ORDER DENYING MOTION

Appellant has filed a pro se emergency motion to enforce numerous rights and for the appointment of pro bono counsel. The motion does not comply with NRAP 27(e) and thus was not processed as an emergency. To the extent appellant requests relief related to the merits of this appeal, such relief is not appropriately sought in the context of a motion and is denied. All other relief sought in the motion is denied at this time.

It is so ORDERED.
