**DECLARATION IN SUPPORT OF EX PARTE MOTION FOR AN ORDER  
SHORTENING TIME**

I declare, under penalty of perjury:

1. I am the Movant in this case. I have personal knowledge of the facts contained herein and am competent to testify to these facts.
2. There is a hearing scheduled for (*current court date*) June 3, 2021 at  
(*time of hearing*) 8:30AM.
3. (☒ *check one*)
  - ☒ The other party was already served with a copy of the underlying motion on which the hearing is based. The motion was served (☒ *check one*) ☐ by mail / ☐ by personal service on (*date of service*) by email on April 5, 2021.
  - ☐ The other party HAS NOT been served with a copy of the motion yet. I **understand emergency hearings are not normally granted until the other party is served with the motion.** The judge should consider my request without waiting for the other party to be served because (*explain why you need the judge to consider your request before the other party is served*)
4. There is an emergency that cannot wait until the regular court date to be heard. The emergency is: (*explain why you need the judge to hear your case quickly*)  
SUPREME COURT OF NEVADA has ordered Fast Track Brief delivered to them by June 6, 2021. EXHIBIT "1" in order for me to meet the demand of FTB using transcripts and utilizing them for the purpose of the fast track brief. I need to move the date of hearing or have an ex parte chamber decision from Judge Sunny Bailey. The defendant has not opposed the motion. Judge Hardcastle knew this fact of the necessity to have the transcripts in order to point out base facts, findings and arguments in Plaintiff's favor within the FTB. Yet, image he choose to make it hard for the Plaintiff to secure the transcripts by denying me the forma pauperius and the ability to move forward with the appeal from his order. This is unconstitutionally denying me my right to litigate. Judge Hardcastle is harassing me by breaching of my constitutional rights to litigate. Harassment from lower courts to me Plaintiff needs to stop, from removing me from the court room, lying to the point of slander in the courtroom hearings and I am not the only litigant complaining about the mal-treatment from the District Court Judges to the constituents, who vote them onto the bench. Thank you.
5. This Ex Parte Motion for an Order Shortening Time is made in good faith.
6. I declare under penalty of perjury under the law of the State of Nevada that the foregoing is true and correct.
