CIVIL APPEALS

Electronically Filed
Dec 17 2020 10:54 a.m.
Elizabeth A. Brown
Clerk of Supreme Court

GENERAL INFORMATION

Appellants must complete this docketing statement in compliance with NRAP 14(a). The purpose of the docketing statement is to assist the Supreme Court in screening jurisdiction, identifying issues on appeal, assessing presumptive assignment to the Court of Appeals under NRAP 17, scheduling cases for oral argument and settlement conferences, classifying cases for expedited treatment and assignment to the Court of Appeals, and compiling statistical information.

WARNING

This statement must be completed fully, accurately and on time. NRAP 14(c). The Supreme Court may impose sanctions on counsel or appellant if it appears that the information provided is incomplete or inaccurate. *Id.* Failure to fill out the statement completely or to file it in a timely manner constitutes grounds for the imposition of sanctions, including a fine and/or dismissal of the appeal.

A complete list of the documents that must be attached appears as Question 27 on this docketing statement. Failure to attach all required documents will result in the delay of your appeal and may result in the imposition of sanctions.

This court has noted that when attorneys do not take seriously their obligations under NRAP 14 to complete the docketing statement properly and conscientiously, they waste the valuable judicial resources of this court, making the imposition of sanctions appropriate. See KDI Sylvan Pools v. Workman, 107 Nev. 340, 344, 810 P.2d 1217, 1220 (1991). Please use tab dividers to separate any attached documents.

NEVADA IN AND FOR THE COUNTY OF WASHOE; AND THE HONORABLE LYNNE K.

Docket No. 79118

7. Pending and prior proceedings in other courts. List the case name, number and court of all pending and prior proceedings in other courts which are related to this appeal (e.g., bankruptcy, consolidated or bifurcated proceedings) and their dates of disposition:
None.

8. Nature of the action. Briefly describe the nature of the action and the result below:

This action arises out of a dispute between Plaintiffs/Appellants employees and their employer Grand Sierra Resort ("GSR") regarding unpaid wages for all hours worked in violation of of NRS 608.140 and 608.016; Failure to Pay Minimum Wages in Violation of the Nevada Constitution; Failure to Pay Overtime Wages in Violation of NRS 608.140 and 608.018; and Failure to Timely Pay All Wages Due and Owing Upon Termination Pursuant to NRS 608.140 and 608.020-.050.

The Defendants/Appellees contend that Plaintiffs/Appellants claims are outside the statute of limitations, that an expired CBA provides otherwise for overtime, that some of the named plaintiffs must proceed via a grievance procedure under the expired CBA, and no discovery on the CBA is warranted.

The Second Judicial Court issued two Orders. The November 3, 2020 Granted Defendants Motion for Summary Judgment.

9. Issues on appeal. State concisely the principal issue(s) in this appeal (attach separate sheets as necessary):

The issues on appeal are from two Orders. The 6/7/19 Order granted in part and denied in part Defs' Mot. to Dismiss. Pls/Appellants appeal the Courts' decision that all of Pls. Capilla and Vaughan's claims, all but one (1) month of Pl. Martel's claims, and all but eighteen (18) months of Pl. Jackson-Williams' claims, were barred by a 2 year SOL.

The 11/3/20 Order granted Def's Mot. for Summary Judgment. Pls/Appellants appeal the Court's decisions that: (1) a 2-year SOL applies to all of Pls' NRS 608 claims, including Pls' NRS 608.040-.050 claims; (2)(a) the unsigned expired collective bargaining agreement was valid and operative, (b) the CBA "provides otherwise" for overtime such that NRS 608.018 does not apply, (c) Pl. Jackson-Williams could not represent union members without asserting the unions representatives breached their duty of fair representation; and (3) that the Pls. are not entitled to discovery on the validity of the CBA.

10. Pending proceedings in this court raising the same or similar issues. If you are aware of any proceedings presently pending before this court which raises the same or similar issues raised in this appeal, list the case name and docket numbers and identify the same or similar issue raised:

None.

11. Constitutional issues. If this appeal challenges the constitutionality of a statute, and the state, any state agency, or any officer or employee thereof is not a party to this appeal, have you notified the clerk of this court and the attorney general in accordance with NRAP 44 and NRS 30.130?

☒ N/A

☐ Yes

☐ No

If not, explain:

12. Other issues. Does this appeal involve any of the following issues?

☐ Reversal of well-settled Nevada precedent (identify the case(s))

☒ An issue arising under the United States and/or Nevada Constitutions

☐ A substantial issue of first impression

☐ An issue of public policy

☐ An issue where en banc consideration is necessary to maintain uniformity of this court's decisions

☐ A ballot question

If so, explain: One of Plaintiffs/Appellants' four causes of action is that the Defendant-employers failed to Pay Minimum Wages in Violation of Article 15 Section 16 o the Nevada Constitution.

13. Assignment to the Court of Appeals or retention in the Supreme Court. Briefly set forth whether the matter is presumptively retained by the Supreme Court or assigned to the Court of Appeals under NRAP 17, and cite the subparagraph(s) of the Rule under which the matter falls. If appellant believes that the Supreme Court should retain the case despite its presumptive assignment to the Court of Appeals, identify the specific issue(s) or circumstance(s) that warrant retaining the case, and include an explanation of their importance or significance:

This case is presumptively assigned to the Court of Appeals under NRAP 17(b)(7).

14. Trial. If this action proceeded to trial, how many days did the trial last? _____

Was it a bench or jury trial? _____

15. Judicial Disqualification. Do you intend to file a motion to disqualify or have a justice recuse him/herself from participation in this appeal? If so, which Justice?

**LIEN REQUESTED PURSUANT TO
NRS 608.050**

JURY TRIAL DEMANDED

COME NOW Plaintiffs EDDY MARTEL (also known as MARTEL-RODRIGUEZ),
MARY ANNE CAPILLA, JANICE JACKSON-WILLIAMS, and WHITNEY VAUGHAN

1 (“Plaintiffs”), on behalf of themselves and all others similarly situated, and hereby alleges
2 as follows:

3 All allegations in this Complaint are based upon information and belief except for
4 those allegations that pertain to the Plaintiffs named herein and their counsel. Each
5 allegation in this Complaint either has evidentiary support or is likely to have evidentiary
6 support after a reasonable opportunity for further investigation and discovery.

7 **JURISDICTION AND VENUE**

8 1. This Court has original jurisdiction over the state law claims alleged herein
9 because the amount in controversy exceeds \$15,000 and a party seeking to recover
10 unpaid wages has a private right of action pursuant to the Nevada Constitution, Article
11 15 Section 16, and Nevada Revised Statute (“NRS”) Chapter 608. *See Neville v. Eighth*
12 *Judicial Dist. Court, Terrible Herbst, Inc.*, 133 Nev. Adv. Op. 95, 406 P.3d 499 (Dec. 7,
13 2017). Plaintiffs made a proper demand for wages due pursuant to NRS 608.140 on
14 March 6, 2016.

15 2. Pursuant to NRS 608.050(2), the Nevada state district court has jurisdiction
16 to foreclose the lien for the wages alleged due herein on the place of employment, as
17 provided in NRS 108.221 to 108.246, inclusive.

18 3. Venue is proper in the Nevada state district court because one or more of
19 the Defendants named herein maintains its principal place of business, or otherwise is
20 found, in that judicial district, and the acts complained of herein occurred in Washoe
21 County, Nevada.

22 **PARTIES**

23 4. Plaintiff EDDY MARTEL (also known as MARTEL-RODRIGUEZ) is natural
24 person who is and was a resident of the State of Nevada at all times relevant herein and
25 was employed as an attendant in the Bowling Center by Defendants from on or about
26 January 2012 through on or about July 2014. Plaintiff Martel believes his last hourly rate
27 of pay was between \$8.25 and \$8.57. Defendants are the only Party in possession of
28 Plaintiff’s full schedule, pay, time, and employment records.

5. Plaintiff MARY ANNE CAPILLA is a natural person who is and was a resident of the State of Nevada at all times relevant herein and was employed as a dealer by Defendants from on or about March 2011 to on or about September 2013. Plaintiff Capilla believes her last hourly rate of pay was \$7.25. Defendants are the only Party in possession of Plaintiff's full schedule, pay, time, and employment records.

6. Plaintiff JANICE JACKSON-WILLIAMS is natural person who is and was a resident of the State of Nevada at all times relevant herein and was employed as a room attendant by Defendants from on or about April 2014 through on or about December 2015. Plaintiff Jackson-Williams believes her last hourly rate of pay was \$8.25. Defendants are the only Party in possession of Plaintiff's full schedule, pay, time, and employment records.

7. Plaintiff WHITNEY VAUGHAN is natural person who is and was a resident of the State of Nevada at all times relevant herein and was employed as a dancing dealer (part cards dealer, part go-go dancer) by Defendants from on or about August 2012 through on or about June 2013. Plaintiff Vaughan believes her last hourly rate of pay was \$8.25. Defendants are the only Party in possession of Plaintiff's schedule, pay, time, and employment records.

8. Defendant HG STAFFING, LLC, is a Nevada Limited Liability Company whose managing member is MEI-GSR HOLDINGS, LLC, located at 2500 East Second Street, Reno, NV 89585.

9. Defendant MEI-GSR HOLDINGS, LLC is a Nevada Limited Liability Company located at 2500 East Second Street, Reno, NV 89585. Defendants MEI-GSR HOLDINGS, LLC is doing business under the fictitious business name of Grand Sierra Resorts, or "GSR", which is located at 200 East Second Street, Reno, NV 89585.

10. Defendants, and each of them, are an employer under the provisions of Nevada Revised Statutes Chapter 608. For labor relations purposes, Defendants are each and together constitute the employer and/or joint employer of Plaintiffs and all Plaintiff class members (hereinafter referred to as "Class Members").

11. The identity of DOES 1-50 is unknown at this time and this Complaint will be amended at such time when the identities are known to Plaintiffs. Plaintiffs are informed and believe that each of Defendants sued herein as DOE is responsible in some manner for the acts, omissions, or representations alleged herein and any reference to "Defendant," "Defendants," or "GSR" herein shall mean "Defendants and each of them."

FACTUAL ALLEGATIONS

12. Plaintiffs were employed by Defendants as non-exempt hourly employees.

13. Plaintiff Jackson-Williams was scheduled for, and regularly worked, five (5) shifts per week, at least eight (8) hours per shift, and forty (40) hours per workweek and worked split shifts with less than 16-hours in between the end of one shift and the beginning of another shift ("jammed shift") especially during special events and busy periods such as, but not limited to, concerts, Burning Man, Hot August Nights, and Street Vibrations during the relevant time periods alleged herein. Defendants are the only Party in possession of Plaintiff's schedule, pay, time, and employment records.

14. Plaintiffs Martel, and Vaughan worked shifts over eight (8) hours per shift one or more times a week on a regular basis and worked jammed shifts especially during special events and busy periods such as, but not limited to, concerts Burning Man, Hot August Nights, and Street Vibrations during the relevant time periods alleged herein. Specific to Plaintiff Vaughan, because, dance classes were usually held on Saturday mornings and it was not unusual to be scheduled to work a full shift the Friday night into Saturday, then be required to attend dance class that same morning resulting in a jammed shift. Defendants are the only Party in possession of Plaintiffs' schedule, pay, time, and employment records.

15. At all times relevant herein, Defendants maintained the following policies, practices, and procedures of requiring various employees to perform work activities without compensation. This was achieved by either rounding hours so that employees who were technically "on the clock" did not receive pay for all their recorded hours

worked or by having employees perform work without being logged in to the timekeeping system. Indeed, Defendants maintain an unlawful rounding policy whereby it rounds the time recorded and worked by all hourly employees to the nearest 15 minutes for purposes of calculating payment of wages owed. Such rounding favors the employer and deprives the employees of pay for time they actually perform work activities.

16. At all times relevant herein, Defendants have been aware that their policies and practices of failing to fully compensate Plaintiffs and all others similarly situated for all hours worked was willful, oppressive, fraudulent, and illegal. Further, Defendants' practice as set forth herein is anti-competitive in that these illegal practices make one of Defendants' largest cost items, labor, lower than as compared to other casino/resort/hotel operators who comply with the labor laws of the State.

A. DEFENDANTS' CASH BANK POLICY

17. Defendants required employees who handle monetary transactions in the regular course of their employment to use or "carry" a cash bank. For example, the following job positions are some of the job positions that required employees to carry a cash bank: cashiers, bartenders, change persons, slot attendants, retail attendants, arcade attendants, and front desk agents.

18. Defendants required all employees who carry a cash bank to retrieve and deposit their respective cash bank both before and after the employees' regularly scheduled shifts without compensation. As an example of this policy, Named Plaintiff Martel was required to collect his bank of money at the dispatch cage prior to proceeding to his workstation and without compensation. Similarly, at the end of his regularly scheduled shifts, Plaintiff Martel was required to reconcile and deposit his cash bank to the same dispatch cage without compensation. Upon information and belief, Defendants required all employees who carry a cash bank in the performance of their work duties to retrieve their cash bank from the same dispatch cage pre- and post-shift without compensation.

19. Named Plaintiff Martel estimates it took him approximately 15 minutes to perform banking activities for which he was not paid the minimum, regular rate, or overtime wages required by law. Upon information and belief, all other GSR employees who carry a cash bank are similarly not compensated for the time in which they spend performing their banking activities.

20. As an example, only, Plaintiff Martel was employed from on or about January 25, 2012 through June 12, 2014 for approximately 443 shifts (3.56 shifts per week X 124.3 weeks = 443 shifts). See Exhibit 1 attached to the Toney Report, and attached as Exhibit 1 to this Complaint. One specific date where Plaintiff Martel conducted banking activities prior to clocking in and after clocking out is on May 28, 2013. Id. Although his shift was scheduled to start at 4:00 p.m. he picked up his bank at 3:42 p.m. Id. His shift ended at 12:00 a.m. on May 29, 2013 but did not drop off his bank until 12:03 a.m. Id. Because he conducted banking activities off the clock and without pay, he should have been paid for an additional, approximately 15 minutes of work time. Based on the data currently available to Plaintiffs, the additional 15 minutes of cash banking activities multiplied by 443 shifts equates to 110.8 hours of unpaid wages (15 minutes X 443 shifts = 6,645 minutes divided by 60 = 110.8 total pre-shift hours). Id. Based on a weighted overtime rate of \$9.62 (not all pre-shift activities resulted in overtime), Plaintiff Martel is owed \$1,065.90 in unpaid wages. Id. Based on a simple 10% interest rate from the time Plaintiff Martel should have been paid to January 31, 2019, he is owed an additional \$496.28 in interest. Because Plaintiff Martel is no longer employed by Defendants, he is also owed waiting time penalties in the amount of \$3,598.65 (7.27 hours per day X \$8.25 = \$59.98 X 60 = \$3,598.65). Thus, Plaintiff Martel is owed approximately \$5,160.83 for unpaid cash banking activities.

21. Upon information and belief, all other GSR employees who were similarly required to carry a cash bank were not compensated for the time in which they conducted banking activities. Based on a class list provided by Defendants for the

period of June 24, 2010 through April 21, 2014¹ (attached as Exhibit 2, hereto), there are approximately 587 class members. Based on the average weekly shift count and pay rates for Plaintiff Martel, extrapolated for the full class period, the putative Cash Bank Class Members are owed approximately \$700,927.63 in unpaid wages. Id. Additionally, 379 members of the Cash Bank Class are no longer employed as of April 21, 2014. Id. Thus, based on the failure to pay 379 class members all wages due and owing at the time of termination, formerly employed class members are owed an additional \$1,363,888.35 in waiting time penalties. Id. If termination rates remain steady for the full class period, it is estimated that the putative Cash Bank Class Members would be owed \$3,494,289.15 in waiting time penalties. Id. The total estimated damage amount due for the Cash Bank Class is \$4,195,216.78. Id.

22. Defendants are legally required to maintain the employment records for Plaintiff Martell and all putative Class Members who carried a cash bank. GSR is therefore in possession (or should be in possession) of the necessary scheduling, gate data (swipe in/out of the GSR property), punch data (clock in/out records), and pay data to demonstrate the exact amount of wages that Plaintiff Martell and all putative Class Members are owed and at the correct rate of pay those wages must be paid. Since Plaintiff was never compensated for the pre- and post-shift activities outlined herein, Plaintiff and all putative Cash Bank Class Members are owed compensation at the applicable hourly rate for each and every day they carried a cash bank.

B. DEFENDANTS' DANCE CLASS POLICY

23. Defendants required all employees who worked as a servetainer and/or dancing dealer to learn dance routines and attend rehearsals without compensation. If the employee did not attend dance classes, they would be taken off the schedule and written up for misconduct.

¹ Although the Class List provided spans the time period of June 24, 2019 through April 21, 2014, the Class period is limited to March 30, 2011 to the present, because the current owners, HG STAFFING, LLC, MEI-GSR HOLDINGS LLC purchased the property known as the Grand Sierra Resort ("GSR"), March 31, 2011.

24. When named Plaintiff Vaughan was a dancing dealer, she was required to attend dance classes of an hour or more, two to four times a week for which she was not paid her minimum, regular rate, or overtime wages. Additionally, dance classes were usually held on Saturday mornings and it was not unusual to be scheduled to work a full shift the Friday night into Saturday, then be required to attend dance class that same morning.

25. As an example, only, Plaintiff Vaughan was employed from on or about August 1, 2012 through June 13, 2013 for 46 weeks. See Exhibit 2 to the Toney Report. Upon information and belief, one specific date where Plaintiff attended dance classes off the clock occurred when Plaintiff Vaughan worked April 26, 2013 from 8:30 p.m. to April, 27, 2013 at 4:00 a.m. (7.5 hours), was required to attend dance class (2 hours), then worked from 8:15 p.m. on April 27, 2013, to 1:00 a.m. on April 28, 2013 (4.75 hours). See Exhibit 6. Because she was required to attend dance classes off the clock and without pay, she should have been paid for 2 hours. Based on the data currently available to Plaintiffs, the two hours per week of unpaid dance classes amounts to 92 hours (46 X 2 = 92). See Exhibit 2 to Toney Report. Ninety-two hours at Plaintiff Vaughan's straight-time rate of \$8.25 amounts to \$759.00 of unpaid wages. Id. Based on a simple 10% interest rate from the time Plaintiff Vaughan should have been paid to January 31, 2019, she is owed an additional \$428.08 in interest. Because Ms. Vaughan is no longer employed by Defendants, she is owed waiting time penalties equal to 60 days of wages in the amount of \$2,623.50 (average of 5.3 hours per shift, multiplied by \$8.25 = \$43.725 per day X 60 = \$2,623.50). Id. Thus, Plaintiff Vaughan is owed approximately \$3,810.58 for unpaid dance classes.

26. Upon information and belief, all other GSR employees who were similarly required to attend dance classes were not compensated for the required dance class time. Based on a class list provided by Defendants for the period of June 24, 2010 through April 21, 2014, there are approximately 48 class members. See Exhibit 2. Based on the average weekly shift count and pay rates for Plaintiff Vaughan,

1 extrapolated for the full class period, the putative Dance Class Members are owed
2 approximately \$143,081.40 in unpaid wages. See Exhibit 2 attached to the Toney
3 Report. Additionally, 21 members of the Dance Class are no longer employed as of
4 April 21, 2014. Id. Thus, based on the failure to pay 21 class members all wages due
5 and owing at the time of termination, formerly employed class members are owed an
6 additional \$55,093.50 in waiting time penalties. Id. If termination rates remain steady
7 for the full class period, it is estimated that the putative Dance Class Members would be
8 owed \$139,045.50 in waiting time penalties. Id. The total estimated damage amount
9 due for the Cash Dance Class is \$282,126.90. Id.

10 27. Defendants are legally required to maintain the employment records for
11 Plaintiff Vaughan and all putative Class Members who attended dance classes. GSR is
12 therefore in possession (or should be in possession) of the necessary scheduling, gate
13 data (swipe in/out of the GSR property), punch data (clock in/out records), and pay data
14 to demonstrate the exact amount of wages that Plaintiff Vaughan and all putative Dance
15 Class Members are owed and at the correct rate of pay those wages must be paid. Since
16 Plaintiff was never compensated for the dance classes outlined herein, Plaintiff and all
17 putative Dance Class Members are owed compensation at the applicable hourly rate for
18 each and every dance class they attended.

19 C. DEFENDANTS' ROOM ATTENDANT PRE-SHIFT POLICY

20 28. Defendants required all employees who worked as a room
21 attendant/housekeeper to engage in pre-shift work activities off the clock and without
22 compensation. Room attendants were required to arrive 20 minutes or more prior to
23 their regularly scheduled start time to present themselves to their shift supervisors for
24 room/floor assignments, a uniform inspection, and to retrieve tools necessary to
25 complete their work tasks, including but not limited to filling their caddies with room
26 amenities, and their cleaning carts. These tasks were completed off the clock and
27 without compensation.

29. As an example, only, Plaintiff Jackson-Williams² was employed from on or about April 9, 2014 through December 31, 2015 for approximately 90.3 weeks. See Exhibit 3 attached to the Toney Report. She alleges she worked an average of five shifts per week or 452 shifts ($90.3 \times 5 = 451.5$). She also alleges that each and every shift she worked during her 90.3 weeks of employment, she was required to work approximately twenty (20) minutes each and every shift of unpaid pre-shift time amounting to 150.7 hours ($452 \times 20 \text{ minutes} = 9,040 \text{ minutes}$, divided by 60 = 150.7 hours). One-hundred fifty point seven hours multiplied by the overtime rate of \$12.375 ($\$8.25 \times 1.5 = \12.375) equates to \$1,864.91 in unpaid wages. Id. Based on a simple 10% interest rate from the time Plaintiff Jackson-Williams should have been paid to January 31, 2019, she is owed an additional \$561.34 in interest. Id. Because Ms. Jackson-Williams is no longer employed by Defendants, she is owed waiting time penalties equal to 60 days of wages in the amount of \$3,960.00 (average of 8 hours per shift, multiplied by $\$8.25 = \66.00 per day $\times 60 = \$3,960.00$). Id. Thus, Plaintiff Jackson-Williams is owed \$6,386.25 for unpaid pre-shift activities. Id.

30. Named Plaintiff Jackson-Williams was required to complete these work tasks each and every shift worked and was not paid her minimum, regular rate, or overtime wages. Based on her knowledge and belief all employees who were similarly employed as room attendants/housekeepers followed the same policy and procedure as mandated by Defendants. Upon information and belief, all other GSR employees who were similarly employed as room attendants were not compensated for the required pre-shift time. Based on a class list provided by Defendants for the period of June 24,

² Plaintiff Jackson-Williams is not in possession, custody or control of any of her schedules, time, or pay data, however she was scheduled to work and did work five shifts per week. Defendants are legally required to maintain the employment records for Plaintiff Jackson-Williams and all putative Room Attendant Class Members. GSR is therefore in possession (or should be in possession) of the necessary scheduling, gate data (swipe in/out of the GSR property), punch data (clock in/out records), and pay data to demonstrate the exact amount of wages that Plaintiff Jackson-Williams and all putative Room Attendant Class Members are owed and at the correct rate of pay those wages must be paid.

2010 through April 21, 2014, there are approximately 217 class members. See Exhibit 2. Based on the average weekly shift count and pay rates for Plaintiff Jackson-Williams, extrapolated for the full class period, the putative Room Attendant Class Members who were employed fulltime, are owed approximately \$1,109,860.54 in unpaid wages. See Exhibit 3 attached to the Toney Report. Additionally, 83 members of the Room Attendant Class are no longer employed as of April 21, 2014. Id. Thus, based on the failure to pay 83 class members all wages due and owing at the time of termination, formerly employed class members are owed an additional \$328,680.00 in waiting time penalties. Id. If termination rates remain steady for the full class period, it is estimated that the putative Room Attendant Class Members would be owed \$839,520.00 in waiting time penalties. Id. The total estimated damage amount due for the Room Attendant Class is \$1,949,380.54.³ Id.

31. Defendants are legally required to maintain the employment records for Plaintiff Jackson-Williams and all putative Room Attendant Class Members. GSR is therefore in possession (or should be in possession) of the necessary scheduling, gate data (swipe in/out of the GSR property), punch data (clock in/out records), and pay data to demonstrate the exact amount of wages that Plaintiff Jackson-Williams and all putative Room Attendant Class Members are owed and at the correct rate of pay those wages must be paid. Since Plaintiff was never compensated for the pre-shift work activities outlined herein, Plaintiff and all putative Room Attendant Class Members are owed compensation at the applicable hourly rate for each and every shift worked.

D. DEFENDANTS' PRE-SHIFT MEETING POLICY

32. Defendants required all employees who worked as cocktail waitresses, bartenders, dealers, security guards, technicians, construction workers, and retail

³ This figure is limited to full-time employed room attendants and does not take into account the part-time room attendants who were also required to complete work activities off the clock and without compensation. See Exhibit 3. Part-time employees for the period of March 30, 2011 through January 31, 2019 have damage ranges from \$960,347.03 to \$1,037,708.10. Id.

1 attendants to attend a pre-shift meeting without compensation. The pre-shift meetings
2 were held in order to instruct employees on job duties, special events in the area and at
3 the GSR, occupancy, and other job related information. Pre-shift meetings could take
4 10 minutes or more and were either held off the clock or during the period of time that
5 was improperly rounded off of employees' time cards.

6 33. As an example, only, Plaintiff Capilla was employed from on or about
7 March 23, 2011 through September 9, 2013 for approximately 128.9 weeks. See Exhibit
8 4 attached to the Toney Report. Because she was required to attend pre-shift meeting
9 off the clock and without pay, she should have been paid for an additional 10 minutes
10 of compensable work time in addition to her regular work hours. Based on the data
11 currently available to Plaintiffs, she worked an average of 3.82 shifts per week or 493
12 shifts ($3.82 \times 128.9 = 493$). Id. Ten minutes multiplied by 493 shifts equates to 82.2
13 hours of unpaid pre-shift meeting work ($10 \times 493 = 4,930$ divided by 60 = 82.16 hours).
14 Id. Eighty-two hours multiplied by the weighted rate of \$8.47 (not all hours worked were
15 overtime hours) equates to \$696.23 in unpaid wages due ($\$8.47 \times 82.2 = \696.23).
16 Based on a simple 10% interest rate from the time Plaintiff Jackson-Williams should
17 have been paid to January 31, 2019, she is owed an additional \$375.96 in interest. Id.
18 Because Ms. Capilla is no longer employed by Defendants, she is owed waiting time
19 penalties equal to 60 days of wages in the amount of \$3,001.50 (average of 6.9 hours
20 per shift $\times \$7.25 = \$50.03 \times 60 = \$3,001.50$). Id. Thus, Plaintiff Capilla is owed
21 approximately \$4,073.69 for unpaid pre-shift meetings. Id.

22 34. As an example, only, Plaintiff Martel was employed from on or about
23 January 25, 2012 through June 12, 2014 for approximately 124.3 weeks. See Exhibit 4
24 attached to the Toney Report. Because he was required to attend pre-shift meetings off
25 the clock and without pay, he should have been paid for an additional 10 minutes of
26 compensable work time in addition to his regular hours. Based on the data currently
27 available to Plaintiffs, he worked an average of 3.56 shifts per week or 443 shifts (3.56
28 $\times 124.3 = 443$). Ten minutes multiplied by 443 shifts equates to 73.8 hours of unpaid

pre-shift meeting work ($10 \times 443 = 4,430$ divided by $60 = 73.8$ hours). Id. Seventy-three point 8 hours multiplied by the weighted rate of \$9.62 (not all hours worked were overtime hours) equates to \$709.96 in unpaid wages due ($\$9.62 \times 73.8 = \709.96). Based on a simple 10% interest rate from the time Plaintiff Martel should have been paid to January 31, 2019, he is owed an additional \$383.38 in interest. Id. Because Mr. Martel is no longer employed by Defendants, he is owed waiting time penalties equal to 60 days of wages in the amount of \$3,598.65 (average of 7.27 hours per shift, multiplied by $\$8.25 = \59.98 per day $\times 60 = \$3,598.65$). Id. Thus, Plaintiff Martel is owed approximately \$4,691.99 for unpaid pre-shift meetings. Id.

35. Named Plaintiffs Capilla and Martel were required to attend these pre-shift meetings without compensation and for which they were not paid their minimum, regular rate, or overtime wages. Based on their knowledge and belief all employees who were similarly employed as dealers, cocktail waitresses, baristas, security guards, bartenders, and retail attendants followed the same policy and procedure as mandated by Defendants. Upon information and belief, all other GSR employees who were similarly required to attend pre-shift meetings were not compensated for the required pre-shift time. Based on a class list provided by Defendants for the period of June 24, 2010 through April 21, 2014, there are approximately 609 class members. See Exhibit 2. Based on the average weekly shift count and pay rates for Plaintiff Capilla and Plaintiff Martel, extrapolated out for the entire class period, the putative Pre-Shift Meeting Class Members are owed approximately \$571,434.92 in unpaid wages. See Exhibit 4 to the Toney Report. Additionally, 417 members of the Pre-Shift Class are no longer employed as of April 21, 2014. Id. Thus, based on the failure to pay 417 class members all wages due and owing at the time of termination, formerly employed class members are owed an additional \$1,371,396.24 in waiting time penalties. Id. If termination rates remain steady for the full class period, it is estimated that the putative Pre-Shift Class Members would be owed \$3,512,352.96 in waiting time penalties. Id. The total estimated damage amount due for the Cash Bank Class is \$4,083,787.88. Id.

36. Defendants are legally required to maintain the employment records for Plaintiffs Capilla and Martel and all putative Pre-Shift Meeting Class Members. GSR is therefore in possession (or should be in possession) of the necessary scheduling, gate data (swipe in/out of the GSR property), punch data (clock in/out records), and pay data to demonstrate the exact amount of wages that Plaintiffs Capilla and Martel and all putative Pre-Shift Meeting Class Members are owed and at the correct rate of pay those wages must be paid. Since Plaintiff was never compensated for the pre-shift work activities outlined herein, Plaintiffs and all putative Pre-Shift Class Members are owed compensation at the applicable hourly rate for each and every shift worked.

E DEFENDANTS' UNIFORM POLICY

37. Defendants required all employees who worked as dancing dealers, cocktail waitresses, and baristas to change into and out of their uniforms on the GSR premises without compensation.

38. Named Plaintiff Vaughan was required to change into and out of her uniform on the GSR premises without compensation and for which she was not paid her minimum, regular rate, or overtime wages. Changing into and out of uniforms could take 15 minutes or more and employees either changed off the clock and/or were changing during the period of time that was improperly rounded off of employees' time cards.

39. As an example, only, Plaintiff Vaughan was employed from on or about August 1, 2012 through June 13, 2013 for 45.3 weeks or approximately 95 shifts ($45.3 \times 2.1 = 95.13$). See Exhibit 5 attached to the Toney Report. Upon information and belief, one specific date where Plaintiff attended dance classes off the clock occurred when Plaintiff Vaughan worked April 26, 2013 from 8:30 p.m. to April, 27, 2013 at 4:00 a.m. (7.5 hours), was required to attend dance class (2 hours), then worked from 8:15 p.m. on April 27, 2013, to 1:00 a.m. on April 28, 2013 (4.75 hours). See Exhibit 6 to Toney Report. Because she was required to engage in uniform changing on premises and off the clock and without pay, she should have been paid for 15 minutes of additional work time. Fifteen minutes per shift of unpaid uniform changing time per shift amounts

to 23.8 hours ($95 \times 15 = 1,425$ divided by $60 = 23.75$). See Exhibit 5 attached to the Toney Report. Twenty-three point seven-five hours at Plaintiff Vaughan's weighted wage rate of \$8.46 (not all hours were overtime hours) amounts to \$201.35 of unpaid wages ($23.75 \times \$8.46 = \201.35). Id. Based on a simple 10% interest rate from the time Plaintiff Martel should have been paid to January 31, 2019, he is owed an additional \$113.76 in interest. Id. Because Ms. Vaughan is no longer employed by Defendants, she is owed waiting time penalties equal to 60 days of wages in the amount of \$2,623.50 (average of 5.3 hours per shift, multiplied by $\$8.25 = \43.725 per day $\times 60 = \$2,623.50$). Id. Thus, Plaintiff Vaughan is owed approximately \$2,938.61 for unpaid uniform changing activities. Id.

40. Based on Plaintiff Vaughan's knowledge and belief all employees who were similarly employed as dancer dealers, cocktail waitresses, and baristas followed the same policy and procedure mandated by Defendants. Upon information and belief, all other GSR employees who were similarly required to change in to and out of uniforms on the GSR premises were similarly not paid. Based on a class list provided by Defendants for the period of June 24, 2010 through April 21, 2014, there are approximately 240 class members. See Exhibit 2. Based on the average weekly shift count and pay rates for Plaintiff Vaughan, the putative Uniform Class Members are owed approximately \$50,970.65 in unpaid wages. See Exhibit 5 to the Toney Report. Additionally, 157 members of the Uniform Class are no longer employed as of April 21, 2014. Id. Thus, based on the failure to pay 157 class members all wages due and owing at the time of termination, formerly employed class members are owed an additional \$411,889.50 in waiting time penalties. Id. If termination rates remain steady for the full class period, it is estimated that the putative Uniform Class Members would be owed \$1,054,647.00 in waiting time penalties. Id. The total estimated damage amount due for the Uniform Class is \$1,197,561.78. Id.

41. Defendants are legally required to maintain the employment records for Plaintiff Vaughan and all putative Uniform Members. GSR is therefore in possession (or

1 should be in possession) of the necessary scheduling, gate data (swipe in/out of the
2 GSR property), punch data (clock in/out records), and pay data to demonstrate the exact
3 amount of wages that Plaintiff Vaughan and all putative Uniform Class Members are
4 owed and at the correct rate of pay those wages must be paid. Since Plaintiff was never
5 compensated for the uniform changing activities outlined herein, Plaintiff and all putative
6 Uniform Class Members are owed compensation at the applicable hourly rate for each
7 and every shift worked.

8 **F. DEFENDANTS' SHIFT JAMMING POLICY**

9 42. In addition to requiring employees to perform work activities without
10 compensation, Defendants engaged in the unlawful practice known as "shift-jamming."

11 43. Pursuant to NRS 608.018(1), employees who are paid less than one and
12 one half times the minimum wage must be paid daily overtime if they work more than 8
13 hours a day (or 10 hours in a day if they are on a recognized and agreed upon 4-10
14 workweek—four days a week at ten hours a day).

15 44. NRS 608.0126 defines a "Workday" as a period of 24 consecutive hours,
16 which begins when the employee begins work.

17 45. Upon information and belief, Defendants did not offer health insurance to
18 qualify for the lower minimum wage for insured employees.

19 46. Thus, hourly employees paid less than \$12.375 who the Defendants
20 required, suffered or permitted to return to work before the expiration of 16 hours
21 between when they last worked for the employer and started their next shift, must be
22 paid at overtime rates until the end of that workday.

23 47. Defendants routinely required employees who were entitled to daily
24 overtime to return to work sooner than 16 hours from when they last worked, whether it
25 to be for their normal job duties or a special event, during high occupancy periods such
26 as for concerts, Burning Man, Hot August Nights, and Street Vibrations, or mandatory
27 meetings, without paying the proper overtime rate.

28

48. Plaintiffs were scheduled to and did work shifts with less than 16 hours between the end of one shift and the beginning of the next without being paid overtime premium for hours worked over eight in a workday.

49. As an example, only, Plaintiff Martel was employed from on or about January 25, 2012 through June 12, 2014. Where KRONOS (time) data is available, he worked approximately 101 weeks. See Exhibit 6 attached to the Toney Report. For instance, Plaintiff Martel worked from 6:45 p.m. on August 10, 2013 to 4:15 a.m. on August 11, 2013 (8.0 hours). Id. He then worked 4:00 p.m. on August 11, 2013 to 12:30 a.m. on August 12, 2013 (8.0 hours). Because he was required to return to work before he received 16 hours off between the end of his first shift and the beginning of the next, he worked a jammed shift. The available KRONOS clock time contains 362 shifts. Id. Of the analyzed shifts, a shift jam was observed in 37 shifts or 10% of the time. Id. Of the jammed shifts, 21 or 6% resulted in unpaid overtime premium due. Id. When an overtime impact existed, the average overtime hour amount was 1.52. Id. The total shift jam hours with overtime premium due is 21 shifts, resulting in an underpayment of 31.9 hours (21 shifts X 1.52 hours = 31.9 hours). Id. Thus, Plaintiff Martel is due and additional \$138.77 in unpaid overtime premium (31 X \$4.13 (half-time rate) = \$131.75). Id. Based on a simple 10% interest rate from the time Plaintiff Martel should have been paid to January 31, 2019, he is owed an additional \$67.19 in interest. Id. Because Mr. Martel is no longer employed by Defendants, he is owed waiting time penalties equal to 60 days of wages in the amount of \$3,598.65 (average of 7.27 hours per shift, multiplied by \$8.25 = \$59.98 per day X 60 = \$3,598.65). Id. Thus, Plaintiff Martel is owed approximately \$3,797.59 for jammed shifts. Id.

50. As an example, only, Plaintiff Vaughan was employed from on or about August 1, 2012 through June 13, 2013. Where KRONOS (time) data is available, she worked approximately 45.3 weeks. See Exhibit 6 attached to the Toney Report. Upon information and belief, one specific date where Plaintiff attended dance classes off the clock occurred when Plaintiff Vaughan worked April 26, 2013 from 8:30 p.m. to April 27,

2013 at 4:00 a.m. (7.5 hours), was required to attend dance class (2 hours), then worked from 8:15 p.m. on April 27, 2013, to 1:00 a.m. on April 28, 2013 (4.75 hours). Id. Because she was required to change and attend dance classes off the clock and without pay, and did not receive 16 hours off between the end of her first shift and the beginning of the next, she worked a jammed shift. The available KRONOS clock time contains 95 shifts. Id. Of the analyzed shifts, a shift jam was observed in 8 shifts or 9% of the time. Id. Of the jammed shifts, 4 resulted in unpaid overtime premium due. Id. When an overtime impact existed, the average overtime hour amount was 1.12. Id. The total shift jam hours with overtime premium due is 8 shifts, resulting in an underpayment of 9.0 hours (8 shifts X 1.12 hours = 9.0 hours). Id. Thus, Plaintiff Vaughan is due and additional \$37.17 in unpaid overtime premium (9 X \$4.13 (half-time rate) = \$37.17). Id. Based on a simple 10% interest rate from the time Plaintiff Vaughan should have been paid to January 31, 2019, she is owed an additional \$21.00 in interest. Id. Because Ms. Vaughan is no longer employed by Defendants, she is owed waiting time penalties equal to 60 days of wages in the amount of \$2,623.50 (average of 5.3 hours per shift, multiplied by \$8.25 = \$43.725 per day X 60 = \$2,623.50). Id. Thus, Plaintiff Vaughan is owed approximately \$2,681.67 for jammed shifts. Id.

51. Defendants have admitted that they did not pay employees for jammed shifts for the period of time between November 4, 2011 and July 11, 2014 for “certain team members.” See Exhibit 3 attached, hereinafter “Audit Letter.”

52. It is not possible for Plaintiff to estimate class damages because Defendants are the sole Party in this action who have access to the relevant schedule, time, and pay data required to conduct further analysis. Defendants are legally required to maintain the employment records for Plaintiffs Martell and Vaughan and all putative Shift Jamming Class Members. GSR is therefore in possession (or should be in possession) of the necessary scheduling, gate data (swipe in/out of the GSR property), punch data (clock in/out records), and pay data to demonstrate whether or not employees were subject to a jammed shift and whether or not these Class Members

received proper overtime premium pay. The claim for unpaid overtime wages pursuant to Defendants' shift jamming policy is only brought on behalf of employees who are not covered by a valid and effective collective bargaining agreement.

CLASS ACTION ALLEGATIONS

53. Plaintiffs reallege and incorporate by this reference all the paragraphs above in this Complaint as though fully set forth herein.

54. Plaintiffs seek to represent the following classes of employees in Defendants' employ during the relevant time period⁴:

A. **Cash Bank Class:** All Nevada residents who were employed by Defendants at the time of filing the original complaint in this action and who were required to carry a cash bank and performed banking activities without compensation, including (but not limited to), cashiers, bartenders, slot attendants, retail attendants, change attendants, and front desk agents, at any time from March 31, 2011 to the present⁵;

B. **Dance Class:** All Nevada residents who were employed by Defendants at the time of filing the original complaint in this action and who were

⁴ On June 21, 2013 Plaintiffs Tiffany Sargent and Bailey Cryderman filed a proposed class action for failure to pay wages due and owing in the Second Judicial District Court of the State of Nevada in and for the County of Washoe. (See CV13 01351.) Defendants removed that action to the United States District Court District of Nevada on August 22, 2013. Plaintiffs' claims asserted in the instant Complaint were dismissed prior to being certified as a class action on January 12, 2016. The Nevada Supreme Court grants equitable tolling for all putative class members. Golden Coin, Ltd., 124 Nev. at 34, 176 P.3d at 275 ("[C]lass actions brought under NRCP 23 toll the statute of limitations on all potential unnamed plaintiffs' claims[.]"); see also Allen v. KB Home Nevada, Inc., 2013 WL 8609775 (Nev. Dist. Ct. July 25, 2013) (It is determined that pursuant to *Jane Roe Dancer I-VII v. Golden Coin, Ltd.*, 124 Nev. 28, 176 P.3d 271 (2008), that based on the complaint filed on December 2, 2008, which alleges class action status as a remedy, the statute of limitations and/or repose is tolled for all putative class members." (citations omitted)). Accordingly, pursuant to Golden Coin tolling, Plaintiffs and putative class members' wage claims go back to June 21, 2010, three years prior to the original filing of the Sargent action.

⁵ The current owners, HG STAFFING, LLC, MEI-GSR HOLDINGS LLC purchased the property known as the Grand Sierra Resort ("GSR"), March 31, 2011.

required to attend dance classes without compensation at any time from March 31, 2011 to the present;

C. **Room Attendant Class:** All Nevada residents who were employed by Defendants at the time of filing the original complaint in this action and who were employed as room attendants and were required to perform pre-shift work activities without compensation at any time from March 31, 2011 to the present;

D. **Pre-shift Meeting Class:** All Nevada residents who were employed by Defendants at the time of filing the original complaint in this action and who were required to attend pre-shift meetings without compensation, including (but not limited to), cocktail waitresses, bartenders, dealers, security guards, technicians, construction workers, and retail attendants, at any time from March 31, 2011 to the present.

E. **Uniform Class:** All Nevada residents who were employed by Defendants at the time of filing the original complaint in this action and who were employed as cocktail waitresses and/or baristas and were required to change into and out of their uniforms on property without compensation at any time from March 31, 2011 to the present.

F. **Shift Jamming Class:** All Nevada residents who were employed by Defendants at the time of filing the original complaint in this action and who were employed by Defendants as non-exempt hourly paid employees and were not covered by a valid and effective collective bargaining agreement and who worked subjected to Defendants' shift jamming policy.

55. Class treatment is appropriate in this case for the following reasons:

A. The Class is Sufficiently Numerous⁶: Upon information and belief, Defendants employ, and have employed, at least 587 Cash Bank Class Members; at least 48 Dance Class Members; at least 217 Room Attendant Class Members;

⁶ Plaintiffs base the approximate class members on number of employees who hold and/or held the positions encompassed by the subclasses, which were provided as part of the Master Class List in the *Sargent* case attached as Exhibit 2.

1 at least 609 Pre-Shift Meeting Class Members; at least 240 Uniform Class; and
2 approximately 200 Shift Jamming Class Members.

3 B. Plaintiffs' Claims are Typical to Those of Fellow Class Members:
4 Each Class Member is and was subject to the same practices, plans, or policies
5 as Plaintiffs—Defendants required Plaintiffs to work “off the clock” and without
6 compensation; Defendants’ engaged in improper shift jamming; and Defendants
7 failed to pay wages due and owing at the time of separation of employment.

8 C. Common Questions of Law and Fact Exist: Common questions of
9 law and fact exist and predominate as to Plaintiffs and the Class, including,
10 without limitation: Whether the time spent by Plaintiffs and Class Members
11 engaging in the alleged “off-the-clock” work is compensable under Nevada law;
12 whether Defendants’ engaged in improper shift jamming; and whether Defendants
13 failed to pay wages due and owing at the time of separation of employment.

14 D. Plaintiffs are Adequate Representatives of the Class: Plaintiffs will
15 fairly and adequately represent the interests of the Class because Plaintiffs are
16 members of the Classes, they have issues of law and fact in common with all
17 members of the Class, and they do not have interests that are antagonistic to
18 Class Members.

19 E. Predominance/Superiority: Class issues predominate, and a class
20 action is superior to other available means for the fair and efficient adjudication of
21 this controversy, since individual joinder of all members of the Class is impractical.
22 Class action treatment will permit a large number of similarly situated persons to
23 prosecute their common claims in a single forum simultaneously, efficiently, and
24 without unnecessary duplication of effort and expense. Furthermore, the
25 expenses and burden of individualized litigation would make it difficult or
26 impossible for individual members of the Class to redress the wrongs done to
27 them, while an important public interest will be served by addressing the matter
28

as a class action. Individualized litigation would also present the potential for inconsistent or contradictory judgments.

FIRST CAUSE OF ACTION

Failure to Pay Wages for All Hours Worked in Violation of NRS 608.140 and 608.016
(On Behalf of All Plaintiffs and the Cash Bank, Dance, Room Attendant, Pre-shift

14 enforce the provisions of this section and shall be entitled to all remedies available under
15 the law or in equity appropriate to remedy any violation of this section, including but not
16 limited to back pay, damages, reinstatement or injunctive relief. An employee who

7 Meeting, Uniform, and Shift Jamming Classes Against All Defendants)

8 51. Plaintiffs reallege and incorporate by this reference all the paragraphs

23 unpaid wages.

24 60. NRS 608.020 provides that “[w]henver an employer discharges an
25 employee, the wages and compensation earned and unpaid at the time of such

28 who fails to pay a discharged or quitting employee: “Within 3 days after the wages or

1 compensation of a discharged employee becomes due; or on the day the wages or
2 compensation is due to an employee who resigns or quits, the wages or compensation
3 of the employee continues at the same rate from the day the employee resigned, quit,
4 or was discharged until paid for 30-days, whichever is less.”

5 62. NRS 608.050 grants an “employee lien” to each discharged or laid-off
6 employee for the purpose of collecting the wages or compensation owed to them “in the

Re: EDDY MARTEL (also known as MARTEL-RODRIGUEZ) vs. HG STAFFING, LLC, MEI-GSR HOLDINGS LLC
d/b/a GRAND SIERRA RESORT
Case No. CV16-01264

Dear Ms. Jones,

Per your request, I have reviewed documentation related to the hours worked in the Grand Sierra Resort or "GSR" matter.

Partial data provided includes: class lists which contained employment dates for each group for the time period March 30, 2011 through April 21, 2014; partial Time Clock Plus and Kronos time records, partial cage dispatch records, and partial related pay rates. The analysis requested included the following three components:

- Calculate unpaid hours tied to required off-the-clock work
- Calculate unpaid premium hours related to required off-the-clock work
- Waiting Time Penalties for terminated employees

Within this report, calculations for both the employment weeks and average shifts worked per week will be provided for specific class members. The Class Member data will be used to extrapolate damages to the full group provided in the class lists.

Per Plaintiff's allegation, additional pay is required for time spent on work activities that were not compensated. The following six groups were impacted by working off-the-clock hours.

- Cash Bank Employees – 15 minutes per shift
- Dance Class – 2 hours per week
- Pre-Shift Housekeeping – 20 minutes
- Pre-Shift Meetings – 10 minutes per shift
- Uniform Donning – 15 minutes per shift
- Shift Jamming

Damages for the class will be calculated for two periods.

- March 30, 2011 – April 21, 2014 – the end date is based on the final employee termination available in the class list data.
- March 30, 2011 – January 31, 2019 – the end date is the end of the current month. Amounts are based on the data observed in the class lists provided.

Documents Reviewed

The following documents were provided by Plaintiff's attorney and were used in preparing the opinions and conclusions within the report. It should be noted that the data is incomplete and does not include full pay data for any of the named parties, potential class members, and nor does it encompass the full class period for time punch data.

Jackson-Williams worked an average of 5.0 shifts per week over her employment period which spanned 90.3 weeks. Damages and penalties were calculated for J. Jackson-Williams and for the full class and are provided in **Exhibit 3**

Below are the total amounts for both J. Jackson-Williams and the full class. The full class is comprised of both full and part time employees. The full-time employees are assumed to work 5 shifts a week whereas the part time employees work between 1 and 4 shift a week.

Calculation of Pre-Shift Meeting Damages

Employees attended 10 minutes meetings, prior to their clock in, for each shift. Based on a review of KRONOS data, M. Capilla and E. Martel- Rodriguez worked an average of 3.7 shifts per week over their employment periods which spanned 128.9 weeks for Ms. Capilla and 124.3 weeks for Mr. Martel-Rodriguez. Damages and penalties were calculated for Ms. Capilla and Mr. Martel-Rodriguez and for the full class and are provided in **Exhibit 4**. Below are the total amounts for Ms. Capilla, Mr. Martel-Rodriguez and the full class.

- M. Capilla - \$4,073.69
- E. Martel Rodriguez - \$4,691.99
- Full Class for the period March 30, 2011 through January 31, 2019 - \$4,083,787.88

Calculation of Uniform Donning Damages

Uniform donning employees worked 15 minutes per shift before their clock in punch. Based on a review KRONOS data, W. Vaughn worked an average of 2.1 shifts per week over her employment period which spanned 45.3 weeks. Damages and penalties were calculated for Ms. Vaughan and for the full class and are provided in **Exhibit 5**. Below are the total amounts for both Ms. Vaughan and the full class.

- W. Vaughan - \$2,938.61
- Full Class for the period March 30, 2011 through January 31, 2019 - \$1,197,561.78

Calculation of Shift Jamming Damages

Kronos records were reviewed for E. Martel-Rodriguez and W. Vaughan with a focus on shift jamming. Shift Jamming, that resulted in a need for overtime payments, occurred in 6% of the shifts for Mr. Martel-Rodriguez and in 8% of the shifts for W. Vaughan. The calculation of amounts owed for these shifts are provided in **Exhibit 6**. No calculation was made for the class as information was not provided to determine the impact on the larger group. When additional time records are provided, they can be analyzed to determine the class size and the extent of damages owed for shift jamming. The below amounts for Ms. Vaughan and Mr. Martel-Rodriguez include Waiting Time penalties.

- E. Martel-Rodriguez - \$3,797.59
- W. Vaughan - \$2,681.67

Conclusion

It is my understanding that Plaintiff allege that employees were not paid for all hours worked. The specifics of these unpaid hours vary depending on the class assignment. This report captures the monies owed to employees based on their work assignment.

To a reasonable degree of professional certainty, the contents of this report represent my opinion. I alone conducted the analysis contained in this report. I reserve the right to alter my opinion should additional information become available.

House Keeping Calculations - PART TIME Employees

The calculation methodology is consistent with the "Full Time" employees with the exception of shifts. The Part-Time employee numbers were calculated based on four scenarios with the single variable being the number of shifts worked. Below are the numbers for a weekly shift count between 1 and 4.

The first period for calculation is March 30, 2011 through April 21, 2014

	1 Shift	2 Shifts	3 Shifts	4 Shifts
Employee Ct.	94	94	94	94
Work Week Ct	2,759.70	2,759.70	2,759.70	2,759.70
Weekly Shift Ct	1	2	3	4
Total Shift Ct	2,759.70	5,519.40	8,279.10	11,038.80
Minutes Per Shift	20	20	20	20
Total Minutes	55,194.00	110,388.00	165,582.00	220,776.00
Total Hours	919.9	1839.8	2759.7	3679.6
Overtime Rate	\$12.375	\$12 375	\$12.375	\$12.375
Sub-Total Damages	\$11,383.76	\$22,767.53	\$34,151.29	\$45,535.05
Waiting Time	\$40,095.00	\$40,095.00	\$40,095.00	\$40,095.00
Total	<u>\$51,478.76</u>	<u>\$62,862.53</u>	<u>\$74,246.29</u>	<u>\$85,630.05</u>

- The termination count through April 21, 2014 is 80. The penalty amount is 60 days multiplied by 8 hours, multiplied by \$8.25. This calculation ($60 * 8 * \8.25) equals \$3,960 multiplied by the termination count of 80, yields a total amount of \$316,800.00

The second period for calculation is March 30, 2011 through January 31, 2019.

Martel-Rodriguez, Eddy	01/25/12	12/31/13	101	362	37	21.0	31.9	\$4.13	\$131.75
Interest through 1/31/19									\$67.19
- The Waiting Time Penalty is based on a 60 day period with 7.27 hours per day at a rate of \$8.25 (60 * 7.27 * \$8.25)								Waiting Time at 60 Days	\$3,598.65
Total									<u>\$3,797.59</u>

- Kronos records available for shift jamming analysis were 363. A shift jam was observed in 37 or 10% of the shift records.
- A review of the shifts that were jammed, showed that 21 or 6% contained an overtime impact. When an overtime impact existed the average overtime hour amount was 1.52.
- The total shift jam hours with overtime premium due is 21 shifts multiplied by 1.52 hours for a total of 31.9 hours
- Only the overtime premium is due for the shift jam hours. The rate was calculated by taking the S.T. Rate multiplied by 0.5 or \$8.25 * 0.5, which yields \$4.13.

- Kronos records available for shift jamming analysis were 95. A shift jam was observed in 9 or 9% of the shift records.
- A review of the shifts that were jammed, showed that 8 or 8% contained an overtime impact. When an overtime impact existed the average overtime hour amount was 1.12.
- The total shift jam hours with overtime premium due is 8 shifts multiplied by 1.12 hours for a total of 9.0 hours
- Only the overtime premium is due for the shift jam hours. The rate was calculated by taking the S.T. Rate multiplied by 0.5 or \$8.25 * 0.5, which yields \$4.13.

Dear _____,

An audit of our payroll system revealed that overtime was not being paid accurately for certain team members. Nevada law states that if an individual works over 8 hours in a 24 hour period, and does not earn at least 1-1/2 times the minimum wage, overtime must be paid. For example, if an individual worked 8 AM – 4 PM on Monday, and came in at 5 AM on Tuesday – the hours between 5 AM and 8 AM on Tuesday would be considered overtime if the person's base rate is less than 1.5 times minimum wage.

The period of time that the calculation was performed inaccurately was November 4, 2011 to July 11, 2014. Enclosed please find a check which pays you for the overtime you are owed.

If you have any questions, please contact the Human Resources Department.

9 EDDY MARTEL (also known as MARTEL-

11 JANICE JACKSON-WILLIAMS and WHITNEY
12 VAUGHAN on behalf of themselves and all
13 others similarly situated,

Case No. CV16-01264

Dept. No. 6

14 Plaintiffs,

15 vs.

16 HG STAFFING, LLC, MEI-GSR HOLDINGS,
17 LLC d/b/a GRAND SIERRA RESORT, and
18 DOES 1 through 50, inclusive,

19 Defendants.
20 _____ /

21 **ORDER GRANTING, IN PART, AND DENYING, IN PART, MOTION TO DISMISS**

22 Before this Court is a *Motion to Dismiss First Amended Complaint* ("Motion") filed by
23 Defendants HG STAFFING, LLC and MEI-GSR HOLDINGS, LLC d/b/a GRAND SIERRA
24 RESORT (collectively, "GSR" unless individually referenced), by and through their counsel,
25 Cohen|Johnson|Parker|Edwards.

26 Plaintiffs EDDY MARTEL (also known as MARTEL-RODRIGUEZ) ("Mr. Martel"),
27 MARY ANNE CAPILLA ("Ms. Capilla"), JANICE JACKSON-WILLIAMS ("Ms. Jackson-
28 Williams"), and WHITNEY VAUGHAN ("Ms. Vaughan") (collectively, "Plaintiffs"), on behalf of

1 themselves and all others similarly situated, filed *Plaintiffs' Opposition to Defendants' Motion*
2 *to Dismiss Plaintiffs' First Amended Complaint* ("Opposition"), by and through their counsel,
3 Thierman Buck, LLP. GSR filed its *Reply in Support of Motion to Dismiss Amended*
4 *Complaint* ("Reply") and submitted the matter for decision thereafter.

6 **I. FACTUAL AND PROCEDURAL HISTORY**

7 This action arises out of an employment dispute between Plaintiffs and GSR
8 regarding wages paid by GSR to Plaintiffs and similarly situated employees. On June 14,
9 2016, Plaintiffs filed a *Class Action Complaint* ("Complaint") alleging GSR maintained the
10 following policies, practices, and procedures which required various employees to perform
11 work activities without compensation: (1) GSR's Cash Bank Policy, (2) Dance Class Policy,
12 (3) Room Attendant Pre-Shift Policy, (4) Pre-Shift Meeting Policy, (5) Uniform Policy, and (6)
13 Shift Jamming Policy. *Complaint*, pp. 4-8. As a result of said policies, Plaintiffs allege four
14 causes of action against GSR: (1) Failure to Pay Wages for All Hours Worked in Violation of
15 NRS 608.140 and 608.016, (2) Failure to Pay Minimum Wages in Violation of the Nevada
16 Constitution, (3) Failure to Pay Overtime Wages in Violation of NRS 608.140 and 608.018,
17 and (4) Failure to Timely Pay All Wages Due and Owing Upon Termination Pursuant to NRS
18 608.140 and 608.020-.050. *Id.*, pp. 11-15.

19 On October 9, 2018, this Court entered its *Order After Hearing Granting Defendants'*
20 *Motion to Dismiss* ("Order"). The Court found Plaintiffs failed to provide sufficient
21 information to support its claims, and therefore granted GSR's *Motion to Dismiss*.
22 Thereafter, Plaintiffs filed *Plaintiffs' Motion for Reconsideration of the Court's Order Granting*
23 *Defendant's Motion to Dismiss or in the Alternative Leave to File an Amended Complaint*
24 ("Motion for Reconsideration") requesting the Court reconsider its Order pursuant to NRCP
25
26
27
28

1 Rule 60(b). *Motion for Reconsideration*, p. 2. This Court entered its *Order Re Motion for*
2 *Reconsideration* denying Plaintiffs request on the grounds they failed to state a claim but
3 granting Plaintiffs leave to amend their *Complaint*.
4

5 On January 29, 2019, Plaintiffs filed their *First Amended Complaint* ("FAC") asserting
6 the same four (4) claims. Thereafter, GSR filed the instant *Motion* requesting this Court
7 dismiss the FAC pursuant to NRCP 12(b)(5). *Motion*, p. 2. GSR contends the claims
8 asserted in the FAC "have no more merit than Plaintiffs' original claims." *Motion*, p. 2.
9

10 First, GSR contends all of Plaintiffs' claims asserted after June 14, 2014 are barred
11 by the two-year statute of limitations pursuant to NRS 608.260. *Motion*, p. 5. GSR asserts
12 the Nevada Supreme Court held claims made under the Minimum Wage Amendment
13 ("MWA") are governed by a two-year statute of limitations. *Motion*, p. 5; citing Perry v.
14 Terrible Herbst, Inc., 132 Nev. Adv. Op. 75, 383 P.3d 257, 260-62 (2016). GSR further
15 asserts, all individual and class claims brought prior to June 14, 2014 are not tolled pursuant
16 to Archon Corp. v. Eighth Judicial Dist. Court in & for Cty. of Clark, 407 P.3d 702 (Nev.
17 2017) and China Agritech, Inc. v. Resh, 138 S. Ct. 1800, 1804 (2018). *Motion*, p. 9.
18

19 Second, GSR maintains Plaintiffs' First, Third, and Fourth claims should be
20 dismissed for failure to exhaust administrative remedies with the labor commissioner as
21 required by NRS Chapter 607. *Motion*, p. 11. GSR argues Plaintiffs were required to first
22 file and pursue their state law wage claims with the Nevada Labor Commissioner before
23 seeking relief from this Court. *Motion*, p. 11; citing NRS 608.016; Allstate Ins. Co. v.
24 Thrope, 123 Nev. 565, 571-72, 170 P.3d 989, 993-94 (2007).
25

26 Third, GSR argues Plaintiffs First, Third, and Fourth Claims for Relief should be
27 dismissed for failing to make good faith attempt to collect their wages before filing their claim
28

1 for wages with the Court. *Motion*, p. 13; citing NAC 608.155(1).

2 Fourth, GSR asserts Plaintiffs lack standing to represent union employees because
3 they are exclusively represented by their respective unions pursuant to 29 U.S.C.A Section
4 159(a). *Motion*, p. 14.

5
6 Fifth, GSR contends Plaintiffs have again failed to state a claim for wages, including
7 minimum wages. *Motion*, p. 15. GSR argues Plaintiff do no allege any facts which would
8 show that any plaintiff was paid less than the minimum wage and do not allege how much
9 they were paid in any week. *Motion*, p. 16. GSR asserts Plaintiffs failure to claim how much
10 they worked in a week results in mere speculation as to whether Plaintiffs were underpaid.
11 *Motion*, p. 16.

12
13 Sixth, GSR maintains Ms. Jackson-Williams' claims for wages and overtime are
14 barred for failing to exhaust grievance procedures of the collective bargaining agreement.
15 *Motion*, p. 17. GSR argues Ms. Jackson-Williams is subject to a collective bargaining
16 agreement and, therefore, her statutory claims for wages or overtime are dependent upon
17 finding a breach of that agreement to maintain those claims. *Motion*, p. 18. Moreover, GSR
18 asserts Ms. Jackson-Williams is not entitled to overtime pursuant to NRS 608.018 because
19 the collective bargaining agreement provides otherwise. *Motion*, p. 19.

20
21 Seventh, GSR contends Plaintiffs' claims are barred by claim and issue preclusion.
22 *Motion*, p. 20. GSR maintains United States District Judge Hicks already determined
23 Plaintiffs' wage claims cannot proceed in a class action; and, they are therefore barred from
24 re-litigating the federal district court's judgment denying class certification. *Motion*, p. 2;
25 citing Five Star Capital Corp. v. Ruby, 124 Nev. 1048, 1054, 194 P.3d 709, 713 (2008).
26
27 Lastly, GSR argues Plaintiffs should not be able to re-litigate the federal action on principles
28

1 of comity and the first-to-file rule. *Motion*, p. 23.

2 In their *Opposition*, Plaintiffs first maintain they are not required to exhaust
3 administrative remedies with the Office of the Labor Commissioner prior to filing suit.
4 *Opposition*, p. 7; citing Neville v. Terrible Herbst, Inc., 133 Nev. Adv. Op. 95, 406 P.3d 499,
5 504 (Dec. 7 2017).
6

7 Second, Plaintiffs assert they meet the pleading standard because they alleged
8 specific work activities for which they are not paid their minimum wage, provided estimated
9 damages owed to Plaintiffs and the putative classes, and provided documentary evidence in
10 their possession and control specifying hours, dates, and times worked without pay.
11 *Opposition*, p. 9.
12

13 Third, Plaintiffs maintain their claims are not barred by issue or claim preclusion
14 because their Nevada wage claims were not certified in the Sargant action. *Opposition*, p.
15 13. Specifically, the federal court never reached determination of the state law claims
16 because it dismissed them on the “incorrect premise” that Nevada employees do not have a
17 private right of action for wage claims, at summary judgment, and prior to the court’s
18 decertification order. *Opposition*, p. 13.
19

20 Fourth, Plaintiffs contend its claims are not barred by any statutes of limitation.
21 *Opposition*, p. 22. Plaintiffs contend NRS 11.190(3)(a)’s three-year statute of limitation for
22 “an action upon liability created by statute, other than a penalty or forfeiture” applies to this
23 action because NRS Chapter 608 lacks an express limitation period and NRS 11.190
24 provides the three-year statute of limitation applies “unless further limited by specific statute.
25 . . .” *Opposition*, p. 22; citing NRS 11.190.
26

27 //

1 Plaintiffs further contend Defendants reliance on Perry is impermissibly broad
2 because the Court did not hold a two-year statute of limitation period applicable to the
3 Minimum Wage Amendment, extended to NRS 608 private causes of action claims.
4 *Opposition*, p. 23.

5
6 Fifth, Plaintiffs maintain their claims are not preempted by any alleged collective
7 bargaining agreement because they are only trying to enforce the statutory obligation to pay
8 overtime. *Opposition*, p. 29.

9
10 In their *Reply*, Defendants reiterate that a two-year statute of limitations applies to the
11 claims. *Reply*, p. 2. Defendants assert Plaintiffs concede they did not exhaust
12 administrative remedies or grievance procedures. *Reply*, p. 3. Lastly, Defendants assert
13 Plaintiff do not address or dispute that they are not entitled to seek class certification on
14 behalf of GSR employees represented by a union. *Reply*, p. 3.

15 II. STANDARD OF REVIEW; LAW AND ANALYSIS

16
17 A complaint should be dismissed under NRCP 12(b)(5) “only if it appears beyond a
18 doubt” that the plaintiff is entitled to no relief under any set of facts that could be proved in
19 support of the claim. Buzz Stew, LLC v. City of North Las Vegas, 124 Nev. 224, 228, 181
20 P.3d 670, 672 (2008); Blackjack Bonding v. City of Las Vegas Mun. Court, 116 Nev. 1213,
21 1217, 14 P.3d 1275, 1278 (2000). When analyzing the merits of a 12(b)(5) motion to
22 dismiss, the court recognizes all of the factual allegations in the plaintiff’s complaint as true,
23 and draws all inferences in favor of the non-moving party. *Id.* Dismissal is appropriate
24 “where the allegations are insufficient to establish the elements of a claim for relief.”
25
26 Stockmeier v. Nevada Dept. of Corr. Psychological Review Panel, 124 Nev. 313, 316, 183
27 P.3d 133, 135 (2008); see also Torres v. Nev. Direct Ins. Co., 131 Nev. Adv. Op. 54, 353
28

1 P.3d 1203, 1210 (2015) (same). Nevada is a notice-pleading jurisdiction, therefore, "[t]he
2 test for determining whether the allegations of a cause of action are sufficient to assert a
3 claim for relief is whether the allegations give fair notice of the nature and basis of the claim
4 and the relief requested." Ravera v. City of Reno, 100 Nev. 68, 70, 675 P.2d 407, 408
5 (1984); W. States Const., Inc. v. Michoff, 108 Nev. 931, 936, 840 P.2d 1220, 1223 (1992);
6 NRCP 8.
7

8 **A. All Claims Accruing Prior to June 14, 2014 are Barred by the Statute of**
9 **Limitations**

10 **1. A Two-Year Statute of Limitations Applies to all Claims**

11 The Minimum Wage Act (MWA) guarantees employees payment of a specified
12 minimum wage and gives an employee whose employer violates the MWA the right to bring
13 an action against his or her employer in Nevada. Perry v. Terrible Herbst, Inc., 383 P.3d
14 257, 258 (Nev. 2016). A two-year statute of limitation applies to actions for failure to pay the
15 minimum wage in violation of the Nevada constitution. Id. at 262. This two-year statute of
16 limitation period applies to NRS 608 statutory wage claims that are analogous to a cause of
17 action for failure to pay an employee the lawful minimum wage. Id. Accordingly, a two-year
18 statute of limitation applies to: Plaintiffs' First Cause of Action for Failure to Pay Wages for
19 All Hours Worked in Violation of NRS 608.140 and 608.016; Second Cause of Action for
20 Failure to Pay Minimum Wages in Violation of the Nevada Constitution; Third Cause of
21 Action for Failure to Pay Overtime Wages in Violation of NRS 608.140 and 608.018; and,
22 Fourth Cause of Action for Failure to Timely Pay All Wages Due and Owing Upon
23 Termination Pursuant to NRS 608.140 and 608.020-.050.
24
25
26

27 //

28 //

1 **2. Cross Jurisdictional Tolling Does Not Apply**

2 Class-action tolling suspends the statutes of limitation for all purported members of
3 the class until a formal decision on class certification has been made, or until the individual
4 plaintiff opts out of the class. Archon Corp. v. Eighth Judicial Dist. Court in & for Cty. of
5 Clark, 407 P.3d 702 (Nev. 2017). Cross-jurisdictional class-action tolling suspends the
6 statutes of limitation for all purported class members even if the class action was pending in
7 a different jurisdiction than where the later suit is brought. Id.

8
9 The United States Supreme Court in American Pipe held the timely filing of a class
10 action tolls the applicable statutes of limitation for all persons encompassed by the class
11 complaint. The Court further ruled that, where class action status has been denied,
12 members of the failed class could timely intervene as individual plaintiffs in the still-pending
13 action, shorn of its class character.

14
15 Recently, however, the United State Supreme Court declined to apply American Pipe
16 tolling to successive class action claims, holding the maintenance of a follow-on class action
17 past the expiration of the statute of limitations is not permitted. China Agritech, Inc. v. Resh,
18 138 S. Ct. 1800, 1803, 201 L. Ed. 2d 123 (2018). The Court explained that allowing tolling
19 for successive class actions would allow the statute of limitation to be extended time and
20 again; as each class is denied certification, a new named plaintiff could file a class
21 complaint that resuscitates the litigation. Id.

22
23 Whether cross-jurisdictional tolling applies to a case like the present case is an issue
24 that has not yet been decided by the Nevada Supreme Court. See Archon Corp. v. Eighth
25 Judicial Dist. Court in & for Cty. of Clark, 407 P.3d 702 (Nev. 2017). In Achron Corp, the
26 Court declined to consider the issue, finding an advisory mandamus was not warranted
27 because the issue was not raised in the district court. Id. Nevertheless, the case presented
28

1 compelling grounds to refrain from recognizing cross-jurisdictional tolling. Specifically,
2 cross-jurisdictional class-action tolling would allow the federal judiciary's actions to
3 indefinitely extend the statutes of limitation beyond a five-year period of repose under NRS
4 11.500. *Id.* Moreover, Achron Corp was considered before the United States Supreme
5 Court's decision in China Agritech, Inc.

6 This issue has been similarly addressed in regards to individual actions. In Clemens
7 v. Daimler Chrysler Corp., 534 F.3d 1017, 1025 (9th Cir. 2008), the Ninth Circuit held
8 American Pipe does not "mandate cross-jurisdictional tolling as a matter of state procedure."
9 The Illinois Supreme Court addressed this issue in Portwood v. Ford Motor Co., 701 N.E.2d
10 1102, 1103-05 (Ill. 1998), holding a state "statute of limitations is not tolled during the
11 pendency of a class action in federal court," even though the court had previously "adopted
12 the American Pipe rule for class actions filed in Illinois state court." The Court reasoned
13 such cross-jurisdictional tolling of a state statute of limitation would "increase the burden on
14 that state's court system" because it would expose the state court system to the evils of
15 "forum shopping." *Id.* at 1104. The court further found that because "state courts have no
16 control over the work of the federal judiciary, . . . [s]tate courts should not be required to
17 entertain stale claims simply because the controlling statute of limitations expired while a
18 federal court considered whether to certify a class action." *Id.* at 1104.

19 Moreover, pursuant to NRS 11.500, the Nevada Legislature has determined that a
20 statute of limitation should only be tolled based on an action filed in another jurisdiction
21 when "the court lacked jurisdiction over the subject matter of the action," (which it did not
22 here), and then limited tolling to "[n]inety days after the action is dismissed."

23 Here, Plaintiffs filed their *Complaint* on June 14, 2016. As such, all claims accruing
24 before June 14, 2014 are barred unless cross-jurisdictional tolling applies. Under the
25
26
27
28

1 unique facts of this case, the Court finds cross-jurisdictional tolling does not apply. The
2 Court looks to the history of this litigation. Specifically, Plaintiffs in this case previously
3 brought a substantially similar action in the Second Judicial District Court for the State of
4 Nevada. The case was removed to federal court where class certification was denied and
5 the case dismissed. Plaintiffs again seek recourse in the Second Judicial District Court and
6 assert their claims were tolled by the federal action.

7 To permit tolling claims under these specific circumstances provides for never-ending
8 successive class actions because the statute of limitation would never expire. Newly named
9 plaintiffs could always file a class complaint that would resurrect the litigation. Accordingly,
10 class action claims shouldn't be tolled. Therefore, all of Plaintiffs' class action claims that
11 accrued prior to June 14, 2014, two (2) years before Plaintiffs filed their *Complaint*, are
12 barred and shall be dismissed.

13 Plaintiffs' *Complaint* alleges that Plaintiff Capilla was employed by GSR from "March
14 2011" to "September 2013;" Plaintiff Vaughan was employed by GSR from "August 2012"
15 through "June 2013;" Plaintiff Martel was employed by GSR from "January 2012" to "July
16 2014;" and Plaintiff Williams was employed by GSR from "April 2014" to "December 2015."
17 See Complaint at 3, ¶¶ 5 - 8. Accordingly, all of Ms. Capilla and Ms. Vaughan's claims, all
18 but one (1) month of Mr. Martel's claims, and all but eighteen (18) months of Ms. Jackson-
19 Williams' claims are dismissed.

22 B. Remaining Claims

23 Two Plaintiffs remain pursuant to this Court's dismissal of all claims accrued prior to
24 June 14, 2016. First, Mr. Martel's claims regarding a one-month period remains; and,
25 second, Ms. Jackson-Williams' claims remains regarding an eighteen months period. GSR
26 assert the remaining claims should be dismissed for (1) failure to exhaust administrative
27 remedies of the collective bargaining agreement; (2) issue preclusion; (3) claim preclusion;
28 (4) lack of standing to represent union employees; and, (5) failure to state a claim.

1 The Court addresses each argument in turn.

2 **1. Mr. Martel and Ms. Jackson-Williams are not Required to Exhaust**
3 **Administrative Remedies**

4 Where an administrative agency has exclusive jurisdiction over statutory claims, the
5 failure to exhaust administrative remedies before proceeding in district court renders the
6 matter unripe for district court review. Allstate Ins. Co. v. Thorpe, 123 Nev. 565, 571, 170
7 P.3d 989, 993 (2007). A private cause of action generally cannot be implied when an
8 administrative official is expressly charged with enforcing a section of laws. Baldonado v.
9 Wynn Las Vegas, LLC, 124 Nev. 951, 194 P.3d 96 (2008). However, the Nevada Supreme
10 Court has determined an employee has a private right to pursue claims for unpaid wages
11 pursuant to NRS 608.140. Neville v. Eighth Judicial Dist. Court in & for Cty. of Clark, 406
12 P.3d 499, 504 (Nev. 2017). As such, the Labor Commissioner does not have exclusive
13 jurisdiction over statutory claims. Therefore, Plaintiffs were not required to exhaust
14 administrative remedies before proceeding to district court.

17 **2. Issue and Claim Preclusion Does not Apply**

18 In Five Star Capital Corp. v. Ruby, the Nevada Supreme Court set forth a three-part
19 test for determining whether claim preclusion applies to a later action: (1) [T]he parties or
20 their privies are the same, (2) the final judgment is valid, and (3) the subsequent action is
21 based on the same claims or any part of them that were or could have been brought in the
22 first case. 124 Nev. at 1054. In Five Star Capital Corp., the Court reasoned, claim
23 preclusion applies to preclude an entire second suit that is based on the same set of facts
24 and circumstances as the first suit. Id.

25 The Court also set forth a four-part test for determining whether issue preclusion
26 applies to a later action:
27
28

1 (1) the issue decided in the prior litigation must be identical to the issue
2 presented in the current action; (2) **the initial ruling must have been on the**
3 **merits and have become final**; ... (3) the party against whom the judgment is
4 asserted must have been a party or in privity with a party to the prior litigation";
5 and (4) the issue was actually and necessarily litigated.

6 124 Nev. 1048, 1055, 194 P.3d 709, 713 (2008) (citations omitted) (emphasis added).

7 Here, class certification was never addressed in Sargent for the Nevada wage claims
8 and the Court in Sargent has since reversed the grant of summary judgment in light of
9 Neville. There is no issue or claim preclusion because class certification was never
10 independently decided; there has been no ruling on the merits of any of the employees'
11 FLSA or Nevada wage claims; and, the Plaintiffs' NRS 608 and Nevada Constitution
12 minimum wage claims have not actually and necessarily been litigated.

13 3. Standing to Represent Union Employees

14 Pursuant to 29 U.S.C. § 159(a),

15
16 Representatives designated or selected for the purposes of collective
17 bargaining by the majority of the employees in a unit appropriate for such
18 purposes, shall be the exclusive representatives of all the employees in such
19 unit for the purposes of collective bargaining in respect to rates of pay, wages,
20 hours of employment, or other conditions of employment.

21 29 U.S.C. § 159(a). In Baker v. IBP, Inc., 357 F.3d 685, 690 (7th Cir. 2004), the Seventh
22 Circuit held that where a "suit is at its core about the adequacy of the wages [the employer]
23 pays," individual employees may not represent union workers in a class action when the
24 Union has not breached its duty of fair representation.

25 The court reasoned that union workers "have a representative—one that under the
26 NLRA is supposed to be 'exclusive' with respect to wages" and therefore "Plaintiffs' request
27 to proceed on behalf of a class of all workers shows that they seek to usurp the union's
28 role." Id. at 686, 690. Moreover, state law rights and obligations that do not exist

1 independently of private agreements, and that can be waived or altered by agreement as a
2 result, are pre-empted by those agreements. MGM Grand Hotel-Reno, Inc. v. Insley, 102
3 Nev. 513, 517, 728 P.2d 821, 824 (1986).

4
5 Plaintiffs do not dispute that they may not pursue class actions on behalf of union
6 employees because they are not union representatives, who have the exclusive right to
7 represent members of the union with respect wage. However, Plaintiffs dispute that an
8 enforceable collective bargaining agreement was in place. Specifically, Plaintiffs argue that:
9 (1) the CBA is not valid and has expired by its own terms on or about May 1, 2011 (over
10 seven years ago); (2) because it has expired and no subsequent CBA has been ratified or
11 signed, Plaintiffs may sue in this Court for unpaid wages, overtime wages, and penalties
12 due; and, (3) even if the CBA was valid it does not provide otherwise for overtime wages
13 and Plaintiffs may bring their claims in this Court. See Opposition, generally. The Court
14 declines to consider evidence, such as the collective bargaining agreement, outside the
15 pleadings at this time.¹ Considering the claims in Plaintiffs' *Complaint* as true, and drawing
16
17 all conclusions in favor of the Plaintiffs, dismissal is not appropriate on these grounds.
18

19 4. Failure to State a Claim

20 As stated dismissal is appropriate pursuant to NRCP 12(b)(5) "where the allegations
21 are insufficient to establish the elements of a claim for relief." Stockmeier v. Nevada Dept.
22 of Corr. Psychological Review Panel, 124 Nev. 313, 316, 183 P.3d 133, 135 (2008); see
23 also Torres v. Nev. Direct Ins. Co., 131 Nev. Adv. Op. 54, 353 P.3d 1203, 1210 (2015)
24 (same). Nevada is a notice-pleading jurisdiction, therefore, "[t]he test for determining
25 whether the allegations of a cause of action are sufficient to assert a claim for relief is
26 whether the allegations give fair notice of the nature and basis of the claim and the relief
27
28

¹ The Court notes this issue may be more appropriate for a motion for summary judgment.

1 requested." Ravera v. City of Reno, 100 Nev. 68, 70, 675 P.2d 407, 408 (1984); W. States
2 Const., Inc. v. Michoff, 108 Nev. 931, 936, 840 P.2d 1220, 1223 (1992); NRCP 8.

3 Plaintiffs filed their *FAC* on January 29, 2019. This Court finds Plaintiffs have
4 provided sufficient factual allegations regarding hours worked and exacting estimates of
5 shifts and unpaid hours and for the applicable time period to put Defendants on notice of the
6 nature and basis of the claims and relief requested. See FAC, generally.

8 **III. ORDER.**

9 The Court finds a two-year statute of limitation applies to this case. As such, the
10 Court dismisses all of Ms. Capilla and Ms. Vaughan's claims, all but one (1) month of Mr.
11 Martel's claims, and all but eighteen (18) months of Ms. Jackson-Williams' claims.
12 However, the Court declines to dismiss the remaining claims at this time.

14 Based on the foregoing, and good cause appearing thereto,
15 **IT IS HEREBY ORDERED** Defendants' *Motion to Dismiss* is GRANTED, in part, and
16 DENIED, in part.

1 themselves and all others similarly situated, filed *Plaintiffs' Opposition to Defendants' Motion*
2 *to Dismiss Plaintiffs' First Amended Complaint* ("Opposition"), by and through their counsel,
3 Thierman Buck, LLP. GSR filed its *Reply in Support of Motion to Dismiss Amended*
4 *Complaint* ("Reply") and submitted the matter for decision thereafter.

6 **I. FACTUAL AND PROCEDURAL HISTORY**

7 This action arises out of an employment dispute between Plaintiffs and GSR
8 regarding wages paid by GSR to Plaintiffs and similarly situated employees. On June 14,
9 2016, Plaintiffs filed a *Class Action Complaint* ("Complaint") alleging GSR maintained the
10 following policies, practices, and procedures which required various employees to perform
11 work activities without compensation: (1) GSR's Cash Bank Policy, (2) Dance Class Policy,
12 (3) Room Attendant Pre-Shift Policy, (4) Pre-Shift Meeting Policy, (5) Uniform Policy, and (6)
13 Shift Jamming Policy. *Complaint*, pp. 4-8. As a result of said policies, Plaintiffs allege four
14 causes of action against GSR: (1) Failure to Pay Wages for All Hours Worked in Violation of
15 NRS 608.140 and 608.016, (2) Failure to Pay Minimum Wages in Violation of the Nevada
16 Constitution, (3) Failure to Pay Overtime Wages in Violation of NRS 608.140 and 608.018,
17 and (4) Failure to Timely Pay All Wages Due and Owing Upon Termination Pursuant to NRS
18 608.140 and 608.020-.050. *Id.*, pp. 11-15.

19 On October 9, 2018, this Court entered its *Order After Hearing Granting Defendants'*
20 *Motion to Dismiss* ("Order"). The Court found Plaintiffs failed to provide sufficient
21 information to support its claims, and therefore granted GSR's *Motion to Dismiss*.
22 Thereafter, Plaintiffs filed *Plaintiffs' Motion for Reconsideration of the Court's Order Granting*
23 *Defendant's Motion to Dismiss or in the Alternative Leave to File an Amended Complaint*
24 ("Motion for Reconsideration") requesting the Court reconsider its Order pursuant to NRCP
25
26
27
28

1 Rule 60(b). *Motion for Reconsideration*, p. 2. This Court entered its *Order Re Motion for*
2 *Reconsideration* denying Plaintiffs request on the grounds they failed to state a claim but
3 granting Plaintiffs leave to amend their *Complaint*.
4

5 On January 29, 2019, Plaintiffs filed their *First Amended Complaint* ("FAC") asserting
6 the same four (4) claims. Thereafter, GSR filed the instant *Motion* requesting this Court
7 dismiss the FAC pursuant to NRCP 12(b)(5). *Motion*, p. 2. GSR contends the claims
8 asserted in the FAC "have no more merit than Plaintiffs' original claims." *Motion*, p. 2.
9

10 First, GSR contends all of Plaintiffs' claims asserted after June 14, 2014 are barred
11 by the two-year statute of limitations pursuant to NRS 608.260. *Motion*, p. 5. GSR asserts
12 the Nevada Supreme Court held claims made under the Minimum Wage Amendment
13 ("MWA") are governed by a two-year statute of limitations. *Motion*, p. 5; citing Perry v.
14 Terrible Herbst, Inc., 132 Nev. Adv. Op. 75, 383 P.3d 257, 260-62 (2016). GSR further
15 asserts, all individual and class claims brought prior to June 14, 2014 are not tolled pursuant
16 to Archon Corp. v. Eighth Judicial Dist. Court in & for Cty. of Clark, 407 P.3d 702 (Nev.
17 2017) and China Agritech, Inc. v. Resh, 138 S. Ct. 1800, 1804 (2018). *Motion*, p. 9.
18

19 Second, GSR maintains Plaintiffs' First, Third, and Fourth claims should be
20 dismissed for failure to exhaust administrative remedies with the labor commissioner as
21 required by NRS Chapter 607. *Motion*, p. 11. GSR argues Plaintiffs were required to first
22 file and pursue their state law wage claims with the Nevada Labor Commissioner before
23 seeking relief from this Court. *Motion*, p. 11; citing NRS 608.016; Allstate Ins. Co. v.
24 Thrope, 123 Nev. 565, 571-72, 170 P.3d 989, 993-94 (2007).
25

26 Third, GSR argues Plaintiffs First, Third, and Fourth Claims for Relief should be
27 dismissed for failing to make good faith attempt to collect their wages before filing their claim
28

1 for wages with the Court. *Motion*, p. 13; citing NAC 608.155(1).

2 Fourth, GSR asserts Plaintiffs lack standing to represent union employees because
3 they are exclusively represented by their respective unions pursuant to 29 U.S.C.A Section
4 159(a). *Motion*, p. 14.

5
6 Fifth, GSR contends Plaintiffs have again failed to state a claim for wages, including
7 minimum wages. *Motion*, p. 15. GSR argues Plaintiff do no allege any facts which would
8 show that any plaintiff was paid less than the minimum wage and do not allege how much
9 they were paid in any week. *Motion*, p. 16. GSR asserts Plaintiffs failure to claim how much
10 they worked in a week results in mere speculation as to whether Plaintiffs were underpaid.
11 *Motion*, p. 16.

12
13 Sixth, GSR maintains Ms. Jackson-Williams' claims for wages and overtime are
14 barred for failing to exhaust grievance procedures of the collective bargaining agreement.
15 *Motion*, p. 17. GSR argues Ms. Jackson-Williams is subject to a collective bargaining
16 agreement and, therefore, her statutory claims for wages or overtime are dependent upon
17 finding a breach of that agreement to maintain those claims. *Motion*, p. 18. Moreover, GSR
18 asserts Ms. Jackson-Williams is not entitled to overtime pursuant to NRS 608.018 because
19 the collective bargaining agreement provides otherwise. *Motion*, p. 19.

20
21 Seventh, GSR contends Plaintiffs' claims are barred by claim and issue preclusion.
22 *Motion*, p. 20. GSR maintains United States District Judge Hicks already determined
23 Plaintiffs' wage claims cannot proceed in a class action; and, they are therefore barred from
24 re-litigating the federal district court's judgment denying class certification. *Motion*, p. 2;
25 citing Five Star Capital Corp. v. Ruby, 124 Nev. 1048, 1054, 194 P.3d 709, 713 (2008).
26
27 Lastly, GSR argues Plaintiffs should not be able to re-litigate the federal action on principles
28

1 of comity and the first-to-file rule. *Motion*, p. 23.

2 In their *Opposition*, Plaintiffs first maintain they are not required to exhaust
3 administrative remedies with the Office of the Labor Commissioner prior to filing suit.
4 *Opposition*, p. 7; citing Neville v. Terrible Herbst, Inc., 133 Nev. Adv. Op. 95, 406 P.3d 499,
5 504 (Dec. 7 2017).
6

7 Second, Plaintiffs assert they meet the pleading standard because they alleged
8 specific work activities for which they are not paid their minimum wage, provided estimated
9 damages owed to Plaintiffs and the putative classes, and provided documentary evidence in
10 their possession and control specifying hours, dates, and times worked without pay.
11 *Opposition*, p. 9.
12

13 Third, Plaintiffs maintain their claims are not barred by issue or claim preclusion
14 because their Nevada wage claims were not certified in the Sargant action. *Opposition*, p.
15 13. Specifically, the federal court never reached determination of the state law claims
16 because it dismissed them on the “incorrect premise” that Nevada employees do not have a
17 private right of action for wage claims, at summary judgment, and prior to the court’s
18 decertification order. *Opposition*, p. 13.
19

20 Fourth, Plaintiffs contend its claims are not barred by any statutes of limitation.
21 *Opposition*, p. 22. Plaintiffs contend NRS 11.190(3)(a)’s three-year statute of limitation for
22 “an action upon liability created by statute, other than a penalty or forfeiture” applies to this
23 action because NRS Chapter 608 lacks an express limitation period and NRS 11.190
24 provides the three-year statute of limitation applies “unless further limited by specific statute.
25 . . .” *Opposition*, p. 22; citing NRS 11.190.
26

27 //

1 Plaintiffs further contend Defendants reliance on Perry is impermissibly broad
2 because the Court did not hold a two-year statute of limitation period applicable to the
3 Minimum Wage Amendment, extended to NRS 608 private causes of action claims.
4 *Opposition*, p. 23.

5
6 Fifth, Plaintiffs maintain their claims are not preempted by any alleged collective
7 bargaining agreement because they are only trying to enforce the statutory obligation to pay
8 overtime. *Opposition*, p. 29.

9
10 In their *Reply*, Defendants reiterate that a two-year statute of limitations applies to the
11 claims. *Reply*, p. 2. Defendants assert Plaintiffs concede they did not exhaust
12 administrative remedies or grievance procedures. *Reply*, p. 3. Lastly, Defendants assert
13 Plaintiff do not address or dispute that they are not entitled to seek class certification on
14 behalf of GSR employees represented by a union. *Reply*, p. 3.

15 II. STANDARD OF REVIEW; LAW AND ANALYSIS

16
17 A complaint should be dismissed under NRCP 12(b)(5) “only if it appears beyond a
18 doubt” that the plaintiff is entitled to no relief under any set of facts that could be proved in
19 support of the claim. Buzz Stew, LLC v. City of North Las Vegas, 124 Nev. 224, 228, 181
20 P.3d 670, 672 (2008); Blackjack Bonding v. City of Las Vegas Mun. Court, 116 Nev. 1213,
21 1217, 14 P.3d 1275, 1278 (2000). When analyzing the merits of a 12(b)(5) motion to
22 dismiss, the court recognizes all of the factual allegations in the plaintiff’s complaint as true,
23 and draws all inferences in favor of the non-moving party. *Id.* Dismissal is appropriate
24 “where the allegations are insufficient to establish the elements of a claim for relief.”
25
26 Stockmeier v. Nevada Dept. of Corr. Psychological Review Panel, 124 Nev. 313, 316, 183
27 P.3d 133, 135 (2008); see also Torres v. Nev. Direct Ins. Co., 131 Nev. Adv. Op. 54, 353
28

1 P.3d 1203, 1210 (2015) (same). Nevada is a notice-pleading jurisdiction, therefore, "[t]he
2 test for determining whether the allegations of a cause of action are sufficient to assert a
3 claim for relief is whether the allegations give fair notice of the nature and basis of the claim
4 and the relief requested." Ravera v. City of Reno, 100 Nev. 68, 70, 675 P.2d 407, 408
5 (1984); W. States Const., Inc. v. Michoff, 108 Nev. 931, 936, 840 P.2d 1220, 1223 (1992);

7

8 **A. All Claims Accruing Prior to June 14, 2014 are Barred by the Statute of**
9 **Limitations**

10 **1. A Two-Year Statute of Limitations Applies to all Claims**

11 The Minimum Wage Act (MWA) guarantees employees payment of a specified
12 minimum wage and gives an employee whose employer violates the MWA the right to bring
13 an action against his or her employer in Nevada. Perry v. Terrible Herbst, Inc., 383 P.3d
14 257, 258 (Nev. 2016). A two-year statute of limitation applies to actions for failure to pay the
15 minimum wage in violation of the Nevada constitution. Id. at 262. This two-year statute of
16 limitation period applies to NRS 608 statutory wage claims that are analogous to a cause of
17 action for failure to pay an employee the lawful minimum wage. Id. Accordingly, a two-year
18 statute of limitation applies to: Plaintiffs' First Cause of Action for Failure to Pay Wages for
19 All Hours Worked in Violation of NRS 608.140 and 608.016; Second Cause of Action for
20 Failure to Pay Minimum Wages in Violation of the Nevada Constitution; Third Cause of
21 Action for Failure to Pay Overtime Wages in Violation of NRS 608.140 and 608.018; and,
22 Fourth Cause of Action for Failure to Timely Pay All Wages Due and Owing Upon
23 Termination Pursuant to NRS 608.140 and 608.020-.050.

2. Cross Jurisdictional Tolling Does Not Apply

Class-action tolling suspends the statutes of limitation for all purported members of the class until a formal decision on class certification has been made, or until the individual plaintiff opts out of the class. Archon Corp. v. Eighth Judicial Dist. Court in & for Cty. of Clark, 407 P.3d 702 (Nev. 2017). Cross-jurisdictional class-action tolling suspends the statutes of limitation for all purported class members even if the class action was pending in a different jurisdiction than where the later suit is brought. Id.

The United States Supreme Court in American Pipe held the timely filing of a class action tolls the applicable statutes of limitation for all persons encompassed by the class complaint. The Court further ruled that, where class action status has been denied, members of the failed class could timely intervene as individual plaintiffs in the still-pending action, shorn of its class character.

Recently, however, the United State Supreme Court declined to apply American Pipe tolling to successive class action claims, holding the maintenance of a follow-on class action past the expiration of the statute of limitations is not permitted. China Agritech, Inc. v. Resh, 138 S. Ct. 1800, 1803, 201 L. Ed. 2d 123 (2018). The Court explained that allowing tolling for successive class actions would allow the statute of limitation to be extended time and again; as each class is denied certification, a new named plaintiff could file a class complaint that resuscitates the litigation. Id.

Whether cross-jurisdictional tolling applies to a case like the present case is an issue that has not yet been decided by the Nevada Supreme Court. See Archon Corp. v. Eighth Judicial Dist. Court in & for Cty. of Clark, 407 P.3d 702 (Nev. 2017). In Achron Corp., the Court declined to consider the issue, finding an advisory mandamus was not warranted because the issue was not raised in the district court. Id. Nevertheless, the case presented

1 compelling grounds to refrain from recognizing cross-jurisdictional tolling. Specifically,
2 cross-jurisdictional class-action tolling would allow the federal judiciary's actions to
3 indefinitely extend the statutes of limitation beyond a five-year period of repose under NRS
4 11.500. *Id.* Moreover, Achron Corp was considered before the United States Supreme
5 Court's decision in China Agritech, Inc.

6 This issue has been similarly addressed in regards to individual actions. In Clemens
7 v. Daimler Chrysler Corp., 534 F.3d 1017, 1025 (9th Cir. 2008), the Ninth Circuit held
8 American Pipe does not "mandate cross-jurisdictional tolling as a matter of state procedure."
9 The Illinois Supreme Court addressed this issue in Portwood v. Ford Motor Co., 701 N.E.2d
10 1102, 1103-05 (Ill. 1998), holding a state "statute of limitations is not tolled during the
11 pendency of a class action in federal court," even though the court had previously "adopted
12 the American Pipe rule for class actions filed in Illinois state court." The Court reasoned
13 such cross-jurisdictional tolling of a state statute of limitation would "increase the burden on
14 that state's court system" because it would expose the state court system to the evils of
15 "forum shopping." *Id.* at 1104. The court further found that because "state courts have no
16 control over the work of the federal judiciary, . . . [s]tate courts should not be required to
17 entertain stale claims simply because the controlling statute of limitations expired while a
18 federal court considered whether to certify a class action." *Id.* at 1104.

19 Moreover, pursuant to NRS 11.500, the Nevada Legislature has determined that a
20 statute of limitation should only be tolled based on an action filed in another jurisdiction
21 when "the court lacked jurisdiction over the subject matter of the action," (which it did not
22 here), and then limited tolling to "[n]inety days after the action is dismissed."

23 Here, Plaintiffs filed their *Complaint* on June 14, 2016. As such, all claims accruing
24 before June 14, 2014 are barred unless cross-jurisdictional tolling applies. Under the
25
26
27
28

1 unique facts of this case, the Court finds cross-jurisdictional tolling does not apply. The
2 Court looks to the history of this litigation. Specifically, Plaintiffs in this case previously
3 brought a substantially similar action in the Second Judicial District Court for the State of
4 Nevada. The case was removed to federal court where class certification was denied and
5 the case dismissed. Plaintiffs again seek recourse in the Second Judicial District Court and
6 assert their claims were tolled by the federal action.

7 To permit tolling claims under these specific circumstances provides for never-ending
8 successive class actions because the statute of limitation would never expire. Newly named
9 plaintiffs could always file a class complaint that would resurrect the litigation. Accordingly,
10 class action claims shouldn't be tolled. Therefore, all of Plaintiffs' class action claims that
11 accrued prior to June 14, 2014, two (2) years before Plaintiffs filed their *Complaint*, are
12 barred and shall be dismissed.

13 Plaintiffs' *Complaint* alleges that Plaintiff Capilla was employed by GSR from "March
14 2011" to "September 2013;" Plaintiff Vaughan was employed by GSR from "August 2012"
15 through "June 2013;" Plaintiff Martel was employed by GSR from "January 2012" to "July
16 2014;" and Plaintiff Williams was employed by GSR from "April 2014" to "December 2015."
17 See Complaint at 3, ¶¶ 5 - 8. Accordingly, all of Ms. Capilla and Ms. Vaughan's claims, all
18 but one (1) month of Mr. Martel's claims, and all but eighteen (18) months of Ms. Jackson-
19 Williams' claims are dismissed.

22 B. Remaining Claims

23 Two Plaintiffs remain pursuant to this Court's dismissal of all claims accrued prior to
24 June 14, 2016. First, Mr. Martel's claims regarding a one-month period remains; and,
25 second, Ms. Jackson-Williams' claims remains regarding an eighteen months period. GSR
26 assert the remaining claims should be dismissed for (1) failure to exhaust administrative
27 remedies of the collective bargaining agreement; (2) issue preclusion; (3) claim preclusion;
28 (4) lack of standing to represent union employees; and, (5) failure to state a claim.

1 The Court addresses each argument in turn.

2 **1. Mr. Martel and Ms. Jackson-Williams are not Required to Exhaust**
3 **Administrative Remedies**

4 Where an administrative agency has exclusive jurisdiction over statutory claims, the
5 failure to exhaust administrative remedies before proceeding in district court renders the
6 matter unripe for district court review. Allstate Ins. Co. v. Thorpe, 123 Nev. 565, 571, 170
7 P.3d 989, 993 (2007). A private cause of action generally cannot be implied when an
8 administrative official is expressly charged with enforcing a section of laws. Baldonado v.
9 Wynn Las Vegas, LLC, 124 Nev. 951, 194 P.3d 96 (2008). However, the Nevada Supreme
10 Court has determined an employee has a private right to pursue claims for unpaid wages
11 pursuant to NRS 608.140. Neville v. Eighth Judicial Dist. Court in & for Cty. of Clark, 406
12 P.3d 499, 504 (Nev. 2017). As such, the Labor Commissioner does not have exclusive
13 jurisdiction over statutory claims. Therefore, Plaintiffs were not required to exhaust
14 administrative remedies before proceeding to district court.
15

16
17 **2. Issue and Claim Preclusion Does not Apply**

18 In Five Star Capital Corp. v. Ruby, the Nevada Supreme Court set forth a three-part
19 test for determining whether claim preclusion applies to a later action: (1) [T]he parties or
20 their privies are the same, (2) the final judgment is valid, and (3) the subsequent action is
21 based on the same claims or any part of them that were or could have been brought in the
22 first case. 124 Nev. at 1054. In Five Star Capital Corp., the Court reasoned, claim
23 preclusion applies to preclude an entire second suit that is based on the same set of facts
24 and circumstances as the first suit. Id.
25

26 The Court also set forth a four-part test for determining whether issue preclusion
27 applies to a later action:
28

1 (1) the issue decided in the prior litigation must be identical to the issue
2 presented in the current action; (2) **the initial ruling must have been on the**
3 **merits and have become final**; ... (3) the party against whom the judgment is
4 asserted must have been a party or in privity with a party to the prior litigation";
5 and (4) the issue was actually and necessarily litigated.

6 124 Nev. 1048, 1055, 194 P.3d 709, 713 (2008) (citations omitted) (emphasis added).

7 Here, class certification was never addressed in Sargent for the Nevada wage claims
8 and the Court in Sargent has since reversed the grant of summary judgment in light of
9 Neville. There is no issue or claim preclusion because class certification was never
10 independently decided; there has been no ruling on the merits of any of the employees'
11 FLSA or Nevada wage claims; and, the Plaintiffs' NRS 608 and Nevada Constitution
12 minimum wage claims have not actually and necessarily been litigated.

13 3. Standing to Represent Union Employees

14 Pursuant to 29 U.S.C. § 159(a),

15 Representatives designated or selected for the purposes of collective
16 bargaining by the majority of the employees in a unit appropriate for such
17 purposes, shall be the exclusive representatives of all the employees in such
18 unit for the purposes of collective bargaining in respect to rates of pay, wages,
19 hours of employment, or other conditions of employment.

20 29 U.S.C. § 159(a). In Baker v. IBP, Inc., 357 F.3d 685, 690 (7th Cir. 2004), the Seventh
21 Circuit held that where a "suit is at its core about the adequacy of the wages [the employer]
22 pays," individual employees may not represent union workers in a class action when the
23 Union has not breached its duty of fair representation.

24 The court reasoned that union workers "have a representative—one that under the
25 NLRA is supposed to be 'exclusive' with respect to wages" and therefore "Plaintiffs' request
26 to proceed on behalf of a class of all workers shows that they seek to usurp the union's
27 role." Id. at 686, 690. Moreover, state law rights and obligations that do not exist
28

1 independently of private agreements, and that can be waived or altered by agreement as a
2 result, are pre-empted by those agreements. MGM Grand Hotel-Reno, Inc. v. Insley, 102
3 Nev. 513, 517, 728 P.2d 821, 824 (1986).

4
5 Plaintiffs do not dispute that they may not pursue class actions on behalf of union
6 employees because they are not union representatives, who have the exclusive right to
7 represent members of the union with respect wage. However, Plaintiffs dispute that an
8 enforceable collective bargaining agreement was in place. Specifically, Plaintiffs argue that:
9 (1) the CBA is not valid and has expired by its own terms on or about May 1, 2011 (over
10 seven years ago); (2) because it has expired and no subsequent CBA has been ratified or
11 signed, Plaintiffs may sue in this Court for unpaid wages, overtime wages, and penalties
12 due; and, (3) even if the CBA was valid it does not provide otherwise for overtime wages
13 and Plaintiffs may bring their claims in this Court. See Opposition, generally. The Court
14 declines to consider evidence, such as the collective bargaining agreement, outside the
15 pleadings at this time.¹ Considering the claims in Plaintiffs' *Complaint* as true, and drawing
16
17 all conclusions in favor of the Plaintiffs, dismissal is not appropriate on these grounds.
18

19 4. Failure to State a Claim

20 As stated dismissal is appropriate pursuant to NRCP 12(b)(5) "where the allegations
21 are insufficient to establish the elements of a claim for relief." Stockmeier v. Nevada Dept.
22 of Corr. Psychological Review Panel, 124 Nev. 313, 316, 183 P.3d 133, 135 (2008); see
23 also Torres v. Nev. Direct Ins. Co., 131 Nev. Adv. Op. 54, 353 P.3d 1203, 1210 (2015)
24 (same). Nevada is a notice-pleading jurisdiction, therefore, "[t]he test for determining
25 whether the allegations of a cause of action are sufficient to assert a claim for relief is
26 whether the allegations give fair notice of the nature and basis of the claim and the relief
27
28

1 requested." Ravera v. City of Reno, 100 Nev. 68, 70, 675 P.2d 407, 408 (1984); W. States
2 Const., Inc. v. Michoff, 108 Nev. 931, 936, 840 P.2d 1220, 1223 (1992); NRCP 8.

3 Plaintiffs filed their *FAC* on January 29, 2019. This Court finds Plaintiffs have
4 provided sufficient factual allegations regarding hours worked and exacting estimates of
5 shifts and unpaid hours and for the applicable time period to put Defendants on notice of the
6 nature and basis of the claims and relief requested. See FAC, generally.

8 **III. ORDER.**

9 The Court finds a two-year statute of limitation applies to this case. As such, the
10 Court dismisses all of Ms. Capilla and Ms. Vaughan's claims, all but one (1) month of Mr.
11 Martel's claims, and all but eighteen (18) months of Ms. Jackson-Williams' claims.
12 However, the Court declines to dismiss the remaining claims at this time.

14 Based on the foregoing, and good cause appearing thereto,
15 **IT IS HEREBY ORDERED** Defendants' *Motion to Dismiss* is GRANTED, in part, and
16 DENIED, in part.

1 Plaintiffs EDDY MARTEL (also known as MARTEL-RODRIGUEZ) ("Mr. Martel"),
2 MARY ANNE CAPILLA ("Ms. Capilla"), JANICE JACKSON-WILLIAMS ("Ms. Jackson-
3 Williams"), and WHITNEY VAUGHAN ("Ms. Vaughan") (collectively, "Plaintiffs"), on behalf of
4 themselves and all others similarly situated, filed *Plaintiffs' Response to Defendants' Motion*
5 *for Summary Judgment/Summary Adjudication* ("Response") by and through their counsel,
6 Thierman Buck, LLP. GSR filed its *Reply in Support of Defendants' Motion for Summary*
7 *Judgment, or in the Alternative, Summary Adjudication* ("Reply") and submitted the matter
8 for decision thereafter.

10
11 **I. FACTUAL AND PROCEDURAL HISTORY.**

12 This action arises out of an employment dispute between Plaintiffs, employees, and
13 GSR, employer, regarding wages paid by GSR to Plaintiffs and similarly situated
14 employees. Mr. Martel was employed as an attendant in the Bowling Center. Ms. Capilla
15 was employed as a dealer. Ms. Jackson-Williams was employed as a room attendant. And,
16 Ms. Vaughan was employed as a dancing dealer (part cards dealer, part go-go dancer).
17 See *Class Action Complaint* ("Complaint") and *First Amended Class Action Complaint*
18 *("FAC")*, generally. On June 14, 2016, Plaintiffs filed their *Complaint* alleging GSR
19 maintained the following policies, practices, and procedures which required various
20 employees to perform work activities without compensation:
21
22

- 23 (1) GSR's Cash Bank Policy;
- 24 (2) Dance Class Policy;
- 25 (3) Room Attendant Pre-Shift Policy;
- 26 (4) Pre-Shift Meeting Policy;
- 27

28 //

1 (5) Uniform Policy; and,

2 (6) Shift Jamming Policy.

3 *Complaint*, pp. 4-8. As a result of said policies, Plaintiffs assert four (4) claims for relief
4 against GSR:
5

6 (1) Failure to Pay Wages for All Hours Worked in Violation of NRS 608.140 and
7 608.016;

8 (2) Failure to Pay Minimum Wages in Violation of the Nevada Constitution;

9 (3) Failure to Pay Overtime Wages in Violation of NRS 608.140 and 608.018; and,
10

11 (4) Failure to Timely Pay All Wages Due and Owing Upon Termination Pursuant
12 to NRS 608.140 and 608.020-.050.

13 Id., pp. 11-15.

14 On October 9, 2018, this Court entered its *Order After Hearing Granting Defendants'*
15 *Motion to Dismiss* ("Order"). The Court found Plaintiffs failed to provide sufficient
16 information to support their claims and granted GSR's *Motion to Dismiss*. *Order*, pp. 9-10.
17 Thereafter, Plaintiffs filed *Plaintiffs' Motion for Reconsideration of the Court's Order Granting*
18 *Defendant's Motion to Dismiss or in the Alternative Leave to File an Amended Complaint*
19 *("Motion for Reconsideration")* requesting the Court reconsider its *Order* pursuant to NRCP
20 Rule 60(b). *Motion for Reconsideration*, p. 2. This Court entered its *Order Re Motion for*
21 *Reconsideration* on January 9, 2019 and denied Plaintiffs' request on the grounds they
22 failed to state a claim but granted Plaintiffs leave to amend their *Complaint*. *Order Re*
23 *Motion for Reconsideration*, pp. 8-9.
24
25

26 //

27 //

1 On January 29, 2019, Plaintiffs filed their *FAC* asserting the same four (4) claims.
2 Thereafter, GSR filed its *Motion to Dismiss First Amended Complaint* (“*Motion to Dismiss*”),
3 requesting this Court dismiss the *FAC* pursuant to NRCP 12(b)(5). *Motion to Dismiss*, p. 2.
4 GSR argued the claims asserted in the *FAC* “have no more merit than Plaintiffs’ original
5 claims.” *Motion to Dismiss*, p. 2. On June 7, 2019, the Court entered its *Order Granting, in*
6 *Part, and Denying, in Part, Motion to Dismiss* (“*MTD Order*”) concluding a two-year statute
7 of limitation applies to the Plaintiffs’ claims. *MTD Order*, p. 7. As such, the Court dismissed
8 all of Ms. Capilla and Ms. Vaughan’s claims, all but one (1) month of Mr. Martel’s claims,
9 and all but eighteen (18) months of Ms. Jackson-Williams’ claims. *MTD Order*, p. 14.

12 On May 23, 2019, GSR filed its *Motion for Summary Judgment on all Claims*
13 *Asserted by Plaintiffs Martel, Capilla and Vaugh (sic)* (“*First MSJ*”) and argued Plaintiffs
14 claims are barred by claim preclusion. *First MSJ*, p. 4.

16 On June 28, 2019, GSR filed its *Answer to First Amended Class Action Complaint*
17 (“*Answer*”). In addition to admissions and denials to Plaintiffs’ allegations in the *FAC*, GSR
18 asserted, among other affirmative defenses: failure to state a claim; claims are barred, in
19 whole or in part, by the applicable statute of limitations; and, claims are barred due to GSR’s
20 full performance of underlying obligations. *Answer*, generally.

22 On July 8, 2019, GSR filed *Defendants’ Second Motion for Summary Judgment as to*
23 *Plaintiff Martel; Motion for Summary Adjudication on Plaintiffs’ Lack of Standing to*
24 *Represent Union Employees; and Motion for Summary Judgment as to Plaintiff Jackson-*
25 *Williams* (“*Second MSJ*”). GSR made the following arguments: (1) Mr. Martel’s claims are
26 time-barred; (2) Plaintiffs lack standing to represent union employees who are exclusively
27 represented by their unions; (3) Ms. Jackson-Williams’ claims are barred for failing to
28

1 exhaust grievance procedures of the Culinary Collective Bargaining Agreement (“CBA”)
2 and/or based on federal preemption; and, (4) Ms. Jackson-Williams’ claim for overtime is
3 barred pursuant to NRS 608.018 because the CBA provides otherwise for overtime. See
4 *Second MSJ*, generally.

5
6 On July 9, 2019, before this Court rendered its decision on the *First MSJ* and *Second*
7 *MSJ*, GSR filed its *Notice of Filing Petition for Writ of Mandamus and/or Prohibition*
8 (*“Petition”*) with the Supreme Court of Nevada. In the *Petition*, GSR argued the dismissal of
9 Plaintiffs’ first, third, and fourth claims for relief is mandatory on the grounds: Plaintiffs failed
10 to exhaust administrative remedies as required by NRS Chapter 607; legislative mandated
11 remedies must be exhausted despite an implied private right of action; and, NRS 607.215
12 requires Plaintiffs exhaust administrative remedies before pursuing wage claims under NRS
13 608.005 to 608.195. See *Petition*, generally.

14
15 This Court entered its *Order Re Stipulation to Stay All Proceedings and Toll of the*
16 *Five Year Rule* (*“Stipulation”*) on July 17, 2019 and withdrew GSR’s pending motions for
17 summary judgment from submission, without prejudice, allowing renewal upon the Supreme
18 Court of Nevada’s decision. *Stipulation*, p. 9.

19
20 On May 7, 2020, the Supreme Court of Nevada entered its *Order Denying Petition*.
21 The Supreme Court of Nevada reasoned Neville v. Eighth Judicial Dist. Court held, by
22 necessary implication, exhaustion of administrative remedies is not required before filing an
23 unpaid-wage claim in district court. 133 Nev. 77, 406 P.3d 499 (2017).

24
25 On June 9, 2020, GSR filed the instant *Motion* and renewed the claims presented in
26 the *Second MSJ* filed on May 23, 2019. GSR asserts Mr. Martel’s claims are time-barred
27 because the Court’s June 7, 2019, *Order Granting, in Part, and Denying, in Part, Motion to*
28

1 *Dismiss* found a two-year statute of limitations applies, barring claims accruing prior to June
2 14, 2014. Mr. Martel worked his last shift on June 12, 2014. *Motion*, p. 3. GSR argues Ms.
3 Jackson-Williams' claims are barred for failing to exhaust grievance procedures of the
4 Culinary CBA and/or based on federal preemption because state law rights that can be
5 altered by CBAs are preempted by CBAs and employees must make use of the grievance
6 procedures in the CBAs or the claims will be dismissed as preempted by federal law.
7 *Motion*, p. 4; citing Allis-Chalmers Corp. v. Lueck, 471 U.S. 202, 210-20 (1985); MGM
8 Grand Hotel-Reno, Inc. v. Insley, 102 Nev. 513, 517, 728 P.2d 821, 824 (1986). GSR
9 contends Ms. Jackson-Williams' claim for overtime is barred because Article 9.01 of the
10 CBA entitled, "WORK, SHIFTS, WORKWEEK, AND OVERTIME," "provides otherwise" for
11 overtime, therefore exempting Ms. Jackson-Williams from the overtime provisions in
12 Sections 1 and 2 of NRS 608.018. *Motion*, pp. 5-6. GSR argues the Plaintiffs lack standing
13 to represent union employees who are exclusively represented by their respective unions.
14 This is so, GSR maintains, because they are not in the same unions and the bargaining
15 representatives of each union have not been given the opportunity to be present. *Motion*, p.
16 7; citing 29 U.S.C. § 159(a); Vaca v. Sipes, 386 U.S. 171, 186 (1967).

17
18 In the *Response*, Plaintiffs argue Mr. Martel's claim is not time-barred because an
19 employee's claim for unpaid wages accrues thirty (30) days after the employment
20 relationship ends. *Response*, p. 2; citing NRS 608.040-.050. Additionally, Plaintiffs argue
21 GSR admitted it violated overtime requirements when it sent Mr. Martel and hundreds of
22 other current and former employees checks for the unpaid overtime but did not pay
23 continuation wages as mandated by NRS 608.040 and 608.050. *Id.* Plaintiffs assert, based
24 on what they contend is black letter law, purported union employees are not required to

1 exhaust internal union grievance procedures before filing suit. *Response*, p. 12; citing NRS
2 608.140 and 608.050. Plaintiffs next argue courts consistently find union and non-union
3 employees can sue for and on behalf of each other when all allege they are victims of
4 unlawful pay practices. *Response*, p. 13. Plaintiffs state Ms. Jackson-Williams is entitled to
5 statutory overtime protections because the Culinary CBA is not a valid and operable CBA
6 since it is an unsigned draft, and even if operable, the CBA does not provide overtime
7 benefits beyond those conferred by NRS 608.018. *Response*, pp. 17-18. Plaintiffs request
8 the opportunity to conduct further discovery on whether the Culinary Union and the CBA are
9 operational if the Court is inclined to hold the CBA is valid. *Response*, p. 17.

12 In its *Reply*, GSR argues Mr. Martel conceded his underlying wage claims are barred
13 by the applicable statute of limitation, and his derivative waiting time penalty claims under
14 NRS 608.040 and 608.050 fail because they are contrary to accrual of claims case law and
15 statutory language. *Reply*, p. 1. GSR argues Courts have repeatedly rejected assertions
16 similar to Plaintiffs' assertion the Culinary CBA is invalid due to lack of execution. *Reply*, p.
17 2. GSR further maintains the Culinary CBA has affirmed the validity of the CBA. *Id.* GSR
18 contends during the entire term of her GSR employment Ms. Jackson-Williams was subject
19 to the CBA, and the CBA "provides otherwise" for overtime, disqualifying Ms. Jackson-
20 Williams from receiving overtime compensation. *Reply*, p. 9-10. GSR argues Ms. Jackson-
21 Williams' claims for overtime are barred both because she did not exhaust the valid and
22 binding CBA grievance procedures. *Reply*, pp. 12-13. GSR states, pursuant to 29 U.S.C. §
23 159(a), the Culinary Union is the exclusive representative of the employees and Plaintiffs
24 have not alleged a breach of the duty of fair representation, thereby conceding Plaintiffs
25 cannot represent the employees. *Reply*, p. 16. Finally, GSR argues Plaintiffs are not

1 entitled to further discovery under NRCP 56(d) because Plaintiffs failed to provide the
2 requisite affidavit. *Reply*, p. 17; citing Choy v. Ameristar Casinos, Inc., 127 Nev. 870, 872,
3 265 P.3d 698, 700 (2011) and Bakerink v. Orthopaedic Assocs., Ltd., 94 Nev. 428, 431, 581
4 P.2d 9, 11 (1978).

6 **II. STANDARD OF REVIEW; APPLICABLE LAW AND ANALYSIS**

7 Summary judgment is appropriate under Rule 56 of the Nevada Rules of Civil
8 Procedure "when the pleadings, depositions, answers to interrogatories, admissions, and
9 affidavits, if any, that are properly before the court demonstrate that no genuine issue of
10 material fact exists, and the moving party is entitled to judgment as a matter of law." Cuzze v.
11 Univ. & Cmty. Coll. Sys. of Nevada, 123 Nev. 598, 602, 172 P.3d 131, 134 (2007). A factual
12 dispute is genuine when the evidence is such that a rational trier of fact could return a verdict
13 for the nonmoving party. Wood v. Safeway, Inc., 121 Nev. 724, 731, 121 P.3d 1026, 1031
14 (2005). Further, a fact is material if the fact "might affect the outcome of the suit under the
15 governing law." Anderson v. Liberty Lobby, Inc., 477 U.S. 242, 248, 106 S.Ct. 2505, 2510
16 (1986). The pleadings and other proof "must be construed in a light most favorable to the
17 nonmoving party," who bears the burden to "do more than simply show that there is some
18 metaphysical doubt as to the operative facts in order to avoid summary judgment" in favor of
19 the moving party. Id., 121 Nev. at 732, 121 P.3d at 1031. The substantive law controls which
20 factual disputes are material and will preclude summary judgment; other factual disputes are
21 irrelevant. Id., 121 Nev. at 731, 121 P.3d at 1031.

22 The manner in which each party may satisfy its burden of production depends on
23 which party will bear the burden of persuasion on the challenged claim at trial. Cuzze, 123
24 Nev. at 602, 172 P.3d at 134. If the moving party will bear the burden of persuasion, that

1 party must present evidence that would entitle it to a judgment as a matter of law in the
2 absence of contrary evidence. Id. If the nonmoving party will bear the burden of persuasion
3 at trial, the party moving for summary judgment may satisfy the burden of production in two
4 ways: (1) the moving party may submit evidence which negates an essential element of the
5 nonmoving party's claim, or (2) the moving party may merely point out the absence of
6 evidence to support the nonmoving party's case. Id. Therefore, in such instances, in order to
7 defeat summary judgment, the nonmoving party must transcend the pleadings and, by
8 affidavit or other admissible evidence, **introduce specific facts** that show a genuine issue of
9 material fact. Id. "The non-moving party must not simply rely on the pleadings and must do
10 more than make 'conclusory allegations [in] an affidavit.'" Choi v. 8th Bridge Capital, 2020
11 WL1446700, Slip Copy, March 25, 2020 (C.D. Cal.), citing, Lujan v. Nat'l Wildlife Fed'n, 497
12 U.S. 871, 888, 110 S.Ct. 3177, 3188 (1990); see also, Celotex Corp. v. Catrett, 477 U.S. 317,
13 324, 106 S.Ct. 2548, 2553 (1986). "Summary judgment must be granted for the moving
14 party if the nonmoving party 'fails to make showing sufficient to establish an element essential
15 to that party's case, and on which that party bears the burden of proof at trial.'" Choi v. 8th
16 Bridge Capital, 2020 WL1446700, Slip Copy, March 25, 2020 (citing same).

20 In this case, GSR is the moving party that may submit evidence negating an essential
21 element of Plaintiffs' claims, point out the absence of evidence, or establish the elements of
22 a defense. Plaintiffs are the nonmoving party who must introduce specific facts that show a
23 genuine issue of material fact exists.

25 //

26 //

1 Pursuant to NRCP 56, even if the undisputed factual matters are established, a party
2 must still establish the party is entitled to judgment as a matter of law. Kuptz-Blinkinsop v.
3 Blinkinsop, 136 Nev. ___, ___, 466 P.3d 1271, 1273 (2020) (citing Wood v. Safeway, Inc.,
4 121 Nev. at 729, 121 P.3d at 1029 (2005)).

6 **III. FINDINGS OF UNDISPUTED MATERIAL FACT.**

7 The Court finds the following material facts are undisputed:

- 8 1. The *Complaint* was filed in this matter on June 14, 2016.
- 9 2. GSR is an employer. *FAC*, ¶ 10; *Answer*, ¶ 8.
- 10 3. Mr. Martel was employed from on or about January 25, 2012 through June
11 13, 2014. *FAC*, ¶ 20, 34, 49; *Motion*, p. 2; *Response*, p. 6.
- 12 4. Mr. Martel was employed as an arcade attendant and was not covered by a
13 union or a collective bargaining agreement. *Response*, p. 7.
- 14 5. Mr. Martel voluntarily resigned from his employment with GSR on June 14,
15 2014. Decl. of Eddy Martel-Rodriguez, ¶ 4; *Reply*, p. 3, n.1.
- 16 6. Mr. Martel's timeclock indicates he clocked into his final shift at GSR at 6:10
17 p.m. on June 12, 2014. Mr. Martel clocked out on June 13, 2014 at 12:26 a.m. *Motion*, p.
18 2, Ex. 1, Decl. of Eric Candela; *Response*, p. 6.
- 19 7. Mr. Martel was paid every two weeks and last paycheck was paid on June 16,
20 2014. *Reply*, Ex. 1, Decl. of Cynthia Williams, ¶ 3.
- 21 8. Ms. Jackson-Williams was employed as a guest attendant from April 2014,
22 through December, 2015. *FAC*, ¶ 6; *Motion*, p. 2; *Response*, p. 7.
- 23 9. The Culinary CBA is unsigned. *Motion*, p. 7, n.1; *Response*, p. 16; Decl. of
24 Susan Heaney Hilden, ¶ 2.

1 10. Article 9.01 of the Culinary CBA provides:

2 The workweek pay period shall be from Friday through Thursday. For
3 purposes of computing overtime, for an employee scheduled to work five (5)
4 days in one (1) workweek, any hours in excess of eight (8) hours in a day or
5 forty (40) hours in a week shall constitute overtime. For an employee
6 scheduled to work four (4) days in one (1) workweek, any hours worked in
7 excess of ten (10) hours in a day or forty (40) hours in a week shall constitute
8 overtime. . . . Employees absent for personal reasons on one (1) or more of
9 their first five (5) scheduled days of work in their workweek shall work at the
10 Employee's request on a scheduled day off in the same workweek at straight
11 time.

12 *Motion*, p. 6; *Motion*, Ex. 2, Decl. of Susan Hilden, Ex. 1; *Response*, pp. 18-19.

13 11. Pursuant to the Operating Engineers CBA, GSR recognizes the International
14 Union of Operating Engineers Stationary Local No. 39 AFL-CIO as "the exclusive bargaining
15 representative for . . . all draftsmen, carpenters, engineers, locksmiths, painters, upholsters,
16 certified pool operators and engineering department laborers." *Motion*, Ex. 2, Decl. of
17 Susan Hilden, ¶ 11; *Response*, p. 6.

18 12. Pursuant to the IATSE CBA, GSR recognizes the International Alliance of
19 Theatrical Stage Employees, Moving Picture Technicians, Artists and Allied Crafts of the
20 United States, its Territories and Canada, AFL-CIO, CLC LOCAL Union No. 362 ("IATSE")
21 as "the Exclusive collective bargaining representative for . . . all entertainment department
22 employees performing carpentry, electrical, electronic, sound and property work, including
23 stage hands, stage technicians, stage laborers, lounge technicians, convention technicians,
24 spotlight operators and technicians, stage electricians, sound personnel, projectionists,
25 operators of all audio-visual equipment used in connection with the Employer's
26 entertainment and convention operations and all wardrobe personnel . . ." *Motion*, Ex. 2,
27 Decl. of Susan Hilden, ¶12; *Response*, p. 6.

28 //

1 13. The Culinary Union has filed grievances under the Culinary CBA, and
2 arbitrations have taken place. *Motion*, Ex. 2, Decl. of Susan Heaney Hilden, ¶¶ 3-7; Ex. 3,
3 Decl. of Larry Montrose, ¶ 5.

4
5 14. To the extent any of the following conclusions of law include, or may be
6 construed to include, findings of fact, they are incorporated here.

7 **IV. CONCLUSIONS OF LAW.**

8 To the extent any of the foregoing findings of fact constitute, or may be construed
9 to constitute, conclusions of law they are incorporated here:

10
11 **A. STATUTE OF LIMITATION.**

12 1. The Minimum Wage Act (MWA) guarantees employees payment of a specified
13 minimum wage and gives an employee whose employer violates the MWA the right to bring
14 an action against his or her employer in Nevada. Perry v. Terrible Herbst, Inc., 383 P.3d
15 257, 258 (2016).

16
17 2. A two-year statute of limitation applies to actions for failure to pay the
18 minimum wage in violation of the Nevada constitution. Id. at 262.

19 3. The two-year statute of limitation period applies to NRS 608 statutory wage
20 claims that are analogous to a cause of action for failure to pay an employee the lawful
21 minimum wage. Id.

22
23 4. NRS 608.040 provides:

24 1. If an employer fails to pay:

25 (a) Within 3 days after the wages or compensation of a discharged
employee becomes due; or

26 (b) On the day the wages or compensation is due to an employee who
27 resigns or quits, the wages or compensation of the employee continues at the
same rate from the day the employee resigned, quit or was discharged until
paid or for 30 days, whichever is less.

28 2. Any employee who secretes or absents himself or herself to avoid
payment of his or her wages or compensation, or refuses to accept them when

1 fully tendered to him or her, is not entitled to receive the payment thereof for
2 the time he or she secretes or absents himself or herself to avoid payment.

3 NRS 608.040.

4 5. NRS 608.050 provides:

5 1. Whenever an employer of labor shall discharge or lay off employees
6 without first paying them the amount of any wages or salary then due them, in
7 cash and lawful money of the United States, or its equivalent, or shall fail, or
8 refuse on demand, to pay them in like money, or its equivalent, the amount of
9 any wages or salary at the time the same becomes due and owing to them
10 under their contract of employment, whether employed by the hour, day, week
11 or month, each of the employees may charge and collect wages in the sum
12 agreed upon in the contract of employment for each day the employer is in
13 default, until the employee is paid in full, without rendering any service
14 therefor; but the employee shall cease to draw such wages or salary 30 days
15 after such default.

16 2. Every employee shall have a lien as provided in NRS 108.221 to
17 108.246, inclusive, and all other rights and remedies for the protection and
18 enforcement of such salary or wages as the employee would have been
19 entitled to had the employee rendered services therefor in the manner as last
20 employed.

21 NRS 608.050.

22 6. When a derivative claim is dependent on the success of an underlying claim
23 and the underlying "claim having not been established," then the derivative claim "must fail
24 as well." Turner v. Mandalay Sports Entm't, LLC, 124 Nev. 213, 222 n.31, 180 P.3d 1172,
25 1178 n.31 (2008).

26 7. A two-year statute of limitation applies to the claims in this action. Claims
27 which accrued prior to June 14, 2014 are therefore barred by the statute of limitation. See
28 *Order Granting, in Part, and Denying, in Part, Motion to Dismiss* pp. 7-11.

8. Mr. Martel maintains his fourth cause of action for waiting time penalties under
NRS 608.040 and 608.050 is timely because his cause of action did not accrue until thirty
(30) days after his last day of work.

1 9. Based on its plain language, NRS 608.050 is inapplicable to Mr. Martel.
2 Section 608.050 applies to employees who are discharged or laid off by their employer.
3 See NRS 608.050(1). Mr. Martel resigned from his job.

4 10. Section 608.040 of the Nevada Revised Statutes does not apply to wages that
5 are not accrued during the final pay period of the employee.

6 11. No shift jamming, no off-the-clock banking, and no pre-shift meetings occurred
7 during Mr. Martel's final pay period. Mr. Martel's last shift ended on June 13, 2014.

8 12. Therefore, the two-year statute of limitation applies to Mr. Martel's claims.
9 The *Complaint* was filed on June 14, 2016.

10 13. NRS 608.040 does not save Mr. Martel's claims. "[W]hen a statute 'is clear on
11 its face, a court cannot go beyond the statute in determining legislative intent.'" State v.
12 Lucero, 249 P.3d 1226, 1228 (2011) (citing Robert E. v. Justice Court, 99 Nev. 443, 445
13 (1983)). The Court finds NRS 608.040 is clear on its face that it does not apply to all wages,
14 but rather wages due for the pay period before the employee is discharged or quits.
15 Nothing in the statute indicates the rule applies to previously unpaid wages or exists to
16 create a cause of action for those wages.

17 14. The two-year statute of limitation applies to: Plaintiffs' First Cause of Action for
18 Failure to Pay Wages for All Hours Worked in Violation of NRS 608.140 and 608.016;
19 Second Cause of Action for Failure to Pay Minimum Wages in Violation of the Nevada
20 Constitution; Third Cause of Action for Failure to Pay Overtime Wages in Violation of NRS
21 608.140 and 608.018; and, Fourth Cause of Action for Failure to Timely Pay All Wages Due
22 and Owing Upon Termination Pursuant to NRS 608.140 and 608.020-.050.

1 15. Defendants met their burden and established their statute of limitation defense
2 to Plaintiffs' claims as a matter of law.

3 16. Summary judgment should be entered on each of Mr. Martel's claims as they
4 are time-barred.

5 17. After application of the two-year statute of limitation, Ms. Jackson-Williams'
6 claims remain for an eighteen-month period only.

7
8 **B. CBA VALIDITY AND ABILITY TO PROVIDE OTHERWISE FOR OVERTIME**

9 **1. Validity of the CBA**

10 18. The CBA purportedly expired by its own terms on or about May 1, 2011. The
11 CBA has not been extended by signature, however, GSR contends the CBA has been
12 extended by ratification.

13 19. Unsigned CBAs have been found valid and operative when an employer has
14 continued to treat the CBA as binding and effective and employee could not point to
15 evidence to the contrary. Bloom v. Universal City Studios, 933 F.2d 1013, 1991 WL 80602
16 at *1 (9th Cir. 1991) (unpublished); See Retail Clerks Int'l Ass'n v. Lion Dry Goods, Inc., 369
17 U.S. 17, 24 n. 6 (1962) (finding CBA valid even when parties did not negotiate directly and
18 did not consolidate signatures on one document).

19 20. A union will generally be held defunct if it has ceased to exist as an effective
20 labor organization and is no long fulfilling responsibilities in administering the contract.
21 Hershey Chocolate Corp., 121 NLRB 901, 911, 42 LRRM 1460 (1958); see also Pioneer Inn
22 Associates v. N.L.R.B., 578 F.2d 835, 839-40 (1978) (explaining inactivity, failure to monitor
23 contract provisions, and failure to pursue grievances may indicate a failure to administer the
24 contract).

1 21. Signatures on collective bargaining agreements are “not a prerequisite to
2 finding an employer bound to that agreement.” Line Const. Ben. Fund v. Allied Elec.
3 Contractors, Inc., 591 F.3d 576, 580 (7th Cir. 2010); N.L.R.B. v. Electra-Food Mach. Inc.,
4 621 F.2d 956, 958 (9th Cir. 1980) (holding oral agreements are sufficient to create binding
5 collective bargaining agreements even when written agreement is unsigned); N.L.R.B. v.
6 Haberman Const. Co., 641 F.2d 351, 356 (5th Cir. 1981) (en banc) (“[A] union and
7 employer’s adoption of a labor contract is not dependent on the reduction to writing of their
8 intention to be bound”).
9
10

11 22. If the union and the employer continue to operate as if the CBA is operative,
12 the CBA is binding. Here, the union and GSR engaged in arbitration and negotiation when
13 mandated by the CBA. GSR continued to negotiate and arbitrate with the union on multiple
14 occasions. For example, Mr. Montrose confirmed he interacts with the Culinary Union
15 Representative Nicolaza De La Puente weekly and he was notified of at least two different
16 grievances in 2015. *Motion*, Decl. of Larry Montrose, Ex B., Ex. C. The CBA was “ratified
17 by the Union on November 17, 2011, and it was in effect through March 10, 2018, when a
18 subsequent Culinary CBA was ratified.” *Motion*, Decl. of Susan Heaney Hilden, ¶ 2. An
19 arbitration was held on August 25, 2016, in which the parties introduced the CBA as Joint
20 Exhibit 1. *Motion*, Decl. of Susan Heaney Hilden, ¶ 2. Following the August 25, 2016,
21 arbitration, the Culinary Union submitted a Post-Hearing Brief dated October 24, 2016 in
22 which the Union states, “Local 226 has been party to three successive collective-bargaining
23 agreements at the hotel casino that is now known as the Grand Sierra Resort.” *Id.* Plaintiffs
24 contend the CBA expired in May of 2011 but provide the Court with no evidence to dispute
25
26
27
28

1 that the union and the GSR continued to treat the CBA as binding. Undisputed evidence
2 confirms the CBA was valid and operative.

3 **2. The CBA “provides otherwise” for overtime**

4
5 23. NRS 608.018(1)-(2) governs compensation for overtime and reads:

6 1. An employer shall pay 1 1/2 times an employee's regular wage rate
7 whenever an employee who receives compensation for employment at a rate
8 less than 1 1/2 times the minimum rate set forth in NRS 608.250 works:

9 (a) More than 40 hours in any scheduled week of work; or

10 (b) More than 8 hours in any workday unless by mutual agreement the
11 employee works a scheduled 10 hours per day for 4 calendar days within any
12 scheduled week of work.

13 2. An employer shall pay 1 1/2 times an employee's regular wage rate
14 whenever an employee who receives compensation for employment at a rate
15 not less than 1 1/2 times the minimum rate set forth in NRS 608.250 works
16 more than 40 hours in any scheduled week of work.

17 NRS 608.018(1)-(2).

18 24. Section 608.018(3) of the Nevada Revised Statutes provides, “[t]he provisions
19 of subsections 1 and 2 do not apply to . . . (e) Employees covered by collective bargaining
20 agreements which provide otherwise for overtime . . .” NRS 608.018(3) (emphasis added).

21 25. The CBA provides:

22 The workweek pay period shall be from Friday through Thursday. For the
23 purposes of computing overtime, for an employee scheduled to work five (5)
24 days in one (1) workweek, any hours in excess of eight (8) hours in a day or
25 forty (40) hours in a week shall constitute overtime. For an employee
26 scheduled to work four (4) days in one (1) workweek, any hours worked in
27 excess of ten (10) hours in a day or forty (40) hours in a week shall constitute
28 overtime. Overtime shall be effective and paid only after the total number of
hours not worked due to early ours is first subtracted from the total number of
hours actually worked per shift, per workweek. Overtime shall not be paid
under this Section for more than one (1) reason for the same hours worked.
Employees absent for personal reasons on one (1) or more of their first five (5)
scheduled days of work in their workweek shall work at the Employer’s request
on a scheduled day off in the same workweek at straight time. If the employer
anticipates such scheduling, the Employer provide five (5) days’ advance
notice.

1 This provision will remain in effect for the duration of this Agreement.
2 However, at the expiration of the Agreement, the Employer shall have the
3 right to compute and pay overtime in accordance with the provisions of
4 existing federal and state law, and Union employees shall not have the right
to overtime pay above and beyond the applicable federal and state law
requirements.

5 See Motion, Ex. 2A, p. 15.

6 26. CBAs “provide otherwise” for overtime payments when the CBA “contains a
7 negotiated provision on the same subject but different from the statutory provision.”
8 Firestone v. Southern California Gas Co., 219 F.3d 1063, 1067, 164 L.R.R.M. 2897, 2897
9 (9th Cir. 2000); Jacobs v. Mandalay Corp., 378 F. App’x 685, 687 (9th Cir. 2010) (“[S]ection
10 608.018 exempts from coverage those employees ‘covered by collective bargaining
11 agreements which provide otherwise for overtime.’”).
12

13 27. The instant CBA “provides otherwise” for overtime. The CBA provides
14 otherwise for overtime because there are differences in both the practical effects of the
15 overtime provisions in NRS 608.018 and in the CBA’s overtime provisions, as well as the
16 textual provisions. For example, NRS 608.018(1) provides that an employer shall pay 1 1/2
17 times the employee’s regular wage when the employee works more than 40 hours in a week
18 or more than 8 hours in a day. The CBA does not specify what the pay rate shall be.
19 Additionally, the CBA provides for overtime regardless of the employee’s wage, while NRS
20 608.018 only mandates overtime for employees making more than 1 1/2 the minimum wage.
21 NRS 608.018 provides overtime regardless of how many days are worked in a week, while
22 the CBA allows overtime only when employees work five days in one workweek. NRS
23 608.018 does not limit overtime if an employee misses a scheduled day and works an
24 alternate day, however, the CBA does. Accordingly, the CBA “provides otherwise” for
25 overtime.
26
27
28

1 28. The CBA “provides otherwise” for Ms. Jackson-Williams’ claim for overtime
2 and NRS 608.018 does not provide a legal basis for her claim.

3 **3. Grievance Procedures of the Culinary CBA**

4 29. Section 301 of the Labor Management Relations Act states:

5 Suits for violation of contracts between an employer and a labor organization
6 representing employees in an industry affecting commerce ... may be brought
7 in any district court of the United States having jurisdiction of the parties....

8 Labor Management Relations Act of 1947 § 301(a), 29 U.S.C. § 185(a) (1982).

9 30. Employees may pursue claims for unpaid wages through a private cause of
10 action and without enforcing the claim through the Labor Commissioner. Neville v. Eighth
11 Judicial Dist. Court in & for Cty. of Clark, 133 Nev. 777, 782, 406 P.3d 499, 504 (2017).

12 31. State law rights and obligations that do not exist independently of private
13 agreements can be waived or altered by agreement as a result and are pre-empted by
14 those agreements. MGM Grand Hotel-Reno, Inc. v. Insley, 102 Nev. 513, 517, 728 P.2d
15 821, 824 (1986) (citing Allis Chalmers v. Lueck, 471 U.S. 202, 105 S.Ct. 1904 (1985)).

16 32. Workers do not have to submit to arbitration procedures when redressing
17 grievances because a CBA provides contractual rights, but workers may have an
18 independent statutory right to enforce individual rights. Albertson’s, Inc. v. United Food &
19 Commercial Workers Union, ALF-CIO & CLC, 157 F.3d 758, 762 (9th Cir.).

20 33. Whether Ms. Jackson-Williams must follow the grievance procedures
21 contained in the CBA depends on whether she has an independent statutory right to enforce
22 her claims for wages and overtime outside of the CBA. Ms. Jackson-Williams brought
23 claims for Failure to Pay Wages for All Hours Worked in Violation of NRS 608.140 and
24 608.016, Failure to Pay Overtime Wages in Violation of the Nevada Constitution, Failure to
25 Pay Minimum Wages in Violation of NRS 608.140 and 608.018, and Failure to Pay All

1 Wages Due and Owing Upon Termination Pursuant to NRS 608.140 and 608-040-050. The
2 State of Nevada provides independent statutory rights to each of Ms. Jackson-Williams'
3 claims through the Nevada Revised Statutes and the Nevada Constitution. Albertson's Inc.
4 explains, "in filing a lawsuit under [a statute], an employee asserts independent statutory
5 rights . . . The distinctly separate nature of these contractual and statutory rights is not
6 vitiated merely because both were violated as a result of the same factual occurrence." 157
7 F.3d at 761. Since there are state-law rights at issue, Ms. Jackson-Williams' claims are not
8 preempted, and the claims are not mandated to proceed through the grievance procedure of
9 the CBA.
10
11

12 **4. Lack of Standing to Represent Union Employees**

13 34. Section 159(a) of the United States Code states:

14 Representatives designated or selected for the purposes of collective
15 bargaining by the majority of the employees in a unit appropriate for such
16 purposes, shall be the exclusive representatives of all the employees in
17 such unit for the purposes of collective bargaining in respect to rates of pay,
wages, hours of employment, or other conditions of employment.

18 29 U.S.C. § 159(a).

19 35. Baristas, bartenders, and cocktail servers are represented by the Culinary
20 CBA; construction workers are covered by the Operating Engineers CBA; and, technicians
21 are represented by the AFL-CIO Local Union. Plaintiffs, as members of the "shift jamming
22 class" attempt to represent union members from other sub-classes.
23

24 36. Employees may bring an action against an employer without exhausting
25 contractual remedies, but the employees must "prove that the union as bargaining agent
26 breached its duty of fair representation in its handling of the employee's grievance." Vaca v.
27 Sipes, 386 U.S. 171, 186, 87 S.Ct. 903, 914 (1967).
28

1 37. When employees sue to vindicate “uniquely personal rights” as opposed to
2 rights reserved to unions like picketing, renegotiating a contract, or protesting relocation, the
3 employees have standing to sue on their own behalf and on behalf of other union members.
4
5 Lucas v. Bechtel Corp., 633 F.2d 757, 759 (9th Cir. 1980) (citing Hines v. Anchor Motor
6 Freight, Inc., 424 U.S. 554, 562, 96 S.Ct. 1048, 1055 (1976)).

7 38. In Baker v. IBP, Inc., 357 F.3d 685, 690 (7th Cir. 2004), the Seventh Circuit
8 held that where a “suit is at its core about the adequacy of the wages [the employer] pays,”
9 individual employees may not represent union workers in a class action when the union has
10 not breached its duty of fair representation.” The court reasoned union workers “have a
11 representative—one that under the NLRA is supposed to be ‘exclusive’ with respect to
12 wages” and therefore “Plaintiffs’ request to proceed on behalf of a class of all workers
13 shows that they seek to usurp the union’s role.” Id. at 686, 690.

14
15 39. Plaintiffs do not assert the Union has breached its duty of fair representation.
16 The CBA is valid and operative. Plaintiffs cannot represent those other union members who
17 are represented by separate unions without asserting those union representatives breached
18 their duty of fair representation.
19

20 **C. PLAINTIFFS’ REQUEST FOR ADDITIONAL DISCOVERY**
21 **PURSUANT TO NRCP 56.**

22 40. Nevada Rules of Civil Procedure Rule 56 provides:

- 23 (d) When Facts Are Unavailable to the Nonmovant. If a nonmovant
24 shows by affidavit or declaration that, for specified reasons, it cannot
25 present facts essential to justify its opposition, the court may:
26 (1) defer considering the motion or deny it;
27 (2) allow time to obtain affidavits or declarations or to take discovery; or
28 (3) issue any other appropriate order.

NRCP 56(d).

41. A party opposing summary judgment pursuant to NRCP 56(d) has the burden of affirmatively demonstrating by a good-faith affidavit (1) the identification of the specific facts that further discovery would reveal; (2) the specific reasons why such evidence is presently unavailable; and (3) how those facts would preclude summary judgment. Family Home & Fin. Ctr., Inc. v. Fed. Home Loan Mortgage Corp., 525 F.3d 822, 827 (9th Cir. 2008); Collins v. Union Fed. Sav. & Loan Ass'n, 99 Nev. 657, 669-70, 262 P.3d 705, 714 (2011).

42. Plaintiffs request additional discovery to ascertain whether the CBA is valid or not. Plaintiffs have not provided an affidavit, have not articulated the specific reasons why the evidence they need is unavailable to them, and have not stated how those facts would preclude summary judgment.

V. CONCLUSION AND ORDER.

Based on the foregoing findings of fact and conclusions of law and good cause appearing therefore,

IT IS HEREBY ORDERED summary judgment is entered in favor of GSR and against the Plaintiffs.

DATED this 2nd day of November, 2020.

1 Plaintiffs EDDY MARTEL (also known as MARTEL-RODRIGUEZ) ("Mr. Martel"),
2 MARY ANNE CAPILLA ("Ms. Capilla"), JANICE JACKSON-WILLIAMS ("Ms. Jackson-
3 Williams"), and WHITNEY VAUGHAN ("Ms. Vaughan") (collectively, "Plaintiffs"), on behalf of
4 themselves and all others similarly situated, filed *Plaintiffs' Response to Defendants' Motion*
5 *for Summary Judgment/Summary Adjudication* ("Response") by and through their counsel,
6 Thierman Buck, LLP. GSR filed its *Reply in Support of Defendants' Motion for Summary*
7 *Judgment, or in the Alternative, Summary Adjudication* ("Reply") and submitted the matter
8 for decision thereafter.
9

10
11 **I. FACTUAL AND PROCEDURAL HISTORY.**

12 This action arises out of an employment dispute between Plaintiffs, employees, and
13 GSR, employer, regarding wages paid by GSR to Plaintiffs and similarly situated
14 employees. Mr. Martel was employed as an attendant in the Bowling Center. Ms. Capilla
15 was employed as a dealer. Ms. Jackson-Williams was employed as a room attendant. And,
16 Ms. Vaughan was employed as a dancing dealer (part cards dealer, part go-go dancer).
17 See *Class Action Complaint* ("Complaint") and *First Amended Class Action Complaint*
18 *("FAC")*, generally. On June 14, 2016, Plaintiffs filed their *Complaint* alleging GSR
19 maintained the following policies, practices, and procedures which required various
20 employees to perform work activities without compensation:
21
22

- 23 (1) GSR's Cash Bank Policy;
- 24 (2) Dance Class Policy;
- 25 (3) Room Attendant Pre-Shift Policy;
- 26 (4) Pre-Shift Meeting Policy;
- 27

28 //

1 (5) Uniform Policy; and,

2 (6) Shift Jamming Policy.

3 *Complaint*, pp. 4-8. As a result of said policies, Plaintiffs assert four (4) claims for relief
4 against GSR:
5

6 (1) Failure to Pay Wages for All Hours Worked in Violation of NRS 608.140 and
7 608.016;

8 (2) Failure to Pay Minimum Wages in Violation of the Nevada Constitution;

9 (3) Failure to Pay Overtime Wages in Violation of NRS 608.140 and 608.018; and,
10

11 (4) Failure to Timely Pay All Wages Due and Owing Upon Termination Pursuant
12 to NRS 608.140 and 608.020-.050.

13 Id., pp. 11-15.

14 On October 9, 2018, this Court entered its *Order After Hearing Granting Defendants'*
15 *Motion to Dismiss* ("Order"). The Court found Plaintiffs failed to provide sufficient
16 information to support their claims and granted GSR's *Motion to Dismiss*. *Order*, pp. 9-10.
17 Thereafter, Plaintiffs filed *Plaintiffs' Motion for Reconsideration of the Court's Order Granting*
18 *Defendant's Motion to Dismiss or in the Alternative Leave to File an Amended Complaint*
19 *("Motion for Reconsideration")* requesting the Court reconsider its *Order* pursuant to NRCP
20 Rule 60(b). *Motion for Reconsideration*, p. 2. This Court entered its *Order Re Motion for*
21 *Reconsideration* on January 9, 2019 and denied Plaintiffs' request on the grounds they
22 failed to state a claim but granted Plaintiffs leave to amend their *Complaint*. *Order Re*
23 *Motion for Reconsideration*, pp. 8-9.
24
25

26 //

27 //

1 On January 29, 2019, Plaintiffs filed their *FAC* asserting the same four (4) claims.
2 Thereafter, GSR filed its *Motion to Dismiss First Amended Complaint* (“*Motion to Dismiss*”),
3 requesting this Court dismiss the *FAC* pursuant to NRCP 12(b)(5). *Motion to Dismiss*, p. 2.
4 GSR argued the claims asserted in the *FAC* “have no more merit than Plaintiffs’ original
5 claims.” *Motion to Dismiss*, p. 2. On June 7, 2019, the Court entered its *Order Granting, in*
6 *Part, and Denying, in Part, Motion to Dismiss* (“*MTD Order*”) concluding a two-year statute
7 of limitation applies to the Plaintiffs’ claims. *MTD Order*, p. 7. As such, the Court dismissed
8 all of Ms. Capilla and Ms. Vaughan’s claims, all but one (1) month of Mr. Martel’s claims,
9 and all but eighteen (18) months of Ms. Jackson-Williams’ claims. *MTD Order*, p. 14.
10
11

12 On May 23, 2019, GSR filed its *Motion for Summary Judgment on all Claims*
13 *Asserted by Plaintiffs Martel, Capilla and Vaugh (sic)* (“*First MSJ*”) and argued Plaintiffs
14 claims are barred by claim preclusion. *First MSJ*, p. 4.
15

16 On June 28, 2019, GSR filed its *Answer to First Amended Class Action Complaint*
17 (“*Answer*”). In addition to admissions and denials to Plaintiffs’ allegations in the *FAC*, GSR
18 asserted, among other affirmative defenses: failure to state a claim; claims are barred, in
19 whole or in part, by the applicable statute of limitations; and, claims are barred due to GSR’s
20 full performance of underlying obligations. *Answer*, generally.
21

22 On July 8, 2019, GSR filed *Defendants’ Second Motion for Summary Judgment as to*
23 *Plaintiff Martel; Motion for Summary Adjudication on Plaintiffs’ Lack of Standing to*
24 *Represent Union Employees; and Motion for Summary Judgment as to Plaintiff Jackson-*
25 *Williams* (“*Second MSJ*”). GSR made the following arguments: (1) Mr. Martel’s claims are
26 time-barred; (2) Plaintiffs lack standing to represent union employees who are exclusively
27 represented by their unions; (3) Ms. Jackson-Williams’ claims are barred for failing to
28

1 exhaust grievance procedures of the Culinary Collective Bargaining Agreement (“CBA”)
2 and/or based on federal preemption; and, (4) Ms. Jackson-Williams’ claim for overtime is
3 barred pursuant to NRS 608.018 because the CBA provides otherwise for overtime. See
4 *Second MSJ*, generally.

5
6 On July 9, 2019, before this Court rendered its decision on the *First MSJ* and *Second*
7 *MSJ*, GSR filed its *Notice of Filing Petition for Writ of Mandamus and/or Prohibition*
8 (*“Petition”*) with the Supreme Court of Nevada. In the *Petition*, GSR argued the dismissal of
9 Plaintiffs’ first, third, and fourth claims for relief is mandatory on the grounds: Plaintiffs failed
10 to exhaust administrative remedies as required by NRS Chapter 607; legislative mandated
11 remedies must be exhausted despite an implied private right of action; and, NRS 607.215
12 requires Plaintiffs exhaust administrative remedies before pursuing wage claims under NRS
13 608.005 to 608.195. See *Petition*, generally.

14
15 This Court entered its *Order Re Stipulation to Stay All Proceedings and Toll of the*
16 *Five Year Rule* (*“Stipulation”*) on July 17, 2019 and withdrew GSR’s pending motions for
17 summary judgment from submission, without prejudice, allowing renewal upon the Supreme
18 Court of Nevada’s decision. *Stipulation*, p. 9.

19
20 On May 7, 2020, the Supreme Court of Nevada entered its *Order Denying Petition*.
21 The Supreme Court of Nevada reasoned Neville v. Eighth Judicial Dist. Court held, by
22 necessary implication, exhaustion of administrative remedies is not required before filing an
23 unpaid-wage claim in district court. 133 Nev. 77, 406 P.3d 499 (2017).

24
25 On June 9, 2020, GSR filed the instant *Motion* and renewed the claims presented in
26 the *Second MSJ* filed on May 23, 2019. GSR asserts Mr. Martel’s claims are time-barred
27 because the Court’s June 7, 2019, *Order Granting, in Part, and Denying, in Part, Motion to*
28

1 *Dismiss* found a two-year statute of limitations applies, barring claims accruing prior to June
2 14, 2014. Mr. Martel worked his last shift on June 12, 2014. *Motion*, p. 3. GSR argues Ms.
3 Jackson-Williams' claims are barred for failing to exhaust grievance procedures of the
4 Culinary CBA and/or based on federal preemption because state law rights that can be
5 altered by CBAs are preempted by CBAs and employees must make use of the grievance
6 procedures in the CBAs or the claims will be dismissed as preempted by federal law.
7 *Motion*, p. 4; citing Allis-Chalmers Corp. v. Lueck, 471 U.S. 202, 210-20 (1985); MGM
8 Grand Hotel-Reno, Inc. v. Insley, 102 Nev. 513, 517, 728 P.2d 821, 824 (1986). GSR
9 contends Ms. Jackson-Williams' claim for overtime is barred because Article 9.01 of the
10 CBA entitled, "WORK, SHIFTS, WORKWEEK, AND OVERTIME," "provides otherwise" for
11 overtime, therefore exempting Ms. Jackson-Williams from the overtime provisions in
12 Sections 1 and 2 of NRS 608.018. *Motion*, pp. 5-6. GSR argues the Plaintiffs lack standing
13 to represent union employees who are exclusively represented by their respective unions.
14 This is so, GSR maintains, because they are not in the same unions and the bargaining
15 representatives of each union have not been given the opportunity to be present. *Motion*, p.
16 7; citing 29 U.S.C. § 159(a); Vaca v. Sipes, 386 U.S. 171, 186 (1967).

17
18 In the *Response*, Plaintiffs argue Mr. Martel's claim is not time-barred because an
19 employee's claim for unpaid wages accrues thirty (30) days after the employment
20 relationship ends. *Response*, p. 2; citing NRS 608.040-.050. Additionally, Plaintiffs argue
21 GSR admitted it violated overtime requirements when it sent Mr. Martel and hundreds of
22 other current and former employees checks for the unpaid overtime but did not pay
23 continuation wages as mandated by NRS 608.040 and 608.050. *Id.* Plaintiffs assert, based
24 on what they contend is black letter law, purported union employees are not required to

1 exhaust internal union grievance procedures before filing suit. *Response*, p. 12; citing NRS
2 608.140 and 608.050. Plaintiffs next argue courts consistently find union and non-union
3 employees can sue for and on behalf of each other when all allege they are victims of
4 unlawful pay practices. *Response*, p. 13. Plaintiffs state Ms. Jackson-Williams is entitled to
5 statutory overtime protections because the Culinary CBA is not a valid and operable CBA
6 since it is an unsigned draft, and even if operable, the CBA does not provide overtime
7 benefits beyond those conferred by NRS 608.018. *Response*, pp. 17-18. Plaintiffs request
8 the opportunity to conduct further discovery on whether the Culinary Union and the CBA are
9 operational if the Court is inclined to hold the CBA is valid. *Response*, p. 17.

12 In its *Reply*, GSR argues Mr. Martel conceded his underlying wage claims are barred
13 by the applicable statute of limitation, and his derivative waiting time penalty claims under
14 NRS 608.040 and 608.050 fail because they are contrary to accrual of claims case law and
15 statutory language. *Reply*, p. 1. GSR argues Courts have repeatedly rejected assertions
16 similar to Plaintiffs' assertion the Culinary CBA is invalid due to lack of execution. *Reply*, p.
17 2. GSR further maintains the Culinary CBA has affirmed the validity of the CBA. *Id.* GSR
18 contends during the entire term of her GSR employment Ms. Jackson-Williams was subject
19 to the CBA, and the CBA "provides otherwise" for overtime, disqualifying Ms. Jackson-
20 Williams from receiving overtime compensation. *Reply*, p. 9-10. GSR argues Ms. Jackson-
21 Williams' claims for overtime are barred both because she did not exhaust the valid and
22 binding CBA grievance procedures. *Reply*, pp. 12-13. GSR states, pursuant to 29 U.S.C. §
23 159(a), the Culinary Union is the exclusive representative of the employees and Plaintiffs
24 have not alleged a breach of the duty of fair representation, thereby conceding Plaintiffs
25 cannot represent the employees. *Reply*, p. 16. Finally, GSR argues Plaintiffs are not

1 entitled to further discovery under NRCP 56(d) because Plaintiffs failed to provide the
2 requisite affidavit. *Reply*, p. 17; citing Choy v. Ameristar Casinos, Inc., 127 Nev. 870, 872,
3 265 P.3d 698, 700 (2011) and Bakerink v. Orthopaedic Assocs., Ltd., 94 Nev. 428, 431, 581
4 P.2d 9, 11 (1978).

6 **II. STANDARD OF REVIEW; APPLICABLE LAW AND ANALYSIS**

7 Summary judgment is appropriate under Rule 56 of the Nevada Rules of Civil
8 Procedure "when the pleadings, depositions, answers to interrogatories, admissions, and
9 affidavits, if any, that are properly before the court demonstrate that no genuine issue of
10 material fact exists, and the moving party is entitled to judgment as a matter of law." Cuzze v.
11 Univ. & Cmty. Coll. Sys. of Nevada, 123 Nev. 598, 602, 172 P.3d 131, 134 (2007). A factual
12 dispute is genuine when the evidence is such that a rational trier of fact could return a verdict
13 for the nonmoving party. Wood v. Safeway, Inc., 121 Nev. 724, 731, 121 P.3d 1026, 1031
14 (2005). Further, a fact is material if the fact "might affect the outcome of the suit under the
15 governing law." Anderson v. Liberty Lobby, Inc., 477 U.S. 242, 248, 106 S.Ct. 2505, 2510
16 (1986). The pleadings and other proof "must be construed in a light most favorable to the
17 nonmoving party," who bears the burden to "do more than simply show that there is some
18 metaphysical doubt as to the operative facts in order to avoid summary judgment" in favor of
19 the moving party. Id., 121 Nev. at 732, 121 P.3d at 1031. The substantive law controls which
20 factual disputes are material and will preclude summary judgment; other factual disputes are
21 irrelevant. Id., 121 Nev. at 731, 121 P.3d at 1031.

22 The manner in which each party may satisfy its burden of production depends on
23 which party will bear the burden of persuasion on the challenged claim at trial. Cuzze, 123
24 Nev. at 602, 172 P.3d at 134. If the moving party will bear the burden of persuasion, that

1 party must present evidence that would entitle it to a judgment as a matter of law in the
2 absence of contrary evidence. Id. If the nonmoving party will bear the burden of persuasion
3 at trial, the party moving for summary judgment may satisfy the burden of production in two
4 ways: (1) the moving party may submit evidence which negates an essential element of the
5 nonmoving party's claim, or (2) the moving party may merely point out the absence of
6 evidence to support the nonmoving party's case. Id. Therefore, in such instances, in order to
7 defeat summary judgment, the nonmoving party must transcend the pleadings and, by
8 affidavit or other admissible evidence, **introduce specific facts** that show a genuine issue of
9 material fact. Id. "The non-moving party must not simply rely on the pleadings and must do
10 more than make 'conclusory allegations [in] an affidavit.'" Choi v. 8th Bridge Capital, 2020
11 WL1446700, Slip Copy, March 25, 2020 (C.D. Cal.), citing, Lujan v. Nat'l Wildlife Fed'n, 497
12 U.S. 871, 888, 110 S.Ct. 3177, 3188 (1990); see also, Celotex Corp. v. Catrett, 477 U.S. 317,
13 324, 106 S.Ct. 2548, 2553 (1986). "Summary judgment must be granted for the moving
14 party if the nonmoving party 'fails to make showing sufficient to establish an element essential
15 to that party's case, and on which that party bears the burden of proof at trial.'" Choi v. 8th
16 Bridge Capital, 2020 WL1446700, Slip Copy, March 25, 2020 (citing same).

20 In this case, GSR is the moving party that may submit evidence negating an essential
21 element of Plaintiffs' claims, point out the absence of evidence, or establish the elements of
22 a defense. Plaintiffs are the nonmoving party who must introduce specific facts that show a
23 genuine issue of material fact exists.

25 //

26 //

1 Pursuant to NRCP 56, even if the undisputed factual matters are established, a party
2 must still establish the party is entitled to judgment as a matter of law. Kuptz-Blinkinsop v.
3 Blinkinsop, 136 Nev. ___, ___, 466 P.3d 1271, 1273 (2020) (citing Wood v. Safeway, Inc.,
4 121 Nev. at 729, 121 P.3d at 1029 (2005)).

6 **III. FINDINGS OF UNDISPUTED MATERIAL FACT.**

7 The Court finds the following material facts are undisputed:

- 8 1. The *Complaint* was filed in this matter on June 14, 2016.
- 9 2. GSR is an employer. *FAC*, ¶ 10; *Answer*, ¶ 8.
- 10 3. Mr. Martel was employed from on or about January 25, 2012 through June

- 12 4. Mr. Martel was employed as an arcade attendant and was not covered by a
13 union or a collective bargaining agreement. *Response*, p. 7.
- 14 5. Mr. Martel voluntarily resigned from his employment with GSR on June 14,
15 2014. Decl. of Eddy Martel-Rodriguez, ¶ 4; *Reply*, p. 3, n.1.

17 p.m. on June 12, 2014. Mr. Martel clocked out on June 13, 2014 at 12:26 a.m. *Motion*, p.
18 2, Ex. 1, Decl. of Eric Candela; *Response*, p. 6.
- 19 7. Mr. Martel was paid every two weeks and last paycheck was paid on June 16,
20 2014. *Reply*, Ex. 1, Decl. of Cynthia Williams, ¶ 3.
- 21 8. Ms. Jackson-Williams was employed as a guest attendant from April 2014,
22 through December, 2015. *FAC*, ¶ 6; *Motion*, p. 2; *Response*, p. 7.
- 23 9. The Culinary CBA is unsigned. *Motion*, p. 7, n.1; *Response*, p. 16; Decl. of
24 Susan Heaney Hilden, ¶ 2.

1 10. Article 9.01 of the Culinary CBA provides:

2 The workweek pay period shall be from Friday through Thursday. For
3 purposes of computing overtime, for an employee scheduled to work five (5)
4 days in one (1) workweek, any hours in excess of eight (8) hours in a day or
5 forty (40) hours in a week shall constitute overtime. For an employee
6 scheduled to work four (4) days in one (1) workweek, any hours worked in
7 excess of ten (10) hours in a day or forty (40) hours in a week shall constitute
8 overtime. . . . Employees absent for personal reasons on one (1) or more of
9 their first five (5) scheduled days of work in their workweek shall work at the
10 Employee's request on a scheduled day off in the same workweek at straight
11 time.

12 *Motion*, p. 6; *Motion*, Ex. 2, Decl. of Susan Hilden, Ex. 1; *Response*, pp. 18-19.

13 11. Pursuant to the Operating Engineers CBA, GSR recognizes the International
14 Union of Operating Engineers Stationary Local No. 39 AFL-CIO as "the exclusive bargaining
15 representative for . . . all draftsmen, carpenters, engineers, locksmiths, painters, upholsters,
16 certified pool operators and engineering department laborers." *Motion*, Ex. 2, Decl. of
17 Susan Hilden, ¶ 11; *Response*, p. 6.

18 12. Pursuant to the IATSE CBA, GSR recognizes the International Alliance of
19 Theatrical Stage Employees, Moving Picture Technicians, Artists and Allied Crafts of the
20 United States, its Territories and Canada, AFL-CIO, CLC LOCAL Union No. 362 ("IATSE")
21 as "the Exclusive collective bargaining representative for . . . all entertainment department
22 employees performing carpentry, electrical, electronic, sound and property work, including
23 stage hands, stage technicians, stage laborers, lounge technicians, convention technicians,
24 spotlight operators and technicians, stage electricians, sound personnel, projectionists,
25 operators of all audio-visual equipment used in connection with the Employer's
26 entertainment and convention operations and all wardrobe personnel . . ." *Motion*, Ex. 2,
27 Decl. of Susan Hilden, ¶12; *Response*, p. 6.

28 //

1 13. The Culinary Union has filed grievances under the Culinary CBA, and
2 arbitrations have taken place. *Motion*, Ex. 2, Decl. of Susan Heaney Hilden, ¶¶ 3-7; Ex. 3,
3 Decl. of Larry Montrose, ¶ 5.

4
5 14. To the extent any of the following conclusions of law include, or may be
6 construed to include, findings of fact, they are incorporated here.

7 **IV. CONCLUSIONS OF LAW.**

8 To the extent any of the foregoing findings of fact constitute, or may be construed
9 to constitute, conclusions of law they are incorporated here:

10
11 **A. STATUTE OF LIMITATION.**

12 1. The Minimum Wage Act (MWA) guarantees employees payment of a specified
13 minimum wage and gives an employee whose employer violates the MWA the right to bring
14 an action against his or her employer in Nevada. Perry v. Terrible Herbst, Inc., 383 P.3d
15 257, 258 (2016).

16
17 2. A two-year statute of limitation applies to actions for failure to pay the
18 minimum wage in violation of the Nevada constitution. Id. at 262.

19 3. The two-year statute of limitation period applies to NRS 608 statutory wage
20 claims that are analogous to a cause of action for failure to pay an employee the lawful
21 minimum wage. Id.

22
23 4. NRS 608.040 provides:

24 1. If an employer fails to pay:

25 (a) Within 3 days after the wages or compensation of a discharged
employee becomes due; or

26 (b) On the day the wages or compensation is due to an employee who
27 resigns or quits, the wages or compensation of the employee continues at the
same rate from the day the employee resigned, quit or was discharged until
paid or for 30 days, whichever is less.

28 2. Any employee who secretes or absents himself or herself to avoid
payment of his or her wages or compensation, or refuses to accept them when

1 fully tendered to him or her, is not entitled to receive the payment thereof for
2 the time he or she secretes or absents himself or herself to avoid payment.

3 NRS 608.040.

4 5. NRS 608.050 provides:

5 1. Whenever an employer of labor shall discharge or lay off employees
6 without first paying them the amount of any wages or salary then due them, in
7 cash and lawful money of the United States, or its equivalent, or shall fail, or
8 refuse on demand, to pay them in like money, or its equivalent, the amount of
9 any wages or salary at the time the same becomes due and owing to them
10 under their contract of employment, whether employed by the hour, day, week
11 or month, each of the employees may charge and collect wages in the sum
12 agreed upon in the contract of employment for each day the employer is in
13 default, until the employee is paid in full, without rendering any service
14 therefor; but the employee shall cease to draw such wages or salary 30 days
15 after such default.

16 2. Every employee shall have a lien as provided in NRS 108.221 to
17 108.246, inclusive, and all other rights and remedies for the protection and
18 enforcement of such salary or wages as the employee would have been
19 entitled to had the employee rendered services therefor in the manner as last
20 employed.

21 NRS 608.050.

22 6. When a derivative claim is dependent on the success of an underlying claim
23 and the underlying "claim having not been established," then the derivative claim "must fail
24 as well." Turner v. Mandalay Sports Entm't, LLC, 124 Nev. 213, 222 n.31, 180 P.3d 1172,
25 1178 n.31 (2008).

26 7. A two-year statute of limitation applies to the claims in this action. Claims
27 which accrued prior to June 14, 2014 are therefore barred by the statute of limitation. See
28 *Order Granting, in Part, and Denying, in Part, Motion to Dismiss* pp. 7-11.

8. Mr. Martel maintains his fourth cause of action for waiting time penalties under
NRS 608.040 and 608.050 is timely because his cause of action did not accrue until thirty
(30) days after his last day of work.

1 9. Based on its plain language, NRS 608.050 is inapplicable to Mr. Martel.
2 Section 608.050 applies to employees who are discharged or laid off by their employer.
3 See NRS 608.050(1). Mr. Martel resigned from his job.

4 10. Section 608.040 of the Nevada Revised Statutes does not apply to wages that
5 are not accrued during the final pay period of the employee.

6 11. No shift jamming, no off-the-clock banking, and no pre-shift meetings occurred
7 during Mr. Martel's final pay period. Mr. Martel's last shift ended on June 13, 2014.

8 12. Therefore, the two-year statute of limitation applies to Mr. Martel's claims.
9 The *Complaint* was filed on June 14, 2016.

10 13. NRS 608.040 does not save Mr. Martel's claims. "[W]hen a statute 'is clear on
11 its face, a court cannot go beyond the statute in determining legislative intent.'" State v.
12 Lucero, 249 P.3d 1226, 1228 (2011) (citing Robert E. v. Justice Court, 99 Nev. 443, 445
13 (1983)). The Court finds NRS 608.040 is clear on its face that it does not apply to all wages,
14 but rather wages due for the pay period before the employee is discharged or quits.
15 Nothing in the statute indicates the rule applies to previously unpaid wages or exists to
16 create a cause of action for those wages.

17 14. The two-year statute of limitation applies to: Plaintiffs' First Cause of Action for
18 Failure to Pay Wages for All Hours Worked in Violation of NRS 608.140 and 608.016;
19 Second Cause of Action for Failure to Pay Minimum Wages in Violation of the Nevada
20 Constitution; Third Cause of Action for Failure to Pay Overtime Wages in Violation of NRS
21 608.140 and 608.018; and, Fourth Cause of Action for Failure to Timely Pay All Wages Due
22 and Owing Upon Termination Pursuant to NRS 608.140 and 608.020-.050.

1 15. Defendants met their burden and established their statute of limitation defense
2 to Plaintiffs' claims as a matter of law.

3 16. Summary judgment should be entered on each of Mr. Martel's claims as they
4 are time-barred.

5 17. After application of the two-year statute of limitation, Ms. Jackson-Williams'
6 claims remain for an eighteen-month period only.

7
8 **B. CBA VALIDITY AND ABILITY TO PROVIDE OTHERWISE FOR OVERTIME**

9 **1. Validity of the CBA**

10 18. The CBA purportedly expired by its own terms on or about May 1, 2011. The
11 CBA has not been extended by signature, however, GSR contends the CBA has been
12 extended by ratification.

13 19. Unsigned CBAs have been found valid and operative when an employer has
14 continued to treat the CBA as binding and effective and employee could not point to
15 evidence to the contrary. Bloom v. Universal City Studios, 933 F.2d 1013, 1991 WL 80602
16 at *1 (9th Cir. 1991) (unpublished); See Retail Clerks Int'l Ass'n v. Lion Dry Goods, Inc., 369
17 U.S. 17, 24 n. 6 (1962) (finding CBA valid even when parties did not negotiate directly and
18 did not consolidate signatures on one document).

19 20. A union will generally be held defunct if it has ceased to exist as an effective
20 labor organization and is no long fulfilling responsibilities in administering the contract.
21 Hershey Chocolate Corp., 121 NLRB 901, 911, 42 LRRM 1460 (1958); see also Pioneer Inn
22 Associates v. N.L.R.B., 578 F.2d 835, 839-40 (1978) (explaining inactivity, failure to monitor
23 contract provisions, and failure to pursue grievances may indicate a failure to administer the
24 contract).

1 21. Signatures on collective bargaining agreements are “not a prerequisite to
2 finding an employer bound to that agreement.” Line Const. Ben. Fund v. Allied Elec.
3 Contractors, Inc., 591 F.3d 576, 580 (7th Cir. 2010); N.L.R.B. v. Electra-Food Mach. Inc.,
4 621 F.2d 956, 958 (9th Cir. 1980) (holding oral agreements are sufficient to create binding
5 collective bargaining agreements even when written agreement is unsigned); N.L.R.B. v.
6 Haberman Const. Co., 641 F.2d 351, 356 (5th Cir. 1981) (en banc) (“[A] union and
7 employer’s adoption of a labor contract is not dependent on the reduction to writing of their
8 intention to be bound”).
9
10

11 22. If the union and the employer continue to operate as if the CBA is operative,
12 the CBA is binding. Here, the union and GSR engaged in arbitration and negotiation when
13 mandated by the CBA. GSR continued to negotiate and arbitrate with the union on multiple
14 occasions. For example, Mr. Montrose confirmed he interacts with the Culinary Union
15 Representative Nicolaza De La Puente weekly and he was notified of at least two different
16 grievances in 2015. *Motion*, Decl. of Larry Montrose, Ex B., Ex. C. The CBA was “ratified
17 by the Union on November 17, 2011, and it was in effect through March 10, 2018, when a
18 subsequent Culinary CBA was ratified.” *Motion*, Decl. of Susan Heaney Hilden, ¶ 2. An
19 arbitration was held on August 25, 2016, in which the parties introduced the CBA as Joint
20 Exhibit 1. *Motion*, Decl. of Susan Heaney Hilden, ¶ 2. Following the August 25, 2016,
21 arbitration, the Culinary Union submitted a Post-Hearing Brief dated October 24, 2016 in
22 which the Union states, “Local 226 has been party to three successive collective-bargaining
23 agreements at the hotel casino that is now known as the Grand Sierra Resort.” *Id.* Plaintiffs
24 contend the CBA expired in May of 2011 but provide the Court with no evidence to dispute
25
26
27
28

1 that the union and the GSR continued to treat the CBA as binding. Undisputed evidence
2 confirms the CBA was valid and operative.

3 **2. The CBA “provides otherwise” for overtime**

4
5 23. NRS 608.018(1)-(2) governs compensation for overtime and reads:

6 1. An employer shall pay 1 1/2 times an employee's regular wage rate
7 whenever an employee who receives compensation for employment at a rate
8 less than 1 1/2 times the minimum rate set forth in NRS 608.250 works:

9 (a) More than 40 hours in any scheduled week of work; or

10 (b) More than 8 hours in any workday unless by mutual agreement the
11 employee works a scheduled 10 hours per day for 4 calendar days within any
12 scheduled week of work.

13 2. An employer shall pay 1 1/2 times an employee's regular wage rate
14 whenever an employee who receives compensation for employment at a rate
15 not less than 1 1/2 times the minimum rate set forth in NRS 608.250 works
16 more than 40 hours in any scheduled week of work.

17 NRS 608.018(1)-(2).

18 24. Section 608.018(3) of the Nevada Revised Statutes provides, “[t]he provisions
19 of subsections 1 and 2 do not apply to . . . (e) Employees covered by collective bargaining
20 agreements which provide otherwise for overtime . . .” NRS 608.018(3) (emphasis added).

21 25. The CBA provides:

22 The workweek pay period shall be from Friday through Thursday. For the
23 purposes of computing overtime, for an employee scheduled to work five (5)
24 days in one (1) workweek, any hours in excess of eight (8) hours in a day or
25 forty (40) hours in a week shall constitute overtime. For an employee
26 scheduled to work four (4) days in one (1) workweek, any hours worked in
27 excess of ten (10) hours in a day or forty (40) hours in a week shall constitute
28 overtime. Overtime shall be effective and paid only after the total number of
hours not worked due to early ours is first subtracted from the total number of
hours actually worked per shift, per workweek. Overtime shall not be paid
under this Section for more than one (1) reason for the same hours worked.
Employees absent for personal reasons on one (1) or more of their first five (5)
scheduled days of work in their workweek shall work at the Employer’s request
on a scheduled day off in the same workweek at straight time. If the employer
anticipates such scheduling, the Employer provide five (5) days’ advance
notice.

1 This provision will remain in effect for the duration of this Agreement.
2 However, at the expiration of the Agreement, the Employer shall have the
3 right to compute and pay overtime in accordance with the provisions of
4 existing federal and state law, and Union employees shall not have the right
to overtime pay above and beyond the applicable federal and state law
requirements.

5 See Motion, Ex. 2A, p. 15.

6 26. CBAs “provide otherwise” for overtime payments when the CBA “contains a
7 negotiated provision on the same subject but different from the statutory provision.”
8 Firestone v. Southern California Gas Co., 219 F.3d 1063, 1067, 164 L.R.R.M. 2897, 2897
9 (9th Cir. 2000); Jacobs v. Mandalay Corp., 378 F. App’x 685, 687 (9th Cir. 2010) (“[S]ection
10 608.018 exempts from coverage those employees ‘covered by collective bargaining
11 agreements which provide otherwise for overtime.’”).
12

13 27. The instant CBA “provides otherwise” for overtime. The CBA provides
14 otherwise for overtime because there are differences in both the practical effects of the
15 overtime provisions in NRS 608.018 and in the CBA’s overtime provisions, as well as the
16 textual provisions. For example, NRS 608.018(1) provides that an employer shall pay 1 1/2
17 times the employee’s regular wage when the employee works more than 40 hours in a week
18 or more than 8 hours in a day. The CBA does not specify what the pay rate shall be.
19 Additionally, the CBA provides for overtime regardless of the employee’s wage, while NRS
20 608.018 only mandates overtime for employees making more than 1 1/2 the minimum wage.
21 NRS 608.018 provides overtime regardless of how many days are worked in a week, while
22 the CBA allows overtime only when employees work five days in one workweek. NRS
23 608.018 does not limit overtime if an employee misses a scheduled day and works an
24 alternate day, however, the CBA does. Accordingly, the CBA “provides otherwise” for
25 overtime.
26
27
28

1 28. The CBA “provides otherwise” for Ms. Jackson-Williams’ claim for overtime
2 and NRS 608.018 does not provide a legal basis for her claim.

3 **3. Grievance Procedures of the Culinary CBA**

4 29. Section 301 of the Labor Management Relations Act states:

5 Suits for violation of contracts between an employer and a labor organization
6 representing employees in an industry affecting commerce ... may be brought
7 in any district court of the United States having jurisdiction of the parties....

8 Labor Management Relations Act of 1947 § 301(a), 29 U.S.C. § 185(a) (1982).

9 30. Employees may pursue claims for unpaid wages through a private cause of
10 action and without enforcing the claim through the Labor Commissioner. Neville v. Eighth
11 Judicial Dist. Court in & for Cty. of Clark, 133 Nev. 777, 782, 406 P.3d 499, 504 (2017).

12 31. State law rights and obligations that do not exist independently of private
13 agreements can be waived or altered by agreement as a result and are pre-empted by
14 those agreements. MGM Grand Hotel-Reno, Inc. v. Insley, 102 Nev. 513, 517, 728 P.2d
15 821, 824 (1986) (citing Allis Chalmers v. Lueck, 471 U.S. 202, 105 S.Ct. 1904 (1985)).

16 32. Workers do not have to submit to arbitration procedures when redressing
17 grievances because a CBA provides contractual rights, but workers may have an
18 independent statutory right to enforce individual rights. Albertson’s, Inc. v. United Food &
19 Commercial Workers Union, ALF-CIO & CLC, 157 F.3d 758, 762 (9th Cir.).

20 33. Whether Ms. Jackson-Williams must follow the grievance procedures
21 contained in the CBA depends on whether she has an independent statutory right to enforce
22 her claims for wages and overtime outside of the CBA. Ms. Jackson-Williams brought
23 claims for Failure to Pay Wages for All Hours Worked in Violation of NRS 608.140 and
24 608.016, Failure to Pay Overtime Wages in Violation of the Nevada Constitution, Failure to
25 Pay Minimum Wages in Violation of NRS 608.140 and 608.018, and Failure to Pay All

1 Wages Due and Owing Upon Termination Pursuant to NRS 608.140 and 608-040-050. The
2 State of Nevada provides independent statutory rights to each of Ms. Jackson-Williams'
3 claims through the Nevada Revised Statutes and the Nevada Constitution. Albertson's Inc.
4 explains, "in filing a lawsuit under [a statute], an employee asserts independent statutory
5 rights . . . The distinctly separate nature of these contractual and statutory rights is not
6 vitiated merely because both were violated as a result of the same factual occurrence." 157
7 F.3d at 761. Since there are state-law rights at issue, Ms. Jackson-Williams' claims are not
8 preempted, and the claims are not mandated to proceed through the grievance procedure of
9 the CBA.
10
11

12 **4. Lack of Standing to Represent Union Employees**

13 34. Section 159(a) of the United States Code states:

14 Representatives designated or selected for the purposes of collective
15 bargaining by the majority of the employees in a unit appropriate for such
16 purposes, shall be the exclusive representatives of all the employees in
17 such unit for the purposes of collective bargaining in respect to rates of pay,
wages, hours of employment, or other conditions of employment.

18 29 U.S.C. § 159(a).

19 35. Baristas, bartenders, and cocktail servers are represented by the Culinary
20 CBA; construction workers are covered by the Operating Engineers CBA; and, technicians
21 are represented by the AFL-CIO Local Union. Plaintiffs, as members of the "shift jamming
22 class" attempt to represent union members from other sub-classes.
23

24 36. Employees may bring an action against an employer without exhausting
25 contractual remedies, but the employees must "prove that the union as bargaining agent
26 breached its duty of fair representation in its handling of the employee's grievance." Vaca v.
27 Sipes, 386 U.S. 171, 186, 87 S.Ct. 903, 914 (1967).
28

1 37. When employees sue to vindicate “uniquely personal rights” as opposed to
2 rights reserved to unions like picketing, renegotiating a contract, or protesting relocation, the
3 employees have standing to sue on their own behalf and on behalf of other union members.
4
5 Lucas v. Bechtel Corp., 633 F.2d 757, 759 (9th Cir. 1980) (citing Hines v. Anchor Motor
6 Freight, Inc., 424 U.S. 554, 562, 96 S.Ct. 1048, 1055 (1976)).

7 38. In Baker v. IBP, Inc., 357 F.3d 685, 690 (7th Cir. 2004), the Seventh Circuit
8 held that where a “suit is at its core about the adequacy of the wages [the employer] pays,”
9 individual employees may not represent union workers in a class action when the union has
10 not breached its duty of fair representation.” The court reasoned union workers “have a
11 representative—one that under the NLRA is supposed to be ‘exclusive’ with respect to
12 wages” and therefore “Plaintiffs’ request to proceed on behalf of a class of all workers
13 shows that they seek to usurp the union’s role.” Id. at 686, 690.

14
15 39. Plaintiffs do not assert the Union has breached its duty of fair representation.
16 The CBA is valid and operative. Plaintiffs cannot represent those other union members who
17 are represented by separate unions without asserting those union representatives breached
18 their duty of fair representation.
19

20 **C. PLAINTIFFS’ REQUEST FOR ADDITIONAL DISCOVERY**
21 **PURSUANT TO NRCP 56.**

22 40. Nevada Rules of Civil Procedure Rule 56 provides:

- 23 (d) When Facts Are Unavailable to the Nonmovant. If a nonmovant
24 shows by affidavit or declaration that, for specified reasons, it cannot
25 present facts essential to justify its opposition, the court may:
26 (1) defer considering the motion or deny it;
27 (2) allow time to obtain affidavits or declarations or to take discovery; or
28 (3) issue any other appropriate order.

NRCP 56(d).

41. A party opposing summary judgment pursuant to NRCP 56(d) has the burden of affirmatively demonstrating by a good-faith affidavit (1) the identification of the specific facts that further discovery would reveal; (2) the specific reasons why such evidence is presently unavailable; and (3) how those facts would preclude summary judgment. Family Home & Fin. Ctr., Inc. v. Fed. Home Loan Mortgage Corp., 525 F.3d 822, 827 (9th Cir. 2008); Collins v. Union Fed. Sav. & Loan Ass'n, 99 Nev. 657, 669-70, 262 P.3d 705, 714 (2011).

42. Plaintiffs request additional discovery to ascertain whether the CBA is valid or not. Plaintiffs have not provided an affidavit, have not articulated the specific reasons why the evidence they need is unavailable to them, and have not stated how those facts would preclude summary judgment.

V. CONCLUSION AND ORDER.

Based on the foregoing findings of fact and conclusions of law and good cause appearing therefore,

IT IS HEREBY ORDERED summary judgment is entered in favor of GSR and against the Plaintiffs.

DATED this 2nd day of November, 2020.
