County of Elko, State of Nevada

CLERK _____ DEPUTY KS

THE STATE OF NEVADA,

Plaintiff,

vs.

**ORDER APPOINTING OFFICE
 OF THE ELKO COUNTY PUBLIC
 DEFENDER TO REPRESENT
 INDIGENT DEFENDANT**

Hector Ramirez De La Torre Defendant.

Having taken an oral request for the appointment of an attorney and considered the accompanying affidavit of the above-named Defendant in support of his/her written Application for Appointment of Attorney in the above-captioned case, and having conducted any inquiry regarding that Application as deemed necessary by the Court, and it appearing to the Court that the Defendant is without means of employing an attorney and has provided facts with sufficient particularity, definiteness and certainty concerning his/her financial disability, the Court hereby appoints the Office of the Elko County Public Defender to represent the Defendant in this case pursuant to NRS 171.188.

The Court specifically finds that the Defendant is without means of employing an attorney, meets the standard for determining indigency set forth in the Nevada Supreme Court Order entered January 4, 2008 under ADKT 411, and otherwise determines that representation is required.

Per that Nevada Supreme Court Order: "A person will be deemed 'indigent' who is unable, without substantial hardship to himself or his dependents, to obtain competent, qualified legal counsel on his or her own. 'Substantial hardship' is presumptively determined to include all defendants who receive public assistance, such as Food Stamps, Temporary Assistance for Needy Families, Medicaid, Disability Insurance, reside in public housing, or earn less than 200 percent of the Federal Poverty Guideline.¹ A

¹ 2016 FEDERAL POVERTY LEVEL

2	\$15,930
3	\$20,090
4	\$24,250
5	\$28,410

7	\$36,730
8	\$40,890

defendant is presumed to have a substantial hardship if he or she is currently serving a sentence in a correctional institution or housed in a mental health facility. Defendants not falling below the presumptive threshold will be subjected to a more rigorous screening process to determine if their particular circumstances, including seriousness of charges being faced, monthly expenses and local private counsel rates, would result in a substantial hardship were they to seek to retain private counsel.

If no attorney employed by the Elko County Public Defender's Office is able to represent the Defendant in compliance with the Nevada Rules of Professional Conduct, or other good cause appears, another attorney may be appointed to represent the Defendant. Id.

The Court will not permit the withdrawal of the Elko County Public Defender's Office unless: (a) at the conclusion of this case, a Notice of Withdrawal is filed; (b) the Defendant employs another attorney to represent him/her in this case and that attorney files with the Court a paper providing that the Defendant, the Elko County Public Defender, and the new attorney consent by their respective signatures to substitution of the new attorney in place of the Elko County Public Defender's Office; or (c) the Court issues a written Order Granting the Elko County Public Defender's Motion to Withdraw as Attorney of Record or a stipulation thereto. See NRS 7.115.

No Order Granting Elko County Public Defender's Motion to Withdraw as Attorney of Record shall be issued except upon a finding of good cause following the Court's review of a written Motion to Withdraw as Attorney of Record, or a stipulation thereto. NRS 171.188(3).

DATED this 21 day of March, 20 19.
