<u>/s/ BRET O. WHIPPLE, ESQ.</u> Bar No. 6168 Q. Have you had a lot of those kinds of experiences?

A. No.

Q. What is the most stressful, scared situation that you have had?

A. I don't know, my car accident.

Q. Okay. Was it a real serious one?A. No.

Q. It was one of those, you both kind of pull over to the side, and exchange information, and the police come kind of deal?

A. No, I was driving with my mom, and we had an accident.

Q. Okay.

So it was actually maybe a stressful situation that you were able to, I don't want to say be on the sidelines, but at least be there and not have to be the one feeling, the first person dealing with the situation?

A. Right.

Q. Okay. Sometimes there are situations, stressful ones, that like it would be your first rodeo, so to speak. Would you agree with that?

A. Yes.

Q. What do you think when you heard of the charges?

436 Α. I thought that they were serious. Did it freak you out at all or --Q. Α. No. No, okay. Q. Anything beyond thinking that it was a big deal, that things started running through your mind, or anything? Α. Flashes. 0. Okay. What kind of flashes? Α. I don't know, the situation. I would want to think about it. All right. Do you want to serve on the Q. jury? A little bit. Α. You can take it or leave it kind of a 0. thing/? Α. Not like that, but it just looks like --I kind of. 0. Remember what Mr. Baird said that he wants to be part of the process, and part of the judicial process. Do you have those kinds of feelings about it, or do you see it as a duty, as a citizen kind of thing? I would like to do it kind of a thing. Α. MR. BANKS: Okay, okay. I appreciate your honesty, thank you.

Lee M. Bahr, CCR 173

Pass for cause, Your Honor.

THE COURT: Okay.

VOIR DIRE EXAMINATION OF JUROR CARNEY BY THE COURT:

Q. Mr. Everett Carney, is that right?

A. Yes, sir.

Q. Everett, we finally got to you. How long have you been in Las Vegas?

A. 40 years.

Q. Excellent. What do you do for a living?

A. I'm a security guard.

Q. For who?

A. For Security Unlimited. I work at the Sand Creek Mobile Home, mostly senior citizens. I work graveyard. I am pretty much responsible for the entire property around there.

Q. Okay. Sand Creek is located?

A. Las Vegas and Lamb, or no, Sahara and Lamb, excuse me.

Q. Okay. On the east side?

A. Yes, right by the side of the Jerome V. Mack Middle School, which we stare at that wall every night.

Q. Did you get security type training?

A. No, sir, just -- the security in this town

437

Lee M. Bahr, CCR 173

is not quite what it sums up to be. They just grab you and put you to work. I was a little surprised they even accepted me when I went over there.

Q. Do you have a gun?

A. No, we don't. Don't like them.

Q. How long have you been in this line of

work?

A. Oh, about two years. I guess I retired, and I wanted to do something so I figured I probably knew more about that than anything so --

Q. Well, what did you do before you retired?

A. Gee, I had my own pets to go business. I have done so many things, kind of a Jack of all trades in my life.

Q. Did any of those involve any kind of law enforcement?

A. Just the security job. I work security at the place called Santa Fe Hotel in Lincoln City, Oregon for about a year and a half. Actually it was a job, I was just grabbed, I was inbetween, and I wanted something to do. It was a very easy, very simple, and I did that, I didn't do something wrong, and so I did that job.

Q. But you never received any specific --

A. No, sir.

Q. -- law enforcement training?

Lee M. Bahr, CCR 173

439

A. No, sir.

Q. Okay. Are you married?

A. Yes, sir.

Q. Does your wife work?

A. She works in the Emergency Room at Valley Hospital as a maid.

Q. And is she --

A. For the Culinary Union.

Q. Okay, all right.

A. She has been there 14 years that she has worked there.

Q. Okay. So has anybody -- are you close to anybody in your family, or close friends, that are employed in the law enforcement field?

A. I have a son who has been on Metro, and he now is with NHP.

Q. Okay. Your son was on Metro?

A. My other son has been security and now works . for Coca Cola.

Q. Okay. What did you say about NHP?

A. The Nevada Highway Patrol.

Q. Which one is that?

A. The same son. He was with Metro. He was with the Metro School Police.

Q. Okay.

Lee M. Bahr, CCR 173

A. Went from that to NHP.

Q. Okay. And that's your son, and so you are pretty close to him?

A. No, we are not close at all. I have neverbeen close to people in my life because of my background.I have kind of a cold streak in me. I tend to be veryanalytical about things, and we don't talk a whole lot.

Q. So the fact that you have a son that's in law enforcement would not cause you any difficulty?

A. None at all. I am proud of him. I'm very proud of him. I worked hard to get over it.

Q. Good, good for you. It wouldn't bother you being on a jury in a case like this and listen to the testimony of police officers?

A. No, sir, because I have foster sons also. I have 21 foster sons. They were locked up at one time or another ion their lives, and I feel equally strong about them the same as my own sons.

Q. So you were a foster parent over the . years?

A. Yes, sir.

Q. And you had like, you say over the course of years you have had about 21?

A. In lower California, in Sacramento. They were patrolled -- patrolled, they were paroled to me

Lee M. Bahr, CCR 173

while I was on parole actually in the California Youth Authority, and they were the worst cases they had. That's part of my I D., I figured take the risk, you know, and they all made out, they all did quite good.

One was a crap dealer here at the Golden Nugget for years. They are all retired now. And I had a very lively contact with them. That was my purpose.

Q. So is there anything about all of those relationships that would cause you difficulty in sitting as a juror in a criminal case like this?

> Α. No, sir.

Ο. Anything about that background being a responsible parent for these kids that were in youth parole status, anything about that that would cause you difficulty in sitting on a case like this?

Α. No, for the same reason, my own blood sons and my foster sons are all friends and live together. All as equals. It didn't matter. Their backgrounds don't matter.

> Q. Okay.

And that's it. Α.

All right. Have you ever been on a jury Q.

before?

Yes, sir. Α.

Q. When was this?

Lee M. Bahr, CCR 173

702-804-6167 AA 000757 441

		442
А.	I think it was in 1982. It's hard to	
remember the d		
	Was it here in Nevada or was it	
Q.		
A.	Yeah, it was here.	
Q.	Here in Nevada?	
A.	Yes.	
Q.	The State of Nevada?	
A.	Yeah.	
Q.	Was it a criminal or a civil case?	
A.	It was a criminal case.	
Q.	And were you actually on the jury, or were	
you just in th	e jury pool?	
A.	No, I was the jury foreman, yes.	
Q.	You were the foreman?	
А.	Yes.	
Q.	All right. So you were in charge of that	
deliberation?		
Α.	Yes, sir.	
Q.	All right. Without telling me what happene	ed,
did that jury	deliberate?	
А.	Yes, sir.	
Q.	Did that jury return a verdict?	
А.	Yes, sir.	
Q.	Is there anything about that experience of	
being a juror,	and especially being the foreman, being	

Lee M. Bahr, CCR 173

in charge of deliverations.

Anything about that entire experience that would cause you difficulty in being on this criminal jury at this time?

A. No, I have been -- there were difficulties in the jury itself, but it would not affect me on other juries.

Q. That's really kind of what we are getting at. I am going to ask you to, and I am going to ask you if you can do this? .

Can you set aside that experience, that whole scenario of being on jury duty, and that process of going through your deliberation, everything that you have been instructed that goes for that case, at that time.

Can you set all of that aside, and obviously, you are not going to be able to forget it, but for the purposes of this case, you have to leave that completely out of --

A. Not a problem.

Q. -- this whole process of being a jury before. If you are going to be a juror on this case, you have got to forget about that, listen to the evidence in this case, pay attention to the instructions I give you on the law in this case, and render a verdict strictly upon that information?

A. Yes, sir.

Q. Can you do that?

A. Certainly.

Q. Can you think of anything else that I haven't asked you about that might bear upon your ability to be a fair and impartial juror here?

A. No, sir.

Q. Can you withhold forming an opinion about any aspect of this case until you have heard all the evidence, and I instruct you on the law?

A. Definitely.

Q. Okay.

If you were sitting over here as the Defendant or as the prosecutor, would you be comfortable with a juror on the jury that has the frame of mind that you have?

A. Yes, sir.

THE COURT: All right. Ms. Kollins, I think that you are up.

MS. KOLLINS: Your Honor, the State is going to pass for cause.

THE COURT: Mr. Landis?

VOIR DIRE EXAMINATION OF JUROR BY MR. LANDIS:

Q. Good afternoon.

Lee M. Bahr, CCR 173

You have probably got about as much experience with the criminal system as anybody in this room?

A. Not really. Maybe the wrong side for part of that but not that way.

Q. Do you think it's fair? Do you think it's fair?

A. Do I think what is fair?

Q. The criminal system.

A. Well, the system is fair, yes. It has been set up to be fair, and that's what it is for.

Q. I know.

A. If it always works out to be a fair situation for some people's lives, you know, but I think the idea is fair.

Q. Based on your experience, what do you think are some of the problems??

A. Do you have a couple of hours?

Q. I do.

A. I wouldn't do that to you.

Q. Give me the top two?

A. Well, I am a firm believer that we ought to have juries made up of people that are seniors so that they are retired, and you don't have the problem of having to ick more all the time, more of a special jury type.

Q. Yeah?

Lee M. Bahr, CCR 173

A. They'd love to work, it would give them something to do, you give them 20 bucks or 40 bucks. That adds to their retirement money. Those that get paid retirement money wouldn't care. We would save money, you know, I have got some ideas for this.

Q. Are you saying someone would sit on a jury let's say 180 days a year just different juries, and go from jury to jury?

A. Yeah, you could mix them up, you know, you can kind of scramble them up a little bit, you know, come in together, and all know each other.

You get what I'm saying. We have a biggest senior population of anywhere. It would fix your big problem. You've got wisdom, experience. You have got every peer group that's come along.

Q. I think you see that.

A. Yeah.

Q. Seniors tend to be more eager to be on juries. Do you think if we actually did that it would benefit the State or the defendants?

A. I think everybody would benefit.

Q. Yeah? /

A. Everyone would, that's what we do. Because we have a lot of experience, I mean, I was on one about 10 years ago because I had experience then, but still, I

Lee M. Bahr, CCR 173

am a little smarter today than I was 20 years ago.

Q. Sure, sure. I have to give you one more?

A. Sure.

Q. I like you a whole lot.

A. Do you? Good.

Q. Another one?

A. We will work on it later.

Q. You said you don't like guns?

A. No, they are out. I'm a bit shy. You know, they bother me.

Q. Just because they are dangerous?

A. No, as right as you are, police shooting at me really damn well scared me, you know. I don't like guns. I don't have any objection to maybe having one, taking it home, or something like that, but I am not a gun person.

I have shotguns, I have used guns, but I am not in some manic fear of something like that. I wish we didn't have that.

Q. You think they do more harm than good, or more good than harm?

A. I think the gun laws are a problem, if you want my opinion on that.

I think in my background, period, I used to use a plug. To use a gun, I would rather have a bullet, not

Lee M. Bahr, CCR 173

a plug, you know, if you have a choice, if we all had guns, that would be a great equalizer.

Q. I agree with that. I agree with that.

You talked a little bit about your lack of experience.

Correct me if I am wrong, it kind of sounded like it was a tough jury deliberation?

A. Sounded like what?

Q. Your last jury experience, it sounded like it might have been a tough jury deliberation?

A. Yeah, kind of a back and forth thing, and, well, a lot of the questions that are asked now weren't asked of the jury when we are being polled, and these are good questions that you guys are asking now, you covered everything that I consider problematic then. It feels much better our system today than it was in '82.

Q. So you are saying that some people that were back there that maybe should not have been back there?

A. No, a lot of people said they had, like the Judge's question, your frame of mind, how you are thinking. Is there any reason why you wouldn't want to be here today.

People dig up and say, well, gee, I have a . babysitting problem, or I have got a meeting, or birthdays.

Lee M. Bahr, CCR 173

Back then people would say anything. The Judge would ask them. He is guilty, wait a minute. We are supposed to discuss this, you know, oh no, he's guilty, and I said wait, man, we are supposed to discuss this, you know.

Q. How long did you --

A. And finally we did, and we got through it but it --

Q. How long did you deliberate, and I am not asking you what was the verdict.

A. I believe it was about a week and a half.

We was going pretty late at night, and we were ordered by the Judge to come to a decision. He got a little pushy after a while. A lot of things happened, you know, and they were uncomfortable.

Q. Yeah.

A. The situation was one where one of the questions asked earlier about, how would you feel if you felt in your heart the person was guilty, but they don't believe him. That was that kind of a problem.

They get out on that capacity because I thought, gee, this person is guilty but --

Q. I am going to stop you before I get in trouble. You are going somewhere where you are not supposed to.

A. Oh, I'm sorry.

Q. I think I am wrong so we are starting to scare these people about being on this jury.

I will pass for cause, Judge.

THE COURT: All right. Approach the bench.

(Whereupon, a brief, informal discussion was had at the bench between the Court and counsel.)

THE COURT: Okay.

We are going to excuse the following two jurors, and ask them to report back down to the third floor Jury Commissioner's office, Everett Carney and Wayne Daley.

THE COURT: We are going to replace Mr. Carney with Kelly Russo-Winn, and Wayne Daley with Bonnie Huerta.

And I appreciate your participation. Thank you very much.

JUROR CARNEY: Thank you, Your Honor. Appreciate it.

(Juror Carney and Juror Daley excused at this time.)

THE COURT: And Kelly?

JUROR CARNEY: Are we getting recycled?

THE COURT: Yes, you will be getting recycled down on the third floor, okay?

Kelly Russo-Winn, you will need to take the second chair down on the middle row, and second row in

Lee M. Bahr, CCR 173

the second chair, and then Bonnie Huerta, you will be in the top row, second chair. VOIR DIRE EXAMINATION OF JUROR RUSSO-WINN BY THE COURT: Kelly, Russo-Winn, is that right? Q. Α. Yes. Q. How long have you been in Las Vegas? Α. 45 years. Oh boy. What do you do for a living? Ο. I am an administrative assistant for USA Α. today, circulation office. Oh, how long have you been there? Q. Α. I have been there eight years. Q. Are you married? Yes, I am. Α. What does your husband do? Q. Α. He is a home builder. What kind of an outfit does he work for? 0. Α. He is a senior construction superintendent for American Homes. Okay. Do you have grown children? Q. Α. 19 and a half year old daughter. Does she work or go to school? Q. Both, she is a the full-time student at Α. UNLV, and also works part-time for an attorney's office,

Lee M. Bahr, CCR 173

but does it after school.

Q. Okay. Have you ever been trained in any kind of law enforcement activities?

A. No.

Q. Anybody close to you?

A. Friends from high school, but -- and we stay friends, but we see each other maybe once or twice a year.

Q. Okay.

That is the extent of your family or friends that are actually involved in law enforcement?

A. Yes.

Q. And have you, or anyone close to you, ever been accused of or the victim of any kind of sexual offense?

A. No.

Q. Have you, or anybody close to you, ever been the victim of or accused of any other crime?

A. I was the victim of like a credit card fraud, but it --

Q. How long ago was that?

A. About three years ago.

Q. Did that result in some kind of criminal action on somebody?

A. Possibly, once the bank had me sign

Lee M. Bahr, CCR 173

everything off, they released me and said we really can't answer any questions.

Q. Oh, okay.

A. So they took care of it.

Q. They took care of it, and whatever happened didn't involve you?

A. It took six months but --

Q. Well, all right. Is that the only thing that you know of that has ever happened?

A. I mean, I had my purse stolen like 15 years ago.

Q. Did yoù ever recover it?

A. Some of the stuff, yes. Somebody found parts of it, and I got some of it back.

I did identify -- Metro was involved with it.

I did identify the person that came into my place of business, and what happened after that I don't know.

Q. Okay.

A. I didn't look for it, or anything.

Q. You never went to court?

A. No.

Q. And you never were informed of any kind of secution?

prosecution?

A. No.

Lee M. Bahr, CCR 173

Q. I think she was wanted for a lot of stuff, and a lot of other people with her.

Q. When you think about that, is there anything about that would cause you difficulty in being a juror in a criminal case like this?

A. No.

Q. Would that or any other experience that you can think of affect your ability to sit as a juror and listen to the testimony of a police officer and give the testimony of -- the police officer's testimony greater weight or lesser weight than with any other witness?

A. No, sir.

Q. Can you listen to the testimony of a police officer and treat it just the same as anybody else? No greater weight, no lesser weight than anybody else.

Can you do that?

A. Yes, I can.

Q. Okay. And have you ever been on a jury before?

A. No.

Q. Can you think of anything that I haven't touched upon directly that may bear upon your ability to be a juror in a criminal case like this?

Lee M. Bahr, CCR 173

A. No.

Q. Can you withhold forming an opinion about anything having to do with this case until you have heard all the evidence and been instructed on the law?

A. Yes.

Q. Do you believe that you have an neutral kind of frame of mind that you would approach your jury service so that you would be comfortable if you were one of the litigants in this case?

A. Yes.

Q. A juror that has your frame of mind?

A. Yes, I do.

THE COURT: Okay. You are up.

VOIR DIRE EXAMINATION OF JUROR RUSSO-WINN BY MS. LUZAICH:

Q. Good afternoon. Are you having fun yet?

A. Oh, joy?

Q. Would you consider yourself to be the kind of person that listened to absolutely everything and weighs everything before making up your mind?

A. I can, yes.

Q. Or do you jump to conclusions a little bit more in your daily life?

A. Sometimes in daily life I have to, but no,I believe that I could look at all options.

Q. Okay. Because that is what you are going to be asked to do. Wait until you hear and see absolutely everything before making up your mind.

A. Yes.

Q. You can do that?

A. Yes.

Q. And you have common sense?

A. Yes.

Q. You will bring it in the courtroom? You won't leave it outside?

A. No.

Q. And having raised a daughter, I expect you have used your common sense quite often?

A. I will do my best.

Q. You said she works for an attorney's as a runner. Do you know what kind of law that attorney practices?

A. I think they do a little bit of everything.

Q. Any criminal?

A. No, I don't know. We don't discuss it. Actually, she was out about two months ago, so she works nights, the good life.

Q. Does she come over and get her laundry washed?

A. No, she is good at that. She doesn't.

Lee M. Bahr, CCR 173

I trained her well.

Q. All right. So if you do sit as a juror in this case, you are back in the deliberation room, and 11 of the jurors feel one way, and you feel a different way. What are you going to do?

A. I am going to stick to my guns, and I need to hear -- I need to go over, I guess, the evidence and it's --

Q. (Interposing) And try to persuade them? A. Yeah, I am going to try to persuade them my way.

> Q. Try to persuade them of your point of view? A. Yes.

Q. Will you be --

A. (Interposing) Try to listen to it again.

Q. Okay. Listen to what they have to say?

A. Yes.

Q. Now, if they are able to point out that maybe there is something that you missed, or whatever, is it possible that you could change your mind?

A. It is possible if there is sufficient evidence.

Q. Right, if they really pointed out that you missed something --

A. Uh-huh.

Q. -- or what not, but if you are sure, I mean,

Lee M. Bahr, CCR 173

if you are confident in your position, will you stick to your guns?

A. Yes.

Q. Okay, good.

If the Judge reads to you the instructions at the end, and there is an instruction or two that you do not agree with, what are you going to do?

A. I will go with what I have been told, andI will write my letter to Congress later on.

Q. Everybody here is going to be writing letters to their Congressmen.

A. Yes.

Q. But you will. You will follow the law that the Court reads, because that was -- that's what the law is, right, even if you don't agree with it?

A. Yes.

Q. Okay.

Having sat here for the last day, or so, is there any question that you have a burning desire to answer?

A. No.

Q. Is there any reason you -- there's one?

A. I will ask, sure. When, I mean, this is all kept in your mind, you don't write anything down.

Q. You do actually. You are going to get, if you serve, you are going to get a notepad. You get

Lee M. Bahr, CCR 173

to take as many or litle notes that you choose.

A. Okay, thank you.

Q. And then you get to bring it back in the deliberation room with you.

A. Absolutely.

Q. No, we actually expect you to remember absolutely everything?

A. It's hard to remember what I did yesterday.

Q. One of the jurors don't even know their kid's age.

A. Exactly.

Q. Is there any reason that you could not serve in a case like this?

A. No.

Q. Knowing what you know about yourself, is there any reason that you could not sit in judgment of someone?

A. No.

Q. And if, you do sit as a juror, after listening to all the testimony, seeing any evidence, if you are convinced beyond a reasonable doubt that the Defendant committed the crimes he is charged with, would you be able to say, guilty?

A. Absolutely.

MS. LUZAICH: Thank you. Pass for cause.

Lee M. Bahr, CCR 173

THE COURT: Mr. Banks, your turn? MR. BANKS: Yes, sir, thank you. THE COURT: Okay.

VOIR DIRE EXAMINATION OF JUROR RUSSO-WINN BY MR. BANKS:

Q. Hello.

A. How are you today.

Q. I'm fine, thanks.

And I ask you, you probably heard me ask this question of a few of the folks here:

Would you happen to walk into the courtroom yesterday, and say, oh, my God, they have got another innocent guy sitting at the Defense table that they've charged with a crime?

A. I didn't make any judgments when I walked
 in.

Q. Okay.

A. He had a suit on. He looked like one of your staff.

Q. Do you think some people might make those kind of judgments?

A. Yes.

Q. Okay.

Let me ask you this this. Something has popped . into my head with that answer about he looked like one of

Lee M. Bahr, CCR 173

702-804-6167 AA 000776 460

461

the staff.

A. Uh-huh.

Q. My client is African American. There is a female accuser in this case, who is white.

Do you think that might be an issue for some people?

A. It might be. Not for me.

Q. Okay.

Would you agree that there are certain stereotypes in this day and age still about African American males in society?

A. I believe there is.

Q. Okay.

A. I grew up in this town, and, I mean, you get stereotypes and --

Q. And this town --

A. I went.to high school here.

Q. Okay. And this town has a west side?

A. Yes.

Q. Okay. And you know what some of the stereotypes probably are, right?

A. Yes.

Q. I mean, let's say you pull up to a red light, and you look over, and you see a young black guy driving in an 80,000 BMW, I mean, what's the first thing that pops into

Lee M. Bahr, CCR 173

your mind?

A. Rapper, but that's funny, i don't know.

Q. Do you remember the Susan Smith case, that lady that drowned her kids and killed her kids in --

A. Attacked did you say?

Q. -- in South Carolina maybe?

A. I -- part of it, yeah.

Q. Okay. You remember her saying that a black guy did it?

A. That's true, yes.

Q. Okay. Why do you think she said that?

A. She had to blame it on someone. She wouldn't accept it herself.

Q. But why specifically do you think she blamed it on some black guy?

A. Maybe because of where she is from.

Q. Okay. I am going to ask you Mr. Landis's question because I think it's a good one.

What, where do you -- what side of the fence are you on? Is it worse to see somebody who is guilty not be held accountable or worse to see someone who is innocent be wrongfully convicted?

A. Someone who is innocent be wrongfully convicted, and I agree because the guilty, there is something wrong with him.

Lee M. Bahr, CCR 173

Q. It's kind of a karma thing?

A. Unfortunately.

MR. BANKS: Okay. All right. Thank you so much for your honest answers today.

JUROR RUSSO-WINN: You're welcome.

MR. BANKS: Pass for cause, Your Honor.

THE COURT: Thank you. All right, approach the bench.

MS. LUZAICH: Well, one more.

THE COURT: Oh, excuse me, I'm sorry, you are absolutely right.

VOIR DIRE EXAMINATION OF JUROR HUERTA BY THE COURT:

Q. Bonnie Huerta. Sorry, Bonnie. Bonnie?

A. Yes. .

Q. How long have you been in Las Vegas?

A. 11 years.

Q. What do you do for a living?

A. I am a medical records clerk.

Q. Oh, okay. Do you talk to him quite often?

A. Not ever.

Q. Okay. And so you really haven't ever discussed his work with him?

A. No.

Q. Anything about having a nephew in law enforcement that would cause you difficulty being a juror in a case like there?

A. Not at all.

Q. Okay. Have you, or anyone close to you, ever been the victim of or accused of a sexual related offense?

A. I have two nieces. One has passed away, but two nieces, and a friend.

A. No.

Q. Where do they live?

A. One, I lost -- my friend, I've lost contact.

Lee M. Bahr, CCR 173

I think she is still in Texas, and one moved that passed away just recently.

Q. How long ago was it that the incident you are referring to occurred?

A. Oh, years ago.

One, the niece, this was probably 40 years ago, and the other one, the friend, was five -- four or five years ago.

Q. Did these incidents result in any criminal prosecutions that you are aware of?

A. The friend did.

Q. The friend did?

A. Yes.

A. This was way after the fact.

Q. Okay. So you didn't even know about it at the time?

A. No, not for a long time.

Q. Okay. Anything about knowing about those incidents now, years later, that would cause you difficulty in sitting on this jury, this criminal jury, in this kind of a case?

A. Not at all.

Q. Would you have any trouble setting aside any information or on any impressions that you got from any of those experiences?

A. No.

Q. Can you set those aside and be a fair and impartial juror in a case like this?

Is that a "yes"?

A. Yes.

Q. Okay. Have you ever been on a jury?A. No.

A. 10.

Q. Okay. Can you -- is there anything that I haven't touched upon that would cause you difficulty in being fair and impartial to both sides?

Q. Do you have any reason to treat the testimony of a police officer any differently than any other witness?

A. No.

Q. Okay. Can you withhold forming an opinion

Lee M. Bahr, CCR 173

about anything to do with this case until you have heard all the evidence, and I have instructed you on the law?

A. Yes.

Q. Do you have a fair, open-minded mind, neutral approach to your service as a juror in this case so that if you were one of -- on either one of the sides, the defense or the prosecution, you would be comfortable with a juror that has your frame of mind being on the jury?

A. Yes.

THE COURT: Okay. Ms. Kollins?

MS. KOLLINS; Thank you, Judge.

VOIR DIRE EXAMINATION OF JUROR HUERTA BY MS. KOLLINS:

Q. Ms. Huerta, where did you live before you moved to Las Vegas?

A. I lived in Arizona.

Q. In Arizona.

And is that where you spent most of your adult life?

A. No, I have lived kind of all over.

Q. Kind of all over?

A. Yes.

Q. Okay. What have you done as an adult other than medical records?

Lee M. Bahr, CCR 173

A. I used to work at a mall, form medical records.

Q. Okay. As a programmer?

A. I did day care, for 15 years.

Q. That's what you did in Arizona then?

A. Yes.

Q. And what brought you to Nevada?

A. My husband's work.

Q. Anything, any obligations at work, anything over the next few days that would cause you to be distracted from your service?

A. No.

Q. I know the Judge asked you if you had known anyone that had been sexual assault victim or accused of any kind of sexual crime.

How about, have you been the victim of any other kind of crime?

A. Credit card theft.

Q. Credit card theft. Was that resolved to your satisfaction?

A. It was just with the bank.

Q. Nobody else close to you been the victim of any kind of a violent crime?

A. No.

MS. KOLLINS: Pass for cause, Judge.

Lee M. Bahr, CCR 173

THE COURT: Mr. Landis?

VOIR DIRE EXAMINATION OF JUROR HUERTA BY MR. LANDIS:

Q. Do you want to be on the jury?

A. I used to think not, but I think it would be a good experience.

Q. What did you used to think that?

A. When I was younger.

Q. Okay.

A. When I.got the jury summons. This would be a good experience.

Q. Things have changed?

A. Yes.

Q. Do you think it's just time that changed you?

A. Yes.

Q. How do you feel about Mr. Carney's senior citizens jury idea?

A. Actually, that's something I had talked to my husband about because there are a lot of people who retire, and, you know, could do it, and would be a compliment to work or retiired.

Q. How do.you feel our system deals with -irrespective of, I doubt if you state -- let me rephrase. How do you feel about the burden of proof, too

470

Lee M. Bahr, CCR 173

high, too low, just right?

A. I think it is fine.

Q. How about the presumption of innocence?

A. Where you are innocent until you are proven guilty, yes.

Q. What about -- I talked about this before.

Do you think you are a person, who would want to hear from a criminal Defendant in the case?

A. Do I want to hear direct evidence?

Q. No, hear them testify.

A. Oh, either way. Like I said, you pick up on that.

Q. Do you think you could sit in the middle, and listen to what they say once they get on the stand?

To be honest with you, there is no right or . wrong answer. I don't think that's --

A. I don't think that I would go either way, they shouldn't start from that position, the way they are telling you.

Q. Thank you.

A. You're welcome.

MR. LANDIS: Pass for cause, Judge.

THE COURT: Very good.

Okay, now approach the bench.

(Whereupon, a brief, informal discussion was

471

Lee M. Bahr, CCR 173

had at the bench between the Court and counsel.)

THE COURT: All right. We are going to ask the following two jurors to go ahead and go back to the third floor to the Jury Commissioner's floor in the Jury Commissioner's office, Mr. Howard Kenieutubbe and Ms. Elizabeth Martin.

(Juror Kenieutubbe and Juror Martin excused at this time.)

THE COURT: We are going to replace Mr. Kenieutubbe with Juror Becky Hansen, and replace Elizabeth Martin with Susan Gregg, okay?

Becky Hansen, I am going to ask you to have that middle seat in the back row, and, let's see, Susan, you are going to take that end chair. There you go.

VOIR DIRE EXAMINATION OF JUROR HANSEN BY THE COURT:

Q. Becky Hansen, how long have you been in Las Vegas?

A. About 10 years.

Q. And what do you do for a living?

A. I am a.paralegal with the Federal Public Defender's office.

Q. Oh really. How long have you done that?

A. About 10 years.

Q. About 10 years?

Lee M. Bahr, CCR 173

473

A. About 11 and a half.

Q. What exactly do you do over there?

A. I work in the capital appeals unit.

Q. Post conviction?

A. Federal appeals.

Q. Okay, interesting.

Do you think it is going to cause you a problem working in the Federal Public Defender's office to be sitting here on a jury on a criminal case over here?

A. I don't think, I mean, it's a fair system.

Q. You probably have a fair amount of experience with it, too.

What kind of training and background did you go through to become a parallel?

A. First of all, I wanted to teach Latin so I went to graduate school, and then I got into the -- I left graduate school and went into -- then started working as a paralegal in the civil legal aid area, and in civil practice, I did that for about seven years, and then I got into the Federal Public Defender.

Q. Did you go through any specific training, legal and background type training?

A. I went through a paralegal program.

Q. That was outside of work?

A. That's right.

Lee M. Bahr, CCR 173

		47
	Q.	An actual school?
	Α.	Yes, that's right.
	Q.	How long was that education program?
	A.	It was about two years.
	Q.	Really.
	A.	It was night school.
	Q.	Why didn't you just go to law school?
	A.	I would not want to be involved with all
the lega	l writ	ing.
	Q.	Really? That's all you do, isn't it?
	A.	No, actually, it's fact finding investigation
and that	's wha	t I like.
	Q.	Oh, so you actually go out in the field?
	A.	Sometimes.
	Q.	Okay. You guys only represent criminal
defendan	ts?	
	A.	That's correct.
	Q.	You don't think that's going to be a problem
to be on	a jur	y in a criminal case?
	A.	You know I thought about
	Q.	What's your director's name, Fran
	MS.	LUZAICH: Fran Forsum (phonetically)?
		COURT: Fran Forsum.
		•
	Q.	Does she know you are over here?

Lee M. Bahr, CCR 173

Q. Well, I didn't mean to interrupt you, you were about to tell me something.

What, what was it that --

A. Well, I think you asked because this is a criminal case.

Q. Right.

A. Could I serve? And I guess I would like to think I could. But that's entirely up to you, but that's my --

Q. Well, I mean, you are right, I mean, these guys are the ones that are going to be able to say whether they actually want you to sit on the jury or not.

But even before the question gets to them, it is kind of up to you.

You have got to, you know, tell us in all, you know, honesty, considering what you do for a living, and who you work for, if you think that you are so inundated with the process of working on criminal defense cases, that it would cause you, you know, if that's something that you are just, plain and simple, not going to be able to leave out in the hallway, sometimes, some things that go on in our lives, such as being an employee day in and day out in a particular line of work, might just become just so much of us that it is virtually impossible to say I am leaving that stuff out in the hall, and I am

Lee M. Bahr, CCR 173

702-804-6167 AA 000791 475

going to sit here and be a fair and impartial juror, and I am not going to let anything that I do for a living come and enter into my -- this process of me being a juror. Sometimes it is just not possible.

So the first person I ask is you. Do you think it is possible or not?

A. Well, I mean, I think it's an interestingquestion because I think the life experience, for example,I worked with a private firm,, and I did large civillitigation cases.

Certainly, that person sitting here is different than me sitting here now with the more life experiences working now as I do in the capital unit.

And I don't think that, you know, there is an absorption of life experience that I think, you know, there are facts to, as you say, put out in the hallway some way what I am working on now, but as far as the absorption of that, I think that's a more, you know, difficult question to answer.

I mean, I think it would be, I mean, it's usually just black and white to say, that's, you know, that's a clean separation.

Q. Well, and actually, to a more pointed question.

When you go back into that jury deliberation

Lee M. Bahr, CCR 173

room to deliberate, and I have instructed you on the law, and they may ask questions of the instructions, and you give a simple definition.

What's defined as beyond a reasonable doubt, and you probably will have seen in your work many of the instructions and the statements of law as in your work as a pair legal.

Are you going to be able to take the instructions I give you and apply those instructions to the facts as you find them to be a juror and pay no attention to the information that you work with on a daily basis in terms of statements of different aspects of the law that you might do that?

A. Well, I believe in the jury system, and that means applying specific facts of this case to the instructions that you specifically give, and those are the parameters within which to --

Q. You understand exactly how it works, I mean, I just want you to be able to give us information to let you know that you can apply, you know, the law that I am telling you, and sit there as an impartial juror and be fair to both sides.

Would you be comfortable if you were the prosecution, primarily in this case, the prosecution, but the defense or the prosecution?

Lee M. Bahr, CCR 173

702-804-6167 AA 000793 477

Would you be comfortable with somebody with your frame of mind being on the jury?

A. Well, I guess my answer is if I was sitting where the Defendant was sitting, and knowing my life experiences are quite different, I don't know that as a female white person sitting there where he is sitting if this was a jury pool of African American jurors, I don't know that I -- how I would feel.

Q. Well, I mean, I guess the basic question is:

Are you fair and impartial?

A. Well, I would like to think I am.

Q. Okay. I mean, I'm not going to just off the top, because of what you do for a living, say that you can't sit as a juror.

If somebody is willing to try, and then they can say with an honest, clear conscience that they can be fair and impartial, then I am not going to exclude you off the jury is what it comes down to.

Can you think of any other reason that I haven't really touched upon?

Have you ever been on a jury?

A. I have never been a juror.

Q. Have you ever been associated with or been the victim of, or accused of a sexual crime?

478

Lee M. Bahr, CCR 173

Α. Nop. Q. How about any other kind of crime? Α. I was -- this is about 20 years ago -my house was burglarized a couple of times. Ο. Anybody ever prosecuted as a result of it? Α. No. Q. Okay. Is that going to cause you problems? Α. I don't think so. Q. Okay. Any friends in law enforcement? Α. NO. Q. Okay. ' I guess you know all the rest of this. Can you withhold forming any kind of opinions or judgments about any aspect of the case until you have heard all of the evidence and I instruct you on the law? I would like to think so. Α. THE COURT: Okay. You guys are up. MS. LUZAICH: The State is going to pass for cause. Thank you. THE COURT: Okay. VOIR DIRE EXAMINATION OF JUROR HANSEN BY MR. BANKS: Q. Hi, Ms. Hansen, nice to meet you.

702-804-6167 AA 000795 479

You heard me asking some of the stereotype questions earlier.

And would you agree, I guess, maybe you can draw, I mean, we all all draw from our experiences, life experiences, and I guess part of those life experiences may be employment experiences and, you know, just kind of leave yours.

Do you -- would you agree that those kinds of stereotypes are still kind of out there, based on your life experience, or your work experience, or kind of the whole picture.

Would you agree that those stereotypes we discussed are out there?

A. Yes, I think they are, to a certain degree.

Q. Okay.

Knowing that those are out there, well, what -- I mean, just off the top of your head, what are some of those stereotypes if you don't mind?

I mean, we talked about on that maybe somebody had an expensive car, an African American fellow at a red light. Somebody might think that that's a rapper.

Or what are some other stereotypes if you can think of any?

A. Well, I guess I think of it in terms of some of my African American friends, who I have talked

to, you know, they talk about their experiences of getting on an elevator, and having women clutch their --more tightly to their purse, being followed in a store, and that kind of thing.

Q. Okay.

A. So I just don't know what that -- I've never had that experience.

Q. Okay. And I guess maybe for some people there -- it's more of an overt thing, and for some it may be subtle, or they may know of the existence of the stereotypes but maybe not put a lot of stock into it, or not put any stock into it.

Would you agree that some people might subconsciously put some stock into it?

A. Yes.

Q. Yeah, okay.

You know, everybody on both sides of the table, we all are just looking for a fair trial.

How -- do you have any thoughts one way or the other, with those stereotypes that are out there, do you think it makes it more difficult for a guy like Narcus Wesley to get a fair trial even in this day and age?

A. Well, I just think the jury of your peers, of the true peers, is not always so true.

Q. Okay.

Lee M. Bahr, CCR 173

And I think that's -- if I -- if I understood what you were saying earlier that if you -- I guess you were just kind of reversing the roles, as far as if you were in Mr. Wesley's shoes, and it was a jury not of your peers that you might -- that might cause you some concerns, and I guess this kind of a process that we are doing is how we kind of get these issues out and decide who is going to make the most -- the fairest juror, and I appreciate your honest answers today.

Thank you, Judge. Pass for cause.

THE COURT: Okay.

VOIR DIRE EXAMINATION OF JUROR GREGG BY THE COURT:

Ο. Then we have Susan Gregg, is that correct? Α. Yes. Q. Susan, how long have you been in Las Vegas? 30 years. Α. Ο. What do you do for a living? Α. I'm a librarian. For? Q. Α. College of Southern Nevada. 0. Are you married? Α. Yes. What does your husband do? 0. Α. He has a small business.

Lee M. Bahr, CCR 173

702-804-6167 AA 000798 482

In what field? Ο. He sells dietary supplements to health Α. food stores. Okay. Do you have children? 0. Α. Yes. Q. Grown and employed? Α. Yes. What do they do? Q. Α. One 28 year old, and he works for Cox Communications. Q. Okay. And that's it? Α. Yes. . Okay. Have you ever been trained in Ο. law enforcement? Α. No. Q. Anybody close to you? Α. No. Anybody, a relative, or anybody close Q. to you, employed in any aspect of law enforcement? Α. No. Can you think of any reason why you would Q. treat the testimony of a police officer any better or worse than the testimony of anybody else? No. Α. Q. Not a police officer?

702-804-6167 AA 000799 483

A. No.

Q. You would treat him just the same as anybody else?

A. Yes.

Q. Okay. Have you, or anybody close to you, ever been the victim of or accused of a sexual related offense?

A. No.

Q. Have you or anybody close to you ever been the victim of or accused of any other kind of criminal offense?

A. My husband was arrested. He was working in a direct sales company and --

Q. Was that in telemarketing?

A. Yes.

Q. Okay.

A. And this was at the time when there was a lot of focus on the telemarketing companies, and there was a bit of a tweak. They took everybody out of the company and arrested them.

Q. Who did he work for?

A. I can't -- I can't remember. It was over10 years ago. I can't remember the company.

Q. Anything then result in terms of criminal prosecution as a result of this?

Lee M. Bahr, CCR 173

A. He pled, I would have to say under duress, because he was so upset and, you know, I have a lot of faith in his ethics.

That he was even arrested, and his lawyer advised him to plead guilty to a misdemeanor.

He didn't want to, but the stress was so much, and he had to spend a weekend in jail because he couldn't get a lawyer that quickly, and they didn't give him his medications, and so to pursue it and uphold his character, it just seemed the thing would be too stressful for him so he pled to a misdemeanor.

Q. Was this in the Federal system or was it in the State system?

A. It was in District Court.

Q. Federal District Court or here in the State District Court?

A. State.

Q. Okay. And this was about 10 years ago, . or so?

A. Yeah.

Q. Obviously, it's your husband, so you were pretty intimately familiar with the whole proceedings?

A. Yes. ·

Q. Okay. So what was your impression?

A. Well, we went and watched the other Defendants

Lee M. Bahr, CCR 173

702-804-6167 AA 000801 485

in court, and I think some of them said, guilty.

I don't think they all did, and like I said, his lawyer advised him that in this type of situation where there was so much focus on telemarketing, and cleaning up that industry, that he really didn't -- he wouldn't be listened to when he would protest or state his innocence in that situation.

Q. Well, it sounds like you didn't -- you weren't really impressed with the way the process worked?

A. I think it was just bad timing, I mean, if there was a bust of a company now, it would be a singular event, whereas, at that time there was so much focus.

Q. It was the whole industry that was being questioned?

A. Right, and, you know, telemarketing in itself is not a bad industry, but there can be bad people involved.

Q. Let me ask you this:

Can you disassociate that whole experience, what your husband and you went through, and sit as a juror in a criminal case like this?

A. I can, I can.

Q. I mean, this is a considerably different kind of case than what he went through in regards to

telemarketing 10 years ago, is that correct?

A. Yes.

Q. Anything about your experience that you think would make it difficult if not impossible for you to be a fair and impartial juror in this case?

A. No.

Q. Can you set that all aside and just concentrate on being a juror in this case?

A. Yes, I can.

Q. And not let any of that interfere?

A. Yes.

Q. Okay. Have you ever been on a jury before?A. No.

Q. Okay.

Do you think that you can withhold forming an opinion about any aspect of this case until you have heard all the evidence and been instructed on the law?

A. Yes.

Q. Okay.

Do you think, considering your husband's experience, yours and your husband's experience, do you think that you have a neutral, healthy perspective as you approach jury service so that if you were the defense or the prosecution, you would be comfortable being a juror on the jury that has your frame of mind?

Lee M. Bahr, CCR 173

A. Yes.

THE COURT: Okay. All right, that's fine. Ms. Kollins?

VOIR DIRE EXAMINATION OF JUROR GREGG BY MS. KOLLINS:

Q. Ms. Gregg, do you know what prosecution office handled your husband's case? Was it the D. A.'s office or the Attorney General?

A. I think it was the Attorney General. It was big. I think there was a task force.

Q. That would be the Attorney General.

How did -- what did you think about how they handled the case?

A. I think that they wanted to make some headlines, and let the public know that, yes, they are attacking this problem.

There was news media there, and they took everybody out in handcuffs, and, you know, I think when it got into the courts, it was handled fairly, but I just think the mindset, it could have been just his lawyer saying, hey, you know, you are not going to get a fair shot here.

We didn't know. We don't know anything about, you know, never having been in that situation.

We have always just honorably, and it just --

Lee M. Bahr, CCR 173

it was a sad thing, you know, it took its toll on my husband.

Q. I understand.

Obviously, as a prosecutor's office, are you going to be able to -- I mean, it was difficult for your family, it was a difficult time.

Obviously, you feel a little bit politically targeted, if you will. This case has nothing to do with that, would you agree?

A. Oh I totally understand.

Q. Okay.

And so any feeling, you know, any unpleasant feelings you have towards that prosecutor's office, is it going to bleed over to the State's case?

A. No, no.

Q. You would give the State and these victims a fair trial?

A. Yes.

Q. As well as the Defendant?

A. Yes.

Q. The Judge gives you some instructions, and you swear under oath to follow those instructions.

Are you going to follow them even if you disagree with one or more of them?

A. Yes.

Lee M. Bahr, CCR 173

Q. Any obligations you have going on personally that would distract you for service to the end of this week and to the beginning of next?

A. No, no, otherwise -- I happen to be in a job that I love right now, you know, I have always wanted to be on a jury when I was working retail, you know. That would be nice but, you know.

Q. Just set me free here.

A. Yeah.

Q. You are clear? You won't have any problems with being here a few days?

A. No.

MS. KOLLINS: Pass for cause.

THE COURT: Mr. Landis?

MR. LANDIS: Thank you, Judge.

VOIR DIRE EXAMINATION OF JUROR GREGG

BY MR. LANDIS:

Q. I am sensing a little regret in that decision you guys or your husband made to plead guilty?

A. It was.a hard decision.

Q. Is there some regret?

A. Regret in that there didn't seem to be a better choice.

Q. There is always one of these.

A. One of these what?

Lee M. Bahr, CCR 173

Q. Trials.

A. That's true.

But I -- it would have been harmful to my husband to go through that again.

Q. What do you mean harmful to your husband?

A. Harmful to his health. Too much stress.

Q. Okay.

A. But he is a real fighter, and if he at if he didn't think that he was being understood and having an opportunity to be heard, it would really upset him.

Q. And you guys, and I think you mentioned this, you had a lot of discussions with an attorney that you had in the case?

A. Yes.

Q. Regarding that decision?

A. Yes.

Q. Are you saying there is a risk associated with deciding to go to trial?

A. I think so. Based on this, yeah, you make a decision as to what is going to be best for a person.

Q. And kind of sometimes cutting your losses or reducing your risks, is that something that motivated his and your decision?

A. I think it -- no, it -- he never had a doubt about his innocence but it was more forcused on

Lee M. Bahr, CCR 173

his health.

Q. Okay.

If he would have been in better health, do you think the decision might have been different?

A. Yes.

Q. What part of the system do you think was the greatest cause for that in being put in a position where pleading guilty seemed to be in his best interests?

A. I think it was the politics of the time, the timing of it, and he didn't even work there that long.

He didn't make any of those big bucks, you know, harming innocent people. It's in our past, and, you know, and we are going along.

Q. Does -- is your view of the system different now as a result of what happened then?

Do you have any less faith in the system than you did before that?

A. I don't have any less faith. I have a little more insight.

Q. Do you think there might just be some wrinkles where it doesn't work quite fairly if you wouldn't have one of those wrinkles?

A. Yes.MR. LANDIS: Thank you.Pass for cause, Judge.

Lee M. Bahr, CCR 173

THE COURT: All right. Approach the bench. (Whereupon, a brief, informal discussion was had at the bench between the Court and counsel.)

THE COURT: Okay.

We are going to ask the following two jurors to go ahead and step down, and report back to the third floor Jury Commissioner's office. That would be Becky Hansen and Robert Franklin.

(Juror Hansen and Juror Franklin excused at this time.)

THE COURT: We will replace Becky Hansen with Aminne Menghisteab, how do you say it, Menghisteab?

JUROR MENGHISTEAB: Yes.

THE COURT: And we will replace Robert Franklin with Barbara Wagner.

And then as soon as we get all situated here, we are going to take a break.

We are getting very close.

Ms. Menghisteab, in the middle seat in the back row, and Barbara Wagner, okay.

We are going to take a 10 minute break.

Everybody will get a chance during this 10 minute . break to go to the bathroom.

Within the next 10 minutes, just relax.

In the next 10 minutes, we have got to go through

All right. Okay. Have a seat there. Be seated. Anyone in the empty seats? We have one here. Great, all right.

All right. Now we have got all of the blank spots filled in?

Okay. Do the parties want to stipulate to the

MS. LUZAICH: Sure.

MR. BANKS: Yes, sir.

THE COURT: Let's see, I believe it's -- okay.

495

VOIR DIRE EXAMINATION OF JUROR MENGHISTEAB BY THE COURT:

Q. Okay. And where are you from?

A. Originally from the jungle.

Q. From the jungle where?

A. A country called Atrios (phonetically). It's in Africa.

Q. Okay. And how long have you been away . from there?

A. Most of my life, 35 years.

Q. 35 years. What do you do for a living?

A. Taxi driver.

Q. Taxi driver is what you said? That's

Lee M. Bahr, CCR 173

what you have done all the time that you have been here? Α. In Las Vegas. Q. Okay. Are you married? Α. Yes. And does your wife work? Q. Α. Yes. What does she do? Ο. Housekeeping at the Riviera. Α. Q. At the Rivera. Who do you drive for? Whittlesea Cab. Α. Q. Whittlesea Cab? Okay. Do you have any grown children that are employed? Yeah, I have a 10 year old boy. Α. Ο. A 10 year old. Okay, and that's the only child you guys have? Α. Yes. Q. Okay. Have you ever been trained in any type of law enforcement? Α. Old family was. Q. Did you give you any special training? Α. What? Did they give you any special kind of Q. training? 30 hours of training. Α. Q. 30 hours of training?

Lee M. Bahr, CCR 173

702-804-6167 AA 000812 496

497

A. Yes.

Q. Security, law enforcement type training?

A. No, just the Spanish on the roads, if you have a problem to work with it.

Q. Okay. How many years ago was this?

A. It was 1977.

Q. So almost 30 years ago?

A. Yes.

Q. Okay. Anybody close to you, relatives or close friends that are employed in law enforcement?

A. No.

Q. Okay.

Have you, or anyone close to you, ever been the victim of or accused of any kind of sexual related offense?

A. 1982, my brother was killed in Europe.

Q. He was killed, was murdered?

A. Yes.

Q. Okay. Did that result in some prosecution? A. No.

Q. No one was ever caught or prosecuted for

that?

A. No.

Q. And that was just -- was it just a random, how did -- what were the circumstances?

A. He was working for Rateece (phonetically)

Lee M. Bahr, CCR 173

at that time, and he was assaulted at that time, and the Spanish, he was killed in New York when he was trying to esacpe, and they never find any body, and that was the end of it.

Q. That was the end of it. You just never heard anything else about it.

A. As far as leave Europe for the rest of my life.

Q. Do you think that you would harbor some animosity towards police or the prosecution because of the fact that no one was ever caught or prosecuted for that?

A. Not killed? Whatever it would be.

Q. It is a completely different case, nothing to do with this.

A. Yes.

Q. So the fact that that happened 26 years ago in where, New York you said?

A. Yes.

Q. You would not hold that against the Henderson Police Department or the District Attorney's office because no one was caught or prosecuted?

A. Not yet, but I have recently heard some reports of Henderson police.

Q. You have been recently hearing bad things

498

about the Henderson police?

A. Yeah, but as to molesting some kids with the Henderson police. Help with the families, and they learn a lesson.

Q. Are you by any chance referring to the --

MS. LUZAICH: The inquest that's going on upstairs? THE COURT: Yes.

Q. There is an inquest going on upstairs right now in regards to a --

A. Yes, I know.

Q. Is that one of the things you were referring to?

A. Yes.

Q. Do you understand that that doesn't involve any of the police officers in this case.

A. I don't know any of the police officers that
 were involved. I don't know.

Q. Okay. Well, I am just making a statement that none of the police officers in this case are involved in that particular incident that is going on right now at the inquest.

Would that cause you some kind of problem about sitting on a jury?

A. No.

Q. In a criminal case and seeing a police

Lee M. Bahr, CCR 173

officer from the Henderson Police Department testifying?

A. No.

Q. Would you hold anything against a police officer from the Henderson Police Department from the things that you may have heard?

A. No.

Q. Can you be fair and impartial to both the State and the Defense?

A. Yes.

Q. And set aside anything that you may have heard about some particular officer?

A. Yes.

Q. Okay. Any other incidents where anybody close to you has been the victim of a crime of any sort?

A. No.

Q. Okay. Have you ever been on a jury before?

A. I was called, but I was excused.

Q. Okay. So you were in a jury pool, but you never actually sat on the jury?

A. No.

Q. Okay. Can you think of any reason that I haven't touched upon that may bear upon your ability to sit as a juror in this case, and be fair and impartial to both sides?

A. Yeah, I have some problems in California,

Lee M. Bahr, CCR 173

and some of these from my ability listen to the medical . . .

Q. You said medical?

A. Yeah.

Q. What kind of medical issue are you referring to?

A. Well, my prostate, I'm having it corrected, and I have neck and back injuries from the car accident.

Q. Can you sit for like an hour, an hour and 15, 20 minutes?

A. I can sit, but it is very painful unlessI take some pain pills.

Q. I haven't really explained this, but any time that you are sitting there, and you start to get stiff or sore, if you need to stand up and stretch, or whatever, that's certainly permissible. You don't have to sit there. You can stand up and stretch, and if you need to go to the restroom, or if you need to actually have a break, you can raise your hand, you let the bailiff know, and then we will take a break.

Would that help you out?

A. Yeah, definitely.

Q. Would you be able to sit as a juror under those circumstances?

A. I can do but my second thing, after an hour

Lee M. Bahr, CCR 173

or two, my ability to listen and to grasp the material in discussing because I cannot understand everything.

Q. You lose your ability to focus after an hour or two?

A. Yeah.

Q. Me, too.

A. That's why I was excused from the last jury pool.

Q. Well, I mean, I am serious. If you really have difficulty focusing, and being able to pay attention for a period of time, I mean, you really need to be able to focus on something for more than an hour.

If you really aren't able to do that, if you have a problem, either a medical problem or some other kind of an issue that prohibits you from being able to do that, I don't mean to make fun of it, I am not making fun of it. I am serious.

If you have a problem doing this, that's why I am asking you these questions because you should be able to do that even if we.try to make arrangements so that you can stand up and take breaks, and we try to take breaks every hour, 15, 20, 30 minutes. I haven't been very good about it. But, I mean, if you have a problem, now is the time to say so.

A. Well, primarily for me, it is not with me,

Lee M. Bahr, CCR 173

and I don't discuss things I don't get in discussions if I miss several points, I cannot tell you or discuss.

Q. Well, once again, you will have the ability. You are going to have notepads, and you can take notes during the course of the trial if you want to make little notes on something, you will have a chance to do that?

A. Okay.

Q. And I will give you all kinds of instructions on that. Would that help you out?

A. Maybe.

Q. Okay. Would you be comfortable if you were the Defendant or the prosecution with somebody in your state of mind sitting on the jury? Would you be comfortable with that?

A. Yes.

THE COURT: Okay. Good enough

VOIR DIRE EXAMINATION OF JUROR MENGHISTEAB BY MS. LUZAICH:

Q. Sir, when you talked about your brother, it appeared that you were getting a tad upset.

Is that something that you are going to relive through the course of the trial?

A. That doesn't have any relationship with the trial, just my watching it on tape.

Q. Okay?

Lee M. Bahr, CCR 173

A. That is a special person for me.

Q. Of course, of course.

A. It was my brother. With my family. But I have nothing to do with trial.

Q. Well, of course, that has nothing to do with the trial, but like the gentleman this morning, his mother was murdered. You know, that's a very traumatic event.

It's a traumatic event for you as well.

So is -- are you sure that you would be able to sit through the trial with that in the back of your mind?

A. Yes.

Q. Okay. You talked about not being able to focus and grasp things. What do you mean by that?

A. Well, the law, and I don't know if I can understand this.

Q. Okay. I mean, we are going to have 20 some witnesses come in here and tell you about events that happened one weekend in February?

A. Yes, that is what I was telling you.

I don't know about this. Perhaps I don't understand the terms and make a decision. From my viewpoint it would not be fair, and I want to be fair. MS. LUZAICH: I would challenge.

Lee M. Bahr, CCR 173

MR. LANDIS: The Court's indulgence.

MR. LANDIS: We will submit it, Judge.

THE COURT: All right. I think under the circumstances, Aminne, we are going to go ahead and have you step down and go down to the third floor.

There are some other matters that are going on here that probably wouldn't be quite as taxing as this. So why don't you go down to the third floor. You go back to the Jury Commissioner's office, and they will work with you and reassign you, okay?

JUROR MENGHISTEAB: Thank you.

THE COURT: I appreciate it. Thank you very much.

(Juror Menghisteab excused at this time.)

THE COURT: We are going to replace Aminne Menghisteab with --

THE CLERK: Robbie Holley, badge 281.

THE COURT: Robbie Holley.

THE CLERK: .R-o-b-i-e.

VOIR DIRE EXAMINATION OF JUROR HOLLEY BY THE COURT:

Q. Mr. Holley?

A. Yes, sir.

Q. How long have you been here in Las Vegas?

A. 36 years.

Lee M. Bahr, CCR 173

506 Ο. What do you do for a living? Α. I am a county dispatcher. I was with Whittlesea, and now I work with with Sierra Health. Q. Do you know him? Α. Yes, sir. Really? Ο. Α. Yes. Q. Not too long ago we had a wife and then five minutes later, we called her husband on the same jury panel. Okay. That didn't last long. How long have you worked for Whittlesea? Α. Whittlesea, I have worked for eight years. Q. Okay. Α. And I have been with Sierra now for going on 10 years. That's fine. Are you married? Q. Yes, sir. Α. And does your wife work? 0. Α. Yes, sir. Q. What does she do? Α. She works for Bank of America, something to do with computers. Okay. Do you have children? Q. Yes, sir, two. Α. Grown? Q.

Lee M. Bahr, CCR 173

A. Yes, they are both grown. One is assistant manager at Wal-Mart. The other one is in real estate, and he also rents his office for taes for Hewitt Jackson, is that right, Hewitt?

Q. Right, good. Have you ever had any training in law enforcement?

A. No, sir.

Q. Has anybody, any close family or relatives, or friends, been employed or trained in law enforcement?

A. Well, I have two uncles in New York City, that retired, police officers.

Q. New York police?

A. Yes.

Q. Are you close to them?

A. Well, they are my uncles, yeah. Not really,real close. I don't talk to them maybe once a year whenI go back and visit my mother.

Q. Okay. You don't discuss their work as police officers?

A. Not really.

Q. Anything about that relationship that would affect your ability to be on a criminal jury in a case like this, and be fair and impartial to both sides?

A. No.

Q. That or anything else you can think of in

Lee M. Bahr, CCR 173

your background that would cause you to give the testimony of a police officer any different weight, any greater or lesser weight than any other non police officer witness?

A. No.

Q. Have you, or anybody close to you, ever been accused of or the victim of any kind of a sexual related offense?

A. No.

Q. Have you, or anyone close to you, ever been the victim or accused of any other kind of criminal activity?

A. No.

Q. Okay. Have you ever been on a jury?

A. 18 months ago.

Q. Really:

A. Yes, sir, five day trial, criminal trial.

Q. Five day criminal trial?

A. Yes, and I was the alternate on the jury.

Q. And you were an alternate on the jury?

A. Yes, right.

Q. Okay. So I take it then that as a juror, they deliberated, and they held you in reserve?

A. Yes, exactly right.

Q. Did you -- you didn't actually participate then in the actual deliberation, or did you?

A. No, I didn't.

Lee M. Bahr, CCR 173

Q. Okay. You weren't called upon as the alternate to go, to help deliberate, okay.

Did you come in when the jury came back in? Did you come --

A. No, they called my.

Q. And they told you that the jury had reached a verdict?

A. Yes.

Q. Okay. And that wasn't very long ago either.

A. Five days was it.

Q. No, I mean, it was only a year and a half ago?

A. Yeah. For some reason, every 18 months I get called for jury duty. You know, for some reason, I don't know what it is, but, you know, I have been questioning this, because I work with 250 people, and two of us get called every 18 months for jury duty, and the others never get called so, I mean, I don't understand how that system works.

Q. Actually, I don't know enough even to give you an answer. I would love to but I don't know. I don't even know how it comes to pass.

So you actually have been called to jury duty on more than one occasion?

A. Oh yes, definitely, sir.

Lee M. Bahr, CCR 173

Q. But you only got in the box to hear a trial just the one time and then it was as an alternate.

Okay. Well, is there anything about that experience of being on that jury, or any of the vast experiences of being in the jury pool that would make it difficult for you to be on this jury, and sit as a juror in this case, and be fair and impartial to both sides?

A. No.

Q. Okay. Because it is important that whatever went on, even as a juror, as an alternate juror, you heard all the instructions. You heard everything.

So it's important that you set aside anything that you have in your mind about that experience, and any of those instructions. I don't know what kind of a case it was, and a lot of it may not apply here so you need to set aside all of that information, leave it outside. Don't think about it. Don't consider it and pay attention to just the evidence that you hear in this case, and the instruction that I give you about this case.

Can you do that?

A. Yes, Your Honor.

Q. Okay, that's all I wanted to know.

So can you think of anything else that I haven't touched upon that might bear upon your ability to be fair and impartial to both sides of this case? 510

Lee M. Bahr, CCR 173

Α. No, but there is one thing you didn't mention that I wanted to. Q. Go ahead. Α. I am an honorable discharged veteran, and I am very proud of that. Q. You are an Army --Α. No, honorable. Ο. You are an honorable --Α. Discharged veteran. Discharged veteran? Q. A. Right. Q. Okay. Of the United States Air Force. Α. (Applause.) 0. Congratulations. Good for you. Α. Thank you. Q. Okay. So, now listen, do you think that it you have -well two things. First of all, can you withhold forming any opinion about anything having to do with this case until all of the evidence has been presented, and I instruct you on the law. Can you do that? Α. Yes. Q. That is real important.

Lee M. Bahr, CCR 173

702-804-6167 AA 000827 511

512

A. Yes, sir.

Q. Okay. If you were the Defendant or the prosecution in this case, would you be happy, satisfied with a juror sitting on the jury that has the frame of mind you have?

A. Yes, sir, I would.

THE COURT: Okay. Go ahead.

VOIR DIRE EXAMINATION OF JUROR HOLLEY BY MS. LUZAICH:

Q. Mr. Holley, how long did you serve in the Air Force?

A. Four years.

Q. And in your time, well, what did you do with the Air Force?

A. I was a crew chief, which was basically I supervised work done on the jet aircraft.

Q. Okay. And in all your time with the service, did you ever have occasion to participate in a court martial, . Article 15,, or anything like that?

A. No.

Q. Not as a witness even?

A. No.

Q. You know, it's funny, once you serve, you are not supposed to get called for two more years. So you should complain to someone about that. But with all your

Lee M. Bahr, CCR 173

experience, you are getting better at this than I am.

When you sat as an alternate in the criminal jury, did that frustrate you, having to listen to sit there and listen for five days and not deliberate?

A. No.

Q. Are you worried that that might happen again now?

A. No.

Q. Okay. What were the nature of the charges in the case that you heard. Do you remember?

A. Yes, do you want me to tell you what the charges were?

Q. The charges. What was the person charged with?

A. Attempted murder, two counts.

Q. With a weapon?

A. Yes.

Q. Okay.

So you would have in that case heard a lot of evidence about, you know, weapons, and what not, and probably some medical evidence.

You know, you are going to be asked to listen to the witnesses, and the expert testimony, if there is any in this case, and kind of forget about what you learned in that case. Is that possible?

514

A. Yes.

Q. Okay.

There was no sexual assault, no sexual allegations, or anything like that, so no sexual assault instructions, or anything?

A. No.

Q. Okay. Additionially, the law in the State of Nevada -- well, the law everywhere, but especially in the State of Nevada is very fluid. It's ever changing. So it is possible that instructions that you received then may not be good law now, do you know what I mean?

A. Yes, I.do.

Q. So when you hear the instructions from the Judge at the end of this trial, can you only rely on those instructions and not go back there, and say, well, you know, in the last trial I was in, they said, this and this instead?

A. Yes, I can. That's the backbone of the whole system.

Q. Absolutely.

A. In the instructions.

Q. Absolutely.

So when the Judge just read to you the instructions, if there are any instructions that you don't agree with, what are you going to do? .

515 Well, whether I agree with them or not doesn't Α. matter. That's the law. Ο. And you will follow it? Α. Always. Q. Whether or not you agree? Α. Yes. Ο. Write to the legislature if you have to? Α. Well, I mean, this -- we got the best system in the world in my opinion so --Q. Okay. As a dispatcher for like 18 years, you have dealt with many --Α. I did it a lot longer than that. Ο. In your experience of any of the cabbies that have worked for and with you, been victims of robbery? Α. Oh yes. And did you in any way participate in any of Q. those investigations? Α. No. Q. Any of them investigated, as far as you know, by the Henderson Police Department? Α. No. You mention that your wife does something Q. with computers at Bank of America? Α. Yes.

Lee M. Bahr, CCR 173

Q. She is a computer person?

A. Right.

Q. Has she always worked with computers?

A. Yes.

Q. Okay.

If you served as a juror in this case, and you go back in the deliberation room, something you didn't get to do before, if 11 of your fellow jurors feel one way, and you feel the other way, what are you going to do?

A. Well, I will give my point, and you want me to elaborate and tell you why?

Q. Sure, sure.

A. Okay. One thing I do, I'm a devout Christian, and I believe that we all are going to be held accountable to a higher power one day, so whatever -what I do is, I will -- I take things right down the middle because if I think that you guys proved your case, then that's the way it is going to go.

If I think you didn't prove your case, then it's going to go to the Defendant, and, you know, I am going to try to take myself out of it because I know one day someone is going to ask me, you know, why did you put yourself into this, and put your own personal opinion into it.

Do you understand what I am trying to say here?

Lee M. Bahr, CCR 173

In other words, I know the law is the law so we have to follow it. Otherwise the whole thing falls apart.

Q. Okay.

So if you feel differently, you are going to argue to them why you believe what you believe?

A. Right.

Q. Try to persuade them of your point of view?A. Right.

Q. Now, if they are able to point out to you something that maybe you missed or misheard, is it possible that you could change your mind?

A. Yes, that's what it is all about, right?

Q. Uh-huh, well, yeah. But if you are sure about your position, you will stick to your guns?

A. Oh yes.

Q. Okay. Do you have any problem sitting in judgment of someone?

A. No, not because that is our system and, you know, it works.

Q. Okay. '

So, if at the end of the trial, after you hear all the testimony and see the evidence, if you are convinced beyond a reasonable doubt the Defendant is guilty of the crimes he is charged with, would you be able to say, guilty?

A. Yes.

517

MS. LUZAICH: Thank you.

Pass for cause, Judge.

THE COURT: Who is next?

VOIR DIRE EXAMINATION OF JUROR HOLLEY BY MR. BANKS:

Q. Hi, Mr. Holley.

A. Hi.

Q. Is it the Air Force that brought you to Las Vegas?

A. Yes.

Q. Okay.

What was your gut feeling when you heard this was a sex assault case?

A. Basically, when I hear sexual assault, a rape case, you know, but I didn't form an opinion guilty or not guilty, you know, of this.

Q. Okay.

A. It is what it is.

Q. Okay.

Do you think that whole presumption of innocence thing is maybe a little harder to implement than, say, you know, a case where somebody steals a candy bar, or something like that, in a case like this?

A. Well, yeah. It is just like earlier I heard you guys talking about the life experiences, and, you know,

Lee M. Bahr, CCR 173

the things that each and everyone of us have been through. You know we form certain opinions on different things, but you know the whole point of this is to set off on the other side.

Q. Okay.

A. And listen to just the evidence and go to that.

Q. Okay. I mean, it's a pretty explosive charge, I mean, you hear it, and it's like, you know, it hits you?

A. Yes.

Q. Is it harder in a case like this to do what you just said chair, which is set all of that stuff aside. It almost kind of defies common sense?

A. Yes.

Q. I mean, for part of our, I guess if in the end, we are just -- we are all made up of our experiences, and that's partially how we arrive at how we perceive things, isn't it hard to set that stuff aside?

A. Well, me, we are talking about me.

Like I said, I put my faith on a higher power, and my higher power says, do things the right way. Just do the right thing, and if you do the right thing, you won't have any problem.

See, this way I won't -- I take myself out of

Lee M. Bahr, CCR 173

it as much as possible.

Q. Okay.

A. And just go with the evidence --

Q. Okay. And --

A. -- or lack of evidence, or whatever.

Q. Okay.

And for you the right thing is whatever comes from the witness stand, look at the evidence, and that's what we've got to base it on?

A. Exactly.

Q. Okay.

Do you think that an accuser in a sex assault case needs to act a certain way?

A. Well, just like I heard someone say earlier, everyone is different.

Q. Okay.

A. And no, I don't think they have to act a certain way.

Q. Okay. So no preconceived notions about something like that?

A. No.

MR. BANKS: Okay. I think that's all I have. Thank you for your answers, sir.

JUROR HOLLEY: Sure.

MR. BANKS: Pass for cause, Your Honor.

Lee M. Bahr, CCR 173

VOIR DIRE EXAMINATION OF JUROR WAGNER BY THE COURT: Ο. And then we have Barbara Wagner? Α. Correct. Barbara, how long have you been in Las Q. Vegas? Since I was two months old. Α. Q. Okay, good for you. What do you do for a living? Α. I am a high school registrar. At which high school? Q. Centenniel. Way out on the north side. Α. Q. Is Janice Roland the principal? Α. No. She is at Cimarron. Ο. Cimmaron, right. Carolyn Leavitt was the first principal. Okay, I know who that is. And how long Q. have you worked there? At Centenniel, since the fall of 2000. Α. Q. Okay. How long have you been with the school? 13 years. Α. Q. Excellent. Are you married? Yes. Α. Q. And your husband does what?

Lee M. Bahr, CCR 173

702-804-6167 AA 000837 521

Α. We have an embroidery store, and he does custom embroidery on businesses, you know, their shirts, the left chest. Ο. Logos, and that kind of stuff? Α. Yes. Ο. Does he have one of those big computerized machines that does all that? Α. He has three. He has three? Ο. Α. Yes. Q. He doesn't sit at a sewing machine doing that? Α. No. Okay. That's how I do it. And you have Q. any grown children. Α. I have four boys grown. Q. What do they do? Start with the oldest one down. The oldest is 25, and he works in the Α. store with my husband. My second oldest is married and lives in Frado, Texas and is attending school there and working full-time. And my third son, who is -- well, my second son is 24, the third son is 23, and he is at UNLV. He

Lee M. Bahr, CCR 173

702-804-6167 AA 000838 522

works -- he goes to school full-time, and he works for Wright Engineering, and my youngest son is 21, and he attends UNLV, and he works part-time for Sierra there.

Q. Excellent. Have you ever been trained in any kind of law enforcement?

A. No.

Q. Have you, your close relatives, anybody close to you, employed in law enforcement?

A. My brother works, now he works for LAPD. He is a documents examiner. He retired from Metro here.

Q. He retired from Metro here after how many years?

A. 29.

Q. What's his name?

A. William Lieber (phonetically).

Q. Okay.

And then he moved into the L. A. area and works as a document examiner?

A. He did the same thing here as he does there.

Q. Oh, okay. Anything about that -- your brother, you are close to him, I believe?

A. Yes.

Q. Anything about that that your brother has been a police officer for Metro that would cause

you any difficulty with being on the jury and listening to a police officer's testimony?

A. No, I don't believe so..

Q. As a documents examiner, your brother probably spent a lot of time going to court?

A. Yes, he does.

Q. I take it you would be able to treat the testimony of a police officer witness the same as any other witness?

A. Sure, yes.

Q. Would you give their testimony any greater weight than anybody else?

A. No.

Q. Now, have you, or anyone close to you, ever been the victim of or accused of a sexual related offense?

A. I have a cousin, a cousin that's not very close to me, who was raped by an employer when she was about 16, but I didn't even know about it until probably 20 years after it happened 10 years ago. I'm not -- I haven't talked to her for 10 years.

Q. Is there anything about that incident involving your cousin that would cause you any difficulty in being a juror on a case like this?

A. I don't believe so, you know, I wasn't

Lee M. Bahr, CCR 173

involved and --

Q. You weren't involved with it at all at the time because you didn't know about it until 10 years after it happeend?

A. Right.

Q. And can you set that all aside?

A. Yes.

Q. And just in a case like this, base it strictly on the evidnece that you hear?

A. Yes.

Q. Okay. Have you ever been on a jury before?

A. No.

Q. Have you, or anybody close to you, ever been the victim of or accused of any other kind of a crime?

A. One of my sons was arrested for possession of drug paraphernalia.

Q. A misdemeanor?

A. Yes.

Q. I assume that he was young or was he over --

A. He was young. He wasn't super young. He

was 18.

Q. So he was treated as an adult?

A. Yeah.

Q. Okay. Did you follow along what happened to him as a result of that?

Α. You mean as far as letting him sit in jail before I bailed him out? Well --Ο. Α. Yes. Q. I didn't think anybody did that. Well, in the actual prosecution of the case, did you follow along? Α. You know, we had an attorney that went in there, you know, and he --0. And made a deal? Α. Yes. Q. Okay. Was there anything about the way the case was handled that gave you a problem? No, I don't think so. Α. Q. Do you think everybody was treated fairly? Α. Yes, I believe so. Did you see anything about the way the Ο. system works that you thought was out of line? Α. No. Q. You wouldn't hold against the Police Department, or the prosecution, the fact that your son was charged with, and I presume you made some kind of an arrangement? Α. Yes.

Lee M. Bahr, CCR 173

702-804-6167 AA 000842 526

Q. Or negotiated?

A. Yes, we did.

Q. As a resolution?

A. Yes, we did.

Q. Anything about any of that that would cause you to hold any animosity towards the Police Department or the District Attorney's office?

A. No.

Q. Okay. Did I ask you already if you have been on a jury?

A. Yes, you did ask, and no, I have not.

Q. I have asked that a couple of times.

Is there any reason why you would be unable to withhold forming an opinion until after you have heard all of the evidence and been instructed on the law?

A. No.

Q. Do you think that you have a healthy, neutral frame of mind approach to your job as a prospective juror in this case?

A. Yes, having the boys that close, you again try to listen to both stories.

Q. You listen to disputes amongst your boys?A. Yes.

Q. And you pay attention, and you listen to everybody, and then figure out who is telling the truth

Lee M. Bahr, CCR 173

702-804-6167 AA 000843 527

and who is not?

A. Right.

Q. Good for you. Are you pretty good at it?

A. Well, you can't always be absolute with your children because, you know, they fib, and things like that, but, you know, you try to do your best to --

Q. Sort it out?

A. Reason it out so that you can sort it out.

Q. All right. If you were the Defendant or the prosecution in this case, would you be comfortable with a juror being on the jury that has your frame of mind?

A. I believe so.

THE COURT: Okay.

MS. KOLLINS; Thank you, Judge.

VOIR DIRE EXAMINATION OF JUROR WAGNER BY MS. KOLLINS:

Q. Good afternoon. How are you?

A. Good.

Q. Ready to get out of here?

A. I am sure everybody is.

Q. Let's cut right to the chase. You are -you know Brian Murray?

A. I -- hé worked at Western High School when I worked there.

Lee M. Bahr, CCR 173

Q. Were you a registrar?

A. I was a secretary, curriculum secretary.

Q. So what kind of interaction do you have with Mr. Murray?

A. Not very much interaction with him other than, you know, the students always want to know what their schedule is going to be ahead of time, you know, and who the instructor is going to be, if it is going to work better for them, or, you know, that kind of stuff, but generally, I get a lot of that with them.

Q. Did you socialize with him outside of school, unrelated school related?

A. No, I did not.

Q. If Mr. Murray comes in here and testifies, are you going to accept his testimony as you would would any other witness or hold him in a higher regard just because you know him professionally?

A. No, he would be the same as anyone else.

Q. So you weren't the kind of associates where you got to have coffee or lunch?

A. No.

Q. Or anything like that?

A. No.

Q. You just know him?

A. Yes. •

Lee M. Bahr, CCR 173

MS. KOLLINS: Okay, thank you. Pass for cause, Judge.

VOIR DIRE EXAMINATION OF JUROR WAGNER BY MR. LANDIS:

Q. I want to talk just briefly about your son's arrest. I am guessing, and correct me if I'm wrong, you found out about it when he called from jail?

A. Correct.

Q. What did he say?

A. I don't like it here. Can you bail me out?

Q. Was the first thing he said, mom, I got

arrested? Well, I assume from the --

A. Probably something to that effect.

Q. Probably from the recording, you knew where he was phoning from?

A. Yes, right.

Q. He said something like, mom, I got arrested. Was your first thought, how dare they arrest my son, or what did you do?

A. My first question to him was what were you arrested for?

Q. And his answer was drug paraphernalia?

A. Yes.

Q. What was the next question?

A. What did you do?

Lee M. Bahr, CCR 173

Q. And did he admit to it?

A. Yes.

Q. How long did you make him sit in jail?

A. Well, it was overnight night.

Q. You talked a little bit about settling a little bit about settling disputes amongst the kids and how sometimes kids like to fib?

A. Correct.

Q. What do you think motivates them to do that, at least with some of the reasons that kids use today?

A. Well, my two oldest are very competitive, and sometimes it's just their competitiveness.

The second oldest was bigger and older by my definition, so, I mean, you know, they are boys and like for many, many times earlier, boys will be boys, you should have little girls, and yeah, I know the difference, I mean, all of my boys are very different, and they different things, they express themselves differently, and, you know, you have to take that into account when they are trying to make their way through the mud.

> MR. LANDIS: That's right. Thank you. I will pass for cause.

THE COURT: All right. Folks, come on up. (Whereupon, a brief, informal discussion was

Lee M. Bahr, CCR 173

had at the bench between the Court and counsel.)

THE COURT: All right.

We are going to ask the following two jurors to go ahead and step down, please, and that would be Susan Gregg and Mark Snelling.

We will replace them Susan Gregg with Stephanie Abernathy, and we will replace Mr. Mark Snelling with Bonnie Brunson.

(Juror Gregg and Snelling were excused at this time.)

THE COURT: And Stephanie, you will the chair in the back row to the left, and Bonnie, you will be taking the chair on the lower right.

VOIR DIRE EXAMINATION OF JUROR ABERNATHY BY THE COURT:

Q. Okay. So it is Stephanie Abernathy, right?

A. Yes.

Q. Stephanie, and he, how long have you been in Las Vegas?

A. 22 years.

Q. Is that how old you are?

A. Yeah, but I wasn't born here.

Q. Okay. .Where were you born?

A. In New Jersey.

Lee M. Bahr, CCR 173

Q. Okay. Do you work or do you go to school right now?

A. I am a free lance makeup artist. I work for myself, and I do showgirls, I do makeup, and I also work for a couple of real estate companies, but not right now because it's so bad.

Q. Okay. Real estate is pretty bad. All right, and are you married?

A. No.

Q. No children?

A. No.

Q. Okay. Have you ever been trained in law enforcement?

A. No.

Q. Have you, or anybody close to you employed in law enforcement?

A. No.

Q. Have you ever had any kind of experience with law enforcement that would have some effect upon your sitting as a juror in this kind of a case?

A. I have had experience with law enforcement, but not that way but not in that way as far as compared to judgment.

Q. Nothing that would make you give the testimony of a police officer any greater or lesser weight than non

police officer would have?

A. If you asked me a year ago, I would have said yes, but I was young and stupid, and I wouldn't choose them over anyone else.

Q. Okay. Have you ever been called for jury duty before?

A. No.

Q. Have you, or anybody close to you, ever been the victim of, or accused of any type of sexual related offense?

A. No.

Q. Okay. Have you, or anybody close to you, ever been the victim of or accused of any kind of a -any other kind of criminal offense?

A. I was actually arrested in 2006, in Henderson, but it wasn't anything particularly formal arrest connected with that.

Q. Did anything happen as a result of the arrest?

A. I had to go to court, but it was amended to a lower -- a lesser charge.

Q. What was the charge?

A. It was assault and battery, but it got amended to a gross misdemeanor because it was with a roommate, from a relationship. 534

Q. Okay. You and a roommate got into a beef? A. Yes.

Q. Okay. And were you the only one who got arrested?

A. Yes, I was, and I was also the one who called the police.

Q. You were the one who called the police, and you were the one that was arrested? Did that cause you any problems?

A. That is not funny. There is a reason. It is serious.

Q. No, I am sure of that. Did that cause you a problem?

A. No, it's always been good after, it was a year ago. I used to have the whole outlook about police not really doing their job, but I think I can now admit that I was drunk, and I did give up something, and I did what I had to do.

Q. But it wasn't like domestic violence?

A. Yes, it was. It wasn't an assault and battery. It was domestic violence.

Q. Okay. That's what it would normally be if they showed up in the room that you were having a -but you pled guilty to disorderly conduct?

A. Actually, I was really distraught over

Lee M. Bahr, CCR 173

it, but then my attorney just gave me -- just told me to to take the deal, but I didn't like that.

Q. But you didn't plead guilty to domestic violence?

A. No.

Q. You only pled guilty to disorderly conduct? It was disorderly?

A. Disorderly, yes.

Q. Okay.

Anything about that entire scenario of events that is going to cause you any kind of difficulty sitting on the jury in a case like this?

A. No, this is a totally different situation.

Q. Well, it is totally different, but, again, it's going to be the Henderson Police Department who came out and arrested you, you know what I mean?

A. I would have arrested me, too, the way I was acting. So I don't hold it against them, the cops.

Q. Okay. You haven't been on a jury? I asked you already?

A. No, I haven't.

Q. Can you think of any other reason that would possibly cause you difficulty in being fair and impartial to both sides in a case like this that I haven't specifically asked you?

A. I'm sorry, what was the question?

Q. Well, I mean, is there anything else that I haven't specifically touched upon, anything that might affect your ability to be a juror in a case like that?

A. Yeah, I believe that I am pretty fair, and I am pretty open-minded.

That's why I don't hold the police responsible for what happened to me.

It was my fault.

Q. You wouldn't be a -- you won't go to the deliberation room --

A. I'm not biased at all.

Q. You won't go to the deliberation room and remember all of the things that were going through your mind when you got arrested, and let that interfere with your ability to just be a juror on this case and not bring in anything else from that other instance?

A. Not at all. I was just embarrassed for myself. So I am over that.

Q. You realize that there is going to be quite a few witnesses in this case that are going to be around your age?

A. What's the question?

Q. Is that going to cause you any problem?A. No, not at all.

Lee M. Bahr, CCR 173

702-804-6167 AA 000853 537

Q. You will still be able to listen to them and weigh their testimony, and weigh the credibility even if you weren't somebody that looks just like you, same age, and everything?

A. I don't think that age will have --

Q. It isn't going to have any effect on you?A. No.

Q. All right. Can you withhold forming an opinion about this case -- this is pretty important -until you have heard all of the evidence, and I have instructed you on the law?

Can you do that?

A. Absolutely.

Q. Do you think you would be comfortable if you were the prosecutor in this case or if you were the Defendant in this case if somebody that was sitting on the jury would have your frame of mind?

A. Yes, I would be.

THE COURT: Who is next?

MS. KOLLINS: Thank you, Judge.

VOIR DIRE EXAMINATION OF JUROR ABERNATHY BY MS. KOLLINS:

Q. Good afternoon, Ms. Abernathy. How are you?

A. Good. How are you?

Lee M. Bahr, CCR 173

Q. Good. Who do you do freelance makeup work for, for like salons or --

A. Um, actually, showgirls, I have done a lot of showgirls, and stuff.

Q. Okay. So you go to each party, and you do their makeup?

A. Whatever calls me, once again, whatever it is.

Q. How long have you been doing this?

A. I have been doing makeup since I was 19 years old, and I have been working for myself for the last couple of years.

Q. Judge went through with you a lot of the stuff about the Henderson police, and I don't want to go on a drill on it, but I just want to ask you:

There is going to be some cops in this case, okay? Are you good with that?

A. Yeah, I don't have any problem with cops. Not all cops are the same. It doesn't matter. I don't feel there is anything about that.

Q. That situation, what happened happened, we will leave it alone?

A. Yeah.

Q. For our purposes here?

A. Yeah.

Lee M. Bahr, CCR 173

Q. The Judge is going to instruct you that the State's burden is prove our case beyond a reasonable doubt.

If you believe the victim and believe that we have proved our case beyond a reasonable doubt, according to the law, but you don't like the cops, you just don't like them on a personal level, can you still come back with a guilty?

A. Yes, I would, but I wouldn't hold that against the Henderson cops, or anybody. I can be fair to everyone, you know.

Q. I mean, and the victims just happened to be victimied in Henderson, and we didn't have any control over what happened, right, you know, whatever law enforcement, it was just --

A. (Interposing) As long as the evidence is there, there is no problem with finding him guilty.

Q. Where did you go to school?

A. El Dorado.

Q. And did you go to graduate school?

A. Yes.

Q. Any plans for further education?

A. Yes, I actually do have. I want to be a nurse so much.

MS. KOLLINS: Thank you. Pass for cause. . THE COURT: All right, Defense?

Lee M. Bahr, CCR 173

MR. BANKS: Yes, sir, thank you.

VOIR DIRE EXAMINATION OF JUROR ABERNATHY BY MR. BANKS:

Q. Hi, Ms. Abernathy.

That situation in Henderson, now that you have had that experience, we will get back on it. Would you have done anything differently?

A. Well, because of my situation, would I do anything if I had not called the cops?

I would have just said it was my fault. I don't think that there is anything that I would have done different. If I had not done what I had done, I would have been in my car and out of there.

Q. Okay. So your emotions were running high?A. Yes.

Q. Okay.

A. It was the most traumatic thing that ever happened to me, that would be it.

Q. Okay.

Looking back on it, and your emotions were running high, and you said that maybe if you had it to do all over again, you would tried not to act so erratic?

A. I would have tried nicely, but I was in a bad situation, and I just kind of freaked out, and my emotions came out. But if I had to do it again, I'm not

542

sure that it would have gone any different. Okay. A stressful situation. It's not like 0. you had a training for that situation? Α. Exactly. Q. Okay. You did the best you could with what you had? Α. Yes. MR. BANKS: I think that's all I have, thank you. Pass for cause, Your Honor. VOIR DIRE EXAMINATION OF JUROR BRUNSON BY THE COURT: We have Bonnie Brunson. Bonnie? Ο. Α. Yes. How long have you been in Las Vegas? Q. Α. I was born and raised here. Ο. Wonderful. All right. What do you do for a living? Α. Pardon? What do you do for a living? Q. Α. I am a realtor, and thank God, I have an event planning business, too. Q. Not much going on with the real estate business right now these days.

A. Oh, it's doing godd. It's picking up.Q. It's getting back. We will be fine.

Lee M. Bahr, CCR 173

Are you married?

A. No, not for quite a few years.

Q. Do you have adult children?

A. I do have adult children.

Q. Where do they live?

A. My son is 38, and he has his own business, he has got his own grader, and he is close to the name of this other company, but they changed it. He has got a service retention business from the builders, and my daughter works for another group. They are architects?

Q. Okay.

A. Is that right? All right.

Q. So nobody -- nobody close to you is involved in or employed in law enforcement?

A. No.

Q. Okay. And you have never been trained in law enforce?

A. No, absolutely not.

Q. Have you, or anybody close to you, ever been accused of or the victim of any sexual related offenses?

A. No.

Q. Have you, or anybody close to you, ever been charged with or the victim of any other types of criminal offenses?

A. No.

Lee M. Bahr, CCR 173

The only thing I can relate back to at all was my brother, who was a bit wild, and he was shot, he was with some friends in California,, and they had marijuana on them.

Q. That was how long ago?

A. Oh my gosh, I've got my years. That was a long time ago, and I think he was about, well, I guess he was about 17 or 18. I'm three years older than him.

Q. So there was nothing about that incident that would affect your ability to be a juror in this case?

A. No, it was a misdemeanor, and my mother made him pay the price, but other than that.

Q. Have you ever been called to jury duty?

A. I have, many times.

Q. And have you served?

A. Yes, I have.

Q. The last time, have you served on more than one jury?

A. Yes, I have.

Q. When was the last one? Let's start with , that. How long ago did you serve?

A. The last one was probably 12, 14 years ago, and it was so nondescript. I think it was a civil case.

Q. It was a civil case?

A. No, it was criminal cases.

Lee M. Bahr, CCR 173

Both of them were criminal cases? Q. Α. Yes. Q. The one, you didn't actually deliberate? Α. No, we didn't really get that far. They made some kind of resolution before Q. they had you deliberate? Α. Yes. What about the trial before that, previously? Q. Α. That one, my kids were small. That was a long time ago. Q. Was it also a criminal trial? It was a criminal trial. Α. And do.you remember if you deliberated? 0. Α. Oh, yes, quite a while. It was frustrating. Q. Okay. Now, we have something to talk about. Were you the foreman? Α. I was. Q. You were? Yes, sir. Α. Q. Okay. So you were not only on the jury, and you deliberated, but you were in charge of deliberation? Α. Yes. Without telling us what happened, did the Q. jury reach a verdict? Α. Yes.

702-804-6167 AA 000861

Q. Okay.

So you said that a couple of times. It sounds like you deliberated a long time.

A. Yes, we did, and we didn't seem to hear the same things, and we called the reporter back in, and have things reread from the transcript.

Q. Okay. Do you remember how long it was that you deliberated/?

A. It was between five and six days.

Q. Between five and six days?

A. Yes.

Q. Okay. Now, and this was a long time ago?

A. This was a long time ago. My kids were -my son was probably four -- well, I was still married so it was really a long time ago. He was under 16, and that was about it.

Q. So can you take that experience and keep it from interfering with your jury service here in this case?

A. Absolutely.

Q. Can you -- I know it was a long time ago so probably you are not letting any of the instructions on the law, or anything interfere with this case, just they tell you you remember?

A. Yes.

Lee M. Bahr, CCR 173

Q. Okay. But what we will ask you to do is to forget about anything that you might remember in regards to that jury service, and forget about it, and pay attention in this case, just to the evidence that you hear in this case, and the instructions that I give you on the law in this case and render a verdict on that, and nothing else.

Can you do that?

A. Of course.

Q. Okay, all right.

Can you think of anything that I haven't specifically touched upon, or asked you about, that might cause you difficulty in being a juror in a case like this?

A. No.

Q. Can you withhold forming an opinion about any aspect of this case until you have heard all of the evidence?

A. That's what we are supposed to do, and I would do that myself.

Q. I will tell you about 500 times before we get done. Can you follow that instruction?

A. Absolutely.

Q. Okay. If you were the Defendant or the prosecution in this case, would you be comfortable with somebody that had your frame of mind being on the jury?

A. Absolutely.

Lee M. Bahr, CCR 173

548 THE COURT: Ms. Luzaich, it is your turn. VOIR DIRE EXAMINATION OF JUROR BRUNSON BY MS. LUZAICH: Q. Can you be fair to both sides? Α. Absolutely. Q. Keep an open mind until all of the evidence is in? That's what it has to be. Α. Q. And not scare the jurors into thinking they are going to have to stay four or five days to deliberate? Α. Well, if it needs to be done, it needs to be done, you know. Q. That's very rare these days? Α. Yes. Q. Is there any reason you can't sit as a juror? Α. No. Ο. Sit as a juror in this particular case? Α. No. Q. Knowing what you know about yourself, you don't have a problem of sitting -- bless you -- in judgment of someone? Α. No. So if you aren't convinced beyond a reasonable Ο. doubt that the Defendant committed this crime as charged,

Lee M. Bahr, CCR 173

would you be able to say, guilty?

A. Yes.

Q. Okay. And just so say again, back when you served as a juror two times before, the law has changed a lot sicne then, so any instructions that you would have heard back then, you would forget and only follow the instructions that this Court reads to you?

A. Yes.

MS. LUZAICH: Okay, thank you.

Pass for cause, Judge.

VOIR DIRE EXAMINATION OF JUROR BRUNSON BY MR. LANDIS:

Q. Yes, she's right, that's the second long deliberation we've heard of today, and I think people are getting lazy because you never hear of deliberations that long anymore.

Did the Defendant testify in either of those . trials, do you remember?

A. One.

Q. And one, they did it?

A. In one, they did not.

Q. They didn't get far enough for him or her to have an opportunity?

A. Right.

Q. Were you expecting the Defendant to testify

Lee M. Bahr, CCR 173

in the case where they did?

A. It doesn't matter.

Q. It doesn't matter?

A. Well, it didn't matter in that case, I suppose. Do you want to know why?

Q. No, again, I am going to get in trouble. I am going to stop you.

Do you want that in this case?

A. What?

Q. The Defendant to testify?

A. I think that's up to the Defendant.

Q. Okay. Let me ask you this:

What has been your favorite question you've heard from one of the four of us so far?

A. My favorite one is the one you asked.

MR. LANDIS: Pass for cause, Judge.

THE COURT: All right. Counsel, approach the bench, please.

(Whereupon, a brief, informal discussion was had at the bench between the Court and counsel.)

THE COURT: Okay.

We are going to ask the following jurors to go ahead and step down and report to the third floor, Jury Commissioner's office, call the office tomorrow.

Bonnie Huerta, and we will replace Bonnie Huerta

Lee M. Bahr, CCR 173

with Joann Czerwinski.

Thank you again very much for your service.

(Juror Huerta excused at this time.)

THE COURT: And, Joann, you will be in that second chair in the back row.

VOIR DIRE EXAMINATION OF JUROR CZERWINSKI BY THE COURT:

Q. By this time, Joann, I suspect that there aren't too many surprises.

A. No.

Q. How long have you been in Las Vegas?

A. I have been in Las Vegas for 12 years.

Q. Okay. What do you do for a living?

A. I am an auditor with the Internal Revenue Service.

Q. Oh, my.

A. Still friends?

Q. Are you guys real busy right before the 15th, or it probably wouldn't have any effect on you guys?

A. I am not actually because I'm the auditor when we do those years like three years back, and so we are not dealing with the current year.

Q. How long have you worked for the IRS?

A. 31 years.

Q. So you worked for them way before you came

Lee M. Bahr, CCR 173

to Las Vegas?

Α. Yes.

Q. Okay. And is it true that the actual number of IRS auditors in Las Vegas is about three times the number for income tax in the United States?

Α. I used to work in Baltimore, and I think that there was a fair number each -- either place.

So that's just a -- that's just an old wive's Q. tail?

> Α. Yeah, it is a misconception.

Q. Okay. So what -- are you married?

Α. I was. My husband died.

0. Okay. And what did your husband do?

Α. He was an auto mechanic.

Q. Okay. Do you have grown children?

Α. No children. One dog.

One dog? The dog is not employed? 0.

Α. No.

Q. All right. So have you ever been trained, being an auditor is not considered with the IRS, it is not considered in any fashion or form of law enforcement?

> Α. No.

Have you ever had any training in law Q. enforcement?

Α. No.

Q. Has anybody, have you any other family members or persons close to you employed or trained in law enforcement?

A. No.

Q. Have you, or anybody close to you been the victim of, or accused of any type of sexually related offense?

A. No.

Q. Have you, or anybody close to you ever been accused of or the victim of any other type of criminal offense?

A. My house was burglarized back in 2001.

Q. Here, obviously, in Las Vegas?

A. Yes.

Q. Was anybody -- was a police report made?

A. Yes.

Q. To your knowledge, was anybody ever arrested or prosecuted?

A. Yes.

Q. And were they prosecuted for it?

A. I am thinking that they did.

What happened is they got to Oregon, and the police up there found the car with our belongings in it, and some got returned back to Las Vegas through the detectives, and we recovered most of our belongings.

Q. So it was an auto theft?

A. No, it was actually a -- these two guys were terrorizing the neighborhood. One of them was a neighbor, and they were watching peoples' houses, and they were stealing cars, or they were stealing stuff right in the people's houses and robbing them.

Q. So they did prosecute as far as you know?

A. As far as I know, but we were apprised of the date, but I don't know what happened. I never did find anything out.

Q. Is there anything about that incident that would cause you difficulty in dealing and being a juror on a case like this?

A. Not at all.

Q. Could you set that aside and not let it interfere with your jury duty?

A. Yes.

Q. You wouldn't hold that against the Police Department, or the other prosecution?

A. No.

Q. Or even the Defendant because of anything that happened with respect to that other criminal activity?

A. Not at all.

Q. Okay. You can sit as a juror in this case and render a verdict based strictly upon the evidence you

Lee M. Bahr, CCR 173

hear and the instructions on the law, and that's it, nothing else?

A. Yes.

Q. Okay. Have you ever been on jury duty before?

Q. Ms. Czerwinski, is that how you pronounce your name?

A. Yes.

Q. Do you have brothers and sisters?

A. I have one brother and one sister.

Q. Do they have kids?

A. My brother has his dog.

Q. Any other relatives?

A. Well, they mostly live on the East Coast so I don't really see them that much. I have to see them before they see me. They don't come to the West Coast too much.

Q. What did you think when you got your jury summons?

A. I was pretty excited.

Q. And why?

A. I just want to do it.

Q. Not like you're an auditor?

A. It's a different field.

Q. The Judge is going to give you some instructions.

Do you think that you can follow those instructions even if you disagree with them? Α. Yes. 0. Hold the State to our burden? A. Yes. Ο. Give a fair trial to the victims? Α. Yes. And can you be fair to the Defendant? Q. Α. Yes. MS. KOLLINS: Thank you, pass for cause. THE COURT: Counsel? VOIR DIRE EXAMINATION OF JUROR CZERWINSKI BY MR. BANKS: Ο. Is it Czerwinski? That's the --Α. You are correct. Q. All right. In your years as an auditor, do you find a lot of honest mistakes? Α. Yes. Okay. Some are a lot softer. Q. Q. Okay. Α. A lot of times people are their own preparers, and they are not knowledgeable of tax law. Q. Okay. And as an auditor, I have to be aware of tax Α. law. So I have to kind of educate them as to tell them where

the error was made, and to try to keep them more aware of what -- they should be more aware of the law. Ο. Okay. So you don't have repeat the same --Α. Yeah. So they don't repeat the same mistakes? Q. Α. Yeah, yes, we try to stop it. Okay. I imagine some issues you see, and 0. it's like oh, this again, and you kind of know what's going on? Oh yeah, I have been doing it for 22 years Α. now. Q. Okay. And I imagine some of the things you see are a lot more technical? Α. Yes. • Ο. Is that fair? Α. Yes. Okay. Are you still learning new things Q. everyday as the Tax Code code changes? Α. Oh yes. Q. Okay. Α. The Code changes. Okay. I mean, you have got a lot of training Q. in that area? Α. Yes.

answers.

Pass for cause, Your Honor.

THE COURT: All right. Will you approach the bench? We are real close.

(Whereupon, a brief, informal discussion was had at the bench between the Court and counsel.)

THE COURT: Okay. We are going to ask Stephanie Abernathy to step down, please, and she will be replaced by Juaneta Gibson.

Stephanie, we thank you very much for your participation, and Juaneta, you will be in the last chair in the back row.

We are almost done here.

(Juror Abernathy excused.)

VOIR DIRE EXAMINATION OF JUROR GIBSON BY THE COURT:

Q. Juaneta?

A. Yes.

Q. Can I start asking you questions while you are still moving?

A. Yes, you can.

Q. All right. We will start at the top. How long have you been in Las Vegas?

Lee M. Bahr, CCR 173

702-804-6167 AA 000877

562

A. No.

Q. Have you ever been trained in law enforcement?A. No.

Q. No close friends or relatives in law enforcement?

A. Not close. My husband has a cousin who is with Metro, we haven't seen him in years, so we see him very rarely, like every few years, very rare.

Q. Okay. Nothing about that relationship that would cause you difficulty in being a juror in a case like this?

A. No.

Q. It was Metro, not in Henderson?

A. No, it was Metro.

Q. Okay.

Have you, or anyone close to you, ever been the victim of, or accused of, any type of sexual related offense?

A. No.

Q. Have you, or anyonne close to you, ever been the victim of, or accused of of any criminal offense?

A. No.

Q. Have you ever been on a jury?

A. I have never served on a jury. I have been called before, but usually was turned away.

Lee M. Bahr, CCR 173

Q. You never made it to --

A. I never made it this far.

Q. Okay, okay. Can you think of any reason that I haven't specifically touched broadly upon that may bear upon your ability to sit as a juror in a criminal case like this?

A. No.

Q. Do you understand the importance of not forming any type of an opinion?

A. Yes.

Q. About any aspect of the case until you have heard all the evidence, and I instruct you on the law. Do you understand how important that is?

A. Yes, I understand.

Q. And can you do that?

A. Yes, I can do that.

Q. Okay. Do you believe that you have a neutral, frame of mind in terms of your jury service today, and your duty as a juror?

A. Yes.

Q. As you approach this kind of a case, if you would be a juror in a case like this, you understand how important it is that you don't come with any leaning toward the prosecution or the defense?

A. Right.

Lee M. Bahr, CCR 173

Ο. You have to keep a down the middle --Α. Open mind. Down the middle, neutral frame of mind, Ο. and listen to the evidence before you start making -forming any opinions. Do you understand? Α. Yes, Your Honor. Q. Can you do that? Α. Yes. 0. If you were the Defendant or the prosecution in this case, would you be comfortable with somebody on the jury that has your frame of mind? Yes, I would. Α. MS. LUZAICH: Pass for cause. MR. LANDIS: The Court's indulgence. We will pass. THE COURT: Okay. Then approach the bench here. (Whereupon, a brief, informal discussion was had at the bench between the Court and counsel.) THE COURT: Okay. All right. We are going to ask Justin -- is it Gries? JUROR GRIES: Gries. THE COURT: Justin Gries, we are going to ask you to step down, and thank you very much for your participation.

Lee M. Bahr, CCR 173

702-804-6167 AA 000880

565

(Juror Gries excused at this time.)

THE COURT: We are going to replace Justin with Brenda Medeiros. Brenda?

Thank you, Justin.

And Brenda, you are going to take the only open chair there.

VOIR DIRE EXAMINATION OF JUROR MEDEIROS BY THE COURT:

Q. Now, Brenda, let me ask you something before you get even going you too from. You are from Sandy Valley, right?

A. Yes.

Q. How far is that?

A. From here to my work is 24 miles, and I work on the Strip, at Planet Hollywood, so probably another 10 miles maybe probably 10 miles maybe from where I live from here.

Q. All right. Here is how this works. There is a distance, and I am not positive what it is, if it's 50 miles or 60 miles, but I am pretty sure that it is one or the other, and you are going to be right on that borderline, and the borderline is this:

We pay to have you spend the night here if you want to stay in town.

But you might be five miles under the limit for

Lee M. Bahr, CCR 173

all I know. All I can tell you is, is this going to be a big problem commuting, and being here on time, and stuff? A. No.

Q. Are you, if you had any the option, would you like to spend the night in town instead of going back and forth. You don't get to spend the weekend.

A. If I had to stay the night. Otherwise I would prefer just to go back home.

Q. Okay, and they pay -- I think they pay the mileage. They have a different arrangement, it's either spend the night or pay the mileage, something like that. But that wouldn't be a problem?

A. No.

Q. Okay. All right. So how long have you been in Las Vegas or in Sandy Valley? Have you always lived in Sandy Valley?

A. No, I just moved there a year ago.

Q. Okay and where did you live before then right here?

A. Vegas, for 17 years.

Q. Okay. And you work at --

A. Planet Hollywood.

Q. Planet Hollywood, doing what?

A. Waitreșs.

Q. Okay. Are you married?

Lee M. Bahr, CCR 173

567

A. I'm divorced.

Q. Do you have children?

A. I have two. My daughter is 18 and my son is 12.

Q. Does your 18 year old work?

A. No, she doesn't. They live in Florida with their father.

Q. Oh, okay.

A. Yeah, she is going to school. She graduates in May.

Q. And you you said in May? Okay. Have you ever been in law enforcement or trained in law enforcement?

A. No.

Q. Anybody close to you been trained or engaged in law enforcement?

A. My two cousins,, they live in Massachusetts. They are police officers, but I don't really talk to them too much.

Q. You don't talk to them too much?

A. No.

.

Q. Is there anything about the fact that you have got cousins that are police officers that would affect your ability to be a juror in a case like this?

A. No.

Q. Have you ever, you, or anyone close to you, ever been the victim of, or accused of any type of sexually related crimes?

A. My brother told me one time that an aunt, when he was a kid, did something to him, but he just mentioned it, and we never really talked about it.

Q. There was no criminal case?

A. No.

Q. As a result, or anything like that?

A. No.

Q. Anything -- well, how long ago was that?

A. Maybe 35 years ago.

Q. Okay. Is there anything about that incident that was involving your brother that would have any effect or bearing upon your jury duty here in this case?

A. No.

Q. You can set that all aside, and pay attention to this case, and render a verdict based upon this case?

A. Yes.

Q. The evidence and my instructions, is that right?

A. Yes. .

Q. Okay. Can you think of anything that -did I say -- did I ask you if you have been on a jury before?

Lee M. Bahr, CCR 173

A. No, you didn't.

Q. Have you?

A. And I haven't, no.

Q. Okay. Is there anything that you can think of that I haven't touched upon in a broad perspective here that would affect your ability to sit as a juror in a criminal case of this type?

A. No.

Q. Okay. Nothing that you can think of in your background that would cause you to give the testimony of a police officer any greater or lesser weight/?

A. No.

Q. Than any other witness?

A. No.

- Q. You would treat them all the same?
- A. Treat them all the same.
- Q. Okay.

Do you understand the importance and the necessity of not forming any kind of an opinion about anything that has to do with this case until you have heard all of the evidence?

- A. Yes.
- Q. Can you do that?
- A. Yes.
- Q. Okay. Do you think that you have a healthy

Lee M. Bahr, CCR 173

mindset, a healthy, neutral mindset so that if you were one of the litigants, you would be comfortable with somebody that has your mindset being on the jury?

A. Yes, I do.

THE COURT: Okay, Ms. Kollins? MS. LUZAICH: Pass for cause, Your Honor. THE COURT: Okay. THE COURT: Fellows? MR. LANDIS: We will pass, Judge, thank you. THE COURT: Okay.

Now, we have a jury, and I am going to discharge . the rest of you so here is how this works. Be real careful.

I want to thank you very much for your jury service. As you can see, we started off with 80 people, we went through over two-thirds of them so we needed way more than the number of people that we end up with, and so just because you didn't get picked, I really and truly appreciated your participation because we couldn't do this if you guys weren't here.

So thank you all very much.

And I think it's too late to go to the third floor, check in. You can just check in tomorrow. Give them a call and let them know that you were discharged, and that you weren't picked.

Hopefully, that will be the end.

Lee M. Bahr, CCR 173

Okay? And thank you all very much for your participation.

All right. While they are going down to the Jury Commissioner's office, I am going to tell you guys, I have a bunch of instructions for you, but I am not going to do them until tomorrow. We are going to do that the first thing in the morning.

Tomorrow, we are proposing to start at nine. I told you all we wouldn't start until 10. Is there anybody that can't be here at nine?

Can everybody be here at nine?

We want to get as full a day in tomorrow as we can. We will probably bring them in, and we want to get as full a day in as we possibly can.

I have some instructions to read to you about generally what you do as a juror and what to expec.t.

The first thing that is going to happen -- where did Joe go?

THE CLERK: Take the jury outside.

THE COURT: Oh, okay.

The first thing that is going to happen, Joe is going to give you actual juror badges instead of the badges that came from the Jury Comissioner's office, okay?

It is real important that you keep those juror badges on any time that you are close to the Courthouse,

Lee M. Bahr, CCR 173

I mean, and there is a reason for it because it identifies you as a juror in a case that is sitting in trial.

That's different than a prospective juror. It is from being in a jury pool.

It tends -- it is supposed to isolate you and keep you apart from everybody else.

Don't talk to anybody around here because you never know who you are talking to about anything having to do with this case, in fact, just don't talk to anybody about anything to do with this case period, which includes with each other.

From now on, you won't be going in and out that front door. From now on, you are going to go with Joe out the back door, and it is the jury deliberation room right back here, and if something happens, we have a conflict with the courtroom next door, we will find another spot. But for now, this is going to be your room.

So when you.guys meet, you will meet outside the double doors over here, on the side. You will go in and out those doors so stay away from the front out here, because that's where all the witnesses are going to be, and that's where the people are going to be that we don't want you to . be around, okay?

> So you go running out those middle doors here. When I tell you to congregate at a certain time,

Lee M. Bahr, CCR 173

you will as a group congregate over there, and meet with Joe, until he brings you back to the deliberation room. You will have a place to leave your purses, and stuff, they will be safe there. You shouldn't have to worry about anything.

At night, you leave your notebooks such over here in the jury deliberation room.

And next time we are going to do it right now, you need to give them their badges through Joe.

THE BAILIFF: Okay.

THE COURT: This is different than the jury pool. Being the real jury, there is a different oath that you have to take so the very next thing thing we do is everybody stand, and raise your right hand. We need to swear you all in.

(Jury and alternates duly sworn.)

THE CLERK: Okay. You may be seated.

THE COURT: Okay.

Overnight, here is what is going to happen in the morning.

You are going to meet at five till nine outside of the double doors, okay?

Make sure you keep your jury badges on, have them on at lunch, have them on in the evening, have them on when you are anywhere close to theCourthouse. Keep your juror

Lee M. Bahr, CCR 173

badges out and keep them visible.

During this next however many hours until we meet again, I am going to admonish all of you:

Do not talk or discuss this case with anyone, including each other.

Do not watch, listen or listen to any reports or commentaries about anything having to do with this case or any person having to do with this case until such time as the case has been finally submitted to you.

Don't watch, listen or read any reports or commentaries from newspapers, radios, internet.

Don't look anything up. For those of you who have computers, which should be just about every single one of you, don't get curious and start looking stuff up on the internet to see if you can find something out.

Don't do anything that would constitute some kind of an investigation on your own about anything having to do with this trial.

Everything that you should consider when you retire as a juror on this case should come right from this witness stand or the evidence that has been admitted into this case and no place else.

Okay?

When you converse with your family, your husband, your wives, or whatever, that I am on a jury, it's a criminal

Lee M. Bahr, CCR 173

trial, that's it.

Say, I have been instructed by the Judge not to discuss anything else about this trial until it is over with, okay?

You guys are in recess. See you tomorrow morning at nine o'clock. We will have all day long.

(Jury and alternates excused at this time. Thereafter, the following proceedings were had outside their presence:)

THE COURT: Would you make sure that door closes when you go out? Thank you very much.

Back on the record.

All right. 'We need to be on the record for just a second.

All right. Counsel, you wish to make a Batson challenge to the State's striking, challenging juror number five by the name of Stephanie Abernathy.

MR. BANKS: Yes, Judge, Stephanie Abernathy, badge number 284.

Defense's position is that Ms. Abernathy was part of a protected class that being that she was African American, . coincidentally, the same protective class as my client.

Based on the answers that she gave in response to the Court's questions as well as answers from the prosecution as well as the Defense, my perception is that

Lee M. Bahr, CCR 173

she say anything out of the ordinary in fact, when pressed without any prior incidents with the Henderson police, she indicated that she was out of place where she was over that, that she completely set it aside, it wouldn't affect how she approaches this case at all.

And not only that, I believe she indicated that she was a freelance makeup artist, and that she does makeup for strippers, something like that. I don't know what a --how the Court or how the State feels about that.

I know that I have clients prosecuted where strippers are accusers, and the State in those cases put a lot of stock in what strippers say.

So I don't think the fact that she does makeup for strippers is really a reason that, you know, what I am saying, Judge, is I don't see any reason besides the fact that she is African American, and I believe once we make that claim that the State is now in a position where they have to put forth a race neutral reason for this -- for the challenge.

MS. LUZAICH: Well, first of all, I wasn't convinced that she was actually African American when she sat down.

I thought is she Mexican or black? But she is 22, and as he said, she works with strippers. It only has to be a race neutral reason.

She talked about an arrest for domestic violence. That alone is enough. She talked bout how she doesn't, or

Lee M. Bahr, CCR 173

at least at one point didn't like the Henderson Police Department.

That alone is also enough.

The fact that she has said that she has gotten over that. So what, you know, I call bullshit on that.

But those are just a series of race neutral reasons, and that's why we kicked her.

THE COURT: I think that the State has identified a sufficient race neutral reason, and that I think that they have and responded appropriately to the Baston challenge, and identified they have designated a race neutral reason.

So you have made your record, she's gone, we've got our jury.

MR. BANKS: Thank you.

THE COURT: And gentlemen, see you at nine o'clock.

MR. BANKS: Thank you.

THE COURT: And I will read through the jury . instructions.

We can go off the record, Lee.

(Discussioni off the record.)

Does there come a point where number one or number two are both trying to involve one of the rest in your group to having sex with Dani? A. Yes. Q. What happened? A. Number one asked my brother if he could get hard. After about five minutes of trying, Ryan said,

Can you elaborate? Q. I'll move on. That is withdrawn. You said that they started doing stuff with Dani and Justin. What is the first thing you heard or saw that had to do with Dani or Justin? A. They kept saying Dani was a pretty girl, she was pretty hot, and they were telling Justin he had a hot girlfriend, and that at some point they told him to get naked. Q. Who was saying Dani was pretty hot, number one, or number two, or both? A. Both of them. Q. Both of them? A. Yeah. Q. And who is it that directed Justin that he needed to get naked? A. I don't remember exactly who started the telling them to get naked. I just know at some point they told both of them	2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20 21 22 23 24	 Q. When Justin couldn't perform, was there discussion about, if you don't do her, somebody else here's going to do her? A. Yes, it was number two saying or asking number one, let me take her back to his room, let me have sex with her, if he can't do it, I will. Q. Was number two using the words, let me have sex with her? A. Let me fuck her. Q. What did number one have to say about number two having sex with Danielle? A. He was giving Justin more of a chance. He still wanted to see Justin and Dani have sex. He was not the one pushing himself upon Dani. It was more number two saying, he's almost asking permission to do sexual things to Dani. Q. From number one? A. Yeah. Q. Does there come a point where number one or number two are both trying to involve one of the rest in your group to having sex with Dani? A. Yes. Q. What happened? A. Number one asked my brother if he could get hard.
