ORDER REGARDING MOTION

This original petition for a writ of mandamus or prohibition challenges a district court order granting a motion to disqualify the district judge to whom the underlying case is assigned. On March 15, 2021, real parties in interest filed a motion for leave to submit privileged material to this court for in camera review. This court defers ruling on the motion at this time. Accordingly, real parties in interest's August 18, 2021, motion for determination of the March 15 motion is denied.

It is so ORDERED.
