*ORDER DIRECTING ENTRY AND TRANSMISSION  
OF WRITTEN ORDER*

This is an appeal from a district court order granting respondent's pretrial motion to suppress evidence. Appellant filed the notices of appeal on March 18, 2021. See NRS 177.015(2). Based on this court's review of the district court minute entries, it appears that the district court orally granted the motion on March 16, 2021. It further appears, however, that a written order granting the motion has not been entered in this matter.

The district court shall have 21 days from the date of this order to (1) enter a written order, (2) inform this court in writing that it is reconsidering its decision, or (3) inform this court in writing that additional time is needed to enter the written order. In the event the district court enters a written order (or has already entered a written order of which this court is unaware), the clerk of this court shall immediately transmit a certified copy of the order to the clerk of this court.

It is so ORDERED.
