IN THE SUPREME COURT OF THE STATE OF NEVADA

STEVEN KINFORD,

Appellant,

vs. SOCIAL SECURITY ADMINISTRATION,

Respondent.

ORDER REGARDING DOCUMENT AND PRO BONO COUNSEL

This is a pro se appeal from an order denying appellant's petition for access to a rehabilitation and education program.¹ On April 12, 2021, appellant filed the docketing statement. Attached to the docketing statement is appellant's informal opening brief. The clerk of this court shall detach the brief from the docketing statement and shall file it separately. Respondent need not file a response to the brief unless directed to do so by this court. NRAP 46A(c).

Having considered the documents transmitted by the district court, the district court record, and appellant's informal opening brief, this court has determined that the appointment of pro bono counsel to represent appellant would assist this court in reviewing this appeal. By this order, the court expresses no opinion as to the merits of this appeal.

Pro bono counsel is an attorney who provides legal services without charge for the benefit of the public good. The appointment of pro bono counsel provides attorneys with an opportunity to volunteer legal

services in furtherance of their professional responsibility and, at the same time, allows financially eligible litigants access to quality legal representation without cost. Counsel will be appointed for purposes of this appeal only and will participate in oral argument. Currently, the Pro Bono Committee of the Appellate Litigation Section of the State Bar of Nevada (Pro Bono Committee), in conjunction with the Legal Aid Center of Southern Nevada, has developed a pro bono appellate program to assist the public and this court. This case is hereby referred to the program established by the Pro Bono Committee to evaluate whether appellant can benefit from the program.

Accordingly, the clerk of this court shall transmit a copy of this order, the attached district court order, and the attached case summary to the Legal Aid Center of Southern Nevada for financial eligibility screening. If appellant qualifies and does not object to pro bono counsel, the Legal Aid Center in cooperation with the Pro Bono Committee shall locate a volunteer attorney from the program to represent appellant. Once an attorney is located, the attorney shall file a notice of appearance in this court within 60 days from the date of this order. Briefing and oral argument will be scheduled thereafter. Alternatively, if appellant is not financially eligible or objects to pro bono representation, or if a volunteer attorney cannot be located, the Legal Aid Center of Southern Nevada shall notify this court in writing within 60 days from the date of this order. In such case, oral argument will not be held. The briefing schedule in this appeal shall be suspended pending further order of this court.

It is so ORDERED.

Docket No. 82665 Kinford v. Soc. Sec. Admin.

Appellant is an inmate in the Nevada Department of Corrections in Lovelock. He filed a petition for approval of a college education program to enable him to qualify for federal social security benefits. The district court denied the petition on the ground that appellant was not classified as an eligible inmate, that he failed to identify the institution he proposed to enroll in, and he failed to identify why the educational program would result in his obtaining gainful employment upon his release. Appellant filed a motion for reconsideration providing the additional information, and the district court denied the motion on the ground that appellant failed to demonstrate why the information could not have been provided in the original petition.

1	B. AR 516 – Level System
2	1. AR 516 governs the classification level of inmates.
3	2. While AR 516 sets forth the ability for each medium and maximum security system
4	to crate up to three different classification levels, §519.01(6), it also explicitly
5	informs inmates that nothing in AR 516 "create[s] any liberty interest, or rights to
6	any classification status, work assignment, or placement."
7	3. AR 516 also makes clear that no liberty interest shall "be implied from the
8	implementation of the classification "level system."
9	4. Each level provides the inmate with the ability to have more privileges The
10	Medium security institution level system has three levels. Level 1 inmates are
1	permitted the most privileges as they are able to meet six performance/behavioral
12	criteria, including "access to education, law library, gym, chapel, culinary and
3	other such areas as institutional schedules permit."
4	5. Level 2 inmates- Petitioner's current classification - meet five
15	behavior/performance criteria and are afforded less privileges that Level 1
6	inmates.
7	6. Pursuant to LCC Operational Procedure (OP) §516.03(2)(E), Level 2 inmates may
8	not attend college courses with personal instruction conducted on LCC premises.
9	7. Instead, Level 2 inmates are permitted to participate in college courses through
0	correspondence only.
1	8. Level 3 inmates either do not qualify for Level 1 or Level 2, have recently been
2	classified from segregation housing or close custody, or have pending disciplinary
3	actions which may result in removal from Level 1 or Level 2.
4	9. Level 3 inmates have limited access to programs and privileges. Id. As with Level
5	2, Level 3 inmates have not been awarded the privilege of educational
6	opportunities.
7	C. AR 850 – NDOC Academic Programs
8	10. AR 850 regulates academic programs offered by NDOC.
	Page 2 of 6
1	

...........

1	11.AR §850.01(5) states that "[b]asic literacy and secondary education should be
2	available to inmates at no cost." Id. at 2, §850.01(5). Provision (A) further states
3	that "[i]nmates must pay for accredited college or correspondence courses
4	themselves."
5	12. LCC permits inmates to seek college credit from Great Basin Community College
6	(GBCC) in accordance with AR 516 and AR 850. Specifically, an inmate must be
7	of a qualifying classification and the inmate is responsible for the costs associated
8	with the college credit.
9	13. GBCC courses are independent from any official NDOC education program.
10	14. NDOC does not fund the GBCC courses. It has no involvement in determining
11	GBCC enrollment (beyond the criteria set forth in AR 516), the courses offered to
12	NDOC inmates, or completion of the courses.
13	D. RELEVANT PROCEDURAL HISTORY
14	15. On June 28, 2019, Petitioner filed a Request for Approval of
15	Rehabilitation/Education Program in the Third Judicial District Court, Lyon
16	County, Nevada.
17	16. On July 22, 2019, Petitioner filed a Second Request for Approval of
18	Rehabilitation/Education Program which was interpreted as a petition for
19	education made pursuant to Nevada Revised Statute (NRS) Chapter 34.
20	17. On July 25, 2019, the Court transferred the matter to the Eighth Judicial District
21	Court, Clark County, Nevada, after finding it did not have jurisdiction to entertain
22	the petition.
23	18. On December 3, 2019, the Eighth Judicial District Court found it did not have
24	jurisdiction to entertain the Petition, and transferred the instant Petition to this
25	Court.
26	19. Petitioner filed a Tort Action for Request of Rehabilitation/Education Program
27	(Petition) requesting the Court to approve a college education program so that he
28	can qualify for Social Security benefits.
	Page 3 of 6

1	
1	20. Petitioner did not serve the Petition upon NDOC of the Office of the Attorney
2	General (OAG).
3	21. On July 9, 2020, the Court ordered a response be filed within 45 days.
4	22. On August 20, 2020, the OAG filed a timely Response To Tort Action For Request
5	Of Rehabilitation/Education Program (Response).
6	23. Petitioner filed a Reply To Request Of Rehabilitation/Education Program (Reply).
7 11.	CONCLUSIONS OF LAW
8	1. "The Social Security Act provides in relevant part that an individual cannot receive
9	benefits for a month during which the individual 'is confined in a jail, prison, or other
0	penal institution or correctional facility pursuant to his conviction of a criminal
1	offense." Modica v. Commissioner of Social Sec. 2012 5198817 (citing 42 U.S.C. §
2	402(x)(1)(A)(i) and 20 C.F.R. §404.468).
3	2. A vocational rehabilitation exception exists "if a prisoner who is entitled to benefits
4	on a the basis of disability is actively and satisfactorily participating in a rehabilitation
5	program which has been specifically approved for the individual by the court of law."
6	20 C.F.R. § 404.468(d).
7	3. The Regulation permits only the sentencing court to approve a rehabilitative program.
8	United States v. Osborne, 988 F.2d 47, 49 (7th Cir. 1993)(""[A] court of law' must refer
9	to the sentencing court."); Peeler v. Heckler, 781 F.2d 649, 652 (8th Cir. 1986).
0	4. The program must be "expected to result in the individual being able to do substantial
1	gainful activity upon release and within a reasonable time." 20 C.F.R. § 404.468(d).
2	The program must also "eliminate or even ameliorate the disability for which [p]laintiff
3	receives benefits." Borchelt v. Apfel, 25 F.Supp. 2d 1017, 1021 (E.D. Mo. 1998).
4	5. Petitioner fails to identify what college education program in which he intends to enroll
5	or participate. See generally, Petition. He also does not specify the institution from
6	which he seeks to obtain the credits. Without this information, this Court cannot make
7	an informed ruling on whether the program will "ameliorate" Plaintiff's alleged
в	disability (memory loss). Borchelt, 25 F.Supp.2d at 1021.

	6. Petitioner fails to provide the Court with the information necessary to determine
2	whether the educational program will result in Petitioner being able to do substantial
	gainful employment upon release and within a reasonable time. 20 C.F.R. §404.468(d).
	Petitioner is not eligible, pursuant to AR 516, to seek college credit through on-site class instruction given his current Level 2 classification level.
	 Petitioner may be eligible to enroll in college classes that are conducted through correspondence only.
	9. Furthermore, even if Petitioner was currently eligible, or later became eligible, to
	participate in onsite educational courses, it does not mean that he will remain eligible throughout the pendency of the education course.
	10. NDOC is not involved in determining Petitioner's enrollment into college courses.
	11.NDOC is not required to fund any college courses in which Petitioner has enrolled, or may enroll in the future.
	12. Requiring NDOC to make an exception to its current policies regarding Level 2
	inmates and education programs would inappropriately interfere with NDOC's ability
	to manage its facilities and potentially give right to other litigation regarding equal
	access.
