Real Parties in Interest.

ORDER

Appellants in Docket No. 82467 have filed motions to consolidate that appeal with the petition for a writ of mandamus in Docket No. 82552. Respondents in Docket No. 82467 oppose the motion to consolidate and have filed a countermotion to dismiss the appeal for lack of jurisdiction. Having considered the motion, opposition, and reply, this court concludes that the motion to dismiss is best resolved in conjunction with disposition of the petition for a writ of mandamus in Docket No. 82552. Accordingly, this court defers ruling on the motion to dismiss. As these matters involve the same parties and largely the same counsel and challenge the same district court order, the motion for consolidation is granted. NRAP 3(b)(2). These matters are hereby consolidated.

Having reviewed the writ petition and supporting documents in Docket No. 82552, it appears that an answer may assist this court in resolving the matter. Accordingly, the following briefing schedule shall apply in these consolidated cases. Appellants/petitioners shall have until June 16, 2021, to file and serve the opening brief and appendix in Docket No. 82467. Respondents/real parties in interest shall have 30 days from service of the opening brief to file and serve a combined answer to the writ petition in Docket No. 82552 and answering brief in Docket No. 82467. Appellants/petitioners shall have 30 days from service of the combined answer/answering brief within which to file and serve any combined reply

to the answer and reply brief on appeal. Failure to timely file briefs in this matter may result in the imposition of sanctions.

It is so ORDERED.
