***ORDER DIRECTING SUPPLEMENTATION OF APPENDIX WITH
WRITTEN ORDER AND DIRECTING ANSWER***

This original petition seeks a writ of prohibition, or in the alternative, mandamus directing the district court to enter an order dismissing, with prejudice, the claims of real party in interest Shane Terry against petitioner and its affiliates, or, in the alternative, grant summary judgment in petitioner's favor pursuant to this court's decision in *Helfstein v. Eighth Judicial Dist. Court*, 131 Nev. 909, 362 P.3d 91 (2015). Although petitioner references an order by the district court, it only provided a copy of the minute order. This court normally will not consider a petition for extraordinary relief in the absence of the written order being challenged. *See Rust v. Clark Cty. Sch. Dist.*, 103 Nev. 686, 689, 747 P.2d 1380, 1382 (1987); *see also* NRAP 21(a)(4) (explaining that it is the petitioner's obligation to provide an appendix that includes all records that may be essential to understand the matters set forth in the petition).

Accordingly, petitioner should file and serve an appendix containing a copy of the district court's written order and all other materials that are essential to understanding the petition, within 14 days from the date of this order. In the event petitioner timely files an appendix in accordance with this order, real party in interest, on behalf of respondents, shall have 28 days from the date petitioner serves an appendix to file and serve an answer, including authorities, against issuance of the requested writ. Petitioner shall have 14 days from service of the answer to file and serve any reply.

It is so ORDERED.
