Aimee O'Neil,

Petitioner-Appellant,

v.

Case No: 82418

Gloria Mazzoli

Respondent-Appellee,

NOTICE OF MOTION

1. The plaintiff, Aimee O'Neil is physically disabled
2. The plaintiff has a regular surgeon here in Las Vegas who has performed
Several surgeries on behalf of the plaintiff as the plaintiff and Dr. Caravella
Had become very friendly, went in dept over lots of medical in the past,
As we go back to a very alarming event on the operating table
3. The plaintiff had all veins on the left side reran to her heart, it took
Several surgeries to complete this enormous procedure, running veins
From her leg to her heart allowing for a couple days in between the
Surgeries removing veins from the right to put them on the left

4. The last surgery, I remember this very well, a strange out of ordinary

21-07580

Act happened. The minute he said I am about to cut into you, my cell
Phone goes. I don't know this person who is insisting that I gave them
My number but I didn't, the surgeon isn't going to forget this as i
Scrambled around accusing multiple people, how did he get my number.
My Dr. was baffled. Somebody could hear what the surgeon was saying
And ordered this stranger to try to obstruct my surgery, as my heart and
Chest were wide open and it was GLORIA MAZZOLI and this Dr going
To remember because this is not something you would forget. The clowns
Here tried to obstruct seeing the Dr today by changing the insurance
Because SHE knows he is going to sit down and discuss this situation
In depth and Mazzoli is scrambling around Las Vegas like a lunatic, watching
Me, following, very worried about the DR.

5. I have had complete vein replacement surgery and GANG STALKING
Is something Gloria Mazzoli better start paying for. I have serious health
Problems and it is against Federal law to be intimidating a person from
Seeing their surgeon.

6. I am demanding Mazzoli release the name of the cop doing this gang
Stalking to the court immediately for investigation

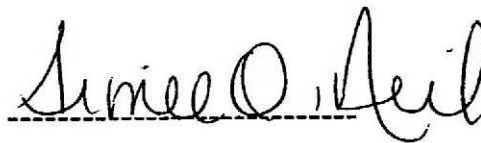

7. This was open heart surgery. My phone never goes off. He cut my chest
Wide open and that Mazzoli heard it and had some stranger that she gave my

Phone number to call the minute he cut my chest open. The entire surgery Room was in shock. Mazzoli better start explaining, this is beginning of The sexual harassment.

8. Red flags went off that someone could hear me and my Dr and I discussed This matter together and Mazzoli was listening in on my medical appointments. Why isn't Mazzoli responding to the court. She has not stopped talking the Past year in Las Vegas this woman ran her mouth so much so she confessed To crimes unimaginable. Mazzoli needs to stay away from my Dr. Tampering With 'MY' surgeon who has performed more surgeries on me than any other Surgeon. She needs to stay away from him, period. Mr. Beck explain this to Your client please.

9. Now she is calling me a "witch", out in public.
