ELIZABETH A. BROWN
CLERK OF SUPREME COURT

BY E. Brown
DEPUTY CLERK
DEPUTY CLERK

To the Supreme Court of Nevada,

My name is Katherine Fletcher, and I recently recieved an Order Setting Briefing Schedule which gives 21 days for the Appellant to file and serve a transcript request form or a certificate that no transcripts will be requested. Today I write to make my intentions clear, that I definateley wish to recieve all transcripts, and expect my new attorney, Thomas L. Qualls, to act on my behalf. I have already written him regarding this, and felt the need to write the Courts as well, to leave a "paper trail".

You see, everyday I live in fear that my new lawyer will fail to represent and defend me, as my last one (Scott W. Edwards) did. I have suffered severe trauma as a result of Mr. Edwards' extreme misconduct with my case. This has left me very

distrustful of the system, and I still suffer, in constant distress. Though I am damaged, still I am very hopeful that Mr. Qualls and I can build a strong, constructive attorney-client relationship. However, trust is earned, not given. And we are not there yet, but we will get there - God willing!

In the mean-time I write to try to ensure that my wishes do not go neglected by my own representation; in hopes that Mr. Qualls will file and serve the Transcript Request Form on my behalf.

Sincerely,

Katherine Fletcher
