No. 81978

FILED

ELIZABETH A. BROWN
CLERK OF SUPREME COURT

No. 82245 DEPUTY CLERK

*ORDER STRIKING DOCUMENTS AND GRANTING
MOTION FOR JUDICIAL NOTICE*

Appellant has filed pro se motions seeking an injunction requiring the minor child to be placed into private school and a stay pending appeal.¹ Appellant has also filed a supplement to the motion for a stay. The motions and supplement all exceed the page limitation of NRAP 27(d)(2) and were inadvertently filed by the clerk of this court. Accordingly, the clerk shall strike the motions filed on September 27, 2021, and September 28, 2021, and the supplement filed on October 1, 2021.

Appellant's September 27, 2021, pro se motion for judicial notice is granted to the following extent. This court shall take judicial notice of this court's opinion in *In the Matter of Hughes*, 136 Nev. 399, 467 P.3d 627 (2020), and the unpublished disposition in *Shahrokhi v. District Ct.*,

¹The motions are titled as emergency motions and seek relief by October 8, 2021. However, the motions do not comply with the requirements of NRAP 27(3) for emergency motions, and do not explain why relief was necessary by October 8, 2021. Accordingly, the motions were not treated as emergencies and were resolved in due course.

Docket No. 79336-COA, (Order Granting Petition for Writ of Mandamus in Part and Denying Petition in Part, 2019). However, appellant is advised that he may cite to this court's opinions without first seeking judicial notice.

It is so ORDERED.
