ORDER GRANTING MOTION

American Board of Professional Neuropsychology (ABN) has filed a motion for leave to file an amicus curiae brief in support of petitioners. ABN offers its practical and professional expertise in conducting the neuropsychological examinations and considering the issues that are raised in this petition. Having reviewed the motion and proposed brief, this court concludes its review will be aided by the proposed brief. *Ryan v. Commodity Futures Trading Commission*, 125 F.3d 1062, 1063 (7th Cir. 1997) (an amicus brief should be allowed when the amicus has a broad public interest that may be affected by the decision or when the amicus has unique information or perspective that can help the court beyond the help that the lawyers for the parties are able to provide). The motion is granted. NRAP 29. The clerk of this court shall detach the proposed brief from the motion and shall file it separately.

It is so ORDERED.
