ORDER

These are appeals from several postjudgment orders involving issues that are related and collateral to the issues already briefed in Docket No. 81515. Appellant filed a motion proposing that briefing for these appeals be suspended pending resolution of Docket No. 81515 because the fundamental issues in all three cases are duplicative and have already been briefed and because any disposition in Docket No. 81515 is likely to render the instant appeals moot. This court suspended briefing in the instant appeals and directed the parties to file a status report within 60 days. Appellant has filed a motion for leave to file a joint status report. The motion is granted. The joint status report was filed on October 1, 2021.

The parties note that the status of all the cases remains the same. Accordingly, the briefing schedule in these appeals shall remain suspended pending further order of this court. Within 60 days of the date of this order, the parties shall file another joint status report regarding the

status of the proceedings in these consolidated appeals and in the related appeal in Docket No. 81515.

It is so ORDERED.
