MOTION FOR EXTENSION OF TIME FOR DESIGNATION OF TRTANSSCRIPT

(First Request)

Appellant hereby moves for a 15-day extension of time for filing the designation of transcript. The designation was due for on April 1, 2021. On April 2nd a request for an oral two week extension was made but counsel was advised time had expired already and this court counts the day of the event. Therefore, appellant requests an extension until April 16, 2021.

This appeal arises from a grant of a motion to dismiss and there is only one hearing. The factual situation and the legal issues are unusual and involve matters of the application by the District Court of superseded law. Because the order dismissing the case fails to reflect and goes beyond the court's holdings and comments at the hearing and the Court's enunciated reasoning the transcript is necessary.

Appellant will designate the transcript of hearing on October 7, 2020.

The undersigned counsel has previously sought to obtain the necessary transcripts at the onset of this appeal but due to covid he never received a response from the reporter. An email request is pending response.

Accordingly, appellant requests an extension until April 16, 2021, to file the designation of transcripts. This request is being made in good faith, without the intent to delay this appeal.
