ORDER

On June 30, 2022, this court entered an order affirming the judgment of the district court. Appellant has filed a timely petition for rehearing. Having considered appellant's motion for an order to show cause why sanctions should not be imposed against counsel for respondents for alleged violations of the rules of professional conduct, the "Motion for an Order to Refer this Matter to the Nevada Attorney General or Other Legal Authority," and appellant's "Proper Person Declaration in Support of Motion to Rehear Order of Affirmance and Motion for an Order to Show Cause why Sanctions should not be Imposed," this court denies the motions.

It is so ORDERED.
