MEMORANDUM OF POINTS AND AUTHORITIES

I. INTRODUCTION

Petitioner seeks an initial declaration from the Court whether proceeding with a petition regarding objection to an accounting would allow a trustee for Duckworth Family Trust dated, March 12, 2015 ("Trust") to enforce the forfeiture provisions with the Trust. Then if, and only if, proceeding with an objection would not permit invocation of the forfeiture provisions, then Petitioner asks that the Court compel the trustee to provide a proper NRS 165.135 accounting, to hold the trustee personally liable for costs incurred as well as attorney fees, and to compel the trustee to turn over all documents related to the succession of trustees for the Trust.

5	36. To date, there has been no response from Cary.
6 7	III. ARGUMENT
8	A. THE TRUSTEE HAS NOT PROVIDED A PROPER ACCOUNTING
9	NRS 165.141 empowers a beneficiary of a trust to make a formal demand for an accounting
10	from the trustee. Moreover,
11	[N]otwithstanding any provision to the contrary in the trust instrument, but
12	subject to the right of the trustee to petition the court for further instructions pursuant to subsection 2 of NRS 165.148, and subject to the exceptions set
13	forth under paragraph (b) of subsection 1 of NRS 165.1207, a trustee shall provide an account conforming with the requirements of NRS 165.135 to a
14	beneficiary pursuant to a demand by such beneficiary pursuant to NRS 165.141.
15	
16	See, NRS 165.138 (emphasis added). The requirements of NRS 165.135 are unmistakable and
17	require, in particular:
18	(b)With respect to the trust principal:
19	(1) The trust principal held at the beginning of the accounting period, and in what form held, and the approximate market value
20	thereof at the beginning of the accounting period (3) Investments collected, sold or charged off during the
21	accounting period (5) Any deductions from the trust principal during the accounting
22	period, with the date and purpose of each deduction
23	(6) The trust principal, invested or uninvested, on hand at the end of the accounting period, reflecting the approximate market value
24	thereof at that time
25	(e) A brief summary of the account, which must include:(1) The beginning value of the trust estate:
26 27	(I) For the first accounting, the beginning value of the trust estate shall consist of the total of all original assets
28	contained in the beginning inventory.
	Page 6 of 11
	0006
1	

1	(II) For accountings other than the first account, the
2	beginning value of the trust estate for the applicable accounting period must be the ending value of the prior
3	accounting. (2) The total of all receipts received during the accounting period,
4	excluding capital items. (3) The total of all gains on sales or other disposition of assets, if
5	any, during the accounting period.
6	(4) The total of disbursements and distributions during the accounting period.
7	(5) The total of all losses on sales or other disposition of assets, if any, during the accounting period.
8	(6) The total value of the trust assets remaining on hand at the end of the accounting period.
9	
10	The collective effect of these provisions is to put an onus on a trustee to provide full disclosure and
11	transparency without the requirement for court intervention.
12	A beneficiary is permitted to petition the Court for any aspect of the affairs of a trust,
13	including:
14	Determining the construction of the trust instrument;
15	Settling the accounts and reviewing the acts of the trustee, including the exercise of discretionary powers;
16	Subject to the requirements of chapter 165 of NRS, compelling the trustee to report information about the trust or account, to the beneficiary
17	<i>See</i> , NRS 153.031 (1)(b), (1)(f) & (1)(h). Moreover,
18	
19	Unless the court determines that the trustee was acting in good faith, a trustee who fails to provide an account pursuant to the terms of the trust instrument, or when
20	required pursuant to the provision of this chapter, is personally liable to each person entitled to receive an account who demanded the account in writing
21	pursuant to this chapter or all costs reasonably incurred by each such person to
22	enforce the terms of the trust or this chapter, including, without limitation, reasonable attorney's fees and court costs. The trustee shall not expend trust funds
23	to satisfy the trustee's personal liability imposed under this subsection.
24	See, NRS 165.148(1); See Also, NRS 153.031 (3)(b).
25	As an initial matter, Petitioner seeks a determination from this Court whether proceeding
26	with this matter would permit Cary to invoke Section 7.02 and Section 7.03 of the Trust. See NRS
27	153.031 (1)(b), Exhibit 1, DU000311. If and only if this Petition would not allow Cary in invoke
28	Page 7 of 11
	Page / 01 11 0007

and apply Section 7.02 and 7.03, then Petitioner would request the Court consider its following
 arguments and request for relief.

Herein, Cary has failed to comply with the accounting requirements of NRS 165.135 despite Petitioner providing an express request in writing for the same. Cary does not account for the Personal Property which is comprised of valuable artwork, jewelry and one of a kind memorabilia which exceeds over one million dollars in value. *See*, Exhibit 9. In addition, there are tens of thousands of dollars in charges from Trust principle for which no purpose is identified and which had no discernible benefit to the Trust or George during his life. *supra*, Sec. II.B..

Petitioner tried in vain to resolve this matter without Court intervention, providing specific objections to the Accounting and requesting additional documents related to Cary's tenure as trustee. *See*, Sec. II.C. The silence from Cary coupled with the questionable spending patterns identified in the Accounting, justify involvement of this Court. Moreover, Cary's lack of cooperation to detailed request for statutorily required disclosures is not in good faith, and justifies imposition of personal liability for Petitioner's attorney fees and costs incurred in bringing this matter to the Court.

18 ||

IV. CONCLUSION AND REQUEST FOR RELIEF

Based on the forgoing points and authorities, Petitioner requests the following relief:

A. A determination regarding construction of Section 7.02 and Section 7.03 of the Trust and whether a challenge to the Accounting would be grounds for Cary to invoke the remedies therein, then if and only if the Court finds that proceeding would not allow for invocation of Section 7.02 and Section 7.03 of the Trust, then Petition asks for the following relief:

B. Find that the Cary failed to provide an accounting complying with requirements of NRS 165.135;

1	C.	Order that Cary be personally liable for the costs of providing the non-complying	
2	accounting since January 17, 2020 as well as the costs of preparing a proper inventory and		
3	accounting	of the Trust;	
4	D.	Order that Cary be personally liable for attorneys fees and costs of Petitioner from	
5	March 13, 2	020 to the present, including the costs of bring this Petition which is currently seven	
6	thousand fifty-two dollars and fifty-cents (\$7,052.50) and an estimated one thousand dollars		
7 8	(\$1,000.00) expected to be incurred as part of responding to any opposition and hearing;		
° 9	E.	Order that Cary provide a proper accounting that comports with NRS 165.135;	
10	F.	Order that Cary turnover all documents related to the succession for the trustees of	
11	the Trust; ar

The Trustee, when exercising any discretionary power relating to the distribution of accumulation of principal or income or to the termination of any trust, will be responsible only for lack of good faith in the exercise of such power. LAST WILL AND TESTAMENT

OF

MAUREEN DAPHNE DUCKWORTH

I, MAUREEN DAPHNE DUCKWORTH, a resident of Clark County, Nevada, make, publish and declare this to be my Last Will and Testament. I hereby revoke all of my prior wills and codicils.

ARTICLE ONE

Declarations

1.1 **Marital Status and Family.** I am married to GEORGE M. DUCKWORTH, and we are now residing together. I have three (3) children whose names are:

- 1) TARA ELYZE KASSITY, date of birth September 29, 1967;
- 2) KYLA MICHELLE DUCKWORTH, date of birth November 8, 1968;
- 3) CARY JAY DUCKWORTH, date of birth April 29, 1974.

ł

I have no other children living or deceased. I do not intend to provide in this Will for anyone except as may be specifically set forth in this Will.

1.2 **Trust Agreement.** The term "TRUST AGREEMENT" as used in this Will shall refer to that certain unrecorded trust instrument known as THE DUCKWORTH FAMILY TRUST, previously created by me. Any of my sole and separate property will be specifically excluded from the above-referenced trust.

ARTICLE TWO

Fiduciaries

I nominate TARA E. KASSITY, KYLA M. DUCKWORTH and CARY J. DUCKWORTH, as Co-Executors of my Will. If any of these individuals shall fail to qualify or shall cease to act, the remaining individuals will continue to act as my co-executors.

The term "my Executor" as used in this Will shall include any personal representative of my estate and all named Executors shall serve without bond being required.

ARTICLE THREE

Distribution of Estate

3.1 **Payment of Estate Expenses.** My Co-Executors shall pay from my estate, after consulting with the then-acting Trustee or Trustees of THE DUCKWORTH

1

FAMILY TRUST, all debts which are due and enforceable against my estate, the expenses of my last illness and funeral, the expenses of administering my estate, and all death taxes and governmental charges imposed and made payable under the laws of the United States or of any state or country by reason of my death. Such taxes shall include taxes imposed upon all other property, whether passing under my Will or otherwise; provided that the assets, if any, over which I hold any taxable power of appointment at my death shall bear the entire increment and the burden of death taxes and other governmental charges to the extent that the total of such taxes and charges is greater than would have been imposed and made payable if I did not hold such a power of appointment, to the extent required by law, I exercise such power of appointment in favor of the appropriate taxing authorities to discharge such taxes. Other than the above direction for the taxation of a power of appointment, the pro-ration of taxes imposed upon my estate shall be in the manner directed in said Trust.

If my residuary estate is insufficient for such payments, in whole or in part, or if, in the discretion of my Executor, all or a part of such payments from my estate would prejudice the best interests of my estate, then my Executor shall direct the then-acting Trustee or Trustees of said Trust to pay the appropriate amounts, either directly or to my Executor for such purposes.

3.2 Gift to Trust. I give, devise, and bequeath the remainder of my estate, with the exception of my sole and separate property, to the then-acting Trustee or Trustees of THE DUCKWORTH FAMILY TRUST, together with any additions or amendments thereto, to be added to the principal of that trust and to be held, administered and distributed under the Trust Agreement and any amendments to such Trust Agreement. I direct that such Trust Agreement shall not be administered under court supervision, control or accounting, and the Trustee shall not be required to give bond in such capacity.

ARTICLE FOUR

Estate Administration

- 4.1 General Powers of Executor. Subject to any limitations stated elsewhere in this Will, my Executor shall have, in addition to all of the powers now or hereafter conferred on Executors by law, and any powers enumerated elsewhere in this Will, the power to perform any of the acts specified in this section without the necessity of court approval:
 - A. To take possession or control of all of my Estate subject to disposition by this Will, and to collect all debts due to me or to my Estate;
 - B. To receive the rents, issues and profits from all real and personal property in my Estate until the Estate is settled or delivered over by order of court to my heirs or beneficiaries;

0042

- H. To vote in person, and give proxies to exercise, any voting rights with respect to any stock, any membership in a nonprofit corporation, or any other property in my Estate, and waive notice of a meeting, give consent to the holding of a meeting, and authorize, ratify, approve, or confirm any action that could be taken by shareholders, members, or property owners;
- I. To make any elections permitted under any pension, profit sharing, employee stock ownership or other benefit plan;

- N. To dispose of or abandon tangible personal property (including donation to any charitable organization or organizations of the Executor's choice), except tangible personal property that is a specific gift, when the cost of collecting, maintaining, and safeguarding the property would exceed its fair market value;

- P. To pay, compromise or settle any claim, action, or proceeding by or for the benefit of, or against, me, my Estate, or the Executor, subject only to any confirmation of court that may be required by law; and
- Q. - 4.2 **Power to Invest.** To retain for whatever period the Executor shall deem advisable any property, including property owned by me at my death, and to invest and reinvest any money of my Estate not reasonably required for the immediate administration of my Estate in any kind of property, real, personal, or mixed and in any kind of investment, including but not limited to improved and unimproved real property, interest-bearing accounts, certificates of deposit, corporate and governmental obligations of any kind, preferred or common stocks, mutual funds (including mutual funds of the "load" and "no load" variety), investment trusts, money-market funds, taxable and tax-exempt commercial paper, repurchase and reverse repurchase agreements, and stocks, obligations, and shares or units of common trust funds of any corporate fiduciary; regardless of whether any particular investment would be proper for an Executor and regardless of the extent of diversification of the assets held hereunder.
- 4.3 **Power to Make Tax Elections.** To the extent permitted by law, and without regard to the resulting effect on any other provision of this Will, on any person

interested in my Estate, or on the amount of taxes that may be payable, the Executor shall have the power to choose a valuation date for tax purposes; choose the methods to pay any death taxes; elect to treat or use any item for state or federal estate or income tax purposes as an income tax deduction or an estate tax deduction; disclaim all or any portion of any interest in property passing to my Estate at or after my death; and determine when an item is to be treated as taken into income or used as a tax deduction.

- 4.4 **Division or Distribution in Cash or in Kind.** In order to satisfy a pecuniary gift or to distribute or divide estate assets into shares or partial shares, the Executor may distribute or divide those assets in kind, or divide undivided interests in those assets or sell all or any part of those assets and distribute or divide the property in cash, in kind, or partly in cash and partly in kind, with or without regard to tax basis. Property distributed to satisfy a pecuniary gift under this Will shall be valued at its fair market value at the time of distribution.
- 4.5 **Payments to Legally Incapacitated Persons.** If at any time any beneficiary under this Will is a minor or it appears to the Executor that any beneficiary is incapacitated, incompetent, or for any other reason not able to receive payments or make intelligent or responsible use of the payments, then the Executor, in lieu of making direct payments to the beneficiary, may make payments to the beneficiary's conservator or guardian; to the beneficiary's custodian under the Uniform Gifts to Minors Act or Uniform Transfers to Minors Act of any state; to one or more suitable persons, as the Executor deems proper, such as a relative or a person residing with the beneficiary, to be used for the beneficiary's name with financial institutions, and the receipt of the person to whom such money or property is paid shall be a full and complete discharge to the Executor;
- 4.6 Liability. Unless due to such Executor's own willful default or gross negligence, no Executor shall be liable for such Executor's acts or omissions or those of any co-Executor or prior Executor.

ARTICLE FIVE

- 4.3 **Power to Make Tax Elections.** To the extent permitted by law, and without regard to the resulting effect on any other provision of this Will, on any person interested in my Estate, or on the amount of taxes that may be payable, the Executor shall have the power to choose a valuation date for tax purposes; choose the methods to pay any death taxes; elect to treat or use any item for state or federal estate or income tax purposes as an income tax deduction or an estate tax deduction; disclaim all or any portion of any interest in property passing to my Estate at or after my death; and determine when an item is to be treated as taken into income or used as a tax deduction.
- 4.4 **Division or Distribution in Cash or in Kind.** In order to satisfy a pecuniary gift or to distribute or divide estate assets into shares or partial shares, the Executor may distribute or divide those assets in kind, or divide undivided interests in those assets or sell all or any part of those assets and distribute or divide the property in cash, in kind, or partly in cash and partly in kind, with or without regard to tax basis. EXHIBIT 4

FIRST AMENDMENT TO THE "DUCKWORTH FAMILY TRUST" (DATED MARCH 12, 2015) BETWEEN GEORGE M. DUCKWORTH (SURVIVING TRUSTOR) AND GEORGE M. DUCKWORTH (SURVIVING TRUSTEE) * * *

In exercise of the rights reserved to the Surviving Grantor under ARTICLE ONE,

Section 1.08 of the "DUCKWORTH FAMILY TRUST" dated March 12, 2015, I hereby

amend said Trust Agreement, effective for all purposes from and after the time of

execution of this instrument, in the following respects:

1. I hereby add Section 7.05 to ARTICLE SEVEN as follows:

Section 7.05 United Kingdom Contest

For purposes of the Incontestability provisions of Section 7.02 above, any action commenced in the United Kingdom by a beneficiary of this Trust with respect to property owned there by the deceased Trustor, MAUREEN D. DUCKWORTH, that seeks to have such property (or the proceeds of sale of such property) to be distributed in any manner other than provided for by the intestacy laws of the United Kingdom shall be considered a contest of the provisions of this Trust. Any such action will result in the proponent of such action to no longer be considered a beneficiary of this Trust and shall receive no distribution from this Trust including any distribution of specific assets provided for herein.

2. I hereby revise Section 9.01 of ARTICLE NINE to read as follows:

Section 9.01 Trustees.

All Trustees are to serve without bond. The following will act as Trustees of any Trusts created by this Trust Agreement, in the following order of succession:

First:	The undersigned, GEORGE M. DUCKWORTH, the surviving Trustee;
Second:	At the death, incapacity or resignation of GEORGE M. DUCKWORTH, CARY J. DUCKWORTH as my Successor Trustee;
Third:	If Cary J. Duckworth should be unable or unwilling to act or to continue to act as Successor Trustee, then TARA E. KASSITY shall act as Second Successor Trustee;
Fourth:	If Tara E. Kassity should be unable or unwilling to act or to continue to act as Successor Trustee, then KYLA M. DUCKWORTH shall act as Third Successor Trustee;

3. I hereby revise Section 9.03 of ARTICLE NINE to read as follows:

Section 9.03 Personal Property Distribution

Notwithstanding any provision of this Trust Agreement to the contrary, the Trustee must abide by any memorandum by the Trustor, particularly that contained in the section entitled "Special Directives" incorporated into this Trust Instrument, directing the disposition of Trust Assets of every kind, including, but not limited to, furniture, appliances, furnishings, pictures, artwork, china, silverware, glass, books, jewelry, wearing apparel, and all policies of fire, burglary, property damage, and other insurance on or in connection with the use of this property.

Any other personal and household effects of Trustor shall be distributed as my Successor Trustee shall determine in his or her absolute discretion, the exercise of which shall not be subject to review or, in the alternative, if there is any attempt to challenge the exercise of such discretion, all items of personal property not disposed of by a memorandum shall be distributed to CARY J. DUCKWORTH, if living or, if not living, to TARA E. KASSITY.

4. I hereby revise the Special Directives of George M. Duckworth to read as

follows:

SPECIAL DIRECTIVES OF GEORGE M. DUCKWORTH

I, GEORGE M. DUCKWORTH, a resident of Clark County, State of Nevada, being of lawful age, sound and disposing mind and memory, and not acting under duress, fraud or undue influence, hereby make, publish and declare this to be my Special Directive, and I incorporate this into THE DUCKWORTH FAMILY TRUST.

FIRST

I declare that the natural objects of my affection are:

- 1) My daughter TARA ELYZE KASSITY;
- 2) My daughter KYLA MICHELE DUCKWORTH; and
- 3) My son CARY JAY DUCKWORTH.

All references in this agreement to "my children" are references to these children. References to "my descendants" are to my children and their descendants. I specifically omit Diane Varney and any of her "issue," including but not limited to Shane P. Varney and Beau J. Varney, from receiving any assets from my estate.

SECOND

I direct that all estate and inheritance taxes payable as a result of my death, not limited to taxes assessed on property, shall be paid out of the residue of my Estate, and shall not be deducted or collected from any Legatee, Devisee or Beneficiary hereunder.

THIRD

My late wife MAUREEN and I both desired to treat our children equally and provided for our son to receive the sum of Three Hundred Thousand Dollars (\$300,000) to compensate for inheritance received by our two (2) daughters from their grandmother, EVELYN RICH, since our son was not born at the time her provisions were made and he did not share in the inheritance from his grandmother. I intend to transfer my residence at 1829 Corta Bella Drive, Las Vegas, Nevada 89134 to CARY J. DUCKWORTH contemporaneous with the execution of this amendment. The residence was appraised at a fair market value of \$598,000 as of June 16, 2018. For purposes of this distribution to CARY, he shall be considered to have received a distribution of 80% of the fair market value to account for selling costs, etc., for a total distribution of \$478,400 to CARY with \$300,000 to be treated as the equalizing distribution for our daughters receiving the inheritance from their grandmother and \$178,400 shall be treated as an advancement of his one-third distribution of the residuary estate. Further, it is my intent to give all household furnishings to CARY contemporaneous with the transfer of the residence, but the transfer of such furnishings shall not be considered an advancement and his share shall not be reduced by the value of such items.

FOURTH

My daughter KYLA is to receive the one-half interest in the residence located at 1627 Hinson Street, Las Vegas, NV 89102, (in which this Trust has a 50% interest) which was appraised of a total value of \$360,000 on June 16, 2018, with the trust's one-half interest being \$180,000. For purposes of the distribution to KYLA will be valued at 80% of the fair market value with a resulting value for distribution purposes of \$144,000 and to be part of her one-third distribution of the residuary estate.

Further, KYLA was made a co-signatory on certain bank or financial accounts in the United Kingdom belonging as separate property of my late wife, MAUREEN. To the extent these accounts were transferred to KYLA following MAUREEN's death, such amounts shall be treated as an advancement toward her one-third share of the residuary. KYLA will need to provide the Trustee with account balance received by her and the failure of KYLA to provide evidence through account statements or other documentation, KYLA will be treated as having received an advancement of \$350,000 from the account in the United Kingdom.

Further, the accounts that KYLA receives in the United Kingdom may be subject to estate, death or inheritance taxes in the United Kingdom and any such tax required to be paid by MAUREEN's estate in the United Kingdom with respect to those accounts shall be considered an advancement toward her one-third share of the residuary.

FIFTH

5.1 Upon my death (my wife having predeceased me) and subject to accounting for the advancements set forth above and the distribution of the two properties to CARY and KYLA, the remainder of my estate shall be split equally between my three children:

TARA ELYZE KASSITY KYLA MICHELE DUCKWORTH CARY JAY DUCKWORTH

Subject, however, to the Incontestability provisions of Sections 7.02 and 7.05, the violation of which shall eliminate such beneficiary from sharing in this Trust.

a) If a child or grandchild is not named they shall receive nothing from my estate. My grandchildren are as follows:

OLIVIA DUCKWORTH ASHLEY DUCKWORTH LAUREN KASSITY CHASE KASSITY

b) Should TARA ELYZE KASSITY predecease me then TARA ELYZE KASSITY's share of my estate shall pass equally to my grandchildren as listed below. If a child or grandchild is not named they shall receive nothing from TARA ELYZE KASSITY's share of my estate.

LAUREN KASSITY CHASE KASSITY

c) Should KYLA MICHELE DUCKWORTH predecease me then KYLA MICHELE DUCKWORTH's portion of my estate shall pass to my grandchildren as listed below. If a child or grandchild is not named they shall receive nothing from KYLA MICHELE DUCKWORTH's portion of my estate.

OLIVIA DUCKWORTH ASHLEY DUCKWORTH LAUREN KASSITY CHASE KASSITY

d) Should CARY JAY DUCKWORTH predecease me then CARY JAY DUCKWORTH's portion of my estate shall pass equally to my grandchildren as listed below. If a child or grandchild is not named they shall receive nothing from CARY JAY DUCKWORTH's portion of my estate.

OLIVIA DUCKWORTH ASHLEY DUCKWORTH

e) The inheritance that these grandchildren receive will be managed by RACHEL L. SHELSTAD, who shall be appointed as Trustee of the "grandchildren's trust" should their parents predecease me. The grandchildren shall not receive any inheritance until they attain the age of twenty-five years (25) old.

Re: Accounting for Duckworth Family Trust, Dated March 12, 2015

Dear Mr. Burns,

Our office has received and reviewed the accounting that was provided by Cary Duckworth ("Cary") on March 13, 2020 (the "Accounting") for the Duckworth Family Trust, Dated March 12, 2015 (the "Duckworth Trust"). Unfortunately, there are issues with the Accounting which we are asking your client to address immediately.

First, the Accounting does not provide valuations for personal property. In most estates, this is a minor amount, but not for this one. George Duckworth ("George") and Maureen Duckworth ("Maureen") owned valuable personal property, and it would be unsurprising if the value of these assets exceeded one million dollars. As Cary is aware, Kyla Duckworth ("Kyla") lived in the home for a number of years and was familiar with its contents. Please have Cary submit an amended accounting, which includes the aforementioned personal property values.

Second, the Accounting does not cover the entire time period required. At a minimum, this should include the start date Cary became trustee to the date the Accounting was requested. As a show of good faith this should also include up to the present date. In addition, there appears to be some confusion regarding Cary's start date as trustee that he should clear up. Were Duckworth Trust expenses incurred by him prior to January 23, 2019 a result of him operating under a power of attorney, or did he get the start date for his trusteeship incorrect? If the start date is incorrect, please have the Accounting relate back to the actual start date.

Third, please provide us any resignations of prior trustees for the Duckworth Trust, including but not limited to, resignations for Kyla Duckworth ("Kyla"), Tara Kassity ("Tara"), and George.

April 16, 2020 **Re: Accounting for Duckworth Family Trust, Dated March 12, 2015** Page 2

Fourth, we have specific questions regarding individual entries in the Accounting. Specifically;

- Can you confirm the loan to Cary Duckworth is supported by a valid promissory note or other document evidencing such loan? Does the loan include interest within its terms of repayment?
- Can you provide the date of the advance to Cary of the 1829 Corta Bella Dr. property ("Corta Bella Property")?
- Were all of the expenses in the Accounting incurred for the benefit of George? If any of the expenses were not incurred for the benefit of George, does Cary have a plan for repayment?

Cary's prompt answers to these questions will be helpful.

Finally, has Cary made a plan of distribution to beneficiaries or an anticipated date of distribution? If so, please provide the plan and dates.

We are requesting that the amended accounting with the aforementioned information and answers be delivered to our office within two weeks of receipt of this letter. If you have any questions, feel free to call our office at (702) 563-4444 or email me at jerimy@jkirschnerlaw.com.

incerely, JERIMY KIRSCHNER, ESQ.

DOCUMENTS

Cary Duckworth (Cary), as Trustee of the Duckworth Family Trust dated March 12, 2015 by and through his attorneys Jolley Urga Woodbury & Holthus files his Opposition to the Petition of Kyla Duckworth (Petitioner).

I. Petitioner has not complied with Chapter 165

Petitioner alleged in her Petition that the accounting she received from the Trustee was "materially deficient" and would not be accepted in the present form. NRS 165.143 specifically provides that if the beneficiary states the accounting does not comply with the statute, the beneficiary may file a Petition to demand that the Accounting be in compliance with NRS 165.141. Under NRS 165.143(3) if the court previously has not accepted jurisdiction over the Trust pursuant to NRS 164.010 and to confirm the Trustee,

the beneficiary must include those requests with the Petition relating to rejection of the Trustee's accounting.

For the above reasons, the Petition should be dismissed or at least the Petitioner should file an amended Petition in compliance with NRS 165.143.

This Opposition is based upon the following, including the Points and Authorities. On March 12, 2015 Maureen ("Maureen") and George ("George") Duckworth established the Duckworth Family Trust hereinafter referred to as the ("Trust"). Both Maureen and George were named as the original Trustees of the revocable Trust and upon Maureen's death on June 6, 2018 George became the sole Trustee. Kyla Duckworth (Kyla), one of the three children of Maureen and George, was caring for her mother while living at the parents' house at, 1829 Corta Bella Drive, Las Vegas, Nevada 89134 ("Corta Bella" or "Residence"), for approximately four and a half years. In January 2018 Maureen was taken to the hospital by ambulance. After she was released, Kyla against Maureen's wishes and the other family members; was moved to Las Ventana Skilled Nursing Facility ("Las Ventana"). However, prior to the time she left the Residence, Maureen had a house and bank accounts in England ("Bank Accounts" or "Barclays Account") containing approximately \$350,000.00 which she considered as part of her separate property. Maureen had always told the family that all of the English assets were to be distributed equally among the three children. Petitioner had apparently been made a joint signator on the largest account at Barclays Bank while living at the Residence.

WOODBURYSCHOLTHUS

Because of all of the expenses, including medical bills incurred relating to Maureen, it was necessary for George, based upon his attorney's advice, to request that monies be paid from the Bank Accounts to pay those bills. (See letter of attorney as attached as Exhibit A). Prior to the time of her removal to Las Ventana, George and Maureen were living at the Residence and all of the bills were paid from their joint account. The attorney for the parents, their accountant and the other children were aware that the parents were running out of money, but the parents were advised not to sell the bonds in the Trust because it would be at a loss of tax-free income. Kyla refused to allow any monies to be released from Maureen's Bank Accounts forcing George to sell the bonds. Kyla refused to provide to George any money from the Bank Accounts to pay those bills even though this was an account that was established by Maureen. Instead, George was forced to pay those bills by selling the bonds in the joint stock brokerage account in the Trust which created a loss at the time because it was necessary to sell those bonds. This obviously created a problem in the relationship between Kyla and the family members by her refusal to provide those monies.

III. Kyla's Conduct Violates the Contest Clauses

Section 7.02 <u>Incontestability</u> on page 15 of the Trust (Exhibit 1) specifically states that where a beneficiary asserts any claim or other right or interest against the Trustor's Estate or properties of this Trust, other than pursuant to the express terms hereof, or directly/indirectly contests, disputes or calls into question, before any of the validity of this Trust Agreement then such beneficiary shall thereby absolutely forfeit any and all beneficiary interest whatsoever.

The Trust stated that on the death of the Surviving Grantor, the children would each receive 1/3 of the Trust Estate. Because of the problems with Kyla, George executed a First Amendment on January 23, 2019 to the Trust pointing out the fact that Kyla had refused to provide that money for Maureen's care and for that reason the \$350,000.00 was to be a setoff against her one-third interest in any property that was to be distributed to her from the Trust. The First Amendment that George made to the Trust is attached as Exhibit C. Kyla's claim to the English assets is a violation of Section 7.05. Furthermore, in Article Fourth in the Special Directives which is attached to the First Amendment any refusal to provide information relating to the balance in that account was a result in an "advancement to Kyla of \$350,000.00" from the account in the Based upon Article Fourth of the Directive that was attached to the United Kingdom. First Amendment, Kyla was to receive a fifty percent (50%) interest in the Hinson Street property which was to be valued \$144,000.00 and would be considered as part of her one-third (1/3) distribution of the Trust Estate. Secondly, this is also reflected in Second Amendment which is part of Exhibit C.

Kyla retained an attorney in England (also referred to as the "United Kingdom") who stated Kyla was making a claim to all of Maureen's Probate assets in England and also filed a Caveat which caused a delay of the Administration of the Probate. On August 14, 2019, Ken Burns wrote the English attorney for Kyla since he had renewed the Caveat which prevented the Administration of the estate in the United Kingdom. (Exhibit B) The letter informed Kyla's attorney that the Caveat would be construed as a "contest" of the Trust and would result in her being eliminated as a beneficiary of the Trust. The letter

went into the background of Mr. Burns' position concluding that any further actions by Kyla would result her no longer being a beneficiary of the Trust. A copy of that letter was sent to Kyla.

In the Amendments by George (Exhibit C) any interference with the separate property of his wife that would be governed by English Law would create a forfeit of Kyla's interest. George after his wife died did retain a English lawyer to Probate the separate property of his wife which consisted of a house and Bank Accounts which contained approximately \$350,000.00 which unfortunately, the majority of the funds had been put into a Barclays Account by Kyla whereby she was a co-signature on the account. Kyla's English attorney made a claim for Kyla that she was entitled to the house and the Bank Accounts in England. George stated that if the Bank Accounts were not returned to the Estate in England, it would be considered a forfeit of her interest in the Trust. Kyla has refused to provide any information to the Estate's English attorneys or to the American attorneys, along with her siblings as to what amount of money was in the Barclays Account, and also refuses to provide a list of personal property that belonged to Maureen that Kyla has in her possession of which would be considered part of the Trust based on Maureen's Will. Maureen's Will and the Trust stated that all personal property was to be delivered to her husband, George. See Section 3.01 of the Trust/and Section 3.2 in the Will and Amendments (Exhibit C and Exhibits 1 and 2).

These actions on the part of Kyla therefore bring into play the no contest clauses, (copies of the clauses are attached to **Exhibit C**). Secondly, her attorney renewed the "Caveat" challenging the Probate in England (see **Exhibit B**, the August 14, 2019 letter).

IV. After Maureen's Death Kyla Hired Her Own Attorney

In the spring of 2018 Kyla hired Brian Steadman of the firm Solomon Dwiggins & Freer. Maureen died on June 16, 2018. Carrie E. Hurtik had been the attorney who prepared the Duckworth Family Trust and continued to represent George and the Trust; however, she did not handle litigation and referred George to Kenneth A. Burns Esquire ("Ken Burns") as the attorney for the Trust since he handled Trust matters regarding issues or any litigation that arose out of those issues.

George died on November 16, 2019. Jerimy Kirschner was hired as the attorney in place of Mr. Steadman. On December 10, 2019, Mr. Kirschner contacted Ken Burns and advised Mr. Burns that he was now the attorney for Kyla (Exhibit D). The Probate Petition was filed on December 13, 2019 in Case No. P-19-101561-E and Mr. Kirschner was served with the Probate Petition and the Notice of Hearing. Mr. Kirschner demanded a hearing on the matter for the appointment of Cary as the Executor and requested the Probate Judge hear the matter pursuant to EDCR 4.08. However, Mr. Kirschner failed to appear at the hearing that he had requested (Exhibit E). Cary was appointed the Executor on January 31, 2020 and has acted in that position since that time. Although there was no Court Trust proceeding, Mr. Kirschner sent a letter dated January 17, 2020 to Mr. Burns demanding a Trust accounting within 60 days. Cary requested that the accountant for George and Maureen prepare the accounting which she prepared and then delivered it to Ken Burns for review who in fact finalized the accounting and served Mr. Kirschner. On April 16th Mr. Kirschner sent a letter

1 complaining about portions of the accounting claiming it was "materially deficient" and 2 demanding that Mr. Burns respond within two weeks.

3 4

Unfortunately, Mr. Burns died suddenly on May 24, 2020. Cary was informed of his death in the beginning of June. On June 10, 2020, Cary contacted R. Gardner Jolley to 5 6 represent him. Mr. Jolley on June 11, 2020 emailed Mr. Kirschner advising him that Ken 7 Burns had died and he had been contacted to represent the Trust. It wasn't until after he 8 was retained that Mr. Jolley discovered that Mr. Kirschner had filed on June 10, 2020 a 9 Petition for Construction of the Trust Term, Petition to Compel Proper Accounting and to 10 Compel Turnover of Trust Documents consisting of 11 pages and 10 Exhibits. Cary was 12 sent a copy of that Petition by Ken Burns' law firm and Cary forwarded it to Mr. Jolley. 13 Mr. Kirschner never contacted Mr. Jolley to advise him of the Petition. The Petition was 14 set for hearing on July 17th. Mr. Jolley on June 29, 2020 wrote Mr. Kirschner and asked 15 16 that a continuance be granted for two weeks; however, Mr. Jolley never received a It wasn't until after Mr. Jolley contacted the Probate response to that letter.¹ Commissioner's office and the Clerk's office who advised him that they would continue the matter to August 7, 2020 that Mr. Kirschner finally agreed to that on Monday, July 6, 2020.

Petitioner is concerned about the fact that there are two separate contest clauses

¹ Interesting enough Mr. Kirschner wrote Ken Burns on December 10, 2019 the he had been retained by 27 Kyla. On December 13th, Ken Burns sent the Notice of Hearing of the Petition for Probate of Will to Mr. Kirschner. Over six weeks later, on January 29, 2020 two days before the Probate hearing Mr. Kirschner 28requested a continuance (Exhibit G), yet he did not respond to Mr. Jolley requesting a continuance.

within the Trust and the Amendment to the Trust. Section 7.02 in the Trust sets forth the contest clause which provides if any beneficiary asserts any claim (which would include Kyla's conduct in the English Probate), therefore, the First Amendment indicates George did plan on Kyla having an interest in the Trust, but based on 7.05 she had to agree not to challenge the Probate in England (Exhibit C). Under English law, 75% of the English Estate would go to George which would then be deposited in the Trust. 25% would be distributed directly to the three children in equal shares.

After Kyla's attorney made claims as to all of the English assets, George executed the First Amendment to the Trust (Exhibit C) which he was entitled to do adding a provision 7.05 regarding the "United Kingdom Contest" whereby if Kyla tried to take or claim any assets under the laws of the United Kingdom it would be considered a contest whereby she would no longer be considered a beneficiary. As stated in George's Special Directives, George explained the children were to be treated equally and that was the reason \$300,000 was used to compensate the inheritance of Cary (page 23 of Special Directives, **Exhibit F**). In the Amendment, he had also pointed out that the \$350,000.00 in the bank account was a setoff against any interest that Kyla was to receive from the Trust. Kyla in fact through her attorney that she retained in England made a claim against those assets thereby bringing into play Section 7.05.

George specifically set out in the Amendments what Kyla was to receive and that the \$350,000 from the Bank Accounts in the United Kingdom would be a set off on any interest of Kyla. Any remaining assets would then be distributed among the three children as set for in Paragraph Fifth.

VI. Many of the Allegations Made by the Petitioner are not Correct

First of all, numerous witnesses, including the other children will testify that Kyla did not have a good relationship with her father, especially going against the wishes of her father and mother and the other siblings regarding the care of their mother.

George and all of the children had been advised by Maureen that she had assets in England and that upon her death the three children were to receive in equal shares those assets. The Trustee believes that those assets consist of the present funds in the Bank Accounts and the Residence in England that is valued in excess of \$400,000.00. According to the advice given to George when he was Trustee, because there is no Will in England the Estate of Maureen will be distributed 75% to George which since he is deceased, will go into the Trust and 25% will be divided among the three children. However, because Kyla won't provide information, the necessary tax filing was prepared listing the assets, however, the Probate attorney had to make estimates of value because Kyla would not provide information regarding the Barclays Account and also has failed to provide a list of personal property that are in the hands of Kyla, believed to be jewelry and other items of a similar nature belonging to Maureen.

Secondly, Kyla is upset that George did not allow her to make a claim to the
English assets as set forth in the First Amendment that was executed when Kyla went
against the wishes of the rest of the family by claiming the assets in England that was
property that belonged to Maureen and was to go to all three children. For that reason,
George stated that "Kyla Will Be Treated as Having Received an Advancement of
\$350,000.00 from the Account in the United Kingdom."

VII. Kyla Alleges that the \$300,000.00 Gift to Cary is Not Appropriate

George and Maureen in their Wills and in the Trust both stated that Cary was to receive \$300,000.00 from the Trust assets, because the two other siblings had received \$300,000.00 each from their grandmother before Cary was born. Both Maureen and George stated that this would not be a setoff of Cary's one-third interest but merely an effort to make it equal to what the daughters had received from their grandmother. Kyla has complained about that advancement in the Petition.

It should be noted that in the Special Directives of Maureen in Paragraph 3.1 of the Trust on page 23 (Exhibit 1 and Exhibit F), she specifically provided that \$300,000 would immediately be conveyed to Cary since the sisters, Kyla and Tara had received money from their grandmother in that amount before the birth of Cary. George put in the same provision in his Special Directives on page 21 of the Trust and the one attached to the First Amendment (Exhibit F).

VIII. The Response to Statement of Facts in the Petition

Paragraph 1, Admit. Section 3.2 of the Will, attached as Exhibit 2 to the Petition conveys all of the assets in which Maureen had an interest were to be distributed to the Trust save and except the separate property held by her. She also stated "I direct that such Trust Agreement shall not be administered under court supervision, control or accounting. ..."

Paragraph 2, Admit that Maureen executed a Will, attached as Exhibit 2 to the
 Petition was a copy of the Will of Maureen. The Trustee has no information or belief so
 therefore denies the other allegations, except to point out that the sole and separate

property she referred to was a residence in England and the Bank Accounts containing \$350,000.00.

<u>Paragraph 3</u> The Trustee has no information or belief and therefore denies this allegation.

<u>Paragraph 4</u>, Deny. Kyla acted against the wishes of Maureen and the rest of the family.

<u>Paragraph 5 and 6</u>, Admit. What is not pointed out is that the facility did not approve of Kyla living at the Las Ventana claiming she was homeless, but she has a home in San Diego since 2008 she could have leased out while living in Las Vegas.

Paragraph 7, Cary acknowledges that he set up appointments for George to execute a new Will, dated February 5, 2018 that was prepared by the Trust attorney Carrie E. Hurtik however, he did it at the instruction of George. The First Codicil to the last Will was also executed on February 5, 2018 (and set up appoints regarding those documents referred to in Paragraphs 11, 13 and 15).

Paragraphs 8, Admit

Paragraph 9, Deny. George in fact on many occasions stated he was lonely and wanted Maureen to come back to the residence. Late in August 2018, Cary moved in with his wife and children after Maureen died in June 2018.

Paragraph 10, Cary denies that the Petitioner was barred from the home. In fact,
 Kyla had taken an adverse position with the family members and in fact did not appear at
 the funeral for Maureen. Secondly, although invited to George's birthday, Kyla did not
 appear at the event.

Cary had tried to contact Kyla on numerous occasions by telephone, but he never received a return call. Cary did not notify Kyla that her father was in hospice because he did not know how long George would be in hospice since that he had been advised that some people are in hospice for as long as six (6) months and then return to their home.

<u>Paragraph 11</u>, see Paragraph 7. George in fact met with Ken Burns on at least two or three occasions at George's home at Corta Bella. The terms of the First Amendment will speak for themselves and are described below in Paragraph 12.

Paragraph 12, Kyla would not cooperate with George by providing monies to pay Maureen's medical bills and would not cooperate in any way with George as the Trustee which included her not providing information regarding the Bank Accounts and personal property that belonged to Maureen that was in the possession of Kyla. For that reason, Kyla was removed as a Successor Trustee. To date she has never provided that information to George, Cary or the English Court.

Kyla had removed Maureen from the home and because of Kyla's conduct George executed a new Will dated February 5, 2018 prepared by George's attorney. George then changed the fiduciaries to eliminate Kyla because of her conduct. Maureen wanted to remain in her home until her death and always stated that she did not want to go to an assisted living or another location other than her home. Cary, Tara and George were all opposed but Kyla made the move without obtaining their approval.

Section 7.05 to the Trust came into play because of Kyla's conduct relating to the assets that were to be Probated in England. George also changed the Trustee to make Cary Duckworth the Successor Trustee and if Cary was unable to act then Tara. He

purposely put Kyla last because of the problems he had had with her. In addition, because Kyla had not provided information regarding any personal property in her possession that belonged to Maureen he stated in the First Amendment that the personal property would be distributed pursuant to any Memorandum and the Trustee would abide by that Memorandum; however, if there was no Memorandum Cary's discretion as Trustee would allow him to keep the personal property and if Cary was not living it was to be distributed to Tara.

In Article Fourth of the First Amendment on his death George also gave 50% of the Hinson house to Kyla and valued it at \$144,000.00 and gave the Las Vegas Residence to Cary and valued it at \$178,000.00. Both gifts were treated as advancements. He also pointed out that Kyla would need to provide information regarding the \$350,000.00 otherwise it would be an advancement to her from her 1/3 share. George as the remaining Trustor was entitled to amend the Trust pursuant to the terms of the original Trust document.

Paragraph 13, see Paragraph 7 and 11

Paragraphs 14, Admit

Paragraph 15, see Paragraph 7 and 11

Paragraphs 16, George died on November 16, 2019; however, he had been in hospice for only three days.

Paragraph 17, Cary had no way of notifying Kyla that her father was in hospice, since she wouldn't return calls. Cary attempted to contact her by telephone, but she did not return the call. The next day, he texted her to advise her that George had died.

Paragraph 18, see Paragraph 17

Paragraph 19, Deny. The demand was not made upon Cary but instead was a demand on Mr. Burns who received the letter dated January 17, 2020 (Petitioner's **Exhibit 7**).

Paragraphs 20, Deny

Paragraph 21, Deny. Pursuant to the terms of the Trust and the Will, Cary was not required to produce that information as reflected in Section 9.03 of the First Amendment of the Trust, (Exhibit C) since Kyla was not entitled to receive any of the personal property. Section 3.2 of the Will provides that on the death of a Trustor all of the personal property was to be distributed to the Trust, and then distributed pursuant to the instructions given to the Trustee by Memorandum or "Special Directives" attached as Exhibit A, however, there was nothing in the Memorandum or Exhibit A. The Trust in Section 3.01 specifically stated that on the death of the first Trustor all of the personal property would be distributed to the surviving Grantor as Trustee. George as the surviving Grantor conveyed the property to Cary to follow the Memorandum for distribution of the property and if there was no Memorandum, Cary could keep the property if there were any objections on his method of distributions (Exhibit C).

The accounting did not have to provide the valuations of the personal property for two reasons: Pursuant to the Will of Maureen Section 3.2 all of the personal property would go to the Trust to be distributed as set forth in Exhibit A, however, there was no Exhibit A list so the assets went to George. On George's death, he provided in the First Amendment all of that property would be distributed solely by the decision of Cary as the

Successor Trustee and that Cary in fact could keep all of the personal property as a distribution if any claims to the contrary. See Section 9.03 of the First Amendment (Exhibit C) and Section 8.01 of the Trust (Exhibit 1).

<u>Paragraph 22</u>, Deny. Section 7.04 of the Trust stated that all the information relating to the Trust was confidential and only had to be provided to the beneficiary that would receive the property.

Paragraph 23, see Paragraph 21 and 22. Also Kyla failed to provide a list of personal property that belonged to Maureen, and therefore lost her right to receive any personal property.

Paragraph 24, Admit.

Paragraphs 25 and 28, Love Diamond Nails, Off Broadway Shoes or The Jewelers were expenses for George purchases. Three Popcorn Girl was popcorn that George bought for Cary's two female minor children. The objection was that Cary did not provide the liabilities however the credit cards were the liabilities as were the household expenses for utilities, et al. so that payment of those liabilities were paid after January 2019 even if the debt was incurred before January 23, 2019. The dozens of fast food purchases were for the benefit of George and the family that were living with George in 2019. The accounting doesn't identify liabilities for any of those entries because those bills were paid; therefore, they are listed in the credit card and other payments.

<u>Paragraph 26</u>, George and Cary had the right to spend money for the family, keeping in mind that George was the Surviving Trustor of the revocable Trust. Kyla lived in the house for four and one-half $(4 \frac{1}{2})$ years and used Maureen's credit card to

pay the charges which averaged \$4,000.00 - \$5,000.00 per month. Cary was paying the bulk of the bills, including medical bills by using the parents' checkbook. Kyla refused to give him her mother's credit card statements which she rerouted to her P. O. Box along with all of the English mail. Instead she went online to pay the bills which showed up on the parents' bank account statements without any information as to the charge, therefore, Cary had no idea what charges were paid by use of the credit card.

Paragraph 27, Deny

Paragraph 28, see Paragraph 25

Paragraph 29, the "advances" to Cary were based upon the Trust Amendments filed by George whereby Cary was to receive the house at 1829 Corta Bella Drive, Las Vegas, Nevada 89134 and that the house would be valued at \$178,400 but also was an advancement of his 1/3 share. The loan of \$43,000.000 was used for improvements to the house. The First Amendment also conveyed on George's death the 50% interest in the Hinton residence to Kyla and valued it as \$144, 000.00 as an advancement of her 1/3 share.

Paragraph 30, The caretaker, Ms. Van Holten, was a fulltime caregiver for George at the time because of George's condition which improved, then her assistance was no longer necessary. Kyla didn't like Ms. Van Holten who was retained after Kyla moved Maureen out of the Residence. Mr. Jolley has a Guardianship where the caregiver fees for 24-hour care are in excess of \$13,000 every two weeks which has been approved by the Court. Cary should not be criticized for spending the money for the care of George and then reducing it when a fulltime caregiver was not necessary. See also Paragraph 26.

<u>2</u>5

Paragraph 31, George, Cary and Tara were entitled to have purchases at fast food locations, especially on visits to Love Diamond Nails where George often bought lunch for the employees.

<u>Paragraph 32</u>, This Paragraph is denied because the Petition fails to state what other large unexplained charges were made during the same time and without having specific information this Paragraph to be denied.

Paragraph 33, Mr. Burns believed he needed to do the accounting for 2019. There are minor expenses after December 31, 2019 through January 17, 2020 which total approximately \$3,000.00 consisting of money spent to remove items from the house and storage that had belonged Kyla or to George. These storage units are available for inspection by Kyla. The accounting was prepared by the accountant for the Trust and put in final form by Ken Burns who believed that based on the letter he received that he was to provide an accounting for the year 2019 which he did.

Paragraph 34, Deny. All the liabilities were shown as paid that were incurred during that period of time in 2019.

Paragraph 35, Deny. The letter was sent to Ken Burns who died on May 24, 2020. No other attorney other than Mr. Burns was involved in the Trust. Secondly, as stated in Paragraph 19, Kyla had no right to that information since she was not to receive any of the personal property that was referred to in George's Amendments to the Trust. Under Section 7.04 of the Trust, benefits were confidential and since Kyla did not receive any of the personal property she was not entitled a value of that personal property, see also Sections 3.01 of the Trust and also Section 9.03 of the First Amendment.

Paragraph 36, Deny.

The present attorney, R. Gardner Jolley sent a letter on June 11, 2020 to Mr. Kirschner advising him that he had been contacted to represent Cary as Trustee of the Trust but had not been retained. Mr. Jolley was not aware the Petition had been filed by Mr. Kirschner. Mr. Jolley never received a response to that letter. Mr. Jolley did not receive a copy of the Petition until Ken Burns former firm, Saltzman Mugan Dushoff sent a copy to Cary and advised him to provide it to his new attorney who ever that may be. Mr. Jolley after he had been retained, then sent a second letter after he had been retained requesting Mr. Kirschner meet with Mr. Jolley to discuss the matter and maybe resolve certain things or in the alternative at least give Mr. Jolley an additional two weeks to respond to the Petition that had been filed. Mr. Kirschner never responded to the second letter although requested to do so by June 29, 2020 until July 6, 2020 after the hearing had been continued (see Paragraph 5 and 6).

IX. Kyla is Not Entitled to Require that the Personal Property in the Possession of the Trustee Needs to be Valued Since She is Not Entitled to Receive Any of that Property

In the Trust, Maureen gave all the personal property to George as Trustee. (Exhibit 1) Section 3.01 and in her Will in Section 3.2 (Exhibit 2). George in his First Amendment provided that all of the personal property would be given to the Trustee who could distribute the property pursuant to a Memorandum however if there was no Memorandum or if Cary didn't distribute the personal property it would all belong to Cary. The Trust specifically states in Section 7.04 that any benefits are confidential and stating the Trustors' further declare that it is "their desire and intent that the provisions of

this Trust Agreement are to remain confidential as to all parties." The Trustor directs that only the information concerning the benefits to any particular beneficiary shall be revealed to such individual and that no individual shall have a right to information concerning the benefits to any other beneficiary. Since Kyla will not provide information on Maureen's personal property in her possession, Cary is entitled to keep all of the personal property and there is no need for him to provide a valuation. Secondly, this information is confidential and therefore does not have to be produced.

X. Cary was Entitled to Receive \$300,000.00 since Kyla and Tara had Each Previously Received \$300,000.00

Both George and Maureen specifically stated in the Trust that because the two daughters had received \$300,000.00 each from their grandmother before Cary was born that Cary was to receive \$300,000.00 before the remainder of the Trust that was to be divided between the three children. This was stated in Article Third of Maureen's Special Directives to the Trustee and in Article Third of George's Special Directives and also restated in his Amendments to the Trust.

XI. CONCLUSION

A. Contrary to Kyla's position, George in the Amendments to the Trust also stated
that if Kyla refused to provide information regarding the Bank Accounts containing
\$350,000.00 that the \$350,000.00 would be a setoff against her one-third (1/3) interest in
the Estate. In fact based upon the contest clauses attached in Exhibit C, based on Kyla's
conduct, Care as Trustee could declare at this point in time she is no longer a beneficiary
of the Trust.

B. Kyla has no right to receive information or value of personal property.

C. The Accounting met the requirements of Nevada Revised Statutes.

D. It was obvious from the way Mr. Kischner wrote his Demand Letter for an Accounting that the period was to cover in compliance with Chapter 165. Cary took over on January 23, 2019. Ken Burns, correctly or not believed that meant that the Accounting should be for the year 2019 which is what Mr. Kirschner received. In the period January 1 through January 17, 2020 amounted to bills totaling less than \$3,000.00 since George had died in November 2019. If the Petitioner continues to demand the account covers the period through January 17, 2020 under NRS 165.1214(3)a beneficiary is only entitled to one accounting per calendar year so Kyla cannot demand any further accounting through 2020.

E. Kyla also claimed there were no liability statements in the accounting but she is incorrect. The accounting specifically referred to the credit cards and the payment of utility bills which are all set forth in the Accounting which consists of 18 pages (Exhibit 8).

F. Cary as Trustee cannot make a plan for settlement of the Trust because of Kyla's refusal to provide the information in her possession relating to the English assets. The only alternatives are to declare that Kyla has violated the no contest clauses or for her to accept a settlement that sets off \$350,000.00 from her 1/3 share.

G. Cary as the Trustee should be awarded attorney's fees and costs for having to
respond to Kyla's Petition based upon the fact that she has not complied with Chapter
165 and that she has failed to honor her parents' wishes as to the distribution of the assets

	1	that belonged to Maureen and George which in fact may lead to her losing her right to be

Re: George and Maureen Duckworth

Dear Kyla, Cary and Tara;

This correspondence is being sent to you as I understand that the financial situation for your parents has deteriorated rapidly over the last few years and that *their assets* which are to be used solely for <u>both</u> their care and well-being are compromised. Please understand that you are all "Co-Attorney's in fact, pursuant to your parent's wishes, and you have an ethical and fiduciary duty to act in their best interests. <u>As such, you all have a duty to ensure that the estate assets are being used not for any personal gain, or personal bills other than bills for your parents care and benefit.</u>

It is my understanding that the 2016 tax return has not been filed at this time and the latest date this is to be filed is October 15, 2016. The accountant, Diane Short will need to be provided the items she requested in her May 25, 2017 email.

This information should be provided no later than September 10, 2017 to the accountant so that no penalties are incurred, or an issue arises wherein the Internal Revenue Service would decide to Audit all of the records. This could seriously harm your parent's financial situation and no one should want that to occur.

HURTIK LAW & ASSOCIATES August 31, 2017 Page 2 of 3

Furthermore, I understand that Diane Short, met with you and your parents on May 17, 2017 and advised that you need to keep the bonds intact, as this is Thirty-Thousand Dollars and Zero Cents (\$30,000.00) of tax free income annually which is in jeopardy at this time. My understanding is that the balance owed on the bonds currently is Four Hundred Eighty Thousand Dollars (\$480,000.00) and that the account does not have ample funds for the September 1, 2017 payment. If the payment is not made on time, or cannot be paid the Bonds could be called and the entire amount would have to be paid in full. Thus, the income would be lost and another asset would have to pay the bonds. This is fiscally not a good move and disasterus for tax purposes and cash flow.

Additionally, it is my understanding that the credit card has not been paid and is over fifteen (15) days late, which affects your parents credit; this again is not a situation that should be happening and needs to be remedied.

The accountant has reviewed everything and provided an analysis of what financially needs to be done to ensure that your parents are protected from large tax liability and to ensure they have the funds to pay for necessities and care for the last years of their lives. Diane has advised that the condominium should not be sold or mortgaged at this time, which would result into dire tax consequences due to the cost basis. The house is paid in full and no liens should encumber the home as your parents may need funds in the future from this source and they do not have the means to pay any liens placed on the properties.

It has been advised that the funds in England be immediately brought over to stop the bleeding that is currently occurring in overdrafts and improper budgeting of your PARENT'S funds. It is my understanding the checking account is overdrawn by approximately Three Thousand Dollars (\$3,000.00). The CD should be broken immediately, as the fee to release the funds is minor compared to the disaster that is currently occurring. All funds from Lloyds and Barclay need to be brought over to your parent's accounts in the States. The amount in the Barclay accounts I understand is around Two Hundred and Fifty Thousand Dollars US (\$250,000.00) and Lloyds should be around One Hundred and Fifty Dollars US (\$150,000.00) according to Diane Short's email dated May 30, 2017.

This correspondence is to advise you all that anyone who is grossly negligent and is putting their best interests in front of the care of your parents can be held legally responsible for depletion of the funds meant to care for your parents during their lifetime. Since all of you were appointed jointly to make decisions that were for the good of your parents and further tasked with the responsibility to appoint professionals if you could not manage things responsibly. I suggest you begin doing so. If the above-referenced steps are not taken by September 10, 2017, I believe that action should be taken to appoint a receiver or Guardian over the Estate to ensure that correct decisions are being made and the estate is not depleted further.

HURTIK LAW & ASSOCIATES August 31, 2017 Page 3 of 3

It is disconcerting to say the least that joint decisions are not being made for the benefit of your parents, my clients are your parents and my sole interest is for their well-being please take the necessary steps together to fix the situation.

Sincerely, HURTIK LAW & ASSOCIATES

CARRIE E. HURTIK

Re: The Estate of the Late Maureen Daphne Duckworth Our Client: George M. Duckworth

Dear Sirs:

Our firm represents George M. Duckworth, father of your client, with respect to his trust and estate within the United States. We understand that you have filed (and renewed) a caveat on behalf of your client, Kyla Michele Duckworth, which prevents the intestate administration of Maureen Duckworth's estate in the United Kingdom. We are providing this information so that Kyla Duckworth is on notice of the consequences of her actions.

We are instructing our Solicitors, Bramsdon & Childs, to file a warning off on or about August 22, 2019, and it is our understanding that your client will have seven (7) days to respond to prevent the removal of the caveat. We wish to inform your client that her responding to prevent the caveat from being removed will be construed as a "contest" of the Duckworth Family Trust in the United States and will result in her being eliminated as a beneficiary of said trust.

We are enclosing a copy of the First Amendment to the Duckworth Family Trust from which provisions which do not apply to Kyla Duckworth have been redacted. A Section 7.05 <u>United Kingdom Contest</u> has been added to the terms of the trust to provide that any attempt to have Maureen's UK property distributed other than in the manner provided for by the intestacy laws of the United Kingdom shall be considered a contest of the trust and such proponent shall no longer be a beneficiary of the trust.

Other provisions of the first amendment include a specific bequest to Kyla of the trust's fifty percent (50%) interest in a residence at 1627 Hinson Street, which shall be valued for credit against her share based upon the appraised value at the time of her mother's death, with an allowance for a twenty percent (20%) discount of illiquidity. The amendment further provides that Kyla's one-third share shall be reduced by any funds from accounts of her mother over which

KOLESAR & LEATHAM

Kyla had signature authority and that she received or withdrew after her mother's death. The amendment provides that if Kyla is not forthcoming with account statements her one-third share shall be reduced by \$350,000. A second amendment is also attached and its sole purpose was to clarify that the financial account referred to would include any held in the Isle of Man or elsewhere.

The contents of this letter and the attachments are specifically provided for the purpose of giving Kyla Duckworth notice that continuing her opposition to an orderly disposition of Maureen Duckworth's estate in the UK under the laws of intestacy shall eliminate her as a beneficiary in the U.S. While the filing of the caveat originally may be grounds to consider it a contest, the courts in the U.S. are reluctant to enforce "no contest" provisions if a potential beneficiary has no notice of such provisions. Any actions by Kyla Duckworth after this letter has been transmitted shall be considered to be actions taken to contest the trust and she will no longer be a beneficiary of the Duckworth Family Trust.

Since your firm is not licensed to practice in the State of Nevada where the trust is located, we are forwarding a copy of the letter and attachments to Kyla Duckworth at addresses known to my client that Kyla has used in the recent past.

Very truly yours,

KOLESAR & LEATHAM

Any other personal and household effects of Trustor shall be distributed as my Successor Trustee shall determine in his or her absolute discretion, the exercise of which shall not be subject to review or, in the alternative, if there is any attempt to challenge the exercise of such discretion, all items of personal property not disposed of by a memorandum shall be distributed to CARY J. DUCKWORTH, if living or, if not living, to TARA E. KASSITY.

4. I hereby revise the Special Directives of George M. Duckworth to read as follows:

SPECIAL DIRECTIVES OF GEORGE M. DUCKWORTH

I, GEORGE M. DUCKWORTH, a resident of Clark County, State of Nevada, being of lawful age, sound and disposing mind and memory, and not acting under duress, fraud or undue influence, hereby make, publish and declare this to be my Special Directive, and I incorporate this into THE DUCKWORTH FAMILY TRUST.

FIRST

I declare that the natural objects of my affection are:

- 1) My daughter TARA ELYZE KASSITY;
- 2) My daughter KYLA MICHELE DUCKWORTH; and
- 3) My son CARY JAY DUCKWORTH.

All references in this agreement to "my children" are references to these children. References to "my descendants" are to my children and their descendants. I specifically omit Diane Varney and any of her "issue," including but not limited to Shane P. Varney and Beau J. Varney, from receiving any assets from my estate.

SECOND

I direct that all estate and inheritance taxes payable as a result of my death, not limited to taxes assessed on property, shall be paid out of the residue of my Estate, and shall not be deducted or collected from any Legatee, Devisee or Beneficiary hereunder.

THIRD

My late wife MAUREEN and I both desired to treat our children equally and provided for our son to receive the sum of Three Hundred Thousand Dollars (\$300,000) to compensate for inheritance received by our two (2) daughters from their grandmother, EVELYN RICH, since our son was not born at the time her provisions were made and he did not share in the inheritance from his grandmother. I intend to transfer my residence at 1829 Corta Bella Drive, Las Vegas, Nevada 89134 to CARY J. DUCKWORTH contemporaneous with the execution of this amendment. The residence was appraised at a fair market value of \$598,000 as of June 16, 2018. For purposes of this distribution to CARY, he shall be considered to have received a distribution of 80% of the fair market value to account for selling costs, etc., for a total distribution of \$478,400 to CARY with \$300,000 to be treated as the equalizing distribution for our daughters receiving the inheritance from their grandmother and \$178,400 shall be treated as an advancement of his one-third distribution of the residuary estate. Further, it is my intent to give all

FOURTH

My daughter KYLA is to receive the one-half interest in the residence located at 1627 Hinson Street, Las Vegas, NV 89102, (in which this Trust has a 50% interest) which was appraised of a total value of \$360,000 on June 16, 2018, with the trust's one-half interest being \$180,000. For purposes of the distribution to KYLA will be valued at 80% of the fair market value with a resulting value for distribution purposes of \$144,000 and to be part of her one-third distribution of the residuary estate.

Further, KYLA was made a co-signatory on certain bank or financial accounts in the United Kingdom belonging as separate property of my late wife, MAUREEN. To the extent these accounts were transferred to KYLA following MAUREEN's death, such amounts shall be treated as an advancement toward her one-third share of the residuary. KYLA will need to provide the Trustee with account balance received by her and the failure of KYLA to provide evidence through account statements or other documentation, KYLA will be treated as having received an advancement of \$350,000 from the account in the United Kingdom.

Further, the accounts that KYLA receives in the United Kingdom may be subject to estate, death or inheritance taxes in the United Kingdom and any such tax required to be paid by MAUREEN's estate in the United Kingdom with respect to those accounts shall be considered an advancement toward her one-third share of the residuary.
