

These orders are themselves independently appealable. On March 23, 2021, Appellant filed a notice of appeal from the order regarding attorney's fees and costs, this appeal was docketed separately as Docket No. 82693. On March 25, 2021, Appellant filed a notice of appeal from the order regarding the motion for a new trial, this appeal was also docketed separately as Docket No. 82724.

Because all of the appeals arise from a single district court case, and the issues are inextricably intertwined, it would make sense to combine these appeals for all appellate purposes.

Therefore, respondent suggests for purposes of judicial economy that these three matters should be consolidated for all appellate purposes. Respondent requests that an amended briefing order be entered allowing the parties to file one set of briefs, rather than requiring duplicative, parallel briefing.

Respectfully submitted this 27th day of April, 2021.
