Appendix

Traffic:

Average vehicle traffic by day of the weekend by hour for a selected road segment.

Residential Population:

Population residing in single-family or multi-family homes.

Daytime Population:

Quarterly historical total number of employees (often referred to as daytime population). Daytime population is a key metric for understanding the density of an area during the day. Many businesses, like retail outlets/retailers, need a strong daytime population to flow from to avoid with store revenue. Growth/decline of employee populations does not necessarily indicate whether a "daytime" market seems to have room to grow or is actually in decline.

Seasonal Population:

Population residing in a housing unit specifically designated as seasonal housing, like a summer cottage or winter home.

Transient Population:

Population making in a hotel or RV/Recreational Vehicle for at least 1 night.

Re: THC Nevada, LLC

To whom it may concern,

I have been Mr. Steven B. Cohen's independent Certified Public Accountant for over a decade and responsible for all tax matters with state and federal authorities. As such I am familiar with his financial affairs. Please be advised that Mr. Cohen has cash and cash equivalents in excess of Five Hundred Thousand Dollars (\$500,000), all of which he will commit to project(s) for which THC Nevada seeks permits.

Should you have any questions, my office number is 702-382-1141.

Regards,

26 noted in the record, and upon the Court's consideration of the pleadings and papers on file herein,
27 including any joinders and oppositions, the arguments of counsel, and good cause appearing,
28 makes the following findings of facts and conclusions of law:

FINDINGS OF FACT

1
2 1. At least eight cases have been filed in the Eighth Judicial District Court that center
3 on the Department of Taxation's method of awarding recreational marijuana licenses and whether
4 that method violated the Constitution of the United States of America, the Nevada Constitution
5 and NRS Chapter 453D.

6 2. The case numbers for the eight cases are listed in chronological order as follows:
7 (1) A-18-785818-W, (2) A-18-786357-W, (3) A-19-786962-B; (4) A-19-787004-B; (5) A-19-
8 787035-C; (6) A-19-787540-W; (7) A-19-787726-C; (8) A-19-801416-B.

9 3. The first case (Case No A-18-785818-W) was filed in Department VIII on
10 December 10, 2018, and was brought by MM Development Company, Inc.

11 4. The most recent case (Case No. A-19-801416-B) was filed in Department XIII on
12 September 5, 2019, and was brought by Qualcan, LLC.

13 5. Although it was not the first filed case, due to an absence in Department VIII, the
14 case filed by Serenity Wellness Center LLC, et al. (Case No. A-19-786962-B) in Department XI
15 became the lead case for these disputes.

16 6. To date, Department XI has heard various dispositive motions, including a motion
17 for preliminary injunction, which was coordinated amongst a majority of the cases, and motions
18 for summary judgment.

19 7. In total, Department XI has heard 20 days' worth of evidentiary hearings.

20 8. Additionally, Department XI has a trial setting for March 2020, which will resolve
21 all of these disputes prior to the June 2020 extension for the recreational marijuana license
22 awardees to open their businesses.

23 9. Although Department VIII has had its case for longer, it has heard fewer hearings
24 and is not as far along in the litigation process as Department XI.

25 10. The plaintiffs in all of these cases allege substantially similar claims against the
26 Department of Taxation and request substantially similar remedies to rectify the Department of
27 Taxation's alleged wrongdoings.
28

1 11. If any findings of fact are properly conclusions of law, they shall be treated as if
2 appropriately identified and designated.

3 **CONCLUSIONS OF LAW**

4 12. NRCF 42(a) allows for the consolidation of actions when there is “a common
5 question of law or fact” among the actions that a party seeks to consolidate.

6 13. The purpose behind consolidation of actions is “to promote efficiency or preserve
7 fairness.” *Shuette v. Beazer Homes Holdings Corp.*, 121 Nev. 837, 852, 124 P.3d 530, 541
8 (2005).

9 14. Actions share common questions of law or fact when “there is some commonality
10 of issues,” even if there is not “perfect identity” between all the claims in the actions. *Krause v.*
11 *Nevada Mut. Ins. Co.*, No. 2:12-CV-00342-JCM-CW, 2013 WL 6524657, at *3 (D. Nev. Dec. 10,
12 2013).

13 15. If there is commonality of issues among the cases, then this Court must weigh the
14 benefits that consolidation will produce against the inconvenience, prejudice, delay, or confusion
15 to the parties that may result from consolidation. *Id.*

16 16. Under the local rules, consolidation motions are generally heard by the judge
17 assigned to the first action that was commenced, and if the actions are consolidated, then the new
18 consolidated case is generally heard before that same judge. EDCR 2.50(a).

19 17. However, EDCR 2.50(c) provides that the Chief Judge of the Eighth Judicial
20 District Court has “the authority to order consolidation or coordination of any cases pending in
21 the district,” regardless of “any other provisions in [the Eighth Judicial District Court Rules].”

22 18. Given that EDCR 2.50(c) gives this Court the authority to consolidate any cases
23 pending in the district regardless of the other provisions in the local rules, this Court exercises
24 that authority to consolidate these cases into Department XI

25 19. These cases all share common questions of law and fact, in that the claims and the
26 prayers for relief mirror each other in each of the actions.

1 20. These commonalities justify consolidating all of the above listed cases pending
2 before the Eighth Judicial District Court, in order to promote efficiency, preserve fairness, and
3 avoid conflicting results. *Shuette*, 121 Nev. at 852, 124 P.3d at 541.

4 21. Moreover, due to how far along Department XI is in the litigation process, this
5 Court exercises its authority under EDCR 2.50(c) to consolidate the pending cases into
6 Department XI as opposed to Department VIII for the purpose of judicial efficiency.

7 22. If any conclusions of law are properly findings of fact, they shall be treated as if
8 appropriately identified and designated.

HEARING REQUESTED

**THE ESSENCE ENTITIES' MOTION
FOR SUMMARY JUDGMENT AGAINST
ALL PLAINTIFFS**

1 **MEMORANDUM OF POINTS AND AUTHORITIES**

2 **I. INTRODUCTION**

3 Plaintiffs,¹ all unsuccessful applicants for recreational marijuana dispensary licenses, have
4 sued the State of Nevada Department of Taxation ("DOT") seeking to invalidate the application
5 process and the conditional licenses that the DOT issued to the successful applicants. Plaintiffs'
6 various complaint make spurious allegations about various purported violations that, according to
7 their own complaints, *caused* them not to obtain a license. Stated slightly differently, whether it be
8 for standing or for the substantive elements of Plaintiffs' claims, Plaintiffs must prove causation
9 between the alleged unlawful acts and the injury for which they seek judicial relief. Yet, discovery
10 has left no doubt that Plaintiffs cannot prove a central element of their case.

11 Plaintiffs have testified that they have no evidence or facts that the allegedly unlawful
12 regulations or purported errors in the application process had any bearing on why their applications
13 were unsuccessful. Plaintiffs have likewise testified that they have no evidence or facts that their
14 applications where in any way superior to any of the winning applicants. Moreover, Plaintiffs have
15 acknowledged that they have no evidence that they would have been granted a license under a
16 different process, one that would purportedly satisfy their own preferred standards. In other words,
17 they admit that they have no evidence – offering only self-serving speculation – that they would
18 have fared any better under a different ranking regime.

19 In short, Plaintiffs have no evidence to show that any purported deficiency caused DOT to
20 reject their applications or caused DOT to highly rank the Essence Parties or any other winning
21 applicant. Plaintiffs' admissions that they have no evidence showing any link between the alleged
22 unfair/deficient process, their supposed injury, or that an order from this Court would redress their
23 grievances is fatal and warrants summary judgment.

4 During the 2016 election, Nevada voters passed through Ballot Question No. 2 the
5 Regulation and Taxation of Marijuana Act (the "Act"), which amended the Nevada Revised Statutes
6 to legalize the purchase, possession and consumption of recreational marijuana for adults 21 and
7 older. As provided in the statutory scheme, DOT was to adopt "all regulations necessary or
8 convenient to carry out the provisions" of the Act, including "[p]rocedures for the issuance, renewal,
9 suspension, and revocation of a license to operate a marijuana establishment" and "[q]ualifications
10 for licensure that are directly and demonstrably related to the operation of a marijuana
11 establishment." NRS 453D.200(1). On January 16, 2018, after public comments and hearing, the
12 Tax Commission approved regulations to carry out the provisions of NRS Chapter 453D. LCB File
13 No. R092-17.

14 In July 2018, DOT issued a notice that it would be accepting applications between
15 September 7, 2018 and September 20, 2018 for 64 recreational marijuana licenses in various
16 jurisdictions in Nevada. The application period was highly competitive with DOT receiving a total
17 of 462 applications. In December 2018, DOT issued 61 conditional recreational marijuana licenses
18 as part of this application period. Shortly thereafter, Plaintiffs, a collection of unsuccessful
19 applicants for retail marijuana licenses then sued alleging the denial of their applications during the
20 2018 application period was purportedly unlawful through ever evolving legal theories and wild
21 allegations concerning the application process from favoritism to corruption. As discussed below,
22 those accusations have been exposed as having no substantive evidentiary support.

23 **B. Plaintiffs Fail to Offer any Evidence to Support their Claims.**

24 While Plaintiffs have made much noise through conclusory allegations about the application
25 process, under oath these very same Plaintiffs have confessed they have no actual facts or evidence
26
27
28

1 to support their allegations or claims.² When asked point blank whether they could identify any
2 conditional licenses that DOT granted in an unlawful manner, Plaintiffs admitted they could not:

3 Q. All right. Can you identify any conditional licenses that were
4 granted in an unlawful manner?

5 A. Specifically, no.

6 ...

7 Q. Can you identify any conditional license that was granted in an
8 unlawful manner at all?

9 A. Specifically?

10 Q. Yes.

11 A. No.

12 Q. Okay. And so as the company's representative, you're unaware of
13 any conditional licenses that were granted in an unlawful manner;
14 right?

15 MR. DZARNOSKI: Objection. Foundation.

16 THE WITNESS: I don't know.

17 (Ex. 1, Dep. Tr. of Jeremy Thompson, Esq., 30(b)(6) for Fidelis Holdings, LLC, 40:7-25; Ex. 2,
18 Dep. Tr. of White & Mersha, 30(b)(6) of Natural Medicine, 47:23-49:12, "And can you tell me who
19 it was that shouldn't received a license? . . . A. That, I don't --- I don't have named that I could give
20 you."). When asked which applicants received licenses that should not have received one, Plaintiffs
21 confessed they did not know:

22 So who are the people that Fidelis claims shouldn't have received a
23 license?

24 A. I don't recall the specific names.

25 Q. Are there any specific names?

26 A. I'm sure there are.

27 Q. Okay. But -- so then who am I supposed to talk to to get that
28 information if it isn't you?

² At the time of filing this motion, the Essence Parties still has not received all Plaintiffs' deposition transcripts from the Court reporting service and some depositions are forthcoming. However, all Plaintiffs have so far testified similarly in their respective depositions. Upon receipt, the Essence Parties intend to file a supplemental with additional testimony from other Plaintiffs' Rule 30(b)(6) designees that corroborates the testimony presented in this motion.

1 A. I don't know.

2 Q. So as you sit here today as the company's designated
3 representative, you can't identify anyone who received a license that
4 shouldn't have; correct?

4 A. Correct.

5 (Ex. 1, Dep. Tr. of Jeremy Thompson, Esq., 30(b)(6) for Fidelis Holdings, LLC, 25:9-20). Fidelis,
6 as well as the other Plaintiffs, similarly could not offer any evidence or facts to support the
7 allegations presented in their operative pleadings. For example, while Plaintiffs have hurled
8 accusations that certain applicant's received favoritism, Plaintiffs could not identify applicants who
9 received any sort of favoritism, much less offer any facts on what sort of favoritism was received
10 or how it affected the process. (Ex. 1, Dep. Tr. of Jeremy Thompson, Esq., 30(b)(6) for Fidelis
11 Holdings, LLC, 22:2-25:1, 44:12-15 "Q. So as you're -- as the company's representative, you can't
12 identify any facts of corrupt decision-making; correct? A. Correct."; *See also* Ex. 3, Dep. Tr. of
13 Dr. Bady., 30(b)(6) for NuVeda, Vol. II, 63:18-23, 68:7-13, "Q. What evidence do you have that
14 the Essence entities gave anything of value to Mr. Pupo or any department employee? A. I don't
15 have any evidence."). Unremarkably, most Plaintiffs claimed they have no information or evidence
16 that DOT did anything improper regarding the application process. (Ex. 2, Dep. Tr. of White &
17 Mersha, 30(b)(6) for Natural Medicine, 82:11-19, 83:17-20, 83:24-84:3).

18 Plaintiffs likewise testified that they could not offer any facts on a myriad of other purported
19 issues with the licensing process that Plaintiffs have raised, including which applicants' apparently
20 failed to disclose their owners or failed to obtain a physical address, or how the grader's were
21 unqualified and insufficiently trained. (Ex. 1, Dep. Tr. of Jeremy Thompson, Esq., 30(b)(6) for
22 Fidelis Holdings, LLC, 22:2-25:1, 28:3-13, 30:10-19, 33:6-17, 35:18-20, 36:12-17, 37:16-38:25,
23 39:9-40:1, 44:12-15; *See also* Ex. 3, Dep. Tr. of Dr. Bady., 30(b)(6) for NuVeda, Vol. II, 28:25-
24 29:11, 31:17-21). In fact, as Medifarm's 30(b)(6) designees admitted it had essentially no evidence
25 to support any of the allegations lodged in its complaint, albeit other than what the Court stated in
26 the preliminary injunction order which of course is not "evidence." (Ex. 4, Dep. Tr. of Jeremy
27 Thompson, Esq., 30(b)(6) for Medifarm, 19:13-20:24, 55:9-57:7, 58:17-60:22, 61:12-15,
28 61:19-62:14.)

1 Yet, fatal to Plaintiffs' claims is the fact that Plaintiffs could not offer any facts that they
2 would have won a license under a different process:

3 Q. Is it Fidelis's position that it would have won a license in a
4 different process?

5 A. I don't know.

6 Q. Does it have any facts upon which to claim it would have actually
7 received a license if the process had been any different?

8 A. I don't know.

9 Q. So as the company's representative, you can't identify any facts
10 that it would have received a license under a different process?

11 A. I don't know.

12 ...

13 Q. Does Fidelis have any facts that it would have received a license
14 if the process had been conducted differently?

15 A. I don't know.

16 Q. So as the company's representative, you cannot identify any such
17 facts; correct?

18 A. Not at this time.

19 (Ex. 1, Dep. Tr. of Jeremy Thompson, Esq., 30(b)(6) for Fidelis Holdings, LLC, 46:9-19; *see also*
20 Ex. 5, Dep. Tr. of Ronald Memo, 30(b)(6) for Just Quality, 95:3-11; Ex. 3, Dep. Tr. of Dr. Bady.,
21 30(b)(6) for NuVeda, Vol. II, 42:2-11, "Even with all of those changes, though, the NuVeda entities
22 can't say that it would have received a license, correct? A. I have no idea."; Ex. 6, Depo. Tr. of
23 David Thomas, 30(b)(6) of Nevadapure, 290:2-291:9 "So I have one follow-up question on that.
24 So do you have any evidence that Nevadapure would have won a license under a different process?
25 A. No...")

26 Moreover, Plaintiffs disclaimed that their applications were any way superior to that of
27 any of the applicants who won a license:

28 Q. All right. So tell me what facts Fidelis bases its contention that its
licensing -- that its qualifications were superior to anybody who was
awarded a license?

A. It's not my understanding that that is our contention . . .

1 (Ex. 1, Dep. Tr. of Jeremy Thompson, Esq., 30(b)(6) for Fidelis Holdings, LLC, 13:13-19; Ex. 5,
2 Dep. Tr. of Ronald Memo, 30(b)(6) for Just Quality, 94:13-19, "A. Our contention isn't that we're
3 superior."; Ex. 3, Dep. Tr. of Dr. Bady., 30(b)(6) for NuVeda, Vol. II, 109:19-21, "Q. And does
4 NuVeda think that it's superior to all other applicants on every factor? A. No."; Ex. 4, Dep. Tr. of
5 Jeremy Thompson, Esq., 30(b)(6) for Medifarm, 16:5-9; Ex. 6, Depo. Tr. of David Thomas,
6 30(b)(6) of Nevadapure, 290:2-291:9) Lastly, Plaintiffs confessed they have no evidence or facts
7 that any of the purported issues in the process caused them not to get a license:

8 Q. So as you sit here as Fidelis's representative, you are unaware of
9 any facts that Fidelis was disadvantaged; correct?

10 A. Correct.

11 ...

12 Q. Okay. What facts -- what facts do you have that Fidelis was in
13 any way disadvantaged by the graders?

14 A. I don't have any facts.

15 Q. So as the company's representative, you can't identify any facts
16 that Fidelis was disadvantaged by alleged poor training; correct?

17 A. Correct.

18 (Ex. 1, Dep. Tr. of Jeremy Thompson, Esq., 30(b)(6) for Fidelis Holdings, LLC, 15:25-17:22; *see*
19 *also* Ex. 7, Dep. Tr. of Daniel Stewart, Esq., 30(b)(6) for Fidelis Holdings, LLC, 240:4-7, "Q. So
20 as far as you know, there is no evidence that this five percent rule or the background check rule had
21 any impact on who won or didn't win? A. As far as I know."; Ex. 5, Dep. Tr. of Ronald Memo,
22 30(b)(6) for Just Quality, 101:7-103:21 and 117:3-8, ".Q. Okay. You have no facts that anybody
23 got any information that advantaged them or disadvantaged you? . . . Yes, I have no specific
24 information on that; Ex. 3, Dep. Tr. of Dr. Bady., 30(b)(6) for NuVeda, Vol. I, 98:25-99:8,
25 99:25-100:7, 103:11-19, 109:5-13, 112:10-13, 112:23-:113:1, 121:5-8, 121:14-17; Ex. 8, Dep. Tr.
26 of Barry Fieldman, 30(b)(6) for Gravitas, 186:24-187:22, 194:4-11; Ex. 2, Dep. Tr. of White &
Mersha, 30(b)(6) of Natural Medicine, 84:18-25).

1 **III. ARGUMENT**

2 **A. Motion for Summary Judgment Standard.**

3 The Nevada Supreme Court's decision in *Wood v. Safeway, Inc.*, 121 Nev. 724, 729-32,
4 121 P.3d 1026, 1029-31 (2005), expressly adopts the summary judgment standards set forth by the
5 United States Supreme Court in *Matsushita Electric Industrial Co. v. Zenith Radio*, 475 U.S. 574
6 (1986), *Anderson v. Liberty Lobby, Inc.*, 477 U.S. 242 (1986), and *Celotex Corporation v. Catrett*,
7 477 U.S. 317 (1986). Relying on those cases, the *Wood* Court explained, "Rule 56 should not be
8 regarded as a 'disfavored procedural shortcut' but instead 'as an integral part of the [rules of civil
9 procedure] as a whole, which are designed to secure the just, speedy and inexpensive determination
10 of every action.'" *Wood*, 121 Nev. at 730, 121 P.3d at 1030 (quoting *Celotex*, 477 U.S. at 327).

11 Summary judgment is appropriate "if the pleadings, depositions, answers to interrogatories,
12 and admissions on file, together with the affidavits, if any, show that there is no genuine issue as to
13 any material fact and that the moving party is entitled to judgment as a matter of law." NRCP 56(c).
14 Under NRCP 56(c), a court must grant summary judgment when there is no genuine issue of
15 material fact and the movant is entitled to judgment under the law. *Butler v. Bogdanovich*,
16 101 Nev. 449, 451, 705 P.2d 662, 663 (1985). "[W]hen reviewing a motion for summary judgment,
17 the evidence, and any reasonable inferences drawn from it, must be viewed in a light most favorable
18 to the non-moving party." *Id.* But, a genuine issue of material fact can only exist where the evidence
19 – in light of the applicable standard – would permit a finder of fact to return a verdict in favor of
20 the non-moving party. *Posada v. City of Reno*, 109 Nev. 448, 452, 851 P.2d 438, 441-42 (1993).

21 Importantly, if the nonmoving party (Plaintiffs here) bear the burden of persuasion at trial,
22 the party moving for summary judgment may satisfy the burden of production by "pointing out that
23 there is an absence of evidence to support the nonmoving party's case." *Cuzze v. Univ. & Cmty.*
24 *Coll. Sys. of Nevada*, 123 Nev. 598, 603, 172 P.3d 131, 134 (2007). "In such instances, in order to
25 defeat summary judgment, the nonmoving party must transcend the pleadings and, by affidavit or
26 other admissible evidence, introduce specific facts that show a genuine issue of material fact." *Id.*
27 As discussed below, there is an absence of material sufficient evidence that supports Plaintiffs' case
28 – a fact their own corporate designees readily admitted. Plaintiffs as the nonmoving party bear the

1 burden of production at trial and are "not entitled to build a case on the gossamer threads of whimsy,
2 speculation, and conjecture." *Wood*. 121 Nev. at 732, 121 P.3d at 1030 (quoting *Bulbman, Inc. v.*
3 *Nevada Bell*, 108 Nev. 105, 110, 825 P.2d at 588, 591 (1992)).

4 **B. Plaintiffs Fail to Produce Evidence Showing a Connection Between Their**
5 **Grievances and the Supposed Injury for Which They Seek Relief.**

6 Regardless of what Plaintiffs call their claims, the crux of their case asserts that there were
7 purported statutory or regulatory violations in the licensing process that caused them not to obtain
8 a license. It is axiomatic under the law Plaintiffs must prove causation between the alleged unlawful
9 acts and the injury for which they seek relief. *See Baer v. City of Wauwatosa*, 716 F.2d 1117, 1121
10 (7th Cir. 1983)(a plaintiff must prove a causal link between the violation and the injury). Moreover,
11 to have standing Plaintiffs must show "a causal connection between the injury and the conduct
12 complained of, and that it must be likely, as opposed to merely speculative, that the injury will be
13 redressed by a favorable [court] decision." *Miller v. Ignacio*, 112 Nev. 930, 936 n.4, 921 P.2d 882,
14 885 n.4 (1996) (citing *Lujan v. Defenders of Wildlife*, 504 U.S. 555, 560 61 (1992)).

15 Plaintiffs own operative pleadings confess that this is an essential element of their case.
16 (*See, e.g.,* ETW Plaintiffs' Third Am. Comp., on file, Jan. 29, 2020, "[a]s a direct and proximate
17 result of the...violations...Plaintiffs' sustained damages . . . "; NWC's Am. Compl, on file, Jan. 28,
18 2020, "[d]ue to the...violations...Plaintiff was unconstitutionally denied recreational marijuana
19 licenses."; Serenity Plaintiffs' Sec. Am. Comp., on file, Nov. 26, 2019, "Plaintiffs' would have been
20 entitled to receive said licenses had the Department properly applies the provisions . . . "). Yet,
21 Plaintiffs have failed to proffer even the slightest evidence connecting the purported violations in
22 the licensing process with their supposed injury. This failure is fatal to Plaintiffs' claims.

23 Plaintiffs have testified that they have no evidence or facts that the unlawful regulations or
24 purported errors in the application process *caused* their applications to be unsuccessful. For
25 example, as confirmed by Plaintiffs' testimony, among other things, Plaintiffs have no facts that
26 DOT's 5% regulation *caused* them not to get a license, that DOT's interpretation of the physical
27 address component *caused* them not to get a license, or that DOT's grading or scoring processes
28

1 *caused* them not to get a license.³ Indeed, some Plaintiffs have admitted that internal errors and
2 inconsistency in their own applications were the cause of their application being unsuccessful.

3 Plaintiffs have likewise testified that they have no evidence or facts that their applications
4 where in any way superior to any of the winning applicants.⁴ Moreover, Plaintiffs have
5 acknowledged that they have no evidence that they would have been granted a license under a
6 different process.⁵ In short, Plaintiffs have no evidence to show that any purported deficiency
7 caused DOT to reject their applications or caused DOT to highly rank the Essence. Plaintiffs do not
8 even claim that they would have received a license under a different process. Plaintiffs' failure to
9 present any evidence showing any link between the alleged unlawful acts, their supposed injury, or
10 that an order from this Court would redress their grievances is fatal and warrants summary
11 judgment.

APPEARANCES CONTINUED: Attorney Andrew Sharples, Attorney Rick Hsu, and Attorney James Donovan, as well as Mr. Frank Hawkins, Client Representative for Nevada Wellness Center.

All parties appeared by telephone.

Arguments by Mr. Parker, Mr. Fetaz, Mr. Christiansen, Mr. Bice, Mr. Shevorski, Mr. Williamson, Ms. Shell, Mr. Schwarz, Mr. Wight, Mr. Prince, Mr. Dzarnoski, and Mr. Gentile. Court complimented counsel and their staff on the briefing and the way it was put together, including the voluminous exhibits. COURT, noting several requests for 56(d) relief, ORDERED, given the suspension of the depositions as a result of the public health emergency, and given the record before the Court, it is not necessary to continue for the completion of the depositions as the Court has been provided with the expert reports by the Plaintiffs. The testimony at the preliminary injunction is testimony under oath and for purposes of summary judgment is considered the same as a deposition. The findings of fact, however, are preliminary and are not entitled to the same consideration. The Court GRANTS IN PART Nevada Wellness' Motion for Summary Judgment with respect to the first claim for relief; the term "prospective owner" is not ambiguous; the term clearly means those owners at the time of the application who were seeking an award of a license; the Department of Taxation's decision to not require disclosure on the application and to not conduct background checks of persons owning less than 5% prior to the award of a conditional license is an impermissible deviation from the mandatory language of Ballot Question 2, which mandated a background check of each prospective owner, officer, and board member of a marijuana establishment license applicant; the citation to that is NRS 453d.200(6); the Department of Taxation acted beyond its scope of authority when it arbitrarily and capriciously replaced the mandatory requirement of Ballot Question 2 for the background check of each prospective owner, officer, and board member with the 5% or greater standard in NAC 453.255(1); this decision by the Department of Taxation was not one they were permitted to make as it resulted in a modification of Ballot Question 2, in violation of Article 19, section 2, subsection 3, of the Nevada Constitution.

COURT ORDERED, with respect to the remaining issues, the applicants were entitled to a fair process, but there remain genuine issues of material facts as to the Plaintiffs' claims, the causation, and the damages. For that reason, the remaining motions are DENIED WITHOUT PREJUDICE to be renewed at the conclusion of Plaintiffs' case at trial.

Court further advised the parties that the courtroom has been marked with 25 blue post-it notes that comply with social distancing. COURT DIRECTED the parties to think, as a group, how they will present their case if only 25 participants plus court staff and witnesses are allowed in the courtroom; the Court will hear input from the parties at next Friday's hearing, which will use the same call-in information.

Upon Mr. Graf's inquiry, Court reiterated that the term "prospective owner" is not ambiguous; it clearly means those owners at the time of the application who were seeking an award of a license and that the Court had read paragraphs 82 and 85 from the original findings of fact and conclusions of law

**THE ESSENCE ENTITIES' BRIEF
REGARDING JUDGMENT ON PARTIAL
FINDINGS AGAINST PLAINTIFFS
PURSUANT TO NRCP 52(c)**

I. INTRODUCTION

Regardless of what Plaintiffs call their claims, the crux of their case asserts that there were purported statutory or regulatory violations/errors in the licensing process for which they are supposedly aggrieved. Plaintiffs have now been fully heard and have failed to present even the slightest amount of evidence to prove the most essential issue for any cause of action – standing/causation. Whether it be for standing or for the substantive elements of their claims, all plaintiffs must prove "causation" between the alleged unlawful acts and their probable injury. Stated slightly differently, every Plaintiff must present evidence to prove that it was more likely,

1 than not, but for the conduct complained of, they would not have suffered their injury (i.e. they
2 would have recreational marijuana dispensary licenses). They have failed to do so.

3 Plaintiffs have presented no evidence to show that any purported deficiency caused the
4 State of Nevada Department of Taxation ("DOT") to reject their applications or caused DOT to
5 highly rank any other winning applicant, including the Essence Entities. Plaintiffs' failure to
6 present evidence showing any link between the alleged unfair/deficient process, their supposed
7 injury, or that an order from this Court would redress their grievances is fatal.

8 **II. ARGUMENT**

9 **A. Rule 52(c) Standard.**

10 In a nonjury trial, NRCP 52(c) authorizes the court to enter judgment on partial findings
11 against a party when it "has been fully heard on an issue" and judgment cannot be maintained
12 "without a favorable finding on that issue." *See* NRCP 52(c). "[T]he right to be fully heard does
13 not amount to the right to introduce every shred of evidence that a party wishes, without regard to
14 the probative value of that evidence." *First Va. Banks, Inc. v. BP Exploration & Oil, Inc.*, 206
15 F.3d 404, 407 (4th Cir. 2000); *see also Granite State Ins. Co. v. Smart Modular Techs., Inc.*, 76
16 F.3d 1023, 1031 (9th Cir. 1996). Instead, the court may render a judgment on partial findings at
17 any time during the trial as long as the party has been fully heard on the issue. *Id.*

18 Put simply, once a party has presented its evidence on the necessary elements of its *prima*
19 *facie* case, the rule provides for entry of judgment on partial findings if the party fails to prove an
20 issue by a preponderance of the evidence. *Certified Fire Prot. Inc. v. Precision Constr.*, 128 Nev.
21 371, 377, 283 P.3d 250, 254 (2012). Moreover, since the court acts as the factfinder when ruling
22 on a motion for judgment on partial findings, it need not consider the evidence (or the lack of
23 evidence) in a light favorable to the nonmoving party. *Id.*

24 **B. The Court Should Enter Judgment on Partial Findings Against Plaintiffs** 25 **Because They Have Failed to Prove a Connection Between Their Supposed** 26 **Injury and the Complained Conduct.**

27 Nevada courts require "an actual justiciable controversy as a predicate to judicial relief."
28 *Stockmeier v. Nevada Dep't of Corr. Psychological Review Panel*, 122 Nev. 385, 393, 135 P.3d
220, 225 (2006) (quotation marks omitted) abrogated on other grounds by *Buzz Stew, LLC v. City*

1 of *N. Las Vegas*, 124 Nev. 224, 181 P.3d 670 (2008). Under either the federal or state
2 constitutions, standing is a prerequisite to "an actual justiciable controversy." *See id.* at 392, 135
3 P.3d at 225. The doctrine of standing is part of the constitutional "case or controversy" or,
4 simply, the "case" requirement. *Id.* at 392-93, 135 P.3d at 225; Nev. Const. art. 6, §§ 4, 6. There
5 is also a "subconstitutional 'prudential' element." *In re Amerco Derivative Litig.*, 127 Nev. 196,
6 213, 252 P.3d 681, 694 (2011). Standing is central to the separation of powers. Nev. Const. art.
7 3, § 1. It "is founded in concern about the proper – and properly limited – role of the courts in a
8 democratic society." *Warth v. Seldin*, 422 U.S. 490, 498 (1975). Perhaps, most importantly, ***the***
9 ***Nevada Supreme Court has found that when a plaintiff fails to present evidence of standing at***
10 ***trial, judgment on partial findings against the plaintiff is ripe.*** *Centennial Gateway, LLC v.*
11 *Home Consignment Ctr.*, 2020 WL 3469884, 465 P.3d 218, No. 75531 (Jun. 24, 2020)
12 (unpublished disposition)(affirming the district court granting judgment on partial findings that a
13 party lacked standing).

14 To possess standing, a plaintiff must prove three things: (1) injury in fact; (2) causation;
15 and (3) redressability. *Stockmeier*, 122 Nev. at 392, 135 P.3d at 225.¹ "[T]he 'irreducible
16 constitutional minimum' of standing requires that a plaintiff has suffered an 'injury in fact' that is
17 not merely conjectural or hypothetical, that there be a causal ***connection between the injury and***
18 ***the conduct complained of***, and that it must be likely, as opposed to merely speculative, that the
19 injury will be redressed by a favorable [court] decision." *Miller v. Ignacio*, 112 Nev. 930, 936
20 n.4, 921 P.2d 882, 885 n.4 (1996) (citing *Lujan v. Defenders of Wildlife*, 504 U.S. 555, 560 61
21 (1992))(emphasis added). In addition to causation being central requirement for standing, it is also
22 a necessary elements of Plaintiffs' *prima facie* case. *See Baer v. City of Wauwatosa*, 716 F.2d
23 1117, 1121 (7th Cir. 1983)(a plaintiff must prove a causal link between the claimed violation and
24 the injury).

25 Plaintiffs have been fully heard, resting their case. Yet, Plaintiffs have failed to proffer
26 even the slightest amount of evidence connecting the purported errors in the licensing process

27 ¹ Although Plaintiffs have failed to prove an injury in fact and redressability, because
28 judgment cannot be maintained without a favorable finding on causation both as to standing and
Plaintiffs' substantive claims, Plaintiffs failure to prove causation alone is fatal.

1 with their supposed injury. Plaintiffs have not presented any evidence hinting that they would
2 have won *but for* the purported conduct they complain about. Indeed, they have presented no
3 evidence that they themselves submitted complete and compliant applications that were capable
4 of qualifying for the award of licenses. Tellingly, Plaintiffs have challenged the sufficiency of the
5 applications of others but did not present proof of their own. Plaintiffs have not presented any
6 evidence that their own application' deficiencies were not the basis of their losig. *See* 13A Charles
7 Alan Wright & Arthur R. Miller, Federal Practice and Procedure § 3531.5 (3d ed.)(Causation for
8 standing is often found missing with "plaintiffs who were ineligible for desired benefits, or failed
9 to satisfy some precondition; [or] plaintiffs whose injury was due to their own fault."). In short,
10 Plaintiffs failure to present any evidence that their injury (*i.e.* not obtaining a license) was caused
11 by the conduct they complain about (*i.e.* the alleged unlawful regulations or purported errors), is
12 fatal to their maintaining a claim before the Court.

13 III. CONCLUSION

14 Plaintiffs have been heard and they have failed. Judgment on partial findings against
15 Plaintiffs is more than warranted.

Plaintiffs' Causes of Action – Phase II

- Equal Protection
- Due Process: Substantive & Procedural

- Intentional Interference with Contractual Relations (Qualcan)
- Intentional Interference with Prospective Econ Advantage (Qualcan)
- Unjust Enrichment (NWC & Rural Remedies)

No Standing Exists

"[T]he 'irreducible constitutional minimum' of standing requires that a plaintiff has suffered an 'injury in fact' that is not merely conjectural or hypothetical, that there be a causal connection between the injury and the conduct complained of, and that it must be likely, as opposed to merely speculative, that the injury will be redressed by a favorable [court] decision."

Miller v. Ignacio, 112 Nev. 930, 936 n.4, 921 P.2d 882, 885 n.4 (1996) (citing Lujan v. Defenders of Wildlife, 504 U.S. 555, 560 61 (1992)).

Competitive Bidding

- Competitive bidding “statutes are deemed to be for the benefit of the taxpayers and not the bidders, and are to be construed for the public good.”
- *Gulf Oil Corp. v. Clark County*, 94 Nev. 116, 118-19, 575 P.2d 1332, 1333 (1978).
- *Richardson Const., Inc. v. Clark County School Dist.*, 123 Nev. 61, 65, 156 P.3d 21, 24 (2007)(No private right of action under NRS Chapt. 333, because statute is for benefit of public not bidders).

Governmental Regularity

- The Nevada Legislature has imposed presumptions of governmental regularity in favor of governmental actions.
- NRS 47.250(9)(presumption that government actors' "official duty has been regularly performed")
- NRS 47.250(16)(presumption that "the law has been obeyed")

“Injury-in-Fact”

- What is each Plaintiffs' evidence of the injury suffered?
- Failure to get license is not “injury”: 61 available and >460 applications
- No claims and zero evidence of monetary injury
- No evidence of a cognizable injury-in-fact before the court

Market Share Story: The Law

Competitors lack standing to challenge the granting of government-issued licenses to others:

- Nat'l Wine & Spirits Corp. v. Indiana Alcohol & Tobacco Comm'n, 945 N.E.2d 182, 187 (Ind. Ct. App. 2011) (liquor licensee has no property interest in the certificate of compliance issued to its competitors and thus lacks standing to challenge);
- S. Wine & Spirits of Am., Inc. v. Div. of Alcohol & Tobacco Control, No. 11-CV-04175-NKL, 2012 WL 123051, at *3 (W.D. Mo. Jan. 17, 2012) ("economic interest in preventing loss of . . . market share is essentially a desire to avoid the competition . . . [s]uch an interest fails to rise to the level of a legally protectable interest, for purposes of standing.").

Market Share Story: Ron Seignuer

Q I apologize for the confusion. For those that had dispensaries already, you didn't quantify their market share as of November of 2018; correct?

A No, I did not.

Q And so you don't know what their market share is today either; correct?

A That's correct.

Q And you didn't do any quantification of how their market share might be impacted negatively from the new correct?

A It's my opinion generally that additional licenses would take market share away, but I didn't quantify it for any particular license.

Q But on a per applicant basis, it's a highly fact intensive inquiry that you'd have to look to to determine whether they actually would lose market share; correct?

A Yes.

A-19-787004-B | In Re D.O.T. Litigation | 2020-08-04 | BT Day 13

“Causation”

- What is each Plaintiff’s evidence of the required “causal connection” to their injury in fact?
- No evidence that anything DOT did “caused” them any injury
- No evidence that Plaintiffs’ even submitted compliant applications
- No evidence that any Plaintiff would have won under a different or process they preferred

“Redressability”

- Standing also requires that the injury must be redressable by a favorable court decision
- Money damages are redressable because a court can award them
- Do over of licensing process does not meet redressability requirement
 - Wholly speculative that they would win license in new process

Equal Protection

- “Generally, in addressing an equal protection claim, we must determine whether
- (1) the statute, either on its face or in the manner of its enforcement, results in members of a certain group being treated differently from other persons based on membership in that group; and
- (2) if it is demonstrated that a cognizable class is treated differently, the court must analyze under the appropriate level of scrutiny whether the distinction made between the groups is justified.”
- Doe v. State ex rel. Legislature of 77th Session, 133 Nev. 763, 767, 406 P.3d 482, 486 (2017) (quotations omitted).

Equal Protection – Discretionary Acts

“There are some forms of state action, however, which by their nature involve discretionary decision making based on a vast array of subjective, individualized assessments. In such cases the rule that people should be ‘treated alike, under like circumstances and conditions’ is not violated when one person is treated differently from others, because treating like individuals differently is an accepted consequence of the discretion granted. In such situations, allowing a challenge based on the arbitrary singling out of a particular person would undermine the very discretion that such state officials are entrusted to exercise.” *Engquist v. Oregon Dep't of Agr.*, 553 U.S. 591, 603 (2008).

Due Process: Substantive & Procedural

Plaintiffs must prove an infringement on a right or liberty interest that is “deeply rooted in this Nation's history and tradition ... and implicit in the concept of ordered liberty, such that neither liberty nor justice would exist if the right was sacrificed.” *Doe v. State ex rel. Legislature of 77th Session*, 133 Nev. 763, 765, 406 P.3d 482, 485 (2017).

The right to use or sell marijuana is not deeply rooted in the Nation's history and tradition and, therefore, the concept of substantive due process does not encompass the right to use or sell marijuana. *Id* .(rejecting substantive due process claim to use medical marijuana recommended by a physician).

No Property Interest

An applicant has no legitimate claim of entitlement to a discretionary license and therefore has no property interest to which the due process requirements attach.

Malfitano v. Cty. of Storey By & Through Storey Cty. Bd. of Cty. Commissioners, 133 Nev. 276, 284, 396 P.3d 815, 821 (2017).

Declaratory Relief – NRS 30.040

Declaratory relief is only available when:

1. A justiciable controversy exists between persons with adverse interests;
2. The party seeking declaratory relief has a legally protectable interest in the controversy; and
3. The issue is ripe for judicial determination.

Source: *Knittle v. Progressive Cas. Ins. Co.*, 112 Nev. 8, 11, 908 P.2d 724, 726 (1996).

Dec. Relief Does Not Evade Standing

Declaratory relief is appropriate when a party seeks a ruling on the meaning of a statute, but it is not available when the party seeks the Court to act on the requested interpretation.

- Source: Baldonado v. Wynn Las Vegas, LLC, 124 Nev. 951, 965, 194 P.3d 96, 105 (2008);
- Prudential Ins. Co. v. Ins. Comm'r, 82 Nev. 1, 4-5, 409 P.2d 248, 250 (1966)(explaining that a declaratory relief action is appropriate when a party merely seeks a ruling on the meaning of a statute but is inappropriate when an agency's discretionary decisions are required)

Permanent Injunction

Permanent injunctive relief may only be granted if:

1. There is no adequate remedy at law;
2. A balance of equities favors the moving party; and
3. Success on the merits is demonstrated.

Source: State Farm Mut. Auto. Ins. v. Jafbros Inc., 109 Nev. 926, 928, 860 P.2d 176, 178 (1993).

Plaintiffs' Expert: Greg Smith

Q. Right. So sometimes -- I'm going to use this term -- you sometimes in a process, you have an ultimate insider, okay?

A. Yes.

Q. All right. That -- and then, in that -- in those processes, even when you have an ultimate insider, you'll sometimes have an outside bidder who knows no one, who has no contacts, who has no nexus to the process, and you ever had a situation where the ultimate insider loses?

A. Yes.

Q. And what does that tell you about the process?

A. That it's working.

Location is Discretionary

“Furthermore, while NRS 453A.322(3)(a) states that the Department “shall” register a medical marijuana establishment when it has satisfied that subsection’s requirements, nothing in the statute prohibits the Department from considering an applicant that fails to meet the requirements.”

- *Nuleaf v. State Dept. of Health & Human Services*, 134 Nev. 129, 134, 414 P.3d 305, 310 (2018).

Plaintiffs concede no advantage/disadvantage due to location

Anti-Monopoly Provisions

NAC 453D.272(5).

To prevent monopolistic practices, the Department will ensure, in a county whose population is 100,000 or more, that the Department does not issue, to any person, group of persons or entity, the greater of:

- (a) One license to operate a retail marijuana store; or
- (b) More than 10 percent of the licenses for retail marijuana stores allocable in the county.

Monopoly Assertions: Baseless

- No evidence of any violation of the regulation
- Plaintiffs' self-serving interpretation is absurd
- None of the Plaintiffs have standing to complain
 - Not injured
 - No redress by a court decision

“Demonstrate Success”

NAC 453D.272 Ranking of applications for retail marijuana store; proportional allocation of licenses for retail marijuana stores within each county; notification to locality of acceptance of applicants; prevention of monopolistic practices; revision or disqualification of application for criminal history of applicant or other person named in application. (NRS 453D.200)

1. If the Department receives more than one application for a license for a retail marijuana store in response to a request for applications made pursuant to NAC 453D.260 and the Department determines that more than one of the applications is complete and in compliance with this chapter and chapter 453D of NRS, the Department will rank the applications, within each applicable locality for any applicants which are in a jurisdiction that limits the number of retail marijuana stores, in order from first to last based on compliance with the provisions of this chapter and chapter 453D of NRS and on the content of the applications relating to:

*

*

*

*

*

(g) Whether the owners, officers or board members of the proposed marijuana establishment have direct experience with the operation of a medical marijuana establishment or marijuana establishment in this State and have demonstrated a record of operating such an establishment in compliance with the laws and regulations of this State **for an adequate period of time to demonstrate success;**

Compliance

- Self reporting is the “highest form” of compliance
 - Steve Gilbert
 - Damon Hernandez
- Everyone in DOT approved of Essence Parties’ handling
 - Damon Hernandez
 - Kara Cronkite
 - Steve Gilbert
 - Jorge Pupo
- What proof have Plaintiffs’ presented that they were harmed
- What proof is there of Plaintiffs’ “compliance history”

Five Percent — Everyone Knew

NAC 453D.255 Applicability of chapter to persons owning 5 percent interest or more in marijuana establishment; exception if public interest will be served. (NRS 453D.200)

1. Except as otherwise required in subsection 2, the requirements of this chapter concerning owners of marijuana establishments only apply to a person with an aggregate ownership interest of 5 percent or more in a marijuana establishment.

2. If, in the judgment of the Department, the public interest will be served by requiring any owner with an ownership interest of less than 5 percent in a marijuana establishment to comply with any provisions of this chapter concerning owners of marijuana establishments, the Department will notify that owner and he or she must comply with those provisions.

(Added to NAC by Dep't of Taxation by R092-17, eff. 2-27-2018)

Plaintiffs' Challenge Fails

- Plaintiffs knew of express terms of all regulations and of the application
- What Plaintiffs presented evidence of an injury in fact by NAC 453D.255?
- How does judicial ruling redress the injury
- Latches nonetheless applies:
 - Plaintiffs knew that competitors – including public companies – were expending millions in applying
 - Plaintiffs elected not to timely challenge the regulation, despite its plain terms

Discovery Compliance

- Plaintiffs' claim that they don't have all Jorge Pupo texts
- Amanda Conner produced her texts, including with Mr. Pupo
- Armen Yemenidjian produced his texts, including with Mr. Pupo
- Who didn't produce any of their texts, including with Jorge Pupo

Essence Parties' Opening

"Your Honor, at the end of the day, I submit to you the evidence is going to show you what this lawsuit is about. It's not about an unfair process. It's not about the Department violating any laws. It's not the Department playing favorites or violating any constitutional provisions. What it is about is some disgruntled, disgruntled business competitors who were using the Court's processes to try and gum up and delay and harm their competitors. And we will ask the Court at the end of the evidence to put a halt to that conduct."

13 **BUSINESS COURT ORDER SCHEDULING**

14 **A SUPPLEMENTAL RULE 16 CONFERENCE FOR PHASE III**

15 This BUSINESS COURT ORDER ("Order") is entered to reduce the costs of litigation,
16 to assist the parties in resolving their disputes if possible and, if not, to reduce the costs and
17 difficulties of discovery and trial. This Order may be amended or modified by the Court upon
18 good cause shown, and is made subject to any Orders that have heretofore been entered herein.
19 This case is deemed "complex" and is automatically exempt from Arbitration.

20 **IT IS HEREBY ORDERED:**

21 **I. MANDATORY RULE 16 CONFERENCE**

22 A. A mandatory Rule 16 conference with the Court and counsel/parties in proper
23 person will be held on **October 26, 2020, at 9:00 a.m.**

24 B. **The following persons are required to attend the conference:**

25 (1) trial or lead counsel for all parties; and

26 (2) parties may attend. If counsel feels that the requirement of attendance of the
27 parties is beneficial, please contact the department to schedule a conference call with the Judge
28 for a determination. The conference call must be scheduled at least two weeks prior to the
conference.

1 C. The purpose of this conference is to streamline discovery, expedite settlement or
2 other appropriate disposition of the case. Counsel/parties in proper person must be prepared to
3 discuss the following:

- 4 (1) status of 16.1 settlement discussions and a review of possible court
5 assistance;
6
7 (2) alternative dispute resolution appropriate to this case;
8
9 (3) simplification of issues;
10
11 (4) the nature and timing of all discovery;
12
13 (5) an estimate of the volume of documents and/or electronic information
14 likely to be the subject of discovery in the case from parties and nonparties and whether there
15 are technological means, including but not limited to production of electronic images rather than
16 paper documents and any associated protocol, that may render document discovery more
17 manageable at an acceptable cost;
18
19 (6) identify any and all document retention/destruction policies including
20 electronic data;
21
22 (7) whether the appointment of a special master or receiver is necessary
23 and/or may aid in the prompt disposition of this action;
24
25 (8) any special case management procedures appropriate to this case;
26
27 (9) trial setting;
28
29 (10) other matters that may aid in the prompt disposition of this action; and
30
31 (11) identify any unusual issues that may impact discovery.

32 D. Parties desiring a settlement conference before another judge shall so notify the
33 court at the setting.

34 E. The Plaintiff is responsible for serving a copy of this Order upon counsel for all
35 parties who have not formally appeared in this case as of the date of the filing of this order.

II. PRETRIAL MOTIONS

A. No documents may be submitted to the Court under seal based solely upon the existence of a protective order.

Any sealing or redaction of information must be done by motion.

All motions to seal and/or redact and the potentially protected information must be filed at the clerk's office front counter during regular business hours 9 am to 4 pm.

In accordance with, Administrative Order 19-03, the motion to seal must contain the language "Hearing Requested" on the front page of the motion under the Department number.

Pursuant to SRCR Rule 3(5)(b), redaction is preferred and sealing will be permitted only under the most unusual of circumstances.

If a motion to seal and/or redact is filed with the potentially protected information, the proposed redacted version of the document with a slip-sheet for any exhibit entitled "Exhibit ** Confidential Filed Under Seal" must be attached as an Exhibit.

The potentially protected information in unredacted and unsealed form must be filed at the same time and a hearing on the motion to seal set. While the motion to seal is pending, the potentially protected information will not be accessible to the public.

If the motion to seal is noncompliant, the motion to seal may be stricken and the potentially protected information unsealed.

B. Any requests for injunctive relief must be made with notice to the opposing party unless extraordinary circumstances exist. All parties shall advise the Court in writing if there is an agreement to consolidate the trial on the merits with the preliminary injunction hearing pursuant to NRCP 65(a)(2).

C. Any motions which should be addressed prior to trial – including motions for summary judgment – shall be served, filed and scheduled for hearing no later than 45 days before trial.

D. Motions in limine shall be served, filed and scheduled for hearing no later than 45 days before trial. Omnibus motions in limine will not be accepted. Except upon a showing of unforeseen extraordinary circumstances, the Court will not shorten time for the briefing of any pretrial motions or orally presented after these deadlines.

1 **III. DISCOVERY**

2 A. All discovery disputes in this matter will be handled by the District Court Judge
3 rather than the Discovery Commissioner.

4 B. A continuance of trial does not extend the deadline for completing discovery. A
5 request for an extension of the discovery deadline, if needed, must be presented in compliance
6 with EDCR 2.35.

7 C. A party objecting to a written discovery request must, in the original objection,
8 specifically detail the reasons that support the objection, and include affidavits or other evidence
9 for any factual assertions upon which an objection is based.

10 D. Documents produced in compliance with NRCP 16.1 or in response to a written
11 discovery request, must be consecutively Bates stamped or numbered and accompanied by an
12 index with a reasonably specific description of the documents.

13 E. Any party whether in compliance with NRCP 16.1 or in a response to a written
14 discovery request not producing all documents in its possession, custody or control, shall:
15

16 (1) identify any documents withheld with sufficient particularity to support a
17 Motion to Compel; and

18 (2) state the basis for refusing to produce the documents(s).
19

20 F. If photographs are produced in compliance with NRCP 16.1 or in a response to a
21 written discovery request, the parties are instructed to include one (1) set of color prints (Color
22 laser copies of sufficient clarity are acceptable), accompanied by a front page index, location
23 depicted in the photograph (with reasonable specificity) and the date the photograph was taken.
24 If color laser copies are deposited, any party wishing to view the original photographs shall
25 make a request to do so with the other party.
26

27 When a case is settled, counsel for the plaintiff and each unrepresented plaintiff of
28 record shall notify the District Court Judge within twenty-four (24) hours of the settlement and
shall advise the Court of the identity of the party or parties who will prepare and present the

1 judgment, dismissal, or stipulation of dismissal, which shall be presented within twenty (20)
2 days of the notification of settlement.

3 Failure to comply with any provision of this Pretrial Order may result in the imposition
4 of sanctions. DATED this 21st day of September, 2020.
