CLERK OF SUPREME COURT

***ORDER DIRECTING TRANSMISSION OF SUPPLEMENTAL
APPENDIX AND DIRECTING ANSWER***

This petition for a writ of mandamus challenges a district court order denying a pretrial petition for a writ of habeas corpus. The appendix is missing a transcript of the hearing on the pretrial petition conducted on June 26, 2020. This document is necessary for this court's review of this matter. Thus, petitioner shall have 14 days from the date of this order to submit a supplemental appendix with the omitted transcript. See NRAP 21(a)(4) ("The appendix shall include a copy of . . . parts of the record before the respondent judge . . . that may be essential to understand the matters set forth in the petition.").

Further, having reviewed the petition, we have determined that an answer would assist the court in resolving the petition. Accordingly, the real party in interest, on behalf of respondents, shall have 21 days from the date the supplemental appendix is filed in this court to file an answer, including authorities, against issuance of the requested writ.

It is so ORDERED.
