## **MEMORANDUM OF POINTS AND AUTHORITIES**

### **Statement of the Relevant Facts**

This appeal arises from an underlying case, in the District Court of Clark County, in the matter of State of Nevada v. Arthur Moore, Case No. C316287.

On April 1, 2021, a Judgement of Conviction was filed in this case.

Thereafter, the Appellant filed his Notice of Appeal, Case Appeal Statement and Request for Rough Draft Transcripts.

The Opening Brief and Appendix is due October 8, 2021. Appellant has made considerable progress on the Opening Brief and Appendix. Additional time is necessary for the following reasons:

- 1.) Although Appellate counsel was counsel at the trial level it is necessary to review several court transcripts and complete extensive legal research.
- 2.) Appellate counsel has not been able to visit Appellant at High Desert State Prison due to family health emergencies and COVID-19.
- 3.) This case involves extensive legal research regarding issues of constitutional import which requires more time due to the lengthy motion practice in the district court and a lengthy jury trial.

### **Law and Argument**

The Nevada Rules of Appellate Procedure, Rule 26 (b) (1)(A), provide as follows:

“For good cause, the Court may extend the time prescribed by these rules or by its order to perform any act, or may permit an act to be done after that time expires.”

This is the second request for an extension.

These circumstances are extraordinary and constitute good cause.

WHEREFORE, the Appellant moves the Court to grant a thirty (30) day enlargement of time, through and including November 8, 2021, within which to file Appellant's Opening Brief and Appendix and for all such other relief as is just and proper in the premises.

Dated this 8<sup>th</sup> day of October, 2021.
