

IN THE SUPREME COURT OF THE STATE OF NEVADA

ANTHONY THOMAS CHERNETSKY,
Petitioner,
vs.
THE FIRST JUDICIAL DISTRICT
COURT OF THE STATE OF NEVADA,
IN AND FOR THE COUNTY OF
CARSON CITY; AND THE
HONORABLE JAMES TODD RUSSELL,
DISTRICT JUDGE,
Respondents.

No. 82280

FILED

MAR 03 2021

ELIZABETH A. BROWN
CLERK OF SUPREME COURT
BY 
DEPUTY CLERK

ORDER DENYING MOTION

This petition was docketed on January 5, 2021, without payment of the requisite filing fee. Because petitioner had failed to comply with this court's notice directing him to pay the filing fee or demonstrate compliance with NRAP 21, on January 27, 2021, this matter was dismissed by way of a clerk's order. Petitioner has moved for reconsideration of the order dismissing this matter. *See generally*, NRAP 27(c)(3)(A).

Petitioner demonstrates that he attempted to timely file a response to the notice to pay filing fee but his response was returned to him as undeliverable even though he had mailed it to the correct address. In his response, petitioner states "[t]he District Court has sua sponte allowed the matter to proceed, thus addressing the threshold question as to whether or not in forma pauperis was granted in the lower court." Petitioner also asks this court to "either formally grant in forma pauperis status or continue to allow [him] to proceed before it in the manner which the District Court has allowed." Appellant, however, has not provided this court with an affidavit or financial certificate from the Department of Corrections demonstrating an inability to pay the filing fee. *See* NRAP 21(g). Therefore, he has failed

to demonstrate that reconsideration of the order dismissing his petition is warranted. Accordingly, the motion for reconsideration is denied.

It is so ORDERED.
