LaChasity Carroll, Supreme Court Guardianship Compliance Officer, present.

Attorney Jennifer Isso, Nevada Bar #13157, appeared on behalf of Erin Newport in an UNBUNDLED capacity.

Erin Newport participated telephonically.

Maternal Grandfather, Kelly Newport, present.

Ms. Isso made statements regarding lack of service to Natural Mother, Grandfather and Grandmother. Court noted a Certificate of Service was filed showing service to all parties within two degrees of consanguinity. Court questioned if Ms. Isso thought aunts and uncles were within two degrees of consanguinity. Ms. Isso stated she was uncertain.

Court reviewed the investigator's report and noted Natural Mother and Grandfather had criminal histories.

Court and counsel engaged in discussion regarding whether or not Proposed Protected Minors were vaccinated. Ms. Isso provided immunization records for Court's review. A copy of the immunization records was made and LEFT-SIDE FILED.

Court noted although Natural Mother had stated she was against vaccinations, it appeared as though the children had started being immunized a few years ago, however there was no follow-up until earlier this month when the children had several vaccinations, with more scheduled next month.

Page 1 of 2

Minutes Date:

Ms. Isso stated it was not known whether Petitioners were blood related to the children. Court reminded Ms. Isso Maternal Grandfather is unable to be appointed as guardian due to his criminal conviction. Argument as to whether the children were in the care of Petitioners for a few weeks or up to six months. Court questioned why family members would leave the children with Petitioners if they knew there was no blood relation. Maternal Grandfather stated he needed help with the children.

Court noted the CPS records were requested, and FINDS, the CPS records shall assist the Court in making a best interest determination. CPS records shall be ADMITTED as Court s Exhibit A.

Ms. Carroll made statements as to her report. She described Petitioners' and Mr. Newport's house visits.

Discussion as to why the children were not attending Kindergarten. Mr. Newport stated he contacted the school district and was told the children had to be five years old by August, or they had to wait for another year to attend school. Court noted the Clark County school district policy is that a child may attend Kindergarten if they turn five years old by September 30th of the new school year.

Ms. Warnock stated although the Petitioners may not be blood related, they care for the children and want to put them into school.

Ms. Isso questioned if there were enough beds for all of the children in Petitioners' home. Ms. Carroll responded. Court noted it is more concerned with unvaccinated children, and children who are not attending school.

Court stated its FINDINGS on the record.

COURT ORDERED:

Order Appointing Petitioners as Guardians over the Person shall be APPROVED and GRANTED. Ms. Warnock shall submit an Order for Court's signature.

Guardians shall pick up the Protected Minors from Maternal Grandfather TODAY at 3:00 PM (2/25/20). Maternal Grandfather's address stated on the record. Counsel shall file an Order to Show Cause if Maternal Grandfather does not comply with this order.

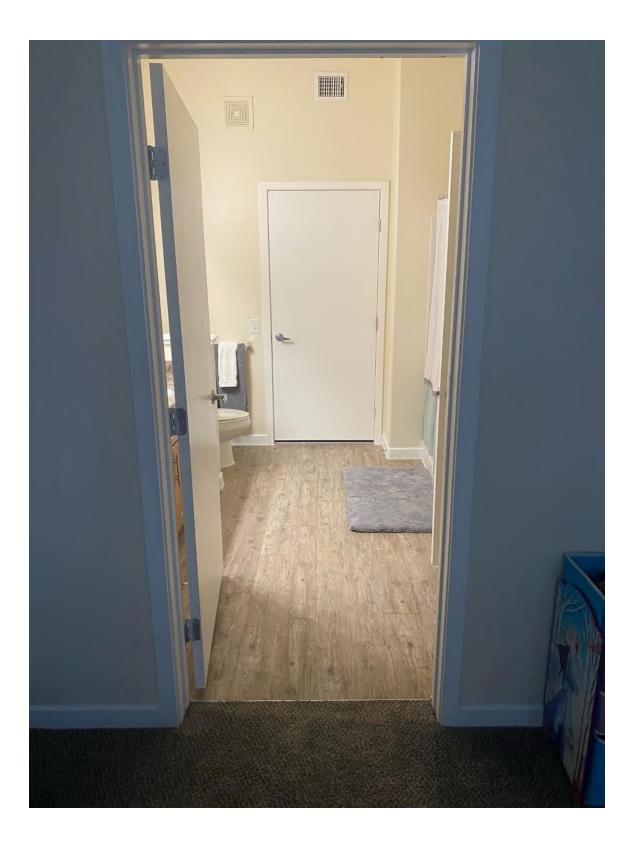

Case ADJUDICATED.

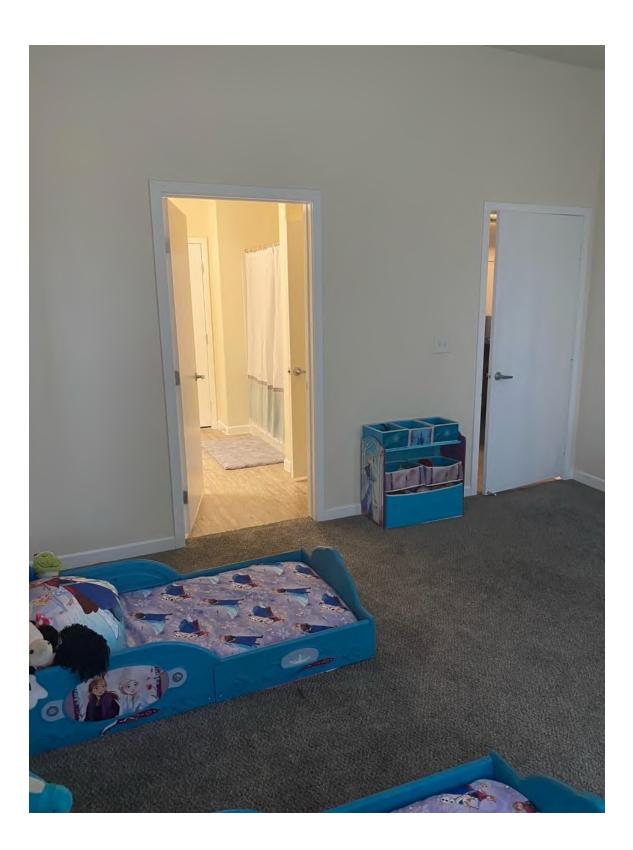

CLERK'S NOTE: Immediately following the hearing, COURT ORDERED, Protected Minors shall be enrolled in Kindergarten within thirty (30) days of this hearing.

# Protect Your Family From Lead in Your

# Home

United States Department of Housing and Urban Development

### Simple Steps to Protect Your Family from Lead Hazards

### If you think your home has lead-based paint:

- · Don't try to remove lead-based paint yourself.
- Always keep painted surfaces in good condition to minimize deterioration.
- Get your home checked for lead hazards. Find a certified inspector or risk assessor at epa.gov/lead.
- Talk to your landlord about fixing surfaces with peeling or chipping paint.
- Regularly clean floors, window sills, and other surfaces.
- Take precautions to avoid exposure to lead dust when remodeling.
- When renovating, repairing, or painting, hire only EPA- or stateapproved Lead-Safe certified renovation firms.
- Before buying, renting, or renovating your home, have it checked for lead-based paint.
- Consult your health care provider about testing your children for lead. Your pediatrician can check for lead with a simple blood test.
- Wash children's hands, bottles, pacifiers, and toys often.
- Make sure children eat healthy, low-fat foods high in iron, calcium, and vitamin C.
- Remove shoes or wipe soil off shoes before entering your house.

# Are You Planning to Buy or Rent a Home Built Before 1978?

Did you know that many homes built before 1978 have **lead-based paint**? Lead from paint, chips, and dust can pose serious health hazards.

### Read this entire brochure to learn:

- How lead gets into the body
- How lead affects health
- What you can do to protect your family
- Where to go for more information

# Before renting or buying a pre-1978 home or apartment, federal law requires:

- Sellers must disclose known information on lead-based paint or leadbased paint hazards before selling a house.
- Real estate sales contracts must include a specific warning statement about lead-based paint. Buyers have up to 10 days to check for lead.
- Landlords must disclose known information on lead-based paint or lead-based paint hazards before leases take effect. Leases must include a specific warning statement about lead-based paint.

# If undertaking renovations, repairs, or painting (RRP) projects in your pre-1978 home or apartment:

• Read EPA's pamphlet, *The Lead-Safe Certified Guide to Renovate Right*, to learn about the lead-safe work practices that contractors are required to follow when working in your home (see page 12).

### Lead Gets into the Body in Many Ways

### Adults and children can get lead into their bodies if they:

- Breathe in lead dust (especially during activities such as renovations, repairs, or painting that disturb painted surfaces).
- Swallow lead dust that has settled on food, food preparation surfaces, and other places.
- Eat paint chips or soil that contains lead.

### Lead is especially dangerous to children under the age of 6.

- At this age, children's brains and nervous systems are more sensitive to the damaging effects of lead.
- Children's growing bodies
   absorb more lead.
- Babies and young children often put their hands and other objects in their mouths. These objects can have lead dust on them.

# Women of childbearing age should know that lead is dangerous to a developing fetus.

 Women with a high lead level in their system before or during pregnancy risk exposing the fetus to lead through the placenta during fetal development.

### **Health Effects of Lead**

Lead affects the body in many ways. It is important to know that even exposure to low levels of lead can severely harm children.

In children, exposure to lead can cause:

- Nervous system and kidney damage
- · Learning disabilities, attention-deficit disorder, and decreased intelligence
- Speech, language, and behavior nroblems
- Poor muscle coordination
- Decreased muscle and bone growth
- Hearing damage

While low-lead exposure is most common, exposure to high amounts of lead can have devastating effects on children, including seizures, unconsciousness, and in some cases, death.

Although children are especially susceptible to lead exposure, lead can be dangerous for adults, too.

- In adults, exposure to lead can cause:
- Harm to a developing fetus
- · Increased chance of high blood pressure during pregnancy
- · Fertility problems (in men and women)
- High blood pressure
- Digestive problems
- Nerve disorders
- Memory and concentration problems
- Muscle and joint pain

### Where Lead-Based Paint Is Found

In general, the older your home or childcare facility, the more likely it has lead-based paint.

Many homes, including private, federally-assisted, federally-owned housing, and childcare facilities built before 1978 have **lead-based paint**. In 1978, the federal government banned consumer uses of lead-containing paint.<sup>2</sup>

Learn how to determine if paint is lead-based paint on page 7.

#### Lead can be found:

- In homes and childcare facilities in the city, country, or suburbs,
- In private and public single-family homes and apartments.
- · On surfaces inside and outside of the house, and
- · In soil around a home. (Soil can pick up lead from exterior paint or other sources, such as past use of leaded gas in cars.)

Learn more about where lead is found at epa.gov/lead.

# "Lead-based paint" is currently defined by the federal government as paint with lead levels greater than or equal to 1.0 milligram per square centimeter (mg/cm<sup>2</sup>), or more than 0.5% by weight.

"Lead-containing paint" is currently defined by the federal government as lead in new dried paint in excess of 90 parts per million (ppm) by weight.

Get your children and home tested if you think your home has

Children's blood lead levels tend to increase rapidly from 6 to 12 months of age, and tend to peak at 18 to 24 months of age.

Consult your doctor for advice on testing your children. A simple blood test can detect lead. Blood lead tests are usually recommended for:

- Children at ages 1 and 2
- Children or other family members who have been exposed to high levels of lead
- Children who should be tested under your state or local health screening plan

Your doctor can explain what the test results mean and if more testing will be needed.

### **Identifying Lead-Based Paint** and Lead-Based Paint Hazards

Deteriorated lead-based paint (peeling, chipping, chalking, **cracking, or damaged paint**) is a hazard and needs immediate attention. **Lead-based paint** may also be a hazard when found on surfaces that children can chew or that get a lot of wear and tear, such as:

- On windows and window sills
- · Doors and door frames

Blue Moon eSignature Services Document ID: 235861839

Stairs, railings, banisters, and porches

Lead-based paint is usually not a hazard if it is in good condition and if it is not on an impact or friction surface like a window.

Lead dust can form when lead-based paint is scraped, sanded, or heated. Lead dust also forms when painted surfaces containing lead bump or rub together. Lead paint chips and dust can get on surfaces and objects that people touch. Settled lead dust can reenter the air when the home is vacuumed or swept, or when people walk through it. EPA currently defines the following levels of lead in dust as hazardous:

- + 10 micrograms per square foot  $(\mu g/ft^2)$  and higher for floors, including carpeted floors
- 100  $\mu g/ft^2$  and higher for interior window sills

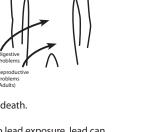

**Lead in soil** can be a hazard when children play in bare soil or when people bring soil into the house on their shoes. EPA currently defines the following levels of lead in soil as hazardous:

- · 400 parts per million (ppm) and higher in play areas of bare soil
- 1,200 ppm (average) and higher in bare soil in the remainder of the yard

### Remember, lead from paint chips—which you can see—and lea dust—which you may not be able to see—both can be hazards. -and lead

The only way to find out if paint, dust, or soil lead hazards exist is to test for them. The next page describes how to do this.

# **Check Your Family for Lead**

### **Checking Your Home for Lead**

You can get your home tested for lead in several different ways:

- A lead-based paint inspection tells you if your home has leadbased paint and where it is located. It won't tell you whether your home currently has lead hazards. A trained and certified testing professional, called a lead-based paint inspector, will conduct a paint inspection using methods, such as:
  - Portable x-ray fluorescence (XRF) machine
  - Lab tests of paint samples
- A risk assessment tells you if your home currently has any lead hazards from lead in paint, dust, or soil. It also tells you what actions to take to address any hazards. A trained and certified testing professional, called a risk assessor, will:
  - Sample paint that is deteriorated on doors, windows, floors, stairs, and walls
  - Sample dust near painted surfaces and sample bare soil in the yard
  - Get lab tests of paint, dust, and soil samples
- A combination inspection and risk assessment tells you if your home has any lead-based paint and if your home has any lead hazards, and where both are located.

Be sure to read the report provided to you after your inspection or risk assessment is completed, and ask questions about anything you do not understand.

#### **Checking Your Home for Lead, continued**

In preparing for renovation, repair, or painting work in a pre-1978 home, Lead-Safe Certified renovators (see page 12) may:

- Take paint chip samples to determine if lead-based paint is present in the area planned for renovation and send them to an EPA-recognized lead lab for analysis. In housing receiving federal assistance, the person collecting these samples must be a certified lead-based paint inspector or risk assessor
- Use EPA-recognized tests kits to determine if lead-based paint is absent (but not in housing receiving federal assistance)
- Presume that lead-based paint is present and use lead-safe work practices

There are state and federal programs in place to ensure that testing is done safely, reliably, and effectively. Contact your state or local agency for more information, visit epa.gov/lead, or call **1-800-424-LEAD** (5323) for a list of contacts in your area.<sup>3</sup>

<sup>3</sup> Hearing- or speech-challenged individuals may access this number through TTY by calling the Federal Relay Service at 1-800-877-8339.

### What You Can Do Now to Protect Your Family

If you suspect that your house has lead-based paint hazards, you can take some immediate steps to reduce your family's risk:

- · If you rent, notify your landlord of peeling or chipping paint.
- Keep painted surfaces clean and free of dust. Clean floors, window frames, window sills, and other surfaces weekly. Use a mop or sponge with warm water and a general all-purpose cleaner. (Remember: never mix ammonia and bleach products together because they can form a dangerous gas.)
- · Carefully clean up paint chips immediately without creating dust.
- Thoroughly rinse sponges and mop heads often during cleaning of dirty or dusty areas, and again afterward.
- Wash your hands and your children's hands often, especially before they eat and before nap time and bed time.
- Keep play areas clean. Wash bottles, pacifiers, toys, and stuffed animals regularly.
- Keep children from chewing window sills or other painted surfaces, or eating soil.
- When renovating, repairing, or painting, hire only EPA- or stateapproved Lead-Safe Certified renovation firms (see page 12).
- Clean or remove shoes before entering your home to avoid tracking in lead from soil.
- Make sure children eat nutritious, low-fat meals high in iron, and calcium, such as spinach and dairy products. Children with good diets absorb less lead.

### **Reducing Lead Hazards**

Disturbing lead-based paint or removing lead improperly can increase the hazard to your family by spreading even more lead dust around the house.

 In addition to day-to-day cleaning and good nutrition, you can temporarily reduce lead-based paint hazards by taking actions, such as repairing damaged painted surfaces and planting grass to cover leadcontaminated soil. These actions are not permanent solutions and will need ongoing attention.

8

- You can minimize exposure to lead
- when renovating, repairing, or painting by hiring an EPA- or statecertified renovator who is trained in the use of lead-safe work practices. If you are a do-it-yourselfer, learn how to use lead-safe work practices in your home.
- To remove lead hazards permanently, you should hire a certified lead abatement contractor. Abatement (or permanent hazard elimination) methods include removing, sealing, or enclosing lead-based paint with special materials. Just painting over the hazard with regular paint is not permanent control.

# Always use a certified contractor who is trained to address lead hazards safely.

- Hire a Lead-Safe Certified firm (see page 12) to perform renovation, repair, or painting (RRP) projects that disturb painted surfaces.
- To correct lead hazards permanently, hire a certified lead abatement contractor. This will ensure your contractor knows how to work safely and has the proper equipment to clean up thoroughly.

Certified contractors will employ qualified workers and follow strict safety rules as set by their state or by the federal government.

### **Reducing Lead Hazards, continued**

If your home has had lead abatement work done or if the housing is receiving federal assistance, once the work is completed, dust cleanup activities must be conducted until clearance testing indicates that lead dust levels are below the following levels:

- 40 micrograms per square foot  $(\mu g/ft^2)$  for floors, including carpeted floors
- + 250  $\mu g/ft^2$  for interior windows sills
- 400  $\mu$ g/ft<sup>2</sup> for window troughs

For help in locating certified lead abatement professionals in your area, call your state or local agency (see pages 14 and 15), or visit epa.gov/lead, or call 1-800-424-LEAD.

# Renovating, Repairing or Painting a Home with Lead-Based Paint

If you hire a contractor to conduct renovation, repair, or painting (RRP) projects in your pre-1978 home or childcare facility (such as pre-school and kindergarten), your contractor must:

- Be a Lead-Safe Certified firm approved by EPA or an EPA-authorized state program
- Use qualified trained individuals (Lead-Safe Certified renovators) who follow specific lead-safe work practices to prevent lead contamination

T

### Provide a copy of EPA's lead hazard information document, The Lead-Safe Certified Guide to Renovate Right

# RRP contractors working in pre-1978 homes and childcare facilities must follow lead-safe work practices that:

• Contain the work area. The area must be contained so that dust and debris do not escape from the work area. Warning signs must be put up, and plastic or other impermeable material and tape must be used.

• Avoid renovation methods that generate large amounts of lead-contaminated dust. Some methods generate so much leadcontaminated dust that their use is prohibited. They are:

- Open-flame burning or torching
- Sanding, grinding, planing, needle gunning, or blasting with power tools and equipment not equipped with a shroud and HEPA vacuum attachment
- Using a heat gun at temperatures greater than 1100°F
- Clean up thoroughly. The work area should be cleaned up daily. When all the work is done, the area must be cleaned up using special cleaning methods.
- Dispose of waste properly. Collect and seal waste in a heavy duty bag or sheeting. When transported, ensure that waste is contained to prevent release of dust and debris.

To learn more about EPA's requirements for RRP projects, visit epa.gov/getleadsafe, or read *The Lead-Safe Certified Guide to Renovate Right*.

#### **Other Sources of Lead**

#### Lead in Drinking Water

The most common sources of lead in drinking water are lead pipes, faucets, and fixtures.

Lead pipes are more likely to be found in older cities and homes built before 1986.

You can't smell or taste lead in drinking water.

To find out for certain if you have lead in drinking water, have your water tested.

Remember older homes with a private well can also have plumbing materials that contain lead.

#### Important Steps You Can Take to Reduce Lead in Drinking Water

- Use only cold water for drinking, cooking and making baby formula.
   Remember, boiling water does not remove lead from water.
- Before drinking, flush your home's pipes by running the tap, taking a shower, doing laundry, or doing a load of dishes.
- · Regularly clean your faucet's screen (also known as an aerator).
- If you use a filter certified to remove lead, don't forget to read the directions to learn when to change the cartridge. Using a filter after it has expired can make it less effective at removing lead.

Contact your water company to determine if the pipe that connects your home to the water main (called a service line) is made from lead. Your area's water company can also provide information about the lead levels in your system's drinking water.

For more information about lead in drinking water, please contact EPA's Safe Drinking Water Hotline at 1-800-426-4791. If you have other questions about lead poisoning prevention, call 1-800 424-LEAD.\*

Call your local health department or water company to find out about testing your water, or visit epa.gov/safewater for EPA's lead in drinking water information. Some states or utilities offer programs to pay for water testing for residents. Contact your state or local water company to learn more.

\* Hearing- or speech-challenged individuals may access this number through TTY
 by calling the Federal Relay Service at 1-800-877-8339.

#### Other Sources of Lead, continued

- Lead smelters or other industries that release lead into the air.
- Your job. If you work with lead, you could bring it home on your body or clothes. Shower and change clothes before coming home. Launder your work clothes separately from the rest of your family's clothes.
- Hobbies that use lead, such as making pottery or stained glass, or refinishing furniture. Call your local health department for information about hobbies that may use lead.
- Old toys and furniture may have been painted with lead-containing paint. Older toys and other children's products may have parts that contain lead.<sup>4</sup>
- Food and liquids cooked or stored in lead crystal or lead-glazed pottery or porcelain may contain lead.
- Folk remedies, such as "greta" and "azarcon," used to treat an upset stomach.

14

<sup>&</sup>lt;sup>4</sup> In 1978, the federal government banned toys, other children's products, and furniture with lead-containing paint. In 2008, the federal government banned lead in most children's products. The federal government currently bans lead in excess of 100 ppm by weight in most children's products.

# **IMPORTANT!**

### Lead From Paint, Dust, and Soil in and Around Your Home Can Be Dangerous if Not Managed Properly

- Children under 6 years old are most at risk for lead poisoning in your home.
- Lead exposure can harm young children and babies even before they are born.
- Homes, schools, and child care facilities built before 1978 are likely to contain lead-based paint.
- Even children who seem healthy may have dangerous levels of lead in their bodies.
- Disturbing surfaces with lead-based paint or removing lead-based paint improperly can increase the danger to your family.
- People can get lead into their bodies by breathing or swallowing lead dust, or by eating soil or paint chips containing lead.
- People have many options for reducing lead hazards. Generally, lead-based paint that is in good condition is not a hazard (see page 10).

You'll pay for all other utilities, related deposits, and any charges, fees, or services on such utilities. You must not allow utilities to be disconnected—including disconnection for not paying your bills until the lease term or renewal period ends. Cable channels that are provided may be changed during the lease term if the change applies to all residents. Utilities may be used only for normal household purposes and must not be wasted. If your electricity is ever interrupted, you must use only battery-operated lighting. If any utilities are submetered for the apartment, or prorated by an allocation formula, we will attach an addendum to this Lease Contract in compliance with state agency rules or local ordinance.

8. INSURANCE. We do not maintain insurance to cover your personal property or personal injury. We are not responsible to any resident, guest, or occupant for damage or loss of personal property or personal injury from (including but not limited to) fire, smoke, rain, flood, water and pipe leaks, hail, ice, snow, lightning, wind, explosions, earthquake, interruption of utilities, theft, hurricane, negligence of other residents, occupants, or invited/uninvited guests or vandalism unless otherwise required by law.

In addition, we urge all tenants, and particularly those residing in coastal areas, areas near rivers, and areas prone to flooding, to obtain flood insurance. Renter's insurance may not cover damage to your property due to flooding. A flood insurance resource which may be available includes the National Flood Insurance Program managed by the Federal Emergency Management Agency (FEMA). We 🔲 require 🔲 do not require you to get your own insurance for losses to your personal property or injuries due to theft, fire, water damage, pipe leaks and the like. If no box is checked, renter's insurance is not required.

Additionally, you are [check one] 🛛 required to purchase personal liability insurance 🔲 not required to purchase personal liability insurance. If no box is checked, personal liability insurance is not required. If required, failure to maintain personal liability insurance throughout your tenancy, including any renewal periods and/or lease extensions, is an incurable breach of this Lease Contract and may result in the termination of tenancy and eviction and/or any other remedies as provided by this Lease Contract or state law.

10. SPECIAL PROVISIONS. The following special provisions and any addenda or written rules furnished to you at or before signing will become a part of this Lease Contract and will supersede any conflicting provisions of this printed Lease form.

See special provisions on the last page

See any additional special provisions.

- 11.EARLY MOVE-OUT. You'll be liable to us for a reletting charge of \$ 500.00 (not to exceed 100% of the highest monthly rent during the lease term) if you:
  - (1) fail to give written move-out notice as required in paragraph 45 (Move-Out Notice); or
  - move out without paying rent in full for the entire lease term (2)or renewal period; or
  - (3) move out at our demand because of your default; or
  - (4) are judicially evicted.

The reletting charge is not a cancellation fee and does not release you from your obligations under this Lease Contract. See the first paragraph of page 2.

Not a Release. The reletting charge is not a lease cancellation fee or buyout fee. It is an agreed-to liquidated amount covering only part of our damages, that is, our time, effort, and expense in finding and processing a replacement. These damages are uncertain and difficult to ascertain-particularly those relating to inconvenience, paperwork, advertising, showing apartments, utilities for showing, checking prospects, office overhead, marketing costs, and locatorservice fees. You agree that the reletting charge is a reasonable estimate of such damages and that the charge is due whether or not our reletting attempts succeed. If no amount is stipulated, you must pay our actual reletting costs so far as they can be determined. The reletting charge does not release you from continued liability for: future or past-due rent; charges for cleaning, repairing, repainting, or unreturned keys; or other sums due.

- 12.REIMBURSEMENT. You must promptly reimburse us for loss, damage, government fines, or cost of repairs or service in the apartment community due to a violation of the Lease Contract or rules, improper use, or negligence by you or your guests or occupants. Unless the damage or wastewater stoppage is due to our negligence, we're not liable for—and you must pay for—repairs, replacement costs, and damage to the following that result from your or your invitees, guests, or occupants' negligence or intentional acts: (1) damage to doors, windows, or screens; (2) damage from windows or doors left open; and (3) damage from wastewater stoppages caused by improper objects in lines exclusively serving your apartment. We may require payment at any time, including advance payment of repairs for which you're liable. Delay in demanding sums you owe is not a waiver.
- 13.PROPERTY LEFT IN APARTMENT. All property left in the apartment is (unless exempt under state statute) subject to disposal if found to be abandoned under Nevada law. For this purpose, "apartment" excludes common areas but includes interior living areas and exterior patios, balconies, attached garages, and storerooms for your exclusive use.

Removal After Surrender, Abandonment, or Eviction. We, our agent, or law officers may remove and/or store all property remaining in the apartment or in common areas (including any vehicles you or any occupant or guest owns or uses) if you are judicially evicted 9. LOCKS AND LATCHES. Keyed lock(s) will be rekeyed after the prior resident moves out. The rekeying will be done before you move into your apartment.

You may at any time ask us to change or rekey locks or latches during the Lease Term. We must comply with those requests, but you must pay for them, unless otherwise provided by law.

Payment for Rekeying, Repairs, Etc. You must pay for all repairs or replacements arising from misuse or damage to devices by you or your, occupants, or guests during your occupancy. You may be required to pay in advance if we notify you within a reasonable time after your request that you are more than 30 days delinquent in reimbursing us for repairing or replacing a device which was misused or damaged by you, your guest or an occupant; or if you have requested that we repair or change or rekey the same device during the 30 days preceding your request and we have complied with your request. Otherwise, you must pay immediately after the work is completed.

### **Special Provisions and "What If" Clauses**

or if you surrender or abandon the apartment (see definitions in paragraph 50 - Deposit Return, Surrender, And Abandonment). Upon your request, you will be provided reasonable access to your property during the 5 days after an eviction lockout to retrieve essential personal effects (i.e., medication, baby formula, basic clothing and care items).

Storage. We or our agents will store property removed after judicial eviction, surrender, or abandonment of the apartment for a period of thirty (30) days after the abandonment, eviction, or end of the rental period. Except for essential personal effects (i.e., medication, baby formula, basic clothing and care items) subject to retrieval in the 5 days after an eviction lockout, we do have the ability to charge and collect the reasonable and actual costs of inventory, moving, and storage before releasing any property to you after your move-out.

Redemption. If we or our agent have removed and stored property as authorized by the state statute, you may redeem the property by paying the reasonable and actual charges for packing, removing, and storing. We may return redeemed property at the place of storage, the management office, or the apartment (at our option). We or our agent may require payment by cash, money order, or certified check. These redemption obligations do not apply to essential personal effects (i.e., medication, baby formula, basic clothing and care items) subject to retrieval in the 5 days after an eviction lockout.

**Disposition or Sale.** After complying with the notification and storage procedures for disposal of personal property abandoned or left on the premises, we or our agent may dispose of or sell personal property which was abandoned or left in the apartment in order to recover the reasonable and actual costs of packing, removing, and storing the property. We or our agent will make a reasonable effort to locate you and notify you of our intention to dispose of the property as provided by law. Notice will be mailed to you at your present address, and if that address is unknown, then at your last known address. Automobiles will be disposed of in accordance with Chapter 487 of the Nevada Revised Statutes.

14. FAILING TO PAY FIRST MONTH'S RENT. If you don't pay the first month's rent when or before the Lease Contract begins you will be in default of this Lease Contract, unless rent is abated or your tenancy is terminated due to a delay in giving you possession. We also may end your right of occupancy and recover damages, future rent, reletting charges, attorney's fees, court costs, and other lawful charges in accordance with State statute. Our rights and remedies under paragraph 11 (Early Move-Out) and paragraph 32 (Default by Resident) apply to acceleration under this paragraph.

#### **15.RENT INCREASES AND LEASE CONTRACT CHANGES.**

No rent increases or Lease Contract changes are allowed before the initial Lease Contract term ends, except for changes allowed by any special provisions in paragraph 10 (Special Provisions), by a written addendum or amendment signed by you and us, or by reasonable changes of apartment rules allowed under paragraph 18 (Community Policies or Rules). If neither party gives proper written notice, as required by paragraph 3 (Lease Term), to terminate your tenancy at the end of the initial lease term, this Lease Contract will automatically continue month-to-month until either we or you give the other party proper written notice, as required by paragraph 3 (Lease Term), to non-renew or terminate your month-to-month tenancy. We have the right to increase the monthly rent due by giving you notice of the rent increase at least forty five (45) days in advance of the effective date of the increase. We have the right to adopt or modify rules or regulations concerning your use and occupancy of the premises in order to promote the convenience,

safety or welfare of us, you, or the other residents; or to preserve the property from abusive use; or to make a fair distribution of services and facilities held out for the residents generally by giving written notice to you thirty (30) days in advance of the effective date of the new rules and regulations. The new modified Lease Contract will begin on the date stated in the notice (without necessity of your signature) unless you give us written move-out notice under paragraph 45 (Move-Out Notice).

**16.DELAY OF OCCUPANCY.** If occupancy is or will be delayed for construction, repairs, cleaning, or a previous resident's holding over, we're not responsible for the delay, except as otherwise provided by law. The Lease Contract will remain in force subject to: (1) abatement of rent on a daily basis during delay; and (2) your right

to terminate the Lease Contract as set forth below. Termination notice must be in writing. After termination, you are entitled to a refund of all deposit(s), fees, charges, and any rent paid. Rent abatement or lease termination does not apply if delay is for cleaning or repairs that don't affect the habitability of the apartment or prevent you from occupying the apartment. If we have failed to deliver possession of the apartment to you as provided by law, you may terminate the Lease Contract by giving us at least five (5) day's written notice.

**17.DISCLOSURE RIGHTS.** If someone requests information on you or your rental history for law-enforcement, governmental, or business purposes, we may provide it.

### While You're Living in the Apartment

- **18.COMMUNITY POLICIES OR RULES.** You and all guests and occupants must comply with any written apartment rules and community policies, including instructions for care of our property. Our rules are considered part of this Lease Contract. We may make reasonable changes to written rules upon thirty (30) day's written notice as stated in paragraph 15 (Rent Increases and Lease Contract Changes), if they are distributed and applicable to all units in the apartment community and does not affect the resident's obligation to pay rent, utilities, or other charges.
- 19. LIMITATIONS ON CONDUCT. The apartment and other areas reserved for your private use must be kept clean and free of trash, garbage, and other debris. Trash must be disposed of at least weekly in appropriate receptacles in accordance with local ordinances. Passageways may be used only for entry or exit. You agree to keep all passageways and common areas free of obstructions such as trash, storage items, and all forms of personal property. No person shall ride or allow bikes, skateboards, or other similar objects in the passageways. Any swimming pools, saunas, spas, tanning beds, exercise rooms, storerooms, laundry rooms, and similar areas must be used with care in accordance with apartment rules and posted signs. Glass containers are prohibited in all common areas. You, your occupants, or guests may not anywhere in the apartment community: use candles or use kerosene lamps or kerosene heaters without our prior written approval; cook on balconies or outside; or solicit business or contributions. Conducting any kind of business (including child care services) in your apartment or in the apartment community is prohibited-except that any lawful business conducted "at home" by computer, mail, or telephone is permissible if customers, clients, patients, or other business associates do not come to your apartment for business purposes and you have obtained all necessary local licensing and zoning approvals for your business. We may regulate: (1) the use of patios, balconies, and porches; (2) the conduct of furniture movers and delivery persons; and (3) recreational activities in common areas. You'll be liable to us for damage caused by you or any guests or occupants.

We may exclude from the apartment community guests or others who, in our judgment, have been violating the law, violating this Lease Contract or any apartment rules, or disturbing other residents, neighbors, visitors, or owner representatives. We may also exclude from any outside area or common area a person who refuses to show photo identification or refuses to identify himself or herself as a resident, occupant, or guest of a specific resident in the community.

You agree to notify us if you or any occupants are convicted of any felony, or misdemeanor involving a controlled substance, violence to another person or destruction of property. You also agree to notify us if you or any occupant registers as a sex offender in any state. Informing us of criminal convictions or sex offender registry does not waive our right to evict you.

**20. PROHIBITED CONDUCT.** You, your occupants or guests, or the guests of any occupants, may not engage in the following activities: behaving in a loud or obnoxious manner; disturbing or threatening the rights, comfort, health, safety, or convenience of others (including our agents and employees) in or near the apartment community; disrupting our business operations; manufacturing, delivering, possessing with intent to deliver, or otherwise possessing a controlled substance or drug paraphernalia; engaging in or threatening violence; possessing a weapon prohibited by state law; discharging a firearm in the apartment community; displaying or possessing a gun, knife, or other weapon in the common area in a way that may alarm others; storing anything in closets having gas appliances; tampering with utilities or telecommunications; bringing hazardous materials into the apartment community; or injuring our reputation by making bad faith allegations against us to others.

- **21. PARKING.** We may regulate the time, manner, and place of parking cars, trucks, motorcycles, bicycles, boats, trailers, and recreational vehicles by anyone. We may have unauthorized or illegally parked vehicles towed under an appropriate statute. A vehicle is unauthorized or illegally parked in the apartment community if it:
  - (1) has a flat tire or other condition rendering it inoperable; or
  - (2) is on jacks, blocks or has wheel(s) missing; or
  - (3) has no current license plate or no current registration and/or inspection sticker; or
  - (4) takes up more than one parking space; or
  - (5) belongs to a resident or occupant who has surrendered or abandoned the apartment or who has been ordered to vacate by any appropriate authority; or
  - (6) is parked in a marked handicap space without the legally required handicap insignia; or
  - (7) is parked in space marked for manager, staff, or guest at the office; or
  - (8) blocks another vehicle from exiting; or
  - (9) is parked in a fire lane or designated "no parking" area; or
  - (10) is parked in a space marked for other resident(s) or unit(s); or
  - (11) is parked on the grass, sidewalk, or patio; or
  - (12)blocks garbage trucks from access to a dumpster; or

(13) belongs to a resident and is parked in a visitor or retail parking space.

- **22.RELEASE OF RESIDENT.** Unless you're entitled to terminate your tenancy under paragraph 10 (Special Provision), paragraph 16 (Delay of Occupancy), paragraph 31 (Responsibilities of Owner) or paragraph 45 (Move-Out Notice), or as otherwise provided under Nevada law regarding our failure to maintain the apartment in habitable condition, failure to deliver possession of the apartment, or other proper reason provided by law, you won't be released from this Lease Contract for any reason—including but not limited to voluntary or involuntary school withdrawal or transfer, voluntary or involuntary job transfer, marriage, separation, divorce, reconciliation, loss of co-residents, loss of employment, bad health, or death.
- **23.MILITARY PERSONNEL CLAUSE.** All parties to this Lease Contract agree to comply with any federal law, including, but not limited to the Service Member's Civil Relief Act, or any applicable state law(s), if you are seeking to terminate this Lease Contract and/or subsequent renewals and/or Lease Contract extensions under the rights granted by such laws.
- **24. RESIDENT SAFETY AND PROPERTY LOSS.** You and all occupants and guests must exercise due care for your own and others' safety and security, especially in the use of smoke and carbon monoxide detectors, keyed deadbolt locks, keyless bolting devices, window latches, and access control devices.

Smoke and Carbon Monoxide Detectors. We'll furnish smoke detectors and carbon monoxide detectors only if required by statute, and we'll test them and provide working batteries when you first take possession. After that, you must test the smoke detectors and the carbon monoxide detectors on a regular basis, and you must pay for and replace batteries as needed, unless the law provides otherwise. We may replace dead or missing batteries at your expense, without prior notice to you. You must immediately report smoke detector and carbon monoxide detector malfunctions to us. Neither you nor others may disable neither the smoke detectors nor the carbon monoxide detectors. If you damage or disable the smoke detector or remove a battery without replacing it with a working battery, you may be liable to us under state statute for the actual and reasonable cost or fair and reasonable value of the work to repair or restore the smoke detector or carbon monoxide detector to working condition. If you disable or damage the smoke detector, or fail to replace a dead battery or report malfunctions to us, you will be liable to us and others for any loss, damage, or fines from fire, smoke, or water.

**Casualty Loss.** We're not liable to any resident, guest, or occupant for personal injury or damage or loss of personal property from any cause, including but not limited to: fire, smoke, rain, flood, water and pipe leaks, hail, ice, snow, lightning, wind, explosions, earthquake, interruption of utilities, theft, or vandalism unless otherwise required by law. We have no duty to remove any ice, sleet, or snow but may remove any amount with or without notice. During freezing weather, you must ensure that the temperature in the apartment is sufficient to make sure that the pipes do not freeze (the appropriate temperature will depend upon weather conditions and the size and layout of your unit). If the pipes freeze or any other damage is caused by your failure to properly maintain the heat in your apartment, you'll be liable for damage to our and other's property. If you ask our representatives to perform services not contemplated in this Lease Contract, you will indemnify us and hold us harmless from all liability for those services.

**Crime or Emergency.** Dial 911 or immediately call local medical emergency, fire, or police personnel in case of accident, fire, smoke, or suspected criminal activity or other emergency involving imminent harm. You should then contact our representative. Unless otherwise provided by law, we're not liable to you or any guests or occupants for injury, damage, or loss to person or property caused by criminal conduct of other persons, including theft, burglary, assault, vandalism, or other crimes. We're not obliged to furnish security personnel, security lighting, security gates or fences, or other forms of security. If we provide any access control devices or security measures upon the property, they are not a guarantee to prevent crime or to reduce the risk of crime on the property. You agree that no access control or security measures can eliminate all crime and that you will not rely upon any provided access control or security measures as a warranty or guarantee of any kind. We're not responsible for obtaining criminal-history checks on any residents, occupants, guests, or contractors in the apartment community. If you or any occupant or guest is affected by a crime, you must make a written report to our representative and to the appropriate local law-enforcement agency. You must also furnish us with the law-enforcement agency's incident report number upon request.

**25.CONDITION OF THE PREMISES AND ALTERATIONS.** You accept the apartment, fixtures, and furniture as is, except for conditions which materially affect the health or safety of ordinary persons or which render the apartment uninhabitable. We disclaim all implied warranties. You'll be given an Inventory and Condition form on or before move-in. You must note on the form all defects or damage and return it to our representative. Otherwise, everything will be considered to be in a clean, safe, and good working condition.

You must use customary diligence in maintaining the apartment and not damaging or littering the common areas. Unless authorized by statute or by us in writing, you must not perform any repairs, painting, wallpapering, carpeting, electrical changes, or otherwise alter our property. No holes or stickers are allowed inside or outside the apartment. But we'll permit a reasonable number of small nail holes for hanging pictures on sheetrock walls and in grooves of wood-paneled walls, unless our rules state otherwise. No water furniture, washing machines, additional phone or TV-cable outlets, alarm systems, or lock changes, additions, or rekeying is permitted unless statutorily allowed or we've consented in writing. You may install a satellite dish or antenna provided it complies with reasonable restrictions allowed by federal law. You agree not to alter, damage, or remove our property, including alarm systems, smoke and carbon monoxide detectors, furniture, telephone and cable TV wiring, screens, locks, and access control devices. When you move in, we'll supply light bulbs for fixtures we furnish, including exterior fixtures operated from inside the apartment; after that, you'll replace them at your expense with bulbs of the same type and wattage. Your improvements to the apartment (whether or not we consent) become ours unless we agree otherwise in writing.

**26. REQUESTS, REPAIRS, AND MALFUNCTIONS.** IF YOU OR ANY OCCUPANT NEEDS TO SEND A NOTICE OR REQUEST—FOR EXAMPLE, FOR REPAIRS, INSTALLATIONS, SERVICES, OR SECURITY-RELATED MATTERS—IT MUST BE SUBMITTED THROUGH EITHER THE ONLINE RESIDENT/MAINTENANCE PORTAL, OR SIGNED AND IN WRITING AND DELIVERED TO OUR DESIGNATED REPRESENTATIVE (except in case of fire, smoke, gas, explosion, overflowing sewage, uncontrollable running water, electrical shorts, or crime in progress). Our written notes on your oral request do not constitute a written request from you.

Our complying with or responding to any oral request regarding security or non-security matters doesn't waive the strict requirement for written notices under this Lease Contract. You must promptly notify us in writing of: water leaks; electrical problems; malfunctioning lights; broken or missing locks or latches; and other conditions that pose a hazard to property, health, or safety. We may change or install utility lines or equipment serving the apartment if the work is done reasonably without substantially increasing your utility costs. We may turn off equipment and interrupt utilities as needed to avoid property damage or to perform work. If utilities malfunction or are damaged by fire, water, or similar cause, you must notify our representative immediately.

If we believe that fire or catastrophic damage is substantial, or that performance of needed repairs poses a danger to you, we may terminate your tenancy within a reasonable time by giving you written notice. If your tenancy is so terminated, we'll refund prorated rent and all deposits, less lawful deductions. You may also have the right to vacate the premises immediately and notify us in writing within seven (7) days of your intention to terminate your tenancy, provided the fire or casualty were not caused by the deliberate or negligent acts of you, a member of your household, or another person on the premises with your consent.

27.ANIMALS. Unless otherwise provided under federal, state, or local law, no animals (including mammals, reptiles, birds, fish, rodents, and insects) are allowed, even temporarily, anywhere in the apartment or apartment Community unless we've so authorized in writing. You must remove an illegal or unauthorized animal within 24 hours of notice from us, or you will be considered in default of this Lease Contract. If we allow an animal as a pet, you must execute a separate animal addendum which may require additional deposits, rents, fees or other charges. An animal deposit is considered a general security deposit. We will authorize an assistance animal for a disabled person. When allowed by applicable laws, before we authorize an assistance animal, if the disability is not readily apparent, we may require a written statement from a qualified professional verifying the disability-related need for the assistance animal. If we authorize an assistance animal, we may require you to execute a separate animal and/or assistance animal addendum. Animal deposits, additional rents, fees or other charges will not be required for an assistance animal needed due to disability, including an emotional support or service animal, as authorized under federal, state, or local law. You must not feed stray or wild animals.

If you or any guest or occupant violates animal restrictions (with or without your knowledge), you'll be subject to charges, damages, eviction, and other remedies provided in this Lease Contract or as otherwise provided by law. If an animal has been in the apartment at any time during your term of occupancy (with or without our consent), we'll charge you for defleaing, deodorizing, and shampooing. Initial and daily animal-violation charges and animal-removal charges are liquidated damages for our time, inconvenience, and overhead (except for attorney's fees and litigation costs) in enforcing animal restrictions and rules.

- **28.WHEN WE MAY ENTER.** Upon giving you any required notice, then we or our repairers, servicers, contractors, representatives or other persons listed in (2) below may peacefully enter the apartment at reasonable times during normal business hours upon giving you twenty four (24) hour advance written notice for the purposes listed in (2) below or as otherwise authorized by law. If nobody is in the apartment, such persons may enter peacefully and at reasonable times by duplicate or master key (or by breaking a window or other means when necessary in emergencies). We also have the right to enter your apartment without giving a 24 hour notice in case of an emergency.
  - (1) In addition to any notice required by law, we will attempt to provide you written notice of the entry by leaving a copy in a conspicuous place in the apartment immediately after the entry.
  - (2) We have the right to enter the apartment for any authorized reason recognized by law, including, but not limited to: responding to your request; making repairs or replacements; estimating repair or refurbishing costs; performing pest control; doing preventive maintenance; changing filters; testing or replacing smoke or carbon monoxide detectors batteries; retrieving unreturned tools, equipment or appliances; preventing waste of utilities; delivering, installing, reconnecting, or replacing appliances, furniture, equipment, or access control devices; removing or rekeying unauthorized access control devices; removing health or safety hazards (including hazardous materials); inspecting when immediate danger to person or property is reasonably suspected; allowing persons to enter as you authorized in your rental application (if you die, are incarcerated, etc.); allowing entry by a law officer with a search or arrest warrant, or in hot pursuit; showing apartment to prospective residents (after move-out or vacate notice has been given); or showing apartment to government inspectors for the limited purpose of determining housing and fire ordinance compliance by us and to lenders, appraisers, contractors, prospective buyers, or insurance agents.

**29. JOINT AND SEVERAL RESPONSIBILITY.** Each resident is jointly and severally liable for all lease obligations. If you or any guest or occupant violates the Lease Contract or rules, all residents are considered to have violated the Lease Contract. Our requests and notices (including sale notices) to any resident constitute notice to all residents and occupants. Notices and requests from any resident

or occupant (including notices of lease termination, repair requests, and entry permissions) constitute notice from all residents. In eviction suits, each resident is considered the agent of all other residents in the apartment for service of process. Security-deposit refunds and deduction itemizations of multiple residents will comply with paragraph 50 (Deposit Return, Surrender, and Abandonment).

(3) the departing and remaining residents will remain liable for

all lease obligations for the rest of the original lease term.

Procedures for Replacement. If we approve a replacement

resident, then, at our option: (1) the replacement resident must sign

this Lease Contract with or without an increase in the total security

deposit; or (2) the remaining and replacement residents must sign

an entirely new Lease Contract. Unless we agree otherwise in writing

or unless otherwise provided by law, the departing resident will

remain liable for the remainder of the original lease term-even if a

new Lease Contract is signed.

#### Replacements

- **30.REPLACEMENTS AND SUBLETTING.** Replacing a resident, subletting, assignment, or granting a right or license to occupy is allowed only when we expressly consent in writing. If departing or remaining residents find a replacement resident acceptable to us before moving out and we expressly consent, in writing, to the replacement, subletting, assignment, or granting a right or any license to occupy, then:
  - (1) a reletting charge will not be due;
  - (2) a reasonable administrative (paperwork) and/or transfer fee will be due, and a rekeying fee will be due if rekeying is requested or required; and

### **Responsibilities of Owner and Resident**

#### **31.RESPONSIBILITIES OF OWNER.**

We'll act with customary diligence to:

- maintain fixtures, furniture, hot water, heating and A/C equipment;
- (2) substantially comply with applicable federal, state, and local laws regarding safety, sanitation, and fair housing; and
- (3) make all reasonable repairs, subject to your obligation to pay for damages for which you are liable.

If we violate any of the above, you may exercise your remedies understate statute. In addition to complying with any other requirements under state law:

- (a) you must make a written request for repair or remedy of the condition, and all rent must be current at the time;
- (b) after receiving the request, we will have the time provided by law to repair, considering the nature of the problem and the reasonable availability of materials, labor, and utilities;
- (c) if we haven't completed the repair within the time provided by law, you may have certain rights afforded by law to make repairs yourself or terminate your tenancy. If your tenancy is properly terminated, then security deposits and prorated rent will be refunded as required by law.
- **32.DEFAULT BY RESIDENT.** You'll be in default if you or any guest or occupant violates any terms of this Lease Contract including but not limited to the following violations: (1) you don't pay rent or other amounts that you owe when due; (2) you or any guest or occupant violates the apartment rules, or fire, safety, health, or criminal laws, regardless of whether or where arrest or conviction occurs; (3) you abandon the apartment; (4) you give incorrect or false answers in a rental application; (5) you or any occupant is arrested, convicted, or given deferred adjudication for a felony offense involving actual or potential physical harm to a person, or involving possession, manufacture, or delivery of a controlled substance, marijuana, or drug paraphernalia under state statute; (6) any illegal drugs or paraphernalia are found in your apartment; (7) you or any guest or occupant engages in any of the prohibited conduct described in paragraph 20 (Prohibited Conduct); or (8) you or any occupant, in bad faith, makes an invalid complaint to an official or employee of a utility company or the government based on a complaint that was caused primarily by the lack of reasonable care by you, a member of your household, or another person on the premises with your consent.

**Lease Renewal When A Breach or Default Has Occurred.** In the event that you enter into a subsequent Lease prior to the expiration of this Lease and you breach or otherwise commit a default under this Lease, We may, at our sole and absolute discretion, terminate the subsequent Lease, even if the subsequent Lease term has yet to commence. We may terminate said subsequent Lease by sending you written notice of our desire to terminate said subsequent Lease.

**Eviction.** If you default, we may end your right of occupancy by giving you a seven (7) day written notice as provided by Nevada law. Notice will be delivered to you as required by Nevada law. Termination of your possession rights or subsequent releting doesn't release you from liability for future rent or other lease obligations. After giving notice to vacate or filing an eviction suit, we may still accept rent or other sums due; the filing or acceptance doesn't waive or diminish our right of eviction, or any other contractual or statutory right. Accepting money at any time doesn't waive our right to damages; unpaid past or future rent or other sums; or to continue with eviction proceedings as permitted by State statute.

**Holdover.** You or any occupant, invitee, or guest must not hold over beyond the date contained in your move-out notice or our notice to vacate (or beyond a different move-out date agreed to by the parties in writing). If a holdover occurs, then: (1) holdover rent is due in advance on a daily basis and may become delinquent without notice or demand; (2) we may hold you liable for our actual damages; and (3) you could be held liable by the next intended occupant of the apartment if you fail to vacate the premises.

**Other Remedies.** We may report unpaid amounts to credit agencies. If you default and move out early, you will pay us any amounts stated to be rental discounts in paragraph 10 (Special Provisions), in addition to other sums due. Upon your default, we have all other legal remedies, including lease termination and lockout under state statute. Unless a party is seeking exemplary, punitive, sentimental or personal-injury damages, the prevailing party may recover from the non-prevailing party attorney's fees and all other litigation costs. Late charges are liquidated damages for our time, inconvenience, and overhead in collecting late rent (but are not for attorney's fees and litigation costs). All unpaid amounts bear a reasonable amount of interest not to exceed 7% per annum from due date or such other interest rate as specified or allowed by Nevada law.

**Mitigation of Damages.** If you move out early, you'll be subject to paragraph 11 (Early Move-Out) and all other remedies. We'll exercise customary diligence to relet and mitigate damages. We'll credit all subsequent rent that we actually receive from subsequent residents against your liability for past-due and future rent and other sums due.

**Remedies Cumulative.** Any remedies set forth herein shall be cumulative, in addition to, and not in limitation of, any other remedies available to Landlord under any applicable law.

### **General Clauses**

**33.ENTIRE AGREEMENT.** Neither we nor any of our representatives have made any oral promises, representations, or agreements. This Lease Contract is the entire agreement between you and us.

34.NO AUTHORITY TO AMEND UNLESS IN WRITING.

Our representatives (including management personnel, employees, and agents) have no authority to waive, amend, or terminate your tenancy or any part of it, unless in writing, and no authority to make promises, representations, or agreements that impose security duties or other obligations on us or our representatives unless in writing. **35.NO WAIVER.** No action or omission of our representative will be considered a waiver of any subsequent violation, default, or time or place of performance. Our not enforcing or belatedly enforcing written-notice requirements, rental due dates, acceleration, liens, or other rights, isn't a waiver under any circumstances.

**36.NOTICE.** Except when notice or demand is required by statute, you waive any notice and demand for performance from us if you default. Written notice to or from our managers constitutes notice to or from us. Any person giving a notice under this Lease Contract should retain a copy of the memo, letter or fax that was given. Fax signatures are binding. All notices must be signed.

#### **37.MISCELLANEOUS.**

- A. Exercising one remedy won't constitute an election or waiver of other remedies.
- B. Unless prohibited by law or the respective insurance policies, insurance subrogation is waived by all parties.
- C. All remedies are cumulative.
- D. No employee, agent, or management company is personally liable for any of our contractual, statutory, or other obligations merely by virtue of acting on our behalf.
- E. This Lease Contract binds subsequent owners.
- F. Neither an invalid clause nor the omission of initials on any page invalidates this Lease Contract.
- G. All provisions regarding our non-liability and non-duty apply to our employees, agents, and management companies.
- H. This Lease Contract is subordinate or superior to existing and future recorded mortgages, at lender's option.
- I. All lease obligations must be performed in the county where the apartment is located.
- J. All discretionary rights reserved for us within this Lease Contract or any accompanying addenda are at our sole and absolute discretion.
- **38.WAIVER OF JURY TRIAL.** TO MINIMIZE LEGAL EXPENSES AND, TO THE EXTENT ALLOWED BY LAW, YOU AND WE AGREE THAT A TRIAL OF ANY LAWSUIT BASED ON STATUTE, COMMON LAW, AND/ OR RELATED TO THIS LEASE CONTRACT SHALL BE TO A JUDGE AND NOT A JURY.
- **39. CONTACTING YOU.** By signing this lease, you are agreeing that we, our representative(s) or agent(s) may contact you. You agree that we may contact you using any contact information relating to your lease including any number (i) you have provided to us (ii) from which you called us, or (iii) which we obtained and through which we reasonably believe we can reach you. You agree we may use any means to contact you. This may include calls made to your cellular telephone using an automatic telephone dialing system, artificial or prerecorded voice messages, text messages, mail, e-mail, and calls to your phone or Voice over Internet Protocol (VoIP) service, or any other data or voice transmission technology. You agree to promptly notify us if you change any contact information you provide to us. You are responsible for any service provider charges as a result of us contacting you.
- **40.OBLIGATION TO VACATE.** If we provide you with a notice to vacate, or if you provide us with a written notice to vacate or intent to move-out in accordance with paragraph 3 (Lease Term), and we accept such written notice, then you are required to vacate the

- Premises and remove all of your personal property therefrom at the expiration of the Lease term without further notice or demand from us.
- 41. NOTICE: NRS 202.470 MAINTAINING OR PERMITTING NUISANCE: PENALTY.

Every person who:

- 1. Shall commit or maintain a public nuisance, for which no special punishment is prescribed; or
- 2. Shall willfully omit or refuse to perform any legal duty relating to the removal of such nuisance; or
- 3. Shall let, or permit to be used, any building or boat, or portion thereof, knowing that it is intended to be, or is being used, for committing or maintaining any such nuisance, shall be guilty of a misdemeanor.

You have the right to engage in the display of the US Flag.

**42.FORCE MAJEURE.** If we are prevented from completing performances of any obligations hereunder by an act of God, strikes, epidemics, war, acts of terrorism, riots, flood, fire, hurricane, tornado, sabotage, or other occurrence which is beyond the control of the parties, then we shall be excused from any further performance of obligations and undertakings hereunder, to the full extent allowed under applicable law.

Furthermore, if such an event damages the property to materially affect its habitability by some or all residents, we reserve the right to vacate any and all leases and you agree to excuse us from any further performance of obligations and undertakings hereunder, to the full extent allowed under applicable law.

- **43.PAYMENTS.** Payment of all sums is an independent covenant. At our option and without notice, we may apply money received (other than sale proceeds under paragraph 13 (Property Left in Apartment) or utility payments subject to governmental regulations) first to any of your unpaid obligations, then to current rent-regardless of notations on checks or money orders and regardless of when the obligations arose. All sums other than rent are due upon our demand. After the due date, we do not have to accept the rent or any other payments, except as required by applicable law.
- **44.ASSOCIATION MEMBERSHIP.** We represent that either: (1) we or; (2) the management company that represents us, is at the time of signing this Lease Contract or a renewal of this Lease Contract, a member of both the National Apartment Association and any affiliated state and local apartment (multi-housing) associations for the area where the apartment is located.

### When Moving Out

- **45.MOVE-OUT NOTICE.** Before moving out, either at the end of the lease term, any extension of the lease term, or prior to the end of the lease term, you must give our representative advance written notice of your intention to vacate as required by paragraph 3 (Lease Term). If you move out prior to the end of the lease term, your notice does not act as a release of liability for the full term of the Lease Contract. You will still be liable for the entire Lease Contract term if you move out early (paragraph 22 - Release of Resident) except if you are able to terminate your tenancy under the statutory rights explained under paragraph 11 (Early Move-Out), paragraph 22 (Release of Resident), or any other applicable laws. All notices to vacate must be in writing and must provide the date by which you intend to vacate. If the notice does not comply with the time requirements of paragraph 3 (Lease Term), even if you move by the last date in the lease term, you will be responsible for an additional month's rent. If you fail to vacate by the date set forth in your notice, your notice is void and you must submit a new written notice. If you fail to provide proper notice and vacate, we will have all remedies available under the Lease Contract and under applicable state law.
- **46.MOVE-OUT PROCEDURES.** The move-out date can't be changed unless we and you both agree in writing. You won't move out before the lease term or renewal period ends unless all rent for the entire lease term or renewal period is paid in full or you are otherwise permitted to move as provided by Nevada law. An improper early move-out may result in releting charges and default under paragraph 11 (Early Move-Out) and paragraph 32 (Default by Resident). You're prohibited by law from applying any security deposit to rent. You won't stay beyond the date you are supposed to move out. All residents, guests, and occupants must vacate the apartment before the 30-day period for deposit refund begins. You must give us and the U.S. Postal Service, in writing, each resident's forwarding address.

- **47.CLEANING.** You must thoroughly clean the apartment, including doors, windows, furniture, bathrooms, kitchen appliances, patios, balconies, garages, carports, and storage rooms. You must follow move-out cleaning instructions if they have been provided. If you don't clean adequately, you'll be liable for reasonable cleaning charges.
- **48.MOVE-OUT INSPECTION.** You should meet with our representative for a move-out inspection. Our representative has no authority to bind or limit us regarding deductions for repairs, damages, or charges. Any statements or estimates by us or our representative are subject to our correction, modification, or disapproval before final refunding or accounting.
- **49.SECURITY DEPOSIT DEDUCTIONS AND OTHER CHARGES.** You'll be liable for the following charges, if applicable: unpaid rent; unpaid utilities; unreimbursed service charges; repairs or damages caused by negligence, carelessness, accident, or abuse, including stickers, scratches, tears, burns, stains, or unapproved holes; replacement cost of our property that was in or attached to the apartment and is missing; replacing dead or missing smoke and carbon monoxide detectors batteries; utilities for repairs or cleaning; trips to let in company representatives to remove your telephone or TV cable services or rental items (if you so request or have moved out); trips to open the apartment when you or any guest or occupant is missing a key; unreturned keys; missing or burned-out light bulbs; removing or rekeying unauthorized access control devices or alarm systems; agreed reletting charges; packing, removing, or storing property removed or stored under paragraph 13 (Property Left in Apartment); removing illegally parked vehicles; special trips for trash removal caused by parked vehicles blocking dumpsters; false security-alarm charges unless due to our negligence; animal-related charges under paragraph 6 (Rent and Charges) and paragraph 27 (Animals); government fees or fines against us for violation (by you, your occupants, or guests) of local ordinances relating to smoke

and carbon monoxide detectors, false alarms, recycling, or other matters; late-payment and returned-check charges in the amount of **25.00**; a charge (not to exceed \$100) for owner/manager's time and inconvenience in our lawful removal of an animal or in any valid eviction proceeding against you, plus court costs and filing fees actually paid; and other sums due under this Lease Contract.

You'll be liable to us for: (1) charges for replacing all keys and access devices referenced in paragraph 5 (Keys) if you fail to return them on or before your actual move-out date; (2) rent if you have violated paragraph 32 (Default by Resident); and (3) a releting fee if you have violated paragraph 11 (Early Move-Out).

### 50. DEPOSIT RETURN, SURRENDER, AND ABANDONMENT.

**Deposit Return and Forwarding Address.** You are required to provide us written notice of your forwarding address, on or before termination of this Lease Contract. We'll mail you, to the forwarding address you provide, your security deposit refund (less lawful deductions) and an itemized accounting of any deductions within the time frames and parameters set forth under state law. If you fail to provide us with your forwarding address in writing, as required above, we will process the security deposit in accordance with state law.

**Surrender.** You have surrendered the apartment when: (1) the move-out date has passed and no one is living in the apartment in our reasonable judgment; (2) you have removed all or substantially all of your property; and (3) all apartment keys and access devices listed in paragraph 5 (Keys) have been turned in where rent is paid.

**Abandonment.** You have abandoned the apartment when all of the following have occurred: (1) you have been absent from the apartment for at least fifteen (15) days; (2) you've been in default for non-payment of rent; and (3) you have not given us notice of your intent to be absent from the apartment during this period of time.

Surrender, abandonment, and judicial eviction end your right of possession for all purposes and gives us the immediate right to: clean up, make repairs in, and relet the apartment; determine any security deposit deductions; and remove property left in the apartment. Surrender, abandonment, and judicial eviction affect your rights to property left in the apartment (paragraph 13 - Property Left in Apartment), but do not affect our mitigation obligations (paragraph 32 - Default by Resident).

- **11.EARLY MOVE-OUT.** You'll be liable to us for a reletting charge of \$\_\_\_\_\_\_ (not to exceed 100% of the highest monthly rent during the lease term) if you:
  - (1) fail to give written move-out notice as required in paragraph paragraph 45 (Move-Out Notice); or
  - (2) move out without paying rent in full for the entire lease term or renewal period; or
  - (3) move out at our demand because of your default; or
  - (4) are judicially evicted.

The reletting charge is not a cancellation fee and does not release you from your obligations under this Lease Contract. See the first paragraph of page 2.

**Not a Release.** The reletting charge is not a lease cancellation fee or buyout fee. It is an agreed-to liquidated amount covering only part of our damages, that is, our time, effort, and expense in finding and processing a replacement. These damages are uncertain and difficult to ascertain–particularly those relating to inconvenience, paperwork, advertising, showing apartments, utilities for showing, checking prospects, office overhead, marketing costs, and locator-service fees. You agree that the reletting charge is a reasonable estimate of such damages and that the charge is due whether or not our reletting attempts succeed. If no amount is stipulated, you must pay our actual reletting costs so far as they can be determined. The reletting charge does not release you from continued liability for: future or past-due rent; charges for cleaning, repairing, repainting, or unreturned keys; or other sums due.

12. REIMBURSEMENT. You must promptly reimburse us for loss, damage, government fines, or cost of repairs or service in the apartment community due to a violation of the Lease Contract or rules, improper use, or negligence by you or your guests or occupants. Unless the damage or wastewater stoppage is due to our negligence, we're not liable for—and you must pay for—repairs, replacement costs, and damage to the following that result from your or your invitees, guests, or occupants' negligence or intentional acts: (1) damage to doors, windows, or screens; (2) damage from windows or doors left open; and (3) damage from wastewater stoppages caused by improper objects in lines exclusively serving your apartment. We may require payment at any time, including advance payment of repairs for which you're liable. Delay in demanding sums you owe is not a waiver. **13. PROPERTY LEFT IN APARTMENT.** All property left in the apartment is (unless exempt under state statute) subject to disposal if found to be abandoned under Nevada law. For this purpose, "apartment" excludes common areas but includes interior living areas and exterior patios, balconies, attached garages, and storerooms for your exclusive use.

**Removal After Surrender, Abandonment, or Eviction.** We, our agent, or law officers may remove and/or store all property remaining in the apartment or in common areas (including any vehicles you or any occupant or guest owns or uses) if you are judicially evicted or if you surrender or abandon the apartment (see definitions in paragraph 50 - Deposit Return, Surrender, And Abandonment). Upon your request, you will be provided reasonable access to your property during the 5 days after an eviction lockout to retrieve essential personal effects (i.e., medication, baby formula, basic clothing and care items).

**Storage.** We or our agents will store property removed after judicial eviction, surrender, or abandonment of the apartment for a period of thirty (30) days after the abandonment, eviction, or end of the rental period. Except for essential personal effects (i.e., medication, baby formula, basic clothing and care items) subject to retrieval in the 5 days after an eviction lockout, we do have the ability to charge and collect the reasonable and actual costs of inventory, moving, and storage before releasing any property to you after your move-out.

**Redemption.** If we or our agent have removed and stored property as authorized by the state statute, you may redeem the property by paying the reasonable and actual charges for packing, removing, and storing. We may return redeemed property at the place of storage, the management office, or the apartment (at our option). We or our agent may require payment by cash, money order, or certified check. These redemption obligations do not apply to essential personal effects (i.e., medication, baby formula, basic clothing and care items) subject to retrieval in the 5 days after an eviction lockout.

**Disposition or Sale.** After complying with the notification and storage procedures for disposal of personal property abandoned or left on the premises, we or our agent may dispose of or sell personal property which was abandoned or left in the apartment in order to recover the reasonable and actual costs of packing, removing, and storing the property. We or our agent will make a reasonable effort to locate you and notify you of our intention to dispose of the property as provided by law. Notice will be mailed to you at your present address, and if that address is unknown, then at your last known address. Automobiles will be disposed of in accordance with Chapter 487 of the Nevada Revised Statutes.

**14. FAILING TO PAY FIRST MONTH'S RENT.** If you don't pay the first month's rent when or before the Lease Contract begins you will be in default of this Lease Contract, unless rent is abated or your tenancy is terminated due to a delay in giving you possession. We also may end your right of occupancy and recover damages, future rent, reletting charges, attorney's fees, court costs, and other lawful charges in accordance with State statute. Our rights and remedies under paragraph 11 (Early Move-Out) and paragraph 32 (Default by Resident) apply to acceleration under this paragraph.

#### **15.RENT INCREASES AND LEASE CONTRACT CHANGES.**

No rent increases or Lease Contract changes are allowed before the initial Lease Contract term ends, except for changes allowed by any special provisions in paragraph 10 (Special Provisions), by a written addendum or amendment signed by you and us, or by reasonable changes of apartment rules allowed under paragraph 18 (Community Policies or Rules). If neither party gives proper written notice, as required by paragraph 3 (Lease Term), to terminate your tenancy at the end of the initial lease term, this Lease Contract will automatically continue month-to-month until either we or you give the other party proper written notice, as required by paragraph 3 (Lease Term), to non-renew or terminate your month-to-month tenancy. We have the right to increase the monthly rent due by giving you notice of the rent increase at least forty five (45) days in advance of the effective date of the increase. We have the right to adopt or modify rules or regulations concerning your use and occupancy of the premises in order to promote the convenience, safety or welfare of us, you, or the other residents; or to preserve the property from abusive use; or to make a fair distribution of services and facilities held out for the residents generally by giving written notice to you thirty (30) days in advance of the effective

- date of the new rules and regulations. The new modified Lease
- 18.COMMUNITY POLICIES OR RULES. You and all guests and occupants must comply with any written apartment rules and community policies, including instructions for care of our property. Our rules are considered part of this Lease Contract. We may make reasonable changes to written rules upon thirty (30) day's written notice as stated in paragraph 15 (Rent Increases and Lease Contract Changes), if they are distributed and applicable to all units in the apartment community and does not affect the resident's obligation to pay rent, utilities, or other charges.
- 19. LIMITATIONS ON CONDUCT. The apartment and other areas reserved for your private use must be kept clean and free of trash, garbage, and other debris. Trash must be disposed of at least weekly in appropriate receptacles in accordance with local ordinances. Passageways may be used only for entry or exit. You agree to keep all passageways and common areas free of obstructions such as trash, storage items, and all forms of personal property. No person shall ride or allow bikes, skateboards, or other similar objects in the passageways. Any swimming pools, saunas, spas, tanning beds, exercise rooms, storerooms, laundry rooms, and similar areas must be used with care in accordance with apartment rules and posted signs. Glass containers are prohibited in all common areas. You, your occupants, or guests may not anywhere in the apartment community: use candles or use kerosene lamps or kerosene heaters without our prior written approval; cook on balconies or outside; or solicit business or contributions. Conducting any kind of business (including child care services) in your apartment or in the apartment community is prohibited-except that any lawful business conducted "at home" by computer, mail, or telephone is permissible if customers, clients, patients, or other business associates do not come to your apartment for business purposes and you have obtained all necessary local licensing and zoning approvals for your business. We may regulate: (1) the use of patios, balconies, and porches; (2) the conduct of furniture movers and delivery persons; and (3) recreational activities in common areas. You'll be liable to us for damage caused by you or any guests or occupants.

We may exclude from the apartment community guests or others who, in our judgment, have been violating the law, violating this Lease Contract or any apartment rules, or disturbing other residents, neighbors, visitors, or owner representatives. We may also exclude from any outside area or common area a person who refuses to show photo identification or refuses to identify himself or herself as a resident, occupant, or guest of a specific resident in the community.

You agree to notify us if you or any occupants are convicted of any felony, or misdemeanor involving a controlled substance, violence to another person or destruction of property. You also agree to notify us if you or any occupant registers as a sex offender in any state. Informing us of criminal convictions or sex offender registry does not waive our right to evict you.

20.PROHIBITED CONDUCT. You, your occupants or guests, or the guests of any occupants, may not engage in the following activities: behaving in a loud or obnoxious manner; disturbing or threatening the rights, comfort, health, safety, or convenience of others (including our agents and employees) in or near the apartment community; disrupting our business operations; manufacturing, delivering, possessing with intent to deliver, or otherwise possessing a controlled substance or drug paraphernalia; engaging in or threatening Contract will begin on the date stated in the notice (without necessity of your signature) unless you give us written move-out notice under paragraph 45 (Move-Out Notice).

- 16.DELAY OF OCCUPANCY. If occupancy is or will be delayed for construction, repairs, cleaning, or a previous resident's holding over, we're not responsible for the delay, except as otherwise provided by law. The Lease Contract will remain in force subject to: (1) abatement of rent on a daily basis during delay; and (2) your right to terminate the Lease Contract as set forth below. Termination notice must be in writing. After termination, you are entitled to a refund of all deposit(s), fees, charges, and any rent paid. Rent abatement or lease termination does not apply if delay is for cleaning or repairs that don't affect the habitability of the apartment or prevent you from occupying the apartment. If we have failed to deliver possession of the apartment to you as provided by law, you may terminate the Lease Contract by giving us at least five (5) day's written notice.
- **17.DISCLOSURE RIGHTS.** If someone requests information on you or your rental history for law-enforcement, governmental, or business purposes, we may provide it.

### While You're Living in the Apartment

violence; possessing a weapon prohibited by state law; discharging a firearm in the apartment community; displaying or possessing a gun, knife, or other weapon in the common area in a way that may alarm others; storing anything in closets having gas appliances; tampering with utilities or telecommunications; bringing hazardous materials into the apartment community; or injuring our reputation by making bad faith allegations against us to others.

- **21.PARKING.** We may regulate the time, manner, and place of parking cars, trucks, motorcycles, bicycles, boats, trailers, and recreational vehicles by anyone. We may have unauthorized or illegally parked vehicles towed under an appropriate statute. A vehicle is unauthorized or illegally parked in the apartment community if it:
  - (1) has a flat tire or other condition rendering it inoperable; or
  - (2) is on jacks, blocks or has wheel(s) missing; or
  - (3) has no current license plate or no current registration and/or inspection sticker; or
  - (4) takes up more than one parking space; or
  - (5) belongs to a resident or occupant who has surrendered or abandoned the apartment or who has been ordered to vacate by any appropriate authority: or
  - (6) is parked in a marked handicap space without the legally required handicap insignia; or
  - (7) is parked in space marked for manager, staff, or guest at the office; or
  - (8) blocks another vehicle from exiting; or
  - (9) is parked in a fire lane or designated "no parking" area; or
  - (10) is parked in a space marked for other resident(s) or unit(s); or
  - (11) is parked on the grass, sidewalk, or patio; or
  - (12) blocks garbage trucks from access to a dumpster; or
  - (13) belongs to a resident and is parked in a visitor or retail parking space.
- 22. RELEASE OF RESIDENT. Unless you're entitled to terminate your tenancy under paragraph 10 (Special Provisions), paragraph 16 (Delay of Occupancy), paragraph 31 (Responsibilities of Owner) or paragraph 45 (Move-Out Notice), or as otherwise provided under Nevada law regarding our failure to maintain the apartment in habitable condition, failure to deliver possession of the apartment, or other proper reason provided by law, you won't be released from this Lease Contract for any reason-including but not limited to voluntary or involuntary school withdrawal or transfer, voluntary or involuntary job transfer, marriage, separation, divorce, reconciliation, loss of co-residents, loss of employment, bad health, or death.
- 23. MILITARY PERSONNEL CLAUSE. All parties to this Lease Contract agree to comply with any federal law, including, but not limited to the Service Member's Civil Relief Act, or any applicable state law(s), if you are seeking to terminate this Lease Contract and/or subsequent renewals and/or Lease Contract extensions under the rights granted by such laws.
- 24. RESIDENT SAFETY AND PROPERTY LOSS. You and all occupants and guests must exercise due care for your own and others' safety and security, especially in the use of smoke and carbon monoxide detectors, keyed deadbolt locks, keyless bolting devices, window latches, and access control devices.

Smoke and Carbon Monoxide Detectors. We'll furnish smoke detectors and carbon monoxide detectors only if required by statute, and we'll test them and provide working batteries when you first take possession. After that, you must test the smoke detectors and the carbon monoxide detectors on a regular basis, and you must pay for and replace batteries as needed, unless the law provides otherwise. We may replace dead or missing batteries at your expense, without prior notice to you. You must immediately report smoke detector and carbon monoxide detector malfunctions to us. Neither you nor others may disable neither the smoke detectors nor the carbon monoxide detectors. If you damage or disable the smoke detector or remove a battery without replacing it with a working battery, you may be liable to us under state statute for the actual and reasonable cost or fair and reasonable value of the work to repair or restore the smoke detector to working condition. If you disable or damage the smoke detector or carbon monoxide detector, or fail to replace a dead battery or report malfunctions to us, you will be liable to us and others for any loss, damage, or fines from fire, smoke, or water.

Casualty Loss. We're not liable to any resident, guest, or occupant for personal injury or damage or loss of personal property from any cause, including but not limited to: fire, smoke, rain, flood, water and pipe leaks, hail, ice, snow, lightning, wind, explosions, earthquake, interruption of utilities, theft, or vandalism unless otherwise required by law. We have no duty to remove any ice, sleet, or snow but may remove any amount with or without notice. During freezing weather, you must ensure that the temperature in the apartment is sufficient to make sure that the pipes do not freeze (the appropriate temperature will depend upon weather conditions and the size and layout of your unit). If the pipes freeze or any other damage is caused by your failure to properly maintain the heat in your apartment, you'll be liable for damage to our and other's property. If you ask our representatives to perform services not contemplated in this Lease Contract, you will indemnify us and hold us harmless from all liability for those services.

Crime or Emergency. Dial 911 or immediately call local medical emergency, fire, or police personnel in case of accident, fire, smoke, or suspected criminal activity or other emergency involving imminent harm. You should then contact our representative. Unless otherwise provided by law, we're not liable to you or any guests or occupants for injury, damage, or loss to person or property caused by criminal conduct of other persons, including theft, burglary, assault, vandalism, or other crimes. We're not obliged to furnish security personnel, security lighting, security gates or fences, or other forms of security. If we provide any access control devices or security measures upon the property, they are not a guarantee to prevent crime or to reduce the risk of crime on the property. You agree that no access control or security measures can eliminate all crime and that you will not rely upon any provided access control or security measures as a warranty or guarantee of any kind. We're not responsible for obtaining criminal-history checks on any residents, occupants, guests, or contractors in the apartment community. If you or any occupant or guest is affected by a crime, you must make a written report to our representative and to the appropriate local law-enforcement agency. You must also furnish us with the law-enforcement agency's incident report number upon request.

**25.CONDITION OF THE PREMISES AND ALTERATIONS.** You accept the apartment, fixtures, and furniture as is, except for conditions which materially affect the health or safety of ordinary persons or which render the apartment uninhabitable. We disclaim all implied warranties. You'll be given an Inventory and Condition form on or before move-in. You must note on the form all defects or damage and return it to our representative. Otherwise, everything will be considered to be in a clean, safe, and good working condition.

You must use customary diligence in maintaining the apartment and not damaging or littering the common areas. Unless authorized by statute or by us in writing, you must not perform any repairs, painting, wallpapering, carpeting, electrical changes, or otherwise alter our property. No holes or stickers are allowed inside or outside the apartment. But we'll permit a reasonable number of small nail holes for hanging pictures on sheetrock walls and in grooves of wood-paneled walls, unless our rules state otherwise. No water furniture, washing machines, additional phone or TV-cable outlets, alarm systems, or lock changes, additions, or rekeying is permitted unless statutorily allowed or we've consented in writing. You may install a satellite dish or antenna provided it complies with reasonable restrictions allowed by federal law. You agree not to alter, damage, or remove our property, including alarm systems, smoke and carbon monoxide detectors, furniture, telephone and cable TV wiring, screens, locks, and access control devices. When you move in, we'll supply light bulbs for fixtures we furnish, including exterior fixtures operated from inside the apartment; after that, you'll replace them at your expense with bulbs of the same type and wattage. Your improvements to the apartment (whether or not we consent) become ours unless we agree otherwise in writing.

**26. REQUESTS, REPAIRS, AND MALFUNCTIONS.** IF YOU OR ANY OCCUPANT NEEDS TO SEND A NOTICE OR REQUEST—FOR EXAMPLE, FOR REPAIRS, INSTALLATIONS, SERVICES, OR SECURITY-RELATED MATTERS—IT MUST BE SUBMITTED THROUGH EITHER THE ONLINE RESIDENT/MAINTENANCE PORTAL, OR SIGNED AND IN WRITING AND DELIVERED TO OUR DESIGNATED REPRESENTATIVE (except in case of fire, smoke, gas, explosion, overflowing sewage, uncontrollable running water, electrical shorts, or crime in progress). Our written notes on your oral request do not constitute a written request from you.

Our complying with or responding to any oral request regarding security or non-security matters doesn't waive the strict requirement for written notices under this Lease Contract. You must promptly notify us in writing of: water leaks; electrical problems; malfunctioning lights; broken or missing locks or latches; and other conditions that pose a hazard to property, health, or safety. We may change or install utility lines or equipment serving the apartment if the work is done reasonably without substantially increasing your utility costs. We may turn off equipment and interrupt utilities as needed to avoid property damage or to perform work. If utilities malfunction or are damaged by fire, water, or similar cause, you must notify our representative immediately.

If we believe that fire or catastrophic damage is substantial, or that performance of needed repairs poses a danger to you, we may terminate your tenancy within a reasonable time by giving you written notice. If your tenancy is so terminated, we'll refund prorated rent and all deposits, less lawful deductions. You may also have the right to vacate the premises immediately and notify us in writing within seven (7) days of your intention to terminate your tenancy, provided the fire or casualty were not caused by the deliberate or negligent acts of you, a member of your household, or another person on the premises with your consent.

27.ANIMALS. Unless otherwise provided under federal, state, or local law, no animals (including mammals, reptiles, birds, fish, rodents, and insects) are allowed, even temporarily, anywhere in the apartment or apartment Community unless we've so authorized in writing. You must remove an illegal or unauthorized animal within 24 hours of notice from us, or you will be considered in default of this Lease Contract. If we allow an animal as a pet, you must execute a separate animal addendum which may require additional deposits, rents, fees or other charges. An animal deposit is considered a general security deposit. We will authorize an assistance animal for a disabled person. When allowed by applicable laws, before we authorize an assistance animal, if the disability is not readily apparent, we may require a written statement from a qualified professional verifying the disability-related need for the assistance animal. If we authorize an assistance animal, we may require you to execute a separate animal and/or assistance animal addendum. Animal deposits, additional rents, fees or other charges will not be required for an assistance animal needed due to disability, including an emotional support or service animal, as authorized under federal, state, or local law. You must not feed stray or wild animals.

If you or any guest or occupant violates animal restrictions (with or without your knowledge), you'll be subject to charges, damages, eviction, and other remedies provided in this Lease Contract or as otherwise provided by law. If an animal has been in the apartment at any time during your term of occupancy (with or without our consent), we'll charge you for defleaing, deodorizing, and shampooing. Initial and daily animal-violation charges and animal-removal charges are liquidated damages for our time, inconvenience, and overhead (except for attorney's fees and litigation costs) in enforcing animal restrictions and rules.

- **28.WHEN WE MAY ENTER.** Upon giving you any required notice, then we or our repairers, servicers, contractors, representatives or other persons listed in (2) below may peacefully enter the apartment at reasonable times during normal business hours upon giving you twenty four (24) hour advance written notice for the purposes listed in (2) below or as otherwise authorized by law. If nobody is in the apartment, such persons may enter peacefully and at reasonable times by duplicate or master key (or by breaking a window or other means when necessary in emergencies). We also have the right to enter your apartment without giving a 24 hour notice in case of an emergency.
  - (1) In addition to any notice required by law, we will attempt to provide you written notice of the entry by leaving a copy in a conspicuous place in the apartment immediately after the entry.

(2) We have the right to enter the apartment for any authorized reason recognized by law, including, but not limited to: responding to your request; making repairs or replacements; estimating repair or refurbishing costs; performing pest control; doing preventive maintenance; changing filters; testing or replacing smoke or carbon monoxide detectors batteries; retrieving unreturned tools, equipment or appliances; preventing waste of utilities; delivering, installing, reconnecting, or replacing appliances, furniture, equipment, or access control devices; removing or rekeying unauthorized access control devices; removing health or safety hazards (including hazardous materials); inspecting when immediate danger to person or property is reasonably suspected; allowing persons to enter as you authorized in your rental application (if you die, are incarcerated, etc.); allowing entry by a law officer with a search or arrest warrant, or in hot pursuit; showing apartment to prospective residents (after move-out or vacate notice has been given); or showing apartment to government inspectors for the limited purpose of determining housing and fire ordinance compliance by us and to lenders, appraisers, contractors, prospective buyers, or insurance agents.

29. JOINT AND SEVERAL RESPONSIBILITY. Each resident is jointly and severally liable for all lease obligations. If you or any guest or occupant violates the Lease Contract or rules, all residents are considered to have violated the Lease Contract. Our requests and notices (including sale notices) to any resident constitute notice to all residents and occupants. Notices and requests from any resident or occupant (including notices of lease termination, repair requests, and entry permissions) constitute notice from all residents. In eviction suits, each resident is considered the agent of all other residents in the apartment for service of process. Security-deposit refunds and deduction itemizations of multiple residents will comply with paragraph 50 (Deposit Return, Surrender, and Abandonment).

### **Replacements**

- 30.REPLACEMENTS AND SUBLETTING. Replacing a resident, subletting, assignment, or granting a right or license to occupy is allowed only when we expressly consent in writing. If departing or remaining residents find a replacement resident acceptable to us before moving out and we expressly consent, in writing, to the replacement, subletting, assignment, or granting a right or any license to occupy, then:
  - (1) a reletting charge will not be due;
  - (2) a reasonable administrative (paperwork) and/or transfer fee will be due, and a rekeying fee will be due if rekeying is requested or required; and

### **Responsibilities of Owner and Resident**

### **31.RESPONSIBILITIES OF OWNER.**

We'll act with customary diligence to:

- (1) maintain fixtures, furniture, hot water, heating and A/C equipment:
- substantially comply with applicable federal, state, and local (2)laws regarding safety, sanitation, and fair housing; and
- (3) make all reasonable repairs, subject to your obligation to pay for damages for which you are liable.

If we violate any of the above, you may exercise your remedies understate statute. In addition to complying with any other requirements under state law:

- you must make a written request for repair or remedy of the condition, and all rent must be current at the time;
- (b) after receiving the request, we will have the time provided by law to repair, considering the nature of the problem and the reasonable availability of materials, labor, and utilities;
- (c) if we haven't completed the repair within the time provided by law, you may have certain rights afforded by law to make repairs yourself or terminate your tenancy. If your tenancy is properly terminated, then security deposits and prorated rent will be refunded as required by law.
- 32.DEFAULT BY RESIDENT. You'll be in default if you or any guest or occupant violates any terms of this Lease Contract including but not limited to the following violations: (1) you don't pay rent or other amounts that you owe when due; (2) you or any guest or occupant violates the apartment rules, or fire, safety, health, or criminal laws, regardless of whether or where arrest or conviction occurs; (3) you abandon the apartment; (4) you give incorrect or false answers in a rental application; (5) you or any occupant is arrested, convicted, or given deferred adjudication for a felony offense involving actual or potential physical harm to a person, or involving possession, manufacture, or delivery of a controlled substance, marijuana, or drug paraphernalia under state statute; (6) any illegal drugs or paraphernalia are found in your apartment; (7) you or any guest or occupant engages in any of the prohibited conduct described in paragraph 20 (Prohibited Conduct); or (8) you or any occupant, in bad faith, makes an invalid complaint to an official or employee of a utility company or the government based on a complaint that was caused primarily by the lack of reasonable care by you, a member of your household, or another person on the premises with your consent.

Lease Renewal When A Breach or Default Has Occurred. In the event that you enter into a subsequent Lease prior to the expiration of this Lease and you breach or otherwise commit a default under this Lease, We may, at our sole and absolute discretion, terminate the subsequent Lease, even if the subsequent Lease term (3) the departing and remaining residents will remain liable for all lease obligations for the rest of the original lease term.

Procedures for Replacement. If we approve a replacement resident, then, at our option: (1) the replacement resident must sign this Lease Contract with or without an increase in the total security deposit; or (2) the remaining and replacement residents must sign an entirely new Lease Contract. Unless we agree otherwise in writing or unless otherwise provided by law, the departing resident will remain liable for the remainder of the original lease term-even if a new Lease Contract is signed.

has yet to commence. We may terminate said subsequent Lease by sending you written notice of our desire to terminate said subsequent Lease.

Eviction. If you default, we may end your right of occupancy by giving you a seven (7) day written notice as provided by Nevada law. Notice will be delivered to you as required by Nevada law. Termination of your possession rights or subsequent reletting doesn't release you from liability for future rent or other lease obligations. After giving notice to vacate or filing an eviction suit, we may still accept rent or other sums due; the filing or acceptance doesn't waive or diminish our right of eviction, or any other contractual or statutory right. Accepting money at any time doesn't waive our right to damages; unpaid past or future rent or other sums; or to continue with eviction proceedings as permitted by State statute.

Holdover. You or any occupant, invitee, or guest must not hold over beyond the date contained in your move-out notice or our notice to vacate (or beyond a different move-out date agreed to by the parties in writing). If a holdover occurs, then: (1) holdover rent is due in advance on a daily basis and may become delinquent without notice or demand; (2) we may hold you liable for our actual damages; and (3) you could be held liable by the next intended occupant of the apartment if you fail to vacate the premises.

Other Remedies. We may report unpaid amounts to credit agencies. If you default and move out early, you will pay us any amounts stated to be rental discounts in paragraph 10 (Special Provisions), in addition to other sums due. Upon your default, we have all other legal remedies, including lease termination and lockout under state statute. Unless a party is seeking exemplary, punitive, sentimental or personal-injury damages, the prevailing party may recover from the non-prevailing party attorney's fees and all other litigation costs. Late charges are liquidated damages for our time, inconvenience, and overhead in collecting late rent (but are not for attorney's fees and litigation costs). All unpaid amounts bear a reasonable amount of interest not to exceed 7% per annum from due date or such other interest rate as specified or allowed by Nevada law.

Mitigation of Damages. If you move out early, you'll be subject to paragraph 11 (Early Move-Out) and all other remedies. We'll exercise customary diligence to relet and mitigate damages. We'll credit all subsequent rent that we actually receive from subsequent residents against your liability for past-due and future rent and other sums due.

Remedies Cumulative. Any remedies set forth herein shall be cumulative, in addition to, and not in limitation of, any other remedies available to Landlord under any applicable law.

**33.ENTIRE AGREEMENT.** Neither we nor any of our representatives have made any oral promises, representations, or agreements. This Lease Contract is the entire agreement between you and us.

#### 34.NO AUTHORITY TO AMEND UNLESS IN WRITING.

Our representatives (including management personnel, employees, and agents) have no authority to waive, amend, or terminate your tenancy or any part of it, unless in writing, and no authority to make promises, representations, or agreements that impose security duties or other obligations on us or our representatives unless in writing.

- **35.NO WAIVER.** No action or omission of our representative will be considered a waiver of any subsequent violation, default, or time or place of performance. Our not enforcing or belatedly enforcing written-notice requirements, rental due dates, acceleration, liens, or other rights, isn't a waiver under any circumstances.
- **36.NOTICE.** Except when notice or demand is required by statute, you waive any notice and demand for performance from us if you default. Written notice to or from our managers constitutes notice to or from us. Any person giving a notice under this Lease Contract should retain a copy of the memo, letter or fax that was given. Fax signatures are binding. All notices must be signed.

#### **37.MISCELLANEOUS.**

- B. Unless prohibited by law or the respective insurance policies, insurance subrogation is waived by all parties.
- C. All remedies are cumulative.
- D. No employee, agent, or management company is personally liable for any of our contractual, statutory, or other obligations merely by virtue of acting on our behalf.
- E. This Lease Contract binds subsequent owners.
- F. Neither an invalid clause nor the omission of initials on any page invalidates this Lease Contract.
- G. All provisions regarding our non-liability and non-duty apply to our employees, agents, and management companies.

- I. All lease obligations must be performed in the county where the apartment is located.
- J. All discretionary rights reserved for us within this Lease Contract or any accompanying addenda are at our sole and absolute discretion.
- **38.WAIVER OF JURY TRIAL.** TO MINIMIZE LEGAL EXPENSES AND, TO THE EXTENT ALLOWED BY LAW, YOU AND WE AGREE THAT A TRIAL OF ANY LAWSUIT BASED ON STATUTE, COMMON LAW, AND/ OR RELATED TO THIS LEASE CONTRACT SHALL BE TO A JUDGE AND NOT A JURY.
- **39. CONTACTING YOU.** By signing this lease, you are agreeing that we, our representative(s) or agent(s) may contact you. You agree to promptly notify us if you change any contact information you provide to us. You are responsible for any service provider charges as a result of us contacting you.

**40.OBLIGATION TO VACATE.** If we provide you with a notice to vacate, or if you provide us with a written notice to vacate or intent to move-out in accordance with paragraph 3 (Lease Terms), and we accept such written notice, then you are required to vacate the Premises and remove all of your personal property therefrom at the expiration of the Lease term without further notice or demand from us.

### 41. NOTICE: NRS 202.470 MAINTAINING OR PERMITTING NUISANCE: PENALTY.

Every person who:

- 1. Shall commit or maintain a public nuisance, for which no special punishment is prescribed; or
- 2. Shall willfully omit or refuse to perform any legal duty relating to the removal of such nuisance; or
- 3. Shall let, or permit to be used, any building or boat, or portion thereof, knowing that it is intended to be, or is being used, for committing or maintaining any such nuisance, shall be guilty of a misdemeanor.

You have the right to engage in the display of the US Flag.

**42.FORCE MAJEURE.** If we are prevented from completing performances of any obligations hereunder by an act of God, strikes, epidemics, war, acts of terrorism, riots, flood, fire, hurricane, tornado, sabotage, or other occurrence which is beyond the control of the parties, then we shall be excused from any further performance of obligations and undertakings hereunder, to the full extent allowed under applicable law.

Furthermore, if such an event damages the property to materially affect its habitability by some or all residents, we reserve the right to vacate any and all leases and you agree to excuse us from any further performance of obligations and undertakings hereunder, to the full extent allowed under applicable law.

- **43.PAYMENTS.** Payment of all sums is an independent covenant. At our option and without notice, we may apply money received (other than sale proceeds under paragraph 13 (Property Left in Apartment) or utility payments subject to governmental regulations) first to any of your unpaid obligations, then to current rent-regardless of notations on checks or money orders and regardless of when the obligations arose. All sums other than rent are due upon our demand. After the due date, we do not have to accept the rent or any other payments, except as required by applicable law.
- **44.ASSOCIATION MEMBERSHIP.** We represent that either: (1) we or; (2) the management company that represents us, is at the time of signing this Lease Contract or a renewal of this Lease Contract, a member of both the National Apartment Association and any affiliated state and local apartment (multi-housing) associations for the area where the apartment is located.

### When Moving Out

- **45.MOVE-OUT NOTICE.** Before moving out, either at the end of the lease term, any extension of the lease term, or prior to the end of the lease term, you must give our representative advance written notice of your intention to vacate as required by paragraph 3 (Lease Term). If you move out prior to the end of the lease term, your notice does not act as a release of liability for the full term of the Lease Contract. You will still be liable for the entire Lease Contract term if you move out early (paragraph 22 - Release of Resident) except if you are able to terminate your tenancy under the statutory rights explained under paragraph 11 (Early Move-Out), paragraph 22 (Release of Resident), or any other applicable laws. All notices to vacate must be in writing and must provide the date by which you intend to vacate. If the notice does not comply with the time requirements of paragraph 3 (Lease Term), even if you move by the last date in the lease term, you will be responsible for an additional month's rent. If you fail to vacate by the date set forth in your notice, your notice is void and you must submit a new written notice. If you fail to provide proper notice and vacate, we will have all remedies available under the Lease Contract and under applicable state law.
- **46.MOVE-OUT PROCEDURES.** The move-out date can't be changed unless we and you both agree in writing. You won't move out before the lease term or renewal period ends unless all rent for the entire

lease term or renewal period is paid in full or you are otherwise permitted to move as provided by Nevada law. An improper early move-out may result in reletting charges and default under paragraph 11 (Early Move-Out) and paragraph 32 (Default by Resident). You're prohibited by law from applying any security deposit to rent. You won't stay beyond the date you are supposed to move out. All residents, guests, and occupants must vacate the apartment before the 30-day period for deposit refund begins. You must give us and the U.S. Postal Service, in writing, each resident's forwarding address.

- **47.CLEANING.** You must thoroughly clean the apartment, including doors, windows, furniture, bathrooms, kitchen appliances, patios, balconies, garages, carports, and storage rooms. You must follow move-out cleaning instructions if they have been provided. If you don't clean adequately, you'll be liable for reasonable cleaning charges.
- **48.MOVE-OUT INSPECTION.** You should meet with our representative for a move-out inspection. Our representative has no authority to bind or limit us regarding deductions for repairs, damages, or charges. Any statements or estimates by us or our representative are subject to our correction, modification, or disapproval before final refunding or accounting.

**49.SECURITY DEPOSIT DEDUCTIONS AND OTHER CHARGES.** You'll be liable for the following charges, if applicable: unpaid rent; unpaid utilities; unreimbursed service charges; repairs or damages caused by negligence, carelessness, accident, or abuse, including stickers, scratches, tears, burns, stains, or unapproved holes; replacement cost of our property that was in or attached to the apartment and is missing; replacing dead or missing smoke and carbon monoxide detectors batteries; utilities for repairs or cleaning; trips to let in company representatives to remove your telephone or TV cable services or rental items (if you so request or have moved out); trips to open the apartment when you or any guest or occupant is missing a key; unreturned keys; missing or burned-out light bulbs; removing or rekeying unauthorized access control devices or alarm systems; agreed reletting charges; packing, removing, or storing property removed or stored under paragraph 13 (Property Left in Apartment); removing illegally parked vehicles; special trips for trash removal caused by parked vehicles blocking dumpsters; false securityalarm charges unless due to our negligence; animal-related charges under paragraph 6 (Rent and Charges) and paragraph 27 (Animals); government fees or fines against us for violation (by you, your occupants, or guests) of local ordinances relating to smoke and carbon monoxide detectors, false alarms, recycling, or other matters; late-payment and returned-check charges in the amount of **25.00**; a charge (not to exceed \$100) for owner/manager's \$ time and inconvenience in our lawful removal of an animal or in any valid eviction proceeding against you, plus court costs and filing fees actually paid; and other sums due under this Lease Contract.

You'll be liable to us for: (1) charges for replacing all keys and access devices referenced in paragraph 5 (Keys) if you fail to return them on or before your actual move-out date; (2) rent if you have violated paragraph 32 (Default by Resident); and (3) a releting fee if you have violated paragraph 11 (Early Move-Out).

#### **50.DEPOSIT RETURN, SURRENDER, AND ABANDONMENT.**

**Deposit Return and Forwarding Address.** You are required to provide us written notice of your forwarding address, on or before termination of this Lease Contract. We'll mail you, to the forwarding address you provide, your security deposit refund (less lawful deductions) and an itemized accounting of any deductions within the time frames and parameters set forth under state law. If you fail to provide us with your forwarding address in writing, as required above, we will process the security deposit in accordance with state law.

**Surrender.** You have surrendered the apartment when: (1) the move-out date has passed and no one is living in the apartment in our reasonable judgment; (2) you have removed all or substantially all of your property; and (3) all apartment keys and access devices listed in paragraph 5 (Keys) have been turned in where rent is paid.

**Abandonment.** You have abandoned the apartment when all of the following have occurred: (1) you have been absent from the apartment for at least fifteen (15) days; (2) you've been in default for non-payment of rent; and (3) you have not given us notice of your intent to be absent from the apartment during this period of time.

Surrender, abandonment, and judicial eviction end your right of possession for all purposes and gives us the immediate right to: clean up, make repairs in, and relet the apartment; determine any security deposit deductions; and remove property left in the apartment. Surrender, abandonment, and judicial eviction affect your rights to property left in the apartment (paragraph 13 - Property Left in Apartment), but do not affect our mitigation obligations (paragraph 32 - Default by Resident).

In the event that any such person acts in a manner which violates the Lease, such conduct shall also constitute a violation of the Lease by you. In the event of a disturbance in the Apartment, all occupants of the Apartment may be deemed by us to be responsible for such a Lease violation regardless of whether we are able to establish that such disturbance was caused by the guest of any specific occupant(s). You are responsible for ensuring that any such violation does not occur at any time. In the event we receive any complaints of unreasonable disturbances in the Apartment, you agree that we may limit the number of guests that may enter the Apartment at any one time.

Disclaimer. You have elected to enter into an Agreement to lease a portion of the Apartment only, and understand that other individuals, selected by us in our sole discretion, will be co-residing in the Apartment and Bedroom with you. You understand that we are solely providing you with the right to occupy the Apartment and do not make any representations as to the identity, background, or suitability of any co-resident. As you will not be responsible for the financial obligations of any co-resident, you understand that we are under no obligation to perform any screening of co-residents for any credit, prior tenant history, criminal background, or otherwise. In the event that any issues or disputes arise between you and any co-resident(s), it will be your responsibility to resolve such issues directly with the other co-resident(s) in a reasonable and Lease compliant manner. In no event will we be responsible for intervening in such disputes unless, in our sole discretion, we determine that the behavior of such co-resident constitutes a material violation of the Lease, and, in such event, you understand that our sole obligation will be to commence legal proceedings to evict such a person. You understand that during the pendency of such an action to recover possession, it may not be possible to bar the co-resident from the Apartment. While we will endeavor to transfer residents

**Boarding House.** In no event shall the Apartment be deemed a boarding or lodging house and, in the event any state or local agency makes any determination to the contrary, we reserve the right to terminate the Lease upon seven (7) days' notice.

4. LEASE TERM. The initial term of the Lease Contract begins on the <u>22nd</u> day of <u>September</u>, <u>2020</u>, and ends at noon the <u>21st</u> day of <u>September</u>, <u>2021</u>. If you do not sign a new Lease Contract or renewal, your bedroom may be leased to another resident. If your bedroom is leased to another resident, you will not be able to sign a new Lease Contract or renewal for the same bedroom.

5. SECURITY DEPOSIT. Unless modified by addenda, the total security deposit at the time of execution of this Lease Contract for all residents in the apartment is \$ 1815.00, due on or before the date this Lease Contract is signed. You may be required to pay a security deposit for all of your obligations under this Lease Contract. In the event you are required to pay a security deposit, it shall serve as partial security for all Resident's obligation under this Lease Contract. The security deposit will not be our limit of damages if you violate the lease contract.

Security Deposit Deductions. If all Residents perform every obligation under the Lease, each Resident will receive a full refund of the Security Deposit paid by him or her. However, if each and every obligation under the Lease is not performed, deductions will be made from the Security Deposit. If we attribute a default under the Lease to a specific Resident (e.g. one Resident doesn't pay his/her proportionate share of the rent, or one Resident incurs a late charge, or we determine (in our sole discretion) that damage was caused by a single Resident), then the Resident responsible for that default will be financially responsible for that default, and we may make deductions from that Resident's proportionate share of the Security Deposit. If we do not attribute a default under the Lease to a specific Resident (e.g. damage to Joint Use Areas, or Apartment cleaning charges after the Residents vacate), we may deduct these charges from all Residents' Security Deposits, in the same proportion as each Resident's proportionate share for other shared obligations, described in paragraph 12 (Allocations and Exclusive Use Areas). We will attempt (in our sole discretion) to fairly allocate responsibility among Residents. However, in any dispute between you and us regarding allocation, our decision will be binding to determine allocation of responsibility as between you and us. Our decision will not be binding between Residents, and if a Resident disagrees with our allocation, Residents may pursue claims between the Residents.

It is an agreed-to liquidated amount covering only part of our damages, that is, our time, effort, and expense in finding and processing a replacement. These damages are uncertain and difficult to ascertain-particularly those relating to inconvenience, paperwork, advertising, showing apartments, utilities for showing, checking prospects, office overhead, marketing costs, and locatorservice fees. estimate of such damages and that the charge is due whether or not our reletting attempts succeed. If no amount is stipulated, you must pay our actual reletting costs so far as they can be determined. The reletting charge does not release you from continued liability for: future or past-due rent; charges for cleaning, repairing, repainting,

or unreturned keys; or other sums due.

- **16.REIMBURSEMENT.** You must promptly reimburse us for loss, damage, government fines, or cost of repairs or service in the apartment community due to a violation of the Lease Contract or rules, improper use, or negligence by you or your guests or occupants. Unless the damage or wastewater stoppage is due to our negligence, we're not liable for-and you must pay for-repairs, replacement costs, and damage to the following if occurring during the lease term or renewal period: (1) damage to doors, windows, or screens; (2) damage from windows or doors left open; and (3) damage from wastewater stoppages caused by improper objects in lines exclusively serving your apartment. We may require payment at any time, including advance payment of repairs for which you're liable. Delay in demanding sums you owe is not a waiver.
- **17.PROPERTY LEFT IN APARTMENT.** All property left in the apartment is (unless exempt under state statute) subject to disposal if found to be abandoned under Nevada law. For this purpose, "apartment" excludes common areas but includes interior living areas and exterior patios, balconies, attached garages, and storerooms for your exclusive use.

Upon your request, you will be provided reasonable access to your property during the 5 days after an eviction lockout to retrieve essential personal effects (i.e., medication, baby formula, basic clothing and care items).

**Storage.** We or our agents will store property removed after judicial eviction, surrender, or abandonment of the apartment for a period of thirty (30) days after the abandonment, eviction, or end of the rental period. Except for essential personal effects (i.e., medication, baby formula, basic clothing and care items) subject to retrieval in the 5 days after an eviction lockout, we do have the ability to charge and collect the reasonable and actual costs of inventory, moving, and storage before releasing any property to you after your move-out.

**Redemption.** If we or our agent have removed and stored property as authorized by the state statute, you may redeem the property by paying the reasonable and actual charges for packing, removing, and storing. We may return redeemed property at the place of storage, the management office, or the apartment (at our option). We or our agent may require payment by cash, money order, or certified check. These redemption obligations do not apply to essential personal effects (i.e., medication, baby formula, basic clothing and care items) subject to retrieval in the 5 days after an eviction lockout.

**Disposition or Sale.** After complying with the notification and storage procedures for disposal of personal property abandoned or left on the premises, we or our agent may dispose of or sell personal property which was abandoned or left in the apartment in order to recover the reasonable and actual costs of packing, removing, and storing the property. We or our agent will make a reasonable effort to locate you and notify you of our intention to dispose of the property as provided by law. Notice will be mailed to you at your present address, and if that address is unknown, then at your last known address. Automobiles will be disposed of in accordance with Chapter 487 of the Nevada Revised Statutes.

**18.FAILING TO PAY FIRST MONTH'S RENT.** If you don't pay the first month's rent when or before the Lease Contract begins you will be in default of this Lease Contract, unless rent is abated or your tenancy is terminated due to a delay in giving you possession. We also may end your right of occupancy and recover damages, future rent, reletting charges, attorney's fees, court costs, and other lawful charges in accordance with State statute. Our rights and remedies under paragraph 15 (Early Move-Out) and paragraph 50 (Move-Out Notice) apply to acceleration under this paragraph.

- **19. RENT INCREASES AND LEASE CONTRACT CHANGES.** No rent increases or Lease Contract changes are allowed before the initial Lease Contract term ends, except for changes allowed by any special provisions in paragraph 14 (Special Provisions), by a written addendum or amendment signed by you and us, or by reasonable changes of apartment rules allowed under paragraph 22 (Community Polices or Rules). If neither party gives proper written notice, as required by paragraph 4 (Lease Term), to terminate your tenancy at the end of the initial lease term, this Lease Contract will automatically continue month-to-month until either we or you give the other party proper written notice, as required by paragraph 4 (Lease Term), to non-renew or terminate your month-to-month tenancy. We have the right to increase the monthly rent due by giving you notice of the rent increase at least forty five (45) days in advance of the effective date of the increase. We have the right to adopt or modify rules or regulations concerning your use and occupancy of the premises in order to promote the convenience, safety or welfare of us, you, or the other tenants; or to preserve the property from abusive use; or to make a fair distribution of services and facilities held out for the tenants generally by giving written notice to you thirty (30) days in advance of the effective date of the new rules and regulations. The new modified Lease Contract will begin on the date stated in the notice (without necessity of your signature) unless you give us written move-out notice under paragraph 50 (Move-Out Notice).
- **20.DELAY OF OCCUPANCY.** If occupancy is or will be delayed for construction, repairs, cleaning, or a previous resident's holding over, we're not responsible for the delay, except as otherwise provided by law. The Lease Contract will remain in force subject to: (1) abatement of rent on a daily basis during delay; and (2) your right to terminate the Lease Contract as set forth below. Termination notice must be in writing. After termination, you are entitled to a refund of all deposit(s), fees, charges, and any rent paid. Rent abatement or lease termination does not apply if delay is for cleaning or repairs that don't affect the habitability of the apartment or prevent you from occupying the apartment. If we have failed to deliver possession of the apartment to you as provided by law, you may terminate the Lease Contract by giving us at least five (5) day's written notice.
- **21.DISCLOSURE RIGHTS.** If someone requests information on you or your rental history for law-enforcement, governmental, or business purposes, we may provide it.

### While You're Living in the Apartment

- **22.COMMUNITY POLICIES OR RULES.** You and all guests and occupants must comply with any written apartment rules and community policies, including instructions for care of our property. Our rules are considered part of this Lease Contract. We may make reasonable changes to written rules upon thirty (30) day's written notice as stated in paragraph 19 (Rent Increases and Lease Contract Changes), if they are distributed and applicable to all units in the apartment community and does not affect the tenant's obligation to pay rent, utilities, or other charges.
- **23.LIMITATIONS ON CONDUCT.** The apartment and other areas reserved for your private use must be kept clean and free of trash, garbage, and other debris. Trash must be disposed of at least weekly in appropriate receptacles in accordance with local ordinances. Passageways may be used only for entry or exit. You agree to keep all passageways and common areas free of obstructions such as trash, storage items, and all forms of personal property. No person shall ride or allow bikes, skateboards, or other similar objects in the passageways. Any swimming pools, saunas, spas, tanning beds, exercise rooms, storerooms, laundry rooms, and similar areas must be used with care in accordance with apartment rules and posted signs. Glass containers are prohibited in all common areas. You, your occupants, or guests may not anywhere in the apartment community: use candles or use kerosene lamps or kerosene heaters without our prior written approval; cook on balconies or outside; or solicit business or contributions. Conducting any kind of business (including child care services) in your apartment or in the apartment community is prohibited-except that any lawful business conducted "at home" by computer, mail, or telephone is permissible if customers, clients, patients, or other business associates do not come to your apartment for business purposes and you have obtained all necessary local licensing and zoning approvals for your business. We may regulate: (1) the use of patios, balconies, and porches; (2) the conduct of furniture movers and delivery persons; and (3) recreational activities in common areas. You'll be liable to us for damage caused by you or any guests or occupants.

We may exclude from the apartment community guests or others who, in our judgment, have been violating the law, violating this Lease Contract or any apartment rules, or disturbing other residents, neighbors, visitors, or owner representatives. We may also exclude from any outside area or common area a person who refuses to show photo identification or refuses to identify himself or herself as a resident, occupant, or guest of a specific resident in the community.

You agree to notify us if you or any occupants are convicted of any felony, or misdemeanor involving a controlled substance, violence to another person or destruction of property. You also agree to notify us if you or any occupant registers as a sex offender in any state. Informing us of criminal convictions or sex offender registry does not waive our right to evict you.

- **24.PROHIBITED CONDUCT.** You, your occupants or guests, or the guests of any occupants, may not engage in the following activities: behaving in a loud or obnoxious manner; disturbing or threatening the rights, comfort, health, safety, or convenience of others (including our agents and employees) in or near the apartment community; disrupting our business operations; manufacturing, delivering, possessing with intent to deliver, or otherwise possessing a controlled substance or drug paraphernalia; engaging in or threatening violence; possessing a weapon prohibited by state law; discharging a firearm in the apartment community; displaying or possessing a gun, knife, or other weapon in the common area in a way that may alarm others; storing anything in closets having gas appliances; tampering with utilities or telecommunications; bringing hazardous materials into the apartment community; or injuring our reputation by making bad faith allegations against us to others.
- **25.PARKING.** We may regulate the time, manner, and place of parking all cars, trucks, motorcycles, bicycles, boats, trailers, and recreational vehicles by anyone. We may have unauthorized or illegally parked vehicles towed under an appropriate statute. A vehicle is unauthorized or illegally parked in the apartment community if it:
  - (1) has a flat tire or other condition rendering it inoperable; or
  - (2) is on jacks, blocks or has wheel(s) missing; or

- (3) has no current license plate or no current registration and/or inspection sticker; or
- (4) takes up more than one parking space; or
- (5) belongs to a resident or occupant who has surrendered or abandoned the apartment; or
- (6) is parked in a marked handicap space without the legally required handicap insignia; or
- (7) is parked in space marked for manager, staff, or guest at the office; or
- (8) blocks another vehicle from exiting; or
- (9) is parked in a fire lane or designated "no parking" area; or
- (10) is parked in a space marked for other resident(s) or unit(s); or
- (11) is parked on the grass, sidewalk, or patio; or
- (12) blocks garbage trucks from access to a dumpster; or
- (13) belongs to a resident and is parked in a visitor or retail parking space.
- **26.RELEASE OF RESIDENT.** Unless you're entitled to terminate your tenancy under the provisions herein or pursuant to applicable Nevada statute, you won't be released from this Lease Contract for any reason,—including, but not limited to, your voluntary or involuntary school withdrawal or transfer, voluntary or involuntary job transfer, marriage, separation, divorce, reconciliation, loss of co-residents (provided they are not listed specifically on your Lease Contract as co-tenant), loss of employment, bad health, death or property purchase.
- **27.MILITARY PERSONNEL CLAUSE.** All parties to this Lease Contract agree to comply with any federal law, including, but not limited to the Service Member's Civil Relief Act, or any applicable state law(s), if you are seeking to terminate this Lease Contract and/or subsequent renewals and/or Lease Contract extensions under the rights granted by such laws.
- **28.RESIDENT SAFETY AND PROPERTY LOSS.** You and all occupants and guests must exercise due care for your own and others' safety and security, especially in the use of smoke and carbon monoxide detectors, keyed deadbolt locks, keyless bolting devices, window latches, and access control devices.

Smoke and Carbon Monoxide Detectors. We'll furnish smoke detectors and carbon monoxide detectors only if required by statute, and we'll test them and provide working batteries when you first take possession. After that, you must test the smoke detectors and the carbon monoxide detectors on a regular basis, and you must pay for and replace batteries as needed, unless the law provides otherwise. We may replace dead or missing batteries at your expense, without prior notice to you. You must immediately report smoke detector and carbon monoxide detector malfunctions to us. Neither you nor others may disable neither the smoke detectors nor the carbon monoxide detectors. If you damage or disable the smoke detector or remove a battery without replacing it with a working battery, you may be liable to us under state statute for the actual and reasonable cost or fair and reasonable value of the work to repair or restore the smoke detector or carbon monoxide detector to working condition. If you disable or damage the smoke detector, or fail to replace a dead battery or report malfunctions to us, you will be liable to us and others for any loss, damage, or fines from fire, smoke, or water.

Casualty Loss. We're not liable to any resident, guest, or occupant for personal injury or damage or loss of personal property from any cause, including but not limited to: fire, smoke, rain, flood, water and pipe leaks, hail, ice, snow, lightning, wind, explosions, earthquake, interruption of utilities, theft, or vandalism unless otherwise required by law. We have no duty to remove any ice, sleet, or snow but may remove any amount with or without notice. During freezing weather, you must ensure that the temperature in the apartment is sufficient to make sure that the pipes do not freeze (the appropriate temperature will depend upon weather conditions and the size and layout of your unit). If the pipes freeze or any other damage is caused by your failure to properly maintain the heat in your apartment, you'll be liable for damage to our and other's property. If you ask our representatives to perform services not contemplated in this Lease Contract, you will indemnify us and hold us harmless from all liability for those services.

**Crime or Emergency.** Dial 911 or immediately call local medical emergency, fire, or police personnel in case of accident, fire, smoke, or suspected criminal activity or other emergency involving imminent harm. You should then contact our representative. Unless otherwise provided by law, we're not liable to you or any guests or occupants for injury, damage, or loss to person or property caused by criminal conduct of other persons, including theft, burglary, assault, vandalism, or other crimes. We're not obliged to furnish security personnel, security lighting, security gates or fences, or other forms of security unless required by statute. If we provide any access control devices or security measures upon the property, they are not a guarantee to prevent crime or to reduce the risk of

crime on the property. You agree that no access control devices or security measures can eliminate all crime and that you will not rely upon any provided access control devices or security measures as a warranty or guarantee of any kind. We disclaim any express or implied warranties of security. We're not responsible for obtaining criminal-history checks on any residents, occupants, guests, or contractors in the apartment community. If you or any occupant or guest is affected by a crime, you must make a written report to our representative and to the appropriate local law-enforcement agency. You must also furnish us with the law-enforcement agency's incident report number upon request.

**29. CONDITION OF THE PREMISES AND ALTERATIONS.** You accept the apartment, fixtures, and furniture as is, except for conditions which materially affect the health or safety of ordinary persons or which render the apartment uninhabitable. We disclaim all implied warranties. You'll be given an Inventory and Condition form on or before move-in. You must note on the form all defects or damage and return it to our representative. Otherwise, everything will be considered to be in a clean, safe, and good working condition.

You must use customary diligence in maintaining the apartment and not damaging or littering the common areas. Unless authorized by statute or by us in writing, you must not perform any repairs, painting, wallpapering, carpeting, electrical changes, or otherwise alter our property. No holes or stickers are allowed inside or outside the apartment. But we'll permit a reasonable number of small nail holes for hanging pictures on sheetrock walls and in grooves of wood-paneled walls, unless our rules state otherwise. No water furniture, washing machines, additional phone or TV-cable outlets, alarm systems, or lock changes, additions, or rekeying is permitted unless statutorily allowed or we've consented in writing. You may install a satellite dish or antenna provided it complies with reasonable restrictions allowed by federal law. You agree not to alter, damage, or remove our property, including alarm systems, smoke and carbon monoxide detectors, furniture, telephone and cable TV wiring, screens, locks, and access control devices. When you move in, we'll supply light bulbs for fixtures we furnish, including exterior fixtures operated from inside the apartment; after that, you'll replace them at your expense with bulbs of the same type and wattage. Your improvements to the apartment (whether or not we consent) become ours unless we agree otherwise in writing.

**30. REQUESTS, REPAIRS, AND MALFUNCTIONS.** IF YOU OR ANY OCCUPANT NEEDS TO SEND A NOTICE OR REQUEST—FOR EXAMPLE, FOR REPAIRS, INSTALLATIONS, SERVICES, OR SECURITY-RELATED MATTERS—IT MUST BE SUBMITTED THROUGH EITHER THE ONLINE RESIDENT PORTAL, OR SIGNED AND IN WRITING AND DELIVERED TO OUR DESIGNATED REPRESENTATIVE (except in case of fire, smoke, gas, explosion, overflowing sewage, uncontrollable running water, electrical shorts, or crime in progress). Our written notes on your oral request do not constitute a written request from you. A request for maintenance or repair by anyone residing in your bedroom or apartment constitutes a request from all co-residents.

Our complying with or responding to any oral request regarding security or non-security matters doesn't waive the strict requirement for written notices under this Lease Contract. You must promptly notify us in writing of: water leaks; electrical problems; malfunctioning lights; broken or missing locks or latches; and other conditions that pose a hazard to property, health, or safety. We may change or install utility lines or equipment serving the apartment if the work is done reasonably without substantially increasing your utility costs. We may turn off equipment and interrupt utilities as needed to avoid property damage or to perform work. If utilities malfunction or are damaged by fire, water, or similar cause, you must notify our representative immediately.

If we believe that fire or catastrophic damage is substantial, or that performance of needed repairs poses a danger to you, we may terminate your tenancy within a reasonable time by giving you written notice. If your tenancy is so terminated, we'll refund prorated rent and all deposits, less lawful deductions. You may also have the right to vacate the premises immediately and notify us in writing within seven (7) days of your intention to terminate your tenancy, provided the fire or casualty were not caused by the deliberate or negligent acts of you, a member of your household, or another person on the premises with your consent.

**31.ANIMALS.** Unless otherwise provided under federal, state, or local law, no animals (including mammals, reptiles, birds, fish, rodents, and insects) are allowed, even temporarily, anywhere in the apartment or apartment Community unless we've so authorized in writing. You must remove an illegal or unauthorized animal within 24 hours of notice from us, or you will be considered in default of this Lease Contract. If we allow an animal as a pet, you must execute a separate animal addendum which may require additional deposits, rents, fees or other charges. An animal deposit is considered a general

security deposit. We will authorize an assistance animal for a disabled person. When allowed by applicable laws, before we authorize an assistance animal, if the disability is not readily apparent, we may require a written statement from a qualified professional verifying the disability-related need for the assistance animal. If we authorize an assistance animal, we may require you to execute a separate animal and/or assistance animal addendum. Animal deposits, additional rents, fees or other charges will not be required for an assistance animal needed due to disability, including an emotional support or service animal, as authorized under federal, state, or local law. You must not feed stray or wild animals.

If you or any guest or occupant violates animal restrictions (with or without your knowledge), you'll be subject to charges, damages, eviction, and other remedies provided in this Lease Contract or as otherwise provided by law. If an animal has been in the apartment at any time during your term of occupancy (with or without our consent), we'll charge you for defleaing, deodorizing, and shampooing. Initial and daily animal-violation charges and animal-removal charges are liquidated damages for our time, inconvenience, and overhead (except for attorney's fees and litigation costs) in enforcing animal restrictions and rules.

- **32.WHEN WE MAY ENTER.** If you or any co-resident or occupant is present, and consents to entry, then repairers, servicers, contractors, representatives or other persons listed below may peacefully enter the bedroom or apartment for the purposes indicated in (2). At all other times, we may peacefully enter your bedroom or apartment upon giving you twenty four (24) hour advance written notice for entry during reasonable times during normal business hours. If you or a co-resident or occupant is not present to provide access at the expiration of the twenty four (24) hour notice, then our entry may be made peacefully by duplicate or master key (or by breaking a window or other means when necessary). We have the right to enter your apartment without giving any notice in case of an emergency.
  - (1) When possible, written notice of any entry for the purposes indicated in (2) will be left in a conspicuous place in the apartment immediately after the entry.
  - (2) We have the right to enter the apartment for any authorized reason recognized by law, including, but not limited to: responding to your or any co-resident's request; making repairs or replacements; estimating repair or refurbishing costs; performing pest control; doing preventive maintenance; changing filters; testing or replacing smoke or carbon monoxide detectors batteries; retrieving unreturned tools, equipment or

- appliances; preventing waste of utilities; delivering, installing, reconnecting, or replacing appliances, furniture, equipment, or access control devices; removing or rekeying unauthorized access control devices; removing health or safety hazards (including hazardous materials); inspecting when immediate danger to person or property is reasonably suspected; allowing persons to enter as you authorized in your rental application (if you die, are incarcerated, etc.); allowing entry by a law officer with a search or arrest warrant, or in hot pursuit; showing apartment to prospective residents (after move-out or vacate notice has been given); or showing apartment to government inspectors for the limited purpose of determining housing and fire ordinance compliance by us and to lenders, appraisers, contractors, prospective buyers, or insurance agents.
- **33.NOTICES.** From you: Notices and written requests from you or any co-resident or occupant of the apartment shall be construed as constituting notice from all co-residents of the apartment unless you specifically indicate to the contrary or such joint notice is not feasible under the circumstances. Notice of tenancy termination or intent to move out is an independent notice required by each individual resident. You must sign your Notice of Lease Contract Termination before providing.

From Us: A notice from us that is intended only for you will be addressed only to you (eg. a notice from us to you to pay sums owed only by you, or regarding sale of property that belongs only to you or that was in your possession and care). A notice intended by us for all co-residents in your apartment may be address to "all residents" of your apartment (eg. 24 Hour Notice of Entry). A notice intended by us for all residents in the apartment community may be addressed to "all residents" of the community (eg. annual inspections or events).

**34.MULTIPLE RESIDENTS OR OCCUPANTS.** Each resident is jointly and severally liable for all lease obligations. If you or any guest or occupant violates the Lease Contract or rules, all residents are considered to have violated the Lease Contract. Our requests and notices (including sale notices) to any resident constitute notice to all residents and occupants. Notices and requests from any resident or occupant (including notices of lease termination, repair requests, and entry permissions) constitute notice from all residents. In eviction suits, each resident is considered the agent of all other residents in the apartment for service of process. Security-deposit refunds and deduction itemizations of multiple residents will comply with paragraph 54 (Deposit Return, Surrender, and Abandonment).

### **Replacements**

- **35.REPLACEMENTS AND SUBLETTING.** Replacing a resident, subletting, assignment, or granting a right or license to occupy is allowed only when we expressly consent in writing. If departing or remaining residents find a replacement resident acceptable to us before moving out and we expressly consent, in writing, to the replacement, subletting, assignment, or granting a right or any license to occupy, then:
  - (1) a reletting charge will not be due;
  - (2) a reasonable administrative (paperwork) and/or transfer fee will be due, and a rekeying fee will be due if rekeying is requested or required; and
- (3) the departing and remaining residents will remain liable for all lease obligations for the rest of the original lease term.

**Procedures for Replacement.** If we approve a replacement resident, then, at our option: (1) the replacement resident must sign this Lease Contract with or without an increase in the total security deposit; *or* (2) the remaining and replacement residents must sign an entirely new Lease Contract. Unless we agree otherwise in writing or unless otherwise provided by law, the departing resident will remain liable for the remainder of the original lease term-even if a new Lease Contract is signed.

### **Responsibilities of Owner and Resident**

# **36. RESPONSIBILITIES OF OWNER.** We'll act with customary diligence to:

- (1) maintain fixtures, furniture, hot water, heating and A/C equipment;
- (2) substantially comply with applicable federal, state, and local laws regarding safety, sanitation, and fair housing; and
- (3) make all reasonable repairs, subject to your obligation to pay for damages for which you are liable.

If we violate any of the above, you may exercise your remedies under state statute. In addition to complying with any other requirements under state law:

- (a) you must make a written request for repair or remedy of the condition, and all rent must be current at the time;
- (b) after receiving the request, we will have the time provided by law to repair, considering the nature of the problem and the reasonable availability of materials, labor, and utilities;
- (c) if we haven't completed the repair within the time provided by law, you may have certain rights afforded by law to make repairs yourself or terminate your tenancy. If your tenancy is properly terminated, then security deposits and prorated rent will be refunded as required by law.
- 37.DEFAULT BY RESIDENT. You'll be in default if you or any guest or occupant violates any terms of this Lease Contract including but not limited to the following violations: (1) you don't pay rent or other amounts that you owe when due; (2) you or any guest or occupant violates the apartment rules, or fire, safety, health, or criminal laws, regardless of whether or where arrest or conviction occurs; (3) you abandon the apartment; (4) you give incorrect or false answers in a rental application; (5) you or any occupant is arrested, convicted, or given deferred adjudication for a felony offense involving actual or potential physical harm to a person, or involving possession, manufacture, or delivery of a controlled substance, marijuana, or drug paraphernalia under state statute; (6) any illegal drugs or paraphernalia are found in your apartment; (7) you or any guest or occupant engages in any of the prohibited conduct described in paragraph 24 (Prohibited Conduct); or (8) you or any occupant in bad faith, makes an invalid complaint to an official or employee of a utility company or the government based on a complaint that was caused primarily by the lack of reasonable care by you, a member of your household, or another person on the premises with your consent.

Lease Renewal When A Breach or Default Has Occurred. In the event that you enter into a subsequent Lease prior to the expiration of this Lease and you breach or otherwise commit a default under this Lease, We may, at our sole and absolute discretion, terminate the subsequent Lease, even if the subsequent Lease term has yet to commence. We may terminate said subsequent Lease by sending you written notice of our desire to terminate said subsequent Lease.

**Eviction.** If you default, we may end your right of occupancy by giving you a seven (7) day written notice as provided by Nevada law. Notice will be delivered to you as required by Nevada law. Termination of your possession rights or subsequent releting doesn't release you from liability for future rent or other lease obligations. After giving notice to vacate or filing an eviction suit, we may still accept rent or other sums due; the filing or acceptance doesn't waive or diminish our right of eviction, or any other contractual or statutory right. Accepting money at any time doesn't waive our right to damages; unpaid past or future rent or other sums; or to continue with eviction proceedings as permitted by State statute.

**Holdover.** You or any occupant, invitee, or guest must not hold over beyond the date contained in your move-out notice or our notice to vacate (or beyond a different move-out date agreed to by the parties in writing). If a holdover occurs, then: (1) holdover rent is due in advance on a daily basis and may become delinquent without notice or demand; (2) we may hold you liable for our actual damages; and (3) you could be held liable by the next intended occupant of the apartment if you fail to vacate the premises.

**Landlord Remedies.** If any Resident fails to pay amounts due under this Lease, or otherwise breaches the Lease, we (at our option), may choose to terminate the tenancy of any or all Residents.

**38.ENTIRE AGREEMENT.** Neither we nor any of our representatives have made any oral promises, representations, or agreements. This Lease Contract is the entire agreement between you and us.

- **39.NO AUTHORITY TO AMEND UNLESS IN WRITING.**
- Our representatives (including management personnel, employees, and agents) have no authority to waive, amend, or terminate your tenancy or any part of it, unless in writing, and no authority to make promises, representations, or agreements that impose security duties or other obligations on us or our representatives unless in writing.
- **40.NO WAIVER.** No action or omission of our representative will be considered a waiver of any subsequent violation, default, or time or place of performance. Our not enforcing or belatedly enforcing written-notice requirements, rental due dates, acceleration, liens, or other rights, isn't a waiver under any circumstances.
- **41.NOTICE.** Except when notice or demand is required by statute, you waive any notice and demand for performance from us if you default. Written notice to or from our managers constitutes notice to or from us. Any person giving a notice under this Lease Contract should retain a copy of the memo, letter or fax that was given. Fax signatures are binding. All notices must be signed.

#### 42.MISCELLANEOUS.

- B. Unless prohibited by law or the respective insurance policies, insurance subrogation is waived by all parties.
- C. All remedies are cumulative.
- D. No employee, agent, or management company is personally liable for any of our contractual, statutory, or other obligations merely by virtue of acting on our behalf.
- E. This Lease Contract binds subsequent owners.
- F. Neither an invalid clause nor the omission of initials on any page invalidates this Lease Contract.

You agree that we may contact you using any contact information relating to your lease including any number (i) you have provided to us (ii) from which you called us, or (iii) which we obtained and through

If only one Resident has breached the Lease, and if we elect to terminate the tenancy of only the breaching Resident, the remaining residents agree to cooperate with us in terminating the tenancy of the breaching Resident. If we are able to locate a replacement Resident, the remaining Residents agree to cooperate with us in placing a replacement Resident in the Apartment, and will execute a Lease amendment to add the replacement Resident as a party to the Lease.

**Other Remedies.** We may report unpaid amounts to credit agencies. If you default and move out early, you will pay us any amounts stated to be rental discounts in paragraph 14 (Special Provisions), in addition to other sums due. Upon your default, we have all other legal remedies, including lease termination and lockout under state statute. Unless a party is seeking exemplary, punitive, sentimental or personal-injury damages, the prevailing party may recover from the non-prevailing party attorney's fees and all other litigation costs. Late charges are liquidated damages for our time, inconvenience, and overhead in collecting late rent (but are not for attorney's fees and litigation costs). All unpaid amounts bear a reasonable amount of interest not to exceed 7% per annum from due date or such other interest rate as specified or allowed by Nevada law.

**Remedies Cumulative.** Any remedies set forth herein shall be cumulative, in addition to, and not in limitation of, any other remedies available to Landlord under any applicable law.

**Mitigation of Damages.** If you move out early, you'll be subject to paragraph 15 (Early Move-Out) and all other remedies. We'll exercise customary diligence to relet and mitigate damages. We'll credit all subsequent rent that we actually receive from subsequent residents against your liability for past-due and future rent and other sums due.

### **General Clauses**

which we reasonably believe we can reach you. You agree we may use any means to contact you. This may include calls made to your cellular telephone using an automatic telephone dialing system, artificial or prerecorded voice messages, text messages, mail, e-mail, and calls to your phone or Voice over Internet Protocol (VoIP) service, or any other data or voice transmission technology. You agree to promptly notify us if you change any contact information you provide to us. You are responsible for any service provider charges as a result of us contacting you.

- **44.WAIVER OF JURY TRIAL.** TO MINIMIZE LEGAL EXPENSES AND, TO THE EXTENT ALLOWED BY LAW, YOU AND WE AGREE THAT A TRIAL OF ANY LAWSUIT BASED ON STATUTE, COMMON LAW, AND/ OR RELATED TO THIS LEASE CONTRACT SHALL BE TO A JUDGE AND NOT A JURY.
- **45.OBLIGATION TO VACATE.** If we provide you with a notice to vacate, you shall vacate the Premises and remove all of your personal property therefrom at the expiration of the lease term without further notice or demand from us.
- 46.NOTICE: NRS 202.470 MAINTAINING OR PERMITTING NUISANCE: PENALTY.

#### Every person who:

- 1. Shall commit or maintain a public nuisance, for which no special punishment is prescribed; or
- 2. Shall willfully omit or refuse to perform any legal duty relating to the removal of such nuisance; or
- 3. Shall let, or permit to be used, any building or boat, or portion thereof, knowing that it is intended to be, or is being used, for committing or maintaining any such nuisance, shall be guilty of a misdemeanor.

You have the right to engage in the display of the US Flag.

**47.FORCE MAJEURE.** If we are prevented from completing performances of any obligations hereunder by an act of God, strikes, epidemics, war, acts of terrorism, riots, flood, fire, hurricane, tornado, sabotage, or other occurrence which is beyond the control of the parties, then we shall be excused from any further performance of obligations and undertakings hereunder, to the full extent allowed under applicable law.

Furthermore, if such an event damages the property to materially affect its habitability by some or all residents, we reserve the right to vacate any and all leases and you agree to excuse us from any further performance of obligations and undertakings hereunder, to the full extent allowed under applicable law.

- **48.PAYMENTS.** Payment of all sums is an independent covenant. At our option and without notice, we may apply money received (other than sale proceeds under paragraph 17 (Property Left in Apartment) or utility payments subject to governmental regulations) first to any of your unpaid obligations, then to current rent-regardless of notations on checks or money orders and regardless of when the obligations arose. All sums other than rent are due upon our demand. After the due date, we do not have to accept the rent or any other payments, except as required by applicable law.
- **49.ASSOCIATION MEMBERSHIP.** We represent that either: (1) we or; (2) the management company that represents us, is at the time of signing this Lease Contract or a renewal of this Lease Contract, a member of both the National Apartment Association and any affiliated state and local apartment (multi-housing) associations for the area where the apartment is located.

### When Moving Out

- **50.MOVE-OUT NOTICE.** If you move out prior to the end of the lease term, you must give our representative advance written notice of your intention to vacate as required by paragraph 4 (Lease Term). If you move out prior to the end of the lease term, your notice does not act as a release of liability for the full term of the Lease Contract. You will still be liable for the entire Lease Contract term if you move out early (see paragraph 26 - Release of Resident) except if you are able to terminate the Lease Contract under paragraph 15 (Early Move-Out), paragraph 26 (Release of Resident), or any other applicable laws. All notices to vacate must be in writing and must provide the date by which you intend to vacate. If the notice does not comply with the time requirements of paragraph 4 (Lease Term), even if you move by the last date in the lease term, you will be responsible for (check one) 🔲 \_ \_\_\_\_\_ additional month(s) of rent or 🔲 \_\_\_\_\_additional installment payment(s). If you fail to vacate by the date set forth in your notice, your notice is void and you must submit a new written notice. If you fail to provide proper notice and vacate, you will be responsible for (check one) additional month(s) of rent or additional additional installment payment(s).
- **51.MOVE-OUT PROCEDURES.** The move-out date can't be changed unless we and you both agree in writing. You won't move out before the lease term or renewal period ends unless all rent for the entire lease term or renewal period is paid in full or you are otherwise permitted to move as provided by Nevada law. An improper early move-out may result in releting charges and default under paragraph 14 (Special Provisions)and paragraph 37 (Default by Resident). You're prohibited by law from applying any security deposit to rent. You won't stay beyond the date you are supposed to move out. All residents, guest, and occupants must vacate the apartment before the 30-day period for deposit refund begins. You must give us and the U.S. Postal Service, in writing, each resident's forwarding address.
- **52.CLEANING.** You must thoroughly clean the apartment, including doors, windows, furniture, bathrooms, kitchen appliances, patios, balconies, garages, carports, and storage rooms. You must follow move-out cleaning instructions if they have been provided. If you don't clean adequately, you'll be liable for reasonable cleaning charges.

**53.MOVE-OUT INSPECTION.** You should meet with our representative for a move-out inspection. Our representative has no authority to bind or limit us regarding deductions for repairs, damages, or charges. Any statements or estimates by us or our representative are subject to our correction, modification, or disapproval before final refunding or accounting.

### 54.DEPOSIT RETURN, SURRENDER, AND ABANDONMENT.

**Deposit Return and Forwarding Address.** You are required to provide us written notice of your forwarding address, on or before termination of this Lease Contract. We'll mail you, to the forwarding address you provide, security deposit refund (less lawful deductions) and an itemized accounting of any deductions no later than 30 days after the termination of your tenancy, surrender or abandonment, unless statues provide otherwise.

**Surrender.** You have surrendered the apartment when: (1) the move-out date has passed and no one is living in the apartment in our reasonable judgment; (2) you have removed all or substantially all of your property; and (3) all apartment keys and access devices listed in paragraph 8 (Keys) have been turned in where rent is paid.

**Abandonment.** You have abandoned the apartment when all of the following have occurred: (1) you have been absent from the premises for at least fifteen (15) days; (2) you've been in default for non-payment of rent; and (3) you have not given us notice of your intent to be absent from the apartment during this period of time.

Surrender, abandonment, and judicial eviction end your right of possession for all purposes and gives us the immediate right to: clean up, make repairs in, and relet the apartment; determine any security deposit deductions; and remove property left in the apartment. Surrender, abandonment, and judicial eviction affect your rights to property left in the apartment (paragraph 17 - Property Left in Apartment), but do not affect our mitigation obligations (paragraph 37 - Default by Resident).

- **11. ANIMAL RULES.** You are responsible for the animal's actions at all times. You agree to abide by these rules:
  - The animal must not disturb the neighbors or other residents, regardless of whether the animal is inside or outside the dwelling.
  - Dogs, cats, and support animals must be housebroken. All other animals must be caged at all times. No animal offspring are allowed.
  - Inside, the animal may urinate or defecate *only* in these designated areas: \_\_\_\_\_

  - Animals may not be tied to any fixed object anywhere outside the dwelling units, except in fenced yards (if any) for your exclusive use.
  - You must not let an animal other than support animals into swimming-pool areas, laundry rooms, offices, clubrooms, other recreational facilities, or other dwelling units.
  - Your animal must be fed and watered inside the dwelling unit. Don't leave animal food or water outside the dwelling unit at any time, except in fenced yards (if any) for your exclusive use.
  - You must keep the animal on a leash and under your supervision when outside the dwelling or any private fenced area. We or our representative may pick up unleashed animals and/or report them to the proper authorities. We may impose reasonable charges for picking up and/or keeping unleashed animals.
  - Unless we have designated a particular area in your dwelling unit or on the grounds for animal defecation and urination, you are prohibited from letting an animal defecate or urinate *anywhere* on our property. You must take the animal off our property for that purpose. If we allow animal defecation inside the dwelling unit in this Addendum, you must ensure that it's done in a litter box with a kitty litter-type mix. If the animal defecates anywhere on our property (including in a fenced yard for your exclusive use), you'll be responsible for immediately removing the waste and repairing any damage. Despite anything this Addendum says, you must comply with all local ordinances regarding animal defecation.
- **12. ADDITIONAL RULES.** We have the right to make reasonable changes to the animal rules from time to time upon thirty (30) days written notice if we distribute a written copy of any changes to every resident who is allowed to have animals.
- **13. VIOLATION OF RULES.** If you, your guest, or any occupant violates any rule or provision of this Animal Addendum (based upon our judgment) and we give you written notice, you must permanently remove the animal from the premises within the time period specified in our notice. We also have

all other rights and remedies set forth in the Lease Contract, including damages, eviction, and attorney's fees to the prevailing party to the extent allowed by law.

- **14. COMPLAINTS ABOUT ANIMAL.** You must immediately and permanently remove the animal from the premises if we receive a reasonable complaint from a neighbor or other resident or if we, in our sole discretion, determine that the animal has disturbed neighbors or other residents.
- **15. OUR REMOVAL OF ANIMAL.** In some circumstances, we may enter the dwelling unit and remove the animal as provided above in the case of an emergency or as otherwise provided by law. We can do this if, in our sole judgment, you have:
  - abandoned the animal;
  - left the animal in the dwelling unit for an extended period of time without food or water;
  - failed to care for a sick animal; or
  - violated our animal rules.

In doing this, we must follow the procedures of the Lease Contract, and we may board the animal or turn the animal over to a humane society or local authority. We'll return the animal to you upon request if we haven't already turned it over to a humane society or local authority. We don't have a lien on the animal for any purpose, but you must pay for reasonable care and kenneling charges for the animal. If you don't pick up the animal within the time provided by law, it will be considered abandoned.

**16. LIABILITY FOR DAMAGES, INJURIES, CLEANING, ETC.** You and all co-residents will be jointly and severally liable for the entire amount of all damages caused by the animal, including all cleaning, defleaing, and deodorizing. This provision applies to all parts of the dwelling unit, including carpets, doors, walls, drapes, wallpaper, windows, screens, furniture, appliances, as well as landscaping and other outside improvements. If items cannot be satisfactorily cleaned or repaired, you must pay for us to replace them completely. Payment for damages, repairs, cleaning, replacements, etc. are due immediately upon demand.

As owner of the animal, you're strictly liable for the entire amount of any injury that the animal causes to a person or anyone's property. You'll indemnify us for all costs of litigation and attorney's fees resulting from any such damage.

- **17. MOVE-OUT.** When you move out, you'll pay for defleaing, deodorizing, and shampooing to protect future residents from possible health hazards, regardless of how long the animal was there. We—not you—will arrange for these services.
- **18. JOINT AND SEVERAL RESPONSIBILITY.** Each resident who signed the Lease Contract must sign this Animal Addendum. You, your guests, and any occupants must follow all animal rules. Each resident is jointly and severally liable for damages and all other obligations set forth in this Animal Addendum, even if the resident does not own the animal.
- **19. GENERAL.** You acknowledge that no other oral or written agreement exists regarding animals. Except for written rule changes under paragraph 9 above, our representative has no authority to modify this Animal Addendum or the animal rules except in writing. This Animal Addendum and the animal rules are considered part of the Lease Contract described above. It has been executed in multiple originals, one for you and one or more for us.

(Note: if method "10" is selected, a separate sheet will be attached describing the formula used)

2. If an allocation method is used, we or our billing company will calculate your allocated share of the utilities and services provided and all costs in accordance with state and local statutes. Under any allocation method, Resident may be paying for part of the utility usage in common areas or in other residential units as well as administrative fees. Both Resident and Owner agree that using a calculation or allocation formula as a basis for estimating total utility consumption is fair and reasonable, while recognizing that the allocation method may or may not accurately reflect actual total utility consumption for Resident. Where lawful, we may change the above methods of determining your allocated share of utilities and services and all other billing methods, in our sole discretion, and after providing written notice to you. More detailed descriptions of billing methods, calculations and allocation formulas will be provided upon request.

If a flat fee method for trash or other utility service is used, Resident and Owner agree that the charges indicated in this Agreement (as may be amended with written notice as specified above) represent a fair and reasonable amount for the service(s) provided and that the amount billed is not based on a monthly per unit cost.

3. When billed by us directly or through our billing company, you must pay utility bills within\_\_\_\_\_1 \_\_\_\_ days of the date when the utility bill is issued at the place indicated on your bill, or the payment will be late. If a payment is late, you will be responsible for a late fee as indicated below. The late payment of a bill or failure to pay any utility bill is a material and substantial breach of the Lease and we will exercise all remedies available under the Lease, up to and including eviction for nonpayment. To the extent there are any new account, monthly administrative, late or final bill fees, you shall pay such fees as indicated below.

New Account Fee:	\$_	25.00	(not to exceed \$	<b>30.00</b> )
Monthly Administrative Billing Fee:	\$_	4.50	_ (not to exceed \$ _	<b>6.00</b> )
Late Fee:	\$_	25.00	(not to exceed \$	)
Final Bill Fee:	\$_	10.00	(not to exceed \$	<b>15.00</b> )

If allowed by state law, we at our sole discretion may amend these fees, with written notice to you.

- 4. You will be charged for the full period of time that you were living in, occupying, or responsible for payment of rent or utility charges on the dwelling. If you breach the Lease, you will be responsible for utility charges for the time period you were obliged to pay the charges under the Lease, subject to our mitigation of damages. In the event you fail to timely establish utility services, we may charge you for any utility service billed to us for your dwelling and may charge a reasonable administration fee for billing for the utility service in the amount of 50.00
- 5. When you move out, you will receive a final bill which may be estimated based on your prior utility usage. This bill must be paid at the time you move out or it will be deducted from the security deposit.
- 6. We are not liable for any losses or damages you incur as a result of outages, interruptions, or fluctuations in utility services provided to the dwelling unless such loss or damage was the direct result of negligence by us or our employees. You release us from any and all such claims and waive any claims for offset or reduction of rent or diminished rental value of the dwelling due to such outages, interruptions, or fluctuations.
- 7. You agree not to tamper with, adjust, or disconnect any utility sub-metering system or device. Violation of this provision is a material breach of your Lease and may subject you to eviction or other remedies available to us under your Lease, this Utility Addendum and at law.
- 8. Where lawful, all utilities, charges and fees of any kind under this lease shall be considered additional rent, and if partial payments are accepted by the Owner, they will be allocated first to non-rent charges and to rent last.
- 9. You represent that all occupants that will be residing in the Unit are accurately identified in the Lease. You agree to promptly notify Owner of any change in such number of occupants.
- 10. You agree that you may, upon thirty (30) days prior written notice from Owner to you, begin receiving a bill for additional utilities and services, at which time such additional utilities and services shall for all purposes be included in the term Utilities. In the event additional services or utilities are requested by you during the lease term, the parties agree to amend this addendum as needed so as to include such additional service or utilities within the Lease.
- 11. This Addendum is designed for use in multiple jurisdictions, and no billing method, charge, or fee mentioned herein will be used in any jurisdiction where such use would be unlawful. If any provision of this addendum or the Lease is invalid or unenforceable under applicable law, such provision shall be ineffective to the extent of such invalidity or unenforceability only without invalidating or otherwise affecting the remainder of this addendum or the Lease. Except as specifically stated herein, all other terms and conditions of the Lease shall remain unchanged. In the event of any conflict between the terms of this Addendum and the terms of the Lease, the terms of this Addendum shall control.

12. The following special provisions and any addenda or written rules furnished to you at or before signing will become a part of this Utility Addendum and will supersede any conflicting provisions of this printed Utility Addendum and/or the Lease Contract.

1) Formula "10" as noted above will be allocated evenly amongst each occupied unit during the billing period. 2) Per Section 5, a final utility bill will be issued at move out where applicable. This bill will be included on the Final Account Statement at the time of move out. 3) Resident(s) acknowledge that Owner has no control over the quality of water provided by local/regional water utility providers and their sources.

If you disclose to us a previous experience with bed bug infestations or other bed bug related issues, we can review documentation of the previous treatment(s) and inspect your personal property and possession to confirm the absence of bed bugs.

- 5. ACCESS FOR INSPECTION AND PEST TREATMENT. You must allow us and our pest control agents access to the dwelling at reasonable times to inspect for or treat bed bugs as allowed by law. You and your family members, occupants, guests, and invitees must cooperate and will not interfere with inspections or treatments. We have the right to select any licensed pest control professional to treat the dwelling and building. We can select the method of treating the dwelling, building and common areas for bed bugs. We can also inspect and treat adjacent or neighboring dwellings to the infestation even if those dwellings are not the source or cause of the known infestation. Unless otherwise prohibited by law, you are responsible for and must, at your own expense, have your own personal property, furniture, clothing and possessions treated according to accepted treatment methods established by a licensed pest control firm that we approve. You must do so as close as possible to the time we treated the dwelling. If you fail to do so, you will be in default, and we will have the right to terminate your right of occupancy and exercise all rights and remedies under the Lease Contract. You agree not to treat the dwelling for a bed bug infestation on your own.
- 6. NOTIFICATION. You must promptly notify us:
  - of any known or suspected bed bug infestation or presence in the dwelling, or in any of your clothing, furniture or personal property.
  - of any recurring or unexplained bites, stings, irritations, or sores of the skin or body which you believe is caused by bed bugs, or by any condition or pest you believe is in the dwelling.
  - if you discover any condition or evidence that might indicate the presence or infestation of bed bugs, or of any confirmation of bed bug presence by a licensed pest control professional or other authoritative source.
- 7. COOPERATION. If we confirm the presence or infestation of bed bugs, you must cooperate and coordinate with us and our pest control agents to treat and eliminate the bed bugs. You must follow all directions from us or our agents to clean and treat the dwelling and building that are infested. You must remove or destroy personal property that cannot be treated or cleaned as close as possible to the time we treated the dwelling. Any items you remove from the dwelling must be disposed of off-site and not in the property's trash receptacles. If we confirm the presence or infestation of bed bugs in your dwelling, we have the right to require you to temporarily vacate the dwelling and remove all furniture, clothing and personal belongings in order for us to perform pest control services. If you fail to cooperate with us, you will be in default, and we will have the right to terminate your right of occupancy and exercise all rights and remedies under the Lease Contract.
- 8. RESPONSIBILITIES. You may be required to pay all reasonable costs of cleaning and pest control treatments incurred by us to treat your dwelling unit for bed bugs. If we confirm the presence or infestation of bed bugs after you vacate your dwelling, you may be responsible for the cost of cleaning and pest control treatments. If we must move other residents in order to treat adjoining or neighboring dwellings to your dwelling unit, you may be liable for payment of any lost rental income and other expenses incurred by us to relocate the neighboring residents and to clean and perform pest control treatments to eradicate infestations in other dwellings. If you fail to pay us for any costs you are liable for, you will be in default, and we will have the right to terminate your right of occupancy and exercise all rights and remedies under the Lease Contract, and obtain immediate possession of the dwelling. If you fail to move out after your right of occupancy has been terminated, you will be liable for holdover rent under the Lease Contract.

### BED BUGS — A Guide for Rental Housing Residents

Bed bugs, with a typical lifespan of 6 to 12 months, are wingless, flat, broadly oval-shaped insects. Capable of reaching the size of an apple seed at full growth, bed bugs are distinguishable by their reddish-brown color, although after feeding on the blood of humans and warm-blooded animals—their sole food source—the bugs assume a distinctly blood-red hue until digestion is complete.

### Bed bugs don't discriminate

Bed bugs increased presence across the United States in recent decades can be attributed largely to a surge in international travel and trade. It's no surprise then that bed bugs have been found time and time again to have taken up residence in some of the fanciest hotels and apartment buildings in some of the nation's most expensive neighborhoods.

Nonetheless, false claims that associate bed bugs presence with poor hygiene and uncleanliness have caused rental housing residents, out of shame, to avoid notifying owners of their presence. This serves only to enable the spread of bed bugs.

While bed bugs are, by their very nature, more attracted to clutter, they're certainly not discouraged by cleanliness.

Bottom line: bed bugs know no social and economic bounds; claims to the contrary are false.

### Bed bugs don't transmit disease

There exists no scientific evidence that bed bugs transmit disease. In fact, federal agencies tasked with addressing pest of public health concern, namely the U.S. Environmental Protection Agency and the Centers for Disease Control and Prevention, have refused to elevate bed bugs to the threat level posed by disease transmitting pests. Again, claims associating bed bugs with disease are false.

### Identifying bed bugs

Bed bugs can often be found in, around and between:

- Bedding
- Bed frames
- Mattress seams
- Upholstered furniture, especially under cushions and along seams
- Around, behind and under wood furniture, especially along areas where drawers slide
- Curtains and draperies
- Along window and door frames
- Ceiling and wall junctions
- Crown moldings
- Behind and around wall hangings and loose wallpaper
- Between carpeting and walls (carpet can be pulled away from the wall and tack strip)
- Cracks and crevices in walls and floors
- Inside electronic devices, such as smoke and carbon monoxide detectors

- Because bed bugs leave some persons with itchy welts strikingly similar to those caused by fleas and mosquitoes, the origination of such markings often go misdiagnosed. However, welts caused by bed bugs often times appear in succession and on exposed areas of skin, such as the face, neck and arms. In some cases, an individual may not experience any visible reaction resulting from direct contact with bed bugs.
- While bed bugs typically prefer to act at night, they often do not succeed in returning to their hiding spots without leaving traces of their presence through fecal markings of a red to dark brown color, visible on or near beds. Blood stains tend also to appear when the bugs have been squashed, usually by an unsuspecting host in their sleep. And, because they shed, it's not uncommon for skin casts to be left behind in areas typically frequented by bed bugs.

### Preventing bed bug encounters when traveling

Because humans serve as bed bugs' main mode of transportation, it is extremely important to be mindful of bed bugs when away from home. Experts agree that the spread of bed bugs across all regions of the United States is largely attributed to an increase in international travel and trade. Travelers are therefore encouraged to take a few minutes upon arriving to their temporary destination to thoroughly inspect their accommodations, so as to ensure that any uninvited guests are detected before the decision is made to unpack.

Because bed bugs can easily travel from one room to another, it is also recommended that travelers thoroughly inspect their luggage and belongings for bed bugs before departing for home.

### Bed bug do's and don'ts

- Do not bring used furniture from unknown sources into your dwelling. Countless bed bug infestations have stemmed directly from the introduction into a resident's unit of secondhand and abandoned furniture. Unless the determination can be made with absolute certainty that a piece of second-hand furniture is bed bug-free, residents should assume that the reason a seemingly nice looking leather couch, for example, is sitting curbside, waiting to be hauled off to the landfill, may very well be due to the fact that it's teeming with bed bugs.
- **Do address bed bug sightings immediately.** Rental housing residents who suspect the presence of bed bugs in their unit must immediately notify the owner.
- **Do not attempt to treat bed bug infestations.** Under no circumstance should you attempt to eradicate bed bugs. Health hazards associated with the misapplication of traditional and non-traditional, chemical-based insecticides and pesticides poses too great a risk to you and your neighbors.
- **Do comply with eradication protocol.** If the determination is made that your unit is indeed playing host to bed bugs, you must comply with the bed bug eradication protocol set forth by both your owner and their designated pest management company.

Please note: It is our goal to maintain a quality living environment for our residents. To help achieve this goal, it is important to work together to minimize any mold growth in your dwelling. That is why this addendum contains important information for you, and responsibilities for both you and us.

This Addendum constitutes an Addendum to the above described Lease Contract for the above described premises, and is hereby incorporated into and made a part of such Lease Contract. Where the terms or conditions found in this Addendum vary or contradict any terms or conditions found in the Lease Contract, this Addendum shall control.

**3. ABOUT MOLD.** Mold is found virtually everywhere in our environment—both indoors and outdoors and in both new and old structures. Molds are naturally occurring microscopic organisms which reproduce by spores and have existed practically from the beginning of time. All of us have lived with mold spores all our lives. Without molds we would all be struggling with large amounts of dead organic matter.

Mold breaks down organic matter in the environment and uses the end product for its food. Mold spores (like plant pollen) spread through the air and are commonly transported by shoes, clothing and other materials. When excess moisture is present inside a dwelling, mold can grow. A 2004 Federal Centers for Disease Control and Prevention study found that there is currently no scientific evidence that the accumulation of mold causes any significant health risks for person with normally functioning immune systems. Nonetheless, appropriate precautions need to be taken.

- **4. PREVENTING MOLD BEGINS WITH YOU.** In order to minimize the potential for mold growth in your dwelling, you must do the following:
  - Keep your dwelling clean—particularly the kitchen, the bathroom(s), carpets and floors. Regular vacuuming, mopping and using a household cleaner to clean hard surfaces is important to remove the household dirt and debris that harbor mold or food for mold. Immediately throw away moldy food.
  - Remove visible moisture accumulation on windows, walls, ceilings, floors and other surfaces as soon as reasonably possible. Look for leaks in washing machine hoses and discharge lines—especially if the leak is large enough for water to infiltrate nearby walls. Turn on any exhaust fans in the bathroom and kitchen *before* you start showering or cooking with open pots. When showering, be sure to keep the shower curtain *inside* the tub or fully close the shower

doors. Also, the experts recommend that after taking a shower or bath, you: (1) wipe moisture off of shower walls, shower doors, the bathtub and the bathroom floor; (2) leave the bathroom door open until all moisture on the mirrors and bathroom walls and tile surfaces has dissipated; and (3) hang up your towels and bath mats so they will completely dry out.

- Promptly notify us in writing about any air conditioning or heating system problems you discover. Follow our rules, if any, regarding replacement of air filters. Also, it is recommended that you periodically open windows and doors on days when the outdoor weather is dry (i.e., humidity is below 50 percent) to help humid areas of your dwelling dry out.
- Promptly notify us in writing about any signs of water leaks, water infiltration or mold. We will respond in accordance with state law and the Lease Contract to repair or remedy the situation, as necessary.
- Keep the thermostat set to automatically circulate air in the event temperatures rise to or above 80 degrees Fahrenheit.
- **5.** IN ORDER TO AVOID MOLD GROWTH, it is important to prevent excessive moisture buildup in your dwelling. Failure to promptly pay attention to leaks and moisture that might accumulate on dwelling surfaces or that might get inside walls or ceilings can encourage mold growth. Prolonged moisture can result from a wide variety of sources, such as:
  - rainwater leaking from roofs, windows, doors and outside walls, as well as flood waters rising above floor level;
  - overflows from showers, bathtubs, toilets, lavatories, sinks, washing machines, dehumidifiers, refrigerator or A/C drip pans or clogged up A/C condensation lines;
  - leaks from plumbing lines or fixtures, and leaks into walls from bad or missing grouting/caulking around showers, tubs or sinks;
  - washing machine hose leaks, plant watering overflows, pet urine, cooking spills, beverage spills and steam from excessive open-pot cooking;
  - leaks from clothes dryer discharge vents (which can put lots of moisture into the air); and
  - insufficient drying of carpets, carpet pads, shower walls and bathroom floors.
- 6. IF SMALL AREAS OF MOLD HAVE ALREADY OCCURRED ON NON-POROUS SURFACES (such as ceramic tile, formica, vinyl flooring, metal, wood or plastic), the federal Environmental Protection Agency (EPA) recommends that you first clean the areas with soap (or detergent) and water, let the surface dry, and then within 24 hours apply a pre-mixed, spray-on-type household biocide, such as Lysol Disinfectant®, Pine-Sol Disinfectant® (original pine-scented), Tilex Mildew Remover® or Clorox Cleanup®. (Note: Only a few of the common household cleaners will actually kill mold). Tilex® and Clorox® contain bleach which can discolor or stain. Be sure to follow the instructions on the container. Applying biocides without first cleaning away the dirt and oils from the surface is like painting over old paint without first cleaning and preparing the surface.

Always clean and apply a biocide to an area 5 or 6 times larger than any visible mold because mold may be adjacent in quantities not yet visible to the naked eye. A vacuum cleaner with a high-efficiency particulate air (HEPA) filter can be used to help remove non-visible mold products from *porous* items, such as fibers in sofas, chairs, drapes and carpets provided the fibers are completely dry. Machine washing or dry cleaning will remove mold from clothes.

- 7. DO NOT CLEAN OR APPLY BIOCIDES TO: (1) visible mold on *porous surfaces*, such as sheetrock walls or ceilings, or (2) *large areas* of visible mold on *non-porous* surfaces. Instead, notify us in writing, and we will take appropriate action.
- 8. COMPLIANCE. Complying with this addendum will help prevent mold growth in your dwelling, and both you and we will be able to respond correctly if problems develop that could lead to mold growth. If you have questions regarding this addendum, please contact us at the management office or at the phone number shown in your Lease Contract.

If you fail to comply with this Addendum, you can be held responsible for property damage to the dwelling and any health problems that may result. We can't fix problems in your dwelling unless we know about them.

The United States Environmental Protection Agency (EPA) has determined that the mere presence of asbestos materials does not pose a health risk to residents and that such materials are safe so long as they are not dislodged or disturbed in a manner that causes the asbestos fibers to be released. Disturbances include sanding, scraping, pounding, or other techniques that produce dust and cause the asbestos particles to become airborne. The EPA does not require that intact asbestos materials be removed. Instead, the law simply requires that we take reasonable precautions to minimize the chance of damage or disturbance of those materials.

6. SHOWING UNIT TO PROSPECTIVE RESIDENTS. After you give us notice of buy-out, the Lease Contract gives us the right to begin showing your unit to prospective residents and telling them it will be available immediately after your new termination date.

- 7. COMPLIANCE ESSENTIAL. Our deposit of all amounts due under paragraphs 4(f) and 4(g) constitutes our approval of the new termination date stated in your notice of buy-out. If you fail to comply with any of the procedures or requirements in this agreement after we deposit such monies, your buy-out right and this agreement will be voided automatically; and (1) any amounts you have paid under this agreement will become part of your security deposit, and (2) the lease will continue without buy-out. Then, if you move out early, you are subject to all lease remedies, including reletting fees and liability for all rents for the remainder of the original lease term.
- 8. MISCELLANEOUS. If moving out by the new termination date becomes a problem for you, contact us. An extension may be possible if we have not already relet the dwelling unit to a successor resident. We and any successor residents who may be leasing your unit will be relying on your moving out on or before the new termination date. Therefore, you may not hold over beyond such date without our written consent—even if it means you have to make plans for temporary lodging elsewhere. You will continue to be liable for any damages and any sums accruing and unpaid prior to the new termination date.

9. SPECIAL PROVISIONS. Your right of buy-out (check one) is or is not limited to a particular fact situation. If limited, buy-out may be exercised only if the following facts (see below) occur and any described documents are furnished to us. Any special provisions below will supersede any conflicting provision of this printed agreement. Any false statements or documents presented to us regarding buy-out will automatically void your right to buy-out of the Lease Contract. The special provisions are:

Resident(s) will be liable to owner for a Reletting Charge of \$500 if Resident(s): a) fail to give written move out notice as required by this Agreement b) move out without paying rent in full for the entire lease term or renewal period c) move out at Owner's demand because of Resident(s) default; or d) are judicially evicted. The Reletting Charge is not a cancellation fee and does not release Resident(s) from obligations under this Agreement.

# 4. DAMAGED, LOST OR UNRETURNED REMOTE CONTROLS, CARDS OR CODE CHANGES.

- **5. REPORT DAMAGE OR MALFUNCTIONS.** Please immediately report to the office any malfunction or damage to gates, fencing, locks or related equipment.
- 6. FOLLOW WRITTEN INSTRUCTIONS. We ask that you and all other occupants read the written instructions that have been furnished to you regarding the access gates. This is important because if the gates are damaged by you or other occupants, guests or invitees through negligence or misuse, you are liable for the damages under your lease, and collection of damage amounts will be pursued.
- 7. PERSONAL INJURY AND/OR PERSONAL PROPERTY DAMAGE. Except as specifically required by law, we have no duty to maintain the gates and cannot guaranty against gate malfunctions. We make no representations or guarantees to you concerning security of the community. Any measures, devices, or activities taken by us are solely for the benefit of us and for the protection of our property and interests, and any benefit to you of the same is purely incidental. Anything mechanical or electronic is subject to malfunction. Fencing, gates or other devices will not prevent all crime. No security system or device is foolproof or 100 percent successful in deterring crime. Crime can still occur. Protecting residents, their families, occupants, guests and invitees from crime is the sole responsibility of residents, occupants and law enforcement agencies. You should first call 911 or other appropriate emergency police numbers if a crime occurs or is suspected. We are not liable to any resident, family member, guest, occupant or invitee for personal injury, death or damage/loss of personal property from incidents related to perimeter fencing, automobile access gates and/or pedestrian access gates, unless such injury, death, damage or loss was a direct result of negligence or intentional acts by us or our employees. We reserve the right to modify or eliminate security systems other than those statutorily required. You will be held responsible for the actions of any persons to whom you provide access to the community.

3. The Ballot Question 9, Medical Use of Marijuana (2000) and Nev. Rev. Stat. 453A permits the limited use of marijuana in specific and limited circumstances. However, this is not the case under federal law. Under federal law, specifically the Controlled Substances Act (CSA), marijuana is still categorized as a Schedule I substance. This means that under federal law, the manufacture, distribution, or possession of marijuana is strictly prohibited. Because the U.S. Department of Housing and Urban Development is controlled by the federal government, it agrees that the use of marijuana, whether prescribed for medical reasons or not, is a criminal offense and will not be protected under the fair housing laws. Therefore, apartment complexes are not required to accommodate the use of marijuana by a tenant who is a current medical marijuana user. Disabled tenants who are registered medical marijuana users, however, should not feel discouraged to request reasonable accommodations if the need arises.

- 4. Violation of any federal drug laws governing the use, possession, sale, manufacturing and distribution of marijuana, regardless of state or local laws. (So long as the use, possession, sale, manufacturing and distribution of marijuana remains a violation of federal law, violation of any such federal law shall constitute a material violation of this rental agreement.)
- 5. Engaging in, or allowing, any behavior that is associated with drug activity, including but not limited to having excessive vehicle or foot traffic associated with his or her unit.
- 6. Any breach of the Lease Contract that otherwise jeopardizes the health, safety, and welfare of the Owner, Owner's agents, or other Residents, or involving imminent, actual or substantial property damage.
- 7. Engaging in or committing any act that would be a violation of the Owner's screening criteria for criminal conduct or which would have provided Owner with a basis for denying Resident's application due to criminal conduct.
- 8. Engaging in any activity that constitutes waste, nuisance, or unlawful use.
- B. AGREE THAT ANY VIOLATION OF THE ABOVE PROVISIONS CONSTITUTES A MATERIAL VIOLATION OF THE PARTIES' LEASE CONTRACT AND GOOD CAUSE FOR TERMINATION OF TENANCY. A single violation of any of the provisions of this Addendum shall be deemed a serious violation, and a material default, of the parties' Lease Contract. It is understood that a single violation shall be good cause for termination of the Lease Contract. - **5. CRIMINAL CONVICTION NOT REQUIRED.** Unless otherwise provided by law, proof of violation of any criminal law shall not require a criminal conviction.

# REASONABLE MODIFICATIONS AND ACCOMMODATIONS POLICY

- **3. EQUAL HOUSING OPPORTUNITY POLICY.** We provide rental housing on an equal opportunity basis. Consistent with this policy, we welcome persons with disabilities to our community and will not discriminate against any person because of his or her disability, or his or her association with anyone with a disability. In addition, we know that it may sometimes be necessary for persons with disabilities to be able to make modifications to their surroundings or to have accommodations made in our practices or procedures to enable them to fully enjoy and use their housing, and we have created the policy described herein to meet that need.
- 4. PURPOSE OF POLICY. A resident or applicant may be entitled under state and federal fair housing laws to a reasonable accommodation and/or reasonable modification when needed because of a disability of the resident, the applicant, and/or a person associated with a resident or applicant, such as a member of the household or frequent guest. The reasonable accommodation and/or reasonable modification must be necessary for the individual with the disability to have an equal opportunity to fully use and/or enjoy housing services offered to other residents and/or the individual dwelling unit. We will grant requests for accommodations or modifications that are reasonable and necessary because of a disability, would not impose an undue financial or administrative burden on our operations, and do not fundamentally alter the nature of services or resources we provide as part of our housing program.

# **5. DEFINITIONS.**

- **A. Disability.** The Federal Fair Housing Act defines a person with a disability to include: (1) individuals with a physical or mental impairment that substantially limits one or more major life activities; (2) individuals who are regarded as having such an impairment; or (3) individuals with a record of such an impairment.
- **B. Reasonable Modifications.** A reasonable modification is a structural change made to existing premises, occupied or to be occupied, by a person with a disability, in order to afford such person full enjoyment of the premises. These are typically structural changes to interiors and exteriors of dwellings and to common and public use areas, which are necessary to accommodate a person with a disability. Depending on the nature of the request, reasonable modifications are typically granted at the expense of the person requesting them.

**C. Reasonable Accommodation.** A reasonable accommodation is a change, exception, or adjustment to a rule, policy, practice, or service that may be necessary for a person with a disability to have an equal opportunity to use and enjoy a dwelling, including public and common areas.

# 6. REQUESTS FOR REASONABLE MODIFICATIONS.

- **A. Generally.** If you are a resident or an applicant (i) with a disability, or (ii) with someone associated with you who has a disability, you have the right to request a reasonable modification to your dwelling or the common areas, in accordance with fair housing laws, if such modifications may be necessary to allow you to have an equal opportunity to fully use and/or enjoy your dwelling.
- **B. Reasonable Modification Expenses.** Expenses for reasonable modifications, and restoration expenses, if applicable, of such modifications, shall be allocated in accordance with state and federal fair housing laws.
- C. Permission Required, Evaluation of Disability. If you would like to request a reasonable modification to your dwelling or the common areas of the community that is necessary because of a disability, you must first obtain permission from us. We prefer that you use the attached "Reasonable Accommodation and/or Modification to Rental Unit" form, but you are not required to use this form. If you would like or need assistance in completing this form, please let us know, and we will be glad to provide assistance. Whether you use our form or your own form of request, we will need to know what specific modification is being sought. In addition, if the disability or the disability-related need for the modification is not obvious, we may ask for information that is reasonably necessary to evaluate the disability-related need for the modification; however, we will only request information necessary to evaluate your request, and all information will be kept confidential.
- D. Reasonable Assurances. Depending on the modification requested, we may require you to provide reasonable assurances that the modification will be done in a workmanlike manner and that any required building permits will be obtained. In some cases, any third-party retained to perform the modification may also have to be approved in writing by us, and be properly licensed and insured. During and upon completion of the modification, we may inspect the work in connection with our overall property management responsibilities. We will not increase your security deposit as a result of a modification request. However, when applicable, if you fail to restore the interior of the dwelling to its original condition, excluding normal wear and tear, at the end of the tenancy, we may assess the cost of restoration against your security deposit and/or final account upon move-out.
- E. Restoration Reimbursement. At the end of your tenancy, you may be responsible to restore the interior of your dwelling to its pre-modification condition at your expense, depending on the nature of the modification. Again, depending on the modification, we may request that you deposit sufficient funds for that restoration in an interest bearing escrow account to ensure any required restoration can be completed. Regardless of modification, you will remain responsible to pay for damage to your dwelling in excess of ordinary wear and tear.
- **F.** Alternative Modification. Depending on the circumstances, we may not be able to grant the exact modification you have requested and we may ask to discuss other alternatives with you.

# 7. REQUESTS FOR REASONABLE ACCOMMODATIONS.

- **A. Generally.** We will make reasonable accommodations in our rules, policies, practices, and/or services, to the extent that such accommodations may be reasonably necessary to give you, as a disabled person, an equal opportunity to fully use and enjoy your dwelling, and the public and common areas of the premises, and as otherwise required by law.
- B. Request for Accommodation, Evaluation of Disability. # Notice of Occupancy Rights under the Violence Against Women Act<sup>2</sup>

# **To all Tenants and Applicants**

The Violence Against Women Act (VAWA) provides protections for victims of domestic violence, dating violence, sexual assault, or stalking. VAWA protections are not only available to women, but are available equally to all individuals regardless of sex, gender identity, or sexual orientation<sup>3</sup>. The U.S. Department of Housing and Urban Development (HUD) is the Federal agency that oversees that

is in compliance with VAWA. This notice explains your rights under VAWA. A HUD-approved certification form is attached to this notice. You can fill out this form to show that you are or have been a victim of domestic violence, dating violence, sexual assault, or stalking, and that you wish to use your rights under VAWA."

# **Protection for Applicants**

If you otherwise qualify for assistance under \_\_\_\_\_

\_\_\_\_\_, you cannot be denied admission or denied assistance

because you are or have been a victim of domestic violence, dating violence, sexual assault, or stalking.

### **Protections for Tenants**

If you are receiving assistance under \_\_\_\_\_

\_\_\_\_\_, you may not be denied assistance, terminated from participation,

or be evicted from your rental housing because you are or have been a victim of domestic violence, dating violence, sexual assault, or stalking.

<sup>&</sup>lt;sup>1</sup> The notice uses HP for housing provider but the housing provider should insert its name where HP is used. HUD's program-specific regulations identify the individual or entity responsible for providing the notice of occupancy rights.

<sup>&</sup>lt;sup>2</sup>Despite the name of this law, VAWA protection is available regardless of sex, gender identity, or sexual orientation.

<sup>&</sup>lt;sup>3</sup> Housing providers cannot discriminate on the basis of any protected characteristic, including race, color, national origin, religion, sex, familial status, disability, or age. HUD-assisted and HUD-insured housing must be made available to all otherwise eligible individuals regardless of actual or perceived sexual orientation, gender identity, or marital status.

Also, if you or an affiliated individual of yours is or has been the victim of domestic violence, dating violence, sexual assault, or stalking by a member of your household or any guest, you may not be denied rental assistance or occupancy rights under \_\_\_\_\_\_

\_\_\_\_\_\_\_\_\_ solely on the basis of criminal activity directly relating to that domestic violence, dating violence, sexual assault, or stalking.

Affiliated individual means your spouse, parent, brother, sister, or child, or a person to whom you stand in the place of a parent or guardian (for example, the affiliated individual is in your care, custody, or control); or any individual, tenant, or lawful occupant living in your household.

# Removing the Abuser or Perpetrator from the Household

HP may divide (bifurcate) your lease in order to evict the individual or terminate the assistance of the individual who has engaged in criminal activity (the abuser or perpetrator) directly relating to domestic violence, dating violence, sexual assault, or stalking.

If HP chooses to remove the abuser or perpetrator, HP may not take away the rights of eligible tenants to the unit or otherwise punish the remaining tenants. If the evicted abuser or perpetrator was the sole tenant to have established eligibility for assistance under the program, HP must allow the tenant who is or has been a victim and other household members to remain in the unit for a period of time, in order to establish eligibility under the program or under another HUD housing program covered by VAWA, or, find alternative housing.

In removing the abuser or perpetrator from the household, HP must follow Federal, State, and local eviction procedures. In order to divide a lease, HP may, but is not required to, ask you for documentation or certification of the incidences of domestic violence, dating violence, sexual assault, or stalking.

# **Moving to Another Unit**

Upon your request, HP may permit you to move to another unit, subject to the availability of other units, and still keep your assistance. In order to approve a request, HP may ask you to provide documentation that you are requesting to move because of an incidence of domestic violence, dating violence, sexual assault, or stalking. If the request is a request for emergency transfer, the housing provider may ask you to submit a written request or fill out a form where you certify that you meet the criteria for an emergency transfer under VAWA. The criteria are:

- (1) You are a victim of domestic violence, dating violence, sexual assault, or stalking. If your housing provider does not already have documentation that you are a victim of domestic violence, dating violence, sexual assault, or stalking, your housing provider may ask you for such documentation, as described in the documentation section below.
- **(2)** You expressly request the emergency transfer. Your housing provider may choose to require that you submit a form, or may accept another written or oral request.
- (3) You reasonably believe you are threatened with imminent harm from further violence if you remain in your current unit. This means you have a reason to fear that if you do not receive a transfer you would suffer violence in the very near future.

# OR

You are a victim of sexual assault and the assault occurred on the premises during the 90-calendar-day period before you request a transfer. If you are a victim of sexual assault, then in addition to qualifying for an emergency transfer because you reasonably believe you are threatened with imminent harm from further violence if you remain in your unit, you may qualify for an emergency transfer if the sexual assault occurred on the premises of the property from which you are seeking your transfer, and that assault happened within the 90-calendar-day period before you expressly request the transfer.

HP will keep confidential requests for emergency transfers by victims of domestic violence, dating violence, sexual assault, or stalking, and the location of any move by such victims and their families. HP's emergency transfer plan provides further information on emergency transfers, and HP must make a copy of its emergency transfer plan available to you if you ask to see it.

# Documenting You Are or Have Been a Victim of Domestic Violence, Dating Violence, Sexual Assault or Stalking

HP can, but is not required to, ask you to provide documentation to "certify" that you are or have been a victim of domestic violence, dating violence, sexual assault, or stalking. Such request from HP must be in writing, and HP must give you at least 14 business days (Saturdays, Sundays, and Federal holidays do not count) from the day you receive the request to provide the documentation. HP may, but does not have to, extend the deadline for the submission of documentation upon your request. You can provide one of the following to HP as documentation. It is your choice which of the following to submit if HP asks you to provide documentation that you are or have been a victim of domestic violence, dating violence, sexual assault, or stalking.

- A complete HUD-approved certification form given to you by HP with this notice, that documents an incident of domestic violence, dating violence, sexual assault, or stalking. The form will ask for your name, the date, time, and location of the incident of domestic violence, dating violence, sexual assault, or stalking, and a description of the incident. The certification form provides for including the name of the abuser or perpetrator if the name of the abuser or perpetrator is known and is safe to provide.
- A record of a Federal, State, tribal, territorial, or local law enforcement agency, court, or administrative agency that documents the incident of domestic violence, dating violence, sexual assault, or stalking. Examples of such records include police reports, protective orders, and restraining orders, among others.
- A statement, which you must sign, along with the signature of an employee, agent, or volunteer
  of a victim service provider, an attorney, a medical professional or a mental health professional
  (collectively, "professional") from whom you sought assistance in addressing domestic violence,
  dating violence, sexual assault, or stalking, or the effects of abuse, and with the professional
  selected by you attesting under penalty of perjury that he or she believes that the incident or
  incidents of domestic violence, dating violence, sexual assault, or stalking are grounds for
  protection.
- Any other statement or evidence that HP has agreed to accept.

If you fail or refuse to provide one of these documents within the 14 business days, HP does not have to provide you with the protections contained in this notice.

If HP receives conflicting evidence that an incident of domestic violence, dating violence, sexual assault, or stalking has been committed (such as certification forms from two or more members of a household each claiming to be a victim and naming one or more of the other petitioning household members as the abuser or perpetrator), HP has the right to request that you provide third-party documentation within thirty 30 calendar days in order to resolve the conflict. If you fail or refuse to provide third-party documentation where there is conflicting evidence, HP does not have to provide you with the protections contained in this notice.

### Confidentiality

HP must keep confidential any information you provide related to the exercise of your rights under VAWA, including the fact that you are exercising your rights under VAWA.

HP must not allow any individual administering assistance or other services on behalf of HP (for example, employees and contractors) to have access to confidential information unless for reasons that specifically call for these individuals to have access to this information under applicable Federal, State, or local law.

HP must not enter your information into any shared database or disclose your information to any other entity or individual. HP, however, may disclose the information provided if:

- You give written permission to HP to release the information on a time limited basis.
- HP needs to use the information in an eviction or termination proceeding, such as to evict your abuser or perpetrator or terminate your abuser or perpetrator from assistance under this program.
- A law requires HP or your landlord to release the information.

VAWA does not limit HP's duty to honor court orders about access to or control of the property. This includes orders issued to protect a victim and orders dividing property among household members in cases where a family breaks up.

# Reasons a Tenant Eligible for Occupancy Rights under VAWA May Be Evicted or Assistance May Be Terminated

You can be evicted and your assistance can be terminated for serious or repeated lease violations that are not related to domestic violence, dating violence, sexual assault, or stalking committed against you. However, HP cannot hold tenants who have been victims of domestic violence, dating violence, sexual assault, or stalking to a more demanding set of rules than it applies to tenants who have not been victims of domestic violence, dating violence, sexual assault, or stalking.

The protections described in this notice might not apply, and you could be evicted and your assistance terminated, if HP can demonstrate that not evicting you or terminating your assistance would present a real physical danger that:

- 1) Would occur within an immediate time frame, and
- Could result in death or serious bodily harm to other tenants or those who work on the property.

5

If HP can demonstrate the above, HP should only terminate your assistance or evict you if there are no other actions that could be taken to reduce or eliminate the threat.

# **Other Laws**

VAWA does not replace any Federal, State, or local law that provides greater protection for victims of domestic violence, dating violence, sexual assault, or stalking. You may be entitled to additional housing protections for victims of domestic violence, dating violence, sexual assault, or stalking under other Federal laws, as well as under State and local laws.

# Non-Compliance with The Requirements of This Notice

You may report a covered housing provider's violations of these rights and seek additional assistance, if needed, by contacting or filing a complaint with (contact information for any intermediary, if applicable)

or (HUD field office)

### **For Additional Information**

You may view a copy of HUD's final VAWA rule at \_\_\_\_\_\_

Additionally, HP must make a copy of HUD's VAWA regulations available to you if you ask to see them.

This Addendum constitutes an Addendum to the above described Lease Contract for the above described premises and is hereby incorporated into and made a part of such Lease Contract. Where the terms or conditions found in this Addendum vary or contradict any terms or conditions found in the Lease Contract, this Addendum shall control.

- **3. PURPOSE OF ADDENDUM.** By signing this Addendum, Resident acknowledges that existing, on-going, or future construction on the property may affect your use, view, and enjoyment of such property.
- 4. RESIDENT ACKNOWLEDGMENT OF CONSTRUCTION ON PROPERTY. Resident acknowledges that the property, including its common areas and apartments, may currently or in the future, be under repair, renovation, improvement, or construction. Owner does not guarantee that the repair, renovation, improvement, or construction will be completed on a set date or time and therefore, is not under any obligation to have said repair, renovation, improvement, or construction completed by a set date or time. Resident also acknowledges that the repair, renovation, improvement, or construction does not represent a breach of Owner's obligations under the Lease Contract.
- **5. USE OF AMENITIES AND SERVICES.** Repair, renovation, improvement, or construction at the property may create conditions where Resident's use of the property's amenities and services may be limited or not available.
- 6. NOISE AND OTHER DISTURBANCES. Repair, renovation, improvement, or construction at or near the property may create noise or other disturbances, and the property itself, or portions thereof, may be unfinished for some time with respect to landscaping, building exteriors, interiors, amenities, walkways, lighting and the like. **7. RELEASE OF LIABILITY.** To the extent allowed by state law or local ordinance, by signing this Addendum, Resident agrees to waive all claims related to Resident's inability to access, use, and enjoy the amenities, services, and facilities affected by existing, on-going, or future repair, renovation, improvement, or construction on the property.

Title/Description:

Anticipated Start Date:	
Anticipated End Date:	

To the extent allowed by state law or local ordinance, Resident further agrees that any inconvenience associated with the repair, renovation, improvement, or construction, such as, but not limited to, those disclosed herein, will not be deemed to give Resident any offset to rent obligations, or other compensation, nor will they be the basis for a complaint(s) or defense(s) against Owner for rent relief, constructive eviction, fitness and habitability, peaceful and quiet enjoyment, nuisance, or any other claim, right or remedy.

8. DELAY OF OCCUPANCY. Resident acknowledges that occupancy of the apartment may be delayed due to repair, renovation, improvement, or construction of the property, including common areas and apartments. Such repair, renovation, improvement, or construction may cause unforeseen delays due to scheduling conflicts, delay in permit issuance, acts of God, and other things beyond the control of Owner. The Lease Contract will remain in effect subject to: (1) the start date of the term of the lease contract shall be changed to the first day that Owner provides Resident the apartment for occupancy, and rent shall be abated until occupancy is provided; and (2) your right to terminate as set forth in your Lease Contract under DELAY OF OCCUPANCY, and in accordance with applicable state law or local ordinance.

Resident hereby knowingly and voluntarily accepts the risks of delays and the apartment not being ready for occupancy on the date set forth in the Lease Contract. Resident agrees that Owner's failure to have the apartment ready on the set date in the Lease Contract due to a repair, renovation, improvement, or construction delay does not constitute a willful failure to deliver possession of the apartment. Resident hereby waives and relinquishes any rights, claims, or causes of action against Owner related to delays in delivering the apartment, including, but not limited to, any holdover rent, or other penalties imposed at Resident's current place of residence, provided however, that Owner agrees that rent will not commence under the Lease Contract until possession is delivered to Resident.

- **9. DISPLACEMENT.** In the event Resident must be displaced from the apartment that is the subject of the Lease Contract due to repair, renovation, improvement, or construction in or around the apartment, Owner, at Owner's sole option, shall transfer Resident to another apartment within the apartment community that is not affected by the repair, renovation, improvement, or construction or shall provide appropriate comparable accommodations for Resident. However, in the event of Resident's displacement and subsequent re-location, the terms of the Lease Contract, including but not limited to the payment of rent shall remain in full force and effect.
- **10. SEVERABILITY.** If any provision of this Lease Contract is invalid or unenforceable under applicable law, such provision shall be ineffective to the extent of such invalidity or unenforceability only without invalidating or otherwise affecting the remainder of this Lease Contract. The court shall interpret the lease contract and provisions herein in a manner such as to uphold the valid portions of this Lease Contract while preserving the intent of the parties.

DWELLING UNIT	DESCRIPTION.					
Unit No.	1074	,7100 Gran	d Montecito Pkwy			
(street address) in	Las	Vegas	<i>(city)</i> , Nevada,	89149	(zip code).	

Dear Resident(s):

We understand COVID-19, the coronavirus, has directly affected many of our residents. Some residents have experienced a loss of wages, incurred new medical expenses or been laid off from their place of employment as a result of the COVID-19 pandemic.

For those who have been directly affected by this virus, we are willing to enter into an agreement with you to provide temporary flexibility for paying rent and other sums that come due: during the month of the Lease Contract term during which this Agreement is executed; during the month of the Lease Contract term following the month in which this Agreement is executed; or for the following period of time \_\_\_\_\_\_.

In order to qualify for the terms of this Agreement, you must provide written documentation of your loss of job, income, or other monetary hardship to us. This may be done via any method normally permitted under the Lease Contract. The determination of the sufficiency of such documentation to qualify for this Agreement is solely within our discretion.

For good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, we (as Owner) and you (as Resident) agree to a temporary payment plan for rent and other sums due as further described below. You agree to make payments as follows:

<b>Payment Item</b> (rent or other nonrent item)	Current Due Date	<b>Current</b> <b>Amount Due</b> (full or partial amount due)	Date to be Paid	Amount To Be Paid	<b>Balance Due</b> (if applicable)
				·	

You understand and agree that your failure to comply with this Agreement is a material breach by you of the Lease Contract and a default under the Default by Resident paragraph of the Lease Contract for which we may sue you for eviction and entitles us to pursue any and all other legal remedies.

We will not pursue eviction for nonpayment of rent if the terms of this Agreement are met. If you do not timely comply with payment provisions set forth herein, we may in our sole discretion pursue eviction for nonpayment of rent and any other remedy under the Lease Contract and state and/or local laws. To the fullest extent authorized by applicable state and local law, we do not waive any right to commence eviction proceedings against you for any breach of this Payment Plan Agreement or any other breach of the Lease Contract or state or local law.

Our choice to enforce, not enforce or delay enforcement of the due date or amount of any payment due under this Agreement or the Lease Contract isn't a waiver under any circumstances.

Nothing contained in this Agreement waives, limits, prejudices or adversely affects any of our rights, remedies or powers under the Lease, by statute, at law or in equity, all of which rights, remedies and powers are expressly reserved, and all other terms and conditions of the Lease Contract not in conflict with this Agreement shall remain in full force and effect.

Any and all terms and conditions of the Lease Contract that are not specifically amended herein remain in full force and effect.

### Good Morning

I have had an opportunity to speak with my clients with reference to visitation. They are interested in what is best for the girls. The whole point of my clients' initial guardianship filing was to get the girls in a better situation where they were going to school and getting medical care. My clients decline the offer that you have proposed for visitation and have asked me to tell you that the girls deserve better. They deserve someone who is interested in them all the time and not just when it is convenient or when someone has the time to fit them in. Mr. Green and Ms. Coaxum understand that the Court may order visitation, but for right now, they would prefer that Erin go through the Court to request visitation.

As a side note, my clients' have both checked their phones and they do not have any messages from Erin or missed calls. It is my understanding, however, that yesterday or today Kelly Newport reached out via text to Mr. Green inquiring on the girls and that Mr. Green has texted him back.

Please call me if you want to discuss this further.

I'm not saying it's your client's responsibility to ensure contact. I was giving them the opportunity to provide a schedule that's convenient to them and the children, and also so we don't have to go back forth multiple times.

My client proposes daily phone calls and weekend visitation F-Su until the guardianship is terminated.

First, Erin has made NO attempt to reach out to either Montrail or Jermia, regardless of what she may have told you. Nothing. Please don't misunderstand my email about voice messages. I was only pointing out that if she had reached out via phone, and the phone call wasn't answered, she should have left a voice message asking for a return call. My clients are not "ignoring" her calls.

Next, my clients will not be making any proposals for visitation or calls. It is not their responsibility to ensure contact. If Erin has a proposal, I am happy to forward it to my clients on Monday.

Ok are they receiving her calls and ignoring them? It doesn't mean if she didn't leave a message that she made no calls. Let's set up a schedule as to when she could speak to the children? What do the guardians propose?

I spoke with Jermia this morning. Erin has left no voice messages for either guardian.
