

Case 82047

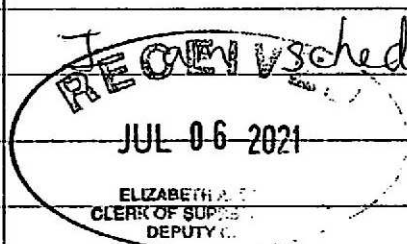

June 26 **FILED**

To the Supreme Court of Nevada, JUL 07 2021

ELIZABETH A. BROWN
CLERK OF SUPREME COURT
BY: *[Signature]*
DEPUTY CLERK

I, Katherine Dee Fletcher, respectfully request a Young Hearing vs. Victoria Oldenburg, Attorney at Law, based on the facts that: (1) I HAVE NOT been provided transcripts by my defense, hobbling my ability to aid and assist counsel; (2) My attorney HAS NOT requested a continuance to allow ample time for me to receive, read and respond to the transcripts prior to the Opening Brief; and (3) She likely WILL NOT make the proper arrangements to allow me the transcripts along with time to prepare, due to hovering threats of sanctions, though if she represents my best interests whatsoever - she will.

If these reasons are decent grounds to ask the Courts for new representation, then please order the Young Hearing.

vs. scheduled to be transported to

1/2

21-19484

N.N.C.C. Carson City in early August concerning a seperate matter. Perhaps You could order transport at an earlier date, if you feel my request is reasonable.

Thank You for Your consideration.
