**MOTION TO ENTER VIDEO TRANSCRIPT EVIDENCE IN LIEU OF PAPER  
TRANSCRIPTS**

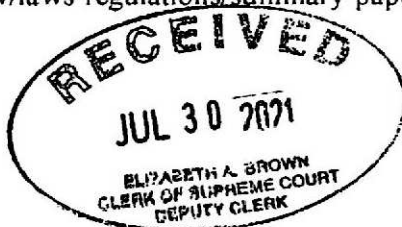

State of Nevada }  
County of CLARK } ss.

COMES NOW, MARY-ANNE COLT and files this motion requesting to be approved to file video transcripts as evidence, in this appeal. Since, my motion to proceed in Forma Pauperis to acquire paper transcripts was denied twice, by district court judges, Gerald Hardcastle and Sunny Bailey. I cannot pay \$3,500 for each copy of paper transcripts. I have no other legal recourse or "Due Process of Law" but, to ask the Supreme Court of Nevada, to allow me to submit for evidence on appeal, all Video Transcripts of the hearings. Dated as follows: 12/13/2017, 3/21/2018, 6/11/2018, 7/25/2018, 8/28/2018, 10/8/2018, 12/13/2018, 7/10/2019, 3/21/2018, 2/19/2019, 7/10/2019, 7/11/2019, 1/28/2020, 2/14/2020, 2.27/2020, 8/5/2020, 9/8/2020, 11/23/2020, 1/28/2021 and 1/29/2021. It is only \$10 each and demonstrates a more accurate representation of the many court proceedings spanning almost 4 years.

So, Plaintiffs may have their due process of law. By, submitting video transcript evidence in the appeal, to proceed is a just and fair way in this appeal. It upholds Constitutional rights to litigation that is fair to both litigants by including evidence. As it is necessary to have transcripts, as evidence for the proceedings, for justice to be served in this appeal or any appeal. I wish to enter video transcripts in lieu of written transcripts as evidence. As per the paperless act of 2004, The following are excerpts regarding paperless act:

**"THE GOVERNMENT ELIMINATION PAPERWORK ACT":**

"The **Paperwork Reduction Act (PRA)** was enacted to minimize the paperwork burden for individuals; small businesses; educational and nonprofit institutions; Federal contractors; State, local and tribal governments; and other persons resulting from the collection of information by or for the federal government.,. **"Implementation of the Government Paperwork Elimination Act"**

"The Office of Management and Budget (OMB) provides procedures and guidance to implement the Government Paperwork Elimination Act (GPEA). GPEA requires Federal agencies, by October 21, 2003, to allow individuals or entities that deal with the agencies the option to submit inform transact with the agency electronically, when practicable, and to maintain records electronically, when practicable. The Act specifically states that electronic records and their related electronic signatures are not to be denied legal effect, validity, or enforceability merely because they are in electronic form.

**What is the purpose of GPEA?**

GPEA seeks to "preclude agencies or courts from systematically treating electronic documents and signatures less favorably than their paper counterparts", so that citizens can interact with the Federal government electronically (S. Rep. 105-335). It requires Federal agencies, by October 21, 2003, to provide individuals or entities that deal with agencies the option to submit information or transact with the agency electronically, and to maintain records electronically, when practicable. It also addresses the matter of private employers being able to use electronic means to store, and file with Federal agencies, information pertaining to their employees. GPEA states that electronic records and their related electronic signatures are not to be denied legal effect, validity, or enforceability merely because they are in electronic form." My First, 6 and 14<sup>th</sup> Amendment Constitutional right allow my "Due Process of Law" Which, can only happen if I am allowed to proceed with Video Transcript. Thank you.

I understand and declare this to be true and correct.
