(c) "Buyer's Outlets" - Those retail outlets, including marinas and truck stops, operated or supplied by Buyer and which Seller has authorized Buyer to display the Identifications in connection with the resale of the Products to consumers.

(d) "Identifications" - The trademarks, trade dress, service marks, and color schemes relating to the Shell brand licensed to Buyer by Seller under the terms of this Agreement for use by Buyer and Buyer's Outlets in connection with the marketing and sale of the Products.

(e) "Law" - Any applicable statute, constitution, ordinance, regulation, rule, administrative order, or other requirement of any federal, state, or local government agency or authority in effect at the time of execution, or during the term, of this Agreement.

(f) "Plant" - The distributing plant(s) from which Seller has authorized Buyer to accept deliveries of Products.

Buyer acknowledges that the Gasoline Minimum Quantities are necessary and reasonable for, among other reasons, Seller to plan its supply operations and, as such, are of material and reasonable significance to the franchise relationship. Buyer also acknowledges that Seller has established minimum volume levels for Shell-branded gasoline ("Base Volume") to be resold through Buyer's Outlets for its customers in order to retain a Wholesale Marketer Agreement. Accordingly, in no event may Buyer's Gasoline Minimum Quantities be less than the following Base Volume:

REPORTER Masberry
DEPONENT Kabisz CEA
DATE 3/16/14 ✓

June 11, 2007 to June 10, 2008	4.2 million gallons
June 11, 2008 to June 10, 2009	4.4 million gallons
June 11, 2009 to June 10, 2010	4.6 million gallons
June 11, 2010 to June 10, 2011	4.8 million gallons
June 11, 2011 to June 10, 2012	5.0 million gallons
June 11, 2012 to June 10, 2013	5.2 million gallons

If Buyer fails to purchase the Base Volume and resell the Base Volume through Buyer's Outlets, Seller may take such action as Seller deems appropriate, including, without limitation, terminating or not renewing this Agreement.

(b) Subject to Articles 19 and 20, Seller shall sell and deliver to Buyer, and Buyer shall purchase and accept from Seller, the minimum quantities of Shell-branded diesel identified in Exhibit A-2 each year during the term of this Agreement ("Diesel Minimum Quantities"). Buyer acknowledges that the Diesel Minimum Quantities are necessary and reasonable for, among other reasons, Seller to plan its supply operations and, as such, are of material and reasonable significance to the franchise relationship.

(c) Seller may, but will not be obligated to, sell Buyer more than the "Gasoline Maximum Quantities" identified in Exhibit A-1 and "Diesel Maximum Quantities" identified in Exhibit A-2. Seller's exercise of its right to do so will not obligate Seller to continue to sell Buyer such excess quantities.

(d) To the extent practicable, Buyer shall take delivery of all Products on a ratable basis.

(e) If Buyer fails to purchase and accept the Gasoline or Diesel Minimum Quantities in any 12-month period, Seller may unilaterally downward adjust the Gasoline or Diesel Minimum/Maximum Quantities each succeeding 12-month period by the difference between the annual Gasoline or Diesel Minimum Quantities and the amount actually purchased for that 12-month period. In addition, Buyer may request that Seller downward adjust Buyer's Gasoline or Diesel Minimum/Maximum Quantities if the need for the downward adjustment is due to a reason beyond Buyer's reasonable control. If Seller agrees to such an adjustment the parties shall amend Exhibit A to reflect such adjustment. Likewise, if Buyer purchases more than the Gasoline or Diesel Minimum Quantities, Buyer may request that Seller upward adjust Buyer's Gasoline or Diesel Minimum/Maximum Quantities. If Seller agrees, the Gasoline or Diesel Minimum/Maximum Quantities in Exhibit A-1 or A-2 will be amended accordingly.

(f) If the term of this Agreement commences at any time after January 1 of any year, Buyer shall purchase and accept the Gasoline and Diesel Minimum Quantities during the remaining months of that 12-month period, but Seller's rights and remedies set forth in Articles 2(a) and (c) above will not commence until the next full 12-month period.

(g) If Buyer terminates this Agreement prior to expiration of its term or if Seller terminates this Agreement for cause in accordance with the PMPA or applicable Law, Seller will be entitled to all remedies however arising including, without limitation, all remedies available at law, in equity, or under contract including, without limitation, this Agreement or any incentive agreement pertaining to Buyer's Outlets.

3. PRICES AND TERMS OF PAYMENT.

(a) The prices Buyer shall pay Seller for the Products are as follows:

(1) Unless market area pricing is in effect as described below, Buyer shall pay Seller's marketer tank wagon price in effect for the Plant at the time of Seller's delivery to Buyer.

(2) If Seller determines, in its sole discretion, that market conditions warrant the use of market area pricing, upon notification to Buyer and for as long as such market conditions exist, Buyer shall pay Seller's marketer price in effect for Buyer's Outlets in the geographic market or trading area established by Seller at the time of Seller's delivery to Buyer. Buyer represents and warrants that the Products purchased at such prices will in fact be delivered only to Buyer's Outlets in the designated market or trade area. If Buyer delivers Products purchased at such prices to locations outside the designated market or trade area, (i) Buyer shall reimburse Seller for the difference between the price paid and Seller's highest applicable marketer price in effect for the

area on the date of delivery by Seller to Buyer and (ii) Seller may take such action as Seller deems appropriate, including, without limitation, terminating or not renewing this Agreement.

(b) Buyer shall pay for the Products in accordance with Seller's payment terms in effect from time to time, any of which may be altered or revoked by Seller with notification to Buyer. Buyer shall make all payments to Seller without deduction, setoff, discount, allowance, notice or demand, in United States dollars via Seller's electronic fund transfer ("EFT") system, unless Seller, in its sole discretion, requires Buyer to pay via wire transfer prior to the time of delivery or at such other time and place or by such other method as Seller may designate from time to time. Buyer shall provide any written authorizations required for EFT purposes. If Seller requires Buyer to pay by a method other than EFT, Seller may assess a reasonable administration charge. Buyer agrees that the amount of the transactions payable to Buyer pursuant to Article 12(b) may be used to pay the Product invoices (including but not limited to, applicable taxes, fees, and interest) owed by Buyer to Seller according to the terms and provisions of this Agreement.

(c) Seller's extension of credit for the purchase of the Products, the terms under which any such credit will be extended or maintained, and the amount of credit extended are subject to the sole discretion of Seller, any of which terms or amount may be altered or revoked with notification to Buyer. For the purposes of Seller's evaluation of Buyer's financial condition and creditworthiness, upon Seller's request at any time and from time to time during the term of this Agreement, Buyer shall provide Seller with information and documents relating to Buyer's financial condition and creditworthiness. If Seller elects not to extend Buyer credit, or elects to alter or revoke any extension of credit to Buyer, Seller may require Buyer to provide additional credit assurances including, but not limited to, advance cash payment, cash deposit, letter of credit in a form acceptable to Seller from a financial institution acceptable to Seller or any other security acceptable to Seller.

(d) All overdue amounts owed to Seller will bear interest from the date such have become overdue until paid at the rate of .5% per annum, or the maximum lawful rate, whichever is less. If Buyer fails to make timely payment of any amount due Seller, in addition to all other rights or remedies available to Seller, Seller may take such action as Seller deems reasonable under the circumstances. Without limiting the generality of the foregoing, Seller may: (1) offset, net, or recoup amounts due Seller by Buyer for Product invoices (including, but not limited to, applicable taxes, fees and interest) under this Agreement and any related agreements against any amounts due Buyer by Seller under this Agreement and any related agreement; (2) defer further deliveries of the Products until payment of all outstanding amounts is made, or (3) demand advance wire transfer payment for further deliveries. Buyer shall comply with the terms of any reclamation notice issued to Buyer by Seller under applicable Law.

4. **TERM.** The term of this Agreement begins on the Effective Date and end, on May 31, 2012, subject to Seller's right to terminate this Agreement in accordance with applicable Law. Upon expiration, this Agreement will continue on a month-to-month basis for no longer than 6 months until the parties either execute a new agreement or Seller terminates or does not renew this Agreement in accordance with applicable Law.

5. PERMISSION TO USE THE IDENTIFICATIONS.

(a) Seller grants to Buyer permission to use the Identifications only in connection with the resale of the Products and so long as Buyer complies with the terms of this Agreement. Buyer acknowledges that the Identifications are a valuable and important property right and are essential to the goodwill and reputation of the Products. Buyer further acknowledges Seller's interest in the Identifications, and Buyer shall not claim any right to or title or interest thereto.

(b) Buyer must obtain Seller's prior written authorization to use and display, or permit the use and display of, the Identifications at any retail outlet. Those retail outlets approved for the Shell brand and otherwise authorized by Seller to display the Identifications are identified in Exhibit B, as may be amended from time to time as retail outlets are added and removed from Buyer's Shell-branded network; provided, however, a formal amendment to Exhibit B will not be necessary and this exhibit will be deemed to be amended automatically by the addition or removal of outlets from Buyer's Shell-branded network. Buyer acknowledges that Seller may, in its sole discretion, approve or not approve any outlet Buyer requests Seller to brand under the Identifications.

(c) Buyer shall follow, and cause the operators of Buyer's Outlets to follow, all rules, regulations, standards, and guidelines Seller establishes from time to time relating to the use and display of the Identifications.

(d) Buyer shall not use, and shall prohibit the use by the operators of Buyer's Outlets of, the word "Shell" as part of Buyer's or the operators' Business Entity name. Buyer shall not use, and shall prohibit the operators of Buyer's Outlets from

using, the Identifications or the word "Shell" in Buyer's or the operators' trade style if the use is likely to: (1) create the impression that the business is owned or operated by Seller or (2) deceive or cause a likelihood of confusion to prospective customers.

- (e) Any transfer of a Buyer's Outlet to another Shell-branded wholesaler requires Seller's prior authorization.

6. PRODUCT STEWARDSHIP AND QUALITY. Pursuant to Seller's permission granting Buyer use of the Identifications, Buyer shall comply with, and cause the operators of Buyer's Outlets to comply with, the following requirements relating to the marketing, storage, and resale of the Products.

(a) Buyer shall not resell, nor may any operator of Buyer's Outlets resell, gasoline to be resold as Shell-branded gasoline at Buyer's Outlets other than gasoline purchased by Buyer from Seller.

(b) The quality of the Products must be strictly maintained and not adulterated, commingled, or blended with any other products or substances in any manner without Seller's prior written consent.

(c) All Products must be clearly identified, correctly labeled, and resold under their proper Identifications and grades.

(d) If Buyer, or any operator of a Buyer's Outlet, purchases, stores, distributes, markets, or sells gasoline or diesel fuel purchased from any other supplier or unbranded gasoline or diesel fuel from Seller, then adequate facilities must be maintained and correctly identified to keep those products segregated from all of the Products and the fuel must be correctly identified in accordance with Seller's standards.

(e) All signs and other advertising devices or materials furnished by Seller to Buyer will remain Seller's property, must be used solely in connection with the resale of the Products, and must be returned to Seller immediately upon demand at Buyer's expense.

(f) Buyer shall obtain Seller's prior written approval before using, or permitting the use of, any promotional materials or advertising that bear any of the Identifications.

7. BRAND IDENTIFICATION AND MINIMUM STANDARDS. Buyer acknowledges that the Identifications represent to the motoring public the manufacture and sale of quality Products. Buyer shall undertake no action of any kind that may harm or degrade the Identifications. Buyer further acknowledges that uniform standards of quality and appearance must be maintained at all retail outlets displaying the Identifications in order to properly market and sell the Products, preserve and promote the reputation of Seller, and achieve public acceptance of the Products. Accordingly, Buyer shall comply with, and cause the operators of Buyer's Outlets to comply with, all standards of operation and appearance established from time to time by Seller, including, without limitation, the following minimum obligations; provided, however, the means and the manner of performance are within the sole discretion of Buyer:

(a) Buyer shall comply with, and cause the operators of Buyer's Outlets to comply with, Seller's Retail Visual Identity ("RVI") Design Standards and Conversion guidelines or Seller's current image standards pertaining to the image of Buyer's Outlets ("Image Guidelines") as may be amended by Seller from time to time. If Seller amends the Image Guidelines, Seller shall provide Buyer written notice. Buyer acknowledges receipt of, or has been informed on how to access, the Image Guidelines through the Internet.

(b) Buyer acknowledges receipt of, or has been informed on how to access through Seller's online website, Seller's brand standards pertaining to Seller's operations, appearance, and cleanliness requirements ("Brand Standards") as may be amended by Seller from time to time. If Seller amends the Brand Standards, Seller shall provide Buyer notice. At all times during the term of this Agreement, Buyer shall maintain, and cause the operators of Buyer's Outlets to maintain, Buyer's Outlets in accordance with the Brand Standards. If any Buyer's Outlet fails to meet the Brand Standards, Seller may revoke its permission to display the Identifications at the Buyer's Outlet in accordance with Article 24.

- (c) The Products must be diligently and efficiently merchandised and promoted at Buyer's Outlets.

Merchandise or paraphernalia, including, without limitation, items that may be used in connection with illegal drugs, that is morally offensive or distasteful to the general public as determined by Seller in its reasonable discretion may not be displayed or offered for sale at Buyer's Outlets.

(k) Buyer's Outlets must be kept clear of vehicles, other mobile equipment, and obstructions that restrict traffic flow, endanger customer safety, or detract from appearance. Buyer's Outlets may not be used to sell, lease, or store motor vehicles, trailers, boats, or other mobile equipment, without Seller's prior written consent.

(l) Buyer's Outlets must be operated in a secure manner so that criminal activity is adequately deterred from occurring there and so that all persons at Buyer's Outlets are adequately protected from injury, harm, or loss. Buyer has complete control over and the sole responsibility for security at Buyer's Outlets.

8. SELLER'S MARKETING RIGHTS. Seller may, from time to time: (a) add, change, or modify the grade, Product brand name, delivery package, or other distinctive designation of any Product; (b) change or modify the formulations and specifications of any Product; and (c) upon 30 days' prior notice, discontinue at any time the sale of any Product in which event the parties will be relieved of any further obligation with respect to that Product.

9. SALES AND MARKETING OBLIGATIONS.

(a) Buyer shall use its reasonable efforts to develop and actively promote the sales of Products. Nothing in this Agreement grants Buyer an exclusive territory to market and resell the Products. Seller reserves the right to market and sell, and authorize others to market and sell, the Products in any manner Seller chooses, including, without limitation, through its own retail outlets or through designated wholesalers or other buyers.

(b) Subject to Articles 19 and 20, Buyer shall keep all Buyer's Outlets supplied on a timely basis with sufficient volumes and quantities of Products to meet the needs and demands of all Buyer's Outlets and their customers. Buyer shall maintain, or cause to be maintained, a sufficient amount of all grades of Shell-branded gasoline and, if applicable, branded diesel fuel at Buyer's Outlets.

(c) Buyer shall not sell, deliver, or otherwise supply the Products to retail outlets Seller has not authorized, in writing, Buyer to supply. Further, Buyer shall not supply the Products to any reseller who Buyer knows or has reason to know will resell the Products under trademarks or brand names other than those of Seller.

10. TRAINING.

(a) Buyer shall attend and shall cause all the operators of Buyer's Outlets to attend Seller approved training courses and courses deemed appropriate by local management of Seller as requested by Seller. Seller shall pay the costs for instructors, training materials, and the facility. The training will be conducted at a training facility designated by Seller.

(b) Upon Seller's request, Buyer shall provide proof of training for Buyer, Buyer's managers, and the operators of Buyer's Outlets. Buyer shall have available and utilize training equipment, materials, and programs made available by Seller from time to time for training purposes.

(c) Buyer shall distribute Seller's communications relating to training and Seller's training materials within 90 days after receipt to Buyer's employees and the operators and employees of Buyer's Outlets.

Whether Buyer uses its own transportation equipment to transport the Products, or engages a carrier to do so, Buyer or Buyer's carrier, as the case may be, shall comply with all rules and regulations at Seller's Plants, and shall execute any Seller agreement, pertaining to access to Seller's Plants. In addition, Buyer or the carrier, as the case may be, must provide evidence of Insurance (as defined in Article 22) when requested by Seller. If Buyer, or Buyer's carrier, does not provide evidence of Insurance upon request, Seller may deny access to the Plant.

(d) Loading of transportation equipment provided by Buyer or for Buyer's account will be on a first-come, first-served basis. All demurrage shall be for the account of Buyer except to the extent caused by Seller's fault.

12. TRANSACTION CARDS.

(a) As long as Seller elects to accept specified credit cards, credit identifications, debit cards, pre-paid cards, store-valued cards, or other transaction authorization cards (collectively "Transaction Cards") in the state in which Buyer's Outlets are located, Buyer shall accept, and cause the operators of Buyer's Outlets to accept, all Transaction Cards identified in Seller's Transaction Card guide ("Guide") for the purchase of authorized products and services. Buyer shall account for and process, and cause the operators of Buyer's Outlets to account for and process, all such transactions in strict compliance with the terms set forth in the Guide, as may be amended by Seller from time to time. If Seller amends the Guide, Seller shall provide Buyer with notice. Seller may assess Buyer a Transaction Card processing fee (which may include any VSAT/telecommunication related charges) for providing such services.

(b) Seller shall accept from Buyer all transactions generated as a result of purchases made with authorized Transaction Cards and processed in accordance with the terms in the Guide. At Seller's option, Seller shall pay the amount of the transactions to Buyer, after deducting any processing fee in effect under Seller's then current Guide, by: (1) netting, recouping, or offsetting the amount against Buyer's account with Seller; (2) a credit to Buyer's bank account by EFT; or (3) check to Buyer.

(c) For each transaction not authorized, disputed by a customer, or otherwise subject to chargeback under the Guide, Seller may either charge the amount to Buyer's account or require Buyer to immediately refund to Seller, including, without limitation, refund by draft or EFT initiated by Seller, without any deduction for any processing fee. Seller may also charge and collect from Buyer any fines or fees referenced in the Guide.

(d) In order to provide efficient service to the motoring public, Buyer shall comply with Seller's software and hardware standards, established from time to time by Seller, relating to Electronic Point of Sale ("EPOS") systems, including, but not limited to, Seller approved compatible hardware, customer activated terminals, integrated and non-integrated EPOS systems, and other requirements necessary to electronically accept and process the Transaction Cards at all times during the term of this Agreement. Buyer shall upgrade the EPOS system with any new release of the software within 9 months after notice from Seller.

(e) Buyer shall execute any applicable Seller agreement relating to the use or access of the EPOS system. In addition, if Seller loans or leases any imprinter, EPOS terminal, or other related equipment to Buyer in connection with acceptance of the Transaction Cards, Buyer shall: (1) comply with the terms of the Guide; (2) execute any applicable Seller agreement relating to the use of such equipment; and (3) reimburse Seller for any charges relating to the use of such equipment (whether third party or internal) incurred by Seller.

(f) Without limiting any rights or remedies available to Seller, if Buyer fails to comply, or any operator of Buyer's Outlets fails to comply, with this article or the Guide, Seller may limit or terminate Buyer's or the operator's right to participate in Seller's program for Transaction Cards; provided, however, if the failure is technical or immaterial, in Seller's sole discretion, Seller may provide Buyer or the operator of Buyer's Outlet, as the case may be, 30 days to correct such failure.

(g) Seller may terminate its Transaction Card program at any time upon notice to Buyer.

13. INSPECTION AND AUDIT. Buyer grants, and shall cause the operators of Buyer's Outlets to grant, Seller, its agents, and representatives the right to enter the Buyer's Marketing Premises and Buyer's Outlets at all reasonable times to inspect the facilities, procedures, and materials being used in connection with the purchase and sale of the Products, to obtain samples of and conduct tests on the Products, to inspect the books and records pertaining to the purchase and sale of the Products, and to audit, observe, and otherwise verify Buyer's compliance with this Agreement.

14. TAXES. Buyer shall pay all federal, state, and local excise taxes, license fees, inspection fees, environmental fees, and other similar assessments or charges, now or hereafter levied or assessed, by any governmental authority that Seller may be required to collect or pay on the importation, manufacture, sale, purchase, transportation, storage, resale, or use of the Products, insofar as the same is not expressly included in the price for the Products ("Taxes"). If Buyer pays directly any such Tax normally remitted by Seller, Buyer shall promptly provide proof of payment of such charges. Further, Seller shall not collect, and Buyer will not be obligated to pay: (a) any such Tax for which Buyer furnishes to Seller a valid exemption certificate or valid fuel license; (b) charge based on or measured by the net income or net worth of Seller, or (c) any employment-related tax, fee, or charge.

15. WARRANTY AND DISCLAIMER. Seller warrants that all Products sold to Buyer will meet Seller's then current specifications at the time title to the Products transfers to Buyer as specified in Article 11. **SELLER MAKES NO OTHER WARRANTIES OF ANY KIND AS TO THE PRODUCTS SOLD TO BUYER, EITHER EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, THE IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.**

16. LIMITATION OF LIABILITY.

TO THE EXTENT PERMITTED BY LAW, BUYER'S SOLE AND EXCLUSIVE REMEDY FOR ANY CLAIM ARISING FROM OR IN CONNECTION WITH BREACH OF SELLER'S WARRANTY SPECIFIED IN ARTICLE 15 WHICH CLAIM WAS NOT CAUSED OR CONTRIBUTED BY ANY NEGLIGENCE OR FAULT OF BUYER ("PRODUCT DEFECT"), WHETHER THE CLAIM IS MADE BY BUYER OR AN OPERATOR OF ANY BUYER'S OUTLET, FOR BREACH OF CONTRACT OR WARRANTY, OR IS UNDER TORT, STRICT LIABILITY, STATUTE OR OTHERWISE, WILL BE: (1) AT SELLER'S OPTION, REPLACEMENT OF THE FAILED, DEFECTIVE, OR NONCONFORMING PRODUCTS OR REIMBURSEMENT OF THE PURCHASE PRICE THEREOF, AND (2) REIMBURSEMENT OF THE REASONABLE COST OF REPAIR OR REPLACEMENT OF ANY MECHANICAL EQUIPMENT OR PARTS THAT ARE DAMAGED DIRECTLY BY THE USE OF SUCH PRODUCTS. IN NO EVENT WILL EITHER PARTY BE LIABLE TO THE OTHER FOR ANY INDIRECT, SPECIAL, INCIDENTAL, CONSEQUENTIAL, OR PUNITIVE DAMAGES ARISING UNDER ARTICLE 15 WHETHER UNDER TORT, CONTRACT, STRICT LIABILITY, WARRANTY, STATUTE, OR OTHERWISE.

17. CLAIMS.

(a) Seller will not be liable to Buyer for any defect in quality or shortage in quantity of the Products unless: (1) Buyer gives Seller notice within 4 business days after delivery for shortages and within 4 business days after delivery for quality defects (or 4 business days after discovery if the defect is latent) and (2) Buyer provides Seller with a reasonable opportunity to inspect, take samples, and test the Products that are the subject of the claim.

(b) Except as set forth in Article 21, claims relating to the Products or indebtedness, or as otherwise specified in this Agreement, the parties will not be liable to each other for any other claim arising out of this Agreement unless the claimant provides the other party with written notice of the claim (setting forth fully the facts on which the claim is based) within 180 days after the date on which the claim arose.

18. COMPLIANCE WITH LAWS.

(a) Buyer shall comply, and cause the operators of Buyer's Outlets to comply, with all Laws, licenses, and permits relating to its business and the receipt, handling, storage, dispensing, packaging, transportation, labeling, advertising, and sale of the Products at Buyer's Outlets.

(b) Without limiting the generality of the foregoing, Buyer shall comply, and cause the operators of Buyer's Outlets to comply, with all Laws relating to motor fuel and fuel additives as specified in Exhibit C, which Seller may amend from time to time upon written notice to Buyer. Further, if Buyer or any operator of a Buyer's Outlets owns or operates any UST system (as defined in applicable Laws), Buyer shall comply, and cause the operator to comply, with all applicable Laws governing UST systems, including but not limited to financial responsibility requirements through mechanisms provided for in such Laws such as guarantees, surety bonds, and insurance.

19. **EXCUSES FOR NON-PERFORMANCE.** Both parties will be excused from their obligations under this Agreement for any circumstance (except for financial obligations): (a) reasonably beyond the parties' control including, but not limited to: flood, ice storm, snowstorm, earthquake, other acts of God; or (b) caused by fire or explosion; delay or loss of transportation or delivery equipment; mechanical breakdown; strikes or other labor trouble; plant shutdowns; riots, terrorism, acts of war, or other civil disturbances; or voluntary or involuntary compliance with any Law or request of any governmental authority.

20. **ALLOCATION.** If Seller, for any reason, does not have sufficient supplies of the Products to supply its customers, then during any period of short supply Seller may restrict deliveries of the Products to Buyer without liability and may allocate Seller's supply of the Products among its customers and classes of customers which in Seller's judgment is fair and reasonable under the circumstances. After cessation of any period of short supply, Buyer and Seller shall promptly resume deliveries and receipts of the Products but shall not be obligated to make up any deliveries or receipts not made because of such period of short supply.

21. INDEMNITY.

(a) To the extent permitted by Law, Buyer shall indemnify and defend Seller, its members, subsidiaries, affiliates and joint venture partners, and their respective directors, officers, employees, and agents ("Indemnified Party") against all claims, demands, causes of action, suits, damages, judgments, liens, penalties, and expenses, including, without limitation, attorneys' fees and litigation costs, whether incurred for an Indemnified Party's primary defense or for enforcement of its indemnification rights (collectively, "Claim") including, without limitation, any Claim for harm, injury or death to any person, or damage to property or to the environment arising out of or in connection with any of the following matters:

- (1) Buyer's performance or nonperformance under this Agreement including, without limitation, Buyer's possession, sale, transportation, storage, handling, blending, and use of the Products;
- (2) Any action or omission of Buyer or Buyer's employees, agents, contractors, assigns, or third parties; and
- (3) Any event or occurrence at or involving the operation of any Buyer's Outlet.

BUYER'S OBLIGATION TO INDEMNIFY AND DEFEND EXTENDS TO ANY CLAIM CAUSED BY THE CONCURRENT OR CONTRIBUTORY NEGLIGENCE OR FAULT OF AN INDEMNIFIED PARTY.

(b) Notwithstanding Buyer's obligations in Article 21(a), Buyer shall indemnify and defend the Indemnified Party against all Claims arising solely at Plants owned or operated by Seller but only to the extent of the negligence of Buyer, Buyer's employees, agents, or contractors.

(c) Within a reasonable time after any occurrence which may result in a Claim, Buyer shall report the same to Seller by telephone and shall promptly thereafter confirm the same by written notice, including all circumstances thereof known to Buyer or the operator of Buyer's Outlet or their employees. **PROMPTLY AFTER RECEIVING NOTICE OF ANY SUCH OCCURRENCE, AT BUYER'S EXPENSE, BUYER SHALL INVESTIGATE SAID OCCURRENCE AND RESPOND TO AND DEFEND ANY CLAIM ASSERTED AGAINST ANY INDEMNIFIED PARTY, INCLUDING, WITHOUT LIMITATION, ANY CLAIM ALLEGING THE INDEMNIFIED PARTY'S SOLE NEGLIGENCE.** The Indemnified Party may participate in the defense and settlement of any Claim or litigation with attorneys of the Indemnified Party's selection without relieving Buyer of any obligations under this article; provided, however, the Indemnified Party will be responsible for its own attorney's fees. Seller shall reimburse Buyer for the amount of any judgment and reasonable defense costs paid by Buyer which represents the total liability found by final nonappealable judgment to have been caused by: (1) the Indemnified Party's sole negligence; (2) Product Defect as defined in Article 16; or (3) the amount of liability attributable to the negligence of Seller, its employees, agents or contractors as specified in Article 21(b).

(d) The Insurance requirements of Article 22 do not limit or restrict in any way Buyer's obligations under this article.

(e) Buyer's obligations under this article survive termination or nonrenewal of this Agreement.

22. INSURANCE.

(a) Buyer shall maintain, at all times under the term of this Agreement, the following insurance coverage satisfactory to Seller with limits not less than those limits required below (the "Insurance"). If Buyer does not own or operate Buyer's Outlet, upon renewal, or when entering into new agreements with its operators, Buyer shall require that those operators maintain adequate insurance that is consistent with the following requirements.

(1) Commercial General Liability Insurance unamended or Comprehensive General Liability Insurance with Broad Form CGL endorsement with limits of \$2,000,000 each occurrence and \$2,000,000 general aggregate for Buyers owning, operating, or supplying up to and including 5 Buyer's Outlets. Buyers owning, operating, or supplying 6 or more Buyer's Outlets shall amend their policy aggregate to \$5,000,000. Limits in excess of \$1,000,000 may be provided by Excess Liability or Umbrella Liability coverage. As applicable, Buyer shall maintain the following:

(i) Liquor Liability Insurance if Buyer owns and operates the Buyer's Outlet and alcoholic beverages are sold at the location, utilizing endorsement CG 24 08, CG 00 33, or an equivalent;

(ii) Marine Terminal or Wharfingers Liability Insurance if Buyer owns and operates a Buyer's Outlet which is a marine facility. If Buyer supplies the marine facility via watercraft the watercraft exclusion must be deleted or equivalent coverage purchased; and

(iii) Garagekeepers Legal Liability if Buyer owns and operates a Buyer's Outlet with service bays or car washes, with limits of not less than \$60,000 per occurrence.

(4) Employers' Liability Insurance protecting Buyer against common law liability, in the absence of statutory liability, for employee bodily injury arising out of the master-servant relationship with a limit of \$1,000,000 Each Accident, \$1,000,000 Disease-Policy Limit; \$1,000,000 Disease-Each Employee. Such Insurance must include a waiver of subrogation in favor of Seller where permissible by Law.

(b) Buyer shall assure that the Insurance policies allow for the separation of insureds and provide for written notice of cancellation or material change. Notice of cancellation or change will not affect the Insurance until 30 days after written notice is received by Seller. Any deductible or retention of insurable risks will be for the Buyer's account.

(c) Buyer shall assure that the Insurance required in this article and evidence of the Insurance issued to Buyer names Seller and its members, subsidiaries, affiliates and joint venture partners, to the extent of their interest, as additional insureds, without regard to the allocation of liability provisions contained in this Agreement, to the extent of any claim, loss or liability within the scope of the required Insurance. The parties intend that, to the extent of their interest, the status of Seller and its members, subsidiaries, affiliates and joint venture partners as additional insureds will not be limited by the indemnity obligations under this Agreement or otherwise. Buyer shall secure from its insurance companies and provide to Seller, for all required Insurance, an additional insured endorsement without restrictions.

(d) At the time of execution of this Agreement and upon request during the term of this Agreement, Buyer shall provide Seller with evidence of Insurance that Buyer is in compliance with Seller's Insurance requirements. Buyer's failure to provide certificates evidencing the Insurance requirements or to purchase Insurance coverage in compliance with this article will not relieve Buyer of its obligations in this article.

23. ASSIGNMENTS.

(a) Assignment by Buyer. This Agreement is personal to Buyer. Buyer may not sell, transfer, assign, or encumber any of its interest under this Agreement, or assign any claim against Seller arising directly or indirectly out of or in connection with this Agreement, in whole or in part, whether voluntarily, involuntarily, or by operation of Law (collectively, "Transfer") without the prior written consent of Seller, which consent will not be unreasonably withheld. Seller will have 30 days (or any lesser period specified by Law) after receipt of Buyer's request for Seller's consent and all qualification information reasonably required by Seller to provide Buyer with written notice of its decision to grant or withhold consent. Seller's consent to any Transfer is not a waiver of the provisions of this article as to any future transaction. Any Transfer by Buyer without Seller's prior written consent is void.

(b) Successor in Interest. Notwithstanding the foregoing, if Buyer or the person currently in "control" of the ownership interest of Buyer ("control" being the authority to direct the operations of Buyer and to have or exercise management responsibility) dies or suffers severe physical or mental disability of at least 3 months which renders Buyer unable to perform all of its obligations under this Agreement, or if Buyer seeks to Transfer any of its interest in this Agreement for estate planning purposes, Seller consents to the Transfer of this Agreement, in whole or in part, to a qualified member of the individual's immediate family. For the purposes of this article a "qualified member" includes the individual's spouse, adult child, parent, brother and sister who is acceptable to Seller under Seller's current Transfer guidelines.

(c) Transfer Events. Without limiting the foregoing, the following events constitute a Transfer:

(1) Subject to Article 23(b) above, if Buyer is an individual and Buyer dies and Buyer's interest in this Agreement is transferred, whether by will or operation of Law;

(2) Buyer becomes bankrupt or insolvent, Buyer makes an assignment for the benefit of creditors, or a proceeding is instituted under the Bankruptcy Code, and, if it is an involuntary proceeding, Buyer or other affected party has not had it dismissed within 60 days;

(3) A writ of attachment or execution is levied on this Agreement and is not removed by Buyer within 30 days;

(4) A receiver is appointed with authority to take over Buyer's interest in this Agreement and is not removed within 60 days in any proceeding or action to which Buyer is a party;

(5) If Buyer is a partnership or a limited liability partnership, a withdrawal or any change of interest (voluntary, involuntary or by operation of Law) of any partner or the dissolution of the partnership; provided, however, a Transfer of interests between existing partner is not a Transfer requiring Seller's consent;

(6) If Buyer is a limited liability company or a corporation, any dissolution, merger, consolidation or other reorganization, or other arrangement having similar effect, or the Transfer by Buyer or any member or shareholder with a controlling interest or more of the voting shares of the capital stock of Buyer or of any lesser interest which cumulatively vests a controlling interest of such voting shares in the transferee; provided, however, if Buyer Transfers more than 25% of the interest in any one year or more than 49% of the interest over the term of this Agreement, Buyer must obtain Seller's consent in accordance with Article 23(n); and

(7) If Buyer is composed of more than one person, any change of interest (voluntary, involuntary or by operation of Law) of any such person.

(d) Notice of Pending Sale. If Buyer formalizes a plan to sell, or receives a proposal or offer to purchase, Buyer's business, Buyer's Marketing Premises, or any Buyer's Outlet, Buyer shall provide Seller or its designee with the necessary information relating to the proposed purchase or sale to afford Seller an opportunity to negotiate an agreement with Buyer to purchase the business or assets. Upon receipt of the notice, the parties shall execute a mutually acceptable confidentiality agreement pertaining to the sale and Seller will have a maximum of 30 days to make Buyer an offer to purchase; provided, however, Seller shall make a reasonable effort to respond to Buyer in less time. Buyer shall consider, but will not be obligated to accept, any purchase offer made by Seller.

(e) Assignment by Seller. Seller may transfer its interest, in whole or in part, in this Agreement.

24. DE-IDENTIFICATION OF BUYER'S OUTLETS.

(a) If any action is taken at any Buyer's Outlet that is prohibited by this Agreement, any action is not taken at a Buyer's Outlet that is required or contemplated by this Agreement, or the operations at a Buyer's Outlet are otherwise not conducted in accordance with this Agreement, Seller may revoke the permission Seller granted to use the Identifications at that Buyer's Outlet by giving written notice to Buyer. Without limiting the generality of the foregoing, if a Buyer's Outlet is abandoned, not operated, is no longer supplied by Buyer, or if a sufficient amount of all grades of Shell-branded gasoline and, if applicable, branded diesel fuel is not maintained at a Buyer's Outlet for 7 consecutive days, or such lesser period which under the facts and circumstances constitutes an unreasonable period of time, Buyer must notify Seller, immediately de-identify the outlet, and then notify Seller of the de-identification.

(b) Promptly after receiving notice from Seller as specified in Article 24(a) above, Buyer shall take, or shall cause the operator of Buyer's Outlet to take, all steps necessary and appropriate to cease the marketing and selling of Products, and otherwise using the Identifications, at the Buyer's Outlet. Without limiting the generality of the foregoing, at Buyer's expense, Buyer shall, or shall cause the operator of Buyer's Outlet to: (1) remove, and if requested by Seller, return all signs or materials bearing any of the Identifications including, if applicable, the Lazy S canopy fascia, illuminated light bar, and the building portico unless Buyer has received prior approval from Seller to relocate the same to another Buyer's Outlet; (2) remove and destroy, or permanently paint over, all advertising displays, color schemes and other materials and items bearing any of the Identifications (whether used on buildings, equipment, tanks, trucks, automobiles or stationery); (3) return any equipment loaned or leased to Buyer for use at Buyer's Outlet to a place designated by Seller; and (4) if requested by Seller, return the primary Identification sign including the poles and modules to a place designated by Seller if Seller provided any funds towards the purchase of such signage.

(c) If a Buyer's Outlet is temporarily closed with Seller's prior consent, Buyer shall cover or remove the primary Identifications at the Buyer's Outlet including, but not limited to, the canopy, street, and high rise signs, and shall keep, or cause the operator of the Buyer's Outlet to keep, the Buyer's Outlet cleaned and maintained.

25. TERMINATION OR NONRENEWAL.

(a) Termination by Seller. Subject to any limitations imposed by Law, Seller may terminate this Agreement for any of the following grounds.

(1) Buyer's failure to comply with any provision of this Agreement, which provision is both reasonable and of material significance to the relationship under this Agreement;

(2) Buyer's failure to exert good faith efforts to carry out the provisions of this Agreement;

(3) The occurrence of an event which is relevant to the relationship under this Agreement and as a result of which termination of this Agreement is reasonable, including, without limitation, the following events:

(i) Buyer's fraud or criminal misconduct relevant to the operation of Buyer's business, Buyer's Marketing Premises, or Buyer's Outlets;

(ii) Buyer's declaration of bankruptcy or judicial determination of insolvency of Buyer;

(iii) Buyer's continuing severe physical or mental disability if Buyer is an individual, or if Buyer is a Business Entity, the disability of any individual who is currently in "control" of the ownership interest ("control" being the authority to direct the operations of Buyer and to have or exercise management responsibility) of at least 3 months that renders Buyer unable to provide for the continued proper operation of Buyer's Marketing Premises or Buyer's Outlets;

(iv) Loss of Seller's right to grant the right to use the Identifications, which are the subject of the franchise;

(v) Buyer's failure to pay to Seller in a timely manner when due all sums to which Seller is legally entitled;

(vi) Buyer's failure to operate Buyer's Marketing Premises for 7 consecutive days, or such lesser period which under the facts and circumstances constitutes an unreasonable period of time;

(vii) Buyer's willful adulteration, mislabeling, or misbranding of motor fuels or other trademark violations;

(viii) Buyer's knowing failure to comply with the Laws relevant to the operation of Buyer's business, Buyer's Marketing Premises, or Buyer's Outlets;

(ix) Buyer's conviction of any felony involving moral turpitude;

(x) Subject to Article 23(b), Buyer's death if Buyer is an individual, or if Buyer is a Business Entity, the death of any individual who is currently in "control" of the ownership interest of Buyer ("control" being the authority to direct the operations of Buyer and to have or exercise management responsibility); and

(xi) Buyer's failure to comply with Buyer's obligations relating to Insurance set forth in Article 22.

(4) A determination is made by Seller in good faith and in the normal course of business to withdraw from marketing of motor fuel through retail outlets in the relevant geographic market area in which Buyer's Outlets are located;

(5) Termination by Seller for cause of any other branded Wholesaler Marketer Agreement between Buyer and Seller; or

(6) Any other ground for which termination is provided for in this Agreement or is otherwise allowed by the PMPA or other applicable Law.

(b) Termination After Execution. If after execution of this Agreement, but prior to the Effective Date, Seller has grounds to terminate or not renew any then existing Wholesale Marketer Agreement between the parties, or to terminate this Agreement as if it were then in its term, Seller may terminate this Agreement, as well as any existing Wholesale Marketer Agreement, based on those grounds.

(c) Nonrenewal by Seller. Subject to any limitations imposed by Law, Seller may not renew this Agreement for any of the grounds specified in Article 25(a) or any other ground for which nonrenewal is provided for in this Agreement or is otherwise allowed by the PMPA or other applicable Law.

(d) Mutual Termination. The parties may terminate or not renew this Agreement by mutual written agreement in the form and manner permitted by the PMPA.

(e) Acts Attributable to Buyer. In determining whether a ground for termination or nonrenewal exists under this article, the acts or omissions of Buyer's employees, agents, and contractors are the acts or omissions of Buyer. If Buyer is comprised of more than one person, the acts or omissions of each such person are the acts or omissions of Buyer. If Buyer is a Business Entity, in addition to those individuals mentioned above, the acts or omissions of each partner, shareholder or member, as the case may be, are the acts or omissions of Buyer.

26. RIGHTS AND DUTIES UPON TERMINATION OR NONRENEWAL.

(a) Upon termination or nonrenewal of this Agreement, Buyer shall immediately cease, and cause the operators of Buyer's Outlets to immediately cease, marketing and selling the Products and otherwise using the Identifications or any marks confusingly similar thereto. Without limiting the generality of the foregoing, at Buyer's expense, Buyer shall, or shall cause the operator of Buyer's Outlets to: (1) remove, and if requested by Seller return, all signs or materials bearing any of the Identifications including, if applicable, the Lazy S canopy fascia, illuminated light bar, and the building, portico; (2) remove and destroy, or permanently paint over, all other advertising displays, color schemes and other materials and items bearing any of the Identifications (whether used on buildings, equipment, tanks, trucks, automobiles or stationery); (3) return any equipment loaned or leased by Seller to Buyer for use at Buyer's Outlets to a place designated by Seller; and (4) if requested by Seller, return the primary Identification signs including the poles and modules to a place designated by Seller if Seller provided any funds towards the purchase of such signage.

(b) If Buyer fails for any reason to cease marketing and selling the Products or otherwise using any of the Identifications immediately upon the effective date of termination or nonrenewal, then Seller may enter Buyer's Marketing Premises and the Buyer's Outlets operated by Buyer to carry out Buyer's obligations under Article 26(a), at Buyer's expense. Buyer shall not interfere, and will not permit any of its employees, agents or representatives to interfere, with Seller's rights under this article. Seller's exercise of its right of entry will not constitute a trespass or other tort.

(c) If Buyer fails for any reason to cause any operator of a Buyer's Outlet supplied by Buyer to cease marketing and selling Products or otherwise using any of the Identifications immediately upon the effective date of termination or nonrenewal, then Seller may take all necessary and appropriate action, in Buyer's name and at Buyer's expense, to cause the operator of that Buyer's Outlet to cease that activity.

(d) Seller will be entitled to injunctive and equitable relief for any violation of this article and Buyer shall pay all costs and expenses, including, without limitation, reasonable attorneys' fees and other legal costs Seller incurs, in enforcing this article.

27. **INDEPENDENT CONTRACTOR.** Buyer is an independent contractor, and nothing in this Agreement may be construed as reserving to Seller any right to exercise any control over, or to direct in any respect the conduct or management of, Buyer's business or operations conducted pursuant to this Agreement, but the entire control and direction of such business and operations are and will remain in Buyer, subject only to Buyer's performance of the obligations of this Agreement. Neither Buyer nor

any person performing any duties or engaged in any work at the Buyer's Outlets will be deemed an employee or agent of Seller, and none of them is authorized to impose on Seller any obligations or liability whatsoever.

28. BUSINESS ENTITY OR JOINT BUYER.

(a) If Buyer is comprised of more than one person, the obligations imposed under this Agreement are joint and several as to each person and all of the terms apply to each person with the same effect as though that person were the sole Buyer.

(b) If Buyer is a Business Entity, all obligations and provisions of this Agreement of a personal nature apply as if the Business Entity were an individual and, insofar as is legally possible and reasonably practicable, to those individuals who have or exercise management responsibility for the Business Entity, including, without limitation, officers, directors or agents of corporations and partners of partnerships. The Business Entity must manage its affairs with respect to the personal obligations and provisions in a manner so as to give full force and effect to the same.

29. ATTORNEY'S FEES. Except as provided under Article 30, Seller or Buyer, as the case may be, will be entitled to recover from the other party reasonable attorney's fees and other legal costs the prevailing party incurs in order to secure or protect the rights inting to the prevailing party under this Agreement, or to enforce the terms thereof.

30. ALTERNATIVE DISPUTE RESOLUTION.

(a) Any and all claims, counterclaims, demands, causes of action, disputes, controversies and other matters arising out of or relating to this Agreement or the relationship established by this Agreement, any provision of this Agreement, the alleged breach of this Agreement, or in any way relating to the subject matter of this Agreement involving the parties or their respective representatives ("Claim"), whether such Claims are in contract, tort, or otherwise, at law or in equity, whether provided by statute or the common law, for damages or any other relief, if not capable of resolution through negotiation by the parties, must be submitted to non-binding mediation ("Mediation") as described below. Excepted from Mediation is: (1) Seller's determination to terminate or nonrenew this Agreement and the franchise relationship thereunder pursuant to the PMPA; (2) Seller's collection of indebtedness arising out of or relating to this Agreement; and (3) any Claim with a monetary value of less than \$20,000.00.

(b) The Mediation process will be conducted according to the following procedure:

(1) Seller and Buyer shall submit a notice of Claim ("Notice") to the other party and to the office of the CPR Institute for Dispute Resolution ("CPR"), whose address is 366 Madison Avenue, New York, NY 10017-3122, which sets forth the details of the Claim.

(2) The Claim must be submitted to Mediation in accordance with: (i) the then current CPR Rules for Non-Administered Mediation of Business Disputes; and (ii) the provisions of this Agreement.

(3) The Mediation proceeding will be conducted on a confidential basis.

(4) The Mediation will be conducted in the county in which Seller's region office is located or in a mutually agreed city, such agreement being made within 10 days of the filing of the Notice.

(5) There will be one mediator. The CPR will furnish a Panels List of 5 potential mediators to the parties within 15 days of the Notice. Within 10 days from receipt of the Panels List, each party shall designate up to 3 members of the Panels List in order of preference and return their selections to the CPR. The CPR will have 10 days to notify the parties of an agreed upon mediator based upon the selections furnished by the parties. If the parties are unable or fail to agree upon a mediator, the CPR will select one within 30 days from the filing of the Notice. The mediator must not have any actual or perceived conflict of interest with any party to the Agreement, any affiliate or subsidiary of a party or their respective counsel.

(6) The mediator will order the parties to promptly exchange copies of all exhibits and, if requested by a party, to produce other relevant documents, to answer up to 20 interrogatories (which total includes any subparts), and to respond to up to 10 requests for admissions (which will be deemed admitted if not denied within 30 days). Any additional discovery will only occur by agreement of the parties or as ordered by the mediator upon a finding of good cause. All discovery must be completed 15 days prior to the commencement of the hearing process. If any dispute or disagreement arises with respect to the discovery

contemplated herein, the mediator will hear the nature of the dispute and make any rulings needed to resolve it. The hearing process will be postponed until all such disputes are resolved, so that there will be a 15 day period between the end of discovery and the commencement of the hearing process.

(7) The mediator will schedule one or more hearings, all of which will be conducted within 90 days from the filing of the Notice.

(c) Seller and Buyer will each be responsible for their own personal expenses, and Seller and Buyer shall each pay 50% of the fees and costs for the engagement of the CPR and the mediator. If advance payment or a deposit is required of any party prior to commencement of the Mediation, each party represents and warrants that it will timely pay and deposit this amount. The failure to timely pay any amounts requested by the mediator or the CPR (whether at commencement of the Mediation or otherwise) will constitute an immediate and material event of default of this Agreement. If these amounts are not timely paid within 10 business days following the defaulting party's receipt of a written notice and demand to pay (issued by the mediator or the non-defaulting party with a copy to the mediator), the non-defaulting party may seek to compel payment of such fees and costs by initiation of a court proceeding.

(d) All statutes of limitations and defenses based upon passage of time applicable to any Claim (including any counterclaim or setoff) will be tolled while the Mediation is pending.

(e) In order to prevent irreparable harm, a party may, notwithstanding any other provision of this agreement, seek temporary injunctive relief from any court of competent jurisdiction; provided that the party seeking such relief (if Mediation has not already been commenced) simultaneously commences Mediation.

(f) The provisions of this article survive any expiration or termination of this Agreement.

(g) BY EXECUTING THIS AGREEMENT, EACH PARTY IS AGREEING TO HAVE ANY APPLICABLE CLAIM SUBMITTED TO MEDIATION AS SET FORTH HEREIN, AND EACH PARTY ACKNOWLEDGES AND AGREES TO COMPLY WITH THIS REQUIREMENT PRIOR TO INITIATING LITIGATION OR OTHER COURT PROCEEDING. IF ANY PARTY REFUSES TO SUBMIT TO THE MEDIATION PROCESS AFTER AGREEING TO THIS PROVISION, SUCH PARTY MAY BE COMPELLED TO SUBMIT TO THE MEDIATION PROCESS. BUYER CERTIFIES THAT IT HAS READ AND UNDERSTANDS THE FOREGOING AND AGREES TO SUBMIT ALL APPLICABLE CLAIMS TO THE MEDIATION PROCESS.

31. NOTICES.

(a) Except as otherwise specified in this Agreement, all notices must be in writing, addressed to the parties as specified below and in compliance with the PMPA and other applicable Law. Subject to any requirements of Law, any notice (including price notifications) may be given to Buyer by personal service or by electronic mail or to either party by certified mail, regular mail, facsimile, or overnight or local courier. Notice will be deemed given when: (1) deposited in the U.S. Mail, postage or charges pre-paid and directed to the party for whom intended at the address in this Agreement or such other address as directed by the party upon written notice to the other if given by certified mail or regular mail; (2) deposited with the dispatching agency, postage or charges pre-paid and directed to the party for whom intended at the address in this Agreement or such other address as directed by the party upon written notice to the other if given by overnight or local courier; (3) confirmation is received by the sending party if given by facsimile; or (4) Seller is electronically notified by its electronic mail provider or program of delivery to Buyer if given by electronic mail.

(b) All notices must be addressed to the parties as follows:

If to Seller:

(c) If Buyer is a Business Entity, Seller may give notice to: (1) any officer or director of a corporation or limited liability company; (2) any partner of a partnership or limited liability partnership; or (3) any personal representative, agent, or employee of any other Business Entity.

(d) To enable Seller to send notices and communications to Buyer by electronic mail: (1) Buyer must have access to a computer that meets Seller's specifications in effect from time to time; (2) Buyer must have access to the internet; and (3) Buyer shall have at all times during the term of this Agreement an active E-mail address and Buyer shall promptly advise Seller of such address and of any change thereto.

32. GENERAL PROVISIONS.

(a) This Agreement as of the Effective Date hereof cancels and supersedes all prior and contemporaneous representations, inducements, agreements, commitments, and undertakings with respect to the subject matter of this Agreement, except those written agreements relating to any Indemnification, reimbursement, indebtedness, or debt security obligations (including, but not limited to, any security interest, security agreement, guaranty, mortgage, deed of trust, promissory note, or UCC filing).

(b) Except as expressly provided under this Agreement, all amendments and supplements to this Agreement must be in writing and signed by both parties.

(c) Any waiver of any provision of this Agreement must be in writing signed by the parties. Either party's delay or failure to enforce any provision of this Agreement or any course of dealing or trade custom or usage will not operate as a waiver of compliance with that provision or a waiver or estoppel of the party's right to enforce any other provision of this Agreement.

(d) The provisions of this Agreement are severable. If any provision of this Agreement is, for any reason, invalid or unenforceable, the remaining provisions of this Agreement are valid and enforceable if the basic intent of the parties is still capable of being achieved.

(e) This Agreement is binding upon and enforceable against the parties' respective successors, permitted assignees, legal representatives, executors, administrators, heirs, and legatees.

(f) Neither this Agreement nor any subsequent agreement amending or supplementing this Agreement is binding unless a duly authorized representative of the parties signs the Agreement, amendment, or supplement.

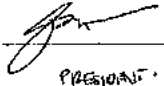

(g) For the purpose of Articles 32(b), (c) and (f), signatures and writings in an electronic form do not constitute or create a writing signed by a party.

(h) Except to the extent that the PMPA requires the mandatory application of the Law of another jurisdiction, this Agreement is subject to and governed by the Law of the State of Texas, without giving effect to principles of conflicts of Law that would result in the application of the Laws of another jurisdiction.

(i) By entering into this Agreement Buyer is not releasing or waiving any right as a condition of entering into this Agreement by the provisions of Section 2805(f) of the PMPA that: (1) Seller is prohibited from requiring Buyer to release or waive; or (2) that Buyer cannot lawfully waive under state law.

REGULATION OF FUELS AND FUEL ADDITIVES

Buyer shall strictly comply, and cause the operators of Buyer's Outlets to strictly comply, with the regulations of the Environmental Protection Agency ("EPA") promulgated as Part 80 - REGULATION OF FUELS AND FUEL ADDITIVES, of Chapter I, Title 40, Code of Federal Regulations ("C.F.R."), and with any applicable state regulations covering the Products, as amended from time to time (the "Regulations"), including, but not limited to, those obligations set forth below. "Gasoline," "Diesel Fuel," and other terms used in this exhibit have the same meanings as defined in the Regulations. With respect to the Buyers' Outlets, Seller and Buyer agree as follows:

(a) Seller's Responsibilities. Seller may:

(1) Continuing for the period as Seller, in Seller's sole judgment, deems appropriate, take periodic samples from the Product dispenser(s) at Buyer's Outlets or from other buyers supplied from the same Plant and test such samples to determine whether the Products are in compliance with the Regulations. Any such sampling and testing will not relieve Buyer of any obligation Buyer has under the Agreement or by Law to sell, dispense and offer for sale only Products complying with the Regulations.

(2) Give prompt notice and details to Buyer (by telephone, followed by formal notice) if any test performed under (1) above, or through other circumstances known to Seller, indicates that the Product inventory at a Buyer's Outlet is not in compliance with the Regulations. Seller shall cooperate with Buyer in any further action taken that is necessary (including pump out) to restore the availability of complying Products. The costs of any such further action, including further sampling and testing, will be at Buyer's expense if the cause of contamination was within Buyer's control.

(b) Buyer's Responsibilities.

(1) No unleaded Shell-branded gasoline may be mixed with any gasoline containing lead anti-knock agents. Unleaded Shell-branded gasoline may not be sold as any unleaded Shell-branded gasoline that is mixed with lead anti-knock agents.

(2) No leaded gasoline (i.e. gasoline containing unlawful amounts of lead or phosphorus) will be introduced into any motor vehicle which is labeled "UNLEADED GASOLINE ONLY" or which is equipped with a gasoline tank filler inlet which is designed for the introduction of unleaded gasoline only.

(3) Gasoline may not be sold, offered for sale, supplied, dispensed, offered for supply, transported, or be caused to be transported, in which the Reid Vapor Pressure exceeds the legally applicable standard or where the oxygen content is below the legally applicable standard. Buyer shall not sell, offer for sale, dispense, supply, offer for supply, or transport reformulated gasoline which is below the legally applicable standard under the Law for the geographical area and time period in which such gasoline is intended to be dispensed to motor vehicles.

(4) Diesel fuel for use in motor vehicles may not be sold, offered for sale, supplied, dispensed, offered for supply, transported, or be caused to be transported, unless the diesel fuel (i) either has a sulfur content, no greater than 15 parts per million (ppm) or a sulfur content of 500 ppm, to the extent allowed under federal and state regulations, (ii) has a cetane index of at least 40, or a maximum aromatic content of 35 volume percent, (iii) is free of visible evidence of the yellow solvent 124, and (iv) is free of visible evidence of the dye solvent red 164 unless it is used in a manner that is tax-exempt as defined under section 4082 of the Internal Revenue Code. If Buyer only sells, offers for sale, supplies, dispenses, or offers for supply diesel fuel with a sulfur content of 500 ppm, Buyer may downgrade 15 ppm sulfur content diesel fuel up to 20% of the total diesel product sold during each compliance period to the extent allowed under federal and state regulation. In addition, diesel fuel for use in motor vehicles may not be sold, offered for sale, supplied, dispensed, offered for supply, transported, or caused to be transported for use in Texas affected counties designated in 30 TAC § 114.319 unless the diesel fuel meets the following Texas low emission diesel fuel (LED) standards: (i) either has a maximum aromatic hydrocarbon content of 10% by volume per gallon, or complies with the Designated Alternative Limit (DAL) in 30 TAC § 114.313; and (ii) has a minimum cetane index of 48; (iii) or in the alternative, meets other approved compliance options identified in applicable Texas regulations for LED.

(5) Gasoline may not be sold, offered for sale, supplied, offered for supply, transported, or be caused to be transported, unless such gasoline is additized in accordance with the requirements of 40 C.F.R. section 80.161, as may be amended from time to time.

(6) Buyer shall use 10-micron particulate only filters for alcohol-blended fuels and use 10-micron particulate only or 10-micron particulate and hydrosorb type filters for non-alcohol blended fuels. A water management procedure for maintaining tank water bottoms below 1" must be implemented for tanks storing alcohol blended fuels. In some states, tank water bottoms must be maintained below 1/4" to 3/4", and it is the Buyer's responsibility to ensure compliance with applicable state Regulations for water management procedures for tanks.

(7) An oversight compliance program must be established and enforced to assure that Buyer and the operators of Buyer's Outlets, and their respective employees or agents, and third parties (including the employees, agents or contractors of Buyer) will not cause, allow, or permit the gasoline or diesel to not be in compliance with the Regulations or become contaminated with any other gasoline or diesel fuel product or foreign substance, at any time after delivery by or for Seller to Buyer. The oversight program must include periodic sampling and testing of the Product inventory; securing the manhole covers, fill line caps and dispensers to avoid unauthorized entry or use; and supervising and instructing those employees and others having access to the gasoline or diesel fuel system regarding proper procedures to prevent the Products from becoming non-compliant with the Regulations and to prevent contamination of the Products.

(8) Buyer shall give prompt notice and details to Seller (by telephone to Seller's Region office) of (i) the EPA's or state agency's taking a sample of any Product at any Buyer's Outlet to test for compliance with the Regulations and (ii) the verbal or written receipt of any test results from any such sampling.

(9) Buyer shall give prompt notice and details to Seller (by telephone to Seller's Region office, followed by formal notice) of any circumstance or occurrence at a Buyer's Outlet which reasonably could cause the Products or dispensing equipment to not be in compliance with the Regulations. Upon discovery of any such condition the Products may not be sold, dispensed, or offered for sale until Seller and Buyer can mutually determine by sampling, testing, or other means whether the Product is in compliance and, if found to be not in compliance, take such further action as is necessary (including pump out) to restore the availability of a complying Product. The sampling, testing, or further action will be at Buyer's expense if the cause of contamination was within the control of Buyer or the operator of Buyer's Outlet.

(10) Buyer shall obtain, properly affix, and maintain all Product labels required by Law to be affixed at Buyer's Outlet, including gasoline and diesel fuel pump island and dispenser labels.

(11) If the Laws relating to UST systems or those set forth in this exhibit are not complied with by Buyer or any operator of a Buyer's Outlet, based upon evidence satisfactory to Seller, Seller may, in addition to other rights or remedies available to Seller, suspend deliveries of the affected Products to Buyer and enter Buyer's Outlet to take such appropriate action, in Seller's sole judgment (including padlocking the pump dispensers), to avoid any violation of this Agreement or the Regulations.

(12) Buyer certifies that Buyer has read, understands, and is fully informed of the relevant Regulations pertaining to the Products, and Buyer shall, and shall cause the operators of Buyer's Outlets to, fully comply with the provisions thereof whether or not such other obligations are referred to or restated in this Agreement.

THIS FACILITY DEVELOPMENT INCENTIVE PROGRAM AGREEMENT ("Agreement") is entered into as of the date of the last signature to this Agreement ("Effective Date") between Buyer and Motiva Enterprises LLC ("Seller"). The parties agree as follows:

1. IMPROVEMENTS.

(a) Buyer, at Buyer's sole expense, shall make those improvements to Buyer's Outlet specified in the Facility Development Incentive Program Application ("Improvements") incorporated into this Agreement by reference and identified as Exhibit A in accordance with Seller's Brand Standards. Any deviation from the Brand Standards requires Seller's prior written approval.

(b) Buyer shall obtain all permits, approvals, licenses, and variances necessary for the construction of the Improvements and shall comply with all laws, ordinances, and regulations pertaining thereto.

(c) Within 30 days after completion of the Improvements, Buyer shall request Seller's approval of the Improvements by contacting Buyer's sales consultant. Upon Seller's verification that the Improvements have been constructed in conformance with the Seller's Brand Standards, Seller shall notify Buyer of Seller's approval thereof.

2. FAILURE TO COMPLETE. If Buyer fails to complete the Improvements within the time period specified in Exhibit A, this Agreement automatically terminates without notice unless Seller has approved an extension in writing.

3. INCENTIVES. Commencing the month following Seller's approval of the Improvements ("Incentive Commencement Date"), Seller shall commence paying Buyer a monthly incentive payment over the period of time specified in Exhibit B ("Reimbursement Period") based upon the Reported Volume (as defined below) multiplied by the incentive rate specified in Exhibit B. 4. **INCENTIVE PAYMENT REQUIREMENTS.**

- (a) Buyer's Outlet must remain branded Shell and be open for business for the resale of Shell branded gasoline ("Products").
- (b) Buyer's Outlet must meet Seller's image and appearance guidelines as specified in the Wholesale Marketer Agreement ("WMA") and continue to meet those guidelines.
- (c) Buyer shall purchase from Seller the Minimum Quantities of Products specified in the WMA.
- (d) Buyer and Seller must have a current (unexpired) WMA.

5. **REPORTED VOLUME.** Within 20 days after the end of each month, Buyer shall report the volume of Products delivered to or sold at Buyer's Outlet through the Seller's Volume Entry system, or other system as designated by Seller ("Reported Volume").

6. **BRAND COMMITMENT - TERM.** Buyer's Outlet must remain branded Shell for 168 full months from the Incentive Commencement Date ("Brand Commitment"). The term of this Agreement expires when Buyer fulfills the Brand Commitment unless terminated pursuant to the terms of this Agreement.

7. **TAXES AND TAX DISCLAIMER.** Buyer shall pay all income and other tax, if any, associated with the incentives paid by Seller to Buyer under this Agreement. The execution of Agreement is not a representation by Seller that this transaction will be characterized as a loan or otherwise. Each party has the responsibility to consult with its own tax advisors to determine the appropriate characterization of this transaction for tax purposes.

8. **DEFAULT.**

(a) If prior to the expiration of the Brand Commitment Buyer's Outlet is debranded, this Agreement is terminated, or the WMA is terminated or not renewed ("Default Event"), Buyer shall reimburse Seller, within 30 days of Seller's written notice, as follows:

(1) If there are 48 months or more of the Brand Commitment remaining at the time of the Default Event, then 100% of the incentives paid to Buyer.

(2) If there are less than 48 months of the Brand Commitment remaining at the time of the Default Event, then a sum that is equal to the number of full months remaining in the Brand Commitment from the date of the Default Event to expiration of the Brand Commitment ("Default Months") divided by the total number of months in the Brand Commitment, multiplied by the incentives paid to Buyer.

Example:	Incentives paid to Buyer up to Default Event = \$100,000	
	Brand Commitment = 168 months	
	Months from Incentive Commencement Date to Default Event = 144 months	
	Remaining months from Default Event to end of Brand Commitment = 24 months	
Default amount calculation:	$24 / 168 \text{ months} \times \$100,000 = \$14,000$	= Default Amount

(b) If Buyer fails to comply with the incentive payment requirements in Articles 4(b), 4(c), or 4(d) above, Seller will cease paying Buyer the monthly incentive payment commencing the month of Buyer's noncompliance. Thereafter, if Buyer comes into

compliance, the following month Seller will resume paying Buyer the monthly incentive payment for the remainder of the Reimbursement Period provided Buyer remains in compliance with the requirements in Articles 4(b), 4(c), and 4(d).

(c) If Buyer fails to timely report the volume as required under Article 5 above, Buyer will not receive the monthly incentive payment for the applicable month.

(d) If Seller inspects Buyer's Outlet or books and records as provided in Article 9 below and reasonably determines that the sales of the Products from Buyer's Outlet do not reasonably approximate Buyer's Reported Volume plus inventories of Products at Buyer's Outlet, Buyer shall reimburse Seller, within 30 days of the date of Seller's notice, all of the incentive monies paid to Buyer and Seller may terminate this Agreement.

9. **RECORDS AND RIGHT TO INSPECT.** To the extent reasonably necessary to observe and verify Buyer's compliance with this Agreement, Buyer grants to Seller, or shall cause the operator of Buyer's Outlet to grant to Seller, permission to enter and to inspect Buyer's Outlet, including the dispenser meters, and to examine the books and records as they relate to the sale and purchase of the Products at Buyer's Outlet. Buyer, or the operator of Buyer's Outlet, as the case may be, must keep these records for the term of this Agreement.

10. **TRANSFER OF FUNDS.** Pursuant to authorization granted Seller under the Electronic Funds Transfer Agreement ("EFT") between Buyer and Seller, Seller may pay Buyer the monthly incentive payment, and may collect from Buyer any amounts due Seller under this Agreement, by EFT.

11. **SETOFF.** If Buyer fails to make timely payment of any amount due Seller under this Agreement, the WMA, or any other agreement between Buyer and Seller, then, in addition to all other rights or remedies available, Seller may setoff or equitably recoup against any amount then due Buyer under this Agreement, the WMA, or any other agreement between Buyer and Seller.

12. **TERMINATION.** This Agreement automatically terminates without notice if the WMA is terminated, not renewed or Buyer's Outlet is debranded. Buyer's reimbursement obligations under this Agreement survive termination of this Agreement.

13. **ASSIGNMENT.** Buyer may not assign its rights or obligations under this Agreement without Seller's prior written consent.

14. **ENTIRETIES/MODIFICATION/WAIVER.** This Agreement cancels and supersedes all prior and contemporaneous representations, inducements, agreements, commitments, and undertakings with respect to the subject matter of this Agreement, except those written agreements relating to any indemnification, reimbursement, indebtedness, or debt security obligations (including, but not limited to, any security interest, security agreement, guaranty, mortgage, deed of trust, promissory note, or UCC filing). Any waiver of any provision, or modification, of this Agreement must be in writing signed by the parties. Either party's delay or failure to enforce any provision of this Agreement or any course of dealing or trade custom or usage will not operate as a waiver of compliance with that provision or a waiver or estoppel of the party's right to enforce any other provision of this Agreement.

15. **REMEDIES.** The remedies set forth in this Agreement are not exclusive but are cumulative and in addition to all other rights and remedies provided by law or equity including those under the WMA.

16. **ATTORNEYS' FEES.** Seller will be entitled to recover from Buyer reasonable attorneys' fees and other legal costs Seller incurs in order to secure or protect the rights owing to Seller under this Agreement, or to enforce the terms thereof.

17. **APPROVALS.** Neither this Agreement nor any subsequent agreement amending or supplementing this Agreement is binding unless a duly authorized representative of Seller signs this Agreement, amendment, or supplement.

MASTER LEASE AGREEMENT

THIS MASTER LEASE AGREEMENT (this "Lease") is made as of ____ day of June, 2007 (the "Effective Date"), by and between SPIRIT SPE PORTFOLIO 2007-3, LLC, a Delaware limited liability company ("Lessor"), whose address is 14631 N. Scottsdale Road, Suite 200, Scottsdale, Arizona 85254-2711, and SUPERPUMPER, INC., an Arizona corporation ("Lessee"), whose address is 6451 S Virginia Street, Suit 306, Reno, Nevada 89511.

In consideration of the mutual covenants and agreements herein contained, Lessor and Lessee hereby covenant and agree as follows:

1. **Certain Defined Terms.** Capitalized terms not defined herein shall have the meanings set forth in Exhibit A hereto.

2. **Lease of Properties; Use.** In consideration of the Rentals and other Monetary Obligations to be paid by Lessee and of the other terms, covenants and conditions on Lessee's part to be kept and performed, Lessor hereby leases to Lessee, and Lessee hereby takes and hires, the Properties, subject to the Permitted Encumbrances, all Legal Requirements (including any existing violation thereof), and the condition of the Properties as of the Effective Date; *provided, however*, that the recital of the Permitted Encumbrances herein shall not be construed as a revival of any Permitted Encumbrance which may have expired or been terminated. During the Lease Term, the Properties shall be used solely for the operation of a Permitted Facility, and related purposes such as ingress, egress and parking. Lessee shall at all times during the Lease Term occupy the Properties and shall diligently operate its business on the Properties. Lessee shall not, by itself or through any assignment, sublease or other type of transfer, convert any of the Properties to an alternative use during the Lease Term without Lessor's prior written consent.

3. **Lease Term; Extension.** The initial term of this Lease ("Initial Term") shall commence as of the Effective Date and shall expire at midnight on [December 31, 2024] ("Expiration Date"), unless terminated sooner as provided in this Lease and as may be extended as provided herein. The time period during which this Lease shall actually be in effect, including any Extension Term, is referred to herein as the "Lease Term." Unless this Lease has expired or has been sooner terminated, or an Event of Default has occurred and is continuing at the time any extension option is exercised, and provided that all other agreements necessary to the continued operation of Lessee's business at each of the Properties are extended for a period of not less than the applicable extension periods (including without limitation, all Dealer Agreements), Lessee shall have the right and option (each, an "Extension Option") to extend the Initial Term for two (2) additional successive periods of ten (10) years each (each, an "Extension Term"), pursuant to the terms and conditions of this Lease then in effect. Lessee may only exercise the Extension Options by giving written notice thereof to Lessor of its election to do so first, no later than one hundred twenty (120) days prior to the Expiration Date and one hundred twenty (120) days prior to the immediately preceding Extension Term, as the case may be. If written notice of the exercise of any Extension Option is not received by Lessor by the applicable dates described above, then this Lease shall terminate on the last day of the Initial Term or, if applicable, the last day of the Extension Term then in effect. Upon the request of Lessor or Lessee, the parties

hereto will, at the expense of Lessee, execute and exchange an instrument in recordable form setting forth the extension of the Lease Term in accordance with this Section 3.

4. **Rental and Other Monetary Obligations.**

A. *Base Monthly Rental.* During the Initial Term, on or before the first day of each calendar month, Lessee shall pay in advance the Base Monthly Rental; *provided, however, if the Effective Date is a date other than the first day of the month, Lessee shall pay to Lessor (or any other party designated by Lessor) on the Effective Date the Base Monthly Rental prorated by multiplying the Base Monthly Rental by a fraction, the numerator of which is the number of days remaining in the month (including the Effective Date) for which Rental is being paid, and the denominator of which is the total number of days in such month.* During the Extension Terms, if any, Lessee shall pay the Rental (including the Base Monthly Rental) in the manner set forth in this Section 4. Unless otherwise specifically stated to the contrary herein, Lessee shall perform all its obligations under this Lease at its sole cost and expense and shall pay all Rental and any other Monetary Obligation due hereunder when due and payable, without notice or demand.

B. *Adjustments.* On the first Adjustment Date and on each Adjustment Date thereafter, the Base Annual Rental shall increase by an amount equal to the Rent Adjustment. The "Rent Adjustment" shall be an amount equal to the lesser of (1) two percent (2.0%) of the Base Annual Rental in effect immediately prior to the applicable Adjustment Date, or (2) the product of (i) the percentage change between the Price Index (as defined below) for the month two months prior to the Effective Date or the Price Index used for the immediately preceding Adjustment Date, as applicable, and the Price Index for the month two months prior to the applicable Adjustment Date, and (ii) the then current Base Annual Rental. "Price Index" shall mean the Consumer Price Index which is designated for the applicable month of determination as the United States City Average for All Urban Consumers, All Items, Not Seasonally Adjusted, with a base period equaling 100 in 1982 - 1984, as published by the United States Department of Labor's Bureau of Labor Statistics or any successor agency. Notwithstanding any provision contained herein, in no event shall Base Annual Rental be reduced as a result of the application of the Rent Adjustment described in this Section 4 B. In the event that the Price Index ceases to be published, its successor index as published by the same Governmental Authority which published the Price Index shall be substituted and any necessary reasonable adjustments shall be made by Lessor and Lessee in order to carry out the intent of this Section. In the event there is no successor index, Lessor shall reasonably select an alternative price index that will constitute a reasonable substitute for the Price Index.

C. *Additional Rental.* Lessee shall pay and discharge, as additional rental ("Additional Rental"), all sums of money required to be paid by Lessee under this Lease which are not specifically referred to as Rental. Lessee shall pay and discharge any Additional Rental when the same shall become due, provided that amounts which are billed to Lessor or any third party, but not to Lessee, shall be paid within thirty (30) days after Lessor's demand for payment thereof or, if later, when the same are due. In no

event shall Lessee be required to pay to Lessor any item of Additional Rental that Lessee is obligated to pay and has paid to any third party pursuant to any provision of this Lease.

D. *Payment of Rental and Other Monetary Obligations* All Rental and other Monetary Obligations which Lessee is required to pay hereunder shall be the unconditional obligation of Lessee and shall be payable in full when due without any setoff, abatement, deferment, deduction or counterclaim whatsoever, except as set forth herein. Upon execution of this Lease, Lessee shall deliver to Lessor a complete Authorization Agreement - Pre-Arranged Payments to be provided by Lessor, together with a voided check for account verification, establishing arrangements whereby payments of the Base Monthly Rental, any Additional Rental, impound payments (if any), sales tax on real property tax (if any), and any other Monetary Obligations are transferred by Automated Clearing House Debit initiated by Lessor from an account established by Lessee at a United States bank or other financial institution to such account as Lessor may designate. Any delinquent payment shall, in addition to any other remedy of Lessor, incur a late charge of five percent (5%) (which late charge is intended to compensate Lessor for the cost of handling and processing such delinquent payment and should not be considered interest) and bear interest at the Default Rate, such interest to be computed from and including the date such payment was due through and including the date of the payment; *provided, however*, in no event shall Lessee be obligated to pay a sum of late charge and interest higher than the maximum legal rate then in effect.

5. *Representations and Warranties of Lessor* The representations and warranties of Lessor contained in this Section are being made to induce Lessee to enter into this Lease and Lessee has relied and will continue to rely upon such representations and warranties. Lessor represents and warrants to Lessee as follows:

A. *Organization, Authority and Status of Lessor* Lessor has been duly organized and is validly existing and in good standing under the laws of the State of Delaware. J. *Dealer Agreements.* Lessee has entered into all necessary Dealer Agreements and such Dealer Agreements are valid, binding and in full force and effect, permit Lessee to operate a Permitted Facility on the Properties and have a term which will not expire prior to the Lease Term.

7. **Rentals To Be Net to Lessor.** The Base Annual Rental payable hereunder shall be net to Lessor, so that this Lease shall yield to Lessor the Rentals specified during the Lease Term, and all Costs and obligations of every kind and nature whatsoever relating to the Properties shall be performed and paid by Lessee.

8. **Taxes and Assessments.** Lessee shall pay, prior to the earlier of delinquency or the accrual of interest on the unpaid balance, all taxes and assessments of every type or nature assessed against or imposed upon the Properties or Lessee during the Lease Term, including without limitation, all taxes or assessments upon the Properties or any part thereof and upon any personal property, trade fixtures and improvements located on the Properties, whether belonging to Lessor or Lessee, or any tax or charge levied in lieu of such taxes and assessments; all taxes, charges, license fees and or similar fees imposed by reason of the use of the Properties by Lessee; and all franchise, excise, transaction, privilege, license, sales, use and other taxes upon the Rental or other Monetary Obligations hereunder, the leasehold estate of either party or the activities of either party pursuant to this Lease.

Within thirty (30) days after each tax and assessment payment is required by this Section to be paid, Lessee shall, upon prior written request of Lessor, provide Lessor with evidence reasonably satisfactory to Lessor that such payment was made in a timely fashion. After prior written notice to Lessor, Lessee, at its own expense, may contest or cause to be contested by appropriate legal proceeding, promptly initiated and conducted in good faith and with due diligence, the amount or validity or application in whole or in part of any taxes, provided that: (i) no Event of Default has occurred and shall be continuing hereunder beyond all notice or grace periods; (ii) such proceeding shall be permitted under and be conducted in accordance with the provisions of any other instrument to which Lessee, Lessor or the Property is subject and shall not constitute a default thereunder; (iv) neither the Property nor any part thereof or interest therein will be in danger of being sold, forfeited or lost by reason of such proceedings, terminated, cancelled or lost; (v) Lessee shall have set aside adequate reserves (which Lessor may at its option require to be placed in escrow with Lessor or Lessor's lender) for the payment of such taxes, together with all interest and penalties; and (vi) Lessee shall have furnished such

security as may be required in the proceeding, or as may be reasonably requested by Lessor to insure the payment of any such taxes or, together with all interest and penalties thereon.

9. **Utilities** Lessee shall contract, in its own name, for and pay when due all charges for the connection and use of water, gas, electricity, telephone, garbage collection, sewer use and other utility services supplied to the Properties during the Lease Term. Unless caused by the negligence or misconduct of Lessor, its agents, employees or contractors, Lessor shall not be responsible for any interruption of any utility service.

10. **Insurance.** Throughout the Lease Term, Lessee shall maintain, with respect to each of the Properties, at its sole expense, the following types and amounts of insurance, in addition to such other insurance as Lessor may reasonably require from time to time:

A. insurance against loss or damage by fire and against loss or damage by other risks and hazards covered by a standard extended coverage insurance policy providing "special" form coverage including, but not limited to, fire, lightning, explosion, windstorm or hail, smoke, aircraft or vehicles, riot or civic commotion, terrorism, vandalism, malicious mischief, burglary, theft, sprinkler leakage, sinkhole collapse, volcanic action, falling objects, weight of snow, ice or sleet or water damage, and to the extent required by Lessor or its lender, earthquake or any other risks insured against by persons operating like properties in the locality of the Properties. Such insurance shall be in an amount not less than the lesser of (i) the then full replacement cost of each Property, without deduction for physical depreciation, or (ii) the outstanding principal balance Lessor's financing secured by the Properties; but in any event an amount sufficient to ensure that the insurer issuing said policies would not deem Lessee a co-insurer under said policies. The policies of insurance carried in accordance with this paragraph shall be paid annually in advance, shall contain the "Replacement Cost Endorsement" with a waiver of depreciation, and, if required by Lender, shall contain "Ordinance and Law" coverage.

B. Flood insurance (meeting the current requirement of the Federal Insurance Administration) if any part of a Property is located in an area identified by the Federal Emergency Management Agency as an area having special flood hazards and in which flood insurance has been made available under the Flood Disaster Protection Act of 1973 (and any successor act thereto) in an amount at least equal to the lesser of (A) the outstanding principal balance Lessor's financing secured by the Properties; (B) the maximum amount of coverage available to Lessee under the National Flood Insurance Program; or (C) the then full replacement cost of each Property, without deduction for physical depreciation.

C. General liability insurance on an "occurrence basis", in the amount of at least \$1,000,000.00 per occurrence, \$2,000,000.00 general aggregate against claims for bodily injury or property damage occurring on, in or about the Properties.

D. Business Income and/or Rental Value insurance in an amount equal to the total anticipated Rental and other Monetary Obligations for a period of at least twelve (12) months after the date of the fire or other casualty in question; which insurance shall

be carved out of Lessee's business interruption coverage for a separate rental value insurance payable to Lessor, or if rental value insurance is included in Lessee's business interruption coverage, the insurer shall provide priority payment to any rent obligations, and such obligations shall be paid directly to Lessor. Such insurance is to follow form of the real property "all risk" coverage and is not to contain a co-insurance clause. The amount of such insurance shall be increased from time to time during the Lease Term as and when Lessor requires, to reflect all increases in Base Annual Rental, Additional Rental and other Monetary Obligations. No exclusions shall be allowed for any risks specifically enumerated in subsection (A) above.

E. Boiler and Machinery Insurance if any steam boiler, air conditioning equipment, high pressure piping, machinery and equipment pressure vessels or similar apparatus now exists or is hereafter installed in the improvements on the Properties.

F. Workers' compensation insurance in the statutorily mandated limits covering all persons employed by Lessee on the Property in connection with any work done on or about any Property for which claims for death or bodily injury could be asserted against Lessor, Lessee or the Property.

G. Such other insurance as may from time to time be reasonably required by Lessor or Lessor's lender in order to protect their respective interests.

H. All policies of insurance (individually, a "Policy", and collectively the "Policies") required pursuant to this Lease: (i) shall be issued by an insurer satisfactory to Lessor or Lessor's lender, in their sole discretion; (ii) shall contain a mortgagee non-contribution clause satisfactory to Lessor or Lessor's lender, in their sole discretion, naming Lessor or Lessor's lender as the person to which all payments made by such insurance company shall be paid; (iii) shall be maintained throughout the Lease Term without cost to Lender; (iv) shall be assigned and delivered to Lessor or Lessor's lender; (v) shall contain such provisions as Lessor or Lessor's lender deems necessary or desirable to protect its interest including, without limitation, endorsements providing that none of Lessee, Lessor, Lessor's lender or any other party shall be a co-insurer under said Policies and that Lessor and Lessor's lender shall receive at least thirty (30) days prior written notice of any modification, termination or cancellation of the applicable Policy; and (vi) shall be satisfactory in form and substance to Lessor and Lessor's lender and shall be approved by Lessor and Lessor's lender as to amounts, form, risk coverage, deductibles, loss payees and insureds. Lessee shall pay the premiums for such Policies as the same become due and payable. Not later than twenty-five (25) days prior to the expiration date of each of the Policies, Lessee will deliver to Lessor satisfactory evidence of the renewal of each expiring Policy.

I. If insurance for earthquake or special hazards is obtained by Lessee in its sole discretion and without requirement of Lessor, then Lessee, when obtaining such insurance coverage, shall meet the insurance requirements hereof except as to matters requiring Lessor's further approval, and such insurance coverage: (i) shall be within the meaning of a "Policy" or "Policies"; and (ii) shall be for the benefit of Lessor and Lessor's lender, and Lessee or Lessee's lender shall have all rights with respect to and be

entitled to receive all proceeds in the same manner it would receive any insurance proceeds in the event that a Property is damaged or destroyed by a casualty or by any risk or loss insured against.

J. Any failure by Lessor to insist on full compliance with all of the above insurance requirements at closing does not constitute a waiver of Lessor's right to subsequently require full compliance with these requirements

K. All Policies shall:

(i) Provide (1) for a waiver of subrogation by the insurer as to claims against Lessor, its employees and agents, (2) that the insurer shall not deny a claim and that such insurance cannot be unreasonably cancelled, invalidated or suspended on account of the conduct of Lessee, its officers, directors, employees or agents, or anyone acting for Lessee or any subtenant or other occupant of the Properties, and (3) that any losses otherwise payable thereunder shall be payable notwithstanding any act or omission of Lessor or Lessee which might, absent such provision, result in a forfeiture of all or a part of such insurance payment;

(ii) Be primary and provide that any "other insurance" clause in the insurance policy shall exclude any policies of insurance maintained by Lessor and the insurance policy shall not be brought into contribution with insurance maintained by Lessor;

(iii) Contain deductibles not to exceed \$25,000.00;

(iv) Provide that the insurer shall not have the option to restore the Properties if Lessor elects to terminate this Lease in accordance with the terms hereof;

(v) Be in amounts sufficient at all times to satisfy any coinsurance requirements thereof;

(vi) Except for workers' compensation insurance referred to in Section 10.F above, name Lessor and any Lessor Affiliate or lender requested by Lessor, as an "additional insured" with respect to general liability insurance, and as a "named insured" with respect to real property and "loss payee" with respect to all real property and rent value insurance, as appropriate and as their interests may appear;

(vii) Be evidenced by delivery to Lessor and any lender designated by Lessor of an Acord Form 28 for property coverage (or any other form requested by Lessor) and an Acord Form 25 for liability, workers' compensation and umbrella coverage (or any other form requested by Lessor); provided that in the event that either such form is no longer available, such evidence of insurance shall be in a form reasonably satisfactory to Lessor and any lender designated by Lessor; and

(viii) It is expressly understood and agreed that (I) if any insurance required hereunder, or any part thereof, shall expire, be withdrawn, become void by breach of any condition thereof by Lessee, or become void or in jeopardy by reason of the failure or impairment of the capital of any insurer, Lessee shall immediately obtain new or additional insurance reasonably satisfactory to Lessor and any lender designated by Lessor; (II) the foregoing minimum limits of insurance coverage shall not limit the liability of Lessee for its acts or omissions as provided in this Lease; and (III) Lessee shall procure policies for all insurance for periods of not less than one year and shall provide to Lessor and any service or lender of Lessor certificates of insurance or, upon Lessor's request, duplicate originals of insurance policies evidencing that insurance satisfying the requirements of this Lease is in effect at all times.

L. Lessee shall pay as they become due all premiums for the insurance required by this Section 10. In the event that Lessee fails to comply with any of the foregoing requirements of this Section 10 within ten (10) days of the giving of written notice by Lessor to Lessee, Lessor shall be entitled to procure such insurance. Any sums expended by Lessor in procuring such insurance shall be Additional Rent and shall be repaid by Lessee, together with interest thereon at the Default Rate, from the time of payment by Lessor until fully paid by Lessee immediately upon written demand therefor by Lessor.

M. Anything in this Section 10 to the contrary notwithstanding, any insurance which Lessee is required to obtain pursuant to this Section 10 may be carried under a "blanket" policy or policies covering other properties or liabilities of Lessee provided that such "blanket" policy or policies otherwise comply with the provisions of this Section 10.

11. **Tax and Insurance Impound.** Upon the occurrence of a Reserve Event and until the occurrence of a Reserve Reversal Event, in addition to any other remedies, Lessor may require Lessee to pay to Lessor (i) an amount equal to the next one year of taxes, assessments and/or insurance premiums; and (ii) Two Hundred and Thirty Thousand and 00/100 Dollars (\$230,000.00) per year for the payment of TI and Leasing Commissions. Upon such requirement, Lessor will estimate the amounts needed for such purposes and will notify Lessee to pay the same to Lessor annually in one full payment, as nearly as practicable, in addition to all other Monetary Obligations due under this Lease. Should additional funds be required at any time, Lessee shall pay the same to Lessor on demand. Lessee shall advise Lessor of all taxes and insurance bills which are due and shall cooperate fully with Lessor in assuring that the same are paid. Lessor may deposit all impounded funds in accounts insured by any federal or state agency and may commingle such funds with other funds and accounts of Lessor. Interest or other gains from such funds, if any, shall be the sole property of Lessor. In the event of any default by Lessee, Lessor may apply all impounded funds against any sums due from Lessee to Lessor. Lessor shall give to Lessee an annual accounting showing all credits and debits to and from such impounded funds received from Lessee. Lessor shall utilize all funds escrowed hereunder to pay or cause to be paid all taxes, assessments, insurance premiums and/or TI and Leasing Commissions, as applicable. The disbursement of all funds escrowed pursuant to this Section shall be subject to all reasonable terms and conditions deemed necessary by Lessor or Lessor's lender and Lessee shall be responsible for the payment of all costs and expenses incurred by

Lessor in connection with any funds escrowed pursuant to this Section and the disbursement thereof, including, without limitation, any fees and expenses charged by Lessor's lender.

12. Compliance With Laws, Restrictions, Covenants and Encumbrances.

A. *Compliance.* Lessee's use and occupation of each of the Properties, and the condition thereof, shall, at Lessee's sole cost and expense, comply fully with all Legal Requirements and all restrictions, covenants and encumbrances of record with respect to the Properties, in either event, the failure with which to comply could have a Material Adverse Effect. Upon Lessor's written request from time to time during the Lease Term, Lessee shall certify in writing to Lessor that Lessee's representations, warranties and obligations under Section 6.G and this Section 12.A remain true and correct and have not been breached. Lessee shall immediately notify Lessor in writing if any of the representations, warranties or covenants under Section 6.G and this Section 12.A are no longer true or have been breached or if Lessee has a reasonable basis to believe that they may no longer be true or have been breached. In connection with such an event, Lessee shall comply with all Legal Requirements and directives of Governmental Authorities and, at Lessor's request, provide to Lessor copies of all notices, reports and other communications exchanged with, or received from, Governmental Authorities relating to such an event. Lessee shall also reimburse Lessor for all Costs incurred by Lessor in evaluating the effect of such an event on the Properties and this Lease, in obtaining any necessary license from Governmental Authorities as may be necessary for Lessor to enforce its rights under the Transaction Documents, and in complying with all Legal Requirements applicable to Lessor as the result of the existence of such an event and for any penalties or fines imposed upon Lessor as a result thereof.

B. *Acts Resulting in Increased Insurance Rates.* Lessee will use its commercially reasonable efforts to prevent any act or condition to exist on or about the Properties which will materially increase any insurance rate thereon, except when such acts are required in the normal course of its business and Lessee shall pay for such increase.

C. *ADA.* Without limiting the generality of the other provisions of this Section, Lessee agrees that it shall be responsible for complying in all respects with the Americans with Disabilities Act of 1990, as such act may be amended from time to time, and all regulations promulgated thereunder (collectively, the "ADA"), as it affects the Properties. Lessee agrees that it will defend, indemnify and hold harmless the Indemnified Parties from and against any and all Losses caused by, incurred or resulting from Lessee's failure to comply with its obligations under this Section.

D. Environmental.

(i) *Representations and Warranties.* Lessee represents and warrants to Lessor and Environmental Insurer, which representations and warranties shall survive the execution and delivery of this Lease, as follows:

(1) Except as disclosed in the Environmental Reports, the Properties and Lessee are not in violation of or subject to, any pending or, to Lessee's actual knowledge, threatened investigation or inquiry by any Governmental Authority or to any remedial obligations under any Environmental Laws that could have a Material Adverse Effect, nor has Lessee received any written or oral notice or other communication from any Person (including but not limited to a Governmental Authority) with respect to any Property relating to (I) Hazardous Materials, Regulated Substances or USTs, or Remediation thereof; (II) possible liability of any Person pursuant to any Environmental Law; (III) other environmental conditions; or (IV) any actual or potential administrative or judicial proceedings in connection with any of the foregoing that could have a Material Adverse Effect. The foregoing representations and warranties would continue to be true and correct following disclosure to the applicable Governmental Authorities of all relevant facts, conditions and circumstances, if any, pertaining to the Properties.

(2) Except as disclosed in the Environmental Reports, (I) all uses and operations on or of the Properties, whether by Lessee or any other Person, have been in compliance with all Environmental Laws and environmental permits issued pursuant thereto; (II) there have been no Releases in, on, under or from any of the Properties, or from other property migrating toward any of the Properties, except in Permitted Amounts; (III) there are no Hazardous Materials, Regulated Substances or USTs in, on, or under any of the Properties, except in Permitted Amounts; (IV) the Properties have been kept free and clear of all liens and other encumbrances imposed pursuant to any Environmental Law (the "Environmental Liens"); and (V) Lessee has not allowed any other tenant or other user of the Properties to do any act that materially increased the dangers to human health or the environment, posed an unreasonable risk of harm to any Person (whether on or off any of the Properties), impaired the value of any of the Properties in any material respect, is contrary to any requirement set forth in the insurance policies maintained by Lessor including without limitation, the Environmental Policy, constituted a public or private nuisance, constituted waste, or violated any covenant, condition, agreement or easement applicable to any of the Properties.

(ii) *Covenants.*

(1) Lessee covenants to Lessor and Environmental Insurer during the Lease Term, subject to the limitations of subsection (2) below, as follows:

(I) The Properties and Lessee shall not be (a) in violation of any Remediation required by any Governmental Authority or (b) subject to any Remediation obligations under any

Environmental Laws. Lessee shall not be in violation of any investigation or inquiry by any Governmental Authority.

(II) All uses and operations on or of the Properties, whether by Lessee or any other Person, shall be in compliance with all Environmental Laws and permits issued pursuant thereto.

(III) There shall be no Releases in, on, under or from the Properties, except in Permitted Amounts.

(IV) There shall be no Hazardous Materials, Regulated Substances, USTs in, on or under the Properties, except in Permitted Amounts.

(V) Lessee shall keep the Properties or cause the Properties to be kept free and clear of all Environmental Liens, whether due to any act or omission of Lessee or any other Person.

(VI) Lessee shall not do or allow any other tenant or other user of the Properties to do any act that (a) materially increases the dangers to human health or the environment, (b) poses an unreasonable risk of harm to any Person (whether on or off any of the Properties), (c) has a Material Adverse Effect, (d) is contrary to any material requirement set forth in the insurance policies maintained by Lessee, (e) constitutes a public or private nuisance or constitutes waste, or (f) violates any covenant, condition, agreement or easement applicable to the Properties.

(VII) Lessee shall, at its sole cost and expense, perform any environmental site assessment or other investigation of environmental conditions in connection with the Properties as may be reasonably requested by Lessor (including but not limited to sampling, testing and analysis of soil, water, air, building materials and other materials and substances whether solid, liquid or gas), and share with Lessor and Environmental Insurer the reports and other results thereof, and Lessor, Environmental Insurer and the other Indemnified Parties shall be entitled to rely on such reports and other results thereof.

(VIII) Lessee shall, at its sole cost and expense, fully and expeditiously cooperate in all activities pursuant to Section 12.D, including but not limited to providing all relevant information and making knowledgeable persons available for interviews.

(2) Notwithstanding any provision of this Lease to the contrary, an Event of Default shall not be deemed to have occurred as a result of the failure of Lessee to satisfy any one or more of the covenants

set forth in subsections (I) through (VI) above provided that Lessee shall be in compliance with the requirements of any Governmental Authority with respect to the Remediation of any Release at the Properties.

(iii) *Notification Requirements.* Lessee shall immediately notify Lessor and Environmental Insurer in writing upon Lessee obtaining actual knowledge of (1) any Releases or Threatened Releases in, on, under or from any of the Properties other than in Permitted Amounts, or migrating towards any of the Properties; (2) any non-compliance with any Environmental Laws related in any way to any of the Properties; (3) any actual or potential Environmental Lien; (4) any required or proposed Remediation of environmental conditions relating to any of the Properties required by applicable Governmental Authorities; and (5) any written or oral notice or other communication which Lessee becomes aware from any source whatsoever (including but not limited to a Governmental Authority) relating in any way to Hazardous Materials, Regulated Substances or USTs, or Remediation thereof at or on any of the Properties, other than in Permitted Amounts, possible liability of any Person relating to any of the Properties pursuant to any Environmental Law, other environmental conditions in connection with any of the Properties, or any actual or potential administrative or judicial proceedings in connection with anything referred to in this Section. Lessee shall, upon Lessor's or Environmental Insurer's written request, deliver to Lessor or Environmental Insurer a certificate stating that Lessee is and has been in full compliance with all of the environmental representations, warranties and covenants in this Lease.

(iv) *Remediation.* Lessee shall, at its sole cost and expense, and without limiting any other provision of this Lease, effectuate any Remediation required by any Governmental Authority of any condition (including, but not limited to, a Release) in, on, under or from the Properties and take any other reasonable action deemed necessary by any Governmental Authority for protection of human health or the environment. Should Lessee fail to undertake such Remediation in accordance with the preceding sentence, Lessor, after written notice to Lessee and Lessee's failure to immediately undertake such Remediation, shall be permitted to complete such Remediation, and all reasonable Costs incurred in connection therewith shall be paid by Lessee.

(v) *Indemnification.* Lessee shall, at its sole cost and expense, protect, defend, indemnify, release and hold harmless each of the Indemnified Parties from and against any and all Losses, including, but not limited to, all Costs of Remediation (whether or not performed voluntarily), arising out of or in any way relating to any Environmental Laws, Hazardous Materials, Regulated Substances, USTs, or other environmental matters concerning the Properties, REGARDLESS OF WHETHER CAUSED IN WHOLE OR IN PART BY THE NEGLIGENCE OR STRICT LIABILITY OF ANY INDEMNIFIED PARTY. It is expressly understood and agreed that Lessee's obligations under this Section shall survive the expiration or earlier termination of this Lease for any reason.

(vi) *Right of Entry.* Lessor and any other person or entity designated by Lessor, including but not limited to Environmental Insurer, any receiver, any representative of a Governmental Authority, and any environmental consultant, shall have the right, but not the obligation, to enter upon the Properties at all reasonable times (including, without limitation, in connection with the exercise of any remedies set forth in this Lease) to assess any and all aspects of the environmental condition of any Property and its use, including but not limited to conducting any environmental assessment or audit (the scope of which shall be determined in Lessor's sole and absolute discretion) and taking samples of soil, groundwater or other water, air, or building materials, and conducting other invasive testing. Lessee shall cooperate with and provide access to Lessor, Environmental Insurer and any other person or entity designated by Lessor. Any such assessment or investigation shall be at Lessee's sole cost and expense.

(vii) *Inspections.* At its sole cost and expense, Lessee shall have the Properties inspected as may be required by any Environmental Law for seepage, spillage and other environmental concerns. Lessee shall maintain and monitor the USTs in accordance with all Environmental Laws. Lessee shall provide Lessor with written certified results of all inspections performed on the Properties. All costs and expenses associated with the inspection, preparation and certification of results, as well as those associated with any corrective action, shall be paid by Lessee. All inspections and tests performed on the Properties shall be in compliance with all Environmental Laws.

(viii) *UST Compliance.* Lessee shall comply or cause the compliance with all applicable federal, state and local regulations and requirements regarding USTs, including, without limitation, any of such regulations or requirements which impose (1) technical standards, including, without limitation, performance, leak prevention, leak detection, notification reporting and recordkeeping, (2) corrective action with respect to confirmed and suspected Releases, and (3) financial responsibility for the payment of costs of corrective action and compensation to third parties for injury and damage resulting from Releases. Lessee shall immediately notify Lessor, in writing, of (I) the presence on or under the Properties, or the escape, seepage, leakage, spillage, discharge, emission or release from any USTs on, above or under the Properties, of any Hazardous Materials or Regulated Substances, apparent or real and (II) any and all enforcement, clean-up, remedial, removal or other governmental or regulatory actions threatened, instituted or completed pursuant to any of the Environmental Laws affecting the Properties. Upon any such Release, escape, seepage, leakage, spillage, discharge, emission or release from any USTs on, above or under the Properties of any Hazardous Materials or Regulated Substances, Lessee shall immediately remedy such situation in accordance with all Environmental Laws and any request of Lessor. Should Lessee fail to remedy or cause the remedy of such situation in accordance with all Environmental Laws, Lessor shall be permitted to take such actions in its sole discretion to remedy such situation and any costs and expenses incurred in connection therewith will be paid by Lessee.

(ix) *Survival.* The obligations of Lessee and the rights and remedies of Lessor under this Section 12.D shall survive the termination, expiration and/or release of this Lease.

(x) *Environmental Policy.* Throughout the Lease Term, Lessee shall maintain, with respect to each of the Properties, at its sole expense, the Environmental Policy. Lessor shall cooperate in obtaining and renewing the Environmental Policy.

(xi) *Reliance by Environmental Insurer.* Lessee acknowledges and agrees that Environmental Insurer may rely on the representations, warranties and covenants set forth in Section 12.D of this Lease, that Environmental Insurer is an intended third-party beneficiary of such representations, warranties and covenants and that Environmental Insurer shall have all rights and remedies available at law or in equity as a result of a breach of such representations, warranties and covenants, including to the extent applicable, the right of subrogation.

B. *Encumbrances.* Lessee shall comply with and perform all obligations of Lessor under all easements, declarations, covenants, restrictions and other items of record now or hereafter encumbering the Properties.

F. *Dealer Requirements.* In addition to the requirements set forth in this Lease, Lessee, in its use, occupancy and maintenance of the Properties shall comply with all requirements of the Dealer Agreements.

13. *Condition of Property; Maintenance.* Lessee hereby accepts the Properties "AS IS" and "WHERE IS" with no representation or warranty of Lessor as to the condition thereof. Lessee shall, at its sole cost and expense, be responsible for (a) keeping all of the building, structures and improvements erected on each of the Properties in good and substantial order and repair, (b) repair or reconstruct damage or destruction to any building, structures or improvements erected on the Properties from acts of God or any other catastrophes, and (c) making all structural, exterior and interior repairs and replacements which Lessee may desire or which otherwise may be required to any building, structures or improvements erected on the Properties.

14. *Waste; Alterations and Improvements.* Lessee shall not commit actual or constructive waste upon the Properties. During the Lease Term, Lessee shall not undertake any alterations or improvements to the Properties individually costing more than Four Hundred Thousand and 00/100 Dollars (\$400,000.00) in each instance without the prior written consent of Lessor; *provided, however*, except for alterations required pursuant to Section 12.D, Lessee may not undertake any alteration or improvement that would be subject to any Environmental Laws (whether during construction or upon completion) without the prior written consent of Lessor. If Lessor's consent is required hereunder and Lessor consents to the making of any such alterations, the same shall be made by Lessee at Lessee's sole expense by a licensed contractor and according to plans and specifications approved by Lessor and subject to such other conditions as Lessor shall require. Any work at any time commenced by Lessee on the Properties shall be prosecuted diligently to completion, shall be of good workmanship and

materials and shall comply fully with all the terms of this Lease. Upon completion of any alterations, Lessee shall promptly provide Lessor with (A) evidence of full payment to all laborers and materialmen contributing to the alterations, (B) an architect's certificate certifying the alterations to have been completed in conformity with the plans and specifications, (C) a certificate of occupancy (if the alterations are of such a nature as would require the issuance of a certificate of occupancy), and (D) any other documents or information reasonably requested by Lessor. Upon the occurrence of any addition to or alteration of the Properties, Lessee shall post a notice at the applicable Properties identifying Lessee as the responsible party for all work relating to any such additions or alterations. Any addition to or alteration of the Properties shall be deemed a part of the Properties and belong to Lessor, and Lessee shall execute and deliver to Lessor such instruments as Lessor may require to evidence the ownership by Lessor of such addition or alteration.

15. **Indemnification.** Lessee agrees to use and occupy the Properties at its own risk and hereby releases Lessor and Lessor's agents and employees from all claims for any damage or injury to the full extent permitted by law. Lessee agrees that Lessor shall not be responsible or liable to Lessee or Lessee's employees, agents, customers or invitees for bodily injury, personal injury or property damage occasioned by the acts or omissions of any other lessee or such lessee's employees, agents, contractors, customers or invitees. Lessee agrees that any employee or agent to whom the Properties or any part thereof shall be entrusted by or on behalf of Lessee shall be acting as Lessee's agent with respect to the Properties or any part thereof, and neither Lessor nor Lessor's agents, employees or contractors shall be liable for any loss of or damage to the Properties or any part thereof. Lessee shall indemnify, protect, defend and hold harmless each of the Indemnified Parties from and against any and all Losses, REGARDLESS OF WHETHER CAUSED IN WHOLE OR IN PART BY THE NEGLIGENCE OR STRICT LIABILITY OF ANY INDEMNIFIED PARTY, caused by, incurred or resulting from Lessee's use and occupancy of the Properties, whether relating to its original design or construction, latent defects, alteration, maintenance, use by Lessee or any Person thereon, supervision or otherwise, any claim raised by any tenant under the Assigned Leases, regardless of when such claim arose, or from any breach of, default under, or failure to perform, any term or provision of this Lease by Lessee, its officers, employees, agents or other Persons. It is expressly understood and agreed that Lessee's obligations under this Section shall survive the expiration or earlier termination of this Lease for any reason. Lessee hereby agrees to defend, indemnify and hold the Indemnified Parties harmless from and against any and all costs, damages, expenses, claims and/or liabilities (including reasonable attorneys' fees) arising out of or in connection with the Assigned Leases, REGARDLESS OF WHETHER CAUSED IN WHOLE OR IN PART BY THE NEGLIGENCE OR STRICT LIABILITY OF ANY INDEMNIFIED PARTY.

16. **Quiet Enjoyment.** So long as Lessee shall pay the Rental and other Monetary Obligations herein provided and shall keep and perform all of the terms, covenants and conditions on its part herein contained, Lessee shall have, subject and subordinate to Lessor's rights herein, the right to the peaceful and quiet occupancy of the Properties.

17. **Inspection.** Lessor and its authorized representatives shall have the right, at all reasonable times and upon giving reasonable prior notice (except in the event of an emergency, in which case no prior notice shall be required), to enter the Properties or any part thereof and inspect the same. Following any such inspection, should Lessor determine that the Property has

not been maintained as required herein, Lessor shall have the right to demand that Lessee complete corrective measures within a ninety (90) day period of time. Lessee hereby waives, to the maximum extent permitted by law, any claim for damages for any injury or inconvenience to or interference with Lessee's business, any loss of occupancy or quiet enjoyment of the Properties and any other loss occasioned by such entry, but, subject to Section 37, excluding damages arising as a result of the negligence or intentional misconduct of Lessor.

18. Condemnation and Casualty.

A. *Notification.* Lessee shall promptly give Lessor and any mortgagee (if required by the terms of any applicable mortgage or deed of trust and Lessee has received notice thereof) written notice of (i) any Condemnation of any of the Properties, (ii) the commencement of any proceedings or negotiations which might result in a Condemnation of any of the Properties, and (iii) any Casualty to any of the Properties or any part thereof. Such notice shall provide a general description of the nature and extent of such Condemnation, proceedings, negotiations or Casualty, and shall include copies of any documents or notices received in connection therewith. Thereafter, Lessee shall promptly send Lessor copies of all notices, correspondence and pleadings relating to any such Condemnation, proceedings, negotiations or Casualty.

B. *Partial Condemnation or Casualty.* Except as otherwise provided in Section 18.C, in the event of a Condemnation which is not a Total Condemnation ("Partial Condemnation"), or a Casualty which is not a Total Casualty (a "Partial Casualty"), all Net Awards shall be paid to Lessor. In the event of a Partial Condemnation or a Partial Casualty, Lessor shall have the option to terminate this Lease with respect to the applicable Property affected by notifying Lessee in writing within thirty (30) days after Lessee gives Lessor notice of such Partial Condemnation or Partial Casualty or that title has vested in the condemning authority, or to continue this Lease in effect, which election shall be evidenced by either a notice from Lessor to Lessee, or Lessor's failure to notify Lessee in writing that Lessor has elected to terminate this Lease with respect to such Property within such thirty (30) day period. Lessee shall have a period of sixty (60) days after receipt of Lessor's notice to terminate referenced above during which to elect, despite such Lessor notice of termination, to continue this Lease with respect to such Property on the terms herein provided. If Lessee does not elect to continue this Lease with respect to such Property or shall fail during such sixty (60) day period to notify Lessor of Lessee's intent to continue this Lease with respect to such Property, then this Lease shall terminate with respect to such Property as of the last day of the month during which such sixty (60) day period expired. Lessee shall vacate and surrender such Property by such termination date, in accordance with the provisions of this Lease, and all obligations of either party hereunder with respect to such Property shall cease as of the date of termination, *provided, however*, Lessee's obligations to the Indemnified Parties under any indemnification provisions of this Lease with respect to such Property and Lessee's obligations to pay Rental and all other Monetary Obligations (whether payable to Lessor or a third party) accruing under this Lease with respect to such Property prior to the date of termination shall survive such termination). In such event, Lessor may retain all Net Awards related to the Partial Condemnation or Partial

Casualty, and Lessee shall immediately pay Lessor an amount equal to the insurance deductible applicable to any Partial Casualty.

If Lessor elects not to terminate this Lease, or if Lessor elects to terminate this Lease with respect to such Property (as provided above) but Lessee elects to continue this Lease with respect to such Property, then this Lease shall continue in full force and effect on the following terms: all Rental and other Monetary Obligations due under this Lease shall continue unabated, and Lessee shall promptly commence and diligently prosecute restoration of such Property to the same condition, as nearly as practicable, as prior to such Partial Condemnation or Partial Casualty as approved by Lessor. As the restoration of such Property progresses, upon the written request of Lessee (accompanied by evidence reasonably satisfactory to Lessor that such amount has been paid or is due and payable and is properly part of such costs and that Lessee has complied with the terms of Section 14 in connection with the restoration) and to the extent that Lessor's lender makes the Net Award available to Lessor, Lessor shall make available in installments an amount up to but not exceeding the amount of any Net Award received by Lessor with respect to such Partial Condemnation or Partial Casualty. Lessee shall be entitled to keep any portion of the Net Award which may be in excess of the cost of restoration, and Lessee shall bear all additional Costs of such restoration in excess of the Net Award. In the event that Lessor's lender elects not to make the Net Award available for the restoration of the Property, Lessee shall have the right, within thirty (30) days after notice of Lessor's lender election to retain the Net Award, to terminate this Lease as to the applicable Property, which election shall be evidenced by a written notice from Lessee to Lessor within such thirty (30) day period, in which event this Lease shall terminate as to the applicable Property in accordance with this Article 18.

All disbursements of any portion of any Net Awards shall be subject to all reasonable terms and conditions deemed necessary by Lessor or Lessor's lender, including: (i) Lessor's receipt of satisfactory requests for disbursements, paid bills and lien waivers, architect certificates or other certificates, and certificates or endorsements from title insurance companies; (ii) Lessee's deposit with Lessor of any additional funds necessary to supplement the Net Award, so as to cover, in advance, the entire cost of the necessary repairs or replacements to the Properties as established by the certificate of an architect or engineer (employed by Lender at Borrower's expense); (iii) such architect's or engineer's determination that such repairs or replacements may be effected within a period of six (6) months or less; (iv) Borrower's prompt and diligent completion of such repairs or replacements in accordance with plans and specifications submitted to and approved by Lender; and (v) Lender's inspection, at Borrower's cost and expense, of the repairs or replacements to the Mortgaged Property to verify that such repairs or replacements have been completed in a good and workmanlike manner and are otherwise acceptable to Lender. Lender, whether in possession of the Premises or not, shall not have any obligation to advance or make funds other than the Insurance Proceeds available for the repair or replacement of the Mortgaged Property.

C. *Total Condemnation and Total Casualty.* In the event of a Condemnation of all or substantially all of any of the Properties or a Partial Condemnation, in either event that results in Lessee making a good faith determination that the restoration and

continued use of the remainder of any such Properties as a Permitted Facility would be uneconomic (collectively, a "Total Condemnation"), or a Casualty of all or substantially all of any of the Properties or a Partial Casualty, in either event that results in Lessee making a good faith determination that the restoration and continued use of any such Property as a Permitted Facility would be uneconomic (collectively, a "Total Casualty"), then, in such event:

(i) *Awards.* Lessor shall be entitled to receive the entire Net Award in connection therewith without deduction for any estate vested in Lessee by this Lease, and Lessee hereby expressly assigns to Lessor all of its right, title and interest in and to every such Net Award and agrees that Lessee shall not be entitled to any Net Award or other payment for the value of Lessee's leasehold interest in this Lease. Lessee shall be entitled to claim and receive any award or payment from the condemning authority expressly granted for the taking of the Lessee's Personalty, any insurance proceeds with respect to the Lessee's Personalty, the interruption of its business and moving expenses, but only if such claim or award does not adversely affect or interfere with the prosecution of Lessor's claim for the Total Condemnation or Total Casualty or otherwise reduce the amount recoverable by Lessor for the Total Condemnation.

(ii) *Option To Terminate.* Lessee shall have the right to terminate this Lease with respect to the applicable Property by notice (the "Termination Notice") given to Lessor not later than thirty (30) days after the Total Condemnation or Total Casualty, as applicable. The Termination Notice must: (1) specify a date on which this Lease shall terminate, which date shall be the last day of a calendar month occurring not earlier than one hundred twenty (120) days and not later than one hundred fifty (150) days after the delivery of such notice (the "Early Termination Date"); (2) contain a certificate executed by an officer of Lessee which (I) describes the Total Condemnation or Total Casualty, and (II) represents and warrants that either all of such Property has been taken, damaged or destroyed, or that substantially all of such Property has been taken, damaged or destroyed, and Lessee has determined in good faith that the restoration and continued use of the remainder of such Property as a Permitted Facility would be uneconomic; and (3) if the Early Termination Date shall occur prior to the commencement of any Extension Options which may be exercised pursuant to Section 3, contain an irrevocable rejectable written offer (the "Rejectable Offer") of Lessee to purchase Lessor's interest in such Property and in the Net Award for such Total Condemnation or Total Casualty, as applicable, on the Early Termination Date for a purchase price (the "Loss Value") equal to the greater of the fair market value of such Property as of the Early Termination Date, or Lessor's Total Investment.

(iii) *Early Termination Date.* If the Early Termination Date shall occur prior to the commencement of any Extension Options which may be exercised pursuant to Section 3, Lessor shall have sixty (60) days from the delivery of the Termination Notice to deliver to Lessee written notice of its election to either accept or reject any Rejectable Offer contained in the Termination Notice.

Lessor's failure to deliver such notice within such time period shall be deemed to constitute Lessor's acceptance of the applicable Rejectable Offer.

(iv) *Lessor Acceptance of Rejectable Offer* If Lessor accepts or is deemed to have accepted the Rejectable Offer, then on the Early Termination Date or such other date as the parties may mutually agree in writing, Lessor shall sell and convey, and Lessee shall purchase for the applicable Loss Value, Lessor's interest in the particular Property and the Net Award. Lessee's obligations under this Lease with respect to such Property shall not be terminated until the applicable Loss Value and all Rental and other Monetary Obligations due and payable under this Lease prior to the Early Termination Date, or such other date as the parties may mutually agree in writing, are paid in full. Upon such payment, (1) Lessor shall convey such Property to Lessee "as-is" by special warranty deed, subject to all matters of record, except for consensual liens, encumbrances or other interests granted by Lessor (other than those granted by Lessor at the request of Lessee), and without representations other than those required by applicable Law; (2) the Base Annual Rental then in effect shall be reduced by an amount equal to the product of (x) a fraction, the numerator of which is the original purchase price allocated to such Property by Lessor, and the denominator of which is the original purchase price for all of the Properties, and (y) the Base Annual Rental then in effect; and (3) all obligations of either party hereunder with respect to such Property shall cease as of the Early Termination Date; *provided, however*, Lessee's obligations to the Indemnified Parties under any indemnification provisions of this Lease with respect to such Property and Lessee's obligations to pay any Monetary Obligations (whether payable to Lessor or a third party) accruing under this Lease with respect to such Property prior to the Early Termination Date shall survive the termination of this Lease with respect to such Property.

(v) *Lessor Rejection of Rejectable Offer* If Lessor rejects the Rejectable Offer, or if the Early Termination Date shall occur after the commencement of any Extension Options exercised pursuant to Section 3, then (1) the Net Award shall be paid to and belong to Lessor; (2) on the Early Termination Date, Lessee shall pay to Lessor all Rental and other Monetary Obligations then due and payable under this Lease; (3) the Base Annual Rental then in effect shall be reduced by an amount equal to the product of (x) a fraction, the numerator of which is the original purchase price allocated to such Property by Lessor, and the denominator of which is the original purchase price for all of the Properties, and (y) the Base Annual Rental then in effect; and (4) all obligations of either party hereunder shall cease as of the Early Termination Date with respect to the applicable Property; *provided, however*, Lessee's obligations to the Indemnified Parties with respect to such Property under any indemnification provisions of this Lease with respect to such Property and Lessee's obligations to pay any sums (whether payable to Lessor or a third party) accruing under this Lease with respect to such Property prior to the Early Termination Date shall survive the termination of this Lease.

D. *Payment of Costs* Lessee shall be solely responsible for the payment of all Costs incurred in connection with the conveyance of a Property to Lessee pursuant to this Section 18, including, without limitation, to the extent applicable, the cost of title insurance, survey charges, stamp taxes, mortgage taxes, transfer fees, escrow and recording fees, taxes imposed on Lessor as a result of such conveyance, taxes imposed in connection with the transfer of a Property to Lessee or the termination of this Lease with respect to a Property pursuant to the provisions of this Section 18, Lessee's attorneys' fees, and the reasonable attorneys' fees and expenses of counsel to Lessor.

E. *Insurance*. Any loss under any property damage insurance required to be maintained by Lessee shall be adjusted by Lessor. Any award relating to a Total Condemnation or a Partial Condemnation shall be adjusted by Lessor or, at Lessor's election, Lessee. Notwithstanding the foregoing or any other provisions of this Section 18 to the contrary, if at the time of any Condemnation or any Casualty or at any time thereafter an Event of Default shall have occurred and be continuing, Lessor is hereby authorized and empowered but shall not be obligated, in the name and on behalf of Lessee and otherwise, to file and prosecute Lessee's claim, if any, for a Net Award on account of such Condemnation or such Casualty and to collect such Net Award and apply the same to the curing of such Event of Default and any other then existing Event of Default under this Lease and/or to the payment of any amounts owed by Lessee to Lessor under this Lease, in such order, priority and proportions as Lessor in its discretion shall deem proper.

F. *Lessee Obligation in Event of Casualty*. During all periods of time following a Casualty, Lessee shall take reasonable steps to ensure that each Property is secure and does not pose any risk of harm to any adjoining property and Persons (including owners or occupants of such adjoining property).

G. *No Limitations*. Notwithstanding the foregoing, nothing in this Section 18 shall be construed as limiting or otherwise adversely affecting the representations, warranties, covenants and characterizations set forth in Lease.

19. *Fair Market Value*. With respect to the determination of fair market value for any purpose under this Lease, if the parties are unable to agree upon the fair market value, then an independent MAI appraiser shall prepare an appraisal of the fair market value of the Property, including any additions or renovations thereto. In determining the fair market value of such Property, the appraiser shall utilize leased fee income approach (assuming all option periods are exercised) to value, which shall constitute the fair market value of such Property.

20. *Default, Conditional Limitations, Remedies and Measure of Damages*.

A. Each of the following shall be an event of default by Lessee under this Lease (each, an "Event of Default"):

- (i) if any representation or warranty of Lessee set forth in this Lease is false in any respect, or if Lessee renders any false statement or account, that results in a Material Adverse Effect; *provided, however*, if any such breach of a

representation or warranty does not place any rights or property of Lessor in immediate jeopardy, as determined by Lessor in its reasonable discretion, then such breach shall not constitute an Event of Default hereunder, unless otherwise expressly provided herein, unless and until Lessor shall have given Lessee notice thereof and a period of thirty (30) days shall have elapsed, during which period Lessee may correct or cure such breach, upon failure of which an Event of Default shall be deemed to have occurred hereunder without further notice or demand of any kind being required. If such breach cannot reasonably be cured within such thirty (30) day period, as determined by Lessor in its reasonable discretion, and Lessee is diligently pursuing a cure of such breach, then Lessee shall have a reasonable period to cure such breach beyond such thirty (30) day period, which shall in no event exceed ninety (90) days after receiving notice of such breach from Lessor, unless otherwise mutually agreed upon in writing. If Lessee shall fail to correct or cure such breach within such ninety (90) day period and said period is not extended by the parties, an Event of Default shall be deemed to have occurred hereunder without further notice or demand of any kind being required;

(ii) if any Rental or other Monetary Obligation due under this Lease is not paid within three (3) Business Days of notice it is past due;

(iii) if Lessee fails to pay, prior to delinquency, any taxes, assessments or other charges the failure of which to pay will result in the imposition of a lien against any of the Properties;

(iv) if there is an Insolvency Event;

(v) if Lessee vacates or abandons the Property;

(vi) if Lessee fails to observe or perform any of the other covenants, conditions or obligations of Lessee in this Lease; *provided, however*, if any such failure does not involve the payment of any Monetary Obligation, does not place any rights or property of Lessor in immediate jeopardy, as determined by Lessor in its reasonable discretion, then such failure shall not constitute an Event of Default hereunder, unless otherwise expressly provided herein, unless and until Lessor shall have given Lessee notice thereof and a period of thirty (30) days shall have elapsed, during which period Lessee may correct or cure such failure, upon failure of which an Event of Default shall be deemed to have occurred hereunder without further notice or demand of any kind being required. If such failure cannot reasonably be cured within such thirty (30) day period, as determined by Lessor in its reasonable discretion, and Lessee is diligently pursuing a cure of such failure, then Lessee shall have a reasonable period to cure such failure beyond such thirty (30) day period, which shall in no event exceed ninety (90) days after receiving notice of such failure from Lessor, unless otherwise mutually agreed upon in writing. If Lessee shall fail to correct or cure such failure within such ninety (90) day period and said period is not extended by the parties, an

Event of Default shall be deemed to have occurred hereunder without further notice or demand of any kind being required;

(vii) if a final, nonappealable judgment is rendered by a court against Lessee which has a Material Adverse Effect and is not discharged or provision made for such discharge within ninety (90) days from the date of entry thereof;

(viii) if Lessee shall be liquidated or dissolved or shall begin proceedings towards its liquidation or dissolution;

(ix) if the estate or interest of Lessee in any of the Properties shall be levied upon or attached in any proceeding and such estate or interest is about to be sold or transferred or such process shall not be vacated or discharged within ninety (90) days after it is made;

(x) If any Dealer Agreement with respect to the Properties terminates or expires prior to the expiration of the Lease and a substitute agreement for the terminated or expired agreement is not entered into within thirty (30) days of such expiration or termination, which substitute agreement shall be in form and substance reasonably satisfactory to Lessor; or

(xi) if there is an "Event of Default" or other breach or default by Lessee under any of the other Transaction Documents or any Other Agreement, after the passage of all applicable notice and cure or grace periods.

B Upon the occurrence of an Event of Default, with or without notice or demand, except as otherwise expressly provided herein or such other notice as may be required by statute and cannot be waived by Lessee, Lessor shall be entitled to exercise, at its option, concurrently, successively, or in any combination, all remedies available at law or in equity, including without limitation, any one or more of the following:

(i) To terminate this Lease, whereupon Lessee's right to possession of the Properties shall cease and this Lease, except as to Lessee's liability, shall be terminated.

(ii) To the extent not prohibited by applicable law, to reenter and take possession of the Properties (or any part thereof), any or all personal property or fixtures of Lessee upon the Properties and, to the extent permissible, all Dealer Agreements, franchises, licenses, area development agreements, permits and other rights or privileges of Lessee pertaining to the use and operation of the Properties, and to expel Lessee and those claiming under or through Lessee, without being deemed guilty in any manner of trespass or becoming liable for any loss or damage resulting therefrom, without resort to legal or judicial process, procedure or action. Except as otherwise provided by applicable law, no notice from Lessor hereunder or under a forcible entry and detainer statute or similar law shall constitute an election by Lessor to terminate this Lease unless such notice specifically so states. If Lessee shall, after default, voluntarily give up possession

of the Properties to Lessor, deliver to Lessor or its agents the keys to the Properties, or both, such actions shall be deemed to be in compliance with Lessor's rights and the acceptance thereof by Lessor or its agents shall not be deemed to constitute a termination of the Lease. Lessor reserves the right following any reentry and/or reletting to exercise its right to terminate this Lease by giving Lessee written notice thereof, in which event this Lease will terminate.

(iii) To bring an action against Lessee for any damages sustained by Lessor or any equitable relief available to Lessor and to the extent not prohibited by applicable law, to seize all personal property or fixtures upon the Properties which Lessee owns or in which it has an interest, in which Lessor shall have a landlord's lien and/or security interest, and to dispose thereof in accordance with the laws prevailing at the time and place of such seizure or to remove all or any portion of such property and cause the same to be stored in a public warehouse or elsewhere at Lessee's sole expense, without becoming liable for any loss or damage resulting therefrom and without resorting to legal or judicial process, procedure or action.

(iv) To relet the Properties or any part thereof for such term or terms (including a term which extends beyond the original Lease Term), at such rentals and upon such other terms as Lessor, in its sole discretion, may determine, with all proceeds received from such reletting being applied to the Rental and other Monetary Obligations due from Lessee in such order as Lessor may, in its sole discretion, determine, which other Monetary Obligations include, without limitation, all commercially reasonable repossession costs, brokerage commissions, attorneys' fees and expenses, alteration, remodeling (which remodeling costs shall not exceed the greater of (i) \$25,000.00 per Property or (ii) the amount escrowed pursuant to Section 11 hereof for TI and Leasing Commissions) and repair costs and expenses of preparing for such reletting. Except to the extent required by applicable Law, Lessor shall have no obligation to relet the Properties or any part thereof and shall in no event be liable for refusal or failure to relet the Properties or any part thereof, or, in the event of any such reletting, for refusal or failure to collect any rent due upon such reletting, and no such refusal or failure shall operate to relieve Lessee of any liability under this Lease or otherwise to affect any such liability. Lessor reserves the right following any reentry and/or reletting to exercise its right to terminate this Lease by giving Lessee written notice thereof, in which event this Lease will terminate as specified in said notice.

(v) To recover from Lessee all Costs paid or incurred by Lessor as a result of such breach, regardless of whether or not legal proceedings are actually commenced.

(vi) To immediately or at any time thereafter, and with or without notice, at Lessor's sole option but without any obligation to do so, correct such breach or default and charge Lessee all Costs incurred by Lessor therein. Any sum or sums so paid by Lessor, together with interest at the Default Rate, shall be

deemed to be Additional Rental hereunder and shall be immediately due from Lessee to Lessor. Any such acts by Lessor in correcting Lessee's breaches or defaults hereunder shall not be deemed to cure said breaches or defaults or constitute any waiver of Lessor's right to exercise any or all remedies set forth herein.

(vii) To immediately or at any time thereafter, and with or without notice, except as required herein, set off any money of Lessee held by Lessor under this Lease or any other Transaction Document or any Other Agreement against any sum owing by Lessee hereunder.

(viii) To seek any equitable relief available to Lessor, including, without limitation, the right of specific performance.

All powers and remedies given by this Section to Lessor, subject to applicable Law, shall be cumulative and not exclusive of one another or of any other right or remedy or of any other powers and remedies available to Lessor under this Lease, by judicial proceedings or otherwise, to enforce the performance or observance of the covenants and agreements of Lessee contained in this Lease, and no delay or omission of Lessor to exercise any right or power accruing upon the occurrence of any Event of Default shall impair any other or subsequent Event of Default or impair any rights or remedies consequent thereto. Every power and remedy given by this Section or by Law to Lessor may be exercised from time to time, and as often as may be deemed expedient, by Lessor, subject at all times to Lessor's right in its sole judgment to discontinue any work commenced by Lessor or change any course of action undertaken by Lessor.

21. Mortgage, Subordination and Attornment. Lessor's interest in this Lease and/or the Properties shall not be subordinate to any liens or encumbrances placed upon the Properties by or resulting from any act of Lessee, and nothing herein contained shall be construed to require such subordination by Lessor. Lessee shall keep the Properties free from any liens for work performed, materials furnished or obligations incurred by Lessee. NOTICE IS HEREBY GIVEN THAT LESSEE IS NOT AUTHORIZED TO PLACE OR ALLOW TO BE PLACED ANY LIEN, MORTGAGE, DEED OF TRUST, SECURITY INTEREST OR ENCUMBRANCE OF ANY KIND UPON ALL OR ANY PART OF THE PROPERTIES OR LESSEE'S LEASEHOLD INTEREST THEREIN WITHOUT THE PRIOR WRITTEN CONSENT OF LESSOR, WHICH CONSENT SHALL NOT BE UNREASONABLY WITHHELD, CONDITIONED OR DELAYED, AND ANY SUCH PURPORTED TRANSACTION SHALL BE VOID.

This Lease at all times shall automatically be subordinate to the lien of any and all ground leases, mortgages and trust deeds now or hereafter placed upon any of the Properties by Lessor, provided, that the holder of such interest shall not disturb Lessee's use and enjoyment of Lessee's rights under this Lease so long as Lessee is not in default hereunder. Lessee covenants and agrees to execute and deliver, upon demand, such further instruments subordinating this Lease to the lien of any or all such ground leases, mortgages or trust deeds as shall be desired by Lessor, or any present or proposed mortgagees under trust deeds; provided, that the terms and provisions of any such instrument are commercially reasonable.

If any mortgagee, receiver or other secured party elects to have this Lease and the interest of Lessee hereunder be superior to any such ground lease, mortgage or trust deed and evidences such election by notice given to Lessee, then this Lease and the interest of Lessee hereunder shall be deemed superior to any such ground lease, mortgage or trust deed, whether this Lease was executed before or after such ground lease, mortgage or trust deed and in that event such mortgagee, receiver or other secured party shall have the same rights with respect to this Lease as if it had been executed and delivered prior to the execution and delivery of such ground lease, mortgage or trust deed and had been assigned to such mortgagee, receiver or other secured party.

In the event any purchaser or assignee of any mortgagee at a foreclosure sale acquires title to any of the Properties, or in the event that any mortgagee or any assignee otherwise succeeds to the rights of Lessor as landlord under this Lease, Lessee shall attorn to mortgagee or such purchaser or assignee, as the case may be (a "Successor Lessor"), and recognize the Successor Lessor as lessor under this Lease, and, provided no Event of Default has occurred and is continuing, the Successor Lessor shall recognize and not disturb Lessee's tenancy created hereby. So long as no Event of Default has occurred and is continuing, this Lease shall continue in full force and effect as a direct lease between the Successor Lessor and Lessee, provided that the Successor Lessor shall only be liable for any obligations of Lessor under this Lease which accrue from and after the date that such Successor Lessor acquires title to such Property or otherwise succeeds to the rights of the Lessor as landlord hereunder. The foregoing provisions shall be self-operative and effective without the execution of further instruments.

Lessee shall give written notice to any lender or mortgagee of Lessor of whom Lessee is notified of in writing of any breach or default by Lessor of any of its obligations under this Lease and give such lender or mortgagee the same rights to which Lessor might be entitled to cure such default before Lessee may exercise any remedy with respect thereto. Upon request by Lessor, Lessee shall authorize Lessor to release to any lender or mortgagee Lessee's and/or Guarantor's financial statements delivered to Lessor pursuant to this Lease or any Other Agreement.

22. Estoppel Certificate. At any time, and from time to time, each party shall, promptly and in no event later than ten (10) days after a request from the other execute, acknowledge and deliver to the requesting party, as the case may be, a certificate in the form supplied by the requesting party, certifying: (A) that this Lease is in full force and effect and has not been modified (or if modified, setting forth all modifications), or, if this Lease is not in full force and effect, the certificate shall so specify the reasons therefor; (B) the commencement and expiration dates of the Lease Term; (C) the date to which the Rentals have been paid under this Lease and the amount thereof then payable; (D) whether there are then any existing defaults by Lessee or Lessor in the performance of its obligations under this Lease, and, if there are any such defaults, specifying the nature and extent thereof; (E) that no notice has been received by the certifying party of any default under this Lease which has not been cured, except as to defaults specified in the certificate; (F) the capacity of the person executing such certificate, and that such person is duly authorized to execute the same on behalf of Lessee; and; (G) and any other information reasonably requested by the requesting party.

23. Assignment.

A. As a material inducement to Lessor's willingness to complete the transactions contemplated by this Lease (the "Transaction") and the other Transaction Documents, Lessee hereby agrees that Lessor may, from time to time and at any time and without the consent of Lessee, engage in all or any combination of the following, or enter into agreements in connection with any of the following or in accordance with requirements that may be imposed by applicable securities, tax or other Laws: (i) the sale, assignment, grant, conveyance, transfer, financing, re-financing, purchase or re-acquisition of all, less than all or any portion of the Properties, this Lease or any other Transaction Document, Lessor's right, title and interest in this Lease or any other Transaction Document, the servicing rights with respect to any of the foregoing, or participations in any of the foregoing, or (ii) a Securitization and related transactions. Without in any way limiting the foregoing, the parties acknowledge and agree that Lessor, in its sole discretion, may assign this Lease or any interest herein to another Person (including without limitation, a taxable REIT subsidiary) in order to maintain Lessor's or any of its Affiliates' status as a REIT. In the event of any such sale or assignment other than a security assignment, Lessee shall attorn to such purchaser or assignee (so long as Lessor and such purchaser or assignee notify Lessee in writing of such transfer and such purchaser or assignee expressly assumes in writing the obligations of Lessor hereunder). At the request of Lessor, Lessee will execute such documents confirming the sale, assignment or other transfer and such other agreements as Lessor may reasonably request, provided that the same do not increase the liabilities and obligations of Lessee hereunder. Furthermore, upon the sale of any of the Properties to a third party and to the extent necessary, Lessee and Lessor shall execute an amendment to this Lease omitting the sold Property from this Lease and shall execute a new lease agreement relating to the sold Property in form and substance identical to this Lease, provided that the Base Annual Rental shall be limited to the sold Property. Lessor shall be relieved, from and after the date of such transfer or conveyance, of liability for the performance of any obligation of Lessor contained herein, except for obligations or liabilities accrued prior to such assignment or sale.

B. Lessee acknowledges that Lessor has relied both on the business experience and creditworthiness of Lessee and upon the particular purposes for which Lessee intends to use the Properties in entering into this Lease. Without the prior written consent of Lessor, which consent will not be unreasonably withheld, (i) Lessee shall not assign, transfer, convey, pledge or mortgage this Lease or any interest therein, whether by operation of law or otherwise, (ii) no Change of Control shall occur, and (iii) no interest in Lessee or any Guarantor shall be pledged, encumbered or assigned as collateral. With respect to any requested assignment, Lessor shall consider such matters as the experience and financial strength of any assignee, the assumption by any assignee of all of Lessee's obligations hereunder by undertakings enforceable by Lessor, and the transfer to or procurement of all necessary Dealer Agreements, licenses and franchises to an assignee in order to continue operating the Properties for the purposes herein provided. At the time of any assignment of this Lease which is approved by Lessor, the assignee shall assume all of the obligations of Lessee under this Lease pursuant to Lessor's standard form of

assumption agreement. Such assignment of the Properties shall relieve Lessee of its obligations respecting this Lease except for those obligations arising prior to such assignment. Any assignment, transfer, conveyance, pledge or mortgage in violation of this Section 23 shall be voidable at the sole option of Lessor. Any consent to an assignment given by Lessor hereunder shall not be deemed a consent to any subsequent assignment.

C. Lessee shall not sublet any or all of the Properties without the prior written consent of Lessor, which may be withheld by Lessor in its sole discretion and any such purported subletting shall be void. 25. **Holdover.** If Lessee remains in possession of any Property after the expiration of the term hereof, Lessee, at Lessor's option and within Lessor's sole discretion, may be deemed a tenant on a month-to-month basis and shall continue to pay Rentals and other Monetary Obligations in the amounts herein provided, except that the Base Monthly Rental shall be automatically increased to one hundred fifty percent (150%) of the last Base Monthly Rent payable under this Lease allocable to the subject Property by Lessor based upon the original Purchase Price for the Properties and Lessee shall comply with all the terms of this Lease; provided that nothing herein nor the acceptance of Rental by Lessor shall be deemed a consent to such holding over. Lessee shall defend, indemnify, protect and hold the Indemnified Parties harmless from and against any and all Losses resulting from Lessee's failure to surrender possession upon the expiration of the Lease Term, including, without limitation, any claims made by any succeeding lessee.

26. **Intentionally Deleted.**

27. **Removal of Personalty.** At the expiration of the Lease Term, and if Lessee is not then in breach hereof, Lessee may remove from the Properties all personal property belonging to Lessee. Lessee shall repair any damage caused by such removal and shall leave all of the Properties broom clean and in good and working condition and repair inside and out. Any property of Lessee left on the Properties on the tenth day following the expiration of the Lease Term shall automatically and immediately become the property of Lessor.

28. **Financial Statements; Compliance Certificate.** Within forty five (45) days after the end of each fiscal quarter and within ninety (90) days after the end of each fiscal year of Lessee, Lessee shall deliver to Lessor (A) complete financial statements of Lessee and Guarantor, or more frequently upon request by Lessor including a balance sheet, profit and loss

statement, statement of changes in financial condition and all other related schedules for the fiscal period then ended; and (B) income statements for the business at the Properties. All such financial statements shall be prepared in accordance with GAAP, consistently applied from period to period, be certified to be accurate and complete by an officer or director of Lessee and Guarantor, respectively, which certificate shall state that such financial statements fairly present, in all material respects, the financial condition and results of operations of Lessee in accordance with GAAP and shall provide an EBITDAR Ratio calculation. Lessee understands that Lessor will rely upon such financial statements and Lessee represents that such reliance is reasonable. The annual financial statements delivered to Lessor shall be audited by a nationally recognized accounting firm and Lessee shall deliver to Lessor copies of any other audited financial statements of Lessee and Guarantor which may be prepared, as soon as they are available. Within thirty (30) days after the end of each fiscal year of Lessee, and upon prior written request by Lessor, Lessee shall deliver such compliance certificate to Lessor as Lessor may reasonably require in order to establish that Lessee is in compliance with all of its obligations, duties and covenants under this Lease. Lessee acknowledges that Lessor's lender shall have the right to provide to prospective investors any information in Lessor's possession, including, without limitation, financial statements relating to Properties and Lessee.

29. **Force Majeure.** Any prevention, delay or stoppage due to strikes, lockouts, acts of God, enemy or hostile governmental action, civil commotion, fire or other casualty beyond the control of the party obligated to perform (each, a "Force Majeure Event") shall excuse the performance by such party for a period equal to any such prevention, delay or stoppage, expressly excluding, however, the obligations imposed upon Lessee with respect to Rental and other Monetary Obligations to be paid hereunder.

30. **No Merger.** There shall be no merger of this Lease nor of the leasehold estate created by this Lease with the fee estate in or ownership of any of the Properties by reason of the fact that the same person, corporation, firm or other entity may acquire or hold or own, directly or indirectly, (A) this Lease or the leasehold estate created by this Lease or any interest in this Lease or in such leasehold estate, and (B) the fee estate or ownership of any of the Properties or any interest in such fee estate or ownership. No such merger shall occur unless and until all persons, corporations, firms and other entities having any interest in (i) this Lease or the leasehold estate created by this Lease, and (ii) the fee estate in or ownership of the Properties or any part thereof sought to be merged shall join in a written instrument effecting such merger and shall duly record the same.

31. **Characterization.**

A. Lessor and Lessee acknowledge and warrant to each other that each has been represented by independent counsel and has executed this Lease after being fully advised by said counsel as to its effect and significance. This Lease shall be interpreted and construed in a fair and impartial manner without regard to such factors as the party which prepared the instrument, the relative bargaining powers of the parties or the domicile of any party. B The following expressions of intent, representations, warranties, covenants, agreements, stipulations and waivers are a material inducement to Lessor entering into this Lease:

(i) It is the intent of the parties hereto, and the parties acknowledge and agree that they have executed and delivered this Lease with the understanding that (1) this Lease constitutes an unseverable and single lease of all, but not less than all, of the Properties, and, if at any time this Lease covers other real property in addition to the Properties, neither this Lease, nor Lessee's obligations or rights hereunder may be allocated or otherwise divided among such properties by Lessee; (2) this Lease is a "true lease," is not a financing lease, capital lease, mortgage, equitable mortgage, deed of trust, trust agreement, security agreement or other financing or trust arrangement, and the economic realities of this Lease are those of a true lease; and (3) the business relationship created by this Lease and any related documents is solely that of a long-term commercial lease between Lessor and Lessee, the Lease has been entered into by both parties in reliance upon the economic and legal bargains contained herein, and none of the agreements contained herein is intended, nor shall the same be deemed or construed, to create a partnership between Lessor and Lessee, to make them joint venturers, to make Lessee an agent, legal representative, partner, subsidiary or employee of Lessor, nor to make Lessor in any way responsible for the debts, obligations or losses of Lessee. Lessee acknowledges that Lessor (or any Affiliate or partner of Lessor) and the parties under the Dealer Agreement are not affiliates, agents, partners or joint venturers, nor do they have any other legal, representative or fiduciary relationship.

(ii) Each of the parties hereto covenants and agrees to the following: (I) each will treat this Lease (I) as an operating lease pursuant to Statement of Financial Accounting Standards No. 13, as amended; and (II) as a true lease for state law reporting purposes and for federal income tax purposes. For federal income tax purposes, each party shall report this Lease as a true lease with Lessor as the owner of the Properties and Lessee as the lessee of such Properties including: (a) treating Lessor as the owner of the Property eligible to claim depreciation deductions under Section 167 or 168 of the Code with respect to the Properties; (b) Lessee reporting its Rental payments as rent expense under Section 162 of the Code; and (c) Lessor reporting the Rental payments as rental income under Section 61 of the Code; (2) each party will not, nor will it permit any Affiliate to, at any time, take any action or fail to take any action with respect to the preparation or filing of any statement or disclosure to Governmental Authority, including without limitation, any income tax return (including an amended income tax return), to the extent that such action or such failure to take action would be inconsistent with the intention of the parties expressed in this Section 31.B; (3) with respect to the Properties, the Lease Term (including any Extension Term) is less than eighty percent (80%) of the estimated remaining economic life of the Properties; and (4) the Base Annual Rental is the fair market value for the use of the Properties and was agreed to by Lessor and Lessee on that

basis, and the execution and delivery of, and the performance by Lessee of its obligations under, this Lease do not constitute a transfer of all or any part of the Properties.

(iii) Lessee waives any claim or defense based upon the characterization of this Lease as anything other than a true lease and as a master lease of all of the Properties. Lessee stipulates and agrees (1) not to challenge the validity, enforceability or characterization of the lease of the Properties as a true lease and/or as a single, unseverable instrument pertaining to the lease of all, but not less than all, of the Properties, and (2) not to assert or take or omit to take any action inconsistent with the agreements and understandings set forth in this Section 31.B.

(iv) The parties agree that, notwithstanding any provision contained in this Lease, any party (and each employee, representative or other agent of any party) may disclose to *any and all persons, without limitation of any kind*, any matter required under the Securities Act of 1933, as amended (the "Securities Act"), or the Securities Exchange Act of 1934, as amended (the "Exchange Act").

32. **Easements.** During the Lease Term, Lessor shall have the right to grant easements on, over, under and above the Properties without the prior consent of Lessee, provided that such easements will not unreasonably or materially interfere with Lessee's use of the Properties.

33. **Bankruptcy.** As a material inducement to Lessor executing this Lease, Lessee acknowledges and agrees that Lessor is relying upon (A) the financial condition and specific operating experience of Lessee and Lessee's obligation to use the Properties as a Permitted Facility specifically in accordance with a Dealer Agreement and (B) Lessee's timely performance of all of its obligations under this Lease notwithstanding the entry of an order for relief under the Bankruptcy Code for Lessee. Accordingly, in consideration of the mutual covenants contained in this Lease and for other good and valuable consideration, Lessee hereby agrees that: (i) subject to applicable law, all obligations that accrue under this Lease (including the obligation to pay Rentals), from and after an Insolvency Event shall be timely performed exactly as provided in this Lease and any failure to so perform shall be harmful and prejudicial to Lessor; (ii) to the extent permitted by law, any and all Rentals that accrue from and after the filing for bankruptcy and that are not paid as required by this Lease shall, in the amount of such Rentals, constitute administrative expense claims allowable under the Bankruptcy Code with priority of payment at least equal to that of any other actual and necessary expenses incurred after the filing for bankruptcy; (iii) any extension of the time period within which Lessee may assume or reject this Lease without an obligation to cause all enforceable obligations under this Lease to be performed as and when required under this Lease shall be harmful and prejudicial to Lessor; (iv) any time period designated as the period within which Lessee must cure all enforceable defaults and compensate Lessor for all pecuniary losses which extends beyond the date of assumption of this Lease shall be harmful and prejudicial to Lessor; (v) subject to applicable law, any assignment of this Lease must result in all terms and conditions of this Lease being assumed by the assignee without alteration or amendment, and any assignment which results in an amendment or alteration of the terms and conditions of this Lease without the

express written consent of Lessor shall be harmful and prejudicial to Lessor; (vi) any proposed assignment of this Lease shall be harmful and prejudicial to Lessor if made to an assignee: (1) that does not possess financial condition adequate to operate a Permitted Facility upon the Properties or operating performance and experience characteristics satisfactory to Lessor equal to or better than the financial condition, operating performance and experience of Lessee as of the Effective Date, or (2) that does not provide guarantors of the lease obligations with financial condition equal to or better than the financial condition of the Guarantor as of the Effective Date; or (3) that will not use the Properties specifically in accordance with a Dealer Agreement; and (vii) subject to applicable law, the rejection (or deemed rejection) of this Lease for any reason whatsoever shall constitute cause for immediate relief from the automatic stay provisions of the Bankruptcy Code, and Lessee stipulates that such automatic stay shall be lifted immediately and possession of the Properties will be delivered to Lessor immediately without the necessity of any further action by Lessor. No provision of this Lease shall be deemed a waiver of Lessor's rights or remedies under the Bankruptcy Code or applicable Law to oppose any assumption and/or assignment of this Lease, to require timely performance of Lessee's obligations under this Lease, or to regain possession of the Properties as a result of the failure of Lessee to comply with the terms and conditions of this Lease or the Bankruptcy Code. Notwithstanding anything in this Lease to the contrary, subject to applicable law, all amounts payable by Lessee to or on behalf of Lessor under this Lease, whether or not expressly denominated as such, shall constitute "rent" for the purposes of the Bankruptcy Code. For purposes of this Section addressing the rights and obligations of Lessor and Lessee upon an Insolvency Event, the term "Lessee" shall include Lessee's successor in bankruptcy, whether a trustee, Lessee as debtor in possession or other responsible person.

34. **Attorneys' Fees.** In the event of any judicial or other adversarial proceeding concerning this Lease, to the extent permitted by Law, Lessor the prevailing party will be entitled to recover all of its reasonable attorneys' fees and other Costs in addition to any other relief to which it may be entitled. In addition, the prevailing party shall, upon demand, be entitled to all attorneys' fees and all other Costs incurred in the preparation and service of any notice or demand hereunder, whether or not a legal action is subsequently commenced.

35. **Memorandum of Lease.** Concurrently with the execution of this Lease, Lessor and Lessee are executing Lessor's standard form memorandum of lease in recordable form, indicating the names and addresses of Lessor and Lessee, a description of the Properties, the Lease Term, but omitting Rentals and such other terms of this Lease as Lessor may not desire to disclose to the public. Further, upon Lessor's request, Lessee agrees to execute and acknowledge a termination of lease and/or quit claim deed in recordable form to be held by Lessor until the expiration or sooner termination of the Lease Term.

36. **No Brokerage.** Lessor and Lessee represent and warrant to each other that they have had no conversation or negotiations with any broker concerning the leasing of the Properties. Each of Lessor and Lessee agrees to protect, indemnify, save and keep harmless the other, against and from all liabilities, claims, losses, Costs, damages and expenses, including attorneys' fees, arising out of, resulting from or in connection with their breach of the foregoing warranty and representation.

37. **Waiver of Jury Trial and Punitive, Consequential, Special and Indirect Damages.** To the maximum extent permitted by law, Lessor and Lessee hereby knowingly, voluntarily and intentionally waive the right either may have to a trial by jury with respect to any and all issues presented in any action, proceeding, claim or counterclaim brought by either of the parties hereto against the other or its successors with respect to any matter arising out of or in connection with this Lease, the relationship of Lessor and Lessee, Lessee's use or occupancy of the Properties, and/or any claim for injury or damage, or any emergency or statutory remedy. This waiver by the parties hereto of any right either may have to a trial by jury has been negotiated and is an essential aspect of their bargain. Furthermore, to the maximum extent permitted by law, Lessee hereby knowingly, voluntarily and intentionally waives the right it may have to seek punitive, consequential, special and indirect damages from Lessor and any of the Affiliates, officers, directors, members, managers or employees of Lessor or any of their successors with respect to any and all issues presented in any action, proceeding, claim or counterclaim brought with respect to any matter arising out of or in connection with this Lease or any document contemplated herein or related hereto. The waiver by Lessee of any right it may have to seek punitive, consequential, special and indirect damages has been negotiated by the parties hereto and is an essential aspect of their bargain.

38. **Securitizations and Other Transactions.** As a material inducement to Lessor's willingness to complete the Transactions contemplated by this Lease and the other Transaction Documents, Lessee hereby acknowledges and agrees that Lessor may, from time to time and at any time (A) upon receipt of Lessee's consent, which consent shall not be unreasonably withheld or delayed, advertise, issue press releases, send direct mail or otherwise disclose information regarding the Transaction for marketing purposes; and (B) (i) act or permit another Person to act as sponsor, settlor, transferor or depositor of, or a holder of interests in, one or more Persons or other arrangements formed pursuant to a trust agreement, indenture, pooling agreement, participation agreement, sale and servicing agreement, limited liability company agreement, partnership agreement, articles of incorporation or similar agreement or document; and (ii) permit one or more of such Persons or arrangements to offer and sell stock, certificates, bonds, notes, other evidences of indebtedness or securities that are directly or indirectly secured, collateralized or otherwise backed by or represent a direct or indirect interest in whole or in part in any of the assets, rights or properties described in Section 23.A of this Lease, in one or more Persons or arrangements holding such assets, rights or properties, or any of them (collectively, the "Securities"), whether any such Securities are privately or publicly offered and sold, or rated or unrated (any combination of which actions and transactions described in both clauses (i) and (ii) in this paragraph, whether proposed or completed, are referred to in this Lease as a "Securitization"). Lessee shall cooperate fully with Lessor and any Affected Party with respect to all reasonable requests and due diligence procedures and to use reasonable efforts to facilitate such Securitization, including without limitation, providing for inclusion in any prospectus or other Securities offering material such documents, financial and other data, and other information and materials which would customarily be required with respect to Lessee by a purchaser, transferee, assignee, servicer, participant, investor or rating agency involved with respect to such Securitization, and Lessee shall indemnify and hold harmless Lessor for any and all liabilities, losses and expenses arising under the Securities Act, or the Exchange Act, in connection with any material misstatement (or alleged misstatement) contained in such

information provided in writing (including, without limitation, electronically) by Lessee or its officers, managers, members, employees, or agents, or any omission (or alleged omission) of a material fact by Lessee or its officers, managers, members, employees, or agents, the inclusion of which was necessary to make such written information not misleading, unless such material misstatement or alleged misstatement or omission or alleged omission is caused by Lessor or its directors, officers, managers, members, shareholders, employees, or agents. Lessee shall deliver to Lessor, any Affected Party and to any Person designated by Lessor, such statements and audit letters of reputable, independent certified public accountants pertaining to the written information provided by Lessee pursuant to this Section as shall be requested by Lessor or such Affected Party, as the case may be. Lessee also shall deliver to Lessor, any Affected Party and to any Person designated by Lessor or any Affected Party, such opinions of counsel (including without limitation, local counsel opinions), appraisals, environmental reports and zoning letters, or updates of any of the foregoing, as are customarily delivered in connection with Securitizations or as may be required by any rating agency in connection with any Securitization.

39. Intentionally Deleted.

Lessee hereby acknowledges and agrees to pay, immediately upon demand, all such fees (as the same may be increased or decreased from time to time), and any additional fees of a similar type or nature which may reasonably be imposed or incurred by Lessor from time to time.

41. Miscellaneous.

A. Time Is of the Essence. Time is of the essence with respect to each and every provision of this Lease.

B. Waiver and Amendment. No provision of this Lease shall be deemed waived or amended except by a written instrument unambiguously setting forth the matter waived or amended and signed by the party against which enforcement of such waiver or amendment is sought. Waiver of any matter shall not be deemed a waiver of the same or any other matter on any future occasion. No acceptance by Lessor of an amount less than the Rental and other Monetary Obligations stipulated to be due under this Lease shall be deemed to be other than a payment on account of the earliest such Rental or other Monetary Obligations then due or in arrears nor shall any endorsement or statement on any check or letter accompanying any such payment be deemed a waiver of Lessor's right to collect any unpaid amounts or an accord and satisfaction.

EXHIBIT C
ENVIRONMENTAL INSURANCE GUIDELINES

Following is a list of criteria we use to assess the acceptability of an environmental insurance policy. The criteria is divided between the two most commonly used types of policies -- a lender's policy and an owner's or borrower's policy.

Lender's Policies Criteria:

1. Meet rating agency criteria to the extent possible, and understand where the shortfall is between your policy and the rating agency criteria.
2. Ensure that the insurer is rated AA or Aa2.
3. Ensure lender and any successor in interest is listed as additional insured.
4. Ensure policy term of 5 years beyond maturity date of loan; or recommend loan documents require additional coverage on rolling basis.
5. Determine policy form best suited for issue (loan balance, lesser-of, clean-up cost), and coverage limits (loan balance \$125% of OPB, lesser-of or clean-up cost; an arbitrary amount typically higher than any anticipated issues could cost to resolve -- based on market acceptability).
6. Deductibles or self-insured retentions should be zero (0), or an escrow fund established with the borrower to make up the difference.
7. Policies should not contain any retroactive dates for coverage.
8. No exclusions for known or pre-existing conditions.
9. Obtain a "disclosed document" endorsement stipulating which reports were delivered to the insurance company prior to binding the policy.
10. Ensure that any USTs are scheduled onto the policy for coverage.
11. Ensure that all conditions of coverage listed on a quote are removed prior to binding policy (except for payment of premium).
12. Limit opportunity of insurer to cancel policy due to fraudulent acts of insured in application.
13. Ensure no termination of coverage in the event loan ownership changes.
14. Ensure guaranteed assignability of policy to lender's successor in interest.
15. Most insurers have endorsements specific to the CMBS markets, ensure they are offered for your policy.
16. Ensure loan does not contain hyper-amortization feature.
17. All other terms and conditions must be acceptable to lender.

OWNER'S / BORROWER'S POLICIES CRITERIA

1. Ensure that the insurer is rated AA or Aa2
2. Ensure insured is record title holder to property
3. Ensure lender and any successor in interest in the mortgage loan is listed as additional insured/ loss payee.
4. Ensure policy term of 5 years beyond maturity date of loan, or provide for rolling renewal of minimum 10 year policy.
5. Ensure appropriate coverage dependant upon circumstances affecting property, i.e., pre-existing and subsequently occurring contamination of both known and unknown conditions, affecting either on-site or off-site properties and providing for bodily injury coverage.
6. Coverage limits: depends upon the risk being covered.
7. Deductibles or self-insured retentions should be zero (0), or an escrow fund established with the borrower to make up the difference.
8. Policies should not contain any retroactive dates for coverage.
9. No exclusions for known or pre-existing conditions.
10. Obtain a "disclosed document" endorsement stipulating which reports were disclosed and/or delivered to the insurance company prior to binding the policy.
11. If policy excludes USTs from coverage unless scheduled by endorsement, ensure that any USTs are scheduled onto the policy for coverage.
12. Ensure that all conditions of coverage listed on a quote are removed prior to binding policy (except for payment of premium).
13. The policy should specify that misrepresentation, concealment, breach of condition or violation of any duty under the policy by any insured shall not affect the rights and interests of any other insured under the policy.
14. Limit opportunity of insurer to cancel policy due to fraudulent acts of insured in application.
15. Ensure no termination of coverage in the event property ownership changes.
16. Ensure notice to all insureds under policy.
17. Ensure guaranteed assignability of lender's coverage of policy to lender's successor in interest.
18. Ensure loan does not contain hyper-amortization feature.
19. All other terms and conditions must be acceptable to lender.

Notes to Financial Statements
December 31, 2008

NOTE 1 — SUMMARY OF ACCOUNTING POLICIES AND PRACTICES

Description of Business — Superpumper Inc. (an Arizona corporation) (the "Company") is engaged in the retail sale of petroleum products. The Company operates eleven convenience stores / gas stations, which market petroleum products, grocery and general merchandise items to the general public. Four locations also provide car wash service. All of the stores are located in the Phoenix / Scottsdale, Arizona metropolitan area. The stations are all branded under the "Superpumper" brand and dispense fuel purchased primarily from Shell Oil Products US.

Basis of Presentation — On April 24, 2006, P.A. Morabito Arizona & Co., Limited, A Nevada Corporation, ("PAMAZ"), which is controlled by Paul Morabito, purchased the common stock and real estate of Superpumper Inc. (the "Predecessor Company"). The real estate occupied by Superpumper was owned by an entity under common ownership of the owners of the Predecessor Company and leased to the Predecessor Company under long-term land leases. Immediately after the purchase, PAMAZ sold the real estate assets to a finance company. The Company then entered into a new land lease with the finance company to lease back the land from the finance company. After these transactions, all real estate and leasehold rights previously owned by affiliates of the Predecessor Company are now held by third parties.

In accordance with *EITF 88-16, Basis in Leveraged Buyout Transactions*, due to the change in control of voting interest, a change in accounting basis is appropriate, and as a result, the purchase method of accounting was used. Under the purchase method of accounting, \$4.3 million purchase price was allocated to Superpumper Inc.'s net tangible and intangible assets based upon their estimated fair values as of the acquisition date.

PAMAZ subsequently changed its name to Consolidated Western Corporation (a Nevada corporation) ("CWC").

Revenue Recognition — The Company recognizes revenue at the point-of-sale for retail sales. The Company also earns promotional rebates and allowances. Vendors pay the Company to promote and sell their product and thus these rebates and allowances are usually computed as a percentage of products sold. Promotional and rebate allowances are recorded as a reduction of cost of goods sold when invoiced or expected collection criteria have been met.

Receivables — Trade accounts receivable consist primarily of promotional allowances and rebates. The Company considers these receivables to be fully collectible; accordingly, no allowance for doubtful accounts are required. If amounts become uncollectible they will be charged to operations when that determination is made.

Inventories — Petroleum products, grocery and general merchandise inventories are stated at the lower of cost or market. Cost is determined for petroleum products using the average cost method. Due to the relatively high turnover of fuel, average cost approximates net realizable value. Grocery and general merchandise inventory is valued using the first-in, first-out (FIFO) method, using retail and cost method.

NOTE 1 — SUMMARY OF ACCOUNTING POLICIES AND PRACTICES — (CONTINUED)

Property, Plant and Equipment — Property, plant and equipment are stated at cost. Costs of improvements are capitalized. Costs of normal repairs and maintenance are charged to expense as incurred. Upon the sale or retirement of property and equipment, the cost and related accumulated depreciation are removed from the respective accounts, and the resulting gain or loss, if any, is included in income.

Depreciation is calculated on the straight-line method over the estimated useful lives of the assets. The estimated useful lives of building and improvements are 17 1/2 years, while computers, vehicles and other equipment are depreciated over 5 - 7 years. Plant and equipment held under capital leases and leasehold improvements are amortized straight line over the shorter of the lease term or estimated useful life of the asset. Total depreciation expense for the year ended December 31, 2008 was \$330,705.

Goodwill and Intangible Assets — Goodwill represents the excess of costs over fair value of assets of businesses acquired. The Company adopted the provisions of *SFAS No. 142, Goodwill and Other Intangible Assets*, as of January 1, 2002. Goodwill and intangible assets acquired in a purchase business combination and determined to have an indefinite useful life are not amortized, but instead tested for impairment at least annually in accordance with the provisions of SFAS No. 142. SFAS No. 142 also requires that intangible assets with estimable useful lives be amortized over their respective estimated useful lives to their estimated residual values, and reviewed for impairment in accordance with *SFAS No. 144, Accounting for Impairment or Disposal of Long-Lived Assets*.

Intangible assets at December 31, 2008 arise from the change in accounting basis discussed above, and consist solely of trademarks with an indefinite life.

Advertising — Advertising costs are expensed as incurred. Advertising costs amounted to \$919 in 2008.

Income Taxes — Superpumper Inc. is treated as a Qualified Subchapter S subsidiary of CWC for tax purposes. Income taxes on net earnings of Superpumper Inc. are payable personally by the stockholder of CWC pursuant to the election under Subchapter S of the Internal Revenue Code not to have the Company taxed as a corporation. Accordingly, no provision for income taxes is included in these financial statements.

Shipping and Handling Fees and Costs — Shipping and handling fees, consisting primarily of in-bound fuel delivery costs, are expensed and included as part of cost of goods sold.

Fair Value of Financial Instruments — The carrying amounts of cash and cash equivalents, accounts receivable, due from related parties, inventories, accounts payable and accrued liabilities approximate fair value because of the short-term maturity of these instruments. Notes and leases payable approximate fair value because the interest rates are tied to current market conditions.

SUPERPUMPER INC.

NOTE 1 — SUMMARY OF ACCOUNTING POLICIES AND PRACTICES (CONTINUED)

Concentrations of Risk

Business Concentrations -- The Company's operations are dependent upon having a supply of fuel to purchase from vendors. The Company currently has a multi-year contract with Shell Oil Products U.S. to purchase a set quantity of fuel ranging from minimum to maximum quantities each month. This agreement expires on April 30, 2011. Without such contracts, the Company would have to purchase its fuel supplies at the market spot price, which are subject to price and supply volatility. In exchange, the Company is given the rights to use Shell logo branding and participation in a dealer rebate incentive program.

The Company also has supply agreements with other consumer products companies for the purchase of fountain drinks, grocery and general merchandise.

Credit Concentrations -- The Company maintains its cash in bank deposit accounts which, at times, may exceed federally insured limits. The Company has not experienced any losses in such accounts. The Company believes it is not exposed to any significant credit risk on cash.

Impairment of Long-Lived Assets -- In accordance with SFAS No. 144, long lived assets, such as property, plant, and equipment, and purchased intangibles subject to amortization, are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable. Recoverability of assets to be held and used is measured by a comparison of the carrying amount of an asset to estimated undiscounted future cash flows expected to be generated by the asset. If the carrying amount of an asset exceeds its estimated future cash flows, an impairment charge is recognized by the amount by which the carrying amount of the asset exceeds the fair value of the asset. Assets to be disposed of would be separately presented in the balance sheet and reported at the lower of the carrying amount or fair value less costs to sell, and are no longer depreciated. The assets and liabilities of a disposed group classified as held for sale would be presented separately in the appropriate asset and liability sections of the balance sheet.

Goodwill and intangible assets not subject to amortization are tested annually for impairment, and are tested for impairment more frequently if events and circumstances indicate that the asset might be impaired. An impairment loss is recognized to the extent that the carrying amount exceeds the asset's fair value.

Commitments and Contingencies -- Liabilities for loss contingencies arising from claims, assessments, litigation, fines, and penalties and other sources are recorded when it is probable that a liability has been incurred and the amount of the assessment and/or remediation can be reasonably estimated.

Statement of Cash Flows -- The Company considers cash and cash equivalents to be all highly liquid investments with an original maturity of three months or less. Amounts in-transit from banks for customer credit card, debit card and electronic benefit transfer transactions that process in less than seven days are classified as cash and cash equivalents.

NOTE 1 — SUMMARY OF ACCOUNTING POLICIES AND PRACTICES — (CONTINUED)

Use of Estimates — The preparation of financial statements requires management of the Company to make a number of estimates and assumptions relating to the reported amount of assets and liabilities and the disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the period. Significant items subject to such estimates and assumptions include the carrying amount of property, plant and equipment; valuation allowances for receivables, and contingent liabilities. Actual results could differ from those estimates.

NOTE 4 — LEASES

The Company is obligated under several noncancelable operating leases, primarily for use of land and convenience store structure, that expire over the next twenty years. These leases generally contain renewal options for periods ranging from up to an additional forty years and require the Company to pay all executory costs such as maintenance, property taxes and insurance. Certain leases also contain escalations tied to various indices. Rental expense during 2008 was \$4,648,613:

Future minimum lease payments under noncancelable operating leases (with initial or remaining lease terms in excess of one year) as of December 31, 2008 are:

Year ending December 31:	
2009	\$ 4,372,080
2010	4,414,525
2011	4,347,181
2012	4,263,370
2013	4,320,678
Later years, through 2027	<u>53,621,268</u>
Total minimum lease payments	<u>\$ 75,339,102</u>

NOTE 5 — LINE OF CREDIT

The Company maintains a Revolving Line of Credit that allows borrowings up to \$2,000,000. Borrowings bear interest at the LIBOR plus 2.00% (which amounted to 5.85% at December 31, 2008). The line of credit matures on December 31, 2009 and is guaranteed by the Company's shareholder.

The debt agreement contains certain affirmative and negative covenants including maintenance of certain financial ratios as defined in the agreement. The Company believes it is in compliance with its debt covenants at December 31, 2008.

SUPERPUMPER INC.
Notes to Financial Statements
December 31, 2008

NOTE 6 — RELATED PARTY TRANSACTIONS

Due from Affiliates — Related parties represent advances made to the following individuals or companies as of December 31, 2008:

Note receivable - shareholder, 5.0%, due December 31, 2009	\$ 623,021
Advances to shareholder, 5.4%, due on demand	4,521,085
Advances to affiliate, unsecured, due on demand	<u>339,341</u>
	<u>\$ 5,483,447</u>

These amounts have been classified as non current in the accompanying balance sheet because repayment is not anticipated during the next year.

NOTE 7 — CONTINGENCIES

The Company is subject to loss contingencies pursuant to environmental laws and regulations that in future will require the Company to take action to correct the effects on the environment of prior disposal or release of petroleum substances by the Company or other parties. Such contingencies may exist for various sites including, land development areas, whether operating, closed or sold. The amount of such future cost is interminable due to such factors as the unknown magnitude of possible contamination, the unknown timing and extent of corrective actions that may be required, the determination of the Company's liability in proportion to other responsible parties and the extent to which such costs are recoverable from third parties. While the Company provides for known environmental obligations that are probable.

There are no known or reported claims or environmental issues as of December 31, 2008. Accordingly, no provision for environmental contingencies has been provided in the accompanying financial statements.

The Company is involved in various other claims and legal actions arising in the ordinary course of business. In the opinion of management, the ultimate disposition of these matters will not have a material adverse effect on the Company's consolidated financial position, results of operations, or liquidity.

NOTE 8 — PROFIT SHARING PLAN

The Company has a Profit Sharing Plan and Trust which includes a 401 (k) arrangement. The plan and trust is intended to qualify as a profit sharing plan with a salary reduction arrangement. Profit sharing contributions are voluntary and at the discretion of the Board of Directors. There were no plan contributions made for the period ended December 31, 2008.

RE: Business Loan Agreement dated November 5, 2009 (as amended, the "Revolving Loan Agreement") by and between Superpumper, Inc. ("Superpumper") and Compass Bank ("BBVA Compass"), as amended by that certain Modification to Loan Agreement dated as of August 13, 2010 (the "Modification"); Loan Agreement dated August 13, 2010 by and between Superpumper and BBVA Compass ("Term Loan Agreement")

Ladies and Gentlemen:

Reference is made to the Revolving Loan Agreement and the Term Loan Agreement described above. Capitalized terms used herein without definition have the meaning ascribed to them in the Revolving Loan Agreement and the Term Loan Agreement, as applicable.

Under the terms and conditions of the Revolving Loan Agreement, BBVA Compass made a revolving credit facility available to Superpumper in the original principal amount of \$3,000,000.00 (the "Revolving Loan"), as evidenced by that certain Promissory Note dated November 5, 2009 executed by Superpumper in favor of BBVA Compass (as amended, the "Revolving Note"), and together with the Revolving Loan Agreement and all other agreements, documents, and instruments evidencing, securing or otherwise relating to the Revolving Loan Agreement, as amended, the "Revolving Loan Documents"). Under the terms of the Modification, the face amount of the Revolving Note was reduced to \$2,500,000.00. Payment

and performance of Superpumper's obligations under the Revolving Loan Documents is guaranteed by Paul A. Morabito ("Mr. Morabito") pursuant to that certain Guaranty dated as of November 5, 2009.

Under the terms and conditions of the Term Loan Agreement, BBVA Compass made a term loan to Superpumper in the original principal amount of \$3,000,000.00 (the "Term Loan"), and together with the Revolving Loan, the "Loans"), as evidenced by that certain Promissory Note dated as of August 13, 2010 executed by Superpumper in favor of BBVA Compass (the "Term Note"), and together with the Term Loan Agreement and all other agreements, documents, and instruments evidencing, securing or otherwise relating to the Term Loan Agreement, as amended, the "Term Loan Documents"). Payment and performance of Superpumper's obligations under the Term Loan Documents is guaranteed by Mr. Morabito and by Consolidated Western Corporation, a Nevada corporation ("CWC"), and together with Mr. Morabito, the "Guarantors", pursuant to that certain Unconditional Guaranty dated August 13, 2010.

We are in receipt of Mr. Morabito's e-mail dated September 24, 2010 (the "9/24/10 Notice"). In the 9/24/10 Notice, Mr. Morabito acknowledges that Superpumper is in default of several of the provisions contained in the Revolving Loan Documents and the Term Loan Documents (the "Acknowledged Events of Default"). In addition, Mr. Morabito has advised BBVA Compass that the Acknowledged Events of Default have been triggered by the entry of an approximately \$75,000,000.00 judgment against Mr. Morabito and other defendants.

As a result of the Acknowledged Events of Default: (i) BBVA Compass is entitled to exercise its rights and remedies under the Revolving Loan Documents, the Term Loan Documents, at law and in equity, against Superpumper, Guarantors, and the collateral securing the amounts owed by Superpumper to BBVA Compass, and (ii) BBVA Compass is not obligated to make any advances available to Superpumper, and any advances made by BBVA Compass, on or after the date of this letter are made as an accommodation only, and the same do not constitute nor may be deemed to constitute a waiver by BBVA Compass of any of its rights or remedies under the Revolving Loan Documents, the Term Loan Documents, at law or in equity. BBVA Compass hereby reserves all rights and remedies under the Revolving Loan Documents, the Term Loan Documents, at law and in equity with regard to the foregoing Acknowledged Events of Default.

Superpumper and Guarantors have requested that BBVA Compass enter into discussions regarding a potential workout of the Loans. Although not obligated to do so, BBVA Compass is willing to enter into workout discussions regarding the Loans but only with the understanding that such discussions are non-binding in nature and that, notwithstanding the existence or content of any communication, including, but not limited to, any verbal

conversations, by or between Superpumper, Guarantors, and BBVA Compass, or any of their representatives, regarding the Acknowledged Events of Default or any other default or Event of Default, no waiver, forbearance, loan modification, or other similar action by BBVA Compass with regard to such default or Event of Default will be effective unless the same has been reduced to writing and executed by an authorized representative of BBVA Compass, Superpumper, and every other entity deemed necessary or appropriate by BBVA Compass.

Superpumper and Guarantors have also requested that BBVA Compass agree to an increase in the face amount of the Revolving Note to \$3,000,000.00. In light of Superpumper's current circumstances, including the existence of the Acknowledged Events of Default, BBVA Compass is unwilling to agree to this request. In accordance with the Revolving Loan Documents, Superpumper is required to reduce the amount outstanding under the Revolving Loan to \$2,500,000.00. Superpumper's failure to do so will result in further events of default under the Revolving Loan Documents and the Term Loan Documents. Please contact me as soon as possible to confirm the reduction of the outstanding amounts due under the Revolving Loan.

Additional events may have occurred which would constitute defaults or, if uncured within any applicable cure periods, would constitute Events of Default. BBVA Compass hereby reserves the right to declare any such events as defaults or Events of Default, as applicable, at any time in the future and hereby reserves all of BBVA Compass's rights and remedies under the Revolving Loan Documents, the Term Loan Documents, at law and in equity, with regard thereto. Any failure to specify such events in this letter will not constitute a waiver of any default or Event of Default resulting from such events.

Any failure or delay by BBVA Compass in exercising any right, power, or remedy under the Revolving Loan Documents, the Term Loan Documents, at law or in equity, or any acceptance of partial performance or partial payment: (i) will not operate as a waiver of such right, power, or remedy, nor will any single or partial exercise of any such right, power, or remedy preclude any other or further exercise of such right, power, or remedy or the exercise of any other right, power, or remedy; and (ii) will not be sufficient, by itself or together with any other action or inaction by BBVA Compass, to establish a course of dealing or course of conduct by BBVA Compass upon which Superpumper or Guarantors are entitled to rely.

Nothing contained in this letter is a waiver or modification of any right, power, or remedy of BBVA Compass under the Revolving Loan Documents, the Term Loan Documents, nor a waiver or modification of any provision thereof; and nothing in this letter will be or will be construed as any such waiver, modification, or agreement.

Please contact the undersigned if you would like to discuss this matter further.

("Borrower") and Compass Bank, an Alabama banking corporation ("Compass"), under the terms and conditions of which Compass made a revolving loan available to Borrower in the original principal amount of \$3,000,000.00 (the "Revolving Loan") as evidenced by that certain Promissory Note dated November 5, 2009 executed by Borrower in favor of Compass (the "Revolving Note", and together with all related loan documents, the "Revolving Loan Documents")

Defaults under Loan Agreement dated August 13, 2010 (as amended, the "Term Loan Agreement") by and between Borrower and Compass, under the terms and conditions of which Compass made a term loan to Borrower in the original principal amount of \$3,000,000.00 (the "Term Loan") as evidenced by that certain Promissory Note dated August 13, 2010 executed by Borrower in favor of Compass (the "Term Note", and together with all related loan documents, the "Term Loan Documents")

Mr. Vacco:

Our Firm represents Compass with respect to the Revolving Loan, the Term Loan, and other related matters. Reference is made to the Revolving Loan Documents and Term Loan Documents described above. Capitalized terms used herein without definition will have the meanings assigned thereto in the Loan Documents, as applicable.

By letter dated October 15, 2010, Compass through its counsel notified Borrower of the occurrence of certain events of default under the Revolving Loan Agreement and the Term Loan Agreement (collectively, the "Acknowledged Events of Default"). Borrower confirms that it previously acknowledged the existence of the Acknowledged Events of Default. Notwithstanding the existence of the Acknowledged Events of Default, however, Borrower has requested that Compass proceed in discussions and negotiations with Borrower to address issues related to the Acknowledged Events of Default (the "Discussions"). Compass is willing to enter into Discussions with Borrower regarding Borrower's proposal. To encourage free and open discussions while ensuring and confirming that Compass is not amending, modifying, or otherwise limiting in any way Compass's rights under the Loan Documents or pursuant to applicable law, unless and until a final written agreement acceptable in all respects to Compass has been executed, Compass and Borrower have prepared and signed this letter.

As a result of the Acknowledged Events of Default, Compass is entitled to exercise its rights and remedies under the Revolving Loan Agreement, the Term Loan Agreement, and the other Loan Documents, at law and in equity, against Borrower and the collateral. Borrower should understand that by entering into these Discussions at Borrower's request, Compass is making no assurances that it will forbear in any way from exercising its rights and remedies to protect its interests. Accordingly, with respect to the Discussions, Borrower agrees as follows:

- **Compass has no obligation to enter any further agreement with Borrower.**
- **The Loan Documents will only be modified by the execution of a separate final written agreement.**
- **Compass does not waive, and hereby reserves, all of its rights and remedies under the Loan Documents, at law or in equity.**
- **The Discussions are in the nature of settlement negotiations subject to Rule 408, Federal Rules of Evidence (and any similar provision of any applicable state statutes, evidentiary rules, or rules of procedure) and, accordingly, the content of the Discussions shall not be admissible in, and shall not be used in, any proceeding (judicial or otherwise), arbitration, administrative proceeding, or other binding dispute resolution proceeding of any kind for any purpose, including, but not limited to, use as evidence.**
- **Borrower should not pass up or ignore other opportunities that might arise to resolve, through other means, any issues with Compass, the Revolving Loan, or the Term Loan.**
- **Borrower should not take any action, or fail to take action, in reliance upon Compass's willingness to enter Discussions.**

- The Discussions with Compass will not relieve Borrower of its obligation to fully and timely perform under the terms and conditions of the Loan Documents.
- The parties acknowledge that the Discussions are entered into for the sole benefit of Borrower and Compass, and no other person or entity shall have any rights by reason of the Discussions or this letter agreement.
- Compass has no obligation to make any loans to Borrower, and any loans made by Compass on or after the date of this letter are made as an accommodation only, and do not constitute, nor shall be deemed to constitute, a waiver by Compass of any rights or remedies under the Loan Documents, at law or in equity.
- The acceptance by Compass of any partial payment or performance from Borrower shall not constitute a commitment by Compass to modify the Loan Documents, reinstate any loans or cure any default or event of default, constitute an agreement by Compass to forbear from exercising its rights and remedies, or act to waive any of Compass's rights and remedies under the Loan Documents, at law or in equity.
- For purposes of the Discussions to be undertaken pursuant to this letter, each signatory will designate in writing, within 3 business days of its execution of this letter, its authorized representative(s) for conducting the Discussions, including the contact phone numbers and e-mail addresses of such representatives. Borrower acknowledges that any and all requests to change, modify, or amend the Revolving Loan, the Term Loan, or the Loan Documents in any way will be communicated through Compass's representative (as identified pursuant to this paragraph) and in the manner determined by Compass in its sole and absolute discretion. As an initial matter, Compass designates its representatives as follows:

Any failure or delay by Compass in exercising any right, power, or remedy under the Revolving Loan Agreement, the Term Loan Agreement, or the other Loan Documents, at law or in equity, or any acceptance of partial performance or partial payment (i) shall not operate as a waiver of such right, power, or remedy, nor shall any single or partial exercise of any such right, power, or remedy preclude any other or further exercise of such right, power, or remedy or the exercise of any other right, power, or remedy, and (ii) shall not be sufficient, by itself or together with any other action or inaction by Compass, to establish a course of dealing or course of conduct by Compass upon which Borrower shall be entitled to rely.

Notwithstanding the existence or content of any communication by or between Borrower and Compass, or any of their respective representatives, regarding any default or event of default, no waiver, forbearance, or other similar action by Compass with regard to such default or event of default shall be effective unless the same has been reduced to writing and executed by an authorized representative of Compass, Borrower, and every other entity deemed necessary and desirable by Compass.

Nothing contained in this letter is a waiver or modification of any right, power, or remedy of Compass under the Revolving Loan Agreement, the Term Loan Agreement, or the other Loan Documents, nor a waiver or modification of any provision thereof, nor an agreement to make any loans after the date of this letter, and nothing in this letter will be or will be construed as any such waiver, modification, or agreement.

Please discuss this matter with Borrower, and if it is in agreement, please have Borrower sign below where indicated and return a copy of this letter to our attention.

Very truly yours,

Brian Strower

RE: Superpumper, Inc.

Dear Mr. Vacco:

At your request, we have performed a valuation engagement to determine the fair market value of 100 percent of the common equity (Subject Interest) in Superpumper, Inc. (Superpumper or the Company), on a controlling, marketable basis, as of August 31, 2010 (the Valuation Date).

Fair market value is based in large part upon the expectation of future benefits to be received by the prospective purchaser and to be given up by the prospective seller, which are directly attributable to the asset being transferred.

Fair market value is defined in Section 25.2512-1 of the U.S. Treasury regulations as:

"The price at which such property would change hands between a willing buyer and a willing seller, neither being under any compulsion to buy or to sell, and both having reasonable knowledge of relevant facts."

The objective of a valuation is to express an unambiguous opinion as to the value of the business, business ownership interest, or security, which is supported by all procedures that the valuator deems to be relevant to the valuation.

A valuation has the following qualities:

1. Its conclusion of value is expressed as either a single dollar amount or a range.

Superpumper, Inc.
c/o Dennis Vacco, Esquire
October 13, 2010
Page 2

2. It considers all relevant information as of the valuation date available to the valuator at the time of the performance of the valuation.
3. The valuator conducts appropriate procedures to collect and analyze all information expected to be relevant to the valuation.
4. The valuation is based upon consideration of all conceptual approaches deemed to be relevant by the valuator.

For our valuation, we used standard valuation approaches and methodologies. The financial information in this valuation, including the accompanying exhibits, is presented solely to assist in the development of our conclusion of value, and it should not be used for any other purpose. Because of the limited purpose of this information, it may contain departures from generally accepted accounting principles. The conclusion of value given is based on information provided in part by the management of Superpumper.

This report is a restricted-use report and is an abridged version of the information that would be provided in a detailed valuation report and therefore does not contain the same level of detail as a detailed report. This restricted-use report is restricted for use by the shareholders of Superpumper for corporate planning purposes only. No other third parties should rely on the information contained in this report without seeking professional advice. We have no obligation to update this report or our conclusion of value for information that comes to our attention after the date of this report.

Based on our analysis as described in this valuation report, it is our estimate that the fair market value of 100 percent of the common equity in Superpumper, Inc., on a controlling, marketable basis, as of August 31, 2010 is \$6,484,514.

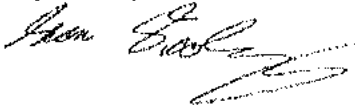

This conclusion or opinion of value is subject to the Statement of Valuation Assumptions and Limiting Conditions included in the report on pages 5 through 7. Neither Matrix Capital Markets Group, Inc. nor the individuals involved in preparing this valuation has any present or contemplated future interest in Superpumper, Inc. or any other interests that might tend to prevent making a fair and unbiased valuation. INTRODUCTION AND BACKGROUND

A. Purpose of the Valuation

Matrix Capital Markets Group, Inc. (Matrix) was retained to determine the fair market value of 100 percent of the common equity in Superpumper, Inc. (Superpumper or the Company), on a controlling, marketable basis as of August 31, 2010 (the Valuation Date). It is our understanding that this restricted-use valuation report will be utilized by the Company and its shareholders for corporate planning purposes.

B. Standard of Value and Premise of Value

Fair market value is based in large part upon the expectation of future benefits to be received by the prospective purchaser and to be given up by the prospective seller, which are directly attributable to the asset being transferred.

Fair market value is defined in Section 25.2512-1 of the U.S. Treasury regulations as:

"The price at which such property would change hands between a willing buyer and a willing seller, neither being under any compulsion to buy or to sell, and both having reasonable knowledge of relevant facts."

Our valuation analysis was conducted under the premise of value in continued use, as a going concern enterprise. It is our opinion that this value represents the appropriate premise of value of the Subject Interest.

C. Description of Information Considered

In formulating our opinion of value, we have relied upon numerous sources of information including, but not limited to, the following:

- U.S. economy sources include: Business Valuation Resources: "Economic Outlook, 2nd Quarter 2010."
- Interest Rates from <http://www.federalreserve.gov/releases/h15/data.htm>
- Ibbotson Associates "Stocks, Bonds, Bills, and Inflation 2010 Yearbook"
- Other Company information, as provided by the Company, including, but not limited to store and corporate level financials for the years ending December 31, 2007, 2008, and 2009, as well as for the trailing twelve month period ended August 31, 2010.

This information is believed to be reliable, but we make no representation as to the accuracy or completeness of the information made publicly available or as furnished to us by the management of Superpumper.

THE APPRAISAL PROCESS

A. Revenue Ruling 59-60

Our valuation analysis takes into consideration Revenue Ruling 59-60. Revenue Ruling 59-60 outlines and reviews the general factors to be considered in the valuation of capital stock of closely held companies and thinly traded public corporations, as follows:

- The nature of the business and the history of the enterprise from its inception.
- The economic outlook in general and the conditions and outlook of the specific industry in particular.
- The book value of the stock and financial condition of the business.
- The earnings capacity of the Company.
- The dividend paying capacity.
- Whether or not the Company has goodwill or other intangible value.
- Sales of the stock and the size of the block of stock to be valued.
- The market prices of stocks of corporations engaged in the same or a similar line of business having their stock actively traded in a free and open market, either on an exchange or over-the-counter.

B. Approaches and Methods Considered

Three approaches and several methods are available for valuing closely held corporate interests in accordance with generally accepted valuation principles. The three generally accepted approaches are: (1) the Income Approach, (2) the Market Approach, and (3) the Cost (or Asset-Based) Approach. That is, the value of an entity or its securities is based upon either: (1) the present value of an income stream generated by or attributable to the property being valued, (2) arms-length transactions of generally similar entities or securities, or (3) the aggregate value of the underlying assets. These three approaches are defined by the American Society of Appraisers as follows:

Income Approach - A general way of determining a value indication of a business, business ownership interest, or security using one or more methods wherein a value is determined by converting anticipated benefits. This approach is based on the fundamental valuation principle that the value of a business is equal to the present worth of the future benefits of ownership.

Market Approach - A general way of determining a value indication of a business, business ownership interest, or security using one or more methods that compare the subject to similar businesses, business ownership interests, or securities that have been sold.

Cost Approach - A general way of determining a value indication of a business' assets and/or equity interest using one or more methods based directly on the value of the assets of the business less liabilities.

The approaches and methods used depend upon the purpose of the engagement, type of business being valued, and the nature of the business being valued. In some cases, all three approaches may be called for; in others, only one may be appropriate.

APPRAISAL PROCEDURES AND VALUATION METHODS USED

A. Methods Used or Not Used on a Specific Basis

For our valuation, we considered the use of the following five valuation methods:

Income Approach – Discounted Cash Flow Method – This method is based on the premise that the value of a business, business ownership interest, or security interest is estimated by the present value of the future benefits of ownership.

Income Approach – Capitalization of Net Cash Flow Method – This method is based on the premise that the value of a business, business ownership interest, or security interest is estimated by dividing the expected business economic benefit, such as the seller's discretionary cash flow, by the capitalization rate.

Market Approach – Guideline Publicly Traded Company Method – This method is based on the premise that the value of the business, business ownership interest, or security interest is estimated based upon what astute and rational capital market investors would pay to own such an interest.

Market Approach – Guideline Merged and Acquired Company Method – This method is based on the premise that the value of the business, business ownership interest, or security interest is estimated by comparing the subject company to guideline companies that have been merged or acquired during a time period near the valuation date.

Cost (or Asset-Based) Approach – Adjusted Balance Sheet Method – The current values of all the subject company's assets is discretely estimated and accumulated. In addition, the current values of all of the subject company's liabilities are estimated. The value of the equity of the business enterprise is the current value of all of the assets of the subject company less the current value of all of the subject company's liabilities.

In our valuation, we used (1) the capitalization of net cash flow method – both adjusted historical cash flow and normalized single period (Income Approach), (2) the guideline publicly traded company method (Market Approach), and (3) the adjusted balance sheet (Cost Approach).

Michael, here is an analysis of the Superpumper transaction in 2010, from our attorney. As discussed Edward and I (through Snowshoe) also assumed a large obligation on the LOC at Compass (some 2.5 million dollars). Note that we already owned 20% of the company, hence the 80% acquisition value.

- 4.2 **Deposits of Collections.** For the duration of the Forbearance Period, Superpumper shall cause all collections of accounts receivable, all proceeds received by Superpumper from the sale of any of its assets, and any other income received by Superpumper (collectively, "**Superpumper's Income**") to be deposited into Superpumper's depository Account #2519846880 maintained at Lender, and in the name of Lender (the "**Superpumper Collection Account**"), within one (1) Business Day of receipt thereof by Superpumper, and Superpumper acknowledges and agrees that on each Business Day the full amount of the opening available balance in the Superpumper Collection Account, at the beginning of such Business Day, will be transferred by Lender and applied to the obligations of Superpumper owing to Lender under the Revolving Loan Agreement.
- 4.3 **Term Loan Principal Reduction Payments.** Superpumper shall pay to Lender, in readily available funds, two (2) principal reduction payments to be applied toward the unpaid principal balance of the Term Loan, each in the amount of \$200,000.00 (collectively, the "**Principal Reduction Payments**"). Superpumper shall pay the first Principal Reduction Payment on or before July 1, 2011, and shall pay the second Principal Reduction Payment on or before August 1, 2011. Lender's acceptance and application of the Principal Reduction Payments is not, and shall not be deemed to be, a waiver, release, or estoppel of Lender's right to demand, receive, and collect the balance of the Obligations and Indebtedness, as applicable, or any other sums due under the Loan Documents. Lender's acceptance of the Principal Reduction Payments shall not reinstate the Revolving Loan or the Term Loan, or operate to waive or cure the Existing Defaults or any other default which may now exist or later occur under the Loan Documents. Notwithstanding any provision of the Loan Documents, Superpumper's failure to pay either Principal Reduction Payment on the date on which it is due shall constitute an immediate Event of Default under each of the Loan Agreements.

- 4.4 **No Default.** No default or Event of Default, other than the Existing Defaults, occurs under either of the Loan Agreements or any of the other Loan Documents.

Upon any failure by Superpumper to perform and satisfy fully and to continue to perform and satisfy fully the conditions set forth in Sections 4.1 through 4.4 above, Superpumper acknowledges that Lender, may, in Lender's sole discretion, terminate the Forbearance Period upon written notice of the reason for termination. Upon termination or expiration of the Forbearance Period, Lender may exercise any and all rights available to Lender under the Loan Documents or any of them, at law, and in equity. Superpumper acknowledges and agrees that Lender shall have no obligation to extend the Forbearance Period beyond September 1, 2011.

5. **Extension Fee.** As a one-time accommodation to Borrower, Lender will not charge an extension fee in connection with this Agreement. Lender reserves its right to charge an extension or forbearance fee in the future, including without limitation, in connection with any further amendment of the Forbearance Agreement or in connection with any extension of the Forbearance Period.
6. **Amendment to Loan Documents.**
- 6.1 **Maturity Date.** The maturity date set forth in the Loan Agreements and the other Loan Documents is hereby extended to September 1, 2011.
7. **Acknowledgements.** Borrower hereby acknowledges, confirms, and agrees that:
- 7.1 As of July 1, 2011: (i) the total principal amount owing by Borrower under the Revolving Loan Agreement was Eight Hundred Fifty Four Thousand Thirty Seven and 39/100 Dollars (\$854,037.39), (ii) all amounts outstanding under the Revolving Loan Documents are immediately due and payable to Lender, (iii) all amounts (including, but not limited to, principal, interest and default interest accrued and accruing thereon, and fees, costs, expense and other charges) asserted to be due now or hereafter by Lender under the Revolving Loan Documents are justly and unconditionally due and owing to Lender without any defense of any kind, nature or description whatsoever of Borrower or any right of Borrower to set off, recoup, or counterclaim, and (iv) interest and default interest, fees, costs, expenses and other charges continue to accrue under the Revolving Loan Agreement and the other Revolving Loan Documents until all of the Indebtedness defined therein is indefeasibly paid to Lender in full by Borrower.
- 7.2 As of July 1, 2011: (i) the total principal amount owing by Borrower under the Term Loan Agreement was Two Million Five Hundred Eighty Seven Thousand Eight Hundred Ninety Six and 59/100 Dollars (\$2,587,896.59), (ii) all amounts outstanding under the Term Loan Documents are immediately due and payable to Lender, (iii) all amounts (including, but not limited to, principal, interest and

- 7.3 All amounts (including, but not limited to, principal, interest accrued and accruing thereon, and fees, costs, expense and other charges) asserted to be due now or hereafter by Lender under the Loan Documents (including, but not limited to, the Forbearance Agreement) are justly and unconditionally due and owing to Lender, without any defense of any kind, nature or description whatsoever of Borrower or any right of Borrower to set off, recoup, or counterclaim.
- 7.4 The Loan Documents are valid and enforceable in accordance with their respective terms, and are not subject to avoidance under applicable state law or federal law.

Borrower hereby confirms that all liens and security interests at any time granted by Borrower to Lender continue in full force and effect and secure and shall continue to secure the liabilities and Obligations and Indebtedness, as applicable, so long as any such liabilities or Obligations and Indebtedness remain outstanding, and that all property subject thereto remain free and clear of any liens or encumbrances other than (i) those in favor of Lender, (ii) those, if any, expressly permitted under the Forbearance Agreement, and (iii) liens, if any, expressly permitted in the Loan Agreements, and exhibits thereto. Nothing herein contained is intended to impair or limit in any way the validity, priority, and extent of Lender's existing security interest in and liens upon the Collateral.

- 7.7 Borrower has full authority and power to enter into, execute, deliver and perform this Amendment.
- 7.8 Borrower has had the opportunity to review this Amendment and to consult with counsel of its choosing with respect to this Amendment.
8. **Guarantor Consent.** Upon execution of this Amendment, Borrower will deliver to Lender the Consent And Agreement Of Guarantor form attached to this Agreement (the

"**Guarantor's Consent**") duly executed by Guarantor. Lender will accept Guarantor's signatures in pdf or facsimile upon execution of this Agreement, provided, however, that the original signature of Guarantor is delivered to Lender within five (5) Business Days of the date of this Amendment.

9. **Valid Liens.** Borrower hereby reaffirms and confirms the grant of the security interests and liens which it previously granted to Lender in the Loan Agreements and the other Loan Documents. Further, Borrower acknowledges and agrees that the liens, security interests, pledges, and assignments created by the Loan Documents are valid, effective, properly perfected and enforceable continuing first priority liens, security interests, pledges and assignments.
10. **Costs and Expenses.** Lender shall be entitled to charge and add to the amount owing by Borrower under the Loan Documents, all of Lender's costs and expenses (including, but not limited to, reasonable attorneys' fees) incurred in relation to the Existing Defaults, the Loan Documents, the Forbearance Agreement, and this Amendment, and any of the requirements stated herein. Lender has incurred, and will continue to incur, legal fees and costs with respect to the Forbearance Agreement (as amended by this Amendment) and the other Loan Documents, and Borrower is responsible under each of the Loan Agreements to pay such legal fees and costs.
11. **Release.**
 - 11.1 For the good and valuable consideration provided herein, Borrower hereby fully, finally, absolutely, and forever releases and discharges Lender and its present and former directors, shareholders, officers, employees, agents, representatives, attorneys, consultants, fiduciaries, predecessors, successors, assigns, and affiliates, related corporate divisions, and their separate and respective heirs, personal representatives, attorneys, successors, assigns, and affiliates (collectively, "**Released Parties**") from any and all actions, causes of action, claims, debts, damages, demands, liabilities, obligations, suits, judgments, executions, and expenses and any and all other claims, counterclaims, defenses, rights of set-off, demands and liabilities whatsoever (individually, a "**Claim**" and collectively, "**Claims**") of any and every character, now known or unknown, direct or indirect, contingent or matured, of whatever kind or nature, for or because of any matter or things done, omitted or permitted to be done by any of the Released Parties, at law or in equity: (i) in respect of each and all of the Loan Agreements, the Forbearance Agreement, this Amendment and the other Loan Documents and the actions or omissions of Lender in respect of each and all of the Loan Agreements, the Forbearance Agreement, this Amendment and the other Loan Documents, and (ii) arising from events occurring prior to and including the date of execution hereof.
 - 11.2 Borrower understands, acknowledges and agrees that the release set forth above may be pleaded as a full and complete defense and may be used as a basis for an

injunction against any action, suit or other proceeding which may be instituted, prosecuted or attempted in breach of the provisions of such release.

- 11.3 Borrower agrees that no fact, event, circumstance, evidence, or transaction which could now be asserted or which may hereafter be discovered shall affect in any manner the final, absolute, and unconditional nature of the release set forth above.
12. **Waiver of Claims.** Borrower waives and affirmatively agrees not to allege or otherwise pursue any or all defenses, affirmative defenses, counterclaims, claims, causes of action, set-offs, recoupments, or other rights that it may have to contest (i) any provision of the Loan Agreements or other Loan Documents, or (ii) Lender's liens and security interests in the Collateral under the Loan Documents.
13. **Covenant Not To Sue.** Borrower, on behalf of itself and its successors, assigns, and other legal representatives, hereby absolutely, unconditionally and irrevocably, covenants and agrees with and in favor of each Released Party that it will not sue (at law, in equity, in any regulatory proceeding or otherwise) any Released Party on the basis of any Claim released, remised and discharged by Borrower pursuant to Section 11 above. If Borrower or any of its successors, assigns or other legal representations violates the foregoing covenant, Borrower, for itself and its successors, assigns and legal representatives, agrees to pay, in addition to such other damages as any Released Party may sustain as a result of such violation, all attorneys' fees and costs incurred by any Released Party as a result of such violation.
14. **Continuing Effect.** Except as expressly modified in this Amendment, all of the provisions of the Loan Agreements, the Forbearance Agreement, and other Loan Documents shall remain in full force and effect, and nothing in this Amendment shall be, or shall be construed to be, a modification of any provision in the Loan Agreements, the Forbearance Agreement, or other Loan Documents. Further, nothing in this Amendment shall be, or be construed to be, a waiver or a modification of any right, power, or remedy of Lender under the Loan Agreements, the Forbearance Agreement, or other Loan Documents, and Lender hereby reserves all of its and Lender's rights and remedies under the Loan Agreements, the Forbearance Agreement, the other Loan Documents, and applicable law.
15. **General Provisions.**
- 15.1 **Further Assurances.** Borrower shall execute and deliver such further documents and do such things as in the judgment of Lender are necessary or desirable to effect the intent of this Amendment and to secure to Lender the benefits of all rights and remedies conferred upon them by the terms of this Amendment.
- 15.2 **Entire Agreement.** The Forbearance Agreement, as modified by this Amendment, constitutes the entire agreement and understanding of the parties with respect to the subject matter thereof and supersedes all prior written or oral

understandings and agreements between the parties in connection with its subject matter.

- 15.3 **Counterparts and Telecopy Execution.** This Amendment may be executed in counterpart, and any number of counterparts of this Amendment which have been executed by Lender and Borrower shall constitute a single original. Lender's attorney may integrate into one or more documents signature pages from documents executed in counterpart. Unless otherwise required by Lender, the telecopied or pdf signature of a person shall be deemed the original signature of that person and shall be binding for all purposes.
- 15.4 **Ratification.** Borrower and Lender hereby ratify and confirm the Forbearance Agreement, as amended by this Amendment, in all respects; and, except as expressly modified by this Amendment, the Forbearance Agreement shall remain in full force and effect.
- 15.5 **Governing Law.** This Amendment shall in all respects be governed by, and construed and enforced in accordance with the laws of the State of Arizona, except for its rules relating to conflicts of laws.

[Signatures appear on following page.]

IN WITNESS WHEREOF, the parties hereto have executed this Third Amendment to
Forbearance Agreement as of the day and year first above written.

RE: Loan Agreement dated as of March 9, 2010 (the "Loan Agreement") by and between Superpumper Properties, LLC ("Superpumper") and Compass Bank ("BBVA Compass")

Ladies and Gentlemen:

Reference is made to the Loan Agreement described above. Capitalized terms used herein without definition have the meaning ascribed to them in the Loan Agreement, as applicable.

Under the terms and conditions of the Loan Agreement, BBVA Compass made a term loan to Superpumper in the original principal amount of \$1,050,560.00 (the "Loan"), as evidenced by that certain Promissory Note dated March 9, 2010 executed by Superpumper in favor of BBVA Compass (the "Note"), and together with the Loan Agreement and all other agreements, documents, and instruments evidencing, securing or otherwise relating to the Loan Agreement, the "Loan Documents"). Payment and performance of Superpumper's obligations under the Loan Documents is guaranteed by Paul A. Morabito ("Guarantor") pursuant to that certain Unconditional Guaranty dated March 9, 2010.

We are in receipt of Guarantor's e-mail dated September 24, 2010 (the "9/24/10 Notice"). In the 9/24/10 Notice, Guarantor acknowledges that Superpumper is in default of several of the provisions contained in the Loan Documents (the "Acknowledged Events of Default"). In addition, Guarantor has advised BBVA Compass that the Acknowledged Events of Default have been triggered by the entry of an approximately \$75,000,000.00 judgment against Guarantor and other defendants.

As a result of the Acknowledged Events of Default: (i) BBVA Compass is entitled

to exercise its rights and remedies under the Loan Documents, at law and in equity, against Superpumper, Guarantor, and the collateral securing the amounts owed by Borrowers to BBVA Compass, and (ii) BBVA Compass is not obligated to make any advances available to Superpumper, and any advances made by BBVA Compass, on or after the date of this letter are made as an accommodation only, and the same do not constitute nor may be deemed to constitute a waiver by BBVA Compass of any of its rights or remedies under the Loan Documents, at law or in equity. BBVA Compass hereby reserves all rights and remedies under the Loan Documents, at law and in equity with regard to the foregoing Acknowledged Events of Default.

Superpumper and Guarantor have requested that BBVA Compass enter into discussions regarding a potential workout of the Loan. Although not obligated to do so, BBVA Compass is willing to enter into workout discussions regarding the Loan but only with the understanding that such discussions are non-binding in nature and that, notwithstanding the existence or content of any communication, including, but not limited to, any verbal conversations, by or between Superpumper, Guarantor, and BBVA Compass, or any of their representatives, regarding the Acknowledged Events of Default or any other default or Event of Default, no waiver, forbearance, loan modification, or other similar action by BBVA Compass with regard to such default or Event of Default will be effective unless the same has been reduced to writing and executed by an authorized representative of BBVA Compass, Superpumper, and every other entity deemed necessary or appropriate by BBVA Compass. To document this understanding, contemporaneously with this letter, BBVA Compass is sending a prenegotiation letter agreement to Superpumper for its review and signature.

Additional events may have occurred which would constitute defaults or, if uncured within any applicable cure periods, would constitute Events of Default. BBVA Compass hereby reserves the right to declare any such events as defaults or Events of Default, as applicable, at any time in the future and hereby reserves all of BBVA Compass's rights and remedies under the Loan Documents, at law and in equity, with regard thereto. Any failure to specify such events in this letter will not constitute a waiver of any default or Event of Default resulting from such events.

Any failure or delay by BBVA Compass in exercising any right, power, or remedy under the Loan Documents, at law or in equity, or any acceptance of partial performance or partial payment: (i) will not operate as a waiver of such right, power, or remedy, nor will any single or partial exercise of any such right, power, or remedy preclude any other or further exercise of such right, power, or remedy or the exercise of any other right, power, or remedy; and (ii) will not be sufficient, by itself or together with any other action or inaction by BBVA Compass, to establish a course of dealing or course of conduct by BBVA Compass upon which Superpumper or Guarantor are entitled to rely.
