Appellant has filed a pro se emergency motion to recuse counsel for respondent, petition for writ of arrest for respondent, and request to accept the late docketing statement. Appellant has also filed an emergency motion to quiet title.<sup>1</sup> Appellant's request to disqualify respondent's counsel due to an alleged conflict of interest is denied. Appellant is cautioned that she must serve all future documents filed in this court on counsel for respondent and provide this court with proof of such service. NRAP 25(b), (d). This court will not take any action on papers until proof of service is filed. NRAP 25(d)(3). The petition for writ of arrest, argument related to the merits of this appeal, and request to quiet title are not properly addressed in the context of a motion. To the extent appellant seeks a stay of an HOA-initiated foreclosure, the request is denied without prejudice because appellant does not show that she sought relief in the district court in the first instance or that doing so would be impracticable. See NRAP 8(a). Appellant's request for an extension of time to file the docketing statement is granted. NRAP 14(d). The clerk shall file the docketing
