2. Notice of Claim to be Given by Assured Claimant.

An Assured shall notify the Company promptly in writing in case knowledge shall come to an Assured hereunder of any claim of title or interest which is adverse to the title to the estate or interest, as stated herein, and which might cause loss or damage for which the Company may be liable by virtue of this Guarantee. If prompt notice shall not be given to the Company, then all liability of the Company shall terminate with regard to the matter or matters for which prompt notice is required; provided, however, that failure to notify the Company shall in no case prejudice the rights of any Assured under this Guarantee unless the Company shall be prejudiced by the failure and then only to the extent of the prejudice.

3. No Duty to Defend or Prosecute.

The Company shall have no duty to defend or prosecute any action or proceeding to which the Assured is a party, notwithstanding the nature of any allegation in such action or proceeding.

4. Company's Option to Defend or Prosecute Actions; Duty of Assured Claimant to Cooperate.

Even though the Company has no duty to defend or prosecute as set forth in Paragraph 3 above:

- (a) The Company shall have the right, at its sole option and cost, to institute and prosecute any action or proceeding, interpose a defense, as limited in (b), or to do any other act which in its opinion may be necessary or desirable to establish the title to the estate or interest as stated herein, or to establish the lien rights of the Assured, or to prevent or reduce loss or damage to the Assured. The Company may take any appropriate action under the terms of this Guarantee, whether or not it shall be liable hereunder, and shall not thereby concede liability or waive any provision of this Guarantee. If the Company shall exercise its rights under this paragraph, it shall do so diligently.
- (b) If the Company elects to exercise its options as stated in Paragraph 4(a) the Company shall have the right to select counsel of its choice (subject to the right of such Assured to object for reasonable cause) to represent the Assured and shall not be liable for and will not pay the fees of any other counsel, nor will the Company pay any fees, costs or expenses incurred by an Assured in the defense of those causes of action which allege matters not covered by this Guarantee.
- (c) Whenever the Company shall have brought an action or interposed a defense as permitted by the provisions of this Guarantee, the Company may pursue any litigation to final determination by a court of competent jurisdiction and

000046

expressly reserves the right, in its sole discretion, to appeal from an adverse judgment or order.

- (d) In all cases where this Guarantee permits the Company to prosecute or provide for the defense of any action or proceeding, an Assured shall secure to the Company the right to so prosecute or provide for the defense of any action or proceeding, and all appeals therein, and permit the Company to use, at its option, the name of such Assured for this purpose. Whenever requested by the Company, an Assured, at the Company's expense, shall give the Company all reasonable aid in any action or proceeding, securing evidence, obtaining witnesses, prosecuting or defending the action or lawful act which in the opinion of the Company may be necessary or desirable to establish the title to the estate or interest as stated herein, or to establish the lien rights of the Assured. If the Company is prejudiced by the failure of the Assured to furnish the required cooperation, the Company's obligations to the Assured under the Guarantee shall terminate.

5. Proof of Loss or Damage.

In addition to and after the notices required under Section 2 of these Conditions and Stipulations have been provided to the Company, a proof of loss or damage signed and sworn to by the Assured shall be furnished to the Company within ninety (90) days after the Assured shall ascertain the facts giving rise to the loss or damage. The proof of loss or damage shall describe the matters covered by this Guarantee which constitute the basis of loss or damage and shall state, to the extent possible, the basis of calculating the amount of the loss or damage. If the Company is prejudiced by the failure of the Assured to provide the required proof of loss or damage, the Company's obligation to such assured under the Guarantee shall terminate. In addition, the Assured may reasonably be required to submit to examination under oath by any authorized representative of the Company and shall produce for examination, inspection and copying, at such reasonable times and places as may be designated by any authorized representative of the Company, all records, books, ledgers, checks, correspondence and memoranda, whether bearing a date before or after Date of Guarantee, which reasonably pertain to the loss or damage. Further, if requested by any authorized representative of the Company, the Assured shall grant its permission, in writing, for any authorized representative of the Company to examine, inspect and copy all records, books, ledgers, checks, correspondence and memoranda in the custody or control of a third party, which reasonably pertain to the loss or damage. All information designated as confidential by the Assured provided to the Company pursuant to this Section shall not be disclosed to others unless, in the reasonable judgment of the Company, it is necessary in the administration of the claim. Failure of the Assured to submit for examination under oath, produce other reasonably requested information or grant permission to secure reasonably necessary information from third parties as required in the above paragraph, unless prohibited by law or governmental regulation, shall terminate any liability of the Company under this Guarantee to the Assured for that claim.

6. Options to Pay or Otherwise Settle Claims: Termination of Liability.

GUARANTEE CONDITIONS AND STIPULATIONS (Continued)

In case of a claim under this Guarantee, the Company shall have the following additional options:

- (a) To Pay or Tender Payment of the Amount of Liability or to Purchase the Indebtedness.

The Company shall have the option to pay or settle or compromise for or in the name of the Assured any claim which could result in loss to the Assured within the coverage of this Guarantee, or to pay the full amount of this Guarantee or, if this Guarantee is issued for the benefit of a holder of a mortgage or a lienholder, the Company shall have the option to purchase the indebtedness secured by said mortgage or said lien for the amount owing thereon, together with any costs, reasonable attorneys' fees and expenses incurred by the Assured claimant which were authorized by the Company up to the time of purchase.

Such purchase, payment or tender of payment of the full amount of the Guarantee shall terminate all liability of the Company hereunder. In the event after notice of claim has been given to the Company by the Assured the Company offers to purchase said indebtedness, the owner of such indebtedness shall transfer and assign said indebtedness, together with any collateral security, to the Company upon payment of the purchase price.

Upon the exercise by the Company of the option provided for in Paragraph (a) the Company's obligation to the Assured under this Guarantee for the claimed loss or damage, other than to make the payment required in that paragraph, shall terminate, including any obligation to continue the defense or prosecution of any litigation for which the Company has exercised its options under Paragraph 4, and the Guarantee shall be surrendered to the Company for cancellation.

- (b) To Pay or Otherwise Settle With Parties Other Than the Assured or With the Assured Claimant.

To pay or otherwise settle with other parties for or in the name of an Assured claimant any claim assured against under this Guarantee, together with any costs, attorneys' fees and expenses incurred by the Assured claimant which were authorized by the Company up to the time of payment and which the Company is obligated to pay.

Upon the exercise by the Company of the option provided for in Paragraph (b) the Company's obligation to the Assured under this Guarantee for the claimed loss or damage, other than to make the payment required in that paragraph, shall terminate, including any obligation to continue the defense or prosecution of any litigation for which the Company has exercised its options under Paragraph 4.

7. Determination and Extent of Liability.

This Guarantee is a contract of Indemnity against actual monetary loss or damage sustained or incurred by the Assured claimant who has suffered loss or damage by reason of reliance upon the assurances set forth in this Guarantee and only to the extent herein described, and subject to the Exclusions From Coverage of This Guarantee.

The liability of the Company under this Guarantee to the Assured shall not exceed the least of:

- (a) the amount of liability stated in Schedule A or In Part 2;

000047

provided under Section 6 of these Conditions and Stipulations or as reduced under Section 9 of these Conditions and Stipulations, at the time the loss or damage assured against by this Guarantee occurs, together with interest thereon; or

- (c) the difference between the value of the estate or interest covered hereby as stated herein and the value of the estate or interest subject to any defect, lien or encumbrance assured against by this Guarantee.

8. Limitation of Liability.

- (a) If the Company establishes the title, or removes the alleged defect, lien or encumbrance, or cures any other matter assured against by this Guarantee in a reasonably diligent manner by any method, including litigation and the completion of any appeals therefrom, it shall have fully performed its obligations with respect to that matter and shall not be liable for any loss or damage caused thereby.
- (b) In the event of any litigation by the Company or with the Company's consent, the Company shall have no liability for loss or damage until there has been a final determination by a court of competent jurisdiction, and disposition of all appeals therefrom, adverse to the title, as stated herein.
- (c) The Company shall not be liable for loss or damage to any Assured for liability voluntarily assumed by the Assured in settling any claim or suit without the prior written consent of the Company.

9. Reduction of Liability or Termination of Liability.

All payments under this Guarantee, except payments made for costs, attorneys' fees and expenses pursuant to Paragraph 4 shall reduce the amount of liability pro tanto.

10. Payment of Loss.

- (a) No payment shall be made without producing this Guarantee for endorsement of the payment unless the Guarantee has been lost or destroyed, in which case proof of loss or destruction shall be furnished to the satisfaction of the Company.
- (b) When liability and the extent of loss or damage has been definitely fixed in accordance with these Conditions and Stipulations, the loss or damage shall be payable within thirty (30) days thereafter.

11. Subrogation Upon Payment or Settlement.

Whenever the Company shall have settled and paid a claim under this Guarantee, all right of subrogation shall vest in the Company unaffected by any act of the Assured claimant.

The Company shall be subrogated to and be entitled to all rights and remedies which the Assured would have had against any person or property in respect to the claim had this Guarantee not been issued. If requested by the Company, the Assured shall transfer to the Company all rights and remedies against any person or property necessary in order to perfect this right of subrogation. The Assured shall permit the Company to sue, compromise or settle in the name of the Assured and to use the name of the Assured in any transaction or litigation involving these rights or remedies.

If a payment on account of a claim does not fully cover the loss of the Assured the Company shall be subrogated to all rights and remedies of the Assured after the Assured shall have recovered its principal, interest, and costs of collection.

12. Arbitration.

Unless prohibited by applicable law, either the Company or the Assured may demand arbitration pursuant to the Title Insurance Arbitration Rules of the American Arbitration Association. Arbitrable matters may include, but are not limited to, any controversy or claim between the Company and the Assured arising out of or relating to this Guarantee, any service of the Company in connection with its issuance or the breach of a Guarantee provision or other obligation. SENT: CERTIFIED MAIL

Samantha Moore
Foreclosure Assistant
Allied Foreclosure Services
1000 Caughlin Crossing, Suite 30
Reno, NV 89519

Dear Ms. Moore:

My name is Thomas Cornwell and I am writing in regards to the unlawful foreclosure proceedings that you initiated on the property located at 2355 Columbia Way, Carson City, NV (hereafter "the property"). The initiation of this foreclosure, and the circumstances surrounding its execution, are not only problematic but in violation of state and federal law. Accordingly, I demand that you cease all foreclosure proceedings or I will initiate formal legal action against you.

I have lived at the property since it was purchased by my ex-wife, Karen Lynn Clarke, in 2003. At that time, Ms. Clarke took out a loan of \$32,000 from George Soetje to purchase the home. On February 9, 2017, I purchased the home by Quitclaim Deed from Ms. Clarke and assumed the remainder of the loan owed to Mr. Soetje. Mr. Soetje and I agreed that I would pay off the remainder of the loan in a lump sum when I received a pending settlement. Unbeknownst to me, Mr. Soetje sold the loan at some time in the last year. However, neither Mr. Soetje nor the new holder informed me. On April 23, 2018, I received a Notice of Default and Election to Sell for the property.

This Notice of Default is fatally deficient. Pursuant to NRS 107.08, a beneficiary may only proceed with a foreclosure where the obligor has received a written statement of:

- (I) The amount of payment required to make good the deficiency in performance or payment, avoid the exercise of the power of sale and reinstate the terms and conditions of the underlying obligation or debt existing before the deficiency in performance or payment, as of the date of the statement;
- (II) The amount in default;
- (III) The principal amount of the obligation or debt secured by the deed of trust;
- (IV) The amount of accrued interest and late charges;
- (V) A good faith estimate of all fees imposed in connection with the exercise of the power of sale; and
- (VI) Contact information for obtaining the most current amounts due and the local or toll-free telephone number described in subparagraph (4).

Here, however, the Notice of Default I received did not include I, II, III, IV, and V. In fact, the only information given to me is a toll free number required by VI. Because Nevada Law makes clear that all information, not just a number to obtain the information, must be given by written statement to an obligor, the notice is fatally flawed and foreclosure proceedings must cease. If

foreclosure proceedings continue, I will seek to enjoin the foreclosure, seek damages of up to \$5000, and seek to recover attorney's fees pursuant to NRS 107.080.

Moreover, Nevada Law makes clear that an obligor is entitled to opt into the Nevada Foreclosure Mediation Program at the moment they receive a Notice of Default and Election to Sell. It is the responsibility of the beneficiary to provide the obligor with the necessary paperwork to enter into the program within 10-days of receipt of the Notice of Default. Your office failed to send the required documents and notice that I may enter into the mediation program and therefore the Notice of Default is legally insufficient. Again, and attempt to move forward under this Notice of Default will result in suit for damages and fees.

If you have any questions, you may reach me at _____

Sincerely,

Thomas Cornwell

Re: Allied FCL No. 17935; CLARKE/SCHULTZ

Dear Mr. Cornwell:

I have received your letter addressed to my assistant, Samantha Moore. Enclosed please find a letter from the Supreme Court of Nevada from a previous foreclosure stating that because the home is personal property, and not included in our lien, it does not qualify for mediation. We are foreclosing on the land only. At this time we have the foreclosure sale set for August 23, 2018, at 2:00 PM. Contact our office to pay the lien in full.

Feel free to contact me should you have further questions.

Sincerely,

Geneva Martinkus

Re: APN: [REDACTED]

Dear [REDACTED]

We have received documents from you concerning participation in the Foreclosure Mediation Program. After further review:

☒ Your property is not eligible for this program because:

- ☒ Your home is not Real Property; it is Personal Property as describe on the County Assessor's site since there is no permanent foundation.
- ☐ Your property is not an owner-occupied residence.
- ☐ The homeowner failed to mail in the required fees to the Administrator within the required time limit.
- ☐ The homeowner failed to mail in your election to Mediate to the Administrator within the required time limit.

A refund will be processed for this case and will be submitted under separate cover. If you have any questions do not hesitate to contact me at (775) 684-1780; laguire@nvcourts.nv.gov, if you have any further questions.

Sincerely,

21
22 DECLARATION OF GEORGE SOETJE

23 I, George Soetje, hereby declare under penalty of perjury that the following facts are true
24 and correct based on my own knowledge, and that if called upon to do so I would testify as to
25 these facts in a court of law.

26 I am currently a resident of Idaho, residing at 8031 Lakeshore Drive, Sagle, Idaho.
27 Before moving here in early ²⁰⁰³ ~~2018~~, I was a resident of Carson City, Nevada. In May 2003 I lent
28 the sum of \$32,000.00 to Karen Lynn Clarke to finance her purchase of the property located at
2355 Columbia Way, Carson City, Nevada from Marylynn Cavender. Ms. Clarke executed a
promissory note dated May 2, 2003 in the face amount of \$32,000.00, which was secured by a
deed of trust recorded on or about May 8, 2003.

The promissory note was modified thereafter on two occasions. On June 13, 2006 the
note was modified to increase the principal balance of the note by \$1,500.00. On December 22,

030077

1 2009, the note was modified to increase the principal balance by \$4,000.00, making the principal
2 balance due at that time \$34,000.00. The monthly payment was increased to \$375.00 per month,
3 with the interest rate increasing to 10% per annum. Ms. Clark fell behind in her payments after
4 this second modification.

5 In May 2010 I offered Ms. Clarke a third modification. Under this modification, the
6 principal balance increased to \$37,651.45 and the monthly payments increased to \$410.00. The
7 modification called for 175 payments remaining. Ms. Clarke orally agreed to this modification,
8 but did not any payments thereafter on her obligation to me.

9 In 2017 I was contacted by Thomas Cornwell, who informed me he was purchasing the
10 property from Ms. Clarke and wished to know how much was owed on the note. After I
11 informed him of what was owed I did not hear back from him. I have not received any payments
12 from Thomas Cornwell on Ms. Clarke's promissory note or otherwise.

13 In March 2018 I sold the promissory note to Neil E. Schultz. The deed of trust was also
14 assigned to Mr. Schultz.
