ELIZABETH A. BROWN  
CLERK OF SUPREME COURT  
BY   
DEPUTY CLERK

*ORDER DENYING MOTION*

Appellant has filed a motion requesting that this court direct the clerk of the district court to transmit to this court “a copy of the FMC Child Interview Report provided to the District Court on or about February 27, 2020.” The complete district court record was transmitted to this court on May 10, 2021, and the document requested by appellant does not appear to be included in that record. *See* NRAP 11(a)(2) (providing that “[w]hen the court directs transmission of the complete record in cases in which the appellant is proceeding without counsel, the record shall contain each and every paper, pleading and other document filed, or submitted for filing, in district court.”). Further, a review of the district court docket entries does not indicate that such a document was filed in the district court. Accordingly, appellant’s motion is denied. *See Carson Ready Mix, Inc. v. First Nat’l Bank of Nev.*, 97 Nev. 474, 635 P.2d 276 (1981) (this court’s review on appeal is limited to the record that was made in and considered by the district court in reaching its decision).

It is so ORDERED.
