Re: 8<sup>th</sup> Judicial Districts Implementation of ADKT 0571

Justices Stiglich and Cadish:

The 8<sup>th</sup> Judicial District and its partners with the Clark County District Attorney's Office are aware that we are past the timeline for the last granted extension that was requested by the District Attorney's Office.

On September 5<sup>th</sup>, we began to use the forms in one courtroom, Department G, as a pilot. The pilot is important so we as a system can work out issues in advance. In the first few days we identified some formatting issues, workflow issues and training issues for staff that weren't familiar with working with protected documents. It is our intention to continue with the pilot until October 10, 2023.

On October 11, 2023, we have a stakeholders training planned where those who piloted the project will train the additional 5 courtrooms and District Attorney's office employees.

After that training, we will give the rest of the week to prepare for a full system roll out on October 16<sup>th</sup> barring any unforeseen circumstances.

Thank you for your patience and support as we worked through this new process to improve Nevada's practices.

Sincerely,

The Honorable Judge David Gibson, Presiding Judge  
8<sup>th</sup> Judicial District Court-Family Division

Assistant District Attorney Brigid Duffy  
Clark County District Attorney's Office-Juvenile Division
