Gloria Mazzoli

Charlene O'Neil,

Respondent-Appellee's,

NOTICE OF MOTION

The petitioner Aimee O'Neil alleges:

1. This " Bug " is a HATE Crime

2. The petitioner traveled to Boston to attempt to have the bug removed

And they refused to xray and check for it, after I flew all the way here

And than influenced a Lyft driver to say " they are taking advantage of

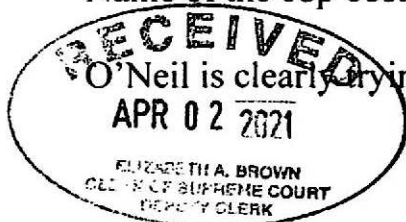

Me." Because it would be medical malpractice to see in my throat, so we

Know its in my throat. UNC wouldn't let me see a Dr, but xrayed me and

Covered up as all I saw was a cop.Both defendant's should disclose the

Name of the cop obstructing justice as this is attempted murder, defendant

O'Neil is clearly trying to kill me anyway she can.

21-09734

3. I am married to Mark Morrison. Both defendant's continue to conspire To interfere with my marriage, as the BUG is interfering with my marriage, Marital privacy, is the reason they planned on keeping me alone my entire Life out of hate
4. This is obstruction of justice ( see attached evidence )
5. Hospital Id # BWH27325737, MRN 27325737, CSN 3362394216  
Brigham Woman's Hospital, it was both defendant's trying to attempt Murder by concealing evidence, obstruction of justice.
6. The petitioner is filing The Baker Act on defendant O'Neil to have her Placed on a mental hold for marital interference out of HATE and an Embarrassment to this entire country
7. The Dr's refused to x-ray my throat when I demanded 4 times for an Xray and they refused
8. CIA reference number 98VV6WXT98V
9. Both defendants are going around saying that I am a lesbian. I am Married and they are being sued now for slander
10. In Las Vegas at UMC they wouldn't let me see a Dr and forged the Xray. ( see attached ).
11. They are interfering with my right to medical, this is why the defendants Had a plan to destroy every aspect of my life and conspire to commit murder,

As defendant O'Neil is always trying to find a way for murder.

12. On March 24, 2021 defendant O'Neil had an unidentified male approach Me at the busstop; this man pulled over in a motor vehicle and I ignored Him and he persisted, and went on to persist for my phone number. I refused. I told him no. An hour later the man had my number and was demanding I Speak to him, ( see evidence ).

13. Both defendant's allege some sort of manipulated control over this legal Stuff. They have no control.

14. Today I made a appointment with my long time surgeon and the Receptionist continued " sorry" in a way influenced by a person trying To kill their child. I am allergic to metal. I will have it removed, Defendant O'Neil lost all and authority over me November 1983, By New York State revoking her parental rights from heinous Child abuse. What is she doing violating a Nevada restraining order?

15. Defendant O'Neil is a violating a restraining order and obstructing my Rights to receive medical treatment and defendant O'Neil should be Charged with attempted murder as I am trying to file the Baker Act And have her placed on a mental health hold.

16. This trip to see my Dr. was a 10 ring circus defendant O'Neil should Make National Headline News for her conduct of obstructing my right

To see a Dr. SHE IS INSANE and needs to be locked up in a facility that Treats psychiatric disorders.

17. The intimidation needs to CEASE and DESIST it was ordered and it Violated today 4 times. Yesterday almost 25 times she violated the Restraining plotting to kill her child. Defendant O'Neil in the past has Ordered people to kill her child, Paul Janes as we refer to Manson Case.

18. Why am I being intimidated to see a Dr? This is what people do

19. Going through TSA it showed metal covering my entire, not radiation, As the incompetence of two incompetence should be recognized. Defendant O'Neil has plotted many times to commit murder on her child in which Motions have been filed to remove her off of the birth certificate permanently As she is endangering my health and safety.

20. The entire time in the Emergency Room I was told " sorry" your not Getting medical treatment and defendant O'Neil went on to say, " your Going to die," so that is attempted murder, she admits she is trying to Have me killed, whether she is trying to poison me or obstruct treatment From a Dr. She is literally placing intimidation in a free country to see A Dr, as when before the Dr's office didn't tell me sorry, they are now and Its coming from defendant O'Neil her untreated mental health problems \ Are interfering with my life. She is dangerous and the courts need to

Intervene and impose sanctions on restraining her from my Dr's this is  
A mental illness, she is CRAZY. We Don't kill our children. And defendant  
O'Neil is so mentally ill she has become incoherent and dangerous to society.

21. Defendant O'Neil crossed how many state lines to intimidate and say  
SORRY your being denied medical treatment because she is insane.

22. Defendant O'Neil is doing this intentionally to interfere with a marital  
Contract which violates the law
