No. Of course, if you decide you need an extension, I will grant you one. Otherwise, your Opposing Brief will be due 30 days after I filed my Opening brief.

Thank you. Should the stipulation also include due dates for the Respondent's Opposing Brief and the Appellant's Reply Brief? I'm thinking that would be a good idea. Also, I'm thinking the stipulation should include an order approving the new briefing schedule.

Good morning,
I have no issue with the extension as long as it is approved by the court.
Will you also be requesting another extension of the mtd hearing on 7/8/21? Please let me know.

Good afternoon Susanne,

Petitioner's Opening Brief and Appendix is due on Monday, July 5, 2021. Adam is crazy busy with Arbitrations and briefs on extension to the Supreme Court and elsewhere coming due at or about the time that the Brief would otherwise be due, and he is asking that you please stipulate to a 30 day extension up to and including Wednesday, August 4, 2021.

Thank you,
