we've got the Reno-Sparks urban area,
7 and then we have all of this outlying area where there's a
8 relatively small amount of population, but a number of
9 communities that exist.

10 And so we wanted to look at whether or not the
11 concentration, for example, of storefronts was being affected
12 either negatively or positively, by the fact that that
13 concentration existed; are we different because of that? We
14 also know, for example, that the federal government owns more
15 of the land in the State of Nevada than in any other state in
16 the United States, and we wanted to make sure that I was at
17 least considering some of those factors in drawing my ultimate
18 conclusions.

19 Q We're going to go through each of those parts and use
20 some graphics. But before we do that, let me ask you this;
21 after you did all of your work, what did you conclude with
22 regard to whether additional dispensary licenses would result
23 in decreased market share for existing licensees, or not?

24 A Mr. Gentile, I -- I believe I understand the
25 question. My conclusion was fairly straightforward. I believe

1 that additional licensees coming online will negatively impact
2 the market share for existing operators in the State of Nevada
3 today.

4 Q Okay.

5 MR. GENTILE: Now, could we please put up, Shane, the
6 slide from page 5.

7 THE COURT: So that will be D, next in order.

8 MR. GENTILE: These are all demonstratives.

9 THE COURT: I know.

10 MR. GENTILE: Okay.

11 THE COURT: But I got a D for demonstrative, and we
12 are up to?

13 THE CLERK: 21.

14 THE COURT: So, Shane, when you're done, can you e-
15 mail the group of slides? And Dulce will number them
16 sequentially.

17 I.T. TECH: You bet.

18 THE COURT: Thank you.

19 BY MR. GENTILE:

20 Q What does this exhibit demonstrate?

21 A This is simply the states with legal recreational
22 marijuana that we used as a starting point for analytical
23 purposes, respecting the fact that not all states report
24 information, and there's a lot of dialogue going on throughout
25 the United States.

1 The intent of this particular graphic is simply to
2 essentially introduce the reader to the number of markets that
3 we'd be using for purposes -- for the analytical purposes
4 throughout the balance of the report.

5 Q And just in general, in terms of macroeconomics, are
6 -- is the economy of every one of these states the same?

7 A No, sir. Matter of fact, they're quite different,
8 particularly if you consider a state like California, which is
9 one of the largest economies on planet Earth, and compare it
10 against the State of Nevada, or the State -- or -- or Alaska,
11 for example, which is going to be much more modest in terms of
12 both its population and, of course, its economic output.

13 Q Now, if I understand this map, this deals with
14 recreational marijuana. So there are some states that are not
15 on here that have medical marijuana; am I correct?

16 A That would be correct. Yes, sir.

17 Q All right. But we were focusing only on
18 recreational, because that's the licenses that are at issue in
19 this case?

20 A Yes, sir. That's correct.

21 Q Okay. Are the supply conditions the same in each one
22 of these states?

23 A No, sir; they are not.

24 Q And why is that?

25 A Well, I think it's because the regulatory framework

1 in each one of these states is different. I also believe it's
2 because of the way the population is set up in each one of
3 these states; right?

4 Q Okay. Well --

5 A If that population we were talking about before is
6 concentrated in a single area, you could have an outlet that
7 provides greater service to a greater number of people. By
8 contrast, if you have a state that's very dispersed or very
9 large, it could be very different.

10 And the regulatory -- excuse me -- the regulatory
11 framework associated with each individual state, the way that
12 it's rolled it out, the way that it's introduced recreational
13 marijuana into the market makes it different in state to state.
14 And that -- I think that's one of the interesting elements of
15 the analysis that was done, is that when we looked at each one
16 of the states, what we found is that they were very different.

17 Q And they have different numbers of outlets, too; am I
18 correct?

19 A Absolutely. Yes, sir.

20 Q All right.

21 MR. GENTILE: Shane, could we have the exhibit -- the
22 -- the chart from page 7 up on the screen, please.

23 I.T. TECH: We don't have a page 7 chart.

24 MR. GENTILE: It's, Number of Recreational Marijuana
25 Licenses by State. You don't have that one?

1 I.T. TECH: Yeah, it's on page 8 on mine.

2 MR. GENTILE: All right. Well --

3 THE COURT: Is that the correct one?

4 MR. GENTILE: -- let's go to the --

5 THE WITNESS: Yes, ma'am.

6 MR. GENTILE: -- next one. This is not the correct
7 one, but we'll get to it.

8 That's okay.

9 BY MR. GENTILE:

10 Q You can -- do you remember the raw numbers with
11 regard to the number of recreational marijuana licensees each
12 state has? And if you don't, if you brought your report with
13 you, you can refresh your memory with your report.

14 A I'm --

15 Q And you don't have your report with you?

16 A I -- I probably should look at my report. I think
17 that I remember them, but I think as --

18 Q Well, if you remember, go for it. But if you don't
19 and -- and you want to be --

20 A Well, let me tell you what I do remember and then if
21 you'd --

22 Q Sure.

23 A -- like me to go more deeply, I can go through it.
24 What I do remember, is that when you look at a state like
25 California and its -- its relative size, 29 million people

1 living there, has about 660 licenses overall. And you compare
2 that against a state like Oregon, which has a very similar
3 number of licenses, but substantially fewer people over the age
4 of 21.

5 What I can tell you is that if we go through each one
6 of those, including, for example, the State of Nevada with its
7 68 licenses I think that are identified in the exhibit that
8 you're talking about there, and we walk through each one of
9 those, what we see is that a state with dramatically different
10 demand dynamics may have very similar number of outlets
11 overall.

12 And again, if you'd like me to go through each one of
13 the states, I'd be happy to pull up my report.

14 MR. GENTILE: Can we pull up page 8, please.

15 BY MR. GENTILE:

16 Q This isn't the raw numbers, but this chart represents
17 the number of licensees per 100,000 population; am I correct?

18 A Yes, sir; you are.

19 Q All right. Why did you prepare this? What does it
20 tell us?

21 A Because in the analysis, what I wanted to take a look
22 at is to see that -- that -- that relationship, if you will,
23 between the number of licenses that exist and the base
24 population that those licenses are ostensibly designed to
25 serve.

1 Now, I -- I certainly say that with an asterisk next
2 to it, based on the fact that we're talking about population of
3 100,000 or more over the age of 21. And in a community like
4 ours here, in the State of Nevada, we have a substantial share
5 of the population, that is the full-time equivalency population
6 that might be attributable to visitor volume. I want to at
7 least put an asterisk there.

8 But that -- what this was designed to demonstrate was
9 simply the relationship between the number of outlets available
10 and the population in each one of these states.

11 Q And so we're -- Nevada ranks about in the middle?

12 A Yes, sir. It ranks in about the middle ordinarily
13 here. I believe, if I remember correctly, the overall average
14 or the simple average was about 6, but you get the idea in
15 terms of -- you can see it visually here, that California is
16 pretty much -- excuse me, that Nevada is pretty much in the
17 middle of the pack.

18 THE COURT: So can I stop you for a minute? Did you
19 include the visitor volume in doing this calculation or not?

20 THE WITNESS: No, Your Honor.

21 THE COURT: Okay.

22 THE WITNESS: I did not.

23 THE COURT: Thank you.

24 THE WITNESS: And the reason that I didn't do that,
25 Your Honor, is because in order to make it a fair comparison, I

1 don't know that we could have come up with a visitor equivalent
2 for a state like Washington, or one like Massachusetts.

3 THE COURT: I understand. I was just trying to make
4 sure that I understood what was on the screen.

5 MR. GENTILE: So this --

6 THE WITNESS: Thank you, Your Honor.

7 THE COURT: Thanks.

8 BY MR. GENTILE:

9 Q So this chart deals essentially with the people that
10 live here permanently or regularly, that -- that are considered
11 as part of our population during the census, if I understand
12 correctly?

13 A Yes, sir; you understand it correctly.

14 Q Okay. Good. And so, if I understand this chart
15 correctly, is this telling us that for every 100,000 people,
16 21 years or older, in Nevada, there are three dispensaries?

17 A Yes, sir; that's what it's telling you.

18 Q And so we have fewer -- far fewer per 100,000 than
19 Alaska, Oregon, Colorado or Washington?

20 A Also correct, sir. Yes.

21 Q Okay, but we have more than California? California's
22 got fewer than us?

23 A Also correct, sir.

24 Q Why is that?

25 A Well, look, I -- I also think California has a number

1 of -- of highly -- highly -- I don't want to say congested, but
2 clustered population; right?

3 In addition to that, California's laws and
4 regulations are simply different than ours.

5 Q Gotcha.

6 A I think we also have to keep in mind the relative
7 size of California, as well.

8 Q Well, this tells us how many stores are basically
9 serving the market per 100,000.

10 MR. GENTILE: But if we could turn to page 10 and 11.
11 And I don't know if you can, Shane, but there are -- there are
12 -- there are two graphics on page 10. And there's two on 11,
13 but I don't want the top half. I just want the ones that are
14 green and gray; okay?

15 Can you put them all on one page? Is that doable?

16 I.T. TECH: I'll try. You don't want the bottom
17 graph on page 11?

18 MR. GENTILE: I want the bottom one on 11, not the
19 top one. Okay.

20 I.T. TECH: Page 11 is on the top.

21 MR. GENTILE: Thank you.

22 BY MR. GENTILE:

23 Q Mr. Aguero, what do these charts tell the Court?

24 A Mr. Gentile, the intent of these charts was to take a
25 look at what it looks like when a state introduces the

1 marijuana market through the regulatory process.

2 So what does it look like as the -- the product comes
3 online, what does it look like in terms of initial
4 introduction, and is there an expected amount of growth that's
5 going to occur in the market, as the -- as the market seeks
6 some kind of stabilization.

7 What is shown up here are three charts, one for
8 Oregon, one for Colorado, and one for Washington, where these
9 data are readily available. And what we see from these charts
10 is that when there was an initial introduction, it tends to be
11 relatively low, I would almost say modest. That is followed by
12 a period of very rapid growth.

13 And then what we've seen in some maturing markets --
14 and I wouldn't call them mature, but I would say that they're
15 maturing -- that you see that curve start to flatten a little
16 bit. The rate of growth starts to decline in some ways, which
17 indicates that the market is at least approaching some form of
18 stabilization.

19 Q And is -- is cannabis, because of the recency of its
20 introduction lawfully, is it kind of a unique study as --

21 A Without a doubt.

22 Q I'm sorry -- with a doubt, is that what you said?

23 A Without a doubt.

24 Q And why is that?

25 A Well, look, I mean, I think for any number of

1 reasons, it's interesting in this way. I think the one that
2 you said at the outset in your question is one that's
3 particularly compelling to me as an analyst; right?

4 This is something that is new. It is something that
5 didn't exist 5, 10, 11 years ago, something along those lines.

6 And so what we get to see is almost a science
7 experiment happening in front of our eyes. We get to see what
8 happens when you bring this -- these -- the product online,
9 when you open storefronts, when you have different business
10 models in terms of introduction.

11 We have different regulatory models. You have the
12 opportunity to see how they work. Look, I will tell you that,
13 you know, watching that occur, I think is going to be very
14 interesting as we see some of how these states stabilize from a
15 differential standpoint.

16 But the second piece that I would tell you is, I
17 think in the second half of your question, and that is you
18 said, something that has now become legal. And this is a very
19 interesting part of the question, because it pertains to a
20 couple of key elements from any supply-demand analysis, and I'm
21 going to focus most specifically on the demand side.

22 Two things. Number one, how many consumers are going
23 to -- to -- to shift from an illegal market to a legal market;
24 what is that going to look like, when does that stabilize?

25 And -- and really, you know, number two, in terms of

1 -- of how many new folks, new consumers that maybe were
2 opposed, afraid, didn't want to take part in a market that they
3 felt was illegal, are now going to come out and say, hey, this
4 is now legal in the State of Nevada. I'm not doing anything
5 that violates the law, and so my marginal propensity to consume
6 is going to increase.

7 From an analytical standpoint, I think those are very
8 interesting questions.

9 Q Do they still get paranoid when they smoke a joint?

10 A I cannot answer that question, sir.

11 Q Okay. Okay, can we -- now, you've talked about the
12 total number of dispensaries in Nevada and in other states, but
13 we're here about Nevada. This case is about Nevada. I know
14 you have to look to the other states' data in order to get --
15 to truly measure it.

16 MR. GENTILE: But if we can look at page 18, the
17 chart on page 18, please, Shane.

18 BY MR. GENTILE:

19 Q We had that chart before that talked about state-by-
20 state, 100,000 per population in terms of dispensaries.

21 What does -- how does it work in the State of Nevada?

22 THE COURT: Is West Wendover the one that's right
23 over the Utah border?

24 THE WITNESS: Yes, ma'am.

25 THE COURT: Okay.

1 THE WITNESS: That's correct, Your Honor.

2 THE COURT: I'm just trying to make sure I understand
3 where I am.

4 THE WITNESS: Yeah. Mr. Gentile, the -- the analysis
5 works very similarly, although, of course the framework is
6 similar because we're talking about inside the State of Nevada
7 as opposed to talking all the way across the entirety of the
8 United States.

9 And what I think you really see here is, look, from
10 an analyst's perspective, there's a lot that's really
11 interesting, from my perspective.

12 So first and foremost, you see the distinct nature of
13 Nevada's three economies; the Southern Nevada economy, the
14 Northern Nevada economy, and then the rural economy that's
15 throughout the balance of the State; right?

16 You can see the different jurisdictions, at least the
17 jurisdictions in the southern portion of the State, are all
18 fairly highly clustered together. And while as much as I would
19 like to be able to draw a huge distinction between the City of
20 Las Vegas and unincorporated Clark County, or the City of Las
21 Vegas and Henderson, the reality is, many residents don't draw
22 a distinction. Those are simply political lines that are drawn
23 for a jurisdictional boundary. And so we can see how some of
24 that kind of plays out in terms of an aggregate total.

25 In addition to that, what we also see is some of the

1 rural area demographics. West Wendover, I think the last time
2 I looked at their population, had something like 45, 4600 folks
3 living there. Obviously, one license is going to make that
4 number seem astronomically high, because it's servicing an area
5 that is in, what we could consider relatively remote, or with
6 limited density from a population standpoint, and I think
7 that's exactly what we're seeing here.

8 At the end of the day, instead of just looking at
9 that three that we saw from the State of Nevada, what we can
10 also see here is that that three has some variation within our
11 State as well, which can inform significantly in terms of that
12 supply-demand dynamic.

13 Q Well, this appears -- this chart appears to indicate
14 that there is not a whole lot of difference between the number
15 of dispensaries per 100,000, between Henderson, North Las Vegas
16 and Las Vegas. Is that about what that says?

17 A Yes, sir. Forgive me if I wasn't sort of clear in my
18 prior answer. The answer to your question is --

19 Q Well -- well --

20 A -- is yes, that's the case. And again, given the
21 nature of our urban community, this is kind of how we'd expect
22 it to be.

23 Q And would it be fair to say then that -- well, let me
24 ask a question just in general.

25 Does a -- does a -- does a dispensary in Henderson

1 compete with a dispensary in West Wendover?

2 A Probably very rarely.

3 Q Okay. Does that change as it gets more into a
4 geographic -- more centered geographic location?

5 A Without a doubt.

6 Q Okay. In what way?

7 A Well, look, for folks that live here in the urban
8 valley, I mean, you could live in Henderson, work in Las Vegas
9 and have your kid attend community college in North Las Vegas.

10 And I think for many people, that distinction would
11 -- would not be a distinction at all. We -- we view ourselves
12 as being, you know, residents of the Las Vegas Valley, or
13 residents of Las Vegas.

14 Those political boundaries, whether I'm stopping at a
15 storefront on the way home or on the way to work, whether I'm
16 stopping somewhere, you know, on the way to a special event or
17 something along those lines.

18 Whether it's this industry or any other, the reality
19 is, is that as much as we'd like to believe that because I have
20 a storefront in the City of Henderson versus the City of Las
21 Vegas, if you're on one side of Eastern Avenue or the other,
22 right, you are serving the exact same population.

23 The other part, Mr. Gentile, that I --

24 THE WITNESS: Again, if I'm overemphasizing this
25 point, Your Honor, you can just stop me.

1 But the other side is that --

2 BY MR. GENTILE:

3 Q The Court's not going to stop you.

4 A Okay.

5 Q You can just go ahead.

6 A But the concentration of our population, I think
7 sometimes we ignore just how dense our community really is in
8 terms of the number of people per household, the number of
9 people per -- per square mile; right? We are relatively dense.

10 And so because of that, you know, when you talk to
11 someone that maybe lives in Dallas, and they talk about how
12 long it takes to go from one side of the town to the other side
13 of town, like this is an hour-and-a-half drive. For us, you
14 can probably get just about anywhere in 30 minutes, 40 minutes,
15 maybe to go from the far end of the Valley to the far end of
16 the Valley.

17 And that -- that -- that closeness, if you will, that
18 lack of dispersion, I think plays a great deal into the exact
19 question that you're asking here.

20 Q So is it kind of like, I get gas at the gas station
21 where I notice that I need gas, as compared to the same gas
22 station all the time, when -- when you're --

23 A Well --

24 Q -- talking about --

25 A -- look --

1 Q -- dispensaries competing with one another?

2 A Yes, sir. I mean, you bring up sort of an
3 interesting hypothetical there relative to the gas station;
4 right?

5 I mean, gas stations have tried for a very long time
6 to try and differentiate themselves based on the quality of
7 gasoline that they provide to you. However, the tendency and
8 where you see gas stations be constructed all the time are, you
9 know, we have a tendency to frequent the same ones, because our
10 travel patterns have a tendency to be the same. Sometimes,
11 it's on the way home. Sometimes, it's on the way to work;
12 right?

13 But those gas stations are providing a generally
14 homogenous good. It is very similar. No matter what gas
15 station you go to, it will make your car go forward when you
16 put it -- when you put that petroleum into that gas tank.

17 And we see it in terms of restaurants. We see it in
18 terms of retail, general retail. And I think we also see it in
19 terms of cannabis, in terms of the fact that that proximity,
20 that location matters in terms of creating that opportunity and
21 serving the market at large.

22 MR. GENTILE: Page 19, please, both charts, please,
23 Shane.

24 THE CLERK: D26.

25 BY MR. GENTILE:

JD Reporting, Inc.

1 Q It has been repeated over and over again in this
2 case, and I think we all know it, that the cannabis industry is
3 important to the -- to the economy of Southern Nevada because
4 it generates a lot of tax revenue, and it's relatively new in
5 the sense of that tax revenue's only been coming in six or
6 seven years now.

7 Did you do anything to determine the taxable
8 marijuana sales in Nevada and how it's trending?

9 A Yes, sir. In the initial report that I drafted, the
10 goal was to try and look at how much tax revenue was being
11 generated to make sure that I had a complete understanding of
12 the trend, the growth, because it's a great measure in terms of
13 the volume that's taking place.

14 Subsequent to that initial report being drafted in
15 January, you had asked me to go back and take a look at my
16 analyses as they related to the COVID-19 crisis that we're
17 dealing with.

18 Subsequent to that, I did update my report, and so
19 you see some of those numbers here, just showing some of the
20 differential that we saw relative to that.

21 Now, what you've shown here is each month compared to
22 the same month overall. We also show it same month prior year,
23 trailing three months, trailing six months.

24 And what the takeaway is, from all of that, is that
25 the market has been growing, not unlike the other states that

1 we just looked at.

2 But what we also see, and what I think was required
3 of me in terms of submitting my amended report, was that the
4 COVID-19 crisis is real; right? We -- we know that, I guess,
5 anyone sitting here. And it is affecting the State of Nevada
6 and this community here in Southern Nevada, a disparately.

7 And from that perspective, we have seen a drop-off in
8 taxable retail sales, generally, in visitor volume generally,
9 but also, specifically, in marijuana sales.

10 Now, again, the data that I had through the date of
11 my report was about February. There have been about three
12 months that have come out subsequent to that. Each one of
13 those months has shown a negative year-over-year growth rate.

14 And -- and -- and -- and -- and I think, why is that
15 important? Why does that kind of matter?

16 Well, number one, because, you know, our economy saw
17 the unemployment rate, the State's economy's unemployment rate
18 go to the highest rate ever reported by any state since
19 unemployment statistics were being reported. I mean, this
20 level of disruption, at least in my 20 years, is as bad as I've
21 ever seen.

22 But more specifically as we start to think about
23 that, we think about the relative dependence that we have on
24 our tourism economy. With about 16 percent of the people, to
25 put a head in a bed on any given night, don't live here full-

1 time. I mean, here we are in one of the largest convention
2 centers, anywhere in the United States, the report that came
3 out last Friday essentially said that the number of convention
4 delegates was approaching zero.

5 Now, I'm not going to link that directly sort of
6 one-to-one, but the idea that you have a community anywhere in
7 the United States, where 16 percent of its full-time
8 equivalency population was essentially gone for a couple of
9 months -- was essentially gone for a couple of months, and then
10 when the market opened back up, was still operating at a
11 70 percent decrease; right? When I think about it in that
12 terms, the reality is, we went from an economy that was among
13 the nation's fastest growing, to among the nation's fastest
14 contracting.

15 And I am -- you know, the -- the entire question that
16 you've asked of me here is, you know, how -- what does the
17 balance look like between supply and demand? Well, when we did
18 our analysis in, you know, January, pre COVID-19, we're
19 operating in a market in which growth is occurring. We're not
20 operating in that market anymore.

21 Now, we're operating in a market where our economy,
22 the State's economy -- let me just put it in this perspective.
23 Between -- during the great recession, arguably the worst
24 economic downturn that I had to review during my career, and I
25 think in modern history, the State of Nevada. We lost about

JD Reporting, Inc.

1 200,000 jobs over two-and-a-half years.

2 We lost 250,000 jobs during COVID-19 in two months.
3 Now, we've added some of those back, but what we're seeing in
4 almost every single metric of economic performance, in almost
5 every single metric of fiscal performance, the ability of state
6 and local governments to generate revenue, to provide
7 education, or healthcare and the like, we're seeing those
8 decline, including in the marijuana market.

9 Q You know, Mr. Aguero, I think maybe we need to advise
10 the Court. Your original report, which was back in January,
11 your conclusion was the same as it is now?

12 A Yes, sir. That's correct.

13 Q In terms of what the impact of additional
14 dispensaries would be on existing dispensaries?

15 A Yes, sir. And that does not change because of
16 COVID-19.

17 Q So would it be fair to say that your opinion is the
18 same, but the situation's worse?

19 A Yeah, I think that'd be a fair assessment. Yes, sir.

20 Q So even when it was booming, even before there had
21 been a turndown, and now if I understand this graphic and what
22 you just testified to, February, March, April, May and June
23 have continued to be a downturn?

24 A Yes, sir. That is correct.

25 Q Okay. Is it getting worse? Is it tapering off? Is

1 it --

2 A No, sir. Look, without having those numbers
3 specifically in front of me, I believe that March was off about
4 27 percent; I believe, April was off about 23 percent; and I
5 believe May was off 17 percent, plus or minus.

6 Q And is that year-to-year, in other words, compare --

7 A That's the same month compared to the same month of
8 the prior year. And -- and while -- you know, while the rate
9 of decline has gotten better, much like what we've seen in the
10 broader economic analysis, I certainly don't want to leave
11 anyone here with the impression that it's somehow good.

12 Q Okay.

13 MR. GENTILE: Can we turn to page 20, please, Shane.
14 And again, both charts, please.

15 THE CLERK: That will be D27.

16 BY MR. GENTILE:

17 Q Actually, we -- if I read these charts correctly,
18 you've done a series of analyses with regard to the growth in
19 taxable retail marijuana sales, you've done it month-by-month
20 three-month trailing, six-month trailing, and annualized;
21 right?

22 A That's correct. Yes, sir.

23 Q Okay.

24 MR. GENTILE: Let's -- I don't know if we can put all
25 four on one page, but if we can, let's try.

1 BY MR. GENTILE:

2 Q And then I'm going to ask you --

3 I.T. TECH: Is that 21?

4 MR. GENTILE: That's the best we can do?

5 I.T. TECH: No, is that page 21, the one you're
6 referring to?

7 MR. GENTILE: Yes, page 20 and 21, if we could
8 display all of four of them on one page, please.

9 BY MR. GENTILE:

10 Q All right. So it looks like it's up-down, up-down.
11 So the first one, top left. Tell the Court what this
12 indicates.

13 A If -- if we look through all four of these -- and I
14 realize you're asking me the top left, so let me --

15 Q You know, let's -- Mr. Aguero, do it the way you
16 think it makes the best sense --

17 A Okay.

18 Q -- seriously.

19 A Every one of these charts tells us the exact same
20 thing, but in a slightly different way.

21 If we look at the chart in the top left, we see what
22 happens in one month. But one month does not make a trend. I
23 want to be clear about that.

24 So what we commonly do is we look at it over a
25 three-month cycle, over a six-month cycle, and then over a

1 trailing 12-month cycle. And what we're looking for here is
2 whether or not that rate of growth, that rate of expansion has
3 started to flatten.

4 Now, what you mentioned earlier was that the analysis
5 was done prior to COVID-19. And if you look in the bottom
6 left-hand corner, you'll see the trailing three-month basis.
7 And you'll note that where the growth rates were a little
8 higher there in July and August of 2019, that they started to
9 get a little bit lower, that they started to trend in a little
10 bit of a different direction.

11 If you look at it in the training six-month basis
12 where, again, now we're looking at six months at a time, and
13 see that it's starting to come back down. And if you look at
14 it over a trailing 12-month basis, you can see that that growth
15 rate is lower than it has been historically.

16 Again, the only purpose of this was to get a sense of
17 really two things. Number one, is the rate of growth expanding
18 at an increasing rate, is it -- or at a decreasing rate, or is
19 it stable.

20 And then number two, in terms of the consideration
21 post COVID-19, did we start to see a shift after that?

22 Now, obviously, February is pretty early in that
23 cycle, but that's the latest data that we had available. And
24 what these data have a tendency to show me is that while the
25 market was expanding, it was showing signs of expanding at a

JD Reporting, Inc.

1 slightly slower clip, even before COVID-19.

2 Q All right. So it was getting closer to saturation;
3 would that be fair to say?

4 A I'm not going to say that it was necessarily
5 saturated, or that it was, you know, approaching saturation.
6 But what I am going to say is that the rate of that growth was
7 -- was diminishing somewhat and that was going to affect the
8 market overall.

9 Q You know, this might be a good time to talk about
10 Say's law. What is Say's law?

11 A Say's law is a -- is a law in economics that
12 essentially says that supply creates its own demand.

13 Here in Las Vegas, we have a tendency to use it all
14 the time; right? For those of us that have been here for a
15 long time, you always heard, if they build it they will come.

16 THE COURT: They will come.

17 THE WITNESS: If you build it, they will come. I
18 guess that's also from a -- a Kevin Costner movie. I'm going
19 to forget the name of it. But, you know, if you --

20 BY MR. GENTILE:

21 Q Field of Dreams.

22 A Thank you. Field of Dreams; right?

23 THE COURT: Baseball, yeah.

24 THE WITNESS: But you get the idea. Say's law is
25 just an economic axiom that says, by putting supply out there,

1 you're giving consumers the ability to consume.

2 And so the question in Say's law here, is whether or
3 not by adding an additional storefront, you're going to create
4 demand as a result of that.

5 Q What the -- what does the data, at least in terms of
6 what we have through the last month, what does that indicate
7 with your --

8 A Well, had you asked me that question prior to COVID-
9 19, I would have suggested to you -- and -- and I think it was
10 in my report, and continues to be the same conclusion -- that
11 there's not a -- there's not a single answer here.

12 If you were to put another storefront somewhere, you
13 know, thoughtfully placed, in the urban Las Vegas Valley, do I
14 think it has the potential to increase the marginal propensity
15 to consume? Sure. I think it does. I think that the folks
16 that are in close proximity to that area, perhaps.

17 The problem is, is that really two-fold. Number one,
18 that is not mutually exclusive with the fact that it will also
19 take market share from those existing operators, those existing
20 operators that might have been drawing consumers from that
21 exact same area.

22 Compound that with the COVID-19 environment where
23 there's actually shrinking growth within the market, not
24 expanding growth within the market, and I think now you have
25 something that -- that creates a pretty formidable one-two

1 punch in terms of the effects that it would have on existing
2 operators.

3 MR. GENTILE: Can we go to page 22, please, Shane.
4 Again, both charts.

5 BY MR. GENTILE:

6 Q This is a different graphic. These two are
7 different.

8 Hold on just a moment. Okay. The earlier one that
9 looked like this was just talking about retail sales. This is
10 talking about tax money --

11 A That's exactly right --

12 Q -- if I understand it correctly.

13 A -- Mr. Gentile.

14 Q All right. And what does it indicate?

15 A It simply indicates that you'll notice that -- that
16 there's variability in the tax collections that are being shown
17 here.

18 And again, tax collections can have any number of
19 reasons, people reporting, late delays, something along those
20 lines. But if you look at the curve along the top, and you
21 look at the monthly collections in excised taxes, you see a
22 flattening in terms of that curve. And at the far right-hand
23 side, you see a decrease. And certainly, if we look at the
24 growth rate, which is on the bottom chart that you provided for
25 me here, right, you can see that negative growth.

1 Now, it also occurs in December. Exactly why, I
2 can't tell you. But if you look over time, you're not seeing
3 every month be a greater number than the month before; right?

4 What you're seeing is an up and a down, and an up and
5 a down, which again, I think points to some stabilization
6 potentially occurring within the market.

7 Q So opening up additional dispensaries isn't
8 necessarily going to bring in more tax revenue, it would just
9 rearrange it?

10 A I think it's -- it depends very much where they come
11 online. But I don't think you can simply say that Say's law,
12 in its purest form, is in effect. That simply by opening up
13 another outlet, you are going to grow the market. I -- as a
14 matter of fact, I think the opposite of that is true.

15 MR. GENTILE: Shane, do you have the chart that's on
16 page 26? Because it's similar to the other one.

17 I.T. TECH: Bear with me a moment. That one?

18 MR. GENTILE: Yeah, you do. Great.

19 BY MR. GENTILE:

20 Q Mr. Aguero, you've created this chart for us, Drive-
21 Time Analysis of Proximity to Recreational Marijuana
22 Storefronts, Clark County.

23 What does it tell us, and what went into you --

24 A Sure.

25 Q -- developing this chart?

1 A Yes, sir. So, essentially, the analysis that was
2 done took a look at every residential unit that exists in Clark
3 County using essentially census data, if you will, determining
4 where people are physically located versus where the closest
5 outlet is in terms of a cannabis outlet.

6 And essentially, doing an analysis, the Geographic
7 Information System, or GIS-based analysis, to look at how long
8 it would take someone to go from their point of residence to
9 that -- the closest outlet.

10 And what this chart shows us is that, again, we
11 looked at it by people within five minutes to the closest
12 dispensary, 10 minutes, 15 minutes, and then 20 minutes to the
13 closest dispensary. And what we see is that about a quarter of
14 the population is within five minutes of a dispensary here in
15 Southern Nevada.

16 But when you increase that to ten minutes, it's not
17 one-quarter, it's almost three-quarters of the population is
18 within ten minutes of that dispensary. And if we look at it in
19 terms of 15 minutes, it goes up to about 95 percent, and then
20 you can see that there's diminishing returns as we get above
21 that. Almost everybody is within 20 minutes.

22 Again, that goes to the size. But what it also goes
23 to is that the question of, if you open another storefront,
24 right, 95 percent of the customer base is already within 15
25 minutes of a dispensary; right? Two-thirds. Excuse me,

1 three-fourths. Three out of every four, roughly, are within
2 ten minutes of a dispensary.

3 And again, not a perfect analysis to be sure, because
4 people drive around the Valley, go to work and those type of
5 things. But when we're talking about the relative
6 accessibility of something, whether I as a consumer have the
7 ability to get what I want to get in the urban Valley today, I
8 think this demonstrates as much as anything in my report that
9 the answer to that is, they can.

10 Q And, of course, this doesn't take into consideration
11 where you work and whether there's a dispensary across the
12 street?

13 A Not at all.

14 Q Okay.

15 A Not at all.

16 Q Now, you -- you -- I know it just -- it -- it
17 illustrates the same thing, but -- but it's a little bit
18 different view of it.

19 MR. GENTILE: Shane, pull up the chart from page 27.

20 BY MR. GENTILE:

21 Q If I understand this chart, the white dots are
22 dispensaries?

23 A That is correct, sir.

24 Q And the green area deals with the 20-minute from a
25 dispensary area?

1 A That is exactly correct; yes, sir.

2 Q Okay. So -- so pretty clearly, to people at the core
3 of this -- well, this is the 20 minute one. And I have no idea
4 where some of these things are, pretty far though. Pretty far.
5 That would be the 20 minute map.

6 MR. GENTILE: Shane, let's go to the chart on page --

7 THE COURT: The 15 minute map?

8 MR. GENTILE: You want to see the 15? Sure.

9 THE COURT: We're already on the 15 minute map.

10 MR. GENTILE: Let's -- oh, you already did the 15.

11 Good.

12 THE COURT: Isn't that nice.

13 MR. GENTILE: That's the 15 minute map. Let's go to
14 the 10 minute map.

15 BY MR. GENTILE:

16 Q So the people that live within that green area are
17 minutes or less from a dispensary?

18 A That is correct, sir.

19 Q In terms of where they live?

20 A In terms of where their residence is.

21 Q Right. What about hotels on the Strip, they're
22 really close, aren't they?

23 A Yes, sir. Those 16 percent --

24 Q Okay.

25 A -- of the population and the 150,000 hotel rooms, I

1 believe, are almost all within the 5 minute or less.

2 MR. GENTILE: And let's go to the 5 minute map.

3 BY MR. GENTILE:

4 Q Well, that definitely has the Strip in it. So the
5 people in these green areas are within 5 minutes of a
6 dispensary in terms of where they're living?

7 A Correct, sir.

8 Q Okay. If you add tourists to that, that percentage
9 goes way up?

10 A I believe, it would; yes, sir.

11 Q All right. Now, you talked about earlier, about
12 density and how that plays into your opinion.

13 MR. GENTILE: Can we see the chart on page 31,
14 please, Shane.

15 BY MR. GENTILE:

16 Q What does this tell us?

17 A This is simply looking at the land administered by
18 the -- for -- by the Federal Government in the State of Nevada,
19 largely, the Bureau of Land Management.

20 Q And why did you even take that into consideration?

21 A Because, I believe, that the greater the clustering
22 of the population, the greater the service can take place from
23 the existing providers that are here today.

24 It's not like there's a far-flung area, a market that
25 isn't being served, or maybe that's some consideration that's

1 outside of my scope.

2 But if we're talking about the areas where the vast
3 majority, 90 percent plus, of the population of the State of
4 Nevada reside, it is heavily clustered by -- for two reasons.

5 Reason number one, is that the federal government
6 owns land outside, so you have very limited sprawl development,
7 as you might think about it.

8 And number two, you know, really Clark County
9 operates from a de facto land boundary as a result of the
10 Southern Nevada Public Lands Management Act, which limits out
11 far you can leap out.

12 And so the combination of those things, at least
13 suggests to me, that the operators that are here are able to
14 service a population that is in closer proximity than it
15 otherwise would have been.

16 And there's a sister chart to this one that I -- I
17 don't know if we're going to look at, but --

18 Q We can put it up now --

19 A -- there's a sister chart --

20 Q -- yes.

21 A -- to this one that looks at the --

22 MR. GENTILE: Put the next one up, please, Shane.

23 THE WITNESS: -- population per square mile.

24 MR. GENTILE: Page 32.

25 THE WITNESS: What you see is that Nevada falls

1 relatively in the middle of the pack. Excuse me, Nevada falls
2 relatively in the middle of the pack.

3 And here, if you look at Alaska, over here on the far
4 right-hand side, obviously, it's a very different state. It's
5 -- it's -- it's all spread out. It's people all over the
6 place.

7 You compare that against other places and you see
8 that Nevada's relatively in the middle in the pack. It's not
9 -- this dispersion is giving us the opportunity to be
10 successful.

11 Q So to --

12 A Or lack thereof. Excuse me.

13 Q -- to sum it up, whether they get licenses lawfully
14 or unlawfully, any additional dispensary, if I understand your
15 opinion, is going to take business from existing dispensaries?

16 A Without a doubt.

17 Q Okay. And that would happen pre-COVID or post-
18 COVID?

19 A That's correct, sir.

20 Q But with regard to now, the post-COVID economy -- by
21 the way, when is it going to come back?

22 A Our --

23 Q I mean, you know a lot about the economy of Southern
24 Nevada. When's it coming back?

25 A We are currently modeling somewhere between 18 and

1 months in terms of the recovery cycle.

2 Q 18 and 36 months?

3 A Yes, sir.

4 Q Okay. So we don't really know when; is that a fair
5 statement?

6 A Certainly, I cannot tell you with some degree of
7 precision exactly when the market's going to come back. But
8 I'm not going to sit here and tell you that I don't believe the
9 market is going to come back. I believe in the resiliency of
10 our State's economy, and I think that it will continue to
11 recover.

12 Q I don't think I have anything further.

13 MR. GENTILE: Let me have a moment.

14 THE COURT: Okay. We're going to take our lunch
15 break. Because we are in an isolated location, I don't know
16 what the arrangements are they've made for you to eat. But are
17 you going to eat here, are you going to go off-site?

18 THE WITNESS: Ma'am, I'm -- I'm -- Your Honor, I'm
19 not entirely sure.

20 THE COURT: Okay.

21 THE WITNESS: But I'll be just fine. Please don't
22 worry about me.

23 THE COURT: Mr. Gentile, since you -- are you okay?
24 Since you always bring lunch --

25 MR. GENTILE: That depends on how you mean it.

1 THE COURT: -- did you bring him the -- did you make
2 arrangements to feed your witness?

3 MR. GENTILE: I am going to pass the witness at this
4 point.

5 THE COURT: That's not the question I asked.

6 MR. GENTILE: What did you ask me?

7 THE COURT: Did you make arrangements to feed your
8 witness or is he going to have to arrange to get food?

9 MR. GENTILE: I did not make arrangements, because I
10 thought my witness, according to Mr. Dzarnoski, was going to be
11 on by 9:00 o'clock.

12 THE COURT: All right. So, we're going to take a
13 break until 1:15, in case anyone needs to leave the facility to
14 get food or more Starbucks.

15 So we'll be in recess until 1:15.

16 THE WITNESS: Thank you, Your Honor.

17 THE COURT: Good luck.

18 THE WITNESS: Thank you.

19 (Proceedings recessed at 11:57 a.m.)

20 (Pause in the proceedings.)

21 CROSS-EXAMINATION

22 BY MR. HONE:

23 Q Good afternoon, Mr. Agüero. My name is Eric Hone. I
24 represent a defendant, Lone Mountain Partners. We met at your
25 deposition a couple months ago.

JD Reporting, Inc.

1 A couple questions for you here. With regard to the
2 market share issue that you opined on, you're not able to
3 quantify how much of a decrease in market share any particular
4 license holder dispensary would have based on the addition of
5 new licenses; is that correct?

6 A That's correct, Mr. Hone.

7 Q And you're not here to opine today about how many
8 licenses the State should permit; is that fair?

9 A That's also true, sir.

10 Q Or how many licenses it would be advisable for the
11 State to open?

12 A Yes, sir.

13 Q Okay. And you're not here to opine as to whether the
14 State should increase or decrease the number of dispensary
15 licenses, fair?

16 A Fair, sir.

17 Q Okay. During the course of your research and
18 preparation for your opinions, did you review any data from any
19 of the plaintiffs' dispensaries?

20 A I didn't review specific data from any individual
21 plaintiff, sir. However, I would have included, because I
22 looked at all licensees, so they would have been included --

23 Q You looked at --

24 A -- potentially.

25 Q -- you looked at tax revenue and revenue for the

1 State as a whole; is that fair?

2 A Yes, sir. That's correct.

3 Q Not with regard to any particular license holder?

4 A Also correct. Yes, sir.

5 Q Okay. And you don't have, again, any specific
6 information about actual stores and how a particular store
7 would have its market share impacted by additional licenses?

8 A Also correct, sir.

9 Q Okay. And you understand that, for example, the
10 location of a dispensary might have an impact on its market
11 share; is that fair?

12 A Yes, sir, it is.

13 Q But you didn't look at location with regard to any
14 particular license holder?

15 A Not with regard to any particular license holder.
16 Again, just to make sure that I'm being clear and answering
17 your question completely, obviously, the GIS-based analysis to
18 plot -- plotted all the individuals would have looked at each
19 individual license holder, but there was no analytics done on
20 an individual operator by operator basis.

21 Q You didn't look at how branding or marketing by a
22 dispensary would impact its market share; is that fair?

23 A Yeah, only generally.

24 Q Okay. You didn't look at product quality, and how
25 product quality would impact market share; correct?

1 A Also correct, sir.

2 Q Or how customer service would impact -- you didn't
3 look at customer service?

4 A Correct, sir.

5 Q And you didn't look at, again, marketing efforts or
6 reputation in the industry?

7 A Also correct, sir.

8 Q Okay.

9 MR. HONE: Brian, if I can have you pull up the chart
10 on page 7 of Mr. Aguero's Supplemental Report.

11 BY MR. HONE:

12 Q This is the Number of Recreational Licenses By State.
13 I believe you looked -- we looked at this with Mr. Gentile.

14 Do you recall this chart you prepared?

15 A I do, sir.

16 Q And as of 2016, the State of Nevada had 68 dispensary
17 licenses; is that correct?

18 A Yes, sir.

19 Q And you understand that there would be additional
20 licenses brought on board by the 2018 licensing process?

21 A That's my understanding, yes, sir.

22 Q Do you recall how many additional licenses that would
23 be?

24 A I do not.

25 Q So it's roughly in the low 60s. So if those stores

1 opened, and say there was 120 or 130 stores, Nevada would still
2 be, by state, below Washington, Colorado, California, and
3 Oregon. Would that be fair?

4 A It would.

5 Q Okay.

6 MR. HONE: Brian --

7 I.T. TECH: Also, that's D42.

8 MR. HONE: Brian, can I have you pull the chart on
9 the next page, page 8.

10 BY MR. HONE:

11 Q Mr. Agüero, this is the -- this is your chart from
12 your report, the Number of Recreational Licenses Per Capita
13 Over 21; is that correct?

14 A Yes, sir, it is.

15 Q And again, Nevada has got three stores per capita,
16 per 100,000, which puts it, again, below Alaska, Oregon,
17 Colorado, and Washington; is that correct?

18 A It is correct, sir.

19 Q And if Nevada doubled its number of stores, it would
20 still be below Washington, Colorado, Oregon, and Alaska; is
21 that fair?

22 A Yes, sir, it would be.

23 Q Okay.

24 MR. HONE: Brian, could you go to the chart on page
25 23.

1 BY MR. HONE:

2 Q I'm going to have you look --

3 MR. HONE: Brian, the one at the bottom.

4 BY MR. HONE:

5 Q -- Annual Marijuana Sales Per Dispensary. In looking
6 at the -- the prior charts, Nevada appeared to be much lower
7 than the top four states in stores per capita and stores
8 overall; is that fair?

9 A It is, sir.

10 Q And then, looking at this chart, which is Annual
11 Marijuana Sales Per Dispensary, can you explain this chart to
12 us?

13 A Sure. If we take a look at all the revenue that's
14 generated and we divide it by the dispensaries, that gets us
15 the information that's provided in this chart. Because Nevada
16 has a relatively limited number of physical locations, but yet
17 yields a relatively significant amount of revenue, the yield
18 per location is higher than any of the other states reported.

19 Q So if I'm reading this chart correctly, a Nevada
20 dispensary, on average, has more than double the sales per
21 store than a dispensary in the State of California; is that a
22 fair read?

23 A Roughly, yes, sir.

24 Q Okay. And then even more between Washington,
25 Colorado, or Oregon by comparison; correct?

1 A Also correct, sir. Yes.

2 Q Okay.

3 I.T. TECH: That Exhibit's D43.

4 MR. HONE: Brian, could I have you go to the chart on
5 page 14.

6 BY MR. HONE:

7 Q This is a variation of a chart that Mr. Gentile had
8 showed you. I think the chart he had was a map with white
9 dots. Can you explain what this diagram shows?

10 A Yes, sir, Mr. Hone. For each one of those dots,
11 that's one of the licenses. The one that Mr. Gentile and I
12 walked through is based on drive times. The intent of this is
13 merely to demonstrate where those physical locations are
14 throughout the totality of the State of Nevada.

15 Q Okay. Correct.

16 I.T. TECH: D44.

17 MR. HONE: Brian, if you could go to the chart on
18 page 15.

19 BY MR. HONE:

20 Q And, Mr. Agüero, would this be the same for the
21 Metropolitan Area of Las Vegas?

22 A Yes, sir. It is.

23 Q Okay. So rather than drive times, this just shows
24 where all the dispensaries are in the Metropolitan area of Las
25 Vegas?

1 A It does, sir.

2 Q Okay.

3 I.T. TECH: D45.

4 BY MR. HONE:

5 Q Now, hypothetically, if -- if -- if you were going to
6 look at not marijuana sales, but let's just say beer sales, and
7 you put a dot for everywhere beer was available, do you have a
8 concept of what your diagram would look like?

9 A Yes, there would be dots on the entire map.

10 Q It would be all red?

11 THE COURT: It would be red; right?

12 THE WITNESS: I'm sorry?

13 THE COURT: It would just be red?

14 THE WITNESS: Yes, it would be -- it would be at
15 almost every intersection.

16 BY MR. HONE:

17 Q Because you have liquor stores, grocery stores, gas
18 stations; right?

19 A Sure, restaurants. All of it.

20 Q Restaurants? Yep. When you -- when you did your
21 drive time discussion, and you were talking -- at least in your
22 report, you -- you -- you phrased it as ready access to
23 marijuana; is that fair?

24 A Yes, I think that's correct.

25 Q And you said that ready access was being within 15 or

1 20 minutes from a dispensary; is that fair?

2 A I don't know that I gave it a specific timeline, but
3 I did say that ready access is having close proximity to every
4 residential household.

5 Q Okay. And how did you determine what ready access
6 was?

7 A Based on my professional experience.

8 Q Okay. When we talked at your deposition, we noted
9 that you yourself are not consumer of marijuana; is that
10 correct?

11 A That is correct, sir.

12 Q And as far as you knew, none of your team members
13 were either; is that correct?

14 A That's correct, sir.

15 Q Okay. So when -- when you discussed ready access, it
16 was based on your professional opinion as an analyst, not
17 necessarily on your -- or certainly not on your -- the reality
18 of being a consumer; is that fair?

19 A That's correct, sir.

20 Q You indicated you were hired in mid-December 2019?

21 A I think we had our first discussions in December of
22 2019. I believe, I was retained late December or the first
23 week in January of 2020.

24 Q So you had a couple months after you were retained to
25 prepare your report; is that correct?

1 A Well, I would have had a little bit of time once we
2 started having initial conversations, started collecting the
3 data. So I would say I had 30, 45 days to get the initial
4 report completed.

5 Q Okay.

6 A Of course, the subsequent report, that happened at --
7 was several months after.

8 Q And that -- that subsequent -- that supplemental
9 report was submitted in early June; is that correct?

10 A That's right. June 1st, sir.

11 Q Okay. Do you know when this litigation was
12 commenced?

13 A I don't.

14 Q And as part of your research and analysis, you did
15 not ask any questions of any marijuana consumers in Nevada; is
16 that correct?

17 A That's correct, sir.

18 Q And you didn't ask any questions of any tourist
19 consumers of marijuana in Nevada; is that fair?

20 A That's also fair, sir.

21 Q You indicated when we talked at your deposition that
22 part of your professional analytical experience is that you and
23 your team have in the past done consumer surveys; is that
24 correct?

25 A Yes, sir.

1 Q Okay. And in this instance, for example, your work
2 could have included a survey of Nevada marijuana consumers,
3 whether residents or tourists; is that fair?

4 A Yes, sir.

5 Q But it did not?

6 A That's correct, sir.

7 Q Okay. When you were talking with Mr. Gentile earlier
8 today --

9 MR. HONE: Brian, if you could leave that chart up.

10 BY MR. HONE:

11 Q You talked in terms of how quickly a consumer could
12 drive to a single dispensary; is that fair?

13 A Yes, sir.

14 Q Okay. And in -- in making that assessment, is it
15 fair to say that you treated all marijuana the same? That is,
16 if you could get to one store where marijuana was sold, you
17 treated that the same as if someone could get to another store
18 where marijuana is sold; is that correct?

19 A That -- that would be correct, Mr. Hone.

20 Q Okay. You didn't take into account the quality or
21 type of products being sold in that dispensary; is that fair?

22 A Yes, sir. That is.

23 Q Okay. And are you familiar with Ron Seigneur?

24 A Yes, sir.

25 Q Okay. Did you read his report in this case?

1 A Only his supplement, sir.

2 Q Okay. He testified that some consumers just want
3 marijuana. They don't really care about the quality of it,
4 they just want to get high. Others are connoisseurs.

5 Are you -- are you familiar with the concept of being
6 a connoisseur of a product?

7 A I am.

8 Q Okay. So your analysis does not take into account
9 that some marijuana consumers may not care for the product at
10 the store that's nearest to them?

11 A It does not.

12 Q Okay. So, essentially, it -- it -- it treats all
13 marijuana as a singular homogenous product?

14 A From a general standpoint, yes, sir.

15 Q Okay. So if, looking at this chart, there was a
16 hypothetical consumer who lived in Henderson, but their product
17 of choice was only sold at Dispensary Number 57 near Summerlin,
18 they wouldn't have ready -- ready access, in your definition,
19 to marijuana?

20 A Can you please repeat your question?

21 Q If a consumer -- let's say a consumer lived in
22 Henderson by -- yeah, close to Store Number 59 on this dot --

23 A Yes, sir.

24 Q -- or this map, but their preferred type of marijuana
25 product was only sold at Dispensary Number 57, they wouldn't

1 have ready access to marijuana; is that fair?

2 A I -- I suppose I understand what you're saying, but I
3 guess the question is marginal propensity to consume. If the
4 only place that that consumer could get that particular product
5 was in 57, that you say, then, yes, the drive time would be
6 longer.

7 But if we talk about all of the residents in the area
8 that you've circled, the question is whether they would drive
9 past what looks like eight or nine separate outlets before they
10 would get to the other one.

11 And my point is not that there are not some
12 connoisseurs, as you say, that will make that drive.
13 Certainly, there are. But the marginal propensity to consume
14 makes it unlikely that they will drive past, again, eight or
15 nine outlets to get to the -- to get to the one.

16 Q You understand that a black market for marijuana
17 exists?

18 A I do understand that, yes, sir.

19 Q Okay. And we talked about this at your deposition.
20 Your assessment as an analyst in -- in Nevada is that between
21 40 to 60 percent of marijuana sales currently are black market
22 sales?

23 A I believe that's the case, yes, sir.

24 Q Okay. We talked at your deposition also about the
25 concept if there were more stores offering legal marijuana, and

1 they then had lower prices, it's your opinion that there
2 would -- that would cut into the black market; is that correct?

3 A I do believe that's the case, yes, sir.

4 Q Okay. And your analysis that you presented in your
5 report and what you and Mr. Gentile talked about does not take
6 into account the black market; is that correct?

7 A I've mentioned that a black market exists, but beyond
8 that, not much more.

9 Q And your assessment about the growth of the -- of the
10 industry presumes that the black market will stay at 40 to
11 60 percent; is that correct?

12 A No, not necessarily. The question that you're asking
13 is one of being forward-looking. To the extent the question is
14 whether or not additional supply would essentially diminish
15 that market, certainly, I think it's a fair question. My
16 analysis does not take that into consideration.

17 Q Your analysis presumes that the black market -- that
18 legal cannabis does not cut into the black market; is that
19 correct?

20 A No, I don't think that's the case. I just don't
21 think it's enough to not diminish the market share of existing
22 operators.

23 MR. HONE: Brian, could you pull up page 78 of Mr.
24 Aguero's deposition.

25 THE COURT: Can you send us the original of the

1 deposition since we're now using it and it's being published?

2 Thank you.

3 I.T. TECH: (Inaudible). What page?

4 MR. HONE: Page 78. Starting with line 5, Brian.

5 BY MR. HONE:

6 Q At the end of your deposition, Mr. Agüero, I asked
7 you, "Do your opinions in this case consider that the black
8 market in Nevada stays the same?"

9 Your answer, line 9, was, "Yes, sir." Have you
10 changed that opinion or changed your report?

11 A No, I think it's the same.

12 Q Okay. You're not here to offer a legal opinion about
13 whether any particular retailer or distributor dispensary of
14 marijuana has a legal entitlement to maintain its market share;
15 is that correct?

16 A That is correct, sir.

17 Q Okay.

18 MR. HONE: I have no further questions. I'll pass
19 the witness.

20 THE COURT: Can you wipe down the stand? While my --
21 Mr. Smith is coming up, I have a question. Before lunch, you
22 indicated you were not saying that the market was saturated.
23 Did you do an analysis of the saturation of the market, whether
24 it was, wasn't, or how far?

25 THE WITNESS: No, ma'am -- no, Your Honor. Excuse

1 me.

2 THE COURT: It's okay.

3 THE WITNESS: In doing the analysis, the fundamental
4 question was, is there continuing to be growth as a result of
5 the new product continuing to come online.

6 Yes, it is continuing to grow, which would suggest to
7 me that the market is not entirely saturated. It --

8 THE COURT: So even though the growth is much slower
9 --

10 THE WITNESS: That's right.

11 THE COURT: -- it's not a saturated market at this
12 stage?

13 THE WITNESS: That's right.

14 THE COURT: Okay.

15 THE WITNESS: Which means that we're borrowing
16 slightly more from existing, and slightly less from new. That
17 mix will continue to change until we get to full saturation.

18 THE COURT: Thank you.

19 THE WITNESS: Thank you, Your Honor.

20 THE COURT: Mr. Smith?

21 CROSS-EXAMINATION

22 BY MR. J. SMITH:

23 Q Good afternoon, Mr. Aguero.

24 A Good afternoon, Mr. Smith.

25 Q After hearing you talk with Mr. Gentile and Mr.

JD Reporting, Inc.

1 Hone, it sounds like you would agree with this, that evaluating
2 supply and demand dynamics in the marijuana industry is not a
3 simple task; right?

4 A I would agree with that. Yes, sir.

5 Q And determining whether additional dispensaries would
6 dilute existing market share is complicated by a number of
7 factors; right?

8 A Also agree.

9 Q Among them would be the emerging nature of the
10 industry generally; right?

11 A Yes, sir.

12 Q And the growth of the economic base; correct?

13 A Yes, sir.

14 Q And even the location of particular dispensaries;
15 right?

16 A Also true, sir.

17 Q And despite the complicated nature of the analysis,
18 it's your opinion that supply per capita data suggests that
19 Nevada is below average nationally in terms of dispensaries per
20 100,000 legal users; correct?

21 A Yes, sir.

22 MR. J. SMITH: Brian, if you would, pull up page 8,
23 the chart on page 8, please.

24 BY MR. J. SMITH:

25 Q And Mr. Agüero, that's what this chart is

1 representing, right, that Nevada is below the national average
2 of dispensaries per 100,000 legal users; correct?

3 A Yes, sir. That is correct.

4 Q And the national average is about six dispensary
5 licenses per 100,000 legal users; right?

6 A Mr. Smith, the -- the six is a simple average.
7 Obviously, if you did a weighted average, it would be
8 different. But I do believe it's below the average, yes.

9 Q Okay. About six is the average?

10 A The simple average. Yes, sir.

11 Q And this chart does not take into account Nevada or
12 Clark County's tourism and visitor activity; correct?

13 A It does not.

14 Q And I think the reason you explained for that is it
15 would make comparison to other states difficult; right?

16 A I think so. Yes, sir.

17 Q Okay. But if you were to include -- I think you said
18 it's about 16 percent -- if you accounted for the tourism and
19 visitor activity, I think you said that's -- the exact phrase,
20 hopefully -- 16 percent of full-time equivalency population; is
21 that correct?

22 A That is correct. Yes, sir.

23 Q So if you accounted for that 16 percent of full-time
24 equivalency population, that three number for Nevada would
25 actually be lower; correct?

1 A It would.

2 Q And I don't want to be caught doing math in public,
3 but if you included that 16 percent, would that -- that would
4 actually bring it below California; is that correct?

5 A I do not think it would, no, sir.

6 Q Closer, though; correct?

7 A It would.

8 Q And you discussed with Her Honor, but I just want to
9 make sure we're clear. According to the data you've looked at,
10 Nevada's market is not yet saturated for marijuana
11 dispensaries; correct?

12 A I don't think it's fully saturated, no, sir.

13 Q And you can't say that any particular jurisdiction in
14 Nevada is oversupplied; correct?

15 A I don't think I can say either way.

16 MR. J. SMITH: If you'd go to page 18, Brian.

17 BY MR. J. SMITH:

18 Q Again, the listing of all jurisdictions in Nevada.
19 You can't say that any of those jurisdictions is oversupplied
20 with dispensaries; correct?

21 A Yeah, I don't know that I could draw a conclusion
22 whether any -- any specific market is either under or
23 oversupplied, certainly not from the data that we're looking at
24 here.

25 Q Okay. And I want to clean something up. I mean, one

1 of your essential opinions in your -- in this -- in your report
2 and today is that the additional recreational dispensary
3 licenses will increase the overall market for marijuana;
4 correct?

5 A I want to be very careful that I answer your
6 question.

7 While I do think that is the case, I don't think it's
8 mutually exclusive with the fact that some market share is also
9 going to be redistributed. Again, using the factors that you
10 enumerated at the outset of our conversation here today, I
11 think those are all critically important in determining what
12 that mix looked like --

13 Q Sure.

14 A -- looks like, excuse me.

15 Q I understand not mutually exclusive. We'll talk
16 about the dilution effect here in a second.

17 A Okay.

18 Q But one of your opinions is that the additional
19 licenses will increase the size of the market; correct?

20 A I think it will.

21 Q That again, Say's law, if you build it, they will
22 come; correct?

23 A Yes, sir.

24 Q And part of the reason that happens is because
25 additional dispensaries will increase awareness and access to

1 the product, which leads to consumer's marginal -- for
2 increasing the consumer's marginal propensity to consume;
3 correct?

4 A Yes. I think the other side of it, of course, is --
5 at the outset of my analysis, is that the market was also
6 growing. I think the asterisk, the caveat that I put at least
7 as a parenthetical at the back end of our conversation is that,
8 you know, that is going to be much different when we are among
9 the fastest growing markets in the United States, as opposed to
10 when we're the fastest contracting markets in the United
11 States. But, generally speaking, I think the answer to your
12 question is, yes.

13 Q And the evidence you've looked at from other
14 jurisdictions like Colorado, Washington, and even so far in
15 Nevada, clearly indicates to you that as supply comes online,
16 demand continues to expand, and consumers are more willing to
17 consume; correct?

18 A That is correct. Yes, sir, Mr. Smith.

19 Q And despite the increase or the -- the increasing
20 effects of the additional licenses, the second part of your
21 opinion is that the additional licenses will cause current
22 licensees to experience some market share dilution; correct?

23 A Yes, sir. I believe that's the case.

24 Q But that effect occurs in any industry, regardless of
25 whether it's marijuana or fast food; correct?

1 A I would say, yes.

2 Q So if a -- if Clark County grants a business license
3 to a McDonald's, that will have the same effect to a Burger
4 King's market share; correct?

5 A Well, I wouldn't say it's the exact -- the effect may
6 not be the same in terms of order of magnitude, but the effect
7 would be present.

8 Q Right. But again, you didn't do any party-specific
9 analysis here; correct?

10 A Also, correct. Yes, sir.

11 Q So as a general proposition, the Burger King effect
12 is the same effect we're talking about here; correct?

13 A That is correct. Yes, sir.

14 Q And because the additional licenses coming online
15 will, in your opinion, decrease current licensees' market
16 share, that would be the case if, for example, licenses from
17 rural jurisdictions, or jurisdictions with moratoriums, were
18 reallocated to Clark County; correct?

19 A Yes, sir. I think it would happen that way.

20 Q So if a party, like the one that hired you, TGIG, is
21 trying to protect its market share, you would agree with me
22 that reallocating those licenses would decrease TGIG's market
23 share; correct?

24 A I didn't do that analysis, so I -- I don't know that
25 I can opine on that.

1 Q But you would expect that to happen, because that
2 would be additional supply coming online in Clark County;
3 correct?

4 A If I can just take one half a step back on your
5 hypothetical. If you're asking me whether additional supply
6 was to come online in Clark County, I do believe that there is
7 a high likelihood that that will lead to a redistribution of at
8 least some existing market share within Southern Nevada.

9 Q So TGIG would expect then to have its market share
10 decrease, just like we're talking about today, if licenses were
11 reallocated from a moratorium jurisdiction or a rural
12 jurisdiction; correct?

13 A Again, my intent here is not to be argumentative,
14 Mr. Smith. The only point that I'm trying to make is, I don't
15 know exactly what TGIG's market share is today. And TGIG is
16 the only new license that comes online, because it's the only
17 new one, it could theoretically increase its market share as a
18 result of being the only new licensee.

19 Among the existing license holders and storefronts, I
20 think what you're saying is absolutely correct. I just -- I
21 don't want to fall into a logical trap by saying, because they
22 move that one license down, that they would have a reduction in
23 market share. I don't necessarily believe that would be the
24 case.

25 Q Will that phenomena be true in the current situation

1 as well? Set -- set aside the rural jurisdiction reallocation,
2 you don't know for certain whether TGIG would experience a
3 market share decrease, even from the 2018 application licenses?

4 A Also correct. Yes, sir.

5 Q Were you involved at all -- or are you aware, I
6 should start with that -- that the Governor's Finance Office
7 conducted an audit of the 2018 licensing process?

8 A No, sir. I was not.

9 Q Have you ever seen that report?

10 A I have not.

11 Q But again, keeping with the TGIG hypothetical, if
12 TGIG's goal is to protect its market share, would you disagree
13 with the audit report's recommendation that licenses that are
14 unused from moratorium jurisdictions or other jurisdictions
15 should be relocated to Clark County. Would you agree with
16 that?

17 A I don't think I can agree or disagree with a report I
18 haven't read.

19 Q But again, it would be the market share decrease
20 dilution phenomenon from additional licenses coming online;
21 correct?

22 A Yeah, Mr. Smith, again, I'm happy to -- to talk about
23 any hypotheticals that you'd like to discuss. And if the
24 question is that an additional operator comes into the existing
25 market, I do believe that there is some distribution. If

1 that's what you're getting to, then I agree with you.

2 But again, I haven't read that report, so it's hard
3 for me to understand what the -- what the auditors set forth in
4 terms of their analysis that ultimately drew that conclusion.
5 I'd hesitate to offer an opinion on a report I haven't read.

6 Q Well, would you agree -- so if the audit report
7 opines that the State may be able to collect -- collect almost
8 2.3 million additional tax revenues per month from reallocating
9 those licenses, do you have any reason to dispute that finding?

10 A Again, I have no reason to -- to dispute it or agree
11 with it. I haven't read it.

12 Q But hypothetically, if the State were to follow the
13 audit report's recommendation to reallocate licenses from
14 jurisdictions where they're unused, to Clark County, that would
15 have a dilutive effect on TGIG's market share; correct?

16 A Again, I think it depends on which licenses, which
17 operators, that for -- just talking, in general, those licenses
18 come back online, yes, they are going to dilute it for the
19 existing -- the existing operators that are here, including, in
20 your hypothetical, TGIG.

21 If they are one of them, then maybe they'd be
22 slightly higher. If they're not one of them, maybe they'd be
23 slightly lower. But whatever their storefronts are that
24 currently exist, I do believe that there'd be some reallocation
25 of market share.

1 Q And again, you didn't specifically assess the impact
2 on any of the successful applicants from the -- or on any of
3 the successful applicants' existing operations from the new
4 licenses; correct?

5 A That is correct, sir.

6 Q And you agree with me that no license is guaranteed
7 any fixed or certain percentage of market share or sales;
8 correct?

9 A That is my understanding, sir.

10 Q And again, the dilutive effect here occurs simply
11 because more licenses are being issued; right?

12 A Well, the dilutive effect occurs because there are
13 more operators in the market. If you tie that back to more
14 licenses being issued, then the answer to your question is,
15 yes. But the dilutive effect doesn't come just because the
16 licenses are issued, it comes because the storefronts are
17 opened.

18 Q So --

19 A Again, it may be a difference without a distinction
20 for your purposes, but I want to make sure I'm clear.

21 Q That's fair, right, when they open up; correct?

22 A That's correct. Yes, sir.

23 Q Yeah. But you're aware, aren't you, that it was the
24 legislature and the voters' decision to have more licenses
25 issued, and then eventually new stores open up; correct?

1 A I'm aware that it was the voters that ultimately led
2 us down this path. Exactly how that translates into the -- the
3 question that's before the Court today, I don't know that I can
4 opine on that.

5 Q But the -- the dilutive effect that you're -- that
6 you've been analyzing occurs because the legislature decided to
7 create more available licenses that would open up; correct?

8 A No, sir. I don't think that's the case. The
9 dilutive effect that I'm talking about is irrespective of
10 wherever the licenses come from. What I was asked is purely
11 supply and demand dynamics.

12 Whether it comes because of this process, whether it
13 becomes from another process, or something that happens five
14 years from now, the fact is, the number of operators that
15 exist, the proximity to consumers, would leave me with the
16 opinion based on my experience that there's going to be a
17 dilutive effect.

18 Q So you weren't concerned with why new -- why new
19 licenses are being issued; correct?

20 A It was outside the scope of my analysis.

21 Q That's right. But you did testify with Mr. Gentile,
22 and I tried to write this down as closely as I could, that
23 whether licenses were issued lawfully or unlawfully, any new
24 license will take business away from existing dispensaries;
25 correct?

1 A I think so. Yes, sir. There's a high likelihood of
2 that occurring.

3 Q So no matter how the State in 2018 determined to
4 issue licenses, the dilutive effect is going to occur; correct?

5 A Yes, sir, so long as the operations come online.

6 Q And the dilutive effect that you've analyzed would
7 happen without regard to whomever -- whichever party won or
8 lost a license; right? So if, for example, my client didn't
9 receive a license, the dilutive effect that you're referring to
10 would be the same as the one we're discussing with the current
11 unsuccessful licenses; correct?

12 A Mr. Smith, I don't know that that's necessarily the
13 case. I would go back to, at the outset of our conversation
14 where you laid out, I think very eloquently, the sort of
15 criteria, the physical location, the growth of the market, you
16 know, those type of things. Ultimately, I think the dilutive
17 effect is going to be affected by each one of those on a case-
18 by-case basis.

19 So using, again, your hypothetical, wherever your
20 client was physically located, somebody opens up immediately
21 next-door to them, I think the dilutive effect would be --
22 could be significantly greater.

23 Q And also, if my client has a really great location,
24 it's possible they might not experience any dilutive effect;
25 correct?

1 A Yeah, sure. Certainly, that's possible.

2 Q And Mr. Hone touched on this, but I want to make
3 sure.

4 You didn't quantify any of the plaintiffs' existing
5 market share; correct?

6 A I did not.

7 Q You didn't calculate it before December of 2018 when
8 the licenses were awarded; correct?

9 A I did not.

10 Q And you didn't calculate any of the plaintiffs'
11 market share before March of 2020 and COVID -- the COVID
12 pandemic; correct?

13 A I did not. That is correct, sir.

14 Q And you realize that the licensing decisions made by
15 the State were made well before COVID; correct?

16 A I am aware of that. Yes, sir.

17 Q And again, you don't -- you haven't quantified the
18 plaintiffs' market share as it exists today; correct?

19 A No, sir. I have not done that for any individual
20 licensee.

21 Q And are you aware that some of the plaintiffs don't
22 have any existing dispensary operations? Were you aware?

23 A I am not.

24 Q So, for example, THC and Herbal Choice, who are just
25 cultivators and have no dispensary, you would agree with me

1 that their current market share is zero right now; correct?

2 A I haven't done that analysis, so I don't know that I
3 could agree or disagree. But, obviously, someone who isn't
4 operating wouldn't have market share.

5 Q Right. And couldn't be diluted then as well;
6 correct?

7 THE COURT: Mr. Smith, your mask. Sorry.

8 BY MR. J. SMITH:

9 Q And their market share couldn't be diluted as well if
10 it's already zero; correct?

11 A So long as they had no interest. I mean, obviously,
12 the cultivators are ultimately part of the supply chain, and
13 without us going down, you know, a very long road, the supply
14 chain is obviously dependent on the marketability at the retail
15 front.

16 So again, while that's a more complicated question
17 than I think we're talking about here today, I don't want to
18 leave you with the impression that they couldn't be somehow
19 negatively impacted, because I'm not entirely clear in terms of
20 how the dynamic occurs between individual cultivators and
21 individual retailers.

22 Q Sure, but if we're just talking about sales,
23 recreational sales of product, their market share would not be
24 diluted, because they don't have any; correct?

25 A That would be correct at the retail level. Yes, sir.

1 THE COURT: Mr. Smith, if you could pull your mask
2 back up, please. Thank you.

3 MR. J. SMITH: I apologize, Your Honor.

4 THE COURT: I know. We've been doing this how long?

5 MR. J. SMITH: A few weeks now, including back to
6 May, so.

7 THE COURT: Yeah, you and I started in May.

8 BY MR. J. SMITH:

9 Q And I just want to also touch on your drive time
10 analysis a little bit.

11 A Yes, sir.

12 Q You looked primarily at Clark County; right?

13 A Exclusively, at Clark County.

14 Q So you didn't do a drive time analysis about ready
15 access in any other jurisdictions, like Washoe; correct?

16 A We did not. No, sir.

17 Q And your analysis didn't look at the effect of
18 marijuana sales on Indian reservations; correct?

19 A It did not. No, sir.

20 Q Your definition of the market here focused
21 exclusively on legal sales; correct?

22 A It did. Yes, sir.

23 Q And you don't know how many illegal sales would
24 convert to legal sales if there were more dispensaries from the
25 new licenses and lower prices as a result; correct?

1 A I do not.

2 Q And in the past, I believe you testified that you've
3 been asked by the State of Nevada, and the legislature, and
4 perhaps even the Governor to analyze the effect of marijuana
5 sales on tax revenue and education funding; correct?

6 A Yes, sir, from time to time.

7 Q Did you do any analysis of tax revenues for the
8 special sessions this summer?

9 A Yes.

10 Q And did you do any forecasts that included revenue
11 from the marijuana industry?

12 A Yes, sir.

13 Q And how many dispensaries -- how many dispensary
14 licenses were included in your analysis?

15 A We didn't analyze it that way. We simply allowed the
16 increase. Since we're only looking over the next two fiscal
17 years, and we're doing it relatively conservatively, we
18 utilized the Economic Forum's estimates, I believe, for the
19 marijuana growth.

20 Q But were those forecasts based on the 120 or so
21 licenses, including the new ones?

22 A It would have been whatever -- whatever existed or
23 was assumed to exist by the Economic Forum. Again, the
24 analysis that we did was based on trying to estimate what the
25 fiscal deficit was going to be for the State. And then the

1 second piece dealt specifically with mining tax, so it wouldn't
2 be specific to this.

3 But again, the analysis was not at the level of
4 granularity that our conversation might suggest, relative to
5 what is a relatively modest source of revenue for the State of
6 Nevada.

7 Q I'm just trying to -- I'm just trying to ascertain,
8 sir, whether the forecast you did for the legislature this past
9 summer in the special sessions included 120 or so operational
10 marijuana dispensaries.

11 A Yeah, and I'm just telling you that I -- I did not
12 analyze the number of dispensaries as part of that analysis.

13 Q Okay. Well, do you know whether your forecast for
14 the special sessions included 120 or so?

15 A I do not.

16 THE COURT: You relied upon the information from the
17 Economic Forum?

18 THE WITNESS: We utilized the information from the
19 Economic Forum, and then just kind of pressed it forward based
20 on known growth rates.

21 THE COURT: Okay.

22 BY MR. J. SMITH:

23 Q Would that information have delineated or detailed
24 whether they were presupposing 120 or so?

25 A Not that I'm aware of, no. But it certainly could

1 have, I'm just not aware of it.

2 MR. J. SMITH: And Brian, if you could, go to page 27
3 of the report, please.

4 BY MR. J. SMITH:

5 Q And I'll use this chart as an example. My question's
6 a little bit broader.

7 The dots on this chart and your other bar graph
8 charts, did they presuppose that all of these dispensaries are
9 open and operational?

10 A Yes, sir.

11 Q So if some of these dots were locations for
12 dispensaries that don't have any existing operations, that
13 would impact your opinions; correct?

14 A Well, it certainly -- if the dot is there and it has
15 a physical location, it has the ability to provide that
16 service; right?

17 Q Well, you're assuming it's open and operational;
18 correct?

19 A Well, I'm assuming it has the potential to be open
20 and operating, because it's an approved license. Whether it
21 happens today, or whether it happens five -- a year from now is
22 somewhat irrelevant.

23 Q But if the nearest building where a -- where a
24 dispensary should be located is not operational, the residents
25 in that vicinity would not have ready access?

1 A Oh, that would be true. Yes, sir.

2 Q So in that regard, some of your opinions and drive
3 time analysis might change if those dispensaries are not open
4 and operational; correct?

5 A It would -- it would change my opinion relative to
6 the immediacy of the impact, but the fact that it's a physical
7 location would mean that licensee at that location has the
8 ability to provide that service to that population. They
9 simply, I suppose, are choosing not to.

10 Q But even --

11 MR. J. SMITH: Brian, if you would go to -- back to
12 page 8.

13 BY MR. J. SMITH:

14 Q But even this chart that says Nevada has about three
15 dispensaries per 100,000 legal users, that number presupposes
16 that the dispensaries are open and operational; correct?

17 A Yeah, it presupposes that they're -- they're --
18 they've been approved; right?

19 I don't know that I could tell you in Alaska, or in
20 Michigan, or in Massachusetts whether one or two of the
21 dispensaries is under construction, or is planned, that is
22 approved and hasn't quite opened, or is expanding, or something
23 along those lines. We used the information from each
24 department relative to the number of approved licenses that
25 existed.

1 MR. J. SMITH: No further questions, Your Honor.
2 Thank you.

3 THE COURT: Thank you. Could you wipe down the
4 lectern area.

5 Do I have any other defendant intervenors who would
6 wish to question at this time?

7 Mr. Koch.

8 Mr. Shevorski, Ms. Levin, how long do you have?

9 MS. LEVIN: Well, at the rate it's going, not much.

10 THE COURT: Okay. Thank you, Mr. Smith.

11 MR. J. SMITH: Thank you, Your Honor. Thank you for
12 your time, Mr. Aguero.

13 THE WITNESS: Thank you, Mr. Smith.

14 CROSS-EXAMINATION

15 BY MR. KOCH:

16 Q And Mr. Aguero, I'd like you to answer questions
17 quickly and to the point, so I think we're making -- to get
18 through this quickly. I appreciate that.

19 A Yes, sir.

20 Q My understanding is, they now see it as more of sort
21 of a macro analysis rather micro, you weren't looking at
22 individual stores or locations; is that right?

23 A That's correct, sir. Yes.

24 Q Okay. So for Say's law, for example, you've said
25 that may not apply here because of particular factors, and

1 that's on a -- on a broad sort of macro level; right?

2 A Well, look, I think it will apply. I think the
3 supply is always going to create its own demand in one way or
4 another. I just don't think it completely eliminates the
5 dilution effect.

6 Q Right. So there's countervailing factors. There's
7 the dilution affect that would apply to other stores losing
8 potential sales, market share, or whatever you want to call it.
9 But in Say's law, it would say maybe we increase that, you're
10 just not sure whether Say's law would overwhelm dilution, or
11 dilution would overwhelm Say's law?

12 A That's absolutely correct. The only thing that I
13 would add to that is that I'm not worried about one
14 overwhelming the other. It's not sort of like a preponderance
15 of the evidence test.

16 Q Right.

17 A The question that I was asked is whether the opening
18 of a new storefront -- pardon me -- the opening of a new
19 storefront would lead to some degree of dilution, and I think
20 the answer to that question is, yes. Whether that's 1 percent,
21 25 percent, or 99 percent I think depends on many of the
22 factors that Mr. Smith eloquently provided during our
23 conversation.

24 Q All right. And where that store would be located
25 would -- if you're doing a micro analysis, that would depend --

1 the effect of that one store being located would differ for
2 stores in the location, and you went through that.

3 If you open a store in Northwest Las Vegas, likely to
4 have less of a dilution effect in Henderson; right?

5 A That'd -- that'd be correct. Yes, sir.

6 Q Okay. And rural stores unlikely to have much of a
7 dilution effect in Las Vegas; right?

8 A That's correct.

9 Q Okay. And so your analysis, wouldn't pertain to
10 Say's law, did not attempt to and analyze a particular store,
11 going into a particular spot, and whether a great location
12 would increase supply -- or sorry, increase demand because of
13 that store being in that location?

14 A That is correct, sir.

15 Q Okay. And there was some questions that were asked
16 -- well, let me ask this question.

17 It's possible, isn't it, that a new store coming in
18 could actually take away market share from that establishment's
19 own other existing stores; right?

20 A I think it'd be likely.

21 Q Right. So, Mr. Smith talked to about McDonald's and
22 Burger King, let's say, and there's a town, there's one
23 McDonald's and one Burger King. If you put in a new McDonald's
24 opposite the corner of the other McDonald's, it's likely to
25 have some dilutive effect on the other -- the existing store;

1 right?

2 A All right. Let me make sure I understand your
3 question and I'll just put it in my own words.

4 What you're saying is that there's a McDonald's that
5 exists on the corner of an intersection. Somebody puts in
6 another McDonald's in on the -- the -- kitty-corner to that
7 same McDonald's, is that going to redistribute market share?

8 Q Right.

9 A Yes, it will.

10 Q And likely to impact the existing McDonald's in a
11 substantial way; right?

12 A I would say the answer to that's, yes.

13 Q And with respect to substitutes, though, let's say
14 somebody really likes Big Macs and they go to McDonald's all
15 the time. The addition of a new Burger King may not affect
16 that particular customer's buying choices; right?

17 A Not all customers, all the time; right? The
18 fundamental question is, is that customer willing to drive past
19 the Burger King to get to the McDonald's?

20 Q Right. And that was not part of your analysis. You
21 weren't trying to do an analysis whether this store is better
22 than that store, or more preferred by one customer than the
23 other store; is that right?

24 A The first part of your question, whether it was part
25 of my analysis, I think that it was; right? The -- the whole

1 idea behind this concept of a dilution effect versus Say's law,
2 as you and I have talked about, I think it's fundamental to my
3 analysis.

4 But I think that your specific question is, did I
5 look at one specific site and compare it with one existing
6 operator, and determine the extent of which that operator would
7 be diluted by that specific site? No, sir. I did not.

8 Q Okay. And for example, in this case, Planet 13,
9 understanding it's one of the -- the bigger operators, you
10 didn't do an analysis to see whether Planet 13's customers have
11 some sort of loyalty to that establishment such that a
12 neighboring store opening up would affect Planet 13's
13 particular market share, did you?

14 A Yeah, I did not do that analysis, but I would
15 certainly assume as -- as an underpinning to my analysis, that
16 that would absolutely occur.

17 Q All right. And I guess with respect to Say's law,
18 the -- the -- the limitation on that is, if we've got sales of,
19 I think it was -- what was it like, 10 million a store, or
20 something like that --

21 A That's correct.

22 Q -- that was listed? You would not expect the
23 addition of a new store coming in to automatically result in
24 \$10 million in incremental sales; right?

25 A I -- I think I would not expect that --

1 Q Okay.

2 A -- that's correct.

3 Q But you don't know what that number would be, whether
4 it would be, you know, 8, 9, 7, and how that would actually
5 impact other stores around; is that right?

6 A I think, that's generally correct. I mean, again, I
7 think it goes to sort of the -- the outline that Mr. Smith
8 included, but I think I also outline in my report; right?

9 Q Okay.

10 A You're also talking about -- I think your
11 hypothetical is about one new licensee, not a number of new
12 licensees coming in and opening a number of new storefronts. I
13 think the dynamic of that has the potential to reduce it.

14 But to your point, I think my answer to your question
15 is, yes, I can't tell you whether it takes it to 10.1, or 1.5.
16 But I -- I would expect that there would be a dilution effect
17 associated with that.

18 Q Very good. Thank you.

19 MR. KOCH: No further questions.

20 THE WITNESS: Thank you, sir.

21 MR. KOCH: Thank you.

22 THE COURT: Mr. Koch, could you wipe down the lectern
23 area?

24 Any additional defendant intervenors wish to inquire?

25 Ms. Levin, you're up next. Thank you, Mr. Koch.

1 MR. KOCH: You're welcome. Thanks for the reminder.

2 MS. LEVIN: Thank you.

3 CROSS-EXAMINATION

4 BY MS. LEVIN:

5 Q Good afternoon, Mr. Aguero.

6 A Good afternoon, Ms. Levin.

7 Q I just have a very few follow up questions. We've
8 already talked a lot about the 15-minute drive time that you
9 kind of base your opinion on. I believe that you testified
10 that, you know, when people drive to and from work, they would
11 be at any time, within 15 minutes of a -- a marijuana
12 establishment; did I understand that correctly?

13 A I don't think you understood it 100 percent, so just
14 let me clarify. And perhaps I wasn't entirely clear.

15 That analysis is based on where someone lives versus
16 the closest establishment. Because I may drive five minutes,
17 or ten minutes, or five miles, or ten miles to get to my job,
18 or to take my kid to school, or something along those lines,
19 I'm likely to be much closer to that than my residence would
20 normally be. I think for many consumers, they probably drive
21 past a dispensary at some point during a normal commuting day.

22 And so, I tried to use the analysis that you and I
23 are talking about here, to be representative of proximity to
24 where I live, to where I go to consume something, but I would
25 certainly suggest to you that a typical consumer is going to be

JD Reporting, Inc.

1 closer to a dispensary than that analysis would otherwise
2 suggest.

3 Q Okay. And I think that in your report you said some
4 -- you had percentages of, I believe, 95 percent live about 15
5 minutes away from a -- a recreational dispensary?

6 A That's correct. Yes, ma'am.

7 Q And then I think -- but then I think only 26 percent
8 or so is within a five-minute distance of a dispensary; is that
9 correct?

10 A Also correct. Yes, ma'am.

11 Q Okay. Now, and just to confirm, you did not do any
12 study as to how far marijuana customers are willing to drive
13 to -- to get to a dispensary; correct?

14 A You are correct. I did not do that.

15 Q Okay. During your deposition, and I think today as
16 well, you testified that if legal marijuana is more available
17 and prices in the legal market go down, that would reduce the
18 share of the market that's presently held in the black market;
19 correct?

20 A I believe that's the case, yes, ma'am.

21 Q And I think you said that the black market right now
22 approximately accounts for between 40 and 60 percent of the
23 total market in marijuana?

24 A That is my belief, yes, ma'am.

25 Q So do you -- would you expect to see a drop in legal

1 marijuana prices if additional licenses are added?

2 A You know, that's a really good question. And I don't
3 know that we -- I could necessarily opine one way or the other.
4 I mean, obviously, Nevada has a very -- relatively robust, as
5 you're well aware, taxing structure in terms of -- of that
6 cost.

7 In addition to that, we already have 68 operators, or
8 68 outlets, I guess I should say, that exist in the market
9 today. They clearly have the capacity to compete on price even
10 at that level, and yet those prices tend to be somewhat higher.

11 And to that question, I do believe that is keeping a
12 higher than we would have expected to otherwise see, share of
13 consumers within that black market.

14 Q Right. But -- but again, do you -- would you expect
15 to see a drop in legal marijuana prices if additional licenses
16 are added?

17 A Yeah. So I wasn't very clear in my response to you,
18 was I. The answer to that question is, I -- I don't know the
19 answer to that question. I could see why it could occur.

20 I would also suggest that there are reasons why we
21 would think it would not occur, because of where the price is
22 today and the tax dynamics that underlie the cost of providing
23 that service.

24 I don't have evidence that there's a, you know, there
25 are market fundamentals that would lead to a suggestion that

1 additional competitors are necessarily going to put downward
2 pressure on pricing. But, generally speaking, increased
3 competition means lower prices to consumers.

4 Q That was going to be my next question.

5 A Yes.

6 Q Right. So -- so if -- if -- if that was the case, if
7 there was a -- a drop in -- in legal pricing of marijuana, then
8 the legal market could expand its share of the sales compared
9 to the black market. Wouldn't that be fair to say?

10 A Look, it's a bit beyond the scope of what I was asked
11 to do. But the fundamentals underlying that, I don't think are
12 unsound.

13 Q Okay.

14 A You just said -- and I want to make sure that I'm
15 clear about this -- if the price of marijuana that is provided
16 legally, were to drop, do I believe that that would create an
17 incentive for more people that are buying marijuana illegally,
18 to -- to buy marijuana legally? I do. I think that answer to
19 that's yes.

20 Q And -- and that would upset some loss of the market
21 share that we've been discussing today, right --

22 A It would.

23 Q -- if that's the case?

24 A It would --

25 Q Okay.

1 A -- also benefit existing operators here, right.

2 Q Okay. And then the final question, you've already
3 testified to this, but the impact -- you did not include in
4 your opinion the impact, what an -- what impact an increase of
5 additional licenses would have on a particular license holder
6 such as the plaintiffs here, that you testify for; correct?

7 A Yes, ma'am. That is correct.

8 Q So, for example, you did not take into consideration
9 whether any of the plaintiffs have sold their dispensaries
10 or -- and licenses in this case; correct?

11 A I did not.

12 Q So if, for example, one of the plaintiffs, MediFarm,
13 sold one dispensary in Las Vegas and one in Reno, that would
14 have reduced -- they would reduce their own market share.
15 Would that be fair to say?

16 A I -- I suppose so. But, I guess, equally, I did not
17 consider the market share of the new person that acquired that
18 license that I would assume --

19 Q Sure.

20 A -- bargained in that transaction. But, I mean, let
21 -- I'm sorry, let me very direct to your question. No, I did
22 not analyze that in any way.

23 Q Okay. Thank you.

24 MS. LEVIN: I have nothing further. Thank you so
25 much.

1 THE WITNESS: Thank you, ma'am.

2 THE COURT: Anyone else wish to inquire? Mr.
3 Gentile?

4 (Pause in the proceedings.)

5 REDIRECT EXAMINATION

6 BY MR. GENTILE:

7 Q Mr. Agüero, this --

8 MR. GENTILE: What -- what exhibit number is this,
9 what's the demonstrative?

10 I.T. TECH: D36.

11 MR. GENTILE: Okay.

12 BY MR. GENTILE:

13 Q This demonstrative exhibit was created by your
14 office?

15 A It was.

16 Q Okay. And each of those white dots represents a
17 dispensary. Am I correct?

18 A Yes, sir, it does.

19 Q A retail dispensary?

20 A It does, yes, sir.

21 Q Okay. And the list from which -- the list that you
22 used to create this document, this -- these white dots, was
23 from a document published by the Department of Taxation, Open
24 Dispensaries as of January 2020, that was found at

2 Oppositions) to Plaintiffs’ underlying Motion².

3 **POINTS & AUTHORITIES**

4 **I.**
5 **REPLY**

6 **1. Contrary to the DOT’s contention, the current administrative record is incomplete.**

7 The DOT begins its Oppositions’ argument section with the contention the current
8 administrative records is complete. *Id.*, at 5:23 to 7:21. In support of this contention, the DOT
9 argues, in pertinent part:

10 The only documents that should be part of the record are those that were
11 considered in grading the TGIG Plaintiffs’ applications.[Footnote omitted.] The
12 grading, which resulted in scores so low that none of the TGIG Plaintiffs received
13 licenses, constituted the “proceeding[s]” here. *See SAC, supra*, ¶¶ 93-98. The
14 TGIG Plaintiffs’ contested case is based on allegations that the scoring “lacked
15 substantial evidence,” among other things. *See id.* ¶ 97. Thus, the record of the
16 proceedings is the documents submitted to and reviewed by the Department in the
17 course of grading the TGIG Plaintiffs’ applications.

18 See DOT’s Opposition, at 6:4-10.

19 The DOT cites to and relies upon Plaintiffs’ Second Amended Complaint for the
20 contention Plaintiffs’ Judicial Review claim centers only on grading. Upon setting-up this
21 proverbial strawman, the DOT then goes about arguing because the only issue involved is
22 grading, its administrative record is complete. The DOT’s contentions are incorrect. Rather,

23 ¹ The Department of Taxation (“DOT”) filed on July 23, 2020, the *Department of Taxation’s*
24 *Opposition to TGIG’s Motion to Supplement the Administrative Record; to Permit Plaintiffs to*
Offer Extra-Record Evidence; and to Enlarge Time for Filing Opening Brief.

25 Defendant/Intervenor, Clear River LLC (“Clear River”) filed on July 23, 2020, *Clear River*
26 *LLC’s Opposition to Plaintiffs’ Motion for Order Requiring the DOT to Supplement and*
27 *Recertify the Administrative Record; to Permit Plaintiff’s to Offer Extra-Record Evidence at the*
Hearing of Judicial Review; and to Enlarge Time for Filing Opening Brief.

28 ² “Motion” refers to Plaintiffs’ *Motion for Order Requiring the DOT to Supplement and Recertify*
the Administrative Record; to Permit Plaintiffs to Offer Extra-Record Evidence at the Hearing of
Judicial Review; and to Enlarge Time for Filing Opening Brief filed July 9, 2020.

1 instead of allegations just centered on grading, the Second Amended Complaint alleges as
2 follows regarding the Petition for Judicial Review claim for relief:

3 **FOURTH CLAIM FOR RELIEF**
4 **(Petition for Judicial Review)**

5 93. Plaintiffs repeat and re-allege all prior paragraphs as though fully set forth
6 herein.

7 94. The Department, in misinterpreting and incorrectly applying the
8 provisions of NRS 453D, NAC 453D and the related Nevada laws and
9 regulations, has exceeded its jurisdiction by improperly issuing licenses to
10 applicants that do not merit licenses under the provisions of NRS 453D, NAC
11 453D, and R092-17.

12 95. Plaintiffs are aggrieved by the decision of the Department to deny
13 Plaintiffs' Applications without proper notice, substantial evidence, or compliance
14 with NRS 453D, NAC 453D, R092-17, and other Nevada state laws or
15 regulations.

16 96. There is no provision in NRS 453D, NAC 453D, or R092-17 allowing for
17 an administrative appeal of the Department's decision, and apart from injunctive
18 relief, no plain, speedy, and adequate remedy for the Department's improper
19 actions.

20 97. Accordingly, Plaintiffs petition this Court for judicial review of the record
21 on which the Department's denials were based, and an order providing inter alia:
22 a. A determination that the decision lacked substantial evidence;
23 b. A determination that the denials are void ab initio for non-
24 compliance with NRS 453D, NAC 453D, R092-17, and other
25 Nevada laws or regulations; and
26 c. Such other relief as is consistent with those determinations.

27 98. As the actions of the Department have necessitated that Plaintiffs retain
28 the legal services of Clark Hill PLLC, and incur fees and costs to bring this
action, Plaintiffs are also entitled to an award of attorneys' fees and costs of suit.

29 Id., at 19:8 to 20:1.

30 Even a cursory review of Plaintiffs' Judicial Review claim reveals it places in issue more
31 than simply grading of Plaintiffs' applications. Instead, DOT was placed on notice via Plaintiffs'
32 pleading that, in part, the Judicial Review claim encompasses contentions it:
33

1 * misinterpreted and incorrectly applied the provisions of NRS 453D, NAC 453D
2 and the related Nevada laws and regulations;

3 * exceeded its jurisdiction by improperly issuing licenses to applicants that do not
4 merit licenses under the provisions of NRS 453D, NAC 453D, and R092-17;

5 * denied Plaintiffs' Applications without proper notice, substantial evidence, or
6 compliance with NRS 453D, NAC 453D, R092-17, and other Nevada state laws or
7 regulations; and

8 * seeks judicial review of the record on which the DOT's denials were based, and
9 an order providing inter alia:

- 10 a. A determination that the decision lacked substantial evidence;
- 11 b. A determination that the denials are void ab initio for non-
12 compliance with NRS 453D, NAC 453D, R092-17, and other
Nevada laws or regulations; and
- 13 c. Such other relief as is consistent with those determinations.

14 Id.

15 Thus, even just referring to Plaintiffs' Second Amended Complaint, as the DOT does to
16 support its argument, it becomes clear the same placed more at issue than simply grading. Thus,
17 the current state of the administrative record is deficient and should be supplemented, as argued
18 in Plaintiffs' Motion.

19 As addressed in Plaintiffs' Motion, the administrative record is not just "those documents
20 that the agency has compiled and submitted as 'the' administrative record." Thompson v. U.S.
21 Dept. of Labor, 885 F.2d 551, 555 (9th Cir. 1989) (citation omitted). Rather, it must be "the
22 whole record," which "includes everything that was before the agency pertaining to the merits of
23 its decision." Portland Audubon Soc'y v. Endangered Species Comm., 984 F.2d 1534, 1548 (9th
24 Cir. 1993) (citation omitted). In other words, the "whole record" encompasses "all documents
25 and materials directly or indirectly considered by agency decision-makers and includes evidence
26 contrary to the agency's position." Thompson, 885 F.2d at 555.

27 As this court is aware, the consolidated cases herein are being tried in three phases. The
28 judicial review portion was originally set to be heard as Phase 1. Instead, Phase 2 is being tried
first which addresses certain constitutional issues, among other things. As part of Phase 2,

1 Plaintiffs in the consolidated cases have filed a Motion for Terminating Sanctions against the
2 DOT. An evidentiary hearing on terminating sanctions commenced on July 13, 2020. That
3 hearing has now been suspended. At the first day of the hearing on terminating sanctions, Deputy
4 Attorney General David Pope testified for the full day. Among other things, Mr. Pope testified
5 as follows:

- 6 1. To the extent that employees of DOT had personal cell phones that they used for
7 business purposes, the cell phones and information contained therein were subject to
8 the DOT's Mobile Device policies including but not limited to a duty of preservation.

21 Hernandez, Pupo or Cronkhite. Transcript at 234:8-21.

23 Sprint. Transcript at 222:3-8.
- 24 9. Cronkhite offered to turn her personal cell phone over to Deputy AG Pope in or about

26 otherwise to retrieve data contained thereon. Transcript at 222:23-223:14; 223:24-
27 224:6.

27 While Plaintiffs will never know precisely what information and data was contained on
28 the personal cell phones of Cronkhite, Pupo and/or Hernandez, to a near certainty the

1 information includes information which constitutes “materials directly or indirectly considered
2 by agency decision-makers and includes evidence contrary to the agency's position” and should
3 have been turned over by the DOT as part of the Administrative Record. While Plaintiffs’
4 current Motion seeks an Order requiring the DOT to supplement the administrative record with
5 cell phone records, text messages and other documents, it now appears that a great portion of the
6 administrative record Plaintiffs seek simply does not exist any longer because of the DOT’s
7 actions in failing to preserve personal phone records and text messages and produce them in this
8 litigation.
9

10
11 At her deposition, Amanda Connor testified regarding a text message exchange by and
12 between her and Pupo which was discovered via subpoena to Connor & Connor. See A.
13 Connor’s 6-17-2020 rough depo. transcript, at pgs. 229-30 (referring to text message at pg. 1330)
14 Therein, Connor sets forth a list of topics for her and Pupo to discuss including important matters
15 relating to the application process and scoring of applications, including but not limited to
16 Attachments E, I and F of the Application and the “requirement for a location or physical
17 address.” Id. Pupo suggests Connor speak to Steve Gilbert. Connor responds that she would
18 “prefer to talk to you when you are available ... it can wait.” Id.
19

20
21 Indeed, eight days following the text message exchange, Amanda Connor, along with one
22 of her clients Armen Yemenidjian, met with Pupo at Hanks. Id. Although the request was to
23 discuss policies regarding disclosure of property locations, there are no records in the certified
24 administrative record revealing anything about the DOT’s actions relating to adopting a policy
25 with respect to disclosure of property locations. Amanda Connor, did, however, testify at her
26 deposition that “I was contacting him about issues that I saw in the application that they had
27 released, and it’s my understanding other individuals did so as well.” Deposition of A. Connor
28

1 at 244:12-15. Additionally, she recalled “speaking with him about if a location would be scored.”
2 248:24-249:1.

3 Any and all records of such communications have been destroyed and the DOT has failed
4 to present any material in the certified administrative record which deals with the DOT’s
5 policies. This is further and additional evidence of the fact that the administrative record is
6 incomplete, not to mention spoliation of evidence on the part of the DOT.
7

8 **2. The DOT’s untimely discovery argument.**

9 Next, the DOT argues Plaintiffs’ Motion should be denied because it amounts to an
10 untimely attempt at discovery. See Opposition, at 8:3-27. In part, the DOT argues:

11 For example, the TGIG Plaintiffs ask the Court to order the Department “to
12 review its files again and require it to include as part of the Administrative Record
13 any and all documents referring or relating to the [Department’s] creation and
14 adoption of Application Ver[sion] 1 and the reasons for discarding it in favor of
15 Application Ver[sion] 2.” TGIG Mot., supra, at 17. Similarly, they ask the Court
16 to “order the [Department] to review its files again and require it to include as part
17 of the Administrative Record any and all documents referring or relating to the
18 [Department] adoption of a policy that an applicant’s actual historical compliance
19 record would not be considered in the final rankings.” *Id.* at 20.

20 See Opposition, at 8:8-16.

21 Plaintiffs’ Petition for Judicial Review addresses, in part, alleged irregularities in
22 procedure before the DOT. See NRS 233B.135(1)(b). It also, in part, addresses contentions
23 concerning violation of constitutional or statutory provisions (NRS 233B.135(3)(a)), whether the
24 DOT’s decisions concerning applications was made in excess of statutory authority (NRS
25 233B.135(3)(b)), made upon unlawful procedure (NRS 233B.135(3)(c)) or, in part, were affected
26 by other errors of law (NRS 233B.135(3)(d)).

27 Concerning versions 1 and versions 2 of the application and with the above in mind,
28 Plaintiffs’ Motion, with “sufficient specificity” directed the Court to the fact that the DOT
adopted a policy that it was sufficient for an applicant to disclose a “physical location” on the
application but it could be any address at all regardless of whether it was related to the

1 applicants' present or proposed operations. See Motion, 8:21-25 (citing deposition of Gilbert at
2 61:3 – 62:25, attached as Exhibit 5 to the Motion).

3 The administrative record, however, does not contain one single document which does or
4 could explain the factors that were considered in adopting this policy. The administrative record
5 likewise fails to contain documents related to the approval of application version 1 and the
6 replacement thereof with application version 2. So too does it fail to contain anything related to
7 the adoption of a policy to allow applicants to include any physical address in its application
8 even if the applicant did not own the property and/or have a lease or other property agreement to
9 use the location for the proposed marijuana establishment.

10 In light of the above, Plaintiffs' Motion properly sought to have the administrative record
11 supplemented with documents referring or relating to the DOT's adoption of a policy that an
12 applicant could disclose any physical location regardless of whether the location was related in
13 any way to the applicants' present or proposed operations and/or whether the applicant owned
14 the property or had a lease or other property agreement to operate a marijuana dispensary thereat.
15 These requests are made with sufficient specificity and supported by evidence already adduced
16 during discovery (i.e., Gilbert deposition testimony and applications 1 and 2).

17 DOT's Opposition also contends Plaintiffs' request the administrative record be
18 supplemented with documents pertaining to historical compliance is but an untimely discovery
19 request. Again, DOT's position ignores NAC 453D.272 (see Motion, at 18:8-21) as well as the
20 specific discovery cited in Plaintiffs' Motion which demonstrates the administrative record
21 should have included such documents in the first instance. For instance, in addressing NAC
22 453D.272, Plaintiffs' Motion provides:

23 This Regulation is not ambiguous and can only be read to require that
24 rankings be based, in part, upon actual compliance history of an applicant.
25 Indeed, Deonne Contine, former Director of the DOT, testified that the law
26 required the DOT to take into account the history of regulatory compliance of
27 applicants and that past deficiencies should have been taken into account in the
28 ranking process. [PI Transcript of Contine testimony at 73:16-74:8; 140:11-15;
144:8-15 attached hereto as Exhibit 9].

Yet, Karalin Cronkhite of the DOT testified that none of the graders for
any portion of the application considered, reviewed or awarded any points for an

1 applicant's actual historical compliance with Nevada's marijuana statutes or
2 regulations. She testified that they did not consider whether the applicant has
3 "demonstrated a record of operating such an establishment in compliance with the
4 laws and regulation of this State" as required by NAC 453D.272. Ms. Cronkhite
5 testified that she did not remember any conversations at the DOT discussing
6 whether or not as part of the application evaluation process the actual historical
7 compliance of an applicant should be considered. Nor did she remember seeing
8 any kind of a document where the issue of whether actual historical compliance
9 should be considered in the evaluation process. Nor did she recall any applicant's
10 ranking being adjusted based upon actual historical compliance. [Cronkhite
11 Rough Transcript at 242:5 – 246:21 attached hereto as Exhibit 10].

12
13 Ms. Cronkhite also testified that the DOT maintained licensee files that
14 contained results of audits, statements of deficiency, plans of correction and other
15 documents related to historical compliance of an applicant. However, she
16 testified that graders were not provided access to the files to evaluate historical
17 compliance. [Cronkhite Rough Transcript at 239:6-240:8 attached hereto as
18 Exhibit 10].

19
20 Thus, Ms. Contine, as the Director of DOT, believed historical
21 compliance was to be considered in ranking. Ms. Cronkhite stated her belief that
22 historical compliance was not to be considered and, in fact, was not considered in
23 the ranking.

24
25 The DOT's 30(b)(6) witness testified that Jorge Pupo decided to remove
26 evaluation of past deficiencies from consideration during the application and
27 grading process. [Gilbert at 118:11-21 attached hereto as Exhibit 5]. This is
28 important because at least one successful applicant had been found to have sold
marijuana to minors three times in close succession. Mr. Hernandez
recommended a 30 day suspension. [Hernandez 225:5-227:17, 249:7-25 attached
hereto as Exhibit 11]. The DOT admits that, as part of its ranking process, it did
not consider the fact that Essence had been investigated for sales to minors
[Gilbert 118:20- 119:21 attached hereto as Exhibit 5].

It defies common sense that there would not be a single document
contained in the Administrative Record that refers or relates to this important
topic. This Court should order the DOT to review its files again and require it to
include as part of the Administrative Record any and all documents referring or
relating to the DOT's adoption of a policy that an applicant's actual historical
compliance record would not be considered in the final rankings. Should the
DOT not have any such documents, the Court should require it to certify as such
and allow that certification as evidence in the judicial review portion of the trial to
establish arbitrary and capricious agency action.

Further, the actual historical compliance record of successful applicants
should be deemed part of the Administrative Record. The compliance record of

1 each applicant was clearly part of the body of factual information that was before
2 the agency pertaining to the merits of its decision even if it chose not to consider
3 that information in its ranking. It matters not that the DOT claims it did not “rely”
4 on the excluded information in its final decision. This inclusion of documents in
5 the Administrative Record is necessary to show what the DOT should have
6 considered but did not consider as part of the application process. It will further
7 evidence the unfairness of the overall process in that certain applicants with a
8 history of serious violations of law were still awarded licenses.

9 See Motion, at 18:26 to 20:19. Quite clearly, Plaintiffs cite to deposition of numerous
10 individuals at the DOT which supports Plaintiffs’ request the administrative record be
11 supplemented. The cited deposition testimony reveals actions by the DOT concerning the
12 compliance record issue. Yet, the administrative record is devoid of any documents concerning
13 the same. All in all, Plaintiffs’ have cited with sufficient specificity discovery already had (via
14 numerous depositions and documents; see Motion, Exhibits 1-10) which support their requests
15 for the administrative record to be supplemented accordingly.

16 **3. The DOT’s argument regarding challenging regulations.**

17 Next, the DOT argues Plaintiffs’ cannot use their judicial review claim to challenge
18 regulations. See Opposition, 9:1-24. The DOT contends a regulatory challenge is outside the
19 scope of Plaintiff’s judicial review claim and, therefore, documents related to such a claim
20 should not be part of the record. Id., 9:2-4. The DOT’s position is incorrect.

21 Plaintiffs’ Petition for Judicial Review addresses, in part, alleged irregularities in
22 procedure before the DOT. See NRS 233B.135(1)(b). It also, in part, addresses contentions
23 concerning violation of constitutional or statutory provisions (NRS 233B.135(3)(a)), whether the
24 DOT’s decisions concerning applications was made in excess of statutory authority (NRS
25 233B.135(3)(b)), made upon unlawful procedure (NRS 233B.135(3)(c)) or, in part, were affected
26 by other errors of law (NRS 233B.135(3)(d)). Each of these are properly addressed via the
27 judicial review claim, as noted at NRS 233B.135. The DOT’s attempt to frame the issue as one
28 of “challenging regulation” so as to be able to argue same is outside the realm of judicial review
does not comport with NRS 233B.135. Thus, the DOT’s position is without basis.

1 **4. Clear River’s and the DOT’s arguments regarding Plaintiffs’ alternative request to**
2 **supplement the record.**

3 The Plaintiffs’ Motion essentially contained an alternative request that to the extend the
4 Court denies Plaintiffs’ request for an Order requiring the DOT to supplement the administrative
5 record or if the DOT, in response to such an Order, contends there are no such documents to
6 supplement the record with, then Plaintiffs should be permitted to provide extra-record evidence.
7 See Motion, 20:22-27. As support for this request, Plaintiffs’ cite NRS 233B.135(1) which
8 provides, in part “[i]n cases concerning alleged irregularities in procedure before an agency that
9 are not shown in the record, the court may receive evidence concerning the irregularities.”

10 At page 10 of its Opposition, the DOT argues Plaintiffs should not be granted leave to
11 provide extra-record evidence. The DOT’s Opposition is based primarily upon NRS 233B.131.
12 As noted above, Plaintiffs’ request neither cites to nor relies upon NRS 233B.131. Instead, it
13 references NRS 233B.135(1). Because the DOT’s argument addresses a different statutory
14 provision, the basis for its Opposition is lacking.

15 Clear River’s Opposition argues Plaintiffs’ alternative request to supplement the record
16 should be denied because the current record is sufficient and not so sparse that it would frustrate
17 effective judicial review. See Clear River’s Opposition, at pgs. 8-9. It is respectfully submitted
18 that based on the above and as noted in Plaintiffs’ underlying Motion (along with its attached
19 Exhibits), the current state of the administrative record is fundamentally deficient whereby
20 warranting the granting of Plaintiffs’ alternative request.

21 **5. Clear River’s argument regarding law of the case doctrine is misplaced.**

22 Clear River’s first argument in opposition to Plaintiffs’ Motion seeking to have the
23 administrative record supplemented is that an order addressing the propriety of Plaintiffs’
24 pleading prevents same. Specifically, Clear River argues *Defendant/Intervenor, Clear River,*
25 *LLC’s Order Denying Its Motion for Party Summary Judgment on the Petition for Judicial*
26 *Review Cause of Action* filed November 7, 2019 (“11-7-19 Order”), precludes Plaintiffs’ relief
27 requested in their Motion due to the law of the case doctrine.
28

1 Even putting aside the applicability of law of the case doctrine, Plaintiffs' Motion and its
2 requests do not run afoul of the 11-7-19 Order. The 11-7-19 Order made findings and rulings
3 regarding the propriety of Plaintiffs' pleading. The 11-7-19 Order made no rulings regarding the
4 scope of an administrative record. Thus, for this simple fact, Plaintiffs' Motion does not run
5 afoul of the 11-7-19 Order.
6

7 In considering Plaintiffs' pleading in a dispositive motion context, the Order addressed
8 and made findings that Plaintiffs were not required to name all 462 applicants as respondents. Id.
9 On its way to finding Plaintiffs' petition for judicial review claim withstood Clear River's
10 summary judgment attack, the Court's 11-7-19 Order also found the claim was timely (id., at 15-
11 16) and also found, in part, as follows:
12

13 Further, the Court hereby Finds that the Plaintiffs did properly allege and name
14 the proper parties for purposes of complying with NRS 233B.130, when they
15 asserted themselves and the State as the only parties to the contested case;

16 Further, the Court hereby Finds that the contested case for purposes of the petition
17 for judicial review cause of action was the scoring of the Serenity application(s)
18 and only involved the State and the Serenity in that process;

19 Further, the Court hereby Finds that the ranking of the applicants pursuant to NRS
20 453D.210(6) only involved Serenity and the State;

21 Further, the Court hereby Finds that as a result of these findings, Serenity was not
22 required to name all of the four hundred sixty-two (462) applicants who submitted
23 applications on or before September 20, 2018, and whose applications were
24 ranked pursuant to NRS 453D.210(6);

25 Id., at 2:24 to 3:7. Clear River's argument the 11-7-19 Order precludes Plaintiffs' Motion's
26 requests is misplaced because consideration of Plaintiffs' Petition for Judicial Review by this
27 Court, including issues of scoring and ranking of Plaintiffs' applications, appropriately involves
28 the consideration and review of other unsuccessful and successful applicants' applications, as
more fully addressed in Plaintiffs' Motion. A finding by this Court regarding the propriety of

1 Plaintiffs’ pleading – like the 11-9-19 Order addresses – does not in and of itself give rise to a
2 limiting effect upon an administrative record, especially when scoring and ranking of Plaintiffs’
3 applications are but a few of the issues to be addressed and to be properly addressed, the record
4 must include the consideration and review of other unsuccessful and successful applicants’
5 applications. See Motion.
6

7 Moreover, even certain specific provisions of the 11-9-19 Order demonstrate the fallacy
8 of Clear River’s position. For instance, the Order provides, in part “[f]urther, the Court hereby
9 Finds that the ranking of the applicants pursuant to NRS 453D.210(6) only involved Serenity and
10 the State[.]” Id., 3:2-3. This finding makes references, in part, to “the ranking of the applicants
11 pursuant to NRS 453D.210(6)....” To adequately and properly address such “ranking of the
12 applicants” via Plaintiffs’ Petition for Judicial Review it is submitted it cannot be argued with a
13 proverbial straight face that the successful applicants’ applications, like Clear River, should be
14 excluded from such analysis and consideration.
15
16

17 Accordingly, Plaintiffs’ Motion is not in contravention of the Court’s 11-9-19 Order as
18 maintained by Clear River. The Motion should be granted.

19 **6. Clear River’s argument regarding NRS 360.255(2)(a) misses the mark.**

20 Clear River’s second contention is its application (and others) is not directly involved in
21 the action or proceeding and is, therefore, protected from disclosure pursuant to NRS
22 360.255(2)(a). As best is understood, Clear River premises its argument that its application is
23 immune from disclosure because Plaintiffs cannot demonstrate the exception found at NRS
24 360.255(2)(a) which would allow for disclosure of its application (and others) is inapplicable
25 because Plaintiffs’ Motion does not cite specific irregularities involving Clear River’s
26 application. See Clear River’s Opposition, at 6:5 to 7:19. Clear River cites not case law or other
27 authority for the contention Plaintiffs were required to specifically cite irregularities with Clear
28 River’s application.

1 Clear River essentially asks this Court to ignore the plethora of evidence regarding the
2 DOT's actions regarding application process as addressed in Plaintiffs' Motion in general and
3 more particularly at 7:14 to 11:28. For example, Plaintiffs' Motion argued, in part:

4 Plaintiffs herein have challenged the denial of their applications, the grant
5 of licenses pursuant to the 61 winning applications and the entire process adopted
6 by and utilized by the DOT in determining winners and losers. Clearly, each and
7 every application submitted was considered by the DOT and was scored and
8 ranked as part of the license award process. Thus, each of them are necessarily a
part of the administrative record considered by the DOT as part of the license
application/grant process.

9 Notwithstanding that each and every application submitted for the
10 September 2018 Application Period are necessarily part of the administrative
11 record, the DOT has certified as complete an administrative record in Parts 1-71
12 which includes only the denied applications of 11 applicants including Plaintiffs
13 herein.³ While all applications should be considered part of the administrative
14 record, Plaintiffs herein are willing to stipulate to an administrative record that
15 contains (1) the applications for all Plaintiffs in these consolidated actions who
were denied a conditional license during the September 2018 Application Period
and (2) the applications for all applicants who were granted a conditional license
during the September 2018 Application Period.

16 In failing to include the applications of all successful applicants and/or any
17 document related to the successful applicants except for score sheets, the DOT
18 has purged the administrative record of all evidence necessary for Plaintiffs herein
19 to prove the actions of the DOT in denying certain licenses and awarding others
based upon arbitrary and capricious actions of the DOT. For instance, paragraph
85 of the Court's Amended Findings of Fact and Conclusions of Law filed
February 7, 2020 sets forth the following:

20 85. The DOT acted beyond its scope of authority when it arbitrarily and
21 capriciously replaced the mandatory requirement of BQ2, for the
22 background check of each prospective owner, officer and board member
23 with the 5% or greater standard in NAC 453D.255(1). This decision by
24 the DOT was not one they were permitted to make as it resulted in a
modification of BQ2 in violation of Article 19, Section 2(3) of the Nevada
Constitution.

25 Further, Court Exhibit 3 at the hearing on Motion for Preliminary
26 Injunction is a certification from counsel for the DOT as to which "successful

27 ³ The Index of the Administrative Record also references 19 other applicants and parts or all of their applications by
28 Bates Numbers bearing the legend "AES" meaning "Attorney Eyes Only." None of these applications is an
application of any applicant awarded a conditional license. The applications for these 19 applicants are not
contained in Parts 1-71 of the Administrative Record filed by the DOT.

1 applicants completed the application in compliance with NRS 453D.200(6) at the
2 time the application was filed in September 2018.” Court Exhibit 3 is not part of
3 the administrative record. However, it is clear that the certification by DOT
4 counsel required a review of successful applicants’ applications. In Court Exhibit
5 3, DOT counsel certified that the Department of Taxation could not, with
6 reference to NRS 453D.200(6), eliminate a question as to the completeness of the
7 applications of four successful applicants who are parties to this proceeding: i.e.
8 Helping Hands Wellness Center Inc., Lone Mountain Partners LLC, Nevada
9 Organic Remedies LLC, and Greenmart of Nevada NLV LLC.

7 In eliminating the applications of successful applicants from the
8 Administrative Record, there is zero evidence in the Administrative Record as to
9 the actual disclosures made by the successful applicants as to their owners,
10 officers and directors. It is essential to know who was and who wasn’t disclosed
11 in the applications in order for the Plaintiffs or the Court to determine that, at
12 least, Helping Hands Wellness Center Inc., Lone Mountain Partners LLC, Nevada
13 Organic Remedies LLC, and Greenmart of Nevada NLV LLC were wrongfully
14 granted licenses pursuant to a process that arbitrarily and capriciously eliminated
15 the mandatory requirement of BQ2 for the background check of each and every
16 one of their prospective owners, officers and board members.

14 As another example of why the applications of all successful applicants
15 must be in a complete Administrative Record, the Court is directed to the
16 language of NAC 453D.265 which provides, in relevant part, as follows:

16 **NAC 453D.265 Submission of application by person who holds
17 medical marijuana establishment registration certificate for
18 marijuana establishment of same type; issuance of license; refund of
19 fee if application not approved. (NRS 453D.200, 453D.230)**

19 1. On or before November 15, 2018, a person who holds a
20 medical marijuana establishment registration certificate may apply for not
21 more than one license for a marijuana establishment of the same type by
22 submitting: ...

21 (b) An application on a form prescribed by the Department
22 which includes, without limitation: ...

23 (3) The physical address where the proposed marijuana
24 establishment will be located and the physical address of any co-owned or
25 otherwise affiliated marijuana establishments.

25 Deposition testimony has revealed that multiple successful applicants,
26 primarily those represented by Amanda Connor as regulatory counsel, submitted
27 applications that did not include the physical address where the proposed
28 marijuana establishment will be located. See e.g. Armen Yemendijian for
Essence at 186:4-11 (“I believe we listed PO Boxes” on all eight applications)
attached hereto as Exhibit 4 and Mitch Britton for Thrive [Rough Transcript of

1 Testimony not yet available]. In its Amended Findings of Fact and Conclusions
2 of Law, the Court found as follows:

3 73. The DOT disseminated various versions of the 2018 Retail
4 Marijuana Application, one of which was published on the DOT's website
5 and required the applicant to provide an actual physical Nevada address
6 for the proposed marijuana establishment, and not a P.O. Box, (see Exhibit
7 5), whereas an alternative version of the DOT's application form, which
8 was not made publicly available and was distributed to some, but not all,
of the applicants via a DOT listserv service, deleted the requirement that
applicants disclose an actual physical address for their proposed marijuana
establishment. See Exhibit 5A.⁴

9 The Administrative Record certified by the DOT does not include Application
10 Ver. 1, any documents explaining how or why Application Ver. 2 was created
11 and/or which winning applicants failed to disclose the actual proposed physical
12 location for their proposed marijuana establishment. This information is
particularly critical because NRS 233B.038 provides, in relevant part, as follows:

13 **233B.038 "Regulation" defined.** "Regulation" means an agency rule,
14 standard, directive or statement of general applicability which effectuates
15 or interprets law or policy, or describes the organization, procedure or
practice requirements of any agency. The term includes a proposed
regulation and the amendment or repeal of a prior regulation.

16 The actions of the DOT in releasing Application Ver. 1 effectuated or
17 interpreted law or policy as set forth in NAC 453D.265 which required the
18 proposed physical location of the marijuana establishment. As testified to by the
19 DOT's 30(b)(6) witness, the DOT set up a working group that created and
20 released Application Ver. 1 to ensure that Application Ver. 1 was in conformity
21 with the regulations set forth in NAC Chapter 453D including NAC 453D.265
22 which required the disclosure of the actual physical location of the proposed
marijuana establishment. [See Gilbert at 40:3 – 43:20 and 51:3-51:15 attached as
Exhibit 5 hereto] . Thus, the change in the application was an act constituting the
adoption of a "regulation" as defined by NRS 233B.038.

23 See Plaintiffs' Motion, at 8:7 to 10:26.

24 Clear River's Opposition conveniently ignores the above-referenced argument and its
25 citation to the myriad of evidence which demonstrates that applications of those granted a
26 conditional license, like Clear River, during the September 2018 application period are in fact

27
28 ⁴ The process of the DOT in adopting Application Ver. 1 and then switching to Application Ver.
2 is addressed elsewhere herein.

1 directly involved in the action or proceeding and, therefore, fall within the exception of NRS
2 360.255(2)(a) which allows for their disclosure via a supplement of the administrative record, as
3 requested in Plaintiffs' Motion.

4 **7. Clear River's privileges argument.**

5 Clear River's final argument is that even putting aside NRS 360.255, its applications are
6 subject to attorney-client privilege and attorney-accountant privilege and, therefore, Plaintiffs'
7 Motion should be denied as to the same. See Opposition, 7:20 to 8:13.

8 Clear River's Opposition does not contain any privilege log addressing any alleged
9 portions of any applications subject to an alleged attorney-client privilege and attorney-
10 accountant privilege. See Vaughn v. Rosen, 484 F.2d 820 (D.C. Cir. 1973); Diamond State Ins.
11 Co. v. Rebel Oil Co., Inc., 157 F.R.D. 691 (D. Nev. 1994); Nevada Power Co. v. Monsanto Co.,
12 151 F.R.D. 118 (D. Nev. 1993). Such explanation may require affidavits or other evidence as a
13 supplement to a log. Allendale Mut. Ins. Co. v. Bull Data Systems, Inc., 145 F.R.D. 84 (N.D. Ill.
14 1992). Thus, on this basis, Clear River's privilege arguments should be rejected.⁵

15 Clear River's privilege argument also fails to address NRS 49.385(1) which provides "[a]
16 person upon whom these rules confer a privilege against disclosure of a confidential matter
17 waives the privilege if the person or the person's predecessor while holder of the privilege
18 voluntarily discloses or consents to disclosure of any significant part of the matter." Here, the
19 alleged privileged information is argued to be contained in the applications which were
20

21
22 ⁵ Parties may not obtain discovery of privileged information, where the privilege has been
23 properly protected and not waived. See NRCP 26 (b)(1); Tidvall v. Eighth Judicial Dist. Ct. ex
24 rel. County of Clark, 91 Nev. 520, 539 P.2d 456 (1975). However, privileges are narrowly
25 construed. DR Partners v. Bd. of County Comm's., 116 Nev.Adv.Op. 72, 6 P.3d 465 (2000).
26 Ashokan v. State Dept. of Ins., 109 Nev. 662, 856 P.2d 244 (1993). The burden of establishing
27 that a privilege exists is on the party claiming the privilege. See e.g., 6 Moore's Federal Practice,
28 § 26.47[1] (3d ed. 1997); Roesberg v. Johns-Manville Corp., 85 F.R.D. 292 (E.D.Pa.1980); Peat,
Marwick, Mitchell & Co. v. West, 748 F.2d 540 (10th Cir. 1984). That burden cannot be
discharged by mere conclusory assertions, for any such rule would foreclose meaningful inquiry
into the existence of the privilege and any spurious claims could never be exposed. Von Bulow
v. Von Bulow, 811 F.2d 136 (2d.Cir. 1987). Generalized, non-specific claims of privilege may
waive any otherwise applicable privilege. See, e.g., Ritacca v. Abbott Labs, 49 Fed.R.Serv.3d
1052 (N.D.Ill. 2001).

1 voluntarily disclosed to the DOT. Clear River's Opposition does not address or demonstrate that
2 NRS 49.385(1) is somehow not applicable here under the circumstances surrounding Clear
3 River's applications.

4 Yet still, even if the Court were to entertain Clear River's privilege arguments and allow
5 an untimely privilege log, same could be submitted, along with the documents, for *in camera*
6 review by the Court.

7 Thus, Clear River's privilege arguments do not warrant denial of Plaintiffs' Motion.

1 Honor, thank you.

2 Shane, can we pull back up Exhibit 1009, page 3.

3 BY MR. MILLER:

4 Q Ms. Cronkhite, you recall that before the break we
5 were discussing how you trained the evaluators as to how to
6 evaluate this criteria; correct?

7 A Yes.

8 Q Okay. What did you train the evaluators to do in the
9 event that an applicant simply indicated that they did not
10 intend to transport marijuana at all?

11 A I do recall having a conversation with the scorers
12 that they might run into a situation where someone would simply
13 write, we do not deliver. And I recall explaining to them that
14 they should not receive full points for that unless they
15 provided a detailed policy about, you know, their processes.
16 So training staff, for example, or what they would do if they
17 had to transport product for a return. Say they needed to
18 return product to a cultivator for some reason, what would
19 their policy be in that situation. So that if they simply just
20 wrote we do not deliver, that was considered to be inadequate,
21 and they should not receive full points.

22 Q Okay. And so how many points did they receive if
23 they simply wrote that?

24 A I believe the consensus that they came to was that
25 they would get half points because we didn't want to punish

1 them for not delivering, but they shouldn't receive full points
2 if they didn't provide a detailed policy on it.

3 Q Okay. And when did you realize that that might be an
4 option that some applicants may list that just simply indicate
5 that they don't deliver?

6 A That was part of my training with the scorers. That
7 something that I had run into in previous scoring processes.

8 Q Okay. So you anticipated this might be an issue
9 prior to the release of this application?

10 A Yes.

11 Q Okay. That information was not reflected on the
12 application itself; correct?

13 A I don't recall.

14 Q You don't recall anywhere within the application
15 itself where it indicated that if you don't have a
16 transportation plan here's what we expect you to provide;
17 correct?

18 A Correct.

19 Q All right.

20 MR. MILLER: Shane, could you turn to page 5 of the
21 same exhibit.

22 BY MR. MILLER:

23 Q With respect to this criteria, it's worth 10 points,
24 documentation that the marijuana establishment has procedures
25 to ensure adequate security measures including without

1 limitation building security. Do you recall the training that
2 you gave the evaluators as to this criteria?

3 A Yes.

4 Q And what did you instruct them as to how to evaluate
5 the applications?

6 A I instructed them to look for everything that was in
7 this list. I recall specifically instructing them to keep an
8 eye out for the specifics like the 1920 by 1080 or 15 frames
9 per second. A lot of this information had changed since the
10 medical regulations, and what a lot of applicants tend to do is
11 cut and paste the regulations, and so I told them to keep an
12 eye out to ensure that it met the actual standards.

13 I also instructed them to make sure that it wasn't
14 just a cut and paste of the regulations, that they were
15 actually providing their building security plan specific to
16 their operation and that it was thoughtful and complete.

17 Q Okay. So they were to evaluate the sufficiency of
18 the plan as applied to the application itself rather than
19 restating the regulations; is that accurate?

20 A Yes.

21 Q Okay. And so when it says the device is to detect
22 unauthorized intrusion, can you tell us how you instructed them
23 to evaluate the application with respect to that component?

24 A Yeah. Well we -- we reviewed several mock
25 applications. So we had several examples that I went through

1 with them; however, this would be something like having an
2 alarm system.

3 Q Okay. And so what would you expect an applicant to
4 list there in order to get the full points?

5 A They would just need to explain what devices they
6 have to detect unauthorized intrusion.

7 Q Okay. And did it have to relate to the location
8 itself that they had proposed?

9 A No. Whatever they used -- whatever they intend to
10 use at their specific location, as long as it was detailed.

11 Q How about a video camera at each point of sale, what
12 were you expecting the applicants to provide there?

13 A I was expecting them to provide documentation that
14 they would have a camera at each point of sale.

15 Q Okay. And would that relate to the floor plan?

16 A It could be on the floor plan. Typically it was
17 specified in the building security plans. Specifically, they
18 would just write it out that they would have that -- it's
19 required in the regulations.

20 Q Okay. And so what specificity did you expect the
21 applicants to provide that would relate to their proposed
22 location as opposed to just restating the regulation itself?

23 A So I'm looking at --

24 MS. LEVIN: Objection.

25 THE COURT: Overruled.

1 THE WITNESS: I'm looking at specifically where it
2 says, a method for storing video recordings for at least 30
3 days. If they just wrote that, it was clear that they didn't
4 actually have a security -- a method for storing video in mind.
5 They would, you know, if they actually had one they might say
6 something along the lines of, our storing video recording can
7 store video for 50 days, or something very specific to their
8 operation. Rather than saying a failure notification system,
9 they would say our failure notification system can do the
10 following.

11 BY MR. MILLER:

12 Q Okay. The question was actually about a video camera
13 at each point of sale. How did you expect them to associate
14 that with the specific -- with their specific application?

15 A Typically, they would just say we have a video camera
16 at each point of sale, but one thing they could do to make it
17 more specific would be to specify that we will have four
18 point-of-sale systems, and we will have a video camera above
19 each one.

20 Q Okay. And so if an applicant applied for multiple
21 jurisdictions and indicated that we're going to have four point
22 of sales and have a camera at every location, you'd just accept
23 that and score that accordingly?

24 A Yes.

25 Q The processes for permission for entry for reasonable

1 inspection and authorized access; do you see that provision?

2 A Yes.

3 Q What did you train them with respect to that?

4 A Can you scroll down, please. I let them know -- I do
5 recall telling the graders that it was very rare that this
6 would actually be included, but in this section what they're
7 expected to include was that if a Department of Taxation
8 inspector were to enter the premises, that we are not required
9 to be accompanied by someone from their facility. We can
10 escort ourselves around, unlike if they had a visitor in the
11 facility for example. If you have a visitor they have to be
12 escorted at all times. It's just clarifying that inspectors do
13 not have to be escorted.

14 MR. MILLER: Shane, can you turn to page 7.

15 BY MR. MILLER:

16 Q This section is procedures to ensure adequate
17 security measures including without limitation for product
18 security. The first criteria that's listed there is,

19 Response demonstrates a plan for
20 recordkeeping, tracking and monitoring
21 inventory, quality control and security and
22 other policies and procedures that would
23 discourage unlawful activity.

24 Can you tell us what you instructed the evaluators as
25 to how to deal with that section?

1 A So this was really about their inventory tracking
2 system. Usually in this section they would talk about their
3 plan of sale system or whatever inventory tracking system that
4 they used. They can use whatever they want, and any policies
5 that they have that discourage unlawful activities. So if they
6 want to talk about using scanners to check age or if they have
7 specific, you know, procedures regarding taking product out of
8 cabinets prior to sale, things of that nature, they can include
9 all that there.

10 Q Okay. And the next one, the response demonstrates
11 how the establishment intends to prevent diversion of marijuana
12 and the procedures for preventing minors from purchasing
13 marijuana.

14 A So this is where they would talk about their ID
15 scanner specifically and their processes for checking IDs at
16 the door. Typically you would want a dual ID check system
17 where they can check it at the door and with the scanner and at
18 the point-of-sale again, and then tracking all their inventory.

19 Typically here they would talk about the METRC system
20 or their inventory tracking system and how it's all monitored
21 in that system and tracks seed to sale.

22 Q Okay. And so when you say they would discuss their
23 scanning system, what did you train them with respect to that
24 component?

25 A The graders were just told that we have a requirement

1 in the regulations that all IDs are scanned with an approved
2 scanner that's approved by the Department of Taxation. So as
3 long as they said we'll have an approved scanner that would
4 have been adequate.

5 Q Okay. Do recall testifying at the injection hearing?

6 A Yes.

7 Q Okay. You recall stating that on this section you
8 indicated that we'll get a scanner is a poor response; do you
9 recall saying that?

10 A I don't recall saying that.

11 Q Okay. But that's not your testimony today. You're
12 saying that if they just mentioned a scanner that that would be
13 enough to get them the points?

14 A Well, like I said, they would say we'll have a
15 scanner provided by the Department of Taxation. We'll have a
16 dual check system. They'll check the ID at the door and again
17 at the point-of-sale, things of that nature. You'd want to see
18 the more details the better. But I agree with the previous
19 testimony. If they just said we'll get a scanner, that
20 wouldn't be perfect, no.

21 Q Okay. That is a regulatory requirement; is it not?

22 A Yes, it is.

23 Q Okay. And it's NAC 453D.555; right? Does that sound
24 familiar?

25 A I don't know off the top of my head.

1 Q They have to verify the age of the consumer by
2 checking a government-issued identification card containing a
3 photograph of the consumer using identification scanner
4 approved by the Department to determine the validity of any
5 government-issued identification card; does that sound
6 accurate? I'll pull it up if you need to reference it.

7 A Yeah, that sounds right.

8 Q Okay. So these scanners they actually have to be
9 approved by the Department?

10 A Yes.

11 Q Okay. And how often does that approval process take
12 place?

13 A I get requests for scanners I'd say on average about
14 once every week or two.

15 Q Okay. And what's the criteria the Department uses in
16 order to certify a scanner is appropriate for use?

17 A I'm not familiar with the criteria required for
18 those.

19 Q So who approves the scanners for use?

20 A The auditors approve them currently. Previously at
21 the time of application it was the compliance investigators
22 that would approve them.

23 Q And you don't have any involvement at all as to what
24 criteria they use in order to approve a specific scanner?

25 MS. LEVIN: Objection. Relevance, your Honor.

1 THE COURT: Overruled.

2 THE WITNESS: I received the requests and forward
3 them to the appropriate people. That's the extent of my
4 involvement.

5 BY MR. MILLER:

6 Q And are those subordinates of you or who do those
7 people report to?

8 A Well, the auditors report to an audit supervisor, but
9 that position is currently vacant. The compliance
10 investigators who were doing this at the time of the
11 application reported to Damon Hernandez. He was the chief
12 investigator at the time.

13 Q Okay. And so why would you receive the requests if
14 they ultimately are given to auditors that report to Damon
15 Hernandez?

16 A Because all requests for equipment come to me.

17 Q Okay. And in your experience with the marijuana
18 Enforcement Division you never came across any formalized
19 policies relative to which scanners would be approved?

20 A I don't recall seeing any.

21 Q Okay. And how often are establishments inspected to
22 ensure that they actually do have a scanner that has been
23 approved by the Department?

24 MS. LEVIN: Objection. Calls for confidential
25 information.

1 THE COURT: Sustained. We don't need to know how
2 often they're inspected. That's not part of my process here.

3 BY MR. MILLER:

4 Q Is it also a requirement that individuals that work
5 in a marijuana establishment and obtain marijuana establishment
6 agent cards obtain training relative to verifying
7 identification IDs?

8 A I believe so.

9 Q And is that part of the criteria that was evaluated
10 in these plans?

11 A I believe there is a section on training and
12 education.

13 Q Okay. Can we turn to page 9. See on there
14 oversight, job descriptions and responsibilities, training and
15 education. Can you tell us what the evaluators were trying to
16 evaluate in that section.

17 A I recall specifically pointing out that they should
18 watch out for identifiers in the job descriptions and
19 responsibilities. But basically they just went through this
20 section and kind of checked off every topic and made sure it
21 was addressed somewhere in their -- in their policies and
22 procedures.

23 Q Okay. And within the standard operating procedures,
24 the recordkeeping electronic verification system, can you tell
25 us what they were trained to with respect with that.

1 A I believe, if I'm not mistaken, that was the ID
2 scanner.

3 Q And so the evaluators were simply trained to look for
4 the mention of those terms?

5 A No.

6 Q No. What were they trained to do?

7 A They were trained to look for thoughtful policies on
8 each one of these items.

9 Q And when you say thoughtful, what would be a
10 thoughtful policy?

11 A So an example of a policy that would not be
12 thoughtful is a cut and paste of the regulation, references to
13 453A, references to other states or references to procedures
14 that are not allowed per 453D. That would not be thoughtful.

15 What would be thoughtful is a plan that demonstrates
16 they have considered all the requirements outlined in 453D and
17 that it applies to their specific operation; it is not just
18 some general verbiage that they copied from the regulation.

19 Q So how much training did you give them with respect
20 to these -- this criteria here in their standard operating
21 procedures as to how to evaluate a good plan versus a bad plan?

22 MS. LEVIN: Objection. Vague.

23 THE COURT: Overruled.

24 THE WITNESS: I can't give an exact time frame,
25 however, I spent three days with them training specifically on

1 how to score, and this was one of those portions, and we went
2 over several mock applications that covered this.

3 BY MR. MILLER:

4 Q What did those mock applications cover relative to
5 this?

6 A I'm sorry what did you --

7 Q What did those mock applications cover relative to
8 this?

9 A The mock applications were demonstrations of things
10 that they might run into. So they were used as examples for
11 what to expect to see in the 2018 retail store applications.

12 Q Okay. Relative to what a -- would be a good example
13 of a thoughtful response in this -- in this area versus a poor
14 response, what did those mock applications provide?

15 A The mock applications provided both. We would look
16 through them and say, okay, this is a poor response and then
17 over here this is a great response. A poor response, for
18 example, would be, we will develop policies on and then just a
19 bullet point list. A good example would be actual policies
20 that were provided.

21 Q There was no attempt prior to the evaluation of these
22 applications to ensure that these plans actually related to the
23 course of conduct by any specific applicant that the Department
24 was aware of; correct?

25 MS. LEVIN: Objection. Vague.

JD Reporting, Inc.

1 THE COURT: Overruled. You can answer.

2 THE WITNESS: No. These were nonidentified so they
3 wouldn't know who the applicant was.

4 BY MR. MILLER:

5 Q Right. But prior to the submission to the evaluators
6 the Department certainly had access to all the applications;
7 correct?

8 A I believe so.

9 Q And we went through, I know it's been some time, but
10 the process that was used in 2014 with these grids from
11 QuantumMark where they outlined certain reviews that the
12 Department could have conducted; right?

13 A Yes.

14 Q And so nothing would have prevented the Department
15 from looking at these plans prior to the submission of the
16 applications to the evaluators in ensuring that the plans
17 actually conformed to the applicant's operating business;
18 right?

19 A I don't know.

20 Q You don't know whether or not the Department was in
21 any way stopped from doing it?

22 A Yeah, I don't know.

23 Q Why couldn't the Department have done that?

24 A I don't know. There might have been a policy about
25 the Department becoming involved in the applications in anyway

1 I'm not aware of.

2 Q You testified that you had reviewed and evaluated
3 previous applications; correct?

4 A Yes.

5 Q In fact, you evaluated the White Pine applications;
6 right?

7 A Yes.

8 Q Okay. You said it might have been a policy about the
9 Department reviewing any of these applications. Are you aware
10 of any basis that the Department couldn't have reviewed these
11 applications to determine whether or not they linked up to the
12 actual operating businesses?

13 A I don't know.

14 MR. MILLER: I'd like to pull up Proposed
15 Exhibit 1940. I'm not sure if there's any objections.

16 THE COURT: I'm going to look at the cool exit signs
17 while you look at that to see if you can identify it.

18 THE CLERK: What number, Mr. Miller?

19 MR. MILLER: 1940.

20 THE COURT: And after you've had a few minutes to
21 look at it let me know if anyone has an objection.

22 MS. LEVIN: No objection.

23 THE COURT: Anyone else have an objection?

24 MR. PRINCE: No.

25 THE COURT: Be admitted.

JD Reporting, Inc.

1 (Exhibit Number 1940 admitted.)

2 BY MR. MILLER:

3 Q Ms. Cronkhite, showing you Exhibit 1940 which is
4 indicated on its title it would be a marijuana application
5 intake checklist dated September of 2018; have you seen this
6 document before?

7 A Not that I recall.

8 Q Were you involved in the intake process at all?

9 A No.

10 Q Okay. And so what is your general understanding as
11 to how the applications would have been received and
12 distributed to the evaluators?

13 A It's my understanding that the administrative
14 assistants in Las Vegas and Carson City accepted the
15 applications and assigned RD facility ID numbers to them, and
16 then uploaded them into the system, but otherwise I'm not very
17 familiar with the process.

18 Q Okay. Did you review with the evaluators the flow of
19 process as to how they would receive the nonidentified portions
20 of the applications?

21 A No.

22 MS. LEVIN: Objection. Vague.

23 THE COURT: Overruled.

24 BY MR. MILLER:

25 Q Who conducted that portion of the training?

1 A I believe Ky Plaskon.

2 Q And you weren't involved in any part of the
3 evaluations as they were occurring; is that correct?

4 A Can you rephrase the question.

5 Q You weren't involved in the evaluations of the
6 applications whatsoever; is that right?

7 A Correct.

8 Q Okay. Were you available for questions if they
9 had -- if the evaluators had questions as to how to score a
10 particular portion?

11 A I was available for questions up until they started
12 actually scoring.

13 Q Turn to the second page of this. You see the heading
14 for Section C, it says, Find the number of locations applied
15 for and record the number of jurisdictions. May be found in
16 Attachments A, F, and E. Do you see that?

17 A Yep.

18 Q Okay. Did you have any discussion in your part of
19 the training at all relative to how the evaluators were trained
20 to evaluate applicants that applied with more than one
21 application?

22 A No.

23 Q You see the Section I. Enter county and local
24 jurisdiction in the tracking sheet, if not, city is identified
25 write NA, may be included in Attachments A, F, E, and/or I.

1 Does that provision at all relate to any parts of your
2 training?

3 MS. LEVIN: Your Honor, I'm having a hard time
4 hearing what he's mumbling.

5 THE COURT: Mr. Miller, you're going to have to speak
6 up.

7 MR. MILLER: Okay.

8 MS. LEVIN: It's not that he's --

9 THE COURT: It's okay.

10 MS. LEVIN: It's very difficult that you're mumbling
11 that's I don't know what he's saying.

12 THE COURT: He's going to speak up.

13 MS. LEVIN: All right.

14 THE COURT: Great.

15 BY MR. MILLER:

16 Q Enter county and local jurisdiction into tracking
17 sheet. If not, city is identified, write NA, may be included
18 in Attachments A, F, E, I. Do you recall any of part of your
19 training dealing with that provision of the instructions?

20 A No.

21 Q So a county and local jurisdiction designation wasn't
22 a part of the nonidentified evaluation whatsoever?

23 A Correct.

24 MR. MILLER: I'd like to propose Exhibit 1943 which I
25 previously provided for the parties.

1 THE COURT: 1943. Any objection? 1943.

2 MS. LEVIN: Thank you. Sorry.

3 THE COURT: That's all right. I'm trying real hard.

4 Mr. Miller is not using his regular speaking voice.

5 MR. MILLER: It's been a long week.

6 THE COURT: When you were trying criminal cases in
7 front of me you always were able to speak up.

8 MR. MILLER: These cases are a lot more exhausting,
9 Your Honor.

10 MR. PRINCE: No objection.

11 MS. LEVIN: Your Honor, our only objection would be
12 foundation. I don't know if she's seen this so.

13 THE COURT: Well, I understand, but that's a
14 different issue. But is the document otherwise admissible?

15 MS. LEVIN: Otherwise it's okay.

16 THE COURT: It will be admitted.

17 (Exhibit Number 1943 admitted.)

18 THE COURT: And, ma'am, if you've never seen it
19 before or don't know, you're welcome to tell us that.

20 Mr. Miller, you may continue.

21 MR. MILLER: Thank you.

22 BY MR. MILLER:

23 Q Showing you an exhibit which has been identified as
24 Application administrative review desktop procedures,
25 September 2018. Have you seen this document?

1 A Not that I recall.

2 Q Okay. Flip to page 6 of the document. Does this
3 provision look at all familiar to you?

4 A I'm sorry, what was that?

5 Q Does this page look familiar to you?

6 A No.

7 Q You've never seen a sheet that looks anything like
8 this?

9 A I may have, but I don't recall at this time.

10 Q Okay. So if this sheet was used in order to record
11 the scores, you never at any point went back and saw this in
12 any of the scored applications?

13 A No, I don't believe so.

14 Q What steps did you take after the scoring process was
15 complete to review the scoring?

16 A I wasn't involved in reviewing scorers. The scorers
17 reviewed their own. They did their own quality check. So what
18 they would do is they would score independently, and then they
19 would meet as a group and discuss in detail why they came to
20 the score that they came to, and if they were off by three
21 points or more they would discuss the explanation as to why and
22 see if there was something that was missed by one of the
23 scorers. So they did their own quality checks, if that answers
24 your question.

25 Q When you were preparing to give the training to the

1 evaluators, did you at any point ask to see all of the forms
2 that would be used throughout the process to ensure that it
3 conformed with the process you intended?

4 MS. LEVIN: Objection. Vague.

5 THE COURT: Overruled.

6 THE WITNESS: I don't recall.

7 BY MR. MILLER:

8 Q You don't recall whether or not you asked to see any
9 of those forms?

10 A Correct.

11 Q Okay. But you didn't see this form; is that right?

12 A It doesn't look familiar.

13 MR. MILLER: Okay. Turn back to page 6, Shane.

14 BY MR. MILLER:

15 Q See there at the top where it says, administrator
16 reviewers of nonidentified material must look at all documents
17 for any identifying information. Any identifying information
18 must be removed prior to presenting nonID evaluation team; you
19 see that?

20 A Yes.

21 Q Do you recall any discussions within the Department
22 about this provision?

23 A No.

24 Q Okay. You see it further says, If identifying
25 information is included, it must be redacted, slash, removed;

1 you see that?

2 A Yes.

3 Q You don't recall any other discussion within the
4 Department about this provision that's written here on the
5 header?

6 A No.

7 Q See a little bit below there there's a section that
8 reads all MMEs -- all ME numbers?

9 A Yes.

10 Q Okay. Do you recall instructing the evaluators as to
11 anything regarding the identification numbers that would be
12 used to identify applicants?

13 A All I recall is that they were provided some -- an RD
14 number, I believe.

15 Q An RD number?

16 A I believe so. I don't know specifically.

17 Q Okay. And did you give them any training as to how
18 to use those RD numbers or what significance that would -- that
19 would hold?

20 A No.

21 Q Did you give them any training at all as to those RD
22 numbers and how they might apply to identical applications
23 being submitted by various applicants?

24 A No.

25 MR. MILLER: I'd like to move to propose

1 Exhibit 1865.

2 THE COURT: Any objection?

3 MR. MILLER: 1855.

4 THE COURT: 1555? Or 18 --

5 MR. MILLER: 1855.

6 THE COURT: 1855.

7 MR. PRINCE: Hold on, Judge. No objection.

8 MR. BICE: No objection.

9 MS. LEVIN: No objection, Your Honor.

10 THE COURT: Be admitted.

11 (Exhibit Number 1855 admitted.)

12 MR. MILLER: Can we start with page 2.

13 BY MR. MILLER:

14 Q Ms. Cronkhite, this appears to be an email dated from
15 you Wednesday, April 11th, 2018, to Amanda Connor, the
16 subject matters checklist; does that appear accurate?

17 A Is there a question?

18 Q Yes. Is that accurate, that this is what this
19 appears to be?

20 A Yes.

21 Q Do you recall this email?

22 A I don't recall it specifically.

23 Q Okay. You were asked about it in the deposition;
24 were you not?

25 A Yes.

1 Q Okay. It says, Hi, Amanda, Jorge mentioned that you
2 needed copies of all our checklists. We just completed
3 updating them with the recreation requirements. So is it
4 possible some items are missing or need to be removed? Let me
5 know if you have questions.

6 What checklists are you referring to?

7 A Those are the inspector and auditor checklists. It's
8 just the regulations verbatim broken out into categories for
9 the specific license type.

10 Q Okay. And so can you give me some description when
11 you said specific license type; let's focus on dispensaries.
12 So for a dispensary, what type of checklist would be maintained
13 within the Department?

14 A It is a cut and paste of all of the regulations that
15 correspond to a dispensary.

16 Q And so when you say the regulations, are those
17 substantially the same as the ones we just reviewed that were
18 part of the care, custody and safekeeping?

19 MS. LEVIN: Objection.

20 THE COURT: Overruled.

21 THE WITNESS: No. We were reviewing scoring tools.
22 When I say regulations, I'm referring to NAC453D.

23 BY MR. MILLER:

24 Q Okay. So what did the checklist provide then?

25 A It provided the regulations that were specific to

1 that license type.

2 Q Okay. So would that have included a need for
3 scanners to be at the location?

4 A It would include the NAC453D requirements for
5 scanners.

6 Q And that includes the scanners; correct?

7 A Yes.

8 Q Okay. And it would include things like making sure
9 that they've got -- demonstrate that no more than 5 ounces
10 edible marijuana products or marijuana infused products or any
11 combination thereof can be transported at any one time?

12 A Probably.

13 Q Okay. Would it include the requirements that each
14 lot must be appropriately identified as to its status such as
15 quarantine approved or rejected?

16 A Yes, because that's in the regulations.

17 Q Would it include provisions such as marijuana
18 products have been tested for content, quality and potency?

19 A Yes, because that's in the regulations.

20 Q And would it have also included the numerous formulas
21 that you mentioned as part of that criteria?

22 A I don't know what you're talking about.

23 Q Chemical makeups of the compounds that you identified
24 for us, would it also -- would the checklist have also included
25 those additional requirements?

1 A No.

2 THE COURT: Did you send the checklist to anyone
3 besides Ms. Connor?

4 THE WITNESS: Yes.

5 THE COURT: Who did you send them to?

6 THE WITNESS: Anytime that a facility is about to
7 open, Michelle Courtney, she's the administrative assistant,
8 she sends them a checklist.

9 THE COURT: Okay. Thank you.

10 BY MR. MILLER:

11 Q This checklist wasn't made available for -- on the
12 website; was it?

13 A I don't know if the checklists specifically are on
14 the website, but all of the information that is in the
15 checklist is available in the regulations verbatim.

16 Q Okay. Was it -- did you ever send it out on the
17 LISTSERV?

18 A I don't know.

19 Q Okay. Did you ever list -- are you aware of any
20 efforts to send out to all the applicants, look, here is a
21 cumulative list of requirements that you would have to comply
22 with if you're a dispensary operator?

23 A Those are available in the regulations. It is
24 literally just cut and paste of the regulations. So, yes, all
25 that information is available to anybody who wants it.

1 Q Okay. And so if it's available in the regulations
2 and -- then how does the Department use the checklist that's
3 different than just carrying around a book of the regulations?

4 A It makes it more convenient for the inspectors and
5 auditors because they're broken apart into auditor functions
6 and inspector functions. So if an inspector is going out, they
7 know which portions of the regulations they should be
8 specifically looking for at that specific facility type.

9 Q Okay. So it does make it facilitate the process for
10 the inspectors; is that right?

11 A Yes.

12 Q And so if you had a checklist like this, would you
13 agree that it would make it much easier to formulate plans to
14 show that you had plans and procedures that would comply with
15 the regulations to submit in your application?

16 A It could.

17 MR. MILLER: Could you turn to the first page, Shane.
18 BY MR. MILLER:

19 Q It looks like you followed up even and said, Hi,
20 Amanda, I was notified that you did not receive this when it
21 was initially sent at 10:30. Please confirm receipt. How were
22 you notified that she didn't receive it?

23 A I don't recall.

24 Q You don't recall if anyone spoke to you about the
25 fact that she didn't receive it?

1 A I don't recall.

2 Q Did you hear it from Jorge Pupo?

3 A It's possible.

4 Q I think you testified at the deposition that Jorge
5 Pupo occasionally went over your head, is that accurate?

6 A No.

7 Q Yes?

8 A No.

9 Q No? Never --

10 A That Jorge Pupo went over my head?

11 Q Yes.

12 A No.

13 Q You never testified to that?

14 A No.

15 Q Okay.

16 A I don't recall that.

17 Q You don't recall a discussion regarding statements of
18 deficiencies and Jorge contacting you directly and telling you
19 how matters wanted to be handled -- matters should be handled?

20 A It's possible.

21 Q Okay. So it's your opinion that Jorge didn't go over
22 your head?

23 MS. LEVIN: Objection. Vague, Your Honor.

24 THE COURT: Overruled.

25 THE WITNESS: It's my opinion that other people went

1 over my head to Jorge.

2 BY MR. MILLER:

3 Q Right. Sorry, rephrase it. Okay. Thank you.

4 A Yeah.

5 Q So was that a regular occurrence? Did other people
6 go over your head to Jorge?

7 A I believe so.

8 Q Okay. And it happened quite frequently; is that
9 right?

10 A Yes.

11 Q And is this one of these instances?

12 A It's possible.

13 Q Okay. You wouldn't have released this, would you
14 have absent of Jorge telling you to?

15 A Somebody else could have told me. I don't recall.

16 Q But this isn't the kind of an internal checklist
17 that's used by your auditors, is it -- isn't the kind of
18 document you would typically release to anybody that wanted it,
19 is it?

20 A Yes. We give it to anybody that asks for it.

21 Q Okay. Then why wasn't it just put on the website?

22 A I don't know.

23 Q You trained the evaluators on quality control; is
24 that right?

25 A Yes.

1 Q Okay. And what did you train the evaluators with
2 respect to quality control?

3 A I trained them to score individually, and then when
4 they were done scoring, they would meet as a group, and discuss
5 in detail why they came to the score that they came to. I also
6 encouraged them that if something was difficult to locate in
7 the application to write down a specific page number or a way
8 to find it again so that if other people didn't see it, that
9 they could quickly identify it and show them where it was.

10 Q And was the intent to let the evaluators score those
11 applications consistently?

12 A Yes.

13 Q So if an applicant had submitted identical
14 applications, presumably the intent was that they should be
15 given identical scores; correct?

16 A Yes.

17 Q And what efforts did the Department take, if any, to
18 ensure that that happened?

19 A The scorers were checking their own work, comparing
20 it to each other. I'm not aware what anyone else in the
21 Department was doing. I wasn't involved in that process.

22 Q So if the Department was aware that two different
23 applicants had submitted an identical version of an
24 application, you're not aware of any steps that were taken that
25 ensured that those two applications would have been scored

1 identically?

2 A I don't know.

3 Q But that was your portion of the training; is that
4 right?

5 A No.

6 Q It was not?

7 A No.

8 Q Turn to Exhibit 1124.

9 UNIDENTIFIED SPEAKER: 1127.

10 MR. MILLER: 27.

11 THE COURT: Is that an offer? 1124?

12 MR. MILLER: Sorry. Yes, 1124.

13 THE COURT: Okay.

14 MR. MILLER: And Number -- D.O.T. 27.

15 BY MR. MILLER:

16 Q Karalin Cronkhite, assist with instruction, quality
17 assurance; that wasn't your portion?

18 A Yes.

19 Q Oh, it was?

20 A That was, yes.

21 Q Okay. So making sure that these were -- that the
22 applications were scored consistently was part of your
23 responsibility to train the evaluators; correct?

24 A I trained them to score consistently, yes.

25 Q And that would have also included any process that

1 you would have used in order to score those applications
2 consistently; correct?

3 A I'm not sure I understand your question.

4 Q What processes did you instruct the evaluators to use
5 to ensure that they scored the applications consistently?

6 A Well, we went through several mock applications
7 repeatedly until they could demonstrate that they were scoring
8 consistently.

9 Q Turn to Exhibit 1780, page 31. I think you
10 previously indicated that you had not seen any flowcharts that
11 were developed by QuantumMark relative to the processes that
12 could have been used in this application process; correct?

13 A I believe that's correct.

14 Q Okay. And so to your knowledge the quality assurance
15 of the application evaluation process that's identified on this
16 document was not in fact used by the Department; correct?

17 A I'm not familiar with what this document is.

18 Q Okay. Well, let's start with what looks like box
19 Number 1. It says, Review the daily evaluation schedule. Are
20 you aware of any efforts by the Department and the actual staff
21 as opposed to the Manpower employees that would have reviewed
22 the evaluate -- the daily evaluation schedule in conjunction
23 with the evaluators?

24 A I'm aware that there were staff who were keeping --
25 making sure that the scorers were on schedule and that they had

1 specific -- specific applications to review each day.

2 Q Okay. And who would that have been?

3 A I don't recall.

4 Q You don't recall who was responsible for that?

5 A No.

6 Q Would it have been a program manager?

7 A It could have been.

8 Q Okay. Which program managers were involved in the
9 application?

10 MS. LEVIN: Objection. Calls for speculation.

11 THE COURT: Overruled.

12 THE WITNESS: Steve Gilbert was the only program
13 manager at the time.

14 BY MR. MILLER:

15 Q Okay. So on this legend where it says program
16 manager, review the daily evaluation schedule, to your
17 knowledge, did Steve Gilbert do that on a daily basis with the
18 evaluators?

19 A I don't know.

20 Q What about reviewing team scoring sheets, are you
21 aware of any efforts with the Department to conduct that
22 review?

23 A I don't know.

24 Q Review questions from team and requests, are you
25 aware of any efforts by the Department to carry out that

1 process?

2 MS. LEVIN: Objection. Lacks foundation.

3 THE COURT: Overruled.

4 THE WITNESS: It is my understanding that the scorers
5 were to ask their questions to either Steve Gilbert or Ky
6 Plaskon.

7 BY MR. MILLER:

8 Q Okay. So Number 5 says, Attend and observe meetings.
9 Did you attend and observe any evaluation meetings?

10 MS. LEVIN: Objection. Lacks foundation.

11 THE COURT: Overruled.

12 THE WITNESS: No.

13 BY MR. MILLER:

14 Q Are you aware of whether or not Steve Gilbert or
15 anybody else attended or observed the evaluation meetings?

16 MS. LEVIN: Objection. Lacks foundation.

17 THE COURT: Overruled.

18 THE WITNESS: I don't know.

19 BY MR. MILLER:

20 Q So you said that to your knowledge that they would
21 just ask Steve Gilbert whenever they had a question; is that
22 right?

23 MS. LEVIN: Objection. Lacks foundation.

24 THE COURT: Overruled.

25 THE WITNESS: I believe they were instructed to go to

1 Steve Gilbert or Ky Plaskon with their questions.

2 BY MR. MILLER:

3 Q And once those questions were asked, it looks like
4 this process provides -- seven, provide verbal feedback to team
5 as needed; is that your understanding as to what happened?

6 A Can you rephrase the question.

7 Q Number 7 says, Provide verbal feedback to team as
8 needed. What's your understanding of what happened with
9 respect to questions that were asked? How were they given --
10 how was the -- how were the evaluators given feedback?

11 MS. LEVIN: Objection. Lacks foundation. Calls for
12 speculation.

13 THE COURT: Overruled.

14 THE WITNESS: I don't know.

15 BY MR. MILLER:

16 Q Number 8 says, Fill out question and answer form.
17 Are you aware of any form where the evaluators would have been
18 able to submit questions?

19 A I don't know.

20 Q Certainly in your training it wasn't included;
21 correct?

22 A Correct.

23 Q You didn't provide them with any questions or answer
24 form that they could submit to anyone?

25 A No, I did not.

1 Q What did you train them to do in the event that they
2 had a question that they needed -- that they thought needed to
3 be addressed?

4 A I did not train them on that.

5 Q And it never came up in the mock applications as to
6 what happens when we're locked in a room by ourself and we need
7 to ask a question?

8 A They were trained by Ky Plaskon on that subject.

9 Q How long were you with them on the training?

10 A Three days.

11 Q Number 8 says, Corrective action required; do you see
12 that?

13 A Yes.

14 Q Were you involved in any question -- any requests for
15 information from the evaluators where they were looking for
16 feedback where you were brought into help address the question?

17 A I don't recall.

18 Q You don't recall any instances where a question was
19 asked about your -- the area where you were the subject matter
20 expert and had trained them and were asked to give feedback so
21 that the evaluators would know how to score these?

22 A Well, during the three days that I was there, there
23 were constant questions, and so I was answering their questions
24 in person. I don't know what this form is referring to
25 specifically so I can't answer the question.

1 Q Okay. Irrespective of this form, once the evaluators
2 began to evaluate the applications, you didn't receive any
3 questions from either the evaluators or any other D.O.T. staff
4 relative to have the applicants should score the applications?

5 A Not that I recall.

6 Q Okay. You see here in the legend on the implement
7 plan, Number 12. It says it's, implementation of the plan is
8 the nonidentified evaluation staff. That would be you;
9 correct?

10 A I don't know. I'm not familiar with this document.
11 So I don't know what they're referring to when they say
12 evaluation staff.

13 Q Okay. Well, I know you're not familiar with this
14 document, but look up here at Number 6. Answer questions as
15 asked. You see it's got the same identifier, nonidentified
16 evaluation staff?

17 A Yes.

18 Q Would you consider yourself to have been part of the
19 nonidentified evaluation staff relative to the 2018 application
20 process?

21 A I don't know because I would say no because I didn't
22 evaluate the documents. I don't recall ever been referred to
23 as evaluation staff.

24 Q Okay. That wasn't your portion of the training;
25 correct?

1 A Can you repeat the question.

2 Q Nonidentified portion was your portion of the
3 training; correct?

4 A Yes.

5 Q And you are the subject matter expert within the
6 division as it applies to the plans and the regulatory
7 compliance of the provisions that they were scoring; correct?

8 A I guess you could say that, yes.

9 Q You took no part in any answering questions as asked
10 by the evaluators?

11 A Yes, I did, during the three days when I was training
12 them.

13 Q Yeah. This is the quality assurance portion of the
14 evaluation process where it's happening on a daily basis.
15 During the evaluation you had no part in the
16 question-and-answer process; correct?

17 A I'm sorry. I couldn't understand you.

18 Q I think it's been asked and answered, I'll move on.

19 MR. MILLER: Your Honor, I'd like to move to Proposed
20 Exhibit 2155. I provided it to Mr. Prince who I understand has
21 an objection. These are the evaluator score sheets for
22 Cheyenne Medical. He notes --

23 THE COURT: What's the number?

24 MR. MILLER: Sorry. It's Exhibit -- Proposed
25 Exhibit 2155. So it's actually Proposed Exhibit 1655, for

1 which we have redacted confidential information.

2 THE COURT: Mr. Prince, do you have an objection?

3 UNIDENTIFIED SPEAKER: He stepped out.

4 THE COURT: Of course, he did. Mr. Gutierrez, do you
5 have an objection to its? Joe is not there. Okay.

6 MR. BICE: Well, we've --

7 THE COURT: Hold on. We've got to find Dennis.

8 MS. LEVIN: Can you repeat the number, please,
9 Mr. Miller.

10 MR. MILLER: Sure. 1665. And in the redacted form
11 it is 2155.

12 MR. BICE: Which pages of 1665 is 300 pages long?

13 MR. MILLER: Sure.

14 THE COURT: I think that's why it's been broken down
15 into a smaller exhibit.

16 MR. MILLER: Yes. Well, we actually redacted it.

17 (Pause in the proceedings.)

18 THE COURT: Thank you.

19 So, Mr. Shevorski, at the end of the day today I'm
20 going to ask a question I'd like you to think about the answer,
21 but it applies to other people too. Since the Clark County
22 School District and certain public, private schools are
23 starting back up in the next week or so, is that going to
24 impact our daily schedule?

25 MR. SHEVORSKI: I'll try to make arrangements.

1 THE COURT: You don't have to answer yet.

2 MR. SHEVORSKI: I'll try to make arrangements to make
3 sure then.

4 THE COURT: No, no. If it affects it, you just got
5 to tell me and I'll start later. But I just need to know.

6 MR. MILLER: Some of us would appreciate that.

7 THE COURT: Mr. Prince, did you have an objection?

8 MR. PRINCE: I do.

9 THE COURT: Great. Do you want to tell me what it
10 is.

11 MR. PRINCE: One, it's foundational.

12 THE COURT: Do you even know what document we're
13 talking about?

14 MR. PRINCE: Yeah, I do.

15 THE COURT: Okay. Good.

16 MR. PRINCE: He sent it to me and the answer's yes.

17 THE COURT: Good.

18 MR. PRINCE: So it's foundation. This witness can't
19 lay the appropriate foundation for it. It remains confidential
20 and you haven't admitted it for any applicant thus far in the
21 case.

22 THE COURT: I have not. We've been doing a different
23 way of looking at it.

24 Mr. Miller, do you want to tell me for what purpose
25 you are offering this document?

1 MR. MILLER: Sure. It relates directly to the
2 training that was given to the evaluators. It's the graders'
3 score sheets to show whether or not the notes indicate that
4 it's consistent with the training that she gave them. It's not
5 being offered for the truth, but as to why the evaluators
6 deducted points as to whether or not components may have been
7 missing, but rather was that consistent with the way that --
8 the way that she trained them with the nonidentified portions
9 of the applications.

10 THE COURT: So I'm going to sustain the objection,
11 but you are welcome to show the document to Ms. Cronkhite to
12 assist you in answering the questions. I'm not going to look
13 at the document, and we're not going to read it in evidence,
14 but if you want to ask her questions based upon any information
15 in it you certainly may.

16 MR. MILLER: Okay.

17 MR. PRINCE: I guess I'm going to just watch -- I
18 understand your ruling. You've been consistent throughout.
19 I've been --

20 THE COURT: I've been trying.

21 MR. PRINCE: I just don't feel that you can show a
22 witness a document that's not otherwise admissible. She hasn't
23 demonstrated a failure of recollection. It's not a document
24 she created or even her work product or even any of the D.O.T.
25 employees' work product. So for that --

1 THE COURT: Aren't they D.O.T. employees when they
2 hire them as temps, Dennis?

3 MR. PRINCE: They are a contractor.

4 THE COURT: They may be a agent.

5 MR. PRINCE: Well, I'm not going to debate that if
6 it's wrong --

7 THE COURT: I guess you have to decide what the facts
8 are --

9 MR. PRINCE: I'm sorry?

10 THE COURT: Nothing.

11 MR. PRINCE: I understood. But nevertheless I
12 understand what you're saying.

13 THE COURT: Okay.

14 MR. PRINCE: I mean, that's the basis of the
15 objection. We shouldn't even --

16 THE COURT: I understand your objection. I've tried
17 to be consistent on all of these. So if you'd like to show
18 Ms. Cronkhite the documents --

19 MR. PRINCE: I just need him to identify the --

20 THE COURT: The pages.

21 MR. PRINCE: The exhibit and the Bate --

22 THE COURT: So I'm going to look at the red exit
23 lights. Shane's going to put it up on the screen. If you need
24 him to go up or down, I've been doing this since you've been
25 out so you probably haven't seen it. So I look over here.

1 When you're done looking I'll look back over at whatever gets
2 admitted next.

3 THE WITNESS: Okay.

4 THE COURT: So, Mr. Miller, if you could give us the
5 number so Shane could put it up.

6 MR. MILLER: Sure. Sure. It's under D.O.T. 39486.

7 UNIDENTIFIED SPEAKER: No, no. What Exhibit
8 Number 21 -- you gave me 2155 and 2156 today.

9 MR. MILLER: This is 2155.

10 THE COURT: Page number.

11 UNIDENTIFIED SPEAKER: 116.

12 THE COURT: Thank you.

13 BY MR. MILLER:

14 Q Ms. Cronkhite, do you recognize this document which
15 identified at the top as nonidentified it being substantially
16 similar or identical to the previous exhibit that we reviewed?

17 A I'm sorry. Can you repeat the question.

18 Q Do you recognize this document as being identical to
19 the document that we previously reviewed -- referenced the
20 intake of the application?

21 A It appears to be.

22 Q Yeah. But you never reviewed any of these documents
23 as part of your role in the administration and application
24 process?

25 A No.

1 Q Okay. And so where it says all ME numbers and it has
2 the RD numbers that we discussed and it lists RD 263, RD 264,
3 RD 265 --

4 MR. PRINCE: Objection. Reading from the document,
5 Judge.

6 THE COURT: So don't read from the document, please.

7 BY MR. MILLER:

8 Q Well, the criteria that's listed there would have
9 looped together five applications. Do you have any awareness
10 as to how those doc -- these applications would have been
11 grouped together?

12 A No.

13 Q Turn to 39541.

14 MR. PRINCE: What exhibit is that?

15 MR. MILLER: Same exhibit.

16 MR. PRINCE: No, you're using a different call
17 number. I think 2155, what Bate number?

18 UNIDENTIFIED SPEAKER: 171.

19 THE COURT: Thank you, Shane.

20 MR. PRINCE: Thank you.

21 BY MR. MILLER:

22 Q See there the indication on the notes reference the
23 square footage?

24 A It's difficult to read.

25 Q Okay.

1 THE COURT: Would you like somebody to blow it up for
2 you?

3 THE WITNESS: It says 2500 it's 3200, but I don't
4 know what their --

5 MR. PRINCE: Objection. Reading.

6 THE COURT: So let's try not to read from the
7 document, but if you have to read from the document when you're
8 giving the answer let us know so I can close my ears.

9 MR. MILLER: Understand.

10 BY MR. MILLER:

11 Q Let me try this a different way. Turn to 39435.

12 MR. PRINCE: I need the exhibit number and the Bate
13 number.

14 MR. MILLER: Same exhibit. I'll let you know if we
15 change. 1665 or --

16 MR. PRINCE: What?

17 MR. MILLER: 1665, Mr. Prince, or 2155. They're both
18 the same.

19 MR. PRINCE: Well, I'm looking up 2155.

20 MR. MILLER: Dealing with Cheyenne Park, Sharon
21 Michael's application scoring sheets.

22 MR. PRINCE: You need to use the trial Bates number.

23 THE COURT: So we'll have Shane give us the numbers
24 after Mr. Miller gives the numbers to Shane because Shane's got
25 the cross reference for them.

1 MR. MILLER: I emailed these to you a week and a half
2 ago and you didn't have any objections.

3 THE COURT: Hey, let's not fight amongst ourselves.

4 MR. PRINCE: Oh, I have them right here in front of
5 me.

6 THE COURT: Guys. Stop.

7 MR. MILLER: All right.

8 THE COURT: Mr. Miller, if we can please make sure we
9 give the numbers to Shane so he can give the number to
10 Mr. Prince.

11 MR. MILLER: Yes.

12 THE COURT: Thank you.

13 MR. MILLER: D.O.T. Number 39435.

14 MR. PRINCE: So I have for the record, Your Honor,
15 I'm objecting to it because that is not the trial designation
16 Bates number.

17 THE COURT: I understand which is why we are having
18 Shane give you the actual trial --

19 MR. PRINCE: I'm there now. I'm just pointing it out
20 for the record.

21 THE COURT: Yeah. So we're getting close to our
22 break time. Not there yet, but let's try and be patient until
23 we get there.

24 MR. MILLER: In the criminal world they don't fight
25 like this, Your Honor. They just put the case on.

1 Shane what's the -- what's the document number?

2 TECH SHANE: Page 65.

3 MR. MILLER: 65. So it is 166565.

4 BY MR. MILLER:

5 Q Review the notes on this page and see there up at the
6 top is, I don't want you to read as for us, but a designation
7 of a number of jurisdictions and a note that appears to
8 indicate that the evaluator may have acknowledged that there
9 were multiple applications that were all identical. Is that a
10 fair assessment?

11 MS. LEVIN: Objection. Lacks foundation. Calls for
12 speculation.

13 THE COURT: Overruled.

14 THE WITNESS: It appears to be. I wasn't involved in
15 this portion of the training.

16 BY MR. MILLER:

17 Q I understand that, but you're not aware of any
18 process by which the Department would have assisted in the
19 evaluators knowing if the applications that had been submitted
20 were identical to other applications that were submitted;
21 correct?

22 MS. LEVIN: Same objection.

23 THE COURT: Overruled.

24 THE WITNESS: No, I'm not aware.

25 / / /

1 BY MR. MILLER:

2 Q Would you agree with me that had identical
3 applications been submitted for the nonidentified portions that
4 you trained on by different entities, that those applications
5 should have been scored identically?

6 A If they were absolutely completely identical, then
7 yes.

8 Q Oftentimes applications were evaluated where only one
9 application was submitted, and it would just include another
10 attachment; is that right?

11 A I'm sorry. Can you repeat that.

12 Q Oftentimes applications were submitted where it was
13 just one application with just different versions of the
14 attachment as it would apply to different jurisdictions; is
15 that correct?

16 MS. LEVIN: Objection. Calls for speculation.

17 THE COURT: Overruled.

18 THE WITNESS: I believe that's the case, but I don't
19 know for sure.

20 MR. MILLER: Okay. Pull up 84007.

21 MR. PRINCE: What is that?

22 THE COURT: That's within the same exhibit?

23 MR. MILLER: No, sorry. Exhibit 84. Page 007.

24 THE COURT: Thank you.

25 / / /

1 BY MR. MILLER:

2 Q So if an applicant, let's say Cheyenne Medical, who
3 scored Number 4 had submitted an application that was identical
4 to the application that was submitted on Number 7, would you
5 have expected those applications to have scored -- given
6 identical scores?

7 MS. LEVIN: Objection. Asked and answered.

8 THE COURT: Overruled.

9 MR. PRINCE: Objection. Speculative.

10 THE COURT: Overruled.

11 THE WITNESS: Hypothetically, if they were absolutely
12 identical, then yes.

13 BY MR. MILLER:

14 Q But you were aware, were you not, that Cheyenne
15 Medical and Commerce Park are both the same company?

16 MR. PRINCE: Objection. Form. Foundation.

17 THE COURT: Overruled.

18 THE WITNESS: No. I'm aware that they are -- that
19 they have similar ownership or they're related to some extent,
20 but I don't know the details.

21 BY MR. MILLER:

22 Q Okay. Well, when you conduct your inspections,
23 right, where do you go to when you're visiting those
24 establishments that are licensed by Cheyenne Medical and
25 Commerce Park; what's their DBA?

1 A I'm sorry, what was that?

2 Q What's their doing business as name?

3 A I believe that's Thrive.

4 Q And so when you -- when you visit those facilities,
5 are they designated as Commerce Park Medical on the door or are
6 they Thrive?

7 A On our paperwork they would be designated as Commerce
8 Park Medical.

9 Q But you're aware that they're the same company that's
10 doing -- the businesses are the same company; correct?

11 MR. PRINCE: Objection. Foundation. Misstates the
12 testimony.

13 THE COURT: Overruled. You can answer.

14 THE WITNESS: I know that they're related. They have
15 different LLCs, but that's the extent of my knowledge.

16 BY MR. MILLER:

17 Q Okay. If they had, in fact, submitted the same
18 application for Reno and were scored differently on the
19 nonidentified portions of the application, what quality control
20 did you do at all to ensure that the same application in this
21 jurisdiction wasn't both given a license and also deprived of a
22 license?

23 A I had no involvement in that type of quality control
24 that you're referring to.

25 Q Yeah. You didn't even go back to check to make sure

1 that if somebody had submitted identical applications that they
2 had been scored identically; is that correct?

3 A I personally had no involvement in that, no.

4 Q You could have done that, couldn't you?

5 A I don't know.

6 Q What's your rationale for not doing that?

7 MS. LEVIN: Hold on. I didn't hear that, what?

8 BY MR. MILLER:

9 Q What's your rationale for not doing that.

10 THE COURT: She said I don't know. So he wants to
11 know why she doesn't know.

12 THE WITNESS: I was not tasked with that assignment.

13 BY MR. MILLER:

14 Q I'm sorry?

15 A I was not tasked with that assignment.

16 Q Okay. After the award of these scores, you were
17 involved in the score review process; were you not?

18 A I'm sorry. Can you repeat that.

19 Q You were involved in the score review process after
20 the release of these scores; correct?

21 A I don't know what you mean by score review process.

22 Q Okay. You were involved in the process by which
23 under NAC 453D.274 request by applicant for ranked application
24 score. You were involved in that process; correct?

25 MS. LEVIN: Objection. Vague.

1 THE COURT: Overruled.

2 THE WITNESS: I believe you're referring to the score
3 review meetings, yes, I conducted those.

4 BY MR. MILLER:

5 Q Okay. And is there a policy associated with how
6 those score reviews were supposed to take place?

7 A Yes. There was either a regulation or a statute that
8 outlines what could be shared.

9 Q And it's very specific; is it not?

10 A Yes.

11 MR. MILLER: Bring up Exhibit 1037. It might be
12 proposed, actually.

13 UNIDENTIFIED SPEAKER: [Indiscernible.]

14 MR. MILLER: 1037.

15 THE COURT: That's a proposed exhibit, Mr. Miller.

16 MR. MILLER: Okay. Sorry.

17 THE COURT: That's all right.

18 MR. PRINCE: No objection.

19 THE COURT: Be admitted.

20 MS. LEVIN: Hold on, Your Honor.

21 THE COURT: Okay.

22 MS. LEVIN: Our only would be foundation. There's no
23 date on this so I don't know what this pertains to.

24 THE COURT: All right. Thank you. It's overruled.

25 Be admitted.

1 (Exhibit Number 1537 admitted.)

2 BY MR. MILLER:

3 Q Have you seen this policy document before?

4 A I believe so.

5 Q It's identified as marijuana establishment
6 application score review meeting procedures. Are you familiar
7 with the procedures that would pertain to a request for a score
8 review?

9 A Yes.

10 Q Okay. And can you generally tell us what was
11 expected to happen?

12 A We were to instruct the applicant that they could not
13 take pictures of their score sheet, that they could not
14 photocopy it; however, they could write down the information
15 that was on the score sheet, and that we couldn't provide any
16 details as to why they received the score that they received.

17 Q And this policy says that a meeting will be scheduled
18 for up to, but no longer than 30 minutes; was that adhered to?

19 A I'm sorry, what was the question?

20 Q Was that adhered to in the score meetings that you
21 conducted following the 2018 application process?

22 A Yes, I believe so.

23 Q Okay. It says that the company representative can
24 make notes of the scoring information provided, but no
25 photocopies, scanned, recordings or photographs can be made of

JD Reporting, Inc.

1 the information provided; was that adhered to?

2 A Yes.

3 Q In all instances?

4 A To my knowledge.

5 Q It says MED staff will not discuss nor comment on the
6 scores provided nor discuss or comment on the MED's review
7 process; was that adhered to to your knowledge?

8 A Yes.

9 Q In all instances?

10 A I'm sorry, what?

11 Q In all instances?

12 A Yes.

13 Q No information will be provided on any other ME
14 applicant not associated with the company representatives; was
15 that adhered to in all instances?

16 A Yes, to my knowledge.

17 Q It says the following staff persons are authorized to
18 coordinate the meeting for the MED, program officer three,
19 chief compliance lists the number of individuals. Who actually
20 participated in those meetings for the 2018 score review
21 meetings?

22 A Typically, it was myself, Damon Hernandez who was the
23 chief compliance audit investigator and Ky Plaskon was the
24 education information officer.

25 Q Okay. How often did Jorge Pupo participate in those?

1 A I don't recall him participating.

2 Q What about any other previous score review processes
3 prior to the 2018 recreation application process; do you recall
4 Jorge Pupo participating in any of those score reviews?

5 A It's possible, but I don't recall those meetings
6 specifically.

7 Q See at the top of the document on page 1, it says,
8 Purpose, the document describes the strict adherence that must
9 be followed for any applicants to view the scoring information.
10 Did you take this -- this policy seriously?

11 A Yes.

12 Q Is it something that you ensured was followed?

13 A I'm sorry what?

14 Q Is it something that you ensured -- is this policy
15 something that you ensured was followed by the Department to
16 the best of your ability?

17 A Yes.

18 Q And why?

19 A Because it's required per statute and for regulation,
20 and I didn't have the authority to do anything otherwise.

21 Q And you were also aware that there were provisions of
22 the application in the training and evaluation process that
23 were to remain confidential; is that right?

24 A Yes.

25 Q And how seriously did you take that obligation to

1 keep information confidential?

2 A Very seriously.

3 Q Let me show you Exhibit 2012, page 3.

4 THE COURT: And that's a proposed exhibit.

5 MR. MILLER: It is?

6 THE COURT: That's what Dulce says.

7 MR. PRINCE: Hang on a second.

8 THE COURT: Mr. Prince, do you know the cross
9 reference number?

10 MR. PRINCE: I don't.

11 THE COURT: You are disappointing me. You have been
12 on it the whole time.

13 MR. PRINCE: I don't know it -- I don't know this
14 exhibit; that's the problem. Hang on. Oh. I do. Give me one
15 second here.

16 THE COURT: Oh, wow. He's going to show us, isn't
17 he.

18 MR. PRINCE: Well, one page of it is Exhibit
19 Number 1,000. So the rest of it's not in. 20123 Bates
20 Number 3 is Exhibit Number 1,000 which has been admitted.
21 That's all. So I'm back on track, Judge.

22 THE COURT: Thank you, Mr. Prince. I appreciate
23 that.

24 MR. MILLER: Thank you.

25 MR. PRINCE: You're welcome, Ross.

1 MR. MILLER: You give me like a visceral response.
2 Thank you, Mr. Prince.

3 MR. PRINCE: You're welcome.

4 BY MR. MILLER:

5 Q Ms. Cronkhite, I'm showing you Exhibit 1,001 and
6 I'll -- you were the State's representative throughout this
7 trial; is that correct? You sat through proceedings of this
8 trial?

9 A Yes.

10 Q Did you listen to Amanda Connor's testimony?

11 A Yes.

12 Q And do you recall her testimony relating to these
13 handwritten notes?

14 A Yes, I believe so.

15 Q All right. Are these handwritten notes an example of
16 what would be allowable when a company representative can make
17 notes of the scoring information provided per the policy that I
18 should you before?

19 A Yes.

20 Q Okay. And do you recall that these notes relate to
21 the White Pine application?

22 A I don't know for certain.

23 Q Okay. But do you recall doing a score review with
24 Ms. Connor relative to the White Pine medical application that
25 occurred shortly before the 2018 recreational?

1 A I don't recall that meeting specifically.

2 Q Okay. But you don't dispute her testimony that she
3 recalls it happened with you; right?

4 A Right.

5 Q Okay. And in every instance that she conducted a
6 score review you followed this policy; correct?

7 A Yes.

8 Q And you listened to the testimony that there was
9 another conversation between Ms. Connor and Mr. Pupo that
10 occurred subsequent to that score review; is that correct?

11 MS. LEVIN: Objection. Lacks foundation.

12 THE COURT: Overruled.

13 THE WITNESS: I don't recall specifically.

14 BY MR. MILLER:

15 Q You don't recall that both of them testifying that
16 they, in fact, had a subsequent conversation following your
17 score review?

18 A No, not specifically I don't recall that.

19 Q Yeah. You certainly didn't provide any additional
20 materials about the sections that you trained the evaluators to
21 score in that score meeting review with Ms. Connor and the
22 White Pine application, did you?

23 A No, I did not.

24 Q Are you aware that Thrive increased their score
25 following that score review in one section alone by 22.97

1 points?

2 A I don't know the exact difference in scores, but I am
3 aware that their score did improve.

4 Q But you certainly didn't give out any information
5 that would have led to an increase in the score of that
6 magnitude; is that correct?

7 A No, I did not.

8 Q And you're not aware of whether or not any other
9 conversations from the Department could've resulted in that?

10 A I'm sorry, I couldn't hear you.

11 Q Are you aware of any other conversations that could
12 have taken place between the Department and Ms. Connor that
13 could have resulted in an increase of that magnitude?

14 A No, not to my knowledge.

15 MR. MILLER: I have nothing further, Your Honor.

16 And I'll wipe it down.

17 THE COURT: Yes, please.

18 MR. MILLER: I put that in my notes.

19 THE COURT: Do any other plaintiffs' counsel wish to
20 inquire of Ms. Cronkhite? Ms. Cronkhite, do you need a break
21 yet?

22 THE WITNESS: I think I'm okay.

23 THE COURT: I was hoping you would say yes.

24 THE WITNESS: Oh. Yes.

25 THE COURT: Any other plaintiffs -- any other

1 plaintiffs' attorneys wish to examine? Seeing none.

2 Do the interveners wish to examine?

3 Before I'm deciding if I take a break, Mr. Prince,
4 Mr. Bice how long is your examination?

5 MR. BICE: It won't be long, but we might need to
6 take a break.

7 MR. PRINCE: Yeah, let's take a break. We may not --

8 THE COURT: All right. So we're going to take a
9 10-minute recess.

10 (Proceedings recessed at 2:13 p.m. until 2:21 p.m.)

11 (Pause in the proceedings.)

12 MS. LEVIN: The plaintiffs are not asking questions;
13 right?

14 THE COURT: What?

15 MS. LEVIN: I don't think the other plaintiffs have
16 questions.

17 THE COURT: No. Do you want to go, or do you want me
18 to go to --

19 MS. LEVIN: I do. I'll go first.

20 THE COURT: Okay, we're going to go to you now.

21 MS. LEVIN: Yes, I have a few questions.

22 THE COURT: All right.

23 CROSS-EXAMINATION

24 BY MS. LEVIN:

25 Q So Ms. Cronkhite, you started working for the Public

1 Health Department in 2015; correct?

2 A Yes.

3 Q And then were you also on the Task Force in 2017?

4 A Yes, I was on the Retail Ops Working Group.

5 Q Okay. And there were many working groups on the Task
6 Force; correct?

7 A Yes.

8 Q And many people from the industry would attend those
9 meetings; right?

10 A Yes.

11 Q So some of the names. Do you recall John Ritter
12 being in one of the working groups --

13 A Yes.

14 Q -- or present? And Amanda Connor was there, too;
15 correct?

16 A Yes.

17 Q And so the Department obtained input from many
18 different industry groups; obtained input for the regulations;
19 correct?

20 A Yes.

21 Q Just a few follow-up questions on the training.

22 Mr. Miller went through some of these non-identified scoring
23 criteria with you, and he appeared to be -- have some concern
24 about whether those graders would adequately score all these
25 elements and come up with the right number of points.

1 Do you remember that?

2 A Yes.

3 Q And could you explain that -- these mock
4 applications, they were really there to make sure that the --
5 that the -- that the scoring was consistent; would that be fair
6 to say?

7 A Yes, that's correct.

8 Q And how would you -- how did they achieve that by
9 reviewing these mock applications?

10 A So the goal of the mock applications was to become so
11 familiar with scoring the applications that they could
12 consistently give similar criteria the same score over, and
13 over, and over again.

14 Q And when you -- and I believe you explained that,
15 before you arrived for your training, the graders had already
16 had a week of training before; correct?

17 A Yes.

18 Q And so it was your understanding they had already
19 reviewed the regulations at that point; correct?

20 A Yes, they were very familiar with them by the time I
21 arrived.

22 Q Okay. And so those mock applications, they served
23 the purpose to make sure that these graders wouldn't have
24 widely different scores; right?

25 A Correct.

1 Q And they were all on the same page; right?

2 A Exactly. That's correct.

3 Q And so, to the extent that they were not, you
4 explained that they had -- they would score individually, but
5 that at the end of the day, they would compare their scores,
6 and if they were more than three points apart, they would
7 discuss that; right?

8 A Yes.

9 Q And again, that would promote consistency; correct?

10 A Correct.

11 Q And making sure -- and quality control, because if
12 somebody had missed some aspect in the application, somebody
13 else could point that out?

14 A Yes, that was the intention.

15 Q And that's what you meant when you said you trained
16 them to write down if it was difficult to find, so that if
17 there was a difference in scoring, the grader could explain to
18 the other one, hey, I know I saw this element here on this
19 page. Is that what you were talking about?

20 A Yes, that's correct.

21 Q Okay. And again -- but still, these graders, if they
22 disagreed on a certain score, they still could say, no, I
23 disagree and I want to put this score down; right?

24 A Correct. They were not required to change their
25 score after a discussion.

1 Q Okay. Now, you -- and it wasn't just you; right?
2 You were also -- there was also another person; was it Dave
3 Witkowski who came to train?

4 A Yes.

5 Q I believe Mr. Miller asked you about the quality
6 control -- whether you trained them on quality control, and you
7 may have been confused.

8 You were not involved in any quality control that may
9 have been done administratively after the graders completed
10 their review; right?

11 A Correct.

12 Q So all that your training on quality control was
13 limited to the actual training of the applications itself;
14 correct?

15 A That's correct.

16 Q On the nonidentified section?

17 A Yes.

18 Q Okay. And some of these scoring tools we went over,
19 we looked at the adequacy of size, and the care, quality, and
20 safekeeping of the product. Remember that?

21 A Yes.

22 Q Also, we looked at the record-keeping plan. And I
23 believe you testified that it was important, not just say,
24 we're going to do A, B, and C, but that you wanted to see that
25 they actually had a plan for that and how they laid out a plan;

1 correct?

2 A Yes.

3 Q And that was important because that would show that
4 the applicant actually understood the requirements of the
5 regulations; would that be fair to say?

6 A Yes.

7 Q There was also -- do you recall a -- one of the --
8 the ranking criteria was the -- the likely impact on the
9 community. Do you remember that?

10 A Yes.

11 Q Can you explain what this ranking factor was about?

12 A This ranking factor was really about the likely
13 impact that they could have. So they could really express
14 whatever they wanted. Like, if they're going to hire staff
15 that is from a low-income, or disabled population, or just hire
16 locally only.

17 If they were going to buy furniture from local
18 suppliers, specifically. If you want to volunteer with Meals
19 on Wheels, for example, or donate financially, or donate your
20 time by volunteering, that was all the information for the
21 likely impact.

22 There was also information about security and
23 mitigation of nuisance. So they could talk about how they're
24 going to provide added security and safety to the -- to
25 wherever their facility is going to be, or if they are going to

1 prevent odor -- you know, mitigate odors, things like that.

2 Q So, in other words, an applicant can describe what
3 the likely impact the applicant will have on a community
4 without identifying the location; correct?

5 A That's absolutely correct. They're actually not
6 allowed to prove any identifying information as to the
7 location.

8 Q You don't need a street address to say, we are going
9 to hire locally; right?

10 A Correct.

11 Q You don't even need a city to say, we are going to
12 implement educational plans, and we're going to make sure that
13 we're -- you know, we're not putting ourselves next to a bus
14 stop; correct?

15 A Correct.

16 Q Don't need a location for that. You don't even need
17 the jurisdiction; would that be fair to say?

18 A Yes, that's fair.

19 Q And if the applicant wanted to include the location
20 anyway, to describe their community impact, could they include
21 it?

22 A They were instructed not to. They would actually be
23 deducted points if they did.

24 Q They were deducted points?

25 A Yes.

1 Q Right. And it's also clear from the application that
2 they couldn't; right?

3 A Correct.

4 MS. LEVIN: And Brian, if you could show Exhibit
5 1006. Page 6.

6 BY MS. LEVIN:

7 Q If you look at the non-identified criteria
8 response -- do you see that in that column?

9 A Yes.

10 Q It specifically warns that the -- or a response to
11 the application, that has to be provided in a nonidentified
12 format. It says there,

13 Identifiers that must be removed from
14 the application include all names, specific
15 geographic details, including street address,
16 city, county, precinct, zip code, et cetera.

17 Correct?

18 A Yes.

19 Q And if you look at page 14.

20 MS. LEVIN: Brian, if you could go to 14.

21 BY MS. LEVIN:

22 Q Now, there are several aspects. 5.3.6, for example,
23 it says there specifically, "The content of this response must
24 be in a non-identified Format." Right?

25 A Correct.

1 Q And it's in bold, and it warns each applicant, right,
2 not to put -- this is in a nonidentified, meaning they could
3 not include any location, zip code, street address; correct?

4 A Correct, it says "must" --

5 Q Correct.

6 A -- "be in a nonidentified."

7 Q Yeah. And if you look at bit lower at 5.3.7 -- under
8 5.3.7, it says there specifically, "Community impact and" --
9 see that?

10 A Yes.

11 Q "Community impact"? Again, it says there, "The
12 content of this response must be in a nonidentified format,"
13 right?

14 A Correct.

15 Q So even assuming an applicant wanted to put in a
16 location, we're -- you know, we're going to have a big impact
17 on whatever, West Charleston, they couldn't do that, right?

18 A Correct.

19 Q And so you talked about that 2 point deduction. Can
20 you explain the rationale for that, other than it follows from
21 the application itself?

22 A Yes. We wanted to make sure that the nonidentified
23 portion was completely impartial and that the scorers had no
24 idea who they were scoring or where they were scoring.
25 Anything that could give any indication as to who these people

1 were, we wanted to keep that all, you know, confidential so
2 they were unaware. That was the intention of it.

3 Q And that 2 point deduction was applied across the
4 board; correct?

5 A Yes.

6 Q It wasn't just, oh, well, you know, this applicant
7 did it, and we're -- we're just going to ignore it in this
8 other application; right?

9 A Correct.

10 MS. LEVIN: I don't think I have anything further.

11 THE COURT: Thank you. If you could wipe down the
12 lectern, please.

13 MS. LEVIN: Yes.

14 THE COURT: Next witness. Or, I'm sorry, next
15 examiner.

16 That was a hopeful thing, Mr. Bice.

17 Thank you, Ms. Levin.

18 MS. LEVIN: Uh-huh.

19 CROSS-EXAMINATION

20 BY MR. BICE:

21 Q Good afternoon, Ms. Cronkhite. Can you remind me,
22 what is your current role at the Department of Tax?

23 A Currently, I'm the Health Program Manager II.

24 Q All right. At the Department of Tax, it kept track,
25 did it not, of any suspensions of marijuana licensing?

1 A Yes, we did track that.

2 Q And you -- and you kept track of fines; correct?

3 A Yes.

4 Q Do you know an individual named Rino Tenorio?

5 A Yes.

6 Q Can you tell me who he is?

7 A He's an auditor with the Department of Taxation.

8 Q Is he still working?

9 MR. DZARNOSKI: Excuse me. Could counsel speak into
10 the microphone, please?

11 MR. BICE: Sorry, Mark. Apologies.

12 THE COURT: I've been giving Mr. Miller a hard time.

13 MR. BICE: Yes. Does he --

14 THE COURT: Do I have to give you a hard time?
15 You've never had trouble speaking up.

16 BY MR. BICE:

17 Q Does he still work there?

18 A I'm not exactly sure.

19 Q Okay. So are you aware that Mr. Tenorio in this case
20 produced some forms showing suspensions and fines of licensees?

21 A I've -- through this trial, I have become aware of
22 some documents that he has shared.

23 Q All right. That -- that he in fact -- that he, in
24 fact, removed some files from the D.O.T.?

25 A Correct.

1 Q Okay.

2 MR. BICE: I'd like to -- Your Honor, I'd like to
3 move into admission Exhibit 3319.

4 THE COURT: Any objection to 3319?

5 MR. BICE: My guess is Mr. Shevorski's going to
6 object, but I'm going to --

7 THE COURT: I'm waiting.

8 MR. GENTILE: Your Honor, give us a moment, please.

9 THE COURT: I am giving you a moment. Can you tell
10 how patient I am?

11 MS. LEVIN: 33 what? Sorry.

12 MR. BICE: 3319. I'm sorry.

13 MS. LEVIN: Your Honor, the State objects under 3360
14 and 255. Sorry, it's been a long day.

15 THE COURT: The confidentiality provisions?

16 MS. LEVIN: Yes.

17 THE COURT: Mr. Bice, for what purpose do you offer
18 these documents?

19 MR. BICE: I'm -- I'm offering these documents, Your
20 Honor, to show that several of the -- the plaintiffs in this
21 lawsuit, particularly the TGIG parties, have lengthy histories
22 of some regulatory infractions.

23 And in fact, they've made the contention that they
24 have been somehow -- or my client received preferential
25 treatment. And these records would, in fact, rebut that

1 charge, and would show that, in fact, they -- they were not
2 fined on multiple occasions for infractions by themselves.

3 THE COURT: So you're seeking to admit them to show
4 the disciplinary history?

5 MR. BICE: Yes.

6 THE COURT: The objection is sustained.

7 MR. BICE: All right. But I've offered it, so it
8 will be part of the record; correct?

9 THE COURT: You have offered it.

10 MR. BICE: Thank you very much.

11 BY MR. BICE:

12 Q Ms. Cronkhite, just briefly, would you agree -- do
13 you remember in your deposition you were asked about whether or
14 not compliance was part of the application evaluation?

15 A Yes.

16 Q And would you agree that compliance was actually part
17 of the evaluation of the applications?

18 A Yes.

19 Q And can you tell me how?

20 A Multiple sections. So, I believe that the entire
21 non-ID section was demonstrating your ability to read and
22 comprehend the regulations, understand what was required of
23 you, and put it into a format to demonstrate that you were
24 capable of meeting those requirements.

25 Additionally, there was a section in the identified

1 portion of the application in which they had to discuss -- or
2 disclose their work history related -- or their experience
3 related to marijuana, specifically. That was also a scored
4 portion of the application.

5 MR. BICE: Thank you.

6 MR. PRINCE: No questions, Judge.

7 THE COURT: Thank you.

8 Any other interveners wish to inquire of
9 Ms. Cronkhite?

10 (No audible response.)

11 THE COURT: Any redirect, Mr. Miller?

12 MR. MILLER: No, Your Honor.

13 THE COURT: Anything else from the State?

14 MS. LEVIN: No, Your Honor.

15 THE COURT: Ms. Cronkhite, you may return to your
16 not-on-the-hotspot seat.

17 THE WITNESS: Thank you, Your Honor.

18 THE COURT: And again, if you need to get up and move
19 around or leave for any reason, please feel free to do so, even
20 though you are the State's representative.

21 THE WITNESS: Thank you.

22 THE COURT: Your next witness?

23 Mr. Dzarnoski, there were threats of more
24 depositions.

25 MR. DZARNOSKI: I'm sorry?

1 THE COURT: Threats of more depositions?

2 MR. DZARNOSKI: There is a William Anderson that is
3 cued up. It should take approximately 50 minutes, Your Honor.

4 THE COURT: Okay. Are the objections included so I
5 can rule on them?

6 UNIDENTIFIED SPEAKER: Yes, Your Honor.

7 MR. DZARNOSKI: Yes, Your Honor.

8 THE COURT: Thank you. Can I have the deposition
9 sent to us to publish?

10 I.T. TECH: Of course.

11 THE COURT: Thank you. What else, Jill, was I
12 supposed to ask that I forgot? No?

13 MS. LEVIN: Your Honor?

14 THE COURT: Yes?

15 MS. LEVIN: We sent the errata sheets. So I don't
16 know how that works, but it's been sent to the Litigation
17 Services, and so hopefully that'll be --

18 THE COURT: Is it part of what's being played?

19 MS. LEVIN: I'm sorry?

20 THE COURT: Is the change sheet part of what's being
21 played? Does it impact some of the designated testimony?

22 MS. LEVIN: I think it does because there's one phone
23 number that's corrected, and then he made it -- kind of a
24 general correction about the authority -- a delegation of
25 authority.

1 THE COURT: So can I see the change sheet first
2 before we play the depo, just so I can read it, since
3 apparently there is a general statement in it?

4 MS. LEVIN: I may even -- oh, no I (indiscernible).
5 Sorry.

6 THE COURT: Can somebody display the change sheet
7 first?

8 I.T. TECH: Okay. Your Honor, I have this at an hour
9 and 45 minutes long.

10 THE COURT: Okay. Do you have the change sheet?

11 I.T. TECH: I do not.

12 THE COURT: Who has the change sheet?

13 MS. LEVIN: I'm going to try to find it.

14 MR. DZARNOSKI: I will -- Your Honor, it has been
15 provided to me. I'm not sure if I have it on a computer or
16 printed, so I will look.

17 (Pause in the proceedings.)

18 MS. LEVIN: Your Honor, I have a very bad copy, but I
19 think you could --

20 THE COURT: Can I see it?

21 MS. LEVIN: Yes. One side is in purple.

22 THE COURT: It's okay. Okay. I've reviewed it. I'm
23 going to give you back your copy. And if we could get the one
24 e-mailed to Dulce, then she'll keep it with the published
25 record.

1 THE CLERK: I have the errata, Your Honor.

2 THE COURT: Thank you, I've read it.

3 THE CLERK: Thank you.

4 THE COURT: Hit "play", Shane.

5 THE CLERK: And I have the depo. Thank you. Shane,
6 I have the depo.

7 MR. BICE: So, Your Honor, it looks like we have a
8 colloquy in there. There is about a -- sorry, let me come to
9 the mic.

10 My apologies, Shane. Give me one second, Shane. So,
11 Your Honor, there is about a three-page exchange between
12 counsel that is about -- it's just argument about
13 meet-and-confers and preservation, which I object to as being
14 testimony from the witness, because it doesn't concern the
15 witness.

16 THE COURT: So do you want to leave it out?

17 MR. BICE: Yeah, from pages --

18 THE COURT: Everybody okay leaving out the discussion
19 between counsel?

20 MS. LEVIN: The State agrees, Your Honor.

21 MR. BICE: -- 13 through 14.

22 THE COURT: Mr. Dzarnoski, are you okay with that?

23 MR. DZARNOSKI: Yes, Your Honor.

24 THE COURT: All right. So if we could skip that
25 part, Shane, or at least go through it quickly when you get to

1 it.

2 I.T. TECH: I'll just need a moment.

3 (Pause in the proceedings.)

4 (Video deposition of WILLIAM ANDERSON played as follows:)

5 EXAMINATION

6 BY MR. PARKER:

7 Q Mr. Anderson, have you ever had your deposition taken
8 before?

9 A No, I have not.

10 Q I'll explain the process to you. I assume your
11 attorney, Ms. Levin, has also explained the process to you; is
12 that correct?

13 A Akke and I did talk, yes.

14 Q So the oath you were just administered is the same
15 oath you would be administered in a court of law and carries
16 the same penalty of perjury. Do you understand that?

17 A I'm sorry, you broke up a little bit.

18 Q The oath you were just administered by the court
19 reporter is the same oath you would be administered in a court
20 of law. Do you understand that?

21 A Yes, I do.

22 Q And although we're in somewhat of an informal setting
23 today, that oath still carries the same penalty for perjury.

24 Do you understand that?

25 A Yes, I do.

JD Reporting, Inc.

1 Q Having been sworn to tell the truth, is there any
2 reason why you can not provide me with your most honest and
3 accurate answers today?

4 A No, there isn't.

5 Q Are you comfortable proceeding at this point?

6 A Yes, I am.

7 Q I'll do my best to ask you questions that you can
8 answer with a yes or no response. To the extent you need to
9 explain your answer or you can not do simply a yes or no, feel
10 free to do so. Please try and refrain from using hand or head
11 gestures, despite the fact we are on video. Okay?

12 A Yes.

13 Q We need audible responses is my point. If you use
14 hand and head gestures, in addition to giving us audible
15 responses, simply do your best to give us audible responses.

16 Okay?

17 A I understand.

18 Q Good. Have you been taken any drugs, prescription or
19 nonprescription, or alcohol, that would prevent you from being
20 able to answer questions?

21 A No.

22 Q Mr. Anderson, it's my understanding you are retired;
23 is that correct?

24 A That's correct.

25 Q When did you retire?

1 A January of this year.

2 Q And where did you retire from?

3 A The Department of Employment, Training and
4 Rehabilitation.

5 Q DETR?

6 A Yes.

7 Q How long were you with DETR?

8 A I was with DETR from the mid two thousands to 2000 --
9 early 2018 as Chief Economist. I went to the Department of
10 Taxation for several months, then I went back to DETR for the
11 final year of my career.

12 Q Okay. Let me see if I can put more specificity to
13 these dates. You said mid two thousands. Can you tell me your
14 best recollection of when you joined DETR?

15 A I joined DETR in 2006, I worked there until February
16 of 2018. At the Department of Taxation I worked from February
17 of '18 to the first week of January in 2019.

18 Q All right. So, Mr. Anderson, in December of 2018,
19 were you informed of an Order requiring the D.O.T. and its
20 employees, having to do -- having to do with the marijuana --
21 2018 marijuana application process, to preserve their phones?

22 MS. LEVIN: Objection to form, calls for speculation.

23 THE COURT: Overruled.

24 COUNSEL: Join.

25 MR. PARKER: You can answer, Mr. Anderson.

1 MS. LEVIN: You can answer.

2 THE WITNESS: Yes, I was aware.

3 BY MR. PARKER:

4 Q Did you, in fact, preserve your phone?

5 A Nobody asked me.

6 Q All right. Do you still have your phone?

7 MS. LEVIN: Objection, relevance.

8 THE COURT: Overruled.

9 THE WITNESS: No, I do not.

10 BY MR. PARKER:

11 Q When did you -- where is that phone, to your
12 knowledge?

13 A That was a State phone, and I returned it when I left
14 the Department.

15 Q Can you tell me what that telephone number was?

16 A I believe it was area code (775) 291-0054.

17 Q Did you say 291?

18 A Yes.

19 Q And to your knowledge before you left, there was no
20 extraction report taken of your phone; is that correct?

21 MS. LEVIN: Objection to form, calls for speculation.

22 THE COURT: Overruled.

23 MR. PARKER: Is that correct, sir?

24 THE WITNESS: Not to my knowledge, no.

25 / / /

1 BY MR. PARKER:

2 Q Are you okay, Mr. Anderson?

3 A Yes.

4 Q All right. Perfect. And I need you to respond,
5 because every time you speak, that makes -- that brings your
6 screen back up. So for the longest time I was looking at the
7 name Jordan Smith on the screen.

8 So, Mr. Anderson, no one asked you to preserve your
9 phone. Did you delete any information from that phone prior to
10 leaving the Department of Taxation in January of 2019?

11 COUNSEL: Objection to form.

12 MS. LEVIN: Objection -- same objection.

13 THE COURT: Overruled.

14 BY MR. PARKER:

15 Q Go ahead, Mr. Anderson.

16 A I do not remember if I did a delete on my phone
17 before I returned it to the Department.

18 Q All right. Was it your practice to delete text
19 messages from your phone prior to January 2019?

20 A No, it was not.

21 Q And do you recall whether or not other members of the
22 Department of Taxation contacted you on that telephone?

23 A Yes, they did.

24 Q Did that include Mr. Jorge Pupo?

25 A Yes.

1 Q How about Karalin Cronkhite?

2 A I do not believe that Ms. Cronkhite and I ever
3 communicated via phone -- or via -- via text message.

4 Q How about Steve Gilbert?

5 A We never communicated via text message.

6 Q Ky Plaskon?

7 A We never communicated via text message.

8 Q Damon Hernandez?

9 A We never communicated via text message.

10 Q Amanda Connor?

11 A We never communicated via text message.

12 Q George Kelesis?

13 A We never communicated via text message.

14 Q Tick Segerblom?

15 A We never communicated via text message.

16 Q So other than Mr. Jorge Pupo, do you recall any other
17 D.O.T. employees that communicated with you via that telephone?

18 A I would receive miscellaneous text messages from the
19 Department's Executive Assistant, from other Deputies, over the
20 course of doing everyday business.

21 Q Do you have any names?

22 A I'm sorry, I didn't hear your question.

23 Q Yes, do you recall any names?

24 A Executive Assistant would be Ms. Tina Padavono. The
25 Deputies would include Ms. Shellie Hughes, Mr. Jeffrey

1 Mitchell, and a few others, whose names I don't recall.

2 Q All right. What was Ms. Shellie Hughes's position?

3 A She was Deputy Director, Chief Deputy Director.

4 Q And how about Jeffrey Mitchell?

5 A He was a deputy.

6 Q Did Mr. Jorge Pupo assume Ms. Sherry Hughes's
7 position?

8 A Can you restate that?

9 Q Yes. When Ms. Sherry Hughes left the Department of
10 Taxation, did Mr. Jorge Pupo assume her position?

11 A To my knowledge, Ms. Hughes is still with the
12 Department.

13 Q Okay. When she -- did she get promoted from the
14 Chief Deputy Director to another position?

15 A Not under my watch, no.

16 Q Okay. So tell me during the time you were with the
17 Department of Taxation from February 2018 to January 2019, what
18 position did you hold?

19 A I was Executive Director.

20 Q And who did you report to?

21 A I reported to the -- on a day to day basis to the
22 Governor's office.

23 Q And who at -- who in the Governor's office?

24 A My direct contact there was the Chief of Staff, Mr.
25 Mike Willden.

1 Q Okay. And did Ms. Shellie Hughes report to you?

2 A Yes, she did.

3 Q While you were there, were you the Executive Director
4 of the Marijuana Enforcement Division or the Executive Director
5 of the Department of Taxation?

6 A Executive Director of Department of Taxation.

7 Q So in terms of medical marijuana, or marijuana, you
8 -- that would have been one part of your responsibility; is
9 that correct?

10 A That -- that is correct.

11 Q What was Mrs. Hughes' responsibilities?

12 A Ms. Hughes was Chief Deputy Director. She was
13 responsible for many of the legal related items that we had to
14 deal with, she was a lawyer by training.

15 Q Okay. So in terms of marijuana, that was just one
16 aspect of her -- her position; is that correct?

17 A Yes, it is.

18 Q Was there one person whose primary responsibility
19 would have been the marijuana industry?

20 A That would be Mr. Pupo.

21 Q So while you were there, that approximately one year
22 period, Jorge Pupo's primary responsibility would have been the
23 Marijuana Enforcement Division; is that correct?

24 A That's correct.

25 Q And he would report to Ms. Hughes, who would in turn

1 report to you, or did he have a direct report to you?

2 A He was a direct report to me.

3 Q So in terms of authority that Mr. Jorge Pupo had, he
4 would have gotten that authority from his position and/or any
5 authority you gave him; is that correct?

6 MS. LEVIN: Object to the form.

7 THE COURT: Overruled.

8 THE WITNESS: That's correct.

9 BY MR. PARKER:

10 Q Thank you. So before I leave this issue and return
11 to your phone, did you have a personal phone also during the
12 time you were with the D.O.T., being February 2018 to January
13 2019?

14 MS. LEVIN: Objection, relevance.

15 THE COURT: Overruled.

16 THE WITNESS: Yes, I did.

17 Q And did you ever use that personal phone for business
18 related to the D.O.T.?

19 A I did not.

20 Q All right. So in terms of authority, can you -- did
21 you have the responsibility of reporting to the Department of
22 Taxation -- I'm sorry -- to the Tax Commission?

23 MS. LEVIN: Objection to form.

24 THE COURT: Overruled.

25 THE WITNESS: Yes, I did.

JD Reporting, Inc.

1 BY MR. PARKER:

2 Q So when I asked you who your direct report was in
3 terms of supervision, you said the Chief of Staff, Mike
4 Willden, but in terms of the Tax -- in terms of a Board, would
5 the Tax Commission be the Board you would report to?

6 MS. LEVIN: Objection to form.

7 THE COURT: Overruled.

8 THE WITNESS: The Nevada Tax Commission is not a
9 Board, per se, it's a Commission. And yes, I would work with
10 them.

11 BY MR. PARKER:

12 Q How many members are there on the Nevada Tax
13 Commission?

14 A Eight.

15 Q To your knowledge, did the Nevada Tax Commission
16 approve the regulations that govern the -- the recreational
17 marijuana industry for the State of Nevada?

18 MS. LEVIN: Objection to form.

19 THE COURT: Overruled.

20 MS. LEVIN: Calls for speculation.

21 THE WITNESS: Yes.

22 BY MR. PARKER:

23 Q And to your knowledge, would that have been the
24 beginning of 2018?

25 A Yes.

1 Q Did you review Ballot Question Number 2?

2 A Yes.

3 Q Were you aware of the -- what the Nevada voters
4 approved relative to the use and sale of marijuana,
5 recreational marijuana in the State of Nevada?

6 MS. LEVIN: Objection to form.

7 THE COURT: Overruled.

8 THE WITNESS: Yes.

9 BY MR. PARKER:

10 Q Just to give some deference to Akke's objection, I'll
11 add a little context to it, and give you a more detailed
12 question, just in case her objection is one based upon vague,
13 now that question being vague.

14 Were you aware of the fact Nevada voters did not want
15 marijuana sold to those under the age of 21?

16 COUNSEL: Object to the form.

17 THE COURT: Overruled.

18 THE WITNESS: Yes.

19 COUNSEL: Join the objection.

20 BY MR. PARKER:

21 Q Were you also aware of the fact that Nevada voters
22 had a concern in regards to the wrong people, that being people
23 of our community who may not have an appropriate background,
24 may have a criminal history, becoming involved in the
25 recreational marijuana industry?

1 MS. LEVIN: Objection to form.

2 COUNSEL: Objection to form.

3 THE COURT: Overruled.

4 THE WITNESS: Yes.

5 BY MR. PARKER:

6 Q Were you also aware of the fact that Nevada voters
7 were concerned with where these recreational marijuana
8 facilities would be located within our communities?

9 COUNSEL: Objection to form.

10 THE COURT: Overruled.

11 COUNSEL: Join.

12 THE WITNESS: That I do not remember specifically.

13 BY MR. PARKER:

14 Q Let me see if I can help you refresh your
15 recollection.

16 Do you recall that there were provisions that
17 required or prevented marijuana facilities from being too close
18 to the schools or churches, things like that?

19 A Yes, I do remember that.

20 Q So, with that in mind, do you -- do you now have an
21 understanding or a recollection that Nevada voters were
22 concerned about the location of these marijuana facilities?

23 COUNSEL: Objection to the form.

24 THE COURT: Overruled.

25 COUNSEL: Join.

1 MS. LEVIN: Join.

2 THE WITNESS: Yes.

3 BY MR. PARKER:

4 Q Now, were you aware that prior to the regulations
5 being approved by the Nevada Tax Commission, that the Nevada
6 statutes were created dealing with recreational marijuana under
7 Chapter 453D?

8 A Yes.

9 Q Did you review the statutes for Chapter 453D?

10 A Yes.

11 Q Do you have an understanding whether or not the
12 Nevada Revised Statutes Chapter 453D required all owners --
13 I'll -- let me rephrase that.

14 Are you aware of the fact that Chapter 453D required
15 all prospective owners, officers and board members to be
16 background checked?

17 COUNSEL: Objection to form.

18 Mr. KOCH: David Koch, objection to form, legal
19 conclusion.

20 THE COURT: Overruled.

21 MS. LEVIN: Same, join.

22 COUNSEL: Join.

23 MR. GRAF: Object, Clear River, misstates the law.

24 THE COURT: It's still overruled.

25 THE WITNESS: Yes.

JD Reporting, Inc.

1 BY MR. PARKER:

2 Q Thank you. And were you also aware of the fact that
3 the Nevada Revised Statute required that all prospective
4 owners, board members and officers be identified in background
5 checks?

6 Mr. KOCH: David Koch, objection, misstates the law.
7 Legal conclusion.

8 MS. WELCH: Diane Welch, join.

9 THE COURT: Overruled.

10 MR. GRAF: Clear River, join.

11 COUNSEL: Join.

12 MR. J. SMITH: Jordan Smith for Clarity joins.

13 THE WITNESS: Yes.

14 BY MR. PARKER:

15 Q Were you also aware of the fact that Nevada Revised
16 Statutes Chapter 453D placed importance on the compliance
17 history, that being a facility that had a medical marijuana
18 license, prior to applying for a recreational marijuana
19 license, and how they complied with the regulations throughout
20 their history. Were you aware of that?

21 COUNSEL: Objection.

22 Mr. KOCH: David Koch, objection, misstates the law,
23 the law speaks for itself.

24 THE COURT: Overruled.

25 COUNSEL: Join.

1 COUNSEL: Object as to form. Compound.

2 MS. LEVIN: Objection to form.

3 MR. J. SMITH: This is Jordan, I join those
4 objections.

5 MS. LEVIN: And assumes facts not in evidence.

6 THE WITNESS: Yes.

7 BY MR. PARKER:

8 Q Do you remember that -- do you recall that, Mr.
9 Anderson?

10 A Yes.

11 Q Was it your expectation, Mr. Anderson, if you had
12 one, that the regulations approved by the Tax Commission would
13 be consistent with Ballot Question 2?

14 MS. LEVIN: Objection, calls for a legal conclusion.

15 THE COURT: Overruled.

16 COUNSEL: Join.

17 THE WITNESS: Yes.

18 BY MR. PARKER:

19 Q Would you also -- was it also your expectation that
20 the regulations would be consistent with Nevada Revised
21 Statutes Chapter 453D?

22 THE COURT: Overruled.

23 MS. LEVIN: Same objection.

24 THE WITNESS: Yes.

25 / / /

1 BY MR. PARKER:

2 Q And just to close the loop on this, it was your
3 expectations after -- expectation -- after the Tax Commission
4 approved NAC 453D, that those regulations would not violate NRS
5 Chapter 453D; is that correct?

6 MS. LEVIN: Same objection.

7 THE COURT: Overruled.

8 MR. GRAF: Object as to form, Rusty Graf.

9 THE WITNESS: Yes.

10 BY MR. PARKER:

11 Q Is it also fair to say that if you knew prior to the
12 Nevada Tax Commission considering the approval of NAC 453D,
13 that there were provisions within NAC 453D that violated Ballot
14 Question Number 2, those issues would have been raised before
15 the Tax Commission; is that correct?

16 MR. GRAF: Object as to form, compound, misstates the
17 law.

18 THE COURT: Overruled.

19 MS. LEVIN: Join.

20 COUNSEL: Join.

21 THE WITNESS: Could you restate that, please?

22 BY MR. PARKER:

23 Q Sure. If you were aware of provisions within the
24 proposed regulations, NAC 453D, violated or were inconsistent
25 with Ballot Question Number 2, should that have been brought

1 before the Tax Commission before approval?

2 MR. GRAF: Same objection.

3 THE COURT: Overruled.

4 MS. LEVIN: Join.

5 COUNSEL: Join.

6 COUNSEL: Join.

7 THE WITNESS: Yes.

8 BY MR. PARKER:

9 Q And is it also true, sir, that if there were
10 provisions within NAC 453D that violated or were inconsistent
11 with NRS 453D, those -- those provisions should have been
12 brought before the Tax Commission before approval; is that
13 correct?

14 MR. GRAF: Same objection.

15 MS. LEVIN: Object to form.

16 THE COURT: Overruled.

17 COUNSEL: Join.

18 THE WITNESS: Can you restate that, please?

19 BY MR. PARKER:

20 Q Sure. If you were aware of provisions within NAC
21 453D, that were either in violation of or were inconsistent
22 with NRS 453D, those provisions should have been brought before
23 the Nevada Tax Commission before approval?

24 MR. GRAF: Same objection, and vague as to "you".

25 THE COURT: Overruled.

1 MS. LEVIN: Join.

2 COUNSEL: Objection, calls for a legal conclusion.

3 COUNSEL: I join in those objections.

4 THE WITNESS: Yes.

5 BY MR. PARKER:

6 Q Now, just in giving some respect to Mr. Graf's last
7 objection, you joined the D.O.T. in February of 2018, so the
8 regulations would have already have been approved, I believe,
9 by the Nevada Tax Commission.

10 So when I was referring to you, I'm speaking of
11 someone in your position as the Executive Director of D.O.T.
12 Did you also have that same understanding, Mr. Anderson?

13 MS. LEVIN: Object to form.

14 COUNSEL: Same objection and lacks foundation.

15 THE COURT: Overruled.

16 THE WITNESS: Can -- can you restate, please?

17 MR. PARKER: Sure.

18 BY MR. PARKER:

19 Q You came to the Nevada -- to the Nevada Department of
20 Taxation in February of 2018. Is it your understanding the
21 regulations in NAC 453D had already been approved by the Nevada
22 Tax Commission?

23 A No.

24 Q So you believe it was approved after you became the
25 Executive Director of the D.O.T.?

1 A I believe they were approved 2 weeks after I started
2 there.

3 Q Perfect. So if you knew of any regulation within NAC
4 453D that were inconsistent or violated NRS 453D, you would
5 have brought that to the Nevada Tax Commission; is that
6 correct?

7 MR. GRAF: Same objection and incomplete
8 hypothetical.

9 THE COURT: Overruled.

10 THE WITNESS: Yes.

11 BY MR. PARKER:

12 Q And if you knew that any of the provisions of NAC
13 453D violated Ballot Question Number 2, you would have also
14 informed the Nevada Tax Commission before voting on approving
15 the regulations; is that correct?

16 MR. GRAF: Same objection.

17 THE COURT: Overruled.

18 MS. LEVIN: Join.

19 COUNSEL: Join.

20 COUNSEL: Join.

21 COUNSEL: Join.

22 THE WITNESS: Correct.

23 BY MR. PARKER:

24 Q All right. Is it your understanding, Mr. Anderson,
25 that there are any restrictions within Nevada for the sale of

1 marijuana, recreational marijuana, to those not having a United
2 States identification? So a driver's license, Social Security
3 information, proof of age, and proof of citizenship?

4 MS. LEVIN: Objection to form.

5 THE COURT: Overruled.

6 MS. LEVIN: Vague.

7 THE WITNESS: Can -- again, can you restate that?

8 MR. PARKER: Sure.

9 BY MR. PARKER:

10 Q Can you buy -- can a foreign person, someone from a
11 Country other than the United States, buy marijuana in the
12 State of Nevada?

13 MS. LEVIN: Calls for a legal conclusion.

14 THE COURT: Overruled.

15 MS. LEVIN: Object to form.

16 THE WITNESS: I do not remember those specifics.

17 BY MR. PARKER:

18 Q You don't recall whether or not there are any
19 provisions within the NAC that address it?

20 A I do not recall.

21 Q Is a passport, to your recollect -- based upon your
22 recollection, can someone purchase marijuana with the use of a
23 passport for proof of identification?

24 MS. LEVIN: Object. Objection, calls for a legal
25 conclusion.

1 THE COURT: Overruled.

2 THE WITNESS: I do not recall.

3 BY MR. PARKER:

4 Q Now, prior to Mr. Pupo becoming the Deputy Director,
5 who held that position?

6 A I do not know, Mr. Pupo was Deputy Director when I
7 joined the Department.

8 Q Do you recall who the chair of the Nevada Tax
9 Commission was when you joined the Department of Taxation?

10 A Yes, I do.

11 Q And who was that?

12 A Mr. Jim DeVolld.

13 Q Spell his last name, please?

14 A I believe it was capital D-e capital V-o-l-d (sic).

15 Q Perfect. Thank you. And to your knowledge, is he
16 still the chair?

17 MS. LEVIN: Objection, calls for speculation.

18 THE COURT: Overruled.

19 THE WITNESS: I do not know.

20 BY MR. PARKER:

21 Q Was he the chair the entire time you were the
22 Executive Director of D.O.T.?

23 A Yes.

24 Q Did you ever -- did you ever speak to him via your
25 D.O.T. work phone?

1 A Yes, I did.

2 Q Did you ever exchange text messages with him via your
3 D.O.T. work -- cell phone?

4 A I do not recall text messages.

5 Q All right. Getting back to authority. If there were
6 to be changes made to the regulations, would you have to
7 present that to the Nevada Tax Commission, or was there some
8 other procedure of getting changes made to the regulations?

9 MS. LEVIN: Objection.

10 MR. GRAF: I didn't --

11 THE COURT: Overruled.

12 MR. GRAF: I didn't hear the first part of that,
13 would you restate that? I apologize.

14 MR. PARKER: No worries, Rusty.

15 BY MR. PARKER:

16 Q Mr. Anderson, to your knowledge, if changes were
17 needed or if the D.O.T. wanted changes made to NAC 453D, would
18 those proposed changes have to go before the Nevada Tax
19 Commission?

20 MS. LEVIN: Objection calls for speculation,
21 objection to form.

22 THE COURT: Overruled.

23 MS. LEVIN: Calls for a legal conclusion.

24 COUNSEL: Join.

25 THE WITNESS: To my knowledge, yes.

JD Reporting, Inc.

1 BY MR. PARKER:

2 Q To your knowledge, during the time you were there
3 from February 2018 to roughly January 2019, were any changes
4 proposed by the D.O.T. to the Nevada Tax Commission regarding
5 NAC Chapter 453D?

6 A Yes.

7 Q What changes do you recall being proposed?

8 A I recall one change, that having to do with the
9 distribution of marijuana taxes to local governments.

10 Q Okay. Do you recall whether or not there was a
11 public meeting held by the Nevada Tax Commission when NAC
12 Chapter 453D was approved?

13 A I don't recall.

14 Q Do you recall if you were at the Nevada Tax
15 Commission meeting when Chapter NAC 453D was approved?

16 A No.

17 Q You were not there?

18 A No, I was not.

19 Q Have you ever reviewed the minutes of that meeting?

20 MS. LEVIN: Objection -- well, objection to form.

21 THE COURT: Overruled.

22 MS. LEVIN: Vague.

23 THE WITNESS: If I may ask, which meeting are you
24 referring to?

25 / / /

1 BY MR. PARKER:

2 Q The meeting when NAC 453D was approved?

3 MS. LEVIN: Same objection.

4 THE WITNESS: 453D was approved by the Legislative
5 Commission.

6 BY MR. PARKER:

7 Q NAC 453D is what you are speaking of?

8 A Yes.

9 Q All right. Did the Nevada Tax Commission ever vote
10 on accepting NAC 453D?

11 A Not while I was there.

12 Q And so earlier when you said NAC 453D was approved
13 two weeks after you became Executive Director of the D.O.T., to
14 your knowledge, who approved NAC 453D?

15 A The Legislative Commission.

16 Q Did Mr. -- let me ask you this first. Did you have
17 the authority as Executive Director of the D.O.T. to create the
18 2018 recreational marijuana application?

19 MS. LEVIN: Objection to form.

20 THE COURT: Overruled.

21 THE WITNESS: I did not participate in that process.

22 BY MR. PARKER:

23 Q Did you delegate that responsibility to the Deputy
24 Director, Mr. Jorge Pupo?

25 MS. LEVIN: Objection to form. Calls for

1 speculation. Legal conclusion. Assumes facts not in evidence.

2 THE COURT: Overruled.

3 MS. WELCH: I join that objection.

4 THE WITNESS: Yes.

5 BY MR. PARKER:

6 Q Now, when did you delegate that responsibility to
7 Mr. Pupo?

8 A I do not recall a specific date.

9 Q Did you give Mr. Pupo the authority to create an
10 application that was not consistent with NAC 453D?

11 MS. LEVIN: Objection to form.

12 COUNSEL: Objection as to form.

13 THE COURT: Overruled.

14 MR. GRAF: Join.

15 THE WITNESS: No, I did not.

16 BY MR. PARKER:

17 Q If Mr. Pupo created an application that did not -- or
18 I'm sorry, that violated NAC 453D, would he have -- would he
19 have gone beyond the authority delegated by you?

20 MS. LEVIN: Objection. Calls for legal conclusion.

21 MS. WELCH: Objection as to form.

22 THE COURT: Overruled.

23 MR. GRAF: Objection as to improper hypothetical to a
24 fact witness.

25 MR. J. SMITH: This is Jordan Smith for the Essence

1 entities. Objection. Assumes facts not in evidence.

2 THE COURT: Overruled.

3 MS. WELCH: I join in those objections.

4 THE COURT: Still overruled.

5 THE WITNESS: Can you please restate that?

6 BY MR. PARKER:

7 Q Sure. If Mr. Pupo created an application that
8 violated NAC 453D, would he have gone beyond the authority
9 delegated to him?

10 MS. LEVIN: Same objection.

11 THE COURT: Overruled.

12 COUNSEL: Okay. [Indiscernible] the objections as
13 well.

14 THE WITNESS: Yes.

15 BY MR. PARKER:

16 Q Thank you. And in fact would you -- would it be your
17 opinion that he would have violated the authority you gave him
18 if he created an application that was inconsistent with
19 NAC 453D?

20 MS. LEVIN: Objection.

21 MS. WELCH: Objection as to form.

22 MS. LEVIN: Same objection.

23 THE COURT: Overruled.

24 MR. J. SMITH: Join.

25 THE WITNESS: Yes.

1 BY MR. PARKER:

2 Q Did he ever come to you and ask you for authority to
3 deviate, to create an application that deviated from NAC 453D?

4 MS. LEVIN: Same objection.

5 MS. WELCH: Objection to the form.

6 THE COURT: Overruled.

7 COUNSEL: Join.

8 THE WITNESS: No.

9 BY MR. PARKER:

10 Q Did he even allow you to review the application
11 before it was released to the public?

12 A I did not ask to -- to review the application.

13 Q Is it a fair statement that you never reviewed it
14 before it was released to the public?

15 A Before it was released, no.

16 Q All right. Did he -- did he ever inform you that he
17 changed the application after release, approximately 26 days
18 later, July 31st? Did he inform you of that?

19 A I do not recall him informing me of that.

20 Q Did he ever ask you for authority to change the
21 application after it was originally released to the public?

22 MR. GRAF: Object to form. Assumes facts not in
23 evidence.

24 THE COURT: Overruled.

25 MS. WELCH: I join.

JD Reporting, Inc.

1 MR. J. SMITH: Join.

2 THE WITNESS: I do not recall him asking that.

3 BY MR. PARKER:

4 Q Were you aware of the fact that there were two
5 applications provided to the public: One on July 5th, 2018,
6 and a different one released on July 31st, 2018?

7 MS. LEVIN: Object to form.

8 THE COURT: Overruled.

9 THE WITNESS: I don't recall that, no.

10 BY MR. PARKER:

11 Q There is, Mr. Anderson, a record released by the
12 D.O.T from a phone extraction report from Mr. Steve Gilbert
13 that has you referenced in a meeting that also involved
14 Ms. Cronkhite, Ms. Tina Padavano and Ms. Amanda Connor on
15 November 13th, 2018.

16 Do you recall going to a -- some type of tour of the
17 Essence Cannabis Dispensary on or about November 13th, 2019?

18 COUNSEL: Object to form.

19 THE COURT: Overruled.

20 MR. GRAF: Object as to form. Assumes facts not in
21 evidence.

22 MS. LEVIN: Join.

23 THE WITNESS: I recall going on -- over the course of
24 my short tenure there, probably five to ten tours. I cannot
25 provide a specific date and attach that to a specific licensee.

1 BY MR. PARKER:

2 Q Good enough. So you don't recall one way or another
3 if one of those tours was of the Essence dispensary; is that
4 correct?

5 A I don't recall.

6 Q Do you recall ever meeting Ms. Amanda Connor?

7 A Yes.

8 Q When is the first time you recall meeting Ms. Amanda
9 Connor?

10 A I believe the first time is she came into my office
11 to introduce herself shortly after I began my tenure there.

12 Q So sometime perhaps in February 2018?

13 A I wouldn't want to attach a date to it. It was
14 shortly after I started.

15 Q Was that in Southern Nevada or Northern Nevada?

16 A Northern Nevada.

17 Q Would that have been Reno or Carson?

18 A Carson City.

19 Q And after she introduced herself to you, did she
20 provide you with her cell phone?

21 A I believe she provided me with her business card.

22 Q Did that card have her cell number and email address?

23 A I do not recall what was on it.

24 Q Do you recall meeting her after that?

25 A Yes.

1 Q What was the next time you recall meeting Ms. Connor?

2 A I met her -- I can think of two different occasions,
3 but I can't attach a date to those. One was at a speaking
4 engagement at UNLV in which we were both presenters. And I do
5 remember her being at -- at least one of those tours that I
6 alluded to earlier.

7 Q Okay. Is it your belief that one of those tours
8 would have been a dispensary that she represented?

9 A I do not know.

10 Q Were you aware of the fact that Ms. Connor
11 represented several marijuana licensees?

12 A Yes.

13 Q Do you recall speaking to her other than the
14 occasions you just mentioned?

15 A No.

16 Q Do you know whether or not Ms. Connor set up the tour
17 that you went on?

18 MS. LEVIN: Object to form.

19 THE COURT: Overruled.

20 THE WITNESS: I believe she did.

21 BY MR. PARKER:

22 Q And do you know -- can you tell me what the purpose
23 of that tour was?

24 A The purpose of the tour was to educate both myself
25 and any others that might have been on -- on the tour.

1 Q Do you recall whether or not any Tax Commission
2 members attended the tour with you?

3 A The Tax Commission members were offered the
4 opportunity to tour of a facility or facilities. I was not
5 able to join them at that time.

6 Q So then let's go back a second. In terms of
7 authority delegated to Mr. Pupo, you testified a few moments
8 ago that he did not have the authority to create an application
9 that was inconsistent or violated NAC 453D.

10 Let me ask the same question in terms of NRS 453D.
11 Was it his responsibility to be familiar with NRS 453D, as well
12 as NAC 453D, as the Deputy Director of the D.O.T.?

13 MR. J. SMITH: Objection to form.

14 MS. LEVIN: Join.

15 THE COURT: Overruled.

16 MS. WELCH: I join.

17 THE WITNESS: Yes. As Deputy Director in charge of
18 the Marijuana Enforcement Division, he would be familiar with
19 those.

20 BY MR. PARKER:

21 Q Was he also required to be familiar with Ballot
22 Question Number 2, which authorized the sale of recreational
23 marijuana in the State of Nevada?

24 MR. J. SMITH: Objection to form.

25 MS. WELCH: Join.

JD Reporting, Inc.

1 THE COURT: Overruled.

2 THE WITNESS: Yes.

3 BY MR. PARKER:

4 Q So is it also true, then, that when you delegated
5 responsibility to Mr. Pupo to create the application for the
6 recreational marijuana licenses you did not give him authority
7 to create a license that violated NRS 453D; is that correct?

8 MS. LEVIN: Objection --

9 MS. WELCH: Objection as to form.

10 MR. J. SMITH: Join.

11 THE COURT: Overruled.

12 THE WITNESS: Can you please restate that?

13 BY MR. PARKER:

14 Q Sure. When you delegated responsibility to Mr. Pupo
15 to create the 2018 recreational marijuana application, you did
16 not include in that authority the right for him to create an
17 application that violated NRS 453D; is that correct?

18 A Correct.

19 MS. WELCH: I renew my objection.

20 THE COURT: Overruled.

21 MR. J. SMITH: Join.

22 MS. LEVIN: And asked and answered.

23 THE WITNESS: Correct.

24 BY MR. PARKER:

25 Q And the same in terms of Ballot Question Number 2,

1 you did not give him authority to create a marijuana -- a
2 recreational marijuana application that violated Ballot
3 Question Number 2; is that correct?

4 MS. WELCH: Objection to form.

5 MS. LEVIN: Same.

6 THE COURT: Overruled.

7 MR. J. SMITH: Join.

8 THE WITNESS: Correct.

9 BY MR. PARKER:

10 Q And if he did so, he would have exceeded the
11 authority granted by you; is that correct?

12 MS. WELCH: Objection as to form.

13 MS. LEVIN: Asked and answered.

14 THE COURT: Overruled.

15 MR. J. SMITH: Join.

16 THE WITNESS: Correct.

17 BY MR. PARKER:

18 Q All right. So let's change gears a little bit.
19 Do you recall ever working with or dealing with
20 QuantumMark?

21 A I do not.

22 Q Do you recall or recognize the name Kelly Jessee?

23 A I do not.

24 Q Did you -- strike that.

25 As a member of the Department of Taxation, were there

1 any rules or requirements that information related to how the
2 application would be created and scored had to be kept
3 confidential within the Department of Taxation?

4 MS. LEVIN: Objection to form.

5 THE COURT: Overruled.

6 MS. LEVIN: Vague.

7 THE WITNESS: Can you restate that, please?

8 BY MR. PARKER:

9 Q Yes, sir. Were there any rules or restrictions
10 within the Department of Taxation, while you were the Executive
11 Director, that prohibited D.O.T employees from discussing the
12 application or the scoring of the application with non-D.O.T
13 employees?

14 MS. LEVIN: Objection. Compound.

15 THE COURT: Overruled.

16 THE WITNESS: I -- I do not recall.

17 BY MR. PARKER:

18 Q Were there any confidentiality requirements that you
19 were aware of as a -- as an employee within the Department of
20 Taxation?

21 MS. LEVIN: Objection to form. Vague.

22 THE COURT: Overruled.

23 THE WITNESS: There -- the application process was
24 treated in a confidential manner.

25 / / /

1 BY MR. PARKER:

2 Q And explain to me what that means to you.

3 A To me, that means that only certain individuals had
4 access to those applications, mainly the scoring team.

5 Q Okay. Do you know how the scoring team was selected?

6 A Partially, yes.

7 Q Tell me what you recall about that process.

8 A The -- we -- I went before the Legislative Interim
9 Finance Committee to request the resources to hire some
10 temporary folks to score the applications. We received that
11 funding, and then the Marijuana Enforcement Division did the
12 hiring.

13 Q Did you approve the requisitions for the scorers?

14 MS. LEVIN: Objection to form. Vague.

15 THE COURT: Overruled.

16 THE WITNESS: Can you restate that, please?

17 BY MR. PARKER:

18 Q Yes, sir. Did you approve the requisitions for the
19 hiring of the scorers?

20 MS. LEVIN: Same objection. Vague.

21 THE COURT: Overruled.

22 THE WITNESS: I do not recall.

23 BY MR. PARKER:

24 Q Do you know what a requisition is, sir?

25 A Yes.

1 Q Okay. And you know that requisitions were used to
2 hire the temporary employees that you were speaking of?

3 A Yes.

4 Q And you know that those requisitions would have
5 minimal requirements in terms of education and experience for
6 the proposed hires; is that correct?

7 MS. LEVIN: Objection to form.

8 THE COURT: Overruled.

9 THE WITNESS: I do not recall seeing those
10 requisitions. So I don't recall what was on them or in them.

11 BY MR. PARKER:

12 Q That -- that's fine. But you have seen requisitions
13 for hiring before; is that correct?

14 A I don't recall.

15 Q You don't recall ever seeing a requisition for the
16 hire of an employee, temporary or permanent, where it lists the
17 qualifications you are looking for, the skill set, the amount
18 of education required, any of those types of things?

19 A Over the course of my career, I don't recall those
20 requisitions.

21 Q Okay. Good enough. Do you know why you wanted to
22 use temporary folks, using your words, as opposed to D.O.T
23 employees?

24 COUNSEL: Object as to form. Vague as to "you."

25 THE COURT: Overruled.

1 THE WITNESS: The application process was essentially
2 a one time only occurrence. In an environment of scarce
3 resources, we couldn't justify keeping several folks on staff
4 who would really have nothing to do in a time where there
5 wasn't an application -- or an ongoing application process.

6 BY MR. PARKER:

7 Q Were you aware of the fact that in 2018, while you
8 were the Executive Director, that you used D.O.T staff to grade
9 the rural applications?

10 MR. J. SMITH: Objection to form.

11 MS. LEVIN: Same. Join.

12 THE COURT: Overruled.

13 MS. LEVIN: Vague.

14 THE WITNESS: Can you say -- can you please say that
15 again or ask that again.

16 BY MR. PARKER:

17 Q Yes, sir. Were you aware of the fact in 2018, while
18 you were the Executive Director, D.O.T used its own employees
19 to grade the recreational -- the applications in the rural
20 counties, like White Pine and Ely?

21 MS. LEVIN: So, Teddy, your voice is kind of cutting
22 in and out a little bit for me.

23 MR. PARKER: Yeah, I'm sorry, Akke. I don't know
24 why. I'm staying -- you can see me on the screen. I'm not
25 moving around. I'm staying in same position.

1 MS. LEVIN: No, I know. But I'm just saying that
2 sometimes there is a word that kind of cuts out. It's -- I'm
3 not blaming you. I'm just saying that it's a hard -- it's
4 difficult to hear.

5 MR. PARKER: Yeah, I have no idea why. I can check
6 with the IT people here and see if they can help, but I don't
7 know what's causing the problem.

8 So I'll repeat the question to Mr. Anderson.

9 BY MR. PARKER:

10 Q Do you -- were you aware of the fact that D.O.T
11 employees were used to grade the -- the applications in the
12 rural counties in 2018?

13 MR. J. SMITH: Same objection.

14 THE COURT: Overruled.

15 MS. LEVIN: Join.

16 THE COURT: Overruled.

17 THE WITNESS: Can I ask for a clarification?

18 BY MR. PARKER:

19 Q Sure. Go right ahead.

20 A You're talking about a different licensing process;
21 correct? You are not talking about the late 2018 license
22 process?

23 Q No, I'm -- that's right. We're talking about an
24 earlier licensing process that occurred, I would say,
25 three months prior to this -- the 2018 decisions that were made

1 in December of 2018.

2 A Yes, I was aware of that.

3 Q Were you also aware that -- well, strike that.

4 Do you have any information regarding the original
5 medical marijuana application process?

6 A No. No, I don't, as I wasn't there.

7 BY MR. PARKER:

8 Q Okay. Good enough. Do you know why you did not use
9 temporary employees to grade the earlier applications in 2018?

10 A I do not know.

11 Q Did you have any knowledge of the experience or
12 education levels of the temporary employees hired to grade the
13 2018 recreational marijuana applications?

14 A I have a recollection of what those requirements
15 were.

16 Q Okay. You have a recollection of the educational
17 requirements?

18 A Yes.

19 Q What's your recollection of what the educational
20 requirements were?

21 A The -- my recollection is that we were looking for
22 people from a variety of backgrounds dealing with such things
23 as finance, accounting, building maintenance, organizational
24 structure, things of that nature.

25 Q Do you recall whether or not there was a requirement

1 for a Bachelor of Arts, Bachelor of Science, an Associate
2 Degree? Do you recall any of those educational requirements?

3 A That I do not recall.

4 Q Do you recall whether or not there were -- the
5 requirement to have experience in the marijuana industry?

6 A I do not recall that requirement.

7 Q Do you have an opinion whether or not those scoring
8 the applications would be better prepared if they had
9 experience in marijuana operations or marijuana compliance?

10 A I don't have an opinion.

11 MR. J. SMITH: Object to form.

12 MS. LEVIN: Join.

13 THE COURT: Overruled.

14 BY MR. PARKER:

15 Q What's your answer, sir? I'm sorry.

16 A I don't have an opinion.

17 Q Do you have an opinion, sir -- no, strike that.

18 Did you ever review any of the training modules
19 related to the training provided to the temporary folks hired?

20 A I did not.

21 Q Did you ever observe any of the training that was
22 conducted?

23 A I did not.

24 Q Did you ever review the resumes of the temporary
25 employees hired to perform the scoring?

1 A They were not my direct reports, so, no.

2 Q Okay. Is it fair also to say, sir, you never
3 compared the requisitions to the resumes that the scorers
4 hired; is that correct?

5 A Correct.

6 Q And so in terms of training, did you delegate that
7 authority to Mr. Jorge Pupo as well?

8 A That authority was delegated to the Marijuana
9 Enforcement Division, yes.

10 Q And as a result, Mr. Pupo was the lead in terms of
11 authority delegated to the Marijuana Enforcement Division; is
12 that correct?

13 MS. WELCH: Objection as to form.

14 THE COURT: Overruled.

15 THE WITNESS: Yes.

16 BY MR. PARKER:

17 Q Did Mr. Pupo have to report to you violations of the
18 regulations by licensees?

19 So, for example, if a licensee sold marijuana to
20 someone under the age of 21, would he be required to report
21 that to you?

22 A No.

23 MS. WELCH: Objection as to form.

24 THE COURT: Overruled.

25 / / /

1 BY MR. PARKER:

2 Q How about a licensee that repeatedly sold marijuana
3 to someone below the age of 21? I say [indiscernible] would he
4 have to report that to you?

5 MS. WELCH: Objection as to form.

6 THE COURT: Overruled.

7 THE WITNESS: No.

8 BY MR. PARKER:

9 Q Did you have any awareness of Essence, for example,
10 during the time you were the Executive Director of the D.O.T,
11 selling marijuana on three occasions to an individual under the
12 age of 21?

13 MR. J. SMITH: Object to the form.

14 THE COURT: Overruled.

15 MS. WELCH: Join.

16 THE WITNESS: I was not aware of that.

17 BY MR. PARKER:

18 Q All right. Would you expect him to inform you of a
19 licensee that had repeat violations?

20 MR. J. SMITH: Object to the form.

21 THE COURT: Overruled.

22 MS. WELCH: Join.

23 MS. LEVIN: Join.

24 THE WITNESS: No.

25 / / /

1 BY MR. PARKER:

2 Q So in terms of compliance, you left that to Mr. Pupo
3 as the head of the Marijuana Enforcement Division; is that a
4 fair statement?

5 MS. WELCH: Objection as to form.

6 THE COURT: Overruled.

7 THE WITNESS: Yes, it is.

8 BY MR. PARKER:

9 Q All right. Did you give Mr. Pupo the authority to
10 remove SODs, statements of deficiency, from an investigation
11 log while you were the Executive Director?

12 MS. LEVIN: Objection to form --

13 MS. WELCH: Objection as to form and misstates
14 evidence.

15 THE COURT: Overruled.

16 MR. J. SMITH: Join.

17 MS. LEVIN: Assumes facts not in evidence.

18 COUNSEL: Join.

19 THE WITNESS: No.

20 BY MR. PARKER:

21 Q Did you give him authority to remove compliance in
22 terms of complying with Nevada Administrative Code regulations
23 453D [indiscernible] from consideration during the application
24 process?

25 MS. LEVIN: Objection to form.

JD Reporting, Inc.

1 MS. WELCH: Objection.

2 THE COURT: Overruled.

3 MR. J. SMITH: Join.

4 THE WITNESS: No.

5 BY MR. PARKER:

6 Q Did you give him authority to waive the monopoly
7 restrictions as a part of the application process?

8 MS. LEVIN: Objection to form.

9 MS. WELCH: Again, objection as to form.

10 THE COURT: Overruled.

11 MR. J. SMITH: Join.

12 THE WITNESS: No.

13 BY MR. PARKER:

14 Q Did you give him authority to remove location from
15 the application process?

16 COUNSEL: Objection as to form.

17 THE COURT: Overruled.

18 MR. J. SMITH: Join.

19 THE WITNESS: No.

20 BY MR. PARKER:

21 Q And if all of these things were, in fact, done, he
22 would have exceeded the authority you gave him; is that
23 correct?

24 MS. LEVIN: Objection. Calls for --

25 MS. WELCH: Objection as to form.

JD Reporting, Inc.

1 THE COURT: Overruled.

2 MS. LEVIN: Calls for a legal conclusion.

3 MR. KOCH: David Koch. Objection. Argumentive.

4 Lacks foundation.

5 MR. SMITH: This is Jordan Smith. Assumes facts not
6 in and incomplete hypothetical.

7 MS. WELCH: I join in those objections.

8 MR. GRAF: Rusty Graf. Join in those objections.

9 THE COURT: Overruled.

10 THE WITNESS: Can you repeat, please?

11 BY MR. PARKER:

12 Q Yeah. I was wondering if you could remember after
13 the long list of objections that we get from the same -- same
14 group of people.

15 If Mr. Jorge Pupo removed compliance, location and
16 monopoly restrictions from the 2018 recreational marijuana
17 application process, would he have exceeded the authority you
18 gave him?

19 MR. J. SMITH: Same objections.

20 THE COURT: Overruled.

21 MS. WELCH: I join the same objections.

22 MS. LEVIN: Join.

23 MR. GRAF: Join.

24 THE WITNESS: No. I --

1 BY MR. PARKER:

2 Q You can go now, Mr. Anderson. I think they got in
3 all of the objections.

4 A No.

5 Q I'm sorry. I couldn't hear you. You said no?

6 A The answer is no. Correct.

7 Q And wouldn't he -- why wouldn't he have exceeded his
8 authority if he did so?

9 MR. J. SMITH: Objection. Calls for a legal
10 conclusion.

11 THE WITNESS: I would need more information.

12 BY MR. PARKER:

13 Q Oh, fair enough. Fair enough.

14 So, Mr. Anderson, we discussed earlier that
15 compliance was a part of the [indiscernible] to the Nevada
16 statutes. Do you remember that line of questioning?

17 A Yes.

18 Q And I also asked you if it was a part of the
19 regulations. Do you remember that line of questioning?

20 A Yes.

21 Q And I believe you testified that compliance with the
22 Nevada Administrative Code was -- was required then under NR --
23 NAC 453D; is that correct?

24 MS. LEVIN: Objection to form.

25 THE COURT: Overruled.

JD Reporting, Inc.

1 THE WITNESS: Correct.

2 BY MR. PARKER:

3 Q All right. Did you understand that the 2018
4 application process would consider an applicant's regulatory
5 compliance history, for example, not selling to individuals
6 under the age of 21, or not selling marijuana that was
7 contaminated with salmonella, those types of regulatory
8 compliance?

9 MS. LEVIN: Objection to form.

10 MS. WELCH: Join.

11 THE COURT: Overruled.

12 MR. J. SMITH: Join.

13 THE WITNESS: Yes.

14 BY MR. PARKER:

15 Q All right. So if Mr. Pupo, in fact, removed
16 compliance from the 2018 application process, would that have
17 been with or without your authority?

18 COUNSEL: Objection to form.

19 MS. LEVIN: Objection to form.

20 MS. WELCH: Join.

21 THE COURT: Overruled.

22 THE WITNESS: Without.

23 BY MR. PARKER:

24 Q Thank you. So then he would have exceeded the
25 authority given to him by you if he were to do -- if he had

1 done something like that, by removing regulatory compliance
2 from the 2018 recreational marijuana application process; is
3 that correct?

4 MS. WELCH: Object as to form.

5 THE COURT: Overruled.

6 MR. J. SMITH: Join.

7 THE WITNESS: As I suggested earlier, I would need
8 more facts.

9 BY MR. PARKER:

10 Q All right. Let me ask it in terms of location.

11 If Mr. Pupo removed the requirement to include
12 physical -- a physical address, something other than a P.O. Box
13 or a Mail Box Et Cetera, from the application, would he --
14 would you have given him that authority, or did -- strike that.

15 Did you give him that authority to remove the
16 physical address requirement from the application itself?

17 MS. WELCH: Objection as to form and misstates the
18 facts.

19 THE COURT: Overruled.

20 MR. J. SMITH: Join.

21 THE WITNESS: I did not give him that specific
22 authority.

23 BY MR. PARKER:

24 Q Did you give him the authority to give more than one
25 license to a single applicant in the same jurisdiction?

1 MS. LEVIN: Objection to form.

2 MR. J. SMITH: Objection to the form.

3 THE COURT: Overruled.

4 MS. WELCH: Join.

5 THE WITNESS: I did not.

6 BY MR. PARKER:

7 Q Let me make sure we have -- we're clear on this
8 point, and I appreciate that answer.

9 Were you aware of the monopoly or any monopoly
10 provisions within NAC 453D?

11 MR. J. SMITH: Object to the form.

12 THE COURT: Overruled.

13 THE WITNESS: I was aware at the time. My
14 recollection is somewhat vague at this point, 18 months later.

15 BY MR. PARKER:

16 Q [Indiscernible.] I'm sorry. I didn't mean to speak
17 over you, Mr. Anderson.

18 What's your recollection as of today?

19 A That there were limitations on the amount of
20 licensees or the same licensees that could be licensed within a
21 specific jurisdiction.

22 Q All right. Good enough. And you recall that being
23 in the Administrative Code, sir?

24 A Yes.

25 Q And did you ever give Mr. Pupo the authority to

1 deviate from the Administrative Code in that respect?

2 MS. WELCH: Objection as to form.

3 THE COURT: Overruled.

4 THE WITNESS: No, I didn't.

5 MR. GRAF: Objection. Assumes facts not in evidence.

6 MS. WELCH: Join.

7 MS. LEVIN: Join.

8 BY MR. PARKER:

9 Q So, Mr. Anderson, I believe you said, no, you did not
10 give him that authority; is that correct?

11 A Correct.

12 Q Is that correct, sir?

13 A Yes, it is.

14 Q Okay. And let me phrase -- let me rephrase the
15 question I asked you about location because I think the way I
16 phrased the monopoly question was better.

17 In terms of location, do you recall location being
18 within the -- within Chapter NAC 453D?

19 MS. LEVIN: Objection. Vague.

20 THE COURT: Overruled.

21 BY MR. PARKER:

22 Q When I say "location," I'm saying physical location,
23 location requirement. That's specifically what I'm talking
24 about.

25 MS. WELCH: Objection as to form.

JD Reporting, Inc.

1 MS. LEVIN: Join.

2 THE COURT: Overruled.

3 THE WITNESS: Yes.

4 BY MR. PARKER:

5 Q Did you give Mr. Pupo authority to deviate from the
6 physical location requirement in NAC 453D?

7 MR. GRAF: Objection. Misstates the testimony.
8 Misstates the law.

9 THE COURT: Overruled.

10 MS. WELCH: Join.

11 MS. LEVIN: Join.

12 THE WITNESS: No.

13 BY MR. PARKER:

14 Q Did you give him authority to deviate from the Nevada
15 Administrative Code 453D as to compliance?

16 MS. LEVIN: Same --

17 THE COURT: Overruled.

18 MS. LEVIN: -- objection to form. Sorry.

19 MS. WELCH: I join.

20 MR. J. SMITH: I join as well.

21 THE COURT: Overruled.

22 THE WITNESS: I did not.

23 BY MR. PARKER:

24 Q Thank you. To your recollection, was physical
25 location required in the prior 2018 application process?

1 MS. LEVIN: Objection to form.

2 THE COURT: Overruled.

3 MR. J. SMITH: Objection. Vague.

4 MS. WELCH: Join.

5 THE WITNESS: I do not recall.

6 BY MR. PARKER:

7 Q Do you know whether or not compliance was a
8 consideration in the prior 2018 application process?

9 MS. LEVIN: Same objection.

10 THE COURT: Overruled.

11 MS. LEVIN: Vague.

12 MS. WELCH: Join.

13 THE WITNESS: I do not.

14 BY MR. PARKER:

15 Q And you have no recollection or understanding of what
16 happened in 2014 with the medical marijuana applications; is
17 that correct?

18 A That's correct.

19 Q Thank you. Did you have any dealings with Director
20 Deonne Contine?

21 A I knew Ms. Contine. That was the extent of it.

22 Q And how did you know her?

23 A She and I would be in meetings together in the
24 Governor's office.

25 Q Your -- your communications with Ms. Contine had

1 nothing to do with the medical -- I'm sorry, the Marijuana
2 Enforcement Division?

3 A They did not.

4 Q Did you ever review the Governor's Task Force
5 recommendations?

6 THE COURT: Hey, guys, can you keep it down.

7 MS. LEVIN: Objection to form.

8 THE WITNESS: That was done before my tenure began.

9 BY MR. PARKER:

10 Q Okay. So you never reviewed those recommendations,
11 sir?

12 A No, I didn't.

13 Q Would it be fair to say you don't know whether or not
14 the NAC Chapter 453D is identical -- strike that.

15 Do you know whether or not NAC 453D includes all of
16 the recommendations from the Governor's Task Force?

17 MS. LEVIN: Objection. Calls for speculation.

18 THE COURT: Overruled.

19 MS. WELCH: Join.

20 THE WITNESS: I do not recall.

21 BY MR. PARKER:

22 Q Do you recall diversity being included in NAC 453D?

23 A I do --

24 Q In the application process. I'm sorry. I didn't
25 mean to speak over you.

1 A I do recall.

2 Q Do you know who made the decision to include
3 diversity?

4 A I do not. That was done before my tenure.

5 Q All right. Do you know how diversity was formed?

6 A I don't recall.

7 Q Did you ever review or approve the scoring tool for
8 the 2018 application process?

9 A No. That was a function of the Marijuana Enforcement
10 Division.

11 Q All right. Did you ever give authority to the -- I'm
12 sorry, the Marijuana Enforcement Division to allow it to
13 delegate authority to the scoring team, these temporary folks,
14 to decide how certain portions of the applications would be
15 scored?

16 Let me rephrase that question. I know that was
17 relatively convoluted and truncated.

18 Now, we've received testimony from some of the
19 graders that they made certain decisions on how they would
20 score certain elements of the application.

21 Do you recall whether or not you gave Mr. Pupo or the
22 Marijuana Enforcement Division the authority to delegate that
23 responsibility to those temporary employees?

24 MS. LEVIN: Objection to form. Assumes facts not in
25 evidence.

1 MS. WELCH: Join.

2 THE COURT: Overruled.

3 MR. GRAF: Objection. Assumes facts not in evidence.
4 Misstates prior testimony.

5 COUNSEL: I join in those, and add it also calls for
6 a legal conclusion.

7 THE COURT: Overruled.

8 MS. WELCH: Join.

9 THE WITNESS: I did not give that authority.

10 BY MR. PARKER:

11 Q Is it a fair statement, sir, that you expected the
12 Marijuana Enforcement Division to determine the scoring tool
13 and how the applications would be scored?

14 A Yes.

15 Q Did you have an understanding of what diversity meant
16 for purposes of the application process? And let me give you
17 some context.

18 First, I want you to tell me whether or not it meant
19 male versus female, black versus white, Hispanic, Latin, not
20 Latin, Asian, not Asian, Polynesians, Hawaiians, Native
21 Americans. Whatever you're thinking, you tell me what your
22 understanding of diversity meant for purposes of scoring the
23 2018 recreational marijuana application.

24 MR. J. SMITH: Objection. Compound.

25 THE COURT: Overruled.

2 MS. LEVIN: Join.

3 MR. GRAF: Objection. Calls for a legal conclusion.

4 THE WITNESS: I do not recall the specifics of
5 whether or not references in the diversity requirement were
6 made to gender, age, race, ethnicity. I don't recall the
7 specifics.

8 BY MR. PARKER:

9 Q Did you delegate or allow the Marijuana Enforcement
10 Division to decide how they defined diversity?

11 MR. J. SMITH: Objection. Calls for a legal
12 conclusion.

13 THE COURT: Overruled.

14 MS. WELCH: Join.

15 MR. GRAF: Teddy, could you restate that question?
16 I didn't quite understand it.

17 MR. PARKER: Sure, Rusty.

18 BY MR. PARKER:

19 Q Mr. Anderson, let me rephrase the question so that
20 Rusty hears it. Perhaps I can make it a better question for
21 you to answer. Okay?

22 A Okay.

23 Q Did you delegate authority to the Marijuana
24 Enforcement Division to define diversity?

25 MR. J. SMITH: Same objection.

1 MS. LEVIN: Join.

2 MS. WELCH: Join.

3 THE COURT: Overruled.

4 THE WITNESS: No, I did not.

5 BY MR. PARKER:

6 Q Do you know who had the authority to define
7 diversity?

8 MS. LEVIN: Objection to form.

9 THE COURT: Overruled.

10 COUNSEL: Objection. Incomplete hypothetical.

11 THE WITNESS: I do not recall.

12 BY MR. PARKER:

13 Q Do you know whether or not a definition of diversity
14 was ever created by the Marijuana Enforcement Division?

15 A I don't recall.

16 Q Were you ever given a definition of diversity by
17 Mr. Pupo or anyone else within the Marijuana Enforcement
18 Division?

19 A No, I wasn't.

20 Q And by asking that question, Mr. Anderson, I'm just
21 making sure that you don't recall approving a certain
22 definition being used by the Marijuana Enforcement Division.
23 Is that correct?

24 A Correct.

25 COUNSEL: [Inaudible.]

1 MS. WELCH: Join.

2 THE COURT: Overruled.

3 MS. LEVIN: Join.

4 BY MR. PARKER:

5 Q Is that correct, sir?

6 A Yes, it is.

7 Q Thank you so much. Did you ever determine or were
8 you ever asked by Mr. Pupo to approve what amount of scoring
9 would be allocated to diversity?

10 A No.

11 Q Did he ever ask you to approve the methodology for
12 applying the diversity definition?

13 A No.

14 Q So, for example, did he say we're going to apply
15 diversity to just owners or just board members or just
16 officers, anything like that?

17 MS. WELCH: Objection as to form.

18 THE COURT: Overruled.

19 THE WITNESS: No.

20 BY MR. PARKER:

21 Q Did you have an understanding as to how diversity was
22 supposed to be applied based upon your review of NAC 453D?

23 A My understanding was that diversity was to be
24 included in the scoring criteria.

25 Q Yes, sir. In terms of scoring, you left that up to

1 the Marijuana Enforcement Division as to how it would be
2 implemented; is that correct?

3 A That's correct.

4 Q And how it would be scored; is that correct?

5 A That's correct also.

6 Q To your knowledge, was diversity included in NAC 453D
7 to encourage diverse companies -- strike that -- to facilitate
8 diverse companies being awarded a license?

9 COUNSEL: Object. Lacks foundation.

10 THE COURT: Overruled.

11 COUNSEL: Join.

12 MS. LEVIN: Join.

13 THE WITNESS: I was not Director when the diversity
14 requirement was mandated.

15 BY MR. PARKER:

16 Q All right. Other than Ms. Amanda Connor, did you
17 ever speak to Jay Brown with regards to the 2018 marijuana
18 application process?

19 A I do not recall.

20 Q Have you ever spoken to Mr. Jay Brown?

21 A I do not recall.

22 Q Do you know -- do you know who he is?

23 A I do not.

24 Q All right. How about Mr. Armen Yemenidjian? Are you
25 familiar with that name?

1 A I never -- to my knowledge or recollection, I did not
2 communicate with him at all.

3 Q How about Alex Yemenidjian?

4 A To my recollection, I don't remember communicating
5 with him at all.

6 Q How about Andrew Jolly?

7 A I cross paths with Mr. Jolly at what I would
8 characterize as a couple of events sponsored by the Dispensary
9 Association.

10 Q Other than communicating with him at these events,
11 did you ever speak to him outside of those events?

12 A I do not recall doing so.

13 Q How about Bill Becker?

14 A I do not recall.

15 Q Patricia Black?

16 A I don't recall.

17 Q Okay. You don't recall having dinner, lunch or
18 drinks or coffee or anything with these people?

19 A No, I don't.

20 Q Were you aware of Mr. Pupo having drinks, lunch,
21 dinner with applicants during the application process? And I'm
22 talking about between June of 2018 through December of 2018.

23 MS. WELCH: Objection as to form.

24 MR. J. SMITH: Objection. Lacks foundation.

25 THE COURT: Overruled.

1 MS. LEVIN: Join.

2 THE WITNESS: No, I'm not aware of that.

3 BY MR. PARKER:

4 Q Did Mr. Pupo make you aware of the fact that he had
5 countless conversations with Amanda Connor regarding applicants
6 in the -- involved in the 2018 recreational marijuana
7 application process?

8 COUNSEL: Objection to --

9 MS. WELCH: Objection as to the form and misstates
10 the facts.

11 THE COURT: Overruled.

12 MR. J. SMITH: Join.

13 MS. LEVIN: Join.

14 THE WITNESS: I know that Mr. Pupo communicated with
15 Ms. Connor.

16 BY MR. PARKER:

17 Q Do you know that he communicated with, in addition to
18 Ms. Connor, that he communicated with applicants like
19 Mr. Andrew Jolly and Mr. Armen Yemenidjian?

20 A I do not know the specifics of any of those
21 communications if they occurred.

22 Q Were there any policies or restrictions on D.O.T
23 employees speaking to applicants and/or their consultants
24 regarding the application process prior to awards being made?

25 A Can you state that again?

1 Q Sure. Were there any restrictions or policies that
2 prevented D.O.T employees from discussing the application
3 process with applicants and/or their representatives or
4 consultants, actually during the process?

5 So I'll give you an example. Is there a prohibition
6 against Mr. Pupo speaking to Andrew Jolly and saying,
7 Mr. Jolly, the applications are going to come out on this date,
8 and these are some of the issues in terms of scoring that will
9 be considered once the application has been released to the
10 public? Would that be prohibited by any rules or policies
11 within the D.O.T?

12 COUNSEL: Objection. Form of the question.

13 THE COURT: Overruled.

14 MS. LEVIN: Join.

15 THE WITNESS: The Department was available to answer
16 questions that applicants or potential applicants had. That
17 opportunity was provided to all applicants.

18 BY MR. PARKER:

19 Q Now, do you know what information was given to the
20 public to inform them of that access?

21 So, for example, was there a ListServ saying, hey,
22 public, if you have any questions about this application, call
23 Steve Gilbert, or call someone designated by the D.O.T
24 [indiscernible]?

25 MS. LEVIN: Oh, I think that the audio was turning

1 on --

2 MR. PARKER: Someone mute their phone.

3 I think it's you, Joey.

4 MS. LEVIN: He said it may be mine?

5 BY MR. PARKER:

6 Q All right. Mr. Anderson.

7 MR. J. SMITH: I'll object to the form of the
8 question.

9 THE COURT: Overruled.

10 MS. LEVIN: Can you repeat -- Teddy, can you repeat
11 it because the last part was just completely -- we didn't hear
12 it.

13 MR. PARKER: Okay. No problem.

14 BY MR. PARKER:

15 Q Mr. Anderson, I was trying to provide an example to
16 you.

17 Do you recall any restrictions or policies that the
18 D.O.T utilized to prevent D.O.T employees from giving
19 advantages -- advantages to certain applicants by giving them
20 information that was not given to the entire public or people
21 interested in actually applying for licenses?

22 MS. LEVIN: Objection to form.

23 MS. WELCH: Objection to the form.

24 THE COURT: Overruled.

25 THE WITNESS: Okay. My apologies, but can you repeat

1 that again?

2 BY MR. PARKER:

3 Q No, no worries. No need to apologize.

4 Was there a policy that would restrict D.O.T
5 employees from giving information to some but not to all?
6 Maybe that's the easiest way of asking it.

7 MR. J. SMITH: Object to the form. Assumes facts not
8 in evidence.

9 MS. LEVIN: Join.

10 MS. WELCH: Join.

11 THE COURT: Overruled.

12 THE WITNESS: There was not a specific written policy
13 that I recall. I think it's a given.

14 BY MR. PARKER:

15 Q You think it's what?

16 A A given.

17 Q Okay. And when you say you think it's a given, you
18 believe it would be improper if you're giving more information
19 to certain people but not allowing or providing that same level
20 of information to all potential applicants; is that correct?

21 MR. J. SMITH: Objection. Vague and ambiguous.

22 THE COURT: Overruled.

23 MS. LEVIN: Join.

24 MS. WELCH: Join.

25 THE WITNESS: Can you restate, please?

1 BY MR. PARKER:

2 Q Yes. You would agree with me that it would be
3 improper if you are giving certain people, like Amanda Connor
4 or certain applicants, greater information than you are giving
5 the public at large?

6 MR. J. SMITH: Same objections.

7 THE COURT: Overruled.

8 MS. LEVIN: Join.

9 MS. WELCH: Join.

10 THE WITNESS: The information -- the information
11 would be available to anyone that inquired about it.

12 BY MR. PARKER:

13 Q The same information should be available to everyone;
14 is that correct?

15 A The same information should be provided to everyone
16 that asks about it.

17 Q Right. And it would be wrong to give information to
18 some and then refuse to give that same information to others;
19 is that correct?

20 MR. GRAF: Objection. Improper hypothetical to a
21 fact witness. Misstates the evidence.

22 THE COURT: Overruled.

23 COUNSEL: Join.

24 COUNSEL: I join.

25 COUNSEL: I join in that objection.

JD Reporting, Inc.

1 THE WITNESS: Correct.

2 BY MR. PARKER:

3 Q Is that -- thank you.

4 And isn't it also correct that if you had a single
5 point of contact for questions and answers that would allow
6 everyone to have the same information regardless of who asked
7 the question; is that correct?

8 COUNSEL: Object as to form. [Indiscernible.]

9 THE COURT: Overruled.

10 MR. J. SMITH: Join.

11 MS. WELCH: Join.

12 MS. LEVIN: Join.

13 THE WITNESS: Please restate.

14 BY MR. PARKER:

15 Q Sure. If you had a single point of contact, where
16 all questions are directed to a single person or a single
17 email, and you have answers being provided by that same person
18 to everyone, that would ensure that everyone had the same
19 benefit of the questions as well as the answers; is that
20 correct?

21 COUNSEL: Objection.

22 MR. GRAF: Same objection.

23 THE COURT: Overruled.

24 COUNSEL: Join.

25 MR. J. SMITH: Join. Objection to form.

1 THE WITNESS: Again, Mr. Parker, I'm not quite sure

3 BY MR. PARKER:

4 Q All right. So have you ever been involved in any
5 application processes, sir --

6 A Yes.

7 Q -- at D.O.T or DETR?

8 A Yes.

9 Q All right. Are you familiar with the single point of
10 contact approach, where you -- you put in the application
11 process or instructions to bidders for all questions, please
12 send your question to this person or to this email, and all
13 answers are provided from that email to every potential bidder.
14 Have you ever been aware of that process?

15 A I believe that's how some processes are run, yes.

16 Q All right. Would you agree with me that that process
17 allows every potential bidder to have access to the same
18 information?

19 COUNSEL: Objection to form.

20 THE COURT: Overruled.

21 MR. GRAF: Objection. Argumentative.

22 THE COURT: Overruled.

23 THE WITNESS: Yes.

24 BY MR. PARKER:

25 Q Thank you. Was that process utilized, to your

JD Reporting, Inc.

1 knowledge, in the 2018 recreational marijuana application
2 process?

3 A I don't have knowledge of that. Again, that was
4 under the purview of the Marijuana Enforcement Division.

5 Q All right. Now, was it your understanding that the
6 graders were supposed to keep their grading process
7 confidential?

8 A Yes.

9 Q Would you have expected the D.O.T employees to keep
10 their process in terms of creating the scoring tool
11 confidential from all applicants?

12 MS. LEVIN: Objection to form.

13 THE COURT: Overruled.

14 MS. LEVIN: Foundation.

15 THE COURT: Overruled.

16 THE WITNESS: That -- can you restate that?

17 BY MR. PARKER:

18 Q Yes. You just told me that the graders were supposed
19 to keep their grading process confidential.

20 Now I'm asking you was the D.O.T employees also
21 supposed to keep their grading process, for example, creating
22 the scoring tool, confidential so that no applicant had
23 information superior to other applicants on the scoring process
24 or the scoring tool?

25 A [Indiscernible.]

1 MS. LEVIN: Calls for speculation.

2 THE COURT: Overruled.

3 MS. WELCH: Join.

4 THE WITNESS: And what was the very last sentence or
5 two you said, Mr. Parker?

6 BY MR. PARKER:

7 Q Yes. You told me earlier you gave authority to the
8 Marijuana Enforcement Division to create the scoring tool. Do
9 you recall that?

10 A Yes.

11 Q So my question is did you expect the D.O.T employees
12 to keep the scoring tool and how the scoring would be done
13 confidential so that no particular applicant had superior
14 knowledge to others regarding the scoring tool and how scoring
15 would be done?

16 A Yes.

17 MR. GRAF: Object to form. Object as to vague
18 regarding "superior knowledge."

19 THE COURT: Overruled.

20 BY MR. PARKER:

21 Q So, Mr. -- so, Mr. Anderson, if, in fact, certain
22 D.O.T. employees gave information to certain consultants and/or
23 their clients, that would be then in violation of the
24 confidentiality requirement that you just spoke of; is that
25 correct?

1 COUNSEL: Objection as to form. Misstates the
2 evidence. And facts not in evidence.

3 THE COURT: Overruled.

4 MR. GRAF: Objection. Improper hypothetical to a
5 fact witness.

6 MR. J. SMITH: I join in those, and it also calls for
7 a legal conclusion.

8 THE COURT: Overruled.

9 MS. WELCH: I join.

10 MS. LEVIN: Join.

11 BY MR. PARKER:

12 Q Isn't that correct, sir?

13 A Yes.

14 Q Did you ever speak with the Tax Commission or any
15 [indiscernible] commissioners regarding appeal rights for those
16 who did not -- for those who were not awarded recreational
17 marijuana licenses?

18 MR. GRAF: Object as to form.

19 THE COURT: Overruled.

20 MR. GRAF: Calls for a legal conclusion.

21 THE WITNESS: With respect to appeal rights, I don't
22 recall a discussion with any tax commission members.

23 BY MR. PARKER:

24 Q And did you leave the D.O.T before appeals were being
25 requested by those who were not awarded recreational marijuana

1 licenses?

2 A Yes, I did.

3 Q Did you ever have the opportunity to consider whether
4 or not there -- whether or not those who were not awarded
5 recreational marijuana licenses had a right to an appeal?

6 MR. GRAF: Object.

7 Teddy, could you restate that? You kind of lost me
8 when you were talking about the people.

9 MR. PARKER: Yes.

10 BY MR. PARKER:

11 Q I asked -- Mr. Anderson, I'll ask the question again.
12 Did you ever consider whether or not those who were
13 not awarded recreational marijuana licenses had a right to
14 appeal?

15 MR. GRAF: Objection. Vague as to "you."

16 THE COURT: Overruled.

17 THE WITNESS: If I recall correctly, while I was at
18 the Department, the plan was that beginning in January of 2019
19 applicants could review their scores with Marijuana Enforcement
20 Division staff.

21 BY MR. PARKER:

22 Q Did you determine the scope of that review, how long
23 it would be and what would be discussed?

24 A No, I did not.

25 Q So other than that, you don't recall whether or not

1 the D.O.T had a position on whether appeal rights were afforded
2 to those who were not awarded recreational marijuana licenses;
3 is that correct?

4 A As I recall, as I left the Department, the Marijuana
5 Enforcement Division's plan was to have those reviews in
6 January.

7 Q Okay. And no decision had been made about appeals at
8 that point, to your knowledge?

9 A To my knowledge, no.

10 COUNSEL: Object to form.

11 MR. PARKER: All right. I'll pass the witness.

12 THE COURT: Overruled.

13 It says object to form. So I was a little late.

14 EXAMINATION

15 BY MR. GRAF:

16 Q Mr. Anderson, this is Rusty Graf, and I represent
17 Clear River in this matter.

18 Have you ever had the opportunity to review either
19 version of the applications from the 2018 application period?

20 A No.

21 MR. GRAF: Okay. All right. That's all I have then.

22 THE COURT: Sweet.

23 EXAMINATION

24 BY MS. WELCH:

25 Q This is Diane Welch. I represent Jorge Pupo. Just a

1 couple of questions for you, Mr. Anderson.

2 How long were you at the D.O.T as the Director --
3 Executive Director?

4 A About a little more than 10 months.

5 Q Okay. And I believe you testified Mr. Pupo was a
6 direct-report to you; is that correct?

7 A Correct.

8 Q And as far as Mr. Pupo's responsibilities go, can you
9 provide us a list of what those responsibilities were.

10 A In general terms, his responsibilities revolved
11 around the day-to-day management of the Marijuana Enforcement
12 Division.

13 Q And were you aware of him having other duties related
14 to areas such as compliance and licensing for tobacco and
15 gaming excise tax?

16 A I don't recall those specifically. I know that he
17 did have some involvement in the compliance world with respect
18 to liquor. I do remember that. The call center, I believe,
19 was under Jorge's purview as well.

20 Q What call center is that?

21 A That would -- I'm sorry. That would be the
22 Department of Taxation's call center whereby taxpayers with
23 questions could call in.

24 Q Okay. And during your time with the D.O.T, what
25 would you -- how would you describe your level of familiarity

1 with the marijuana licensing process?

2 A I would describe it as I'm somewhat knowledgeable of
3 it. I understood the basics. My concern was with the big
4 picture. Were we getting things done on time, so on and so
5 forth.

6 Q And as Executive Director, wouldn't you be
7 responsible for the activities of your subordinates?

8 A Yes.

9 Q I think you testified you had provided various
10 authority to the Marijuana Enforcement Division and Mr. Pupo
11 specifically. Does that sound correct?

12 A Yes.

13 Q Is there any record of that delegation of authority
14 and the scope of it?

15 A I do not believe so simply because that was what the
16 Marijuana Enforcement Division did. I mean, that was their
17 job.

18 Q And so where would we find the scope of their
19 authority, then, in written form or some record of it?

20 A I do not recall.

21 Q And would that delegation of authority then
22 excerpt (sic) you from the process and any review of the
23 process?

24 A Can you restate that, please?

25 Q Would that delegation of authority allow you to opt

1 out, for lack of a better word, of overseeing the application
2 process?

3 A No.

4 Q So you were still involved?

5 A Yes.

6 Q And you testified that Amanda Connor had come to meet
7 you when you first came on as Executive Director; is that
8 correct?

9 A Correct.

10 Q And I believe you testified to meeting her in various
11 other scenarios after that; is that right?

12 A Correct.

13 Q Did she ever call or text you while you were at the
14 D.O.T?

15 A I do not recall.

16 Q Do you recall ever referring her to another employee
17 within the Department regarding any questions she had about the
18 marijuana licensing process?

19 A I don't recall.

20 Q Did you have any other callers asking questions about
21 the licensing process during your time with the Department?

22 A I don't recall anybody.

23 MS. WELCH: Okay. Thank you. I think that's all I
24 have.

EXAMINATION

BY MR. SMITH:

Q Mr. Anderson, this is Jordan Smith. I represent the Essence parties. I just have a few questions for you.

I believe you discussed with Mr. Parker the compliance requirement for applicants. Do you recall that testimony?

A Yes.

Q Do you recall whether -- when the regulations or application was discussing compliance, do you recall whether that referred to an applicant's ability to comply in the future or whether that referred to an applicant's previous compliance history if already licensed? Do you have an understanding?

A My understanding is that it was backward looking to assess their -- an applicant's historical compliance. As -- as it --

Q Some applicants didn't already have existing operations. Do you understand that?

A If I can go back, please, sir.

My understanding was that it was backward looking to see how they have complied, and that was a proxy for the likelihood of continued compliance.

Q But do you recall whether any applicants actually didn't have any ongoing operations at the time that they applied?

1 A I do not recall.

2 Q If that is, in fact, the case, in those
3 circumstances, wouldn't the application be solely forward
4 looking and not backward looking?

5 A My understanding is that -- or was that it wasn't
6 strictly compliance with respect to existing marijuana
7 licensees, but if I'm a business person who is a McDonald's
8 franchisee, a 7-Eleven franchisee, whatever, my historical
9 record with respect to remitting sales taxes, property taxes,
10 things of that nature.

11 Q Thank you. You also discussed with Mr. Parker
12 monopoly provisions. Do you recall that testimony?

13 A Yes.

14 Q And do you recall the limitation on the number of
15 licenses that could be awarded? Do you recall whether that was
16 on a per entity basis?

17 A I don't recall the specifics.

18 Q So it may have been, and you just don't -- it's just
19 not something you remember as you sit here today?

20 A Correct. It's been 24 to 18 months in the past.

21 Q Understood. Do you have an understanding of whether
22 the enforcement division had an open -- an open investigation
23 log where they would [indiscernible] track existing
24 investigations of deficiencies?

25 A I believe they did.

1 Q Then do you also have an understanding whether there
2 was a closed investigation log, where an open investigation
3 after being resolved would be transferred to the closed
4 investigation log?

5 A I believe they did.

6 Q What, to your recollection, would have to occur
7 before an open investigation would be transferred from the
8 first open investigation log to the second closed investigation
9 log?

10 A I was not involved in the process, that part of the
11 process, enough to be able to answer your question.

12 Q But the simple fact that an investigation may be
13 moved from one log to the other, there is nothing unusual about
14 that in the ordinary course; is that right?

15 A Correct.

16 Q After being hired as the Executive Director --
17 I understand you weren't involved in the initial 2014
18 marijuana licensing, medical marijuana licensing process; is
19 that correct?

20 A Correct.

21 Q Did you ever become familiar with the Nevada Supreme
22 Court -- the NuLeaf decision related to the 2014 medical
23 marijuana licensing process?

24 A I remember the case coming up, but -- or being
25 discussed, but I'm not even sure it was resolved while I was

1 there.

2 Q So you're not sure what impact it had on location
3 requirements, for example?

4 A Correct.

5 Q Did the Department have any policies or procedures in
6 place that would have prevented any applicant or member of the
7 public from calling with questions about the regulations or
8 application process?

9 A That would prevent the public from calling?

10 Q Correct.

11 A No.

12 Q So as far as you're aware, any applicant or member of
13 the public that had any sort of uncertainty or confusion about
14 the application or the process could have called the Department
15 and asked a question?

16 A Correct.

17 MR. J. SMITH: I have no further questions. Thank
18 you for your time, sir.

19 THE COURT: Does that conclude the deposition?

20 MR. PARKER: All right. I think we're done,
21 Mr. Anderson, if no one else has any other questions. Thank
22 you --

23 (Video deposition concluded.)

24 UNIDENTIFIED SPEAKER: That's it, Your Honor.

25 THE COURT: All right. Thank you.

JD Reporting, Inc.

1 Since I think we played the entire deposition, except
2 for that colloquy between counsel that was taken out, I assume
3 no one has any additional portions to play.

4 UNIDENTIFIED SPEAKER: That is correct, Your Honor.

5 THE COURT: So I asked a question at the last break
6 of a couple of counsel. I know that some schools are resuming
7 in-person education, and some schools are resuming distance
8 education in the next few weeks.

9 My question was is that going to affect our ability
10 to start at 8:30 in the morning? Because I know most of you
11 have not had children in school in the last few weeks.

12 I need you to think about that and on Monday tell me
13 the answer so I can try and plan.

14 And please remember we are breaking at 4:00 o'clock
15 on Monday because one of my staff has an appointment that can't
16 be changed.

17 Mr. Dzarnoski, what are we doing on Monday?

18 MR. DZARNOSKI: I'm going to be here.

19 THE COURT: I am -- do we have witnesses?

20 MR. DZARNOSKI: I'm sorry. I may have -- sorry?

21 THE COURT: Are there any witnesses coming on Monday?

22 MR. DZARNOSKI: Oh, okay.

23 UNIDENTIFIED SPEAKER: Yes, Your Honor.

24 MR. DZARNOSKI: I'm sorry.

25 THE COURT: So, Mr. Miller, who are the witnesses on

1 Monday?

2 MR. DZARNOSKI: Yes. Yes, we do. We have Mitch
3 Britten that we expect to be the first witness. Mr. Prince has
4 said he would be available.

5 We have an expert Jeremy Aguerro [phonetic] to
6 present on Monday --

7 THE COURT: He will be so glad we don't have a
8 witness stand for him to get locked into this time.

9 MR. DZARNOSKI: I'm --

10 THE COURT: The last time he was testifying in front
11 of me he got locked in the witness box and couldn't get out.

12 MR. DZARNOSKI: Oh, okay.

13 THE COURT: Yeah.

14 MR. DZARNOSKI: And then it is possible that we may
15 have a very short reading of the 30(b)(6) testimony from the
16 Department of Taxation.

17 And at this point in time, I do believe we may
18 rest -- may be able to rest on Monday, Your Honor, although we
19 are going to evaluate tonight and tomorrow.

20 THE COURT: I did set the motion that your office
21 submitted for an OST for Tuesday morning at 8:30. I couldn't
22 set it for Monday. It was too late.

23 MR. DZARNOSKI: Thank you.

24 THE COURT: All right. Anything else?

25 MR. DZARNOSKI: That's it, Your Honor.

1 THE COURT: All right. I guess I will see you guys
2 on Monday. Good luck tomorrow with whatever arguments you plan
3 to make wherever you plan to make them.

4 Have a nice weekend.

5 MR. BICE: Thank you.

6 THE COURT: This room will be unavailable, which
7 means it will not be open tomorrow.

3 (Pause in the proceedings.)

4 THE COURT: All right. Sir, we're going to reswear
5 you since it's a new day.

6 THE CLERK: Please raise your right hand.

7 **ALLEN PULIZ**

8 [having been called as a witness and being first duly sworn,
9 testified as follows:]

10 THE CLERK: Thank you. Please be seated. Please
11 state and spell your name for the record.

12 THE WITNESS: My name is Allen Puliz. A-l-l-e-n,
13 P-u-l-i-z.

14 THE CLERK: Thank you.

15 THE COURT: Okay. We're starting. If we can keep
16 our voices down, please.

17 Mr. Koch, you may continue your cross-examination.

18 MR. KOCH: Thank you.

19 CONTINUED CROSS-EXAMINATION

20 BY MR. KOCH:

21 Q And, Mr. Puliz, there is sometimes we chatter back
22 here. So I'll try to keep talking loudly. If you have any
23 questions though, please -- please let me know.

24 On the issue of location, I think we established
25 yesterday that THC applied for three different jurisdictions;

 JD Reporting, Inc.

1 right?

2 A Yes.

3 Q And that was North Las Vegas, Las Vegas and Reno;
4 correct?

5 A Well, the Las Vegas was an area that was actually
6 Unincorporated Clark.

7 Q Okay.

8 A That was the address we put in. I think when I
9 checked on it last night our attorney checked the wrong box,
10 and I thought he had cleared that up because he sent them a
11 notice saying he did. But I don't know what happened.

12 Q Okay. And with respect to location, because there's
13 been a lot of discussion about location and what was on the
14 application itself. For North Las Vegas, you used your
15 existing location where your warehouse operation is; correct?

16 A Where our grow, our cultivation is we have a
17 12000 square-foot expansion area that was approved when we did
18 our medical to start, and that's where we would put down in
19 that corner our dispensary. It had lots of parking. It's
20 right on Craig Road. It's a pretty good location as far as I
21 can see.

22 Q Okay. And in Reno you put down a piece of property
23 that was raw land?

24 A Right. It was my partner Mike Poura. He was putting
25 a bid on it to buy it, and then he would have built the

1 dispensary and leased it to us.

2 Q Right. But at the time it was put down, THC, nor any
3 of its owners did not own that property; right?

4 A No.

5 Q There was just the plan that if successful then you
6 would purchase it and put it on that spot?

7 A You know, I'd have to ask Mike if he ended up still
8 buying that land. His uncle owns the Atlantis Casino just down
9 the street from there. They're very prevalent in that area for
10 buying land.

11 Q Okay.

12 A So I don't know if he bought it or not. I'd have to
13 ask Mike.

14 Q All right.

15 A Their family plan was to -- to buy it.

16 Q But it wasn't a problem in your mind to put down that
17 raw land even though you didn't own it because that's where you
18 planned to put it if you did go ahead with it?

19 A Yes. They had gone past its planning. They had had
20 discussions with the owner and were talking to the people that
21 were selling it, yes.

22 Q Okay. Possible though that you might not have ended
23 up successfully purchasing the property; right?

24 A It's possible.

25 Q Okay. And in that case, you didn't -- you weren't

1 concerned about that because you were aware that people would
2 change their locations for establishments, and that was a --

3 MS. SUGDEN: Objection.

4 BY MR. KOCH:

5 Q -- something that would happen from time to time;
6 right?

7 THE COURT: Overruled.

8 THE WITNESS: I don't know that they do that. I've
9 heard some people have got approval. It's a pretty good
10 process to move a location, but, yeah, I assume you can do it.

11 BY MR. KOCH:

12 Q Right. And you said actually that lots of people
13 change their locations after they have them approved. That was
14 something you're aware of; correct?

15 A I don't know about lots. But I know of some of the
16 dispensaries that have moved since they were originally
17 approved for their medical license.

18 Q All right. And with respect to the location
19 requirements, there were some questions you had about that. It
20 was I think you referred to it as a little bit gray perhaps of
21 whether you needed a location or whether you didn't need a
22 location; is that right?

23 A Yes. That's -- we were not sure. We had heard that
24 they weren't not going to ask for a location, but then the
25 application came out. It was on it. Our attorney said, you

1 know, the law says you've got to have an address, and so we put
2 addresses in that we wanted to use for dispensaries.

3 Q All right. And as part of that process though you
4 were able to contact the Department and ask questions about
5 location. Those may have been answered, but you still had
6 questions even after that; is that right?

7 A Yeah, because we didn't get good answers.

8 Q Okay.

9 A You know, the Department didn't publish like in most
10 of the bids I've always done where they always show every
11 question that's asked by every participant. They publish it
12 online so all the rest of us could go look at what questions
13 were asked and what their answers were. And we never had that
14 in this application.

15 Q And so even though the answers may not have been good
16 answers in your mind, they never told you stop talking to me,
17 we're not going to answer those questions; is that right?

18 A Not that I'm aware of, no.

19 Q Okay. And with respect to those discussions and
20 access to the Department, your son Nick had discussions back
21 and forth even as you were filling out your application; right?

22 A Yes. And then our attorney did more of it near the
23 end.

24 Q Right. So your attorney and Nick were able to speak
25 to D.O.T. representatives with questions you may have had

1 during the time you're filling out the application?

2 A Yes.

3 Q So you were not denied access to the Department?

4 A We were never denied access. We just weren't shared
5 the information they were giving to some people that had a
6 little better relationship with him.

7 Q Okay. And you don't know what that information was
8 though, do you? You just assume --

9 A If I'd have known, I'd have had a lot better score.

10 Q Okay. And, in fact, with respect to the information
11 that was shared, there's also been allegations in this case
12 that there's some kind of bribery or payments made of some
13 sort. You're not aware of any information that would support
14 that kind of a claim?

15 A No. The only thing I'm aware of is Amanda Connor did
16 a hell of a job because she got a lot more information than the
17 rest of us did.

18 Q But you don't know if she got more information. You
19 just assume she did; right?

20 A If you look at the applications and the scores, you
21 know somebody had some better information than we had.

22 Q Okay. Even though multiple of her clients did not
23 receive a license? Does that affect your opinion at all?

24 A I assume they didn't have the information either, or
25 they did something else wrong, you know.

1 Q Right. So you assume that Amanda Connor got
2 information for some of her clients, but not others, and that's
3 why they didn't get licenses?

4 A I have no idea.

5 Q And that's just what I'm trying to understand is it's
6 just supposition or assumption at this point; right?

7 A Yes.

8 Q Okay. And on the issue of partiality, the issue with
9 compliance, we talked about the letter with false information
10 yesterday. That was from 2017. There also have been -- that's
11 not the only issue that THC has ever had with respect to
12 compliance; right?

13 A What do you mean?

14 Q Well, THC has reported, self-reported issues such as
15 the theft of product by employees?

16 A Yes, we have.

17 Q Right. And you thought that was the right thing to
18 do, to self-report those issues?

19 A Yes.

20 Q In fact, the regulations require that to be done;
21 right?

22 A Yes, it does.

23 Q And when THC self-reported those thefts of product,
24 THC was not fined, was it?

25 A No.

1 Q In fact, the Department took no action, no
2 disciplinary punishment, enforcement, any type of action with
3 respect to those self-reports; correct?

4 A No. And the idea behind that is we have to
5 self-report because we terminate the employee, and you tell the
6 State so he can never be employed in the industry, at least for
7 a year I think it is. I'm not sure what the actual law was on
8 it.

9 Q Okay. And so if something went wrong, the employee
10 did something that was improper under the law, and I assume
11 also under THC's standards at its operation; right?

12 A Yes.

13 Q And so that employee was terminated. You thought
14 that was the appropriate step to take?

15 A Yes.

16 Q And those types of actions, self-reporting a problem
17 and then taking an action that the Department approved, do you
18 believe that that's an essential part of the compliance process
19 in this industry?

20 A Yes. They also came in and did an inspection of us
21 and looked at our cameras and looked at film, and they came
22 back and did follow-up inspections with us. I mean, they
23 inspect us every probably quarter they come in and inspect what
24 we're doing there.

25 Q Right. Okay. And very good. Very good. The issue

1 with litigation that was raised, so I found it interesting.

2 MR. KOCH: If we can pull up Exhibit 1766, Brian, and
3 go to page -- actually, just a second. Keep on the first page
4 here.

5 BY MR. KOCH:

6 Q This was at a session that was held on February
7 27th, 2018; right?

8 A Yes.

9 Q And this -- you attend this in person?

10 A I did.

11 Q Back in the days when you go to meetings in person.
12 You were there in person; right?

13 A I was there in person.

14 Q Okay. And let's go to page 5. And there's been a
15 discussion there about what you talked about, that you believe
16 that the regulations could be more fair and evenhanded, talking
17 about the scoring method, experience, key personnel. And
18 you're talking about the monopolistic properties in the
19 marijuana industry; is that right?

20 A I did.

21 Q And what was expressed there? What were your
22 concerns?

23 A My concern was that we would give too many
24 dispensaries to too few people, and they would control the
25 market.

1 Q And this was after your meeting with Jorge and
2 Ms. Contine; correct?

3 A Yeah. I met with them on January 5th.

4 Q Right. So a month later, you still expressed the
5 same concerns about monopolistic practices at that time; right?

6 A I did.

7 Q And you were aware in the regulations, that there was
8 this 10 percent sort of antimonopoly provision in the
9 regulations?

10 A Well, I'm aware of at, yes.

11 Q Okay. And you were aware that it was not part of the
12 ballot question?

13 A Correct.

14 Q And you were in favor of that 10 percent cap?

15 A Yeah. I would have even been in favor for a more
16 stringent cap than that because they left it open to
17 interpretation. Does that mean by the location, city, county,
18 county unincorporated or by the whole state of, you know, 62
19 licenses to start. And now with 124 licenses out there,
20 10 percent would be 12. So, yeah, I was not for that because
21 it depended on how you looked at it.

22 Q Okay. And so despite the fact it was not on the
23 ballot question the voters voted upon, you were fine with that
24 being in the regulation because you thought that that was a
25 more evenhanded way of allocating or operating the industry; is

1 that right?

2 A Well, as I said, I would have preferred a stricter
3 interpretation than that.

4 Q When you say a strict interpretation, a lower
5 percentage?

6 A Yes.

7 Q Okay. So what, like 5 percent or what?

8 A Yeah, 4, 5 percent. When you looked at it, more than
9 two in any one jurisdiction seems to me to be pretty
10 monopolistic.

11 Q All right. Very good.

12 A Especially when they allow you to purchase other
13 ones. That wasn't part of those ballot initiatives. So it can
14 grow to 20 percent through acquisitions.

15 Q And Mr. Cohen, below that there, he was part of -- he
16 was there on behalf of THC; correct?

17 A Yes, he was.

18 Q And you talked about the fact that he referenced
19 there may be potential litigation as a result of the
20 regulations?

21 A He did.

22 Q And here we are in litigation. But I guess my
23 question, if at that point in time there was concern by THC
24 about potential litigation with respect to these regulations,
25 why didn't you bring some kind of a suit then to make sure that

1 those issues were addressed before the application process
2 concluded?

3 A This is the first lawsuit I've actually ever filed in
4 my life because the only people that ever wins in a lawsuit are
5 you attorneys.

6 Q Very good. So at that point in time you thought I'm
7 not going to file suit. But after you didn't get a license you
8 decided let's file a suit?

9 A Only when I saw what they did give out, when they
10 gave 8 licenses and 7 and 6 and 11 to individual people.
11 That's when I thought they had gone a little overboard.

12 Q Okay. And that contradicted what Jorge told you
13 during that meeting in January of 2018; right?

14 A Completely.

15 Q And with respect to the scores themselves, and as the
16 Judge indicated, we're not here to sort of rescore or do math
17 on applications, but you raised some questions. You had some
18 concerns about the actual scores that were given to THC; is
19 that right?

20 A I did.

21 Q And in particular you mentioned a couple of
22 categories. You said your organizational chart and your
23 finances, those are two of some of the categories?

24 A They were the two biggest ones, yes. There's a
25 couple where two of the guys would give us 8, and one guy would

1 give us 6. I don't know how that works in a scoring, but I
2 assume there's human error, and it depends which score you got
3 on how they scored you.

4 MR. KOCH: All right. If we could go to Exhibit 84,
5 or ranking list, Brian.

6 BY MR. KOCH:

7 Q And so in the locations where THC applied, first the
8 City of Las Vegas, which is page 1 going on to page 2. So THC
9 finished 58th in the City of Las Vegas; is that right?

10 A That's what it says there, yes.

11 Q Right. 170.99 points. Is that the score that you
12 received?

13 A Yes.

14 Q And the lowest applicant that got a license, if we
15 could scroll up just a bit, was at 208 even. That's Circle S
16 Farms. You're aware of that; right?

17 A Yes.

18 Q So about 38 points short in Las Vegas; right?

19 A Right.

20 Q And just, I guess we can look at one other. If we
21 look at North Las Vegas, kind of the same thing. Page 3. THC
22 finished 46th. If we can see that. There we go. 46th in
23 North Las Vegas. Same point total. And the lowest successful
24 applicant, Lone Mountain Partners had 214.50. So there you're
25 about 44 points short; right?

1 A Yes.

2 Q Now, with respect to the complaints you have in the
3 organizational chart, pulled up Exhibit 1600. I'm not going to
4 delve too much into the items there, but I just want to ask you
5 about a couple of those.

6 MR. KOCH: So if we could put up Exhibit 1600, Brian,
7 and page 7.

8 THE COURT: So I'm not looking.

9 MR. KOCH: But I think this was admitted, wasn't it?

10 THE COURT: Huh-uh.

11 MR. KOCH: Oh, not admitted?

12 THE COURT: Not admitted.

13 MR. KOCH: Okay.

14 THE COURT: But I'm not looking.

15 MR. KOCH: I apologize.

16 THE COURT: You're welcome to look at it with the
17 witness. I'm just looking at the lovely exit signs and the two
18 doors again.

19 MR. KOCH: Very good.

20 BY MR. KOCH:

21 Q So, Mr. Puliz, you've reviewed the score sheets that
22 your company received, haven't you?

23 A I have now, yes.

24 Q All right. And with respect to the item listed here
25 for organizational chart, you saw the scores you got for

1 organizational chart; right?

2 A Yes.

3 Q And the score there that you received is 5.67 out of
4 15?

5 A Well, it's 5.7 out of 45 total.

6 Q Oh, 45 total of three times 15. Three scores gave
7 scores out of 15 --

8 A Right. But that's how they do it. It's the total
9 score. We got 5.6 out of 45 points, and that's where we felt
10 we were misled by the application, the one we received. I
11 heard there's different versions, but I'm not positive of that.

12 Q Would it surprise you if organizational chart had 15
13 points possible?

14 A Yes.

15 Q Okay. Yeah. I mean, and maybe that's just a subject
16 of reading the thing. But there's 15 points possible, and THC
17 got 5.67 out of this points; right?

18 A Yeah. Total score, yeah. Average score you mean,
19 yes.

20 Q Right. Okay. And if we -- did you read any of the
21 reviewers comments on the organizational chart?

22 A No.

23 Q If the graders stated that the organizational chart
24 was weak, would you disagree with those comments?

25 A I would say from their point of view because under

1 their instructions we were supposed to give detailed knowledge
2 of each one of our people on the organizational chart. It did
3 not say that on our application. Our application just asked
4 for an org chart. They never told us they wanted us to go into
5 detail on what each person did. It would have been a very
6 simple thing to get a max point on something like that.

7 Q And on your organizational chart, you reviewed your
8 organizational chart before you submitted it; right?

9 A Yes.

10 Q And your organizational chart actually just listed
11 the members, the owners of the company; right?

12 A Some of them, yes, or --

13 Q And then put --

14 A -- all of the owners yes.

15 Q Put a bunch of positions without names, bud tenders
16 and that kind of thing; right?

17 A Right.

18 Q And so you didn't have actual positions identified
19 with those individuals; right. The positions that you listed
20 did not have individuals connected with them?

21 A The ones we hadn't hired yet because we don't have a
22 dispensary yet.

23 Q Okay. And so if the graders interpreted that in a
24 way that resulted in a 5.67 points, your beef, I guess, is with
25 the instructions that were given on that?

1 A Yes.

2 Q And then the only other category I'll ask you about
3 is with respect to finances, and I understand that you had a
4 problem you felt that the graders didn't grade you fairly in
5 the finance category; is that right?

6 A Yeah. We showed \$3.7 million, I believe it was, in
7 cash. We showed an operating business with a free cash flow of
8 a couple hundred thousand a month. And then we had my whole
9 net worth put in there that should have showed that we had
10 plenty of resources to cover a dispensary or even two, not that
11 I ever expected to get two. But even to get one.

12 Q Okay. And for that category, you said you showed a
13 bunch of money. Did you provide a budget or plan for the first
14 year? Do you recall?

15 A There was. We put a budget in there.

16 Q All right. And if the graders said there was no
17 budget for the first year, you would disagree with them?

18 A Yes.

19 Q And if the graders --

20 A I paid a consultant to write it. So I know we had
21 it. And I'm pretty sure it's in there.

22 Q Pretty sure it's in there.

23 A (No audible response.)

24 Q Okay. And --

25 A I haven't looked at it recently. So --

1 Q And on that point, you're aware that THC got .33 out
2 of 20 points in that category; right?

3 A Yes.

4 Q So let's suppose that on that category you got full
5 points, 20 points. And let's suppose that for the
6 organizational chart you got the 9 points that you felt like
7 you were shorted there. 29 points in those two categories.
8 You got a perfect score there. Isn't it true you'd still be
9 short in each jurisdiction in which you applied by several
10 points?

11 A It's possible.

12 Q Did you believe that despite that shortage of points
13 that Jorge would come in and make things right then?

14 A No.

15 Q Did you believe that even though you were well short
16 of the lowest scoring applicant that there would be some sort
17 of move by the Department to ensure that you got a license?

18 A No.

19 Q And in this case, you're not contending that your
20 application was superior to anyone else's, just that you
21 thought yours was good enough that you should have got a
22 license; right?

23 A With the information we had, I thought we should have
24 been able to get one. When I found out we didn't have all the
25 information, I understood why our scores were down lower than

1 they should have been.

2 MR. KOCH: Very good. No further questions.

3 THE COURT: Next.

4 MR. KOCH: And, Your Honor, I need to leave. Brody
5 Wight is here.

6 THE COURT: I saw Mr. Wight come in --

7 MR. KOCH: In case there's any redirect, he may do
8 that if that's all right --

9 THE COURT: That's fine. Thank you for wiping down
10 the lectern, Mr. Koch.

11 MR. KOCH: You're welcome.

12 THE COURT: Mr. Prince, are you coming up next?

13 MR. PRINCE: I am, Your Honor. Thank you. Let me
14 get myself together here.

15 THE COURT: All right. Thank you. And you will
16 notice he has on a sharp outfit today.

17 THE WITNESS: Looks good.

18 MR. PRINCE: Thank you.

19 CROSS-EXAMINATION

20 BY MR. PRINCE:

21 Q Mr. Puliz, good morning. My name is Dennis Prince,
22 and I represent the interests of Thrive in this case. Okay?

23 A Uh-huh.

24 Q And I have some questions for you this morning. Now,
25 I just want to make sure that we are clear on your role. You

1 are a managing member of THC Nevada; correct?

2 A That is correct.

3 Q You have been a managing member of THC Nevada along
4 with your son Nick since you started the company back in 2015;
5 correct?

6 A That is correct.

7 Q Right. And Nick, your son, Nick Puliz, he's the --
8 has been the general manager of your cultivation and I think
9 also the production facilities from the beginning?

10 A Just the cultivation.

11 Q Okay. Now, your son Nick is the point of contact
12 with the Department of Taxation, or now I guess the cannabis
13 board; correct?

14 A And myself.

15 Q Right. So you both are designated as the point of
16 contacts; correct?

17 A Correct.

18 Q So as one of the points of contact, along with your
19 son, you have frequent contact with the regulators regarding on
20 day-to-day compliance and regulatory matters relating to your
21 facilities?

22 A Yeah. I get the LISTSERV, every bit of information
23 that comes in on that. Most of the discussion with them goes
24 through my son Nick.

25 Q Okay. That's my point. Nick is the designated point

1 of contact between the company and the Marijuana Enforcement
2 Division; correct?

3 A Yes.

4 Q And Nick has an ongoing dialogue with the Department
5 frequently. He speaks to them numerous times per month.
6 Correct?

7 A Correct.

8 Q He speaks with inspectors; correct? Yes?

9 A Yes.

10 Q Auditors; correct?

11 A Yes.

12 Q He also has communicated with Ms. Cronkhite, who is
13 in the room. If he has questions about an issue, he'll call;
14 right?

15 A Yeah. Talks to her I think pretty regularly.

16 Q Right. And so as a point of contact, that's how it's
17 set up; right? If there's an issue that the Department has,
18 then they would contact or communicate with the point of
19 contact; right?

20 A Yes.

21 Q Whether it be for any issue concerning the operation;
22 correct?

23 A Yes.

24 Q And Nick has an ongoing dialogue with them on a kind
25 of continual basis; right?

1 A Correct.

2 Q So let's -- you talked about Amanda Connor a minute
3 ago. And you understand that Ms. Connor is a very well
4 respected lawyer in the area of marijuana law; correct?

5 A She's done an awesome job, yeah.

6 Q Yeah. She's awesome; right?

7 A Yeah.

8 Q Yeah. And do you know that she is a point of contact
9 for more than 100 licensees. Are you aware of that, sir?

10 A I was not aware of that, but it doesn't necessarily
11 surprise me.

12 Q Well, since you're here and you're an operator,
13 you're a point of contact then, you could have -- if she
14 represents more than a hundred licensees, cultivators,
15 producers, dispensaries and distribution facilities, you can
16 see why she would have day-to-day contact with the Department;
17 correct?

18 A Sure.

19 Q Right. Because she's the intermediary between the
20 licensees on the one hand and the regulators on the other hand;
21 correct?

22 A Well, I don't know why you'd use an attorney to do
23 that, but if that's what she does, that's -- that's fine. We
24 don't use an attorney to deal with any of that. We handle
25 those things ourselves.

1 Q Understood. But my point is you could see as a point
2 of contact for the State of Nevada on behalf of THC, if you
3 were the point of contact for more than 100 licensees, that
4 would be a very busy position in terms of communicating with
5 the regulators and the compliance auditors on a day-to-day
6 basis; right?

7 A I assume so. Yes.

8 Q Right. You agree that marijuana in Nevada is very
9 highly regulated; correct?

10 A It is.

11 Q And to your knowledge, Nevada is probably the most
12 regulated state in the country as far as you're aware, of
13 recreational marijuana; fair?

14 A Far as I'm aware of, yes.

15 Q Very good.

16 A When you take the whole picture, yes.

17 Q And the Department of Taxation in terms of regulating
18 and developing regulations, I know you had some criticism as it
19 relates to a dispensary bias, but they've done a very good job
20 supporting this industry and helping it grow; right?

21 A Yes. From starting from nothing, it is always going
22 to be a learning curve, and I think they're learning every day.

23 Q Right. And with regard to accessing the Department,
24 I guess one way that Nick would do that, he would call over
25 there, ask for somebody; right?

1 A Usually or send an email is usually what he does.

2 Q So it's usually a phone call or an email; correct?

3 A Yeah. They're a little hard to get on the phone. So
4 usually he sends an email. And then they'll call him, or
5 they'll do a discussion afterwards.

6 Q Right. And with regard to communicating with the
7 Department, either by phone, you agree that it's fair if a
8 licensee if they need clarification or guidance on something,
9 it's fair for them to call them; right, and ask what their kind
10 of position is so you know how to govern yourself accordingly;
11 right?

12 A As far as the day-to-day operations that they
13 regulate, yes, I do.

14 Q Right. There's a -- right.

15 This is not the first highly regulated industry that
16 you've personally been involved in; right?

17 A No. My moving business has always been highly
18 regulated.

19 Q Right.

20 A Not as much as the marijuana division, but for our
21 State a very highly regulated industry.

22 Q Right. And you deal with the regulators frequently
23 in your transportation businesses; right?

24 A I did, yes.

25 Q Right. So just because you call the agency and you'd

1 speak to them, it doesn't necessarily mean that they're giving
2 you any favors or special treatment. They're just being
3 accessible and answering questions; right?

4 A That's true.

5 Q And everybody is a little different. Some operators
6 in the marijuana industry, they may be more diligent than
7 others in terms of asking questions, asking the right questions
8 and getting information; right?

9 A I don't know that but --

10 Q You could see how that would happen; right?

11 A I could see that.

12 Q All right. Now, with regard to Nick, I mean, you
13 agree that Nick made a mistake when he altered the zoning
14 document from the City of North Las Vegas; right?

15 A When he added a word to a Word document yes, he did.

16 Q He made a mistake. You understood that; right?

17 A He made a mistake.

18 Q You've been dealing with highly regulated business it
19 sounds like for a very long time. You knew you had the right
20 to contest that; correct?

21 A I did.

22 Q You chose not to; correct?

23 A I did.

24 Q You accepted responsibility on behalf of the company;
25 correct?

1 A I did.

2 Q And paid the fine?

3 A And was denied the license.

4 Q Right.

5 A The fine was cheap compared to being denied the
6 license.

7 Q Right. But you understood the Department's concerns;
8 right, and accepted that responsibility because Nick made a
9 mistake?

10 A Yes. But North Las Vegas who issued it did not have
11 an issue with it, and that should have been where it came from
12 if they had a problem with it. But they had agreed with Nick
13 on what his interpretation was.

14 Q Okay. And my point to that is that didn't disqualify
15 you from the application process in 2018, did it?

16 A Not that I'm aware of.

17 Q No, it didn't; right?

18 A Right.

19 Q I mean, and the year earlier you -- the civil penalty
20 was imposed. You accepted that responsibility and paid it;
21 right?

22 A I did.

23 Q That closed that matter.

24 A Right.

25 Q As far as you are aware?

1 A Well, and I made sure. That's why I had to have that
2 meeting with Deonne Contine and Jorge that that was a closed
3 issue, and it wasn't going to carry on because why spend all
4 the money to do an application if I was going to get shut down.
5 So I did clarify that.

6 Q Right. That's one of the reasons you met with them
7 in January of 2018; correct?

8 A One of the reasons, yes.

9 Q That was one, not -- you had other reasons, but that
10 was one of the reasons?

11 A Yes, it was.

12 Q And they told you, no, that matter's closed. You can
13 still qualify. That won't disqualify you; right?

14 A They did.

15 Q Right. And in fairness, you've also had other
16 deficiencies noted along the way. When they have inspections,
17 they'll come out and do a routine inspection, find deficiencies
18 of various magnitudes, some minor, some not, and you fix it;
19 right?

20 A Yeah. Almost every time they inspect they'll find
21 something. If it's water on the floor somewhere or a crack
22 that we haven't resealed in the floor, they always find
23 something.

24 Q Right.

25 A And we fix it and send it back to them as being

1 complete.

2 Q And one of the things, what you didn't want to have
3 happen is, in fairness, you wanted to make sure that your
4 submitting your application that that civil penalty that you,
5 you know, paid and accepted responsibility for, that that
6 somehow wasn't going to have a negative consequence to your
7 application; right?

8 A That's correct.

9 Q So you agree that your past compliance history, since
10 that matter was resolved, that, it would in fairness shouldn't
11 be counted against you. Don't you agree with that?

12 A I agree.

13 Q Also --

14 A Because it didn't have anything to do with the
15 marijuana industry --

16 Q -- oh, well, it did actually because --

17 A -- per se.

18 Q -- because you're applying for a license, and you're
19 talking -- saying do you have the requisite land use and zoning
20 approval. So it did relate to the industry; right?

21 A As far as zoning and land use, which we had already
22 been granted, yes.

23 Q Right. Because the State was asking for proof of the
24 land use approval; right? They wanted to see the evidence of
25 that; right?

1 A Yeah. They already had it because they had it when
2 we applied for medical, but, yes.

3 Q Fair enough. But you had been operating as a
4 cultivator, a medical cultivator from the beginning; right?

5 A Yes.

6 Q And so it wouldn't be fair to you if say someone who
7 was new to the industry with a recent cultivation license, and
8 they're just getting started, your compliance history is going
9 to look much different than theirs; correct?

10 A That's correct.

11 Q So those shouldn't -- past compliance history, if
12 those are resolved issues, that shouldn't be considered as part
13 of the evaluation of what kind of dispensary you're going to
14 run. Would you agree with that?

15 A It depends on the severity of the issue you're
16 talking about. So as a broad stroke I would agree with that.

17 Q Right.

18 A For the normal small things.

19 Q Right. And also, I mean, even though you don't own a
20 dispensary, I mean, you've been in numerous dispensaries,
21 you're knowledgeable about the industry. Dispensary compliance
22 issues are pretty significantly different than a cultivating?

23 A Yeah, much easier.

24 Q Right. And so, but it's not a fair comparison. A
25 compliance -- past compliance history with a retail dispensary

1 versus a cultivator, that's really not a fair comparison.

2 That's comparing apples to oranges; right?

3 A They are two different functions, yes.

4 Q Right. And so it's probably best if the evaluators
5 who don't really know anything about the marijuana industry,
6 that's something they shouldn't probably grade, past compliance
7 history that have been resolved, and just go based on what's in
8 the application. That's the fair way to do it. Don't you
9 think?

10 A I assume so, yes.

11 Q Okay. Now, I want to talk about in January 2018, you
12 understood that they were adopting the regulations for the
13 industry; correct?

14 A Correct.

15 Q For the recreational industry?

16 A Correct.

17 Q One of the -- you asked for a meeting with Jorge
18 Pupo, the new deputy director and Deonne Contine, the director
19 of the Department; correct?

20 THE WITNESS: Excuse me. I didn't turn it off .sorry
21 about that.

22 THE COURT: No. That's okay. You're not the first
23 one.

24 BY MR. PRINCE:

25 Q And so you had several objectives with that meeting.

1 A Yes.

2 Q One as we just talked about was you wanted to make
3 sure that past civil penalty that you paid, that wasn't going
4 to be counted negative against you in your application process;
5 right?

6 A That's true, yes.

7 Q And they settled that fear. They said, no, it
8 wouldn't; right?

9 A Yes.

10 Q Right. Because you were already thinking about the
11 retail application process in September 2018, weren't you?

12 A We were.

13 Q Right. Because you knew that they were going to
14 allocate all of the remaining available license throughout the
15 State. So it was a very important time period?

16 A It was.

17 Q And so you started looking at the issue almost a year
18 in advance; right?

19 A I did.

20 Q Okay.

21 A Actually, from the time the ballot initiative came
22 out we started looking at it.

23 Q So starting in November of 2016?

24 A Yeah.

25 Q Okay. So when you asked for the meeting, Mr. Pupo,

1 he gave you that meeting, didn't he?

2 A Actually, Deonne Contine did.

3 Q Oh, his boss gave it to you?

4 A Yes.

5 Q Okay. Because that's what you wanted; right?

6 A Yes.

7 Q And then the second part of that, one of the other
8 parts of that meeting was you wanted to discuss the application
9 process and what that was going to look like, didn't you?

10 A I wanted to discuss the regulations that they were
11 putting in for the application. And, of course, they couldn't
12 give me any details. I just shared with them many of the same
13 things I shared with the interim legislative committee when
14 they applied for those to be put in the law, that they were
15 designed by basically the dispensary association and
16 dispensaries to give them a favorable, more favorable
17 opportunity to get more dispensary licenses.

18 From my point of view, they had already been given
19 one, just given one because of the ballot initiative.

20 Q Okay.

21 A I felt the rest of those should have been more
22 available to the rest of us licensees that had worked so hard
23 and helped build this industry.

24 Q Right. Meaning cultivators, producers; right?

25 A Yes.

1 Q You wanted to be on equal footing with the
2 dispensaries; right?

3 A I did.

4 Q You were worried that the way the regulations were
5 being drafted that there was going to be a bias in favor of an
6 existing dispensary; isn't that true?

7 A That is true.

8 Q All right. And so you went to voice your concern at
9 numerous levels, including at the -- in front of the Tax
10 Commission and the legislative counsel bureau; right?

11 A I did.

12 Q Because you were worried, as other cultivators were,
13 that it wouldn't be fair to cultivators and the dispensary
14 owners would end up getting all the licenses, and you'd be shut
15 out?

16 A Right. And most of your dispensaries have
17 cultivations already.

18 Q Understood.

19 A So we are vertical.

20 Q And that's permitted. You know that; right?

21 A Oh, I know.

22 Q You're trying to be --

23 A There's some states that require it. Nevada was one
24 of the few that did not require either a full vertical license
25 or complete separate licenses where a dispensary could not grow

1 their own.

2 Q Right. And you knew -- it was important to you at
3 least and your company, you wanted to be vertically integrated
4 like the others?

5 A You need an outlet for your product, yes.

6 Q There you go. And you wanted to be vertically
7 integrated. You wanted a dispensary so you could sell your
8 product?

9 A Yes.

10 Q And make money on the dispensary too; right?

11 A Yes.

12 Q It was highly competitive; right?

13 A It was highly competitive.

14 Q Right. And there's great -- and you don't consider
15 yourself, as I understood your deposition testimony, you were
16 not a superior applicant; correct?

17 A No. I mean, your client is probably one of the best
18 ones I've seen out there.

19 Q Thrive is one of the best; right?

20 A So I'm not trying to say that I'm as good as Thrive
21 was. No.

22 Q Okay.

23 THE COURT: Mr. Prince, pull your mask back up.

24 MR. PRINCE: Thank you.

25 THE COURT: Thank you.

1 BY MR. PRINCE:

2 Q And there's been testimony in this case, sir, and I
3 want to know -- ask if you're aware of this percent, that
4 53 percent of the licenses who were -- the applicants who were
5 successful in 2018, they were cultivators. Are you aware of
6 that?

7 A I don't believe that.

8 Q You don't believe that.

9 A Well, I think -- I heard the testimony when they went
10 in and talked about just Clark County, and it was one
11 cultivator that actually got a license in Clark County.

12 Q Okay. Okay.

13 A Out of the 30 that were offered. So I don't believe
14 53 percent is an accurate number.

15 MR. PRINCE: Okay. Brendan, let's go to --

16 THE WITNESS: Even when you count in the cow counties
17 that most of you guys that are real good dispensary operators
18 didn't even apply in because you can't run a dispensary in
19 Esmeralda County. There's not enough population.

20 BY MR. PRINCE:

21 Q Well, that was one of the available licenses; right?

22 A It was.

23 Q Okay. So this was a statewide process. It wasn't
24 limited to Clark and Washoe; right?

25 A No.

1 Q Am I correct?

2 A Correct. But --

3 Q It was statewide. Hang on. Hang on.

4 A Okay.

5 Q Your counsel will have a chance in a minute.

6 A Sure.

7 Q But let's -- let's look at these. And let's just go
8 through.

9 Brendan, let's go to Exhibit 1014. Or it could be
10 83. We're just going to go page by page.

11 THE COURT: What's the exhibit number?

12 MR. PRINCE: It's 1014. And I think it's also 83.
13 Those are some duplication on the plaintiff side.

14 THE COURT: Okay. Dulce says it's admitted,
15 Mr. Prince.

16 MR. PRINCE: Okay. 1014, Brendan. We're just going
17 to go Number 1. You got it?

18 All right. Let's go to -- Brendan, we're going to go
19 through every one of these pages. Let's go through Henderson,
20 just 1 through 6, just the second green section, Brendan, right
21 there. There you go.

22 BY MR. PRINCE:

23 Q All right, sir. Do you see Number 5, GreenMart?

24 A Yes.

25 Q Were you aware that before September 2018 they were

1 only a cultivator?

2 A Yeah. But they're a dispensary now; right? They
3 have part of a dispensary --

4 Q Well, I guess they were granted a conditional
5 license. That's true. But at the time they applied, they were
6 a cultivator; right?

7 A I don't know them well. So I --

8 Q You know them to be a cultivator or do you not know?

9 A I don't. I have never dealt with GreenMart.

10 Q So you don't know if they're a cultivator or not?

11 A No.

12 Q Very good. Let's go down to the City of Las Vegas.
13 Are you aware that Helping Hands Wellness Center, see
14 Number 4 right there in the City of Las Vegas, are you aware
15 that they're a cultivating facility?

16 A I'm not aware of them at all.

17 Q Okay.

18 A But I assume they're also a dispensary owner I would
19 think.

20 Q But you don't know?

21 A I don't know.

22 Q Okay. Let's look at Number 6, Lone Mountain
23 Partners. Were you aware that Lone Mountain Partners in
24 September 2018 only had cultivation in Nevada? Are you aware
25 of that, sir?

1 A I was not aware of that.

2 Q Very good.

3 A And have they been purchased and were they in the
4 purchase process when this went in?

5 Q I'm not asking you that. I'm just asking you about
6 the status of their license.

7 A I'm just asking you. You're putting the numbers up.

8 THE COURT: So he doesn't have to --

9 THE WITNESS: I know.

10 THE COURT: -- answer questions.

11 THE WITNESS: I'm sorry. I'm sorry, Your Honor.

12 THE COURT: Ms. Sugden is going to run through all
13 that though.

14 THE WITNESS: Okay. No, I'm not aware.

15 THE COURT: She's taking good notes. I can see her
16 over there writing it all down.

17 MR. PRINCE: That mean she's thorough. That's good.

18 BY MR. PRINCE:

19 Q Were you aware that -- okay. So Number 7, we talked
20 about Green River -- or excuse me, GreenMart, Number 7 a minute
21 ago that in September 2018 they only had a cultivator license.

22 A Okay.

23 Q Okay. And then going down to Number 9, Wellness
24 Connection of Nevada, they only had cultivation in
25 September 2019. Were you aware of that?

JD Reporting, Inc.

1 A I was not.

2 Q Okay. So assuming I'm right, 4 of 10 went to the
3 cultivators in Vegas?

4 A I know you're telling me that. But, okay.

5 Q And since I'm on the point, in your deposition, you
6 thought you were only applying for two locations; correct?

7 A I had forgotten about my one in my other building.
8 Yes. I forgot about it.

9 Q You thought you were only applying in North Las Vegas
10 and Reno; right?

11 A Right. Right. I had just --

12 Q That's what you thought -- hang on.

13 A I had just sold my building in the county on Arville,
14 and so I just forgot we had applied for that building. I'm
15 sorry. And we did correct it.

16 Q Okay.

17 A Right.

18 Q So you think you applied for a county license too?

19 A It was supposed to be a county. It was checked, the
20 address is a county.

21 Q You didn't -- you didn't -- there is no -- you did
22 not submit an application for the unincorporated Clark, did
23 you?

24 A We did, but it was checked by our attorney, we
25 assume, wrong, and he had the right address, which is

1 unincorporated Clark, but it was checked as the City of Las
2 Vegas.

3 Q Right.

4 A I don't know why.

5 Q So your lawyer made a mistake?

6 A Maybe. Or somebody did when they put it into the
7 computer system.

8 Q Yeah. Right.

9 A I don't know where it came from.

10 Q Okay. And let's look at North Vegas.

11 MR. PRINCE: Brendan, that's on Bate 3.

12 BY MR. PRINCE:

13 Q So this is -- number 1, you were 46th in the City of
14 North Las Vegas; right?

15 A Yes.

16 Q Okay. Now, let's look at the winners. We saw here
17 Helping Hands. Were you aware that as a cultivator they won a
18 North Las Vegas license?

19 A I've seen that they're, yes. But as I know them
20 today, they're part of a dispensary group.

21 Q Okay. Number 5, Lone Mountain Partners, also a
22 cultivator won in North Las Vegas. Do you see that?

23 A I see that.

24 Q Okay. Let's go down to unincorporated Clark. Sir,
25 I've looked through the rankings from every applicant, and I

1 just -- frankly, maybe I'm missing it, but I don't see anywhere
2 where you applied in unincorporated Clark. You weren't scored
3 in Clark.

4 A I understand that that's the way it reads, yes.

5 Q That's right.

6 A But if you look at the application, you'll see the
7 address is in unincorporated Clark on Arville Road, right
8 across --

9 Q Well, you didn't even know you had made an
10 application --

11 THE COURT: Mr. Prince, you got to let him finish.

12 MR. PRINCE: I'm sorry.

13 THE COURT: Sir, could you finish your answer.

14 BY MR. PRINCE:

15 Q Go ahead. I apologize.

16 A Yes. I said but the address we applied for is in
17 unincorporated Clark. It's my building. I know where it's at.

18 Q Yeah, I understand.

19 A Or it was my building.

20 Q But your lawyer made a mistake in the application
21 process, didn't he? You know that.

22 A We don't know if he did it or if it was done by the
23 scorers or whatever. It got checked as the wrong box.

24 Q Well, we're going to -- we'll get to that in a
25 minute.

1 MR. PRINCE: All right. So let's go to
2 unincorporated Clark County, the results, Brendan.

3 BY MR. PRINCE:

4 Q Do you see Number 5, Helping Hands, a cultivator? Do
5 you see that?

6 A Uh-huh.

7 Q Do you see 7, GreenMart, cultivator? Do you see
8 that, sir?

9 A I see you --

10 Q All right. And then --

11 A I see you circling them, yes.

12 Q Great. And so do you see Lone Mountain Partners,
13 Number 8? Do you see that?

14 A I see that.

15 Q All cultivators. Okay.

16 MR. PRINCE: So let's go to, Brendan, the next page,
17 Douglas County.

18 BY MR. PRINCE:

19 Q It says Lone Mountain Partners, Number 1. So
20 therefore, cultivator; right?

21 A Yes, it is.

22 Q Is Green Therapeutic, were they a cultivator; do you
23 know?

24 A I don't know.

25 Q Neither do I.

1 MR. PRINCE: All right. Let's go to, Brendan, let's
2 go to -- skip two pages. Go to Esmeralda County, and we're
3 going to go to the ranking. Do you have Esmeralda, Brendan?
4 There you go. The top.

5 BY MR. PRINCE:

6 Q Do you see Lone Mountain Partners again, a
7 cultivator, won in Esmeralda County?

8 A Uh-huh.

9 Q Do you know Polaris Wellness? Do you know if they're
10 a cultivator?

11 A I don't know.

12 Q Do you know who they are?

13 A No.

14 Q Okay. Let's go down to Eureka County. Lone Mountain
15 Partners, a cultivator, they're Number 1. Do you see that?

16 A I do.

17 Q Eureka NewGen Farms. Do you know if they're a
18 cultivator?

19 A I don't know them.

20 Q Okay. Let's go down to Humboldt County.
21 Number 1 was TRNV, which is Shane Terry's group. Do you know
22 Mr. Terry, Shane Terry?

23 A No.

24 Q Okay. Well, he was the president of the NDA at one
25 point.

1 A Right.

2 Q Okay. Anyway, he's a cultivator, and he won.

3 A He was a dispensary owner too.

4 Q All right. Do you see -- but he's a cultivator
5 though. Do you see that he won?

6 A No. You're just what license he filed under. It
7 doesn't mean he doesn't have other licenses.

8 Q Okay.

9 A Okay.

10 Q I got you. That's fine, sir.

11 A Just tell the whole story.

12 Q Oh, we -- we're going to do that.

13 A Okay.

14 Q Good enough.

15 THE COURT: Mr. Prince, pull your mask back up,
16 please.

17 MR. PRINCE: Yes.

18 Let's go to --

19 THE COURT: It keeps falling down.

20 BY MR. PRINCE:

21 Q Let's go to Lander County. You see Number 1 is Lone
22 Mountain Partners, a cultivator. Do you see that?

23 A Yes.

24 MR. PRINCE: Go to Lincoln County, Brendan.

25 / / /

1 BY MR. PRINCE:

2 Q Lone Mountain Partners again, a cultivator won that;
3 right?

4 A Lone Mountain Partners did, yes.

5 Q Yep. And I guess I could go on and on through these,
6 but the point is I'm showing you that many cultivators won
7 licenses because this was a statewide process; right?

8 A It was.

9 Q The more desirable license, they're certainly in
10 Washoe and Clark.

11 A Yes.

12 Q But it really does encompass the whole state; right?

13 A It does.

14 Q Right.

15 A It did in medical also, and nobody ever even opened
16 or applied for those licenses during medical. That's why Clark
17 County was able to get those eight extra licenses in the last
18 one.

19 Q And assuming what I'm telling you is accurate, and
20 that's the testimony that 53 percent of the licenses went to
21 cultivators, then the process, assuming that the number, there
22 wasn't a bias that you initially thought was going to happen
23 because they ended up getting a proportionate share of the
24 licenses; right?

25 A Well, I'd really have to study it. I have not

1 studied it that far. All I know is that some of those people
2 you talked about are -- have dispensary licenses also, had it
3 before these.

4 Q I'm just talking about cultivators. If the
5 cultivators only got 53 percent of the licenses, then the fear
6 that you're talking about, even though you didn't,
7 respectfully, didn't win, didn't happen; right? Because the
8 majority didn't go to dispensary owners if 53 percent were
9 cultivators; right? Assuming what I'm saying is accurate.

10 A Assuming that what you say is accurate and assuming
11 that those people didn't file for different licenses,
12 applications under different licenses that are commonly owned
13 with dispensary owners.

14 Q Okay. Now, I want to talk about the application
15 period, application. Okay.

16 So you had a team of people to assist you with the
17 application; correct?

18 A We did.

19 Q You had Jay and his son David Brown as your legal
20 counsel; correct?

21 A Yes.

22 Q That's the same law firm that you used in the 2014
23 medical process; correct?

24 A It is.

25 Q You've also used Mr. Brown and his son for other

1 regulatory land-use and administrative matters; correct?

2 A We have.

3 Q And don't you agree, Mr. Brown he's been in Las Vegas
4 a very long time and is very well known?

5 A Especially down south. I don't know if he's as well
6 known in the north as he is down here, but, yes, he is very
7 well known.

8 Q Okay. And you like the fact that he had
9 relationships with counties, cities and various agencies, that
10 he's had experience in front of those bodies before; correct?

11 A I did.

12 Q And when you want some land use, for example, you
13 don't have any problem with him going and talking to a
14 commissioner or staff to, hey, this is our idea, what do you
15 think about it and, you know, get some feedback? You don't
16 have any problem with that; correct?

17 A No. Usually when he's done it with me I go in there
18 with him, so, yes.

19 Q In fact, you like it that he's connected, yeah?

20 A Oh, yeah.

21 Q Yeah. That's right.

22 Now, you were not happy with your application in
23 2014; correct?

24 A Correct.

25 Q And as you described it, your application for the

1 2018 round in your words was just okay; right?

2 A I thought it was much -- for '18, I thought we did
3 much better. We spent a lot more money on it. We hired the
4 best consultants we could find. And when I read it, I thought
5 it was a very good application before we got our scores back.

6 Q Okay.

7 Okay. Let's go to your -- I'm going to go to your
8 depo, publish your deposition which has been published. We're
9 going to go to page 102.

10 THE CLERK: It was published yesterday.

11 THE COURT: We need to get it too.

12 MR. PRINCE: Okay. Very good.

13 THE COURT: Brian. He nodded yes.

14 So, sir, again if you need to read above or below the
15 section he refers you to, please let us know.

16 MR. PRINCE: Okay. So, Brendan, start at line 8.
17 We're going to go through 23.

18 BY MR. PRINCE:

19 Q And the question was, sir, "And did it concern you
20 that there were discussions going on regarding the content of
21 the application the day before it was due?"

22 The answer was yes.

23 Do you see that, sir?

24 A Yes.

25 Q I mean, in fairness, you guys are still scrambling to

1 put this together the night before; right? Significant changes
2 are still being made to the application the night before it's
3 due; right?

4 A Well, we had received that morning or the night
5 before the digital version that they had put together by our
6 attorneys and consultants, and we went through it line by line
7 and found some areas that we wanted to be changed.

8 Q Right. It's because your lawyers got it to you late
9 that you were having to make those changes; right?

10 A I don't know about late. We got it in on time. It
11 was much less of a scramble this time than when we did medical.

12 Q Okay. Good --

13 A We were up till 4:00 o'clock in the morning --

14 Q Good enough.

15 A -- making copies for them.

16 Q And when we asked you do you believe that Dave Brown
17 did a good job with the preparation of the application, you
18 said, I would say, okay.

19 A Yeah.

20 Q That's how you described it. So a minute ago when I
21 said you described the application as being okay, those are
22 your words; right?

23 A No. You asked me how David Brown did.

24 Q Yeah.

25 A And I said, okay. The application I thought was

1 better than okay.

2 Q Right.

3 "And, you know, were there any particular areas that
4 you thought were deficient?"

5 "He had to write a change on it because of some
6 wording documents. I think he put our application for
7 North Las Vegas. He didn't put it in -- North in, and it
8 showed Las Vegas. So we actually got scored as three
9 applicants when we only had two."

10 Correct?

11 A Yes. I clarified that.

12 Q That's what you told us.

13 A Right.

14 Q And then --

15 A I confused those two issues where they scored our
16 Clark County one for Las Vegas.

17 Q They didn't score you in Clark. I can show you the
18 documents.

19 A I know they didn't score me in Clark, but that's what
20 the application was for with that address.

21 Q So the goal was just to submit two applications;
22 right?

23 A No. We always had three. Well, the third one was
24 added later for that Arville building.

25 Q Right. Okay.

1 A But I only really looked at two. North Las Vegas was
2 our main one. And you have to rank them. North Las Vegas was
3 our first choice. Reno was our second. And unincorporated
4 Clark was our third. I really didn't think I'd have a shot in
5 Clark because all you big guys were going after those Clark
6 County licenses.

7 Q Okay.

8 A And I know that's hard to compete against.

9 Q Okay. Now, you also had Ms. Sugden as your counsel
10 who assisted you in the application; right?

11 A I don't think Amy was very involved in it.

12 Q She's an owner of the company; right?

13 A She has a percentage of the company, yes.

14 Q Yeah. She's a 5 percent owner of your company?

15 A It's actually five shares.

16 Q Okay. Five shares.

17 A Uh-huh.

18 Q Okay. Let's go to your deposition, page 90.

19 A She did have to help by giving us a resume and all
20 that kind of stuff that was all put in there.

21 Q And if we look at, it says, "Any other members listed
22 here that may have been participating in the preparation of the
23 application for any other establishment that you're aware of?"

24 You in there said, "Amy Sugden may have participated
25 in the application with Brian Padgett, not that I'm -- but I'm

1 not aware of."

2 So she was involved with CW Nevada; right?

3 A Well, she worked for Brian Padgett at his law firm.

4 Q Right.

5 A I don't know that she had any relationship with CW
6 itself.

7 Q Right. And but you believe that Ms. Sugden, she was
8 also available to you as a member of your LLC to help you and
9 assist you with the application process?

10 A Yeah.

11 Q The lady who was just asking you questions today --
12 or yesterday?

13 A Yes.

14 Q Okay. You had Steve Cohen, who was a gaming
15 compliance regulatory lawyer; right?

16 A Yes.

17 Q Right? He also assisted you; correct?

18 A Again, he wasn't real involved in the application
19 process besides, you know, the part that every owner had to
20 send in on themselves, which means you had to be background
21 checked. You had to go get your fingerprints done. And then
22 they submitted their resumes with our application, yes.

23 Q Right. Now --

24 A And David Thomas is also an attorney who is one of
25 our partners.

1 Q Right.

2 A That owns --

3 Q He's also involved with ShowGrow; right?

4 A Pardon me?

5 Q Dave Thomas, is he also involved with ShowGrow?

6 A No, a different Dave Thomas.

7 Q Different Dave Thomas. Okay.

8 Now, you agree that your application showed that you
9 didn't have enough money for three dispensaries because you
10 only are planning on applying for two. You said that in your
11 deposition; correct?

12 A I don't recall saying that, but you've got the
13 records.

14 Q Right. Because you showed cash for two, not three;
15 correct?

16 A We showed 3.7 million, which I thought was enough for
17 three dispensaries.

18 Q Okay.

19 A Plus the cash flow from our business, which was
20 another couple million dollars a year and my personal
21 financials.

22 Q Right.

23 MR. PRINCE: And then let's look at page 103,
24 Brendan, lines 20 through 25.

25 / / /

1 BY MR. PRINCE:

2 Q And you said it cost you quite a number of points
3 talking about the error. You talked about you knew that the
4 location error on the application cost you points. You knew
5 that?

6 A Yes.

7 Q Okay. And it says, "Under our financials we showed
8 cash for two, and then they quoted it out as three. So that
9 brought it down as to the amount of cash we showed available."

10 Do you see that?

11 A I see that.

12 Q Right. That's what you told us in March of 2020;
13 correct?

14 A Yes.

15 Q Very good.

16 A And I did change that because once I --

17 Q Yeah.

18 A -- realized that I had forgot all about the third
19 application we put in.

20 Q Okay. And you could see how that would impact your
21 scoring; correct? Right?

22 A I guess. I don't know what criteria and who came up
23 with the criteria and what it takes.

24 Q Right.

25 A And what kind of cash you need to put in.

1 Q And as it relates --

2 A I mean, I could have given the company a letter of
3 credit for \$10 million, a personal letter of credit to them.
4 Would that would have been sufficient? I didn't think so.
5 That's not what's normally done. And since we can't use banks,
6 you can't use a bank letter of credit because a bank won't do
7 it if it's for the marijuana industry. It's that simple.

8 Q Okay.

9 A So you've got to show cash.

10 Q Got it. Now, with regard to the application process
11 itself, you agree that leading up to submitting the
12 applications your lawyers, Mr. Jay and Dave Brown, mostly Dave,
13 they contacted the Department and asked some questions; right?

14 A I assume they did, yes.

15 Q That's what you told us in your deposition; correct?

16 A I know they contacted them about the issue for an
17 address, and he wasn't comfortable with the information he got
18 back.

19 Q Right. The question was, they had regular
20 communication during the application process and asked
21 questions about the application; right? Your lawyers did?

22 A I assume so, yes.

23 Q That's what your understanding is; right?

24 A Yes.

25 Q Okay. And you -- if someone wanted clarification,

1 whether it be you, Amanda Connor on behalf of any of her
2 clients, it's -- you're not criticizing someone calling the
3 Department and asking a question to the extent they can answer;
4 right?

5 A Not at all.

6 Q Right?

7 A The only thing I would criticize would be every
8 question should have been made public to all of us so that
9 everybody could see the same answers that people got.

10 Q Well, didn't you tell me -- what evidence do you have
11 that when your lawyer spoke to the Department that that
12 information was made public?

13 MS. SUGDEN: Objection. Argumentative.

14 THE COURT: Overruled.

15 MR. PRINCE: Go ahead.

16 THE COURT: You can answer.

17 THE WITNESS: Can you repeat it again. I'm sorry.

18 BY MR. PRINCE:

19 Q Sure. Sure. You told us that your lawyers spoke
20 with, on a number of occasions, the Department of Taxation
21 regarding the application. Do you remember that a minute ago?

22 A I told you I assume they did, yes.

23 Q Right. And that's your understanding; correct?

24 A Yes.

25 Q Okay. You didn't demand that the Department as the

1 point of contact for a licensee, hey, you need to disseminate
2 what you spoke to Jay and Dave Brown about; right?

3 A I didn't say anything about that.

4 Q Right.

5 A I'm just telling you what's normally done in all the
6 other bidding practices I've done with the State.

7 Q Yeah. I know. I know you pride yourself on
8 compliance; right?

9 A Yes, I do.

10 Q So when your son offered Mr. Pupo a job, that was
11 also an error in his judgment, even making an off-the-cuff at
12 such a critical point in time; wouldn't you agree with that?

13 A It was a joke, and it was before the applications
14 were out. That was for the election when Jorge thought that
15 Laxalt might win. And Jorge just made a comment saying if
16 Laxalt wins I'm quitting, and I'm going to be looking for a
17 job.

18 Q Okay.

19 A And Nick need another off-the-cuff comment, well,
20 give me a call. I doubt Jorge was looking for a \$50,000 a year
21 compliance officer job in a cultivator.

22 Q Okay. Hang on a second. Let me get to your
23 deposition.

24 MR. PRINCE: Court's indulgence one second.

25 THE COURT: Sure.

1 MR. PRINCE: Got it.

2 THE WITNESS: See, this is the kind of attorney I
3 like, all that paper.

4 THE COURT: He's a bit old-fashioned.

5 THE WITNESS: I like that.

6 MR. PRINCE: Maybe one day you'll hire me.

7 THE WITNESS: No, mine is for storing your paper.

8 MR. PRINCE: All right.

9 THE COURT: Pull your mask back up, Mr. Prince.

10 Sorry.

11 MR. PRINCE: All right.

12 BY MR. PRINCE:

13 Q Now, let's look at page 74 of your deposition, sir.
14 And I want to start on line 6. It says, "Have you or anyone at
15 TT ever discussed offers of employment with existing or former
16 employees of the Department of Taxation?"

17 Answer, "I haven't, but my son has. He had one quick
18 little discussion with Jorge Pupo. Jorge told him that -- this
19 was before the applications came out -- that he would be
20 leaving the State soon. And Nick just told him, Well, hey, if
21 you need a job, I need a compliance officer, and that's the
22 only thing that they said."

23 "How do you know that conversation?"

24 "Nick told me about it almost immediately."

25 Right?

1 A Yes.

2 Q And it says, "That was before the applications were
3 submitted?"

4 "Yes."

5 Right?

6 A Yes.

7 Q And let's go to page 75. It says, "It was a little
8 while ago now. So I understand. But it was before the
9 applications were submitted?"

10 Answer, "Submitted, yes."

11 It says, "Did you have the applications in hand at
12 that point?"

13 "Possibly right around that time."

14 Do you see that?

15 A I see that.

16 Q So that's likely the summer of 2018, right, early
17 fall?

18 A When the election was going pretty heavy at that
19 time, that sounds about right.

20 Q That's right. And so your son, you agree, that given
21 in a competitive process, your son's, even in a joking manner
22 should not have offered the deputy director a job; right? You
23 agree that that's probably not the right thing to do?

24 A If he had offered a real job, you're right. But a
25 discussion like that is not a job offer.

1 Q Okay.

2 A When you offer for a job, it's got to be for a
3 position, a pay, benefits. None of that was ever made.

4 Q So if there was any loose discussion with Mr. Pupo
5 and anybody else, any other licensee that said, hey, if you're
6 ever looking for a job when you leave the State, just kind of a
7 small comment, you wouldn't be critical of that then either
8 because your son did it?

9 A Yeah. I would not be critical of it.

10 Q Very good. Now, just so we're clear, with regard to
11 Amanda Connor, you even thought about using Amanda Connor;
12 correct? For your --

13 A Thought about it, yes. She sent us a letter.
14 Actually our partner in our production office had used Connor &
15 Connor for a while when they were first going. And he had a
16 dispute with one of his partners, and they did use Derek
17 Connor.

18 Q Right. Right.

19 A I've been in there -- I've been in their conference
20 room; I've sat through meetings because of my partner, not
21 because of us. And, yeah, we thought about it. She was just a
22 little pricey for me.

23 Q Right. And you have no information of any kind that
24 Amanda Connor engaged in any improper behavior; correct?

25 A No. I think maybe Jorge had some improper behaviors.

1 He should not be going out to dinner with lawyers for the
2 people he's regulating and lunches. That's usually not allowed
3 in every regulated business I've been in.

4 Q I'm only talking about Amanda Connor. You have no
5 evidence that she engaged in any improper conduct; right?

6 A No, I have nothing.

7 Q I'm correct; right?

8 A Yes.

9 Q Okay. Very good. Now, you don't even have any
10 evidence that Mr. Pupo did anything wrong. You have some
11 speculation, but you don't have any evidence that he did
12 anything inappropriate; right?

13 A It's actually if you're the regulator, to go out in
14 social events and be taken out to dinner by your clients is
15 improper. And most of my industries we're not allowed to spend
16 \$25 on one of our regulators. Even taking them to lunch,
17 you're not allowed to do.

18 Q Right.

19 A In most cases, especially when you're dealing with
20 State employees. They have pretty firm regulations controlling
21 them of that.

22 Q Right.

23 A Look at the legislature right now. You can't go out
24 and take any of your legislators out either.

25 Q That wasn't my question.

1 A Okay.

2 Q My question is that you don't feel that -- you have
3 no facts or information that anyone in the Department did
4 anything -- I understand your criticism of having lunch, but
5 other than that, you have no facts or information that they
6 engaged in any illegal or inappropriate behavior; right?

7 A I have no facts of that, no.

8 Q That's right.

9 A Correct.

10 Q Okay. Now, you do business with Thrive; correct?

11 A I do.

12 Q And you agree, you've told us earlier that they are
13 one of the best operators; correct?

14 A They're one of the best operators in town, yes.

15 Q Right. You got no issues with them; right?

16 A Pardon me?

17 Q There's nothing that Thrive did or their
18 representatives did at all that you're aware of that is
19 inappropriate with this process; correct?

20 A I have no -- yeah, no idea of any.

21 Q Okay. Now, you indicated earlier that you were
22 involved with the ballot initiative; correct?

23 A Yes. I went to a few of the initial meetings, and I
24 put up money to help for the information campaign that they put
25 on to get it passed.

1 Q All right. Do you know John Ritter?

2 A I know who he is. I can't say I know John
3 personally.

4 Q Did you work with Mr. Ritter with regard to the
5 raising money for the ballot initiative?

6 A Yes. He was at these meetings when they were going
7 to all of us in the industry and asking for donations to help
8 fund the ballot initiative.

9 Q Right. Mr. Ritter was an active voice in raising
10 money for this ballot initiative; correct?

11 A I assume so. As I said, I couldn't pick him out in
12 this room to tell you the truth.

13 Q Understood. But you're certainly aware of who he is?

14 A I am.

15 Q Right. He's testified previously that --

16 MR. PRINCE: Brendan, Slide 36, please.

17 THE COURT: And we'll mark that as next in order.

18 THE CLERK: D20.

19 BY MR. PRINCE:

20 Q This is testimony of Mr. Ritter during the
21 preliminary injunction, and he's talking about raising money,
22 and it says we were raising about 2-to \$300,000 a week in
23 support of the initiative. Did he come to you asking for
24 fundraising?

25 MS. SUGDEN: Objection. Relevance.

1 THE COURT: Overruled.

2 BY MR. PRINCE:

3 Q Go ahead.

4 A I attended a meeting at the Las Vegas Country Club in
5 the rotunda where a lot of the license holders were at, and
6 yes, they came in and asked each one of us to put in a certain
7 amount of money to help the ballot initiative.

8 Q Did you do that?

9 A I did.

10 Q Very good. Now, are you aware that Mr. Ritter is a
11 founding member of the Nevada Dispensary Association?

12 A I am.

13 Q Okay. Are you also aware that he is very politically
14 connected in the State of Nevada? You're aware of that too;
15 right?

16 A I -- I am aware of that, yes.

17 Q Very good. And were you aware that Mr. Ritter was
18 the sole member from the industry on the governor's task force?

19 A I learned that during this hearing, yes.

20 Q Okay. Did you participate in any of the working
21 groups?

22 A No. I didn't even know they were going on most of
23 the times because if it was in LISTSERV, I read every one of
24 those, and I didn't see it.

25 Q Right. I'm just asking if you participated within

1 the working groups?

2 A No, I did not.

3 Q Do you know that Mr. Ritter, he chaired three of the
4 working groups?

5 A I've heard that at this hearing, yes.

6 Q Right. So obviously Mr. Ritter, he is well-connected
7 with the Department of Taxation and was very heavily involved
8 in the process from the beginning is my point; right?

9 A Okay. Yes.

10 Q Right. I mean, he is politically connected. He
11 raised the most money for the ballot initiative. You agree
12 with that; right? He did most of the fundraising?

13 A Well, it was a professional fundraiser there. Also,
14 there was a lot of people involved.

15 Q Very good.

16 A But, yes, he was involved.

17 Q Very good. The only member of the industry on the
18 task force, founding member of the NDA represented by Amanda
19 Connor, access to Jorge Pupo any time he wanted, and he didn't
20 win. Okay. He didn't win any license. What does that -- that
21 tells you the process was fair because the ultimate insider
22 like him didn't win; right?

23 A You would have to ask him. I don't know what his
24 application was or what he tried to do.

25 Q Right.

1 A So ask John.

2 Q Nick -- can you name --

3 A Get him on the stand.

4 Q You can't name one person --

5 THE COURT: You've got to let him finish.

6 MR. PRINCE: Understood, Judge. Sorry.

7 I apologize, sir.

8 THE COURT: Were you done, sir?

9 THE WITNESS: Yeah. All I was saying is if you've
10 got questions about John, put him up here and ask him the
11 questions.

12 MR. PRINCE: Oh, I'd love --

13 THE WITNESS: I don't know him. I don't know, you
14 know --

15 MR. PRINCE: Okay.

16 THE WITNESS: You know, I don't see any other clients
17 up here, but me. Maybe some more of those should have been up
18 here talking. All I hear is attorneys.

19 BY MR. PRINCE:

20 Q Okay. Now, with regard to Mr. Ritter, you don't
21 know -- you can't identify one person more connected to the
22 process in the Department of Taxation relating to cannabis than
23 Mr. Ritter, can you?

24 A Probably Amanda Connors (sic) is more connected than
25 he is.

1 Q All right.

2 A And I'm sorry. I'm blanking on her name, the lady
3 that's the head of the NDA.

4 Q Oh. Riana Durrett.

5 A Riana. Riana is -- we tried to get in for years, and
6 they don't allow cultivators in the NDA.

7 Q Right.

8 A So I know she's involved. She'll take money to help
9 lobby, but she won't let us in.

10 Q Right. And with regard to Amanda Connor, I mean,
11 you're aware that she represented TGIG. Are you aware of that?

12 A I wasn't, but okay.

13 Q Okay. They didn't when.

14 CW Nevada, you're aware of CW Nevada; right?

15 A I knew Brian Padgett, yes.

16 Q Right. Because Amy Sugden was his law partner?

17 A Yes.

18 Q And are you aware that CW Nevada was represented by
19 Amanda Connor, and they didn't when either?

20 A I have no idea about that.

21 Q All right.

22 A I assume by that point he was not going to be able to
23 even apply since he owed so much money to the State.

24 Q Right.

25 THE COURT: Well, they hadn't done the disciplinary

1 hearing. It took two years to set.

2 MR. PRINCE: Exactly.

3 THE WITNESS: Oh, okay.

4 THE COURT: Don't get me started.

5 THE WITNESS: That's right. You're involved in that.
6 So you know more than I do.

7 THE COURT: No, no. I'm not really involved. I'm
8 just the Judge.

9 Mr. Shevorski is blushing because he had to get it
10 fixed for me when I got too tired of it.

11 THE WITNESS: Yeah, I just heard the rumors out on
12 the street about that.

13 MR. SHEVORSKI: Sore subject, Your Honor.

14 MR. PRINCE: Good enough.

15 MS. SUGDEN: Tell me about it.

16 BY MR. PRINCE:

17 Q Now, with regard to the location issue, okay. Jorge
18 told you there was going to be no scoring for location. You
19 learned that from him; right?

20 A No. Supposedly our attorneys talked to him about
21 that, and they weren't comfortable with the answer, and I don't
22 know if they talked to Jorge or they talked to Damon or they
23 talk to Ms. Cronkhite. I'm not sure who he talked to about it.
24 But he wasn't comfortable, and that's why we made sure we put a
25 location down for every one.

1 Q Okay.

2 A That we planned on using, not just a mailbox.

3 Q Right. And so you're not -- with regard to the task
4 force, have you ever read the task force report?

5 A No.

6 Q Okay. Do you know if your lawyers have?

7 A I don't know.

8 MR. PRINCE: Okay. Let's look at 3,000, Brendan,
9 Bate Number 29. If we look at the first, the application
10 process, Brendan. Second sentence.

11 BY MR. PRINCE:

12 Q Mr. Puliz, I'm showing you a document from the State
13 of Nevada task force, the governor's task force relating to
14 marijuana. And talking about the application process, I want
15 to direct you to the second sentence. It says,

16 The Department of Taxation should rank
17 the applicants based on the applicant's
18 qualification without respect to the planned
19 location of their business.

20 Do you see that?

21 A I do.

22 Q That's what came out of those working groups, and
23 this one was headed by Mr. Ritter. So he knew, right, that
24 they weren't going to score location. You just didn't know?

25 A Right. We didn't know, and --

1 Q Okay.

2 A And from what I understand, the law is pretty clear
3 on you had to have a location.

4 Q Right. I'm not talking about the location. There
5 was not going to be -- you knew the law said that there was
6 going to be no points for the location given; right, either for
7 or against?

8 A I wasn't aware of that.

9 Q Okay.

10 A I assume.

11 Q Right. So let's look at the next section, rating
12 criteria on the applications, again part of the application
13 licensing working group headed by Mr. Ritter. It says,

14 The task force recommends that the
15 impartial numerically scored process used by
16 the medical marijuana program be revised for
17 retail to remove consideration of location
18 and focus only on the applicant
19 qualifications for operation of a marijuana
20 establishment.

21 Do you see that?

22 A I do.

23 Q That's the industry speaking, right, that that's how
24 they wanted it?

25 A I don't know. I wasn't at that task force. So I

1 have no idea the discussions that went into coming up with
2 these rules.

3 Q Well, you see it now; right?

4 A Yes, I do.

5 Q Okay. And so if there's no score for location, I
6 understand you picked a location you thought might be
7 appropriate, and other people didn't, including Mr. Ritter.
8 Okay. They just picked a UPS store?

9 A I don't know that, but, okay.

10 Q Okay. Fair enough. If there's no points given or
11 taken away, then everybody, at least as it relates to location,
12 is generally speaking on a level playing field; is that right,
13 since it's not scored?

14 A I don't know how, yeah. I don't know how they could
15 do that.

16 Q Right.

17 A You had to at least put a jurisdiction in, and you
18 should have -- I mean, I understood why they tried -- I know
19 what Mr. Ritter was trying to do. He didn't want applications
20 so your client would have to go out and lease six locations
21 before the application process to know if you were going to use
22 them. Because we did that for medical, and it was very
23 expensive for a lot of us to put money down on properties that
24 you might not even be able to use.

25 Q And so --

1 A So I understand why they did it.

2 Q And so they learned from the medical process coming
3 into the retail regulations that the focus was going to be on
4 the applicant and not the location as part of the conditional
5 license grant. That's what you understand now; right?

6 A Well, I understand that's what they thought, yes.

7 Q Yeah, I got it. And with regard to if no points are
8 given or subtracted for the location, then no one is either
9 better off or worse off. Don't you agree with that?

10 A No. Because you actually have to be able to show --
11 they asked for all kinds of things about your location --

12 Q I'm only talking about scoring.

13 A -- and your community --

14 THE COURT: Mr. Prince --

15 THE WITNESS: -- and the community --

16 THE COURT: -- you've got to let him finish.

17 THE WITNESS: -- and the community involvement around
18 it and how you were going to affect your community of where you
19 were going to build. That's the problem. They put a lot of
20 the stuff in from medical that had very much to do with where
21 your location was. It just was wrong from the start.

22 BY MR. PRINCE:

23 Q Okay. And as on the issue kind of on that issue of
24 location, you know that your lawyers called the Department, and
25 Mr. Pupo or someone within the Department told them location

1 was not going to be scored; correct?

2 A I don't know that. You'd have to ask David what his
3 discussions with them were.

4 Q Okay. And you felt the area was, in your words,
5 gray? On location, you felt the issue was a gray area?

6 A Yes.

7 Q Right. That's what you've told us; right?

8 A Yes.

9 Q Okay. If you could go to page 168 of your
10 deposition, sir. Please start at line 8 -- actually, I'm going
11 to go to 11:

12 "Did you not understand something in the requirements
13 that you contacted the Department of Taxation about?"

14 Answer, "We did a couple of times, and our attorney
15 did, and it was gray, depending on who you talk to and about
16 what. That's why we decided to include it."

17 "So it's your testimony that your attorney did
18 contact the Department of Taxation about location?"

19 Answer, "I believe so."

20 Right?

21 A I believe so. I don't know.

22 Q Right here. There's the rest of your testimony.

23 A Remember --

24 Q Go all the way to the end there.

25 A -- it's a secondary conversation.

1 Q Yeah.

2 A Because what they talked to them, and then I asked
3 them, and...

4 Q Right. And the point is that they did call and talk
5 about location; right? You knew that?

6 A I don't know that. I assume they did since we
7 discussed --

8 Q Right. That's what you believed based on your
9 discussions with your lawyers?

10 A Right.

11 Q Right. They led you to believe that, that they
12 called?

13 A They led me to believe that they had knowledge. I
14 don't know if they ever talked to Jorge. I can't tell you
15 that. I don't know if they talked to Ms. Cronkhite or they
16 talked to Damon. I don't know. I know Nick has talked to a
17 lot of them about it.

18 Q Oh. So your son talked to your lawyers about the
19 location issue during the process?

20 A He was part of it, yes.

21 Q Okay. Very good.

22 MR. PRINCE: I'm almost done, Judge. Give me one
23 second.

24 THE COURT: Yeah, right.

25 / / /

1 BY MR. PRINCE:

2 Q And you have no facts or information that anyone from
3 Thrive or any other applicant for that matter improperly
4 influenced Jorge Pupo during the application process; correct?

5 A I have no evidence of that. Correct.

6 Q And you have no evidence that the State did not use
7 the same scoring system for all applications; correct?

8 A I would have no knowledge how the State did that.

9 MR. PRINCE: Your Honor, thank you. I have no
10 additional questions for Mr. Puliz.

11 THE COURT: Thank you. Could you wipe down the
12 lectern area, please, Mr. Prince.

13 Who's next?

14 Mr. Smith.

15 So are you doing okay, or do you need a break?

16 THE WITNESS: I'm fine. I'm an old trucker. I can
17 sit in a chair for a long time.

18 THE COURT: Not me. I'll stand up and move around.
19 Don't take offense. It's just...

20 CROSS-EXAMINATION

21 BY MR. J. SMITH:

22 Q Good morning, Mr. Puliz. How are you?

23 A Good.

24 Q Mr. Prince and Mr. Koch were pretty comprehensive.
25 So I just have a few follow-ups. All right?

JD Reporting, Inc.

1 A I'm sorry. And who are you?

2 Q Jordan Smith. I represent the Essence entities.

3 A Oh. Thank you.

4 Q So currently THC does not have a dispensary; correct?

5 A Correct.

6 Q So currently THC has no market share in Nevada's
7 retail marijuana dispensary market; correct?

8 A Correct.

9 Q And that's the same amount, zero, that THC had in the
10 dispensary market before December of 2018; correct?

11 A Correct.

12 Q And it's the same amount you have today; correct?

13 A Correct.

14 Q So the licensing process didn't cause THC to lose any
15 market share; correct? In the dispensary market; correct?

16 A Well, only from your client who blackballed us after
17 we spoke up against the regulations.

18 Q After you sued him; right?

19 A No, no.

20 Q Okay.

21 A No. No. Way before that.

22 Q But I'm focusing, sir --

23 A When we spoke up at the hearing.

24 THE COURT: Mr. Smith.

25 MR. J. SMITH: All right.

1 THE COURT: You know you need to let the witness
2 finish. My record is a mess if you don't.

3 MR. J. SMITH: I apologize.

4 BY MR. J. SMITH:

5 Q Go ahead, sir.

6 A All I was just saying is we got blackballed after we
7 spoke up at the tax bureau meeting and the legislative hearing
8 for the new regulations. That's when we got blackballed.

9 Q And it wasn't because you sued them?

10 A Pardon me?

11 Q It wasn't because you sued him? The Essence
12 entities?

13 A No. That happened a year later.

14 Q Okay. I'm talking -- I want to focus on market
15 share. Okay?

16 A Okay.

17 Q THC has no market share in Nevada's retail dispensary
18 market; correct?

19 A Correct.

20 Q So the licensing process didn't cause THC to lose any
21 market share in the retail dispensary market; correct?

22 A Correct.

23 Q Because you knew going into the application process
24 nobody was guaranteed any market share or a license; correct?

25 A Correct.

1 Q So you didn't know whether going into this State's
2 process whether you're going to get a license or get any market
3 share; correct?

4 A Correct.

5 Q And that's true under any other process; correct?

6 A Correct.

7 Q So if the State were to adopt a different process,
8 there's no guarantee THC would have received a license;
9 correct?

10 A Correct.

11 Q And you participated in the governor's task force
12 assigned to work on the 2018 application process; correct?

13 A I was what?

14 Q You participated in the governor's task force that
15 was talking about the 2018 application process; correct?

16 A No.

17 Q You went to two meetings, didn't you, sir?

18 A Yes. But that wasn't part of the task force. I was
19 at the actual hearings in front of the Tax Commission and then
20 the interim legislative committee for adopting those
21 regulations into law.

22 Q Okay. And at those meetings, you expressed concern
23 about the whole application and regulations that were being put
24 together, didn't you?

25 A I did.

1 Q And you protested the ranking criteria too?

2 A I did.

3 Q And you protested the wording for the applications,
4 didn't you?

5 A I did. Because it seemed to be very much in favor of
6 existing dispensary owners making it very difficult for
7 nondispensary owners to compete.

8 Q That's right.

9 MR. J. SMITH: And, Brian, if you'd pull up 1766 for
10 me.

11 BY MR. J. SMITH:

12 Q And this is the legislative commission meeting that
13 you attended; correct?

14 A Correct.

15 Q And it was in February of 2018; right?

16 A Correct.

17 MR. J. SMITH: And, Brian, turn to page 5.

18 BY MR. J. SMITH:

19 Q And again, as we went over yesterday, you expressed
20 concerns about the scoring method used to obtain a dispensary
21 license; correct?

22 A Correct.

23 Q And your partner Mr. Cohen, he also expressed
24 concerns about ambiguities in the dispensary application
25 process; correct?

1 A Correct.

2 Q And the potential litigation; correct?

3 A Correct.

4 Q So at least as of February of 2018, you and your
5 attorney Mr. Cohen predicted that we'd be here in a lawsuit
6 today; correct?

7 A I didn't, but Mr. Cohen, because he's in the
8 regulatory business, that is his business, thought that the way
9 this was set up that it possibly could cause litigation.

10 Q That's right. And you, in fact, discussed with him
11 the possibility of filing a lawsuit before the application
12 deadline, but you decided not to; correct?

13 A We never -- I don't file lawsuits. This is the, as I
14 said, this is the first one I ever filed.

15 Q But my question is different. You discussed the
16 possibility of filing a lawsuit about these issues before the
17 application deadline; correct?

18 A We discussed it, yes.

19 Q And you decided not to file suit; correct?

20 A Right.

21 Q And instead you wanted to see if you won a license
22 before you decided to challenge the process; correct?

23 A Well, we wanted to see what the application was going
24 to look like. Remember, even at this meeting, they didn't tell
25 us what the scores were going to be for what sections. So it's

1 really hard to determine how many points you're going to get or
2 lose without knowing what the points were going to be.

3 Q Sure.

4 A And at that point, they didn't have that detailed
5 when they had the regulations passed.

6 Q Sure. But once you saw the application, you didn't
7 file suit then either --

8 A No.

9 Q -- before actually submitting it; right?

10 A No.

11 Q So you wanted to see if you'd won before you filed
12 suit; correct?

13 A I wanted to see how the process went. I didn't file
14 the suit the last time when I lost. I wanted to see what it
15 looked like the process was, and --

16 Q So you wanted to see the outcome before you decided
17 to file suit; correct?

18 A Well, when it went against what Jorge had told me he
19 was going to do in his meeting with Deonne Contine, that's when
20 I decided that we needed to join with other defendants (sic)
21 and file suit.

22 Q And you didn't sue beforehand even though you were
23 going to spend substantial sums to do the application; correct?

24 A Correct.

25 Q And you knew other applicants were spending

1 substantial sums on their applications; correct?

2 A Correct.

3 Q And you knew the State was spending substantial
4 resources and time and manpower preparing for the process;
5 correct?

6 A Correct.

7 Q So you knew all those things, and you still didn't
8 file suit despite the concerns you had before the application
9 deadline; correct?

10 A Correct.

11 MR. J. SMITH: Brian, pull up 1014 for me.

12 BY MR. J. SMITH:

13 Q And so you submitted three applications. We can
14 agree on that today that you submitted three; right?

15 A Correct.

16 Q In North Las Vegas, Reno, and the City of Las Vegas;
17 correct?

18 A It was actually Clark County unincorporated, but it
19 wasn't scored that way. So it was scored for City of Las
20 Vegas, yes.

21 Q Yeah. Your application had a mistake about the
22 jurisdiction; right?

23 A Somewhere, yes.

24 Q Okay. And so you submitted three applications? Even
25 though Mr. Pupo allegedly told you that he was only going to

1 award one or two, you submitted three; correct?

2 A Yeah. And as I said, that's why I forgot about our
3 Arville location. Because we added it probably later into the
4 process than the other two because I really didn't think we had
5 a chance. But for a \$5,000 filing fee, it was worth adding it
6 in because we had done all the other work to get it done.

7 Q So notwithstanding what Mr. Pupo told you, you still
8 went ahead and submitted three applications --

9 A I did.

10 Q -- correct?

11 And again you only applied in those three
12 jurisdictions. You didn't apply in any others; correct?

13 A Correct.

14 MR. J. SMITH: Brian, go to page 6 of 1014.

15 BY MR. J. SMITH:

16 Q Do you see, sir -- take a moment to familiarize
17 yourself with this page.

18 Do you see, sir, where TRNV was awarded licenses in
19 Lyon, Mineral, Nye, Pershing, Storey and White Pine? Do you
20 see that?

21 A I see that.

22 Q And you didn't apply in any of those jurisdictions;
23 correct?

24 A No. I don't think any of these guys will actually
25 open in those jurisdictions. I think they're hoping to get the

1 State to let them to move them because most of those areas --
2 I'm very familiar with them; remember, I was raised in Northern
3 Nevada and have businesses there -- there's not enough
4 population to support a dispensary.

5 You can go to Lovelock in Pershing County, and
6 there's an Indian dispensary there, and that can't even survive
7 in a town of 4,000 or 5,000 people. Real difficult to actually
8 put a dispensary in a lot of these counties.

9 Q Sure. But the fact that TRNV was awarded multiple
10 licenses in counties in which you didn't apply, that didn't
11 affect THC; correct?

12 A No.

13 Q And you didn't apply in Sparks either; correct?

14 A I did not.

15 MR. J. SMITH: And, Brian, turn to page 7.

16 BY MR. J. SMITH:

17 Q These are the Reno results, aren't they, sir?

18 A (No audible response.)

19 Q And you scored -- THC scored 32nd in Reno; correct?

20 A I think that's what it says there, yes. I'm not sure
21 who Canna Vibe is. I don't know what that name is or where you
22 got it.

23 Q I'm sorry?

24 A It says THC Nevada, Canna Vibe. We're not Canna
25 Vibe. I don't know who that name is.

1 Q You don't know whether that was on your application,
2 do you?

3 A It's not on our application.

4 Q You don't know whether that was on your application,
5 do you?

6 A It's not on our application. I don't know why it's
7 on there. That list that -- we're not Canna Vibe.

8 Q Okay. We'll go over your application here in a
9 second.

10 You have not seen any of the winners -- you have not
11 seen any of the winners' unredacted applications; correct?

12 A I have not.

13 Q So you don't know why they received the scores that
14 they received; correct?

15 A I do not.

16 Q You don't know if the location requirement is the
17 reason they won; correct?

18 A I do not.

19 Q You don't know if the 5 percent rule is the reason
20 they won; correct?

21 A I don't know what the 5 percent rule is.

22 Q Fair enough. You don't know if the diversity score
23 was the reason any of the winners won; correct?

24 A I have not seen their applications. So I do not
25 know.

1 Q You don't know if their ownership structure is the
2 reason they won; correct?

3 A I do not know.

4 Q And the same is true for your application with those
5 things I listed, location, 5 percent, diversity or ownership?
6 You don't know if any of those reasons was the particular
7 reason THC did not win a license; correct?

8 A No. Our biggest one was under the organizational
9 that we got hurt the most, and then there were some other
10 problems with some other scores.

11 Q But you don't know if any particular reason was the
12 reason that THC did not get a license; correct?

13 A The reason we didn't get one because our score was
14 too low. I know that reason.

15 Q But you don't know how many particular points you
16 should have gotten in any one category; correct?

17 A I do not.

18 MR. J. SMITH: Brian, pull up Joint Exhibit 12 for
19 me.

20 BY MR. J. SMITH:

21 Q Sir, do you recognize this document?

22 A It's blank. It says, Attorneys' eyes only.

23 MR. J. SMITH: All right. Brian, go to the next
24 page. Next page. Next page.

25 / / /

1 BY MR. J. SMITH:

2 Q So do you recognize this document at all, sir?

3 A It says Application Information.

4 Q You would agree with me that these redactions make it
5 hard for us and the Court to tell what it is or whether it's
6 even complete; right?

7 A Yeah. I have no idea why they're redacted. So I'm
8 not an attorney. I would think it's all public information
9 since it was filed with the State.

10 Q So if I represent to you, sir, this is actually THC's
11 application, okay, just to give you a frame of reference,
12 earlier I think you testified that you're pretty sure you had a
13 budget in there, notwithstanding what a grader might have said;
14 right?

15 A Right.

16 Q But you would agree with me these redactions make it
17 hard to confirm whether you did actually have a budget in
18 there; correct?

19 A I don't know how we would confirm it. I can look at
20 our documentation and pull it up and see. I don't have it with
21 me.

22 Q And are you aware, sir, that there were two versions
23 of the application, a revised version and then the original
24 version? Are you aware of that?

25 A Right. We filed under the revision, the original

1 application is what I've been told.

2 Q Do you know which version that THC submitted?

3 A The first one, the original one. There was no
4 revised, or I didn't even know there was a revised application.

5 MR. J. SMITH: Brian, can you stay on this document
6 and go to page 855 for me. And then split screen that and go
7 to 1006, page 29. Now, on the first one, Brian, go to page 855
8 on Exhibit 12, Brian, 855.

9 Okay. Can you split -- can you keep it on this and
10 then split screen it with 1006, page 29? Can you do that?

11 BY MR. J. SMITH:

12 Q Those look to be the same form, don't they, sir?

13 A Seem to be.

14 Q And the one on the right side of the screen,
15 Exhibit 1,006 I'll represent to you is the revised application.
16 So it appears THC used the revised application, not the
17 original one; correct?

18 A I don't know.

19 Q If it is, in fact, the revised application, the
20 change in application or the revision didn't affect THC;
21 correct?

22 A Not on this single page. I'd have to look at every
23 page to see if there's differences. This doesn't tell me.
24 This tells me one page.

25 Q But the instructions as far as location on these two

1 pages didn't affect THC; correct?

2 A Oh, no. We had addresses and put them in. They were
3 not PO boxes or mailing addresses.

4 Q But your first address in North Las Vegas was for
5 your cultivation facility; correct?

6 A It was a part of that facility for our dispensary.
7 That's where it was all designed and showed in our architecture
8 on how they were going to do it.

9 Q And you leased that from family members; correct?

10 A Yes.

11 Q But you didn't include in your application any
12 special permission to operate a dispensary there; correct?

13 A I have the letter from my brother saying that he
14 didn't have an issue. We would rent the whole building. So
15 it's all ours to do what we want.

16 Q But you don't know if that letter made it into your
17 application; correct?

18 A I don't know.

19 Q And --

20 A I don't know if we needed one since we had the lease
21 for the whole building. So I don't know what else I would've
22 needed actually.

23 Q So you don't know if you needed any special
24 permission to operate a dispensary; correct?

25 A I did not because we have a triple net lease where we

1 control the building.

2 Q And your Reno location, again, that was just raw land
3 that you didn't own; correct? THC didn't own; correct?

4 A Right.

5 Q And so you didn't include any lease or permission
6 from the landowner to operate a dispensary for that property in
7 your application; correct?

8 A No. One of my partners was in the process of talking
9 to them about purchasing it.

10 Q And the same is true for your unincorporated or Las
11 Vegas property; correct?

12 A I own that building. Me and my brother and sister
13 own that building.

14 Q But did you include any information about that in
15 your application?

16 A We did.

17 Q But we'd have to have an unredacted version to
18 confirm that; correct?

19 A I guess.

20 Q And you testified you didn't have or you scored --
21 you in your opinion you scored poorly on the organizational
22 part because you didn't know you had to have descriptions;
23 correct?

24 A Detailed descriptions, yes.

25 Q Right. I think you said the application didn't say

1 to give detail on what each person did; correct?

2 A Correct. But then when you looked at what the
3 scorers box said below, they told the scorers to look for
4 details. We were never told that.

5 Q And if it had said a description, I think you
6 testified it would be simple to get max points if the
7 application told you that; correct?

8 A That was one of the easier questions on the
9 application.

10 MR. J. SMITH: Brian, can you, on Exhibit 12, can you
11 go to page 706.

12 BY MR. J. SMITH:

13 Q And you see that middle box, sir, where it says
14 describe the individual's role? Do you see that?

15 A Yes.

16 Q It says, describe the individual's role -- title,
17 role in the organization and the responsibilities of the
18 position of the individual; correct?

19 A Correct.

20 Q So the application did say to give detail on what
21 each person was going to do; correct?

22 A Yeah. I don't recall seeing that. But, okay. This
23 is what this says, yes.

24 Q And you would agree with me just writing investor
25 doesn't really provide a description of what, if anything, the

1 individual's going to do; correct?

2 A No. But that's what they did. She didn't have an
3 active role in the management or operation of the cultivation,
4 if you're looking at Ms. Sugden's.

5 Q But the State would only know that if you explain
6 that; correct?

7 A Well, we told them that. They were an investor.

8 Q In one word you explained it; correct?

9 A What else would you call it? I'm sorry. I don't ask
10 questions, but, yes.

11 THE COURT: Thank you.

12 BY MR. J. SMITH:

13 Q And I believe you testified that THC self-reported a
14 couple incidents; correct?

15 A Over the last four years, yes.

16 Q And the purpose of self-reporting in part, because
17 you expected either no penalty or a lesser penalty because you
18 self-reported; correct?

19 A I don't think the penalty was ever consciously on our
20 mind. We just knew the rules and regulation. When we found
21 something you had to notify the State of it.

22 Q Well, it wouldn't surprise you if there was a lesser
23 penalty or no penalty in situations where there was a
24 self-reporting scenario; correct?

25 A I don't know that.

1 Q Well --

2 A Usually those are pretty well set in writing. And
3 I'm sorry I haven't read the penalties and their regulation and
4 how they charge them, how the State handles that. So I can't
5 really tell you.

6 Q And what I'm getting at here, sir, is it wouldn't
7 surprise you that the State imposed a heavier penalty on THC
8 for the forged document, or however we want to describe that --

9 A It's not a forged document. Okay.

10 Q Well, whatever, however you want to describe it,
11 adding a word when it wasn't their form, however you want to
12 characterize it, that wouldn't surprise you that THC received a
13 civil fine for that when they didn't self-report doing so
14 compared to the Essence entities who did self-report a couple
15 incidents; correct?

16 A It depends what --

17 Q That differential in treatment wouldn't surprise you;
18 right?

19 A It depends on what the incident is. Remember, this
20 was not an incident that had anything to do with our
21 cultivation. It was strictly on a separate application. So we
22 got for a distribution license. So, yes, we got penalized for
23 that and disallowed for a distribution license.

24 If it would have been something to do with our
25 cultivation or in the case of someone that sold pot to a minor,

1 that's a whole different attitude to look at than it is to look
2 at a separate application. And because I was disallowed and
3 not allowed, they canceled my application for a distribution
4 license. I don't think I've heard that happened to anybody
5 else here that had other issues with the State, self-reported
6 or not.

7 Q Have you heard of anybody else sending a forged or
8 changed document to the State before? Have you heard any --

9 A It wasn't forged.

10 Q Have you heard of anybody else doing --

11 A I would have no way --

12 Q -- doing a similar thing?

13 A -- no, way of knowing that.

14 MR. J. SMITH: Okay. Brian, on 12 can you go to 684.

15 BY MR. J. SMITH:

16 Q This is THC's organizational chart, isn't it, sir?

17 A It is.

18 Q THC didn't have an advisory board prior to its 2018
19 application; right?

20 A Correct.

21 Q The board was created just for purposes of the
22 application; right?

23 A Yes. We needed that additional knowledge and help
24 for showing we had experience to do dispensaries.

25 Q And you added Mr. Andre Rhodes?

1 A Yes.

2 Q To the advisory board; correct?

3 A Yes.

4 Q In addition to his experience, one of the reasons you
5 wanted to add him was for diversity purposes; correct?

6 A No.

7 MR. J. SMITH: Brian, do you want to pull up
8 Mr. Puliz's deposition, page 82. Starting at line 24, and then
9 it goes on to page 83, Brian.

10 BY MR. J. SMITH:

11 Q Do you see where you were asked, sir --

12 MR. J. SMITH: Go back up one more question, Brian.

13 BY MR. J. SMITH:

14 Q -- "Okay. Were there any other considerations to
15 having Andre on for financial or any other reasons?"

16 "No."

17 Question, "Diversity reasons, is that one of the
18 considerations?"

19 And your answer was, "It was a consideration, yes."

20 Do you see that?

21 A I do.

22 Q So one of the reasons you add -- you added Mr. Rhodes
23 is for diversity points or purposes; correct?

24 A It was an added benefit. We needed him for his
25 knowledge of operating a dispensary. That's why we hired him.

1 Him being African-American was strictly a coincidental benefit.

2 Q Right. And it's your opinion there's nothing wrong
3 with adding him for diversity points because the application
4 allowed to get more points; correct?

5 A Not correct. We added him because of his knowledge
6 of operating dispensaries, not because he gave us diversity
7 points.

8 Q Right. And I'm not saying it was the sole reason,
9 sir.

10 A No.

11 Q But an added benefit, as you characterize it; right?

12 A It was an added benefit.

13 Q And there's nothing wrong with people adding diverse
14 members to their organizations, be it through a board or
15 otherwise, to get additional points because the rules allowed
16 for it; right?

17 A As long as they brought additional benefit to the
18 company is how I would look at it. But I wasn't the scorer.

19 MR. J. SMITH: Brian, go to page 149 of Mr. Puliz's
20 depo, please -- actually, 148, starting at line 20.

21 BY MR. J. SMITH:

22 Q Do you see where he said -- and you were asked, "And
23 the hope was that the application would be improved by having
24 an advisory board, and they would provide experience and
25 diversity for THC?"

1 Your answer was, "That's correct."

2 Do you see that?

3 A Yes.

4 Q And then you were asked, "Okay. And you believe that
5 was the proper thing to do?"

6 And your answer, "The way the application -- the way
7 they set up -- set the application up, it was. I don't believe
8 it's the proper thing to do, but it's the way the -- it's the
9 way they set the regulations."

10 Do you see that?

11 A Yes.

12 Q So again, even though you think adding a person
13 solely for purposes of diversity might be improper, it's the
14 way the regulations were set up; correct?

15 A It was the way the application was set up. I don't
16 know if the regulations actually showed it that way. It's
17 supposed to be for your employees and people that added benefit
18 to your company. But that's obviously how they did it, yes.

19 MR. J. SMITH: And, Brian, back to Exhibit 12,
20 page 684, please.

21 BY MR. J. SMITH:

22 Q Now, do you see on that top row, sir, there's an
23 entity called Guvan [phonetic] Properties. Do you see that?

24 A I'm sorry. I didn't understand you.

25 Q On that top row there, do you see an entity called

1 Guvan Properties?

2 A GVAN Properties [phonetic], yes.

3 Q GVAN. Sorry. I didn't know that's how you pronounce
4 it. I apologize.

5 And that's how you hold your ownership interest;
6 correct?

7 A Yeah. I transferred it at the beginning of 2018.
8 It's more of a family trust. It's me and my three children.
9 So I moved my ownership into that.

10 Q So prior to that entity, you held your ownership in a
11 trust; correct?

12 A No, individually in my name.

13 Q But do you currently have a trust, sir?

14 A I do.

15 Q And has the State or Department of Tax ever asked you
16 to disclose the beneficiaries of your trust?

17 A I don't know why they would because the ownership
18 wasn't in my trust.

19 MR. J. SMITH: Brian, can you go to page 85 of
20 Mr. Puliz's deposition. Just for some clarification, starting
21 at line 12.

22 BY MR. J. SMITH:

23 Q Do you see the question there, sir, and then you
24 responded, "GVAN Properties was changed six months or so before
25 that. That was all my shares that I put into a trust into an

1 LLC and brought it -- and brought my kids into it."

2 So I'm just confused, sir. Did you ever own it or
3 hold any of your THC ownership interest in the trust?

4 A My trust did not have any of my THC interest.

5 Q Okay. But --

6 A It was all in my name directly.

7 Q Okay. But you've never disclosed any of the
8 beneficiaries of your trust to the State; correct?

9 A No, not that I know of.

10 Q The State has never asked?

11 A Never asked. When we apply, as in here,
12 GVAN Properties, we disclosed every owner, which are my three
13 children that you'll see under that box showing the owners of
14 GVAN Properties.

15 Q And was there an ownership -- a transfer of ownership
16 interest pending when you submitted your 2018 application?

17 A I don't remember. Probably Steve Cohen had five
18 shares in our company. I had purchased them from him because
19 he had to divest all ownership in the marijuana industry to sit
20 on the gaming commission. And so I did purchase. That's in my
21 name directly. It's not part of my GVAN partnership.

22 Q And do you know whether your application represented
23 that state of affairs at the time you submitted it or the
24 anticipated state of affairs after that transfer went through?
25 Do you know?

1 A I don't know. I'd have to look. Those times are
2 pretty close in there. So I'm not sure that -- ours was
3 approved pretty quickly. So it was probably already shown the
4 transfer was done when we did this because I think -- I don't
5 know. I would have to look.

6 Q You just don't know; right?

7 A I just don't know off the top of my head.

8 MR. J. SMITH: Court's indulgence one second.

9 THE COURT: Sure.

10 MR. J. SMITH: I'll pass the witness.

11 Thank you, sir.

12 THE WITNESS: Thank you.

13 THE COURT: Thank you. Can you wipe down the lectern
14 area.

15 MS. SUGDEN: Your Honor.

16 THE COURT: Yes.

17 MS. SUGDEN: I'm very sorry. Can we take a break?

18 THE COURT: Yes. We're going to take a 10-minute
19 recess.

20 MS. SUGDEN: Thank you. I don't have the trucker --

21 THE COURT: It's all right.

22 (Proceedings recessed at 10:14 a.m. until 10:21 a.m.)

23 THE COURT: All right, Ms. Levin. We're ready.

24 MS. LEVIN: Thank you.

25 CROSS-EXAMINATION

1 BY MS. LEVIN:

2 Q Good morning, Mr. Puliz.

3 A Good morning.

4 Q How are you?

5 A Good.

6 Q Well, you've talked a few times about this zoning
7 approval letter from the City of North Las Vegas. Remember
8 that?

9 A I do.

10 Q And you said a few times that that was not a forged
11 letter, okay. You said a few times it was not forged; correct?

12 A Right.

13 Q Okay. So let's just be clear for the record and the
14 Court what happened here. THC had a zoning approval letter for
15 a cultivation letter -- license; is that correct?

16 A No.

17 Q It had no zoning approval letter at all from the City
18 of North Las Vegas; is that correct?

19 A For a dispensary, correct.

20 Q Okay. So your son took a Word document that had an
21 electronic signature of the planning assistant for North Las
22 Vegas, Ms. Dodson; is that correct?

23 A Yes.

24 Q And he then inserted the word "distribution" into
25 that Word document and used it to obtain a so-called approval

1 letter that had both a distribution and a cultivation approval
2 letter; correct?

3 A For distribution, yes.

4 Q So can we all agree that your son altered a document?

5 A Completely. That's why I accepted the fine and paid
6 it.

7 Q Okay. And that's called forgery; correct?

8 MS. SUGDEN: Objection. Legal conclusion.

9 THE COURT: Sustained. Can you rephrase your
10 question.

11 THE WITNESS: I don't know, you --

12 THE COURT: No, you don't have to answer.

13 MS. LEVIN: I'm sorry.

14 THE COURT: Sustained. It's a legal conclusion.

15 BY MS. LEVIN:

16 Q Okay. So your son altered the letter, and then he
17 used that altered letter to misrepresent to the D.O.T. that THC
18 had approval from the City of North Las Vegas for the zoning of
19 both a cultivation and a distribution license; correct?

20 A No. He had verbal approval from them when he
21 discussed and asked them for this letter. That's what he knew.

22 Q Understood. But he used an altered letter, and he
23 sent the letter to the Department of Taxation in an effort to
24 obtain a license for distribution and cultivation; isn't that
25 correct?

1 A Correct.

2 Q Mr. Koch talked to you about -- you talked about it
3 yourself -- about the self reporting of two incidents.

4 A Yes.

5 Q Do you remember that? And those were two incidents
6 of thefts by an employee; correct?

7 A Yes. One was with our production company upstairs,
8 and the other one was with one of our trimmers down in the grow
9 operation.

10 Q Okay. And I believe that you testified that you
11 self -- or THC self reported both those incidents.

12 A Yeah. You have to.

13 Q So would it surprise you that the Department of
14 Taxation has no self reported -- proof of any self reporting of
15 the incident in the cultivation facility?

16 A I guess I could dig up the emails where we sent them
17 the video and showed them what we did. The reason you do that
18 is so that employee cannot just go to work for somebody else
19 and steal again. He's supposed to not be able to work in the
20 business for -- I don't know what the time period is.

21 Q Understood. But if I'm telling you that the
22 Department of Taxation has no record of a self report in the
23 cultivation facility, you know, would you -- would that
24 surprise you?

25 MS. SUGDEN: Objection. Calls for facts not in

1 evidence.

2 THE COURT: Overruled.

3 THE WITNESS: It would surprise me.

4 BY MS. LEVIN:

5 Q Okay. You attended the hearing before the Tax
6 Commission in February 2018; correct?

7 A I did.

8 Q And that was when -- the hearing when the permanent
9 regulations were adopted or shortly thereafter; correct?

10 A It's when the Tax Commission approved it. Then it
11 went to the legislature for adoption.

12 Q And that was very shortly thereafter; correct?

13 A Yeah. Another week later or whenever it was.

14 Q Now, you did not go to any workshops when the
15 regulations were being drafted and proposed in 2017, did you?

16 A I didn't even know they were being held, tell you the
17 truth.

18 Q And you, meaning THC, didn't submit any written
19 public comments in 2017, either, did it?

20 A We did not.

21 Q Nobody prevented THC from doing so; correct?

22 A No. Nobody gave us the knowledge that it was being
23 done, either.

24 Q You just didn't check the Website when all those --
25 you didn't receive -- are you saying that THC didn't receive a

1 notice of those public meetings?

2 A If we did -- I read every Listserv that came to me,
3 and I'm usually pretty good on those things, and I don't
4 remember it. So I can't tell you one way or the other. But,
5 no, we did not attend on any of the workshops.

6 Q Got it. And so I think you complained about two key
7 ranking factors that you believed worked to your disadvantage,
8 and I believe it was taxes paid and the experience in the
9 industry.

10 A No, it wasn't taxes paid. The only problem with
11 taxes paid was it's a set number. If you paid between this and
12 this, you got so many points. And we had two 8s and a 6 on the
13 three scores, which --

14 Q Okay. So that was during your deposition.

15 A More was the organizational area where we got hurt,
16 and financial capabilities.

17 Q Okay. And -- okay. So let's just talk about the
18 application process. You agree that you and your son, you were
19 both on ListServ; correct?

20 A Correct.

21 Q And so you admit that you received the amended
22 application that was sent out in July, on or about July 30th,
23 2018?

24 A I don't believe we received it, because it didn't
25 come out on ListServ.

1 Q I believe you testified that you learned that there
2 was a revised application that did not require a location;
3 isn't that correct?

4 A Yeah. After -- yeah. I don't remember the exact
5 time period there, but we knew about a second application
6 actually once all this started here. When I was aware of it.

7 Q Right. And you decided to include the location
8 anyways; correct?

9 A Yes.

10 MS. LEVIN: Brian, can you put up Exhibit 1006 and go
11 to page 21.

12 BY MS. LEVIN:

13 Q If you look at the box at the top where it says,
14 "Marijuana establishment's proposed physical address if the
15 applicant owns property or has secured a lease or other
16 property agreement." Do you see that?

17 A Yes.

18 Q So that was the amended application. And you don't
19 dispute receiving the amended application from ListServ, do
20 you?

21 A I'm not aware if we did, that's all. I'm just not
22 aware of it.

23 Q Okay. You talked about the fact that you had an
24 address in Reno that you were considering; correct?

25 A Yes.

1 Q And that was the Virginia Street address?

2 A Yes.

3 Q And you did not own that property; correct?

4 A No. It was for sale at the time.

5 Q But at the time of the application you didn't own it;
6 correct?

7 A No.

8 Q And you didn't have a lease for that property,
9 either; correct?

10 A No.

11 Q You also didn't have a letter of intent for that
12 property; correct?

13 A I don't know. My partner Mike Poura was buying it,
14 so I am not sure what he had in his hand.

15 Q You had never seen a letter of intent for the
16 Virginia Street address; correct?

17 A I did not see it.

18 Q Okay. And Arville, did I hear you say that you had
19 sold that property?

20 A Six months ago.

21 Q Six months ago. Okay. I wanted to be clear. And
22 you clarified your deposition that initially you had believed
23 you applied for two applications, and we're now -- so the
24 record is clear, you do acknowledge that you did apply in fact
25 for three applications --

1 A I did.

2 Q -- correct?

3 You've talked about the key personnel, and you -- I
4 think yesterday your testimony was something to the effect that
5 you believed it was enough that you had those boxes marked and
6 the roles of the people; correct?

7 A Correct.

8 Q Okay. If you look --

9 MS. LEVIN: Brian, back to Exhibit 1006 to page 17,
10 please.

11 BY MS. LEVIN:

12 Q If you look at the first box, it says, "The
13 description of the proposed organizational structure of the
14 proposed marijuana establishment." Do you see that?

15 A I do.

16 Q You see in there that it says, "Information
17 concerning each owner, officer, and board member, including key
18 personnel of the proposed marijuana establishment." Do you see
19 that?

20 A Yes.

21 Q And it says specifically there for that section you
22 can get 60 points. See that?

23 A Correct.

24 Q And in fact if you look at the regulation, which is
25 453D.272, that regulation also talks about key personnel and

1 provides that it was a ranking factor.

2 MS. LEVIN: Brian, do you have the regulation
3 453D.272?

4 IT TECH: Are you asking NAC, or NRS?

5 MS. LEVIN: Oh. I'm sorry. I'm sorry. NAC. If you
6 go to subsection 1(h). Yes.

7 BY MS. LEVIN:

8 Q It talks about the experience of key personnel that
9 the applicant intends to employ in operating the type of
10 marijuana establishment for which the applicant seeks a
11 license. Do you see that?

12 A I do.

13 Q So THC had this information at the time of the
14 application; correct? You had the -- both the regulation and
15 you had received the amended application that went out July
16 30th?

17 A I don't know that we received the amended
18 application.

19 Q Well, you don't dispute receiving it; correct?

20 A I don't know that. All I do know is that we gave all
21 that information, but it was in the resumes of the people. But
22 Andre, who was going to be our person that would teach us how
23 to operate a dispensary had three and a half years, as much as
24 anybody else did that was in the industry or more than most of
25 them, because they were one of the first ones to open, too, or

1 one of the earlier openings.

2 Q Right. But my point is, though, that, given that you
3 had the regulation, the ranking regulation, it talks about the
4 experience of the key personnel, and you had the amended
5 application that specifically told you you could get points and
6 you had to include the key personnel of the proposed marijuana
7 establishment. Nothing you prevented you from identifying who
8 the key personnel would be; correct? I mean, you had no
9 problem identifying Andre Rhodes --

10 A We put him on.

11 Q -- correct?

12 A He's on our org chart. It was doing the detail under
13 each one of them in the org chart which was not something
14 that's actually asked for on the application, the one we filled
15 out, but it was put there for the graders to score, and that's
16 where we got very badly on it.

17 Q All right. Because you had no problem identifying
18 Andre Rhodes as an advisory board member; correct?

19 A Right.

20 Q And in fact you had even paid him for months before
21 results came out, as well; correct?

22 A We did. We did.

23 Q Okay. So I think we talked a little bit about your
24 scores yesterday. You were shown some of your score sheets.
25 And I think you said some you think you should have scored

1 higher. But remember that you and I talked during your
2 deposition in March? Do you remember that?

3 A I do.

4 Q And you testified then that you did not think that
5 there was any partiality in the scoring. You remember that?

6 A Right.

7 Q And you also said that you had no evidence that the
8 graders were biased. Do you remember that?

9 A I had no evidence of it, that's true.

10 Q And you also had no evidence of favoritism to other
11 applicants than yourself; correct? Do you remember that?

12 A I have no evidence of that; correct?

13 Q Correct? And so when you made changes to your
14 deposition testimony for the three applications you did not
15 correct any of this testimony that you just discussed with me;
16 correct?

17 A I did not.

18 Q Okay. So you stand by that testimony?

19 A Yeah.

20 MS. LEVIN: Nothing further, Your Honor.

21 THE COURT: Can you wipe down the lectern area,
22 please.

23 Mr. Rose. Thank you, Ms. Levin.

24 CROSS-EXAMINATION

25 BY MR. ROSE:

JD Reporting, Inc.

1 Q Mr. Puliz, my name is Chris Rose. I represent
2 Wellness Connection of Nevada. They do business as Cultivate.
3 Are you familiar with Wellness Connection?

4 A I'm sorry?

5 Q Are you familiar with Wellness Connection?

6 A Not really.

7 Q Okay.

8 A What's their store's name?

9 Q Don't know any of the principals? They do business
10 as Cultivate.

11 A I can't hear you. I'm sorry.

12 THE COURT: You've got to speak up, Mr. Rose.

13 BY MR. ROSE:

14 Q All right. Can you hear me now?

15 A No. You've got a heavy mask, I guess, huh?

16 THE COURT: And he's not one of the loudest lawyers
17 we have, so --

18 THE WITNESS: Oh. Okay.

19 THE COURT: Come on.

20 THE WITNESS: Wellness Connection? Is that what
21 you're saying?

22 BY MR. ROSE:

23 Q I'm going to talk louder.

24 A Yes.

25 Q I want you to know I'm not yelling at you.

1 A I understand.

2 Q But I'm going to talk louder. Can you hear me now?

3 A I can.

4 Q All right. So Wellness Connection doing business as
5 Cultivate, are you familiar with them at all?

6 A I am familiar with Cultivate, yes.

7 Q Okay. Do you know any of the principals?

8 A I don't think so.

9 Q I think some of these things were touched on, but I
10 want to just make sure I'm clear for the record.

11 You're not aware of any facts or evidence that the
12 D.O.T. showed Wellness any favoritism in the 2018 application
13 process, are you?

14 A I'm not aware of any facts, no.

15 Q And you don't have any evidence that Wellness
16 Connection did anything improper in connection with that
17 process; fair --

18 A I do not.

19 Q Fair statement?

20 A Fair statement.

21 MR. ROSE: Brian, would you pull up Exhibit 84.

22 BY MR. ROSE:

23 Q Mr. Puliz, you've seen these State rankings before;
24 correct?

25 A Here -- yes.

1 Q All right. So if you go down to the bottom of this
2 page, you can see that this jurisdiction is for -- bottom of
3 page 1, Exhibit 84, this is for the City of Las Vegas. Do you
4 see where Wellness Connection received a ranking of Number 9?

5 A I do.

6 Q And just so the record's clear, I'm going to
7 represent to you that Wellness had a dispensary license at the
8 time it made its application in 2018. Do you know one way or
9 the other whether Wellness when it applied was a dispensary or
10 a cultivator or whatever it was?

11 A I think Cultivate was a dispensary; right?

12 Q Do you know?

13 A I don't.

14 Q Okay. All right. So let's go to the next page of
15 Exhibit 84. I think one of the other attorneys mentioned this
16 to you, as well. You see THC was ranked Number 58 there;
17 correct?

18 A That's what it says here, yes.

19 Q So that was much different than the 2014 process
20 where you testified yesterday that THC just barely missed
21 getting a license; correct?

22 A That was for the medical license in the City of Las
23 Vegas back in '15.

24 Q That's right. You said yesterday something to the
25 effect that THC was very close, it just missed it.

1 A We were two or three behind whatever, yes.

2 Q Okay. So much different results here; correct?

3 A Yes.

4 Q THC is in the bottom half. You would agree with me
5 that THC was well behind, far behind the rankings necessary to
6 achieve a license in the City of Las Vegas; correct?

7 A Are you sure these are ours? I don't know who Canna
8 Vibe is, so I don't know if anything's been mixed up in this or
9 not. We are not Canna Vibe. We're FloraVega. So I have no
10 idea if you guys have messed some of those up or not.

11 Q So you think the State might have put an incorrect
12 name here?

13 A Somebody did.

14 Q All right. But as far a THC's ranking as 58 in the
15 jurisdiction of the City of Las Vegas, you don't have any
16 reason to dispute that, do you?

17 A I don't.

18 Q I think you've testified earlier you've confirmed
19 that you've never seen any other applicants' applications.

20 A I have not.

21 Q And so you don't have any evidence that THC's
22 application was superior to Wellness's application?

23 A I have no evidence of it.

24 Q You don't have any evidence that THC was more
25 qualified or deserving of a conditional license than Wellness

1 Connection; fair statement?

2 A I have no evidence of that.

3 Q Prior to filing this lawsuit against Wellness
4 Connection where they're a defendant in the lawsuit filed by
5 THC did you or anyone else at THC ever do any due diligence or
6 investigation to figure out whether there was a basis to sue
7 Wellness Connection?

8 A Well, we sued the State of Nevada Division of Tax.
9 And then I gather later on you guys were brought into it. I
10 don't know. When I met with our attorneys when we first
11 started this it was to sue the Division of Tax, not you or any
12 of the other dispensary owners in the building.

13 Q I appreciate that.

14 A I'm not an attorney, so I don't know why you guys got
15 into this lawsuit. So I'm not sure why that happened.

16 Q All right. So let me just make sure I'm clear for
17 the record. You don't know why THC sued Wellness Connection,
18 and you're not aware of anything that you or anyone else from
19 THC did as far as due diligence or investigation or anything
20 else to see if there was a basis to sue Wellness Connection.
21 Did I get that right?

22 MS. SUGDEN: Objection. Compound.

23 THE COURT: Overruled. You can answer.

24 THE WITNESS: I don't have any idea, right.

25 BY MR. ROSE:

JD Reporting, Inc.

1 Q All right. Now, Mr. Koch asked you yesterday and
2 it's come up a few times this morning about why you believe THC
3 did not receive a license. And it seems to me that the two
4 main areas you mentioned are the organizational chart and then
5 you were surprised about some of the financial aspects. Did I
6 get that right?

7 A Those were part of the scoring issues. I really feel
8 that we were not given the same knowledge that some other
9 people got and that's why we sued the Department of Tax.

10 Q All right. So let's talk about that. When it comes
11 to the organizational chart, we've seen that up here on the
12 screen before, you blame the D.O.T. for that, for not giving
13 you the information you felt like THC needed?

14 A Yes.

15 Q Okay. Do you have any proof that Wellness or any
16 other applicant in this process received any information about
17 how to put together an organizational chart that was not made
18 available to THC?

19 A I have no proof of that, no, because I wasn't -- I
20 haven't seen anybody else's applications. I had no idea what
21 they did.

22 Q So, as far as you know -- the struggles that you
23 believe THC had in figuring out what to put in this
24 organizational chart, how to put it together, every other
25 applicant had those exact same struggles, as far as you know as

1 you sit here today?

2 A I have no idea.

3 Q So the answer to my question is that's correct?

4 A That's correct.

5 Q And let's talk about the financial part of that. If
6 I'm not mistaken, from your testimony I'm gathering that you
7 didn't believe there was anything improper done as to the
8 financial scores for you, it just seemed like you were more
9 surprised that you didn't score higher on the financial aspects
10 given your financial wherewithal and the financials that you
11 submit. Did I get that right?

12 A That's correct.

13 MS. SUGDEN: Objection.

14 BY MR. ROSE:

15 Q So you're not claiming anything improper by the
16 D.O.T. or that any other applicant received information that
17 THC should have received about what to submit for financial
18 support; is that correct?

19 A No. I have no idea what any other applicant was told
20 or what they put in. I have heard some testimony that some
21 people put in letters of credit and other instruments that
22 aren't necessarily liquid cash.

23 Q All right. Let me ask it a different way. Similar
24 to what I asked you with the organizational chart, you're not
25 aware of any information that other applicants received about

1 what to submit for financial information that was not available
2 to THC; is that a fair statement?

3 A Yeah. If I'd have gotten that information, I
4 probably would have scored better.

5 Q Well, that's what I'm saying. You're not aware of
6 any information that was given to other applicants that THC did
7 not get; correct?

8 A Correct.

9 Q All right. Thank you. You testified yesterday, you
10 might have touched on this morning, that -- and you correct me
11 if I'm wrong. But it seemed like one of the big factors in
12 your decision, THC's decision to bring this lawsuit was when
13 you heard about certain applicants that received six or seven
14 or eight licenses; correct?

15 A That was one of the issues, yes.

16 Q In fact, that was a major issue in THC's decision to
17 bring suit?

18 A Considering that Jorge told me he wasn't going to
19 give more -- anybody more than one or two, yes, that was a
20 major focus of what we were looking at.

21 Q And I'm going to take it that you're not aware that
22 Wellness Connection applied for three licenses and received
23 only one? You're not aware of that, are you?

24 A I am not.

25 Q Let's talk about the job offer that has come up that

1 your Nick made to Jorge Pupo. You testified about that
2 yesterday and a little bit more today about that. And we've
3 established that that offer was made prior to THC's submission
4 of the application.

5 A It was not a job offer. It was a discussion and more
6 in joking form than a job offer. I think I've said that three
7 or four times now.

8 Q Yeah. Well, let me finish my question, and then I'll
9 let you answer; okay?

10 A Okay.

11 Q All right. So that offer or discussion -- and you
12 can call it whatever you want, all right -- that offer or
13 discussion, that took place before THC submitted its
14 applications in 2018 for a recreational license?

15 A I believe it was before the applications even came
16 out, yes.

17 Q Okay. Right. Now, you testified yesterday, I think
18 you've touched on it today, that you believe that offer, it was
19 a joke, it was just joking, it was not a real offer; right?

20 A It was not an offer. He didn't put anything in offer
21 in writing or any details of any job.

22 Q All right. But did I get that right? You testified
23 yesterday that it was just a joke, it wasn't a real offer;
24 correct?

25 A Correct.

1 Q All right. Let's set that aside for a moment. You
2 would agree with me, would you not, that in a competitive
3 bidding process where the State is going to award licenses or
4 award a contract, that if an applicant for a license or a
5 contract made a job offer to the person that they believed had
6 the final decision-making authority over their application, you
7 would agree with me that that would be improper?

8 A It would be.

9 Q In fact, it would be something that would unfairly
10 give that applicant potentially an advantage over everyone else
11 who did not make an offer of employment?

12 A Potentially.

13 MR. ROSE: All right. Let's -- Brian, could you pull
14 up Mr. Puliz's deposition. Let's go to page 74.

15 BY MR. ROSE:

16 Q Now, Mr. Puliz, we're not going to read this, because
17 I think some attorneys went through it yesterday and went
18 through it today, as well. But starting on page 74, line 6,
19 and then it spills over to page 75, through line 14, and if you
20 want to read that, you can. Would you like to read that again
21 before I ask you a question about it?

22 A No. I've read it already.

23 Q You're familiar with it. Okay. You didn't mention
24 anything here about the offer of employment being a joke, did
25 you?

1 A I didn't at that time just because I don't think it
2 was asked to me that way. I was not taking that seriously, and
3 I didn't think anybody else was, either.

4 Q And you didn't mention here when you were asked about
5 this in your deposition on March 9th that it wasn't a real
6 offer. You didn't testify to that here, did you?

7 A Well, I think -- okay. He said he had just a quick
8 little discussion, it wasn't a job offer.

9 Q So, again, back to my question -- well, first of all,
10 you say that here on page 74, don't you? You said it was a job
11 offer. Those are your words.

12 A I don't know where I say that, but -- what line?

13 Q All right. Let's look at page 74, starting at
14 line 11:

15 Answer, "He had one quick little discussion with
16 Jorge Pupo. Jorge told him that -- and this is before the
17 application came out -- that he would be leaving the state soon
18 and, Nick just told him, 'Wow. Well, if you need a job, I need
19 a compliance officer,' and that's the only thing they said."

20 Did I get that right?

21 A Yes.

22 Q All right. So I would call that Nick offering him a
23 job. You disagree with that?

24 A Yeah.

25 MS. SUGDEN: Objection. Argumentative.

1 THE COURT: Overruled.

2 MR. ROSE: Okay.

3 THE WITNESS: Yes, I disagree with that. Because,
4 again, you have to take a concept of the whole idea of it.
5 Jorge was saying that if Laxalt got elected governor he was
6 going to be leaving. So I did leave that out of my
7 depositions. And it was just one of those discussions kidding
8 around stuff with politics.

9 BY MR. ROSE:

10 Q Okay. So --

11 A It was not a job offer.

12 Q So for you there's a difference --

13 A Do you think my son actually would believe that he
14 could offer a \$50,000 compliance officer job to Jorge and
15 actually get a favoritism from him? That's more of an insult
16 than it is a favoritism. Now, you know, if somebody big
17 offered him a \$200,000-a-year compliance job, yeah, that would
18 have been a serious offer. But we're not that size of a
19 company.

20 Q Okay. And so, to go back to my original question on
21 page 74 and 75, when you were asked about this and you're
22 explaining about it you didn't mention anywhere that it was a
23 joke, did you?

24 A It doesn't say it there, but I guess --

25 Q And you didn't mention anywhere that it was not a

1 real offer.

2 A Well, I'd said it was just a little discussion. So I
3 guess I felt that was covering it.

4 THE COURT: Hold on a second, Mr. Rose. Can those of
5 you on the phone make sure we're on mute, please.

6 Keep going.

7 MR. ROSE: All right. Let's go to -- Brian, if you
8 would, let's go to page 150 of the deposition.

9 BY MR. ROSE:

10 Q And I don't think we've gone through this yet, so I'm
11 going to read this. You tell me if I get it right or if
12 there's anything I leave out; okay? I'm going to start at
13 page 150, line 16.

14 Question, "When you submitted your application who
15 did you expect to actually do the scoring?"

16 Answer, "The full-time employees of the Division of
17 Tax, Department of Tax."

18 Question, "Would that have included Jorge Pupo?"

19 Answer, "He told me he would be the final decider. I
20 think he was."

21 Question, "And did you have any concern about that
22 when you had a meeting with Jorge Pupo and your son Nick had
23 indicated that he may discuss a job with Jorge Pupo?"

24 "Object to form."

25 THE COURT: Overruled.

JD Reporting, Inc.

1 BY MR. ROSE:

2 Q Answer, "The job had nothing to do -- or that
3 discussion had nothing to do with any of that."

4 Did I read that right?

5 A Yes.

6 Q Okay. And there you use the word "job," don't you?

7 A Because he used the "job" to me -- used the word
8 "job" to me, the questioner did.

9 Q And you used the word "job" in your --

10 A Was that you that questioned me on that?

11 Q You used the word "job" in your answer; correct?

12 THE COURT: No. It was Mr. Koch, it says in the next
13 line.

14 THE WITNESS: Yeah. Because that's the way it was
15 asked, yes.

16 BY MR. ROSE:

17 Q And at least up to that point again you don't mention
18 anything about that job or that discussion, whatever you want
19 to call it, you don't mention that being a joke or that it's
20 not a real offer, did you?

21 A Doesn't look like it.

22 Q Okay. Let's keep going. So page 151, starting on
23 line 7, question by Mr. Koch.

24 "And I understand that. And I guess my question is
25 when your son Nick came back and said he had a conversation

1 with Jorge, Jorge was thinking of leaving, and your son said,
2 maybe I need -- if you need to a job, I may need a new
3 compliance officer, did that make you concerned in any way?"

4 "Object to form."

5 THE COURT: Overruled.

6 BY MR. ROSE:

7 Q Answer, "No."

8 Question, "Even though you expected that Jorge would
9 be the final word on applications?"

10 Answer, "Yeah. But it wouldn't affect -- we weren't
11 talking about a big enough deal."

12 Question, "So that's, I mean, your perception of
13 that. You don't know what Jorge was thinking, do you?"

14 Answer, "I do not."

15 Did I read that right?

16 A Yes.

17 Q Okay. And again, no mention here about this being a
18 joke; correct?

19 A Correct.

20 Q Okay. Let's go to page 195. And I'm going to read
21 starting at line 11:

22 Question, "I know you testified earlier that your son
23 had some discussions with Mr. Pupo regarding some kind of
24 employment at --"

25 Answer, "Yes. There was one time."

1 Question, "I believe you said it was a compliance job
2 that was discussed."

3 Answer, "That's all Nick offered him. That's all we
4 had."

5 Question, "All right. Is that why it was a
6 compliance job, because that was the only opening?"

7 Answer, "Yeah. Nothing that he would have been too
8 interested in, I'm sure."

9 Did I get that right?

10 A Sure.

11 Q Okay. And again, no mention in that part of your
12 deposition that the discussion or the offer of a job or
13 employment, whatever you want to call it, no mention in the
14 deposition that it was a joke; correct?

15 A Correct.

16 THE COURT: Can those of you on the phone please make
17 sure we're on mute.

18 Keep going.

19 BY MR. ROSE:

20 Q And, Mr. Puliz, you understand that when you
21 testified on March 9th, 2020, you were under oath; correct?

22 A I was.

23 Q And you understood all the questions you were asked?

24 A Mostly, yes.

25 Q You certainly understood the questions that I just

1 read out in your deposition; correct?

2 A I did.

3 Q All right. And you testified truthfully that day?

4 A I did.

5 Q And you're under oath today, as well.

6 A I am.

7 MR. ROSE: Thank you.

8 THE COURT: Mr. Rose, can you wipe down the lectern.

9 Who's next?

10 Mr. Williamson.

11 CROSS-EXAMINATION

12 BY MR. WILLIAMSON:

13 Q Mr. Puliz, how are you?

14 A Good.

15 Q My name is Rich Williamson. I represent a company
16 called Deep Roots Medical LLC. I just have a couple
17 questions -- a few, I should say.

18 First off, I want to talk about your org chart if we
19 can. And you mentioned that -- with Ms. Levin that you were
20 aware of those regulations; correct? You were aware of the
21 regulations requiring key personnel?

22 A Yes.

23 Q Okay. And in fact that was part of your testimony,
24 that you didn't -- you weren't happy about that, were you?

25 A I wasn't happy about the way our application read

JD Reporting, Inc.

1 that we didn't understand that we had to put in a lot more
2 detail into each box of our people.

3 Q Okay. Yeah. Because you feel like you provided some
4 detail, but not a lot?

5 A Right. We did a basic org chart.

6 Q Basic org --

7 A Which is what we thought we were asked for.

8 Q And a basic org chart is to show how a company is
9 organized; correct?

10 A Yes.

11 Q Sort of who does what.

12 A And who owns what, yes.

13 Q Yes. Okay. And so any kind of important role you
14 want to make sure is in an org chart.

15 A Right.

16 Q So that you know how it operates.

17 A Right. Correct.

18 MR. WILLIAMSON: Brian, can we pull up Exhibit 12,
19 page 684, please. And can we kind of zoom in, actually, on
20 the -- well, yeah. That'll be fine.

21 BY MR. WILLIAMSON:

22 Q So looking at page 684. You have it there?

23 A Yes.

24 Q And this was in your application; correct?

25 A Yes.

1 Q Your team prepared this?

2 A Yes.

3 Q Okay. And we've got names kind of all along the top,
4 right, who the owners are?

5 A That's all our owners, yes.

6 Q Got it. Okay. And then even the next row we've got
7 all of these owners; correct?

8 A Those are the three owners of GVAN Properties coming
9 off of that.

10 Q Okay.

11 A And myself.

12 Q Got it. Okay. And then to the right of you you've
13 got Mr. Rhodes, who'd be the dispensary advisor?

14 A Yes.

15 Q Okay. The dispensary general manager, that's blank;
16 correct?

17 A Right.

18 Q Security manager, you've got a guy there, Kenny
19 Huebner?

20 A Yeah. He runs our security now and our grow.
21 Remember, until you actually get a dispensary, it's pretty hard
22 to have people already in place to fill those boxes.

23 Q You were aware the regulations required the
24 experience of key personnel?

25 A Right.

1 Q So it's sort of hard to know the experience of who is
2 doing what when, according to this org chart, nobody is doing
3 anything; correct?

4 A How do you put somebody in when you don't have any
5 employees until you get a license?

6 Q So you didn't have the team in place to operate a
7 dispensary yet, did you?

8 A We had the one person with the three and a half years
9 of experience for us to put it in. But you don't hire the
10 other positions when you don't have a job. Now, if you're a
11 dispensary, you already have those people, because you've
12 already had those positions working for you.

13 Q So you --

14 A We are not afforded that type of opportunity.

15 Q You had Mr. Rhodes. That was your key personnel?

16 A That's our key personnel.

17 Q And all of these other positions, other than your
18 security manager, were blank; correct?

19 A Yes.

20 Q And that was your org chart that your team put
21 together. This was your business decision; correct?

22 A Correct.

23 Q The State didn't say, by all means do not hire an
24 assistant manager, do not hire a retail manager. You didn't
25 want to incur that expense, you didn't want to incur that in

1 your budget until you knew you were getting a license; correct?

2 A I don't know how you hire somebody if you don't have
3 a job for them, so you tell me how you could do that. I don't
4 know how you would do that.

5 Q You can't hire someone?

6 A If you don't have a job for them?

7 Q So you're saying you didn't have a job for them;
8 correct?

9 A Not until we were granted a dispensary license. Then
10 we have had a job for them.

11 Q These were not real jobs.

12 THE COURT: You've got to let him finish.

13 MR. WILLIAMSON: Fair enough, Your Honor. I
14 apologize.

15 THE COURT: It's all right.

16 BY MR. WILLIAMSON:

17 Q So these were not existing jobs?

18 A Not in our current organization. Those were
19 projected jobs for a dispensary.

20 Q Now, you hired a lawyer whose name was Jay Brown; is
21 that right?

22 A Yes. Jay and David Brown.

23 Q And he assisted you or they assisted you in 2014;
24 correct?

25 A They did.

1 Q And you didn't get a license in 2014?

2 A I did not.

3 Q And you made the business decision to hire them again
4 for 2018?

5 A I did.

6 Q I'd like to talk about some of the other business
7 decisions. I think you went over with Mr. Koch that your score
8 was 170.99; correct?

9 A That's what it showed on this list, yes.

10 Q And, as far as you know, that's what your score was?

11 A Yeah. I guess so, yes.

12 Q Well, let's pull it up.

13 A The score was 170-something. I'm sorry.

14 Q 170-something.

15 A Yeah.

16 MR. WILLIAMSON: Okay. Brian, can we go to
17 Exhibit 84, please, page 6. And can you highlight "Storey
18 County" there, second from the bottom.

19 BY MR. WILLIAMSON:

20 Q Now, Mr. Puliz, you agree with me -- we've actually
21 had some math quizzes for some other witnesses, so I feel like
22 you should get one, too. 170-something is more than one
23 146.99; correct?

24 A Correct.

25 Q So you actually would have won a license in Storey

1 County had you applied; correct?

2 A Correct.

3 Q But you made the business decision not to apply?

4 A Yes. And I'll be surprised if either one of them
5 actually open up in Storey County.

6 Q Last point. You mentioned Canna Vibe, that you don't
7 know who that is.

8 A No.

9 Q Okay. So that's something you think the State might
10 have messed up?

11 A I don't know who put this together, so somebody did.

12 Q When you say you don't know who put this together,
13 you're talking about Exhibit 84?

14 A Yes.

15 Q So whoever put together Exhibit 84 messed up?

16 A Yeah. I don't know who Canna Vibe is, that's all.

17 Q Right. Because tying your name, THC, to Canna Vibe
18 is a mess-up?

19 A Right.

20 MR. WILLIAMSON: Okay. Brian, can we go to
21 Exhibit 12. Let's go to page 892, please. And can we
22 highlight the first paragraph at the top.

23 BY MR. WILLIAMSON:

24 Q Do you see that paragraph there? Do you see where it
25 says, "Canna Vibe Dispensary/THC Nevada LLC" in your

1 application? Do you see that, sir?

2 A I see it on this form. I don't know -- I still don't
3 know who Canna Vibe is, though.

4 Q So somebody for sure did a mess-up in this
5 application, didn't they?

6 A Yeah. I don't know. They were electronic
7 applications, so I don't know.

8 MR. WILLIAMSON: No further questions, Your Honor.

9 THE COURT: Thank you for wiping down the lectern
10 without being asked. I appreciate that.

11 Next? Any other intervenors?

12 The State's already gone. That takes me back to
13 redirect to you, Ms. Sugden, as soon as we get it wiped down.

14 REDIRECT EXAMINATION

15 BY MS. SUGDEN:

16 Q I'm back, Mr. Puliz. Going to try and beat this dead
17 horse into the ground a little more, because I know the Judge
18 really likes it when we do that.

19 This job with Mr. Pupo or job offer thing in passing,
20 you heard Mr. Pupo testify; correct?

21 A I did. Not very well, but I -- I hear the attorneys
22 better than you do the witnesses.

23 Q Well, did you hear Mr. Pupo say that it wasn't a big
24 deal, this supposed offer, job offer from Nick to him?

25 A Yeah.

1 Q And is that --

2 A Since my deposition I'd actually refreshed my memory
3 with my son, and that's where I got -- remembered more of the
4 details of it. So I'm able to talk about it a little more
5 fully now.

6 Q So was Mr. Pupo's testimony in line with your
7 understanding of what that comment was?

8 A Exactly.

9 Q Now --

10 A I doubt he even remembered it. I'd be surprised.

11 Q I actually don't think he did at first, but -- With
12 regard to -- you were asked on page 74 in your deposition,
13 "Have you or anyone at THC Nevada ever discussed offers of
14 employment with existing or former employees of the Department
15 of Taxation?"

16 Do you remember that?

17 A Yes.

18 Q How easy would it have been for you just to say, I
19 don't recall?

20 A It would have been. And I -- all I did was I
21 remember that one discussion with my son, and I needed to
22 refresh my memory on it, which I have now.

23 Q So you told the truth?

24 A I did.

25 Q Even though it opened you up to hours of

1 insinuation --

2 A Yes.

3 Q -- about what that meant?

4 MS. SUGDEN: If we could pull up Exhibit 537.

5 THE COURT: Which one?

6 MS. SUGDEN: 1537. I apologize.

7 THE COURT: Hold on a second.

8 MS. SUGDEN: I can't even read my own handwriting.

9 THE COURT: Thank you.

10 BY MS. SUGDEN:

11 Q Mr. Puliz, do you remember being questioned on this?

12 A I do.

13 Q And I objected. I actually don't know the attorney's
14 name, but I said, attorney client privilege once I got to take
15 a look at it, kind of scoffed; right? Because when I saw this
16 I said, well, this is an email from Mr. Puliz to David Brown,
17 who was the attorney representing you in the application
18 process; correct?

19 A Correct.

20 Q So my initial thought was, why would they produce
21 this? So I made that objection. And then --

22 MR. PRINCE: Objection. Move to strike the
23 commentary business.

24 THE COURT: Overruled. Denied.

25 BY MS. SUGDEN:

1 Q Mr. Puliz, I'll submit to you that then I followed up
2 with your former counsel Brownstein Hyatt on this matter. And
3 do you understand that I did that?

4 A Yes.

5 Q Okay. And when I followed up with Brownstein Hyatt I
6 understood the reason that this document was produced is
7 because, unlike Amanda Connor and all the discussions she had
8 with her clients --

9 MR. PRINCE: Your Honor, move to strike the
10 commentary. That is not a question.

11 MS. SUGDEN: It's a question.

12 THE COURT: So, Ms. Sugden, I can't have you making a
13 record about what you and Brownstein Hyatt talked about.

14 MS. SUGDEN: Sure. Okay. I'll rephrase.

15 BY MS. SUGDEN:

16 Q Mr. Puliz, did you have an understanding of why this
17 document was produced?

18 A No. I know why we gave it to our old attorneys,
19 because he wanted all of our discussions. But I assumed that
20 was attorney private privilege also, when we gave our
21 discussions with one attorney to our new attorney now.

22 Q Okay. Is it your understanding -- based on your
23 testimony you like to have transparency; right?

24 A I do.

25 Q And again, because you've had plenty of experience in

1 other competitive bidding processes?

2 A If you want the State to be recognized for the gold
3 standard it wants to be, you'd better be transparent. Because
4 all this hiding stuff and black stuff out just makes it look
5 like we are being nontransparent.

6 Q Okay. We talked a little bit about this location
7 discrepancy with the County versus the City and the State;
8 right?

9 A Yes.

10 Q Would it surprise you if I talked to Nick, who
11 reviewed this for us; right?

12 A Yes.

13 Q And he submitted there was no deduction for points --
14 MR. J. SMITH: Objection. Hearsay.

15 THE COURT: You can't tell us what you talked about
16 Nick.

17 BY MS. SUGDEN:

18 Q Now, let's talk about the scoring. Are you here to
19 ask this Court to rescore your application?

20 A I am not.

21 Q Are you here submitting that you would have gotten a
22 license if this was scored properly?

23 A I am not.

24 Q Are you here because you believe the system was
25 flawed?

1 A From the start. Which we complained about it to
2 begin with. It gave way too much influence to existing
3 dispensary owners. From the very start of this application I
4 thought it was wrong.

5 Q Did you testify that you had someone do your budget
6 for this application?

7 A We did.

8 MS. SUGDEN: Okay. Can we pull up 1642.

9 And, Your Honor, this is the -- hasn't been admitted,
10 but it's a scoring sheet.

11 THE COURT: Okay.

12 THE CLERK: Proposed.

13 THE COURT: I'm not looking.

14 BY MS. SUGDEN:

15 Q Now, I heard you testify that you had over \$3 million
16 that was provided for adequate expenses to cover operations;
17 correct?

18 A Yeah. 3.7 -- what does that say there, 3 or -- I
19 don't know.

20 Q Over 3 million?

21 A Right.

22 Q Okay. And then also in these notes, though, it says
23 there's no operating budget; correct?

24 MR. J. SMITH: Objection for reading a document not
25 in evidence, Your Honor.

1 THE COURT: Can we not read it. But you are welcome
2 to ask the witness any questions you want to about it without
3 actually reading the document.

4 MS. SUGDEN: Yes.

5 BY MS. SUGDEN:

6 Q Mr. Puliz, if a grader determined that there was no
7 operating budget, would you refute that that was the case from
8 THC's application?

9 A I would.

10 Q Okay. Because you in fact paid someone, I believe,
11 to prepare; correct?

12 A We did.

13 Q Okay. And again, you got one point out of twenty
14 on -- from this grader?

15 A Correct.

16 Q Okay. So based on that -- I'm going to go back to
17 your deposition. On page 136 do you see on line 7 it begins.

18 "Other than what you talked about, the
19 issues of consideration, of taxes, and the
20 feeling that dispensary -- dispensaries were
21 favored over cultivators or others, are there
22 any other things that you believe were done
23 arbitrarily or irrationally by the Department
24 of Taxation in the application process?"

25 You see that?

1 A I do.

2 MS. SUGDEN: Okay. There's an objection to form.

3 THE COURT: Overruled.

4 BY MS. SUGDEN:

5 Q And your answer, can you please --

6 MR. WILLIAMSON: Your Honor, I'm going to object. Is
7 she impeaching her own client with --

8 THE COURT: No. She's supplementing the record with
9 it. She's permitted to supplement the record when you guys
10 have already used the deposition. Overruled.

11 BY MS. SUGDEN:

12 Q Do you still agree with the statement, "I believe the
13 scoring was --" excuse me. "I believe the scoring by using
14 unqualified, untrained scorers was arbitrary and irrational?"

15 A I do agree with that still.

16 Q You were asked on cross about this letter from Nick
17 again. Do you believe based on your conversations and
18 understanding of that situation that THC had the intention to
19 defraud the Department of Taxation when it submitted that
20 letter?

21 A They did not.

22 Q Is it your understanding that CNLV had actually
23 granted that use that was being acknowledged as a distribution?

24 A Yes.

25 Q Okay. So is it -- strike that. Do you remember

1 Mr. Smith from the Essence entities?

2 He had asked you -- he had showed you a -- we're
3 going to back to Exhibit 1006, page 29.

4 Again, your understanding based on the information
5 that your counsel and your consultants obtained was that a
6 location was need; correct?

7 A Yes.

8 Q Okay. Now, the last counsel had asked you about, you
9 know, why you didn't, for instance, put and hire people in
10 those positions on that org chart. You recall that?

11 A I do.

12 Q Okay. Because just like now the defendants are
13 asserting is that location, you didn't need to obtain one,
14 because that would be an added expense; correct?

15 A Correct.

16 Q And -- but yet as a cultivator who doesn't have a
17 dispensary, you're supposed to go and hire these positions,
18 like you said, that don't exist?

19 A Yeah. It doesn't make a lot of sense.

20 Q Okay. Does that lead to your understanding, then,
21 about this process being flawed?

22 A Yes.

23 MS. SUGDEN: Okay. Can you pull up, Shane,
24 Exhibit 12, page 684.

25 BY MS. SUGDEN:

1 Q Now, this is the org chart which we had gone over
2 that was graded so lowly; correct?

3 A Correct.

4 Q Okay. And I believe Mr. Smith had compared it --
5 MS. SUGDEN: If we could go to page 706 of this
6 Exhibit 12.

7 BY MS. SUGDEN:

8 Q This is my form. Are there any other words, Mr.
9 Puliz, that you would use to describe me in this? I mean, is
10 "investor" sufficient?

11 A Yeah. That's what most of our people were that are
12 on that org chart. They're investors.

13 Q Was I involved in the day-to-day operations of THC
14 Nevada?

15 A You were not.

16 Q Okay. Now, this is not the organizational chart;
17 correct?

18 A Right.

19 Q This has the word "describe." Is it your
20 understanding that the criteria for the organizational chart
21 had the word "describe" in it?

22 A No.

23 Q Okay. And is that your understanding, your testimony
24 earlier that if you had had the accurate information it would
25 have been easy to update that org chart to have the detailed

1 information about the descriptions?

2 A Completely. Because even without a name of a person
3 we could have put a description of a paragraph for each job
4 duty for each one of those. I didn't know that was necessary,
5 and neither did anybody else that we were putting the
6 application with.

7 Q We talked about self reporting; right?

8 A Yes.

9 Q And I think there's been a discrepancy that if you
10 self report you're kind of in this blessed category and because
11 you've come and told it on your own, you might be treated
12 differently than if you're not self reporting. Is that fair?

13 A That's kind of what it's made it sound. That's not
14 really the way it works.

15 Q Okay. Now, I know -- has THC made any self reports
16 recently about employees not wearing masks given COVID?

17 A We did.

18 Q Okay. And what happened in response to that self
19 report?

20 A They called us and made us send them videotape
21 issues. They gave us certain times. I understand they were
22 doing that to more than just us, but they wanted to see this
23 minute of tape and this minute of tape so they could look at it
24 and see were your employees wearing masks.

25 Q So when you self reported an incident the Department

JD Reporting, Inc.

1 followed up and asked for videotape so then they could go back
2 and verify, as well?

3 A Yes.

4 Q Okay. So would you expect that to occur, the
5 Department would ask for followup footage on any other type of
6 self reporting?

7 A Yeah, I think, because of the changeover now from
8 Division of Tax to the Cannabis Commission, I don't think
9 they're doing as many inspections and stuff as they used to do
10 just through this short period of time, which would be normal,
11 you know, changing bosses and offices or whatever they're
12 doing. So, yeah.

13 Usually whenever we've had any issues they've come
14 right down and investigated and talked to our people, and -- I
15 mean, they do a good job on that. They usually do a heck of an
16 investigation. If it's something serious, I'd expect them to
17 do a real in-depth investigation.

18 Just because you self reported one thing doesn't mean
19 five other things of the same thing didn't happen. You just
20 didn't report those. You only reported the one.

21 Q Understood. Now, Mr. Prince had gone through that
22 Exhibit 84 and asked you to go through and identify which
23 certain applicants were cultivators only. Do you recall that?

24 A Yes.

25 Q Okay. And do you think that you identified about 32

1 that were cultivators only, 32 applicants?

2 A Yeah. Again, I don't know that they're just
3 cultivators. They may have filed under a cultivator license,
4 or they may have been in the process of being bought or sold to
5 one of the big companies that seem to be getting larger and
6 larger.

7 Q Okay. Now, again, we talked about the reasons when
8 you were questioned on why you decided to initiate or
9 participate in this litigation; correct?

10 A Correct.

11 Q Okay. And my understanding is you're not saying,
12 again, that your application would have been approved or
13 whether or not anyone else's would, it's that the process was
14 inherently flawed; is that correct?

15 A That's exactly my point, yes.

16 Q Okay. And did you determine that in part when you
17 found out that three applicants received 34 percent of all the
18 applications that were available?

19 A Yeah. That was one of the areas that made me quite
20 upset because of my discussion with Jorge and then hearing how
21 a few got so much. I didn't know it was the State's job to
22 make the rich get richer.

23 MS. SUGDEN: Thank you. I'm all finished.

24 THE COURT: Thank you, Ms. Sugden. Can you wipe down
25 the lectern.

1 MS. SUGDEN: Yes, I will.

2 THE COURT: I assume no one else has anything. Thank
3 you.

4 Ms. Cronkhite, welcome back. When you're ready. If
5 you need a break before we start you, let me know. But when
6 you're ready, we'll start your testimony -- or resume your
7 testimony.

8 MS. CRONKHITE: Yes, Your Honor.

9 THE COURT: And I am glad to see you back. I'm glad
10 you're feeling better.

11 THE WITNESS: I'm done?

12 THE COURT: Thank you again, sir. Have a nice day.

13 THE WITNESS: Thank you, Your Honor.

14 THE COURT: So, Ms. Cronkhite, do you want a break
15 before we start?

16 MS. CRONKHITE: If I could use the restroom real
17 quick.

18 THE COURT: Yep. So, guys, we'll take five minutes.

19 (Proceedings recessed at 11:18 a.m. until 11:21 a.m.)

20 THE COURT: Are you ready?

21 THE WITNESS: Yes.

22 THE COURT: Dulce, if you could swear her in.

23 THE CLERK: Please raise your right hand.

24 **KARALIN CRONKHITE**

25 [having been called as a witness and being first duly sworn,

JD Reporting, Inc.

1 testified as follows:]

2 THE CLERK: Thank you. Please be seated. Please
3 state and spell your name for the record.

4 THE WITNESS: Karalin Cronkhite. K-a-r-a-l-i-n,
5 C-r-o-n-k-h-i-t-e.

6 THE COURT: And welcome back, ma'am. Again, I want
7 to express my appreciation to you for coming back, and I'm glad
8 you're feeling better.

9 THE WITNESS: Thank you, Your Honor.

10 THE COURT: Mr. Miller. And if you need a break at
11 any time, you let me know.

12 THE WITNESS: Thank you.

13 MR. MILLER: Thank you.

14 Shane, could you pull up -- please pull up Exhibit
15 1010-03?

16 CONTINUED DIRECT EXAMINATION

17 BY MR. MILLER:

18 Q Ms. Cronkhite, do you recall that when we last left
19 off on your testimony, you were giving us some information
20 about how you trained the evaluators relative to these
21 evaluation score sheets?

22 A Yes.

23 Q Okay. I want to turn your attention to this page,
24 "Building Plans demonstrate necessary regulatory requirements."

25 The first section there, it says, "Regulatory

JD Reporting, Inc.

1 requirements include," it says, "Have an appearance, both as to
2 the interior and exterior, that is professional, orderly,
3 dignified, and consistent with the traditional Nevada retail
4 marijuana stores."

5 Can you tell us how you trained the evaluators as to
6 how to score that section?

7 A Yes. So I showed them -- or they were familiar with,
8 I should say, NAC 453A, which described what traditional Nevada
9 dispensaries looked like. Any operational Nevada retails
10 stores were also a dispensary, as medical and recreational.
11 They were dual-licensed at the time.

12 They were to look at elevations, which were part of
13 the floor and building plans. And so, from that, they could
14 get a good idea of what the interior and exterior of the
15 building looked like to make sure that it was professional in
16 appearance, somewhat similar to like a pharmacy would be.

17 Q Okay. So was this a subjective analysis, or they
18 were simply supposed to check whether or not this meant the --
19 met the regulatory requirements?

20 A Whether it met the regulatory requirements.

21 Q Okay. So this is more of a yes or no as to whether
22 or not they actually met those requirements; is that right?

23 A Correct.

24 Q Okay. And moving to the next one, "Have professional
25 signage that meets the advertising guidelines established by

1 the Department."

2 Is that also the case? That's more of a checklist as
3 to whether or not they included that provision and met the
4 regulatory requirements?

5 A Correct.

6 Q Okay. If you can review the remainder of that short
7 section, where it says, "Regulatory requirements include."

8 Can you confirm for us that the actual scoring would
9 have just been to look at those criteria and ensure that they
10 met the regulatory requirements?

11 MS. LEVIN: Objection, vague.

12 THE COURT: Overruled.

13 THE WITNESS: Yes, to an extent.

14 BY MR. MILLER:

15 Q Okay. What do you mean by "to an extent"?

16 A So it says, "Have a single, public entrance to
17 demonstrate strict security measures to deter and prevent the
18 theft of marijuana and unauthorized entrance."

19 So in this case, it is not a requirement of the
20 regulations that they have a mantrap, however, that would be
21 preferred. So that's one example of strict security measures.

22 Q Okay. But were you training them to evaluate the
23 plans in terms of a subjective analysis, as one plans was
24 better than another in that regard, or simply that it included
25 specific provisions?

1 A I'm sorry, can you repeat that question?

2 Q Were you training them to evaluate these plans in
3 terms of a subjective analysis, as to the quality of this plan,
4 or were you training them instead as to whether or not the plan
5 contained specific elements?

6 A It was both.

7 Q Okay. And so how did you explain that distinction to
8 the evaluators?

9 A So if they did demonstrate that they had a single
10 entrance, that was good; they met all the requirements. But,
11 you know, if you're looking at -- can you scroll down so I can
12 see what an excellent response would include? Is it not in
13 there?

14 It's okay. So if they were able to check off all the
15 boxes, they had all the information, that would get them into
16 the excellent category. But if it was exceptional, if it was
17 added security measures, that would get them a better score,
18 for example.

19 Q So you said they were able to check the boxes as to
20 what was required. And what would be exceptional beyond what
21 you just identified as being required?

22 A I'll go back to my previous example. If they had a
23 mantrap rather than just walking through the front door and
24 having full access to the dispensary, that would be better to
25 have the mantrap.

1 Q Okay. But if it just had a single public entrance
2 and demonstrated strict security measures to deter and prevent
3 the theft of marijuana, that would only get them an excellent
4 score?

5 A Yes. So if -- so the mantrap would demonstrate
6 strict security measures --

7 Q I see.

8 A -- whereas just walking into the dispensary, being
9 open, that would show that they had a single public entrance,
10 but not necessarily strict security measures.

11 Q Okay. So in the example that you just gave, if they
12 had included a mantrap, what score did you recommend to the
13 evaluators that they score that application as?

14 MS. LEVIN: Objection, incomplete hypothetical.

15 THE COURT: Overruled. You can answer.

16 THE WITNESS: I can't say, because that was just one
17 part of this entire document.

18 BY MR. MILLER:

19 Q Okay. Well, how did you train them to look at
20 individual components relative to the overall scoring for the
21 -- for that individual section?

22 A They would go through this scoring tool and check off
23 everything that was available. If they met all the
24 requirements, that would put -- if they had included all of the
25 required documents, that would put them into the excellent

1 category, and then there's a range in that category.

2 Q Okay. So the range is on page 4; is that right?

3 A Yes.

4 Q Okay. So they had a possibility of ten points for
5 this section; right?

6 A Yes.

7 Q Okay. So how did you train them as to how to break
8 out those ten points for the -- for the requirement that
9 building plans demonstrate necessary regulatory requirements?

10 A So it was separated into thirds. I believe it was --
11 0 to 3 was poor, 4 to 7 was average, and 8 to 10 was excellent.

12 Q Okay. So it looks like, just on this first box,
13 there are five different descriptions on the first page,
14 correct, in terms of the "Regulatory requirements include"? So
15 how did you train them to break out those components and score
16 them?

17 A Well, like I said, if they had all of these included,
18 that would put them into the excellent range.

19 Q I'm sorry?

20 A If they included all of the items listed, that would
21 put them into the excellent range.

22 Q Okay. And so, if they were in the excellent range on
23 the -- ultimately, we go down to the section that, "Demonstrate
24 that the adequate lighting is established." If they were in
25 the excellent stage on just whether or not they've met the

1 regulatory requirements that we just talked about, how many
2 points would they get?

3 A I'm sorry, I couldn't understand you.

4 Q If they were in the excellent range --

5 THE COURT: You've got to speak louder.

6 MR. MILLER: Sorry.

7 BY MR. MILLER:

8 Q If they were in the excellent range on the regulatory
9 -- those five sections of the regulatory requirements, how many
10 points would they obtain?

11 A That would be in the range of 8 to 10 points.

12 Q Okay. They would get 8 to 10 points just on those
13 five criteria alone?

14 A It looks like there's more than five.

15 Q Yeah. To be clear, there's two sections here; right?
16 There's a second section that says, "Demonstrate that adequate
17 lighting is provided in all areas of the establishment," and
18 there's a couple of other criteria that we haven't talked about
19 yet; right?

20 A Those were all included.

21 Q Okay. So if they were missing one component of this,
22 how did you train them to score the application?

23 A Well, I recall letting them know that lighting was
24 typically found in the security section. It was rarely
25 actually included in the building plans section, so I

1 instructed them to always check in the building security
2 section for lighting. But as long as they addressed every
3 single one of these issues, they could fall into the excellent
4 category.

5 Q Okay. And so they'd get the full points; is that
6 right?

7 A They would be in the excellent category of a range of
8 8 to 10 points.

9 Q I'm sorry?

10 A They would be in the range of 8 to 10 points.

11 Q Okay. So you get -- you got 8 to 10 points, so long
12 as you just identify the criteria that's listed on this sheet;
13 is that right?

14 MS. LEVIN: Objection, misstates the testimony.

15 THE COURT: Overruled.

16 THE WITNESS: As long as it met the criteria outlined
17 in the regulations.

18 BY MR. MILLER:

19 Q Okay. And was there additional criteria beyond these
20 evaluation sheets that you asked them to consider?

21 MS. LEVIN: Objection, vague.

22 THE COURT: Overruled.

23 THE WITNESS: Yes.

24 BY MR. MILLER:

25 Q What additional criteria did you ask them to consider

1 that wasn't on the evaluation sheets?

2 A Well, this is just an outline. So, like I said, a
3 single public entrance is required; however, it also says,
4 "Strict security measures to deter and prevent the theft of
5 marijuana or unauthorized entrance."

6 So they could elaborate in that section and
7 demonstrate additional security measures.

8 Q Okay. And what additional security measures did you
9 train them to consider?

10 A A mantrap was one option. If they had an actual
11 vault, rather than just a small safe. If their -- if they had
12 any way to prevent people from just walking past a swinging
13 door to get behind the counter, you know, something more secure
14 would be ideal. It was really up to the applicant to explain
15 that to us.

16 Q Okay. So, as I understand you, if they had listed
17 all of the criteria that's contained in this section, they'd
18 fall in the excellent category, which you described as 8 to 10;
19 is that right?

20 A Correct.

21 Q Okay. And so, on the higher end of the 8 to 10
22 points, they may also have additional items that would
23 supplement those regulatory requirements listed?

24 A I'm sorry, can you -- can you repeat that?

25 Q On the higher end of the spectrum, on the 8 to 10

1 points, they would have listed additional items beyond what was
2 -- beyond the bare minimum that was listed here? Am I
3 understanding your testimony correctly?

4 A No. Just elaborating on what is asked of --

5 Q Okay. Well, what -- how -- what is the difference
6 between somebody who would get 8 points in this section and
7 somebody who would get 10?

8 A For example, if somebody just had a single entrance
9 that went straight out into the dispensary, that would be more
10 in the 8 point range, whereas if they had a mantrap, that would
11 lean more toward the 10 point range. That would show very
12 strict security measures.

13 If they had a very secure vault where they stored all
14 their product, that would be much better than just having a
15 small safe or a small locking cabinet.

16 Q Okay. And what if their plan failed to identify
17 signage that met the advertising guidelines established by the
18 Department? How would that have been dealt with?

19 A So the appearance and the signage was all typically
20 lumped together. They were just to demonstrate that it was
21 going to be professional. I also instructed them not to -- or
22 to keep an eye out for any identifiers in that section, but
23 really, they were just looking to make sure that it was in line
24 with the NAC and that it was professional in appearance.

25 Q Okay. And what happens if they found any

1 identifiers?

2 A I believe that they were deducting two points per
3 section.

4 Q Two points for every time an identifier was
5 mentioned?

6 A No.

7 Q When would you deduct two points?

8 A Two points per section.

9 Q And when you say section, what do you mean?

10 A I believe it was the subsection, but I'm not
11 positive.

12 Q Okay. So by subsection, do you mean that -- on
13 page 4 where it lists 0 to 10 points, it's referring to pages 3
14 and 4, that if you list an identifier in this section, you
15 would lose two points?

16 A That's my understanding.

17 Q Is that how you trained them?

18 A I did not train them to deduct two points.

19 Q Okay. Would you train them relative to this fourth
20 one, "Is of suitable size, construction, and location to
21 facilitate cleaning, maintenance, and proper operations"?

22 A Yes.

23 Q What did you train them with respect to that
24 criteria?

25 A This was about the flow of their floor plan,

1 demonstrating that -- where their equipment was placed, where
2 their -- if they were repackaging on site, that they had a
3 three-compartment sink, that their products were not going to
4 be stored in splash zones or below chemicals, things like that.
5 So, basically, the flow of their floor plan was adequate so
6 that they could adequately clean and operate their facility.

7 Q Okay. And so, specific to the phrase, "Is of
8 suitable size," how did you train them to consider that
9 verbiage in the context of that provision?

10 A Only in the sense that they had the space to walk
11 around and facilitate cleaning and sanitation. That's all I
12 can think of.

13 Q Okay. So does a larger floor plan help in that
14 regard?

15 A Not necessarily.

16 Q Okay. But enough space on that floor plan so that
17 you'd be able to accommodate that criteria; is that right?

18 A Yes.

19 Q Okay. And applicants could submit a single
20 application for any jurisdiction; is that correct?

21 A I'm sorry, I'm having trouble hearing you.

22 Q Applicants could submit a single application that
23 could be used in all different kinds of jurisdictions; is that
24 correct?

25 A I believe so.

1 Q Okay. And so, oftentimes, the evaluators would have
2 been evaluating floor plans that could have applied to seven or
3 eight different applications; is that right?

4 A I believe so.

5 Q Okay. And so, when they made the determination for
6 suitable size, they're simply working off of a model floor
7 plan; is that correct?

8 MS. LEVIN: Objection, calls for speculation.

9 THE COURT: Overruled.

10 THE WITNESS: I suppose that could be possible.

11 BY MR. MILLER:

12 Q Okay. If you'd turn to Exhibit 1009. This is the
13 evaluation sheet for Care, Quality, and Safekeeping.

14 The first criteria here -- I want to go through the
15 same exercise and see if we can understand how you trained them
16 to evaluate this criteria.

17 It says, "Marijuana product has been tested for
18 content, quality, and potency, and that the product is in
19 Metrc, and passed all testing requirements, and is logged and
20 verified in Metrc."

21 How did you train them to evaluate that criteria?

22 A So, they were already very familiar with the
23 regulatory requirements for testing cannabis or marijuana, so
24 they were aware of what needed to be -- what it needed to be
25 tested for.

1 One thing I had specifically -- I specifically recall
2 telling them to watch for was, since this was a dispensary
3 application or a retail store application, that products should
4 already be tested upon receipt. And what a lot of people tend
5 to do is they would put in the application, we will test it for
6 A, B, C, whereas it's really the lab that should be testing it
7 for those items.

8 Additionally, they would say -- they might say
9 something along the lines of, we will have it tested by a lab,
10 when, in reality, that cultivator or producer should have it
11 tested by that lab. So their job is to verify that it had been
12 tested for all those things, not necessarily to send it for
13 testing.

14 Q Okay. And so what -- can you give me an example of
15 what an ideal description of this component of the plan would
16 say?

17 A "The marijuana product has been tested for," and then
18 they would list out potency, terpenes, Aspergillus, total
19 Enterobacteriaceae, yeast and mold, heavy metals. You get the
20 idea. They would -- they would list out everything that it's
21 required to be tested for.

22 Q Okay.

23 A Production runs, depending on what type of product it
24 is, are tested for different items. You know, if it's an
25 extract extracted with a solvent, then it would have to be

1 tested for residual solvents, for example.

2 So we would want to see that kind of detail in the
3 application, just stating that they understand what that lab
4 report should show for that product, and that they understand
5 that it needs to pass on all these items before they receive
6 that product.

7 Q Okay. And you trained them on all of that?

8 A Yes, but like I said, they were already very familiar
9 with the regulations by the time I arrived.

10 Q Okay. How much time do you think they spent
11 reviewing the regulations to understand it on the depth that
12 you just explained?

13 A They were trained on the regulations, and the
14 statutes, and also given tests that they had to pass prior to
15 my arrival in Carson City.

16 Q Okay. So the provisions that you just cited, are
17 those within the regulations?

18 A Yes.

19 Q And so you believed when you arrived for the training
20 that they had already been instructed in such depth that they
21 knew those requirements in enough depth that they only needed
22 these guidelines?

23 A No, I went over them with them again, but they were
24 already very familiar with them.

25 Q Okay. Were they given supplemental materials in

1 order to be able to reference to make sure that they were
2 looking for the right requirements?

3 A Yes, they were given the regulations and statutes.

4 Q Okay. And so did you -- how did you associate the
5 regulations and statutes to any of the individual components?

6 A Well, there's -- there's a regulation that
7 specifically lays out exactly what product has to be tested
8 for, at what stage.

9 Q Okay. And so when they were given the regulations,
10 were they simply given the full body of the NAC 453D?

11 A I'm sorry. I can't hear you.

12 Q How -- how'd you give them the regulations? In -- in
13 what manner did you give it to them? Did you just simply give
14 them the -- the full text of NAC 453D, or did you link it up to
15 specific requirements in the evaluation seats that they were
16 supposed to be looking for?

17 A No, we looked at that specific regulation when we
18 were talking about this specific topic.

19 Q And then you provided those regulations to go along
20 with this?

21 A I believe the regulations were available on their
22 computers.

23 Q And so with this specific criteria here, just this --
24 this one bullet point --

25 A I'm sorry, I can't hear you.

1 Q -- just this one bullet point, you expected the
2 evaluators to look into detail as to specific regulations and
3 apply that, and determine whether or not that was within the
4 application?

5 MS. LEVIN: Objection, vague and argumentative.

6 THE COURT: Overruled.

7 THE WITNESS: I'm sorry. Can you say it again?

8 BY MR. MILLER:

9 Q Sure. With respect to this criteria that we've been
10 talking about, this one bullet point, you expected the
11 evaluators to look through the regulations and associate all of
12 the regulatory requirements that you just told us in order to
13 -- to determine whether or not that was found in the
14 application?

15 A Yes.

16 Q All right. What about the next one, "Demonstrates
17 that no product will be sold until all required quality
18 assurance testing has been completed."

19 What did you train them on that, with respect to that
20 criteria?

21 A Basically, the -- the retail store application just
22 had to demonstrate that they understood that product could not
23 be sold until it has passed all required testing.

24 Q Okay. So was it sufficient to state simply that?

25 A Yes.

1 Q And for that, would you be given an excellent
2 response -- excellent score?

3 A For just that one section?

4 Q Yes.

5 A No.

6 Q No? So how'd you train them to score it if they were
7 missing that component?

8 A They looked at the section as a whole.

9 Q Okay. So when you say whole, again, you mean that
10 this range that's on the next page, page 2, zero to five
11 points; is that right?

12 A I'm sorry, what was that?

13 Q On the next page, it says, the range there is zero to
14 five points.

15 A Yes.

16 Q So you're telling me, as I understand it, that
17 they're supposed to look at the evaluation elements that are on
18 Exhibit 1009, page 1 and 2, a full list of bullet points, and
19 break that down into five points; right?

20 A Yes.

21 Q Okay. So how were they trained to break out those
22 five points with respect to all of these different required
23 components?

24 A Well, so, sorry, I have to do some math real quick.
25 But basically, they would -- again, they would break up the

1 zero to five into thirds, and you know, the -- the lowest third
2 section of points would be poor response, the middle would be
3 average, and if they included everything, that would be an
4 excellent response.

5 Q Okay. So then if it appeared to be missing one-
6 third of it, one-third of the requirements here, what would
7 they have been trained to -- how would they have been trained
8 to score that application?

9 A It depends on how detailed they were in all of their
10 responses. It wasn't just, they mentioned something briefly,
11 you know. As long as -- as they were detailed in their
12 responses, that would put them in a certain range.

13 Q So let's say that the application did not mention,
14 did not demonstrate that product wouldn't -- will be sold until
15 all required quality assurance testing had been completed;
16 okay?

17 A Okay.

18 Q But on another section they -- they exceeded the
19 requirements; could they still get a perfect score?

20 A No.

21 Q Okay. Then how did you train them to -- to score the
22 applications in that situation?

23 A If they -- if they addressed all of the different
24 bullet points in the scoring tool, that would put them into the
25 excellent category.

1 Q Okay. So if you addressed all of them, you -- it
2 went under the excellent category, which you said was in
3 thirds; is that right?

4 A I'm sorry, I'm having a hard time hearing you.

5 Q So what score would -- would they get if they had
6 just simply addressed all of the components?

7 A It depends on how much detail they included.

8 Q Okay. I thought we just went through that. Was it
9 the level of detail that -- that is in these plans,
10 irrespective of whether or not they failed to include
11 provisions?

12 A It's both.

13 Q Okay. And how is it both?

14 A They have to address all of these issues and they
15 have to include details about them. So for example if they
16 just said the product will be tested, but they don't outline
17 what it will be tested for, that would not necessarily get them
18 full points.

19 Q Okay. But -- but assuming that they met all of that
20 criteria in the section you just mentioned, "Marijuana product
21 has been tested for content, quality and potency and that the
22 products as (indiscernible) can pass all testing requirements
23 and is logged and verified and measured."

24 Assuming they met that, okay? And they missed the
25 next section in its entirety, "Demonstrate that no product will

1 be sold until all required quality assurance testing has been
2 completed."

3 How would that affect their score as to these five
4 points?

5 A That would put them into the average response.

6 Q Because they missed the entire component?

7 A Yes.

8 Q Okay. So it didn't matter how much additional detail
9 they added in the top -- in the one above that where you told
10 us that you were looking for specific chemical compounds;
11 right? You couldn't make up for the fact that you missed this
12 section, so you were going to deduct points; is that right?

13 A I believe so.

14 Q Yeah. And so isn't it a fact that you trained them
15 to -- to deduct points if these -- if individual components of
16 these sections were missing?

17 A Yes.

18 Q Okay. So this isn't really an evaluation of the plan
19 itself; right? This is more of an evaluation of whether or not
20 they -- they have met these basic regulatory requirements and
21 mentioned them in the format that's contained here; is that
22 right?

23 A No.

24 Q Okay. Then what was the process?

25 A Well, I feel that if they met all these criteria,

1 that was an evaluation of the plan that they were providing.

2 Q I'm sorry?

3 A If they met all the criteria, they also reviewed the
4 details of the plans that were provided.

5 Q Okay. But, I mean, was it better to -- was it
6 possible to provide a better plan in this regard and be ranked
7 and scored higher?

8 A I'm sorry, I -- I can't hear you.

9 Q Would it be possible to be scored higher if you
10 simply included all of these provisions, than somebody else
11 that -- that -- could somebody that scored -- that included
12 additional provisions beyond what's simply listed here, be
13 scored higher than somebody who just met the -- the actual
14 verbiage and the requirements that you have listed?

15 A I'm not sure I understand your question.

16 Q Okay.

17 THE COURT: Can you rephrase?

18 MR. MILLER: Yes.

19 THE COURT: Thanks.

20 BY MR. MILLER:

21 Q Was there some subjective analysis, where you're
22 asking them to evaluate these plans, in any level of context to
23 say that this is -- this plan that I'm seeing here, better
24 addresses this individual component than the one I just
25 reviewed?

1 A Yes.

2 Q And how did you train them to do that?

3 A Well, like I said, if they just said, we will test it
4 for content, quality and potency, you know, they're addressing
5 the issue, but the scorers were trained to look for the
6 details, the specifics that are outlined in the regulation
7 demonstrating that the applicant is fully aware of what the
8 product needs to be tested for.

9 Q So it says, "Demonstrates that it must disclose the
10 name of the independent testing lab which performed the
11 required quality assurance tests."

12 Is that a criteria that somebody could do better on,
13 relative to a different applicant?

14 A Not necessarily. That one was more just it was there
15 or it wasn't.

16 Q Okay. "Demonstrates responsibility that all
17 screening and testing has been performed."

18 Is that a criteria that somebody could do better on
19 than another applicant?

20 A Not necessarily.

21 Q "Each lot must be appropriately identified as to its
22 status, such as quarantined, approved or rejected."

23 Is that a criteria that somebody could do better on,
24 relative to another applicant?

25 A I'm sorry, where are you reading from?

1 Q Sorry, the second -- page 4, midway through,

2 Each lot must be appropriately

3 identified as to its status such as

4 quarantined, approved or rejected.

5 UNIDENTIFIED SPEAKER: Mr. Miller, what page are
6 (inaudible)?

7 MR. MILLER: Sorry, page -- page -- sorry, it's page
8 2, 1009-2. The second page, midway down the line.

9 BY MR. MILLER:

10 Q Do you see the -- the bullet point that says,
11 "Defines that each container or grouping of containers from
12 components, product containers or closures are identified with
13 the Metrc package number and lot or production run number."

14 Is that a criteria that somebody could perform better
15 on in the application than another applicant?

16 A No, I believe that was either included or it wasn't.

17 Q Yeah. And so if it wasn't included, then the
18 evaluators were -- were instructed to subtract points?

19 A Correct.

20 Q All right. Turn to page 3. You also trained them
21 with respect to the transportation plan; correct?

22 A Yes.

23 Q And this one is -- this -- this category is -- is
24 worth, let's see, 10 points. So how did you train them as to
25 the evaluation criteria that you have listed on these two pages

1 relative to how they were expected to score the overall
2 application, the overall section?

3 A So one thing that stands out is the second bullet
4 point, "Demonstrate that no more than five ounces or equivalent
5 of marijuana may be transported at any time."

6 That section, in particular, had changed since the
7 medical regulations. So I had instructed the scorers to keep
8 an eye out for applications that would say they would transport
9 ten ounces of marijuana as that was not permitted in the
10 regulations for recreational.

11 For this section, well, really for -- for all of the
12 sections, we scored mock applications from the 2014 medical
13 application period.

14 And so we -- we went through those as examples and we
15 discussed together as a group what we thought was good, poor,
16 average, what could be improved on, what we liked, and what
17 score we thought would be reasonable for that section, and why.

18 And we did that over, and over, and over again until
19 we were all really on the same page and they had their minimal
20 questions.

21 And then after that we started separating them and
22 continued to practice independently verifying that we were
23 coming to consistent scores.

24 Q Okay. So what additional criteria listed beyond here
25 through the training when were conducting the scoring that you

1 just mentioned, did you identify as the areas that you liked or
2 thought should be given additional emphasis?

3 MS. LEVIN: Your Honor, I'm having a hard time
4 hearing the questions.

5 THE COURT: Mr. Miller, you're going to have to keep
6 your voice up.

7 MR. MILLER: Okay.

8 THE WITNESS: Sorry, I couldn't hear you.

9 BY MR. MILLER:

10 Q What additional criteria beyond what's listed here
11 did you -- did you inform the evaluators to look for that would
12 help identify an excellent response?

13 A It was just what was on this scoring tool is what
14 they were supposed to look for.

15 Q Okay. So there's no other provisions of the
16 regulations that they were supposed to look to in order to
17 determine whether or not the requirements had been met?

18 A Well, there are specific regulations in NAC 453D,
19 which at the time was R092-17, that they were supposed to
20 reference for specific details.

21 Q Okay. So there were additional details that the
22 evaluators were supposed to look to, beyond just this
23 evaluation sheet?

24 A Yes, the regulations.

25 Q Okay. And do you recall which provisions were given

1 additional weight and which ones that you were supposed to look
2 for additional criteria beyond what's listed here?

3 A I do recall telling them that a sample log and sample
4 trip plan were rarely included and to not weight those very
5 heavily. But other than that, no, I -- I don't recall anything
6 having a different weight.

7 Q Okay. So what did you train them with respect to how
8 an applicant might demonstrate how marijuana products,
9 paraphernalia, marijuana infused products, or marijuana edible
10 products will be transported from the applicant's facility to a
11 consumer, or to another recreational marijuana retail store?

12 A It's -- it's really outlined in detail below. But it
13 was up to them to describe to us how they'll be transporting
14 them. And if they're going to use their own vehicle that they
15 own, what type of vehicle, that it's unmarked, what kind of
16 communication they have, really just how the process is going
17 to take place, and their procedures.

18 Q Okay. And so if they were going to use their own
19 vehicle, what -- is that in any way identified here in the
20 criteria, the evaluation elements that's on this page?

21 A Yes. It says, "Provide a description, all vehicles
22 which will be used in the transportation." Yeah.

23 Q So let's suppose that they did use their own vehicle.
24 What criteria -- what -- what components are you looking for in
25 order to evaluate that plan?

1 A They would need to -- exactly what it says in this
2 sheet, that they have no identification on the vehicle, and
3 that the products will not be visible during transportation.

4 Q Okay. So as long as the plan mentioned that, then
5 they would have met that criteria?

6 A Yes.

7 Q Okay.

8 A And a description of the vehicle.

9 Q Beyond those enumerated provisions, is there anything
10 else that they could have done to earn a better score?

11 A Not that I recall.

12 Q Okay.

13 THE COURT: Would this be a convenient place to break
14 for lunch, Mr. Miller?

15 MR. MILLER: Yes, Your Honor. Thank you.

16 THE COURT: All right. So we'll see you guys at 1:00
17 o'clock.

18 Please remember, I need you to keep your voice up --
19 Mr. Miller.

20 MR. MILLER: Yeah.

21 (Proceedings recessed at 11:57 a.m. until 12:59 p.m.)

22 THE COURT: Pull your mask back up, Mr. Miller. You
23 gotta keep it up, and you gotta keep your voice up because
24 you're more quiet than most people it seems like.

25 MR. MILLER: I'm working on it. Working on it, Your
